<p>R. Flores - Plaintiff - direct (Amer) Page 2751</p> <p>1 you on Christmas Eve of 2020, does that ring a bell?</p> <p>2 A No.</p> <p>3 Q Mr. Flores, were you aware that as part of discovery in</p> <p>4 this case and in the investigation you received production of</p> <p>5 voicemail messages that were left on your office phone?</p> <p>6 A No.</p> <p>7 Q Okay.</p> <p>8 MR. AMER: Your Honor, I'd like to play an audio</p> <p>9 file which is a voicemail message that Mr. McConney left on</p> <p>10 Mr. Flores' phone that we marked at PX 397 and then I'll ask</p> <p>11 you if it refreshes your recollection.</p> <p>12 THE COURT: Go ahead.</p> <p>13 (Whereupon, there is a pause in the proceedings.)</p> <p>14 Q I know you -- he spoke a little quickly. I don't know</p> <p>15 if you need to play it over again or not, but my question is</p> <p>16 whether that refreshes your recollection that Mr. McConney left</p> <p>17 you a message on Christmas Eve Of 2020 asking you to come up</p> <p>18 with additional reasoning to justify using the four percent cap</p> <p>19 rate for Niketown?</p> <p>20 A No, I don't recall that.</p> <p>21 Q Okay.</p> <p>22 MR. AMER: Your Honor, I ask that the voicemail</p> <p>23 message be admitted into evidence.</p> <p>24 THE COURT: Granted. It's in evidence.</p> <p>25 (Whereupon, the item previously referred to is</p>	<p>Page 2753</p> <p>1 A No, I don't recall.</p> <p>2 Q Let's go ahead and put up Plaintiff's Exhibit 3294 in</p> <p>3 native. This is a draft 20 year cash flow analysis for Niketown</p> <p>4 for 2020. Do you recall creating this analysis shortly after</p> <p>5 receiving -- well, shortly after Christmas Eve of 2020?</p> <p>6 A No, I don't recall that.</p> <p>7 MR. AMER: Let's go ahead and mark as 3295, the</p> <p>8 metadata for this spreadsheet.</p> <p>9 Q Mr. Flores, this document is a printout of the metadata</p> <p>10 that was produced along with the spreadsheet we were just</p> <p>11 looking at. And if you go down you will see that it says the</p> <p>12 author is you. Do you see that?</p> <p>13 A Yes, that's what this says.</p> <p>14 Transcript continues on the following page....</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2754</p> <p>1 Q And you will see that the created date is December 28, 2 2020. Do you see that?</p> <p>3 A Yes.</p> <p>4 MR. AMER: Your Honor, I'll represent, and the 5 Court can take judicial notice, that the very first business 6 day after Christmas Eve in 2020, which fell on a Thursday, 7 is Monday, the 28th of December.</p> <p>8 THE COURT: I'll assume that's correct.</p> <p>9 Q So this metadata shows that the very first business day 10 after Mr. McConney left you the voicemail message that we 11 listened to, there is a 20-year cash flow analysis that the 12 metadata indicates was created by you on that date, the 28th. 13 Do you see that?</p> <p>14 A That's what the document says.</p> <p>15 Q Does this refresh your recollection, Mr. Flores, that 16 you prepared the 20-year cash flow analysis that we've marked as 17 Plaintiff's Exhibit 3294 shortly after Christmas Eve as an 18 alternative valuation method for Niketown because Mr. Bender was 19 pushing back on using a cap rate of four percent?</p> <p>20 A No, it doesn't.</p> <p>21 Q So you have no recollection of doing this work based on 22 a Christmas Eve 2020 voicemail message less than three years ago 23 today, correct?</p> <p>24 A Correct.</p> <p>25 Q Just to close the loop, let's compare the MPV value on</p>	<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2756</p> <p>1 A No, it's not refreshed.</p> <p>2 Q In terms of the statements that you worked on 3 preparing, I believe you previously testified that you believed 4 you worked on the statement as of June 30, 2020, but that you 5 didn't recall if you also worked on preparing the Statement of 6 Financial Condition as of 6/30/21 before you left the company in 7 March of 2022. Did I get that right?</p> <p>8 A Yes, that's correct.</p> <p>9 Q Let me see if I could refresh your recollection. We 10 did receive in production along with an audio file of a phone 11 message that Mr. Birney left for you some metadata attached to 12 that audio file, all of which gets produced in something called 13 a Cellebrite file.</p> <p>14 MR. AMER: So I would like to mark as Plaintiff's 15 Exhibit 3300 which I'm going to hand to the witness a report 16 generated by the metadata from Cellebrite file.</p> <p>17 Q I may have misspoke, but this is a message that was 18 left for Patrick Birney, not by him, and based on Plaintiff's 19 Exhibit 3300, which is the report for the audio message, it says 20 that the message was left on August 2nd of 2021 and it has the 21 phone number of the message of the phone that was calling, 22 leaving the message, and you'll see it is (212) 715-7282. 23 That's your office number, isn't it?</p> <p>24 A It was, yes.</p> <p>25 Q And you'll see it's a 27-second message that is being</p>
<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2755</p> <p>1 the spreadsheet that we were looking at.</p> <p>2 MR. AMER: If we could put that back up.</p> <p>3 Q You'll see the MPV value in Row 14 is \$252,779,805?</p> <p>4 A Correct.</p> <p>5 Q And again, this is the spreadsheet that has the 6 metadata that says you are the author of this document based on 7 what we were looking at, right?</p> <p>8 A That's correct. Correct.</p> <p>9 Q And let's put up next to this the final 2020 Jeff 10 Supporting Data spreadsheet that is Exhibit 857 in evidence and 11 let's go to Row 86 where Niketown starts and then if you go to 12 Row 106, which has the value that is attributed to you, same 13 value that's in the spreadsheet -- sorry. The analysis that 14 the metadata says you created on December 28, 2020, correct?</p> <p>15 A Yes.</p> <p>16 Q Mr. Flores, having looked at a number of 20-year 17 discounted cash flow spreadsheets for Niketown, the metadata for 18 one of those spreadsheets identifying you as the author, the 19 Jeff Supporting Data spreadsheets attributing the spreadsheets 20 to you and the voicemail message that Mr. McConney left for you 21 on Christmas Eve in 2020 asking for your assistance, is your 22 recollection now refreshed that less than three years ago, you 23 created a 20-year cash flow analysis for Niketown to be used to 24 value the property in 2020 for Mr. Trump's Statement of 25 Financial Condition?</p>	<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2757</p> <p>1 retrieved from the phone of Mr. Birney?</p> <p>2 MR. AMER: Your Honor, I'd like to have this 3 document 3300, admitted into evidence.</p> <p>4 THE COURT: Granted. It is in . 5 (Whereupon, the Audio recording was marked in 6 evidence as Plaintiff's Exhibit 3300.)</p> <p>7 MR. KISE: For what purpose, Your Honor?</p> <p>8 THE COURT: Mr. Amer, you can say it better than I 9 can.</p> <p>10 MR. AMER: We are going to play the message. This 11 tells us who the message is coming from and the date of the 12 message.</p> <p>13 MR. KISE: Okay. All of these are being used, 14 though, to refresh recollection. Is there some purpose that 15 the hearsay itself is coming into evidence, the same is true 16 as the other message.</p> <p>17 MR. AMER: I did not admit them for a limited 18 purpose Your Honor. I admitted them into evidence because 19 they're all admissible for all purposes. They are party 20 admissions against interest.</p> <p>21 THE COURT: Well, I don't know what this new one 22 will show, but the last one was relevant to how things were 23 playing out there, simply put.</p> <p>24 MR. AMER: Is it in evidence?</p> <p>25 THE COURT: The metadata?</p>

R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2758	R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2760
<p>1 MR. KISE: We haven't heard it yet.</p> <p>2 MR. AMER: No.</p> <p>3 THE COURT: We could wait --</p> <p>4 MR. AMER: It was this report admitted in evidence.</p> <p>5 Now, we are going to play the message.</p> <p>6 THE COURT: If we haven't heard the metadata, we</p> <p>7 don't -- if we haven't heard the -- what you're going to</p> <p>8 play, I don't know whether the metadata is relevant. So why</p> <p>9 don't we wait until we hear.</p> <p>10 MR. AMER: Okay.</p> <p>11 Q Let's go ahead and play the voicemail message that was</p> <p>12 left from your phone number.</p> <p>13 (Whereupon, the audio recording was played.)</p> <p>14 MR. AMER: Do we need to hear it one more time?</p> <p>15 THE COURT: No, I don't. Anybody else does?</p> <p>16 Q That was your voice, Mr. Flores, was it not?</p> <p>17 A Yes.</p> <p>18 THE COURT: They're both in evidence now.</p> <p>19 MR. AMER: Thank you, Your Honor.</p> <p>20 Q You were leaving a message for Mr. Birney saying that</p> <p>21 Eric had asked you to reach out to him about preparation of the</p> <p>22 financial statement, correct?</p> <p>23 A Correct.</p> <p>24 Q And that Eric was Eric Trump, right?</p> <p>25 A Yes.</p>	<p>1 this refresh your recollection." He says no and now it is</p> <p>2 in evidence for all purposes at least according to them and</p> <p>3 I'm just wondering how that can be because that's not really</p> <p>4 consistent with the line of questioning. If they're</p> <p>5 introducing hearsay to -- well, if they're introducing</p> <p>6 hearsay evidence to prove the truth of the matter asserted</p> <p>7 and not meaning the substance of the communication, not to</p> <p>8 establish either that this witness doesn't remember or not</p> <p>9 to establish that a conversation may or may not have taken</p> <p>10 place. Those are just two very different things.</p> <p>11 MR. AMER: It is absolutely being offered into</p> <p>12 evidence and has been in my view admitted into evidence to</p> <p>13 prove the truth of the matters asserted which is that what</p> <p>14 is stated in both messages is a correct statement of what</p> <p>15 was going on at the time. The fact that he doesn't</p> <p>16 remember, it is also something that's very interesting and</p> <p>17 pertinent, but it is not the sole basis for wanting to get</p> <p>18 those into evidence.</p> <p>19 THE COURT: Probably not the main basis, but in any</p> <p>20 event, I think Mr. Amer adopted my phraseology what was</p> <p>21 going on. I want to know who was talking to whom about what</p> <p>22 in terms of these financial statements, who was</p> <p>23 communicating with whom about what numbers were going to be</p> <p>24 put in place. Is that a fair statement?</p> <p>25 MR. AMER: Yes, absolutely, Your Honor.</p>
R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2759	R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2761
<p>1 Q And this is a phone message you were leaving for Mr.</p> <p>2 Birney in mid 2021, right?</p> <p>3 A That's what the metadata says.</p> <p>4 Q And does the fact that Eric Trump touched base with you</p> <p>5 in mid 2021 about having you work on the preparation of the</p> <p>6 financial statement refresh your recollection that you indeed</p> <p>7 were involved in the preparation of the 2021 Statement of</p> <p>8 Financial Condition?</p> <p>9 A I could have been. I don't recall.</p> <p>10 Q No doubt, though, that that was your voice --</p> <p>11 A Yes.</p> <p>12 Q -- leaving that message for Mr. Birney, correct?</p> <p>13 A Correct.</p> <p>14 MR. KISE: So Your Honor, just to clarify, I guess</p> <p>15 this is where I'm not stating it correctly. Is this message</p> <p>16 and the subsequent -- or the prior message being introduced</p> <p>17 to establish that Mr. Flores doesn't actually remember what</p> <p>18 took place? Is it being introduced to establish that it, in</p> <p>19 fact, took place? I'm just -- I think those are two very</p> <p>20 different things. If the government is trying to establish</p> <p>21 that Mr. Flores doesn't remember something that happened,</p> <p>22 because that's what the questions are.</p> <p>23 THE COURT: I'm sure that's not the reason; am I</p> <p>24 correct?</p> <p>25 MR. KISE: That's all the questions are. "Does</p>	<p>1 MR. KISE: Then with respect to the -- this</p> <p>2 statement since Mr. Flores accurately acknowledged that it</p> <p>3 was his voice on the message and, in fact, he has no reason</p> <p>4 to doubt it, then the foundation has been laid. With</p> <p>5 respect to the McConney message, which the witness doesn't</p> <p>6 remember and doesn't recall, you would need Mr. McConney</p> <p>7 here to say, yes, in fact, I left that message unless this</p> <p>8 witness can say he did leave the message. This witness</p> <p>9 can't get in a hearsay statement even if it is an admission</p> <p>10 by a party.</p> <p>11 THE COURT: Even if it is an admission by a party?</p> <p>12 That's classic --</p> <p>13 MR. KISE: But we don't know whether it is or not</p> <p>14 unless someone has authenticated it for that purpose.</p> <p>15 MR. AMER: Do you need me to respond? It is a</p> <p>16 voicemail message produced in discovery by the defendants.</p> <p>17 Mr. McConney is a defendant in this case. It is an</p> <p>18 admission against interest, clear, classic traditional to</p> <p>19 the hearsay rule.</p> <p>20 MR. KISE: I don't know why it is being admitted</p> <p>21 other than that he called Mr. Flores.</p> <p>22 MR. AMER: I think it is admitting quite a bit and</p> <p>23 that's for argument.</p> <p>24 MR. KISE: I'll leave it there.</p> <p>25 THE COURT: It is in evidence for the "quite a</p>

<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2762</p> <p>1 bit."</p> <p>2 MR. AMER: Thank you, Your Honor.</p> <p>3 Q We are now going to move, Mr. Flores, to a different</p> <p>4 property, Doral. Do you recall from your prior testimony</p> <p>5 discussing Poer &amp; Company the tax certiorari firm?</p> <p>6 A Yes.</p> <p>7 Q You previously testified that the firm handled property</p> <p>8 tax assessment appeals in Florida for the Trump Organization,</p> <p>9 right?</p> <p>10 A Correct.</p> <p>11 Q You mentioned that you worked with that firm in</p> <p>12 connection with reviewing property tax assessments of Trump</p> <p>13 Organization properties in Florida, right?</p> <p>14 A Yes.</p> <p>15 MR. AMER: I'd like to introduce Plaintiff's</p> <p>16 Exhibit 3211.</p> <p>17 Q You will see that this is an e-mail from Tony Garcia at</p> <p>18 Poer &amp; Company to you. Do you see that?</p> <p>19 A Yes.</p> <p>20 Q Is Mr. Garcia one of the individuals you interacted</p> <p>21 with on tax assessment appeal matters that Poer &amp; Company filed</p> <p>22 on behalf of the Trump Organization?</p> <p>23 A Yes.</p> <p>24 MR. AMER: Your Honor, I ask that this be admitted</p> <p>25 into evidence.</p>	<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2764</p> <p>1 MR. AMER: Let's go ahead and mark Exhibit 3209.</p> <p>2 Your Honor, this is the official notice of proposed property</p> <p>3 taxes from the Miami-Dade property appraiser that's</p> <p>4 available on the government's website and I move that this</p> <p>5 be admitted into evidence as a business record from a</p> <p>6 government website.</p> <p>7 THE COURT: Granted. It is in.</p> <p>8 (Whereupon, the Document was marked in evidence as</p> <p>9 Plaintiff's Exhibit 3209.)</p> <p>10 MR. KISE: Your Honor, just briefly. I mean, I'm</p> <p>11 assuming this is a public record, so that satisfies that</p> <p>12 basis; but I'm just wondering what's the relevance of this</p> <p>13 document. Why is this coming in?</p> <p>14 THE COURT: I guess we'll find out.</p> <p>15 MR. KISE: Okay. Subject to connection.</p> <p>16 MR. AMER: Indeed.</p> <p>17 THE COURT: Okay.</p> <p>18 Q If we go down, down the document, you'll see that</p> <p>19 there's value information column. Keep going. You see it says,</p> <p>20 "Value information, prior value 2019, current value 2020."</p> <p>21 There are two columns. Well, multiple columns. There is a</p> <p>22 market value column and then there are two assessed value</p> <p>23 columns. Do you see that?</p> <p>24 A Yes.</p> <p>25 Q And the market value in both years is \$78 million,</p>
<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2763</p> <p>1 THE COURT: Granted. It is in.</p> <p>2 (Whereupon, the Document was marked in evidence as</p> <p>3 Plaintiff's Exhibit 3211.)</p> <p>4 Q Now, if you look at the e-mail starting with the second</p> <p>5 sentence of the first full paragraph, he says, "Per our</p> <p>6 conversation, we will withdraw the RE appeals for lack of</p> <p>7 supporting evidence."</p> <p>8 First of all, do you recall what "RE" stands for in</p> <p>9 that sentence?</p> <p>10 A Real estate.</p> <p>11 Q Real estate, okay.</p> <p>12 Do you have a recollection of having this discussion</p> <p>13 with Mr. Garcia about the real estate appeals for Doral?</p> <p>14 A This specific discussion, it seems familiar.</p> <p>15 Q And Mr. Garcia goes on to say, "Our opinion is the</p> <p>16 property was fairly too favorably assessed as of the 1/1/2020</p> <p>17 assessment date." The "YE 2019," we can agree that means year</p> <p>18 end, the year?</p> <p>19 A Correct.</p> <p>20 Q "The year end 2019 operating statement still supports</p> <p>21 the county's value as being fair." Do you see that?</p> <p>22 A Yes.</p> <p>23 Q Do you recall what the property appraiser determined</p> <p>24 was the market value of Doral for 2020?</p> <p>25 A No, I don't recall.</p>	<p>R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2765</p> <p>1 correct?</p> <p>2 A Correct.</p> <p>3 Q And that is the market value that Mr. Garcia from Poer</p> <p>4 &amp; Company was indicating in his e-mail to you as being fair,</p> <p>5 correct?</p> <p>6 A I believe so.</p> <p>7 Q Let's go ahead now and --</p> <p>8 MR. AMER: Oh, I think we had your ruling that this</p> <p>9 is admitted?</p> <p>10 THE COURT: Yes.</p> <p>11 MR. AMER: Okay.</p> <p>12 Q Let's go ahead and turn to Mar-A-Lago. And before we</p> <p>13 talk about Mar-A-Lago, I wanted to just put up plaintiff's</p> <p>14 demonstrative Exhibit 3.10, just so that we can all see the</p> <p>15 values of Mar-A-Lago for the 11-year period in the Statements of</p> <p>16 Financial Condition.</p> <p>17 THE COURT: But before we --</p> <p>18 MR. KISE: Before we get there, was that the</p> <p>19 connection? I'm lost. Was that the connection? We are</p> <p>20 moving away from this exhibit now. It was offered subject</p> <p>21 to connection. Maybe I missed the connection.</p> <p>22 THE COURT: Well, I think the connection was market</p> <p>23 value and \$78 million.</p> <p>24 MR. AMER: That's right.</p> <p>25 MR. KISE: So this is being offered as the actual</p>

R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2766	R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2768
<p>1 market value of the property in this year, just so I'm</p> <p>2 clear?</p> <p>3 THE COURT: Well, the tax assessor's view and I</p> <p>4 think Mr. Garcia's view of the market value. That's what it</p> <p>5 says. Now, Mr. Kise, you can certainly argue that there are</p> <p>6 different market values, but it is still relevant.</p> <p>7 MR. KISE: Okay. Same objection, but thank you,</p> <p>8 Judge.</p> <p>9 Q I just wanted all of us to familiarize ourselves with</p> <p>10 the values for Mar-A-Lago that are in this statements from 2011</p> <p>11 to 2021.</p> <p>12 Mr. Flores, we heard testimony from Mr. McConney that</p> <p>13 every year from 2011 to 2021, Mar-A-Lago was valued as if it</p> <p>14 could be sold as a private residence. Do you have an</p> <p>15 understanding that Mar-A-Lago was being valued as a private</p> <p>16 residence when you were working with others to prepare</p> <p>17 valuations for the Statements of Financial Condition?</p> <p>18 A I don't recall, no.</p> <p>19 Q Do you have any reason to doubt Mr. McConney's</p> <p>20 testimony that every year it was being valued as a private</p> <p>21 residence?</p> <p>22 A No.</p> <p>23 Q Let's go ahead --</p> <p>24 MR. KISE: Objection; foundation.</p> <p>25 MR. AMER: I think there was foundation because the</p>	<p>1 question? That's the first question. Any reason to doubt?</p> <p>2 I mean, he's not demonstrated that the witness has any basis</p> <p>3 to know one way or the other.</p> <p>4 THE COURT: Please explain the basis which I think</p> <p>5 was evident.</p> <p>6 MR. AMER: The basis is that this witness said he</p> <p>7 was personally involved with others in the preparation of</p> <p>8 the 2020 Statement of Financial Condition and I will -- if</p> <p>9 you will refrain from characterizing my questions in a</p> <p>10 pejorative way, I will extend you the same courtesy if and</p> <p>11 when you get to the podium to question witnesses, Mr. Kise.</p> <p>12 MR. KISE: But I'm still -- pejoratives aside, just</p> <p>13 because he was involved in the preparation of the 2020</p> <p>14 Statement of Financial Condition, there's literally hundreds</p> <p>15 of properties. There's all sorts of properties. I mean,</p> <p>16 the question relates to this one particular property and not</p> <p>17 even that one particular property, but a particular aspect</p> <p>18 of that one particular property.</p> <p>19 So to say that I'm involved -- that a witness is</p> <p>20 involved generally in the preparation of the Statements of</p> <p>21 Financial Condition is very different than saying the</p> <p>22 witness was involved specifically with respect to this asset</p> <p>23 and would know specifically Mr. -- have a basis to know one</p> <p>24 way or the other Mr. McConney's rationale.</p> <p>25 THE COURT: Mr. Kise, I think the questions are</p>
R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2767	R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2769
<p>1 witness testified he was involved in discussions with others</p> <p>2 about the preparation of the 2020 Statement of Financial</p> <p>3 Condition. So he has a foundation for knowing if he has any</p> <p>4 reason to doubt Mr. McConney's testimony.</p> <p>5 MR. KISE: But he testified he doesn't know whether</p> <p>6 it was valued as a private residence or not.</p> <p>7 THE COURT: Well, that's his testimony.</p> <p>8 MR. KISE: Right.</p> <p>9 THE COURT: It doesn't mean --</p> <p>10 MR. KISE: Now, any reason -- I mean, is there any</p> <p>11 reason to doubt that it is raining outside? If you know,</p> <p>12 you know. If you can't look out the window, you don't know.</p> <p>13 This witness doesn't have any basis to know what Mr.</p> <p>14 McConney was doing or what he testified to or the accuracy</p> <p>15 of it. It is just sloppy, Your Honor.</p> <p>16 MR. AMER: Well, I take offense to calling my</p> <p>17 questions sloppy, but I think it was appropriate. I think</p> <p>18 the witness said he didn't recall how Mar-A-Lago was valued</p> <p>19 and it is appropriate to ask him if he has any basis to</p> <p>20 dispute Mr. McConney's testimony.</p> <p>21 THE COURT: He doesn't say, "I would have no way of</p> <p>22 knowing that." He says, "I don't recall." The objection is</p> <p>23 overruled.</p> <p>24 MR. KISE: It would be better if he -- I mean,</p> <p>25 does he have any understanding one way or the other is the</p>	<p>1 perfectly appropriate. There was a basis and the witness</p> <p>2 said he didn't remember, didn't know. If we're going to</p> <p>3 have to go through this every time there's some -- you</p> <p>4 perceive an issue with relevance, we'll be here a lot longer</p> <p>5 than I think we need to be.</p> <p>6 I don't want to stop you from presenting your</p> <p>7 defense or questioning the plaintiff's case, but gee, save</p> <p>8 it for something that matters. I don't see that this even</p> <p>9 matters much less I think you're wrong on the merits. So</p> <p>10 let's move on.</p> <p>11 MR. AMER: Thank you, Your Honor.</p> <p>12 MR. KISE: Respectfully, Your Honor, it does</p> <p>13 matter. The rules matter and this witness' knowledge</p> <p>14 matters. This is a highly-technical case, so all of this</p> <p>15 collapsing and conflating that has been done throughout the</p> <p>16 course of their case is inappropriate.</p> <p>17 So I am -- respectfully, I'm not trying to take up</p> <p>18 a lot of time, but I am respectfully going to have to object</p> <p>19 to that. I understand the Court's position and I will just</p> <p>20 make my objection and leave it there. Thank you.</p> <p>21 THE COURT: Yes, the rules matter at a certain</p> <p>22 point. I'm just going to say, and maybe the point is now,</p> <p>23 my ruling is my ruling. I give you some leeway because you</p> <p>24 know what you're doing and this is an important case and the</p> <p>25 details do matter, but if I rule rather than you might just</p>

R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2770	R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2772
<p>1 question whether it really matters, and "I don't know," "I</p> <p>2 don't remember," "I don't think" really matters.</p> <p>3 But anyway, again, a ruling is a ruling and I'll</p> <p>4 give you some leeway as I have this whole trial, but let's</p> <p>5 try -- both of us try to be reasonable about this, okay.</p> <p>6 Let's just move on.</p> <p>7 MR. AMER: Your Honor, I do have to just make a</p> <p>8 simple request. In my experience, evidentiary objections</p> <p>9 are very short and concise. It is the word "objection" and</p> <p>10 maybe five or six words after that. I have reviewed the</p> <p>11 transcripts to date and there are any number of instances</p> <p>12 where Mr. Kise's evidentiary objections go on for pages in</p> <p>13 the record. And then when Your Honor rules against Mr. Kise</p> <p>14 and overrules the objection, it is an invitation for</p> <p>15 reconsideration and we get another several pages of the same</p> <p>16 objection.</p> <p>17 It does three things. It interrupts the flow of</p> <p>18 the examination which is unfair. It educates the witness</p> <p>19 potentially which is improper, and it prolongs the trial.</p> <p>20 So I'm just going to ask not for a particular ruling now,</p> <p>21 but I ask that you consider whether it's now time to</p> <p>22 restrict Mr. Kise when making an evidentiary objection to</p> <p>23 what is the standard practice, which is very short, concise</p> <p>24 statement, the word "objection," and a very quick basis of</p> <p>25 what the objection is.</p>	<p>1 would just say it is a bench trial. We'll just move on. I</p> <p>2 understand the Court's direction and as always, I take it</p> <p>3 under advisement.</p> <p>4 THE COURT: Thank you. I won't make any such broad</p> <p>5 ruling at this point.</p> <p>6 Mr. Kise, obviously you're free to object, but keep</p> <p>7 in mind the point about the deleterious effects of long</p> <p>8 speeches, speaking objections.</p> <p>9 And by the way, Mr. Amer, compared to most judges,</p> <p>10 I probably do allow and actually seek more of an explanation</p> <p>11 on objections. In fact, I often turn to the defense side</p> <p>12 and say "what's the ground." But again, we will all try to</p> <p>13 use commonsense here and let's move on.</p> <p>14 MR. AMER: I appreciate, Your Honor.</p> <p>15 Q Let's look at Exhibit 3214. This is an e-mail from Mr.</p> <p>16 Garcia of Poer &amp; Company to you, cc'd to Mr. Corbiciero on</p> <p>17 November 13th, 2020, correct?</p> <p>18 A Yes.</p> <p>19 Q And you'll see that the second sentence refers to Mr.</p> <p>20 Garcia getting calls from the media about the appeals for</p> <p>21 Mar-A-Lago and Doral. Do you see that?</p> <p>22 A Yes.</p> <p>23 Q Did Poer &amp; Company file an appeal for the 2020 tax</p> <p>24 assessment for Mar-A-Lago on behalf of the Trump Organization?</p> <p>25 A I don't recall.</p>
R. FLORES - PLAINTIFF - DIRECT(MR. AMER) Page 2771	Page 2773
<p>1 THE COURT: Well --</p> <p>2 MR. KISE: Most of the time, Your Honor, that's</p> <p>3 exactly what happens, and then there's a colloquy about why</p> <p>4 do you think -- you asked Mr. Amer how about it. You ask</p> <p>5 me to explain. I mean, this is part of the give and take.</p> <p>6 It is a bench trial. I'm not sure what Mr. Amer's</p> <p>7 experience is and I'm not going to get into pejoratives, but</p> <p>8 I have to make our record.</p> <p>9 If they are now asking -- they're now asking that</p> <p>10 the defense not even be allowed to make its case. They're</p> <p>11 asking that the defense not be allowed to make objections.</p> <p>12 They're asking that the defense not be able to make its</p> <p>13 case. Why don't we just skip over the part where there is a</p> <p>14 trial and just move to the ruling because that's what they</p> <p>15 want to do? That's clearly what they want to do.</p> <p>16 That's where they began this case from the</p> <p>17 beginning. That's what they're used to in the Attorney</p> <p>18 General's office, bullying people in examinations under oath</p> <p>19 and now we are in open court, in an open trial, in a</p> <p>20 highly-publicized case and now they're asking that the</p> <p>21 lawyers not even be able to make sure arguments.</p> <p>22 I think it's highly improper for them to even make</p> <p>23 the request. Your Honor has done a very good job of</p> <p>24 navigating and negotiating between the lawyers as to their</p> <p>25 objections. They have done many similar things and so I</p>	<p>1 MR. AMER: Your Honor, I move this into evidence.</p> <p>2 THE COURT: Granted.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 Plaintiff's Exhibit 3214.)</p> <p>5 (Continued on the next page.)</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>R. Flores - Plaintiff - direct (Amer) Page 2774</p> <p>1 Q Let's go ahead and mark Plaintiff's Exhibit 3170. 2 These are a series of petitions and other materials that were 3 provided to us by the Valuation -- by the Value Adjustment 4 Board. If you go to the second page you'll see that there is on 5 the bottom the certification from the Board of County 6 Commissioners and that same certification appears on the bottom 7 of page two, the bottom of page four, the bottom of page five, 8 the bottom of page six, and the bottom of page seven, 9 establishing that this is the county's official records. 10 MR. AMER: I move this into evidence, Your Honor, 11 under the business exception -- business records exception 12 to the hearsay rule. 13 THE COURT: Isn't it more specific than business 14 record exception, public document exception, something like 15 that? Where is Mr. Robert now that we need him? He's our 16 CPLR expert. It's in evidence. I'll just save time. Let's 17 move on. 18 MR. AMER: Thank you, Your Honor. 19 THE COURT: Tell him I said so. 20 Q Let's look at the first page of this exhibit. You'll 21 see that this is the petition to request a hearing and you'll 22 see that it's being filed by Mr. Corbiciero. He's the 23 representative and it's on behalf of Mar-A-Lago Club, Inc. 24 Do you see that? 25 A Yes.</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2776</p> <p>1 Mar-A-Lago was; right? It was a commercial property being used 2 as a social club; right? 3 A Correct. 4 Q And there were boxes that would have permitted 5 Mr. Corbiciero to indicate that the property was residential; 6 right? There is a box next to "type of property" that says "RES 7 one to four units" and "RES five plus units;" right? 8 A Correct. 9 Q So he could have designated it as a residential 10 property if he checked those boxes, but he did not; right? 11 A That's correct. 12 Q Okay. And so if we go to the last page of the document 13 you'll see this is a withdrawal petition. Do you recall that 14 the petition appealing the assessment was withdrawn? 15 A Yes, I believe so. 16 Q And the reason for the withdrawal if you go down a 17 little bit there is a box checked, says "the petitioner agrees 18 with the determination of the property appraiser or tax 19 collector." Do you see that? 20 A Yes. 21 Q And so was it your understanding that the appeal was 22 withdrawn because the Trump Organization agreed with the 23 determination of the property appraiser? 24 A Yes. 25 Q And that determination was based on Mar-A-Lago being</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2775</p> <p>1 Q So this is the appeal that was filed, request for a 2 hearing of the tax assessment for the 202 year; correct? 3 A I believe so, yes. 4 Q Did you review this petition before Mr. Corbiciero 5 filed it with the county? 6 A I don't believe so. 7 Q To your knowledge did anybody review it -- anyone from 8 the Trump Organization review it before Mr. Corbiciero filed it 9 with the Value Adjustment Board? 10 A I don't believe so, no. 11 Q You don't have any reason, do you, to believe that 12 Mr. Corbiciero would file this petition without appropriate 13 authorization from the Trump Organization; is that right? 14 A Correct. 15 Q Now, if we go down to the petition you'll see -- too 16 far -- you'll see there is a section that says "type of 17 property." Do you see that? 18 A Yes. 19 Q And can you tell us the type of property Mr. Corbiciero 20 checked for Mar-A-Lago? 21 A Says "commercial." 22 Q So he's in an official filing with the Valuation Board 23 denoting Mar-A-Lago as a commercial property; correct? 24 A Correct. 25 Q And that's consistent with your understanding of what</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2777</p> <p>1 categorized as a commercial property; correct? 2 A Yes. 3 Q Let's go ahead and look at Plaintiff's Exhibit 1382. 4 You'll see the e-mail that begins in the middle of the page is 5 from Mr. Corbiciero to you copied to Mr. Garcia dated 6 November 17, 2021 and the subject is "Mar-A-Lago Homestead 7 Exemption." Do you see that? 8 A Yes. 9 Q Now you go ahead and pass along Mr. Corbiciero's e-mail 10 to Eric Trump and Allen Weisselberg in the e-mail above; right? 11 A That's what the document says, yes. 12 Q Do you recall reading Mr. Corbiciero's e-mail before 13 you passed it on to your boss Eric Trump and Mr. Corbiciero? 14 A No, I don't recall. 15 Q Can we agree that you would have reviewed the e-mail 16 before passing it along to your boss Eric Trump and 17 Mr. Weisselberg? 18 A Yes. 19 Q And you ask and you tell them that they should let you 20 know if they would like to discuss further; right? 21 A Yes. 22 Q So can we agree that at the time you passed along 23 Mr. Corbiciero's e-mail about the homestead exemption you were 24 prepared to discuss it with them if they so chose? 25 A Yes.</p>

<p>R. Flores - Plaintiff - direct (Amer) Page 2778</p> <p>1 MR. AMER: Your Honor, I move to admit this exhibit 2 into evidence. 3 THE COURT: Granted. It's in. 4 (Whereupon, the item previously referred to is 5 received and marked Plaintiff's Exhibit Number 3170 in 6 evidence.) 7 Q Let's look at the second sentence in this e-mail from 8 Mr. Corbiciero. He says "last year we briefly discussed the 9 possibility of filing for a homestead exemption on the 10 Mar-A-Lago property since President Donald Trump had legally 11 declared Palm Beach and the Mar-A-Lago property as his permanent 12 residence." Do you see that? 13 A Yes. 14 Q Do you have any reason to doubt that you did in fact 15 discuss this possibility with Mr. Corbiciero the prior year? 16 A No. 17 Q Let's look at the second paragraph. 18 "In order to do this Mr. Trump would have to do certain 19 things to establish residency" and I'm going to -- it says 20 "since the private club is currently owned by a corporation, the 21 property ownership would need to be changed/transferred into his 22 name as an individual and not under a corporation." 23 Do you recall being aware of that point that 24 Mr. Corbiciero was mentioning? 25 A I believe so, yes.</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2780</p> <p>1 Q And did you understand, sir, that as a result of being 2 assessed as a private club and not a private residence, it was 3 assessed at a much lower price per square foot? 4 A That's what the e-mail says. I don't recall. 5 Q And that's what you were to understand when you 6 received this e-mail and read it? 7 A Correct. 8 MR. AMER: Your Honor, the Court can check my math, 9 but based on the numbers in Mr. Corbiciero's e-mail and 10 going off of the \$3,000 per square foot figure, private 11 residences are assessed at almost eight and a half times the 12 price of a private club based on just the math and I think 13 the Court can take judicial notice of the math. 14 THE WITNESS: I'll take judicial notice subject to 15 any contradictory views. 16 Q And you understood that Mr. Corbiciero was saying it's 17 not worth the \$50,000 homestead exemption because of the 18 increase in the assessment of the residential portion of 19 Mar-A-Lago were that to be carved out and designated at a 20 private residence; right? 21 A Correct. 22 Q And that's because private residences are assessed at a 23 much higher rate than a private club; correct? 24 A That's what the -- 25 MR. KISE: Objection. Foundation.</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2779</p> <p>1 Q And he goes on to say "if he was to meet all these 2 requirements then the part of the property that he uses as a 3 residence would be eligible for homestead. The property 4 appraiser would need to come out and do a property inspection 5 and measure the residential area and that portion of the 6 assessment would receive the homestead exemption." 7 You understood what he was explaining to you when you 8 received this e-mail; correct? 9 A I believe so. 10 Q And let's look at the next paragraph. 11 "Currently, this property is assessed as a private club 12 with the current assessed value at \$359 per square foot. The 13 surrounding residential properties are assessed on average of 14 over 2,000 per square foot with a recent sale with just 3,000 15 per square foot. If the property appraiser were to separately 16 assess the residential portion of Mar-A-Lago in order for it to 17 qualify for homestead, we believe this would result in a much 18 higher assessment and therefore outweigh the potential tax 19 savings from the \$50,000 homestead exemption in the immediate 20 future. Please let us know if you have any questions or 21 concerns." 22 Mr. Flores, did you understand from this e-mail from 23 the company's tax advisor that Mar-A-Lago was currently assessed 24 as a private club and not a private residence? 25 A Yes.</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2781</p> <p>1 MR. AMER: He received this e-mail, Your Honor. 2 THE COURT: Let's ask. I think the question was 3 basically do you understand it that way and he says that's 4 what the e-mail says. 5 Mr. Flores, aside from the fact that's what the 6 e-mail said, is that what you understood, which is what the 7 question was? 8 THE WITNESS: I don't know. 9 Q But isn't that what you would have understood from 10 reading this e-mail? 11 A Yes, that's what this e-mail says. 12 MR. KISE: That's an entirely different question. 13 MR. AMER: I'm happy with the question I asked and 14 the answer I got. 15 THE COURT: And any objection overruled. 16 Q Did Eric Trump or Allen Weisselberg ever get back to 17 you to discuss this e-mail further? 18 A Not that I recall. 19 Q To your knowledge, did Donald J. Trump ever apply for 20 the homestead exemption? 21 A Not that I recall. 22 THE COURT: Five-minute warning. 23 Q When you participated in the preparation of the 24 Statement of Financial Condition, do you recall that Mar-A-Lago 25 continued to be valued as a private residence while being taxed</p>

<p>R. Flores - Plaintiff - direct (Amer) Page 2782</p> <p>1 as a commercial property?</p> <p>2 A No.</p> <p>3 Q You don't know one way or the other?</p> <p>4 A No.</p> <p>5 Q We can agree that in 2020 it was being taxed as a</p> <p>6 commercial property based on what Mr. Corbiciero had designated</p> <p>7 the property as in the petition; correct?</p> <p>8 A Correct.</p> <p>9 Q You mention that your job entailed conducting financial</p> <p>10 analyses on real estate investments, including new acquisitions</p> <p>11 and development opportunities; is that right?</p> <p>12 A Correct.</p> <p>13 Q And in connection with doing that work, you were</p> <p>14 required to analyze future cash flows; correct?</p> <p>15 A Correct.</p> <p>16 Q And we've looked at some examples of discounted cash</p> <p>17 flow analyses you prepared over the years at the direction of</p> <p>18 Mr. Orowitz and Eric Trump; correct?</p> <p>19 A Correct.</p> <p>20 Q And so that is a type of analysis that is discounting</p> <p>21 cash flows to present value that you knew how to do as part of</p> <p>22 your job at the Trump Organization; right?</p> <p>23 A Yes.</p> <p>24 Q And you shared some of your discounted cash flow</p> <p>25 analyses with Mr. Weisselberg?</p>	<p>R. Flores - Plaintiff - direct (Amer) Page 2784</p> <p>1 see it indicates on Row 480 23 lots are being valued at roughly</p> <p>2 \$63 million. Do you see that? Actually, it's for 2021.</p> <p>3 And if you go down to Row 490, the same 23 lots are</p> <p>4 being valued at about 53 million for 2020. Do you see that?</p> <p>5 A Yes.</p> <p>6 Q Did any of the individuals you identified as working</p> <p>7 with you on the preparation of the Statement of Financial</p> <p>8 Condition ask you to perform -- ask you to review the</p> <p>9 assumptions involved in the sale of the 23 lots for this asset?</p> <p>10 A No.</p> <p>11 Q Did any of the individuals you identified as working</p> <p>12 with you on the preparation of the Statement of Financial</p> <p>13 Condition ask you to perform a discounted cash flow analysis for</p> <p>14 the sale of these 23 lots?</p> <p>15 A No.</p> <p>16 Q Did any of them ask for your input on whether the</p> <p>17 profit from these lot sales should be discounted to present</p> <p>18 value?</p> <p>19 A Not that I recall.</p> <p>20 Q Mr. Flores, would you agree that future cash flows need</p> <p>21 to be discounted to present value?</p> <p>22 A Yes.</p> <p>23 MR. AMER: That's all I have, Your Honor.</p> <p>24 THE COURT: That's it for this witness?</p> <p>25 MR. AMER: Right on schedule.</p>
<p>R. Flores - Plaintiff - direct (Amer) Page 2783</p> <p>1 A Yes.</p> <p>2 Q And you shared some of your discounted cash flow</p> <p>3 analyses with Mr. McConney; correct?</p> <p>4 A Yes.</p> <p>5 MR. AMER: Let's go ahead and put up the 2020 Jeff</p> <p>6 Supporting Data spreadsheet, which is Exhibit 1352, native.</p> <p>7 If we could go to rows 311 to 316.</p> <p>8 Q You'll see that they calculate the profit for the sale</p> <p>9 of 71 mid rise units approved but put on hold and it comes to</p> <p>10 over \$90 million in 2020 and over \$86 million for 2021. Do you</p> <p>11 see that?</p> <p>12 A Yes, that's what the -- that's what the document says.</p> <p>13 Q In connection with your work on the Statement of</p> <p>14 Financial Condition were you asked to review the assumptions for</p> <p>15 the portion of the valuation of this asset that involves the</p> <p>16 sale of 71 mid rise units?</p> <p>17 A What is this asset?</p> <p>18 Q This asset is Briarcliff.</p> <p>19 A Then, no, I don't believe so.</p> <p>20 Q Did anyone ever ask for your input on whether the</p> <p>21 profit attributable to the sale of these 71 units should be</p> <p>22 discounted to present value?</p> <p>23 A No.</p> <p>24 Q Let's turn to Row 453, which begins "the valuation for</p> <p>25 the LA golf course." And if we look at Row 475 to 492 you'll</p>	<p>Proceedings Page 2785</p> <p>1 THE COURT: Any cross examination at this time?</p> <p>2 No? Okay. The witness is excused. I'll ask again that the</p> <p>3 defense side check in to whether Friday is a possibility as</p> <p>4 an all day under the assumption that we could finish it in</p> <p>5 one day, and we'll come back at 11:35.</p> <p>6 (Whereupon, the witness is excused from the witness</p> <p>7 stand and there is a recess in the proceedings.)</p> <p>8 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>9 session. Please be seated and come to order.</p> <p>10 THE COURT: Would plaintiff like to call her,</p> <p>11 their, its next witness?</p> <p>12 MR. AMER: I do have one quick housekeeping matter.</p> <p>13 THE COURT: Okay.</p> <p>14 MR. AMER: Just about an exhibit. I showed</p> <p>15 Mr. Flores it was Exhibit 1352. That was the 2021</p> <p>16 supporting data spreadsheet. I mistakenly believe it had</p> <p>17 been admitted into evidence, but it's the Whitley Penn</p> <p>18 document that was admitted whereas the one I showed</p> <p>19 Mr. Flores was the one produced by the Trump Organization,</p> <p>20 so I think for the sake of good order we should just get the</p> <p>21 one I used with the witness admitted and, again, that's</p> <p>22 Plaintiff's Exhibit 1352.</p> <p>23 THE COURT: Granted. You'll just make sure it</p> <p>24 happens. Okay.</p> <p>25 MR. GABER: People call David Cerron.</p>

<p>D. Cerron - Plaintiff - direct (Gaber) Page 2786</p> <p>1 THE COURT OFFICER: Witness entering. 2 (Whereupon, the witness enters the courtroom and 3 approaches the witness stand.) 4 THE COURT: I thank the court officers for their 5 alacrity. 6 THE COURT OFFICER: Remain standing and raise your 7 right hand. 8 Do you solemnly swear or affirm any testimony you 9 give will be the truth the whole truth and nothing but the 10 truth? 11 D A V I D C E R R O N, called by and on behalf 12 of the Plaintiff, having been first duly sworn, was examined and 13 testified as follows: 14 THE WITNESS: I do. 15 THE COURT OFFICER: Please state your name and 16 either business or home address on the record. 17 THE WITNESS: My name is David Cerron. Business 18 address 830 Fifth Avenue, New York, New York 10065. 19 THE COURT: Okay. Counselor, please proceed. 20 DIRECT EXAMINATION 21 BY MR. GABER: 22 Q Good morning, Mr. Cerron. Can you please state your 23 employer and title for the record? 24 A My employer is the City of New York. I work for the 25 New York City Department of Parks and Recreation. I am the</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2788</p> <p>1 administration is effectively the oversight of the terms of the 2 contract. So we'll focus on things related to operations, you 3 know, is the operation -- and in this case Ferry Point. 4 Is it open to the public seven days a week; when does 5 the day start, when does the day end; are we sure that it's 6 being operated that time; when does the season end for most of 7 our golf courses, effectively all of them. 8 They have a season, so the weather has changed, but 9 they could be open until September or October, sometimes later 10 and then they'll kind of start a new season in the spring. 11 We'll go over reports that are due to us. We want to 12 make sure they have insurance. We want to make sure they're 13 charging the right rates if rates go up, which they tend to. We 14 want to review those rates and we have to approve them, so those 15 sorts of things. 16 Q And at what point in the history of the concession 17 agreement for Trump Ferry Point did you become directly involved 18 in the -- 19 A I became involved once the license was registered by 20 the New York City Comptroller's Office and the agency had issued 21 a notice to proceed. So that was when the contract commenced in 22 I believe it was like the spring of 2015. 23 Q Were you in the office, though, during the period when 24 the request for offers was issued and being considered? 25 A I was.</p>
<p>D. Cerron - Plaintiff - direct (Gaber) Page 2787</p> <p>1 assistant commissioner for business development and special 2 events. 3 Q And until recently, New York Department of Parks and 4 Recreation had a concession agreement with the Trump 5 Organization; is that correct? 6 A That's correct. 7 Q Could you give me some of your professional background 8 within the Parks Department, please? 9 A Sure. I've had the privilege of working for Parks in 10 the city for just over 21 years. I started there working in our 11 citywide services office, so that was doing a variety of 12 different programs with our parks enforcement; with the Green 13 Thumb Organization, which is community gardening; with arts and 14 antiquities, variety of different operations there. 15 I moved -- I worked in public programs, which does all 16 the recreation centers in the city and I had a chance to work on 17 their after-school programming and other different events and 18 I've worked in our transitional job programming, parks 19 opportunity program and with the concessions team and have been 20 there since about 2007, 2008. 21 Q And can you tell me at a high level what your role has 22 been as a member of Parks and Recreation with respect to the 23 Ferry Point Golf Course? 24 A So my role has been to work with colleagues in the 25 concessions division on contract administration. So contract</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2789</p> <p>1 Q And did you have familiarity with that process? 2 A I was -- you know, I was there during that process and 3 certainly remember, you know, colleagues talking about it. I 4 was not involved in the selection. 5 Q Not formally involved? 6 A Not formally involved. 7 Q Can you describe what a request for offers is in terms 8 of city procurement? Your understanding? 9 A So it's an -- it's under the other procedures under the 10 city's Franchise and Concession Review Committee rules, so 11 that's the -- for short, the FCRC is the acronym that we use. 12 Typically, when the city does its solicitation to have 13 an operator provide a public service that includes fees we would 14 use two methods: A request for proposals, an RFP, or request 15 for bid, an RFB. Generally those are going to be the methods 16 that we'll use. There are instances where we will use either a 17 sole source where there is no competitive process and we go 18 through a process instead to award it directly to one operator. 19 We can just -- this operator is uniquely qualified to provide 20 that service and that, you know, the deal offered to the city is 21 sufficient for that justification. 22 And then in other circumstances we'll go through 23 another process. And this RFO, requests for offers, is part of 24 the other process and to the best of my recollection this is the 25 only time that the agency has done an RFO.</p>

<p>D. Cerron - Plaintiff - direct (Gaber) Page 2790</p> <p>1 MR. KISE: Your Honor, just -- very briefly just so 2 we avoid interruptions. One thing I notice on the record, 3 it's f-e-r-r-y, not f-a-i-r-y. And the other is that I just 4 want to have a standing objection so we can avoid on statute 5 of limitations and relevance to this line of questioning, 6 this testimony for this witness. Thank you. 7 THE COURT: We certainly want to get the spelling 8 correct and the objections are considered standing and 9 overruled. 10 Q Can you give me some background maybe about the -- 11 before we get further into the request for offers, some 12 background about the genesis of the Ferry Point Park Golf 13 Course? 14 A So the Ferry Point site, the scenario before it was a 15 golf course was a municipal landfill and this was something that 16 when I was working with the city under the Bloomberg 17 administration was a priority for the agency to convert this 18 landfill into a golf course and that was something that, you 19 know, the city had attempted to do through a private operator. 20 We had issued other RFPs and solicitations to try and achieve 21 that goal and ultimately were not able to. So the city 22 invested, you know, approximately \$120 million, I think, over 23 that in order to, you know, design and construct the golf 24 course. 25 MR. GABER: So at this point I'd like to bring up</p>	<p>Page 2792</p> <p>1 was not a sole source, so this was the other -- and in this case 2 the other was the RFO. 3 Transcript continues on the following page..... 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>
<p>D. Cerron - Plaintiff - direct (Gaber) Page 2791</p> <p>1 Plaintiff's Exhibit 3289 for identification. 2 Q So Mr. Cerron, there is some addition. It was publicly 3 filed in a different legal proceeding, but the document in chief 4 begins on page two of four of this exhibit and I just ask that 5 once you've had a chance to take a look at it to let me know if 6 you recognize this document. 7 A Yes. This is a pre-solicitation review, what we call a 8 PSR, and this is part of the documentation that we have to 9 submit to the mayor's office of contract services before we can 10 formally issue a solicitation, in this case, the RFO. 11 MR. GABER: I'd ask this be moved into evidence. 12 THE COURT: Granted. It's in. 13 MS. HERNANDEZ: Objection. Statute of limitations. 14 THE COURT: Standing objection overruled. It's 15 understood. 16 (Whereupon, the item previously referred to is 17 received and marked Plaintiff's Exhibit Number 3289 in 18 evidence.) 19 Q And Mr. Cerron, could I ask you to describe your 20 understanding from this document of the selection procedure 21 that's being outlined here? 22 A So, the selection procedure is along the lines of what 23 we had just discussed a few minutes ago. It is neither a 24 competitive sealed bid, which is an RFB or competitive sealed 25 proposal, which is an RFP. We did a different procedure that</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2793</p> <p>1 Q So this would be followed by your request for offers? 2 A Correct. 3 MR. GABER: I ask to bring up Plaintiff's 3290 for 4 identification. 5 Q Again Mr. Cerron, once you've had a chance to review 6 this document, can you, please, tell me if you recognize this 7 document? 8 A This is the RFO document that was issued after the 9 approval of the PSR that we just discussed. 10 MR. GABER: I'd ask this be moved into evidence. 11 MS. HERNANDEZ: Objection. Statute of limitations. 12 THE COURT: Overruled. It's in. 13 (Whereupon, the Document was marked in evidence as 14 Plaintiff's Exhibit 3290.) 15 Q Mr. Cerron, I'd like to direct your attention on page 16 two of this document, the underlined header, "Goals for Request 17 for Offers." Starting at the end of the second line, "Parks is 18 seeking innovative offers from entities that can demonstrate 19 substantial experience in the operation of golf courses and 20 management of large scale events and significant financial 21 capability to operate and maintain this concession at the 22 highest level." 23 So can you, I suppose, tell me your understanding of 24 the goals of this RFO based on this language here? 25 A Yeah. The agency was seeking an operator that had</p>

<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2794</p> <p>1 experience and I think that can be interpreted in a few ways, 2 but mainly operation of a golf course and a golf course that had 3 hosted, you know, major tournaments from the PGA or LPGA and 4 then have an entity that has the financial wherewithal to ensure 5 that the course is maintained at a high level and also any other 6 capital work that would be necessary. 7 Q Can you turn to page 3 of 8 under, "Content of offers," 8 item number five, it says, "Financial capability, including 9 financial statements and other supporting documentation of the 10 responder's financial worth." 11 Is that what you were just referring to I think in 12 terms of the wherewithal to operate the concession? 13 A Yes. 14 Q And then moving forward to page seven of the document, 15 and we'll go between seven and eight. So there's here, it 16 discusses scoring, I believe in the document, of the offers that 17 are received; is that correct? 18 A If you could scroll I guess -- scroll down a little, 19 so I can -- or the other way. Sorry. Okay. "The conditions 20 based on the following criteria," is that the -- 21 Q Yes, "conditions based on the following criteria." Do 22 you understand that to be the criteria on which offers would be 23 scored? 24 A Yes. 25 Q And you see there it says, "Financial ranking, ten</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2796</p> <p>1 A As I mentioned, we had tried a handful of times through 2 an RFP to find an operator for this course and to have someone 3 else perhaps help with the construction or do the construction. 4 The city ended up investigating over \$120 million and there was 5 a certainly a sense of importance placed on making sure that 6 this course was open and available to the public. And in doing 7 so, we wanted to be sure that whoever we had operating the 8 course had the financial capability to deliver on their 9 obligations including making sure the course was operating and 10 working every day. 11 Q Do you have a sense of how many offers were submitted 12 in response to this RFO? 13 A My recollection is that there were four offers. 14 MR. GABER: I'm going to now pass up PX 1331 for 15 identification. 16 Q Mr. Cerron, please let me know if you recognize this 17 document once you've had a chance to read it. 18 (Witness reviewing document.) 19 A This is the response to the RFO from the Trump 20 Organization. 21 MR. GABER: I'd ask this document be moved into 22 evidence. 23 MS. HERNANDEZ: Objection. Statute of limitations. 24 THE COURT: Overruled. It is in evidence. 25 (Whereupon, the Document was marked in evidence as</p>
<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2795</p> <p>1 percent financial capability." Can you, I guess, provide your 2 understanding of how financial capability would be scored in a 3 request for offer such as this? 4 A So this is -- this is a category that, you know, we 5 would look for documentation verifying someone's finances to 6 move forward with the commitments that they're making in their 7 offer. 8 You know, there's a number of different documents that 9 we would -- could review depending on what someone provides. 10 It could be tax returns. It could be bank statements. It could 11 be financial statements. It could be attestation letters. It 12 is a variety of different things. 13 Q I think you said this a little bit before, but can you 14 explain Parks' interest in ensuring that an offerer has 15 sufficient financial capability? 16 A Well, I think generally for any project that we want to 17 do, we want to work with someone that we're sure has the money 18 or the financing to be able to deliver on what will be 19 obligations under the contract and I think specifically given 20 this -- the history of this course and the fact that we ended 21 up doing an RFO, I think the city was even more focused because 22 this was a tough one to get -- to get accomplished and to 23 actually complete. 24 Q Can you elaborate what you mean by "tough one to 25 accomplish"?</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2797</p> <p>1 Plaintiff's Exhibit 1331.) 2 Q Mr. Cerron, if I could point you to page four of this 3 document, heading "F, financial capability." It says, "We have 4 enclosed a statement from the certified public accounting firm 5 of Weiser, L.L.P. indicating a net worth in excess of \$3 billion 6 and cash on hand in excess of \$200 million. As such, we will 7 easily be able to meet any and all financial obligations under 8 this contract." 9 Just to move to page seven of the document, there's a 10 letter here from Weiser L.L.P. that I think says substantially 11 the same. So Mr. Cerron, is this the type of documentation of 12 financial capability that the city would use in considering 13 offers submitted to it? 14 A Yes. 15 Q And the city did consider this letter in reviewing the 16 request for offers? 17 A I believe so. 18 MS. HERNANDEZ: Objection; foundation. 19 THE COURT: Do you want him to ask if he knows? 20 MS. HERNANDEZ: He already testified that he was 21 not involved in the bid process. 22 MR. GABER: I believe he testified that he was not 23 formally involved, but he had an understanding of process 24 both generally as a Parks employee familiarity, but also 25 specifically in discussions with colleagues. I can ask him</p>

<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2798</p> <p>1 what his understanding is or if he knows whether --</p> <p>2 THE COURT: Let's start with does he know and then</p> <p>3 what is his understanding.</p> <p>4 Q Mr. Cerron, do you know if this document was considered</p> <p>5 as part of the offer from the Trump Organization?</p> <p>6 A I believe it was.</p> <p>7 MR. GABER: At this time, I'd like to hand up this</p> <p>8 document Plaintiff's Exhibit 3291. It is entitled,</p> <p>9 "Recommendation for Award of Concession Agreement,</p> <p>10 Responsibility Determination."</p> <p>11 Q Mr. Cerron, let me know if you recognize this document,</p> <p>12 please.</p> <p>13 A Yes, I recognize it.</p> <p>14 Q What is this document?</p> <p>15 A This is the request for award. This is what we refer</p> <p>16 to as an RFA and this is part of the documentation that we have</p> <p>17 to provide to the mayor's office of contract services to</p> <p>18 formalize the award of a license agreement.</p> <p>19 Q So if you look there, there's a box here. It says,</p> <p>20 "This is to certify that I have determined that the subject</p> <p>21 concessionaire has the capability in all respects to perform</p> <p>22 fully the concession requirements and the business integrity to</p> <p>23 justify the private use of city-owned property and is,</p> <p>24 therefore, responsible." And it appears to be signed by</p> <p>25 Elizabeth W. Smith, Assistant Commissioner for Revenue and</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2800</p> <p>1 a demonstration of assets of Donald J. Trump in order to grant</p> <p>2 the concession to Trump Ferry Point, LLC?</p> <p>3 A I mean, in terms of why they needed to see it, this was</p> <p>4 part of the financial capability section. And as I had</p> <p>5 mentioned, this was a course that the city wanted to open for</p> <p>6 quite some time and we wanted to be sure as we would always that</p> <p>7 the operator in place had the funds to deliver on their</p> <p>8 obligations under the license.</p> <p>9 Q I think -- let me rephrase my question. The</p> <p>10 concessionaire here formally is Trump Ferry Point, LLC. The</p> <p>11 paragraph here is referring to the net worth and cash position</p> <p>12 of Donald J. Trump personally.</p> <p>13 Do you understand why the recommendation for award here</p> <p>14 is interested in Mr. Trump's personal financial position and not</p> <p>15 that of the entity?</p> <p>16 A Well, in his personal position, it relates to the</p> <p>17 personal guaranty from Mr. Trump, which was to</p> <p>18 I think -- again, very important and helpful in helping the</p> <p>19 city feel comfortable that all of the obligations were indeed</p> <p>20 going to be met.</p> <p>21 Q The next two headers, I just like to briefly ask you</p> <p>22 about. They are "business integrity" and "other sources of</p> <p>23 responsibility information." Can you just to a high explain</p> <p>24 what these categories refer to?</p> <p>25 A This is -- this is a section where the agency will</p>
<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2799</p> <p>1 Marketing.</p> <p>2 So Mr. Cerron, does this certification mean that NYC</p> <p>3 Parks is recommending that Trump Ferry Point, LLC be awarded the</p> <p>4 concession?</p> <p>5 A Yes.</p> <p>6 Q So if we go down to the second -- page three of the</p> <p>7 document, under the header, "Financial Resources, Adequate and</p> <p>8 Accounting Procedures", the document says here, "Trump has</p> <p>9 provided Parks with documentation from WeiserMazars, LLP,</p> <p>10 certified public accountants, stating that Donald J. Trump, the</p> <p>11 president of Trump, has a substantial net worth and cash</p> <p>12 position as set forth in Exhibit V to the concession agreement.</p> <p>13 There is also a personal guaranty from Donald J. Trump regarding</p> <p>14 payment obligations and the completion of capital improvements.</p> <p>15 Trump's offer includes setting aside three percent of gross</p> <p>16 receipts towards a capital reserve fund in years 5 through 12</p> <p>17 and two percent in years 13 through 15 of the term of the</p> <p>18 concession agreement."</p> <p>19 Mr. Cerron, can you explain your understanding of this</p> <p>20 paragraph here and how it relates to the recommendation?</p> <p>21 A So this part of the -- this part of recommendation is</p> <p>22 kind of just verifying to the mayor's office that we believe</p> <p>23 that this elected operator has the financial resources, the</p> <p>24 wherewithal and organization to competently run this concession.</p> <p>25 Q Could I ask you why did the city need to see, I guess,</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2801</p> <p>1 look for adverse information. So are there outstanding tax</p> <p>2 liens due to the state, due to the city? Are there outstanding</p> <p>3 lawsuits going back to a certain period of time? Are there</p> <p>4 other kind of like, you know, workplace violations or other</p> <p>5 issues that are available on any databases that we would need to</p> <p>6 identify and discuss before moving forward with an award.</p> <p>7 Q So going back to the certification at the -- on page</p> <p>8 two of this document, at the top of the recommendation, is</p> <p>9 that -- are those two sections we just looked at responding to,</p> <p>10 I guess, the discussion of business integrity to justify the</p> <p>11 private use of city-owned property and is, therefore,</p> <p>12 responsible. That's what's being --</p> <p>13 A Yes.</p> <p>14 Q -- analyzed there?</p> <p>15 A Yes.</p> <p>16 Q And so business integrity and responsibility of a</p> <p>17 concessionaire are important to the city?</p> <p>18 A Yes.</p> <p>19 Q So was it important in recommending the award for Parks</p> <p>20 &amp; Recreation to receive truthful, accurate and complete</p> <p>21 information from offerers?</p> <p>22 A Yes.</p> <p>23 Q Based on the submissions here, the offer that we just</p> <p>24 looked at and the additional determinations described in the</p> <p>25 recommendation for award, did the city and the Department of</p>

<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2802</p> <p>1 Parks &amp; Recreation believe that it was receiving truthful, 2 accurate and complete information from the offerers? 3 A Yes. 4 Q I'm going to hand you a very voluminous exhibit marked 5 Defendant's 981. Let me know if you recognize this document. 6 A This is the license agreement between Trump Ferry 7 Point, LLC and the City of New York. 8 MR. GABER: I'd ask that this be moved in evidence. 9 THE COURT: Granted. It is in. 10 MS. HERNANDEZ: Objection; statute of limitations. 11 THE COURT: You really don't have to do that every 12 time. It is a standing objection, if that phrase means 13 anything. 14 Go ahead, Mr. Kise. 15 MR. KISE: As to the testimony, the standing 16 objection, but the documents, we need to object one by one 17 like we've been doing throughout the trial. 18 THE COURT: Why is that? Don't the documents 19 always or almost always have the date of them? 20 MR. KISE: Again, I mean, we -- not to belabor it, 21 but our research has concluded that there's no standing 22 objection with respect to documents, but with respect to 23 testimony, yes, but with respect to document by document, 24 no. 25 THE COURT: Well, Cliff isn't here, so we can't</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2804</p> <p>1 guarantor and then there is the signature of Ms. Smith, the 2 Assistant Commissioner of Revenue, correct? 3 A Correct. 4 Q So I'd like to draw your attention, Mr. Cerron, to page 5 three of this document; heading four there, "Financial 6 Covenants." Well, actually before that, can you just explain 7 your understanding of this guaranty, the personal guaranty here 8 as it relates to what we have been discussing, financial 9 capability and Ferry Point license. 10 A Just generally, that it is -- it's a guaranty to meet 11 the financial obligations of the license. So effectively, that 12 was the biggest part of the obligation was the clubhouse and the 13 concessionaire was obligated to design and construct clubhouse 14 for the golf course and that would also host catered events in 15 the amount minimum of \$10 million. 16 Q So the city or Parks &amp; Recreation asked for a guaranty 17 in order to ensure that the concessionaire would meet those 18 obligations? 19 A Correct. 20 Q And so under Section A here of heading four, it says, 21 "Until the guaranteed obligations are released or terminated, 22 within 120 days of the end of each calendar year, guarantor 23 shall be required to furnish Parks with a letter from 24 guarantor's accountant stating that there has been no material 25 adverse change in guarantor's net worth (such letter a "No MAC"</p>
<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2803</p> <p>1 consult him, but I'll assume -- I'll let you do whatever 2 you need to do, okay. 3 (Whereupon, the Document was marked in evidence as 4 Plaintiff's Exhibit 981.) 5 MR. GABER: I realize I may not have admitted 6 Plaintiff's 3291. I move to admit 3291, plaintiff's. 7 MS. HERNANDEZ: Objection. Statute of limitations. 8 THE COURT: Overruled. It is in. 9 (Whereupon, the Document was marked in evidence as 10 Plaintiff's Exhibit 3291.) 11 Q Can I just quickly -- I just want to direct your 12 attention to pages 103 and 104 of this document. Just to 13 confirm that this is a signed version of a license, so this 14 would be the final agreement between the city or Parks &amp; 15 Recreation and Trump Ferry Point, LLC? 16 A Yes. 17 Q With respect to the trees that went into printing this 18 out, I'm going to move on to Plaintiff's Exhibit 3283. Let me 19 know if you recognize this document, Mr. Cerron. 20 A Yes. This is the personal guaranty made by Mr. Trump. 21 Q Is it your understanding that this personal guaranty 22 was a condition of the license that we just looked at? 23 A Yes. 24 Q If you look, Mr. Cerron, at page eight and nine of this 25 document, you'll see that it is signed by Donald J. Trump as</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2805</p> <p>1 letter)." 2 Can you explain the purpose of these "No MAC" letters 3 on an ongoing basis? 4 A That it was an annual letter that was to be sent to the 5 city to just reaffirm that the initial financial statements that 6 were shared with the city during the award process were in 7 material respects the same. 8 Q And would you expect those letters to be true, complete 9 and accurate? 10 A Yes. 11 Q Would submission of false or fraudulent information in 12 those "No MAC" letters be a matter of concern to Parks? 13 A Yes. 14 Q Can you elaborate on that, what type of concern would 15 be raised? 16 A I think, you know, for -- I guess the first concern 17 would be our questioning of whether or not the financial 18 obligations under the license could continue to be met. And 19 then I think the second concern would be if this was not 20 accurate, are there other documents, other reports that were 21 provided to the city that were also not accurate. 22 Q As a general matter, does Parks &amp; Recreation have 23 procedures or mechanisms in place for reporting suspected or 24 actual false or fraudulent submissions if you know about them? 25 A If we become aware of something that was reported</p>

<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2806</p> <p>1 falsely, yes. Generally, that's a matter we would refer to our 2 counsel's office and then potentially to the city's department 3 of investigation.</p> <p>4 Q So, Mr. Cerron, I'm just going to ask you before I let 5 you -- before I'm concluded to just take a look at a number of 6 documents and tell me if you recognize them. They're going to 7 look substantially similar. This is Plaintiff's 3282. It is a 8 letter from WeiserMazars dated December 21, 2011. Just let me 9 know if you recognize this document, Mr. Cerron.</p> <p>10 this is -- this is an e-mail and then starting on page two is 11 the letter. I'm sorry. It is an e-mail with an attached 12 letter.</p> <p>13 A This is one of the "No MAC" letters that were 14 referenced in the personal guaranty that you just had up.</p> <p>15 Q Okay.</p> <p>16 MR. GABER: I'd ask that this be moved into 17 evidence.</p> <p>18 MS. HERNANDEZ: Objection. Statute of limitations 19 and foundation.</p> <p>20 THE COURT: Overruled on statute of limitations. 21 What's the foundation?</p> <p>22 MR. GABER: The foundation is -- I can ask a 23 question just to --</p> <p>24 THE COURT: Sure.</p> <p>25 Q Mr. Cerron, is it your understanding that this letter,</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2808</p> <p>1 THE COURT: All in for all evidence for all 2 purposes.</p> <p>3 (Whereupon, the Documents were marked in evidence 4 as Plaintiff's Exhibits 3282 &amp; 3283.)</p> <p>5 MS. HERNANDEZ: Just note our objection. Statute 6 of limitations.</p> <p>7 THE COURT: Overruled.</p> <p>8 Q Mr. Cerron, first paragraph here, the last sentence 9 refers to -- well, let me start with the whole first paragraph. 10 "We are the accountants for Mr. Donald J. Trump and have 11 previously compiled his Statement of Financial Condition as of 12 June 30, 2011 as indicated in our accountant's compilation 13 report dated October 6, 2011. This compiled financial statement 14 showed a net worth in excess of \$4 billion and cash and 15 marketable securities in excess of \$250 million."</p> <p>16 So Mr. Cerron, would the city expect that 17 representation to be true, complete and accurate?</p> <p>18 A Yes.</p> <p>19 MR. GABER: I would now move on to Plaintiff's 20 Exhibit 3286 for identification.</p> <p>21 Q Do you recognize this document, Mr. Cerron?</p> <p>22 A Yes.</p> <p>23 Q Can you tell me what it is?</p> <p>24 A This was -- this was a proposal from the 25 concessionaire at the time to extend, if memory serves, the 18th</p>
<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2807</p> <p>1 which I believe you yourself said is the "No MAC" letter, was 2 submitted to the city?</p> <p>3 A Yes.</p> <p>4 MR. GABER: I move to admit it.</p> <p>5 MS. HERNANDEZ: Objection, Your Honor. He 6 testified he doesn't recognize the first page of the 7 exhibit, only the second page.</p> <p>8 MR. GABER: It was produced as a family with the 9 cover e-mail that's an internal Trump Org document. I'm 10 happy to admit only as to the letter at this time just to 11 obviate.</p> <p>12 THE COURT: Okay. Then that's what we will do. 13 Just submit it as to the letter.</p> <p>14 MR. GABER: Although, I will note that the e-mail 15 is from Mr. McConney and so to the extent that it's a party 16 admission, perhaps we just seek to have it admitted for all 17 purposes at this point and Mr. Cerron is only testifying as 18 to his knowledge.</p> <p>19 THE COURT: It is admitted all pages for all 20 purposes.</p> <p>21 MR. GABER: Once again, I think I need to admit 22 3283 the previous exhibit as well into evidence.</p> <p>23 THE COURT: Sorry. Say it again.</p> <p>24 MR. GABER: 3283, I may not have moved that in 25 formally. It is the previous.</p>	<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2809</p> <p>1 hole and perhaps the 17th hole into what is now a passive 2 waterfront park that is approximately 19.5 acres.</p> <p>3 Q And this was sent to the Department of Parks &amp; 4 Recreation?</p> <p>5 A Yes.</p> <p>6 Q I direct your attention to page seven of this document. 7 Section F there, "financial capability." "We have enclosed as 8 attachment F a statement from the certified public accounting 9 firm of Weiser, LLP indicating a net worth in excess of 10 approximately \$5 billion and cash on hand in excess of 11 \$330 million. As such, we will easily be able to meet any and 12 all financial obligations under this extension proposal" and 13 then it is signed at the bottom there, "Donald J. Trump."</p> <p>14 MR. GABER: I'd ask this be moved into evidence.</p> <p>15 MS. HERNANDEZ: Objection, Your Honor; relevance, 16 statute of limitations and beyond the proffer that we 17 received for this witness.</p> <p>18 THE COURT: Would you have done anything 19 differently if you had received their proffer in the sense 20 that it is now being offered?</p> <p>21 MS. HERNANDEZ: Yes, Your Honor. We had a 22 deposition on Monday, last Monday of this witness. We would 23 have asked more questions. That was the intention of the 24 proffer.</p> <p>25 MR. GABER: How is this beyond the proffer? I</p>

<p>D. CERRON - PLAINTIFF - DIRECT(MR. GABER) Page 2810</p> <p>1 believe that we had a pretty broad proffer related to the 2 "No MAC" letters and the maintenance and administration of 3 the -- 4 MS. HERNANDEZ: This was a proposal for extension, 5 so it doesn't relate to the maintenance of the Ferry Point 6 property. 7 MR. GABER: But it does contain a letter from 8 Mazars and it reflects the -- contains a letter from Mazars 9 which reflects the financial capability of the guarantor. 10 MS. HERNANDEZ: The proffer doesn't specifically 11 mention the WeiserMazars letters. It is a little bit 12 different. I don't know how much of this we want to get 13 into in front of the witness, but this is beyond the scope 14 of the proffer we received. 15 THE COURT: Was it beyond the scope of the proffer? 16 MR. GABER: We don't believe so. 17 THE COURT: I don't think so either. Overruled on 18 all three grounds. So it is in for -- the document is in 19 for all purposes. Signed by -- apparently signed by Donald 20 J. Trump. 21 (Whereupon, the Document was marked in evidence as 22 Plaintiff's Exhibit 3286.) 23 Q So I would just like to have you look at page 21 of the 24 document now, Mr. Cerron. This is a letter from WeiserMazars, 25 LLP dated October 29, 2013. It is addressed to Ms. Smith, the</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2812</p> <p>1 Q I'd like to now hand the witness Plaintiff's 2 Exhibit 3284 for identification. Again, this was produced as a 3 family with a cover e-mail, but I'm only going to be asking the 4 witness about page three of three here. 5 Do you recognize this letter dated March 28, 2016 from 6 WeizerMazars LLP, Mr. Cerron? 7 A Yes. 8 Q What do you recognize this to be? 9 A A No Mac letter. 10 Q For what year? 11 A For the year ending December 31, 2015. 12 Q Okay. Thank you. 13 So this letter states in the second paragraph: 14 "While we have not reviewed computations of value since 15 the aforementioned June 30, 2015 financial statement, based on 16 discussions with Mr. Trump and his advisors, we are not aware of 17 any matters that would indicate a significant change in 18 Mr. Trump's net worth as of this date or as of December 31, 19 2015." 20 Mr. Cerron, the city expects this to be true, complete 21 and accurate as to the representations in this letter? 22 A Yes. 23 THE COURT: I'll ask the witness to speak a little 24 louder and closer to the microphone, directly in. 25 THE WITNESS: Sorry. Yes.</p>
<p>Page 2811</p> <p>1 assistant commissioner of revenue again. It says, "Dear, Ms. 2 Smith. We are the accountants for Mr. Donald J. Trump and have 3 previously compiled his Statement of Financial Condition as of 4 June 30, 2013. As indicated in our accountants' compilation 5 report dated October 28, 2013, this compiled financial statement 6 showed a net worth in excess of \$4,900,000,000 and cash and 7 marketable securities in excess of \$330 million." 8 Mr. Cerron, would the city expect this to be true, 9 complete and accurate representation? 10 A Yes. 11 (Continued on the next page.) 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2813</p> <p>1 THE COURT: Much better. 2 MR. GABER: Does it to every witness. 3 THE COURT: And usually much earlier, right? 4 MR. GABER: And I'd like to move this into 5 evidence, Plaintiff's Exhibit 3284. 6 THE COURT: Granted. It's in evidence. 7 (Whereupon, the item previously referred to is 8 received and marked Plaintiff's Exhibit Number 3284 in 9 evidence.) 10 MS. HERNANDEZ: Sorry. Objection also they're only 11 showing the third page of a three-page exhibit. The first 12 two pages he does not have knowledge of and there is no 13 foundation to admit those. 14 MR. GABER: I said I'm only showing him the third 15 page and that there is an e-mail there that at this point 16 I'm only admitting it as to the -- 17 THE COURT: The third page. Okay. So it's only as 18 to the third page. 19 Q So Mr. Cerron, I'm going to hand you Plaintiff's 20 Exhibit 3285, and again, this was produced as a family, so I'm 21 only going to be making reference to page two of two of this 22 document at this time. 23 Do you recognize this document, Mr. Cerron? 24 A Yes. This is a No Mac. 25 Q I don't think we -- so Mr. Cerron, do you know what</p>

<p>D. Cerron - Plaintiff - direct (Gaber) Page 2814</p> <p>1 year this No Mac letter is for?</p> <p>2 A Just a moment. I believe this is for June 30, 2016.</p> <p>3 Q The 2016 calendar year?</p> <p>4 A Or I believe if they have a financial year that ends</p> <p>5 June 30th.</p> <p>6 MR. GABER: Okay. So the second paragraph here,</p> <p>7 I'd ask that this letter, page two, be moved into evidence.</p> <p>8 THE COURT: You ask that it be admitted into</p> <p>9 evidence? Granted. It's in evidence.</p> <p>10 (Whereupon, the item previously referred to is</p> <p>11 received and marked Plaintiff's Exhibit Number 3285 in</p> <p>12 evidence.)</p> <p>13 Q This paragraph, second paragraph here, says, "While we</p> <p>14 have not reviewed computations of value since the aforementioned</p> <p>15 June 30, 2016 financial statement, based on discussions with the</p> <p>16 trustees of the Donald J. Trump Revocable Trust dated April 7,</p> <p>17 2014, as amended, and their advisors, we are not aware of any</p> <p>18 matters that would indicate a significant change in Mr. Trump's</p> <p>19 net worth as of this date."</p> <p>20 Mr. Cerron, would the Department of Parks and</p> <p>21 Recreation expect this representation to be true, complete and</p> <p>22 accurate?</p> <p>23 A Yes.</p> <p>24 Q I'm now going to hand you Plaintiff's Exhibit 3280 for</p> <p>25 identification. Again, this was produced with a transmittal</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2816</p> <p>1 Do you recognize this document, Mr. Cerron?</p> <p>2 A Yes. This is a No Mac letter for the year ending</p> <p>3 June 30, 2020.</p> <p>4 MR. GABER: I'd ask that this be admitted into</p> <p>5 evidence.</p> <p>6 THE COURT: Granted. It's in. Can't object on</p> <p>7 statute of limitations grounds.</p> <p>8 MS. HERNANDEZ: No objection.</p> <p>9 (Whereupon, the item previously referred to is</p> <p>10 received and marked Plaintiff's Exhibit Number 3281 in</p> <p>11 evidence.)</p> <p>12 Q So here, this is substantially similar to what we've</p> <p>13 read. I'll note that the last sentence of the last paragraph</p> <p>14 says that this compiled financial statement showed a net worth</p> <p>15 in excess of \$3 billion in cash and cash equivalents in excess</p> <p>16 of \$90 million.</p> <p>17 Mr. Cerron, would the Department of Parks and</p> <p>18 Recreation expect the representations in this letter to be true,</p> <p>19 complete and accurate?</p> <p>20 A Yes.</p> <p>21 MR. GABER: I believe I have no further questions</p> <p>22 for the witness. Is this in evidence?</p> <p>23 THE COURT: It's in.</p> <p>24 Will there be any cross examination?</p> <p>25 MS. HERNANDEZ: Yes, Your Honor.</p>
<p>D. Cerron - Plaintiff - direct (Gaber) Page 2815</p> <p>1 e-mail, so I'm only going to ask you to look at page two of two.</p> <p>2 Do you recognize this document, Mr. Cerron?</p> <p>3 A Yes. This is a No Mac letter for the year ending</p> <p>4 June 30, 2017.</p> <p>5 Q This contains similar language in the second full</p> <p>6 paragraph as to the last letter I read.</p> <p>7 MR. GABER: The -- first, I'd ask this be moved</p> <p>8 into evidence -- admitted into evidence.</p> <p>9 THE COURT: Quick learner. Yes, granted. It's in</p> <p>10 evidence over an objection.</p> <p>11 MS. HERNANDEZ: Just the second page?</p> <p>12 THE COURT: Yes, just the second page.</p> <p>13 (Whereupon, the item previously referred to is</p> <p>14 received and marked Plaintiff's Exhibit Number 3280 in</p> <p>15 evidence.)</p> <p>16 Q And so this is -- I believe this is the same language</p> <p>17 as in the previous letter we read; is that correct? Same or</p> <p>18 substantially the same?</p> <p>19 A It seems so, yes.</p> <p>20 Q And would the City and/or Department of Parks and</p> <p>21 Recreation expect this representation to be true, complete and</p> <p>22 accurate?</p> <p>23 A Yes.</p> <p>24 Q I'd like to hand the witness Plaintiff's Exhibit 3281</p> <p>25 for identification.</p>	<p>D. Cerron - Plaintiff - direct (Gaber) Page 2817</p> <p>1 THE COURT: I look forward to it.</p> <p>2 You know, before you start I have a few quick</p> <p>3 questions. I won't disturb your situation.</p> <p>4 You described the property before it became a golf</p> <p>5 course as landfill; correct?</p> <p>6 THE WITNESS: Correct.</p> <p>7 THE COURT: And can you in one or two sentences</p> <p>8 describe what material was there? What was the fill?</p> <p>9 THE WITNESS: Municipal waste, people's garbage.</p> <p>10 THE COURT: Yes. It was what we would call a</p> <p>11 garbage dump as I remember it from many, many years ago,</p> <p>12 which might have made turning it into a golf course</p> <p>13 difficult if it was just grass or sod or something.</p> <p>14 Anyway, okay. Cross examination. Let's begin.</p> <p>15 MS. HERNANDEZ: Your Honor, for the record, my name</p> <p>16 is Jennifer Hernandez on behalf of the various corporate</p> <p>17 defendants, our first time officially meeting.</p> <p>18 THE COURT: Welcome to Room 300.</p> <p>19 MS. HERNANDEZ: Thank you.</p> <p>20 CROSS EXAMINATION</p> <p>21 BY MS. HERNANDEZ:</p> <p>22 Q So Mr. Cerron, you were not involved in the award</p> <p>23 process to Trump Ferry Point LLC for the Ferry Point property?</p> <p>24 A Correct.</p> <p>25 Q And you only later became involved in the</p>

<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2818</p> <p>1 administration of the license when the license was entered into 2 between Trump Ferry Point LLC and the city? 3 A Correct. 4 Q And you are aware that the award to Trump Ferry Point 5 was made pursuant to a request for offers process; correct? 6 A Correct. 7 Q And that is different from the request for proposal or 8 request for bid process; correct? 9 A Correct. 10 Q And in your experience with Parks this is the only time 11 you are aware of a request for offers being utilized in the 12 concessions division for an award process; correct? 13 A Correct. 14 Q And so we're going to now pull up PX 3290, which has 15 already been admitted into evidence. And can you go to the next 16 page? 17 And this is the request for offers that you took a look 18 at earlier today; correct, Mr. Cerron? 19 A Correct. 20 Q And if we could go to page seven? And right there in 21 the middle of the page, you see that it says "Selection 22 Committee will evaluate the resulting concession offers and will 23 select or award the entity that proposes the best overall terms 24 and conditions based on the following criteria." Do you see 25 that?</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2820</p> <p>1 in accordance with this criteria; correct? 2 A Correct. 3 Q Thank you. 4 MS. HERNANDEZ: And so we're going to now move to 5 PX 3291, which I think it's already been admitted. And so 6 we could go -- could you go to the next page, Nate? 7 Q And so this is the recommendation -- this is the 8 recommendation for -- award for the Trump Ferry Point -- for 9 Trump Ferry Point LLC; correct? 10 A Correct. 11 Q And if we can go to the bottom of this page, this is a 12 the technical qualification section; correct? 13 A Correct. 14 Q And as we saw in the request for offers, the operating 15 experience of the offer was 30 percent of the selection 16 criteria; correct? 17 A Correct. 18 Q And this technical qualification section generally 19 explains why the agency moved forward with an operator; correct? 20 A This is part of why the agency moved forward with the 21 operator, correct. 22 Q And that is the experience of the operator in running 23 high-end golf courses; correct? 24 A Correct. 25 Q And here, the operator, just to be clear, is Trump</p>
<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2819</p> <p>1 A Yes. 2 Q And this selection criteria, similar criterias used in 3 a request for proposal process; correct? 4 A Correct. 5 Q And the bulk of the criteria here, 60 percent of it was 6 based on the planned operations and operating experience; 7 correct? 8 A Correct. 9 Q And then 15 percent was for the investment and design 10 submitted? 11 A Correct. 12 Q 15 percent was for the compensation to the city? 13 A Correct. 14 Q And then ten percent was for the financial capability 15 of the offer; correct? 16 A Correct. 17 Q And that is the lowest percentage of the selection 18 criteria; correct? 19 A Correct. 20 Q It had the highest importance to the Selection 21 Committee; correct? Sorry. Excuse me. The lowest importance 22 to the Selection Committee; correct? 23 A This was weighted the lowest. 24 Q And from your experience with the selection criteria in 25 the request for proposal context the Selection Committee scores</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2821</p> <p>1 Ferry Point LLC; correct? 2 A Yes. 3 MS. HERNANDEZ: And so if we could move to the next 4 page right where it says "financial resources." 5 Q And the financial resources section here is meant to 6 provide as much assurance to Parks as possible that the operator 7 is able to meet the financial commitments under the license; 8 correct? 9 A Correct. 10 Q And for this section I believe you testified there is 11 no one-size-fits-all requirement for the type of financial 12 information required? 13 A Correct. 14 Q Concessionaire to provide a tax return, a bank 15 statement or other documentation to provide financial 16 information to Parks; correct? 17 A Correct, the committee that is reviewing these 18 documents collectively has to decide that they're comfortable 19 with what's been submitted. 20 Q And you were not involved in that committee; correct? 21 A Correct. 22 Q And so if we could move -- well -- and parties after 23 this recommendation entered into a license agreement; correct? 24 A Correct. 25 MS. HERNANDEZ: And so if we could move to D 981,</p>

<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2822</p> <p>1 which is already in evidence.</p> <p>2 Q And this is the license agreement between Trump Ferry</p> <p>3 Point LLC and the City of New York Department of Parks and</p> <p>4 Recreation; correct?</p> <p>5 A Correct.</p> <p>6 Q And it's for the operation management and maintenance</p> <p>7 of an "18 hole Jack Nicklaus signature golf course, lighted</p> <p>8 driving range and ancillary facilities and the design</p> <p>9 construction operation management and maintenance of a permanent</p> <p>10 clubhouse at Ferry Point Park;" correct?</p> <p>11 A Correct.</p> <p>12 Q And we're going to go to page 52 of the License</p> <p>13 Agreement. 52, sorry, right. Thank you.</p> <p>14 This is the capital improvements portion of the License</p> <p>15 Agreement; correct?</p> <p>16 A Correct.</p> <p>17 Q And here it says: "Licensee shall during the term at</p> <p>18 its sole cost and expense perform and complete all costs to be</p> <p>19 performed and completed the capital improvements described</p> <p>20 conceptually on the schedule capital improvements annexed to" --</p> <p>21 "annexed hereto as Exhibit F."</p> <p>22 And if we move forward a little bit, "licensee shall</p> <p>23 spend or cause to be expended capital improvements costs of at</p> <p>24 least ten million dollars;" correct?</p> <p>25 A Yes.</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2824</p> <p>1 A Correct.</p> <p>2 Q And so this is --</p> <p>3 MS. HERNANDEZ: Can we go to the next page, Nate?</p> <p>4 Q This is a Guaranty Agreement between Donald J. Trump</p> <p>5 and the city; correct?</p> <p>6 A Correct.</p> <p>7 Q And at the end of the page, it says "guaranteed</p> <p>8 obligations;" correct?</p> <p>9 A Are you referring to --</p> <p>10 Q B?</p> <p>11 A Correct.</p> <p>12 Q And so B is guaranteed obligations. Are the</p> <p>13 obligations under the License Agreement that Donald J. Trump</p> <p>14 guaranteed; correct?</p> <p>15 A Can you repeat that, please?</p> <p>16 Q These guaranteed obligations are the obligations that</p> <p>17 Donald J. Trump guaranteed under the License Agreement; correct?</p> <p>18 A Correct.</p> <p>19 Q And so if it's not under this list, under V, he didn't</p> <p>20 guarantee it; correct?</p> <p>21 A I believe so. I'd have to take a look at the whole</p> <p>22 document, but I believe so, yes.</p> <p>23 Q We're going to run through some of it now.</p> <p>24 So here in romanette i, President Trump guaranteed the</p> <p>25 payments of all due and unpaid license fees to the city;</p>
<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2823</p> <p>1 Q And so under this section the licensee is Trump Ferry</p> <p>2 Point LLC; correct?</p> <p>3 A Correct.</p> <p>4 Q And the most relevant element of the required capital</p> <p>5 improvement was the clubhouse; correct?</p> <p>6 A Correct.</p> <p>7 Q And so Trump Ferry Point LLC agreed to spend at least</p> <p>8 \$10 million to construct the clubhouse and any other capital</p> <p>9 improvements; correct?</p> <p>10 A Correct.</p> <p>11 Q And did Trump Ferry Point spend at least \$10 million on</p> <p>12 those capital improvements?</p> <p>13 A Yes.</p> <p>14 Q In fact, Trump Ferry Point LLC spent more than</p> <p>15 \$10 million on the capital improvements; correct?</p> <p>16 A Yes.</p> <p>17 Q And so we're going to go to page 319 of this exhibit</p> <p>18 now and so this is Exhibit 5, the Guaranty Agreement; correct?</p> <p>19 MR. GABER: Objection. I believe it's Exhibit V</p> <p>20 just for clarity of the record.</p> <p>21 MS. HERNANDEZ: Sorry?</p> <p>22 MR. GABER: I believe it's not Roman V. I believe</p> <p>23 it's Exhibit V.</p> <p>24 MS. HERNANDEZ: So that's news to me.</p> <p>25 Q So Exhibit V is the Guaranty Agreement?</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2825</p> <p>1 correct?</p> <p>2 A Correct.</p> <p>3 Q And those yearly license fees were usually in the</p> <p>4 neighborhood of approximately \$300,000 a year; correct?</p> <p>5 A That's correct with the caveat that the first -- if</p> <p>6 memory serves, the first five years there were no license fees</p> <p>7 due.</p> <p>8 Q Understood. And were there any unpaid license fees for</p> <p>9 Trump Ferry Point LLC?</p> <p>10 A No, there were not.</p> <p>11 Q So the guaranty was never invoked for payment of any</p> <p>12 license fees; correct?</p> <p>13 A Correct.</p> <p>14 Q And so we're going to move down to romanette ii now and</p> <p>15 so under Section 2, President Trump guaranteed any unpaid</p> <p>16 deposits to the capital reserve fund less any credit Trump Ferry</p> <p>17 Point was entitled to; correct?</p> <p>18 A Correct.</p> <p>19 Q And were there ever any unpaid deposits under the</p> <p>20 license agreement?</p> <p>21 A No, there were not. Again, just with the caveat as we</p> <p>22 had discussed during the deposition that there was a credit</p> <p>23 related to --</p> <p>24 Q Correct, which we're going to get to. Thank you.</p> <p>25 So the guarantee was never invoked under this section;</p>

<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2826</p> <p>1 correct?</p> <p>2 A Correct.</p> <p>3 Q And Section 3, romanette iii, President Trump</p> <p>4 guaranteed the payment of a one-time design review fee; correct?</p> <p>5 A Correct.</p> <p>6 Q And was the design review fee paid?</p> <p>7 A Yes.</p> <p>8 Q So the guarantee was never invoked for payment of the</p> <p>9 design review fee; correct?</p> <p>10 A Correct.</p> <p>11 Q And moving to --</p> <p>12 MS. HERNANDEZ: We're going to put them up</p> <p>13 together, Nate, Section 4 and 5.</p> <p>14 Q And under Section 4 and 5, President Trump guaranteed</p> <p>15 any unpaid portion of insurance premiums and deductible under</p> <p>16 either the license agreement or the development agreement;</p> <p>17 correct?</p> <p>18 A Correct.</p> <p>19 Q And was the guarantee ever invoked to pay any unpaid</p> <p>20 insurance premiums or deductibles?</p> <p>21 A No.</p> <p>22 Q And then under Section 6, President Trump guaranteed</p> <p>23 any unpaid grow-in costs beyond the cap of \$750,000; correct?</p> <p>24 A Correct.</p> <p>25 Q And grow-in costs relates to the costs the</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2828</p> <p>1 expended approximately 5 to \$7 million more than the \$750,000</p> <p>2 grow-in cap; correct?</p> <p>3 A Correct.</p> <p>4 Q And as a result, Trump Ferry Point LLC received a 5 to</p> <p>5 \$7 million credit to any license fees; correct?</p> <p>6 A Correct.</p> <p>7 Q And --</p> <p>8 MR. GABER: I'm just going to briefly object. This</p> <p>9 is beyond the scope of direct it feels like at this point,</p> <p>10 so I just want to launch that objection.</p> <p>11 MS. HERNANDEZ: It goes to exactly what was</p> <p>12 guaranteed, Your Honor, and the scope of their agreement and</p> <p>13 -- with Trump Ferry Point LLC.</p> <p>14 THE COURT: Well, I don't think it matters much.</p> <p>15 They could always call him as their witness, so as a</p> <p>16 practical matter, overruled.</p> <p>17 MS. HERNANDEZ: And we're trying not to call</p> <p>18 Mr. Cerron again.</p> <p>19 MR. GABER: Under that representation, I will</p> <p>20 reserve any further scope objections.</p> <p>21 Q So the 5 to \$7 million credit, did it cover all of the</p> <p>22 license fees due under the agreements?</p> <p>23 A I'm sorry. I don't believe I fully understand the</p> <p>24 question.</p> <p>25 Q The 5 to \$7 million credit we just discussed did it</p>
<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2827</p> <p>1 concessionaire takes over for the city to grow and preserve the</p> <p>2 grass on the golf course?</p> <p>3 A Correct. This was before the course opened.</p> <p>4 Q Right. And these grow-in costs were capped at \$750,000</p> <p>5 under the contract from the city and Trump Ferry Point LLC;</p> <p>6 correct?</p> <p>7 A Correct.</p> <p>8 Q And anything over the \$750,000 cap was reimbursed to</p> <p>9 Trump Ferry Point LLC through a credit that would apply to</p> <p>10 license fees in future years; correct?</p> <p>11 A Correct.</p> <p>12 Q And the city performed an informal review to determine</p> <p>13 the grow-in costs Trump Ferry Point LLC incurred; correct?</p> <p>14 A Correct.</p> <p>15 Q Do you recall what year that was done?</p> <p>16 A To the best of my memory it would have been</p> <p>17 approximately 2015 or 2016. Sorry, sorry. It couldn't have</p> <p>18 been -- probably 2016 or 2017 because the course opened in 2015</p> <p>19 and up until that point the costs would have still been</p> <p>20 accumulated.</p> <p>21 Q Got it. And so the informal review that the city</p> <p>22 performed was to see how much Trump Ferry Point LLC expended</p> <p>23 beyond the cap; correct?</p> <p>24 A Correct.</p> <p>25 Q And the review showed that Trump Ferry Point LLC</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2829</p> <p>1 cover all of the license fees that were due under the agreement?</p> <p>2 A It covered all the license fees that were due under the</p> <p>3 agreement up until the point that the license was assigned.</p> <p>4 Q Correct. So Trump Ferry Point LLC never had to pay any</p> <p>5 license fees under the agreement; correct?</p> <p>6 A Correct.</p> <p>7 Q And so moving back to the guarantee, there was no</p> <p>8 unpaid grow-in costs beyond the cap for President Trump to pay;</p> <p>9 correct?</p> <p>10 A There were no fees that were due to the city from this</p> <p>11 license.</p> <p>12 Q And so President Trump's guaranty was never invoked for</p> <p>13 -- under this section; correct?</p> <p>14 A Correct.</p> <p>15 THE COURT: Try not to comment on the answer like</p> <p>16 "right."</p> <p>17 MS. HERNANDEZ: Sorry, Your Honor. Understood.</p> <p>18 Q So moving to Section 7, President Trump guaranteed</p> <p>19 payment of any due and unpaid late charges; correct?</p> <p>20 A Correct.</p> <p>21 Q And were there ever any due or unpaid late charges</p> <p>22 imposed on Trump Ferry Point LLC?</p> <p>23 A Not that I recall.</p> <p>24 Q Okay. And then moving to Section 8, President Trump</p> <p>25 guaranteed any other due and unpaid financial obligations under</p>

<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2830</p> <p>1 the license agreement or development agreement, which -- and 2 you'll see there at the end "at no time shall exceed \$150,000 in 3 the aggregate;" correct? 4 A Correct. 5 Q And were there ever any due and unpaid obligations 6 under these agreements? 7 A No. 8 Q And then finally on Section 9, President Trump 9 guaranteed the completion of the required capital improvements; 10 correct? 11 A Correct. 12 Q And as we discussed, the required capital improvements 13 were completed in accordance with the contract; correct? 14 A Correct. 15 Q And so the guaranty was never invoked under this 16 section; correct? 17 A Correct. 18 Q And President Trump's guaranty was never invoked under 19 these agreements; correct? 20 A Correct. 21 Q Because Trump Ferry Point LLC met all of their 22 financial obligations under the contracts; correct? 23 A There was not a need to invoke the personal guaranty. 24 Q Because Trump Ferry Point LLC met all their -- 25 A They were met.</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2832</p> <p>1 Q And moving -- 2 MS. HERNANDEZ: Could we pull B up between page 3 three and four? 4 THE COURT: Five-minute warning. 5 MS. HERNANDEZ: Thank you, Your Honor. 6 Q "And under the guaranty, in the event that guarantor 7 does not finish" -- "furnish," excuse me, No MAC letter as 8 required here, Parks' sole remedy is to increase the security 9 deposit;" correct? 10 A Correct. 11 Q And the security deposit can -- "in no event" -- 12 looking to the last section, "in no event shall guarantor be 13 required to pay any additional security deposit after the 14 security deposit has been increased to \$470,000 pursuant to this 15 Section B regardless of any additional guarantor MAC failures; 16 correct? 17 A Correct. 18 Q So the sole remedy for failure is to submit the No MAC 19 letter with an increase of the security deposit to a maximum of 20 \$470,000; correct? 21 A Correct. 22 MS. HERNANDEZ: Your Honor, I think that's a good 23 point to stop. 24 THE COURT: But you have more after lunch? 25 MS. HERNANDEZ: Yes, unfortunately.</p>
<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2831</p> <p>1 THE COURT: If you asked that question 20 minutes 2 ago, we could have saved a lot of time. I understand you 3 had a need to go through it all, so. 4 Q So moving to page three of the guaranty -- or I think 5 we are on page three. 6 Under Section 4 where it says "financial covenants." 7 MS. HERNANDEZ: If you could blow that up, Nate. 8 Q So under the guaranty, President Trump was prior 9 required to furnish a letter from his accountant saying there 10 has been no material adverse change in his net worth; correct? 11 A Correct. 12 Q And those are referred to as No MAC letters; correct? 13 A Correct. 14 Q And there is no requirement that President Trump submit 15 his statements of financial condition to Parks; correct? 16 A I'm sorry. I'm missing that here. 17 Q I'm asking whether there is any requirement that 18 President Trump submit his Statement of Financial Condition to 19 Parks under the guaranty. 20 A I'm not recalling a provision in the license that 21 required it. 22 Q And you've never reviewed President Trump's Statement 23 of Financial Condition in connection with the Ferry Point 24 agreements; correct? 25 A I have not.</p>	<p>D. Cerron - Plaintiff - cross (Hernandez) Page 2833</p> <p>1 THE COURT: Okay. Any progress or responses on the 2 question about Ivanka Trump's testimony on Friday's 3 schedule? 4 MR. KISE: We're waiting to hear back, Your Honor. 5 Hopefully by the lunch hour. We've been in contact with 6 her. We're working out -- as I mentioned to Mr. Wallace, 7 we're working on a solution. 8 THE COURT: Great. The witness is excused. I'll 9 direct him not to discuss the case, his testimony or 10 anything related until he's fully excused, so no talk. 11 We'll see everybody at 2:15. 12 (Whereupon, there is a luncheon recess in the 13 proceedings.) 14 15 16 17 18 19 20 21 22 23 24 25</p>

<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2834</p> <p>1 AFTERNOON SESSION 2 * * * * * 3 THE OFFICER: All rise. Part 37 is back in 4 session. The Honorable Arthur Engoron presiding. Now, 5 please be seated and come to order. 6 THE COURT: Let's hear from the defense about 7 Friday's schedule. 8 MR. KISE: About what? 9 THE COURT: Friday's schedule. 10 MR. KISE: Oh, Friday's schedule. I think we 11 reached an agreement on the 8th, doing Ms. Trump's testimony 12 on the 8th. She's going to move her trip around. That way 13 if we start, we can finish that day and if we don't -- and 14 if we don't finish that day, we will have the night to 15 rollover. 16 THE COURT: Okay. 17 MR. KISE: I think at least with Mr. Wallace -- I 18 haven't spoken -- 19 MR. AMER: That's fine with us, but I thought the 20 Court was inquiring whether the 3rd was possible if we did a 21 full day rather than a half day. 22 THE COURT: That was the original idea. 23 MR. KISE: Well, for the logistical reasons and 24 otherwise I pointed out at least from my end, our end, the 25 3rd represents a challenge so -- and I don't know that</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2836</p> <p>1 Donald Trump Jr. is finished. Now, that may be Thursday, 2 but it may also be Wednesday afternoon. I think we don't 3 want to have dead time -- 4 THE COURT: Dead time. 5 MR. KISE: That seems awfully optimistic. I know 6 they've been eternally optimistic. We never have met those 7 expectations. 8 MR. AMER: I'm putting the marker down because I 9 don't want to hear that we weren't on notice that he could 10 go as early as Wednesday afternoon. I don't know -- 11 MR. KISE: Oh, that. I don't think that's an 12 issue. 13 THE COURT: Well -- 14 MR. KISE: Without Mr. Robert being here, I can't 15 represent anything, but I don't -- I don't know. I don't 16 anticipate that's going to be that big of an issue. 17 THE COURT: Well, will Eric be here on Wednesday? 18 MR. KISE: As far as I know, he will. But again, 19 I'm not representing anything without Mr. Robert here. 20 MR. AMER: Mr. Farina is here. We have somebody 21 who is representing Eric Trump here. I just -- I mean, my 22 understanding is that we start Donald Trump, Jr. Wednesday 23 morning. I don't think we have a full day with him. I 24 think he could be shorter than a full day, so I think in 25 order to not waste time, Eric Trump should be available to</p>
<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2835</p> <p>1 we'll get to her. I know we all have these lofty plans when 2 we start early in the week to get through witnesses, but I'm 3 not entirely sure we'll get through the expert, Don, Jr. and 4 Eric by Friday in any event. 5 MS. HABBA: I just talked to them about the 6 schedule. We were just going back and forth. I don't know 7 about the 3rd. I'm not Bennet Moskowitz. That's her 8 attorney. But I know the way the schedule would work now, 9 we have Don Wednesday, Eric Trump -- 10 THE COURT: Thursday. 11 MS. HABBA: -- Thursday. I think they're 12 representing Eric might be longer than Don. If we have 13 Donald Trump on Monday, then at least there's a day off and 14 a clean break that we have. Ivanka goes into the next day. 15 She is here and can do two full days and then they rest. 16 THE COURT: Do we know who's going to cross-examine 17 Ivanka? 18 MS. HABBA: I don't. 19 MR. KISE: I don't know that's been decided that we 20 will, but I'm sure -- without Mr. Robert here, I don't want 21 to say anything at all about that decision because I haven't 22 spoken to him about that. 23 THE COURT: Mr. -- 24 MR. AMER: I wanted to mention one thing, so we are 25 clear. My understanding is Eric Trump will testify when</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2837</p> <p>1 start whenever we finish Donald Trump, Jr. 2 MR. KISE: Well, we'll have an answer for you by 3 tonight or tomorrow morning, well in advance of Wednesday. 4 I just don't want to give you an answer that I can't give 5 you only to have to retreat from. 6 THE COURT: I think we are all okay with Ivanka on 7 the 8th, Wednesday. What will we do Friday? What can we 8 accomplish? 9 MR. KISE: My questions is we're going to be -- it 10 is an educated guess after what we've been through that we 11 will need Friday to finish the witnesses that are already on 12 deck. I'm pretty sure. Nothing ever goes according to 13 plan. 14 THE COURT: S-N-A-F-U I think they call that. 15 MR. AMER: I don't disagree. We don't have any 16 witness between Eric Trump and Donald Trump. So whenever we 17 finish Eric Trump, I think we're not going to have anything 18 else to put on until Donald Trump goes the following Monday, 19 which is the only day he's available as I understand it. 20 THE COURT: So we'll leave Friday as a big question 21 mark and we will all agree Ivanka Wednesday, the 8th and 22 possibly Thursday? 23 MR. KISE: Yes, Your Honor, that's fine. 24 THE COURT: Okay. Let's get the witness back. 25 THE COURT OFFICER: Witness entering.</p>

<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2838</p> <p>1 THE COURT: I will remind the witness, as I always 2 do, that he's still under oath. Let's continue with the 3 cross-examination. 4 Q Mr. Cerron, have you spoken to the Attorney General 5 since your deposition on Monday October 23rd? 6 THE COURT: Or anybody from her office. 7 Q Or anybody from her office? 8 A Yes. 9 Q Who did you speak to from the Attorney General's 10 office? 11 A Mr. Gaber. 12 Q When did you speak to Mr. Gaber? 13 A Approximately -- last week if I'm not mistaken, on 14 Thursday. 15 Q How long was that conversation? 16 A Approximately 45 minutes. 17 Q And what did you speak to with Mr. Gaber -- speak about 18 with Mr. Gaber? 19 A Regarding testimony today. 20 Q What specifically -- 21 THE COURT: I'm not sure the microphone -- 22 MS. HERNANDEZ: I don't know if it is working now. 23 THE COURT: Now it -- 24 MS. HERNANDEZ: Is that better? 25 THE COURT: Yes.</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2840</p> <p>1 Q But Trump Ferry Point, LLC did accomplish the goals of 2 the contract, correct? 3 A In which respect? 4 Q The clubhouse was built, correct? 5 A The clubhouse was built, correct. 6 Q The golf course was maintained, correct? 7 A And the golf course was maintained, correct. 8 Q And the grass was grown in correctly, correct? 9 A The grass was grown in correctly, that's correct. 10 Q Mr. Trump put more money in the property than was 11 required under the contract, correct? 12 A To the best of my recollection, the capital commitment 13 exceeded the obligated amount, that's right. 14 Q And Trump Ferry Point, LLC met all of their 15 obligations, all of its obligations under the contract, correct? 16 A With regard to the items that we discussed. I don't 17 want to give a blanket, correct, to a pretty sizable document, 18 but with regard to the capital, with regard to the grow-in, with 19 regard to the clubhouse, those were all obligations that were 20 met, yes. 21 Q Are you aware of any obligation that was not met by 22 Trump Ferry Point, LLC as you sit here today? 23 A There's not a firm capital obligation that comes to 24 mind that was not met. 25 THE COURT: Can you just hit your microphone again.</p>
<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2839</p> <p>1 Q So what did you speak to about Mr. Gaber more 2 specifically about your testimony? 3 A Predominantly, it was a review of many of the documents 4 that we've seen here today and kind of generally on questions 5 that I may be asked -- 6 Q So he -- 7 A -- by him. 8 Q So he walked you through the direct examination that 9 you all did earlier today, correct? 10 A We went through some of those documents, yes. I mean, 11 not exactly, but yes. 12 Q Was there anyone else there other than Mr. Gaber? 13 A I believe there was another gentleman, but I don't 14 remember his name. 15 Q And is that the only instance that you spoke to anyone 16 from the Attorney General's office since your deposition? 17 A Yes. 18 Q You testified -- 19 A Just if I could correct. 20 Q Go ahead. 21 A We did text this morning just to let them know that I 22 was here, procedural stuff, nothing of materiality. 23 Q Got it. So you testified on direct examination that 24 Ferry Point was a tough one to accomplish, correct? 25 A Correct.</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ: I'll try to project either way. 6 Q We are going to pull up PX 1331 which is already in 7 evidence. This is Trump's response to request for offers, 8 correct? 9 A Correct. 10 Q And you testified on direct examination that you 11 believe this letter was relied on by -- sorry. Go to page 12 seven before I ask this question. 13 You testified on direct examination that you believe 14 this letter was relied on by Parks, correct? 15 A Correct. 16 Q But you weren't involved in the award process, correct? 17 A Correct. 18 Q And so you don't know for certain what was relied on by 19 Parks during the award process, correct? 20 A I was -- I was not on -- I was not on the selection 21 committee, so to the extent that that is the definitive marker 22 of whether I know something or I don't and how they made that 23 determination, you know, I would agree, but I think when we're 24 talking about this process that -- of awarding concessions that 25 I've been involved in for over a decade and I look at the</p>

<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2842</p> <p>1 requests for recommendation for award, and it cites the content 2 of this letter. In knowing that process, I do believe that this 3 was part of that determination for, you know -- to help them 4 feel comfortable with financial capability.</p> <p>5 MS. HERNANDEZ: Your Honor, I'd like to move to 6 strike that answer as non-responsive. It was a yes or no 7 whether he is aware for certain what was relied on in the 8 award.</p> <p>9 THE COURT: Well, off the record. 10 (Whereupon, a discussion was held off the record.)</p> <p>11 THE COURT: I'll ask for a readback and I believe 12 that counselor is correct that part of the answer was 13 non-responsive.</p> <p>14 (Whereupon, the requested portion of the record was 15 read back.)</p> <p>16 THE COURT: Can you answer that yes or no?</p> <p>17 A Correct.</p> <p>18 MS. HERNANDEZ: So we are going to now pull up PX 19 3258 which is already in evidence.</p> <p>20 THE COURT: And the earlier answer is stricken 21 because some of it was non-responsive.</p> <p>22 MR. GABER: I believe Mr. Cerron on direct 23 testified as to the basis for his understanding as to what 24 was and wasn't relied on.</p> <p>25 THE COURT: He did, but --</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2844</p> <p>1 operating year, which we would review. And that would have 2 information on the costs related to the maintenance of the golf 3 course and it would also have the revenues that would either 4 support that cost or which would not and they might be at a loss 5 or gain depending on how things shook out, but we would not have 6 requested it -- we did not request, you know, certified 7 financial statements, but it would not have been related to 8 maintenance because the maintenance is something we would have 9 seen in the financial statements that they would have sent us 10 purely related just to the course, not to any other business 11 dealings.</p> <p>12 Q What you're describing is financial statements from 13 Trump Ferry Point, LLC, correct?</p> <p>14 A Correct.</p> <p>15 Q So did you ever receive President Trump's Statement of 16 Financial Condition during the maintenance?</p> <p>17 A No. During the term of the license or related to 18 maintenance, no.</p> <p>19 Q And did anyone from Parks ever request the Statement of 20 Financial Condition?</p> <p>21 A Not that I'm aware of.</p> <p>22 Q And so when you reviewed these "No MAC" letters, you 23 did not review them to determine whether President Trump had the 24 financial capability to perform the contract, correct?</p> <p>25 A Correct.</p>
<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2843</p> <p>1 MR. GABER: He laid a foundation that I think 2 allows this to be considered responsive.</p> <p>3 THE COURT: You can re-direct him if you want.</p> <p>4 Q So can we go to page two. So this was admitted. Page 5 two of this document was admitted earlier today and I want to 6 point your attention to the third paragraph there. "This letter 7 should be read in conjunction with Mr. Trump's above-referenced 8 Statement of Financial Condition as of June 30, 2016." Do you 9 see that?</p> <p>10 A Yes.</p> <p>11 Q And are you aware of any instance where the city 12 requested a Statement of Financial Condition from President 13 Trump in connection with the maintenance of the Ferry Point 14 contract?</p> <p>15 A Can you repeat that question, please.</p> <p>16 Q Sure. Are you aware of any instance where the city 17 requested a Statement of Financial Condition from President 18 Trump in connection with the maintenance of the Ferry Point 19 contract?</p> <p>20 A So this is not a yes or a no. It's the last part of 21 that question is a little bit confusing, so I'm sorry if I'm not 22 able to answer this on the first -- on the first try. But with 23 connection with the maintenance of the course, there 24 was -- there's an annual income statement that's submitted by 25 the concessionaire at the end of each -- at the end of each</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2845</p> <p>1 Q The determination of whether someone has the financial 2 capability to perform under the contract is largely made during 3 the award process, correct?</p> <p>4 A Correct.</p> <p>5 Q And your interest in reviewing the "No MAC" letters is 6 making sure that all of the obligations under the contract are 7 being completed, correct?</p> <p>8 A Our interest in reviewing the "No MAC" letters is 9 simply just to confirm that what was is what is. So I think 10 that's correct.</p> <p>11 Q He was required to submit it and he submitted it, 12 correct?</p> <p>13 A Correct.</p> <p>14 Q And at the time of this letter, it is dated April 22, 15 2017, correct?</p> <p>16 A Correct.</p> <p>17 Q At the time of this letter, there was a rent credit in 18 favor of Trump Ferry Point, LLC, correct?</p> <p>19 A Correct. And my apologies. I think at this point, 20 there might have not -- there might have been before the rent 21 kicked in.</p> <p>22 Q You're not sure?</p> <p>23 A If it was '15, '16, '17, this would have been before 24 rent was due because the first five years of the license, there 25 was no rent.</p>

<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2846</p> <p>1 Q So when you were reviewing this letter, there was no 2 rent due under the license agreement? 3 A Correct. 4 Q And as you sit here today, you're not aware of any 5 false statements in this "No MAC" letter issued by Mazars, LLP, 6 correct? 7 A Other than, you know, this -- I think the -- some of 8 basis for this trial, but no, I am not aware of, you know, if 9 there's been -- if it's been revised or anything else. 10 MS. HERNANDEZ: So we're going to move to PX 3280 11 which is also in evidence. Can you go to the second page, 12 Nate. Only the second page is in evidence. 13 Q So this is another "No MAC" letter, correct? 14 A Correct. 15 Q And this one is dated April 5, 2018, correct? 16 A Correct. 17 Q And so highlighting that third paragraph, it says, 18 "This letter should be read in conjunction with Mr. Trump's 19 above-referenced Statement of Financial Condition as of June 30, 20 2017," correct? 21 A Correct. 22 Q At the time of this letter, so April 5, 2018, was there 23 a rent credit in favor of Trump Ferry Point, LLC? 24 A I believe so, yes. 25 Q And so the rent credit basically means that the city</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2848</p> <p>1 MS. HERNANDEZ: If you can scroll up a little, 2 Nate. 3 Q This is dated February 26, 2021, correct? 4 A Correct. 5 Q And at the time of this letter, the rent credit that 6 we've been discussing was already in place, correct? 7 A Correct. 8 Q And so as you sit here today, you're not aware of any 9 false statements in this "No MAC" letter issued by Mazars, 10 correct? 11 A I think as I mentioned, I'm not aware of them except 12 for my understanding is part of the basis of this trial is that 13 these were not -- these were not accurate. So I have not 14 received a letter saying, "Here is a revised statement" or "Here 15 is what the numbers should be." So when I say correct, I'm not 16 aware of it. That's because nothing's been brought to me, but 17 it is something that obviously seems like an outstanding 18 question. 19 MS. HERNANDEZ: I would move to strike that as 20 non-responsive. It is just whether he is aware of it or 21 not. 22 THE COURT: I understand where both of you are 23 coming from. Why don't we do this. Can I deem the question 24 withdrawn and you will ask it more precisely if you think 25 you can.</p>
<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2847</p> <p>1 owed Trump money under the contract, correct? 2 A It meant that he had a rent credit. I defer to our 3 attorneys if somehow the license was terminated, whether the 4 city owed money or not, but it meant that the concessionaire had 5 a rent credit. 6 Q A rent credit because he -- 7 A Because related to the grow-in, so there was -- once 8 after the five years -- once the license fees were billed, they 9 were billed against a credit of several million dollars that he 10 had, so we would just be drawing down on that credit month over 11 month. 12 Q Because Trump Ferry Point, LLC and President Trump 13 spent more than what was required under the contract, correct? 14 A For the grow-in, correct. Right. 15 Q As you sit here today, you're not aware of any false 16 statements in this "No MAC" letter issued by Mazars, correct? 17 A Correct. 18 Q So we are going to move to PX 3281 which is already in 19 evidence. And so the second paragraph in this one says, "This 20 letter should be read in conjunction with Mr. Trump's 21 above-referenced Statement of Financial Condition including 22 notes and narratives included therewith as of June 30, 2020," 23 correct? 24 A Correct. 25 Q And at the time of this letter --</p>	<p>D. CERRON - PLAINTIFF - CROSS(MS. HERNANDEZ) Page 2849</p> <p>1 MS. HERNANDEZ: I can try. 2 Q So as you sit here today, aside from any allegations in 3 this case, are you aware of any actual false statements in this 4 "No MAC" letter issued by Mazars? 5 A I haven't received a correction letter. I have not 6 received anything from Mazars to say that this is -- this is 7 being -- this is being -- these numbers are being corrected. 8 I just -- I feel uncomfortable saying like there's nothing 9 inaccurate here even if I don't know precisely what it is. I'm 10 just not in a position to have the knowledge to know, precisely 11 know what it is and that's part of why I think there is this 12 trial. So I wish I could be more helpful to just in general to 13 anyone in answering that question, but I don't want to represent 14 that my understanding is that there are no misstatements here 15 because I'm just not -- I'm just not sure at this point what 16 the facts are. 17 MS. HERNANDEZ: Your Honor, could I move to strike 18 that answer as well? 19 THE COURT: Granted. If you listen to the 20 question, we'll get a -- 21 MR. GABER: If we're talking about any of the other 22 allegations in this trial, then the question is no longer 23 relevant. 24 THE COURT: Disagree. 25 MS. Are you actually aware</p> <p>6 of any false statements that are in this "No MAC" letter issued</p> <p>7 by Mazars in 2021?</p> <p>8 A I am not aware of any other statements regarding this</p> <p>9 financial -- these financial documents during this time period.</p> <p>10 MR. HERNANDEZ: Okay. Thank you. We can take that</p> <p>11 down now.</p> <p>12 Q So you are familiar with the assignment of the</p> <p>13 concession for the Ferry Point property from Trump Ferry Point,</p> <p>14 LLC to Bally's, correct?</p> <p>15 A Correct.</p> <p>16 Q You were involved in working with counsel's office on</p> <p>17 that deal, correct?</p> <p>18 A I worked with our -- with the agency's general</p> <p>19 counsel.</p> <p>20 Q So you were involved in that deal, correct?</p> <p>21 A Yes.</p> <p>22 Q And Bally's paid Trump Ferry Point, LLC approximately</p> <p>23 \$60 million for the assignment of this concession, correct?</p> <p>24 A That is my understanding, correct.</p> <p>25 Q And so I'm going to show you what's already in evidence</p>	<p>1 judicial notice of it, then I have no further questions.</p> <p>2 THE COURT: Okay. Any re-direct?</p> <p>3 MR. GABER: No, Judge. Thank you.</p> <p>4 THE COURT: Okay. We are all finished with this</p> <p>5 witness, I assume.</p> <p>6 Thank you, witness. You're excused.</p> <p>7 (Witness excused.)</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 as PX 1501.</p> <p>2 MS. HERNANDEZ: The native, Nate, please.</p> <p>3 Q So I'm going to represent to you that this is the 2021</p> <p>4 supporting data for the Statement of Financial Condition. And</p> <p>5 I'm going to direct your attention to Row 575 of the supporting</p> <p>6 data. Do you see there where it says, "Trump Golf Links Ferry</p> <p>7 Point"?</p> <p>8 A I do.</p> <p>9 MR. GABER: I'm going to object to foundation here.</p> <p>10 The witness -- the witness is incompetent to testify on an</p> <p>11 internal valuation document from the Trump Organization.</p> <p>12 THE COURT: The question was simply did he</p> <p>13 see -- does he see it. So objection overruled without</p> <p>14 prejudice to see where it goes.</p> <p>15 MR. GABER: Okay.</p> <p>16 MS. HERNANDEZ: And on Row 584, you could highlight</p> <p>17 that, Nate.</p> <p>18 Q You see the value in 2021 is \$22,548,589?</p> <p>19 A I do.</p> <p>20 Q And the \$22,548,589 is significantly less than the</p> <p>21 \$60 million that you just testified Bally's paid Trump Ferry</p> <p>22 Point LLC for the assignment of the concession, correct?</p> <p>23 THE COURT: I'll take judicial notice that the</p> <p>24 \$22 million is less than the \$60 million.</p> <p>25 MS. HERNANDEZ: Okay. If Your Honor will take</p>	<p>1 THE COURT: Am I correct that the next witness we</p> <p>2 are going to hear from via recorded -- video recorded</p> <p>3 testimony?</p> <p>4 MR. AMER: That's right, Your Honor. I think we</p> <p>5 clocked the video at two hours and 16 minutes. I don't</p> <p>6 think with our afternoon break we're going to be able to</p> <p>7 play the entire video given our timing, but if we have to</p> <p>8 spill over until tomorrow morning, then we can just finish</p> <p>9 it then.</p> <p>10 THE COURT: And why are we not hearing live</p> <p>11 testimony, which I'm on record as wanting -- valuing?</p> <p>12 MR. AMER: We were in agreement that the witness is</p> <p>13 unavailable. She is not in New York, she doesn't work in</p> <p>14 New York and she is also in her -- knew she was going to be</p> <p>15 nine months pregnant around the time of the trial.</p> <p>16 THE COURT: And defendants, there is no issue, I</p> <p>17 assume?</p> <p>18 MR. KISE: No, not at this time, Your Honor, no.</p> <p>19 THE COURT: Okay. Let's play the movie.</p> <p>20 (Whereupon, there is a pause in the proceedings</p> <p>21 while the video recorded testimony is played in open court.)</p> <p>22 THE COURT: Okay. We're going to take a ten-minute</p> <p>23 break, so I'll see you back here in 15 minutes.</p> <p>24 MS. GREENFIELD: Just Counselors for the AG, I know</p> <p>25 that the exhibits for this deposition were marked as</p>

1 deposition exhibits. Would it be possible to get a list of 2 the corresponding Plaintiff's Exhibit number that that 3 corresponds to? 4 MR. AMER: I have that and I was going to move all 5 of the exhibits into evidence as soon as the video is over. 6 MS. GREENFIELD: Fantastic. 7 THE COURT: So we'll get that in the record. So 8 15 minutes from now. 9 (Whereupon, there is a recess in the proceedings.) 10 THE COURT OFFICER: All rise. Part 37 is back in 11 session. Please be seated and come to order. 12 THE COURT: I hope you enjoyed the intermission. 13 Let's go back to the movie. 14 MR. AMER: Before we start, I want to confirm you 15 see the table of exhibits? 16 THE COURT: Thank you very much. 17 MS. FAHERTY: No problem. 18 THE COURT: Okay. Let's play the feature film. 19 (Whereupon, there is a pause in the proceedings 20 while the video recorded testimony is played in open court.) 21 THE COURT: We just want to discuss witnesses for 22 tomorrow. 23 MR. AMER: So the completion of Ms. Mouradian's 24 video deposition -- video de benne esse testimony then we 25 have Mr. Cornwell is next followed by Mr. Orowitz followed	1 THE COURT: Okay. That's it. Ten o'clock 2 tomorrow. See you all. 3 Whereupon, the trial proceedings are adjourned to 4 October 30, 2023 at 10:00 a m. 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25

1 by Mr. McCarty. 2 THE COURT: And we going to finish all of them? 3 MR. AMER: I don't know. 4 THE COURT: That's a lot more than we've ever done 5 in a day. 6 MR. AMER: My understanding is there will be cross 7 examination of Mr. Cornwell. I don't believe there is cross 8 examination of Mr. Orowitz; is that right? 9 MS. HERNANDEZ: That's my understanding as well. 10 MR. AMER: And there certainly will be cross 11 examination of Mr. McCarty, who is our banking expert 12 although, I will say his examination is going to be shorter 13 than it otherwise would have been but for the summary 14 judgment ruling, so we're obviously taking that into account 15 in terms of what is now relevant for him to testify to. 16 MS. GREENFIELD: Assuming we don't finish all of 17 these witnesses tomorrow, are they available to resume 18 Friday since that morning is now available? You don't have 19 to answer right now, but if you can find out. 20 MR. AMER: Yes. I mean, I think the idea was to 21 have them finish and have Donald Trump, Jr. start when 22 Mr. McCarty is finished. 23 MS. GREENFIELD: Okay. So it could be Donald 24 Trump, Jr., would start later in the day on Wednesday? 25 MR. AMER: It could be.

