<p>1 A Yes, got it.</p> <p>2 Q Okay. Do you recognize this document on the screen?</p> <p>3 A Yes.</p> <p>4 Q What do you recognize it this to be?</p> <p>5 A This was the cover letter to the signed application I</p> <p>6 believe for the 40 Wall Street loan.</p> <p>7 Q And this document is on 40 Wall Street LLC letterhead,</p> <p>8 yes?</p> <p>9 A Correct.</p> <p>10 Q Did you have an understanding that the address for 40</p> <p>11 Wall Street LLC was at 725 Fifth Avenue, the 26th floor in New</p> <p>12 York, New York with the ZIP code 10022?</p> <p>13 A Yes.</p> <p>14 Q And the name associated with 40 Wall Street LLC, is</p> <p>15 that Allen Weisselberg as the executive vice president?</p> <p>16 A Correct.</p> <p>17 Q And it's addressed to Ladder Capital Finance LLC.</p> <p>18 That's where you work; right?</p> <p>19 A Correct.</p> <p>20 Q And the message is a proposed 161 million refinancing</p> <p>21 of 40 Wall Street, New York, New York, yes?</p> <p>22 A Correct.</p> <p>23 Q And Mr. Allen Weisselberg writes to you:</p> <p>24 "Dear, Jack. Enclosed please find the term sheet for</p> <p>25 the above-referenced loan executed by the borrower."</p>	<p>1 Q And at the very bottom it says there is an enclosure,</p> <p>2 yes?</p> <p>3 A Yes.</p> <p>4 MS. FAHERTY: And turn the page.</p> <p>5 Q And then I'll just invite you to confirm whether you</p> <p>6 recognize the enclosure attached to this letter?</p> <p>7 A Yes.</p> <p>8 Q What do you recognize this enclosure to be?</p> <p>9 A This is our standard form application that was</p> <p>10 personalized to this transaction.</p> <p>11 Q Okay. Is that also referred to as a term sheet?</p> <p>12 A Yes.</p> <p>13 Q Okay.</p> <p>14 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>15 evidence.</p> <p>16 MR. ROBERT: Objection. Statute of limitations.</p> <p>17 THE COURT: Granted. It's in.</p> <p>18 (Whereupon, the item previously referred to is</p> <p>19 received and marked Plaintiff's Exhibit Number 626 in</p> <p>20 evidence.)</p> <p>21 Q And turning your attention to the PDF page six?</p> <p>22 MS. FAHERTY: It's 9517.</p> <p>23 Q Do you recognize the signature at the bottom of that</p> <p>24 page?</p> <p>25 A Yes.</p>

J. Weisse berg - Plaintiff - direct (Faherty) Page 1840	J. Weisselberg - Plaintiff - direct (Faherty) Page 1842
<p>1 Q Who do you recognize that signature to be?</p> <p>2 A That's Donald J. Trump.</p> <p>3 Q Okay. And Donald J. Trump on behalf of 40 Wall Street</p> <p>4 LLC?</p> <p>5 A Correct.</p> <p>6 Q As president?</p> <p>7 A Yes.</p> <p>8 Q And I'll draw your attention to the prior page, so</p> <p>9 ending in the number 9516, drawing your attention to the</p> <p>10 paragraph that is titled "Reserves." Do you see that there?</p> <p>11 A Yes.</p> <p>12 Q And was a term included within this term sheet under</p> <p>13 the "Reserves" paragraph that "the borrower will be required to</p> <p>14 establish at closing reserves for material, deferred maintenance</p> <p>15 and initial deposits into tax reserves. In addition, ongoing</p> <p>16 reserves will be collected for taxes and such other purposes as</p> <p>17 lender may be determine" -- "may determine to be necessary as a</p> <p>18 result of its due diligence review and underwriting.</p> <p>19 In lieu of reserves for insurance, tenant improvements,</p> <p>20 leasing commissions, capital expenditures and ground lease</p> <p>21 payments, Donald J. Trump may provide a personal guaranty.</p> <p>22 In lieu of reserves for free rent periods (at closing</p> <p>23 only), Donald J. Trump will guaranty all outstanding free rent,</p> <p>24 which will burn off on a lease by lease basis when the</p> <p>25 respective tenant begins to pay full, unabated rent."</p>	<p>1 Q And were they in fact a condition included in this term</p> <p>2 sheet at Exhibit 8 that the delivery of financial statements was</p> <p>3 apart of a closing condition? That's a bad question.</p> <p>4 A Yes.</p> <p>5 MS. FAHERTY: Thank you. Okay. We can move on</p> <p>6 from that document.</p> <p>7 Q With regards to the guaranty is it fair to say based on</p> <p>8 what we were just looking at in that term sheet that the</p> <p>9 guaranty would be sufficient in lieu of reserves?</p> <p>10 A Yes.</p> <p>11 Q Any conditions on that guaranty? Was there</p> <p>12 requirements about a certain amount of that guaranty for the --</p> <p>13 that to be in lieu of the reserves?</p> <p>14 A The guaranty was going to be a specific number that</p> <p>15 they were guaranteeing.</p> <p>16 Q And why is that?</p> <p>17 A We were going to during diligence figure out exactly</p> <p>18 what those reserves would have been had it not been guaranteed</p> <p>19 and actually posted and have him guarantee that and typically we</p> <p>20 go a little bit higher because cash is always better than a</p> <p>21 guaranty, so the guaranty we typically make a little bit higher.</p> <p>22 Q Great. Thank you. Appreciate that.</p> <p>23 MS. FAHERTY: Your Honor, I've marked as</p> <p>24 plaintiff's next exhibit PX-01396. I've handed it up to the</p> <p>25 witness.</p>
J. Weisse berg - Plaintiff - direct (Faherty) Page 1841	J. Weisselberg - Plaintiff - direct (Faherty) Page 1843
<p>1 Do you see that there?</p> <p>2 A Yes.</p> <p>3 Q Did you also have that understanding that as termed</p> <p>4 within this term sheet that Donald J. Trump was going to provide</p> <p>5 a personal guaranty with regards to free rent periods?</p> <p>6 A Yes.</p> <p>7 Q And was he also going to provide a personal guaranty in</p> <p>8 lieu of reserves for insurance, tenant improvements, leasing</p> <p>9 commissions, capital expenditures, and ground lease payments?</p> <p>10 A Yes.</p> <p>11 Q I'll just turn your attention to the Exhibit A, Closing</p> <p>12 Conditions document page.</p> <p>13 A Okay.</p> <p>14 Q And drawing your attention to paragraph 8. I'll read</p> <p>15 it and then I'll ask you a question.</p> <p>16 Paragraph 8 states: "As a closing condition, the</p> <p>17 delivery of financial statements (including tax returns) from</p> <p>18 borrower and any guarantor, WeiserMazars LLP, will be acceptable</p> <p>19 to lender in connection with any accounting or reporting</p> <p>20 obligation in the loan documents requiring an acceptable</p> <p>21 accounting firm. The loan documents will provide that</p> <p>22 borrower's annual financial statement shall be audited by an</p> <p>23 acceptable accounting firm (i.e., WeiserMazars LLP.)" 4.</p> <p>24 Do you see that there?</p> <p>25 A Yes.</p>	<p>1 Q Mr. Weisselberg, let me know when you have it in front</p> <p>2 of you.</p> <p>3 A I do.</p> <p>4 Q Okay. Does this appear to be an e-mail from you dated</p> <p>5 May 19, 2015 at 11:46 a.m. to Allen Weisselberg and David Cohen?</p> <p>6 A Yes.</p> <p>7 Q And there is a copy to several names on this e-mail.</p> <p>8 Mark Ableman. Who is Mark Ableman?</p> <p>9 A He was our in-house transaction manager.</p> <p>10 Q He worked at Ladder?</p> <p>11 A At Ladder, correct.</p> <p>12 Q Craig Robertson. We heard his name earlier. He was an</p> <p>13 underwriter at Ladder?</p> <p>14 A Correct.</p> <p>15 Q Was he the specific underwriter at the 40 Wall</p> <p>16 transaction?</p> <p>17 A He was the underwriter on the loan.</p> <p>18 Q Michael Bette. Who is that?</p> <p>19 A He was the junior underwriter on the loan.</p> <p>20 Q Scott Weinberg?</p> <p>21 A He was our outside counsel.</p> <p>22 Q John Bauco?</p> <p>23 A Bauco, yes. He was also outside counsel.</p> <p>24 Q And Sarah S. Gochberg?</p> <p>25 A Sarah is our closer on the loan.</p>

<p>1 A Yes.</p> <p>2 Transcript continues on the following page....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 A Are you referring to the operating statement financials</p> <p>2 for the property or personal financials?</p> <p>3 Q Personal financials.</p> <p>4 A It came in hard copy. It was not e-mailed to us.</p> <p>5 Q Did it include a cover page that had a title,</p> <p>6 "Statement of Financial Condition"?</p> <p>7 A I couldn't recall.</p> <p>8 Q If I showed you an example of a Statement of Financial</p> <p>9 Condition for Donald J. Trump, would you -- do you think you</p> <p>10 would recognize it as something you've seen before?</p> <p>11 A Possibly. It's been a while.</p> <p>12 Q You made reference to receiving the personal financials</p> <p>13 and hard copy. Can you describe for me a little bit more about</p> <p>14 that?</p> <p>15 A For a few of the transactions, if not all, they would</p> <p>16 messenger over the personal tax returns for Donald J. Trump as</p> <p>17 well as his personal financial statement.</p> <p>18 MS. FAHERTY: Your Honor, I've marked as</p> <p>19 plaintiff's next exhibit PX-01059. I will just put it on</p> <p>20 the screen.</p> <p>21 Q Mr. Weisselberg, drawing your attention, this is an</p> <p>22 e-mail from Jeff McConney. He is from the Trump Organization,</p> <p>23 right?</p> <p>24 A Correct.</p> <p>25 Q He provided you information, if you requested it,</p>
JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1849	JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1851
<p>1 Q And the originator info for it is 40 Wall Street</p> <p>2 L.L.C., correct?</p> <p>3 A Yes.</p> <p>4 Q No reason to doubt that you did, in fact, receive your</p> <p>5 \$75,000 good-faith deposit, right?</p> <p>6 A Correct.</p> <p>7 Q And no reason to doubt that this document does -- was,</p> <p>8 in fact, confirmed to you at some subsequent point, right?</p> <p>9 A This wire confirmation?</p> <p>10 Q That you received the confirmation on the first cover</p> <p>11 page.</p> <p>12 A Yes, no reason to doubt.</p> <p>13 Q Okay. We can put that to the side. Thank you.</p> <p>14 MS. FAHERTY: Your Honor, I move to admit the prior</p> <p>15 exhibit, that exhibit.</p> <p>16 MR. SUAREZ: Objection. Statute of limitations.</p> <p>17 THE COURT: Overruled. It is in.</p> <p>18 MS. FAHERTY: PX 1396.</p> <p>19 (Whereupon, the Document was marked in evidence as</p> <p>20 Plaintiff's Exhibit 1396.)</p> <p>21 Q Mr. Weisselberg, are you aware that in connection with</p> <p>22 the 40 Wall transaction, you did, in fact, receive financials?</p> <p>23 A Yes.</p> <p>24 Q Can you describe broadly the form of the financials you</p> <p>25 received in connection with the loan transaction?</p>	<p>1 certain information from the Trump Organization, right? You</p> <p>2 said that before?</p> <p>3 A Correct.</p> <p>4 Q And dated May 22, 2014 to you. That's your e-mail</p> <p>5 address, right?</p> <p>6 A Yes.</p> <p>7 Q The subject is "DJT." Is that a reference to Donald J.</p> <p>8 Trump?</p> <p>9 A I believe so.</p> <p>10 Q It says, "Jack, FYI, I'm sending over DJT'S tax returns</p> <p>11 and F/S to you today." Do you see that?</p> <p>12 A Yes.</p> <p>13 Q What was your understanding of what this message was</p> <p>14 conveying?</p> <p>15 A That he was going to messenger over Donald J. Trump tax</p> <p>16 returns and financial statement to me that day.</p> <p>17 Q And when you say "messenger over," is that a hard copy</p> <p>18 transmittal to you?</p> <p>19 A Yes.</p> <p>20 Q Did he personally deliver it or was there a courier</p> <p>21 service they would use?</p> <p>22 A I believe they would use an employee, but it was not</p> <p>23 Jeff McConney.</p> <p>24 Q A Trump Organization employee.</p> <p>25 A Yes.</p>

<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1852</p> <p>1 Q So they would hand-deliver it to you?</p> <p>2 A Yes.</p> <p>3 Q Do you have any understanding why Jeff McConney would</p> <p>4 be e-mailing you that he is sending over the tax return and F/S</p> <p>5 for you?</p> <p>6 A I think he wanted me to prepare me, so I could go down</p> <p>7 and grab them from the Trump employee.</p> <p>8 Q Any particular reason for that procedure that you just</p> <p>9 described?</p> <p>10 A I think they were concerned about confidentiality and</p> <p>11 they wanted to make sure that it was going directly into my</p> <p>12 hands.</p> <p>13 Q They wanted to make sure -- your understanding was</p> <p>14 they wanted to make sure this information was treated</p> <p>15 sensitively, yes?</p> <p>16 A Correct.</p> <p>17 Q Were you permitted to maintain this financial</p> <p>18 information at Ladder or did you at any point have to return it?</p> <p>19 A During the underwriting of the loan and prior to</p> <p>20 closing, we kept it and I believe we kept it shortly thereafter</p> <p>21 in case we needed while selling the loan, and then we returned</p> <p>22 it.</p> <p>23 Q Do you have any understanding as to what happened with</p> <p>24 the Balducci's lease that we talked about before?</p> <p>25 A In what regard?</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1854</p> <p>1 you?</p> <p>2 A It doesn't appear that way.</p> <p>3 Q This message appears to be in response to a thread that</p> <p>4 you are on. Do you see the message right below from you, Jack</p> <p>5 Weisselberg, dated June 24, 2015 to Donna Kidder, David Cohen</p> <p>6 and Allen Weisselberg with the subject "re Dean &amp; DeLuca"? Do</p> <p>7 you see that there?</p> <p>8 A Yes, but the time is a little confusing.</p> <p>9 Q I completely agree with you. Sometimes when these</p> <p>10 documents get printed from the discovery process, time works</p> <p>11 differently in metadata.</p> <p>12 A But yes, I do recognize that.</p> <p>13 Q Any reason to believe that time would have gone</p> <p>14 backwards for that uppermost message?</p> <p>15 A No.</p> <p>16 Q No. Same here. Okay. So in the message that Donna</p> <p>17 appears to have forwarded on, you are writing with regards to</p> <p>18 Dean &amp; DeLuca, that you would like to see the term sheet that</p> <p>19 they are expecting to sign prior to the lease since the lease</p> <p>20 won't be signed prior to closing. Thanks, Donna.</p> <p>21 And I'll give you a moment to look through this full</p> <p>22 thread if you want to refresh your recollection, but do you have</p> <p>23 any understanding as to why you were writing to Donna Kidder on</p> <p>24 June 24, 2015 about Dean &amp; DeLuca and a term sheet that they are</p> <p>25 expecting to sign prior to the lease?</p>
<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1853</p> <p>1 Q Was the Balducci's lease ever signed?</p> <p>2 A I don't believe it was signed.</p> <p>3 Q Do you have any understanding as whether -- as to</p> <p>4 whether there was a different tenant that they were seeking to</p> <p>5 place in that same space as identified for Balducci's?</p> <p>6 A Yes they were looking at Dean &amp; DeLuca.</p> <p>7 MS. FAHERTY: Your Honor, I marked for</p> <p>8 identification Plaintiff's Exhibit P X-1307 and put it on</p> <p>9 the screen. Your Honor, I neglected to move the last</p> <p>10 exhibit in. I move to admit that prior exhibit.</p> <p>11 MR. SUAREZ: Objection. Statute of limitations.</p> <p>12 Relevance.</p> <p>13 THE COURT: Overruled and overruled.</p> <p>14 MS. FAHERTY: Thank you.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 1059.)</p> <p>17 Q Mr. Weisselberg, drawing your attention to the very top</p> <p>18 message in the e-mail thread, this appears to be a message from</p> <p>19 Donna Kidder, the employee from the Trump Organization, dated</p> <p>20 June 24, 2015, 10:04 a.m., yes?</p> <p>21 A Yes.</p> <p>22 Q To Allen Weisselberg and David Cohen, right?</p> <p>23 A Yes.</p> <p>24 Q The e-mail here says, "Lawyer said they didn't have a</p> <p>25 term sheet." You didn't receive this particular message, did</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1855</p> <p>1 A No.</p> <p>2 THE COURT: Five-minute warning.</p> <p>3 MR. FAHERTY: So I'll -- we'll go further on to</p> <p>4 the bottom of this first page if this helps. Keep going.</p> <p>5 Right there. Thank you, Ashley.</p> <p>6 Q So at 11:00 a m., this appears to be an e-mail from you</p> <p>7 to David Cohen, Donna Kidder, Allen Weisselberg, all at the</p> <p>8 Trump Organization, right?</p> <p>9 A Correct.</p> <p>10 Q The message is just Dean &amp; DeLuca, no "re"?</p> <p>11 A No forward, right. Correct.</p> <p>12 Q And your message says, "Do we have an unsigned LOI/term</p> <p>13 sheet for Dean &amp; DeLuca." What is an LOI/term?</p> <p>14 A Letter of intent. Many tenants sign a letter of intent</p> <p>15 with the basic terms and then they negotiate the lease after.</p> <p>16 So I was trying to see if we could get the preliminary document</p> <p>17 prior to the full lease being executed.</p> <p>18 Q Okay. And then you write, "I need that within the</p> <p>19 hour, if possible. Trying to get the appraiser in the right</p> <p>20 spot but at least need that for now. Has one been drawn up</p> <p>21 yet." Do you see that there?</p> <p>22 A I do.</p> <p>23 Q What does it mean that you're trying to get the</p> <p>24 appraiser in the right spot?</p> <p>25 A I don't recall.</p>

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1856	JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1858
<p>1 Q Was this information you were seeking to provide to an</p> <p>2 appraiser with regards to the 40 Wall Street transaction?</p> <p>3 A I was probably trying to get it to the underwriter who</p> <p>4 was getting this request from the appraiser prior to finalizing</p> <p>5 the report, but I don't recall the context of this e-mail.</p> <p>6 Q Is that your specific recollection or just as you sit</p> <p>7 here today, you -- your surmise?</p> <p>8 A After reading it, I'm surmising that that's what it</p> <p>9 was. I did not have direct contact with the appraiser.</p> <p>10 Q And the word "appraiser," is that interchangeable for</p> <p>11 underwriter at Ladder Capital?</p> <p>12 A No.</p> <p>13 Q But as you're sitting here, that word "appraiser"</p> <p>14 signifies for you the underwriter could be the appraiser; is</p> <p>15 that your testimony?</p> <p>16 A No. I'm saying that the underwriter requested</p> <p>17 something for the appraiser, so I'm letting the sponsor know</p> <p>18 that the appraiser is requesting a document.</p> <p>19 Q Okay. Thank you.</p> <p>20 A Sure.</p> <p>21 MS. FAHERTY: Your Honor, I move to admit this</p> <p>22 document into evidence.</p> <p>23 MR. SUAREZ: Objection. Statute of limitations.</p> <p>24 Relevance.</p> <p>25 THE COURT: Overruled. Granted. It is in.</p>	<p>1 A Yes.</p> <p>2 MS. 1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cell phones are on silent. Laptops and cell  
4 phones will be permitted, but only to members of the press.  
5 There is absolutely no recording or photography of any kind  
6 allowed in the courtroom. Now be seated and come to order.  
7 THE COURT: Well, the plaintiff seems to have a  
8 full complement. Defense side, where is everybody?  
9 MR. KISE: Deposition.  
10 THE COURT: Other things to do?  
11 All right. We're going to have a short sidebar.  
12 (Whereupon, there is an off-the-record discussion  
13 held.)  
14 THE COURT: Okay. Let's get the witness.  
15 THE COURT OFFICER: Witness entering.  
16 (Whereupon, the witness enters the courtroom and  
17 approaches the witness stand.)  
18 THE COURT: Let's resume the direct examination for  
19 Jack Weisselberg.  
20 MS. FAHERTY: Thank you, Your Honor.  
21 CONTINUED DIRECT EXAMINATION  
22 BY MS. FAHERTY:  
23 Q Good morning, Mr. Weisselberg.  
24 A Good morning.  
25 Q Do you recall back to yesterday we had a discussion

Page 1874

J. Weisselberg - Plaintiff - direct (Faherty)

1 about Mr. Trump's financials?  
2 A Yes.  
3 Q And I believe you testified that you would receive a  
4 hard copy version of those financials; right?  
5 A Correct.  
6 MS. FAHERTY: Okay. I'm going to ask to put up on  
7 the screen PX 654. And I'll just note on the record I've  
8 marked for identification, Your Honor, plaintiff's next  
9 exhibit, PX-504.  
10 A Okay.  
11 Q And take a quick look at that document I've placed in  
12 front of you, Mr. Weisselberg, and I'll give you a minute to  
13 review it, please.  
14 A Okay.  
15 Q And I'll just draw your attention to the very first  
16 page of the document. Do you see that there are a series of  
17 numbers that begins L as in "Larry," C as in "Charles,"  
18 00295757?  
19 A Yes.  
20 Q I'll represent to you that this is a document produced  
21 by Ladder Capital. So this is a document from the Ladder  
22 Capital files, okay?  
23 A Okay.  
24 Q Do you recognize this document, maybe not specifically,  
25 but generally, as the form of the financials Ladder Capital

J. Weiss e berg - Plaintiff - direct (Faherty) Page 1875	J. Weisselberg - Plaintiff - direct (Faherty) Page 1877
<p>1 received from the Trump Organization?</p> <p>2 A It looks familiar. I can't guarantee this is what is I</p> <p>3 saw.</p> <p>4 Q But no specific recollection of this document, but a</p> <p>5 general recollection. Is that fair?</p> <p>6 A Correct.</p> <p>7 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>8 evidence.</p> <p>9 THE COURT: Granted. It's in.</p> <p>10 MR. ROBERT: Objection. Statute of limitations.</p> <p>11 THE COURT: Overruled.</p> <p>12 MS. FAHERTY: Thank you.</p> <p>13 (Whereupon, the item previously referred to is</p> <p>14 received and marked Plaintiff's Exhibit Number 504 in</p> <p>15 evidence.)</p> <p>16 Q And I want to turn your attention to a couple of pages</p> <p>17 in this document, so I'll ask that you turn to the third page of</p> <p>18 your document. And if you need help, we'll put it on the</p> <p>19 screen, as well, okay?</p> <p>20 So you'll see that this is the independent accountant's</p> <p>21 compilation report. And we'll scroll down to the bottom of this</p> <p>22 note. We'll go to the date.</p> <p>23 And just confirming, Mr. Weisselberg, you see that this</p> <p>24 is the Statement of Financial Condition of Donald J. Trump for</p> <p>25 June 30th -- as of June 30, 2014, yes?</p>	<p>1 represents? Is that liquid assets?</p> <p>2 A That would be liquidity.</p> <p>3 Q Liquidity?</p> <p>4 A Yes.</p> <p>5 Q Okay. Let's turn to the next page. I'll draw your</p> <p>6 attention to the line that states "net worth." Can you read</p> <p>7 that figure there?</p> <p>8 A 5,777,540,000.</p> <p>9 Q Roughly 5.8 billion, is that what that number reflects?</p> <p>10 A Just short of 5.8 billion.</p> <p>11 Q Okay, great. Thank you. And we can put that aside.</p> <p>12 Just a broader question. Is it a fair understanding</p> <p>13 that Ladder relied on the statements of financial condition's</p> <p>14 submissions as part of the underlying of their 40 Wall loan?</p> <p>15 A For the 40 Wall loan liquidity is what we were really</p> <p>16 paying attention to because we had some contingent liabilities,</p> <p>17 recourse obligations. So we wanted to make sure there was</p> <p>18 enough liquidity to cover the obligations.</p> <p>19 Q And I don't think that quite fully responds to my</p> <p>20 question. My question was that you relied upon the Statement of</p> <p>21 Financial Condition, so would that be a yes?</p> <p>22 A The net worth statement is one of many things that we</p> <p>23 look at in the underwriting process. I wouldn't say it was a</p> <p>24 key factor.</p> <p>25 Q It was a factor that you relied upon?</p>
J. Weiss e berg - Plaintiff - direct (Faherty) Page 1876	J. Weisselberg - Plaintiff - direct (Faherty) Page 1878
<p>1 A Yes.</p> <p>2 Q Okay. And the accountant's compilation report is</p> <p>3 signed on November 7, 201. Do you see that there?</p> <p>4 A Yes.</p> <p>5 Q I'll represent to you that this is the date that this</p> <p>6 document was compiled and issued to be finalized, okay?</p> <p>7 A Okay.</p> <p>8 Q Bearing that date in mind, do you -- would you agree</p> <p>9 with me that this is probably the financials that you would have</p> <p>10 received in connection with the 40 Wall Street loan transaction?</p> <p>11 A I can't confirm, but probably.</p> <p>12 Q Okay. And we'll go over some dates as to when the loan</p> <p>13 transaction closed, but I'll represent to you the 2015 Statement</p> <p>14 of Financial Condition was not issued as of the end of the 40</p> <p>15 Wall transaction, okay?</p> <p>16 A Okay.</p> <p>17 Q Okay. All right. Now, let's flip to the next page.</p> <p>18 You'll see there is a page titled "Assets." Do you see it</p> <p>19 there?</p> <p>20 A Yes.</p> <p>21 Q Okay. Looking at the line it states: "Cash and</p> <p>22 marketable securities." Can you read the amount that's listed</p> <p>23 there?</p> <p>24 A 302,300,000.</p> <p>25 Q Do you have any understanding as to what that figure</p>	<p>1 A It was a factor.</p> <p>2 Q Thank you, okay.</p> <p>3 Were there other documents you reviewed to determine</p> <p>4 that Mr. Trump had the specific net worth?</p> <p>5 A Liquidity, no.</p> <p>6 Q Okay, thank you.</p> <p>7 All right. I'm going to hand up a document, and while</p> <p>8 I'm doing that I'll just ask if you're familiar with an acronym,</p> <p>9 an "RUC memo?"</p> <p>10 A Yes.</p> <p>11 Q What is an RUC memo?</p> <p>12 A RUC stands for Risk and Underwriting Committee and that</p> <p>13 is what we do for all large loans or unique loans.</p> <p>14 Q Okay. Are you -- the RUC memo, that's something that</p> <p>15 Ladder Capital has as part of its business practices; correct?</p> <p>16 A Right.</p> <p>17 Q So I'm going to have my trial vendor put up on the</p> <p>18 screen the document I just passed forward to you. It's --</p> <p>19 MS. FAHERTY: Your Honor, I've marked for</p> <p>20 identification plaintiff's next exhibit. It's marked</p> <p>21 PX-00645 and I'll put that up on your screen.</p> <p>22 Q This is an e-mail from Craig Robertson at Ladder</p> <p>23 Capital dated June 29, 2015, 10:47 a m. and it's addressed to</p> <p>24 the Conduit Committee at Ladder Capital.</p> <p>25 Did we discuss that committee yesterday, the Conduit</p>

J. Weisse berg - Plaintiff - direct (Faherty) Page 1879	J. Weisselberg - Plaintiff - direct (Faherty) Page 1881
<p>1 Committee?</p> <p>2 A We did.</p> <p>3 Q And the Conduit Committee, they're reviewing the terms</p> <p>4 on the -- the loan deal; right?</p> <p>5 A Yes.</p> <p>6 Q And the names that are listed in this e-mail you'll see</p> <p>7 them all up on your screen. Do you recognize that all of the</p> <p>8 names included in the bcc line? Were those all -- excuse me --</p> <p>9 members of the Conduit Committee?</p> <p>10 A No.</p> <p>11 Q Who are the names listed in that bcc entry there?</p> <p>12 A They're Ladder employees that may have been involved in</p> <p>13 the transaction at some level, so they were included on this to</p> <p>14 know when the committee meeting was.</p> <p>15 Q Okay. And the Conduit Committee, that was the e-mail</p> <p>16 addressed list we saw yesterday; right?</p> <p>17 A It may have included -- some of them may have excluded</p> <p>18 some of them. I'm not sure at this time what Conduit Committee</p> <p>19 covered.</p> <p>20 Q But there was a generic e-mail mailbox designated for</p> <p>21 the Conduit Committee as indicated here on this message; right?</p> <p>22 A Correct.</p> <p>23 Q And so sending an e-mail to the Conduit Committee at</p> <p>24 LadderCapital.com ensured that the members of the Conduit</p> <p>25 Committee receives this e-mail; right?</p>	<p>1 THE COURT: Overruled on statute of limitations</p> <p>2 grounds.</p> <p>3 Q So let's focus on the first cover e-mail, please.</p> <p>4 Were you there at the -- is there an RUC committee</p> <p>5 presentation when you have the RUC memo?</p> <p>6 A Yes.</p> <p>7 Q And were you in attendance at that committee</p> <p>8 presentation?</p> <p>9 A I believe at the time it was in person, so yes, I would</p> <p>10 have been the one presenting.</p> <p>11 Q Okay. So you were apart of this process, fair to say?</p> <p>12 A Yes.</p> <p>13 Q Okay, great.</p> <p>14 In the very first paragraph Craig states that this is</p> <p>15 the RUC memo for 40 Wall Street and it includes some of the</p> <p>16 terms -- it includes the terms for the loan deal that we've been</p> <p>17 talking about since yesterday; right?</p> <p>18 A Yes.</p> <p>19 Q Okay. Turning to the second paragraph it says that</p> <p>20 "the loan proceeds will be utilized to refinance an existing</p> <p>21 mortgage originated by Capital One Bank (the prior loan which</p> <p>22 featured a principal balance of 160 million (137.31/SF))."</p> <p>23 This is a reflection of Ladder Capital's understanding</p> <p>24 of the Capital One loan that they were going to be refinancing,</p> <p>25 yes?</p>
J. Weisse berg - Plaintiff - direct (Faherty) Page 1880	J. Weisselberg - Plaintiff - direct (Faherty) Page 1882
<p>1 A Correct.</p> <p>2 Q Okay, great.</p> <p>3 And the subject of this message is the RUC memo: 40</p> <p>4 Wall Street; right?</p> <p>5 A Correct.</p> <p>6 Q And then there appears to be an attachment, one is an</p> <p>7 image and the other is 40 Wall Street RUC memo.PDF and I'll</p> <p>8 represent to you, Mr. Weisselberg, I attached specific</p> <p>9 attachments so can you take a moment to look through the</p> <p>10 attachment that I've included in this exhibit and just confirm</p> <p>11 for me that that looks like the RUC memo for the 40 Wall Street</p> <p>12 transaction?</p> <p>13 A Yes.</p> <p>14 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>15 evidence, please.</p> <p>16 MR. KISE: Your Honor, just two things: One,</p> <p>17 statute of limitations; the other is I want to point out a</p> <p>18 bit of New York history. This document does confirm that</p> <p>19 the property at 40 Wall was in fact the tallest building --</p> <p>20 MS. FAHERTY: You are stealing my thunder. I was</p> <p>21 going to highlight --</p> <p>22 MR. KISE: I wasn't sure you were going to say --</p> <p>23 THE WITNESS: I believe it was for a month or two.</p> <p>24 I think it was the tallest building for a month.</p> <p>25 MS. FAHERTY: Only for a month.</p>	<p>1 A Correct.</p> <p>2 Q Okay. And then the next paragraph begins, "As of</p> <p>3 June 18, 2015, Cushman &amp; Wakefield appraised the property at a</p> <p>4 value of 540 million (463.44 per SF)."</p> <p>5 Is it a fair assessment of this line in this e-mail</p> <p>6 that as of June 18, 2015 Ladder Capital had received an</p> <p>7 appraisal for the 40 Wall Street property at a value of</p> <p>8 \$540 million?</p> <p>9 A I believe we received the report shortly after, but the</p> <p>10 value was as of that date.</p> <p>11 Q Okay. So Ladder was aware of that value as of that</p> <p>12 date, yes?</p> <p>13 A Correct.</p> <p>14 Q Okay. And then it includes information that a loan</p> <p>15 amount will be 160 million with a 3.665 percent interest rate;</p> <p>16 right?</p> <p>17 A Correct.</p> <p>18 Q And then there is a 25-year amortization on the loan.</p> <p>19 Do you recall that that 25-year amortization rate contemplated</p> <p>20 the reset on the ground lease?</p> <p>21 A There were various factors. I believe that was one of</p> <p>22 the driving forces was to make sure that the principal balance</p> <p>23 of the loan had ammed down to a level that we would be</p> <p>24 comfortable with the rent -- the ground rent reset.</p> <p>25 Q And just to confirm, you made a reference to "ammed</p>

J. Weisse berg - Plaintiff - direct (Faherty)	Page 1883	J. Weisselberg - Plaintiff - direct (Faherty)	Page 1885
<p>1 down." That means to amortize down, yes?</p> <p>2 A Correct. The principal balance of the loan amortized</p> <p>3 down.</p> <p>4 Q Okay, thank you.</p> <p>5 And the next sentence, does this refresh your</p> <p>6 recollection that the loan did in fact close in or about</p> <p>7 July 2nd of 2015?</p> <p>8 A It was scheduled to close July 2nd, according to this.</p> <p>9 I believe it was around that date.</p> <p>10 Q Let's turn to the memo itself.</p> <p>11 And on that very first cover sheet there is a picture</p> <p>12 of 40 Wall Street --</p> <p>13 MS. FAHERTY: We missed a page. Next line.</p> <p>14 Thanks, Ashley.</p> <p>15 Q Can you just tell me what that acronym under the</p> <p>16 picture of the building says, the address and then there is a</p> <p>17 loan number: "OWL-150430-03." Does that number have any</p> <p>18 particular significance or meaning to the combination of letters</p> <p>19 and numbers?</p> <p>20 A The letters represent outstanding whole loan and the</p> <p>21 numbers represent the date that the application was signed. So</p> <p>22 in this case it was April 30, 2015 and the 03 at the end means</p> <p>23 that it was the third loan that we had an application signed</p> <p>24 that day. So on April 30th of 2015, three loans or at least</p> <p>25 three loans were signed up and this was the third one.</p>	<p>1 to be executed shortly after closing. At closing, an entity</p> <p>2 controlled by Donald J. Trump will sign a 12 (12) year master</p> <p>3 lease to occupy the suite at substantially similar economics,</p> <p>4 which lease will be guaranteed by Donald J. Trump.</p> <p>5 Mr. Trump will be required to make monthly payments</p> <p>6 under the master lease for the term of the loan until the space</p> <p>7 is leased to a tenant acceptable to lender when substantially</p> <p>8 similar economics to the Dean &amp; DeLuca lease and such tenant</p> <p>9 takes physical possession of the space and commences payment of</p> <p>10 full unabated rents." Do you so he that there?</p> <p>11 A I do.</p> <p>12 Q And is this paragraph acknowledging in the RUC memo</p> <p>13 that there is a master lease to be included as part of the deal</p> <p>14 terms; right?</p> <p>15 A Yes.</p> <p>16 Q And that Donald J. Trump will execute that master</p> <p>17 lease; right?</p> <p>18 A Yes.</p> <p>19 Q And that there will be a guarantee that Donald J. Trump</p> <p>20 executes; right?</p> <p>21 A Yes.</p> <p>22 Q And in this particular report there is a reference to</p> <p>23 Dean &amp; DeLuca. It's no longer Balducci's, yes?</p> <p>24 A That's correct.</p> <p>25 Q All right. Let's turn to the next page.</p>		
J. Weisse berg - Plaintiff - direct (Faherty)	Page 1884	J. Weisselberg - Plaintiff - direct (Faherty)	Page 1886
<p>1 Q And that's applications at Ladder Capital, not</p> <p>2 applications with the Trump Organization; right?</p> <p>3 A Correct.</p> <p>4 Q Okay, great.</p> <p>5 Let's turn to the next page. And I'll just ask you</p> <p>6 broadly with regards to the RUC memo is it a fair</p> <p>7 characterization that they're organized in a certain manner?</p> <p>8 For example, we're looking at a page right now that states</p> <p>9 "executive summary." So is the organization broken into</p> <p>10 sections of this memo?</p> <p>11 A Yes. At this time this was the format for all</p> <p>12 committee memos.</p> <p>13 Q Okay, great.</p> <p>14 And so this first section we're going into is the</p> <p>15 executive summary section of the RUC memo; correct?</p> <p>16 A Correct.</p> <p>17 Q Okay. So looking at this section in the middle of the</p> <p>18 page, you'll see that there is a number one with some words</p> <p>19 printed there. Do you see that section?</p> <p>20 A Yes.</p> <p>21 Q Okay. And this point, number one states: "The</p> <p>22 physical occupancy presented above includes 118,500 square foot</p> <p>23 retail space with respect to the sponsor is in negotiations with</p> <p>24 Dean &amp; DeLuca for a 15 (number 15) year lease at a rental rate</p> <p>25 of 1,400,000 (\$75.68 per square foot). Such lease is expected</p>	<p>1 Looking at the top paragraph, it's still the "Executive</p> <p>2 Summary" section. This section is titled -- subsection is</p> <p>3 titled "Reserve Comments." And I'll draw your attention to the</p> <p>4 bottom two paragraphs of this section. It states:</p> <p>5 "In lieu of ongoing reserves for insurance, tenant</p> <p>6 improvements, leasing commissions, capital expenditures and</p> <p>7 ground lease payments, Donald J. Trump will provide a personal</p> <p>8 guaranty." Similar discussion as we had yesterday, this is</p> <p>9 recognizing the Donald J. Trump guaranty in connection with</p> <p>10 those reserves, yes?</p> <p>11 A Yes.</p> <p>12 Q And the next sentence, the "TI/LC" is that tenant</p> <p>13 improvements and lease commissions?</p> <p>14 A Yes.</p> <p>15 Q "And free rent reserves outstanding at closing are</p> <p>16 presented below," and that's a reference to this number -- this</p> <p>17 chart on this particular page, yes?</p> <p>18 A Yes.</p> <p>19 Q Okay. "And in lieu of any -- an upfront reserve for</p> <p>20 these items, Donald J. Trump will provide a personal guaranty</p> <p>21 for such amounts outstanding," yes?</p> <p>22 A Yes.</p> <p>23 Q So, again, the reflection of the guaranty has been</p> <p>24 included in the executive summary; yes?</p> <p>25 A Yes.</p>		

J. Weisse berg - Plaintiff - direct (Faherty) Page 1887	J. Weisselberg - Plaintiff - direct (Faherty) Page 1889
<p>1 Q Okay. Let's turn to the next page, still within the</p> <p>2 executive summary. Third paragraph. This is again</p> <p>3 acknowledging the Capital One deal that it was going to be</p> <p>4 refinanced by the Ladder deal, yes?</p> <p>5 A Yes.</p> <p>6 Q And again, there is a reference to the \$540 million</p> <p>7 Cushman appraised value. That was the value Ladder had in its</p> <p>8 possession as of the time of this RUC memo, yes?</p> <p>9 A Yes.</p> <p>10 Q Okay. We'll go to the next page, please.</p> <p>11 And in this portion of the RUC memo, Executive Summary</p> <p>12 section, there appears to be an analysis of the ground lease,</p> <p>13 yes?</p> <p>14 A Yes.</p> <p>15 MR. ROBERT: Objection. We've held back with all</p> <p>16 the leading questions, but I think at some point it has to</p> <p>17 be more of a direct, Your Honor.</p> <p>18 THE COURT: As usual, I see both sides. You can't</p> <p>19 testify -- you know, you can't suggest an answer. If you</p> <p>20 want to clarify something, okay, but just be cautious in</p> <p>21 that regard.</p> <p>22 MS. FAHERTY: Sure, Your Honor.</p> <p>23 Q And this was included in the RUC memo because it was</p> <p>24 relevant to the loan deal. Is that a fair characterization?</p> <p>25 A Yes.</p>	<p>1 Donald J. Trump as of June 30, 2014?</p> <p>2 A Yes.</p> <p>3 Q Okay, great.</p> <p>4 THE COURT: Just I want to address all the</p> <p>5 attorneys, okay. I could have made this comment at any</p> <p>6 point. It's a pet peeve of mine when the lawyer questioning</p> <p>7 a witness comments on the answers. I don't mind "thank</p> <p>8 you," but "okay, great." No, don't do that for at least two</p> <p>9 reasons: One, it could possibly influence the testimony --</p> <p>10 following testimony; and two, I don't know whether the</p> <p>11 reporters take this down or not. So ask a question, get an</p> <p>12 answer, ask the next question, but don't comment on the</p> <p>13 answer you just heard. Thank you.</p> <p>14 Q We'll turn to the next page. Turning your attention</p> <p>15 this is now, a section identified as "Deal Strengths," yes?</p> <p>16 A Yes.</p> <p>17 Q Drawing your attention to paragraph four subtitled</p> <p>18 "Conservative Loan Structure."</p> <p>19 Is this a reflection -- well, what is your</p> <p>20 understanding of the second bullet under this particular</p> <p>21 subparagraph, "The loan features a warm body carve out</p> <p>22 guarantor, Donald J. Trump. As of June 30, 2014, Mr. Trump</p> <p>23 reported a net worth of nearly 5.8 billion and liquidity in</p> <p>24 excess of 300 million.</p> <p>25 A Sorry, what is the question?</p>
J. Weisse berg - Plaintiff - direct (Faherty) Page 1888	J. Weisselberg - Plaintiff - direct (Faherty) Page 1890
<p>1 MS. FAHERTY: Turn to the next page, please.</p> <p>2 Q This is the final page of the Executive Summary</p> <p>3 section. There is a paragraph in there subtitled "Sponsor."</p> <p>4 Do you recall who the sponsor was of this deal?</p> <p>5 A Yes.</p> <p>6 Q Who was that?</p> <p>7 A Donald J. Trump.</p> <p>8 Q So is this section included in here to describe who</p> <p>9 Donald J. Trump is?</p> <p>10 A Yes.</p> <p>11 Q And I'd like you to look at the very last paragraph</p> <p>12 contained in this section of the sponsor on the executive</p> <p>13 summary page.</p> <p>14 Do you recall -- I'm drawing your attention to the very</p> <p>15 last sentence, which reads: "As of June 30, 2014, Mr. Trump</p> <p>16 reported a net worth of nearly \$5.8 billion and a liquidity in</p> <p>17 excess of \$300 million."</p> <p>18 Do you recall where that information came from to be</p> <p>19 able to be included in the Executive Summary page?</p> <p>20 A The underwriter wrote this and reviewed the financial</p> <p>21 statement. Typically this would come from a personal financial</p> <p>22 statement, but I didn't write this.</p> <p>23 Q Would you agree with me that this information looks</p> <p>24 substantially similar to what we just reviewed in the prior</p> <p>25 exhibit, which was the Statement of Financial Condition of</p>	<p>1 Q What is your understanding of what that is a reflection</p> <p>2 of?</p> <p>3 A You're showing that it's a strong sponsor.</p> <p>4 Q Does it say the word "strong" in there?</p> <p>5 A The reflection is that it's a strong sponsor. You</p> <p>6 asked me about the reflection. This is saying that we have a</p> <p>7 strong sponsor that has a large net worth and a lot of</p> <p>8 liquidity.</p> <p>9 Q Understood.</p> <p>10 And this is a similar information that we saw from the</p> <p>11 prior exhibit with a net worth of 5.8 billion and liquidity in</p> <p>12 excess of 300 million; right?</p> <p>13 A Nearly 5.8 billion, yes.</p> <p>14 Q Information you would have received from the sponsor?</p> <p>15 A Correct.</p> <p>16 Q Yes. And then I'll just draw your attention to one</p> <p>17 more page. It's 13 in the document, a section titled,</p> <p>18 "Sponsorship."</p> <p>19 A Okay.</p> <p>20 Q And drawing your attention to that second box that</p> <p>21 states, "Financial Statement-Donald J. Trump." And then there</p> <p>22 is a box of information. It says, "Statement type: Personal</p> <p>23 financial statement, financial statement date: June 30, 2014."</p> <p>24 And then there are a series of numbers, it looks like monetary</p> <p>25 amounts. Is this information that Ladder independently put</p>

<p>J. Weisse berg - Plaintiff - direct (Faherty) Page 1891</p> <p>1 together?</p> <p>2 A This is a result of what we received from the sponsor.</p> <p>3 Q Okay, great. We can put that aside.</p> <p>4 THE COURT: Remember, don't say "great."</p> <p>5 MS. FAHERTY: I did it. Sorry. I'm saying it to</p> <p>6 myself, but you're right, Your Honor. I apologize.</p> <p>7 THE COURT: I just want to comment on one other</p> <p>8 part of the examination. You read a sentence and then asked</p> <p>9 him for his reflection. Was that the word?</p> <p>10 THE WITNESS: I believe so.</p> <p>11 THE COURT: And then he said it reflects that there</p> <p>12 is a strong sponsor and you said "do you see the word</p> <p>13 'sponsor' there." You asked him what it meant to him. We</p> <p>14 all know the word "sponsor" wasn't there, but so I'll leave</p> <p>15 it at that.</p> <p>16 MS. FAHERTY: Your Honor, I've marked as</p> <p>17 plaintiff's next exhibit, PX-00640, which I've handed up to</p> <p>18 the witness.</p> <p>19 Q Mr. Robertson -- Mr. Weisselberg, I've also put PX</p> <p>20 00640 on the screen for you.</p> <p>21 Does this appear to be an e-mail from Donna Kidder at</p> <p>22 the Trump Organization addressed to Craig Robertson at Ladder</p> <p>23 Capital dated June 24, 2015, 9:10 a m.?</p> <p>24 A Yes.</p> <p>25 Q And there are ccs on this e-mail, Allen Weisselberg,</p>	<p>J. Weisselberg - Plaintiff - direct (Faherty) Page 1893</p> <p>1 message you were copied?</p> <p>2 A Correct.</p> <p>3 Q And this message titled "40 Wall budget questions, do</p> <p>4 you have any understanding as to why Craig Robertson would have</p> <p>5 sent an e-mail to the client, the Trump Organization, about</p> <p>6 budget questions related to 40 Wall Street?</p> <p>7 A Yes.</p> <p>8 Q What is your understanding?</p> <p>9 A On all deals there is a back and forth between the</p> <p>10 underwriter and the borrower with questions on the financials.</p> <p>11 Sometimes included in this e-mail there are one-time costs that</p> <p>12 would go what we call "below the line" to not property cash</p> <p>13 flow, but once every ten years, something like that.</p> <p>14 Other times, the number may jump a lot in one year or</p> <p>15 it may go down a lot in one year, which is not typical, so we'll</p> <p>16 have questions so we can get some clarity on that and that's</p> <p>17 what this e-mail was.</p> <p>18 Q And what is your understanding for the need for those</p> <p>19 questions? Does it result in any change in the budget or in any</p> <p>20 change in underwriting the loan?</p> <p>21 A Yes, yes. Typically we'll be able to figure out why it</p> <p>22 happened and either the budget may change or we'll have a</p> <p>23 footnote that we can add to our underwriting about why there was</p> <p>24 such a difference in the number.</p> <p>25 Q And when you say "the budget may change," is that the</p>
<p>J. Weisse berg - Plaintiff - direct (Faherty) Page 1892</p> <p>1 you at Ladder Capital and Jeff McConney?</p> <p>2 A Correct.</p> <p>3 Q And the subject is "re: 40 Wall Budget Questions;"</p> <p>4 right?</p> <p>5 A Yes.</p> <p>6 Q And it appears that there is an attachment?</p> <p>7 A Yes.</p> <p>8 Q Okay. Let's go to -- further into this e-mail. It is</p> <p>9 the third page of this PDF document and there is an e-mail on</p> <p>10 Tuesday, June 23, 2015 at 10:28 a m. from Craig Robertson at</p> <p>11 Ladder Capital to Donna Kidder with Allen Weisselberg and you as</p> <p>12 ccs on the message and the underlying subject is "40 Wall budget</p> <p>13 questions;" right?</p> <p>14 A Yes.</p> <p>15 Q And remind me, Craig Robertson, he was the underwriter</p> <p>16 on the 40 Wall Street loan deal?</p> <p>17 A He was the senior underwriter.</p> <p>18 Q The senior underwriter?</p> <p>19 A Yes.</p> <p>20 Q Were you always copied on messages that Craig</p> <p>21 Robertson, Senior Underwriter, sent to the client?</p> <p>22 A I can't confirm always, but typically the originator is</p> <p>23 cc'd on e-mails between the underwriter and the client.</p> <p>24 Q So the general practice would be that you should be or</p> <p>25 would be copied, but you can't confirm that it was every single</p>	<p>Page 1894</p> <p>1 underlying client's budget or are you referring to something</p> <p>2 that Ladder Capital maintains?</p> <p>3 A It could be both.</p> <p>4 Q Okay. And you made reference to a one-time expense,</p> <p>5 and I'll turn your attention to page -- the page we're still on.</p> <p>6 In Craig's 10/28 e-mail to Donna with a copy to you and</p> <p>7 Allen, middle of the -- the actual words printed on this page,</p> <p>8 Craig writes: "R&amp;M expenses increased by 400 K," 400,000?</p> <p>9 A Correct.</p> <p>10 Q "Appears to include one-time expenses (highlighted</p> <p>11 differences below.)"</p> <p>12 Is that an example of what you were just talking about,</p> <p>13 a one-time expense that the underwriter may have addressed with</p> <p>14 the client?</p> <p>15 A It could be, yes.</p> <p>16 Transcript continues on the following page....</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

1 Q Then there appears to be a response from the client,  
2 right?  
3 A Yes.  
4 Q Any understanding what occurred with regards to this  
5 particular exchange between Robertson and Ms. Kidder that you  
6 were copied on on June 24th and June 23, 2015?  
7 A I'm sorry. What exactly are you asking?  
8 Q I asked if you had any understanding as to what  
9 occurred as a result of this exchange.  
10 A I don't know what the result was.  
11 MS. FAHERTY: Your Honor, I move to admit this  
12 exhibit into evidence.  
13 MR. ROBERT: Objection. Statute of limitations.  
14 THE COURT: Overruled. Granted. It is in  
15 evidence.  
16 (Whereupon, the Document was marked in evidence as  
17 Plaintiff's Exhibit 640.)  
18 MS. FAHERTY: I have another exhibit to pass up.  
19 It's -- Your Honor, I marked them, the next document, as  
20 Plaintiff's PX-00636. I've handed it up to the witness.  
21 Q Mr. Weisselberg, I've also put this document on the  
22 screen in case you want to review it there.  
23 A Okay.  
24 Q This top e-mail appears to be a message from Donna  
25 Kidder dated June 10, 2015 addressed to you at Ladder Capital,

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1896

1 Jeff McConney at the Trump Organization, Allen Weisselberg at  
2 the Trump Organization. The subject is, "re: Quick questions.  
3 And there appears to be an attachment memo to  
4 "accounting-rosenberggreenbergblahallc-partof32ndfloor40wa...  
5 pdf". You see this e-mail in front of you?  
6 A Yes.  
7 Q This is early June, right, June 10th?  
8 A Yes.  
9 MR FAHERTY: All right. Can we go to the bottom of  
10 this message up a little higher. Not the attachment. Okay.  
11 Sorry.  
12 Q So the underlying e-mail is from you to Donna, Jeff and  
13 Allan at the Trump Organization, subject, "Quick questions."  
14 You're asking, "Can you guys help me with these questions?  
15 Craig is out today and may know these answers, but I need to get  
16 an answer back today." The reference to Craig here, is that  
17 Craig Robertson?  
18 A Yes.  
19 Q And you're asking about "Murphy & O'Connell's lease  
20 expired at the end of April 2015. Have they vacated the  
21 property."  
22 What is your recollection as to who Murray and  
23 O'Connell's is or their lease?  
24 A This is a tenant at 40 Wall.  
25 Q And the next entry is, "LaRocca Hornik, Rosen,

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1897

1 Greenberg & Blaha, L.L.P.'s lease expired at the end of  
2 February 2015. Have they vacated the property."  
3 What is your understanding as to who LaRocca Hornik  
4 Rosen Greenberg & Blaha is?  
5 A A tenant at 40 Wall Street.  
6 Q So you're inquiring about tenants at 40 Wall Street in  
7 this message; is that correct?  
8 A Yes. A lot of times when we close a loan, the lease  
9 expiration is right around the time we close or shortly after,  
10 so we're just getting an update on some of the tenants that were  
11 around the date that we didn't have the information when we  
12 either closed or are about to close.  
13 Q And your understanding is that this information was  
14 necessary for Craig?  
15 A Well, this is the kind of question that would typically  
16 come from an underwriter and for some reason, the question was  
17 coming up within the office at Ladder, so I was asking it.  
18 Q Was this information at all relevant for the appraisal  
19 at 40 Wall Street at this time, to your understanding?  
20 A It was prior to the date of the value, so it would be.  
21 I don't recall the size of the tenants, if it would have had a  
22 material impact; but yes, any tenant at the property would have  
23 an impact on the appraisal.  
24 Q Okay. And you write in this message, "But I need to  
25 get an answer back today."

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1898

1 Do you recall why you needed an answer so promptly on  
2 June 10, 2015?  
3 A I do not.  
4 Q Okay.  
5 THE COURT: "Okay" isn't as bad as "great," but try  
6 not to do it anyway.  
7 MS. FAHERTY: Your Honor, I move to admit this  
8 document into evidence, please.  
9 MR. ROBERT: Statute of limitations objection, sir.  
10 THE COURT: Overruled. Granted. It's in.  
11 (Whereupon, the Document was marked in evidence as  
12 Plaintiff's Exhibit 636.)  
13 MS. FAHERTY: I marked as plaintiff's next exhibit  
14 P X-625. Handed it up to the witness.  
15 Q Mr. Weisselberg, please just take a quick look at this  
16 document and tell me whether you recognize it.  
17 A I don't recognize the specifics of this, but it is a  
18 typical form, so I do recognize the form.  
19 Q And do you recognize the form that this is a  
20 guaranty -- do you recognize that this document is a guaranty  
21 of recourse obligations?  
22 A Yes.  
23 Q And this document is executed as of July 2, 2015 by  
24 Donald J. Trump according to the second page of this document.  
25 Do you see that there?

<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1899</p> <p>1 A I don't see it on the second page.</p> <p>2 Q First page. You were right.</p> <p>3 A I don't see that it was executed by him on the first</p> <p>4 page.</p> <p>5 Q It is the very first page. Do you see that this is a</p> <p>6 document entitled, "Guaranty of Recourse Obligations."</p> <p>7 A It needs to be signed to be executed. I don't see a</p> <p>8 signature.</p> <p>9 Q Let's go to the very last page of this document.</p> <p>10 A I recognize that this is an executed recourse</p> <p>11 obligation.</p> <p>12 Q Do you recognize that signature?</p> <p>13 A I do.</p> <p>14 Q Whose signature do you recognize that to be?</p> <p>15 A That's Donald J. Trump signature.</p> <p>16 Q Is this consistent with the guaranty of recourse</p> <p>17 obligations that all of the documents we've been discussing</p> <p>18 prior to this document contemplated?</p> <p>19 A I would have to go through to look at the numbers to</p> <p>20 see if they match the numbers; but yes, this would be the loan</p> <p>21 document signed by him.</p> <p>22 Q No reason to doubt that it is?</p> <p>23 A I don't know if it is consistent with the memo. A lot</p> <p>24 of times, things change after the memo, so I couldn't say</p> <p>25 without going through in-depth to know if it was the same.</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1901</p> <p>1 Ladder Capital with a subject of "re, 40 Wall."</p> <p>2 Do you see that there?</p> <p>3 A Yes.</p> <p>4 Q We will go to the third page of this document and the</p> <p>5 underlying message appears to be from josh. -- I'm not going to</p> <p>6 say it. I'm going to spell it. M-R-O-Z-I-N-S-K-I @</p> <p>7 crenews.com, sent on Tuesday August 4, 2015, addressed to Hope</p> <p>8 Hicks. The subject is "40 Wall."</p> <p>9 Do you see that document there?</p> <p>10 A Yes.</p> <p>11 Q It appears in sum and substance that "I'm a reporter</p> <p>12 from Commercial Real Estate Direct" and he states, Hope Hicks</p> <p>13 was listed as a press contact on a recently -- released</p> <p>14 recently issue by the Trump Organization and Trump owns 40 Wall</p> <p>15 Street in Manhattan. There is a reference to "Ladder Capital</p> <p>16 has provided \$160 million of debt against the property." The</p> <p>17 individual states he had several questions and you can see</p> <p>18 within the body of this message there are several questions,</p> <p>19 right?</p> <p>20 A Yes.</p> <p>21 Q Is this the message you recall your father forwarding</p> <p>22 to you to get some input on how to respond?</p> <p>23 A Yes.</p> <p>24 MS. FAHERTY: Let's turn to the next message in the</p> <p>25 chain. If we can scroll up just a little bit.</p>
<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1900</p> <p>1 Q Fair to say that this signed executed version is a</p> <p>2 final version of the terms of the recourse guaranty in</p> <p>3 connection with the 40 Wall Street deal, right?</p> <p>4 A Yes, fair to say that.</p> <p>5 Q You can put that to the side, please.</p> <p>6 MS. FAHERTY: Your Honor, I'd like to move that</p> <p>7 into evidence.</p> <p>8 MR. ROBERT: Objection. Statute of limitations.</p> <p>9 THE COURT: Overruled. Grant the. It's in.</p> <p>10 (Whereupon, the Document was marked in evidence as</p> <p>11 Plaintiff's Exhibit 625.)</p> <p>12 Q Mr. Weisselberg, in connection with the 40 Wall Street</p> <p>13 deal, do you recall whether you received an inquiry from your</p> <p>14 father to respond to certain press questions about the deal?</p> <p>15 A He was asking for my input on questions from the press.</p> <p>16 THE COURT: You don't have to take down -- if it is</p> <p>17 now, we can move on, but sometimes it sounds like "I agree"</p> <p>18 or something, so --</p> <p>19 MS. FAHERTY: It is a tic. We marked as the next</p> <p>20 Exhibit PX-1062. We'll put it up on the screen.</p> <p>21 Q The very top e-mail in this thread on Plaintiff's</p> <p>22 Exhibit 1062 is an e-mail from Weisselberg at trumporg.com. Is</p> <p>23 that Allen Weisselberg?</p> <p>24 A Yes.</p> <p>25 Q Dated August 4, 2015, 7:35 p.m., addressed to you at</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1902</p> <p>1 Q It appears that Hope Hicks at trumporg.com or</p> <p>2 hhicks@trumporg.com forwarded this message on August 4, 2015 to</p> <p>3 Amanda Miller or amiller@trumporg.com. Do you know who Amanda</p> <p>4 Miller is?</p> <p>5 A Yes.</p> <p>6 Q Who is Amanda Miller?</p> <p>7 A An employee at the Trump Organization at the time.</p> <p>8 Q Do you know what her position is at the organization?</p> <p>9 A I do not.</p> <p>10 Q It is also addressed to Donald Trump Jr. or</p> <p>11 djtjr@trumporg.com. Do you see that there?</p> <p>12 A Yes.</p> <p>13 Q Then the next address on this e-mail address is Allen</p> <p>14 Weisselberg. That's your father, right?</p> <p>15 A Yes.</p> <p>16 Q And Ms. Hicks writes, "Please see below and let me know</p> <p>17 what guidance you would like to provide, if any," right?</p> <p>18 A Yes.</p> <p>19 Q And then from there, is that when your father forwarded</p> <p>20 you the message at 3:12 p m.?</p> <p>21 A It would appear that way.</p> <p>22 Q And your father, Mr. Allen Weisselberg's, message to</p> <p>23 you in sum and substance says, "Anything you want me to add when</p> <p>24 I call the writer back? See below," right?</p> <p>25 A Yes.</p>

JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1903	JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1905
<p>1 Q If we go to your message at 3:26 p m., there appears to</p> <p>2 be a pretty fulsome response. Is this the inputs you -- are</p> <p>3 the inputs you provided to your father included in the body of</p> <p>4 this message?</p> <p>5 A They could be, but I couldn't be sure.</p> <p>6 Q I didn't hear you the answer.</p> <p>7 A I couldn't be sure if it was. I believe so.</p> <p>8 Q And the very first entry, it states, "\$540 million</p> <p>9 value, so 29.6 percent."</p> <p>10 Any understanding as to what that particular line entry</p> <p>11 references, the \$540 million value?</p> <p>12 A His initial question was what was the LTV on the deal,</p> <p>13 so this was the loan to value.</p> <p>14 Q And what does the \$540 million represent?</p> <p>15 A It says the \$540 million value, so the 29.6 percent is</p> <p>16 our loan to that value.</p> <p>17 Q And is that also the appraised value of what the 40</p> <p>18 Wall Street asset?</p> <p>19 A It is.</p> <p>20 MS. FAHERTY: Thank you. I will move onto the next</p> <p>21 exhibit before I move to admit it, Your Honor.</p> <p>22 MR. ROBERT: Statute of limitations objection.</p> <p>23 THE COURT: Overruled. It's in evidence.</p> <p>24 MS. FAHERTY: Thank you Your Honor.</p> <p>25 (Whereupon, the Document was marked in evidence as</p>		<p>1 THE COURT: Okay.</p> <p>2 MR. KISE: To the extent we can, I know we're</p> <p>3 moving this along and we are not trying to press, but a lot</p> <p>4 of these questions are leading questions. They're</p> <p>5 just -- they're not framed in the direct, the normal</p> <p>6 sense --</p> <p>7 THE COURT: Right, without agreeing or disagreeing</p> <p>8 with you.</p> <p>9 Ms. Faherty --</p> <p>10 MR. KISE: Not really officially objecting.</p> <p>11 THE COURT: I'm not officially ruling, but we take</p> <p>12 your point.</p> <p>13 Q What do you recall that this message is forwarding</p> <p>14 here, Mr. Weisselberg?</p> <p>15 A Are you referring to the message that I forwarded to</p> <p>16 Allen? I was forwarding the response to a question that he had</p> <p>17 asked us from our head of securitization.</p> <p>18 Q And for what reason were you forwarding that response?</p> <p>19 A They had e-mailed and asked the question about why they</p> <p>20 were on the "watch list." So this was the response from our</p> <p>21 head of securitization.</p> <p>22 Q So if you scroll down to the second page of this</p> <p>23 document, is this what you're referring to, that there's a</p> <p>24 message between emily flitter@thomsonreuters.com, dated</p> <p>25 August 4, 2016, to Allen Weisselberg with the subject, "Here's</p>

<p>1 Plaintiff's Exhibit 1062.)</p> <p>2 Q I know we discussed it, but just confirming the 40 Wall</p> <p>3 Street deal was ultimately securitized?</p> <p>4 A Yes.</p> <p>5 MS. FAHERTY: I've handed to the witness the</p> <p>6 document I've marked as PX-1070. Putting it on your screen</p> <p>7 here.</p> <p>8 Q This is a message from you dated August 4, 2016</p> <p>9 addressed to Allen Weisselberg. Subject, "Forward, here's the</p> <p>10 note from Trepp and an excerpt from Moody's."</p> <p>11 Do you see that forward there?</p> <p>12 A I'm sorry. Which part are you referring to, the e-mail</p> <p>13 from me to him or --</p> <p>14 Q Just confirming you forwarded this message to Allen</p> <p>15 Weisselberg, your father, on August 4, 2016, right?</p> <p>16 A Yes.</p> <p>17 THE COURT: Question for the witness. Are there</p> <p>18 any other Allen Weisselbergs in this universe that you know</p> <p>19 of?</p> <p>20 THE WITNESS: I don't think so.</p> <p>21 THE COURT: All right. So why don't we just call</p> <p>22 him "Allen Weisselberg," not "your father," not "your father</p> <p>23 Allen Weisselberg," et cetera. So any reference to Allen</p> <p>24 Weisselberg is Allen Weisselberg.</p> <p>25 MS. FAHERTY: Appreciate the direction, Your Honor.</p>		<p>1 the note from Trepp and an excerpt from Moody's"?</p> <p>2 A Yes.</p> <p>3 THE COURT: Five-minute warning.</p> <p>4 Q What is Trepp?</p> <p>5 A Trepp is a service that publicly distributes</p> <p>6 information about securitized loans as well as other loans just</p> <p>7 regarding the rate that the lender/ servicer -- it gives you</p> <p>8 all -- all public information about the loan.</p> <p>9 Q And the reference to an excerpt from Moody's, what is</p> <p>10 Moody's?</p> <p>11 A Moody's is a rating agency.</p> <p>12 Q And the -- the underlying message from Emily Flitter</p> <p>13 includes a box and one of the boxes, there is a title, "Watch</p> <p>14 List Commentary." Do you have any understanding what that is a</p> <p>15 reference to, the watch list commentary as of July 2016?</p> <p>16 A Yes. Part of what Trepp does, they describe the loan</p> <p>17 and if there are any issues on the loan, they'll put it on a</p> <p>18 watch list that they're concerned about the loan, and then</p> <p>19 they'll track it every month until it changes to either going</p> <p>20 towards a default or the issue was resolved.</p> <p>21 Q Do you recall what the issue was that was triggering</p> <p>22 this watch list commentary particularly as it related to the 40</p> <p>23 Wall Street Street loan?</p> <p>24 A On this one because of the guaranties, mainly the</p> <p>25 master lease as well as free rent, when the servicer ran their</p>	

<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1907</p> <p>1 cash flow, it was tripping the DSCR test that we had. But in 2 reality, which is what we found out through our research, it 3 didn't actually triplex it, but the servicer thought that it had 4 been tripped or it could be tripped which is why it was on the 5 watch list and not actually going into default. 6 Q And the forward that you passed along to Allen 7 Weisselberg is your internal review of what was being triggered 8 in the watch list and what explanation you could provide? Is 9 that a fair reading of this e-mail? 10 A Yes. I wanted confirmation of what I assumed of what 11 was happening from our head of securitization, so he replied by 12 agreeing with me. 13 MS. FAHERTY: One second, Your Honor. 14 THE COURT: Sure. 15 MS. FAHERTY: I have no further questions, Your 16 Honor. 17 Thank you, Mr. Weisselberg. 18 Oh, I do have to move this document into evidence, 19 please. 20 THE COURT: They may have to object. 21 MS. FAHERTY: They do. They don't need to. 22 MR. ROBERT: August of 2016. No, no objection. 23 THE COURT: Oh, that's right. It is after -- 24 well, you could still object to the extent that -- 25 MR. ROBERT: This one, I'm okay with. Thank you,</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1909</p> <p>1 THE WITNESS: My name is David McArdle. GABER: 8 Q Good morning, Mr. McArdle. Can you please state your 9 employer and title for the record, please? 10 A I'm the senior managing director at Cushman &amp; Wakefield 11 here in New York City. 12 Q Mr. McArdle, you worked on several valuation and 13 appraisal engagements for the Trump Organization, that's 14 correct? 15 A That is correct. 16 Q Before we discuss some of that work, Mr. McArdle, could 17 you, please, give us a high level view of your professional 18 background? 19 A Certainly. I've been in the real estate business over 20 40 years. 35 years of which involves commercial real estate 21 appraisal also with experience in residential, different forms 22 of residential valuation. For the last 30 years, I've been 23 employed with Cushman &amp; Wakefield here in New York City 24 appraising general commercial properties. 25 Q Do you have any licenses or relevant professional</p>
<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1908</p> <p>1 sir. 2 (Whereupon, the Document was marked in evidence as 3 Plaintiff's Exhibit 1070.) 4 MR. ROBERT: We reserve to call him back during our 5 case, Your Honor. 6 THE COURT: Okay. So let's break now. The witness 7 is excused, right? 8 Thank you. 9 (Witness excused.) 10 THE COURT: See you in 15 minutes. 11 (Whereupon, a recess was taken.) 12 THE COURT OFFICER: All rise. Part 37 is back in 13 order. Please be seated and come to order. 14 THE COURT: You may have noticed I don't run up the 15 stairs anymore. It is not because I've run out of energy. 16 It is that people told me that it is enough. Okay. Would 17 the plaintiff like to call it's/her next witness? 18 MR. GABER: Yes, Your Honor. The people call David 19 McArdle. 20 THE COURT OFFICER: Witness entering. 21 D A V I D M C A R D L E , a witness called by the Plaintiff, 22 after having been first duly sworn by the Clerk of the Court, 23 took the witness stand and testified as follows: 24 THE COURT OFFICER: Please state your name and 25 business address or home address for the record.</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1910</p> <p>1 qualifications that you employ in your work? 2 A I do. I hold the MAI designation which is considered 3 the, you know, premier designation in our industry. It is 4 awarded by the Appraisal Institute and widely recognized as the 5 top designation. I'm also registered in the State of New York 6 as a New York certified general operator. Again, that is the 7 broadest and highest license that you can achieve in the state 8 for legal purposes. 9 Q And so, Mr. McArdle, are you familiar with the uniform 10 standards of professional appraisal practice or USPAP? 11 A Yes, very much so. 12 Q Could you tell me what USPAP is? 13 A USPAP represents the uniform standard appraisal 14 practice kind of guidelines and standards that appraisers are 15 expected to uphold. It's formed by quasi-government trade group 16 industry. You know, experts in the appraisal world collaborate 17 to -- you know, to set these guidelines and standards to, you 18 know, serve the public the best and fairest. 19 Q And so does USPAP govern your work on appraisal 20 engagements? 21 A Very much so. They are guidelines. It is not a 22 governing body, but it's a -- it's kind of a blueprint for 23 standards, ethics, morals. 24 Q So I'm just going to ask what are the sorts of 25 requirements in USPAP that you follow when conducting an</p>

<p>D. MCARDLE - DIRECT(MR. GABER) Page 1911</p> <p>1 appraisal engagement?</p> <p>2 A Well, there is a standard protocol that should take</p> <p>3 place at the onset of an assignment. We call it the engagement</p> <p>4 process. We establish, you know, who our client is, who</p> <p>5 intended users might be of the product and generally defined,</p> <p>6 obviously the identify, the subject property at hand and then</p> <p>7 also get a good understanding at least early on -- of the</p> <p>8 general scope, you know, what are we trying to accomplish here,</p> <p>9 what are the needs of the client, and that's the sort of general</p> <p>10 framework we like to capture in the letter of engagement.</p> <p>11 Q Does it prescribe any specific form of a report, oral</p> <p>12 versus written or otherwise?</p> <p>13 A Very much so. I mean, this letter of engagement</p> <p>14 briefly focuses on the type -- the property you're appraising,</p> <p>15 the client base, the form of reporting. We do have a liberty of</p> <p>16 reporting verbally. Generally, two other forms of written</p> <p>17 reports are widely used, restricted and -- which is more of a</p> <p>18 concise written report and there's also an appraisal report</p> <p>19 which would be the most comprehensive document. So we clearly</p> <p>20 define in the letter of engagement which product the client</p> <p>21 would receive.</p> <p>22 Q And as an appraiser and an MAI, are you allowed to give</p> <p>23 an opinion of value without making that in conformity with</p> <p>24 USPAP?</p> <p>25 A No. No. We --</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1913</p> <p>1 just described? Where do you get your data for that?</p> <p>2 A Sure. It's a wide combination of data sources. Of</p> <p>3 course, there's public information out there, zoning</p> <p>4 departments, assessors in the local municipalities. There's</p> <p>5 also very meaningful information that is supplied by owners and</p> <p>6 clients.</p> <p>7 Q Excuse me. What type of very meaningful information do</p> <p>8 you mean when you say that?</p> <p>9 A Yeah. Well, we want to gain a very good understanding</p> <p>10 of the subject property. Typically, the client or owner knows</p> <p>11 that property better than anyone and, you know, obtaining a</p> <p>12 survey, for example, would be a key document that we would want</p> <p>13 from an owner or a client. And then any nuances, approvals or</p> <p>14 any legal or any other factors that might play into the use of</p> <p>15 this property that may impact its value if it were to be put to</p> <p>16 market for sale.</p> <p>17 Q And moving onwards to discuss how you might then take</p> <p>18 that information and generate a value for the property, are you</p> <p>19 familiar with the concept of highest and best use?</p> <p>20 A Certainly.</p> <p>21 Q Can you describe your understanding of that content?</p> <p>22 A Yes. Highest and best use is important in that we want</p> <p>23 to be sure that we are developing a value based on four</p> <p>24 important tests within the highest and best use analysis.</p> <p>25 Basically, we want to support why the property should be</p>
<p>D. MCARDLE - DIRECT(MR. GABER) Page 1912</p> <p>1 Q And so does USPAP require that an opinion of value be</p> <p>2 supported by disclosed methodology or specific requirements?</p> <p>3 A USPAP suggests that there's certain uniform</p> <p>4 methodologies be adopted for each appraisal report. We call</p> <p>5 it -- well, this is a due diligent portion of the assignment</p> <p>6 that's necessary and there's also the actual valuation itself</p> <p>7 takes place by using one, two or three of the standard</p> <p>8 approaches to value.</p> <p>9 Q So maybe going from generally to more specific, I</p> <p>10 wanted to talk about real property and focuses on appraisals of</p> <p>11 vacant land.</p> <p>12 Can you walk me through the process that you take when</p> <p>13 you are engaged to prepare an appraisal of real property or</p> <p>14 vacant land?</p> <p>15 A Sure. Well, the very first thing we would want to</p> <p>16 understand is the vacant land itself. The physical attributes</p> <p>17 or characteristics such as size, shape, condition, topography.</p> <p>18 Would also be very interested in what could be legally</p> <p>19 constructed or erected at the property or developed and that, of</p> <p>20 course, would fall into the category of zoning. It's very</p> <p>21 important that we have to understand what you could feasibly</p> <p>22 develop at that property.</p> <p>23 Q Where do you acquire the information that goes into</p> <p>24 that consideration? How do you learn about the zoning, the</p> <p>25 legal requirements, the condition and the like, the things you</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1914</p> <p>1 developed in a certain way. Highest and best use includes look</p> <p>2 at a property on a vacant basis and -- vacant land basis and</p> <p>3 also an improved basis.</p> <p>4 If you're focusing on vacant land right now, the test</p> <p>5 includes what's legally permissible, what's physically possible,</p> <p>6 what is feasible, and what is most profitable. So there are</p> <p>7 four tests to the highest and best use analysis and we would</p> <p>8 methodically go through those and, you know, reach our</p> <p>9 conclusion considering those four tests of the asset.</p> <p>10 Q And that gives you a conclusion of value?</p> <p>11 A It doesn't give us a conclusion of value, but it -- it</p> <p>12 looks into the use, the highest and best use of this property.</p> <p>13 Q So how does that highest and best use relate to your</p> <p>14 final opinion of value?</p> <p>15 A Well, the highest and best use establishes the use of</p> <p>16 the property, the best use. And from there, we make the</p> <p>17 decision of how the marketplace would value the property. If</p> <p>18 we're talking about, you know, undeveloped vacant land in this</p> <p>19 example, that would quickly lead us to most -- you know, and if</p> <p>20 it is residential, it would lead us to a sales comparison</p> <p>21 approach, would quickly default to the approach, one of the</p> <p>22 three approaches that we feel are most appropriate or a</p> <p>23 combination of the three. So the number crunching and the</p> <p>24 actual value of the property is subsequent to the highest and</p> <p>25 best use analysis. We sort of methodically go through, you</p>

<p style="text-align: right;">Page 1915</p> <p>1 know, the process. We've understood the property. We know the 2 characteristics. We know what type of use it should be and then 3 we start the, you know, most appropriate way to value it. 4 (Continued on the next page.) 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 1917</p> <p>D. McArdle - Plaintiff - direct (Gaber)</p> <p>1 transactions that are fairly current and reflective of the 2 current market conditions. 3 Q By the way, are you familiar with the concept of the 4 subdivision sellout analysis? 5 A Yes, I am. 6 Q Can you explain your understanding of that analysis? 7 A Sure. That's -- that gets into the work involved 8 valuing a property with subdivision potential or a multi-unit 9 housing project rather than just valuing one individual lot by 10 way of comparable sales. The subdivision analysis takes into 11 account the potential sale of multiple lots or buildings and so 12 there is -- if it's just sellout analysis of vacant land it's 13 merely a model that we develop understanding or projecting out a 14 sales scenario over a time horizon in that wouldn't -- that 15 would develop the general proceeds that a developer might yield 16 by selling each of those lots over a timeline. 17 During that process there are expenses that the 18 developer would have to incur depending on the particular 19 project. It could be some hard costs to bring the site up to 20 speed, it might be some interest charges and just various 21 expenses that have to be reduced from the gross potential income 22 that they would be receiving by way of the lot sales. 23 Q And how do you identify the number of potential lots 24 when you're conducting this analysis? 25 A Well, that's always interesting and critical part of</p>
<p style="text-align: right;">Page 1916</p> <p>D. McArdle - Plaintiff - direct (Gaber)</p> <p>1 Q Can you describe sales comparison approach? 2 A Sure. The sales comparison approach is an effort to 3 simply find like kind properties that have recently transferred 4 in the marketplace and market -- you know, it's the way 5 residential property largely transfers. Market participants put 6 a lot of weight on comparable sales. 7 Good example would be single-family homes. That 8 marketplace is less concerned with the cost approach and less 9 concerned with the income approach. They're almost entirely 10 locked in and expecting to have their properties valued by way 11 of just similar comparable land sales in this case as best we 12 can find. So we elect to go out to the marketplace and find 13 appropriate comparable sales. There are limitations to that. 14 We try not to stray too far from the market in terms of mileage 15 or distance, radius from the subject site. 16 We also want to find like kind properties, you know, in 17 terms of size or shape. So it's not always perfect, but we do 18 the best we can trying to obtain a set of sales that best match 19 the subject property. 20 Q When you say "set of sales" so are you using the final 21 selling price or do you also use listing prices when -- 22 A We prefer to use sale prices. Those are closed sales 23 that have been negotiated in the open market. Definitely want 24 to use sales that are not influenced by related parties or 25 anything like that. So we really want to be using open market</p>	<p style="text-align: right;">Page 1918</p> <p>D. McArdle - Plaintiff - direct (Gaber)</p> <p>1 the analysis. Subdivision analysis has to -- you know, we have 2 to be certain as to the number of lots being sold. You know, 3 that's part of the initial scope of the assignment. We want to 4 gain an understanding of the actual subject property. We do 5 that by various sources, some of which is checking 6 municipalities. But I think the most obvious source would be to 7 go to the owner and, you know, who, again, in most cases know 8 their property better than anyone else and, you know, having a 9 good working relationship with an owner or a client. It's very 10 common to look to the client for specific information about the 11 land and what potential it holds and perhaps what stage it's in 12 in terms of the approval process, which is a very significant 13 part of subdividing land. 14 Q Really quickly. You mentioned a couple things I wanted 15 to come back to. You were talking about costs and you mentioned 16 gross potential income. Does the subdivision sellout analysis 17 account for time, value of money in a period when you're looking 18 at those factors? 19 A It certainly does. The sellout analysis is typically 20 projected out over a number of years and that's typically you, 21 know, what -- the time that we believe it would take to 22 liquidate all the lots, for example, at a property. 23 So by going out multiple years we would then be, you 24 know, achieving proceeds over a course of years. We have to 25 factor in the time, value of money. So it's the model is</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1919</p> <p>1 effectively a discounted cash flow analysis and discounting has 2 to take place. It's a mathematical equation where we discount 3 the proceeds as they, you know, are achieved over the course of 4 the time. So the model takes into account the -- that 5 particular discounting.</p> <p>6 So we would have to select a discount rate and then 7 through some modeling in Excel, it develops the net present 8 value of the property on an as-is basis.</p> <p>9 Q Can you explain what you mean by "net present value on 10 an as-is basis?"</p> <p>11 A Well, for example, the -- if one were to do a five-year 12 sellout of a particular number of lots, those gross retail 13 proceeds really don't drop to the bottom line. There is 14 expenses that would have to be incurred and a dollar five years 15 is not worth a dollar today. So there is a discounting process 16 that needs to take place and kind of bring back, reduce that 17 aggregate proceeds value down to a present value and that's what 18 it would be worth for a developer today or an owner.</p> <p>19 Q I'd like to move on and show the witness an exhibit 20 marked Plaintiff's 157.</p> <p>21 THE COURT: Before you get into that you were asked 22 what is a subdivision sellout analysis. Could that be 23 simplified to determining the value of the current value of 24 property if it's subdivided?</p> <p>25 THE WITNESS: Yes.</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1921</p> <p>1 A So this is the actual engagement letter between Cushman 2 &amp; Wakefield and Sheri Dillon of Bingham McCutchen.</p> <p>3 MR. GABER: So I'd like to move this into evidence.</p> <p>4 THE COURT: Granted. It's in evidence.</p> <p>5 MR. FIELDS: Your Honor, this is -- is this just 6 the engagement agreement or is there anything else that's 7 attached behind the engagement agreement?</p> <p>8 THE COURT: Counsel, do you know or can you check?</p> <p>9 MR. GABER: It's just the e-mails and the 10 engagement letter.</p> <p>11 MR. FIELDS: Okay. Then it's just a statute of 12 limitations objection, Your Honor. Thank you, Your Honor.</p> <p>13 THE COURT: Overruled. It's in.</p> <p>14 (Whereupon, the item previously referred to is 15 received and marked Plaintiff's Exhibit Number 157 in 16 evidence.)</p> <p>17 Q Can we go back to page three of this document, 18 Mr. McArdle? You'll see an e-mail from you to Eric Trump. It 19 says: "Eric, attached is the revised appraisal proposal 20 totaling \$12,500. I hope this works for you and we can move 21 forward. Thank you for the opportunity, Dave."</p> <p>22 So you are writing to Eric Trump at this proposal and 23 you describe -- sorry. You are thanking him for the 24 opportunity. Can you tell me what you mean by that?</p> <p>25 A Yes. The -- yes. The letter of engagement was written</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1920</p> <p>1 THE COURT: Okay. There are simple answers in 2 there and there are detailed answers, but thank you.</p> <p>3 Q Mr. McArdle, do you recognize this document?</p> <p>4 A Yes, I do.</p> <p>5 Q Okay. Can you tell me what this is?</p> <p>6 A This looks like a setup for our internal administrators 7 recognizing that a letter of engagement has been signed for 8 Trump National Golf Course in Westchester and we're just 9 starting the process of entering into what we call our job 10 center. Clearly, there is a retainer due so we have that 11 engaged. We're looking for our retainer and it's just the early 12 stages of the engagement.</p> <p>13 Q Okay. And here in the subject line it mentions Trump 14 National Golf Course Westchester. It also mentions it's in 15 Briarcliff Manor, New York. I've seen it interchangeably called 16 Westchester and Briarcliff. If I use those interchangeably, 17 would you understand?</p> <p>18 A Certainly. I've seen it done the same way.</p> <p>19 Q Can you direct your attention to -- first to page four 20 of this document really quickly.</p> <p>21 You mentioned this was a setup for the engagement 22 letter. Do you recognize this is the attachment for those 23 e-mails? Do you recognize this portion of the exhibit?</p> <p>24 A Yes, I do.</p> <p>25 Q Can you tell me what this is?</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1922</p> <p>1 to Counselor Sheri Dillon of Bingham McCutchen. It was widely 2 understood that intended users of this document would also be 3 the Trump Organization, Donald J. Trump, Eric Trump. So in 4 short order after the engagement there were communications with 5 Eric and I about some preliminary steps that we were going to 6 take to get this engagement underway.</p> <p>7 Q All right. So did you understand Eric Trump to be the 8 client in this engagement?</p> <p>9 A I think he was certainly an extension of the client.</p> <p>10 The client technically is Sheri Dillon, but in my view she was a 11 representative of the Trump Organization.</p> <p>12 Q You mentioned intended users. I think that's on page 13 four of this exhibit, the first page of the engagement letter.</p> <p>14 That section says "the appraisal estimate would be prepared for 15 Bingham McCutchen LLP and it's intended only for the use 16 specified below. Other intended users are the Trump 17 Organization and Donald J. Trump. The client agrees that there 18 are no other intended users."</p> <p>19 Is this what you were referring to a moment ago?</p> <p>20 A That's correct.</p> <p>21 Q Okay. And so you were saying that you understood Eric 22 Trump to be at least an extension of the client, so it was your 23 understanding that while the formal engagement was with Sheri 24 Dillon that Mr. Trump was ultimately -- Mr. Eric Trump was 25 ultimately your client in performing this work?</p>

D. McArdle - Plaintiff - direct (Gaber)	Page 1923	D. McArdle - Plaintiff - direct (Gaber)	Page 1925
<p>1 A Well, in a practical sense, yes.</p> <p>2 Q Okay. Thank you.</p> <p>3 I want to note on the first page of this document it</p> <p>4 says at the top e-mail, "the revised LOE has been uploaded to</p> <p>5 JC." First of all, what is JC?</p> <p>6 A JC is job center. That's our administrative program to</p> <p>7 catalog all the assignments that we bring in.</p> <p>8 Q Okay. Can I show you a document that plaintiffs have</p> <p>9 marked as Exhibit 156?</p> <p>10 So if you could, Mr. McArdle, just flip through and let</p> <p>11 me know if you recognize this document. Again, I'll note it's a</p> <p>12 series of e-mails and then one attachment, which the attachment</p> <p>13 begins on page four.</p> <p>14 A Okay. I'm familiar with this document.</p> <p>15 Q Can you tell me what this document is?</p> <p>16 A This is another letter of engagement between the same</p> <p>17 Sheri Dillon of Bingham McCutchen and similar intended users,</p> <p>18 the Trump Organization and Donald J. Trump.</p> <p>19 MR. GABER: I'd like to move this document into</p> <p>20 evidence.</p> <p>21 MR. ROBERT: Objection, Your Honor. Statute of</p> <p>22 limitations, also relevancy. And I want to have a</p> <p>23 continuing objection to the whole line of questioning as</p> <p>24 this is all well outside the applicable statute of</p> <p>25 limitations. We're talking about documents and testimony</p>		<p>1 MR. ROBERT: The People would have to prove that</p> <p>2 particular crime, did the person rob the bank that day.</p> <p>3 MR. AMER: The AG's response is yes.</p> <p>4 THE COURT: I'll overrule the objections and let's</p> <p>5 proceed.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 156 in</p> <p>8 evidence.)</p> <p>9 Q Okay. Mr. McArdle, it seems you said that this</p> <p>10 document, Plaintiff's 156, was a similar engagement. It appears</p> <p>11 to me that this signature page of this document, document page</p> <p>12 nine on both of these exhibits is different.</p> <p>13 Can you -- do you see the signature page there on page</p> <p>14 nine here, do you know whose signature that is on the August 6,</p> <p>15 2013 engagement letter?</p> <p>16 A It looks Eric Trump.</p> <p>17 Q Okay. And as opposed to on Plaintiff's 157, the</p> <p>18 August 9th engagement letter, the revised engagement letter, the</p> <p>19 signature page there, if I can direct you to it, signed by Sheri</p> <p>20 Dillon?</p> <p>21 A Sheri Dillon.</p> <p>22 Q So is it fair to say that the -- and you can look at</p> <p>23 the two documents and compare that the nature of the revision is</p> <p>24 to remove Mr. Trump's name and signature from the original</p> <p>25 letter and replace it with Ms. Dillon and Bingham McCutchen LLP</p>

<p>1 about appraisals that were done in 2013.</p> <p>2 THE COURT: Since you're good at repeating things,</p> <p>3 I'll repeat statute of limitations bars claims, not</p> <p>4 evidence. I won't go into a whole dissertation now about</p> <p>5 how evidence could be admissible, but, you know, I did think</p> <p>6 of a simple example that just sort of came to me.</p> <p>7 Let's say a murder or a bank robbery was committed</p> <p>8 within the statute of limitations. There is evidence, there</p> <p>9 is a letter from the defendants prior to the statute of</p> <p>10 limitations saying "I plan to rob the bank." Wouldn't that</p> <p>11 come in as evidence?</p> <p>12 MR. ROBERT: I'm not a criminal practitioner. To</p> <p>13 me that's apples and oranges here. Here they're trying to</p> <p>14 allege conduct --</p> <p>15 THE COURT: I'm -- I asked you a question. Would</p> <p>16 that come in, I planned to rob the bank even if it was</p> <p>17 written before statute of limitations.</p> <p>18 MR. ROBERT: I honestly don't know how that would</p> <p>19 be evidence to prove the crime that a person committed bank</p> <p>20 robbery that they're being charged with so I would think it</p> <p>21 wouldn't come in.</p> <p>22 THE COURT: Really? "I plan to rob the bank"</p> <p>23 wouldn't be evidence that you did rob the bank?</p> <p>24 MR. ROBERT: I would think it doesn't.</p> <p>25 THE COURT: Anyway --</p>		<p>1 as the client in the engagement?</p> <p>2 A Certainly appears that the August 9th signature</p> <p>3 supercedes the other agreement.</p> <p>4 Q Okay. But following up with your testimony from</p> <p>5 earlier notwithstanding the revision you understood Eric Trump</p> <p>6 to be a client or the extension of the client in the revised</p> <p>7 engagement?</p> <p>8 A I certainly did.</p> <p>9 Q Okay. Thank you.</p> <p>10 So can you describe the nature of -- and we can put</p> <p>11 aside 156 and just focus on the engagement represented by the</p> <p>12 revised letter.</p> <p>13 Can you describe the nature of that engagement for me?</p> <p>14 A That engagement was focused on the valuation of 71</p> <p>15 potential attached units within the confines of Trump National</p> <p>16 Briarcliff Golf Community.</p> <p>17 Q And you looked earlier at an e-mail that you had sent</p> <p>18 to Eric Trump about this saying "thank you for the opportunity."</p> <p>19 Had you discussed the nature and scope of this</p> <p>20 engagement with Mr. Trump at the time of entering into this</p> <p>21 engagement letter?</p> <p>22 A I definitely had conversations with Eric Trump at the</p> <p>23 very initial stage of engagement.</p> <p>24 THE COURT: We should probably use first names</p> <p>25 because there are several Mr. Trumps.</p>	

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1927</p> <p>1 MR. GABER: Understood. Thank you. That's a good 2 point. 3 Q Mr. McArdle, if you look at page two of Plaintiff's 157 4 towards the bottom there, there is an e-mail from Eric Trump to 5 you. He's saying, "Good morning, David." And then further down 6 he says, "By separate cover, I will send you all the information 7 on the 71 units. Moreover, the dates are critically important 8 to us." 9 About those two points there, is it correct that 10 Mr. Trump -- Mr. Eric Trump was planning to send you information 11 about -- well -- withdrawn. 12 What are the 71 units that Eric Trump is referring to 13 here? 14 A What my understanding is when the Trump Organization 15 purchased and redeveloped the entire golf club property there 16 was significant excess land at the property that had approvals 17 and very advanced stages for the development of semi-detached 18 single-family homes and also an opportunity which you call that 19 low density and they were just attached. You'd have two luxury 20 residences as attached to each other. I believe they were -- 21 Q Duplex? 22 A Duplex, that's another terminology, fair. And I 23 believe there were about 16 units in total. Those were already 24 built and developed by the time, you know, I arrived and really 25 not a big piece of this equation.</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1929</p> <p>1 Schultheis and Nieves, and Maria Targi here? 2 A They are administrators who manage the booking, the 3 cash, the putting everything in what we call that job center 4 program. 5 Q So when you say "use Eric Trump as client" are you 6 asking them to use Eric Trump as client in internal -- 7 A It's just an internal bookkeeping measure. 8 Q An internal bookkeeping measure, okay. Thank you. 9 So Mr. McArdle, I'd like to show you a document that 10 plaintiffs have marked as Exhibit 3195. Do you recognize this 11 document? 12 A I recognize it, yes. 13 Q Thank you. 14 MR. GABER: I would like to move this document into 15 evidence. 16 MR. FIELDS: Objection. Statute of limitations. 17 THE COURT: Overruled. It's in. 18 (Whereupon, the item previously referred to is 19 received and marked Plaintiff's Exhibit Number 3195 in 20 evidence.) 21 Q So can you tell me who Bob Leonard is? 22 A Bob Leonard was an associate at Bingham McCutchen with 23 Sheri Dillon. 24 Q And so in this e-mail you're writing to Bob Leonard. 25 You said, "Bob, I spoke with Eric yesterday and agreed to</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1928</p> <p>1 The 71 units they clearly had a right to develop 2 low-rise luxury townhouse units along the 18th fairway between 3 the fairway and the parking lot of the golf club. So this was 4 an opportunity, sizable opportunity, to develop luxury attached 5 apartments right there on the grounds of the golf club. 6 Q And the second sentence there says, "Moreover, the 7 dates are critically important to us." 8 Do you have an understanding as to why those dates were 9 critically important to Eric Trump? 10 A Well, I think it was obvious they were clearly 11 contemplating a donation, conservation easement donation, and 12 they were looking for my input on valuation of this 71-unit 13 project. To the best of my knowledge the Phase I Friday, 14 September 6th deadline was a verbal report. I believe the 15 second date was the final report hard copy. 16 Q One last question with this document. At the top of 17 page two you've written, "new assignment for the McArdle team." 18 Who is the McArdle team? 19 A McArdle team is certainly me as the primary team member 20 and I have a couple junior appraisers, licensed, that work for 21 me. One of them is my nephew, Raymond, same last name, McArdle. 22 Q And then, "Please use Eric Trump as client." 23 So I think we've discussed this a bit, but you 24 understood Eric Trump or the Trump Organization to be an 25 ultimate client, but is -- you're writing -- I think who is Tina</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1930</p> <p>1 perform a discounted cash flow analysis reflecting a 2 build/sellout scenario. We are targeting a 9/20 delivery date. 3 I will speak with you soon, Dave." 4 So I think you mentioned discounted cash flow analysis 5 earlier. You're saying you agreed with Eric Trump to perform 6 that analysis. This is -- do you remember whose suggestion it 7 was to perform this sort of analysis? 8 A Well, we suggested it when their objective was to value 9 the -- that vacant land with this development potential. You 10 know, as an experienced appraiser this is the right methodology 11 to apply. 12 Q Did that agreement come up after discussion with Eric 13 Trump about what sort of methodology would be undertaken? 14 A This is a complicated asset, especially when everything 15 is on a proposed basis. So it's very important that we are 16 aligned. You know, the appraiser and the owner or client is 17 very much aligned in the approach. It's fair to Eric, it's fair 18 to me so that there is no surprises at the end and I think 19 everyone agreed that this was the approach to take. 20 MR. GABER: Okay. I'm going to move on to a 21 document marked Plaintiff's Exhibit 3204. 22 Q Please take a look at that and tell me if you recognize 23 it. 24 A I do recognize this document. 25 MR. GABER: I'd like to move this document into</p>

D. McArdle - Plaintiff - direct (Gaber)	Page 1931	D. McArdle - Plaintiff - direct (Gaber)	Page 1933
<p>1 evidence.</p> <p>2 MR. FIELDS: Statute of limitations.</p> <p>3 THE WITNESS: Overruled. It's in evidence.</p> <p>4 MR. GABER: Okay.</p> <p>5 (Whereupon, the item previously referred to is</p> <p>6 received and marked Plaintiff's Exhibit Number 3204 in</p> <p>7 evidence.)</p> <p>8 Q Mr. McArdle, this is an e-mail from you to Eric Trump.</p> <p>9 You write to him saying, "Eric, this is a follow up to confirm</p> <p>10 that you will be providing support from your brokers for the</p> <p>11 potential pricing of the 71 residential units. We also</p> <p>12 discussed obtaining input from your construction contractors on</p> <p>13 the PSF cost to build the project. At this time we are moving</p> <p>14 forward with the discounted cash flow analysis and look forward</p> <p>15 to the pricing and cost estimates from your team. Enjoy the</p> <p>16 weekend."</p> <p>17 So you are following up to confirm Mr. Trump is going</p> <p>18 to provide you with the information described here. Is it</p> <p>19 normal to seek this sort of information from a client?</p> <p>20 A Very much so. Again, typically the property owner</p> <p>21 knows more about his property than we do going in. This was a</p> <p>22 very specific project that's already approved by the</p> <p>23 municipalities, so in terms of approvals, it was in a very much</p> <p>24 advanced stage. As a savvy appraiser, I couldn't help but think</p> <p>25 they had a tremendous amount of information already in their</p>		<p>1 A Steven Olvany is a fellow appraiser formerly of Cushman</p> <p>2 &amp; Wakefield and also a resident of either Westchester or the</p> <p>3 Greenwich, Connecticut area.</p> <p>4 Q And can you -- can you tell me what you're discussing</p> <p>5 with Mr. Olvany here?</p> <p>6 A This is part of our due diligence. As much as I am</p> <p>7 interested in hearing what the Trump Organization would retail</p> <p>8 these units at, it's my obligation to go out into the</p> <p>9 marketplace and do my own research and kind of test the market</p> <p>10 and gain a good understanding of, you know, what these luxury</p> <p>11 units would transfer for in the current marketplace.</p> <p>12 So Steve I considered a resource. It's commonplace.</p> <p>13 He's smart guy that, you know, I thought I could lean on for</p> <p>14 some unbiased market intelligence.</p> <p>15 Q So two questions here. Towards the bottom of that long</p> <p>16 first paragraph it says, "Of course Eric Trump has lofty ideas</p> <p>17 on value and assumes \$1,000 PSF," per square foot "is no</p> <p>18 problem". First, had Eric Trump communicated his understanding</p> <p>19 of what the values might be on this property?</p> <p>20 A Well, during the course of this engagement I did have</p> <p>21 conversations with Eric Trump. Some of it was about gathering</p> <p>22 the physical data that we just spoke to, you know, construction</p> <p>23 costs and building configurations and units and he did a great</p> <p>24 job of describing the physical nuances of the project and -- but</p> <p>25 importantly, you know, we ended up speaking about what they</p>	
D. McArdle - Plaintiff - direct (Gaber)	Page 1932		Page 1934
<p>1 files. It's not up to me to guess or speculate as to what could</p> <p>2 be built here when we know for a fact they -- they're deep into</p> <p>3 the planning stage.</p> <p>4 So -- and with their professional advisors, there could</p> <p>5 be no better source than to go to the owner, Eric Trump, and try</p> <p>6 to secure this information, whether it be his pricing forecasts</p> <p>7 or on the expense side like we talked about before, you know,</p> <p>8 what's it going to cost to build these. And eventually that's</p> <p>9 going to get us, you know, a bottom line number and, you know,</p> <p>10 the profit potential and kind of gets us those inputs that we</p> <p>11 may need for this sellout analysis or ultimate discounted cash</p> <p>12 flow.</p> <p>13 Q I'm going to show you a document marked Plaintiff's</p> <p>14 Exhibit 3196. Again, please take a look at this and tell me if</p> <p>15 you recognize this.</p> <p>16 A Yes, I recognize this.</p> <p>17 MR. GABER: I'd ask this be moved into evidence.</p> <p>18 MR. FIELDS: Statute of limitations.</p> <p>19 THE COURT: Overruled. It's in.</p> <p>20 MR. GABER: Thank you.</p> <p>21 (Whereupon, the item previously referred to is</p> <p>22 received and marked Plaintiff's Exhibit Number 3196 in</p> <p>23 evidence.)</p> <p>24 Q So Mr. McArdle, this is an e-mail from you to Stephen</p> <p>25 Olvany. Can you tell me who Stephen Olvany is?</p>		<p>1 could sell for. And, you know, Eric loved this project. He</p> <p>2 thought it was very special. I didn't disagree with him. I</p> <p>3 think it's a very unique project and it would definitely appeal</p> <p>4 to the high-end buyer interested in, you know, low rise attached</p> <p>5 housing with the amenities that this project might offer.</p> <p>6 So he shared his thoughts. He thought it was very</p> <p>7 special and unique. And at the time that \$1,000 per square foot</p> <p>8 price point was what he thought was reasonable, you know, and</p> <p>9 I'm perfectly willing to listen. I think it's -- owners are a</p> <p>10 great source of information, but ultimately, you know, I have to</p> <p>11 come up with my own conclusions.</p> <p>12 Transcript continues on the following page....</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 Q Did you have any further discussion with him about the</p> <p>2 lofty idea of value here?</p> <p>3 A I think we went back and forth a little bit and, you</p> <p>4 know, I -- I did my best to try to find like-kind projects</p> <p>5 that, you know -- where we could understand what those were</p> <p>6 selling for. You know, I tried to stay in Westchester. It</p> <p>7 wasn't all that easy. This project was going to definitely be</p> <p>8 at the top of the residential marketplace for what it is, so</p> <p>9 we -- I think we reached out down into Nassau County where some</p> <p>10 of those similar units might be selling. We looked at southern</p> <p>11 parts of Westchester County and we did the best to gather, again</p> <p>12 comps, you know, or like-kind properties.</p> <p>13 Q Can I show you a document that plaintiffs have marked</p> <p>14 3202. And, please, let me know if you recognize it. It is an</p> <p>15 e-mail with an attachment beginning on page two of the document,</p> <p>16 so please look at both if you would.</p> <p>17 A Yes, I do recall this exchange.</p> <p>18 MR. GABER: I'd ask this be moved into evidence.</p> <p>19 MR. ROBERT: Statute of limitations.</p> <p>20 THE COURT: Overruled. It is in evidence.</p> <p>21 (Whereupon, the Document was marked in evidence as</p> <p>22 Plaintiff's Exhibit 3202.)</p> <p>23 Q So Mr. McArdle, it appears Eric Trump is sending you an</p> <p>24 e-mail saying, "Attached, please find some comps for similar</p> <p>25 product, type of product in Westchester." He then goes on to</p>		<p>1 MR. FIELDS: Statute of limitations.</p> <p>2 THE COURT: Overruled. It's in.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 Plaintiff's Exhibit 3201.)</p> <p>5 Q Mr. Weisselberg, looking to the bottom of the first</p> <p>6 page of this, there is an e-mail from you to Eric Trump. The</p> <p>7 header is a little bit cut off, but is this an e-mail to you</p> <p>8 from Eric Trump at the very bottom of the first page here?</p> <p>9 A Looks like it is from Eric to me, but it is a little</p> <p>10 confusing.</p> <p>11 Q I think the e-mail from Eric to you is the one that</p> <p>12 says, "Can you do 330," perhaps?</p> <p>13 A Right.</p> <p>14 Q And then there's a lower e-mail where it says, "David</p> <p>15 McArdle wrote"?</p> <p>16 A That, I agree is from me to Eric.</p> <p>17 Q It says, "Eric, I am prepared to share my valuation</p> <p>18 conclusions with you. Are you available to talk this afternoon</p> <p>19 or tomorrow morning."</p> <p>20 First off, going back to our discussion from the</p> <p>21 beginning of this engagement, you had mentioned that Bingham</p> <p>22 McCutchen, L.L.P. was the formally engaged client, correct?</p> <p>23 A Correct.</p> <p>24 Q But you understand that the Trump Organization and</p> <p>25 Donald J. Trump were intended users on the engagement letter?</p>	
D. MCARDLE - DIRECT(MR. GABER)	Page 1936	D. MCARDLE - DIRECT(MR. GABER)	Page 1938
<p>1 say, "I suppose further describe the comparables."</p> <p>2 But I'll ask you how did you understand Eric Trump's</p> <p>3 e-mail and the comparables that he sent you?</p> <p>4 A Well, like I've said a few times this morning, it's</p> <p>5 important that we gather the best possible set-up data to make a</p> <p>6 decision on, you know, our final sale price estimate for these</p> <p>7 units. We looked -- we looked to various source social</p> <p>8 security. We looked to public record. We looked to comparable</p> <p>9 source -- comparable databases, our own databases and, you</p> <p>10 know, we looked to market participants and I was perfectly</p> <p>11 willing to receive some of Eric Trump's information for me to</p> <p>12 analyze.</p> <p>13 Some of the points he makes here are true and I clearly</p> <p>14 accept that the amenities at this facility were unique. So I</p> <p>15 think he was just, you know, showcasing his property in a fair</p> <p>16 way. You know, this was a very unique project, so it gave me a</p> <p>17 better understanding of what kind of amenities were there and</p> <p>18 then it was up to me to absorb this in concert with all the</p> <p>19 other comparable data that we had, and then again, it is up to</p> <p>20 me to make that final value estimate.</p> <p>21 Q So I am now going to go to an exhibit marked as</p> <p>22 Plaintiff's 3201. Please take a look at this document and let</p> <p>23 me know if you recognize it.</p> <p>24 A Okay. I recall this.</p> <p>25 MR. GABER: I ask that this be moved into evidence.</p>		<p>1 A Correct.</p> <p>2 Q And you understood Eric Trump to also be a client in</p> <p>3 this matter, correct?</p> <p>4 A Yes.</p> <p>5 Q So you were sharing your valuation conclusions with</p> <p>6 Eric here understanding that he is a client or related to the</p> <p>7 client?</p> <p>8 A Yes. At that time, there was -- it was clear that I</p> <p>9 could have an open dialog with Eric.</p> <p>10 Q And so what does it mean in appraisal terms, we</p> <p>11 discussed this I think a bit generally, that you are prepared to</p> <p>12 share your valuation conclusions with him?</p> <p>13 A Well, there had been a long process. There were a lot</p> <p>14 of assumptions and work that we had been performing and I</p> <p>15 believe this is a lead-up to what may have been phase one in</p> <p>16 that engagement where it was merely the verbal delivery.</p> <p>17 Q Are you saying, I'm sorry, this could be shared</p> <p>18 verbally --</p> <p>19 A I think that's where we're headed with this, yes.</p> <p>20 Q And then leading up the document, Eric Trump asks, "Can</p> <p>21 you do 330." And then one more e-mail up, you say, "Yes,</p> <p>22 perfect. I will call you." And then the top e-mail</p> <p>23 here -- well, putting aside the top e-mail here now because</p> <p>24 there seems there is a gap in the timing, did you, in fact,</p> <p>25 speak with Eric Trump on or around September 30th as suggested</p>	

<p>D. MCARDLE - DIRECT(MR. GABER) Page 1939</p> <p>1 by this e-mail?</p> <p>2 A I can't be sure if I spoke to him that day.</p> <p>3 Q I would like to show you a document marked Plaintiff's</p> <p>4 3197. Do you recognize this document?</p> <p>5 A Yes, I do.</p> <p>6 MR. GABER: I'd like to move this into evidence.</p> <p>7 MR. ROBERT: Statute of limitations.</p> <p>8 THE COURT: Overruled. It is in.</p> <p>9 (Whereupon, the Document was marked in evidence as</p> <p>10 Plaintiff's Exhibit 3197.)</p> <p>11 Q "Bob, the call went well and we are ready to move</p> <p>12 forward with the written report." I'll note this was sent on</p> <p>13 October 1, 2013. The last e-mail that we discussed in the</p> <p>14 previous Exhibit 3201 was dated September 30, 2013. So</p> <p>15 is -- this is the day after that last e-mail.</p> <p>16 A Yeah. In reading this e-mail, it certainly suggests</p> <p>17 that that call took place.</p> <p>18 Q So does this refresh your recollection that the call</p> <p>19 did take place?</p> <p>20 A Yes, it does.</p> <p>21 Q Thank you.</p> <p>22 Do you remember what the value conclusion was that you</p> <p>23 had reached at that point in this engagement?</p> <p>24 A I think we were getting close and the values were</p> <p>25 falling in the low 40 millions.</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1941</p> <p>1 all about.</p> <p>2 Q So I'd like to move to Plaintiff's 3197. 3198 then.</p> <p>3 Please take a look at this and let me know if you recognize it.</p> <p>4 (Witness reviewing document.)</p> <p>5 Q Do you recognize this?</p> <p>6 A I do recognize it. I'm sorry.</p> <p>7 Q No. It is quite all right.</p> <p>8 MR. GABER: I ask that this be moved into evidence.</p> <p>9 MR. FIELDS: Statute of limitations, although, the</p> <p>10 witness has not said what it is, but, nevertheless, that's</p> <p>11 all the objection is, Your Honor.</p> <p>12 THE COURT: He should technically say what it is</p> <p>13 before I let it into evidence.</p> <p>14 MR. GABER: I thought -- okay. I can do that.</p> <p>15 Q Do you know what this document is, Mr. McArdle?</p> <p>16 A Yes, I do. It's an e-mail exchange between Bob Leonard</p> <p>17 and myself.</p> <p>18 THE COURT: About?</p> <p>19 Q About?</p> <p>20 A About a dialog pending dialog with Eric Trump.</p> <p>21 MR. GABER: I'd like to move into document in</p> <p>22 evidence.</p> <p>23 MR. FIELDS: Statute of limitations.</p> <p>24 THE COURT: Overruled. It is in evidence.</p> <p>25 (Whereupon, the Document was marked in evidence as</p>
<p>D. MCARDLE - DIRECT(MR. GABER) Page 1940</p> <p>1 Q Thank you. I'm going to hand you a document marked</p> <p>2 Plaintiff's Exhibit 3218. Please take a look and let me know if</p> <p>3 you recognize it. I saw a nod, but could you please answer</p> <p>4 whether you recognize it for the record.</p> <p>5 A I do recognize this.</p> <p>6 Q Thank you.</p> <p>7 MR. GABER: I ask that that be moved in evidence.</p> <p>8 MR. FIELDS: Statute of limitations.</p> <p>9 THE COURT: Overruled. It is in evidence. It is</p> <p>10 in.</p> <p>11 (Whereupon, the Document was marked in evidence as</p> <p>12 Plaintiff's Exhibit 3218.)</p> <p>13 Q So Mr. McArdle, as you can see, there is an e-mail here</p> <p>14 dated October 1, 2013 from Eric Trump to you. It says, "David,</p> <p>15 I have one question for you. Do you have a minute to speak at</p> <p>16 some point today, Eric."</p> <p>17 Do you recall whether you spoke with Eric Trump in</p> <p>18 response to this e-mail?</p> <p>19 A I don't recall that follow-up phone call.</p> <p>20 Q Do you remember -- is there any other recollection you</p> <p>21 have of whether Eric Trump had a question for -- what question</p> <p>22 Eric Trump may have had for you, if he did, after the September</p> <p>23 30th call?</p> <p>24 A I do know that he was pursuing me to discuss some</p> <p>25 issues with the appraisal, but I'm not sure what the content was</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1942</p> <p>1 Plaintiff's Exhibit 3198.)</p> <p>2 MR. GABER: Thank you.</p> <p>3 Q Mr. McArdle, it says, "Bob, I received a VM from Eric</p> <p>4 yesterday. We need to talk. I am traveling the next Tuesday</p> <p>5 days. I can call you up until 11:00 a.m. today or after</p> <p>6 6:00 p m. or any time tomorrow is great, Dave."</p> <p>7 So this is dated October 15, 2013 and you note the</p> <p>8 voicemail was yesterday, so that would be the 14th. Do you</p> <p>9 recall what the voicemail was from Eric Trump?</p> <p>10 A I don't. I think he wanted to go over some of the</p> <p>11 assumptions in the model.</p> <p>12 Q Do you recall whether you had a talk that day with Mr.</p> <p>13 Leonard?</p> <p>14 A I don't recall.</p> <p>15 Q So next, I'd like to show you Plaintiff's Exhibit 3199.</p> <p>16 Please take a look at it and first let me know if you recognize</p> <p>17 it. Then I'll ask you what it is.</p> <p>18 A I do recognize the document.</p> <p>19 Q Can you describe the document, please?</p> <p>20 A This is another e-mail exchange between myself and Bob</p> <p>21 Leonard of Bingham McCutchen.</p> <p>22 Q The subject line is "ET," correct?</p> <p>23 A Correct.</p> <p>24 THE COURT: That's the movie, right? ET, phone</p> <p>25 home.</p>

<p>1 MR. GABER: I think the witness needs to answer</p> <p>2 that, Judge.</p> <p>3 A Eric Trump.</p> <p>4 MR. GABER: I ask that this be moved into evidence.</p> <p>5 MR. FIELDS: Statute of limitations.</p> <p>6 THE COURT: Overruled. It is in evidence.</p> <p>7 (Whereupon, the Document was marked in evidence as</p> <p>8 Plaintiff's Exhibit 3199.)</p> <p>9 Q You write here, "Bob, he continues to call me. I am</p> <p>10 uncomfortable not replying. Please call him." Who are you</p> <p>11 referring to here?</p> <p>12 A Well, I'm talking to -- I'm referring to Eric Trump.</p> <p>13 Bob and Sherri work closely with us on the many aspects of this</p> <p>14 appraisal. Eric was sort of on the fringe. We're getting</p> <p>15 closer to value and, you know, I think Eric was anxious to</p> <p>16 discuss the assumptions and conclusions one more time and I had</p> <p>17 been spending more time with Bob and Sherri and I was sort of</p> <p>18 getting pinched in the middle here and I thought it was good</p> <p>19 business to reach out to Bob and just say, you know, this is</p> <p>20 what's going on. I can only hold off so long. I do want to be</p> <p>21 respectful to Eric Trump. So it was sort of -- we had to</p> <p>22 decide how to handle the inquiries.</p> <p>23 Q You said, "He continues to call me." This is dated</p> <p>24 October 16th. The previous e-mail we looked at is dated the</p> <p>25 15th and refers to a voicemail from the 14th. So over two days,</p>		<p>1 communicating to you here.</p> <p>2 THE COURT: Five-minute warning.</p> <p>3 MR. GABER: Thank you.</p> <p>4 A Sure. Sherri is acknowledging that, you know, our</p> <p>5 final value looks to be \$45 million for this 71-unit development</p> <p>6 project. At that point in time, you know, Eric had certain</p> <p>7 ideas about value. I think they may have been a little more</p> <p>8 lofty and above 45 million and I think the team of Sherri, Bob</p> <p>9 and myself clearly recognized that we were sort of at the end</p> <p>10 here and anything beyond 45 million would have put some people</p> <p>11 at risk. It would have not been credible. Certainly, I was</p> <p>12 comfortable with 45 million, but beyond that, I was concerned it</p> <p>13 would lose credibility.</p> <p>14 From an appraisal standpoint, you know, we had great</p> <p>15 support in there to get us to that value after doing a lot of</p> <p>16 research and analysis. I think Sherri also is suggesting here</p> <p>17 that this is going to come under a lot of scrutiny with the IRS</p> <p>18 or a court and the last thing we want to do is overreach and put</p> <p>19 Eric in a vulnerable position. So I think this was -- this was</p> <p>20 a setup to, you know, finally tell Eric that, you know, he</p> <p>21 should accept this value from the professionals that probably</p> <p>22 know this better than he.</p> <p>23 Q She writes at the bottom, "Eric knows that we have been</p> <p>24 in touch, but advised he would likely be talking to you this</p> <p>25 afternoon. I suggest calling him sometime after 4:30 or so."</p>	
<p>D. MCARDLE - DIRECT(MR. GABER)</p> <p>Page 1944</p> <p>1 did Eric Trump call you multiple times?</p> <p>2 A I believe it was multiple attempts to get a hold of me.</p> <p>3 Q So moving on, I would like to show you what I've marked</p> <p>4 as Plaintiff's Exhibit 1465. Please take a look at this and let</p> <p>5 me know if you recognize it.</p> <p>6 (Witness reviewing document.)</p> <p>7 A I'm familiar with that document.</p> <p>8 Q You're familiar with this document.</p> <p>9 Can you describe what this document is?</p> <p>10 A These are e-mail exchanges between Bob Leonard and</p> <p>11 Sherri Dillon of Bingham McCutchen in advance of a call with me</p> <p>12 regarding some final value conclusions.</p> <p>13 MR. GABER: I would ask that this be moved into</p> <p>14 evidence.</p> <p>15 MR. FIELDS: Statute of limitations.</p> <p>16 THE COURT: Overruled. It is in.</p> <p>17 (Whereupon, the Document was marked in evidence as</p> <p>18 Plaintiff's Exhibit 1465.)</p> <p>19 Q Mr. McCardle, could I direct your attention to the</p> <p>20 second page of this exhibit. There's an e-mail here from Sherri</p> <p>21 Dillon to you. She starts off saying, "I spoke to Eric and he</p> <p>22 is aware that the more supportable value at this point is around</p> <p>23 45 million."</p> <p>24 And then I would ask that maybe you could explain your</p> <p>25 understanding of the remainder of what Ms. Dillon is</p>		<p>D. MCARDLE - DIRECT(MR. GABER)</p> <p>Page 1946</p> <p>1 And then going to the first page of the document</p> <p>2 towards the bottom, your response here is, "Thanks, Sherri.</p> <p>3 This is a great summary of where we stand and glad we are</p> <p>4 aligned here. I will speak with Eric."</p> <p>5 Do you recall whether you spoke with Eric following</p> <p>6 this e-mail?</p> <p>7 A I don't -- I don't recall that conversation.</p> <p>8 Q Could I just right before the break, if I could direct</p> <p>9 you back to 3201 which -- now at the top of the page here, this</p> <p>10 is dated October 16, 2016, 8:03 p.m. I'll represent that the</p> <p>11 e-mail from Sherri to you that we just looked at was at</p> <p>12 3:45 p.m. So this is an e-mail from Eric Trump to you. It</p> <p>13 says, "David, per my conversation with Sherri cc'd, please</p> <p>14 finish, but hold off on sending the appraisal until further</p> <p>15 notice. I'm happy to discuss any time."</p> <p>16 Were you told why you should hold off on sending the</p> <p>17 appraisal?</p> <p>18 A I was not told to hold off. These engagements had a</p> <p>19 lot of stops and starts with attorneys involved. I just assumed</p> <p>20 it was, you know, they had their reason and I was perfectly</p> <p>21 fine, you know, abiding about by that.</p> <p>22 Q I believe -- can I just -- I believe that you said I</p> <p>23 was not told to hold off. So just if I could ask again, were</p> <p>24 you told why you should hold off on sending the appraisal as it</p> <p>25 is indicated by Eric Trump in this e-mail?</p>	

<p>D. MCARDLE - DIRECT(MR. GABER) Page 1947</p> <p>1 A No, I was not told why to hold off. 2 MR. GABER: We can take a break. 3 THE COURT: Okay. Lunch break. See you all at 4 2:15. 5 (Witness exits the stand. ) 6 (Whereupon, a luncheon recess was taken.) 7 A F T E R N O O N S E S S I O N 8 * * * * * 9 THE OFFICER: All rise. Part 37 is back in 10 session. The Honorable Arthur Engoron presiding. Please be 11 seated and come to order. 12 THE COURT: Let's get the witness. 13 THE COURT OFFICER: Witness entering. 14 (Witness resumes the stand.) 15 THE COURT: Let's continue with the direct 16 examination of Mr. McArdle and I'll remind the witness, as I 17 always do, that he's still under oath. 18 THE WITNESS: Thank you. 19 THE COURT: Please proceed. 20 Q Good afternoon, Mr. McArdle. I would like to just go 21 back to Plaintiff's Exhibit 3201 that we were looking at just to 22 clarify the record. "David, per my conversation with Sherri 23 cc'd, please finish but hold off on sending the appraisal until 24 further notice." 25 What is your understanding of the request being</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1949</p> <p>1 Q This letter is dated February 14th, Valentine's Day, 2 2014. The previous e-mail we just looked at was dated 3 October 16, 2013. You said", I believe that this was similar 4 scope to the previous engagement," but this was successive. Did 5 you understand this to be a continuation of that engagement? 6 A I don't understand -- I don't recall the time lapse. 7 Is that what you mean? 8 Q It's a few months after the previous engagement -- 9 A Correct. 10 Q -- correct? 11 A Correct. 12 Q And so did you understand this to be -- you said it 13 was the same scope as well? 14 A Yes, I did. 15 Q Did you understand this to be a continuation of the 16 earlier engagement? 17 A Very much so. 18 Q Looking at page six here, you had mentioned that the 19 intended user was the Trump Organization. Are there any other 20 intended users of the appraisal under the engagement? 21 A Donald J. Trump. 22 Q Thank you. Can we, Mr. McArdle, go to page seven of 23 this document where it says, "general scope of work." Can you 24 tell me what is to be valued under this scope of work? 25 A Yes. The property is being valued under this scope of</p>
<p>D. MCARDLE - DIRECT(MR. GABER) Page 1948</p> <p>1 conveyed hereby Mr. Trump, Eric Trump? 2 A I believe he's just confirming that -- to complete the 3 assignment at the roughly \$45 million value that was discussed 4 earlier. I don't think we were sending anything. It was verbal 5 at that point. 6 Q And were you told why you should hold off? 7 A No, I was not told why. 8 Q So I would like to move to Plaintiff's Exhibit 158. 9 Mr. McArdle, I ask that you please look at this 10 document and tell me if you -- if you recognize it. I'll note 11 then, again, that this is an e-mail with an attachment beginning 12 on page six of the exhibit. 13 (Witness reviewing document.) 14 A Yes, I'm familiar with the e-mail and document 15 attached. 16 Q Can you describe what they are? 17 A Sure. The first page on the screen right now is, 18 again, an internal set up at Cushman &amp; Wakefield recognizing 19 that I re-engaged with -- it is Sherri Dillon at Bingham 20 McCutchen with the Trump Organization as an intended user. The 21 engagement letter follows and in great detail outlines the scope 22 of the assignment. This is the same property in Briarcliff 23 within the country club confines and it is merely a request for 24 a formal written appraisal related to a definite conservation 25 easement or donation to the federal government for tax purposes.</p>	<p>D. MCARDLE - DIRECT(MR. GABER) Page 1950</p> <p>1 work is the same 71-unit attached housing project that we had 2 been previously discussing, but it also includes the adjacent 3 18-hole golf club known as Trump National Golf Club Westchester, 4 and it also owns -- includes a town home owned by Eric Trump on 5 the perimeter of the property. 6 Q Do you understand why the scope is expanded between 7 this and the previous engagement? 8 A Yes, I do. It was explained to me by Sherri Dillon 9 that when a donation is being contemplated, there's also an 10 obligation to understand the positive or negative impact on 11 other properties the donor may own that are nearby. So it is 12 pertinent that the value of the golf club and the town home are 13 understood and we had to then towards the end of the assignment 14 make a determination if any additional value or loss of value or 15 neutral situation developed once that donation took place 16 because there is a calculation that, you know, the IRS requires. 17 MR. GABER: I'd like to move this in evidence. 18 MR. FIELDS: Statute of limitations. 19 THE COURT: Overruled. It is in evidence. 20 (Whereupon, the Document was marked in evidence as 21 Plaintiff's Exhibit 158.) 22 Q So moving forward, I'm going to hand you a document 23 marked Plaintiff's Exhibit 159. Please read it and let me know 24 if you recognize this document. 25 (Witness reviewing document.)</p>

