

Trump's Knowledge of MAL Classified Documents – Truth Social Posts

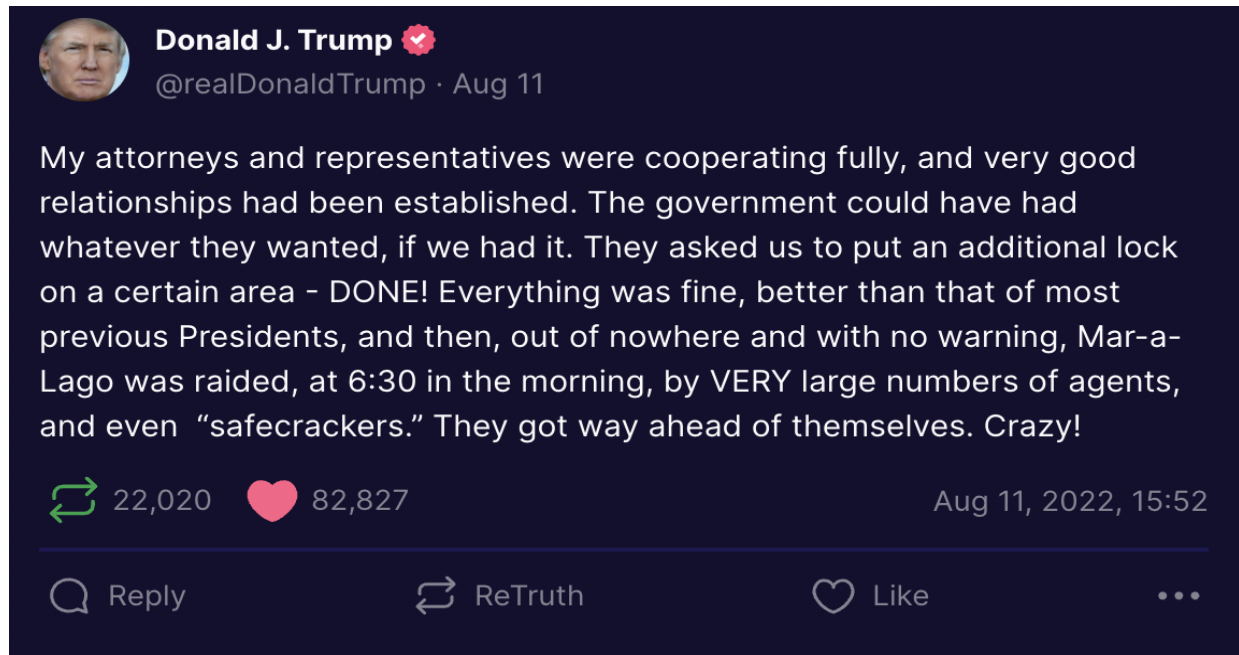

August 10, 2022: “The FBI and others from the Federal Government would not let anyone, including my lawyers, be anywhere near the areas that were rummaged and otherwise looked at during the raid on Mar-a-Lago. Everyone was asked to leave the premises, they wanted to be left alone, without any witnesses to see what they were doing, taking or, hopefully not, “planting.” Why did they STRONGLY insist on having nobody watching them, everybody out? Obama and Clinton were never ‘raided,’ despite big disputes!” [[Truth Social](#)]

