Chairman Schiff Statement on Next Steps of Impeachment Inquiry

Washington, October 28, 2019

WASHINGTON, D.C. – Today, Rep. Adam Schiff (D-CA), Chairman of the House Permanent Select Committee on Intelligence, issued the following statement:

“This week, we will bring to the Floor a resolution that establishes the format for open hearings that will be conducted by the House Intelligence Committee as part of the House’s ongoing impeachment inquiry, as well as procedures to transmit any evidence or report to the Judiciary Committee.

“The American people will hear firsthand about the President's misconduct.”
