IN RECOGNITION OF NATIONAL CYBERSECURITY CAREER AWARENESS WEEK

HON. BILL POSEY
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. POSEY. Madam Speaker, November 11th marks the start of National Cybersecurity Career Awareness Week. This week-long campaign focuses on the local, regional and national interest to engage the community on not only the importance of cybersecurity but career opportunities in the field.

Cybersecurity IT workers play a vital role in upkeeping the integrity of our systems, networks, and programs as well as pioneering new ways to promote system strength against unforeseen threats. In a highly interconnected and increasingly globalized world, there has never been a more important time than now to raise awareness.

Unfortunately, America is facing a critical shortage of people trained in cybersecurity. There are currently over 300,000 jobs nationally that need to be filled in the cybersecurity workforce and globally, an expected shortfall of 1.8 million cybersecurity professionals by 2022. This deficit can easily be filled by American talent and continued commitment to making educational resources available early.

In my own district, we are doing our part by educating the public about what role cybersecurity plays in their everyday lives and how impactful a career in cybersecurity can be. To raise the awareness of the importance of purposing a career in cybersecurity, I encourage each of our local colleges along with the Brevard School District, EDC Space Coast and Florida Tech Corridor to name a few, will come together to discuss the role of cybersecurity in our economy, in enhancing public safety and national security.

I ask my colleagues to join me in recognizing National Cybersecurity Career Awareness Week.

In recognition of Denton County Transportation Authority renaming Old Town Station in honor of Charles Emery and his retirement

HON. MICHAEL C. BURGESS OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. BURGESS. Madam Speaker, I rise today in tribute to Mr. T. Charles Emery II of Lewisville, Texas on the event of his retirement as Chairman of the Board of the Denton County Transportation Authority.

Charles and his wife Elaine, both of whom I have considered friends for decades, have served Denton County in a variety of ways and left an indelible mark on our community. In addition to a successful career in real estate development, Charles was a member of the Lewisville City Council, an active member of the Lewisville and Dallas Chambers of Commerce, a member of a variety of boards and commissions that touched almost every facet of our region.

A man of great faith, Charles has been a dedicated member of the Denton Bible Church, where he and Elaine are long-time supporters of its choir program. Charles is also a proud veteran, having served our country in the United States Air Force and Air National Guard. And I know Charles would not let me forget his dedication to his beloved alma mater, Texas A&M University.

However, in a life that includes many achievements, Charles’ most lasting contribution to our region may be his role as the father and chief architect of the Denton County Transportation Authority, which provides vital public transportation services throughout North Texas.

Charles worked tirelessly with state lawmakers to fine-tune the legislation signed by then-Governor Rick Perry in 2001 that created Denton County Transportation Authority as an entity. He then spent the next year going door-to-door in every corner of Denton County in support of a local ballot measure to conform the creation of the agency. It was approved with a 73 percent majority. I remember early in my Congressional career, Charles did not hesitate to lend his expertise on local transportation issues.

Once Denton County Transportation Authority was formed, Charles agreed to serve as Chairman of the Board of Directors and for the next 17 years, he proceeded to lead the agency down a path of providing quality services to a transit-dependent constituency in a financially sustainable manner. After concentrating on bus service for the first 10 years of existence, Charles and his colleagues at Denton County Transportation Authority expanded the agency’s footprint to include commuter rail with the 2011 opening of the 21-mile A-Train, which connects Denton County to the Dallas Area Rapid Transit Light rail system in Carrollton.

Charles quickly became a staple in the North Texas transportation community and offered his insights and service to a number of entities, including the Dallas Regional Mobility Council, the Regional Transportation Council of the North Central Texas Council of Governments, and the Tarrant Regional Transportation Coalition.

women’s suffrage centennial commemorative coin act

speech of
HON. SHEILA JACKSON LEE OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, October 28, 2019

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 2423, the “Women’s Suffrage Centennial Commemorative Coin Act,” as amended.

H.R. 2423 directs the Department of the Treasury to mint and issue up to 400,000 $1 silver coins that are emblematic of the women who played a vital role in rallying support for the 19th Amendment to the U.S. Constitution. Elizabeth Cody Stanton and Lucretia Motz organized the first Women’s Rights Convention in Seneca Falls, New York. Sixty-eight women and 32 men signed the Declaration of Sentiments at the Convention in July 1848.

The Declaration of Sentiments was modeled after the Declaration of Independence and declared that “all men and women are created equal”, linking women’s rights directly to the founding ideals of the United States.

On August 18, 1920, Tennessee became the 36th and final State needed to pass the 19th Amendment, ensuring its ratification pursuant to Article V of the Constitution of the United States.

The 19th Amendment was ratified on August 18, 1920, when Secretary of State Bainbridge Collin issued a proclamation announcing that it has become part of the Constitution of the United States.

The ratification of the 19th Amendment marked the single largest extension of voting rights in United States history, enfranchising 27,000,000 American women in the United States.

This act is a way to honor and commemorate the work of women’s suffrage activists in the late 19th and early 20th centuries. It will increase public awareness and appreciation for the history of the women’s suffrage movement.

Ultimately, it will encourage all women in the United States to exercise their hard-won franchise and to become involved in civic life, if they so chose.

Women are pioneers for social change and justice, women like me and my fellow colleagues would not have gotten to where we are today.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 2423 to require the Secretary of the Treasury to mint coins in 19th commemoration of ratification of the Amendment to the Constitution of the United States, giving women in the United States the right to vote.
For his efforts, Charles was recognized with the “Outstanding Public Transportation Board Member Award” in 2007 by the American Public Transportation Association, the premier association representing the interests of the public transportation industry in North America.

It is a privilege to recognize my friend Charles Emery for his dedication and commitment to his fellow North Texans, and I congratulate him on this well-earned honor.

