PAPERLESS ORDER clarifying Movant Press Coalition's [179](#) Notice of Attorney Appearance. The Court has not authorized intervention in this proceeding or otherwise acted upon Movant's Motion to Intervene except to the extent reflected in the Court's prior Order permitting designated counsel to be heard if, and only if, a basis arises during the October 12, 2023, public hearing to close the courtroom temporarily to protect confidential attorney-client communications [177](#) . To the extent the Notice [179](#) suggests that Movant has been given intervenor status or that such an opportunity to be heard necessarily will arise, the Notice is hereby narrowed in that respect. Signed by Judge Aileen M. Cannon on 10/11/2023. (mys) (Entered: 10/11/2023)