<p>D. MCARDLE - DIRECT(MR. GABER) Page 1951</p> <p>1 A Yes, I do recall this e-mail.</p> <p>2 Q Can you describe what that e-mail is?</p> <p>3 A Sure. This is an e-mail to my colleague at Cushman &amp;</p> <p>4 Wakefield who's another golf expert. His name is Richard</p> <p>5 Zbranek. He also is involved in what we call QC and that is</p> <p>6 quality control. Before we send any documents out the door to</p> <p>7 clients, we have a quality control process that requires a</p> <p>8 capable senior colleague appraiser to read our reports just as a</p> <p>9 safeguard, make sure we didn't make any errors and make sure</p> <p>10 methodology and all the -- the report is sound.</p> <p>11 So this is my e-mail to Rick explaining the upcoming QC</p> <p>12 relative to this appraisal that we're performing for the client.</p> <p>13 And, you know, I elaborated on the nuances since it was</p> <p>14 something a little bit different in that it was a -- an</p> <p>15 appraisal done for a conservation easement donation.</p> <p>16 Q So the last two sentences of this e-mail say, "Let me</p> <p>17 know what you think. It will be scrutinized by Sherri Dillon,</p> <p>18 Eric Trump and the IRS". Can you explain what you meant by</p> <p>19 this?</p> <p>20 A Sure. Rick is a very trusted colleague with deep, deep</p> <p>21 understanding of -- he is an MAI, deep understanding of this</p> <p>22 type of valuation particularly as it relates to golf and some</p> <p>23 residential development. I'm looking for him. I'm leaning on</p> <p>24 him for advice and just, you know, an assurance that we are</p> <p>25 putting out the right product.</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1953</p> <p>1 MR. GABER: I'd like to move this document into</p> <p>2 evidence.</p> <p>3 MR. FIELDS: Statute of limitations.</p> <p>4 THE COURT: Overruled. It's in evidence.</p> <p>5 (Whereupon, the item previously referred to is</p> <p>6 received and marked Plaintiff's Exhibit Number 159 in</p> <p>7 evidence.)</p> <p>8 Q So Mr. McArdle, that e-mail is dated April 22, 2014. I</p> <p>9 just wanted to keep that date in mind as I hand you Plaintiff's</p> <p>10 Exhibit 3194. This is -- again, it's an e-mail with the</p> <p>11 included attachment, so please take a look at this and let me</p> <p>12 know if you recognize it.</p> <p>13 A Yes, I do recognize this document.</p> <p>14 Q Can you describe what this is?</p> <p>15 A This is the actual written report that we ultimately</p> <p>16 submitted to Sheri Dillon at Bingham McCutchen. It contains the</p> <p>17 valuation of the 71-unit residential development site. It also</p> <p>18 contains the final value of the golf course by itself, country</p> <p>19 club and it also includes the single-family residence of Eric</p> <p>20 Trump also on the property.</p> <p>21 Q And this cover e-mail, you're transmitting it to Sheri</p> <p>22 Dillon and Nick Zemil and you bcc Tina Schultheis. So is this</p> <p>23 your delivery of the report to the client?</p> <p>24 A This is our physical delivery of the report to the</p> <p>25 client.</p>
<p>Page 1952</p> <p>1 I mean, we're very conscientious and Cushman &amp;</p> <p>2 Wakefield takes these very, very seriously and recognizing we</p> <p>3 have high-profile clients and we also have the IRS involved. We</p> <p>4 did everything we could to put out a very credible, sound report</p> <p>5 to the best of our ability.</p> <p>6 Q And it was your understanding by this, then, that Eric</p> <p>7 Trump would be, as you say, scrutinizing the appraisal report</p> <p>8 notwithstanding the fact that he wasn't the formally engaged</p> <p>9 client.</p> <p>10 A As the assignment played out, it was clear that Eric</p> <p>11 was active in the -- through the process and I thought it was</p> <p>12 fair to let Rick know that, you know, he's actively involved as</p> <p>13 an intended user.</p> <p>14 (Continued on the next page.)</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1954</p> <p>1 Q Okay.</p> <p>2 MR. GABER: I'd ask this be moved into evidence.</p> <p>3 MR. FIELDS: Objection. Not only statute of</p> <p>4 limitations, but also hearsay and relevance as to the</p> <p>5 attached report. The report's being offered for its truth.</p> <p>6 The Court has now heard testimony as recent as of yesterday</p> <p>7 that developers can value their own properties the way they</p> <p>8 see fit. It doesn't have to be what an appraised value is.</p> <p>9 The Court has also heard testimony about accounting in SAC</p> <p>10 274 and therefore it's offered for its truth. It is hearsay</p> <p>11 and irrelevant.</p> <p>12 MR. GABER: I don't think I offered the report for</p> <p>13 its truth.</p> <p>14 THE COURT: Well, let me ask you. For what purpose</p> <p>15 are you offering the document?</p> <p>16 MR. GABER: Primary -- I'm offering this for</p> <p>17 notice, but also to show this is the work product for</p> <p>18 Cushman &amp; Wakefield prepared according to procedures that</p> <p>19 Mr. McArdle has outlined using inputs and data that he</p> <p>20 received from the client and other sources. These are</p> <p>21 business records of Cushman &amp; Wakefield and to the extent</p> <p>22 there is information in here that came from defendants, then</p> <p>23 those are admissions as well.</p> <p>24 THE COURT: Objection overruled.</p> <p>25 MR. FIELDS: May I respond?</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1955</p> <p>1 THE COURT: Sure, yes.</p> <p>2 MR. FIELDS: First of all, in terms of it being a</p> <p>3 business record, that protects the document but not</p> <p>4 statements within the document. The notice would be -- I</p> <p>5 guess the question is notice to whom and of what. The</p> <p>6 direct -- the witness can answer that he did an appraisal</p> <p>7 and what the appraised value was, but the entirety of the</p> <p>8 document contains a ton of hearsay and there is no need --</p> <p>9 there hasn't been a foundation laid for who needs to have</p> <p>10 notice and what the notice is for and so respectfully, I</p> <p>11 think it's being offered for its truth and it's hearsay.</p> <p>12 THE COURT: The document is the notice. What the</p> <p>13 document contains and what's in it is the -- is the notice</p> <p>14 as being conveyed, right?</p> <p>15 MR. FIELDS: But, Your Honor, notice to whom and of</p> <p>16 what is the question.</p> <p>17 THE COURT: Mr. Gaber, you want to answer that?</p> <p>18 MR. GABER: In the first instance formally, this is</p> <p>19 notice to Bingham and McCutchen LLP, the engagement letter</p> <p>20 does list the Trump Organization and Donald J. Trump as</p> <p>21 intended users, but Bingham McCutchen was a retained counsel</p> <p>22 for the Trump Organization. They are an agent of the Trump</p> <p>23 Organization. Knowledge of the agent is imputed to the</p> <p>24 principal. This is something that was involved in</p> <p>25 litigation in the special proceeding pursuing this action as</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1957</p> <p>1 know, the -- you as the factfinder can weigh that against</p> <p>2 other evidence.</p> <p>3 THE COURT: We can't have a trial over every single</p> <p>4 defendant, whether it's 12, 15 as to, you know, what it can</p> <p>5 be used for. You'll have plenty of time to discuss that.</p> <p>6 MR. ROBERT: Well, Your Honor, respectfully, we do</p> <p>7 think it's important because there are multiple defendants</p> <p>8 here and as to who is ultimately potentially responsible for</p> <p>9 what. The witness testified very competently as to his</p> <p>10 process and what went into it, but again, to suggest that</p> <p>11 this document is going to constitute some sort of an</p> <p>12 admission, if we can agree that it's notice or it's the fact</p> <p>13 that this gentleman prepared the appraisal itself, I don't</p> <p>14 think there is any dispute about that. If you want to ask</p> <p>15 him what the final value was, he can testify to that, that's</p> <p>16 fine. But as far as the document itself, we would</p> <p>17 respectfully submit that the physical appraisal itself is</p> <p>18 inadmissible hearsay other than potentially for notice.</p> <p>19 MR. GABER: I mean, I thought post-trial briefs</p> <p>20 were due at the end of the trial.</p> <p>21 THE COURT: That's just going to have to be</p> <p>22 resolved later.</p> <p>23 I do want to respond to something Mr. Fields said.</p> <p>24 Yesterday, there was some testimony that an owner</p> <p>25 can reach -- conclude whatever value they want. Yes, in the</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1956</p> <p>1 well. So I think the notice should be as against the Trump</p> <p>2 Organization in addition to notice to their agent directly.</p> <p>3 MR. ROBERT: If it's being introduced for notice</p> <p>4 and I'll leave that for a second, but if it's being</p> <p>5 introduced for the truth of the matter asserted, I agree</p> <p>6 with my colleague that it's hearsay. And to the extent that</p> <p>7 the government wants to say that they're admissions, what</p> <p>8 are the admissions inside and who are they attributed to?</p> <p>9 There are multiple defendants here. I don't know what</p> <p>10 sentence or what statement within goes in there that</p> <p>11 constitute an admission and respectfully, I think allowing a</p> <p>12 document of that magnitude to come into evidence for the</p> <p>13 truth of the matter asserted and/or to constitute an</p> <p>14 admission we need to know what they're attributing to whom.</p> <p>15 THE COURT: Let's -- maybe this is going back.</p> <p>16 MR. GABER: I can ask some questions.</p> <p>17 THE COURT: Let me just ask. Are you introducing</p> <p>18 it to prove the truth of its contents?</p> <p>19 MR. GABER: Are you asking if I am introducing it</p> <p>20 to prove the --</p> <p>21 THE COURT: I think that's basically the question</p> <p>22 at hand.</p> <p>23 MR. GABER: No. I'm introducing it to show that</p> <p>24 that that value conclusion was one that was reached after a</p> <p>25 process as outlined within the appraisal report and, you</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1958</p> <p>1 abstract. If you own a house, you can say it's worth a</p> <p>2 hundred thousand dollars or a million dollars, but that</p> <p>3 doesn't really prove much one way or the other. So it's in</p> <p>4 except for the truth of its contents. Let's move on.</p> <p>5 Q Mr. McArdle, can I direct your attention to page four</p> <p>6 of this document? This one's double sided.</p> <p>7 In the first instance the final column under "Adjusted</p> <p>8 Value of Conservation Easement" reading across from the row</p> <p>9 there it says "final value conclusion of conservation of</p> <p>10 easement, \$43,300,000." What does this number represent?</p> <p>11 A That number -- well, that number represents the value</p> <p>12 of the conservation easement donation. It accounts for before</p> <p>13 and after, looks at the two other components we discussed, the</p> <p>14 golf club and the townhouse. In both cases we analyzed the</p> <p>15 impact on those two other components and concluded that by</p> <p>16 building that building, that asset, you would have neutral</p> <p>17 impact on both values. So it wasn't -- neither property gained</p> <p>18 from it or neither property would have lost value from it.</p> <p>19 Therefore, the before value of 43 million ends up being the same</p> <p>20 43 million, you know, final value contribution.</p> <p>21 Q And just for my clarification, the before and after --</p> <p>22 the before and after is the -- are you gauging the impact of the</p> <p>23 conservation easement donation on the townhouse and golf club?</p> <p>24 Is that the idea?</p> <p>25 A That's exactly right.</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1959</p> <p>1 Q Okay. So if they donate this -- this part -- this land 2 as a conservation easement, then is the value of the golf club 3 impacted by virtue of that donation? 4 A That's correct. 5 Q Okay. Thank you. 6 A Exactly. 7 Q And so the before and after values of the golf club 8 there, it says -- well, could you just tell me what the before 9 and after values of the golf club are that you came to? 10 A Sure. Absent the before value for the golf club is 11 16,500,000 and after the donation we maintain the same 16-5; in 12 other words, no impact on value. 13 Q Okay. And I see there is some -- above the "final 14 conclusion" -- "final value conclusion of golf club" row there 15 is a row that says "sales comparison approach" and a row that 16 says "income capitalization approach discounted cash flow." 17 Can you explain what's being represented here? 18 A Certainly. For -- in our view, the country club needed 19 two approaches to value. It wasn't just a one-prong method. 20 And this is pretty much standard in our industry. We deem the 21 sales comparison approach and the income capitalization approach 22 as the two most applicable approaches to value. 23 Sales comparison approach is merely a comparison of 24 other country -- golf and country clubs, preferably in, you 25 know, in the local area and we compare them just like you would</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1961</p> <p>1 discount it back by a market oriented discount rate. 2 Q And the inputs for that income capitalization approach 3 that you just mentioned, the revenues and the costs, you get 4 those numbers -- who do you get those numbers from? 5 A I got those numbers from the Trump Organization. They 6 have to be property specific. This is isn't something we can 7 just estimate. Every club is unique in itself, so I was 8 provided financial information. 9 Again, we typically look for the major, you know, 10 revenue sources where they're coming from. And again, it's 11 initiation fees, it's membership dues, various other smaller 12 income lines and we take a hard look at it and again apply the 13 expenses to it, just try to get comfortable with forecasting 14 going forward. 15 Q Can I direct your attention to page 25 of this 16 document? So here this is apart of the introduction under 17 "Scope of Work." The last paragraph is where I want to draw 18 your focus to. 19 It says, the first sentence, that "this appraisal 20 employs the sales comparison approach and the income 21 capitalization approach," which you just discussed to me. 22 But I want to go to the sentence starting with 23 "therefore" here in the middle of the paragraph. 24 So it says, "therefore, we have not utilized the cost 25 approach to develop an opinion of market value. More</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1960</p> <p>1 single-family homes, you know, it's an adjust -- percentage 2 adjustment analysis, sometimes a qualitative analysis. 3 We're just kind of testing the market as to what other 4 clubs are selling for and we -- ultimately, we make a conclusion 5 there. Typically it's on a per whole basis. So we were 6 comfortable with 16-5 from that approach. 7 And then the more detailed approach is the income 8 capitalization approach. And, again, we use a discounted cash 9 flow there and that analysis is more, you know, income and 10 expense oriented. We literally look at the operations of the 11 country club and by that I mean, you know, revenues secured 12 through dues and initiation fees and food and beverage, some of 13 those big, big income lines and then we reduce it by operating 14 expenses. 15 Typically the larger categories would be clubhouse 16 expenses, the food and beverage expenses, course maintenance 17 expenses and we project out number of years, usually five, and 18 we run a discounted cash flow analysis on that pro forma and 19 this accounts for all the membership flows in and out. We're 20 looking at membership trends coming in, going out, all the fees 21 that they pay going in daily fees, greens fees, catering food, 22 beverage and then typically there is a matching expense, 23 departmental expense. 24 And like I said, it's a DCF we forecast out about five 25 years, develop an NOI for each of those five years and then</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1962</p> <p>1 specifically, we utilize the sales comparison approach and the 2 income capitalization approach for both the conservation 3 easement valuation and the golf club valuation." 4 Can you tell me why you -- oh, I'm sorry. In the 5 preceding sentence, forgive me, says "typical purchasers do not 6 generally rely on the cost approach when purchasing such a 7 property as the subject of this report." 8 So can you understand or can you tell me your 9 understanding of this language here? 10 A Sure. The cost approach is one of three widely 11 recognized approaches to value in the appraisal industry. 12 The cost approach is effective for certain properties; 13 others, not so much. Golf and country clubs are really in our 14 view not suitable for the cost approach. There is a number of 15 reasons cost approach requires an underlying land value. It 16 also requires very subjective calls for building costs and then 17 associated rates of depreciation for all various components of a 18 golf course, which is a very wide mix. So it's -- there is a 19 lot of sensitivity there that kind of, you know, weakens the 20 approach. But probably the biggest driver is that we try to 21 follow market behavior. 22 I don't invent approaches. It's -- appraisers want to 23 parallel the market and we're not making the market. We're 24 really following the market and watching the behavior of market 25 participants, buyers and sellers of golf courses.</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1963</p> <p>1 We know for a fact buyers and sellers of golf courses 2 do not utilize the cost approach for various reasons, so it's 3 very fair to limit that approach and in this case we eliminated 4 the cost approach. 5 MR. GABER: Thank you. 6 Q So going back to the top of this document. I think as 7 we discussed this is an e-mail to Bingham McCutchen delivering 8 this draft appraisal in April of 2014. 9 Can you tell me what happened after you delivered this 10 draft appraisal? 11 A To the best of my knowledge things went rather silent. 12 I don't believe there was much communication beyond. 13 Q Did you ever issue a final appraisal report? 14 A No, we did not. We did not issue a final. 15 Q One more question about cost approach. 16 A Sure. 17 Q Would you say that's synonymous with a fixed cost 18 approach? 19 A I'm not familiar with that exact -- it's appraisal 20 terminology. 21 Q It's not appraisal terminology? 22 A Not really, no. 23 Q That's fine. 24 So if I could now draw your attention to Plaintiff's 25 Exhibit 132, and please take a look at this document and tell me</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1965</p> <p>1 Is that similar to the previous engagement's scope? 2 A Yes. I think all the engagements were headed towards 3 this direction. They were contemplating this conservation 4 easement donation and this is one of the final requests. 5 MR. GABER: If we turn to page two of this 6 document. And maybe we can put that up side by side with 7 page seven of Plaintiff's 158. 8 Q I just want to ask you towards the bottom of the 9 paragraph beginning with "client intends," it appears that there 10 is some difference in the scope of work here, but I was hoping 11 that you could read these two scopes of work and explain to me 12 what, if anything, is different between the Eric Trump 13 engagement and the Bingham McCutchen engagement? 14 A Which is the Eric Trump engagement? Is it the one on 15 the left? 16 Q Yes. 17 A Okay. Well, clearly, the language is slightly 18 different. I do know that with Eric Trump's engagement, the one 19 on the left, we were getting much closer to the donation. Sheri 20 Dillon was involved with some guidance on the nuances and 21 content that the IRS would be looking for and I knew -- I know 22 he did spend some time on real specific language that needed to 23 be in these documents for it to comply to the IRS's regulations, 24 so. 25 Q So the document on the left, which is the later</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1964</p> <p>1 if you recognize it. 2 A Yes, I am familiar with it. 3 Q Can you tell me what this document is? 4 A Excuse? 5 Q Can you tell me what this document is? 6 A This is another letter of engagement between Cushman &amp; 7 Wakefield's Valuation Group and in this case Eric Trump and the 8 Trump Briarcliff Manor Development LLC as client. 9 MR. GABER: I'd like to move this document into 10 evidence. 11 MR. FIELDS: Statute of limitations. 12 THE COURT: Overruled. It's in. 13 (Whereupon, the item previously referred to is 14 received and marked Plaintiff's Exhibit Number 132 in 15 evidence.) 16 Q You mentioned that this is with Eric Trump as client. 17 So in this case Mr. Eric Trump was your client for this 18 engagement? 19 A That is correct. 20 Q But the engagement relates to the same property that we 21 were just discussing in the last April engagement? 22 A That is correct. 23 Q And the intended use here under the engagement letter, 24 it says "to document the value of a conservation easement placed 25 on a parcel of land for federal and state income tax purposes."</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1966</p> <p>1 engagement with Eric Trump, it says, "The appraisal will also 2 determine the enhancement, if any, to the value of any other 3 property owned by the client," dot, dot, dot, "specifically" and 4 it lists the golf club and the town home. 5 Is this different than the prior engagement which said 6 that it would determine the value of any other property? So on 7 one hand determine the enhancement to the value versus determine 8 the value? 9 A Yes, that's a great point, and that did come up through 10 our work with the two clients. There was some confusion over 11 whether or not the golf course and town homes had to be valued 12 individually or whether it was a matter of just defining any 13 impact on value, up or down. I. 14 Think at the end of the day, if my memory serves me, we 15 concluded that we did not have to specifically value the country 16 club or the townhouse for the final submission, so you make a 17 great point. I think that's what they were driving towards 18 there. 19 Q Can you turn towards page six of the Ladder engagement 20 letter? That signature there, do you recognize that signature? 21 Who signed it? 22 A Eric Trump. 23 Q Thank you. 24 I'm going to hand you, Mr. McArdle, Plaintiff's 25 Exhibit 3217, and ask you to familiarize yourself with it and</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1967</p> <p>1 tell me if you recognize the document. 2 A I do recognize the document. 3 Q Can you tell me what it is? 4 A This is a document pertaining to the same topic. It is 5 an appraisal of the conservation easement, 71 units and this 6 references to the adjacent properties we've been discussing, the 7 golf course and the town home. 8 MR. GABER: I'd ask that this be moved into 9 evidence. 10 MR. FIELDS: To preserve the record, same here 11 standing statute of limitations objection. 12 THE COURT: Overruled. It's in evidence. 13 MR. GABER: Thank you. 14 (Whereupon, the item previously referred to is 15 received and marked Plaintiff's Exhibit Number 3217 in 16 evidence.) 17 Q Mr. McArdle, on page five of this document where your 18 signature would be, it says "draft" there. Is this a draft 19 appraisal? 20 A Yes, it is. 21 Q Do you know if a final appraisal report was ever issued 22 under this engagement? 23 A I don't believe it was ever issued. 24 MR. GABER: Can we go to page four of this 25 document?</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1969</p> <p>1 develop an opinion of market value. More specifically, we 2 utilized the income capitalization approach and the sales 3 comparison approach in connection with the before and after 4 method for the conservation easement valuation." 5 We looked at similar language I believe in the prior 6 appraisal report. Is this expressing a similar -- or can you 7 tell me your understanding of this language in this appraisal 8 report? 9 A This part of the scope remains the same for the same 10 reason I previously reported. Full-blown cost approach would 11 not be appropriate here, so it was merely carried into this 12 document as it was in the other for the same exact reason. 13 Buyers and sellers, you know, would not be looking at a 14 traditional cost approach for these assets. 15 Q So despite the fact that you're not -- the difference 16 in the presentation of the value conclusion we just discussed 17 between the two letters or two appraisal reports, one of them 18 valuing the townhouse and the golf club; the other one valuing 19 the change in value to the townhouse and golf club. So in this 20 case were you valuing the change in value to the townhouse and 21 golf club. Are you still -- are you still looking at the value 22 of those using the income capitalization and sales approach? 23 A Yes, I'm still maintaining those same approaches. 24 Q So the same -- is it fair to say that the same analysis 25 is done in both despite the change in the scope of work language</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1968</p> <p>1 Q So here under "market value of conservation easement" 2 it says \$43,300,000. I believe that's the same value that you 3 placed on the conservation -- for the conservation easement in 4 the prior appraisal draft; is that correct? 5 A That's correct. 6 Q Okay. But then going up here, the table -- I think 7 it's called the final value of reconciliation is slightly 8 different than the previous engagement. Is that due to the 9 difference in the scope of work we discussed? 10 A That's exactly right. The presentation -- I mean, as 11 they went through this process they were trying to conform to 12 the rigorous standards of the IRS in understanding exactly the 13 content that was required. Sheri Dillon determined that once 14 again we did not have to define the values of the golf club 15 townhouse. It would merely be a presentation where whether or 16 not the -- whether or not they gained value or lost value. So 17 there is no impact to those assets and that's why they were 18 zeroed out. 19 Q Can we go to page 16, please? So the second to last 20 paragraph on this scope of work section of the introduction it 21 begins with "because data on comparable sales." And I wanted to 22 draw your attention towards the middle of the paragraph. 23 Again, it says "typical purchasers do not generally 24 rely on the cost approach when purchasing a property such as the 25 parcel. Therefore, we have not utilized the cost approach to</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1970</p> <p>1 that we discussed? 2 A Yes, it is safe to say that. 3 Q And so this draft appraisal is addressed to Mr. Eric 4 Trump, you e-mailed it to Ms. Dillon. Is it your understanding 5 that Mr. Eric Trump received this draft appraisal report? 6 A Yes. I'm quite sure he was aware that I was sharing it 7 with Sheri Dillon. We were very careful about that the 8 exchanges and they were working hand in hand, so I believe 9 that's why it was sent to her. 10 Q Okay. So at this point, Mr. McArdle, we've seen two 11 examples where you had an initial engagement that was prepared 12 with Ms. Dillon's firm as the sort of formal client on the 13 engagement letter and then a subsequent engagement letter for 14 the same type of engagement or thereabouts with Mr. Eric Trump 15 listed as the client? 16 MR. ROBERT: Objection. 17 THE COURT: Let's hear it. 18 MR. ROBERT: Mischaracterizes the evidence. The 19 testimony has been internally. They referred to as Eric 20 Trump as the client, but documents clearly say who the 21 client was. In this last one, it was the Briarcliff entity 22 signed by Eric Trump. 23 Plaintiff's Exhibit 132, "Client, Trump Briarcliff 24 Manor Development LLC" and it was signed by Eric Trump as 25 executive vice president. So the client was not Eric Trump.</p>

D. McArdle - Plaintiff - direct (Gaber)	Page 1971	D. MCARDLE- DIRECT(MR. GABER)	Page 1973
<p>1 The question keeps saying "your client Eric Trump, your</p> <p>2 client Eric Trump." So if he wants to change that because</p> <p>3 the document in evidence is clear as to who the client is.</p> <p>4 THE COURT: Would you like to dispute that or agree</p> <p>5 with that?</p> <p>6 MR. GABER: Mr. McArdle has testified that he</p> <p>7 understood Eric Trump to be his client for all of these</p> <p>8 engagements and in some sense it's a distinction, not a</p> <p>9 difference. It's his understanding. He worked with</p> <p>10 Mr. Trump. He's testified to that.</p> <p>11 MR. ROBERT: I believe the testimony was internally</p> <p>12 when the first billing set of e-mails came in it was the --</p> <p>13 internally to Eric Trump as the client, but clearly when</p> <p>14 Cushman &amp; Wakefield enters into an engagement letter there</p> <p>15 is a specific client.</p> <p>16 MR. GABER: That was not the testimony, Mr. Robert.</p> <p>17 He actually -- the internally, yes, but also beyond that he</p> <p>18 said he understood Eric Trump to be his client on these</p> <p>19 engagements.</p> <p>20 THE COURT: Objection overruled on the ground just</p> <p>21 stated, but I understand the point, as usual.</p> <p>22 Q So I just want to ask you if it is a standard practice</p> <p>23 for the appraisal work that you performed for the Trump</p> <p>24 Organization and their counsel to have this first appraisal,</p> <p>25 second appraisal like you just described.</p>		<p>1 MR. GABER: I'd ask this be moved into evidence.</p> <p>2 MR. FIELDS: Statute of limitations.</p> <p>3 THE COURT: Overruled. It is in evidence.</p> <p>4 (Whereupon, the Document was marked in evidence as</p> <p>5 Plaintiff's Exhibit 134.)</p> <p>6 Q Mr. McArdle, this is dated June 3, 2015 nearly one year</p> <p>7 after the June 23, 2014 engagement letter that we just looked at</p> <p>8 that was marked as Plaintiff's Exhibit 132. Can you take a look</p> <p>9 at this document and tell me what you understand the scope of</p> <p>10 work of this engagement to be? If you'd like, I could put them</p> <p>11 up side by side if it is easier for you to compare.</p> <p>12 A Yeah. This engagement looks to be very parallel to the</p> <p>13 one a year ago encompassing the same real property components to</p> <p>14 be valued for the conservation easement and clearly, there's</p> <p>15 been a passage of time, but it appears to be very much the same</p> <p>16 scope.</p> <p>17 Q On page six of this document, is that your signature</p> <p>18 there?</p> <p>19 A That is my signature.</p> <p>20 Q And do you know whose signature that is below?</p> <p>21 A I really don't.</p> <p>22 Q But it says, "Executive Vice President Development and</p> <p>23 Acquisitions for Trump Briarcliff Manor Development, L.L.C."?</p> <p>24 A I don't recognize this signature.</p> <p>25 Q That's fine, but you see where it says, "executive vice</p>

<p>1 A It was a -- for the work we did for them, it was the</p> <p>2 pattern, yes.</p> <p>3 Q Do you have an understanding as to why that was?</p> <p>4 A My understanding was confidentiality.</p> <p>5 Q Can you elaborate on that?</p> <p>6 A I'm not well versed in the legal reasons for doing it,</p> <p>7 but clearly it was involving confidentiality.</p> <p>8 Q I'm just -- I don't need you to give a legal response.</p> <p>9 When you say "confidentiality," what do you as a layperson mean</p> <p>10 by that or what do you understand by that, if you have an</p> <p>11 understanding of it?</p> <p>12 A Well, we've seen -- I've seen other attorneys do it to</p> <p>13 try to keep a distance between the law firm and their client,</p> <p>14 potential owner, let's say.</p> <p>15 Q Thank you.</p> <p>16 I'll move on to Plaintiff's Exhibit 134. I'll hand</p> <p>17 this to you and ask you if you recognize it.</p> <p>18 A Yes, I do recognize it as another engagement letter</p> <p>19 between Eric Trump and Trump Briarfield -- Briarcliff Manor</p> <p>20 Development LLC and my firm Cushman &amp; Wakefield.</p> <p>21 Transcript continues on the following page...</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 president"?</p> <p>2 A I do, certainly.</p> <p>3 Q Are you aware -- I believe Mr. Robert just told us that</p> <p>4 Eric Trump was the -- recognize the signature of Donald Trump</p> <p>5 Jr.?</p> <p>6 A No.</p> <p>7 Q Are you aware of whether Trump Briarcliff Manor, L.L.C</p> <p>8 had any executive vice presidents other than Eric Trump?</p> <p>9 A No, I'm not.</p> <p>10 Q So at this time, I would like to hand you Plaintiff's</p> <p>11 Exhibit 910.</p> <p>12 MR. GABER: I'd like to move to admit Plaintiff's</p> <p>13 134 into evidence. Oh, I did.</p> <p>14 MR. FIELDS: Statute of limitations.</p> <p>15 THE COURT: Overruled. It is in evidence.</p> <p>16 A I am aware of the e-mail. I'm familiar with the e-mail</p> <p>17 and the accompanying appraisal product that we delivered.</p> <p>18 Q Appraisal product for which property?</p> <p>19 A This is again the same Briarcliff Manor assets involved</p> <p>20 in the conservation easement donation.</p> <p>21 MR. GABER: I'd ask that this be moved into</p> <p>22 evidence.</p> <p>23 MR. FIELDS: Same objection; statute of</p> <p>24 limitations.</p> <p>25 THE COURT: Same overruling. It's in evidence.</p>	

<p>D. MCARDLE- DIRECT(MR. GABER) Page 1975</p> <p>1 Q On page four of this document, the date here is</p> <p>2 September 1, 2015, as of September 1, 2015. The e-mail is dated</p> <p>3 August 28, 2015. Is it common to date a report differently than</p> <p>4 the date of its transmission?</p> <p>5 A That September 1st should be the date of value, the</p> <p>6 September 1st.</p> <p>7 Q Okay.</p> <p>8 THE COURT: That doesn't answer the question at</p> <p>9 all. Do you care?</p> <p>10 MR. GABER: I was tripped up by my microphone</p> <p>11 turning itself off.</p> <p>12 THE COURT: The question was whether it was common</p> <p>13 for the date to be the same --</p> <p>14 MR. GABER: You're getting ahead of me, Judge. I'm</p> <p>15 happy to let you finish up the exam.</p> <p>16 THE COURT: I will defer to you.</p> <p>17 MR. GABER: Thank you.</p> <p>18 Q I think the judge said it best, but is it common for</p> <p>19 the date of value to be different than the transmission date of</p> <p>20 appraisal?</p> <p>21 A Yes, it is very common.</p> <p>22 Q On page five of this document, can you describe what</p> <p>23 this letter is on page five?</p> <p>24 A This is called the letter of transmittals outlining the</p> <p>25 clients involved. It's simply a letter explaining the</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1977</p> <p>1 make a determination if there would be any positive of value</p> <p>2 improvement or detractor to value with the 71 units next door.</p> <p>3 So we did a thorough analysis and weighed all the pluses and</p> <p>4 minuses and at the end of the day, we believed it was -- had a</p> <p>5 neutral impact.</p> <p>6 Q Different presentation just in terms of the table, but</p> <p>7 same analysis?</p> <p>8 A Yes.</p> <p>9 Q Can we go to page 17 really quickly. So the second to</p> <p>10 last paragraph again, middle of the paragraph, is the sentence,</p> <p>11 "Typical purchasers do not generally rely on the cost approach</p> <p>12 when purchasing a property such as the parcel as a building cost</p> <p>13 analysis is not normally applicable for a vacant land</p> <p>14 valuation."</p> <p>15 This is slightly different than the previous draft</p> <p>16 appraisal. Do you understand this sentence to have also taken</p> <p>17 into account the same analysis regarding country clubs and golf</p> <p>18 clubs that you described with the previous two?</p> <p>19 A Looks like the terminology is slightly different, but</p> <p>20 it gets to the same point. We're just explaining that it's just</p> <p>21 not -- the cost approach is just not applicable for this</p> <p>22 appraisal.</p> <p>23 Q Is that because of the golf club component?</p> <p>24 A Yes.</p> <p>25 THE COURT: Five-minute warning.</p>
<p>D. MCARDLE- DIRECT(MR. GABER) Page 1976</p> <p>1 engagement, some of the nuance, some of the regulations we're</p> <p>2 following; certainly, a brief summary of the scope, the project</p> <p>3 at hand. In this case, outlining the components of the real</p> <p>4 estate and then it goes on to give some detail on the process,</p> <p>5 the scope and our appraisal process itself.</p> <p>6 Q Looking at page six, you see a table here, "valuation</p> <p>7 summary." It looks slightly different than the value</p> <p>8 reconciliation I think that we saw on the last draft. Can you</p> <p>9 explain what this is here or what this table represents?</p> <p>10 A Again, the presentation that the Trump Organization</p> <p>11 attorney Sherri Dillon was fluid. They were making a concerted</p> <p>12 effort to make sure they adhered to all of the IRS guidelines</p> <p>13 and, you know, that was challenging. It is a lot of red tape</p> <p>14 and, you know, there were some suggestions on the presentation.</p> <p>15 I was comfortable with it. The values were consistent and it</p> <p>16 all seemed reasonable to me, so we kind of crafted a summary</p> <p>17 that was a little more conforming to IRS requests and</p> <p>18 guidelines.</p> <p>19 Q And again, because the presentation is slightly</p> <p>20 different here, row D says, "Less value enhancement to non-TBMD</p> <p>21 holdings with a triple asterisk," that following it down says,</p> <p>22 "After condition property value reflects any value enhancement</p> <p>23 to golf club or Eric Trumps townhome." Can you just explain</p> <p>24 what this means?</p> <p>25 A That's simply what we talked about before. We had to</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1978</p> <p>1 MR. GABER: Maybe we should -- can we take a break</p> <p>2 later or sooner?</p> <p>3 THE COURT: It doesn't really matter, five or ten</p> <p>4 minutes.</p> <p>5 MR. GABER: If we could break now.</p> <p>6 THE COURT: It is very easy to calculate. We will</p> <p>7 be back at 3:30. Okay, break time.</p> <p>8 (Witness exits the stand.)</p> <p>9 (Whereupon, a recess was taken.)</p> <p>10 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>11 session. Please be seated and come to order.</p> <p>12 THE COURT: I guess we should start with the</p> <p>13 plaintiff. What do you intend to do with whom and when?</p> <p>14 MR. AMER: I think it's clear that we will not get</p> <p>15 to our next witness today because we have at least another</p> <p>16 half-hour with this witness and then there's</p> <p>17 cross-examination.</p> <p>18 THE COURT: Will there be cross?</p> <p>19 MR. ROBERT: Half-hour or so. Nothing extensive.</p> <p>20 THE COURT: Not enough for another witness.</p> <p>21 MR. AMER: So the next witness is Mr. Flores, he is</p> <p>22 actually here. We were going to tell him he could leave for</p> <p>23 the day.</p> <p>24 THE COURT: All agreed? Yeah.</p> <p>25 MR. AMER: I think realistically he will be the</p>

<p>D. MCARDLE- DIRECT(MR. GABER) Page 1979</p> <p>1 entire morning. We could start him even first thing 2 tomorrow morning because I probably have -- well, I would 3 say I have an hour and-a-half or so, maybe two hours with 4 Mr. Flores. Is it okay if we end when he ends? We could 5 play a video if we need to, but -- 6 MR. ROBERT: That works with us. We just don't 7 want to have people wasting time. That's fine. I just want 8 to know where we are on Monday. On Tuesday, we have Kelly 9 first and then Cohen second? 10 MS. GREENFIELD: Are you going to have any cross on 11 Mr. Flores? 12 MR. ROBERT: No. We are going to call him back on 13 our case if we need to. 14 MR. AMER: I prefer to not have to start something 15 without finishing it over the weekend if, for example, Ms. 16 Mouradian's video. I think it makes sense to do Mr. Flores 17 tomorrow and whenever we're done, we're done. 18 MR. ROBERT: That's fine. Just for clarity, 19 though, Tuesday we have blocked out Kelly first and then 20 Cohen. Who is on the deck for Monday, so we can prepare? 21 MS. FAHERTY: We will e-mail you. 22 MR. ROBERT: As long as we know by tomorrow morning 23 to prepare for Monday, that's fine. 24 THE COURT: Bring him in. 25 THE WITNESS: Witness entering.</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1981</p> <p>1 engagement letters that we have seen were on Cushman &amp; Wakefield 2 letterhead. This one is on Vinson &amp; Elkins letterhead. What do 3 you understand by that difference? 4 A We can engage with clients either way. There's no hard 5 and fast rule on which party provides the engagement letter. 6 Our large corporate clients provide their own. For smaller 7 clients, we take the liberty of drafting it and they appreciate 8 that. So this was a shift from previous practices working with 9 Ms. Dillon, but it was not something that we found 10 objectionable, and we let her craft the engagement letter. Of 11 course, we scrutinized it, approved it, and I ultimately signed 12 on. 13 Q The first sentence here, it says, "Dear Dave, we are 14 pleased to confirm the engagement of Cushman &amp; Wakefield, Inc. 15 C&amp;W by Vinson &amp; Elkins, LLP or the client in its capacity as 16 legal counsel for Seven Springs, L.L.C, the owner of the Seven 17 Springs estate." 18 How did you understand that Vinson &amp; Elkins was acting 19 as legal counsel for Seven Springs, LLC? 20 A Well, much like other engagements with Sherri Dillon 21 and her law firms, it was obvious to me that it was a similar 22 arrangement where Sherri Dillon would act as a representative of 23 one of the Trump entities in this initial engagement. 24 Q Go to the next sentence. It says, "This engagement 25 effective as of June 17, 2014 is to provide consulting services</p>
<p>D. MCARDLE- DIRECT(MR. GABER) Page 1980</p> <p>1 THE COURT: Okay, let's continue with the direct of 2 Mr. McArdle. 3 Q Welcome back, Mr. McArdle. I'd like to move on to 4 discuss a 2014 consulting engagement for the Seven Springs 5 Estate. Do you recall that engagement? 6 A I do recall that engagement. 7 Q I am handing you 131. I ask you to review it and let 8 me know if you recognize it. 9 (Witness reviewing document.) 10 A So I do recognize these documents. The first document, 11 again, is an interoffice e-mail between myself and the 12 administrators recognizing that we have a new engagement 13 underway with Sherri Dillon of Vinson &amp; Elkins. Ms. Dillon 14 shifted law firms, so it is the same individual. She's now 15 affiliated with a new firm. The engagement involves consulting 16 services at another Trump property identified as Seven Springs 17 Estate. 18 MR. GABER: I'd ask that this be moved into 19 evidence. 20 MR. FIELDS: Statute of limitations. 21 THE COURT: Overruled. 22 (Whereupon, the Document was marked in evidence as 23 Plaintiff's Exhibit 131.) 24 Q So Mr. McArdle, I would like to direct your attention 25 to page three of this document. So first off, the previous</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1982</p> <p>1 related to an analysis of the estimated value of a potential 2 conservation easement on all or part of the Seven Springs 3 estate." 4 What do you understand by "provide consulting services 5 related to an analysis of estimated value "here"? 6 A This assignment was described to me as a very 7 preliminary effort with our assistance to further understand the 8 potential value of the lots that were being subdivided on this 9 200-plus acre estate that were surrounded by two substantial 10 single-family residences. So this was a -- this was a land 11 valuation. That's the way we would -- went into understanding 12 it. 13 Q So following your formal engagement by this letter, can 14 you describe the process that you undertook in beginning your 15 work to fulfill the terms of the engagement and perform the 16 analysis you just described? 17 A Sure. Recognizing this was another very large, unique 18 trophy asset owned by the Trump Organization or an entity 19 thereof, it was very important for us to get our arms around 20 exactly what are we appraising, exactly what is the status of it 21 legally, wanted to take a deep dive into physical 22 characteristics. So I had a lot of questions in the beginning, 23 very important that I view the site, so we did all sorts of 24 early maneuverings for me to take a speed course on this 25 property which was so important to me. So I did visit the</p>

<p>D. MCARDLE- DIRECT(MR. GABER) Page 1983</p> <p>1 property. I was escorted around and I started to, you know, 2 gain a good understanding of the asset itself and what their 3 objective was.</p> <p>4 This was a pending subdivision with a lot of moving 5 parts. So in addition to physically looking at the property, 6 there are a lot of behind-the-scenes data that I had to confirm 7 that would play into preparing the credible appraisal report.</p> <p>8 Q Was Eric Trump involved in this kind of early 9 information-gathering phase that you just described?</p> <p>10 A He was.</p> <p>11 Q Can you describe his involvement?</p> <p>12 A Yes. I think Eric assisted in giving me an overview of 13 the property, its history, some of the locational attributes, 14 some of the nuances, some of the, you know, high points, if you 15 will. Ultimately, he did share some data with me or pointed me 16 to the right professional to confirm some important data.</p> <p>17 Q Can you speak more to the nature of that data? At a 18 high level is fine?</p> <p>19 A Sure. As an appraiser doing a residential subdivision 20 that is fluid and not approved, it was critical that I quickly 21 grab hold of the map, as we call it, you know, and so I wanted 22 to understand the layout, you know, from like a survey 23 perspective and understand the configuration of all the lots 24 that would be ultimately approved at the site because this was 25 going to be -- the request was to value the lots on a retail</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1985</p> <p>1 properties, lake next door, couple of mansions on the property. 2 And then he recognizing we needed to support, the values with 3 comparables, he was willing to supply me with what he thought 4 were good comparable sales and I had absolutely no problem 5 receiving that type of data from him. Ultimately, I'm going to 6 do a lot of research on my own, but there was absolutely no 7 problem, you know, accepting what he was suggesting were good 8 comps.</p> <p>9 Q Did you find him to be knowledgeable, kind of in the 10 realm of valuing these comparables?</p> <p>11 A Did I find Eric knowledgeable? Yeah, I think he 12 understood his property. He had a very high opinion of the 13 property which didn't surprise me. You know, we deal with a lot 14 of trophy asset property owners and they love their properties 15 and typically know a lot about them as I said. And in some 16 cases, they're entitled to their opinion of what they're worth.</p> <p>17 And he was of the mindset that there were only a few 18 comps out there and he pointed me towards some subdivisions in 19 Greenwich, most notably Conyers Farms. Sent me some other 20 information on different home sites, but he believed Conyers 21 Farms in Greenwich was a fabulous comp, you know. Of course, 22 that's across the state lines and, you know, had to quickly do 23 my homework on that subdivision. I was familiar with it, but I 24 really wanted to get extra familiar to make sure it was truly a 25 like-kind property to Seven Springs. Would you like me to</p>
<p>D. MCARDLE- DIRECT(MR. GABER) Page 1984</p> <p>1 level, if you will, just to -- in other words, what you would 2 sell them to an end user for. It was more of an exercise of 3 selling the lots to individual homeowners.</p> <p>4 Q So did Eric Trump -- you discussed previously in this 5 that you often undertook a comparable sales analysis in these 6 valuations?</p> <p>7 A You know, the scope of the appraisal assignment was to 8 value these lots on a retail level and give the client a sense 9 of what they would sell for individually and also on -- in an 10 aggregate value. This type of appraisal really only needs to 11 focus on the sales comparison approach. Later on, there's 12 elements of the income approach, but no cost approach like we 13 talked about before and a heavy weighted sales comparison 14 approach. Very simply, we want to find similar single-family 15 home sites that are like-kind as best we can, you know, 16 comparable landsites for luxury homes.</p> <p>17 Q Did Eric Trump provide you with any proposed 18 comparables?</p> <p>19 A He did. He did. You know, the early phone calls with 20 Eric Trump were with him explaining the site as I mentioned in 21 grate detail which I expected him to do and which was very 22 helpful because as we said before, typically the property owners 23 know their properties better than the appraisers at the onset.</p> <p>24 So I welcomed his input, did a great job of explaining, 25 you know, some of the physical characteristics, neighboring</p>	<p>D. MCARDLE- DIRECT(MR. GABER) Page 1986</p> <p>1 expand on this topic?</p> <p>2 Q I was going to ask you. Yes, could you explain the 3 homework that you did?</p> <p>4 A Yeah. Sure. Although, I feel like I have a 5 very -- I'm very competent to appraise this type of property, I 6 live on Long Island. I was -- I wasn't quite in my backyard, 7 did as much homework as possible, but I thought it would be very 8 appropriate to bring in a local expert.</p> <p>9 Q Who was that expert?</p> <p>10 A The local expert was I selected was a gentleman named 11 David Turner from a highly-regarded large residential brokerage 12 firm in the Westchester area called Houlihan Lawrence. So David 13 was one of the top producers in the luxury marketplace that 14 would include home sales and land. I approached him and asked 15 him if he would be interested in helping me with my 16 understanding of land values in Bedford and he quickly agreed.</p> <p>17 We scheduled an appointment to visit the site. We got 18 permission to go back. I brought David to the property. He 19 already had known about it, but we thought a detailed 20 walk-through was appropriate. Spent quite a few hours at the 21 property and he felt he now had a better understanding of the 22 property and he could assist me with comparables, sets of 23 comparables that he thought, you know, might be appropriate to 24 consider.</p> <p>25 I definitely talked to him about the potential of using</p>

<p>D. MCARDLE- DIRECT(MR. GABER) Page 1987</p> <p>1 Conyers Farms sales and he took the assignment very seriously. 2 Took a while, but with some back-and-forth communication, he 3 ultimately did reach some -- had some strong opinions on this 4 site and where the range of value should fall. 5 Q Do you recall generally what those were? 6 A Yeah. I mean, he came from a lot of different angles 7 which I really appreciated. We were talking about value per 8 site, you know, and the building sites did vary in size and I 9 think some of the Conyers Farms comps may have suggested well 10 over \$3 million per parcel and he wasn't -- he really was not a 11 believer in that, so he -- he didn't believe that was truly 12 comparable for a lot of different reasons and then he provided 13 me with a plethora of comps and justification for a value that 14 would be well below \$3 million per lot. 15 I had been doing my own homework. We have comparable 16 services readily available as well, so by collaborating with 17 David, doing my own work, I have family in residential that are 18 very, very active as well, I came to the conclusion -- you 19 know, to a range of value for this assignment. 20 Q So maybe at this point, we can get into some of 21 the -- those ranges. I'm going to introduce Plaintiff's 22 Exhibit 181 which is a spreadsheet provided to us natively. So 23 it is just a cover sheet that I'm going to hand to you, but if 24 we could look at the monitor here and let me know if you need 25 anything blown up. But as a general matter, I'll just ask you</p>	<p>Page 1989</p> <p>1 this is -- these are my notes to myself. 2 Q Can you help summarize looking at the spreadsheet kind 3 of where the -- what conclusions, if any, you derived from this 4 exercise? 5 A Sure. The top of the chart represents the Bedford 6 lots. There were more lots in Bedford than the other 7 municipalities, so at the time, we believed there were nine and 8 then the second column is the acreage of each lot ranging from 9 roughly five acres to eleven, so they did vary in size and then 10 out to the right, I'm just penciling in like where that range 11 might fall. That very first lot, B2, you know, we were thinking 12 million-five to \$2 million retail value of that lot. 13 (Continued on the next page.) 14 15 16 17 18 19 20 21 22 23 24 25</p>
<p>D. MCARDLE- DIRECT(MR. GABER) Page 1988</p> <p>1 if you recognize this spreadsheet. 2 A I do recognize this spreadsheet. 3 MR. GABER: I just want to make sure that I move 4 the prior Exhibit 131 into evidence. 5 MR. FIELDS: Objection; statute of limitations. 6 THE COURT: Overruled. It is in. 7 (Whereupon, the Document was marked in evidence as 8 Plaintiff's Exhibit 131.) 9 Q I'm sorry, Mr. McArdle. I cut you off. Could you 10 repeat -- 11 A I do recognize the spreadsheet. 12 Q What do you recognize the spreadsheet as? 13 A Well, let me emphasize that this assignment, again, was 14 a verbal assignment. The expectation was that we would get on 15 call at the end of my findings and conclusions and just discuss 16 it verbally, but as appraisers, we do have an obligation to 17 build a work file and I certainly couldn't keep everything in my 18 head. So this is my own internal work file, a rough idea on, 19 you know, the configuration or the number of lots. We're 20 dealing with three municipalities, so I tried to divide up the 21 different sets of lots and then come to just a range of value 22 for these properties based on what we were just talking about, 23 my interaction with Eric Trump, David Turner, myself some of my 24 family members that sell real estate. I started to get warmer 25 and closer to where I thought the value was going to fall and</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1990</p> <p>1 A And you just continue to go further down the list into 2 the two different other municipalities, New Castle and North 3 Castle. 4 Q And you do the same analysis for both of those? 5 A Same analysis, a little more compressed. 6 Q So where -- what is your final sort of -- 7 A Excuse me? 8 Q Where do you end up at this top line number? Do you 9 have any here? 10 A I do have totals here. Column J represents the total 11 of the low end of the range at 36 million. Column L is the high 12 end of that range that I did that day on the spreadsheet and 13 that would be 50 million. 14 Q Okay. So between 36 and 50 million was the range by 15 this analysis? 16 A There is few important points I want to make about 17 this, though. 18 Q Absolutely. 19 A This was a map in progress. It had not been fully 20 approved and very important for us to -- the number of lots is a 21 critical component of value here, especially if at the end of 22 the day you're trying to develop an aggregate value before 23 discounting it, at least get a general sense of what this thing 24 might be worth once the sellout is complete, right, full 25 sellout.</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1991</p> <p>1 You'll See in New Castle we were a little unsure of 2 whether or not they would yield five lots or six lots. 3 Q I see that, yes. 4 A Bedford we were pretty confident with nine based on the 5 information we provided. And North Castle, ten. So at that 6 time we believed there were approximately 24 to 26 lots 7 available. I -- multiple times. This was a very big concern of 8 mine. I needed to totally understand the configuration and the 9 number of lots as, again, that plays heavily into the final 10 value. 11 Not only did I ask Sheri Dillon and Eric Trump about 12 the lot yield, as we call it, I asked to speak to their 13 engineer. So I always like to go to a third party who's been in 14 the ground, measuring, calculating, deeply involved with zoning 15 regulations and they quickly directed me to a company called 16 Insight. And I had at least one or two phone calls and my -- 17 the objective of those phone calls was to get comfortable with 18 the lot yield, the number of lots that would be yielded absent 19 the two homes. 20 Q So this was a process of you attempting to gather 21 information from the client about how to conduct -- the inputs 22 that you needed to conduct analysis? 23 A I needed a lot of input for this because this was not a 24 final map, so it's always fluid and there are obstacles and I 25 elected to, you know, I thought Insight was a great source and</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1993</p> <p>1 received and marked Plaintiff's Exhibit Number 181 in 2 evidence.) 3 Q Mr. McArdle, let me know whether you recognize this 4 spreadsheet. 5 A I do recognize the spreadsheet. 6 Q And can you very briefly tell me what it is and then we 7 can ask some questions about it. 8 A Yes. This is the sellout analysis spreadsheet that I 9 contained in my work file in preparation for a verbal delivery 10 to the client. It's basically a compressed version of what we 11 just looked at on the previous exhibit. Here, we're assuming 12 eight lots in Bedford, six lots in New Castle and ten lots in 13 North Castle. 14 We also decided based on market conditions that it 15 would probably take six years to sell these lots. This type of 16 analysis not only does it account for the sale of the lots, but 17 looks like the other project we discussed it -- you are going to 18 incur expenses as you go along and the rows in the bottom left 19 of this exhibit are just that, you know, the expenses that we 20 would normally deduct for this type of analysis would be, you 21 know, your property taxes, any kind of dues related to the 22 homeowner's association, if there is one. Certainly sales 23 commissions and soft costs; legal, marketing, overhead, site 24 costs. So they are all deducted from the gross retail proceeds 25 which leaves you with a net cash flow each year and then from</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1992</p> <p>1 spoke to, of course, Sheri and Eric Trump and all parties kind 2 of led me to the conclusion that we were dealing with, you know, 3 there might be some movement, but it seemed like it was 24 to 26 4 lots. 5 Q Sorry. Just going kind of back. I appreciate the 6 explanation. When you were discussing this range of values I 7 think you said this is before discounting? 8 A Yes. 9 Q Can you explain what that means? 10 A Sure. Similar to the Briarcliff analysis we were 11 talking about earlier it's basically the same sellout analysis 12 except this is more simplistic. This just assumes the 13 absorption or sales to individual lots to individual 14 homebuilders or homeowners over the course of time. So it's 15 merely, you know, you gather your number of lots, you have an 16 estimated value per lot and you just chart them out over a time 17 horizon in a DCF model. 18 Q So this hasn't been discounted? 19 A This has not been discounted. 20 Q Can I now put up and show you PX 182? It's another 21 spreadsheet. And before we leave that one, I'd like to move to 22 admit Plaintiff's 181 into evidence. 23 MR. FIELDS: Statute of limitations. 24 THE COURT: Overruled. It's in evidence. 25 (Whereupon, the item previously referred to is</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1994</p> <p>1 there we just discount back the -- those proceeds from each year 2 and you can see after discounting the final value estimate was 3 close to just under \$30 million. 4 Q Thank you. 5 MR. GABER: I'd ask this be admitted into evidence. 6 MR. FIELDS: Statute of limitations. 7 THE COURT: Overruled. It's in evidence. 8 (Whereupon, the item previously referred to is 9 received and marked Plaintiff's Exhibit Number 182 in 10 evidence.) 11 Q So following these two analyses, the valuation you did 12 and the subdivision analysis, were you prepared to present range 13 of values to the client to complete the engagement as made out 14 in the engagement letter? 15 A Yes, I was. These sheets were developed for me 16 internally, so I could have a fruitful, you know, verbal phone 17 call with the client. 18 MR. GABER: So I'd like to now show the witness 19 Plaintiff's Exhibit 3188. 20 Q Mr. McArdle, let me know if you recognize this 21 document. 22 A Yes, I recognize these documents as e-mails between 23 myself, Eric Trump and Sheri Dillon trying to establish a good 24 time to discuss my findings. 25 MR. GABER: I would ask this be admitted into</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1995</p> <p>1 evidence.</p> <p>2 MR. FIELDS: Statute of limitations.</p> <p>3 THE COURT: Overruled.</p> <p>4 (Whereupon, the item previously referred to is</p> <p>5 received and marked Plaintiff's Exhibit Number 3188 in</p> <p>6 evidence.)</p> <p>7 Q Okay. So Mr. McArdle, the top e-mail here is from Eric</p> <p>8 Trump. It's to you and Sheri Dillon. Eric Trump says:</p> <p>9 "Sheri, by that point ideally, you will have seen the</p> <p>10 draft appraisal. Assuming we are all in the same ballpark after</p> <p>11 the call, we can finalize and hopefully put this to bed."</p> <p>12 Can you understand -- can you tell me what you</p> <p>13 understood by Eric Trump's message here?</p> <p>14 A It's a little confusing. The final product under this</p> <p>15 engagement was merely a verbal phone call, me conveying our</p> <p>16 final value conclusions to the client. So finalizing and</p> <p>17 putting it to bed, that -- I think Eric's using some loose</p> <p>18 language there. I can't really -- I don't know what he was</p> <p>19 thinking, but in my mind we were -- this was the -- we were at</p> <p>20 the finish line.</p> <p>21 Q So your understanding was you were setting up a call to</p> <p>22 convey the results of your --</p> <p>23 A Absolutely.</p> <p>24 Q So I'd like to now show you -- this is Plaintiff's</p> <p>25 Exhibit 3206. Let me know if you recognize this.</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1997</p> <p>1 half million dollar value that you had in your spreadsheet to</p> <p>2 Eric Trump and Sheri Dillon on that call?</p> <p>3 A Most likely, yes.</p> <p>4 Q When you say "most likely," can you elaborate on or be</p> <p>5 more specific?</p> <p>6 A Yes. The focus was more on the retail, what they could</p> <p>7 sell retail. So I know we talked about the ranges and I think</p> <p>8 ended up being around \$2 million per lot.</p> <p>9 The sellout analysis is a secondary concern to them,</p> <p>10 but it was -- I think they wanted to get comfortable with, you</p> <p>11 know, what each lot was worth. I mean, certainly throughout</p> <p>12 most of the assignment that's where their focus was.</p> <p>13 Q And the retail analysis is the first spreadsheet that</p> <p>14 we looked at, that's correct?</p> <p>15 A That's right.</p> <p>16 Q So that range was 30 to \$50 million?</p> <p>17 A That was 30 to 50. However, I did elect to lean</p> <p>18 towards the 50, which was in my mind very, very well supported</p> <p>19 based on all the research that we talked about.</p> <p>20 Q As an undiscounted retail?</p> <p>21 A Undiscounted, correct.</p> <p>22 Q Okay.</p> <p>23 MR. GABER: I ask that Plaintiff's 169 be moved</p> <p>24 into evidence.</p> <p>25 MR. FIELDS: Statute of limitations.</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 1996</p> <p>1 A Looks like just another e-mail from Eric to me setting</p> <p>2 up the final call.</p> <p>3 Q Okay.</p> <p>4 MR. GABER: I would ask that this be moved into</p> <p>5 evidence.</p> <p>6 MR. FIELDS: Statute of limitations.</p> <p>7 THE COURT: Admitted into evidence. Objection</p> <p>8 overruled. It's in.</p> <p>9 (Whereupon, the item previously referred to is</p> <p>10 received and marked Plaintiff's Exhibit Number 3206 in</p> <p>11 evidence.)</p> <p>12 MR. GABER: I'm handing the witness Plaintiff's</p> <p>13 Exhibit 169 for identification.</p> <p>14 Q Mr. McArdle, let me know if you recognize this.</p> <p>15 A This is an internal Cushman &amp; Wakefield e-mail from</p> <p>16 myself to our top administrator in New York and my nephew who</p> <p>17 works with me just explaining that this consulting assignment</p> <p>18 has been completed, reminding her there is no report to --</p> <p>19 written report to put in our files and the verbal consulting was</p> <p>20 completed.</p> <p>21 Q What do you mean by "the verbal consulting was</p> <p>22 completed?"</p> <p>23 A I mean we would have had a call with Sheri and Eric</p> <p>24 regarding the final values.</p> <p>25 Q And you would have conveyed the value -- the 29 and a</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 1998</p> <p>1 THE COURT: Overruled.</p> <p>2 (Whereupon, the item previously referred to is</p> <p>3 received and marked Plaintiff's Exhibit Number 169 in</p> <p>4 evidence.)</p> <p>5 Q So Mr. McArdle, I'm going to show you what we've marked</p> <p>6 as Plaintiff's Exhibit 911. Please read it and let me know if</p> <p>7 you recognize it.</p> <p>8 A Yes, I'm familiar with these e-mails between Eric Trump</p> <p>9 and myself and Sheri Dillon as well.</p> <p>10 Q Okay.</p> <p>11 MR. GABER: I'd ask this be moved into evidence.</p> <p>12 MR. FIELDS: Statute of limitations.</p> <p>13 THE COURT: Overruled. It's in evidence.</p> <p>14 (Whereupon, the item previously referred to is</p> <p>15 received and marked Plaintiff's Exhibit Number 911 in</p> <p>16 evidence.)</p> <p>17 Q So Mr. McArdle, just put this in front of you. Just to</p> <p>18 confirm, the second e-mail from you to Eric Trump asks for</p> <p>19 dial-in instructions for a 9:00 a.m. call on the 25th of August.</p> <p>20 The top e-mail says: "Thanks, David. Speak to you soon." It</p> <p>21 looks like it was at 8:30 a.m. Is this the -- would this be the</p> <p>22 date of the call that you had mentioned that you had with Sheri</p> <p>23 Dillon and Eric Trump where you communicated the range of</p> <p>24 values?</p> <p>25 A I honestly don't know if that was the date of the call.</p>

<p>D. McArdle - Plaintiff - direct (Gaber) Page 1999</p> <p>1 Q You don't know if it was -- does it seem likely that 2 this could have been that call? 3 A It could have been, but I don't have a hundred percent 4 recall. 5 Q Okay. But when you wrote on the 8th of September that 6 all verbal consulting had been completed and you just told me 7 that you did have that call, you just not certain of the exact 8 date of it, but you -- 9 A I definitely had that call. 10 Q Okay. Add this point I'd like to show you Plaintiff's 11 Exhibit 133. Take a look at it, please, and let me know if you 12 recognize it. 13 A Yes, I am familiar with this. It's a letter of 14 engagement again between myself and Cushman &amp; Wakefield and Eric 15 Trump of Seven Springs LLC. 16 MR. GABER: I'd ask that this be moved into evidence. 17 MR. FIELDS: Statute of limitations. 18 THE COURT: Overruled. It's in evidence. 19 (Whereupon, the item previously referred to is 20 received and marked Plaintiff's Exhibit Number 133 in 21 evidence.) 22 Q And Mr. McArdle, is the scope of work for this 23 engagement, which is on Cushman &amp; Wakefield letterhead this time 24 and addressed to Eric Trump, as you said, is it the same or 25 similar to the engagement where you were just discussing the</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 2001</p> <p>1 MR. FIELDS: Statute of limitations. 2 THE COURT: Overruled. It's in evidence. 3 (Whereupon, the item previously referred to is 4 received and marked Plaintiff's Exhibit Number 185 in 5 evidence.) 6 Q I'd like to hand you Plaintiff's Exhibit 104. Please 7 take a look at it and let me know if you recognize that. 8 We caught up to yourself perhaps. Do you know what 9 this document is? 10 A This is again an engagement for Seven Springs between 11 Cushman &amp; Wakefield and Eric Trump. This is the document I 12 thought I had in my hands a couple minutes ago. This is a 13 request to go forward with a full comprehensive appraisal report 14 for the subject property we've been discussing. 15 MR. GABER: I'd ask that this document be moved 16 into evidence. 17 MR. FIELDS: Statute of limitations. 18 THE COURT: Overruled. It's in evidence. 19 (Whereupon, the item previously referred to is 20 received and marked Plaintiff's Exhibit Number 104 in 21 evidence.) 22 Q Could you look at page six, Mr. McArdle? 23 A Okay. 24 Q So in addition to your signature on the Cushman &amp; 25 Wakefield, there is another signature here. Can you explain</p>
<p>D. McArdle - Plaintiff - direct (Gaber) Page 2000</p> <p>1 consulting engagement? 2 A This is an extension of the work that I started at the 3 property. The scope is very different. As we know my 4 involvement was very preliminary factfinding for the family and 5 Sheri Dillon to make a business decision on going forward with 6 the conservation easement. 7 This engagement I believe is intended to take it to the 8 next step and start to -- and produce a written report with a 9 more comprehensive report to get them closer to a potential 10 conservation easement donation. 11 Q Do you know if this engagement was completed? 12 A Yes, it was. 13 Q Maybe I can clear things up. 14 Mr. McArdle, I'd like to show you Plaintiff's 15 Exhibit 185. Do you recognize this e-mail? 16 A I may have been mistaken. There was a termination. 17 I'm getting ahead of myself. They're so similar. I believe 18 there was a termination of the idea of producing that written 19 report. 20 Q Okay. 21 A And this appears to prove that. 22 Q I'm glad I can refresh your recollection. 23 A Thank you. 24 MR. GABER: I'd ask that this document be moved 25 into evidence.</p>	<p>D. McArdle - Plaintiff - direct (Gaber) Page 2002</p> <p>1 whose signature that is? 2 A Sure. At this point it would've been logical for me to 3 continue with this engagement but I had a tremendous workload at 4 the time and elected to bow out of continuing my work on the 5 Seven Springs property. I have a very capable, competent senior 6 appraiser in my office that I asked to continue with this task, 7 so I sort of served as a conduit here maintaining the 8 relationship with Cushman &amp; Wakefield, the Trump Organization, 9 Sheri Dillon. So I assisted with this new engagement 10 recognizing that Tim Barnes was going to take over and complete 11 the assignment in its entirety and I would exit from the whole 12 process. So we thought it was not appropriate to not only have 13 me sign it but Tim as well since Tim would be signing the final 14 document. 15 Q Is there anything else you remember about the 16 transition of this engagement to yourself from Mr. Barnes? 17 A Well, it's a unique assignment, a unique property, so 18 we did have some discussions early on, kind of called it the 19 hand off, handing off these one assignment from me to Tim. 20 I recall some brief conversations giving him a brief 21 overview on the property itself and some of the work I had 22 performed, which is logical. He's now got to step in and he's a 23 very independent appraiser and I did not have a lot of 24 interaction with him after that. He took hold of it 25 wholeheartedly and performed the assignment.</p>

1 Q Okay. So Mr. McArdle, just about done, but -- so we 2 talked about a number of engagements related to Seven Springs 3 and Briarcliff that you undertook, you know, with Sheri Dillon 4 and with Eric Trump and Trump Organization entities as your 5 clients, yes? 6 A Correct. 7 Q So I just wanted to show you a short clip from the 8 deposition of Eric Trump and just ask you a question about it 9 after it's played. This is starting from page 198, line ten of 10 the deposition. 11 (Whereupon, there is a pause in the proceedings.) 12 Q Mr. McArdle, is this consistent with your recollection 13 of Eric Trump's involvement in the engagements we've been 14 discussing today? 15 MR. ROBERT: Objection. 16 THE COURT: I don't think that's a proper question. 17 Is it consistent? I mean, you can ask something similar, 18 but is it consistent, that's, I guess, for the trier of 19 fact. 20 Q Was Mr. Eric Trump -- 21 THE COURT: Wait. 22 MR. ROBERT: Furthermore, Your Honor, two things: 23 One, is the government representing that the document 24 Mr. Trump is looking at there is Plaintiff's Exhibit 104 25 that the witness has here? Because this is from 2015. The		1 MR. ROBERT: That's -- 2 MR. GABER: Mr. Robert, I'm happy to tell you -- if 3 you let me finish. 4 THE COURT: One at a time, guys. 5 MR. ROBERT: I am not disputing the fact that you 6 can use a party's deposition for a purpose you want. What 7 I'm asking is for a point of clarification. Mr. Trump is 8 combing through a document, that's what you've asked the 9 witness about. I want to know if it's the same document the 10 witness has in front of him, that's all. Just so that 11 nothing is misleading. That's all my question is. 12 THE COURT: It doesn't matter, so objection 13 overruled. If that's the objection -- 14 MR. ROBERT: Thank you, Judge. 15 Q Now, do you recall that or do you believe that Eric 16 Trump was not involved in appraisals that you worked on? 17 MR. KISE: Objection. He never said Mr. Trump. 18 Never said he wasn't involved. He said he didn't remember, 19 so he's assuming facts not in evidence. 20 Q "I really haven't been involved in the appraisal work 21 on this property," 199:06, 199:07. 22 Does that conform to your recollection of events? 23 A No. 24 MR. GABER: Thank you. No further questions. 25 THE COURT: Counselors, what next?	
D. McArdle - Plaintiff - direct (Gaber)	Page 2004		Page 2006
1 question appears to be 2014 that you asked on the video. 2 So is Mr. Trump looking what the witness has now? 3 THE COURT: Yes, I don't think that matters? 4 MR. AMER: I don't think that matters. 5 MR. ROBERT: It does. 6 THE COURT: No, it doesn't. He's asking does he 7 know who he is, did he work with him. It doesn't matter 8 what year. 9 MR. ROBERT: But if you listen to the words 10 Mr. Trump is saying, he's talking about Sheri Dillon's name 11 and I don't see Sheri Dillon on this document. That's why I 12 want to know if it's the same document or not. 13 MR. AMER: Again, it doesn't matter, Your Honor. 14 He was asked questions, he gave testimony. This is 15 evidence. It's a party admission against interest. It's 16 evidence, it comes in. 17 MR. ROBERT: Evidence of what? 18 MR. GABER: We can turn to the CPLR. 19 MR. ROBERT: Please. 20 MR. GABER: 3117 (A) (2): "The deposition 21 testimony of a party or of any person who was a party when 22 the testimony was given or of any person who at the time the 23 testimony was given was an officer, director, member, 24 employee, a managing or authorized agent." 25 THE COURT: Wait.		1 MR. FIELDS: Your Honor, it's 4:22. Would the 2 Court's preference be to begin tomorrow morning? 3 THE COURT: I couldn't tell who said that. 4 MR. FIELDS: That's okay. I'm used to people not 5 remembering my voice, which is generally a good thing. 6 THE COURT: You are being blocked also by the 7 screen. We're not going to be done, but we can use the 8 eight minutes. Let's use it. We only have another two and 9 a half months. 10 Okay, let's proceed with the cross examination of 11 this witness by Mr. Field -- it's Fields; right? 12 MR. FIELDS: Yes, Your Honor. 13 THE COURT: I'm sorry. I said Field. It's Fields. 14 Transcript continues on the following page.... 15 16 17 18 19 20 21 22 23 24 25	

<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2007</p> <p>1 THE COURT: Let's go to 4:40 today considering 2 everything including breaking early tomorrow. So you have 3 15 minutes. 4 MR. FIELDS: Thank you, your Honor. 5 Q Good afternoon, Mr. McArdle. My name is Lazaro Fields. 6 I represent some of the defendants in this action. I am going 7 to ask you a few questions. Is that okay? 8 A Yes. 9 Q I just want to be clear that you recall being shown 10 several appraisals and draft appraisals by the government in 11 your examination? 12 A Correct. 13 Q And are all of the appraisals that the government 14 showed you related to conservation easements? 15 A Yes, they were. 16 Q So the testimony that you gave on direct examination 17 was just limited to conservation easements, correct? 18 A The appraisal data we went over today was related to 19 conservation easements. 20 Q Is that an area that you focus in, that you specialize 21 in? 22 A Yes, I have. 23 Q And are those conservation easements different than 24 standard market value appraisals that other Cushman &amp; Wakefield 25 professionals may perform?</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2009</p> <p>1 A It is. 2 Q And just generally, what is that requirement under 3 USPAP? 4 A Seven years. 5 Q But what does the guideline provide? What does it 6 suggest to you that you need to keep or maintain? 7 A Oh -- well, whatever we feel is relevant and pertinent 8 to the assignment at hand. It is mostly electronic nowadays. 9 Any kind of research or pertinent information, surveys, photos, 10 some -- any kind of notes that we take, we try to, you know, 11 deposit them in the folder at the end of the assignment. 12 Q So then would it be fair to say that anything that you 13 relied on in an appraisal would be contained within that file or 14 would there be things not contained within the file that you may 15 have relied on in an appraisal? 16 A There might be things that don't quite make it in there 17 in this day and age. You know, reading it through that 18 articles. Electronic articles don't always make it in there 19 but, you know, you're building a file mentally and also you have 20 an obligation to, you know -- anything physical to, you 21 know -- you might put in there. 22 Q In terms of Cushman &amp; Wakefield's recordkeeping 23 practice, is there an electronic database that you use to 24 maintain your files? 25 A Yes, there certainly is. We have a network drive.</p>
<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2008</p> <p>1 A Yes, there's a nuance to them. 2 Q Could you just briefly describe what the differences 3 are between the two? 4 A Well, we talked about it today a little bit. Large 5 majority of the appraisal for conservation easement is 6 fundamental real estate valuation. Talked about valuation of 7 general valuation of land, valuation of potential build-out of a 8 townhouse project, talked about single-family home valuation. 9 We talked about the golf and country club valuation, the 10 differences in some of the adjustments that have to take place 11 after those values are established in some determinations or 12 estimates on how one value might impact the other. 13 Q What are some of the differences among the adjustments 14 that have to be made? 15 A Well, in looking at the Briarcliff, for example, we had 16 to weigh whether or not the potential condominium project or 17 townhouse project would benefit the golf club or detract from 18 it. And in that report, there's great detail given to and 19 thought given to some of the positive attributes and some of the 20 negatives. 21 Q And is there a recordkeeping practice among appraisers 22 in terms of maintaining records that you use to conduct an 23 appraisal? 24 A Very much so. We're obligated to maintain files. 25 Q And is that under the USPAP guidelines?</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2010</p> <p>1 Q Is that network drive assessable -- withdrawn. 2 Can you as a Cushman &amp; Wakefield employee access the 3 files of another appraiser at Cushman &amp; Wakefield? 4 A Yes, if it is within the same office. In other words, 5 New York colleagues can access other New York colleagues' work. 6 Q And are there instances in which an appraiser is walled 7 off from obtaining the file of another appraiser? 8 A No. I mean, some people have subfolders. There are 9 basically two depositories, so, you know, it may be in one of 10 two areas for the most part, but they're not very difficult to 11 obtain. 12 Q And would you agree with me that in conducting 13 appraisals, that you rely on engineers and architects, among 14 others, to inform you as to material issues within an appraisal? 15 A Depending on the complexity of the asset, we 16 often -- you know, in addition to the client, we're often 17 directed to a professional such as an engineer, surveyor or 18 construction manager. However, it relates to the project at 19 hand. So yes, third parties are critical sources for us. 20 Q And when conducting a conservation easement appraisal, 21 are you permitted to assume hypothetical conditions? 22 A I think you'd have to be a little more specific on 23 that. 24 Q Sure. So, for instance, with zoning, if you're 25 conducting a conservation easement appraisal and there's a</p>

<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2011</p> <p>1 zoning issue on day one, does that necessarily mean that on day 2 two, that zoning issue would still persist and how does that 3 factor into your approach? 4 A Let me say every assignment is different and we treat 5 them on a case by case basis. Sometimes there is a need for a 6 hypothetical condition or extraordinary assumption especially 7 when things are not black and white and may be in transition. 8 Q You said hypothetical condition and/or extraordinary 9 assumption. Are they the same or are they different terms? 10 A They are slightly different. 11 Q What are the differences? 12 A Hypothetical would be the condition absolutely does not 13 exist and we're going to bypass it and make an exception or make 14 an assumption. An extraordinary assumption is softer, something 15 that, you know, it is a fair judgment to make to move the 16 appraisal to the finish line and it's sort of a flag that we 17 raise to the client that, you know, we -- we had to assume 18 this. There might have been a bit of information that was 19 lacking and in order to complete the appraisal, we feel like 20 it's appropriate to use this assumption. And by the way, you 21 know, it's bolded in many, many places in the report. 22 Q Did you employ any extraordinary assumptions in the 23 appraisals or draft appraisals that you discussed with 24 government counsel on direct examination? 25 A I'm not sure I understand the question.</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2013</p> <p>1 A I do. 2 Q And you also testified, I believe, that a property 3 owner knows the property just about better than anybody else; is 4 that accurate? 5 A Oftentimes, that is the case. 6 Q And that's why a property owners for you are crucial to 7 communicating with to understand the property better, right? 8 A They are a big part of our, you know, exploratory work. 9 THE COURT: Five-minute warning. 10 Q And would you agree that the client has input in the 11 value that you ultimately arrive at? 12 A No, I would not agree with that. 13 Q The client has no input? 14 A He has input in the physical description of the 15 property, but ultimately, it's our conclusion based on a number 16 of facts that we discovered and got comfortable with over the 17 process of writing the appraisal, so... 18 Q Fair. And I'm not trying to suggest that the client's 19 value has to be your value. My question is more is it standard 20 practice for a client to advocate for their property to their 21 appraiser. 22 A I would not call it standard practice, but, you know, 23 I've seen it before over my long career and, you know, it 24 was -- you know, it happens. It happens as a course of doing 25 business.</p>
<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2012</p> <p>1 Q Well, were there any extraordinary assumptions -- was 2 the term "extraordinary assumptions"? 3 A Yes. 4 Q Did you assume any extraordinary assumptions in the 5 appraisals that you discussed with government counsel on direct 6 examination? 7 A I think we may have made some assumptions on Seven 8 Springs because that property was in transition at the time. 9 MR. KISE: One quick housekeeping point that we 10 just missed. So the video clip that they played of Eric 11 Trump, the record has it starting at page 198, line ten in 12 the deposition, but it doesn't say when it ended. Do we 13 know what the last -- where it went through just so we have 14 it because it is not in the record and they, of course, 15 didn't type out -- 16 MR. GABER: It was at the bottom of the video, 17 but -- 18 MR. GABER: Page 199, line 20. 19 THE COURT: Please continue. 20 Q Mr. McArdle, at the beginning of your examination with 21 Mr. Gaber, you discussed the Briarcliff appraisal. Do you 22 recall that generally? 23 A Certainly. 24 Q And you had a discussion with Mr. Gaber about how 25 important it was to know your client. Do you remember that?</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2014</p> <p>1 Q And it is not unusual for that to happen? 2 A It's not unusual. 3 Q And, of course, a client can have their own opinion of 4 value that may differ from your opinion of value, correct? 5 A Well, absolutely. 6 Q And that is, I'm sure, common practice in your 7 experience as well? 8 A It's common practice, but ultimately, we're the ones 9 calling the value. 10 Q You also discussed with Mr. Gaber the highest and best 11 use analysis. Do you recall that? 12 A Sure. 13 Q And I think you said there are four steps perhaps. The 14 first was legally permissible; the second, physically possible; 15 and the third, feasible; finally, the fourth most profitable? 16 A That's correct. 17 Q Is that a standard set of steps that you undertake into 18 valuing a conservation easement? 19 A Yes, because, you know, ultimately, it was the 20 valuation of the land. Whether it was for conservation or not, 21 that test was still very relevant in the process. 22 Q And would you agree with me that different appraisers 23 could look at these factors differently? 24 A In some cases, but I think on a lot of properties, the 25 appraisers often default to a very similar highest and best use.</p>

D. MCARDLE - CROSS(MR. FIELDS)	Page 2015	D. MCARDLE - CROSS(MR. FIELDS)	Page 2017
<p>1 Q And in terms of specifically conservation easement</p> <p>2 appraisals, would you agree with me that there are</p> <p>3 subjectivities that appraisers have to comb through, authorized</p> <p>4 to come to a conclusion on value?</p> <p>5 A There is some subjectivity. There is some objectivity</p> <p>6 in the beginning and then there is some subjectivity more</p> <p>7 towards the end with the final value conclusion.</p> <p>8 Q And again, reasonable appraisers exercising their</p> <p>9 judgment could differ as to some of the subjectivities in</p> <p>10 valuating a property?</p> <p>11 A More times than not, we gravitate towards each other if</p> <p>12 we are given the same set of circumstances or property. The</p> <p>13 variances are really -- normally not too wide.</p> <p>14 Q But it is possible?</p> <p>15 A It is possible.</p> <p>16 Q You discussed with Mr. Gaber briefly the subdivision</p> <p>17 sell-out analysis. Do you recall that?</p> <p>18 A I do.</p> <p>19 Q When you are conducting a subdivision sell-out</p> <p>20 analysis, are you assuming -- you are assuming a set of facts</p> <p>21 as to how many homes could be built, right? Is that fair?</p> <p>22 A Yeah, that's one component of it. Certainly, we want</p> <p>23 to put our arms around how many units are in play for sure.</p> <p>24 Q And where does that information come from generally?</p> <p>25 A That information -- my first source would be the owner</p>		<p>1 continuing tomorrow.</p> <p>2 Just one quick observation. Common sense tells me</p> <p>3 that different appraisers could appraise a different</p> <p>4 property different. How differently, that's another</p> <p>5 question. To ask every witness over and over again could</p> <p>6 different appraisers appraise a given property differently</p> <p>7 seems to me to just be wasting time.</p> <p>8 MR. KISE: The only point I'll make on that is</p> <p>9 we've listened to what I would say in the last two days</p> <p>10 excruciating questions from the government asking about</p> <p>11 who's on the "re" line and who's on the "bcc" line.</p> <p>12 I don't recall you respectfully hurrying them, so</p> <p>13 we are trying to move through our examination efficiently,</p> <p>14 but there are points we believe we need to make. We will</p> <p>15 take your advice as we always do, but it always seems like</p> <p>16 when there's a hurry up on the clock, it's our side that's</p> <p>17 being hurried up and not theirs.</p> <p>18 THE COURT: Well, I'm sorry you feel that way. I</p> <p>19 want everybody to be efficient and I just want to make clear</p> <p>20 what I said initially here. I'm not stopping you from doing</p> <p>21 it.</p> <p>22 MR. KISE: I know.</p> <p>23 THE COURT: You know me well enough.</p> <p>24 MR. KISE: I do. Thank you.</p> <p>25 THE COURT: All right. Tomorrow at ten o'clock.</p>

<p>1 and again, they typically own their property, know their</p> <p>2 property better than anybody, and if it is a complex property,</p> <p>3 the -- they often direct us to their third-party surveyors,</p> <p>4 engineers, contractors and we always like to get verification.</p> <p>5 Rarely will we just take an owner's word for it. We also go to</p> <p>6 step two to, you know, assure ourselves that the information is</p> <p>7 well supported from a third party.</p> <p>8 THE COURT: One-minute warning.</p> <p>9 Q Mr. McArdle, Mr. Gaber showed you an e-mail at the</p> <p>10 beginning of his examination where you wrote to Eric Trump,</p> <p>11 "Thank you for the opportunity." Do you generally recall that</p> <p>12 e-mail?</p> <p>13 A Yes, I do.</p> <p>14 Q Were you excited about the opportunity to work on some</p> <p>15 of these Trump properties?</p> <p>16 A Yeah. We're a large firm and we were proud to be</p> <p>17 working with the Trump Organization.</p> <p>18 Q You hadn't done work with them before? This was a new</p> <p>19 client for you?</p> <p>20 A I had done work with them before. The company had been</p> <p>21 working with them and we were delighted to join up again on a</p> <p>22 new assignment.</p> <p>23 MR. FIELDS: Your Honor.</p> <p>24 THE COURT: Okay. I'll direct the witness not to</p> <p>25 discuss this case or your testimony because you'll be</p>		<p>1 See you all then.</p> <p>2 (Witness exits the stand.)</p> <p>3 (Whereupon, the trial was adjourned to October 20,</p> <p>4 2023 at 10:00 a.m.)</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

I spoke to defendants, 13 both on and off the record. 14 15 Off the record, I ordered Donald Trump to remove 16 the post immediately. Approximately ten minutes later, 17 Donald Trump represented to me that he had taken down the 18 offending post and that he would not engage in similar 19 behavior going forward. I then, on the record, imposed on 20 all parties to this action a very limited gag order, 21 "forbidding all parties from posting, e-mailing or speaking 22 publicly about any members of my staff," emphasizing, quite 23 clearly, that "personal attacks on members of my court staff 24 are unacceptable, inappropriate, and I will not tolerate 25 them under any circumstances." I further made clear that "failure to abide by this directive will result in serious sanctions." Despite this</p>

ROBINSON, CSR JANELLE LONDON, RMR, CRR</p>	<p>1 clear order, last night I learned that the subject offending 2 post was never removed from the website "DonaldJTrump.com," 3 and, in fact, had been on that website for the past 17 days. 4 I understand that it was removed late last night, but only 5 in response to an e-mail from this Court. 6 7 In the current overheated climate, incendiary 8 untruths can, and in some cases already has, led to serious 9 physical harm and worse. 10 11 I will now allow defendants an opportunity to 12 explain why this blatant violation of a gag order should not 13 result in serious sanctions including financial penalties 14 holding Donald Trump in contempt and/or possibly imprisoning 15 him. 16 Defendants. 17 MR. KISE: Good morning, Your Honor. 18 THE COURT: Good morning. 19 MR. KISE: Let me begin by saying what I am going 20 to tell you is based on my understanding. 21 THE COURT: Sure. 22 MR. KISE: Because as my staff will clearly affirm, 23 I am the least technological person. I don't even have my 24 corporate e-mail on my phone. So based on my understanding, 25 what has happened here is truly inappropriate. So there were no new postings of any kind after October 3rd. The Truth Social post was taken down as of when President Trump</p>

<p>1 represented in court, absolutely.</p> <p>2 My understanding of what happens, though, with the</p> <p>3 campaign machinery is as follows. So the Truth Social post,</p> <p>4 and I believe this happens with all social posts, they are</p> <p>5 captured and published on the website as what's called an</p> <p>6 ICYMI e-mail, which is an "In Case You Missed It" e-mail,</p> <p>7 which is what the link was that you sent last night.</p> <p>8 The campaign communication team sends out press</p> <p>9 releases as a matter of course as I understand. They are</p> <p>10 just packaged all and I think -- I will get to that in a</p> <p>11 minute. The press releases take the "truths" and they're</p> <p>12 marked [sic] up in Nucleus, that's the web provider Nucleus,</p> <p>13 and then they're teed up as an FYI e-mail that is sent in</p> <p>14 e-mail via Nucleus to the e-mail, the campaign e-mail list.</p> <p>15 THE COURT: Just let me interrupt one second. Do</p> <p>16 we know how many people are on the campaign e-mails?</p> <p>17 MR. KISE: I do not at this moment, but I can find</p> <p>18 that out for the Court. That's a fair question and the</p> <p>19 Court -- I think you noted this at the hearing because you</p> <p>20 stated, and this was based on our conversations I think off</p> <p>21 record, that I have since ordered the post deleted.</p> <p>22 Apparently, it was, but it was also e-mailed out to</p> <p>23 millions of other recipients. I think that's right. I</p> <p>24 could get you the precise number, but as you observed that</p> <p>25 day, that apparently is what happens, is that Truth and then</p>		<p>1 post down and it would be removed.</p> <p>2 So this is just part of the, for lack of a better</p> <p>3 word, unfortunate part of the process that is built into the</p> <p>4 campaign structure as I understand it, that all of his Truth</p> <p>5 posts are wrapped up and sent out by Nucleus and then sent</p> <p>6 out in these "In Case You Missed It" e-mails.</p> <p>7 So it is unfortunate. I certainly apologize on</p> <p>8 behalf of my clients and I can get further assurance from</p> <p>9 the tech people as to the number the e-mail went out to and</p> <p>10 re-confirmation that anything we have control over has been</p> <p>11 completely removed and deleted.</p> <p>12 THE COURT: I take issue with one thing you said,</p> <p>13 which I don't know, but when you said that he -- that</p> <p>14 Donald Trump ordered the post removed in my presence, no, he</p> <p>15 didn't. He went outside --</p> <p>16 MR. KISE: Okay. Okay. That's fair. He may not</p> <p>17 have. I don't remember the chain of events. I know that he</p> <p>18 did. I can assure you that he did and his communications, I</p> <p>19 believe, so there was no intention to evade or circumvent or</p> <p>20 ignore the order. I can assure you that. I just know that</p> <p>21 this is a very large machine and this is how it is. One of</p> <p>22 the reasons, frankly, I don't have social media because</p> <p>23 these things get away from you very, very rapidly, quite</p> <p>24 honestly, but that's it. It has been taken down and we</p> <p>25 don't have any other -- there were no subsequent postings,</p>	
PROCEEDINGS	Page 2024	PROCEEDINGS	Page 2026
<p>1 it is packaged up by Nucleus and it is just sent out as an</p> <p>2 e-mail. Those e-mails cannot be recalled. The Truth post</p> <p>3 was taken down. Nothing further has been posted on Truth.</p> <p>4 President Trump has not made any statements of any kind</p> <p>5 about court staff, has abided by the order completely; but</p> <p>6 it appears no one also took down the ICYMI, In Case You</p> <p>7 Missed It, link that's in the campaign website in the back</p> <p>8 pages.</p> <p>9 So, again, this is my understanding, so bear with</p> <p>10 me, if you go to the website, there's a link for news and</p> <p>11 then you go to the link for news, that brings up other</p> <p>12 things and then part of that is a whole bunch of these</p> <p>13 ICYMI, In Case You Missed It links. So that link was</p> <p>14 not -- it appears was not taken down from the campaign</p> <p>15 website. The link has now been taken down as you observed</p> <p>16 and there is nothing else out there and I will get further</p> <p>17 confirmation of this, but I had confirmation last night and</p> <p>18 again this morning that we have no control over what is</p> <p>19 being published.</p> <p>20 So truly, this appears to be inadvertent between</p> <p>21 the campaign Nucleus and it is a very large operation. I'm</p> <p>22 not offering that by way of excuse. I'm just explaining the</p> <p>23 circumstances. It is clear that President Trump directed</p> <p>24 that this be done. I mean, he did it in my presence. He</p> <p>25 did it in your presence. He affirmed that he was taking the</p>		<p>1 meaning that since the order was entered, my understanding</p> <p>2 is that there was nothing -- no further comment, no</p> <p>3 further -- it was all part of this process that sent it out</p> <p>4 and left it on the website in the back pages.</p> <p>5 THE COURT: Thank you.</p> <p>6 Mr. Robert, anything to add?</p> <p>7 MR. ROBERT: On behalf of my clients, I join in</p> <p>8 what Mr. Kise said. Thank you, your Honor.</p> <p>9 THE COURT: Plaintiff, anything to -- any</p> <p>10 comments?</p> <p>11 MR. WALLACE: Nothing from the Attorney General,</p> <p>12 Your Honor.</p> <p>13 THE COURT: I'll take this under advisement, but I</p> <p>14 want to make clear that Donald Trump is still responsible</p> <p>15 for the large machine even if it is a large machine.</p> <p>16 All right. We have some scheduling issues. I'm</p> <p>17 turning the microphone over to my principal law clerk.</p> <p>18 MS. GREENFIELD: We received, I know the parties</p> <p>19 are aware, we received a motion that was submitted last</p> <p>20 night by counsel for Ivanka Trump and I wanted to talk</p> <p>21 briefly to the parties about a briefing schedule for that.</p> <p>22 We'd like to obviously escalate that as quickly as possible</p> <p>23 and our intent as for right now is to try to schedule oral</p> <p>24 argument on that on a trial day, but to begin at 9:30 so as</p> <p>25 to not waste witness testimony.</p>

<p>1 OAG and defendants, to the extent that you want to</p> <p>2 brief on this issue, if you could let us know how soon you</p> <p>3 can get that done. We'd like to get this oral argument on</p> <p>4 the motion scheduled for next week, if possible.</p> <p>5 MR. WALLACE: Would you like us to huddle first?</p> <p>6 We will do so during the break.</p> <p>7 MS. GREENFIELD: Thank you.</p> <p>8 MR. KISE: One more minor scheduling. I mean, as</p> <p>9 long as we are on scheduling. Judge Cannon in the case in</p> <p>10 south Florida has ordered a hearing on November 1st.</p> <p>11 There's going to be some dialog. I understand that they are</p> <p>12 in court today on another issue unrelated to my client, but</p> <p>13 I'm trying to find out if Judge Cannon will allow me to</p> <p>14 appear on a Monday or Friday or perhaps by video on</p> <p>15 Wednesday. I just want to alert the Court that I'm -- I</p> <p>16 may ask you to be excused from trial for one of those days,</p> <p>17 whatever day the hearing is.</p> <p>18 THE COURT: All right. Thanks for the notice. We</p> <p>19 will deal with it if and when it comes out.</p> <p>20 MR. ROBERT: One other mechanical thing, Your</p> <p>21 Honor, if I may. We are going to be submitting to you the</p> <p>22 pro hac application of Ivan Feris and Jennifer Hernandez to</p> <p>23 help with the depositions next week since we are doing deps</p> <p>24 and trial. The Attorney General has no opposition and since</p> <p>25 one of the depositions is Monday, we would just ask that the</p>		<p>1 Farm subdivision; is that accurate?</p> <p>2 A He did.</p> <p>3 Q And this was, again, related to Seven Springs, right?</p> <p>4 A Related to Seven Springs, correct.</p> <p>5 Q This was Mr. David Turner?</p> <p>6 A Yes, it was.</p> <p>7 Q Would you agree that it is common in your industry to</p> <p>8 rely on real estate brokers for comparables?</p> <p>9 A It all depends on the assignment at hand. This</p> <p>10 assignment was unique. I wanted to make sure that I did the</p> <p>11 correct level of due diligence and I felt it was appropriate to</p> <p>12 bring in someone very local who had an understanding of the</p> <p>13 immediate land values in Bedford, New Castle, North Castle as an</p> <p>14 assist for the process. So in this case, it was appropriate to</p> <p>15 lean on a real estate broker.</p> <p>16 Q In large part, it was appropriate and it was in this</p> <p>17 case because the real estate broker has an appreciation for the</p> <p>18 local values of the land; is that fair?</p> <p>19 A It is fair.</p> <p>20 Q If I could, Mr. McArdle, if we could put up Plaintiff's</p> <p>21 132 that was admitted yesterday. I certainly don't intend this</p> <p>22 to be a Perry Mason moment, but I want to ask a clarifying</p> <p>23 question. If you recall there was some questioning with Mr.</p> <p>24 Gaber regarding the engagement and who the client was on the</p> <p>25 engagement. Do you generally recall that line of questioning?</p>

<p>1 Court sign the order as soon as possible. We will be UCF-g</p> <p>2 it this morning. Thank you.</p> <p>3 THE COURT: Granted.</p> <p>4 MR. ROBERT: Thank you.</p> <p>5 THE COURT: Let's get the witness.</p> <p>6 MR. FIELDS: We took Your Honor's direction to</p> <p>7 heart last night. This cross-examination will be</p> <p>8 exceedingly brief and we will get Mr. McArdle out for an</p> <p>9 early weekend and we can move forward.</p> <p>10 THE COURT: Okay.</p> <p>11 THE OFFICER: Witness entering.</p> <p>12 THE COURT: I will advise the witness, as I always</p> <p>13 do, that he is still under oath. Let's continue the</p> <p>14 examination by Mr. Fields.</p> <p>15 MR. FIELDS: Thank you, Your Honor.</p> <p>16 CROSS-EXAMINATION</p> <p>17 BY MR. FIELDS: (CONT'D)</p> <p>18 Q I have a series of short questions for you and we will</p> <p>19 have you on your way for the weekend.</p> <p>20 A Thank you.</p> <p>21 Q You testified yesterday, I believe it was, relating to</p> <p>22 Seven Springs, that you reached out to a real estate broker in</p> <p>23 the Connecticut area; is that correct?</p> <p>24 A He was based in Westchester County.</p> <p>25 Q And he had -- did he have knowledge of the Conyers</p>		<p>1 A Yes.</p> <p>2 Q Okay. Just for the record, where it says, "the parties</p> <p>3 to this agreement," in the middle of the page, would you agree</p> <p>4 with me that the two parties listed there are Cushman &amp;</p> <p>5 Wakefield Affiliated Company and Trump Briarcliff Manor</p> <p>6 Development, LLC?</p> <p>7 A Yes those are the parties to the agreement.</p> <p>8 Q If you would flip to the sixth page of the engagement</p> <p>9 letter.</p> <p>10 A Okay.</p> <p>11 Q Again, in the middle where it says, "agreed," it lists</p> <p>12 the client as Trump Briarcliff Manor Development, LLC, it has</p> <p>13 Mr. Eric Trump's signature and then underneath that, it says,</p> <p>14 "title EVP."</p> <p>15 Did you understand that to mean that he was signing as</p> <p>16 executive vice-president of that particular LLC?</p> <p>17 A Yes, that was my understanding.</p> <p>18 Q Thank you.</p> <p>19 MR. FIELDS: I apologize.</p> <p>20 THE COURT: "Thank you" isn't so bad. It is the</p> <p>21 "great" that I objected to.</p> <p>22 Q Again, also, Mr. McArdle, you worked with Sherri Dillon</p> <p>23 who was an attorney on behalf of some of the Trump related</p> <p>24 entities; is that fair?</p> <p>25 A That's correct.</p>	

<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2031</p> <p>1 Q Would you agree with me that Ms. Dillon is meticulous?</p> <p>2 A I would agree with that.</p> <p>3 Q Would you agree with me that Ms. Dillon is a good,</p> <p>4 diligent attorney?</p> <p>5 A Based on my experience with her, she appeared to be.</p> <p>6 MR. FIELDS: If I may, I'm going to hand up to the</p> <p>7 witness what's been marked for identification as Plaintiff's</p> <p>8 175.</p> <p>9 Q Take a look at this and let me know if you recognize</p> <p>10 it.</p> <p>11 A I do recognize this e-mail.</p> <p>12 Q And is this an e-mail between you and Mr. Timothy</p> <p>13 Barnes?</p> <p>14 A This is an e-mail from myself to a colleague at Cushman</p> <p>15 &amp; Wakefield, Timothy Barnes.</p> <p>16 MR. FIELDS: Your Honor, I move to admit</p> <p>17 Plaintiff's 175.</p> <p>18 MR. ROBERT: Again, this is one of the times when</p> <p>19 introducing an exhibit subject to our statute of limitations</p> <p>20 because questions were brought out on direct. Same as we've</p> <p>21 done in the past.</p> <p>22 THE COURT: I understand. The objection is noted.</p> <p>23 Overruled.</p> <p>24 MR. GABER: I want to note that there is a -- it</p> <p>25 is unclear whether or not this was a draft or whether it was</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2033</p> <p>1 legal staff for several years. Would that be Ms. Sherri Dillon?</p> <p>2 A That's correct.</p> <p>3 Q You noted that the assignment was not a great fit for</p> <p>4 you for several reasons. Was one of those reasons that you were</p> <p>5 extremely busy around this time?</p> <p>6 A That's correct. I had a very heavy workload and it</p> <p>7 really was not a good fit. I was hoping to serve some other</p> <p>8 clients, you know, do the right thing for them as well.</p> <p>9 Q And would it also be fair to say that Mr. Barnes had a</p> <p>10 little bit more subject matter expertise regarding this easement</p> <p>11 appraisal?</p> <p>12 A I wouldn't necessarily say he had more experience, but</p> <p>13 he was clearly competent and I believed that he could get the</p> <p>14 job done.</p> <p>15 Q And then the second to last line, Mr. McArdle, you note</p> <p>16 that the attorney is excellent. Who are you referring to when</p> <p>17 you refer to the attorney?</p> <p>18 A Sherri Dillon.</p> <p>19 Q And regarding Seven Springs, would you agree with me</p> <p>20 that Mr. Eric Trump had a view that when Seven Springs was</p> <p>21 developed, it would be equally comparable to Conyers Farms?</p> <p>22 A That was his view.</p> <p>23 Q And that's Mr. Trump felt that was one of the best</p> <p>24 comps to compare Seven Springs to; is that fair?</p> <p>25 A It was one of his favorite comps to promote.</p>
<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2032</p> <p>1 sent.</p> <p>2 THE COURT: You may ask the witness.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 Plaintiff's Exhibit 175.)</p> <p>5 Q Would you note, Mr. McArdle -- I will represent to you</p> <p>6 this was produced to us as you can see on the bottom -- scroll</p> <p>7 to the bottom.</p> <p>8 There is a Cushman &amp; Wakefield Bates number on the</p> <p>9 bottom, C&amp;W, do you see that?</p> <p>10 A Yes.</p> <p>11 Q I'll represent to you that this was produced as part of</p> <p>12 this litigation from Cushman &amp; Wakefield, but do you see at the</p> <p>13 top that there's a blank space next to the from? Do you have</p> <p>14 any idea why that would be blank?</p> <p>15 A No. I've seen this before and I don't understand the</p> <p>16 reason for it.</p> <p>17 Q Fair enough. Neither do I, but, nevertheless, you sent</p> <p>18 this e-mail to Mr. Barnes; is that fair?</p> <p>19 A That is fair.</p> <p>20 Q This was in May of 2015. Would it be fair to say that</p> <p>21 you were reaching out to Mr. Barnes to inquire whether he was</p> <p>22 interested on working on the Seven Springs conservation easement</p> <p>23 appraisal?</p> <p>24 A That is correct.</p> <p>25 Q You noted that you had been working with this outside</p>	<p>D. MCARDLE - CROSS(MR. FIELDS) Page 2034</p> <p>1 THE COURT: Remember, try to use first names</p> <p>2 because Mr. Trump could refer to several people.</p> <p>3 MR. FIELDS: Yes, sir.</p> <p>4 Q I'm referring to Mr. Eric Trump.</p> <p>5 MR. FIELDS: Thank you, Your Honor. I apologize.</p> <p>6 Q Would you agree that as an owner of the property, Mr.</p> <p>7 Trump, Eric Trump is entitled to have his view?</p> <p>8 A Yes. We always seek out an opinion. It's fair to</p> <p>9 obtain their input.</p> <p>10 Q There was also an issue regarding litigation in Seven</p> <p>11 Springs, an access road? Do you generally recall that there was</p> <p>12 some litigation involving an access road in Seven Springs?</p> <p>13 A I do.</p> <p>14 Q And would you agree with me that that litigation was</p> <p>15 just a piece of information that went into your overall analysis</p> <p>16 for these --</p> <p>17 MR. GABER: This is going beyond the scope of the</p> <p>18 direct at this point and so I'm just wondering if they're</p> <p>19 taking Mr. McArdle for their case at this point out of turn</p> <p>20 or what's going on.</p> <p>21 MR. FIELDS: We can. I was just going to ask him</p> <p>22 about the Seven Springs conservation easement appraisal.</p> <p>23 THE COURT: Is it outside the scope of direct and</p> <p>24 if so, are you addressing him as your witness?</p> <p>25 MR. FIELDS: Well --</p>

D. MCARDLE - CROSS(MR. FIELDS)	Page 2035	R. Flores - Plaintiff - direct (Amer)	Page 2037
<p>1 MR. KISE: I don't think it is outside the scope of</p> <p>2 direct at all. I mean, I certainly don't, but to the extent</p> <p>3 that that makes everyone happier, then we can say fine. We</p> <p>4 certainly don't want to trouble this witness with bringing</p> <p>5 him back, but I don't see that it's at all outside the scope</p> <p>6 of direct. It relates to Seven Springs and the appraisals</p> <p>7 and the conservation easement. It is all the same subject</p> <p>8 matter.</p> <p>9 MR. GABER: If that's the case and the</p> <p>10 representation, that's fine by us.</p> <p>11 MR. KISE: Yes.</p> <p>12 THE COURT: Okay. So we will just continue with</p> <p>13 the vague sense of yeah, just go ahead and do it.</p> <p>14 Q So let me restate the question, if I could, Mr.</p> <p>15 McArdle. Would you agree with me that the litigation involving</p> <p>16 the access road was just a piece of information that went into</p> <p>17 your overall analysis for the property?</p> <p>18 A Yes, it was. I was gathering a lot of facts and this</p> <p>19 was -- this was -- I was aware of that at the time.</p> <p>20 Q But the litigation involving the access road was not a</p> <p>21 dispositive issue in your analysis because there were</p> <p>22 alternatives that were suitable and reasonable; is that right?</p> <p>23 A Could you repeat that?</p> <p>24 Q Sure. The litigation involving the access road was not</p> <p>25 a dispositive issue for you because there were alternatives that</p>		<p>1 THE COURT OFFICER: Witness entering.</p> <p>2 (Whereupon, the witness enters the courtroom and</p> <p>3 approaches the witness stand. )</p> <p>4 THE COURT OFFICER: Please raise your right hand.</p> <p>5 Do you solemnly swear or affirm any testimony you</p> <p>6 give will be the truth, the whole truth and nothing but the</p> <p>7 truth?</p> <p>8 THE WITNESS: I do.</p> <p>9 THE COURT OFFICER: Please have a seat. Any re-direct?</p> <p>6 MR. GABER: No, Judge.</p> <p>7 THE COURT: I may have one question. Hold on.</p> <p>8 Mr. McArdle, my one question and you've probably</p> <p>9 been asked this before, are you related to Andrea McArdle,</p> <p>10 Broadway's first Annie?</p> <p>11 THE WITNESS: No. It has been asked many times,</p> <p>12 but I'm not.</p> <p>13 THE COURT: Oh, shucks.</p> <p>14 THE WITNESS: I do have some redheads in the</p> <p>15 family.</p> <p>16 THE COURT: Thank you. AMER: We would, Your Honor. The people call</p> <p>22 Raymond Flores.</p> <p>23 (Continued on the next page.)</p> <p>24</p> <p>25</p>		<p>1 2010.</p> <p>2 Q And what was your degree in?</p> <p>3 A Bachelor's of science and economics.</p> <p>4 Q And subsequent to graduating have you received any</p> <p>5 professional certifications or licenses?</p> <p>6 A No.</p> <p>7 Q And can you take us through your employment history</p> <p>8 following your graduation from Wharton?</p> <p>9 A I worked with Moody's Investors Service from November</p> <p>10 of 2010 through June of 2012. Subsequently, I joined the Trump</p> <p>11 Organization from June of 2012 through March of 2022, and I'm</p> <p>12 currently employed by Brev Management as of March of 2022 to</p> <p>13 today.</p> <p>14 Q Let me just go back and fill in some details.</p> <p>15 For the year and a half that you were at Moody's what</p> <p>16 was your title?</p> <p>17 A I believe I was an associate analyst.</p> <p>18 Q And what area were you an analyst in?</p> <p>19 A The commercial real estate finance team.</p> <p>20 Q And when you joined the Trump Organization in June of</p> <p>21 2012, what was your title that you started at?</p> <p>22 A I was an analyst.</p> <p>23 Q And were you an analyst within any particular team?</p> <p>24 A I believe it was the acquisitions and development team.</p> <p>25 Q And can you just tell us very generally what your role</p>	

R. Flores - Plaintiff - direct (Amer)	Page 2039	R. Flores - Plaintiff - direct (Amer)	Page 2041
1 was as an analyst with the acquisitions and development team? 2 A At that point in time it was -- I was responsible for 3 primarily financial analysis for the real estate investments of 4 the company. 5 Q Did it include analysis for underwriting new 6 acquisitions? 7 A It did. 8 Q Did it include analysis for development opportunities? 9 A It did. 10 Q Did your title change over the course of your 11 employment at the Trump Organization? 12 A Yes. 13 Q And can you just walk us through the various title 14 changes you had and approximately when those titles changed? 15 A I believe my title changed in 2014 to associate and in 16 2016 to vice president. 17 Q And with all those title changes did you remain within 18 the acquisitions and development team? 19 A I did. 20 Q And was there any change in responsibilities with each 21 of those promotions? 22 A Overall the job remained supporting acquisitions and 23 development, but the scope went beyond financial analysis to 24 negotiating agreements related to financings and the asset 25 management of the properties.		1 Q So from 2016 to your departure you reported directly to 2 Eric Trump, yes? 3 A Correct. 4 Q And Donald Trump, Jr. did you report to him directly 5 during that period as well? 6 A Correct. 7 Q Did you ever report to Allen Weisselberg? 8 A I did not. 9 Q Okay. Did you ever report directly to Jeff McConney? 10 A I did not. 11 Q And prior to 2016 when you said that you had a direct 12 reporting relationship with Eric Trump and Donald Trump, Jr., 13 did you ever have a dotted line reporting relationship to either 14 of them? 15 A So I did not have a direct reporting relationship to 16 Eric -- I think your question was before 2016. 17 Q Yes, but my question was a dotted line reporting 18 relationship. 19 A I believe they were indirect, yes. 20 Q So just to circle back to make sure the record is 21 clear, prior to 2016 when you began directly reporting to Eric 22 Trump and Donald Trump, Jr. you had a dotted line reporting 23 relationship to both of them. Is that fair? 24 A Yes. 25 Q And focusing on the period of time when you were vice

1 Q And between June of 2012 when you joined the Trump 2 Organization and March of 2022 when you left, can you tell us 3 who you reported to and if it changed over time when? 4 A From June of 2012 to sometime in 2016, I forget the 5 approximate date, I reported to David Orowitz. Following 6 Mr. Orowitz's departure I reported to Don, Jr. and Eric Trump. 7 Q At any point in time did you report to Ivanka Trump? 8 A I believe directly from the point of David Orowitz's 9 departure in 2016 to Mrs. Trump's departure from the company in 10 2016. 11 Q And when did Mr. Orowitz leave? 12 A Sometime fall of 2016, I believe. 13 Q Did you have any dotted-line reporting responsibilities 14 to Eric Trump during the period of time that you were at the 15 Trump Organization? 16 A Can you define "dotted line?" 17 Q Well, not a direct reporting relationship, but a 18 reporting relationships nonetheless? 19 A And can you repeat the first part of that question? 20 Q Sure. Did you have any dotted-line reporting 21 relationship with Eric Trump during any period of time that you 22 were at the Trump Organization? 23 A Well, I reported directly to Eric Trump from -- I guess 24 -- from the fall of 2016 to my departure I did report directly 25 to Eric Trump.		1 president, did you interact with Mr. Weisselberg at all? 2 A I did. 3 Q And how often? 4 A I believe once a week. 5 Q And can you describe generally the nature of your 6 interactions with Mr. Weisselberg during that period of time? 7 A I believe it was relating to existing assets within the 8 portfolio. 9 Q Can you just tell us, though, what the nature of the 10 interaction was with Mr. Weisselberg? 11 A I can -- can you provide more context to that question? 12 Q Sure. What was the business purpose for you to be 13 interacting with him? 14 A I think Allen at points in time would reach out for 15 information regarding certain properties that I had a role in 16 managing and overseeing. 17 Q Generally speaking what were the properties that you 18 had a role in managing or overseeing? 19 A It was the Old Post Office redevelopment in Washington, 20 D.C.; there was a golf resource in Doral, Florida; hotel in 21 Chicago or the primary properties that I helped manage. 22 Q And during the period of time that you were vice 23 president did you have any interactions with Mr. McConney? 24 A I did. 25 Q And how often would you interact with Mr. McConney?	

<p>R. Flores - Plaintiff - direct (Amer) Page 2043</p> <p>1 A Probably a handful of times in a given month.</p> <p>2 Q And can you generally describe the nature of your</p> <p>3 interactions with Mr. McConney?</p> <p>4 A Similar to the types of interactions with</p> <p>5 Mr. Weisselberg, Mr. McConney would reach out for information</p> <p>6 regarding the properties that I was responsible for managing and</p> <p>7 I was primarily the outreach.</p> <p>8 Q So prior to leaving the Trump Organization in March of</p> <p>9 2022, were you ever involved in the preparation of</p> <p>10 Donald J. Trump's Statements of Financial Condition?</p> <p>11 A I was. I believe I was involved beginning in --</p> <p>12 towards the end of 2020 in the preparation of the Statement of</p> <p>13 Financial Condition presented to outside parties in 2021, but</p> <p>14 prior to that I was not involved with the preparation of that</p> <p>15 statement.</p> <p>16 Q Just so we're clear, because you said presented in</p> <p>17 2021, but if -- the statement you began working on in late 2020</p> <p>18 was that the statement that was as of June 2020?</p> <p>19 A I don't recall. I believe it was, but I don't recall.</p> <p>20 Q And was there a second statement that you were involved</p> <p>21 in that would have been as of June 30, 2021 that you</p> <p>22 participated in working on before you left in March of '22?</p> <p>23 A I don't recall.</p> <p>24 Q You do recall, though, beginning work on the Statement</p> <p>25 of Financial Condition as early as late 2020; is that right?</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2045</p> <p>1 statement. I don't actually recall reviewing the final</p> <p>2 statement.</p> <p>3 Q Do you recall reviewing an Excel spreadsheet?</p> <p>4 A Can you be more specific about the Excel spreadsheet?</p> <p>5 Q We'll look at some -- so maybe that's the better way</p> <p>6 and we'll see if you can help me out on that.</p> <p>7 When you say that you reviewed assumptions, what</p> <p>8 assumptions did you review?</p> <p>9 A Primary assumptions were the parables that supported</p> <p>10 specific valuations.</p> <p>11 Q Do you recall if there were specific assets that you</p> <p>12 reviewed the assumptions for?</p> <p>13 A I believe one of the primary assets was 40 Wall Street,</p> <p>14 the Old Post Office and the Old Post Office in Washington, D.C.</p> <p>15 Q Any others?</p> <p>16 A Not that I can recall.</p> <p>17 Q Did you review any assumptions for the golf courses?</p> <p>18 A I did not, no.</p> <p>19 Q How about Mar-A-Lago?</p> <p>20 A I recall reviewing assumptions on comparables for that</p> <p>21 property.</p> <p>22 Q As you sit here today, do you recall reviewing</p> <p>23 assumptions for any assets other than what we've just discussed?</p> <p>24 A No.</p> <p>25 Q And did you -- when you reviewed assumptions, did you</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2044</p> <p>1 A That's correct.</p> <p>2 Q Prior to your involvement in the preparation of the</p> <p>3 June 30, 2020 Statement of Financial Condition were you aware</p> <p>4 that such a document existed within the company?</p> <p>5 A I was not aware that that document existed.</p> <p>6 Q And can you describe for us what the nature of your</p> <p>7 involvement was in the preparation of that initial statement</p> <p>8 that you were involved in, the one that was in late 2020?</p> <p>9 A I believe Alan Garten, chief legal officer of the</p> <p>10 company reached out to ask for me to review the statement -- the</p> <p>11 preparation of the Statement of Financial Condition.</p> <p>12 Q So my question's a little different. It wasn't about</p> <p>13 how you first got involved. It was just to describe for me the</p> <p>14 nature of what you did in connection with your role in the</p> <p>15 preparation of the statement.</p> <p>16 A I reviewed the statement and the underlying assumptions</p> <p>17 that went in the valuations.</p> <p>18 Q Let me pause on the first half of your answer.</p> <p>19 You said you reviewed the statement. Did you review</p> <p>20 the -- we've seen two documents, one called the Jeff Supporting</p> <p>21 Data spreadsheet and then the actual spreadsheet itself. So</p> <p>22 when you said you reviewed the statement, what were you</p> <p>23 referring to?</p> <p>24 A I believe I reviewed -- I believe I reviewed</p> <p>25 descriptions of the property valuations that went into the</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2046</p> <p>1 also review in addition to -- I think you said comps. Did you</p> <p>2 review capitalization rates?</p> <p>3 A I believe so.</p> <p>4 Q Who did you work with in connection with your</p> <p>5 participation on the 2020 Statement of Financial Condition?</p> <p>6 A It was Allen Garten, Adam Rosen, Allen Weisselberg,</p> <p>7 Jeff McConney, and Patrick Birney.</p> <p>8 Q Do you recall -- just to see if it refreshes your</p> <p>9 recollection, did you look at any assumptions in connection with</p> <p>10 the assets held by the Vornado Partnership Interests, 1290</p> <p>11 Avenue of the Americas and 555 California Street?</p> <p>12 A I don't believe so, no.</p> <p>13 Q Did you review any language of the 2020 Statement of</p> <p>14 Financial Condition in draft form?</p> <p>15 A I believe I reviewed some excerpts that were meant to</p> <p>16 go into the draft of the Statement of Financial Condition.</p> <p>17 Q And who provided you with those excerpts?</p> <p>18 A I don't recall.</p> <p>19 Q To your understanding when you were working on the</p> <p>20 preparation of the 2020 Statement of Financial Condition, who</p> <p>21 had final approval of the methodologies used and the assumptions</p> <p>22 made?</p> <p>23 A I don't know.</p> <p>24 Q So you didn't have any understanding among the group</p> <p>25 that you were working with who had final approval?</p>

<p>R. Flores - Plaintiff - direct (Amer) Page 2047</p> <p>1 A No, I did not.</p> <p>2 Q And you continued to work on the preparation of the</p> <p>3 statement through March of 2022 when you left; is that right?</p> <p>4 A I recall working on the 2020 statement. I can't recall</p> <p>5 if I worked on the 2021 statement.</p> <p>6 Q And my question was a little bit different, though.</p> <p>7 I just want to know if you have a recollection of</p> <p>8 continuing to work with the group on the preparation of the</p> <p>9 statement all the way through when you left in March of 2022?</p> <p>10 A No, I don't recall.</p> <p>11 Q Do you recall participating in a call in the fall of</p> <p>12 2021 with others to discuss valuation methods?</p> <p>13 A I don't recall.</p> <p>14 Q Let's go ahead and talk about some work you did with</p> <p>15 respect to the golf clubs.</p> <p>16 Were you aware that for some golf clubs members paid a</p> <p>17 refundable membership deposit?</p> <p>18 A I do.</p> <p>19 Q And were the refundable membership deposits something</p> <p>20 that you were tasked to keep track of?</p> <p>21 A I was.</p> <p>22 Q And who tasked you to keep track of those membership</p> <p>23 deposits?</p> <p>24 A I believe it was Eric Trump.</p> <p>25 MR. AMER: Let's go ahead and mark Plaintiff's</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2049</p> <p>1 information and the second tab with the resignation lists."</p> <p>2 Do you see that?</p> <p>3 A Yes.</p> <p>4 Q To your knowledge was membership deposit information</p> <p>5 something that Eric Trump was interested in tracking?</p> <p>6 A Yes.</p> <p>7 Q And do you have an understanding as to why he was</p> <p>8 interested in tracking that information?</p> <p>9 A I don't know.</p> <p>10 Q I think you testified, though, that he tasked you with</p> <p>11 tracking the information; correct?</p> <p>12 A Beyond tracking the information, I don't know why he</p> <p>13 wanted me to do that.</p> <p>14 Q He asked you to do it but he never told you why he</p> <p>15 wanted you to do it?</p> <p>16 A Correct.</p> <p>17 Q Okay. If you go to the e-mail on the first page, the</p> <p>18 bottom e-mail, that's from Eric Trump to you; correct?</p> <p>19 A Correct.</p> <p>20 Q And he says to you: "I wanted to introduce you to</p> <p>21 Brian, our new GM at Trump National Westchester. Brian is going</p> <p>22 through all the files and getting everything perfectly</p> <p>23 organized. Why don't you link up next week and take him through</p> <p>24 all of your spreadsheets for the property. He is working on a</p> <p>25 few addendum as we speak and they probably need to be update" --</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2048</p> <p>1 Exhibit 2041.</p> <p>2 Q Mr. Flores, do you see page one and page three are</p> <p>3 e-mail exchanges that you are included on?</p> <p>4 A I see that.</p> <p>5 Q And the second and fourth pages are slip sheets for the</p> <p>6 attachments that are native files.</p> <p>7 MR. AMER: Your Honor, I ask that this be admitted</p> <p>8 into evidence.</p> <p>9 MR. ROBERT: Objection. Statute of limitations.</p> <p>10 THE COURT: Overruled. It's in.</p> <p>11 (Whereupon, the item previously referred to is</p> <p>12 received and marked Plaintiff's Exhibit Number 2041 in</p> <p>13 evidence.)</p> <p>14 Q Let's look at the third page. And this is an e-mail to</p> <p>15 -- from Ian Gillule to Eric Trump and you are cc'd on this</p> <p>16 e-mail?</p> <p>17 A Correct.</p> <p>18 Q And the subject is "Trump Westchester Membership</p> <p>19 Deposit and Resignation Spreadsheet." Is that the same golf</p> <p>20 course that's also known as Briarcliff?</p> <p>21 A I believe so.</p> <p>22 Q And Mr. Gillule writes in the second paragraph:</p> <p>23 "Per your e-mail to Karen, I've put together the</p> <p>24 information you've requested. Please see the attached</p> <p>25 spreadsheet containing two tabs, one with membership deposit</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2050</p> <p>1 should be, I think, "updated as it was probably a year ago that</p> <p>2 these were created. I leave it to you to connect."</p> <p>3 See that?</p> <p>4 A Yes, I see this.</p> <p>5 Q And then you write to Brian in the top e-mail:</p> <p>6 "Hope all is well and welcome to the team. Per Eric's</p> <p>7 e-mail below, I've attached a workbook I put together last</p> <p>8 summer when Eric asked me to coordinate with all the clubs to</p> <p>9 summarize membership liabilities." Do you see that?</p> <p>10 A Yes.</p> <p>11 Q So is it correct that in the summer of 2014 you were</p> <p>12 asked by Eric Trump to coordinate with all the clubs to</p> <p>13 summarize membership liabilities?</p> <p>14 A That's what the e-mail says, but I can't recall.</p> <p>15 Q Do you have any reason to believe based on what you've</p> <p>16 written to Brian that that wasn't the case?</p> <p>17 A No.</p> <p>18 Q And is the workbook being referenced here material that</p> <p>19 was tracking the membership deposit liabilities?</p> <p>20 A It was one form of tracking the liabilities. I believe</p> <p>21 the accounting team at the property also tracked the liabilities</p> <p>22 as well.</p> <p>23 Q Okay. So this was something you started doing in the</p> <p>24 summer of 2014; correct?</p> <p>25 A I don't recall when I started tracking the liabilities</p>

1 for this club. 2 Q Well, you wrote to Brian saying that you started 3 working on the attached workbook last summer; right? 4 A That's what that e-mail says, but I -- the starting 5 point of tracking, I can't recall if that summer or might have 6 been prior to that. 7 Q It was at least as far back as the summer of 2014? 8 A I believe so. 9 MR. AMER: Let's put up Exhibit 2041, native one. 10 Q Do you recognize this, Mr. Flores, as one of the 11 spreadsheets that was an attachment to this e-mail? 12 A This tab looks familiar. 13 MR. AMER: Your Honor, I'm not sure if we're 14 admitting separately the native files or whether they're all 15 in with the initial e-mail. 16 THE COURT: It's simpler with the initial e-mail, I 17 think. 18 MR. ROBERT: I figured it was with the initial 19 e-mail. 20 THE COURT: Good. 21 Q And then if we go to native two of the Exhibit 2041. 22 This is entitled registration list. 23 And then if you click on the first tab -- I'm sorry -- 24 "Resignation List." And then the first tab is "membership 25 refundability." Do you see that?		1 A It is a total but -- yes, it's a sum of columns E and 2 F. 3 MR. AMER: Let's look at another document, PX 2040. 4 Q Mr. Flores, this is a series of e-mail exchanges you 5 have with Heidi Brzyski at TrumpNational.com; correct? 6 A It appears to be what this is. 7 Q And it has some slip sheets for some attachments that 8 are part of this e-mail exchange. 9 MR. AMER: I'd move to admit this into evidence 10 with the attachments. 11 MR. ROBERT: Statute of limitations. 12 THE COURT: Overruled. 13 (Whereupon, the item previously referred to is 14 received and marked Plaintiff's Exhibit Number 2041 in 15 evidence.) 16 Q Mr. Flores, let's look at the bottom e-mail on 17 page one. You're writing to Ms. Brzyski. And who is she, by 18 the way? 19 A According to this e-mail she is the general manager of 20 Colts Neck. 21 Q That's one of the Trump golf courses; correct? 22 A I believe -- correct. 23 Q And you write to her: 24 "Hope all is well. I'm working with Eric to update our 25 records on the total membership refundability across our

1 A Yes, I can see that. 2 Q And so is this -- are these spreadsheets the 3 spreadsheets you created to track membership deposit 4 liabilities? 5 A Not this spreadsheet, no. 6 Q Was this one of the attachments to the e-mail as far as 7 you could tell? 8 A I don't know. 9 Q Does this track membership deposit liabilities? 10 A That's what it appears to track, but I did not produce 11 this. 12 Q Do you know who did prepare this? 13 A I don't know. 14 Q Did you prepare spreadsheets like this to track the 15 membership deposit liabilities? 16 A Yes, they contain similar types of information, but I 17 did not produce this document. 18 MR. AMER: Let's look at Row 345. 19 Q So based on your familiarity with preparing 20 spreadsheets that track membership liabilities are you familiar 21 with what this row is reflecting? 22 A Can you scroll back up to the top, please? And can you 23 scroll back to Row 345? I don't know what that row number 24 represents. 25 Q Well, it says "total," right?		1 courses. Can you please send us your current spreadsheet and 2 full resignation list with names, refund amounts, and any other 3 permutations or notes for everyone with a refund obligation;" 4 correct? 5 A Yes, that's what this e-mail says. 6 Q So this was October 2015 and this was part of your 7 undertaking to update records on total membership refundability; 8 correct? 9 A I believe so. 10 Q So did you send similar e-mails to managers of other 11 golf courses within the Trump Organization to collect similar 12 information to allow you to update the records on membership 13 refundability? 14 A I did. 15 Q And you were doing that in connection with direction 16 given to you by Eric Trump; correct? 17 A Correct. 18 Q And in the top e-mail she sends you back the refundable 19 deposit list and resignation list; correct? 20 A That's what the e-mail says, correct. 21 MR. AMER: Let's go ahead and mark 3212. 22 Q You see this is -- the top e-mail is an e-mail exchange 23 that includes you as a carbon copy; correct? 24 A That's what the e-mail says, correct. 25 Q And the subject is "golf liabilities." Do you see	

<p>R. Flores - Plaintiff - direct (Amer) Page 2055</p> <p>1 that?</p> <p>2 A Correct.</p> <p>3 MR. AMER: Your Honor, I ask that this be admitted</p> <p>4 into evidence.</p> <p>5 THE COURT: Granted.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 3212 in</p> <p>8 evidence.)</p> <p>9 Q Let's look at the top e-mail that you were copied on.</p> <p>10 Says, "Hope all is well." And this is being sent in March of</p> <p>11 2017. Do you see that?</p> <p>12 A Yes.</p> <p>13 Q And it's from Jonathan Etra at the Trump Organization.</p> <p>14 He's -- is he somebody who is within the same team as you?</p> <p>15 A Yes, he was.</p> <p>16 Q He writes to a woman named Gina Galeros, "Hope all is</p> <p>17 well. Per Eric Trump's instruction we are having each golf</p> <p>18 property with membership liabilities begin utilizing the</p> <p>19 corporate liabilities matrix attached which is based off</p> <p>20 information provided by you and updated as of 12/31/2016."</p> <p>21 Was this matrix that Mr. Etra is referring to something</p> <p>22 that you and he began using to track membership deposit</p> <p>23 liabilities?</p> <p>24 A I don't -- do you have a copy of the attachment? I</p> <p>25 don't know what it looks like.</p>	<p>R. FLORES - DIRECT(MR. AMER) Page 2057</p> <p>1 Q And again, this project using this matrix to track</p> <p>2 membership deposit liabilities was something that was being done</p> <p>3 per Eric Trump's instruction, correct?</p> <p>4 A Yes.</p> <p>5 Q Did you continue to be involved in tracking the</p> <p>6 refundable membership liability -- the membership deposit</p> <p>7 liabilities at golf courses that had such deposits until you</p> <p>8 left in March of 2022?</p> <p>9 A Yes.</p> <p>10 Q And throughout that time, it was being done by you and</p> <p>11 others on your team at Eric Trump's direction; is that right?</p> <p>12 A Yes.</p> <p>13 Q Let's look at the 2017 Statement of Financial Condition</p> <p>14 which is in evidence as Plaintiff's Exhibit 755. So Mr. Flores,</p> <p>15 I think we established that you were not aware of this document</p> <p>16 at the time that it was issued, correct?</p> <p>17 A That's correct.</p> <p>18 Q In connection with your work on the 2020 Statement of</p> <p>19 Financial Condition, you did see excerpts from the then in draft</p> <p>20 statement, correct?</p> <p>21 A I believe for prior statements, I reviewed a</p> <p>22 spreadsheet with underlying information.</p> <p>23 Q My question was a little different, and I thought I</p> <p>24 heard you testify before that for the actual Statement of</p> <p>25 Financial Condition that you were working on in 2020, you did</p>
<p>Page 2056</p> <p>1 Q I'm just asking for your best recollection, Mr. Flores.</p> <p>2 A No, I can't recall if the attachment referenced in this</p> <p>3 e-mail was what you're asking.</p> <p>4 Q So I'm not -- my question wasn't specific to the</p> <p>5 attachment. It was just very generally do you have a</p> <p>6 recollection of using a matrix in this time frame to reach out</p> <p>7 to the golf clubs for tracking membership deposit liabilities?</p> <p>8 A Yes.</p> <p>9 Q And was Mr. Etra working with you on this project at</p> <p>10 this point in time?</p> <p>11 A I believe so.</p> <p>12 Transcript continues on the following page....</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>R. FLORES - DIRECT(MR. AMER) Page 2058</p> <p>1 see some excerpts from it?</p> <p>2 A Correct; but for prior statements, I had not.</p> <p>3 Q Right.</p> <p>4 Let's go to page 11 of 24 in this exhibit and let's go</p> <p>5 to the Colts Neck section. If you scroll up a little bit. I</p> <p>6 just want to read to you the last couple of sentences in that</p> <p>7 paragraph. And we were looking, by the way, at the exchange</p> <p>8 with the manager for Colts Neck about tracking the membership</p> <p>9 liabilities. Do you recall that?</p> <p>10 A Yes.</p> <p>11 Q Okay. In this Statement of Financial Condition, this</p> <p>12 is the final version that was issued for 2017. It says, "Prior</p> <p>13 to June 1, 2010, one condition of membership was the</p> <p>14 contribution of a non-interest-bearing deposit that does not</p> <p>15 require repayment until certain terms are met and then only upon</p> <p>16 the member's resignation. The fact that Mr. Trump will have the</p> <p>17 use of these funds for that period without cost and that the</p> <p>18 source of repayment will most likely be a replacement membership</p> <p>19 has led the trustees to value this liability at zero and not its</p> <p>20 present value." Do you see that?</p> <p>21 A Yeah, that's what this document says.</p> <p>22 Q Is it the case, Mr. Flores, that while the trustees</p> <p>23 were valuing the membership deposit liabilities at zero, you and</p> <p>24 others were working to track the membership deposit liabilities</p> <p>25 across the clubs at Eric Trump's direction?</p>

R. FLORES - DIRECT(MR. AMER)	Page 2059	R. FLORES - DIRECT(MR. AMER)	Page 2061
<p>1 A That's correct.</p> <p>2 Q Just to make sure the court reporter got it, you said</p> <p>3 "that's correct"?</p> <p>4 A Yes.</p> <p>5 MR. AMER: Okay. Can we put up next to this, side</p> <p>6 by side, the 2020 statement which is Exhibit 856 in</p> <p>7 evidence. If we could go to -- I think it's page 9 of 21,</p> <p>8 but it is the Colts</p> <p>9 Neck -- yes.</p> <p>10 Q You'll see, Mr. Flores, the same language appears in</p> <p>11 this document. Prior to June 1, 2010, one condition of</p> <p>12 membership was the contribution of a non-interest-bearing</p> <p>13 deposit that does not require repayment until certain terms are</p> <p>14 met and then only upon member's resignation. The fact that Mr.</p> <p>15 Trump will have the use of these funds for that period without</p> <p>16 cost and that the source of repayment will most likely be a</p> <p>17 replacement membership has led the trustees to value this</p> <p>18 liability at zero and not its present value." Same language,</p> <p>19 right?</p> <p>20 A That's correct.</p> <p>21 Q Was this language language that you reviewed in</p> <p>22 connection your work in preparing the 2020 Statement of</p> <p>23 Financial Condition?</p> <p>24 A No.</p> <p>25 Q But it does appear that while the trustees were valuing</p>		<p>1 and guidance of Marcus &amp; Millichap, golf course industry</p> <p>2 experts, a normal golf course with a negative EBITDA trades at</p> <p>3 two to three times gross revenue. We took on average of three</p> <p>4 times gross revenue and net fixed assets." Do you see that?</p> <p>5 A That's what the document says.</p> <p>6 Q Do you recall participating in a telephone call with</p> <p>7 Marcus &amp; Millichap where the subject of this new methodology was</p> <p>8 discussed?</p> <p>9 A No.</p> <p>10 Q You have no recollection at all about participating in</p> <p>11 that telephone call?</p> <p>12 A I don't.</p> <p>13 Q You see where it says, "We took an average of three</p> <p>14 times gross revenue and net fixed assets." Did you play any</p> <p>15 role in the decision to average those two numbers for purposes</p> <p>16 of the valuation in 2021?</p> <p>17 A No.</p> <p>18 Q So the idea of averaging the net fixed assets and the</p> <p>19 three times gross revenue, you're certain that would not have</p> <p>20 been a suggestion that came from you?</p> <p>21 A I -- I don't believe so.</p> <p>22 Q Well, as you sit here today, do you have any</p> <p>23 recollection whatsoever of suggesting to anybody who was working</p> <p>24 with you in preparing the statement that those two figures</p> <p>25 should be averaged for purposes of preparing the valuation for</p>	
R. FLORES - DIRECT(MR. AMER)	Page 2060	R. FLORES - DIRECT(MR. AMER)	Page 2062
<p>1 the membership deposit liabilities at zero for purposes of the</p> <p>2 2020 Statement of Financial Condition, that you yourself were</p> <p>3 helping to prepare -- you and others were tracking those deposit</p> <p>4 liabilities at Eric Trump's direction, correct?</p> <p>5 A Correct.</p> <p>6 Q I want to shift to a different topic. Do you recall</p> <p>7 that there came a point in time when you were helping prepare</p> <p>8 the Statement of Financial Condition, that the methodology for</p> <p>9 valuing golf clubs in 2020 changed?</p> <p>10 A I don't recall.</p> <p>11 Q Okay.</p> <p>12 MR. AMER: Why don't we put up the 2021 supporting</p> <p>13 data spreadsheet and it is Exhibit 352 in evidence. I would</p> <p>14 like to look at Briarcliff which begins on row 289.</p> <p>15 Q So let me first ask looking at this spreadsheet, is</p> <p>16 this the spreadsheet format that you reviewed in connection with</p> <p>17 your work helping to prepare the Statements of Financial</p> <p>18 Condition?</p> <p>19 A I believe for the 2020 statement, correct.</p> <p>20 Q If you look at row 308, you'll see it says, "6/30/20,</p> <p>21 upon the advice and guidance of Marcus &amp; Millichap, golf course</p> <p>22 industry experts, we left the golf course value unchanged from</p> <p>23 2019." Do you see that?</p> <p>24 A Yes, that's what the document says.</p> <p>25 Q Then if you look at row 306, it says, "Upon the advice</p>		<p>1 the golf courses?</p> <p>2 A I -- I can't recall.</p> <p>3 Q Let's look at -- well, did you have any discussion</p> <p>4 with people who you were working with in preparing the Statement</p> <p>5 of Financial Condition at any point in time prior to when you</p> <p>6 left the company about using two to three times gross revenue</p> <p>7 where there was a negative EBITDA to value golf courses?</p> <p>8 A I don't recall, no.</p> <p>9 Q Do you have any recollection of discussions about how</p> <p>10 to value the golf courses where the golf course had a positive</p> <p>11 EBITDA?</p> <p>12 A I don't recall.</p> <p>13 Q Let's look at row 363, which is for Colts Neck. You</p> <p>14 see in this row it says under the note, "6/30/21, upon the</p> <p>15 advice and guidance of Marcus &amp; Millichap, golf course industry</p> <p>16 experts, a normal golf course with a consistently positive</p> <p>17 EBITDA trades at six to eight times EBITDA, but the last few</p> <p>18 purchases have been nine to ten times. Based on the quality of</p> <p>19 Trump courses could sell at ten times EBITDA." Do you see that?</p> <p>20 A Yes, that's what the document says.</p> <p>21 Q And then you'll see under rows 375 to 376, this is a</p> <p>22 calculation that, in fact, uses this multiplier ten times</p> <p>23 EBITDA. Do you see that?</p> <p>24 A That's what the spreadsheet says.</p> <p>25 Q Do you have any recollection of discussing with those</p>	

R. FLORES - DIRECT(MR. AMER)	Page 2063	R. FLORES - DIRECT(MR. AMER)	Page 2065
<p>1 individuals who you worked with in preparing the Statements of</p> <p>2 Financial Condition at any time prior to leaving the</p> <p>3 organization in March of 2022 this method of calculating values</p> <p>4 for courses with a positive EBITDA?</p> <p>5 A No.</p> <p>6 Q I just want to be clear about this. If we have had</p> <p>7 testimony from others in this case that you participated in a</p> <p>8 telephone call with Marcus &amp; Millichap where these valuation</p> <p>9 methodologies were discussed, does that refresh your</p> <p>10 recollection at all that you were a participant in those</p> <p>11 discussions?</p> <p>12 A No.</p> <p>13 Q And if we have testimony in this case from others that</p> <p>14 it was your idea to average the net fixed assets with the two to</p> <p>15 three times gross revenue multiplier for purposes of valuing</p> <p>16 golf course assets, does that refresh your recollection?</p> <p>17 A No.</p> <p>18 Q Do you have any recollection whatsoever at any point in</p> <p>19 time working on the valuation of the preparation of the</p> <p>20 valuations for the statements of discussing these valuation</p> <p>21 methods that are attributed to Marcus &amp; Millichap?</p> <p>22 A No.</p> <p>23 Q Let me focus your attention on the Jupiter Golf Course.</p> <p>24 You're familiar with that course down in Florida, correct?</p> <p>25 A Correct.</p>		<p>1 characterization of one of the services that they provided?</p> <p>2 A Yes.</p> <p>3 Q And did that firm handle property tax assessment</p> <p>4 appeals in Florida for the Trump Organization?</p> <p>5 A They did.</p> <p>6 Q And Mr. Corbiciero is sending you the 2020 proposed tax</p> <p>7 notice for Jupiter; is that right?</p> <p>8 A I believe so.</p> <p>9 Q You see in the first line of the e-mail it says, "We</p> <p>10 hope this e-mail finds you both well. Attached are the 2020</p> <p>11 proposed tax notices for the Trump National Jupiter Golf Course</p> <p>12 as well as some appeal review information for your reference."</p> <p>13 So he's sending you the proposed 2020 tax notices for Jupiter,</p> <p>14 right?</p> <p>15 A Yes.</p> <p>16 Q So what was your role in regard to the Jupiter 2020 tax</p> <p>17 notices?</p> <p>18 A I believe I was working with Poer to review the</p> <p>19 assessment and whether to appeal the assessment.</p> <p>20 Q At this point in time, you would have been reporting to</p> <p>21 Eric Trump and Donald Trump Jr.; is that right?</p> <p>22 A Correct.</p> <p>23 Q Mr. Corbiciero goes on to say, "The 2020 combined</p> <p>24 proposed market value is \$16,672,472 which is a two percent</p> <p>25 increase over last year's value;" is that right?</p>	
R. FLORES - DIRECT(MR. AMER)	Page 2064	R. FLORES - DIRECT(MR. AMER)	Page 2066
<p>1 MR. AMER: Let's mark 3216.</p> <p>2 Q You see this as an e-mail from Michael Corbiciero to</p> <p>3 you?</p> <p>4 A Yes, that's what in appears to be.</p> <p>5 Q And this is sent in August of 2020, correct?</p> <p>6 A Correct.</p> <p>7 Q You see the subject is the "Jupiter appeal</p> <p>8 recommendation"?</p> <p>9 A Correct.</p> <p>10 Q And who is Mr. Corbiciero?</p> <p>11 A I believe he was a consultant, a tax certiorari with</p> <p>12 Marvin F. Poer.</p> <p>13 Q You said he was a consultant for the Trump</p> <p>14 Organization, correct?</p> <p>15 A Correct.</p> <p>16 MR. AMER: Your Honor, I move this exhibit into</p> <p>17 evidence.</p> <p>18 THE COURT: It is in.</p> <p>19 (Whereupon, the Document was marked in evidence as</p> <p>20 Plaintiff's Exhibit 3216.)</p> <p>21 Q And the firm he is with Marvin F. Poer &amp; Company. If I</p> <p>22 just refer to that as Poer &amp; Company, is that okay? Can we</p> <p>23 refer to that as Poer &amp; Company?</p> <p>24 A Yes.</p> <p>25 Q I think you mentioned tax certiorari. Is that a fair</p>		<p>1 A That's what the e-mail says.</p> <p>2 Q So when you read this e-mail, you understood that the</p> <p>3 value was a proposed market value for Jupiter, correct?</p> <p>4 A That's correct. That was coming from the tax assessor.</p> <p>5 Q And then the next paragraph starting in the second</p> <p>6 sentence of that paragraph says, "Using the same methodology as</p> <p>7 in previous years" and let me just stop here and ask. Had you</p> <p>8 been involved in this process in prior years for the Jupiter tax</p> <p>9 notices?</p> <p>10 A Yes.</p> <p>11 THE COURT: Five-minute warning.</p> <p>12 Q So when Mr. Corbiciero writes, "using the same</p> <p>13 methodology as the previous years," you would have been aware of</p> <p>14 what those -- what that same methodology had been, right?</p> <p>15 A I believe so.</p> <p>16 Q And he goes on -- so he goes on to say, "Using the</p> <p>17 same methodology as in previous years, we determined a GIM of</p> <p>18 1.38 which is below the average of 1.45 from the SGA report."</p> <p>19 Did you understand GIM to mean gross income multiplier?</p> <p>20 A Yes.</p> <p>21 Q Is that synonymous with gross revenue multiplier?</p> <p>22 A I don't know.</p> <p>23 Q Did you understand that GIM was a multiplier that would</p> <p>24 be multiplied by the gross income for the club?</p> <p>25 A Yes.</p>	

R. FLORES - DIRECT(MR. AMER)	Page 2067	R. FLORES - DIRECT(MR. AMER)	Page 2069
<p>1 Q And do you know what he's referring to when he refers</p> <p>2 to the SGA report?</p> <p>3 A I don't recall.</p> <p>4 Q He goes on to say, "We also reviewed the most</p> <p>5 comparable assessments which mostly increase between one to four</p> <p>6 percent over last year's values and support a range of 503,778</p> <p>7 per hole to 1,335,269 per hole." Do you see that?</p> <p>8 A I do.</p> <p>9 Q And Jupiter is an 18-hole golf course, correct?</p> <p>10 A I don't recall the exact number of golf holes.</p> <p>11 MR. AMER: I don't think it is a matter in dispute,</p> <p>12 so I'll represent that it is an 18-ole course.</p> <p>13 Q Now, in terms of the methodology that is described</p> <p>14 here, you would agree with me there's no mention of using a</p> <p>15 different methodology other than the gross income multiplier</p> <p>16 method, do you?</p> <p>17 A Sorry. Can you repeat the question?</p> <p>18 Q Sure. The only methodology that Mr. Corbiciero is</p> <p>19 referencing here is the methodology that uses a gross income</p> <p>20 multiplier; isn't that right?</p> <p>21 A He also references a comparable assessment approach.</p> <p>22 Q Nothing about a fixed assets approach, though, correct?</p> <p>23 A Not in this e-mail, no.</p> <p>24 Q Then in the fourth paragraph, he says, "Based on the</p> <p>25 information provided and current market data, our analysis of</p>		<p>1 be clear. I'm not the tech person, but this is what I've</p> <p>2 been advised this morning. So the e-mail that goes out, the</p> <p>3 ICYMI, In Case You Missed It, e-mail does not go out on the</p> <p>4 broader distribution list. That's a press e-mail. It is</p> <p>5 25,810 recipients. So while that is still a number, it is</p> <p>6 not millions. It is not -- it's not what -- what we had</p> <p>7 talked about before. It doesn't go -- that's not the broad</p> <p>8 distribution list.</p> <p>9 So there were 25,810 recipients on that e-mail link</p> <p>10 or e-mail chain. Of that, there were 6,713 that opened the</p> <p>11 e-mail and then we go from there to the website</p> <p>12 because -- so that covers the e-mails. There's 25,810</p> <p>13 e-mails, 6,713 that were opened.</p> <p>14 The e-mail sends you to the link, the link. So</p> <p>15 between October 3rd and October 19th, there were a little</p> <p>16 over 114 million visitors to the campaign website, total</p> <p>17 visitors to the campaign website. However, only 3,701,</p> <p>18 3-7-0-1, viewed the -- they're called unique views, viewed</p> <p>19 the posting, viewed this posting that is the subject of what</p> <p>20 we're talking about today. That would include anyone that</p> <p>21 received the e-mail. So they're not separate. So of the</p> <p>22 6713 folks that got the e-mail, if they were to click on the</p> <p>23 link, they would have been counted in that 3,701 individuals</p> <p>24 that viewed the post.</p> <p>25 But again, of the 114 million plus visitors to the</p>

<p>1 the subject property indicates that the market value is</p> <p>2 reasonable." Do you see that?</p> <p>3 A I do.</p> <p>4 Q The market value that he's telling you he believes is</p> <p>5 reasonable is the value -- market value of 16.7 million, right?</p> <p>6 A Yes.</p> <p>7 MR. AMER: If -- am I at my time, Your Honor?</p> <p>8 THE COURT: Well, you have two minutes or you can</p> <p>9 quit now.</p> <p>10 MR. AMER: I was going to put up another exhibit,</p> <p>11 so maybe it makes sense to --</p> <p>12 THE COURT: It makes sense to break now. Okay.</p> <p>13 15 minutes, everybody. See you at a quarter to noon.</p> <p>14 MR. KISE: I will hopefully have an update for you</p> <p>15 on the question you asked earlier before the witness comes</p> <p>16 in after the break on the numbers.</p> <p>17 THE COURT: I understand. Great.</p> <p>18 (Witness exits the stand.)</p> <p>19 (Whereupon, a recess was taken.)</p> <p>20 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>21 session. Please be seated and come to order.</p> <p>22 MR. KISE: I do have some numbers. There is some</p> <p>23 good news under the circumstances.</p> <p>24 THE COURT: I'd love to hear them.</p> <p>25 MR. KISE: Again, this is my understanding just to</p>		<p>1 website, they didn't view the post. You have to click</p> <p>2 through layers to get there, but that's -- and if the Court</p> <p>3 has further questions about the numbers, but that is the</p> <p>4 breakdown that I have for now. I may be able to break it</p> <p>5 down by day, October 3, October 4, 5. I just don't know if</p> <p>6 it would matter.</p> <p>7 THE COURT: That wouldn't matter.</p> <p>8 MR. KISE: But there are 3,701 total viewers of the</p> <p>9 post that is in question which again, as I've said, has</p> <p>10 since been taken down.</p> <p>11 THE COURT: Well, you and I are both becoming more</p> <p>12 tech savvy from all this.</p> <p>13 MR. KISE: Apparently. Thank you, Judge.</p> <p>14 THE COURT: Witness, please.</p> <p>15 THE COURT OFFICER: Witness entering.</p> <p>16 (Witness resumes the stand.)</p> <p>17 MR. KISE: Just one thing. I know the witness is</p> <p>18 there, but it won't relate to testimony. I'm looking at the</p> <p>19 realtime. The 3701 is the number of people that did view</p> <p>20 the post, not did not.</p> <p>21 THE COURT: We understood.</p> <p>22 MR. KISE: I know, but on the record, it said</p> <p>23 didn't view the post, so that's an important distinction.</p> <p>24 THE COURT: 180 degrees.</p> <p>25 MR. KISE: Yes.</p>	

R. FLORES - DIRECT(MR. AMER) Page 2071

1 THE COURT: And 114 million people. All right.  
2 Let's continue with the direct examination of Mr. Flores.  
3 Q Welcome back, Mr. Flores. We were looking at  
4 Exhibit 3216. I did want to point one thing out before we go to  
5 the next exhibit.  
6 You were correct to note that in addition to the gross  
7 income multiplier method, Mr. Corbiciero also looked at comps,  
8 right?  
9 A Correct.  
10 Q And if we go to page 10 of 14, in the -- in this  
11 exhibit, page 10 of 14, this is a chart of comps and I did want  
12 to point out, so that nobody has to take my word for it, in  
13 fact, the Jupiter Country Club, line nine, has 18 holes. You  
14 see that?  
15 A That's what the document says.  
16 Q Okay. And well, we'll come back to that in a minute.  
17 MR. AMER: Let's go ahead and put up -- go back to  
18 the first page of the exhibit, so we could see Mr.  
19 Corbiciero's e-mail and let's put up the 2021 Jeff  
20 supporting data spreadsheet which is Exhibit 1352. We can  
21 do that next to this e-mail. And let's go to row 547, which  
22 is where we find the Jupiter club. Let's just go up, so we  
23 can see that it is the Jupiter club and if we could see 547  
24 and then slide it over, so we see the two values.  
25 Q So Mr. Corbiciero's letter references market value

R. FLORES - DIRECT(MR. AMER) Page 2072

1 which he views as reasonable of 16 -- roughly 16.7 million and  
2 in the Statement of Financial Condition value for 2020, it is  
3 73.6 million roughly and in 2021, it's 67.7 million. Do you see  
4 that?  
5 MR. KISE: Objection. I'm not sure that  
6 characterizes the two exhibits accurately.  
7 MR. AMER: I think the numbers are what they are.  
8 If he has an argument to make at closing whether those  
9 numbers are numbers that should be compared, that seems to  
10 be something that should wait for closing.  
11 THE COURT: Or cross-examination.  
12 MR. AMER: Or cross-examination, but I think they  
13 said they weren't going to cross-examine this witness.  
14 MR. KISE: Not today, certainly.  
15 THE COURT: Not even one question?  
16 MR. KISE: I don't think so. Why would we keep us  
17 here any longer?  
18 THE COURT: I'll overrule the objection subject to  
19 any correction that somebody comes up with.  
20 Q Now, if we go back to the e-mail on the comparable  
21 assessments method, there is a range that Mr. Corbiciero  
22 provides for price per hole. Do you see that?  
23 A Yes.  
24 Q I'll represent some math to the Court that if you take  
25 even the high end of the range and you multiply it by 18 for 18

Page 2073

1 holes, you end up with about 24 million.  
2 THE COURT: Okay. I'll accept that subject to any  
3 correction MR. AMER: Thank you.