RECOGNIZING BIANCA MADERAL

HON. DONNA E. SHALALA
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Ms. SHALALA. Madam Speaker, I rise in honor of Bianca Maderal. A young adult undergoing cancer treatment, Bianca founded Fight Like a Kid, a nonprofit organization dedicated to supporting children with cancer.

She continues to receive treatment at the Nicklaus Children’s Hospital in Miami. Between chemotherapy sessions, she can be found putting together care packages for pediatric cancer centers across the country, donating funds to pediatric cancer research, and helping other children with their diagnoses.

As Fight Like a Kid puts it, sometimes real superheroes live in the hearts of small children fighting big battles. Bianca has become a superhero not only to the other children at Nicklaus Children’s Hospital but also to their families and to cancer patients across the country.

Fight Like a Kid is an incredible organization created by a truly inspirational young woman. It really is cancer’s turn to be afraid.

RECOGNIZING MR. JAMES LESLEY WALTERS

HON. ROBERT B. ADERHOLT
OF ALABAMA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. ADERHOLT. I would like to recognize the retirement of someone who has spent his career bringing news and information to thousands of people.

Mr. James Lesley (Les) Walters was born to Charles and Lottie Walters in April of 1956 in Andalusia, Alabama. He was the valedictorian of his 1974 graduating class at Red Level High School. After high school, Waters went on to attend college at Troy state University. Upon graduation in 1978, he was named the Hall School of Journalism and Communication’s Outstanding Graduate of the Year.

In 1979, the Itawamba County Times in Fulton, Mississippi hired Walters as a news writer. Later that same year, he accepted a job in Hamilton, Alabama at a brand newspaper called the Hamilton Progress.

In 1987, Walters left the Hamilton Progress for the position of managing editor of the Journal Record newspaper, also in Hamilton. He has held this position for the past 32 years.

During his more than three decades at the Journal Record, his leadership has helped steer the paper and the community during much change, progress and even tragedy. From the completion of interstate 1–22 through Marion County, the 2011 tornado outbreak that left several dozen people in the county dead, to the 2016 Hamilton office shootings, Walters has been there to help the paper and his staff write the first draft of Marion County history.

As an editor, Walters has been a vocal advocate of Alabama’s open records and open meetings act and has kept county and municipal governments accountable to adhere by them. Walters also cultivated a higher standard of journalism in Marion County. Under his leadership, the paper moved from submission-based coverage to having reporters prioritize county commission meetings and city and town council meetings, bringing local news and issues to print for the public’s awareness.

Walters has received numerous media awards from the Alabama Press Association, including his most-prized award, the APA Feature Story of the Year, which he was honored with for his article “Dr. Charlie Pyle’s Hamilton Hillbillies Semi-Pro Baseball Team.”

Walters has also been named Kiwanis Citizen of the Year and has served as the Hamilton CJ’s president, where he was a longtime member and helped organize numerous fund raisers, such as wrestling nights and air shows at the Marion County Rankin-Fite Airport.

Walters married his wife of 39 years, Sheri Gilliland, on July 19, 1980. They have two sons: Sloan, 34, of Murfreesboro, Tenn. Sloan and his wife Erin have two sons, Thad, 5, Crosby, 2, and another child expected in February 2020; his youngest son, Chance, 33, lives in Birmingham. The Walters family are members of the First Baptist Church of Hamilton, where Les Walters has taught Sunday school for youth and college-aged adults. He also serves on the church’s publicity committee.

As a member of Congress, representing Marion County and northwest Alabama, I want to acknowledge and honor Mr. Walters and his years of service to his community, his state and our First Amendment. I wish Les Walters all the best in his well-earned retirement.

OF NEW HAMPSHIRE
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Ms. KUSTER of New Hampshire. Madam Speaker, I rise today to honor the brave Americans who served our country during the Vietnam Era. The courage, patriotism, and heroism that our servicemembers displayed when faced with the danger of serving in the Vietnam War speaks to the character and strength of these individuals and our nation.

I am honored to be a part of the Vietnam War Commemorative Committee. This project is a token of our gratitude for their selfless service and steadfast, unwavering devotion to our nation and the American people. The legacy of all those who served during the conflict is an inspiration to our nation. To the families of our servicemembers who stood by faithfully as your loved ones departed to defend our free-dom overseas, I offer my sincere gratitude for your shared commitment to duty and service.

DIGNITY IN AGING ACT OF 2019
SPEECH OF
HON. SHEILA JACKSON LEE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, October 28, 2019

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 4334, the "Dignity in Aging Act of 2019." H.R. 4334 reauthorizes the Older Americans Act (OAA), which authorizes funds to state and local programs to ensure aging seniors have access to food, transportation, and other basic services they need to live independently and with dignity.

The number of Americans over age 65 is expected to reach 70 million by 2030, representing a 71 percent increase from today's 41 million older adults.

Elder and long-term care is rapidly becoming one of the most daunting healthcare challenges of our day. By 2050, the global population of people older than 60 is expected to jump to two billion.

In the United States, the number of Americans over the age of 65 is expected to double from roughly 50 million today to nearly 100 million by 2060. While the United States is currently ranked among the top countries in the world for the elderly, there are significant variations across the country in access to healthcare and quality of life.

On average, the older adult population spends $18,424 annually per person, with many over $20,000. Almost half of the U.S. population is expected to have at least one chronic disease by 2020. The number of aging individuals with three or more chronic conditions has also increased significantly within the last ten years, and this is expected to grow to 40 percent among the 65 and over population by 2030.

By 2050, the number of Americans needing long-term services and supports (LTSS) will more than double to 27 million.

Our approach to caring for the aging is fiscally unsustainable for taxpayers and consumers alike.

Absent changes to a fragmented system of care delivery, which rewards high costs rather than high-quality care, the burden of healthcare spending for the aging population will soon become unsustainable for taxpayer-funded programs like Medicare and Medicaid, as well as individual consumers paying out-of-pocket costs.

Between 2015 and 2025, annual Medicare spending is projected to double to $1.2 trillion dollars.

