USCP,

See below regarding possible Officer Safety issue for 1/6/21.

Per our Denver Field Office, a concerned citizen reported that (b)(6); (b)(7)(C) were flying into BWI today to attend tomorrow's rally and "incite violence." In addition, the source reports that (b)(6); (b)(7)(C) previously made threats against President-Elect Biden. The source also reported that (b)(6); (b)(7)(C) was driving to DC with gear and weapons, to include ballistic helmets, armored gloves and vests, rifles, and suppressors. The items are reported to be loaded in "black plastic tubs with master locks." (b)(6); (b)(7)(C) It is not clear at this time which vehicle he is driving (descriptions of both are attached).

(b)(6); (b)(7)(C) The subjects claimed that they are in the area to protest election fraud, support President Trump, and acknowledged the possibility of violence if approached by counter-protestors. (b)(6); (b)(7)(C); (b)(7)(E) The subjects refused to provide any information about where they were staying or any information regarding (b)(6); (b)(7)(C). They did confirm that they will be departing the area on 1/7/21 via flight from IAD.

USSS/PID/OSB research located (b)(6); (b)(7)(C) which confirms his intent to travel and includes the following comment: "I'm flying but (b)(6) will be there with plenty of kits for everyone in his truck." (OSINT attached)

Subject: **Discovery of multiple threatening Parler Posts directed at DC Police regarding January 6th, 2021 protests**

Good Evening,

As discussed, please forward to the necessary entities.

While conducting (b)(7)(E) on demonstration activities on Jan 5-6, multiple threatening posts were located targeting "DC Police" by Parler user (b)(6); (b)(7)(C) (NRID). While the subject appears to be targeting MPDC, the subject calls for violence against any law enforcement in DC that "sides with the enemy".

The user posted multiple threatening posts from today (01/05/21) to include, "Its time the DC Police get their ass whooped for being traitors in our nations capitol", "DC Police are the enemy of the people. No mercy to them on the 6th. They are not on our side", "time to fight! We cant trust the police, the laws, or politicians. It's time to take out all of them to remain a free country on the 6th." And "The police need to be dealt with on the 6th. Our 2A covers Marxist police officers. If they want a war, they will get one Wednesday. (middle finger emoji) the DC police.

No further research was conducted. If the PIOC requests further research, please send a request to OSU-OnDuty.

See attached for details.

Very Respectfully,

Antifa was just police escorted into DC on 4 buses. Right to where our people are. Police escorts..... think about that.

It would be a shame if open season was declared on DC Police tomorrow. THAT would be a shame...they side with the enemy, they need to get treated as the enemy.

I say, when you see them... strike first and hard. Don't let even have a chance. When they bring hundreds, attack them immediately with thousands. No mercy this time.