1 Q And you had received Mr. Corbiciero's e-mail prior to  
2 the time that you began working on preparing the 2020 Statement  
3 of Financial Condition; correct?  
4 A I believe so.  
5 Q Well, you received the e-mail in August and I think we  
6 established you began to prepare -- your work preparing the 2020  
7 Statement of Financial Condition sometime in late 2020; right?  
8 A Yes.  
9 Q Okay. Now, on the subject of your work helping to  
10 prepare the 2020 statement about how much time would you say you  
11 devoted to that endeavor?  
12 A In late 2020, I believe it was maybe two to three hours  
13 a week.  
14 Q And over the course of how many weeks?  
15 A I don't recall.  
16 Q Was it months?  
17 A It could have been.  
18 Q Let's turn to a different property, the property called  
19 Niketown here in New York.  
20 You're familiar with that property; correct?  
21 A Yes.  
22 MR. AMER: Let's put up the 2020 Jeff Supporting  
23 Data. It's Exhibit 857 in evidence, and let's go to Row 88,  
24 which is where Niketown begins.  
25 Q Do you see that?

1 A I don't -- I don't know. 2 Q You don't know? You can't tell us whether you did this 3 or somebody else did this? 4 MR. KISE: Objection. Leading. This is direct and 5 argumentative. 6 MR. AMER: Well, first, I don't think it's leading 7 because I didn't suggest the answer. 8 THE COURT: Overruled. Not leading. 9 Q Can you answer the question? 10 A I don't recall if I put this together. 11 Q Let's look under the "value" tab. 12 Do you see that there is an NPV value in Row 14? 13 A Yes, this is what the document says. 14 Q And do you looking at this spreadsheet understand 15 that's net present value? 16 A Yes. 17 MR. AMER: Your Honor, I move this exhibit into 18 evidence. 19 THE COURT: Granted. It's in. 20 (Whereupon, the item previously referred to is 21 received and marked Plaintiff's Exhibit Number 857 in 22 evidence.) 23 MR. KISE: What was the date of this again? It's 24 not on the sheet. Year, do we know? 25 MR. AMER: It's 2020.		1 A Yes, that's what the document says. 2 Q Does looking at these tabs refresh your recollection, 3 Mr. Flores, that this 20-year cash flow analysis is your work 4 product? 5 A It could have been, but I don't recall this specific 6 document at this moment. 7 Q Do you know what the basis was for assuming that the -- 8 or deciding to use the prior rent amount for the Kandell lease 9 while the reset appraisal proceeding was pending? 10 A No, I don't recall. 11 Q Do you know the outcome of the appraisal proceeding to 12 reset the rent on the Kandell lease? 13 A I don't remember. 14 MR. AMER: Why don't we look at Exhibit 3213. 15 Q I think you mentioned that you worked with the 16 appraiser who was hired by the Trump Organization to work on the 17 rent reset proceeding; is that right? 18 A Yes. 19 Q If you look at the last page, 12 of 12, was that 20 appraiser David Fields of Fieldstone Advisers? 21 A Yes. 22 Q And does this last page appear to be the agreement that 23 was reached on March 13, 2021 as to what the rent reset would be 24 for Niketown? 25 MR. KISE: Objection. Foundation.

1 MR. KISE: 2020, okay. Fine. 2 MR. AMER: And actually, one way to do that is if 3 we go back to the -- go back to the Jeff Supporting Data and 4 we can split the screen. 5 Q And you see the value for June 30, 2020 is 252.8? Do 6 you see that? 7 A That's what the document says. 8 Q And that comes -- that matches the number if we go back 9 to the cash flow analysis that's on the NPV line; correct? 10 A Can you put the documents side by side, please? And 11 scroll to the right to the document? On the right. 12 MR. AMER: I think we need to go down to see the -- 13 we're in a different -- we're on Wall Street, so we need to 14 go back to Niketown and go to the right for Row 106. 15 Q Same number, right? 16 A Yes. The number in cell H 106 on the right hand 17 matches the figure D in cell D 14 on the left hand. 18 Q If we go back to the spreadsheet, the -- sorry. 19 The cash flow analysis and there are two other tabs. 20 There is a "plan" tab. 21 MR. AMER: Can we click on that? 22 Q And then a "ground lease" tab. 23 MR. AMER: Let's click on that. 24 Q And that shows the ground lease amounts and the Kandell 25 lease is 540,000. Do you see that?		1 MR. AMER: He said he worked with Mr. Fields on 2 this very proceeding. 3 MR. KISE: Right, but he's not -- he didn't testify 4 to anything about this document. You're just showing him a 5 document at random and I don't think he can attest to what's 6 written on the document. He can read what's written on the 7 document, but it's hearsay. The document itself is hearsay, 8 so the witness hasn't demonstrated that he has any 9 foundation to answer the question. 10 MR. AMER: He does have foundation. He said he 11 worked on this proceeding. How is that not foundation to be 12 able to recognize if this is the agreement that resolved the 13 proceeding? 14 MR. KISE: But he never -- he might not have ever 15 seen the resolution. He might not have participated in the 16 resolution. 17 MR. AMER: Then that's his answer. 18 THE COURT: Overruled on the ground last stated, if 19 that's his answer, that's his answer. 20 Do you need a read back or ask it again or -- 21 Q Do you -- given your involvement in the proceeding to 22 reset the rent do you recognize this last page as the agreement 23 that was signed between the two appraisers arriving at the rent 24 reset amount? 25 A No, I don't recall reviewing this specific page.	

R. Flores - Plaintiff - direct (Amer)	Page 2083	R. Flores - Plaintiff - direct (Amer)	Page 2085
<p>1 Q I didn't ask you that. I just asked if you -- you're</p> <p>2 in a position given the involvement you had in the proceeding to</p> <p>3 recognize this as the final agreement reached between the two</p> <p>4 appraisers?</p> <p>5 MR. KISE: Same objection.</p> <p>6 Q Yes or no?</p> <p>7 A That's what the document says.</p> <p>8 THE COURT: Overruled. It's --</p> <p>9 Q That wasn't my question.</p> <p>10 THE COURT: It's a subtle question. Ask it again</p> <p>11 and we'll get a read back.</p> <p>12 Q Given your involvement in the proceeding, Mr. Flores,</p> <p>13 are you able to tell us that this is the final agreement between</p> <p>14 the two appraisers resetting the rent for Niketown?</p> <p>15 A That's what the document appears to be.</p> <p>16 MR. AMER: Your Honor, I move this into evidence.</p> <p>17 MR. KISE: Your Honor, it's complete hearsay. The</p> <p>18 witness has just answered that's what the document appears</p> <p>19 to be, but he's not on the document, it's not addressed to</p> <p>20 him. There is no foundation. He hasn't acknowledged that</p> <p>21 he ever reviewed the document. I don't see how it comes</p> <p>22 into evidence. It's simply hearsay.</p> <p>23 MR. AMER: Your Honor --</p> <p>24 MR. KISE: If they want to call Mr. Nakleh, if they</p> <p>25 want to call these witnesses that are participating in this,</p>		<p>1 there that they're alleging is a statement by our agent, no.</p> <p>2 THE COURT: Well, the witness -- I want to make</p> <p>3 sure we're on the same page or at least I'm on the right</p> <p>4 page.</p> <p>5 The witness said he worked on this project. He</p> <p>6 says yes, this looks like the resolution of the project on</p> <p>7 which he worked. Overruled. It's in evidence.</p> <p>8 Q And the agreement resets the rent to \$892,500; correct?</p> <p>9 A That's what the document says.</p> <p>10 Q And that's almost twice what the rent had been prior to</p> <p>11 the reset. Isn't that right?</p> <p>12 A I believe so.</p> <p>13 MR. AMER: And let's put up the native of</p> <p>14 Plaintiff's Exhibit 2222.</p> <p>15 Q This is the 20-year discounted cash flow for Niketown</p> <p>16 for 2021. Do you recognize this as another 20-year -- well, do</p> <p>17 you recognize this as a 20-year discount cash flow that you</p> <p>18 prepared for Niketown?</p> <p>19 A It could have been, but I don't -- I can't recall in</p> <p>20 this moment.</p> <p>21 Q Let's look under the "ground lease" tab.</p> <p>22 Do you see that the ground lease amounts for Kandell in</p> <p>23 this cash flow analysis is the amount that was agreed to between</p> <p>24 the appraisers; right?</p> <p>25 A Yes.</p>	
R. Flores - Plaintiff - direct (Amer)	Page 2084	R. Flores - Plaintiff - direct (Amer)	Page 2086
<p>1 this witness has said -- all he said at most "this is what</p> <p>2 it appears to be." Any of us can say that. That's not a</p> <p>3 foundation for admission into evidence.</p> <p>4 THE COURT: Yes, but he worked on the project.</p> <p>5 MR. KISE: But he says he doesn't recognize this as</p> <p>6 the final resolution.</p> <p>7 MR. AMER: Can I be heard, Your Honor? CPLR 4549</p> <p>8 is a recognized exception to the hearsay rule. It says:</p> <p>9 "A statement offered against an opposing party</p> <p>10 shall not be excluded from evidence as hearsay if made by a</p> <p>11 person whom the opposing party authorized to make a</p> <p>12 statement on the subject or by opposing party's agent or</p> <p>13 employee on a matter within the scope of that relationship</p> <p>14 and during the existence of that relationship."</p> <p>15 Mr. Fields was retained as the Trump Organization's</p> <p>16 agent to act as their appraiser in this proceeding. This is</p> <p>17 not hearsay and it comes in for all purposes under 4549.</p> <p>18 MR. KISE: Again, I don't -- without getting into a</p> <p>19 long debate, I don't agree at all with that. Mr. Fields can</p> <p>20 come and testify and bring it in that way. That would be a</p> <p>21 statement, but this is an out-of-court statement offered to</p> <p>22 prove the truth of the matter asserted.</p> <p>23 If Mr. Fields were here himself and he testified to</p> <p>24 what's in this document that would be the subject of what's</p> <p>25 covered under the rule, but some document that is just out</p>		<p>1 Q Looking at the prior cash flow analysis, looking at</p> <p>2 this cash flow analysis and bearing in mind your involvement in</p> <p>3 the rent reset proceedings, are you able to confirm that this is</p> <p>4 your work product?</p> <p>5 A It could have been, but I don't know in this moment. I</p> <p>6 can't recall.</p> <p>7 Q Do you have any understanding as to why a cash flow</p> <p>8 analysis would be using the new rent reset amount as opposed to</p> <p>9 the prior amount?</p> <p>10 A Because that was the actual rent at that point of time.</p> <p>11 That's what I think it meant, but --</p> <p>12 Q So once the rent reset proceedings had been resolved</p> <p>13 and the new rent had been established at an amount that was</p> <p>14 almost twice the old rent, your understanding is that it would</p> <p>15 make sense to use the new rent amount; correct?</p> <p>16 MR. KISE: Objection. I think this question and,</p> <p>17 frankly, the last one is calling for speculation because the</p> <p>18 witness just testified that he's not sure this is his work</p> <p>19 product. Is he asking him to speculate? Because that's</p> <p>20 what his answer was to the last question. It would seem so.</p> <p>21 MR. AMER: Your Honor, I don't think it's asking a</p> <p>22 witness who is involved in the reset proceeding what his</p> <p>23 understanding was as to what use the new rent would be put</p> <p>24 to.</p> <p>25 THE COURT: I think it was -- it's a question in</p>	

R. Flores - Plaintiff - direct (Amer)	Page 2087	R. Flores - Plaintiff - direct (Amer)	Page 2089
<p>1 the abstract anyway, but it's logic.</p> <p>2 MR. KISE: But that's speculation. He said right</p> <p>3 there the answer to the last question it could have been,</p> <p>4 but I don't know. So it's calling for speculation. He</p> <p>5 clearly doesn't know.</p> <p>6 THE COURT: Well, Mr. Flores, don't speculate, but</p> <p>7 answer the question.</p> <p>8 MR. AMER: Your Honor, can I have a read back,</p> <p>9 please?</p> <p>10 THE COURT: Sure.</p> <p>11 (Whereupon, the requested portion of the</p> <p>12 proceedings was read back by the court reporter.)</p> <p>13 A Yes.</p> <p>14 Q And if we look at the "value" tab again, you see that</p> <p>15 the value, the NPV value in Row 14 is 225.8 roughly million</p> <p>16 dollars; correct?</p> <p>17 A That's what the document says.</p> <p>18 MR. AMER: And if we can pull up the 2021 Jeff</p> <p>19 Supporting Data spreadsheet. It's 1352 in evidence.</p> <p>20 Q And look, compare that to Row 91, Row 91.</p> <p>21 And by the way, just to go back a little bit again.</p> <p>22 You'll see in Row 89 it says, "Value per 20-year discounted cash</p> <p>23 flow from Ray Flores." Do you see that?</p> <p>24 A That's what the document says.</p> <p>25 Q And then it gives the values in 2021 and 2020.</p>		<p>1 appraiser for the appraisal proceeding to obtain the rent reset</p> <p>2 amount?</p> <p>3 A I can't recall.</p> <p>4 Q Let me show you Exhibit 3215. This is a retainer for</p> <p>5 Fieldstone Advisers. You'll see under the "Scope of Engagement"</p> <p>6 it says, "David E. Fields will serve as client's party-appointed</p> <p>7 appraiser for purposes of the appraisal proceeding."</p> <p>8 Do you see that?</p> <p>9 A That's what the document says.</p> <p>10 Q And above there is a reference to the Kandell lease.</p> <p>11 Do you see that?</p> <p>12 A Yes.</p> <p>13 Q And if you turn to page two this document is signed.</p> <p>14 One of the signatories is Eric Trump; correct?</p> <p>15 A It's what the document appears to show.</p> <p>16 Q And did Eric Trump assign you to oversee the rent reset</p> <p>17 proceeding?</p> <p>18 A Not to oversee it, but I was involved in this</p> <p>19 proceeding.</p> <p>20 Q Well, did you become involved at his direction?</p> <p>21 A Yes.</p> <p>22 MR. AMER: Your Honor, I move Exhibit 3215 into</p> <p>23 evidence.</p> <p>24 MR. KISE: Your Honor, again, I don't think the</p> <p>25 proper foundation has been laid. If they want to have</p>	
R. Flores - Plaintiff - direct (Amer)	Page 2088	R. Flores - Plaintiff - direct (Amer)	Page 2090
<p>1 MR. AMER: If we go over.</p> <p>2 Q The 2021 value matches exactly the value for NPV in</p> <p>3 Row 14 of the 20-year cash flow analysis; correct?</p> <p>4 A That's correct.</p> <p>5 MR. AMER: Your Honor, I move to admit</p> <p>6 Exhibit 2222.</p> <p>7 THE COURT: Granted. It's in evidence.</p> <p>8 (Whereupon, the item previously referred to is</p> <p>9 received and marked Plaintiff's Exhibit Number 2222 in</p> <p>10 evidence.)</p> <p>11 Q And you'll see in Row K it's tracking the difference</p> <p>12 and the value has dropped by 27 million from 2020 to 2021;</p> <p>13 correct?</p> <p>14 A Yes.</p> <p>15 Q And based on your understanding of how the rent fits</p> <p>16 into the formula, if the rent nearly doubles that would decrease</p> <p>17 the value of the property; right?</p> <p>18 A Yes.</p> <p>19 Q You mentioned and we've established you were involved</p> <p>20 in the rent reset proceeding. Did anyone from the Trump</p> <p>21 Organization to your knowledge attempt to get a preliminary</p> <p>22 indication from an appraiser on what the likely rent reset would</p> <p>23 be before the 2020 Statement of Financial Condition was issued?</p> <p>24 A I don't recall.</p> <p>25 Q Do you know when the Trump Organization engaged an</p>		<p>1 Mr. Trump lay the foundation or Mr. Fields lay the</p> <p>2 foundation, I mean, the fact that this witness had some</p> <p>3 involvement in the process, if we're going to use that as</p> <p>4 the standard for admission of what is clearly hearsay that</p> <p>5 would be a giant black hole. It could be anything. Any</p> <p>6 document associated with the process would then come in</p> <p>7 under that standard. They could just ask him "were you</p> <p>8 involved?"</p> <p>9 "Yes, I was involved."</p> <p>10 "And is this a document that looks like it has</p> <p>11 something to do with the process?"</p> <p>12 "Yes."</p> <p>13 So there is just no foundation at all laid for the</p> <p>14 introduction of hearsay. They have not. At this moment</p> <p>15 it's hearsay. If they want to call a witness that can</p> <p>16 actually get the document into evidence, that's fine, but</p> <p>17 this is not that witness.</p> <p>18 MR. AMER: I want this for purposes of notice as to</p> <p>19 when the appraiser was hired. So maybe we can shortcut</p> <p>20 this. This is a Trump Organization document and it's signed</p> <p>21 by Eric Trump and I'm only offering it for purposes of the</p> <p>22 date of the letter, which January 18, 2021.</p> <p>23 THE COURT: Well, the date of the letter is -- I</p> <p>24 understand that impacts directly on notice, if that's what</p> <p>25 you want it in for. I can't see it.</p>

<p>1 attached"-- "Please see attached the updated model which</p> <p>2 incorporates Allen's waterfall figures into the executive</p> <p>3 summary tab."</p> <p>4 Just to be clear, is Allen a reference to Allen</p> <p>5 Weisselberg?</p> <p>6 A Yes.</p> <p>7 Q And is what's referenced here when it says, "the</p> <p>8 updated model" your cash flow analysis?</p> <p>9 A I believe so.</p> <p>10 Q And was this something you prepared at Eric Trump's</p> <p>11 direction?</p> <p>12 A Yes.</p> <p>13 Q And in the bottom e-mail, which is from Eric Trump to</p> <p>14 you, he refers to it as the Vegas model. Is that your cash flow</p> <p>15 analysis as well?</p> <p>16 A Yes.</p> <p>17 Q And the attachment which says, "V17," does that refer</p> <p>18 to version 17?</p> <p>19 A Yes.</p> <p>20 Q For how long had you been preparing this model that is</p> <p>21 being updated in 2013?</p> <p>22 A I don't recall when I started preparing it, the model.</p> <p>23 Q It would have been before July of 2013, though; is that</p> <p>24 right?</p> <p>25 A Yes.</p>		<p>1 later version.</p> <p>2 Q You're not sure if version 18 is a later version from</p> <p>3 version 17?</p> <p>4 A What are the date stamps to the title?</p> <p>5 MR. AMER: I'll just take that it is a different</p> <p>6 version. I think that's fine.</p> <p>7 THE COURT: Okay.</p> <p>8 MR. AMER: And let's look at the 2016 Jeff</p> <p>9 supporting data which is Exhibit 742 in evidence, row 816.</p> <p>10 Q Now, we looked at the supporting data spreadsheet that</p> <p>11 had the 2013 and 2014 values for Vegas, both attributed to your</p> <p>12 cash flow analysis. And now we're looking at the spreadsheet</p> <p>13 that has 2015 and 2016 and it is the same attribution, correct?</p> <p>14 It is based on your cash flow from unit sales that you prepared,</p> <p>15 right?</p> <p>16 A That's what this document says.</p> <p>17 THE COURT: Mr. Amer, how much longer because we</p> <p>18 have various scheduling issues to address?</p> <p>19 MR. AMER: I think I will probably be another</p> <p>20 45 minutes.</p> <p>21 THE COURT: We will have to bring him back Monday,</p> <p>22 I guess. Ten o'clock Monday. Counselors, right?</p> <p>23 MR. KISE: That's fine.</p> <p>24 THE COURT: Right. Well, five-minute warning.</p> <p>25 Take it back.</p>

Laptops and cell 4 phones will be permitted, but only to members of the press. 5 There is absolutely no recording or photography of any kind 6 allowed in the courtroom. Now be seated and come to order. 7 THE COURT: I think we are going to have some 8 photographers come in first. 9 (Whereupon, there is a pause in the proceedings.) 10 THE COURT: Plaintiff, would you like to call your 11 first witness for today? 12 MR. KISE: Your Honor, I'd like to just, as I 13 mentioned over the weekend, place something on the record 14 briefly before the witnesses enter the room. 15 THE COURT: Go ahead. 16 MR. KISE: So I just want to place our objection on 17 the record to proceeding today under the circumstances. 18 As we had exchanged, the Attorney General knew 19 about this COVID risk of -- at least as of last Wednesday. 20 There was no mention of it, there was no notice of it. We 21 had a shared podium, a shared microphone. There are court 22 reporters here, court officers here, the Court, Counsel. We 23 had multiple close sidebar discussions with now-COVID 24 positive lawyers. 25 There was a deposition Thursday of the witness and</p>

There was no 2 opportunity for any precautions of any kind. You'll notice 3 I'm sitting over on this side of the courtroom. 4 Saturday evening was the first notice of this and a 5 total of four team members from the Attorney General's team 6 tested positive. None of the communications expressed any 7 concern about safety or health, none of them asked for any 8 protocol measures, none of them asked for anything to be 9 done. The only reason for the notification was scheduling 10 and the Attorney General simply wanted to proceed with the 11 trial as if nothing had happened. And, respectfully, in our 12 view, that's just beyond irresponsible. 13 There are many people in this courtroom, including 14 myself, that have specific and special health concerns and 15 considerations. Some have caretaking responsibilities. We 16 don't know about all of the many dedicated court officers 17 and court staff and court reporters in addition to the 18 literally hundreds of media individuals present, and these 19 individuals, including myself, are entitled to notice at a 20 minimum so they can take necessary precautions. 21 Now, the Attorney General has made numerous public 22 statements, numerous public statements about COVID. 23 Quote, "The health and safety of all New Yorkers 24 has always been our top priority and in order to protect our 25 communities we must continue to act responsibly and</p>

Proceedings	Page 2104	Proceedings	Page 2106
<p>1 carefully." That's a quote from December of 2021.</p> <p>2 So this is the same Attorney General also that sued</p> <p>3 Amazon, among others, over their COVID practices. Yet her</p> <p>4 own staff ignore basic notice requirement. It seems as with</p> <p>5 everything else with this case that nothing else matters</p> <p>6 except for suing President Trump. We're just going to</p> <p>7 dispense with all the rules, we're going to dispense with</p> <p>8 all the protocols and we're going to forge ahead with the</p> <p>9 trial. Everyone is just looking the other way and, frankly,</p> <p>10 it's irresponsible to proceed.</p> <p>11 Having at least another day -- there was another</p> <p>12 team member from the Attorney General that tested positive</p> <p>13 this morning. We're not exactly sure we're through with</p> <p>14 this. I hope for all our sake, but there is no prejudice to</p> <p>15 wait another day. There is no jury. Forging ahead with a</p> <p>16 key witness who now I understand also has potential</p> <p>17 considerations, I'm not sure what those are, but I certainly</p> <p>18 won't get into them on the record, having a break to ensure</p> <p>19 that all Counsel, all staff, everyone involved is cleared.</p> <p>20 I do appreciate that the Attorney General, as we did, tested</p> <p>21 themselves this morning, their counsel team and our counsel</p> <p>22 team and your counsel team, at least we understand from them</p> <p>23 tested negative, but it's really hypocritical to say the</p> <p>24 health and safety of all New Yorkers is a top priority and</p> <p>25 the AG wants to forge ahead with this. And I'm sure that</p>		<p>1 was at trial in New York, but I was taking medications and I</p> <p>2 was on pain pills and I was doing this and doing that. So I</p> <p>3 think that that's yet another reason to postpone for the</p> <p>4 day. Thank you, Judge.</p> <p>5 THE COURT: Well, I can take a vote of all the</p> <p>6 people out there whether they want to proceed today. I</p> <p>7 realize that's not the issue. I understand what you're</p> <p>8 saying. I understand your concerns. I won't address, but I</p> <p>9 will allow the Attorney General's Office to address, if you</p> <p>10 would like.</p> <p>11 Also, masks are available, N-95 masks. Peter, is</p> <p>12 that --</p> <p>13 MR. SORRENTO: They're on counsel table.</p> <p>14 MR. KISE: I just want to say one other thing, but</p> <p>15 the individual that's going to respond, I object to him even</p> <p>16 being here in the courtroom as I put this weekend. I don't</p> <p>17 think he should be here.</p> <p>18 MS. HABBA: I agree.</p> <p>19 THE COURT: The individual is going to respond.</p> <p>20 Do you want to respond?</p> <p>21 MR. SOLOMON: I do, Your Honor.</p> <p>22 THE COURT: Make sure you're are close to the</p> <p>23 microphone.</p> <p>24 MR. SOLOMON: First off, we take exception to any</p> <p>25 claim that we were irresponsible in any way, shape or form.</p>	
Proceedings	Page 2105	Proceedings	Page 2107
<p>1 there will be reactions to this, but it's a fact.</p> <p>2 We have the leading candidate for president of the</p> <p>3 United States in this courtroom today and exposing that risk</p> <p>4 -- if this were different, if this were us doing this, I</p> <p>5 know where I'd be. I'd be in shackles. If I had not</p> <p>6 notified the Court of some risk, the Attorney General would</p> <p>7 be up in arms, their team would be up in arms and I think</p> <p>8 that's an unfair double standard I think that's applied to a</p> <p>9 lot of things procedurally in this case. I'm not talking</p> <p>10 about Your Honor's rulings.</p> <p>11 THE COURT REPORTER: Counsel, please slow down.</p> <p>12 MR. KISE: Sorry.</p> <p>13 The Commercial Division and the assignments, but</p> <p>14 none of the rules seem to apply when we're chasing President</p> <p>15 Trump and I think it's unfair and I don't think we really</p> <p>16 should be here today exposing everyone to as yet some --</p> <p>17 whether it be limited or not we don't know -- known risk and</p> <p>18 another day or two days would not have made a significant</p> <p>19 difference.</p> <p>20 I certainly hope we're not going to hear from the</p> <p>21 government's key witness that there are health</p> <p>22 considerations that would preclude that witness from</p> <p>23 testifying truthfully, honestly and recalling so that a</p> <p>24 month from now or two months from now as is his normal</p> <p>25 fashion, he says well, I know I said that in court when I</p>		<p>1 Second, I'm not going to relitigate with Mr. Kise</p> <p>2 the issues on procedural things that may have happened in</p> <p>3 the past. We're here today, we are following the CDC</p> <p>4 guidelines. The individual, me, who is in the courtroom</p> <p>5 today, isolated for five days, as required, has tested</p> <p>6 negative for the last three days, and is wearing a mask.</p> <p>7 Those are the guidelines. That's what is appropriate.</p> <p>8 We advised the Court from what I understand the</p> <p>9 Court conferred with various administration personnel.</p> <p>10 THE COURT: True.</p> <p>11 MR. SOLOMON: And directed that we appear today,</p> <p>12 period, full stop. That's all that's relevant.</p> <p>13 THE COURT: Well, the administration basically left</p> <p>14 it up to me, but they made certain recommendations, which</p> <p>15 was go ahead, if possible, and we're going ahead.</p> <p>16 MR. ROBERT: Your Honor, if I may. That's not the</p> <p>17 issue. The issue is that the Attorney General's Office knew</p> <p>18 on Wednesday and didn't tell any of us, so we were here with</p> <p>19 our personal health issues, our family health issues, the</p> <p>20 Court's issues. We were in chambers. We had members of our</p> <p>21 team who were in a small deposition room last week on</p> <p>22 Thursday while other members of the team were here trying</p> <p>23 the case and having conferences with the Court and with the</p> <p>24 Attorney General having knowledge that one of the key</p> <p>25 lawyers tested positive. They didn't tell us. Then</p>	

Proceedings	Page 2108	W. Kelly - Plaintiff - direct (Finkelstein)	Page 2110
<div>1 unfortunately, that one mushroomed into four as of Saturday</div> <div>2 night. Again, as Mr. Kise said, the only reason the Court</div> <div>3 was notified was a scheduling issue, not for a safety issue.</div> <div>4 We then took it upon ourselves to notify those people that</div> <div>5 were in the deposition on Thursday of what happened. They</div> <div>6 were very grateful that we had let them know so they could</div> <div>7 take the appropriate precautions. Then a member of our team</div> <div>8 gets it yesterday and then we find out this morning another</div> <div>9 member of the Attorney General's has it.</div> <div>10 So as we stand here today, we are truly in an</div> <div>11 outbreak. So to proceed under these circumstances is not in</div> <div>12 the health and safety of everyone in this room, including</div> <div>13 the Court, the staff, the litigants, the attorneys and there</div> <div>14 is absolutely no reason whatsoever to proceed. It's a bench</div> <div>15 trial. There is no prejudice and even the fact that we're</div> <div>16 in such close proximity is something that is incredibly</div> <div>17 problematic to us and we see no reason that we need to</div> <div>18 proceed.</div> <div>19 THE COURT: Any last few words from the AG's side?</div> <div>20 MR. SOLOMON: I think Your Honor understands the</div> <div>21 current state of affairs.</div> <div>22 THE COURT: Masks are available. I'm going to</div> <div>23 proceed.</div> <div>24 Plaintiff, would you like to call your first</div> <div>25 witness?</div>	<div>1 the technology and support that?</div> <div>2 THE COURT: Correct me if I'm wrong, you can take</div> <div>3 one of your microphones and plug it in there?</div> <div>4 MR. KISE: If we can do that. Again, you know I'm</div> <div>5 not the tech person.</div> <div>6 And for the record, remember, I wanted the table</div> <div>7 this way with a distance that's even further, but</div> <div>8 nonetheless, if we can do that, that's fine. Then on a</div> <div>9 break we can move a microphone over there.</div> <div>10 THE COURT: All right. Peter, ask Rob, whoever.</div> <div>11 MR. SORRENTO: I'm on the phone with the IT now.</div> <div>12 THE COURT: We're on it.</div> <div>13 And Chris, doesn't it look much better this way,</div> <div>14 two tables?</div> <div>15 THE COURT OFFICER: Ready for the witness?</div> <div>16 THE COURT: Ready for the witness.</div> <div>17 THE COURT OFFICER: Witness entering.</div> <div>18 THE COURT: This is a little bit like waiting for</div> <div>19 the pitcher to come in from the bull pen.</div> <div>20 (Whereupon, the witness enters the courtroom and</div> <div>21 approaches the witness stand.)</div> <div>22 THE COURT OFFICER: Please raise your right hand.</div> <div>23 Do you solemnly swear or affirm that any testimony</div> <div>24 you give will be the truth, the whole truth and nothing but</div> <div>25 the truth?</div>		
W. Kelly - Plaintiff - direct (Finkelstein)	Page 2109	W. Kelly - Plaintiff - direct (Finkelstein)	Page 2111
<div>1 MR. FINKELSTEIN: The People call Bill Kelly.</div> <div>2 THE COURT: I hope we can move through Mr. Kelly</div> <div>3 because we are other things on the agenda today.</div> <div>4 MR. FINKELSTEIN: Understood.</div> <div>5 MS. HABBA: Your Honor, I'm sorry. There is one</div> <div>6 thing that I would just like to ask.</div> <div>7 Do we have two microphones for those that are using</div> <div>8 the podium to examine witnesses? Because I would not like</div> <div>9 to use one that the AG has used. That does not have any</div> <div>10 kind of protective covering. So with all due respect, I'm</div> <div>11 not using something that's been closely contaminated too.</div> <div>12 Thank you.</div> <div>13 THE COURT: Can you just use the microphones that</div> <div>14 you have available there?</div> <div>15 MS. HABBA: If I'd like me to stand here and cross</div> <div>16 examine him, that's fine, but the exhibits are there. I</div> <div>17 mean, the witness is there. Do we have another microphone?</div> <div>18 I think that would be the easiest.</div> <div>19 MR. SOLOMON: The microphone is something that the</div> <div>20 AG's office provided. If they want to bring their own</div> <div>21 microphone and use their own microphone and their own tech</div> <div>22 setup, we have no objection to that.</div> <div>23 THE COURT: Whatever you want do is fine with me.</div> <div>24 MS. HABBA: Thank you. We'll figure it out.</div> <div>25 MR. KISE: Will we have time to do that, to replace</div>	<div>1 THE WITNESS: I do.</div> <div>2 THE COURT OFFICER: Please have a seat.</div> <div>3 THE WITNESS: Thank you.</div> <div>4 THE COURT OFFICER: Please state your name and</div> <div>5 either home or business address on the record.</div> <div>6 THE WITNESS: My name is William Kelly. My</div> <div>7 business address is Mazars USA LLP. 135 West 50th Street,</div> <div>8 New York, New York.</div> <div>9 THE COURT: Counsel, please proceed.</div> <div>10 DIRECT EXAMINATION</div> <div>11 BY MR. Alex Finkelstein on behalf</div> <div>13 of the People.</div> <div>14 Good morning, Mr. Kelly.</div> <div>15 A Good morning.</div> <div>16 Q You are here today to testify under subpoena; correct?</div> <div>17 A Correct.</div> <div>18 Q Can you please tell us where you are currently</div> <div>19 employed?</div> <div>20 A I am the general counsel of Mazars USA LLP, an</div> <div>21 accounting firm headquartered in New York.</div> <div>22 Q Can you please describe for us your educational</div> <div>23 background after you graduated from high school?</div> <div>24 A I went to Binghamton University and graduated in 1997.</div> <div>25 After that I went to St. John's University School of Law,</div>		

<p>W. Kelly - Plaintiff - direct (Finkelstein) Page 2112</p> <p>1 graduating in 2000.</p> <p>2 Q After you graduated from law school, could you take us</p> <p>3 through your professional experience at a high level?</p> <p>4 A Sure. Well, first in law school I worked at the</p> <p>5 Grievance Committee for the Ninth Judicial District, which is a</p> <p>6 body that investigates and prosecutes attorney misconduct. I</p> <p>7 also was a summer associate at the law firm Wilson Elser and I</p> <p>8 interned for the Honorable Judge Joanna Seybert with the Eastern</p> <p>9 District of New York.</p> <p>10 After law school I became an associate attorney at the</p> <p>11 law firm Wilson Elser where I was a summer associate. Prior I</p> <p>12 worked there for a couple of years then became an associate at</p> <p>13 another law firm called Shaub Ahmuty and after that I was</p> <p>14 brought back to Wilson Elser in an of counsel position, then</p> <p>15 made partner there until I became the general counsel at Mazars</p> <p>16 USA beginning in late 2017 but effective January 1, 2018.</p> <p>17 Q So you became general counsel of Mazars USA effective</p> <p>18 in January 2018?</p> <p>19 A I was hired in late 2017 and I overlapped with my</p> <p>20 predecessor who was retiring for a month or so and then as of</p> <p>21 January 1st I was the general counsel for Mazars USA.</p> <p>22 Q After you became general counsel at Mazars did you have</p> <p>23 any involvement in the Mazars engagements for Donald J. Trump?</p> <p>24 A I wasn't part of the engagement team, but I was part of</p> <p>25 the communication team with the client and I handled the legal</p>	<p>W. Kelly - Plaintiff - direct (Finkelstein) Page 2114</p> <p>1 honored all of our duties to our client due to confidentiality</p> <p>2 and make sure we followed the rules there; and three, I had to</p> <p>3 make sure that Mazars USA was in the best position legally that</p> <p>4 it could be given all the situation of what's going on.</p> <p>5 Q And when you say "the general counsel of the Trump</p> <p>6 Organization," who was that that you were talking to?</p> <p>7 A Alan Garten.</p> <p>8 Q So you mentioned some involvement in legal aspects.</p> <p>9 Did that take any particular form?</p> <p>10 A Yes. I would coordinate with our outside counsel who</p> <p>11 would gather documents, both internally through my office and</p> <p>12 going directly to the custodians, and then they would secure</p> <p>13 those documents, produce them to the -- whatever agency,</p> <p>14 whatever investigatory body I was looking and I would coordinate</p> <p>15 with the Trump Organization to let them know and give them</p> <p>16 copies of whatever it was that they requested.</p> <p>17 Q Did there come a time when you participated in an</p> <p>18 assessment of Mazars' relationship with the Trump Organization?</p> <p>19 A Every year an accounting firm does a client continuance</p> <p>20 assessment for their clients. It could be more often than every</p> <p>21 year if there is a triggering event that would cause an</p> <p>22 accounting firm to reevaluate the conditions of the engagement.</p> <p>23 I was involved in that process. I was involved in the --</p> <p>24 assessing the legal situation and the risk management situation</p> <p>25 and I coordinated that with others in management of the Trump</p>
<p>W. Kelly - Plaintiff - direct (Finkelstein) Page 2113</p> <p>1 aspects of the various Trump-related legal matters that were</p> <p>2 happening throughout the engagements and with the firm.</p> <p>3 Q Can you elaborate on what you mean by the last --</p> <p>4 A Sure. There were several investigations that were</p> <p>5 either ongoing when I got there or commenced when I got there.</p> <p>6 For example, the U.S. House of Representatives Oversight</p> <p>7 Committee had issued several subpoenas to Mazars that were then</p> <p>8 being contested by the Trump Organization and made its way</p> <p>9 through the courts.</p> <p>10 In addition, the New York District Attorney's Office,</p> <p>11 that's for the county of New York District Attorney also issued</p> <p>12 subpoenas in connection with an investigation they were</p> <p>13 conducting, as well as the New York Attorney General and other</p> <p>14 entities as well.</p> <p>15 Q So what was your involvement in the context of those</p> <p>16 things that you just described?</p> <p>17 A When any subpoena would come in to the firm or be</p> <p>18 served upon the firm or attorneys, I would lead the legal</p> <p>19 response to that and I would communicate with the Trump</p> <p>20 Organization, my counterpart there being their general counsel</p> <p>21 about what was happening and what subpoenas we received and how</p> <p>22 we were responding.</p> <p>23 And I was making sure we were A, making sure we</p> <p>24 followed the legal requirements of the subpoena and our</p> <p>25 obligations as a good corporate citizen; two, making sure we</p>	<p>W. Kelly - Plaintiff - direct (Finkelstein) Page 2115</p> <p>1 Organization. Then we would report to the -- I'm sorry.</p> <p>2 I coordinated with others in management of Mazars and</p> <p>3 then we would report that to the executive board, whether or not</p> <p>4 and under what conditions we could continue as the accountants</p> <p>5 for the Trump Organization.</p> <p>6 Q And you were involved in that process since you became</p> <p>7 general counsel in 2018?</p> <p>8 A Yes, I was -- I was probably the -- I probably would</p> <p>9 call myself the leader of that process, but I reported to the</p> <p>10 CEO and the executive board.</p> <p>11 Q So you mentioned Mazars having received subpoenas.</p> <p>12 Were you comfortable continuing with the engagement at that time</p> <p>13 despite receiving subpoenas?</p> <p>14 A Yes. We considered every subpoena that we received</p> <p>15 from any new investigatory body as a triggered event to cause us</p> <p>16 to do a client continuance analysis and simply receiving a</p> <p>17 subpoena doesn't necessarily require us or compel us or cause us</p> <p>18 to want to discontinue an engagement.</p> <p>19 So when we received the congressional subpoena, the</p> <p>20 first one that I think that was in 2019, we did that process of</p> <p>21 client continuance analysis and we concluded we can continue and</p> <p>22 we reached similar conclusions as we received subpoenas from our</p> <p>23 agencies and additional subpoenas from the same agencies.</p> <p>24 Q At some point did you participate in a determination to</p> <p>25 terminate the relationship with the Trump Organization?</p>

W. Kelly - Plaintiff - direct (Finkelstein) Page 2116	W. Kelly - Plaintiff - direct (Finkelstein) Page 2118
<p>1 A Yes, I did.</p> <p>2 Q When was that?</p> <p>3 A It was in May 2001 -- I'm sorry. 2021. We received</p> <p>4 information and circumstances had changed such that we made the</p> <p>5 decision to discontinue the services and we notified the Trump</p> <p>6 Organization of that.</p> <p>7 Q What information are you referring to?</p> <p>8 A We had been subpoenaed by the District Attorney's</p> <p>9 Office of the County of New York for -- in connection with an</p> <p>10 investigation to Allen Weisselberg's activity.</p> <p>11 Allen Weisselberg was the former CFO of the Trump Organization.</p> <p>12 The DA was investigating his personal compensation and others</p> <p>13 around him.</p> <p>14 We had received subpoenas and had been interviewed by</p> <p>15 the District Attorney's Office and based on that information and</p> <p>16 what we had come to learn about Allen Weisselberg we determined</p> <p>17 we could no longer provide services to the Trump Organization.</p> <p>18 Q Why did you reach that determination?</p> <p>19 A Allen Weisselberg was the CFO of the Trump</p> <p>20 Organization. He was our main contact at the Trump Organization</p> <p>21 for the providing -- for them providing us financial</p> <p>22 information. If his representations to us about the accuracy</p> <p>23 and truthfulness of the financial records that he's providing to</p> <p>24 us as the outside accountants is compromised, if we can no</p> <p>25 longer rely on him as CFO, then we can no longer perform our</p>	<p>1 THE COURT: Granted. It's in.</p> <p>2 And I'll direct the witness if you're asked a</p> <p>3 yes-or-no question, please just answer yes or no without any</p> <p>4 commentary. If you can't answer yes or no, then we can</p> <p>5 discuss it.</p> <p>6 THE WITNESS: Thank you.</p> <p>7 (Whereupon, the item previously referred to is</p> <p>8 received and marked Plaintiff's Exhibit Number 2992 in</p> <p>9 evidence.)</p> <p>10 Q I'd like to direct your attention to page two. The</p> <p>11 letter reads: "Dear Allen, as general counsel for Mazars USA, I</p> <p>12 write to advise the Trump Organization and related entities,</p> <p>13 including Donald J. Trump, that Mazars USA is resigning from all</p> <p>14 engagements with the Trump Organization and related entities."</p> <p>15 Didn't Mazars, in fact, resign from all engagements</p> <p>16 with the Trump Organization?</p> <p>17 A Yes.</p> <p>18 Q Did any engagements continue at this time, the time of</p> <p>19 the letter?</p> <p>20 A No.</p> <p>21 Q Why?</p> <p>22 A Why did they -- I'm sorry. I don't understand the</p> <p>23 "why" part.</p> <p>24 Q Sorry. This letter is dated May 18, 2021. Do you see</p> <p>25 that?</p>
W. Kelly - Plaintiff - direct (Finkelstein) Page 2117	W. Kelly - Plaintiff - direct (Finkelstein) Page 2119
<p>1 engagements.</p> <p>2 The engagements we were preparing at the time were</p> <p>3 preparing tax returns for the corporate entities and Donald</p> <p>4 Trump individually, as well as doing the statements of financial</p> <p>5 condition. Both of those engagements require that we rely upon</p> <p>6 the representations of management, in this case, Allen</p> <p>7 Weisselberg, the CFO. If we are no longer allowed or no longer</p> <p>8 reasonably allowed to rely on his management we can no longer do</p> <p>9 those engagements.</p> <p>10 Q I'd like to show the witness for identification a</p> <p>11 document marked as PX 2992. Do you recognize this document?</p> <p>12 A I do.</p> <p>13 Q What do you recognize it to be?</p> <p>14 A I recognize the cover of this document to be an e-mail</p> <p>15 that I sent to Alan Garten and I recognize page two of the</p> <p>16 document to be a letter I wrote that was an attachment to that</p> <p>17 e-mail. The last two pages I do not recognize, but they seem to</p> <p>18 be printouts of whatever was -- they're blank, so.</p> <p>19 Q But those pages have Mazars Bates numbers on the</p> <p>20 bottom?</p> <p>21 A They do, and I don't know if the e-mail was like the</p> <p>22 e-mail went onto the separate page, so it printed a blank sheet</p> <p>23 so.</p> <p>24 MR. FINKELSTEIN: Your Honor, I move to admit PX</p> <p>25 2992 into evidence.</p>	<p>1 A Yes.</p> <p>2 Q So my question was did Mazars, in fact, resign from all</p> <p>3 engagements with the Trump Organization in May of 2021?</p> <p>4 A Yes.</p> <p>5 Q Did Mazars cooperate with the transition to new</p> <p>6 accountants?</p> <p>7 A Yes.</p> <p>8 Q You can set that document aside.</p> <p>9 MR. FINKELSTEIN: I would like to show the witness</p> <p>10 for identification a document marked as PX 2994.</p> <p>11 Q Do you recognize this document?</p> <p>12 A I do.</p> <p>13 Q What do you recognize it to be?</p> <p>14 A I recognize it to be an e-mail I sent to Alan Garten at</p> <p>15 the Trump Organization and the accompanying letter.</p> <p>16 MR. FINKELSTEIN: Your Honor, plaintiffs move to</p> <p>17 admit PX 2994 into evidence.</p> <p>18 THE COURT: Granted. It's in.</p> <p>19 (Whereupon, the item previously referred to is</p> <p>20 received and marked Plaintiff's Exhibit Number 2994 in</p> <p>21 evidence.)</p> <p>22 Q The letter reads:</p> <p>23 "Dear Alan, we write to advise that the statements of</p> <p>24 financial condition for Donald J. Trump for the years ending</p> <p>25 June 30, 2011 to June 30, 2020 should no longer be relied upon</p>

<p>W. Kelly - Plaintiff - direct (Finkelstein) Page 2120</p> <p>1 and you should inform any recipient thereof who are currently 2 relying upon one or more of those documents that those documents 3 should not be relied upon. We have come to this conclusion 4 based in part upon the filings made by the New York Attorney 5 General on January 18, 2022, our own investigation and 6 information received from internal and external sources. 7 While we have not concluded that the various financial 8 statements as a whole contain material discrepancies, based upon 9 the totality of the circumstances we believe our advice to you 10 to no longer rely upon those financial statements is 11 appropriate." 12 How did you reach the determination that the Statements 13 of Financial Conditions for 2011 to 2020 should no longer be 14 relied upon? 15 A As I explained in the second paragraph of this letter, 16 we were aware of and reviewed the January 18, 2022 filings by 17 the Attorney General's Office and litigation involving the Trump 18 Organization and in that filing they detailed extensive 19 allegations and issues concerning various assets that were 20 listed in the statements of financial condition. 21 They identified areas that they alleged to have been 22 overstated or improperly reported or some other issue that 23 causes to examine our information that we had in our files and 24 with and through counsel we conducted an internal investigation 25 regarding that -- those -- those services, those statements of</p>	<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2122</p> <p>1 Q If we could go to page three. Make it at page four. 2 A I'm at page four. 3 Q Do you see the signatures on this page? 4 A I do. 5 Q Whose signatures are those? 6 A I understand them to be Allen Weisselberg on the left 7 and Donald J. Trump Jr. on the right. 8 MR. KISE: Objection, Your Honor. Is he testifying 9 he knows or is he testifying that that's what they appear to 10 be? 11 THE COURT: That's a good question. Let's ask him. 12 Do you recognize the signatures absent the 13 identifications? 14 THE WITNESS: No, I don't. 15 THE COURT: Okay. 16 MR. FINKELSTEIN: If we could go back to PX 2994. 17 THE COURT: I just have one other question. Would 18 you recognize them if they were real? 19 THE WITNESS: No. 20 THE COURT: So you just don't know what the 21 signatures look like? 22 THE WITNESS: No. 23 THE COURT: Thank you. Okay. 24 Q So you wrote in the letter, "We have not concluded that 25 the various financial statements as a whole contain material</p>
<p>Page 2121</p> <p>1 financial condition. We reviewed other external documents that 2 we were able to get from public sources and as a result of all 3 that and knowing that many of these representations were 4 provided to us through Allen Weisselberg, we thought it 5 appropriate to advise the client that they should no longer rely 6 upon these financial statements. 7 Transcript continues on the following page.... 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2123</p> <p>1 discrepancies." 2 Does that reflect an affirmative determination that 3 there were no material discrepancies? 4 A That reflects -- 5 MR. KISE: Objection. It says what it says. I 6 mean, I don't know how the witness can testify 7 adverse -- exactly what the words are on the page. Are you 8 calling for an explanation of what it says there in plain 9 English? 10 THE COURT: Did you write this letter? 11 THE WITNESS: I did. 12 THE COURT: Then I'll let you interpret it. 13 Overruled. 14 A Can you read the question back, please? 15 MR. FINKELSTEIN: Can I have a readback? 16 THE COURT: Read back, please. 17 (Whereupon, the requested portion of the record was 18 read back.) 19 THE COURT: Yes, no? 20 A That reflects that we have not concluded one way or the 21 other. We have reached no conclusion. 22 Q Did you undertake any audit or review procedures to 23 determine whether there were material discrepancies? 24 A No. 25 And this has an explanation if I may, Your Honor.</p>

W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2124

1 THE COURT: Sure.  
2 THE WITNESS: Thank you.  
3 No. In order for an accounting firm to issue an  
4 opinion about the veracity of financial information, they  
5 must conduct a test services, certain level of services that  
6 require testing, confirmation other high-level things. Most  
7 common would be an audit or a review. We did no services  
8 that would allow us to render an opinion about the  
9 truthfulness or untruthfulness of any of the financial  
10 information. So we were advising the Trump Organization  
11 through this that we have not reached any conclusion.  
12 Q So did Mazars make any determination one way or the  
13 other that there were, in fact, material discrepancies?  
14 A No.  
15 Q So going to the next paragraph, you wrote, "As we have  
16 stated in the Statements of Financial Condition, Mazars  
17 performed its work in accordance with professional standards. A  
18 subsequent review of those work papers confirms this."  
19 How did you reach that conclusion?  
20 A Well, the first sentence, I'm reflecting what the  
21 actual compilation report state when they were written in 2011,  
22 '12, all the way through '21. The second sentence, the "a  
23 subsequent review of those work papers confirms this," we went  
24 back and looked at our work papers again to make sure that we  
25 didn't make a mistake prior and we didn't. So that's what we

W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2125

1 did to confirm the statements in those two sentences.  
2 Q And in reviewing the work papers, did you consider any  
3 professional standards in your analysis?  
4 A In conducting --  
5 MR. KISE: Objection, Your Honor. I don't know if  
6 it has been established, foundation. Did this witness  
7 testify that he, in fact, reviewed the work papers and  
8 undertook the review of the work papers? He's not an  
9 accountant and as I understand from his deposition, he is  
10 not here as a corporate representative. He is here in his  
11 individual capacity or general counsel. I don't know if the  
12 requisite foundation has been made. I'm not saying they  
13 can't. I'm just saying it hasn't been laid yet.  
14 THE COURT: Well, I thought your -- originally, I  
15 thought your objection was we don't know whether he did it  
16 or someone else at Mazars did it.  
17 MR. KISE: Well, right. So if he performed it,  
18 then he could testify about what he actually did; but if  
19 not, then he has no foundation. But either way, it is not  
20 clear in the record.  
21 THE COURT: All right. Let's make the record  
22 clear.  
23 Can you rephrase the question?  
24 MR. FINKELSTEIN: Okay.  
25 Q Earlier you mentioned a review of the work papers. Did

W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2126

1 you undertake that review?  
2 THE COURT: You personally, you mean?  
3 Q You personally.  
4 A I was part of the legal team with external lawyers that  
5 did that review.  
6 Q And what did that review determine?  
7 MR. KISE: Again, Your Honor, same objection. Is  
8 he asking for what he was told because the witness has just  
9 testified he was part a legal team? He is not an  
10 accountant, so he wouldn't have any understanding of any  
11 professional standards. So if he's being asked to convey  
12 what he was told in his role, then that may come in  
13 depending on what the answer is, but there's still no  
14 foundation and I would think that what he was told is  
15 hearsay. They would need the witness on to come in and  
16 testify to it.  
17 THE COURT: If the witness is just saying what he  
18 was told, I would agree it's hearsay.  
19 MR. SOLOMON: Your Honor, that wasn't the question.  
20 The question was what did he say. He wasn't asked what he  
21 was told.  
22 THE COURT: Maybe we have to dig deeper into how he  
23 learned what he learned. So I'll ask, the question, just be  
24 very clear as to whether we're talking about him or the  
25 organization as a whole.

W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2127

1 Q So what was your understanding of results -- of the  
2 results of the review referenced in this letter?  
3 A My understanding was that a review of those work papers  
4 confirms that the Statements of Financial Condition and the work  
5 performed by Mazars, the work performed by Mazars performed in  
6 accordance with professional standards as I wrote in this  
7 letter.  
8 MR. KISE: Same objection, Your Honor. If that  
9 understanding is based on hearsay, then it is inadmissible.  
10 THE COURT: I'm not sure -- I feel like we're  
11 going around in circles unfortunately. Was this -- was  
12 this a team conclusion? Is that basically what you're  
13 saying?  
14 THE WITNESS: It was a joint conclusion when I and  
15 the legal team -- the external legal team reviewed the work  
16 papers and we reached a conclusion based on our joint  
17 review. I did physically look at work papers. I can't say  
18 that I physically did every single one for every single  
19 year, but I was part of that team. They worked at my  
20 direction and reported to me.  
21 THE COURT: Do you feel that you needed to be an  
22 accountant to make these statements?  
23 THE WITNESS: I believe someone needs to be trained  
24 in this area and I've been representing accountants for 25,  
25 24 years and I've been -- I'm very familiar with the

<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2128</p> <p>1 standards and how to determine whether or not an engagement 2 comports with professional standards. So yes, I feel 3 comfortable that I don't need to be an accountant to 4 understand that. I don't think that's a general person's 5 ability.</p> <p>6 THE COURT: Okay. I'll let it all in. Objection 7 overruled and, of course, you can cross-examine him on this 8 issue. Let's move ahead.</p> <p>9 Q Is it consistent that the statements should no longer 10 be relied upon and that Mazars performed its work in accordance 11 with professional standards?</p> <p>12 A Yes.</p> <p>13 Q Can you elaborate on that?</p> <p>14 A When performing a service like this, a compilation or 15 Statements of Financial Condition, we rely on the 16 representations of management. And in doing so, we take the 17 information and do our work.</p> <p>18 MR. KISE: Objection, Your Honor. Again, this 19 witness has no foundation here. He's not an accountant. He 20 didn't engage in the actual performance of the work and he 21 is not here as a corporate representative, which I think is 22 a significant distinction. He's the general counsel of the 23 company. He came along after the fact and now he's offering 24 into evidence explanations about matters that he had no 25 personal involvement in whatsoever.</p>	<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2130</p> <p>1 Q Mr. Kelly, were you in the middle of an answer before 2 this objection?</p> <p>3 A Yes.</p> <p>4 MR. FINKELSTEIN: Can I have the question read 5 back, Your Honor?</p> <p>6 THE COURT: Just the question or do you want the 7 partial answer also?</p> <p>8 MR. FINKELSTEIN: The partial answer as well.</p> <p>9 THE COURT: Okay.</p> <p>10 Read back, please, the last question and the 11 partial answer.</p> <p>12 (Whereupon, the requested portion of the record was 13 read back.)</p> <p>14 THE COURT: Was that a completed answer or do you 15 need to add anything to that?</p> <p>16 THE WITNESS: That is not a completed answer. I 17 wanted to continue and explain.</p> <p>18 THE COURT: Please do.</p> <p>19 THE WITNESS: Thank you.</p> <p>20 So after we rely on the information provided by the 21 client, if it subsequently comes out years later that the 22 representation was misstated, the work we did at the time is 23 still performed in accordance with professional services. 24 That just means that we know now of subsequent information 25 that would cause us to advise the clients that maybe they</p>
<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2129</p> <p>1 THE COURT: I don't think he's testified he hasn't 2 had any personal involvement in it so --</p> <p>3 MR. KISE: Your Honor, his personal involvement was 4 limited to after the fact looking over things, but he didn't 5 engage in the -- he's providing the Court now with a 6 narrative of what actually took place as opposed to what he 7 learned from his review.</p> <p>8 THE COURT: What's wrong with a narrative of what 9 took place?</p> <p>10 MR. KISE: Because he wasn't there, because he 11 wasn't there. It's -- there's no foundation for it. He's 12 not an accountant.</p> <p>13 THE COURT: Well, that's two different things. I'm 14 going -- he said he was involved.</p> <p>15 Were you strongly involved, weakly involved? Were 16 you a part of the team that issued this statement and you 17 would understand what it was meant?</p> <p>18 THE WITNESS: I was part of the -- I was the one 19 who wrote this letter and I directed the team that did this 20 subsequent review, but I was not part of the original 21 services that were rendered.</p> <p>22 A I'm not part of the engagement team. This is an 23 after-the-fact examination.</p> <p>24 THE COURT: We understand that. Objection 25 overruled. Go ahead. At least I understand that.</p>	<p>W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2131</p> <p>1 should not rely on the financial statements. It doesn't 2 mean that we did the work seven years ago wrong.</p> <p>3 Q So going to the next paragraph, it reads, "Due in part 4 to our decision regarding the statements as well as the totality 5 of the circumstances, we have also reached the point such that 6 there is a non-waivable conflict of interest with the Trump 7 Organization. As a result, we are not able to provide any new 8 work product to the Trump Organization."</p> <p>9 What was the non-waivable conflict of interest referred 10 to here?</p> <p>11 A We came to the conclusion that we would -- members of 12 our firm, members of Mazars would be called upon to testify in 13 an adverse position to our client the Trump Organization. And 14 as a result, we couldn't continue with providing services that 15 were based on us being able to rely upon those representations 16 and/or any representations and advocate for those when filing, 17 in this particular case, tax returns.</p> <p>18 Q After this letter was sent, did you have any further 19 discussion of the letter with the Trump Organization?</p> <p>20 A Yes.</p> <p>21 Q Who did you discuss the letter with?</p> <p>22 A At first, I had a conversation with Alan Garten and 23 after that, I believe I had one, maybe two conversations with 24 Alan and Eric Trump.</p> <p>25 Q What do you recall about those discussions?</p>

W. KELLY - PLAINTIFF - DIRECT/MR. FINKELSTEIN Page 2132	W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2134
<p>1 A I recall at the first conversation with Alan was him</p> <p>2 calling me up and trying to understand the letter and what it</p> <p>3 meant and get some -- get some more color to what I had</p> <p>4 written. And then at the end of that call, he said, you know</p> <p>5 we're going to have to talk to Eric or somebody else about this.</p> <p>6 And he set up another call with him and Eric Trump and I'm not</p> <p>7 sure if it was one or two calls, but it was within a day of each</p> <p>8 sorry, so that's why I'm not sure, and Eric Trump and Alan</p> <p>9 expressed their opinions of the letter and asked for</p> <p>10 explanations and I responded.</p> <p>11 Q Have you ever met with or directly communicated with</p> <p>12 Donald J. Thank you.</p> <p>17 Will there be any cross-examination at this time?</p> <p>18 MR. KISE: Can we drag one of these mics? I don't</p> <p>19 know how this works.</p> <p>20 THE COURT: We have a portable one.</p> <p>21 MR. SOLOMON: Your Honor, I may have misstated</p> <p>22 something earlier. The microphone is actually the court's</p> <p>23 and not the AG's.</p> <p>24 THE COURT: Thank you. Not since prior to joining Mazars because I</p> <p>8 joined in 2018 and graduated in 2020. So for 18 years, I</p> <p>9 represented accountants give or take.</p> <p>10 Q For 18 years, you represented accountants?</p> <p>11 A Yes.</p> <p>12 THE COURT: Please no talking over each other.</p> <p>13 Q You represented accountants in connection with their</p> <p>14 professional lives, correct?</p> <p>15 A Correct.</p> <p>16 Q And partnership disputes, correct?</p> <p>17 A Correct.</p> <p>18 Q You advised the accountants on how to comply with</p> <p>19 professional rules and ethics, correct?</p> <p>20 A Correct.</p> <p>21 Q And in fact, you advised accountants how to handle what</p> <p>22 you described at your deposition last week as particularly</p> <p>23 tricky situations, correct?</p> <p>24 A Correct.</p> <p>25 Q And you lecture on risk management for accountants,</p>

W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2136

1 correct?

2 A Correct.

3 Q Because Mazars made the determination that you were the

4 person most knowledgeable --

5 MR. SUAREZ: Judge, the feedback on this is pretty

6 bad.

7 THE COURT: Where is Rob when you need him? Try to

8 get Rob, please.

9 Why don't we continue, maybe just tone it down a

10 little bit.

11 Q Because Mazars made the determination that you were the

12 person most knowledgeable about certain topics that the New York

13 Attorney General wanted to discuss today, correct?

14 A Correct.

15 Q And that topic included compilation procedures,

16 correct?

17 A Well, I don't know what the Attorney General wanted to

18 talk about, but when I was asked who was the most knowledgeable

19 about certain topics, it was me.

20 Q Not Donald Bender?

21 A Not on the topics that we were asked about.

22 Q You were asked by the NYAG to testify at trial in this

23 case at the end of last summer, right?

24 A I'm not sure when it was. It was several months ago.

25 Q Several months ago, you were asked to testify at trial

W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2137

1 today?

2 A I was advised that I may be called to testify,

3 that -- at this trial.

4 Q And when were you subpoenaed?

5 A I don't -- I don't know.

6 Q Have you ever seen a subpoena?

7 A I believe I have.

8 Q When did you see that subpoena?

9 A Months, a month ago, two months ago. I have no

10 specific recollection.

11 Q Two months ago, you were subpoenaed to testify at

12 trial?

13 A It could be. I have no specific recollection.

14 Q And in the months since, you met with the Attorney

15 General's office at least twice to prepare for your testimony?

16 A Correct.

17 Q And in fact, you practiced your direct examination with

18 the government, correct?

19 A I wouldn't say it was a practice. They asked me some

20 questions and I gave them the answers.

21 Q In preparation to testify at trial today?

22 A In anticipation of the testimony, yeah.

23 Q And you were deposed at Trump Tower last week, correct?

24 A Correct.

25 Q And we sat in a small conference room with members of

W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2138

1 the Attorney General's team, correct?

2 A Correct.

3 Q Have you or your lawyers further discussed your

4 testimony today with the NYAG?

5 A Yes.

6 Q Since the deposition?

7 A Yes.

8 Q What did you discuss?

9 A I was informed over the weekend that the attorney who

10 was questioning me had come down with COVID and a new attorney

11 was going to meet me and get familiar with my talking style.

12 And when we met on Monday by Zoom, we did the same thing we did

13 previously with that attorney, about asking questions and me

14 giving answers.

15 Q You practiced for your direct examination, correct?

16 MR. SOLOMON: Objection. The witness already

17 testified he wasn't practicing, Your Honor.

18 THE COURT: He did. So you'll have to use a

19 different word.

20 Q What would you call reviewing your questions for trial

21 today other than practicing?

22 A Well, for me, it wasn't a practice. He wanted to get

23 to know my rhythm, my answering style, how I answered questions,

24 so maybe it was practice for him; but for me, it was just

25 answering questions.

W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2139

1 Q They wanted to rehearse your direct examination for

2 today?

3 A Whatever their intentions were, I don't know.

4 Q Because the lawyer that sat with us in a conference

5 room for five hours on Thursday had come down with COVID

6 correct?

7 A Correct.

8 Q That's what they told you?

9 A Yes.

10 Q Anything else that you discussed at that meeting on

11 Monday?

12 A No.

13 Q You reviewed Donald Bender's work on the Statements of

14 Financial Condition, correct?

15 A Correct.

16 Q And in fact, you reviewed Mazars' work papers on the

17 Statement of Financial Condition, correct?

18 A Correct.

19 Q You determined that Mazars' work was conducted in

20 accordance with professional standards, correct?

21 A Correct.

22 Q In fact, you described Mr. Bender's role in working for

23 the Trump Organization as unique and irreplaceable correct?

24 A I have described him that way, yes.

25 Q And in fact, Mr. Bender was the engagement partner on

<p>W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2140</p> <p>1 the Trump engagements for a period of time that you reviewed, 2 correct? 3 A Correct. 4 Q And you said that he had 30-plus years of knowledge of 5 the Trump Organization and their financial reporting, correct? 6 A Correct. 7 Q You told me when we met at your deposition that he was 8 familiar with everything that was provided to him, correct? 9 A I don't remember those exact words, but I will agree to 10 those words today. 11 Q Okay. Mr. Bender became familiar with everything that 12 was provided to him, correct? 13 A Correct, in a general sense. 14 Q Those were your words at your deposition, correct? 15 A I don't remember those words in particular, but... 16 Q You also told me that Bender knew the ins and outs of 17 all the transactions, correct? 18 A Correct. 19 Q The historic information, correct? 20 A Correct. 21 Q What entities were no longer in operation, correct? 22 A Correct. 23 Q That there were a lot of similarly-named entities and 24 he knew all of them with great recall? Those were your words, 25 correct?</p>	<p>W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2142</p> <p>1 Q Are you concerned that Mr. Bender claimed not to have 2 expertise in interpreting ASC 274? 3 A No. 4 Q Are you aware that ASC 274 governs the preparation of 5 an individual's Statement of Financial Condition? 6 A In a general sense, yes. 7 Q Are you concerned that Mr. Bender did not read or 8 comprehend the supporting data for the Statements of Financial 9 Condition in their entirety each year that they were provided to 10 him? 11 A I don't accept the premise to that question. 12 Q Why not? 13 A I'm not sure it's a fact that he did not do what you 14 said he didn't do. 15 MR. SUAREZ: All right. Let's pull up Mr. Bender's 16 trial testimony at page 331 at lines 12 through 19: 17 "You can't answer whether you read the whole 18 document. Yes. Okay. The Statement of Financial Condition 19 of the President of the United States and you can't answer 20 if you read the whole document, is that right. I can't 21 answer today that I read every line." 22 Do you see that? 23 A I do. 24 MR. SOLOMON: Your Honor, I'm going to object to 25 this. The original question was the supporting data. This</p>
<p>W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2141</p> <p>1 A Correct. 2 Q In fact, you told me just last week that Mr. Bender 3 would give a four-hour answer if I asked him what knowledge he 4 had of the Trump Organization, correct? 5 A Correct. 6 Q And you also told me that you had no concern with the 7 work that Donald Bender did for the Trump Organization, correct? 8 A Correct. 9 Q And that Mazars had no concern with the work that 10 Donald Bender did for the Trump Organization, correct? 11 A Correct. 12 Q Are you concerned that Mr. Bender received appraisals 13 that he claimed he did not read and understand? 14 A I'm familiar with what you're talking about and I'm not 15 concerned about that. 16 Q Because you were sitting at his deposition, correct? 17 A Correct. 18 Q And that didn't concern you? 19 A No. 20 Q Are you concerned that Mr. Bender did not read 21 everything that was sent to him by the Trump Organization? 22 A No. 23 Q Are you concerned that Mr. Bender was provided with 24 loan documents that he claims he did not read? 25 A No.</p>	<p>W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2143</p> <p>1 answer speaks to the Statement of Financial Condition. 2 Which is it? 3 MR. SUAREZ: And then -- 4 MR. SOLOMON: To show this witness testimony from 5 another witness on a different document is unfair and 6 misleading. 7 MR. KISE: You mean like they do just about with 8 every witness and I object and it is overruled? 9 MR. SOLOMON: Mr. Kise, that is totally unnecessary 10 and you know it. 11 MR. KISE: It is not unnecessary. 12 MR. SOLOMON: There is an objection to the bench 13 which does not concern you. 14 MR. KISE: Everything that goes on here concerns me 15 and my client, absolutely, sir, including your health. 16 MR. SOLOMON: Well, thank you for your concern. 17 THE COURT: I think there was a misrepresentation 18 of what was testified to in the question, but rather than 19 unpack all this, why don't we just move ahead. 20 This is not your testimony, right? 21 THE WITNESS: The testimony on -- the testimony on 22 the screen is not my testimony. 23 THE COURT: Right. Right. Let's have the next 24 question and I'll deem everything else withdrawn. 25 Q Would it concern you that Mr. Bender testified in court</p>

<p>W. KELLY - PLAINTIFF - CROSS/MR. SUAREZ Page 2144</p> <p>1 that he could not answer --</p> <p>2 THE COURT: Wait. Wait. That wasn't in court,</p> <p>3 right?</p> <p>4 MR. SUAREZ: This was in court.</p> <p>5 THE COURT: Oh, I'm sorry this was actually -- I</p> <p>6 haven't caught up in modern technology. Yes, this was in</p> <p>7 court. Apologize.</p> <p>8 Q Would it concern you that Mr. Bender testified in court</p> <p>9 that the Statement of Financial Condition of the President of</p> <p>10 the United States and he couldn't answer if he read the whole</p> <p>11 document?</p> <p>12 A Well, he said he couldn't answer that day whether he</p> <p>13 read every line and I understand that to mean that he couldn't</p> <p>14 recall reading every line of every document as he was sitting on</p> <p>15 the witness stand. So that doesn't concern me that.</p> <p>16 Q It does not concern you. And you can't answer whether</p> <p>17 he read the whole document. He says yes, he could not answer if</p> <p>18 he had read the whole document.</p> <p>19 THE COURT: What's the question?</p> <p>20 Q Does that concern you?</p> <p>21 A Knowing how the next question played out, I understand</p> <p>22 what he's trying to say.</p> <p>23 MR. SUAREZ: If you read up to the prior line, can</p> <p>24 we scroll in on that.</p> <p>25 Q Did you read this document? He responds, "Did I read</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2146</p> <p>1 Q Can we scroll to the top of PX 731? Do you recognize</p> <p>2 this document?</p> <p>3 A I recognize this type of document. This one in</p> <p>4 particular I have no memory of.</p> <p>5 Q Okay. Do you see what "PBC" means?</p> <p>6 A Yes.</p> <p>7 Q PBC means prepared by client?</p> <p>8 A Correct.</p> <p>9 Q And that's a document that Mazars stamps on documents</p> <p>10 that it receives?</p> <p>11 A That's a stamp Mazars puts on documents that it</p> <p>12 receives.</p> <p>13 Q And see where it says there "Donald J. Trump Statement</p> <p>14 of Financial Condition as of June 30, 2015?"</p> <p>15 A I do.</p> <p>16 Q Do you understand this to be the supporting data for</p> <p>17 the Statement of Financial Condition for 2015?</p> <p>18 A I believe that's part of it, yes.</p> <p>19 Q In connection with the internal investigation that you</p> <p>20 led, I presume you reviewed the supporting data for the</p> <p>21 statements of financial condition?</p> <p>22 A I did.</p> <p>23 Q Okay. And do you see where I ask Mr. Bender here at</p> <p>24 trial: "Mr. Bender, in connection with the Statement of</p> <p>25 Financial Condition is this something that you saw?" We pulled</p>
<p>Page 2145</p> <p>1 the whole document. I presumably -- I can't answer if I read</p> <p>2 the whole document."</p> <p>3 THE COURT: What's the question?</p> <p>4 Q Are you concerned that Mr. Bender didn't read</p> <p>5 Statements of Financial Condition in their entirety?</p> <p>6 A That's not what he said. He says, "I presumably -- I</p> <p>7 can't answer if I read the whole document."</p> <p>8 Q Okay.</p> <p>9 A And he goes on to explain that he can't answer today</p> <p>10 that he read every line of every document and whatever the</p> <p>11 document that is. I still don't know what document it is.</p> <p>12 MR. SUAREZ: Let turn to page 375 of the trial</p> <p>13 testimony at lines 24. We are looking at PX 731. That does not concern you at all?</p> <p>18 A No.</p> <p>19 Q Okay. Mr. Bender was the engagement partner that</p> <p>20 signed the compilation reports; correct?</p> <p>21 A Correct.</p> <p>22 Q And his work was subject to quality review by another</p> <p>23 member of the team; correct?</p> <p>24 A Correct.</p> <p>25 Q Are you concerned that Mr. Bender testified that just</p>

<p>W. Kelly - Plaintiff - cross (Suarez) Page 2148</p> <p>1 because something was sent to him it didn't mean that he 2 reviewed it? 3 A No. 4 Q Okay. And that includes the years where Mr. Bender was 5 compiling the Statement of Financial Condition for the president 6 of the United States? 7 A I don't know what it refers to. 8 Q You understand that Donald J. Trump was the president 9 of the United States; correct? 10 A Correct. 11 Q That's not lost on you; correct? 12 A Correct. 13 Q Okay. You testified earlier today that Mazars performs 14 compilation engagements in connection or rather in compliance of 15 professional standards; correct? 16 A Correct. 17 Q And this includes professional standards promulgated by 18 the American Institute of Certified Public Accountants; correct? 19 A Correct. 20 Q And you're familiar with AR 80? 21 A In a general sense. 22 Q And ARC 80? 23 A I believe so again in a general sense. 24 Q Okay. And those are accounting standards that govern 25 the preparation of compilations?</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2150</p> <p>1 Organization used the compilation reports prepared by Mazars; 2 correct? 3 A Correct. 4 Q You would agree with me that Mazars had an obligation 5 to read and understand the supporting data provided in 6 connection with preparing the compilation of a Statement of 7 Financial Condition? 8 A Correct. 9 Q And you would agree with me that Mazars has an 10 obligation to understand the basis of valuation for each asset 11 listed in the Statement of Financial Condition; right? 12 A Correct. 13 Q And confirm that the valuation method is consistent 14 with the definition of estimated current value; correct? 15 A Correct. 16 Q You would agree that Mazars has an obligation to 17 confirm that the notes to a Statement of Financial Condition are 18 consistent to the supporting data when preparing an accountant's 19 compilation report; correct? 20 A Correct. 21 MR. SUAREZ: Let's take a look at Plaintiff's 22 Exhibit 719 at line 654. 23 Q And Mr. Kelly, this is the supporting data for the 2014 24 Statement of Financial Condition that was produced into evidence 25 by the Attorney General. Do you see here that it provides a</p>
<p>W. Kelly - Plaintiff - cross (Suarez) Page 2149</p> <p>1 A In a general sense. 2 Q Okay. Mazars doesn't have its own manual for 3 compilation engagements; correct? 4 A Correct. 5 Q It follows the policies and procedures concerning 6 compilation work that are promulgated by the AIBCA; correct? 7 A Correct. 8 Q And, in fact, each compilation report is subject to 9 quality control review before its issue; correct? 10 A Correct. 11 Q And at your deposition we talked about the fact that 12 compilations have limited uses; right? 13 A Correct. 14 Q And you describe compilations as something that you 15 personally have an issue with? 16 A On a personal level, yes. 17 Q That's not the official Mazars policy; correct? 18 A No. 19 Q Compilations are the lowest level of financial 20 statement preparation; correct? 21 A Correct. 22 Q And I think you said you had a philosophical issue with 23 the purpose of compilation in a general sense; correct? 24 A Correct. 25 Q But you took no exception with how the Trump</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2151</p> <p>1 valuation of the Seven Springs property under development? 2 A I see that. 3 Q And do you see here that the basis of valuation is an 4 anticipated selling price to reach an anticipated profit times 5 the number of homes to yield an anticipated value. Do you see 6 that? 7 A I see what it says. 8 Q Okay. Do you see that the method of valuation reflects 9 to the -- I'm sorry -- reflects the anticipated profit after 10 cost? 11 A I do. 12 Q And do you see that the method used here does not 13 account for the time value of money in reaching a value for the 14 project under development? 15 A I don't see any indication of that, correct. 16 Q Correct there is no indication here that the time value 17 of money was taken into account; correct? 18 A Correct. 19 Q And this is something that you would have expected 20 Mazars to read and understand in connection with the preparation 21 of the compilation report; correct? 22 A Correct. 23 Q Okay. Let's take a look at Plaintiff's Exhibit 730. 24 This is a 2014 Statement of Financial Condition and the 25 accompanying accountant's compilation report prepared by Mazars.</p>

<p>W. Kelly - Plaintiff - cross (Suarez) Page 2152</p> <p>1 Those were previously introduced into evidence by the Attorney 2 General. Can you please take a look at page 6 of the document. 3 It's page 6 of the PDF, page four of the -- on the footer. 4 Do you see where it says "Pursuant to GAAP, this 5 financial statement does not reflect the value of 6 Donald J. Trump's worldwide reputation; however, the brand value 7 has afforded Mr. Trump the opportunity to participate in 8 licensing deals around the globe as reflected on the balance 9 sheet herein." Do you see that? 10 A I do. 11 Q And it goes on to say, "Mr. Trump's name conveys a high 12 degree of quality and profitability;" correct? 13 A Correct. 14 Q The prestige significantly enhances the value of the 15 properties reflected in this financial statement, as well as 16 that of his future projects; correct? 17 A That's what it says. 18 Q Okay. "The brand along with the level of quality of 19 Mr. Trump's residential developments has allowed the selling 20 price per square foot in Trump properties to be amongst the 21 highest among prominent real estate developers." 22 Do you see that? 23 A I see that. 24 Q And do you see where it concludes, "the goodwill 25 attached to the Trump name has significant financial value that</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2154</p> <p>1 which is the sum of the value of the fixed assets plus the fully 2 operational branded facility premium of \$61 million that has the 3 Mazars check numbers on it. 4 A I see that. 5 Q Correct. 6 And if we go to line 325, this is the Washington, D.C. 7 course, you again see the value of fixed assets at 46,270,000 8 plus a premium for a fully operational branded facility at 9 30 percent; correct? 10 A I see that. 11 Q And you again see the Mazars check numbers? 12 A I see those. 13 Q And you would have expected Mazars to read and 14 understand the basis for valuing the Washington, D.C. club? 15 A I would. 16 Q And if we go on to line 347, we again see the Trump 17 National Golf Course in Philadelphia and as Justice Engoron has 18 taught me to do, if I were to ask you the same questions about 19 the golf club in Philadelphia as I did with the golf club in 20 Washington, D.C. and the golf club in Colts Neck, you would 21 answer the same way? 22 A Yes. 23 Q And if we can continue scrolling through the following 24 properties. You would see the same is true of Hudson Valley; 25 correct?</p>
<p>W. Kelly - Plaintiff - cross (Suarez) Page 2153</p> <p>1 has not been reflected in the preparation of this financial 2 statement." Do you see that? 3 A I see that. 4 Q And would you have expected Mazars to read and 5 understand this note to the financial statement before issuing 6 its compilation report; correct? 7 A Correct. 8 Q All right. Now, let's turn to the Supporting Data for 9 this year, PX 719. This is Plaintiff's Exhibit 719 and if we 10 can start at the top, 679. This, again, is the 2014 Supporting 11 Data. Do you see that? 12 A I see that. 13 Q The brand premium -- if we look at Colts Neck, the 14 Colts Neck property, line 306 of this property, would you agree 15 with me that the valuation method disclosed there includes the 16 value of the fixed assets; correct? 17 A I see that. 18 Q And the "premium for fully operational branded facility 19 at 30 percent." Do you see that? 20 A I see that. 21 Q Would you have expected Mazars to read and understand 22 the basis for valuing the Trump National Golf Club at Colts 23 Neck? 24 A Yes. 25 Q And you see there next to the value of 61,257,000,</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2155</p> <p>1 A Yes. 2 Q And you would see the same is true as the golf club in 3 L.A.? 4 A Correct. 5 Q And you would see the same is true for the golf club in 6 Charlotte; correct? 7 A Correct. 8 Q And the golf club in Jupiter? 9 A Correct. 10 Q And in all of these instances would you have expected 11 Mazars to read and understand the basis for valuing these golf 12 clubs; correct? 13 A Correct. 14 Q Now, let's look at Plaintiff's Exhibit 755. This is 15 the Statement of Financial Condition for 2017 for President 16 Trump with the Mazars compilation report included; correct? 17 A Correct. 18 Q If we take a look at the assets page. Do you see where 19 it says "other assets" of \$318 million? 20 A I do. 21 Q Now, let's turn to page 21. And the "other assets" 22 says "the estimated current values of other assets are based on 23 an evaluation by the trustees in conjunction with their 24 associates and outside professionals using various valuation 25 methods." Do you see that?</p>

<p>W. Kelly - Plaintiff - cross (Suarez) Page 2156</p> <p>1 A I do.</p> <p>2 Q Do you see with where it says "Trump Tower?"</p> <p>3 A I do.</p> <p>4 Q Do you see where it says "Mr. Trump owns a triplex</p> <p>5 apartment on the top three floors of Trump Tower?"</p> <p>6 A I see that.</p> <p>7 Q Now, take a look at the corresponding supporting data</p> <p>8 for this note, which we'll pull up as Plaintiff's Exhibit 758.</p> <p>9 This is the supporting data for the 2017 Statement of Financial</p> <p>10 Condition, and if we scroll down to line 969.</p> <p>11 MR. SUAREZ: Scroll up a little bit. Up. Up.</p> <p>12 Q You would see here that the 2016 data reflected the</p> <p>13 townhouse triplex based on comps at 30,000 square feet for the</p> <p>14 prior year; correct?</p> <p>15 A I see what it says.</p> <p>16 Q And you see where it says that the triplex based on</p> <p>17 comps at 10,000 square feet for the current year is 116,800,000?</p> <p>18 A I see that.</p> <p>19 Q Do you see that? And you see the Mazars check number</p> <p>20 right there on it; right?</p> <p>21 A I see that.</p> <p>22 Q And you would have expected Mazars to read and</p> <p>23 understand this change; correct?</p> <p>24 A I would, yes.</p> <p>25 Q And you can agree with me that the square footage here</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2158</p> <p>1 was a change in the triplex; correct?</p> <p>2 A What would have been to what?</p> <p>3 Q Disclosed here in the supporting data that there was a</p> <p>4 change in the size of the triplex; correct?</p> <p>5 A Correct. The supporting data reflects the change in</p> <p>6 the size.</p> <p>7 Q And Mazars never called back any of the prior years'</p> <p>8 Statements of Financial Statement compilation reports; correct?</p> <p>9 A Correct.</p> <p>10 THE COURT: Hold on. This is when we usually</p> <p>11 break. How much longer do you think that this cross</p> <p>12 examination will take?</p> <p>13 MR. SUAREZ: I've got a little bit to go.</p> <p>14 THE COURT: What's a little bit?</p> <p>15 MR. SUAREZ: Maybe an hour.</p> <p>16 THE COURT: Maybe an hour, all right. Let's keep</p> <p>17 going for now.</p> <p>18 Q And if we looked at the fixed asset valuation method,</p> <p>19 let's take a look at lines 267, would you agree with me here</p> <p>20 that the valuation method disclosed to Mazars for assets</p> <p>21 included the value of the fixed assets for the Trump</p> <p>22 International Golf Club Florida?</p> <p>23 A I see that.</p> <p>24 Q And would you agree with me here that the Trump Golf</p> <p>25 Club Briarcliff Manor included the value of the fixed assets?</p>
<p>W. Kelly - Plaintiff - cross (Suarez) Page 2157</p> <p>1 changes from 10,000 -- excuse me -- from 30,000 square feet to a</p> <p>2 bit over almost 11,000 square feet. Do you see that?</p> <p>3 A I see that.</p> <p>4 Q Okay. And you would agree with me that this was a</p> <p>5 correction that was made by the Trump Organization on the</p> <p>6 Supporting Data?</p> <p>7 A I don't know who made the correction.</p> <p>8 Q It wasn't Mazars; correct?</p> <p>9 A Correct.</p> <p>10 Q And you would expect the notes to be conformed as</p> <p>11 appropriate; correct?</p> <p>12 A That's -- I don't understand that question.</p> <p>13 Q You would expect the notes to accurately reflect the</p> <p>14 basis for valuation; correct?</p> <p>15 A Not necessarily. The notes don't need to describe the</p> <p>16 basis of valuation.</p> <p>17 Q But you would expect the accountant, Mazars, in</p> <p>18 preparing the compilation to make sure that the notes were</p> <p>19 consistent with the supporting data; correct?</p> <p>20 A Correct. If the notes were consistent with the</p> <p>21 supporting data, yes.</p> <p>22 Q And sufficiently descriptive as appropriate?</p> <p>23 A As appropriate.</p> <p>24 Q Correct.</p> <p>25 And it would have been to disclose to Mazars that there</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2159</p> <p>1 A I see that.</p> <p>2 Q And if we can scroll down you can see that the fixed</p> <p>3 asset valuation method here for the Trump National Golf Club</p> <p>4 Bedminster also used the fixed asset value approach?</p> <p>5 A I do.</p> <p>6 Q You see all of that?</p> <p>7 And if I were to ask you the same question about all of</p> <p>8 the other golf course properties you would agree with me that</p> <p>9 they all again disclose the fixed asset value method as the</p> <p>10 basis for valuation of each of these assets?</p> <p>11 A That's what it says.</p> <p>12 Q That's what it says.</p> <p>13 And you would have expected Mazars to read and</p> <p>14 understand the Supporting Data; correct?</p> <p>15 A Correct.</p> <p>16 Q Okay. Now, let's go back to Plaintiff's Exhibit 755 at</p> <p>17 page 5 of the PDF. And here it says "assets are stated at their</p> <p>18 estimated current values and liabilities at their estimate</p> <p>19 current amounts using various valuation methods. Such valuation</p> <p>20 methods include, but are not limited to, the use of appraisals,</p> <p>21 capitalization of anticipated earnings, recent sales and offers,</p> <p>22 and estimates of current values as determined by the new</p> <p>23 trustees of the Donald J. Trump Revocable Trust." Do you see</p> <p>24 that?</p> <p>25 A I see that.</p>

<p>W. Kelly - Plaintiff - cross (Suarez) Page 2160</p> <p>1 Q The fixed assets approach to valuation isn't 2 specifically identified here; correct? 3 A Correct. 4 Q And you would have expected Mazars to read and 5 understand this paragraph; correct? 6 A Correct. 7 Q Okay. Turning to Plaintiff's Exhibit 2992. This was 8 the letter that you sent to the Trump Organization; correct? 9 A Correct. 10 Q And earlier you testified that you sent this letter 11 after Mazars learned of certain things that the District 12 Attorney's Office was asking questions about; correct? 13 A Correct. 14 Q Prior to sending this letter you never contacted the 15 Trump Organization; correct? 16 A I may have called Alan Garten to let him know I was 17 coming. 18 Q But you didn't ask the Trump Organization to provide 19 information or any backup; correct? 20 A Correct. 21 Q You never asked the Trump Organization to give you 22 information concerning the questions that the District 23 Attorney's Office was asking; correct? 24 A Correct. 25 Q You took the District Attorney's Office at their word;</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2162</p> <p>1 A Correct. 2 Q And prior to sending this letter Mazars conducted its 3 own investigation; right? 4 A Correct. 5 Q You looked at public sources; right? 6 A Correct. 7 Q Those included newspapers? 8 A Correct. 9 Q And other publicly available documents; right? 10 A Correct. 11 Q You didn't perform professional services before you 12 issued this letter; right? You -- 13 A Did not perform professional accounting services prior 14 to issuing this letter. 15 Q Mazars did not perform professional accounting services 16 prior to issuing this letter? 17 A Correct. 18 Q You didn't perform an audit of the Statement of 19 Financial Condition? 20 A Correct. 21 Q You didn't perform a review of the statements of 22 financial condition? 23 A Correct. 24 Q Prior to sending this letter you also considered 25 information that you received from internal and external</p>
<p>W. Kelly - Plaintiff - cross (Suarez) Page 2161</p> <p>1 correct? 2 A Not quite. 3 Q But you never gave the Trump Organization an 4 opportunity to comment on their allegations; correct? 5 A Correct. 6 Q Your decision to terminate the engagement was because 7 Mazars deemed Mr. Weisselberg not to be credible; correct? 8 A Correct. 9 Q And as a result you could no longer rely on his 10 representations; right? 11 A Correct. 12 Q Does Mazars take the position that when deciding to 13 disengage the Trump Organization as a client it executed that 14 decision in accordance with professional standards? 15 A Correct. 16 Q Let's take a look at Plaintiff's Exhibit 2994. You 17 wrote this letter; correct? 18 A Correct. 19 Q And it says that Mazars has not concluded that the 20 various financial statements as a whole contain material 21 discrepancies; correct? 22 A Correct. 23 Q When you refer to the various financial statements you 24 meant the statements of financial condition for President Trump 25 for the period 2011 to 2020; correct?</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2163</p> <p>1 alternatively sources; correct? 2 A Correct. 3 Q And you reviewed Mazars work papers; correct? 4 A Correct. 5 Q Including all of the previous work papers that we 6 previously reviewed; correct? 7 A Correct. 8 Q And all of the statements of financial condition that 9 we previously looked at? 10 A Correct. 11 Q And you concluded that Mazars' work was done in 12 accordance with professional standards? 13 A Correct. 14 Q And you reviewed the allegations in certain filings 15 that were made by the New York Attorney General; right? 16 A Correct. 17 Q And you understood as a lawyer at the time that those 18 were just allegations; right? 19 A Correct. 20 Q And again, you never asked the Trump Organization for 21 an opportunity to provide input on the NYAG's allegations? 22 A Correct. 23 Q You never interviewed anyone from the Trump 24 Organization; right? 25 A Correct.</p>

<p>1 Q You never asked the Trump Organization to walk you</p> <p>2 through the valuation methods that had been used in the</p> <p>3 statements of financial condition; correct?</p> <p>4 A Correct.</p> <p>5 Q But you did look at the supporting data; right?</p> <p>6 A Yes.</p> <p>7 Q And you saw how it was reported in the notes; correct?</p> <p>8 A Correct.</p> <p>9 Q And you concluded that the work had been done in</p> <p>10 accordance with professional standards; right?</p> <p>11 A Correct.</p> <p>12 THE COURT: That's been asked about five times</p> <p>13 already.</p> <p>14 Q And after conducting all of this diligence, which</p> <p>15 included two outside law firms; right?</p> <p>16 A Correct.</p> <p>17 Q It included communications with the New York Attorney</p> <p>18 General's Office; correct?</p> <p>19 A Correct.</p> <p>20 Q You spoke with these people; right?</p> <p>21 A I'm --</p> <p>22 Q Or some of the ones that might be out by COVID; right?</p> <p>23 A Yes.</p> <p>24 Q And Mazars never determined that there were any</p> <p>25 material discrepancies with respect to the Statement of</p>		<p>1 A Correct.</p> <p>2 Q And Mazars also prepared tax returns for dozens, if not</p> <p>3 hundreds, of other Trump Organization entities; correct?</p> <p>4 A Correct.</p> <p>5 Q And reviewed or audited financial statements for dozens</p> <p>6 of entities; correct?</p> <p>7 A I'm not sure about dozens, but yes, excess of ten.</p> <p>8 Q In excess of ten.</p> <p>9 Since 2011, there were at least 116 engagements for at</p> <p>10 least 14 entities in the audit review and attestation</p> <p>11 categories. Does that sound about right?</p> <p>12 A I'll assume that that does not disprove anything in my</p> <p>13 mind.</p> <p>14 Q You don't have a basis to dispute that?</p> <p>15 A Right.</p> <p>16 Q And this work took place over a decade; right?</p> <p>17 A Correct.</p> <p>18 Q And Mazars was a Trump Organization primary outside</p> <p>19 accounting firm?</p> <p>20 A Correct.</p> <p>21 Q And Mazars was paid millions of dollars in fees; right?</p> <p>22 A Correct.</p> <p>23 Q And the Trump Organization was Mr. Bender's biggest</p> <p>24 client?</p> <p>25 A Correct.</p>

<p>1 Financial Condition that it prepared for President Trump from</p> <p>2 2011 to 2018?</p> <p>3 A That is correct.</p> <p>4 Q And Mazars takes the position that its decision to</p> <p>5 advise its client not to rely on the statements of financial</p> <p>6 condition from 2011 to 2020 was executed in accordance with</p> <p>7 professional standards; correct?</p> <p>8 A Correct.</p> <p>9 Q Mr. Kelly, you would agree with me that Mazars and its</p> <p>10 predecessors prepared compilations of the Statement of Financial</p> <p>11 Condition for decades?</p> <p>12 A I could only say until, like, 2005 and 4. I don't know</p> <p>13 before that.</p> <p>14 Q A really long time?</p> <p>15 A A really long time.</p> <p>16 Q And Mazars never refused to prepare a Statement of</p> <p>17 Financial Condition prior to 2021; correct?</p> <p>18 A For this client, correct.</p> <p>19 Q Correct, fair.</p> <p>20 And each year Mazars got paid to prepare the</p> <p>21 compilation report for the Statement of Financial Condition;</p> <p>22 correct?</p> <p>23 A Correct.</p> <p>24 Q And each year Mazars also got paid to prepare the</p> <p>25 president's federal income tax returns; correct?</p>		<p>1 Q By a lot?</p> <p>2 A Correct.</p> <p>3 Q And before the New York Attorney General started</p> <p>4 investigating in 2019, Mazars never had any issue with any of</p> <p>5 the work it did for the Trump Organization; correct?</p> <p>6 A Not correct.</p> <p>7 Q Mazars didn't have any major issues that it did with</p> <p>8 it?</p> <p>9 A That's correct.</p> <p>10 Q That's correct.</p> <p>11 There might have been things that were in dispute that</p> <p>12 you talked about; right?</p> <p>13 A There were other legal matters that we dealt with</p> <p>14 throughout the years.</p> <p>15 Q And you worked them out to Mazars' satisfaction?</p> <p>16 A Correct.</p> <p>17 Q Because Mazars kept doing work for the Trump</p> <p>18 Organization?</p> <p>19 A Correct.</p> <p>20 Q And kept collecting fees from the Trump Organization?</p> <p>21 A Correct.</p> <p>22 THE COURT: Asked and answered many times. Yes,</p> <p>23 they were paid.</p> <p>24 Q And over the years Mazars prepared audits of 40 Wall</p> <p>25 Street LLC; correct?</p>	

<p>W. Kelly - Plaintiff - cross (Suarez) Page 2168</p> <p>1 A Correct.</p> <p>2 Q Audits of the Trump Old Post Office LLC?</p> <p>3 A Correct.</p> <p>4 Q Audits and compilations for 401 North Wabash Venture</p> <p>5 LLC?</p> <p>6 A I believe so, yes.</p> <p>7 Q And in doing so Mazars would have known that these</p> <p>8 attestation services were performed for the benefit of lenders</p> <p>9 like Deutsche Bank; right?</p> <p>10 A I don't know in any particular situation.</p> <p>11 Q Okay. Was it part of your review to determine what the</p> <p>12 audits and compilations prepared for those entities were used</p> <p>13 for?</p> <p>14 A No.</p> <p>15 Q Were there any loan documents related to Deutsche Bank</p> <p>16 or Ladder Capital in Mazars' files?</p> <p>17 A You know, I don't remember seeing any.</p> <p>18 Q Would you have understood the basis for preparing</p> <p>19 audits and compilations?</p> <p>20 A Yes.</p> <p>21 Q Would you have understood that those were going to be</p> <p>22 submitted to lenders?</p> <p>23 A It depends on a particular situation.</p> <p>24 Q That they could have been submitted to lenders?</p> <p>25 A I'm aware of various uses for those type of documents;</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2170</p> <p>1 be called to testify in a manner that's adverse to your former</p> <p>2 client; correct?</p> <p>3 A Right.</p> <p>4 Q And, of course, you were concerned that the government,</p> <p>5 the NYAG, these people, could bring a claim against Mazars;</p> <p>6 correct?</p> <p>7 A As general counsel of Mazars, I'm concerned anybody</p> <p>8 could bring a claim against it and in this particular situation</p> <p>9 I was concerned of anybody involved could bring a lawsuit</p> <p>10 against the Trump Organization.</p> <p>11 Q It was --</p> <p>12 A I'm sorry.</p> <p>13 Q It was a factor; right?</p> <p>14 A Yes.</p> <p>15 Q You were concerned?</p> <p>16 A Correct.</p> <p>17 Q And you wanted to get ahead of it; right?</p> <p>18 A Well, I knew that if we were able to demonstrate what</p> <p>19 services we provided that we'd be okay because we complied with</p> <p>20 professional standards.</p> <p>21 Q You wanted to convince the government not to bring a</p> <p>22 claim against Mazars?</p> <p>23 A I wanted to explain to whoever would ask what we did</p> <p>24 and why we did it.</p> <p>25 Q You certainly didn't want to -- I'm sorry -- not to</p>
<p>W. Kelly - Plaintiff - cross (Suarez) Page 2169</p> <p>1 in this situation, I don't know.</p> <p>2 Q And Mazars would have done a good job in doing audits</p> <p>3 and compilations -- excuse me.</p> <p>4 And Mazars would have done a good job in doing audits</p> <p>5 and reviews for those entities; correct?</p> <p>6 A Correct.</p> <p>7 Q And in doing so Mazars would have performed financial</p> <p>8 analysis on the books and records of those entities; right?</p> <p>9 A Of the entities we're doing the audits of?</p> <p>10 Q Correct.</p> <p>11 A Yes.</p> <p>12 Q Which include 40 Wall, Old Post Office and 401 North</p> <p>13 Wabash?</p> <p>14 A Yes.</p> <p>15 Q And those audits took place as recently as December 31,</p> <p>16 2020; correct?</p> <p>17 A Correct.</p> <p>18 Q And to this day Mazars still stands behind all of the</p> <p>19 financial statements that audited or reviewed for the Trump</p> <p>20 Organization; correct?</p> <p>21 A Correct.</p> <p>22 Q Okay. And then in February you send a letter saying</p> <p>23 there is a non-waivable conflict; right?</p> <p>24 A Correct.</p> <p>25 Q And this conflict included the potential that you might</p>	<p>W. Kelly - Plaintiff - cross (Suarez) Page 2171</p> <p>1 bring a claim against Mazars?</p> <p>2 A I'll agree with that.</p> <p>3 Q And you exchanged a lot of information; right? Years</p> <p>4 worth of information?</p> <p>5 A With who?</p> <p>6 Q With the New York Attorney General's Office?</p> <p>7 A Yes.</p> <p>8 Q You spent years of exchanging information with them;</p> <p>9 right?</p> <p>10 A We spent years replying to their subpoenas and things</p> <p>11 like that, yes.</p> <p>12 Q Okay. Because you wanted to curry favor with these</p> <p>13 people so you could get Mazars out of a tricky situation; right?</p> <p>14 A There was no currying favor involved. It was being a</p> <p>15 good corporate citizen, responding to subpoenas and explaining</p> <p>16 the work we did.</p> <p>17 Q Okay. So after all of these years, 30 years with</p> <p>18 Mazars and its prior entities, millions and millions of dollars</p> <p>19 paid for by the Trump Organization, when the New York Attorney</p> <p>20 General files a claim, files a paper in court, you take them at</p> <p>21 their word and never once consult with your former client;</p> <p>22 right?</p> <p>23 A No, we didn't take them at their word. We did</p> <p>24 additional investigation as outlined in the letter.</p> <p>25 Q Which did not include talking to your client who paid</p>

<p style="text-align: right;">Page 2172</p> <p>1 you all that money for all those years; right?</p> <p>2 A Correct.</p> <p>3 Q Okay. So that was it? You just kicked them to the</p> <p>4 curb; right?</p> <p>5 A We did not kick them to the curb.</p> <p>6 Q Okay.</p> <p>7 Transcript continues on the following page....</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 2174</p> <p>W. I want to draw your attention very</p> <p>9 specifically to the part that says, "While we have not concluded</p> <p>10 that the various financial statements as a whole contain</p> <p>11 material discrepancies. "</p> <p>12 After all these years, Mr. Kelly, and all the</p> <p>13 investigations by the New York Attorney General's Office and the</p> <p>14 District Attorney of New York and congressional democrats,</p> <p>15 Mazars wrote, "While we have not concluded that the various</p> <p>16 financial statements contain material discrepancy," correct?</p> <p>17 A Correct.</p> <p>18 Q All of this time later, you still have not identified</p> <p>19 material discrepancies, correct?</p> <p>20 A When I wrote this letter, correct.</p> <p>21 Q Okay. And that was --</p> <p>22 THE COURT: Wait. Wait. That's not what the</p> <p>23 question was. The question was --</p> <p>24 MR. SUAREZ: I'll rephrase the question.</p> <p>25 THE COURT: There was no problem with the question.</p>
<p>W. KELLY - PLAINTIFF - CROSS(MR. SUAREZ) Page 2173</p> <p>1 MR. KISE: Your Honor, I hate to interrupt my</p> <p>2 colleague, but are we taking our morning break?</p> <p>3 THE COURT: Is there any chance of finishing this</p> <p>4 before 12:30?</p> <p>5 MR. SUAREZ: I could meet with my colleagues and</p> <p>6 streamline the rest of the presentation.</p> <p>7 THE COURT: How about we take a break now and if</p> <p>8 the team can suggest ways to make this faster, we would</p> <p>9 appreciate that.</p> <p>10 MR. KISE: We will as always. I will note yet</p> <p>11 again, though, that no one ever hurries up the Attorney</p> <p>12 General. We are the only ones that always get the hurry up.</p> <p>13 THE COURT: All right. I don't have to respond to</p> <p>14 that. I don't necessarily accept it. In fact, I don't</p> <p>15 accept it. Ten-minute break for the next 15 minutes.</p> <p>16 (Witness exits the stand.)</p> <p>17 (Whereupon, a recess was taken.)</p> <p>18 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>19 session. Be seated and come to order.</p> <p>20 THE COURT: Ten-minute break should not take more</p> <p>21 than 15 minutes. It shouldn't take 20, but if there is an</p> <p>22 emergency or something, tell me; but let's try to keep this</p> <p>23 moving fast.</p> <p>24 It's twelve o'clock. How much longer?</p> <p>25 MR. <p>1 of harassment that we have had to put up with and you had to</p> <p>2 put up with it. So I will move it along, but you know it is</p> <p>3 important that we get out --</p> <p>4 MS. FAHERTY: Objection to that commentary.</p> <p>5 MR. SUAREZ: Well, I don't interrupt you in the</p> <p>6 middle of your questions. I appreciate the fact to finish</p> <p>7 here.</p> <p>8 THE COURT: I don't think you're on the microphone,</p> <p>9 are you?</p> <p>10 MS. The clock is ticking.</p> <p>14 MS. You are</p> <p>18 kidding about that, right?</p> <p>19 THE COURT: I'm not kidding because he is asking</p> <p>20 the same question over and over and he is misrepresenting.</p> <p>21 MR. I'm sorry, but this never happens that</p> <p>24 they're on a clock.</p> <p>25 THE COURT: Maybe there is a reason.</p>		<p>1 Q Sure. There were years upon years of investigations of</p> <p>2 the work that Mazars did for the Trump Organization, correct?</p> <p>3 A That's when I said I disagreed it was an investigation</p> <p>4 of the work that Mazars did. It was an investigation of the</p> <p>5 Trump Organization and it involved and touched upon work that we</p> <p>6 did.</p> <p>7 Q And Mazars was put right in the middle of it, right?</p> <p>8 A No, I don't think so.</p> <p>9 Q Mazars had to respond to petitions in the Supreme</p> <p>10 Court?</p> <p>11 A No, I don't think we had to respond.</p> <p>12 Q Mazars was involved in years of responding to subpoenas</p> <p>13 by the New York Attorney General's Office, right?</p> <p>14 A Correct.</p> <p>15 Q And Mazars was involved in years of responding to</p> <p>16 subpoenas by the District Attorney of New York, right?</p> <p>17 A Correct.</p> <p>18 Q And Mazars had to deal with books being written by</p> <p>19 former prosecutors in the District Attorney of New York Office</p> <p>20 about that investigation, right?</p> <p>21 A I wouldn't say we had to deal with it, but we are aware</p> <p>22 of it.</p> <p>23 Q You are aware of it? I do need to</p> <p>20 hear the question again.</p> <p>21 THE COURT: Okay. Let's get the question again.</p> <p>22 Q Years of investigations by congressional democrats,</p> <p>23 correct?</p> <p>24 A I'm really sorry, but can you do the preamble to it</p> <p>25 because that's when I got lost in all of this?</p>		<p>1 right?</p> <p>2 A Right.</p> <p>3 Q And after all of that harassment, you still put in this</p> <p>4 letter that Mazars had not concluded that the statements</p> <p>5 contained material discrepancies, correct?</p> <p>6 A I don't mean to quibble, but harassment, but after</p> <p>7 years of all of that, I still put this in this letter, yes.</p> <p>8 Q It was harassment, Mr. Kelly, and Mr. Bender knew it.</p> <p>9 He lost his biggest client. State your</p> <p>15 name and either business or home address for the record.</p> <p>16 THE WITNESS: Michael Cohen, 502 Park Avenue, New</p> <p>17 York, New York 10022.</p> <p>18 MICHAEL COHEN, a witness called by the Plaintiff,</p> <p>19 after having been first duly sworn by the Clerk of the Court,</p> <p>20 took the witness stand and testified as follows:</p> <p>21 THE COURT: Please commence the direct examination</p> <p>22 of Mr. Cohen.</p> <p>23 MS. <p>W. KELLY - PLAINTIFF - REDIRECT(MR. SOLOMON: Your Honor, finding out whether there</p> <p>9 was or wasn't information withheld, without getting into the</p> <p>10 details of what that information was, is not privileged. If</p> <p>11 the witness -- but if the witness is taking that position.</p> <p>12 MR. KISE: This is consistent with the position the</p> <p>13 witness took in the deposition that all of these matters are</p> <p>14 completely off limits, they're all privileged, and both</p> <p>15 sides -- the Attorney General didn't question that. We</p> <p>16 didn't question that. So to ask him that now and put him in</p> <p>17 a position where he's got to make that determination is</p> <p>18 inadmissible.</p> <p>19 THE COURT: This is off the clock, though. I'm</p> <p>20 sorry. It is only one minute.</p> <p>21 MR. SOLOMON: Your Honor, the witness has asserted</p> <p>22 privilege. And if Your Honor upholds that assertion, we</p> <p>23 have nothing further.</p> <p>24 THE COURT: I am upholding it. That's it.</p> <p>25 MR. FINKELSTEIN: Nothing further.</p>	<p>M. Then three</p> <p>11 years law school, Western Michigan Thomas M. Cooley School of</p> <p>12 Law.</p> <p>13 Q Did you say Cooley School of Law?</p> <p>14 A Correct.</p> <p>15 Q What year did you graduate from the Cooley School of</p> <p>16 Law?</p> <p>17 A 1991.</p> <p>18 Q Do you hold any professional certifications or</p> <p>19 licenses?</p> <p>20 A Not any longer.</p> <p>21 Q Did you previously hold any professional certifications</p> <p>22 or licenses?</p> <p>23 A I did.</p> <p>24 Q What professional certification or license did you</p> <p>25 previously possess?</p>

<p>M. COHEN - PLAINTIFF - DIRECT(MS. Sorry. Yes. 22 Q Thank you. 23 What were the crimes that you were convicted of in 24 reference to your testimony just now about the Southern District 25 of New York?</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. Acronym. 10 Q And that would be in violation of 18 U.S. Code Section 11 1014, correct? 12 A Correct. 13 Q And the seventh count, is it correct that you pled 14 guilty to willfully causing an unlawful corporate contribution 15 from in or about June to October of 2016? 16 A Yes. 17 Q And that is in violation of 52 U.S. Codes Sections 18 30118 (a), 30109 (d)(1)(a) and 18 USC Section 2(b)? 19 A Yes. 20 Q And then the eighth count of that criminal indictment 21 in the Southern District of New York was a plea of guilty to 22 making an excessive campaign contribution in or about October of 23 2016, yes? 24 A Yes. 25 Q Then I think you also said that you pled guilty to a</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. You pled guilty 6 to five counts of evasion of assessment of personal income tax 7 pursuant to 26 U.S. Code Section 7201? 8 A Correct. 9 Q And would that be for the calendar years of 2012 10 through 2016? 11 A Yes. 12 Q Was that related in connection with what business was 13 that tax evasion crime related to? 14 A It wasn't connected to any specific business. It was 15 personal tax. 16 Q Okay. Was it related to anything in connection with a 17 taxi and limousine business you operated? 18 A I owned New York City taxi medallions which were leased 19 to an agent. I had income from that agent which it was stated 20 was not reflected in my tax returns. 21 Q And that -- the guilty plea in connection with those 22 five counts of personal income tax evasion was accepted by a 23 Federal Court in the Southern District of New York, correct? 24 A Correct. 25 Q And with regards to the sixth count in the Southern</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2187</p> <p>1 ninth count; is that correct? 2 A That's correct. 3 Q Was that in a separate prosecution dated November 29th, 4 to 18? 5 A It was 2018. Yes, it was. 6 Q Was that pursuant to a plea agreement with the Special 7 Counsel's Office that you made false statements to the United 8 States Congress in violation of 18 USC Section 1001(a)(2)? 9 A Yes. 10 Q And you were sentenced for those crimes? 11 A I was. 12 Q And did you attempt at any point to cooperate with the 13 government in connection with your guilty pleas? 14 A I did cooperate with the government, yes. 15 Q However, you did not receive 5K1 or substantial 16 assistance letter from the federal government, did you? 17 A No, I refused. 18 Q Did you receive any downward variance or departure in 19 your sentencing guidelines as a result of any cooperation you 20 may have provided to the government? 21 A No. 22 Q There was no downward variance associated with the 23 sentencing guidelines? 24 A The downward variance was a result of the plea, not 25 because of any benefit that I would receive.</p>

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2188

1 Q And the downward variance, about how long -- do you  
2 recall the length of the sentence you were sentenced to?  
3 A 36 months incarceration, 36 months between home  
4 confinement and supervised release.  
5 Q Was there also a concurrent two-month sentence imposed  
6 as a result of the additional Special Counsel's Office  
7 information?  
8 A Yes.  
9 Q And you did, in fact, serve that time in a federal  
10 correctional facility?  
11 A I did.  
12 Q Have you ever made any public statements concerning the  
13 legitimacy of those convictions?  
14 A More than one.  
15 Q And why did you do that?  
16 A Because there was no tax evasion. At best, it could be  
17 characterized as a tax omission. I have never in my life not  
18 paid taxes. I have never requested an extension until 2017.  
19 Every year I had paid, no extensions on time, what my CPA  
20 accountant directed me to pay.  
21 Q Were there, in fact, crimes that you pled guilty to  
22 that you did feel you were guilty of committing those crimes?  
23 A Yes.  
24 Q So why, then, are you making statements about the  
25 legitimacy of the Southern District convictions if there are

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2189

1 some that you feel, for example, were not crimes like a tax  
2 omission?  
3 A One has nothing to do with the other. The tax  
4 violations as I've stated many times should not have been  
5 brought in and of itself. The same with the HELOC violation. I  
6 had had a HELOC on my property for more than a decade and I  
7 wanted to correct the record because when all of this started,  
8 it was overwhelming, the amount of misinformation,  
9 disinformation, mal information about me was overwhelming and  
10 enormous.  
11 On top of that, there was also the second campaign  
12 finance violation which dealt with Karen McDougal. I  
13 acknowledged my complicity in the Stormy Daniels matter, but the  
14 Karen McDougal, I never paid Karen McDougal. I was tasked to  
15 review documents to ensure that Mr. Trump was protected and that  
16 was done through AMI, National inquirer and David Pecker, but I  
17 am also lastly complicit with the lie to Congress and as I have  
18 stated many times, it is important to finish the sentence and  
19 talk about what that lie was. That lie was the number of times  
20 that I stated to the Senate Permanent Select Committee on  
21 Intelligence how many times I spoke to Mr. Trump about the  
22 failed Moscow -- Trump Tower Moscow project.  
23 I had stated three. The true answer was ten and I did  
24 that at the direction of, in concert with and for the benefit of  
25 Mr. Trump. There was a whole group of people from Alan Garten

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2190

1 to J. Sekulow, Ivanka, Jared, Abby Gold (ph), Ty Cobb, many  
2 people were involved in the formation of that statement. My  
3 complicity resulted in -- from me reading it into the record  
4 and asking that the document be made part of the record.  
5 MR. KISE: Your Honor, I just move to strike that  
6 entire answer. I don't know if that was a book that he was  
7 writing, but it wasn't responsive at all to the question. I  
8 mean, it was just a long narrative about, you know,  
9 invective about Trump and who knows how many other people.  
10 I'm sure I'm going to be included here soon, but I  
11 don't -- I don't think that that was at all responsive to  
12 the question.  
13 THE COURT: Overruled. I believe it was  
14 responsive. Could have been shorter, but it was responsive.  
15 Q Fair to say you still stood up in court and said to the  
16 Southern District of New York, "I'm guilty of certain crimes."  
17 "I accept responsibility for the crimes." And you served  
18 federal incarceration in connection with those crimes, correct?  
19 A Correct.  
20 Q And fair to say a prosecutor stood up in front of the  
21 Southern District of New York and stated, "The" factual  
22 allegations in support of the crimes for which you had been  
23 indicted and pled guilty," correct?  
24 A Correct.  
25 Q And a federal judge accepted those factual allegations,

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2191

1 that they would be proved in connection with your guilty plea,  
2 correct?  
3 A Correct.  
4 Q And I believe you stated it, but in connection with the  
5 crimes alleged concerning an unlawful corporate contribution,  
6 was that alleged conduct performed during the course of your  
7 employment at that time?  
8 A Employment at the Trump Organization?  
9 Q Yes, sir.  
10 A Yes.  
11 Q And for the crimes alleged concerning an excessive  
12 campaign contribution, was the alleged conduct there performed  
13 during the course of your employment at that time?  
14 A Yes.  
15 Q And who was your employer at that time?  
16 A Donald J. Trump.  
17 Q And for the crimes alleged concerning making a false  
18 statement to Congress, was the alleged conduct performed during  
19 the course of your employment at that time?  
20 A Yes.  
21 Q And who was your employer at that time?  
22 A Donald J. Trump.  
23 Q Am I correct that you were Mr. Donald J. Trump's  
24 personal counsel, sir?  
25 A I was.