<p>1 documents, and research into available public sources. If</p> <p>2 the Court, as the trier of fact, does not find the expert</p> <p>3 testimony reliable or credible, it may choose to disregard</p> <p>4 it.</p> <p>5 Furthermore, as plaintiff has pointed out, when</p> <p>6 employing the equitable remedy of disgorgement of profits,</p> <p>7 precision is not required. As the Second Circuit held in</p> <p>8 Sec. &amp; Exch. Comm'n v. Fowler, 6 F. 4th 255, 267 (2d Cir</p> <p>9 2021), "In general, the amount of disgorgement ordered need</p> <p>10 only be a reasonable approximation of profits causally</p> <p>11 connected to the violation. If the disgorgement amount is</p> <p>12 generally reasonable, any risk of uncertainty about the</p> <p>13 amount falls on the wrongdoer whose illegal conduct created</p> <p>14 that uncertainty."</p> <p>15 Finally, to the extent defendants assert that</p> <p>16 McCarty's expert testimony should be precluded because it is</p> <p>17 beyond the scope of the statute of limitations, as has been</p> <p>18 explained many times, the statute of limitations bars</p> <p>19 claims, not evidence. Where, as here, disgorgement of</p> <p>20 profits is an available remedy, the Court may, depending</p> <p>21 upon the circumstances, be permitted to look at any</p> <p>22 "ill-gotten gains" for the entire life of the loan, so long</p> <p>23 as the final damages award is appropriately prorated to</p> <p>24 include only such ill-gotten gains that occurred within the</p> <p>25 statute of limitations.</p>		<p>1 the Attorney General the ability to stop conduct that she</p> <p>2 thinks may be harming the public. None of that conduct has</p> <p>3 actually harmed the public or not. That's why in the first</p> <p>4 instance, to stop the conduct, there doesn't have to be any</p> <p>5 demonstration that someone has actually been hurt yet.</p> <p>6 So using our example, if the Attorney General</p> <p>7 thinks that someone is using a financial statement in a way</p> <p>8 that could theoretically harm someone, then she goes to</p> <p>9 court and says, "You're using a financial statement in a way</p> <p>10 that could theoretically harm someone." "There is a false</p> <p>11 or misleading statement, you know, something false or</p> <p>12 misleading contained in the financial statement.</p> <p>13 Something's in there and you shouldn't be doing that."</p> <p>14 Now, as you know, we disagree with whether or not</p> <p>15 it is false or misleading, but setting that aside, that's</p> <p>16 one aspect of the statute. That's one reason it exists, is</p> <p>17 to stop someone, so the court can issue an order saying stop</p> <p>18 issuing those false and misleading financial statements.</p> <p>19 You defendants, stop doing that. That's a very separate</p> <p>20 issue, though, from the other piece which -- and again, I'm</p> <p>21 not belaboring this point, but restitution, which we think</p> <p>22 is allowable under the statute, disgorgement, accepting Your</p> <p>23 Honor's views at this point without waiving our position,</p> <p>24 but in order to get there, you have to now establish that</p> <p>25 something actually took place and the restitution in</p>	
PROCEEDINGS	Page 2862	PROCEEDINGS	Page 2864
<p>1 And this is all done this morning, by the way.</p> <p>2 There may be some meaty issues to look into, but this is my</p> <p>3 current understanding. The motion to preclude is denied and</p> <p>4 if defendants want to put their objections on the record,</p> <p>5 they may do so now.</p> <p>6 MR. KISE: Thank you, Judge. I'll be brief, but I</p> <p>7 think I want to at least point out a few things that Your</p> <p>8 Honor mentioned. First of all, I think you know this, but I</p> <p>9 just want to make it clear on the record. The issue about</p> <p>10 disgorgement not being available was not our first argument.</p> <p>11 It is just simply for not to belabor the point and that's</p> <p>12 why it is in the footnote.</p> <p>13 THE COURT: I appreciate that.</p> <p>14 MR. KISE: The fundamental difference here, I guess</p> <p>15 the disconnect is there's no establishment in the record</p> <p>16 that the gains are ill-gotten. That's really the issue</p> <p>17 here. They haven't established that they're ill-gotten.</p> <p>18 They haven't established that something would have actually</p> <p>19 been different and that's a very different thing than the</p> <p>20 SEC case and the other cases they cite. Those cases are</p> <p>21 traditional fraud cases and materiality and reliance and all</p> <p>22 of that has been established and so that's what's not been</p> <p>23 established here.</p> <p>24 The purpose of 63 (12) is essentially two-fold.</p> <p>25 It's one, to stop conduct that the Attorney General -- give</p>		<p>1 disgorgement, you can't just assume theoretically that</p> <p>2 something is ill-gotten in the disgorgement context.</p> <p>3 You can't assume in the restitution context that</p> <p>4 someone has lost money based on the conduct. You have to</p> <p>5 actually establish that and that's the part that the</p> <p>6 Attorney General is skipping over. This ill-gotten concept</p> <p>7 that their whole case is premised on, the fact that the</p> <p>8 defendants secured more favorable loan and insurance terms</p> <p>9 and then retained those terms with each statement, with each</p> <p>10 submission of the statement ongoing, but that premise</p> <p>11 assumes something that hasn't been proven.</p> <p>12 That's the whole purpose of bringing Mr. McCarty in</p> <p>13 here. They are assuming that the defendants received</p> <p>14 something. They secured more favorable loan or insurance</p> <p>15 terms that they wouldn't have otherwise received. There's</p> <p>16 just no evidence in the record. And the point about Mr.</p> <p>17 Haigh's testimony is not to say, well, they could have asked</p> <p>18 this question or they could have asked that. The point is</p> <p>19 to demonstrate that Mr. Haigh's testimony is squarely</p> <p>20 counter to their position in the case.</p> <p>21 Mr. Haigh never said that something would have</p> <p>22 actually been different. Mr. Haigh never said because they</p> <p>23 didn't ask him, no, these loans would not have been issued.</p> <p>24 So they have -- without that testimony, they haven't</p> <p>25 established that the loan wouldn't have been issued anyway.</p>	

PROCEEDINGS	Page 2865	PROCEEDINGS	Page 2867
<p>1 And if the loan would have been issued anyway, there is no</p> <p>2 ill-gotten gain. It's not possible to have. The bank's</p> <p>3 role is to make the decision and as Mr. Haigh testified,</p> <p>4 there's myriad factors. There's multiple, multiple factors.</p> <p>5 So the bank's role is to make the decision.</p> <p>6 The same with the pricing of the loan. The pricing</p> <p>7 of the loan is something within the bank's determination.</p> <p>8 Unless the bank comes into court and says, "Yes, I would</p> <p>9 have priced this loan differently," there's no basis upon</p> <p>10 which Mr. McCarty can testify as to what that would look</p> <p>11 like. If the loans would have been the same anyway,</p> <p>12 then -- and the pricing would have been the same anyway,</p> <p>13 while an Attorney General can certainly stop someone upon</p> <p>14 proof from issuing financial statements that contain</p> <p>15 something false or misleading, a premise we disagree with,</p> <p>16 but that's very different than now saying that we can</p> <p>17 recover money under anything, whether it be damages,</p> <p>18 disgorgement, restitution, without that necessary element of</p> <p>19 proof because, otherwise, the statute becomes limitless.</p> <p>20 Now, we're dealing with the -- the Attorney</p> <p>21 General called it in their letter response that I saw this</p> <p>22 morning a counterfactual world. I'm not talking about a</p> <p>23 counterfactual world. I'm talking about the real world. In</p> <p>24 the real world, the banks make these decisions. In the real</p> <p>25 world, the banks evaluate the decision. In the real world,</p>		<p>1 its own, forget about all this criteria. I mean, Mr. Haigh</p> <p>2 talked about both on direct, and I won't put it in here, it</p> <p>3 is in our papers, both on direct and on cross that the</p> <p>4 approvals terms and pricing were based on multiple factors,</p> <p>5 innumerable factors. They are all in the credit memos.</p> <p>6 He also testified that the relevant approvals year</p> <p>7 after year after year were based on their own internal</p> <p>8 analysis. That's not testimony that the Attorney General is</p> <p>9 free to simply ignore. There has to be something in the</p> <p>10 record that establishes that something would have been</p> <p>11 different here because if you don't establish that there was</p> <p>12 real harm, any real world impact, you can't have an expert</p> <p>13 come in and say, "Okay. Well, now here is the document."</p> <p>14 What the expert is testifying to is a penalty. The</p> <p>15 expert is now testifying as to a penalty. We think -- the</p> <p>16 AG says, "We think the conduct of using these financial</p> <p>17 statements was wrong. We don't care whether anything would</p> <p>18 have been different factually. We don't care whether the</p> <p>19 banks would have done something differently. We think it is</p> <p>20 wrong and here is what we think the ill-gotten gains are."</p> <p>21 That's -- it's beyond counterintuitive to contend</p> <p>22 that what the bank actually thinks and what the bank</p> <p>23 actually did is irrelevant and immaterial to the analysis.</p> <p>24 So to allow this testimony and to allow this theory,</p> <p>25 frankly, to advance is to substitute a decade later,</p>	
PROCEEDINGS	Page 2866	PROCEEDINGS	Page 2868
<p>1 the banks determine the pricing for loans. That's what</p> <p>2 happens in the real world.</p> <p>3 The Attorney General can postulate, anyone can</p> <p>4 postulate that something might be different; but unless the</p> <p>5 bank says it would have been different, meaning that they</p> <p>6 would have decided something differently, an expert can't</p> <p>7 come in and now introduce his or her own opinion as to what</p> <p>8 he or she might have done under the circumstances because</p> <p>9 there's no room for that sort of -- it renders the statute</p> <p>10 at that point limitless and I would say respectfully</p> <p>11 unconstitutional as vague.</p> <p>12 There's no way -- there's no way parameters around</p> <p>13 what conduct it is that's required. So the Attorney General</p> <p>14 is not allowed at this phase to simply presume and have the</p> <p>15 Court presume that the Statements of Financial Condition</p> <p>16 here were relied on, that that was -- and that was material</p> <p>17 and that that reliance and that materiality then made a</p> <p>18 difference in the loans. Because again, there's nothing</p> <p>19 ill-gotten if they haven't proven that anything would have</p> <p>20 been any different.</p> <p>21 That's not a counterfactual world. That's the real</p> <p>22 world. That's how -- that's how loan transactions works.</p> <p>23 That's how the capital markets work and what the Attorney</p> <p>24 General wants to do now is say forget about what the real</p> <p>25 world thinks, forget about what the bank actually decided on</p>		<p>1 post-closing of the loan transactions the Attorney General's</p> <p>2 opinion or her expert's opinion, in this case, for what the</p> <p>3 bank might or might not have done.</p> <p>4 I just want to put on the record briefly the</p> <p>5 cases -- the case law on this is very straightforward and</p> <p>6 again, the case law that the Attorney General cites, the SEC</p> <p>7 cases and the one Your Honor cited, those are</p> <p>8 traditional -- that's where there has been an establishment</p> <p>9 that there was reliance and materiality and things would</p> <p>10 have, in fact, been different.</p> <p>11 There, the issue is we can't get precise, but the</p> <p>12 Gathers case, 242 AD2d 506, a First Department case,</p> <p>13 reversed admission of expert testimony because the expert</p> <p>14 reached his conclusion by assuming material facts not</p> <p>15 supported by the evidence. That's exactly what Mr. McCarty</p> <p>16 is going to do here. He is going to assume that the gains</p> <p>17 are ill-gotten.</p> <p>18 They're skipping over the part where they have to</p> <p>19 establish that the gains are ill-gotten, meaning that the</p> <p>20 loans would not have been issued in the first place or that</p> <p>21 the terms would have been different. There's nothing for</p> <p>22 him to testify on otherwise and an expert is not entitled to</p> <p>23 just flatly contradict the record evidence. They can't</p> <p>24 substitute their opinion for what actually is in the record.</p> <p>25 The other case that I'll cite in addition to the</p>	

PROCEEDINGS	Page 2869	PROCEEDINGS	Page 2871
<p>1 ones that are in there in the brief is the Ortiz case, 19</p> <p>2 AD3d 239, another First Department case. There, the issue</p> <p>3 is whether or not an accident reconstructionist could come</p> <p>4 in and reconstruct the accident in a way different than the</p> <p>5 two eyewitnesses that actually testified to.</p> <p>6 And so again, that's what McCarty is going to do</p> <p>7 here. He's going to come in and reconstruct the financial</p> <p>8 analysis irrespective of what the bank would have done, and</p> <p>9 that's just plainly impermissible because the gains are not</p> <p>10 ill-gotten until you prove that something would have been</p> <p>11 different. There's no basis for restitution or, as the</p> <p>12 Court is saying, disgorgement. There's no basis in the law.</p> <p>13 THE COURT: Those are very different --</p> <p>14 MR. KISE: I understand that, but both of them</p> <p>15 hinge on the same underlying premise, though. They</p> <p>16 are -- the proof is different, but they center around the</p> <p>17 same underlying premise that something happened that</p> <p>18 shouldn't have taken place in the first place, that there's</p> <p>19 already been proof that the gains were ill-gotten. There's</p> <p>20 already been proof that someone was deprived of something</p> <p>21 that they shouldn't have. There's already been proof in the</p> <p>22 case of restitution that someone paid something that they</p> <p>23 shouldn't have paid and they're entitled to get that money</p> <p>24 back.</p> <p>25 Here, the Attorney General wants to skip over all</p>		<p>1 Honor said at the end about the pre- versus post-statute of</p> <p>2 limitations period. To the extent that this Court is, in</p> <p>3 fact, going to pro rate, meaning look at the arguments that</p> <p>4 we've made --</p> <p>5 THE COURT: Subject to some further research on</p> <p>6 this, of course.</p> <p>7 MR. KISE: -- then we can be heard on that later,</p> <p>8 but yes, I mean, if you want to hear evidence as you've been</p> <p>9 doing. I mean we object to it, but that's a very different</p> <p>10 ruling than saying, okay, not only am I going to listen to</p> <p>11 it, but I'm actually going to come up with a number based on</p> <p>12 dollars and cents that took place prior to in this instance</p> <p>13 July 13, 2014.</p> <p>14 Our position is, as it must be, that anything that</p> <p>15 happened with respect to the loan approval or the pricing</p> <p>16 and terms was set as of the date of the closing. So those</p> <p>17 subsequent submissions could not possibly have altered that.</p> <p>18 They would not have changed the pricing decision that was</p> <p>19 made in 2011, 2012, 2013. They wouldn't have changed those</p> <p>20 pricing decisions, so there's no -- there's no basis to</p> <p>21 then assume, again, that there's ill-gotten gain because the</p> <p>22 subsequent submission of the certification has nothing to do</p> <p>23 with the initial pricing. That's all wrapped up in the loan</p> <p>24 agreement.</p> <p>25 So there isn't any monetary calculus to be made</p>	
PROCEEDINGS	Page 2870	PROCEEDINGS	Page 2872
<p>1 of that without any introduction in the record about whether</p> <p>2 or not the gains themselves are ill-gotten. So experts come</p> <p>3 in to analyze, evaluate, explain facts that are in the</p> <p>4 record. They don't substitute their own facts for what's in</p> <p>5 the record. They opine on the factual predicate as it</p> <p>6 exists in the case. They don't supply the factual</p> <p>7 predicate.</p> <p>8 So here, what Mr. McCarty is doing, what the</p> <p>9 Attorney General wants Mr. McCarty to do and is asking this</p> <p>10 Court to accept, to substitute a factual predicate, to have</p> <p>11 the Court presume, which he's doing, that the gains are, in</p> <p>12 fact, ill-gotten before that's ever been established</p> <p>13 anywhere in the record. And so it's one thing for the Court</p> <p>14 to say as it has, again reserving our objection, that these</p> <p>15 statements are false, stop doing them, stop. I'm going to</p> <p>16 tell you not to do that in the future, and here is the</p> <p>17 things I'm going to do to keep you from doing it in the</p> <p>18 future.</p> <p>19 All of that is step one, but before any dollars and</p> <p>20 cents can be computed under any theory, there has to be some</p> <p>21 showing that the gains were ill-gotten. The Attorney</p> <p>22 General is not simply allowed to substitute her own judgment</p> <p>23 for that of the bank and using an expert to do that doesn't</p> <p>24 make it any more proper than it would have in the abstract.</p> <p>25 Then I'll make just a final comment on what Your</p>		<p>1 with respect to the subsequent certifications. This</p> <p>2 is -- this goes back to our whole position as to why the</p> <p>3 subsequent certifications are not false statements in the</p> <p>4 first place. We're not going to go there today, but because</p> <p>5 there's no -- it is not connected to any activity, it is</p> <p>6 not connected to any claim, it is just out there in the</p> <p>7 abstract.</p> <p>8 So for these reasons, Your Honor, most notably that</p> <p>9 there hasn't been any proof that anything is ill-gotten and</p> <p>10 that the Attorney General is not allowed to skip over that,</p> <p>11 we think the admission of Mr. McCarty's opinion is purely</p> <p>12 speculative and hypothetical. Thank you.</p> <p>13 THE COURT: Question for Mr. Robert. Did your</p> <p>14 colleague start out by saying he would be brief?</p> <p>15 MR. ROBERT: It is all relevant, Your Honor.</p> <p>16 THE COURT: I would say relative to the</p> <p>17 Lincoln-Douglas debates of the 1850s in Illinois, which went</p> <p>18 on for four hours or something. They would talk for two</p> <p>19 hours and the other guy would talk for two hours.</p> <p>20 MR. KISE: I think I kept it under seven pages.</p> <p>21 Mr. Amer set the bar yesterday.</p> <p>22 MR. AMER: I don't think you did. We clocked it at</p> <p>23 15 minutes.</p> <p>24 THE COURT: I'll be brief. First of all, I</p> <p>25 apologize for mispronouncing Haigh's name right. It was</p>	

PROCEEDINGS	Page 2873		Page 2875
<p>1 Haigh, not Haigh. I think to a certain extent the</p> <p>2 defendants are whistling past the graveyard here.</p> <p>3 they -- they think that all of these financial statements,</p> <p>4 the people, the employees submit numbers, McConney puts</p> <p>5 together a spreadsheet. It goes -- it gets reviewed. It</p> <p>6 goes to Mazars to put together a compilation or they compile</p> <p>7 these data. They send it to the banks. Nobody relies on</p> <p>8 them. It's -- I'm sorry. It is a fantasy world.</p> <p>9 These things, obviously, are done for reasons and</p> <p>10 we've had testimony that says, yeah, we looked at that, we</p> <p>11 relied on that. I don't know whether Haigh ever said we</p> <p>12 would have done things differently. Of course, defendants</p> <p>13 could have asked him that. The videotaped testimony we are</p> <p>14 listening to, she said, "I wish I had known what I know</p> <p>15 now."</p> <p>16 I will leave it at that. I don't want to get into</p> <p>17 the weeds here. In the motion papers that were filed last</p> <p>18 night and in what Mr. Kise just said this morning said there</p> <p>19 were many factors. Nobody is saying, and I'm certainly not</p> <p>20 saying, that the financial statements were the only factor,</p> <p>21 but they are a factor. To me, that's -- again, without</p> <p>22 getting too deep into proximate cause whether the financial</p> <p>23 statements were "false and misleading," I'll let my 35-page</p> <p>24 decision and order of September 26th stand on its own.</p> <p>25 I think they were clearly false and misleading is a</p>		<p>1 that's going to come in today, if we have enough time, is I,</p> <p>2 think, admissible and it is up to the Court to accord it</p> <p>3 whatever weight it decides when it is reaching its final</p> <p>4 decision.</p> <p>5 THE COURT: Okay. Back to Tuesday morning at the</p> <p>6 movies. Is that what we are?</p> <p>7 MR. AMER: Yes, Your Honor. We will continue</p> <p>8 playing the video of Ms. Mouradian. I believe we have just</p> <p>9 under 50 minutes left to the video and then we'll move in</p> <p>10 some exhibits.</p> <p>11 THE COURT: Okay. Let's do it.</p> <p>12 (Whereupon, the video was played.)</p> <p>13 (Continued on the next page.)</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 little bit more subjective statement, but I think the</p> <p>2 statute covers false. I think -- I think there's</p> <p>3 also -- there may also be documentary evidence about the</p> <p>4 internal analysis by Deutsche Bank and maybe some of the</p> <p>5 other financial institutions about what their statements of</p> <p>6 finance conditions said. What were they looking at these</p> <p>7 things for without relying on them? So if the Attorney</p> <p>8 General wants to say something on the record, I stand by my</p> <p>9 decision; but for the record, do you agree with me or Mr.</p> <p>10 Kise?</p> <p>11 MR. WALLACE: As to whether or not the defendants</p> <p>12 are whistling past the graveyard, 100 percent. There is a</p> <p>13 decision, Your Honor has highlighted it, saying that the</p> <p>14 statements are false and misleading, and that they were used</p> <p>15 in business to obtain these loans. I understand</p> <p>16 Mr. Kise's arguments. I expect to hear them again at</p> <p>17 closing. I expect to read them in his post-trial brief. I</p> <p>18 expect to see them if they challenge this decision to the</p> <p>19 First Department, but the question before us this morning is</p> <p>20 can an expert witness come in and tell you the difference</p> <p>21 between a commercial real estate loan price and a private</p> <p>22 wealth bank price. And the Court is free to say, "I think</p> <p>23 that's a fair measure of disgorgement" or "I'm going to find</p> <p>24 some other measure of disgorgement or "I don't think</p> <p>25 disgorgement is appropriate in this case," but this evidence</p>		<p>1 MR. AMER: Your Honor, we do have some exhibits to</p> <p>2 move in to evidence. First of all, because this wasn't</p> <p>3 being transcribed, we need to move into evidence the</p> <p>4 actual --</p> <p>5 THE COURT: Video.</p> <p>6 MR. AMER: -- designations of what we were just</p> <p>7 playing. So we've marked that as Plaintiff's Exhibit 3324</p> <p>8 and ask that it be admitted into evidence.</p> <p>9 THE COURT: Granted. It's in evidence.</p> <p>10 (Whereupon, the item previously referred to is</p> <p>11 received and marked Plaintiff's Exhibit Number 3324 in</p> <p>12 evidence.)</p> <p>13 MR. AMER: And then we have Deposition Exhibit 1,</p> <p>14 which we've marked as Plaintiff's Exhibit 1540. We ask that</p> <p>15 that be admitted into evidence.</p> <p>16 MS. HERNANDEZ: No objection.</p> <p>17 THE COURT: Granted.</p> <p>18 (Whereupon, the item previously referred to is</p> <p>19 received and marked Plaintiff's Exhibit Number 1540 in</p> <p>20 evidence.)</p> <p>21 MR. AMER: Deposition Exhibit 2, that's Plaintiff's</p> <p>22 Exhibit 1548. We ask that that be admitted into evidence.</p> <p>23 MS. <p>1 received and marked Plaintiff's Exhibit Number 1548 in 2 evidence.)</p> <p>3 MR. AMER: Deposition Exhibit 3, we marked as 4 Plaintiff's Exhibit 1552, and ask that be admitted into 5 evidence.</p> <p>6 MS. AMER: Deposition Exhibit 4, Plaintiff's 12 Exhibit 2313, and we ask that that be admitted into 13 evidence.</p> <p>14 MS. HERNANDEZ: No objection. 15 THE COURT: Granted.</p> <p>16 (Whereupon, the item previously referred to is 17 received and marked Plaintiff's Exhibit Number 2313 in 18 evidence.)</p> <p>19 MR. AMER: Exhibit 5, Deposition Exhibit 5 is 20 Plaintiff's Exhibit 1542, and we ask that that be admitted 21 into evidence.</p> <p>22 MS. HERNANDEZ: No objection. 23 THE COURT: Granted.</p> <p>24 (Whereupon, the item previously referred to is 25 received and marked Plaintiff's Exhibit Number 1542 in</p>		<p>1 MR. AMER: There were two other deposition exhibits 2 which were excerpts, one from the complaint and one from the 3 deposition of Mr. Weisselberg. Those were read into the 4 record, so they'll be in the exhibit we've admitted, which 5 is Exhibit 3324.</p> <p>6 THE COURT: Sounds right. 7 MS. HERNANDEZ: That's fine.</p> <p>8 THE COURT: Okay. Granted.</p> <p>9 (Whereupon, the item previously referred to is 10 received and marked Plaintiff's Exhibit Number 3324 in 11 evidence.)</p> <p>12 MS. HERNANDEZ: And, Your Honor, we would also like 13 to move in the two defense exhibits that were used, so we 14 would like to move into evidence D 969, which was Defense 15 Exhibit A in the deposition.</p> <p>16 MR. AMER: No objection. 17 THE COURT: Granted.</p> <p>18 (Whereupon, the item previously referred to is 19 received and marked Defendant's Exhibit Number D 969 in 20 evidence.)</p> <p>21 MS. HERNANDEZ: And we'd like to move D 970, which 22 was Defendant's Exhibit B.</p> <p>23 MR. AMER: No objection. 24 THE COURT: Granted.</p> <p>25 (Whereupon, the item previously referred to is</p>

<p>1 evidence.)</p> <p>2 MR. AMER: Deposition Exhibit 6, Plaintiff's 3 Exhibit 1561, we ask that that be admitted.</p> <p>4 MS. HERNANDEZ: No objection. 5 THE COURT: Granted.</p> <p>6 (Whereupon, the item previously referred to is 7 received and marked Plaintiff's Exhibit Number 1561 in 8 evidence.)</p> <p>9 MR. AMER: And Deposition Exhibit 7, Plaintiff's 10 Exhibit 3014, we ask that be admitted into evidence.</p> <p>11 MS. HERNANDEZ: So that one we have an objection 12 to, as sad as I am to break up that little routine we had 13 going.</p> <p>14 To PX 3014 has a cover e-mail that was not shown to 15 Ms. Mouradian, so I don't have an objection to the 16 remainder of the exhibit coming in, but that cover e-mail 17 was not part of the deposition.</p> <p>18 MR. AMER: We're fine if we put it in without the 19 cover e-mail because it wasn't anything that she was asked 20 about.</p> <p>21 THE COURT: Okay. Granted, but only as to or 22 except as to the cover e-mail.</p> <p>23 (Whereupon, the item previously referred to is 24 received and marked Plaintiff's Exhibit Number 3014 in 25 evidence.)</p>		<p>1 received and marked Defendant's Exhibit Number D 970 in 2 evidence.)</p> <p>3 MR. AMER: That concludes the movie, Your Honor. 4 THE COURT: Okay. Is anybody hungry? Tired? 5 Okay, 15-minute break or ten-minute break over the next 6 15 minutes. See you in 15 minutes.</p> <p>7 (Whereupon, there is a recess in the proceedings.) 8 THE COURT OFFICER: All rise. Part 37 is back in 9 session. Please be seated and come to order.</p> <p>10 THE COURT: Would the Plaintiff like to call the 11 next witness?</p> <p>12 MR. FINKELSTEIN: The People call K. Don Cornwell 13 to the stand.</p> <p>14 THE COURT: Okay. Let's get the witness. 15 THE COURT OFFICER: Witness entering.</p> <p>16 (Whereupon, the witness enters the courtroom and 17 approaches the witness stand. )</p> <p>18 THE COURT OFFICER: Please raise your right hand. 19 Do you solemnly swear or affirm that the testimony you give 20 will be the truth, the whole truth and nothing but the 21 truth?</p> <p>22 K. D O N C O R N W E L L, called by and on behalf of 23 the Plaintiff, having been first duly sworn, was examined and 24 testified as follows:</p> <p>25 THE WITNESS: Yes.</p>

<p>1 THE COURT OFFICER: Please have a seat. State your</p> <p>2 name and either home or business address for the record.</p> <p>3 THE WITNESS: Don Cornwell. I live at 90 Furman</p> <p>4 Street, Brooklyn, New York, Apartment 1004.</p> <p>5 THE COURT: But before you do, to quote Groucho</p> <p>6 Marx, "A hot dog stand would clean up around here."</p> <p>7 Please proceed.</p> <p>8 DIRECT EXAMINATION</p> <p>9 BY MR. FINKELSTEIN:</p> <p>10 Q Good morning, Mr. Cornwell.</p> <p>11 A Morning.</p> <p>12 Q Can you please describe your educational background</p> <p>13 post high school?</p> <p>14 A Sure. I attended Harvard College where I studied</p> <p>15 government, graduated from there 1992. Then, I went to Stanford</p> <p>16 for business school where I received an MBA. I graduated 1998.</p> <p>17 THE COURT: Please speak a little louder. You have</p> <p>18 to go right into the microphone like that and we'll be good.</p> <p>19 THE WITNESS: Is that better?</p> <p>20 THE COURT: Now we're in business.</p> <p>21 THE WITNESS: All right.</p> <p>22 Q Can you provide a brief overview of your employment</p> <p>23 history post college?</p> <p>24 A Sure. Post Harvard I worked at McKinsey Management</p> <p>25 Consulting Company for two years in New York. After that, I</p>	<p>1 Q And what were your duties and responsibilities as an</p> <p>2 associate at Morgan Stanley?</p> <p>3 A Hard work. I executed transactions. So in any given</p> <p>4 deal, you have a deal team. For the most part the associate did</p> <p>5 a lot of the analytics, a lot of putting together presentations</p> <p>6 and the like.</p> <p>7 Q And how, if at all, did your responsibilities change</p> <p>8 upon becoming managing director in and around 2007?</p> <p>9 A I actually progressed through you start to lead teams</p> <p>10 and be responsible for revenue generation and getting new</p> <p>11 clients.</p> <p>12 Q And do -- you also mentioned the title "head of global</p> <p>13 sports investment banking?"</p> <p>14 A Yes.</p> <p>15 Q Did your responsibilities change with that title?</p> <p>16 A No, same thing. I was just the lead investment banker</p> <p>17 on all sports deals.</p> <p>18 Q Did there come a time when Morgan Stanley was tapped to</p> <p>19 assist the Wilson estate in selling the Buffalo Bills?</p> <p>20 A Yes.</p> <p>21 Q Who are the Buffalo Bills?</p> <p>22 A They are a franchise in the National Football League.</p> <p>23 Q How did Morgan Stanley become involved in the Buffalo</p> <p>24 Bills transaction?</p> <p>25 A So the estate of Ralph Wilson was looking to sell the</p>

<p>1 worked for two years at the National Football League, '94 to</p> <p>2 '96. Post business school starting 1998 I was at Morgan Stanley</p> <p>3 for 17 years until 2015. 2015, I left Morgan Stanley for a firm</p> <p>4 called PJT Partners. I was there for eight years and for the</p> <p>5 last year I've run a private equity firm called Dynasty Equity.</p> <p>6 Q And what is PJT Partners?</p> <p>7 A It's an investment bank.</p> <p>8 Q And where is that based?</p> <p>9 A New York City.</p> <p>10 Q And what was your role at PJT Partners?</p> <p>11 A I was a partner doing MNA work around sports and</p> <p>12 gaming.</p> <p>13 Q And after that you went to Dynasty Equity. What is</p> <p>14 Dynasty Equity?</p> <p>15 A Dynasty Equity is an investment firm focused on sports.</p> <p>16 Q What is your role at Dynasty Equity?</p> <p>17 A Cofounder and CEO.</p> <p>18 Q Focusing your time at Morgan Stanley, what titles or</p> <p>19 positions did you hold there?</p> <p>20 A I started there in the summer of 1997 as a summer</p> <p>21 associate while in business school. 1998, I was an associate</p> <p>22 eventually getting promoted to managing director in 2007.</p> <p>23 From 2007-2015, I was a managing director and certain</p> <p>24 times towards the last five years I was the global head of</p> <p>25 sports investment banking.</p>	<p>1 team and as part of that process they needed to hire an</p> <p>2 investment bank. They invited several different firms to give a</p> <p>3 presentation about their credentials and Morgan Stanley was one</p> <p>4 of those participants.</p> <p>5 Q What was Morgan Stanley's role in the transaction once</p> <p>6 it was picked by the Wilson estate?</p> <p>7 A Yes, we led the transaction and assisted with the</p> <p>8 estate, the trustees, to help them find a buyer for the team.</p> <p>9 MR. FINKELSTEIN: I'd like to hand up PX 980 to the</p> <p>10 witness for identification.</p> <p>11 Q Do you recognize this document?</p> <p>12 A I do.</p> <p>13 Q What do you recognize it to be?</p> <p>14 A This is an e-mail -- well, it's an e-mail thread, but</p> <p>15 the e-mail is from me to one of my colleagues discussing our</p> <p>16 first round bid letters in the Buffalo Bills process.</p> <p>17 Q So you just referenced the bid letter. What do you</p> <p>18 mean by that?</p> <p>19 A So this MNA process is one which is very common where</p> <p>20 we had two steps and what happens is you have interested buyers,</p> <p>21 people who indicated they'd like to learn more about the asset</p> <p>22 that you're selling. You've signed a non-disclosure agreement,</p> <p>23 you give them information, they provide you a bid, a first round</p> <p>24 bid based on information you've received. Then what happens is</p> <p>25 you review the bids and you take some or all of the folks who've</p>

<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2885</p> <p>1 submitted bids letters into the next phase of the process where 2 they get to have the opportunity to do diligence, take site 3 tours and decide if they want to further acquire the asset they 4 have. 5 Q So is there any process to screen through the letters 6 you received in the first step? 7 A I'm sorry, say again. 8 Q My question was did the Morgan Stanley have any process 9 to screen through the letters that you received in the first 10 step that you just described? 11 A Yes, absolutely. We obviously read the letters and 12 what we're trying to achieve in the process is really two 13 things: We want the highest value and certainty of closing and 14 so what we look for in those letters is, number one, what they 15 think valuation is; number two, we start the process of 16 understanding what their ability to close will be. 17 Q So in this first message that's shown on the screen 18 there are several attachments. I would like to just direct your 19 attention to two of those attachments. 20 So if we could turn to page eight? Do you recognize 21 this letter? 22 A I do. 23 Q What do you recognize it to be? 24 A This was the bid -- first round bid letter that we 25 received from the Trump Organization.</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2887</p> <p>1 Do you ever recall speaking with Rosemary Vrablic 2 regarding this bid? 3 A I don't recall. 4 Q Do you recall ever speaking with Allen Weisselberg 5 regarding this bid? 6 A I don't recall. 7 Q Do you recall ever speaking with Donald J. Trump 8 regarding this bid? 9 A Yes. 10 Q What do you recall about that? 11 A Not much. 12 Q So I would like to now turn to page 20 of the exhibit. 13 So you had mentioned earlier that there was a second 14 letter. Does this appear to be that letter? 15 A Yes, it does. 16 Q What do you recognize this letter to be? 17 A This was a letter we got from Deutsche Bank indicating 18 something about Donald Trump's net worth. 19 Q And was it your understanding that Deutsche Bank 20 provided this letter to you at the behest of Donald Trump? 21 A Yes. 22 Q And in the third paragraph the letter reads: 23 "Our understanding is that Mr. Donald J. Trump has made 24 or intends to make a bid for the Buffalo Bills in the amount of 25 \$1 billion in the aggregate. Based upon our preliminary review</p>
<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2886</p> <p>1 Q And this letter is addressed to you at Morgan Stanley? 2 A That is correct. 3 Q And what is the date of this letter? 4 A July 29, 2014. 5 Q What was your understanding of the purpose of this 6 letter? 7 A This letter was to indicate that the Trump Organization 8 would like to buy the Buffalo Bills for \$1 billion. 9 Q And turning to the second paragraph of the letter, the 10 letter states: "I have a net worth in excess of \$8 billion 11 (financial statements to be provided upon request)." 12 Does -- was that representation considered by Morgan 13 Stanley in the bidding process? 14 A It was, although we also received another letter that 15 was very important. In our bid instructions we ask people to 16 provide us proof of funds. 17 Q Did Morgan Stanley ever request financial statements 18 from Donald Trump? 19 A Yes. 20 Q I would like to direct your attention to the third 21 paragraph on the bottom, the next page, page nine. It says, 22 "Please feel free to call Rosemary Vrablic, managing director of 23 Deutsche Bank's private wealth management; Mr. Allen 24 Weisselberg, chief financial officer of the Trump Organization; 25 or me directly if you have any questions about this bid."</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2888</p> <p>1 of the current financial information of Mr. Donald J. Trump made 2 available to us, including liquidity and asset value, it is our 3 assessment that Mr. Donald J. Trump would have the financial 4 wherewithal to fund his bid." 5 Did you have any understanding of what financial 6 information Mr. Trump made available to Deutsche Bank? 7 A I did not. 8 Q Was the representation I just read important to Morgan 9 Stanley in its role in managing the bidding process for the 10 Buffalo Bills? 11 A Yes. 12 Q Why was it important? 13 A We asked for some proof of funds and at this stage of 14 the process a letter from a credible, reputable bank sufficed. 15 MR. FINKELSTEIN: Your Honor, I would like to move 16 to admit PX 980 into evidence. 17 MR. ROBERT: Objection. Relevance and statute of 18 limitations. 19 THE COURT: Overruled. Granted. It's in. 20 (Whereupon, the item previously referred to is 21 received and marked Plaintiff's Exhibit Number 980 in 22 evidence.) 23 MR. FINKELSTEIN: If we can set that aside and move 24 on to a new document? I'm handing to the witness through 25 the court officer for identification PX 3274.</p>

<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2889</p> <p>1 MR. ROBERT: Your Honor, in that last exhibit I saw 2 there were a series of attachments in the PDF. Since it was 3 just electronic, what's being moved in, just recovery e-mail 4 and the one attachment referenced or all the attachments? 5 MR. FINKELSTEIN: I believe the witness has 6 foundation so that we can move in the whole thing. 7 MR. ROBERT: Can we look at it and see what it is? 8 Because they look like bids from other people. 9 THE COURT: Those would probably not be relevant. 10 MR. FINKELSTEIN: At a minimum we would like to 11 move in the e-mail and both of the letters we just looked 12 at. 13 THE COURT: Those are granted -- that's granted. 14 Those are in. 15 Q Do you recognize PX 3274 in front of you? 16 A I do. 17 Q What do you recognize it to be? 18 A Looks like an e-mail from Michael Cohen to my 19 colleague, Alex Hill. 20 Q Do there appear to be additional messages in this 21 thread? 22 A Yes. There is some back and forth between Alex and 23 Michael. 24 Q So I'd like to direct your attention to page four. 25 There is an e-mail from Michael Cohen to Alex Hill with you</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2891</p> <p>1 team CEO talking about the future of the Buffalo Bills and why 2 it's such a great asset. 3 Q Did the Trump Organization in fact receive a management 4 presentation? 5 A They did. 6 Q Were you present? 7 A I was. 8 Q Who from the Trump Organization do you recall 9 attending? 10 A I know Donald Trump was there. I don't recall who 11 else. He had people with him, but I don't recall those people 12 were. 13 Q What, if anything, do you recall being discussed at the 14 management presentation? 15 A We talked about the Buffalo Bills and lots of topics. 16 We talked about the USFL, we talked about lots of things, but it 17 was sort of a wide-ranging conversation. 18 Q Do you recall whether Mr. Trump provided any documents 19 to you at the presentation? 20 A He gave us handouts of the Forbes list of top paid 21 entertainers. 22 Q On page two of the e-mail Alex Hill writes a message to 23 Jason Greenblatt and Michael Cohen with you cc'd that says: 24 "One near term NFL item we would like you all to fill out and 25 have Mr. Trump sign is the attached Authorization and Consent to</p>
<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2890</p> <p>1 cc'd. Do you see that? 2 A Yes, yes. 3 Q And who is Alex Hill? 4 A Alex was a colleague of mine, somebody -- a member of 5 my team at Morgan Stanley. 6 Q The e-mail says: "Alex, Jason Greenblatt and I just 7 dropped off a packet with Margay at your office for Don. Can 8 you please ensure he receives it and advise me so I can confirm 9 to Mr. Trump its receipt? Thank you." 10 What is your understanding of what Michael Cohen meant 11 when he said he dropped off the packet for Don? 12 A The bid package. 13 Q And the bid -- what did the bid package contain? 14 A I know it contained a letter, the two letters that we 15 saw. I don't know if there is anything else. 16 Q So in the middle of page three, Alex Hill sends a 17 message to Michael Cohen and to you saying "regarding management 18 presentation dates, would you all be able to do August 6th in 19 Detroit?" What is a management presentation as described in 20 this e-mail? 21 A Sure. So as I talked about in the second part of the 22 MNA process as part of diligence we would provide potential 23 bidders an opportunity to meet with the management team. 24 Typically, what happens in those meetings is the management team 25 presents the story of the asset. So in this case it was the</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2892</p> <p>1 Release Records." What is the Authorization and Consent to 2 Release Records? 3 A So in order to purchase an NFL team you have to go 4 through a very thorough financial review with the league office. 5 As we progressed through the process we want to make sure that 6 bidders are getting the appropriate paperwork into the league so 7 they can begin that process because it does take sometime so 8 that Authorization and Consent to Release Records is something 9 we need from each perspective bidder so therefore the NFL can go 10 and start doing their diligence. 11 Q So at the very first message in this document is a 12 message from Michael Cohen that says "after some internal 13 deliberation, we feel it is premature to sign the consent to 14 release forms until such time as we know that Mr. Trump is the 15 final bidder." Do you recall learning in or about August 2014 16 that the Trump Organization was refusing to sign the consent to 17 release records? 18 A I do. 19 Q Did Morgan Stanley ever receive signed consent to 20 release records forms? 21 A We did not. 22 Q After the management presentation that we just 23 discussed did the bidding process continue? 24 A It did. 25 Q What happened next?</p>

<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2893</p> <p>1 A We continued having those meetings with other parties.  2 Several parties took stadium tours. We then asked for final  3 bids. I don't recall the exact date. We got those final bids  4 and we decided on the winning bidder. That winning bidder then  5 went through the NFL approval process and became owners of the  6 team I believe in October that year.  7 MR. FINKELSTEIN: Before we get to that really  8 quickly, Your Honor, I move to admit PX 3274 into evidence.  9 THE COURT: Granted.  10 MR. ROBERT: Objection. Relevance. Statute of  11 limitations.  12 THE COURT: Overruled. Granted. It's in.  13 (Whereupon, the item previously referred to is  14 received and marked Plaintiff's Exhibit Number 3274 in  15 evidence.)  16 Q I'll now hand the witness for identification a document  17 marked PX 3219. Do you recognize this document?  18 A I do.  19 Q What do you recognize it to be?  20 A This is a letter or an e-mail from Daniel Barzac, who  21 is a member of my team, to me discussing a draft of what we call  22 fairness materials.  23 Q What are fairness materials?  24 A So in certain circumstances an investment bank will  25 provide what's called a fairness opinions to -- mostly a board</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2895</p> <p>1 A Terry and Kim Pegula.  2 Q How much is the purchase price listed?  3 A \$1.4 billion.  4 Q Did the Pegulas in fact purchase the Bills for  5 \$1.4 billion?  6 A Yes.  7 Q Does this -- do these attached fairness materials  8 accurately summarize the terms of the transaction?  9 A Yes.  10 MR. FINKELSTEIN: Your Honor, I move to admit PX  11 3219 into evidence.  12 MR. FIELDS: Objection. Statute of limitations.  13 THE COURT: What's the relevance of this? This  14 particular page, let's say?  15 MR. FINKELSTEIN: So this page was just to  16 summarize the final result of the transaction and the other  17 page was to show that Donald Trump participated in all three  18 stages of the bidding process, even though his bid did not  19 turn out to be the final.  20 MR. FERIS: Your Honor, it's the defendants's  21 position none of this is relevant to any cause of this case.  22 We agree with Your Honor here. This is completely  23 irrelevant.  24 THE COURT: I just asked the question. What's the  25 relevance of the final bid? We know the successful bid.</p>
<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2894</p> <p>1 of directors, but in this case we were providing that fairness  2 opinion to the trustees of Ralph Wilson's estate.  3 Q So on page five of this exhibit there is a slide titled  4 "Evolution of Participants."  5 A That's a good title.  6 Q The slide states that nine parties gave initial  7 indications. Was Donald Trump one of those nine parties?  8 A He was.  9 Q The slide states that five parties received management  10 presentations. Was Donald Trump one of those five parties?  11 A He was.  12 Q The slide states that six parties gave final offers.  13 Was Donald Trump one of those parties?  14 A Don't recall the nature of his final offer.  15 Q But he is?  16 A Listed, yes.  17 Q Is Donald Trump's name listed?  18 A Yes, it is.  19 Q Do you have any reason to dispute that Donald Trump  20 provided a final --  21 A No.  22 Q So going back to page four, the slide is titled  23 "Summary of Key Transaction Terms." Do you see that?  24 A I do.  25 Q Who is the purchaser of this bid on this page?</p>	<p>D. Cornwell - Plaintiff - direct (Finkelstein) Page 2896</p> <p>1 Attorney General?  2 MR. FINKELSTEIN: I am offering it for  3 clarification just to show the full story on the Bills'  4 transaction. The amount of the bid is not necessarily  5 relevant, just I was just trying to show that Donald Trump  6 was not the ultimate buyer.  7 THE COURT: I'll let it in. There is no jury,  8 doesn't really matter, but I understand you're completing  9 the circle.  10 (Whereupon, the item previously referred to is  11 received and marked Plaintiff's Exhibit Number 3219 in  12 evidence.)  13 MR. FINKELSTEIN: That's all. And I have no  14 further questions.  15 THE COURT: Okay. Any cross examination?  16 MR. FERIS: Yes, Your Honor.  17 THE COURT: Counselor, I don't believe we ever met.  18 MR. FERIS: My name is Ivan Feris, Your Honor.  19 Can you hear me, Your Honor?  20 THE COURT: Loud and clear.  21 MR. FERRIS: Awesome. As I was saying, my name is  22 Ivan Feris, and I'm here on behalf of several of the  23 corporate defendants in this matter.  24 THE COURT: Welcome.  25 MR. FERRIS: Thank you.</p>

<p>1 And if it may please the Court, I would like to 2 proceed. 3 THE COURT: Please do so. 4 DIRECT EXAMINATION 5 BY MR. FERIS: 6 Q Hello, Mr. Cornwell. 7 A How are you? 8 Q As you heard, my name is Ivan Feris. I'm going to ask 9 you a series of yes-or-no questions and to the best of your 10 ability, please try to answer them with yes or no, okay? 11 So, we just heard from you that President Trump was not 12 the ultimate buyer of the Bills; correct? 13 A Yes. 14 Q I want to talk a little bit about how the process of 15 selling a professional football team works. 16 You told us here in your direct examination that Morgan 17 Stanley had to compete for a spot to sell the Bills? 18 A Yes. 19 Q And the process started somewhere in April of 2014 or 20 closer to that date; right? 21 A I don't exactly recall. 22 Transcript continues on the following page.... 23 24 25</p>	<p>1 Q You said that your "best guess is GS, JPM based on 2 their experience and league relationships," right? 3 A Yes, that's what I wrote. 4 Q So other banks were involved in the bake off, right? 5 A Yes. 6 Q Correct. So -- and Morgan Stanley was ultimately the 7 bank chosen out of the options? 8 A Yes. 9 Q And Morgan Stanley had an incentive to put a list 10 together of suitable buyers, right? 11 A I don't understand the question. 12 Q You weren't just going to put anybody on that list? 13 A No, I wouldn't just put anybody on the list. 14 Q Morgan Stanley had to stand by that list, right? 15 A No, nothing binding about the list. 16 Q Nothing binding, but Morgan Stanley's name was on the 17 list, right, that it submitted? 18 A We would not have been a buyer of the Buffalo Bills. 19 Q Can you repeat that? 20 A Morgan Stanley would not have been -- I don't 21 understand the question. 22 Q Morgan Stanley would submit the list of buyers on 23 behalf of Morgan Stanley trying to get chosen as the bank who 24 would broker the sale, right? 25 A Yeah. The process wasn't one where we submitted a</p>

<p>1 Q And you as a member of Morgan Stanley and Morgan 2 Stanley as a bank had to participate in what is known as a bake 3 off for the opportunity, right? 4 A Yes. 5 Q Okay. So this bake off, Morgan Stanley would gather a 6 list of potential buyers and eventually make a pitch to the 7 seller of the team, correct? 8 A No. 9 Q You told us here on your direct that you would gather 10 potential buyers and that was Morgan Stanley's role, right? 11 A We did more than that, yes. We presented our 12 credentials. 13 Q That was part of what you did, though, right, gather 14 the list of buyers? 15 A Yes. 16 Q And other banks did the same thing? 17 A I don't know. 18 MR. FERIS: Can I pull up document D1001, please. 19 Q I'm showing you this document, Mr. Cornwell, to see if 20 it refreshes your recollection. Right at the top, it says, 21 "From Cornwell K. Don." That's you, right? 22 A Yes. 23 Q It says, "Three banks invited including us" in the 24 second bullet point. Do you see that there? 25 A Yes.</p>	<p>1 list. 2 Q You didn't submit a list? What -- 3 A That's not how that works. 4 Q We'll come back to that later, sir. 5 In the list of buyers that you did put together, you 6 placed Donald Trump, the President of the United States later, 7 he later became the president on the list, right? 8 A Yes. He had publicly indicated he was interested in 9 the team. 10 Q And the list was eventually submitted to the CFO of the 11 Bills, right? 12 A Presented to. 13 Q Presented. 14 A To the trustees. 15 Q And it was also presented to the NFL eventually? 16 A It was discussed with the NFL. 17 Q And even before Morgan Stanley was chosen, you knew 18 President Trump was, right? 19 A Yes. 20 Q That's right. And his name came to your mind even 21 before Morgan Stanley was chosen as the bank that would broker 22 the sale, right? 23 A He probably stated he was interested. He was Tweeting 24 about it. 25 Q But in your mind, Donald Trump was not an option as a</p>

<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2901</p> <p>1 buyer, right?</p> <p>2 A So you're referring to what I wrote here, "Donald Trump</p> <p>3 is not an option"?</p> <p>4 Q Correct.</p> <p>5 A The NFL had or still has a rule around people involved</p> <p>6 in gaming being prohibited from buying NFL teams. So this was a</p> <p>7 discussion that needed to happen with the NFL, his suitability</p> <p>8 for NFL ownership because of his affiliation with casinos.</p> <p>9 Q So in your mind, he wasn't an option at the time,</p> <p>10 right?</p> <p>11 A At that time, yes.</p> <p>12 Q So one of the things that you said that you looked at</p> <p>13 was certainty of closing, correct?</p> <p>14 A Yes.</p> <p>15 Q But before you started the process, you knew that Trump</p> <p>16 President Trump was not likely to close; am I right?</p> <p>17 A We needed to have a conversation with the National</p> <p>18 Football League.</p> <p>19 Q Is that a yes, sir?</p> <p>20 A No.</p> <p>21 Q But he wasn't an option to you. You admitted that</p> <p>22 much, right?</p> <p>23 A We needed to have a conversation actually both with the</p> <p>24 National Football League and with the Trump Organization to</p> <p>25 understand where they sat in the gaming world. His affiliations</p>	<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2903</p> <p>1 Q In fact, the chairman of Morgan Stanley communicated</p> <p>2 with President Trump's interest to you, correct?</p> <p>3 A Chairman --</p> <p>4 Q The chairman at the time.</p> <p>5 A No. No.</p> <p>6 Q No?</p> <p>7 MR. FERIS: Can we get on the screen D1002, please.</p> <p>8 A Jeff's not -- he was not the chairman of Morgan</p> <p>9 Stanley.</p> <p>10 Q Doesn't it say the "chairman of the institutional</p> <p>11 securities"?</p> <p>12 A That's not Morgan Stanley, so he's -- he had a</p> <p>13 chairman title. He was not the chairman of Morgan Stanley.</p> <p>14 Q He was a chairman?</p> <p>15 A Yes.</p> <p>16 Q So he was a chairman, just to get it clear?</p> <p>17 A No, no, not the chairman of the board, but okay.</p> <p>18 Q He was the chairman of institutional securities at</p> <p>19 Morgan Stanley, right?</p> <p>20 A Yes. Yes.</p> <p>21 Q So that's accurately reflected on that e-mail there,</p> <p>22 highlighted on the screen?</p> <p>23 A I assume so, yes.</p> <p>24 Q Just making sure.</p> <p>25 And at this time, the bank was still participating in</p>
<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2902</p> <p>1 were unclear to us.</p> <p>2 Q Regardless of how you felt about him, his name came to</p> <p>3 mind when Morgan Stanley was competing for the chance to broker</p> <p>4 the sale, correct?</p> <p>5 A Yes.</p> <p>6 Q And this was before you actually spoke to President</p> <p>7 Trump about the sale of the Bills, right?</p> <p>8 A Yes.</p> <p>9 Q You needed to have a conversation. You just testified</p> <p>10 to that, right?</p> <p>11 A Yes.</p> <p>12 Q This was before any financial disclosure was provided</p> <p>13 to you from President Trump, correct?</p> <p>14 A Yes.</p> <p>15 MR. FERIS: Can we pull that e-mail back up,</p> <p>16 please. Your Honor, I would like to move D1001 into</p> <p>17 evidence.</p> <p>18 MR. FINKELSTEIN: No objection.</p> <p>19 THE COURT: Granted. It is in evidence.</p> <p>20 (Whereupon, the Document was marked in evidence as</p> <p>21 Defendant's Exhibit 1001.)</p> <p>22 Q And even before Morgan Stanley was chosen to broker the</p> <p>23 sale, President Trump showed some interest in wanting to buy the</p> <p>24 Buffalo Bills, correct?</p> <p>25 A Yes.</p>	<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2904</p> <p>1 the bake off, right?</p> <p>2 A I don't know the timing. I have to -- I don't recall</p> <p>3 the timing of the various meetings.</p> <p>4 Q But you thought according to this e-mail that President</p> <p>5 Trump had no chance of being approved by the NFL? Is that true?</p> <p>6 I'm looking at page two of the e-mail.</p> <p>7 A Yes.</p> <p>8 Q Yes, right.</p> <p>9 How do you pronounce his name, so I don't butcher it?</p> <p>10 A Holzs Schuh.</p> <p>11 Q So he told you that he had spent some time with Donald</p> <p>12 Trump, correct?</p> <p>13 A Correct.</p> <p>14 Q And he told you that President Trump wanted your help</p> <p>15 with buying the Bills, right, putting in an offer?</p> <p>16 A Yes.</p> <p>17 Q And he asked you what's your view? You were asked by</p> <p>18 James Head on behalf of Mr. Holzs Schuh?</p> <p>19 A Yes.</p> <p>20 Q You thought that President Trump had little chance of</p> <p>21 being approved by the NFL, true?</p> <p>22 A Yes.</p> <p>23 Q You knew that the president had been previously</p> <p>24 involved with litigation involving the NFL?</p> <p>25 A Yes.</p>

<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2905</p> <p>1 Q You told us that here today, right?</p> <p>2 A Yes.</p> <p>3 Q But that President Trump's strong show of interest</p> <p>4 doesn't hurt the process, correct?</p> <p>5 A I'm sorry. Are you quoting something? Where are you?</p> <p>6 Q At the top of page two, you said, "That being said, his</p> <p>7 strong show of interest doesn't hurt the process, which I think</p> <p>8 will be well-attended both north of the border and down into</p> <p>9 NYC"?</p> <p>10 A Yes.</p> <p>11 Q So President Trump being involved didn't hurt the</p> <p>12 process?</p> <p>13 A No.</p> <p>14 Q That means it helped the process, right?</p> <p>15 A Hard for me to know.</p> <p>16 Q You were the managing director at this time, right?</p> <p>17 A Yeah, but I can't tell you whether it helped or hurt.</p> <p>18 Q You told us that as a managing director, it was your</p> <p>19 responsibility to lead these type of transactions?</p> <p>20 A Yes.</p> <p>21 Q So you were involved, right? You had information</p> <p>22 relevant to this, correct? You thought that --</p> <p>23 A At this point, I'm now looking at the dates. At this</p> <p>24 point, we weren't hired to sell the team.</p> <p>25 Q Which was one conflict. "We are of three pitching for</p>	<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2907</p> <p>1 A Many times, that can scare away other bidders.</p> <p>2 Q But your incentive as the managing director at this</p> <p>3 time before -- even before the sale was to attract as many</p> <p>4 bidders as possible, right?</p> <p>5 A At this time, my incentive was to get hired.</p> <p>6 Q And you would get hired. You would agree the more</p> <p>7 bidders you had, the more attractive the bank would be to the</p> <p>8 seller, right, more qualified bidders?</p> <p>9 A No.</p> <p>10 Q So you're saying if you had only one bidder on the</p> <p>11 list, you were more likely to get chosen?</p> <p>12 A No.</p> <p>13 Q No, right.</p> <p>14 THE COURT: Please, one at a time, so the reporter</p> <p>15 can take this all down.</p> <p>16 MR. FERIS: Sure, Your Honor.</p> <p>17 Q And then the conversation continues with Mr. Holzschuh</p> <p>18 on the first page of this document and he said that "He probably</p> <p>19 does have the dough and he told me the bid was 1 billion, so at</p> <p>20 least he's in the right ballpark," correct?</p> <p>21 A That's what the e-mail says.</p> <p>22 Q But he told you that he was glad to pass on Donald</p> <p>23 Trump if that was the call, correct?</p> <p>24 A Yes.</p> <p>25 Q Or at least you could tell him that since you were</p>
<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2906</p> <p>1 sell side assignment?"</p> <p>2 A That's correct.</p> <p>3 Q So at this time, there were conflicts with President</p> <p>4 Trump potentially?</p> <p>5 A President Trump had asked if we would represent --</p> <p>6 Q Sir, yes or no? My question is a yes-or-no question.</p> <p>7 Did you have a conflict with President Trump; yes or</p> <p>8 no?</p> <p>9 A No.</p> <p>10 Q Is that what you said in your e-mail there?</p> <p>11 A We hadn't been hired yet.</p> <p>12 Q So it was a potential conflict?</p> <p>13 A Potential. There you go.</p> <p>14 Q Okay. And you said that you thought that wealthy hedge</p> <p>15 fund guys would take a hard look?</p> <p>16 A Yes.</p> <p>17 Q So President Trump being involved attracted other</p> <p>18 bidders?</p> <p>19 A I don't know.</p> <p>20 Q You don't know? So you're telling me here that a</p> <p>21 world-renowned person like President Trump showing interest in</p> <p>22 the bills, you don't know if that would have attracted other</p> <p>23 bidders?</p> <p>24 A Many times, that can scare away other bidders.</p> <p>25 Q What was that, sir?</p>	<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2908</p> <p>1 baking off, you could hold off the president for a little bit,</p> <p>2 right?</p> <p>3 A That's not what the e-mail says.</p> <p>4 Q "Can certainly tell him we are baking off for sell side</p> <p>5 and not free until we know the outcome." That's what he said,</p> <p>6 right?</p> <p>7 A Correct.</p> <p>8 Q And you told him that "I can get an unofficial view</p> <p>9 from the league office on Trump pretty easily if that's</p> <p>10 helpful"?</p> <p>11 A Yes.</p> <p>12 Q So despite certain issues, Morgan Stanley didn't turn</p> <p>13 away Trump's business outright, correct? I can rephrase my</p> <p>14 question.</p> <p>15 A No. I don't understand the question.</p> <p>16 Q You had the opportunity to pass on President Trump,</p> <p>17 right?</p> <p>18 A Pass what?</p> <p>19 Q Pass on him as a buyer. Is that not what this meant,</p> <p>20 "glad to pass if that's" --</p> <p>21 A Representing him.</p> <p>22 Q As a buyer?</p> <p>23 A This would be us working for him. That's what this was</p> <p>24 about. This was us representing him.</p> <p>25 Q You put President Trump on the ultimate list of buyers,</p>

14 THE COURT: Well, we spent I don't know how long,		14 MR. WALLACE: I was just going to say this

8 relies on it, then it has no impact of any kind, no real		8 A Thank you.	
9 world impact. Even if it is out there, even if it is		9 Q So before you left, we established that Morgan Stanley	
10 inaccurate, it has no real impact.		10 didn't flat out turn away President Trump, right?	
11 So here with this witness, what we will establish		11 A For what?	
12 is Trump was never a serious bidder in the first place.		12 Q As a buyer, potential buyer.	
13 This guy's dancing all over the place. I'm not sure why,		13 A No.	
14 but they never considered him a serious bidder. They took		14 Q No, right. Had the chance to, but didn't, correct?	
15 him in to use his name to gin up the price. Sorry. To bid		15 A Sure.	
16 up the price. That's one of those --		16 Q So let's talk about what Morgan Stanley did before the	
17 THE COURT: It's a southern thing.		17 potential buyer submitted bids.	
18 MR. KISE: Right. But that's what they were doing.		18 A Yes.	
19 They were using Trump to manipulate the purchase price		19 Q Now, I'm no expert in the sale of an NFL team, but you	
20 thinking that he wasn't really a serious contender at all.		20 would agree with me that the bidding process is essentially a	
21 And so the financial information that came in, so what,		21 competition between the potential buyers, right?	
22 okay? Again, back to my point this morning. Whether that		22 A Yes, and this was an open process because of the estate	
23 financial information contained something accurate or		23 sale, so we had to talk to all interested parties.	
24 inaccurate is immaterial if the recipient of the information		24 Q And the potential buyers would each submit a bid or

<p>D. CORNWELL - PLAINTIFF - CROSS(MR. You weren't</p> <p>9 turning away buyers, right?</p> <p>10 A No.</p> <p>11 Q And you told me that you would vet these buyers, you</p> <p>12 would give them a chance to qualify themselves?</p> <p>13 A Credentialize themselves, yes.</p> <p>14 Q Yes, credentialize. Generally, the more qualified</p> <p>15 suiters for an NFL team, the higher the ultimate selling price</p> <p>16 would be, right? That's what drives the competition?</p> <p>17 A No. No.</p> <p>18 Q So people don't bid against each other driving up the</p> <p>19 selling price? Is that what you're telling me?</p> <p>20 A Sometimes.</p> <p>21 Q And the higher the selling price, the more money that</p> <p>22 Morgan Stanley would earn on the deal, right?</p> <p>23 A I don't recall.</p> <p>24 Q You don't recall?</p> <p>25 MR. I think first you have to ask</p> <p>24 does this refresh your recollection.</p> <p>25 Q Does this refresh your recollection, sir?</p>	<p>D. CORNWELL - PLAINTIFF - CROSS(MR. FERIS) Page 2916</p> <p>1 Trump's liquidity, true, looking at the fourth bullet point</p> <p>2 there.</p> <p>3 A Yes.</p> <p>4 Q They also question his ability to get votes?</p> <p>5 A Yes.</p> <p>6 Q The NFL wanted to look at certain management contracts</p> <p>7 that President Trump was involved in, correct?</p> <p>8 A Yes.</p> <p>9 Q Despite all this, the NFL was not opposed to Donald</p> <p>10 Trump submitting a bid, right?</p> <p>11 A They had no jurisdiction over who submits a bid.</p> <p>12 Q If I could point you to David Einhorn, it says,</p> <p>13 "Unlikely, but no problems from the NFL's perspective," right?</p> <p>14 A Yes.</p> <p>15 Q So the NFL could have told you, "We have a problem with</p> <p>16 this person," right?</p> <p>17 A Yes, but somebody could still submit a bid.</p> <p>18 Q But they didn't tell you that about Mr. Trump?</p> <p>19 A Sorry. Tell me what?</p> <p>20 Q Withdrawn.</p> <p>21 Morgan Stanley didn't oppose President Trump submitting</p> <p>22 a bid, right?</p> <p>23 A No.</p> <p>24 Q And this meeting took place before any official offer</p> <p>25 was made, right?</p>

<p style="text-align: right;">Page 2917</p> <p>1 A Yes.</p> <p>2 Q You still had not received any financial representation</p> <p>3 from President Trump?</p> <p>4 A No.</p> <p>5 Q This was just based on the Trump name and the</p> <p>6 conversation with NFL, right?</p> <p>7 A No.</p> <p>8 Q So you had no financial disclosure from President</p> <p>9 Trump, right?</p> <p>10 A No.</p> <p>11 THE COURT: You know, again, and I've been saying</p> <p>12 this all trial long, when you ask negative questions, "so</p> <p>13 you didn't, did you," the answer is inherently ambiguous.</p> <p>14 Just ask him if he did and that's a direction to attorneys.</p> <p>15 If you can, please, adhere to that. Ask questions -- well,</p> <p>16 I'll rephrase it. Withdrawn. Don't ask questions in the</p> <p>17 negative. "You didn't do that, did you." What does yes</p> <p>18 mean? What does no mean? It is ambiguous.</p> <p>19 (Continued on the next page.)</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 2919</p> <p>D. FERIS: Can I get P 0980 on the screen, please?</p> <p>5 Q I want to talk to you about Morgan Stanley's reaction</p> <p>6 to the bids. And you went over this document with the Attorney</p> <p>7 General recently.</p> <p>8 MR. FERIS: Can we turn to page nine of the</p> <p>9 document, please?</p> <p>10 Q This letter is signed by Donald J. Trump; correct?</p> <p>11 A I don't know.</p> <p>12 Q That's what the letter represents; right?</p> <p>13 A That's what it represents, yes.</p> <p>14 Q And above Donald J. Trump's name it says "Trump</p> <p>15 Acquisition LLC?"</p> <p>16 A Yes.</p> <p>17 Q It doesn't say DJT Holdings LLC; right?</p> <p>18 A It does not.</p> <p>19 Q It doesn't say DJT Holdings managing member; right?</p> <p>20 A No.</p> <p>21 Q Same question with regard to Trump Organization Inc.?</p> <p>22 A No.</p> <p>23 Q Same question to Trump Organization LLC?</p> <p>24 A No.</p> <p>25 Q Same question with regard to Trump Endeavor LLC?</p>

That was my question.</p> <p>8 David Einhorn, unlikely?</p> <p>9 A Yes.</p> <p>10 Q Where it says "Donald Trump," it doesn't say</p> <p>11 "unlikely;" right?</p> <p>12 A Does not say unlikely.</p> <p>13 Q So I want to --</p> <p>14 MR. I feel like we're spinning on wheels</p> <p>18 here. Yes, it's in evidence.</p> <p>19 (Whereupon, the item previously referred to is</p> <p>20 received and marked Defendant's Exhibit Number 1003 in</p> <p>21 evidence.)</p> <p>22 MR. FERIS: And at this time I would like to go</p> <p>23 back and do D 1002 in evidence as well, which I didn't do,</p> <p>24 Your Honor.</p> <p>25 THE COURT: Granted. It's in evidence.</p>	<p style="text-align: right;">Page 2920</p> <p>D. FERIS: We can take this exhibit down.</p> <p>21 Q And you told us that that bid on July 29, 2014 was a</p> <p>22 nonbinding bid; right?</p> <p>23 A That's correct.</p> <p>24 Q And then based on the bids they received Morgan Stanley</p> <p>25 put together a bid summary presentation; yes?</p>

<p>D. Cornwell - Plaintiff - cross (Feris) Page 2921</p> <p>1 A Yes.</p> <p>2 Q And it also put a script together of what it would tell</p> <p>3 potential buyers that submitted bids; right?</p> <p>4 A Yes.</p> <p>5 MR. FERIS: Can we pull up D 1004?</p> <p>6 Q This was sent to you, right, Mr. Cornwell?</p> <p>7 A Yes.</p> <p>8 Q And it says "attached is the bid summary and script."</p> <p>9 Right?</p> <p>10 A Yes.</p> <p>11 MR. FERIS: Your Honor, I would like to move this</p> <p>12 exhibit into evidence.</p> <p>13 THE COURT: Granted. It's in.</p> <p>14 (Whereupon, the item previously referred to is</p> <p>15 received and marked Defendant's Exhibit Number D 1004 in</p> <p>16 evidence.)</p> <p>17 MR. FERIS: If we could scroll down, please?</p> <p>18 Let's go to page five.</p> <p>19 Q Do you see with where it says "Donald T. Trump?" I</p> <p>20 believe you meant "J" there, right?</p> <p>21 A Yes.</p> <p>22 Q Yes, right.</p> <p>23 A Yes.</p> <p>24 Q So he submitted a bid for 1 billion?</p> <p>25 A That's correct.</p>	<p>D. Cornwell - Plaintiff - cross (Feris) Page 2923</p> <p>1 Q That he would have to?</p> <p>2 A Not encourage, but he would have to.</p> <p>3 Q You were telling him to win he needed to raise his bid?</p> <p>4 A Yes.</p> <p>5 Q And Pegula, the ultimate buyer, you, Morgan Stanley,</p> <p>6 planned to tell him you bid enough to get into the next round,</p> <p>7 but "at the top of your range you were not the highest bidder?"</p> <p>8 A Yes.</p> <p>9 Q So you were planning to communicate to Pegula that he</p> <p>10 needed to raise his bid -- that they needed to raise the bid to</p> <p>11 be ultimately successful; right?</p> <p>12 A At the top end of his range he was not the highest</p> <p>13 bidder. That's what we said.</p> <p>14 Q Which means that to be successful he would have needed</p> <p>15 to raise his bid; right?</p> <p>16 A No.</p> <p>17 Q So the person with the highest bid doesn't win?</p> <p>18 A Certainty of closing also matters.</p> <p>19 Q But one of the factors is whether the bid is --</p> <p>20 A Yes.</p> <p>21 Q -- high in value; correct?</p> <p>22 A Yes.</p> <p>23 Q A higher bid would have been beneficial to Morgan</p> <p>24 Stanley?</p> <p>25 A I don't understand the question.</p>
<p>D. Cornwell - Plaintiff - cross (Feris) Page 2922</p> <p>1 Q And it says that it was "subject to finalization and</p> <p>2 signing of all documents and approval by the NFL's member</p> <p>3 clubs?"</p> <p>4 A Yes.</p> <p>5 Q So at this time nothing was final?</p> <p>6 A Nothing was final.</p> <p>7 Q And then it said he had a stated net worth of in excess</p> <p>8 of 8 billion?</p> <p>9 A Yes.</p> <p>10 Q Correct.</p> <p>11 MR. FERIS: And let's go down to the script that</p> <p>12 you were going to speak about with the potential buyers.</p> <p>13 It's going to be on page 7.</p> <p>14 Q Morgan Stanley at the time had an intention to tell</p> <p>15 President Trump that his bid was below several others in the</p> <p>16 process; right?</p> <p>17 A Yes.</p> <p>18 Q But you plan to communicate to him that he could</p> <p>19 prevail during the diligence process if he could move up in</p> <p>20 value?</p> <p>21 A Yes.</p> <p>22 Q So Morgan Stanley was encouraging President Trump to</p> <p>23 raise his bid if he wanted to win; right?</p> <p>24 A That he would have to raise his bid if he wanted to</p> <p>25 win.</p>	<p>D. Cornwell - Plaintiff - cross (Feris) Page 2924</p> <p>1 Q The higher the bid the higher the ultimate selling</p> <p>2 price; right?</p> <p>3 A The higher the bid the higher the -- yes.</p> <p>4 MR. FERIS: Let's pull up D 1011, please. Let's go</p> <p>5 to page two of the document. Let's actually start with page</p> <p>6 three.</p> <p>7 Q So at the top of page three you write an e-mail that</p> <p>8 says "have you given any of the NFL forms to the league yet;"</p> <p>9 correct?</p> <p>10 A Yes.</p> <p>11 Q And then you said "we should discuss the process of</p> <p>12 starting to get people vetted;" right?</p> <p>13 A Yes.</p> <p>14 Q Then your e-mail is responded to saying "certain people</p> <p>15 had submitted the background forms; Pegula, the JBJ Group and</p> <p>16 the Kelly Group;" correct?</p> <p>17 A Yes.</p> <p>18 Q Now, if we turn to page two you write back, "okay, I'd</p> <p>19 like to get Trump in as well. We don't have the signature page;</p> <p>20 correct?" That's what you wrote, right?</p> <p>21 A Yes.</p> <p>22 Q So you wanted to get Trump's forms in; correct?</p> <p>23 A Yes.</p> <p>24 Q You wanted President Trump as a bidder?</p> <p>25 A Yes.</p>

<p>D. Cornwell - Plaintiff - cross (Feris) Page 2925</p> <p>1 Q You wanted to keep him around?</p> <p>2 A Yes.</p> <p>3 Q Even though he hadn't signed the final consent forms;</p> <p>4 right?</p> <p>5 A That's the signature page. That's what we're referring</p> <p>6 to. I wanted him to sign it, to sign the consent form.</p> <p>7 Q The signature page of the background forms, right, you</p> <p>8 wanted him to?</p> <p>9 A The consent form.</p> <p>10 Q He hadn't signed it?</p> <p>11 A He had not signed that.</p> <p>12 Q So you wanted him as a bidder even though he hadn't</p> <p>13 signed; right?</p> <p>14 A I wanted him to sign it.</p> <p>15 Q You told me right now that you wanted him as a bidder.</p> <p>16 That was your answer, right?</p> <p>17 A Yes. In order to be a bidder he needed to sign it.</p> <p>18 Q Mr. Wayne Katz told you "as far as I know we don't have</p> <p>19 President Trump's" -- it says "Trump's," but I'm adding the</p> <p>20 "President Trump" as an honorarium, "background check</p> <p>21 authorization form and I'd be surprised if we ever get his</p> <p>22 financials?"</p> <p>23 A What page are you on?</p> <p>24 Q I'm on page two.</p> <p>25 A Yes.</p>	<p>D. Cornwell - Plaintiff - cross (Feris) Page 2927</p> <p>1 active in the data room; right?</p> <p>2 A Yes.</p> <p>3 Q And the data room is where a potential buyer receive</p> <p>4 all of their diligence materials; right?</p> <p>5 A That's correct.</p> <p>6 Q When the bidder is not very active in the data room</p> <p>7 that means they're not really looking at those diligence</p> <p>8 materials; right?</p> <p>9 A Yes.</p> <p>10 Q And in your experience when a bidder is highly</p> <p>11 interested in a purchase, they're active in data rooms; correct?</p> <p>12 A Sometimes.</p> <p>13 Q They want to know where their money is going; correct?</p> <p>14 Usually? Can we get a verbal response, sir?</p> <p>15 A Sometimes.</p> <p>16 Q And then you go on that despite him not being active in</p> <p>17 the data rooms, despite him not signing the background consent</p> <p>18 form on page one, you say "yes, still want to keep him around</p> <p>19 though." That's what you said; right?</p> <p>20 A Yes.</p> <p>21 Q You still wanted to keep Donald Trump around; right?</p> <p>22 A Yes.</p> <p>23 Q And then you were told "understood, but that's why I</p> <p>24 think it's hard to get his forms;" right?</p> <p>25 A Yes.</p>
<p>D. Cornwell - Plaintiff - cross (Feris) Page 2926</p> <p>1 Q And you said "I'll talk" -- "we'll talk to him about</p> <p>2 it. We'll talk to him on Monday about it. He has asked we</p> <p>3 pre-check him with the league and that's what we want to do."</p> <p>4 A Yes.</p> <p>5 Q So President Trump hadn't signed the forms; right?</p> <p>6 A No.</p> <p>7 Q But you were still pursuing him as a bidder; right?</p> <p>8 You were getting him pre-checked with the NFL?</p> <p>9 A That's signing the forms.</p> <p>10 Q You said he has asked we pre-check him, so that's what</p> <p>11 we're going to do; right?</p> <p>12 A Yes.</p> <p>13 Q So you were pre-checking him even though the forms were</p> <p>14 not signed; right?</p> <p>15 A No.</p> <p>16 Q That's not what the e-mail says?</p> <p>17 A There is no pre-checking without the signed form.</p> <p>18 Q At this point you just told me that Trump hadn't signed</p> <p>19 the forms, but you were pre-checking him. "So that's what we</p> <p>20 want to do."</p> <p>21 A We want to pre-check him.</p> <p>22 Q And then you were told thereafter, "I hear Trump hasn't</p> <p>23 been doing anything in the data room;" right?</p> <p>24 A Yes.</p> <p>25 Q So you were on notice that President Trump was not</p>	<p>D. Cornwell - Plaintiff - cross (Feris) Page 2928</p> <p>1 Q When you said "Trump asked to be pre-vetted so that's</p> <p>2 what we're going to do from his perspective. Better to find out</p> <p>3 if he is a no go now in a private fashion;" right?</p> <p>4 A Yes.</p> <p>5 Q So he hadn't signed the forms, but you were pre-vetting</p> <p>6 him; right?</p> <p>7 A No.</p> <p>8 Q "I've got some pretty good intel he has the money;"</p> <p>9 right? Yes?</p> <p>10 A Yes, I wrote that.</p> <p>11 Q You wrote that.</p> <p>12 So -- and you wrote "pre-vetting him." That's what it</p> <p>13 says. That's what we are doing; right?</p> <p>14 A No.</p> <p>15 Q That's not what you wrote?</p> <p>16 A I wrote that, but not -- we -- not Morgan Stanley doing</p> <p>17 pre-vetting, no.</p> <p>18 Q Did you write that inaccurately when you wrote it, sir?</p> <p>19 A I can't answer your question unless I can go outside</p> <p>20 the yes/no construct.</p> <p>21 MR. FERIS: Your Honor, at this time I would like</p> <p>22 to move D 1011 into evidence, sir.</p> <p>23 THE COURT: Okay. Five-minute warning and I</p> <p>24 hope --</p> <p>25 MR. FERIS: I'm almost done, Your Honor.</p>

<p>D. Cornwell - Plaintiff - cross (Ferus) Page 2929</p> <p>1 (Whereupon, the item previously referred to is 2 received and marked Defendant's Exhibit Number D 1011 in 3 evidence.) 4 THE COURT: Will you be able to finish in five 5 minutes? 6 MR. FERIS: I'm going to try. 7 THE COURT: I may limit you. I mean, I just have 8 to say, Mr. Kise, you pointed out that the cross examination 9 was supposed to show there was a reliance because they 10 weren't going to pick him anyway, but no other questions 11 seem to be they really did want him as a bidder. I don't 12 get where we're going with this. Am I the only one -- 13 MR. FERIS: Your Honor, this goes to show Morgan 14 Stanley did want him as a bidder because it helped the 15 process. The witness has testified that it -- 16 MR. KISE: The witness is on the stand, Your Honor, 17 so I don't really want to discuss this in front of the 18 witness is all I'm saying. I just want to note again -- 19 THE COURT: You don't have to do it again. You 20 already did it. All right. Here's what we'll do: Ten 21 minutes. I really hope that you finish within the ten 22 minutes. I'll ask the witness to answer quickly as best he 23 can and I'll consider just stopping it at that point because 24 I don't see the point. 25 MR. KISE: This never happens with the government,</p>	<p>D. Cornwell - Plaintiff - cross (Ferus) Page 2931</p> <p>1 Q You checked off with Mr. Holzschuh about a conversation 2 we had with Trump; right? You told him "how did it go last 3 week." 4 A Yes. 5 Q And he said he will stay in the process; right? 6 A Yes. 7 Q Followed by, "I encourage him to put his best offer 8 forward and let the process work;" correct? 9 A Yes. 10 Q So you were encouraging -- you, being Morgan Stanley -- 11 President Trump to put his best offer forward; correct? 12 A Jeff Holzschuh did. 13 Q On behalf of Morgan Stanley? 14 A No. 15 Q You know President Trump is -- 16 MR. FERIS: We can take that down. 17 Your Honor, I move this document D 1012 into 18 evidence. 19 THE COURT: Granted. It's in. 20 (Whereupon, the item previously referred to is 21 received and marked Defendant's Exhibit Number 1012 in 22 evidence.) 23 Q You know that President Trump is a real estate 24 developer; right? 25 A Yes.</p>
<p>D. Cornwell - Plaintiff - cross (Ferus) Page 2930</p> <p>1 never. You never put them on the clock. 2 THE COURT: Maybe they ask questions in a different 3 matter. 4 MR. KISE: They don't. They ask a lot of laborious 5 questions and they drag us through a lot of exhibits and 6 lots of things that take a lot of time. They're never 7 questioned about anything they do. I just want to put that 8 on the record because this is becoming a pattern, Your 9 Honor. I'm sorry. Every time something takes a little bit 10 longer with our side it's like you have to hurry up, you 11 have to hurry up, you're on the clock. And, respectfully, 12 that's not fair to us. They spend all the time that they 13 want and I just ask Your Honor to consider that. We're 14 going to move as fast as we can with this witness. As I've 15 told you before, there is -- no one in this courtroom wants 16 to leave here and have this trial over sooner than me. 17 THE COURT: Let's continue. 18 Q Are you aware that Mr. Holzschuh -- you are aware that 19 Mr. Holzschuh encouraged President Trump to put his best offer 20 forward; right? 21 A I'm sorry, where are you? 22 Q I'm not on the document anymore. I'm asking you about 23 your knowledge? 24 A I don't recall. 25 MR. FERIS: Can we pull up D 1012, please?</p>	<p>D. Cornwell - Plaintiff - cross (Ferus) Page 2932</p> <p>1 Q A successful one; correct? 2 A I don't know. 3 Q You know he has an interest in several commercial 4 properties in New York? 5 A I don't know. 6 Q Several golf properties around the world? 7 A I don't know. 8 Q You were heading this deal and you don't know about 9 Donald Trump's equity holdings? 10 A I don't know whether he held equity or had a license -- 11 he licensed his name. I don't know. 12 Q You would agree with me that you're aware of President 13 Trump's a world renowned brand name; right? 14 A I don't know. 15 Q You're not familiar with the Trump brand? 16 A Yes. 17 Q So you do know about the world renowned brand? 18 A I don't know. World renowned? I don't speak for the 19 world. 20 Q You're aware there is value in that brand, sir? 21 A I don't know. 22 Q You are aware that excluding the brand value Mr. Trump 23 had a net worth of 5.7 billion in 2014? 24 A I don't know. 25 MR. FERIS: Can we pull up on the screen what has</p>

<p>D. Cornwell - Plaintiff - cross (Feris) Page 2933</p> <p>1 been introduced into evidence as PX 730, please?</p> <p>2 Q I'm going to represent to you this is Donald Trump's</p> <p>3 Statement of Financial Condition that the New York Attorney</p> <p>4 General moved into evidence.</p> <p>5 If we can turn to page four, please. You see this says</p> <p>6 "assets" right here, sir?</p> <p>7 A Yes.</p> <p>8 Q It lists "cash and marketable securities," right, on</p> <p>9 the first line?</p> <p>10 A Yes.</p> <p>11 Q "Escrow and reserve deposits and prepaid expenses?"</p> <p>12 A Yes.</p> <p>13 Q In the second line?</p> <p>14 A Yes.</p> <p>15 Q "Real and operating properties;" correct?</p> <p>16 A Yes.</p> <p>17 Q If we skip down after all the properties are listed out</p> <p>18 it says "partnerships and joint ventures net of related debt;"</p> <p>19 correct?</p> <p>20 A Yes.</p> <p>21 Q Says "real estate licensing developments?"</p> <p>22 A Yes.</p> <p>23 Q And "other assets?"</p> <p>24 A Yes.</p> <p>25 Q It doesn't list "brand" on there anywhere; correct, on</p>	<p>D. Cornwell - Plaintiff - cross (Feris) Page 2935</p> <p>1 right?</p> <p>2 A According to what we just read.</p> <p>3 Q That would be a yes, right, according to what we just</p> <p>4 read?</p> <p>5 A Yes.</p> <p>6 Q Are you aware that Trump's brand value is up to</p> <p>7 \$3 billion?</p> <p>8 A No.</p> <p>9 MR. FERIS: Can we pull up PX 431, please?</p> <p>10 Q And I'll represent to you this is a brand -- a letter</p> <p>11 from Predictiv, that the value -- that values President Trump's</p> <p>12 brand.</p> <p>13 MR. FERIS: If we can turn to the bottom of page</p> <p>14 two?</p> <p>15 MR. FINKELSTEIN: Objection.</p> <p>16 THE COURT: Go ahead.</p> <p>17 MR. FINKELSTEIN: Hearsay. This exhibit is not in</p> <p>18 evidence and this witness has no foundation.</p> <p>19 MR. FERIS: Your Honor, I haven't tried to move</p> <p>20 this exhibit into evidence. I'm just showing it into</p> <p>21 evidence.</p> <p>22 MS. HABBA: It's already into evidence. I brought</p> <p>23 it in through Michael Cohen.</p> <p>24 THE COURT: I guess we'll accept that</p> <p>25 representation that it's already in evidence. Yes, no?</p>
<p>D. Cornwell - Plaintiff - cross (Feris) Page 2934</p> <p>1 this page?</p> <p>2 A I haven't read it in full, but I assume it does not.</p> <p>3 Q You don't see it on there right now?</p> <p>4 A I don't see it.</p> <p>5 MR. FERIS: We can turn to the next page.</p> <p>6 Q Now, his net worth there is listed as 5.7 just to round</p> <p>7 or for time consistency as his net worth; correct?</p> <p>8 A Yes.</p> <p>9 Q And, again, we just went through that it's free of any</p> <p>10 brand value; right?</p> <p>11 MR. FERIS: If we turn to the next page?</p> <p>12 Q In the bottom paragraph at the top it says "pursuant to</p> <p>13 GAAP, this financial statement does not reflect the value of</p> <p>14 Donald J. Trump's worldwide reputation; however, the brand value</p> <p>15 has afforded Mr. Trump the opportunity to participate in</p> <p>16 licensing deals around the globe as reflected on the balance</p> <p>17 sheet therein." Do you see that?</p> <p>18 A I do.</p> <p>19 Q And then the final sentence of this says "the goodwill</p> <p>20 attached to the Trump name has significant financial value that</p> <p>21 has not been reflected in the preparation of this financial</p> <p>22 statement." Do you see that?</p> <p>23 A I do.</p> <p>24 Q So this financial statement with a 5.7 billion net</p> <p>25 worth does not include brand, according to what we just read;</p>	<p>D. I</p> <p>5 believe we brought it in for the truth of the matter</p> <p>6 asserted, but it was solely -- I will tell you the part I</p> <p>7 brought in was the last sentence where it said the value</p> <p>8 only.</p> <p>9 MR. My far smarter 20 associates have corrected some exhibit numbers that were in 21 the record wrong when I cross examined Michael Cohen, so I 22 just wanted to clean it up and make a record. HAREN: Thank you, Your Honor. 15 DIRECT EXAMINATION 16 BY MR. HAREN: 17 Q Good afternoon, Mr. Orowitz. My name is Eric Haren. I 18 am an attorney with the Attorney General's office. Thank you 19 for being here. 20 Can you, please, describe your educational background 21 after high school? 22 A I went to Hamilton College for undergraduate and I went 23 to the Wharton School at University of Pennsylvania for my 24 M.B.A. 25 Q Do you hold any professional licenses?</p>

<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2941</p> <p>1 A No.</p> <p>2 Q Do you have any professional certifications?</p> <p>3 A No.</p> <p>4 Q Can you, please, describe your employment history after</p> <p>5 college?</p> <p>6 A After undergraduate, I worked at Kaiser Associates</p> <p>7 which was a strategy consulting firm. Then I went for my M.B.A.</p> <p>8 for two years, then went to the Trump Organization for eight</p> <p>9 years, and then after that and since then, I've worked at L&amp;L</p> <p>10 Holding.</p> <p>11 Q At what? Sorry. I didn't hear that.</p> <p>12 A L&amp;L Holding.</p> <p>13 Q Thank you. Can you describe just in general terms your</p> <p>14 history of working for the Trump Organization?</p> <p>15 A I joined as a summer intern in between my two years of</p> <p>16 my M.B.A. and then I joined full time at the end of the summer</p> <p>17 after I graduated from business school.</p> <p>18 Q And approximately what year was that?</p> <p>19 A 2008.</p> <p>20 Q So you joined as a full-time employee of the Trump</p> <p>21 Organization in 2008?</p> <p>22 A Correct.</p> <p>23 Q Okay. And who offered you the full-time position at</p> <p>24 the Trump Organization?</p> <p>25 A Donald J. Trump, Jr.</p>	<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2943</p> <p>1 employment at the Trump Organization?</p> <p>2 A Yes.</p> <p>3 Q Speaking generally, what projects did you work on with</p> <p>4 Ivanka Trump?</p> <p>5 A I worked on the Old Post Office, the acquisition and</p> <p>6 financing of Doral, the refinancing of Trump Chicago, and</p> <p>7 several brand licensing deals around the world.</p> <p>8 Q And same question for Eric Trump.</p> <p>9 A Eric Trump, I worked on and off with him, but I would</p> <p>10 say one of the things I worked with him on was the retail at</p> <p>11 Trump Chicago and I'm sure a number of other things while I was</p> <p>12 there.</p> <p>13 Q And same question for Donald Trump, Jr.</p> <p>14 A With Donald Trump, Jr., I worked on some of the leasing</p> <p>15 at the Old Post Office and some of the Trump India brand</p> <p>16 licensing deals.</p> <p>17 Q Who do you understand to have worked in the accounting</p> <p>18 department while you worked at the Trump Organization?</p> <p>19 A Allen Weisselberg, Jeffrey McConney, Donna Kidder, I</p> <p>20 believe Patrick Birney.</p> <p>21 Q And in terms of the physical layout of the office,</p> <p>22 where was the accounting department located?</p> <p>23 A The accounting department was on the 18th floor.</p> <p>24 Q Where was Mr. Weisselberg's office located?</p> <p>25 A On the 18th floor.</p>
<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2942</p> <p>1 Q Could you walk us through your titles at the Trump</p> <p>2 Organization from 2008 until when you left?</p> <p>3 A When I joined, I was VP of acquisition and development</p> <p>4 and when I left, I was SVP, senior vice-president of</p> <p>5 acquisitions and development.</p> <p>6 Q There came a time when you were promoted from</p> <p>7 vice-president to senior vice-president?</p> <p>8 A Yes.</p> <p>9 Q Who offered you that promotion?</p> <p>10 A It was the Trump -- the Trump kids. I don't remember</p> <p>11 specifically who.</p> <p>12 Q So by kids, who are you referring to?</p> <p>13 A Sorry. Donald Trump, Jr., Ivanka Trump and Eric Trump.</p> <p>14 Q Thank you. Who did you report to when you worked for</p> <p>15 the Trump Organization?</p> <p>16 A I reported to Donald Trump, Jr. and Ivanka Trump and</p> <p>17 Eric Trump.</p> <p>18 Q And was that reporting structure the same throughout</p> <p>19 your tenure at the Trump Organization?</p> <p>20 A Yes.</p> <p>21 Q Approximately when did you leave your employment at the</p> <p>22 Trump Organization?</p> <p>23 A I left in October of 2016.</p> <p>24 Q Is it correct that you frequently met or spoke with</p> <p>25 Donald Trump, Jr., Eric Trump and Ivanka Trump during your</p>	<p>D. <p>1 A That his goal was for it to be represented higher on</p> <p>2 the listing.</p> <p>3 Q Thank you. During your time at the Trump Organization,</p> <p>4 did you ever have an understanding about a report on Mr. Trump's</p> <p>5 net worth?</p> <p>6 A Could you clarify what kind of report you mean?</p> <p>7 Q A financial statement about Mr. Trump's net worth.</p> <p>8 A Yes.</p> <p>9 Q How did you gain that understanding?</p> <p>10 A There was a transaction that I was working on where he</p> <p>11 needed to provide a statement to his net worth.</p> <p>12 Q Which transaction was that?</p> <p>13 A It may have been more than one, but I know that it was</p> <p>14 in relation to the Old Post Office.</p> <p>15 Q When you say "in relation to the Old Post Office, can</p> <p>16 you be more specific about what you mean?</p> <p>17 A It was in relation to when we put the RFP response</p> <p>18 together in reaction to the original request for proposals. We</p> <p>19 had to demonstrate financial wherewithal and his statement was</p> <p>20 needed for that purpose.</p> <p>21 Q Thank you.</p> <p>22 MR. ROBERT: Your Honor, a continuing objection to</p> <p>23 this line of questioning. The RFP was well outside the</p> <p>24 statute of limitations.</p> <p>25 THE COURT: Duly noted. Usual ruling.</p>	<p>1 Trump Organization to do that work?</p> <p>2 A I'm not sure if they were formally engaged</p> <p>3 contractually, but they were definitely engaged in practice.</p> <p>4 Q They were assisting the Trump Organization in</p> <p>5 identifying potential financing?</p> <p>6 A Yes.</p> <p>7 Q And focusing in the e-mail from Ronnie Levine in the</p> <p>8 middle of the page, do you see where it states, "heard back from</p> <p>9 Blackstone a little while ago and they are a pass on the deal"?</p> <p>10 A Yes.</p> <p>11 Q What does that indicate to you?</p> <p>12 A It indicates that Blackstone was not interested in</p> <p>13 providing a loan for the acquisition of Doral.</p> <p>14 Q And there's a reference in the second paragraph to</p> <p>15 getting information to someplace called Inbursa. Do you see</p> <p>16 that?</p> <p>17 A Yes.</p> <p>18 Q Do you have an understanding of what that refers to?</p> <p>19 A I believe this was another financial institution that</p> <p>20 was a potential lender for Doral.</p> <p>21 Q And there are other references here to Macquaire,</p> <p>22 Criterion, Colony, Baupost and HSBC.</p> <p>23 It's your understanding that those are potential</p> <p>24 sources of financing?</p> <p>25 A Yes. I don't recall at the time all of them being</p>

