MOFA Spokesperson's Commentary on Use of Chemical Weapons in Syria

Date : 2018-04-15 10:21:51 Hit : 285

1. The government of the Republic of Korea, perceiving the proliferation and use of chemical weapons as a threat to international peace and safety that cannot be tolerated under any circumstances, strongly condemns it.

2. The ROK government actively supports the international community's efforts to prevent the use of chemical weapons, especially the deaths of innocent civilians caused by it.