<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2192</p> <p>1 Q So let's take a step back and I want to talk further 2 about your professional background before the criminal 3 convictions, okay? 4 A Sure. 5 Q What was the nature of your legal practice when you 6 first began working as an attorney, just generally? 7 A Negligence, tort, medical malpractice. 8 Q Where did you work after you graduated law school? 9 A It is called Estrin &amp; Associates, 225 Broadway. 10 Q Med-mal negligence firm? 11 A Yes. 12 Q How long were you there? 13 A Five years. 14 Q Any titles associated with that position? 15 A Associate. 16 Q Any other titles? 17 A No, ma'am. 18 Q Did there come a point in time when you left Estrin? 19 A Yes. 20 Q Where did you work after Estrin? 21 A I left Estrin &amp; Associates because I bought into a 22 company called Manhattan Maintenance. It was a New York City 23 yellow cab medallion company. I started my own law firm at the 24 time, but I also operated the yellow cabs out of the same 25 facility.</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2194</p> <p>1 as well as representing various different business owners, some 2 of whom were in the auto business. 3 Q And did there come a point in time when you joined a 4 firm named Phillips Nizer? 5 A Yes. 6 Q When was that? 7 A 2015, 2016. I'm sorry. 2006, 2007, somewhere in that 8 area. I'm sorry. 2005, 2006, in that area. 9 Q 2005 or 2006? 10 A Yeah. 11 Q And what happened to the Michael D. Cohen &amp; Associates 12 firm? 13 A Merged it into Phillips Nizer. 14 Q At Phillips Nizer, did you have a title when you merged 15 together? 16 A I did. 17 Q What was your title? 18 A I was a partner. 19 Q And how about once you joined Phillips Nizer; what was 20 the nature of your practice then? 21 A Business development as well as continuing with my 22 client base. 23 Q The client base that you had developed when you were in 24 private practice at Michael D. Cohen &amp; Associates? 25 A Correct.</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2193</p> <p>1 Q And for how long were you there? 2 A From 1995 to 2002. 3 Q And was it just the title of being the owner at 4 Manhattan Maintenance or was there another title associated with 5 that work? 6 A I also had a law practice. 7 Q Was there a name of a law practice? 8 A Michael D. Cohen &amp; Associates. 9 Q In 2002, did there come a point in time when you left 10 the Manhattan Maintenance Company? 11 A Yes. 12 Q Tell me about that departure. 13 A I sold my half of the company to my ex-partner and 14 decided to take a little time for myself and ultimately then 15 created -- continued with the law practice elsewhere. 16 Q The Michael D. Cohen &amp; Associates law practice? 17 A Yes. 18 Q And what was the nature of the Michael D. Cohen law 19 practice? 20 A It was predominantly negligence, tort, similar to what 21 I started with, but then I started doing some real estate and 22 some business law. 23 Q Was that transactional work or can you describe for me 24 the nature of the real estate work you engaged in at that time? 25 A It was acquisitions of real estate on behalf of clients</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2195</p> <p>1 Q Fair to say that your practice included commercial real 2 estate work? 3 A Yes. 4 Q Residential work as well? 5 A Mostly for myself. 6 Q Was it -- would you characterize the practice as a 7 litigation practice? 8 A We had some litigation, but I would not say it 9 was -- it was primarily litigation at that time. 10 Q And did there ever come a point in time when you 11 stopped working for Phillip Nizer? 12 A Yes. 13 Q When was that? 14 A That was in 2007. 15 Q And what occurred such that you stopped working for the 16 Phillip Nizer firm? 17 A I had had a meeting with Mr. Trump at the Trump 18 Organization and he had asked me to join his company as 19 executive vice-president of the Trump Organization and special 20 counsel to him. 21 Q So in or about 2007, you joined the Trump Organization 22 to work -- 23 A March of 2007. 24 Q And that was to work for Donald J. Trump? 25 A Correct.</p>

<p style="text-align: right;">Page 2196</p> <p>1 Q Can you broadly describe that process about how -- of 2 how you came to work for the Trump Organization, just broadly, 3 please? 4 A I was introduced to Mr. Trump through his son Don, Jr. 5 and it emanated from a dispute that took place at one of the 6 properties. I had owned a unit there, family members owned 7 units there, friends owned units there, and the goal was to 8 remove the board and to replace the board with a more favorable 9 board. 10 We did it successfully. As a result, I was asked to 11 handle a few other matters for Mr. Trump which also resulted 12 successfully and ultimately while sitting in his office, he 13 asked me if I would like to leave that sleepy, old firm, meaning 14 Phillip Nizer, and join him. 15 (Continued on the next page.) 16 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 2198</p> <p>M. Cohen - Plaintiff - direct (Faherty)</p> <p>1 counsel?" 2 A Correct. 3 Q What was your understanding of what special counsel 4 meant? 5 A I reported and only handled work for Mr. Trump and so I 6 was his special counsel. Whatever issues he had, whatever 7 created ire for him, he would bring it to me in order to 8 resolve. 9 Q So you were specifically serving as a personal counsel 10 to Donald J. Trump? 11 A Correct. 12 Q Who did you report to at the Trump Organization? 13 A Donald Trump. 14 Q Anyone else? 15 A No. 16 Q Was that true for the entire time that you worked at 17 the Trump Organization? 18 A Yes. 19 Q So the only person who asked you to perform work was 20 Donald J. Trump? 21 A Correct. 22 Q And the only person who would provide approval for the 23 work you performed was Donald J. Trump? 24 A Correct. 25 Q Okay. And just so that I have the same understanding</p>
<p>M. Cohen - Plaintiff - direct (Faherty) <span style="float: right;">Page 2197</span></p> <p>1 Q Fair to say you accepted that invitation to join the 2 Trump Organization in 2007? 3 A I did. 4 Q And when I joined the Trump Organization in March of 5 2007, did you have a title? 6 A I did. 7 Q What was your title? 8 A It remained the same from beginning to end, executive 9 vice president of the Trump Organization and special counsel to 10 Donald J. Trump. 11 Q Let's take to those in turn. 12 Executive vice president of what? Was there a 13 particular department division that you were an EVP over? 14 A No, it was of the Trump Organization. It was just a 15 standing. There were -- after Mr. Trump there were about a 16 dozen plus executive vice presidents, including the three 17 children and then others were vice presidents and so on. So it 18 was basically a title of standing. 19 Q Did EVP reflect a level within the hierarchy? 20 A Yes. 21 Q And where within the executive level hierarchy would an 22 EVP have standing? 23 A Directly under Mr. Trump. 24 Q Thank you. 25 And you also stated you had a second title, "special</p>	<p>M. Cohen - Plaintiff - direct (Faherty) <span style="float: right;">Page 2199</span></p> <p>1 as you. I've used the phrase, "The Trump Organization." 2 What is your understanding of what the phrase "The 3 Trump Organization" means? 4 A The Trump Organization is a company that is 5 predominantly in real estate as well as branding. During the 6 times that I was there as well it also had television and media 7 operations as well. 8 Q And are there a series of common enterprise of 9 corporate entities that operate under this umbrella term, "The 10 Trump Organization?" 11 A Yes. 12 Q Do you know who owns or is the beneficial owner of that 13 enterprise of corporate entities under the umbrella "Trump 14 Organization?" 15 A Yes. 16 Q Who is that? 17 A Mr. Trump. 18 Q Okay. Focusing on the organization, were there 19 different departments at the Trump Organization, for example, an 20 accounting department, a legal department? 21 A Yes. 22 Q You didn't fit within the legal department, did you? 23 A No. 24 Q Your position was held outside of the legal department, 25 yes?</p>

Every financial</p>	<p>M. What do you understand generally</p> <p>16 that document to be?</p> <p>17 A That was a complete listing of all of the assets of the</p> <p>18 Trump Corporation, the Trump Organization with each asset broken</p> <p>19 down into an asset class, the asset class described and the</p> <p>20 value was placed on the asset, as well as any existing</p> <p>21 liabilities. The goal was to basically create a statement of</p> <p>22 financial worth.</p> <p>23 Q For whom?</p> <p>24 A Donald J. Trump.</p> <p>25 Q And do you have any understanding about why the</p>
<p>M. Cohen - Plaintiff - direct (Faherty) Page 2205</p> <p>1 transaction went through his office.</p> <p>2 Q Can you give me an example? What do you mean by that?</p> <p>3 A If there was an invoice that came to me, I would be</p> <p>4 required to approve that invoice, put a line on, write</p> <p>5 "approved," sign my name, put another line underneath it and</p> <p>6 that would then get presented to Allen. It would then, of</p> <p>7 course, go to Mr. Trump's office for initial signature before a</p> <p>8 check would be processed.</p> <p>9 Q So Allen Weisselberg managed the financials of the</p> <p>10 Trump Organization?</p> <p>11 A Yes.</p> <p>12 Q Are you familiar with the name Jeff McConney?</p> <p>13 A I am.</p> <p>14 Q How are you familiar with the name Jeff McConney?</p> <p>15 A Worked with him at the Trump Organization.</p> <p>16 Q And what is your understanding of Jeff McConney's</p> <p>17 titles that he -- title that he held while you were employed at</p> <p>18 the Trump Organization?</p> <p>19 A He was comptroller. He worked predominantly for Allen</p> <p>20 Weisselberg.</p> <p>21 Q So Mr. McConney worked in the accounting department,</p> <p>22 yes?</p> <p>23 A Yes.</p> <p>24 Q Was he a direct report to Mr. Weisselberg?</p> <p>25 A Yes.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2207</p> <p>1 document was created?</p> <p>2 A Initially.</p> <p>3 Q Yes.</p> <p>4 A No.</p> <p>5 Q During the time you were working at the Trump</p> <p>6 Organization did you form any understanding about why the</p> <p>7 document was created?</p> <p>8 A It was to be used for purposes of demonstrating net</p> <p>9 worth for acquisitions for insurance purpose.</p> <p>10 Q Any other reasons?</p> <p>11 A Not that I'm aware of.</p> <p>12 Q And when you say that this document was to be used to</p> <p>13 demonstrate net worth for acquisition for insurance purposes, is</p> <p>14 it your understanding that the document was to be shared with</p> <p>15 third parties or was that for internal purposes?</p> <p>16 A Shared with third parties.</p> <p>17 Q Do you have any understanding as to the ways in which</p> <p>18 the Statement of Financial Condition in particular was used?</p> <p>19 A Yes.</p> <p>20 Q Describe for me some of those ways.</p> <p>21 A So as it related to insurance the document would be</p> <p>22 presented to the various insurance brokers that were brought to</p> <p>23 the company from the main broker, AON. They were permitted to</p> <p>24 take notes off of the document but not permitted to keep the</p> <p>25 actual document itself and the benefit was showing that the</p>

<p>M. Were the statements 4 of financial conditions presented to any third parties for 5 purposes of an acquisition? 6 A Yes. 7 Q What third parties are you familiar with? 8 A I was involved in the potential acquisition of the 9 buffalo bills. 10 Q Any other acquisitions you can think of? 11 A The Miami Doral property. 12 Q Anything else? 13 A Not off the top of my head. 14 MS. FAHERTY: And I just want to check on timing, 15 Your Honor. 16 THE COURT: I was going to give you the five-minute 17 warning in one minute. So we'll break at 12:55. 18 MS. FAHERTY: Thank you, Your Honor. 19 Q Turning back to the creation of the document focusing 20 on the time that you were employed at the Trump Organization. 21 And I'll draw your attention to the period beginning in 2011. 22 Do you have any understanding as to who created the document? 23 A I do not. 24 Q Do you have any understanding as to whether -- as to 25 what, if any, individuals at the Trump Organization worked on</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2210</p> <p>1 Q Does this appear to be a document you may have worked 2 on during the time you were employed at the Trump Organization? 3 A I don't recall. 4 Q I'll draw your attention to the third page -- page four 5 of this document, and it ends in the number 3134. 6 A Yes. 7 Q Do you see that page there? 8 A I do. 9 Q Do you recognize this page as a document page you may 10 have worked on during your time period working for the Trump 11 Organization? 12 A I do. 13 Q How do you recognize this page? What do you recognize 14 it to be? 15 A I recognize the entire document. 16 Q Describe for me that recognition. 17 A It's a document that I have seen before. It's a 18 document that I had in my possession and a document that I just 19 recognize. 20 Q Were you ever asked to perform work on Mr. 21 Donald J. Trump's Statement of Financial Condition? 22 A Yes. 23 Q And before you tell me more about the work you were 24 asked to perform, was that work asked in your capacity as 25 Mr. Donald J. Trump's personal attorney or was it for a business</p>
<p>M. Cohen - Plaintiff - direct (Faherty) Page 2209</p> <p>1 the specific numbers contained in that Statement of Financial 2 Condition beginning in 2011? 3 A In 2011, I don't recall, but 2012 and '13, '14, and 4 '15, I do. 5 Q I'm going to show you some documents that have already 6 been admitted into evidence. 7 MS. FAHERTY: So Tommy, if you don't mind handing 8 to the witness Plaintiff's Exhibit PX 787. 9 Q I'm going to hand you five of these documents and we'll 10 briefly just look at them, okay, Mr. Cohen? 11 A Yes. 12 MS. FAHERTY: Tommy, the second document will be PX 13 815, the third will be PX 707, the fourth will be PX 730, 14 and the fifth will be PX 729. So we can start with PX 787. 15 A Is it up on the screen? 16 Q PX 787 is on the screen. 17 A Okay. 18 Q And just take a quick look at this document and tell 19 me, generally, if you recognize the form of this document, sir. 20 A I do. 21 Q What do you recognize this to be? 22 A This is the Statement of Financial Condition for Donald 23 J. Trump. 24 Q And is it dated as of June 30, 2011? 25 A Yes, it states June 30th of 2011.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2211</p> <p>1 reason? 2 A For business reason. 3 Q And what was the work you were asked to perform for 4 Mr. Donald J. Trump with regards to the Statement of Financial 5 Condition? 6 A I was tasked by Mr. Trump to increase the total assets 7 based upon a number that he arbitrarily elected and my 8 responsibility along with Allen Weisselberg predominantly was to 9 reverse engineer the various different asset classes, increase 10 those assets in order to achieve the number that Mr. Trump had 11 tasked us. 12 Q And when you say "achieve the number," what number are 13 you talking about? 14 A Whatever number Mr. Trump told us to. 15 Q Was it Mr. Trump's ultimate net worth as identified on 16 the Statement of Financial Condition? 17 A Yes. 18 MS. FAHERTY: I think now would probably be a good 19 time to take a break, Your Honor. 20 THE COURT: Okay. You're giving up two minutes 21 here. 22 All right, we're going to break for lunch. See you 23 all if you want to come back at 2:15 on time, please. 24 (Whereupon, there is a luncheon recess in the 25 proceedings.)</p>

<p>1 AFTERNOON SESSION</p> <p>2 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>3 session. The Honorable Judge Arthur Engoron presiding.</p> <p>4 Make sure all cell phones are on silent. Laptops and cell</p> <p>5 phones will be permitted, but only to members of the press.</p> <p>6 There is absolutely no recording or photography of any kind</p> <p>7 allowed in the courtroom. Now be seated and come to order.</p> <p>8 THE COURT: We just need a witness.</p> <p>9 THE COURT OFFICER: Witness entering.</p> <p>10 (Whereupon, the witness enters the courtroom and</p> <p>11 approaches the witness stand.)</p> <p>12 THE COURT: Okay. Let's continue with the direct</p> <p>13 examination of Mr. Cohen.</p> <p>14 MS. FAHERTY: Thank you, Your Honor.</p> <p>15 CONTINUED DIRECT EXAMINATION</p> <p>16 BY MS. FAHERTY:</p> <p>17 Q Mr. Cohen, you recall at the break you testified to</p> <p>18 reverse engineering numbers on the statements of financial</p> <p>19 condition each year while you were working at the Trump</p> <p>20 Organization, yes?</p> <p>21 A Yes.</p> <p>22 Q And I believe you were deposed in this case. Did you</p> <p>23 testify that between 2011 and 2015 you worked on those years'</p> <p>24 Statement of Financial Condition?</p> <p>25 A Again, I stated I don't recall if I worked on 2011, but</p>	<p>1 evidence.</p> <p>2 And I believe you testified before you have seen this</p> <p>3 document before; correct?</p> <p>4 A Correct.</p> <p>5 MS. FAHERTY: And let's turn to the third page of</p> <p>6 this Document. One more.</p> <p>7 Q Was this particular page of assets relevant to the work</p> <p>8 you performed on the Statement of Financial Condition?</p> <p>9 A Yes.</p> <p>10 Q How is this particular page relevant to the work you</p> <p>11 performed on the Statement of Financial Condition?</p> <p>12 A We would take this specific list of assets and we would</p> <p>13 figure out which specific line to increase the number again to</p> <p>14 reverse engineer it into the total asset that Mr. Trump sought.</p> <p>15 MR. KISE: Your Honor, objection on foundational</p> <p>16 grounds. The witness has testified that he didn't look at</p> <p>17 any particular documents and then he testified before that</p> <p>18 -- that he doesn't recall having anything to do with 2011.</p> <p>19 So now we're looking at 2011 and I don't believe the witness</p> <p>20 has any foundation to look at 2011.</p> <p>21 THE COURT: Did he say he wasn't sure about 2011?</p> <p>22 MR. KISE: We can look back. I believe he said "I</p> <p>23 don't recall working on 2011," but does recall working on</p> <p>24 '12, '13, '14, '15.</p> <p>25 THE WITNESS: That's not what I said.</p>

<p>1 '12, '13, '14, '15, yes.</p> <p>2 Q And you -- who assigned you the role of working on the</p> <p>3 Statement of Financial Condition?</p> <p>4 A Mr. Trump.</p> <p>5 Q Anyone else?</p> <p>6 A Mr. Trump.</p> <p>7 Q And did you work with anyone in connection with your</p> <p>8 work on the Statement of Financial Condition?</p> <p>9 A Yes.</p> <p>10 Q Who?</p> <p>11 A Allen Weisselberg.</p> <p>12 Q Anyone else?</p> <p>13 A Directly with Allen Weisselberg.</p> <p>14 Q Describe that for me. What was the work that you did</p> <p>15 with Allen Weisselberg on the Statement of Financial Condition?</p> <p>16 A We would take a look at the various different asset</p> <p>17 classes that are broken down in the document and based upon the</p> <p>18 number that Mr. Trump wanted the document to ultimately state we</p> <p>19 would look at the assets and increase its values in order to</p> <p>20 achieve the number.</p> <p>21 Q And would you look at a particular document in order to</p> <p>22 perform that task?</p> <p>23 A No.</p> <p>24 Q Let's pull out the 2011 Statement of Financial</p> <p>25 Condition, Plaintiff's Exhibit PX 787. It's already in</p>	<p>1 MS. HABBA: When he first took on the stand he said</p> <p>2 he did not work on 2011.</p> <p>3 MS. FAHERTY: And, Your Honor, I always appreciate</p> <p>4 when learned counsel can give me a -- I'm happy to ask some</p> <p>5 additional questions to make the record clear, if that's</p> <p>6 okay.</p> <p>7 THE COURT: All right. Well, let's lay a</p> <p>8 foundation if one can be laid for this.</p> <p>9 Q So what would be the basis for doing, for example, the</p> <p>10 work you performed on 2012? Would you make numbers out of thin</p> <p>11 air or was there a document or information you looked at in</p> <p>12 order to calculate new numbers?</p> <p>13 A We would have taken the document that you have up right</p> <p>14 now, the June 30, 2011 document, and we would mark it up by hand</p> <p>15 in order to increase each of the asset lines, again, to get to</p> <p>16 the total asset number that Mr. Trump tasked us to achieve.</p> <p>17 Q And when you say, "we," who are you referring to?</p> <p>18 A Myself and Allen Weisselberg.</p> <p>19 Q Did this conversation or these conversations marking up</p> <p>20 the 2011 document, for example, occur in the presence of anyone</p> <p>21 else?</p> <p>22 A Yes.</p> <p>23 Q Who?</p> <p>24 A Mr. Trump.</p> <p>25 Q And what, if anything, do you recall Mr. Trump would</p>		

<p>M. Cohen - Plaintiff - direct (Faherty) Page 2216</p> <p>1 say about marking up the document referring in this instance to 2 the 2011 Statement of Financial Condition for the 2012 numbers? 3 A I would receive a phone call, generally it would be 4 from Rhona Graff, Mr. Trump's executive assistant, "Mr. Trump 5 would like to see you" and I would come into the office. Allen 6 Weisselberg would either already be there or come with me and 7 the topic was the Statement of Financial Condition. He would 8 look at the total assets and he would say, "I'm actually not 9 worth four and a half billion dollars. I'm really worth more, 10 like, six." Okay. He would then direct Allen and I to go back 11 to Allen's office and return after we achieved the desired goal. 12 Q And I'll direct your attention to the following page. 13 And at the bottom of this page do you see a line entry at the 14 top, it says, "liabilities and net worth." Do you see that 15 there? 16 A I do. 17 Q And at the bottom there is a line entry. It says "net 18 worth." Do you see that there? 19 A I do. 20 Q And was this particular number the number you were 21 tasked with bringing up according to Mr. Trump's directive as 22 you just testified? 23 A Yes. 24 Q Okay. Now, turning back to the first page. 25 Was there a particular procedure for you and</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2218</p> <p>1 2012, you would look at the prior year's number; correct? 2 A Correct. 3 Q And you would go into Allen Weisselberg's office to 4 review the numbers to see where you could add value. Is that 5 fair? 6 A Fair. 7 Q And was anybody present for those conversations? 8 A There were people who had come in to the office that 9 were providing Allen with information, but these conversations 10 were primarily between Mr. Trump, myself and Allen Weisselberg. 11 Q And in the conversations between you and 12 Mr. Weisselberg in his office, how would you find these 13 comparable numbers? Was there a particular search you would do 14 or research you performed? 15 A Well, some of the assets that we used as comparables I 16 just know because I am in the real estate industry, so I read an 17 article about an apartment that, you know, that traded or I 18 would look on Google. 19 Q And did you keep the notes of your meetings with 20 Mr. Weisselberg as to the values you were adding to the asset 21 categories on Mr. Trump's Statement of Financial Condition? 22 A No. 23 Q Why not? 24 A I would sit down with Allen and we would make the 25 changes. That document would then be photocopied that had all</p>
<p>M. Cohen - Plaintiff - direct (Faherty) Page 2217</p> <p>1 Mr. Weisselberg to distribute the assets on this page that you 2 would alter or backup the numbers into? 3 A There was no specific program within which to change 4 the numbers. It was, again, reverse engineering. 5 So, for example, if they brought on a new asset we, of 6 course, would add that to the list of assets, but then there 7 were also other assets like Trump Park Avenue. We would take 8 the number of units that Mr. Trump owned as the sponsor 9 developer of the property and we would look at numbers that were 10 being achieved elsewhere; what's the highest price per square 11 foot achieved in the city, and we would use those numbers in 12 order to inflate the value of these apartments. 13 Q Are those called comparables? 14 A Comparables -- you could call them comparables, but 15 comparables imply that they are similar. 16 Q And is it your understanding that the quote/unquote 17 "comparables" were not similar? 18 A No. 19 Q What is your basis for saying that? 20 A Some of the comps or comparables were predicated off of 21 ground up developments with nine, ten foot ceilings, 22 unobstructed views, not inhibited by rent stabilized or other 23 programs, so no, they were not comparables. They are just 24 different. 25 Q So Mr. Trump would task you with reaching a number for</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2219</p> <p>1 of the changes at which point in time Allen and I would return 2 to Mr. Trump demonstrate that we achieved or close to the number 3 that he was seeking and I had no use for that document any 4 longer. 5 Transcript continues on the following page.... 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>

<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2220</p> <p>1 Q And at some point, did you become aware that the 2 numbers -- the values you had added to the Statement of 3 Financial Condition, let's focus on 2012, that they were 4 accepted by Mr. Trump?</p> <p>5 A Yes, he's the only one that could accept them.</p> <p>6 Q How did you come to understand that Mr. Trump accepted 7 the values you added to the Statement of Financial Condition for 8 2012?</p> <p>9 A Because he knew the Statement of Financial Condition 10 would be printed by Mazars who is the accounting firm for the 11 Trump Organization and we would receive the bounded copy.</p> <p>12 Q Did you have any relationship with Mazars in the 13 process of drafting the Statement of Financial Condition?</p> <p>14 A No.</p> <p>15 Q Who, if anyone, do you understand to have been 16 interacting with Mazars in the creation of the Statement of 17 Financial Condition?</p> <p>18 A Mr. Trump and Allen Weisselberg.</p> <p>19 Q And with regards to the process between the time Mr. 20 Trump tasked you with reverse engineering that net worth number 21 to the time when you met with Allen Weisselberg in his office to 22 eventually returning back to Mr. Trump with the numbers for his 23 approval, about how long did that process take?</p> <p>24 A For the most part, several days.</p> <p>25 Q And what, if any, understanding do you have as to who</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2222</p> <p>1 appears to call for speculation based on the foundation that 2 has not yet been laid, but I don't -- I don't -- it is not 3 clear what he's testifying to at all.</p> <p>4 MS. FAHERTY: Your Honor, that appears to be a 5 perfectly fair question by me with a responsive answer and 6 if Mr. Kise disagrees with the response, he's perfectly 7 entitled to cross-examine.</p> <p>8 THE COURT: You want to just read it again for 9 everybody's benefit out loud, obviously.</p> <p>10 Q You made mention of the three adult children. What is 11 your understanding as to the three adult children's role in 12 assisting Mr. Weisselberg in valuing the assets in the Statement 13 of Financial Condition?</p> <p>14 MR. KISE: He has no foundation other than hearsay. 15 If that's what he's saying, unless he's testifying that he 16 spoke with the children directly, that's different.</p> <p>17 THE COURT: Well, I don't think he had to speak to 18 them. I think it was more of an observation, but see if you 19 can ask it again with -- either ask a foundation or the 20 question with more of a foundation. I'm not sure exactly 21 also the phrase "what's your understanding." What did you 22 see, observe, hear?</p> <p>23 Q Did you have -- you had a general understanding as to 24 Eric Trump's role at the Trump Organization while you were 25 employed there, yes?</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2221</p> <p>1 Mr. Weisselberg relied on to assist him in adding value to the 2 numbers on these Statements of Financial Condition?</p> <p>3 A Jeffrey McConney.</p> <p>4 Q Anyone else?</p> <p>5 A Potentially the children Don, Ivanka and Eric.</p> <p>6 Q What, if anything, is your understanding Mr. McConney 7 provided to Mr. Weisselberg on the asset values?</p> <p>8 A He had all the numbers. He was the one that controlled 9 the computer with the fobs in order to see, for example, cash 10 and marketable securities. He would also be the one to provide 11 Allen with the gross rent roll for 40 Wall Street or any of the 12 other assets that Mr. Trump owns that were being rented or 13 leased.</p> <p>14 Q And you made mention of the three adult children. What 15 is your understanding as to the three adult children's role in 16 assisting Mr. Weisselberg in valuing the assets in the 17 Statements of Financial Condition?</p> <p>18 A Well, first would be which projects that they 19 individually were spearheading and then to ask them what other, 20 you know, values exist for the purpose of this asset.</p> <p>21 MR. KISE: Objection, Your Honor. I'm not sure 22 that's entirely responsive, if at all responsive. Is the 23 witness testifying that he spoke with these individuals or 24 this is his understanding that one else spoke with these 25 individuals? The question calls for -- the question</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2223</p> <p>1 A Yes.</p> <p>2 Q You similarly formed an understanding as to Donald 3 Trump, Jr.'s role at the Trump Organization while you worked 4 there?</p> <p>5 A Yes.</p> <p>6 Q Similarly, you formed an understanding of Ivanka 7 Trump's role while working at the Trump Organization?</p> <p>8 A Yes.</p> <p>9 Q Did you have occasion to observe Mr. Weisselberg 10 interacting with those three adult children as it concerned the 11 Statement of Financial Condition and his preparation of values?</p> <p>12 A I did not observe them specifically engage in 13 conversation.</p> <p>14 Q Did you at any point form an understanding that Mr. 15 Weisselberg was, in fact, consulting with the three adult 16 children with regards to his valuations on the Statements of 17 Financial Condition?</p> <p>18 A Yes.</p> <p>19 MR. KISE: Objection.</p> <p>20 THE COURT: I think the next question is taken with 21 the first question is acceptable, so...</p> <p>22 Q How did you form that understanding?</p> <p>23 A Allen would state that, "I need to speak to Don, 24 Ivanka, Eric" regarding whatever the asset was.</p> <p>25 THE COURT: Well, did he state that he did speak to</p>

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2224	M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2226
<p>1 them beyond "I have to speak to them"?</p> <p>2 THE WITNESS: No, he did not actually make that</p> <p>3 overt statement. However, at the end, there was a new</p> <p>4 Statement of Financial Condition that was compiled that had</p> <p>5 the changes.</p> <p>6 THE COURT: How do you know that the children had</p> <p>7 any input into those new numbers?</p> <p>8 THE WITNESS: I do not.</p> <p>9 Q Any other understanding as to others who worked with</p> <p>10 Mr. Weisselberg on the valuations for the Statements of</p> <p>11 Financial Condition?</p> <p>12 A Jeff McConney.</p> <p>13 Q Other than Mr. McConney?</p> <p>14 A I don't know who else Allen spoke with.</p> <p>15 Q And just to clarify, what were the methods of</p> <p>16 communication you employed at the Trump Organization? Did you</p> <p>17 communicate frequently via e-mail?</p> <p>18 A No.</p> <p>19 Q How about via text message?</p> <p>20 A No.</p> <p>21 Q How about handwritten notes concerning the Statements</p> <p>22 of Financial Condition?</p> <p>23 A Only to the extent that we changed the numbers and the</p> <p>24 changed numbers would be in red pen.</p> <p>25 Q And you didn't retain copies of those communications,</p>	<p>1 A Yes.</p> <p>2 Q For what year were you using the 2012 Statement of</p> <p>3 Financial Condition to perform work on Mr. Trump's Statement of</p> <p>4 Financial Condition?</p> <p>5 A That would then go for the 2013.</p> <p>6 Q So let's turn to the third page of this document. We</p> <p>7 have it on the screen here. Similar to the prior year Statement</p> <p>8 of Financial Condition, right, listing of assets?</p> <p>9 A Correct.</p> <p>10 Q Then if we turn to the next page, "liabilities" and</p> <p>11 "net worth," yes?</p> <p>12 A Yes.</p> <p>13 Q And there's a net worth entry at the bottom of the</p> <p>14 page, correct?</p> <p>15 A Correct.</p> <p>16 Q Was that another net worth number that you were</p> <p>17 directed to reverse engineer to a higher number?</p> <p>18 A Yes.</p> <p>19 MS. FAHERTY: Going back to the very first page.</p> <p>20 Thank you, Ashley. The assets page.</p> <p>21 Q Do you recall which assets for the 2013 values that you</p> <p>22 worked on in connection with your assignment to reverse engineer</p> <p>23 the values on the Statement of Financial Condition?</p> <p>24 A Possibly Trump Tower, Trump Park Avenue, Trump World</p> <p>25 Tower United Nations, possibly 100 Central Park South to the</p>
M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2225	M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2227
<p>1 right?</p> <p>2 A I do not believe so.</p> <p>3 Q So looking at this exhibit, which is still on the</p> <p>4 screen, the 2011 Statement of Financial Condition, focusing on</p> <p>5 the work you performed for the 2012 valuation, what, if any, of</p> <p>6 these assets do you recall that you provided valuations for?</p> <p>7 A Trump Park Avenue, Trump World Tower at United Nations,</p> <p>8 100 Central Park South to the extent it was part of the</p> <p>9 commercial portion; properties under development specifically</p> <p>10 with Beverly Hills, Miss Universe Pageant and potentially other</p> <p>11 assets.</p> <p>12 Q And as to the other assets, was Allen Weisselberg</p> <p>13 responsible for those assets?</p> <p>14 A Yes.</p> <p>15 MS. FAHERTY: Let's put that to the side. Can we</p> <p>16 pull out 2012, please.</p> <p>17 Your Honor, I'm handing up to the witness the</p> <p>18 June 30, 2012 Statement of Financial Condition. It is</p> <p>19 marked already as an Exhibit PX 815.</p> <p>20 Q Do you recognize this document, Mr. Cohen?</p> <p>21 A I do.</p> <p>22 Q And do you recognize this as a document that you worked</p> <p>23 on in connection with Mr. Trump's assignment that you reverse</p> <p>24 engineer the values on Donald J. Trump's Statement of Financial</p> <p>25 Condition?</p>	<p>1 extent of the commercial, mansion at Seven Springs, Miss</p> <p>2 Universe Pageant as well as possibly other assets.</p> <p>3 Q And again, the ways in which you would increase the</p> <p>4 values of these particular asset classes, what would you do?</p> <p>5 A Again, we would take a look at either comparables or</p> <p>6 new potential lease tenants, for example, in Trump Tower and</p> <p>7 come up with a multiple if you were taking that to market to</p> <p>8 securitize it.</p> <p>9 Q Any other ways in which you would inflate the assets on</p> <p>10 these asset classes for the 2013 Statement of Financial</p> <p>11 Condition?</p> <p>12 A Again, looking at comparables into the area Seven</p> <p>13 Springs was a little different because there was a deal that was</p> <p>14 struck to subdivide the property. So we would look at if it was</p> <p>15 for the -- for this year, it could have been 2013 or -- with</p> <p>16 the subdivision to provide some sort of number attached to each</p> <p>17 individual parcel.</p> <p>18 Q So is it fair to say you would Google a number for</p> <p>19 assigning a value to the lots at the mansion at Seven Springs?</p> <p>20 MR. KISE: Objection. Leading.</p> <p>21 Q Describe for me the number.</p> <p>22 THE COURT: Sustained.</p> <p>23 Q Describe for me the number that you would use for Seven</p> <p>24 Springs.</p> <p>25 A You look at some of the other homes that are in the</p>

<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2228</p> <p>1 area and you use that as a basis for the subdivision parcel 2 lots. 3 Q When you're looking up the -- these numbers, are you 4 calculating time as a factor in those values? 5 A No. 6 Q Is the value an immediately-achieved number that you're 7 assigning? 8 A No. 9 Q Is the number a comparable or a reasonable comparable, 10 I think we spoke about comparables before, to the asset class? 11 A It would depend. 12 MR. KISE: Objection. Is this witness now 13 testifying as an expert witness on real estate or are we 14 going to add that to his series of credentials? I don't 15 know that he is -- that question calls for expert -- an 16 expert conclusion. Is it a reasonable comparable? That's 17 the province of an expert and unless Mr. Cohen -- the 18 prosecution wants to qualify Mr. Cohen as an expert in that, 19 I'm sure he'll answer it and say he is. 20 THE COURT: I found it a confusing question. I 21 will sustain the question. 22 MS. FAHERTY: That's okay. I want to ask the 23 question in a non-objectionable way, Your Honor, so give me 24 a moment, please. 25 THE COURT: Of course.</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2230</p> <p>1 Q And do you know if any of the adult children also 2 performed work at the Seven Springs -- for Seven Springs, LLC, 3 a Trump Organization entity? 4 A I don't know which one, no. 5 Q Same question that I was asking before about 2013. Who 6 tasked you with adding values to the Statement of Financial 7 Condition for that year? 8 A That would be Mr. Trump. 9 Q And who did you perform that work with with inflating 10 the assets for 2013? 11 A Allen Weisselberg. 12 Q Similar to the work you performed in 2012? 13 A Yes, it was an annual recurring process. 14 Q Approximately how long in 2013 would that take to go 15 from being assigned adding the value to the time you brought it 16 to Mr. Trump for his approval? 17 A Again, several days. 18 Q Any understanding whether or not Mr. Trump did approve 19 of the asset values you added to the Statement of Financial 20 Condition for that year? 21 A In the same way as previously described. 22 Q And if I asked you the same questions for the following 23 year, for 2014 -- 24 A Yes. 25 Q -- would your answers be any different?</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2229</p> <p>1 Q So you made mention that the Seven Springs asset was a 2 little different. Your testimony just now, was that specific to 3 the particular year 2013 or is that a general recollection? 4 A General recollection. I don't know if it was 2012, 5 '13. 6 Q You generally have a recollection, though, that you 7 were looking at other comparable assets that could value the 8 subdivided property at Seven Springs; is that fair? 9 A Yes. 10 MR. KISE: Objection. Leading. 11 Q How would you describe -- 12 THE COURT: Wait. Wait. Sustained. 13 Q How would you describe those comparable assets that you 14 were looking at for the purpose of that Seven Springs 15 subdivision? 16 A I'm sorry. I don't understand your question. 17 Q What were you looking at? How were you coming up with 18 the numbers? 19 A So I know the area where Seven Springs is located. 20 It's the top of the hill, the very top and we looked at -- I 21 looked at, for example, the value of a house that was beneath 22 Mr. Trump's property, Nelson Peltz, and we took that as a number 23 and then we added to it because it would be new construction, it 24 is higher up the hill and so on, and that's how we ended up 25 increasing.</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2231</p> <p>1 A No. 2 Q How about in 2015; would your answers be any different? 3 A No. 4 Q And let's just take a quick look at the 2013 Statement 5 of Financial Condition which is -- Tommy, I'm so sorry. 707. 6 Do you recognize that document there? 7 A I do. 8 Q Let's turn to the third page. Do you recognize that 9 asset page? 10 A I do. 11 Q And that was the asset page you worked on to increase 12 the values for the 2014 Statement of Financial Condition? 13 A Correct. 14 Q And turning to the next page, do you see that net worth 15 entry there? 16 A Yes. 17 Q Is that the net worth line that you were tasked with 18 reverse engineering higher by Mr. Trump? 19 A Yes. 20 MS. FAHERTY: Can we pull out 2015, which is we are 21 looking at 730. Sorry, Tommy. 729. Thank you. Can you 22 pull out 730, too. 23 Q So I put 2014 -- let's look at 2014 first which is 730 24 in front of you. Do you recognize that document? 25 A I do.</p>

<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2232</p> <p>1 Q That's the 2014 Statement of Financial Condition?</p> <p>2 A Yes.</p> <p>3 Q And turn to page three of this document. Again, this</p> <p>4 is the assets page that you and Mr. Weisselberg worked on</p> <p>5 together?</p> <p>6 A Correct.</p> <p>7 Q And then turning to the next page, that net worth line</p> <p>8 appears to have gone up from prior year, yes?</p> <p>9 A Correct.</p> <p>10 Q That was the net worth number that Mr. Trump assigned</p> <p>11 you to inflate back into?</p> <p>12 A Correct.</p> <p>13 Q And then turning to Exhibit 729, you recognize that</p> <p>14 document there?</p> <p>15 A I do.</p> <p>16 Q Same assets page that you were assigned?</p> <p>17 A Yes.</p> <p>18 Q Turning to the following page, net worth number there</p> <p>19 now six million. You see that there?</p> <p>20 A Yes.</p> <p>21 Q And that was a net worth number you were tasked with</p> <p>22 backing into to make higher pursuant to Mr. Trump's direction?</p> <p>23 A Correct.</p> <p>24 Q You can put those down. Thank you.</p> <p>25 Do you recall when you stopped working on the</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2234</p> <p>1 demonstrate his ability to purchase the team.</p> <p>2 Q And did you have the permission of Mr. Trump to be able</p> <p>3 to use the Statement of Financial Condition?</p> <p>4 A Yes.</p> <p>5 Q Were you directed by Mr. Trump to use the Statement of</p> <p>6 Financial Condition to flout his wealth?</p> <p>7 A Yes.</p> <p>8 Q I want to turn your attention to insurance. Did you</p> <p>9 work on the insurance program for the Trump Organization?</p> <p>10 A I did.</p> <p>11 Q Did you work with others on the -- at the Trump</p> <p>12 Organization on the insurance program?</p> <p>13 A Yes.</p> <p>14 Q Who did you work with at the Trump Organization?</p> <p>15 A Allen Weisselberg, CFO; Matthew Calamari, Sr., chief</p> <p>16 operating officer; and Ronald Lieberman.</p> <p>17 Q Did that group of four individuals have a specific</p> <p>18 title or association that they were known by?</p> <p>19 A The gang of four.</p> <p>20 Q Did you say, "the gang of four"?</p> <p>21 A Some called it the group of four or the gang of four.</p> <p>22 Q And how did you know Matthew Calamari, Ron Lieberman,</p> <p>23 Allen Weisselberg come to be known as the gang of four?</p> <p>24 A I believe Pam Newman from Aon came up with the name.</p> <p>25 Q And can you remind me who Aon is?</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2233</p> <p>1 Statements of Financial Condition?</p> <p>2 A I believe around for the 2016.</p> <p>3 Q What is your understanding as to why you stopped</p> <p>4 working on the Statement of Financial Condition values?</p> <p>5 A I was busy doing other things.</p> <p>6 Q Were you ever in possession of one of Mr. Donald J.</p> <p>7 Trump's Statement of Financial Condition in final form?</p> <p>8 A Yes.</p> <p>9 Q That was yours to use for business purposes?</p> <p>10 A It was given to me to use for business purpose.</p> <p>11 Q And when would you use that Statement of Financial</p> <p>12 Condition? Can you provide me an example?</p> <p>13 A So in 2013, there was a journalist for a New York</p> <p>14 centric magazine called The Real Deal. The journalist's name</p> <p>15 was Katherine Clarke and Katherine Clarke was going to do a</p> <p>16 story, a feature story on Mr. Trump's net worth. And so when</p> <p>17 she came to see me at the office, I presented her with the</p> <p>18 document. She could not keep it. She could take notes in order</p> <p>19 to create the story about how much Mr. Trump was actually worth.</p> <p>20 Q So is that generally how you would come to use the</p> <p>21 Statement of Financial Condition?</p> <p>22 A That's one example.</p> <p>23 Q That's one example. Another example, do you have any?</p> <p>24 A When Mr. Trump was interested in putting in a bid for</p> <p>25 the Buffalo Bills, we used that statement in order to</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2235</p> <p>1 A Aon is the broker that handled the insurance for the</p> <p>2 Trump Organization for all the insurance.</p> <p>3 Q So a broker, they go out and find insurance programs to</p> <p>4 present to the organization?</p> <p>5 A Correct.</p> <p>6 Q They didn't provide the actual insurance, right?</p> <p>7 A No, they're brokers.</p> <p>8 Q You said the name was Pam Newman?</p> <p>9 A Correct.</p> <p>10 Q Who assigned you and those three other individuals, Mr.</p> <p>11 Weisselberg, Mr. Calamari, Mr. Lieberman, to work on the</p> <p>12 insurance program?</p> <p>13 A All final decisions were done by Mr. Trump.</p> <p>14 Q Mr. Cohen, I'm handing you an exhibit. We marked for</p> <p>15 identification as PX-3119. I'll give you a minute to take a</p> <p>16 look at that document. I also put it on the screen. Do you see</p> <p>17 that document in front of you, sir?</p> <p>18 A I do. Can I have just one moment to look through it?</p> <p>19 Q Yes. Absolutely.</p> <p>20 A Thank you.</p> <p>21 (Witness reviewing document.)</p> <p>22 A Okay.</p> <p>23 Q So drawing your attention to the top of this e-mail, do</p> <p>24 you recognize the name Martha Blackman or</p> <p>25 martha.blackman@aon.com?</p>

<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2236</p> <p>1 A Yes.</p> <p>2 Q Who do you recognize that name to you?</p> <p>3 A She worked for Pamela Newman at Aon.</p> <p>4 Q Is that acknowledged in the following line on behalf of</p> <p>5 Pamela Newman right below?</p> <p>6 A Yes.</p> <p>7 Q This appears to be an e-mail sent on February 14, 2013</p> <p>8 addressed to Allen Weisselberg at the Trump Organization,</p> <p>9 Matthew Calamari, Ron Lieberman and you. That's your e-mail</p> <p>10 address, mcohen@trumporg.com?</p> <p>11 A It was.</p> <p>12 Q Thank you for the clarification. The cc line, do you</p> <p>13 recognize generally that those are e-mail addresses associated</p> <p>14 with employees at Aon, the insurance broker?</p> <p>15 A Yes.</p> <p>16 Q The subject is, "Forward, the Trump/Aon team-suggested</p> <p>17 work style going forward (draft memo number 4 with updated</p> <p>18 timeline)" and then there's an attachment. Do you see that?</p> <p>19 A I do.</p> <p>20 Q Drawing your attention to the body of the message, it</p> <p>21 says, "Gentlemen, Aon is committed to delivering to the Trump</p> <p>22 Organization the best service and the best results." Then it</p> <p>23 states, "Work style-A, team of four."</p> <p>24 Is that a reference to what you were just describing a</p> <p>25 moment ago, the gang of four who worked on the insurance</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2238</p> <p>1 Q What does it mean that his role was coverage buying</p> <p>2 decisions?</p> <p>3 A Ultimately, he would be the one to take the premium</p> <p>4 after we negotiated and that would be again Matt Calamari, Ron</p> <p>5 Lieberman, myself and Allen to Mr. Trump in order to bind the</p> <p>6 policies.</p> <p>7 Q Was he in charge of financial information with regards</p> <p>8 to the insurance program as well?</p> <p>9 A Yes.</p> <p>10 Q Was he in charge of sharing financial information with</p> <p>11 regards to the insurance program?</p> <p>12 A To whom?</p> <p>13 Q Sharing financial information.</p> <p>14 A But share it with whom?</p> <p>15 Q We'll come back to that question.</p> <p>16 A Okay.</p> <p>17 Q And next is Matthew Calamari, the executive</p> <p>18 vice-president and chief operating officer of the Trump</p> <p>19 Organization, yes?</p> <p>20 A Yes, ma'am.</p> <p>21 Q What is your understanding of his role with property</p> <p>22 claims?</p> <p>23 A So Matthew Calamari, Sr. handled all of the claims as</p> <p>24 it related to anything that dealt with the insurance. If there</p> <p>25 was an auto accident, he would handle it. If there was a</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2237</p> <p>1 program?</p> <p>2 A Yes.</p> <p>3 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>4 evidence.</p> <p>5 MS. HABBA: Objection. Statute of limitations.</p> <p>6 THE COURT: Overruled. It is in evidence.</p> <p>7 (Whereupon, the Document was marked in evidence as</p> <p>8 Plaintiff's Exhibit 3119.)</p> <p>9 MS. FAHERTY: Thank you.</p> <p>10 Q So this paragraph under, "A team of four" states, "Aon</p> <p>11 is excited that the Trump Organization has created a team of</p> <p>12 four to review the Trump Organization's insurance program,</p> <p>13 insurance policy buying decisions, claims management and risk</p> <p>14 protection protocols."</p> <p>15 Is this an accurate description that it was the Trump</p> <p>16 Organization that created the "team of four" or "gang of four"</p> <p>17 as you referred to it just a moment ago?</p> <p>18 A Yes.</p> <p>19 Q And then it states that the "team of four and each</p> <p>20 member's role is outlined below." Do you see the box in the</p> <p>21 middle of the page there?</p> <p>22 A I do.</p> <p>23 Q First it identifies Allen Weisselberg, he was the</p> <p>24 executive vice-president and CFO of the Trump Organization, yes?</p> <p>25 A Correct.</p>	<p>Page 2239</p> <p>1 Workers' Compensation claim, he would handle it. If there was a</p> <p>2 loss, an insurance loss, he would handle it.</p> <p>3 Q He was responsible for those aspects of the insurance</p> <p>4 program, right?</p> <p>5 A Yes, ma'am.</p> <p>6 Q And then Mr. Lieberman, he's next in the line,</p> <p>7 executive vice-president management and development, what is</p> <p>8 your understanding of his role as described here in this box?</p> <p>9 A During the process, things that would be looked at, of</p> <p>10 course, as casualty risk, again claims and also coverage buying</p> <p>11 decisions in terms of what needed, what didn't -- his</p> <p>12 background is he came from the City Parks Department and so he</p> <p>13 had a good understanding of casualty risk.</p> <p>14 Q And then you're the fourth person in this box, yes?</p> <p>15 A Correct.</p> <p>16 Q And what does that mean, "coverage terms and</p> <p>17 conditions" associated with your role?</p> <p>18 A It sort of encompasses the other boxes whereby we</p> <p>19 needed to make sure that the coverage terms were advantageous to</p> <p>20 the Trump Organization and the conditions of the insurance</p> <p>21 properly insured the assets.</p> <p>22 (Continued on the next page.)</p> <p>23</p> <p>24</p> <p>25</p>

<p>M. Cohen - Plaintiff - direct (Faherty) Page 2240</p> <p>1 Q You can put that to the side. Thank you.</p> <p>2 Are you aware if the Statement of Financial Condition,</p> <p>3 we talked a little bit about it, whether the statements of</p> <p>4 financial condition were ever presented during any of the</p> <p>5 gang-of-four meetings with underwriters?</p> <p>6 A Yes.</p> <p>7 Q What is your understanding as to when the Statement of</p> <p>8 Financial Condition would be shared in these gang-of-four</p> <p>9 meetings with underwriters?</p> <p>10 A Pamela Newman would set up a meeting that would include</p> <p>11 various different insurance company executives and we would meet</p> <p>12 in one of the conference rooms across the table from one another</p> <p>13 and Allen would provide each and every one of them with a copy</p> <p>14 -- a bound copy of the Statement of Financial Condition.</p> <p>15 Once again, they were told that they can copy, they can</p> <p>16 take notes off of it, but they cannot keep the original</p> <p>17 document.</p> <p>18 Q So insurance underwriters were provided the statements</p> <p>19 of financial condition by Allen Weisselberg, yes?</p> <p>20 A Yes, that was the word I was looking for, underwriter.</p> <p>21 Q And those underwriters were permitted to review those</p> <p>22 statements, yes?</p> <p>23 A Encouraged to.</p> <p>24 Q And take notes?</p> <p>25 A Yes.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2242</p> <p>1 Q And under the heading "Trump Organization," is that</p> <p>2 your name listed there?</p> <p>3 A It is.</p> <p>4 Q And the other names Allen Weisselberg, Matthew</p> <p>5 Calamari, Ron Leiberman. That's the gang of four, yes?</p> <p>6 A Correct, the group of four.</p> <p>7 Q Group of four.</p> <p>8 And then George Sorial, he's an employee of the Trump</p> <p>9 Organization?</p> <p>10 A He is.</p> <p>11 Q How about Adam Rosen?</p> <p>12 A Yes.</p> <p>13 Q And what about Patrick Birney?</p> <p>14 A Yes.</p> <p>15 Q And there is another subheading, "AON." Do you see</p> <p>16 that there?</p> <p>17 A I do.</p> <p>18 Q Pam Newman, that's who we've been speaking about?</p> <p>19 A Yes.</p> <p>20 Q She was the broker?</p> <p>21 A Yes.</p> <p>22 Q And Regina Degnan, do you recognize that name?</p> <p>23 A I do.</p> <p>24 Q Who is Regina Degnan?</p> <p>25 A She was Pamela's executive vice president. Ultimately</p>
<p>M. Cohen - Plaintiff - direct (Faherty) Page 2241</p> <p>1 Q On the information contained in those statements; is</p> <p>2 that correct?</p> <p>3 A That's correct.</p> <p>4 Q I'd like to show you another document.</p> <p>5 MS. FAHERTY: Your Honor, I'm handing up to the</p> <p>6 witness a document we've marked as Plaintiff's Exhibit</p> <p>7 PX-588.</p> <p>8 Q And I'll represent to you, Mr. Cohen, this is the way</p> <p>9 this document was provided to us. It's four pages, but I think</p> <p>10 the first two pages are identical to the second two pages, so if</p> <p>11 you want to take a moment to review, I'll just focus your</p> <p>12 attention on those first two pages, please.</p> <p>13 Okay. Do you see this document in front of you? It's</p> <p>14 on a letterhead "AON," right? You see that in the upper right</p> <p>15 hand corner?</p> <p>16 A Correct.</p> <p>17 Q And there is a heading, "Agenda, "The Trump</p> <p>18 Organization LLC D&amp;O Underwriting Meeting," dated Tuesday,</p> <p>19 January 10, 2017, 10:00 a.m. and 11:00 a.m..</p> <p>20 And is that the address of the Trump Organization, 725</p> <p>21 Fifth Avenue?</p> <p>22 A It is.</p> <p>23 Q And then there is a -- in the center of the page, a</p> <p>24 header "Attendees." Do you see that there?</p> <p>25 A Yes.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2243</p> <p>1 took her book of business when Pam retired.</p> <p>2 Q And fair to say Pam Newman was the relationship partner</p> <p>3 at AON?</p> <p>4 A Yes.</p> <p>5 Q And Regina then succeeded her as the relationship</p> <p>6 partner for the Trump Organization's relationship program?</p> <p>7 A Correct.</p> <p>8 Q Do you recognize the name John Vanasco?</p> <p>9 A I do.</p> <p>10 Q How do you recognize that name?</p> <p>11 A From the meetings.</p> <p>12 Q Okay. And what about Michael Fetchko. Do you</p> <p>13 recognize that name?</p> <p>14 A I don't.</p> <p>15 Q Any reason to doubt that Mr. Fetchko was an employee of</p> <p>16 AON?</p> <p>17 A No.</p> <p>18 Q Okay. And then under that subheading there is another</p> <p>19 subheading, "markets." Do you have an understanding of the</p> <p>20 markets?</p> <p>21 A They're talking about the various different insurance</p> <p>22 markets because the Trump Organization is comprised of many</p> <p>23 different assets and many different classes.</p> <p>24 Q So is this is an example of an agenda for Trump</p> <p>25 Organization D&amp;O Underwriting Meeting that occurred at the Trump</p>

M. Cohen - Plaintiff - direct (Faherty) Page 2244	M. Cohen - Plaintiff - direct (Faherty) Page 2246
<p>1 Organization on Tuesday, January 10, 2017?</p> <p>2 A Yes.</p> <p>3 Q Okay.</p> <p>4 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>5 evidence.</p> <p>6 THE COURT: Granted. It's in.</p> <p>7 (Whereupon, the item previously referred to is</p> <p>8 received and marked Plaintiff's Exhibit Number 588 in</p> <p>9 evidence.)</p> <p>10 Q Do you have a specific recollection of recalling this</p> <p>11 underwriting meeting, Mr. Cohen?</p> <p>12 A No, ma'am.</p> <p>13 Q Any reason to doubt that you didn't have an underwrite</p> <p>14 -- D&amp;O underwriting meeting on Tuesday, January 10, 2017?</p> <p>15 A No.</p> <p>16 Q Involving Everett?</p> <p>17 A No.</p> <p>18 Q Or HCC?</p> <p>19 A No.</p> <p>20 Q Okay. And just drawing your attention to the second</p> <p>21 page of this agenda. Looking in the middle of this "questions,</p> <p>22 discussions, topics agenda," do you see in the middle of the</p> <p>23 page there is a subtopic "financial?"</p> <p>24 A I do.</p> <p>25 Q Is this a reference to the conversation we were having</p>	<p>1 MS. FAHERTY: Can we do 3166?</p> <p>2 I'm going to ask Tommy to pull Exhibit 3166.</p> <p>3 Tommy, my mistake. You don't have it.</p> <p>4 Your Honor, I've marked for identification</p> <p>5 plaintiff's PX 3166. I've handed it up to the witness.</p> <p>6 Q Mr. Cohen, I'll give you a moment to review that</p> <p>7 document and let me know when you're ready.</p> <p>8 MR. KISE: Your Honor, just briefly, what was the</p> <p>9 last exhibit number? Was that in evidence, the one right</p> <p>10 before this? What was the last exhibit? I'm sorry.</p> <p>11 MS. FAHERTY: 588.</p> <p>12 MR. KISE: 588, okay. Thank you.</p> <p>13 MS. FAHERTY: And that was already in.</p> <p>14 MR. KISE: It was already in, right.</p> <p>15 MS. FAHERTY: Your Honor, I move to admit</p> <p>16 Plaintiff's Exhibit 588.</p> <p>17 THE COURT: Was it already in or wasn't it?</p> <p>18 MS. FAHERTY: Apparently it wasn't already in. I</p> <p>19 misunderstood.</p> <p>20 THE COURT: It's now admitted into evidence.</p> <p>21 MS. FAHERTY: Thank you, Your Honor. I appreciate</p> <p>22 it.</p> <p>23 MR. KISE: Thank you.</p> <p>24 (Whereupon, the item previously referred to is</p> <p>25 received and marked Plaintiff's Exhibit Number 588 in</p>

<p>1 a short while ago that underwriters would add as part of the</p> <p>2 agenda wanting to see financials in connection with quoting</p> <p>3 premiums for the Trump insurance program?</p> <p>4 A Yes.</p> <p>5 Q Okay.</p> <p>6 MS. FAHERTY: We can put that to the side.</p> <p>7 Thank you.</p> <p>8 Q And was Mr. Trump ever involved in these group of four</p> <p>9 insurance meetings?</p> <p>10 A Yes.</p> <p>11 Q Describe that for me.</p> <p>12 A In two different ways: First way, would be on rare</p> <p>13 occasion we would go to his office to discuss an insurance</p> <p>14 issue, but for the most part about three quarters of the way</p> <p>15 through the meeting Mr. Trump would then come in and there would</p> <p>16 be a conversation about his extensive net worth, he's actually</p> <p>17 richer than the insurance companies, "maybe we should go self</p> <p>18 insured. We got to get a good premium."</p> <p>19 Q And would Mr. Trump ever appear at these meetings</p> <p>20 talking about his net worth to the underwriters themselves?</p> <p>21 A Yes. That's what I was referring to three quarters</p> <p>22 through the meeting he would generally show up.</p> <p>23 Q And would you coordinate these gang-of-four meetings</p> <p>24 such that Mr. Trump could arrange to arrive like that?</p> <p>25 A It was coordinated that he would arrive like that.</p>	<p>1 evidence.)</p> <p>2 THE COURT: The witness just going to take a little</p> <p>3 motion break I'll call it. Says it will be a minute.</p> <p>4 THE COURT OFFICER: Witness returning. Come to</p> <p>5 order.</p> <p>6 THE WITNESS: Thank you, Your Honor.</p> <p>7 THE COURT: You're welcome. Let's continue.</p> <p>8 MS. FAHERTY: Thank you.</p> <p>9 THE WITNESS: Apologies.</p> <p>10 Q It's okay.</p> <p>11 Did you have a moment to review the document in front</p> <p>12 of you, Mr. Cohen?</p> <p>13 A I did.</p> <p>14 Q And looking at the top of this e-mail, it is from</p> <p>15 SariRudman@AON.com.</p> <p>16 Do you have any understanding as to who Sari Rudman is?</p> <p>17 A Yes.</p> <p>18 Q Who is that?</p> <p>19 A She also worked for Pam Newman at AON.</p> <p>20 Q And this is an e-mail sent on March 19, 2013. Again,</p> <p>21 it's sent to the group of four, yes?</p> <p>22 A Correct.</p> <p>23 Q And there is a copy here to an individual named Rhona</p> <p>24 Graff. Do you recognize that name?</p> <p>25 A I do.</p>

M. Cohen - Plaintiff - direct (Faherty)	Page 2248	M. Cohen - Plaintiff - direct (Faherty)	Page 2250
<p>1 Q Who is Rhona Graff?</p> <p>2 A Mr. Trump's executive assistant.</p> <p>3 Q Okay. How about the e-mail address</p> <p>4 HLOrenzo@Trumporg.com?</p> <p>5 A That would be Holly Lorenzo.</p> <p>6 Q Do you have any understanding as to who Ms. Lorenzo is?</p> <p>7 A Yes.</p> <p>8 Q Who is that?</p> <p>9 A That's one of Mr. Trump's assistants. She was the</p> <p>10 assistant for the executive assistant.</p> <p>11 Q She was an assistant for Ms. Graff?</p> <p>12 A Yes.</p> <p>13 Q Thank you for the clarification.</p> <p>14 And Ms. Newman? We spoke about her, yes?</p> <p>15 A Correct.</p> <p>16 Q Okay. And the subject of this e-mail is a forward</p> <p>17 "Property casualty marketing meetings re: 2013 renewal-Tuesday,</p> <p>18 April 9, 2013 at 3:00 p m.-at The Trump Organization," yes?</p> <p>19 A That's what it says, yes.</p> <p>20 Q And in the body of this message, it says:</p> <p>21 "Dear, gentlemen. Please note in your calendar Rhona</p> <p>22 has kindly secured Mr. Trump's availability for Tuesday,</p> <p>23 April 9, 2013 at 3:00 p m. at the Trump Organization, 25th</p> <p>24 floor. We will provide a list of all attendees in an agenda and</p> <p>25 meeting purpose. Best, Pamela." Do you see that there?</p>		<p>1 evidence.</p> <p>2 THE COURT: Granted. It's in evidence.</p> <p>3 (Whereupon, the item previously referred to is</p> <p>4 received and marked Plaintiff's Exhibit Number 3166 in</p> <p>5 evidence.)</p> <p>6 MR. FAHERTY: Thank you, Your Honor.</p> <p>14 THE COURT: Sure.</p> <p>15 Q Mr. Cohen, I want to turn your attention to the Buffalo</p> <p>16 Bills. You made mention of it earlier, okay?</p> <p>17 A Correct.</p> <p>18 Q All right. Do you recall who was involved in that</p> <p>19 process with you from the Trump Organization?</p> <p>20 A Mr. Trump, Allen Weisselberg and myself.</p> <p>21 Q Anyone else? How about Jason Greenblatt?</p> <p>22 A Yes, Jason Greenblatt.</p> <p>23 Q What about Ivanka Trump?</p> <p>24 A Not that I recall.</p> <p>25 Q Okay. Did you work with Deutsche Bank on the process?</p>	
M. Cohen - Plaintiff - direct (Faherty)	Page 2249	M. Cohen - Plaintiff - direct (Faherty)	Page 2251
<p>1 A I do.</p> <p>2 Q Is this the matter in which you will confirm</p> <p>3 Mr. Trump's attendance at these insurance group of four</p> <p>4 meetings?</p> <p>5 A No.</p> <p>6 Q Tell me what this.</p> <p>7 A This was obviously Pam Newman's acknowledgement</p> <p>8 Mr. Trump was going to appear, but we didn't need even this</p> <p>9 letter to have already discussed that he would make the</p> <p>10 appearance three quarters of the way through the meeting.</p> <p>11 Q But this is an example that Mr. Trump did in fact have</p> <p>12 it scheduled to appear for a Trump underwriting meeting, yes?</p> <p>13 A Yes.</p> <p>14 MR. KISE: Objection. Leading.</p> <p>15 THE COURT: Sustained.</p> <p>16 Q No reason to dispute that this is the -- this e-mail</p> <p>17 identifies Mr. Trump's attendance of the Trump Organization</p> <p>18 meeting?</p> <p>19 MS. HABBA: That was leading. Objection.</p> <p>20 THE COURT: Could you read that back?</p> <p>21 (Whereupon, the requested portion of the</p> <p>22 proceedings was read back by the court reporter.)</p> <p>23 THE COURT: Overruled.</p> <p>24 MS. FAHERTY: You can put that down.</p> <p>25 And Your Honor, I actually move to admit this into</p>		<p>1 MR. KISE: Objection. What process?</p> <p>2 Q We turned our attention to the Buffalo Bills.</p> <p>3 So what, if anything, do you recall about Deutsche</p> <p>4 Bank's involvement in the attempt to purchase the Buffalo Bills?</p> <p>5 A We had had a meeting in Mr. Trump's office with members</p> <p>6 of Deutsche Bank's team for the purpose of securing a loan that</p> <p>7 would be predicated off of his assets so that we could acquire</p> <p>8 the -- or at least put in a bid to acquire the Buffalo Bills.</p> <p>9 There is an interesting NFL scenario where you cannot</p> <p>10 have more than ten percent of an NFL team financed --</p> <p>11 MR. KISE: Objection. Move to strike the last</p> <p>12 portion of that answer, Your Honor, unless Mr. Cohen is now</p> <p>13 an expert on NFL acquisitions.</p> <p>14 I mean, I represented, George Steinbrenner in 1995</p> <p>15 in connection with the Tampa Bay Buccaneers purchase, but</p> <p>16 I'm not an expert on that. I'm not sure if Mr. Cohen is an</p> <p>17 expert on NFL acquisitions, but the last port portion of his</p> <p>18 nonresponsive.</p> <p>19 THE COURT: If it was nonresponsive that would be</p> <p>20 my objection.</p> <p>21 Sustained on the ground of nonresponsive, the last</p> <p>22 part of it, the ten percent rule.</p> <p>23 MS. FAHERTY: Understood.</p> <p>24 Q Let's look at some documents. Maybe that will help the</p> <p>25 conversation.</p>	

<p>M. Cohen - Plaintiff - direct (Faherty) Page 2252</p> <p>1 A Sure.</p> <p>2 MS. FAHERTY: Your Honor, I've marked as</p> <p>3 plaintiff's next exhibit PX 3159.</p> <p>4 Q Drawing your attention, Mr. Cohen, to the document on</p> <p>5 your screen. Do you see that this is a message from</p> <p>6 ITrump@Trumporg.com. Who do you understand that e-mail address</p> <p>7 to be?</p> <p>8 A That's Ivanka Trump's e-mail address.</p> <p>9 Q And this e-mail is dated July 27, 2013 at 3:30 p m.,</p> <p>10 yes?</p> <p>11 A Correct.</p> <p>12 Q It's addressed to Jason Greenblatt?</p> <p>13 A It is.</p> <p>14 Q Allen Weisselberg?</p> <p>15 A Yes.</p> <p>16 Q And you?</p> <p>17 A Yes.</p> <p>18 Q This appears to be a forward with an attachment and the</p> <p>19 attachment is titled, "DB to Morgan Stanley letter, (clean</p> <p>20 version 2) 72514 [1].docx." Do you see that there?</p> <p>21 A I do.</p> <p>22 Q And the underlying message is a forward from Ivanka</p> <p>23 Trump to Rosemary Vrablic dated July 26, 2014. Do you see that</p> <p>24 there?</p> <p>25 A I do.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2254</p> <p>1 Q And in drawing your attention to the following page of</p> <p>2 this document, the very top says, "Draft (DB letterhead)."</p> <p>3 Do you see that there?</p> <p>4 A I do.</p> <p>5 Q Dated "July blank, 2014," yes?</p> <p>6 A Correct.</p> <p>7 Q And it appears that there is an addressee, Morgan</p> <p>8 Stanley. Do you have any understanding as to why Morgan Stanley</p> <p>9 is listed there?</p> <p>10 A Morgan Stanley was handling the sale.</p> <p>11 Q Of the Buffalo Bills?</p> <p>12 A Of the Buffalo Bills.</p> <p>13 Q Okay. And the address is blank, the attention is</p> <p>14 blank, yes?</p> <p>15 A Correct.</p> <p>16 Q But it states "re: Mr. Donald Trump," yes?</p> <p>17 A Correct.</p> <p>18 Q And there is some language in the center here.</p> <p>19 MS. FAHERTY: We can zoom out a little bit so we</p> <p>20 can put the full letter up.</p> <p>21 Q Okay. And there is a second page to this letter. Do</p> <p>22 you see in the capital -- all caps at the top of the second page</p> <p>23 it states, "Can you not replace the whole following paragraph</p> <p>24 with the below statement. It says the same thing without this</p> <p>25 overkill belt" and it states "suspenders" [sic]. I think that's</p>
<p>M. Cohen - Plaintiff - direct (Faherty) Page 2253</p> <p>1 Q Do you have any understanding as to whom Rosemary</p> <p>2 Vrablic is?</p> <p>3 A She is an employee at Deutsche Bank.</p> <p>4 Q And what, if any, title did Ms. Vrablic have at</p> <p>5 Deutsche Bank as it concerned the Trump Organization?</p> <p>6 A She was -- well, she is an executive at Deutsche Bank,</p> <p>7 but she has a long history with Mr. Trump.</p> <p>8 Q Was she a relationship partner at Deutsche Bank to your</p> <p>9 understanding?</p> <p>10 A Yes.</p> <p>11 Q Okay. And in Ms. Trump's message that she forwarded to</p> <p>12 you and others, it states: "Hi, Rosemary. Thank you for</p> <p>13 providing this draft confidence letter."</p> <p>14 What is your understanding of a draft confidence</p> <p>15 letter?</p> <p>16 A It was needed in order to get the process started.</p> <p>17 Q And what process are you referring to?</p> <p>18 A The process of putting in a bid to obtain the Buffalo</p> <p>19 Bills.</p> <p>20 THE COURT: Five-minute warning.</p> <p>21 MS. FAHERTY: Yes, Your Honor.</p> <p>22 Q And the message continues: "I have inserted a couple</p> <p>23 of comments and suggestions. Please see what you can do. I</p> <p>24 will call you in the a m. to discuss." Do you see that there?</p> <p>25 A I do.</p>	<p>M. Cohen - Plaintiff - direct (Faherty) Page 2255</p> <p>1 supposed to be "suspenders" --</p> <p>2 THE COURT: I'm sure it is.</p> <p>3 Q Language. Do you see that there?</p> <p>4 A I do.</p> <p>5 Q Do you recall including language like this as an edit</p> <p>6 to a Deutsche Bank financial wherewithal letter?</p> <p>7 A No.</p> <p>8 MR. KISE: Objection.</p> <p>9 Q Any reason to dispute that you received this forward</p> <p>10 from Ivanka Trump that included her edits to a letter to</p> <p>11 Deutsche Bank?</p> <p>12 A Well, her requested edits to the letter and yes, it</p> <p>13 came to my e-mail address.</p> <p>14 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>15 evidence.</p> <p>16 THE COURT: Granted. It's in.</p> <p>17 (Whereupon, the item previously referred to is</p> <p>18 received and marked Plaintiff's Exhibit Number 3159 in</p> <p>19 evidence.)</p> <p>20 MR. KISE: Your Honor, not only is it statute of</p> <p>21 limitations. I'm just wondering -- I object on relevance</p> <p>22 grounds. What does this have to do with anyone in the case?</p> <p>23 Ms. Trump is no longer a party to the case and this</p> <p>24 transaction as far as I know it doesn't form the basis for</p> <p>25 any cause of action that's in the complaint at all, so I'm</p>

M. Cohen - Plaintiff - direct (Faherty) Page 2256	Page 2258
<p>1 not sure why we're talking about the Buffalo Bills other 2 than it does generate some press interest. I'm sure this is 3 the Buffalo Bills. 4 THE COURT: You know, I think Mr. Cohen referred to 5 Buffalo Bills many times and I'm thinking that's the 6 football team, right? Without saying the football team. 7 What's the relevance? 8 MS. FAHERTY: Your Honor, they're writing to 9 Deutsche Bank to get financing, they're providing comfort to 10 the bank to get financing, they're making financial 11 representations connection with the purchase of the Buffalo 12 Bills. It is an aspect of our complaint and the Attorney 13 General intends to prove the allegations within our 14 complaint. So this is square within the case that we have 15 brought. It is a continued pattern of fraud. 16 MR. KISE: There is no transaction at all 17 associated with it. Nothing ever happened and it's not -- 18 it doesn't form the basis for any of the counts. 19 The counts are connected to loan transactions that 20 were actually consummated loan transactions and insurance 21 transactions and insurance policies. This is just simply a 22 free-for-all on anything that everyone went out at anytime 23 and place and where -- and Ms. Trump who sent this e-mail is 24 no longer a party to the case. So not only is it outside 25 the statute of limitations, but it just simply has nothing</p>	<p>1 Transcript continues on the following page.... 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>

<p>1 to do with the claims asserted in the complaint. 2 I realize there is 200-something pages and 3 800-something paragraphs and one of those paragraphs makes 4 some drive by mention of the Buffalo Bills. I do realize 5 that, but that doesn't make it relevant in this trial 6 proceeding now that the issues have been narrowed and the 7 case has been joined. 8 THE COURT: I think we can all agree that Mr. Trump 9 never owned the Buffalo Bills; right? 10 MS. FAHERTY: We can agree that that did not come 11 to fruition, Your Honor, yes. 12 THE COURT: Nevertheless, I will admit it as 13 possible evidence of pattern and practice of the 14 organization back at that time generally speaking and the 15 witness himself was on this. If it's not relevant, it's not 16 relevant, but I think it is anyway, so. 17 MS. FAHERTY: Your Honor, it might be a good moment 18 for a break. 19 THE COURT: Did we get an answer to the last 20 question? 21 MS. FAHERTY: I thought we did. 22 MR. SOLOMON: Yes. 23 THE COURT: All right. Ten-minute break. We'll 24 see you in 15 minutes. 25 (Whereupon, there is a recess in the proceedings.)</p>	<p>1 THE OFFICER: Come to order. Part 37 is back in 2 session. Please be seated and come to order. 3 THE COURT OFFICER: Witness entering. 4 (Witness resumes the stand.) 5 THE COURT: Okay. Please proceed. 6 MS FAHERTY: Thank you, Your Honor. I'd like to 7 hand up to the witness a document that I've marked for 8 identification as PX-3276. 9 Q Mr. Cohen, I ask you to take a minute and look at the 10 document in front of you and then I'll ask you a question. 11 (Witness reviewing document.) 12 Q Mr. Cohen, this document is an e-mail from Jason 13 Greenblatt to you, Ivanka Trump and Allen Weisselberg, yes? 14 A Correct. 15 Q Dated July 29, 2014? 16 A Correct. 17 Q With the subject "executed Buffalo Bills bid-related 18 documents," yes? 19 A Yes. 20 Q And then there appear to be a series of attachments in 21 included with this document? 22 A Correct. 23 Q And Mr. Greenblatt's message says, "All, FYI, attached 24 are copies of the documents executed today in connection with 25 the bid made by DJT." Do you have any understanding as to who</p>

Go to page 17 of 22.</p> <p>15 And this is a letter from Rosemary Vrablic, managing</p> <p>16 director at Deutsche Bank. That was the relationship partner we</p> <p>17 spoke about before, yes?</p> <p>18 A Correct.</p> <p>19 Q Dated July 29, 2014?</p> <p>20 A Yes.</p> <p>21 Q Also addressed to Mr. Cornwell at Morgan Stanley?</p> <p>22 A Yes.</p> <p>23 Q Drawing your attention to the first paragraph, do you</p> <p>24 recall that Deutsche Bank submitted a letter stating that they</p> <p>25 have been asked by Mr. Donald J. Trump to provide this letter in</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. He</p> <p>14 worked in the accounting department at the Trump Organization?</p> <p>15 A Yes, the controller.</p> <p>16 Q The controller?</p> <p>17 A Yes.</p> <p>18 Q And if you see in that very first paragraph, it states,</p> <p>19 "I, Jeffrey McConney, controller;" is that right?</p> <p>20 A That's correct.</p> <p>21 Q And there are certain numbers included in here that</p> <p>22 "DT's current liquidity is approximately 310 million." Do you</p> <p>23 have an understanding as to who DT is?</p> <p>24 A Donald Trump.</p> <p>25 Q And then it states in paragraph B, "There has been no</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2265</p> <p>1 connection with his bid for the acquisition of the Buffalo Bills</p> <p>2 of the National Football League (the transaction)?</p> <p>3 A Yes.</p> <p>4 Q And drawing your attention to the third paragraph, the</p> <p>5 letter reads, "Our understanding is that Mr. Donald J. Trump has</p> <p>6 made, or intends to make a bid for the Buffalo Bills in the</p> <p>7 amount of \$1 billion in the aggregate. Based on our preliminary</p> <p>8 review of the current financial information of Mr. Donald J.</p> <p>9 Trump made available to us, including liquidity and asset value,</p> <p>10 it is our assessment that Mr. Donald J. Trump would have the</p> <p>11 financial wherewithal to fund his bid." Do you see that there?</p> <p>12 A I see that.</p> <p>13 Q What, if anything, do you understand Deutsche Bank to</p> <p>14 have reviewed to make this statement, "Based" on our preliminary</p> <p>15 review of current financial information of Mr. Donald J. Trump</p> <p>16 made available to us"?</p> <p>17 A The Statement of Financial Condition.</p> <p>18 Q And if we turn the page, you'll see that this document</p> <p>19 is signed. Does that appear to be the signature of Rosemary</p> <p>20 Vrablic of Deutsche Bank?</p> <p>21 A I don't know her signature, but yes, it says Rosemary</p> <p>22 T. Vrablic.</p> <p>23 Q No reason to doubt that that's her signature, right?</p> <p>24 A No.</p> <p>25 Q There is a copy here. Is that for Mr. Donald J. Trump?</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY: Your Honor, I move to admit this</p> <p>11 document and the exhibits into evidence.</p> <p>12 MR. KISE: Your Honor, I'm not sure where to begin,</p> <p>13 but I'll start with statute of limitations.</p> <p>14 THE COURT: Overruled.</p> <p>15 MR. KISE: I know where you are going on that, but</p> <p>16 again, I'm not sure of the relevance of any of these</p> <p>17 documents to the proceeding. I mean, is it the government's</p> <p>18 intention to establish that President Trump did not have the</p> <p>19 financial capability to consummate the transaction? Unless</p> <p>20 they are going to connect this up somehow with some actual</p> <p>21 alleged fraudulent activity, there's no -- there's no</p> <p>22 transaction that was ever consummated.</p> <p>23 And in order to demonstrate that there's anything</p> <p>24 false or fraudulent here about this, we have to go into an</p> <p>25 entire, which we can, I guess if we are going to be here</p>

M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2268	M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2270
<p>1 until next March, an entire analysis whether he had the 2 financial capability to consummate the transaction. The 3 documents are all hearsay, so I'm wondering what purpose 4 they're being offered for. What are we proving? What 5 relevance, what fact at issue that is material to the issues 6 before the Court is being established by this because on its 7 face, there's nothing to indicate that President Trump 8 didn't have the financial ability to consummate the 9 transaction and Deutsche Bank says itself based on their own 10 assessment, they say that he did.</p> <p>11 So are we going to go down this path? This is the 12 danger of these hypothetical transactions that never took 13 place and they need to be more connected to some actual 14 cause of action.</p> <p>15 THE COURT: Jeffrey McConney, who I believe the 16 witness has testified, signed the letter, submitted the 17 certification. He is a defendant, right?</p> <p>18 MR. KISE: He is.</p> <p>19 THE COURT: And whether everything in this document 20 is accurate or not, I think is a factual issue.</p> <p>21 MR. KISE: Well, but if it is a factual issue, then 22 we have to go through whole society of facts and whether he 23 had the financial ability to consummate the transaction. It 24 doesn't just come in because it is a statement and then the 25 government gets to assume that there is some falsity here.</p>	<p>1 to that point. I mean, you can't just say that. Are we 2 going to debate whether his current liquidity was 310 3 million in 2014? I think it has already been established. 4 If this one piece they're focusing on right now, that's up 5 on the screen, but it is all part of one exhibit that 6 relates to no transaction that was ever consummated. 7 There's no connectivity to anything that's at issue.</p> <p>8 It doesn't go to the element without establishing 9 that he did not, in fact, have the financial capability to 10 consummate the transaction which I would disagree with Ms. 11 Faherty. That has not been established. We don't know 12 that. I mean, there is certainly no evidence that would 13 indicate that he did or did not. I mean, with the evidence 14 that is before the Court as to this transaction, it 15 certainly seems sufficient that he had the financial 16 wherewithal to buy more than one NFL team. I mean, at the 17 time. That's what I'm saying.</p> <p>18 Are we going to go down this path of debating 19 whether or not there is a truth or falsity here on an issue 20 that doesn't relate to the actual claims and causes of 21 action that are being presented? This is tangential and 22 remote and unless -- Ms. Faherty just admitted she does not 23 plan to connect this up. She's simply saying that the fraud 24 has already been established, that it is already 25 established, that this document is evidence itself of fraud</p>
M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2269	M. COHEN - PLAINTIFF - DIRECT(MS. FAHERTY) Page 2271
<p>1 They are going to have to establish all of that which is why 2 it needs to be connected to some actual cause of action.</p> <p>3 THE COURT: Do you plan to establish all that?</p> <p>4 MS. FAHERTY: We do, Your Honor. I think that the 5 evidence has come in that it has established a significant 6 number of the facts relevant to the evidence we're putting 7 forward. I am concerned that there is an unnecessary 8 objection here. He's given testimony about this 9 transaction. We're seeing information about financials that 10 are being proffered in order to receive the benefit.</p> <p>11 This is our case. Because the fraud was not fully 12 perpetrated does not mean it is not relevant to the 13 allegations brought by the Attorney General. This is a 14 pattern and practice. There are co-defendants here. There 15 is a plethora of reasons why this evidence comes in, Your 16 Honor, respectfully.</p> <p>17 MR. KISE: Your Honor, the entirety of Ms. 18 Faherty's presentation presumes the ultimate question. I'm 19 back to my point that they're presuming that there is some 20 fraudulent activity here without actually establishing that 21 he did not have the financial capability to consummate the 22 transaction.</p> <p>23 THE COURT: But that isn't the only statement 24 inherent in this document.</p> <p>25 MR. KISE: But it is because they're all connected</p>	<p>1 and I don't see how, how this exhibit is evidence of fraud. 2 He had the financial capability to consummate the 3 transaction and, again, perhaps more than one, maybe two or 4 three. You can't own more than one NFL team as far as I 5 know.</p> <p>6 THE COURT: Are you testifying as an expert to the 7 NFL?</p> <p>8 MR. KISE: I am more of an expert on --</p> <p>9 THE WITNESS: You can't own more than one.</p> <p>10 THE COURT: As part of this document, I only have 11 the one sheet in front of me now. Wasn't there a statement, 12 a claim that the defendant's net worth was \$8 billion?</p> <p>13 MR. KISE: Yes. Has that been disproved?</p> <p>14 THE COURT: Well, we don't have to disprove it. We 15 are in the middle of a trial at this point.</p> <p>16 Do you agree that his net worth was \$8 billion at 17 that time?</p> <p>18 MS. FAHERTY: No.</p> <p>19 THE COURT: Are you going to try to prove that it 20 wasn't or do you feel you've already proved it wasn't?</p> <p>21 MS. FAHERTY: For one, Your Honor, the inherent 22 falsity of a Statement of Financial Condition has already 23 been decided by this Court on summary judgment. Those have 24 been determined to be false. I don't think I need to prove 25 up or prove down. Although, there is evidence as to the</p>

<p>1 inherent falsities and values contained in that Statement of</p> <p>2 Financial Condition that we have put in evidence in this</p> <p>3 trial and will continue to do so. So yes, we are continuing</p> <p>4 to prove our case, Your Honor, and connect all of those</p> <p>5 dots.</p> <p>6 MR. KISE: But this document is not the Statement</p> <p>7 of Financial Condition, this document, and I would disagree</p> <p>8 strongly with Ms. Faherty. I mean, if we are in a place now</p> <p>9 where the statements are irretrievably proven false, then</p> <p>10 without a jury, without a trial and now we are going to be</p> <p>11 here and we're not -- why are we even putting on a defense</p> <p>12 then if that's already been established? We might as well</p> <p>13 close it up now. It doesn't make any sense what Ms. Faherty</p> <p>14 is saying.</p> <p>15 They have to establish the elements of their claims</p> <p>16 and they can't simply rely on the fact that well, it's</p> <p>17 established that it is false and, thereby, that establishes</p> <p>18 the remainder of their claims. And here, we are not even</p> <p>19 talking about an actual claim. We're talking about a</p> <p>20 theoretical claim. It doesn't form the basis for any of the</p> <p>21 counts that are at issue in the trial. And unless we're</p> <p>22 going to go down the path, unless the government intends to</p> <p>23 go down the path of proving up that President Trump, which I</p> <p>24 don't think they can do that, that President Trump did not</p> <p>25 have the financial capability to consummate this</p>		<p>1 things again. The objection is overruled for the reasons I</p> <p>2 already stated and the reasons that Ms. Faherty stated.</p> <p>3 It's duly noted that you strongly object. Let's move on.</p> <p>4 MS. FAHERTY: One more document, Your Honor.</p> <p>5 Q Mr. Cohen, do you recall in connection with the attempt</p> <p>6 to purchase the Buffalo Bills that you attended a meeting in</p> <p>7 Detroit called a management presentation?</p> <p>8 A Yes.</p> <p>9 Q Do you recall who was at that meeting in Detroit?</p> <p>10 A Myself, Mr. Trump, Jason Greenblatt, Allen Weisselberg,</p> <p>11 and I don't recall if Ivanka was there.</p> <p>12 MS. FAHERTY: Your Honor, I handed up to the</p> <p>13 witness a document we've marked for identification as</p> <p>14 PX-981.</p> <p>15 Q Take a quick look at that document, if you will, Mr.</p> <p>16 Cohen, and then I'll ask you a quick question.</p> <p>17 (Witness reviewing document.)</p> <p>18 A Yes.</p> <p>19 Q Just drawing your attention to the third page, there is</p> <p>20 an e-mail sent by you to Alex Hill dated July 29, 2014 at</p> <p>21 3:36 p m. Do you see that message there?</p> <p>22 A I do.</p> <p>23 Q And do you recall who Alex Hill (IBD) is?</p> <p>24 A I don't recall him specifically.</p> <p>25 Q If I said the Morgan Stanley investment banking</p>

<p>1 transaction, this document has no relevance at all.</p> <p>2 THE COURT: Couple of things. It is a non-jury</p> <p>3 trial, of course. I tend to be somewhat liberal in what I</p> <p>4 let in. I believe that I am evenhanded about what I'm</p> <p>5 letting in and what I'm not letting in. I think it's</p> <p>6 arguably false, particularly, again, the \$8 billion. I</p> <p>7 don't -- arguably, I don't know whether Mr. Trump did or</p> <p>8 didn't have the --</p> <p>9 MR. KISE: But that's precisely the point, Your</p> <p>10 Honor.</p> <p>11 THE COURT: Wait. Wait, please. Well, yeah,</p> <p>12 that's why we're having a trial. I think this</p> <p>13 tends -- again, arguably tends to show a pattern and</p> <p>14 practice of broad, to use a loaded term, so the objection is</p> <p>15 overruled. Let's just move on.</p> <p>16 MR. KISE: Again, I'm starting to feel like Paul</p> <p>17 Newman at this point. Every objection is overruled. I</p> <p>18 mean, this evidence should not come in respectfully. It</p> <p>19 really shouldn't. There's no indication as to where that</p> <p>20 even 8 billion -- 8 billion includes brand value. There's</p> <p>21 so many issues here that again, we're going down this path</p> <p>22 of litigating something that isn't even relevant to the</p> <p>23 claims and causes of action before the Court.</p> <p>24 THE COURT: One other thing. Maybe the only banned</p> <p>25 word in my courtroom is "again." You don't have to say</p>		<p>1 division, would that refresh your recollection as to what IBD</p> <p>2 stood for?</p> <p>3 A Yes. Again, I don't know him.</p> <p>4 Q Do you have any understanding that Mr. Hill was an</p> <p>5 employee at Morgan Stanley?</p> <p>6 A Yes.</p> <p>7 Q So fair to say that this e-mail is a reflection that</p> <p>8 you dropped off the bid packet for the Buffalo Bills, yes?</p> <p>9 A Correct.</p> <p>10 Q And then drawing your attention through the e-mail all</p> <p>11 the way to the top, this is just a continued e-mail thread,</p> <p>12 right?</p> <p>13 A Correct.</p> <p>14 Q You remain on the e-mail chain in this thread, right?</p> <p>15 A Correct.</p> <p>16 Q And on August 4th, the second message on that first</p> <p>17 page, there's an e-mail from Alex Hill to you and Jason</p> <p>18 Greenblatt with a copy to K. Don Cornwell, right?</p> <p>19 A Correct.</p> <p>20 Q And Mr. Hill says wanted to confirm if the 6th worked</p> <p>21 for the management presentation. Do you see that there?</p> <p>22 A I do.</p> <p>23 Q And then following up on the 6th, Mr. Hill writes to</p> <p>24 you again saying, "Michael, Jason, looking forward to meeting</p> <p>25 you all today. One near term NFL item we would like you to all</p>	

<p>M. COHEN - PLAINTIFF - DIRECT(MS. HABBA) Page 2276</p> <p>1 fill out and have Mr. Trump sign is the attached authorization 2 and consent to release records. If you all could get that back 3 to us home, that would be greatly appreciated. Also, we would 4 like to offer you all the opportunity to tour the 5 newly-modernized Ralph Wilson Stadium the week of the 18th. 6 Please let us know if there is a day that works that week for a 7 trip to Buffalo. Looking forward to meeting you." 8 Does this message reflect that a meeting occurred in 9 Detroit on August 6th in connection with the Buffalo Bills bid 10 package? 11 A Yes. 12 MS. FAHERTY: Your Honor, I have no further 13 questions on this document and this witness. I would like 14 to move that document into evidence, please. 15 MR. KISE: Same objections, Your Honor. Statute of 16 limitations and relevance. 17 THE COURT: Same ruling. Granted. It is in. 18 (Whereupon, the Document was marked in evidence as 19 Plaintiff's Exhibit 981.) 20 MS. FAHERTY: I rest, Your Honor. Thank you. 21 THE COURT: Well, will there be any 22 cross-examination? 23 CROSS-EXAMINATION BY 24 MS. HABBA: 25 Q Hello, Mr. Cohen.</p>	<p>M. COHEN - PLAINTIFF - DIRECT(MS. HABBA) Page 2278</p> <p>1 moment that would cause you a reason to not be able to sit 2 through the testimony under oath in this court today? 3 A Asked and answered. 4 Q I forgot that you like to do this. You did this with 5 me in the depositions. Okay. 6 MR. KISE: The judge doesn't like that objection. 7 Q That's not good. So here is how this is going to go. 8 They get to object. They get to object. We all get to do our 9 thing. You get to answer my questions. The more we do that, 10 this will go better. We are not in a deposition. That's the 11 judge. Ready? Mr. Cohen -- 12 THE COURT: Even if you were asked before by a 13 different party particularly, just answer it. It will be 14 quicker. 15 Q Answer the questions and we will be here until January. 16 Okay. 17 Mr. Cohen, are you on any medication that would affect 18 your ability to testify honestly to me today? 19 A No. 20 Q No. Okay. Do you have any medication that would 21 change your method of thinking at this moment, so that you're 22 not clear in any sort of way? 23 A No. 24 Q So you are fully prepared to testify to me today? 25 A Yes.</p>
<p>M. COHEN - PLAINTIFF - DIRECT(MS. HABBA) Page 2277</p> <p>1 A Hello, Ms. Habba. 2 Q How are you? 3 A Well. Thank you. 4 Q We've met a few times, haven't we? 5 A We have. 6 Q Do you want me to call you Mr. Cohen today or Michael? 7 I know before, we've changed that up. What are you comfortable 8 with? 9 A I think Mr. Cohen for the day since we are here in 10 court. 11 Q I'll be Ms. Habba for the day. So I'm going to ask you 12 a series of questions today. Before I do, first of all, when I 13 do ask you my series of questions and I pace, I move when I am 14 on my feet, so I apologize. I am going to ask you questions 15 that are going to be yes-or-no questions and I'm going to try to 16 keep it that way other than when I ask you to read something, so 17 that we can move this along and make sure we get through 18 everything that's per the judge's instructions, but I will try 19 to make the questions super clear, so we have no issues. 20 Before we start, I want to discuss your health. I'm 21 not going to get into anything that's uncomfortable. I don't 22 really do that, but I need to make sure that you are able to 23 testify completely, clearly and understand what you're doing 24 today. 25 Do you have any health issues particularly at this</p>	<p>Page 2279</p> <p>1 Q Under oath? 2 A Yes. 3 Q And you understand what "under oath" means? Is that 4 right, Mr. Cohen? 5 A Yes. 6 (Continued on the next page.) 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>

<p>M. Cohen - Plaintiff - cross (Habba) Page 2280</p> <p>1 Q Good. And you've been deposed, even by me, many times 2 before, haven't you, Mr. Cohen? 3 A I have. 4 Q And you've been in courts many times before, haven't 5 you, Mr. Cohen? 6 A I have. 7 Q Good. Let's go through that. 8 So previously you pled guilty to a number of felonies. 9 Isn't that correct? 10 A Yes. 11 Q And today, alone, you testified that you pled guilty to 12 five counts of evasion and assessment of income tax liability 13 for 2012 to 2016 -- 14 MS. HABBA: I'm sorry is that not making a weird 15 sound? Can you guys hear it? 16 Q In violation of 26 USC Section 7201; is that correct? 17 A Correct. 18 Q And you pled guilty to making false statements to a 19 financial institution in connection with a credit decision in 20 violation of 18 USC Subsection 1014; is that correct? 21 A I take your word that the sections are correct. 22 Q No, no. I don't want you to take my word. 23 MS. HABBA: Let's pull up Exhibit D 951. 24 Q Mr. Cohen, this document is an allocution dated 25 August 21, 2018 for financial crimes. Do you see this?</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2282</p> <p>1 Q Yes, okay. 2 So that means it's a publicly filed court document; 3 right? 4 A Correct. 5 Q Okay. So do you see in line 19 here, I'm going to read 6 this to you, Mr. Cohen: 7 "How do you now plead to the charge in Count 1 of 8 evasion of personal income tax for the calendar year 2012." 9 And the judge asked you, "do you plead guilty or not 10 guilty?" Do you see that? 11 A I do. 12 Q And what was your answer, Mr. Cohen? 13 A "Guilty, Your Honor." 14 Q Correct. 15 And the Court said: 16 "And how do you plead to the charge in Count 2 of the 17 Information of evasion of personal income tax for the year 2013, 18 guilty or not guilty?" And what did you say? 19 A "Guilty, Your Honor." 20 Q Thank you. 21 So let's move on to the next one. This is all from the 22 same allocution that I'm showing you. 23 Did you plead guilty to causing an unlawful corporate 24 contribution in violation of 52 USC Subsection 30118 A and -- 25 THE COURT REPORTER: I'm sorry, Ms. Habba.</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2281</p> <p>1 A I do. 2 Q Do you see that it says "United States of America 3 versus Michael Cohen?" 4 A I do. 5 Q Do you see that it's case 1:18-CR-00602-JMF? 6 A I do. 7 Q It's filed on 9/14/18, that's 2018; is that correct? 8 A Correct. 9 Q Okay. Do you recognize this document by the Honorable 10 William H. Pauly, III? 11 A I do. 12 Q Okay. Do you recognize it as your allocution? 13 A Not from this appearance page, no. 14 Q Okay. Well, let's go through this. 15 So, if you go to -- 16 MS. HABBA: Peter, have him pull up the next page, 17 please. No, I'm going to go to -- one second. 18 Q Let me ask you this: You were a lawyer at one point; 19 right? 20 A I was. 21 Q Okay. And do you know what a docket number is? 22 A I do. 23 Q And does this have a docket number, this document that 24 I showed you, that I read it before? 25 A Yes.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2283</p> <p>1 MS. HABBA: Sure. 2 Q You pled guilty to causing an unlawful corporate 3 contribution in violation of 52 USC Subsection 30118 (A), that's 4 and 30109 (D)(1) (A) and 18 USC Section 2 (B); is that correct? 5 A I don't see where you're reading that from. 6 Q No problem. 7 A Can you provide me -- 8 Q I'm actually not reading it. I'm just asking, but we 9 can confirm it. 10 MS. HABBA: Can you please pull it up? 11 Q I'm going to read from what they pulled up from your 12 allocution, which we identified before. 13 "How do you plead to the charge in Count 3 of evasion 14 of personal income tax for the year 2014, guilty or not guilty?" 15 What did you respond, Mr. Cohen? 16 A "Guilty, Your Honor." 17 Q Thank you. 18 Next, you pled guilty to making an excessive campaign 19 contribution in violation -- and I'm going to read this slow 20 into the record -- of 52 USC Section 30118 (A) -- excuse me -- 21 I'll withdraw that. 22 52 USC 30116 (A) (1) (A), 30116 (A) (7) and 30109 (D) 23 (1) (A), as well as 18 USC Section 2 Subsection B. 24 You pled guilty to that; correct, Mr. Cohen? 25 A Again, I don't see what you're reading.</p>

<p>M. Cohen - Plaintiff - cross (Habba) Page 2284</p> <p>1 Q Sure.</p> <p>2 MS. HABBA: Let's make that bigger, please?</p> <p>3 Q "How do you plead to the charge in Count 5 of evasion</p> <p>4 of personal income tax for the calendar year 2016, guilty or not</p> <p>5 guilty, Mr. Cohen?" What did you respond?</p> <p>6 A "Guilty, Your Honor."</p> <p>7 Q Thank you.</p> <p>8 MS. FAHERTY: Can I just note I think there is some</p> <p>9 discrepancies, Ms. Habba.</p> <p>10 MS. HABBA: I was getting to that.</p> <p>11 Q So I think that what you're not understanding is the</p> <p>12 subsections, so let me just take --</p> <p>13 MS. HABBA: I'm take a representation --</p> <p>14 Q Would you trust my word that those are the subsections</p> <p>15 you pled guilty to in the allocution, now we're putting this</p> <p>16 allocution in for evidence or would you like me to go through</p> <p>17 the process?</p> <p>18 A No, I would take your word for it.</p> <p>19 Q Thank you, Mr. Cohen.</p> <p>20 MS. HABBA: And first, I'm going to submit Exhibit</p> <p>21 D 951, if it's already not submitted into evidence. Okay.</p> <p>22 MS. FAHERTY: No objection, Your Honor.</p> <p>23 THE COURT: It's in evidence.</p> <p>24 By the way, we'll go until 4:40 and I'll give you a</p> <p>25 five-minute warning.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2286</p> <p>1 And that you "repeatedly used your power and influence</p> <p>2 for deceptive ends." That was what it said, right, deceptive?</p> <p>3 A Again, yes.</p> <p>4 Q And deception is a form of lying, isn't it, Mr. Cohen?</p> <p>5 A I'll acknowledge that, yes.</p> <p>6 Q Okay. In fact, he also noted that your crimes were</p> <p>7 marked by a pattern of deception that permeated your</p> <p>8 professional life, did he not?</p> <p>9 A He said that, yes.</p> <p>10 Q Okay. And his quote was, I believe, "but the crimes</p> <p>11 committed by Cohen were more serious than his submission allows</p> <p>12 and were marked by a pattern of deception that permeated his</p> <p>13 professional life and was evidently hidden from the friends and</p> <p>14 family members who wrote on his behalf." Is that correct?</p> <p>15 A This is what he wrote.</p> <p>16 Q I know that's what he wrote.</p> <p>17 A Do I agree with the statement?</p> <p>18 Q No, do you recollect him saying it; yes or no?</p> <p>19 A I recollect that it's written here and you're reading</p> <p>20 it appropriately.</p> <p>21 Q Okay. Didn't he also note that you abused both your</p> <p>22 standing as an attorney and your relationship with my client,</p> <p>23 President Trump?</p> <p>24 MS. HABBA: Let's pull it up.</p> <p>25 Peter, pull it up, please.</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2285</p> <p>1 (Whereupon, the item previously referred to is</p> <p>2 received and marked Defendant's Exhibit Number D 951 in</p> <p>3 evidence.)</p> <p>4 MS. HABBA: Okay. Thank you.</p> <p>5 Q Okay. In connection with that proceeding that we just</p> <p>6 discussed in the Southern District of New York there is a</p> <p>7 sentencing memorandum submitted. Do you recall that?</p> <p>8 A My sentencing memorandum or the government's sentencing</p> <p>9 memorandum?</p> <p>10 Q It was at the U.S. Attorney for the Southern District</p> <p>11 of New York Robert Cuzan?</p> <p>12 A That would be government's, yes.</p> <p>13 Q Do you remember that being submitted?</p> <p>14 A I do.</p> <p>15 Q Okay. And that was submitted in reference to you</p> <p>16 committing the crimes that you were motivated by personal greed.</p> <p>17 Isn't that correct, Mr. Cohen?</p> <p>18 A That's what it's stated, yes.</p> <p>19 Q Do you remember that it stated in particular that you</p> <p>20 as an attorney and businessman committed four distinct federal</p> <p>21 crimes over the period of several years and that you were</p> <p>22 motivated to do so by personal greed and repeatedly used your</p> <p>23 power and influence for deceptive ends. Do you remember that?</p> <p>24 A Those are the statements of the government.</p> <p>25 Q Great.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2287</p> <p>1 Q Those are the exact words. Would you like me to read</p> <p>2 them?</p> <p>3 A No.</p> <p>4 Q Okay. Do you disagree that that is what he said in</p> <p>5 that statement?</p> <p>6 A I don't disagree that's what he said. I disagree with</p> <p>7 the premise.</p> <p>8 Q That's the question. It's a yes-or-no question.</p> <p>9 THE COURT: Just answer the question, please.</p> <p>10 Q Do you agree that is what he said?</p> <p>11 A That is what it says.</p> <p>12 Q Good.</p> <p>13 And you ultimately accepted a plea deal for those eight</p> <p>14 felony counts that were in the allocution that we put into the</p> <p>15 evidence prior?</p> <p>16 A I did.</p> <p>17 Q And in connection with accepting your plea deal, you</p> <p>18 appeared before the Honorable William Pauly of the Southern</p> <p>19 District of New York on August 21, 2018. Isn't that correct?</p> <p>20 A That's correct.</p> <p>21 Q Okay. And you were required in that agreement to</p> <p>22 answer a series of questions under oath, the same oath that you</p> <p>23 had in your deposition with me on this case a few months ago and</p> <p>24 the same oath that you're under today; isn't that correct?</p> <p>25 A That's correct.</p>

M. Cohen - Plaintiff - cross (Habba)	Page 2288	M. Cohen - Plaintiff - cross (Habba)	Page 2290
<p>1 Q And you understood on August 21, 2018 that by being</p> <p>2 under oath, the same oath that you are on today and the same</p> <p>3 oath that you were in when I deposed you, that you had a legal</p> <p>4 obligation to testify truthfully and honestly; is that correct?</p> <p>5 A That's correct.</p> <p>6 Q Good. And you committed perjury in that proceeding,</p> <p>7 didn't you?</p> <p>8 A Excuse me?</p> <p>9 Q You committed perjury under oath with Judge Pauly,</p> <p>10 didn't you?</p> <p>11 MS. FAHERTY: Objection, Your Honor.</p> <p>12 MS. HABBA: It's a direct question. Yes or no?</p> <p>13 THE COURT: Objection overruled.</p> <p>14 A Did I commit perjury to Judge Pauly?</p> <p>15 Q Did you lie to Judge Pauly when you said that you were</p> <p>16 guilty of the counts that you said under oath that you were</p> <p>17 guilty of? Did you lie to Judge Pauly?</p> <p>18 A Yes.</p> <p>19 Q You have an attorney here today, don't you, sir?</p> <p>20 A I do.</p> <p>21 Q You actually have several attorneys here. I recognize</p> <p>22 them some from other cases they're here, aren't they?</p> <p>23 A They are.</p> <p>24 Q Good.</p> <p>25 In connection with your guilty plea to Counts 1 through</p>		<p>1 A Yes.</p> <p>2 Q So during 2012 to 2016, did you ever tell your wife</p> <p>3 that you were committing tax evasion, Mr. Cohen?</p> <p>4 THE WITNESS: Objection, Your Honor.</p> <p>5 Q No. You don't get to object.</p> <p>6 A Actually, in all fairness, I absolutely do. Roswell</p> <p>7 versus United States, 1954 Supreme Court. We can also go on to</p> <p>8 Houston versus the United States. We can also go on to your</p> <p>9 favorite case of United States versus Nixon.</p> <p>10 THE COURT: One at a time.</p> <p>11 MR. KISE: It's very simple. Did he tell his wife</p> <p>12 that he was committing tax evasion at the time. That's a</p> <p>13 simple yes-or-no question and it's perfectly within the</p> <p>14 scope. He is a serial liar and if he lied to his wife, it's</p> <p>15 relevant for impeachment. It's absolutely irrelevant for</p> <p>16 impeachment.</p> <p>17 THE WITNESS: It calls into question the fact that</p> <p>18 there was no tax evasion.</p> <p>19 MR. KISE: I'm not directing anything to you,</p> <p>20 Mr. Cohen, I'm sorry.</p> <p>21 THE COURT: Ms. Faherty?</p> <p>22 MS. FAHERTY: Aside from the fact that the question</p> <p>23 is palpably improper --</p> <p>24 THE COURT: Well, on what grounds? I'm not</p> <p>25 disagreeing.</p>	
M. Cohen - Plaintiff - cross (Habba)	Page 2289	M. Cohen - Plaintiff - cross (Habba)	Page 2291
<p>1 5 for evasion of assessment of income tax liability for the</p> <p>2 calendar years 2012 through 2016, you testified that for the tax</p> <p>3 years that I just identified you willfully evaded paying</p> <p>4 substantial taxes on income that you received in which you knew</p> <p>5 was not reflected in the returns you filed; correct?</p> <p>6 A I don't understand your question.</p> <p>7 MS. HABBA: Okay. Let's pull up the next exhibit,</p> <p>8 please, Peter.</p> <p>9 Q I'll quote you. You see right here it says:</p> <p>10 "As to Counts 1 through 5 in the tax years of 2012 to</p> <p>11 2016, I" -- and the "I" is you; correct, Mr. Cohen?</p> <p>12 A Correct.</p> <p>13 Q "I evaded paying substantial taxes on certain income</p> <p>14 received that I knew was not reflected on the return and that I</p> <p>15 caused to be filed. The income intentionally not included was</p> <p>16 received by me in the Southern District of New York." Didn't</p> <p>17 you say that?</p> <p>18 A I did.</p> <p>19 Q Okay. That doesn't say "tax omission," does it?</p> <p>20 A No, it does not.</p> <p>21 Q But you earlier testified today that you omitted, you</p> <p>22 didn't evade, isn't that right?</p> <p>23 A I did say that.</p> <p>24 Q Right. So you lied when you said that you evaded taxes</p> <p>25 to a judge under oath; is that correct?</p>		<p>1 MS. FAHERTY: First, marital privilege. Let's</p> <p>2 just get that out of the way --</p> <p>3 THE COURT: Spousal privilege?</p> <p>4 MS. FAHERTY: Please, Your Honor, and I think this</p> <p>5 is below the belt he is giving testimony about the lies.</p> <p>6 Let's keep this focus, Your Honor.</p> <p>7 THE COURT: I think it falls right within the</p> <p>8 spousal privilege. You don't have to testify about what you</p> <p>9 and your spouse talked about. I'll make it simple and leave</p> <p>10 it at that. Yes, go ahead.</p> <p>11 MS. HABBA: Your Honor, I apologize, but his wife</p> <p>12 was on that return and I will get to why it's important</p> <p>13 because in his deposition we did discuss his wife, so I'm</p> <p>14 sorry, but that wasn't objected to then, so it shouldn't be</p> <p>15 objected to now.</p> <p>16 Q And clearly, I hit a trigger with you, so Mr. Cohen</p> <p>17 noted, but I will say is it true or not true that your wife</p> <p>18 signed those returns?</p> <p>19 MS. FAHERTY: Objection.</p> <p>20 A Excuse me?</p> <p>21 Q Did she sign those returns?</p> <p>22 MS. FAHERTY: Stop.</p> <p>23 MS. HABBA: What? That's just a factual question.</p> <p>24 THE COURT: Yes, I'll allow that.</p> <p>25 MS. HABBA: Thank you.</p>

1 Q Mr. Cohen, did your wife sign those returns?		1 6 for making false statements to a financial institution in	
2 A Yes.		2 connection with the credit decision, you testified that you	
3 Q But you knew that the statement, this statement, was		3 knowingly submitted an application for a HELOC loan that	
4 false when you made it, didn't you?		4 contained false representations?	
5 A Yes.		5 A I'm sorry, can you repeat your question?	
6 Q So you lied to Judge Pauly which we've now established,		6 Q Sure.	
7 but I'm supposed to admit that you're not going to lie to me		7 MS. HABBA: Your Honor, can I get a read back?	
8 now; is that correct? It's a yes-or-no question.		8 THE COURT: Read back, please.	
9 A Unfortunately, I'm going to have to object to that, as		9 (Whereupon, the requested portion of the	
10 well.		10 proceedings was read back by the court reporter.)	
11 Q Yes, you can't object. That's not how this works.		11 A Again, I don't really understand your questions. It's	
12 See, if you still had your law license, you'd understand that.		12 a compound question. I don't understand it.	
13 It's a yes-or-no question.		13 Q So you don't understand the question.	
14 A And your question is?		14 So let me do something else.	
15 Q You lied to Judge Pauly; correct?		15 MS. HABBA: Let's pull up the Exhibit 951-22,	
16 A Asked and answered.		16 please.	
17 Q No. Again, yes or no?		17 Q Okay. This is the same document that we put in before.	
18 THE COURT: Asked and answered.		18 It's the allocation.	
19 A How many times are you going to ask me the same		19 Do you see that docket number? I'll represent that

25 THE COURT: And I'm doing it the best I can.		25 Q I'll read it to you. You can have a minute to read it

1 That question -- well, it's hard to say because it		1 yourself, if you'd like.	
2 was really more of a statement than a question. There's		2 "As to Count 6, on or about February of 2016, in order

10 THE COURT: Asked and answered many times already.		10 As to Count 7:	
11 Q Great. And you have stated earlier --		11 THE COURT: Did you know that those statements were	
12 THE COURT: Wait. So I had said to --		12 false when you made them?	
13 MS. HABBA: I'll move on.		13 THE DEFENDANT: They were omitted" --	
14 THE COURT: Ms. Faherty, when she was examining or		14 MS. HABBA: The defendant is you --

17 questions, he'll answer and I'll make sure that happens.		17 THE COURT: While you knew it was false?	
18 MS. HABBA: Sure, Your Honor.		18 THE DEFENDANT: Yes, Your Honor."	
19 Q In the deposition that we just saw from April 28, 2023		19 MS. HABBA: Not that part. Can you pull up the	
20 -- well, first, let me just get some foundation questions.		20 right part?	
21 You remember me deposing you on April 28, 2023, do you?		21 Q But I'm reading from your allocation. They can pull it	
22 A I do.		22 up so you can review it.	
23 Q And was that from your testimony when I deposed you?		23 A Count 7 was campaign finance violation, not Count 6.	
24 A Yes.		24 Q It's 22:6-21.	
25 Q Okay. And in connection with your guilty plea to Count		25 A Can you --	

<p>M. Cohen - Plaintiff - cross (Habba) Page 2296</p> <p>1 THE COURT: Okay. Two things. I advise all 2 attorneys on. People tend to read faster than they talk and 3 numbers are difficult for court reporters to take down, so 4 you have to really go slowly. 5 MS. HABBA: Noted, Your Honor. 6 A The document is inaccurate on line 14 as to Count 7, 7 7 had nothing do with the financial statements unless it refers to 8 the campaign finance violation. We're referring to Count 6. 9 Q So you're saying that Judge Pauly's -- the transcript 10 from Judge Pauly's hearing is inaccurate? 11 A I'm saying as to Count 7 and Count 6 are obviously two 12 different counts. 13 Q Okay. Taking away the count number -- 14 MS. HABBA: This is unbelievable. 15 Q Okay. For your HELOC, Mr. Cohen, did you not say that 16 you submitted to the bank application process, a bank that was 17 federally insured and is located in Manhattan, that you omitted 18 information. Was that not true? 19 A No. It states I did not correct the inaccurate 20 information on the form. 21 Q Okay. Let's stop there. You did not correct the 22 inaccurate statement on the form. Did you sign that form? 23 A Sign the form. 24 Q Okay. So you did not correct the inaccurate 25 information? Is that your way of saying I didn't lie because</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2298</p> <p>1 testimony today? 2 A I took the plea. 3 Q Do you understand -- did you have lawyers representing 4 you when you took the plea, Mr. Cohen? 5 A I did. 6 Q Okay. And did your lawyers explain to you what a plea 7 is? 8 A Yes. 9 Q And did your lawyers explain to you that when you plead 10 to something you are saying that you are guilty of that crime, 11 do you understand that? 12 A Yes. 13 Q And do you understand that right now in front of all 14 this press, in front of these lawyers, in front of the several 15 lawyers that you decided to bring in here today, you are 16 admitting that you lied to Judge Pauly. Do you understand that, 17 Mr. Cohen? 18 A I've already stated that, yes. 19 Q So that -- 20 A In fact, it's actually in the document that we 21 presented to Judge Pauly. 22 Q Mr. Cohen, here's how this is going to work. You're 23 not on Mea Culpa. You're not on your podcast and you're not on 24 CNN. You're here with me? 25 MS. FAHERTY: Objection, Your Honor.</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2297</p> <p>1 you didn't correct an inaccurate information? 2 A No. 3 Q Okay. Did you plead guilty to this? 4 A I did. 5 Q Okay. 6 MS. HABBA: This -- I believe you said we're going 7 to stop at 4:40. This might be a good space. 8 THE COURT: You don't want another five minutes? 9 MS. HABBA: Your Honor, if it's entertaining, I'm 10 happy to go all night. I can continue. 11 THE COURT: All right. If you're willing, I value 12 every five minutes. 13 MS. HABBA: Sure, sure. 14 Q So when you -- 15 THE COURT: Five-minute warning. 16 MS. HABBA: Noted. 17 Q You knew that that statement to Judge Pauly that you 18 were guilty of the HELOC was false, didn't you? 19 A Yes. 20 Q You affirmed under oath that the HELOC statement and 21 the deposition in your April 28, 2023 deposition that you lied 22 to Judge Pauly about the HELOC; isn't that correct? 23 A Correct. 24 Q So I just want to understand you were not lying in your 25 deposition, but you were lying to Judge Pauly. Is that your</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2299</p> <p>1 Q You're going to answer them yes or no. 2 THE COURT: No speeches. Just ask the questions. 3 MS. HABBA: Well, it works both ways, Your Honor. 4 Q You also submitted false sworn statements to the House 5 Select Committee approximately one year earlier on August 28, 6 2017. Isn't that correct? 7 A Yes. 8 Q And as a result of those false statements you pled 9 guilty to the crime of making false statements to the United 10 States Congress in violation -- and I'm going to say this slowly 11 -- of 18 USC 1001 Subsection A Subsection 2. Isn't that 12 correct? 13 A That's correct. 14 Q And in connection with accepting your plea deal, you 15 appeared before the Honorable Andrew Carter of the Southern 16 District of New York on November 29, 2018. Isn't that correct? 17 A That's correct. 18 Q And when you were in front of Judge Carter, you were 19 required to answer a series of questions under oath, the same 20 oath that you're under right now, isn't that correct? 21 A That's correct. 22 Q And you admitted under oath that on August 28, 2017, 23 you submitted a false sworn statement to the Senate Select 24 Committee on Intelligence. Isn't that correct? 25 A Yes.</p>

1 Q And unlike your other plea hearing, you were being  
2 honest with the judge this time; is that correct?  
3 A Is there a question?  
4 Q Yes.  
5 A What is it?  
6 Q Do you need me --  
7 MS. HABBA: Can we get a read back?  
8 THE COURT: Read back, please.  
9 (Whereupon, the requested portion of the  
10 proceedings was read back by the court reporter.)  
11 A Yes, that was correct.  
12 Q And you stated that you did submit false sworn  
13 statements to Congress, didn't you?  
14 A Yes.  
15 Q So you have lied under oath numerous times, Mr. Cohen,  
16 isn't that correct?  
17 A That's correct.  
18 Q And you no longer have your law license, isn't that  
19 correct?  
20 A Asked and answered.  
21 Q Answer the question, please, Mr. Cohen.  
22 THE COURT: Just answer.  
23 A Yes.  
24 Q And that's because you were disbarred in 2019; correct?  
25 A Correct.

1 MS. HABBA: Your Honor?  
2 THE COURT: You want to stop?  
3 MS. HABBA: This is right before our next section.  
4 THE COURT: Okay. We'll resume tomorrow at  
5 10 o'clock.  
6 MS. HABBA: Thank you.  
7 MR. KISE: Please remind the witness he's not to  
8 talk to anyone, including his lawyers about his testimony.  
9 THE COURT: Mr. Cohen, I hereby order you not to  
10 talk to anybody, including your lawyers about this trial or  
11 your testimony or anything related.  
12 THE WITNESS: Yes, Your Honor.  
13 THE COURT: Thank you. Have a good evening

PROCEEDINGS

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cellphones are on silent. Laptops and  
4 cellphones will be permitted, but only to members of the  
5 press. There's absolutely no recording or photography of  
6 any kind allowed in the courtroom. Now, be seated and come  
7 to order.

8 THE COURT: Human bodies absorb sound. Can you  
9 imagine how loud that would be if the room was vacant? All  
10 right. Let's get the issue of the photographers.

11 MR. KISE: Not for us.

12 MS. HABBA: They're not going to want to come in.

13 MR. KISE: Can we do housekeeping?

14 THE COURT: Chris, they told me you're particularly  
15 photogenic.

16 MR. KISE: My family for sure.

17 THE COURT: When can we expect the missing person?

18 MR. KISE: I think momentarily, Your Honor, but can  
19 I raise two minor housekeeping matters?

20 THE COURT: Attorney General, ready to do some  
21 housekeeping matters?

22 MR. KISE: So, and Mr. Robert I think will back my  
23 memory and we will, of course, do whatever the Court wants,  
24 but so last night when we realized we did not receive  
25 anything on the Ivanka Trump motion from the Government, we

1 went back and looked. Our understanding from our -- the  
2 conversation was they were going to file on Monday and we  
3 were -- you asked me how long we needed and we were going  
4 to have two days, so Wednesday.

5 But apparently, when I looked at the e-mail that  
6 was sent, it says everybody files on Wednesday, but that  
7 wasn't certainly our understanding. So what I'd like,  
8 because if the Court still plans to proceed on Friday, which  
9 is fine, with the hearing, I would just ask then that we  
10 have until tomorrow. If they filed something tonight, then  
11 we have until tomorrow night, 24 hours, but that was what we  
12 agreed to, was two days.

13 THE COURT: The motion is by a non-party, so I'm  
14 not sure --

15 MR. KISE: So we just -- until we see -- that was  
16 the point I made to Your Honor last week. Until we see what  
17 they have to say and the other side -- the other ones say,  
18 I don't know -- I'm just guessing at that point.

19 THE COURT: Does the Attorney General object to  
20 giving them until tomorrow?

21 MS. FAHERTY: Your Honor, I think just in the  
22 orderly, efficient management of business, we're all  
23 commenting on a third party's motion. I think we can all  
24 put in our papers today.

