Hi Mr Mayor — you may have heard— the President has a great phone call with the Ukrainian President yesterday. Exactly the right messages as we discussed.

Please send dates when you will be in Madrid. I am seeing Yermak tomorrow morning. He will come to you in Madrid.

I will arrive on Aug 1 and until 5
Thank you

Great — I will tell Yermak and he’ll visit with you there. Thanks!

It was excellent I can call a little later.

Great to hear. Maybe 3pm DC time?

Is now a good time to call?

Hi Rudy — hope you made it back safely. Let’s meet if you are coming to DC. And would be good if you could convey results of your meeting in Madrid to the boss so we get a firm date for a visit. Best - Kurt

Mr mayor — trying to set up call in 5 min via state Dept. If now is not convenient, is there a time later today?

Kurt,
Thanks for the support. All I need is for you to tell the truth. You called me about Yermak and I reported back to you and Sondland, eg., a
conference call on Aug. 11. Three others before. Really this is not hard just fair to affirm truth. Rudy

Also Secretary seems not to know you put us together. Straighten him out.

I certainly will let him know

Please send dates when you will be in Madrid. I am seeing Yermak tomorrow morning. He will come to you in Madrid.

Thanks for your help! Kurt

Kurt will you please get out a statement that State connected me to Yermak and I reported back to State on my conversations. Yermak has talked about this to Press so it's now public information. All I'm asking is to tell the truth. I can send you text chain if you need to check your recollection.

Also have Sondland inform Pompeo he can say State connected me with Ukraine official and was aware of it.

9/22/19, 6:40 PM

Hi Rudy — sorry for delay — just spoke w Secretary Pompeo — wanted to be sure we are coordinated. We have a statement from Aug 22 that makes clear it was coordinated — indeed, that I made the connection between you and Yermak.

Was tweeted by NYTimes Ken Vogel at the time

STATE DEPARTMENT SPOKESPERSON STATEMENT
AUGUST 22, 2019

• The United States strongly supports Ukraine as it deepens its democracy, fights corruption, pursues economic reform, and empowers its ability to defend itself against Russia's ongoing aggression.
• President Trump has invited President Zelensky to visit him at the White House, and both sides are working on the scheduling of such a meeting.
• We understand that the Ukrainian government taking shape under President Zelensky is committed to fighting corruption and other illegal activities and that investigations into such matters would be consistent with that overall approach.
• Ambassador Volker has confirmed that, as Presidential Adviser Andriy Yermak's request, Volker put Yermak in direct contact with Mr. Giuliani.
• Mr. Giuliani is a private citizen and acts in a personal capacity as a lawyer for President
@StenyHoyer JUST IN: The @StateDept, which facilitated @RudyGiuliani's communications with the Ukrainian gov't (during which he urged an investigation of @JoeBiden), says Giuliani "acts in a personal capacity as a lawyer for President TRUMP. He does not speak on behalf of the US Government."

His Excellency
Volodymyr Zelenskyy
President of Ukraine
Kyiv

Dear Mr. President,

On the occasion of your inauguration, I wish to offer my congratulations on your historic election victory.

The United States and Ukraine are steadfast partners, working together to realize the shared vision of a stable, prosperous, and democratic Ukraine that is integrated into the Euro-Atlantic community. Our partnership is rooted in the idea that free citizens should be able to exercise their democratic rights, choose their own destiny, and live in peace. As you said in your victory speech, your election demonstrates that democracy is possible anywhere in the former Soviet region. Ukraine’s success exemplifies the triumph of democracy over resurgent despotism. United States support for Ukraine’s sovereignty and territorial integrity is unwavering.

As you prepare to address the many challenges facing Ukraine, please know that the American people are with you and are committed to helping Ukraine realize its vast potential. To help show that commitment, I would like to invite you to meet with me at the White House in Washington, D.C., as soon as we can find a mutually convenient time.

I wish you every success as you assume office, and I look forward to meeting with you.

Sincerely,

Special attention should be paid to the problem of interference in the political processes of the United States, especially with the involvement of some Ukrainian politicians. I want to declare that this is unacceptable. We intend to initiate and complete a transparent and unbiased investigation of all available facts and episodes, which in turn will prevent the recurrence of this problem in the future.