<p>1 Q Mr. Orowitz, I would like to change topics to the Doral</p> <p>2 transaction.</p> <p>3 Do you have a general recollection of when the Trump</p> <p>4 Organization purchased the Doral property and obtained</p> <p>5 associated financing?</p> <p>6 A Yes, it was generally in the early 2010s.</p> <p>7 Q What was your role in that process?</p> <p>8 A I was involved with putting together the underwriting.</p> <p>9 I was involved with the 1031 auction or that may not be what it</p> <p>10 is called, the bankruptcy auction because we were buying another</p> <p>11 bankruptcy estate and I was involved in the financing.</p> <p>12 MR. HAREN: I'd like to have marked for</p> <p>13 identification PX 3243. I would like to pull it up on the</p> <p>14 screen.</p> <p>15 Q Mr. Orowitz, the document on the screen, as you will</p> <p>16 see on the first page, begins with an e-mail from Ronnie Levine</p> <p>17 to Ivanka Trump and in the e-mail address, it states that Ronnie</p> <p>18 Levine is from meridiancapital.com and the e-mail is forwarded</p> <p>19 to you. Do you see that?</p> <p>20 A Yes.</p> <p>21 Q Can you describe the role of Meridian Capital in</p> <p>22 connection with the Doral transaction?</p> <p>23 A My recollection is that they were helping to find</p> <p>24 potential lenders.</p> <p>25 Q Helping meaning they were -- were they engaged by the</p>	<p>1 involved, but yes, based on this e-mail, that appears to be the</p> <p>2 case.</p> <p>3 Q There is a question in the e-mail on the first page</p> <p>4 that reads, "Have you received any feedback from DB."</p> <p>5 What do you understand that to be a reference to?</p> <p>6 A I would presume this was asking whether Meridian heard</p> <p>7 back from DB about their interest in the loan.</p> <p>8 Q DB, is that Deutsche Bank?</p> <p>9 A Yes.</p> <p>10 Q Moving to the top of the page, there is a response from</p> <p>11 Ivanka Trump that reads, "I actually spoke to Todd Harrison at</p> <p>12 Colony today (I know Todd through Jared as well). We are</p> <p>13 partners on another deal together. He said that we wouldn't do</p> <p>14 a deal with them on the debt side as they are too expensive for</p> <p>15 what we'd be looking for (low teens)."</p> <p>16 What do you understand "low teens" to refer to in the</p> <p>17 context of this e-mail?</p> <p>18 A I would assume it refers to the interest rate.</p> <p>19 MR. HAREN: Your Honor, I move this exhibit into</p> <p>20 evidence.</p> <p>21 MR. ROBERT: Your Honor, continuing objection on</p> <p>22 statute of limitations and objection to this whole line of</p> <p>23 questioning.</p> <p>24 THE COURT: Overruled, but I will consider it a</p> <p>25 continuing objection.</p>

<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2949</p> <p>1 MR. ROBERT: Thank you.</p> <p>2 THE COURT: Okay. It is in.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 Plaintiff's Exhibit 3243.)</p> <p>5 MR. HAREN: Moving to a different document. This</p> <p>6 is Plaintiff's Exhibit 3244.</p> <p>7 Q Mr. Orowitz, do you recognize this set of e-mails?</p> <p>8 A I don't remember it, no.</p> <p>9 Q But it does appear to be an e-mail chain involving you</p> <p>10 in the middle of the first page?</p> <p>11 A Yes.</p> <p>12 Q And looking at page one, there is an e-mail from again</p> <p>13 Ronnie Levine at Meridian Capital to Ivanka Trump that copies</p> <p>14 you. Do you see that?</p> <p>15 A Yes.</p> <p>16 Q The e-mail states, "Citi has all the info on the deal,</p> <p>17 but I don't think they are going to make an offer." What do you</p> <p>18 understand that to refer to?</p> <p>19 A I would presume that Meridian had sent over due</p> <p>20 diligence materials and offering memoranda related to the</p> <p>21 transaction and that Citi was not interested in being a lender.</p> <p>22 Q City refers to?</p> <p>23 A Citibank.</p> <p>24 Q Again, on page one, there is a statement that reads,</p> <p>25 "They might consider a low-leverage first mortgage, but it would</p>	<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2951</p> <p>1 THE COURT: I think we've been over this many</p> <p>2 times. You still feel that you need to object every time</p> <p>3 even though it is a continued objection because it is a</p> <p>4 document, not testimony?</p> <p>5 MR. ROBERT: Yes, sir.</p> <p>6 THE COURT: I'm learning. All right. Do what you</p> <p>7 feel you have to do. Overruled. It is in.</p> <p>8 (Whereupon, the Document was marked in evidence as</p> <p>9 Plaintiff's Exhibit 3244.)</p> <p>10 MR. HAREN: I've handed or the witness has been</p> <p>11 handed plaintiff's Exhibit 3247. That document is also up</p> <p>12 on the screen.</p> <p>13 Q Mr. Orowitz, do you recognize, if you could take a</p> <p>14 moment to look through it, the e-mail and the attachment that</p> <p>15 follows.</p> <p>16 (Witness reviewing document.)</p> <p>17 A I don't recognize it specifically, no.</p> <p>18 Q Do you see there at the bottom of the first page is an</p> <p>19 e-mail from Ivanka Trump to Enrique E. Morelos Zaragoza on</p> <p>20 November 28, 2011?</p> <p>21 A Yes.</p> <p>22 Q And the e-mail is then forwarded to you?</p> <p>23 A Yes.</p> <p>24 Q And the e-mail from Ms. Trump refers to "Inbursa's term</p> <p>25 sheet" at the beginning of the first paragraph. Do you see</p>
<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2950</p> <p>1 be sized to a ten percent debt yield on the in-place cash flow.</p> <p>2 Even that would be a stretch for them."</p> <p>3 Do you have an understanding of those sentences?</p> <p>4 A Yes.</p> <p>5 Q What's your understanding?</p> <p>6 A Debt yield is the percentage of the assets or the debt</p> <p>7 that proceeds, so it is the income divided by the debt. So this</p> <p>8 is basically saying that they would only lend ten times whatever</p> <p>9 the current cash flow or income was of the asset.</p> <p>10 Q Continuing that same e-mail, there's the next paragraph</p> <p>11 reads, "I spoke with Loancore early last week. My</p> <p>12 brother-in-law works at Jefferies and is on the JLC credit</p> <p>13 committee. This transaction is too large for them and they are</p> <p>14 generally not looking to do deals with large renovation</p> <p>15 components."</p> <p>16 What's your understanding of that information?</p> <p>17 A My interpretation of it is that they had reached out to</p> <p>18 Loancore and Loancore wasn't able to do loans this large or</p> <p>19 loans on assets that required investment in improving them.</p> <p>20 Q What is Loancore?</p> <p>21 A I'm not familiar with Loancore.</p> <p>22 Q Do you have an understanding what Loancore is?</p> <p>23 A -- I believe they are a real estate lender.</p> <p>24 MR. HAREN: I move Exhibit P X 3244 in evidence.</p> <p>25 MR. ROBERT: Objection; statute of limitations.</p>	<p>D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2952</p> <p>1 that?</p> <p>2 A Yes.</p> <p>3 Q And then you can see at the top of the first page,</p> <p>4 there's an attachment entitled "inbursatermsheet.docx"?</p> <p>5 A Yes.</p> <p>6 Q If you could look then to page -- beginning on page</p> <p>7 three, do you see a document that appears to be a term sheet</p> <p>8 from Inbursa Grupo Financiero?</p> <p>9 A Yes.</p> <p>10 Q It refers to Donald Trump as the sponsor?</p> <p>11 A Yes.</p> <p>12 Q And it refers to the sponsor as the guarantor?</p> <p>13 A Yes.</p> <p>14 MR. HAREN: I move Plaintiff's Exhibit 3247 into</p> <p>15 evidence.</p> <p>16 MR. ROBERT: Statute of limitations and relevance.</p> <p>17 THE COURT: Overruled. Granted. It is in</p> <p>18 evidence.</p> <p>19 (Whereupon, the Document was marked in evidence as</p> <p>20 Plaintiff's Exhibit 3247.)</p> <p>21 Q Mr. Orowitz, we're going to move to some information</p> <p>22 from another potential lender. We're looking at Plaintiff's</p> <p>23 Exhibit 3231.</p> <p>24 MR. HAREN: Could we pull down -- I have the wrong</p> <p>25 document in front of me, so let me try to fix that. One</p>

<p>1 moment, Your Honor.</p> <p>2 THE COURT: Yes.</p> <p>3 MR. WALLACE: Your Honor, I apologize for</p> <p>4 interrupting Mr. Haren. I want to note for the record that</p> <p>5 there appears to be no attorney right now for Donald Trump,</p> <p>6 for Mr. Weisselberg or for Mr. McConney and I just want to</p> <p>7 know if the defendants have made some arrangements for this</p> <p>8 absence, but I don't believe either Mr. Robert or Mr. Kise</p> <p>9 represent those individuals.</p> <p>10 MR. KISE: I certainly represent Donald Trump</p> <p>11 whether it says so on the docket or not. I mean, that's</p> <p>12 been obvious since the beginning, that I'm the lead counsel</p> <p>13 and if you want to ask him next time he's here, you can ask</p> <p>14 him, but there's no question as to that. I think Mr. Gabra</p> <p>15 is here. He may be in the back watching, but I think -- I</p> <p>16 mean in the video room watching, but I'll confirm that.</p> <p>17 For Mr. Weisselberg and McConney, I clearly do not</p> <p>18 represent Mr. Weisselberg and Mr. McConney, but I can check</p> <p>19 on that momentarily. We can continue the proceeding and I</p> <p>20 can -- if you'll allow me to go check, I could go do that.</p> <p>21 THE COURT: Of course.</p> <p>22 MR. KISE: Thank you, Judge.</p> <p>23 MR. HAREN: You could put the document you've been</p> <p>24 handed to the side. We will move to a different one and see</p> <p>25 if we can correct that issue.</p>	<p>1 "Doral term sheet 111114 "which I assume is November 11, 2014 --</p> <p>2 November 14, 2011.</p> <p>3 Is it fair to say that this document represents a</p> <p>4 transmittal of a term sheet with Beal Bank or CSG Investments</p> <p>5 regarding the Doral property?</p> <p>6 A Yes.</p> <p>7 Q If we could take a look at the attachment. Do you see</p> <p>8 that this document appears to be such a term sheet?</p> <p>9 A Yes.</p> <p>10 Q It contains an interest rate term of LIBOR plus</p> <p>11 5.5 percent?</p> <p>12 A Yes.</p> <p>13 Q And do you see that it provides a floor rate of two</p> <p>14 percent?</p> <p>15 A Yes.</p> <p>16 Q And there's a default interest rate of five percent</p> <p>17 above the interest rate?</p> <p>18 A Yes.</p> <p>19 Q And on page three, there are a series of additional</p> <p>20 fees including an upfront fee, a breakage fee. Do you see</p> <p>21 those?</p> <p>22 A Yes.</p> <p>23 MR. HAREN: Your Honor, I move Plaintiff's</p> <p>24 Exhibit 3232 into evidence.</p> <p>25 MR. ROBERT: Objection. Statute of limitations and</p>
D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2954	D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2956
<p>1 MR. KISE: He is now here, Your Honor. I</p> <p>2 appreciate the concern of the government for representation.</p> <p>3 MR. WALLACE: We want to keep the record clean.</p> <p>4 Q So Mr. Orowitz, you have in front of you Plaintiff's</p> <p>5 Exhibit 3232. You see on the top of the first page, there's an</p> <p>6 e-mail from someone named Steve Harvey to you and Ivanka Trump</p> <p>7 copying Jacob Turner and some other people and the e-mail</p> <p>8 signature states that Steven L. Harvey is an executive</p> <p>9 vice-president at CSG Investment, Inc.</p> <p>10 Do you have an understanding as to who Mr. Harvey is in</p> <p>11 the context of this e-mail?</p> <p>12 A I don't have a recollection of it, no.</p> <p>13 Q Are you familiar generally with Beal Bank and CSG</p> <p>14 Investments?</p> <p>15 A Yes.</p> <p>16 Q What is your understanding of those entities?</p> <p>17 A They're affiliated entities that are both owned or</p> <p>18 partially owned by Andy Beal.</p> <p>19 Q And then are they potential sources of financing?</p> <p>20 A Yes.</p> <p>21 Q So the e-mail states, "Attached is a redraft of the</p> <p>22 term sheet based on our conversation today. If you find this</p> <p>23 acceptable, the next step for us will be a loan application,</p> <p>24 which I am working on right now."</p> <p>25 And you can see that there is an attachment entitled,</p>	<p>1 hearsay and relevance.</p> <p>2 MR. HAREN: Your Honor, this is a term sheet for a</p> <p>3 potential loan received by Mr. Orowitz and Ivanka Trump at</p> <p>4 the Trump Organization. They are right there in the "to"</p> <p>5 line in the e-mail.</p> <p>6 MR. ROBERT: It is not prepared by the witness. It</p> <p>7 is prepared someone. It is an out-of-court statement and it</p> <p>8 was produced by whoever Beal is. I don't know who that is.</p> <p>9 MR. HAREN: It is a bank that offered terms to the</p> <p>10 Trump Organization for a potential loan and I'm introducing</p> <p>11 it for notice for the terms that were offered.</p> <p>12 MR. ROBERT: Notice of what to whom? Notice that</p> <p>13 there was a term sheet, but not any of the contents of the</p> <p>14 term sheet including the amount or the interest rate,</p> <p>15 correct?</p> <p>16 MR. HAREN: The term sheet is contained in the</p> <p>17 document beginning at page two, portions of which I read to</p> <p>18 the witness and that do specify the interest rate, loan</p> <p>19 term, loan amount and other terms.</p> <p>20 THE COURT: It's in simply for the notice of what's</p> <p>21 in it, not for the truth of the statements asserted.</p> <p>22 (Whereupon, the Document was marked in evidence as</p> <p>23 Plaintiff's Exhibit 3232.)</p> <p>24 MR. HAREN: Your Honor, I have another exhibit, but</p> <p>25 before I show it to the witness, it's my understanding that</p>

D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN)	Page 2957	D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN)	Page 2959
<p>1 it is still subject to a confidentiality designation under</p> <p>2 the protective order, so I wanted to hand a copy up to the</p> <p>3 Court and to counsel.</p> <p>4 THE COURT: Is there an issue about showing this to</p> <p>5 the witness? Mr. Haren, is that a threshold question?</p> <p>6 MR. HAREN: I don't think there should be an</p> <p>7 objection. It is a perfectly appropriate document that</p> <p>8 could be shown to the witness and support in kind to the</p> <p>9 other documents I showed the witness, but just want to make</p> <p>10 sure -- the protective order allows that the Court can</p> <p>11 order that I can show it to him, so I think that that would</p> <p>12 be appropriate.</p> <p>13 THE COURT: I'll give them, defendants, a moment to</p> <p>14 look at it.</p> <p>15 MR. KISE: Is the question as to the protective</p> <p>16 order, the confidentiality order?</p> <p>17 THE COURT: Yes.</p> <p>18 MR. HAREN: Yes.</p> <p>19 MR. KISE: No, there is no objection on that</p> <p>20 ground. I could come up with a lot of other objections, but</p> <p>21 not on that.</p> <p>22 THE COURT: You probably already have. You can</p> <p>23 show it to the witness.</p> <p>24 MR. HAREN: Thank you, Your Honor.</p> <p>25 Q So, Mr. Orowitz, you could see on the first page of</p>		<p>1 e-mail?</p> <p>2 A No.</p> <p>3 Q Do you understand that it contained responses from CSG</p> <p>4 Investments concerning potential loan terms?</p> <p>5 A Yes.</p> <p>6 MR. HAREN: Your Honor, I move to admit Plaintiff's</p> <p>7 3233 in evidence for notice.</p> <p>8 MR. ROBERT: I want to be clear with this for</p> <p>9 notice. Notice of what? I mean, if you intend to try to</p> <p>10 show later with this document and the other document that</p> <p>11 there's certain interest rates that are here, that's not</p> <p>12 notice. So let's just be clear. You want this notice of</p> <p>13 who of what?</p> <p>14 MR. HAREN: I want it for notice that Ivanka Trump</p> <p>15 and David Orowitz at the Trump Organization were expressly</p> <p>16 advised about potential loan terms from Beal. That's what</p> <p>17 that document provides them notice of.</p> <p>18 MR. ROBERT: Not any of the terms of the loan</p> <p>19 because the terms of the proposed loan are hearsay.</p> <p>20 MR. HAREN: I don't understand how they are hearsay</p> <p>21 if they were expressly advised what the terms would be.</p> <p>22 THE COURT: They are not hearsay. I don't know</p> <p>23 what you mean by that.</p> <p>24 MR. ROBERT: A statement coming from Jacob Turner</p> <p>25 who is not a party, sending an e-mail, making a statement of</p>	
D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN)	Page 2958	D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN)	Page 2960
<p>1 Exhibit 3233 that there's an e-mail exchange involving you and</p> <p>2 Ivanka Trump and Jacob Turner and Steve Harvey at CSG</p> <p>3 Investments. Do you see that.</p> <p>4 A Yes.</p> <p>5 Q The e-mail states in the second line, "I understand</p> <p>6 that there is no need to discuss the \$130 million comment on the</p> <p>7 markup (CSG is not going to get to that advance level)."</p> <p>8 Do you have an understanding of what that line</p> <p>9 indicates?</p> <p>10 A Yes, I believe it refers to the loan proceeds that they</p> <p>11 would be willing to loan.</p> <p>12 Q The e-mail also states, "We had a number of</p> <p>13 discussions" --</p> <p>14 MR. KISE: Your Honor.</p> <p>15 THE COURT: Hold on.</p> <p>16 MR. KISE: So the confidentiality, are we asking</p> <p>17 him questions about a document that's not in evidence that</p> <p>18 he can't authenticate or can he? I don't know. I did not</p> <p>19 see that he did. Maybe he did.</p> <p>20 Q Mr. Orowitz, did you receive this e-mail?</p> <p>21 A I don't -- I don't recall receiving it.</p> <p>22 Q Do you see in the "to" line that it states "David</p> <p>23 Orowitz"?</p> <p>24 A Yes.</p> <p>25 Q Do you have any reason to doubt that you received this</p>		<p>1 potential terms, that's quintessential hearsay.</p> <p>2 THE COURT: It is not being introduced to prove the</p> <p>3 truth of the contents, just that the recipients were</p> <p>4 notified that this sender was willing to do these terms. Is</p> <p>5 that what I --</p> <p>6 MR. HAREN: Yes.</p> <p>7 MR. ROBERT: That goes to the truth of the matter</p> <p>8 asserted. We are now interpreting that to mean that the</p> <p>9 lender was going to go ahead on these terms. That, in</p> <p>10 essence, is the truth of the matter asserted. If it is a</p> <p>11 question of did you receive a document that said that 10:30</p> <p>12 a m. central standard time, that's one thing, but Your</p> <p>13 Honor's hypothetical goes to the truth of the matter</p> <p>14 asserted.</p> <p>15 THE COURT: So just to make sure I understand your</p> <p>16 point, we don't -- does your point boil down to we don't</p> <p>17 know that this sender really would have done these --</p> <p>18 MR. ROBERT: Correct. Correct.</p> <p>19 MR. WALLACE: It constitutes an offer which is</p> <p>20 another reason that it can be admitted on its own for the</p> <p>21 purposes that there was an offer made. It doesn't need to</p> <p>22 show whether the offer was going to be closed, whether</p> <p>23 everything is going to proceed from here, we are not</p> <p>24 going -- that was down the road.</p> <p>25 THE COURT: I don't -- when you say "offer," you</p>	

D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2961	Page 2963
<p>1 mean binding as in we learned in contracts, an offer is</p> <p>2 binding?</p> <p>3 MR. WALLACE: Not binding.</p> <p>4 THE COURT: So, then, it is not really an offer.</p> <p>5 MR. WALLACE: That's fine, Your Honor.</p> <p>6 MR. HAREN: I could ask a slightly different</p> <p>7 question.</p> <p>8 THE COURT: All right. Withdrawn.</p> <p>9 Q Mr. Orowitz, when you received this e-mail, did you</p> <p>10 understand -- did you form an understanding that Beal Bank was</p> <p>11 responding to potential loan terms with the responses that are</p> <p>12 here indicated?</p> <p>13 A I don't remember receiving this specific e-mail at that</p> <p>14 time.</p> <p>15 Q Do you --</p> <p>16 THE COURT: I think you said you have no reason to</p> <p>17 doubt that you did, right?</p> <p>18 THE WITNESS: No, no reason.</p> <p>19 THE COURT: Okay.</p> <p>20 THE WITNESS: Your Honor.</p> <p>21 Q Do you have a general recollection of engaging</p> <p>22 in -- withdrawn.</p> <p>23 MR. HAREN: Just want to be clear, is the document</p> <p>24 in evidence for those purposes or is it --</p> <p>25 MR. ROBERT: If it is noticed that an e-mail was</p>	<p>1 (Continued on the next page.)</p> <p>2</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
D. OROWITZ - PLAINTIFF - DIRECT(MR. HAREN) Page 2962	D. Orowitz - Plaintiff - direct (Haren) Page 2964
<p>1 received, but none of the contents -- all of the contents of</p> <p>2 the notice are hearsay.</p> <p>3 MR. HAREN: I mean, just to be clear on the</p> <p>4 question of hearsay, it's not a truthful fact that it is</p> <p>5 being asserted by the statement. It is a market term that</p> <p>6 is being offered. I don't think it is hearsay at all. I</p> <p>7 don't think it is being offered for its truth. It is being</p> <p>8 offered to show what a third-party bank offered and notified</p> <p>9 the defendant organization was the subject of their offer.</p> <p>10 MR. ROBERT: That's the definition of the truth of</p> <p>11 the matter asserted because you want to try to bootstrap</p> <p>12 that there were other offers, that these other interest</p> <p>13 rates, these interest rates differed than the ultimate</p> <p>14 interest rate and you're going to connect those dots or</p> <p>15 attempt to connect those dots.</p> <p>16 What I'm saying is the underlying substance of</p> <p>17 what's contained here is hearsay. If you had the ability of</p> <p>18 the time is expired, someone from the bank to come in here</p> <p>19 and explain something, but that's not what we have. We have</p> <p>20 a document that you're trying to introduce from a witness</p> <p>21 who doesn't recall receiving it.</p> <p>22 To Your Honor's point, he doesn't dispute that he</p> <p>23 probably got it because he is on the e-mail exchange, but</p> <p>24 the underlying substance of this and of the earlier e-mail</p> <p>25 are all hearsay.</p>	<p>1 MR. WALLACE: Your Honor, if I could just clarify</p> <p>2 my point about it. It's an offer to constitute a verbal act</p> <p>3 under 8.47 under the rules of evidence and that even if it's</p> <p>4 not a binding offer it is contractual term.</p> <p>5 By making this offer we are interested in</p> <p>6 establishing and making the offer to the Trump Organization.</p> <p>7 And so that is how the -- that's how Mr. Haren is offering</p> <p>8 to use this document.</p> <p>9 And just to go back to one other point. This came</p> <p>10 from the Trump Organization, so any issues with authenticity</p> <p>11 because this was produced in discovery.</p> <p>12 MR. ROBERT: I'm not questioning -- so I didn't</p> <p>13 think it came from us, this exhibit that's here, but I take</p> <p>14 your word for it.</p> <p>15 MR. WALLACE: I'll just clarify that's the</p> <p>16 production stamp that the Trump Organization used for civil</p> <p>17 discovery in this action as opposed to TTO is from the</p> <p>18 underlying investigation.</p> <p>19 MR. ROBERT: I'm just saying nonetheless if you</p> <p>20 want to introduce something as an offer, the person that</p> <p>21 made the offer has to come in and say here was the offer,</p> <p>22 here are the terms, not the witness who is looking at the</p> <p>23 document coming from a third party relaying terms or</p> <p>24 potential terms of a deal.</p> <p>25 THE COURT: All right. Give me a moment.</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 2965</p> <p>1 (Whereupon, there is a recess in the proceedings.)</p> <p>2 THE COURT: Mr. Wallace, what is -- was the</p> <p>3 evidentiary rule you just referred to?</p> <p>4 MR. WALLACE: I believe 8.47 Verbal Act.</p> <p>5 THE COURT: 8.47 of?</p> <p>6 MR. WALLACE: I'm --</p> <p>7 MR. GABER: This is Section 8.47 of the Bench Book</p> <p>8 on New York Evidence Article 8 rules. I think it's</p> <p>9 incorporated as the rules, but I'm reading it off of the New</p> <p>10 York courts website. I think it is -- it comes from a line</p> <p>11 of Court of Appeals cases. I'm not sure if it's codified.</p> <p>12 I believe 8.47 is the citation here.</p> <p>13 THE COURT: Okay. Thanks.</p> <p>14 Is plaintiff willing to I think go along with</p> <p>15 Mr. Robert's view that it can be admitted only for the fact</p> <p>16 that this was sent -- and by the way, I think we learned in</p> <p>17 law school back decades ago there is a presumption that</p> <p>18 something mailed to someone, has been received by the</p> <p>19 recipient, I'm assuming that should be at least the same</p> <p>20 with e-mail. So anyway, plaintiff, are you willing to</p> <p>21 accept that as I just --</p> <p>22 MR. WALLACE: I think it essentially does get us to</p> <p>23 the same place. I think it's fine.</p> <p>24 THE COURT: I'll take that as a yes?</p> <p>25 MR. WALLACE: As a yes.</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2967</p> <p>1 A Yes.</p> <p>2 Q Do you have an understanding in the context of seeking</p> <p>3 financing for the Doral property what the phrase "investment</p> <p>4 memo" refers to?</p> <p>5 A Yes.</p> <p>6 Q And what's your understanding?</p> <p>7 A It's a presentation that gives key information to</p> <p>8 potential lenders to explain general terms around what the plan</p> <p>9 is for the development and what the financial projections are in</p> <p>10 order for them to evaluate it.</p> <p>11 Q And in the e-mail in the first page from Ms. Trump she</p> <p>12 writes that she's copied you on the e-mail and you'll be putting</p> <p>13 together all the information. Do you see that?</p> <p>14 A Yes.</p> <p>15 Q I'll put that to the side for a moment and I'll hand</p> <p>16 you Plaintiff's Exhibit 3112.</p> <p>17 Mr. Orowitz, do you recognize this document as a chain</p> <p>18 of e-mails involving you, Allen Weisselberg and Ivanka Trump?</p> <p>19 A I don't remember this e-mail specifically.</p> <p>20 Q But looking at it here today do you have any reason to</p> <p>21 doubt it's an e-mail chain involving you, Allen Weisselberg and</p> <p>22 Ivanka Trump pertaining to the Doral transaction?</p> <p>23 A No.</p> <p>24 MR. HAREN: Move to admit Plaintiff's Exhibit 3112.</p> <p>25 MR. ROBERT: Objection. Statute of limitations.</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 2966</p> <p>1 THE COURT: It's admitted in evidence over the</p> <p>2 hearsay objection and only for the purpose that the</p> <p>3 recipients David Orowitz and Ivanka Trump received this</p> <p>4 e-mail.</p> <p>5 MR. ROBERT: That would be the same ruling for the</p> <p>6 previous e-mail as well which was the same objection?</p> <p>7 THE COURT: I think that's correct.</p> <p>8 MR. ROBERT: Thank you, sir.</p> <p>9 THE COURT: Okay. Let's move on.</p> <p>10 Q Mr. Orowitz, we saw earlier in Plaintiff's Exhibit 3243</p> <p>11 that there was a question posed by Meridian Capital about the</p> <p>12 status of any discussions with DB. Do you generally recall</p> <p>13 that? I asked you about it in the beginning of the discussion.</p> <p>14 A I recall discussions with DB.</p> <p>15 Q I want to hand you a document that's been marked as</p> <p>16 Plaintiff's Exhibit 3111.</p> <p>17 And Mr. Orowitz, you see at the top of this e-mail is</p> <p>18 an e-mail from you to Marc Levine, David Goodman and some other</p> <p>19 folks at Deutsche Bank with Allen Weisselberg copied?</p> <p>20 A Yes.</p> <p>21 Q I'd like to direct your attention to the e-mail that is</p> <p>22 on the second page. It goes from the first page on to the</p> <p>23 second page from Marc Levine to Ivanka Trump and it reads:</p> <p>24 "Refers to an investment memo and projections for the Doral Golf</p> <p>25 Resort and Spa in Miami, Florida." Do you see that?</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2968</p> <p>1 THE COURT: Overruled. It's in evidence.</p> <p>2 (Whereupon, the item previously referred to is</p> <p>3 received and marked Plaintiff's Exhibit Number 3112 in</p> <p>4 evidence.)</p> <p>5 Q The exhibit begins on page one with an e-mail from Marc</p> <p>6 Levine at Deutsche Bank to you. Do you see that?</p> <p>7 A Yes.</p> <p>8 Q And it reads: "David, received your e-mail last night</p> <p>9 regarding the due diligence checklist. I checked with the rest</p> <p>10 of the team and we are available after 10:30 after a call. Let</p> <p>11 me know what time works for you and we will send around a dial</p> <p>12 in for the call."</p> <p>13 So you then forwarded that e-mail to Allen Weisselberg</p> <p>14 and asked him if he could do 10:30 for the call; is that right?</p> <p>15 A Yes.</p> <p>16 Q And is it fair to say you were trying to ensure Allen</p> <p>17 Weisselberg was available to join a call with you and Marc</p> <p>18 Levine from Deutsche Bank on or about this date?</p> <p>19 A Yes.</p> <p>20 Q I'd like to show you another document, Plaintiff's</p> <p>21 Exhibit 3117.</p> <p>22 Mr. Orowitz, just directing your attention to the first</p> <p>23 page of the exhibit. Do you recognize it to be a calendar</p> <p>24 invitation ?</p> <p>25 A Yes.</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 2969</p> <p>1 Q And the original appointment in the calendar invitation 2 includes you and you forwarded it to Allen Weisselberg; is that 3 right? 4 A Yes. 5 Q And looking at the attendees in the original 6 appointment, do you see that there are two names, Mason Parker 7 and William Frauen. Mr. Parker is on the second line and 8 Mr. Frauen is on the third line? 9 A Yes. 10 Q And the information beginning on page two of the 11 exhibit is a diligence list pertaining to the Doral Golf Resort; 12 is that right? 13 A Yes. 14 MR. HAREN: Your Honor, I move the Exhibit 3117 15 into evidence. 16 MR. ROBERT: Objection. Statute of limitations and 17 the attachment is hearsay. 18 MR. HAREN: And I'm fine moving into evidence the 19 calendar invitation. I have no need for the remainder of 20 document. 21 THE COURT: Okay. Overruled on the statute of 22 limitations grounds and it's in evidence just for the 23 invitation. 24 MR. ROBERT: So then that will come off the exhibit 25 and I guess the question of the witness to the attachment</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2971</p> <p>1 property? 2 A I don't recall the call. 3 Q Let's see if a document refreshes your recollection and 4 I'll admit -- I'd ask to admit Plaintiff's Exhibit 3111. 5 MR. ROBERT: Objection. Even if this refreshes the 6 witness's recollection it will be hearsay what Deutsche Bank 7 may have told him. 8 MR. HAREN: I'm speaking about the e-mail where 9 Mr. Orowitz wrote: "Marc, it was good speaking with you 10 earlier today." I'm not talking about the content of any 11 phone call at this point. 12 MR. ROBERT: I thought the question was I thought 13 on the November 18, 2011 phone call did anyone from the 14 bank, meaning Deutsche Bank, convey what interest rate the 15 bank might seek for a commercial real estate loan regarding 16 the Doral property so whatever they may have said to this 17 witness is hearsay. 18 MR. HAREN: I'm asking to admit the document that 19 was the precursor to that question and I will have another 20 document that may refresh him. 21 MR. ROBERT: But even if it refreshes his 22 recollection as to what the bank says, it's still hearsay. 23 MR. HAREN: The e-mail that Mr. Orowitz said when 24 he wrote "Marc, it was good speaking with you earlier 25 today," this is an e-mail that he wrote. The witness is</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 2970</p> <p>1 will be stricken since it's not in evidence? 2 MR. HAREN: Why don't we make it easier. 3 Q Mr. Orowitz, you were provided a copy of this diligence 4 list in connection with the calendar invitation. Is that fair? 5 And just so we don't have to generate another exhibit solely for 6 the fact you were provided we could just admit it for that 7 purpose. 8 A That appears to be attached to the invitation. 9 THE COURT: Okay. That resolves that. 10 Q And so if we could go back to Exhibit 3111. 11 At the top of the page we talked about this e-mail a 12 minute ago, but this is the same day as that calendar 13 invitation, November 18, 2011, and you wrote to Mr. Levine: 14 "Marc, it was good speaking with you earlier today. 15 Please find a link to a folder containing the due diligence 16 materials that you requested." Do you see that? 17 A Yes. 18 Q Did you have a call with Mr. Levine from Deutsche Bank 19 on or about November 18, 2011? 20 A From this e-mail it appears so. 21 Q Was Mr. Weisselberg on the call? 22 A I don't recall the call. 23 Q On the November 18, 2011 phone call did anyone from the 24 bank, meaning Deutsche Bank, convey what interest rate the bank 25 might seek for a commercial real estate loan regarding the Doral</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2972</p> <p>1 sitting here, he testified -- 2 MR. ROBERT: I think we're talking about two 3 different things. 4 MR. HAREN: That's right. We are talking about two 5 different things. I haven't shown him the document that may 6 or may not refresh his recollection. That's not what I move 7 to admit. I move to admit Plaintiff's Exhibit 3111. 8 MR. ROBERT: So you're not going to ask him what 9 the conversation was with Deutsche Bank? If you're not 10 going to ask him what the conversation was I have no 11 objection. 12 MR. HAREN: This may -- 13 MR. WALLACE: If we have to lay out how we're doing 14 this we will also say that the defendants are receiving 15 multiple offers from different banks and they choose a bank 16 offer that has a different term. That is an appropriate use 17 of them having learned of the other offers from the other 18 banks. 19 So we're saying putting things in for notice, but 20 it is notice because we want to show what the defendants 21 understood when they were making decisions about which loan 22 to select. 23 MR. ROBERT: And, Your Honor, that proves my point. 24 This is for the truth of the matter asserted. If they 25 wanted to call people from these institutions, they very</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 2973</p> <p>1 well could have in their case. They didn't. They're now 2 trying to use hearsay documents and hearsay testimony to 3 make up for the deficiency in their case. 4 MR. WALLACE: Absolutely not. 5 MR. ROBERT: I'm still speaking, Mr. Wallace. It 6 is inappropriate. 7 MR. WALLACE: It is whether or not the defendants 8 had notice of the other terms of what were being offered and 9 then selected another loan. 10 THE COURT: Now, what the banks would actually have 11 lent the money at these rates I think that's a question of 12 fact. 13 MR. ROBERT: Then you need someone from the bank to 14 testify; otherwise, it's completely irrelevant. If someone 15 is saying here -- to allow this to come in now without the 16 bank saying they would have done it is completely irrelevant 17 I think because what someone didn't intend to do can't show 18 reliance, can't show any of the elements they need to prove 19 their case. So just because their bank may have sent an 20 e-mail about something without the bank explaining what 21 that's about, it's completely and utterly irrelevant. 22 They need it for the purpose of the bank made an 23 offer at X and the defendants decided not to do it. They 24 can't do that through hearsay. 25 MR. WALLACE: I don't know why we can't show that</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2975</p> <p>1 MR. HAREN: So I'd like to bring up Plaintiff's 2 Exhibit 3107, which is being shown to the witness solely for 3 the purpose of refreshing his recollection if it does. 4 Q Mr. Orowitz, do you see on the screen an e-mail from 5 William Frauen to Richard Byrne and Mason Parker? 6 A Yes. 7 Q And Richard -- just William Frauen and Mason Parker 8 were both on the calendar invite we looked at a few minutes ago? 9 A Yes. 10 Q The e-mail states: 11 "Had call with them this morning (not Ivanka or Donald 12 was Allen) and some other guy-David Orowitz I think." 13 Do you see that? 14 A Yes. 15 Q And it continues: "We told them" -- and this is in the 16 fifth paragraph down, and I realize some of the wording in the 17 e-mail is in shorthand. "We told them we are working two 18 angles: A) MTG plus mezz and B) whole loan to Levfin investors. 19 They asked what whole loan costs, we said project development 20 pricing is around ten PCT." Do you see that? 21 A Yes. 22 Q Does that refresh your recollection as to any loan 23 pricing conveyed by Deutsche Bank to you on the phone call of 24 November 18, 2011? 25 A No, it doesn't.</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 2974</p> <p>1 they got an offer and decided not to go with it through 2 their own documents and witnesses. 3 MR. ROBERT: You have to bring in a witness who 4 actually made the offer. I don't see these documents saying 5 -- first of all, even if they said there was an offer you 6 still need the person that made the offer. You're 7 conflating notice with the substance of it. If you want to 8 show they got an e-mail and there was words on the page of 9 an e-mail, I can't fight you on that. But underlying 10 substance of what the potential offer was and what their 11 notice of that was that's hearsay. 12 MR. HAREN: So I think we're arguing about an 13 e-mail that's not even in front of us. 14 MR. ROBERT: It's not about the e-mail, Mr. Haren. 15 MR. HAREN: If I can finish, please, Mr. Robert. 16 The e-mail that's in front of us is a statement 17 from Mr. Orowitz who at the time was an employee of the 18 Trump Organization that "it was good speaking with you 19 earlier today" and in response to a series of other e-mails 20 involving Mr. Orowitz and Ms. Trump who was also an employee 21 of the Trump Organization at the time. That's all this 22 e-mail is. That's what I move to admit. I don't understand 23 the debate we're having here. It's not about this e-mail. 24 THE COURT: All right. So objection overruled to 25 the extent we're talking about what Mr. Haren just said.</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2976</p> <p>1 Q And directing your attention to information further 2 down in this e-mail. It states: "Also suspect others" -- let 3 me ask you a question before that. 4 Do you have a recollection of Mr. Weisselberg conveying 5 any information regarding Mr. Trump's personal financial 6 statement on the November 18, 2011 call? 7 A I don't. 8 Q And so if you take a look at Exhibit 3107 and you look 9 down where it states -- this is in the second to last line -- 10 "also suspect others may be thinking/exploring direct Donald 11 GNTY or other asset pledge as Allen again mentioned he sent you 12 personal statement." Does that refresh your recollection as to 13 whether Mr. Weisselberg conveyed any information about 14 Mr. Trump's personal financial statement on that November 18, 15 2011 call? 16 A It does not. 17 Q You can set that to the side. 18 Putting aside any particular phone call, were you 19 generally aware whether Deutsche Bank offered an interest rate 20 of approximately ten percent on a nonrecourse commercial real 21 estate loan for the Doral property? 22 A I don't remember that. 23 Q Do you have a general recollection of any difference 24 between terms offered by the commercial real estate arm of 25 Deutsche Bank and the private wealth arm of Deutsche Bank?</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 2977</p> <p>1 A Yes. I recall that the commercial real estate arm, the 2 rates and other terms were less favorable. 3 Q And what do you mean by "less favorable?" 4 A I believe the rates were higher and I'm not certain, 5 but I -- the proceeds I believe were lower. 6 MR. HAREN: Let's go to Plaintiff's Exhibit 369. 7 And Mr. Orowitz, again, I'm going to show you this 8 document solely for the purposes of determining whether it 9 refreshes your recollection, and I'll direct your attention 10 to you -- you can see beginning on page two there is a title 11 "Doral Golf Resort and Spa Miami." 12 A Yes. 13 Q And on page four on the left side of the page there is 14 a series of items proceed by hyphens, one of which states 15 "\$130 million term loan priced at L + 800 with a two percent 16 LIBOR floor." Do you see that? 17 A Yes. 18 Q Does that refresh your recollection that the rate 19 offered by Deutsche Bank's commercial real estate arm is 20 approximately ten percent? 21 A No, it does not. 22 Q Let's move to Plaintiff's Exhibit 3245. 23 Mr. Orowitz, do you recognize Plaintiff's Exhibit 3245 24 as an e-mail from you to Ivanka Trump and Allen Weisselberg? 25 A I don't remember it, but it appears to be an e-mail,</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2979</p> <p>1 Five-minute warning. 2 MR. HAREN: Thank you, Your Honor. 3 (Whereupon, the item previously referred to is 4 received and marked Plaintiff's Exhibit Number 3245 in 5 evidence.) 6 Q Up on the screen will be Plaintiff's Exhibit 3226. 7 And Mr. Orowitz, do you see in this exhibit a series of 8 e-mails involving you Ivanka Trump and Allen Weisselberg? 9 A Yes. 10 Q And do you understand that this e-mail chain involves 11 the Doral property? 12 A Yes. 13 Q And beginning on page two there is an e-mail from 14 Rosemary Vrablic at Deutsche Bank stating: 15 "Please find attached our summary of terms for the 16 proposed acquisition of the Doral resort." 17 And Ms. Trump's response: "It doesn't get any better 18 than this." Do you see that? 19 THE COURT: There is no "any" in there. 20 Q "It doesn't get better than this," excuse me. 21 A Yes. 22 Q And Ms. Trump continues, "I am tempted not to negotiate 23 this, though?" 24 A Yes. 25 Q And there are a series of other e-mails involving</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 2978</p> <p>1 yes. 2 Q And do you understand the subject "DB" to refer to 3 Deutsche Bank? 4 A Yes. 5 Q And given the timing just five days after the 6 November 18th documents we looked at -- do you understand that 7 this refers to this -- this relates to Doral? 8 A I would assume so. 9 Q The e-mail states: "I spoke to the DB guys this 10 morning. They are focused on how they are going to present the 11 project to other lenders, which I do not think bodes 12 particularly well." 13 Do you have an understanding as to what you meant by "I 14 do not think bodes particularly well?" 15 A I'm not certain exactly what I meant at the time, but I 16 could presume what it means. 17 Q What do you understand it to mean? 18 A I think it means I had concerns that they didn't want 19 to hold the loan on their balance sheet and that they were -- 20 that that might indicate that they were less interested in the 21 loan. 22 MR. HAREN: I move to admit Plaintiff's 23 Exhibit 3245. 24 MR. ROBERT: Objection. Statute of limitations. 25 THE COURT: Overruled. Its 'in evidence.</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 2980</p> <p>1 Ms. Trump and Jason Greenblatt. 2 Do you have an understanding as to who Jason Greenblatt 3 was at the time of this e-mail? 4 A Yes, he was the general counsel at Trump Organization. 5 MR. HAREN: I move to admit Plaintiff's 6 Exhibit 3226. 7 MR. ROBERT: Statute of limitations. 8 THE COURT: Overruled. It's in. 9 (Whereupon, the item previously referred to is 10 received and marked Plaintiff's Exhibit Number 3226 in 11 evidence.) 12 Q Let's move to another document, Plaintiff's 13 Exhibit 3271. 14 And Mr. Orowitz, in Plaintiff's Exhibit 3271, there is 15 a response from you to Ms. Trump's e-mail where she stated, "it 16 doesn't get better than this?" 17 A Yes. 18 Q And you stated: "Some areas that could be problematic 19 in the covenants" and under there you wrote "during reno and 20 during reno and amo periods-guarantor shall maintain a minimum 21 net worth of 3.0 billion excluding any value related to the 22 guarantor's brand value." What does reno refer to in that line? 23 A I think in the context of this loan there was a 24 bifurcation of two time periods; one was while construction was 25 going on and one was after and so I think renovation is reno and</p>

D. Orowitz - Plaintiff - direct (Haren) Page 2981	Page 2983
<p>1 amo is probably amortization.</p> <p>2 MR. HAREN: I move to admit Plaintiff's</p> <p>3 Exhibit 3271.</p> <p>4 MR. ROBERT: Objection. Statute of limitations.</p> <p>5 THE COURT: Overruled. It's in.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 3271 in</p> <p>8 evidence.)</p> <p>9 Q Moving to another document, Plaintiff's Exhibit 332.</p> <p>10 Mr. Orowitz, you'll see Plaintiff's Exhibit 332 is an</p> <p>11 e-mail from Ivanka Trump to Rosemary Vrablic, Dominic Scalzi and</p> <p>12 copied are you and Allen Weisselberg and the subject is "Doral</p> <p>13 term sheet." Do you see that?</p> <p>14 A Yes.</p> <p>15 Q And I just want to do a quick look through the</p> <p>16 document. If you could just flip through it and I'll just ask</p> <p>17 you one question about it.</p> <p>18 So, looking at the e-mail and the attachment does this</p> <p>19 appear to be -- to be the Trump Organization's response to</p> <p>20 proposed terms from the private wealth group of Deutsche Bank?</p> <p>21 A Yes.</p> <p>22 Q And I'll just pull up on the screen an undisputed fact</p> <p>23 from the summary judgment proceeding number 472 that indicates</p> <p>24 that it's an admitted fact that Ivanka Trump sent a revised term</p> <p>25 sheet as indicated in this e-mail.</p>	<p>1 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>2 session. Be seated and come to order.</p> <p>3 Witness entering.</p> <p>4 (Witness resumes the stand.)</p> <p>5 THE COURT: Let's continue.</p> <p>6 Q Welcome back, Mr. Orowitz. I would like to turn your</p> <p>7 attention to the Chicago property and pull up Plaintiff's</p> <p>8 Exhibit 3240.</p> <p>9 Mr. Orowitz, do you see on the first page of the</p> <p>10 exhibit an e-mail from you to David Goodman and Jim Griffith at</p> <p>11 Deutsche Bank?</p> <p>12 A Yes.</p> <p>13 Q And the attachment -- well, one of the attachments is</p> <p>14 identified as a financing memo?</p> <p>15 A Yes.</p> <p>16 Q Do you have an understanding of what a financing memo</p> <p>17 refers to in the context of this e-mail?</p> <p>18 A Yes, it was a document that was put together with basic</p> <p>19 information that a lender would need to understand a real estate</p> <p>20 deal.</p> <p>21 Q You said "was put together." Is that something that was</p> <p>22 put together in the Trump Organization?</p> <p>23 A Yes, either -- in some cases, we do it or a broker</p> <p>24 would do it.</p> <p>25 Q Broker, did you say?</p>
Page 2982	Page 2984
<p>1 MR. HAREN: And that would be a perfect time for a</p> <p>2 break once that's up on the screen. We can do that after</p> <p>3 the break.</p> <p>4 THE COURT: Looks complicated and long.</p> <p>5 Okay, 15-minute break. See you all at that time.</p> <p>6 (Whereupon, there is a recess in the proceedings.)</p> <p>7 Transcript continues on the following page....</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 A Sometimes a broker would do it as well.</p> <p>2 Q Thank you.</p> <p>3 MR. HAREN: I move to admit Plaintiff's</p> <p>4 Exhibit 3240.</p> <p>5 MR. ROBERT: Objection. Statute of limitations and</p> <p>6 so the record is clear, is this one that was prepared by the</p> <p>7 Trump Organization or by a broker because the witness said</p> <p>8 sometimes it is one or the other.</p> <p>9 Q Mr. Orowitz, can you describe the circumstances under</p> <p>10 which this financing memo was prepared?</p> <p>11 A This appears to have been put together by the Trump</p> <p>12 Organization.</p> <p>13 Q Thank you.</p> <p>14 THE COURT: So it is in. Objection overruled.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 3240.)</p> <p>17 Q And directing your attention to page two -- not the</p> <p>18 page -- the page two of the exhibit where it says 2 of 22 at</p> <p>19 the bottom, there is a description in the middle of the page</p> <p>20 that reads -- excuse -- I'll just -- in the interest of time,</p> <p>21 we could just move on from the document.</p> <p>22 Withdraw the question and move to Plaintiff's</p> <p>23 Exhibit 3239.</p> <p>24 Mr. Orowitz, do you see in the first page of</p> <p>25 Plaintiff's Exhibit 3239, there is an e-mail from David Goodman</p>

Page 2985	Page 2987
<p>1 at Deutsche Bank to you and Ivanka Trump?</p> <p>2 A Yes.</p> <p>3 Q And just to situate that in the timeline, the prior</p> <p>4 exhibit when you sent the financing memo was three days before</p> <p>5 this exhibit or this e-mail, right?</p> <p>6 A Yes.</p> <p>7 Q And the e-mail from Mr. Goodman states, "Attached,</p> <p>8 please find term sheets for hotel and condo financings."</p> <p>9 Do you have an understanding of what Mr. Goodman was</p> <p>10 providing in this e-mail?</p> <p>11 A Yes.</p> <p>12 Q Okay.</p> <p>13 A I believe he was providing two separate financing. One</p> <p>14 was for the hotel which was an asset that we were going to hold</p> <p>15 on to and the other was for the residential condominiums which</p> <p>16 we would sell off over time and paydown the loan.</p> <p>17 Q And could you just describe the nature of the Chicago</p> <p>18 property and how it relates to those two categories of financing</p> <p>19 you described?</p> <p>20 A Yeah. The Chicago tower had retail. It had</p> <p>21 residential condominium, so individual residences that were sold</p> <p>22 off to individual buyers and then it had a hotel and that hotel</p> <p>23 originally was hotel/condominium, so the hotel units would be</p> <p>24 sold off when we refinanced. At this point, the intention was</p> <p>25 to hold on to all the remaining hotel/condo units and operate</p>	<p>1 the same purposes as the earlier exhibits were offered and</p> <p>2 accepted.</p> <p>3 MR. ROBERT: For the purpose that they received</p> <p>4 something, but all of the contents of it are inadmissible</p> <p>5 hearsay. Is that what you are saying?</p> <p>6 MR. HAREN: Could go to state of mind internally,</p> <p>7 inside the company to choose as a private wealth loan with a</p> <p>8 guaranty as opposed to a commercial real estate loan that is</p> <p>9 non-recourse, would tend to go to state of mind.</p> <p>10 MR. ROBERT: Notwithstanding the fact that you</p> <p>11 would have to stay whose state of mind you are trying to</p> <p>12 attribute this to. It doesn't change the fact that the</p> <p>13 contents of this attachment from Deutsche Bank is</p> <p>14 inadmissible hearsay.</p> <p>15 MR. HAREN: I think we dealt with this in the prior</p> <p>16 exhibit. It is the same principle.</p> <p>17 THE COURT: Same ruling, same principle.</p> <p>18 Overruled.</p> <p>19 MR. ROBERT: I think it was sustained as to what</p> <p>20 our objection was subject to what Mr. --</p> <p>21 THE COURT: Oh, well, let's try to be very precise.</p> <p>22 It is being introduced for what purpose?</p> <p>23 MR. HAREN: It is being introduced for two</p> <p>24 purposes; one to show notice of the terms received by the</p> <p>25 Trump Organization.</p>
Page 2986	Page 2988
<p>1 them as a sponsor-held hotel along with the hotel/condo units</p> <p>2 that had been sold off.</p> <p>3 Q And beginning on page two of the exhibit, there's</p> <p>4 identified as up to 56 million in financing for the commercial</p> <p>5 condo component.</p> <p>6 A Yes.</p> <p>7 Q And on page four, there is an indication of the type of</p> <p>8 recourse provided for in this term sheet. It states, "The loan</p> <p>9 will be non-recourse to borrower with some exceptions."</p> <p>10 Do you see that?</p> <p>11 A Yes.</p> <p>12 Q On page six, there is an indication that the interest</p> <p>13 rate fees, et cetera, are outlined on Schedule A?</p> <p>14 A Yes.</p> <p>15 Q And on page ten, there is actually a Schedule A that</p> <p>16 provides for pricing and various other terms?</p> <p>17 MR. ROBERT: Objection.</p> <p>18 THE COURT: The ground?</p> <p>19 MR. ROBERT: He's reading from a document that's</p> <p>20 not in evidence and it wouldn't be able to come into</p> <p>21 evidence because it is hearsay.</p> <p>22 MR. HAREN: This is the same point as we dealt with</p> <p>23 with the prior term sheet. This is a term sheet received by</p> <p>24 Mr. Orowitz in the ordinary course of business seeking</p> <p>25 financing for the Chicago property. We're offering it for</p>	<p>1 THE COURT: Well, that alone should do it. Doesn't</p> <p>2 it?</p> <p>3 MR. ROBERT: Notice of purported -- notice of</p> <p>4 what's contained in the document, but not those were</p> <p>5 actually the terms offered by the bank.</p> <p>6 MR. HAREN: It goes to state of mind, as I said.</p> <p>7 MR. ROBERT: That part I don't understand because</p> <p>8 it would be whose state of mind.</p> <p>9 THE COURT: Right. Let's go to the second ground.</p> <p>10 Whose state of mind?</p> <p>11 MR. HAREN: Sure. Inside a company, companies work</p> <p>12 through people. There's imputed knowledge of an agent that</p> <p>13 gets imputed to the principal. If there is one set of terms</p> <p>14 that involves the submission of Statements of Financial</p> <p>15 Condition and those terms have a very low interest rate and</p> <p>16 there is another set of terms that are a much higher</p> <p>17 interest rate that are not private wealth loans that would</p> <p>18 tend to show a motive or a -- minimum a motive to use those</p> <p>19 statements.</p> <p>20 THE COURT: In for both purposes or on both</p> <p>21 grounds.</p> <p>22 (Whereupon, the Document was marked in evidence as</p> <p>23 Plaintiff's Exhibit 3239.)</p> <p>24 Q Then turning to page 15, there begins a summary of</p> <p>25 terms for unsold residential condominium units. Do you see</p>

Page 2989	Page 2991
<p>1 that?</p> <p>2 A Yes.</p> <p>3 Q On page 18, there is a description of recourse at the</p> <p>4 very top that says, "The loan will be non-recourse to borrower</p> <p>5 with certain exceptions"?</p> <p>6 A Yes.</p> <p>7 Q And on page 18 also -- excuse me. I may have the</p> <p>8 wrong page. At the very bottom of page 18 that provides loan</p> <p>9 interest rate fees, et cetera are outlined on schedule A. Do</p> <p>10 you see that?</p> <p>11 A Yes.</p> <p>12 Q And page 22 is the Schedule A that pertains to this</p> <p>13 particular term sheet and it -- do you see that it provides an</p> <p>14 interest rate with a spread of 800 basis points?</p> <p>15 A Yes.</p> <p>16 Q You can set that document aside. We will turn to</p> <p>17 Plaintiff's Exhibit 3242. Now, Mr. Orowitz, in the e-mail on</p> <p>18 the first page, do you see that there's an e-mail from Jason</p> <p>19 Greenblatt to David Goodman at Deutsche Bank on which you,</p> <p>20 Ivanka Trump and Allen Weisselberg are copied?</p> <p>21 A Yes.</p> <p>22 Q And the e-mail from Mr. Greenblatt provides, "Attached,</p> <p>23 please find a revised draft of the proposed term sheet."</p> <p>24 Do you see that?</p> <p>25 A Yes.</p>	<p>1 Q And if you could turn to page 29. Do you see that</p> <p>2 there is a Schedule A that provides an interest rate?</p> <p>3 A Yes.</p> <p>4 Q And it provides, "The interest rate shall be calculated</p> <p>5 at rate lock (see below) by adding [392] basis points (the</p> <p>6 spread ) to the yield on the ten-year on the run swap rate.</p> <p>7 However, in no event shall interest rate be less than</p> <p>8 5.64 percent with that number in brackets?"</p> <p>9 A Yes.</p> <p>10 MR. HAREN: Since that's -- if we can move to the</p> <p>11 next document. Handing up to the witness Plaintiff's</p> <p>12 Exhibit 3235.</p> <p>13 Q Mr. Orowitz, looking at Plaintiff's Exhibit 3235, you</p> <p>14 can see an e-mail from Jacob Turner at CSG Investments to Ivanka</p> <p>15 Trump followed by an e-mail from Ivanka Trump to you and Allen</p> <p>16 Weisselberg on April 18, 2012. Do you see that?</p> <p>17 A Yes.</p> <p>18 Q And the subject of the e-mail is "Trump Chicago</p> <p>19 investment memo"?</p> <p>20 A Yes.</p> <p>21 Q And could you just take a look at Mr. Turner's e-mail.</p> <p>22 I am going to ask you some questions about the e-mail that's at</p> <p>23 the top, but take a look at Mr. Turner's e-mail before I do</p> <p>24 that.</p> <p>25 (Witness reviewing document.)</p>
Page 2990	Page 2992
<p>1 Q And since the subject of the e-mail refers to Chicago,</p> <p>2 do you have an understanding that the proposed term sheet</p> <p>3 relates to Chicago?</p> <p>4 A Yes.</p> <p>5 MR. HAREN: And if we could turn to -- I guess</p> <p>6 I'll move to admit this document, Plaintiff's Exhibit 3242</p> <p>7 as Mr. Greenblatt who was the -- withdrawn. I move to</p> <p>8 admit Plaintiff's Exhibit 3242 as the Trump Organization's</p> <p>9 response to a term sheet regarding the Chicago property.</p> <p>10 MR. ROBERT: This one is just a statute of</p> <p>11 limitations defense. This is fine because this is us</p> <p>12 sending our work product to them, so it is not hearsay.</p> <p>13 THE COURT: Okay. Understand. Overruled.</p> <p>14 (Whereupon, the Document was marked in evidence as</p> <p>15 Plaintiff's Exhibit 3242.)</p> <p>16 Q If you can turn to page 17 of the document, please. Do</p> <p>17 you see at the very top, there's a reference to "Trump draft</p> <p>18 6/19/12"?</p> <p>19 A Yes.</p> <p>20 Q Do you have an understanding as to what that refers to?</p> <p>21 A Yes, this is -- this is a redline or a markup of a</p> <p>22 term sheet and that refers to a draft.</p> <p>23 Q When it says, "Trump draft," that means it is a Trump</p> <p>24 Organization response, correct?</p> <p>25 A Yes.</p>	<p>1 Q So I guess I'll walk you through it before I ask you</p> <p>2 questions about the e-mail that Ms. Trump sent to you.</p> <p>3 On page three, there's an e-mail from Ivanka Trump to</p> <p>4 Andrew Beal. Is that the Andy Beal you referenced earlier?</p> <p>5 A Yes.</p> <p>6 Q And Ms. Trump writes in that e-mail to Mr. Beal, "My</p> <p>7 father had asked me to send you the Trump Chicago loan memo per</p> <p>8 your conversation yesterday. Sometime in the next few weeks, I</p> <p>9 was planning to go to market for senior financing on our iconic</p> <p>10 92-story mixed-use skyscraper in Chicago Trump International</p> <p>11 Hotel and tower. This loan would be secured by both the unsold</p> <p>12 inventory of the condominium units and retail component as well</p> <p>13 as operating cash flow from the hotel commercial and parking</p> <p>14 facilities."</p> <p>15 On page three of the document, Mr. Turner responds,</p> <p>16 "Ivanka, thanks for the Trump Chicago memorandum. I have</p> <p>17 reviewed the materials on a truly beautiful first-class</p> <p>18 property. We are passing on the loan opportunity based</p> <p>19 predominantly on the interest rates sought."</p> <p>20 A Yes.</p> <p>21 Q It is a little bit difficult to read because of the</p> <p>22 small print, but on page two at the very bottom, Ms. Trump asked</p> <p>23 Mr. Turner the following question. "Out of curiosity and so I</p> <p>24 can better understand how you look," I think it says, "how you</p> <p>25 took at these type of loans, what type of pricing would you</p>

Page 2993	Page 2995
<p>1 attach to the Chicago financing request?"</p> <p>2 And Mr. Turner responds in part on page one, bolded</p> <p>3 underline text short answer, "Our new loan originations</p> <p>4 generally start with a baseline of around L plus 500, with a</p> <p>5 LIBOR floor of two." And Ms. Trump then forwarded that</p> <p>6 information to you and Mr. Weisselberg stating "some interesting</p> <p>7 feedback." Do you see that?</p> <p>8 A Yes.</p> <p>9 Q Do you have an understanding as to why Ms. Trump added</p> <p>10 Allen Weisselberg to this e-mail chain and stated to you "some</p> <p>11 interesting feedback"?</p> <p>12 A I would presume she wanted to give him the benefit of</p> <p>13 understanding how this specific lender was looking at a loan</p> <p>14 like Trump Chicago.</p> <p>15 MR. HAREN: I move to admit Plaintiff's</p> <p>16 Exhibit 3235 into evidence.</p> <p>17 MR. ROBERT: Objection; statute of limitations.</p> <p>18 THE COURT: Overruled. It is in.</p> <p>19 (Whereupon, the Document was marked in evidence as</p> <p>20 Plaintiff's Exhibit 3235.)</p> <p>21 MR. HAREN: Plaintiff's Exhibit 3236 is being</p> <p>22 handed up to the witness.</p> <p>23 Q Mr. Orowitz, looking at Plaintiff's Exhibit 3236, you</p> <p>24 recognize that it is the same e-mail chain that we just looked</p> <p>25 at except for a different ending?</p>	<p>1 What did you understand that to refer to?</p> <p>2 A It appears to be me sharing two clean versions of the</p> <p>3 term sheet that we got from Natixis and DB and then a quick</p> <p>4 markup of like my initial thoughts on them and then a comparison</p> <p>5 that Ray did, Ray Flores did against some previous loans that</p> <p>6 the Trump Organization had done.</p> <p>7 Q And for what purpose were you sending this information</p> <p>8 to the recipients of the e-mail?</p> <p>9 A I believe it was to get my initial thoughts out to them</p> <p>10 as quickly as possible and get everyone thinking about how to</p> <p>11 proceed with a loan.</p> <p>12 Q The e-mail states, "We are speaking to Iron Hound about</p> <p>13 DB and Natixis today at noon." Do you see that?</p> <p>14 A Yes.</p> <p>15 Q Can you explain what Iron Hound is and what its role</p> <p>16 was in this transaction?</p> <p>17 A Iron Hound is a broker and consultant that helps real</p> <p>18 estate owners attain financing.</p> <p>19 Q And what was its role in this transaction?</p> <p>20 A They were helping us to find potential lenders and</p> <p>21 negotiate with them.</p> <p>22 Q So they were working on behalf of the Trump</p> <p>23 Organization?</p> <p>24 A Yes.</p> <p>25 Q In item three on your list, you state that "One item</p>
Page 2994	Page 2996
<p>1 A Yes.</p> <p>2 Q And following Mr. Turner's e-mail to Ms. Trump, Ms.</p> <p>3 Trump then e-mailed you directly and stated, "I think we made a</p> <p>4 mistake adding rate to our memo...." Do you see that?</p> <p>5 A Yes.</p> <p>6 Q What did that indicate to you?</p> <p>7 A It indicates to me that she was questioning whether we</p> <p>8 should have included a rate because it does seem to have made</p> <p>9 them not dig in on potentially giving a loan.</p> <p>10 MR. HAREN: Move to admit Plaintiff's Exhibit 3236.</p> <p>11 MR. ROBERT: Statute of limitations.</p> <p>12 THE COURT: Overruled. It is in evidence.</p> <p>13 (Whereupon, the Document was marked in evidence as</p> <p>14 Plaintiff's Exhibit 3236.)</p> <p>15 Q Now, Mr. Orowitz, let's talk about the Old Post Office</p> <p>16 project. You have a general recollection of working on that</p> <p>17 project during your time at the Trump Organization?</p> <p>18 A Yes.</p> <p>19 MR. HAREN: Handing up to the witness Plaintiff's</p> <p>20 Exhibit 3241.</p> <p>21 Q Mr. Orowitz, Plaintiff's Exhibit 3241, you see that it</p> <p>22 is an e-mail from you to Allen Weisselberg, Jason Greenblatt,</p> <p>23 Ivanka Trump and Ray Flores on September 3, 2013?</p> <p>24 A Yes.</p> <p>25 Q The subject is "All documents for OPO financing."</p>	<p>1 attached was a comparison that Ray finalized last night of</p> <p>2 Natixis and DB versus our previous DB, Hypo and Fortress loans.</p> <p>3 Who is Ray as referred to there?</p> <p>4 A Raymond Flores.</p> <p>5 Q What was Mr. Flores' role at the Trump Organization at</p> <p>6 the time?</p> <p>7 A He was a financial analyst and reported to me.</p> <p>8 MR. HAREN: And I'm going to move to admit</p> <p>9 Plaintiff's Exhibit 3241.</p> <p>10 MR. ROBERT: As to the cover e-mail, objection,</p> <p>11 statute of limitations. As to the attachments, there</p> <p>12 appears that there are more attachments listed on the cover</p> <p>13 e-mail than are attached to this exhibit. To the extent</p> <p>14 that they are documents prepared by anyone other than Trump,</p> <p>15 I object that it is hearsay; but it is not complete because</p> <p>16 the e-mail talks about a preliminary markup and a comparison</p> <p>17 and it looks like those are in the attachment, but it is not</p> <p>18 on what I was just handed.</p> <p>19 MR. HAREN: So as to any item, one term sheet from</p> <p>20 Natixis and DB, the Court has already ruled the various</p> <p>21 purposes for which term sheets could come in. Item two, Mr.</p> <p>22 Orowitz's preliminary markups, those are his markups. He</p> <p>23 was an employee of the organization.</p> <p>24 MR. ROBERT: I'm not fighting you on two and three.</p> <p>25 They're not here, so it is not complete. I don't know what</p>

Page 2997	Page 2999
<p>1 they are.</p> <p>2 MR. HAREN: One may be -- well, page seven of the</p> <p>3 document, there is a document withheld for privilege in the</p> <p>4 middle of the document. So why don't we do this? We can</p> <p>5 take a look at the term sheet from Natixis which is in the</p> <p>6 document, the term sheet from Deutsche Bank which is in the</p> <p>7 document, and we can take a look at the native Excel file</p> <p>8 that's the other attachment, and the defendants can advise</p> <p>9 if they continue to object to Mr. Flores' -- excuse me.</p> <p>10 Mr. Orowitz's markups of term sheets and we can move past</p> <p>11 that issue.</p> <p>12 MR. ROBERT: I'm sorry. I didn't understand any of</p> <p>13 that. I'm sorry. Maybe I didn't hear it.</p> <p>14 THE COURT: That was tough to follow.</p> <p>15 MR. HAREN: In the exhibit, there is a term sheet</p> <p>16 from Natixis. That's the first attachment beginning at page</p> <p>17 two.</p> <p>18 MR. ROBERT: Goes from page two to page five?</p> <p>19 MR. HAREN: Page two to page five. Page seven,</p> <p>20 there is document withheld for privilege.</p> <p>21 MR. ROBERT: Seven and eight. Got you.</p> <p>22 MR. HAREN: And then following that, there is a</p> <p>23 term sheet from Deutsche Bank.</p> <p>24 MR. ROBERT: Okay.</p> <p>25 MR. HAREN: That concludes on page 21. And then</p>	<p>1 MR. ROBERT: Absolutely not.</p> <p>2 Q I want to move to page two of the exhibit. Mr.</p> <p>3 Orowitz, you see there is a label at the top "Natixis" and it</p> <p>4 appears to be a term sheet from Natixis for a loan related to</p> <p>5 the Old Post Office?</p> <p>6 A Yes.</p> <p>7 Q And beginning on page nine, there appears to be a term</p> <p>8 sheet from Deutsche Bank related to the Old Post Office?</p> <p>9 A Yes.</p> <p>10 MR. HAREN: If we could pull up on the screen</p> <p>11 Plaintiff's Exhibit 3241 native one.</p> <p>12 Q Mr. Orowitz, you recall in the e-mail there was a</p> <p>13 reference to a comparison that Mr. Flores prepared of potential</p> <p>14 terms for the Old Post Office transaction. You can see -- do</p> <p>15 you recognize this Excel spreadsheet on the screen to be that</p> <p>16 document?</p> <p>17 A Yes.</p> <p>18 Q And you can see in this document there are interest</p> <p>19 rate terms identified?</p> <p>20 A Yes.</p> <p>21 Q And so there's a spread from Natixis of 5.25 in the</p> <p>22 document. Do you see that?</p> <p>23 A Yes.</p> <p>24 Q From Deutsche Bank, this is a spread identified at</p> <p>25 4.25 percent?</p>
Page 2998	Page 3000
<p>1 page 22 is a document provided natively which our other</p> <p>2 discussions is likely an Excel file and you can see that the</p> <p>3 last attachment listed in the e-mail is an Excel file.</p> <p>4 MR. ROBERT: So you're representing to me that item</p> <p>5 two in the e-mail was withheld for privilege? I can't tell.</p> <p>6 MR. HAREN: You would know better than I would the</p> <p>7 documents that are withheld for privilege based on the pages</p> <p>8 that are attached to the exhibit is my understanding.</p> <p>9 MR. ROBERT: You are telling me this is the</p> <p>10 complete e-mail of attachments that was turned over to you?</p> <p>11 MR. HAREN: Except for the native file which is</p> <p>12 Excel.</p> <p>13 MR. ROBERT: I keep my standard objection then.</p> <p>14 THE COURT: Same ruling. It is in.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 3641.)</p> <p>17 MR. HAREN: I'm informed that there may be -- since</p> <p>18 it says "document withheld for privilege" on page seven and</p> <p>19 page eight, that may be two different documents that are</p> <p>20 withheld for privilege.</p> <p>21 THE COURT: Defendants, Mr. Robert, do you want to</p> <p>22 waive the privilege?</p> <p>23 MR. ROBERT: I accept his representation and later</p> <p>24 we can clean it up.</p> <p>25 THE COURT: Do you want to waive the privilege?</p>	<p>1 A Yes.</p> <p>2 Q And there is a comparison to a Fortress loan that had a</p> <p>3 spread of 11 percent?</p> <p>4 A Yes.</p> <p>5 MR. HAREN: I'm going to move to admit Plaintiff's</p> <p>6 Exhibit 3241 including the native file that Mr. Flores</p> <p>7 prepared.</p> <p>8 MR. ROBERT: Statute of limitations, but I thought</p> <p>9 it is already in based on the Court's ruling.</p> <p>10 THE COURT: It was a different document, right?</p> <p>11 Anyway, it is in either way.</p> <p>12 (Whereupon, the Document was marked in evidence as</p> <p>13 Plaintiff's Exhibit 3241.)</p> <p>14 Q We are going to move to Plaintiff's Exhibit 513. Mr.</p> <p>15 Orowitz, Plaintiff's Exhibit 513, you mentioned that Iron Hound</p> <p>16 was working on the Trump Organization's behalf in connection</p> <p>17 with seeking financing for the Old Post Office transaction?</p> <p>18 A Yes.</p> <p>19 Q And you can see that this is an e-mail that is sent to</p> <p>20 Chris Herron at ironhoundmgt.com?</p> <p>21 A Yes.</p> <p>22 Q Was he working on behalf of the Trump Organization at</p> <p>23 Iron Hound in connection with the Old Post Office?</p> <p>24 A Yes.</p> <p>25 Q Beginning on page two, there is a document -- does the</p>

Page 3001	D. Orowitz - Plaintiff - direct (Haren) Page 3003
<p>1 document appear to you to be a term sheet from Deutsche Bank for</p> <p>2 the Old Post Office project?</p> <p>3 A Yes.</p> <p>4 Q And just directing your attention to page 15 -- excuse</p> <p>5 me -- 14, do you see that there's a spread identified of</p> <p>6 400 basis points?</p> <p>7 A Yes.</p> <p>8 Q And just turning your attention back to the e-mail,</p> <p>9 there are three attachments identified. There's</p> <p>10 "db_old postofficetermsheet.doc,"</p> <p>11 "termsheet(v7versusborrowercommentstov4).doc" and</p> <p>12 "termsheet(v7versulenderpriordraft(v4).doc."</p> <p>13 MR. HAREN: Just want to move to admit this</p> <p>14 document and the attachments as notice to Mr. Herron from</p> <p>15 Iron Hound who was working on the Trump Organization's</p> <p>16 behalf.</p> <p>17 MR. ROBERT: Objection; statute of limitations and</p> <p>18 hearsay.</p> <p>19 THE COURT: Overruled.</p> <p>20 (Whereupon, the Document was marked in evidence as</p> <p>21 Plaintiff's Exhibit 513.)</p> <p>22 MR. HAREN: Moving to Plaintiff's Exhibit 3303.</p> <p>23 Q So Mr. Orowitz, in Plaintiff's Exhibit 3303, you see an</p> <p>24 e-mail from Chris Herron at Iron Hound to you, Jason Greenblatt</p> <p>25 and others with the subject "OPO term sheet." Do you see that?</p>	<p>1 MR. HAREN: I'm going to move to admit this</p> <p>2 document for the same purpose as the last document.</p> <p>3 MR. ROBERT: Objection. Statute of limitations and</p> <p>4 hearsay.</p> <p>5 THE COURT: Overruled.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 3033 in</p> <p>8 evidence.)</p> <p>9 MR. HAREN: Plaintiff's Exhibit 322.</p> <p>10 Q And Mr. Orowitz, just directing you back to</p> <p>11 Exhibit 3303. I just want to note the date was November 5, 2013</p> <p>12 on the prior exhibit.</p> <p>13 MR. ROBERT: Can I ask Mr. Haren to speak up a</p> <p>14 little? I'm having difficulty hearing.</p> <p>15 MR. HAREN: Sure. Is that better?</p> <p>16 THE COURT: Much.</p> <p>17 MR. HAREN: Sure. I indicated to the witness that</p> <p>18 the last document was November 5, 2013.</p> <p>19 Q Exhibit 322 is an e-mail from you to Tom Sullivan at</p> <p>20 Deutsche Bank. Do you see that?</p> <p>21 A Yes.</p> <p>22 Q And you were e-mailing him a document entitled, "Old</p> <p>23 Post Office Offering Memo August 2013?"</p> <p>24 A Yes.</p> <p>25 Q What do you understand that offering memo to be?</p>
Page 3002	D. Orowitz - Plaintiff - direct (Haren) Page 3004
<p>1 A Yes.</p> <p>2 Q And the e-mail states, "There are certain points in</p> <p>3 that term sheet that DB specifically pointed out to us that they</p> <p>4 do not have room to move on (economics as we discussed) and</p> <p>5 others that were made without a detailed explanation that may</p> <p>6 require a direct conversation." Do you see that?</p> <p>7 A Yes.</p> <p>8 Q Now, there are three documents attached to this e-mail.</p> <p>9 "db_oldpostoffice-termsheet.doc" and</p> <p>10 "term sheet(v7versusborrowercommentstov4).doc" and</p> <p>11 "termsheet(v7versulenderpriordraft(v4).doc."</p> <p>12 The document is 78 pages long, so I don't want to take</p> <p>13 you through all of it, but I want to direct your attention to</p> <p>14 page 14 entitled "Economics" at the top left.</p> <p>15 Do you see that this page also contains the same spread</p> <p>16 400 basis points?</p> <p>17 A Yes.</p> <p>18 (Continued on the next page.)</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 A This is a document explaining the general facts that a</p> <p>2 lender would want to know about a potential real estate</p> <p>3 investment in their interest in lending against it.</p> <p>4 Q And the attachment is identified as -- on the first</p> <p>5 page, it's page two of the document, "Trump International Hotel</p> <p>6 The Old Post Office Building Washington, D.C." and on the bottom</p> <p>7 left, it says, "Ironhound Management Company LLC?"</p> <p>8 A Yes.</p> <p>9 Q And so this document, was this the Trump Organization's</p> <p>10 offering memo in connection with seeking financing for the Old</p> <p>11 Post Office?</p> <p>12 A This was a memo that was put together. I'm not sure to</p> <p>13 what degree Ironhound was involved in that, but we were</p> <p>14 certainly involved in putting it together.</p> <p>15 MR. HAREN: I'm going to move to admit Plaintiff's</p> <p>16 Exhibit 322.</p> <p>17 MR. ROBERT: Objection. Statute of limitations.</p> <p>18 THE COURT: Overruled.</p> <p>19 (Whereupon, the item previously referred to is</p> <p>20 received and marked Plaintiff's Exhibit Number 322 in</p> <p>21 evidence.)</p> <p>22 Q And did you have an understanding that Mr. Sullivan was</p> <p>23 with the private wealth group at Deutsche Bank?</p> <p>24 A Yes.</p> <p>25 Q And so just on or about this time November 22nd, is</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 3005</p> <p>1 that a -- that was essentially when the Trump Organization began 2 to seek financing for the Old Post Office from the private 3 wealth management group at Deutsche Bank? 4 A It appears to be from the same, yes. 5 MR. HAREN: Just give me one second, Your Honor, to 6 confer with colleagues. 7 THE COURT: Sure. I confer a lot too, you know. 8 (Whereupon, there is a pause in the proceedings.) 9 MR. HAREN: So can we pull up Plaintiff's 10 Exhibit 327? 11 Q So Mr. Orowitz, this is an e-mail from Tom Sullivan to 12 you and Ivanka Trump and others attaching a term sheet in 13 connection with the Old Post Office property. Do you see that? 14 A Yes. 15 Q And so is this document and the attached term sheet, do 16 they represent terms from the private wealth management group at 17 Deutsche Bank? 18 A Yes. 19 MR. HAREN: I'll move to admit Plaintiff's 20 Exhibit 327. 21 MR. ROBERT: Objection. Statute of limitations, 22 hearsay. 23 THE COURT: Overruled. 24 Q And let's pull up Plaintiff's Exhibit 1286. I assure 25 you, Mr. Orowitz, I will not be asking you about this entire</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3007</p> <p>1 insurance company or the federal government. There is a 2 manner in which to properly present their case. 3 Respectfully, this is not one of them. 4 MR. HAREN: If a person had a business, receives a 5 request for proposals, takes steps to respond to it, 6 participates in the response to it, the request for 7 proposals itself to come in to show what the witness and the 8 business were responding to. 9 MR. ROBERT: I disagree with that. 10 THE COURT: I agree with it. Objection overruled. 11 (Whereupon, the item previously referred to is 12 received and marked Plaintiff's Exhibit Number 1286 in 13 evidence.) 14 MR. HAREN: Plaintiff's Exhibit 1164? 15 Q Mr. Orowitz, do you recognize Plaintiff's Exhibit 1164 16 as the response of Trump Old Post Office LLC to the GSA's RFP 17 regarding the Old Post Office property? 18 A Yes. 19 Q And I just want to direct your attention to page two of 20 the document. There is a letter on page two, letter signed by 21 Ivanka Trump. Do you see that? 22 A Yes. 23 Q And do you see that the letter describes the Trump 24 Organization on the roles of Donald Trump, Jr., Eric Trump and 25 Ivanka Trump within the company?</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 3006</p> <p>1 document, but do you recognize it to be the request for 2 proposals from the General Services Administration in connection 3 with the Old Post Office property? 4 A Yes. 5 Q And turning to page five of the document. 6 MR. HAREN: I move to admit Exhibit 1286 as the RFP 7 for the Old Post Office project. 8 MR. ROBERT: Objection, Your Honor. Statute of 9 limitations, but this is a complete hearsay document. It's 10 prepared by the government, a request for proposal for Old 11 Post Office. 12 MR. HAREN: It's going to be used to show the Trump 13 Organization's responses not for the truth of any items 14 contained. 15 MR. ROBERT: I still would object that it's 16 impermissible to have it come in through this witness and it 17 that it's hearsay. 18 THE COURT: I would think that it's -- the overall 19 -- overall it's basically saying -- the government is saying 20 we want to renovate the Old Post Office, here is what we 21 want, send us your proposals. What about that is -- 22 MR. ROBERT: And they can call a witness from the 23 government to do that. They're using a former employee of 24 the company to admit documents without having to lay the 25 proper foundation through either a representative of bank,</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3008</p> <p>1 A Could you direct me to that? 2 Q Sorry. I withdraw it. I think I may have the wrong 3 page, so I just withdraw that question. 4 Page 145 of the document refers to the developer's 5 financial capacity and capability. Do you see that? 6 A Yes. 7 Q And then page 153 refers to financial statements. 8 A Yes. 9 Q And it reads: "Please find Trump's Statement of 10 Financial Condition in an envelope submitted with each copy of 11 this proposal." And it continues at the next paragraph. 12 "Please note that Trump affiliates are all private 13 companies. The attached Statement of Financial Condition was 14 compiled under GAAP, but it should be noted that there are 15 departures from GAAP that are described in the accountant's 16 compilation report attached to the Statement of Financial 17 Condition. Most personal financial statements contain GAAP 18 exceptions. WeiserMazars LLP has compiled these financials." 19 Do you see that? 20 A Yes. 21 Q And I'm going to note an undisputed fact from 22 defendant's summary judgment papers, paragraph 143 where 23 defendants stated: "As required by the GSA, the 2008 to 2010 24 SOFCs were submitted as part of the bid and the Attorney 25 General's office response was undisputed." That's number 143 of</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 3009</p> <p>1 the defendant's 202 statement.</p> <p>2 MR. HAREN: I move to admit Plaintiff's</p> <p>3 Exhibit 1164.</p> <p>4 MR. KISE: So, Your Honor, I don't know whether he</p> <p>5 did or not --</p> <p>6 MR. HAREN: I move to admit the Trump</p> <p>7 Organization's response to the GSA RFP Exhibit 1164.</p> <p>8 MR. KISE: So hearsay obviously, relevance, statute</p> <p>9 of limitations, and his reference to the 2008 to 2010 SOFCs,</p> <p>10 I don't even know those are at issue in the case, so I'm not</p> <p>11 sure -- there hasn't even been any allegation that there is</p> <p>12 a problem with the 2008 to 2010. That has never come in</p> <p>13 before, so I'm not exactly sure what that reference related</p> <p>14 to -- I'm sure it was undisputed in the summary judgment</p> <p>15 that they were submitted because yes, but that doesn't make</p> <p>16 it relevant to this trial proceeding and I don't see what</p> <p>17 any relevance of these RFPs is. I mean, this is way outside</p> <p>18 the statute of limitations. There is no claim that is</p> <p>19 presented with respect to the OPO award process. So is</p> <p>20 there?</p> <p>21 MR. HAREN: Couple of responses. It's certainly</p> <p>22 not hearsay. It's entitled "Proposal of Trump Old Post</p> <p>23 Office LLC."</p> <p>24 THE COURT: Statement of a party.</p> <p>25 MR. HAREN: As to the other matters it relates to a</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3011</p> <p>1 proceedings. That may be undisputed that they were in fact</p> <p>2 submitted, but there is no relevance to these proceedings</p> <p>3 because these statements have never been challenged. There</p> <p>4 is not a shred of evidence that has been introduced at trial</p> <p>5 or before about the 2008 to 2010 statements.</p> <p>6 MR. HAREN: I don't want to say this necessarily in</p> <p>7 front of the witness, but there will be other documents that</p> <p>8 come in in the next few minutes or very early tomorrow</p> <p>9 morning that describe the actions and responses of certain</p> <p>10 people in connection with this RFP and they will be relevant</p> <p>11 at a minimum for that purpose.</p> <p>12 MR. KISE: But again, actions by others -- well,</p> <p>13 I'm saying again to Counsel not to you, Your Honor, actions</p> <p>14 by other people -- let me just see if I get this right.</p> <p>15 In responses in connection with this RFP, but those</p> <p>16 would be actions based on 2008 to 2010 financial statements,</p> <p>17 not 2011 to 2021, which is what the case has always been</p> <p>18 about, at least I thought so.</p> <p>19 MR. WALLACE: I'll just interject, and I apologize</p> <p>20 to Mr. Haren, but the thread here is there is a discussion</p> <p>21 of some of the GAAP exceptions in the statements of</p> <p>22 financial condition as part of the GSA process that shows</p> <p>23 the knowledge of the company and its officers about --</p> <p>24 around the GAAP exceptions that people are now claiming they</p> <p>25 are not familiar with. So that is the thread that pulls us</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 3010</p> <p>1 course of conduct, use of the statements of financial</p> <p>2 condition and business agreed that the date of the RFP is</p> <p>3 outside the statute of limitations, but that doesn't mean</p> <p>4 it's not relevant for the Court to determine what, if any,</p> <p>5 equitable relief to award.</p> <p>6 MR. KISE: But which statements of financial</p> <p>7 condition? This is the 2008 -- by his own statement, this</p> <p>8 is the 2008 to 2010 statements of financial condition which</p> <p>9 heretofore have never been mentioned in the course of this</p> <p>10 proceeding, so I'm not sure are we going to go back there?</p> <p>11 I know that we're -- there is no calendar or clock</p> <p>12 associated with any of this, so -- but that's a new -- 2008</p> <p>13 to 2010 is certainly a new allegation.</p> <p>14 MR. HAREN: I would add there is an allegation in</p> <p>15 the complaint that refers generally to the Old Post Office,</p> <p>16 but the statement in the 202 statement is not our statement.</p> <p>17 It was a statement from the defendants describing the</p> <p>18 submission of these statements to the GSA and that is what</p> <p>19 we did not dispute, so you put it in your 202 statement.</p> <p>20 MR. KISE: Again , there is a big difference.</p> <p>21 THE COURT: That's the banned word, but you can say</p> <p>22 it again.</p> <p>23 MR. KISE: As I stated before, but just because we</p> <p>24 said that the 2008 to 2010 statements were submitted to the</p> <p>25 GSA, okay, they were, but it has no relevance to these</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3012</p> <p>1 through and that this is the process that eventually leads</p> <p>2 to the loan that is in very much indeed apart of this case.</p> <p>3 THE COURT: Objection overruled. Pattern and</p> <p>4 practice to repeat myself or again bars claims not in</p> <p>5 evidence.</p> <p>6 And five-minute warning.</p> <p>7 Overruled.</p> <p>8 MR. HAREN: Plaintiff's Exhibit 1288.</p> <p>9 THE COURT: And notice which is part of pattern and</p> <p>10 practice.</p> <p>11 MR. KISE: Your Honor, just so I'm clear on the</p> <p>12 ruling.</p> <p>13 THE COURT: Yes.</p> <p>14 MR. KISE: Part pattern of practice of what, 2008</p> <p>15 to 2010?</p> <p>16 THE COURT: Of the Trump Organization.</p> <p>17 MR. KISE: But there's not been any allegation that</p> <p>18 the 2008 to 2010 statements of financial condition have any</p> <p>19 issues associated with them.</p> <p>20 THE COURT: Well, would there be?</p> <p>21 MR. WALLACE: But there is and there is a</p> <p>22 discussion of the GAAP exceptions that carries through this</p> <p>23 entire period, including 2008, 2010, 2011, 2012, all the way</p> <p>24 into the future and the GAAP exceptions that are contained</p> <p>25 within the Statement of Financial Condition are very much a</p>

1 question that is open to debate at this point and goes to	1	(Whereupon, the trial proceedings are adjourned to November 1, 2023 at 10:00 a m.)
2 the knowledge and intent of the individuals that were	2	
3 executives of the Trump Organization and the fact that we	3	
4 can establish before the statute of limitations period	4	
5 knowledge of certain individuals is certainly relevant	5	
6 evidence.	6	
7 THE COURT: That you can certainly do.	7	
8 MR. KISE: But, again, as to the 2008 to 2010	8	
9 financial statement -- statements of financial condition	9	
10 that's the key distinction here. Whatever took place before	10	
11 2011 wasn't ever part of the case. I mean, are we going --	11	
12 I'm just -- I don't see the thread that Mr. Wallace -- with	12	
13 all due respect, I'm not exactly sure what he's talking	13	
14 about because those had never been challenged as having any	14	
15 issues. There was no testimony from Mr. Bender, there was	15	
16 no testimony from any witness about those.	16	
17 Does the case now involve the defense of the 2008	17	
18 to 2010 statements of financial condition?	18	
19 THE COURT: Mr. Wallace, last word.	19	
20 MR. WALLACE: I will just say that the complaints	20	
21 or summary judgment papers there has been a through line	21	
22 that there has been a discussion amongst the members of the	22	
23 Trump Organization about the GAAP exceptions in the	23	
24 statements of financial condition. The defendants have	24	
25 claimed very few people were even aware of these statements	25

1 within the company. They don't know about the GAAP		
2 exceptions, so it's relevant to that.		
3 I would also note from a timing perspective, this		
4 colloquy that we're having here is exactly what we're		
5 worried about when it's objection overruled. Let's talk		
6 about it for another ten minutes.		
7 I think we've made our case as to why this will		
8 connect and we're entitled to put the evidence in and show		
9 that connection.		
10 THE COURT: I try to strike a balance between not		
11 wasting time when I've made a ruling and explaining the		
12 ruling and allowing a record to be made and Counsel to say		
13 what he has to say. But we're basically done for today,		
14 anyway, so what time are we resuming tomorrow? Let me		
15 guess, 10 o'clock with this witness?		
16 Objection overruled, by the way.		
17 MR. ROBERT: Your Honor, can we have a sidebar?		
18 THE COURT: Sure. We'll have a front bar.		
19 And I'll order the witness not to discuss this case		
20 or his testimony or anything related to that with anybody		
21 until you're finished testifying team.		
22 THE WITNESS: Okay, Your Honor.		
23 THE COURT: Thank you.		
24 (Whereupon, the witness is excused from the witness		
25 stand.)

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cell phones are on silent. Laptops and cell  
4 phones will be permitted, but only to members of the press.  
5 There is absolutely no recording or photography of any kind  
6 allowed in the courtroom. Now be seated and come to order.  
7 THE COURT: Would you like to continue with your  
8 witness?  
9 MR. HAREN: I would. We recall David Orowitz.  
10 THE COURT OFFICER: Witness entering.  
11 (Whereupon, the witness enters the courtroom and  
12 approaches the witness stand.)  
13 THE COURT: I'll ask Counsel to keep in mind we  
14 have a busy day and a busy week, so let's try to move things  
15 along as quickly as we can, and please proceed.  
16 MR. HAREN: Thank you, Your Honor.  
17 CONTINUED DIRECT EXAMINATION  
18 BY MR. HAREN:  
19 Q Good morning, Mr. Orowitz. Welcome back. Sorry you're  
20 here for a second day.  
21 THE COURT: And I'll remind him, as I always do,  
22 the witness is under oath.  
23 Q I'd like to go back to Plaintiff's Exhibit 1288, which  
24 we almost began to discuss yesterday.  
25 Do you recognize this to be an e-mail from you to

Page 3019

D. Orowitz - Plaintiff - direct (Haren)

1 Patricia Moore copying Ivanka Trump and others on December 14,  
2 2011?  
3 A Yes.  
4 Q Do you see that the subject says "meeting to discuss  
5 OPO presentation?"  
6 A Yes.  
7 Q Do you have an understanding of the circumstances  
8 surrounding this e-mail?  
9 A My recollection is that we got I believe two rounds of  
10 questions from the GSA based on our proposal and this was one of  
11 them and I was attempting to kind of organize people around our  
12 response.  
13 Q And you see that the e-mail that you sent contains  
14 three attachments?  
15 A Yes.  
16 Q And one is GSA letter to Trump Organization  
17 12132011.PDF?  
18 A Yes.  
19 Q Do you understand what that refers to?  
20 A I believe it refers to one of those letters with some  
21 of their questions or requests for clarification.  
22 Q And the third attachment is entitled, "Outline for  
23 12-19-1" -- excuse me -- "12-19-11 Presentation docx."  
24 Do you have an understanding of what that refers to?  
25 A I'm not certain, but I think that that probably refers

<p>D. Orowitz - Plaintiff - direct (Haren) Page 3020</p> <p>1 to a presentation that we did in person where we were presenting 2 our proposal to constituents in the GSA. 3 Q And there is a notation in the e-mail that identifies 4 it as one of high importance. Do you have a recollection as to 5 why that designation is there? 6 A We want -- we would have wanted -- this was important 7 and we would have wanted to get organized quickly and make sure 8 we had as thoughtful a response as we could. 9 MR. HAREN: I move to admit Plaintiff's 10 Exhibit 1288 into evidence. 11 MR. KISE: Objection. Statute of limitations and 12 relevance. 13 THE COURT: Where is Mr. Robert? He usually does 14 that. 15 MR. KISE: I know. I've got to take over this 16 morning. 17 THE COURT: Overruled. It's in evidence. 18 (Whereupon, the item previously referred to is 19 received and marked Plaintiff's Exhibit Number 1288 in 20 evidence.) 21 Q And directing your attention to page three of the 22 exhibit. Do you recognize this as a letter from the General 23 Services Administration to Ivanka Trump as executive vice 24 president of acquisitions and development at the Trump 25 Organization?</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3022</p> <p>1 document. Is the information on page 15 and what follows in a 2 table format, is that the outline for presentation that you 3 attached to your e-mail? 4 A Yes. 5 Q And the outline identifies under the heading "Oral 6 Presentation" on page 15 that there would be an intro from 7 Ivanka Trump? 8 A Yes. 9 Q And the third bullet reads "DJT speaks." What is that 10 a reference to? 11 A That refers to the portion of the presentation when 12 President Trump was presenting. 13 Q And on page 18 of the document next to factor 3B 14 regarding financial statements it reads in part, "Dave to 15 discuss with Allen how we might address." Do you see that? 16 A Yes. 17 Q Was it your understanding that you will discuss the 18 financial statement item under factor 3B with Allen Weisselberg? 19 A Yes. 20 Q How did you come to that understanding? 21 A I have a slight recollection that this was generally an 22 issue that we had to address in our response, so in reviewing 23 this it sort of reminded me of that. 24 Q But how did you come to the understanding at the time 25 that Allen Weisselberg was the person you should speak to?</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 3021</p> <p>1 A Yes. 2 Q And the letter states: "This is to confirm that your 3 team is scheduled to make a presentation regarding the 4 above-referenced solicitation on December 19, 2011 at 5 2:00 p.m." Is that a reference to the in-person presentation 6 that you mentioned earlier? 7 A I believe it is. 8 Q And then on page four this is the second page of the 9 letter under "Factor 3." It states under the second bullet, 10 "financial statements appear to have multiple GAAP departures, 11 including but not limited to, not including separately held 12 financials, no provision for income tax and the PV of the 13 deposits not reflected." Do you see that? 14 A Yes. 15 Q Was that an issue identified by the GSA during the 16 process? 17 A It appears to be from this letter, yes. 18 Q And then on page four, same page, there is a bullet 19 that reads -- it's the third bullet, "please provide a statement 20 regarding any bankruptcy or loan defaults on real estate 21 development projects as specified under Factor 3." 22 Was that also an issue identified by the GSA during the 23 bidding process? 24 A Yes. 25 Q I want to direct your attention to page 15 of the</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3023</p> <p>1 A Oh, Allen is the CFO and was responsible for that side 2 of the business. 3 MR. HAREN: Let's pull up Plaintiff's Exhibit 1429. 4 Q Mr. Orowitz, the Plaintiff's Exhibit 1429, do you see 5 that it's an e-mail from you to Allen Weisselberg on 6 December 16, 2011 pertaining to language in the GAAP section? 7 A Yes. 8 Q Does the information in this e-mail pertain to the GSA 9 bidding process? 10 A Yes. 11 MR. HAREN: I move to admit Plaintiff's 12 Exhibit 1429 into evidence. 13 MR. KISE: Objection. Statute of limitations and 14 relevance. 15 THE COURT: Overruled. It's in. 16 (Whereupon, the item previously referred to is 17 received and marked Plaintiff's Exhibit Number 1429 in 18 evidence.) 19 Q And in the subject line you wrote in all caps, 20 "Important," and then you added "need to discuss now." Why 21 would you write that? 22 A I think we were on a deadline to get the response put 23 together and I needed people to focus on their portions of that 24 response. 25 Q And in the first line of your e-mail reads: "Allen,</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 3024</p> <p>1 Ivanka wanted me to change the language in the GAAP section. 2 She asked that I review with you." 3 Do you have a recollection apart from what's in this 4 e-mail of being asked by Ivanka Trump to review language 5 pertaining to GAAP with Allen Weisselberg? 6 A I don't remember that specifically. 7 Q And, again, what is your understanding as to why Allen 8 Weisselberg was the person you were directed to consult with 9 about the item referenced in this e-mail? 10 A He was the CFO of the company and was familiar with how 11 the accounting worked and how the net worth statement was put 12 together, so he would be the best person to comment on our 13 response. 14 Q So far as you understand would any GAAP-related change 15 require Allen Weisselberg's approval as it related to the 16 responses of the GSA? 17 A Yes. 18 MR. HAREN: Let's move to Plaintiff's Exhibit 3273. 19 Q Mr. Orowitz, do you see Plaintiff's 3273 in the middle 20 of the page includes an e-mail from Jeff McConney to Morgan 21 Miles copying you with the subject "SOFC?" 22 A Yes. 23 Q Who was Morgan Miles? 24 A Morgan Miles was summer intern at the Trump 25 Organization.</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3026</p> <p>1 put that together and we needed to incorporate it into a larger 2 presentation. 3 Q And so you received handwritten comments pertaining to 4 Mr. Trump's Statement of Financial Condition from Jeff McConney 5 and then directed that they be incorporated? 6 A Yes. 7 THE COURT: Wait. These are two different things 8 obviously. Are you saying yes to both? Incorporate the 9 handwritten notes and incorporate the document into the 10 presentation? 11 THE WITNESS: I was suggesting that with these 12 changes in the handwritten notes, Your Honor, that that 13 should be incorporated into the presentation. 14 Q And the handwritten notes came to you from Jeff 15 McConney? 16 A I received them from Jeff McConney based on this 17 e-mail, yes. 18 THE COURT: So there are two different 19 incorporations. I just want to make that clear. Okay, I'll 20 assume they agree. 21 MR. HAREN: I move to admit Plaintiff's 22 Exhibit 3273. 23 MR. KISE: Objection. Statute of limitations and 24 relevance. 25 THE COURT: Don't you wish your buddy was here?</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 3025</p> <p>1 Q And do you see at the bottom e-mail is from or 2 includes, it says, "message from RNPFC 77-CE" and it states 3 "queries to scanner@Trumporg.com?" 4 A Yes. 5 Q Do you have an understanding as to whether this 6 document was scanned or e-mailed? 7 A I would assume that. 8 Q And looking at the attachment beginning on page two do 9 you see that it says at the top "Redevelopment of Old Post 10 Office, Request For Proposals?" 11 A Yes. 12 Q And do you understand that the attachment reflects 13 under the heading "Financial Statements" Mr. McConney's 14 handwritten input into language describing Mr. Trump's Statement 15 of Financial Condition and GAAP departures? 16 A I don't know whose handwriting this is. 17 Q But does the e-mail itself indicate that it came to you 18 from Jeff McConney? 19 A It indicates that it came from Jeff McConney, yes. 20 Q And back to the e-mail at the very top, you wrote 21 "please incorporate." 22 A Yes. 23 Q What did you intend that to mean? 24 A We had a larger presentation that this was apart of and 25 my recollection is Morgan was putting that together or helping</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3027</p> <p>1 MR. KISE: I do. He's making me work today. 2 THE COURT: Overruled. Granted. 3 (Whereupon, the item previously referred to is 4 received and marked Plaintiff's Exhibit Number 3273 in 5 evidence.) 6 MR. HAREN: Plaintiff's Exhibit 1431 has been 7 handed to the witness. 8 Q Mr. Orowitz, you'll see on the first page an e-mail 9 from you to Ivanka Trump and others on December 17, 2011. I'll 10 just advise you that's a Saturday. 11 And the subject of the e-mail is "handout for Monday." 12 Do you have an understanding as to what that refers to? 13 A I believe that this refers to a document that we were 14 providing to the GSA in tandem with our presentation. 15 Q And do you have an understanding that the attachment is 16 a copy of the document that was provided to the GSA during the 17 presentation? 18 A Yes. This appears to be a version of it, if not the 19 final version. 20 Q Let's take a look at page ten of the exhibit. You see 21 at the top at the left it reads "Factor 3:" And then "3B) 22 financial statements appear to have multiple GAAP departures" 23 and it goes on? 24 A Yes. 25 Q And it provides a response about three separate items</p>

<p>D. Orowitz - Plaintiff - direct (Haren) Page 3028</p> <p>1 in bold, "separately held entities provisions for income tax and 2 PV of the deposits?" 3 A Yes. 4 Q And those were the same GAAP departures that were 5 highlighted in the letter from GSA we looked at a few moments 6 ago? 7 A Yes, correct. 8 MR. HAREN: I move to admit Plaintiff's 9 Exhibit 1431 into evidence. 10 MR. KISE: Objection. Statute of limitations and 11 relevance. 12 THE COURT: Overruled. It's in. 13 (Whereupon, the item previously referred to is 14 received and marked Plaintiff's Exhibit Number 1431 in 15 evidence.) 16 Q And Mr. Orowitz, I'm going to switch to a different 17 topic and hopefully have you out of here, depending on the 18 defendants. This relates to the Doral property. 19 MR. HAREN: Plaintiff's Exhibit 347 has been handed 20 to the witness. 21 Q Mr. Orowitz, do you recognize this document as a series 22 of e-mails between you and Dave Williams and Josh Frank from 23 Deutsche Bank on or about March 18, 2016? 24 A Yes. 25 Q The subject of these e-mails is "Doral/Turnberry."</p>	<p>D. Orowitz - Plaintiff - direct (Haren) Page 3030</p> <p>1 Organization requested \$50 million in financing from Deutsche 2 Bank to upsize the Doral loan in or about February of 2016? 3 A It refreshes my memory that it was around that number, 4 but I don't remember specifically. 5 Q Thank you. 6 MR. HAREN: I have no further questions for this 7 witness. 8 THE COURT: Will there be any cross examination at 9 this time? 10 MR. KISE: Not at this time, Your Honor, no. 11 THE COURT: Okay. Witness excused. 12 THE COURT OFFICER: Members of the audience, please 13 remain seated. 14 (Whereupon, the witness is excused from the witness 15 stand.) 16 THE COURT: And Plaintiff, would you like to call 17 your next witness? 18 MR. WALLACE: Yes. Thank you, Your Honor. The 19 People call Michiel McCarty. 20 MR. KISE: For the record, Your Honor, we renew our 21 objection as stated on the record yesterday. 22 THE COURT: I understand that, and I overruled it. 23 THE COURT OFFICER: Court ready for the witness? 24 THE COURT: Yes. 25 THE COURT OFFICER: Witness entering.</p>
<p>D. Orowitz - Plaintiff - direct (Haren) Page 3029</p> <p>1 Do you see that? 2 A Yes. 3 Q Do you have an understanding of what that refers to in 4 this time frame? 5 A At that time we were in conversations with Deutsche 6 Bank about upsizing our loan, so getting additional loan 7 proceeds and I believe that's what this e-mail refers to. 8 MR. HAREN: And I move to admit Plaintiff's 9 Exhibit 347 into evidence. 10 MR. KISE: Objection. Relevance. 11 THE COURT: Overruled. 12 Q Do you have an understanding as to how much in 13 additional financing was being sought by the Trump Organization 14 from Deutsche Bank in or about February or March of 2016? 15 A I don't recall specifically. 16 Q Let's see if a document refreshes your recollection. 17 MR. HAREN: This is Plaintiff's Exhibit 342 -- 352. 18 Q Mr. Orowitz, do you see at the top of the document 19 there is an e-mail from Rosemary Vrablic to Ivanka Trump on 20 February 11, 2016? 21 A Yes. 22 Q And do you see that in the e-mail Ms. Vrablic wrote to 23 Ms. Trump, quote, "I spoke to the credit team on the" -- excuse 24 me -- "\$50 MM request and we are thrilled to consider it for 25 you." Does that refresh your recollection that the Trump</p>	<p>M. Address is 44 N. Porchuck Road, Greenwich, 13 Connecticut 06831. 14 THE COURT: Okay. Please proceed, Counselor. 15 MR. WALLACE: Thank you, Your Honor. 16 DIRECT EXAMINATION 17 BY MR. WALLACE: 18 Q Good morning, Mr. McCarty. 19 A Good morning, Mr. Wallace. 20 Q So just so that all of us are reminded, I will ask you 21 to speak closely into the microphone so that people can hear you 22 and also remind you to speak slowly so that the court reporter 23 can take down everything we are saying. 24 Mr. McCarty, where are you currently employed? 25 A I am a chairman and CEO of an investment bank by the</p>

<p>M. McCarty - Plaintiff - direct (Wallace) Page 3032</p> <p>1 name of MM Dillon &amp; Company. 2 Q And what do you do in your role as CEO and chairman of 3 MM Dillon? 4 A I spend the majority of my time doing transactions for 5 clients, corporate clients, mergers and acquisitions, 6 financings, joint venture related. 7 Q And what kind of transactions are you involved in? 8 A I do debt transactions, convertible transactions, 9 equity transactions, and assorted various mergers and 10 acquisitions. 11 Q And how long have you been working in the banking 12 industry? 13 A For a very long time, since 1975. 14 Q Could you describe for us your educational background 15 prior to becoming a banker? 16 A I have an undergraduate degree from Vanderbilt 17 University in physics and honors and I have an MBA in finance 18 with a concentration in capital markets from the Wharton School. 19 Q So if we could just go through your employment 20 experience after you obtained your MBA. 21 What was the first position you took after you 22 completed your education? 23 A My first job out of Wharton was for Citibank here in 24 New York working in their merchant banking group. 25 Q And could you describe for us what kinds of</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3034</p> <p>1 Q And can you describe for us some of your experiences 2 when you were at Dillon Read? 3 A One of the most notable was I was the lead banker and 4 Dillon Read was the lead manager underwriter of the 5 privatization of Fannie Mae. Fannie Mae was the largest issuer 6 of debt in the United States and the largest provider of 7 mortgages. I believe it still is. I worked for about a year 8 privatizing, setting it up and taking it public in the market. 9 Q And after your time at Dillon Read what was your next 10 position? 11 A I was recruited to join SG Warburg, which is a 12 London-based bank. I believe it's the largest bank outside the 13 United States in a role running North and South America for the 14 SG Warburg operation. 15 Q And what were some representative transactions from 16 your time at SG Warburg? 17 A One of the most interesting was the de-merger of 18 Marriott Corporation. Marriott at the time I think was the 19 third largest hotel operation in the United States. 20 We designed a system to divide Marriott into the hotel 21 management company, Marriott and the real estate owning company 22 post Marriott. 23 Q And what was your role on that transactions? 24 A I was the lead banker on that transaction. 25 Q Were there any changes in your employment during the</p>
<p>M. McCarty - Plaintiff - direct (Wallace) Page 3033</p> <p>1 transactions you worked on while you were at Citi? 2 A The first one I worked on just showed up was the Penn 3 Central bankruptcy which was the largest bankruptcy in the 4 history of the country at that time and I was assigned to that 5 group for the first nine months I was there. Penn Central was 6 at that time the largest real estate owner in New York owning 24 7 trophy properties. 8 Q And what were your responsibilities in that engagement? 9 A I was put on the team because of my science in 10 analytical background, so I was the valuation expert on the 11 properties which the bank was trying to originate the sale of to 12 recover their losses on Penn Central. 13 Q And what were those properties? 14 A Large number PanAm building, the New York Central 15 building, the Commodore Hotel, the Barclay Hotel, the Waldorf 16 Astoria and about eight office buildings along Park Avenue and 17 Lexington Avenue, Madison Avenue. 18 Q And after your time in Citi what was your next 19 position? 20 A I was recruited to join Dillon Read &amp; Company, another 21 investment bank. 22 Q And what was your position at Dillon Read? 23 A I had various jobs. I ultimately took control and 24 responsibility for the financing of corporate clients, both 25 equity and debt.</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3035</p> <p>1 course of your time at SG Warburg? 2 A Moore I remember when she was appointed to the 3 Management Committee and Commitment Committee overseeing all the 4 assets in North and South America. 5 Q And what were your -- where were you employed after 6 your time at SG Warburg? 7 A I was involved in selling the SG Warburg to UBS. I 8 stayed on the combined UBS Warburg for my contract period which 9 is nine months and then left to go to a firm here in New York, 10 Gleacher &amp; Co. 11 Q And what is Gleacher &amp; Co? 12 A It was an independent investment bank owned by the 13 partners. We sold it to NatWest, a UK institutional bank and we 14 ran it as Gleacher NatWest in North America. We took over the 15 NatWest operations here in North America. 16 Q And what were your responsibilities at Gleacher and 17 NatWest? 18 A I was running the financing side of the business. Eric 19 Gleacher, who was the founder was running the MNA side of the 20 business. 21 Q When you say "financing side of the business," what 22 does that entail? 23 A The whole spectrum of financing going from bank debt to 24 private placements to public debt and then all the spectrum of 25 equity convertibles and straight equity.</p>

<p>M. McCarty - Plaintiff - direct (Wallace) Page 3036</p> <p>1 Q And can you give us examples of any relevant 2 transactions that you worked on during your time at Gleacher and 3 NatWest? 4 A Probably the most prominent client I had was AT&amp;T. I'd 5 done a series of senior debt deals for them. I had actually 6 opposed them in the takeover of NCR and they eventually hired me 7 to take them and sell them to one of the other large telcos, 8 ultimately SBC, Southwestern Bell Corp to form the new AT&amp;T. 9 Q And where did you go after your time at Gleacher and 10 NatWest? 11 A I started up an investment banking group inside a 12 trading firm in Connecticut called CRT Capital. The investment 13 banking group ultimately became MM Dillon. We spun it off after 14 the 2008 crash from CRT, which it had trading problems in the 15 crash. 16 Q And what was your position at that entity? 17 A I was one of the managing partners of CRT Capital and 18 we were part of them and ran investment banking and after the 19 spin I became the chairman of the independent company MM Dillon. 20 Q And can you describe for us some representative 21 transactions you worked on during your time at CRT? 22 A Maybe one of the more relevant ones is I began having 23 occasional expert witness testimony cases and two of them that 24 are relevant here. I took on for Credit Suisse, an expert 25 witness testimony in the Lake Las Vegas case, a development</p>	<p>Page 3038</p> <p>1 dozen times and I probably testified at trial maybe 14 or 15 2 times. 3 Q Across those engagements was there a general subject 4 matter of the issues you testified on? 5 A Really a hundred percent of it was related to capital 6 markets issues. 7 Transcript continues on the following page.... 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>
<p>M. McCarty - Plaintiff - direct (Wallace) Page 3037</p> <p>1 outside Las Vegas involved about 2,800 homes and golf courses 2 and hotels. 3 THE COURT: Let me just ask this and/or direct the 4 witness please speak up. You're borderline difficult to 5 hear I think out there. 6 THE WITNESS: I apologize. I have some seasonal 7 allergies that are clogging me up. I'll try to speak up, 8 though. 9 THE COURT: Okay, great. 10 Q Was there any other experts experiences that you 11 mentioned? There were some others, I believe? 12 A I've taken about one a year. I got into the expert 13 witness business very accidentally. I was asked to do for a 14 client in Delaware, a takeover discussion dispute and so I take 15 one or two major a year. 16 Another one that's relevant maybe is Duke Energy was a 17 past client of mine, had its real estate subsidiary called 18 Crescent Realty and they done it -- a sponsored spin off of 19 Crescent Realty with Morgan Stanley asset management and put on 20 about two and a half billion dollars of debt and ultimately went 21 brought bankrupt. I was put in to testify about the asset of 22 the loans and public debt. 23 Q So do you have a sense of what's the subtotal number of 24 times you've appeared as an expert witness? 25 A I've probably been hired as an expert witness a couple</p>	<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3039</p> <p>1 Q What kinds of capital market issues? 2 A Adequacy of equity and terms and condition of debt, 3 structure of the debt, the knowledge of the participants who 4 bought the debt, all related to things that people trade and 5 issue in capital markets. 6 Q Did any of those cases involve credit decisions made by 7 lenders? 8 A Almost all of them. 9 Q Did any of those cases involve the pricing of debt? 10 A Almost all of them. 11 Q Each of the cases where you appeared, were you always 12 qualified to be an expert? 13 A Yes, I was. 14 Q In any of the cases in which you testified, were you 15 ever disqualified as an expert? 16 A No, I wasn't. 17 Q I'd like to go back to some of the work you described 18 apart from your expert experience. 19 Generally speaking, do you have experience with the 20 underwriting of commercial real estate loans? 21 A I have, yes. 22 Q What kind of experience do you have underwriting real 23 estate commercial loans? 24 A I sat in as a senior officer and approval of loans at 25 NatWest and for my time at UBS as the approval of real</p>

M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3040

1 estate-related loans.  
2 Q And what was your role in approving those loans?  
3 A I was the senior officer signing off.  
4 Q And how many other real estate transactions have you  
5 worked on since then?  
6 A It's not a specialty, but it is probably four or five.  
7 Q Did any of the transactions, any of the commercial real  
8 estate transactions you worked on involve high net worth  
9 individuals as guarantors?  
10 A Yes, so I had a couple.  
11 Q Can you give us those examples?  
12 A Yeah. The NatWest had a subsidiary called Coutts that  
13 handled the high net worth including the Queen and kind of  
14 transaction involving the Coutts client base which one of their  
15 high net worth individuals wanted to buy the Cunard Shipping  
16 Lines and related real estate assets.  
17 Q Any other experience?  
18 A Another client of Coutts wanted to take and split up a  
19 public U.S. company that had a real estate subsidiary. Both of  
20 these were two and-a-half to three-billion-dollar transactions  
21 involving bank financing and equity from the high net worth  
22 individuals.  
23 Q And so who did you represent in those transactions that  
24 you just described?  
25 A Curiously enough, both parties because the subsidiary

M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3041

1 Coutts was a reporting agent to me and the clients were  
2 investment banking clients, so I was the mediator between both  
3 parties.  
4 Q Over the course of your career, was review of financial  
5 statements to make credit decisions something you did on a  
6 regular basis?  
7 A Pretty much everything I've done involves review of  
8 financial statements and analysis, be it mergers or equity  
9 financing, or debt financing. I might have completed, I don't  
10 know, 350, 400 transactions and I probably looked at twice as  
11 many. So pretty much every day I go to work, I analyze  
12 financial statements.  
13 Q What kinds of financial statements, corporate,  
14 personal?  
15 A Corporate in the majority and the high-net worth  
16 individuals, it is individual statements.  
17 Q And is there a significant difference between corporate  
18 financial statements and individual financial statements?  
19 A Not really. I mean, it's still the same accounting  
20 principles. It is GAAP. So I don't really view them as highly  
21 different. Many of the family offices that we deal with are  
22 multi-billion-dollar enterprises.  
23 Q And are you familiar with the banking transactions at  
24 issue in this case?  
25 A I am.