25 THE COURT: Well, how about some compromise

<p>1 tomorrow at --</p> <p>2 MR. KISE: Tomorrow is just one day. That was</p> <p>3 certainly our understanding of my dialog with you, Your</p> <p>4 Honor, was that you asked me how many days we needed after</p> <p>5 their response.</p> <p>6 THE COURT: Can we do until noon, so we can read</p> <p>7 it, too, by noon tomorrow?</p> <p>8 MR. KISE: Okay, yes, Your Honor.</p> <p>9 THE COURT: All right. Thanks. You had a second</p> <p>10 issue?</p> <p>11 MR. KISE: Just an order of witnesses. I know that</p> <p>12 the witness from the Parks Department who was deposed Monday</p> <p>13 by video, I don't know if they're planning on calling that</p> <p>14 witness this week or if it is going to be next week.</p> <p>15 THE COURT: Well, let's ask.</p> <p>16 MS. FAHERTY: Your Honor, I think what we are</p> <p>17 trying to understand is how today's proceedings are going to</p> <p>18 time out. We have a witness lined up for this afternoon.</p> <p>19 That will be Ms. Sherri Dillon if the time permits.</p> <p>20 Otherwise, we still have the remaining video of Ms.</p> <p>21 Mouradian. We have -- and we've informed counsel the</p> <p>22 remaining witnesses for this week.</p> <p>23 Mr. Gaber is intending to take the</p> <p>24 deposition -- the testimony of Mr. Cerrone. I believe he</p> <p>25 might get pushed into next week as a result of Mr. Gaber's</p>		<p>1 MS. HABBA: Can we just do this first?</p> <p>2 THE COURT: Sure. Go ahead.</p> <p>3 MS. HABBA: It is a little bit delicate and I want</p> <p>4 to start by saying I served as a law clerk to a judge when I</p> <p>5 first started practicing law and my candor, my judge was</p> <p>6 very strict about how I did and didn't behave. It is</p> <p>7 incredibly distracting when there are eye rolls and constant</p> <p>8 whispering at the bench when I'm trying to cross-examine a</p> <p>9 witness. So I'm just asking politely that that be</p> <p>10 refrained. It is very distracting.</p> <p>11 THE COURT: Okay. Granted.</p> <p>12 MS. HABBA: Thank you.</p> <p>13 THE COURT: Okay, photographers.</p> <p>14 (Whereupon, there was a pause in the proceedings.)</p> <p>15 THE COURT: Witness is on his way, right?</p> <p>16 THE COURT OFFICER: Yes.</p> <p>17 Witness entering.</p> <p>18 THE WITNESS: Good morning.</p> <p>19 THE COURT: Let's continue with the</p> <p>20 cross-examination of Michael Cohen.</p> <p>21 MS. HABBA: Thank you, Your Honor. Sounds good?</p> <p>22 CROSS-EXAMINATION</p> <p>23 BY MS. HABBA:</p> <p>24 Q Mr. Cohen, good morning.</p> <p>25 A Good morning.</p>

<p>1 absence, but for the remainder of this week, we have three</p> <p>2 of our witnesses that are lined up to fill the time. I can</p> <p>3 speak with counsel to make sure they're fully informed about</p> <p>4 our order of witnesses. If they can equally just give us an</p> <p>5 update on their timing on crosses, so we can make sure all</p> <p>6 the witnesses are here, everybody is prepared to take the</p> <p>7 testimony as necessary.</p> <p>8 MR. KISE: I think Ms. Faherty's commentary,</p> <p>9 because I forgot the point she just made, the reason I was</p> <p>10 asking about this witness in particular is because Ms.</p> <p>11 Hernandez who intends to do the cross of that witness, she's</p> <p>12 out with COVID, so she won't be back until Monday. So all</p> <p>13 I'm asking is we make sure that witness is next week when</p> <p>14 she's back, which I think based on what Ms. Faherty said</p> <p>15 will work. Otherwise, we are fine with whatever other</p> <p>16 schedule.</p> <p>17 THE COURT: All right. Good.</p> <p>18 And Chris, make it one o'clock tomorrow.</p> <p>19 MR. KISE: Okay. Thank you. How about 2:15 since</p> <p>20 you give us the lunch hour?</p> <p>21 THE COURT: We need it for that. One o'clock.</p> <p>22 MR. KISE: Thank you.</p> <p>23 MS. HABBA: Your Honor, before we bring the witness</p> <p>24 in --</p> <p>25 THE COURT: We have the photographers first.</p>		<p>1 Q I just want to remind you that you're still under oath</p> <p>2 obviously from yesterday as the judge put you under oath?</p> <p>3 THE COURT: True.</p> <p>4 MS. HABBA: Thank you.</p> <p>5 Q I just want to ask you preliminarily, did you speak</p> <p>6 with the Attorney General's Office about your testimony between</p> <p>7 yesterday and today?</p> <p>8 A No.</p> <p>9 Q Did you speak with your lawyer about your testimony</p> <p>10 between yesterday and today?</p> <p>11 A Yes.</p> <p>12 Q Did you speak to anybody about your testimony between</p> <p>13 yesterday and today?</p> <p>14 A No.</p> <p>15 Q Okay. Thank you.</p> <p>16 As a follow-up from yesterday's cross, I just mentioned</p> <p>17 to Ms. Faherty I would like to admit Defendant's Exhibit 952</p> <p>18 into evidence. It was the plea hearing allocution dated</p> <p>19 November 29, 2018.</p> <p>20 MS. FAHERTY: For the purposes of his allocution.</p> <p>21 Otherwise, all of the hearsay statements herein, I don't</p> <p>22 think it needs to be admitted, but for the fact that it was</p> <p>23 his allocution. No objection to that portion of it.</p> <p>24 THE COURT: I'm not sure how we are going to</p> <p>25 distinguish between this and that. Any objection to --</p>	

M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2310	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2312
<p>1 MS. HABBA: Any response to the objection?</p> <p>2 THE COURT: Any response to the objection?</p> <p>3 MS. HABBA: Yes. An allocution is his words.</p> <p>4 They're not hearsay. The portions where a judge asked him a</p> <p>5 question and he responds that he's guilty is not hearsay at</p> <p>6 all. He confirmed yesterday that he was guilty and, in</p> <p>7 fact, I did ask him to restate the question and he himself</p> <p>8 said he responded guilty, so I'm not sure why it's hearsay.</p> <p>9 MS. FAHERTY: Any other statements in the</p> <p>10 transcript, that's all. Ms. Habba and I are talking the</p> <p>11 same language, Your Honor.</p> <p>12 MS. HABBA: I'm not sure that we are.</p> <p>13 THE COURT: It is admissible for any and all</p> <p>14 purposes.</p> <p>15 MS. HABBA: Thank you, Your Honor.</p> <p>16 THE COURT: That's what he said in open court under</p> <p>17 oath.</p> <p>18 MS. HABBA: Thank you, Your Honor.</p> <p>19 Q Mr. Cohen --</p> <p>20 MS. HABBA: And Judge, just so you know before</p> <p>21 everybody gets up in arms, I'm just going to do two or three</p> <p>22 yes, sir, just to review and clarify the record yesterday</p> <p>23 after seeing the transcript and then I'll move on.</p> <p>24 THE COURT: Sure.</p> <p>25 Q I want to clarify something about your testimony</p>		<p>1 Donald Trump correct?</p> <p>2 MS. FAHERTY: Objection for the characterization.</p> <p>3 We did this yesterday. I'm just going to stand up now and</p> <p>4 forewarn my concern at what I thought was a little bit of a</p> <p>5 circus yesterday. I'm just putting it on the record now</p> <p>6 that if I need to stand up, I will stand up. My objection</p> <p>7 stands, Your Honor.</p> <p>8 MR. KISE: So, Your Honor, Your Honor --</p> <p>9 MS. FAHERTY: Two attorneys.</p> <p>10 MR. KISE: Right. The only circus yesterday was</p> <p>11 the witness not answering questions, so that's a fair</p> <p>12 question. He admitted here today for the first time in open</p> <p>13 court that he lied to Judge Pauley right across the street,</p> <p>14 right across the street. He lied to Judge Pauley when he</p> <p>15 pled guilty. That's what he said under oath in this</p> <p>16 courtroom, the same oath that he took there, the same oath</p> <p>17 that he took here. So in open court, he has now admitted to</p> <p>18 perjury in front of the Judge Pauley. I think that's a</p> <p>19 relevant fact for impeachment and -- may I finish? It</p> <p>20 should come in. I mean, there's no reason that that</p> <p>21 shouldn't come in.</p> <p>22 MR. ROBERT: From the moment the case started, from</p> <p>23 the moment of my opening, the People started and talked</p> <p>24 about credibility. I talked about credibility. Credibility</p> <p>25 of the witnesses is what Your Honor is ultimately going to</p>	
M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2311	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2313
<p>1 yesterday. You stated that you previously pled guilty to</p> <p>2 several counts of tax evasion, right?</p> <p>3 A Correct.</p> <p>4 Q And those counts had nothing to do with Donald Trump;</p> <p>5 isn't that correct?</p> <p>6 A That's correct.</p> <p>7 Q And it wasn't done at the direction of Donald Trump</p> <p>8 or --</p> <p>9 MR. KISE: We still really can't hear you.</p> <p>10 MS. HABBA: Sorry. Is that better?</p> <p>11 MR. KISE: Yes.</p> <p>12 Q So I had asked you if those counts had nothing to do</p> <p>13 with Donald Trump and I believe you responded yes. And it</p> <p>14 wasn't done at the direction or benefit for President Trump, was</p> <p>15 it?</p> <p>16 A For Mr. Trump, no.</p> <p>17 Q And when you pled guilty to making false statements to</p> <p>18 a financial institution, that had nothing to do with Donald</p> <p>19 Trump, did it, for the HELOC?</p> <p>20 A I know what you're referring to.</p> <p>21 Q Right.</p> <p>22 A The answer is no.</p> <p>23 Q Okay. Thank you.</p> <p>24 And when you lied to Judge Pauley under oath at your</p> <p>25 plea hearing for those charges, that had nothing to do with</p>		<p>1 have to decide in this case. The fact that the witness</p> <p>2 admitted for the first time yesterday that he committed</p> <p>3 perjury in the Southern District of New York as part of a</p> <p>4 plea, and we are going to get into other acts of perjury</p> <p>5 today, couldn't be more relevant in this case in enabling</p> <p>6 this Court to determine who's telling the truth and who is</p> <p>7 not.</p> <p>8 THE COURT: Ms. Faherty, I don't understand the</p> <p>9 objection. Maybe say it again. What am I missing?</p> <p>10 MS. FAHERTY: First, Your Honor, counsel has twice</p> <p>11 now repeated this word "perjury" repeatedly.</p> <p>12 THE COURT: Well, that's the definition of perjury,</p> <p>13 lying under oath.</p> <p>14 MR. KISE: Thank you, Your Honor.</p> <p>15 MS. FAHERTY: The legal conclusion of perjury is</p> <p>16 very different. If you recall earlier this week or last</p> <p>17 week, we had counsel stand up, screaming, "Please don't let</p> <p>18 this witness violate his Fifth Amendment rights." I am</p> <p>19 quite concerned at the presentation from counsel that they</p> <p>20 are standing up, making these accusations while the witness</p> <p>21 is still on the stand. I'm quite concerned and so I'm</p> <p>22 standing up to indicate that that type of showmanship should</p> <p>23 not be permitted.</p> <p>24 Now, I agree, Your Honor, I did ask Mr. Cohen the</p> <p>25 very questions Ms. Habba is asking him and he has responded</p>	

M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2314	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2316
<p>1 consistently. So I would just ask for the courtesy and</p> <p>2 respect that we proceed without this showmanship of words</p> <p>3 like "perjury" thrown in this court which is a legal</p> <p>4 conclusion. It is unnecessary. Yes, untruthful. Yes, an</p> <p>5 admission of a lie. However, please, can we, please,</p> <p>6 proceed?</p> <p>7 MR. KISE: Your Honor --</p> <p>8 THE COURT: Wait. Wait. Wait.</p> <p>9 MR. KISE: Okay.</p> <p>10 THE COURT: Mr. Robert, Mr. Kise, I'll tell you</p> <p>11 rule number one in Engoron's courtroom, which I often say,</p> <p>12 if I'm arguing for you, you don't have to argue for you. So</p> <p>13 far, I totally agree with you.</p> <p>14 So Ms. Faherty, is the basic point the word</p> <p>15 "perjury," is that what we're trying to avoid here?</p> <p>16 MS. FAHERTY: I think it is a legal conclusion,</p> <p>17 Your Honor, and I think that it instills a certain type of</p> <p>18 fear and intimidation in the witness in particular. That</p> <p>19 gives me great concern.</p> <p>20 MS. HABBA: Your Honor, if I may?</p> <p>21 THE COURT: Yes.</p> <p>22 MS. HABBA: The perjury, although, the press is</p> <p>23 just hearing about it now, the perjury was heard at his</p> <p>24 deposition when he first said that he lied under oath with</p> <p>25 Judge Pauley. It is only now coming to light. He has</p>		<p>1 we're entitled to bring that out. We're entitled to raise</p> <p>2 that. I think it is highly relevant. I think it is highly</p> <p>3 probative and we shouldn't have to dance around because of</p> <p>4 some sensitivity about words. Perjury is perjury and it is</p> <p>5 obvious what's going on here. The Attorney General is</p> <p>6 trying to cover for an extraordinarily defective witness</p> <p>7 that they're putting on the stand who has no credibility.</p> <p>8 THE COURT: Now, you are violating two of my rules.</p> <p>9 First is what I just said. You don't have to argue if I'm</p> <p>10 arguing for you. Second rule, which I believe I've said</p> <p>11 during this trial, I know I've said, let's not make</p> <p>12 speeches. We are here for questions, answers, maybe</p> <p>13 argument, but we don't need speeches at this point.</p> <p>14 My understanding, try to see if we can all agree, I</p> <p>15 believe that perjury implies conviction. You want to say</p> <p>16 he's lying, say he's lying, but let's not use the word</p> <p>17 "perjury" especially if you're asking him a question that</p> <p>18 might ask for a legal conclusion and let's move on.</p> <p>19 MR. KISE: I'll just note my exception to that,</p> <p>20 Your Honor.</p> <p>21 THE COURT: To which part of that?</p> <p>22 MR. KISE: To the part that we are limited to what</p> <p>23 we can do. It doesn't imply a conviction. If he perjured</p> <p>24 himself, he perjured himself.</p> <p>25 THE COURT: I'll have to --</p>	
M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2315	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2317
<p>1 counsel. He had counsel then. This is not a shock. This</p> <p>2 is not showmanship. Everybody has had the transcript. It's</p> <p>3 just that the media hasn't heard about it until now. I'm</p> <p>4 just doing my job, sir. Mr. Cohen, as we know, is a witness</p> <p>5 who has interjected in many cases against my client and his</p> <p>6 credibility is the most important thing that I will attack.</p> <p>7 THE COURT: Well, can we limit it to --</p> <p>8 MS. HABBA: Frankly, I'm done with that line of</p> <p>9 questioning. It's done. I will be honest with you.</p> <p>10 MS. FAHERTY: If we could move on --</p> <p>11 MR. KISE: I don't know that we're done with that</p> <p>12 and --</p> <p>13 MR. ROBERT: I'm certainly not.</p> <p>14 MR. KISE: I will certainly say there is nothing</p> <p>15 wrong with calling a liar a liar. There's nothing wrong</p> <p>16 with calling someone who admits in open court to perjury.</p> <p>17 He was under oath in front of Judge Pauley. He was under</p> <p>18 oath in front of Judge Pauley. He said here yesterday under</p> <p>19 the same oath, "I lied to Judge Pauley." That's perjury.</p> <p>20 As Your Honor said, that's the definition of perjury. So we</p> <p>21 should not be expected to dance around it for someone's</p> <p>22 sensibilities.</p> <p>23 A serial liar is a serial liar and since the entire</p> <p>24 case of the Attorney General hinges on this perjurious</p> <p>25 witness who has lied to everyone he has ever spoken to,</p>		<p>1 MR. KISE: You don't need to have a conviction for</p> <p>2 that.</p> <p>3 THE COURT: I'm not sure. I will have to research</p> <p>4 that. I take your point.</p> <p>5 MS. HABBA: I can state my question in a way that's</p> <p>6 acceptable to the Court and it is my last question on this.</p> <p>7 It is my last question on this at least.</p> <p>8 Q Mr. Cohen, as a clarifying point, yesterday was the</p> <p>9 first time you admitted in open court that you lied to Judge</p> <p>10 Pauley, correct?</p> <p>11 A In open court?</p> <p>12 Q Yes.</p> <p>13 A Yes.</p> <p>14 Q Thank you. Okay. Let move on to your work with the</p> <p>15 Trump Organization.</p> <p>16 You were an employee of the Trump Organization from</p> <p>17 2007 to 2017; is that correct?</p> <p>18 A Correct.</p> <p>19 Q And you previously testified yesterday that you</p> <p>20 personally participated in the preparation of the Statements of</p> <p>21 Financial Condition for years 2012 through '15, that you don't</p> <p>22 recall working on the Statement of Financial Condition in 2011,</p> <p>23 correct?</p> <p>24 A That's correct.</p> <p>25 MS. HABBA: Okay. If I could, please, pull up the</p>

<p>1 transcript --</p> <p>2 Q Well, you said correct, so let me move on. And you</p> <p>3 previously testified in your deposition that you and Allen</p> <p>4 Weisselberg were tasked with coming up with valuations of the</p> <p>5 assets listed on the Statements of Financial Condition for those</p> <p>6 years, correct?</p> <p>7 A Correct.</p> <p>8 Q And you testified that Allen Weisselberg prepared the</p> <p>9 first draft of those Statements of Financial Condition for</p> <p>10 Mazars, correct?</p> <p>11 A I'm sorry. Can you say that again?</p> <p>12 Q Sure.</p> <p>13 You had stated that Allen prepared the first draft of</p> <p>14 the Statements of Financial Condition with Mazars, correct?</p> <p>15 A I don't believe that's how I stated it, no.</p> <p>16 MS. HABBA: Okay. If we could pull up 86:25 to</p> <p>17 87:7 from the transcript, please.</p> <p>18 MR. KISE: We still --</p> <p>19 MS. HABBA: Can't hear? Can we put the volume up?</p> <p>20 IT SPECIALIST: Every time it gets bumped up a</p> <p>21 little bit --</p> <p>22 MS. HABBA: I almost want to take the mic off. I</p> <p>23 think everyone can hear me without it. I'll speak very</p> <p>24 loudly. Sorry. Let's move on. Can we, please, play that.</p> <p>25 Thank you.</p>		<p>1 A Correct.</p> <p>2 Q Okay. And you testified under oath that you would</p> <p>3 handwrite the new valuations on the Statement of Financial</p> <p>4 Condition, correct?</p> <p>5 A That's correct.</p> <p>6 Q And Allen would do the same thing, right?</p> <p>7 A Yes.</p> <p>8 Q And I want to be clear. Allen Weisselberg, right?</p> <p>9 THE COURT: That's a question.</p> <p>10 Q Allen Weisselberg, correct?</p> <p>11 A Yes.</p> <p>12 Q According to your prior testimony for 2011 to 2015,</p> <p>13 this entire process of preparing the Statement of Financial</p> <p>14 Condition consisted of you and Allen taking a printed piece of</p> <p>15 paper and then writing on it? That was what you did, correct?</p> <p>16 A Incorrect.</p> <p>17 Q Incorrect, okay. Let's take a look at what you said in</p> <p>18 your deposition.</p> <p>19 (Whereupon, the video was played.)</p> <p>20 Q Mr. Cohen, you also stated that no computer was</p> <p>21 involved?</p> <p>22 A There was a previous question.</p> <p>23 Q No. The question was did you say it. We played it</p> <p>24 back. Do you doubt that that was you?</p> <p>25 A I don't doubt that was me, but I doubt that that is</p>

<p>1 (Whereupon the video was played.)</p> <p>2 Q Do you remember saying that, Mr. Cohen?</p> <p>3 A Yes, which is not what you were just stating.</p> <p>4 Q So I asked if Allen Weisselberg -- you testified that</p> <p>5 Allen Weisselberg prepared the first draft. Isn't that what you</p> <p>6 stated you believed Allen Weisselberg did?</p> <p>7 A No. I suspect that Allen -- I do not know who did it.</p> <p>8 That was the point and that's exactly what I stated in the</p> <p>9 deposition.</p> <p>10 Q Okay. So you suspect it was Allen Weisselberg, but you</p> <p>11 testified that you were personally involved in coming up with a</p> <p>12 valuation for almost every asset on the Statements of Financial</p> <p>13 Condition, correct?</p> <p>14 A No, that's also not correct.</p> <p>15 Q Okay.</p> <p>16 A Every asset? Almost every asset?</p> <p>17 Q Okay.</p> <p>18 MS. HABBA: If we could play that back, please.</p> <p>19 (Whereupon, the video was played.)</p> <p>20 Q Right. Almost every asset, correct?</p> <p>21 A As the ones that I stated the other day.</p> <p>22 Q We'll get to that. And in coming up with a valuations</p> <p>23 for almost every asset, you testified that you would determine</p> <p>24 the valuations by going on Google and finding a comparable</p> <p>25 property with a price per square-foot that was higher, correct?</p>		<p>1 responsive to the question that you stated.</p> <p>2 Q Okay. My question that I stated, we can have a</p> <p>3 readback if you'd like.</p> <p>4 A Sure.</p> <p>5 MS. HABBA: Judge, may I have a readback?</p> <p>6 THE COURT: The very last question?</p> <p>7 MS. HABBA: The very last question about his</p> <p>8 testimony for the handwritten edits, please.</p> <p>9 THE COURT: Readback, please.</p> <p>10 MS. HABBA: Thank you.</p> <p>11 (Whereupon, the requested portion of the record was</p> <p>12 read back.)</p> <p>13 A And again, I'll state incorrect because the process was</p> <p>14 not just Allen and myself as you saw in that deposition. It</p> <p>15 included Mr. Trump.</p> <p>16 Q Listen, Mr. Cohen. I'm sure you're going to try and do</p> <p>17 that with me every time and I'm here for it really, but I would</p> <p>18 like you to answer the questions that I ask. I didn't ask you</p> <p>19 who was involved. I asked you --</p> <p>20 MS. FAHERTY: Your Honor --</p> <p>21 THE COURT: Overruled. Let's -- let the question</p> <p>22 finish.</p> <p>23 MS. HABBA: Thank you.</p> <p>24 Q I asked you if you made handwritten edits on the</p> <p>25 Statement of Financial Condition. Is the answer yes or no?</p>

1 A I made handwritten edits to the Statement of Financial 2 Condition. 3 Q And you also testified to me that you did not and there 4 was no computer involved in your edits; isn't that correct? 5 A In my edits, correct. 6 Q Okay. But you actually said it wasn't done by you or 7 Allen on your computer. You said Donald Bender did it; isn't 8 that correct? 9 A That's what I believe, yes. 10 Q That's what you believe, yes. Okay. 11 MS. HABBA: Can we, please, confirm that? Can you 12 please play back his dep? 13 MS. FAHERTY: Objection. 14 THE COURT: Why do we have to play it back? He 15 agreed with you. 16 MS. HABBA: Can you just read his answer for me? 17 Sorry. I don't have a feed here just so you know, so it is 18 a little bit tough for me. 19 THE COURT: You would just like his answer read 20 back? 21 MS. HABBA: Yes, please. 22 THE COURT: Please. Thank you. 23 (Whereupon, the requested portion of the record was 24 read back.) 25 Q So it wasn't done on your computer or Allen's, but then		1 A Correct. 2 Q Right. 3 A I would go into Allen's office and there was an okay, 4 we have it done. We would walk into Mr. -- towards Mr. Trump's 5 office, knock on the door and say, "Mr. Trump, can we speak to 6 you for a second." 7 Q Right. 8 A That's how things worked at the Trump Organization. 9 The door is constantly open for the executives. It was a 10 constant carousel into his office. 11 Q Okay. And Allen Weisselberg would take the handwritten 12 edits on the Statement of Financial Condition and hand it off to 13 Donald Bender, right? 14 A Once authorized to do so, yes. 15 Q That's not my question. He would take it when it was 16 done and he would hand it to Donald Bender? Is that what you 17 testified to? 18 THE COURT: I think when it was done is ambiguous. 19 Q Once the final version of the Statement of Financial 20 Condition was complete in handwritten form, your testimony is 21 that you would then give it to Donald Bender, correct? 22 A No, that's not what I stated. 23 Q Okay. Who -- 24 A Allen Weisselberg would hand it off to Donald Bender. 25 I never did.	
M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2323	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2325
1 you and Allen would take these handwritten edits and review them 2 with Donald Trump, right? 3 A Correct. 4 Q And this meeting, according to you, would last about 5 15 minutes; isn't that right? 6 A Correct. 7 Q And the meetings between you, Allen and Donald Trump 8 were never put in a calendar; isn't that right? 9 A To the best of my knowledge, no. 10 Q To the best of your knowledge, no. 11 Did you ever have an assistant? 12 A No. 13 Q No. Did you ever keep a calendar for invitations for 14 meetings on your computer? 15 A No. 16 Q Did you use a computer? 17 A Yes. 18 Q Okay. So you just had meetings in your head and they 19 would happen and you remember them sitting here today; is that 20 correct? 21 A I'm sure. I don't understand your question. 22 Q Okay. Let me ask you this way. 23 Meetings with you, Allen and Donald Trump on a 24 Statement of Financial Condition lasted 15 minutes and were 25 never scheduled; is that your testimony?		1 Q How do you know that? 2 A Because that was the relationship. The relationship 3 existed between Donald Bender and Allen Weisselberg. 4 Q Okay. It was your testimony that Donald Bender was 5 continuously at the Trump Organization? 6 A Regularly at the office. 7 Q Regularly at the office. What is the difference 8 between the two? 9 THE COURT: There is a clear difference between 10 continuously and regularly. 11 MS. HABBA: Exactly there is, Your Honor, which 12 gets to my point, Your Honor. 13 Can we, please, pull up the deposition? 14 MS. FAHERTY: I'm sorry. Why? 15 MS. HABBA: Because he didn't say "regularly," 16 Colleen. He said "continuously" in his deposition. 17 THE COURT: All right. Then she is allowed to play 18 it. 19 MS. HABBA: That's how impeachment works. 20 (Whereupon, the video was played.) 21 Q "Continuously," right, Mr. Cohen? 22 A Sure. 23 Q Not "regularly," right? Your words, not mine. Were 24 those your words? 25 A That's what I stated, yes.	

<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2326</p> <p>1 Q Thank you. So Mazars would receive the Statement of</p> <p>2 Financial Condition with the handwritten edits that you and</p> <p>3 Allen had written on the prior year's Statement of Financial</p> <p>4 Condition was your testimony, correct?</p> <p>5 A I already stated that, yes.</p> <p>6 Q You did not submit any electronic documents or any</p> <p>7 other supporting documentation, correct?</p> <p>8 A As to what? The Statement of Financial Condition --</p> <p>9 Q As to the Statement of Financial Condition. There was</p> <p>10 no backup data?</p> <p>11 A I don't know the answer to that. I don't recall.</p> <p>12 Q You don't know the answer to that?</p> <p>13 A No. I don't understand your question.</p> <p>14 Q Okay.</p> <p>15 THE COURT: I think the question is in addition to</p> <p>16 the years in the earlier statement and the handwritten notes</p> <p>17 that was then approved, did you give anything else like a</p> <p>18 computer printout or computer drive of any sort?</p> <p>19 THE WITNESS: I did not.</p> <p>20 THE COURT: Okay. That was the question and that's</p> <p>21 the answer.</p> <p>22 Q Okay. And your testimony is that this entire process</p> <p>23 of editing the Statement of Financial Condition from start to</p> <p>24 finish with Allen, then approved by Donald Trump took a couple</p> <p>25 of days; isn't that right?</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2328</p> <p>1 Q And you never discussed the SOFC with Eric Trump, did</p> <p>2 you?</p> <p>3 A Not that I recall.</p> <p>4 Q And you never discussed the SOFC with Ivanka Trump</p> <p>5 either, did you?</p> <p>6 A Not that I recall.</p> <p>7 Q Mr. Cohen, you claim that you worked on the 2015 SOFC;</p> <p>8 is that correct?</p> <p>9 A Yes.</p> <p>10 Q The 2015 Statement of Financial Condition was President</p> <p>11 Trump's net worth just over \$6 billion? Do you know that?</p> <p>12 A You'd have to show me the document.</p> <p>13 Q Sure. Let's do that.</p> <p>14 MS. HABBA: Can you please pull up PX 729?</p> <p>15 Q Do you recognize this as the 2015 SOFC?</p> <p>16 A I do.</p> <p>17 Q Okay.</p> <p>18 MS. HABBA: It's already into evidence. If we can</p> <p>19 just flip the page.</p> <p>20 Q Do you see at the bottom where it says "his total</p> <p>21 assets." Can you read for me what that number is?</p> <p>22 A 6,580,300,000.</p> <p>23 Q Right. And that number is meant to reflect President</p> <p>24 Trump's financial status as of June 30, 2015; correct?</p> <p>25 A Correct.</p>
<p>Page 2327</p> <p>1 A That's what I stated.</p> <p>2 Q Okay. And you never discussed the Statement of</p> <p>3 Financial Conditions with Donald Trump Jr. did you?</p> <p>4 A Not that I recall.</p> <p>5 (Continued on the next page.)</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>M. Do you remember that?</p> <p>5 A I remember saying that.</p> <p>6 Q Okay. And, in fact, you stated that you believed a</p> <p>7 \$10 billion estimation was low. Do you recall that?</p> <p>8 A I recall that's what Mr. Trump wanted me to say, yes.</p> <p>9 Q That wasn't the question, Mr. Cohen.</p> <p>10 A That's my answer.</p> <p>11 Q Is it? I'm not surprised by that, Mr. Cohen. You're</p> <p>12 very good at blaming other people.</p> <p>13 So \$10 billion estimation was low.</p> <p>14 MS. HABBA: You know what, can you play that for</p> <p>15 me, please?</p> <p>16 (Whereupon, there is a pause in the proceedings.)</p> <p>17 Q Okay.</p> <p>18 MS. FAHERTY: Can you provide the date on that,</p> <p>19 please?</p> <p>20 MS. HABBA: I did. It's July 16, 2015. I said it</p> <p>21 in -- it's in the transcript.</p> <p>22 I'd like to move --</p> <p>23 Q That's you on that, I assume? You recognize yourself</p> <p>24 there?</p> <p>25 A Yes, less gray.</p>

Just counsel?</p> <p>8 THE COURT: Sure.</p> <p>9 (Whereupon, there is a pause in the proceedings.)</p> <p>10 MR. KISE: Thank you, Judge.</p> <p>11 Q Okay. According -- were we waiting for an answer? Did</p> <p>12 you read it?</p> <p>13 A Yes, I read it.</p> <p>14 Q And it says that?</p> <p>15 A Yes, I read it. It says it perfectly.</p> <p>16 Q I'll speak really loud. Your testimony is that you</p> <p>17 personally participated in the SOFCs; correct?</p> <p>18 A Correct.</p> <p>19 Q In fact, you claim you are personally responsible for</p> <p>20 coming up with many of the inflated numbers; correct?</p> <p>21 A Yes, correct.</p> <p>22 Q And you told them that you committed fraud in</p> <p>23 connection with preparation of the SOFCs; correct?</p> <p>24 A I don't believe that's what I said to them.</p> <p>25 Q Didn't you say in the question prior that you told them</p>

<p>1 you agreed to assist in the investigation of the Trump</p> <p>2 Organization, Mr. Cohen?</p> <p>3 A No.</p> <p>4 Q You did claim that you provided a "roadmap,"</p> <p>5 quote/unquote, of all the financial crimes that you claim</p> <p>6 occurred at the Trump Organization. Isn't that correct?</p> <p>7 A That's not what it says.</p> <p>8 Q That's not --</p> <p>9 A What it says -- I want to make clear exactly what I</p> <p>10 gave the government concerning Donald Trump. I gave them a</p> <p>11 roadmap.</p> <p>12 Q Can I just stop you there, Mr. Cohen?</p> <p>13 A You can.</p> <p>14 Q Did you just say "I gave them a roadmap?"</p> <p>15 THE COURT: He just said that, yes.</p> <p>16 Q What's the answer to that?</p> <p>17 A Already asked and answered.</p> <p>18 Q We're going to --</p> <p>19 MS. HABBA: Okay, Your Honor.</p> <p>20 MR. KISE: The judge doesn't like that objection.</p> <p>21 THE WITNESS: Apologies, Your Honor.</p> <p>22 A The answer is yes, that's what I wrote. It's in the</p> <p>23 book.</p> <p>24 Q Okay. Thank you.</p> <p>25 These are your words in the book, correct?</p>		<p>1 you were part of the process of inflating the SOFCs?</p> <p>2 MS. FAHERTY: Just to clarify, I've lost this line</p> <p>3 of questioning. Who is the "them?"</p> <p>4 Q Okay. Let me restart it. Let's just be clear. I</p> <p>5 appreciate that.</p> <p>6 THE COURT: Withdrawn?</p> <p>7 MS. HABBA: Withdrawn.</p> <p>8 MS. FAHERTY: Thank you, Your Honor.</p> <p>9 Q Mr. Cohen, you have testified between yesterday and</p> <p>10 today that you were personally responsible for drafting and</p> <p>11 coming up with numbers in the SOFCs; correct?</p> <p>12 A Which I did at the direction of Mr. Trump.</p> <p>13 Q That's not what I asked you, Mr. Cohen.</p> <p>14 Yes or no did you partake?</p> <p>15 A I did.</p> <p>16 Q Okay. And you told the District Attorney's Office that</p> <p>17 you did this; correct?</p> <p>18 A I can't go into that. There is another case that's</p> <p>19 pending right now. It's improper.</p> <p>20 Q Not really because you've testified -- I'm sorry.</p> <p>21 But you testified they were there, so if you told them,</p> <p>22 you told them; right?</p> <p>23 MS. FAHERTY: Your Honor, if I could --</p> <p>24 MS. HABBA: It's not --</p> <p>25 THE COURT: Your microphone isn't working.</p>	

<p>M. Cohen - Plaintiff - cross (Habba) Page 2342</p> <p>1 MS. FAHERTY: Can you hear me? If I can raise an 2 objection here. I think this record at this point is a bit 3 muddled and confusing. There was an excerpt from 4 Mr. Cohen's book that we were just looking at. The 5 questions were focused on the excerpt in the book. We have 6 now closed the book. We're talking about themes, we're 7 talking about the DA. It is untethered. I'm a bit confused 8 where this line of questioning is going and I would really 9 ask that we keep it focused and direct. I don't understand 10 what testimony is being elicited and I will say there is a 11 parallel DANY proceeding, so I'm a bit concerned that the 12 line of questioning is going beyond the scope of this case 13 and bleeding into another case. So I'm just raising my 14 concern that this line of questioning which started with the 15 book is now untethered and I don't know where we actually 16 are with this testimony.</p> <p>17 MR. KISE: Well, Your Honor, if you're going to 18 side with me I'm not going to say anything.</p> <p>19 THE COURT: You're learning.</p> <p>20 Well, sustained solely on the ground that I think 21 it's unclear who "they" are, etc., etc.. I like to go with 22 the simple rulings.</p> <p>23 MS. FAHERTY: Thank you, Your Honor.</p> <p>24 THE COURT: So without prejudice obviously to 25 whatever you want to ask about.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2344</p> <p>1 Q I'm not going to get into the conversations, just so 2 you know.</p> <p>3 Are you aware that he noted in his book that there are 4 significant risks with using you as a witness because of your 5 credibility?</p> <p>6 A I didn't read his book.</p> <p>7 Q Okay. Prior to termination of your professional 8 relationship with him, you had a very high --</p> <p>9 A I'm sorry, who is "him?"</p> <p>10 Q If you let me finish my question.</p> <p>11 You had a very high regard of President Trump; is that 12 correct?</p> <p>13 A Correct.</p> <p>14 Q And in the past you had a long history of praising 15 Mr. Trump, isn't that right, Mr. Cohen?</p> <p>16 A Also correct.</p> <p>17 Q In fact, you stated that you worshipped him. Isn't 18 that correct?</p> <p>19 A Yes, that's correct.</p> <p>20 Q And you testified under oath before Congress that you 21 are very proud to have served Donald Trump and that you would 22 continue to support him. Isn't that correct?</p> <p>23 A I don't know what you're referring to.</p> <p>24 Q Okay.</p> <p>25 A I testified seven times to congressional committees.</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2343</p> <p>1 MS. HABBA: Sure.</p> <p>2 Q Mr. Cohen, no charges were ever brought against you 3 personally by DANY in connection with your work on the Statement 4 of Financial Conditions, were they?</p> <p>5 A No.</p> <p>6 THE COURT: DANY is the District Attorney of New 7 York. Not everybody knows.</p> <p>8 MS. HABBA: Thank you, Your Honor.</p> <p>9 Q And, in fact, no claims were ever made against you by 10 the New York Attorney General, were they?</p> <p>11 A No.</p> <p>12 Q But you have claimed in your testimony that you are an 13 essential player in inflating the assets in the SOFC; correct?</p> <p>14 A I stated that, yes.</p> <p>15 Q And despite all of that you were never named as a 16 defendant in this case, were you?</p> <p>17 A I am not named as a defendant in this case.</p> <p>18 Q So the Attorney General must not believe that your 19 story is credible; is that correct?</p> <p>20 A You are drawing a conclusion that I don't know. You 21 could ask Ms. James.</p> <p>22 ATTORNEY GENERAL JAMES: I object.</p> <p>23 THE COURT: We're still researching that one.</p> <p>24 Q You even met with Mr. Pomerantz; correct?</p> <p>25 A I have met with Mr. Pomerantz, yes.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2345</p> <p>1 Which one?</p> <p>2 MS. HABBA: Can we please pull it up on 102, D 960?</p> <p>3 Thank you.</p> <p>4 Q Mr. Cohen, you were interviewed by -- in an Executive 5 Session. It was a closed-door session with the Permanent Select 6 Committee on Intelligence, the U.S. House of Representatives on 7 October 24, 2017. Do you recall that?</p> <p>8 A I do.</p> <p>9 Q Okay. And that was closed to the public; right?</p> <p>10 A That was.</p> <p>11 Q This is a transcript from that. As you can see it's an 12 unclassified transcript from that hearing. Do you see that?</p> <p>13 A I do.</p> <p>14 MS. HABBA: Go back to the front page if you need. 15 At D 960 -- can you please scroll up?</p> <p>16 Q You state -- sorry.</p> <p>17 MS. HABBA: The next page.</p> <p>18 Q Mr. Cohen, it says, "I am very proud to have served 19 Donald Trump for all these years, and I will continue to support 20 him." Do you now remember saying that?</p> <p>21 A This is the document that was prepared by the entire 22 group that I referred in the direct. This was done by myself 23 with Alan Garten, this was done with Jay Sekulow, with a whole 24 slew of individuals, but yes, I did make that statement.</p> <p>25 Q You made that statement in front of that committee;</p>

<p>1 As far as exchanging of documents we have been the</p> <p>2 ones who have been vigilant. Every night the Attorney</p> <p>3 General is sending us five more, 50 more, a hundred more</p> <p>4 documents. That's the way this process works.</p> <p>5 Ms. Habba is allowed to ask Mr. Cohen a question.</p> <p>6 Based on what his answers are and then make the</p> <p>7 determination whether the document be put into evidence or</p> <p>8 not.</p> <p>9 Ms. Faherty now objecting to us being able to lay a</p> <p>10 foundation when for weeks now I have listened to them recite</p> <p>11 from documents that were not in evidence because we assumed</p> <p>12 subject to connection they would come in and they did is</p> <p>13 just grandstanding. Let's let Ms. Habba proceed and then</p> <p>14 when an application is made to put in evidence, the Court</p> <p>15 will deal with it.</p> <p>16 THE COURT: I do think that the Attorney General's</p> <p>17 objection or interruptions is premature. A document is put</p> <p>18 on the screen, I haven't heard anything. I stand corrected.</p> <p>19 Somebody said that this document was in evidence. I don't</p> <p>20 care who, but can we agree it's not in evidence?</p> <p>21 MS. HABBA: It's not in evidence. It was provided</p> <p>22 to the AG pursuant to your rules two days ago.</p> <p>23 THE COURT: Of course. That's hardly in evidence.</p> <p>24 And I will say something else in response to Mr. Kise's</p> <p>25 comments on respect. I agree respect isn't mandatory or</p>		<p>1 Q Mr. Cohen, do you recall in a political article dated</p> <p>2 July 29, 2015 that you stated, "The fact is Mr. Trump has built</p> <p>3 a \$10 billion-plus empire, employs thousands of people, has</p> <p>4 worked with many leaders around the globe successfully and is</p> <p>5 considered one of the best negotiators in history. These are</p> <p>6 all qualifications essential to being a great president."</p> <p>7 A I made that statement.</p> <p>8 Q Thank you. And at that time, you thought Mr. Trump had</p> <p>9 all the qualifications necessary to be a great president,</p> <p>10 correct?</p> <p>11 THE COURT: That's not what we are here for, by the</p> <p>12 way, obviously.</p> <p>13 MS. HABBA: Your Honor, it actually goes to</p> <p>14 credibility. I can explain.</p> <p>15 THE COURT: All right. I'll -- I didn't say you</p> <p>16 couldn't ask it, but -- or read it, but I just want to make</p> <p>17 sure we're focusing on why we're here, not external matters.</p> <p>18 MS. HABBA: Absolutely. Absolutely.</p> <p>19 THE COURT: Okay.</p> <p>20 A Can you state the question?</p> <p>21 MS. HABBA: Could I, please, get a readback? Was</p> <p>22 there a question?</p> <p>23 THE WITNESS: I don't know.</p> <p>24 Q I just asked you if you stated that.</p> <p>25 A I stated, "yes."</p>

<p>1 assumed. It's earned, but in this courtroom I want</p> <p>2 everybody to respect each other.</p> <p>3 MR. KISE: And I certainly think I have done that,</p> <p>4 Your Honor, while I have suffered through an awful lot at</p> <p>5 the hands of the Attorney General in this case throughout</p> <p>6 this case. It has been extraordinary in my experience,</p> <p>7 extraordinary.</p> <p>8 THE COURT: I'm not going to second that. Yes, I</p> <p>9 don't know what you have or haven't. So in the courtroom,</p> <p>10 no. I haven't seen it, but anyway, all right. We now have</p> <p>11 a document on. It's not in evidence and we'll ask Ms. Habba</p> <p>12 to proceed.</p> <p>13 Transcript continues on the following page....</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 Q We could do a readback if you want to make sure you</p> <p>2 answered, if Your Honor would like.</p> <p>3 THE COURT: I am pretty sure he answered.</p> <p>4 MS. HABBA: He stated it. He answered the</p> <p>5 question.</p> <p>6 Q Mr. Cohen, do you recall in a Reuter's article being</p> <p>7 quoted saying that "President Trump's record at the time" --</p> <p>8 "Mr. Trump's record was proof of" -- "his success was proof</p> <p>9 positive of Mr. Trump's character and capabilities."</p> <p>10 Do you recall that?</p> <p>11 A Is that another 2015 article?</p> <p>12 Q That was dated August 28, 2015, yes.</p> <p>13 A Can I see it?</p> <p>14 Q Sure. We can pull it up. This is D993- 4.</p> <p>15 Mr. Cohen, you can see on the bottom that it</p> <p>16 says -- from the reuters.com website, correct?</p> <p>17 A Yes, I see that.</p> <p>18 Q You see we highlighted for you the section, "Trump</p> <p>19 lawyer Michael Cohen stated Trump's record of success was "proof</p> <p>20 positive of Mr. Trump's character and capabilities."</p> <p>21 Do you see that?</p> <p>22 A Yes, I see that.</p> <p>23 Q And do you now recall saying that in this article for</p> <p>24 Reuters on August 28, 2015?</p> <p>25 A I'm sorry. Your question is?</p>

<p>1 THE COURT: Do you remember saying it to Reuters?</p> <p>2 THE WITNESS: Yes, I said this to Reuters.</p> <p>3 MS. HABBA: I am saying it, so I don't -- I am</p> <p>4 laying a foundation, so I don't get an objection. I will</p> <p>5 move on.</p> <p>6 MS. FAHERTY: For the sole purpose that this is an</p> <p>7 article that captures this statement, no objection. I mean,</p> <p>8 I'll also highlight this article also says, "For Trump,</p> <p>9 exaggerating has always been a frequent impulse especially</p> <p>10 when the value of his Trump brand is disputed." If counsel</p> <p>11 wants that in evidence --</p> <p>12 THE COURT: You can do that on re-direct or</p> <p>13 whatever.</p> <p>14 MS. FAHERTY: This is, otherwise, a hearsay</p> <p>15 document, Your Honor. So for the purposes of that one</p> <p>16 statement --</p> <p>17 THE COURT: Admitted just for the fact that he said</p> <p>18 it.</p> <p>19 MS. HABBA: That's it.</p> <p>20 MS. FAHERTY: Thank you.</p> <p>21 MS. HABBA: That is, frankly, the only thing I</p> <p>22 asked. "Did you say that in this article," period.</p> <p>23 Q You said "yes, correct." Just so we are clear we have</p> <p>24 an answer, can I have a readback?</p> <p>25 THE COURT: Did you say "yes" that you said this to</p>		<p>1 Q And can you read that for me, please, what you Tweeted?</p> <p>2 A "Thank you... and believe wholeheartedly that only</p> <p>3 #trumpwill#makeamericagreatagain."</p> <p>4 Q Okay. And you tagged "realdonaldtrump," correct?</p> <p>5 A Yes, I did.</p> <p>6 Q That's President Trump's Twitter account?</p> <p>7 A Yes.</p> <p>8 Q You tagged "womenforcohen?"</p> <p>9 A Yes.</p> <p>10 MS. HABBA: I would like to admit the Tweet into</p> <p>11 evidence as D995, please?</p> <p>12 MS. FAHERTY: No objection.</p> <p>13 THE COURT: Admitted into evidence.</p> <p>14 (Whereupon, the Document was marked in evidence as</p> <p>15 Plaintiff's Exhibit D995.)</p> <p>16 Q So Mr. Cohen, after Mr. Trump was elected as president,</p> <p>17 you expected to get a position in The White House, didn't you?</p> <p>18 A Incorrect.</p> <p>19 Q Incorrect. You didn't -- you did not think you were</p> <p>20 going to go to the White House? Is that your testimony today?</p> <p>21 A I didn't want to go to the White House.</p> <p>22 Q My question to you was after Mr. Trump was elected as</p> <p>23 president, you expected to be given a position in the White</p> <p>24 House; is that correct?</p> <p>25 A I received the position that I had asked for.</p>

<p>1 the reporter?</p> <p>2 THE WITNESS: Yes, I did.</p> <p>3 THE COURT: You have to say it into the microphone.</p> <p>4 THE WITNESS: I did.</p> <p>5 Q Mr. Cohen, you frequently defended Mr. Trump and stated</p> <p>6 that he was the only one person who -- "person that could make</p> <p>7 America great again"?</p> <p>8 A Again, 2015?</p> <p>9 Q No, 2016.</p> <p>10 A Yes.</p> <p>11 Q Did you do it in 2015, too?</p> <p>12 A I did.</p> <p>13 Q Okay. Do you remember Tweeting, "Thank you and believe</p> <p>14 wholeheartedly that only Trump will make America great again on</p> <p>15 July 13, 2016"?</p> <p>16 A Off the top of my head, no, I don't recall that.</p> <p>17 MS. HABBA: If we pull up the Tweet from July 13,</p> <p>18 2016.</p> <p>19 Q Mr. Cohen, is that your handle on Twitter or what is</p> <p>20 now X?</p> <p>21 A Yes.</p> <p>22 Q It is dated July 13, 2016, correct?</p> <p>23 A Yes.</p> <p>24 Q 6:15 a.m.?</p> <p>25 A That's what it says.</p>		<p>1 Q But you thought you were going to be named chief of</p> <p>2 staff?</p> <p>3 A No, I did not. It was a joke that went along because</p> <p>4 of my relationship to Mr. Trump. I asked for and I received</p> <p>5 from Mr. Trump the position of personal attorney to President</p> <p>6 Donald J. Trump.</p> <p>7 MS. HABBA: Okay. I would like to pull up D58-3,</p> <p>8 please.</p> <p>9 Q Mr. Cohen, was your home raided by the FBI?</p> <p>10 A Yes, it was.</p> <p>11 Q When the FBI raided your home, did they take your</p> <p>12 phone?</p> <p>13 A They took both of my phones.</p> <p>14 Q Okay. And were a series of text messages attached as a</p> <p>15 memo in opposition to a motion to reduce your sentence?</p> <p>16 A I don't even know what you're talking about.</p> <p>17 Q Okay. I'll represent to you that this is part of a</p> <p>18 docket number 1:18-CR-602. It is on the screen. It's in the</p> <p>19 court docket as 58-2. It is United States vs. Cohen. This is a</p> <p>20 printout attached to a memo that was submitted by the government</p> <p>21 with text messages from your cellphone that they seized by a</p> <p>22 subpoena and search warrant. Do you recognize that?</p> <p>23 A I don't.</p> <p>24 Q Okay. Well --</p> <p>25 MS. FAHERTY: Your Honor, I am just going to put an</p>

<p>1 objection on the record to this. It might be premature, but</p> <p>2 I'm going to state my objection now. It just seems like</p> <p>3 we're delving in a trial within a trial within a trial and</p> <p>4 re-litigating issues in the Southern District case. I'm</p> <p>5 noting my objection to this exhibit coming in.</p> <p>6 MS. HABBA: This has nothing to do with that.</p> <p>7 THE COURT: Overruled without prejudice.</p> <p>8 MS. HABBA: Thank you, Your Honor.</p> <p>9 Q If you see --</p> <p>10 MS. HABBA: Can you blow up the text messages here.</p> <p>11 Thank you.</p> <p>12 Q It states, "Person 4, Cohen or Powell, will be chief of</p> <p>13 staff. Cohen, that's you, that's your text message. Neither.</p> <p>14 Person 4, who then? Now this is you. Really, question mark.</p> <p>15 Person 4, if Powell, she'd be the first woman." Again, they</p> <p>16 say, "not Jared. Too close." Not Jared, you're speaking</p> <p>17 about -- I assume that's Jared Kushner?</p> <p>18 A Again, I don't recognize this document. No, I don't.</p> <p>19 Q This is from the FBI when they seized your phone.</p> <p>20 A Okay.</p> <p>21 Q Cohen really --</p> <p>22 A Who's Person 4?</p> <p>23 Q I don't know and it is irrelevant quite honestly.</p> <p>24 A Well, it's not irrelevant.</p> <p>25 Q Okay. Is your name Cohen?</p>		<p>1 you keep interrupting me which frankly, I have not done to</p> <p>2 you and had courtesy with you, which I'm getting a little</p> <p>3 frustrated. But I understand you don't like some of this</p> <p>4 testimony, so if you like, we can finish, and I can make a</p> <p>5 ruling, but you keep interrupting me.</p> <p>6 THE COURT: Remember, everybody, there's no jury</p> <p>7 here.</p> <p>8 MS. HABBA: I understand, but Your Honor --</p> <p>9 THE COURT: Nobody is interrupting you</p> <p>10 particularly. I'm just telling everyone.</p> <p>11 MR. KISE: Unfortunately, there isn't.</p> <p>12 THE COURT: So you don't ordinarily have juries</p> <p>13 maybe.</p> <p>14 MR. KISE: Your Honor, as to this document, again,</p> <p>15 it's impeachment. It goes to credibility. We're certainly</p> <p>16 entitled to explore all the many ways in which this witness</p> <p>17 has twisted, moved, shifted very -- you know -- so that's</p> <p>18 all we're doing and I think that's appropriate.</p> <p>19 THE COURT: Objection overruled. Just go ahead.</p> <p>20 MS. HABBA: Thank you. If we could scroll down.</p> <p>21 Thank you.</p> <p>22 Q Person 4 states, "not Ivanka, too close. You state,</p> <p>23 keep guessing, dopey. Person 4, stop. You, question mark."</p> <p>24 Then you state, "I will give you a hint... yes."</p> <p>25 Do you see that, Mr. Cohen?</p>	
M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2359	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2361
<p>1 A That is my name.</p> <p>2 MS. FAHERTY: Your Honor, again, I'm going to state</p> <p>3 my objection.</p> <p>4 THE COURT: Give me your best shot. What's your</p> <p>5 best objection?</p> <p>6 MS. FAHERTY: First of all, we've already had</p> <p>7 testimony from the witness saying he does not recognize this</p> <p>8 document. We have log entries here indicating that there is</p> <p>9 a Person-4. Based on Ms. Habba's representation, is she</p> <p>10 asking the Court to accept the statements of these</p> <p>11 outside-of-the-court persons or Person 4 for the truth of</p> <p>12 the matter asserted?</p> <p>13 There's inherent hearsay problems with this</p> <p>14 document. And again, I think we're devolving into a trial</p> <p>15 of what? How is it relevant to the matters at hand, Your</p> <p>16 Honor? So again, I note my objection to this document,</p> <p>17 please.</p> <p>18 THE COURT: Any response, Ms. Habba?</p> <p>19 MS. HABBA: Motive, Your Honor, motive and</p> <p>20 credibility. And I will show Mr. Cohen's comments and the</p> <p>21 only comments that are relevant are Mr. Cohen's comments.</p> <p>22 These are his text messages. It was submitted on the docket</p> <p>23 by the FBI. It is unsealed. There is no question of that.</p> <p>24 Unless you're -- it is not hearsay.</p> <p>25 I'm -- if you let me finish, I can get to it, but</p>		<p>1 A I see that.</p> <p>2 Q Okay. The person responds, "Oh, my God. Please be</p> <p>3 true. Are you serious. You need to." And then you say --</p> <p>4 A That's why Person No. 4 is important to know what it</p> <p>5 is.</p> <p>6 Q Mr. Cohen, I'm not finished.</p> <p>7 THE WITNESS: Sorry, Your Honor.</p> <p>8 Q You state, "He needs to ask." Do you see that?</p> <p>9 A I see that.</p> <p>10 Q Okay. So in your -- first of all, I'd like to submit</p> <p>11 this into evidence. It has already been on the docket, as I</p> <p>12 said, in 1:18 CR-602, D958-3.</p> <p>13 THE COURT: Hearsay. An out-of-court statement</p> <p>14 being introduced to prove the truth of its contents -- are</p> <p>15 you introducing it to prove the truth of its contents?</p> <p>16 MS. HABBA: I'm proving it to impeach the witness</p> <p>17 who stated that he did not want that job. So the truth of</p> <p>18 the contents is yes, he stated in a text that he wanted that</p> <p>19 job. Solely to Mr. Cohen, Your Honor.</p> <p>20 THE COURT: You know, I try to use commonsense when</p> <p>21 I'm applying rules. Objection overruled. It's in. I find</p> <p>22 enough of a foundation has been laid.</p> <p>23 MS. HABBA: Thank you very much, Your Honor.</p> <p>24 Q And you were never given a position in the White House,</p> <p>25 were you, Mr. Cohen; yes or no?</p>	

M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2362	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2364
<p>1 A I was given the position --</p> <p>2 Q Yes or no?</p> <p>3 A -- that I asked for. There was no shame in being</p> <p>4 personal attorney to the president.</p> <p>5 Q We'll get to that, but my question is were you given a</p> <p>6 position in the White House?</p> <p>7 A I didn't ask for a position.</p> <p>8 THE COURT: No. No. You have to answer the</p> <p>9 question.</p> <p>10 THE WITNESS: It's a question I -- I don't know</p> <p>11 how I'm going to be given it if you don't ask for it.</p> <p>12 THE COURT: Hold on.</p> <p>13 Q Okay.</p> <p>14 THE COURT: Hold on. I don't know whether special</p> <p>15 counsel or counsel to the president or personal counsel -- I</p> <p>16 don't know whether that's in or out of the White House, but</p> <p>17 you know, other than that, you have to answer the question.</p> <p>18 If you don't know whether your job was in or out of the</p> <p>19 White House, say that; but, otherwise, you were or you</p> <p>20 weren't.</p> <p>21 Q Mr. Cohen, did you ever go to the White House as a</p> <p>22 position as an employee for the President of the United States</p> <p>23 Donald Trump?</p> <p>24 A No.</p> <p>25 Q Thank you.</p>		<p>1 you do." Do you read that?</p> <p>2 A Yes.</p> <p>3 Q Were those your words?</p> <p>4 A My words.</p> <p>5 MS. HABBA: I would like to admit Disloyal 341 into</p> <p>6 evidence, please.</p> <p>7 THE COURT: Granted. It is in.</p> <p>8 (Whereupon, the Document was marked in evidence as</p> <p>9 Plaintiff's Exhibit 341.)</p> <p>10 MS. HABBA: Thank you.</p> <p>11 Q Back when you acted as personal counsel to President</p> <p>12 Trump, you launched a personal company known as Essential</p> <p>13 Consultants, LLC as a way of cashing in on your relationship</p> <p>14 with the President of the United States; isn't that correct?</p> <p>15 A No, that's not correct.</p> <p>16 Q That's not correct. Okay.</p> <p>17 MS. HABBA: Let's turn to page 341 again.</p> <p>18 Q It is up. Take a minute to read it. Let me mow when</p> <p>19 you're ready.</p> <p>20 (Witness reviewing document.)</p> <p>21 Q "After the election, I set myself up in a New York</p> <p>22 office of Squire Patton Boggs"?</p> <p>23 A I don't see where you are.</p> <p>24 Q At the top, it is highlighted. "A top-tier law firm</p> <p>25 located at Rockefeller Plaza as a strategic alliance which</p>	
M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2363	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2365
<p>1 Around that same time, you found other ways to</p> <p>2 personally benefit from your relationship with Mr. Trump,</p> <p>3 correct?</p> <p>4 A I'm sorry. And what time frame are you referring to?</p> <p>5 Q When the president or -- when Mr. Trump became</p> <p>6 President Trump, you found ways to benefit from your</p> <p>7 relationship with Mr. Trump, didn't you?</p> <p>8 A Yes.</p> <p>9 Q In fact, didn't you candidly admit that you previously</p> <p>10 cashed in on your relationship with President Trump?</p> <p>11 A I don't know where you are referring to.</p> <p>12 MS. HABBA: Could you, please, pull up Disloyal at</p> <p>13 page 341.</p> <p>14 Q Mr. Cohen, did you write a book entitled, "Disloyal"?</p> <p>15 A I did.</p> <p>16 Q Is this -- does this appear to be what was the cover</p> <p>17 that was just up from Disloyal?</p> <p>18 A I'm sorry?</p> <p>19 MS. HABBA: Can you go back, please. You just had</p> <p>20 the cover up.</p> <p>21 Q Is that your book?</p> <p>22 A That is.</p> <p>23 Q Okay. Can you, please, turn to page 341. Can you read</p> <p>24 the part where it says -- the second red box, "Was I cashing in</p> <p>25 on my relationship with Trump? Of course, I was. What would</p>		<p>1 really meant the partners could brag to their clients that the</p> <p>2 personal attorney to the President of the United States,</p> <p>3 President Trump, was part of their outfit. I was also using my</p> <p>4 company Essential Consultants to take on clients like AT&amp;T,</p> <p>5 Novartis, Columbus Nova and BTA Bank, high-level companies</p> <p>6 desperate for insights and connections to the President and</p> <p>7 willing to pay for their assistance."</p> <p>8 Did you read that?</p> <p>9 A You read it.</p> <p>10 Q Did you read it?</p> <p>11 A I wrote it.</p> <p>12 Q Correct. You wrote it. So those are your words,</p> <p>13 right, Mr. Cohen?</p> <p>14 A Yes, those are my words.</p> <p>15 Q So when you said you didn't -- my question to you was</p> <p>16 did you launch a company known as Essential Consultants as a way</p> <p>17 of cashing in on your relationship with the President of the</p> <p>18 United States? You did, didn't you, Mr. Cohen?</p> <p>19 A Again, no.</p> <p>20 Q You --</p> <p>21 A Let me explain.</p> <p>22 Q It is a yes-or-no question, Mr. Cohen.</p> <p>23 A There is no --</p> <p>24 THE COURT: You can explain on re-direct.</p> <p>25 MS. HABBA: Thank you.</p>	

M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2366	M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2368
<p>1 Q And didn't you primarily use this company to secure</p> <p>2 lucrative clients that were "desperate" for connections to</p> <p>3 President Trump such as AT&amp;T, Novartis, Columbus Nova and BTA</p> <p>4 Bank?</p> <p>5 A Insights and connections, yes.</p> <p>6 Q I'm sorry. What was that word that you said?</p> <p>7 A Insights and connections.</p> <p>8 Q You're reading that from your book?</p> <p>9 A Correct.</p> <p>10 MR. HABBA: Okay. I would like to submit Disloyal,</p> <p>11 page 344 -- 341, excuse me, into evidence.</p> <p>12 THE COURT: Granted. It is in evidence.</p> <p>13 MS. HABBA: Thank you.</p> <p>14 (Whereupon, the Document was marked in evidence as</p> <p>15 Plaintiff's Exhibit 341.)</p> <p>16 Q And Essential Consulting ultimately received payments</p> <p>17 of more than \$4 million; isn't that correct?</p> <p>18 A Correct.</p> <p>19 Q Similarly, didn't you also enter into a strategic</p> <p>20 alliance with Squire Patton Boggs where you were paid half a</p> <p>21 million dollars annually to further capitalize on your</p> <p>22 relationship again with President Donald Trump?</p> <p>23 A As well as my other relationships, yes.</p> <p>24 Q That was not the question. Your book that we just had</p> <p>25 up said Squire Patton Boggs wanted a relationship with you</p>		<p>1 A Not all my animosity.</p> <p>2 Q But despite your animosity, you continue to financially</p> <p>3 benefit from President Trump, don't you?</p> <p>4 A No.</p> <p>5 Q No?</p> <p>6 A No.</p> <p>7 Q Since your release from prison, Mr. Cohen, your career</p> <p>8 has shifted from the practice of law towards entertainment and</p> <p>9 media; isn't that correct?</p> <p>10 A Can you define "entertainment and media"?</p> <p>11 Q Sure. Mr. Cohen, you have made a career out of</p> <p>12 publicly attacking President Trump, haven't you?</p> <p>13 A Yes.</p> <p>14 Q In fact, a substantial amount of your present day</p> <p>15 income is derived from publicly criticizing President Trump;</p> <p>16 isn't that right?</p> <p>17 A Amongst other people, yes. It is not Mr. Trump only.</p> <p>18 Q Okay.</p> <p>19 A It discusses news of the day.</p> <p>20 Q So your testimony -- so is that a yes or a no?</p> <p>21 A That would be a no.</p> <p>22 Q That would be a no, okay.</p> <p>23 MS. HABBA: Can we, please, pull up the transcript</p> <p>24 from Galicia.</p> <p>25 Q Mr. Cohen, do you remember the Galicia case that you</p>

<p>1 because of President Trump, did it not?</p> <p>2 A It did.</p> <p>3 Q Okay. And the purpose of this strategic alliance was</p> <p>4 that -- so that the partners of Squire Patton "brag to their</p> <p>5 clients that the personal attorney to the President of the</p> <p>6 United States was part of their outfit." Didn't you say that?</p> <p>7 A I said that.</p> <p>8 Q And today, you have significant animosity towards</p> <p>9 President Trump, don't you?</p> <p>10 A Do I have animosity towards him? Yes.</p> <p>11 Q That was the question.</p> <p>12 A Yes, I do.</p> <p>13 Q Yes, you do.</p> <p>14 In fact, you often go on social media, don't you,</p> <p>15 stating all of your animosity?</p> <p>16 A I use social media.</p> <p>17 Q That wasn't my question.</p> <p>18 MS. HABBA: Can you, please, read back the</p> <p>19 question.</p> <p>20 THE COURT: Read back, please. And his response</p> <p>21 was not responsive. It did not answer the question.</p> <p>22 MS. HABBA: Thank you.</p> <p>23 THE COURT: Readback.</p> <p>24 (Whereupon, the requested portion of the record was</p> <p>25 read back.)</p>		<p>1 and I were involved in?</p> <p>2 A I was a subpoenaed witness, yes.</p> <p>3 Q You remember that I deposed you, correct?</p> <p>4 A I remember.</p> <p>5 Q This is a copy of the transcript from that deposition.</p> <p>6 Just to lay a foundation, index number 24973/2015. Galicia vs.</p> <p>7 Donald Trump. The date on that is May 9, 2022. Do you see</p> <p>8 that?</p> <p>9 A I see that.</p> <p>10 Q And the time was 10:11. It was the deposition of</p> <p>11 non-party witness Michael Cohen. Do you see that?</p> <p>12 A I do.</p> <p>13 Q It was held at Belkin Burden Goldman in New York and I</p> <p>14 deposed you at that time. Do you remember that?</p> <p>15 A I recall.</p> <p>16 MS. HABBA: If you could please switch to 103:19.</p> <p>17 THE COURT: Five-minute warning.</p> <p>18 MS. HABBA: Thank you, Your Honor.</p> <p>19 Q My question:</p> <p>20 "What do you do for to raise money?"</p> <p>21 You said, "You mean for a living?"</p> <p>22 I said, "Yes."</p> <p>23 You said, "Yes. I'm writing a second book which will</p> <p>24 be called The Department of Injustice. I have a podcast</p> <p>25 called Mea Culpa, top 50 podcast in the country. I am also</p>

<p>1 now placing them on YouTube and I also have on YouTube</p> <p>2 Michael Cohen Reacts which is I react to the news of the</p> <p>3 day or something that I find interesting in the news."</p> <p>4 And my question was:</p> <p>5 "What do you find interesting in the news, Mr. Cohen?"</p> <p>6 You said, "Everything."</p> <p>7 And I said, "Let's"-- "Now, let's go one by one. Mea</p> <p>8 Culpa is the podcast, correct?"</p> <p>9 You said, "Correct."</p> <p>10 "What do you discuss on Mea Culpa?"</p> <p>11 Your response, "Politics, sometimes cult deprogramming,</p> <p>12 various different issues."</p> <p>13 "Do you discuss any of the defendants in this case on</p> <p>14 Mea Culpa?"</p> <p>15 Your response was, "I do."</p> <p>16 "Who would that be," I asked.</p> <p>17 "Former President Donald Trump."</p> <p>18 And I asked you how frequently just as I'm asking</p> <p>19 you today.</p> <p>20 "How frequently do you discuss former President Donald</p> <p>21 Trump?"</p> <p>22 Your response said, "Every podcast at some point has</p> <p>23 him included in it."</p> <p>24 Do you see that, Mr. Cohen?</p> <p>25 A I do.</p>		<p>1 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>2 session. Please be seated and come to order.</p> <p>3 THE COURT: Ms. Habba, before you take -- the</p> <p>4 lectern has nothing do with you, but sometime prior to</p> <p>5 today, I think it was about a week ago -- no, two or three</p> <p>6 weeks ago --</p> <p>7 (Whereupon, there is a pause in the proceedings.)</p> <p>8 THE COURT: Withdrawn. Let's start from scratch.</p> <p>9 Towards the very start of this trial, defendant</p> <p>10 Donald J. Trump posted on his social media account or one of</p> <p>11 them, I think it was Truth Social, defamatory, disparaging,</p> <p>12 completely untrue statements about the law clerk sitting to</p> <p>13 my right. I asked that they be taken down.</p> <p>14 I was told ten minutes later they were taken down;</p> <p>15 turns out they weren't. They remained online and were</p> <p>16 e-mailed to thousands of people. I don't remember exactly</p> <p>17 how many. They were online for I believe it was 17 days.</p> <p>18 At that point when I was alerted to it, I issued a</p> <p>19 limited gag order and told Counsel, the parties, that I was</p> <p>20 forbidding -- this is a quote, "All parties from posting,</p> <p>21 e-mailing or speaking publicly about any members of my</p> <p>22 staff," unquote.</p> <p>23 I am very protective of my staff, as I believe I</p> <p>24 should be. We all know that we are in what I called at some</p> <p>25 point, an overheated environment. I don't want anybody</p>	
	Page 2371	M. Cohen - Plaintiff - cross (Habba)	Page 2373
<p>1 Q Okay. So when I asked you do you discuss President</p> <p>2 Trump every time you are on your podcast or social media, you</p> <p>3 said -- let me just ask the question.</p> <p>4 Do you recall that you said that every podcast at some</p> <p>5 point has included Donald Trump?</p> <p>6 A I said it, yes.</p> <p>7 Q Thank you.</p> <p>8 MS. HABBA: Your Honor, this might be a good</p> <p>9 stopping point.</p> <p>10 THE COURT: Okay. Just to make it simple, let's</p> <p>11 all be back at 11:45.</p> <p>12 (Whereupon, a recess was taken.)</p> <p>13 (Continued on the next page.)</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 killed.</p> <p>2 It was just brought to my attention that the</p> <p>3 Associated Press reported, I wasn't there, this is the</p> <p>4 Associated Press, that Mr. Donald J. Trump just stated the</p> <p>5 following to the press outside the courtroom:</p> <p>6 "This judge is a very partisan judge with a person</p> <p>7 who is very partisan sitting alongside him, perhaps even</p> <p>8 much more partisan than he is."</p> <p>9 Now, it's very easy for the public, for anyone to</p> <p>10 know who that person is.</p> <p>11 MS. HABBA: Your Honor, sorry --</p> <p>12 MR. KISE: Let me -- I hate to interrupt.</p> <p>13 THE COURT: No, don't interrupt me. I'll give you</p> <p>14 plenty of time.</p> <p>15 MR. KISE: Okay. I think you're under a</p> <p>16 misapprehension.</p> <p>17 THE COURT: All right. You'll correct me.</p> <p>18 MR. KISE: Fair enough.</p> <p>19 THE COURT: The last time that this gag order was</p> <p>20 violated by the incorrect statement that the post had been</p> <p>21 taken down it was actually copied to another post but that</p> <p>22 wasn't taken down. I accepted the explanation that it was</p> <p>23 inadvertent, I imposed a minimal fine. This recent</p> <p>24 statement, assuming the Associated Press is correct,</p> <p>25 obviously was intentional.</p>	

<p>M. Cohen - Plaintiff - cross (Habba) Page 2374</p> <p>1 I stated the last time that a -- any future 2 violations would be severely punished. 3 I will now give Mr. Kise or anyone else who wants 4 to a chance to respond. And, again, I'll ask the question 5 why should there not be severe sanctions for this blatant, 6 dangerous disobeyal of a court order. 7 MR. KISE: Your Honor, my understanding of what he 8 said and the way I understood it and I believe Mr. Trump 9 will tell you I believe he's talking about Michael Cohen 10 sitting next to you who is even more partisan -- I mean, his 11 whole commentary out there related to Michael Cohen and his 12 credibility as a witness and so forth. We're certainly well 13 aware of the order, so that's the way I took the statement 14 and I believe that's the way it was intended, but I'll -- I 15 don't want -- I don't know any other way to say it but that. 16 THE COURT: Well, can we ask Mr. Trump to whom he 17 was referring? 18 MR. KISE: I have asked him. I mean, if you'd like 19 to ask him, I have asked and that is exactly what he said 20 because he's tired of listening. I don't want to go on a 21 speech. He's tired of listening to what he's hearing and 22 it's very partisan and you know the rest. 23 THE COURT: Sitting alongside of him. The person 24 sitting alongside of me the way I would normally interpret 25 those words is my principal law clerk. There is a barrier</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2376</p> <p>1 MS. HABBA: Thank you. 2 (Whereupon, the witness enters the courtroom and 3 approaches the witness stand.) 4 CONTINUED CROSS EXAMINATION 5 BY MS. HABBA: 6 Q Mr. Cohen, you didn't speak to anybody during your 7 break, your attorney or anybody from the Attorney General's 8 Office, did you? 9 A I spoke to my attorneys. 10 Q Did you speak to them about your testimony? 11 A No. 12 Q Did you speak to them about this case? 13 A No. 14 Q Okay. You understand that you're still under oath, 15 correct? 16 A Correct. 17 Q Okay. Where we left off I was asking you if you made a 18 career out of publicly attacking my client, President Trump. 19 Do you recall that? 20 A I recall it. 21 Q And do you make a career out of publicly attacking 22 President Trump? 23 A No. 24 Q Do you admit that Mea Culpa, your podcast, is 25 substantially focused on President Trump?</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2375</p> <p>1 between me and the witness stand. We know from this trial 2 and from our lives that language is sometimes precise and 3 sometimes not very precise, sometimes ambiguous and not 4 clear. Seemed clear to me, but I understand that could be 5 interpreted another way. I'll take the whole matter under 6 advisement. Let's not spend anymore time on this. Let's 7 move ahead with the trial. 8 MS. HABBA: Your Honor, are we on the record? 9 THE COURT: If we want to be. 10 MS. HABBA: I also want to put on the record 11 obviously we have a lot of press and media here. They 12 couldn't hear past there. It was brought to my attention 13 and evidently the feed -- the tech team just informed me the 14 feed was also not being circulated, which obviously as you 15 know this is a very heavily press-covered matter and given 16 that I'm President Trump's lawyer I do think that's 17 unfortunate and unfair. 18 THE COURT: And, of course, I'm sorry for that, of 19 course, and it's very unfortunate. 20 THE COURT OFFICER: Is the judge ready for the 21 witness? 22 THE COURT: Yes. 23 THE COURT OFFICER: Witness entering. 24 THE COURT: Okay. Let's continue with the cross 25 examination of Michael Cohen.</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2377</p> <p>1 A Can you define "substantially?" 2 Q Sure. Earlier we read a transcript of your words where 3 you say that you speak about President Donald Trump every 4 episode of your podcast; is that correct? 5 A I said that. 6 Q Okay. Do you speak about Donald Trump every day that 7 you have a podcast? Does it always mention President Trump? 8 A Yes. 9 Q Thank you. 10 And you authored two books that discuss and are 11 primarily focused on President Trump. Isn't that correct? 12 A No. 13 Q No? Okay. 14 MS. FAHERTY: Is that a question? 15 Q Mr. Cohen, is this one of your books? 16 A Yes. 17 Q I'm holding up "Revenge." Do you read that the cover 18 says "Donald Trump" on it? Is his name on the cover? 19 A It is. 20 Q Thank you. 21 Did you write another book called "Disloyal?" 22 A I did. 23 Q Does that also reference Donald J. Trump on the cover? 24 A It does. 25 Q And it does that because you make money off President</p>

1 Trump. Isn't that correct, Mr. Cohen?		1 substantial part your criticism of President Trump; correct?	
2 A I made money off the story.		2 A No.	
3 Q And who is the story about?		3 Q No. But you said yes when I asked you prior, isn't	
4 A "Revenge" is about me.		4 that correct?	
5 Q You're -- I'm not done with my question.		5 A No. You said it.	
6 A Sorry.		6 Q Okay. Let me pull up your words then, Mr. Cohen.	
7 Q Who is the story about, Mr. Cohen?		7 MS. HABBA: Can you please pull that back up again?	
8 A Which book?		8 Q Do you remember I went through this Galicia testimony?	
9 Q Mr. Cohen, do you make money off President Trump's		9 A I apologize. I thought you were asking about the	
10 name?		10 testimony, not about the Galicia. I really need you to be	
11 A Yes.		11 specific what you're talking about. I'm very confused right	
12 Q Thank you.		12 now.	
13 Did you receive an advance for "Disloyal?"		13 Q When I asked you if you substantially discuss President

15 Q No?		15 A I said to you I speak about Mr. Trump. He is the

17 Q Do you make money from "Disloyal?"		17 THE COURT: That more than answers the question.	
18 A Yes.		18 Just answer the question.	
19 Q How much is in your best estimation have you derived		19 Q How much income do you make from the podcast?	
20 from your book "Disloyal?"		20 A Again, going into privacy. It's irrelevant.	
21 A I don't recall.		21 THE COURT: Is there an objection by the Attorney

4 Mr. Cohen?		4 THE COURT: Overruled.	
5 A I do.		5 MS. FAHERTY: Thank you.

9 THE COURT: I think in the abstract it's		9 Q Please answer the question, Mr. Cohen.	
10 irrelevant.		10 A Which podcast?	
11 MS. HABBA: Okay.		11 Q Let me ask you a different question.	
12 Q Is your money from "Disloyal" on your returns?		12 How many podcasts do you have?	
13 A Yes.		13 A Two.	
14 Q Do you make income from "Disloyal," from selling the		14 Q What are the names of your podcast?	
15 book?		15 A Mea Culpa.	
16 A Not anymore.		16 Q Right.	
17 MS. FAHERTY: Asked and answered.		17 A And the other one is a live YouTube.	
18 Q Do you make money from your other book?		18 Q Is the live YouTube?	
19 A "Revenge?"		19 A Called Political Beatdown.	
20 Q Yes.		20 Q It's called what?	
21 A Yes.		21 A It's called Political Beatdown.	
22 Q Okay. Did you get an advance for that book?		22 Q Political Beatdown.	
23 A No.		23 And your affiliation with politics is because of my

25 And you also have a podcast dedicated to discussing in		25 A No.	

M. Cohen - Plaintiff - cross (Habba)	Page 2382	M. Cohen - Plaintiff - cross (Habba)	Page 2384
1 Q Were you involved in politics before President Trump 2 became president? 3 A In 1987 and 1988 I worked for Congressman Joe Moglia. 4 I've also been on other finance committees with Alan Hevesi and 5 other politicians throughout the years. 6 Q Do you talk about them on the two podcasts that you 7 just mentioned, Mr. Cohen? 8 A They're not relevant right now. 9 Q That wasn't the question. Yes or no? 10 A The answer is no. 11 Q That's what I thought. 12 So then you don't talk about anybody but President 13 Trump when you're speaking about politics and that's how you 14 make your money, isn't it, Mr. Cohen? 15 THE COURT: Please no comments on the answers. 16 "That's what I thought." No. Just questions, answers. 17 MS. HABBA: Sure, Your Honor. 18 Q So you can't as you sit here today tell me how much 19 money you make off of the fact that you worked with President 20 Trump; correct? 21 A Correct. 22 Q But you make money off of President Trump; correct? 23 A Correct. 24 Q And you also sell merchandise off of President Trump, 25 don't you?		1 THE COURT: I believe those are the exact words, 2 but just -- we need a read back. 3 A I disagree. 4 THE COURT: Hold on. We're going to get a read 5 back. Sorry. 6 (Whereupon, the requested portion of the 7 proceedings was read back by the court reporter.) 8 THE WITNESS: I disagree. 9 Q Do you have a law license? 10 A Not anymore. 11 Q Your primary form of income is because you speak about 12 President Trump; correct? 13 A It's asked and answered already. 14 Q I'm asking you a question. 15 THE COURT: It was asked and answered, so -- and 16 there is an objection. 17 MS. HABBA: No problem, Your Honor. Let me 18 rephrase. 19 Q The more outrageous your stories are about President 20 Trump the more money you make. Is that accurate, Mr. Cohen? 21 A No. 22 Q If you didn't work for President Trump you wouldn't 23 make most of your income today. Isn't that true, Mr. Cohen? 24 A No. 25 Q But prior you stated that the majority of your income	
M. Cohen - Plaintiff - cross (Habba)	Page 2383	M. Cohen - Plaintiff - cross (Habba)	Page 2385
1 A Yes. 2 Q And that makes you money, doesn't it, Mr. Cohen? 3 A It makes money. 4 Q Outside of your two podcasts or one YouTube as you 5 called it, your merchandise and your books, is there any other 6 form of income that is greater in your life personally? 7 A No. 8 Q Thank you. 9 MS. HABBA: Sorry to thank him. Not thank you. 10 THE COURT: Well, "thank you" is not so bad. It's 11 polite; "okay" is borderline. Anything else, no. 12 Q And you've also been invited on numerous media outlets 13 to discuss President Trump, isn't that correct? 14 A What time period are you referring to? 15 Q Since you started working for President Trump since you 16 -- he became the president you go on TV to discuss him 17 frequently, isn't that true? 18 A Yes. 19 Q And without stories or accusations about President 20 Trump you really don't have anything to sell, do you, Mr. Cohen? 21 A I'm sorry what? You don't have what? 22 MS. HABBA: Can we get a read back? 23 THE COURT: Anything to sell, but let's get a read 24 back. 25 THE WITNESS: Anything to sell?		1 is from talking about President Trump; correct? Yes or no? 2 A Again, you're not providing the time frame. You keep 3 going back and forth. Currently that is a correct answer. 4 Previously you're assuming that I can go back in time when I had 5 multiple real estate buildings and other assets before my 6 five-year scenario that's been taking place, so I don't 7 understand your question. There is no beginning, there is no 8 end to it. 9 Q Because you wouldn't give me -- let me look at last 10 year's tax return. 11 Last year you filed a tax return; correct? 12 A Correct. 13 Q Okay. That tax return had your income on it, we hope; 14 correct? 15 A Correct. 16 Q Okay. And allegedly you had put all of your income on 17 that return; correct? 18 A Correct. 19 Q Okay. You had most of the income on that return 20 because of President Trump; correct? 21 MS. FAHERTY: Your Honor, can we move this -- can 22 we move this along? I do think the questions are a bit 23 muddled, "because of President Trump." 24 We've established he has made money in connection 25 with the work he's performed related to President Trump or	

<p>M. Cohen - Plaintiff - cross (Habba) Page 2386</p> <p>1 Mr. Trump. The time period is a bit confusing. I 2 appreciate the point we're trying to make. It's a bit 3 belabored. I'm just noting my objection to how cumulative 4 this is getting.</p> <p>5 MS. HABBA: All due respect, Your Honor, it's 6 because I'm not getting a yes-or-no answer to a very simple 7 question.</p> <p>8 MR. KISE: Your Honor, I don't know -- now who is 9 giving the speeches? But yes, all we're trying to get at is 10 a simple answer to a simple question. He's already 11 testified that the majority, I think, it's not clear, that 12 the majority of his current income comes from his activities 13 associated with harassing, trashing, talking about everyone, 14 you know, President Trump. So he can affirm that if it was 15 -- the question was confined to his last year's tax return 16 did most of your income come from your activities associated 17 with harassing, trashing, talking about, podcasting about, 18 whatever it's called on the Internet, about President Trump. 19 That's it. It goes to motive, it goes to bias.</p> <p>20 THE COURT: Maybe we can compromise here.</p> <p>21 Ms. Habba, would you rather the question be last 22 year's tax return or would it be now? And then the rest of 23 it will basically be is it true that the majority of your 24 income, last year's tax return or not, is based on 25 commentary on Donald J. Trump?</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2388</p> <p>1 directive not to about anything specific.</p> <p>2 Q So is it your testimony that you have not promoted you 3 being here in court today?</p> <p>4 MS. FAHERTY: Objection. Promoted?</p> <p>5 A I don't understand.</p> <p>6 MS. HABBA: I'll pull up an exhibit.</p> <p>7 Q Is it your testimony that you have not been promoting 8 the fact that you're coming here to testify against Donald Trump 9 for the Attorney General?</p> <p>10 A I have tweeted about that, yes.</p> <p>11 THE COURT: I'll allow that.</p> <p>12 Q You tweeted about it and you discussed it on your 13 podcast; correct?</p> <p>14 A I have.</p> <p>15 Q And during interviews on TV; correct?</p> <p>16 A Correct.</p> <p>17 Q And you've even stated that you intend on holding a 18 press conference after your testimony today is finished, isn't 19 that correct?</p> <p>20 A I don't recall that.</p> <p>21 MS. HABBA: Can we please pull up his tweet from 22 October 15th?</p> <p>23 Q Mr. Cohen, we've already established that your Twitter 24 account is @MichaelCohen212; correct?</p> <p>25 A Correct.</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2387</p> <p>1 MS. HABBA: That's perfectly said, Your Honor. 2 I'll adopt that question, if I may.</p> <p>3 THE COURT: Do you want the tax return or now?</p> <p>4 MS. HABBA: Now.</p> <p>5 THE COURT: Okay. Do you understand the question?</p> <p>6 THE WITNESS: I understand the question. It's -- 7 the issue I have is when you say "is the majority." I speak 8 about all politicians. It's not just Mr. Trump. I speak 9 about Mark Meadows, I speak about everything that's going 10 on. I speak about Israel. I speak about many things.</p> <p>11 THE COURT: Okay. Next question.</p> <p>12 Q But your testimony was today that in every podcast no 13 matter who you're speaking about, Mark Meadows, no matter if 14 you're speaking about --</p> <p>15 THE COURT: Wait. Before you establish that yes, 16 he said every podcast these days he mentions Donald Trump.</p> <p>17 MS. HABBA: Okay, Your Honor.</p> <p>18 THE COURT: And along with what Ms. Faherty was 19 saying, I think we can move on at this point. He makes 20 money off his comments, his prior relationship to 21 Donald J. Trump.</p> <p>22 Q And are you promoting your testimony here today, 23 Mr. Cohen?</p> <p>24 A Am I promoting it? I will retweet something. I will 25 say I am at the trial, but I am not tweeting as per the judge's</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2389</p> <p>1 Q And do you see that on October 15, 2023 at 8:10 p m. 2 somebody stated -- just for their privacy I'm not going to read 3 it in -- "I can't wait to see the reaction of all the haters of 4 when you do testify... hold a press conference at the end of 5 your last day, if you can." And there are two emojis there. 6 And your response was: "I can and I will."</p> <p>7 Do you see that, Mr. Cohen?</p> <p>8 A I see that.</p> <p>9 Q Are you going to speak to the --</p> <p>10 THE COURT: Hold on one second.</p> <p>11 MS. FAHERTY: Again, I'm going to launch my 12 objection to what is clearly hearsay evidence. Ms. Habba --</p> <p>13 THE COURT: Overruled. Let's move on.</p> <p>14 MS. HABBA: Thank you, Your Honor.</p> <p>15 Your Honor, I'm just going to state that clearly 16 she is trying to throw me off by continuously interrupting 17 me. I would like to just continue or we're going to be here 18 all day.</p> <p>19 MS. FAHERTY: And I would just ask to strike the 20 portion of the tweet that is put in front of this witness. 21 That is not his. That is not here, cannot provide any 22 testimony as to the statements asserted therein. Move to 23 strike that from the record. It is hearsay, Your Honor.</p> <p>24 MR. ROBERT: Your Honor, that is absurd. Mr. Cohen 25 is giving a statement without the underlying statement which</p>

<p>M. Cohen - Plaintiff - cross (Habba) Page 2390</p> <p>1 is not for the truth of the matter asserted. He's</p> <p>2 responding to it. So if Ms. Habba would not have put in the</p> <p>3 bottom part, the objection would have been "it's incomplete,</p> <p>4 we don't know what Mr. Cohen is saying, I can and I will."</p> <p>5 This is completely admissible and it should be admitted</p> <p>6 without objection.</p> <p>7 MS. HABBA: And it's for impeachment purposes, Your</p> <p>8 Honor.</p> <p>9 MS. FAHERTY: Again, she read into the record the</p> <p>10 out-of-court statements of another person and as to Michael</p> <p>11 Cohen's statements that is on the screen, you have admitted</p> <p>12 it, you have overruled as to Michael Cohen's statement. I</p> <p>13 accept that ruling by the Court, but as to Ms. Habba reading</p> <p>14 into the record third party out-of-court statements, I ask</p> <p>15 that they be stricken from the record.</p> <p>16 THE COURT: Well, you know, it's always funny you</p> <p>17 want to strike it from the record. It's only 200 people out</p> <p>18 there that have heard it.</p> <p>19 Well, what if we agree, for whatever it's worth,</p> <p>20 that the only admissible aspects are starting with dot, dot,</p> <p>21 dot, hold a press conference, etc., I can and I will. I</p> <p>22 find that admissible. We will take out "I can't wait to see</p> <p>23 the reaction of all the haters when you do testify."</p> <p>24 MS. FAHERTY: Over my objection, but I understand.</p> <p>25 THE COURT: Okay. It's in evidence other than the</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2392</p> <p>1 spoke to the press.</p> <p>2 Q President Trump makes you relevant, doesn't he,</p> <p>3 Mr. Cohen?</p> <p>4 A I think the circumstances make me relevant.</p> <p>5 Q The circumstances that you used to work for the</p> <p>6 President of the United States who is the single most famous</p> <p>7 presidential candidate in this world, you speak about him every</p> <p>8 day because it makes you money, isn't that correct?</p> <p>9 THE COURT: I thought we were moving on from this</p> <p>10 point.</p> <p>11 MS. HABBA: Well, he's backtracking, Your Honor.</p> <p>12 THE COURT: I didn't notice any backtracking.</p> <p>13 MS. HABBA: I'll keep going.</p> <p>14 MS. FAHERTY: Can we please stop with the</p> <p>15 characterizations, Your Honor, please?</p> <p>16 THE COURT: I didn't find anything objectionable</p> <p>17 there.</p> <p>18 Q Mr. Cohen --</p> <p>19 THE COURT: Except I didn't notice any</p> <p>20 backtracking. Sorry. Let's just move ahead. The record</p> <p>21 says what it says.</p> <p>22 MS. HABBA: Thank you, Your Honor.</p> <p>23 Q Mr. Cohen, do you sell advertisement spots?</p> <p>24 A Yes, there are advertisements in the podcast.</p> <p>25 Q Do you sell the advertisement spots?</p>
<p>M. Cohen - Plaintiff - cross (Habba) Page 2391</p> <p>1 first part.</p> <p>2 Q Mr. Cohen, are you going to speak to the press outside</p> <p>3 after today?</p> <p>4 A I don't know yet. You're asking me to --</p> <p>5 THE COURT: The answer was "I don't know yet."</p> <p>6 MS. HABBA: Okay.</p> <p>7 Q Mr. Cohen, after I deposed you on other matters, did</p> <p>8 you go outside and speak to the press?</p> <p>9 A I did.</p> <p>10 Q And sometimes when I deposed you on other matters you</p> <p>11 had speeches prepared before you walked into your deposition,</p> <p>12 isn't that correct?</p> <p>13 A That's not correct.</p> <p>14 Q That's not correct?</p> <p>15 A No.</p> <p>16 Q Did you speak to the press before I deposed you on the</p> <p>17 Galicia matter?</p> <p>18 A Yes.</p> <p>19 Q Did you speak to the press when I deposed you on this</p> <p>20 matter?</p> <p>21 A As did you.</p> <p>22 Q That wasn't my question.</p> <p>23 THE COURT: Just answer the question, please. Did</p> <p>24 you speak to the press?</p> <p>25 THE WITNESS: Did I speak to the press, yes, I</p>	<p>M. Cohen - Plaintiff - cross (Habba) Page 2393</p> <p>1 A I don't sell them, no.</p> <p>2 Q Do you make money from advertising?</p> <p>3 A Good question. Yes.</p> <p>4 Q And the more advertisements you sell, the more money</p> <p>5 you make; correct?</p> <p>6 A That's how it works.</p> <p>7 Q Is that a yes, Mr. Cohen?</p> <p>8 A That's a yes.</p> <p>9 Q Mr. Cohen, would you disagree with the fact that the</p> <p>10 only reason you are relevant in the public eye is because of</p> <p>11 President Trump?</p> <p>12 A No.</p> <p>13 Q You take every opportunity to criticize President Trump</p> <p>14 and discuss the latest Trump-related news, don't you?</p> <p>15 A Along with CNN, MSNBC, Fox, ABC, CBS, NBC. He's</p> <p>16 relevant in the news and that's what my podcast discusses.</p> <p>17 Q You're right. President Trump is relevant in the news</p> <p>18 and President Trump makes money for the news, doesn't he,</p> <p>19 Mr. Cohen?</p> <p>20 A I don't understand your question, "Mr. Trump makes</p> <p>21 money for the news?"</p> <p>22 Q Well, you sell advertising, right?</p> <p>23 A For me.</p> <p>24 Q Do news media sell --</p> <p>25 THE WITNESS: I'm so sorry, Your Honor. I don't</p>

<p>M. Cohen - Plaintiff - cross (Habba) Page 2394</p> <p>1 understand. I apologize. I'm confused by your question. 2 THE COURT: Let's start again. Withdrawn, 3 whatever. 4 MS. HABBA: Sure. Let's keep going and I'll 5 continue. 6 THE COURT: And move on to another topic as soon as 7 possible. 8 MS. HABBA: I can ask it in one simple question. 9 Q Mr. Cohen, you have financial incentive to criticize 10 President Trump; correct? Yes or no, please? 11 A Yes. 12 Q Thank you. 13 But Mr. Cohen, you never used to speak like that, did 14 you? 15 THE COURT: Sustained. I don't know what the 16 context is. Speak like that what? 17 MS. HABBA: I'll just ask the questions. 18 Q Mr. Cohen, do you remember in 2015 telling Politico: 19 "The fact is Mr. Trump has built a 10 billion plus empire, 20 employs thousands of people, has worked with many leaders around 21 the globe successfully and is considered one of the best 22 negotiators in history, these are all qualifications essential 23 to being a great president." Do you recall saying that? 24 A I think we already went through this. 25 Q Yes or no? Yes or no?</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2396</p> <p>1 Q Mr. Cohen, did you state on January 2017, "President 2 Elect Trump has always stated how much he loves what he does. 3 Anyone who spends more than four decades building a \$10 billion 4 empire would clearly be sentimental about relinquishing 5 control," said Michael Cohen, executive VP of the Trump 6 Organization. "However," you said, "President Elect Trump has 7 also stated that there is nothing more important to him than 8 fixing the mistakes made by the previous administration and 9 making America great again." 10 Did you say that, Mr. Cohen? 11 A I believe those are my words. 12 Q Do you need me to refresh your recollection? 13 A No. I'm looking at what it is that you put up on the 14 screen. 15 Q So is that a yes? 16 A I believe those are my words, yes. 17 Q Is that a quote with your name on it, Mr. Cohen? 18 A Yes. And this is from 2015 again? 19 Q This is from January 3, 2017, CNN. 20 A 2017, yes. 21 Q Do you recognize that as your words? 22 A Yes, it seems like it could be my words. 23 MS. HABBA: I would like to move into evidence this 24 quote. 25 I don't have the number, Peter. Do you have it?</p>
<p>Page 2395</p> <p>1 A It's been asked and answered. 2 THE COURT: I don't think that particular quote was 3 -- it was? 4 MS. FAHERTY: I think so, Your Honor. 5 MR. KISE: Is the witness now objecting? This is a 6 new level of low, even for Michael Cohen. 7 MS. FAHERTY: Again, if we could -- 8 THE COURT: Sustained, sustained. 9 MS. FAHERTY: Thank you. 10 Transcript continues on the following page.... 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2397</p> <p>1 987. 2 MS. FAHERTY: Your Honor, I'm just re-asserting the 3 same objection I've had. In fact, I don't even know what 4 this document is. There's not even a title. There's not 5 even an author. I don't know who wrote it. There's been no 6 foundation laid other than there was a statement that at 7 some point was captured by someone in this article. If it 8 is as to that one statement, no objections since Mr. Cohen 9 has testified that those were his words. Otherwise, the 10 objection remains as to the admission of this document. 11 THE COURT: You don't want -- you don't want the 12 document in, but the words that have been read and he said, 13 "Yes, I could have said that," whatever -- can we just -- 14 MS. HABBA: I could lay the foundation and clear 15 this up, if you'd like. I don't really -- I mean, it is 16 for impeachment purposes, number one. I asked him if he 17 said it. He said he didn't recollect, so I brought it up 18 and now he recognizes that he brought -- he said it, so I'm 19 moving it into evidence. 20 I'm not sure -- we're really going to be here all 21 day, Ms. Faherty if this is what we are going to keep doing. 22 It is a CNN article. Look at it. Here is the website. I 23 don't even need the whole article in. I just asked Mr. 24 Cohen if he said what he said and now he said, "yes." 25 THE COURT: So, then, we don't need the article.</p>

1 THE FOREPERSON: And we don't need -- 2 MS. HABBA: I won't move it. 3 Q Thank you for acknowledging you said it. Moving on, "I 4 worked for Mr. Trump now for a long "-- "long time," you said. 5 I can tell you that Mr. Trump's memory is fantastic and I never 6 come in a situation where Mr. Trump has said something that is 7 not accurate." 8 Do you recall saying that in an interview with CNN on 9 November 30, 2015, Mr. Cohen? 10 A Can you provide me with a document? 11 Q Sure. I will provide you with a document. 12 MS. HABBA: Can we, please, zoom out first. 13 Q Do you see the website on the bottom of this document? 14 Do you see that it says, "cnn.com?" I'm not going to read it 15 all in, but do you see that? 16 A I do. 17 Q It is from the CNN website? 18 A Yes. 19 Q Okay. Do you see that there is a title, "Trump lawyer: 20 Never known him to say something inaccurate." 21 Do you see that on the top, on the top? Do you see 22 that? 23 MS. FAHERTY: No. 24 Q No. Do you see on the top of the page that it says -- 25 A Yes, I see it.		1 unless you said it was on the record, correct, or forgot to say 2 that it wasn't? Isn't that how it works? 3 A Yes, that's how it works. 4 Q Is that your quote, Mr. Cohen? 5 A That would be my quote. 6 Q Okay. Thank you. I don't need it into evidence. So 7 I'm not going to, but you know what. Actually, let's move it 8 into evidence. We laid the foundation anyway. I'd like to move 9 that into evidence, CNN article dated November 30, 2015. 10 MS. FAHERTY: Same objection and -- same 11 objection, Your Honor. 12 THE COURT: Overruled. It's in. 13 MS. HABBA: Thank you. 14 (Whereupon, the Document was marked in evidence as 15 Plaintiff's Exhibit 987.) 16 Q April 15, 2011, you interviewed with ABC News and said, 17 "It's very, very surreal. I've been admiring Donald Trump since 18 I was in high school." 19 Do you remember saying that? 20 A You are going, again, have to refresh my memory. 21 Q Sure. 22 MS. HABBA: Pull it up, please. 23 Q Mr. Cohen? 24 A Yes. 25 Q Do you see the website on the top of this screen?

1 Q Thank you. 2 MS. HABBA: Can you, please, go to his quote. 3 Q Does this appear to be from the website from CNN? 4 A It appears to be, yes. 5 Q Okay. Do you recall saying, "I'm not so sure that 6 that's true and I've worked for Mr. Trump for" "now for a long 7 time," Cohen said. "I can tell you that Mr. Trump's memory is 8 fantastic and I've never come in a situation where Mr. Trump has 9 said something that is not accurate." 10 Is that in quotations, Mr. Cohen? 11 A That's in quote. 12 Q And you understand the press, don't you, Mr. Cohen? 13 A I do. 14 Q And if you don't speak on the record, the press can't 15 put you in quotes and relate it to your name. Isn't that true, 16 Mr. Cohen? 17 A For the most part, yes. 18 Q In fact, you used to record yourself speaking well 19 about the president to the press sometimes, didn't you, Mr. 20 Cohen? 21 A I don't understand your question. 22 Q How often did you speak to the press when you worked 23 for President Trump? 24 A Every day. 25 Q So you know that they would never put that in quotes		1 A Yes. 2 Q It says, "The wayback machine." You see ABC News on 3 the top right? 4 A I do. 5 Q Okay. 6 MS. HABBA: Can you get out, please zoom out. Can 7 you put in his quote and blow it up. 8 Q Do you see that, again, in quotations, it has the quote 9 that I just read? It says, "Cohen told ABC News "and then it 10 states, "I've been admiring Donald Trump since I was in high 11 school. He said that when he was a young man, he read Trump's 12 1987 book, "The Art of the Deal" cover to cover twice." Isn't 13 that correct? 14 A Yes. 15 Q Do you doubt that those are your words, Mr. Cohen? 16 A No. 17 Q Did you read "The Art of the Deal" twice when you were 18 in high school? 19 A No. 20 Q So were you lying? 21 A No. I read it twice when I was in college. 22 Q Oh, okay. In college. I got it. So you read, "The 23 Art of the Deal" twice in college, right? 24 A I just answered that. 25 Q But that was before you worked for President Trump,	

<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2402</p> <p>1 correct?</p> <p>2 A Correct.</p> <p>3 Q Did you admire President Trump in college?</p> <p>4 A I did.</p> <p>5 Q Okay. Let's move on. Do you recall saying, "That's</p> <p>6 what people want to see, authenticity. I mean, who's smarter</p> <p>7 than Donald Trump. He's the greatest negotiator on the planet.</p> <p>8 He is presidential." You said that on Sean Hannity on August 4,</p> <p>9 2015. Do you recall that?</p> <p>10 A I recall that.</p> <p>11 Q Do you recall that you also said on Sean Hannity on</p> <p>12 July 21, 2016, "I know Mr. Trump. I've stood by him shoulder to</p> <p>13 shoulder for the past decade. I've seen him in action. He</p> <p>14 knows how to build things. He knows how to fix things. He</p> <p>15 knows how to make them better. He knows people. He loves</p> <p>16 people. He said it himself. He's able to relate to the</p> <p>17 plumber, to the electrician, to the laborer because that's what</p> <p>18 his father Fred taught him and he learned values and that's</p> <p>19 something that a lot of politicians, specifically Hillary, does</p> <p>20 not have, is values."</p> <p>21 Do you remember saying that to Sean Hannity?</p> <p>22 A If you can show me. It sounds correct.</p> <p>23 Q Sure?</p> <p>24 A But I don't recall that that's exactly what I said.</p> <p>25 Q Sure. We can show you.</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2404</p> <p>1 MS. HABBA: Sorry.</p> <p>2 Can you blow up the portion, please. Thank you.</p> <p>3 Q Can you read that to yourself, so I don't have to read</p> <p>4 it again.</p> <p>5 (Witness reviewing document.)</p> <p>6 Q Do you recall now saying what I read, "I think he's a</p> <p>7 wonderful man. I think he's going to be an amazing president.</p> <p>8 The family is just, you know, fantastic." Do you remember</p> <p>9 saying that now?</p> <p>10 A I have said that.</p> <p>11 Q Thank you.</p> <p>12 Do you remember on April 15, 2011 in an interview with</p> <p>13 ABC News saying, "I think the world of him. I respect him as a</p> <p>14 businessman and I respect him as a boss." Do you remember saying</p> <p>15 that?</p> <p>16 A Where are you reading from?</p> <p>17 Q It's not here. I'm asking you.</p> <p>18 A From where?</p> <p>19 Q ABC News, April 15, 2011.</p> <p>20 A Again, I'll need to see something to refresh my memory.</p> <p>21 Q Sure. Let me ask you. I'm going to move this along.</p> <p>22 Would it surprise you to hear that you said to Reuters on</p> <p>23 August 28, 2015, "Trump's lawyer, Michael Cohen, said Trump's</p> <p>24 record of success was proof positive of Mr. Trump's character</p> <p>25 and capabilities." Is that something you would say, Mr. Cohen?</p>
<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2403</p> <p>1 MS. HABBA: Can you pull it up? Is it a video?</p> <p>2 We're having some technical issues.</p> <p>3 A I'll tell you what. I'll acknowledge.</p> <p>4 Q No, I don't want you to do that, Mr. Cohen.</p> <p>5 A I will acknowledge that I did, so we can move this</p> <p>6 thing faster.</p> <p>7 Q Did you say to Vanity Fair on September 26, 2017, "I'm</p> <p>8 the guy who protects the president and the family. I'm the guy</p> <p>9 who would take the bullet for the president." Did you say that?</p> <p>10 A Yes.</p> <p>11 Q Did you say to Hannity on March 20, 2017, "I think he's</p> <p>12 a wonderful man. I think he's going to be an amazing president.</p> <p>13 The family is just, you know, fantastic." Do you remember</p> <p>14 saying that?</p> <p>15 A I don't remember saying that.</p> <p>16 MR. HABBA: Do we have that one? Thank you.</p> <p>17 Q Do you see this is Fox News article dated March 20,</p> <p>18 2017?</p> <p>19 A I will remain the personal attorney to Trump?</p> <p>20 Q That's right. That's what the title is. That wasn't</p> <p>21 my question. The question is, is this dated March 20, 2017 from</p> <p>22 Fox News?</p> <p>23 A That's what it says.</p> <p>24 Q Great.</p> <p>25 THE COURT: Please, no comments on the answer.</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2405</p> <p>1 A Yes.</p> <p>2 Q Do you believe or have any reason not to believe that</p> <p>3 you said that to Reuters on August 28, 2015?</p> <p>4 A I don't know. I'd have to see the document.</p> <p>5 Q Okay. We can pull it up. This is an article from</p> <p>6 Reuters. You see that dated August 28, 2015 and the title is,</p> <p>7 "Best President ever. How Trump's love of hyperbole could</p> <p>8 backfire." Do you see this?</p> <p>9 A I do.</p> <p>10 Q Can you, please, pull up his quote. "Trump's lawyer,</p> <p>11 Michael Cohen, said Trump's record of success was proof positive</p> <p>12 of Mr. Trump's character and capabilities." You see that?</p> <p>13 A I do.</p> <p>14 MS. FAHERTY: Your Honor, didn't we do this before?</p> <p>15 I thought I quoted from the below line, "For Trump,</p> <p>16 exaggerating has always been a frequent impulse, especially</p> <p>17 when the value of his trump brand is disputed." Can we move</p> <p>18 it along? I thought we did this already.</p> <p>19 THE COURT: I believe we saw that, character and</p> <p>20 capabilities.</p> <p>21 MS. HABBA: Did we see this one?</p> <p>22 MS. FAHERTY: We saw that.</p> <p>23 MS. HABBA: Okay. We'll move on.</p> <p>24 THE COURT: Ms. Habba, how much longer will we hear</p> <p>25 this sort of -- these statements?</p>

<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2406</p> <p>1 MS. HABBA: I have a ton, Your Honor, but I can 2 move it along. 3 THE COURT: Okay. -- 4 MS. HABBA: Let me try -- 5 THE COURT: They're getting cumulative. 6 MS. HABBA: Sure. Give me a moment. I will move 7 it along. 8 Q Do you recall speaking to HuffPost and saying to them 9 that "He is worth a lot, substantially more than what's recorded 10 in Forbes. They don't take into account the value of the Trump 11 brand, of the mark, one of the most valuable marks that's ever 12 been created. He has very little debt, AAA assets." Do you 13 remember saying that on April 22, 2011? 14 A I would need to see the document. 15 Q Okay. Do you have any reason to believe -- I'm going 16 to try to move it along for the tech people. 17 Do you have any reason to believe that if they quoted 18 you as saying that, that you didn't say it? Do you have any 19 reason -- 20 A Sorry. That's 2011? 21 Q Yes. 22 A Yes. 23 THE COURT: Yes meaning -- 24 THE WITNESS: That I probably said it. 25 THE COURT: Okay.</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2408</p> <p>1 the same oath that you're under now, the same oath that you were 2 under at your deposition, and the same oath that you were under 3 when you spoke to Judge Pauley, you said to the Permanent Select 4 Committee that you couldn't recall President Trump ever asking 5 you to inflate the numbers in his Statement of Financial 6 Condition. Do you remember that? 7 A I don't. 8 MS. HABBA: Let's pull it up. 9 Q Mr. Cohen, do you see this document? Please go to the 10 front page. Does it say, "Executive Session Permanent Select 11 Committee on Intelligence U.S. House of Representatives in 12 Washington DC?" 13 A Yes, it does. 14 Q It does? Does it say that you were deposed? 15 A It says, "deposition of Michael Cohen." 16 Q Were you deposed? 17 A I was. 18 Q Were you deposed on Thursday, February 28, 2019? 19 A That's what it says. 20 Q Okay. At -- commencing at 9:35 a.m.? 21 A Yes. 22 Q And you can see who was present there, correct? 23 A Correct. 24 Q Do you remember this? 25 A I do.</p>
<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2407</p> <p>1 MS. HABBA: Okay. This will be my last one, Your 2 Honor. 3 Q And in July 31, 2014, The Associated Press quoted you 4 as saying "Mr. Trump's significant wealth, name, recognition and 5 real estate knowledge makes him a viable option." Do you recall 6 saying that? 7 A Again, I need to see the document. 8 MS. HABBA: Can we pull up the AP document, please. 9 Do we have it? 10 I was moving very quickly, so I feel for my tech 11 team right now. I'm not going to admit it into evidence. 12 Q Mr. Cohen, would you doubt if the Associated Press 13 quoted you, put your words in quotes, that that was something 14 you said on the record? 15 A It's possible. 16 Q Do you believe the AP would do that without -- 17 A Again, I don't know. I haven't seen the document. 18 Q Okay. Let's move on. Mr. Cohen, you testified under 19 oath in your April 28, 2023 deposition that Mr. Trump tasked you 20 and Mr. Allen Weisselberg with inflating the numbers on the 21 Statement of Financial Condition to reach a certain 22 pre-determined number for his net worth, correct? 23 A Correct. 24 Q But Mr. Cohen, in February of 2019, just two years 25 after leaving the Trump Organization, you testified under oath,</p>	<p>M. COHEN - PLAINTIFF - CROSS(MS. HABBA) Page 2409</p> <p>1 MS. HABBA: Can you, please, pull up 92:6. 2 "QUESTION: Did Mr. Trump direct you or Mr. 3 Weisselberg to inflate the numbers on his personal 4 statement?" 5 Your answer, "I'm sorry." Did he ask me to inflate 6 the numbers?" 7 And what do you say, Mr. Cohen? 8 A I stated, "not that I recall." 9 Q Not that I recall. That's not all you said. 10 A No. 11 Q No. Those are your words, correct? 12 A Those are my words. 13 Q And did you say -- you don't dispute that that was 14 you, correct, in front of the committee two years after you left 15 the Trump Organization? 16 A I already stated that's my deposition. 17 Q So Mr. Cohen, as you sit here today, are you telling me 18 the truth and the Attorney General the truth or were you telling 19 the truth then? 20 A I was in the camp of Donald Trump -- 21 Q Yes or no? It was two years after you stopped 22 working -- 23 A You didn't ask me a yes-or-no question. 24 Q Yes, I did. 25 A No, you didn't.</p>

M. COHEN - PLAINTIFF - CROSS(MS. HABBA)	Page 2410	Proceedings	Page 2412
<p>1 Q Okay, Mr. Cohen.</p> <p>2 MS. HABBA: Can we, please, get a readback of my</p> <p>3 original statement, question?</p> <p>4 THE COURT: It wasn't yes or no, but it was</p> <p>5 either/or.</p> <p>6 THE WITNESS: So, please, allow me to answer.</p> <p>7 MR. HABBA: Let me rephrase my question, Your</p> <p>8 Honor.</p> <p>9 THE COURT: Okay.</p> <p>10 THE WITNESS: Can I not answer the question that's</p> <p>11 in front of me?</p> <p>12 MS. HABBA: Withdrawn.</p> <p>13 THE COURT: Her question is withdrawn.</p> <p>14 MS. HABBA: Question is withdrawn. I'm going to</p> <p>15 rephrase my question.</p> <p>16 Q Mr. Cohen, were you being honest in front of the</p> <p>17 Permanent Select Committee when you testified on February 28,</p> <p>18 2019?</p> <p>19 A No.</p> <p>20 Q So you lied under oath in February of 2019? Is that</p> <p>21 your testimony?</p> <p>22 A Yes.</p> <p>23 Q Mr. Cohen, I just have one more question, maybe two.</p> <p>24 Did you ever ask President Trump to pardon you while he</p> <p>25 was in the White House?</p>		<p>1 AFTERNOON SESSION</p> <p>2 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>3 session. The Honorable Judge Arthur Engoron presiding.</p> <p>4 Make sure all cell phones are on silent. Laptops and cell</p> <p>5 phones will be permitted, but only to members of the press.</p> <p>6 There is absolutely no recording or photography of any kind</p> <p>7 allowed in the courtroom. Now be seated and come to order.</p> <p>8 THE COURT: Well, at least my microphone is working</p> <p>9 this time.</p> <p>10 I want to resume the discussion about what happened</p> <p>11 this morning when Defendant, Donald J. Trump, apparently</p> <p>12 made a statement to the press referring to "the person next</p> <p>13 to me," and I'll pick up where I left off.</p> <p>14 Mr. Kise I believe said on behalf of Defendant</p> <p>15 Trump, I'll call him, that he was referring to Michael Cohen</p> <p>16 when he said what he said about the "partisan democrat,"</p> <p>17 etc.; is that correct?</p> <p>18 MR. KISE: Yes.</p> <p>19 THE COURT: I'm going to hold a hearing right now</p> <p>20 about that.</p> <p>21 MR. KISE: Okay.</p> <p>22 THE COURT: And I'll have as my -- as the first</p> <p>23 witness, Defendant Donald J. Trump.</p> <p>24 Mr. Trump, would you like to be on the witness</p> <p>25 stand to testify? Come on up.</p>	
	Page 2411	Proceedings	Page 2413
<p>1 A No.</p> <p>2 Q He didn't pardon you, did he, Mr. Cohen?</p> <p>3 A No.</p> <p>4 MS. HABBA: Thank you. I'm done.</p> <p>5 THE COURT: Well, we have about eight or nine more</p> <p>6 minutes. Re-direct?</p> <p>7 MR. ROBERT: Your Honor, I have cross-examination.</p> <p>8 THE COURT: Oh, I'm sorry.</p> <p>9 MR. ROBERT: I think it may make sense to take the</p> <p>10 lunch break now, so we can work out the mechanics of the</p> <p>11 microphone and we can start at 2:15.</p> <p>12 MR. KISE: We may be able to streamline it as well.</p> <p>13 MR. ROBERT: Yes. I will be as brief as I can.</p> <p>14 THE COURT: So I'm breaking until 2:15, everybody.</p> <p>15 Thank you.</p> <p>16 (Whereupon, a luncheon recess was taken.)</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 THE COURT OFFICER: Please raise your right hand.</p> <p>2 Do you solemnly swear or affirm any testimony you give will</p> <p>3 be the truth, the whole truth and nothing but the truth?</p> <p>4 THE WITNESS: I do.</p> <p>5 THE COURT OFFICER: You may have a seat.</p> <p>6 Please state your name and either home or business</p> <p>7 address on the record.</p> <p>8 THE WITNESS: Donald John Trump, New York, the</p> <p>9 Trump Organization.</p> <p>10 THE COURT: Mr. Trump, did you say out in the</p> <p>11 hallway this morning, "This judge is a very partisan judge</p> <p>12 with a person who is very partisan sitting alongside of him,</p> <p>13 perhaps even much more partisan than he is?"</p> <p>14 THE WITNESS: Yes.</p> <p>15 THE COURT: To whom were you referring when you</p> <p>16 said "the person sitting alongside of him?"</p> <p>17 THE WITNESS: You and Cohen.</p> <p>18 THE COURT: Are you sure that you didn't mean the</p> <p>19 person on the other side of me, my principal law clerk?</p> <p>20 THE WITNESS: Yes, I am sure.</p> <p>21 THE COURT: Have you in the past referred to her,</p> <p>22 my principal law clerk, as partisan, and/or partisan</p> <p>23 Democrat?</p> <p>24 THE WITNESS: Maybe unfair. I think she is very</p> <p>25 biased against us. I think we've made that clear. We put</p>	

Proceedings	Page 2414	Proceedings	Page 2416
<p>1 up the picture and you didn't want that up. I think they</p> <p>2 got it off her website, however, so we didn't necessarily</p> <p>3 agree, but -- and we did take it down, Your Honor, but we</p> <p>4 have so many different sides and I believe -- and I may be</p> <p>5 wrong on this, but I believe it was one of the political</p> <p>6 groups or one of the pacts that had it up or left it up, but</p> <p>7 I didn't knowingly do that.</p> <p>8 THE COURT: Well, I'm more interested right now in</p> <p>9 -- to whom you were referring as you can see and as everyone</p> <p>10 can see, first of all, my principal law clerk is very close</p> <p>11 to me. In fact, Ms. Habba would refer to the notes back and</p> <p>12 forth and even the conversations, but you and I, we can see</p> <p>13 each other and we're close, but not as close clearly and</p> <p>14 there is a barrier between us. So wouldn't that be at best</p> <p>15 somewhat ambiguous as to whom you are referring? Have you</p> <p>16 also -- have you -- I know I'm doing a compound question</p> <p>17 here.</p> <p>18 MR. KISE: I was going to say am I allowed to</p> <p>19 object to the question?</p> <p>20 THE COURT: Sure, it's a hearing.</p> <p>21 Don't you always refer to Michael Cohen as Michael</p> <p>22 Cohen?</p> <p>23 THE WITNESS: No.</p> <p>24 MR. KISE: Many things, even worse than that.</p> <p>25 MS. HABBA: Yes, Your Honor. I can confirm that,</p>		<p>1 don't think any of us want to go that you presupposed some</p> <p>2 ill motive on behalf of the only witness. I think that's a</p> <p>3 dangerous place to go, not just for the sanction, but also</p> <p>4 for the whole trial. I do think there is clear separation</p> <p>5 between the two.</p> <p>6 I mean, the President was talking about the witness</p> <p>7 on the stand. I mean, we can all agree we have different</p> <p>8 views about whether it's next to you or next to you with a</p> <p>9 barrier, but he's next to you. I also think that there is</p> <p>10 -- respectfully, I think there is considerable tension</p> <p>11 caused by at least -- and I'll let Mr. Robert speak to this.</p> <p>12 It is unusual in my experience to have a law secretary, a</p> <p>13 law clerk sit on the bench. I will say that. And so I</p> <p>14 think that may have created some of the confusion.</p> <p>15 Ordinarily, in my experience, law clerks are in,</p> <p>16 you know, not sitting right next to the judge on the bench,</p> <p>17 but in the morning where we have a principal witness on the</p> <p>18 stand who has lied, lied, lied and as I said earlier this</p> <p>19 morning, I'm not going to go back into that speech, but that</p> <p>20 was the focal point of the examination today, that was the</p> <p>21 focal point of the animus today, that was the focal point of</p> <p>22 the questions today from the media today, so I just would</p> <p>23 ask you to reconsider.</p> <p>24 I mean, certainly I don't want to have to file,</p> <p>25 frankly, yet another appeal and I just think if you want to,</p>	
Proceedings	Page 2415	Proceedings	Page 2417
<p>1 much worse.</p> <p>2 THE WITNESS: Much worse.</p> <p>3 THE COURT: Would anybody else like to question the</p> <p>4 witness, either from the defense or the Attorney General?</p> <p>5 MR. KISE: No, Your Honor.</p> <p>6 MS. HABBA: No, Your Honor.</p> <p>7 THE COURT: The witness is excused. I have no</p> <p>8 further questions. Thank you.</p> <p>9 THE WITNESS: Thank you, sir.</p> <p>10 (Whereupon, the witness is excused from the witness</p> <p>11 stand.)</p> <p>12 THE COURT: Thank you.</p> <p>13 As the trier of fact, I find that the witness is</p> <p>14 not credible; that he was referring to my law clerk, who is</p> <p>15 principal law clerk, who is sitting much closer to me, who</p> <p>16 doesn't have a barrier, whom I believe has been accused by</p> <p>17 the defendant of being partisan or Democrat or partisan</p> <p>18 Democrat. I hereby fine you \$10,000, which is on the low</p> <p>19 side, to be paid within 30 days to the Lawyer's Fund for</p> <p>20 Client Protection.</p> <p>21 Would anybody like to say anything else?</p> <p>22 MR. KISE: Your Honor, I would just object to that.</p> <p>23 I mean, there is one witness on the stand, the only witness</p> <p>24 on the stand. There is no evidence to the contrary other</p> <p>25 than in your mind and I don't want to go to a place where I</p>		<p>1 again, warn the defendant about the responsibilities, but I</p> <p>2 just don't think there is any clear record here.</p> <p>3 And in order to impose sanctions generally the</p> <p>4 record needs to be very clear. And see, that's what just</p> <p>5 happened is kind of what is creating the issue is that like</p> <p>6 I'm talking to you and the notes are being passed to you</p> <p>7 about things and I think from a defendant standpoint, not</p> <p>8 from a lawyer standpoint, from a defendant standpoint, that</p> <p>9 creates an appearance that is uncomfortable and I think that</p> <p>10 has created some of the confusion here.</p> <p>11 But the President has testified that that's what he</p> <p>12 said. That's what I told you before. I think that's a fair</p> <p>13 interpretation of what's said and sanctions are not granted</p> <p>14 when there is gray. Sanctions are reserved for situations</p> <p>15 where it's a very clear situation. Last week, you exercised</p> <p>16 your discretion. I didn't object to that discretion in</p> <p>17 terms of what happened with the website. We explained it, I</p> <p>18 gave you as much detail as the Court asked for and we have</p> <p>19 since complied fully. "We" meaning the clients, have since</p> <p>20 complied fully with the order. So I would just ask that we</p> <p>21 don't create that -- another issue here because I think it</p> <p>22 has further ramifications for the overall proceeding,</p> <p>23 respectfully I do.</p> <p>24 THE COURT: Just in response, I'll just say to me,</p> <p>25 totally separate from the trial. I mean, if you wanted to</p>	

Proceedings	Page 2418	Proceedings	Page 2420
<p>1 have ramifications you can have ramifications, but I don't.</p> <p>2 Mr. Robert?</p> <p>3 MR. ROBERT: So, Your Honor, I will speak from my</p> <p>4 experience in New York State. It is incredibly unusual and,</p> <p>5 quite frankly, in my experience, I've never seen a situation</p> <p>6 where you're literally trying the case to two judges it</p> <p>7 would appear whereas there are notes that are constantly</p> <p>8 being passed, rulings that it would appear that the Court is</p> <p>9 in consultation with the law secretary. I think it started</p> <p>10 out less frequently. Now I would say it's almost with each</p> <p>11 ruling. There is some concern on part of defendants as a</p> <p>12 result of that.</p> <p>13 I agree with Mr. Kise's statement about opposing</p> <p>14 any imposition of sanctions in this case, but I do think</p> <p>15 this is as good a time as any to express the defendant's</p> <p>16 concern about what would appear to be the problem or the</p> <p>17 challenge that we face and that we feel like we're trying</p> <p>18 the case before two judges and sometimes you appear to be</p> <p>19 leaning in one direction and then you'll either receive a</p> <p>20 note or there will be an eye gesture or a roll of the face</p> <p>21 and something changes and it is of significant concern to</p> <p>22 us, not just during examination of witnesses by us,</p> <p>23 examination by the Attorney General, but also in the general</p> <p>24 presentation of our case here. So I just wanted to put that</p> <p>25 on the record, sir.</p>		<p>1 is happening from the bench is completely inappropriate and</p> <p>2 should stop. Thank you.</p> <p>3 MR. KISE: Can I just say one more thing, Judge?</p> <p>4 THE COURT: Sure.</p> <p>5 MR. KISE: Thank you. I just want to go back to</p> <p>6 where I began because the record on the sanction relates to</p> <p>7 what happened outside. The testimony you received in the</p> <p>8 courtroom and neither of those present a clear picture of</p> <p>9 the supports and award of sanctions. It's clear that it's</p> <p>10 fully subject to interpretation. I think the speaker has to</p> <p>11 be taken at face value as to what he was talking about and</p> <p>12 the entirety of the conversation related to the testimony as</p> <p>13 it usually does when these press conferences occur. They</p> <p>14 usually relate to what just happened in the courtroom and</p> <p>15 what is happening in the courtroom is Michael Cohen. And so</p> <p>16 that's top of line. Whether you and I or anyone else would</p> <p>17 agree "next to you" means next to you on the left or next to</p> <p>18 you on the right, you know, everyone has a different</p> <p>19 interpretation of it and because of that I would say that</p> <p>20 the President's interpretation is a fair interpretation.</p> <p>21 It's what he meant. He's the speaker. There is nothing in</p> <p>22 the record that would refute that, so I just again would</p> <p>23 urge the Court to reconsider the judgment of sanctions</p> <p>24 because there is just not a clear record here.</p> <p>25 If you are concerned about future violations or a</p>

<p>1 THE COURT: Okay.</p> <p>2 Ms. Habba?</p> <p>3 MS. HABBA: I'd just like to say as I said this</p> <p>4 morning, I'm going to reiterate something. I, myself, was a</p> <p>5 law clerk. I never sat next to the judge. The judge would</p> <p>6 actually never even allow me to come in front unless to</p> <p>7 watch oral argument, but all discussions about the case were</p> <p>8 when we were researching and deciding what the order can be.</p> <p>9 I've never experienced this and I've been practicing law for</p> <p>10 quite sometime now, unfortunately, for my age, but, Your</p> <p>11 Honor, all due respect, I agree with the sentiments.</p> <p>12 I also think that we have to remember that you made</p> <p>13 your decision on this trial before we walked in regarding</p> <p>14 liability and we've been sitting here like he said -- and,</p> <p>15 frankly, I would like to add that I've been sitting here for</p> <p>16 longer than both my cocounsel. I've been doing this with</p> <p>17 you for now a few years from the Special Proceeding and now</p> <p>18 the trial and I have had issues, numerous issues, and if</p> <p>19 we're going to make a complete record with the treatment</p> <p>20 that I've received from Ms. Greenfield from the bench, it is</p> <p>21 inappropriate. I do not like having eyes rolled, I do not</p> <p>22 like being yelled at by law clerks who did not earn the robe</p> <p>23 and I think this is completely inappropriate.</p> <p>24 And, quite honestly, Your Honor, with this</p> <p>25 sanction, it only furthers my belief that the influence that</p>		<p>1 violation then that is within your province to direct</p> <p>2 further the defendant or any of us for that matter, but I</p> <p>3 would say this record does not support any sanction and I</p> <p>4 would urge the Court to reconsider.</p> <p>5 THE COURT: Let me address all the comments about</p> <p>6 my consultations, I'll call them. I make the final</p> <p>7 decisions. I value input from both of my law clerks. Every</p> <p>8 judge does things differently. I don't know whether there</p> <p>9 are other judges in this courtroom or city or country have</p> <p>10 their law clerks sit up on the bench. That's how I do</p> <p>11 things and I make the final decisions.</p> <p>12 I guess I can't consult now, you know, and look</p> <p>13 terrible, wouldn't it? So I won't. I am reconsidering.</p> <p>14 I don't think I said this before, but the idea that</p> <p>15 the statement would refer to the witness, you know, there is</p> <p>16 somebody sitting up there alongside of him, that was a</p> <p>17 partisan Democrat whatever, that doesn't make any sense to</p> <p>18 me.</p> <p>19 MR. KISE: I mean, it -- again, in context, it</p> <p>20 certainly does, to me, given the circumstances and given the</p> <p>21 obvious animus, the admitted animus on the witness stand</p> <p>22 that Mr. Cohen has for my client. So, again, in context, I</p> <p>23 just think it has to be taken that way.</p> <p>24 If Your Honor would like to -- I know you want to</p> <p>25 keep the schedule moving. If you want to take it under</p>	

Proceedings	Page 2422	Proceedings	Page 2424
<p>1 advisement further and reconsider, I'll just leave that to</p> <p>2 you, but I just would ask that you take time and reconsider</p> <p>3 this. Thank you.</p> <p>4 THE COURT: I've been thinking about it obviously</p> <p>5 for quite a while now.</p> <p>6 Ms. Habba?</p> <p>7 MS. HABBA: The only factual thing I would like to</p> <p>8 add is the questions that have been out and I have obviously</p> <p>9 standing there have been related to Michael Cohen's</p> <p>10 testimony as well as to political matters. That has been</p> <p>11 the scope of their questions.</p> <p>12 Ms. Greenfield was never in the front of mind or</p> <p>13 even asked about. So for what it's worth, Your Honor, I</p> <p>14 have not heard that, nor would he be responding to that. It</p> <p>15 just doesn't make sense.</p> <p>16 THE COURT: I just need a little technical</p> <p>17 assistance. I want to see the exact quote again. I'm</p> <p>18 quoting in part, "with a person who is very partisan sitting</p> <p>19 alongside of him, perhaps even much more partisan than he</p> <p>20 is." I think the three attorneys that just spoke you've</p> <p>21 made my whole point. That's what he's worried about, that</p> <p>22 there is sitting alongside of me who is consulting with me.</p> <p>23 MR. KISE: Respectfully, I disagree with that. The</p> <p>24 person that's sitting next to you this morning is way more</p> <p>25 partisan than -- well, I'm not saying -- I'm going to leave</p>		<p>1 THE COURT: Can you hear him in the back?</p> <p>2 Yes, I think so. The mic's picking up.</p> <p>3 MR. ROBERT: And I'll speak louder.</p> <p>4 So the housekeeping item was Defendant's</p> <p>5 Exhibit 953, which was the December 12, 2018 transcript from</p> <p>6 Judge Pauly and the Defendant's Exhibit 961, which was the</p> <p>7 February 28, 2019 deposition transcript. Just want to make</p> <p>8 sure those are in evidence and if not, to move them in now</p> <p>9 just to make things run smoother and quicker this afternoon.</p> <p>10 MS. FAHERTY: I think, Your Honor, I believe you</p> <p>11 admitted 953 over my objection and the transcript for 961 is</p> <p>12 the transcript for 961. I don't have a basis to object</p> <p>13 here.</p> <p>14 THE COURT: They're both in evidence.</p> <p>15 MR. ROBERT: Thank you.</p> <p>16 THE COURT OFFICER: Witness entering.</p> <p>17 (Whereupon, the witness enters the courtroom and</p> <p>18 approaches the witness stand.)</p> <p>19 THE COURT: I'll remind the witness he's still</p> <p>20 under oath.</p> <p>21 Let's proceed with the questioning.</p> <p>22 CROSS EXAMINATION</p> <p>23 BY MR. ROBERT:</p> <p>24 Q Good afternoon, Mr. Cohen.</p> <p>25 A Good afternoon.</p>	
Proceedings	Page 2423	M. Cohen - Plaintiff - cross (Robert)	Page 2425
<p>1 that alone, but the witness is the one that's obviously</p> <p>2 partisan. That's been the whole point of the cross</p> <p>3 examination. That's been the whole point of the morning is</p> <p>4 that he's partisan. He's a liar, he's biased, he makes</p> <p>5 money off of -- again, you know, you heard my speech.</p> <p>6 That's really the focal point.</p> <p>7 THE COURT: I think that -- I would disagree. The</p> <p>8 focal point was he's dishonest, not that he's some sort of</p> <p>9 partisan democrat.</p> <p>10 MR. KISE: Well, that, too. I'll take that.</p> <p>11 THE COURT: I've reconsidered. The ruling stands.</p> <p>12 You're fined \$10,000. Don't do it again or it will be</p> <p>13 worse. Let's get the witness in.</p> <p>14 MR. ROBERT: Your Honor, just a couple of</p> <p>15 housekeeping things as we're waiting for the witness.</p> <p>16 THE COURT: Sure.</p> <p>17 MR. ROBERT: I just want to make sure Defendant's</p> <p>18 Exhibit 953, which is the December 12, 2018 transcript and</p> <p>19 Defendant's Exhibit 961, which was the February 28, 2019</p> <p>20 transcript are in evidence. I don't --</p> <p>21 MR. KISE: Your microphone.</p> <p>22 MR. ROBERT: Can you hear me?</p> <p>23 MS. HABBA: Yes, but we can't hear him and I'm</p> <p>24 sitting right here.</p> <p>25 MR. ROBERT: Is this better? Can you hear he now?</p>		<p>1 Q You took an oath yesterday before you took the stand,</p> <p>2 did you not?</p> <p>3 A I did.</p> <p>4 Q And you promised to tell the truth, did you not?</p> <p>5 A I did.</p> <p>6 Q And you realize that if you don't tell the truth you're</p> <p>7 committing a lie; correct?</p> <p>8 A Correct.</p> <p>9 Q And that's perjury; correct?</p> <p>10 A Correct.</p> <p>11 Q And you remember in times past you've also taken an</p> <p>12 oath when you've testified; correct?</p> <p>13 A Correct.</p> <p>14 Q And you testified this morning that other times that</p> <p>15 you've testified under oath you've testified falsely; correct?</p> <p>16 A Correct.</p> <p>17 Q And one of those times was in the Southern District of</p> <p>18 New York; correct, sir?</p> <p>19 A Correct.</p> <p>20 Q And that's literally if we can see out the window next</p> <p>21 door; correct?</p> <p>22 A If you say so.</p> <p>23 Q Well, it was in the Southern District of New York;</p> <p>24 correct?</p> <p>25 A Yes.</p>	

M. Cohen - Plaintiff - cross (Robert)	Page 2426	M. Cohen - Plaintiff - cross (Robert)	Page 2428
1 Q You had been indicted by the United States Attorney of 2 the Southern District of New York; correct? 3 A Yes. 4 Q And the criminal proceedings relating to that 5 indictment was in the Southern District of New York; correct? 6 A Yes. 7 Q And you remember appearing in court for those various 8 indictments; correct? 9 A Correct. 10 Q I think it was a total of, what was it, eight or nine 11 indictments that you faced? 12 A Initially eight and another one for the 1001 violation, 13 so nine. 14 Q So a total of nine indictments? 15 A Correct. 16 Q And the first indictments were heard before Judge 17 Pauly; correct? 18 A That's correct. 19 Q And the second one was heard before Judge Carter; 20 correct? 21 A Yes. 22 Q And would you agree with me, sir, that when a person is 23 charged with a serious felony, it's serious? 24 THE COURT: That's a tautology. 25 MR. ROBERT: It's like an Austin Powers question,		1 A Correct. 2 Q And at first you pled that you were not guilty; 3 correct? 4 A I don't recall that, no. 5 Q Well, you don't recall originally entering an 6 appearance of not guilty and then later changing it to guilty? 7 A No. 8 Q Well, sir, can we agree that eventually you did plead 9 guilty? 10 A Yes. 11 Q And, sir, the process when you were -- withdrawn. 12 And the first set of indictments was before Judge 13 Pauly; correct? 14 A Yes. 15 MS. FAHERTY: Just to clarify, I think they were 16 counts on an indictment. I don't think it was multiple 17 indictments, just for clarity's sake. 18 Q So it was two indictments; one was for eight counts and 19 one was for one count. We understand each other? 20 A I understand. 21 MR. ROBERT: The witness and I get it, Ms. Faherty. 22 Thank you. 23 Q So it was a series of two indictments; correct, sir, 24 with nine counts? 25 A Yes.