The median annual out-of-pocket costs for Americans age 65 will rise to $6,200, nearly double what it was in 2010.

Unless policymakers act now, aging Americans and their loved ones will soon experience unsustainably high costs for healthcare...
coverage as well as significant declines in the access to and quality of care.

As Medicare and the Older Americans Act reach their fiftieth anniversaries continue to improve aging America’s access to affordable, high-quality care, it will be necessary to identify, evaluate, and scale up policy interventions that work.

Today’s health care workforce is inadequate to meet the needs of older Americans, many of whom have multiple chronic physical and mental health conditions and cognitive impairments.

10 percent of Harris Counties population is 65 years and older.

It is critical for the United States Congress to stand with aging seniors who need access to food, transportation, and other basic services.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 4334 to help older ensure that aging seniors are provided with essential services they need to live independently.

HON. FRANCIS ROONEY
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES

Reverend Suarez and Nations Association have given four decades helping disad- vantaged residents and youth in Southwest Florida by providing food for struggling families, scholarships assistance for college-bound youth, job counseling and placement help, and drug prevention programs, all impacting thousands of lives over the years.

Reverend Suarez has exemplified the finest qualities of citizenship and leadership by taking an active role in the Boy Scouts of America, Troop 87, and earning the most prestigious award of Eagle Scout.

HONORY THE 25TH ANNIVERSARY OF CHRIST CATHEDRAL BAPTIST CHURCH

HON. RASHIDA TLAIB
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Ms. TLAIB. Madam Speaker, I rise today in tribute to Christ Cathedral Baptist Church, a house of worship located in Detroit, Michigan, on the occasion of its twenty-fifth anniversary. The members of Christ Cathedral Baptist Church first came together to worship in 1994. The congregation grew so quickly in its first year that they were forced to find a new worship space before settling at its current address on Hartwell Street. No matter what location, the congregation was home wherever they could gather together for worship. It is evident in their mutual support for one another and commitment to serving the community’s most vulnerable that the Christ Cathedral Baptist Church is a family. For more than twenty years, the church has given back to the community by hosting meal services for those in need and ministering to people struggling with substance abuse. In short, the flock at Christ Cathedral has strength from each other as they have come together to worship and celebrate, and they have used their strength in service to others.

Please join me in recognizing Christ Cathedral Baptist Church on this milestone as we wish them many more years of service to come.

Ms. BASS. Mr. Speaker, I rise today to pay a special tribute to Congressman John Conyers. He was one of the 13 founding members of the Congressional Black Caucus (CBC). Congressman John Conyers, Jr., was born in Detroit, Michigan, on May 16, 1929, the eldest of four sons of John and Lucille (Simpson) Conyers. Congressman Conyers attended Detroit public schools and graduated from Northwestern High School in 1947. After graduating from high school, Mr. Conyers served in the National Guard from (1948 to 1950) and then joined the U.S. Army for four years. Congressman Conyers later attended officer candidate school and was commissioned as a second lieutenant. During his time in the Army, he served in Korea for a year. He was honorably discharged in 1951 and served the next 20 years in the Army Reserve.

He was inspired by his friend Dr. Martin Luther King, Jr., to run for office and was elected to the House of Representatives in 1964. His first hire was civil rights hero Rosa Parks. She served as an aide to Mr. Conyers for 22 years from 1964 until she retired in 1988. During his time in Congress, Representative Conyers chaired the Government Oversight and Reform Committee (formerly the Government Operations Committee) and was the first African American to serve on the House Judiciary Committee and to become its chair.

As a human rights and civil rights champion, Mr. Conyers opposed the death penalty and fought for police brutality oversight. He was a lead co-sponsor of the Voting Rights Act of 1965. Mr. Conyers also assisted in passing the Help America Vote Act (2002), the Violence Against Women Act (1994), the Motor Voter Bill (1993), the Jazz Preservation Act (1987), and the Martin Luther King, Jr., Holiday Act (1986). His legislative record extends to introducing the Medicare For All Act, legislation to establish a government-sponsored, single-payer
Representative Conyers also championed the issue of reparations by introducing a bill to establish a commission to study the effect of slavery and race relations in America, which he fought for consideration every year. His light for justice also extended to international issues, as well. Mr. Conyers was an early leader in the anti-Vietnam War movement, in addition to the anti-Iraq War movement. He was also a vocal opponent of South Africa’s apartheid policies. Congressman Conyers joined Congressman Ron Dellums and other CBC Members in confronting President Nixon about imposing sanctions against South Africa. When it became clear he would not act, Congressman Conyers joined Congressman Dellums in introducing legislation to that end and was even arrested at a protest in front of the South African embassy.

He impacted so many people in his district and throughout the country. America is a better country today because of the legislative and advocacy work of Representative John Conyers, Jr.

CONGRATULATING THE BREESE MATER DEI HIGH SCHOOL BOYS’ GOLF TEAM

HON. JOHN SHIMKUS
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. SHIMKUS. Madam Speaker, I rise today to recognize the achievements of the Breeze Mater Dei High School Boys’ golf team, which recently brought home the Illinois Class 1A state championship.

It was a very closely contested tournament October 19 to 20 at Prairie Vista Golf Course in Bloomington. At the end of the first round, the Mater Dei Knights found themselves trailing Carmi-White County’s 320 score at the top of the leaderboard by a single stroke, with Belleville Althoff Catholic one shot behind them in third place.

In the second—and final—round, Mater Dei and Althoff both shot 322, while Carmi-White County carded a 347 total to fall out of contention. The Knights’ 643 gave them a one-stroke victory over their rivals from Althoff and the school’s second state golf title. Long-time Coach Dennis Trame also led Mater Dei to the Class A championship in 1993.

My hearty congratulations go to Coach Trame and team members Carter Goebel, Grant Goebel, Nathan Rivera, Ian Berndsen, Blake Kloeckner, and Tanner Gerdes, as well as to Athletic Director Ron Schadegg and Principal Dennis Litteken.

