Statement on the Development in Syria

Saturday, 14 April 2018 | dilihat 1183 kali

**RELATED
NEWS**

TWITTER

1. Indonesia is deeply concerned about the development in Syria.
2. Last week, Indonesia strongly condemned the use of chemical weapons by any parties in Syria.
3. Indonesia calls on all parties to show restraint and prevent an escalation of the deteriorating situation in Syria.
4. Indonesia underlines the need for all parties to respect international laws, and norms, in particular, the UN Charter on international peace and security.
5. Indonesia also calls on all parties to ensure the security and safety of civilians, in particular women and children which must always be a priority.
6. Indonesia reiterates the importance of a comprehensive resolution of the conflict in Syria through negotiations and peaceful means.