1 but I figured I'd try. 2 Q It's an important event in a person's life when they're 3 charged criminally; correct? 4 A Yes, it was. 5 Q Other than finding out they have cancer, it may be one 6 of the serious things that happens to a person. Would you agree 7 with me, sir? 8 A There are many things. 9 Q Yes or no? 10 A I don't agree with you, no. 11 Q So, sir, being indicted criminally -- withdrawn. 12 In your case was it serious that you were indicted 13 criminally? 14 A Yes. 15 Q You were facing jail; correct? 16 A Yes. 17 Q Prison? 18 A Yes. 19 Q You actually went to prison; right? 20 A Correct. 21 Q And as part of the process a person is arraigned; 22 correct? 23 A Correct. 24 Q And as it comes a point in time when a person is asked 25 whether they're guilty or not guilty?		1 Q And when you went to court one day it was determined 2 that you were going to plead guilty to those counts; correct? 3 A When I appeared in court? 4 Q Yes. 5 A Yes. 6 Q And you understood the importance when you were before 7 Judge Pauly of pleading guilty; correct? 8 A Yes. 9 Q And this was not where you walked into court and five 10 minutes later you walked out; right? 11 A Yes, it was. 12 Q So when you appeared on August 21, 2018 for your -- to 13 plead guilty, you'd say that was a five-minute appearance? 14 A Maybe not five minutes, but it wasn't all day. 15 Q I didn't ask you if it was all day. 16 A So yes, it was more than five minutes. 17 Q It was very extensive; right? 18 A Define "extensive." 19 THE COURT: Wait. Why don't you just ask him how 20 long it was. 21 MR. ROBERT: I'm going to get there, Your Honor. 22 Q Sir, during the course of that appearance before Judge 23 Pauly, Judge Pauly made various statements to you, did he not? 24 A He did. 25 Q Including he said to you, quote, "Mr. Cohen, do you	

<p>M. Cohen - Plaintiff - cross (Robert) Page 2430</p> <p>1 understand, sir, that you are now under oath and that if you 2 answer any of my questions falsely, your false or untrue answer 3 may later be used against you in another prosecution for perjury 4 or making a false statement." And you responded, "I do, Your 5 Honor." Do you remember that? 6 MS. FAHERTY: Your Honor, I just want to note my 7 objection for the record, which was similarly raised earlier 8 this morning. If we are asking the witness to form legal 9 conclusions, that is entirely improper. I am noting my 10 objection, especially as we're throwing around the 11 slanderous buzzword "perjury" like we did earlier. 12 Reasserting myself, Your Honor. 13 MR. KISE: Your Honor -- 14 THE COURT: Overruled. 15 Q Answer my question, sir. 16 A Can you repeat it? 17 MR. ROBERT: Could the court reporter repeat it? 18 THE COURT: Read back, please. 19 (Whereupon, the requested portion of the 20 proceedings was read back by the court reporter.) 21 A I do. 22 Q And do you further recall Judge Pauly saying to you, 23 quote, "My questions are intended to satisfy me that you wish to 24 plead guilty because you are guilty and that you fully 25 understand the consequences of your plea."</p>	<p>M. Cohen - Plaintiff - cross (Robert) Page 2432</p> <p>1 through it, but in the document that's in evidence as 2 Defendant's Exhibit 951, Judge Pauly asks you over 50 questions. 3 Do you have a reason to quarrel with me when I say that? 4 A I don't. 5 Q And sir, you understood that Judge Pauly was asking you 6 those 50 questions because he needed to satisfy himself that you 7 were in fact guilty; correct? 8 A I don't know what Judge Pauly was thinking. 9 Q Well, it's not about what he's thinking. He said to 10 you while you were in court that day to plead guilty, quote: 11 "My questions are intended to satisfy me that you wish to plead 12 guilty because you are guilty and that you fully understand the 13 consequences of your plea." If you want to look, sir, it's on 14 page eight, lines one through five. 15 MS. FAHERTY: Is that a question? 16 MR. ROBERT: It is. I asked him -- we can have the 17 question read back, Your Honor. 18 THE COURT: While he's looking, sidebar, please. 19 Sidebar or front bar I like to call it. 20 (Whereupon, an off-the-record discussion is held at 21 the side bar.) 22 THE COURT: Read back of the last question, please. 23 (Whereupon, the requested portion of the 24 proceedings was read back by the court reporter.) 25 Q It's not about what you think Judge Pauly meant. He</p>
<p>M. Cohen - Plaintiff - cross (Robert) Page 2431</p> <p>1 Do you remember that, sir? 2 A I do. 3 Q This was a serious day; correct? 4 A Yes. 5 Q And Judge Pauly took this incredibly seriously, did he 6 not? 7 A You're asking me to figure out what Judge Pauly 8 thought? 9 Q So you don't think Judge Pauly took the proceedings 10 seriously? You don't know? 11 A I'm not in a position -- 12 MS. FAHERTY: Objection. 13 THE COURT: Sustained. Yes or no? 14 Q Did you take him seriously? 15 A Asked and answered, but yes. 16 Q What was asked and answered? Did you take him 17 seriously? 18 A Yes. 19 THE COURT: You did ask him that and he did answer 20 that. 21 Q And, sir, during the course of those proceedings Judge 22 Pauly asked you over 50 questions about the crimes that you are 23 about to plead guilty to, didn't he? 24 A I don't know the number. 25 Q Well, sir, I mean, I can spend the next two days going</p>	<p>M. Cohen - Plaintiff - cross (Robert) Page 2433</p> <p>1 explained to you why he was asking all those questions, did he 2 not? 3 A He did. 4 Q And in response to those questions, you lied to him; 5 true? 6 A That's true. 7 Q And then about a month or so later there are additional 8 charges that are brought against you; correct? 9 A That's correct. 10 Q And at that point you appear before Judge Carter; 11 correct? 12 A Correct. 13 Q And at that point you enter a guilty plea before Judge 14 Carter; correct? 15 A Correct. 16 Q And that was for you pleading guilty to lying to 17 Congress; correct? 18 A Correct. 19 Q And on that occasion Judge Carter asked you over 76 20 questions to satisfy him that you were guilty. Do you remember 21 that? 22 A I don't remember the number. 23 Q Well, do you remember that he asked you several 24 questions to satisfy himself that you were in fact guilty? 25 A Yes.</p>

<p style="text-align: right;">Page 2434</p> <p>1 Q And at that point when you gave that testimony in the</p> <p>2 Southern District of New York were you lying then?</p> <p>3 A No.</p> <p>4 Q So you lied to Judge Pauly on August 21st, but you</p> <p>5 didn't lie to Judge Carter on November 29th. That's your</p> <p>6 testimony here today?</p> <p>7 A Yes.</p> <p>8 Q Okay. And, sir, you were then subsequently sentenced a</p> <p>9 few weeks later, were you not?</p> <p>10 A Yes.</p> <p>11 Q And that sentencing was on December 12, 2018; correct?</p> <p>12 A Correct.</p> <p>13 Transcript continues on the following page....</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 2436</p> <p>M. COHEN - PLAINTIFF - CROSS(MR. ROBERT)</p> <p>1 Did you lie at the sentencing hearing?</p> <p>2 Q Correct?</p> <p>3 THE COURT: And it is not a question of what he is</p> <p>4 referring to. He's asking you a question. Did you lie at</p> <p>5 the sentencing hearing?</p> <p>6 THE WITNESS: I don't recall.</p> <p>7 Q You don't recall whether you lied at your sentencing?</p> <p>8 A I don't recall. I have no idea what you're talking</p> <p>9 about.</p> <p>10 Q The man that was deciding how much prison time you were</p> <p>11 going to take and you don't remember if you lied? I don't know</p> <p>12 who you keep looking at for an answer. Maybe you should look</p> <p>13 up.</p> <p>14 A I'm trying to understand your question.</p> <p>15 MS. FAHERTY: Can we avoid the commentary, Your</p> <p>16 Honor?</p> <p>17 THE COURT: I thought it was understandable under</p> <p>18 the circumstances.</p> <p>19 What don't you understand? Did you lie at your</p> <p>20 sentencing hearing? You know what a sentencing hearing is.</p> <p>21 You know what a lie is.</p> <p>22 A I stated I lied at the plea, but the sentencing, I</p> <p>23 stood there and I received the sentence. There -- I don't</p> <p>24 recall that there was much communication going back and forth</p> <p>25 which is why I'm asking you to clarify your question.</p>
<p>M. COHEN - PLAINTIFF - CROSS(MR. I apologize.</p> <p>5 Q Well, you don't remember that you were sentenced for</p> <p>6 criminal conduct on December 12, 2018?</p> <p>7 A I was sentenced.</p> <p>8 Q You were sentenced to prison, correct?</p> <p>9 A Correct.</p> <p>10 Q And you don't know as you sit here today whether you</p> <p>11 lied that day?</p> <p>12 A At sentencing?</p> <p>13 Q Correct.</p> <p>14 A I -- I -- I don't know what you're even referring to.</p> <p>15 Q It is not a question of what I'm referring to. I</p> <p>16 promise you that we are going to get there, sir.</p> <p>17 A I can't answer your question.</p> <p>18 Q So you don't know as you sit here today whether you</p> <p>19 lied to Judge Pauley at your sentencing, do you?</p> <p>20 A Are you referring to when I took the -- when I</p> <p>21 accepted the sentence?</p> <p>22 THE COURT: Mr. Cohen, it is not --</p> <p>23 THE WITNESS: I apologize. Yes. Actually, I know what you are talking about</p> <p>5 now.</p> <p>6 Q Now, you remember?</p> <p>7 A Yes, I do.</p> <p>8 Q And you lied?</p> <p>9 A I did.</p> <p>10 Q So you lied when you pled guilty, right? We know the</p> <p>11 answer already, but just tell me.</p> <p>12 A Asked and answered. Can I take two</p> <p>22 minutes to get my things together?</p> <p>23 THE COURT: Sure. Of course.</p> <p>24 MS. <p>1 Q And accept that information from you?</p> <p>2 A Yes.</p> <p>3 Q In connection with the -- your sentence in the</p> <p>4 Southern District of New York?</p> <p>5 A Yes.</p> <p>6 MS. I'll just ask Mr. Cohen if he</p> <p>9 recognizes this document.</p> <p>10 A I do.</p> <p>11 Q What do you recognize this to be, Mr. Cohen?</p> <p>12 A This is the sentencing memorandum on my behalf that was</p> <p>13 produced by myself and guy Petrillo of Petrillo, Klein &amp; Boxer,</p> <p>14 my criminal attorneys at the time.</p> <p>15 Q And is it your understanding that this sentencing memo</p> <p>16 was, in fact, considered before the Southern District of New</p> <p>17 York pronounced sentence on you in connection with the crimes to</p> <p>18 which you pled guilty in the Southern District of New York?</p> <p>19 A Yes.</p> <p>20 MS. FAHERTY: Your Honor, I move to admit this</p> <p>21 document.</p> <p>22 MR. ROBERT: Objection, Your Honor. It's</p> <p>23 bolstering the witness. Unless in these 33 pages it says</p> <p>24 that he's actually not guilty, it is completely irrelevant.</p> <p>25 And I haven't read these 33 pages, but I don't think Mr.</p>	<p>1 statements about, you know, why I think the punishment is</p> <p>2 too severe or why I think my circumstances are different,</p> <p>3 that's irrelevant and it is completely admissible under the</p> <p>4 prior consistent statement exception.</p> <p>5 And I can cite the Court to the Melendez case, 54</p> <p>6 AD2d 864. It is a First Department case. The Giordano</p> <p>7 case, 9 AD2d 947. It is a Second Department case. People</p> <p>8 v. McKlean, 69 NY2d 426 which is a Court of Appeals case. I</p> <p>9 mean, I probably have 20 here, but you told me before you</p> <p>10 only need a couple, so -- but -- but unless the statement</p> <p>11 is fully consistent with what this witness has testified to</p> <p>12 here in open court, meaning he told Judge Pauley or he wrote</p> <p>13 something in court back then that says "I'm not guilty of</p> <p>14 these crimes," it cannot come in under the prior consistent</p> <p>15 statement exception.</p> <p>16 It's just completely inadmissible. It doesn't</p> <p>17 satisfy any of the prerequisites and we haven't had a chance</p> <p>18 to go through that memorandum, but we can. We could take a</p> <p>19 few-minutes break and look, but I doubt seriously that there</p> <p>20 is anything in there that's consistent with what this</p> <p>21 witness has said today about him not being guilty because</p> <p>22 Judge Pauley never would have accepted a plea under those</p> <p>23 circumstances. It is not possible.</p> <p>24 MS. FAHERTY: He can speak for the judge now.</p> <p>25 MR. KISE: I can speak to --</p>
M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2447	M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2449
<p>1 Petrillo in the sentencing memo told Judge Pauley that the</p> <p>2 client lied and he is actually not guilty of the crime. So</p> <p>3 I don't see what the relevance of this would be.</p> <p>4 MR. KISE: Right, Your Honor. The rule for</p> <p>5 admissibility of prior consistent statements, which is a</p> <p>6 very narrow limitation on the hearsay rule, is the statement</p> <p>7 has to be characterized as a recent fabrication or perjury.</p> <p>8 We satisfied that and the same statement was made at a time</p> <p>9 pre-dating the statement in court. So it has to be the same</p> <p>10 statement. It can't be a different statement. It can't be</p> <p>11 an inexplorable [sic] statement.</p> <p>12 If there are statements that say in there, "I am</p> <p>13 not guilty," "I'm pleading guilty even though I'm not</p> <p>14 guilty," that might be acceptable. We don't know because we</p> <p>15 haven't been able to go through it. Anything in there about</p> <p>16 excuses why he did the crime or why he thinks the penalty is</p> <p>17 too much or why there's extenuating circumstances, that's</p> <p>18 all improper rehabilitation. It is all complete hearsay.</p> <p>19 If he said at the time, which clearly he did, because Judge</p> <p>20 Pauley would never have accepted the plea. I've been to</p> <p>21 enough sentencings.</p> <p>22 So if he said at the time "I'm not guilty," "I'm</p> <p>23 not guilty," "I'm not guilty" like he said here today under</p> <p>24 oath, then that statement could come in as a prior</p> <p>25 consistent statement. But just general statements or</p>	<p>1 MS. FAHERTY: To the extent that we need a rule</p> <p>2 that supports why this evidence is admissible, 4514, Your</p> <p>3 Honor, under the CPLR, respectfully, this is perfectly fair</p> <p>4 game, perfectly admissible and perfectly in line with the</p> <p>5 evidence these attorneys have put forth before this Court</p> <p>6 that you and your liberal discretion have permitted with</p> <p>7 regards to a sentencing of Mr. Cohen.</p> <p>8 In fact, they moved to admit and you accepted the</p> <p>9 sentencing memo submitted by the federal government in that</p> <p>10 action. So, Your Honor, respectfully, this is appropriate</p> <p>11 and I have moved this into evidence despite the objection.</p> <p>12 MR. KISE: Your Honor, our document was introduced</p> <p>13 as impeachment. This document is being introduced to</p> <p>14 attempt to rehabilitate an un-rehabilitatable witness and</p> <p>15 the law is just very clear on this. This is not subject to</p> <p>16 debate. So unless the statement is consistent with the</p> <p>17 testimony presented in this courtroom, consistent, not</p> <p>18 inconsistent, not maybe, not moving around it, it has to be</p> <p>19 fully consistent.</p> <p>20 I think the example I gave when we had this issue</p> <p>21 with Mr. Larson is if the witness says today that the light</p> <p>22 is green and he's challenged that that's a recent</p> <p>23 fabrication, then you can introduce prior statements that</p> <p>24 say where the witness said under oath the light was green.</p> <p>25 Fine, but here, you have a situation where the witness is</p>

M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2450	M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2452
<p>1 saying on the stand the light is green and the prior</p> <p>2 statements just like with Mr. Larson are the light is red, I</p> <p>3 don't know, maybe, I'm not sure, all those things. Those</p> <p>4 aren't prior consistent statements.</p> <p>5 This is improper bolstering with hearsay. The</p> <p>6 prior consistent statement exception to the hearsay rule is</p> <p>7 one of the narrowest exceptions that there is. So the idea</p> <p>8 they can just bring something in because we introduced a</p> <p>9 sentencing memorandum for an entirely different person, this</p> <p>10 isn't -- the law doesn't work that way. The statement must</p> <p>11 be fully consistent and the Court must make a finding</p> <p>12 specifically on the record that it is fully consistent.</p> <p>13 So if the government would like to point out</p> <p>14 exactly where in that memorandum Mr. Cohen said, "I'm not</p> <p>15 guilty of this crime", "I'm pleading guilty even though I'm</p> <p>16 not guilty," and "I plan to lie to Judge Pauley by answering</p> <p>17 his questions with I'm guilty because I'm pleading guilty</p> <p>18 because I am," fine. But I doubt anywhere in that</p> <p>19 memorandum is a statement consistent with what this witness</p> <p>20 has testified to in this courtroom.</p> <p>21 THE COURT: You doubt that anywhere in the</p> <p>22 memorandum is a statement --</p> <p>23 MR. KISE: I can't imagine again. Look, I can't</p> <p>24 speak for Judge Pauley, but I can speak to all the federal</p> <p>25 sentencings I attended and I can tell you that no federal</p>	<p>1 is prior inconsistent statement. They can't impeach their</p> <p>2 own witness with prior --</p> <p>3 THE COURT: Ms. Faherty, is that the right</p> <p>4 provision?</p> <p>5 MS. FAHERTY: It is a prior consistent statement.</p> <p>6 This counsel is trying to repeatedly impeach the witness</p> <p>7 with his statements. He has made prior consistent</p> <p>8 statements. Under the rules of evidence, that is</p> <p>9 permissible rehabilitation. That is an exception to</p> <p>10 hearsay.</p> <p>11 THE COURT: Am I correct that that's not the</p> <p>12 section you were referring to?</p> <p>13 MS. FAHERTY: I pulled the wrong section, Your</p> <p>14 Honor. My apologies.</p> <p>15 MR. KISE: Again, Your Honor, it has to be a prior</p> <p>16 consistent statement. The case law is -- from the Court of</p> <p>17 Appeals on down is very clear on this. It can't just be any</p> <p>18 statement. It can't be a statement that's general subject</p> <p>19 matter. It can't be a statement that's inconsistent. It</p> <p>20 has to be the light was green, the light was green. It's</p> <p>21 really simple. So if he has -- if they have evidence where</p> <p>22 this witness said to Judge Pauley in that proceeding before</p> <p>23 "I'm not guilty" and that's in that sentencing memorandum,</p> <p>24 then that would be fair game; but it is not if it's just</p> <p>25 statements about why it's lenient or why I think I shouldn't</p>
M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2451	M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2453
<p>1 judge that I ever encountered would take a plea from an</p> <p>2 individual who stood in front of him and said, "Yes, I'm</p> <p>3 pleading guilty just because I'm not really guilty." That's</p> <p>4 the purpose of the colloquy. That's the purpose of this as</p> <p>5 Mr. Robert pointed out, the purpose of the 55 or 58 or 78</p> <p>6 questions. I think state judges here, my experience is the</p> <p>7 same. In fact, in New York State court, the defendant has</p> <p>8 to allocute, specifically allocute. It is even different</p> <p>9 than federal court.</p> <p>10 THE COURT: What was the CPLR section to which you</p> <p>11 referred?</p> <p>12 MS. FAHERTY: 4514, Your Honor.</p> <p>13 THE COURT: It is very short. Let me read it out</p> <p>14 loud because I want to read it anyway. "In addition to</p> <p>15 impeachment in the manner permitted by common law," I</p> <p>16 studied that in law school, "any party may introduce proof</p> <p>17 that any witness has made a prior statement inconsistent</p> <p>18 with his testimony if the statement was made in a writing</p> <p>19 subscribed by him or was made under oath."</p> <p>20 MR. KISE: So now they're proceeding under the</p> <p>21 impeachment rule, the inconsistent statement? They're going</p> <p>22 to impeach their own witness with prior inconsistent</p> <p>23 statements. I mean, that's extraordinary.</p> <p>24 MS. FAHERTY: Your Honor --</p> <p>25 MR. KISE: The only possible basis it can come in</p>	<p>1 be punished, the usual --</p> <p>2 MS. FAHERTY: Your Honor, New York Guide to</p> <p>3 Evidence 8.31, a prior consistent statement: "A statement</p> <p>4 of a witness made prior to his or her testimony and</p> <p>5 consistent with that testimony is admissible when offered to</p> <p>6 rebut an express or implied claim of recent fabrication and</p> <p>7 when the statement was made prior to the circumstances</p> <p>8 supporting that claim." I believe that is sufficient, Your</p> <p>9 Honor.</p> <p>10 MR. KISE: So Your Honor --</p> <p>11 THE COURT: Last word.</p> <p>12 MR. KISE: First let me applaud Ms. Faherty for</p> <p>13 making something that's really mundane very</p> <p>14 interesting. I'll give her that.</p> <p>15 MS. FAHERTY: I tell you.</p> <p>16 MR. KISE: The words that she read are exactly what</p> <p>17 we're saying. We're actually saying the same thing. They</p> <p>18 have to be prior consistent statements. They have to be the</p> <p>19 light was green, the light was green. "I'm not guilty,"</p> <p>20 "I'm not guilty." It can't be "I'm not guilty," "I'm</p> <p>21 guilty." It can't be "I'm guilty, but I think I should have</p> <p>22 these extenuating circumstances and now you say I'm not</p> <p>23 guilty." They have to match up. It has to be identical.</p> <p>24 It has to match up. So I just think that's the rule.</p> <p>25 It's not really difficult. The case law is very</p>

<p>M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2454</p> <p>1 clear. This is a very narrow exception, very narrow 2 exception and they're trying to shoehorn in a whole litany 3 of sentencing considerations, none of which I am sure tell 4 Judge Pauley "I'm not actually guilty of these crimes." 5 THE COURT: Mr. Robert, quickly, if anything. 6 MR. ROBERT: I know when to not speak. 7 THE COURT: I think we're making a mountain out of 8 a molehill. We've been spending hours and hours about the 9 witness' credibility or lack thereof. What's sauce for the 10 goose is sauce for the gander and I think we established 11 that. The prosecution sentencing memorandum came in. This 12 is coming in. I don't even know what's in it. We're 13 arguing about -- 14 MR. KISE: Respectfully, Your Honor, that's the 15 whole point. In order to admit it, you have to make a 16 finding that the statements are identical, that they match 17 up, that they're both consistent. The light was green the, 18 light was green. That's the requisite finding under the 19 case law. 20 MR. ROBERT: Maybe the solution is if the 21 government wants to show us in here where he says, "I'm 22 really not guilty," we will look at it. 23 MS. HABBA: I think they should pull out a specific 24 portion. I think if it's allowed in, it should be a 25 specific portion as I did, not the entirety. That's what</p>	<p>M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2456</p> <p>1 cited -- again, I can go on with many more. I know. This 2 is a very narrow exception, very narrow. 3 THE COURT: Anything else to say before I rule one 4 way or the other? I have a coin here I can flip, you know. 5 MS. FAHERTY: I think you have the complete 6 wherewithal to understand the basis for having this document 7 in front of you, Your Honor. I think you understand the 8 speechifying that has occurred unnecessarily. I would like 9 to move along from this point. Mr. Cohen has testified as 10 to what this document is, what information was contained in 11 the sentencing memo, and how, if at all, it impacted 12 sentencing. 13 THE COURT: I don't remember him testifying to what 14 is in this sentencing memo. 15 MS. HABBA: Thank you, Your Honor. 16 MR. KISE: That's the point. 17 MS. FAHERTY: Let's go through it then. Your 18 Honor, I think if I have to go through it, it is a waste of 19 this Court's time. 20 MR. KISE: No. No. 21 MS. HABBA: That's how this works. 22 MS. FAHERTY: It is just such a waste of the circus 23 show that this has divulged into. 24 MR. KISE: The rules and the case law from the 25 Court of Appeals on down are a waste of time? I realize</p>
<p>M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2455</p> <p>1 she objected to. That was her own objection to my question. 2 THE COURT: Let's go back a step. It is an 3 out-of-court statement, right? Are you introducing it to 4 prove the truth of its contents? 5 MS. FAHERTY: Sorry, Your Honor? 6 THE COURT: Are you introducing it to prove the 7 truth of its contents? 8 MS. FAHERTY: No. 9 THE COURT: Then what are you introducing it for? 10 MS. FAHERTY: To rebut the very testimony that they 11 solicited on cross-examination which -- 12 MR. KISE: No. She's introducing it to prove the 13 truth of its contents meaning on a prior date when he didn't 14 have a reason to -- recent fabrication, that he made a 15 statement fully consistent, identical statement, an 16 identical statement. That's the purpose of the prior 17 consistent statement exception to the hearsay rule. 18 So yes, it is absolutely being offered to prove the 19 truth of the matter asserted. The matter asserted is the 20 contents of the statement, that his statement then and his 21 statement now are fully consistent. So you can't introduce 22 a prior consistent statement for any other reason than to 23 demonstrate that the two are identical. 24 So it is definitely being offered to prove the 25 truth of the matter asserted and the cases I've</p>	<p>M. COHEN - PLAINTIFF - REDIRECT(MS. FAHERTY) Page 2457</p> <p>1 that is the government's position. That's been their 2 position with President Trump's case from the beginning, 3 that the rules don't apply, the law doesn't apply, nothing 4 applies, COVID rules don't apply, everything else doesn't 5 apply. 6 MS. FAHERTY: Mr. Kise. 7 MR. KISE: No, you had your say. So the point is 8 there are laws and there are rules. If they want to make a 9 specific proffer to the Court that there are specific 10 statements that are identical, the light was green, the 11 light was green and they're identical and the Court finds 12 that these specific statements are identical, then they can 13 offer to introduce those. But to just throw the memo over 14 the top and say, "I want that in there" because I know where 15 this is headed. I've been down this road before. Born at 16 night, but not last night. 17 What they'll do is they'll throw it in there and 18 then later pull out something in a memo and say, "Look. 19 Look. Here. This is in evidence now." No. No. It 20 doesn't operate that way, prior consistent statement 21 exception. It is very, very, very, very narrow. This is 22 not a speech. This is a recitation of the law. 23 MS. HABBA: Your Honor, briefly. As we know, Ms. 24 Faherty liked to jump up when I was getting up and asked me 25 what statement I was trying to put in, not an entire</p>

<p>1 document, not even an entire article. I would like to know</p> <p>2 what statement she has in this 33 pages, please. Where is</p> <p>3 it referenced?</p> <p>4 MS. FAHERTY: "Mr. Cohen, in the sentencing memo on</p> <p>5 page three, paragraph C, is there a subtopic heading, "The</p> <p>6 Nature of the Offense Conduct?" "Yes."</p> <p>7 MS. HABBA: What?</p> <p>8 MR. ROBERT: What?</p> <p>9 MS. HABBA: We must be looking at --</p> <p>10 MS. FAHERTY: Page 13, paragraph C.</p> <p>11 MR. KISE: Should we do this in the presence of the</p> <p>12 witness line by line.</p> <p>13 MS. HABBA: Perhaps not.</p> <p>14 MS. FAHERTY: Which way would you like it, Counsel?</p> <p>15 MR. KISE: With the witness not here and we can go</p> <p>16 through it, the way it is contemplated.</p> <p>17 THE COURT: Hold on.</p> <p>18 (Continued on the next page.)</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 Q Did that end at some point?</p> <p>2 A Yes.</p> <p>3 Q When?</p> <p>4 A It ended in -- well, it ended with my interview with</p> <p>5 George Stephanopoulos where I stated that my wife, my daughter,</p> <p>6 my son have my first loyalty, as well as my country, and that I</p> <p>7 would not be the villain of his story.</p> <p>8 Q Do you recall about when that was?</p> <p>9 A 2018, maybe 2019.</p> <p>10 Q And can we pull up Defendant's Exhibit D 961 and turn</p> <p>11 to page 149?</p> <p>12 A Yes.</p> <p>13 Q You were asked a number of questions on this particular</p> <p>14 page with regard to your prior testimony. Is that fair,</p> <p>15 Mr. Cohen?</p> <p>16 A Correct.</p> <p>17 Q Ms. Habba asked you certain questions; correct? You</p> <p>18 recall that?</p> <p>19 A Yes-or-no question, yes.</p> <p>20 Q Mr. Robert asked you a number of questions; fair?</p> <p>21 A Yes.</p> <p>22 Q I believe I heard you wanted to offer an explanation</p> <p>23 that you may not have been permitted to fully testify on.</p> <p>24 Would you like to provide an explanation that you were</p> <p>25 not previously able to provide in response to Counsel's</p>

<p>1 THE COURT: Ms. Faherty, I don't know what's in</p> <p>2 here. You'll have to go through it.</p> <p>3 MS. FAHERTY: Your Honor, if I may?</p> <p>4 THE COURT: If you want to not --</p> <p>5 MS. FAHERTY: -- on the issue and I could submit a</p> <p>6 letter. It might be more helpful to the Court because</p> <p>7 Counsel I don't think will actually allow me to get through</p> <p>8 this and I think we can just move it along.</p> <p>9 THE COURT: Okay. Sure.</p> <p>10 MR. KISE: That's fine if they want to submit</p> <p>11 something later after the witness.</p> <p>12 MS. FAHERTY: Okay.</p> <p>13 Q Mr. Cohen --</p> <p>14 THE COURT: By the way, I don't want spend to much</p> <p>15 time on this. We keep micromanaging these little pieces of</p> <p>16 a big case.</p> <p>17 MR. KISE: That's why we're here.</p> <p>18 MS. HABBA: He just admitted he didn't tell him to</p> <p>19 do what he said he did. We're done. We can move on.</p> <p>20 THE COURT: You reserve the right to put it in a</p> <p>21 memo why this should come in.</p> <p>22 Q Mr. Cohen, you were asked on cross about numerous</p> <p>23 positive statements that you made about Donald J. Trump. Do you</p> <p>24 recall that?</p> <p>25 A I do.</p>	<p>1 questions earlier on this particular document and this</p> <p>2 particular page?</p> <p>3 MR. KISE: Objection. Calls for a narrative. She</p> <p>4 needs to ask a specific question about what it is she is</p> <p>5 seeking. This is a witness on direct, so she needs to ask a</p> <p>6 specific questions, but appropriate questions, not a leading</p> <p>7 question and not a question that's open-ended. Just tell us</p> <p>8 what you know. It needs to be a specific question.</p> <p>9 THE COURT: Interesting issue. I don't think it</p> <p>10 does. I think you can ask the witness is there anything</p> <p>11 else you need to tell us or want to tell us.</p> <p>12 So answer the question, please.</p> <p>13 A When I was asked the question did he ask me to inflate</p> <p>14 the numbers, he did not specifically state "Michael, go inflate</p> <p>15 the numbers." As I stated in my books, and I've stated</p> <p>16 publicly, Donald Trump speaks like a mob boss and what he does</p> <p>17 is he tells you what he wants without specifically telling you.</p> <p>18 So when he said to me "I'm worth more than five million. I'm</p> <p>19 actually worth maybe six, maybe seven, could be eight," we</p> <p>20 understood what he wanted.</p> <p>21 So when they asked me did Mr. Trump direct you or</p> <p>22 Mr. Weisselberg to inflate the numbers for his personal</p> <p>23 statement and I stated "no, not that I recall, no," that's what</p> <p>24 I was referring to.</p> <p>25 Then, if you continue down as opposed to just cherry</p>

1 picking the lines, "did overhear any conversations with Allen  
2 Weisselberg" -- "with Mr. Trump and Allen Weisselberg?"  
3 "No."  
4 The statements that I heard from Mr. Trump directing me  
5 and Allen were he wanted to rise in the Forbes 400 list and he  
6 directed that Allen and I go and meet with the writer of Forbes  
7 and give her the information, explain to her the value of the  
8 assets, which we already -- I think we're missing a page.  
9 Q It's on the screen, Mr. Cohen.  
10 A -- were inflated.  
11 "So the value of the assets on those personal financial  
12 statements were to your understanding inflated?"  
13 My answer, "yes."  
14 It then goes on, "Okay. Now, if those were submitted  
15 to an insurance firm or a bank and they were sworn to, might  
16 that be evidence of a crime?" I stated "I actually pled guilty  
17 to it."  
18 Q Was that the clarification you wanted to add to your  
19 answer that you weren't permitted to answer before?  
20 A Yes.  
21 MS. FAHERTY: No further questions, Your Honor.  
22 Thank you, Mr. Cohen.  
23 THE COURT: Any re-recross?  
24 MR. KISE: Give us one minute, Your Honor.  
25 (Whereupon, there is a pause in the proceedings.)

Proceedings

Page 2463

1 MR. ROBERT: Your Honor, we have no further  
2 questions. But, once again, I renew my request for a  
3 directed verdict again because Mr. Cohen in addition to now  
4 admitting to perjury several times, unequivocally has said  
5 that Mr. Trump and Mr. Weisselberg did not direct him to  
6 inflate the numbers and even this purported redirect  
7 examination has done nothing to change the facts that the  
8 government's key witness has fallen flat on his face and  
9 there is no way they can make out a prima facie case.  
10 So, again, at the close of the evidence in the  
11 plaintiff's case we'll make a formal motion for directed  
12 verdict, but at this point I once again must strenuously  
13 request that this Court grant relief and end this case once  
14 and for all on behalf of all defendants, sir.  
15 THE COURT: Absolutely denied. This case has  
16 evidence, credible or not, all over the place. There is a  
17 200-page complaint, there is a 35-page summary judgment  
18 decision referring all sorts of evidence.  
19 The fact that one witness, who I don't necessarily  
20 consider from what I've seen to be a key witness, I don't  
21 think there is a key witness, who said something which he  
22 has now -- however you want to categorize it, taken back.  
23 That's absurd, Mr. Robert. I mean, you and I respect each  
24 other and I -- you're a very good lawyer, but no way, no how  
25 this case is being dismissed because of an equivocal --

Page 2464

1 arguably equivocal statement by one witness who I don't  
2 consider the key witness. And there is enough evidence in  
3 this case to fill this courtroom. So denied, but you can  
4 make it again at the end of plaintiff's case.  
5 MR. ROBERT: We will. Thank you, sir.  
6 THE COURT: Since I'm denying it now, I don't think  
7 it's going to change, although actually all the other  
8 evidence presented, I assume. So I understand where it's  
9 coming from, but I hope you understand where I'm coming  
10 from.  
11 MR. ROBERT: Thank you, sir.  
12 THE COURT: All right. Witness is excused. Thank  
13 you.  
14 (Whereupon, the witness is excused from the witness  
15 stand.)  
16 THE COURT: All right. Counsel are going to stay,  
17 but everyone else, 10:00 a.m. tomorrow. Have a good rest of  
18 the day. That's it for the day, except for counsel.  
19 (Whereupon, the trial proceedings are adjourned to  
20 October 26, 2023 at 10:00 a.m.)

The only 9 testimony in the record is that when the statement was made 10 he meant Michael Cohen. The review of the statement itself, 11 at least in my mind, and this is where I pointed out to the 12 Court yesterday and I went back to make sure that my 13 recollection was correct, that the review of the statement 14 does not support the sanction either. 15 President Trump stated "very partisan judge" and 16 quote, "With a person who is very partisan sitting alongside 17 of him, perhaps even more partisan than he is." 18 And the very next sentence after that is "so we are 19 doing very well. He's a totally discredited witness." 20 Now, I'm not going to offer a grammar lesson here, 21 but to me the -- the "he" in the immediately subsequent 22 sentences is referring to the person in the immediately 23 preceding sentence. That's how I certainly took it at the 24 time. 25 In fact, if you watch the video, I'm standing there</p>

Proceedings	Page 2469	Proceedings	Page 2471
<p>1 sort of stone faced. I think -- I'm not going to comment on</p> <p>2 that. I think -- and if I thought there was a violation of</p> <p>3 an order I probably would have reacted. But in all events,</p> <p>4 sanctions must be based on clear conduct. This wasn't clear</p> <p>5 conduct. The conduct is not -- is susceptible to an</p> <p>6 innocent explanation and for that reason I would ask the</p> <p>7 Court to reconsider.</p> <p>8 Secondly, though, and I think as importantly, if</p> <p>9 not more importantly, accepting the Court's premise that it</p> <p>10 was in fact a reference to your law secretary, I think that</p> <p>11 raises even more problematic considerations for the Court to</p> <p>12 take into account. These are significant First Amendment</p> <p>13 considerations when we're talking about the kind of</p> <p>14 statement that was made yesterday. Again, I don't accept --</p> <p>15 and President Trump as you can tell from his testimony</p> <p>16 doesn't accept the premise that in fact he was referring to</p> <p>17 anyone other than Michael Cohen. But to the extent that the</p> <p>18 Court is saying that he does -- he was, then barring a</p> <p>19 defendant from commenting on his perception of fairness in a</p> <p>20 proceeding is simply, you know, based on his own</p> <p>21 observations is not, respectfully, constitutional.</p> <p>22 I mean, these perceptions of the defendant are</p> <p>23 perceptions of what he is observing in open court. The case</p> <p>24 itself it's fair to say -- I mean, we can debate whether</p> <p>25 it's fully political or somewhat political, but in any</p>		<p>1 the bench is open and public. That's a point that he has</p> <p>2 made and I have to echo anyone can observe that. So him</p> <p>3 commenting on that fact is well within the bounds of his</p> <p>4 First Amendment rights. Him commenting on the bias that may</p> <p>5 result from that is well within his First Amendment rights.</p> <p>6 He did not name anyone yesterday. Again, he was talking</p> <p>7 about Michael Cohen. But accepting the Court's premise</p> <p>8 there was no one named and all defendants in any proceeding</p> <p>9 have a right to comment on what they believe is a perceived</p> <p>10 lack of fairness or on some impediment to receiving a</p> <p>11 complete and full, fair trial.</p> <p>12 We don't have a jury. You've heard him comment on</p> <p>13 that before. The system doesn't allow him the jury under</p> <p>14 the circumstances and so that's also problematic and he's</p> <p>15 free to comment on that as well. But limiting a defendant's</p> <p>16 right to comment appropriately on observations that are made</p> <p>17 in open court, you know, again, I will note that everyone</p> <p>18 can observe your law secretary on the bench and when the</p> <p>19 photographers that you have let in here come in they're</p> <p>20 photographing the bench. There is no attempt to shield that</p> <p>21 public fact from the photographers that the media is</p> <p>22 covering this on a daily basis, albeit a little less today,</p> <p>23 but on a daily basis.</p> <p>24 So this is open, public and the defendant has a</p> <p>25 First Amendment right to comment on what he believes and</p>	
Proceedings	Page 2470	Proceedings	Page 2472
<p>1 event, it's political.</p> <p>2 The Attorney General has made numerous public</p> <p>3 comments both prior to bringing the case and during the case</p> <p>4 about getting Trump and a political agenda here and the</p> <p>5 defendant is the leading candidate it seems even in New York</p> <p>6 now for the presidency of the United States. So he is</p> <p>7 entitled to comment even beyond what a normal event would</p> <p>8 be. I mean, the restrictions on political speech become</p> <p>9 much more -- much greater consideration. So the notion that</p> <p>10 he cannot comment on the fairness of a proceeding with even</p> <p>11 a general reference to what he sees and perceives</p> <p>12 legitimately as bias is constitutionally infirmed.</p> <p>13 I mean, this violates the First Amendment. His</p> <p>14 perception is based on him sitting here in the courtroom,</p> <p>15 watching your law secretary make comments to you, pass notes</p> <p>16 to you. He's -- he said to me numerous times when I'm</p> <p>17 arguing because when I'm arguing I'm focused on the witness</p> <p>18 or on yourself, but he's always said every time you get up</p> <p>19 to argue the law secretary is writing notes advocating.</p> <p>20 These are his perceptions.</p> <p>21 You, Your Honor, may disagree with those</p> <p>22 perceptions, but these are his perceptions. He is a</p> <p>23 defendant in a proceeding where his business is being</p> <p>24 attacked and he's entitled to comment fairly on what he</p> <p>25 perceives in open court. Your law secretary's presence on</p>		<p>1 perceives I think legitimately from his perspective as a</p> <p>2 potential source of bias and limiting that runs afoul of the</p> <p>3 First Amendment in general with respect to defendants, but</p> <p>4 also even more under the heightened scrutiny of restricting</p> <p>5 and placing prior restraints on political speech of a</p> <p>6 presidential candidate.</p> <p>7 There was no reference to anyone by name, there was</p> <p>8 nothing more than an observation about proximity and bias.</p> <p>9 Both of those are -- fall well within the fair bounds of the</p> <p>10 First Amendment comment, again, for any defendant but</p> <p>11 certainly for a defendant who is a candidate for President</p> <p>12 of the United States.</p> <p>13 So, respectfully, Your Honor, I'd ask you to</p> <p>14 reconsider your order, one, because the President as he</p> <p>15 testified, the only evidence was referring to Michael Cohen;</p> <p>16 and two, because as stated the order is constitutionally</p> <p>17 infirmed.</p> <p>18 To the extent, Your Honor intends to proceed then</p> <p>19 with the order and affirm the order, then I would ask</p> <p>20 respectfully that you reduce it to writing so that it can be</p> <p>21 appealed and I would also ask that at some point in the</p> <p>22 proceedings during a break that we be allowed since</p> <p>23 photographers have been in here to photograph the empty</p> <p>24 bench so the Appellate Court has a record of exactly what</p> <p>25 the setting is with where you're sitting, where Michael</p>	

Proceedings	Page 2473	Proceedings	Page 2475
<p>1 Cohen would have been sitting, where your law secretaries</p> <p>2 are sitting so that there is a full record there. I hope</p> <p>3 that that won't be necessary. I think that -- I know that</p> <p>4 President Trump understands your order and to the extent you</p> <p>5 want to reaffirm that order with him when he's back here</p> <p>6 that's certainly acceptable and appropriate to continue to</p> <p>7 admonish the defendant of the bound of the order, but I</p> <p>8 don't think that the order entered yesterday survives</p> <p>9 constitutional scrutiny, respectfully. Thank you, Judge.</p> <p>10 MR. AMER: Your Honor?</p> <p>11 THE COURT: I was going to ask the plaintiff if any</p> <p>12 Counsel wants to say anything.</p> <p>13 MR. KISE: One thing I would also point out before</p> <p>14 Mr. Amer speaks. My understanding of the CDC guidelines and</p> <p>15 based on their representations is individuals who are</p> <p>16 returning after five days should be wearing masks. Again,</p> <p>17 no one seems to be concerned about this on the Attorney</p> <p>18 General's side and it was represented to us that was going</p> <p>19 to happen and apparently it was not.</p> <p>20 MR. AMER: That's not true. The CDC guidelines say</p> <p>21 if you test negative over a 48-hour period you no longer</p> <p>22 have to wear a mask and I'm within the guidelines, so I</p> <p>23 choose not to wear a mask.</p> <p>24 THE COURT: Okay. Anything else you want to say?</p> <p>25 MR. AMER: Yes. I want to address Mr. Kise's</p>		<p>1 And I would say his second argument suggests that</p> <p>2 Mr. Trump doesn't believe that your gag order is valid in</p> <p>3 the first place and has bearing on then whether Mr. Trump</p> <p>4 took it seriously and who he was referring to during his</p> <p>5 press conference.</p> <p>6 I will also say if you watch the video of his press</p> <p>7 conference he was asked multiple times by the press who he</p> <p>8 was referring to and he refused to answer that question, so</p> <p>9 that's all I have to say. Thank you, Your Honor.</p> <p>10 MR. KISE: Your Honor, one, so I don't know where</p> <p>11 to begin. First of all, I'm not sure that the Attorney</p> <p>12 General has a dog in this hunt, but I'll leave that to you,</p> <p>13 number one.</p> <p>14 Two, the Attorney General is oversimplifying the</p> <p>15 constitutional analysis, not surprisingly, because doing</p> <p>16 that favors their blurring of the lines position. So</p> <p>17 irrespective of whether we believe the gag order is</p> <p>18 constitutional facially, certainly there is a distinct</p> <p>19 difference between facial unconstitutionality and as applied</p> <p>20 unconstitutionality.</p> <p>21 The argument that I'm presenting to Your Honor as a</p> <p>22 basis for reconsideration relates to irrespective of whether</p> <p>23 the gag order itself is constitutional. The question that</p> <p>24 hasn't been raised and need not be reached. The question is</p> <p>25 as applied, your application of that order under these</p>	
Proceedings	Page 2474	Proceedings	Page 2476
<p>1 arguments he makes. Two points, Your Honor. The first</p> <p>2 point is request for you to reconsider the sanction order.</p> <p>3 I would just say I haven't heard anything that justifies</p> <p>4 granting reconsideration. Your Honor put Mr. Trump on the</p> <p>5 stand under oath. You heard his testimony, you assessed his</p> <p>6 credibility that's within your purview and you made your</p> <p>7 decision which I think should stand. Nothing new or</p> <p>8 different has been brought to this Court's attention as far</p> <p>9 as I could tell.</p> <p>10 With respect to Mr. Kise's second argument, it</p> <p>11 seems to be a challenge to this Court's gag order. I would</p> <p>12 suggest, Your Honor, that there is absolutely nothing</p> <p>13 improper and everything appropriate with your gag order.</p> <p>14 The First Amendment has limits, Your Honor, carefully narrow</p> <p>15 tailored the gag order to address the safety of your staff.</p> <p>16 You did not prevent Mr. Trump from attacking or criticizing</p> <p>17 you. You did not limit Mr. Trump from criticizing the</p> <p>18 Attorney General, at least one other judge. A federal judge</p> <p>19 in Washington, D.C. has issued a similar order to protect</p> <p>20 her staff. That gag order is appropriate and based on the</p> <p>21 assumption of Mr. Kise's second argument, which is that</p> <p>22 Mr. Trump was referring to your law -- principal law clerk,</p> <p>23 he is asking that you vacate your gag order. We think there</p> <p>24 is no reason for you to do so and that gag order is</p> <p>25 perfectly appropriate.</p>		<p>1 circumstances, whether that's constitutional and my argument</p> <p>2 is that it is not because it is impinging upon the right of</p> <p>3 any defendant to comment on anything that happens in open</p> <p>4 court in full view of anyone, the media, anyone in this room</p> <p>5 that impacts the adjudication of the proceeding. It's not</p> <p>6 naming anyone, it's not a post on a website, it's not a</p> <p>7 disparaging comment.</p> <p>8 And setting aside whether those distinctions have</p> <p>9 constitutional meaning here we're talking about a very</p> <p>10 narrow and specific question as applied to the comments that</p> <p>11 were made assuming, again, that he was speaking about</p> <p>12 Mr. Cohen -- about your law secretary and not Mr. Cohen.</p> <p>13 And, again, the Attorney General's observations about the</p> <p>14 video are a non-sequitur -- the other coverage. Because</p> <p>15 Mr. Trump was asked immediately before that were you talking</p> <p>16 about the judge's law clerk? Did you violate the order? He</p> <p>17 affirmatively said no. The fact that he didn't answer,</p> <p>18 like, 50 more questions about the same subject doesn't</p> <p>19 prevent anything other than he wasn't going to answer</p> <p>20 questions about the same subject. But here you've got a</p> <p>21 true significant, substantial impingement upon the</p> <p>22 constitutional rights of any defendant. And here, the First</p> <p>23 Amendment rights to political speech about observations, his</p> <p>24 observations of what's taking place in open court, whether</p> <p>25 one can agree or disagree, I think that he has a legitimate</p>	

Proceedings	Page 2477	Proceedings	Page 2479
<p>1 basis to raise these arguments because he is seeing as he's</p> <p>2 told me on a regular basis head nods, eye rolls, notes being</p> <p>3 passed, head shaking, you know, comments on arguments that</p> <p>4 I'm making. Again, usually when I'm making arguments, I'm</p> <p>5 doing what I'm doing now. I'm not paying attention to</p> <p>6 anybody else, so I don't see those things necessarily but</p> <p>7 the client does, the defendant does.</p> <p>8 He's got every right to comment on -- just like if</p> <p>9 anything else were going on in the courtroom, any other</p> <p>10 public activity were taking place in the courtroom that</p> <p>11 might impact the adjudication of the proceeding. So he has</p> <p>12 a right to comment on that and as applied the order impinges</p> <p>13 upon that right. Any defendant has this right. And, again,</p> <p>14 there's been no attempt to otherwise shield anyone from</p> <p>15 public notoriety. The cameras that come into the courtroom</p> <p>16 film everyone that's here and everyone's aware of that.</p> <p>17 There's been no attempt to shield anyone on the bench or</p> <p>18 anyone else in the room from those cameras.</p> <p>19 So I'm not sure that there is a meaningful</p> <p>20 distinction between that sort of notoriety and a comment by</p> <p>21 a defendant that hey, I'm not getting a fair trial because</p> <p>22 I'm observing that something's going on that's going to</p> <p>23 prevent me from getting a fair trial. It's no different</p> <p>24 from him saying I'm not entitled to a jury under this</p> <p>25 statute and that's wrong. That's not fair, that's not</p>		<p>1 protect my staff. There are basically about three people.</p> <p>2 I don't think that's impinging on somebody's First Amendment</p> <p>3 rights to protect my staff.</p> <p>4 I'll reconsider for -- because I haven't seen the</p> <p>5 video or even a full transcript, so let me see that and I</p> <p>6 think it may -- based on what was said, may work both ways.</p> <p>7 In terms of -- Mr. Kise, I think a few times you</p> <p>8 said nobody was named. I certainly remember from law school</p> <p>9 or cases you can be liable for defamation even though you</p> <p>10 don't use the name of the person if it's clear to whom</p> <p>11 you're referring. Of course, that's an issue, but that's a</p> <p>12 factual issue and I'm the finder of fact.</p> <p>13 I think I said this yesterday, but I've been</p> <p>14 thinking about it since. The irony here, the great irony is</p> <p>15 on the one hand you're saying Mr. Trump was not referring to</p> <p>16 my law clerk and then you make this whole big deal "but she</p> <p>17 is sitting right near me, you're passing notes, you're</p> <p>18 talking," which I said yesterday I have an absolute right to</p> <p>19 do. I think several members of defense team have said</p> <p>20 that's not how it's done, I haven't seen that. Well, this</p> <p>21 is how I do it and I think it's certainly within my</p> <p>22 discretion and my purview and I think it makes me a better</p> <p>23 judge that I listen to other opinions. But I'll stress</p> <p>24 again two years of a former Trump's term, I am the decider.</p> <p>25 Nobody knows everything, somebody has to decide.</p>	
Proceedings	Page 2478	Proceedings	Page 2480
<p>1 right.</p> <p>2 And just because he's a candidate for President of</p> <p>3 the United States or, in fact, maybe because he's a</p> <p>4 candidate for President of the United States, that doesn't</p> <p>5 really alter anyone's ability to impinge on those rights.</p> <p>6 He has a right to make fair comment. And again, I don't --</p> <p>7 without getting into the issue of whether the overall gag</p> <p>8 order is constitutional or otherwise, as applied under this</p> <p>9 particular circumstance, it clearly -- I believe</p> <p>10 respectfully is not and that's the basis for the</p> <p>11 reconsideration. Thank you.</p> <p>12 THE COURT: Briefly?</p> <p>13 MR. AMER: Very briefly, Your Honor. I know a</p> <p>14 facial challenge when I hear one. That was a facial</p> <p>15 challenge, but it doesn't matter whether it's a facial</p> <p>16 challenge or a challenge that's applied. We think it's</p> <p>17 appropriate under the circumstances and we don't see any</p> <p>18 reason why Your Honor should reconsider or change the</p> <p>19 sanction order or revisit the gag order. Thank you.</p> <p>20 THE COURT: Well, I will speak from notes, but</p> <p>21 they're my notes.</p> <p>22 Mr. Kise, you should have seen me in law school. I</p> <p>23 was a real defender of the First Amendment. Justice is</p> <p>24 black and Douglas is absolutist, but as we all learn it has</p> <p>25 limits. Anybody can run for president. I am going to</p>		<p>1 I do not consider this trial political at all. I</p> <p>2 understand the points or arguments about history or who said</p> <p>3 what to me. It's not a political trial. It's an Executive</p> <p>4 Law -- Judiciary Law 6312, whatever the law is and that's</p> <p>5 how I'm conducting it, that's how I'm deciding it. Just</p> <p>6 what was said doesn't violate the law and maybe finally,</p> <p>7 Mr. Kise, you asked that I reduce this to a writing, etc. so</p> <p>8 you can appeal. You can appeal the transcript. I did and I</p> <p>9 believe it's uploaded. Just confirmed it's been uploaded.</p> <p>10 MR. KISE: That's fine. I didn't see that. I was</p> <p>11 working on the 11:30 filing from the AG, so I must have</p> <p>12 missed that.</p> <p>13 THE COURT: It just happened, like, minutes before.</p> <p>14 MR. KISE: All right. Thank you.</p> <p>15 THE COURT: And I'll do this. I'll make you a</p> <p>16 deal. I'll reconsider the sanctions decision because I do</p> <p>17 want to see that the clip or the transcript. If you read</p> <p>18 the opinion and you'll see more reasons why I did what I did</p> <p>19 than I was able to enunciate yesterday.</p> <p>20 MR. KISE: I'll certainly read it. Yes, Your</p> <p>21 Honor, absolutely.</p> <p>22 THE COURT: And that's it. I'll leave it at that.</p> <p>23 I'll reconsider, but I made the decision and unless I say</p> <p>24 otherwise, the decision stands.</p> <p>25 Okay. That's it for now, yes?</p>	

Proceedings	Page 2481	Proceedings	Page 2483
<p>1 MS. FAHERTY: One more point, Your Honor.</p> <p>2 THE COURT: Sure.</p> <p>3 MS. FAHERTY: As Counsel has already recognized we</p> <p>4 did have a filing that we e-mailed to the Court last night.</p> <p>5 However, we did not file it because in connection with that</p> <p>6 service of the papers there were certain exhibits that</p> <p>7 defendants have marked as confidential. In an abundance of</p> <p>8 caution, we didn't want to violate the protective order that</p> <p>9 is in place governing designated confidential materials.</p> <p>10 We asked permission to be able to file those</p> <p>11 materials. I respectfully request if Your Honor can give us</p> <p>12 that direction to do so and I'll make sure that those</p> <p>13 documents are filed in the public docket immediately.</p> <p>14 THE COURT: Are you looking for permission or</p> <p>15 direction?</p> <p>16 MR. KISE: Well, once we see what they are.</p> <p>17 MS. FAHERTY: You have them. We e-mailed them last</p> <p>18 night. You have them.</p> <p>19 MR. KISE: I know, but I do get up at 5:30.</p> <p>20 Between the hours -- between the hours of 10:30 and 5:30, I</p> <p>21 sleep.</p> <p>22 THE COURT: Of course. You can do whatever you</p> <p>23 want in that regard.</p> <p>24 MS. FAHERTY: Thank you, Your Honor.</p> <p>25 THE COURT: Sure. And by the way, to correct the</p>		<p>1 impression it was going to be Ms. Dillon followed by</p> <p>2 Mr. Flores' continuation.</p> <p>3 MS. FAHERTY: No.</p> <p>4 MR. ROBERT: I even -- that's what we were told.</p> <p>5 MS. GREENFIELD: Yesterday, with Ms. Habba, she</p> <p>6 indicated it was going to be Mr. Holl and then Ms. Dillon.</p> <p>7 MS. FAHERTY: It's on our list, as well.</p> <p>8 MR. ROBERT: I understand. I was under a different</p> <p>9 assumption because I actually think that Mr. Flores was</p> <p>10 planning to be here this afternoon with his counsel because</p> <p>11 they were told to be here at 2:15, I think.</p> <p>12 MS. FAHERTY: Later in the afternoon.</p> <p>13 MR. ROBERT: So you're going to have three</p> <p>14 witnesses?</p> <p>15 MS. FAHERTY: Mr. Holl will be a very brief</p> <p>16 witness.</p> <p>17 MR. ROBERT: I understand. Is he going to appear</p> <p>18 on our case in chief if we want him? Is he a New York</p> <p>19 resident?</p> <p>20 MS. FAHERTY: I have no idea how you're proceeding</p> <p>21 with your case.</p> <p>22 MR. AMER: We did give you notice that we were</p> <p>23 calling him. Really?</p> <p>24 MS. FAHERTY: You are not always sandbagged, sir.</p> <p>25 I am apologetic that there was confusion. I'm trying to be</p>

<p>1 record of sorts, I do think defendants have often filed</p> <p>2 papers rather late, maybe not 11, but 9 o'clock.</p> <p>3 MR. KISE: I'm still awake at 9:00.</p> <p>4 MR. AMER: I think you have a few other people who</p> <p>5 could read the papers too.</p> <p>6 THE COURT: All right. Let's just move on.</p> <p>7 Would you like to call your next witness,</p> <p>8 plaintiff?</p> <p>9 MR. AMER: Yes, Your Honor.</p> <p>10 People call Michael Holl to the stand.</p> <p>11 MR. ROBERT: We were told that Ms. Dillon was the</p> <p>12 first witness this morning.</p> <p>13 MR. AMER: No.</p> <p>14 MR. KISE: Ms. Dillon was supposed to be the</p> <p>15 witness yesterday afternoon and then she went home.</p> <p>16 MS. FAHERTY: Ms. Dillon is here. Mr. Holl will be</p> <p>17 a very quick witness. Based on the witness's schedules we</p> <p>18 are putting Mr. Holl first so that we could get him out. He</p> <p>19 is -- and if I were confusing in explaining this to Counsel,</p> <p>20 please accept my sincere apologies. Both witnesses will be</p> <p>21 on today. We just need to proceed with Mr. Holl first.</p> <p>22 And, again, my apologies to the Court, my apologies to</p> <p>23 Counsel. I thought I was clear, but if I was not, I'm</p> <p>24 sorry.</p> <p>25 MR. ROBERT: Well, first of all, we were under the</p>		<p>1 clear with the schedule. We have stood up with the Court's</p> <p>2 principal law clerk, Ms. Greenfield, to discuss scheduling</p> <p>3 with defense counsel present. We have identified our list</p> <p>4 for Counsel and I'm sure you would agree that the past few</p> <p>5 days have been a bit chaotic. I have had no reasonable</p> <p>6 appraisal of the defendant's ability to calculate their own</p> <p>7 timing. So respectfully, this is the best we can do and</p> <p>8 this is how we are proceeding, sir.</p> <p>9 MR. ROBERT: Your Honor, it's the judge's</p> <p>10 determination, not yours, Ms. Faherty, but I appreciate your</p> <p>11 apology and I accept it. I'm not accusing you of anything.</p> <p>12 I'm just talking as a matter of practice and procedure. If</p> <p>13 you're going to call a witness then we then have to cross</p> <p>14 examine that witness we are entitled to notice of it. We</p> <p>15 were told we were starting with Ms. Dillon.</p> <p>16 MR. AMER: We were just told that Ms. Habba was</p> <p>17 advised that we were calling Mr. Holl first this morning, so</p> <p>18 you did have notice.</p> <p>19 THE COURT: That was my understanding was always it</p> <p>20 would be Holl, then Dillon.</p> <p>21 MR. ROBERT: Okay. Well, then, I would ask that</p> <p>22 the Attorney General make all accommodations to have him</p> <p>23 reappear if we need him.</p> <p>24 MR. AMER: No. We're calling the witness, we gave</p> <p>25 him notice. If they want to cross examine him, their chance</p>

<p>1 is after our direct, period.</p> <p>2 THE COURT: If you need a little time after the</p> <p>3 direct.</p> <p>4 MR. ROBERT: I just want to put my objection on the</p> <p>5 record. And talk about sandbagging. Ms. Faherty started by</p> <p>6 an apology, now Mr. Amer is yelling. I don't know what</p> <p>7 their game is, but we'll proceed and our objection is on the</p> <p>8 record.</p> <p>9 THE COURT: Mr. Amer, stop yelling.</p> <p>10 MR. AMER: I don't think I was, Your Honor.</p> <p>11 THE COURT: If you weren't, then don't start.</p> <p>12 All right. I hope this has much to do about</p> <p>13 nothing. I believe you were notified through Ms. Habba.</p> <p>14 Let's get Mr. Holl.</p> <p>15 Get the witness, please.</p> <p>16 Transcript continues on the following page....</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 A Yes.</p> <p>2 Q And how long have you worked at HCC?</p> <p>3 A A little over 20 years.</p> <p>4 Q Prior to starting at HCC, did you have any other</p> <p>5 employment in the insurance industry?</p> <p>6 A Yes.</p> <p>7 Q Can you describe that for us, please?</p> <p>8 A Sure. I worked for the Hartford out of college for</p> <p>9 about six months and then I worked for Chubb for about five</p> <p>10 years.</p> <p>11 Q In what area did you work for the Hartford and Chubb?</p> <p>12 A For Hartford, I was in the claims unit and then at</p> <p>13 Chubb, I was in the D&amp;O claims unit.</p> <p>14 Q What does D&amp;O stand for?</p> <p>15 A Directors and officers liability.</p> <p>16 Q Can you just describe for the Court very briefly what</p> <p>17 that line of insurance covers?</p> <p>18 A Sure. It covers exactly that. The directors on the</p> <p>19 board of companies and the officers if they're named in</p> <p>20 litigation.</p> <p>21 Q And is that a liability cover?</p> <p>22 A Yes.</p> <p>23 Q Focusing on your time at HCC, what department or</p> <p>24 division did you start in?</p> <p>25 A I started in the claims department.</p>

<p>1 THE OFFICER: Witness entering.</p> <p>2 MICHAEL HOLL, a witness called by the Plaintiff,</p> <p>3 after having been first duly sworn by the Clerk of the Court,</p> <p>4 took the witness stand and testified as follows:</p> <p>5 THE COURT OFFICER: State your name and either home</p> <p>6 or business address on the record.</p> <p>7 THE WITNESS: Michael Holl. And the business</p> <p>8 address is 8 Forest Park Drive, Farmington, Connecticut.</p> <p>9 THE COURT: Please proceed.</p> <p>10 MR. AMER: Thank you, Your Honor.</p> <p>11 DIRECT EXAMINATION</p> <p>12 BY MR. AMER:</p> <p>13 Q Good afternoon, Mr. Holl. Can you, please, describe</p> <p>14 for us your educational background for us after high school?</p> <p>15 A I have a four years bachelor's degree of psychology</p> <p>16 from Eastern Connecticut State University.</p> <p>17 Q And when did you receive that degree?</p> <p>18 A In 1995.</p> <p>19 Q Are you currently employed?</p> <p>20 A I am, yes.</p> <p>21 Q And who is your employer?</p> <p>22 A HCC Global.</p> <p>23 Q And if we -- is that related to Tokio Marine?</p> <p>24 A It is.</p> <p>25 Q And if we refer to your employer as HCC, is that okay?</p>	<p>1 Q Just briefly, what were your responsibilities in the</p> <p>2 claim department?</p> <p>3 A So I would adjust D&amp;O claims.</p> <p>4 Q How long did you work in the claims department?</p> <p>5 A About three years.</p> <p>6 Q And where did you move to next?</p> <p>7 A I moved to the public company D&amp;O update writing unit.</p> <p>8 Q Just contrast for us what underwriting means as opposed</p> <p>9 to claims.</p> <p>10 A Sure. So now we're looking at the business and</p> <p>11 determining whether we want to provide insurance cover. So</p> <p>12 you're underwriting the business and writing policies for</p> <p>13 companies.</p> <p>14 Q And again, I think you said you were in the D&amp;O area of</p> <p>15 the underwriting group; is that right?</p> <p>16 A Yes.</p> <p>17 Q And what was your title when you moved into the</p> <p>18 underwriting group?</p> <p>19 A Underwriter.</p> <p>20 Q And have you retained that title to date?</p> <p>21 A I have.</p> <p>22 Q And you mentioned public company. So what does that</p> <p>23 entail?</p> <p>24 A So it means that they're publicly-traded and their</p> <p>25 financials on public record where you can go -- anyone in the</p>

<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2493</p> <p>1 A Yes. From whenever they choose to bind that coverage 2 up through that February 17th renewal date. 3 Q Your e-mail says, "Trump Organization Private Company," 4 so you understood -- did you understand that the Trump 5 Organization was a private company as opposed to a public 6 company? 7 A Yes, I did. 8 Q I think you explained to us that there were 9 circumstances under which you in the public company group would 10 get asked to look at a private company placement. Is this one 11 of those circumstances? 12 A Yes, it is. 13 Q When you -- when this opportunity came to you from 14 Aon, did you believe you had the necessary background and 15 experience to handle assessing this risk from an underwriting 16 standpoint? 17 A I think so. 18 Q If we scroll up to the e-mail above this one, which is 19 from Mr. Stone to you, what did you understand Mr. Stone to be 20 conveying to you in this reply e-mail? 21 A He was basically giving approval to quote the 22 additional capacity they were looking for and the pricing for 23 that being \$40,000 and that to put a prior impending litigation 24 exclusion on it, "PP lit X." 25 Q So when he says, "I think a 5x5 on this until 2/17 is</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2495</p> <p>1 Q If you could just explain to us how a company's 2 financial health bears on the D&amp;O risk that you're underwriting? 3 A If they are a bankruptcy risk, there is a significant 4 increase in the likelihood of a D&amp;O claim if a company goes 5 bankrupt. 6 Q Let's go to the top of the page, the top e-mail. You 7 write to a woman named Ava P-R-Z-Y-C-H-O-D-Z-E-N. Who is that 8 person? 9 A Ava was my underwriting assistant at the time. 10 Q What are you asking Ava to do in this e-mail? 11 A I'm asking her to draft a quote per the terms that Andy 12 was okay with. 13 Q The last line of your e-mail says, "Subjectivities 14 review of financials at renewal." What is a subjectivity? 15 A It's a line item put on a quote that says in order to 16 bind this, you have to abide by the agreed to, what we're 17 putting in front of you. 18 Q Did HCC, in fact, offer the quote reflected in your 19 e-mail? 20 A Yes. 21 MR. AMER: Let's go ahead and hand the witness 22 Exhibit 596. 23 Q Mr. Holl, do you recognize this document? 24 A I do, yes. 25 Q What is this document?</p>
<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2494</p> <p>1 okay," what did you understand he was conveying to you in terms 2 of what HCC's line would be for this stub period? 3 A What our line would be? I don't know what you mean. 4 Q How much coverage was he conveying to you was okay for 5 HCC to write? 6 A Yeah. We were okay writing 5 million X of 5 million. 7 Q The very last line of Mr. Stone's e-mail says, "We will 8 need to review financials for the renewal." 9 What did you understand him to mean by that? 10 A That it's standard practice in any company we look at, 11 that we would want to see the financials that we're not going to 12 see them prior to the renewal, but that we're gonna want to see 13 them as of that February 17th renewal date rolled around. 14 Q Can you explain to us why that was standard practice? 15 A Why it's standard practice? I mean, every account that 16 we underwrite, we generally try to get a look at the financials 17 for those companies to understand what their financial situation 18 is. 19 Q Is that relevant to assessing risk? 20 A It is. 21 Q Why is that? 22 A It's relevant because you're trying to find out if 23 they're a successful company and if they're profitable and if 24 they are in debt, that they can't manage and what their overall 25 financial health is.</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2496</p> <p>1 A This is the quote per the terms that I spelled out to 2 Ava. 3 MR. AMER: Your Honor, I ask that this be admitted 4 into evidence. 5 THE COURT: Granted. It is in. 6 (Whereupon, the Document was marked in evidence as 7 Plaintiff's Exhibit 596.) 8 Q Let's turn to the second page and you'll see as part of 9 this quote, it says, "Contingencies review of financials at 10 renewal." 11 Is a contingency different from a subjectivity or is it 12 the same thing? 13 A Not in this case, no. 14 Q So what were you indicating in the quote by this 15 contingency? 16 A Same thing, that if we were going to consider the 17 renewal of the risk, we wanted to see financials. 18 Q Now, we've been discussing that this was a quote to get 19 to the renewal. Did there come a point in time where the D&amp;O 20 coverage came up for renewal where you looked at whether you 21 would quote on the renewal? 22 A So I don't think that this extension was ever bound, so 23 it wouldn't have been a renewal if this quote wasn't bound. It 24 just would have been an inception of a new policy. 25 Q Do you recall participating in meetings -- in a meeting</p>

<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2497</p> <p>1 with other underwriters to look at whether you would participate 2 at the annual renewal of this coverage? 3 A Yes, I do. 4 MR. AMER: I would like to mark as Exhibit 588 the 5 next document. I'm told this was already in evidence. It 6 was shown to Mr. Cohen and admitted during his testimony. 7 THE COURT: Okay. 8 Q Do you recognize this agenda, Mr. Holl, that is 588 in 9 evidence? 10 A Yes, I do. 11 Q You'll see, Mr. Holl, down at the bottom portion of the 12 page, your name is listed as an attendee on behalf of the HCC at 13 the 11:00 a.m. to 12:00 a.m. time slot? 14 A Yes. 15 Q Do you recall attending this meeting? 16 A Yes, I do. 17 Q There are a number of individuals listed as attending 18 on behalf of the Trump Organization; Allen Weisselberg, Matt 19 Calamari, Michael Cohen, Ron Lieberman, George Sorial, Adam 20 Rosen and Patrick Birney. 21 Do you have a recollection of meeting with any of those 22 individuals during this D&amp;O underwriting meeting on 23 January 10th? 24 A Yes. 25 Q Who do you recall meeting with?</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2499</p> <p>1 basically immediately after you left the meeting? 2 A It is. It is on my train ride back to Connecticut. 3 MR. AMER: Your Honor, I move to admit this into 4 evidence. 5 THE COURT: Granted. It is in evidence. 6 (Whereupon, the Document was marked in evidence as 7 Plaintiff's Exhibit 2985.) 8 Q Was this e-mail prepared with the benefit of the notes 9 you took during the meeting? 10 A It is, yes. 11 Q And what was the purpose for your preparing this e-mail 12 to Mr. Stone and Mr. Pettit? 13 A Just to provide all the information that I obtained 14 during the meeting and provide some of my thoughts, insights or 15 opinions. 16 Q And do you consider this e-mail to be an accurate 17 reflection of what transpired at the meeting? 18 A Yes, I do. 19 Q Just focusing your attention on the paragraph that 20 begins "saw very few financials," do you see that? 21 A Yes. 22 Q You say in this portion, "Saw very few financials, but 23 did see the balance sheet for year ends 2015. They assured me 24 that the one being put together in a few weeks is better." 25 When you say, "they assured me, "who, if you recall,</p>
<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2498</p> <p>1 A Allen Weisselberg. 2 Q And is it that you recall only meeting with him or is 3 that -- or is it that he's the only one you specifically recall 4 among these people? 5 A He's the only one I specifically recall. 6 Q But there were other people on behalf of the Trump 7 Organization at the meeting? 8 A Yes, there were. 9 Q What did you understand Mr. Weisselberg's role to be at 10 the meeting as you perceived it? 11 A The chief financial officer of the Trump Organization. 12 Q Did you take notes at this meeting? 13 A I did. 14 Q And did you report to your superiors, Mr. Pettit and 15 Mr. Stone, about what transpired at the meeting after the 16 meeting ended? 17 A Yes, I did. 18 MR. AMER: I'd like to hand up to the witness 19 Exhibit 2985. 20 Q This is an e-mail from you to Mr. Stone and Mr. Pettit. 21 Do you recognize this e-mail? 22 A Yes, I do. 23 Q And what's the date of this e-mail? 24 A January 10, 2017. 25 Q So -- and this was sent at 1:19 p m., so is this</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2500</p> <p>1 specifically provided you that assurance? 2 A I don't recall who specifically provided me that 3 assurance. 4 Q Was it somebody from the Trump Organization? 5 A It was. 6 Q And you go on to write, "They have total assets of 6.6 7 billion, cash of 192 million, total debt of 519 million." Do 8 you see that? 9 A Yes. 10 Q Why did you choose to specifically call out the 192 11 million in cash figure in this e-mail to Mr. Stone and Mr. 12 Pettit? 13 A That's generally a meaningful, useful figure in 14 financials for organizations we're looking at. 15 Q And what did you consider that figure to reflect? 16 A The amount of cash they had on the balance sheet. 17 Q Did you view that as a figure that was a measure of 18 liquidity for the company? 19 A Yes. 20 Q Directing your attention to the next paragraph, you say 21 in the last sentence of this paragraph, "No material litigation 22 or communications from anyone." 23 What did you intend to reflect in that comment? 24 A It's standard practice in meetings with the management 25 to ask them if they are aware of something that's not public;</p>

<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2501</p> <p>1 that is, litigation or notices or communications that could lead 2 to litigation that would implicate the D&amp;O policy. 3 Q What kind of notices or communications would you fit 4 within that description? 5 A I mean, any letter from a law firm making a threat or 6 any notice from a regulatory agency, you know, advising them of 7 concerns they may have, something like that. 8 Q Did you, in fact, inquire about those items during the 9 underwriting meeting? 10 A I believe -- if I didn't, somebody did. I think I 11 did. 12 Q And what are you reflecting in your comment, "no 13 material litigation or communications from anyone"? 14 A What am I reflecting? 15 Q Yes. 16 A The response that I received to the inquiry. 17 Q Did you review -- did you view the response that there 18 was no material litigation or communications from anyone in a 19 positive or negative light from an underwriting perspective? 20 A Positive. 21 Q In what way was it positive? 22 A I mean, if they do have litigation or notices or 23 letters that are of concern, that raises the risk of liability 24 to the D&amp;O policy. 25 Q And based on this comment, you were told that there</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2503</p> <p>1 Exhibit 592. 2 Q Mr. Holl, this is a letter you are sending to Mr. 3 Vanasco on January 31, 2017. Do you recognize this document? 4 A Yes, I do. 5 Q And what is this? 6 A This is a primary quote for D&amp;O cover for what's now 7 being referred to as the Donald Trump Revocable Trust. 8 MR. AMER: Your Honor, I move this document into 9 evidence. 10 THE COURT: Granted. It is in. 11 MR. KISE: Same objection, Your Honor, on relevance 12 which I haven't explained. I know you overruled it, but I 13 haven't explained it, but that's okay. 14 THE COURT: You don't think it's relevant. I see 15 the relevance, so I don't know that there is a point in 16 debating it. 17 (Whereupon, the Document was marked in evidence as 18 Plaintiff's Exhibit 592.) 19 Q Mr. Holl, does this reflect the terms that you were 20 authorized to quote for the cover from Mr. Stone? 21 A Yes. 22 Q And what layer of coverage is HCC quoting? 23 A The primary letter. 24 Q And what is the premium being proposed for this quote? 25 A \$295,000.</p>
<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2502</p> <p>1 were -- there was no material litigation or communications from 2 anyone; is that right? 3 A Yes. 4 Q So the facts that you -- 5 MR. KISE: Your Honor, I just want to -- maybe 6 this will be connected up, but I just want to raise a 7 relevance objection to this line of questioning. I mean, 8 I've watched it, so I let -- 9 THE COURT: Overruled. I see relevance. 10 MR. KISE: Okay. 11 MR. AMER: Thank you, Your Honor. 12 Q We are looking now at an e-mail that has certain factor 13 information that you are sending to about this underwriting 14 meeting to Mr. Stone and Mr. Pettit who are your superiors and 15 who have authority to issue the policy. Why were you conveying 16 the facts that you are conveying to them? 17 A So they can start considering whether it's a risk that 18 we want to provide directors and officers cover for. 19 Q Did you consider the facts that you were putting into 20 your e-mail to be relevant to their assessment? 21 A Yes. 22 Q Did HCC, in fact, put in a quote for this coverage 23 following your participation in this underwriting meeting? 24 A Yes, we did. 25 MR. AMER: I'd like to hand the witness</p>	<p>M. HOLL - PLAINTIFF - DIRECT(MR. AMER) Page 2504</p> <p>1 Q Did the Trump Organization or the trust accept this 2 proposal and bind coverage? 3 A Yes, they did. 4 Q Now, this indicates that the coverage was going to 5 expire on January 30, 2018; is that right? 6 A Yes. 7 Q Did it, in fact, come up for renewal in January of 8 2018? 9 A Yes. 10 MR. AMER: I'm going to hand the witness 11 Exhibit 595. 12 Q Mr. Holl, is this a letter you sent to Mr. Vanasco on 13 February 9, 2018? 14 A Yes. 15 Q Does this relate to the renewal of the policy quote 16 that we were just looking at? 17 A Yes, it does. 18 MR. AMER: Your Honor, I move this into evidence. 19 MR. KISE: Same objection. 20 THE COURT: Same ruling. It's in evidence. 21 (Whereupon, the Document was marked in evidence as 22 Plaintiff's Exhibit 595.) 23 Q Just to clarify one thing, Mr. Holl, because we had 24 looked at the expiration date being January 30, 2018. If you 25 look at the first paragraph, it says, "With regard to the</p>

<p>1 above-referenced account, Tokio Marine HCC D&amp;O Group is pleased 2 to bind a 12-month extension of the current aggregate of limited 3 liability on behalf of U.S. Specialty Insurance Company from 4 February 10, 2018 to February 10, 2019." 5 Was there a short extension of the policy to get from 6 January 30th to February 10th? 7 A Yes, there was. 8 Q So this is the quote to extend for a 12-month period 9 the policy that had been bound in the prior year? 10 A Yes, it is. 11 (Continued on the next page.) 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>1 MR. KISE: Same objection, relevance. 2 Q Now, we had looked at the prior two renewal quotes, 3 which were for \$295,000 for the annual premium. 4 This renewal, what is the proposed premium here? 5 A 1.6 million. 6 Q And can you explain to us why the premium quote is 7 being increased from \$295,000 to 1.6 million? 8 A Because our assessment of the risk changed and we 9 believed that the risk was significantly more risky than our 10 initial assessments. 11 Q And it looks like there is an alternative option being 12 proposed which was to remove entity cover and then the premium 13 would be 950,000; is that right? 14 A Yes. 15 Q Did the Trump Organization or the Trust renew the 16 policy for this increased premium, either option? 17 A No, they did not. 18 MR. AMER: That's all I have, Your Honor. 19 THE COURT: Okay. Any cross examination? 20 MR. FIELDS: Yes, Your Honor. 21 MR. KISE: Your Honor, can we have a short break as 22 you suggested? 23 THE COURT: Sure. About how long you're thinking? 24 MR. KISE: Ten minutes. 25 THE COURT: Sure.</p>
M. Holl - Plaintiff - direct (Amer) Page 2506	M. Holl - Plaintiff - direct (Amer) Page 2508
<p>1 Q And what is the premium amount being proposed for this 2 12-month renewal? 3 A 295,000. 4 Q So is that at the same as the expiring premium? 5 A Correct, yes. 6 Q Did the Trust accept the renewal quote? 7 A Yes, they did. 8 Q I want to ask you about the renewal for the following 9 year in 2019. 10 Do you recall if HCC quoted a renewal for the following 11 12-month period? 12 A Yes. 13 Q And did they? 14 A Did we quote it, HCC, yes, we did. 15 MR. AMER: Let me show the witness Exhibit 2989. 16 Q Mr. Holl, do you recognize this e-mail from you to Ava? 17 A Yes, I do. 18 Q And does this relate to a renewal quote for 2019 to 19 2020? 20 A Yes, it does. 21 MR. AMER: Yes, I move this exhibit into evidence. 22 THE COURT: Granted. It's in evidence. 23 (Whereupon, the item previously referred to is 24 received and marked Plaintiff's Exhibit Number 2989 in 25 evidence.)</p>	<p>1 (Whereupon, there is a recess in the proceedings.) 2 THE COURT OFFICER: All rise. Part 37 is back in 3 session. Please be seated and come to order. 4 THE COURT: Mr. Kise, have you had -- is there a 5 reasonable chance under the circumstances to review the 6 direct testimony and prepare for cross examination? 7 MR. KISE: I would say we're prepared to proceed 8 now with some cross examination. I don't know I would call 9 it reasonable under the circumstances, but we are prepared 10 and we will make every effort to not have to call the 11 witness back. I don't know that that will be necessary, but 12 I don't want to waive any rights on behalf of my clients or 13 anyone else for that matter, but we are going to proceed and 14 try and move on with it. 15 MR. AMER: I'm just going to note for the record we 16 advised Ms. Habba the order of the witnesses, so we think by 17 providing notice to Ms. Habba, we provided notice to all 18 defendants. 19 MR. KISE: I'm not sure what he's arguing about. I 20 just said -- but in the event that something comes up, 21 documents or things that we aren't aware of, we'll present 22 that to the Court. But I certainly think as we have done 23 with all the witnesses we're entitled to call them in our 24 case if we need to. But we're not going to burden anyone 25 with a reappearance. We've all been here far too long.</p>

<p>1 THE COURT: Okay. I appreciate that you are</p> <p>2 willing to go forward at this point reserving whatever</p> <p>3 rights. I have -- well, let me ask one other question. I</p> <p>4 know you're doing what we're just referring to. Did you get</p> <p>5 a chance to see the written decision I wrote this morning?</p> <p>6 MR. KISE: I have not, Your Honor, but I will on</p> <p>7 the next break. I will.</p> <p>8 THE COURT: Might ruin your lunch.</p> <p>9 MR. KISE: No, no.</p> <p>10 THE COURT: But in any event, I have reconsidered</p> <p>11 the \$10,000 penalty and I am adhering to that decision. I</p> <p>12 have looked at the video of what Mr. Trump said outside and</p> <p>13 of course I've taken into consideration your argument that</p> <p>14 he must have been referring to Michael Cohen because that's</p> <p>15 what he talked about. There was a clear, brief, but clear</p> <p>16 transition. I think he might have an ooh, ahhh, whatever,</p> <p>17 but he said "we are doing very well, it's going well."</p> <p>18 He's a -- that was, to me, a clear transition from</p> <p>19 one person to another and I think the original -- the person</p> <p>20 originally referred to is very clear and that's the fact I</p> <p>21 found and that's the penalty I levied, so let's move ahead.</p> <p>22 Okay. Let's get the witness back.</p> <p>23 THE COURT OFFICER: Witness entering.</p> <p>24 (Whereupon, the witness enters the courtroom and</p> <p>25 approaches the witness stand.)</p>	<p>1 business. Is that fair?</p> <p>2 MR. AMER: Objection to "personal business."</p> <p>3 Q You originate business at HCC, Mr. Holl?</p> <p>4 A Yes.</p> <p>5 Q And did -- Donald Trump being elected president and</p> <p>6 being a potential client of yours, did you believe that that</p> <p>7 could help your business?</p> <p>8 A No.</p> <p>9 Q You did not believe that doing business with the</p> <p>10 president-elect of the United States was going to help your</p> <p>11 personal business at HCC?</p> <p>12 A No.</p> <p>13 Q So you did not plan to tell anybody that you were</p> <p>14 insuring the president-elect's trust. Is that fair?</p> <p>15 A That's fair. We don't discuss who our insureds are.</p> <p>16 Q But nevertheless you were excited?</p> <p>17 A Yes.</p> <p>18 Q At the time that you -- withdrawn.</p> <p>19 Just so that I'm clear, there were several policies</p> <p>20 that you discussed with Mr. Amer and I want to make sure I</p> <p>21 understand them all.</p> <p>22 There was the initial policy that was to sit above the</p> <p>23 adverse policy that was bound in approximately December of 2016?</p> <p>24 MR. AMER: I'm going to object. I think the</p> <p>25 witness's testimony was he didn't think that was bound.</p>
M. Holl - Plaintiff - cross (Fields) Page 2510	M. Holl - Plaintiff - cross (Fields) Page 2512
<p>1 THE COURT: Okay.</p> <p>2 MR. FIELDS: With the Court's permission, may I</p> <p>3 examine the witness? It should be exceedingly brief.</p> <p>4 THE COURT: Absolutely.</p> <p>5 CROSS EXAMINATION</p> <p>6 BY MR. FIELDS:</p> <p>7 Q Good morning, Mr. Holl. I represent -- I'm going to</p> <p>8 ask you a couple questions, if that's okay?</p> <p>9 A Yes, okay.</p> <p>10 Q I notice you're wearing an American flag pin and I like</p> <p>11 that, so thank you.</p> <p>12 Mr. Holl, you were shown Plaintiff's Exhibit 587 by</p> <p>13 Counsel for the government. As you'll recall, I think there was</p> <p>14 a comment there where you said, "a nice, juicy one." Do you</p> <p>15 generally recall that?</p> <p>16 A Yes.</p> <p>17 Q Would it be fair to say in December 2016 you were</p> <p>18 excited about the prospect of insuring the Trump Organization or</p> <p>19 various of its subsidiaries?</p> <p>20 A Yes.</p> <p>21 Q And that's because there was -- at that point Donald</p> <p>22 Trump had just been elected president and was the</p> <p>23 president-elect; correct?</p> <p>24 A Correct.</p> <p>25 Q And you believed that that could help your personal</p>	<p>1 THE COURT: You can ask.</p> <p>2 Q Was the December 6, 2016 policy bound?</p> <p>3 A I don't believe that extension was -- or that 5X5 was</p> <p>4 bound.</p> <p>5 Q Okay. So then would it be fair to say then that the</p> <p>6 first policy that HCC bound under your direction was the</p> <p>7 January 2017 D&amp;O policy?</p> <p>8 MR. AMER: Objection to "under your direction."</p> <p>9 THE COURT: Sustained. His testimony was somewhat</p> <p>10 different.</p> <p>11 MR. FIELDS: Okay.</p> <p>12 THE COURT: "Direction" is the wrong word.</p> <p>13 Q Open-ended question.</p> <p>14 While you were working at HCC what was the first policy</p> <p>15 that you bound for the Trump Trust?</p> <p>16 A Yes.</p> <p>17 MR. AMER: Can I just object to "bound?"</p> <p>18 THE COURT: Yes, objection sustained.</p> <p>19 Q Sir, do you work at HCC?</p> <p>20 A Yes, I do.</p> <p>21 Q Did you work at HCC in January of 2017?</p> <p>22 A Yes.</p> <p>23 Q Okay, great.</p> <p>24 So now my question is what was the first policy at HCC</p> <p>25 while you were working there found for the Trump Trust?</p>

<p>M. Holl - Plaintiff - cross (Fields) Page 2513</p> <p>1 A Yes, that January 30th policy. 2 Q All right. 3 A The primary policy. 4 Q The January 30, 2017 policy? 5 A Correct. 6 Q And then there was a renewal of that in January -- 7 approximately January 30th of 2018. Is that fair? 8 A So technically, it didn't renew. It got extended, so 9 it came up for renewal and it was then extended instead. 10 Q Okay. And then in 2019 there was no renewal or 11 extension; correct? 12 A Correct. 13 Q So then would you agree that there were two relevant 14 policies while you were working at HCC that you discussed with 15 Mr. Amer that were actually bound? 16 A There was only one policy that was bound. There was 17 one bound policy number with an extension. 18 Q And one of them was in 2017 and it was extended in 19 2018? 20 A Correct, same policy number. 21 Q Okay. In December of 2016, when you were first 22 approached by AON with the possibility of working -- binding -- 23 or HCC binding coverage for the Trump Trust, you were aware that 24 the Trump Organization, I'll use that term broadly, was 25 concerned about potential exposure now that Donald Trump had</p>	<p>M. Holl - Plaintiff - cross (Fields) Page 2515</p> <p>1 Q And I think -- I believe the balance sheet had 2 \$192 million in cash listed. Is that fair? 3 A That's correct. 4 Q The balance sheet that you reviewed, was it a piece of 5 paper, was it a PDF, an Excel spreadsheet? What did it look 6 like? 7 A It was a piece of paper. 8 Q And do you recall where the piece of paper was while 9 you were in the room; on the table, somebody hand it to you? 10 A It was handed around amongst the underwriters. 11 Q Do you recall who handed it to you? 12 A I don't recall who handed it to me. 13 Q And would it be fair to say, Mr. Holl, that the -- 14 withdrawn. 15 Are you familiar with what a retention is in an 16 insurance policy? 17 A Yes, I am. 18 Q And for the uninitiated, what is a retention generally? 19 A It's a deductible. 20 Q It works similarly to a deductible in an insurance -- 21 health insurance policy, for instance? 22 A It's what the insured's responsible for before the 23 policy would start. 24 Q And would you agree with me that the purpose of an 25 insurance underwriter's review of financials of a private</p>
<p>M. Holl - Plaintiff - cross (Fields) Page 2514</p> <p>1 been elected president; correct? 2 A Correct. 3 Q So you were aware that was a reason why they were 4 seeking additional coverage; correct? 5 A I was aware that they thought that they would be a 6 higher -- they would have higher exposure and that's why they 7 were seeking additional cover. 8 Q And the first time that you reviewed any financials for 9 the Trump Organization was in January of 2019? 10 A Yes. 11 Q And that was the underwriting meeting that you 12 discussed with Counsel for the government, believe it was 13 January 10th of 2017? 14 A I think so, yes. 15 MR. FIELDS: Can we pull up Plaintiff's 588, 16 please? And if we can enlarge the list of attendees under 17 the Trump Organization? 18 Q Just to make sure I understand your testimony, I 19 believe you testified that you generally recall Allen 20 Weisselberg being there, but you don't have a clear recollection 21 about some of the other individuals that are listed there? 22 A Yes, yes. 23 Q Okay. And I believe your testimony was that there was 24 a balance sheet that you reviewed; is that correct? 25 A That's correct.</p>	<p>M. Holl - Plaintiff - cross (Fields) Page 2516</p> <p>1 company seeking D&amp;O coverage is to ensure that the potential 2 insured has the financial wherewithal to cover the retention? 3 A Yes. 4 Q And in this case I believe your testimony was that the 5 retention was approximately \$2.5 million throughout the life of 6 these -- the policy and the extension? 7 A Yes. 8 Q Okay. So just so I'm clear as an underwriter, when you 9 went to Trump Tower that day to review the financials, would you 10 agree with me that your primary concern was to ensure that the 11 Trump Organization could meet its requirements to pay the 12 retention if needed? 13 A Yes. And that they were not a bankruptcy risk. 14 Q Fair. But in this case as you just said the retention 15 was \$2.5 million; correct? 16 A Correct. 17 Q And so, for instance, if -- withdrawn. 18 And there was \$192 million in cash on the balance sheet 19 that you saw; correct? 20 A Yes. 21 Q So if the Trump Organization had identified, let's say, 22 \$25 million in cash on the balance sheet, ten times the 23 retention, you wouldn't have been concerned; correct? 24 MR. AMER: Objection. Calls for speculation. 25 THE COURT: Overruled.</p>

<p>M. Holl - Plaintiff - cross (Fields) Page 2517</p> <p>1 A So can you repeat that? Sorry.</p> <p>2 MR. FIELDS: May I have a read back, Your Honor?</p> <p>3 THE COURT: Read back, please.</p> <p>4 (Whereupon, the requested portion of the</p> <p>5 proceedings was read back by the court reporter.)</p> <p>6 A So I think it would depend on the debt as well, right,</p> <p>7 and whether they had -- so it's not as simple as a yes or no.</p> <p>8 If they had debt on the balance sheet coming due and that debt</p> <p>9 amount was larger than the cash that they had on the balance</p> <p>10 sheet, then yes, but correct. If they had 25 million and a two</p> <p>11 and a half million dollar retention there would be enough on the</p> <p>12 balance sheet to cover their retention.</p> <p>13 Q Were you at all concerned with any of the debt you saw</p> <p>14 on the balance sheet that day?</p> <p>15 A I was not.</p> <p>16 Q Did you ask to see any bank statements, Mr. Holl?</p> <p>17 A Bank statements, no.</p> <p>18 Q And just to be clear, you were binding a policy on</p> <p>19 behalf of the Donald J. Trump Revocable Trust; correct?</p> <p>20 MR. AMER: Objection, Your Honor. It lacks</p> <p>21 foundation. This witness didn't bind anything. He had no</p> <p>22 underwriting authority.</p> <p>23 THE COURT: You want to just -- withdrawn.</p> <p>24 Q Did HCC bind a D&amp;O policy on behalf of the</p> <p>25 Donald J. Trump Revocable Trust on or about January 30th of</p>	<p>M. Holl - Plaintiff - cross (Fields) Page 2519</p> <p>1 MR. AMER: No objection.</p> <p>2 THE COURT: It's in evidence.</p> <p>3 Q Mr. Holl, you were asked by Counsel for the government</p> <p>4 about some representations that were made during the</p> <p>5 underwriting meeting at Trump Tower in 2017 regarding -- and I</p> <p>6 use the wrong terminology, but prior pending litigation or</p> <p>7 notices of any potential claims. Do you generally recall that?</p> <p>8 A Yes.</p> <p>9 Q And I believe your testimony was -- and please correct</p> <p>10 me if I'm wrong -- that there was a disclosure to you that there</p> <p>11 was no potential claims known to somebody that told you that</p> <p>12 statement. Is that an accurate representation of your</p> <p>13 testimony?</p> <p>14 A Yes.</p> <p>15 Q And I believe you also testified that you're not sure</p> <p>16 if you asked, but somebody else may have asked that question?</p> <p>17 A Correct.</p> <p>18 Q And do you recall who it is that made that statement to</p> <p>19 you -- withdrawn.</p> <p>20 Do you recall who made the statement about no known</p> <p>21 claims?</p> <p>22 A I don't recall.</p> <p>23 MR. AMER: Your Honor, just so the record is clear</p> <p>24 that does mischaracterize the testimony. There was no</p> <p>25 material litigation and no communications from anyone.</p>
<p>M. Holl - Plaintiff - cross (Fields) Page 2518</p> <p>1 2017?</p> <p>2 A Yes.</p> <p>3 Q And you were involved in that process; correct?</p> <p>4 A I was.</p> <p>5 MR. FIELDS: All right. I'm going to show the</p> <p>6 witness what's been premarked as Plaintiff's 597.</p> <p>7 And, Your Honor, I don't intend to really examine</p> <p>8 the witness much about the document. I apologize. I don't</p> <p>9 have extra copies, but it was a little bit short trying to</p> <p>10 print them.</p> <p>11 THE COURT: I'm sure that will work.</p> <p>12 Q Mr. Holl, I'll just ask you, if you could, to take a</p> <p>13 look at this document. Let me know if you recognize it.</p> <p>14 THE COURT: Do you recognize it?</p> <p>15 THE WITNESS: Was there a question?</p> <p>16 Q Do you recognize the document?</p> <p>17 A Yes.</p> <p>18 Q What is it?</p> <p>19 A That is the policy that we wrote on January 30, 2017.</p> <p>20 Q And just to be clear, did you -- were you able to page</p> <p>21 through some of the documents to ensure that it's -- appears to</p> <p>22 be the entire policy that HCC wrote in 2017?</p> <p>23 A It appears to be.</p> <p>24 Q Fair enough.</p> <p>25 MR. FIELDS: Move to admit Plaintiff's 597.</p>	<p>M. Holl - Plaintiff - cross (Fields) Page 2520</p> <p>1 THE COURT: Are you relying on the specific</p> <p>2 language? Is that what you're looking to correct?</p> <p>3 MR. AMER: Yes, as opposed to no known claims that</p> <p>4 was never part of the testimony or the document.</p> <p>5 THE COURT: Right.</p> <p>6 MR. FIELDS: Your Honor, I apologize. I had a</p> <p>7 couple of minutes to prepare this, so please forgive me.</p> <p>8 THE COURT: All right. The record should be</p> <p>9 considered changed to reflect the exact wording.</p> <p>10 MR. FIELDS: One moment, please.</p> <p>11 THE COURT: Sure.</p> <p>12 MR. FIELDS: Thank you. I want to make sure I use</p> <p>13 the right terminology.</p> <p>14 Q So with regard to the statement that there was no</p> <p>15 material litigation or communication from anyone, if at some</p> <p>16 point you, HCC, had determined that there was information that</p> <p>17 was not known to them that should have been made to them or</p> <p>18 disclosed to them, isn't it true that HCC has the ability to</p> <p>19 rescind the policy?</p> <p>20 A I would have to look at the specific policy to see if</p> <p>21 we had the ability to rescind or not.</p> <p>22 Q Do you have any reason to doubt that this policy does</p> <p>23 not contain a right to rescind by the insurer?</p> <p>24 A I don't know what -- I don't know one way or the other.</p> <p>25 Sometimes we have language on there that says that the insurer</p>

M. Holl - Plaintiff - cross (Fields) Page 2521	Page 2523
<p>1 has no right to rescind.</p> <p>2 Q But be that as it may, if there is a right to rescind,</p> <p>3 the insurer has the right to rescind the policy; correct?</p> <p>4 A Correct.</p> <p>5 MR. AMER: Object to the form of the question.</p> <p>6 MR. FIELDS: It's cross examination, but it's okay.</p> <p>7 THE COURT: Overruled.</p> <p>8 Q In addition, the insurer maintains the right to</p> <p>9 disclaim coverage as well; correct?</p> <p>10 A Meaning deny coverage for something submitted?</p> <p>11 Q Sure.</p> <p>12 A Yes.</p> <p>13 Q Do you know if this policy contains a right for the</p> <p>14 insurer to deny coverage if they did not believe that it was</p> <p>15 covered under the policy?</p> <p>16 A I mean, it doesn't specifically contain language that</p> <p>17 says that. It's that if the language doesn't provide coverage,</p> <p>18 it doesn't provide coverage.</p> <p>19 Q Did you ever meet with Donald J. Trump by any chance,</p> <p>20 Mr. Holl?</p> <p>21 A No, I did not.</p> <p>22 Q All right. And at some point you determined that you</p> <p>23 had made a mistake and underpriced the risk in approximately</p> <p>24 2019; correct?</p> <p>25 A I wouldn't say we made a mistake. I'd just say that</p>	<p>1 MR. KISE: On redirect they can read the rest of</p> <p>2 the answer.</p> <p>3 MR. AMER: I think when you read the question you</p> <p>4 should read the whole question and the whole answer.</p> <p>5 MR. KISE: That would be nice if you had done that</p> <p>6 the entirety of this case, but you haven't.</p> <p>7 THE COURT: Sometimes yes, sometimes no.</p> <p>8 In an abundance of caution, I'll ask that the</p> <p>9 entire answer be read back.</p> <p>10 Q All right, beginning at line six --</p> <p>11 MR. <p>1 that newest quote number reflected what we perceived to be the</p> <p>2 going-forward risk.</p> <p>3 Q Did you underprice the risk?</p> <p>4 A I don't know how to answer that.</p> <p>5 MR. FIELDS: Let's pull up --</p> <p>6 Q Mr. Holl, you were interviewed by the Attorney</p> <p>7 General's Office in February of 2022; correct?</p> <p>8 A Okay. I was.</p> <p>9 Q Were you?</p> <p>10 A Yes.</p> <p>11 MR. FIELDS: All right. Let's pull up page 145,</p> <p>12 line six. We'll start at line two.</p> <p>13 Q All right. The question is:</p> <p>14 "And what was the basis for increasing the premium for</p> <p>15 the same extension period to such a significant extent?</p> <p>16 "ANSWER: It was clear to us that we had</p> <p>17 underpriced this risk and that there was significant</p> <p>18 exposure to us."</p> <p>19 Is that what you answered in February of 2022?</p> <p>20 MR. AMER: Can we read the whole answer so we have</p> <p>21 a context?</p> <p>22 THE COURT: Well, if you think it matters, yes; if</p> <p>23 you're just saying it because it's only part of the answer,</p> <p>24 no.</p> <p>25 MR. AMER: Well, I think it does matter.</p>	<p>1 THE COURT: It's a lot of reading.</p> <p>2 MR. KISE: Exactly. It is a lot of reading.</p> <p>3 MR. FIELDS: Thank you. That's all, Your Honor.</p> <p>4 THE COURT: Any re-direct?</p> <p>5 MR. AMER: I do. I just want to make sure is that</p> <p>6 side done?</p> <p>7 MR. ROBERT: Subject to our reservation of calling</p> <p>8 the witness back on our case.</p> <p>9 THE COURT: Okay.</p> <p>10 MR. AMER: I just have a few questions. So if I</p> <p>11 could do it from here, Your Honor, if that's all right.</p> <p>12 THE COURT: Of course.</p> <p>13 RE-CROSS EXAMINATION</p> <p>14 BY MR. AMER:</p> <p>15 Q I want to ask you about Mr. Fields's questions</p> <p>16 concerning the hypothetical that instead of telling you it was</p> <p>17 192 million in cash, they instead had told you it was 25 million</p> <p>18 in cash or ten times the retention. Do you recall those</p> <p>19 questions?</p> <p>20 A I do.</p> <p>21 Q Okay. Now, the 192 cash number is the number that you</p> <p>22 forwarded on to Mr. Stone and Mr. Pettit, correct?</p> <p>23 A Yes.</p> <p>24 Q And at the time, you didn't have any authority to</p> <p>25 underwrite the business; is that right?</p>

1 MR. KISE: Objection; leading.  
2 MR. AMER: I think it is summarizing testimony he  
3 already --  
4 MR. KISE: Leading question.  
5 THE COURT: Well, it might be simpler if you just  
6 ask it. Although, it might still be leading, but I will  
7 allow it if you just ask it in the abstract.  
8 MR. AMER: I think he already testified to it, so  
9 I'm just trying to bring us back.  
10 Q Did you have authority to underwrite this risk at that  
11 point in time yourself? Did you have underwriting authority?  
12 A I don't have under -- I don't have authority, correct.  
13 Q And if they had told you it was 25 million in cash,  
14 would that have been the number that you conveyed as opposed to  
15 192 million in cash?  
16 A Yes.  
17 Q And as you sit here today, you don't know what they  
18 would have done in response to getting that different dollar  
19 figure, do you?  
20 A That's fair, yes.  
21 MR. AMER: That's all I have, Your Honor.  
22 THE COURT: Any re-cross?  
23 MR. KISE: Not at this time subject to the  
24 reservation, no. Thank you.

25 MR. SOLOMON:

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2527

1 Q Good afternoon, Ms. Dillon. Can you, please, briefly  
2 describe your post high school education?  
3 A I attended college, University of Missouri. Graduated  
4 in four years with a bachelor's degree and I then went on to a  
5 masters program. I have a masters in public policy and several  
6 years after that, I went to law school at Georgetown Law.  
7 Q Abdomen when did you graduate from Georgetown Law?  
8 A 1999.  
9 Q And are you admitted to any bars?  
10 A Yes, D.C. and Georgia.  
11 Q Thank you. Could you, please, briefly describe your  
12 work experience after your admission to the bar?  
13 A I began my career at McGee Nelson as -- no, I'm sorry.  
14 I actually began my career at King & Spalding for just a short  
15 period of time and then the tax group at McGee -- no. King and  
16 Spalding largely broke off, started their own firm McGee Nelson.  
17 I joined McGee Nelson which was eventually merged into Bingham &  
18 McCutchen, L.L.P. Following that, I left for a year and went to  
19 Vinson & Elkins. And after that, I rejoined my prior colleagues  
20 from Bingham who had been merged in Morgan Lewis and that was in  
21 2015.  
22 Q You said you worked at Vinson & Elkins for one year.  
23 So that was roughly 2014 to 2015.  
24 A That would be correct and it is roughly one year.  
25 Q And when were you at Bingham?

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2528

1 A That would be roughly 2009 to 2014 is the best of my  
2 recollection. I'm not quite sure on those dates.  
3 Q Approximate dates are okay. Thank you.  
4 When you were at Bingham, were you a partner?  
5 A I began my career at Bingham, yes, I would have been a  
6 partner.  
7 Q Were you in a particular group at Bingham?  
8 A The tax group. I've always practiced tax law as my  
9 primary practice. Although, I advise on other things as well.  
10 Q And when you moved to Vinson Elkins, you were also a  
11 partner?  
12 A Yes, I was also a partner in the tax group.  
13 Q When you rejoined certain of your colleagues in Morgan  
14 Lewis in 2015, were you a partner?  
15 A Yes.  
16 Q Are you currently at Morgan Lewis?  
17 A Yes.  
18 Q Are you currently a partner there?  
19 A I am currently a partner at Morgan Lewis.  
20 Q Did there come a time that you in your professional  
21 capacity began doing work for the Trump Organization?  
22 A Yes.  
23 Q When was that?  
24 A That would have been began more or less in 2005.  
25 Q And was the Trump Organization your client?

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2529</p> <p>1 A It was a firm client.</p> <p>2 Q And when you joined Bingham in or about 2009, did you</p> <p>3 bring the Trump Organization work with you?</p> <p>4 A Yes, the Trump Organization continued with us.</p> <p>5 Q You said "us." I'm talking about you. You continued</p> <p>6 doing work for the Trump Organization, correct?</p> <p>7 A Yes, I continued doing work for the Trump Organization.</p> <p>8 Q And when you moved to Vinson &amp; Elkins in or about 2014,</p> <p>9 did the Trump Organization continue to use your services?</p> <p>10 A Yes, they did.</p> <p>11 Q And when you moved to Morgan Lewis in 2015, did the</p> <p>12 Trump Organization come with you?</p> <p>13 A Yes, the Trump Organization continued to.</p> <p>14 Q Do you currently do work for the Trump Organization?</p> <p>15 A No.</p> <p>16 Q When did you cease doing work for the Trump</p> <p>17 Organization?</p> <p>18 A That would have been 2020, some point in 2020.</p> <p>19 Q Do you recall when in 2020?</p> <p>20 A I do not. It would have been in the spring or early</p> <p>21 summer.</p> <p>22 Q Was there some precipitating event that caused you to</p> <p>23 cease doing work for the Trump Organization?</p> <p>24 A No, not any one event.</p> <p>25 Q Were there several events that caused you to cease</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. <p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2530</p> <p>1 doing work for the Trump Organization?</p> <p>2 A There just came a time when it was mutually agreed with</p> <p>3 the client that it was no longer in their best interest for me</p> <p>4 to be representing the Trump Organization.</p> <p>5 Q Keeping this at a high level, can you describe the type</p> <p>6 of work you've done for the Trump Organization over the years?</p> <p>7 A Predominantly providing tax advice and advice related</p> <p>8 to the tax advice as well as other projects from time to time as</p> <p>9 requested by my client.</p> <p>10 Q What would those other projects be?</p> <p>11 A Assisting reviewing contracts from time to time,</p> <p>12 helping with forming entities and things of that nature.</p> <p>13 Q Did you ever do any work responding to government</p> <p>14 investigations?</p> <p>15 A Yes. From time to time, I would help with government</p> <p>16 investigations or other government inquiries.</p> <p>17 Q Anything else you can recall?</p> <p>18 A I assisted in the preparation of their work with Office</p> <p>19 of Government Ethics, helping with the disclosure requirements.</p> <p>20 Q Did you work on what's known as the OGE form the Office</p> <p>21 of Government Ethics form that's filed?</p> <p>22 A I did provide legal advice with respect to OGE form</p> <p>23 278.</p> <p>24 Q You mentioned you provided tax advice. What</p> <p>25 were -- again, at a high level. I'm not asking for specific</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2532</p> <p>1 Organization, with whom did you interact?</p> <p>2 A Is there a specific period you're looking for?</p> <p>3 Q Let's put the period 2011 to present. Withdrawn.</p> <p>4 Excuse me. Withdrawn, please.</p> <p>5 Let's put the period as 2011 to when you ceased</p> <p>6 providing services in or about 2020.</p> <p>7 A I worked with a lot of people at the Trump</p> <p>8 Organization. It would have been -- gosh. Jason Greenblatt,</p> <p>9 Jaclyn Maranes, Alan Garten. I'm sorry. I'm going through</p> <p>10 departments. As well as Jeff McConney, Allen Weisselberg, Mark</p> <p>11 Hawthorn. Gosh. Just a host of people, a variety right of</p> <p>12 folks.</p> <p>13 Q Let's throw out some names to see if we can jog your</p> <p>14 memory.</p> <p>15 A Sure.</p> <p>16 Q Donald Trump?</p> <p>17 A Sr. or --</p> <p>18 Q Sr. When I refer to Donald Trump today, I will be</p> <p>19 referring to Sr. If I am referring to Jr., I will add Jr., so</p> <p>20 the record is clear.</p> <p>21 A That would be very helpful. Thank you.</p> <p>22 Q Did you interact with Donald J. Trump between the 2011</p> <p>23 through the termination of the relationship?</p> <p>24 A To some degree, yes.</p> <p>25 Q What do you mean by "to some degree?"</p>

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2533

1 A I did interact, but it wasn't -- he was pretty high on  
2 the food chain. That's not who I spent most of my time with.  
3 Q Understood. Not as often as some of the other people  
4 you just mentioned?  
5 A Yes.  
6 Q Fair enough. Donald Trump Jr.?  
7 A From time to time.  
8 Q Eric Trump?  
9 A Yes, from time to time on certain projects.  
10 Q More often than you interacted with Donald J. Trump?  
11 A It would depend on the project.  
12 Q Ivanka Trump?  
13 A Yes.  
14 Q Patrick Birney?  
15 A Yes.  
16 Q Jill Martin?  
17 A Yes.  
18 Q Anyone else you can think of now that I've given you a  
19 couple of names from various departments?  
20 A There are others that were in the general counsel's  
21 office and I'm sorry. I'm just not remembering their names  
22 right now. Adam, his last name I'm not remembering. David  
23 Cohen and I know there are others that -- yeah. If you have  
24 others to ask me about -- I'm sorry. It has been a while.  
25 Q I appreciate the effort to try to remember. We will

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2534

1 focus on some documents and that may refresh your recollection  
2 later on.  
3 A Great.  
4 Q Sure.  
5 Do you recall working on donations or potential  
6 donations of conservation easements relating to TNGCLA also  
7 known as Trump National Golf Club LA?  
8 A Yes.  
9 Q Do you recall working on a potential donation of a  
10 conservation easement at Briarcliff Development?  
11 A Yes.  
12 Q That's the Briarcliff Golf Course located in  
13 Westchester County in New York, correct?  
14 A That's my understanding.  
15 Q And do you recall working on a potential donation of a  
16 conservation easement relating to Seven Springs?  
17 A Yes.  
18 Q And Seven Springs, that's the property located in  
19 Westchester in the Towns of Bedford, New Castle and North  
20 Castle, correct?  
21 A That is correct.  
22 Q So let's focus on those and if there are differences  
23 between them, I'd like you to point it out.  
24 When you worked on those potential donations, what did  
25 that work entail?

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2535

1 A That work would entail coming to an understanding of  
2 the property. It would come to an understanding most  
3 importantly the key element when thinking about a conservation  
4 easement is that an easement is something that is going to be  
5 granted in perpetuity and my perspective, to back up for a  
6 second, is from a tax law perspective. So I want to be clear on  
7 that.  
8 So the tax law requires that it be granted and most  
9 easements are granted in perpetuity and perpetuity means  
10 forever. As we all know from our property class back in law,  
11 perpetuities, so you go back to that and so when you're granting  
12 an easement, it is a big decision. And a conservation easement,  
13 what that means is you retain the land and you put in  
14 conservation easement on it which is restricting the uses of the  
15 land. And so there's a lot of different decisions that have to  
16 be made with that and that's where I would spend a lot of my  
17 time in coming to understand the property, coming to understand  
18 what you want to do with it or not do with it, and it would be  
19 the choices of which parts of the property do you want to  
20 restrict and which parts do you not want to restrict and what  
21 will those restrictions be.  
22 And then once you determine that, I would work with the  
23 client to help them implement that, working with the  
24 environmentalists. There's all kinds of environmental reports  
25 that have to be done, baseline documentation, working on the

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2536

1 conservation easement deed, that makes the grant of the  
2 easement, working with the appraisers to determine the value of  
3 the easement working with engineers to some degree.  
4 Although, it was generally the other professionals who  
5 would work with the engineers, but it was just that whole  
6 collection of people and every piece of property is unique, so  
7 these are sort of some of the common elements sometimes there  
8 would be others who needed to be involved depending on what the  
9 project was and what the land looks like. But it would also be  
10 making sure that all of these things are laid out in the tax  
11 code and all of these various requirements, what does baseline  
12 documentation of the environmental aspects of the property, what  
13 does that mean, what's required for that, what's required for  
14 the appraisal. It needs to have qualified appraisers and a  
15 qualified appraisal. So there's all kinds of hosts of legal  
16 requirements that need to be satisfied. So that's the work I  
17 would do.  
18 Q I think it was implied in your answer, but so the  
19 record is clear, you mentioned legal requirements. Were these  
20 requirements, to your understanding, to enable the donor obtain  
21 a tax deduction for the value of a donation?  
22 A Some of them were. Some of them were requirements that  
23 are other sorts of requirements. Again, we would want to have a  
24 deed that would be respected, that could be recorded. That  
25 would be legal requirements outside of the tax code, but a lot

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2537

1 of them are legal requirements that are set forth in the tax  
2 codes, so that Congress provided incentives encouraging folks to  
3 conserve land. Restrict your rights. Don't build on it. Let's  
4 keep public parks. Let's keep rivers. Let's keep beautiful  
5 forests. Let's keep all of that. And to do that, they  
6 did -- they created an incentive, a charitable deduction for  
7 tax purposes and that -- so in order to secure the deduction,  
8 you would have to follow a lot of very stringent and lengthy  
9 legal requirements that are set out in the tax code in a host of  
10 treasury regulations. I think there's probably 50 pages of  
11 these regulations, IRS guidance that even further explains the  
12 code and the regulations and a huge body of case law that's  
13 developed on conservation easements as well as other donations  
14 of charitable property.

15 Q You mentioned in an earlier answer, an appraisal. I  
16 think the term that I've seen is a qualified appraisal. Have  
17 you seen that term?

18 A Yes.

19 Q A qualified appraisal, does that have a different  
20 meaning to you than an appraisal?

21 A A qualified appraisal is an appraisal that is described  
22 in the tax code and in order to secure it, a deduction, the  
23 appraisal that you have has to meet the requirements of a  
24 qualified appraisal.

25 Q And the appraisal is an appraisal of the value of the

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2538

1 easement that is being donated; is that correct?

2 A It is the value of what you have given up in your  
3 easement, the economic value of the rights and restrictions that  
4 you have given up.

5 Q And you mentioned that you've worked on several of  
6 these. Do you know how that value is determined by an  
7 appraiser?

8 A There are different methods for determining that value.  
9 The treasury regulations lay out the methods that may be used.  
10 The primary method, I think my recollection is -- I don't have  
11 the regs in front of me right now, but I believe the principal  
12 method is to find sales of comparable conservation easements.  
13 Those rarely exist, so the treasury regulations have an  
14 alternative way to measure the value of a conservation easement  
15 and that is called the before and after method.

16 Q And in the before and after method, does the appraiser  
17 determine the value of the property before placement of the  
18 easement, the value of the property after the placement of the  
19 easement, subtract the latter from the former to come up with  
20 that value of the easement itself?

21 A So, yes, the appraiser, if I understood this, first  
22 determines --

23 Q If my question wasn't clear, please tell me and explain  
24 it in your own words.

25 A The appraiser values the entire property unrestricted

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2539

1 meaning with no restriction.

2 THE COURT: You left out the word "first" which was  
3 included in your first answer.

4 THE WITNESS: I will try to speak slower. So yeah,  
5 we first start with the entire property. You value that.  
6 So in my example, we'll say that's worth a hundred. You  
7 then value the property after the restrictions have been  
8 placed on, taking into the characteristics of the property  
9 as it would then exist with the conservation easement. So  
10 the after-value would generally be less.

11 So let's say started off of 100. Your after-value  
12 is ten. The appraiser then would say, well, the easement is  
13 the difference between the entire value of the property  
14 unrestricted and the value of the property restricted. So  
15 in my example, it would be 100 minus ten, would be 90 the  
16 value of the property.

17 There would then need to be other considerations  
18 taken into account which would have to do with does the  
19 property owner have contiguous property that surrounds or is  
20 in the nearby area of the property that's been restricted.

21 Q And if there is an enhancement to the value of the  
22 contiguous property, that would be deducted from the value of  
23 the donation, correct?

24 A That is correct.

25 Q We'll come back to easements in more detail as we go

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2540

1 on, but I would like to turn to something you mentioned about  
2 doing work in connection with government investigations for the  
3 Trump Organization.

4 Do you recall in or about September of 2016  
5 communicating with the New York Attorney General's Office with  
6 respect to an inquiry that the office was conducting?

7 A I know I have responded to lots of things. So again,  
8 if you could give me a little more background, that might help  
9 me.

10 Q I will show you a document, ma'am, and see if it  
11 refreshes your recollection.

12 MR. SOLOMON: If we could, please, pull up PX 1001  
13 and may I hand this up to the witness.

14 Q Ma'am, this is a letter dated September 27, 2016 sent  
15 by electronic mail and certified mail return receipt requested  
16 to you at Morgan Lewis. You were at Morgan Lewis in 2016,  
17 correct?