M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3042

1 Q And is the analysis conducted by the lenders in this  
2 case similar to analysis that you had performed?  
3 A Yes.  
4 Q Are there any differences?  
5 A One difference I notice is I don't know that I've ever  
6 dealt with compilation statements, so many of the transactions  
7 are done without audited statements, but compilation was a new  
8 thing to me.  
9 MR. WALLACE: Your Honor, I move to qualify Mr.  
10 McCarty as an expert in banking and capital markets.  
11 THE COURT: Would that include expertise about  
12 compilations?  
13 MR. WALLACE: Not in the preparation of  
14 compilations, Your Honor.  
15 THE COURT: Let's hear from the other side.  
16 MR. KISE: Well, it also appears that it is not a  
17 valuation of compilation statements either, so that's yet an  
18 additional reason that we would object to this witness in  
19 addition to the reasons we put on the record yesterday. He  
20 has now just testified that he's never dealt with  
21 compilation. "I don't know that I've ever dealt with  
22 compilation statements."  
23 The entire case centers around the valuation by the  
24 banks of compilation statements. So while this witness  
25 merely has experience in the banking and financing sector

M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3043

1 and specifically with underwriting loan transactions, it  
2 appears that he does not have the specific experience  
3 relevant for purposes -- for the purposes that we're here.  
4 Q Mr. McCarty are you capable of reading and  
5 understanding and analyzing a compilation statement?  
6 A I am. They're not really significant differences to  
7 me. The private financial statements of high-net worth  
8 individuals many times are unaudited and the difference between  
9 the statements, I believe, is not material to my analysis.  
10 THE COURT: I hereby grant the request to deem him  
11 as an expert, but, of course, I'll keep in mind his  
12 statement that he doesn't or hasn't dealt with compilation  
13 statements, but balance that against his statement that he  
14 thinks they're somewhat similar or very similar to what he  
15 does have great experience with.  
16 MR. KISE: And just briefly for the record, Your  
17 Honor, I think the answer to the question that Mr. Wallace  
18 posed still doesn't resolve the issue because he's basically  
19 saying in his own opinion there aren't significant  
20 differences, but if he hasn't dealt with them before, it is  
21 not possible for him to really know that. So he's just  
22 qualifying himself in that regard, but I understand the  
23 Court's ruling and our objection is noted.  
24 THE COURT: Okay.  
25 MR. WALLACE: As I understand, the issue is the

<p>1 Court will afford whatever weight based on Mr. McCarty's</p> <p>2 description of his experience and that will be included in</p> <p>3 your final analysis as to what weight to afford his</p> <p>4 testimony.</p> <p>5 THE COURT: And then the next time that you testify</p> <p>6 in a case like this, you can say you've dealt with</p> <p>7 compilation statements.</p> <p>8 THE WITNESS: That's correct. I now have.</p> <p>9 MR. WALLACE: Thank you, Your Honor.</p> <p>10 Q Mr. McCarty, I'm going to hand you a document that's</p> <p>11 been marked as Plaintiff's Exhibit 1780.</p> <p>12 Mr. McCarty, do you recognize this document?</p> <p>13 A I do. It's my expert report.</p> <p>14 Q And when did you prepare this report?</p> <p>15 A I submitted it on May 26th. I worked on it for a</p> <p>16 couple of months before then.</p> <p>17 Q Did you update any opinions contained in this report at</p> <p>18 some point?</p> <p>19 A I did two additional -- I did a rebuttal report and</p> <p>20 then a supplemental submission just recently.</p> <p>21 Q I'm going to -- Mr. McCarty, I'm going to hand you a</p> <p>22 document that has been marked Plaintiff's Exhibit 1786.</p> <p>23 Mr. McCarty, do you recognize this document?</p> <p>24 A I do. That's my rebuttal report.</p> <p>25 Q And what are the subject matters that you cover in</p>	<p>1 THE COURT: No.</p> <p>2 MR. KISE: Okay. So is this a demonstrative?</p> <p>3 MR. WALLACE: I'm happy to mark it as Plaintiff's</p> <p>4 4.</p> <p>5 MR. KISE: If it is demonstrative, that's fine. If</p> <p>6 it is demonstrative, that's okay.</p> <p>7 THE COURT: Are you so moving?</p> <p>8 MR. WALLACE: Sorry?</p> <p>9 THE COURT: Are you so moving?</p> <p>10 MR. WALLACE: I am requesting to have this marked</p> <p>11 as Plaintiff's Exhibit Demonstrative 4.</p> <p>12 MR. KISE: Just this page?</p> <p>13 MR. WALLACE: Just this page.</p> <p>14 THE COURT: And just marked as an exhibit?</p> <p>15 MR. WALLACE: Demonstrative exhibit, yes.</p> <p>16 MR. KISE: Well, just this page again. Not the</p> <p>17 first one, two, three, pages.</p> <p>18 MR. WALLACE: That's fine.</p> <p>19 MR. KISE: Yes.</p> <p>20 THE COURT: I hereby mark it as a demonstrative</p> <p>21 exhibit. What number are we going to give it?</p> <p>22 MR. WALLACE: It's Plaintiff's Demonstrative 4</p> <p>23 because I believe our numbering sequence so far.</p> <p>24 THE COURT: Okay. It is now demonstrative Exhibit</p> <p>25 No. 4.</p>

<p>1 these two reports?</p> <p>2 A The matters are the same as I was retained to look at</p> <p>3 the economic impact of the false and misleading financial</p> <p>4 statements, if any.</p> <p>5 Q And how did you go about conducting that analysis?</p> <p>6 A I worked through the documents that were provided in</p> <p>7 production and I approached it the same way that I would in my</p> <p>8 transaction analysis. I broke down the business into analytical</p> <p>9 sections and did market research.</p> <p>10 Q Mr. McCarty, I'm going to hand you a document that has</p> <p>11 been marked as Plaintiff's Exhibit 3302.</p> <p>12 Do you recognize this document?</p> <p>13 A I do. This is the supplemental disclosure document I</p> <p>14 filed recently.</p> <p>15 Q If we turn to the last page of this document, can you</p> <p>16 tell me what is reflected on this page?</p> <p>17 A This is the updated lost interest calculation that I</p> <p>18 did in my original report modified in two manners.</p> <p>19 Q Mr. McCarty, this is the subject matter I'd like to</p> <p>20 discuss with you today, this calculation that you prepared.</p> <p>21 Could you tell us what was the assignment that led you</p> <p>22 to prepare this lost interest analysis?</p> <p>23 MR. KISE: Your Honor, is this document in</p> <p>24 evidence?</p> <p>25 MR. WALLACE: No.</p>	<p>1 MR. WALLACE: Thank you, your Honor.</p> <p>2 (Whereupon, the Document was marked in evidence as</p> <p>3 Plaintiff's Demonstrative Exhibit 4.)</p> <p>4 Q Mr. McCarty, going back to the question I asked, what</p> <p>5 was the assignment that led you to prepare this lost interest</p> <p>6 analysis?</p> <p>7 A The same as my retention, to try to get a handle on the</p> <p>8 economic impact of the financial statements that were, I guess,</p> <p>9 judged as mistaken or fraudulent.</p> <p>10 Q At a high level, can you explain to us how you went</p> <p>11 about that assignment?</p> <p>12 A Yeah, I can. I might just say this is a modified</p> <p>13 version. The first version was in my last page of my report,</p> <p>14 expert report. This one has been modified to take into account</p> <p>15 the -- Your Honor's ruling on the statute of limitations and</p> <p>16 updated from the time from May to October. So it is the same</p> <p>17 analysis, same calculation. It is just modified for those two</p> <p>18 parts.</p> <p>19 Q Okay. I'm going to hand you another document. This is</p> <p>20 not going into evidence. It is a copy of the summary judgment</p> <p>21 decision. It is NYSCEF Document No. 1531.</p> <p>22 Mr. McCarty, if I could direct your attention to page</p> <p>23 25 of this document, we'll pull it up on the screen. Footnote</p> <p>24 21, this footnote states, "The subject loans made the banks lots</p> <p>25 of money; but the fraudulent SOFC's cost the banks lots of</p>

<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3048</p> <p>1 money. The less collateral for a loan, the riskier it is and a 2 first principle of loan accounting is that as risk rises, so do 3 interest rates. Thus, accurate SOFC's would have allowed the 4 lenders to make even more money than they did." 5 Mr. McCarty, is the statement in this footnote 6 consistent with your experience as a banker? 7 A With a few word changes, it could have been said by me 8 as the way I look at risk and interest rates. 9 Q And so just so I understand at this point, your basis 10 for saying that the Statements of Financial Condition that were 11 used in the loans was misstated is coming from the judge's 12 decision on summary judgment? 13 A That's correct. 14 Q Prior to the judge's decision on summary judgment, what 15 was your basis for reaching that conclusion? 16 A Analysis of the financial statements myself on an 17 independent basis. 18 Q And any other sources that you relied upon in reaching 19 that conclusion? 20 A The credit reports of the Trump Organization. 21 Q Did you also rely on any other experts? 22 A I did for the valuation side. I didn't have an 23 assignment to do the valuation of the assets, so I took as 24 assumed the two valuation experts and the accounting experts' 25 input.</p>	<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3050</p> <p>1 MR. KISE: Objection. Going back to the footnote, 2 are you asking him in his experience why this happens or are 3 you asking him to comment -- 4 MR. WALLACE: Can I conduct my exam? He has 5 already stated -- I'm sorry. Actually, I assume the 6 objection was to the judge. I withdraw it. 7 MR. KISE: A footnote in an opinion even by our 8 learned judge is not a foundation for an expert to formulate 9 an opinion as to the capital markets. If he's 10 testifying -- if your question is is this his understanding 11 of how it works based on his experience, that's one thing, 12 but your question, I believe, was based on this footnote. 13 So if it is based on this footnote, I would say 14 that's not a proper foundation because our judge may be an 15 expert in many things, but I would respectfully suggest that 16 he is not an expert in the capital markets. So if his 17 experience bears this out, that's fine; but that wasn't your 18 question. 19 MR. WALLACE: I'll go back to the prior question. 20 "Mr. McCarty, is the statement in the footnote 21 consistent with your experience as a banker?" 22 "ANSWER: With a few word changes, it could have 23 been said by me as the way I look at risk and interest 24 rates". 25 I believe that's a sufficient foundation to show</p>
<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3049</p> <p>1 Q At this point, the summary judgment decision is the 2 basis for finding the statements from this -- 3 A That's correct. 4 MR. KISE: That question got cut off. It just 5 said, "At this point, the summary judgment decision is the 6 basis for finding the statements from this" and then it went 7 blank. 8 Q So at this point, the summary judgment decision is the 9 basis for your conclusion that the financial statements were 10 misstated? 11 A That's correct. 12 MR. KISE: Just this portion? 13 MR. WALLACE: The entire decision. 14 MR. KISE: The entire decision, not this footnote? 15 MR. WALLACE: I'm going to ask him about this 16 footnote, but he is saying -- the Court decided the 17 statements were false, so that's the basis upon which he is 18 going to discuss the opinions we're going to go through now. 19 I don't know if I need to -- 20 MR. KISE: I reassert my objection to foundation. 21 THE COURT: He can. Overruled. 22 Q So going back to this footnote, Mr. McCarty, why is it 23 as risk rises, interest rates go up? 24 A The risk and sometimes it is included credit risk is a 25 representation of --</p>	<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3051</p> <p>1 that this is consistent. 2 MR. KISE: But then your subsequent question was 3 not based on his experience. It was based on the footnote. 4 So we just need to be clear here because as you know, we 5 have a considerable disagreement as to the foundational and 6 appropriate aspects of this witness testifying at all. So I 7 just want to make sure the record is very, very clear here 8 as to what he's testifying about. 9 THE COURT: I think the simplest way is just to ask 10 the question again. 11 But I just want to ask the witness some day, will 12 you tell me those few different word changes, so when I get 13 another case like this, I'll know exactly how to state it. 14 THE WITNESS: Your words were better than mine. 15 THE COURT: Next question. 16 Q Mr. McCarty, do you have a view that as risk rises, 17 interest rates go up? 18 A It's really a basis of the capital markets. Risk, 19 sometimes called credit risk, is a representation of the 20 probability of default. We call it PD for short and so as PD 21 goes up, you have to compensate for the potential for loss and 22 to do that, you raise the interest rate. 23 THE COURT: And you didn't learn that from me, 24 right? You already knew that, right? 25 THE WITNESS: I did.</p>

<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3052</p> <p>1 Q Mr. McCarty, is there a way to measure the differential 2 you just described? 3 A The differential in what? If you would just clarify 4 for me. 5 Q As risk goes up, is there a way to measure the 6 differential in a loan when there's differential in risk? 7 A There is. There's reg agencies that exist. The banks 8 all conform to the same, so you have a probability default very 9 very low, nearly zero. It is a AA credit and if you have a 10 probability of default that is five percent, that's a BB credit. 11 And there's gradations all along, so people trade based on those 12 analysis of the statements and whether they have a high 13 probability default or a low probability. 14 Q And do those ratings apply to debt in all of its forms? 15 A It does. Bonds, loans, notes, convertibles. It is the 16 whole spectrum of debt. 17 Q And did you conduct an analysis in this case of the 18 risk differential from the various loans that are at issue here? 19 A I did. 20 Q How did you perform that analysis? 21 A I looked at the internal documents by Deutsche Bank of 22 analyzing first the credit level of the guarantor versus the 23 credit level of the collateral, the project itself without a 24 guaranty. 25 Q If we could take a step back for just a moment.</p>	<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3054</p> <p>1 lending to, the individual, or the project, or some other 2 structure. 3 Q And did you identify discussion of the risk premium on 4 the loans in this case? 5 A I did, independently and also with reviewing the 6 Deutsche Bank material. 7 Q And what conclusions did you reach? 8 A Conclusion I reached that the loans with the guaranty, 9 the three principal trophy ones, Doral, OPO and Chicago, were 10 assigned a very low risk level an A level or better, a strong A 11 and a risk premium of almost zero by PWM. 12 Q Were there any other risk analyses that you found in 13 your review of the Deutsche Bank materials? 14 A I did. In reading through the different credit memos, 15 they did an independent analysis of the collateral which is 16 short for the project-based credit availability and that one was 17 a BB connoting that the probabilities independent without the 18 guaranty held a relatively high risk. 19 BB is considered the first step of non-investment 20 grade. If you go to BBB, it is investment grade. So they 21 determined the projects were non-investment grade BB. 22 Q When you say the projects were determined to be 23 non-investment grade BB, which projects were those? 24 A The three I mentioned; Doral, OPO and Chicago. 25 Q And was there a reason the bank determined those were</p>
<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3053</p> <p>1 What determines the interest rate that a bank will 2 charge for a particular loan? 3 A It varies. The first thing is the cost of their funds. 4 Then they put on a cost of servicing those funds and then the 5 most key element is the risk premium. In the case of AA, 6 there's very little risk premium. I did AT&amp;T's last debt 7 financing back before I was independent and they had a rate that 8 was very similar to the U.S. Government rate, a risk-free rate. 9 If there is a higher rate for premium, the interest rate goes up 10 based on that premium. 11 Q And just to unpack some of what you said, you said a 12 cost of funds for the bank is one element in what the interest 13 rate is charged. What is the cost of funds? 14 A It varies by type of debt it is. If it's a personal 15 guaranty where there's very little risk, A or AA credit, the 16 cost of funds is very low for the bank because they don't have 17 to set aside much equity. The Basel II mandated that the bank 18 set aside equity based on the rating of the particular loan. So 19 if you have a AA rated loan, you set aside very little equity. 20 That means your cost of providing the money and the funds to the 21 loan is very low. 22 Q And you said that the most important part was the risk 23 premium. Could you explain what you mean by that? 24 A The risk premium is really, again, your own 25 interpretation of the credit risk of the enterprise you're</p>	<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3055</p> <p>1 BB? 2 A I think so. I mean, I know Doral. I've been there, 3 played the Blue Monster a few times, and it was a project 4 turnaround. It had been brought out of bankruptcy. MSR owned 5 it, was selling it in bankruptcy. It needed a large amount of 6 spending and a change in the image, so when you're doing a 7 turnaround project like that, that's a risk item that a banker 8 would look at and say that's a risky project. OPO was a 9 startup. It was a conversion of a facility to a hotel for the 10 first time. Startups carry their own risk premium. 11 Q And did you identify any impacts in the difference 12 between these risks? 13 A Significant. The difference in the strong A credit and 14 BB credit is many basis points, so I'm going -- I'm sorry for 15 using basis points. Basis points are ticks in a one percent, so 16 100 basis points is one percent. I'll try to use percents. 17 It's -- it can be as much as seven or eight percent difference 18 between the two different credit ratings. 19 Q And what is reflected in that difference between the 20 interest rates? 21 A It is a difference in risk. Again, the probability 22 default of the two. Historically, banks have been very willing 23 to lend to high-net worth individuals at low rates because they 24 get repaid so... 25 Q You described that there was -- I think you said there</p>

<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3056</p> <p>1 may be as much as an eight-percent difference. Here, did you 2 conduct an analysis to determine the interest rate differential 3 between the BB credit and the A credit? 4 A We did. We did several different analysis. We broke 5 down the analysis that Deutsche Bank had done of the projects. 6 We went out and looked at -- it is hard to find a direct 7 comparable, so there is no direct comparable, but we saw things 8 like ClubCorp which was a ten percent issuer, BB credit. We did 9 a scan of all BB credits of similar size and they all centered 10 around kind of nine, ten percent at that time, the time of the 11 loans. 12 Q Any other confirmation that you were able to obtain as 13 to your analysis of the interest rates? 14 A After we did the comparable analysis and market sweep, 15 we then looked at documents that CRE had proposed to finance the 16 project without a guaranty. 17 Q If we could go back to what I believe is now 18 Plaintiff's Demonstrative 4, if I could direct your attention to 19 the top row, which is Doral, could you tell me what is your 20 understanding of the Doral project? 21 A Doral project is a large resort in South Florida. It 22 involves several golf courses and a spa facility and a large 23 number of bungalows. The spin was estimated to be something 24 like \$200 million to rehab the facility, make it a viable, 25 long-term project.</p>	<p>Page 3058</p> <p>1 to just flat rate it at the original rate. 2 (Continued on the next page.) 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>
<p>M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3057</p> <p>1 Q And if we look at the top row, the line that says, 2 "actual INT percent," what is reflected in that row? 3 A We took that straight from the Trump statements. This 4 is the actual interest rate paid in each of the years and the 5 same is true of the loan amounts, that they're exactly the 6 amounts that were outstanding for each of the years. 7 Q When you say "loan amount," you're referring to the row 8 that says, "loan AMT ADJ"? 9 A Yes. 10 Q Can you tell us what is reflected in the "low CRE INT 11 percentage"? 12 A We -- after we did the market analysis and determined 13 that the BB credit was in a tight band, we then decided that the 14 CRE proposals for each of the projects, since they knew more 15 about the projects than the market would have, was probably the 16 best representative, contemporaneous data for an interest rate 17 for the projects without the guaranty. 18 Q And if we look at the numbers, they're spread out in 19 the row "CRE INT," it stays at ten percent from 2014 through 20 2022. Why does the rate stay the same? 21 A We made a decision to keep it. The line above it is 22 floating with LIBOR pricing. We decided in CRE to keep it 23 straight for each of the projects as a conservative measure. We 24 were concerned that with interest rates going up in '17, '18 and 25 '19, that it would present too dramatic a number, so we decided</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3059</p> <p>1 Q And just to make sure I'm understanding correctly, you 2 said the line above is a floating rate. This is the numbers 3 reflected in the row, "actual INT percentage rate." That's the 4 row you're referring to? 5 A That's correct. The loans were made as a premium to 6 LIBOR and so as LIBOR went up, the interest paid went up and 7 when LIBOR went down, interest payments go down. 8 Q And so if we look at the bottom row under the Doral 9 section, it says "interest delta." What is reflected in that 10 row? 11 A That's the difference between the first two rows and 12 dollar amounts and so each year that's the calculation of the 13 difference in if it's project financed versus guaranteed finance 14 and that differential is totalled up for Doral on the far right, 15 72,908,308. 16 Q And what is the basis for the GAAP in the interest 17 rates you've identified here? 18 A The basis is that the financial statements as provided 19 wouldn't allow PWM along with conditions of the projects to have 20 made the loans and that the true rate of risk premium was the 21 CRE line. So the differential between the two was the -- my 22 calculation lost interest due to the debt difference. 23 Q Do you have -- 24 MR. KISE: Objection. Move to strike the answer 25 the answer, assumes facts not in evidence, Your Honor.</p>

<p>M. McCarty - Plaintiff - direct (Wallace) Page 3060</p> <p>1 MR. WALLACE: What facts are --</p> <p>2 MR. KISE: The real banks in the real world that</p> <p>3 actually evaluated the loan have not testified in this</p> <p>4 courtroom at trial that in fact they would not have approved</p> <p>5 the loans and at those levels. So this witness is assuming</p> <p>6 facts that are not in evidence at all. He's introducing new</p> <p>7 facts with that testimony -- that answer.</p> <p>8 MR. WALLACE: I will make two points. One is an</p> <p>9 expert is allowed to rely upon hearsay and evidence that is</p> <p>10 not in the record. I will also note that the terms of the</p> <p>11 offers that were made by the -- that were made by Deutsche</p> <p>12 Bank were not disputed at summary judgments. We are</p> <p>13 entitled to disgorgement potentially coming out of the</p> <p>14 summary judgment decision and hence, it is part of the</p> <p>15 record as something that an expert is perfectly capable of</p> <p>16 considering.</p> <p>17 MR. KISE: Your Honor, if the government is asking</p> <p>18 this witness to do the math between the two numbers and</p> <p>19 testify that that's the mathematical difference, that's</p> <p>20 fine, but that wasn't the question. That wasn't the answer</p> <p>21 that was given. The answer that was given is that Private</p> <p>22 Wealth Management would not have made this loan on these</p> <p>23 terms based on his analysis and there is no evidence from</p> <p>24 the real banks that operate in the real word that did their</p> <p>25 own real evaluation. That's what's in the record right now.</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3062</p> <p>1 MR. WALLACE: Your Honor, I actually don't think he</p> <p>2 is assuming any facts and the record does show there was an</p> <p>3 offer made. I think he is describing his knowledge and his</p> <p>4 assessment of whether the loans would have been made, but</p> <p>5 ultimately, we are asking him to measure the difference</p> <p>6 between a market rate without a statement of financial</p> <p>7 condition and the rate that they obtained with the statement</p> <p>8 of financial condition. This is not an element of a 6312</p> <p>9 claim but it is to provide assistance to the Court in</p> <p>10 determining what was the potential profit that came from the</p> <p>11 fraudulent activity that we've already identified and</p> <p>12 established. So it is not an element of 6312. It is not</p> <p>13 speculation and it is based on the facts that are in the</p> <p>14 record at this point as to what -- how these loans are being</p> <p>15 priced by different groups. I think he has also said he</p> <p>16 compared this to the market rates, which I -- was going to</p> <p>17 actually be my next question.</p> <p>18 So I think that this is a basis. If they want to</p> <p>19 suggest that it's not reliable, that he should rely on other</p> <p>20 information, that's perfectly fine. It seems like they have</p> <p>21 a very large binder for cross examination they can go</p> <p>22 through and they can make an argument on it as to what the</p> <p>23 appropriate measure of disgorgement might be, but at this</p> <p>24 point he's basing his opinions on facts that are in the</p> <p>25 record.</p>
<p>M. McCarty - Plaintiff - direct (Wallace) Page 3061</p> <p>1 MR. WALLACE: Based on fraudulent financial</p> <p>2 statements. This is the hurdle you guys can --</p> <p>3 MR. KISE: Can I finish my objection, please?</p> <p>4 THE COURT: Mr. Wallace, please don't interrupt.</p> <p>5 MR. WALLACE: All right.</p> <p>6 MR. KISE: And so the government as I say is</p> <p>7 perfectly capable of eliciting that testimony from the bank.</p> <p>8 It's their burden to do it. It's not my burden to undo it.</p> <p>9 It's their burden to do that. They were perfectly capable</p> <p>10 of doing that. They didn't because we all know from the</p> <p>11 record that isn't before the Court that the answer would not</p> <p>12 have been favorable to them. So that's why they didn't do</p> <p>13 it. So they now have a witness who is an expert and I don't</p> <p>14 quarrel with his qualifications in that regard, but he is</p> <p>15 assuming facts not in evidence which is clearly not</p> <p>16 appropriate under the case law that we cited. There is no</p> <p>17 record evidence. He's -- as the Ortiz case that we</p> <p>18 discussed, there are two eyewitnesses and this is an accident</p> <p>19 reconstructionist that's coming in.</p> <p>20 I'll wait so you can read the note that</p> <p>21 Ms. Greenfield just handed you.</p> <p>22 THE COURT: What do I want for dinner?</p> <p>23 MR. KISE: Right. That was yesterday.</p> <p>24 THE COURT: Well, we could ask the witness what</p> <p>25 facts he's assuming.</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3063</p> <p>1 THE COURT: Well, I think we need to ask him what</p> <p>2 facts, if any, he assumed. Then we decide whether they're</p> <p>3 in the record.</p> <p>4 As for whether experts are allowed to rely on</p> <p>5 hearsay, that's a subtle one. I don't think I've come</p> <p>6 across yet. Do you have any authority for that? Can you</p> <p>7 get authority for that?</p> <p>8 MR. KISE: Your Honor, I'm not even suggesting it's</p> <p>9 relying on hearsay. What I'm saying is that the facts don't</p> <p>10 exist at all, that they haven't established that the gains</p> <p>11 are ill gotten in the first place because the bank itself</p> <p>12 has not provided that testimony.</p> <p>13 Just because the statements may have contained</p> <p>14 falsities based on Your Honor's ruling, which you know we</p> <p>15 disagree with, but just because the statements may have</p> <p>16 contained inaccuracies, falsities, how you want to describe</p> <p>17 it does not mean that the bank in fact would have done</p> <p>18 something different. And until that is established, the</p> <p>19 gains are not ill gotten because if the bank were to say</p> <p>20 that even knowing what I know today, yes, I would have</p> <p>21 likely made those loans and Your Honor knows we're going to</p> <p>22 hear testimony from that same bank that's going to say that</p> <p>23 Mr. Trump would have qualified for the private wealth</p> <p>24 management group anyway. So the idea that whether it's two</p> <p>25 and a half billion, whether it's one billion, whether it's</p>

M. McCarty - Plaintiff - direct (Wallace)	Page 3064	M. McCarty - Plaintiff - direct (Wallace)	Page 3066
<p>1 500 million. So the question is whether the bank who had</p> <p>2 the responsibility in the real world to make the credit</p> <p>3 determination to determine the probability of default as</p> <p>4 this expert has just testified to, made that decision and</p> <p>5 with the revised information would they have made the same</p> <p>6 decision? I don't know whether this witness would have made</p> <p>7 the same decision, but that's not what's at issue here.</p> <p>8 What's at issue here is whether the bank made the decision</p> <p>9 or would have made a different decision or would have</p> <p>10 actually priced the loans differently considering all of the</p> <p>11 factors. And yes, we will get to a lot of other specific</p> <p>12 items in cross examination, but this is a fundamental</p> <p>13 question and this witness is assuming that the bank -- he's</p> <p>14 substituting his judgment. He's saying well, based on what</p> <p>15 I see I wouldn't have approved it, okay, that's great. But</p> <p>16 he doesn't get to make that call unless the bank says they</p> <p>17 wouldn't have approved it. Back to the Ortiz case and the</p> <p>18 other cases that we cited.</p> <p>19 MR. WALLACE: I don't think it is our obligation to</p> <p>20 have a loan officer from Deutsche Bank sit here and listen</p> <p>21 to all the evidence that comes in at trial and then say yes,</p> <p>22 so let me go back and figure out what would have really</p> <p>23 happened if I had known all the lies that Donald Trump was</p> <p>24 telling me. That's not how this works. And Mr. Kise is</p> <p>25 rehashing the same arguments we made yesterday when they</p>		<p>1 ground that I don't know what he was relying on.</p> <p>2 MR. WALLACE: I believe he's testified to it, but</p> <p>3 I'll ask you -- I'll cover it again, Your Honor.</p> <p>4 Q Mr. McCarty, how did you calculate the CRE INT number?</p> <p>5 A I took the loan proposal from Deutsche Bank which was</p> <p>6 LIBOR + 8 and with a floor of LIBOR 2, so at ten percent rate</p> <p>7 proposed in their term sheet and I used that number.</p> <p>8 Q And do you have a view -- any other information you</p> <p>9 considered in reaching your conclusion as to what that interest</p> <p>10 rate was?</p> <p>11 A I might have just to complete for the whole</p> <p>12 spreadsheet. The term is the actual term of the loan. I used</p> <p>13 the same term of the loan, the loan amounts of the actual loan</p> <p>14 amounts and the differential is just the difference in the</p> <p>15 actual interest paid and the interest proposed by CRE, which I</p> <p>16 validated in the market comparison as a market rate. So you</p> <p>17 could put market rate there instead of CRE the same way.</p> <p>18 Q So if I'm understanding correctly, then the actual INT</p> <p>19 reflects the rate that Mr. Trump was able to obtain using his</p> <p>20 financial statement?</p> <p>21 A That's actually off their statements.</p> <p>22 Q Okay. And the CRE INT is just the interest rate that</p> <p>23 he was -- that one would obtain without using a personal</p> <p>24 guaranty. Is that a correct analysis?</p> <p>25 A From Deutsche Bank invalidated in the market, yes.</p>	
M. McCarty - Plaintiff - direct (Wallace)	Page 3065	M. McCarty - Plaintiff - direct (Wallace)	Page 3067
<p>1 made their motion to preclude Mr. McCarty's testimony. This</p> <p>2 is a measure of the benefit they obtained. That is</p> <p>3 perfectly reasonable, expert testimony.</p> <p>4 We do not need to prove the counterfactual of we</p> <p>5 reconstruct every piece of his financial statements. We</p> <p>6 showed that he used fraudulent financial statements in</p> <p>7 business to obtain these loans.</p> <p>8 The measure of the benefit is perfectly reasonable</p> <p>9 expert testimony. It is not something that we have to</p> <p>10 establish by going back to each of the loan officers who are</p> <p>11 making the decision at the time these loans were made.</p> <p>12 MR. KISE: Of course it is, Your Honor.</p> <p>13 THE COURT: Hold on. I'm arguing for you. I still</p> <p>14 want to know what he based his answer on.</p> <p>15 MR. WALLACE: I'm happy to get that information,</p> <p>16 but we've now drifted into a legal argument over essentially</p> <p>17 the same issues we were discussing yesterday. I'm happy to</p> <p>18 continue with the exam and ask Mr. McCarty to repeat what he</p> <p>19 based his decision on what the CRE INT percentage.</p> <p>20 THE COURT: It's not even a legal argument. It's</p> <p>21 more of a mathematical argument. Anyway, why don't you</p> <p>22 given Mr. Kise's objection, which I'll sustain without</p> <p>23 prejudice to further examination --</p> <p>24 MR. WALLACE: I'm sorry, what's been sustained?</p> <p>25 THE COURT: His objection at this point on the</p>		<p>1 THE COURT: So objection now overruled subject to</p> <p>2 cross examination. He said where he got the numbers.</p> <p>3 MR. KISE: Right. I just want to be clear that</p> <p>4 he's testifying as to the mathematics, not to the ill gotten</p> <p>5 nature of the gain. He's just testifying these are the</p> <p>6 differences and the numbers.</p> <p>7 MR. WALLACE: He is testifying as to what he is</p> <p>8 testifying to. There is someone here writing it all down.</p> <p>9 If we have a legal dispute as to whether that is an</p> <p>10 appropriate measure of disgorgement, that's our closing</p> <p>11 arguments or post-trial briefing, but the evidence of the</p> <p>12 work he did is the evidence of the work he did.</p> <p>13 THE COURT: Mr. Kise, you're asking -- you want to</p> <p>14 be clear what he testified to. The record will show what he</p> <p>15 testified to.</p> <p>16 MR. KISE: But he's testifying to mathematics.</p> <p>17 That's acceptable. He can put up numbers on the board and</p> <p>18 testify to them, but our objection goes right to the point</p> <p>19 he can't substitute his judgment which is what the one</p> <p>20 question that we talked about that where this whole colloquy</p> <p>21 began. The one question is the loans -- they're not ill</p> <p>22 gotten gains if the bank doesn't testify that they would</p> <p>23 have done -- they would have not done anything differently</p> <p>24 if the bank would have acted the same under the</p> <p>25 circumstances. Then the gains are not ill gotten.</p>	

M. McCarty - Plaintiff - direct (Wallace)	Page 3068	M. McCarty - Plaintiff - direct (Wallace)	Page 3070
<p>1 As long as this witness is not testifying that the</p> <p>2 gains were not ill gotten, that this is -- if he's just</p> <p>3 testifying these are math numbers and there was one number</p> <p>4 that was the actual and there is one number that was the</p> <p>5 CRE, then that's fine. But I don't believe that that's</p> <p>6 where this is going and I don't believe that's what this</p> <p>7 witness is testifying to.</p> <p>8 MR. WALLACE: Well, I believe the witness has said</p> <p>9 he is relying upon the Court's determination and summary</p> <p>10 judgment. I will say that if this is, again, legal argument</p> <p>11 as to whether this is an appropriate measure of damages.</p> <p>12 And so I would like to continue to put in this evidence and</p> <p>13 we can continue our disagreements as to whether or not this</p> <p>14 establishes an improper benefit to Mr. Trump and the Trump</p> <p>15 Organization, but that the testimony is the testimony.</p> <p>16 THE COURT: Yes, objection overruled. Let's move</p> <p>17 on.</p> <p>18 MR. KISE: Okay.</p> <p>19 Q Mr. McCarty, I'd like to move on to the next row, the</p> <p>20 OPO loan. Can you tell us what's your understanding of the OPO</p> <p>21 project?</p> <p>22 A OPO project was the Old Post Office in Washington,</p> <p>23 D.C.. That was put out for bid for converting it to a hotel.</p> <p>24 Series of bidders put forward proposals and the Trump</p> <p>25 Organization ultimately won the right to convert and hold the</p>		<p>1 more expensive than debt. So we took a shot at cost to capital</p> <p>2 for the equity and adjusted the interest rate for that</p> <p>3 additional required equity.</p> <p>4 Q And how did you do that?</p> <p>5 A We took a cost to capital for project finance real</p> <p>6 estate-related average which is like 12 percent. So we took</p> <p>7 12 percent on the 30 million to come back to an add on to get to</p> <p>8 a comparable rate.</p> <p>9 Q Any other bells and whistles that you had to consider?</p> <p>10 A This had a series of -- this was the only one that we</p> <p>11 found that was a proposed syndicated loan and syndicated loans</p> <p>12 have fees attached to them, one percent up front and three</p> <p>13 percent on syndication. So this had four percent fees that were</p> <p>14 not included in the other transactions.</p> <p>15 Q And just to make sure the record is clear what does it</p> <p>16 mean to syndicate a loan?</p> <p>17 A One bank originates it. They get an origination fee.</p> <p>18 They go out to distribute it to other banks. They have an</p> <p>19 agreement with the borrower they're allowed to sell the loans to</p> <p>20 other banks.</p> <p>21 Q Any other bells and whistles that you had to consider?</p> <p>22 A There are -- this is cash sweeps and low yield</p> <p>23 categories that basically restricted the ability to take cash</p> <p>24 out of the business and we had to take account of the</p> <p>25 differential.</p>	
M. McCarty - Plaintiff - direct (Wallace)	Page 3069	M. McCarty - Plaintiff - direct (Wallace)	Page 3071
<p>1 lease.</p> <p>2 Q Okay. And so in this analysis what does the row</p> <p>3 "actual INT percentage" reflect?</p> <p>4 A It's the same. This is off the June statements of</p> <p>5 Trump Organization actual interest paid.</p> <p>6 Q Okay. And the row marked "CRE INT," how did you</p> <p>7 determine the CRE INT for this loan?</p> <p>8 A Unlike Doral and Chicago, which are very forward and</p> <p>9 similar, we had an issue with OPO because the proposal from</p> <p>10 Deutsche Bank included what we wonderfully call in my business</p> <p>11 bells and whistles which is intended to be a representation of</p> <p>12 other terms and conditions that have economic effect that aren't</p> <p>13 in the interest rate.</p> <p>14 Q And what were some of the bells and whistles you had to</p> <p>15 consider?</p> <p>16 A The first one, the major one was it was for a smaller</p> <p>17 amount than the proposal, the actual proposal by \$30 million.</p> <p>18 So it required -- the Trump Organization would have required the</p> <p>19 Trump Organization to put up \$30 million more equity into the</p> <p>20 project to complete it.</p> <p>21 Q And what impact did the fact that the Trump</p> <p>22 Organization had to put in an additional \$30 million of equity,</p> <p>23 what effect did that have on your analysis?</p> <p>24 A Well, some people don't realize it, but equity has a</p> <p>25 cost and the cost of equity can be determined and it's actually</p>		<p>1 Q And could you just describe for us what is a cash</p> <p>2 sweep?</p> <p>3 A This is basically a lockbox. I think people might know</p> <p>4 that better where all the cash that comes into the organization,</p> <p>5 goes to a lockbox and is only released by the bank when and if</p> <p>6 the other obligations have been satisfied.</p> <p>7 Q And so taking all those factors into account, what did</p> <p>8 you determine about the CRE interest rate?</p> <p>9 A On a comparable basis it was eight percent we believe.</p> <p>10 Q And were you able to determine whether or not that was</p> <p>11 a market rate?</p> <p>12 A We did. We went out and did a similar comparable run</p> <p>13 through for -- again, there is nothing directly comparable to</p> <p>14 OPO, but we believe that in kind of the center of the comparable</p> <p>15 group.</p> <p>16 Q And so just so I'm understanding, once again, the</p> <p>17 actual interest rate row shows the loan that Mr. Trump and the</p> <p>18 Trump Organization were able to obtain using personal guaranty</p> <p>19 and the financial statement; is that correct?</p> <p>20 A That's correct.</p> <p>21 Q And so then the CRE interest rate percentage row shows</p> <p>22 your assessment of what the market rate would be for a loan with</p> <p>23 no personal guaranty whatsoever?</p> <p>24 A That's correct.</p> <p>25 Q Once again, you used a fixed rate throughout the term?</p>	

<p>M. McCarty - Plaintiff - direct (Wallace) Page 3072</p> <p>1 A We did. We ran it with a floating rate, but it was 2 significantly higher, so we decided to be conservative and keep 3 it flat. 4 Q I think you described this when you were talking about 5 the Doral loan as well that is because there was variation in 6 the LIBOR rate during the term of this loan; is that correct? 7 A That's correct. And it would have been a significantly 8 higher, several points higher for several of the years. 9 Q And so what was the total interest differential on the 10 OPO property? 11 A Well, using the same loan amounts as from their books. 12 We came up with an interest differential lost interest of 13 53,423,209. 14 Q Okay. 15 MR. KISE: Same objection, Your Honor. 16 THE COURT: Same ruling. 17 I just want to point out one other thing which goes 18 back to our earlier discussions. I believe you said your 19 only objection or your main objection was to any reading 20 into what he said that these gains are ill gotten. I 21 decided they were ill gotten. He's not deciding that. He's 22 deciding the number. 23 MR. KISE: Yes, Your Honor, but the only basis for 24 an expert to testify is in this circumstance as we went over 25 yesterday, I'm not going to belabor it, but is where the</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3074</p> <p>1 Q And so how did you calculate the CRE interest rate for 2 the Chicago loan? 3 A The CRE was from the term sheet that Deutsche Bank CRE 4 provided to them. It had several iterations. I saw a redline 5 version of it, so I think it had been interactively provided and 6 so that was the rate. Again, we did it flat. This was the 7 LIBOR plus the stated premium that CRE offered on a 8 non-guaranteed basis. 9 Q Okay. And in the far right, what was your calculation 10 as to the total interest benefit on the Chicago property? 11 A It was 17,443,359. 12 MR. KISE: Same objection. Interest benefit. 13 THE COURT: Same ruling. Overruled. 14 Q Mr. McCarty, do you recall being deposed by the 15 defendant in this case? 16 A I do. 17 Q Do you recall the defendants asking you about a default 18 rate on these three loans? 19 A I do. 20 Q Did you consider as part of your work whether the 21 default rate was an appropriate means to establish lost 22 interest? 23 A I did. 24 Q And what did you -- what conclusion did you reach? 25 MR. KISE: Objection, Your Honor. Again, now he's</p>
<p>M. McCarty - Plaintiff - direct (Wallace) Page 3073</p> <p>1 record provides an opening for that if there is no record 2 evidence that the gains were ill gotten, meaning the bank 3 itself in the real world with their real analysis does not 4 say that they would have in fact done something different, 5 then none of this comes in at all because it's like the 6 accident reconstructionist being brought in in the case that 7 I cited where there is two eyewitnesss to the accident. 8 The expert simply cannot contradict the record 9 evidence. The expert can opine on the record evidence, but 10 he or she cannot contradict the record evidence. 11 THE COURT: Overruled. And five-minute warning. 12 MR. WALLACE: Thank you, Your Honor. 13 Q Mr. McCarty, just to move on to the next row. It 14 states "Chicago." Can you tell me what is your understanding of 15 what the Chicago loan is? 16 A There are actually two loans in Chicago, an A and a B 17 and we actually didn't do the A because it was retired early, so 18 we only did the B loan. 19 Q And what was the B loan that you analyzed? 20 A This is related to a hotel condominium complex in 21 Chicago that Deutsche Bank had lent to previously. 22 Q Okay. And how did you calculate the -- let me just 23 backup. Was your analysis for the Chicago loan similar to the 24 analysis you conducted for the other loans? 25 A Yes. It's just exactly like Doral.</p>	<p>M. McCarty - Plaintiff - direct (Wallace) Page 3075</p> <p>1 going outside even the documents. I mean, the document the 2 contract, the agreement between the parties specifies a 3 default rate. That was agreed to between these 4 sophisticated parties. It was negotiated carefully. There 5 is no basis in this record for an expert to come in and 6 testify that that default rate wouldn't otherwise apply. 7 It's just not -- there is no foundation at all for that. 8 That's -- that's beyond absurd to have a witness testify 9 directly contrary to the agreement of the parties. 10 The parties' agreement forms the foundation of the 11 relationship and it was up to the bank to exercise its 12 rights if it felt there was a default or if it didn't think 13 there was a default or if it didn't think there was a 14 default that it cared about because we're talking about 15 performing loans, then they would have done nothing, but 16 there is no foundation for this witness to substitute his 17 judgment for what's actually in the documents. 18 THE COURT: You said there was an agreement as to 19 the default rate? 20 MR. KISE: There is a -- there is a -- 21 THE COURT: That was a yes or no. 22 MR. KISE: Yes. 23 THE COURT: Okay. Was there an agreement that it 24 had to be applied? 25 MR. KISE: No. It was up to the bank's discretion.</p>

<p>1 MR. WALLACE: And, Your Honor, I'm just going to</p> <p>2 remind you the rules around disgorgement provide that it</p> <p>3 should be an approximation of what the benefit was. I'm</p> <p>4 just asking him now if his view is whether the default rate</p> <p>5 represented an appropriate way to establish lost interest.</p> <p>6 I think we have an objection.</p> <p>7 THE COURT: Overruled.</p> <p>8 MR. KISE: There are -- Your Honor, they're asking</p> <p>9 this witness to substitute its judgment for what was</p> <p>10 negotiated between the parties. That's completely improper.</p> <p>11 There is absolutely no basis for that.</p> <p>12 THE COURT: Are you -- Mr. Wallace, are you doing</p> <p>13 what you're being accused of?</p> <p>14 MR. KISE: It's exactly what he's doing.</p> <p>15 THE COURT: Are you violating an agreement between</p> <p>16 the parties?</p> <p>17 MR. WALLACE: I just want to make sure I have the</p> <p>18 question proper.</p> <p>19 No.</p> <p>20 MR. KISE: He's disregarding it. That's the record</p> <p>21 evidence. There is an agreement between the parties and</p> <p>22 he's asking this witness if that's an appropriate measure</p> <p>23 the parties negotiated that as the appropriate measure. You</p> <p>24 can't just throw that out by some expert.</p> <p>25 MR. WALLACE: Mr. McCarty has his opinion as to</p>		<p>1 give an opinion even though you've agreed to something else.</p> <p>2 He's just saying he didn't consider it. He didn't say he's</p> <p>3 considered it at another number but for a different reason.</p> <p>4 He said he didn't consider it.</p> <p>5 MR. KISE: It's not appropriate to even introduce</p> <p>6 into the record and it's not appropriate for the Court to</p> <p>7 consider it that it contravenes the evidence in the record</p> <p>8 if there is no foundation for it.</p> <p>9 Q Did you actually conduct an analysis of what the</p> <p>10 differential would have been if you'd used the penalty rate?</p> <p>11 A I did.</p> <p>12 Q And what --</p> <p>13 MR. KISE: Objection.</p> <p>14 Q What knowledge did you come to?</p> <p>15 A It's a number that's larger than this.</p> <p>16 Q So it's larger than the numbers that we have on the</p> <p>17 differential in the loans here?</p> <p>18 A The total number, yes.</p> <p>19 THE COURT: You see, he's giving you a break.</p> <p>20 MR. WALLACE: I think speaking of breaks, Your</p> <p>21 Honor.</p> <p>22 THE COURT: I wish I had thought of that.</p> <p>23 All right. Let's say we'll call it a ten-minute</p> <p>24 break over the next 17 minutes, so I'll see you all at</p> <p>25 quarter to 12.</p>	
M. McCarty - Plaintiff - direct (Wallace)	Page 3077		Page 3079
<p>1 whether it's -- he's presenting that to Your Honor.</p> <p>2 Mr. Kise has his arguments as to why it's not an appropriate</p> <p>3 measure and it's ultimately a decision for the Court to</p> <p>4 make. I don't think that's an actual objection to this</p> <p>5 evidence coming in now.</p> <p>6 THE COURT: Objection.</p> <p>7 MR. KISE: There is an objection.</p> <p>8 THE COURT: All right. Overruled.</p> <p>9 MR. WALLACE: I'll try to get this in the</p> <p>10 30 seconds I have.</p> <p>11 Q Mr. McCarty, did you make a consideration as to whether</p> <p>12 the default rate was an appropriate means to establish lost</p> <p>13 interest?</p> <p>14 A I've negotiated many dozens of loan documents that</p> <p>15 include default rates. Default rates are a penalty rate that is</p> <p>16 used to force compliance of covenants. It is not a measure of</p> <p>17 ill gotten gains or anything else. It's purely a penalty rate.</p> <p>18 It's usually standard four percent lately and I didn't consider</p> <p>19 it something that would be viable for the measurement I was</p> <p>20 trying to do.</p> <p>21 Q Did you analyze --</p> <p>22 MR. KISE: Objection. Move to strike. Assumes</p> <p>23 facts not in evidence.</p> <p>24 THE COURT: Overruled. And to borrow a phrase or</p> <p>25 two from Mr. Wallace, he's just giving his opinion. He can</p>		<p>1 (Whereupon, there is a recess in the proceedings.)</p> <p>2 Transcript continues on the following page....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>2 session. Be seated and come to order.</p> <p>3 THE COURT: Mr. Wallace, how much longer?</p> <p>4 MR. WALLACE: For my direct, I would say five to</p> <p>5 ten minutes at most.</p> <p>6 THE COURT: Good.</p> <p>7 Do you have any idea how long the cross-examination</p> <p>8 will be if he has five to ten minutes?</p> <p>9 MR. KISE: I would say probably three hours, could</p> <p>10 be two. We are going to have -- we're going to have the</p> <p>11 lunch break in between. That will help us review.</p> <p>12 THE COURT: Depends on what we eat.</p> <p>13 MR. KISE: Right.</p> <p>14 THE WITNESS: Witness entering.</p> <p>15 THE COURT: Let's go.</p> <p>16 Q It is still morning, Mr. McCarty.</p> <p>17 MR. WALLACE: If we could put Plaintiff's</p> <p>18 Demonstrative 4 back up on the screen, please.</p> <p>19 Q Mr. McCarty, just looking to clarify one thing about</p> <p>20 your calculations on Doral and Chicago.</p> <p>21 Under the year 2014, does that represent the full year</p> <p>22 calculation of interest or some other time period?</p> <p>23 A No. I probably should footnote that. As I started to</p> <p>24 say in the beginning, we modified this for the judge's ruling of</p> <p>25 July 13, 2014 as a no-look-back date, so that includes only</p>	<p>1 it as something that would be impinged.</p> <p>2 Q Were there any other transactions that you were asked</p> <p>3 to look at?</p> <p>4 A We were asked to look at the Bryn Mawr loan, which was</p> <p>5 a smaller loan, and we determined that it really wasn't material</p> <p>6 to the discussion, so we didn't put it in the calculation.</p> <p>7 Q And when you say "material," how did you interpret that</p> <p>8 to mean?</p> <p>9 A It was less than a million dollars of impact.</p> <p>10 Q Can I ask you the numbers reflected in your table, do</p> <p>11 they reflect compound interest or simple interest?</p> <p>12 A It's simple interest. There's no time value of money</p> <p>13 to these at all.</p> <p>14 Q And in your work compiling these numbers, did you</p> <p>15 consider any prejudgment interest in reaching these</p> <p>16 calculations?</p> <p>17 A No, we did not.</p> <p>18 MR. WALLACE: Nothing further, Your Honor.</p> <p>19 THE COURT: Okay. Let's start the</p> <p>20 cross-examination.</p> <p>21 CROSS-EXAMINATION</p> <p>22 BY MR. SUAREZ:</p> <p>23 Q Good morning, Mr. McCarty.</p> <p>24 A Good morning, sir.</p> <p>25 MR. SUAREZ: Is this on?</p>
M. MCCARTY - PLAINTIFF - DIRECT(MR. WALLACE) Page 3081	M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3083
<p>1 July 14th forward.</p> <p>2 Q Thank you. If we go down to the bottom row, 40 Wall.</p> <p>3 First, can you give me your understanding of this loan</p> <p>4 transaction?</p> <p>5 A This was a re-financing of a Capital One mortgage that</p> <p>6 was done through Ladder Capital and for the 40 Wall Street</p> <p>7 building downtown Manhattan.</p> <p>8 Q And how did you calculate the lost interest for this</p> <p>9 loan?</p> <p>10 A Again, starting off, we took the actual interest off</p> <p>11 the books. This was a fixed rate loan and for the second one,</p> <p>12 we took -- the first one is Ladder Capital, not Deutsche Bank.</p> <p>13 There's a difference here. That's Ladder Capital's actual</p> <p>14 interest paid and the second line is an assumption we made that</p> <p>15 with the financial statements being determined to be false and</p> <p>16 misleading, they wouldn't have been able to get the Ladder</p> <p>17 Capital loan done and that they extended their existing facility</p> <p>18 with Capital One for the period.</p> <p>19 MR. KISE: Same objection. Move to strike, Your</p> <p>20 Honor.</p> <p>21 THE COURT: Overruled.</p> <p>22 Q Now, the loan to -- from -- for 40 Wall Street, that</p> <p>23 was not a guaranteed loan, correct?</p> <p>24 A There was usage of the financial statements material in</p> <p>25 the offering material by Ladder Capital, so that's why we viewed</p>	<p>1 THE COURT: No. There we go.</p> <p>2 MR. SUAREZ: Now can you hear me?</p> <p>3 THE COURT: I can.</p> <p>4 MR. SUAREZ: There we go.</p> <p>5 Q Good morning, Mr. McCarty.</p> <p>6 Banks historically have been willing to lend to</p> <p>7 high-net worth individuals because they get repaid. That's what</p> <p>8 you said on your direct, correct?</p> <p>9 A That's correct.</p> <p>10 Q And that's exactly what happened here, isn't it?</p> <p>11 A I believe everybody got repaid, yes.</p> <p>12 Q Okay. The Deutsche Bank loans, OPO Chicago and Doral,</p> <p>13 they were loans that were made to borrowers guaranteed by a</p> <p>14 high-net worth individual and they got repaid, right?</p> <p>15 A Yes.</p> <p>16 THE COURT: I'll give you some leeway, but this has</p> <p>17 been admitted, conceded, stipulated, et cetera, et cetera,</p> <p>18 so let's not spend a lot of time.</p> <p>19 MR. SUAREZ: The key difference here, Your Honor,</p> <p>20 is that he testified on his direct that banks have</p> <p>21 historically been willing to lend to high-net worth</p> <p>22 individuals because they get repaid.</p> <p>23 THE COURT: Go ahead.</p> <p>24 Q That's correct?</p> <p>25 A That's correct.</p>

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3084

1 Q And that specifically happens in the private wealth  
2 management environment, correct?  
3 A That's where most high-net worth individual loans are  
4 made, yes.  
5 Q And you've never worked in a private wealth group of a  
6 bank, correct?  
7 A I've worked in the banks that have private wealth, but  
8 I've never been an officer in a private wealth management group.  
9 Q So long story short, you've never worked in the private  
10 wealth management group of a bank, right?  
11 A No, not in the group.  
12 Q You've never worked at Deutsche Bank, correct?  
13 A No.  
14 Q You've never worked at Ladder Capital, right?  
15 A No.  
16 Q Before you got involved in this case, you had never  
17 read the Deutsche Bank credit policies, correct?  
18 A That one, I may have. I've done several transactions  
19 with Deutsche Bank and I believe I've probably seen it one time  
20 or another.  
21 Q Had you reviewed the Deutsche Bank private wealth group  
22 policies?  
23 A No. Again, I was a customer of private wealth  
24 management for a dozen or so years, so I might have seen it as  
25 part of my interaction as a customer.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3085

1 Q Your testimony is that as a customer of the private  
2 wealth group, you reviewed their private wealth management  
3 lending policies?  
4 A I was good friends with Tom Bowers who ran that group  
5 and set it up, so Tom Bowers, so I might have seen it. I don't  
6 recall it today.  
7 Q But you certainly have no expertise in them, correct?  
8 A Clarify for me what expertise you're looking for.  
9 Q Were you a specialist in the Deutsche Bank private  
10 wealth lending policies?  
11 A No.  
12 Q Were you a specialist in the Deutsche Bank credit  
13 policies?  
14 A As they consider consistent with Basel II, I'm familiar  
15 with their policies, yes.  
16 Q But you're not familiar prior to becoming involved with  
17 this case specifically with the Deutsche Bank credit policies,  
18 right?  
19 A With Deutsche Bank specifically, no.  
20 Q Okay. And the same is true for Ladder Capital,  
21 correct?  
22 A Correct.  
23 Q The New York Attorney General, I believe, is paying you  
24 \$950 an hour for your work on this case, correct?  
25 A That's my standard rate, yes.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3086

1 Q As of your deposition, the People of the State of New  
2 York has paid you approximately \$300,000, correct?  
3 A That's about right.  
4 Q How much more have you been paid since your deposition?  
5 A Well, I haven't been paid any more than that. I may  
6 have billed some.  
7 Q How much have you billed since your deposition?  
8 A I don't really recall, but it might be 40 or \$50,000.  
9 Q So in total, you've been paid to bill the Attorney  
10 General People of the State of New York over \$750,000 for your  
11 testimony today, correct?  
12 A The math -- 300,000 plus 40 or 50.  
13 Q I heard 450. I'm sorry.  
14 A 40 or 50.  
15 Q I'm having a hard time hearing.  
16 A Sorry about that. I'll get closer to the mic.  
17 Q Approximately \$400,000 for your work in this case?  
18 A A little less than that, but yes.  
19 Q How much more do you expect to charge the People of the  
20 State of New York for your work in this case?  
21 A Other than for my testimony today, I don't anticipate  
22 any more.  
23 Q Since your deposition, have you read any additional  
24 materials?  
25 A Not that I can recall.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3087

1 Q And have you reviewed any of the trial testimony in  
2 this case?  
3 A I haven't seen any of the daily transcripts, no.  
4 Q I notice you were here for the first day of Mr. Haigh's  
5 testimony; is that correct?  
6 A Partial day. I think I had the morning.  
7 Q You didn't see the entirety of the Mr. Haigh's  
8 testimony; is that correct?  
9 A No.  
10 THE COURT: That's another example of a question  
11 asked in the negative. The response is ambiguous. "You  
12 didn't do it, did you, no." That could mean "No, I didn't  
13 do it or "No, you're wrong. I did it." So I suggest to  
14 everybody again, ask questions in the positive. "Did you,"  
15 not "didn't you."  
16 Q Is it correct that you were not here for the entirety  
17 of Mr. Haigh's testimony?  
18 A I think I left after lunch.  
19 Q You were retained through Kroll in this case?  
20 A Excuse me? I didn't hear your question.  
21 Q Were you retained through Kroll, Kroll & Associates?  
22 A K-R-O-L-L. I was retained by the Attorney General's  
23 office and through Kroll, yes.  
24 Q That wasn't disclosed in your expert disclosures,  
25 correct?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3088	M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3090
<p>1 A I'm not aware if it was or not.</p> <p>2 Q You wrote your expert disclosures, correct?</p> <p>3 A I just don't recall whether it mentioned Kroll or not.</p> <p>4 Q You were the author of the expert disclosures that you</p> <p>5 submitted to this Court?</p> <p>6 A Yes.</p> <p>7 Q Did anyone else help you in preparing those expert</p> <p>8 disclosures?</p> <p>9 A Probably one of my associates, yes.</p> <p>10 Q Who typed them out?</p> <p>11 A Probably one of my associates.</p> <p>12 Q Were they reviewed by the New York Attorney General</p> <p>13 prior to submitting them to the Court?</p> <p>14 A I believe so, yes.</p> <p>15 Q Have you reviewed any other materials introduced at</p> <p>16 trial prior to your testimony today?</p> <p>17 A What time frame are you referring to?</p> <p>18 Q Since the inception of trial.</p> <p>19 A No, I don't believe so.</p> <p>20 Q Nobody has sent you exhibits that have been introduced?</p> <p>21 A No.</p> <p>22 Q Nobody has sent you trial transcripts? It's been a while, so I don't really</p> <p>4 have a recollection how long.</p> <p>5 Q You don't remember how long you spent looking at them?</p> <p>6 A No.</p> <p>7 Q Or when you looked at them?</p> <p>8 A No. I looked at them prior to my submission of my</p> <p>9 expert report, but I don't really recall how long.</p> <p>10 Q And that was only last July, right?</p> <p>11 A Actually, I think my report was May 26th.</p> <p>12 Q Okay. You testified in July in a deposition?</p> <p>13 A Deposition, yes.</p> <p>14 Q So as recently as May of this year, you reviewed the</p> <p>15 Deutsche Bank credit and lending policies, but you don't</p> <p>16 remember how much time you spent looking at them, correct?</p> <p>17 A No, I don't.</p> <p>18 Q You were assisted in the preparation of the research</p> <p>19 and analysis that supports your opinions here today by Kroll &amp;</p> <p>20 Associates, right?</p> <p>21 A That's correct.</p> <p>22 Q And by another gentleman at your firm named Michael</p> <p>23 Espinal; is that correct?</p> <p>24 A That's correct.</p> <p>25 Q And Mr. Espinal and Kroll determined the documents that</p>

Others helped you prepare</p> <p>4 them, correct?</p> <p>5 A Not my opinions. They helped me do the research and</p> <p>6 analysis. My opinions are from myself.</p> <p>7 Q So others helped you prepare the research and analysis</p> <p>8 that support the opinions that you gave today?</p> <p>9 A Parts of them that I gave them to do.</p> <p>10 Q In connection with giving your opinions here today, did</p> <p>11 you read the Deutsche Bank credit policies?</p> <p>12 A I've read them before.</p> <p>13 Q In connection with the testimony that you are giving</p> <p>14 here today, did you read the Deutsche Bank credit policies, yes</p> <p>15 or no?</p> <p>16 A Yes.</p> <p>17 Q In connection with the testimony that you're giving</p> <p>18 here today, did you read the Deutsche Bank lending policies?</p> <p>19 A Yes.</p> <p>20 Q In connection with the testimony you're giving here</p> <p>21 today, did you read the Ladder Capital lending policies?</p> <p>22 A No, I don't believe I read -- since it was an</p> <p>23 offering, I read the offering material, not the lending policy.</p> <p>24 Q Did you review the Ladder Capital lending policies?</p> <p>25 A No.</p>	<p>1 you would review in this case, correct?</p> <p>2 A No. They responded to my questions and provided</p> <p>3 documents related to my questions.</p> <p>4 Q They acted as a filter of information, correct?</p> <p>5 A They had a knowledge base of the production that was</p> <p>6 useful, save me time in looking through all the documents.</p> <p>7 Q Did they act as a filter of information?</p> <p>8 A No, I don't believe so. They responded to my</p> <p>9 questions.</p> <p>10 Q Because those were your words at your deposition. You</p> <p>11 said that they were a filter of information.</p> <p>12 A I think a more accurate portrayal would be that they</p> <p>13 responded to my questions for documents.</p> <p>14 Q But you don't doubt that you referred to it as a filter</p> <p>15 of information?</p> <p>16 A I may have, yes.</p> <p>17 Q You directed them to provide you with loan agreements,</p> <p>18 correct?</p> <p>19 A Yes.</p> <p>20 Q And annual reviews, correct?</p> <p>21 A Credit reviews, yes.</p> <p>22 Q Credit reviews. 6 A I kind of seen the same thing before, so it is pretty  
7 easy to understand.  
8 Q They are pretty easy to understand?  
9 A If you've done them hundreds of times.  
10 Q Okay. And who prepared these documents for your

13 A I assume it was from the production from the case.

16 A No, I did not.  
17 Q Did you review any of Mazars' production in this case?  
18 A I believe some of it, but I didn't -- my focus wasn't  
19 on the accounting aspect. Mr. Lewis took that, so I don't think  
20 I delved deeply into the Mazars.  
21 Q Did you review any of the testimony offered by Jack  
22 Weisselberg in the trial in this matter?  
23 A Not in the trial, no. I think I had looked at

10 A Nope.  
11 THE COURT: By the way, that was four questions in  
12 the negative in a row. I wish you would stop doing that.  
13 These answers are ambiguous. "You didn't do that, did you"?  
14 No could mean "No, I didn't do that, or it could mean "No,  
15 you're wrong. I did that."  
16 Q Did you ever interview anyone from Deutsche Bank?  
17 A No.  
18 Q Did you ever interview anyone from Ladder Capital?  
19 A No.  
20 Q Did you ever interview anyone from Mazars?  
21 A No.  
22 Q Did you ever interview anyone interest the Trump

24 A No.  
25 THE COURT: Thank you.

1 MR. SUAREZ: Thank you, Your Honor. I appreciate  
2 it.  
3 MR. SUAREZ: Can we put the demonstrative exhibit  
4 back up, please.  
5 Q These are the four loan transactions that you testified  
6 about today, correct?  
7 A That's correct. I think there was one where I  
8 testified about that we didn't include.  
9 Q And that's not subject of your grand total of lost  
10 interest, right?  
11 A That's correct. We judged it immaterial.  
12 Q Let start with Doral. Actually, let's start with this  
13 chart. Did you prepare this chart?  
14 A I did.  
15 Q You went on Excel and created the actual chart?  
16 A I do have a technical background. I can do Excel  
17 spreadsheets, yes.  
18 Q Is that a yes?  
19 A That was a yes.  
20 Q Okay. And you reviewed the credit memo prepared in  
21 connection with the Doral transaction; is that correct?  
22 A I did.  
23 MR. SUAREZ: Can we pull up Plaintiff's

4 A I believe it does, yes.  
5 MR. SUAREZ: If we could turn to the following page  
6 and zoom in on collateral.  
7 Q Would you agree with me that the collateral for the  
8 Doral loan transaction is a first mortgage lien and a first  
9 priority security interest in the resort including the  
10 borrower's fee, simple estate, all personal property, leases,  
11 rent, revenue, operating accounts, reserves, and all other  
12 related assets?  
13 A Yes, I believe that was true.  
14 Q Did you review the Doral loan agreement?  
15 A I believe I read it, yes.

13 but not on a complete basis.  
14 Q Sorry?  
15 A For the economic terms that I needed to prepare my  
16 material I reviewed.

25 correct?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3101

1 A Yes, I was.  
2 Q And you understood that the Trump Park Avenue was not  
3 collateral pledged for this loan, correct?  
4 A That's correct.  
5 Q You understood the Trump Tower was not collateral  
6 pledged for this loan, correct?  
7 A I think also Niketown wasn't either, so...  
8 Q Okay. Niketown was not part of the collateral pledged,  
9 correct?  
10 A That's correct.  
11 Q 40 Wall Street was not part of the collateral pledged  
12 in connection with this loan, correct?  
13 A I'm not certain of 40 Wall, but I don't have a  
14 recollection of it.  
15 Q Well, earlier we went through the credit memo.  
16 A Right.  
17 Q Described the collateral for the Trump Endeavor 12  
18 loan, correct?  
19 A Right.  
20 Q Was 40 Wall part of the collateral pledged for the  
21 Trump Endeavor 12 loan?  
22 A As I sit here, I don't recall whether it was or wasn't.  
23 Q How about Seven Springs? Was Seven Springs pledged as  
24 collateral?  
25 A To the specific loan for Bryn Mawr, I believe it was.

Page 3102

1 Q No. We are talking about the Trump Endeavor 12 loan.  
2 A No. I'm sorry, it wasn't.  
3 Q Specifically with respect to the Trump Endeavor 12 loan  
4 extended by Deutsche Bank, 40 Wall Street wasn't either, right?  
5 A I said I don't recall.  
6 Q It wasn't reflected in the credit memos pledged  
7 collateral, correct?  
8 A I don't specifically recall whether it was or wasn't.  
9 Q We just reviewed it a minute ago.  
10 A Yeah.  
11 Q Do you want to me it back up?  
12 A No. It's okay. You're asking me whether I recalled  
13 it.  
14 Q Okay. Was 40 Wall Street pledged as collateral for the

1 Q Do you see Plaintiff's Exhibit 293?  
2 A Yes.  
3 Q This is something that you reviewed?  
4 A Yes.  
5 Q And the second page describes the collateral.  
6 MR. SUAREZ: Can we blow it up?  
7 Q "First mortgage lien on a first priority security  
8 interest in the resort, including the borrower's fee, simple  
9 estate, all personal property, leases, rents, revenue, operating  
10 accounts, reserves, and all other related assets." Do you see  
11 that?  
12 A I do.  
13 Q Do you have any reason to believe that 40 Wall Street  
14 was pledged as collateral for this loan?  
15 A No.  
16 THE COURT: Mr. Suarez and Mr. Kise, I see why this  
17 is going to take two or three hours. Every question -- some  
18 questions come with three four or more questions. There is  
19 no evidence that it was the collateral. He says he didn't  
20 remember. We saw this document already. Why are you so  
21 worried about whether it was or it wasn't? It wasn't as far  
22 as I can tell. If someone in the audience has evidence that  
23 it was pledged as collateral, raise your hand. Okay, nobody  
24 raised his or her hand. Please stop making one question  
25 into four or five.

<p>M. McCarty - Plaintiff - cross (Suarez) Page 3104</p> <p>1 MR. KISE: So, Your Honor, respectfully, I'm just 2 going to, as I have before, object. You never interrupt the 3 prosecution, you never give them speeches, you never limit 4 their questions, you never limit them on time, so I'm just 5 putting that on the record, Your Honor. I think it's 6 unfair. 7 THE COURT: I stand by my criticism. 8 MR. SUAREZ: Your Honor, I asked the witness a very 9 simple question he was for whatever reason reluctant to give 10 a very simple answer. 11 THE COURT: No, he did answer. He said he didn't 12 remember that was the answer. 13 MR. SUAREZ: That's even more concerning because we 14 showed him the credit memo ten minutes ago. 15 THE COURT: It doesn't say and 40 Wall Street is 16 not on the collateral. That was a very general and vague 17 statement, but let's move on. 18 Q The airplanes owned by entities belonging to President 19 Trump aren't part of the collateral either; right? 20 A No, it doesn't appear to be, no. 21 THE COURT: Well, that's -- it says what the 22 collateral is. I don't see the word "President's airplanes" 23 phrased. 24 MR. SUAREZ: Your Honor, he said it was really 25 simple to read these credit memos. If they're so simple he</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3106</p> <p>1 day of trial when you asked me to then summarize it and do 2 it in a more rapid manner for the subsequent entities. I'm 3 going to do it on the Doral loan and I'll do it in a much 4 more summary fashion on the other transactions. 5 THE COURT: Thank you. 6 Q The guarantor of personal -- withdrawn. 7 Mr. Trump's personal residences are not identified as 8 collateral for this loan; correct? 9 A That's correct. 10 Q And in your review of the loan documents and the credit 11 memos, would you agree with me that the personal guaranty on the 12 Doral transaction was reduced to a ten percent level by 13 August 3rd of 2015? 14 A I think that's the right date. I realize it had a 15 decrease in guaranty over time. 16 Q You understood that the guaranty burns down? 17 A That's correct. 18 Q As the loan to value burns down? 19 A That's correct. 20 Q The loan to value being the value of the collateral 21 divided by the loan; correct? 22 A That's what they do. 23 Q Okay. And would you agree with me there was a certain 24 point in time that President Trump, the guarantor, elected to 25 retain a ten percent guaranty level on the Trump Endeavor 12</p>
<p>M. McCarty - Plaintiff - cross (Suarez) Page 3105</p> <p>1 should be able to answer them. 2 THE COURT: They're so simple. You shouldn't have 3 to ask him. That does not state the president's airplanes. 4 That's why this is taking two or three hours. 5 Go ahead, Mr. Kise. 6 MR. KISE: Your Honor, we need to make our record 7 with this witness. This witness is the only witness that 8 they have that even hints at anything to do with ill gotten 9 gains. Not going over that again, but we need to challenge 10 his credibility, his memory, his ability to recite even 11 simple things. I mean, all of that is at issue here. I 12 mean, all of it. So I think we should be allowed -- you've 13 allowed them the latitude of introducing him in the first 14 place which I think is completely contrary to the case law 15 as you know, and I respect your ruling. But we should be 16 allowed some latitude. We've been going all of about 15 or 17 20 minutes. I just don't understand why we always get 18 interrupted. It's becoming a bit of a pattern, 19 respectfully. 20 THE COURT: I stand by my rulings and my 21 statements. 22 Please continue. Let's not go over everything that 23 Trump owned and ask the witness is it true that that's not 24 part of the collateral. The collateral is listed there. 25 MR. SUAREZ: Your Honor, I heard you on the first</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3107</p> <p>1 loan? 2 A Yes, I think to keep an interest rate differential. 3 Q Let's talk about that interest rate differential. 4 MR. SUAREZ: Can we please pull up Plaintiff's 5 Exhibit 290 at the second page? 6 And can we zoom into there the box that says "the 7 revised terms" for the interest rate? 8 Q You see here it says that the interest rate is LIBOR 9 plus 1.75 percent or prime minus .75 percent? 10 A Yes. 11 Q And when the guarantee level falls below ten percent it 12 steps up to LIBOR + 2 percent or prime -50 basis points; 13 correct? 14 A That's correct. 15 Q A half a percent; correct? 16 A Correct. 17 Q I just want to establish that I'm using the same 18 language. A percentage point is a hundred basis points; a half 19 a percent is 50 basis points? 20 A Yes. 21 THE COURT: Please keep your voice up. 22 Q So you would agree with me that the loan agreement 23 between Deutsche Bank and Trump Endeavor 12 provided that the 24 interest rate would step up by 25 basis points when the guaranty 25 was eliminated; correct?</p>

<p>M. McCarty - Plaintiff - cross (Suarez) Page 3108</p> <p>1 A That's correct.</p> <p>2 Q And the benefit to keeping the guaranty in place was a</p> <p>3 savings of 25 basis points; correct?</p> <p>4 A Per the agreement, yes.</p> <p>5 Q All right. Let's now take a look at the loan to 401</p> <p>6 North Wabash.</p> <p>7 MR. SUAREZ: If we could pull up Plaintiff's</p> <p>8 Exhibit 291, please, at page three. And you agree that this document reflects the</p> <p>15 bank's only analysis concerning the decision to make the loan --</p> <p>16 I'm sorry -- Plaintiff's Exhibit 294.</p> <p>17 A I have that.</p> <p>18 Q You have that? It's not on the screen. There we go.</p> <p>19 Would you agree with me that this document reflects the</p> <p>20 bank's only analysis in making the determination to enter into</p> <p>21 the loan transaction with Trump Old Post Office LLC as a whole?</p> <p>22 A I do.</p> <p>23 Q And have you reviewed this document prior to today?</p> <p>24 A Yes, I believe I did.</p> <p>25 MR. SUAREZ: Can we turn to page eight of this</p>	<p>M. SUAREZ: Your Honor, I'd like to move</p> <p>10 Plaintiff's Exhibit 1238 into evidence.</p> <p>11 THE COURT: Granted. It's in.</p> <p>12 (Whereupon, the item previously referred to is</p> <p>13 received and marked Plaintiff's Exhibit Number 1238 in</p> <p>14 evidence.)</p> <p>15 MR. Trump, I assume for</p> <p>18 the Old Post Office.</p> <p>19 Q And is this a document that you reviewed in connection</p> <p>20 with the preparation of your opinions?</p> <p>21 A I believe it is, yes.</p> <p>22 MR. SUAREZ: Your Honor, I'd like to move D 1013</p> <p>23 into evidence.</p> <p>24 THE COURT: Granted. It's in.</p> <p>25 (Whereupon, the item previously referred to is</p>
<p>M. McCarty - Plaintiff - cross (Suarez) Page 3113</p> <p>1 document, please? Do you agree with me that that adequately</p> <p>14 describes the collateral for the Old Post Office loan</p> <p>15 transaction?</p> <p>16 A I thought we were on North Wabash.</p> <p>17 Q No, 294 is the Old Post Office.</p> <p>18 A Okay, yes.</p> <p>19 Q Yes you would agree with me that this adequately</p> <p>20 describes the collateral for the Old Post Office; correct?</p> <p>21 A Yes.</p> <p>22 Q And that no other property was pledged as collateral in</p> <p>23 connection with the Old Post Office loan by Deutsche Bank to the</p> <p>24 borrower Trump Old Post Office LLC; correct?</p> <p>25 A I believe that's true.</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3115</p> <p>1 received and marked Defendant's Exhibit Number D 1013 in</p> <p>2 evidence.)</p> <p>3 Q All right. Let's move to the Ladder Capital loan on 40</p> <p>4 Wall Street.</p> <p>5 MR. SUAREZ: If we could please pull up D 552.</p> <p>6 MR. WALLACE: Your Honor, I would just note that</p> <p>7 we're happy to stipulate to the entry of these documents.</p> <p>8 As Mr. Suarez noted, we are paying Mr. McCarty by the hour</p> <p>9 and so if we could cut down on the time we would certainly</p> <p>10 appreciate it. I don't know if he's asking the witness</p> <p>11 questions about these documents or just using them to enter</p> <p>12 them, but they're generally unobjectionable documents.</p> <p>13 MR. SUAREZ: Almost done with introducing the</p> <p>14 documents.</p> <p>15 THE COURT: Okay.</p> <p>16 MR. SUAREZ: If you could turn to the second page.</p> <p>17 Following page.</p> <p>18 Q Do you recognize this document, Mr. McCarty?</p> <p>19 A Yes, I believe it's the offering document for the 40</p> <p>20 Wall Street offering by Ladder Capital.</p> <p>21 Q Did you review this document in connection with the</p> <p>22 preparation of your expert opinions?</p> <p>23 A I believe I did, yes.</p> <p>24 MR. SUAREZ: Your Honor, I move this document into</p> <p>25 evidence.</p>

<p>M. McCarty - Plaintiff - cross (Suarez) Page 3116</p> <p>1 THE COURT: Granted.</p> <p>2 (Whereupon, the item previously referred to is</p> <p>3 received and marked Defendant's Exhibit Number D 552 in</p> <p>4 evidence.)</p> <p>5 Q And Mr. McCarty, would you agree with me that this</p> <p>6 document we moved to the section on the collateral? Describes</p> <p>7 the summary of the collateral for the 40 Wall Street loan?</p> <p>8 A Yes, I believe it does.</p> <p>9 Q And in general terms would you agree with me that the</p> <p>10 collateral for the 40 Wall Street loan was the building that</p> <p>11 sits on top of 40 Wall Street and the leasehold interests?</p> <p>12 A Yes, I believe it does.</p> <p>13 Q And with respect to the 40 Wall loan, you would agree</p> <p>14 that there is no other collateral that's pledged in connection</p> <p>15 with this loan; correct?</p> <p>16 A Other than the guaranty.</p> <p>17 Q Well, is the guaranty -- withdrawn.</p> <p>18 The collateral that's pledged as a security is the</p> <p>19 leasehold and the building; correct?</p> <p>20 A That's correct.</p> <p>21 Q Okay. But there is no other property that's pledged as</p> <p>22 collateral; correct?</p> <p>23 A No other property, no.</p> <p>24 Q No. There is no other property that secures the loan;</p> <p>25 correct?</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3118</p> <p>1 Q Do you have any reason to believe during the life of</p> <p>2 this loan Mr. Trump didn't maintain a net worth equal to at</p> <p>3 least \$160 million in liquidity of at least \$15 million?</p> <p>4 A No, I don't think there was any violation of this</p> <p>5 covenant.</p> <p>6 Q And this document that we've been reviewing here,</p> <p>7 Mr. McCarty, you would agree with me reflects Ladder Capital's</p> <p>8 own analysis as to the loan transaction with 40 Wall Street LLC;</p> <p>9 correct?</p> <p>10 A The terms of the loan I think are described properly,</p> <p>11 yes.</p> <p>12 Q And it contains the analysis of Ladder Capital;</p> <p>13 correct?</p> <p>14 A Term sheets I don't normally say is an analysis, but I</p> <p>15 guess you could characterize it as analysis.</p> <p>16 Q It's a document that's prepared by Ladder Capital;</p> <p>17 correct?</p> <p>18 A Right.</p> <p>19 Q After Ladder Capital has performed underwriting;</p> <p>20 correct?</p> <p>21 A Right.</p> <p>22 Q And it describes the features of the transaction;</p> <p>23 correct?</p> <p>24 A That's correct. I just -- the word "analysis" I don't</p> <p>25 know if there is any analysis in it.</p>
<p>M. McCarty - Plaintiff - cross (Suarez) Page 3117</p> <p>1 A That's correct.</p> <p>2 Q And the loan-to-value ratio for this loan you would</p> <p>3 compute by dividing the value of the property, the 40 Wall</p> <p>4 property, by the amount of the loan; correct?</p> <p>5 A That's correct.</p> <p>6 Q And in this instance, speaking of the guaranty, if we</p> <p>7 could go back to the section that describes the guaranty. We're</p> <p>8 going to blow that up.</p> <p>9 You would agree with me that the guaranty that's at</p> <p>10 issue here isn't a full guaranty; correct?</p> <p>11 A That's correct.</p> <p>12 Q It's not an unconditional guaranty; correct?</p> <p>13 A It is limited, yes.</p> <p>14 Q Right. And it's limited to certain carve outs relating</p> <p>15 to unleased space; correct?</p> <p>16 A That's correct.</p> <p>17 MR. SUAREZ: And if we can blow up the section on</p> <p>18 the covenants. A little further down on this page.</p> <p>19 Q You would see here that the covenant that it describes</p> <p>20 is that the key principles must maintain a net worth equal to at</p> <p>21 least \$160 million and a liquidity of at least \$15 million?</p> <p>22 A That's correct.</p> <p>23 Q And the key principle described in this document is</p> <p>24 Donald John Trump?</p> <p>25 A That's correct.</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3119</p> <p>1 Q And if we could please pull Plaintiff's Exhibit 2973.</p> <p>2 I would ask Mr. McCarty to identify this document.</p> <p>3 A This is the loan agreement on 40 Wall Street.</p> <p>4 Q And did you review this document in connection with the</p> <p>5 preparation of your expert opinions in this case?</p> <p>6 A I did.</p> <p>7 MR. SUAREZ: Your Honor, I'd like to move</p> <p>8 Plaintiff's 2973 into evidence.</p> <p>9 THE COURT: Granted.</p> <p>10 (Whereupon, the item previously referred to is</p> <p>11 received and marked Plaintiff's Exhibit Number 2973 in</p> <p>12 evidence.)</p> <p>13 MR. SUAREZ: And I ask that Plaintiff's Exhibit 625</p> <p>14 marked for identification be pulled up.</p> <p>15 Q Mr. McCarty, did you review this document in connection</p> <p>16 with the preparation of your opinions in this case?</p> <p>17 A We're on 625 now?</p> <p>18 Q 625.</p> <p>19 A Yes, I believe I did.</p> <p>20 Q Can you identify this document, please?</p> <p>21 A This is the guaranty of recourse obligations for 40</p> <p>22 Wall.</p> <p>23 Q This is what we discussed earlier as a limited</p> <p>24 guaranty; correct?</p> <p>25 A Yes.</p>

<p>M. McCarty - Plaintiff - cross (Suarez) Page 3120</p> <p>1 MR. SUAREZ: I'd like to move Plaintiff's 2 Exhibit 625 into evidence. 3 THE COURT: Granted. 4 (Whereupon, the item previously referred to is 5 received and marked Plaintiff's Exhibit Number 625 in 6 evidence.) 7 MR. KISE: Judge, Your Honor, I have to step out as 8 mentioned for that hearing that I noted last week. I just 9 didn't want to walk out without letting -- thinking that I 10 was pounding the table and leaving in protest. 11 THE COURT: We'll miss you. 12 Q Mr. McCarty, in preparing your opinions you had an 13 opportunity to review the deposition that was taken in this case 14 of David Williams from Deutsche Bank; correct? 15 A That's correct. 16 Q And is the analysis that you performed in support of 17 the opinions you've given today reflect Mr. Williams' testimony 18 that President Trump was in the top tier of verifiable net worth 19 in this regional market? 20 A I don't think it was a relevant issue for me. 21 Q You didn't think that was relevant to your analysis? 22 A No. 23 Q So it's safe to say that your analysis doesn't account 24 for that testimony; correct? 25 A I think that's a misstatement. I said I didn't think</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3122</p> <p>1 Q Was that material to your analysis? 2 A No. 3 Q Was Mr. Williams' testimony -- withdrawn. 4 Did you review the Deutsche Bank Private Wealth 5 Management pricing grid in reaching your opinions in this case? 6 A I did. 7 MR. SUAREZ: Can we please pull up D 205, which was 8 Exhibit 16 to Mr. Williams' deposition. 9 Q Do you recognize this document, Mr. McCarty? 10 A I do. 11 Q Did you review this document in connection with 12 preparing your opinions in this case? 13 A I did. 14 MR. SUAREZ: I'd like to move in Defendant's 15 Exhibit 205. 16 THE COURT: Granted. 17 (Whereupon, the item previously referred to is 18 received and marked Defendant's Exhibit Number D 205 in 19 evidence.) 20 Q Mr. McCarty, you would agree with me that this is the 21 Deutsche Bank pricing grid for the Private Wealth Management 22 Americas group; correct? 23 A For that group, yes. 24 Q And it reflects here -- the first column reflects the 25 geographic region; correct?</p>
<p>M. McCarty - Plaintiff - cross (Suarez) Page 3121</p> <p>1 it was relevant. 2 Q So if you didn't think it was relevant did you fold it 3 into your analysis? 4 A Since it wasn't relevant I didn't need to fold it into 5 my analysis. 6 Q Okay. So your analysis doesn't account for that 7 testimony; correct? 8 A It does because I believed it to be not material. 9 Q Okay. So Mr. Williams' testimony that President Trump 10 was in the top tier of verifiable net worth in this regional 11 market was not material to your analysis? 12 A That's correct. 13 THE COURT: Asked and answered three, four, five 14 times. 15 Q Did you consider Mr. Williams' testimony that Deutsche 16 Bank Private Wealth Management had a pricing grid that was in 17 effect since at least 2010? 18 A I'm very familiar with their pricing grid, yes. 19 Q Was that material to your analysis? 20 A No. 21 Q Did you consider Mr. Williams' testimony that Deutsche 22 Bank Private Wealth Management would use a pricing grid to 23 determine appropriate interest rates to charge on private wealth 24 management loans depending on the credit or collateral type? 25 A No, I didn't think it was relevant.</p>	<p>M. McCarty - Plaintiff - cross (Suarez) Page 3123</p> <p>1 A That's correct. 2 Q And then the subsequent columns describe different type 3 of loan products; correct? 4 A That's correct. 5 Q And that in the Americas group the commercial real 6 estate column is the one that would have applied to the loans 7 that are the subject of your opinions in this case and were made 8 by Deutsche Bank? 9 A For the actual interest rates, yes. 10 Q And this reflects a pricing of LIBOR plus that spread; 11 correct? 12 A That's correct. 13 Q And in reaching your opinions in this case did you 14 consider Mr. Williams' testimony that Deutsche Bank Private 15 Wealth Management would depart downward from this range if there 16 was a competitive business case for doing so? 17 A It's one of the standard bank issues in pricing this 18 competition response, so yes, I believe it's correct for Private 19 Wealth Management loans. 20 Q One issues that the bank can consider that wants to be 21 competitive in the marketplace and in the loan is departing from 22 this? 23 A That's correct. They have some discretion to go lower. 24 THE COURT: Five-minute warning. 25 Q Did you consider -- was Mr. Williams' testimony</p>

<p>M. McCarty - Plaintiff - cross (Suarez) Page 3124</p> <p>1 material to your analysis?</p> <p>2 A No, it was not.</p> <p>3 Q Was Mr. Williams' testimony that Deutsche Bank Private</p> <p>4 Wealth Management would not depart upwards from this range</p> <p>5 material to your analysis?</p> <p>6 A No, it was not.</p> <p>7 THE COURT: I think that's the same question. If</p> <p>8 he's -- if he says it was not material to his analysis -- we</p> <p>9 only have four more minutes of this.</p> <p>10 Q Did you consider whether the pricing grid would allow</p> <p>11 for Deutsche Bank Private Wealth Management to charge a higher</p> <p>12 interest rate for a riskier type of collateral?</p> <p>13 A No, I don't think they could take a riskier position,</p> <p>14 so they couldn't change the rate.</p> <p>15 Q Was Mr. Williams' testimony that he could not recall a</p> <p>16 single instance where Deutsche Bank Private Wealth Management</p> <p>17 charged a higher interest rate than what was provided in the</p> <p>18 pricing grid material to your analysis?</p> <p>19 A No, it wasn't.</p> <p>20 Q Was Mr. Williams' testimony that even where the risk</p> <p>21 commensurate with the particular transaction warrants charging a</p> <p>22 higher rate he could not recall a single instance when Deutsche</p> <p>23 Bank Private Wealth Management had done that material to your</p> <p>24 analysis?</p> <p>25 A No, it wasn't.</p>	<p>Page 3126</p> <p>1 A No.</p> <p>2 Q And was it material to your analysis Mr. Williams'</p> <p>3 testimony that Deutsche Bank's Private Wealth Management pricing</p> <p>4 would probably be unchanged because a net worth of a billion</p> <p>5 dollars constitute a strong borrower or guarantor?</p> <p>6 A No.</p> <p>7 Q That was not material to your analysis?</p> <p>8 A No.</p> <p>9 MR. SUAREZ: Your Honor, I'm at a good stopping</p> <p>10 point.</p> <p>11 THE COURT: All right, and we're at a good time to</p> <p>12 stop. So 2:15 everybody. Have a good lunch.</p> <p>13 THE COURT OFFICER: Everybody remain seated while</p> <p>14 the witness steps out.</p> <p>15 THE COURT: And I'll direct the witness not to</p> <p>16 discuss this case, his testimony or anything related during</p> <p>17 the break until your testimony is finished this afternoon.</p> <p>18 (Whereupon, there is a recess in the proceedings.)</p> <p>19 Transcript continues on the following page....</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>M. McCarty - Plaintiff - cross (Suarez) Page 3125</p> <p>1 Q In reaching your opinions in this case was it material</p> <p>2 to your analysis to consider whether Deutsche Bank Private</p> <p>3 Wealth Management would enter into these loan transactions</p> <p>4 regardless of whether the guarantor had a net worth of a</p> <p>5 billion, two billion or two and a half billion?</p> <p>6 A No.</p> <p>7 Q That didn't factor into your analysis?</p> <p>8 A No.</p> <p>9 Q Was it material to your analysis that Deutsche Bank's</p> <p>10 Private Wealth Management pricing grid would probably be</p> <p>11 unchanged even if the net worth of the sponsor was a billion</p> <p>12 dollars instead of two and a half billion?</p> <p>13 A No.</p> <p>14 Q Did you consider material to your analysis</p> <p>15 Mr. Williams' testimony that Deutsche Bank's pricing would be</p> <p>16 unchanged even if President Trump's net worth was only a billion</p> <p>17 dollars?</p> <p>18 A I think there is one caveat there. You used just</p> <p>19 "Deutsche Bank." Did you mean "Deutsche Bank PWM?"</p> <p>20 Q Thank you for correcting me. That's absolutely</p> <p>21 correct. The private wealth management pricing grid would be</p> <p>22 unchanged even if President Trump's net worth was only a billion</p> <p>23 dollars?</p> <p>24 A It wasn't relevant for me, no.</p> <p>25 Q Okay. It wasn't material to your analysis?</p>	<p>M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3127</p> <p>1 AFTERNOON SESSION</p> <p>2 * * * * *</p> <p>3 THE COURT OFFICER: All rise. We are ready</p> <p>7 to continue with the cross-examination.</p> <p>8 MR. M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3128

1 A Nope. I just had a solo salad.  
2 Q Now, Mr. McCarty, in reaching your opinions you've  
3 given today in court, you didn't consider the deposition  
4 testimony of Tom Sullivan, correct?  
5 A No. I mistakenly in our deposition didn't recall  
6 reviewing Sullivan, but I had. I just didn't recall the name  
7 when we did it, but I didn't use his deposition in my opinion  
8 today.  
9 Q So you did read it?  
10 A I did it read ultimately. I didn't use it in my  
11 opinion today.  
12 Q Because earlier today I had asked if you read anything  
13 additional since your deposition. You told me you hadn't.  
14 A I had read it before my deposition. I just didn't  
15 recall it in my deposition that I read it.  
16 Q You didn't remember reading the deposition of Tom  
17 Sullivan?  
18 A That's right.  
19 Q That's right?  
20 A That's right in my deposition.  
21 Q It wasn't listed as a document that you relied upon in  
22 your report, correct?  
23 A Not relied on. I reviewed it. The listing I had was  
24 just of the documents that I relied on.  
25 Q If we pull up Exhibit B to your report, you listed all

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3129

1 of the documents that you relied on.  
2 A That's correct.  
3 Q And this one wasn't listed?  
4 A No.  
5 Q But you did list the deposition of David Williams,  
6 correct?  
7 A David Williams and Haigh, I believe, were the two key  
8 ones I looked at.  
9 Q Okay. Now, do you understand Tom Sullivan was the head  
10 of structured lending at Deutsche Bank during the time it made  
11 the three loans at issue in your testimony?  
12 A Yes, I do.  
13 Q And I understand you don't recall having or at the time  
14 of your deposition you didn't recall having read his testimony,  
15 but now you do, but would it be the case that it was material to  
16 your analysis -- let me withdraw that.  
17 Was it material to your analysis that Mr. Sullivan  
18 testified that Deutsche Bank was not mislead in any aspect of  
19 any credit decision it made based on information that was  
20 included in President Trump's Statement of Financial Condition?  
21 A No.  
22 MR. ROBERT: Objection.  
23 THE COURT: He answered it. What's the objection  
24 unless you want to withdraw the objection?  
25 MR. ROBERT: I don't want to withdraw the

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3130

1 objection. I believe that misstates Mr. Sullivan's  
2 testimony, but the witness was able to answer.  
3 Q Was it material to your analysis that Mr. Sullivan  
4 testified at his deposition that Deutsche Bank was not mislead  
5 because Deutsche Bank developed its own independent view  
6 concerning President Trump's financial condition?  
7 A No, I don't think it is material to my analysis.  
8 Q And was it material to your analysis that Mr. Sullivan  
9 testified that Deutsche Bank's decision making was based on what  
10 Deutsche Bank was comfortable with as a result of the assessment  
11 that it independently performed rob?  
12 MR. WALLACE: I'm happy to make a standing  
13 objection to the characterization of Mr. Sullivan, but the  
14 questions, I'm fine with them. I just want to note our  
15 standing objection.  
16 THE COURT: Okay. Noted.  
17 A No, it is not material.  
18 Q Not material. And is it material to your analysis that  
19 Mr. Sullivan testified that he would have likely recommended a  
20 credit facility sponsored by President Trump even if he was only  
21 worth a billion dollars?  
22 A No, I don't think it is material.  
23 Q And do you think it is material to your analysis that  
24 Mr. Sullivan testified that this was because a \$1 billion net  
25 worth is still significant wealth?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3131

1 A No. I'm aware of the testimony. I don't think it's  
2 material to my analysis.  
3 Q It is not material to your analysis?  
4 A No.  
5 Q Was it material to your analysis that such a  
6 determination according to Mr. Sullivan's testimony would be  
7 based on what the net worth looked like based on asset  
8 allocation, quality of the assets and assuming asset allocation,  
9 a \$1 billion net worth would be sufficient?  
10 A No, I don't think it is material.  
11 Q You don't think it is material?  
12 THE COURT: Please don't keep repeating the answer  
13 unless you think he can't be heard.  
14 MR. SUAREZ: I'm having a little trouble hearing  
15 it. That's why I'm doing it, but I understand.  
16 Q Are you aware that Mr. Sullivan testified at his  
17 deposition in this case that he would recommend the Doral credit  
18 facility based on the project strength alone?  
19 A No, I don't think it's material.  
20 Q That was not material to your analysis in this case?  
21 THE COURT: That's what I just asked you not to do  
22 and you said you wouldn't do it.  
23 MR. SUAREZ: I'll try. Are you aware -- let me  
24 withdraw that.  
25 Q Was it material to your analysis in this case that Mr.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3132

1 Sullivan testified that he was not aware of any  
2 misrepresentation with respect to any asset provided by the  
3 guarantor?  
4 A No.  
5 Q Did the NYAG ask you not to review the Sullivan  
6 deposition?  
7 A No.  
8 Q Was there -- withdrawn.  
9 Can we agree that regardless of how the loans were  
10 procured from Deutsche Bank, the guaranty was still in place for  
11 a period of time?  
12 A Yes.  
13 Q And if there was an extreme situation that impacted the  
14 cash flow of any of the particular borrowers, the guarantor  
15 could have been responsible?  
16 A Yes, probably.  
17 Q Let's go up to your demonstrative from earlier today.  
18 Going back to the CRE interest rate of ten percent, isn't it the  
19 case that that's a number that you used because the New York  
20 Attorney General provided to you documents relating to a  
21 proposed transaction from CRE at that interest rate?  
22 A No. It originally started from the credit reports  
23 where I looked at BB rating that it assigned to the collateral  
24 and the BB rating to me had a market movement somewhere between  
25 nine and ten percent.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3133

1 MR. SUAREZ: Your Honor, I move to strike that as  
2 not responsive. I was asking if the documents were provided  
3 by the NYAG.  
4 THE COURT: It is -- all right. Were the  
5 documents provided by the NYAG?  
6 Q Were the documents provided by the NYAG from which you  
7 determined that the CRE had offered an interest rate of ten  
8 percent?  
9 A I received documents produced from Deutsche Bank  
10 through New York -- the AG that showed the terms and conditions  
11 of all three of the loans.  
12 Q Okay. The terms and conditions of all  
13 three -- of the offers from the CRE Group, correct?  
14 A That's correct.  
15 Q Those were documents that were provided to you by the  
16 NYAG, correct?  
17 A The confusion I had on your question is that wasn't the  
18 primary basis of my decision to use the numbers.  
19 Q That's not what I'm asking you. Those were documents  
20 that were provided to you by the NYAG, right?  
21 A The numbers are not necessarily the documents.  
22 Q Sorry?  
23 A No.  
24 THE COURT: The numbers are not documents.  
25 Q The documents that you reviewed in order to get those

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3134

1 numbers came from offers that the CRE Group made that were  
2 provided to you by the NYAG?  
3 A Only as a portion. I said the other portion was the  
4 credit report, my own analysis of comparable transactions and  
5 the knowledge of the rated companies.  
6 Q Correct, but you knew that those CRE numbers existed  
7 because they were provided to you in documents by the NYAG?  
8 A After I had started the analysis that I described, yes.  
9 Q Okay. Those documents weren't in your possession until  
10 they were provided to you?  
11 A That's correct.  
12 Q Okay.  
13 THE COURT: Mr. McCarty, a little closer to the  
14 microphone and a little louder.  
15 THE WITNESS: Will do. Thank you.  
16 Q So with respect to the CRE proposal that was not  
17 accepted on the Doral transaction, would you agree with me that  
18 that proposal could have been further negotiated?  
19 A I'm not aware of whether it was final or not, so I  
20 don't have an opinion whether it was negotiated or there may  
21 have been negotiations. I'm not aware of.  
22 Q It was never a final proposal, correct?  
23 A I don't know that that's true.  
24 Q Well, you reviewed the documents, didn't you?  
25 A I did. It had a signature block on it for the ones I

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3135

1 saw, so that, to me, usually indicates it is a fairly final  
2 document.  
3 Q But you're not certain if that was a final offer from  
4 the CRE Group?  
5 A Not either way, no.  
6 Q So you're not certain if the CRE Group would have  
7 extended credit on those terms, correct?  
8 A Based on my experience of banks, I think the projection  
9 of a multi-page term sheet with details and a signature block  
10 indicates that they would have provided credit under those  
11 terms.  
12 Q So your testimony is that based on your review of those  
13 documents, you are certain that the CRE Group would have  
14 provided a loan on those terms?  
15 A I don't think that's what I said.  
16 Q So are you certain sitting here today that the CRE  
17 Group would have provided a loan on those terms?  
18 A I don't have an opinion. I believe that those are  
19 serious, could be final documents.  
20 Q I'm asking if you are certain. Either you're certain  
21 or you're not certain.  
22 A I can't really give you a judgment about it.  
23 Q You don't know whether you're certain or not that CRE  
24 Group would have provided a loan on those terms?  
25 A I think my testimony was that I think they would have.

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3136

1 Q Okay. So you can't be certain? You think?

2 A I think --

3 Q It is a supposition, correct?

4 A Based on experience.

5 Q You can base it on whatever you want, but it is still a

6 supposition, right?

7 A I guess so.

8 Q "I guess so" means yes?

9 A I'm uncertain.

10 Q You're not certain. So that, you are not certain

11 about?

12 A I'm uncertain about your question.

13 Q Are you certain whether the CRE Group would have

14 provided financing on those terms?

15 A I believe my best judgment is that they would have

16 provided financing on those terms.

17 Q Your opinion is is that they would have?

18 A My best judgment based on experience.

19 Q Is it not your opinion that they would have?

20 A No.

21 Q Okay. So, then, you're not certain if they would have

22 produced -- if they would have done that loan on those terms?

23 A No. My best judgment is they would have.

24 Q Okay. But you can't be certain?

25 THE COURT: Oh, come on. Enough is enough. How

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3137

1 many times does he have to say he can't be certain. He's

2 not certain.

3 MR. SUAREZ: He says it is his opinion, maybe it is

4 maybe, it isn't.

5 THE COURT: He said it is his best judgment, but he

6 refused to say, "Yes, I was certain."

7 MR. SUAREZ: "Are you certain" is a yes-or-no

8 question. I'm certain it is Wednesday.

9 THE COURT: I wish he had answered yes or no. I

10 think he could have but he's not going to. So let's move

11 on.

12 MR. SUAREZ: So would Your Honor agree with me that

13 the response was not responsive?

14 THE COURT: Yes. So let's ask him.

15 It is a yes-or-no question. Are you certain that

16 they would or not have, whatever, offered a loan on those

17 terms? Are you certain?

18 THE WITNESS: It is a hypothetical question. I

19 can't be certain.

20 THE COURT: I'll take that to mean no, he's not

21 certain because he said "I can't be certain."

22 Q Your analysis here doesn't consider whether the

23 borrower could have obtained another source of financing,

24 correct?

25 A No, we decided that the only way we could look at it

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3138

1 was to do it on a static basis, no refinancing, no increase in

2 terms to keep the situation static from the original start.

3 Q Again, it is a yes-or-no question. It either considers

4 it or it doesn't.

5 THE COURT: Can you read back the question and the

6 response.

7 (Whereupon, the requested portion of the record was

8 read back.)

9 THE COURT: Stricken.

10 Please answer yes or no. If you need the question

11 asked again or read back, we can do that.

12 MR. SUAREZ: Yes, please. Please read back my

13 question.

14 THE COURT: One more readback, just the question.

15 (Whereupon, the requested portion of the record was

16 read back.)

17 THE COURT: Hold on. Objection by the judge. It

18 is a negative question. Just ask it in a positive way.

19 Q Does your analysis here consider whether the borrower

20 could have obtained another source of financing?

21 A No, it does not.

22 Q Does your analysis here consider whether the sponsor

23 could have borrowed money against another asset?

24 A No, it does not.

25 Q Does yours analysis consider whether the borrower could

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3139

1 have pledged another asset as collateral?

2 A No.

3 Q Does your analysis consider whether the borrower or

4 sponsor could have just not done the deal?

5 A No.

6 Q But you would agree with me, Mr. McCarty, that the

7 collateral in your hypothetical analysis here for the CRE rate

8 is the same collateral as that for the actual loan that was

9 made, correct?

10 A Absent the guaranty, it is the same collateral.

11 Q So the only difference in your analysis is whether the

12 guaranty is there or not, correct?

13 A Correct.

14 Q And I have the same question for the OPO loan. Does

15 your analysis consider whether the borrower could have obtained

16 another source of financing?

17 A No.

18 Q Does your analysis consider whether the sponsor could

19 have borrowed against another asset?

20 A No.

21 Q Does your analysis consider whether the sponsor could

22 have pledged another asset as collateral?

23 A No.

24 Q Does your analysis consider whether or not the sponsor

25 could have chosen not to do the deal?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3140

1 A No.

2 Q And you would agree with me, Mr. McCarty, that the only

3 difference in your analysis between the actual interest charged

4 and the CRE interest that you've included in this calculation is

5 the existence of the guaranty, correct?

6 A That's correct.

7 Q It is -- it -- your analysis is based on the exact

8 same collateral, correct?

9 A I need to clarify the question. You're asking if

10 that's the only difference between the two lines?

11 Q Let me ask it differently. Is the difference between

12 the assumption that you made -- withdrawn.

13 The analysis for the interest rate that you provided at

14 eight percent, that contemplates the same collateral, correct?

15 A Correct.

16 Q And with respect to the Chicago loan, the analysis that

17 you've provided with the CRE interest rate at seven and-a-half

18 percent, that contemplates the same collateral as the actual

19 transaction, correct?