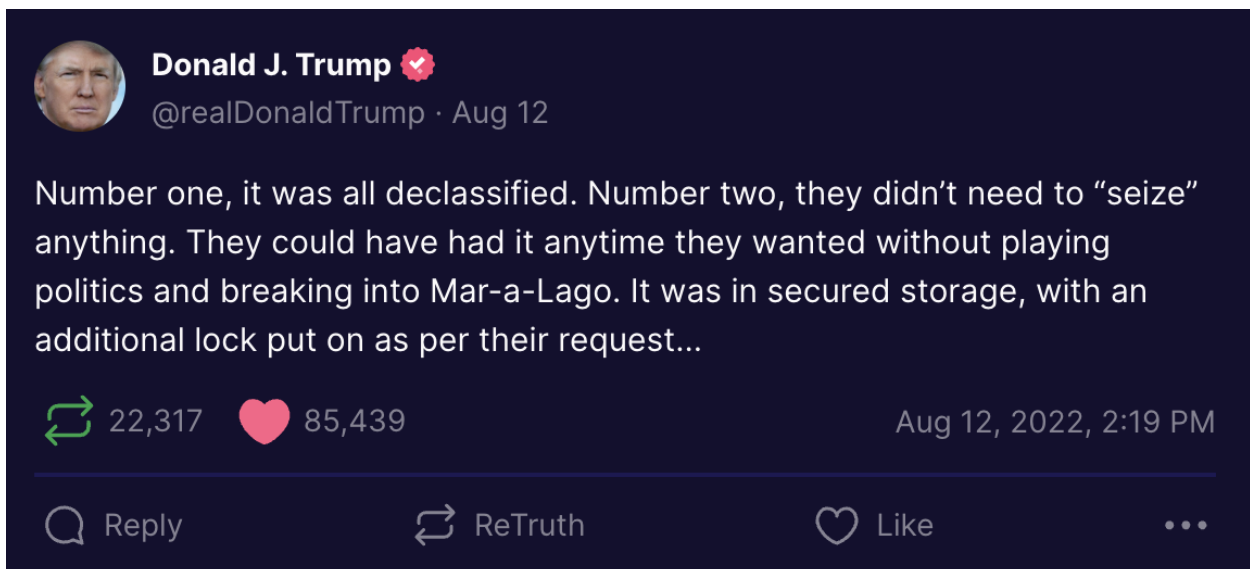

August 10, 2022: “The DOJ and FBI asked my legal representatives to put an extra lock on the door leading to the place where boxes were stored in Mar-a-Lago - **We agreed**. They were shown the secured area, and the boxes themselves.” [[Truth Social](#)]

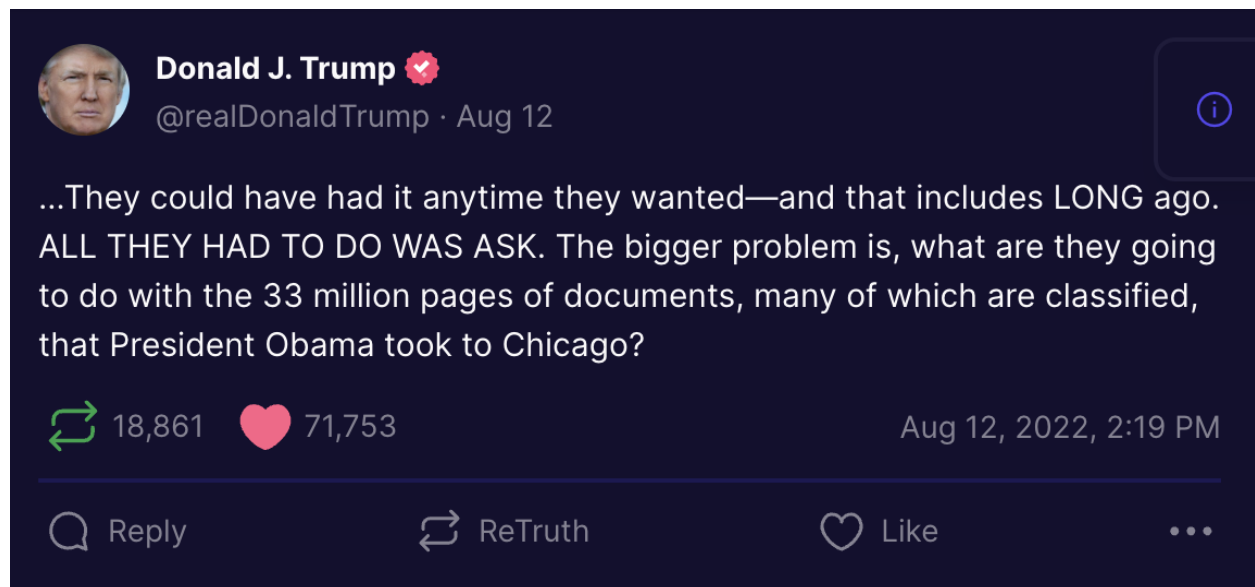

August 11, 2022: “The government could have had whatever they wanted, if we had it. They asked us to put an additional lock on a certain area - DONE! Everything was fine, better than that of most previous Presidents, and then, out of nowhere and with no warning, Mar-a-Lago was raided, at 6:30 in the morning, by VERY large numbers of agents, and even ‘safecrackers.’ They got way ahead of themselves. Crazy!” [\[Truth Social\]](#)