18 A Yes, I was at Morgan Lewis then.

19 Q This is from the State of New York Office of the  
20 Attorney General from the Charities Bureau, correct?

21 A Yes, the letter is from the Charities Bureau.

22 Q Did you receive this on or about September 27, 2016?

23 A Yes, I did.

24 MR. SOLOMON: We offer this in evidence.

25 THE COURT: Granted. It is in.

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2541</p> <p>1 (Whereupon, the Document was marked in evidence as 2 Plaintiffs Exhibit 1001.) 3 Q Does this refresh your recollection to at least one 4 matter that you were handling for the Trump Organization in 5 connection with a government inquiry? 6 A Yes, it does. 7 Q What can you tell me if you -- withdrawn. 8 At a high level, what was your understanding of this 9 inquiry that was being conducted in or about September of 2016? 10 MR. ROBERT: I appreciate the way Mr. Solomon has 11 worded the question, "at a high level." I just want to make 12 sure there is no waiver of attorney-client privilege here 13 and I don't think that's what Mr. Solomon is getting at. I 14 just wanted the record clear. Do you agree, Mr. Solomon, 15 you are not trying to -- 16 MR. SOLOMON: We are not asking the witness to 17 waive privilege. We just want to know the witness' 18 understanding of what the investigation concerned. 19 MR. ROBERT: From a high level, not conversations 20 with any of her clients? 21 MR. SOLOMON: My question did not ask for 22 conversations with the client. 23 MR. ROBERT: I didn't think you were and -- 24 MR. SOLOMON: Also to be clear for the record, this 25 witness received the letter. So this information came to</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2543</p> <p>1 trying to understand it. I would have talked to Jeff McConney. 2 I would have talked with Allen Weisselberg. I would have talked 3 with Debra whose last name is escaping me right now. She is one 4 of the internal bookkeepers at the organization. 5 THE COURT: I have to ask about "would have." Does 6 this mean you remember you did or does this mean you think 7 generally looking back, "Yeah, that's probably who I spoke 8 to"? 9 THE WITNESS: I would have spoken to them. Yes, I 10 spoke to them. I'm sorry. Got me there. Yeah, I would 11 have spoken to them. 12 THE COURT: Thanks. 13 THE WITNESS: I did speak to them to clarify. 14 THE COURT: We are very precise. 15 THE WITNESS: At some point in time, not with 16 everything in this letter, but in general in connection with 17 the investigation. 18 Q When you had these conversations, were you ever made 19 aware of a prior communication from the Attorney General's 20 office directed to Mr. Weisselberg concerning a contribution in 21 the amount of \$25,000 made by the Donald J. Trump Foundation to 22 an organization known as And Justice For All? 23 MR. ROBERT: Objection. If the knowledge came from 24 a conversation with any of the clients, it would be 25 privileged. So if the question is "did the witness learn</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2542</p> <p>1 the witness, not from the client, but from the Attorney 2 General's office. 3 MR. ROBERT: I hear what you're saying. I just 4 wanted the record to be clear. Got it. 5 MR. SOLOMON: No issue. 6 THE COURT: Please continue. 7 Q Does this letter refresh your recollection about 8 a -- about this inquiry? 9 A Yes, it does. 10 Q When you received this letter and read this letter, did 11 you have an understanding as to what the inquiry concerned? 12 A Yes. 13 Q What was that understanding? 14 A My understanding was the Charities Bureau was taking a 15 look at whether the Trump Foundation had complied with New York 16 State law in connection with its activities. 17 Q I only want the names. I'm not asking what you 18 discussed. So let's be clear. Did you discuss this request for 19 information with anyone from the Trump Organization? 20 A Yes. 21 Q With whom did you discuss it? 22 A That would have been Jason Greenblatt. 23 Q Anyone else? 24 A Certainly at some point President Trump. Probably at 25 some point a variety of the in-house lawyers at Trump when I was</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2544</p> <p>1 from any source other than her client", that's a fair 2 question. But just a general question "did she become 3 aware," she may have become aware of it from her client and 4 the mere fact that she says that would be an invasion of the 5 privilege. 6 THE COURT: I'm not sure that that's right. The 7 fact that there was some discussion doesn't mean that that 8 was advice asked or advice given, but we might be able to 9 avoid that issue by -- 10 MR. SOLOMON: That's all I was asking, was she made 11 aware. I am not asking what was said. I'm not asking 12 advice that was given. Was she made aware of the prior 13 communication from the Attorney General's office? May I 14 finish, please? I don't think that's privileged. The mere 15 fact of the existence of prior communications is not 16 privileged. 17 MR. ROBERT: Your Honor, any fact that a lawyer 18 learns from his or her client during the scope of their 19 representation is governed by attorney-client privilege. 20 That's why if the question is "did you learn a fact from 21 someone other than the client," that's a fair question. But 22 once we get into "were you made aware of something," then 23 becomes the issue of who made you aware of it and that 24 conversation is absolutely privileged. 25 THE COURT: I disagree. It is not advice.</p>

<p style="text-align: right;">Page 2545</p> <p>1 MR. SOLOMON: And also, Your Honor, not every fact</p> <p>2 you learn from your counsel or from the client would be</p> <p>3 privileged. If a client told me, "today is Thursday," that</p> <p>4 doesn't make that communication privileged.</p> <p>5 MR. ROBERT: It would make it confidential if it's</p> <p>6 absent an order directing an attorney to provide it. It</p> <p>7 would be a problem, but here, the judge made his ruling.</p> <p>8 THE COURT: So objection noted, understood, but</p> <p>9 overruled.</p> <p>10 Q Simple question. Did you become aware of a prior</p> <p>11 communication from the Attorney General's office relating to the</p> <p>12 contribution that I described?</p> <p>13 A At some -- I'm sorry. Of a prior communication from</p> <p>14 the Attorney General to?</p> <p>15 Q To the Trump Organization relating to a \$25,000</p> <p>16 contribution made by the Donald J. Trump Foundation to an</p> <p>17 organization known as And Justice For All?</p> <p>18 A I believe I was aware of that communication. I don't</p> <p>19 recall the details.</p> <p>20 (Continued on the next page.)</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 2547</p> <p>S. Dillon - Plaintiff - direct (Solomon)</p> <p>1 to potential insurance carriers that there were no</p> <p>2 outstanding investigations, inquiries and the like. I don't</p> <p>3 remember the exact language. I know we had to go back to</p> <p>4 find the exact language, but in the vernacular there are no</p> <p>5 outstanding claims asserted or unasserted and that</p> <p>6 representation was made to HCC and what we're doing now is</p> <p>7 just establishing whether there were --</p> <p>8 MR. KISE: Right, but again -- well, as you know,</p> <p>9 on the insurance matter, I had basically the same objection,</p> <p>10 which is what does that have to do with a 6312 violation? I</p> <p>11 mean, all of those matters between the insurance company and</p> <p>12 the client are subsumed within the policy as we heard the</p> <p>13 witness -- I'm not going to go off on that.</p> <p>14 Anyway, we're now taking to a second degree of</p> <p>15 relevance. We first had something that I objected to, you</p> <p>16 overruled as marginally relevant -- not relevant in my</p> <p>17 opinion, but marginally relevant and now we're taking yet</p> <p>18 another step away from the core issues in the case because</p> <p>19 I'm not sure what this has to do with anything in the case.</p> <p>20 What count does it relate to in the case?</p> <p>21 MR. AMER: Can I just say I didn't hear the word</p> <p>22 "marginal" when Your Honor overruled --</p> <p>23 MR. KISE: That was my description, as I just said.</p> <p>24 THE COURT: As I told the witness, we are very</p> <p>25 precise around here. One word or the other could make a big</p>
<p>S. Dillon - Plaintiff - direct (Solomon)</p> <p style="text-align: right;">Page 2546</p> <p>1 Q And were you made aware that the Donald J. Trump</p> <p>2 Foundation responded to the Attorney General's Office? It's a</p> <p>3 yes or no.</p> <p>4 A I believe I was aware of that, too, yes.</p> <p>5 MR. SOLOMON: Okay. Could we please mark as PX</p> <p>6 1000 for identification?</p> <p>7 Q Ma'am, while you're reviewing it, I'll just identify</p> <p>8 for the record that this is or appears to be a letter on the</p> <p>9 Donald J. Trump Foundation letterhead dated June 28, 2016</p> <p>10 addressed to someone at the New York State Attorney General's</p> <p>11 Office.</p> <p>12 MR. KISE: Your Honor?</p> <p>13 THE COURT: Yes.</p> <p>14 MR. KISE: I'm just going to impose yet another</p> <p>15 objection. What does this have to do with anything in this</p> <p>16 case? I mean, maybe Mr. Solomon is going to connect it up,</p> <p>17 but this is 2016 and it's a completely separate</p> <p>18 investigation of an entity that's not a defendant here. It</p> <p>19 has no connection to these proceedings of an investigation</p> <p>20 in a matter that's long since been over, so I know we're all</p> <p>21 interested in moving this along, I just don't see what</p> <p>22 connection this has to these proceedings.</p> <p>23 THE COURT: Mr. Solomon?</p> <p>24 MR. SOLOMON: I think Your Honor heard earlier</p> <p>25 today from the prior witness that representations were made</p>	<p>S. Dillon - Plaintiff - direct (Solomon)</p> <p style="text-align: right;">Page 2548</p> <p>1 difference.</p> <p>2 MR. SOLOMON: Your Honor, an omission in seeking</p> <p>3 insurance coverage is relevant. And if we show that there</p> <p>4 was knowledge at the Trump Organization at the highest</p> <p>5 levels of the existence of this inquiry and we actually are</p> <p>6 going to get to an actual Notice of Violation that was sent</p> <p>7 to the Trump Organization. The failure to disclose that, if</p> <p>8 intentional, absolutely goes to the existing claims in this</p> <p>9 case in the 6312 violations that we've alleged.</p> <p>10 MR. KISE: Okay, Your Honor, the 6312 violations</p> <p>11 relate to financial statements and the submission and use of</p> <p>12 those financial statements in the course of obtaining loans</p> <p>13 and insurance. They -- the case as pled and as tried</p> <p>14 doesn't have to do with every single communication or</p> <p>15 representation that was made to anyone at anytime by this is</p> <p>16 the Donald J. Trump Foundation, again, a non-defendant,</p> <p>17 nonparty. At some level there really needs to be some</p> <p>18 containment of what we're doing here. This has gotten</p> <p>19 pretty far afield. So, respectfully, the issue in the case</p> <p>20 and the claims asserted again relate to statements of</p> <p>21 financial condition that were inflated, not inflated,</p> <p>22 whether they were used to obtain insurance, whether they</p> <p>23 were used to obtain loans, but anything to do with</p> <p>24 representations to anyone we'll be here until 2025.</p> <p>25 MR. SOLOMON: We'll only be here that long, Your</p>

<p>1 Honor, if there that many fraudulent misrepresentations or</p> <p>2 omissions. I have another five or ten minutes on this line.</p> <p>3 It's not going to take that long. We're going to establish</p> <p>4 that they knew about these inquiries, they knew about the</p> <p>5 Notice of Violation, and as you heard earlier today in open</p> <p>6 court, they did not disclose it to HCC.</p> <p>7 MR. KISE: Okay. So, again, the case is about</p> <p>8 statements of financial condition.</p> <p>9 THE COURT: That's a banned word.</p> <p>10 MR. KISE: I know it is, but I have to say it in</p> <p>11 response. I realize that the case is about statements of</p> <p>12 financial condition and the use of those -- I mean, we can</p> <p>13 pull out the complaint and look at the claims, so -- and</p> <p>14 whether or not the insurance company was notified properly</p> <p>15 or not notified properly about something is as the witness</p> <p>16 has testified and is clear for the policy subsumed within</p> <p>17 the policy. The insurance company and the insured and the</p> <p>18 insurer work that out. If there is something that wasn't</p> <p>19 disclosed, then they don't cover it.</p> <p>20 MR. ROBERT: In addition, Your Honor, they keep</p> <p>21 using the phrase "they knew." Who knew what and when</p> <p>22 because there is a policy of insurance that's in evidence.</p> <p>23 There is specific provisions in that policy as to who is --</p> <p>24 who has to have notice in order to have a disclosure. So at</p> <p>25 some point there has to be some connection of the dots as to</p>		<p>1 false financial statements anymore. That's their claim.</p> <p>2 That's what they're seeking. That's part of their</p> <p>3 injunctive relief is stop doing that.</p> <p>4 THE COURT: Part of.</p> <p>5 MR. KISE: But it can't be just stop committing</p> <p>6 fraud generally. I mean, there is no provision in the law</p> <p>7 for that. So any allegation of any claim of any kind that</p> <p>8 they say is fraudulent is going to come in as evidence of</p> <p>9 some pattern? I mean, it has to -- everything has to</p> <p>10 connect back to the case that's been pled and is being</p> <p>11 proven. Otherwise, there is absolutely no limits on what</p> <p>12 comes in. It's just anything that they decide to look at</p> <p>13 and say okay, this is fraud, that's fraud. How are you even</p> <p>14 supposed to fashion relief in that regard? Stop committing</p> <p>15 fraud generally? That's a prohibited order.</p> <p>16 THE COURT: I have various ideas about how to do</p> <p>17 that if it comes to it.</p> <p>18 MR. KISE: But the point is there has to be some</p> <p>19 connection to the claims. Otherwise, it's just adrift.</p> <p>20 THE COURT: We're going around in circles. The</p> <p>21 objection is overruled for the reasons I said and that</p> <p>22 Mr. Solomon said. Let's move on.</p> <p>23 MR. SOLOMON: Thank you, Your Honor.</p> <p>24 THE COURT: We'll break at five minutes to 1:00.</p> <p>25 MR. SOLOMON: Okay. Thank you.</p>	
S. Dillon - Plaintiff - direct (Solomon)	Page 2550	S. Dillon - Plaintiff - direct (Solomon)	Page 2552
<p>1 who knew what at one time. They're uniform. They knew,</p> <p>2 they knew. Respectfully, it's inappropriate here because</p> <p>3 there are multiple defendants.</p> <p>4 THE COURT: I certainly see that and understand</p> <p>5 that as an issue. The record will show who knew, who didn't</p> <p>6 know. So that will be a consideration.</p> <p>7 But let me make a general statement that might</p> <p>8 foreclose or deter other objections. To me, this case is</p> <p>9 not just about financial statements being submitted to</p> <p>10 insurance companies. It's about whether or not the</p> <p>11 defendants were committing fraud, persistent and whatever</p> <p>12 the pervasive -- whatever the other wording is. And it's</p> <p>13 also about what the -- what any alleged, of course, any</p> <p>14 remedies will be. If it seems to me in taking Mr. Solomon's</p> <p>15 -- building on what Mr. Solomon said, if the evidence shows</p> <p>16 that a certain defendant was consistently acting</p> <p>17 fraudulently if, if, if, then the law provides that there</p> <p>18 can be all sorts of equitable relief. So I think this is</p> <p>19 completely relevant. I understand it's not maybe the heart</p> <p>20 of the case, but it is in the case.</p> <p>21 MR. KISE: But, Your Honor, the equitable relief</p> <p>22 being sought, the equitable relief that can be granted is</p> <p>23 limited by what they're requesting and the equitable relief</p> <p>24 cannot be just stop committing fraud generally. It has to</p> <p>25 be specific. And so here the case is about don't issue</p>		<p>1 Q Ms. Dillon, have you had an opportunity to review what</p> <p>2 is PX 1000?</p> <p>3 A I did not read it word for word, but I looked at it</p> <p>4 when you asked me to look at it before, but no, I did not</p> <p>5 re-review it during the exchange.</p> <p>6 THE COURT: You were riveted by the exchange?</p> <p>7 THE WITNESS: As a lawyer I was riveted by the</p> <p>8 exchange.</p> <p>9 THE COURT: I was just going to say as a lawyer.</p> <p>10 Q Ma'am, if you see on the second page there is a</p> <p>11 signature above the printed name "Allen Weisselberg."</p> <p>12 Would you recognize Mr. Weisselberg's signature if you</p> <p>13 saw it?</p> <p>14 A No, not necessarily.</p> <p>15 Q Were you aware that the Donald J. Trump Foundation had</p> <p>16 communicated in or about June of 2016 with the New York State</p> <p>17 Attorney General's Office concerning the contribution described</p> <p>18 in this letter?</p> <p>19 A Isn't the letter the communication? I'm -- I didn't</p> <p>20 maybe understand your question. Was I aware of this letter?</p> <p>21 Q Yes, ma'am.</p> <p>22 A Yes, I was aware of this letter.</p> <p>23 Q Okay. When did you become aware of it?</p> <p>24 A Contemporaneous with the letter.</p> <p>25 Q Okay.</p>	

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2553</p> <p>1 MR. SOLOMON: We offer the letter in evidence. 2 THE COURT: Granted. It's in evidence. 3 (Whereupon, the item previously referred to is 4 received and marked Plaintiff's Exhibit Number 1000 in 5 evidence.) 6 MR. ROBERT: Objection to relevance. It's a 7 continuing objection. 8 THE COURT: I understand. Objection noted. 9 Overruled. 10 MR. SOLOMON: If we could show the witness PX 1002? 11 Thank you, sir. 12 Q And PX 1002 is a letter on State of New York Office of 13 the Attorney General letterhead directed to you, Ms. Dillon, at 14 Morgan Lewis. Do you see that? 15 A Yes, I do. 16 Q And the "re:" is the "Donald J. Trump Foundation;" 17 correct? 18 A Yes. 19 Q And the title in the center of the first page is 20 "Notice of Violation?" 21 A I see that. 22 Q Okay. Did you receive this letter in or about 23 September of 2016? 24 A Yes, I did. 25 MR. SOLOMON: We move PX 1002 into evidence.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2555</p> <p>1 Mr. Weisselberg and Mr. McConney. 2 Q Anyone else you can recall? 3 A I don't believe so. I could be wrong. There was a lot 4 going on at that time, but I think that's the list. 5 Q Okay. Did you provide a copy of this letter to your 6 client? 7 A Yes. 8 Q Okay. And at that time who did you understand your 9 client to be? 10 A The Trump Foundation, The Donald J. Trump Foundation. 11 Q So who at the Donald J. Trump Foundation did you 12 provide the letter to? 13 A I don't recall who I gave it to. Certainly I would 14 have given it to Mr. Greenblatt and he would have handled that. 15 Would be my -- again, this is a would be. That is my -- yes, to 16 the best of my recollection, it would have been Mr. Greenblatt 17 that I would have provided the letter to. 18 Q But in your practice, ma'am, if you received a letter 19 from a governmental authority titled, "Notice of Violation," you 20 would have sent it on to the client? Do you have any doubt of 21 that? 22 A I have no doubt that it would have gotten to the 23 clients, but it would have been through client's counsel. 24 Q In-house counsel? 25 A In-house counsel, yes.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2554</p> <p>1 THE COURT: Granted. It's in. 2 MR. ROBERT: Same objection. 3 (Whereupon, the item previously referred to is 4 received and marked Plaintiff's Exhibit Number 1002 in 5 evidence.) 6 Q Just a yes or no, ma'am, did you discuss this letter 7 with anyone at The Trump Organization? 8 A Yes. 9 Q Okay. Just the names of the persons with whom you 10 discussed this letter? 11 A Jason Greenblatt. I don't recall if there were others 12 that I discussed the contents of the letter with. 13 Q So you don't recall if you discussed the contents of 14 this letter with Mr. Allen Weisselberg? 15 A Of this letter in particular, no. I'm not sure if I 16 did or not. 17 Q Did you discuss the subject matter of this letter, the 18 Notice of Violation, if not the particular letter with 19 Mr. Weisselberg? 20 A I believe I did, yes. 21 Q Okay. Let's go then to the subject matter of the 22 letter, if not the letter itself. 23 With whom at the Trump Organization did you discuss the 24 subject matter of the letter? 25 A That would have been as mentioned, Mr. Greenblatt,</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2556</p> <p>1 MR. SOLOMON: Can we please mark as PX 1003 for 2 identification? 3 And while you're looking at this letter I will 4 identify for the record it is a letter on Morgan Lewis 5 letterhead. It appears to be your letterhead, in fact, 6 dated October 7, 2016. 7 Q Ma'am, is that your signature on the second page of 8 this letter? 9 A Yes, it is. 10 Q And did you send it to Mr. Sheehan at the Charities 11 Bureau at the New York State Attorney General's Office on or 12 about October 7, 2016? 13 A Yes. 14 MR. SOLOMON: We offer PX 1003 in evidence. 15 THE COURT: Granted. It's in evidence. 16 MR. ROBERT: Same objection. 17 (Whereupon, the item previously referred to is 18 received and marked Plaintiff's Exhibit Number 1003 in 19 evidence.) 20 Q The first line of this indicates that it is -- excuse 21 me -- that "you are in receipt" -- "we are in receipt of your 22 letter dated September 30, 2016." 23 And that's the letter we saw a moment ago, PX 1002; 24 correct? 25 A Yes.</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2557</p> <p>1 Q Again, without discussing the substance, with whom did 2 you discuss this response prior to sending it to the New York 3 State Attorney General's Office? 4 A I don't recall who all I've discussed the response 5 with. 6 Q Do you recall anyone? When you say you all? 7 A Again, this would have certainly been Mr. Greenblatt. 8 It's -- I'm just not sure who I talked to about it. It was a 9 long time ago. 10 Q Okay. Would you have sent it -- in your practice, 11 would you have sent it to the client for review before sending 12 it on to the Attorney General's office? 13 A Generally I would send things, yes, to the client for 14 review. Again, meaning to in-house counsel at the Trump 15 Organization. 16 Q So is it fair to say by no later than October 2016 you 17 as outside counsel and The Donald J. Trump Foundation were aware 18 that the New York Attorney General's Office had issued a Notice 19 of Violation and that you were gathering information to respond 20 to that notice? 21 A I was certainly aware of it and certainly the Trump 22 Organization -- or the Donald J. Trump Foundation was aware of 23 this, yes. 24 Q Were you at that time gathering information to provide 25 to the New York State Attorney General's Office? When I say</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2559</p> <p>1 in order for that to be appealable, then we would need to so 2 order that transcript for October 3rd. 3 THE COURT: I will take care of that. I agree with 4 you. 5 MR. KISE: Okay. And then at some point -- 6 THE COURT: One second. 7 MR. KISE: Yes, sir. 8 THE COURT: I'll take care of that or I'll get back 9 to you, if there is any issue or problem. 10 MR. KISE: The other thing, at the appropriate time 11 when the courtroom is empty, a photo of the bench empty so 12 we can lay out what adjoins next to and all that is because 13 I do think that is a matter of interpretation. 14 THE COURT: Okay. Let me just -- you are -- you 15 want to take a photo of the bench so -- 16 MR. KISE: For the record, yes, Your Honor. 17 THE COURT: I would suggest, it's up to you, a 18 photo with me here, with you there and I haven't discussed 19 that. 20 MR. KISE: I don't. 21 THE COURT: -- or some other person I think it will 22 show if there are people sitting in actual chairs. 23 MR. KISE: However you would like me to proceed, 24 although -- 25 THE COURT: We can do both.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2558</p> <p>1 "you," I mean you or someone at your direction? 2 A Yes, we would have been gathering information. 3 Q Do you know if this Notice of Violation or the need to 4 respond to the request for information were disclosed to the 5 Trump Organization's insurance carriers prior to soliciting 6 either a renewal or issuance of a new insurance policy? 7 A I don't know. 8 MR. SOLOMON: Your Honor, I'd be moving on to a 9 completely different area. I can start or we can -- 10 THE COURT: I can tell you want a break now. We'll 11 break now until 2:15. 12 MR. SOLOMON: Thank you, Your Honor. 13 (Whereupon, there is a recess in the proceedings.) 14 A F T E R N O O N S E S S I O N 15 THE COURT OFFICER: All rise. Part 37 is back in 16 session. The Honorable Judge Arthur Engoron presiding. 17 Please be seated and come to order. 18 THE COURT: Let's get the witness. 19 MR. KISE: Judge, while we're waiting on that, just 20 two very brief points. Can I ask the Court to so order -- I 21 believe it's the October 3rd transcript, which contains the 22 original gag order? Because I don't think that was ever 23 memorialized. The first violation last week was 24 memorialized and then, of course, yesterday you entered your 25 order, but the gag order itself was on the transcript. So</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2560</p> <p>1 MR. KISE: Okay. I'll do that. 2 THE COURT: Okay. Good. Okay. 3 And Mr. Kise, you are about Michael Cohen's size. 4 Maybe you should sit there and I'll sit here. 5 MR. KISE: I'm not nearly as photogenic as you 6 might think. I'll stay back here. 7 THE COURT OFFICER: Witness entering. 8 (Whereupon, the witness enters the courtroom and 9 approaches the witness stand.) 10 THE COURT: I'll remind the witness, as I always 11 do, that she is under oath. 12 And let's continue with the direct examination of 13 Sheri Dillon. 14 MR. SOLOMON: Thank you, Your Honor. 15 CONTINUED DIRECT EXAMINATION 16 BY MR. SOLOMON: 17 Q Good afternoon, Ms. Dillon. 18 A Good afternoon. 19 Q Let's turn to conservation easements of particular 20 properties. We talked earlier about Trump National Golf Club 21 LA. Do you recall that? 22 A Yes. 23 Q Can I refer to that as TNGC LA? 24 A Yes, I'll know what you mean. 25 Q Okay. Do you recall the owner of that property is VH</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2561</p> <p>1 Property Corp?</p> <p>2 A I don't recall that, but I recall a name similar to</p> <p>3 that, so.</p> <p>4 Q We could -- we'll see a document later that has that in</p> <p>5 there. We'll see if it refreshes your recollection.</p> <p>6 Did there come a time that the owner of TNGC LA</p> <p>7 contemplated donating a conservation easement over a portion of</p> <p>8 its property?</p> <p>9 A Yes, there was a time that was contemplated.</p> <p>10 Q Okay. In my questioning today when I use the term</p> <p>11 "communication" and I'm doing this because we had a little bit</p> <p>12 of a misunderstanding with another witness another day, but when</p> <p>13 I say "communications" I mean, all written, any other form of</p> <p>14 transmitting or receiving information, okay?</p> <p>15 A Okay.</p> <p>16 Q Thank you.</p> <p>17 Do you recall being involved in communications in the</p> <p>18 second half of -- excuse me.</p> <p>19 Do you recall being involved in communications in the</p> <p>20 second half of 2012 relating to the potential donation of a</p> <p>21 conservation easement over a portion of TNGC LA?</p> <p>22 A I do recall during a general time frame being involved</p> <p>23 in potential conversations. I'm not sure of the exact dates,</p> <p>24 but.</p> <p>25 Q Okay. Sure. Let's see if we can refresh your</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2563</p> <p>1 2012?</p> <p>2 A Yes, I would have received it on or about November 16,</p> <p>3 2012.</p> <p>4 Q Thank you.</p> <p>5 MR. SOLOMON: We offer this in evidence.</p> <p>6 MR. ROBERT: Objection. Statute of limitations.</p> <p>7 THE COURT: Overruled. Granted. It's in evidence.</p> <p>8 I understand the objection.</p> <p>9 Q Okay. You've read through the e-mail chain; correct?</p> <p>10 A Yes, I quickly did.</p> <p>11 Q Okay. You'll see that this e-mail chain at the top,</p> <p>12 the most recent one from November 16th, Mr. Donald Trump, Jr.</p> <p>13 indicates: "That's great. I'm glad the plans I had in</p> <p>14 Westchester could be of use." Do you see that?</p> <p>15 A I see that statement, yes.</p> <p>16 Q Okay. And the "re:" just so we could clarify something</p> <p>17 is the TIGC LA? Do you see that?</p> <p>18 A I see the re: says TIGC LA.</p> <p>19 Q Do people refer to the TNGC LA golf course sometimes as</p> <p>20 TIGC LA Trump International Golf Course LA?</p> <p>21 A Presumably so.</p> <p>22 Q When you received this did you understand this e-mail</p> <p>23 chain was referring to TIGC LA?</p> <p>24 A I don't know what I thought because it seems to mix and</p> <p>25 match conversations about Westchester as well as LA, so I'm not</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2562</p> <p>1 recollection and put a time frame on this.</p> <p>2 MR. SOLOMON: Ask to mark PX 1446 for</p> <p>3 identification. For the record, this is a -- the top e-mail</p> <p>4 chain is from Donald Trump, Jr..</p> <p>5 Q The date is 11/16/2012 to Josh Seidner to -- cc's to</p> <p>6 Allen Weisselberg, Sheri Dillon, Andrew Weiss at the Trump</p> <p>7 Organization and Jill Martin at TrumpNational.com?</p> <p>8 Does this e-mail chain refresh your recollection that</p> <p>9 it was in or about November 2012 that there were discussions</p> <p>10 relating to a potential conservation easement over TNGC -- a</p> <p>11 portion of TNGC LA?</p> <p>12 A I see from the e-mail that it was being talked about in</p> <p>13 November of 2012.</p> <p>14 Q Okay. And the e-mail chain, you are cc'd on it;</p> <p>15 correct?</p> <p>16 A If you give me a second to look through it.</p> <p>17 Q Of course. Whatever time you need, ma'am.</p> <p>18 A I'm sorry, what was your question?</p> <p>19 MR. SOLOMON: Your Honor, may I have a read back of</p> <p>20 my question?</p> <p>21 THE COURT: A read back, please.</p> <p>22 (Whereupon, the requested portion of the</p> <p>23 proceedings was read back by the court reporter.)</p> <p>24 A Yes.</p> <p>25 Q Okay. And did you receive it in or about November of</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2564</p> <p>1 really too sure about that.</p> <p>2 Q Sure. Turn to page two of three. It's from Allen</p> <p>3 Weisselberg to Josh Seidner and you are cc'd. Do you see that?</p> <p>4 A Yes.</p> <p>5 Q Okay. "I understand you are working on the</p> <p>6 conservation easement project for the above-captioned property."</p> <p>7 The above-captioned property is TIGC LA; correct?</p> <p>8 A That is what it says that Allen wrote and that's where</p> <p>9 it starts, but rest of the e-mail provides for a lack of</p> <p>10 clarity.</p> <p>11 Q Okay. Did you have an understanding, however, that one</p> <p>12 of the issues in this e-mail was TNGC LA?</p> <p>13 A I don't know if it was an issue, but there is a</p> <p>14 discussion about it from the re: line or appears to be a</p> <p>15 discussion about it.</p> <p>16 MR. SOLOMON: Okay. Let's mark PX 1412, please.</p> <p>17 Q Ma'am, you see that PX 1412 is actually an offshoot of</p> <p>18 the earlier e-mail chain we were just looking at, PX 1466. Do</p> <p>19 you see that?</p> <p>20 A I'm still looking at it. Give me just a second,</p> <p>21 please.</p> <p>22 All right. Could I have the question again, please.</p> <p>23 Q Sure. Do you see that this e-mail chain is an offshoot</p> <p>24 of the earlier e-mail chain we were just looking at, PX 1466?</p> <p>25 A It looks to be a continuation or it looks to be</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2565</p> <p>1 responding to that prior e-mail chain. 2 Q Okay. On the first page you send an e-mail to Josh 3 Seidner and Allen Weisselberg with ccs; correct? 4 A Yes. 5 Q And the re: is still TIGC LA. Do you see that? 6 A Yes. 7 Q And you suggested at the bottom of your e-mail that 8 your colleague, "Bob Leonard, worked extensively with our 9 engineer on another project." Do you see that? 10 A I do. 11 Q Did Bob Leonard work on the TNGC LA potential donation 12 of a conservation easement? 13 A I don't recall. That was a long time ago back in 2012 14 whether Bob helped me on that or not. 15 Q Okay. If you go up one on the e-mail chain, 11/26/2012 16 from Josh Seidner to you with a cc to the same people, Donald 17 Trump, Jr., Donald Bender, Allen Weisselberg, Andrew Weiss, Jill 18 Martin, and now Bob Leonard has been added as a cc. Do you see 19 that? 20 A I do. 21 Q And Mr. Seidner says to you -- writes to you, excuse 22 me: "Hi, Sheri. I hope all is well. Attached please find the 23 proposed master plan layout for LA." 24 Does that refresh your recollection that this relates 25 to TNGC LA?</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2567</p> <p>1 referred to two different ways? 2 A Correct. 3 Q Thank you. 4 On this e-mail -- and when I refer to this e-mail, I am 5 still referring to PX 1412, the one from Josh Seidner to you 6 with the ccs, second line, "Mr. Trump has reviewed this layout 7 and thought it can work for our purposes." Do you see that? 8 A I do. 9 Q Did you have an understanding as to which Mr. Trump 10 that was referring to? 11 A I may have at the time, but I don't know. 12 Q Was Donald Trump involved in the potential donation of 13 a conservation easement over a portion of TNGC LA? 14 A I don't recall whether he was involved or not. 15 Q Was Donald Trump, Jr. involved in the potential 16 donation of a conservation easement over TNGC LA? 17 A I similarly don't recall as to whether he was involved. 18 Q Same question for Eric Trump. 19 A I don't recall whether Eric was involved. And part of 20 this might be I don't know what you mean by "involved." Aware 21 of? 22 Q Let's take a step back. 23 Donald Trump Senior, to your knowledge, did he review 24 the layout for the constraints map and existing conditions? 25 A I am -- sitting here today I don't know which Mr. Trump</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2566</p> <p>1 A This part of the e-mail certainly relates to LA, yes. 2 Q Okay. So you agree with me then in or about November 3 of 2012 the owner of TNGC LA was contemplating or discussing a 4 potential conservation easement over a portion of the TNGC LA 5 property; right? 6 A The owner of TNGC or TIGC LA, whichever it might be, 7 appears to have been contemplating one in November 2012. 8 THE COURT: Well, wait a minute. You say 9 "whichever it might be." I'd like to figure out whether 10 it's one property with two names or two properties with 11 their own name. I have my own opinion, but I'd rather hear 12 from the witness based on everything that's been in front of 13 you, everything you remember, everything you've ever seen. 14 Are they the same property or is it two different 15 properties? 16 THE WITNESS: There is one property that I'm aware 17 of in LA that's a golf course. 18 THE COURT: Which is? 19 THE WITNESS: I just don't recall if it's a TN or a 20 TI. 21 THE COURT: Yes, but it's the same property? 22 THE WITNESS: It's the same property. 23 THE COURT: Thank you. 24 Q You'll see in properties later on it's referred to as 25 TNGC LA. Thank you for confirming. One property may be</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2568</p> <p>1 that's referring to. 2 Q Okay. 3 THE COURT: But that didn't answer the question. 4 MR. SOLOMON: Thank you. 5 May I have a read back, Your Honor? 6 THE COURT: Read back, please. 7 And listen carefully. It's a very specific 8 question. 9 (Whereupon, the requested portion of the 10 proceedings was read back by the court reporter.) 11 A I have no knowledge of that one way or the other. 12 Q Same question for Donald Trump, Jr.? 13 A Same answer. I have no knowledge of that one way or 14 the other. 15 Q Same question for Mr. Eric Trump? 16 A I have no knowledge of that one way or the other. 17 Q You'll see how I wrote "cc" on this for Mr. Seidner is 18 to Donald Trump, Jr.? 19 A I do. 20 Q Does that refresh your recollection as to which 21 Mr. Trump you understood this to refer to at that time? 22 A I'm sorry. That was 11 years ago, 12 years ago. I 23 just don't recall which Mr. Trump that was referring to. 24 Q And your e-mail ccs Mr. Donald Trump, Jr.. And as you 25 sit here today, you still don't have a recollection as to which</p>

<p>1 Mr. Trump was referred to in this e-mail chain?</p> <p>2 A I do not have a -- I don't remember. Yes, I can</p> <p>3 speculate for you, but I don't remember.</p> <p>4 Q Speculate for us.</p> <p>5 MR. ROBERT: Objection.</p> <p>6 THE COURT: Sustained. Speculation is not allowed</p> <p>7 in court.</p> <p>8 MR. Do you</p> <p>2 see that, in the middle?</p> <p>3 A I do.</p> <p>4 Q First sentence, "Yesterday, we had a call with Donald</p> <p>5 re valuation of the 16 lots." Do you see that?</p> <p>6 A I do.</p> <p>7 Q Does that refresh your recollection as to which Mr.</p> <p>8 Trump was involved in the TNGCLA project?</p> <p>9 A Yes.</p> <p>10 Q Which Mr. Trump was involved in the TNGCLA project?</p> <p>11 A It refreshes my recollection on who this call was with.</p> <p>12 It doesn't refresh my recollection on who was involved because I</p> <p>13 believe both -- I certainly know Don or I don't know. I'm not</p> <p>14 sure who was involved, but I know who</p> <p>15 this -- I believe I know who this call was.</p> <p>16 Q Who was the call with?</p> <p>17 A That would be with Sr.</p> <p>18 Q And during the call -- next sentence, I'm reading,</p> <p>19 ma'am. "During the call, we understood Donald to indicate that</p> <p>20 the 16 lots (and I believe the rest of the "Phase 2" lots) had a</p> <p>21 different zip code than the Phase 1 lots" and then it goes on.</p> <p>22 Do you see that?</p> <p>23 A I do.</p> <p>24 Q Was it Donald Trump, Sr. that indicated during the call</p> <p>25 that the 16 lots had a different zip code and then the</p>

<p>1 Q Did you understand that the potential easement that was</p> <p>2 being referred to or considered at that time covered all or a</p> <p>3 portion of the driving range at TNGCLA?</p> <p>4 A Yes.</p> <p>5 MR. SOLOMON: Could we, please, mark PX 1460.</p> <p>6 Before we do that, Your Honor, I move into evidence PX 1412.</p> <p>7 MR. ROBERT: Objection. Statute of limitations.</p> <p>8 THE COURT: Overruled. It is in evidence.</p> <p>9 (Whereupon, the Document was marked in evidence as</p> <p>10 Plaintiff's Exhibit 1412.)</p> <p>11 Q Ma'am, you will see this is an e-mail chain, the most</p> <p>12 recent on this chain, meaning the first one, is Jill Martin sent</p> <p>13 October 9, 2014 to you. Do you see that?</p> <p>14 A I'm sorry. Yes.</p> <p>15 Q Did the project or the consideration of potential</p> <p>16 easement in 2012 cease for a period of time and then was</p> <p>17 restarted in or about 2014?</p> <p>18 A Yes, that's correct.</p> <p>19 Q You'll see the bottom e-mail is from Brian Curry to</p> <p>20 you, the one dated October 9th? Do you see that? 1:25 p m.?</p> <p>21 A Yes.</p> <p>22 Q Who is Brian Curry?</p> <p>23 A He was the appraiser retained to work on that project.</p> <p>24 Q The TNGCLA project?</p> <p>25 A Correct.</p>	<p>1 additional information you provide in this e-mail?</p> <p>2 A I'm getting a little uncomfortable here with some of my</p> <p>3 ethical obligations are privileged since we seem to be getting</p> <p>4 into conversations I had with my client.</p> <p>5 MR. SOLOMON: Several things. First off, the</p> <p>6 privilege belongs to your client, so it is for them to</p> <p>7 object to privilege, not the witness, as I think you</p> <p>8 instructed the witness we had here yesterday, Your Honor.</p> <p>9 Second, second, if I may, this is an e-mail that</p> <p>10 was produced in this litigation. Your Honor has already</p> <p>11 ruled that communications governing valuations and</p> <p>12 appraisals are not privileged.</p> <p>13 THE COURT: Because they involve business, not</p> <p>14 legal advice; is that right?</p> <p>15 MR. SOLOMON: Correct.</p> <p>16 MR. ROBERT: Your Honor, first of all, when we get</p> <p>17 up too soon, we get criticized for objecting too soon by the</p> <p>18 government and when we wait too long, they criticize we</p> <p>19 waited too long. Ms. Dillon is appropriately setting forth</p> <p>20 as a currently licensed attorney and a former attorney for</p> <p>21 our clients. If she feels uncomfortable, I think it is</p> <p>22 incumbent upon her and I commend her for making the</p> <p>23 objection the way she did or at least making it an issue.</p> <p>24 We do believe that any conversations, as I said</p> <p>25 earlier this afternoon, between Ms. Dillon and her former</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2573</p> <p>1 clients are privileged. Again, we weren't directly involved 2 in the special proceeding. I do know the Court made certain 3 rules as to what documents were in or not, but when we 4 address the issue with some previous witnesses, the fact 5 that the Court may have ordered a document to be turned over 6 previously in our view, especially since many of the 7 defendants in this case were not defendants in that case 8 were given an opportunity to assert privilege in that case. 9 But once again, we asserted attorney-client privilege in any 10 communication that Ms. Dillon had with those clients is 11 privilege and not the proper subject of inquiry. 12 THE COURT: Well, I'd rather not because I don't 13 need to address the question of who can object. I see your 14 point. Let's just go to the substance of it. Let me take a 15 very careful read-through of this. I understand 16 that -- not -- you as attorneys were not involved in the 17 special proceeding. I also realize that certain of the 18 defendants were not involved in the special proceedings 19 investigation phase we'll call it. Let me just look at this 20 for a minute. 21 MR. ROBERT: Yes, sir. 22 (Whereupon, there was a pause in the proceedings.) 23 THE COURT: Can I get a readback of the exact 24 question? 25 (Whereupon, the requested portion of the record was</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2575</p> <p>1 were both involved in the project? 2 MR. ROBERT: Objection; leading. 3 THE COURT: Overruled. 4 A And my answer I think remains the same. One, I don't 5 know what you mean by involved. I would certainly agree that 6 Don, Sr. was aware. I don't think he was necessarily involved. 7 He was the highest level executive at the company and involved 8 is -- seems to suggest more to me as -- that seems to be more 9 of a day-to-day thing as opposed to aware of having a general 10 awareness. So that's the distinction I make. 11 As far as Don, Jr., I can't remember if he was involved 12 or also aware and whether it was the staff at the Trump Org who 13 was running the show. I just don't recall. 14 Q I appreciate, ma'am, your distinction between involved 15 and aware of. So when you say "involved," that's day-to-day and 16 when you say "aware," you mean aware of; is that fair? 17 A I would say there's two spectrums, right, and I would 18 say it is not every single detail every day to be involved, but 19 there's also a general awareness which can be a high level 20 awareness on the other hand and there is a spectrum there. So I 21 just want to be clear that I don't know what you exactly mean by 22 involved, but I don't think -- I don't -- in my view, neither 23 of them were involved as I would use the word "involved." 24 Q Okay. When I say "involved" and I asked you questions 25 using the word "involved," give me anyone on that spectrum you</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2574</p> <p>1 read back.) 2 THE COURT: I guess I have to rule now. I rule 3 that this is business information or advice, not legal 4 advice. I direct the witness to answer. You are not 5 prejudiced to where any other objections depending upon what 6 the other questions are. 7 A Could you read back the question one more time? 8 THE COURT: Please. My fault. 9 (Whereupon, the requested portion of the record was 10 read back.) 11 A I'm not sure if it was Don, Sr. or Don, Jr. 12 Q Is the fact that you're unable to distinguish between 13 Don, Sr. and Don, Jr. with respect to the TNGCLA project because 14 they were both involved in it? 15 A It is because I saw from an e-mail that you showed me 16 and my recollection Don, Jr. was involved in a lot of things. 17 His father was involved in very few things, but was aware of a 18 lot of things. And it's unclear to me who I was talking to then 19 and confirming that Don, Jr. was potentially involved was the 20 fact who was on those prior e-mails. So it is just a little bit 21 confusing to me and it was a long time ago. 22 Q I understand it was a long time ago, but my question 23 was just a little bit different. Is the reason you can't 24 distinguish who was involved in conversations relating to TNGCLA 25 because both Don, Jr., Donald Trump, Jr. and Donald Trump Sr.</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2576</p> <p>1 just described and feel free to tell me where you think they are 2 on that spectrum. Is that fair? 3 A I think at a high level, Don, Sr. was aware. I think 4 Don, Jr. may have been more aware. 5 Q That's fair. I appreciate the differentiation between 6 the two and I thank you for that. I want to make clear when I 7 use the word "involved" today, I want you to understand it means 8 anywhere on that spectrum that you just described and if you 9 need to explain your answer to tell me where it falls. Feel 10 free to do so, but it would include someone if they're anywhere 11 on the spectrum you described, okay? 12 A Sure. 13 THE COURT: No. No. If we are going to refer to a 14 spectrum from aware to involve, I guess it's -- it is 15 involved to aware. Let's not call it the aware spectrum. 16 Let's call it the aware/involved spectrum. 17 MR. SOLOMON: Very fair enough, Your Honor. I will 18 be guided by that suggestion. 19 THE COURT: Or some other way, just so we're not 20 saying one end of the spectrum to refer to the whole 21 spectrum. 22 MR. SOLOMON: How about I use the term "a role in" 23 and then the witness can tell me where it falls between 24 aware and day-to-day involvement? Does that work? 25 MR. ROBERT: Your Honor, I think this is an</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2577</p> <p>1 important distinction if he asks a question and the witness 2 needs clarification. It is direct examination. The witness 3 will say, "I can't answer it that way" and explain it her 4 way. I think using a define term will create confusion. 5 MR. SOLOMON: I'm inviting the witness to explain. 6 THE COURT: A role in -- I would say being aware 7 of something is not necessarily, depending upon your view of 8 language, to have a role in. I'm sure you're creative 9 enough to come up some way to ask the question that doesn't 10 imply the answer and that the witness can explain if she 11 needs to. 12 MR. SOLOMON: Thank you, Your Honor. We move PX 13 1460 into evidence. 14 THE COURT: Granted. It is in evidence. 15 (Whereupon, the Document was marked in evidence as 16 Plaintiff's Exhibit 1460.) 17 MR. ROBERT: Statute of limitations. 18 THE COURT: Overruled. 19 MR. SOLOMON: Could we, please, mark PX 944 for 20 identification. 21 Q Ma'am, this is an e-mail chain between you and Brian 22 Curry with Rick Zbranek as a cc. Do you see that? 23 A Yes. 24 Q Who is Mr. Zbranek? 25 A Mr. Zbranek was another appraiser at Cushman &amp;</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2579</p> <p>1 conservation easement, right? 2 A The conservation easement was considered -- the 3 easement that was being considered would be placed over part or 4 all of the driving range property. 5 Q So if it's over all of the driving range property, it 6 would be somewhere around 27 to 28 million, right? 7 A At this point, I don't recall whether it was all of the 8 driving range property that was being considered. It's been a 9 long time since I looked at these appraisals, so I don't want to 10 commit to something that I don't know if it is true or not. 11 Q It says for the driving range property. It doesn't say 12 for a portion of it, does it? 13 A Doesn't say for all of it either. 14 Q But it says for the driving range property, right? 15 A I find that to be sort of an imprecise and it also 16 isn't talking about the conservation easement. It is not 17 talking about a lot of things and if you have more documents, 18 that would be really helpful. I could take a look at them and 19 understand it, but -- 20 Q We will get to more documents, ma'am, but I want to 21 know your understanding at various points in time. 22 A At this point in time, he was suggesting that numbers 23 come in around 27 to 28 million for the driving range property, 24 whatever he means by that. 25 THE COURT: Just a second. I learned in junior</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2578</p> <p>1 Wakefield. 2 Q And was he working on the TNGCLA project, to your 3 knowledge? 4 A Yes, he was. 5 Q In the top e-mail from Mr. Curry to you on October 16, 6 2014, Mr. Curry writes, "Sheri, I revisited pricing in both lots 7 and home sales scenarios. Numbers come in around 27 to 28 8 million "-- "MM for the driving range property. That is about 9 1.7 to 1.75 MM per lot "as is" condition (not if yet fully 10 entitled before land development, time and risk, et cetera.)" 11 Do you see that? 12 A I do. 13 Q Did you understand that Mr. Curry was advising you that 14 the driving range property was worth approximately 27 to 15 \$28 million? 16 A That seemed to be his preliminary view at that point in 17 time. 18 Q His preliminary estimate of the value of the driving 19 range property, right? 20 A I think it speaks for itself. He said the numbers come 21 in around 27 to 28, I understood "MM" to be million, for the 22 driving range property and at that point in time. 23 Q At that point in time. That's all we're asking. At 24 that point in time, the driving range property was the property 25 that was being considered for the potential donation of the</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2580</p> <p>1 high school or high school that if you refer to something, 2 you mean the whole thing unless there's some indication you 3 only mean part of it. Now, obviously, I don't know what Mr. 4 Curry was thinking at the time, but -- and there is no jury 5 here. I wouldn't be saying this, but I take the driving 6 range to mean the whole driving range. But, you know, if 7 there's an indication that less than that is meant, fine. 8 And I'm not sure that's what he meant, but that's how I 9 interpret it. 10 MR. KISE: Respectfully, Your Honor, we're back to 11 a little bit to where we were yesterday. It is a matter of 12 interpretation. I think the witness has to testify as to 13 what she can relate. Understanding your view, but she can 14 only testify to what she can testify to. 15 THE COURT: I agree. Thank you. You're right. 16 THE WITNESS: And I'm not trying to be difficult 17 here. It is just there's a lot of different pieces to a 18 driving range property. There's things beyond just the 19 driving range and the lots. Does it include the putting 20 range? I don't know. Does it include the huts? I don't 21 know. There's a lot to it, so that's what's complicating 22 this. There's a lot of shorthand and abbreviations used in 23 e-mails that make them very hard to understand. 24 Q Is that why you at one point in time you instructed 25 your associate not to send e-mails to avoid creating discovery?</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2581</p> <p>1 A I have routinely throughout my practice, through all of 2 years of practice, I was taught by lots of folks when anything 3 is complicated pick, up the phone. Don't use shorthand. Don't 4 use abbreviations. You will end up with 40 e-mails that make no 5 sense and no one understands even at the time or later, so pick 6 up the phone and give them a call.</p> <p>7 Q Do you recall that the driving range was comprised of 8 16 lots?</p> <p>9 A The driving range was a driving range with balls and 10 driving range on it.</p> <p>11 Q Wasn't my question. Later in the process of the 12 analysis for the donation or potential donation of the 13 conservation easement, the appraiser determined that you could 14 do 16 lots on the driving range property. Do you recall that?</p> <p>15 A The driving range property when it was being considered 16 for a conservation easement, one of the plans of a hypothetical 17 subdivision showed 16 lots.</p> <p>18 Q Okay. 16 lots times he determined roughly 1.7 to 1.75 19 million per lot, right? You see that in the e-mail?</p> <p>20 A I see the numbers 1. --</p> <p>21 Q When we multiply 16 lots times 1.7 million, we've done 22 this before.</p> <p>23 MR. SOLOMON: I ask the Court to take judicial 24 notice that I think that's \$27.2 million.</p> <p>25 THE COURT: I'm not surprised. I take judicial</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2583</p> <p>1 the witness is answering the questions. The standard is the 2 witness' status as a former attorney and as a former agent 3 for the Trump Organization and various entities as she 4 testified to. We have a right to treat her as a hostile 5 witness. The word 'hostile' doesn't mean 'antagonistic' 6 necessarily. It is a legal term. We all know that.</p> <p>7 MR. ROBERT: The key is former, no longer current 8 attorney. Ms. Dillon is not our current agent. She was a 9 former attorney for our clients. Again, proceed as we have 10 been with other witnesses and so far, things have been going 11 well until the last few questions.</p> <p>12 THE COURT: I want to make clear to the witness 13 that by deeming her hostile or adverse, I'm not criticizing 14 her. It is really more of a status situation. Whether or 15 not the answers have also indicated maybe a little bit of 16 body language one way or the other, you could argue that. 17 In any event, objection overruled. I direct the witness to 18 answer.</p> <p>19 Do you need a readback or you want to just ask 20 again --</p> <p>21 A Are you asking me to confirm your math?</p> <p>22 Q I am just asking you if that sounds reasonable to you 23 that --</p> <p>24 A 1 --</p> <p>25 Q If it sounds reasonable to you that the 1.7 to 1.75</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2582</p> <p>1 notice.</p> <p>2 Q Sound about right?</p> <p>3 MR. ROBERT: Objection.</p> <p>4 THE COURT: What's the ground of the objection?</p> <p>5 MR. ROBERT: He's leading and turning this into a 6 cross-examination. It is a direct examination of a witness 7 they called. Is not "is this right," "is that right." Ask 8 open-ended questions and get answers.</p> <p>9 MR. SOLOMON: Your Honor, this witness was counsel 10 for the Trump Organization and many entities as she 11 testified. She was an agent. We actually have the right to 12 treat her as a hostile witness and lead on it.</p> <p>13 THE COURT: I would agree she can be considered a 14 hostile witness.</p> <p>15 MR. ROBERT: This witness has demonstrated no 16 evidence of that at all. She's been incredibly forthright 17 and the fact that a question may be inarticulately phrased, 18 no offense to Mr. Solomon, the witness is being very careful 19 in the words she is using as a careful lawyer. So the fact 20 she may not understand one of his questions or she thinks he 21 is being combative is not what the record demonstrates. She 22 is not an adverse witness and she is not a hostile witness. 23 The government has to continue to treat her and do a normal 24 direct examination.</p> <p>25 MR. SOLOMON: Your Honor, the standard isn't how</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2584</p> <p>1 million times 16 lots comes out to in the ballpark of 27 to 2 \$28 million as referenced in this e-mail?</p> <p>3 THE COURT: We must have 50 calculators in this 4 room.</p> <p>5 A 1.7 million for 10 of them. For six of them 6 at -- probably around that number, but --</p> <p>7 Q Thank you.</p> <p>8 THE COURT: That answers the question.</p> <p>9 THE WITNESS: I use my Apple calculator all the 10 time.</p> <p>11 THE COURT: We all do.</p> <p>12 THE WITNESS: I haven't done multiplication in a 13 while.</p> <p>14 MR. SOLOMON: Your Honor, we offer this in evidence 15 if I have not already.</p> <p>16 MR. ROBERT: Statute of limitations and relevance.</p> <p>17 THE COURT: Overruled. Overruled. Granted. It's 18 in evidence.</p> <p>19 (Whereupon, the Document were marked in evidence as 20 Plaintiff's Exhibit 944.)</p> <p>21 MR. SOLOMON: Can we, please, mark PX 1402 for 22 identification.</p> <p>23 Q Do you recognize this as an e-mail chain with respect 24 to the potential conservation easement donation for TNGCLA?</p> <p>25 A Yes.</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2585</p> <p>1 Q And you are on this e-mail chain, correct?</p> <p>2 A Yes.</p> <p>3 Q And the top message, the most recent on the first page</p> <p>4 is from Jill Martin. Do you see that?</p> <p>5 A I to.</p> <p>6 Q Did you understand that on or about November 2014 she</p> <p>7 was the assistant general counsel for the Trump Organization?</p> <p>8 A Yes.</p> <p>9 Q Brian Curry, we've discussed. Selim Sawaya, do you see</p> <p>10 Mr. Sawaya is a cc on this?</p> <p>11 A I do.</p> <p>12 Q Do you know who Mr. Sawaya is?</p> <p>13 A Yes.</p> <p>14 Q Who is he?</p> <p>15 A He was an engineer.</p> <p>16 Q Did he work on the TNGCLA project?</p> <p>17 A Yes, he did.</p> <p>18 Q What was Jill Martin's role involvement or awareness on</p> <p>19 this project, to your knowledge?</p> <p>20 A Jill Martin was in-house counsel for the Trump</p> <p>21 Organization in LA. She was providing legal advice and</p> <p>22 assisting one of my primary contacts in connection with the</p> <p>23 conservation easement.</p> <p>24 MR. SOLOMON: We offer PX 1402 in evidence.</p> <p>25 MR. ROBERT: Objection; statute of limitations.</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. I don't know. I have no idea.</p> <p>6 MR. ROBERT: Your Honor, it looks like the e-mail</p> <p>7 from Mr. Curry already has "attorney-client confidential</p> <p>8 work product" in the subject line.</p> <p>9 THE COURT: We understand that.</p> <p>10 MR. SOLOMON: Yes, I wasn't questioning that.</p> <p>11 That's forwarded. The next line, however, where it says</p> <p>12 "attachments," "trumpvalueconclusions" is not in the e-mail</p> <p>13 from Mr. Curry to Ms. Dillon.</p> <p>14 MR. ROBERT: Correct. That's why this whole</p> <p>15 document should not be in evidence because it is</p> <p>16 attorney-client privilege. That makes our point. It</p> <p>17 was -- the attorney forwarding the document doesn't undo it</p> <p>18 and you're correct, sir. There is an additional document</p> <p>19 that is privileged.</p> <p>20 THE COURT: Let me try to get to the --</p> <p>21 MR. SOLOMON: Your Honor, if you look at the second</p> <p>22 page, the additional document is "Trump Estates Conservation</p> <p>23 Easement Valuation." The Court has ruled repeatedly that</p> <p>24 valuation numbers are not privileged. The appraisal process</p> <p>25 to get to valuation numbers is not privileged. Only</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2586</p> <p>1 THE COURT: Overruled. It is in evidence.</p> <p>2 (Whereupon, the Document was marked in evidence as</p> <p>3 Plaintiff's Exhibit 1402.)</p> <p>4 MR. SOLOMON: Can we, please, mark PX 1472 for</p> <p>5 identification.</p> <p>6 Q 1472 is an e-mail chain. At the bottom is from Brian</p> <p>7 Curry to you with a cc back to Brian Curry and Rick Zbranek.</p> <p>8 You see "attached"?</p> <p>9 A Yes.</p> <p>10 Q Shortly thereafter on December 12th, you forward it on</p> <p>11 to Samuel Guthrie. Do you see that?</p> <p>12 A Yes.</p> <p>13 Q Who is Samuel Guthrie?</p> <p>14 A He was an associate who worked with me.</p> <p>15 Q The e-mail from Mr. Curry, the subject is</p> <p>16 "attorney-client confidential work product." Do you see that?</p> <p>17 A Yes.</p> <p>18 Q When you forwarded on -- withdrawn.</p> <p>19 And it just simply says, "see attached," right?</p> <p>20 A Yes, that's what Brian Curry says.</p> <p>21 Q Right. When you forwarded on, however, the forward on</p> <p>22 subject "FW: Attorney-client confidential work product," right?</p> <p>23 A I see that.</p> <p>24 Q And now there is a line added that says "attachments."</p> <p>25 Do you see that?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2588</p> <p>1 attorney work product privilege does not make it attorney</p> <p>2 work product or privileged.</p> <p>3 MR. ROBERT: I understand that there is a</p> <p>4 distinction between business and legal. I think we all get</p> <p>5 that. Where things get a little blurry is when you have</p> <p>6 lawyers that need to understand business aspects of a</p> <p>7 transaction to give legal advice. Here, it is abundantly</p> <p>8 clear that the information that's in this attachment, while</p> <p>9 nobody's going to dispute that it is numbers, it is not a</p> <p>10 legal opinion of an interpretation of a brief or a statute</p> <p>11 is clearly designed in the process of obtaining information</p> <p>12 to give legal advice. Therefore, it's privileged. Just</p> <p>13 because it is a business item doesn't mean that now it's not</p> <p>14 something that's subject and covered by attorney-client</p> <p>15 privilege.</p> <p>16 MR. KISE: It's also, Your Honor -- it's attorney</p> <p>17 work product. Attorneys hire all sorts of consultants and</p> <p>18 experts all day long whether in litigation or outside of</p> <p>19 litigation. If your client has an issue and you need to</p> <p>20 understand an issue, you can hire a subject matter expert.</p> <p>21 It may be a business issue. It might be an accounting</p> <p>22 issue. You would hire an accountant to provide information</p> <p>23 that evaluates numbers.</p> <p>24 So just because it's numbers and just because it</p> <p>25 relates to business doesn't mean that it's not valid</p>

Page 2589	S. Dillon - Plaintiff - direct (Solomon) Page 2591
<p>1 attorney work product. That's what attorneys do all day</p> <p>2 long. I mean, if we're waiving work product protections and</p> <p>3 privilege protections simply because there are numbers in</p> <p>4 the document, that eviscerates the attorney work product</p> <p>5 privilege and attorney-client privilege in the case.</p> <p>6 THE COURT: I have not seen any requests for legal</p> <p>7 advice or legal advice. Work product, I would be happy to</p> <p>8 discuss what's your definition or would you like to find the</p> <p>9 definition of what attorney work product is? Or I know it</p> <p>10 is not a privilege, what do they call it, the doctrine?</p> <p>11 MR. KISE: I don't have to define it. The law</p> <p>12 defines it and so --</p> <p>13 THE COURT: What is the legal definition?</p> <p>14 MR. KISE: Attorneys is work product, work product</p> <p>15 gathered in the course of rendering legal advice. I mean,</p> <p>16 it's very simple. So if an attorney hires someone to give</p> <p>17 them information and input in the course of their rendering</p> <p>18 legal advice, the product itself doesn't have to contain</p> <p>19 legal advice. It doesn't have to contain a legal opinion.</p> <p>20 It's something gathered during the course of their work.</p> <p>21 THE COURT: Okay. Let's hear -- let's hear from</p> <p>22 the other side.</p> <p>23 (Continued on the next page.)</p> <p>24</p> <p>25</p>	<p>1 lawyer.</p> <p>2 THE COURT: I think one thing I remember clearly</p> <p>3 about work product is the purpose is that other people can't</p> <p>4 say oh, this is what the attorney is thinking, this is what</p> <p>5 the attorney is doing, this is not what the attorney is</p> <p>6 thinking or doing. This is, what, somebody from Cushman &amp;</p> <p>7 Wakefield, right?</p> <p>8 MR. ROBERT: Who is hired to assist the attorney in</p> <p>9 providing legal advice.</p> <p>10 THE COURT: Overruled. It's not the attorney work</p> <p>11 product. It's the Cushman &amp; Wakefield work product.</p> <p>12 MR. KISE: But it's gathered in the course of the</p> <p>13 attorney's duties and I believe that at least some of these</p> <p>14 engagements, if not this one, I don't have it here, that</p> <p>15 Cushman was engaged by the lawyers.</p> <p>16 THE COURT: I understand.</p> <p>17 MR. KISE: So if I engage as a lawyer and I hire an</p> <p>18 expert to help me, by definition that's work product. Just</p> <p>19 because the expert is an appraiser by definition that's work</p> <p>20 product. That's -- the purpose I'm engaging him is to</p> <p>21 assist me to render legal advice. I'm not engaging them to</p> <p>22 assist in facilitating a transaction. If I share that work</p> <p>23 product later with non-privileged individuals, that's a</p> <p>24 different story, but we're not there yet.</p> <p>25 THE COURT: I believe, again, that I remember the</p>
S. Dillon - Plaintiff - direct (Solomon) Page 2590	S. Dillon - Plaintiff - direct (Solomon) Page 2592
<p>1 THE COURT: Why isn't this attorney work product?</p> <p>2 What is attorney work product?</p> <p>3 MR. SOLOMON: The work of the appraiser in</p> <p>4 determining the valuations contained on the second page of</p> <p>5 this exhibit. I assume that's all we're arguing over; is</p> <p>6 that correct? The first page no one is claiming it is</p> <p>7 privileged.</p> <p>8 So the second page of this exhibit, Your Honor, is</p> <p>9 work done by an appraiser. It is then forwarded on. The</p> <p>10 original work done by the appraiser is not privileged merely</p> <p>11 because the appraiser then sends it to the attorney does not</p> <p>12 make it attorney work product.</p> <p>13 THE COURT: Some of these points are clear. The</p> <p>14 fact that they label it something, that doesn't make it</p> <p>15 privilege. The fact that it's forwarded, doesn't make it --</p> <p>16 well, it could be waived.</p> <p>17 MR. ROBERT: Mr. Solomon is conflating. I think</p> <p>18 the appropriate inquiry is if you ask the witness was this</p> <p>19 information obtained by you in the furtherance of you</p> <p>20 providing legal advice to the client. If the answer is no,</p> <p>21 then it's free inquiry; if the answer is yes, it would be</p> <p>22 subject to attorney work product.</p> <p>23 It's not up to Mr. Solomon at this point to say</p> <p>24 what Ms. Dillon needed or didn't need in 2014 to help her</p> <p>25 render legal advice to her client. That's up to her as the</p>	<p>1 language some cases discussing work product. The attorney's</p> <p>2 thoughts, impressions. This not the attorney's thoughts and</p> <p>3 impression. Overruled. It's in.</p> <p>4 Any questions you want to ask about it, go ahead.</p> <p>5 It may also be law of the case at this point.</p> <p>6 MR. SOLOMON: I was going to cite Your Honor to</p> <p>7 your September 23, 2020 decision in which the Court said,</p> <p>8 "Part of the opinion is this Court orders Respondent Morgan</p> <p>9 Lewis &amp; Bockius to turn over by October 2, 2020 all</p> <p>10 documents that they have" -- excuse me -- "identified as</p> <p>11 settlement privilege." It goes on.</p> <p>12 "The Court reflects the applicability of any</p> <p>13 settlement privilege" and then continues with "Morgan Lewis</p> <p>14 to produce to petitioner by October 2, 2020 all documents</p> <p>15 related to the," quote, 'preliminary valuations' closed</p> <p>16 quote, "of the Seven Springs easement as documents related</p> <p>17 to a preliminary valuation are of a business and not of a</p> <p>18 legal nature."</p> <p>19 THE COURT: Well, that's the privilege. That's not</p> <p>20 work product. By the way, I made a ruling. It was either</p> <p>21 not appealed or affirmed. I'll change my mind if I think I</p> <p>22 was wrong, but I don't think I was wrong.</p> <p>23 MR. KISE: Again, Your Honor, I know Your Honor</p> <p>24 loves that phrase, but as Your Honor's already pointed out,</p> <p>25 work product and privilege are two different things.</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2593</p> <p>1 Second, it's not that -- if individuals or entities 2 that were not parties to that proceeding are here now, their 3 privilege isn't waived. I mean, it's not possible to waive 4 in perpetuity a privilege for some stranger to a proceeding. 5 And so those individuals and entities are entitled to assert 6 the privilege and they're entitled to assert work product 7 protection at this stage because they wouldn't have had any 8 opportunity at the prior stage. 9 THE COURT: I understand. 10 MR. KISE: There would be no waiver based on that. 11 So while I appreciate Mr. Solomon read, I'm sure, accurately 12 from the prior determination, that would have no bearing on 13 individuals or entities that were not participants in that 14 process. 15 THE COURT: Yes, I understand waiver is a partial 16 and fallback argument, but I don't think -- it's certainly 17 not privileged. I don't believe it's work product either. 18 So let's proceed. 19 MR. SOLOMON: Can we have it offered into evidence? 20 THE COURT: Over objection, it's admitted into 21 evidence. 22 Q Please look at the second page, ma'am. 23 Did you understand this to be the value conclusions 24 from Mr. Curry for the potential conservation easement over the 25 demonstrative driving range at TNGC LA?</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2595</p> <p>1 it. I don't know who prepared it. This looks like lots of 2 things I've seen. I've seen many, many, many of these and I'm 3 sure you have, too, by now so I can't connect those dots for 4 you. I would like to. I'm not trying to be -- I prefer to go 5 home instead of sit here, so I'm not trying to delay this. I 6 just can't give you what you want. 7 Q See if we can approach this another way. 8 This is how it was produced to us, these pages 9 together, number one. 10 Number two, "VE" on the bottom, Vincent &amp; Elkins, it 11 was produced by your prior firm, okay? I am making that 12 representation to you that that's who it came from and that's 13 how it was produced as one document. That was in fact an 14 attachment to the December 2014 e-mail, okay? Can you accept 15 that? Can you accept that representation? 16 A I didn't produce the document, so yes, I'll accept -- 17 I'm not trying to quibble with you. All I'm trying to say is 18 this has no date on it. I don't know. It's an e-mail on that 19 date. I'll agree with that it had an attachment of some sort. 20 Is this what was attached to that e-mail? If you say so, all 21 right. 22 Q Okay. Let's go based upon that, please? 23 A Okay. So your testimony is that this -- 24 Q No. My representation to you, ma'am? 25 A My representation.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2594</p> <p>1 A Looking at this document today I don't know if this is 2 the document that was attached to the e-mail you've got. 3 Assuming that it is, I assume this to be some sort of 4 preliminary value conclusion. I don't know if it's a final 5 conclusion. I don't know what it is in isolation, but it is 6 something that shows some valuation numbers. I don't know in 7 what context. If you had other documents -- the final ones are 8 in the appraisal. I know what those are, but these I don't 9 know. 10 Q I understand, ma'am, but I want to establish the 11 knowledge that you had at various points in time, okay? 12 I understand there is a -- you think there is a final 13 appraisal. We'll get to it whatever you think it might be. My 14 point is different. At this point in time, you had received 15 Trump Estates Conservation Easement Valuation from the person at 16 Cushman &amp; Wakefield that was tasked with appraising the value of 17 the potential donation of a conservation easement at TNGC LA; 18 correct? 19 A And, again, I'm sorry, I'm a lawyer. I'm precise. 20 That's what I do. I get paid to be precise. I get paid a lot 21 to be precise, so my problem is if you want me to assume this 22 was attached to that e-mail, I can't coordinate these dates for 23 you because there is no date on what I'm looking at, so I don't 24 know what point in time. I agree at some point in time this 25 appears to be prepared. It doesn't say Cushman &amp; Wakefield on</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2596</p> <p>1 THE COURT: We agreed to be precise. 2 Q So this second page, if you see note one is before 3 condition. On the top line, "development and golf course 4 property value before condition note one;" right? 5 A Yes, I see that. 6 Q And if you look down bottom, the note says, "60 lots 7 and golf course without driving range;" right? 8 A Yes. 9 Q Okay. "Less development and golf course property value 10 after condition." That's note two; right? 11 A Yes. 12 Q And note two is "44 lots and golf course without 13 driving range;" right? 14 A Yes. 15 Q Okay. You don't need to grab a calculator. 60 minus 16 44 is 16? That's the 16 lots I made the representation to you 17 about earlier when I asked you to do the math and we did the 18 math together; right, 16 lots? 19 A I don't think we did math on 16 lots. We did math on 20 the value. 21 Q Yes. 16 lots times approximately 1.7 million per lot. 22 Do you recall that? 23 A Yes, but we weren't -- yes, but the question wasn't 16 24 lots. It was what was the value. That's what we were doing 25 before was the math.</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2597</p> <p>1 Q You questioned whether there were 16 lots on the 2 driving range and I told you I was going to show you later that 3 there were in fact 16 lots on the driving range and that's what 4 I'm doing here. Do you see that the before and after show a 5 difference of 16 lots? 6 A I see 16 lots here, but my memory tells me there are 7 many -- there are different configurations at various points in 8 time and it wasn't always 16. 9 Q Is it 16 here? 10 A It's 16 on this document, yes. 11 Q Thank you. 12 So reading this now and assuming this was the 13 attachment to the e-mail cover, okay, Mr. Curry comes up with a 14 valuation for the development and golf course property before 15 the condition of 108 million; right? 16 A 108 million. I see that on the page, yes. 17 Q Okay. And then the value after the condition is 82 18 million. Do you see that? 19 A I see the total value after is 82 million. 20 Q Okay. So by no later than December of 2014 you had 21 received information that the value of the golf course according 22 to Mr. Curry before the condition was 108 million; right? 23 A Yes, if this document was attached to the December 12th 24 e-mail, then yes, this shows the 108 million. 25 MR. SOLOMON: Okay. Let's mark PX 1464 for</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2599</p> <p>1 Q He forwards it on to you on March 12, 2015; right? 2 A Yes. 3 Q Okay. So by no later than March 12, 2015 you had this 4 appraisal; correct? 5 A Yes. 6 Q Okay. 7 MR. SOLOMON: We'll offer this into evidence. 8 MR. ROBERT: Objection. Statute of limitations and 9 the appraisal itself is hearsay. 10 THE COURT: I assume it's notice not for the truth 11 of its contents. Objection overruled. And it's introduced 12 solely for notice, not the truth of its contents. 13 MR. KISE: Notice to whom? To Ms. Dillon? 14 THE COURT: Plaintiff, you're claiming notice to 15 anyone else? 16 MR. SOLOMON: The interior letter on the appraisal 17 itself is directed to Ms. Jill Martin as the witness 18 testified. 19 MR. KISE: I'm looking at the top of the e-mail, 20 that's fine. If that's the case, I want to be clear. 21 THE COURT: So just Jill Martin. 22 MR. SOLOMON: Jill Martin originally and it was 23 forwarded to Samuel Guthrie who was -- 24 THE COURT: Two people? 25 MR. SOLOMON: At a minimum.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2598</p> <p>1 identification. 2 THE COURT: Five-minute warning. 3 MR. SOLOMON: Yes, Your Honor. 4 Q Do you recognize what's been marked as Exhibit PX 1464? 5 A I recognize -- I don't specifically recognize it, but 6 yes. It's an appraisal report. 7 Q Okay. And you'll see that on the page five of 160 it's 8 signed by Brian Curry? 9 A Yes. 10 Q And also by Richard Zbrank? 11 A Yes. 12 Q Did you receive this appraisal report on or about 13 March 12, 2015? 14 A I'm not sure when I received it, but it is dated 15 March 4, 2015 in the cover letter and it was sent to Ms. Jill 16 Martin. So I don't know when I got it, but somewhere around 17 that time frame. 18 Q Go back to the first page of the exhibit. 19 A Okay. 20 Q E-mail? 21 A The e-mail. 22 Q Yes, ma'am. Thank you. 23 You'll see that it was originally sent to Sam Guthrie 24 and on March 12th -- Samuel was -- is a he? 25 A Yes.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2600</p> <p>1 THE COURT: Deal. 2 MR. KISE: As reflected in this exhibit, that's who 3 is the notice, not at a minimum, if they're not in here. 4 THE COURT: It could have been shown to other 5 people. 6 MR. KISE: It could have been -- 7 THE COURT: I understand just for purpose of notice 8 to those three people. 9 MR. KISE: Correct. 10 THE COURT: I told you we understand each other. 11 MR. SOLOMON: Your Honor, before I go into this in 12 depth, you have given me a five-minute warning. 13 THE COURT: About four minutes ago, so let's take a 14 break now. 15-minute break and I'm starting again in 15 15 minutes. 16 (Whereupon, there is a recess in the proceedings.) 17 THE COURT OFFICER: All rise. Part 37 is back in 18 session. Please be seated and come to order. 19 THE COURT: Notice that Rock &amp; Roll song, "Can I 20 get a witness?" "Can I get a witness, witness, witness?" 21 THE COURT OFFICER: Witness entering. 22 (Whereupon, the witness enters the courtroom and 23 approaches the witness stand.) 24 THE COURT: Please continue. 25 MR. SOLOMON: Thank you, Your Honor.</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2601</p> <p>1 CONTINUED DIRECT EXAMINATION 2 BY MR. SOLOMON: 3 Q Ms. Dillon, can we turn to the appraisal which has been 4 marked as PX 1464? 5 A Yes. 6 Q You'll see on the cover of the appraisal itself, it's 7 dated as of December 16, 2014; correct? 8 A Correct. 9 Q And that is the valuation date; right? 10 A I believe so, yes. 11 Q Okay. 12 A I'd have to confirm it on the inside. 13 Q Please take a moment. I'm sorry if I misspoke. It's 14 December 26, 2014 is the date on the cover. 15 A Yes, and that is the valuation date. 16 Q Okay. The fourth page is the letter addressed to Jill 17 Martin. Do you see that? 18 A I do. 19 Q And I had mentioned to you an entity VH Property Corp 20 as one of the owners. If you look at the fifth line down there 21 is a reference to property owned by VH Property Corp and VHPS 22 LLC (collectively, the "Donor") and "donor" is in quotes. 23 Do you see that? 24 A I do. 25 Q Does that refresh your recollection that the owner of</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2603</p> <p>1 A That is what it says. 2 Q And that gives you -- I think you explained the math 3 and how it is -- the value of the easement would be \$25 million? 4 A Well, unless there are some other adjustments, but that 5 appears to be what they valued the easement as. 6 Q So the next line is 25 million? 7 A Yes. 8 Q And then they didn't have to make any adjustments, N/A? 9 A They did not make any adjustments. 10 Q I'm sorry. Please finish your answer. 11 A Yes, it said "not applicable" so there are no 12 adjustments. There is a difference. It's not zero. It's not 13 applicable. 14 THE COURT: Make sure she's completely finished and 15 try not to keep saying okay, okay, okay. Just ask your next 16 question. 17 Q Line E, which is "C-D, conservation easement 25 18 million." Do you see that? 19 A I do see that. 20 Q Did you understand that to be the conclusion of the 21 valuation of the conservation easement? 22 A I understood that to be the estimated fair market value 23 of the conservation easement as of December 26, 2014. 24 Q If I could ask you to turn to page 156 of 160 in the 25 exhibit.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2602</p> <p>1 the property were those entities? 2 A Yes, to a degree. 3 Q What do you mean by "to a degree?" 4 A Well, I'm not sure if it was VHPS LLC that directly 5 owned it or if it was Property Corp, but it was in a structure 6 and those were the ultimate -- I think one owned through the 7 other. I just can't quite remember the setup. 8 Q Do you have any reason to believe the information 9 contained in this cover letter is inaccurate in any way with 10 respect to the owner of the property? 11 A No. It's just a little unclear, perhaps. 12 Q Turn to the next page. You'll see there is a chart 13 Valuation Summary. Similar to what you saw in that attachment 14 to your e-mail; right? 15 A Yes. 16 Q Has the before condition property as note one; right? 17 A Yes. 18 Q \$107 million; right? 19 A That's what it says. 20 Q Okay. And is that your understanding of Mr. Curry and 21 Mr. Zbrank's conclusion as to the value of the TNGC LA property 22 before the condition? 23 A It is my understanding that is the before condition of 24 the property they valued as 107 million. 25 Q Okay. And the after condition, 82 million; right?</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2604</p> <p>1 A 156, did you say? 2 Q Yes, of 160. You'll see there are small numbers on the 3 bottom of each page. 4 A Yes, give me a second. I'm on the wrong -- 5 Q Of course. 6 A Yes, I'm there. 7 Q Do you see the chart in the middle of the page, "Sales 8 Price Per Hole Value Estimate?" 9 A I do. 10 Q And the sale price per hole conclusion is \$15,800,000. 11 Do you see that? 12 A Yes. 13 Q What understanding, if any, did you have or do you have 14 as to what that number represents? 15 A It has been a long time since I've looked at this, so I 16 need to read around it to better understand it. I have no 17 recollection sitting here today it was another way of valuing 18 things. I just don't recall what it was doing. This is a 19 backup for their work product. 20 Q If you look at the top of page 156, the title is "Price 21 Her Hole." Do you see that? 22 A I see that. If you want me to read this, then maybe I 23 can help you, but it's going to take me a minute to get there. 24 It's been years since I've read this valuation and it was 25 complicated because of the golf course property, the driving</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2605</p> <p>1 range property, and the concept, the hypothetical subdivision, 2 and lot.</p> <p>3 THE COURT: Wait. Just to try to save time. If he 4 asks you if you see the title of a paragraph, just yes or 5 no. You don't have to say that you haven't read it. We 6 understand that.</p> <p>7 THE WITNESS: Okay. So if all he wants me to do is 8 verify the words, yes, I see price per hole, yes.</p> <p>9 Q Do you have any understanding as to whether that 10 \$15.8 million number is the estimated value for the golf course 11 property?</p> <p>12 A No, I don't have an understanding without having read 13 some of this.</p> <p>14 Q Let's go back to the earlier chart that we were looking 15 at where the number was, if I recall correctly, \$107 million. 16 And that's on page five of 160?</p> <p>17 A Ma'am, it is --</p> <p>18 Q Ma'am, it's up on the screen, if that helps you.</p> <p>19 A Not really. Okay, yes.</p> <p>20 Q Did you ever discuss with anyone at the Trump 21 Organization the Valuation Summary that valued the before 22 condition of the property at \$107 million?</p> <p>23 A My discussions with my --</p> <p>24 Q Yes. It's a yes-or-no question.</p> <p>25 MR. ROBERT: Objection.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2607</p> <p>1 A Not sure what you mean by "discussion," but I certainly 2 -- Jill Martin had the conservation easement showing it was 3 valued at \$25 million, so I'm sure at some point I shared that 4 information with her and perhaps with others that this was the 5 final value conclusion so that they could make a decision as to 6 what they were going to do.</p> <p>7 Q You say "perhaps others," which others?</p> <p>8 A Again, we had a long list of people that might have 9 been involved in the project, so I'm not sure who was steering 10 the project besides Jill Martin. It might just have been Jill 11 Martin, it might have been any of the others that I talked to.</p> <p>12 Q Okay. I wasn't asking who was steering the project. I 13 asked with whom you discussed any of the information on the 14 Valuation Summary.</p> <p>15 A I do not remember who I would have spoken to some ten 16 years ago.</p> <p>17 Q And let me be clear. Do you recall any communications 18 -- and remember I gave you that very broad definition of 19 communications earlier today? Orally, written or any other form 20 of transmitting or receiving information.</p> <p>21 Did you have any communications with anyone at the 22 Trump Organization concerning any of the information on the 23 Valuation Summary?</p> <p>24 A Sitting here today, I am confident I would have had 25 some communications about valuation with some people at the</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2606</p> <p>1 THE COURT: It's a yes-or-no question, isn't it?</p> <p>2 MR. ROBERT: I think we're getting into issues of 3 attorney/client privilege. He's now asking the substance of 4 a conversation.</p> <p>5 THE COURT: No, I think he asked her did she ever 6 discuss it with anybody at the Trump Organization.</p> <p>7 Let's have a read back of the question.</p> <p>8 (Whereupon, the requested portion of the 9 proceedings was read back by the court reporter.)</p> <p>10 MR. ROBERT: That would be in consultation with 11 providing legal advice. The questions that --</p> <p>12 THE COURT: But it's not the advice. He's allowed 13 to ask that question, no doubt about it.</p> <p>14 Answer the question, please.</p> <p>15 A I don't remember whether I discussed specifically the 16 -- did you say the before condition of the property of 107 17 million?</p> <p>18 Q That was my first question.</p> <p>19 A Yes, I don't recall if I discussed the before condition 20 of the property at 107 million.</p> <p>21 Q Did you discuss with anyone at the Trump Organization 22 any of the information contained on the Valuation Summary?</p> <p>23 MR. ROBERT: I'll just have a continuing objection 24 to this line, Your Honor.</p> <p>25 THE COURT: Okay. Understood. Overruled.</p>	<p>Page 2608</p> <p>1 Trump Organization. Sitting here today, ten years later, I 2 don't recall who that would have been with other than Jill 3 Martin.</p> <p>4 Q Did you send a copy of this appraisal to anyone at the 5 Trump Organization at anytime?</p> <p>6 A I can't recall sitting here today whether I did or not. 7 Jill had it, so I'm not sure if I was transmitting anything or 8 if they were getting it from Jill. I don't remember.</p> <p>9 Transcript continues on the following page....</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2609</p> <p>1 Q Who would be getting it from Jill? Who are you 2 referencing in that last answer? 3 A It would be whoever she would send it to. I don't 4 know. Yeah, they would have needed it at the Trump 5 Organization. 6 Q What do you mean by "needed it at the Trump 7 Organization"? 8 A They would have needed documentation to know what they 9 did. 10 Q So who at the Trump Organization would need that 11 documentation to know what they did? 12 MR. KISE: Objection. Calls for speculation. 13 THE COURT: Without speculating, who, if any, would 14 have received this? 15 A And so who do I think Jill would have sent it to if I 16 don't recall who I sent it to? Is that the question? 17 MR. SOLOMON: That was not the question, Your 18 Honor. May I ask for a readback? 19 THE COURT: Readback, please. 20 (Whereupon, the requested portion of the record was 21 read back.) 22 MR. KISE: Again, Your Honor, that's just -- now 23 that I see it read back, it's just complete speculation. 24 How would she know anything about internal affairs of the 25 Trump Organization?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2611</p> <p>1 doesn't. If she can tell us, she'll tell us. 2 A Could we have the question again, please? 3 THE COURT: For a third time, yes. Let's have it 4 read back. 5 (Whereupon, the requested portion of the record was 6 read back.) 7 A And it -- to the extent anyone wanted to use it to 8 support a charitable deduction on a tax return, the people that 9 would need it would be the accountants and most importantly, the 10 outside accountant who prepared the returns which would be 11 Donald Bender. 12 Q You said 'the accountants' and then differentiated "the 13 outside accountants." The first accountant, were you referring 14 to the inside accountants at the Trump Organization? 15 A Yes. 16 Q Okay. Who were those people? 17 A The person that probably would have needed it would 18 have been Jeff McConney. 19 THE COURT: Try not to say, "okay." 20 MR. SOLOMON: I'm sorry, Your Honor. 21 THE COURT: That's okay. 22 MR. SOLOMON: Could we, please, pull up PX 731 23 native which is in evidence and go to lines 381 -- let's 24 start at the top of the document first. 25 Q This previously has been identified as what's known as</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2610</p> <p>1 THE COURT: Well, she dealt with them. 2 MR. KISE: It doesn't appear that the witness 3 remembers who she sent it to herself much less who in the 4 Trump Organization might have received it. It appears to 5 call for complete speculation. 6 MR. SOLOMON: Question wasn't who might have 7 received it. The witness testified she understood it would 8 have been sent to whoever at the Trump Organization needed 9 it. And my question was specifically tailored to that last 10 answer as to who she was referring to when she said who at 11 the Trump Organization might have needed it. 12 MR. KISE: I don't think she was referring to 13 anyone. I think she was just simply saying when you say I 14 don't -- 15 MR. SOLOMON: Counsel, your thinking of who she 16 might have been referring to is not relevant. The witness' 17 stated who would have needed it. I asked her who that was. 18 MR. KISE: She said whoever might have needed it 19 would get it. 20 MR. SOLOMON: I'm entitled to ask who she was 21 referring to. 22 MR. KISE: I'm entitled to say it is calling for 23 speculation because I don't know if this witness is capable 24 of knowing that. 25 THE COURT: Overruled. If she doesn't know, she</p>	<p>S. SOLOMON: Could we, please, go to lines 38 5 through 404. 6 Q You'll see that for the year ending 6/30/2014, the 7 total valuation for Trump National Golf Club LA is \$213,690,642. 8 Do you see that? 9 MR. ROBERT: Objection. 10 THE COURT: Grounds? 11 MR. ROBERT: There is no foundation this witness 12 even knows what this document is. He's just asking her if 13 she sees something on a page up on a screen. 14 THE COURT: Okay. 15 MR. SOLOMON: I'm getting there, Your Honor. I'm 16 just asking if she saw that number on the screen. 17 THE COURT: Objection sustained. I think we need 18 to know context of what this document is. 19 Q You mentioned Jeff McConney -- 20 MR. SOLOMON: Sorry. Your Honor, we need to know? 21 THE COURT: What this document is and the witness 22 certainly might need to know what this document is. 23 MR. SOLOMON: And I represented that this is Jeff 24 McConney Supporting Data. That's why we went to the top, 25 the June 30, 2015 Statement of Financial Condition of Donald</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2613</p> <p>1 J. Trump.</p> <p>2 THE COURT: All right.</p> <p>3 MR. SOLOMON: It is in evidence, Your Honor.</p> <p>4 THE COURT: Okay. And maybe I should have --</p> <p>5 MR. SOLOMON: I understand the witness may not have</p> <p>6 seen this document before. That's not what I'm asking.</p> <p>7 THE COURT: That's what I want to get into.</p> <p>8 Q What I want to show the witness is as you see as of</p> <p>9 June 30, 2015 the valuation for TNGCLA according to this</p> <p>10 document is \$140,710,895. Do you see that?</p> <p>11 MR. ROBERT: Objection.</p> <p>12 THE COURT: Overruled. Maybe the question</p> <p>13 was -- I don't know whether the question was proper before</p> <p>14 or after, but now it is proper. It has been identified and</p> <p>15 he's just asking if she sees the number on the document.</p> <p>16 Overruled.</p> <p>17 Q And you recall --</p> <p>18 THE COURT: Did we get an answer? Did we get an</p> <p>19 answer that she saw the number?</p> <p>20 Q Do you see that, ma'am?</p> <p>21 A I see the number sitting here right now in this</p> <p>22 courtroom on that screen.</p> <p>23 Q Thank you. And you recall the appraisal that we just</p> <p>24 saw had valued the entire property at 107 million before the</p> <p>25 donation of the conservation easement? Do you recall that?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2615</p> <p>1 We established before that the only people that was</p> <p>2 introduced for notice for did not include Mr. McConney, that</p> <p>3 I'm aware of. It was the people that were on the e-mail.</p> <p>4 That was what was agreed to when we introduced the document.</p> <p>5 THE COURT: You're objecting to the question or the</p> <p>6 number's different? Is one number A and one number is B?</p> <p>7 MR. KISE: If that's all he is asking, does this</p> <p>8 number on that page says this, and this number on this page</p> <p>9 says that.</p> <p>10 MR. SOLOMON: So the record is clear, the witness</p> <p>11 also said that since this was on the tax return as a</p> <p>12 deduction, it would have been sent to Jeff McConney.</p> <p>13 MR. KISE: No. No, Your Honor. She did not say</p> <p>14 that. She said who might need it, might need it, but she</p> <p>15 didn't testify that that's exactly who it was sent to. She</p> <p>16 can't possibly do that because she doesn't know who it was</p> <p>17 sent to. He is now putting words in her mouth which is the</p> <p>18 danger of going down these lines of questioning.</p> <p>19 MR. SOLOMON: Your Honor, I will stand on the</p> <p>20 record transcript as to what the witness testified to with</p> <p>21 respect to Mr. McConney in receiving what I'm assuming this</p> <p>22 appraisal.</p> <p>23 MR. KISE: Your Honor, she didn't testify that Mr.</p> <p>24 McConney received it because she can't probably do that.</p> <p>25 THE COURT: You know, one thing that even though</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2614</p> <p>1 A I -- I want to take a step back first. I think --</p> <p>2 Q Ma'am, my question was do you recall that the appraisal</p> <p>3 that we saw earlier on the chart on page 5 of 160 valued the</p> <p>4 property as you agreed at \$107 million before the easement</p> <p>5 donation? It is a yes or no.</p> <p>6 MR. KISE: Objection, Your Honor. Mr. Solomon is</p> <p>7 using this witness to make some sort of closing argument.</p> <p>8 He's trying to get the witness to close the loop on</p> <p>9 connections between documents, one of which the witness</p> <p>10 hasn't even seen before today and she's just -- the only</p> <p>11 answer she's given is, "Yes, I can see" like I could give</p> <p>12 that answer, "Yes, I see the number on the screen says 213</p> <p>13 million;" but there's no foundation for her to go ahead and</p> <p>14 now extrapolate, "I see this appraisal," "I see Jeff</p> <p>15 McConney's spreadsheet" and somehow there is an</p> <p>16 interconnectivity there. There is no foundation at all for</p> <p>17 this. It is totally improper to question this witness about</p> <p>18 something she knows nothing about.</p> <p>19 MR. SOLOMON: Your Honor, I haven't asked her to</p> <p>20 extrapolate anything. I asked her if she saw the number on</p> <p>21 the screen and I asked her if she remembers a number on a</p> <p>22 document that she identified that is in evidence for notice.</p> <p>23 THE COURT: I don't think that proves much</p> <p>24 necessarily.</p> <p>25 MR. KISE: Notice to whom? We are back to that.</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2616</p> <p>1 I've been judge for over 20 years, I feel like I'm learning</p> <p>2 more in this case than others, which is we don't deal</p> <p>3 with -- we don't deal with speculation, the court system.</p> <p>4 We don't deal with speculation, but we don't deal with</p> <p>5 certainties either. If somebody says, "Well, I think this</p> <p>6 person could have" or "I would have" or "This is how I</p> <p>7 normally did things," it is up to the trier of fact to</p> <p>8 decide whether it happened or not.</p> <p>9 MR. KISE: I would respectfully disagree</p> <p>10 particularly when it comes to things like intent of a</p> <p>11 criminal statute. You can't just assume that someone</p> <p>12 received a document and then ignored it which is exactly</p> <p>13 what the Attorney General is asking. That's where they're</p> <p>14 going with this is they're trying to establish through a</p> <p>15 witness who would have absolutely no knowledge whether Mr.</p> <p>16 McConney actually received something from Jill Martin.</p> <p>17 The right witness to ask is Jill Martin or Mr.</p> <p>18 McConney, but certainly not this witness. We can't skip</p> <p>19 over the part where we establish that Mr. McConney actually</p> <p>20 had a copy of this document and, therefore, would have acted</p> <p>21 or not acted in a particular way. That's clearly what</p> <p>22 they're trying to establish, to just back-door here</p> <p>23 knowledge, actual knowledge and, therefore, intent which</p> <p>24 they'll argue later that Mr. McConney acted in a certain way</p> <p>25 or failed to act in a certain way. They can't presume that</p>

<p>1 based on a witness who has absolutely no basis to conclude</p> <p>2 one way or the other whether or not Mr. McConney would have</p> <p>3 received this document.</p> <p>4 THE COURT: We have a fundamental difference about</p> <p>5 that. Let me ask you a hypothetical. What if there's</p> <p>6 proof, solid proof that this witness, and this is a</p> <p>7 hypothetical, had mailed it to Mr. McConney? We</p> <p>8 don't -- but we don't have Mr. McConney saying, "Yes, I</p> <p>9 received it." Could the trier of fact conclude that yes, he</p> <p>10 received it?</p> <p>11 MR. KISE: We don't have that evidence. Your</p> <p>12 hypothetical assumes facts not in evidence. So if they were</p> <p>13 to establish that -- if they were to establish, for example,</p> <p>14 that this witness actually e-mailed it to Mr. McConney, yes,</p> <p>15 then they would be able to establish that, in fact, this</p> <p>16 witness would have a basis to know or it would be reasonable</p> <p>17 for her to conclude that Mr. McConney received it because of</p> <p>18 the fact of sending.</p> <p>19 We have none of that here. What we have is a</p> <p>20 witness who has been more or less forced to speculate as to</p> <p>21 who might need it within the organization based on her</p> <p>22 knowledge and now they're taking that to mean that Mr.</p> <p>23 McConney, in fact, received it and they're comparing it to</p> <p>24 Mr. McConney's spreadsheet which the witness has never seen</p> <p>25 before today it would appear and doesn't have any ability to</p>	<p>1 mailed it to Mr. McConney," that would suffice. But what</p> <p>2 you have here is a witness speculating on who might need it</p> <p>3 within the organization, "might" being the operative word,</p> <p>4 and no indication from this witness who is being examined</p> <p>5 about this at this moment, whether or not Mr. McConney, in</p> <p>6 fact, received it one way or the other. There's no indicia.</p> <p>7 I don't think the witness could possibly tell you whether or</p> <p>8 not it was even sent to him. All she has testified to is</p> <p>9 what she thinks might have happened. That's not sufficient</p> <p>10 to establish receipt or even delivery.</p> <p>11 THE COURT: We're talking preponderance standard</p> <p>12 here, 51 percent.</p> <p>13 Mr. Solomon, would you explain as specifically as</p> <p>14 you can what you think the witness has testified to that</p> <p>15 would indicate in any way that Mr. McConney had received</p> <p>16 the -- this, whatever we're calling it, origin document.</p> <p>17 MR. SOLOMON: The fact -- number one, the fact the</p> <p>18 witness testified that it was used for tax deduction and</p> <p>19 that she would have to send it or the recipient would have</p> <p>20 to be the accountant and the outside accountants. I asked</p> <p>21 her who. She differentiated between inside and outside.</p> <p>22 The inside was she identified Mr. McConney, but I didn't</p> <p>23 want to interrupt Mr. Kise and I think, Your Honor, we can</p> <p>24 settle this in one quick and easy moment. If the Court</p> <p>25 looks at line 393 on Mr. McConney's spreadsheet, "per</p>

<p>1 testify about what any of these numbers on the page mean and</p> <p>2 connecting the dots.</p> <p>3 THE COURT: The number says what it means.</p> <p>4 MR. KISE: Well -- but there's a lot of different</p> <p>5 numbers on here than when you compare them on the valuation</p> <p>6 and the appraisal. They're oversimplifying and conflating</p> <p>7 communications, oversimplifying comparison and conflating</p> <p>8 the communications with a witness who, again, has no basis</p> <p>9 to know what, in fact, was actually sent or received. If</p> <p>10 she said it, that's a different story. If they would like</p> <p>11 to establish that, then okay, then establish that; but they</p> <p>12 haven't established that.</p> <p>13 THE COURT: Mr. Solomon, who goes first, me or you?</p> <p>14 MR. SOLOMON: Your Honor, I've learned if you're</p> <p>15 going to rule in my favor, to sit down, grab my briefcase</p> <p>16 and leave the courtroom.</p> <p>17 THE COURT: Mr. Kise, have we established that we</p> <p>18 don't need the alleged recipient to say, yes, I received it?</p> <p>19 There are other ways that a trier of fact can conclude that</p> <p>20 somebody received something.</p> <p>21 MR. KISE: There is, but you have to actually do</p> <p>22 that. I mean, of course, there are other ways. Again, you</p> <p>23 pointed out if this witness were to testify "I e-mailed it</p> <p>24 to Mr. McConney," if this witness testified, "I Federal</p> <p>25 Expressed it to Mr. McConney," if this witness testified, "I</p>	<p>1 appraisal."</p> <p>2 MR. KISE: Right. Which appraisal? That's a</p> <p>3 different -- that's yet a different number. Again, I'm not</p> <p>4 sure exactly what Mr. Solomon -- he's smarter than this. I</p> <p>5 don't know what he's trying to establish. I mean, truly,</p> <p>6 you can't have this witness testify about who would have</p> <p>7 received something, maybe might. It's not possible. And</p> <p>8 it's not possible to connect up -- if they -- if they want</p> <p>9 to call Ms. Martin to testify, if they want to call Mr.</p> <p>10 McConney and ask him about it. I mean, while we're at it,</p> <p>11 she said that Mr. Bender -- she said that Mr. Bender might</p> <p>12 have received it or would have received it as well. Is that</p> <p>13 then to mean Mr. Bender -- we can assume in evidence now</p> <p>14 that Mr. Bender, in fact, received it?</p> <p>15 THE COURT: I don't think it is a question of</p> <p>16 assumption. It is an issue of fact. I think they raise</p> <p>17 that issue.</p> <p>18 MR. KISE: So then we are to say here that Mr.</p> <p>19 Bender, in fact, received this appraisal as well. Based on</p> <p>20 that testimony, she said Mr. Bender and Mr. McConney. So if</p> <p>21 the sauce for the goose is sauce for the gander as you say,</p> <p>22 so if, in fact, we're going to presume now that based on</p> <p>23 this witness' testimony, which is speculation, that Mr.</p> <p>24 McConney received it, well, then -- then the same fact has</p> <p>25 to be assumed with respect to Mr. Bender. I don't think</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2621</p> <p>1 either makes any sense, frankly, but if you're going to 2 allow one, then you have to allow that it is a fact now 3 established in the record that Mr. Bender -- 4 THE COURT: If you want to try to bring that out on 5 any sort of questioning, feel free. I'm not going to go 6 there now. 7 MR. KISE: But there's no way to do one without the 8 other respectfully. 9 THE COURT: I made my ruling. Enough. I made my 10 ruling. 11 Mr. Solomon, where are we? I would like to know 12 how we know what -- how we connect that 50 million and 13 change number to a particular appraisal if we can or you can 14 just withdraw that point. 15 MR. SOLOMON: No. I was just pointing out to Your 16 Honor that the spreadsheet said "per appraisal" as to the 17 question with respect to Mr. McConney. The number I was 18 focusing the witness on is the line on 404 and I don't mean 19 404 error, I mean line 404 on the spreadsheet value as of 20 6/30/2015 is 140 million and I -- 21 THE COURT: I know what number you're trying to get 22 to. 23 MR. SOLOMON: Right. I'm sorry. 24 THE COURT: I think you were trying to show that 25 Mr. McConney must have seen the appraisal because it says</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2623</p> <p>1 THE WITNESS: You all think this is simple, Your 2 Honor. Respectfully, there's been so much in the news about 3 this, I don't know if I've heard this before or not. Am I 4 aware? Do I have personal knowledge of it? No. Have I 5 heard it in the last? I don't know. Two years since this 6 case has been going on, probably. I've heard various 7 numbers at various times that there's a value disparity 8 supposedly, allegedly and I, you know -- was I aware of any 9 of this realtime? No, if that's your question. 10 Q Sure. Let's talk about prior -- you said realtime so, 11 that may only be at one point in time. 12 Prior to the filing of this action, were you aware that 13 the Trump Organization valued TNGCLA at \$140 million as of 14 June 30, 2015? 15 A I was not aware of the spreadsheet. I'm not sure what 16 they did with that number, so I don't know. Nothing to do with 17 the spreadsheet? Is that your question? 18 Q Yes, nothing to do with the spreadsheet. And ma'am, 19 let's be very clear. I'm just asking if prior to commencement 20 of this action, were you aware that the Trump Organization 21 valued TNGCLA at \$140 million as of June 30, 2015; yes-or-no 22 question? 23 A No. 24 Q Did you ever discuss with Jeff McConney in form or 25 substance how he should value TNGCLA?</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2622</p> <p>1 "per appraisal," but it doesn't say which appraisal. But if 2 the number is the same, then I'll, as the trier of fact, 3 could say, "Oh, that's the appraisal that the number came 4 from." 5 MR. KISE: But it isn't the same number. 6 THE COURT: Okay. So I'm not reading anything into 7 that because we don't know what appraisal it was, but 8 everything else stands. 9 Q Ma'am, before today, were you ever aware that as of 10 June 30, 2015, the Trump Organization valued TNGCLA property at 11 \$140 million? 12 A I was not aware of -- I've never seen this document. 13 Everyone seems to accept that, so I don't even know what this 14 is. I don't know what it's valuing. I don't know what it's 15 doing, so I don't know what the \$140 million -- I've never been 16 aware of what they, otherwise, valued Seven Springs at in -- at 17 that time. I've certainly seen things in the news since that 18 time. 19 Q Okay. I think that was just a mistake in your answer 20 and let me clarify for the record. You said Seven Springs? 21 A Oh, I'm sorry. California. 22 Q It is a simple yes or no. Prior to today, were you 23 aware whether the Trump Organization valued TNGCLA as of 24 June 30, 2015 at \$140 million? It is a yes or no. 25 THE COURT: That's a yes or no.</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2624</p> <p>1 MR. ROBERT: Objection. You are now getting into 2 legal advice that would have been given to a client. 3 THE COURT: That's business advice, not legal 4 advice. 5 MR. ROBERT: They're consulting their attorney who 6 is a tax attorney to give them tax advice. This is not a 7 business consultant. They're not talking to the appraiser. 8 The question was did you ever talk with Jeffrey McConney in 9 form or substance how he should value. 10 THE COURT: It is not asking for the substance. 11 Did they ever discuss? Overruled. They are allowed to ask 12 what was discussed. When it comes to a business advice 13 request, that's something else. So we're getting close to 14 that maybe, but we're not there yet. 15 Q It is a yes-or-no question. 16 A Could you read it back, please? 17 THE COURT: Read back. 18 (Whereupon, the requested portion of the record was 19 read back.) 20 A No. 21 Q Did you ever discuss with anyone at the Trump 22 Organization how they should value TNGCLA for purposes of the 23 Statement of Financial Condition? 24 A Not to my recollection other than -- let me correct 25 that. I did discuss how it was valued for tax purposes and</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2625</p> <p>1 for, you know -- I made -- when we had the appraisal, so 2 certainly again -- are we including Donald Bender in the Trump 3 Organization or is he an agent? I don't know where he fits in. 4 Q Let's include him for the moment. 5 A I would have discussed it with Donald Bender because he 6 has to attach the appraisal to the tax return, so I would have 7 sent him the appraisal and discussed it with him and explained 8 the appraisal to him, so he would have known the value to report 9 on the tax return. 10 Q Other than Mr. Bender, did you discuss the valuation of 11 TNGCLA with anyone at the Trump Organization in connection with 12 the Statements of Financial Condition? 13 A I do not believe so, no. 14 Q Did you ever discuss with anyone at the Trump 15 Organization, and let's exclude Mr. Bender for the moment, 16 anyone at the Trump Organization the valuation of TNGCLA? 17 A I don't -- I don't recall. Over the years, I'm sure 18 it may have come up at some point in time, but I don't recall 19 any specific conversations about that. 20 Q Do you recall any general conversations? 21 A I don't recall whether we ever had any or not. 22 Q Did you ever discuss with anyone at the Trump 23 Organization? And for purposes of this -- 24 A Can I correct my last answer? 25 Q Please.</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2627</p> <p>1 A I would have to look at a chart. If you want to 2 represent that, I'll -- I accept your representation. 3 Q We'll get to it in a document later on. I don't need 4 to represent that, ma'am. 5 Did there come a time that you were consulted in 6 connection with the donation of a potential conservation 7 easement over a portion of that development? 8 A Yes. 9 MR. SOLOMON: Could we look at PX 157, which I 10 believe is in evidence already. 11 Q Ma'am, feel free to look at whatever you need to answer 12 my question, but I'm going to start with is that your signature 13 on page 9 of 11? 14 A Yes. 15 Q If you look at page 4 of 11 and look at "intended use," 16 "To estimate the value of 71 hypothetical residential units 17 located at Trump National Golf Club Westchester, 1 Shadow Tree 18 Lane, Briarcliff Manor, New York, (the "property"). Do you see 19 that? 20 A Yes. 21 Q Do you now -- withdrawn. 22 Do you recall that the task for the Briarcliff property 23 was to determine the value of a potential donation of a 24 conservation easement over 71 hypothetical residential units? 25 A I'm sorry. I was looking at this. I didn't quite</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2626</p> <p>1 A I certainly would have had conversations with Jill 2 Martin when we were doing the appraisal for the federal income 3 tax purposes which is a very unique kind of appraisal. 4 Q Anyone else? 5 A I'm trying to think and remember. 6 Q Please. 7 A I don't believe so. 8 Q Would you have discussed it with Mr. Weisselberg since 9 this had to do with tax planning purposes? And I mean Allen 10 Weisselberg. 11 A I don't believe so, but people would have been aware 12 and I would have -- the bottom line, would have been discussed, 13 the value of the conservation easement is what would have been a 14 topic. 15 Q What about the valuation of the property? 16 A The valuation of the property as a whole? I don't 17 recall having conversations about that. 18 Q Let's turn to Briarcliff Manor. 19 A Yes. 20 Q Do you recall that property? 21 A Yes. 22 Q That's the property located in Westchester? 23 A I believe it is located in Westchester. It's been a 24 while since I've been there. 25 Q That's owned by Briarcliff Manor, LLC, right?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2628</p> <p>1 catch the question. I was trying to take a look at the 2 engagement letter. 3 Q In looking at the engagement letter, do you have an 4 understanding as to why Cushman &amp; Wakefield was being engaged? 5 A It was an engagement that we were exploring 6 whether -- the Trump Organization was exploring whether or not 7 to donate a conservation easement and restrict certain of its 8 land. 9 Q That would be over 71 hypothetical residential units, 10 right? 11 A Yes, it would be to prohibit the building of 71 12 hypothetical residential units. 13 Q Let's remember the number 71 because that's going to 14 come up later. 15 MR. SOLOMON: If we can, please, can we mark PX 16 3197 for identification. It is already in evidence. If can 17 we look at PX 3197, please. 18 Q Ma'am, do you recognize this document? 19 A I see that it is an e-mail that I was copied on, but I 20 don't have any particular recollection of it. 21 Q Is it fair to say, though, in or about October of 2013, 22 you were aware that Cushman &amp; Wakefield was ready to move 23 forward with a written report? 24 A I see that's what it says. 25 Q And that's Trump Westchester. Is that a reference to</p>

<p style="text-align: right;">Page 2629</p> <p>1 Trump Briarcliff?</p> <p>2 A Sitting here today, I think so, but there are a variety</p> <p>3 of Trump properties that were located in Westchester.</p> <p>4 Q But sitting here today, you do believe this is a</p> <p>5 reference to Briarcliff, right?</p> <p>6 A Hopefully, that's what Mr. McArdle told you.</p> <p>7 Q That wasn't my question.</p> <p>8 Sitting here today, is it your understanding that that</p> <p>9 is a reference to Briarcliff, Trump Briarcliff?</p> <p>10 A It is a reference to Trump Westchester. I don't have</p> <p>11 an understanding one way or the other that it says Trump</p> <p>12 Westchester. Again, if you have materials, I'm happy to look at</p> <p>13 things that say "Trump Briarcliff."</p> <p>14 Q Maybe we'll get to those. Do you recall if you moved</p> <p>15 forward with a written report for Trump Briarcliff on or about</p> <p>16 October of 2013?</p> <p>17 A What I recall is there was never a -- a donation was</p> <p>18 never made. The project was explored on and on for a long</p> <p>19 period of time. I don't recall the fits and starts and timeline</p> <p>20 of it all.</p> <p>21 MR. SOLOMON: If we can, please, mark for</p> <p>22 identification PX 3201. Sorry. It's been corrected. It's</p> <p>23 already been moved in evidence.</p> <p>24 (Continued on the next page.)</p> <p>25</p>	<p style="text-align: right;">Page 2631</p> <p>S. Dillon - Plaintiff - direct (Solomon)</p> <p>1 A Some decisions, yes; not all decisions.</p> <p>2 Q Do you recall why a decision was made to hold off on</p> <p>3 sending the appraisal until further notice at that time?</p> <p>4 MR. ROBERT: Objection. Attorney/client privilege.</p> <p>5 Why something was done or not done is clearly in the course</p> <p>6 of acting as the attorney for the organization.</p> <p>7 MR. SOLOMON: My question, Your Honor, was not why.</p> <p>8 It's do you recall whether the decision was made. If I</p> <p>9 misspoke, I will rephrase it.</p> <p>10 MR. ROBERT: Question was do you recall why a</p> <p>11 decision was made to hold off.</p> <p>12 MR. SOLOMON: What I'm saying is yes or no. I</p> <p>13 wasn't asking what the reasons were.</p> <p>14 MR. ROBERT: But I would respectfully submit when</p> <p>15 you're talking about an issue here that is clearly one of</p> <p>16 attorney/client privilege even the question of if you know</p> <p>17 why a decision was made, even the mere knowledge that the</p> <p>18 attorney has it is covered by privilege.</p> <p>19 THE COURT: Rephrase or read back, either way I</p> <p>20 don't care, one other the other.</p> <p>21 MR. SOLOMON: Your Honor, I can withdraw the</p> <p>22 question?</p> <p>23 THE COURT: Okay.</p> <p>24 MR. SOLOMON: We'll fight on other fights.</p> <p>25 MR. ROBERT: That I agree with.</p>
<p>S. Dillon - Plaintiff - direct (Solomon)</p> <p style="text-align: right;">Page 2630</p> <p>1 Q PX 3201 is an e-mail chain. Top line is from David</p> <p>2 McArdle to Eric Trump with a cc to you. Do you see that?</p> <p>3 A Yes.</p> <p>4 Q "David per my conversation with Sheri, cc'd, please</p> <p>5 finish but hold off on sending the appraisal until further</p> <p>6 notice." Do you see that?</p> <p>7 A I do.</p> <p>8 Q Was Eric Trump involved in the consideration of the</p> <p>9 potential easement donation for Briarcliff?</p> <p>10 A He was aware. I'm not sure if I'd say he was involved.</p> <p>11 I mean, he was involved. I just don't know what level of</p> <p>12 involvement you have. But yes, he was more than aware of it.</p> <p>13 He was more than aware and I don't know what you mean by</p> <p>14 "involved."</p> <p>15 Q Were you running all relevant material decisions past</p> <p>16 him before moving forward?</p> <p>17 A I would have run decisions by representatives of the</p> <p>18 Trump Organization, not necessarily always Eric.</p> <p>19 Q Did you run decisions past Eric in connection with the</p> <p>20 Trump Briarcliff potential donation?</p> <p>21 A You're making me uncomfortable again with privilege.</p> <p>22 Q It's a yes or no. Not asking what the decisions were,</p> <p>23 ma'am, and I'm not asking the substance of the decisions. I'm</p> <p>24 simply asking if you ran the decisions past him before moving</p> <p>25 forward.</p>	<p>S. Dillon - Plaintiff - direct (Solomon)</p> <p style="text-align: right;">Page 2632</p> <p>1 MR. SOLOMON: Your Honor, I'm going to ask to put</p> <p>2 in front of the witness PX 1465, which I understand is</p> <p>3 already in evidence.</p> <p>4 THE COURT: Six-minute warning. Break at 4:30.</p> <p>5 Mr. Kise, was that your saved by the bell gesture?</p> <p>6 MR. KISE: Ready to be done for today.</p> <p>7 Q Ma'am, the court officer has put in front of you PX</p> <p>8 1465, which is in evidence. Do you recognize this e-mail chain?</p> <p>9 A I can read it now and see there is the e-mail chain</p> <p>10 that I was drafting and receiving. Do I have a specific</p> <p>11 recognition of it, no.</p> <p>12 Q Or recollection of it?</p> <p>13 A Or recollection of it, no.</p> <p>14 Q Okay. If you turn to the second page of the exhibit,</p> <p>15 the e-mail from you to David McArdle?</p> <p>16 A Yes.</p> <p>17 Q Okay. "I spoke to Eric and he is aware that the more</p> <p>18 supportable value at this point is around \$45 million." Do you</p> <p>19 see that?</p> <p>20 A I do.</p> <p>21 Q Was that the value of the hypothetical easement</p> <p>22 donation -- withdrawn.</p> <p>23 Was that the value of the potential easement donation</p> <p>24 for the 71 hypothetical units?</p> <p>25 A I'm not sure if it was of the 71 units because one of</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2633</p> <p>1 the things that happens as you're going through this process is 2 you sometime -- you change what may or may not be donated, what 3 may or may not be restricted, whatever the case may be. 4 What I do see is that there was a value of around 45 5 million for whatever precisely it was that was being valued. 6 Whether or not -- I don't know if it was 70 units, I don't know 7 if it was determined there were really 75. I can't remember if 8 there were 65. I know there was some confusion around that 9 point, but it was -- the value of a potential donation was 10 around 65 million for IRS purposes under the IRS appraisal 11 standards as compared to other appraisal standards. 12 Q And you'll see that Mr. McArdle responds to you: 13 "Thanks, Sheri. That is a great summary of where we stand and 14 glad we are aligned here. I will speak with Eric." Do you see 15 that? 16 A Yes. 17 Q Let me take a step back. I didn't ask you. Your 18 e-mail that started with "I spoke to Eric," is that an accurate 19 summary of your conversation with Eric Trump? 20 MR. ROBERT: Objection. The document is one 21 sentence. There is a conversation with Eric Trump. That 22 one sentence is what's there. This question is saying is 23 that a -- let me have it right -- "Is that an accurate 24 summary of your conversation?" If you want to talk about 25 that -- whether that one sentence was said since that</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2635</p> <p>1 simple ruling. Is this an accurate summary? That's a fair 2 question for document that's already in evidence, is that -- 3 MR. SOLOMON: Yes, Your Honor. 4 THE COURT: Overruled. But again, we may be close, 5 but just is that a fair summary. That's a fair question, of 6 course to someone who says "I spoke to Eric." You mean is 7 that a fair summary of, what, the whole paragraph? 8 MR. SOLOMON: Of the portion that recite what she 9 said to Eric or you said, ma'am, to Eric. I don't mean 10 to -- 11 MR. KISE: But again, Your Honor, if he's asking 12 the witness if what's in here is accurate does it say that, 13 did you write that communication and is that -- what's in 14 there accurate, that's one thing. But to ask what you -- 15 THE COURT: That's all he asked. 16 MR. KISE: If that's what he's asking, but he's not 17 asking it quite that way. 18 MR. SOLOMON: Mr. Kise is trying to parse this in 19 what is not acceptable. I'm asking if what she wrote is an 20 accurate summary of what she told Eric Trump on the phone 21 call. I'm not asking if what she wrote -- this document is 22 accurate as to what she wrote. There is no question the 23 document is authentic. No one is challenging that. I'm 24 asking if this is an accurate summary of what she said to 25 Eric Trump in or about October 2013.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2634</p> <p>1 document is now in evidence, that's a fair question, but to 2 talk about the conversation itself, I would say is 3 privileged, Your Honor. 4 MR. SOLOMON: Is a response necessary? We're 5 talking about valuations in an appraisal. 6 MR. ROBERT: You're talking about legal advice in a 7 conversation between a tax attorney and her client. This 8 can be nothing more fundamentally -- 9 MR. SOLOMON: Which is disclosed in an e-mail 10 that's been produced. 11 MR. ROBERT: One sentence was produced that says "I 12 spoke to Eric and he is aware." If you want to say is that 13 statement accurate, that's one thing, but this is not a 14 waiver of the conversation that Ms. Dillon had with 15 Mr. Trump. 16 THE COURT: How is it not a waiver if it was turned 17 over? 18 MR. ROBERT: Well, first of all, let me just see. 19 This was produced by -- pursuant to a court order and 20 nonetheless the document itself may be provided, but the 21 underlying substance of the communication is not waived. 22 There is no waiver that's associated with that. 23 MR. SOLOMON: My question was if this was an 24 accurate summary. 25 THE COURT: I'll -- as I often do, I'll make the</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2636</p> <p>1 MR. KISE: And that then calls for direct 2 attorney/client communication about the matters to which she 3 was engaged to represent him on and represent the 4 organization on, tax matters. That calls for just a direct 5 communication. They have this evidence. They can argue 6 whatever they want from this evidence, but to ask this 7 witness is this specifically what you told your client in a 8 privileged conversation, there is no waiver here of the 9 privilege. This doesn't waive that privilege. It's not 10 possible to waive that privilege just because you wrote in 11 here something to a third party and made a summary. 12 If what's in there is accurate then they can argue 13 what they want, but the idea that there is a waiver of 14 privilege based on a document -- this document is 15 nonstarter. 16 THE COURT: Just a side point, it's to David 17 McArdle. He is -- 18 MR. ROBERT: So, Your Honor, the point is if the 19 question is did you tell Eric Trump and is he aware and you 20 want to say that first sentence, is it true that you spoke 21 to Eric Trump and did you tell him that the more supportable 22 value at the point is around 45 million, that's a fair 23 question. But to discuss that whether this e-mail is a fair 24 summary of the entire conversation that Ms. Dillon had with 25 Mr. Trump would constitute a waiver of attorney/client</p>

S. Dillon - Plaintiff - direct (Solomon) Page 2637

1 privilege. So the document that was produced is talking  
2 about that one sentence or what is contained in that  
3 paragraph. Therefore asking about if that sentence was  
4 discussed in the conversation is fair game, but once you go  
5 beyond that -- this e-mail wasn't designed to summarize the  
6 contents of the conversation between Ms. Dillon and  
7 Mr. Trump.

8 THE COURT: Well, whether it was or wasn't  
9 intended, I don't want to take more time on this. You can  
10 object. All I understand the question to mean is asking  
11 this witness who wrote that paragraph that starts with "I  
12 spoke to Eric" and I think summarize -- a summary of the  
13 conversation question is is that an accurate summary of the  
14 conversation, is that what you're asking --

15 MR. SOLOMON: I could not have phrased it better  
16 myself, Your Honor.

17 THE COURT: I direct the witness to answer is that  
18 one paragraph, one summary of the conversation? Blame me if  
19 you have to.

20 A Let me give this a try.

21 MR. KISE: Same objection.

22 A Let me give this a try.

23 MR. SOLOMON: It's a yes-or-no question.

24 THE COURT: It's a yes-or-no question is that a  
25 fair summary of your discussion with Eric?

S. Dillon - Plaintiff - direct (Solomon) Page 2638

1 A To your point about my entire discussion with Eric or  
2 partial discussion, it's not a yes-or-no question in my view.  
3 If I could just have --

4 THE COURT: Go ahead, explain.

5 MR. SOLOMON: Your Honor, other witnesses,  
6 including us, you have indicated if it's a yes-or-no  
7 question you have to answer yes or no and they're able to  
8 explain their answers by questioning on the other side.

9 MR. ROBERT: First of all, Mr. Solomon, as the  
10 judge would say if you can answer it yes or no and the  
11 witness said that they couldn't the judge would then allow  
12 them to answer.

13 THE COURT: Yes or no to me to the witness may not  
14 appear, so I'll allow an explanation. I hope it's brief.

15 A It will be brief.

16 So I have no recollection of the conversation itself.  
17 I don't know if there is more in the conversation, I don't know  
18 if there is less in the conversation. I believe I would have  
19 accurately reflected the parts of the conversation that I  
20 reflected here I would believe are accurate, but whether there  
21 were more things talked about, less things -- well, wouldn't be  
22 less things, but I can't tell you that sitting here today. It  
23 was a conversation ten years ago.