Madam Speaker, these student-athletes have represented themselves, their school, and their community in the best tradition of high school athletics. I wish them all continued success.

FEDERAL DISASTER ASSISTANCE COORDINATION ACT

SPEECH OF
HON. SHEILA JACKSON LEE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, October 28, 2019

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 1306, the “Federal Disaster Assistance Coordination Act.”

H.R. 1306 amends the Disaster Recovery Reform Act to help federal agencies streamline and consolidate information collection and preliminary damage assessments following disasters.

H.R. 1306 also establishes a federal working group to identify areas of overlap in performing the assessments used to administer disaster assistance for individuals, households, states, tribes, and territories.

It is critical for the United States Congress to stand with the women and men who have been affected by disasters across the United States.

In 2017, Hurricane Harvey dumped a record 275 trillion pounds of rain on the Houston area. An estimated 13 million people were affected, nearly 135,000 homes damaged or destroyed in the historic flooding, and up to a million cars were wrecked.

This year, Tropical Storm Imelda has dumped 10 inches of rain in Houston, and at least 40 inches of rain in other parts of southeast Texas, making it one of the wettest storms in history.

These natural disasters represent the importance of H.R. 1306 to properly mitigate disaster relief services and provide appropriate assistance to impacted communities.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 1306 to help federal agencies streamline information collection and damage assessments following disasters.

HON. TOM MALINOWSKI
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES

Mr. MALINOWSKI. Madam Speaker, I rise today to recognize Hunterdon Helpline’s 50th Anniversary, a valuable and important organization serving Hunterdon County, Somerset County and beyond.

Hunterdon Helpline offers a wide array of services, including Literacy Services for adult learners, Workconnectivity to connect employers to seniors, and disability programs for socialization and well-being, the Community Translation Center to assist those whose first language is other than English, 24-Hour Homeless Response in Hunterdon and Somerset Counties; compassionate listening; suicide prevention; and First Assist, a comprehensive information and referral service offered 24-7, 365 days of the year.

Special commendations are extended to a host of volunteers who continue to give generously of their time, energy and resources to Hunterdon Helpline through their invaluable efforts as members of the Board of Trustees,
fundraisers, senior callers and visitors, literacy instructors, office assistance, and as outreach speakers and presenters.

I am proud of the tireless work Hunterdon Helpline does for the people of New Jersey's 7th Congressional District.

CELEBRATING THE 50TH ANNIVERSARY OF THE FIRST INTERNET MESSAGE

HON. TED LIEU
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. LIEU of California. Madam Speaker, today I rise to mark the 50th anniversary of the first message sent over the early internet and the important role played by the University of California, Los Angeles.

On this day in 1969, the team working on the Advanced Research Projects Agency Network, or ARPANET, led by Professor Leonard Kleinrock, attempted to send a login command to the Stanford Research Institute in Menlo Park, California. After sending and confirming receipt of the first two letters, “l” and “o,” the attempt to send a “g” crashed Stanford’s computer.

And so, the first message sent over a computer network turned out to be unintentionally meaningful: “LO” as in “Lo and behold.” As Kleinrock said, “We didn’t plan it, but we couldn’t have come up with a better message: short and prophetic.”

Kleinrock developed the mathematical theory that would facilitate packet switching as a graduate student at the Massachusetts Institute of Technology. The ability of a network to transmit signals in discrete bundles of information instead of through a single burst underpinned much of the way the world communicates today. One errant connection from one end of California to the other gave way to trillions of bytes of data flowing around the world every second.

As one of four Members of Congress who majored in computer science, I would like to recognize the contributions of Dr. Kleinrock and the UCLA Samueli School of Engineering for laying the foundations for information sharing and communication in the 21st century and the years to come.

HONORING THE 140TH ANNIVERSARY OF SAINT JOHN EVANGELICAL LUTHERAN CHURCH

HON. RASHIDA TLAIB
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Ms. TLAIB of Michigan. Madam Speaker, I rise today in tribute to Saint John Evangelical Lutheran Church, a house of worship in Detroit, Michigan, as its members celebrate the church’s one hundred fortieth anniversary, as well as the service of Pastor Reverend Richard E. Robinson’s twenty-five years in ministry.

Saint John Evangelical Lutheran Church was founded in 1879 under the leadership of Dr. Theol Emil Hardrat. The church and congregation quickly turned their focus to providing schooling for children. Throughout changes in leadership and building changes, the church and its school have persevered. Saint John Evangelical Lutheran Church has created a lasting legacy of prayer, praise, fellowship, and mutual aid that continues today under the leadership of pastor Reverend Richard E. Robinson. His twenty-five-year career in ministry brought him to serve the Saint John congregation, where he has touched the lives of many. Whether praying for a good harvest, celebrating love in marriage, or marking the passing of a dear friend and loved one from this world, the members of Saint John Evangelical Lutheran Church have drawn strength from each other.

Please join me in tribute to Reverend Richard E. Robinson and the members of Saint John Evangelical Lutheran Church on this important milestone.

I would have voted in favor of H.R. 777, which would reauthorize a key DNA backlog grant program.

RECOGNIZING COLONEL DANE W. POWELL

HON. TRENT KELLY
OF MISSISSIPPI
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. KELLY of Mississippi. Madam Speaker, today I recognize Colonel Dane W. Powell of the Mississippi Army National Guard for his extraordinary dedication and service to our Nation. Colonel Powell will soon retire from an impressive 33-year career.

Colonel Powell, a lifelong Mississippian, joined the Mississippi Army National Guard in 1986 after his graduation from the University of Southern Mississippi in Hattiesburg, Mississippi. He is currently serving as the State Army Aviation Officer at Joint Force Headquarters for the Mississippi Army National Guard. His military service took him all around the world to areas including South Korea, Japan, St. Croix, Columbia, Barbados, and Uzbekistan. He was deployed to Iraq in 2004 to serve in Operation Iraqi Freedom II. During his career, Colonel Powell received many accolades for his outstanding service, including the Bronze Star Medal and the Meritorious Service Medal.

