Custodian of Records  
Cambridge Analytica  
1901 Pennsylvania Avenue NW  
Suite 902  
Washington, DC 20006

Dear Custodian of Records:

In July, the Committee sent out requests for information related to its investigation into the removal of FBI Director James Comey, allegations of improper influence in law enforcement investigations, and Russian interference in the 2016 election.

In its January 6, 2017 assessment, the Intelligence Community noted Russia's use of social media as part of its interference campaign to influence the 2016 election. More recently, additional questions have emerged regarding the role that targeted messaging – the identification of voters or potential voters in certain key voting districts – may have played in Russia's influence campaign. It was also recently reported that Cambridge Analytica may have sought information directly from Julian Assange, founder of Wikileaks – one of the entities responsible for distributing materials obtained as the result of cyberattacks on the computer systems of the Democratic National Committee and Clinton campaign chairman John Podesta. As part of this Committee's oversight and investigation responsibilities, I therefore request the production of the following information and documents no later than November 6, 2017:

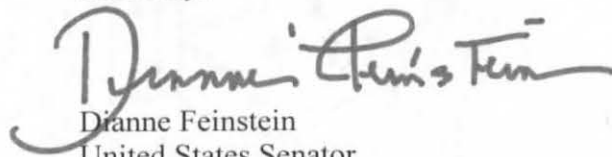

1. All communications concerning efforts by Russian government officials, associates, or representatives or any individuals who purported to act or whom you believed to be acting on behalf of Russian government officials, associates, or representatives to identify voters or potential voters for targeted advertising, marketing, or social media contact in support of the Trump campaign or other efforts to elect Donald J. Trump as president of the United States.
2. All communications with Russian government officials, associates, or representatives or any individuals who purported to act or whom you believed to be acting on behalf of Russian government officials, associates, or representatives, concerning the 2016 U.S. presidential campaign.
3. All documents concerning Russian interference in the 2016 U.S. presidential campaign.

4. All documents concerning any effort to obtain, disclose, or disseminate "hacked" emails or other electronic data belonging to or housed on the servers of the Democratic National Committee (DNC), John Podesta, Hillary Clinton, or the 2016 U.S. presidential campaign of Hillary Clinton by WikiLeaks or any other media, news leaks, or hacking organization (e.g., Guccifer 2.0, DCLeaks).
5. All communications with the Trump campaign or its representatives concerning efforts to identify voters or potential voters for targeted advertising, marketing, or social media contact in support of the Trump campaign or other efforts to elect Donald J. Trump as president of the United States.
6. All communications with each of the following persons: Donald J. Trump, Donald J. Trump, Jr., Eric Trump, Jared Kushner, Rhona Graff, Roger Stone, Paul Manafort, Steve Bannon, Lt. Gen. Michael T. Flynn, Corey Lewandowski, Dan Scavino, Carter Page, Michael Cohen, Hope Hicks, Melissa Nathan, Amanda Miller, Tim Unes, Auria McAlicher, Sam Clovis, Jeffrey "J.D." Gordon, Jason Greenblatt, Michael Caputo, George Papadopoulos, Rick Clay, Alexander Torshin, Maria Butina, Johnny Yenason, Bob Forseman, Curt Weldon, Paul Erickson, Ivan Timovfee, Peter W. Smith, or Julian Assange.
7. Documents sufficient to describe your document retention policy.

Instructions and definitions are included in Attachment A.

I appreciate your prompt attention to this important matter. Please contact Heather Sawyer on my staff at (202) 224-7703 to discuss arrangements for production.

Sincerely,

Dianne Feinstein  
United States Senator