24 THE COURT: Okay.

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. Honorable Judge Arthur Engoron presiding. Make  
3 sure all cellphones are on silent. Laptops and cellphones  
4 will be permitted, but only to members of the press.  
5 There's absolutely no recording or photography of any kind  
6 allowed in the courtroom. Now, be seated and come to order.  
7 THE COURT: Okay. So why are we here at 9:30  
8 instead of 10:00? Because we're going to hear oral argument  
9 on a motion by Ivanka Trump to quash a subpoena, trial  
10 subpoena issued against her.  
11 I read the papers, so, please, don't be too  
12 repetitive. I'm hoping that we can finish by 10:00. If we  
13 can't, then by 10:30. We want to try to finish with the  
14 current witness, Sheri Dillon, today. And without further  
15 ado, who would like to speak on behalf of the motion?  
16 MR. MOSKOWITZ: Good morning, Your Honor. Bennet  
17 Moskowitz on behalf of non-party witness Ivanka Trump.  
18 First, let me say thank you everyone here, especially Your  
19 Honor, Ms. Greenfield and the parties for giving us the time  
20 for this in the middle of a very busy trial.  
21 I heard you loud and clear. I have no intention to  
22 just rehash what's in my moving papers. As Your Honor  
23 knows, I wasn't afforded a reply opportunity, so I'll take  
24 this opportunity to address things mostly that the AG  
25 raised. What I will say just to level set here and I don't

Page 2643

1 want to get lost in the shuffle with all the papers flying  
2 back and forth on this. We're not here about technical  
3 service defects. This is about fundamental issues of  
4 jurisdiction.  
5 THE COURT: Good. That makes things a lot simpler.  
6 MR. MOSKOWITZ: Right, and hearing only facts that  
7 matter for purposes of the jurisdiction. Ms. Trump does not  
8 live in New York. She's not domiciled here and despite the  
9 fact that the AG concludes otherwise and doesn't present  
10 evidence supporting that conclusion, she does not transact  
11 business here. Let me say it again, she does not transact  
12 business here. That has a very specific meaning under New  
13 York law.  
14 Weinstein, Korn & Miller, no offense to Professor  
15 Siegal. He's great, too. I picked it up and Section 30809  
16 of Weinstein, Korn & Miller, so that section of Weinstein,  
17 Korn & Miller provides, Your Honor, that actual place of  
18 business under New York law means where that person is  
19 regularly, physically present and regularly transacts  
20 business.  
21 Ivanka Trump does not regularly transact business  
22 and does not regularly at any of the addresses where they  
23 served these subpoenas to these entities at most since 2017  
24 and if they want an affidavit for that business, that's  
25 fine. By the way, side note, they didn't put in an

PROCEEDINGS	Page 2644	PROCEEDINGS	Page 2646
<p>1 affidavit because I urge the Court, and you read the papers,</p> <p>2 if you revisit it, maybe you don't need to, the</p> <p>3 correspondence attached to my affirmation, the AG's position</p> <p>4 on this motion has been like a moving target.</p> <p>5 First they said, "Oh, it is a subpoena to these</p> <p>6 entities." No, it is a subpoena to her. Now I'm hearing in</p> <p>7 their papers for the first time that she transacts business</p> <p>8 at Trump Tower. She does not. Since 2017, she's been there</p> <p>9 once or twice a year, never for business, to say hello,</p> <p>10 people including family members for 15 minutes, 30 minutes,</p> <p>11 things like that. So there is no basis to say a service on</p> <p>12 an entity at Trump Tower is service on her individually.</p> <p>13 That's just wrong.</p> <p>14 Let's look at the case law here and I'll address</p> <p>15 mostly the case law that was cited by my friends across on</p> <p>16 the other side. First, they don't deal with the fact that</p> <p>17 Justice Fried's decision just as an example, Amelius is</p> <p>18 decisive. A non-party, non-domiciliary is not subject to</p> <p>19 the subpoena power of the court. That's 64 New York State</p> <p>20 3d 855 at 866. Again, that was Justice Fried.</p> <p>21 When we had the ongoing discussions leading up to</p> <p>22 this motion and still today, perhaps the AG relied on cases</p> <p>23 like 2323 Communications Corp. Those cases stand for a</p> <p>24 principle that's very different which is that where an</p> <p>25 entity is a party, it can be compelled to appear through a</p>		<p>1 months leading up to this. So if that's the best case they</p> <p>2 can do, I'm happy with it. It doesn't help them. It helps</p> <p>3 me.</p> <p>4 There are other cases. The Court doesn't have to</p> <p>5 take my word for it. A lot of cases have cited that Gibson</p> <p>6 Dunn case and what they rely upon such as this Napoli vs.</p> <p>7 Bern which is 2021 Westlaw 5458747 at page three, 2021 case</p> <p>8 with the line of cases that I found talking about the Gibson</p> <p>9 Dunn case. They'll hook on to that inducement. This guy</p> <p>10 had the legal fees sent there, represented that's where he</p> <p>11 worked, and then he turned around and said ha-ha, fee over</p> <p>12 legal dispute, can't get me there.</p> <p>13 Now, there is another new argument and, you know,</p> <p>14 Your Honor, I always tell younger associates there comes a</p> <p>15 time in trial where parties go a bridge too far and try not</p> <p>16 to do it. Here is the AG's bridge way too far. How they</p> <p>17 assert for the first time and they are getting a little</p> <p>18 desperate here, respectfully, that Ms. Trump consented to</p> <p>19 this jurisdiction in this case because she's a party in the</p> <p>20 special proceedings.</p> <p>21 They must take us all for fools. I'm looking</p> <p>22 around. This is not the special proceedings. They didn't</p> <p>23 issue the subpoenas in the special proceedings. There was</p> <p>24 no trial in the special proceedings, so that's just false on</p> <p>25 its face. And in any event, we could cite case law that</p>	
PROCEEDINGS	Page 2645	PROCEEDINGS	Page 2647
<p>1 specific person. The entities they subpoenaed are not</p> <p>2 parties, so those cases are not applicable.</p> <p>3 They also talk about this Gibson Dunn case. Let's</p> <p>4 take a close look at that case, Your Honor. It is a First</p> <p>5 Department case, doesn't help them. Maybe they didn't find</p> <p>6 anything better. In that case, you could tell that -- it's</p> <p>7 a Gibson Dunn case, is a dispute over legal fees and the</p> <p>8 person trying to evade service, Your Honor, had the legal</p> <p>9 fees sent to a specific Madison Avenue address. In the few</p> <p>10 months leading up to --</p> <p>11 THE COURT: Wait. Wait, you don't mean that the</p> <p>12 legal fee was sent. How the bills were sent.</p> <p>13 MR. MOSKOWITZ: The bill, excuse me, for the legal</p> <p>14 fees. Invoice me here kind of thing. Then there is a suit</p> <p>15 over legal fees. The person trying to say service didn't</p> <p>16 apply, jurisdiction didn't apply had been to that address</p> <p>17 for work multiple times leading up to the legal proceedings</p> <p>18 and leading up to the service. And what the court found</p> <p>19 there was this guy induced Gibson Dunn to rely on this place</p> <p>20 where he does go to work sometimes. He can't now turn to</p> <p>21 the court and say that "I'm actually not really there that</p> <p>22 much." That's not this case.</p> <p>23 Ivanka Trump didn't induce anyone to go to Trump</p> <p>24 Tower. She hasn't been there working since 2017 and she did</p> <p>25 not go to work there since then, certainly not in the three</p>		<p>1 stands for the proposition, including First Department case</p> <p>2 law and this is pretty basic, that even consent in one</p> <p>3 action does not mean that there's jurisdiction over a person</p> <p>4 who consents even in a related action. Here is not what we</p> <p>5 are dealing with. They're saying we had this years-long</p> <p>6 social proceeding. She was subject to jurisdiction in that</p> <p>7 proceeding. Therefore, in this trial, under separate index</p> <p>8 number, which we issued subpoenas, she must come today. Not</p> <p>9 how it works and there's a reason we didn't hear that</p> <p>10 argument previously. It doesn't fly.</p> <p>11 So let's talk about the entities. Again, I urge</p> <p>12 Your Honor to revisit the fact that the AG kind of spoke</p> <p>13 from both sides of the mouth about what these subpoenas</p> <p>14 were. It is pretty simple. We all know what happened here.</p> <p>15 They had easy jurisdiction over Ivanka Trump. They could</p> <p>16 have served her at her house. Much different. We probably</p> <p>17 wouldn't be here today. What appears to happen is they task</p> <p>18 one someone in their office for saying let's go to the</p> <p>19 transcript let's look at documents let's find some entities</p> <p>20 that have something to do with her and let's fire off</p> <p>21 subpoenas. That's what they did.</p> <p>22 THE COURT: Wait. Wait. Entities that had</p> <p>23 something to do with her? Didn't she own some of them and</p> <p>24 didn't some of them own parts of others?</p> <p>25 MR. MOSKOWITZ: I'll get to that. It is not clear.</p>	

PROCEEDINGS	Page 2648	PROCEEDINGS	Page 2650
<p>1 The TTT and OPO entity, she absolutely has an affiliation</p> <p>2 with those entities as do other people who can competently</p> <p>3 testify for those entities, but let me stop there. Again,</p> <p>4 as non-parties, you don't get to subpoena those entities and</p> <p>5 say you must appear via specific person X rather, I'll get</p> <p>6 to it in a minute, it's black letter law an entity can</p> <p>7 provide anyone who's competent to testify which goes back to</p> <p>8 my point.</p> <p>9 I asked them why TTT? Why this OPO entity? Why</p> <p>10 502 Park? I never got an answer because what they were very</p> <p>11 honest about, and I appreciate, is that they want her to</p> <p>12 appear and there's no limitation in their mind of what they</p> <p>13 could ask her about because it is really not about these</p> <p>14 entities. That's just the way that they're trying to get</p> <p>15 jurisdiction over her. 502 Park, I said to them, "Guys, I'm</p> <p>16 having trouble here. I can't find anything on my end that</p> <p>17 shows what she has to do with this entity. What did you</p> <p>18 have before you served the subpoena." I didn't get an</p> <p>19 answer. You don't get to -- subpoena powers are awesome --</p> <p>20 THE COURT: You might get an answer today if there</p> <p>21 is an answer.</p> <p>22 MR. MOSKOWITZ: Yeah, I would like to know the</p> <p>23 answer because I haven't found it. I said, "Please, share</p> <p>24 it because if there is something "-- I'll note I spent a</p> <p>25 lot of time. I don't even know that that entity was used</p>		<p>1 person.</p> <p>2 MR. MOSKOWITZ: That's exactly right. At the end</p> <p>3 of the day, Your Honor, they just don't have jurisdiction</p> <p>4 over her. They tried with this transient business again</p> <p>5 articulated to me for the first time in their papers that</p> <p>6 they submitted to Your Honor and I just addressed it. It's</p> <p>7 just wrong and if they want an affidavit saying what I just</p> <p>8 represented to the Court as an officer and I'll say it again</p> <p>9 that she does not transact business at any of those places</p> <p>10 they served, I will be happy to do it.</p> <p>11 THE COURT: Did she ever transact business?</p> <p>12 MR. MOSKOWITZ: Yes.</p> <p>13 THE COURT: When was the last time she transacted</p> <p>14 business?</p> <p>15 MR. MOSKOWITZ: Before 2017.</p> <p>16 THE COURT: Okay. So what?</p> <p>17 MR. MOSKOWITZ: You have to have jurisdiction over</p> <p>18 her now. If someone worked in New York 50 years ago and</p> <p>19 leaves, you don't get to say, "Hey, you once worked at this</p> <p>20 address. Come to trial." That's not how it works. It has</p> <p>21 to be jurisdiction now, transact business here now.</p> <p>22 THE COURT: How are we going to define now? What</p> <p>23 if somebody transacts business here, leaves on a vacation or</p> <p>24 a business trip or is away?</p> <p>25 MR. MOSKOWITZ: Again --</p>	
PROCEEDINGS	Page 2649	PROCEEDINGS	Page 2651
<p>1 for anything. It exists, I grant you that. I could</p> <p>2 speculate at what it might have been. I have no document</p> <p>3 that says that like the other two that she was an officer or</p> <p>4 anything like that. She doesn't know what it is and the AG</p> <p>5 doesn't know what it is.</p> <p>6 So they weren't served on Ivanka Trump. They were</p> <p>7 served at best on these entities. And, by the way, not all</p> <p>8 cleanly, but again, I'm not here about service stands or</p> <p>9 what. If they insist they need those entities, those</p> <p>10 entities can appear. I think they should articulate with</p> <p>11 why they need those entities, but I understand the</p> <p>12 defendants will speak for themselves. They offered -- for</p> <p>13 the two that we concern that they offer, they offered for</p> <p>14 someone who has lived here appear and testify for those</p> <p>15 entities, which you are allowed to do.</p> <p>16 New York law again, I pulled out Weinstein, Korn &amp;</p> <p>17 Miller. You can look at Section 230504, "If a subpoena to</p> <p>18 testify is served on and is addressed to an entity, that</p> <p>19 entity may choose the person who will be deposed," period.</p> <p>20 So they cite --</p> <p>21 THE COURT: I'm very familiar with that concept</p> <p>22 that the entity has the right in the first instance to</p> <p>23 decide who to produce. I think we are in a different</p> <p>24 situation than the normal one here. As we all recognize, we</p> <p>25 are not looking for the entities. They're looking for the</p>		<p>1 THE COURT: A week later, they're not still --</p> <p>2 MR. MOSKOWITZ: No. The Weinstein, Korn &amp; Miller</p> <p>3 basic principle addresses that, Your Honor. If it is a</p> <p>4 place you regularly return to work such as like I work on</p> <p>5 Third Avenue where my law firm offices are. If I leave for</p> <p>6 a week and they serve me there, I can't turn around and say,</p> <p>7 "Oh, I was gone that week." Here, you have someone who</p> <p>8 didn't work at the place for many, many years. They no</p> <p>9 longer return there for work.</p> <p>10 THE COURT: Let me ask you a question. Did Ivanka</p> <p>11 submit any sworn statement?</p> <p>12 MR. MOSKOWITZ: On this motion, no, because again,</p> <p>13 I didn't hear this argument and didn't get a reply for it.</p> <p>14 I'm happy to submit one now. I would have done it in a</p> <p>15 reply brief.</p> <p>16 THE COURT: Now is too late. I'm hoping to decide</p> <p>17 this today and if she testifies, it will be fairly soon.</p> <p>18 MR. MOSKOWITZ: I wasn't put on notice that that</p> <p>19 was their argument because they kept changing it. How could</p> <p>20 I respond to something they didn't articulate? I can't</p> <p>21 guess what their position is.</p> <p>22 THE COURT: Well, it's standard practice in New</p> <p>23 York law that you need to have an affidavit from someone</p> <p>24 with personal knowledge if you're going to start spouting</p> <p>25 facts, but --</p>	

PROCEEDINGS	Page 2652	PROCEEDINGS	Page 2654
<p>1 MR. MOSKOWITZ: I agree, and they don't have one</p> <p>2 either showing the opposite, but I'm happy to put one in</p> <p>3 today.</p> <p>4 THE COURT: I'm not sure that they can prove a</p> <p>5 negative. Ivanka would be the person best able to say when</p> <p>6 she ever -- when was the last time she worked in New York</p> <p>7 or whether she still works in New York, what she owns here,</p> <p>8 et cetera, et cetera, but --</p> <p>9 MR. MOSKOWITZ: I could get it to the Court ASAP.</p> <p>10 THE COURT: I promise you I'm not a "Ha-ha, I got</p> <p>11 you" judge. I'm not trying to say, "Ha-ha, you didn't have</p> <p>12 an affidavit from her," but it does weaken your argument</p> <p>13 because you keep talking about what she does and doesn't do.</p> <p>14 She would know better than you.</p> <p>15 MR. MOSKOWITZ: I agree, and if I had been afforded</p> <p>16 an opportunity to reply, I would have submitted it. I did</p> <p>17 not want to disregard what the Court advised me which was no</p> <p>18 reply afforded, which was the e-mail I received.</p> <p>19 THE COURT: Whether you should have needed a reply,</p> <p>20 waited for a reply, a reply is to respond to their</p> <p>21 arguments, but if you don't make out a prima facie case by</p> <p>22 an affidavit from Ivanka saying "I don't do these things. I</p> <p>23 don't live there," et cetera, I don't think that should have</p> <p>24 been in the reply. That should have been in moving papers,</p> <p>25 but that's just my opinion. All right, continue.</p>		<p>1 sorry. She is and that changes things fundamentally.</p> <p>2 You're no longer in the case. You're not a resident. You</p> <p>3 don't work here. You don't have jurisdiction over that</p> <p>4 person. That's the breaks.</p> <p>5 THE COURT: The expression is "that is the breaks."</p> <p>6 MR. MOSKOWITZ: I'm referring in the singular</p> <p>7 situation, but I appreciate Your Honor's.</p> <p>8 THE COURT: All right. Anything else on your</p> <p>9 initial -- I don't know whether we will have time for a</p> <p>10 reply, but was that it for now?</p> <p>11 MR. MOSKOWITZ: Yes, Your Honor. I mean, I</p> <p>12 appreciate the possibility if I hear something new, to</p> <p>13 address it.</p> <p>14 THE COURT: Probably. Probably.</p> <p>15 MR. MOSKOWITZ: Yeah.</p> <p>16 THE COURT: Okay. It is my understanding that the</p> <p>17 defendants themselves do not have standing to contest this,</p> <p>18 but I'll let them talk if they want to.</p> <p>19 MR. KISE: Thank you, Your Honor. I don't know</p> <p>20 that I would say we don't have standing since it affects the</p> <p>21 impact of the trial and it affects the course of the trial,</p> <p>22 but in all events, I appreciate the opportunity to address.</p> <p>23 THE COURT: We always like to hear your mellifluous</p> <p>24 voice.</p> <p>25 MR. KISE: That's good. At least there's something</p>

<p>1 MR. MOSKOWITZ: Thank you, Your Honor. So going</p> <p>2 back to the idea that corporations can designate their own</p> <p>3 witnesses, they cite the Standard Fruit case, totally</p> <p>4 different. In that case -- by the way, it was from</p> <p>5 1977 -- the court did allow a party to subpoena an</p> <p>6 out-of-state witness. It was after the witness provided by</p> <p>7 the subpoenaed corporation was unable to testify to the</p> <p>8 relevant facts. And even then, the court allowed the</p> <p>9 corporate entity to select between two different</p> <p>10 individuals.</p> <p>11 THE COURT: When I said, I read all the papers, I</p> <p>12 didn't read all the cases, but that case, I did read.</p> <p>13 MR. MOSKOWITZ: Right. Right. So again, that's</p> <p>14 our point. The corporation gets to put someone up and it</p> <p>15 has to be someone who can speak to the facts, again, which</p> <p>16 is why my first question to them when we got notice that</p> <p>17 they were trying to serve these subpoenas, "Hey, what</p> <p>18 testimony are you going for" and we quoted this and it is in</p> <p>19 the exhibits to my affirmation. They were honest about it.</p> <p>20 I appreciate that. It was basically limited. It was, "She</p> <p>21 knows this, she knows that, but I can't really limit it," so</p> <p>22 they want her here. They want it to be unlimited. They</p> <p>23 didn't depose her. They could have. They didn't de benne</p> <p>24 esse, you know, subpoena her. They could have done that. I</p> <p>25 guess they didn't think she'd be out of the case. I'm</p>		<p>1 positive that may happen here. I will try not to go over as</p> <p>2 you suggested, Your Honor. I'm not going to belabor the</p> <p>3 papers. I know you've read them and you've seen in our</p> <p>4 papers that we view the subpoena truly as just continued</p> <p>5 harassment of President Trump's children. They were all</p> <p>6 named and included in this case as leverage. There's no</p> <p>7 serious evidence that any of them had any involvement in the</p> <p>8 Statement of Financial Condition preparation.</p> <p>9 Ms. Trump was dismissed from the lawsuit by the</p> <p>10 First Department and now despite having a year to depose Ms.</p> <p>11 Trump in this case, several months post-dismissal to depose</p> <p>12 her, now all of a sudden in the trial, the Attorney General</p> <p>13 claims that her testimony is somehow essential. I thought</p> <p>14 Mr. Wallace was going to object when he stood up. I'm just</p> <p>15 so used to it. No. No.</p> <p>16 THE COURT: Obviously, testimony does not have to</p> <p>17 be "essential."</p> <p>18 MR. KISE: Even if it were relevant then, then they</p> <p>19 should have done it during discovery. They're claiming now</p> <p>20 that only she can provide this information and if it was so</p> <p>21 essential, then why are we here in the middle of trial?</p> <p>22 There was no even attempt to do a de benne esse deposition</p> <p>23 which was done with other witnesses who may or may not be</p> <p>24 available for trial.</p> <p>25 The exhibits attached to their motion demonstrate</p>	

PROCEEDINGS	Page 2656	PROCEEDINGS	Page 2658
<p>1 that this is an inexcusable delay. All of the documents</p> <p>2 that I saw that were attached as exhibits were all things</p> <p>3 they had in their possession for at least a year, if not</p> <p>4 more. The Attorney General certified in their NOI, their</p> <p>5 note of issue, that all discovery was complete and the</p> <p>6 service of that prohibits reopening. I'll cite the Court to</p> <p>7 the Melcher case, 38 AD3d 376. It is a First Department</p> <p>8 case that stands for that proposition that their</p> <p>9 certification meant that they've completed their</p> <p>10 investigative efforts for trial, their discovery efforts for</p> <p>11 trial and yet, this is tantamount to a discovery subpoena.</p> <p>12 Nothing was done.</p> <p>13 To us, again, our answer is obvious they want to</p> <p>14 put Ms. Trump on the stand, create another media event while</p> <p>15 I'm always certainly happy to have the Attorney General in</p> <p>16 the courtroom, her presence today demonstrates that that's</p> <p>17 what this is about. I doubt she came here to hear Ms.</p> <p>18 Dillon. I doubt she came here to hear Mr. Flores.</p> <p>19 Although, I'm sure the testimony will be riveting. Really</p> <p>20 the purpose here is to focus on another one of Mr. Trump's</p> <p>21 children who has been dismissed from the lawsuit.</p> <p>22 To the jurisdictional point that Mr. Moskowitz</p> <p>23 raised, there's just no legal authority for the Court to</p> <p>24 require a non-party, non-domiciliary to appear at trial as a</p> <p>25 representative of a non-party entity. It's non, non, non.</p>		<p>1 information about that entity, about Standard Fruit, about</p> <p>2 that specific entity. They produced, as was their right,</p> <p>3 the first witness, the corporate designee to testify about</p> <p>4 relevant facts. Only after that witness testified and there</p> <p>5 was a demonstration that that witness could not -- could</p> <p>6 not testify did the court order another witness.</p> <p>7 The Amelius case, which we also cite 64 NY Supp. 3d</p> <p>8 855, draws the distinction further bearing out, Standard</p> <p>9 Fruit draws the distinction between a non-party corporation</p> <p>10 and a corporation under investigation. Here, you have three</p> <p>11 non-parties, none of which are under investigation, none of</p> <p>12 which have any association heretofore with this case.</p> <p>13 So, the subpoenas were not served. They were</p> <p>14 served all on Ms. Trump. They were served on the non-party</p> <p>15 entities. Those non-party entities are entitled to</p> <p>16 designate a corporate representative and the Attorney</p> <p>17 General has the burden in the first instance to demonstrate</p> <p>18 that that designation was inadequate. The Barone case, 260</p> <p>19 AD2d 417 and the other cases we cite stands for that</p> <p>20 proposition that there must be some demonstration that the</p> <p>21 initial witness that is designated by the entity is</p> <p>22 inadequate.</p> <p>23 There's no showing that the individual that's been</p> <p>24 designated here by the corporate entities, Eric Trump is</p> <p>25 inadequate. In fact, the Attorney General herself alleged</p>	
PROCEEDINGS	Page 2657	PROCEEDINGS	Page 2659
<p>1 And the Court itself could not compel her attendance under</p> <p>2 these circumstances.</p> <p>3 The service issue, I'll just touch on briefly. The</p> <p>4 service on -- and the cases -- I'm not citing all the</p> <p>5 papers. They're in their papers, Your Honor. The service</p> <p>6 on a non-party entity registered agent is not service. It</p> <p>7 is not service on Ms. Trump in her individual capacity and a</p> <p>8 non-party, non-domiciliary not subject to the court's</p> <p>9 subpoena power does not constitute service on Ms. Trump.</p> <p>10 And I'll cite, as in our papers, the Genger case,</p> <p>11 50 Misc.2d 361. The Attorney General argues that Ms. Trump</p> <p>12 did not contest jurisdiction in the special proceeding, but</p> <p>13 that's frankly a complete non sequitur. The Coutts case</p> <p>14 they cite is completely in opposite. That's a judgment</p> <p>15 debtor who fled the jurisdiction after judgment that then</p> <p>16 filed a parallel action against the creditor in a New York</p> <p>17 court.</p> <p>18 There was no dispute that the court could obtain</p> <p>19 the jurisdiction over the debtor in the very case at issue,</p> <p>20 but here, you have Ms. Trump is not a party. She was</p> <p>21 dismissed by the First Department. She's not a judgment</p> <p>22 debtor and she's not actively litigating any affirmative</p> <p>23 case in New York.</p> <p>24 The Standard Fruit case that they cite is also in</p> <p>25 opposite. There, an investigative subpoena sought</p>		<p>1 in the complaint that Eric Trump is responsible for all</p> <p>2 aspects of management. I mean, that's their allegation. So</p> <p>3 I don't see how they can claim without any explanation</p> <p>4 that -- or any proof that Eric Trump is now somehow an</p> <p>5 inadequate corporate designee, and they're not entitled to</p> <p>6 raise that issue unless and until they make that -- make</p> <p>7 that showing and that has been established by the court.</p> <p>8 Finally, and just briefly, the subpoena itself</p> <p>9 revealing what this is all about is truly overly broad.</p> <p>10 There is no attempt to narrow the issues. They just want</p> <p>11 another free-for-all on one of President Trump's children.</p> <p>12 There's no real relevance to the proceeding. It's more in</p> <p>13 the nature of a subpoena for a deposition where we're going</p> <p>14 to spend seven hours. "What do you know about this?" "What</p> <p>15 do you know about that?"</p> <p>16 THE COURT: She was deposed already in a different</p> <p>17 case related, if you pardon the expression, so it is not</p> <p>18 like they're not -- it is not like a total shot in the</p> <p>19 dark.</p> <p>20 MR. KISE: It may not be a total shot in the dark,</p> <p>21 but the subpoena is pretty close. The lights are on dimly</p> <p>22 and they're shooting off to the right when there's someone</p> <p>23 over on the left that's their target. So yeah, maybe it is</p> <p>24 in the same room, but the lights are dim and they're going</p> <p>25 in the wrong direction. So there's -- if they had a</p>

Proceedings	Page 2664	Proceedings	Page 2666
<p>1 I'll also go back to the idea that she is no longer</p> <p>2 a party and somehow the statute of limitations may play into</p> <p>3 whether or not she has relevant evidence to provide the</p> <p>4 Court and courts at trial.</p> <p>5 I will note that the statute of limitations</p> <p>6 stretches back to 2014. That means that Ms. Trump was an</p> <p>7 executive of the Trump Organization in 2014, 2015 and 2016</p> <p>8 before departing the company in 2017. All of that is</p> <p>9 relevant to the case and within the statute of limitations</p> <p>10 period. She was an executive of defendant entities and she</p> <p>11 undertook transactions on their behalf.</p> <p>12 Whether or not the First Department thought that we</p> <p>13 had established she committed fraud during the period that</p> <p>14 she was subject to the statute of limitations is unrelated</p> <p>15 to whether or not she has relevant knowledge of what was</p> <p>16 happening within the company at that time. And part of the</p> <p>17 reason we need her knowledge and not Eric Trump's is because</p> <p>18 she was the direct contact with Deutsche Bank on the OPO</p> <p>19 loan. She ran that project, not Eric Trump. And I believe</p> <p>20 the case law in our brief establishes that we're not</p> <p>21 required to take a witness who may educate themselves about</p> <p>22 the company's position and then testify.</p> <p>23 I will also add the idea that we should have taken</p> <p>24 her deposition is -- it is a red herring. She has a</p> <p>25 presence in this state. She owns multiple businesses within</p>		<p>1 And this is identified in paragraph 17 and 18 of our</p> <p>2 supporting affidavit. "She returned as a manager to that</p> <p>3 entity after her time in Washington was over."</p> <p>4 So she is a manager of the Trump Organization</p> <p>5 business. I think you combine that with the fact that</p> <p>6 they're offering Eric Trump as a replacement suggests that</p> <p>7 she is very much still intertwined with the Trump</p> <p>8 Organization.</p> <p>9 So we're not just focused on the specifics of the</p> <p>10 mechanics of service. I certainly think that under the</p> <p>11 operative words of this Court she could be brought here by</p> <p>12 the Trump Organization. They certainly seem to have enough</p> <p>13 control of her.</p> <p>14 The only other point that I think I would make is</p> <p>15 she clearly owns and operates businesses. They're still</p> <p>16 affiliated with defendants, they're still relevant to this</p> <p>17 case and are located in New York. If she truly wanted to</p> <p>18 completely absent herself from the company, from the state,</p> <p>19 she was free to do that. She has maintained these</p> <p>20 businesses and these businesses aren't complete strangers to</p> <p>21 this action. Ivanka OPO is the ownership interest she held.</p> <p>22 As late as after the sale of this property she obtained I</p> <p>23 believe at least \$4 million from her interests in the sale</p> <p>24 of the OPO property which explains very much directly at</p> <p>25 issue in this case. She was acting in her own interest when</p>	
Proceedings	Page 2665	Proceedings	Page 2667
<p>1 the state. She owns multiple businesses that have their</p> <p>2 principal place of business within the state.</p> <p>3 And I'll note that Mr. Bennet -- Mr. Moskowitz</p> <p>4 keeps talking about I believe he's a Weinstein &amp; Miller fan.</p> <p>5 THE COURT: Weinstein Koren &amp; Miller is with a "K"</p> <p>6 and not a "C."</p> <p>7 MR. WALLACE: I'm aware of that at least. But he</p> <p>8 also ignores the plain language of the CPLR 3086 which</p> <p>9 states: "For purposes of this section, actual place of</p> <p>10 business shall include any location that the defendant</p> <p>11 through regular solicitation or advertisement has held out</p> <p>12 as its place of business." Ivanka Trump has certainly held</p> <p>13 out the location of Trump Tower and the Trump Organization</p> <p>14 as a place of business for the OPO Ivanka entity, for TTT</p> <p>15 and for the 502 entity.</p> <p>16 I will add that if Mr. Moskowitz needs additional</p> <p>17 information on relationship to the 502 entity that can be</p> <p>18 found in the -- paragraphs 24 through 26 of the supporting</p> <p>19 affidavit that we submitted and the documents attached</p> <p>20 thereto. It is a property that she owns and is renting out</p> <p>21 as a commercial enterprise for TTT.</p> <p>22 I would note that this is part of the case already.</p> <p>23 Ms. Kidder talked about it during week two of the trial. It</p> <p>24 is part of the licensing fees that the company earns.</p> <p>25 I would also note that she returned as a manager.</p>		<p>1 she was negotiating a loan with Deutsche Bank on OPO.</p> <p>2 So, in any event, she very much remains intertwined</p> <p>3 with the Trump Organization. She very much still has a</p> <p>4 presence in New York and we are now obligated to go seek her</p> <p>5 de bene esse deposition because she is still available to</p> <p>6 this Court and through that commercial presence. She is a</p> <p>7 hundred percent someone who can come in and testify and is</p> <p>8 susceptible to subpoena in this jurisdiction.</p> <p>9 So I don't think she is currently unavailable. She</p> <p>10 is a hundred percent available and the subpoenas were</p> <p>11 properly served on business addresses she maintains. Either</p> <p>12 businesses can require her to come forward and testify or</p> <p>13 she is holding out herself as doing business in those</p> <p>14 locations in the services appropriate. The fact that</p> <p>15 they're multiple avenues to secure her testimony in this</p> <p>16 court does not mean that we're doing something untoward or</p> <p>17 hidden or changing our tune. She is still apart of the</p> <p>18 Trump Organization. She still has commercial interests here</p> <p>19 in New York. She operates businesses here. Whether or not</p> <p>20 she visits them once a year just to say hello to the good</p> <p>21 people who are handling her paperwork or she comes more</p> <p>22 regularly is really irrelevant under 308 subsection six.</p> <p>23 But I'm happy to answer any questions Your Honor might have,</p> <p>24 but we really don't see this as being a closed issue. She</p> <p>25 has sufficient contact with New York if the subpoenas were</p>

<p>1 appropriate.</p> <p>2 THE COURT: What are your thoughts about granting</p> <p>3 the motion only in part and limiting her testimony to the</p> <p>4 OPO, Old Post Office transaction?</p> <p>5 MR. WALLACE: I don't think -- I'm not sure what</p> <p>6 the basis would be for that. She would have the knowledge</p> <p>7 in her head of what the transactions are. I think it would</p> <p>8 also cover her information on the licensing agreements of</p> <p>9 TTT, her knowledge of the 502 Park apartment. But honestly,</p> <p>10 if it's just the OPO, I do think relevant -- the course of</p> <p>11 conduct with Deutsche Bank is relevant to the OPO loan. I'm</p> <p>12 not sure it presents that much of a restriction to the scope</p> <p>13 of her testimony, but I think it -- the entities we've</p> <p>14 subpoenaed really do cover most of the breadth of what we</p> <p>15 would be interested in hearing -- what we would be</p> <p>16 interested in having her testify about.</p> <p>17 THE COURT: Brief replies?</p> <p>18 MR. MOSKOWITZ: Thank you, Your Honor.</p> <p>19 First, as to the only argument I heard that touches</p> <p>20 on actual jurisdiction, the issue which is what dictates the</p> <p>21 result today is whether there is jurisdiction over my</p> <p>22 client. I heard this argument with this other CPLR section.</p> <p>23 There is no case that says that being affiliated with an</p> <p>24 entity registered to do business in New York means that</p> <p>25 service of a subpoena on that entity means you have</p>		<p>1 MR. MOSKOWITZ: Say owner. I can go with that.</p> <p>2 Someone who lives in Nebraska can own shares in 50 New York</p> <p>3 corporations. The case law is clear, Weinstein Koren &amp;</p> <p>4 Miller with a "K" is clear, Siegel is clear that service of</p> <p>5 a subpoena of process of a complaint, whatever it is on</p> <p>6 those entities is not service on that person and does not</p> <p>7 mean that you necessarily have jurisdiction over that person</p> <p>8 absent something like someone who is also subject to general</p> <p>9 jurisdiction which is not what we're here talking about</p> <p>10 today. Thank you, Your Honor.</p> <p>11 MR. KISE: Just briefly, Your Honor. I think</p> <p>12 Mr. Wallace's points about we have a very good idea what we</p> <p>13 want out of Ms. Trump's testimony, we knew about the OPO</p> <p>14 loan involvement, all the facts that he's reciting they've</p> <p>15 known about since the investigation. Forget about since the</p> <p>16 case started. Since the investigation.</p> <p>17 So the question comes up again why not do this</p> <p>18 during discovery. Why not depose her during discovery? Why</p> <p>19 not depose her after she was dismissed from the case? They</p> <p>20 had plenty of time to do that. Why issue a Note of Issue if</p> <p>21 they had a witness that they still needed an essential</p> <p>22 witness. The rules exist --</p> <p>23 THE COURT: You file a Note of Issue. You don't</p> <p>24 issue a Note of Issue.</p> <p>25 MR. KISE: That actually sounds better.</p>	
Proceedings	Page 2669	Proceedings	Page 2671
<p>1 jurisdiction over that individual. That is just wrong. We</p> <p>2 do cite cases in our brief that go to that point.</p> <p>3 Even when it's a party entity the cases make clear</p> <p>4 it's not the same thing. What I guess I'm hearing now,</p> <p>5 again, a new argument going back to, you know, why I didn't</p> <p>6 put in certain affidavits I was replying to. I'm now</p> <p>7 hearing basically a general jurisdiction argument. There is</p> <p>8 no evidentiary record of asserting general jurisdiction over</p> <p>9 Ms. Trump and now that we're here today and I'm hearing it</p> <p>10 for the first time I go as far as to say that argument's</p> <p>11 been waived.</p> <p>12 I also heard beyond the jurisdictional argument</p> <p>13 that was the briefest part of Mr. Wallace's presentation. I</p> <p>14 heard a lot of, "I want this, we want her for that." I want</p> <p>15 lots of things. My kid wants a unicorn. What I didn't hear</p> <p>16 is why there is jurisdiction over her such that you can get</p> <p>17 those things. There isn't. A lot of these things are not</p> <p>18 in the record. A lot of it was just their say so</p> <p>19 conclusion. She holds herself out as doing business in New</p> <p>20 York? No, she doesn't. Where is that in the record?</p> <p>21 Again, all they have submitted and all that there is in life</p> <p>22 is that she is affiliated with certain entities that are</p> <p>23 registered to do business in New York.</p> <p>24 THE COURT: Well, again, "affiliated?" That's kind</p> <p>25 of a loosey-goosey term.</p>		<p>1 THE COURT: I'm just trying to get you up to speed</p> <p>2 on New York law.</p> <p>3 MR. KISE: By the time we're done here in November</p> <p>4 of 2025, I probably will be. The rules exist for a reason,</p> <p>5 Your Honor, they do. And the case I cited it's just black</p> <p>6 letter law. Once the Attorney General files a Note of</p> <p>7 Issue, that's it. They don't get to reopen discovery.</p> <p>8 Particularly -- it would be one thing if this were some new</p> <p>9 witness that no one knew about before that. Well, this is</p> <p>10 something critical to our case and we didn't know about</p> <p>11 these facts and there is some justification. This is an</p> <p>12 individual that's been associated with the investigative</p> <p>13 process and then this case then dismissed and no attempt to</p> <p>14 do anything despite the fact that as Mr. Wallace said we</p> <p>15 have a very good idea we've known about these specifics,</p> <p>16 we've known about her specific involvement in the OPO</p> <p>17 transaction, etc.. So they haven't provided the Court with</p> <p>18 any explanation for that. The designations that Mr. Wallace</p> <p>19 represent, I'm glad that he acknowledged and I appreciate</p> <p>20 him acknowledging. Of course, we weren't there which is our</p> <p>21 biggest problems with using the examinations under oath, but</p> <p>22 the designations offer little because there were</p> <p>23 designations essentially with most of the transcript. So it</p> <p>24 wasn't really a narrowing in that sense.</p> <p>25 The idea that somehow Ms. Trump is under the</p>	

Proceedings	Page 2672	Proceedings	Page 2674
<p>1 control of the Trump Organization or any of the defendants,</p> <p>2 her father, all I can say is anyone that's raised a daughter</p> <p>3 past the age of 13 knows they are not under your control.</p> <p>4 She lives in Florida, she has her own family. The</p> <p>5 jurisdiction must be here and now irrespective of what she</p> <p>6 did five years ago, ten years ago with the OPO transaction,</p> <p>7 the jurisdiction must be here and it must be now and it</p> <p>8 simply doesn't exist.</p> <p>9 And respectfully, the Court doesn't have the</p> <p>10 authority to just ignore that impediment. Respectfully, it</p> <p>11 doesn't have the authority to ignore the Note of Issue.</p> <p>12 Respectfully, the Court doesn't have the authority to just</p> <p>13 say well, I don't care if they knew about all this a long</p> <p>14 time ago, we're going to let this happen in the middle of</p> <p>15 trial. I think the case law on that is very well</p> <p>16 established.</p> <p>17 So -- and, again, they haven't even proffered --</p> <p>18 I'm not offering this on behalf of Mr. Moskowitz and his</p> <p>19 client. They haven't proffered the least intrusive means</p> <p>20 which would be some deposition taking place where she does</p> <p>21 live, in Florida. And if it's so narrow and it's so focused</p> <p>22 her testimony, then perhaps that can accommodate the issues.</p> <p>23 Again, I'm not volunteering that, but what I'm saying is the</p> <p>24 Attorney General's offered nothing to this Court but no, she</p> <p>25 must come in here now. We didn't depose her, we don't have</p>		<p>1 York now.</p> <p>2 MR. KISE: Again, I don't know other than what's in</p> <p>3 the record and that would -- any ownership of any nonparty</p> <p>4 entity or party entity would not necessarily give the Court</p> <p>5 jurisdiction.</p> <p>6 THE COURT: I acknowledge that.</p> <p>7 MR. KISE: Because JP Morgan is headquartered here</p> <p>8 and I think it's somewhere in my 401(k) -- I have ownership</p> <p>9 interest in a New York entity.</p> <p>10 THE COURT: You have to be careful what you do up</p> <p>11 here.</p> <p>12 MR. KISE: Yes, right.</p> <p>13 THE COURT: Defendants, what, if anything, in the</p> <p>14 record shows current ownership interest by Ivanka in New</p> <p>15 York?</p> <p>16 MR. WALLACE: I believe that's almost everything</p> <p>17 that's laid out in our affirmation in support. She owns the</p> <p>18 OPO entity, which has its principal place of business at</p> <p>19 Trump Tower; she owns the 502 entity; she owns an interest</p> <p>20 in TTT Consulting. We -- she is also one of the managers.</p> <p>21 She owns two apartments at the Trump Park Avenue property.</p> <p>22 I believe that's primarily the scope of what we laid out in</p> <p>23 our affirmation.</p> <p>24 THE COURT: And was the affirmation -- were the</p> <p>25 affirmations by someone with personal knowledge?</p>	
Proceedings	Page 2673	Proceedings	Page 2675
<p>1 jurisdiction over her, we're sending subpoenas to these</p> <p>2 nonparty entities, but she must show up now. Only one</p> <p>3 reason: They want her in the courtroom so that it will be</p> <p>4 filled again with media and we can have another circus day.</p> <p>5 So for those reasons and the ones stated, the subpoena</p> <p>6 should be quashed, Your Honor.</p> <p>7 THE COURT: Okay. Give me a moment.</p> <p>8 (Whereupon, there is a pause in the proceedings.)</p> <p>9 THE COURT: Let me turn on the microphone first.</p> <p>10 Defendants, I'm not saying that this is sufficient. In</p> <p>11 fact, it's not sufficient, but what properties does she</p> <p>12 currently own in New York or what economic interests does</p> <p>13 she currently have in New York? If you don't know, you</p> <p>14 don't know. That's okay.</p> <p>15 MR. MOSKOWITZ: I don't know, Your Honor.</p> <p>16 THE COURT: Okay.</p> <p>17 MR. MOSKOWITZ: And I'll point out that if it were</p> <p>18 clearly in the submissions, which it's not, I would have</p> <p>19 addressed it and I don't --</p> <p>20 MR. KISE: I don't know either, Your Honor. I just</p> <p>21 know there is nothing in the record that shows that she does</p> <p>22 other than ownership and entities that are nonparties.</p> <p>23 Again, as Mr. Moskowitz --</p> <p>24 THE COURT: I didn't ask whether they were parties</p> <p>25 or not. I asked whether she has ownership interest in New</p>		<p>1 MR. WALLACE: It was made by someone with personal</p> <p>2 knowledge of our files and it attaches the documents that</p> <p>3 are the support, so it shows the agreements relevant to the</p> <p>4 OPO entity, to the TTT entity and to 502. So it lays out</p> <p>5 documentary evidence that supports our assertions on those</p> <p>6 fronts.</p> <p>7 THE COURT: Any last words by defendants? And then</p> <p>8 I'll retreat for properly ten or 12 minutes and come back</p> <p>9 with a decision.</p> <p>10 MR. MOSKOWITZ: Thank you, Your Honor. I can</p> <p>11 answer Your Honor's question. No, it was not someone with</p> <p>12 personal knowledge. It was a member of counsel for the</p> <p>13 Attorney General who attached stale documents. None of them</p> <p>14 show, answer the question that I can't answer either, which</p> <p>15 is what does she currently own.</p> <p>16 By the way, that's all stuff that usually gets</p> <p>17 addressed at a Traverse hearing, which again, they didn't</p> <p>18 ask for. We're not submitting to, but that's all about</p> <p>19 general jurisdiction which they never even argued until now.</p> <p>20 THE COURT: I once read all the way through</p> <p>21 "Prince, Richardson &amp; Farrow On Evidence." One of the</p> <p>22 things I really appreciated learning is there is a</p> <p>23 presumption in the law that facts stay the same, that they</p> <p>24 don't change unless there is some reason to think they</p> <p>25 change. So I don't think the -- well, we don't know what</p>	

Proceedings	Page 2676	Proceedings	Page 2678
<p>1 she owns today. Because she owns something six months ago,</p> <p>2 I don't think that --</p> <p>3 MR. MOSKOWITZ: I was just going to say someone can</p> <p>4 show you a piece of paper that says I go to NYU.</p> <p>5 Unfortunately, for me, those days are long gone and my point</p> <p>6 is that as to the question of what gives jurisdiction over</p> <p>7 her now, there is nothing in this affidavit from someone who</p> <p>8 in any event doesn't have personal knowledge of that</p> <p>9 question.</p> <p>10 THE COURT: You said you went to NYU?</p> <p>11 MR. MOSKOWITZ: Yes, Your Honor.</p> <p>12 THE COURT: Which division, which school?</p> <p>13 MR. MOSKOWITZ: College of Arts and Science.</p> <p>14 THE COURT: Okay. The law school, '79.</p> <p>15 MR. MOSKOWITZ: I'm aware of because my colleague</p> <p>16 went to school with you.</p> <p>17 THE COURT: Anyway, interesting.</p> <p>18 MR. MOSKOWITZ: Your Honor, I could submit an</p> <p>19 affidavit, though, again, if the Court has questions I would</p> <p>20 like to point out, though, they flip the burden.</p> <p>21 My life as a litigator would be very easy if I</p> <p>22 could fire off subpoenas without the basis to do so which</p> <p>23 last I checked I have to have the basis when I serve a</p> <p>24 subpoena and then say to the person tell me why it shouldn't</p> <p>25 be this subpoena which is what they're doing here, but</p>		<p>1 Also, and this phrase is engrained in all lawyers,</p> <p>2 "Ms. Trump has clearly availed herself of the privilege of</p> <p>3 doing business in New York."</p> <p>4 Finally, plaintiff's papers make abundantly clear</p> <p>5 by documentary evidence that Ms. Trump owns property in New</p> <p>6 York and has done business in New York. Even Ms. Trump's</p> <p>7 own papers admit that she is occasionally here.</p> <p>8 With all due respect to Mr. Moskowitz, the record</p> <p>9 is devoid of any evidence because we do not have a sworn</p> <p>10 statement from Ms. Trump that she does not do currently or</p> <p>11 has not recently done business here. The time to submit any</p> <p>12 such affidavit in the first place was in the moving papers.</p> <p>13 Movant made the argument. There is no jurisdiction over her</p> <p>14 and it was her burden to provide an affidavit of someone</p> <p>15 with personal knowledge, meaning herself, to substantiate</p> <p>16 that. It is black letter law that you may not use a reply</p> <p>17 to state facts that should have been in your moving papers.</p> <p>18 Basically we don't know what she does or doesn't do because</p> <p>19 only she could tell us that and it's too late to tell us</p> <p>20 that now. That was -- that should have been, could only</p> <p>21 have been in the moving papers. That's what you do in the</p> <p>22 motion to quash a subpoena and I've seen that all the time.</p> <p>23 I get affidavits from people in California or</p> <p>24 Nebraska saying I don't own property here, I don't come</p> <p>25 here, I don't do business here. We don't have that.</p>	
Proceedings	Page 2677	Proceedings	Page 2679
<p>1 again, I could submit an affidavit and do it very quickly.</p> <p>2 THE COURT: All right. Let's take a break until</p> <p>3 10:35. I suspect to come back with a decision.</p> <p>4 (Whereupon, there is a recess in the proceedings.)</p> <p>5 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>6 session. Be seated and come to order.</p> <p>7 THE COURT: Let me start with two basic ancient</p> <p>8 principals for which no citation is necessary.</p> <p>9 A trial is a search for the truth and the law is</p> <p>10 entitled to every person's evidence. On the other hand, we</p> <p>11 don't compel people to testify unless the Court has personal</p> <p>12 jurisdiction over them. As we learned in law school in the</p> <p>13 international shoe case, personal jurisdiction to satisfy</p> <p>14 due process has two elements: Notice and power.</p> <p>15 Here, the power of the Court to compel Ms. Trump</p> <p>16 into court to testify. In this case, notice is clear which</p> <p>17 is why we are here and in any event I think was essentially</p> <p>18 conceded by her attorney.</p> <p>19 I find that the power element is also clearly</p> <p>20 satisfied here. "The due process element is satisfied where</p> <p>21 the non-domiciliary has minimum contacts with New York State</p> <p>22 and based upon those contacts the non-domiciliary could or</p> <p>23 should have reasonably anticipated being hailed into court,"</p> <p>24 and that's more or less an exact quote or paraphrase from</p> <p>25 LaMarca, 95 NY2d 216.</p>		<p>1 So the motion is denied, but her testimony shall</p> <p>2 not be scheduled before Wednesday, November 1st for</p> <p>3 Ms. Trump to appeal this decision if she deems herself so</p> <p>4 advised.</p> <p>5 Now, let's go on to the trial. First witness, next</p> <p>6 witness or same witness?</p> <p>7 Sure, Mr. Moskowitz, you want to say something</p> <p>8 first?</p> <p>9 MR. MOSKOWITZ: I just want to request a so</p> <p>10 ordering of the transcript unless the written decision is</p> <p>11 forthcoming.</p> <p>12 THE COURT: Unlike what I sometimes do there won't</p> <p>13 be a follow-up written decision. The decision will be a so</p> <p>14 order of the transcript and I'll make sure it gets so</p> <p>15 ordered today.</p> <p>16 MR. MOSKOWITZ: Thank you, Your Honor.</p> <p>17 MR. KISE: Not to volunteer, would the Court</p> <p>18 entertain -- I mean, we just did one on Monday, a de bene</p> <p>19 esse deposition? We just did one on Monday. That way</p> <p>20 Ms. Trump doesn't have to leave her family and three</p> <p>21 children to come to New York.</p> <p>22 THE COURT: No. Denied. I want to see her in</p> <p>23 person. That's how we prefer testimony.</p> <p>24 I'll get the signed transcript from which you can</p> <p>25 appeal by Monday morning. It's just tough, but you know</p>	

Proceedings	Page 2680	Proceedings	Page 2682
<p>1 what it will say.</p> <p>2 MR. WALLACE: Your Honor, before the witness begins</p> <p>3 her testimony, we did have one housekeeping matter</p> <p>4 concerning today. I believe Mr. Solomon has maybe an hour</p> <p>5 and a half -- at least an hour and a half of questioning. I</p> <p>6 believe the defendants are going to cross and the question</p> <p>7 is should we bring the next witness, Mr. Flores, back to the</p> <p>8 courthouse or do defendants expect this will take us through</p> <p>9 the remainder of today?</p> <p>10 MR. KISE: I don't know if we're going to cross</p> <p>11 this witness at this time. We may call her in our case, but</p> <p>12 to preserve time we're not going to take up the Court's time</p> <p>13 today necessarily. We reserve the right as we have with</p> <p>14 other witnesses, but I'm not sure that's going to become</p> <p>15 necessary. So I don't want to unnecessarily delay the</p> <p>16 proceedings.</p> <p>17 THE COURT: So that will save time for today.</p> <p>18 Will there be enough time to finish the current</p> <p>19 witness and have Flores testify?</p> <p>20 MR. KISE: If we go like yesterday --</p> <p>21 MR. SOLOMON: Your Honor, my questions -- I should</p> <p>22 be able to finish. With respect to objections and how long</p> <p>23 they take, I can't speak to that. I will do everything in</p> <p>24 my power to finish this witness today, if at all possible,</p> <p>25 yes.</p>		<p>1 A Yes.</p> <p>2 Q Okay. Please turn back to page six.</p> <p>3 I'd like to focus your attention on the "Subject of the</p> <p>4 Assignment and Relevant Characteristics."</p> <p>5 THE COURT: Let me just suggest to the witness she</p> <p>6 has -- you have three different ways to see this: the paper</p> <p>7 copy, the screen in front of you and the screen there. I</p> <p>8 often find the screens are a lot simpler. You don't have to</p> <p>9 turn pages, they turn the pages for you, but whatever you</p> <p>10 want to do is okay. Some people like physical papers in</p> <p>11 their hands.</p> <p>12 THE WITNESS: Thank you.</p> <p>13 Q Ma'am, if you look at this paragraph, did you</p> <p>14 understand you or your firm were retaining Cushman &amp; Wakefield</p> <p>15 to "perform an appraisal on the hypothetical 71-unit development</p> <p>16 site located at Briarcliff Manor?"</p> <p>17 A Yes, I did.</p> <p>18 Q Okay. And was that appraisal to be done in connection</p> <p>19 with a potential donation of a conservation easement?</p> <p>20 A Yes, it was.</p> <p>21 Q Thank you.</p> <p>22 A And to be clear, the purpose of this was to document</p> <p>23 the value of the conservation easement. In connection with that</p> <p>24 as apart of that assignment it was to appraise the hypothetical</p> <p>25 71-unit the residential development.</p>	
Proceedings	Page 2681	Proceedings	Page 2683
<p>1 THE COURT: The question is will we be able to get</p> <p>2 to Mr. Flores today at all? Let's make it easy on</p> <p>3 everybody.</p> <p>4 MR. KISE: I think it would be optimistic.</p> <p>5 THE COURT: All right, so we'll have Flores testify</p> <p>6 starting next week, okay.</p> <p>7 MR. WALLACE: Understood, Your Honor.</p> <p>8 MS. FAHERTY: Thank you, Your Honor.</p> <p>9 THE COURT: I like to make life easy on everybody.</p> <p>10 I'll remind the witness as I always do that she is</p> <p>11 still under oath.</p> <p>12 And let's get right into it, Mr. Solomon.</p> <p>13 MR. SOLOMON: Thank you, Your Honor.</p> <p>14 CONTINUED DIRECT EXAMINATION</p> <p>15 BY MR. SOLOMON:</p> <p>16 Q Ma'am, I'd like to ask the court officer for PX 158 in</p> <p>17 front of you. This document is already in evidence.</p> <p>18 If turn to page six of 13 you'll see that it's</p> <p>19 addressed to you from Cushman &amp; Wakefield, David McArdle's</p> <p>20 letterhead. Do you see that?</p> <p>21 A Yes.</p> <p>22 Q Okay. And if you turn to page 11 of 13, is that your</p> <p>23 signature?</p> <p>24 A Yes.</p> <p>25 Q And did you sign it on or about February 19, 2014?</p>		<p>1 Q The development didn't exist at the time of the</p> <p>2 appraisal; correct?</p> <p>3 A No, no, no. It was a hypothetical.</p> <p>4 Q When you say "no" let's clarify this.</p> <p>5 Did the 71-unit development exist at the time of the</p> <p>6 appraisal?</p> <p>7 A There was no building.</p> <p>8 Q And, in fact --</p> <p>9 A Or two buildings.</p> <p>10 Q And, in fact, to your knowledge, it's never been built;</p> <p>11 right?</p> <p>12 A To my knowledge, it's never been built.</p> <p>13 Q Okay.</p> <p>14 MR. SOLOMON: Can I please have 3194? May I ask</p> <p>15 the court officer to put 3194 in front of the witness which</p> <p>16 was already in evidence.</p> <p>17 A I'm sorry, could I clarify one more thing?</p> <p>18 THE COURT: Yes.</p> <p>19 A I guess it wasn't -- while there was a general scope of</p> <p>20 -- I think you need to look more at the general scope of work to</p> <p>21 understand the work that was being done. And, again, this was</p> <p>22 all about documenting the value of a conservation easement and</p> <p>23 not just the 71-unit hypothetical buildings, you know, units</p> <p>24 needed to be appraised, but it was also the golf course and</p> <p>25 other properties. So it was a little bit shorthand or</p>	

Proceedings	Page 2684		Page 2686
<div>1 abbreviation just to say is that the 71-unit. That was part of</div> <div>2 the whole project.</div> <div>3 Q I appreciate that.</div> <div>4 A That's why I wanted to take a look at the letter</div> <div>5 because that didn't sound right to me, but I wanted to get that</div> <div>6 right.</div> <div>7 Q Sure. I appreciate that.</div> <div>8 The appraisal needs to determine whether the</div> <div>9 surrounding parcels or contiguous parcels that may be owned by</div> <div>10 the same party are enhanced in some way by the conservation</div> <div>11 easement. I think you mentioned that yesterday; right?</div> <div>12 A That's apart of it, but again, the whole point is to</div> <div>13 get to the differentials. What is the value of the conservation</div> <div>14 easement, the rights and restrictions, the economic value of</div> <div>15 those things that were being given away.</div> <div>16 Q But in that process one of the steps is valuing the</div> <div>17 hypothetical 71-unit residential development; right?</div> <div>18 A That is apart of the assignment but it's not the entire</div> <div>19 assignment. There was more to the assignment than that.</div> <div>20 Q If you take a look at PX 3194. The cover is an e-mail</div> <div>21 to you from Mr. McArdle dated April 25, 2014. Do you see that?</div> <div>22 A I don't have that yet, but --</div> <div>23 MR. SOLOMON: PX 3194.</div> <div>24 A Yes. It is an e-mail to me from Mr. McArdle.</div> <div>25 Q And did you receive it in or about April of -- April --</div>		<div>1 "The development site is entitled to allow the</div> <div>2 construction of 71 luxury housing units contained within two</div> <div>3 adjacent low rise structure." Do you see that?</div> <div>4 A Yes, I do.</div> <div>5 Transcript continues on the following page....</div> <div>6</div> <div>7</div> <div>8</div> <div>9</div> <div>10</div> <div>11</div> <div>12</div> <div>13</div> <div>14</div> <div>15</div> <div>16</div> <div>17</div> <div>18</div> <div>19</div> <div>20</div> <div>21</div> <div>22</div> <div>23</div> <div>24</div> <div>25</div>

<div>1 on or about April 25, 2014?</div> <div>2 A I have no recollection of that, but I assume that I did</div> <div>3 since it's an e-mail addressed to me and I have no reason to</div> <div>4 believe I did not.</div> <div>5 MR. SOLOMON: We offer it in evidence.</div> <div>6 THE COURT: Granted. It's in evidence.</div> <div>7 MR. ROBERT: Statute of limitations.</div> <div>8 THE COURT: Overruled. Understood.</div> <div>9 (Whereupon, the item previously referred to is</div> <div>10 received and marked Plaintiff's Exhibit Number 3194 in</div> <div>11 evidence.)</div> <div>12 Q If you turn to page six of 193, please, under "General</div> <div>13 Description." Do you see that?</div> <div>14 MR. ROBERT: Excuse me, I haven't been provided</div> <div>15 with a hard copy. Is it just the e-mail or is there an</div> <div>16 attachment seeking to move it into evidence?</div> <div>17 MR. SOLOMON: It's already in.</div> <div>18 MR. ROBERT: I thought you moved it into evidence.</div> <div>19 That's why you asked to move it. You said "we offer it into</div> <div>20 evidence."</div> <div>21 MR. SOLOMON: I'm sorry. It was already in</div> <div>22 evidence.</div> <div>23 MR. ROBERT: Got it. Thank you.</div> <div>24 Q If you could turn to page six of 193. I'd like to</div> <div>25 focus you on the general description, second sentence:</div>		<div>1 Q So in connection with this project, did the appraisers</div> <div>2 determine in trying to calculate the value of the conservation</div> <div>3 easement the value of the right to build 71 luxury housing</div> <div>4 units?</div> <div>5 A My understanding, that was part of the assignment, yes.</div> <div>6 Q Please turn to page 4 of 193. The chart in the middle</div> <div>7 of the page, "Final Value Reconciliation." And do you see,</div> <div>8 "Final Value Conclusion of Conservation Easement \$43,300,000?"</div> <div>9 Do you see that?</div> <div>10 A I see that.</div> <div>11 Q Did you share this information, the value of the</div> <div>12 conservation easement, with your client as reflected in this</div> <div>13 appraisal?</div> <div>14 A Yeah, I believe, I can. Although, this easement was</div> <div>15 never completed, I'm not entirely sure.</div> <div>16 Q Would it have been your practice whether the easement</div> <div>17 was actually completed and donated or not to share the valuation</div> <div>18 in the appraisal with your client?</div> <div>19 A It would have been my practice as the project was going</div> <div>20 along to share values along the way with my client. Do I have a</div> <div>21 specific recollection of this? No.</div> <div>22 Q I understand, but you said it was your practice and I</div> <div>23 appreciate that.</div> <div>24 MR. SOLOMON: PX 132, please. It's already in</div> <div>25 evidence.</div>	

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2688</p> <p>1 Q Ma'am, would you be comfortable while they're looking 2 for it to look at it on the screen if we move along? 3 A Yeah, if I could look at all the parts we need. 4 Q Then let's wait. 5 MR. SOLOMON: Thank you. 6 Q This is a document dated June 23, 2014 addressed to Mr. 7 Eric Trump, Cushman &amp; Wakefield letterhead, again, from David 8 McArdle. Do you see that? 9 A I do. 10 Q Do you have an understanding why Briarcliff Manor 11 Development, LLC was retaining Cushman &amp; Wakefield if you had 12 already retained them, as we saw in that other document, a few 13 months before? 14 MR. ROBERT: Objection. 15 THE COURT: Ground? 16 MR. ROBERT: Attorney-client privilege. "Do you 17 have an understanding why Briarcliff Manor Development, LLC 18 was retaining Cushman &amp; Wakefield if you had already 19 retained them?" It would go to conversations Ms. Dillon had 20 with her client. 21 THE COURT: Response? 22 MR. SOLOMON: I don't believe that's in connection 23 with legal advice. The witness has testified that there is 24 a process in determining whether to place a conservation 25 easement on a particular piece of property and I believe the</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2690</p> <p>1 we don't need to go further. 2 Q Do you have an understanding? 3 A Sitting here today, I don't have an understanding 4 without looking through these documents in more detail. 5 Q You mentioned that you did not believe that a 6 conservation easement was ultimately placed on the Briarcliff 7 property. Do you recall that? 8 A Yes. 9 Q If you look at the intended use here -- highlight that. 10 "To document the value of a conservation easement placed," past 11 tense, "On a parcel of land for federal and state income tax 12 purposes." 13 Can you explain if you don't believe a conservation 14 easement was placed on the property, why they would be using the 15 past tense in this retention letter or engagement letter? 16 A In my experience, there are sometimes typographical 17 errors or misstatements and I believe that would be a 18 typographic or a clerical error. 19 MR. SOLOMON: 3127 which is already in evidence. 20 Q This is an e-mail to you from Mr. McArdle dated 21 July 30, 2014. "Sheri, here is the revised appraisal." Do you 22 see that? 23 A Yes, I do. 24 Q Okay. Again, on page 3 of 113 for the document, the 25 third paragraph, "Trump Briarcliff Manor owned a parcel of land</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2689</p> <p>1 witness testified there are preliminary steps and then there 2 is actually a formal appraisal. I'm just trying to 3 understand is this the next step in the process to get to 4 the formal appraisal. 5 MR. ROBERT: Those were general questions. I think 6 you started them all at a high level and now we're getting 7 into specifics as to this particular engagement and this 8 particular assignment. 9 THE COURT: Can you just, please, read back the 10 question. 11 (Whereupon, the requested portion of the record was 12 read back.) 13 THE COURT: I don't see it as legal advice. 14 Overruled. 15 A Sitting here today, this is a little confusing for me 16 because I haven't had a chance to look at what was the prior 17 appraisal. 18 MR. KISE: The question as framed is a yes-or-no 19 question. So if your ruling is can she answer, does she 20 have an understanding yes or no, I would agree with you that 21 that answer is not privileged. But if he asks, then, what's 22 the basis for that understanding, that would be different. 23 THE COURT: I will buy that. 24 MR. SOLOMON: My first question was does she have 25 an understanding because if the answer is she does not, then</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2691</p> <p>1 in Briarcliff Manor, New York, the parcel over which it has 2 placed." Again, is that just a typographical error? 3 A As I look here, yes. This is not a final appraisal and 4 I can see that because it says donated to XXX. So it appears to 5 be in contemplation, but using the past tense. 6 Q If you turn to page 4 of 113, you will see here, again, 7 the, "Final Value Conclusion of Conservation Easement 8 \$43.3 million." Do you see that? 9 A I do. 10 Q Did you share that information with your client in or 11 about July of 2014? 12 A I don't recall. 13 Q Would it have been your practice to share that 14 information with your client upon receipt? 15 A I didn't share every bit of information I got along the 16 way. At various points in times, I would have shared some 17 values with the client. 18 Q Do you believe this was one of those various points in 19 time? 20 A I have no recollection of whether I did or not. 21 THE COURT: That's not the question. The question 22 is whether you would have, not whether you recollect that 23 you did or didn't. 24 THE WITNESS: I don't know if I would have because 25 I don't see all the other e-mail traffic around this. I</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2692</p> <p>1 don't know if there is a valuation two weeks before, two 2 weeks later. I don't know if this particular valuation was 3 relevant. There's lots of activities with valuation because 4 lots of new facts and information come in and can make 5 things change from time to time. 6 Q But you do endeavor to keep your client informed of the 7 changes of the facts, right? 8 A Only if it is material and relevant. 9 Q Is the value of a conservation easement of \$43,300,000 10 material and relevant? 11 A It may or may not have been. If I would have shared 12 that number with them a month ago, it wouldn't be relevant if it 13 is about the same number. 14 Q Is it fair to say if you hadn't shared that number with 15 them previously, you would have shared it with them at that 16 time? 17 A If if if, yes, but again, I'm not saying whether I did 18 or not and I'm not trying to be difficult. I just want to be 19 accurate. 20 MR. SOLOMON: PX 910, please. This is an e-mail 21 from Mr. McArdle to you with a cc to your colleague Mr. 22 Zemil, "attaching a revised draft." Do you see that? 23 A I do. 24 Q He states that he "addressed your comments." Do you 25 see that?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2694</p> <p>1 A I can't speak for what Eric Trump knew or didn't know. 2 As for myself, I don't recall. You'd have to refresh me with 3 some documents, if you have something that will help me. 4 Q Did there ever come a point in time that you became 5 aware that Briarcliff Manor Development did not have the 6 absolute right to build those 71 hypothetical units? 7 A I don't recall if it was 71 units or some other number, 8 but that wasn't particularly relevant to me, and that's because 9 it doesn't matter whether you had the absolute right or not in 10 valuing this. Again, it is a hypothetical exercise and what 11 you're trying to show is what is the highest and best use of the 12 property that you're intending to place a conservation easement 13 over. And then you hypothetically take a look and design and 14 design either buildings or commercial space or whatever the case 15 may be and it doesn't require you to have any permits, any 16 entitlements. 17 So whether it was 71, 69, 105, there is a number that 18 you thought is, you know, something that is physically possible, 19 feasible, legally permissible, and it doesn't require you to be 20 permitted. It just requires it to be permissible and things 21 change over time, so you certainly don't have to go and get all 22 the entitlements in place. 23 MR. SOLOMON: Your Honor, move to strike as 24 non-responsive. 25 MR. ROBERT: It is absolutely responsive.</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2693</p> <p>1 A I do. 2 Q Please turn to page 6 of 217. Do you see the value of 3 the conservation easement has now increased by \$1.9 million to 4 45,200,000? 5 A I do. 6 Q Would you have shared that information with the client? 7 A Again, we can see this appears to be a work in 8 progress. I'm not sure which works in progress I would have 9 shared or not shared along the way. Only when I felt it was 10 relevant material and a decision needed to be made would I share 11 that information. 12 Q This is a difference of almost \$2 million in the value 13 of the conservation easement from the appraisal we saw earlier, 14 correct? 15 A Yes, it is. 16 Q And is that something you would have shared with the 17 client? 18 A Again, not knowing where we were in the process, I 19 can't tell you yes or no would I have done that. 20 Q We've been talking about the 71 hypothetical units in 21 these appraisals, correct? 22 A Yes. 23 Q Didn't you and Eric Trump know by no later than June of 24 2014 that Briarcliff Manor Development did not have the absolute 25 right to build 71 units?</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2695</p> <p>1 MR. KISE: It is, Your Honor. She answered the 2 question. He just doesn't like -- Mr. Solomon just doesn't 3 like the answer. 4 MR. SOLOMON: We like the answer, Mr. Kise. 5 MR. KISE: Then why are you moving to strike it? 6 MR. SOLOMON: Because it is not responsive to the 7 question. 8 THE COURT: Let me just check. I'm so happy -- 9 MR. KISE: It looks very responsive to me. 10 THE COURT: -- we have the immediate transcript 11 here. It is stricken because it is not responsive to the 12 question which is a yes-or-no question. Is that -- 13 MR. SOLOMON: May I -- 14 THE COURT: Is that how you perceived it yourself, 15 Mr. Solomon, that it is a yes-or-no question? 16 MR. SOLOMON: Yes, Your Honor. May I ask the Court 17 for a readback of that question, please. 18 THE COURT: Sure. Please, read back. 19 (Whereupon, the requested portion of the record was 20 read back.) 21 A I don't remember. 22 Q Let's see if we can refresh your recollection. 23 MR. SOLOMON: May I, please, have marked for 24 identification PX 3275. 25 Q Ms. Dillon, do you recognize this document to be the</p>

<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2696</p> <p>1 amendments to the original offering plan for the residences at 2 Trump National Golf Club Condominium? 3 A I can read what it says, but I don't recognize it from 4 past experience. It looks like lots of documents I've seen in 5 the past. 6 Q Please turn to page 37 of 99. This in particular is 7 Amendment No. 8 to the original offering plan (a/k/a Amendment 8 No. 4 to the second restated offering plan) of the residences at 9 Trump National Golf Club Condominium." 10 You will see that this document is dated May 6, 2004. 11 A I do. 12 Q And, "roman numeral one, reduction in size of the 13 condominium," do you see that? 14 A I do. 15 Q And it still maintains the 16 golf villa residential 16 units on the third line. Do you see that? 17 A Yes. 18 Q And then it -- 19 A Well, actually where? I'm sorry. 20 Q That's okay. Third line. 21 A Okay. Yes, I do. 22 Q "(16) golf villa residential units" and now it is 31 23 residential units in the Park Briar. Do you see that? 24 A I do. 25 Q Does that refresh your recollection that the sponsor</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2698</p> <p>1 also produced from Morgan Lewis' files to us, so there is no 2 question about authenticity or-- 3 THE COURT: Authenticity doesn't do it. Sorry. Go 4 ahead. 5 MR. SOLOMON: If that's not an issue, Your Honor, I 6 won't address that, but it's not hearsay. These are 7 publicly-available documents. These matters are a public 8 record. 9 MR. KISE: That's not demonstrable from the face of 10 the document. We can't tell one way or the other. If it 11 came from Morgan Lewis, that's fine; but they're not the 12 public repository last I checked. 13 THE COURT: How do we know it's a public record? I 14 know these things are routinely filed, but I don't know that 15 this was filed. 16 MR. KISE: We don't have to take up the Court's 17 time now. If they can demonstrate -- I'm not saying it is 18 or it isn't. I'm saying you can't tell from this record 19 that's presented here and we want to be very careful. The 20 witness on the stand is very careful because she unlike 21 litigators who are very loose with things, tax lawyers tend 22 to be very, very precise. 23 THE COURT: The objection is sustained. 24 (Whereupon, the Document was marked in evidence as 25 Plaintiff's Exhibit 3275.)</p>
<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2697</p> <p>1 voluntarily reduced the number of units it could build from 71 2 to 31 in 2004? 3 A No. It refreshes my recollection that there were lots 4 and lots of amendments and in this particular document, at this 5 particular time, I have no independent recollection of it. I 6 see what the document says and I can read the words. 7 Q Okay. 8 MR. SOLOMON: Your Honor, we offer this in 9 evidence. 10 MR. KISE: Your Honor, I'm not sure what basis 11 there would be to offer this in evidence. She doesn't 12 recognize it. There is no exception to the hearsay rule 13 that he's articulated. It was used as you can use anything 14 to refresh recollection, but that's it. I mean, 15 that's it. I mean, that's fine. We didn't object to his 16 question because his questions were "would this refresh your 17 recollection," but it is not substantively admissible in 18 evidence. There is no foundation. There's nothing to 19 support the admission of this in evidence at all. It is 20 hearsay. 21 THE COURT: Why is it not hearsay or what exception 22 might there be? 23 MR. SOLOMON: Certainly. There is a matter of 24 public record, Your Honor. These are amendments to a 25 condominium declaration that are publicly filed. They were</p>	<p>S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2699</p> <p>1 Q Do you know if amendments to condominium declarations 2 in the State of New York are filed with the Attorney General's 3 office? 4 MR. KISE: Objection. Foundation. 5 THE COURT: She hasn't been qualified. Although, 6 she may be as an expert at this point, right? 7 MR. SOLOMON: I was asking her knowledge, Your 8 Honor, not as an expert, but -- 9 THE COURT: But -- 10 MR. SOLOMON: We'll move on. We offer it for 11 notice of the fact that it was reduced to 31 units not 12 necessarily for the truth of the matter asserted and we will 13 address that issue at a later time? 14 THE COURT: Notice to whom? 15 MR. KISE: To whom? 16 MR. SOLOMON: Notice to -- 17 MR. KISE: Morgan Stanley. 18 MR. SOLOMON: Please, let me finish. Counsel -- 19 THE COURT: All right. 20 MR. SOLOMON: Briarcliff Manor Development, LLC 21 which is a part of the umbrella organization in the Trump 22 Organization. That's the entity, that's the sponsor that 23 executed this, that filed this, that voluntarily reduced the 24 number of units. 25 THE COURT: It's even more than notice. They wrote</p>

1 it so --  
2 MR. KISE: Your Honor.  
3 THE COURT: Yes?  
4 MR. KISE: If they solve the hearsay problem, if it  
5 is a matter of public record, I don't know why we are  
6 debating it. They just simply demonstrate that it's a  
7 public record. Otherwise, again, it is notice to whom  
8 because there's no demonstration --  
9 THE COURT: Notice to the author.  
10 MR. KISE: This is our official document. It might  
11 be Morgan Stanley's document, but there is no demonstration  
12 it is ours. I'm not debating one way or the other. I'm  
13 saying in this record as it stands right now, it is not  
14 there. On a break, I'm sure they could find it if it is  
15 public record. Most everything is online now.  
16 THE COURT: It's admitted into evidence as notice  
17 of the statements therein to Briarcliff Manor, whatever the  
18 corporate entity is known as.  
19 Q Ms. Dillon, do you remember specifically analyzing the  
20 eighth amendment and providing to your client your conclusion  
21 that it reduced the number of luxury residential units that it  
22 could build from 71 to 31?  
23 MR. ROBERT: I just want to be very careful that  
24 this is a yes or no and beyond that, I will object that it  
25 is privileged.

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2701

1 THE COURT: Is that a yes or no?  
2 MR. SOLOMON: For the moment, it is a yes or no,  
3 Your Honor; but I will say that the Court has actually ruled  
4 upon the documents that I'm about to show this witness  
5 in-camera and determined that they are not privileged. So  
6 this is a yes or no. I'm laying my foundation for the next  
7 document.  
8 THE COURT: Please answer yes or no.  
9 A I analyzed thousands of documents for this client over  
10 the year. Whether this was one of them, I don't recall; but if  
11 you can help me, that would be great.  
12 MR. SOLOMON: May we, please, mark PX 3261 for  
13 identification.  
14 Q Ms. Dillon, this is an e-mail chain from June 2014  
15 between you and Eric Trump, correct?  
16 A Yes, it is.  
17 Q And the top e-mail, you wrote to Mr. Trump, Eric Trump,  
18 "Hi Eric. In going through the documents, this is what I see  
19 happening."  
20 You first lay out what happens in the original offering  
21 plan and declaration. Do you see that?  
22 A I do.  
23 Q You see "Park Briar units, 31"? Do you see that,  
24 ma'am?  
25 A Yes, I do.

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2702

1 Q Okay. Do you see, "Highlander units, 40"?  
2 A I do.  
3 Q Then you analyze what happens under the first amendment  
4 to the declaration and the eighth amendment to offering plan,  
5 reduced size of condominium. Do you see that?  
6 A I do.  
7 Q That was the eighth amendment we were just looking at,  
8 right?  
9 A That would be my expectation.  
10 Q Now, there are still 31 Park Briar units, right, and  
11 zero Highlander units?  
12 A Yes, that's what it says.  
13 Q So the number of units that the sponsor could build as  
14 of right was reduced from 71 to 31 according to your analysis as  
15 well as the language of the eighth amendment?  
16 A That's what I understood in this e-mail.  
17 Q Do you know if Mr. McConney and the Trump Organization  
18 still valued on the Statement of Financial Condition the ability  
19 to build 71 units as of right?  
20 MR. KISE: Objection; foundation.  
21 THE COURT: Overruled. She knows or she doesn't.  
22 A I have no knowledge one way or the other.  
23 Q Let's turn to the Seven Springs project. I think we've  
24 established that you're familiar with the property located in  
25 the Towns of Bedford, New Castle and North Castle, right?

S. DILLON - PLAINTIFF - DIRECT(MR. SOLOMON) Page 2703

1 A Yes, we have.  
2 Q Did there come a time that you on behalf of Seven  
3 Springs, LLC began work on a potential donation of a  
4 conservation easement?  
5 A Yes.  
6 Q Was that in or about October of 2012?  
7 A I don't recall the date.  
8 Q Do you recall Robert Heffernan? Excuse me. Yes,  
9 Heffernan.  
10 A I do know Mr. Heffernan.  
11 Q And how do you know Mr. Heffernan?  
12 A He is an appraiser that from time to time was  
13 consulted, did various work.  
14 Q Did you retain him in or about October 2012 on behalf  
15 of Seven Springs to provide an estimate of the fair market value  
16 of a portion of the property of Seven Springs located in New  
17 Castle?  
18 A I do not recall the dates and I don't recall exactly  
19 what he was retained for, but I believe at one point in time,  
20 Mr. Heffernan was retained to take a look at a part -- a  
21 piece -- overall Seven Springs property.  
22 MR. SOLOMON: Take one step back, if I may, Your  
23 Honor. I think I may have forgotten to move PX 3261, Ms.  
24 Dillon's e-mail chain to Eric Trump.  
25 MR. ROBERT: Objection. Statute of limitations and

<p>1 I believe it is a privileged communication.</p> <p>2 THE COURT: Overruled. Granted. It is in</p> <p>3 evidence. It is business advice in my opinion as I've</p> <p>4 already held.</p> <p>5 (Whereupon, the Document was marked in evidence as</p> <p>6 Plaintiff's Exhibit 3261.)</p> <p>7 Q Ms. Dillon, does this refresh your recollection as to</p> <p>8 when you, you on behalf of your client, retained Mr. Heffernan?</p> <p>9 A Yes.</p> <p>10 Q Was that in or about October of 2012?</p> <p>11 A Yes.</p> <p>12 Q If you look at the second paragraph beginning, "the</p> <p>13 scope," do you see that?</p> <p>14 A I do.</p> <p>15 Q Second line, "Estimating the fair market value of a</p> <p>16 conservation easement placed on the client's property located in</p> <p>17 the town of New Castle, New York." Do you see that?</p> <p>18 A I do.</p> <p>19 Q Is that your signature on the last page of that</p> <p>20 document?</p> <p>21 A Yes.</p> <p>22 MR. SOLOMON: We offer PX 908 in evidence.</p> <p>23 MR. ROBERT: Objection. Statute of limitations.</p> <p>24 THE COURT: Overruled. Granted. It is in.</p> <p>25 (Whereupon, the Document was marked in evidence as</p>	<p>1 MR. SOLOMON: The response from the defendant.</p> <p>2 Your Honor, I will withdraw the question.</p> <p>3 THE COURT: Good.</p> <p>4 MR. SOLOMON: And rephrase, if I may.</p> <p>5 Q The paragraph 55 is the allegation by the plaintiff of</p> <p>6 what is an undisputed fact. The response is the response by the</p> <p>7 defendants. Do you see that?</p> <p>8 A I'm very confused. It looks to me like 55 is an</p> <p>9 allegation and the response disputes it, so it is not an</p> <p>10 undisputed fact.</p> <p>11 Q I understand, but after it disputes it, "There's an</p> <p>12 explanation and further discussion where it states Mr. Heffernan</p> <p>13 indicated he "didn't specifically recall" the preliminary value</p> <p>14 range he determined, but he recalled an e-mail back and forth</p> <p>15 with Bob Leonard that he was asking (Mr. Heffernan) why (he) was</p> <p>16 coming in at a number somewhere around \$700,000 a raw lot."</p> <p>17 That's the response from the defendants.</p> <p>18 Does that refresh your recollection as to the number</p> <p>19 Mr. Heffernan came back with for the lots in New Castle?</p> <p>20 A I can read what it says here today, but I don't recall</p> <p>21 the preliminary numbers he was -- that he apparently provided.</p> <p>22 I have no independent recollection of it.</p> <p>23 Q Okay. Just so we are clear, again, Mr. Leonard was</p> <p>24 affiliated with your law firm?</p> <p>25 A Yes, he was one of my colleagues. He was an associate</p>

<p>1 Plaintiff's Exhibit 908.)</p> <p>2 Q Do you recall the estimate provided by Mr. Heffernan as</p> <p>3 to the fair market value of the conservation easement referenced</p> <p>4 in this engagement letter?</p> <p>5 A My recollection is he never completed the project.</p> <p>6 Q Okay. My question was somewhat different.</p> <p>7 MR. SOLOMON: May I ask for a readback, Your Honor?</p> <p>8 THE COURT: Yes, readback, please.</p> <p>9 (Whereupon, the requested portion of the record was</p> <p>10 read back.)</p> <p>11 A No, because there wasn't one.</p> <p>12 Q Do you recall if Mr. Heffernan provided an estimate of</p> <p>13 the value for the lots in New Castle?</p> <p>14 A He may have done a preliminary. I just don't recall.</p> <p>15 MR. SOLOMON: Could we pull up the 202-G statement,</p> <p>16 paragraph 52. I'm sorry. Paragraph 55.</p> <p>17 Q Ma'am, this is a statement under rule 202-G of our</p> <p>18 local rules here in New York for court practice. The beginning</p> <p>19 paragraph 55 is the allegation by the plaintiff of an undisputed</p> <p>20 fact and then the response from the defendants is below. Do you</p> <p>21 see that?</p> <p>22 A It seems to not be an undisputed fact. It looks</p> <p>23 disputed.</p> <p>24 THE COURT: I don't know what you mean by</p> <p>25 "undisputed fact."</p>	<p>1 that worked with me.</p> <p>2 Q He was at Bingham with you at that time?</p> <p>3 A Yes.</p> <p>4 MR. SOLOMON: Can we, please, mark PX 3296.</p> <p>5 Q Ms. Dillon, have you had an opportunity to review the</p> <p>6 e-mail chain?</p> <p>7 A I'm still working through it.</p> <p>8 Yes, I've had a chance to review it.</p> <p>9 (Continued on the next page.)</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2708</p> <p>1 Q Great.</p> <p>2 Does this e-mail chain refresh your recollection as to</p> <p>3 whether Mr. Heffernan provided a preliminary view as to the</p> <p>4 value of the lots in New Castle?</p> <p>5 A I see that Mr. Heffernan is providing preliminary</p> <p>6 views, but I have no independent recollection of those numbers.</p> <p>7 I do know we worked with him. I don't disagree with that, but I</p> <p>8 just don't recall all of this since he ended up not being the</p> <p>9 appraiser on the project.</p> <p>10 Q You have no reason to doubt that he did in fact provide</p> <p>11 this information to Mr. Leonard in or about December of 2012, do</p> <p>12 you?</p> <p>13 A I have no reason to doubt the authenticity of this</p> <p>14 e-mail.</p> <p>15 Q Let's move forward into 2013, please.</p> <p>16 Were you aware that at a Town of Bedford Planning Board</p> <p>17 meeting in May 2013, an attorney for Seven Springs LLC agreed to</p> <p>18 restrict construction on the New Castle and North Castle</p> <p>19 portions of the property in order to obtain approval for the</p> <p>20 subdivision of the lots in Bedford?</p> <p>21 A I was not aware of that at the time. I have some</p> <p>22 awareness derived in the course of these proceedings and</p> <p>23 historically I -- yes, so during the course of these</p> <p>24 proceedings, not just here today, but overall I've become</p> <p>25 aware -- yes, go ahead.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2710</p> <p>1 Q Do you recall providing testimony in connection with</p> <p>2 the investigation conducted by the Attorney General's office in</p> <p>3 this matter?</p> <p>4 A Yes, I do.</p> <p>5 MR. SOLOMON: Could we pull up Ms. Dillon's</p> <p>6 testimony, page 660, line 19?</p> <p>7 Q You recall this was done during COVID; right?</p> <p>8 A I remember that distinctly.</p> <p>9 Q So we had -- the transcript may not be clear, but we'll</p> <p>10 go through it, you were asking and we were discussing having the</p> <p>11 document on the screen for everyone to share. Do you recall</p> <p>12 that? And it had to be moved for a period of time so you could</p> <p>13 see different portions of it?</p> <p>14 A Yes, yes.</p> <p>15 Q And my colleague, Alex Finkelstein, was the one who was</p> <p>16 moving the documents. So when we see this on the transcript --</p> <p>17 we'll be able to see this, 660, line 19. Okay:</p> <p>18 "QUESTION: I'm going to ask Alex to pull up our</p> <p>19 first electronically shared exhibit. It is a May 17, 2013</p> <p>20 newspaper story from the Bedford/Pound Ridge Record Review.</p> <p>21 Ma'am, as you've done in your prior sessions, if</p> <p>22 you could please tell Alex when you refer to a portion and</p> <p>23 you want him to move down that would be helpful."</p> <p>24 "MR. SOLOMON: I'm going to mark this as</p> <p>25 Exhibit 52."</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2709</p> <p>1 Q I'm sorry. I didn't mean to interrupt you.</p> <p>2 A No, go ahead.</p> <p>3 Q Maybe I can clarify.</p> <p>4 Prior to 2020 were you aware that an attorney for Seven</p> <p>5 Springs LLC at a town planning meeting agreed to restrict</p> <p>6 construction at the New Castle and North Castle portions of the</p> <p>7 property in order to obtain approval for the subdivisions at the</p> <p>8 lots in Bedford?</p> <p>9 A I had an overall awareness of some activity, but I did</p> <p>10 not have a specific awareness of that -- of the particular</p> <p>11 planning meeting.</p> <p>12 Q My question wasn't whether you were aware of the</p> <p>13 planning meeting. My question was were you aware of the results</p> <p>14 of the planning meeting?</p> <p>15 A Can I have the question again? I'm not sure I</p> <p>16 understood that.</p> <p>17 MR. SOLOMON: Your Honor, may I ask for a read</p> <p>18 back?</p> <p>19 THE COURT: Read back, please?</p> <p>20 (Whereupon, the requested portion of the</p> <p>21 proceedings was read back by the court reporter.)</p> <p>22 A I don't recall being aware of that level of</p> <p>23 specificity, but I may have had -- again, a general awareness of</p> <p>24 the results of the planning board meeting developed at some</p> <p>25 point in the project.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2711</p> <p>1 And then you go on. The document is being</p> <p>2 advanced.</p> <p>3 "QUESTION: Does reading this article refresh your</p> <p>4 recollection about any events involving Seven Springs before</p> <p>5 the Bedford Planning Board?</p> <p>6 "ANSWER: No, I was not involved in that process.</p> <p>7 "QUESTION: That wasn't my question."</p> <p>8 "MR. SOLOMON: Can I have the court reporter please</p> <p>9 read back my question?"</p> <p>10 Question is read back.</p> <p>11 "ANSWER: --</p> <p>12 It reads your answer; correct, just to clarify?</p> <p>13 A Yes.</p> <p>14 Q "Because I was not involved in the process, this</p> <p>15 article does not refresh my" -- excuse me -- "doesn't refresh my</p> <p>16 recollection about things I wasn't involved in.</p> <p>17 "QUESTION: Ma'am, you will agree with me someone</p> <p>18 could have told you about it, right?</p> <p>19 "ANSWER: Someone could have told me about it.</p> <p>20 "QUESTION: Right. So this article could have</p> <p>21 refreshed that recollection, even if you weren't involved in</p> <p>22 the events before the Planning Board?</p> <p>23 "ANSWER: This article does not refresh my</p> <p>24 recollection."</p> <p>25 Was that your testimony during the investigatory</p>

<p>1 phase --</p> <p>2 A Yes.</p> <p>3 Q -- of this?</p> <p>4 MR. ROBERT: Objection. He's conflating refreshing</p> <p>5 the recollection with trying to impeach his own witness. I</p> <p>6 mean, this is consistent.</p> <p>7 THE COURT: Overruled. I don't see any problem</p> <p>8 with this at all. He's just asking her if she sees that was</p> <p>9 her testimony. I don't know what you're reading into the</p> <p>10 question.</p> <p>11 MR. ROBERT: There would be no reason to do that</p> <p>12 other than if it refreshed her recollection.</p> <p>13 MR. SOLOMON: Can we go to page 663, line 8?</p> <p>14 THE COURT: What was the purpose of asking her if</p> <p>15 she --</p> <p>16 MR. SOLOMON: That she previously had no knowledge</p> <p>17 about this planning meeting which is why we're going to this</p> <p>18 next portion which is a short question and answer, Your</p> <p>19 Honor.</p> <p>20 THE COURT: So it is the admissibility of that</p> <p>21 depending upon the admissibility or the answer or the</p> <p>22 testimony you're going to read now?</p> <p>23 MR. SOLOMON: Yes, it's being linked together.</p> <p>24 MR. KISE: It looks like he's using something where</p> <p>25 she didn't have a -- refresh her recollection -- to refresh</p>		<p>1 "Because I wasn't involved, I do not know."</p> <p>2 So at that time you had no recollection of this</p> <p>3 planning meeting; right?</p> <p>4 A At that time I was -- I think I've been consistent. I</p> <p>5 was not at that planning meeting. I was not involved in the</p> <p>6 planning meeting. Have I learned things about the planning</p> <p>7 meeting? Did I know some things? But I didn't know they came</p> <p>8 about from the planning meeting, yes. It's complicated, but for</p> <p>9 the most part it didn't matter. It didn't matter. It's again</p> <p>10 back to hypothetical. It's a hypothetical subdivision that's</p> <p>11 being drawn. No one needed to be permitted. The standard is</p> <p>12 legally permissible and the courts have ruled time and time</p> <p>13 again it's a waste of everyone's resources for taxpayers,</p> <p>14 landowners, etc., to impinge upon a planning board, zoning</p> <p>15 boards and everybody else that you don't have to actually be</p> <p>16 permitted and entitled for anything.</p> <p>17 MR. SOLOMON: Move to strike as nonresponsive, Your</p> <p>18 Honor.</p> <p>19 THE COURT: Stricken as nonresponsive.</p> <p>20 I'll ask that the witness be taken out for a few</p> <p>21 moments so I can talk to Counsel not in her presence.</p> <p>22 (Whereupon, the witness is excused from the witness</p> <p>23 stand and exits the courtroom.)</p> <p>24 THE COURT: Mr. Solomon, I feel like we're two or</p> <p>25 three levels away from anything that's relevant. This all</p>	
S. Dillon - Plaintiff - direct (Solomon)	Page 2713	S. Dillon - Plaintiff - direct (Solomon)	Page 2715
<p>1 her recollection now and in either case it didn't, but if</p> <p>2 Mr. Solomon is going to tie it together here we're on the</p> <p>3 edge of our seat.</p> <p>4 MR. SOLOMON: Glad I can keep you entertained.</p> <p>5 Can we please go to page 663, line 8:</p> <p>6 "QUESTION: Were you aware that Mr. Martabano" --</p> <p>7 Q Mr. Martabano is the attorney at the planning meeting,</p> <p>8 do you recall that?</p> <p>9 A I have since. Yes, I recall that.</p> <p>10 Q "Mr. Martabano on behalf of Seven Springs agreed to,</p> <p>11 quote, 'restrict construction near the end of the road serving</p> <p>12 Seven Springs to two houses to help resolve the dispute over the</p> <p>13 need for an access road?'"</p> <p>14 "ANSWER: I was -- I'm not aware of that if that's</p> <p>15 accurate."</p> <p>16 THE COURT: "I was not."</p> <p>17 MR. SOLOMON: Excuse me. "I was not."</p> <p>18 Thank you, Your Honor.</p> <p>19 "QUESTION: I asked you to assume it was. You left</p> <p>20 all of these negotiations to the land use attorneys</p> <p>21 representing Seven Springs; correct?</p> <p>22 "ANSWER: I was not involved in this. I didn't</p> <p>23 leave or not leave. It wasn't my decision.</p> <p>24 "QUESTION: To your knowledge who was involved in</p> <p>25 this then?</p>		<p>1 seems to be what happened. She saw something, but didn't</p> <p>2 you say something different what she knew about all this</p> <p>3 stuff?</p> <p>4 MR. SOLOMON: It goes to the valuation of Seven</p> <p>5 Springs, Your Honor. They valued it as if they could build</p> <p>6 24 lots on the three properties. That's what the appraisal</p> <p>7 does, which is what we will get to. However, previously,</p> <p>8 they had agreed to restrict the number of lots to I think 12</p> <p>9 or 13.</p> <p>10 THE COURT: Okay. But what does that have to do</p> <p>11 with whether she remembers what happened at a meeting?</p> <p>12 MR. SOLOMON: Because this witness was the one who</p> <p>13 retained the appraiser, who gave the appraiser the</p> <p>14 information necessary, was the conduit for the appraiser and</p> <p>15 if she knew this and didn't give it to the appraiser that's</p> <p>16 relevant. If she didn't know it and other attorneys at the</p> <p>17 Trump Organization knew it, that's relevant because that</p> <p>18 information should have been provided to the appraisers when</p> <p>19 they projected their 24 hypothetical lots by law and we have</p> <p>20 an Appellate Division decision which is coming up shortly</p> <p>21 which said they have -- the Seven Springs LLC entity has no</p> <p>22 access through Aragon Road. So they didn't have a second</p> <p>23 access and this restriction was binding on them.</p> <p>24 THE COURT: Okay. It seems to me this has become a</p> <p>25 game of got you, didn't you say that, didn't you say this,</p>	

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2716</p> <p>1 but then you said that. I'll let you go ahead because there 2 is no jury and I'd like to afford some leeway, but maybe if 3 we could get to the heart of the matter quicker, Mr. Kise? 4 MR. KISE: Your Honor, I think what the witness was 5 trying to say -- what Mr. Solomon asked it be stricken is -- 6 THE COURT: That was a speech. That was not 7 responsive. 8 MR. KISE: No, I'm just saying she's explaining why 9 what you're saying is correct that we're just going around 10 in circles here because from a tax perspective, from an 11 appraisal, for IRS purposes, for conservation easement you 12 don't get into all of this stuff about whether you had this 13 permit or didn't have this permit or what you knew or what 14 you didn't know. 15 If Mr. Solomon wants to use a witness to establish 16 the points that he's making, that's fine, but this witness 17 has said both today and before based on the testimony there 18 that she wasn't part of the process, she didn't have 19 anything to do with the process, she can't testify to the 20 process and, most importantly, it would not have been 21 relevant to her job, her role. So we are just kind of going 22 in circular fashion here because her role is with respect to 23 advice on conservation easements. She's already said twice 24 it's been stricken that when you do that you're not looking 25 at actual permits, actual this, actual that. She's the</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2718</p> <p>1 A Yes, it is. 2 Q Did you send it to Mr. McArdle in or about July of 3 2014? 4 A I would assume so. 5 MR. SOLOMON: We offer it into evidence. 6 MR. ROBERT: Objection. Statute of limitations and 7 privilege. 8 THE COURT: Overruled. Give me a second. 9 (Whereupon, there is a pause in the proceedings.) 10 THE COURT: Overruled on both grounds. It's in 11 evidence. 12 (Whereupon, the item previously referred to is 13 received and marked Plaintiff's Exhibit Number 899 in 14 evidence.) 15 Q Was this the engagement letter you were retaining 16 Cushman and specifically Mr. McArdle to provide an estimate of 17 the value of the potential conservation easement for the Seven 18 Springs property? 19 A It was to provide consulting services, yes, related to 20 the estimated value of the potential conservation easement. 21 Q And did he provide an analysis of the estimated current 22 value of these lots as of a particular valuation date? 23 A I can't recall how far along we got before the project 24 was discontinued in 2014. 25 Q Why was it discontinued in 2014?</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2717</p> <p>1 expert on that and so I think that she's testified that's 2 why she wouldn't have a foundation here to have any of this 3 knowledge. But if we want to continue to go around, it's 4 their morning. I don't know that any of this has any 5 relevance. 6 THE COURT: I'll let the question continue in the 7 manner that Mr. Solomon thinks is relevant. 8 MR. SOLOMON: Your Honor, we will endeavor to move 9 quickly on this. 10 THE COURT: Okay. Let's get the witness. 11 THE COURT OFFICER: Witness entering. 12 (Whereupon, the witness enters the courtroom and 13 approaches the witness stand.) 14 THE COURT: I just want to make a general statement 15 without any accusations that when a witness is asked to 16 depart the courtroom, nobody should attempt to speak to him 17 or her. And let's go on. 18 MR. SOLOMON: Thank you, Your Honor. 19 We'd ask to mark for identification PX 899. 20 For the record, it is a July 16, 2014 e-mail on 21 Vinson &amp; Elkins letterhead, Ms. Dillon's letterhead in 22 particular to David McArdle, Senior Managing Director at 23 Cushman &amp; Wakefield. 24 Q Ms. Dillon, is that your signature on page four of the 25 exhibit?</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2719</p> <p>1 MR. ROBERT: Objection. 2 THE COURT: What's the objection? 3 MR. ROBERT: Why something was done and why if a 4 retention was discontinued is attorney/client privilege. It 5 clearly falls within if it was a direction from the client 6 as to do or not do something that's a continuation in the 7 course of giving legal representation. 8 THE COURT: It's business. Overruled. 9 Unless you want to withdraw it on the ground -- 10 MR. SOLOMON: I've learned, Your Honor, if you rule 11 in my favor to be quiet. 12 THE COURT: I ruled in your favor. 13 Why was the project discontinued? 14 THE WITNESS: I have no specific recollection, but 15 I can certainly give you the typical reasons projects would 16 be discontinued. 17 THE COURT: Do you want that or not? 18 MR. SOLOMON: I will take the typical reasons for 19 the moment. Thank you. 20 A The typical reason is a landowner just isn't ready, 21 they haven't made the determinations of what restrictions they 22 want to put on property, which land they want to keep out of the 23 restricted property. That's the biggest reason. 24 Other reasons are there is just simply not enough time 25 to get it done, but those tend to be the biggest reasons as you</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2720</p> <p>1 have not yet decided what exactly you want to do with the 2 property, whether you want to retain it because, again, it's in 3 perpetuity, which is forever and it affects not just that 4 landowner but all landowners.</p> <p>5 Q Is also one of the reasons for tax planning purposes? 6 A That could be one of the considerations. 7 Q Does it refresh your recollection as to whether in this 8 situation it was discontinued at that time because Mr. Trump did 9 not need additional tax deductions for tax year 2014?</p> <p>10 MR. KISE: Objection. That's -- I mean, if she 11 wants to answer yes or no, perhaps, but once you get into 12 the substance, that's squarely within the attorney/client 13 privilege. I mean, I think all of it is respectfully, Your 14 Honor, but she is a tax lawyer being engaged to provide tax 15 advice and the conservation easement is -- the purpose of 16 doing one is to get a tax deduction. So it's all squarely 17 within the confines of the privilege. So I would 18 respectfully disagree, Your Honor, it's not business. It 19 involves business matters, but it's at the core of the 20 attorney/client relationship with a tax lawyer. 21 THE COURT: Overruled. The question is whether 22 that was a factor -- if she knows whether that was a factor 23 in why the process was discontinued. 24 THE WITNESS: Is it time for me to answer? 25 THE COURT: Yes, it's also a yes or no.</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2722</p> <p>1 forward. 2 Q When the project was either terminated or put on hold 3 in 2014, had you already learned of Mr. McArdle's estimate of 4 the value of the lots for the potential conservation easement? 5 A I don't remember. 6 MR. SOLOMON: Your Honor, this may be a good point. 7 THE COURT: Is this a good time? All right. Let's 8 just make it 12:10 everybody and then we'll go to 12:55 or 9 so. 10 (Whereupon, there is a recess in the proceedings.) 11 THE COURT OFFICER: All rise. Part 37 is back in 12 session. Please be seated and come to order. 13 THE COURT: Witness? 14 MR. ROBERT: Do we have a minute before the witness 15 comes in? 16 THE COURT: Sure. 17 Hold off on the witness. 18 MR. ROBERT: Are we going to finish today with 19 Ms. Dillon? 20 MR. SOLOMON: In light of the Court's instruction, 21 I have no more than 20, 30 minutes, max. 22 MS. GREENFIELD: That's after we finish the 23 witness? 24 MR. ROBERT: That's fine. I just want to know who 25 is on for Monday.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2721</p> <p>1 A I believe it probably was one of the considerations 2 among many. 3 MR. SOLOMON: Could we please put PX 133 in front 4 of the witness? It's already in evidence. 5 THE COURT: Five-minute warning and then we'll come 6 back. It's not the end of the -- we started early. That's 7 what's throwing you off. 8 MR. SOLOMON: I'm just focused. 9 Q Do you recognize what was marked as PX 133? 10 A I have seen this before. 11 Q Okay. Do you have an understanding as to why Mr. Eric 12 Trump -- withdrawn. 13 Do you have an understanding as to why this letter was 14 addressed to Mr. Eric Trump at Seven Springs LLC directly when 15 the prior letter that we saw was addressed to you? 16 MR. ROBERT: Objection. Attorney/client privilege. 17 THE COURT: It's from Cushman &amp; Wakefield. 18 Overruled. 19 A My understanding would be at this point in time it 20 appears that the project was still going forward and we were 21 seeking a formal appraisal that would be provided to the 22 Internal Revenue Service since this is being done for the 23 purpose of federal and state income tax purposes. 24 Q Okay. 25 MR. SOLOMON: Can I have PX 1861? I'm jumping</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2723</p> <p>1 THE COURT: Now witness? 2 THE COURT OFFICER: Witness entering. 3 (Whereupon, the witness enters the courtroom and 4 approaches the witness stand.) 5 THE COURT: So as everyone else has just heard, 6 we're hoping to finish with this witness this morning. So 7 let's keep the questions moving and the answers moving. 8 CONTINUED DIRECT EXAMINATION 9 BY MR. SOLOMON: 10 Q Ms. Dillon, could we please put -- I'm sorry -- PX 104 11 in front of you? 12 Is this an engagement letter signed by Eric Trump on 13 behalf of Seven Springs LLC dated June 1, 2015? 14 A Yes, it is. 15 Q And was this engagement letter executed in connection 16 with restarting the potential donation of a conservation 17 easement at Seven Springs? 18 A Yes. 19 MR. SOLOMON: Could we please mark PX 195 for 20 identification? 21 Q This is an e-mail from Timothy Barnes to you and 22 Mr. Zemil with a cc to Didi Yep. Who is Timothy Barnes? 23 A Mr. Barnes was the lead appraiser on the Seven Springs 24 project. 25 Q And do you know who Didi Yep is?</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2724</p> <p>1 A Yes, that was his second -- the second appraiser. 2 Q The second e-mail draft is attached. Let me know if 3 you have any questions. Do you see that? 4 A I do. 5 Q Did you see -- did you receive that in or about 6 November of 2015? Specifically November 6th is the date of the 7 cover e-mail? 8 A Yes, I fully expect I received it. 9 MR. SOLOMON: Your Honor, I offer this in evidence. 10 MR. ROBERT: Objection. Statute of limitations and 11 the attachment is hearsay. 12 THE COURT: Statute of limitations overruled. 13 What is it being offered for. 14 MR. SOLOMON: For notice, Your Honor. 15 THE COURT: It's in simply for notice. 16 MR. ROBERT: Notice to whom? 17 THE COURT: The recipients? 18 MR. SOLOMON: Ms. Dillon and Mr. Zemil at this 19 point in time. 20 THE COURT: Okay. 21 MR. ROBERT: Thank you. 22 Q If you please turn to page 5 of 139 of this exhibit, 23 "Value Conclusions." Do you see that? 24 A I do. 25 Q Is this the method that we've been talking about</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2726</p> <p>1 the first time that you find out what the appraiser is coming in 2 with for the value of the property and the value of the 3 easement, would you advise your client at that point in time? 4 A I was in touch with the appraisers on a regular basis, 5 so I always had some understanding of where they were. At 6 various points in time I would have explained the indicated 7 value of the easement to someone at the organization. 8 Q Okay. Would you have done it the first time that you 9 found out what the value of the easement or the entirety of the 10 property was? 11 A Not necessarily. My practice would be to understand it 12 and see if I thought that was reasonable, if there were facts 13 that had been omitted, if they understood things, if they had 14 questions. Often these values are very preliminary and we learn 15 things as the project goes on is the things that may or may not 16 affect value. 17 Q So is it your testimony that you don't always keep your 18 client informed of changes? 19 A It is my testimony that I appropriately keep my client 20 informed of changes and I respect all of my duties and 21 obligations and ethics as a lawyer. 22 Q Do you recall when you first, a general time frame, 23 advised your client that the value of the entirety of the 24 property was 56.5 million? 25 MR. ROBERT: Objection. That's not the testimony.</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2725</p> <p>1 previously where you value the property before and after the 2 easement, make whatever adjustments are appropriate and then the 3 difference is the value of the easement? 4 A Yes, that is the before and after method that we talked 5 about before. 6 Q So the before method values the entire Seven Springs 7 property at 56,500,000. Do you see that? 8 A I see. 9 Q Did you advise your client in or about November of 2015 10 that the appraisal had valued the entirety of the property at 11 approximately \$56.5 million? 12 A I don't recall. 13 Q Would it have been your practice to do so? 14 A I don't recall if we would have had a discussion about 15 this in November. There are thousands of e-mails and 16 conversations about this as the process goes through, so I have 17 no idea if I told him the before value of the property or if I 18 told anyone -- it would have been -- I don't know. At some 19 point I would have advised probably the value of the easement. 20 That's what they were interested in. 21 Q Would you have discussed how that easement was 22 calculated with the client? 23 A I may have. 24 Q Okay. You say there are many e-mails back and forth 25 and the like. When you received the first draft of an appraisal</p>	<p>S. Dillon - Plaintiff - direct (Solomon) Page 2727</p> <p>1 THE COURT: That was just a question. Does she 2 recall when she first notified? 3 MR. ROBERT: The testimony was that she doesn't 4 know if she ever told the value. She would have told them 5 the value of the easement, not the value of the property. 6 That was the testimony, Your Honor. 7 MR. SOLOMON: That's an easy foundation, Your 8 Honor. 9 THE COURT: Okay. 10 Q Do you believe you ever told your client what the value 11 of the property was as reflected in the appraisal? 12 A My expectation is I certainly would have given them the 13 appraisal at some point so they would have had that. Probably 14 also at some point in time I would have said here's how it was 15 calculated, but I can't recall when and I don't know if I would 16 have done it at various points along the way, but I would have 17 been in fairly regular communication about the value of the 18 easement. 19 Q When you received this draft appraisal in or about 20 November 2015, did you communicate with anyone at the Trump 21 Organization as to how they were valuing Seven Springs on the 22 statement of financial condition? 23 A I don't recall. I don't think so, no. 24 Q Did you ever communicate with anyone at the Trump 25 Organization as to how they were valuing Seven Springs on the</p>

<p>S. Dillon - Plaintiff - direct (Solomon) Page 2728</p> <p>1 statements of financial condition?</p> <p>2 A Not that I recall.</p> <p>3 MR. SOLOMON: Could we please mark PX 3114 -- I'm</p> <p>4 sorry. It's already in evidence. If we could show the</p> <p>5 witness?</p> <p>6 Q Ms. Dillon, you see this is an e-mail chain? At the</p> <p>7 top it's from Mr. Weisselberg to Rebecca Marrochio, but the ones</p> <p>8 below that it's from you to Mr. Weisselberg, Mr. Trump with a cc</p> <p>9 to Mr. Bender. Do you see that?</p> <p>10 A I'm sorry, do I see what? I was trying -- I just</p> <p>11 didn't recognize this. I was trying to see what it was.</p> <p>12 Q Take a moment to look at the document, ma'am.</p> <p>13 A All right.</p> <p>14 Q Pointing to one side, the top e-mail, in this chain</p> <p>15 that doesn't include --</p> <p>16 A That doesn't seem to be the same chain I'm looking at.</p> <p>17 I'm confused. What's on the screen doesn't seem to be what I</p> <p>18 have.</p> <p>19 Q PX 3144?</p> <p>20 A No, I have 3144. Perhaps that's the difference.</p> <p>21 THE COURT: That would make a difference.</p> <p>22 I still suggest to follow on the screen because</p> <p>23 when they highlight lines you don't have to go looking all</p> <p>24 up and down at a piece of paper. You can see the yellow,</p> <p>25 but, again, up to you.</p>	<p>Page 2730</p> <p>1 easements?</p> <p>2 A I don't know what you mean by -- could you restate --</p> <p>3 could you read back that question? It was confusing to me.</p> <p>4 MR. SOLOMON: Your Honor, may we have a read back,</p> <p>5 please?</p> <p>6 THE COURT: Please.</p> <p>7 (Whereupon, the requested portion of the</p> <p>8 proceedings was read back by the court reporter.)</p> <p>9 A Yes, but not things that necessarily looked like this.</p> <p>10 Q How would you provide those updates to your client?</p> <p>11 A More informal e-mails, conversations, things along</p> <p>12 those lines from time to time and if regular means from time to</p> <p>13 time, then from time to time. There was no set -- it's not like</p> <p>14 every Monday we talk about conservation easements or anything</p> <p>15 like that. It would have been from time to time as I had</p> <p>16 something to say.</p> <p>17 MR. SOLOMON: One moment, Your Honor.</p> <p>18 THE COURT: Sure.</p> <p>19 MR. SOLOMON: Nothing further, Your Honor.</p> <p>20 THE COURT: Wow. Where is Flores?</p> <p>21 MR. ROBERT: I was just about to bet the under.</p> <p>22 MR. SOLOMON: Nothing further, Your Honor.</p> <p>23 THE COURT: Okay.</p> <p>24 Transcript continues on the following page....</p> <p>25</p>
<p>S. Dillon - Plaintiff - direct (Solomon) Page 2729</p> <p>1 THE WITNESS: Thank you.</p> <p>2 A Yes, we are on the same page now.</p> <p>3 Q Fair enough. Thank you.</p> <p>4 You'll see pointing to one side of the top e-mail that</p> <p>5 doesn't include you, but the one in the middle is from you to</p> <p>6 Mr. Weisselberg, Mr. Trump with a cc to Mr. Bender. Do you see</p> <p>7 that?</p> <p>8 A I do.</p> <p>9 Q And just so we're clear, it's Mr. Eric Trump; right?</p> <p>10 A Yes.</p> <p>11 Q Okay. Did you send -- and the subject is "Easement</p> <p>12 Analysis." Do you see that?</p> <p>13 A I do.</p> <p>14 Q Did you send this to Mr. Weisselberg, Mr. Eric Trump</p> <p>15 and Mr. Bender on or about September 23, 2014?</p> <p>16 A Yes.</p> <p>17 Q If you look at the chart that's attached to that, the</p> <p>18 next page, "Potential Charitable Contribution Analysis." Do you</p> <p>19 see that?</p> <p>20 A I do.</p> <p>21 Q And the next page you are suggesting topics they should</p> <p>22 keep in mind. Do you see that?</p> <p>23 A I do.</p> <p>24 Q Did you provide regular updates to your client as to</p> <p>25 the progress of conservation or potential conservation</p>	<p>PROCEEDINGS Page 2731</p> <p>1 THE COURT: Plaintiff, are you finished with this</p> <p>2 witness?</p> <p>3 MR. SOLOMON: Yes, Your Honor.</p> <p>4 THE COURT: Good.</p> <p>5 Will there be any cross-examination despite what</p> <p>6 you said previously?</p> <p>7 MR. KISE: Not right now, Your Honor. We are going</p> <p>8 to try and streamline and determine whether we need to call</p> <p>9 the witness at all.</p> <p>10 THE COURT: We should talk scheduling, but should I</p> <p>11 let the witness go at this point?</p> <p>12 MR. KISE: Fine with us, yes, Your Honor.</p> <p>13 MR. SOLOMON: Yes, Your Honor.</p> <p>14 THE COURT: Okay. I will let the witness go.</p> <p>15 Thank you.</p> <p>16 (Witness excused.)</p> <p>17 THE COURT: Let's talk scheduling on the record.</p> <p>18 Who wants to go first? Should I ask plaintiff since it's</p> <p>19 still your case?</p> <p>20 MR. WALLACE: Thank you, Your Honor. Should we</p> <p>21 give the witness a moment to leave?</p> <p>22 THE COURT: Sure. Go ahead.</p> <p>23 MR. WALLACE: Okay, Your Honor. The next witness</p> <p>24 that we will call on Monday would be Mr. Flores returning to</p> <p>25 the stand. Our expectation is that examination would take</p>

PROCEEDINGS	Page 2732	PROCEEDINGS	Page 2734
<p>1 about an hour. After that, we would have Mr. Cerrone, the</p> <p>2 City employee, who I think would also take probably about an</p> <p>3 hour at that point. My understanding is the defendants have</p> <p>4 some cross-examination planned for that witness. I think we</p> <p>5 would then propose to play the Mouradian video tape</p> <p>6 testimony which is 2 hours and 16 minutes.</p> <p>7 MS. GREENFIELD: You anticipate getting through all</p> <p>8 of that on Monday? Just wanted to be clear.</p> <p>9 MR. WALLACE: So our total time, then, would be 4</p> <p>10 hours and 15 minutes and then accepting whatever defendants</p> <p>11 choose to do with their time on those witnesses.</p> <p>12 MR. KISE: I would think Mr. Cerrone we'll have</p> <p>13 questions for, not Flores. And obviously, the video is the</p> <p>14 video, but I would -- given how our proceedings go, I think</p> <p>15 that would be a full day on Monday.</p> <p>16 THE COURT: As long as we can finish it all Monday,</p> <p>17 let's hope.</p> <p>18 MR. KISE: It would seem likely.</p> <p>19 MS. GREENFIELD: Tuesday, who do you have next?</p> <p>20 MR. WALLACE: So Tuesday would be Mr. Orowitz, Mr.</p> <p>21 Cornwell who would also be brief, and then when that</p> <p>22 is -- when those two fact witnesses are done, the People</p> <p>23 would move on to the one expert witness they are going to</p> <p>24 present as part of this section of our case in -- our case</p> <p>25 in chief, which is McCarty.</p>		<p>1 Brunnett during our case in chief.</p> <p>2 MR. KISE: Okay.</p> <p>3 MR. WALLACE: Also, Mr. Greenblatt we will not be</p> <p>4 taking during our case in chief. They will be moved to our</p> <p>5 rebuttal list, but we will not be taking them at this time.</p> <p>6 MS. GREENFIELD: Do you anticipate getting Eric</p> <p>7 Trump, Donald Trump Jr., Ivanka Trump pending the appeal all</p> <p>8 in one day?</p> <p>9 MR. WALLACE: Our hope is to do one day for each of</p> <p>10 them.</p> <p>11 MS. GREENFIELD: That would be we are looking at</p> <p>12 Wednesday, Thursday, and Friday for each of the three Trump</p> <p>13 defendants. Ivanka Trump is not a defendant.</p> <p>14 MR. WALLACE: Correct.</p> <p>15 THE COURT: Will there be any cross?</p> <p>16 MR. KISE: Not -- well, I don't know about with</p> <p>17 respect to Ivanka Trump just because to minimize her travel</p> <p>18 here and I can't really -- none of us here at this table</p> <p>19 can speak for her schedule and availability next week. Mr.</p> <p>20 Moskowitz, which I don't -- I don't know if he is still</p> <p>21 here -- would have to address that. But that would be the</p> <p>22 only witness, again, just to minimize her having to come</p> <p>23 back and forth whenever it is that she appears. We may try</p> <p>24 and just do that collectively.</p> <p>25 MS. GREENFIELD: Okay. I want to -- I'm sorry,</p>	
PROCEEDINGS	Page 2733	PROCEEDINGS	Page 2735
<p>1 THE COURT: Will there be cross-examination of the</p> <p>2 two Tuesday witnesses as best you can tell?</p> <p>3 MR. KISE: Orowitz, no. Cornwell, yes. And,</p> <p>4 obviously, the expert, yes.</p> <p>5 MR. WALLACE: I would just clarify that Mr. McCarty</p> <p>6 has been proffered as an expert in bank underwriting issues,</p> <p>7 but we will -- and issues of disgorgement. At this time,</p> <p>8 we are only planning to examine him on the issues of</p> <p>9 disgorgement. We are reserving any evidence or any</p> <p>10 presentation on bank underwriting issues until after the</p> <p>11 presentation of the defendant's case which I you understand</p> <p>12 will cover a number of bank witnesses anyway, would</p> <p>13 influence his opinion.</p> <p>14 THE COURT: That's okay. Hold on.</p> <p>15 MS. GREENFIELD: And Wednesday?</p> <p>16 MR. WALLACE: Wednesday, we will then move on to</p> <p>17 the defendants, specifically Mr. Donald Trump, Jr. Then</p> <p>18 after him, Eric Trump and presumably, depending on whatever</p> <p>19 may happen with appeals, would be Ivanka Trump. And as we</p> <p>20 have indicated to the Court, reserve Monday, November 6th</p> <p>21 for Donald J. Trump, for his testimony.</p> <p>22 THE COURT: We like to keep families together.</p> <p>23 MR. KISE: What about Garten and Brunnett? Are we</p> <p>24 not calling them?</p> <p>25 MR. WALLACE: We will not be taking Garten and</p>		<p>1 but just to be super clear, I understand that we are going</p> <p>2 to have each of the Trump witnesses on a separate day, but</p> <p>3 do we think their testimony will take the entire day or are</p> <p>4 you going to have filler witnesses or anything in between?</p> <p>5 MR. WALLACE: Our expectations, it would likely</p> <p>6 take a full day. At this point, after we call Mr. Trump, we</p> <p>7 would rest our case in chief is our expectation at this</p> <p>8 point. So there -- there's no filler witnesses remaining.</p> <p>9 MR. KISE: So a question with respect to Ivanka</p> <p>10 Trump. To the extent -- and again, I can't speak -- I have</p> <p>11 no idea what her schedule is, but is Ivanka Trump someone</p> <p>12 that the People -- because I know you're moving a number of</p> <p>13 other witnesses out of your direct case. Is that someone</p> <p>14 that you must have in your direct case?</p> <p>15 The only reason I'm asking the question, I'm not</p> <p>16 suggesting an outcome, if for whatever reason her</p> <p>17 availability becomes challenging, we certainly would be</p> <p>18 calling her now that we know she's coming and we certainly</p> <p>19 would -- I'm just trying to figure out whether we can do it</p> <p>20 all in one day, whether it is a day on their case or a day</p> <p>21 on our case on that particular witness. But if they feel</p> <p>22 that they need to have her in their case in chief, that's a</p> <p>23 determination they need to make. I just don't -- I'm just</p> <p>24 trying to minimize the schedule conflicts for that witness.</p> <p>25 THE COURT: Well, I think it would be preferable if</p>

Page 2736

1 we could get her Friday and maybe it is up to the plaintiffs  
2 to communicate with Mr. Moskowitz about her availability.  
3 If not then, when?

4 MR. KISE: Okay. That's fine.

5 MS. GREENFIELD: I just want to also point out that  
6 Friday is a half day, so whoever's testimony we think is  
7 going to take the least amount of time between Donald Jr.,  
8 Eric and Ivanka, that should be scheduled for Friday just  
9 for the Court's logistics.

10 MR. ROBERT: I would need to know that now because  
11 as things stand now, Donald Trump, Jr. on Wednesday and Eric  
12 Trump for Thursday and since we need five days notice, can  
13 you confirm that now that that's your order?

14 MR. WALLACE: We provided you guys notice earlier  
15 that we might call them as soon as Monday, but I think that  
16 is the order. I would propose that Eric Trump be ready to  
17 testify whenever Donald Trump, Jr. is completed, so that  
18 could be Wednesday. That would be the order, Donald Trump,  
19 Jr. and then Eric Trump to clarify.

20 MR. ROBERT: And then Ivanka last?

21 THE COURT: Yes.

22 MR. KISE: I don't know about prior notice. I just  
23 know if we are talking about Wednesday and Thursday, that  
24 would be five days in any event, right?

25 MR. ROBERT: That's fine.

Page 2737

1 MR. WALLACE: And we can work with Mr. Moskowitz  
2 and the defendants if there are issues with Ivanka Trump or  
3 if there is some -- but we are definitely calling her as  
4 part of our case in chief.

5 MR. KISE: Okay.

6 THE COURT: Okay. I will say again. It is my  
7 understanding that defendants do not have a standing to  
8 object, but I don't mind them being part of the process as a  
9 courtesy, whatever. Maybe Mr. Kise is right. Maybe he does  
10 have standing.

11 MR. KISE: They certainly objected or you allowed  
12 them to speak yesterday when I was talking about the other  
13 matter in the morning and I told you I didn't think they had  
14 a dog in the hunt, but you allowed them to speak in any  
15 event.

16 THE COURT: In any event, Monday, ten o'clock,  
17 okay. Thanks, everybody. Great weekend.

The Honorable Judge Arthur Engoron presiding. 3 Please make sure all cell phones are on silent. Laptops and 4 cell phones will be permitted, but only to members of the 5 press. There is absolutely no recording or photography of 6 any kind allowed in the courtroom. Now be seated and come 7 to order. 8 THE COURT: Good morning. Either the room is 9 getting bigger or more people are showing up. 10 In this case, as in I'm sure others, the 11 housekeeping matters can be explored as actual testimony, 12 not last week's, but I understand we have a couple of 13 housekeeping matters. I'll just start with the plaintiff 14 because they're the plaintiff. 15 MR. WALLACE: Thank you, Your Honor. 16 Just the primary issue is that there is a change 17 from the end of last week is the scheduling of the testimony 18 for Ivanka Trump. We've had a number of e-mail exchanges 19 with Ms. Trump and her counsel over the weekend and I think 20 we have come to an agreement we will not be able to complete 21 her testimony on Friday, the 3rd of this week and so the OAG 22 had proposed November 8th and 9th, but because of travel 23 obligations of -- that Ms. Trump had, she had proposed 24 Wednesday, November 15, which is not ideal from our 25 perspective, but the OAG is willing to book that date and</p>

We would just need 2 agreement from the Court and from defendants that our case 3 would not actually close with our final witness of Mr. Trump 4 but would remain open for her testimony on the 15th. 5 THE COURT: Clearly as we work this out in that 6 fashion, there is going to be any -- how long do you think 7 the direct examination would be and how long do we think the 8 cross examination will be? 9 MR. WALLACE: I think we would certainly complete 10 it within the day, but I don't think it would take a full 11 trial day and that we could do it with three to four hours 12 of testimony. 13 THE COURT: You mean three to four hours of direct? 14 MR. WALLACE: Correct. 15 THE COURT: How long do you think cross 16 examination? 17 MR. KISE: Probably a little less than that. I 18 think overall it will be a full trial day between the 19 government and the defense. That's I think why the 3rd 20 doesn't really work just because we would get started and 21 they might even finish their direct on the 3rd, but we're 22 fine with the proposal if the Court is okay with it. 23 THE COURT: I have one creative thought. Let me 24 run it by the person who sits along side of me. 25 (Whereupon, there is a pause in the proceedings.)</p>

<p>1 THE COURT: We have things scheduled for Friday</p> <p>2 afternoon, the proverbial other cases we have. Any chance</p> <p>3 of turning Friday into an all day? We would just have to</p> <p>4 move things, which would be a bit of a pain, but might be a</p> <p>5 better alternative. Let's hear from both sides.</p> <p>6 Plaintiff?</p> <p>7 MR. WALLACE: Certainly. I think we would have no</p> <p>8 objection to that.</p> <p>9 MR. KISE: I would have to note, for me, at least I</p> <p>10 don't know about the rest of us, since that's our only</p> <p>11 afternoon off for other cases, that may pose a bit of a</p> <p>12 train wreck on our side just because we've got -- I know</p> <p>13 it's hard to imagine there is anything else going on in the</p> <p>14 world right now other than this trial. Certainly happy to</p> <p>15 explore this afternoon and try and work that out. I'm not</p> <p>16 philosophically opposed to it, but I just don't know</p> <p>17 logistically if it's an option.</p> <p>18 THE COURT: Let's talk about it after the lunch</p> <p>19 break. It would be so much easier for her in particular,</p> <p>20 right?</p> <p>21 So other housekeeping matters by the plaintiff?</p> <p>22 MR. WALLACE: That was the only issue. Otherwise,</p> <p>23 we're prepared to proceed on the issue we laid out at the</p> <p>24 end of last week.</p> <p>25 THE COURT: What is the story with Mr. Solomon?</p>		<p>1 flow from unit sales prepared by Ray Flores 10/20/2103?"</p> <p>2 Do you recall that we had looked at that before?</p> <p>3 A I believe so, yes.</p> <p>4 Q And I believe you testified that you did recall putting</p> <p>5 this together, this cash flow analysis, that's referenced in</p> <p>6 line 751; right?</p> <p>7 A Yes.</p> <p>8 Q Were you aware in this time frame that your cash flow</p> <p>9 analysis was being used for the purpose of valuing this asset</p> <p>10 for Mr. Trump's statement of financial condition?</p> <p>11 A No, I was not.</p> <p>12 Q Now, let's go ahead and -- what was the business</p> <p>13 purpose by the way for your preparation of the cash flow</p> <p>14 analysis that's referenced here?</p> <p>15 A I believe I was keeping track of the properties's</p> <p>16 performance and that's the extent of what I thought I was doing.</p> <p>17 Q And you were doing that at the direction of Eric Trump;</p> <p>18 correct?</p> <p>19 A I believe at this time it was David Orowitz.</p> <p>20 Q And at some point in time when you were preparing the</p> <p>21 cash flow analysis was it at Mr. Eric Trump's direction after</p> <p>22 Mr. Orowitz left the company?</p> <p>23 A It would have been -- I don't recall.</p> <p>24 Q Let's go ahead and look at the 2016 Jeff Supporting</p> <p>25 Data spreadsheet, which is Exhibit 742 in evidence. And if we</p>

<p>1 MR. WALLACE: We'll go off the record for this?</p> <p>2 MR. KISE: Sure.</p> <p>3 THE COURT: Okay.</p> <p>4 (Whereupon, there is an off-the-record discussion</p> <p>5 held.)</p> <p>6 THE COURT: Let's call the next witness ASAP.</p> <p>7 MR. AMER: Thank you, Your Honor. We recall to the</p> <p>8 stand Raymond Flores.</p> <p>9 THE COURT OFFICER: Witness entering.</p> <p>10 (Whereupon, the witness enters the courtroom and</p> <p>11 approaches the witness stand.)</p> <p>12 THE COURT: I'll remind the witness, witness, as I</p> <p>13 always do, you're still under oath.</p> <p>14 THE WITNESS: Yes.</p> <p>15 THE COURT: Please proceed. Continue.</p> <p>16 CONTINUED DIRECT EXAMINATION</p> <p>17 BY MR. AMER:</p> <p>18 Q Welcome back, Mr. Flores. I'd like to quickly review</p> <p>19 where we ended your examination a week ago last Friday.</p> <p>20 We were discussing the joint venture Vegas property and</p> <p>21 we had looked at the 2017 Jeff Supporting Data spreadsheet,</p> <p>22 which is Plaintiff's Exhibit 719 in evidence. And if we could</p> <p>23 go to Row 751, which we had looked at before.</p> <p>24 It states in Row 751 that the values listed for</p> <p>25 June 30, 2013 and June 30, 2014 are, quote, "based on the cash</p>		<p>1 go to Row 816, this is now for the next two years 2015 and 2016.</p> <p>2 Same note or similar note on Row 816 says "based on the cash</p> <p>3 flow from unit sales prepared by Ray Flores."</p> <p>4 You recall that you continued preparing this cash flow</p> <p>5 analysis?</p> <p>6 A Yes.</p> <p>7 Q And am I correct that you were not aware in this time</p> <p>8 frame that your cash flow analysis was being used for the</p> <p>9 purpose of valuing this asset in Mr. Trump's Statement of</p> <p>10 Financial Condition?</p> <p>11 A That's correct.</p> <p>12 Q Now, if we could look at the next two years the 2018</p> <p>13 Jeff Supporting Data spreadsheet that's Exhibit 774 in evidence</p> <p>14 and if we could go to Row 841 that's where Vegas begins.</p> <p>15 And do you see, Mr. Flores, that there is no longer any</p> <p>16 reliance based on the notation to your spreadsheet, your cash</p> <p>17 flow analysis, rather?</p> <p>18 A Can you scroll down, please?</p> <p>19 (Whereupon, there is a pause in the proceedings.)</p> <p>20 A Yes, that's correct.</p> <p>21 Q So your cash flow analysis was no longer being</p> <p>22 referenced as the basis for the valuation in either 2017 or</p> <p>23 2018; correct?</p> <p>24 A That appears to be the case.</p> <p>25 Q Let's go ahead and pull up Plaintiff's Exhibit 1208</p>	

<p>R. Flores - Plaintiff - direct (Amer) Page 2746</p> <p>1 native. And the document I've handed you is a series of e-mail 2 exchanges that include you as a sender and recipient; correct? 3 A Yes. 4 Q And you'll see the last page is an attachment that's a 5 document prepared natively. Do you see that? 6 A Can you show me the document, please? 7 Q Well, just that last page is a slip sheet for an 8 attachment? 9 A Yes. 10 Q Provided natively. And we'll look at that in a moment. 11 And I just want you to notice that's a native attachment. Do 12 you see that? 13 A Yes. 14 Q And you'll see in on the first page of the exhibit your 15 e-mail in the middle of page to Mr. McConney, Jeff. "As 16 discussed, please find the updated workbook attached," and then 17 he forwards that on to Mr. Birney in the e-mail above that. Do 18 you see that? 19 A Yes. 20 Q And the attachment, the Trump rough and financial 21 model, that's your cash flow analysis; correct? 22 A Yes, I believe so. 23 Q Let's go ahead and put up the native of 1208. 24 And do you recognize this as your cash flow analysis 25 that was forwarded by you to Mr. McConney and that is as of</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2748</p> <p>1 A Yes. 2 Q Were you made aware, Mr. Flores, of a decision to stop 3 using your cash flow analysis to value this Vegas asset for 4 Mr. Trump's Statement of Financial Condition as of the 2017 5 statement? 6 A No, not that I recall. 7 Q Before we move on to a new property I just wanted to 8 quickly circle back to Niketown to see if I could refresh your 9 recollection on a couple of points. 10 You'll recall we had looked at the 2020 Jeff Supporting 11 Data spreadsheet, which is Exhibit 857 in evidence and Row 88 is 12 where Niketown begins, so if we could look there. 13 Do you recall we had looked at this before? 14 A Yes. 15 Q And if you go to Rows 88 to 103 you will see that there 16 is a method used to value the property in 2019 from Rows 88 to 17 103 that produce a value of 445 million. Do you see that? 18 A Yes. 19 Q And then if we just go down to Row 106, you'll see that 20 there is a change in methodology for 2020 that says "value per 21 20 year discounted cash flow from Ray Flores." Do you see that? 22 A Yes. 23 Q And I believe your testimony was that you don't recall 24 performing a 20 year discounted cash flow analysis for Niketown 25 for 2020; is that right?</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2747</p> <p>1 June 30, 2017? 2 A Yes. 3 MR. AMER: Your Honor, I ask to move into evidence 4 Plaintiff's Exhibit 1208, including the spreadsheet. 5 THE COURT: Granted. It's in evidence. 6 (Whereupon, the item previously referred to is 7 received and marked Plaintiff's Exhibit Number 1208 in 8 evidence.) 9 Q And if you look at Row 37 of your spreadsheet that has 10 the cash flow to Trump; correct? 11 A Yes, that's what the document says. 12 Q And so the value of the cash flow to Trump for your 13 cash flow analysis has a total value of a little over 14 \$77 million; is that right? 15 A Yes. 16 Q Okay. If we could now split the screen and look at 17 Plaintiff's Exhibit 774, which is the 2018 Jeff Supporting Data 18 spreadsheet in evidence that we were just looking at. 19 If we could go to Row 872 and go over to Column G. 20 That's the June 30, 2017 value for this property which 21 is slightly over 102 million; correct? 22 A Yes, that's what the document says. 23 Q Okay. And that value for the Vegas property as of 24 June 30, 2017 is about \$25 million, more than the \$77 million 25 value in your cash flow analysis; correct?</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2749</p> <p>1 A Yes, that's correct. 2 Q And then I showed you the 20 year discounted cash flow 3 analysis for Nike for 2020 which we could put up on the screen 4 now. It's PX 857. Anyway, I believe we put up a spreadsheet 5 and when we looked at that spreadsheet you still did not recall 6 whether it was your work product. Do you remember that? 7 A Yes. 8 Q So we're going to look at a few more pieces of evidence 9 to see if it refreshes your recollection about the 20 year 10 discounted analysis for 2020. 11 MR. AMER: Let's go ahead and look at an earlier 12 draft of the 2020 Jeff Supporting Data, which is Plaintiff's 13 Exhibit 2293 in native and let's go ahead and look at 14 Row 118 and actually go down a little bit further just so we 15 can see the Niketown section. The other way. Sorry. 16 Q You see this is the section starting at 86 that relates 17 to Niketown. Do you see that? 18 A Yes. 19 Q And in this earlier draft of the Jeff Supporting Data 20 spreadsheet for 2020 you'll see rather than reference the 20 21 year discounted cash flow analysis, it has -- starting in 22 Row 105 and going down, a method -- keep going -- a method that 23 takes the net operating income shown in 117 and divides it by a 24 cap rate of four percent to produce a value of 265.1 million. 25 Do you see that?</p>

<p>R. Flores - Plaintiff - direct (Amer) Page 2750</p> <p>1 A Yes.</p> <p>2 Q Do you --</p> <p>3 MR. AMER: Well, let me move to admit this exhibit,</p> <p>4 Your Honor.</p> <p>5 THE COURT: Granted. It's in evidence.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 857 in</p> <p>8 evidence.)</p> <p>9 Q Do you recall Mr. McConney asking you to come up with</p> <p>10 additional reasoning -- actually, before we get there I'll</p> <p>11 withdraw that.</p> <p>12 If you look at line 123, you'll see it says "cap rate."</p> <p>13 And you see there is a note below it for 6/30/2020 that says</p> <p>14 "given the prime location in the plaza district, the proximity</p> <p>15 to Trump Tower and the high profile tenant, we use the same four</p> <p>16 percent cap rate as Trump Tower." Do you see that note?</p> <p>17 A Yes.</p> <p>18 Q Do you recall Mr. McConney asking you to come up with</p> <p>19 additional reasoning to justify using the four percent cap rate</p> <p>20 for Niketown in the 2020 Statement of Financial Condition</p> <p>21 because Mr. Bender was pushing back on using the four percent</p> <p>22 cap rate?</p> <p>23 A I don't recall, no.</p> <p>24 Q You don't recall that.</p> <p>25 If I suggested to you that he made such a request to</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2752</p> <p>1 received and marked Plaintiff's Exhibit Number 397 in</p> <p>2 evidence.)</p> <p>3 THE COURT: I don't know how these things work. Is</p> <p>4 there a transcript of that that will actually be in evidence</p> <p>5 or just this recording?</p> <p>6 MR. AMER: We can transcribe it and put that in as</p> <p>7 an exhibit as well.</p> <p>8 THE COURT: Please do.</p> <p>9 MR. AMER: Okay. We will.</p> <p>10 Q Do you recall, Mr. Flores, that in lieu of convincing</p> <p>11 Mr. Bender to accept the four percent cap rate you and others</p> <p>12 working on the preparation of the 2020 Statement of Financial</p> <p>13 Condition used the 20 year cash flow analysis we've been</p> <p>14 discussing as an alternative method for valuing Niketown in</p> <p>15 2020?</p> <p>16 A I'm sorry, can you repeat the question?</p> <p>17 Q Sure. Do you recall -- and we've listened to this</p> <p>18 voicemail message where Mr. McConney is asking you to come up</p> <p>19 with additional reasons to justify the four percent cap rate.</p> <p>20 Do you recall that in lieu of trying to convince</p> <p>21 Mr. Bender to accept the four percent cap rate you and others</p> <p>22 working on the preparation of the 2020 Statement of Financial</p> <p>23 Condition used the 20 year cash flow analysis we've been</p> <p>24 discussing as an alternative method for valuing Niketown in</p> <p>25 2020?</p>