20 A That's correct.

21 Q And with the 40 Wall loan in the bottom, the same

22 thing, the same question, it contemplates the use of the same

23 collateral, correct?

24 A Correct.

25 Q With respect to the Doral loan, your opinion doesn't

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3141

1 consider whether the sponsor of the transaction could have gone

2 to hundreds, if not thousands, of other lenders, correct?

3 A No, it only -- the only consideration I have made was

4 that there was an alternative offer from Beal, so there was

5 another alternative.

6 Q So it doesn't include that consideration?

7 A It included the consideration of Beal, yes.

8 Q But not the fact that he could have gone to hundreds,

9 if not thousands, of other borrowers?

10 A I had no knowledge that there was available other than

11 Beal.

12 Q And your knowledge as to what was available came from

13 the documents that were provided to you from the -- by the New

14 York Attorney General, correct?

15 A Everything was provided by the Attorney General, but

16 the Beal reference I don't think was the same documentation.

17 Q But it was provided to you by the New York Attorney

18 General?

19 A As part of production, yes.

20 Q Would it be fair to say that your analysis only

21 contemplates the alternatives that were provided by -- excuse

22 me.

23 Would it be fair to say that your analysis only

24 contemplates alternatives that were reflected in documents that

25 were provided to you by the New York Attorney General?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3142

1 A No, I'd say it also includes my judgment about credits

2 and pricing of credits in the market.

3 Q Is it the case that the sponsor in any of these

4 transactions could have gone out and solicited additional

5 financing from many other different types of lenders?

6 A Again, I'm not sure it was a broad spectrum of

7 available credits for these properties at the time.

8 Q My question was a little different. Isn't it the case

9 that the sponsor could have gone out and solicited from

10 hundreds, if not thousands, of other lenders loans on these

11 transactions?

12 A My answer was I'm not sure that that type of market

13 existed.

14 Q But I wasn't asking you whether you thought the market

15 existed. I was asking you whether you thought the

16 lender -- sorry -- the sponsor could go out and solicit lending

17 from hundreds, if not thousands, of other lending institutions?

18 A If he wanted to, sure.

19 Q Okay. And that fact is not contemplated in your

20 analysis?

21 A No.

22 Q All of the different other financing alternatives that

23 were available to the sponsor of each of these individual

24 transactions are not contemplated by your analysis?

25 THE COURT: It is a negative question and it has

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3143

1 been asked and answered.

2 MR. SUAREZ: All right. I'll withdraw it.

3 Q Now, let's talk specifically about the three Deutsche

4 Bank transactions.

5 Does your analysis contemplate President Trump's

6 obligation to maintain deposits, assets under management at

7 Deutsche Bank?

8 A No, it doesn't contemplate the \$20 million deposit.

9 Q And isn't the case that at a certain point in time,

10 President Trump and entities related to him had over

11 \$100 million on deposit in Deutsche Bank?

12 A I'm not aware of that fact.

13 Q It is in the credit memos.

14 A No, I don't recall it.

15 Q Isn't that part of the reason why private wealth

16 management goes and seeks out high net worth individuals?

17 A In my experience in wealth management, it is not a

18 major item. Deposits are worth very little.

19 Q But you agree with me that you have never worked at a

20 private wealth management group?

21 A I've only managed them.

22 Q The calculations that you have here for the Doral loan

23 don't factor the cost of maintaining those deposits at Deutsche

24 Bank, correct?

25 A No. We decided to exclude them and the fees associated

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3144

1 with the other loans, so we thought they canceled each other  
2 out.  
3 Q So there is no credit given for the additional  
4 requirements that President Trump had to meet in order to  
5 qualify for the private wealth group, correct?  
6 A It does because we canceled out the fees for the CRE  
7 loans to be equal.  
8 Q But the wealth management loans had fees, didn't they?  
9 A They were smaller.  
10 Q The Private Wealth Group, however, has a different  
11 business model than the CRE Group, correct?  
12 A That's correct.  
13 Q And the CRE Group doesn't have the same requirements  
14 that you maintain assets under management, correct?  
15 A No, they have different requirements.  
16 Q But that wasn't my question. My question was whether  
17 the CRE Group had the same requirement that you maintain assets  
18 under management?  
19 A No, they didn't.  
20 Q That's an additional benefit to the bank, right?  
21 A It is one of the benefits, yes.  
22 Q And the other benefit is the opportunity to cross-sell,  
23 right?  
24 A That's available with any customer, yes.  
25 Q But it is a benefit to the bank, right?

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3145

1 A In any division, yes.  
2 Q Excuse me?  
3 A In any division of the bank, it is available.  
4 Q Do you consider that to be an emphasis of the Private  
5 Wealth Group?  
6 A I think it is an emphasis on every banking group.  
7 Q You don't think that's anything specific to the Private  
8 Wealth Group?  
9 A Not necessarily, no.  
10 Q The ability to develop relationships with ultra high  
11 net worth individuals, is that an objective of the Private  
12 Wealth Group?  
13 A It is, yes.  
14 Q And was it the case that they were able to do that with  
15 President Trump as a client?  
16 A I don't know the specifics. They did multiple loans,  
17 yes.  
18 Q And are you aware that the co-chairman of the bank  
19 expressed an interest in developing a relationship with  
20 President Trump and his companies?  
21 A Yes, I read that.  
22 Q And that Deutsche Bank sought President Trump's  
23 business?  
24 A Yes.  
25 Q And that Deutsche Bank wanted to have President Trump's

M. MCCARTY - PLAINTIFF - CROSS(MR. SUAREZ) Page 3146

1 business in the Private Wealth Group?  
2 A They marketed to him and I suspect that's true.  
3 Q They marketed to him, correct?  
4 A Yes.  
5 Q He is the type of person that a Private Wealth Group  
6 would market to?  
7 A Yes.  
8 Q Now, in your analysis of the 40 Wall Street loan, does  
9 that take into account the \$6 million swap break fee that the  
10 borrower had to pay to do the transaction?  
11 A It was in the case that we assumed that it was in both.  
12 Since we're continuing the Capital One, we considered it not  
13 relevant.  
14 Q So, part of the 40 Wall analysis is just an assumption  
15 that the Capital One loan would have stayed in place correct?  
16 A Correct, would have rolled over.  
17 Q And it is your testimony that if the Capital One loan  
18 would have stayed in place, the borrower would still have had to  
19 pay the \$6 million swap fee?  
20 A No, we don't believe so. We considered it be a  
21 rollover on the same terms.  
22 Q It would roll over on the same terms?  
23 A Right.  
24 Q So there was a cost to doing the transaction with  
25 Ladder Capital, correct?

Page 3147

1 A There was a cost to Ladder Capital, yes.  
2 Q But the \$6 million swap breakage fee was paid for by  
3 the borrower?  
4 A Yes.  
5 Q Okay. That was a cost of doing that transaction,  
6 correct?  
7 A Yes.  
8 Q So that cost would not have existed if they stayed with  
9 Capital One bank, correct?  
10 A That's correct.  
11 THE COURT: Move a little closer to the mic,  
12 please, or bend the mic more towards you.  
13 MR. SUAREZ: May I have a second to confer with my  
14 colleagues?  
15 THE COURT: Sure.

Nice to see you again.</p> <p>21 Mr. Trump, are you taking any medication or drugs of</p> <p>22 any kind that might make it difficult for you to understand and</p> <p>23 answer my questions today truthfully and accurately?</p> <p>24 A No.</p> <p>25 Q Are you suffering from any conditions that would make</p>	

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3152</p> <p>1 it difficult for you to understand my questions and answer 2 questions today truthfully and accurately? 3 A No. 4 Q Just a few brief questions about your educational 5 background and work history. 6 First, did you attend college? 7 A I did. 8 Q Did you earn a degree? 9 A I did. 10 Q From where did you earn a degree from the college 11 institution you attended? 12 A The University of Pennsylvania. 13 Q Is it the Wharton School of Business that you attended? 14 A Yes, as a division of the business school of, yes. 15 Q And what degree did you receive from the University of 16 Pennsylvania? 17 A Bachelor of science. 18 Q In what concentrations, if any? 19 A Real estate finance and marketing. 20 Q And in what year did you earn that degree, Mr. Trump? 21 A 2000. 22 Q Any sub majors? 23 A I guess the real estate finance and marketing are sort 24 of all the sub majors that are, you know, part of the bachelor 25 of science.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3154</p> <p>1 A Not specifically, no. 2 Q Are you one of the executive officers that oversees 3 Trump International Realty? 4 A I believe I am. 5 Q Okay. Are you familiar with anyone else who is an 6 executive that oversees Trump International Realty? 7 A Likely my brother Eric. 8 Q Anyone else? 9 A Not off the top of my head. 10 Q At any point in time did your sister Ivanka Trump also 11 serve as an executive officer that oversaw Trump International 12 Realty? 13 A I believe she would have, yes. 14 Q Did the three of you Eric, Ivanka and you serve as the 15 initial executive officers that established the Trump 16 International Realty brokerage arm of the Trump Organization? 17 A That would make sense, but I don't recall. 18 Q Okay. Any other licenses or certifications that you 19 have not told me about? 20 A Not off the top of my head. 21 Q Are you familiar with an acronym GAAP or GAAP? 22 A I'm familiar with it, yes. 23 Q What -- how are you familiar what that acronym GAAP? 24 A Well, I understand what it stands for. 25 Q What does it stand for?</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3153</p> <p>1 Q Okay. How about professional certifications or 2 licenses? 3 A I'm a real estate broker. 4 Q And when did you receive that real estate broker's -- 5 sorry -- withdrawn. 6 Do you have a license to be a real estate broker? 7 A Yes. 8 Q Okay. And when did you receive that real estate 9 broker's license? 10 A I don't recall. 11 Q Refresh your recollection that it was about the mid 12 2000s? 13 A That seems about right. That probably was my 14 salesperson license and then took it further after that, but 15 yes, that's probably about right. 16 Q So you have a real estate broker's license and there 17 are degrees contained within that license; yes? 18 A Correct. 19 Q And is there a brokerage firm that sponsors your real 20 estate broker's license? 21 A Trump International Realty. 22 Q What is Trump International Realty? 23 A Let's call it the brokerage arm of the Trump 24 Organization. 25 Q And are you employed at Trump International Realty?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3155</p> <p>1 A Generally accepted accounting principles. 2 Q And how did you become familiar with what the acronym 3 GAAP stands for? 4 A I believe that was an accounting 101 back in the late 5 90s. 6 Q At Wharton? 7 A Yes. 8 Q Anything else that you're familiar with with regards to 9 the acronym GAAP or what it stands for? 10 A No, that's what I have CPAs for. 11 Q Okay. Have you ever been employed in the position that 12 required you to apply GAAP to your work? 13 A Not to my knowledge. 14 Q And correct you're not a certified public accountant; 15 right? 16 A That is correct. 17 Q And you don't hold any professional certifications in 18 accounting; right? 19 A Not even a little bit. 20 Q And fair to say you're not a member of the American 21 Institute of CPAs or similar types societies; right? 22 A Sounds very exciting, but no. 23 Q Those certifications aside, have you received any 24 professional training in applying GAAP in the course of your 25 work?</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3156</p> <p>1 A I have not, no.</p> <p>2 Q Okay. So I'm going to ask a series of questions</p> <p>3 related to GAAP. I'm sure we'll move through quickly, but I</p> <p>4 just want to just confirm some of your knowledge with regards to</p> <p>5 GAAP.</p> <p>6 Is it fair to say based on your testimony that you're</p> <p>7 not familiar with how revenue is recognized in accordance with</p> <p>8 GAAP?</p> <p>9 MR. ROBERT: Objection. The witness has already</p> <p>10 testified he's not familiar with GAAP. Now asking more</p> <p>11 questions about what he knows about GAAP is going to get us</p> <p>12 nowhere.</p> <p>13 THE WITNESS: Yes, I know nothing about GAAP in</p> <p>14 terms of that capacity and I'll leave it to my accountants.</p> <p>15 That's why we have Big 5 CPA firms to do all of that.</p> <p>16 Q So any further probing questions I would ask you about</p> <p>17 GAAP and how GAAP would be applied your answer would</p> <p>18 consistently be "I have no such knowledge?"</p> <p>19 A That's correct.</p> <p>20 Q Thank you.</p> <p>21 Are you familiar with the Financial Accounting</p> <p>22 Standards Board or FASB otherwise referred to as FASB?</p> <p>23 A Not to my recollection, no.</p> <p>24 Q No specification understanding as to its function or</p> <p>25 its work?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3158</p> <p>1 You should ask him "do that you have that understanding."</p> <p>2 THE WITNESS: I have no understanding. Simplify</p> <p>3 it.</p> <p>4 MR. ROBERT: That was about GAAP he meant.</p> <p>5 Q I'll take the answer.</p> <p>6 Is it fair to infer that any work, if any, that you did</p> <p>7 on the Statement of Financial Condition you are not applying the</p> <p>8 AFCs or any rules included in the FAS?</p> <p>9 THE COURT: That's a negative question.</p> <p>10 Q You didn't apply any work --</p> <p>11 MS. HABBA: Excuse me. I'm going to object to</p> <p>12 that. We've already run through that. He said he doesn't</p> <p>13 have qualifications. We've asked and answered this so now</p> <p>14 you're asking him something about a statement of financials</p> <p>15 and applying AFC rules. This will take a lot longer if we</p> <p>16 keep doing it.</p> <p>17 THE WITNESS: I -- that's what you do in business.</p> <p>18 If you don't have that understanding, I rely on the</p> <p>19 professionals and CPAs that we paid millions of dollars that</p> <p>20 have that degree and probably have a great degree of</p> <p>21 understanding and I rely on their opinions and their</p> <p>22 assessments to make those decisions.</p> <p>23 MS. FAHERTY: Move to strike, Your Honor.</p> <p>24 THE COURT: Well, the last part, yes, but I've</p> <p>25 sustained the objection. It will be a lot simpler if he</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3157</p> <p>1 A No.</p> <p>2 Q How about the accounting standards codification? Any</p> <p>3 understandings -- any understanding as to the accounting</p> <p>4 standards codification and sub rules contained within?</p> <p>5 A No.</p> <p>6 Q So if I asked you about any of the NASC rules you would</p> <p>7 not have any specific knowledge as to those rules?</p> <p>8 A That's correct.</p> <p>9 Q Similarly, if I asked you a question about the ASC</p> <p>10 rules as they applied to statements of financial condition or</p> <p>11 compilation work, no specific understanding as to those rules or</p> <p>12 the application to statements of financial condition?</p> <p>13 A Correct.</p> <p>14 THE COURT: Those are negative questions. You can</p> <p>15 ask him if he does, not --</p> <p>16 MS. FAHERTY: I promised I wasn't going to do it,</p> <p>17 Judge.</p> <p>18 THE COURT: It's a tough habit to break.</p> <p>19 MS. FAHERTY: It is.</p> <p>20 THE COURT: Just ask Mr. Suarez.</p> <p>21 Q Fair to say you don't have that understanding?</p> <p>22 A No.</p> <p>23 Q Thank you.</p> <p>24 THE COURT: I think that was just a negative</p> <p>25 question. "Fair to say you don't have that understanding?"</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3159</p> <p>1 says he doesn't understand some standards, not to ask him</p> <p>2 about the standards.</p> <p>3 MS. FAHERTY: No problem, Your Honor. Thank you.</p> <p>4 THE COURT: Sure.</p> <p>5 Q Mr. Trump, who is your current employer?</p> <p>6 A I believe it's still Trump Payroll Corp.</p> <p>7 Q Do you work for an umbrella organization known as the</p> <p>8 Trump Organization?</p> <p>9 A Generally speaking.</p> <p>10 Q You just made a reference to Trump Payroll Corp. Who</p> <p>11 is Trump Payroll Corp?</p> <p>12 A An entity designed to pay the employees of the Trump</p> <p>13 Organization.</p> <p>14 Q And what is Trump Payroll Corp's business other than</p> <p>15 paying employees of the Trump Organization?</p> <p>16 A That's the extent of it. So you can again talk to the</p> <p>17 lawyers and the accountants who structured those things that way</p> <p>18 for corporate structure purposes.</p> <p>19 Q And you just made reference to employees of the Trump</p> <p>20 Organization. What is the Trump Organization?</p> <p>21 A Generally speaking it's a -- let's call it an umbrella</p> <p>22 term for the entities under the purview of our family's</p> <p>23 business.</p> <p>24 Q So if I make a reference to the Trump Organization and</p> <p>25 work you've performed for the Trump Organization do you have an</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3160</p> <p>1 understanding as to the business I'm referring to when I use the 2 term "the Trump Organization?" 3 A Generally speaking, yes. 4 Q Okay. When did you start working for the Trump 5 Organization? 6 A Shortly after September 11th, 2001. So I think it was 7 the 17th, right after 9/11. 8 Q Was that after a gap year from college? 9 A That was. 10 Q And when you first began working for the Trump 11 Organization, what was your title? 12 A I worked as a project manager on West Side Yards 13 project, so it wasn't even for the Trump Organization. It was 14 for Hudson Waterfront LLC or one of the derivatives of that. 15 Q There is a derivative entity known -- 16 A I think it's Hudson Waterfront Associates perhaps. 17 Q Hudson Waterfront Associates. 18 Is that still affiliated with the Trump Organization? 19 A It's been awhile. I'm not sure. 20 Q Any reason to doubt that it is an entity affiliated 21 with the Trump Organization? 22 A Well, the assets were sold, so perhaps they are gone. 23 I don't know. 24 Q At the time on which you were working on that project 25 was it affiliated with the Trump Organization?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3162</p> <p>1 and everything. 2 Q And correct that there are certain units contained at 3 Trump Park Avenue that are rent stabilized, yes? 4 A Hotel stabilized, but yes. 5 Q And you're familiar with rent stabilized laws here in 6 New York City; correct? 7 A I was then. I've probably forgotten most of it now. 8 Q Fair to say at the time you had that knowledge about 9 the rent stabilization laws that impacted development at Trump 10 Park Avenue; correct? 11 A Yes. 12 Q And the limitations imposed by those laws; correct? 13 A Correct. 14 Q Subsequent to the Trump Park Avenue project is it 15 correct you then eventually worked at the Trump International 16 Realty Hotel in Chicago; right? 17 A Yes. 18 Q Again, as a project manager still? 19 A I don't recall my specific title, but probably, yes. 20 Q And what exactly were your duties at the Trump 21 International Realty Hotel in Chicago? 22 A Well, when I got involved it was still the Chicago Sun 23 Times building. We had a partnership with them and we were 24 going to build the tallest residential building in Chicago 25 there. So everything from design, architecture, sales, and</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3161</p> <p>1 A Yes. 2 Q And through your work on the west side Yards project is 3 it correct that you became familiar with Vornado Realty Trust? 4 A Yes. 5 Q And you became familiar with the partnership 6 arrangement between Vornado and the Trump Organization; correct? 7 A Really didn't have anything to do with what I was doing 8 at the time, but I generally knew of it. I was a low level guy 9 learning how to build ground-up construction, so I didn't really 10 deal with those entities, but generally speaking, yes. 11 Q And generally you're familiarity with that partnership, 12 with Vornado, is that the Trump Organization or the umbrella 13 Trump Organization maintains a 1/3 partnership relationship with 14 Vornado; yes? 15 A Yes. 16 Q After the Hudson West Side Yards project, is it correct 17 that you then still were working as a project manager you 18 handled construction and development at Trump Park Avenue? 19 A Yes. 20 Q Is that a prewar building? 21 A Yes. 22 Q And what specifically did you do as project manager at 23 Trump Park Avenue? 24 A Little bit of everything; design construction, 25 overseeing some of the banking relationships we had, anything</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3163</p> <p>1 marketing, finance, construction. You name it. 2 Q And do you recall the time period that you were working 3 on that particular project? 4 A Early 2000s. It was quite a bit of time, but probably 5 three, four years I spent three days a week there for three, 6 four years. 7 Q And then subsequent to your time working on the Chicago 8 project, fair to say you had a change in title in your work for 9 the Trump Organization? 10 A I may have. I don't specifically recall when that 11 happened, but yes. I was progressing. 12 Q What do you recall your next title was at the Trump 13 Organization after you progressed from being a project manager? 14 A I don't recall. 15 Q Fair to say you eventually became an EVP or executive 16 vice president at the Trump Organization? 17 A Eventually, yes. 18 Q How many other titles have you held in the course of 19 your tenure with the Trump Organization? 20 A I'm not sure. 21 Q More than five? 22 A Probably not, no. 23 Q Less than five then? 24 A Yes, but I don't know specifically. 25 Q Have you at any point become an executive vice</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3164</p> <p>1 president at the Trump Organization?</p> <p>2 A Yes.</p> <p>3 Q So we've got project manager; yes?</p> <p>4 A Yes.</p> <p>5 Q Executive vice president; correct?</p> <p>6 A Correct.</p> <p>7 Q What other titles as you sit here today did -- can you</p> <p>8 think of that you've had in the time that you've worked for the</p> <p>9 Trump Organization?</p> <p>10 A I imagine I was a VP somewhere along the way and I'm</p> <p>11 not exactly sure.</p> <p>12 Q And at what point in time do you think you were just a</p> <p>13 VP, not an executive VP?</p> <p>14 A I can't recall.</p> <p>15 Q Before 2011?</p> <p>16 A I would imagine so, yes.</p> <p>17 Q Fair to say beginning at least from 2011 you have</p> <p>18 served as an executive vice president for the Trump</p> <p>19 Organization; yes?</p> <p>20 A On or about, yes.</p> <p>21 Q And considering the hierarchy of executive titles</p> <p>22 within the Trump Organization where does an executive vice</p> <p>23 president fit within such hierarchy?</p> <p>24 A Fairly high.</p> <p>25 Q Who is above you in your role as an executive vice</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3166</p> <p>1 Q So around 2013?</p> <p>2 A Perhaps off the top of my head, yes.</p> <p>3 Q So from the period of 2011 to 2013, what, if any,</p> <p>4 decisions did you need to report in to Allen Weisselberg for his</p> <p>5 approval?</p> <p>6 A There is not a specific list.</p> <p>7 Q Did Allen Weisselberg have authority over your work at</p> <p>8 the Trump Organization between the time period of 2011 to 2013?</p> <p>9 A I would say yes on some things and other things I'd</p> <p>10 have total autonomy to do what I wanted.</p> <p>11 Q Describe for me the specific things you were thinking</p> <p>12 about with that testimony that Allen Weisselberg had an</p> <p>13 authority over you between 2011 to 2013?</p> <p>14 A Well, I wouldn't have done a refinance without, you</p> <p>15 know, the involvement of our CFO obviously. Those are the kinds</p> <p>16 of things. If I was making a construction decision or even a</p> <p>17 deal decision to do a -- say, a licensing deal abroad, I had the</p> <p>18 autonomy to do that. Again, there is not sort of a defined list</p> <p>19 of where you would or would not go, but there are definitely</p> <p>20 things I would bring to him because I was naturally his</p> <p>21 wheelhouse.</p> <p>22 Q In 2011 to 2013, which refinancing deals did Allen</p> <p>23 Weisselberg supervise you on?</p> <p>24 A I don't recall.</p> <p>25 Q No specific recollection as you sit here today?</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3165</p> <p>1 president at the Trump Organization?</p> <p>2 MR. ROBERT: Time period?</p> <p>3 MS. FAHERTY: I think we've got from 2011 forward</p> <p>4 he has served as an executive vice president, so the</p> <p>5 question was related to in his time as an executive vice</p> <p>6 president who was above him.</p> <p>7 MR. ROBERT: At what point in time? You're talking</p> <p>8 about a decade.</p> <p>9 MS. FAHERTY: I can narrow it down. I can ask the</p> <p>10 question.</p> <p>11 THE COURT: Or you can keep it broad. Was anyone</p> <p>12 ever among you?</p> <p>13 THE WITNESS: Obviously, I would have reported to</p> <p>14 my father during that period of time. I imagine, you know,</p> <p>15 in the early transition to that title I would have still</p> <p>16 been, you know, people like an Allen Weisselberg still would</p> <p>17 have been senior to me. Those would have been the primary.</p> <p>18 Q When was the time period when Allen Weisselberg was</p> <p>19 senior to you?</p> <p>20 A Well, certainly initially in that time frame and, you</p> <p>21 know, as other projects and especially as we started expanding</p> <p>22 more abroad and outside of New York City obviously I was going</p> <p>23 to be on the road a lot of that time. So the seniority started</p> <p>24 let's call it equalling up, then I guess that would have been</p> <p>25 mid teens, mid, early teens.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3167</p> <p>1 A I'm just using refinance deals as an example of</p> <p>2 something I would bring. I'm not talking about a specific one,</p> <p>3 so if you have specific ones you can ask them, I can give you</p> <p>4 the answer.</p> <p>5 Q I'm asking your specific knowledge as you sit here</p> <p>6 today.</p> <p>7 A I don't specifically recall in that time frame which</p> <p>8 ones we refi'd or didn't.</p> <p>9 Q Any other areas of supervision between 2011 to 2013 for</p> <p>10 which you reported to Allen Weisselberg for his supervision?</p> <p>11 A Not that I recall.</p> <p>12 Q I believe you also said your father during this period.</p> <p>13 What is the period to which you are referring to between 2011</p> <p>14 forward for which your father Donald J. Trump was a supervisor</p> <p>15 who had authority over the work you performed at the Trump</p> <p>16 Organization?</p> <p>17 A Until he assumed the presidency.</p> <p>18 Q When was that?</p> <p>19 A January of 2017.</p> <p>20 Q And how about your siblings? Between 2011 to present</p> <p>21 -- let's do 2011 to 2017. What, if any, authority did Eric</p> <p>22 Trump have over your work between 2011 to 2017?</p> <p>23 A We were on a similar plane, so we had our own silos and</p> <p>24 we tried to stick to that. And if someone would be better at a</p> <p>25 certain thing or had a more institutional knowledge he would</p>

D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3168	D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3170
<p>1 bring them in, but we had our own silos.</p> <p>2 Q So in the hierarchy would you say that you were equal</p> <p>3 footing with Eric between 2011 and 2017?</p> <p>4 A Yes.</p> <p>5 Q How about Ivanka between 2011 and 2017?</p> <p>6 A Same.</p> <p>7 Q And fair to say your father was above the three of you</p> <p>8 during that time period, 2011 to 2017?</p> <p>9 A Yes.</p> <p>10 Q Was Allen Weisselberg similarly over Ivanka and Eric</p> <p>11 between 2011 and 2013 that you testified to just a few moments</p> <p>12 ago?</p> <p>13 A I don't know the exact dates, but that would make</p> <p>14 sense. As they matured and as they figured out more, those</p> <p>15 levels blended together a lot more.</p> <p>16 Q And in 2017, how, if at all, did the hierarchy above</p> <p>17 you serving continuing sales in EVP change?</p> <p>18 A We stopped reporting to my father on decisions</p> <p>19 involving the business.</p> <p>20 Q So who at that point in January 2017 was in charge of</p> <p>21 the Trump Organization?</p> <p>22 A It would have been a combination of myself, Allen</p> <p>23 Weisselberg and my brother.</p> <p>24 Q Anyone else?</p> <p>25 A No.</p>	<p>1 A Yes.</p> <p>2 Q And that was generally the types of responsibilities</p> <p>3 you had between this time period 2011 through 2017?</p> <p>4 A Correct.</p> <p>5 Q Is that still current today?</p> <p>6 A Yes.</p> <p>7 Q Focusing after January of 2017, you've said you did not</p> <p>8 have a title change, but the responsibilities changed insofar as</p> <p>9 you did not have to report in to anyone above you; correct?</p> <p>10 A Correct. I became a trustee of the trust. My title</p> <p>11 stayed the same, but I functioned as a trustee as well.</p> <p>12 Q Since January 2017, who has the ultimate authority over</p> <p>13 decisions made at the Trump Organization?</p> <p>14 A Then it would have been again Allen Weisselberg, myself</p> <p>15 and my brother.</p> <p>16 Q And by your brother, you're referencing Eric, not</p> <p>17 Barron; correct?</p> <p>18 A Correct.</p> <p>19 Q Does Allen Weisselberg still retain that same authority</p> <p>20 that it transitioned to in January 2017?</p> <p>21 A No, he does not.</p> <p>22 Q Why did that change?</p> <p>23 A Because some legal issues he got himself into, so that</p> <p>24 switched and I became the trustee.</p> <p>25 Q Does Allen Weisselberg still work at the Trump</p>
D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3169	D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3171
<p>1 Q And was there a change in title in January 2017 to</p> <p>2 reflect that supervisory change?</p> <p>3 A Not that I remember, no.</p> <p>4 Q Okay. Focusing on your time as an EVP.</p> <p>5 You've spoken about some of them, but let's dig in a</p> <p>6 little bit more.</p> <p>7 What were your general responsibilities serving as an</p> <p>8 executive vice president at the Trump Organization?</p> <p>9 A It's an all-encompassing developmental role for me.</p> <p>10 Specifically, I focused a lot on our international business, a</p> <p>11 lot on our hotel company and development of new licensing deals</p> <p>12 and such, but you could have done anything at any given day.</p> <p>13 Q Fair to say you handled acquisitions?</p> <p>14 A Yes.</p> <p>15 Q You worked on development projects; yes?</p> <p>16 A Yes.</p> <p>17 Q You worked on the operation side of the business?</p> <p>18 A Correct.</p> <p>19 Q I heard you just say you worked on financing; correct?</p> <p>20 A At times, yes.</p> <p>21 Q And you've worked on the leasing side of the business;</p> <p>22 yes?</p> <p>23 A Yes.</p> <p>24 Q You've worked on the branding side of the business;</p> <p>25 correct?</p>	<p>1 Organization?</p> <p>2 A No.</p> <p>3 Q When did Allen Weisselberg stop working for the Trump</p> <p>4 Organization?</p> <p>5 A I don't know the exact date.</p> <p>6 Q Can you approximate the year in which Allen Weisselberg</p> <p>7 stopped working for the Trump Organization?</p> <p>8 A Probably within the last two years. I'm not sure</p> <p>9 exactly what the date was, so.</p> <p>10 Q Was there a specific event that occurred that marked</p> <p>11 the basis for Mr. Weisselberg's termination from the Trump</p> <p>12 Organization?</p> <p>13 A The specific event could be his indictment.</p> <p>14 Q So your testimony as you sit here today is because</p> <p>15 Mr. Weisselberg was indicted at that time his position at the</p> <p>16 Trump Organization was terminated?</p> <p>17 A His position wasn't terminated, but that role as</p> <p>18 trustee was.</p> <p>19 Q And just so that I'm clear, you're referring to a role</p> <p>20 of trustee. Was that a job assignment or was that something</p> <p>21 else?</p> <p>22 A I'm not sure I understand the difference.</p> <p>23 Q You don't understand the difference between serving the</p> <p>24 Trump Organization in an employment role and serving as a</p> <p>25 trustee over a trust?</p>

<p style="text-align: right;">Page 3172</p> <p>1 A Well, our obligations as trustee were to serve the</p> <p>2 beneficiary of the trust. That was my father. That was similar</p> <p>3 perhaps to our jobs before. I imagine there is difference in</p> <p>4 nuance to that.</p> <p>5 Q Okay. You said that Mr. Weisselberg was not</p> <p>6 terminated. What is your understanding of how Mr. Weisselberg</p> <p>7 ended his employment relationship with the Trump Organization?</p> <p>8 A I don't know the exact details.</p> <p>9 Transcript continues on the following page...</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 3174</p> <p>D. I'm going to ask the witness to take a</p> <p>10 look at it and then I'll ask a few questions before I move</p> <p>11 to admit this exhibit.</p> <p>12 THE COURT: Five-minute warning.</p> <p>13 (Witness reviewing document.)</p> <p>14 A Okay.</p> <p>15 Q Do you recognize this document, Mr. Trump?</p> <p>16 A I don't.</p> <p>17 Q I'll ask you a few questions.</p> <p>18 Did you receive power of attorney over certain of Mr.</p> <p>19 Donald J. Trump's affairs in or about March of 2017?</p> <p>20 A Yes.</p> <p>21 Q The document in front of you, you can see on page one,</p> <p>22 it says, "This is a Power of Attorney New York Statutory Short</p> <p>23 Form," right?</p> <p>24 A Yes.</p> <p>25 Q You could see the front page, there are some cautions</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. HABBA: I'm just going to object. I think she</p> <p>15 mischaracterized his testimony, first of all. Secondly, we</p> <p>16 are now going down a rabbit hole of the same question asked</p> <p>17 seven different ways.</p> <p>18 THE COURT: Sustained. Let's move on.</p> <p>19 MS. FAHERTY: Okay.</p> <p>20 Q Did Donald J. Trump have any role in decision making at</p> <p>21 the Trump Organization between January 20, 2017 and January 20,</p> <p>22 2021?</p> <p>23 A No.</p> <p>24 Q How about since January 20, 2021?</p> <p>25 A Since January, I'm sure he made some decisions, yes.</p>	<p>D. Though, I may have</p> <p>5 been briefed.</p> <p>6 Q Fair to say that the principal -- if we turn to</p> <p>7 the -- page 6 of 8, looking at the signature block where</p> <p>8 there's a signature and acknowledgment section --</p> <p>9 A Yes.</p> <p>10 Q -- there's the word "PRINCIPAL" in capital letters.</p> <p>11 You see that there?</p> <p>12 A Yes.</p> <p>13 Q Do you recognize the signature that is beside that?</p> <p>14 A I do.</p> <p>15 Q Whose signature do you recognize that to be?</p> <p>16 A It's my father's.</p> <p>17 Q So fair to say that this document, if you don't have a</p> <p>18 specific understanding, but this document reflects that the</p> <p>19 principal would be Donald J. Trump, yes?</p> <p>20 A Yes.</p> <p>21 Q Okay. So on the front page, we have some warnings to</p> <p>22 the principal, your father, correct?</p> <p>23 A Yes.</p> <p>24 Q Page two, there is a Subsection B, drawing your</p> <p>25 attention to that there. "Designation of agents," do you see</p>

Washington, D.C. 20500," that was</p> <p>5 his address in Washington at the White House, yes?</p> <p>6 A Yes.</p> <p>7 Q So from the White House, he hereby appointed. Is that</p> <p>8 your name there, "Donald J. Is that your signature there as agent?</p> <p>11 A Yes.</p> <p>12 Q And then the signature just below yours, do you</p> <p>13 recognize that signature?</p> <p>14 A I think so.</p> <p>15 Q Whose signature do you recognize it to be?</p> <p>16 A I believe it's my brother's.</p> <p>17 MS. I'll</p> <p>21 direct the witness not to talk to anybody about this case or</p> <p>22 his testimony or anything related to it while he's still a</p> <p>23 witness.</p> <p>24 THE WITNESS: Thank you, your Honor.</p> <p>25 (Witness exits the stand.)</p>

Trump Revocable Trust,</p> <p>15 correct?</p> <p>16 A Yes.</p> <p>17 Q And what do you understand the Donald J. Trump</p> <p>18 Revocable Trust to be?</p> <p>19 A It was the trust that governed my father's assets</p> <p>20 especially while he was president.</p> <p>21 Q It said -- it contains for the exclusive benefit of</p> <p>22 Donald J. Trump, his assets, yes?</p> <p>23 A Yes.</p> <p>24 THE COURT: Hold on. We finally have an</p> <p>25 opportunity to ask a real trustee. Is it revocable or</p>

<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3180</p> <p>1 revocable?</p> <p>2 THE WITNESS: Your Honor, its's a good question</p> <p>3 that I actually don't have the answer for, so it is -- I</p> <p>4 actually used both and I'm not sure actually which is</p> <p>5 correct.</p> <p>6 THE COURT: Ms. Faherty has sort of started us off</p> <p>7 on revocable, right? Is that how you pronounce it?</p> <p>8 THE WITNESS: Revocable is easier, it seems.</p> <p>9 THE COURT: That's what we'll do.</p> <p>10 MS. FAHERTY: Riveting.</p> <p>11 Q And you are, in fact, a trustee of the Donald J. Trump</p> <p>12 Revocable Trust?</p> <p>13 A I'm not sure what this is. I only understand</p> <p>14 revocable. Yes. Yes, I am.</p> <p>15 Q Do you recall when you first became appointed a trustee</p> <p>16 of the trust? If I say "the trust," would you understand that</p> <p>17 to mean the trust that we're talking about?</p> <p>18 A Yes, ma'am.</p> <p>19 Q Thank you.</p> <p>20 Do you recall when you became a trustee of that trust?</p> <p>21 A Not specifically, no.</p> <p>22 Q In or around the time period that you can recall?</p> <p>23 A Probably before my father assumed the presidency.</p> <p>24 Q In or around January of 2017, does that seem fair?</p> <p>25 A Sounds about right.</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3182</p> <p>1 Q You are aware that an answer was filed on your behalf,</p> <p>2 yes?</p> <p>3 A Yes, I am.</p> <p>4 Q And no -- you believe that that answer contains</p> <p>5 truthful representations of your actual position in responding</p> <p>6 to the Attorney General's pleadings in this case, yes?</p> <p>7 A I do.</p> <p>8 Q I'll represent to you that paragraph 38 at the</p> <p>9 complaint states that "Donald Trump, Jr. and Allen Weisselberg</p> <p>10 were trustees of the Donald J. Trump Revocable Trust until Mr.</p> <p>11 Weisselberg resigned in June of 2021. On information and belief</p> <p>12 Donald Trump, Jr. is now the sole trustee of the Donald J. Trump</p> <p>13 Revocable Trust. Donald Trump, Jr. is named in both his</p> <p>14 personal capacity and as the trustee of the Donald J. Trump</p> <p>15 Revocable Trust." That was the allegation.</p> <p>16 And your answer submitted, as you've just stated by</p> <p>17 your attorneys, is that as to paragraph 38, "Defendant denies</p> <p>18 the allegations therein except admits only that he is the sole</p> <p>19 trustee and was named in this action in his personal capacity</p> <p>20 and that Mr. Weisselberg was removed as a trustee in 2021."</p> <p>21 Did you review any documents in order to prepare that</p> <p>22 answer to the complaint?</p> <p>23 A I don't recall.</p> <p>24 Q Do you have any basis to deny that answer?</p> <p>25 A I don't know.</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3181</p> <p>1 Q We'll get some documents. Maybe that'll help.</p> <p>2 MS. FAHERTY: Your Honor, PX 769 is already in</p> <p>3 evidence. We have it on the screen here.</p> <p>4 THE COURT: Okay.</p> <p>5 Q Mr. Trump, taking a look at this document, you can see</p> <p>6 at the top it is the Donald J. Trump Revocable Trust and it</p> <p>7 states as a subheading, "Acceptance of Donald J. Trump, Jr. as</p> <p>8 trustee of the Donald J. Trump Revocable Trust."</p> <p>9 Do you see that there?</p> <p>10 A I do.</p> <p>11 Q And do you recognize the signature at the bottom of</p> <p>12 this page?</p> <p>13 A I believe it's mine.</p> <p>14 Q And the date, do you recognize that that date,</p> <p>15 January 19, 2017, to be in or about the time at which you became</p> <p>16 the trustee of the trust?</p> <p>17 A Yes.</p> <p>18 Q Are you familiar with the Attorney General's complaint</p> <p>19 in this case?</p> <p>20 A Vaguely, yes.</p> <p>21 Q Do you recall filing an answer and then an amended</p> <p>22 answer to the complaint filed by the Attorney General in this</p> <p>23 case?</p> <p>24 A I recall my attorneys filing it, but generally</p> <p>25 speaking, yes.</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3183</p> <p>1 THE COURT: You mean to deny the answer or deny the</p> <p>2 question?</p> <p>3 MS. FAHERTY: To rebut the answer that he filed in</p> <p>4 response.</p> <p>5 THE COURT: To rebut, okay.</p> <p>6 A You have to ask the attorneys. I don't know.</p> <p>7 Q I'm asking you do you have any basis to rebut that</p> <p>8 answer?</p> <p>9 A Not that I recall.</p> <p>10 Q Any reason to believe that the answer your attorneys</p> <p>11 filed in regards to the Attorney General's pleadings -- any</p> <p>12 reason to believe that it contains false or incorrect responses?</p> <p>13 A No.</p> <p>14 Q Can you explain the basis for that answer to me?</p> <p>15 A You'd have to ask them.</p> <p>16 Q You have no basis as to who the trustees were and Mr.</p> <p>17 Weisselberg's resignation in June of 2021?</p> <p>18 A I'm not sure I understand the question.</p> <p>19 Q Okay. Let's look at a document.</p> <p>20 MS. FAHERTY: Your Honor, our next document is PX</p> <p>21 1016. It is already in evidence. I'm putting it on the</p> <p>22 screen here. It is a multi-page document. There are one,</p> <p>23 two, three pages of this document.</p> <p>24 Q This document, can you see at the very top there, it</p> <p>25 says -- it is a reference to the trust again, yes?</p>

<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3184</p> <p>1 A Yes.</p> <p>2 Q And then the subheading on that particular document is</p> <p>3 "Appointment and Acceptance of Trustee." Do you see that at the</p> <p>4 top there?</p> <p>5 A Yes.</p> <p>6 Q And do you see in the middle of the page, there is</p> <p>7 language -- I'll just draw your attention to the very first</p> <p>8 "whereas" clause. It states, "On April 7, 2014, Donald J.</p> <p>9 Trump," that's your father, correct?</p> <p>10 A Yes.</p> <p>11 Q It identifies him as the settlor and trustee. You see</p> <p>12 that there?</p> <p>13 A Yes.</p> <p>14 Q Okay. So "Mr. Trump as settlor and trustee entered</p> <p>15 into an agreement of trust and by amendments," those dates are</p> <p>16 there, and then there are a number of "whereas" clauses. Do you</p> <p>17 see those?</p> <p>18 A Yes.</p> <p>19 Q If we go further down on the page, you'll see that</p> <p>20 there's a "whereas" clause that, "Through the trust appointment,</p> <p>21 Mr. Trump or the settlor appoints himself as trustee under the</p> <p>22 assignment of trust and accepts such appointment effective as of</p> <p>23 12:00 p.m. eastern standard time, January 20, 2021."</p> <p>24 Do you see that in the very last "therefore" clause?</p> <p>25 A I do.</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3186</p> <p>1 point in 2 -- January of 2021, specifically on the 20th of</p> <p>2 January 2021, Donald J. Trump restored himself as trustee of the</p> <p>3 trust?</p> <p>4 A It would appear that way, but I'm not all that well</p> <p>5 versed.</p> <p>6 Q What was your role as trustee, if at all, at that time?</p> <p>7 A I don't recall.</p> <p>8 Q Did you have a continuous time period serving as the</p> <p>9 trustee of the Donald J. Trump Revocable Trust from January 2017</p> <p>10 until present?</p> <p>11 A I'm not sure. I don't remember.</p> <p>12 Q No understanding as it relates to this document whether</p> <p>13 at this particular time in January of 2021 you were still</p> <p>14 serving as a trustee; is that fair?</p> <p>15 A I think so.</p> <p>16 Q Other than the fact that Mr. Trump restored his rights</p> <p>17 to serve as trustee in January of 2021, what else do you know?</p> <p>18 Don't tell me about conversations with counsel, but other than</p> <p>19 that, what do you know about Donald Trump serving as trustee</p> <p>20 over the trust in January of 2021 and going forward?</p> <p>21 A Anything to that matter would have been done with</p> <p>22 counsel, so I don't know. I can't talk about it.</p> <p>23 Q Other than conversations with counsel, no independent</p> <p>24 knowledge of Mr. Trump serving as trustee over the trust in</p> <p>25 January of 2021?</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. What was the date?</p> <p>5 Q January 20, 2021.</p> <p>6 A I believe I'm aware of that, yes.</p> <p>7 Q How did you become aware of that?</p> <p>8 A Conversations with counsel.</p> <p>9 MR. You see that? 17 A I do. 18 Q Do you have any understanding as to what that's a 19 reference to, a business trustee? 20 A I don't. 21 Q Did you have an understanding that after January 20, 22 2017, Allen Weisselberg's role as a trustee of the trust was to 23 serve as a business trustee? 24 A Not that I recall specifically. 25 Q And then you see that the next bullet is the amendment</p>	<p>D. So fair to say that as of</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3189</p> <p>1 to the trust? 2 A Yes. 3 Q It states that it is removing AW and Don as trustee. 4 Do you see that there? 5 A Yes. 6 Q Any understanding as to who AW would be? 7 A Off the top of my head, would probably be Allen 8 Weisselberg. 9 Q And any understanding as to who Don is? 10 A Me. 11 Q Any understanding that there were trustees other than 12 you and Allen Weisselberg serving as trustees to the trust? 13 A Not that I recall. 14 Q And then there is a document that says, "removal of DJT 15 as trustee." You see that? 16 A I do. 17 Q And then there's lastly an acceptance of Donald J. 18 Trump, Jr. as trustee. Again, you see that there? 19 A Yes. 20 Q Again, that's a reference to you. You're Jr.? 21 A Yes. 22 Q Let's turn to page 13 of this document. You'll see in 23 the bottom there are numbers. It says -- page -- we'll look at 24 13 of 18. Tell me when you got there or otherwise, we have it 25 projected on the screen for you.</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3191</p> <p>1 July 7, 2021, you were restored as trustee, correct? 2 A I believe so. 3 Q Any understanding as to what occurred in January 2021 4 and July 7, 2021 during which Donald J. Trump had assumed rights 5 as trustee for that time period? 6 A Not outside of conversations with counsel. 7 Q As you sit here today, are you aware of whether there 8 has been any revocation of the January 20, 2021 appointment of 9 Donald J. Trump as trustee? 10 A I'm not sure. 11 Q As you sit here today, are you aware of whether Donald 12 J. Trump is, in fact, still serving as a trustee of the trust? 13 A I don't recall. 14 MS. FAHERTY: Your Honor, I move to admit PX-1015 15 into evidence. 16 THE COURT: Granted. It is in evidence. 17 (Whereupon, the Document was marked in evidence as 18 Plaintiff's Exhibit 1015.) 19 Q I have marked for identification another exhibit. It 20 is marked as PX-865. It is an e-mail. Take a quick look at 21 that, Mr. Trump, and I'll just ask you a few questions when you 22 are ready. 23 A I can't read it because of that box. Is there anything 24 that can tell me what's -- what's behind the "per discussion 25 with" box?</p>

<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3192</p> <p>1 Q Let's look at the underlying document. Do you 2 recognize the name Christopher Schreiber? 3 A No. 4 Q Do you recognize the name Sheri Dillon? 5 A Yes. 6 Q Who do you recognize the name Sheri Dillon to be? 7 A She is tax counsel with Morgan Lewis and was also 8 trustee counsel and generally speaking worked as a lawyer, 9 outside counsel for us. 10 Q When you say she was trustee counsel, is she one of the 11 attorneys who provided you advice? Don't give me any substance 12 of conversations, but she provided you advice as to the Donald 13 J. Trump Revocable Trust? 14 A I believe she set it up. 15 Q Other than setting it up, did you understand her to be 16 one of the outside counsel that provided legal advice as to the 17 trust? 18 A Yes. 19 Q Do you recognize the name Donald Bender? 20 A I do. 21 Q Who do you recognize the name Donald Bender to be? 22 A Donald Bender was a CPA. He worked as Mazars, LP. 23 Prior to that, I guess Weiser. He was our accountant at the 24 Trump Organization, outside accountant for decades handling -- I 25 mean everything, practically everything. They did the audits</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3194</p> <p>1 You see that there? 2 A I do. 3 Q So does this -- would you agree with me this appears 4 to be a stamp relating to a 2021 conversation on top of a 2017 5 e-mail? 6 A Perhaps it appears that way, but I don't want to 7 speculate as to something I had nothing to do with. 8 Q Okay. Do you have any understanding as to a 9 conversation Sheri Dillon had on January 8, 2021 with Adam 10 Rosen, counsel of the Trump Organization, on January 9, 2021 11 regarding no amendments to the trust? 12 A I have no knowledge of it. 13 Q Okay. We can put that to the side. Don't tell me the 14 substance of the conversation, but did you have any 15 conversations with Ms. Dillon on or about January 8th or 16 January 9, 2021 with regards to the status of the trust? 17 A Not to my knowledge, no. 18 Q Did you have any conversation -- do not tell me the 19 substance of it -- with Adam Rosen on or about January 8th or 20 January 9, 2021 with regards to the status of the trust? 21 A Not that I'm aware of or can recall, no. 22 Q Okay. And did you have any conversations with anyone 23 at Mazars on January 8th or January 9, 2021 with regards to the 24 status of the trust? 25 A Not that I know of.</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3193</p> <p>1 for some of our rental buildings, so he was an outside 2 accountant that we relied heavily on for all of your accounting 3 needs. 4 Q Your name is not included in this e-mail, right? 5 A It is not. 6 Q Okay. 7 A I got off of this one. 8 Q This is a 2017 e-mail between Sheri Dillon -- from 9 Sheri Dillon to Donald Bender with the subject "confirmation of 10 trust facts." You see the date on that e-mail as March 7, 2017? 11 A Yes, ma'am. 12 Q And let me just clarify. You have no understanding 13 that Christopher Schreiber was another accountant who worked at 14 WeiserMazars, do you? 15 A I don't know that. I've never heard the name, no. 16 Q But Donald Bender was at Mazars? That's what you 17 testified to? 18 A Correct. Donald Bender would have been a point person 19 for just about anything we did accounting wise. 20 Q And I heard you to reference that there is a box, the 21 red box in the upper right-hand corner of this document, yes? 22 A Yes. 23 Q That document says, "Per discussion with Sheri Dillon 24 on 1/8/21 and Adam Rosen, assistant general counsel of the Trump 25 Organization, on January 9, 2021-no amendments to the trust."</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3195</p> <p>1 THE COURT: Try not to say "okay" after each 2 answer. 3 MS. FAHERTY: I did it as a whisper, Your Honor, 4 but I will do it. I'm sorry. 5 THE COURT: That was quiet. Other times, it is 6 more audible. 7 Q What is your understanding as to the responsibilities 8 of the trustees over the trust? 9 A I have an obligation as a fiduciary to function in the 10 best interest of the beneficiary of the trust. 11 Q What does that mean? 12 A Do what's in the best interest of the beneficiary of 13 the trust. 14 Q Do you manage the assets of the trust? 15 A Yes. 16 Q What are the types of decisions you make as a trustee 17 of the trust? 18 A Any of the business decisions related to the ongoing 19 operating businesses of the trust. If we were working on new 20 deals, that would fall in there, but we are very limited in 21 terms of what new deals we were going to do because when my 22 father assumed presidency, we stopped doing all of the 23 international deals that was -- it -- primary part of my role 24 in the organization, but anything and everything. 25 Q And who do you consult with with regards to the</p>

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3196	Page 3198
<p>1 decisions of the trust as a trustee?</p> <p>2 A Well, I could have consulted with any number of people</p> <p>3 in the organization. I mean, you have individual deals that</p> <p>4 have point people. You're going to talk with them. Many cases,</p> <p>5 you're talking with counsel. Many cases, you're talking</p> <p>6 obviously with accounting. So I mean, it could be dozens of</p> <p>7 people that we're dealing with on a daily basis to make an</p> <p>8 informed decision about an individual asset.</p> <p>9 Q I believe you testified that you and Allen Weisselberg</p> <p>10 for a period of time were both trustees of the trust at the same</p> <p>11 time, right?</p> <p>12 A That's correct.</p> <p>13 Q Until he was removed from serving as a trustee,</p> <p>14 correct?</p> <p>15 A That's correct.</p> <p>16 Q You don't have a specific recollection as to the time,</p> <p>17 but it was within about one to two years from today, right?</p> <p>18 A Correct.</p> <p>19 Q Any other persons serving as a trustee over the trust</p> <p>20 with you other than the exception we discussed with Mr. Trump</p> <p>21 appointing himself as a trustee in January of 2021 until</p> <p>22 July 2021?</p> <p>23 A Not that I recall.</p> <p>24 Q How about Eric Trump? Was he ever a trustee over the</p> <p>25 trust?</p>	<p>1 read back.)</p> <p>2 (Continued on the next page.)</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 A I don't believe he was.</p> <p>2 Q Did you ever have to consult with Eric Trump in your</p> <p>3 decisions with regards to the trust?</p> <p>4 A I would obviously consult with Eric. He was a key</p> <p>5 point person on many, many deals and operating entities and I</p> <p>6 trust him explicitly and if I needed to consult with him on</p> <p>7 issues that he was more well-versed than I would have been.</p> <p>8 Q And did Eric Trump have any authority to make decisions</p> <p>9 on behalf of the trust?</p> <p>10 A He would have had authority to do things within the</p> <p>11 Trump Organization. I don't know if that gives him authority</p> <p>12 specifically within the trust, but if he said something that he</p> <p>13 wanted to do on a project that he was in charge of, I'd have no</p> <p>14 issue with that and I understand that he would do the</p> <p>15 appropriate diligence to make that decision and that's how I</p> <p>16 would base my decision.</p> <p>17 Q Do you need me to have the court reporter read the</p> <p>18 question again? I don't think that was responsive.</p> <p>19 A Please ask it again.</p> <p>20 MS. FAHERTY: Can I have a readback?</p> <p>21 MS. HABBA: I think that was perfectly responsive.</p> <p>22 THE COURT: I thought it was responsive, too, but</p> <p>23 let's have a readback of the question and the answer, right.</p> <p>24 MS. FAHERTY: Sure.</p> <p>25 (Whereupon, the requested portion of the record was</p>	<p>1 THE COURT: Are you still objecting on grounds of</p> <p>2 nonresponsiveness?</p> <p>3 MS. FAHERTY: Confirm for me your understanding</p> <p>4 Eric Trump did not have any authority to make decisions on</p> <p>5 behalf the trust?</p> <p>6 THE COURT: Is that a different question?</p> <p>7 MS. FAHERTY: A different question. I'm going to</p> <p>8 let the answer stand.</p> <p>9 THE COURT: Okay.</p> <p>10 A That's correct, I guess, ma'am.</p> <p>11 Q So focusing on the time period from 2011 to 2020, I</p> <p>12 heard you just say earlier that you worked on licensing deals?</p> <p>13 A Yes.</p> <p>14 Q For the Trump Organization; yes?</p> <p>15 A Yes.</p> <p>16 Q How about management deals?</p> <p>17 A Yes.</p> <p>18 Q Are those similar to each other?</p> <p>19 A They can be. They can often overlap, but sometimes a</p> <p>20 licensing deal may involve licensing the brand to put a Trump</p> <p>21 building somewhere in the world. That may or may not come with</p> <p>22 a management deal. A management deal may be if it was a hotel</p> <p>23 entity. If it was in the United States or if it was in New</p> <p>24 York, it would likely come with a management deal to operate the</p> <p>25 building afterwards because we do that. That may not make the</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3200</p> <p>1 most sense somewhere else in another part of the world where we 2 don't have that level of expertise, so there is not a fixed 3 rule. 4 Q And what is your role with regard to the management 5 deals? Again, focusing on the time period 2011 to 2020. 6 A Just depends on which deals you're talking about. 7 Q Generally speaking. 8 A If you're talking about hotel management deals, I would 9 have been, you know, a point person on getting a lot of those 10 done. 11 Q What does that mean? 12 A I would have been likely the guy in charge of a lot of 13 those deals, certainly internationally where we were doing a lot 14 of that kind of, you know, hotel management deals and setting 15 that up. That would have been something that fell into my 16 court. 17 Q Is it a fair characterization that the management deals 18 would be putting Trump Organization personnel to assist in the 19 management of a hotel operation even if it wasn't necessarily a 20 Trump Organization hotel? 21 A Yes. 22 Q But it could also include Trump Organization hotels; 23 yes? 24 A That's correct. We owned and operated as well as 25 managed for others.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3202</p> <p>1 Q And was there a period of time when that also included 2 foreign deals? 3 A Yes. 4 Q So, for example, did you have any management or 5 licensing deals in the Asias? 6 A In what? 7 Q The Asias? 8 A The Asian continent? Yes, we did. 9 Q How about in the Middle East? 10 A Yes, we did. 11 Q Would those be considered the foreign deals that you 12 had? 13 A We call them international, but yes. 14 Q And then the domestic deals, that would be here in the 15 continental United States? 16 A Correct. 17 Q Including Hawaii, too? 18 A Yes. 19 Q Do you recall how you were compensated for work you 20 performed on management deals and licensing deals for the Trump 21 Organization? 22 A Generally speaking, yes. 23 Q Describe for me how you were compensated for this work. 24 A Well, I mean, I'd have to go through each deal, right, 25 sort of -- it was different, but there was an evolution in our</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3201</p> <p>1 Q On licensing agreements what is your role with regards 2 to licensing agreements? 3 A Again, I was probably the primary point person for a 4 lot of our international licensing deals. 5 Q And what is a licensing deal? 6 A Developer wants to build a building, they want to know 7 how to do that better, they want to put the Trump brand on it, 8 they want to learn to build to that standard, they want to learn 9 how to value, engineer and create luxury perhaps in a market 10 where that's not as common. So, you know, again, anything and 11 everything to take, you know, a building and make it something 12 befitting our brand. 13 Q Would it be permitting a third party to use the Trump 14 name in the course of its business? 15 A Yes. 16 THE COURT: I'll ask the interrogator and 17 interrogatee to talk a bit slower. The report is having a 18 lot of difficulty keeping up with the rapid fire. 19 THE WITNESS: I apologize, Your Honor. I moved to 20 Florida, but I kept the New York pace. 21 THE COURT: We've noticed. 22 Q I heard you just say that this could be worldwide. 23 Fair to say that between these management deals and licensing 24 deals. Would that be domestic deals; yes? 25 A Yes.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3203</p> <p>1 compensation where, you know, as we started, you know, seeking 2 other deals abroad and that -- certainly to have a person with a 3 last name Trump and a principal in the room help make that 4 happen and we were branching out from New York quite a bit and 5 we started taking and getting a small piece of the revenue that 6 came in from those deals. 7 Q And I believe earlier today you testified that you were 8 paid by an entity Trump Payroll Corp; yes? 9 A For our salary, correct. 10 Q For salary. 11 A Yes. 12 Q Did you receive compensation for your licensing and 13 management deals separate and apart from the salary you received 14 from the Trump Payroll Corp? 15 A If we brought in deals we got a small piece of those 16 deals as we, you know, brought and signed up new deals and 17 created revenue for the business, yes. 18 Q And what was the entity that paid you for those deals? 19 A I believe it was TTT Holdings. 20 Q Sorry. Say that again? 21 A I believe it was TTT Holdings. 22 Q If I said the name TTT Consulting LLC? 23 A Maybe that's what it is. 24 Q Okay. 25 A It's been awhile.</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3204</p> <p>1 Q And TTT Consulting LLC, is that an entity by which not 2 just you, but your siblings Eric and Ivanka, were paid for those 3 licensing and management deals that you worked on with regards 4 to the Trump Organization's brands? 5 A Yes. 6 MS. FAHERTY: Your Honor, I'm going to hand up to 7 the witness a document that I've marked for identification 8 as PX 1259. It's not in evidence yet. I'm going to ask a 9 few questions and then I'll move to admit. 10 Q And Mr. Trump, please just take a moment, look at the 11 document in front of you and when you're ready I will ask you a 12 few questions. 13 A Okay. 14 Q Looking at this cover e-mail -- 15 MR. KISE: Your Honor, Your Honor, sorry, but this 16 is one of those times I'm just going to object on relevance. 17 This is one of those times I would expect the Court as it 18 has done to us to move the government along. I'm not sure 19 what any of this has to do with TTT Consulting. We've spent 20 an hour here and we're basically just talking about what 21 roles he had and who he reported to and some trust documents 22 and now we're talking about TTT Consulting which last I 23 checked isn't in the complaint. Maybe it's somewhere in the 24 850 paragraphs, but I don't see where we're going at all 25 with this and I would expect the Court as it has done</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3206</p> <p>1 A Yes. 2 Q Who do you recognize that name to be? 3 A My assistant during that time frame. 4 Q Your assistant at the Trump Organization? 5 A Correct. 6 Q Okay. And it's from an e-mail address 7 Scane-mail@Trumporg.com. Is it your understanding that's an 8 e-mail from a scanner at the Trump Organization? 9 A I would imagine so, yes. 10 Q Okay. And this appears to be a forward without any 11 message in the body from Ms. Feigin to you. Do you see that? 12 A Yes. 13 Q On June 25, 2013 at 2:52 p m., and in the very top 14 e-mail, that's your e-mail address at the Trump Organization -- 15 well, that's you, Donald Trump, Jr.; right, in the "from" 16 column? 17 A It would appear so. 18 Q And it's addressed to Jeff McConney, Ivanka Trump and 19 Eric Trump; yes? 20 A Correct. 21 Q Subject is a forward. Nothing else in there; right? 22 A Correct. 23 Q You see that there is an attachment to this message 24 now? 25 A I do.</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3205</p> <p>1 repeatedly to the defense to ask them to move it along. 2 Whether they do or not, I don't know, but I would certainly 3 expect the same instruction. 4 THE COURT: Move it along as fast as you can. 5 MS. FAHERTY: You already told me not to speak so 6 fast, Your Honor. I'm doing my best. 7 THE COURT: The substance, move along as fast as 8 you can. 9 Q Did you have a moment to look at this document, sir? 10 A Yes. 11 Q Looking at the very bottom -- 12 MR. ROBERT: Objection. Relevancy and statute of 13 limitations. 14 THE COURT: Well, I don't know what it is yet. 15 MR. ROBERT: I'm having difficulty hearing 16 Ms. Faherty. I thought she said move it in. 17 THE COURT: No, she did not. 18 MR. ROBERT: If you can talk a little bit louder, 19 so I could hear it. 20 MS. FAHERTY: I'm happy to speak louder if that's 21 helpful. 22 MR. ROBERT: That would be great. 23 Q Look at the bottom e-mail, Mr. Trump. 24 Do you recognize the name Katherine Feigin, 25 F-e-i-g-i-n?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3207</p> <p>1 Q And then in the body of your message you write, "signed 2 TTT." Do you see that there? 3 A I do. 4 Q Is TTT the entity we were just referring to, TTT 5 Consulting LLC? 6 A I believe it is. 7 Q Okay. And just drawing your attention to the 8 attachment again, I'll represent to you that this is the 9 document produced from the Trump Organization's files. 10 This is the attachment that was contained -- attached 11 to that message. Do you recognize this document? 12 A Not specifically, but I have no reason to believe it's 13 not a real document. 14 Q Okay. And there is a signature block at the bottom 15 right hand corner of this page? Do you see it says "okay" and 16 then it looks like that "D" symbol your dad initials with? 17 A Yes. 18 Q You recognize that to be an "okay" and an initial from 19 your father, Donald J. Trump? 20 A Yes. 21 Q And the heading on this document says "Donald J. Trump 22 et al., Schedule of Fees due to TTT Consulting LLC for the 23 period April 1, 2013 to June 21, 2013." Do you see that? 24 A Yes. 25 Q And then there is a series of columns on this document.</p>

D. Trump, Jr. - Plaintiff - direct (Faherty)	Page 3208	D. Trump, Jr. - Plaintiff - direct (Faherty)	Page 3210
<p>1 The first is an entity column. You see it on there?</p> <p>2 A Yes.</p> <p>3 Q So DT Marks &amp; Baku LLC?</p> <p>4 A Yes.</p> <p>5 Q And then DT Dubai Wealth Manager LLC?</p> <p>6 A Yes.</p> <p>7 Q It goes down THC. Is that Trump Hotel Collection?</p> <p>8 A Which one is that?</p> <p>9 Q THC, is that a reference to Trump Hotel Collection?</p> <p>10 A Well, specifically to Vancouver Management, but yes,</p> <p>11 that was likely Trump Hotel Collection.</p> <p>12 THE COURT: Yes, Mr. Kise.</p> <p>13 MR. KISE: This is a very interesting sojourn into</p> <p>14 a decade old TTT document, but I just have to object on this</p> <p>15 entire line of questioning. It's completely irrelevant to</p> <p>16 this case. Is there any connection that's going to happen</p> <p>17 at any point?</p> <p>18 THE COURT: Ms. Faherty, what is the relevance?</p> <p>19 MS. FAHERTY: Your Honor, there are licensing deals</p> <p>20 and management deals. First, the entities that are</p> <p>21 identified here in this column are the entities for which</p> <p>22 receive licensing fees and management fees which feed into</p> <p>23 the Statement of Financial Condition. It is a category</p> <p>24 within the Statement of Financial Condition and the three</p> <p>25 children or adult children Eric Trump, Mr. Trump, Jr. on the</p>		<p>1 spreadsheet of the fees, saw them, approved of them.</p> <p>2 MS. HABBA: Now you're testifying, Colleen.</p> <p>3 MS. FAHERTY: I am not. I got him to testify as to</p> <p>4 the signature on this page. You know you don't like it when</p> <p>5 good evidence comes in, but please, allow me to continue.</p> <p>6 MR. ROBERT: There is no reason to raise your</p> <p>7 voice, Ms. Faherty. There is no way compensation paid or</p> <p>8 whatever is here showing to Mr. Trump on the stand his</p> <p>9 brother or his sister flows into the Statement of Financial</p> <p>10 Condition. It's apples and oranges. It's completely</p> <p>11 irrelevant and I agree that this line of questioning should</p> <p>12 end.</p> <p>13 THE COURT: Well, let me go back to Ms. Faherty.</p> <p>14 I understand you're saying these figures feed into</p> <p>15 this the Statement of Financial Condition. So what. Not</p> <p>16 everything -- am I correct not everything that fed into the</p> <p>17 any Statement of Financial Condition is relevant or am I</p> <p>18 missing something?</p> <p>19 MS. FAHERTY: No, Your Honor. You're not missing</p> <p>20 anything. You've appropriately heard me to say that this</p> <p>21 was one aspect of financial information contained on the</p> <p>22 Statement of Financial Condition. I'm going to continue</p> <p>23 asking, if you'll allow it, about the foreign deals, several</p> <p>24 of those are listed on here, the foreign deals that were</p> <p>25 represented to have ceased to exist. We have testimony from</p>

<p>1 stand right now, and Ms. Ivanka Trump, who we will appear</p> <p>2 here later next week, all were members of TTT Consulting LLC</p> <p>3 that received the benefits for the deals they secured abroad</p> <p>4 that fed in the Statement of Financial Condition.</p> <p>5 THE COURT: And the relevance of that?</p> <p>6 MR. KISE: Right.</p> <p>7 MS. FAHERTY: It all feeds into the statement of</p> <p>8 financial condition. It's a category of the Statement of</p> <p>9 Financial Condition, Your Honor.</p> <p>10 THE COURT: Not everything in the statements of</p> <p>11 financial condition is relevant or at issue.</p> <p>12 MS. FAHERTY: It's the transactions of third</p> <p>13 parties. I mean, it has been apart of our case, Your Honor.</p> <p>14 MR. KISE: I think everything has been apart of</p> <p>15 their case.</p> <p>16 MS. FAHERTY: You don't think anything has been</p> <p>17 apart of our case as well as everything has been apart of</p> <p>18 our case. I know you don't like it when certain questions</p> <p>19 come in, but I'd move faster if I would be permitted to ask</p> <p>20 my questions.</p> <p>21 MR. KISE: If you would stick to relevant topics,</p> <p>22 certainly but this is ten years ago a distribution sheet for</p> <p>23 consulting deals with no plausible connectivity to anything</p> <p>24 that's at issue here.</p> <p>25 MS. FAHERTY: For which Donald Trump reviewed the</p>		<p>1 other witnesses that have already come in as to whether</p> <p>2 those foreign deals were actually reflected in the Statement</p> <p>3 of Financial Condition. I think I'm allowed a little bit of</p> <p>4 room, Your Honor, to continue.</p> <p>5 And also, just noting again this was reviewed by</p> <p>6 and approved by Donald J. Trump with the numbers and figures</p> <p>7 on this particular document.</p> <p>8 MS. HABBA: Your Honor, I'm just going to state one</p> <p>9 objection as the President's attorney. He will be here on</p> <p>10 Monday. We have Donald Trump, Jr. on the stand.</p> <p>11 THE COURT: Objection overruled without prejudice.</p> <p>12 I see possible relevance at this point. I hope it will be</p> <p>13 clearer later on.</p> <p>14 MS. FAHERTY: I have two more questions on this</p> <p>15 document and we'll move along.</p> <p>16 Q So in this document I was starting to ask there is a</p> <p>17 column for entities; right?</p> <p>18 A Yes.</p> <p>19 Q And then the categorization of where that deal location</p> <p>20 is in that second column. You see that there?</p> <p>21 A Correct.</p> <p>22 Q And there is a third column, a fee received for those</p> <p>23 particular transactions; yes? That's included in there?</p> <p>24 A Correct.</p> <p>25 Q Those are redacted line for "fees paid to Daewoo." Any</p>	

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3212</p> <p>1 understanding about that?</p> <p>2 A Vaguely.</p> <p>3 Q Then there is "amount subject to fee;" right?</p> <p>4 A Yes.</p> <p>5 Q And then you have a column "fees due to TTT." You see</p> <p>6 that in there?</p> <p>7 A Yes.</p> <p>8 Q And then it's split amongst DJT, Jr., Ivanka and Eric;</p> <p>9 yes?</p> <p>10 A Yes.</p> <p>11 Q We can move on.</p> <p>12 MS. FAHERTY: Your Honor, I move into evidence PX</p> <p>13 865 and 1259. Those are the prior two exhibits we just</p> <p>14 discussed.</p> <p>15 MR. ROBERT: Objection. Statute of limitations and</p> <p>16 relevance.</p> <p>17 THE COURT: Overruled.</p> <p>18 MS. FAHERTY: Thank you, Your Honor.</p> <p>19 (Whereupon, the items previously referred to are</p> <p>20 received and marked Plaintiff's Exhibit Numbers 865 &amp; 1259</p> <p>21 in evidence.)</p> <p>22 Q So with regards to the deals that TTT Consulting LLC</p> <p>23 paid you for, do you recall the way in which you reported back</p> <p>24 to the Trump Organization that those management or licensing</p> <p>25 deals had been confirmed?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3214</p> <p>1 THE COURT: That was a negative question with an</p> <p>2 ambiguous answer.</p> <p>3 THE WITNESS: I have no specific knowledge, no.</p> <p>4 THE COURT: That answer is not ambiguous.</p> <p>5 Q Can we turn to the second page of this document?</p> <p>6 A Yes.</p> <p>7 Q The second page is an "Independent Accounts'</p> <p>8 Compilation Report." In the opening paragraph it states:</p> <p>9 "The trustees of the Donald J. Trump Revocable Trust</p> <p>10 dated April 7th 2014 as amended on behalf of Donald J. Trump are</p> <p>11 responsible for the accompanying Statement of Financial</p> <p>12 Condition as of June 30, 2017 and the related notes to the</p> <p>13 financial statement in accordance with accounting principles</p> <p>14 generally accepted in the United States of America."</p> <p>15 If we go down to the bottom of the page you'll see it</p> <p>16 as dated October 30, 2017. Do you see that?</p> <p>17 A I do.</p> <p>18 Q It's signed by WeiserMazars. This is WeiserMazars'</p> <p>19 representation that this Statement of Financial Condition was</p> <p>20 prepared at the responsibility of the Donald J. Trump Revocable</p> <p>21 Trust trustees. Is it your testimony that this statement</p> <p>22 contained in the Statement of Financial Condition does not</p> <p>23 include you, Donald Trump, Jr.?</p> <p>24 A I don't know. I signed off on a document that Mazars</p> <p>25 prepared with intimate knowledge and as a trustee I have an</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3213</p> <p>1 A I don't specifically recall, ma'am.</p> <p>2 Q Would there have been a contract that was signed with</p> <p>3 whatever the third party was?</p> <p>4 A Of course.</p> <p>5 Q Any other way in which you may have reflected that</p> <p>6 there were confirmed deals whether they were management or</p> <p>7 licensing?</p> <p>8 A Conversations, but obviously everything would have been</p> <p>9 contractual, right. You're not doing a deal on a handshake</p> <p>10 anymore.</p> <p>11 Q All right. Let's look at the Statement of Financial</p> <p>12 Condition for June 30, 2017.</p> <p>13 MS. FAHERTY: Your Honor, this is already in</p> <p>14 evidence as PX 755.</p> <p>15 Q Mr. Trump, a court officer will hand it to you, but</p> <p>16 I'll also represent to you it's on the screen. You can follow</p> <p>17 along at either. Do you recognize this document, sir?</p> <p>18 A No.</p> <p>19 Q Did you ever perform work on --</p> <p>20 MS. FAHERTY: Excuse me, Your Honor.</p> <p>21 Q Did you ever perform work on the Donald J. Trump</p> <p>22 Statement of Financial Condition for any year?</p> <p>23 A Not that I recall, no.</p> <p>24 Q No specific knowledge, sir?</p> <p>25 A No.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3215</p> <p>1 obligation to listen to those who are expert -- who have an</p> <p>2 expertise of these things. So I trust in Allen Weisselberg who</p> <p>3 is an accountant. I trust Mazars who is a CPA and a Big 5</p> <p>4 accounting firm to put together a document of this nature.</p> <p>5 So if they put something in, I wasn't working on the</p> <p>6 document, but if they tell me it's accurate based on their</p> <p>7 accounting assessment of all of the material -- and, again,</p> <p>8 Mazars, you know, when you look at Trump Park Avenue they did</p> <p>9 the tax return for the condominium that we no longer necessarily</p> <p>10 even own. We may have a couple units left, but these people had</p> <p>11 an incredible intimate knowledge and I rely on them.</p> <p>12 MS. FAHERTY: Your Honor, I move to strike that</p> <p>13 response.</p> <p>14 THE COURT: Can you read the question back, please?</p> <p>15 (Whereupon, the requested portion of the</p> <p>16 proceedings was read back by the court reporter.)</p> <p>17 THE COURT: I'll strike the answer because it goes</p> <p>18 all over the place. I don't think the question is that</p> <p>19 clear.</p> <p>20 MS. FAHERTY: Okay.</p> <p>21 I won't re-read this first.</p> <p>22 Can you move up, Ashley, to the first sentence?</p> <p>23 Q "WeiserMazars have made a representation as to whom is</p> <p>24 responsible for this Statement of Financial Condition." You see</p> <p>25 that statement there?</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3216</p> <p>1 A Yes.</p> <p>2 Q Is it your -- is it your testimony that you are not</p> <p>3 involved --</p> <p>4 THE COURT: It's a negative. Can't you just ask</p> <p>5 him if he was responsible?</p> <p>6 MS. FAHERTY: Your Honor, I did ask him if he was</p> <p>7 involved in the preparation of the Statement of Financial</p> <p>8 Condition. I'm now asking a question as to this statement</p> <p>9 if he understands if he is not included in this statement.</p> <p>10 A I'm not included in this statement or I am included in</p> <p>11 the statement?</p> <p>12 Q Are you a trustee of the Donald J. Trump Revocable</p> <p>13 Trust?</p> <p>14 A I am.</p> <p>15 Q As of October 30, 2017?</p> <p>16 A October 30, 2017? I believe by then I would have been,</p> <p>17 yes.</p> <p>18 Q Did you work on the Statement of Financial Condition</p> <p>19 for June 30, 2017 for Donald J. Trump?</p> <p>20 A I did not. The accountants worked on it. That's what</p> <p>21 we pay them to do.</p> <p>22 THE COURT: Five-minute warning.</p> <p>23 Q I'll draw your attention to page 21 of 24 of this</p> <p>24 document, footnote five, "Real Estate Licensing Developments."</p> <p>25 A Yes.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3218</p> <p>1 which they would then infer is going to generate X number of</p> <p>2 revenue. They may have done that a hundred times with me to get</p> <p>3 a number but I may not have known that it was going to be used</p> <p>4 in aggregate for the Statement of Financial Condition so that --</p> <p>5 I mean --</p> <p>6 Q I know you said you could have. What is your specific</p> <p>7 recollection as to this paragraph valuing the \$246 million</p> <p>8 figure under sub point five, "real estate licensing</p> <p>9 developments" contained in the 2107 Statement of Financial</p> <p>10 Condition?</p> <p>11 MR. ROBERT: Objection, Your Honor.</p> <p>12 THE COURT: Overruled.</p> <p>13 A I don't recall. I don't remember.</p> <p>14 MR. KISE: Your Honor.</p> <p>15 THE COURT: One or two minutes.</p> <p>16 MR. KISE: So I just want to understand something.</p> <p>17 PX 1259 which was the document we spent so much time</p> <p>18 debating, the 2013 TTT Consulting document, is this now the</p> <p>19 connection that's being drawn between -- this was admitted</p> <p>20 subject to connection based on your prior statements that</p> <p>21 the relevance wasn't completely clear, but you think it was</p> <p>22 going to become clear. So I --</p> <p>23 THE COURT: Well, I think it became clear, so.</p> <p>24 MR. KISE: Well, this is 2013 and this is 2017. So</p> <p>25 I'm just wondering is this is what Ms. Faherty is drawing is</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3217</p> <p>1 Q Turning your attention to the second paragraph. The</p> <p>2 second sentence states that "the estimated current value of</p> <p>3 \$246 million was based on an assessment made by the trustees in</p> <p>4 conjunction with their associates and outside professionals of</p> <p>5 the cash flow that is expected to be derived from these</p> <p>6 associations as their potential is realized."</p> <p>7 You did not provide this estimated current value of</p> <p>8 \$246 million as is represented in this paragraph here; correct?</p> <p>9 A I didn't give them a value of \$246 million, but I could</p> <p>10 have sat there and gone through each one of the deals</p> <p>11 individually with Allen Weisselberg, with Jeff McConney, with</p> <p>12 Donald Bender and given them an idea of what I believe the cash</p> <p>13 flow coming from those deals would be worth not even knowing</p> <p>14 that it was for the purpose of this. So I could have certainly</p> <p>15 partaken and I probably would have had the most intimate</p> <p>16 knowledge about those deals, but it doesn't mean that I used</p> <p>17 that to put this together. They did that and so I could have</p> <p>18 very well been involved in inferring that number but not</p> <p>19 specifically know that I was working for that purpose.</p> <p>20 They could have asked me on any given day what some</p> <p>21 deal was going to produce and, you know, again, for a lot of the</p> <p>22 deals on that list I would have been the primary point person</p> <p>23 and had the most intimate knowledge and I could have given them</p> <p>24 that answer but not known it was used to compile in this, but,</p> <p>25 correct. Meaning, I could have discussed the details of a deal</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3219</p> <p>1 the connection. She said she was going to connect this up,</p> <p>2 so I'm just trying to figure out whether it's this line of</p> <p>3 questioning or there is some line of questioning that</p> <p>4 relates to the 2013 Statement of Financial Condition.</p> <p>5 THE COURT: Can you answer that?</p> <p>6 MS. FAHERTY: I also think his very long extended</p> <p>7 answer provided plenty of a connection as to that particular</p> <p>8 document. I understand if they want to object to statute of</p> <p>9 limitations, but I have proved it up, Your Honor. I still</p> <p>10 stand by the admission.</p> <p>11 MR. KISE: Your Honor, we've gone completely</p> <p>12 through the looking glass, completely, fully. This is a</p> <p>13 2013 document. 1259 is a 2013 document and this is a 2017</p> <p>14 Statement of Financial Condition. What the two have to do</p> <p>15 with one of another other than in the most general sense I'm</p> <p>16 not sure, but I would very much object to the fact that</p> <p>17 there's been a connection.</p> <p>18 THE COURT: Well, is there a connection and if so,</p> <p>19 what is the connection?</p> <p>20 MS. FAHERTY: The connection is as it relates to</p> <p>21 the work he performed for TTT.</p> <p>22 Q At any point did you stop providing work for TTT</p> <p>23 Consulting LLC?</p> <p>24 A Well, we stopped doing a lot of our international</p> <p>25 deals when my father assumed the presidency because we weren't</p>

D. Trump, Jr. - Plaintiff - direct (Faherty)

Page 3220

1 -- we voluntarily chose not to do that so as not to create a  
2 conflict.

3 Q TTT Consulting LLC?

4 A We wouldn't do any new deals, so those deals would have  
5 fallen under the purview of TTT.

6 Q And your father assumed the presidency in 2017; yes?

7 A Correct.

8 Q And you still maintained domestic deals; yes?

9 A We maintained existing deals that you couldn't just  
10 back out of if you had contractual obligations to.

11 Q Do you still receive payment from TTT Consulting LLC?

12 A I don't actually know.

13 Q You have no knowledge as you sit here today what, if  
14 any, distributions you receive from TTT Consulting LLC?

15 MR. KISE: Objection. Relevance.

16 A Not really no.

17 THE COURT: Objection. Ground?

18 MR. KISE: Relevance today?

19 THE COURT: Overruled, but he did answer. It's  
20 asked and answered. You asked him twice do you remember or  
21 did he have deals.

22 MS. FAHERTY: I think we said foreign deals and I  
23 went to domestic deals. There was the distinction there,  
24 Your Honor, because as you can see in this particular  
25 document which --

1 THE COURT: Objection overruled. I see the  
2 connection. We'll see you all tomorrow at 10 o'clock.

3 MS. FAHERTY: Thank you, Your Honor.

4 THE WITNESS: Thank you, Your Honor.

5 THE COURT: I'll order the witness again don't  
6 discuss this case or your testimony or anything related to  
7 it while you're still a witness which will continue until  
8 tomorrow.

9 THE WITNESS: Yes, sir.

10 THE COURT: Thank you.

Senior Court Reporters

Page 3224

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cellphones are on silent. Laptops and  
4 cellphones will be permitted, but only to members of the  
5 press. There's absolutely no recording or photography of  
6 any kind allowed in the courtroom. Now, be seated and come  
7 to order.

8 THE COURT: There is no photography allowed in the  
9 courtroom, but we're going to let in the photographers now.  
10 (Whereupon, there was a pause in the proceedings.)  
11 THE COURT: I understand we have at least one  
12 housekeeping matter about three witnesses.

13 MR. WALLACE: Certainly, Your Honor. We just noted  
14 our objection to defendant's plan to call three witnesses,  
15 former and current Deutsche Bank employee, by videotaped  
16 deposition because the witnesses are amenable to subpoena in  
17 New York.

18 THE COURT: What is the defendant's current  
19 position and intention?

20 MR. ROBERT: We will be talking to their lawyers as  
21 we were informed. As we've been talking to their lawyers in  
22 the past, they said the witnesses will be unavailable, but  
23 we'll continue to speak with them and report back what we  
24 learn.

25 THE COURT: Okay. There's unavailable and there's

Page 3225

1 unavailable. So they can testify in person like --  
2 MR. ROBERT: Two of them are definitely out of  
3 state. The third is, as I understand it, a resident of New  
4 York State, but we had been told previously may be  
5 unavailable, but we'll confirm all that.

6 THE COURT: All right. Just let us know.

7 MR. ROBERT: Yes. Thank you, Your Honor.

8 MR. WALLACE: I would just note that we agree, as  
9 we note in our letter, that two witnesses are out of state.  
10 One is still a current Deutsche Bank employee and to our  
11 view is amenable to subpoena through the bank and the other  
12 one is employed in New York and so is regularly appearing in  
13 Manhattan to work at Morgan Stanley.

14 MR. ROBERT: Our view, and we don't need to belabor  
15 the issue, we argued this last Friday with the deal with Ms.  
16 Trump's subpoena. We're dealing with the lawyers for the  
17 parties. They'll let us know their position. If they want  
18 to get involved at some point, they will, but we will report  
19 back in due course.

20 THE COURT: Perfect. Shall we resume the  
21 testimony?

22 MS. FAHERTY: Yes, Your Honor.

23 We recall Mr. Donald J. Trump, Jr., please.  
24 (Witness resumes the stand.)  
25 THE COURT: Let's continue.

PROCEEDINGS	Page 3226	PROCEEDINGS	Page 3228
<p>1 MS. FAHERTY: Thank you, Your Honor.</p> <p>2 DONALD TRUMP, J.R., a witness called by the</p> <p>3 Plaintiff, after having been previously sworn by the Clerk of</p> <p>4 the Court, took the witness stand and testified as follows:</p> <p>5 Q Good morning, Mr. Trump?</p> <p>6 A Good morning.</p> <p>7 Q Did you have any conversations regarding your testimony</p> <p>8 yesterday since you left the courthouse?</p> <p>9 A No, I didn't.</p> <p>10 MS. FAHERTY: All right. I'm going to hand up to</p> <p>11 the witness a document that has already been admitted into</p> <p>12 evidence. It is identified as PX-756.</p> <p>13 Q Mr. Trump, it will also be on the screen. The court</p> <p>14 officer will hand it over to you. I'll represent that this is</p> <p>15 the June 30, 2016 Statement of Financial Condition of Donald J.</p> <p>16 Trump.</p> <p>17 Do you have that in front of you, sir?</p> <p>18 A I do.</p> <p>19 Q Are you familiar with this document?</p> <p>20 A No.</p> <p>21 Q Did you help prepare this document?</p> <p>22 A I did not.</p> <p>23 Q Did you review this document?</p> <p>24 A I may have seen this document in preparation for either</p> <p>25 my testimony here or in my -- at my prior deposition, but</p>		<p>1 document is "Donald J. Trump Statement of Financial Condition as</p> <p>2 of June 30, 2016."</p> <p>3 Fair to say you're not familiar with a support data</p> <p>4 spreadsheet prepared in connection with the Donald J. Trump</p> <p>5 Statement of Financial Condition?</p> <p>6 A I don't know. If that is this, then I'm not familiar</p> <p>7 with it. I'm not familiar with a document of that nature, no.</p> <p>8 Q And specifically referencing this document on this</p> <p>9 screen, you have no specific familiarity with this document,</p> <p>10 correct?</p> <p>11 A Correct. I don't believe I've seen this document.</p> <p>12 Q Did you specifically prepare -- withdrawn.</p> <p>13 MS. FAHERTY: I'm going to hand up to the witness a</p> <p>14 document that is not yet in evidence. It is marked for</p> <p>15 identification as PX-1344. Take a moment to look at it and</p> <p>16 I will ask you a few questions, sir.</p> <p>17 (Witness reviewing document.)</p> <p>18 A Okay.</p> <p>19 Q Do you see in the underlying e-mail, there is a message</p> <p>20 from Noah K-I-R-S-C-H at forbes.com e-mailing Alan Garten on</p> <p>21 Friday, March 3, 2017 at 10:00 a.m. a message with the subject</p> <p>22 "urgent, fact checking inquiry from Forbes."</p> <p>23 Do you see that underlying e-mail?</p> <p>24 A I do.</p> <p>25 Q And contained within that e-mail, do you see that there</p>	
<p>1 otherwise, no.</p> <p>2 Q Fair to say you didn't specifically prepare any of the</p> <p>3 valuations contained within in document?</p> <p>4 A That's correct.</p> <p>5 Q And just turning to the second page of this document,</p> <p>6 do you see under the independent accountant's compilation report</p> <p>7 dated March 10, 2017?</p> <p>8 A I do.</p> <p>9 Q And at the very top, the opening paragraph says, "That</p> <p>10 the trustees of the Donald J. Trump Revocable Trust are</p> <p>11 responsible for this Statement of Financial Condition"?</p> <p>12 A Yes.</p> <p>13 Q Okay. You can put that down.</p> <p>14 MS. FAHERTY: Your Honor, I'd like to put on the</p> <p>15 screen Plaintiff's Exhibit PX 742. It has already been</p> <p>16 admitted into evidence.</p> <p>17 Q Mr. Trump, it's a spreadsheet, so it will only be on</p> <p>18 the screen because it is a pretty large document.</p> <p>19 A Fair enough.</p> <p>20 Q Are you familiar with this document on the screen?</p> <p>21 A Not to my knowledge.</p> <p>22 Q Fair to say you did not help prepare this document?</p> <p>23 A I don't know anything about the document, so I imagine</p> <p>24 so, yes.</p> <p>25 Q And I'll represent to you that the title on this</p>		<p>1 are a number of emboldened headings. The first one on the cover</p> <p>2 page of this e-mail, it says, "Trump Organization."</p> <p>3 Do you see that there?</p> <p>4 A I do.</p> <p>5 Q If you turn to the next page of this e-mail, do you see</p> <p>6 in the middle of that page there is an e-mail with a heading</p> <p>7 "Trump Tower penthouse"?</p> <p>8 A I do.</p> <p>9 Q And you see that there are a series of questions</p> <p>10 related to that heading "Trump Tower penthouse, one through</p> <p>11 ten"?</p> <p>12 A Yes.</p> <p>13 Q And in the first sentence, it references, "President</p> <p>14 Trump has told Forbes in the past that his penthouse occupies</p> <p>15 30,000 square feet comprising the entirety of floors 66-68 of</p> <p>16 Trump Tower "--</p> <p>17 THE COURT: It says 33,000, not 30,000.</p> <p>18 Q 33,000.</p> <p>19 MS. FAHERTY: Thank you for the correction, Your</p> <p>20 Honor.</p> <p>21 Q Do you see that first line there?</p> <p>22 A Yes.</p> <p>23 Q And then it subsequently says, "It shows President</p> <p>24 Trump's apartment is 10,996.39 square feet' referencing the</p> <p>25 property records in the prior sentence. Do you see that?</p>	

PROCEEDINGS	Page 3230	PROCEEDINGS	Page 3232
<p>1 A I do.</p> <p>2 Q Okay. And then on that very same day, if we go back to</p> <p>3 the cover page, Alan Garten, he works at the Trump Organization.</p> <p>4 We discussed him yesterday?</p> <p>5 A Correct.</p> <p>6 Q Alan Garten forwards this message to you, correct?</p> <p>7 A It would appear so, yes.</p> <p>8 Q And then Allen Weisselberg and Eric Trump, right?</p> <p>9 A Correct.</p> <p>10 Q As well as Amanda Miller?</p> <p>11 A Yes.</p> <p>12 Q Who's Amanda Miller?</p> <p>13 A She was running our marketing department at the time.</p> <p>14 Q Another employee of the Trump Organization?</p> <p>15 A Yes.</p> <p>16 Q And then the very top e-mail, that's your e-mail</p> <p>17 address responding at 12:46 p.m., yes?</p> <p>18 A Correct.</p> <p>19 Q And you write "insane amount of stuff there," yes?</p> <p>20 A Yes.</p> <p>21 Q Do you recall receiving this message?</p> <p>22 A No.</p> <p>23 Q Aside from this specific message, what, if any, fact</p> <p>24 checking did you do to follow up on the message contained in Mr.</p> <p>25 Kirsch's e-mail?</p>		<p>1 Q I'll turn your attention to page three of this letter.</p> <p>2 Do you recognize that signature on the bottom right-hand corner</p> <p>3 of page three?</p> <p>4 A That's my signature.</p> <p>5 Q Okay. Turning back to the front page, this letter is</p> <p>6 dated March 10, 2017, correct?</p> <p>7 A That is correct.</p> <p>8 Q This is one week after your e-mail in which you stated</p> <p>9 "insane amount of stuff here" with regards to the Forbes</p> <p>10 inquiry?</p> <p>11 A Presumably, yes.</p> <p>12 Q Mr. Trump, in connection with the work Mazars performed</p> <p>13 on the Statement of Financial Condition, the Trump Organization</p> <p>14 presented Mazars with a signed representation letter, correct?</p> <p>15 A I believe so.</p> <p>16 Q And this is one such representation letter, correct?</p> <p>17 A I believe that's correct.</p> <p>18 Q Okay. Turning your attention to the first page, the</p> <p>19 third paragraph states, "We confirm, to the best of our</p> <p>20 knowledge and belief, as of March 10, 2017, the following</p> <p>21 representations made to you during your compilation."</p> <p>22 Do you see that language there?</p> <p>23 A I do.</p> <p>24 Q And then following that confirmation, there is a</p> <p>25 subparagraph number one. Do you see it?</p>	
PROCEEDINGS	Page 3231	PROCEEDINGS	Page 3233
<p>1 A I don't know that I did any. I don't know that I would</p> <p>2 spend hundreds of questions worth of time on answering Forbes</p> <p>3 Magazine.</p> <p>4 Q So no specific recollection as to what you did, yes?</p> <p>5 You don't have that recollection?</p> <p>6 A I have no specific recollection of doing anything with</p> <p>7 it.</p> <p>8 Q What conversations did you have about this e-mail?</p> <p>9 A I don't know that I had any.</p> <p>10 Q So no specific recollection about conversations?</p> <p>11 A No.</p> <p>12 Q Okay.</p> <p>13 MS. FAHERTY: Your Honor, I move to admit</p> <p>14 Plaintiff's Exhibit P X-1344.</p> <p>15 THE COURT: Granted. It is in.</p> <p>16 MS. FAHERTY: Thank you, your Honor.</p> <p>17 (Whereupon, the Document was marked in evidence as</p> <p>18 Plaintiff's Exhibit 1344.)</p> <p>19 Q Mr. Trump, I'm going to display on the screen and ask</p> <p>20 the court reporter to hand up to you a document already in</p> <p>21 evidence. It is identified as PX 741.</p> <p>22 Do you see that document in front of you, sir?</p> <p>23 A Yes.</p> <p>24 Q And this is on Trump Organization letterhead, yes?</p> <p>25 A Correct.</p>		<p>1 A I do.</p> <p>2 Q And then if you turn to the next two and three pages,</p> <p>3 you'll see there are numbered paragraphs going up to paragraph</p> <p>4 16. Do you see those?</p> <p>5 A I do.</p> <p>6 Q And we'll just talk about a couple of the</p> <p>7 representations that the Trump Organization confirmed in this</p> <p>8 letter.</p> <p>9 Do you see point two, the representation is, "We have</p> <p>10 made available to you all financial records and related data,</p> <p>11 and any additional information you requested from us for the</p> <p>12 purpose of the compilation. We have not knowingly withheld from</p> <p>13 you any financial records or related data that in our judgment</p> <p>14 would be relevant to your compilation."</p> <p>15 You see that that was a representation in this letter?</p> <p>16 A I do.</p> <p>17 Q And in paragraph four, there's another representation.</p> <p>18 "We acknowledge and have fulfilled our responsibility for</p> <p>19 designing, implementing and maintaining internal control</p> <p>20 relevant to the preparation and fair presentation of the</p> <p>21 personal financial statement that is free from material</p> <p>22 misstatement whether due to fraud or error."</p> <p>23 Do you see that representation?</p> <p>24 A I do, yes.</p> <p>25 Q And at point five, there's another representation, "We</p>	

PROCEEDINGS	Page 3234	PROCEEDINGS	Page 3236
<p>1 acknowledge our responsibility for designing, implementing and</p> <p>2 maintaining internal control to prevent and detect fraud."</p> <p>3 A I do.</p> <p>4 Q One more representation just to draw your attention to</p> <p>5 it. Make sure that you see it is there. Number 15, "We have</p> <p>6 responded fully and truthfully to all inquiries made to us by</p> <p>7 you during your compilation."</p> <p>8 Do you see that representation on behalf of the Trump</p> <p>9 Organization there?</p> <p>10 A I do.</p> <p>11 Q Do you agree with those representations in this letter?</p> <p>12 A I do. Every decision I made was based on all of the</p> <p>13 information that I would have gotten from Mazars who ironically</p> <p>14 is also the one we're writing this letter to, but they were</p> <p>15 intimately involved in every aspect of that. And again, for</p> <p>16 purposes of accounting, I rely on the accountants and so while I</p> <p>17 make these representations to them, they have frankly as much,</p> <p>18 if not more, information in the details of all of this than I</p> <p>19 ever would have had.</p> <p>20 Q So you relied on Mazars to make these representations</p> <p>21 to Mazars?</p> <p>22 A I relied on Mazars and our accounting team to tell me</p> <p>23 what is accurate within the confines of accounting. That's why</p> <p>24 we have accountants.</p> <p>25 Q So in addition to Mazars, you make a reference to "our</p>		<p>1 question, maybe at great length, but --</p> <p>2 MS. FAHERTY: Okay.</p> <p>3 THE WITNESS: I'm just trying to give the details,</p> <p>4 sir. Sometimes things aren't, unfortunately, yes or no when</p> <p>5 it comes to the complex transactions.</p> <p>6 THE COURT: Okay.</p> <p>7 THE WITNESS: I'll try to hone it down.</p> <p>8 Q As it relates to this representation letter, did you</p> <p>9 specifically rely on Jeffrey McConney to assure yourself of the</p> <p>10 representations contained in this letter?</p> <p>11 A Specifically as it relates to this letter, I don't</p> <p>12 recall who I relied on.</p> <p>13 MS. FAHERTY: Your Honor, I'm putting before the</p> <p>14 witness a document that is not yet in evidence. We have</p> <p>15 marked it for identification as PX-391.</p> <p>16 Q Mr. Trump, I'll turn your attention to the second page</p> <p>17 of this document. Do you recognize that signature on the second</p> <p>18 page of this document?</p> <p>19 A That is my signature.</p> <p>20 Q And it is signed as "attorney in fact"?</p> <p>21 A Correct.</p> <p>22 Q Do you have any understanding as to what "attorney in</p> <p>23 fact" is a reference to?</p> <p>24 A Well, I guess I'm functioning as an attorney for my</p> <p>25 father as per, I guess, whatever the lawyers structured for me</p>	
PROCEEDINGS	Page 3235	PROCEEDINGS	Page 3237
<p>1 accounting team."</p> <p>2 Who is that accounting team you're referencing as</p> <p>3 you're sitting here today?</p> <p>4 A That would have been Allen Weisselberg, Jeffrey</p> <p>5 McConney and their team.</p> <p>6 Q And in specifically as it relates to this 2016</p> <p>7 representation letter, were you relying on Allen Weisselberg to</p> <p>8 make the representations in this rep letter?</p> <p>9 A I'd have to see what the backup is. I don't recall</p> <p>10 ever being involved in any of that. But yes, I would</p> <p>11 imagine -- I'll try to slow it down. Yes, I would have relied</p> <p>12 on them, but again, I would have also relied knowing that</p> <p>13 they're working intimately with Mazars and I understand, you</p> <p>14 know, the world around this time is changing and this could</p> <p>15 be, let's call it, a cover your butt, but Mazars for 30 years is</p> <p>16 intimately involved in literally every aspect, every</p> <p>17 transaction, every LLC. They would have been a key point in</p> <p>18 compiling anything as it related to accounting and they would</p> <p>19 have been well aware of that.</p> <p>20 MS. FAHERTY: Your Honor, I would move to strike</p> <p>21 that answer and I can ask my question again.</p> <p>22 THE COURT: I remember the question. Overruled.</p> <p>23 That's his response.</p> <p>24 MS. FAHERTY: Okay.</p> <p>25 THE COURT: And I think it responded to the</p>		<p>1 at the time.</p> <p>2 Q Okay. Turn your attention back to the first page of</p> <p>3 this document.</p> <p>4 MS. FAHERTY: Oh, Your Honor, I move to admit this</p> <p>5 into evidence.</p> <p>6 THE COURT: Granted. It is in.</p> <p>7 (Whereupon, the Document was marked in evidence as</p> <p>8 Plaintiff's Exhibit 391.)</p> <p>9 MS. FAHERTY: Thank you.</p> <p>10 Q Turning to the first page, do you see that this is on</p> <p>11 letterhead "Donald J. Trump 725 Fifth Avenue, New York, New York</p> <p>12 10022"?</p> <p>13 A Yes.</p> <p>14 Q That's the address of the Trump Organization?</p> <p>15 A Yes.</p> <p>16 Q The date on this certification, this is dated March 13,</p> <p>17 2017, yes?</p> <p>18 A Correct.</p> <p>19 Q Okay. I'll draw your attention to point one in this</p> <p>20 certification. Sorry. I'll just frame your reference, the</p> <p>21 very, very top, it says, "There is a lender Deutsche Bank Trust</p> <p>22 Company of Americas." You're familiar with Deutsche Bank Trust</p> <p>23 Company as a lender to the Trump Organization?</p> <p>24 A Yes.</p> <p>25 Q You'll see that there is an entry for a guarantor.</p>	

PROCEEDINGS	Page 3238	PROCEEDINGS	Page 3240
<p>1 That's Donald J. Trump, yes?</p> <p>2 A Correct.</p> <p>3 Q And the borrower identified in the certification is</p> <p>4 Trump Endeavor 12, LLC. You see that there?</p> <p>5 A I do.</p> <p>6 Q And you're familiar with Trump Endeavor 12, LLC,</p> <p>7 correct?</p> <p>8 A I believe so, yes.</p> <p>9 Q Sorry?</p> <p>10 A I believe so, yes.</p> <p>11 Q Turning to point one, "financial information," it says,</p> <p>12 "The underlined guarantor hereby certifies to lender as of the</p> <p>13 date hereof that as of June 30, 2016 (the "reporting date") one,</p> <p>14 financial information. As applicable (please check the</p> <p>15 applicable box below and insert the applicable date below)."</p> <p>16 You'll see the very first bullet is "X"-ed. "Attached</p> <p>17 hereto is guarantor's Statement of Financial Condition as of</p> <p>18 June 30, 2016 (Section 11(A) of the guaranty)" and then there</p> <p>19 are two other bullets of financial information checked, right?</p> <p>20 A Yes.</p> <p>21 Q Then it states, "The foregoing presents fairly in all</p> <p>22 material respects the financial condition of the guarantor at</p> <p>23 the period presented," right?</p> <p>24 A Yes.</p> <p>25 Q Did you take any steps to assure yourself of this</p>		<p>1 processes for whatever it may be, you know. I would be</p> <p>2 comfortable trusting my team both inside and outside that this</p> <p>3 is fine for me to sign.</p> <p>4 Q And did the legal department indeed confirm it was okay</p> <p>5 to sign the certification?</p> <p>6 A I don't recall specifically, but that would have</p> <p>7 generally been my process.</p> <p>8 Q Do you have any specific recollection that the legal</p> <p>9 department informed you it was not okay to sign a certification?</p> <p>10 A No, because I would not have signed it had they done</p> <p>11 that.</p> <p>12 Q Aside from those conversations you had with the</p> <p>13 accounting department, with Mr. Bender and with</p> <p>14 Mr. Legal -- with the legal department?</p> <p>15 A Mr. Legal doesn't work at the Trump Organization</p> <p>16 anymore. He's out of state. It may be hard to subpoena him.</p> <p>17 Q They're all out of state. Okay.</p> <p>18 Aside from those conversations, did you yourself</p> <p>19 specifically take any steps to assure yourself of the</p> <p>20 information you were certifying in this certification?</p> <p>21 A Well, I mean, I would think speaking to them -- I may</p> <p>22 have spoken to individuals if there was details that I don't</p> <p>23 recall right now. I may have taken it further down the line,</p> <p>24 but I think if the people who are running the numbers on each</p> <p>25 and every one of the things that would be an aspect of this or</p>

<p>1 certification?</p> <p>2 A As with all of the certifications, as I think we</p> <p>3 discussed yesterday, I would have sat with the relevant parties;</p> <p>4 namely, in accounting, whether that's the Trump team and/or</p> <p>5 Donald Bender. I would have asked them if everything that is in</p> <p>6 here is correct. I would have likely also checked with our</p> <p>7 legal department to make sure that the conditions are met as it</p> <p>8 relates to anything I would sign for Deutsche Bank and if they</p> <p>9 assured me in their expert opinion that these things were fine,</p> <p>10 I would have been fine with that and signed off accordingly.</p> <p>11 Q Is that specific to this particular certification, sir?</p> <p>12 A Well, I think I probably would save us some time and</p> <p>13 say that's probably specific to all of these certifications</p> <p>14 because I'm sure I've signed dozens of these in my time as a</p> <p>15 trustee.</p> <p>16 Q So no specific recollection as to this particular</p> <p>17 certification, right?</p> <p>18 A Correct.</p> <p>19 Q You're providing me your general recollection as to</p> <p>20 what you would do, correct?</p> <p>21 A Correct. I'm providing you the process I would have</p> <p>22 gone through. I would have relied on the people who are the</p> <p>23 experts in compiling all of this who deal with these things down</p> <p>24 to the very granular levels. If they're telling me it is okay</p> <p>25 and then legal tells me, it goes through the appropriate</p>		<p>1 are telling me that this is okay, I'd probably would have been</p> <p>2 fine with it, but I don't recall specifically having</p> <p>3 conversations about, you know, an individual or an anomaly or</p> <p>4 whatever it may be.</p> <p>5 Q Specifically as it relates to this certification, which</p> <p>6 documents did you review?</p> <p>7 A I don't recall this specific certification, so I</p> <p>8 couldn't tell you.</p> <p>9 Q Other than what you just testified generally, no</p> <p>10 specific knowledge to share about what you did to assure</p> <p>11 yourself of the certification here?</p> <p>12 A Correct. No, I don't recall that.</p> <p>13 Q When you signed this certification, you intended for</p> <p>14 the bank to rely upon it, correct?</p> <p>15 A Sure.</p> <p>16 Q You could put that down, sir.</p> <p>17 MS. FAHERTY: Your Honor, I'm going to turn to a</p> <p>18 document already in evidence. We discussed it yesterday</p> <p>19 briefly. It is identified as PX-755.</p> <p>20 Q Do you see that document in front of you, Mr. Trump?</p> <p>21 A I do.</p> <p>22 Q We discussed this yesterday. Am I correct you don't</p> <p>23 have any specific familiarity with the 2017 Statement of</p> <p>24 Financial Condition of Donald Trump, right?</p> <p>25 A Correct.</p>

<p>1 Q If I asked you the same question as I did about 2016,</p> <p>2 we can turn to page two confirming that it is, in fact, the</p> <p>3 trustees responsible for the Statements of Financial Condition</p> <p>4 in 2017, it states that there, correct?</p> <p>5 A Correct.</p> <p>6 Q And this independent accountant's report was finalized,</p> <p>7 at the bottom of this letter you can see, October 30, 2017. You</p> <p>8 see that?</p> <p>9 A I do.</p> <p>10 Q You were a trustee, correct?</p> <p>11 A Yes.</p> <p>12 Q And if I asked you the same questions I asked before</p> <p>13 about what you specifically did to prepare this document, you</p> <p>14 have no specific knowledge about that, right?</p> <p>15 A Correct. It would be the same for all of the</p> <p>16 Statements of Financial Condition.</p> <p>17 Q So if I showed you the 2018 Statement of Financial</p> <p>18 Condition, same answer?</p> <p>19 A I think we could save each other a lot of time and</p> <p>20 effort and yes, it would be the same thing.</p> <p>21 Q If I showed you the 2019 Statement of Financial</p> <p>22 Condition, it would be the same answer?</p> <p>23 A Yes, ma'am.</p> <p>24 Q And if I showed you the 2020 Statement of Financial</p> <p>25 Condition, it would be the same answer?</p>		<p>1 supporting data spreadsheet created for the 2017 Statement of</p> <p>2 Financial Condition, correct?</p> <p>3 A Correct.</p> <p>4 Q And if I asked you questions about the specific work</p> <p>5 you did on this particular spreadsheet, no specific knowledge of</p> <p>6 that work, correct?</p> <p>7 A Correct.</p> <p>8 Q And if I asked you the same question if I put up the</p> <p>9 2018 supporting data spreadsheet for the 2018 Statement of</p> <p>10 Financial Condition, would your answer still be the same?</p> <p>11 A I believe it would, yes.</p> <p>12 Q No specific knowledge as to the spreadsheet, correct?</p> <p>13 A Correct.</p> <p>14 Q No specific knowledge as to work you performed on the</p> <p>15 supporting data spreadsheet, correct?</p> <p>16 A Correct.</p> <p>17 Q And if I asked those same questions for 2019, would</p> <p>18 your answers remain the same?</p> <p>19 A Rinse and repeat, yes.</p> <p>20 Q If I asked you the same questions for 2020, would your</p> <p>21 answers remain the same?</p> <p>22 A I believe they would, yes.</p> <p>23 Q And in 2021, if I asked you those same questions for</p> <p>24 work you performed on supporting data spreadsheet for the 2021</p> <p>25 Statement of Financial Condition, would your answer still be the</p>