After retirement, Colonel Powell will continue his passion for flying as a pilot for PHI Air Medical and will fly for AirCare through the University of Mississippi Medical Center in Jackson. He will wed his fiancée Lea Pentecost and looks forward to spending time with his children, London Addison Powell, Dane Whitney Powell II, Douglas Alexander Pentecost, and Carson Reese Pentecost.

On behalf of a grateful Nation, it is my honor to recognize the selfless service and sacrifice of a fellow Mississippian, Colonel Dane W. Powell. I wish him the best in his well-deserved retirement.

HONORING MR. EGON J. SALMON

HON. MAX ROSE
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. ROSE of New York. Madam Speaker, I rise today to ask all of my colleagues to join me in honoring the extraordinary courage and sacrifice of Egon J. Salmon, a veteran of World War II, on the 80th anniversary of his first attempt to flee Nazi Germany to the United States.

Egon J. Salmon was born on June 4, 1924, in Rheydt, Germany, near the borders of Holland and Belgium. When Egon was nine years old, Adolf Hitler became Chancellor of Germany, leading Egon to face mounting anti-Semitism throughout his schooling, particularly with the passage of the 1935 Nuremberg Laws. On Nov. 9, 1938, Egon was an eyewitness to Kristallnacht, the night of broken glass, when more than 250 synagogues in Germany were destroyed.

Egon’s father Paul, who fought in the cavalry for the Kaiser in World War I and owned a major textile firm, was rounded up and arrested along with 30,000 Jewish men. He was taken by the Nazi SS to Dachau, the first Nazi concentration camp, and was released four weeks later on the condition that he immediately leave Germany. Paul entered the United States on a visitor’s visa but was placed on a waiting list for a permanent visa. He then left for Cuba to await the arrival of his wife and two children in hopes of returning to the United States.

While Paul waited in Cuba for the family’s U.S. quota number to be called, Egon, his mother Erna and 9-year-old sister, Edith, booked passage on the SS St. Louis to Havana on May 13, 1939. They were not permitted to disembark and on June 4th, Egon spent his 15th birthday watching the lights of Miami while the ship was sent back to Nazi Germany. No country, including the United States, would accept the Jewish refugees. They were finally given haven in Brussels.
realize that nowhere else in the world offers a better opportunity for success than here in America.

Although each individual has sought to become a citizen of the United States for his or her own reasons, be it for education, occupation, or to offer their loved ones better lives, each is inspired by the fact that the United States of America is, as Abraham Lincoln described it, a country ‘‘... of the people, by the people, and for the people.’’ They realize that the United States is truly a free nation. By seeking American citizenship, they have made the decision that they want to live in a place where, as guaranteed by the First Amendment of the Constitution, they can practice religion as they choose, speak their minds without fear of punishment, and assemble in peaceful protest should they choose to do so.

Madam Speaker, I respectfully ask you and my other distinguished colleagues to join me in congratulating these individuals who will become citizens of the United States of America on November 1, 2019. They, too, will be American citizens, guaranteed the inalienable rights to life, liberty, and the pursuit of happiness. We, as a free and democratic nation, congratulate them and welcome them.

CONGRATULATING THE CHAMBER OF COMMERCE OF GETTYSBURG, PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. JOYCE of Pennsylvania. Madam Speaker, it is with great pride that I congratulate the Gettysburg Chamber of Commerce of Gettysburg, Pennsylvania on the occasion of its 100th annual meeting.

In September of 1918, Gettysburg businessman Roy Funkhouser organized a group of local businessmen to support economic development. The Gettysburg Chamber of Commerce was formed as a result of this initiative.

Throughout its history, the Gettysburg Chamber of Commerce has led and supported important projects. From helping to establish a county library in 1931 to supporting the victims of Hurricane Andrew and commending Adams County’s Small Business Appreciation Week tradition, the membership of the chamber has made a lasting legacy in our region.

With more than 660 members, the Gettysburg Chamber of Commerce is a strong advocate for entrepreneurs and the workforce of Adams County. It is my privilege to represent the chamber in the U.S. House of Representations, and I congratulate the leaders and members of the chamber upon this outstanding achievement.

EDUCATING MEDICAL PROFESSIONALS AND OPTIMIZING WORKFORCE EFFICIENCY AND READINESS FOR HEALTH ACT OF 2019
SPEECH OF HON. SHEILA JACKSON LEE OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, October 28, 2019

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 2781, the ‘‘EMPOWER for Health Act of 2019.’’

H.R. 2781 reauthorizes funding at the Health Resources and Services Administration (HRSA) for health professions workforce, education, and training programs. The legislation expands efforts to increase diversity, improve geriatrics and training, and grow the pediatric healthcare workforce.

The legislation also creates a new authorization of $5 million to increase workforce diversity in the professions of physical therapy, occupational therapy, audiology, and speech-language pathology. By 2032, the United States may face a shortage of over 100,000 physicians; if health care access were equitable across race, health insurance coverage, and geographic location, we would require almost 100,000 more physicians today.

Groups such as the National Black Nurses Association have been advocating for a more diverse workforce to ensure access to the highest quality of healthcare for persons of color.

The Kinder Institute at Rice University in Houston has determined that the greater Houston area is becoming increasingly diverse.

The Kinder Institute noted that in 2010, the Houston metropolitan area became the nation’s most racially/ethnically diverse large metropolitan area in the nation.

While the largest growth has been among Latinos, other racial/ethnic groups in the metropolitan region have also either increased or remained the same.

This growth and expanding racial/ethnic diversity can bring social, economic and health system challenges that exacerbate disparities. Efforts to increase diversity in the workforce will lead to more respect and understanding, more creativity and innovation, less of a language barrier and social challenges, and an overall better patient outcome and satisfaction.