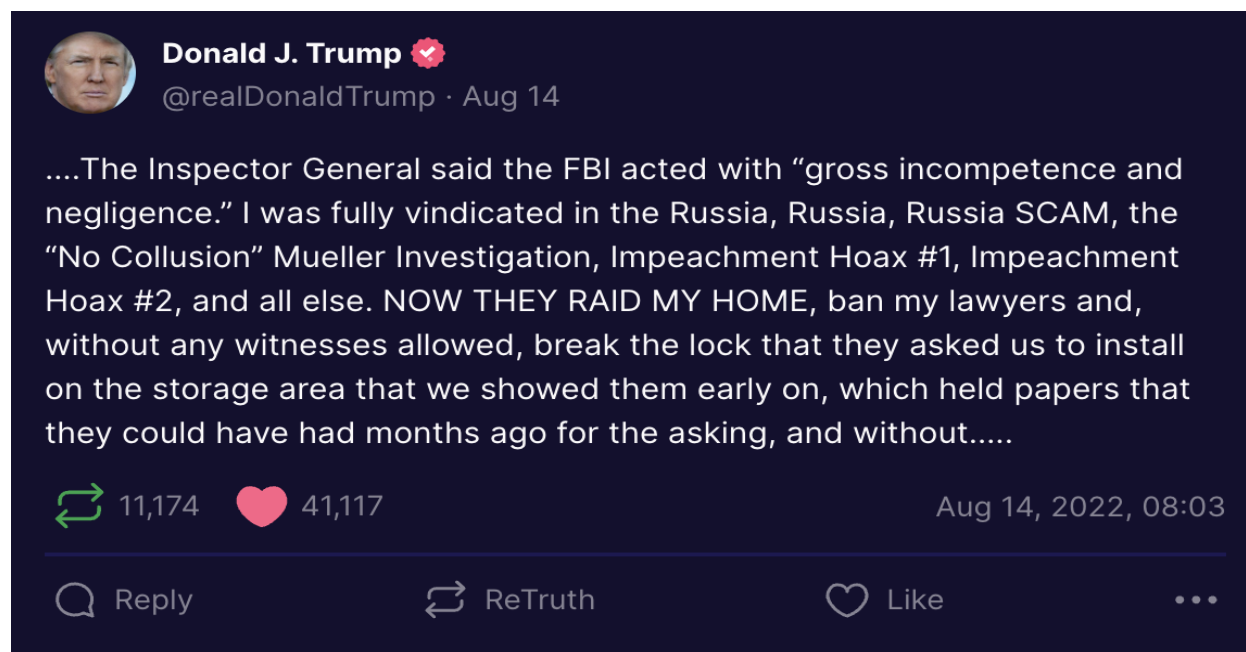

August 12, 2022: “Number one, it was all declassified. Number two, they didn’t need to ‘seize’ anything. They could have had it anytime they wanted without playing politics and breaking into Mar-a-Lago. It was in secured storage, with an additional lock put on as per their request.” [\[Truth Social\]](#)