<p>1 A I believe that's correct.</p> <p>2 Q I may show you the 2021 Statement of Financial</p> <p>3 Condition. Do you have any knowledge that you retained a</p> <p>4 different accounting firm to commission the Statement of</p> <p>5 Financial Condition in 2021?</p> <p>6 A Yes, I'm aware of that.</p> <p>7 Q Who was that accounting firm?</p> <p>8 A That's Whitley Penn.</p> <p>9 Q Did you work specifically on the 2021 Statement of</p> <p>10 Financial Condition with Whitley Penn?</p> <p>11 A If I did, it would have been in the same manner that I</p> <p>12 would have with Mazars.</p> <p>13 Q No specific knowledge as to the work you performed on</p> <p>14 the 2021 Statement of Financial Condition with Whitley Penn; is</p> <p>15 that true?</p> <p>16 A That's accurate, yes.</p> <p>17 MS. FAHERTY: And I'll just put it on the screen.</p> <p>18 We can expedite, your Honor. I'm putting up a document</p> <p>19 already in evidence.</p> <p>20 Q Again, Mr. Trump, it is a spreadsheet, so it is rather</p> <p>21 large. Nothing to hand up. It is PX 758.</p> <p>22 The title on this document is, "The Donald J. Trump</p> <p>23 Statement of Financial Condition as of June 30, 2017." This is</p> <p>24 the supporting data spreadsheet.</p> <p>25 Similar to 2016, no specific knowledge as to the</p>		<p>1 same?</p> <p>2 A I believe so.</p> <p>3 MS. FAHERTY: Your Honor, I'm going to show to the</p> <p>4 witness a document that I don't know has formally been moved</p> <p>5 into evidence, but may have been and not recorded. It is</p> <p>6 Plaintiff's Exhibit P X-754. We've discussed it before. I</p> <p>7 believe Tommy has it, but in case it has not been formally</p> <p>8 moved into evidence, I would so move.</p> <p>9 THE COURT: Granted. It is in evidence.</p> <p>10 (Whereupon, the Document was marked in evidence as</p> <p>11 Plaintiff's Exhibit 754.)</p> <p>12 MS. FAHERTY: Thank you, your Honor.</p> <p>13 Q And Mr. Trump, I'll turn your attention to the third</p> <p>14 page of this document. You recognize that is your signature,</p> <p>15 correct?</p> <p>16 A I do.</p> <p>17 Q You recognize this as the 2017 representation letter to</p> <p>18 Mazars?</p> <p>19 A Yes, it would appear so.</p> <p>20 Q Dated October 30, 2017?</p> <p>21 A Yes.</p> <p>22 Q And before, I asked you a series of questions on the</p> <p>23 2016 representation letter to Mazars.</p> <p>24 Do you recall those questions that I asked you?</p> <p>25 A Yes.</p>	

<p style="text-align: right;">Page 3246</p> <p>1 Q And you gave me answers as to the assurances that the 2 Trump Organization made to Mazars contained in this 3 representation letter. 4 Do you recall that testimony you provided? 5 A I do, yes. 6 Q And we went over a series of the representations 7 contained in the representation letter and the numbered 8 paragraphs contained within the rep letter. 9 Do you recall those questions about those numbered 10 paragraphs? 11 A I do. 12 Q And if I went through a similar exercise to ask you 13 those same questions about those same representations, would you 14 still give me the same answer? 15 A I can't think of anything off the top of my head that 16 would change that, so yes. 17 (Continued on the next page.) 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 3248</p> <p>D. Trump, Jr. - Plaintiff - direct (Faherty)</p> <p>1 A Yes. 2 Q Dated October 31, 2017? 3 A Correct. 4 Q And, again, this has similar language to what we saw 5 earlier in the prior certification that "the undersigned 6 guarantor certifies to the lender as of the date hereof that as 7 of June 30, 2017 the reporting date, point one, that you are 8 providing certain financial information;" right? 9 A Correct. 10 Q And attached there is a guarantor's Statement of 11 Financial Condition as of June 30, 2017. You see that there? 12 A I do. 13 Q And the certification states "the foregoing presents 14 fairly in all material respects the financial condition of 15 guarantor at the period presented;" correct? 16 A Correct. 17 Q And if we turn to page three of 230. 18 On this document you recognize that as your signature; 19 right? 20 A I do. 21 Q And if I asked you the same questions I asked you about 22 the earlier certification about what steps you took to assure 23 yourself of this certification your answer would remain the same 24 as it relates to this specific document; correct? 25 A It would.</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) <span style="float: right;">Page 3247</span></p> <p>1 Q So no specific testimony you could provide that would 2 distinguish the assurances you made for yourself to sign the 3 2017 representation letter to Mazars; correct? 4 A Correct. Not that I can recall anything different, 5 yes. 6 MS. FAHERTY: Your Honor, I'm going to put up a 7 document that's already been admitted into evidence. It is 8 a big document, PX 1386. It's a family that Mr. Solomon 9 moved in earlier in the trial. 10 A This may take me a few weeks to read. 11 Q Mr. Trump, I've handed you a document. It's a family 12 compilation document. I'll draw your attention on the screen, 13 which may be easier, but the first page I'll draw your attention 14 to is at -- you'll see at the very bottom there is a page two of 15 number, so page 2 of 230. It's also on the screen. You'll see 16 that -- 17 A Page one. 18 Q Page two? 19 A Yes, okay. 20 Q See at the very bottom? 21 A Yes, exactly. 22 Q Okay. This is another certification to Deutsche Bank; 23 correct? 24 A It would appear so, yes. 25 Q On behalf of the borrower Trump Old Post Office LLC?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) <span style="float: right;">Page 3249</span></p> <p>1 Q Okay. If you turn to page five of 230. 2 A Yes. 3 Q Dated October 31, 2017, another certification to 4 Deutsche Bank on behalf of Trump Endeavor 12 LLC. You see that 5 there? 6 A I do. 7 Q Again, another certification for the financial 8 information; right? 9 A Yes, ma'am. 10 Q Attaching the Statement of Financial Condition; 11 correct? 12 A Yes. 13 Q If you turn to the following page. 14 Again, that is your certification -- your signature for 15 this certification; correct? 16 A Correct. 17 Q If I asked you those same questions your answer would 18 still be the same specifically as it relates to this document? 19 A I believe so, yes. 20 Q Correct that you signed this certification with the 21 intent that the bank would rely on it? 22 A I don't know that they rely on it. I don't -- I know a 23 lot of bankers and they do their own due diligence, but I was 24 fine signing this based on everything I had been told as per 25 everything we've discussed today, yes.</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3250</p> <p>1 Q I'll re-ask my question.</p> <p>2 You signed this certification intending that the bank</p> <p>3 would rely on it; correct?</p> <p>4 A I'm fine with the bank relying on it, yes.</p> <p>5 Q And the prior certification I did not ask that</p> <p>6 question, but same question. You signed that prior</p> <p>7 certification with the intent that the bank would rely on it?</p> <p>8 A Again, I would be fine with them relying on it. I</p> <p>9 don't know what their intent is.</p> <p>10 Q Did you intend for the bank to rely on that</p> <p>11 certification that you signed?</p> <p>12 A I don't know. Again, I think -- I know -- like I said,</p> <p>13 I know a lot of bankers that do their own due diligence. If</p> <p>14 they looked at it and that was their -- and if they relied on</p> <p>15 it, I would be fine with all of the material information that's</p> <p>16 in those documents.</p> <p>17 THE COURT: That doesn't answer the question and</p> <p>18 the intent isn't the banker's. It's your intent that she is</p> <p>19 asking about; correct?</p> <p>20 MS. FAHERTY: Correct.</p> <p>21 A Then I'm not sure I understand. I'm fine with the bank</p> <p>22 relying on that information.</p> <p>23 Q So is that a question you intended for the bank to rely</p> <p>24 on your certification?</p> <p>25 A I don't know that I intended for them to do anything.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3252</p> <p>1 and Recreation; yes?</p> <p>2 A Yes.</p> <p>3 Q When the "re:" lines says "President Donald J. Trump?"</p> <p>4 A Yes.</p> <p>5 Q Turning to the bottom of this letter do you recognize</p> <p>6 your name included as the cc?</p> <p>7 A I do.</p> <p>8 Q And this letter was sent by Mazars; correct?</p> <p>9 A It would appear so.</p> <p>10 Q Okay. Drawing your attention to the second paragraph,</p> <p>11 it states: "While we have not reviewed computations of value</p> <p>12 since the aforementioned June 30, 2016 financial statement,</p> <p>13 based on discussions with trustees of Donald J. Trump Revocable</p> <p>14 Trust dated April 7, 2014, as amended and their advisors, we are</p> <p>15 not aware of any matters that would indicate a significant</p> <p>16 change in Mr. Trump's net worth as of this date."</p> <p>17 You see that language there?</p> <p>18 A I do.</p> <p>19 Q What discussions did you have regarding the substance</p> <p>20 of this paragraph?</p> <p>21 A I don't recall any.</p> <p>22 MS. FAHERTY: Your Honor, I'm going to move faster.</p> <p>23 I'm going to hand up to the witness a document identified --</p> <p>24 marked for identification as PX 393.</p> <p>25 Q This is another bank certification on Trump</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3251</p> <p>1 I'm fine signing off on it. It's not as simple as yes or no to</p> <p>2 me.</p> <p>3 THE COURT: I'm not going to insist on a yes-or-no</p> <p>4 answer.</p> <p>5 MS. FAHERTY: I think that's as best as he's going</p> <p>6 to give.</p> <p>7 All right. Your Honor, I'm going to put on the</p> <p>8 screen a document that's already in evidence. It is</p> <p>9 identified as PX 3285.</p> <p>10 Q Mr. Trump, keep that exhibit near you. I'm going to</p> <p>11 ask questions about it again.</p> <p>12 A Sure.</p> <p>13 Q Okay. I'll turn your attention to the second page, but</p> <p>14 I'll just draw your attention to the first page.</p> <p>15 The subject of this e-mail, which has an attachment, is</p> <p>16 "Ferry Point 2018 No MAC change letter."</p> <p>17 You're familiar with Ferry Point; right?</p> <p>18 A I am.</p> <p>19 Q And the attachment is a 2017 No MAC letter.</p> <p>20 Do you know what a No MAC letter is?</p> <p>21 A I don't.</p> <p>22 Q Let's turn to the second page and see if we can figure</p> <p>23 that out. Do you see the date on this document, April 22, 2017?</p> <p>24 A I do.</p> <p>25 Q Addressed to the City of New York Department of Parks</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3253</p> <p>1 Organization letterhead for Donald J. Trump; yes?</p> <p>2 A Correct.</p> <p>3 Q Turning to the second page of this document, do you</p> <p>4 recognize that as your signature?</p> <p>5 A I do.</p> <p>6 Q And then if you turn to the fourth page of this</p> <p>7 document, do you recognize your signature again on another</p> <p>8 certification?</p> <p>9 A I do.</p> <p>10 Q And then if you turn to the sixth page of this</p> <p>11 document, do you recognize your signature again?</p> <p>12 A I do.</p> <p>13 MS. FAHERTY: Your Honor, I move to admit this</p> <p>14 packet of certifications into evidence.</p> <p>15 THE COURT: Granted. It's in or they're in.</p> <p>16 (Whereupon, the item previously referred to is</p> <p>17 received and marked Plaintiff's Exhibit Number 393 in</p> <p>18 evidence.)</p> <p>19 Q And Mr. Trump, you see that this packet is a very</p> <p>20 similar packet of certifications sent to Deutsche Bank. The</p> <p>21 first is on behalf of Trump Old Post that's on page one of six.</p> <p>22 Do you see that there?</p> <p>23 A Yes, ma'am.</p> <p>24 Q And it -- this document contains similar language about</p> <p>25 the certification that we've seen in the prior bank</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3254</p> <p>1 certifications; right?</p> <p>2 A Correct.</p> <p>3 Q And the second certification, that certification was</p> <p>4 signed by you in 2018 on behalf of you, Trump Endeavor 12 LLC,</p> <p>5 to Deutsche Bank; yes?</p> <p>6 A Correct.</p> <p>7 Q And the third certification we saw signed on</p> <p>8 October 25, 2018 was certifying to Deutsche Bank on behalf of</p> <p>9 401 North Wabash? Is it Wabash or Wabash?</p> <p>10 A Wabash.</p> <p>11 Q Thank you.</p> <p>12 401 North Wabash Venture LLC; correct?</p> <p>13 A Correct.</p> <p>14 Q And if I asked you the same questions that I asked you</p> <p>15 about the prior bank certifications would your answers remain</p> <p>16 the same?</p> <p>17 A Yes, ma'am.</p> <p>18 Q Again, you intended for the bank to rely on the</p> <p>19 certifications when you signed them?</p> <p>20 A I'm fine with them relying on it, yes.</p> <p>21 Q Thank you.</p> <p>22 MS. FAHERTY: Your Honor, I would just like to show</p> <p>23 another Mazars rep letter, which I'm not sure has formally</p> <p>24 been moved into evidence. So I believe Tommy has it. It's</p> <p>25 PX 841.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3256</p> <p>1 And it's on the screen, Mr. Trump, if that helps.</p> <p>2 A Yes.</p> <p>3 Q Okay. Do you recognize that signature when Ashley</p> <p>4 scrolls up to it?</p> <p>5 A I do.</p> <p>6 Q That's your signature?</p> <p>7 A Yes.</p> <p>8 Q And if you turn to the page prior this is a</p> <p>9 certification issued to Deutsche Bank on behalf of the guarantor</p> <p>10 Donald J. Trump and the borrower is 401 North Wabash Venture LLC</p> <p>11 dated October 31, 2019; right?</p> <p>12 A I believe so, yes.</p> <p>13 Q Another certification that you signed; yes?</p> <p>14 A Yes.</p> <p>15 Q And then if we turn to page 101 of 230, still</p> <p>16 October 31, 2019, another certification. This one on behalf of</p> <p>17 Trump Endeavor 12 LLC; correct?</p> <p>18 A Yes.</p> <p>19 Q The following page, that is in fact your signature;</p> <p>20 right?</p> <p>21 A Yes.</p> <p>22 Q And then the following page this is the third</p> <p>23 certification again dated October 31, 2019, this time on behalf</p> <p>24 of Trump Old Post Office LLC; right?</p> <p>25 A Yes.</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3255</p> <p>1 Q All right. You see that this is another representation</p> <p>2 letter drafted by the Trump Organization issued to Mazars dated</p> <p>3 October 31, 2019; correct?</p> <p>4 A Correct.</p> <p>5 Q And on page three of this document that is your</p> <p>6 signature; right?</p> <p>7 A Yes.</p> <p>8 MS. FAHERTY: Your Honor, I move to admit this</p> <p>9 formally into evidence if it was not previously admitted.</p> <p>10 THE COURT: Granted.</p> <p>11 MS. FAHERTY: Thank you.</p> <p>12 (Whereupon, the item previously referred to is</p> <p>13 received and marked Plaintiff's Exhibit Number 841 in</p> <p>14 evidence.)</p> <p>15 Q If I asked you the same questions you have provided --</p> <p>16 you would provide me the same answers as we discussed earlier</p> <p>17 with regards to the representation letters, Mr. Trump?</p> <p>18 A I believe so, yes. I can't think of anything off the</p> <p>19 top of my head that changed.</p> <p>20 Q Thank you. You can put that down.</p> <p>21 Just so that we could turn back to it, I had you hold</p> <p>22 near you PX 1386, and I'll draw your attention to page 100 of</p> <p>23 230. I told you it's voluminous.</p> <p>24 A It's a big one.</p> <p>25 Q It's a big one.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3257</p> <p>1 Q Same certifications as the prior certifications</p> <p>2 attaching the Statement of Financial Condition of the respective</p> <p>3 year; correct?</p> <p>4 A I believe so, yes.</p> <p>5 Q And the following page that is in fact your signature</p> <p>6 certifying; correct?</p> <p>7 A Yes.</p> <p>8 Q And if I asked you the same questions that I had</p> <p>9 previously asked you as to those bank certifications any</p> <p>10 specific difference as it pertains to these particular</p> <p>11 certifications in 2019?</p> <p>12 A None that I can recall, no.</p> <p>13 Q One second, Mr. Trump. I apologize.</p> <p>14 A No problem.</p> <p>15 MS. FAHERTY: I'm just going to show the witness PX</p> <p>16 1354 and confirm it was already admitted into evidence.</p> <p>17 This is the 2021 Statement of Financial Condition for</p> <p>18 Mr. Donald J. Trump. If we could turn to the second page.</p> <p>19 Q In this particular year, correct that the Statement of</p> <p>20 Financial Condition was compiled by the Whitley Penn accounting</p> <p>21 firm; yes?</p> <p>22 A I believe that's correct, yes.</p> <p>23 Q If we turn to the next page of the Independent</p> <p>24 Accountants' Compilation Report. It is dated October 29, 2021;</p> <p>25 correct?</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3258</p> <p>1 A Yes.</p> <p>2 Q You were still trustee at this time; yes?</p> <p>3 A Correct.</p> <p>4 Q If we turn back to the first line -- first --</p> <p>5 MS. FAHERTY: Yes, that page, Ashley. Thank you.</p> <p>6 Q Says "the trustee of the Donald J. Trump Revocable</p> <p>7 Trust?"</p> <p>8 A Yes.</p> <p>9 Q "Are responsible for the accompanying personal</p> <p>10 financial statement;" yes?</p> <p>11 A Yes.</p> <p>12 Q Okay. And again, the rest of the questions that I</p> <p>13 asked as to statements of financial condition as it pertains to</p> <p>14 this particular Statement of Financial Condition, no specific</p> <p>15 response that is different than any of your other responses</p> <p>16 related to the statements of financial condition?</p> <p>17 A This was Whitley Penn, but no. Other than that, I</p> <p>18 can't think of anything different.</p> <p>19 Q Thank you.</p> <p>20 THE COURT: "Thank you" is okay. It's polite. Not</p> <p>21 "great," not, you know, "terrific." "Okay" I rather you</p> <p>22 left it out, probably easier on the reporter. It might show</p> <p>23 some sort of confirmation.</p> <p>24 MS. FAHERTY: I'm confirming for myself, Judge. I</p> <p>25 got it. Thank you, Your Honor.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3260</p> <p>1 Q You'll see that similar to the Mazars representation</p> <p>2 letter there are certain assurances contained within this</p> <p>3 representation letter; yes?</p> <p>4 A Yes.</p> <p>5 Q And, again, similar to the Mazars letter you'll see</p> <p>6 that there are assurances in numbered paragraphs. You'll see</p> <p>7 that there is number one at the top of your screen and it</p> <p>8 numbers two through five fill out the bottom of this first page.</p> <p>9 Do you see those assurances?</p> <p>10 A I do.</p> <p>11 Q And then it continues on to page two. There are a</p> <p>12 total of 22 numbered paragraphs of assurances provided to</p> <p>13 Whitley Penn; correct?</p> <p>14 A Yes.</p> <p>15 Q And if I asked you the same questions I did -- as I</p> <p>16 previously did as to the assurances you made to be able to sign</p> <p>17 this representation letter to Whitley Penn would your answer</p> <p>18 remain the same as it specifically relates to Whitley Penn, this</p> <p>19 document in front of you?</p> <p>20 A I believe so. I can't think of anything that changed</p> <p>21 off the top of my head.</p> <p>22 Q Okay. Mr. Trump, I'm going to put a document on the</p> <p>23 screen already in evidence. It is identified as PX 134, and I</p> <p>24 will draw your attention to page six of eight.</p> <p>25 A Yes.</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3259</p> <p>1 THE COURT: Thank you is okay.</p> <p>2 Q All right. I'm going to put up the JSD, Plaintiff's</p> <p>3 Exhibit 1501. It is a spreadsheet in support of the 2021</p> <p>4 Statement of Financial Condition.</p> <p>5 No specific recollection of this particular document;</p> <p>6 right, Mr. Trump?</p> <p>7 A Not that I recall, correct.</p> <p>8 Q And if I asked you the same questions that I asked you</p> <p>9 about the other prior supporting data spreadsheets for the</p> <p>10 Statement of Financial Condition as it specifically pertains to</p> <p>11 the 2021 supporting data spreadsheet, same response?</p> <p>12 A I believe so, yes.</p> <p>13 MS. FAHERTY: Tommy, if we could get PX 1502.</p> <p>14 Q Turn your attention to the third page of this document.</p> <p>15 You recognize that signature as your signature?</p> <p>16 A Yes, ma'am.</p> <p>17 Q As the trustee of the Donald J. Trump Revocable Trust?</p> <p>18 A Correct.</p> <p>19 Q Dated October 29, 2021?</p> <p>20 A Correct.</p> <p>21 Q Turning to the first page, this is a representation</p> <p>22 letter this time addressed to Whitley Penn LLP; correct?</p> <p>23 A Correct.</p> <p>24 Q Dated October 29, 2021?</p> <p>25 A Correct.</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3261</p> <p>1 Q It says, "Agreed client Trump Briarcliff Manor</p> <p>2 Development LLC" and then there is a signature. Do you</p> <p>3 recognize that signature as yours?</p> <p>4 A I do.</p> <p>5 Q Are you familiar with this particular representation</p> <p>6 letter -- engagement letter with Cushman &amp; Wakefield?</p> <p>7 A No, not to my recollection.</p> <p>8 Q Are you familiar with Cushman &amp; Wakefield, though;</p> <p>9 right?</p> <p>10 A I am, yes.</p> <p>11 Q Are you aware of the purpose of the appraisal</p> <p>12 identified in this engagement letter?</p> <p>13 A I'd have to read it, but I don't recall seeing this one</p> <p>14 before, so not off the top of my head, no.</p> <p>15 Q I'll draw your attention to the first page. It is</p> <p>16 dated June 3, 2015 addressed to Mr. Eric Trump, your brother;</p> <p>17 correct?</p> <p>18 A Correct.</p> <p>19 Q At Trump Briarcliff Manor Development LLC; right?</p> <p>20 A Correct.</p> <p>21 Q Are you familiar with Trump Briarcliff Manor</p> <p>22 Development LLC?</p> <p>23 A Generally speaking, yes.</p> <p>24 Q And it says, "re: conservation easement on parcel owned</p> <p>25 by Trump Briarcliff Manor Development LLC." Do you see that?</p>

<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3262</p> <p>1 A I do.</p> <p>2 Q Does that refresh your recollection as to the purpose</p> <p>3 of this particular engagement?</p> <p>4 A It was made out to my brother. I think you'd have to</p> <p>5 ask him.</p> <p>6 Q You signed it; correct?</p> <p>7 A Correct.</p> <p>8 Q Are you aware that there was a potential conservation</p> <p>9 easement being appraised for the Briarcliff property?</p> <p>10 A I recall it vaguely now, but I don't remember the</p> <p>11 specifics.</p> <p>12 Q Then why are you signing this document?</p> <p>13 A Because I signed it as an EVP of the organization. I</p> <p>14 imagine my brother could have signed it as well if it came to</p> <p>15 me, but it was his project. He would work on it and he would</p> <p>16 know the details.</p> <p>17 MS. FAHERTY: This is a big one. It is not yet in</p> <p>18 evidence, Your Honor.</p> <p>19 Your Honor, I've handed to the witness a document</p> <p>20 that's been marked for identification as PX-3306.</p> <p>21 Q Mr. Trump, I'm not going to ask you to go through the</p> <p>22 whole thing.</p> <p>23 A I appreciate that greatly. Thank you.</p> <p>24 Q Plenty of reading for the week.</p> <p>25 I'll just draw your attention to page 34 of 381, so</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3264</p> <p>1 MS. FAHERTY: I believe Ferry Point is relevant to</p> <p>2 the disgorgement allegations we have here, Your Honor. That</p> <p>3 sale is available for disgorgement.</p> <p>4 MR. ROBERT: The procurement of this contract was</p> <p>5 well before the statute of limitations even started and now</p> <p>6 we have a transaction that closed a few months ago. It's</p> <p>7 completely and utterly irrelevant, Your Honor.</p> <p>8 THE COURT: How would that fit into the</p> <p>9 disgorgement claim?</p> <p>10 MS. FAHERTY: The sale -- as we've already seen and</p> <p>11 as this witness in particular testified, there were No MAC</p> <p>12 letters relying upon the statements of financial condition</p> <p>13 sent into the Ferry Point -- to the Parks Department. That</p> <p>14 information was --</p> <p>15 THE COURT: Hold it. The objection overruled and</p> <p>16 there is no jury, so no prejudice. Even if it becomes</p> <p>17 irrelevant, even if it turns out it's irrelevant. It's in</p> <p>18 evidence.</p> <p>19 MS. FAHERTY: Thank you, Your Honor.</p> <p>20 (Whereupon, the item previously referred to is</p> <p>21 received and marked Plaintiff's Exhibit Number 3306 in</p> <p>22 evidence.)</p> <p>23 Q Did I hand up to you the next exhibit, PX 3304, sir?</p> <p>24 A Yes.</p> <p>25 Q So this is a document on Trump Ferry Point LLC</p>
<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3263</p> <p>1 look at the bottom. It says 34 of 381. And tell me if you</p> <p>2 recognize that signature there?</p> <p>3 A That's my signature.</p> <p>4 Q Okay. On behalf of Trump Ferry Point LLC; correct?</p> <p>5 A Correct.</p> <p>6 Q Your title is the president?</p> <p>7 A Correct.</p> <p>8 Q And this is the agreement of purchase and sale and</p> <p>9 escrow instructions with regards to the Trump Golf Links at</p> <p>10 Ferry Point Park?</p> <p>11 A Correct.</p> <p>12 Q There was a transaction to sell this to Bally's;</p> <p>13 correct?</p> <p>14 A Correct.</p> <p>15 Q This transaction did in fact close; right?</p> <p>16 A Yes.</p> <p>17 MS. FAHERTY: Your Honor, I move to admit PX 3306</p> <p>18 into evidence.</p> <p>19 MR. ROBERT: Objection.</p> <p>20 THE COURT: Ground.</p> <p>21 MR. ROBERT: Relevance of a 2023 transaction.</p> <p>22 There is no allegation of anything improper about a 2023</p> <p>23 transaction. It's not part of their case.</p> <p>24 THE COURT: And what would the relevance be, if</p> <p>25 any?</p>	<p>D. Trump, Jr. - Plaintiff - direct (Faherty) Page 3265</p> <p>1 letterhead; yes?</p> <p>2 A Yes.</p> <p>3 Q Dated June 26, 2023?</p> <p>4 A Correct.</p> <p>5 Q This is the "re:" line says: "Agreement of purchase</p> <p>6 and sale and escrow instructions dated as of the date hereof,</p> <p>7 the PSA, by and between Trump Ferry Point LLC or (Trump) and</p> <p>8 Bally's Corporation or (Bally's) in connection with the property</p> <p>9 known as Trump Golf Links at Ferry Point Park." Do you see that</p> <p>10 there?</p> <p>11 A I do.</p> <p>12 Q And turning to page three of four, do you recognize</p> <p>13 that as your signature, sir?</p> <p>14 A I do.</p> <p>15 MS. FAHERTY: Your Honor, I move to admit this</p> <p>16 document into evidence.</p> <p>17 MR. ROBERT: Same objection, Your Honor, and a</p> <p>18 continuing objection to this line of questioning.</p> <p>19 MR. KISE: Your Honor, let me just see if I</p> <p>20 understand. I'm little lost as to how this relates to</p> <p>21 disgorgement. Based on what Mr. Robert said it predates the</p> <p>22 statute of limitations, the close of the contract and then</p> <p>23 the -- this transaction postdates the allegations in the</p> <p>24 complaint. Is it the government's intention to assert that</p> <p>25 a property that was a landfill that the Trump family took</p>

<p>1 and pumped tens of millions of dollars into and converted</p> <p>2 into a world class facility is now subject to disgorgement?</p> <p>3 THE COURT: Well, I think that No MAC letters those</p> <p>4 were during the -- within the statute of limitations period.</p> <p>5 MR. KISE: No MAC letters were within the statute</p> <p>6 of limitations period, but the evidence has already</p> <p>7 established that was after they already spent tens of</p> <p>8 millions of dollars to renovate the facility.</p> <p>9 THE COURT: Objection overruled. Let's move along.</p> <p>10 MS. FAHERTY: Thank you, Your Honor.</p> <p>11 Q How much have you made in this transaction, Mr. Trump?</p> <p>12 MR. ROBERT: Objection to "who."</p> <p>13 THE COURT: Okay. How much did you make, I think?</p> <p>14 MS. FAHERTY: Well, he did sign this as president</p> <p>15 of Trump Ferry Point LLC. I think it's a fair question to</p> <p>16 ask this witness who has signed these executed documents how</p> <p>17 much --</p> <p>18 THE COURT: I think it's fair to assume that he was</p> <p>19 acting on behalf of the corporation, but --</p> <p>20 A I didn't make anything.</p> <p>21 THE COURT: Different question, perhaps?</p> <p>22 Q How much did Trump Ferry Point LLC make from this</p> <p>23 transaction?</p> <p>24 A Well, the sales price is \$16 million, but we obviously</p> <p>25 have, you know, lots of costs and other things, you know, in the</p>	<p>1 Trump Organization; correct?</p> <p>2 A Correct.</p> <p>3 MS. FAHERTY: Your Honor, I move to admit.</p> <p>4 MR. ROBERT: Same objection, Your Honor.</p> <p>5 THE COURT: Same ruling. It's in.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 3305 in</p> <p>8 evidence.)</p> <p>9 Q You could put that down, Mr. Trump. Thank you.</p> <p>10 MS. FAHERTY: One second, Your Honor.</p> <p>11 THE COURT: Sure.</p> <p>12 MS. FAHERTY: Thank you.</p> <p>13 Q Mr. Trump, can you hear me?</p> <p>14 THE COURT: Can you hear me? I think now.</p> <p>15 MS. FAHERTY: Thank you.</p> <p>16 THE COURT: Yes.</p> <p>17 Q Mr. Trump, what, if any, role did you have with regards</p> <p>18 to the insurance program for the Trump Organization?</p> <p>19 A Not much of a role.</p> <p>20 Q Do you recall in January of 2017 signing an indemnity</p> <p>21 agreement to Zurich for purposes of the surety program as a</p> <p>22 result of Donald J. Trump's departure to work in Washington?</p> <p>23 A No, I don't.</p> <p>24 Q No specific recollection of that?</p> <p>25 A No.</p>

FAHERTY: And, Your Honor, I just want to</p> <p>13 correct something. I think the transcription may have</p> <p>14 stated "16 million" with regards to the sales price of Trump</p> <p>15 Ferry Point.</p> <p>16 Q Mr. Trump, did you say 16 or 60, 6-0?</p> <p>17 A 60, 60.</p> <p>18 Q Thank you, Mr. Trump.</p> <p>19 THE COURT: All right. That's what I heard, so</p> <p>20 make sure the record indicates 60, however you do that.</p> <p>21 A I'm sorry, what was the question again, ma'am?</p> <p>22 Q I asked you if you'd agree with me that the license</p> <p>23 agreement was in fact assigned to Bally's Corporation?</p> <p>24 A I believe so, yes.</p> <p>25 Q Okay. 1 Q Just turning to the first page, can you confirm for me  
2 that this is a rider dated as of January 17, 2017, correct?  
3 A Yes.  
4 MS. FAHERTY: Your Honor, I move to admit this  
5 document in evidence.  
6 THE COURT: Granted. It is in.  
7 MS. FAHERTY: Thank you.  
8 (Whereupon, the Document was marked in evidence as  
9 Plaintiffs Exhibit 1386.)  
10 MS. FAHERTY: We can take that down. Thank you,  
11 Ashley.  
12 Q Mr. Trump, is it a fair statement that throughout your  
13 time working at the Trump Organization between 2011 to present,  
14 you have been kept generally apprised of the operating  
15 financials of the organization?  
16 A I would think so, yes.  
17 MS. FAHERTY: Your Honor, I'm handing to the  
18 witness a document I've marked for identification as PX  
19 1454.  
20 Q This is a memo to you and Eric Trump, right?  
21 A Yes.  
22 Q From Allen Weisselberg?  
23 A Yes.  
24 Q Do you recall you previously testified that this was a  
25 document you were provided by Mr. Weisselberg on a regular

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3271

1 basis?  
2 A I don't recall that, but if I said it, I imagine that's  
3 accurate.  
4 Q Okay. And do you recall that this information you  
5 previously testified or a similar memo to, it was provided also  
6 while Ivanka was still employed at the organization?  
7 A I believe so, yes.  
8 Q You don't have any specific recollection as to when you  
9 began receiving this information, correct?  
10 A No.  
11 Q Am I reading this correctly? The subject of this memo  
12 is "re: 2017 corporate modified cash flow projection versus  
13 actual."  
14 A Yes.  
15 Q And contained in this document are a few categories,  
16 for example, there is a box in the middle of the screen or if  
17 you're just looking at the page, it is at the top third of the  
18 page. That first box says, "business entities"?  
19 A Yes.  
20 Q And there's information related to that box "business  
21 entities," correct.  
22 A Correct.  
23 Q And then if you scroll a little further down, there's  
24 another box, this one is a white box, and it says, "non-business  
25 entities," right?

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3272

1 A Yes.  
2 Q There's information related to that box under the  
3 non-business entities, yes?  
4 A Correct.  
5 Q And the memo is dated February 14, 2018. However, am I  
6 reading it correctly? This is a reflection of the 2017 year,  
7 yes?  
8 A It would appear so.  
9 Q And again am I reading it correctly? As of the 2017  
10 actuals, the adjusted net cash flow/operating profit for 2017  
11 was \$2,211,038, so roughly 2.2 million?  
12 A Yes.  
13 Q And that's despite the projected six million  
14 figure -- 60 million figure?  
15 A It appears so, yes.  
16 Q And this memo, it states at the very top, "As per your  
17 request."  
18 Do you recall why you requested this?  
19 A I don't believe I did. I recall, you know, probably  
20 years prior to that I think we had asked for it. One of the  
21 three of us, meaning myself, my brother and my sister, had asked  
22 and then it sort of became, whether it is an annual or a  
23 semi-annual thing from Allen Weisselberg, but no, I don't recall  
24 a specific request as it relates to this document at this time.  
25 MS. FAHERTY: Your Honor, I move to admit this

1 document into evidence.  
2 THE COURT: Your microphone is not working.  
3 MS. FAHERTY: Your Honor, it is dead.  
4 THE COURT: Bring it back to life. All right.  
5 Let's -- we'll take our break now because it may take a  
6 while to fix.  
7 MS. FAHERTY: I move to admit it.  
8 THE COURT: Granted. I could hear that.  
9 MS. FAHERTY: Thank you.  
10 THE COURT: It is in.  
11 (Whereupon, the Document was marked in evidence as  
12 Plaintiff's Exhibit 1454.)  
13 THE COURT: Let's all come back in 15 minutes.  
14 MS. FAHERTY: Thank you.  
15 (Witness exits the stand.)  
16 (Whereupon, a recess was taken.)  
17 THE COURT OFFICER: All rise. Part 37 is back in  
18 session. Please be seated and come to order.  
19 THE COURT: For an administrative reason, we are  
20 going to break at 12:45. Let's continue with the direct  
21 examination.  
22 MS. FAHERTY: Thank you, Your Honor.  
23 Q Mr. Trump, when did you learn about the Attorney  
24 General's investigation in the accuracy of the Statements of  
25 Financial Condition?

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3274

1 A I don't specifically recall.  
2 Q You did at some point learn about the investigation?  
3 A I imagine so, yes.  
4 Q When you learned about the investigation, did you in  
5 particular undertake any internal inquiry into the accuracy of  
6 the Statements of Financial Condition?  
7 MR. ROBERT: Objection, Your Honor. To the extent  
8 that this would call upon the witness to discuss anything  
9 that was discussed with myself or any other counsel for him  
10 individually, a co-defendant or the Trump Organization, I'm  
11 going to instruct him not to answer that.  
12 THE COURT: All right. We'll see what the  
13 individual questions are.  
14 MR. ROBERT: Thank you, Your Honor.  
15 MS. FAHERTY: There is still a question pending,  
16 Your Honor.  
17 THE COURT: Oh.  
18 A I imagine I would have spoken with counsel, correct.  
19 THE COURT: Did you speak with any non-counsel?  
20 Q Other than speaking with counsel, did you speak with  
21 anyone?  
22 A I don't even recall necessarily speaking with counsel.  
23 Though, I'm sure I would have.  
24 Q Did you direct others at the company to  
25 undertake -- do not tell me about any specific discussions with

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3275

1 counsel. I'll give you that as my preface.  
2 Did you direct others at the company to undertake any  
3 inquiry into the accuracy of the Statements of Financial  
4 Condition?  
5 A Again, anything would have been done through counsel.  
6 Q Is that a no?  
7 A I don't recall specifically, but anything would have  
8 been done through counsel, therefore, privileged.  
9 Q Did anyone, to your knowledge, review the work  
10 performed by Allen Weisselberg on the Statements of Financial  
11 Condition?  
12 MR. ROBERT: At what point in time?  
13 Q After you learned about the New York Attorney General's  
14 investigation.  
15 MR. ROBERT: Outside of any involvement with  
16 counsel, I presume.  
17 THE COURT: Yes. Yes, but at any point in time.  
18 A I don't specifically recall.  
19 Q Still focusing on the same time frame, did anyone  
20 review the work performed by Jeffrey McConney on the Statements  
21 of Financial Condition?  
22 A Same answer.  
23 Q Have you, Mr. Trump, formed any view about whether Mr.  
24 Weisselberg or Mr. McConney performed their work on the  
25 Statements of Financial Condition in an appropriate manner from

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3276

1 2014 through 2021?  
2 A I actually think the things are materially correct.  
3 Q So is it fair to say that they performed their work as  
4 you expected and the "they" I'm referring to are Mr.'s McConney  
5 and Weisselberg?  
6 A What's the timeframe?  
7 Q Same timeframe.  
8 A Can you give me the dates again?  
9 Q 2014 to 2021.  
10 A Yes, I believe so. And, you know, again, they worked  
11 in conjunction with Donald Bender who candidly during that  
12 period of time since I was doing a lot of international deals  
13 probably spent more time in our offices than I did and so  
14 between them, I do believe that's still, again, materially  
15 accurate.  
16 Q Are you aware of any instances between 2014 and 2021  
17 where either Mr. Weisselberg or Mr. McConney failed to follow  
18 any instructions from you in their work on the Statements of  
19 Financial Condition?  
20 MR. ROBERT: Objection. The witness said he was  
21 not involved in the Statement of Financial Condition, so he  
22 wouldn't have been giving them instructions on the Statement  
23 of Financial Condition.  
24 THE COURT: Can I get a readback of the question?  
25 (Whereupon, the requested portion of the record was

D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3277

1 read back.)  
2 THE COURT: And the objection is what, that he  
3 testified he had nothing to do with the Statements of  
4 Financial Condition?  
5 MR. ROBERT: Yes, Your Honor.  
6 THE COURT: Mr. Trump, did you have anything to do  
7 with the Statements of Financial Condition?  
8 THE WITNESS: No, I did not, Your Honor.  
9 THE COURT: Okay. Thank you.  
10 Q Have you undertaken any changes to the policies and  
11 procedures of the Trump Organization as a result of the Attorney  
12 General's investigation? And please do not provide me any  
13 discussions with counsel.  
14 MR. KISE: Objection. It would also go to, in  
15 addition to attorney-client privilege, which I know she's  
16 not asking, to the subsequent remedial measures discussion  
17 we had previously. I don't remember with which witness.  
18 THE COURT: We're familiar with the subsequent  
19 remedial measures point. Is there a way around that or not?  
20 THE WITNESS: I think I can thread the needle.  
21 There have been policy changes that have been made. Those  
22 have been done through counsel, so I can't get into the  
23 details of that. But yes, there are, you know, prior  
24 policies and methodologies have certainly been bolstered.  
25 Q Sorry. Which specific policies?

<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3278</p> <p>1 A Again, I don't want to get into the details because 2 these things and structures were done with counsel, but Mark 3 Hawthorn who is now in the similar CFO position is an actual 4 CPA, et cetera, et cetera. So there are things I just -- I got 5 to be careful where I go without getting into things that have 6 been structured by legal counsel.</p> <p>7 MR. WALLACE: I think to the extent there are 8 changes in how they perform, that is not advice of counsel. 9 You cannot change from a CPA to -- from a non-CPA to a 10 CPA/CFO and claim "I can't talk about that because this is 11 privileged." So if there are changes to policies, he's free 12 to talk about that, not about conversations he had with 13 counsel that led to the changes.</p> <p>14 MR. ROBERT: That would still go to a subsequent 15 remedial measure taken in light of a governmental 16 investigation. It would be something the witness would not 17 be required to have to testify about.</p> <p>18 MR. WALLACE: I would just make two points on the 19 subsequent remedial measures. A subsequent remedial measure 20 undertaken as an obligation of law is actually admissible as 21 to liability. The second point is that this inquiry can go 22 to something more than just liability. It is still relevant 23 to any injunctive relief the Court may choose to fashion in 24 order to if there are policies or procedures at the Trump 25 Organization that need to be changed as a result of this</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3280</p> <p>1 the Attorney General or response to an investigation by law 2 enforcement would fall squarely within the subsequent 3 remedial measures category even though most of the time it 4 comes up as -- I believe we had this colloquy before. It 5 comes up in the context of personal injury actions and 6 medical/malpractice actions and things like that, but the 7 rule would, nonetheless, apply here.</p> <p>8 MR. WALLACE: I would add it is not a privilege. 9 It merely prohibits the changes in procedures and being used 10 as evidence of negligence or liability, but it is a fact 11 that the Court can consider as it is fashioning a remedy as 12 to what might happen in the future and who needs to be 13 responsible for those changes.</p> <p>14 MR. KISE: If the inquiry -- two things on that. 15 First of all, there are no Statements of Financial Condition 16 being prepared anymore. So that dispenses with a large 17 measure of the issue about subsequent remedial measures 18 because it is not happening.</p> <p>19 But separately from that, what Mr. Wallace is 20 talking about is if in response to the inquiry we take a 21 specific action, that's one thing. If the government 22 intends to ask questions about what exactly it is we're 23 doing now, just not in response to any particular inquiry, 24 but they had Mark Hawthorn on the stand. Mr. Hawthorn is a 25 CPA. If they ask, "How do you do X, Y, Z accounting? "How</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3279</p> <p>1 case. So even if it doesn't go to liability, it is still 2 relevant to any relief --</p> <p>3 THE COURT: Remedy.</p> <p>4 MR. ROBERT: I would respectfully disagree with 5 that. The concept of a subsequent remedial measure is to 6 encourage parties to change their practices in light of when 7 something comes to light without fear that the changing of 8 those processes are then going to be used in any way and the 9 witness be required to testify about it.</p> <p>10 To Mr. Wallace's second point, that's why there is 11 a monitor there right now. So this is something I would 12 respectfully suggest to the Court the witness not be 13 required to have to answer. Certainly, we can all agree the 14 issues that we dealt with with counsel are off limits. Now, 15 we are talking to the second bucket which may be what, if 16 any, subsequent remedial measures were taken without the 17 assistance of counsel, but my objection still stands.</p> <p>18 MR. KISE: One other thing I just want to recite. 19 The Dominos case which was the case that involved this very 20 circumstance and what the court said there about actions 21 taken in response to a government investigation. That's the 22 only case we could find. I believe I cited that case to 23 Your Honor the last time we had this issue arise on 24 subsequent remedial measures.</p> <p>25 So actions taken in response to an investigation by</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3281</p> <p>1 do you that?" That's a matter entirely different than 2 something done in response to the government's 3 investigation, something done subsequent as a remedial 4 measure.</p> <p>5 If they're going to inquire of witnesses, maybe not 6 this witness, because I don't know that he would know they 7 can ask, but if they're going to inquire about what 8 practices are taking place today, so that the Court can 9 ensure itself that going forward, for example, there aren't 10 going to be any Statements of Financial Condition, or there 11 won't be any issues associated with Statements of Financial 12 Condition, then that's a different line of questioning 13 altogether and that doesn't relate to the question that was 14 asked.</p> <p>15 MR. WALLACE: I'll just say if they want to call in 16 Mr. Hawthorn on their case and explain how the processes are 17 working there, they are free to do that. This is the 18 executive vice-president of the company. He and his brother 19 run the company. It is perfectly appropriate for us to ask 20 the persons running the company what they are doing to 21 oversee the financial function of this firm and what they 22 did when they found out that there were allegations of fraud 23 from a government agency.</p> <p>24 I don't think what weight Your Honor decides to 25 afford it and how Your Honor decides to use it is not a</p>

<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. FAHERTY) Page 3282</p> <p>1 privilege that cannot be discussed in court.</p> <p>2 THE COURT: Well, maybe we can compromise. I love</p> <p>3 compromise. Instead of "What are you doing in response to</p> <p>4 the Attorney General's investigation," et cetera, how about</p> <p>5 just "How is the company being run"? But more</p> <p>6 specifically --</p> <p>7 MR. KISE: That's a more appropriate question.</p> <p>8 That's the heart of exactly what I'm saying.</p> <p>9 THE COURT: And Mr. Kise, I have to give you credit</p> <p>10 for that idea.</p> <p>11 MR. KISE: I've got one. Let's mark this down.</p> <p>12 Wow. Okay.</p> <p>13 THE COURT: Not the first time.</p> <p>14 Can we just do that, so there's no taint about</p> <p>15 subsequent remedial measure? Just you want to know what's</p> <p>16 going on there now. Ask him now what's going on.</p> <p>17 Q Since 2020, Mr. Trump, how, if at all, has the Trump</p> <p>18 Organization changed the operations with regards to the</p> <p>19 financial practices of the Trump Organization?</p> <p>20 MR. KISE: Same objection, Your Honor. It is the</p> <p>21 same thing.</p> <p>22 THE COURT: I was hoping you wouldn't ask how have</p> <p>23 things changed, but ask specific questions. "Who makes sure</p> <p>24 this"? "How does this work"?</p> <p>25 Q You testified a few moments ago about an individual</p>	<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. ROBERT: For logistical reasons, a</p> <p>4 couple-minutes break while we bring in the next witness.</p> <p>5 THE COURT: Sure. Approximately how long are you</p> <p>6 thinking?</p> <p>7 MR. ROBERT: Two or three minutes. I didn't want</p> <p>8 you to wait in silence.</p> <p>9 THE COURT: You get five.</p> <p>10 MR. ROBERT: Thank you, Judge. We'll take five</p> <p>11 then.</p> <p>12 (Whereupon, a recess was taken.)</p> <p>13 THE COURT: Plaintiff, would you like it call your</p> <p>14 next witness?</p> <p>15 MR. AMER: Yes, Your Honor. The People call Eric</p> <p>16 Trump. If I could make a quick request as the witness is</p> <p>17 taking the stand.</p> <p>18 THE COURT: Sure. Go ahead.</p> <p>19 MR. AMER: This is for Mr. Kise. Given the</p> <p>20 witness, if we are going to have a lengthy evidentiary</p> <p>21 objection, and I know the Court is prepared to allow that, I</p> <p>22 would ask that we excuse the witness if that happens.</p> <p>23 THE COURT: Okay. I'll keep that in mind.</p> <p>24 E R I C T R U M P, a witness called by the Plaintiff, after</p> <p>25 having been first duly sworn by the Clerk of the Court, took the</p>
<p>D. TRUMP, JR. - PLAINTIFF - DIRECT(MS. You asked me since 2021. I believe that's</p> <p>11 the case.</p> <p>12 Q Was it before 2021?</p> <p>13 A Not that I recall.</p> <p>14 Q Is there a specific event that you recall occurred in</p> <p>15 connection with the change of title from Mark Hawthorn to</p> <p>16 becoming the CFO of the Trump Organization?</p> <p>17 A I guess Allen Weisselberg not being in that position</p> <p>18 anymore.</p> <p>19 MS. FAHERTY: Nothing further, Your Honor.</p> <p>20 THE COURT: Will there be any cross-examination at</p> <p>21 this time?</p> <p>22 MR. ROBERT: Not at this time, Your Honor.</p> <p>23 THE COURT: Okay. Witness is excused.</p> <p>24 THE WITNESS: Thank you.</p> <p>25 MS. FAHERTY: Thank you, Mr. Trump.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. Please proceed.</p> <p>7 MR. AMER: Thank you.</p> <p>8 DIRECT EXAMINATION</p> <p>9 BY MR. AMER:</p> <p>10 Q Good morning, Mr. Trump. Am I correct that you</p> <p>11 graduated from Georgetown University with a degree in business</p> <p>12 finance in 2006?</p> <p>13 A Yes.</p> <p>14 Q And you started to work for your family business a</p> <p>15 couple of months after graduating from college, right?</p> <p>16 A I did.</p> <p>17 Q And are you fine to refer to the family business in a</p> <p>18 very general sense as the Trump Organization?</p> <p>19 A Yes, I am.</p> <p>20 Q And the Trump Organization is used as a kind of general</p> <p>21 high level idea as to what the collection of the Trump-related</p> <p>22 entities are called; is that right?</p> <p>23 A That's correct.</p> <p>24 Q And that collection of companies likely consists of</p> <p>25 hundreds of entities, right?</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3286</p> <p>1 A That's right.</p> <p>2 Q When you began at the Trump Organization, am I correct</p> <p>3 that your job title was something along the lines of project</p> <p>4 manager?</p> <p>5 A That's correct.</p> <p>6 Q And at some later point in time you became the</p> <p>7 executive vice-president or EVP, right?</p> <p>8 A Yes, that's correct.</p> <p>9 Q Do you recall that's sometime before 2014?</p> <p>10 A That sounds correct.</p> <p>11 Q And during the period of time from when you became an</p> <p>12 executive vice-president until January of 2017 just prior to</p> <p>13 your father's inauguration, is it fair to view the Trump</p> <p>14 Organization hierarchy as a pyramid that had your father at the</p> <p>15 top?</p> <p>16 A My father was the owner of the business, yes.</p> <p>17 THE COURT: I'll ask the witness to speak very</p> <p>18 close to the microphone. They're very temperamental. Speak</p> <p>19 close, directly and loudly.</p> <p>20 Q I know you just said your father is the owner of the</p> <p>21 business, yes. That wasn't my question. My question was is it</p> <p>22 fair to say that we could view the Trump Organization during</p> <p>23 that period, the hierarchy at the company as a pyramid with your</p> <p>24 father on the top?</p> <p>25 A Yes.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3288</p> <p>1 Q And where in the hierarchy during this period was</p> <p>2 Jeffrey McConney?</p> <p>3 A Jeffrey McConney would have been directly under Allen</p> <p>4 Weisselberg.</p> <p>5 Q I know you mentioned Mr. Weisselberg was an executive</p> <p>6 vice-president. He also had the title of chief financial</p> <p>7 officer, correct?</p> <p>8 A That's correct.</p> <p>9 Q And Mr. McConney had the title of controller, right?</p> <p>10 A That sounds correct, yes.</p> <p>11 Q Now, moving to the period from January 2017 to</p> <p>12 January -- the period between January 2017 and January 2021,</p> <p>13 during that period when your father had assumed the office of</p> <p>14 the presidency, is it correct that he no longer sat at the top</p> <p>15 of the pyramid?</p> <p>16 A That is correct.</p> <p>17 Q And during the same time period, is it fair to say that</p> <p>18 you ran the day-to-day operations of the Trump Organization</p> <p>19 along with Donald J. Trump, Jr. and Allen Weisselberg, correct?</p> <p>20 A Yes, I ran the operations of the Trump Organization.</p> <p>21 Q With those two individuals, correct?</p> <p>22 A That's correct.</p> <p>23 Q And those two individuals, Donald Trump, Jr. and Allen</p> <p>24 Weisselberg, were both trustees of your father's revocable trust</p> <p>25 during that time period?</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3287</p> <p>1 Q And during this period that you were EVP up through</p> <p>2 January 2017, did you report to your father?</p> <p>3 A Yes.</p> <p>4 Q Did you report to anyone else during that period of</p> <p>5 time other than your father?</p> <p>6 A I worked with many people, but ultimately reported to</p> <p>7 my father.</p> <p>8 Q And just again, did you report to anyone else other</p> <p>9 than your father? I'm not asking whether you worked with them,</p> <p>10 but just whether you reported to them.</p> <p>11 A My father would have been my direct report.</p> <p>12 Q And your only direct report, correct?</p> <p>13 A Yes, that sounds right.</p> <p>14 Q And during this period up again through January 2017,</p> <p>15 were Donald Trump, Jr. and Ivanka Trump also vice-presidents?</p> <p>16 A Yes.</p> <p>17 Q Were they at the same level in the company hierarchy as</p> <p>18 you during that period?</p> <p>19 A Yes.</p> <p>20 Q During this period, again, up through January 2017,</p> <p>21 where in the hierarchy was Allen Weisselberg?</p> <p>22 A He was executive vice-president.</p> <p>23 Q So he would have been at the same level as you and your</p> <p>24 brother and sister, correct?</p> <p>25 A Yes.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3289</p> <p>1 A They were the two trustees, yes.</p> <p>2 Q During this period, did you have anyone who you</p> <p>3 reported to?</p> <p>4 A I did not, no.</p> <p>5 Q Subsequent to your father's term ending in</p> <p>6 January 2021, is it fair to say that he largely relies on you</p> <p>7 and your brother Donald Trump, Jr. and the other executives of</p> <p>8 the company to run the business?</p> <p>9 A Yes, my father relied on me.</p> <p>10 Q My question is a little differently.</p> <p>11 A Let me repeat. My father relied on me and the two</p> <p>12 trustees to run the business, yes.</p> <p>13 Q And during this post-January 2021 period, is it fair to</p> <p>14 say that if your father directed you to take some course of</p> <p>15 action with respect to the Trump Organization, you would follow</p> <p>16 his directive, right?</p> <p>17 A I wouldn't sell Mar-A-Lago without asking my father,</p> <p>18 no.</p> <p>19 Q I would like my question to be broader if you wouldn't</p> <p>20 mind.</p> <p>21 A If my father directed me to take an action post him</p> <p>22 leaving the presidency, he's the owner of the company, yes, I'd</p> <p>23 follow his directive.</p> <p>24 Q Thank you.</p> <p>25 You're familiar with the Seven Springs Estate in</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3290</p> <p>1 Westchester, correct?</p> <p>2 A Yes, I am.</p> <p>3 Q And in fact, you lived there during the summers in high</p> <p>4 school working on the property and learning a lot about life</p> <p>5 during that time, right?</p> <p>6 A Some of the best years of my life.</p> <p>7 Q Yes.</p> <p>8 A Yes.</p> <p>9 Q And you had certain responsibilities for the property,</p> <p>10 correct?</p> <p>11 A Many years later, yes.</p> <p>12 Q Fair to say that starting in 2012, you had some</p> <p>13 involvement with the property from an operational standpoint?</p> <p>14 A Starting in 2012, I started to be involved in the</p> <p>15 property, yes.</p> <p>16 MR. AMER: Let's go ahead and put up the 2013 Jeff</p> <p>17 Supporting Data, which is Plaintiff's Exhibit 708 in</p> <p>18 evidence.</p> <p>19 Q We're going to go to Row 633. You'll see that that is</p> <p>20 the row in this supporting data spreadsheet where Seven Springs</p> <p>21 starts. Do you see that?</p> <p>22 A I do. Can you be clear as to what the spreadsheet is?</p> <p>23 Q Sure. We've had testimony from Mr. McConney that this</p> <p>24 is his supporting data spreadsheet that he used to compute</p> <p>25 values for the Statement of Financial Condition.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3292</p> <p>1 Q Now, Row 640, Mr. McConney notes a second telephone</p> <p>2 conversation with you on August 20th of 2013.</p> <p>3 Do you have any recollection of having a call with him</p> <p>4 on that date about Seven Springs?</p> <p>5 A I don't have specific recollection as to a telephone</p> <p>6 conversation on that date, no.</p> <p>7 Q And again, do you have any reason to believe that</p> <p>8 Mr. McConney would reference a conversation with you as noted</p> <p>9 here if it didn't happen?</p> <p>10 A I do not.</p> <p>11 Q Is it the case, Mr. Trump, that as of the dates of</p> <p>12 these two telephone calls with Mr. McConney that he indicates he</p> <p>13 had with you, you understood in this time frame that he needed</p> <p>14 from you information to assist him in valuing Seven Springs for</p> <p>15 your father's Statement of Financial Condition?</p> <p>16 A That's incorrect. I never had anything to do with the</p> <p>17 Statement of Financial Condition.</p> <p>18 Q Just to be clear then, is it your testimony that in the</p> <p>19 time frame of the two calls he notes he had with you you had no</p> <p>20 knowledge of your father's Statement of Financial Condition. Is</p> <p>21 that your testimony?</p> <p>22 A People ask me questions all the time, but I never</p> <p>23 worked on the Statement of Financial Condition, correct.</p> <p>24 Q Well, let's be clear because my question was different</p> <p>25 than the one you answered.</p>
<p>Page 3291</p> <p>1 A Okay.</p> <p>2 Q And Mr. McConney notes in Row 638, you'll see, he says,</p> <p>3 "6/30/2012, per telephone conversation with Eric Trump September</p> <p>4 24, 2012."</p> <p>5 Mr. Trump, do you have any recollection of that phone</p> <p>6 call?</p> <p>7 A No, I don't.</p> <p>8 Q Do you have any reason to believe that Mr. McConney</p> <p>9 would reference a conversation with you if it didn't happen?</p> <p>10 A Absolutely not.</p> <p>11 Q In fact, people in the company have conversations with</p> <p>12 you all the time about projects that you're working on and you</p> <p>13 provide them with answers when you can, correct?</p> <p>14 A Almost every single day.</p> <p>15 (Continued on the next page.)</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3293</p> <p>1 MR. AMER: Can I have a read back?</p> <p>2 THE COURT: We can have a read back, but I'll</p> <p>3 direct the witness like I very often do, if there is a</p> <p>4 yes-or-no question and you can answer it yes or no, please</p> <p>5 do so. If you need to explain an answer, then you can and</p> <p>6 we can go from there.</p> <p>7 And a read back now.</p> <p>8 (Whereupon, the requested portion of the</p> <p>9 proceedings was read back by the court reporter.)</p> <p>10 A I don't believe I ever saw or worked on a Statement of</p> <p>11 Financial Condition. I don't believe I would have had knowledge</p> <p>12 of it.</p> <p>13 Q Is it your testimony then that you had no knowledge in</p> <p>14 this time frame, that is by September 2012, that your father had</p> <p>15 a Statement of Financial Condition valuing his assets and</p> <p>16 showing his net worth?</p> <p>17 A It's not what I did do for the company, so --</p> <p>18 THE COURT: That was classic yes or no and you're</p> <p>19 not answering yes or no.</p> <p>20 You want a read back?</p> <p>21 MR. AMER: I'd like a read back, please.</p> <p>22 THE COURT: Read back, please.</p> <p>23 (Whereupon, the requested portion of the</p> <p>24 proceedings was read back by the court reporter.)</p> <p>25 A Not to the best of my understanding.</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3294</p> <p>1 Q And I just want to nail this down because I appreciate 2 memories fade. Could this be a situation where you were in fact 3 aware back in this time frame that your father had a Statement 4 of Financial Condition and just now don't recall or are you 5 telling us with certainty that in this time frame you were not 6 aware that your father had a Statement of Financial Condition? 7 A I think I was 26 years old at the time. I don't recall 8 what I knew at the time, but as I said, I am unaware of the 9 Statement of Financial Condition. I never worked on it at the 10 time and I didn't know anything about it really until this case 11 came into fruition. 12 Q And are you telling us then that in the time frame of 13 these two calls with Mr. McConney in September of 2012 and 14 August of 2013 that you had no understanding that Mr. McConney 15 needed information to assist him in valuing Seven Springs for 16 the purpose of your father's Statement of Financial Condition? 17 A I believe that would be correct, yes. 18 Q Mr. Trump, you're familiar with the golf club owned by 19 the trust in Charlotte, North Carolina; right? 20 A Yes, I am. 21 Q And do you recall that the club was purchased in the 22 first half of 2012 by the Trump Organization? 23 A Yes, very familiar. 24 Q I'm going to hand to you what we're marking as 25 Plaintiff's Exhibit 3329.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3296</p> <p>1 A That sounds correct, yes. 2 Q And he's forwarding you this memo that is entitled 3 "Information on Options and Straw Vote." Do you see that? 4 A Yes, I do. 5 Q And just to get the dates if we go to the top this 6 e-mail is being forward to you by Mr. Grove on January 7, 2012; 7 right? 8 A Yes. 9 MR. AMER: Your Honor, I move this be admitted into 10 evidence. 11 MR. ROBERT: Objection statute of limitations. 12 THE COURT: Overruled. It's in. 13 (Whereupon, the item previously referred to is 14 received and marked Plaintiff's Exhibit Number 3329 in 15 evidence.) 16 Q Do you remember receiving this e-mail in early 17 January 2012 in connection with the potential purchase by the 18 Trump Organization of the Charlotte club? 19 A I do not. 20 Q Do you recall that to purchase the club it was 21 necessary to obtain approval through a vote of the club members? 22 A Yes, I do. 23 Q And if we look at the second paragraph of the memo he's 24 forwarding to you do you see that the second paragraph describes 25 future ownership options where one of the options is being a</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3295</p> <p>1 Mr. Trump, you'll see that this is an e-mail exchange 2 between you and someone named Dick Grove. Do you see that? 3 A I do. 4 Q Do you recall who Mr. Grove is? 5 A Very vaguely, possibly a board member at the club at 6 the time. 7 Q If you look at the second page of the exhibit you'll 8 see at the very bottom it says "board of directors" and 9 Mr. Grove is listed as one of them, so your recollection is 10 correct. He was a board member, right? 11 A That appears to be correct, yes. 12 Q And he's a board member of the Point Lake and Golf Club 13 if you look at the first page which is the memo that's in this 14 e-mail. Do you see that? 15 A Yes, I do. 16 Q And do you recall that the Point Lake and Golf Club was 17 the name of the Charlotte club prior to being purchased by the 18 Trump Organization? 19 A I believe that's correct, yes. 20 Q And he's forwarding to you an e-mail that he says was 21 sent to members the prior day; right? 22 A I presume that's correct. 23 Q Well, that's what it says. He says, "Eric, I wanted to 24 confirm that the following e-mail was sent to our members 25 yesterday. Dick;" right?</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3297</p> <p>1 member-owned club as referenced in the first indented point? 2 A Yes, I do. 3 Q And the second option is the sale of the club assets to 4 the Trump Organization. Do you see that? 5 A Yes, I do. 6 Q And do you remember that those were the two options? 7 A Yes. 8 Q And the last sentence in the paragraph says Trump 9 drafted a few and approved all statements relating to their 10 offer. Do you see that? You can see it on the screen. I've 11 highlighted it. 12 A Yes, I do. 13 Q You were involved in putting together that offer, isn't 14 that right? 15 A I was involved in negotiation of this deal, yes. 16 Q Just to be precise because my question asked about 17 putting together the offer. You were involved in putting 18 together the offer that's being referenced here; right? 19 A I don't remember. I was involved in the negotiating of 20 several business points of the deal and some of this vote, but I 21 don't remember if it I was the one that put together the 22 materials for our offer. 23 Q Would you have been one of the people to have approved 24 all of the statements relating to the offer that was provided by 25 the company to the members of the club?</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3298</p> <p>1 A It's possible that I would have been one of the people 2 who would have seen them, sure. 3 Q I didn't say "see." I said "approved." 4 A I guess it depends on what the actual item in the offer 5 was. I imagine there could have been hundreds of developments 6 that went into that, but I mean, if you could be a little more 7 specific I think it would be easier for me to answer the 8 question. 9 Q Were you one of the key people negotiating this deal on 10 behalf of the Trump Organization? 11 A Yes, I was. 12 Q Okay. Let's go to the second page of the exhibit and 13 the paragraph beginning in bold, "the straw vote." Do you see 14 that? 15 A I do. 16 Q Okay. It says that "if the members vote in favor of 17 the Trump plans, the fully negotiated final terms and conditions 18 will be brought back to the members for consideration and a 19 binding vote in February and March. If members vote for a 20 member-owned club, negotiations with Trump will end." 21 Do you see that? 22 A I do. 23 Q And that was your understanding at the time; right? 24 A Yes, we had to get a vote of the members. 25 Q And the negotiations did in fact move forward based on</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3300</p> <p>1 A Yes, I do. 2 Q And it attaches financial due diligence of the Trump 3 Organization. Do you see that? 4 A I do. 5 MR. AMER: Your Honor, I move to admit this 6 document into evidence. 7 MR. ROBERT: Objection. Statute of limitations. 8 THE COURT: Overruled. It's in. 9 (Whereupon, the item previously referred to is 10 received and marked Plaintiff's Exhibit Number 3333 in 11 evidence.) 12 Q If you turn to the second page which is the attachment, 13 it's entitled, "Financial Due Diligence of the Trump 14 Organization." Do you see that? 15 A Yes, I do. 16 Q And you received this e-mail from Mr. Delk and the 17 attachment; right? 18 A If you tell me I do, yes, I have no reason to not 19 believe that I did. 20 Q Well, do you have a specific recollection of receiving 21 and reviewing the financial due diligence summary that Mr. Delk 22 attaches to his e-mail? 23 A I have no recollection. 24 Q If you look at the financial due diligence summary 25 that's attached to his e-mail just going to read to you the</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3299</p> <p>1 how the straw poll vote turned out; right? 2 A It was overwhelmingly positive for us, yes. 3 Q So the negotiations went forward based on how the straw 4 poll vote turned out; correct? 5 A Yes. 6 Q And one of the other board members is Philip Delk. Do 7 you see his name in the bottom? 8 A Yes, I do. 9 Q Do you recall communicating with Mr. Delk about moving 10 forward with the member vote after the straw poll? 11 A I don't, but it's very possible. 12 Q Do you recall that he was the board member tasked with 13 conducting due diligence on the Trump Organization for purposes 14 of reporting to the club members in advance of the members' 15 vote? 16 A Yes, I believe he was that person. 17 MR. AMER: Let's go ahead and mark as exhibit 18 Plaintiff's 3333. 19 MR. ROBERT: Your Honor, just for the record I 20 object to the whole line of questioning and have a 21 continuing objection on the statute of limitations and 22 relevance. 23 THE COURT: I understand that, yes. 24 Q Mr. Trump, do you see that this is an e-mail to Allen 25 Weisselberg cc'd to you and others from Mr. Delk?</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3301</p> <p>1 first paragraph of this. Says, "On February 13, 2012, Phil Delk 2 reviewed a financial statement prepared by a CPA firm reflecting 3 Donald Trump's net worth. Can we agree that's a reference to 4 your father's Statement of Financial Condition? 5 A I really don't want to speculate. I could assume, 6 because I don't -- I prefer not to speculate. 7 Q Well, you were one of the principal people involved in 8 the negotiation of the purchase of this club; right? 9 A Yes. 10 Q And you recall Mr. Delk was the board member who was 11 doing the due diligence on the deal; right? 12 A Yes. 13 Q And this says he reviewed a financial statement 14 prepared by a CPA firm reflecting Donald Trump's net worth. 15 Are you telling us that you are not in a position to 16 understand that this was your father's Statement of Financial 17 Condition? 18 A I'm just saying I don't want to speculate there is a 19 lot of financial statements that are prepared by CPAs. It's 20 addressed to clearly not me. It's addressed to somebody else 21 and clearly this is Phil Delk's recollection. I just -- I don't 22 want to confirm or deny either way. I just don't want to 23 speculate. 24 Q And I don't want you to speculate either. So that's 25 why my question is very simple.</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3302</p> <p>1 Are you telling us you are not in a position to</p> <p>2 recognize the document described here as your father's Statement</p> <p>3 of Financial Condition? Is that your --</p> <p>4 A I am not in that position. This is 12 years ago. I</p> <p>5 have no idea.</p> <p>6 Q It continues on. It says the statement was not signed</p> <p>7 by the CPA firm giving an opinion that it accurately reflected</p> <p>8 Donald Trump's net worth, but that it showed the assets,</p> <p>9 liabilities for Donald Trump and noted any material omissions.</p> <p>10 The financial statement reflected that the Trump Organization</p> <p>11 has eliminated significant amounts of debt over the past years.</p> <p>12 Having looked at that paragraph, are you still telling</p> <p>13 us that you are not in a position to recognize that the document</p> <p>14 referred to here is your father's Statement of Financial</p> <p>15 Condition?</p> <p>16 A It's possible, sir. I just don't want to speculate.</p> <p>17 Q I am going to ask you to answer my question yes or no</p> <p>18 because I think --</p> <p>19 MS. HABBA: Objection. Asked and answered.</p> <p>20 MR. AMER: I think it was a yes-or-no question</p> <p>21 asked. Can I have a read back?</p> <p>22 THE COURT: Well, let's compromise. Let's try one</p> <p>23 more time. I believe it was asked and answered, but just</p> <p>24 ask -- a read back or a rephrasing or repetition, whatever</p> <p>25 you want, Mr. Amer.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3304</p> <p>1 THE COURT: Objection overruled.</p> <p>2 A It is very possible that it was the statement. I just</p> <p>3 don't know because this wasn't directed at me.</p> <p>4 Q You, in fact, worked with Mr. Weisselberg to arrange to</p> <p>5 have Mr. Delk review your father's Statement of Financial</p> <p>6 Condition as part of his due diligence efforts for the sale of</p> <p>7 the club, isn't that right?</p> <p>8 A I absolutely probably would have been the person who</p> <p>9 made the introduction to Allen Weisselberg, yes.</p> <p>10 Q Not my question.</p> <p>11 A I think it was.</p> <p>12 MR. AMER: Can I have a read back, Your Honor?</p> <p>13 Because that wasn't my question.</p> <p>14 THE COURT: It didn't answer the question.</p> <p>15 Let's just read it back.</p> <p>16 (Whereupon, the requested portion of the</p> <p>17 proceedings was read back by the court reporter.)</p> <p>18 A I have no recollection at this time.</p> <p>19 MR. AMER: Let's go ahead and mark Plaintiff's</p> <p>20 Exhibit 1092.</p> <p>21 Q Mr. Trump, you'll see this is an e-mail chain where</p> <p>22 Mr. Delk e-mails Mr. Weisselberg copied to you on February 13,</p> <p>23 2012 and Mr. Weisselberg asks you a question that you then</p> <p>24 respond to in the top e-mail. Do you see that?</p> <p>25 A Yes, I do.</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3303</p> <p>1 MR. AMER: Sure.</p> <p>2 Q I've just now read that first paragraph. Is it your</p> <p>3 testimony, sir, that you are not able to confirm in your own</p> <p>4 mind that what's being referred to here is your father's</p> <p>5 Statement of Financial Condition?</p> <p>6 A I cannot confirm because it doesn't sound like I was</p> <p>7 physically there and I don't want to speculate.</p> <p>8 Q The next paragraph indicates "the cash and cash</p> <p>9 equivalents were in the hundreds of millions, the assets in the</p> <p>10 billions -- billion of dollars were more than ten times the</p> <p>11 liabilities on the financial statement." You see that?</p> <p>12 A I do.</p> <p>13 Q Okay. And you're still unclear about whether this is</p> <p>14 referring to your father's financial statement?</p> <p>15 MS. HABBA: Your Honor, I'm going to object.</p> <p>16 THE COURT: Overruled. He did introduce further --</p> <p>17 MS. HABBA: Okay, but he's testified that he</p> <p>18 doesn't -- this letter wasn't to him. He doesn't know.</p> <p>19 He's going to try and get him to obviously authenticate it,</p> <p>20 but I think his testimony still stands. I'm just stating my</p> <p>21 objection for the record.</p> <p>22 MR. AMER: It's already in evidence, Your Honor.</p> <p>23 MS. HABBA: Then I'm not really sure what we're</p> <p>24 doing.</p> <p>25 MR. AMER: It will become clear very soon.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3305</p> <p>1 MR. AMER: Your Honor, I move that this be admitted</p> <p>2 into evidence.</p> <p>3 MR. ROBERT: Objection. Statute of limitations,</p> <p>4 Your Honor.</p> <p>5 THE COURT: Overruled. It's in.</p> <p>6 (Whereupon, the item previously referred to is</p> <p>7 received and marked Plaintiff's Exhibit Number 1092 in</p> <p>8 evidence.)</p> <p>9 Q Now, the bottom e-mail from Mr. Delk to Mr. Weisselberg</p> <p>10 that you're copied on, the first paragraph says, "thank you</p> <p>11 again for taking the time to meet with me today and answer my</p> <p>12 questions. I was on the way to LaGuardia, two additional</p> <p>13 questions occurred to me," and then he asks those questions.</p> <p>14 Do you recall that Mr. Delk in doing his due diligence</p> <p>15 traveled to the Trump Organization offices to review information</p> <p>16 for that effort?</p> <p>17 A I do not.</p> <p>18 Q Mr. Weisselberg -- well, before I get there. You would</p> <p>19 agree with me that based on his e-mail to you and</p> <p>20 Mr. Weisselberg that is in fact the case?</p> <p>21 A Yes, it looks like that.</p> <p>22 Q And Mr. Weisselberg writes to you "before I respond I</p> <p>23 want to make sure you and your dad are still going forward with</p> <p>24 this deal. Your dad did not sound very upbeat about the deal.</p> <p>25 He spoke about how little we would make and that he did not see</p>

1 himself going to NC, etc."  
2 You see that e-mail from Mr. Weisselberg to you; right?  
3 A Yes, I do.  
4 Q And then you respond confirming that in fact the deal  
5 is going to go forward; right?  
6 A Yes, that's what I responded.  
7 Q And is it fair to say as you indicate in your response  
8 to Mr. Weisselberg that you consider the deal to purchase the  
9 club to be close at hand and that you wanted to get it done?  
10 A Well, my exact words "because we had bigger fish to  
11 fry, but we have it on the one yard line."  
12 Q And I wasn't trying to use your exact words. I was  
13 just asking you if you would agree that what you're saying here  
14 is that the deal is close at hand and you wanted to get it done;  
15 right?  
16 A Yes.  
17 Q Just going back, we had looked at the draft, due  
18 diligence summary that was attached to the prior exhibit. You  
19 recall that?  
20 A Yes, I do.  
21 MR. AMER: Let's go ahead and mark Exhibit 1091.  
22 Q You'll see these are a series of e-mail exchanges among  
23 you, Mr. Delk and Mr. Weisselberg; right?  
24 A Yes, I do.  
25 MR. AMER: Your Honor, I move to admit this into

E. Trump - Plaintiff - direct (Amer) Page 3307

1 evidence.  
2 MR. ROBERT: Same objection, Your Honor.  
3 THE COURT: Overruled. It's in.  
4 (Whereupon, the item previously referred to is  
5 received and marked Plaintiff's Exhibit Number 1091 in  
6 evidence.)  
7 Q If you'll look at page two of this document, the bottom  
8 e-mail, this is the same e-mail we had just looked at before  
9 that attached the due diligence summary; correct?  
10 A That's correct.  
11 Q Then you actually on the bottom of page one respond to  
12 that e-mail directly to Mr. Delk; right?  
13 A Yes, I did.  
14 Q And you did at the time review Mr. Delk's due diligence  
15 summary as indicated in your response to him about it; right?  
16 A It sounds like it if it was attached to that e-mail.  
17 Q Not my question.  
18 Based on your response to him at the bottom of this  
19 page?  
20 A Yes, it looks like that.  
21 Q You received and read Mr. Delk's due diligence summary  
22 that he attached to his e-mail; right?  
23 A Yes, it appears that way.  
24 Q The one that referenced the Statement of Financial  
25 Condition; right?

E. Trump - Plaintiff - direct (Amer) Page 3308

1 MR. ROBERT: Objection. It did not reference a  
2 Statement of Financial Condition.  
3 A The one that reference the financials, yes.  
4 THE COURT: Well, he seems to think it did.  
5 MR. ROBERT: I want to make sure it is a  
6 distinction. It doesn't talk about a Statement of Financial  
7 Condition. Fair enough.  
8 Q And here's what you write to Mr. Delk:  
9 "Phil, sorry to be brash, but it was not the intent  
10 that a summary would be circulated to the members. The point of  
11 the exercise and the intent of our conversation was to give you  
12 and the board comfort that our personal financials have been  
13 reviewed on behalf of the members. This exercise was bound by  
14 confidentiality which is why we did it in person and was  
15 intended for you to be able to convey that you have reviewed our  
16 financials and mention that without question we have the  
17 financial wherewithal to purchase, renovate and operate this  
18 asset. I trust you understand and would appreciate you giving  
19 me your assurance that this will not be distributed."  
20 That was your response to Mr. Delk after reviewing his  
21 draft due diligence report for the members; right?  
22 A Yes.  
23 Q And Mr. Delk responds in the e-mail above telling you  
24 you do not come across as being brash. He understands your  
25 concerns and he will not distribute the summary; that he will

E. Trump - Plaintiff - direct (Amer) Page 3309

1 limit any communication to the fact that you do not -- that you  
2 do have the financial wherewithal to purchase, renovate and  
3 operate the club; right?  
4 A Yes.  
5 Q And you thank him in the e-mail above; right?  
6 A Yes, I do.  
7 Q Can we agree that the due diligence exercise involved  
8 Mr. Delk coming to New York to review personal financials in  
9 person?  
10 A It sounds like he came to New York to review  
11 financials, yes.  
12 Q And you say the exercise was bound by confidentiality.  
13 Does this mean you required Mr. Delk to sign a non-disclosure  
14 agreement before he reviewed the personal financials?  
15 A I wouldn't know.  
16 Q Well, it's your words in the response to him to say the  
17 exercise was bound by confidentiality. Are you telling us you  
18 don't know what you meant by that?  
19 A I don't know if confidentiality was signed. Oftentimes  
20 when you get into a deal transaction at the beginning of the  
21 deal, both sides sign confidentiality agreements. It's very  
22 possible that one was executed. I just don't remember 12 years  
23 later.  
24 Q At any rate it was your intent that he be bound by  
25 confidentiality with respect to his review of personal

<p>E. Trump - Plaintiff - direct (Amer) Page 3310</p> <p>1 financials during this due diligence exercise; right?</p> <p>2 A Yes, I think we would want to keep financials</p> <p>3 confidential. No different than any other private company in</p> <p>4 the world.</p> <p>5 Q You were concerned about the personal financials that</p> <p>6 he was going to be reviewing being distributed to club members;</p> <p>7 correct?</p> <p>8 A Possibly. I think you wouldn't want 1,200 people to</p> <p>9 see personal financials. Yes, I think that would be accurate.</p> <p>10 Q Having looked at this document, including your reply to</p> <p>11 Mr. Delk, can we agree that by February 2012 you were aware that</p> <p>12 your father had a personal financial statement that was being</p> <p>13 used by the Trump Organization to demonstrate to a third party</p> <p>14 the company's financial wherewithal?</p> <p>15 MR. ROBERT: Objection. He keeps referencing a</p> <p>16 personal financial statement. All we're seeing in these</p> <p>17 e-mails are personal financials being provided. That's a</p> <p>18 huge distinction.</p> <p>19 MR. AMER: Your Honor.</p> <p>20 THE COURT: It's definitely a distinction. I don't</p> <p>21 know how huge or small it is. Mr. Amer, go ahead.</p> <p>22 MR. AMER: I think the witness can answer the</p> <p>23 question yes or no. If he doesn't agree with the way I</p> <p>24 phrased the question he can answer no.</p> <p>25 THE COURT: Overruled. Do you need a read back or</p>	<p>Page 3312</p> <p>1 (Whereupon, the requested portion of the</p> <p>2 proceedings was read back by the court reporter.)</p> <p>3 A Correct.</p> <p>4 Q Are you telling us that when you sent your response to</p> <p>5 Mr. Delk telling him he -- telling him he was bound by</p> <p>6 confidentiality and he shouldn't release the summary to his</p> <p>7 members that you had no idea what personal financials he was</p> <p>8 looking at as part of his due diligence exercise? Is that your</p> <p>9 testimony?</p> <p>10 A It would be my testimony that he was looking at</p> <p>11 financials. As to what financials he was looking at, I do not</p> <p>12 know.</p> <p>13 Transcript continues on the following page....</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3311</p> <p>1 a restatement?</p> <p>2 THE WITNESS: Can I have a read back. Thank you.</p> <p>3 THE COURT: Read back, please.</p> <p>4 (Whereupon, the requested portion of the</p> <p>5 proceedings was read back by the court reporter.)</p> <p>6 A I don't want to nitpick this. Clearly the board member</p> <p>7 came in to review financials and he did so with Allen</p> <p>8 Weisselberg and not with me. Do I have an understanding that</p> <p>9 financials were reviewed, yes. Do I have any understanding or</p> <p>10 had I ever seen my father's Statement of Financial Condition,</p> <p>11 no. It's just not what I did for the company, sir.</p> <p>12 Q You read the due diligence summary that we put up on</p> <p>13 the screen?</p> <p>14 A Yes, I did.</p> <p>15 Q At the time; correct?</p> <p>16 A It appears so.</p> <p>17 Q And in response to seeing that you then told Mr. Delk</p> <p>18 that you were concerned about releasing that summary to the</p> <p>19 members; correct?</p> <p>20 A I wouldn't want financial information to be released to</p> <p>21 1,200 people no matter who they were.</p> <p>22 Q That wasn't my question.</p> <p>23 MR. AMER: Can I get a read back, Your Honor?</p> <p>24 THE COURT: Sure. And I agree that did not answer</p> <p>25 the question.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3313</p> <p>1 Q So that's your testimony? You had no idea what the</p> <p>2 financials were that Mr. Delk was looking at as part of his due</p> <p>3 diligence exercise when you wrote this e-mail to him, right?</p> <p>4 A That's correct.</p> <p>5 Q Can we agree that your involvement in this due</p> <p>6 diligence exercise with Mr. Delk was to allow him to determine</p> <p>7 if the Trump Organization had the financial wherewithal to</p> <p>8 purchase, renovate, and operate the club?</p> <p>9 A Absolutely.</p> <p>10 Q And can we agree that your involvement in this due</p> <p>11 diligence exercise was just seven months before Mr. McConney</p> <p>12 indicated that he had his first call with you about Seven</p> <p>13 Springs which just to remind you was in September of 2012?</p> <p>14 A Sounds correct from a date standpoint, yes.</p> <p>15 Q Can we at least agree that by 2012 you were aware that</p> <p>16 the company had personal financials available to share with</p> <p>17 third parties for them to understand whether the company had</p> <p>18 financial wherewithal?</p> <p>19 THE COURT: Hold on. You said "personal</p> <p>20 financials." Can you be more specific?</p> <p>21 MR. AMER: I think that's the phrase from the due</p> <p>22 diligence summary, Your Honor, so I think it's a fair</p> <p>23 question.</p> <p>24 THE WITNESS: Your Honor, that's the same thing I'm</p> <p>25 battling as well.</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3314</p> <p>1 THE COURT: I'm not saying it is a fair question. 2 I'm just not sure that's what you really want to know. 3 THE WITNESS: I understood we had financials as a 4 company and we had an accounting department that would often 5 refer or would sometimes work with outside entities such as 6 this. They go through them. I was not personally aware of 7 the Statement of Financial Condition. I didn't work on the 8 Statement of Financial Condition. I've been very, very 9 clear about that. 10 MR. AMER: Let's go to the 2013 Jeff Supporting 11 Data. It is native 708. 12 Q Let's go to Row 640 and you'll see this references a 13 call with you on August 20, 2013, right? 14 A Yes, it does. 15 Q Isn't it a fact, sir, that in connection with that 16 call, Mr. McConney told you that he needed information from you 17 to value Seven Springs expressly for your father's Statement of 18 Financial Condition? 19 A Not to the best of my recollection. 20 MR. AMER: Why don't we split the screen and put up 21 along with this Plaintiff's 1075. 22 Q This is an easement from Mr. McConney to you dated 23 August 20, 2013, the same date as the call Mr. McConney 24 references in his supporting spreadsheet, right? 25 A Yes.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3316</p> <p>1 statement as of August 20, 2013, didn't you? 2 A It appears that way, yes. 3 Q And he told you that he needed to value Seven Springs 4 for that annual financial statement, right? 5 A That's what it says, yes. 6 Q And he attached to this e-mail on the second page an 7 excerpt from his supporting data spreadsheet, didn't he? 8 A Yes, he did. 9 Q So you've actually seen portions of Mr. McConney's 10 spreadsheet at the time that he was working on it, right? 11 A Yes. I see some blank cells and some cells that were 12 already filled out before this e-mail on Excel spreadsheet, yes. 13 Q If we go back to his cover e-mail, he says, "Attached, 14 please find how we valued it last year." 15 So he's showing you how it was valued in 2012 and he's 16 asking for your assistance in valuing it for 2013, right? 17 A Yes. It appears that it was already valued in 2012 and 18 he is asking for my assistance in valuing it for 2013, yes. 19 Q And that's the topic of his telephone conversation with 20 you on August 20, 2013, the same date as this e-mail -- 21 A Well, I want to -- 22 Q -- Exhibit 1075, right? 23 A I just want to clarify. If I'm looking at the 24 footnote, it says, "Per telephone conversation with Eric Trump, 25 New Castle land to be donated, North Castle to be used as part</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3315</p> <p>1 MR. AMER: Your Honor, I move this into evidence. 2 Move to admit it into evidence. 3 MR. I need to 9 value Seven Springs. Attached, please find how we valued it 10 last year. Can you let me know when you have time to talk about 11 this year's valuation." Do you see that? 12 A I do. 13 Q So you were told by Mr. McConney expressly in 14 connection with this call that he notes in the supporting data 15 spreadsheet that he's working on your dad's annual financial 16 statement, right? 17 A Okay. 18 Q Well, not okay. Right? 19 A Yes. People come to me all the time to ask me 20 questions about various projects I'm involved with, absolutely. 21 Q And on this date, August 20, 2013, in an e-mail, he 22 told you that he was working on your dad's annual financial 23 statement, correct? 24 A It's absolutely what it says, yes. 25 Q So you did know about your father's annual financial</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3317</p> <p>1 of the main mansion." Those are absolutely facts that I could 2 have given Jeffrey McConney. That's definitely something he 3 could have come to me to ask. It seems like the values had 4 already been established in the spreadsheet from the year 5 before, meaning prior to my involvement in the project. 6 Q Do you now have some recollection of this call that you 7 didn't have before? 8 A No, I don't. I think I'm pointing out the footnote 9 that you say references numbers and it seems like the 10 footnote -- it seems like the footnote is referencing New Castle 11 land to be donated which was our intent at the time and North 12 Castle land to be used as the part of the main mansion. 13 Q Just to be clear, when you say "footnote," this is Row 14 640. It is a note, right? It is not a footnote. It is not a 15 footnote noted anywhere on this page. It is just a note on Row 16 640, right? 17 A I'm referencing the two notes directly below that 18 mention of my name which would have been consistent with 19 something I would have given Jeffrey McConney, the current 20 status of an active development project, yes. 21 Q Okay. And what you received, which was the second page 22 of the e-mail, was an excerpt from the supporting data 23 spreadsheet that had information on Bedford seven Mansions 24 approved with a selling price, a cost, a profit, number of 25 homes, and a value, right?</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3318</p> <p>1 A That's correct and it looks accurate, yes.</p> <p>2 Q That's also information you knew at the time, right?</p> <p>3 A That we were going to develop at the time seven homes</p> <p>4 on that property?</p> <p>5 Q Yes.</p> <p>6 A Yes, I would have known that.</p> <p>7 Q You would have had information relating to the selling</p> <p>8 price, the cost, the profit, the number of homes, right?</p> <p>9 A No. I think it is established that this pre-dated me.</p> <p>10 He's asking this in 2013. It seems like he's updating numbers</p> <p>11 that were already there pre my involvement. At least that's how</p> <p>12 I'm reading this.</p> <p>13 Q I'm not asking you to read this. I'm simply asking you</p> <p>14 to confirm that that information, the details about the seven</p> <p>15 mansions would have been information that you would have known</p> <p>16 about at the time of this call, right?</p> <p>17 A Yes, I was working on the zoning at that time.</p> <p>18 Q So just to confirm where we are, on the same day as the</p> <p>19 call Mr. McConney references he had with you in his supporting</p> <p>20 data spreadsheet, he tells you in an e-mail that he needs to</p> <p>21 value Seven Springs for your father's annual financial statement</p> <p>22 and needs to speak to you about the 2013 valuation, correct?</p> <p>23 A Yes.</p> <p>24 Q And he shares with you the basis for the prior year's</p> <p>25 valuation lifted from his spreadsheet, right?</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. Do</p> <p>4 you see that?</p> <p>5 A Yes, I see that.</p> <p>6 Q And you'll see there is an attachment which is a</p> <p>7 confidentiality agreement which is the second -- starts on the</p> <p>8 second page of this exhibit?</p> <p>9 A Yes, I do.</p> <p>10 MR. AMER: Your Honor, I move that this be admitted</p> <p>11 into evidence.</p> <p>12 MR. ROBERT: Objection; statute of limitations and</p> <p>13 relevance.</p> <p>14 THE COURT: Overruled.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 1265.)</p> <p>17 THE COURT: Overruled on statute of limitations.</p> <p>18 Relevance, we will see where we are going with it.</p> <p>19 Q You will see that the attachment is a document</p> <p>20 entitled, "Confidentiality between the First National Bank of</p> <p>21 Long Island and Trump Acquisition, LLC," right?</p> <p>22 A Yes.</p> <p>23 Q And you'll see from the last page of the document that</p> <p>24 it is executed by someone from the bank, right?</p> <p>25 A I don't know what this document is, but that appears</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3319</p> <p>1 A Yes, it looks to be correct.</p> <p>2 Q Mr. Trump, it is an undeniable fact, is it not, that as</p> <p>3 of September 24, 2012, the date McConney noted he had his call</p> <p>4 with you about Seven Springs, you did know that your father had</p> <p>5 an annual financial statement?</p> <p>6 You knew it was shared with third parties to</p> <p>7 demonstrate the company's financial wherewithal and you knew Mr.</p> <p>8 McConney was going to use the information that you provided to</p> <p>9 him to value Seven Springs for your father's statement; isn't</p> <p>10 that right?</p> <p>11 MR. ROBERT: Objection.</p> <p>12 A It's just incorrect.</p> <p>13 THE COURT: Compound question.</p> <p>14 MR. ROBERT: Compound and stating facts the witness</p> <p>15 didn't testify to, but the witness just answered.</p> <p>16 A It is just incorrect.</p> <p>17 THE COURT: Okay.</p> <p>18 Q Isn't it a fact, sir, that you were aware that your</p> <p>19 father's Statement of Financial Condition was being provided to</p> <p>20 a bank for review in connection with a banking transaction even</p> <p>21 before February 2012?</p> <p>22 A Not to the best of my knowledge sitting here right now.</p> <p>23 MR. AMER: Why don't we go ahead and mark</p> <p>24 Exhibit 1265.</p> <p>25 Q You see, Mr. Trump, that there's a bottom e-mail from a</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3321</p> <p>1 that it is executed by somebody from the bank.</p> <p>2 Q It is a document that was forwarded to you by Mr.</p> <p>3 Weisselberg, right?</p> <p>4 A Apparently, yes. It's 2010. I think I was 26 at the</p> <p>5 time, 24.</p> <p>6 Q And if you look at the confidentiality agreement that's</p> <p>7 attached, the second paragraph says, "Whereas before on and/or</p> <p>8 after the date hereof disclosing party may furnish</p> <p>9 recipient" -- the disclosing party is the Trump entity, right?</p> <p>10 If you look at the top paragraph, you see that?</p> <p>11 A Yes.</p> <p>12 Q And the recipient is the First National Bank of Long</p> <p>13 Island, right?</p> <p>14 A That looks to be correct, yes.</p> <p>15 Q "Whereas before on and/or after the date hereof,</p> <p>16 disclosing party may furnish recipient with or cause recipient</p> <p>17 to be furnished with certain documents and information prepared</p> <p>18 by or for or belonging to disclosing party including without</p> <p>19 limitation a Statement of Financial Condition of Donald J. Trump</p> <p>20 as of June 30, 2010 and/or other financial documents and</p> <p>21 information." Do you see that?</p> <p>22 A I do.</p> <p>23 Q Can we agree that is clearly a reference to your</p> <p>24 father's Statement of Financial Condition?</p> <p>25 A The chances of me reading a confidentiality agreement</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3322</p> <p>1 that I didn't execute I would say is zero percent, but yes, we 2 can agree that it says it in that paragraph. 3 Q And Mr. Weisselberg and in his cover e-mail says, 4 "CONFIDENTIAL received, F/S going to bank overnight." Do you see that? 5 A I do. 6 THE COURT: Five-minute warning. 7 Q We can agree that F/S is an abbreviation for financial 8 statement, right? 9 A Yes, I would assume that's what our CFO would send to a 10 third party. 11 Q So in 2010, you received from Mr. Weisselberg an e-mail 12 forwarding a confidentiality agreement that clearly references 13 your father's Statement of Financial Condition, right? 14 A That clearly references a financial statement, yes. 15 Q Not a financial statement. Your father's Statement of 16 Financial Condition. Do we need to go back to it? It says 17 Donald J. Trump, right? 18 A As I said, the chances that I read a confidentiality 19 that I didn't sign would be very small, but yes, it certainly 20 referenced that at that time. 21 Q And he not only attaches it, but he says in the cover 22 e-mail "financial statement going to bank overnight," right? 23 A That's correct. 24 MR. AMER: Let's go ahead and mark as the next 25 exhibit Plaintiff's Exhibit 3332.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3324</p> <p>1 reaching out to you for information specifically to assist him 2 in working on the notes to your father's annual financial 3 statement? 4 A That's the exact kind of information I would give Mr. 5 McConney, yes. 6 Q In his e-mail, he is specifically identifying the fact 7 that he needs the information to work on your father's financial 8 statement, right? 9 A Yes, he's absolutely asking what we're doing on the 10 ground at various projects, what's underway, and that's the kind 11 of information I would -- I'm asked about every single day, but 12 certainly I would have given Mr. McConney. 13 Q To be specific, though, when he asks you for the 14 information, he tells you exactly why he needs it and he tells 15 you that he needs it for your father's annual financial 16 statement, right? 17 A Yes. I know Jeffrey McConney does financial statements 18 for my father. There's no hiding that. 19 Q So you would have understood at the time that you 20 received this e-mail in August of 2013 that your father had an 21 annual financial statement, right? 22 A We're a major organization, a massive real estate 23 organization. Yes, I'm fairly certain I understand that we have 24 financial statements, absolutely. 25 Q Not my question. You've testified here quite adamantly</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3323</p> <p>1 Q This is an e-mail from Mr. McConney to you dated 2 August 23, 2013, correct? 3 A That's correct. 4 MR. AMER: Your Honor, I move to admit this into 5 evidence. 6 MR. ROBERT: Objection. Statute of limitations. 7 THE COURT: Overruled. 8 (Whereupon, the Document was marked in evidence as 9 Plaintiff's Exhibit 3332.) 10 Q The subject of this e-mail in August of 2013 is "DJT 11 F/S," right? 12 A Yes. 13 Q You understood at the time that you received this 14 e-mail that DJT was Donald J. Trump and F/S was financial 15 statement, right? 16 A Yes. 17 Q And Mr. McConney says to you, "I'm working on the notes 18 to Mr. Trump's annual financial statement and I'd like to 19 include any major construction work that was started, completed, 20 calculated at our golf courses during the last year (i.e., 21 July 2012-now)." He says, "Example, Doral, we're doing a 22 corporate overhaul of the Blue Monster at a cost of X million of 23 dollars. Something short and sweet is all I need. Thanks in 24 advance for your help, Jeff." 25 Mr. Trump, isn't it a fact that Mr. McConney is</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3325</p> <p>1 that you had no idea that there was something called your 2 father's annual financial statement. So I'm being very specific 3 in my questions, sir. 4 MS. HABBA: Objection. You're mischaracterizing 5 the witness' testimony. He didn't say he didn't know 6 there's something called it. He didn't testify to that. 7 A I said I had no involvement nor ever worked on my 8 father's personal Statement of Financial Condition. 9 MR. AMER: I'm not going to go back. We know what 10 the testimony was, Your Honor. I'm just going to go forward 11 and ask my question again. And I ask that if the witness 12 can answer yes or no, that he, please, do so. 13 THE COURT: I'll direct him to do that. 14 Q It is correct that when you received this e-mail in 15 August of 2013, you understood that your father had an annual 16 financial statement and you understood that Mr. McConney was 17 asking you for information specifically to assist him in working 18 on the notes to that annual financial statement; isn't that 19 correct? 20 A Yes. 21 THE COURT: Okay. Let's take a break. I'll direct 22 the witness, as I always do, not to discuss this case or 23 your testimony or anything related during the break or until 24 you're no longer a witness. 25 THE WITNESS: Okay. (Witness exits the stand. )</p>

<p style="text-align: right;">Page 3326</p> <p>1 THE COURT: See everybody at 2:15. 2 (Whereupon, a luncheon recess was taken.) 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 3328</p> <p>E. Trump - Plaintiff - direct (Amer)</p> <p>1 MR. AMER: Your Honor, I move to admit this into 2 evidence. 3 MR. ROBERT: Statute of limitations. 4 THE COURT: Overruled. It's in. 5 (Whereupon, the item previously referred to is 6 received and marked Plaintiff's Exhibit Number 1071 in 7 evidence.) 8 Q So, based on this document you will agree that you 9 received Mr. McConney's e-mail, you read it and you responded to 10 it by providing information about construction work at Doral; 11 right? 12 A Yes. 13 Q And when you provided that information you understood 14 it was expressly for the purpose of assisting Mr. McConney in 15 preparing the notes to your father's Statement of Financial 16 Condition; correct? 17 A That's incorrect. 18 Q You did respond to an e-mail that expressly referenced 19 your father's annual financial statement; correct? 20 A I think where we're getting tripped up is I clearly 21 understood that I sent notes to Jeff McConney. I worked with 22 him almost every single day. What's maybe not registering is 23 the difference between sending him things that were used for 24 financials and things that were used for a Statement of 25 Financial Condition. Somebody from accounting would ask me</p>
<p>E. Trump - Plaintiff - direct (Amer)</p> <p style="text-align: right;">Page 3327</p> <p>1 THE COURT OFFICER: All rise. Part 37 is back in 2 session. The Honorable Judge Arthur Engoron presiding. 3 Please be seated and come to order. 4 MR. KISE: You're back to bounding. That's a good 5 sign. 6 THE COURT: I know. I'm anxious to keep moving 7 things along, and I've got the energy. 8 Okay. Let's continue with the examination of Eric 9 Trump. 10 MR. AMER: Thank you, Your Honor. 11 CONTINUED DIRECT EXAMINATION 12 BY MR. AMER: 13 Q Mr. Trump, when we broke for lunch we were looking at 14 Plaintiff's Exhibit 3332. If we can just put it up to remind 15 ourselves where we were. 16 This was an e-mail you received from Mr. McConney where 17 he was telling you he was working on the notes to your father's 18 annual financial statement and was asking you for information. 19 Do you recall that? 20 A Yes, I do. 21 MR. AMER: Let's go ahead and put up Plaintiff's 22 Exhibit 1071 that we'll mark for identification. 23 Q Mr. Trump, this is your reply to the e-mail we were 24 just looking at; correct? 25 A Yes.</p>	<p>E. Trump - Plaintiff - direct (Amer)</p> <p style="text-align: right;">Page 3329</p> <p>1 something, they'd ask me details of a project and I would 2 respond. I don't think it ever registered that it was for a 3 personal Statement of Financial Condition. It was just a detail 4 that was irrelevant to me. 5 Q Mr. Trump, did you speak to anybody about the substance 6 of your testimony during lunch? 7 A I did not. 8 Q Okay. 9 MR. AMER: Your Honor, can I get a yes-or-no answer 10 to my question? Because I think it was a yes-or-no 11 question. 12 MR. KISE: Which question is that? 13 MR. AMER: The one before. 14 THE COURT: Let's just get a read back. 15 (Whereupon, the requested portion of the 16 proceedings was read back by the court reporter.) 17 MR. AMER: I'm not the one about speaking to -- 18 MR. KISE: Right, the one before that. 19 THE COURT: That's a simple yes or no. 20 A It appears I did. 21 MR. AMER: Let's go ahead and mark Plaintiff's 22 Exhibit -- well, actually, it's already in evidence. 23 1112. The court officer will hand you a copy 24 because it's already in evidence. 25 Q You'll see that this is an e-mail to you from</p>

3 Q Well, that's what he's saying in this e-mail?		3 MR. ROBERT: Objection. Statute of limitations.	
4 A I agree with you. Absolutely.		4 THE COURT: Overruled.	
5 Q So as of the date of this e-mail you understood that		5 (Whereupon, the item previously referred to is

<p>E. Trump - Plaintiff - direct (Amer) Page 3334</p> <p>1 Q So you were aware from this e-mail that as of July 2015</p> <p>2 your father had a financial statement that the company was</p> <p>3 intending to use to secure a line of credit with the bank;</p> <p>4 right?</p> <p>5 A Yes, as I've testified to I know our company has plenty</p> <p>6 of sets of financial statements.</p> <p>7 Q The answer to my question is yes?</p> <p>8 A Yes.</p> <p>9 MR. AMER: Okay. Let's go ahead and mark as</p> <p>10 Exhibit 1079 another exhibit.</p> <p>11 Q Mr. Trump, this is an e-mail from Mr. McConney to you</p> <p>12 dated February 23, 2017; correct?</p> <p>13 A Yes.</p> <p>14 MR. AMER: Your Honor, I move to admit this exhibit</p> <p>15 into evidence.</p> <p>16 THE COURT: Granted. It's in.</p> <p>17 (Whereupon, the item previously referred to is</p> <p>18 received and marked Plaintiff's Exhibit Number 1079 in</p> <p>19 evidence.)</p> <p>20 Q And you'll see there is a subject, it says "footnotes."</p> <p>21 Do you see that?</p> <p>22 A I do.</p> <p>23 Q And it has a PDF attachment. That's the second and</p> <p>24 third pages of this exhibit?</p> <p>25 A Yes.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3336</p> <p>1 are footnotes to your dad's financial statement; correct?</p> <p>2 A I think we can agree and with your -- Judge, Your</p> <p>3 Honor, I know my father has financial statements. Again, I</p> <p>4 think I've testified to this pretty extensively. Yes, my father</p> <p>5 has financial statements. These are property descriptions that</p> <p>6 Jeff asked me to confirm. Absolutely.</p> <p>7 Q So the answer to my question is yes?</p> <p>8 A Yes, I confirm property descriptions that Jeff sent or</p> <p>9 at least received the property descriptions that Jeff sent.</p> <p>10 Q Well, but my question was different. My question was</p> <p>11 based on the e-mail you understood that what Mr. McConney was</p> <p>12 sending you was -- were -- was a draft of a portion of your</p> <p>13 dad's financial statement. You understood that at the time you</p> <p>14 got this e-mail in 2017?</p> <p>15 A I understood it as somebody from accounting was asking</p> <p>16 me for descriptions of property that I was actively working on</p> <p>17 building at the time.</p> <p>18 Q He says "we're working on your dad's financial</p> <p>19 statement" and he's attaching footnotes. Do you see that?</p> <p>20 A I do.</p> <p>21 Q Okay. So you understood when you got this that what he</p> <p>22 was attaching was a draft portion of your dad's financial</p> <p>23 statement; yes or no?</p> <p>24 A Yes.</p> <p>25 Q Do you recall giving a deposition in this case at the</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3335</p> <p>1 Q And Mr. McConney writes to you, "Eric, we're working on</p> <p>2 your dad's financial statement. I've attached the footnotes</p> <p>3 relating to the three European clubs with all of the renovations</p> <p>4 that were done since the last statement in June 2015. I wanted</p> <p>5 to ask you if there is anything you wanted to add to or expand</p> <p>6 on in the footnotes. Thanks, Jeff." See that?</p> <p>7 A Absolutely. That would definitely be consistent with</p> <p>8 my job in the company.</p> <p>9 Q And if you look at the attachment, it's the footnotes</p> <p>10 from the Statement of Financial Condition for your father;</p> <p>11 right?</p> <p>12 A Yes, I would have focused on two of these three</p> <p>13 projects because I was actively building them at the time.</p> <p>14 Q So Mr. McConney is asking for your input on footnotes</p> <p>15 that are part of your father's annual financial statement;</p> <p>16 correct?</p> <p>17 A These are property descriptions, but yes, that sounds</p> <p>18 right. I was building Turnberry at the time and I was building</p> <p>19 Trump Doondeg.</p> <p>20 Q And Mr. McConney is sharing with you a draft excerpt</p> <p>21 from the Statement of Financial Statement asking for your input</p> <p>22 on those -- that draft; correct?</p> <p>23 A Yes, he would have been asking for my input on the</p> <p>24 property descriptions.</p> <p>25 Q And he tells you in his e-mail that what he's attaching</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3337</p> <p>1 Attorney General's offices earlier this year; yes?</p> <p>2 A I do.</p> <p>3 Q And your testimony during that deposition was under</p> <p>4 oath, just like your testimony is here today; correct?</p> <p>5 A It is.</p> <p>6 Q I'm going to play video excerpt -- actually, a few</p> <p>7 excerpts from your deposition and in between each excerpt I'm</p> <p>8 going to ask you some questions. The first clip is page 259,</p> <p>9 line 10 to page 262, line 17.</p> <p>10 (Whereupon, there is a pause in the proceedings.)</p> <p>11 Q That was your sworn testimony at your deposition;</p> <p>12 correct?</p> <p>13 A Yes, and I think it's very accurate with what I'm</p> <p>14 saying right now.</p> <p>15 MR. AMER: Can we put up 1075, please?</p> <p>16 Q Having reviewed the e-mails we've been discussing</p> <p>17 during the course of the past couple hour -- couple of hours,</p> <p>18 including this e-mail, will you now concede that in fact you</p> <p>19 were very familiar with your father's Statement of Financial</p> <p>20 Condition at least since 2013; yes or no?</p> <p>21 A Saying your dad's annual financial statement that reads</p> <p>22 to me very differently than the personal Statement of Financial</p> <p>23 Condition. Irrespective, I just don't think it would have</p> <p>24 registered if somebody from accounting is asking me a question</p> <p>25 about a property description or how many lots could be built on</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3338</p> <p>1 a property, I don't really care where it's being used. I care 2 about providing them the information from the department that 3 I'm running.</p> <p>4 MR. AMER: Your Honor, I'll move to strike the 5 answer and ask that the witness be instructed to answer my 6 question yes or no.</p> <p>7 MR. ROBERT: Your Honor, I submit the question was 8 a little bit of a loaded question because it started out 9 with "very aware." I mean, he was trying to make a point 10 and Mr. Trump answered it appropriately.</p> <p>11 THE COURT: Why don't we do this, another 12 compromise. You can call it -- I won't strike what he said. 13 He said what he said and I think it wasn't totally divorced 14 from your question, but why don't we get a read back or ask 15 him the question as simply as you can and if it's a yes or 16 no, I'll direct him to answer yes or no.</p> <p>17 MR. AMER: That's fine. I will say other witnesses 18 have been directed not to give speeches after the yes or no 19 and that's what I'm asking that you direct him not to do.</p> <p>20 THE COURT: Yes. If it's a yes-or-no question and 21 you answer yes or no, unless you absolutely need -- well, 22 no. No exception. No speech. You can be cross examined, 23 but if it's yes or no and you can answer yes or no, then we 24 don't want a speech.</p> <p>25 THE WITNESS: I'm just trying to be very clear for</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3340</p> <p>1 Q And will you now agree that you did in fact know about 2 the backup for the Statement of the Financial Condition because 3 Mr. McConney had forwarded you an excerpt from his supporting 4 spreadsheet when requesting information from you for that 5 property; yes?</p> <p>6 A I will agree that it didn't register. I certainly 7 provided Jeff material for whatever exercise he was undertaking, 8 but yes, I would agree.</p> <p>9 Q Let's play another clip. This one is page 274, lines 10 15 to 25.</p> <p>11 (Whereupon, there is a pause in the proceedings.)</p> <p>12 Q Will you now concede that you did in fact have an 13 understanding when speaking to Mr. McConney about Seven Springs 14 that he was seeking the information from you for the expressed 15 purpose of valuing the properties for your father's Statement of 16 Financial Condition; yes or no?</p> <p>17 A Same answer as before. It just didn't register, so yes 18 -- does it appear he ultimately was, yes. It didn't register to 19 me and I provide him the exact same information as I provided 20 him at the time all over again absolutely.</p> <p>21 MR. AMER: I think we may need a reminder about no 22 speeches after answering yes or no, Your Honor, please.</p> <p>23 MR. ROBERT: I think it was an appropriate answer.</p> <p>24 THE COURT: I think it was a speech. These are 25 yes-or-no questions.</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3339</p> <p>1 everybody, Your Honor. Absolutely.</p> <p>2 THE COURT: But there is a system going on here, 3 question, answer. Yes or no, answer yes or no. No speech.</p> <p>4 Do we need a read back or can you just restate or 5 reformulate the question or just -- I can't remember did he 6 answer it yes and then give his speech or no and then give 7 his speech?</p> <p>8 Q I'll repeat my question and ask you to please answer it 9 yes or no.</p> <p>10 Having reviewed the e-mails we've been discussing 11 during the course of the past couple of hours, will you now 12 concede that in fact you were very familiar with your father's 13 Statement of Financial Condition at least since 2013; yes or no?</p> <p>14 A No, I was not very familiar with my father's financial 15 statement, no.</p> <p>16 Q Will you concede that in fact -- that you did in fact 17 know as of August 20, 2013 that Mr. McConney was intending to 18 use the information you provided to him to value the property 19 for the Statement of Financial Condition; yes or no?</p> <p>20 A Yes, it appears that way from the e-mails.</p> <p>21 Q Let's play another clip. It's page 273, lines nine to 22 20.</p> <p>23 (Whereupon, there is a pause in the proceedings.)</p> <p>24 Q That was your sworn testimony at your deposition; yes?</p> <p>25 A Yes.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3341</p> <p>1 Q I'll take the yes, but please if I ask you a yes-or-no 2 question, then just --</p> <p>3 A Just trying to be very clear.</p> <p>4 Q Your lawyers will have an opportunity to question you.</p> <p>5 A I understand.</p> <p>6 Q They may not take it, but they have it.</p> <p>7 MR. AMER: Last clip and then we'll move on. This 8 is page 276, line 18 to 277, line 13.</p> <p>9 Q Mr. Trump, will you now concede that despite being 10 confident at your deposition that you didn't know the 11 conversations you had with Mr. McConney were ever used as part 12 of the work product for the Statement of Financial Condition you 13 did in fact understand at the time of your conversations with 14 him that the very purpose of his requests to you for Seven 15 Springs information was to use that information for the 16 Statement of Financial Condition; yes or no?</p> <p>17 MR. ROBERT: Objection.</p> <p>18 A No.</p> <p>19 THE COURT: I'm sorry, what was the answer?</p> <p>20 (Whereupon, the requested portion of the 21 proceedings was read back by the court reporter.)</p> <p>22 Q I'd like to ask you some questions about the 23 conservation easement donation for Seven Springs.</p> <p>24 A Absolutely.</p> <p>25 Q You were aware that there was a conservation easement</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3342</p> <p>1 donation made on the Seven Springs property; correct?</p> <p>2 A Yes.</p> <p>3 Q And that donation was made by Seven Springs LLC based</p> <p>4 on a final appraisal by Cushman &amp; Wakefield; correct?</p> <p>5 A That's correct.</p> <p>6 Q Do you recall that the easement donation was made for</p> <p>7 the tax year ending 2015?</p> <p>8 A That sounds correct.</p> <p>9 Q Do you recall that the process of exploring a</p> <p>10 conservation easement on the Seven Springs property began a few</p> <p>11 years earlier in 2012?</p> <p>12 A I have a vague recollection of that now, yes.</p> <p>13 Q Let's go ahead and have you look at Exhibit 908, which</p> <p>14 is already in evidence.</p> <p>15 Mr. Trump, you'll see this exhibit is an engagement</p> <p>16 letter between Robert F. Heffernan &amp; Associates and Bingham</p> <p>17 McCutchen LLP and that this engagement is to provide consulting</p> <p>18 services to the law firm in connection with services the law</p> <p>19 firm is providing to its client Donald J. Trump. Do you see</p> <p>20 that?</p> <p>21 A I do see that, yes.</p> <p>22 Q And the second paragraph says that the scope of the</p> <p>23 assignment is to provide a written appraisal estimating the fair</p> <p>24 market value of a conservation easement placed on the Seven</p> <p>25 Springs estate. Do you see that?</p>	<p>Page 3344</p> <p>1 estimate and you wanted some details on his assumptions?</p> <p>2 A I don't remember much about this engagement, no.</p> <p>3 Transcript continues on the following page....</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3343</p> <p>1 A I do.</p> <p>2 Q And on page four you will see -- you recognize</p> <p>3 Ms. Dillon's signature; correct?</p> <p>4 A Yes.</p> <p>5 Q And can we agree that Ms. Dillon would have required</p> <p>6 the Trump Organization's approval to enter into this engagement</p> <p>7 on behalf of her client?</p> <p>8 A Yes.</p> <p>9 Q Let's go ahead and look at Exhibit 3296 for</p> <p>10 identification.</p> <p>11 Now, see the bottom e-mail is from Mr. Heffernan to Bob</p> <p>12 Leonard and he is with -- if you turn to the next page you'll</p> <p>13 see he's with Bingham McCutchen, which is Ms. Dillon's firm and</p> <p>14 is counsel to the Trump Organization in connection with this</p> <p>15 engagement; correct?</p> <p>16 A Yes.</p> <p>17 Q And in the very bottom e-mail from Mr. Leonard he --</p> <p>18 this is on December 18, 2012, he writes to Mr. Heffernan and</p> <p>19 says -- and asks if he's available for a call around two. Then</p> <p>20 he says "I understand Eric contacted you and wanted to get some</p> <p>21 details on your assumptions that led to your initial estimate."</p> <p>22 Do you see that?</p> <p>23 A I do.</p> <p>24 Q Do you recall in this time frame that you had been in</p> <p>25 touch with Mr. Heffernan and you understood he had an initial</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3345</p> <p>1 Q Well, I'm just asking very specifically if you</p> <p>2 remembered that. Did you?</p> <p>3 A I don't remember that.</p> <p>4 Q Do you have any reason to believe that Mr. Leonard's</p> <p>5 understanding as reflected here in this e-mail was incorrect?</p> <p>6 A I would have nothing to base that on, no.</p> <p>7 Q So you have no reason to believe it's incorrect, yes?</p> <p>8 A Yes.</p> <p>9 Q And if you look at Mr. Heffernan's e-mail in response,</p> <p>10 which is the next e-mail up, the very end, he references his</p> <p>11 value would have been 775,000 per raw lot for Seven Springs,</p> <p>12 correct, raw lot?</p> <p>13 A I see that, yes.</p> <p>14 Q And so if you had contacted Mr. Heffernan, you would</p> <p>15 have learned about his initial estimate of 775,000 per raw lot,</p> <p>16 right?</p> <p>17 A I would not make that assumption at all, no.</p> <p>18 Q You did understand according to Mr. Leonard that Mr.</p> <p>19 Heffernan had an initial estimate, right?</p> <p>20 A It's very possible. I just -- again, I remember very</p> <p>21 little about this engagement at this point. This is a very long</p> <p>22 time ago.</p> <p>23 MR. AMER: I'm going to ask to move this e-mail</p> <p>24 chain and I want to be very specific about which portion</p> <p>25 gets admitted for which purpose. Mr. Leonard's e-mails come</p>