This act will ensure that patients in Harris County and around the country have access to skilled physicians and medical professionals, regardless of where they live.

By reauthorizing key Title VII funding, it will increase access to physicians and other providers in underserved areas, and promote training opportunities for physicians to maintain and improve their skills.

I applaud Rep. SCHAKOWSKY for introducing this legislation to help to better support the health of the citizens of the United States.

Madam Speaker, I urge my colleagues to join me in supporting H.R. 2781 to amend title
VII of the Public Health Service Act to reauthorize certain programs relating to the health professions workforce, and for other purposes.

RECOGNIZING DR. MATTHEW C. WINKLEMAN OF HARRISBURG, ILLINOIS IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. SHMKUS. Madam Speaker, I rise today to recognize Dr. Matthew C. Winkelman of Harrisburg, Illinois for having been honored with the Distinguished Service Award by the Illinois Academy of Family Physicians.

Dr. Winkelman received this prestigious award because of his long-standing dedication to providing outstanding primary care. Dr. Winkelman’s focus on expanding access to health care to Southern Illinois over the past decades has ensured that quality care has always been available to those in need. Established by Dr. Winkelman, the Primary Care Group of Harrisburg, which has since evolved to become SIH Medical Primary Care Group Harrisburg, is among his many initiatives designed to ensure high-quality primary care. Especially important to this goal has been the successful recruitment of other dedicated physicians to the clinic.

Dr. Winkelman’s focus on primary care has led him to host medical students from Southern Illinois University School of Medicine to expose them to the need and opportunity which family medicine offers. Several students have followed Dr. Winkelman’s example and themselves gone into rural family medicine.

Madam Speaker, it is with great pleasure I stand to recognize Dr. Winkelman for his leadership in health care in Southern Illinois. His dedication to this cause has benefited thousands, and I am pleased that he has been selected by the Illinois Academy of Family Physicians to receive their 2019 Distinguished Service Award.

IN HONOR OF ARMY SPECIALIST JOHN W. ODIERNO OF FARMINGDALE

HON. LEE M. ZELDIN OF NEW YORK IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. ZELDIN. Madam Speaker, I rise today to honor Army Specialist 4th Class John W. Odiero of Farmingdale, New York. Even at a young age, Specialist Odiero was compelled to defend others, protecting his family, friends and even his little brother in the school yard. However, when Specialist Odiero was drafted during the Vietnam War, his call to defend others transitioned from the schoolyard to the battlefield.

On March 21, 1967, while serving as squad leader during a search and destroy mission in the central highlands of Kon Tum Province, Specialist Odiero and his company were met with intense machine gun and rifle fire from an entrenched North Vietnamese battalion. Specialist Odiero and his company found themselves trapped and outnumbered.

Despite being wounded, Specialist Odiero defended his position for twenty minutes, allowing his fellow soldiers to reload their weapons. While this action saved the lives of many soldiers, it cost Specialist Odiero his own.

At only twenty years old; Specialist Odiero made the ultimate sacrifice in defense of his fellow soldiers and their great nation, but his spirit and grit did not fail on the battlefield that day. The men who witnessed his heroic actions continue to tell the story of selflessness and bravery, including Lieutenant Toby Alvaro, who believes Specialist Odiero should not only have received the Silver Star, but the Medal of Honor for his actions.

Today, I ask the Ways and Means Committee to join me in honoring Specialist Odiero’s service and sacrifice, ensuring that when a servicemember falls in defense of our great country, our entire nation stands in honor.

HONORING GARY BATTON, CHIEF OF THE CHOCATAW NATION OF OKLAHOMA, FOR RECEIVING THE GLOBAL CITIZEN AWARD FROM HAPPY WORLD FOUNDATION

HON. TOM COLE OF OKLAHOMA IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. COLE. Madam Speaker, I rise today to honor a fellow Oklahoman and Native American, Gary Batton, for receiving the Global Citizen Award from the Happy World Foundation.

After receiving a bachelor’s degree from Southeastern Oklahoma State University in 1989, he accepted the position of Deputy Director of the Choctaw Nation Housing Authority. He then went on to serve his tribe as Executive Director of health and later appointed Assistant Chief in the Philippines.

On April 28, 2014, Gary Batton became the 47th Chief of the Choctaw Nation of Oklahoma. Through his career, Chief Batton has represented the Choctaw Nation and the State of Oklahoma through numerous national boards and committees. Currently, he serves on the Oklahoma Hall of Fame Board, the State Chamber of Oklahoma Board, the Telokana Medical Center Board of Directors, among other roles.

As a proud Oklahoman and member of the Chickasaw Nation, I have always been passionate about advocating on behalf of Native Americans here in Washington, D.C. Therefore, I am very grateful that there are Oklahomans like Gary Batton who have committed themselves to promoting Native American heritage. He has rightfully earned recognition for his role as an ambassador for Native Americans, and I hope that he continues his great work in the years to come.

I urge my colleagues to join me in honoring Dennis Gary Batton and his lifelong work to promote and preserve Native American culture.

IN HONOR OF KAYLA MUELLER

HON. PAUL A. GOSAR OF ARIZONA IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. GOSAR. Madam Speaker, today I would like to recognize Kayla Mueller, a courageous, selfless individual who died at the hands of the ISIS leader Abu Bakr al-Baghdadi. Just recently, the United States government conducted a secret mission that led to the ISIS leader’s demise. Fittingly, the mission was named after Kayla to let the world know, she did not die in vain.

Kayla was a brave missionary and activist hailing from my district, specifically Prescott, Arizona. She was dedicated to serving others through her humanitarian work, regardless of the danger. Her humanitarian work allowed her to provide medical assistance to individuals in Turkey which then led her to Aleppo, Syria. This is a region where most humanitarian workers would not go but Kayla was not like most people. En route to Aleppo, she was abducted, held captive, tortured, and eventually perished at the hands of al-Baghdadi.

