 v. : CASE NO. 23SC188947
 :
 DONALD JOHN TRUMP, : Judge: Scott McAfee
 :
 Defendant. :

**MOTION TO ADOPT CO-DEFENDANT CHESEBRO’S MOTION TO
QUASH COUNT NINE**

President Trump hereby adopts the general demurrer timely filed by co-defendant Chesebro as to count nine. Specifically, President Trump adopts Chesebro’s particularized arguments that count nine (a) fails to identify which kind of public officer the Republican electors allegedly impersonated; (b) incorrectly avers that the alternate electors held themselves out as “duly elected and qualified”; and (c) fails to sufficiently allege what type of public officer the Republican electors allegedly impersonated.

WHEREFORE, President Trump respectfully **ADOPTS** the special demurrer as to count nine timely filed by co-defendant Chesebro.

Respectfully submitted,
