Re: Marco White, et al. v. Couy Griffin
Case No. D-101-CV-2022-00473

Dear Judge Mathew:

Plaintiffs respectfully request that the Court schedule a brief (15 – 30 minutes) pretrial conference next week to address trial logistics. We believe that a brief pretrial will be helpful in facilitating that the trial will proceed as efficiently as possible. We believe this to be so, given that the defendant, Mr. Griffin, remains unrepresented by counsel and did not attend the last pretrial. We suggest either Thursday, August 11th or Friday, August 12th, consistent with the Court's calendar. Of course, plaintiffs' counsel will be available whenever the Court determines to schedule a pretrial conference.

Respectfully yours,

Joseph Goldberg
