Ladies and Gentlemen,

I updated my previous document with the following two bullets (in blue font) for 6 January 2021:

**1349: Chief Sund, the chief of the United States Capitol Police, requested immediate assistance from MG Walker, the Commanding General of the DC National Guard. MG Walker alerted Army leadership of the request.**

**1410: Chief Sund contacted MG Walker again to request immediate assistance and stated 200 Guardsmen were needed and to send more if they are available.**

Ladies and Gentlemen,

I updated my previous document with the following two bullets (in blue font) for 6 January 2021:

**1349: Chief Sund, the chief of the United States Capitol Police, requested immediate assistance from MG Walker, the Commanding General of the DC National Guard. MG Walker alerted Army leadership of the request.**

**1410: Chief Sund contacted MG Walker again to request immediate assistance and stated 200 Guardsmen were needed and to send more if they are available.**

**Subject:** (CUI) NGB Update 7 Jan 21

Mr. Secretary and Chairman,

Current National Guard DOMOPS missions:

**Civil Disturbance:** 2,357 (+1,506) (DC, MD, VA, GA, WI)

**COVID-19:** 20,465 (+210)

**Civil Disturbance (CD):** More than 2,000 NG members should be in the NCR tonight. Additional Guardsmen from PA, NY, NJ and DE are being mobilized to reach approximately 6200 by Sunday evening (10 Jan). The WI NG has mobilized 593 Guardsmen to support local authorities during civil disturbances in Kenosha. I anticipate other states may put NG members on orders for civil disturbance missions in the next few days.

**COVID-19 and Operation Warp Speed (OWS):** Guardsmen continue to support local authorities with testing and screening, PPE distribution, contact tracing/mapping, and site decontamination support. Presently, ten states (NH, AZ, FL, TN, MS, SC, NC, OH, WI, NV) are using Guardsmen to administer vaccinations to the civilian population and more states and territories are expected to follow suit in the next few days. In addition, Guardsmen are supporting OWS vaccination efforts with transportation, security and administrative functions. In accordance with the DoD vaccine distribution plan, more than 27,825 vaccinations have been received for NG members and 8,817 doses have been administered to Guardsmen.

The NY NG has been designated the lead agency for a mass-vaccination site at the **Javits Center** that will be operational on 13 Jan. The NY (State) Department of Health will administer the vaccinations while the NG will be responsible for C2, internal movement, and logistics. **They anticipate a capacity of 800 to 1,000 shots per hour.**

**Inauguration Support:** Several states have already committed to supporting the DC NG during the

upcoming Presidential Inauguration. If requested, we are working with the States to identify additional support above the currently planned number of 4600 (including DC NG). The DCNG held an IPR today and will continue to refine its plans to support. Guardsmen are expected to begin arriving in DC on 15 Jan in preparation for the inauguration on 20 Jan.

Please let me know if you have any questions, or if you would like any additional information.

Very Respectfully,  
Dan

SECRETARY OF THE ARMY  
WASHINGTON

05 JAN 2021

Major General William J. Walker  
Commanding General  
District of Columbia National Guard  
2001 East Capitol Street SE  
Washington, DC 20003-1719

Dear General Walker:

This responds to your letter dated January 1, 2021 recommending approval of the request of Mr. Christopher Rodriguez, Director of District of Columbia Homeland Security and Emergency Management Agency (DCHSEMA), on behalf of the District of Columbia Fire and Emergency Service (DCFEMS) and DC Metropolitan Police Department (MPD) dated December 31, 2020, requesting the District of Columbia National Guard (DCNG) 33rd Civil Support Team (CST) and traffic management and crowd control for planned demonstrations in DC from 5-7 January 2021.

**Support to the Civil Authorities of the District of Columbia**

DCHSEMA requested that the DCNG CST conduct the following tasks, upon request, for each event: (1) Chemical, Biological, Radiological, and Nuclear (CBRN) monitoring and hazardous material (HAZMAT) on-site support; (2) liaisons at all required locations; (3) technical decontamination support (on call);<sup>1</sup> (4) Analytical Laboratory Suite (ALS) support (on call); and (5) CST operations and communications capability support. The CST personnel will be partnered with personnel from DCFEMS throughout the course of these missions and will serve solely in a support role to emergency fire and medical first responders.

DCHSEMA also requested six crowd management teams at specified Metro stations and to prevent overcrowding on Metro platforms; and teams to assist at 30 designated traffic posts.

Your mission analysis determined that the DCNG could provide all of the requested support. I approve the DCNG to support the MPD with **7E** total personnel. DCNG Disposition will include:

a. Traffic Control Points: **7E** operating in non-tactical vehicles

b. Metro station support: **7E**

<sup>1</sup> The requested technical decontamination support will be limited to first responders working with the CST. It will not include the mass decontamination of civilians.

c. CST Support: **7E**

d. Quick Reaction Support: **7E**

e. Internal C2 and Support: **7E**

**7E**

a. **7E**

**7E**

c. **7E**

d. **7E**

**7E**

f. **7E**

g. **7E**

**7E**

h. To seek support from any non-DCNG National Guard units.

**7E**

# 7E

## Approval

Pursuant to my request, the Deputy Attorney General reviewed and concurred with your plan for support to the civil authorities of the District of Columbia.

All DCNG personnel associated with this support mission will serve under the provisions of Title 32, U.S.C., Section 502(f). They will serve solely in a support role to the named civil authorities and remain under the command and control of DCNG leadership at all times. DCNG will not be armed for this event however, MPD requests that DCNG members be equipped with safety vests and lighted traffic wands to assist with this mission. Further, MPD requests DCNG personnel supporting the mission be appointed as "Special Police" pursuant to D.C. Code § 5-129.03. They will not engage in the domestic surveillance of U.S. persons.