<p>1 in for all purposes based on an exception to hearsay under</p> <p>2 CPLR 4549, which was just recently enacted a couple of years</p> <p>3 ago to create a hearsay exception for parties' agents</p> <p>4 statements made within the scope of the agency.</p> <p>5 And here, we have Mr. Leonard is the agent as</p> <p>6 counsel speaking within the scope of his agency role and I'm</p> <p>7 going to ask that Mr. Heffernan's e-mail comes in only for</p> <p>8 purposes of notice of what he told Mr. Leonard who was the</p> <p>9 Trump Organization's agent.</p> <p>10 MR. ROBERT: I disagree as to the hearsay</p> <p>11 exception. They had Ms. Dillon here who they could have</p> <p>12 shown the e-mail to authenticate who I believe is the</p> <p>13 partner we are talking about, Mr. Leonard, if I'm not</p> <p>14 mistaken. And on that basis alone, I don't think this is</p> <p>15 admissible that portion is hearsay in addition to my usual</p> <p>16 statute of limitations objection, Your Honor.</p> <p>17 THE COURT: Well, the fact that they could have</p> <p>18 asked Ms. Dillon doesn't mean they can't try to introduce</p> <p>19 evidence some other way.</p> <p>20 MR. ROBERT: Even if you bring in as an agent, it</p> <p>21 would be an agent of whoever the retained party was who did</p> <p>22 this. So if you're bringing it in as a statement, we'd have</p> <p>23 to check the engagement letter, but it was Seven Springs,</p> <p>24 LLC or whatever entity it is who Mr. Leonard and Ms. Dillon</p> <p>25 was representing. Then that's, I guess, fair game, but to</p>	<p>1 Q Can we agree that there's nothing in this spreadsheet</p> <p>2 that reflects information from Mr. Heffernan; yes or no?</p> <p>3 A I wouldn't know. I know nothing about this spreadsheet</p> <p>4 and I didn't create this spreadsheet, so that's a question for</p> <p>5 somebody else. I wouldn't be able to accurately tell you not</p> <p>6 knowing the document.</p> <p>7 Q Well, you're the one who purportedly had contact with</p> <p>8 Mr. Heffernan, so do you recognize any of the figures on this</p> <p>9 spreadsheet as being figures that you might have obtained</p> <p>10 through conversations with Mr. Heffernan?</p> <p>11 MR. ROBERT: I think the disconnect, Your Honor, is</p> <p>12 Mr. Amer may be referring to this one entry on the</p> <p>13 spreadsheet, not the entire spreadsheet, which is much</p> <p>14 greater in detail. That may be where the confusion is here</p> <p>15 because he's asking him is it anywhere in the spreadsheet.</p> <p>16 The spreadsheet, as my understanding, is pretty thick.</p> <p>17 MR. AMER: I'll limit my question to the document</p> <p>18 that's up on the screen. That's the excerpt from the</p> <p>19 spreadsheet.</p> <p>20 THE COURT: All right. So we are just talking</p> <p>21 about the excerpt?</p> <p>22 MR. AMER: Yes.</p> <p>23 MR. ROBERT: That's fine.</p> <p>24 A You have to repeat the question because there's many</p> <p>25 disconnects here, but, please, go ahead and --</p>

<p>1 say it comes in as an admission for Mr. Trump or any other</p> <p>2 individual other than who she was the agent for, I would say</p> <p>3 is improper, so tell us who it is you say they are the agent</p> <p>4 for.</p> <p>5 THE COURT: Mr. Amer, you want to answer that?</p> <p>6 MR. AMER: Sure. Exhibit 908, the engagement</p> <p>7 letter indicates that the client is Donald J. Trump. I'll</p> <p>8 take that.</p> <p>9 MR. ROBERT: Can I see the exhibit, please?</p> <p>10 MR. AMER: It's 908.</p> <p>11 MR. ROBERT: Fair enough.</p> <p>12 THE COURT: Objection overruled.</p> <p>13 (Whereupon, the Document was marked in evidence as</p> <p>14 Plaintiff's Exhibit 908.)</p> <p>15 Q We saw that Mr. Leonard's e-mail indicated his</p> <p>16 understanding that you had contacted Mr. Heffernan by mid</p> <p>17 December of 2012, correct?</p> <p>18 A I appear so.</p> <p>19 Q If we put up 2013 Jeff Supporting Data PX 708 in</p> <p>20 evidence, and if we go to Row 638 and 640, we can agree that the</p> <p>21 contact that Mr. Leonard indicated you had with Mr. Heffernan is</p> <p>22 about six or seven months prior -- actually would be about</p> <p>23 eight months prior to the August 20, 2013 call that you had with</p> <p>24 Mr. McConney, right?</p> <p>25 A It appears that way, yes.</p>	<p>1 Q Do you recognize any of the information on this page,</p> <p>2 the excerpt from the spreadsheet as being information based on a</p> <p>3 contact with Mr. Heffernan?</p> <p>4 A I don't, but I think they are two distinctly different</p> <p>5 exercises.</p> <p>6 Q So the answer is no?</p> <p>7 A No.</p> <p>8 THE COURT: See.</p> <p>9 Q You would agree with me that your answer is no,</p> <p>10 correct?</p> <p>11 A It couldn't be because they are two totally different</p> <p>12 subject matters and --</p> <p>13 THE COURT: The document speaks -- it doesn't</p> <p>14 speak for itself. It doesn't say Heffernan. Do you want</p> <p>15 to --</p> <p>16 Q The question is whether you recognize any of these</p> <p>17 figures as figures that would have come from Mr. Heffernan? Do</p> <p>18 you, yes or no?</p> <p>19 A I don't recognize those figures to begin with, so I</p> <p>20 would not be able to answer that question.</p> <p>21 THE COURT: We'll take that to be a no.</p> <p>22 MR. AMER: Yes.</p> <p>23 Q Do you recall that about a year and-a-half later, so in</p> <p>24 mid 2014, you reached out to David McArdle of Cushman &amp;</p> <p>25 Wakefield to start the ball rolling on getting a preliminary</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3350</p> <p>1 value from him for an easement donation on Seven Springs?</p> <p>2 A I do. I remember David McArdle slightly better. It is</p> <p>3 a vague recollection, but I remember that David was with</p> <p>4 Cushman, yes.</p> <p>5 MR. AMER: Let's look at Plaintiff's Exhibit 3330</p> <p>6 for identification.</p> <p>7 Q This is your e-mail to Mr. McArdle in June of 2014.</p> <p>8 The subject is "Seven Springs" and you indicate it was great</p> <p>9 speaking to him earlier. So you had a conversation with Mr.</p> <p>10 McArdle?</p> <p>11 A It appears so, yes.</p> <p>12 Q And you're making arrangements in this e-mail to have</p> <p>13 him come and inspect the property; is that right?</p> <p>14 A Yes. I was setting him up with your general manager to</p> <p>15 inspect the property. I believe Sheri retained him just prior</p> <p>16 to this.</p> <p>17 Q And the reason for setting up an inspection of the</p> <p>18 property was for him to move forward with an appraisal for an</p> <p>19 easement donation, correct?</p> <p>20 A That's my understanding, yes.</p> <p>21 MR. AMER: I move to admit this document.</p> <p>22 MR. ROBERT: Objection. Statute of limitations.</p> <p>23 THE COURT: Overruled. It is in.</p> <p>24 (Whereupon, the Document was marked in evidence as</p> <p>25 Plaintiff's Exhibit 3330.)</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3352</p> <p>1 we could target -- if you could target June 17th for his</p> <p>2 inspection and you in the top e-mail forward that on to Debbie</p> <p>3 and you say -- you ask her if this would work for an hour or so</p> <p>4 and then you say, "I'll call to give you the details." Let me</p> <p>5 just stop right there.</p> <p>6 Can we agree, then, that you had details with respect</p> <p>7 to what needed to happen with the inspection?</p> <p>8 A Yes. I would have had to tell the person who is</p> <p>9 running our property generally the purpose for the visit.</p> <p>10 Q And you knew the details as of this point in time,</p> <p>11 correct?</p> <p>12 A This was probably very preliminary at the point, but</p> <p>13 yes, I would have said that he's an appraiser coming up to the</p> <p>14 property, please tour the person around.</p> <p>15 Q You go on to say that you'll do your best to make it to</p> <p>16 the inspection as well, correct?</p> <p>17 A That's correct.</p> <p>18 Q So we can agree that you deemed it sufficiently</p> <p>19 important for you to take time out of your schedule to do your</p> <p>20 best to attend the inspection that Mr. McArdle was going to</p> <p>21 conduct, right?</p> <p>22 A If it was extremely important, I would have said I will</p> <p>23 make it as opposed to do my best to make it; but yes, if I was</p> <p>24 free and was able to attend, I would have. I would have joined.</p> <p>25 Q Well, not if you were free, but you'll do your best to</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3351</p> <p>1 Q And you did, in fact, arrange for your general</p> <p>2 manager -- is her name pronounced Deb?</p> <p>3 A Debbie, yes. I passed Mr. McArdle off to Debbie who</p> <p>4 I'm sure gave him a property tour.</p> <p>5 Q This was for the purpose of having him come up with a</p> <p>6 preliminary value; is that right?</p> <p>7 A You would have to ask Sheri Dillon. She's definitely</p> <p>8 closer to the details of this than me, but that would be my</p> <p>9 assumption, yes.</p> <p>10 Q I realize we could ask questions to a lot of people,</p> <p>11 but I'm asking them to you. I just want your best recollection.</p> <p>12 A It would be my best recollection, yes.</p> <p>13 Q Thank you.</p> <p>14 MR. AMER: Let's go ahead and mark Exhibit 3331 for</p> <p>15 identification.</p> <p>16 Q And this is a series of e-mail exchanges beginning with</p> <p>17 the one we looked at before between you and Mr. McArdle, right?</p> <p>18 A Yes.</p> <p>19 MR. AMER: I move to admit this into evidence, Your</p> <p>20 Honor.</p> <p>21 MR. ROBERT: Statute of limitations.</p> <p>22 THE COURT: Overruled. It is in.</p> <p>23 (Whereupon, the Document was marked in evidence as</p> <p>24 Plaintiff's Exhibit 3331.)</p> <p>25 Q Mr. McArdle, in the middle e-mail responds by asking if</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3353</p> <p>1 try and make yourself free to attend the inspection, right?</p> <p>2 A We'll agree. If I was free, I would have done my best</p> <p>3 to make it.</p> <p>4 Q Let's go ahead and look at Plaintiff's Exhibit 169 in</p> <p>5 evidence. This document is an -- we had testimony from Mr.</p> <p>6 McArdle, this was an internal e-mail and he says -- this is</p> <p>7 September 8, 2014 -- in the second sentence, "I have completed</p> <p>8 the research and all verbal consulting."</p> <p>9 Do you see that?</p> <p>10 A Yes, I see that.</p> <p>11 THE WITNESS: Your Honor, I don't mean -- if</p> <p>12 they're struggling, I can see it right there.</p> <p>13 THE COURT: Tommy and Mike, I have it on the</p> <p>14 screen. It is already in evidence.</p> <p>15 THE WITNESS: Guys, don't worry about it.</p> <p>16 THE COURT: Thanks. The screen version is better</p> <p>17 because you get all the highlights sometimes. By the way,</p> <p>18 my favorite words in this trial are "already in evidence,"</p> <p>19 so we don't have to fight about whether something is</p> <p>20 admissible or not.</p> <p>21 MR. ROBERT: I think mine, too.</p> <p>22 Q So we can agree that by September 8, 2014, Mr. McArdle</p> <p>23 had completed his consulting on this engagement, right?</p> <p>24 A I have no reason to doubt Mr. McArdle.</p> <p>25 Q And so by that date, you would have received verbally</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3354</p> <p>1 from Mr. McArdle his preliminary value for the potential 2 easement donation, right? 3 A I don't remember. 4 Q Well, if he completed his consulting, you would have 5 received verbally his assessment by that date because that was 6 part of the consulting engagement, wasn't it? 7 A I don't know if it would have been done with me at the 8 end -- Sheri really ran the engagement with Mr. McArdle, so I 9 couldn't tell you. 10 Q So either you or your agent Ms. Dillon had received 11 verbally from Mr. McArdle his preliminary value as of 12 September 8, 2014 according to this e-mail, yes? 13 A Yes. 14 Q And am I correct that shortly after September 8, 2014, 15 you decided to have Mr. McArdle proceed with a formal written 16 appraisal for the potential easement donation; is that right? 17 A I truthfully don't remember. 18 Q Let's go ahead and look at Exhibit 3188 in evidence. 19 You'll see that this is a series of e-mails among you, Mr. 20 McArdle and Ms. Dillon. I'm just going to walk you through some 21 of them. 22 The first e-mail in the chain, which is on the bottom 23 of page two, is from you to Mr. McArdle and Ms. Dillon asking 24 about their schedule to set up a call and this is on August 11, 25 2014. Do you see that?</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3356</p> <p>1 draft appraisal report from Mr. McArdle, correct? 2 A That sounds correct, yes. 3 Q And we can agree, then, that after the verbal 4 consulting, you had decided to move forward with having Mr. 5 McArdle actually draft a formal appraisal, right? 6 A I believe that's the case, yes. 7 MR. AMER: Let's go ahead and mark for 8 identification Exhibit 3327. We just need to get the right 9 exhibit up. 10 Q So this is a calendar invite that you send back in July 11 setting a date for the Seven Springs appraisal being due of 12 8/15/2014, correct? 13 A It is very consistent with my OCD personality, yes. 14 Q So that's why you expected that Sheri Dillon would have 15 received the report by the 18th because you had already 16 calendared it for the 15th of August, correct? 17 A I would assume that's a milestone that she set out and 18 we calendared the date, yes. 19 Q Then if you look at the second page of this exhibit, 20 this is Mr. McArdle accepting that calendar invite, right? 21 A It appears to be, yes. 22 Q And so that's why you had an expectation that by the 23 time of your call on August 18th, the appraisal would be in 24 hand, the draft appraisal, right? 25 A Presumably, yes.</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3355</p> <p>1 A I do. 2 Q And then the top of the page is Ms. Dillon's e-mail 3 back to you and Mr. McArdle with her date preference, right? 4 A Yes. 5 Q And on the first page of the exhibit, the bottom e-mail 6 is from Mr. McArdle with his date preference. Do you see that? 7 A I do. 8 Q And then finally, the top e-mail is from you setting a 9 meeting for the following Monday which based on the fact that 10 you're sending this Monday, August 11th, would be August 18th, 11 right? 12 A Presumably. 13 Q I think the Court can take judicial notice that -- 14 A I'll take your word for it. 15 Q -- the next Monday -- 16 A I'll take your word for it. It sounds right. 17 Q -- is August 18th. You indicate you will -- "I will 18 send around a calendar invite"? 19 A Yes. 20 Q In the second sentence of your e-mail, "Sheri, by that 21 point, ideally, you will have seen the draft appraisal." 22 Do you see that? 23 A I do. 24 Q So your expectation was that sometime between 25 August 11th and August 18th, Ms. Dillon would have received the</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3357</p> <p>1 MR. AMER: Let's go ahead and put up Plaintiff's 2 Exhibit 3206 in evidence. 3 Q This is the calendar invite for the call on the 18th 4 that we previously saw had been scheduled the week before, 5 right? 6 A I don't remember much about this, but it looks to be 7 correct. 8 Q That's a calendar invite you sent, yes? 9 A It looks to be, yes. 10 Q Okay. And you titled the subject "Seven Springs 11 valuation call," right? 12 A I did. 13 Q So we can agree that the purpose of the call was to 14 discuss the Seven Springs valuation that Mr. McArdle was coming 15 up with, right? 16 A That seems to make sense. I don't remember much about 17 any of these details, but I presume that's correct, yes. 18 MR. AMER: Your Honor, I'm not sure if I moved in 19 evidence 3327, so I'll do that now. That was the prior 20 document. 21 MR. ROBERT: Statute of limitations. 22 THE COURT: Overruled. It is in. 23 (Whereupon, the Document was marked in evidence as 24 Plaintiff's Exhibit 3327.) 25 Q And do you recall that in this time frame, you signed a</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3358</p> <p>1 formal engagement letter with Cushman for Mr. McArdle to provide 2 a written appraisal for the potential conservation easement over 3 Seven Springs? 4 A It sounds like that's something that we would have 5 done, yes. 6 MR. AMER: Let's go ahead and look at Plaintiff's 7 Exhibit 133 in evidence. 8 Q You will see that this is an engagement letter 9 addressed to you dated September 15, 2014 and you -- if you 10 turn to page 6 of 8, is that your signature agreeing to this 11 engagement letter? 12 A Yes, it is. 13 Q And you sign it on September 18, 2014, correct? 14 A That's correct, yes. 15 Q And on page one of the engagement letter, the type of 16 opinion and rights appraised says "fair market value of a 17 conservation easement," correct? 18 A Yes, that was the exercise at hand. 19 Q Let's go ahead and mark for identification Plaintiff's 20 Exhibit 3189. You'll see these are e-mail exchanges between 21 you, Mr. McArdle and Ms. Dillon, and I'll represent to you that 22 all of the exchanges are ones we've seen before in the prior 23 exhibits except for the one at the very top, which is from you 24 to Mr. McArdle dated August 18, 2014, the date of the valuation 25 call.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3360</p> <p>1 Q The comp is 168 Hook Road, Bedford, New York. Let's 2 ahead and put up Exhibit 3190 for identification. 3 3190, same e-mail string except for a different e-mail 4 at the very top. You're forwarding to Mr. McArdle now a Zillow 5 listing for a 72 Guard Hill Road, Bedford Corners, New York. 6 Do you see that? 7 A I do. 8 Q Same day, a second comp that you're forwarding to Mr. 9 McArdle for his consideration, correct? 10 A Clearly, I was trying to show them some data point that 11 I thought they would think was relevant, yes. 12 MR. AMER: Your Honor, I move to admit this into 13 evidence. 14 MR. ROBERT: Statute of limitations. 15 THE COURT: Overruled. It is in, and five-minute 16 warning. 17 (Whereupon, the Plaintiff was marked in evidence as 18 Plaintiff's Exhibit 3190.) 19 MR. AMER: Let's go ahead and put up Exhibit 3207 20 for identification. 21 Q Mr. Trump, this is another calendar invite you send to 22 Ms. Dillon and Mr. McArdle with the subject "call Seven 23 Springs." 24 Do you see that? 25 A I do.</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3359</p> <p>1 Do you see that? 2 A Yes, I do. 3 Q And you can just look, the prior e-mails have just the 4 back and forth setting up the date preference for the call. 5 Do you recognize those? 6 A Yes. 7 Q And in the top e-mail from you to Mr. McArdle is 8 forwarding along a Zillow listing; is that right? 9 A Yes, that appears to be a Zillow listing. 10 Q And you're sending Mr. McArdle a comp for him to 11 consider in connection with the appraisal engagement; is that 12 right? 13 A I don't have this at this point, but it was some data 14 point that I thought was maybe relevant to whatever the exercise 15 at hand ultimately was. 16 Q Well, let me just make sure we're on the same page. Do 17 you agree that what you're forwarding is a comp for Mr. McArdle 18 to consider in connection with his appraisal engagement on Seven 19 Springs, yes or no? 20 A Yes. 21 MR. AMER: I move to admit this, Your Honor. 22 MR. ROBERT: Statute of limitations. 23 THE COURT: Overruled. It is in. 24 (Whereupon, the Document was marked in evidence as 25 Plaintiff's Exhibit 3189.)</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3361</p> <p>1 Q And this was a call that you scheduled for August 25, 2 2014? 3 A Yes. 4 Q Do you recall a few weeks after the scheduled date of 5 this call you decided to terminate the engagement with Mr. 6 McArdle without getting a final appraisal report? 7 A That could be accurate. I, again, have very little 8 recollection of all of this maybe because it was terminated, but 9 I'll take your word for it. 10 Q Well, let's confirm the date. So let's go ahead and 11 look at Plaintiff's Exhibit 185 in evidence, and this is an 12 e-mail from Ms. Dillon to Mr. McArdle dated Monday, October 6, 13 2014. 14 Do you see that? 15 A I do. 16 Q And Ms. Dillon confirms that there's been a mutual 17 agreement to terminate the engagement as of that date, right? 18 A That's what this says, yes. 19 Q That would have been something that you would have 20 authorized her to do, right? 21 A I see no reason to believe that Sheri and I wouldn't 22 have had a conversation about that. 23 Q Well, more than that you had a conversation, but that 24 you actually authorized her as your attorney to terminate the 25 engagement as of this date?</p>

E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3362

1 A Presumably she was much closer to this than me. I just  
2 don't have a recollection of this sitting here today.  
3 Q Well, would you agree with me that Ms. Dillon would not  
4 have the authority to terminate the engagement without the  
5 approval to do so from her client?  
6 A I imagine she told somebody. Again, I just don't have  
7 a recollection.  
8 Q Okay. Let me try again because that wasn't my  
9 question. I'm just trying to confirm that Ms. Dillon would not  
10 have had the authority to terminate the engagement without  
11 getting authority to do so from her client; is that right?  
12 A Yes. If she made a recommendation, we would follow it;  
13 but yes, I think that's right.  
14 Q Well, she's the one who has to follow your direction,  
15 not the other way around, because she's the lawyer and you're  
16 the client, right?  
17 A She was the one running this process, but yes, fair  
18 enough. I think you and I are --  
19 THE COURT: By the --  
20 A -- in agreement.  
21 THE COURT: By the way, that was another speech.  
22 The question was very simple. Would Sheri Dillon have  
23 terminated the engagement without authority from the client,  
24 yes or no? You said she would not have. Of course, we all  
25 know she would not have. You don't have to give a speech

1 after that.  
2 Q Mr. Trump, just to close the loop, based on your  
3 testimony earlier that a donation was made in 2015, do you  
4 recall that Cushman was re-engaged to complete the appraisal  
5 report the following year?  
6 A Yes, I believe that's the case.  
7 MR. AMER: I'm going to try and see if I can get  
8 one more document in before we have to go. Actually, let me  
9 move to admit Exhibit 3207, Your Honor.  
10 MR. ROBERT: Statute of limitations.  
11 THE COURT: Overruled. It is in evidence.  
12 (Whereupon, the Document was marked in evidence as  
13 Plaintiff's Exhibit 3207.)  
14 Q Let's quickly look at Exhibit 3328. Mr. Trump, you'll  
15 see that this is an e-mail -- the top e-mail is from you to a  
16 number of people within the Trump Organization as well as Ms.  
17 Dillon, right?  
18 A That's correct.  
19 Q And this is dated May 29, 2015, yes?  
20 A Yes, it is.  
21 Q And you have some follow-up items that you list in your  
22 e-mail to this team, correct?  
23 A Yes.  
24 Q The item you list for Ms. Dillon is finalized Seven  
25 Springs appraisal, correct?

Page 3364

1 A Yes.  
2 Q So does this refresh your recollection that sometime in  
3 2015, you re-engaged Mr. McArdle to -- or Cushman & Wakefield  
4 to finalize the appraisal report for the easement donation?  
5 A Yes, it does.  
6 MR. AMER: I move to admit this exhibit in  
7 evidence.  
8 MR. ROBERT: Statute of limitations.  
9 THE COURT: Overruled. If you want another five  
10 minutes, okay, or you want to break right now?  
11 MR. AMER: I think I have a little more on this,  
12 but let's take our break.  
13 THE COURT: Back at 3:35, everyone.

1 THE COURT OFFICER: All rise. Part 37 is back in  
2 session. Please be seated and come to order.  
3 THE COURT: Right on time. I like to run a tight  
4 ship. Okay. Let's continue with the questions.  
5 MR. AMER: Thank you, Your Honor.  
6 Q Let's go ahead and put up Plaintiff's Exhibit 719 which  
7 is the supporting data spreadsheet and I'd like to focus you on  
8 Row 660 and this is just to close the loop on the Seven Springs  
9 easement donation time frame in relation to the calls that  
10 Mr. McConney was discussing was indicating in his note.  
11 If you look at 660, that's the note that refers to his  
12 conversation with you on September 12, 2014. Do you see that?  
13 A I do, yes.  
14 Q And we can agree that that is in the time frame of when  
15 you were working with Ms. Dillon and Mr. McArdle to get a  
16 valuation for Seven Springs for the easement donation; correct?  
17 A It appears to be, yes.  
18 Q And this -- and it's after your August 18th valuation  
19 call; correct?  
20 A I've already told you I didn't provide values. I see  
21 nothing wrong with the values, but I didn't provide values.  
22 I've testified pretty extensive to that.  
23 Q That was not my question at all. My question was the  
24 note about Mr. McConney's conversation with you in September of  
25 2014, that was after the August 18, 2014 valuation call that we

<p>E. Trump - Plaintiff - direct (Amer) Page 3366</p> <p>1 looked at you had scheduled; correct?</p> <p>2 A It appears the dates were kept that way, yes.</p> <p>3 Q Can we agree that Mr. McArdle's valuation was</p> <p>4 disregarded for purposes of valuing the Seven Springs property</p> <p>5 in 2014; yes or no?</p> <p>6 A I'm very confused to that question. I think you need</p> <p>7 to be much more specific. Is this the 2014 valuation that was</p> <p>8 never concluded? Is this the valuation that was concluded?</p> <p>9 Q The Statement of Financial Condition valuation in 2014</p> <p>10 that comes to a value of \$291 million, can we agree that</p> <p>11 Mr. McArdle's valuation in connection with the easement donation</p> <p>12 engagement that he was doing was disregarded for purposes of</p> <p>13 coming up with that \$291 million; yes or no?</p> <p>14 A No. The exercises are apples and oranges. They have</p> <p>15 nothing to do with one another.</p> <p>16 Q That seems to be a yes to me because the question was</p> <p>17 whether Mr. McArdle's work was being disregarded for purposes of</p> <p>18 this value. You're telling me that it was apples and oranges.</p> <p>19 Is that your testimony?</p> <p>20 MR. ROBERT: Objection, Your Honor. He's asking</p> <p>21 whether it was disregarded which presupposes it should have</p> <p>22 been regarded. If he wants to say is that the same number,</p> <p>23 that's a simple question that can be answered yes or no, but</p> <p>24 to suggest it's discarded meant it should have been used.</p> <p>25 THE COURT: Disregarded, not discarded.</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3368</p> <p>1 that?</p> <p>2 A Yes.</p> <p>3 Q And do you see that Rows 277 to 281 show a profit</p> <p>4 calculation for the sale of 71 mid rise units approved but put</p> <p>5 on hold?</p> <p>6 A I do, yes.</p> <p>7 Q And you're familiar with the plan to develop the 71 mid</p> <p>8 rise units on the property?</p> <p>9 A I am.</p> <p>10 Q And you had some involvement in developing those plans;</p> <p>11 is that right?</p> <p>12 A No. Those plans predated me, but I am aware of them.</p> <p>13 Q Well, did you have involvement in working on the</p> <p>14 project to develop the 71 mid rise units?</p> <p>15 A They were zoned before I came into the company.</p> <p>16 Q And as of 2014 it was put on hold; right?</p> <p>17 A Yes. We retained the zoning, but it was put on hold.</p> <p>18 Q Let's look at Plaintiff's Exhibit 157, which is in</p> <p>19 evidence already. If you look at page three of this exhibit</p> <p>20 you'll see there is an e-mail from Mr. McArdle to you on</p> <p>21 August 6, 2013. See that?</p> <p>22 A Yes, I do.</p> <p>23 Q And he's referencing a revised appraisal proposal and</p> <p>24 says "hope this works for you and we can move forward." Do you</p> <p>25 see that?</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3367</p> <p>1 MR. ROBERT: Disregarded.</p> <p>2 MR. AMER: Either they took it into account or they</p> <p>3 disregarded it. Those seem to me to be the two obvious</p> <p>4 choices, so my question is whether he agrees that the</p> <p>5 McArdle valuation was disregarded for purposes of coming up</p> <p>6 with the \$291 million figure in the Statement of Financial</p> <p>7 Condition. That's the question I'd like answered.</p> <p>8 THE COURT: Objection sustained.</p> <p>9 Q Mr. Trump, to your knowledge, did you ever forward to</p> <p>10 Mr. McConney or tell Mr. McConney anything about Mr. McArdle's</p> <p>11 valuation?</p> <p>12 A I would have never have thought to, no.</p> <p>13 Q So the answer is you did not?</p> <p>14 A I didn't -- no, I did not. I would have never thought</p> <p>15 to because I didn't work on this document.</p> <p>16 THE COURT: The short answer is no, you didn't do</p> <p>17 it. You don't have to explain why.</p> <p>18 Q I'd like to turn now to Briarcliff. You're familiar</p> <p>19 with Trump National Golf Club in Briarcliff Manor, yes?</p> <p>20 A Yes.</p> <p>21 Q Can we refer to that for short as Briarcliff?</p> <p>22 A Absolutely.</p> <p>23 Q Let's go ahead and keep up 719, which is the 2014 Jeff</p> <p>24 Supporting Data spreadsheet and look at Row 267.</p> <p>25 And this begins the section on Briarcliff. Do you see</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3369</p> <p>1 A I do.</p> <p>2 Q And this was to move forward with an appraisal to</p> <p>3 estimate the value of the 71 units we were just talking about;</p> <p>4 right?</p> <p>5 A It appears so, yes.</p> <p>6 Q And the bottom of page two of this exhibit is your</p> <p>7 response to him; right?</p> <p>8 A Yes.</p> <p>9 Q And you write, "good morning, David. Attached please</p> <p>10 find the assigned proposal. I'm in the process of sending you</p> <p>11 the retainer of 6,250 by separate cover. I will send you all</p> <p>12 the information on 71 units."</p> <p>13 So you had -- you were gathering whatever information</p> <p>14 he needed for his engagement to value the 71 units; right?</p> <p>15 A It appears to be, yes.</p> <p>16 Q And you are calendaring two dates that you are hoping</p> <p>17 Mr. McArdle can actually beat which is Phase 1 date of</p> <p>18 September 6th and a Phase 2 date of September 27th, the final</p> <p>19 report; right?</p> <p>20 A Yes, sir.</p> <p>21 Q Let's go ahead and look at Exhibit 3195 in evidence. I</p> <p>22 think we spoke already about Bob Leonard, he's an attorney, at</p> <p>23 Bingham. Do you recall that?</p> <p>24 A Very vaguely.</p> <p>25 Q And he writes to Mr. McArdle -- well, let me backup.</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3370</p> <p>1 Bingham was again acting as counsel for the Trump 2 Organization in connection with engaging Mr. McArdle to do the 3 valuation for the 71 units; is that right? 4 A Yes, Sheri Dillon at Bingham was counsel. 5 Q And he writes to Mr. McArdle in August -- I'm sorry, 6 September of 2013 -- I'm sorry. This is the other way around. 7 It's from Mr. McArdle to Mr. Leonard and he says, "Bob, I spoke 8 with Eric yesterday and agreed to perform a discounted cash flow 9 analysis reflecting a build-out scenario." 10 Do you recall discussing with Mr. McArdle the need to 11 perform a discounted flow -- discounted cash flow analysis 12 reflecting a build-out/sellout scenario for the 71 units? 13 A Not off the top of my head, no. 14 Q Do you have any reason to believe that Mr. McArdle is 15 inaccurately describing his discussion with you the day before 16 he sends this e-mail? 17 A Absolutely not. 18 Q Do you agree that estimating the current value for the 19 profit to be realized from selling the 71 units requires 20 performing a discounted cash flow analysis? 21 A I wouldn't be familiar with the methodology. 22 Q Wasn't my question. 23 A Meaning so I think the answer is no to your question. 24 I wouldn't be familiar with the methodology, so not necessarily. 25 Q Well, do you have an understanding -- well, you had an</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3372</p> <p>1 Do you recall that you were going to get comps to pass 2 along to Mr. McArdle to help with the pricing of the 71 3 residential units? 4 A I don't. Cushman &amp; Wakefield would certainly have more 5 brokers than we do. 6 Q Well, when you -- when he indicates that you will be 7 providing support from your brokers, meaning you -- 8 A Support. That's possible, yes. 9 Q Okay. He's talking about your brokers, not his 10 brokers; right? 11 A Yes. We didn't have any brokers on the project at that 12 point, so I'm a little bit confused by what he's saying there, 13 but -- 14 Q Well, you had an in-house realty group called Trump 15 International Realty, didn't you? 16 A We did with main presence here in New York, but fair 17 enough. I'm not discounting your point. 18 Q Do you recall that you had that group look for comps in 19 the area to provide to Mr. McArdle? 20 A I do not off the top of my head. 21 Q And in the next sentence he says that -- actually, two 22 sentences down, he says he's going to move forward with the 23 discounted cash flow analysis and looks forward to the pricing 24 and cost estimates from your team. Do you see that? 25 A Yes.</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3371</p> <p>1 understanding at the time that Mr. McArdle was going to do a 2 discounted cash flow analysis reflecting the build-out/sellout 3 scenario; right? 4 A Yes. 5 Q And is it your testimony sitting here today that you 6 don't know one way or the other whether it was necessary to do 7 such an analysis for this project that was currently on hold and 8 would generate cash flow in the future? 9 A I would not know, no. 10 Q Would you agree at least that you understood that that 11 was something that Mr. McArdle thought was necessary at the 12 time? 13 A I would have left that to Mr. McArdle. He's from 14 Cushman and clearly knows that field very well. 15 Q Okay. But you understood based on your conversation 16 with him that that was something that he was going to do; 17 correct? 18 A It looks like it from the e-mail, yes. 19 Q Okay. Let's go ahead and look at Exhibit 3204 in 20 evidence. This is an e-mail dated September 13, 2013 from 21 Mr. McArdle to you relating to the Briarcliff 71 units; right? 22 A Yes, it appears that way. 23 Q And he writes: "This is a follow up to confirm that 24 you will be providing support from your brokers for the 25 potential pricing of the 71 residential units."</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3373</p> <p>1 Q Let's go ahead and look at Exhibit 3202, which is 2 already in evidence. 3 Now, the bottom e-mail is from Kathy Kaye to you dated 4 September 24, 2013. Ms. Kaye was in the Trump International 5 Realty Group; correct? 6 A That's correct. 7 Q And she says "please see the attached for your review 8 and comments." And then if you flip the page you'll see she is 9 attaching some listings from West -- from Westchester closings. 10 Do you see that? 11 A I do. 12 Q Does it appear then that you had Ms. Kaye from the 13 Trump International Realty Group pull together some comps for 14 you to then pass along to Mr. McArdle? 15 A Yes, it does. 16 Q And you do, in fact, forward the comps to Mr. McArdle 17 in the e-mail above; right? 18 A Yes. 19 Q Let's look at Exhibit 3201 already in evidence. 20 You'll see the bottom of page one is an e-mail from 21 Mr. McArdle to you dated September 30, 2013, yes? 22 A Yes. 23 Q And he says to you "I'm prepared to share my valuation 24 and conclusions with you. Are you available to talk this 25 afternoon or tomorrow morning." And then you can respond you</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3374</p> <p>1 can do 3:30. He says "perfect, I will call you." 2 And so do you recall that you had a conversation in 3 this time frame with Mr. McArdle where he shared with you his 4 valuation conclusions for the 71 units at Briarcliff? 5 A I do not recall. 6 Q Do you have any reason to doubt that that call happened 7 as indicated in the e-mail exchange? 8 A I don't want to speculate. It very well could have -- 9 I just don't know sitting here ten years later. 10 Q Well, do you have any recollection of anything that 11 happened that to your knowledge would have prevented that call 12 from going forward? 13 A I have very little recollection on this whole subject, 14 so no. 15 Q Then the top e-mail is from Mr. McArdle to you on 16 October 16, 2013 confirming his conversations with Ms. Dillon to 17 finish but hold off sending the appraisal until further notice; 18 right? 19 A Yes. 20 Q Okay. Let's go ahead and look at Exhibit 1465, which 21 is already in evidence. Page two of this e-mail, the top is an 22 e-mail from Ms. Dillon to you -- to Mr. McArdle. Sorry. 23 Do you see that? 24 A Yes, I do. 25 Q And she says in her e-mail to Mr. McArdle, "I spoke to</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3376</p> <p>1 bottom e-mail is the one from Ms. Kaye sending the comps. 2 Do you see that? 3 A Yes, I do. 4 Q And her e-mail to you is dated September 24, 2013. So 5 that's the day before the call noted by Mr. McConney with you 6 about the sellout being based on comps in the area. Do you see 7 that? 8 A Yes. 9 Q So can we agree that that information was information 10 that you provided to Mr. McConney based on what you had received 11 from Ms. Kate and passed along to Mr. McArdle? 12 A Not necessarily the dates. 13 Q The dates do line up, though, that the day before you 14 had this call with Mr. McConney, you got the comps from Ms. 15 Kaye; right? 16 A Yes, it seems like these are again totally -- 17 THE WITNESS: I want to respect Your Honor. I 18 think this one needs just -- 19 THE COURT: Go ahead. 20 THE WITNESS: I'll respect -- 21 A These are two totally different exercises, one of which 22 I wasn't involved in clearly. It says asterisk 9/25/2013 per 23 telephone conversation with Eric Trump sale of 71 mid rise units 24 with that asterisk. And yes I think those numbers are very well 25 supportable, but this is totally different exercise. This has</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3375</p> <p>1 Eric and he is aware that the more supportable value at this 2 point is around 45 million." Do you see that? 3 A I do. 4 Q And then at the very end of that paragraph she says 5 "Eric was pleased with the number." Do you see that? 6 A I see that, yes. 7 Q Do you recall learning by October 16, 2013 of 8 Mr. McArdle's value of 45 million understanding that that was 9 the more supportable value in being pleased with that number; 10 yes or no? 11 A I don't recall. 12 Q Do you have any reason to doubt that what Ms. Dillon 13 reports in this e-mail is accurate? 14 A No, I don't. I don't Ms. Dillon. 15 Q Okay. The decision in mid October to have Mr. McArdle 16 hold off on sending the appraisal, was that your decision? 17 A It could have been. 18 Q Let's put up 719, the Jeff Supporting Data spreadsheet 19 for 2014 and let's look at Row 284. 20 Mr. McConney notes here, 9/25/2013 per telephone 21 conversation with Eric Trump "sellout is based on comps in the 22 area." Do you see that? 23 A I do. 24 MR. AMER: And if we could split the screen with 25 Plaintiff's Exhibit 3202? And you'll see -- that's the</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3377</p> <p>1 to do with a conservation easement and that has to do with 2 saleable square footage in incredibly luxurious units that would 3 be built on a golf course. I'm trying to draw a parallel for 4 you because I think you're conflating two very different topics 5 and -- 6 Q Are you done? I just don't want to interrupt you. 7 THE COURT: He meant that seriously. It wasn't a 8 dig at all. 9 A I'm just trying to be as transparent as I possibly can 10 that two completely different things, but yes. 11 Q Okay. The note by Mr. McConney involved the 12 conversation with you, yes? 13 A The asterisk is next to the asterisk, but yes, I'll 14 concede. 15 Q And that same note says "sellout is based on comps in 16 the area." Yes? 17 A It says "sellout is based on comps in the area." 18 Q And the day before you received an e-mail from Ms. Kaye 19 of the Trump International Realty Group providing comps which 20 you then forwarded on to Mr. McArdle in connection with the 71 21 unit easement donation engagement; yes or no? 22 A Yes. 23 Q And we just looked at the fact that you -- that there 24 was a decision to have Mr. McArdle hold off on sending the 25 appraisal and that was as of October 19th or 16th of 2013.</p>

E. Trump - Plaintiff - direct (Amer)	Page 3378	E. Trump - Plaintiff - direct (Amer)	Page 3380
<p>1 MR. AMER: We could put up 3201 just to confirm the</p> <p>2 date and let's keep up -- sorry -- the spreadsheet. Right.</p> <p>3 Q So October of 2013 there is a decision to have</p> <p>4 Mr. McArdle hold off sending the appraisal; right?</p> <p>5 A Yes.</p> <p>6 Q Was the decision to have Mr. McArdle hold off on</p> <p>7 sending the appraisal an effort to delay the creation of that</p> <p>8 document until after the 2013 statement was issued?</p> <p>9 A No.</p> <p>10 MR. AMER: Let's go ahead and pull up the 2017 Jeff</p> <p>11 Supporting Data spreadsheet, which is Plaintiff's</p> <p>12 Exhibit 742 in evidence and let's go to note 295.</p> <p>13 Q And this note says "November 17, 2015. Per telephone</p> <p>14 conversation with Eric Trump, leave value as is." Do you see</p> <p>15 that?</p> <p>16 A I do.</p> <p>17 Q Do you have any reason to doubt the accuracy of</p> <p>18 Mr. McConney's note about this telephone conversation with you?</p> <p>19 A Not at all.</p> <p>20 Q So you instructed Mr. McConney to leave the value as is</p> <p>21 in this call; correct?</p> <p>22 A Very likely nothing had changed on the project between</p> <p>23 those two years.</p> <p>24 Q And you gave this instruction to leave the value as is</p> <p>25 at a point in time where you were already made aware of</p>		<p>1 reviewing, would you agree that you conferred on multiple</p> <p>2 occasions with Mr. McArdle in connection with appraisal</p> <p>3 engagements for Seven Springs and Briarcliff; yes or no?</p> <p>4 A Yes.</p> <p>5 Q I'm going to play you some testimony from your</p> <p>6 deposition and then ask you some questions about it. It's</p> <p>7 page 198, line 10 to 199, line 20.</p> <p>8 (Whereupon, there is a pause in the proceedings.)</p> <p>9 MR. AMER: Can we put up the text of that video</p> <p>10 clip, please? Let's go to page 199.</p> <p>11 Q So this is from what we just played and I want to focus</p> <p>12 on your testimony starting at line six on this page that you</p> <p>13 really hadn't been involved in appraisal work on the Seven</p> <p>14 Springs property.</p> <p>15 Mr. Trump, will you concede that your testimony was</p> <p>16 incorrect; yes or no?</p> <p>17 A I really hadn't been involved in the appraisal work on</p> <p>18 that property. No. I think that's an accurate statement.</p> <p>19 Sheri Dillon handled the vast majority of the appraisal work.</p> <p>20 Clearly, I made an introduction to our property manager.</p> <p>21 Clearly, I was on a few phone calls, but that was a six-month</p> <p>22 long process and you've pointed out four interactions that I</p> <p>23 had. I would stand by the statement that I don't remember</p> <p>24 McArdle well and certainly I was aware of it, but I don't think</p> <p>25 I was the main person involved or even considered very involved.</p>	
E. Trump - Plaintiff - direct (Amer)	Page 3379	E. Trump - Plaintiff - direct (Amer)	Page 3381
<p>1 Mr. McArdle's \$45 million valuation for his appraisal</p> <p>2 engagement; yes or no?</p> <p>3 A No.</p> <p>4 Q So are you saying that as of November 17, 2015 -- well,</p> <p>5 we've established that as of November 17, 2015 you did know that</p> <p>6 Mr. McArdle had come up with a value of 45 million; right? Yes?</p> <p>7 A Yes.</p> <p>8 Q Okay. And that was knowledge you had when you told</p> <p>9 Mr. McConney in this call to leave the value as is; yes or no?</p> <p>10 A No.</p> <p>11 Q Well, you had the knowledge then you had the call.</p> <p>12 Isn't that right?</p> <p>13 A I've testified pretty extensively to the fact that I've</p> <p>14 never seen this document. And second of all, they're totally</p> <p>15 different exercises.</p> <p>16 Q It's really not my question, Mr. Trump. I'm trying</p> <p>17 just to establish that you had a particular piece of knowledge</p> <p>18 prior to the date of this call. I think we've agreed that prior</p> <p>19 to November 17, 2015 you were aware of Mr. McArdle's \$45 million</p> <p>20 value; yes?</p> <p>21 A Yes.</p> <p>22 Q Let's leave it at that because I think the dates are</p> <p>23 things that the Court can take judicial notice of.</p> <p>24 THE COURT: The dates will speak for themselves.</p> <p>25 Q Now, Mr. Trump, based on all the e-mails we've been</p>		<p>1 MR. KISE: So, Your Honor --</p> <p>2 Q I didn't ask about main person.</p> <p>3 MR. AMER: What's your objection because I --</p> <p>4 MR. KISE: Can I say it first?</p> <p>5 MR. AMER: No because I think we may need to excuse</p> <p>6 the witness and we can hash it out.</p> <p>7 MR. KISE: Are you running the courtroom or is the</p> <p>8 judge? I don't know why you're talking to me. I think the</p> <p>9 judge is running the courtroom.</p> <p>10 MR. AMER: I'm asking the judge to excuse the</p> <p>11 witness if we're going to have an objection.</p> <p>12 MR. KISE: Or any objection standing objection.</p> <p>13 THE COURT: Or a standing objection.</p> <p>14 MR. KISE: All I'm going to ask --</p> <p>15 THE COURT: Are you going to ask? It's not going</p> <p>16 to influence --</p> <p>17 MR. KISE: I don't see how it could influence the</p> <p>18 witness. I don't see how any of this could influence the</p> <p>19 witness. And they make speeches all the time, but at all</p> <p>20 events we've now -- Mr. Amer's concerned about disruptions.</p> <p>21 We've now wasted a minute or two and I haven't even said</p> <p>22 what I'm objecting about.</p> <p>23 THE COURT: Well, I think it's fair -- it's always</p> <p>24 fair to make sure what is about to be spoken or asked won't</p> <p>25 influence the witness because we can always take the witness</p>	

<p style="text-align: right;">Page 3382</p> <p>1 out, but I'll accept your representation that what you're</p> <p>2 about to say or ask will not influence the witness.</p> <p>3 MR. KISE: I don't see how it could. All I'm going</p> <p>4 to say is you're constantly on this side of the table about</p> <p>5 time. I'm not sure what the purpose of all this back and</p> <p>6 forth is. The witness has testified -- he's testified about</p> <p>7 what he remembers right now today. Whether he remembered it</p> <p>8 in his deposition or not seems immaterial to the process at</p> <p>9 this point because Mr. Amer's already gotten the answers</p> <p>10 that he wants and so now he's going to go back and play this</p> <p>11 again and go over the same answer. So it's a waste of time.</p> <p>12 It's asked and answered and asked and answered and asked and</p> <p>13 answered and we've been doing this all afternoon, so at some</p> <p>14 point it just needs to end. I don't see how that influences</p> <p>15 the witness. It should just influence the proceeding.</p> <p>16 Transcript continues on the following page....</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 3384</p> <p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)</p> <p>1 THE COURT: Asked and answered. He said he stands</p> <p>2 by it. You can make of that what you will.</p> <p>3 MR. AMER: Well, Your Honor, he said "I was clearly</p> <p>4 involved." He didn't stand by his testimony. That's in the</p> <p>5 transcript.</p> <p>6 MR. ROBERT: You asked him directly if he stands by</p> <p>7 it and you asked him directly if he stands by it and he said</p> <p>8 yes.</p> <p>9 MR. AMER: And then he said on line 16, "I was</p> <p>10 clearly involved."</p> <p>11 THE COURT: I thought he said no.</p> <p>12 MR. ROBERT: "I really hadn't been involved."</p> <p>13 You're now -- Mr. Amer is now conflating what limited</p> <p>14 involvement Mr. Trump had which is consistent with he hadn't</p> <p>15 really been involved. He just said he had a few e-mails.</p> <p>16 THE WITNESS: I really haven't --</p> <p>17 THE COURT: When I said he said no, I was talking</p> <p>18 about a different --</p> <p>19 MR. ROBERT: Sorry.</p> <p>20 THE COURT: It was my confusion. All right.</p> <p>21 MR. ROBERT: Sorry, Your Honor.</p> <p>22 THE COURT: If the question is do you stand by it,</p> <p>23 the earlier testimony on the screen, the answer is yes; am I</p> <p>24 correct?</p> <p>25 THE WITNESS: Yes, Your Honor. I stand by --</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)</p> <p style="text-align: right;">Page 3383</p> <p>1 THE COURT: Okay. Thank you for sharing that.</p> <p>2 Let's continue.</p> <p>3 MR. AMER: Thank you, your Honor.</p> <p>4 Q I wasn't asking about whether I had -- whether</p> <p>5 principal or main person involved. I'm asking a very simple</p> <p>6 question based on all of the e-mails that we've been looking at,</p> <p>7 the calendar invites, the contacts you've had with Mr. McArdle,</p> <p>8 the comps you were sending him, will you concede that your</p> <p>9 testimony on line six and seven, that you really haven't been</p> <p>10 involved in appraisal work on this property was incorrect, yes</p> <p>11 or no?</p> <p>12 A No.</p> <p>13 Q So you stand by your testimony at your deposition that</p> <p>14 you really haven't been involved in appraisal work on the Seven</p> <p>15 Springs property, yes?</p> <p>16 A To a -- to a small -- to a -- I was clearly</p> <p>17 involved, but to a very small point and I think I was very clear</p> <p>18 that I had very limited memory of Mr. McArdle. I</p> <p>19 testified -- and yes, I see your e-mails. 100 percent I made a</p> <p>20 couple of calls.</p> <p>21 Q You say here you really haven't been involved and I'm</p> <p>22 trying to understand if you're standing by that testimony or if</p> <p>23 you're willing to acknowledge that you did have involvement --</p> <p>24 MR. KISE: Objection. This is borderline</p> <p>25 harassment.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)</p> <p style="text-align: right;">Page 3385</p> <p>1 THE COURT: You stand by it, okay.</p> <p>2 Q Let's look at line 16 when you testified at your</p> <p>3 deposition starting at line 16, that you don't focus on</p> <p>4 appraisals between a law firm and Cushman.</p> <p>5 Will you concede that your testimony was incorrect</p> <p>6 based on all of the e-mails we've been looking at; yes or no?</p> <p>7 A I don't focus on appraisals between law firms and</p> <p>8 Cushman, no, I don't. That's not a focus of my day. I'm an</p> <p>9 operator. I am a construction guy. I build projects. I don't</p> <p>10 focus on appraisals, no.</p> <p>11 Q And let's look at page 198, line 12. When you</p> <p>12 testified at your deposition, starting at line 12, that you</p> <p>13 recognized David McArdle's name only very vaguely, would you</p> <p>14 concede that you had significant communications back and forth</p> <p>15 and interactions with Mr. McArdle on the appraisal engagement</p> <p>16 for both Seven Springs and Briarcliff; yes or no?</p> <p>17 MR. KISE: Objection; "significant."</p> <p>18 A No, there's a handful of e-mails from well over ten</p> <p>19 years ago and I don't remember the person's name. I hardly</p> <p>20 remember the person's name. I stick by that 100 percent.</p> <p>21 THE COURT: The language doesn't have to be the</p> <p>22 exact same. Objection overruled and he answered it anyway.</p> <p>23 Q I want to fastforward to 2021. Were you on a video</p> <p>24 conference call in the fall of 2021 to discuss the 2021</p> <p>25 Statement of Financial Condition that was in the process then of</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3386</p> <p>1 being drafted?</p> <p>2 A I don't remember.</p> <p>3 Q If I suggested that there was such a video call that</p> <p>4 included your brother Donald Trump, Jr., Patrick Birney, Jeffrey</p> <p>5 McConney and Ray Flores, does that refresh your recollection?</p> <p>6 A It's possible. I -- I'm on a thousand calls a day. I</p> <p>7 just don't remember.</p> <p>8 Q Let me show you some testimony from Mr. Birney, Patrick</p> <p>9 Birney to see if it can further refresh your recollection. Page</p> <p>10 1390, line 8 to 1391, line 12:</p> <p>11 "QUESTION: The meeting that I asked you about, how</p> <p>12 many participants were in the meeting?</p> <p>13 "ANSWER: I worked remote for 2021, so there were a</p> <p>14 lot of these calls. So can you be more specific about which</p> <p>15 meeting you're referring to?</p> <p>16 "QUESTION: Sure. Specifically a meeting over</p> <p>17 Google Meet about the 2021 Statement of Financial Condition.</p> <p>18 "ANSWER: There were multiple meetings in 2021 as I</p> <p>19 was remote.</p> <p>20 "QUESTION: Were there any meetings about the 2021</p> <p>21 Statement of Financial Condition in which Donald Trump, Jr.</p> <p>22 and Eric Trump participated?</p> <p>23 "ANSWER: Yes.</p> <p>24 "QUESTION: So about -- speaking about the</p> <p>25 meeting, how many other participants were there other than</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3388</p> <p>1 on it?</p> <p>2 A It does not.</p> <p>3 Q One more clip from Mr. Birney on this meeting. It's</p> <p>4 page 1406:1 to 1407:4:</p> <p>5 "QUESTION: So would it refresh your recollection</p> <p>6 if we pulled up some of your prior testimony, pages 1194 to</p> <p>7 1195?</p> <p>8 "ANSWER: Sure.</p> <p>9 "QUESTION: Starting at line 17. So I'm trying to</p> <p>10 understand the change is discussed about golf club valuation</p> <p>11 method. You described it as a consensus decision among you,</p> <p>12 Mr. Garten and Mr. Flores, correct?</p> <p>13 "ANSWER: Yes.</p> <p>14 "QUESTION: Does this decision need to be approved</p> <p>15 by someone else at the company who is superior to the three</p> <p>16 of you after it's made in your group consensus?</p> <p>17 "ANSWER: I don't know if there was an official</p> <p>18 approval. I think that's why it brought up the change in</p> <p>19 methodology in that call with Don and Eric."</p> <p>20 And I just said, "okay, continue your answer."</p> <p>21 "So that they were at least aware."</p> <p>22 "Does that refresh your recollection as to whether</p> <p>23 you wanted to advise Donald Trump, Jr. and Eric Trump about</p> <p>24 the change in golf course methodology that occurred in</p> <p>25 2021?"</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3387</p> <p>1 those two people?</p> <p>2 "ANSWER: Myself, Alan Garten, Ray Flores, Jeffrey</p> <p>3 McConney.</p> <p>4 "QUESTION: Allen Weisselberg was not in the</p> <p>5 meeting?</p> <p>6 "ANSWER: I don't think Allen Weisselberg was in</p> <p>7 that meeting.</p> <p>8 "QUESTION: Approximately when did this Google</p> <p>9 Meeting occur?</p> <p>10 "ANSWER: Probably in October of 2021.</p> <p>11 "QUESTION: During the Google Meeting that we are</p> <p>12 talking about now, did you share any information with the</p> <p>13 other participants?</p> <p>14 THE WITNESS: Yes.</p> <p>15 "QUESTION: What did you share?</p> <p>16 "ANSWER: I shared documents on the screen.</p> <p>17 "QUESTION: And what were those documents?</p> <p>18 "ANSWER: I believe I toggled between a few</p> <p>19 documents during the call. One I think was a Statement of</p> <p>20 Financial Condition summary. One was the supporting data</p> <p>21 street and we may have seen the Word document which would</p> <p>22 have been the -- a draft of the final Statement of</p> <p>23 Financial Condition."</p> <p>24 Does seeing that testimony from Mr. Birney jog your</p> <p>25 memory about this Google Meeting call and whether you were</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3389</p> <p>1 "ANSWER: I discussed it. I don't know if I wanted</p> <p>2 to discuss it. Can you ask the question in a different way</p> <p>3 maybe?</p> <p>4 "QUESTION: Sure. We can look at your testimony.</p> <p>5 It says, "I think that's why it brought up the change in</p> <p>6 methodology in that call with Don and Eric, so that they</p> <p>7 were at least aware." Why did you want to make them at</p> <p>8 least aware of that change?</p> <p>9 "ANSWER: Because it was a, as you put it,</p> <p>10 significant change to the year before."</p> <p>11 Does that additional testimony from Mr. Birney</p> <p>12 about needing to discuss with you and your brother the</p> <p>13 significant change to the golf course methodology that</p> <p>14 occurred in 2021 jog your recollection of this video</p> <p>15 conference call?</p> <p>16 A It doesn't. I would have left that to the finance</p> <p>17 team.</p> <p>18 Q You considered Patrick Birney to be a solid guy, didn't</p> <p>19 you?</p> <p>20 A I like Patrick Birney very much.</p> <p>21 Q And you considered him to be a solid guy, right?</p> <p>22 THE COURT: I think that's what he just said,</p> <p>23 right?</p> <p>24 MR. AMER: Well, he didn't adopt those exact words.</p> <p>25 THE WITNESS: Your Honor, I was looking for help on</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3390</p> <p>1 that one.</p> <p>2 A Yes, I do.</p> <p>3 THE COURT: You have to look up, not sideways for</p> <p>4 help.</p> <p>5 Q And you'll agree from his testimony here under oath at</p> <p>6 this trial that he said you and your brother were on the video</p> <p>7 call, right?</p> <p>8 A Again, I have no reason to doubt Pat. I do believe</p> <p>9 he's a very good guy and it's -- it's possible. I would have</p> <p>10 left the details to methodology to somebody like him, but I</p> <p>11 could have been on a phone call.</p> <p>12 Q And you'll agree he says the purpose of the call was to</p> <p>13 make you and your brother aware of the change in the methodology</p> <p>14 in the change in the golf courses, right?</p> <p>15 A Possibly. I just don't remember anything about this</p> <p>16 phone call, so...</p> <p>17 Q I'm asking you if you remember what you read on the</p> <p>18 screen and heard just a minute ago.</p> <p>19 A Yes, I do.</p> <p>20 Q He testified that the purpose of the call was to make</p> <p>21 you and your brother aware of the change in the methodology for</p> <p>22 the golf courses, right?</p> <p>23 A Presumably. I'll take your word for it.</p> <p>24 Q I don't want you to take my word for it. You heard his</p> <p>25 testimony. Can we agree that based on his testimony, he says</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3392</p> <p>1 and guidance that's referenced in this note. So can you accept</p> <p>2 that?</p> <p>3 A I mean, if you tell me that's true. I don't know.</p> <p>4 This is very foreign to me, but if you tell me that's the</p> <p>5 testimony, I'll believe you.</p> <p>6 THE COURT: I may have to swear him in first if</p> <p>7 he's going to testify.</p> <p>8 Q And does seeing this note about the advice from Marcus</p> <p>9 &amp; Millichap and this being the basis for a change in the way the</p> <p>10 golf courses were valued, does that trigger a recollection for</p> <p>11 you about being on a call where that change in methodology was</p> <p>12 discussed; yes or no?</p> <p>13 A It does not.</p> <p>14 Q And if we look at Row 363, which is Colts Neck, it</p> <p>15 refers to "advice and guidance from Marcus &amp; Millichap for a</p> <p>16 course with a consistently positive EBITDA trading at six to</p> <p>17 eight times EBITDA, but the last few purchases have been nine to</p> <p>18 ten times based on the quality of Trump courses could sell at</p> <p>19 ten times EBITDA."</p> <p>20 Again, we've had testimony that this is the basis for a</p> <p>21 change in methodology for those courses that consistently had</p> <p>22 positive EBITDA. Does that trigger any recollection of being</p> <p>23 involved in a call in fall of 2021 where the change -- this</p> <p>24 change in methodology was discussed?</p> <p>25 A It does not.</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3391</p> <p>1 the purpose of the call was to advise you and your brother of</p> <p>2 the change in methodology for the golf courses in 2021, right?</p> <p>3 A It seems like that's possible, yes.</p> <p>4 MR. AMER: Let's go ahead and put up the 2021 Jeff</p> <p>5 Supporting Data which is Exhibit 1352 in evidence. Let's go</p> <p>6 to Row 289.</p> <p>7 MR. ROBERT: Just a point of clarification. This</p> <p>8 would be Birney's supporting data if it is 2021, not Jeff's.</p> <p>9 MR. AMER: I'll take that correction. Why don't we</p> <p>10 just call it the supporting data.</p> <p>11 MR. ROBERT: Fair enough.</p> <p>12 MR. AMER: It is in evidence, so it is what it is.</p> <p>13 Q Let's look at Row 289. That's where the section for</p> <p>14 Briarcliff begins. Do you see that?</p> <p>15 A Yes, I do.</p> <p>16 Q If you look at Row 306, there's a note in that row and</p> <p>17 it's -- it says, "Upon the advice and guidance of Marcus and</p> <p>18 Millichap, golf course industry experts, a normal golf course</p> <p>19 with a negative EBITDA trades at two to three times gross</p> <p>20 revenue. We took an average of three times gross revenue and</p> <p>21 net fixed assets."</p> <p>22 Do you see that?</p> <p>23 A I see that, yes.</p> <p>24 Q And we've had testimony from Mr. Flores, others that</p> <p>25 there was a change in methodology for 2021 based on the advice</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3393</p> <p>1 Q Now, just to orient us in time with respect to the</p> <p>2 October 2021 video call that Mr. Birney testified about, as of</p> <p>3 October 2021, you certainly knew about the Attorney General's</p> <p>4 investigation that led to this enforcement action, right?</p> <p>5 A Yes, I did.</p> <p>6 Q In fact, a year earlier, you sat for an investigative</p> <p>7 interview with attorneys from the Attorney General's office</p> <p>8 where you provided testimony under oath, right?</p> <p>9 A Yes, I did.</p> <p>10 Q And on dozens of occasions during that interview, you</p> <p>11 invoked your --</p> <p>12 MR. ROBERT: Objection.</p> <p>13 THE COURT: Go ahead.</p> <p>14 MR. ROBERT: Mr. Amer is about to get into</p> <p>15 something that is completely irrelevant and immaterial in an</p> <p>16 attempt to sensationalize something that's not really</p> <p>17 sensational. Maybe you want to excuse the witness and we</p> <p>18 deal with it, but he is about to get into the fact that two</p> <p>19 years ago when Mr. Trump was interviewed he invoked his</p> <p>20 Fifth Amendment rights and then two years later sat for a</p> <p>21 deposition. It's totally improper.</p> <p>22 THE COURT: Is that what you were about to do?</p> <p>23 MR. AMER: I'm happy to explain why it is relevant.</p> <p>24 THE COURT: Should we excuse the witness?</p> <p>25 MR. ROBERT: It's absolutely irrelevant.</p>

E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3394	E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3396
<p>1 THE COURT: If it is irrelevant, do we have to</p> <p>2 excuse the witness?</p> <p>3 MR. ROBERT: I don't believe so.</p> <p>4 MR. AMER: I don't think it is irrelevant.</p> <p>5 MR. ROBERT: If you want to --</p> <p>6 THE COURT: So do you want to explain the</p> <p>7 relevance?</p> <p>8 MR. AMER: Sure. I think it's relevant to this</p> <p>9 witness' recollection or lack of recollection of a phone</p> <p>10 call that's discussing the subject of something he knows is</p> <p>11 an ongoing Attorney General investigation where the call is</p> <p>12 about the very subject of that investigation where he sat</p> <p>13 for an interview under oath and even invoked his right</p> <p>14 against self-incrimination.</p> <p>15 I think it goes to his credibility as to whether or</p> <p>16 not he recalls this -- this Google Meeting call that was</p> <p>17 less than three years ago, Your Honor. So yes, it is</p> <p>18 relevant to his credibility.</p> <p>19 MR. ROBERT: It is absolutely not. Mr. Trump</p> <p>20 availed himself of a constitutional right that he has</p> <p>21 because at that point, it was the appropriate thing to do.</p> <p>22 The Attorney General then noticed him for a deposition in</p> <p>23 this case. He sat literally for seven hours on the nose</p> <p>24 because I remember at seven hours on the nose, we ended it.</p> <p>25 He answered every question. He did not invoke his</p>		<p>1 he was on the call, but he doesn't remember the call. He</p> <p>2 testified about the call. The fact that he testified before</p> <p>3 is established. The fact that he was subpoenaed and</p> <p>4 testified in the special proceeding in the investigation is</p> <p>5 established. So I don't know what else other than</p> <p>6 sensationalizing is the issue here other than either</p> <p>7 invading the attorney-client privilege, getting into</p> <p>8 subsequent remedial measures, or just harassing the witness.</p> <p>9 I'll wait again to get the note that you have from Ms.</p> <p>10 Greenfield. You may have a question for me. Maybe it is</p> <p>11 about dinner.</p> <p>12 MR. AMER: Can I mention one thing, Your Honor?</p> <p>13 THE COURT: In a second.</p> <p>14 MR. AMER: Okay.</p> <p>15 THE COURT: Mr. Kise, all joking aside, and even I</p> <p>16 like to leaven the proceedings, do not refer to my staff</p> <p>17 again. A person sitting alongside of me is my principal law</p> <p>18 clerk. She's a civil servant. She's doing what I ask her</p> <p>19 to do, which is help me process cases and decide them</p> <p>20 correctly.</p> <p>21 Sometimes I think there may be a bit of misogyny</p> <p>22 the fact that you keep referring to my female principal law</p> <p>23 clerk. If there is any further reference to anyone on my</p> <p>24 staff, and I don't have a big staff, I have about three</p> <p>25 people, I will consider expanding the gag order to include</p>	
E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3395	E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3397
<p>1 constitutional right, which he could have, and this line of</p> <p>2 questioning is improper; but it was dealt with just so that</p> <p>3 at the end of the day, the stories would be that the issue</p> <p>4 that Mr. Trump invoked his Fifth Amendment right two years</p> <p>5 ago is what's going to be the news tonight. It is</p> <p>6 completely irrelevant. It's completely prejudicial and this</p> <p>7 line of questioning needs to stop.</p> <p>8 MR. KISE: One other issue --</p> <p>9 THE COURT: I'll let --</p> <p>10 MR. KISE: -- just to Mr. Amer only has to respond</p> <p>11 once. It is funny he's not interested in the witness being</p> <p>12 excused even though we asked three times. Here is the</p> <p>13 thing. So all of these conversations that we're talking</p> <p>14 about center around a privileged communication. We've been</p> <p>15 through this before. Mr. Garten was on the call, so the</p> <p>16 substance of what was discussed would have been privileged</p> <p>17 anyway and they've continued to invade that privilege.</p> <p>18 Second, anything that was done or decided as a</p> <p>19 result of that ruling they did as part of the subsequent</p> <p>20 remedial measures as a result of the investigation. So</p> <p>21 again, none of this should be really coming in at all. Any</p> <p>22 decision that was made as a result of the awareness of an</p> <p>23 investigation would be subsequent remedial measures and it</p> <p>24 shouldn't be admitted at all.</p> <p>25 The witness has said he has no reason to doubt that</p>		<p>1 the attorneys including yourself. That being said, why</p> <p>2 don't we just break for the day because it is almost 4:30.</p> <p>3 I promised Mr. Amer --</p> <p>4 MR. KISE: May I respond to that on the record</p> <p>5 briefly?</p> <p>6 THE COURT: Respond to that and then we will get to</p> <p>7 Mr. Amer.</p> <p>8 MR. KISE: Briefly. I just want to be clear. I</p> <p>9 have my own constitutional First Amendment rights. I have</p> <p>10 the right to represent my client in a courtroom. I have the</p> <p>11 right to observe -- make points in the record about</p> <p>12 observations that I make if there is bias in the proceeding</p> <p>13 that my client perceives, I have to advance that. If there</p> <p>14 is reason for that bias, then that's an issue in the</p> <p>15 proceeding.</p> <p>16 I do often feel -- frequently, I do feel like truly</p> <p>17 that I'm fighting two adversaries and I'm not trying to</p> <p>18 impugn anyone. I'm trying to point out as a lawyer and I</p> <p>19 think it is fair comment as a lawyer. I understand what</p> <p>20 your ruling is, but I have to respond to this because this</p> <p>21 is important.</p> <p>22 So I feel like I'm sitting here and I have to</p> <p>23 respond to Mr. Amer or their arguments. I hear what those</p> <p>24 arguments are and I get to see what those arguments are and</p> <p>25 we get to have our engagement, but then there is someone</p>	

E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3398	E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)	Page 3400
<p>1 else who is sending you information on a very, very frequent</p> <p>2 basis. I think yesterday we counted maybe 30 times, 40</p> <p>3 times and so I don't get to understand what this is and</p> <p>4 those -- and I'm not --</p> <p>5 THE COURT: That's right. You don't --</p> <p>6 MR. KISE: I'm not trying to invade it. All I'm</p> <p>7 trying to say is that gives off -- respectfully that gives</p> <p>8 off the appearance of impropriety and I'm entitled to at</p> <p>9 least make a record about that. It is not impugning anyone.</p> <p>10 It does give off the appearance of impropriety particularly</p> <p>11 if it is an individual or individuals that have a different</p> <p>12 view of the case than we do, have a different political</p> <p>13 background or political view than we do. And so those are</p> <p>14 relevant issues for Your Honor's consideration.</p> <p>15 Again, this is why I brought up on the</p> <p>16 constitutional -- I asked you to reconsider the gag order</p> <p>17 on the constitutional basis because I think it raises much</p> <p>18 more serious issues and I don't really want to go there and</p> <p>19 I'm trying not to; but at some level, I have to at least</p> <p>20 have fair comment on what I think is biased. I made my</p> <p>21 record and I understand Your Honor's ruling.</p> <p>22 MS. HABBA: By the way, I'm happy to make the</p> <p>23 record for Mr. Kise, so that none of my team members are</p> <p>24 accused of misogyny. I assure you that's not the issue. I</p> <p>25 have the same, frankly, issues with the person sitting on</p>		<p>1 conference happened and then asking him if he remembers it</p> <p>2 and he's going to say, "No, I don't remember it." He's not</p> <p>3 disagreeing with Mr. Birney, but he doesn't remember it.</p> <p>4 We need to move on. We've been here now all day</p> <p>5 and gotten, frankly, not very far because the questions are</p> <p>6 repetitive, asked and answered, asked and answered. He's</p> <p>7 trying to elicit a response that's not accurate and Mr.</p> <p>8 Trump is not going to give him a response that's not</p> <p>9 accurate. He doesn't remember, he doesn't remember. We</p> <p>10 need to move on. We will be here well into next week if we</p> <p>11 do not move on.</p> <p>12 MR. ROBERT: May I simply say that I join in my</p> <p>13 colleagues' comments.</p> <p>14 MR. AMER: Can I make a few points, Your Honor?</p> <p>15 THE COURT: After me.</p> <p>16 MR. AMER: Okay.</p> <p>17 THE COURT: Mr. Kise and the rest of the team, I</p> <p>18 have an absolute right, absolute, unfettered right to get</p> <p>19 advice from my principal law clerk. It actually goes a</p> <p>20 little broader than that, but at the very least from my</p> <p>21 principal law clerk. There is no First Amendment value that</p> <p>22 I can see referring to her particularly when making things</p> <p>23 up and that's not you, that's somebody else. So weighing</p> <p>24 the First Amendment right against the safety of my staff, we</p> <p>25 know what's going on out there in the world, I think your</p>

<p>1 the bench and I've made that clear on the record. And</p> <p>2 frankly, it is not only distracting, but it is insulting.</p> <p>3 Your Honor, I respect your position, but I do feel</p> <p>4 like Mr. Kise that your position is often what you are given</p> <p>5 in notes and we don't have a clue what is going on; but we</p> <p>6 do know that there is a nod of the head by you when those</p> <p>7 notes are received and then decisions are made.</p> <p>8 We have to make a record of it because, frankly,</p> <p>9 it's become part, and as I have said for three years for me</p> <p>10 personally, a part of the record and I'm not going to stand</p> <p>11 by and allow it to happen. I'm not going to let someone</p> <p>12 who's my teammate be called a misogynist because he is</p> <p>13 pointing out something, frankly, that I can do myself. So I</p> <p>14 will make my own record. It is inappropriate.</p> <p>15 And I do have to say one other thing to Mr. Amer on</p> <p>16 the record and again, I'm happy to let Mr. Trump off the</p> <p>17 stand, but I do think it is inappropriate that he's trying</p> <p>18 to use something and make it appear as impeachment evidence</p> <p>19 and it is not. Mr. Trump has been very consistent. He</p> <p>20 doesn't like his answers, so he keeps trying to impeach my</p> <p>21 witness here and all he's doing is showing things that,</p> <p>22 frankly, show that he is consistent.</p> <p>23 He doesn't have a recollection. If he has a</p> <p>24 recollection now, he'll tell you; but by showing him</p> <p>25 somebody else's transcript and telling him that a video</p>		<p>1 points are not well-taken about that.</p> <p>2 In terms of the further -- on the merits here,</p> <p>3 some research has shown that subsequent remedial measures is</p> <p>4 only appropriate in personal injury cases. I will refer to</p> <p>5 Rule 4.19. I believe that's of the -- might be out of the</p> <p>6 benchbook, whatever.</p> <p>7 And now, let's let Mr. Amer, who is very anxious to</p> <p>8 talk, have a few words.</p> <p>9 MR. AMER: Number one, I'm entitled to question the</p> <p>10 witness' -- the credibility of the witness' claim that he</p> <p>11 doesn't recall this video conference meeting that took place</p> <p>12 two years ago. I'm entitled to question that. I don't have</p> <p>13 to accept it and I can elicit evidence that puts in doubt</p> <p>14 his claimed lack of recollection.</p> <p>15 Second, as to Ms. Habba's comment, this witness'</p> <p>16 testimony is great and I'm very happy with it, and so this</p> <p>17 is not about not liking his testimony. I think his</p> <p>18 testimony is extremely favorable to our case and I welcome</p> <p>19 it.</p> <p>20 And third, this witness' investigative interview</p> <p>21 and his invocation of his Fifth Amendment right has been in</p> <p>22 the news for years. If you want to Google it, you'll see</p> <p>23 that there are many articles that count the number of times</p> <p>24 he invoked his right against self-incrimination at that</p> <p>25 interview. So this is not about bringing to light something</p>	

E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3402	E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3404
<p>1 that has, heretofore, never been shared with the public.</p> <p>2 Those are my comments. I would like to continue</p> <p>3 tomorrow morning and I will just use this point to question</p> <p>4 the credibility of a claim that a call two years ago</p> <p>5 involving an ongoing investigation where he sat for an</p> <p>6 interview is simply not something that is plausible and</p> <p>7 that's my right, and the Court can do with it what it will.</p> <p>8 MR. KISE: Your Honor, then, just briefly on your</p> <p>9 initial point, I do disagree, respectfully. I have to on</p> <p>10 behalf of my client comment on what I see going on in the</p> <p>11 courtroom that I think could prejudice or bias the</p> <p>12 proceeding. I don't -- I don't see what is being passed to</p> <p>13 you, so it is not possible for me to know.</p> <p>14 THE COURT: That's right. You don't see it.</p> <p>15 That's -- I'm going to pound the table -- confidential</p> <p>16 communications from my principal law clerk. Absolute right</p> <p>17 to it and you don't have any right to see it or question it.</p> <p>18 MR. KISE: I certainly have a right to question</p> <p>19 what is perceived by my client as bias. I do have that. I</p> <p>20 have to make that record. I do have that. That's just what</p> <p>21 lawyers do. I mean, I have to make the record. I don't</p> <p>22 think, respectfully, there is any security concern. We're</p> <p>23 talking about observations of what's happening in open</p> <p>24 court.</p> <p>25 Everyone in this room can see what I'm seeing, so</p>	<p>1 bias. There have been public commentaries about political</p> <p>2 persuasions of people involved in the proceeding. I don't</p> <p>3 know. So I think it is fair for me to at least make the</p> <p>4 record and comment. It's -- this is the real point.</p> <p>5 When they're speaking, notes don't get passed.</p> <p>6 That's really the issue, is that when the Attorney General</p> <p>7 is making arguments, there aren't notes being passed for you</p> <p>8 to consider. They -- 95 percent. So with us, whenever I'm</p> <p>9 speaking or -- yesterday, I saw it the best because I</p> <p>10 stepped out to go to that hearing beforehand. I'm watching</p> <p>11 on the closed circuit TV and there, you can see what's</p> <p>12 happening differently than you can see here.</p> <p>13 And so every time Mr. Suarez was making a point and</p> <p>14 there was a dialog, there would be notes passed to you.</p> <p>15 When the Attorney General was speaking, there would be no</p> <p>16 notes passed to you. So that's the perception of bias.</p> <p>17 Whether it is real or not, I have to make my record. So</p> <p>18 that's all I'm doing. I'm making my record. I'm doing it</p> <p>19 respectfully. I haven't made any comments outside this</p> <p>20 courtroom about anyone and I don't intend to. So all I'm</p> <p>21 doing is just making a record.</p> <p>22 I understand Your Honor's point and I will abide by</p> <p>23 Your Honor's ruling, but you can't keep lawyers from being</p> <p>24 advocates. I think that that's over the line, respectfully.</p> <p>25 THE COURT: I guess it is time to go. Ten o'clock</p>
E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3403	Page 3405
<p>1 it is not a security issue. I'm not commenting</p> <p>2 inappropriately. I'm directing my comments to you and only</p> <p>3 to you, but I have to make a record if I perceive that there</p> <p>4 is potential bias.</p> <p>5 THE COURT: How do you perceive there is potential</p> <p>6 bias by notes being passed back and forth? Don't you and</p> <p>7 Mr. Robert talk to each other?</p> <p>8 MR. KISE: Of course, we talk to each other and</p> <p>9 we're advocates, so we are -- yes, we are biased, so it is</p> <p>10 the same principle. It's the same principle. Ongoing</p> <p>11 interaction, you can receive advice, of course, from a law</p> <p>12 secretary. I mean, you are a judge, but ongoing interaction</p> <p>13 in the course of the proceeding where it appears as though</p> <p>14 it is almost co-judging taking place, that's the perception</p> <p>15 from out here.</p> <p>16 That may not be what you're doing. I can't tell</p> <p>17 what you're doing, but that's what the perception is, so we</p> <p>18 have to at least make our record to comment on it and again,</p> <p>19 I understand your ruling. No one is trying to impugn</p> <p>20 anyone.</p> <p>21 I'm not a misogynist. I have -- I'm very happily</p> <p>22 married and I have a 17-year-old daughter, so I really have</p> <p>23 no issues there and so I reject that squarely. My point is</p> <p>24 and I think -- look, all I want to say is what I've said,</p> <p>25 which is we have to make our record. We perceive there is</p>	<p>1 tomorrow morning.</p> <p>2 I direct the witness, witness, please don't talk to</p> <p>3 anybody about your testimony, about this case, or anything</p> <p>4 related to it because you'll still be a witness tomorrow.</p> <p>5 Thank you, everyone.</p> <p>6 (Witness excused.)</p> <p>7 (Whereupon, the trial was adjourned to November 3,</p> <p>8 2023 at 10:00 a.m.)</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

Part 37 is now in 2 session. The Honorable Judge Arthur Engoron presiding. 3 Make sure all cell phones are on silent. Laptops and cell 4 phones will be permitted, but only to members of the press. 5 There is absolutely no recording or photography of any kind 6 allowed in the courtroom. Now be seated and come to order. 7 THE COURT: We have some photographers. Tommy does 8 that from memory. He's not holding up a script card. 9 Good morning, everybody. 10 Yesterday, Chris Kise noted in the morning that I 11 bound up the steps I'm going too fast. I'm not sure you 12 noticed as the day wears on I go up slower and slower, but. 13 MR. KISE: You do. 14 THE COURT: By the same token, as the day wears on, 15 I go down faster and faster. It kind of balances out. 16 Not yesterday, but several days ago, I believe that 17 one or two or all of the defense lawyers said that they had 18 never seen a judge be so intertwined with his or her law 19 clerk basically passing messages. I mentioned that to the 20 judge for whom I was a law clerk for many years, he reminded 21 me of something that happened decades ago. There was an 22 elected Supreme Court judge, which is what I am, in this 23 very building, and I'll give away the genders. He was very 24 well respected and he had this very high profile case. If I 25 told you the name of the plaintiff and I told you the name</p>

Now you're really scratching your heads, right? 3 The law clerk was running for judge and the 4 campaign literature -- the campaign literature said, I'll 5 almost quote this exactly -- I'll put on a little bit of the 6 act. "I sit on the bench everyday with the judge and I 7 whisper in his ear and I tell him how to rule." 8 Now, of course we haven't seen that, fortunately. 9 The law clerk was elected, is still a judge. This is 10 decades ago and so just to the claim that you've never seen 11 anything like this, apparently that's been even more 12 extreme. I didn't see this happen. I'm assuming that's 13 what the story was and the judge never said no, she doesn't 14 sit up there and tell me how to rule. 15 So -- but to finish up, I hope I made myself clear 16 yesterday. Okay. 17 MR. KISE: As too, Judge, I mean, I certainly heard 18 you yesterday, yes. 19 THE COURT: Okay. 20 MR. KISE: I just don't know we were directed to do 21 anything specific. 22 THE COURT: Well, how about informally. Unless 23 there is some real reason that I haven't seen any, please do 24 not refer to any members of my staff. 25 MR. KISE: So how do we then make -- how does the</p>

<p>1 Court propose we make our record about things that we</p> <p>2 observe in open court happening?</p> <p>3 THE COURT: Well, I let you do that the other day,</p> <p>4 yesterday, whenever it was.</p> <p>5 MR. KISE: You did, right. I just want to make</p> <p>6 sure we're allowed to do that. I don't need to reference</p> <p>7 names or specifics, but to the extent there are issues that</p> <p>8 arise based on observations that we have, we have to make</p> <p>9 that record because, as you know, all that is left in the</p> <p>10 record is the written transcript. There is no video, there</p> <p>11 is no recordings and all that probably fortunately for all</p> <p>12 of us.</p> <p>13 THE COURT: Right. Well, let me ask you this: Do</p> <p>14 you feel the need to make a further record as things stand</p> <p>15 now?</p> <p>16 MR. KISE: I believe so, Your Honor. I mean, to</p> <p>17 the extent that there are perceptions of bias there are</p> <p>18 things that we as lawyers -- and I don't want to speak for</p> <p>19 my colleagues, but to the extent there are things that we</p> <p>20 observe that are taking place that create either the</p> <p>21 appearance of bias or the appearance of impropriety in our</p> <p>22 minds, then I think we have to take that up. I think it's</p> <p>23 our obligation as lawyers to make mention of these things</p> <p>24 even if it's just a brief mention.</p> <p>25 We all -- it's like any other issue in the case if</p>		<p>1 as political. I don't. To me, it's just a case about</p> <p>2 Executive Law Section 6312 and now about those other</p> <p>3 statutes. So I said enough.</p> <p>4 You want to make a record, but please be careful.</p> <p>5 MR. KISE: I always am.</p> <p>6 I think we're treading in a dangerous area here</p> <p>7 because what we perceive as counsel to be bias we're</p> <p>8 certainly entitled to raise those concerns. I think we have</p> <p>9 to raise those concerns as lawyers.</p> <p>10 The Rules of Judicial Conduct which I know you're</p> <p>11 well aware of maintain that the Court is to act in a way</p> <p>12 that promotes public confidence in the integrity and</p> <p>13 impartiality of the system. And so impartiality, I believe</p> <p>14 in the rules is defined as denoting the absence of bias or</p> <p>15 prejudice, the absence of it.</p> <p>16 So to the extent there is the potential for bias,</p> <p>17 that's certainly something that's relevant. I mean, the</p> <p>18 entire country, if not the world, is watching this</p> <p>19 proceeding and they are looking at this. The United States</p> <p>20 heretofore has been a model for the integrity and</p> <p>21 impartiality of the system since its founding. Nothing we</p> <p>22 do here should create any appearance that the adherence to</p> <p>23 those principles has wavered and so to the extent that there</p> <p>24 is even the perception of bias that's something that needs</p> <p>25 to be addressed and addressed in the record because we have</p>

<p>1 I have a legal issue. We were respectful to the Court and</p> <p>2 we don't belabor the issues, but we have to at least mark</p> <p>3 it, otherwise it's waived.</p> <p>4 THE COURT: Well, I promise not to pound the table</p> <p>5 again and the bench. I have an absolute unrestricted,</p> <p>6 unfettered right to get advice from my principal law clerk</p> <p>7 or assistant law clerk. How that shows bias somehow, I</p> <p>8 don't see it. I mean, but if you want to say something now,</p> <p>9 say it. But I don't -- I don't want to endanger the safety</p> <p>10 of my staff. Maybe I'm being overly sensitive or overheated</p> <p>11 or cautious. I don't think so. I worry about this.</p> <p>12 And notice you could say whatever you want about</p> <p>13 me, right? I have no gag order about me and that has been</p> <p>14 taken advantage of -- not taken advantage of in the sense of</p> <p>15 anything improper, but, you know, I think that's what --</p> <p>16 that's where there would be any appearance of bias in me and</p> <p>17 I cut this case right down the middle.</p> <p>18 And I will respond to some of the earlier</p> <p>19 statements that oh, I never interrupt or rule against the</p> <p>20 Attorney General. That's just not so. And to the extent</p> <p>21 that one of your team might occasionally have said I might</p> <p>22 restrict the amount of time you have because I think you're</p> <p>23 wasting time, I have the right to do that. It's not because</p> <p>24 it's one side or the other. Right down the middle.</p> <p>25 And I said previously that I don't regard this case</p>		<p>1 no other way to address it other than in the record.</p> <p>2 Yes, as a judge you're entitled to receive input,</p> <p>3 but if you're receiving input from someone who has</p> <p>4 potentially demonstrable bias or at least there is a</p> <p>5 question about that and the manner in which that's taking</p> <p>6 place we have to at least make that record. That is our</p> <p>7 right.</p> <p>8 Now, in the view of President Trump, and I think to</p> <p>9 some extent the view of counsel here, if not to a large</p> <p>10 extent, our observations are what we say. You're free to</p> <p>11 disagree as you've done, but I think the record -- and this</p> <p>12 is the importance of making this record, demonstrates that</p> <p>13 we're getting hurried up, we're getting told to move on,</p> <p>14 we're getting put on the clock, we're -- the rulings are</p> <p>15 frequently, if not inordinately, against us on almost every</p> <p>16 major issue. And so we're also, as I said yesterday, I</p> <p>17 certainly am often thinking I'm arguing against two</p> <p>18 adversaries, not one. I'm debating with the government and</p> <p>19 then I'm debating with someone who is providing input to you</p> <p>20 on a regular, immediate basis.</p> <p>21 THE COURT: Hold on. You say you need to make a</p> <p>22 record. You've said all this. Those exact words basically.</p> <p>23 MR. KISE: I'm not adding words.</p> <p>24 So as I understand it this morning, there is a new</p> <p>25 story out about particular political partisan contributions</p>	

Proceedings	Page 3414	Proceedings	Page 3416
<p>1 that have been made by certain members of your staff; that</p> <p>2 there was a complaint made. It's public and on the web.</p> <p>3 There was a complaint made about this. It was addressed to</p> <p>4 Your Honor's attention on October 3rd, the very same day the</p> <p>5 gag order was entered and it raises questions of</p> <p>6 impartiality. At least from what I see this morning it</p> <p>7 raises questions of impartiality.</p> <p>8 And there are specific judicial canons that</p> <p>9 prohibit campaign contributions and I don't know anything</p> <p>10 other than I saw this story this morning, let me be clear on</p> <p>11 that. But there are specific provisions that the Court is</p> <p>12 to make sure that the Court and -- I'll define the Court</p> <p>13 broadly to include the staff so I'm not making that</p> <p>14 interchangeably because I know Your Honor doesn't want me to</p> <p>15 be specific about any individual or persons, but that</p> <p>16 prohibit contributions, that prohibit certain partisan</p> <p>17 political activity by members of the Court. And this</p> <p>18 complaint that was filed and the news coverage of it at</p> <p>19 least calls into question that particular canon. I believe</p> <p>20 it's Section 100.5 C2 of the rules governing judicial</p> <p>21 conduct.</p> <p>22 There are several judicial ethics opinions, 10-76,</p> <p>23 07-11 and 97-103, all of which address this particular</p> <p>24 issue. Again, I'm not weighing the facts of whether</p> <p>25 something has happened or hasn't happened. I'm just stating</p>		<p>1 is this highly watched, I don't think that the systemically</p> <p>2 we can survive with those kinds of -- those kinds of issues.</p> <p>3 I mean, the constitutional rights and protections that are</p> <p>4 preserved to all in this country are at their peak when</p> <p>5 you're dealing with someone who might not be popular, might</p> <p>6 be someone who is controversial. And so in a case like this</p> <p>7 it's essential that we take real care to adhere as closely</p> <p>8 as possible to those canons and I think it's incumbent upon</p> <p>9 the lawyers to raise these issues.</p> <p>10 I think the security concerns as you've heard me</p> <p>11 say I understand you're concerned, but I think given what</p> <p>12 just happened that photographers come into the Court and</p> <p>13 they take pictures of the open bench, all we're commenting</p> <p>14 on -- by the way, as I understand it, I never knew this</p> <p>15 before. As you know, I'm from Florida. Where we had open</p> <p>16 courts for 40, 50 years, TV cameras. Here, apparently, it's</p> <p>17 a crime to allow photographers into the courtroom and take</p> <p>18 pictures in a proceeding like this. I'm not an expert on</p> <p>19 this, I just know that -- so if the security concerns are</p> <p>20 that heightened, I'm straining to find the rationale that</p> <p>21 squares both.</p> <p>22 I think that if the allegations that have been out</p> <p>23 in the media have any substance to them and I'm not</p> <p>24 commenting on whether they do or not, but if they do then I</p> <p>25 think -- and we'll know more I guess in the coming days. If</p>	
Proceedings	Page 3415	Proceedings	Page 3417
<p>1 to the Court what is being reported and what has been</p> <p>2 reported as being presented to this Court on October 3rd,</p> <p>3 the same day as the gag order was entered. I don't know</p> <p>4 whether that's been considered or whether it's been ignored,</p> <p>5 but certainly it forms at least in my mind a basis for</p> <p>6 raising a question of potential bias. I think it's a</p> <p>7 legitimate question that needs to be addressed.</p> <p>8 The fact that we found out about it -- that I found</p> <p>9 out about it reading it on, you know, in the news, raises</p> <p>10 additional questions about the appearance of impropriety.</p> <p>11 Whether or not sustainable, it certainly raises the issue.</p> <p>12 President Trump, as you know, was here and</p> <p>13 purportedly made a statement about the same sort of bias</p> <p>14 outside. I won't get into the back and forth that took</p> <p>15 place about who he was speaking about, but he's purportedly</p> <p>16 making statements about someone who, by your own definition,</p> <p>17 is alongside of you having bias and now there is some</p> <p>18 allegation that maybe there is merit to that.</p> <p>19 And to the extent there is merit to that, then it's</p> <p>20 something that needs to be addressed. And it is a fair</p> <p>21 conclusion that warnings to Counsel, gag orders on</p> <p>22 parties -- we're not allowed to even mention these subjects.</p> <p>23 It's a fair conclusion to be drawn that the purpose of that</p> <p>24 is to silence any allegation of bias. It's to silence any</p> <p>25 challenge to any notion of impartiality and in a case that</p>		<p>1 Your Honor was aware of this on October 3rd when this random</p> <p>2 individual apparently filed some complaint and sent it to</p> <p>3 the Court and no action was taken and no notice was given to</p> <p>4 Counsel and nothing was addressed, then I think the defense</p> <p>5 will have to give serious consideration to seeking a</p> <p>6 mistrial because of the -- as you say, the continuous input</p> <p>7 if there is someone that's biased.</p> <p>8 Again, I'm not the prejudging outcome here and I</p> <p>9 want to be very careful to note that, but since you've</p> <p>10 raised the issue of how we make our record, I mean, perhaps</p> <p>11 we make our record by just saying the Court has done X or</p> <p>12 the Court has done Y, the Court has accepted a note without</p> <p>13 any mention of any individual, without any mention of staff,</p> <p>14 but unfortunately, given the clarity of the rules of</p> <p>15 judicial conduct, the gravity of what has been reported and</p> <p>16 the significance of these proceedings to our American</p> <p>17 democracy it's incumbent upon us as lawyers and I will say</p> <p>18 respectfully to the Court to take this seriously. And I'm</p> <p>19 not suggesting that you don't. Let me be clear, but I think</p> <p>20 we all need to take this very seriously because the entire</p> <p>21 world is watching and none of us can afford to misstep.</p> <p>22 I have always and will continue to address my</p> <p>23 comments to you, the Court, but I have to be allowed as a</p> <p>24 lawyer to raise issues that are obvious in open court that</p> <p>25 everyone in this room can watch and see.</p>	

Proceedings	Page 3418	Proceedings	Page 3420
<p>1 And I notice that the closed circuit camera now --</p> <p>2 after my mention has now been adjusted so that it's much</p> <p>3 more difficult to see if notes are being passed. It may</p> <p>4 just be that somebody bumped the camera on the TV screen. I</p> <p>5 do that at home frequently nudging things, but we need to</p> <p>6 take care here, respectfully, to avoid any appearance.</p> <p>7 The allegations that I looked at in the news this</p> <p>8 morning gave me some concern and certainly gave me some</p> <p>9 thought that there is at least a plausible basis to have to</p> <p>10 raise considerations of bias, particularly when you're</p> <p>11 getting input on an ongoing basis. And I feel, as I have</p> <p>12 said, that I'm often debating with two adversaries.</p> <p>13 THE COURT: Yes, you've already said that.</p> <p>14 MR. KISE: That's it. But I'll leave it there,</p> <p>15 Your Honor, and I appreciate you allowing me to make the</p> <p>16 record.</p> <p>17 MR. AMER: Your Honor, I just have very four very</p> <p>18 quick points.</p> <p>19 THE COURT: Sure.</p> <p>20 MR. AMER: The first is --</p> <p>21 THE COURT: You expect me to let you make a record?</p> <p>22 MR. KISE: For once I'm not objecting to Mr. Amer's</p> <p>23 comments.</p> <p>24 MR. AMER: Well, you haven't heard them yet.</p> <p>25 The notion that bias can be based on the number of</p>		<p>1 recusal or a motion for a mistrial, make a motion on notice</p> <p>2 with papers and put in your evidence and let's not waste</p> <p>3 time during the trial with long speeches. There is a</p> <p>4 process to follow. It's making a motion on notice and</p> <p>5 that's what should happen and we're just wasting a lot of</p> <p>6 time with speeches when if they really have a basis, put it</p> <p>7 in motion papers. They can appeal it, they can do whatever</p> <p>8 they want with it, but this is just a waste of time, Your</p> <p>9 Honor.</p> <p>10 MR. KISE: Your Honor, just very briefly because</p> <p>11 Mr. Amer has now mentioned more specifically what I was</p> <p>12 referring to. Perhaps I was not transparent.</p> <p>13 The news this morning does in fact relate to</p> <p>14 extrajudicial conduct specifically and it makes specific</p> <p>15 allegations about specific extrajudicial conduct that</p> <p>16 violates Section 100.5 C2 of the rules governing judicial</p> <p>17 conduct with respect to contributions to partisan political</p> <p>18 activity.</p> <p>19 I -- since I don't know other than the news report,</p> <p>20 I haven't investigated, I haven't looked into anything other</p> <p>21 than what I'm saying, I'm not prepared to make a motion, but</p> <p>22 I did tell the Court just now that on Monday we may if this</p> <p>23 develops further, but I think it's incumbent to make the</p> <p>24 record. This information about extrajudicial conduct --</p> <p>25 THE COURT: It's not information. It's an</p>	
Proceedings	Page 3419	Proceedings	Page 3421
<p>1 notes being passed between a clerk and a judge and whether</p> <p>2 there are more notes being passed when one side's witness is</p> <p>3 on the stand versus another is a position I've never heard</p> <p>4 of and I think is completely frivolous. That's our</p> <p>5 position. I've never heard that and I don't think it has</p> <p>6 any merit.</p> <p>7 Bias. It's clear from the case law can only be</p> <p>8 established by extrajudicial conduct. You can not establish</p> <p>9 bias based on decisions that a judge makes or rulings on</p> <p>10 evidence that a judge makes during the course of a trial.</p> <p>11 If that were the case, Your Honor, every time a judge issues</p> <p>12 a partial summary judgment decision against one side then</p> <p>13 the judge would have to recuse himself or herself. That's</p> <p>14 not the law. Clearly it's not.</p> <p>15 And this Court has already issued a summary</p> <p>16 judgment decision that makes certain rulings and you cannot</p> <p>17 base a -- an argument or bias on rulings during the course</p> <p>18 of the case.</p> <p>19 No party, no party has the right to be privy to the</p> <p>20 internal deliberations of a chambers. That's absolutely</p> <p>21 clear and that includes knowing when and how many notes are</p> <p>22 being passed one way or the other.</p> <p>23 And finally, and I would implore you to please, you</p> <p>24 know, compel that if the other side has evidence of</p> <p>25 extrajudicial conduct that they believe is a basis for</p>		<p>1 allegation. I don't even know what you're talking about,</p> <p>2 but I'll respond later.</p> <p>3 MR. KISE: The allegation --</p> <p>4 THE COURT: Thank you.</p> <p>5 MR. KISE: -- was made and apparently delivered to</p> <p>6 the Court and that's something that has been brought to our</p> <p>7 attention so we have to raise it.</p> <p>8 MR. WALLACE: I'm sorry to interrupt. Mr. Wallace.</p> <p>9 Can I just ask what is the report you're discussing? Where</p> <p>10 does it appear?</p> <p>11 MR. KISE: I'm not the Internet person. I want to</p> <p>12 say it's on -- hold on. I want to say it's on Breitbart</p> <p>13 maybe, but I don't know. I don't know. I think it's on</p> <p>14 Breitbart. It's on a news outlet. We get pummeled with</p> <p>15 news information.</p> <p>16 In all events, I've made the record and I</p> <p>17 appreciate you allowing me to make the record. I do take</p> <p>18 the matter seriously and we're not just wasting time as</p> <p>19 Mr. Amer just said. These are important matters and they</p> <p>20 deserve at least to be heard and you have allowed that.</p> <p>21 Thank you, Judge.</p> <p>22 THE COURT: Well, I agree with Mr. Amer's points.</p> <p>23 As to Mr. Kise, I'll respond, not to everything.</p> <p>24 If I don't respond to something, doesn't mean I accept it or</p> <p>25 agree with it. You covered a lot of ground.</p>	

Proceedings Page 3422

1 First of all, this idea that somebody had notified  
2 me, what was that, on October 3rd or --  
3 MR. KISE: What I understand, yes.  
4 THE COURT: Absolutely untrue, okay. Absolutely  
5 untrue. I don't remember and my memory is good enough to  
6 remember whether I would have received such an allegation,  
7 so that's that.  
8 Secondly, I have no idea until you said Breitbart  
9 what this news allegation is. I'll let everybody in the  
10 room decide what they think of Breitbart.  
11 Third, having gotten myself elected twice --  
12 actually, three times, I'm not an expert on political  
13 fundraising campaign contributions. When a non-judge or a  
14 judge is running for office there are window periods -- I  
15 won't make a whole lecture because I couldn't. I think it's  
16 nine months before and six months after you're allowed to  
17 spend money. Okay, neither of us is an expert.  
18 So I'm sorry we've descended to this level where an  
19 allegation that the first part I know is untrue or at least  
20 I'm 99 percent sure is untrue and the second part what I  
21 didn't report today, I don't know. I can't comment.  
22 It's a shame we've descended to this level. I  
23 totally agree the world is watching. I've gotten, you know,  
24 a sense that it's not just the country. It's the world.  
25 As for the camera being moved, I was vaguely aware

Proceedings Page 3423

1 that Rob, the tech person, was switching the angle of the  
2 camera. Never occurred to me that it could have anything to  
3 do with what we're discussing today or why it was.  
4 So I just want to move forward with the trial. I  
5 just want to do the best job I can do. I want to be  
6 straight down the middle. I don't regard this as political.  
7 It's a trial about Executive Law 6312 and the other second  
8 through seventh cause of action provisions.  
9 So I hope we've all said what we feel like we need  
10 to say. Anything else?  
11 Okay. Mr. Amer, would you like to continue your  
12 examination?  
13 MR. AMER: I would. We would like to recall back  
14 to the stand Eric Trump.  
15 (Whereupon, the witness approaches the witness  
16 stand.)  
17 THE COURT: Morning. I'll remind the witness that  
18 he's still under oath, as I always do.  
19 And let's proceed.  
20 CONTINUED DIRECT EXAMINATION  
21 BY MR. AMER:  
Q Thank you.  
Mr. Trump before breaking for the day yesterday, we  
were discussing the October 2021 video conference call that  
Mr. Birney had testified about. Do you recall that?  
JCL

Page 3424

E. Trump - Plaintiff - direct (Amer)

A I do.

Q And you'll recall he testified that he remembered that  
you and your brother, Donald Trump, Jr., were on the call and  
that the purpose of the call was to make the two of you aware of  
the change in methodology for valuing the golf clubs in the 2021  
Statement of Financial Condition. Do you recall that?

A Yes, I do.

Q So I just want to ask you a few questions about matters  
that you were aware of at the point in time when this call  
happened.

In October of 2021, you did know about the Attorney  
General's investigation that led to this enforcement action;  
correct?

A Yes. I would have been working with legal counsel.

Q And you knew that the investigation focused on the way  
assets were being valued in your father's Statement of Financial  
Condition; yes?

A Absolutely, yes.

Q And a year before that call took place you sat for an  
interview in connection with the Attorney General's  
investigation where you provided testimony under oath in  
response to questions; right?

A That's correct.

Q And those questions were about the Statement of  
Financial Condition as well as other matters; correct?

JCL

Page 3425

E. Trump - Plaintiff - direct (Amer)

A Yes.

Q So I'm just going to ask you is it your testimony here  
today that you have no recollection of participating in a video  
call that occurred two years ago involving the same subject  
matter as the ongoing Attorney General investigation that you  
were aware of at the time; is that right?

A I'm testifying that I don't recall a specific call out  
of thousands of calls on every single day. There isn't a  
question there were conversations in the organization about the  
Statement of Financial Condition after this action started.

Q But your testimony is that you have no recollection of  
this specific call that Mr. Birney testified about at trial; is  
that right?

A Mr. Amer, I --

Q Yes or no?

A I pick up my phone at 5 o'clock in the morning and I  
put it down at midnight. I don't remember a specific call.  
There are thousands of conversations about the Statement of  
Financial Condition after this exercise commenced.

Q Just to be clear, you do not remember the call that  
Mr. Birney testified about?

A I don't remember it.

MR. ROBERT: Objection. Asked and answered.

A I don't remember a specific call three years ago, no.

THE COURT: Let's move on.

