THE WHITE HOUSE  
WASHINGTON  

December 6, 2019

The Honorable Jerrold Nadler  
Chairman  
Committee on the Judiciary  
United States House of Representatives  
Washington, D.C. 20515

Dear Chairman Nadler:

As you know, your impeachment inquiry is completely baseless and has violated basic principles of due process and fundamental fairness. Nevertheless, the Speaker of the House yesterday ordered House Democrats to proceed with articles of impeachment before your Committee has heard a single shred of evidence.

House Democrats have wasted enough of America’s time with this charade. You should end this inquiry now and not waste even more time with additional hearings. Adopting articles of impeachment would be a reckless abuse of power by House Democrats, and would constitute the most unjust, highly partisan, and unconstitutional attempt at impeachment in our Nation’s history. Whatever course you choose, as the President has recently stated: “if you are going to impeach me, do it now, fast, so we can have a fair trial in the Senate, and so that our Country can get back to business.”

Sincerely,

Pat A. Cipollone  
Counsel to the President