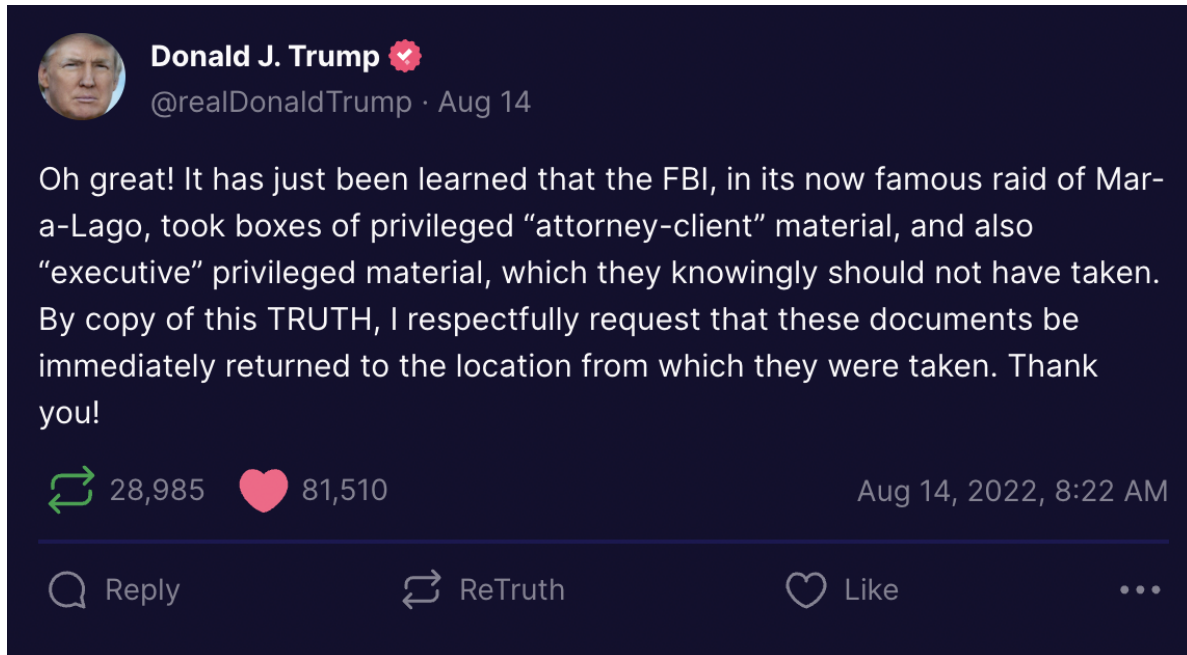

August 12, 2022: “They could have had it anytime they wanted—and that includes LONG ago. ALL THEY HAD TO DO WAS ASK. The bigger problem is, what are they going to do with the 33 million pages of documents, many of them classified, that President Obama took to Chicago?” [\[Truth Social\]](#)