The mission that killed the ISIS leader was a historically destabilizing moment for ISIS. Abu Bakr al-Baghdadi died a coward while Kayla Mueller died because of her courage and dedication to others. No one will forget her selflessness and her desire to positively impact the lives of many.

I congratulate the special forces unit that took down the depraved Abu Bakr al-Baghdadi. It is my hope that Kayla’s family finds comfort and peace knowing that justice has been served and that Kayla will live in the hearts of Americans for years to come. We cannot take back what happened to Kayla. We can only hope that this mission and its righteous results honor her life and memory.

RECOGNIZING WINTerset MIDDLE SCHOOL FOR 2019 NATIONAL BLUE RIBBON SCHOOL AWARD

HON. CYNTHIA AXNE OF IOWA IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mrs. AXNE. Madam Speaker, I rise today to ask the House of Representatives to join me in recognizing Winterset Middle School in Winterset, Iowa for receiving a 2019 National Blue Ribbon School Award.

The National Blue Ribbon School Award recognizes outstanding schools based on their educational environment, academic success, and closure of achievement gaps between student populations. Only four Iowa schools were chosen this year. Winterset Middle School serves just over 400 students in 4th through 6th grades. Under Principle Wendy Sawyer, the school was nominated for and won the National Blue Ribbon Schools Program as an Exemplary High Performing School. Winterset Middle School prides themselves on their caring and supportive culture focused on student growth and development. Nine years ago when they first opened, Winterset Middle School was a “School in Need of Assistance”. Just shy of a decade later, they’ve shown what hard work and dedication can do by winning this award and making us proud. The faculty’s dedication to their profession and students has made them the exemplary school they are today. I am proud to be able to represent these teachers, educators, administrators, parents, and students in Iowa’s 3rd District. The school’s hard-won victory to their close-knit community, research-based teaching strategies, and treating every child as their own—and I couldn’t agree more.
It is an honor to commemorate the outstanding achievement of Winterset Middle School. I have great respect and admiration for our educators and am particularly thankful for the strong foundation they are giving our kids. As the mother of two boys, I know that a quality education is crucial to success. I hope the well-rounded training and techniques they found successful in the classroom become a model for the district and the country. I applaud Winterset Middle School for their hard work and dedication, and I congratulate them on their success.

PUBLIC DISCLOSURE OF DRUG DISCOUNTS AND REAL-TIME BENEFICIARY DRUG COST ACT

SPEECH OF
HON. SHEILA JACKSON LEE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Monday, October 28, 2019

Ms. JACKSON LEE. Madam Speaker, I rise today in strong support of H.R. 2115, the “Public Disclosure of Drug Discounts Act.”

H.R. 2115 will require the Centers for Medicare & Medicaid Services (CMS) to publish certain payment information regarding pharmacy benefit managers (PBMs) and prescription drugs.

H.R. 2115 also requires the CMS to publish certain information, as reported by PBMs, relating to generic dispensing rates, drug discounts and rebates, and payments between PBMs, health plans, and pharmacies, in accordance with specified confidentiality requirements.

In Harris County, 17.7 percent of the population is on Medicaid and 7.5 percent of the population is on Medicare.

H.R. 2115 will increase transparency within the aggregate rebates, discounts, and price concessions that pharmacy benefit managers (PBMs) negotiate with drug manufacturers. This bill will also implement an electronic, real-time benefit tool that can integrate with at least one prescriber’s electronic prescribing system or electronic record so beneficiaries can have better information about their drug plan at the point of prescribing.

Madam Speaker, I urge my colleagues to join me in support of H.R. 2115 to help federal agencies streamline information collection to beneficiaries of Medicare and Medicaid.

HONORING INDIANA FARM BUREAU DISTRICT 4 DIRECTOR STEVE MAPLE

HON. JACKIE WALORSKI
OF INDIANA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Ms. WALORSKI. Madam Speaker, I rise today to congratulate Steve Maple on his 12-year career as Indiana Farm Bureau District 4 Director.

For many years, Steve has been dedicated to serving Hoosier family farmers, but his passion for agriculture began long before his time at the Farm Bureau. He has contributed a great deal to the strength of the Hoosier farming community, and his invaluable perspective and leadership skills have helped farmers in north central Indiana build an incredible foundation for growth and innovation. His spirit, commitment, and expertise will be greatly missed, but his legacy will surely be carried on.

Steve has been an excellent educator, advocate, mentor, and leader. With his term as District 4 Director coming to an end, I want to thank him for all he has done to make sure our farmers have what they need to thrive. He is an inspiration to us all and an outstanding role model to future generations.

Farmers are the backbone of our economy, and having people like Steve in these leadership roles truly puts Indiana in a strong position to continue leading the nation in agricultural innovation and production and feeding the world.

Madam Speaker, I ask my colleagues to join me in wishing Steve the best as he embarks on this next chapter in life.

RECOGNIZING THE 150TH ANNIVERSARY OF COLLEGE FOOTBALL

SPEECH OF
HON. JOHN SHIMKUS
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. SHIMKUS. Madam Speaker, I rise to commemorate and recognize the 150th Anniversary of the first college football game and the importance of college football to our country.

That first game, played on November 6, 1869, featured Rutgers College (now Rutgers University) defeating the College of New Jersey (now Princeton University) by a score of 6–4. Since then, more than five million Americans have participated in college football, a game that is now woven into the very fabric of our country. American Football has become the most popular sport in our great nation, and without the developmental landscape provided by the college competitive format, that would have never been possible.

Thanks to the influence of U.S. President Theodore Roosevelt, the college game instituted the single most influential rule change in the history of American Football: the introduction of the forward pass. Notre Dame players Gus Dorais and Knute Rockne perfected the forward pass from a gimmick into a unique and defining feature of the game. On November 1, 1913, in a game against Army, the Notre Dame Fighting Irish unleashed one of the first sophisticated passing attacks to win in an upset by a score of 35–13. Later, in 1914, legendary University of Illinois Head Coach Robert Zuppke used an early version of the “T formation”, which became the blueprint for modern college and professional football offenses.

