Nunes Statement on Russia Investigation

Washington, March 12, 2018

House Permanent Select Committee on Intelligence Chairman Devin Nunes issued the following statement today:

"After more than a year, the Committee has finished its Russia investigation and will now work on completing our report. I'd like to thank Congressmen Trey Gowdy, Tom Rooney, and especially Mike Conaway for the excellent job they've done leading this investigation. I'd also like to recognize the hard work undertaken by our other Committee members as well as our staff. Once the Committee's final report is issued, we hope our findings and recommendations will be useful for improving security and integrity for the 2018 midterm elections."