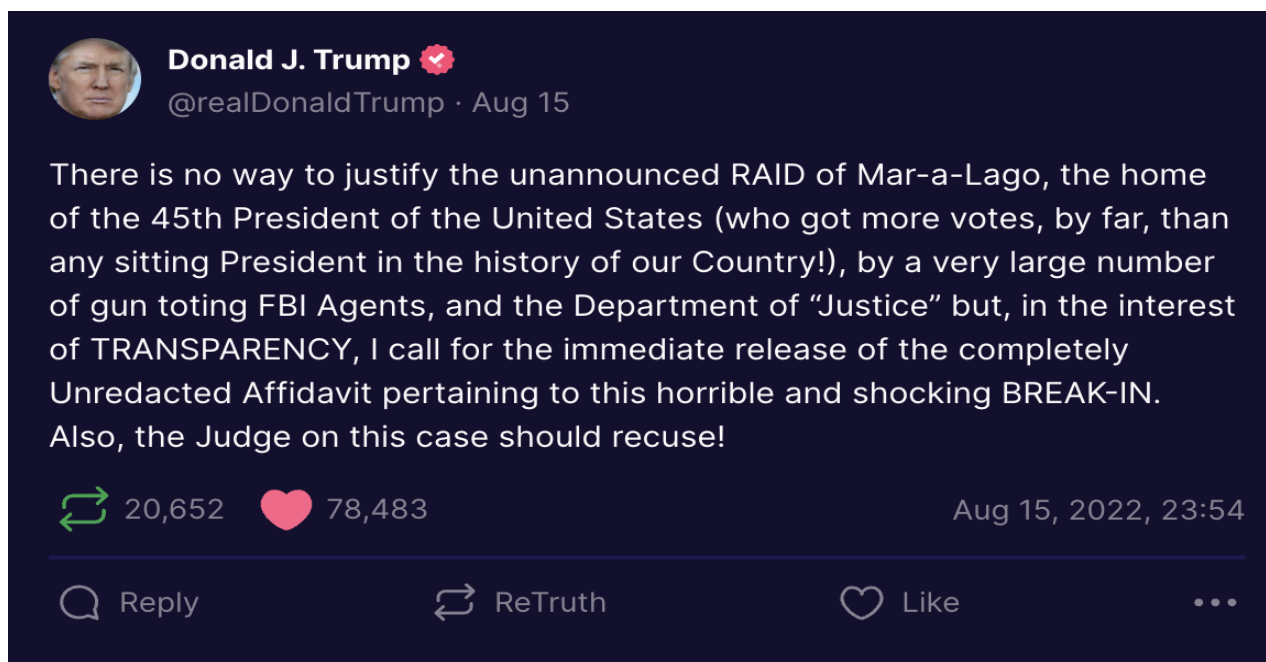

August 14, 2022: “NOW THEY RAID MY HOME, ban my lawyers and, without any witnesses allowed, break the lock that they asked us to install on the storage area that we showed them early on, **which held papers that they could have had months ago for the asking, and without the ridiculous political grandstanding of a ‘break in.’**” [\[Truth Social\]](#)

August 14, 2022: “Oh great! It has been learned that the FBI, in its now famous raid of Mar-a-Lago, took boxes of privileged ‘attorney-client’ material, and also ‘executive’ privileged material, which they knowingly should not have taken. By copy of this TRUTH, I respectfully request that these documents be immediately returned to the location from which they were taken. Thank you!” [\[Truth Social\]](#)

August 15, 2022: “There is no way to justify the unannounced RAID of Mar-a-Lago, the home of the 45th President of the United States (who got more votes, by far, than any sitting President in the history of our Country!) by a very large number of gun toting FBI Agents, and the ‘Department of Justice.’” [\[Truth Social\]](#)

August 16, 2022: "The DOJ and FBI just returned my passports. Thank you! Unfortunately, when they Raided my home, Mar-a-Lago, 8 days ago, they just opened their arms and grabbed everything in sight, much as a common criminal would do. This shouldn't happen in America!" [\[Truth Social\]](#)

August 20, 2022: Bill Maher said "I [Trump] was fortunate to have my home broken into because it was good for my polls. Wrong, it was an assault on liberty, and very bad for our Country, which is incredibly angry right now... And no, I was, and am, leading everybody in the POLLS - BY A LOT!!" [\[Truth Social\]](#)

@realDonaldTrump · Aug 20

Every time low ratings dummy Bill Maher has anything nasty to say about your favorite President, me, Fox finds a way to put him on, usually sandwiched in between really bad anti-Trump ads. Maher is a loser, and MAGA gets it - but Fox doesn't. He said I was fortunate to have my home broken into because it was good for my polls. Wrong, it was an assault on liberty, and very bad for our Country, which is incredibly angry right now... And no, I was, and am, leading everybody in the POLLS - BY A LOT!!!

August 23, 2022: “Incredible (and irrefutably correct!) OPINION in today’s Wall Street Journal by highly respected constitutional scholars David B. Rivkin Jr. and Lee A. Casey, entitled, ‘The Trump Warrant Had No Legal Basis: A former president’s rights under the Presidential Records Act trump the statutes the FBI cited.’ In other words, this assault on my home should NEVER have happened. A political weaponization of law Enforcement.” [\[Truth Social\]](#)

August 26, 2022: “Affidavit heavily redacted!!! Nothing mentioned on ‘Nuclear,’ a total public relations subterfuge by the FBI & DOJ, or our close working relationship regarding document turnover - **WE GAVE THEM MUCH**. Judge Bruce Reinhart should NEVER have allowed the Break-In of my home.” [\[Truth Social\]](#)

August 26, 2022: “The political Hacks and Thugs had no right under the Presidential Records Act to storm Mar-a-Lago and steal everything in sight, including Passports and privileged documents. They even broke into my safe with a safecracker - Can you believe? This Act was created for a very good reason, and it works. We are right now living in a Lawless Country, that just so happens to be, also, a Failing Nation.” [\[Truth Social\]](#)