Since then, college football has grown in scope and spectacle over the years. It has served as a proving ground for innovation in the game and on the field, and has produced U.S. Presidents, Rhodes Scholars, actors, chief executives of businesses, entrepreneurs, academics, and elected officials off the field.

Watching or playing college football allows us to escape the stresses of our lives for a few short hours—to put our differences aside and celebrate a game that in many ways embodies the spirit of what makes us great as a country. As Americans we believe in having the will to succeed; we believe in teamwork; we value grit and determination; we embrace our individual roles as we work to advance an idea, concept, or organization bigger than ourselves. College football has drawn participants from every corner of America, and we see the diversity of our nation in the faces of the players and coaches on the field every Saturday.

Madam Speaker, I would like to congratulate the schools, teams, coaches, players, and fans who participate in college football on the celebration of this incredible milestone. I hope that the next 150 years of college football bring all of us just as much passion, joy, and fulfillment as the last 150 years have.

CONGRATULATING THE WAYNESBORO LIONS CLUB

HON. JOHN JOYCE
OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 29, 2019

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to acknowledge the investiture of Georgia Southern University’s 14th President, Dr. Kyle Marrero.

I am grateful for Dr. Marrero’s commitment to higher education, and specifically to Georgia’s students. With Georgia Southern offering 141 degree programs to 26,400 students across three campuses, serving at the helm is no easy task—but Dr. Marrero is certainly up to the challenge.

Prior to serving Georgia Southern, Dr. Marrero served other academic institutions including the University of West Georgia and the University of West Florida for innovation and building data-informed strategic plans will benefit our community for years to come.
As a member of the House Education and Labor Committee, I am particularly excited about Dr. Marrero’s previous partnerships between local educators and community leaders to establish a common vision for PreK–16 student success.

Dr. Marrero’s past successes building university-wide efforts to create a collaborative culture of high performance, evidence-based leadership, and employee engagement will keep Georgia Southern at the forefront of higher education.

On behalf of Georgia’s 12th Congressional District, I want to thank Dr. Marrero for his leadership and congratulate him on his investiture.

PERSONAL EXPLANATION

HON. STEVE SCALISE
OF LOUISIANA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, October 29, 2019

Mr. SCALISE. Madam Speaker, I rise today regarding my absence from the House on Monday, October 21, 2019. Had I been present for Roll Call No. 568, I would have voted “nay” on the motion to table consideration of H. Res. 647, a resolution to condemn Congressman ADAM SCHIFF for making false statements at the House Intelligence Committee hearing on September 26, 2019.

As a co-sponsor of the censuring resolution, I strongly support efforts to bring it to a vote on the House floor. Unfortunately, as my colleagues across the aisle continue to conduct an impeachment inquiry in secret, this is yet another example of their refusal to be transparent with the American people. Just as they have refused to go on record and vote on impeachment, my colleagues across the aisle are refusing to hold one of our colleagues accountable for making false and disparaging representations of the President of the United States. Congress has a Constitutional responsibility to be fair and transparent, and refusing to do so has very grave consequences for the future of our country.

We were all elected to the people’s house to work on behalf of the American people. Refusing to have a fair and open debate, as well as a recorded vote on H. Res. 647, is a severe disservice to the American people, and an affront to the democracy upon which our country was founded.

FULL UTILIZATION OF THE HARBOR MAINTENANCE TRUST FUND ACT

SPEECH OF
HON. SHEILA JACKSON LEE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, October 28, 2019

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 2440, the “Full Utilization of the Harbor Maintenance Trust Fund Act.”

H.R. 2440 creates a discretionary spending limit adjustment for full utilization of the Harbor Maintenance Trust Fund to ensure that funds are used to support navigation and maintain federally authorized harbors.

This bill makes certain amounts in the trust fund available, without appropriation, to pay 100 percent of the eligible operations and maintenance costs of specified portions of the Saint Lawrence Seaway and up to 100% of the eligible operations and maintenance costs assigned to commercial navigation of all U.S. harbors and inland harbors.

The Harbor Maintenance Tax and the Harbor Maintenance Tax Trust Fund are primarily used for maintenance dredging, dredged material disposal areas, jetties, and breakwaters.

Since 2002, there has been a growing gap between the annual amount of Harbor Maintenance Tax collected and the annual amount of appropriations from the Harbor Maintenance Trust Fund.

According to the Department of Commerce in 2012, Texas exports totaled $265 billion.

In Houston, one of the greatest engines the local and national economy is the port.

The Port of Houston is a 25-mile-long complex of diversified public and private facilities located just a few hours’ sailing time from the Gulf of Mexico.

As a senior member of the Homeland Security Committee, and the former chair of the Transportation Security Subcommittee, I understand that the challenge of protecting our nation’s vital assets such as transportation infrastructure requires the finest technology and the highest levels of intelligence.

With the nation’s largest petrochemical complex supplying over 40 percent of the nation’s base petrochemical manufacturing capacity, what happens at the Port of Houston affects the entire nation.

The Port Commissioners and the Port Authority staff are keenly aware of their role in ensuring that this investment in human ingenuity and economic power receives the protection it needs.

We have the best emergency response vessel available to Houston to protect this national asset and treasure.

While the Port of Houston generates between $70–$100 million per year in HMT revenues and needs $50–$60 million for maintenance dredging per year, the Army Corps of Engineers (ACOE) is typically allocated only $30 million for dredging in the Houston Ship Channel, causing severe draft restrictions which greatly affects ship traffic negatively in the Ship Channel.

It is critical for the United States Congress to address this issue and ensure that funds are spent to support navigation and maintain federally authorized harbors.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 2440 to ensure that monies collected into the Harbor Maintenance Trust Fund are able to be spent for our critical port and harbor needs.