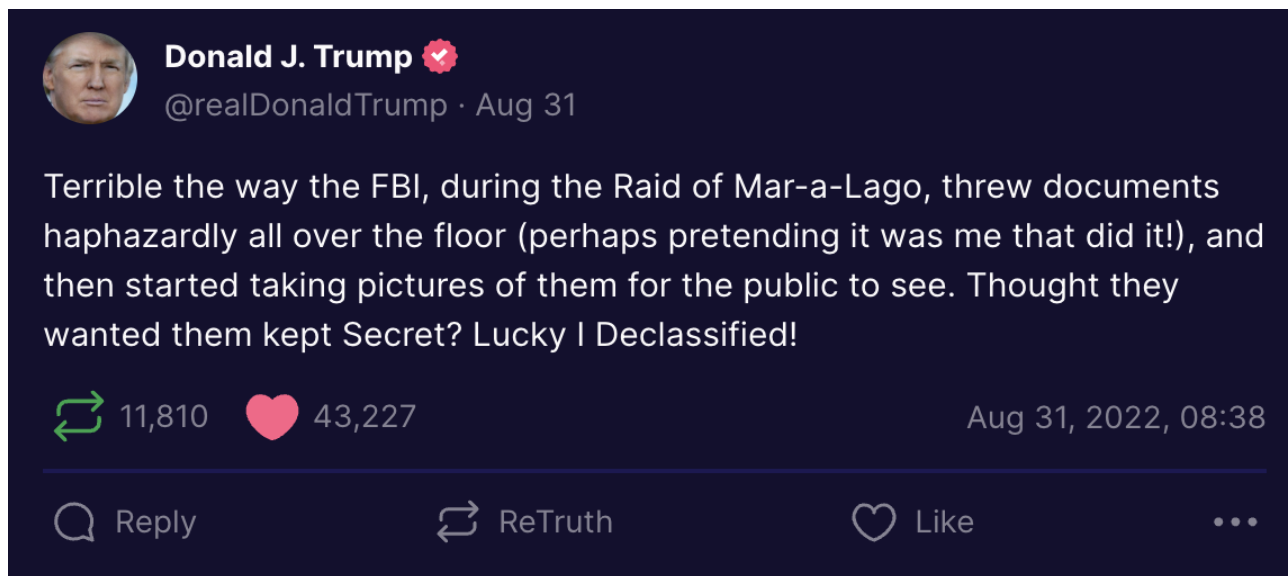

August 30, 2022: “The ‘Special Agent’ in Charge has been removed from his post based on his concealing the partisan nature of evidence represented to secure the FBI’s corrupt investigation into the 45th President of the United States, me, which culminated in their unprecedented and unnecessary Raid and Break-In of my home, Mar-a-Lago.” [\[Truth Social\]](#)

August 31, 2022: "There seems to be confusion as to the 'picture' where documents were sloppily thrown on the floor and then released photographically for the world to see, as if that's what the FBI found when they broke into my home. Wrong! **They took them out of cartons and spread them around the carpet,** making it look like a big 'find' for them. **They dropped them,** not me - very deceiving." [\[Truth Social\]](#)

August 31, 2022: "Terrible the way the FBI, during the Raid of Mar-a-Lago, threw documents haphazardly all over the floor (perhaps pretending it was me that did it!), and then started taking pictures of them for the public to see. Thought they wanted them kept Secret? Lucky I Declassified!" [\[Truth Social\]](#)

January 18, 2023: “Remember, these were just ordinary, inexpensive folders with various words printed on them, but they were a “cool” keepsake. Perhaps the Gestapo took some of these empty folders when they Raided Mar-a-Lago, & counted them as a document, which they are not. It’s also possible that the Trump Hating Marxist Thugs in charge will “plant” documents while they’re in possession of the material. As President, and based on the Presidential Records Act & Socks Case, I did NOTHING WRONG. JOE DID!” [[Truth Social](#)]