JCL

<p style="text-align: right;">Page 3426</p> <p style="text-align: center;">E. Trump - Plaintiff - direct (Amer)</p> <p>Q We're good.</p> <p>Let me ask you a couple follow-up questions that you gave toward the end of the day about a distinction you were drawing between the appraisals for easement donations and the exercise of valuing the assets for the Statement of Financial Condition.</p> <p>MR. AMER: Let's go ahead and pull up the testimony. It's page 3376, line 13 to 3377, 5.</p> <p>Q And I'll just sort of paraphrase your answer, but please feel free if you need to read the whole thing.</p> <p>The gist of your testimony yesterday was that the exercise conducting an appraisal for an easement donation and the exercise of valuing the assets for the Statement of Financial Condition were, as you say on line 21, "two totally different exercises;" is that right?</p> <p>A Yes.</p> <p>Transcript continues on the following page....</p> <p style="text-align: right;">JCL</p>	<p style="text-align: right;">Page 3428</p> <p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER)</p> <p>1 Q And based on this e-mail, it appears that that's what</p> <p>2 you told Mr. McArdle, correct?</p> <p>3 A It looks like that I say \$1,000 a square-foot would</p> <p>4 absolutely be achievable for the product that we were going to</p> <p>5 build, yes.</p> <p>6 MR. AMER: Let's go ahead and pull up the 2013</p> <p>7 supporting data spreadsheet which is Plaintiff's Exhibit 708</p> <p>8 in native. Let's look at Rows 253 to 267.</p> <p>9 Q This is the section that discusses the valuation of the</p> <p>10 71 mid rise units. That was the subject of Mr. McArdle's</p> <p>11 engagement, correct?</p> <p>12 A Correct.</p> <p>13 Q And line 264, what is the price per square-foot that</p> <p>14 Mr. McConney is using?</p> <p>15 A A thousand dollars a square-foot.</p> <p>16 Q The same number that you provided to Mr. McArdle,</p> <p>17 correct?</p> <p>18 A Yes. I told you yesterday that those numbers look like</p> <p>19 they would be very accurate for the project that we had in mind.</p> <p>20 Q Okay. And let's put up some other testimony on the</p> <p>21 same subject matter from yesterday. This is at line 3367.</p> <p>22 Sorry. Page 3367, line 9 to 15 and this is a quick Q&amp;A, so I'll</p> <p>23 just read it.</p> <p>24 "QUESTION: Mr. Trump, to your knowledge, did you</p> <p>25 ever forward to Mr. McConney or tell Mr. McConney anything</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3427</p> <p>1 Q And if you go down to the next page and you again</p> <p>2 emphasize that they are two very different topics; is that</p> <p>3 right?</p> <p>4 A For the reason I noted above, yes.</p> <p>5 Q Okay. Let's look at Plaintiff's Exhibit 3196 which is</p> <p>6 already in evidence. This is an e-mail exchange from</p> <p>7 David -- this is an e-mail from David McArdle to a consultant</p> <p>8 that he testified he reached out to on September 13, 2013</p> <p>9 related to Briarcliff and you are not on this e-mail, but it</p> <p>10 does reference you.</p> <p>11 So I want to just ask you about the second to last</p> <p>12 sentence of that first paragraph. Mr. McArdle said to his</p> <p>13 consultant, "of Course, Eric has lofty ideas on value and</p> <p>14 assumes \$1,000 plus price PSF, per square-foot, is no problem."</p> <p>15 Do you see that?</p> <p>16 A I do, and I think the market today would show that that</p> <p>17 would be --</p> <p>18 THE COURT: Wait. Wait. The question was just do</p> <p>19 you see that. One step at a time.</p> <p>20 A Yes.</p> <p>21 Q And do you have any reason to doubt that Mr. McArdle is</p> <p>22 accurately reflecting what you told him about your ideas on</p> <p>23 value?</p> <p>24 A I think \$1,000 a square-foot would absolutely be</p> <p>25 achievable, yes.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3429</p> <p>1 about Mr. McArdle's valuation?</p> <p>2 "ANSWER: I would have never thought to, no.</p> <p>3 "QUESTION: So the answer is you did not?</p> <p>4 "ANSWER: I didn't -- no, I did not. I would have</p> <p>5 never thought to because I didn't work on this document.</p> <p>6 THE COURT: Wait a minute. Wait a minute. You</p> <p>7 said, "I didn't know." It sounds like "I'm not aware of."</p> <p>8 I would read that, "I didn't, no."</p> <p>9 THE WITNESS: Exactly, Your Honor. Anything in</p> <p>10 life is possible. I sent thousands of e-mails every day.</p> <p>11 Anything is possible.</p> <p>12 Q I didn't ask you a question.</p> <p>13 THE COURT: There's no question.</p> <p>14 MR. AMER: Apologize, Your Honor. I do recall</p> <p>15 reading it, so I may not have used the inflexion that I</p> <p>16 should have, but I appreciate your point.</p> <p>17 Q Let's look at Plaintiff's Exhibit 1074. This is an</p> <p>18 e-mail exchange that you have with Mr. McConney in September of</p> <p>19 2013, correct?</p> <p>20 A Looks to be, yes.</p> <p>21 MR. AMER: I move to admit into evidence, Your</p> <p>22 Honor.</p> <p>23 MR. ROBERT: Statute of limitations.</p> <p>24 THE COURT: Overruled. It is in.</p> <p>25 (Whereupon, the Document was marked in evidence as</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3430</p> <p>1 Plaintiff's Exhibit 1074.)</p> <p>2 Q I'm just going to look at the e-mails from the bottom</p> <p>3 up. The first e-mail is an e-mail from Mr. McConney to you</p> <p>4 where he says, "Eric, did the appraisal come in yet. Thanks,</p> <p>5 Jeff." Do you see that?</p> <p>6 A I do.</p> <p>7 Q And then the middle e-mail is from you back to Mr.</p> <p>8 McConney. "I have a call with David tomorrow at 1:30. Would</p> <p>9 you like to join." That's a reference to David McArdle,</p> <p>10 correct?</p> <p>11 A Yes.</p> <p>12 Q You were inviting him to join the call that you're</p> <p>13 going to have with Mr. McArdle the next day at 1:30, correct?</p> <p>14 A It's very diligent of me. I'm very proud of myself.</p> <p>15 Yes, I am inviting my controller to join a call that apparently</p> <p>16 I had with David McArdle.</p> <p>17 Q So you thought it was appropriate to have Mr. McConney</p> <p>18 join the call that you were going to have with Mr. McArdle; yes</p> <p>19 or no?</p> <p>20 A I asked him if he wanted to join, yes.</p> <p>21 Q In the top e-mail, Mr. McConney says in response to</p> <p>22 you, "I don't need to be on the call. I'd just like to know the</p> <p>23 value, so I can use it for your dad's F/S." That's what he</p> <p>24 wrote back to you, correct?</p> <p>25 A Correct.</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3432</p> <p>1 yes or no?</p> <p>2 A Sitting here today, ten years later, I would have zero</p> <p>3 recollection of that.</p> <p>4 MR. AMER: Okay. Let's go ahead and put up the 2016</p> <p>5 Jeff Supporting Data which is Plaintiff's Exhibit 742 in</p> <p>6 evidence and I'd like to take us to Row 927.</p> <p>7 Q You'll see Row 927 is the row that relates to Seven</p> <p>8 Springs and has the valuation. If we just go up to check the</p> <p>9 dates, there's the value in Column G. Just go up until we hit a</p> <p>10 date for Column G. Column G is 2015, June 30, 2015 and Column H</p> <p>11 is June 30, 2016. Let's now go back to Row 927. And you see</p> <p>12 that Mr. McConney's note says, "even Springs per appraisal for</p> <p>13 easement."</p> <p>14 And I'll represent to you, and we can put up the</p> <p>15 testimony if you'd like to see it, but I'll represent to you</p> <p>16 that Mr. McConney testified at trial that because the donation</p> <p>17 was made after June 30, 2015, he used the before value from the</p> <p>18 appraisal of 56 million for the 2015 value and he used the after</p> <p>19 value from the appraisal of 35.4 million for the value in 2016.</p> <p>20 Mr. Trump, were you aware that Jeffrey McConney used</p> <p>21 the Cushman appraisal for the easement donation on Seven Springs</p> <p>22 as the basis for the value of the asset in both 2015 and 2016;</p> <p>23 yes or no?</p> <p>24 A Not to the best of my knowledge, no.</p> <p>25 Q I'd like to talk to you now about some certifications</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3431</p> <p>1 Q And you understood "F/S" to mean financial statement,</p> <p>2 right?</p> <p>3 A A financial statement of my father's yes.</p> <p>4 Q So at least on this one occasion, you did think it was</p> <p>5 appropriate to share Mr. McArdle's valuation with Mr. McConney;</p> <p>6 yes or no?</p> <p>7 A Yes, clearly, I was very diligent. I asked him if he</p> <p>8 would like to join our call.</p> <p>9 Q Now, you testified you were aware that there was a</p> <p>10 conservation easement donation over the Seven Springs property</p> <p>11 in 2015, right?</p> <p>12 A Correct.</p> <p>13 Q And you are aware that that easement donation was based</p> <p>14 on an appraisal done by Cushman &amp; Wakefield, yes?</p> <p>15 A Yes, I am.</p> <p>16 Q Are you aware that the final appraisal for the Seven</p> <p>17 Springs easement donation was a kind of appraisal known as a</p> <p>18 before and after appraisal?</p> <p>19 A I wouldn't get into these details. I would leave</p> <p>20 something like that to Sheri Dillon.</p> <p>21 Q My question wasn't about who you would leave the</p> <p>22 details to.</p> <p>23 A I don't know the appraisal methodology of exactly what</p> <p>24 happened behind the scenes, no.</p> <p>25 Q Do you know that it was a before and after appraisal;</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3433</p> <p>1 you signed. Let's look at Plaintiff's Exhibit 1330 in evidence.</p> <p>2 This is a document entitled, "power of attorney." I'll wait</p> <p>3 until we get you a copy. If you turn to page 6 of 8 of this</p> <p>4 document, you'll see that -- do you recognize that as your</p> <p>5 father's signature under the principal line?</p> <p>6 A It is very distinctive. I do.</p> <p>7 Q And he signs it on March 9th of 2017, correct?</p> <p>8 A Correct.</p> <p>9 Q And on page seven, it lists both you and your brother</p> <p>10 Donald Trump, Jr. as the agents, correct?</p> <p>11 A That's correct.</p> <p>12 Q And is that your signature on the second line?</p> <p>13 A Yes, it is.</p> <p>14 Q And you and your brother both signed this document on</p> <p>15 March 13th of 2017, correct?</p> <p>16 A Yes, we did.</p> <p>17 Q And page three of the document shows the grant of</p> <p>18 authority. Do you see that?</p> <p>19 A I do.</p> <p>20 Q And to just to go through this quickly, your father</p> <p>21 initials item P, which indicates a grant of authority for items</p> <p>22 A and D above. A is real estate transactions. D is banking</p> <p>23 transactions. Do you see that?</p> <p>24 A That's correct.</p> <p>25 Q And then under G, modifications, there is an underlying</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3434</p> <p>1 paragraph. I'm just going to read it. "The authority granted 2 hereunder is solely with respect to the execution and delivery 3 of certifications and similar documentation (including without 4 limitation compliance certificates) in connection with existing 5 financings in which Donald J. Trump is a guarantor." 6 Do you see that? 7 A Absolutely. 8 Q Can we agree that this is the document that authorized 9 you to sign certifications as attorney in fact for your father 10 in connection with loans? 11 A That looks to be accurate, yes. 12 Q Let's go ahead and look at some certifications for 13 2020. We are going to look at Exhibit 518. You'll see that the 14 first page is an e-mail from Adam Rosen to an individual at 15 db.com, which is Deutsche Bank. 16 Do you see that? 17 A I do. 18 Q His attachment lists a number of compliance 19 certificates -- sorry. The e-mail lists as attachments a 20 number of compliance certificates. Do you see that? 21 A Yes, I do. 22 Q Do you recall that you were the person who signed these 23 2020 certificates? 24 A Yes, I do. 25 Q If we could just quickly look at them and identify your</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3436</p> <p>1 Statement of Financial Condition as of June 30, 2020 shall be 2 submitted to the lender no later than December 31, 2020." 3 Do you see that? 4 A That's what it says, yes. 5 Q So it appears that that statement was not ready yet to 6 be included in the certification as of the date the 7 certification was signed, right? 8 A I wouldn't know the answer to that question. That's a 9 legal or accounting question. I would have no idea sitting here 10 today. 11 Q It is a question about whether the Statement of 12 Financial Condition was available as of this date. 13 A I just -- I don't know the date of this document so it 14 is a little bit hard for me to say. 15 Q Let's scroll down. The other way. Sorry. It is dated 16 October 28, 2020? 17 A Scroll back down, please. 18 Understood. It looks like it wasn't due until 19 December 31, 2020. 20 Q Do you know why it wasn't ready yet by the date of this 21 certification? Just yes or no. 22 A I would have no idea. 23 Q And there's the same statement in absence of an "X" in 24 the box for the other two compliance certificates, so can we 25 agree your response would be the same for those as well?</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3435</p> <p>1 signature the on these. Page three, if you'd look at that 2 first, that's your signature, correct? 3 A Yes, it is. 4 Q And page five, that's your signature, correct? 5 A Yes, it is. 6 Q And page seven, that's your signature, correct? 7 A That's my signature, yes. 8 MR. AMER: Your Honor, I move to admit this into 9 evidence. 10 THE COURT: It's in. Granted. 11 (Whereupon, the Document was marked in evidence as 12 Plaintiff's Exhibit 518.) 13 MR. AMER: Thank you. 14 Q Let's go back to page two of the exhibit. This is the 15 compliance certificate for the Chicago loan, correct? 16 A That's correct. 17 Q And under the first numbered paragraph, "financial 18 information," I'm correct that there's no "X" mark next to the 19 first bullet that indicates the 2020 Statement of Financial 20 Condition as attached, correct? 21 A That looks to be correct, yes. 22 Q And the paragraph underneath the three bullets 23 indicates in the second sentence, "As agreed by lender and 24 without prejudice to lender's reliance on the certifications 25 herein, guarantor hereby certifies that the guarantor's</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3437</p> <p>1 A If it saves this Court time, absolutely. 2 THE COURT: It does. 3 MR. AMER: It does. 4 THE WITNESS: Your Honor, there we go. 5 Q And if you look -- if we go down in the document, 6 there are certain facts being stated in paragraph four about the 7 net worth of the guarantor. Do you see that? 8 A I do. 9 Q Can we agree that by executing -- by the way, there 10 are -- there's a net worth of guaranty section in the other two 11 certificates as well. Can we agree that by that executing each 12 of the three certifications as Donald J. Trump's attorney in 13 fact, you were certifying to Deutsche Bank the facts set forth 14 in the net worth of guaranty section in each of the 15 certifications, yes? 16 A Absolutely. 17 Q And when you executed these three certifications, you 18 intended the bank to rely on the certifications; isn't that 19 right? 20 A I don't know what the bank does with the 21 certifications. I certified something that I believe was 22 accurate and my lawyers told me that it was accurate and our 23 financial people told me it was accurate and that's absolutely 24 accurate. As to what Deutsche Bank does with a piece of paper 25 like this, I have no idea.</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3438</p> <p>1 Q Let me just be clear because I don't think that was my 2 question. I'm not asking you about what you think the bank did 3 or didn't do with the certification. I'm asking you about your 4 own intention when you sign this. 5 Is it correct that when you signed this, it was your 6 intent that the bank rely on these certifications to satisfy 7 obligations under the loan agreements; yes or no? 8 A No. 9 Q Your answer is no, you didn't have that intent? 10 A I don't choose what somebody relies on. What the bank 11 wants to rely on, they can rely on. I believe everything I put 12 in this statement was absolutely accurate and I stand by it 13 100 percent. As to what Deutsche Bank Deutsche Bank does with, 14 it is their purview, their own company. 15 Q Let me ask it this way. Was it your purpose and intent 16 of signing the certification to satisfy the obligations of the 17 borrower under the loan agreements that these certifications 18 relate to; yes or no? 19 A I don't know. 20 Q You did intend for this to be accurate, though, 21 correct? 22 A Yes. I think my father's net worth is far higher than 23 that number, yes. 24 Q Let's go ahead and look at Plaintiff's Exhibit 517. 25 This is now October 28, 2021 and this is a certification</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3440</p> <p>1 A That is certainly our belief, yes. 2 Q And you intended that to be an accurate representation, 3 correct? 4 A I wouldn't sign something if it wasn't accurate, so 5 yes. 6 Q And let's go ahead and mark as Plaintiff's Exhibit 516 7 the next certification. And this is a 2021 certification for 8 the Chicago loan, correct? 9 A Yes, it is. 10 Q And that's your signature on the second page of the 11 document, right? 12 A Yes, it is. 13 MR. AMER: Your Honor, I move to admit this into 14 evidence. 15 THE COURT: Granted. It's in. 16 (Whereupon, the Document was marked in evidence as 17 Plaintiff's Exhibit 516.) 18 Q By signing this document -- if we look at the first 19 page again, by signing this document, you certified as attorney 20 in fact for your father that Donald J. Trump's 2021 Statement of 21 Financial Condition presents fairly in all material respects the 22 financial condition of Donald J. Trump as of June 30, 2021, 23 correct? 24 A That's certainly what it says, yes. 25 Q You intended this to be an accurate representation when</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3439</p> <p>1 relating to Trump Endeavor 12, LLC. Do you see that? 2 A Yes, I do. 3 Q Is that the Doral loan? 4 A That is Trump Doral. 5 Q And it's your signature on the second page of this 6 document, yes? 7 A Yes, it is. 8 MR. AMER: Your Honor, I move to admit this into 9 evidence. 10 THE COURT: Granted. It is in. 11 (Whereupon, the Document was marked in evidence as 12 Plaintiff's Exhibit 517.) 13 Q If we go to the first page and for this certification, 14 the box is -- got an "X" mark in the first bullet that says, 15 "Attached hereto is the guarantor's Statement of Financial 16 Condition as of June 30, 2021," correct? 17 A That's correct. 18 Q So in 2021, the Statement of Financial Condition was 19 available to be attached to this certification, correct? 20 A It certainly appears that way, yes. 21 Q And by signing this document, you certified as attorney 22 in fact for your father that Donald J. Trump's 2021 Statement of 23 Financial Condition presents fairly in all material respects the 24 financial condition of Donald J. Trump as of June 30, 2021, 25 correct?</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3441</p> <p>1 you signed it, correct? 2 A I would not sign something that was not accurate. 3 MR. AMER: And the next document is Plaintiff's 4 Exhibit 515. 5 A Mr. Amer, I could probably save you some time. I think 6 my answers are going to be the exact same to every one of them. 7 Q It's going to be very quick, but I just need to do it. 8 These are important documents. 9 THE WITNESS: Just to save Your Honor some time. 10 THE COURT: I appreciate the witness' desire to 11 save time. Let Mr. Amer do what he needs to do ASAP, 12 quickly. 13 MR. AMER: I think I've been doing that, Your 14 Honor. 15 Q This is the certification for the Old Post Office loan, 16 correct? 17 A Yes, that's correct. 18 Q That's your signature on the second page, correct? 19 A Yes, it is. 20 MR. AMER: I move to admit this into evidence. 21 THE COURT: Granted. It is in. 22 (Whereupon, the Document was marked in evidence as 23 Plaintiff's Exhibit 515.) 24 Q And by signing this document, you certified on behalf 25 of your father as his attorney in fact that Donald J. Trump's</p>

<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3442</p> <p>1 Statement of Financial Condition present the fairly in all 2 material respects the financial condition of Donald J. Trump as 3 of June 30, 2021, correct? 4 A Correct. 5 Q And you intended this to be accurate when you signed 6 it, correct? 7 A I would not sign something that wasn't accurate. 8 Q Now, we've just looked at three certifications you 9 signed stating that your father's 2021 Statement of Financial 10 Condition presents fairly in all material respects the financial 11 condition of your father as of June 30, 2021. 12 Can you tell us what, if anything, you did to ascertain 13 that the 2021 Statement of Financial Condition in fact presents 14 fairly all material -- in all material respects the financial 15 condition of your father as of June 30, 2021? 16 A I relied on a very big accounting office. I relied on 17 one of the biggest accounting firms in the country. And I 18 relied on a great legal team and when they gave me comfort that 19 the statement was perfect, I was more than happy to execute it. 20 Q Did you personally review any of the methodologies used 21 to value any of the assets in the 2021 Statement of Financial 22 Condition, yes or no? 23 A No. 24 Q Did you personally review any of the supporting data 25 prepared by Patrick Birney in connection with the preparation of</p>	<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3444</p> <p>1 incorporated herein by their "-- herein in their entirety by 2 this reference." Do you see that? 3 A I do. 4 Q And you understood when you signed this loan 5 modification that you were confirming that representation and 6 warranty, correct? 7 A That's what it says. 8 Q And you intended that representation to be accurate 9 when you signed this document, right? 10 A I wouldn't sign something that I thought was 11 inaccurate. 12 Q Let's go ahead and move to Mar-A-Lago. Let me show you 13 Exhibit 1382 in evidence. It is already in evidence. Mr. 14 Trump, you'll see that there are two e-mails here. The first 15 is -- the bottom e-mail is from a gentleman, Mr. Corbiciero who 16 was a tax advisor to the company and his e-mail is dated 17 November 17, 2021 and he's sending it to Ray Flores. Mr. Flores 18 reported to you, correct? 19 A Yes, Mr. Flores worked in our office. 20 Q Not my question, though. 21 He reported to you, correct? 22 A He had several different reports. 23 Q Were you one of them? 24 A Oh, absolutely. Yes, I was. 25 Q And the subject matter of the e-mail is Mar-A-Lago</p>
<p>E. TRUMP - PLAINTIFF - DIRECT(MR. AMER) Page 3443</p> <p>1 the 2021 Statement of Financial Condition yes or no? 2 A Not that I can remember. 3 Q One more certification. It's Plaintiff's Exhibit 76. 4 Actually, let me rephrase that. This is a loan modification, 5 not a certification. 6 Do you recognize this as the July 9, 2019 loan 7 modification relating to the Seven Springs mortgage? 8 A Yes, I do. 9 Q And am I correct that you executed this document on 10 behalf of Seven Springs, LLC as its president? 11 MR. AMER: If we go to the signature page. 12 A It looks like that I did it as attorney in fact for my 13 father. 14 Q Were you at this time the president of Seven Springs, 15 LLC? 16 A I likely was, yes, July 9th of 2019. 17 MR. AMER: Your Honor, I move to admit this 18 document. 19 THE COURT: Granted. It's in. 20 (Whereupon, the Document was marked in evidence as 21 Plaintiff's Exhibit 76.) 22 Q Let's go to paragraph 8H. You'll see 8H says, "All of 23 the representations and warranties of borrower under the loan 24 documents are hereby restated and reaffirmed as true and correct 25 by borrower as of the date thereof and hereof and are</p>	<p>Page 3445</p> <p>1 homestead exemption. Do you see that? 2 A I do. 3 Q Then if you look at the top e-mail, Mr. Flores is 4 passing this along to both you and Mr. Weisselberg. Do you see 5 that? 6 A I do. 7 Q And he passes it along for your information and asks 8 you to let him know if you'd like to discuss this homestead 9 exemption further. Do you see that? 10 A I do. 11 Q Do you recall receiving this e-mail and reviewing it? 12 A I recall some details about this issue, yes. 13 Q And if we look at the second sentence of Mr. 14 Corbiciero's e-mail, he writes, "Last year, we briefly discussed 15 the possibility of filing for a homestead exemption on the 16 Mar-A-Lago property since President Donald Trump had really 17 declared Palm Beach and the Mar-A-Lago property as his permanent 18 residency." You were certainly aware of that fact, right? 19 A Absolutely. 20 (Continued on the next page.) 21 22 23 24 25</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3446</p> <p>1 Q And then the second paragraph I'm going to walk you 2 through and ask you some questions about -- he begins by saying, 3 "in order to do this and this being filing for a homestead 4 exemption, Mr. Trump would have to meet certain requirements to 5 establish residency." 6 Did you understand when you got this e-mail and 7 reviewed it that there were certain requirements that would need 8 to be met in order for your father to file for a homestead 9 exemption now that he was legally declaring Palm Beach to be his 10 legal residence? 11 A It's certainly what it says. 12 Q My question is different. 13 A Do I understand it? Yes, I understand. 14 Q Okay. 15 THE COURT: Mr. Amer, try not to say "okay." 16 MR. AMER: I will try not to. 17 Q Skipping two sentences down, he says "since the private 18 club is currently owned by a corporation, the property ownership 19 would need to be changed/transferred into his name as an 20 individual and not under a corporation." 21 First of all, at this point in time you and your 22 brother were running the company; right? 23 A Yes, I would have been the head of the company at this 24 time. 25 Q Were you aware that Mar-A-Lago was owned by a</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3448</p> <p>1 was being assessed as a private club at a rate that applied to a 2 commercial property? 3 A Certainly says that. 4 Q My question is a little different. 5 Were you aware of that fact in this time frame? 6 A I don't think I'd be so nitty-gritty that I focused on 7 details like this. This is just not what an executive at my 8 level focuses on. I certainly see it says that in words. 9 Q And when you reviewed this you would have understood it 10 at the time; right? 11 A Presumably. I'm not sure how much attention I paid to 12 this to tell you the truth. 13 Q Goes on to say "the surrounding residential properties 14 are assessed on average of over 2,000 per square foot with a 15 recent sale just over \$3,000 per square foot." 16 Mr. Trump, did you understand that there was a 17 different rate that applied to residential properties versus 18 commercial properties in Florida? 19 A As a real estate guy do I think that residential 20 properties are taxed differently than commercial properties? 21 Yes, absolutely. 100 percent. 22 Q I want to be more specific. Did you understand that in 23 the state of Florida residential properties were assessed at a 24 higher rate per square foot than commercial properties; yes or 25 no?</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3447</p> <p>1 corporation as of this time? 2 A I don't think we have a single asset that wouldn't be 3 owned in an entity structure. It's just not how you own real 4 estate. Yes, I would be aware of that it's owned in form of 5 entity. 6 Q And you were also aware it was being operated as a 7 private club; right? 8 A As a club, yes. 9 Q He goes on to say "if he was to meet all these 10 requirements then the part of the property that he uses as a 11 residence would be eligible for homestead. The property 12 appraiser would need to come out and do a property inspection 13 and measure the residential area and that portion of the 14 assessment would receive the homestead exemption." 15 Did you read and understand what Mr. Corbiciero was 16 saying would have to happen to the property in order for your 17 father to file for homestead exemption? 18 A That's what it said. I, again, don't remember much 19 about this, but sure, I certainly trust the words on this piece 20 of paper. 21 Q Let's look at the next paragraph. 22 Mr. Corbiciero says "currently, this property is 23 assessed as a private club with the current assessed value at 24 \$359 per square foot." 25 Did you understand in November of 2019 that Mar-A-Lago</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3449</p> <p>1 A I would have no idea. 2 Q That's what this says, though? We can agree? 3 A That's what -- sure. That's what this says. 4 Q And you would have understood that when you reviewed 5 this e-mail which you indicated to us you did; right? 6 A Very tangentially. 7 Q And he goes on to say "if the property appraiser were 8 to separately assess the residential portion of Mar-A-Lago in 9 order for it to qualify for homestead, we believe this would 10 result in a much higher assessment and therefore outweigh the 11 potential tax savings from the \$50,000 homestead exemption in 12 the immediate future." Do you see that? 13 A Yes, I do. 14 Q So did you understand from reviewing this e-mail that 15 by categorizing a portion of Mar-A-Lago as residential it would 16 increase the tax assessment because the rate that applies to 17 residential properties is much higher than the rate that applies 18 to commercial properties? 19 A Potentially. Again, as I said, I probably didn't focus 20 too much on an e-mail like this. 21 Q Let's look at Plaintiff's Exhibit 1352, which is the 22 2021 supporting data that's in evidence. 23 I'm going to ask to look at Rows 184 and 185 relating 24 to Mar-A-Lago. Do you see in Row 185 it says "value if sold to 25 individual?"</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3450</p> <p>1 A Yes, I do.</p> <p>2 Q Did you understand at the time that you certified the</p> <p>3 2021 statement of financial -- sorry -- withdrawn.</p> <p>4 Did you understand when you certified to Deutsche Bank</p> <p>5 that the 2021 Statement of Financial Condition presents fairly</p> <p>6 in all material respects the financial condition of your father</p> <p>7 as of June 30, 2021 that Mar-A-Lago was being valued as if it</p> <p>8 were a private residence that could be sold to an individual;</p> <p>9 yes or no?</p> <p>10 A Well, I think I testified very extensively I haven't</p> <p>11 seen the backup, but Mar-A-Lago is a residence that could be</p> <p>12 sold to a private individual and we have that absolute zoning</p> <p>13 right to do so, so that doesn't surprise me at all that you</p> <p>14 value it that way.</p> <p>15 Q And you're saying that was your understanding at the</p> <p>16 time that you certified to Deutsche Bank that the 2021 statement</p> <p>17 presents fairly in all material respects the financial condition</p> <p>18 of your father; correct?</p> <p>19 A It's very clear that Mar-A-Lago is not a club. It's a</p> <p>20 private residence and yes -- so I see nothing wrong with that a</p> <p>21 hundred percent.</p> <p>22 Q And did you understand at the time that you certified</p> <p>23 to Deutsche Bank that the 2021 statement presents fairly in all</p> <p>24 material respects the financial condition of your father that at</p> <p>25 that time Mar-A-Lago was being valued for purposes of tax</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3452</p> <p>1 extra copy.</p> <p>2 A And I'm happy to read off the screen. I don't need the</p> <p>3 formalities.</p> <p>4 Q This is a Separation Agreement between the Trump</p> <p>5 Corporation and its various related entities and Allen</p> <p>6 Weisselberg. Do you see that?</p> <p>7 A Yes, I do.</p> <p>8 Q And I just want to confirm on page seven of eight that</p> <p>9 you are the person who signed this agreement on behalf of the</p> <p>10 company?</p> <p>11 A On page six?</p> <p>12 Q Yes. I'm using the page numbers at the very bottom</p> <p>13 next to the plaintiff's exhibit number. So it says page seven</p> <p>14 of eight?</p> <p>15 A Don't worry about it. I clearly signed this agreement.</p> <p>16 Q I just want the record to be clear we're looking at the</p> <p>17 right page?</p> <p>18 A Understood.</p> <p>19 Q Okay. And you signed this on January 12, 2023;</p> <p>20 correct?</p> <p>21 A It looks that way, yes.</p> <p>22 Q And we've had testimony from Mr. Weisselberg just so we</p> <p>23 have the timeline correct that he had pled guilty to 15 counts</p> <p>24 of tax fraud on August 18th of 2022, so several months before</p> <p>25 you signed this agreement. You were aware of his guilty plea</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3451</p> <p>1 assessment as though it were a commercial property used as a</p> <p>2 private club; yes or no?</p> <p>3 A It is being used as a private club.</p> <p>4 MR. AMER: Your Honor --</p> <p>5 A Yes.</p> <p>6 THE COURT: We'll take "yes" to be the answer.</p> <p>7 A It's used as a private club.</p> <p>8 Q And you understood that at the time you signed the</p> <p>9 certification; yes?</p> <p>10 A That Mar-A-Lago is a private club, yes. Mar-A-Lago is</p> <p>11 a private club.</p> <p>12 Q And more to the point that it was being assessed for</p> <p>13 property tax purposes as a private club; yes?</p> <p>14 A Sure. I think that's how you would assess it.</p> <p>15 Q Okay.</p> <p>16 THE COURT: Try not to say "okay". Even softly.</p> <p>17 THE WITNESS: If you're worried about me, it</p> <p>18 doesn't bother me.</p> <p>19 MR. AMER: The Judge has to be even handed. I take</p> <p>20 his point.</p> <p>21 THE WITNESS: I've got thick skin, Your Honor.</p> <p>22 THE COURT: Good. You'll need it.</p> <p>23 Q You'd be happy to hear I have one more document and the</p> <p>24 Judge will be happy to hear that it's already in evidence.</p> <p>25 And this is Exhibit 1751. I'm just waiting for the</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3453</p> <p>1 when you signed this document; correct?</p> <p>2 A I don't know what I was aware of when I signed this</p> <p>3 document. Presumably if this document would be after, yes; if</p> <p>4 it was before, clearly not. I don't --</p> <p>5 Q Well, I just said that he testified at trial that he</p> <p>6 pled guilty on August 18th of 2022, so that's --</p> <p>7 A Yes, I would have been aware if that's the case.</p> <p>8 Q And if you look at page two of the document under -- at</p> <p>9 the bottom of the "benefits" paragraph.</p> <p>10 MR. AMER: If we could blow that up.</p> <p>11 Q It says "the company agrees to make severance payments</p> <p>12 to the employee," that's Mr. Weisselberg, "in installments of</p> <p>13 250,000." I'm just paraphrasing pursuant to a schedule. Do you</p> <p>14 see that?</p> <p>15 A Yes, I do.</p> <p>16 Q And let's just quickly look at the schedule, which is</p> <p>17 the last page of the document.</p> <p>18 According to the payment dates Mr. Weisselberg has</p> <p>19 received only the first three of his eight installments;</p> <p>20 correct?</p> <p>21 A I presume that to be the case, yes.</p> <p>22 Q And if we go back to page two of the document under</p> <p>23 paragraph three there is a list of employee promises. Do you</p> <p>24 see that?</p> <p>25 A I do.</p>

<p>E. Trump - Plaintiff - direct (Amer) Page 3454</p> <p>1 Q And it says "in exchange for the benefits provided in 2 paragraph two, that would include the installment payments;" 3 right? 4 A Yes, I assume that's what it's referring to. 5 Q Mr. Weisselberg promises certain things. I just want 6 to highlight two of them. One of the things he promises is 7 Paragraph B, not to verbally or in writing disparage, criticize 8 or denigrate the company or any of its current or former 9 entities, officers, directors, managers, employees, owners or 10 representatives. Do you see that? 11 A Absolutely. 12 Q So one of the things he was promising not to do in 13 exchange for getting his payments was to not disparage, 14 criticize or denigrate you; correct? 15 A Certainly not a lawyer, but it seems like that's pretty 16 standard language for any severance agreement, yes. 17 Q So the answer is yes? 18 A I don't know what it's intended for, but it probably 19 means that he can't openly in the press disparage me, yes. I 20 would never disparage him. 21 Q But at any rate you are not getting installment 22 payments from him. He's getting installment payments from the 23 Trump Company; correct -- Trump Corporation? 24 A He's a man that worked at the company for 50 years. I 25 was -- ten years before I was born he was working at the</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3456</p> <p>1 Let me just stop there. Can we agree that one such 2 entity with adverse claims against the company at the point you 3 signed this is the Attorney General's Office of the State of New 4 York; yes? 5 A I don't know. This looks like pretty boilerplate 6 language for me in an agreement like this, but are you adverse 7 to us, yes. I think the whole world knows you're adverse to us, 8 so I will say yes. 9 Q "Or two, take any action to induce, encourage, 10 instigate, aid, abet or otherwise cause any other persons or 11 entity to bring or file a complaint, charge, lawsuit or other 12 proceeding of any kind against the company or any person or 13 entity released by this agreement." That was the second part of 14 that promise; correct? 15 A That's correct. 16 Q Okay. 17 MR. AMER: Sorry, Your Honor. 18 THE COURT: Mr. Amer, how much longer with the 19 witness, with this topic, etc.? 20 MR. AMER: Just a couple questions both with the 21 witness and with the document and I'm done. 22 THE COURT: Roughly how long? 23 MR. AMER: Two minutes. 24 THE COURT: Go right ahead. 25 Q Mr. Trump, did you participate in the business decision</p>
<p>E. Trump - Plaintiff - direct (Amer) Page 3455</p> <p>1 company, yes. 2 Q Okay. And in exchange for getting these installment 3 payments he's agreeing not to verbally or in writing disparage, 4 criticize or denigrate certain entities and individuals? And 5 I'm just asking you simply to confirm that those entities and 6 individuals would include you; correct? Yes or no? 7 A Well, I'm certainly an officer of the company, so, yes. 8 Q Okay. And it would also include your brother Donald 9 Trump, Jr.; correct? 10 A Very much sounds like it, yes. 11 Q And it would include your father Donald Trump; yes? 12 A Presumably. 13 Q And because it includes former officers it would 14 include your sister Ivanka Trump; correct? 15 A She would be a former officer, yes. 16 Q Okay. And then if we look at Paragraph D, another one 17 of the promises that Mr. Weisselberg makes in exchange for 18 getting his payments is "except for acts or testimony directly 19 compelled by subpoena or other lawful process issued by a Court 20 of competent jurisdiction," he will not, "one, communicate with, 21 provide information to or otherwise cooperate in any way with 22 any other person or entity, including his counsel or other 23 agents having or claiming to have any adverse claims against the 24 company or any person or entity released by this agreement with 25 regard to the adverse claim."</p>	<p>E. Trump - Plaintiff - direct (Amer) Page 3457</p> <p>1 to enter into this agreement with Mr. Weisselberg; yes or no? 2 A Yes. 3 Q And was entering into this agreement a business 4 decision that you approved; yes or no? 5 A I signed it. I clearly approved it. 6 Q And you testified at the very beginning of our session 7 yesterday that if your father directed you to take an action 8 post his leaving the presidency you would follow his direction. 9 Do you recall that? 10 A I do. 11 Q Did your father direct you to enter into this agreement 12 with Mr. Weisselberg? 13 A No, he did not. 14 Q Did he approve of it to your knowledge? 15 A I did this agreement with Mr. Weisselberg. He's a 16 person that worked with our organization for 50 years. I was 17 the person who did this, I was the person who signed it, I was 18 the person who negotiated it. 19 Q That doesn't really answer my question, which is 20 whether your area approved it; yes or no? 21 A He did not. 22 MR. AMER: That's all I have, Your Honor. 23 THE COURT: Give me a moment or two. 24 MR. AMER: We have some housekeeping. We don't 25 need do with the witness on the stand.</p>

Proceedings	Page 3458	Proceedings	Page 3460
<p>1 THE COURT: All right. We'll excuse the witness.</p> <p>2 Thank you.</p> <p>3 THE COURT OFFICER: Members of the audience, remain</p> <p>4 seated.</p> <p>5 (Whereupon, the witness is excused from the witness</p> <p>6 stand.)</p> <p>7 THE COURT: I'd like to go back to where we were</p> <p>8 this morning after our various statements on the record.</p> <p>9 I'll consider defendants' objection to by consulting with or</p> <p>10 receiving notes from my law clerk to be a continuing</p> <p>11 objection and I will continue to consult with the staff that</p> <p>12 I'm ethically allowed to consult with, that being my two law</p> <p>13 clerks and I will continue to do that for the trial.</p> <p>14 Mr. Kise and your colleagues, your record is</p> <p>15 preserved and going forward I don't want any other comments</p> <p>16 about my staff or how I communicate with them.</p> <p>17 Would you like to respond?</p> <p>18 MR. KISE: Again, just to be clear, Mr. Robert may</p> <p>19 have something as well.</p> <p>20 So then we are not permitted to note for the record</p> <p>21 just the observation? That's it? Without comment, without</p> <p>22 any argument? Just simply make a note on the record so that</p> <p>23 it's clear in the record what's taking place in the</p> <p>24 courtroom? Because otherwise there is no way to -- there is</p> <p>25 no other way to do it. I don't have another way to do it.</p>		<p>1 end of the case and so there has to be a complete record. I</p> <p>2 may have made a record to this point, but --</p> <p>3 THE COURT: But I'm giving you an opportunity to</p> <p>4 make a record going forward. I will continue to do it. If</p> <p>5 you want me to say every week or every day yes, I can</p> <p>6 communicate with my law clerk today or yesterday, I'll do</p> <p>7 that because I am absolutely certain that I have the right</p> <p>8 to do that and you can make whatever record you want, but</p> <p>9 let's not belabor this point.</p> <p>10 MR. KISE: I'm not trying to, but I just want to be</p> <p>11 clear the contemporaneous nature of it is relevant for</p> <p>12 purposes of the record. So, in other words, the fact that</p> <p>13 there are notes being passed in the abstract I might agree</p> <p>14 with you may not give rise to any issue, but if notes are</p> <p>15 being passed at certain specific times or if they're being</p> <p>16 passed in a way that might indicate some bias -- and I'm not</p> <p>17 going over that record again. It's there. That's a record</p> <p>18 that needs to be made contemporaneously. There is no other</p> <p>19 way to do it contemporaneously.</p> <p>20 To say at the end of the day yes, you received</p> <p>21 notes, okay, that may be fine. As you yourself indicated,</p> <p>22 you may receive notes about lunch. It's possible, so it's</p> <p>23 the contemporaneous nature of it and I'm not trying to</p> <p>24 burden the proceeding and we can even come up with a</p> <p>25 shorthand for it if you want me to note an objection or some</p>	
Proceedings	Page 3459	Proceedings	Page 3461
<p>1 There is no recording, there is no video. So the only way</p> <p>2 the record will reflect what's actually taking place is to</p> <p>3 have some reference.</p> <p>4 MR. WALLACE: Mr. Kise can note the number of notes</p> <p>5 passed and submit an affidavit if he chooses to make a</p> <p>6 motion at some point.</p> <p>7 MR. KISE: I don't know that we need to do that,</p> <p>8 but if something is taking place it could just be simple as</p> <p>9 making reference that the Court paused or the Court received</p> <p>10 a note. I mean, it doesn't have to reference anyone</p> <p>11 specific or any way. It's just we have to be able to make</p> <p>12 some record.</p> <p>13 THE COURT: Okay. You've made considerable record</p> <p>14 and I am stating on the record that I will continue to</p> <p>15 receive notes, consultations of any sort at anytime with my</p> <p>16 staff. So now you have as much as you need. If you want to</p> <p>17 appeal or move to recuse or whatever you want to do, you</p> <p>18 have plenty of ammunition. The problem is it's totally</p> <p>19 useless and meaningless because I have an unfettered,</p> <p>20 absolute right to consult with my law clerks anytime,</p> <p>21 anyplace about any matter. Go ahead.</p> <p>22 MR. KISE: All I'm saying is from here forward the</p> <p>23 record isn't complete so between now and the end of the</p> <p>24 trial, there may be other things we have to note.</p> <p>25 Appeals, as you know, generally take place at the</p>		<p>1 statement like that just so it's in the record. If that's</p> <p>2 what that means we're happy to do that. We're not trying to</p> <p>3 disrupt. It's just in order to have a complete record for</p> <p>4 appellate purposes. And what we do with that record will</p> <p>5 have to be decided at the time by maybe the appellate</p> <p>6 lawyers. We just have to be able to make the record on a</p> <p>7 contemporaneous basis. That's all I'm saying.</p> <p>8 Mr. Robert.</p> <p>9 THE COURT: You've had, what is it, four weeks now?</p> <p>10 And you've made a record continuously and I completely agree</p> <p>11 with the Attorney General's position. If you want to make a</p> <p>12 motion at this point, go ahead and do it.</p> <p>13 MR. ROBERT: Your Honor, I think we may --</p> <p>14 THE COURT: There is no more need to make a record.</p> <p>15 You have such a complete record. You've made speeches, you</p> <p>16 made observations. I've said yes, it's being done and yes,</p> <p>17 I'll continue to do it. What more record do you want?</p> <p>18 MR. KISE: It's like -- well, it's no different</p> <p>19 from now until the end of trial you're going to make other</p> <p>20 evidentiary rulings, I presume, or you're going to make</p> <p>21 other rulings about other aspects of the case. It's the</p> <p>22 same record. I mean, just because I've objected before to</p> <p>23 some particular thing, we still have to object going</p> <p>24 forward. I mean, that's just the nature of the appellate</p> <p>25 record. We just have to have some basis for it.</p>	

Proceedings	Page 3462	Proceedings	Page 3464
<p>1 Whether we will make a motion now or not, as I</p> <p>2 said, that's something that we will determine, but that's</p> <p>3 very different than an appellate record that needs to be</p> <p>4 complete for appellate purposes. So it would be no</p> <p>5 different than if I'm not allowed to object to some</p> <p>6 evidentiary ruling or some other issue. It's the same sort</p> <p>7 of thing. It's just really no difference to it at all.</p> <p>8 THE COURT: What do you propose to do when you see</p> <p>9 a note or ten notes or a day's worth of notes to make a</p> <p>10 record every day hey, the principal law clerk is passing</p> <p>11 notes to the judge on the bench?</p> <p>12 MR. KISE: Your Honor, as we have done before, to</p> <p>13 the extent there is something that gives rise to in our</p> <p>14 minds the appearance of impropriety or bias then I think we</p> <p>15 have to flag that in the record. Otherwise, it's waived.</p> <p>16 We're going to get to the First Department and the First</p> <p>17 Department will look at us and say why didn't you raise that</p> <p>18 on the record? Why is it not there? If you're talking</p> <p>19 about a specific ruling at a specific time, why did you not</p> <p>20 raise it. That's all I'm saying. It goes back to what I</p> <p>21 was saying before in the past. I have certainly felt truly</p> <p>22 that I'm debating with two adversaries. I've got one in one</p> <p>23 place and one in another and that's a record that needs to</p> <p>24 be made because that is a record that is I think,</p> <p>25 respectfully, relevant for appellate purposes.</p>		<p>1 a clerk?</p> <p>2 THE COURT: Mr. Wallace, one at a time.</p> <p>3 MR. KISE: The answer to the question is none.</p> <p>4 That's why it's a significant record to be made. But no one</p> <p>5 is obstructing the trial. No one is doing anything to</p> <p>6 obstruct the trial. We are proceeding forward. They have</p> <p>7 been allowed to put in ample evidence and so, therefore --</p> <p>8 and over objection, sometimes the objections are sustained.</p> <p>9 But the point is we have to make our record. That's our --</p> <p>10 that is our role and right as attorneys.</p> <p>11 So I -- and we haven't made it repeatedly. I have</p> <p>12 to disagree with that characterization. It's not been like</p> <p>13 every minute of every day that this issue has been brought</p> <p>14 to the forefront if it is impeded or proceeded in any way</p> <p>15 but there has so be some way if we believe that there is an</p> <p>16 issue that it be raised. That's all and we will be, as we</p> <p>17 have before, we will be direct, appropriate and measure.</p> <p>18 We're not making extra judicial statements about this. I</p> <p>19 certainly have not made any and don't intend to as you have</p> <p>20 probably observed over the last year is my general practice.</p> <p>21 So the point is as a lawyer, though, I have to make</p> <p>22 a record and while I appreciate the advice and direction</p> <p>23 from the he Attorney General, those sorts of things are</p> <p>24 decided on this side of the table, just like what motions</p> <p>25 they bring and how they proceed is decided by them.</p>	
Proceedings	Page 3463		Page 3465
<p>1 MR. WALLACE: It's not relevant to what is going</p> <p>2 on. We are trying to put on a trial and we are putting in</p> <p>3 witnesses making evidence. This sideshow of talking about</p> <p>4 the clerk passing notes to the Court is interrupting -- is</p> <p>5 seems, to me, largely designed -- I don't know. I guess</p> <p>6 you're making a record trying to blow up the trial, but also</p> <p>7 designed to interrupt our ability to put in evidence.</p> <p>8 We've been doing this for five weeks. If you think</p> <p>9 this has been prejudice that has disrupted this trial,</p> <p>10 please make your motion now. Don't let us go on for another</p> <p>11 four weeks. But if there is something improper about the</p> <p>12 judge and the clerk passing notes, you should make your</p> <p>13 motion now instead of continuing to interrupt this trial.</p> <p>14 The difference between making an objection about</p> <p>15 evidence and making an objection about something that is not</p> <p>16 relevant to an appeal, I think should be obvious at this</p> <p>17 point.</p> <p>18 MR. KISE: So I appreciate the fact that to</p> <p>19 Mr. Wallace it appears obvious. Maybe I'm slow. It's not</p> <p>20 obvious to me. The record is the record. I've only</p> <p>21 handled, I don't know, 200 appellate cases in my career.</p> <p>22 I've only handled four cases in the Supreme Court of the</p> <p>23 United States. I don't know much about appellate records.</p> <p>24 MR. WALLACE: And how many of those cases involved</p> <p>25 an overturned decision based on notes passed from a judge to</p>		<p>1 And Mr. Robert I know had one other thing.</p> <p>2 MR. ROBERT: I just wanted some clarity because,</p> <p>3 Your Honor, are you directing us not to object or that we're</p> <p>4 not allowed to object to the conduct we observe in the</p> <p>5 courtroom? That's all I want to know.</p> <p>6 THE COURT: I'll issue a written decision later</p> <p>7 today and you'll know.</p> <p>8 All right. Anybody else? I understand we have</p> <p>9 housekeeping matters or matter?</p> <p>10 MR. AMER: Yes, Your Honor. It goes to the point</p> <p>11 that we played some video clips of testimony and I realize</p> <p>12 the court reporter does not transcribe the video clips, so</p> <p>13 what we have are reports that contain the testimony that</p> <p>14 we've marked as Plaintiff's Exhibit so that we can get those</p> <p>15 admitted into evidence since there needs to be a record of</p> <p>16 what we all heard when we played the video clips and I've</p> <p>17 just --</p> <p>18 MR. KISE: A record? Really? There needs to be a</p> <p>19 record? Wow. That's interesting.</p> <p>20 MR. AMER: Yes, there needs to be a record.</p> <p>21 So I'm going to hand out the plaintiff's exhibits.</p> <p>22 They're all a stack. So that's one stack, this is another</p> <p>23 stack.</p> <p>24 Transcript continues on the following page...</p> <p>25</p>

13	Mr. Weisselberg. Plaintiff's Exhibit 3335 is the clip we	13	
14	played from Mr. McArdle's direct testimony. We did that	14	
15	both with Mr. Trump on the stand. I'm sorry. This is from	15	
16	Mr. Trump's -- Eric Trump's testimony. We played that for	16	
17	Mr. McArdle. That's 3335. Plaintiff's Exhibit 3339, that	17	
18	was Eric Trump's testimony that we played. Plaintiff's	18	
19	Exhibit 3338, also Mr. Trump's testimony we played.	19	
20	Plaintiff's 3337, another clip from Eric Trump. And	20	
21	finally, Plaintiff's 3336, another clip from Mr. Eric	21	
22	Trump's deposition testimony. So we ask that all of these	22	
23	exhibits be admitted into evidence.	23	
24	MR. ROBERT: No objection.	24	
25	THE COURT: Okay. Granted. They're in evidence.	25	
PROCEEDINGS		Page 3467	
1	(Whereupon, the Clips were marked in evidence as		
2	Plaintiff's Exhibits 3334-3339.)		
3	THE COURT: Any other housekeeping matters?		
4	MS. FAHERTY: Yes, Your Honor. During the		
5	examination of Mr. Orowitz, there were two exhibits that		
6	were discussed. There was testimony on them, but counsel		
7	did not move them in for admission. So I'm putting it on		
8	the record we'd like to move these into evidence.		
9	First is plaintiff's Exhibit P X 3111 and the		
10	second is PX 3332. Mr. Orowitz identified both of these		
11	exhibits as e-mail chains to which he was a sender and		
12	recipient as well. Although, they weren't formally moved		
13	in, we would ask the Court do so now.		
14	(Whereupon, the Documents were marked in evidence		
15	as Plaintiff's Exhibits 3111&3332.)		
16	MR. KISE: Your Honor.		
17	THE COURT: Yes.		
18	MR. KISE: For good measure on a Friday, statute of		
19	limitations and relevance objection.		
20	THE COURT: Overruled. Any other housekeeping		
21	matters or any other matters? Just give me one second.		
22	Okay. We will reconvene on Monday at ten o'clock and the		
23	first witness will be?		
24	MR. AMER: The only witness will be Donald J.		
25	Trump.

25 Senior Court Reporters

1                   THE COURT: Well we have a lot of people here  
2                   and apparently a lot of photographers outside that want to  
3                   photograph some of you.

4                   We always call them the gaggle of photographers.  
5                   I think gaggle refers to geese, doesn't it?

6                   (Photographers entered the courtroom.)

7                   (Photographers exited the courtroom.)

8                   THE COURT: I would like to start right away  
9                   with the next witness.

10                  Are there any housekeeping matters that can't  
11                  wait until later?

12                  MR. KISE: Not that can't wait, Judge. We have  
13                  a minor housekeeping matter, but if Your Honor would like  
14                  to proceed we will just wait until later.

15                  THE COURT: Great. Thanks.

16                  Plaintiff would you like to call your next  
17                  witness?

18                  MR. WALLACE: Certainly, Your Honor. The People  
19                  call Donald J. Trump.

20                  (Whereupon the witness took the stand.)

21                  COURT OFFICER: Please raise your right hand.

22                  D O N A L D     J.     T R U M P, after  
23                  having first been duly sworn was examined and  
24                  testified as follows:

25                  COURT OFFICER: Please state your name and

1           either home or business address for the record.

2                   THE WITNESS:   Yes.   It is Donald J. Trump, and I  
3           live in Palm Beach, Florida, 1200 Southern Boulevard.

4                   THE COURT:   That sounds good.

5                   I'll just ask you, like I ask every witness,  
6           talk right into the microphone loudly, slowly, clearly.

7                   Mr. Wallace, please proceed.

8                   MR. WALLACE:   Thank you, Your Honor.

9   DIRECT EXAMINATION

10  BY MR. WALLACE:

11           Q     Good morning, Mr. Trump.

12           A     Good morning.

13           Q     You were the beneficial owner of a bunch of companies  
14   branded as The Trump Organization; is that correct?

15           A     Yes.

16           Q     From May 1, 1981 to January 19, 2017, you were the  
17   Director, President and Chairman of the Trump Organization  
18   Incorporated; is that correct?

19           A     Yes.

20           Q     And the assets of the Trump Organization are  
21   currently held in a revocable trust; is that correct?

22           A     Yes.

23           Q     And that trust is called the Donald J. Trump  
24   Revocable Trust; is that right?

25           A     Yes that's right.

1 Q If we talk about the Trust today, you will understand  
2 that's what I am referring to?

3 A Yes, certainly.

4 Q You are the donor of all of the assets in the Trust?

5 A Yes.

6 Q Are you the sole beneficiary of the Trust?

7 A Yes.

8 Q And you formed the Trust when you decided to run for  
9 president; is that correct?

10 A Pretty much when I won, I formed the Trust.

11 Q Do you recall that the Trust may have been formed  
12 actually in 2014?

13 A It could have been earlier, but it was primarily when  
14 I thought about running. And I think maybe came into -- it  
15 could be a little earlier, but pretty much around the time that  
16 I won.

17 Q And the purpose was related to your run for the  
18 Presidency; is that correct?

19 A I thought there would be a conflict of interest if I  
20 had the properties outright, so I formed the Trust. But no --  
21 Excuse me, even though I would be allowed to do that.

22 In fact, I told you the story once about George  
23 Washington, he had two desks, one for business and one for  
24 President. You are allowed to do that. But I didn't like it.  
25 And I felt there may be a conflict of interest, so I formed the

1 Trust.

2 Q But prior to you becoming President of the United  
3 States you were the sole Trustee of the Trust; is that correct?

4 A That's correct, yes.

5 Q And after you were elected President of the United  
6 States you appointed your son, Donald Trump Jr. and Allen  
7 Weisselberg as Trustees; is that correct?

8 A That's correct, yes.

9 Q So why did you select Mr. Weisselberg to be a  
10 Trustee?

11 A Well, he had been with the company a long time. And  
12 he was somebody that I had confidence in. He did a good job.  
13 I mean, he was very good at what he did. He was a -- he was  
14 the comptroller and financial person. And we really liked him  
15 for a long time.

16 Q And you trusted Mr. Weisselberg?

17 A I did, yes.

18 Q At the time you appointed him as Trustee he was the  
19 Chief Financial Officer of the Trump Organization; is that  
20 correct?

21 A Yes, that's right.

22 Q Why did you select your son, Don, to serve as a  
23 Trustee?

24 A He is a hard working boy, you know, young man, and he  
25 has done a very good job; as has Eric. Eric was very busy

1 running the company, and I thought that putting Don in would be  
2 good. He is smart. He is a very honorable guy.

3 Q And when you left the White House you appointed  
4 yourself as Trustee again; is that correct?

5 A That's correct.

6 Q And at that time after you left the Presidency you  
7 were the sole Trustee of the Trust; is that correct?

8 A Um, yeah, around that time, yes.

9 Q Why did you make yourself the sole Trustee?

10 A Well, I figured that I would be back in the business  
11 world for a little while, depending on what happened in  
12 politics. And I was going to get involved with the business  
13 again. I wasn't in politics other than thinking about running  
14 or doing whatever I had to do. So, I figured that I would be  
15 back in business, I might as well be the Trustee.

16 Q I am going to hand up to the court officer a document  
17 that has been marked as Plaintiff's Exhibit 1720.

18 (Hanging)

19 MR. WALLACE: If you could put a copy of that up  
20 on the screen, please?

21 If we could skip to page two of this document.

22 Q This is a document entitled the Donald J. Trump  
23 Revocable Trust Removal of Trustee. And if we look down at the  
24 bottom of the page it says: "Now, therefore, pursuant to  
25 subarticle A of Article 13 of the Agreement of Trust settlor

1 hereby removes Donald J. Trump as Trustee under the agreement  
2 of Trust, effective as of 2:30 p.m. eastern standard time,  
3 July 7, 2021."

4 If we look on the next page you will see -- is that  
5 your signature?

6 A Yes.

7 Q Why did you remove yourself as Trustee as of July 7,  
8 2021?

9 A I don't know that -- I think we were at a position  
10 where I was gaining more and more confidence in my family in  
11 terms of business. And you would have to see what the  
12 alternative is. Who are the trustees that were appointed,  
13 because I had many different.

14 Q Sure. Yeah, I am happy to show you page five of this  
15 document, which is entitled Appointment and Acceptance of  
16 Trustee.

17 It states at the bottom: "Now, therefore, pursuant  
18 to subarticle A of Article 13 of the Agreement of Trust (i)  
19 settlor hereby appoints Donald J. Trump Jr. as Trustee under  
20 the Agreement of Trust. And (ii) Donald J. Trump Jr. hereby  
21 accepts such appointment effective as of 2:30 p.m. eastern  
22 standard time, July 7, 2021."

23 A Yeah.

24 Q So that's your son, Don Jr.?

25 A That's right. He was impressive in business, as was

1 Eric. And I thought that I would do that while I continue  
2 onward with politics.

3 Q Okay. Anything in particular was happening in July  
4 of 2021 that led to that decision?

5 A Well other than you and about every other Democrat,  
6 District Attorney, AG and U.S. Attorneys, et cetera, were  
7 coming after me from 15 different sides, all Democrats, all  
8 Trump haters. And all cases that are not good, that are  
9 inappropriate and not good. Weaponization they call it.

10 But I felt Donald would do a good job. He would be  
11 running the business with Eric. And I had great confidence in  
12 him.

13 Q So I am just trying to understand. Was the decision  
14 to appoint Don actually related to the investigations you  
15 referred to?

16 A I think more so to the fact that I was staying very  
17 much in politics. You know, obviously as you see I was -- I  
18 have been in politics pretty much more than I thought perhaps.

19 Q Okay. Mr. Trump, I am going to put a document up on  
20 the screen. I don't think we need to have a hard copy of it.  
21 This is a document that is already in evidence as Plaintiff's  
22 Exhibit 787. This is a copy of your 2011 Statement of  
23 Financial Condition; is that correct?

24 A Yes.

25 Q Is it correct that you had a Statement of Financial

1 Condition prepared as of June 30 for every year from 2011 until  
2 you became President in 2017?

3 A I think so, yes.

4 MR. WALLACE: Your Honor, housekeeping, I failed  
5 to move into evidence document 1720, which was the Trust  
6 document we just looked at.

7 THE COURT: Granted. It is in evidence.

8 MR. WALLACE: Thank you, Your Honor.

9 Q If we go back to the Statement of Financial  
10 Condition, is it correct that you had reviewed the Statement of  
11 Financial Condition in each of those years from 2011 to 2017  
12 before it became final?

13 A Yeah, I would look at them. It was not something  
14 that was of great urgency because I knew they weren't very  
15 badly needed in a true sense, but I would look at them. I  
16 would see them. And I would maybe, on occasion, have some  
17 suggestions.

18 Q When you say they weren't badly needed, what do you  
19 mean?

20 A Banks didn't find them very relevant. And they had a  
21 clause in it, a disclaimer clause. You could call it a  
22 worthless statement clause, because they were done in such a  
23 way that they really were -- you talked about it here recently,  
24 a compilation. They were just something that you would have  
25 for yourself. But if you were borrowing money, and as I guess

1 people are starting to say I was very under levered anyway to  
2 start off with. But they were not really documents that the  
3 banks paid much attention to. They looked at the deal. They  
4 looked at the asset. If it is real estate, they looked at the  
5 location. But they weren't -- these were not very important --  
6 primarily for the reasons that you had a disclaimer clause that  
7 was very, very powerful.

8 Q How did you know that the banks did not pay much  
9 attention to your statements?

10 A Because I have been dealing with banks for 50 years,  
11 and I probably know banks as well as anybody. And I have  
12 borrowed a lot of money, I have paid back a lot of money, and I  
13 know what they look at. They look at the deal. They look at  
14 the location. They don't want to get involved in financial  
15 statements because that's not what they are after. If a deal  
16 goes bad, they want to be able to take the deal back over and,  
17 you know, have it. They want you to be able to put up some  
18 cash or whatever it is you may be -- including expertise. But  
19 they don't want to be fighting for ten years over a personal  
20 financial statement. They want to take over the deal.

21 Q So you understood that these statements would go to  
22 banks, but it is your view based on your experience that they  
23 didn't rely on them very much?

24 A They may go to the banks. Some banks wanted them.  
25 They didn't -- they just weren't a very important element in a

1 bank's decision-making process.

2 And we will explain that as this trial goes along,  
3 this crazy trial goes along, because we are bringing in some  
4 bankers, and the bankers will tell you -- very big bankers,  
5 bankers that dealt with me, and they will explain exactly what  
6 their processes were. But these were very substantial bankers,  
7 and they will explain what the process is.

8 But they paid little attention to documents, unless  
9 they were certificated documents, unless they were at the  
10 highest level, where everything was checked, everything was --  
11 but even then they were more interested in the deal.

12 THE COURT: Mr. Trump, Mr. Wallace is being very  
13 patient, but I would like to move things along a little  
14 faster. Please, just answer the questions, no speeches.  
15 Mr. Wallace is going to ask questions. You are going to  
16 answer them. I am going to make sure that happens. And  
17 some of your answers have not been responsive to the  
18 question. They responded, but then there is a speech to  
19 be had after that.

20 Mr. Kise?

21 MR. KISE: Your Honor, respectfully, I have been  
22 watching that. All of Mr. Wallace's questions have called  
23 for narratives: Not badly needed, what do you mean;  
24 that's an open-ended question. How did you know the banks  
25 didn't rely; that's an open-ended question. So you

1 understood. I mean, if Mr. Wallace is going to ask  
2 open-ended questions that call for narratives, that I  
3 haven't objected to, ordinarily, you know, I like to  
4 object to Mr. Wallace's questions, but they are  
5 narratives. So if they call for narratives, I think it is  
6 fair for the witness to narrate. He will certainly  
7 understand your instruction, but they are open-ended  
8 questions he is asking. He is not asking narrow questions  
9 like: What do you mean by, you know, this. What is your  
10 understanding of that.

11 Those are questions that call for narratives,  
12 respectfully.

13 THE COURT: Well, we agree on the principles.  
14 We disagree on the application. So let's just continue.

15 MR. WALLACE: Thank you, Your Honor.

16 Q Why don't we go through one of the later statements  
17 in a little more detail.

18 MR. WALLACE: If we could get Plaintiff's  
19 Exhibit 730, please.

20 This is in evidence, Your Honor, so we are  
21 providing an extra copy for the witness.

22 (Handing)

23 Q Mr. Trump, I have handed you a copy of a document  
24 that is in evidence as Plaintiff's Exhibit 730. Do you  
25 recognize this as a copy of your 2014 Statement of Financial

1 Condition?

2 A Yes, I do.

3 MR. WALLACE: If we can turn to page two of the  
4 document, we will also put it up on the screen.

5 Q The second paragraph states: "Donald J. Trump is  
6 responsible for the preparation and fair presentation of the  
7 financial statement in accordance with accounting principles  
8 generally accepted in the United States of America. And for  
9 designing, implementing and maintaining internal control  
10 relevant to the preparation and fair presentation of the  
11 financial statement."

12 Is that statement true and accurate?

13 A True in the sense that what they wanted was -- this  
14 is Mazars, what they wanted was as much information as we could  
15 give them so they could do their statements. And if you look  
16 at every other paragraph, that's what they talk about.

17 Q So it is true that you were responsible for the  
18 preparation and fair presentation of financial statements?

19 A Getting them information, yes. In a form of getting  
20 them information.

21 Q Okay.

22 A And if they had a problem with it, they wouldn't have  
23 done the statement. In other words, if they didn't get what  
24 they wanted as per that paragraph, they would call, can you get  
25 this, can you get that, and they wouldn't do the statement.

1 Q So who is responsible --

2 MR. WALLACE: Well, strike that.

3 Q Can you tell me, what did you do to meet your  
4 responsibility for the preparation and fair presentation of  
5 this financial statement in accordance with accounting  
6 principles generally accepted in the United States?

7 A Me personally? Me personally or...

8 Q Let's start with you personally.

9 A Okay. Well, first of all it is so long ago, you  
10 know, this is well beyond the statute of limitations. I would  
11 think anybody else would be well beyond the statute of  
12 limitations, but I am probably not because I am sure the Judge  
13 will rule against me, because he always rules against me. But  
14 this is something well beyond the statute of limitations.

15 But, I will tell you that my primary thing was to  
16 tell people to give them anything they needed.

17 THE COURT: Mr. Kise, was that comment necessary  
18 and part of the narrative to answer the question?

19 MR. KISE: Well, Your Honor, you know, he is  
20 asking broad questions about him personally. I think what  
21 he is trying to understand is the witness's perspective.  
22 I mean, we are -- this is an unusual situation and an  
23 unusual trial. I think the Court should grant the former  
24 President of the United States and according to the New  
25 York Times this morning perhaps soon to be the future

1 President of the United States a little latitude to  
2 explain himself. It is a bench trial, there is no jury,  
3 if it is his view, it is his view.

4 Your Honor is in charge of the courtroom, you  
5 have our view. You can instruct him as you see fit. But  
6 again, Mr. Wallace is trying to get at what is this  
7 witness's understanding and what he did. The only way he  
8 can present that is to explain his position. I think it  
9 is fair for the Court to hear his position, whatever it  
10 may be, whether it agrees or not. I certainly think it is  
11 fair for the American people to hear his position. But,  
12 we are subject to Your Honor's instruction.

13 THE COURT: I think it was a yes or no question,  
14 was he responsible.

15 MR. KISE: Is the question to me or?

16 THE COURT: The comment that I always rule  
17 against him, which as you know is not true anyway, it  
18 certainly didn't answer the question.

19 So Mr. Trump just answer the question. You can  
20 attack me, you can do whatever you want, but answer the  
21 questions.

22 MR. WALLACE: Could we get a readback please,  
23 Your Honor?

24 THE COURT: Read back, please.

25 (Whereupon, the record was read back by the

1 court reporter.)

2 Q The question is, yes, what did you personally do to  
3 fulfill your responsibilities for the preparation and fair  
4 presentation of the financial statement?

5 A All I did is authorize and tell people to give  
6 whatever is necessary for the accountants to do a statement.  
7 In other words, we supplied them with what they needed. And if  
8 they didn't get it, they wouldn't do the statement.

9 Q What people did you authorize?

10 A Really anybody, you know, sometimes they would call a  
11 building or they would call a project, or maybe perhaps I think  
12 one or two times they wanted to go see a project. They would  
13 go out to Westchester and see something that I did out there  
14 and Briarcliff Manor or do things -- I authorized, whatever  
15 they needed to get their statement done, they could do.

16 Q When you said that they would go see a project, are  
17 you talking about the firm Mazars?

18 A Excuse me?

19 Q You said that sometimes they would want to go see a  
20 project and you mentioned Westchester. Is the "they" you are  
21 referring to Mazars?

22 A Yes.

23 Q Who internally at the Trump Organization would you  
24 provide the direction to give Mazars whatever they wanted?

25 A Almost anybody, if somebody would ask. For instance,

1 if they would call somebody within the organization in  
2 purchasing or whatever, I would give them. But I would do it  
3 principally Allen Weisselberg and Jeff McConney.

4 Q Any other instructions besides -- let me withdraw  
5 that question.

6 Would you provide Mr. Weisselberg and Mr. McConney  
7 with any instructions for how the statements should be  
8 prepared?

9 A Not really. No. I just wanted them to get the  
10 information to the accountants so they could do a statement.

11 MR. WALLACE: If we could turn to page six of  
12 this document. This is the top.

13 Q It states: Basis of Presentation. And says: "The  
14 accompanying Statement of Financial Condition consists of the  
15 assets and liabilities of Donald J. Trump. Assets are stated  
16 at their estimated current values and liabilities at their  
17 estimated current amounts using various valuation methods.

18 Such valuation methods include but are not limited to  
19 the use of appraisals, capitalization of anticipated earnings,  
20 recent sales and offers, and estimates of current values, as  
21 determined by Mr. Trump in conjunction with his associates and  
22 in some instances outside professionals."

23 Let me ask first, Mr. Trump, is it correct that you  
24 were responsible for determining the values stated in the  
25 financial statement?

1           A     If somebody would ask me an opinion, I would give it  
2     to them. If Mazars would ask me an opinion, which rarely they  
3     did, I mean you are talking about many years ago, you are  
4     talking about over years, but I would certainly, I think I am  
5     probably more expert than anybody else. I think I, you know,  
6     have shown that I know more about real estate than other  
7     people. So if somebody would ask me or if I would have an  
8     opinion I would -- I would give it.

9           Q     In light of your expertise in real estate, do you  
10    recall ever thinking that the values were off in your  
11    Statements of Financial Condition?

12          A     Yeah, on occasion.

13          Q     What were some of those occasions?

14          A     Both high and low; both high and low.

15          Q     Which occasions do you recall?

16          A     I thought that Mar-a-Lago was very underestimated,  
17    but I didn't do anything about it. I just left it be. It  
18    didn't matter, I didn't care, because the numbers you are  
19    talking about here is, you know, they are very big numbers,  
20    very, very big. Far bigger -- the values are far bigger than  
21    what is on the financial statement. I thought Mar-a-Lago was  
22    underestimated. I thought 40 Wall Street was very  
23    underestimated because that building has tremendous value. I  
24    thought that there were numerous other things. I thought Doral  
25    was very underestimated. I thought it was considerably more

1 valuable. Not necessarily his golf courses, but it is right in  
2 the middle of Miami, right next to the airport. I would say  
3 you could build thousands of units and hotels on the site. So  
4 you don't look at it as a golf course. It is a great golf  
5 course, very successful, four of them, four courses. One was  
6 sold. It was five. One was sold that was a little  
7 disconnected, and sold it.

8 But I thought Doral was very underestimated.

9 And you yourself had Mar-a-Lago at \$28 million. The  
10 Judge had it at \$18 million. And it is worth, say, I say from  
11 50 to 100 times more than that. So I don't know how you got  
12 those numbers. But the Judge ruled against me based on the  
13 fact, I guess, that he thought it was worth \$18 million, which  
14 is just absolutely crazy.

15 THE COURT: The question was examples of when  
16 properties were undervalued or overvalued, not why you  
17 think so.

18 Q I may ask you about those as you go on. Your counsel  
19 are free to either cross examine you or call you as a witness.  
20 And you can tell the full story as you see fit, but it will go  
21 faster if --

22 A That's fine.

23 Q You mentioned Mar-a-Lago, 40 Wall and Doral?

24 A And others. But I think that -- I can think of one  
25 that was, I thought, overvalued and we changed it. I thought

1 the apartment was overvalued when I looked at it. But I didn't  
2 spend a lot of time looking at this. But when I heard about  
3 the apartment and the valuation, I thought it was overvalued.  
4 But you never know, because people come along and they -- they  
5 will give you -- an apartment was sold fairly recently in New  
6 York for \$250 million. I like this much better. So I don't  
7 know what overvalued means. Somebody comes along, it only  
8 takes one very rich person to buy it. But I thought the  
9 apartment was high. But I thought many things were low.

10 And we -- we didn't value the most valuable asset and  
11 I didn't put it on the statement, but it is the most valuable  
12 asset, is the brand value. And I asked about that and I really  
13 didn't -- I didn't put it on the statement, but if you look at  
14 companies, the brand value is a very big part of the asset  
15 value of a company.

16 Q We, again, I am probably not going to ask you much  
17 about brand value, your attorneys are free to ask you all about  
18 brand value.

19 Going back to the estimate.

20 A Excuse me, sir, but if I wanted to build up a  
21 statement, like you said that I would before up found out  
22 exactly how rich we are, I would have added brand value here  
23 and I would have increased it by tens of millions of dollars.

24 Q Do you have an understanding of whether a Statement  
25 of Financial Condition prepared under GAAP is allowed to

1 include brand value?

2 A It is an asset. Coca-Cola includes it and other big  
3 companies, public companies, I think they all include brand  
4 value. And, you know, I became President because of my brand.  
5 I sell books at levels that are incredible because of my brand,  
6 and so many other things.

7 And if I wanted to build up this statement like you  
8 are saying, you know, you were very surprised when you saw the  
9 real numbers. And now you go a different way, you changed your  
10 case midstream. If I wanted to build up my financial statement  
11 all I had to do is add brand value and my financial statement  
12 would be very, very substantial.

13 THE COURT: Mr. Wallace, did you ask for an  
14 essay on brand value?

15 MR. WALLACE: No, Your Honor.

16 Q My question was, and I will ask it again, Mr. Trump,  
17 do you have an understanding of whether a Statement of  
18 Financial Condition that is prepared under GAAP, is allowed to  
19 include brand value?

20 A I think it is, because public companies have brand  
21 value. Coca-Cola has brand value.

22 Q And did you ever discuss with Mr. Weisselberg whether  
23 or not under the rules of GAAP you were allowed to include your  
24 brand value on your statement of financial condition?

25 A No, because I didn't care about it. I didn't care

1 whether we added it or not. It wasn't something that was  
2 important to me. If I wanted to build up my numbers in a fake  
3 way, which you are trying to say, but now you are not. Maybe  
4 you are going a different direction. But I didn't care enough  
5 about it to bother with it.

6 THE COURT: That was a yes or no question. It  
7 could have been answered yes or no. Please answer yes or  
8 no if you receive such a question.

9 Q So the statement was primarily prepared by Allen  
10 Weisselberg and Jeff McConney; is that correct?

11 A Yes.

12 Q And they would give you a copy of the statement; is  
13 that correct?

14 A Yes, at some point.

15 Q And you would, in fact, review it; is that correct?

16 A I would in some cases, yes.

17 Q And as we just discussed, the only example you  
18 remember of an asset being higher than you thought should be  
19 was your apartment; is that correct?

20 A There were a couple of other things, I just don't  
21 remember. You know, you are talking about a lot of years ago.

22 Q Would you discuss the statement with Mr. Weisselberg?

23 A Very little.

24 Q When you say, "very little," what discussions did you  
25 have with Mr. Weisselberg about the statement?

1           A       I would look it over. I may have a suggestion or  
2 something, but very little. It just wasn't very important.  
3 You have made it important, but it wasn't important. It wasn't  
4 important financially. Most developers don't use accountants  
5 for this, they just take a piece of paper and write the name of  
6 the building and the address of the building and what they  
7 think it is worth, they don't go through this.

8                   I don't believe any developer, at least that I know  
9 of, has done a statement so thorough as this. And frankly so  
10 lowball, as this statement is much less valuable in terms of  
11 the dollar amount than the actuality of the wealth or the  
12 worth.

1 Q So this statement was prepared in a manner that you  
2 agree with; that you think was appropriate?

3 A That was fine. It was fine. I didn't go into great  
4 detail on it, but it was fine.

5 Q If anything, you think the statement under valued your  
6 assets; is that correct?

7 A Well, I do by a substantial amount. It was the  
8 opposite of your case your case. Your case was that I had no  
9 money at all. I mean, looking at this year, what could I have  
10 300-some-odd million dollars based on just saw -- 300 -- let me  
11 look. But, you know, you sued me on the basis that Trump had no  
12 money and he wrote up phony statements and defrauded banks even  
13 though they were represented by the biggest law firms in the  
14 world and the most sophisticated and best lawyers, and even  
15 though these banks were paid back in full, there was no harm;  
16 there was no anything. Everybody got their money in full; there  
17 was no victim. And then you are saying, I deferred it. The  
18 banks don't even know what they are doing in this case. They  
19 said you paid us back.

20 MR. WALLACE: Your Honor, I move to strike that  
21 answer.

22 THE COURT: Granted.

23 Mr. Kise, can you control your client. This is not  
24 a political rally. This is a courtroom with a case about  
25 Executive Law section 6312. I've asked several times, asked

1 the witness several times to answer the questions. I don't  
2 want editorializing. We'll be here forever and we'll  
3 accomplish nothing. Maybe you should have a talk with him  
4 right now.

5 MR. KISE: Your Honor, I'll do as you instruct.  
6 You are in control of the courtroom, not me, and I don't  
7 mean that disrespectfully. Truly, I don't, but I'm happy to  
8 do as you instruct. Again, we are dealing with an  
9 extraordinarily unusual situation here.

10 THE COURT: "Again" is a bad word.

11 MR. KISE: I know it is.

12 THE COURT: I know --

13 MR. KISE: It's part of the record.

14 THE COURT: -- it's an extraordinary situation.

15 MR. KISE: It's an extraordinary situation. It  
16 would be most efficient, ultimately, to allow the  
17 explanations. It's a bench trial.

18 THE COURT: I disagree. Talk to your client for a  
19 minute.

20 MR. KISE: Okay. Then should we take our  
21 ten-minute break. And I can't to do it here.

22 THE COURT: No. Do you want to go in the back?

23 MR. KISE: If we are going to have a conversation,  
24 I would ask your Honor to give us a ten-minute break.

25 THE COURT: Will you spend the ten minutes in the

1 back explaining the rules here.

2 MR. KISE: I think the former and again soon to be  
3 chief executive of the United States understands the rules.

4 THE COURT: He doesn't abide by them.

5 MR. KISE: I'm happy to do as you instruct. Again,  
6 I think Mr. Wallace's questions still are very broad  
7 questions. They do call -- in some sort of senses they call  
8 for narratives, so.

9 MR. WALLACE: I'm happy to restate my last  
10 question, your Honor, and see if we could proceed.

11 Q The last question was, if anything, do you think the  
12 statement under valued your assets; is that correct?

13 A Yes, by a lot. The financial statements.

14 Q The financial statements.

15 A Yes.

16 Q Would you discuss the valuation of individual  
17 properties with Mr. Weisselberg and Mr. McConney?

18 A On occasion. If I disagreed.

19 Q Do you recall discussing with Mr. Weisselberg and  
20 Mr. McConney the valuation of Mar-a-Lago?

21 A No.

22 Q Would they ever ask your opinion about the valuation of  
23 40 Wall Street?

24 A They might, yes.

25 Q Seven Springs?

1           A     A little bit. It was done largely by a big law firm  
2 who testified, as you know.

3           Q     You are referring to Sheri Dillon?

4           A     Yes.

5           Q     Sheri Dillon did the valuation of Seven Springs?

6           A     Yes, very much her transaction. She was at a very  
7 prestigious firm, one of the most prestigious firms.

8           Q     I think you've already said it, but you did not  
9 consider the Statement of Financial Condition to be an important  
10 document; correct?

11          A     It's nice to see, but it's not very important when it  
12 comes to borrowing money. As I think you've learned, I'm very  
13 under levered relevant to the asset value.

14          Q     Why was it nice to see?

15          A     It's a compilation. We'll use that word that you've  
16 been using for two weeks. It was a nice restatement of assets.  
17 And you could go up on some and down on some, but it was a nice  
18 compilation of assets. It's a great statement, particularly the  
19 year you picked, I had essentially \$342 million worth of cash.  
20 It's a lot of cash. Sometimes you borrow money for tax purposes  
21 because you could deduct interest and other reasons, but it's a  
22 lot of cash. The banks came to me. They wanted to make deals  
23 with me. They liked me very much.

24                   THE COURT: Stricken, stricken --

25          A     -- for office, your Honor.

1                   THE COURT: Stricken. Once he got into the last  
2 sentence or two.

3                   MR. WALLACE: Your Honor, I would ask it be  
4 stricken after the statement, "it was nice to see. "It was  
5 a nice restatement of assets."

6                   THE COURT: Well.

7                   MR. WALLACE: Or "it was a nice compilation of  
8 assets."

9                   THE COURT: I don't mind the part about how much  
10 cash he had, so we'll end it after that.

11                  MR. KISE: Your Honor, again, noted, Mr. Wallace's  
12 question, "Why was it nice to see?" When lawyers are in  
13 depositions they ask questions like "Why." That's what they  
14 do. When they get to trial, usually what they do is ask  
15 more focused questions.

16                  MR. WALLACE: Or they sit at Counsel table and  
17 don't ask questions and they throw up a bunch of ridiculous  
18 questions.

19                  MR. KISE: Mr. Wallace, are you done? I'm just  
20 trying to make a point for the record. And that is, if you  
21 ask open-ended questions, then he can anticipate open-ended  
22 answers. And it's not fair to put all this on the witness.  
23 I understand your Honor's instructions. I think the witness  
24 does, but if you ask a "why" question, why questions are  
25 usually in depositions, not in trial, unless you already

1 know the answer.

2 MR. WALLACE: The open-ended question was about why  
3 it was nice to see. I did not ask about the cash on record.  
4 It is not relevant to the answer. I think that's the issue.

5 MS. HABBA: It's absolutely relevant. It's --

6 MR. KISE: That's his opinion, why. When you ask a  
7 witness why, they are going to give you an opinion as to  
8 why.

9 MR. WALLACE: You've now stated your objection.  
10 I'm being filibustered by the witness and Counsel. I would  
11 like to proceed.

12 MR. KISE: Okay.

13 THE COURT: Just proceed.

14 Q Going back to the work of Mr. McConney,  
15 Mr. Weisselberg, you understood they were making a good faith  
16 effort to put down the value of the properties; is that correct?

17 A Yes, I did.

18 Q You understood that they used common sense to prepare  
19 the statements; is that correct?

20 A I hope so. I don't know, but I hope so.

21 Q And as we stated, if anything, you thought the  
22 valuations they reached were too low; correct?

23 A Absolutely. Well, that's been proven.

24 Q Okay. Let's go through a few of those valuations.

25 MR. WALLACE: If we could turn to page eight.

1                   (Whereupon, the exhibit was displayed on the  
2           screen.)

3           Q     Of this document, the top we see -- this is the  
4     Niketown property. If we look at the middle paragraph here, the  
5     third paragraph, it states "The estimated current value of  
6     \$348,800,000 is based on an evaluation by Mr. Trump in  
7     conjunction with his associates and outside professionals,  
8     applying a capitalization rate to the cash flow to be derived  
9     pursuant to the building's net rental stream."

10           Do you believe that statement to be true and accurate?

11           A     No.

12           Q     How is it inaccurate?

13           A     The net rental stream is one way, but the bigger value  
14     here is holdup. Well, it's not a nice term in real estate, but  
15     it's called holdup value. I'm directly with that site and  
16     behind, and next to on 57th Street, which is probably the best  
17     location 57th and Fifth. It's the best location in New York.

18           I'm directly next to Tiffany. They cannot expand  
19     without us, and I'm directly next to IBM. So I'm between IBM  
20     and Tiffany. And the holdup value is 348 million for holdups,  
21     you know. Probably what I mean, if you know real estate it's  
22     peanuts compared to what the value is.

23           So I view that as it's a great property. It's a great  
24     rental stream, as you probably have figured out, but it's got  
25     much more value as a holdup. They could come to me and offer me

1 \$500 million for that site in two minutes if they wanted to  
2 expand or if they wanted to do something.

3 Q The statement, however, is the estimated current value  
4 as of June 30, 2014 --

5 A Yes.

6 Q So, the \$500 million price you just referred to, that  
7 is as of today; correct?

8 A No. I would say it would be as of anytime. It just --  
9 it's, it's --

10 Q I'm not asking for further explanation?

11 A It could be any time. It could be then, it could be  
12 now.

13 Q So there's no change of value of, this \$500 million  
14 value since 2014?

15 A Well, I don't want to sell it. If I wanted to sell  
16 it -- I had discussions with Tiffany for years about possibly  
17 doing something. In fact, they rented from me right now for a  
18 lot of money, and but Tiffany used -- as you know, when Tiffany,  
19 as you possibly heard, when Tiffany was rebuilding their store,  
20 they came to me and they wanted to do something. And I leased  
21 it to them for a period of time, but they would do -- they would  
22 love to be the owner of that site.

23 My point is, it's a holdup. It's not a nice word, but  
24 it's a holdup site. And holdup sites in New York have made --

25 Q The question was, had there been a change of value

1 since 2014, and you said, "I don't want to sell it." So I take  
2 it the answer is no?

3 A No. I think it's gotten more valuable like everything  
4 else.

5 Q So you do not think that this statement in your 2014  
6 Statement of Financial Condition is accurate; correct?

7 A Well, it's a great rental stream, but I think the real  
8 value here is the -- the value it would be for IBM or Tiffany if  
9 they wanted to say, and they do, at least Tiffany does.

10 Q This statement says that the estimate was "based on a  
11 valuation by Mr. Trump in conjunction with his associates and  
12 outside professionals." What was your role in prepare that  
13 valuation?

14 A I think I mentioned to them the value of that is it  
15 makes a lot of money, throws off a lot of money, as you see,  
16 because you see the numbers. And now more than ever, because  
17 Tiffany had to pay us a lot of money in order to lease it. I  
18 just wanted to lease it. We gave them a five-year lease while  
19 they built their store. They are building -- as you know, they  
20 just opened. But, they would love to own it. And so would, I  
21 believe IBM. I don't talk to IBM at all. But they can't expand  
22 without it. I believe that -- I did mention, quickly, I didn't  
23 know if I -- this wasn't something I devoted a lot of time to,  
24 but I did mention to them there is tremendous holdup value on  
25 that site.

1           Again, 57th Street. You have Tiffany, IBM, and you  
2 have my building right in the middle of them. And if they want  
3 to expand anywhere, they have to go through my building. And I  
4 bought the air rights --

5           THE COURT: Hold on.

6           A     Excuse me. I bought the air rights over Tiffany, so  
7 they can't go up.

8           THE COURT: In addition to the answers being  
9 nonresponsive, they are repetitive, and we don't have time  
10 to waste. We have one day with this witness.

11           Mr. Kise, can you control your witness, because I  
12 am considering drawing a negative inference to any questions  
13 that might be asked.

14           MR. KISE: Well, I would urge your Honor not to  
15 draw the negative inferences. We have a record on that,  
16 which I won't go into, but I think the witness is doing his  
17 best to answer the questions and be as responsive as  
18 possible.

19           If you think that it would be beneficial for us to  
20 take a break, I'm happy to do that. This is your Honor's  
21 courtroom, so I'll do as you suggest. But, again, there --  
22 the questions are calling, maybe not as broadly as the  
23 answer, but they are not tight questions. I mean, we are  
24 seeing "why" questions; we are seeing "how" questions. I  
25 mean, this is not one someone who is a professional lawyer

1 or a witness, so he's answering based on his responses and  
2 the reactions to the questions.

3 Q Mr. Trump, you testified under oath many times;  
4 correct?

5 A Yes.

6 Q The question was, "What did you do, based on an  
7 evaluation of Mr. Trump in conjunction of his associates and  
8 outside professionals", and you said you talked to them about  
9 the holdup value.

10 Is there anything else you did in preparing this  
11 valuation in 2014?

12 A No, I don't think so.

13 Q Did you ultimately approve this valuation?

14 A No.

15 Q Did you approve the issuance of this statement?

16 A I think they did something with it, because when I told  
17 them about the holdup value, they said, "Well, you're right."

18 Q Who is "they"?

19 A The people compiling the statement. It could've been  
20 Mazars, too.

21 Q Did you --

22 A I didn't make a big deal.

23 Q I didn't ask you if you made deal. I'm asking if you  
24 told Mazars about the holdup value for the 2014 Statement of  
25 Financial Condition?

1           A     It's a long time ago. I probably did, but I told Jeff  
2 and I told Allen.

3           Q     Okay.

4                     Do you believe that the stated value of \$348 million  
5 was based on true and accurate information?

6           A     Well, as a holdup, I think it's very low.

7           Q     I'm not asking about the holdup. I'm asking about  
8 whether you have an understanding of whether this valuation in  
9 your Statement of Financial Condition was based on true and  
10 accurate information. It's a yes or no question?

11          A     Well, I'll say it differently. I wouldn't sell it for  
12 that number. If somebody offered me that number, I wouldn't  
13 sell it for that number.

14          Q     I'm not asking your individual valuation. I'm not  
15 asking for an analysis. I'm just asking if whether the  
16 information that Mr. McConney and Mr. Weisselberg used was true  
17 and accurate when they reached this number?

18          A     I guess so. I really can't answer that. I guess so.  
19 It's a number that I wouldn't sell it for.

20          Q     Okay.

21                     MR. WALLACE: Can we move down to the bottom of  
22 this page.

23                     (Whereupon, the exhibit displayed on the screen was  
24 scrolled through.)

25          Q     We have the header for 40 Wall Street, and if we flip

1 over the next page we'll see the valuation for 40 Wall Street.  
2 The top paragraph states "The estimated current value of  
3 \$550,100,000 is based upon a successful renegotiation of the  
4 ground lease and an evaluation made by Mr. Trump in conjunction  
5 with his associates and outside professionals of leases that  
6 have been signed or are currently the subject of negotiation.  
7 And a capitalization rate applied to the resultant cash flow to  
8 be derived from the building's operations."

9 Do you believe that statement I just read is true and  
10 accurate?

11 A I don't believe -- it depends on how you look at it,  
12 but I don't believe it talks about the making of the building  
13 the condominium, a residential condominium, which is absolutely  
14 a perfect use for that building.

15 Q My question is --

16 A Even though it's full.

17 Q -- is this statement true and accurate?

18 A Well, let's see. So number one, you -- again, you go  
19 back a long time. Are you still in 2014.

20 Q We are still on the 2014 statement.

21 A Five-year statute of limitations. You are still in  
22 2014. So, it says here based upon successful renegotiation of  
23 the ground lease. Well, that was done. I did that. I made a  
24 new 100-year lease, and a very good lease, and long term, very  
25 long term. I got a "lollipop" in the lease. It's a legal term,

1 believe it or not, but it's a lollipop, which allows you to  
2 build condominiums because you own the land. You own a piece of  
3 land. That gives you the right to build condominiums. So this  
4 would be a low number, because the highest and best use for that  
5 building is the -- it's -- I think it's the tallest building in  
6 downtown after the World Trade Center, but there's a dispute  
7 about 60 Pine Street, but, whatever.

8           The tower is of perfect measurement for turning them  
9 into condos. And I have the right to do that, and at some point  
10 we, or somebody, will do that. That's the highest and best use.  
11 In which case, \$550 million is a very low number. All you have  
12 do is look at a picture of the building and say "That  
13 building" -- you just look at it and you say that's worth a lot  
14 more than \$550 million. If you want to put up the picture.

15       Q     My question is --

16           THE COURT: Mr. Kise, that was a simple yes or no  
17 question. I don't have it right in front of me, but the  
18 question was whether he believed that was an accurate  
19 number. We got another speech. I would beseech you to  
20 control him if you can. If you can't, I will. I will  
21 excuse him and draw every negative inference that I can. Do  
22 you understand that?

23           MR. KISE: I certainly understand, your Honor. But  
24 I will say this: The purpose of this trial is to determine  
25 the veracity of the Statement of Financial Condition, in

1 part, to figure out whether there is intent, so I would  
2 think, respectfully, your Honor, of all witnesses, would  
3 want to hear everything that this witness has to say by  
4 way --

5 THE COURT: No, I do not want to hear everything  
6 this witness has to say. He has a lot to say that has  
7 nothing to do with the case or the questions.

8 MR. KISE: Again, your Honor, I will -- I have to  
9 say that you're determining what's going to happen here. So  
10 I would urge the Court to take in all the information  
11 possible, including what this witness has to say about the  
12 numbers on the statement, what he did, why he did it. I  
13 mean, all of those circumstances. Do we really want to come  
14 back here in a few weeks and go through it that way?

15 I mean, with this witness I would suggest it's far  
16 more efficient to listen to what he has to say and take it  
17 in, and then you have an understanding of what he has to  
18 say. And I don't think it's fair to draw a negative  
19 inference based on his explanations simply because he wants  
20 to explain why he got to where he was. We are talking about  
21 ten years ago.

22 And so I, ordinarily with a witness, you might  
23 think differently, but this is a situation where you have,  
24 on the stand, a candidate for presidency of the United  
25 States. Having him here takes away from that effort. And

1       so the most efficient way, I would submit to the Court, to  
2       get through this is to listen to what he has to say, and  
3       then you weigh it one way or the other.

4               I don't think you should respectfully draw a  
5       negative inference. And, again, I'm happy to discuss this  
6       and take a break. More than happy to do that. I'm not  
7       saying not to do that.

8               But I just would like the Court to take in that  
9       perspective, because this is a different situation. It's  
10      unusual situation, and it would be most efficient. The  
11      Court needs to hear what he has to say about what happened  
12      with the statements and why he thinks they are viable, and  
13      why there is no intent.

14              He's describing to you why there's no intent to  
15      mislead anyone with his answers. That's what he's doing.  
16      And so I would think that's highly relevant and highly  
17      probative. If you want to do it the way where we have yes  
18      or no questions and then we go back and do it that -- it's  
19      subject to your direction, but I think the most efficient  
20      way is to listen to what he has to say. I'm happy to talk  
21      to him about making the answers more contained. We  
22      certainly don't want to waste anymore time than necessary,  
23      and spend anymore time than necessary, but this is, as  
24      you've acknowledged this a unique situation.

25              MS. HABBA: If I may also add, your Honor. I had

1 to cross examine Mr. Cohen. If I could get him to answer  
2 the questions in yes or no, I advise Mr. Wallace to look at  
3 that cross examination. It was far more succinct.

4 The reality of the situation is, he put up two  
5 paragraphs which talk about interest rates, the current  
6 value, as well as tenants, and et cetera, et cetera, et  
7 cetera. If he would like to narrow it, then you narrow it,  
8 but President Trump is answering about 40 Wall Street and  
9 the values, the interest rates, the purpose of the SOFC;  
10 that is absolutely relevant.

11 So I'm going to push back and say it is time to  
12 start pushing pack on the AG. Kevin can try to ask better  
13 questions, and then we'll move on. But he is relevant. He  
14 is talking about two paragraphs of information, and he's  
15 explaining them. Ask succinct questions you'll get SUCCINCT  
16 answers.

17 THE COURT: Well, Mr. Kise, I think you said  
18 several times we should hear what he did, what the witness  
19 has to say. No, I am not here, and these people are not  
20 here, and the Attorney General is not here to hear what he  
21 has to say. We are here to hear him answer questions, and  
22 most of the time he's not. He goes into speeches. It's  
23 very simple. Is this an accurate number? We don't need a  
24 whole speech.

25 MS. HABBA: It's not that simple. I apologize.

1       It's not that simple, and you are here to hear what he has  
2       to say.

3               THE COURT: No, I'm not here to hear what he has to  
4       say.

5               MS. HABBA: Thank you.

6               THE COURT: I'm here to hear him answer questions.  
7       Sit down already. Mr. Kise, Mrs. Habba, sit down.

8               Mr. Wallace, continue.

9               THE WITNESS: This is a very unfair trial, very,  
10       very. And I hope the public is watching it.

11       Q       Mr. Trump, was the valuation presented here based on  
12       leases and capitalization rates true and accurate to your  
13       belief?

14       A       It could be, but again, what I told you is a building  
15       has many different forms of value. And this building, the most  
16       valuable -- the most valuable asset here is making it into  
17       condominiums. That would be -- it will happen as soon as  
18       interest rates go down and as soon as the City maybe comes back.  
19       It would be nice if it came back; wouldn't it?

20               But the value of this is -- the big value of this is  
21       making it into a condominium, residential condominium.

22       Q       Could we put up --

23       A       It would be one of the biggest jobs in the City.

24               MR. WALLACE: Could we put up Plaintiff's  
25       Exhibit 635. It's already in evidence, but I have an extra

1 copy for the witness.

2 (Whereupon, the exhibit was displayed on the  
3 screen.)

4 Q There is a very thick document. I'm not going to ask  
5 you to go through all of it, but it is an e-mail from Jeff  
6 McConney to Jack Weisselberg, Ladder Capital, attaching a  
7 modification of the ground lease. The e-mail is dated April 10,  
8 2015. If you go to page three of this document.

9 (Whereupon, the exhibit displayed on the screen was  
10 scrolled through.)

11 Q I'll put it up on the screen for you. You could see at  
12 the top. Title says -- this is a resume of the fourth  
13 modification of the ground lease on 40 Wall Street, NYC. We  
14 flip over to page four.

15 (Whereupon, the exhibit on the screen was scrolled  
16 through.)

17 MR. KISE: Do we have a copy of this document for  
18 the witness?

19 MR. WALLACE: He has a copy.

20 MR. KISE: I'm sorry?

21 MR. WALLACE: It's already in evidence.

22 Q If we look at the header. "Condominium conversion  
23 right." It states "Paragraph four eliminates the tenant's  
24 condominium conversion rights which it had under Section 2709."

25 Do you recall that in this amendment to the ground

1 lease your condominium conversion rights were eliminated?

2 A No, because I have a right to do a co-op. You could do  
3 condo -- you could do a condo, but I have the right to do a  
4 co-op. I believe I have a right to do condo, because we have a  
5 lollipop clause, but I have a right to do a co-op.

6 Q If we go back to the Statement of Financial Condition;  
7 that's Exhibit 730.

8 (Whereupon, the exhibit was displayed on the  
9 screen.)

10 Q We were on page nine?

11 (Whereupon, the exhibit displayed on the screen was  
12 scrolled through.)

13 Q Did this valuation include the lollipop conversion that  
14 you were talking about?

15 A Um, I don't know. It was around that time. I  
16 renegotiated the lease and got a new lease, and one of the  
17 things in the lease was a lollipop conversion.

18 Q My question is about this statement though, which says  
19 "That the valuation is based on leases that have been signed and  
20 capitalization rate." There is no mention here of converging to  
21 condos, is there?

22 A Well, I know you are asking -- you are talking about  
23 the estimated current value. And the estimated current value  
24 would be co-op, condo.

25 Q I'm not asking about what you could do. I'm asking

1 about what was actually prepared?

2 A I don't know because I didn't do it.

3 Q Okay.

4 Was the stated value -- let me ask, did you approve of  
5 this valuation?

6 A I accepted it. It was just one of many -- this is a  
7 very big statement. I have many different things, and this is  
8 one of many values. I accepted it. I didn't say, oh, gee, it  
9 should be higher or lower.

10 Q And you approved the statement's issuance?

11 A Yeah, I accepted it. Other people did it, but I didn't  
12 say make it higher or make it lower.

13 Q Was the \$550 million valuation here based on true and  
14 accurate information?

15 A I assume so.

16 MR. WALLACE: If we could move on to page 20 of 26  
17 here.

18 (Whereupon, the exhibit was displayed on the  
19 screen.)

20 Q And if we see at the bottom of the page is the listing  
21 for the mansion at seven Springs. I'll direct your attention to  
22 the paragraph -- first sentence in this listing that says "An  
23 entity wholly owned by Mr. Trump acquired a property known as  
24 "The Mansion" at Seven Springs in Bedford, New York, which  
25 consists of over 200 acres of land, a mansion and other

1 buildings. This property is zoned for nine luxurious homes. It  
2 has been valued at \$291 million based on an assessment made by  
3 Mr. Trump in conjunction with his associates of the projected  
4 net cash flow, which either derived as those units are  
5 constructed and sold, and the estimated fair value of the  
6 existing mansion and other buildings."

7 Do you have an understanding of whether that  
8 \$291 million valuation is true and accurate?

9 A I thought it was too high, and we lowered it. I guess  
10 the next statement or sometime, but I thought it was too high.  
11 This is the equivalent of Mar-a-Lago in New York, and I think it  
12 sells for -- I think it's valued -- I think the value is higher  
13 if you don't build additional housing. This is the kind of --  
14 it's a magnificent place. This is the kind of place that  
15 somebody will pay a lot of money for, I think more money than if  
16 you build nine, or 16, or 20 units of other homes on the site.

17 I think the site, as I remember, is 213 acres, and I  
18 think it's much more valuable, actually, without the building.  
19 I think it's more valuable the way it is.

20 MR. WALLACE: Your Honor, I think maybe we may need  
21 to take our break now, and if Mr. Kise could talk to the  
22 witness, I think I would appreciate it.

23 THE COURT: Let's take -- how long a break would  
24 you suggest? Make it 15 minutes so it's easy. A 15-minute  
25 break.

1 THE WITNESS: Thank you.

2 THE COURT: I'll direct the witness not to talk  
3 about the case or his testimony other than in the ways that  
4 I've asked.

1 THE COURT: Mr. Wallace, please continue.

2 MR. WALLACE: Thank you, Your Honor.

3 Q Mr. Trump, when we broke we were looking at the  
4 valuation for Seven Springs in your 2014 Statement of Financial  
5 Condition. I believe you said that that valuation, you said,  
6 eventually dropped that valuation; is that correct?

7 A Yes.

8 Q Did you eventually take a tax deduction based on  
9 easement donation for Seven Springs?

10 A I believe so, yes.

11 Q You recall receiving appraisals showing that the  
12 total value of the Seven Springs before the easement was  
13 \$56 million?

14 A No, I don't know. It could have happened, but I  
15 don't remember.

16 Q Do you remember if the easement appraisal was the  
17 reason for dropping the value of Seven Springs?

18 A No. The person that did that, I believe, was Sheri  
19 Dillon. That was the law firm that we mentioned, and a very  
20 good one, very prestigious. And she really was responsible for  
21 doing it. It was sort of, I think, her idea to do it.

22 Q So when you say the person that did "that" the  
23 "that" that you are referring to --

24 A Easement.

25 Q -- is the easement donation itself?

1           A     Yes.

2           Q     So if you did not decide to lower the value of Seven  
3     Springs based on the appraisal from the easement donation, what  
4     was the basis upon which you decided to drop the value?

5           A     Well, I thought it was high. I mean, I saw that.  
6     When I saw it the statement was done, and I said I thought that  
7     was high. That was one of the ones that was high. That  
8     doesn't mean it is not going to get that kind of money, because  
9     that's the kind of a place that would get that kind from the  
10    right person. But I thought it was high. And they dropped --  
11    they dropped the value.

12          Q     And so in your view, the estimated current value of  
13    Seven Springs as of June 30, 2014 was not \$291 million; is that  
14    correct?

15          A     I thought it was high. Maybe I'll sell it for more  
16    than that, you don't know. With that kind of a property, you  
17    never know, but I thought it was high.

18          Q     Is the Seven Springs easement donation under review  
19    by the IRS?

20          A     Not that I know of. It might be.

21          Q     Was it at any point under review by the IRS?

22          A     I don't know. I don't know.

23          Q     Do you remember when you decided to lower the value  
24    of Seven Springs?

25          A     Well, I guess probably when I looked, I don't know if

1 I looked immediately upon -- because again, I haven't spent a  
2 lot of time on these statements, because I realize the value of  
3 these statements is not that important. But when I looked at  
4 it, I thought it was high and I said, you have to lower it.

5 Q So the answer is, no, you don't remember when you  
6 decided to lower the value?

7 A I don't remember. It might not have been  
8 immediately, but it was, you know, within a period of time.

9 MR. WALLACE: If we could turn to page 21 of 26.

10 Q This is a section of your Statement of Financial  
11 Condition entitled Partnerships and Joint Ventures. And there  
12 is a reference to a joint venture that is 1290 Avenue of the  
13 Americas in New York, New York; and 555 California Street in  
14 San Francisco, California.

15 Are you familiar with those properties?

16 A Yes.

17 Q Underneath that it states: "In May 2007 Mr. Trump  
18 and Vornado Realty Trust became partners in two properties;  
19 1290 Avenue of the Americas located in New York City and 555  
20 California Street (formerly known as Bank of America Center)  
21 located in San Francisco, California."

22 A Mm-Hm.

23 Q If we look down a few more paragraphs it states:  
24 "Mr. Trump owns 30 percent of these properties."

25 Is that accurate?

1 A Yes.

2 Q And so you do not control the partnership with  
3 Vornado; is that correct?

4 A In many ways it is better, because I have no  
5 liability. I am a limited partner, that's limited liability.  
6 I have a 30 percent interest, but my interest I don't have to  
7 put up any money. I didn't put up any money and don't have to.  
8 I have a very good relationship with them. They are great, and  
9 very professional. But it is also a limited -- it was limited.  
10 I had no liability for what I own. So, it was a lot of people  
11 don't understand that. They think that a limited partnership  
12 gives you limited rights. In this case it gives me limited  
13 liability.

14 Q The question was: So you do not control the  
15 partnership with Vornado; is that correct?

16 A I have 30 percent of the partnership, yes.

17 Q And so you do not control the partnership?

18 A In the true sense, no. I will say this, we have a  
19 very good relationship and --

20 THE COURT: No. No. You answered the question.

21 A -- never had a problem.

22 THE COURT: And we appreciate that it is the  
23 true answer. Thank you.

24 Q The next paragraph states: "The estimated current  
25 value net of debt of \$816,900,000 is based on an evaluation

1 made by Mr. Trump in conjunction with his associates and  
2 outside professionals."

3 Is that a true and accurate statement that you valued  
4 the property based in conjunction with your associates and  
5 outside professionals?

6 A I don't know, because I am not familiar with the  
7 number.

8 But I do know that, as you know, the one building is  
9 the Bank of America building, one of the most, I think, one of  
10 the, I think, the best building on the west coast. And the  
11 other is a very great building in Manhattan on Sixth Avenue,  
12 Avenue of the Americas. We refinanced that building about two  
13 and a half, three years ago at a very, very low rate. And  
14 there were valuations placed on it then, and if you want I can  
15 get you that information, but the valuations were very high.

16 Q The question was whether you made an evaluation in  
17 conjunction with your associates and outside professionals of  
18 the value of those two properties?

19 A I don't know. It doesn't sound high to me. Not for  
20 these two buildings, so I don't know.

21 Q I am going to ask it again.

22 The question is whether or not you made an evaluation  
23 of the property value.

24 A Is that a double property right there? Is that both  
25 properties?

1 Q Both properties.

2 A It doesn't sound high. I don't know if I was  
3 involved in that. I remember looking at it, but it didn't get  
4 my attention. I think it is worth more than that.

5 Q Do you remember playing any role in evaluating the  
6 estimated current value of these two properties for any years  
7 between 2011 and 2021?

8 A 2021?

9 Q Correct.

10 A You mean bringing it back to two --

11 Q All the way, for the last ten years. That ten-year  
12 period.

13 A By the way, that was the hottest period ever for  
14 office properties. So I think you should know that. And you  
15 don't want me to talk much, but I think you should know that.

16 No, I think the value sounds very reasonable. I  
17 don't know. I don't know. I doubt it. I don't know that I  
18 would sell my interest for that, actually.

19 MR. WALLACE: I am going to hand the witness a  
20 document or ask the officer.

21 THE WITNESS: And excuse me, the buildings have  
22 been refinanced, two years ago.

23 MR. WALLACE: There is no question pending.

24 Q Mr. Trump, I have handed you a document that has been  
25 marked as Plaintiff's Exhibit 3344. This is an e-mail from

1 Jeff McConney to Donald Bender entitled Ferry Point. It is  
2 dated October 1, 2012.

3 Your Honor, I ask this document be entered into  
4 evidence.

5 MS. HABBA: Objection, statute of limitations.

6 THE COURT: Overruled. It is in evidence.

7 (Whereupon, the document referred to was deemed  
8 marked for evidence as Plaintiff's Exhibit 3344 by  
9 the Court.)

10 Q At the top there is an e-mail from Mr. McConney to  
11 Mr. Bender, it says: "Doc, I am almost done revising last  
12 year's footnotes. Allen wants S to speak to DJT tomorrow about  
13 the Vornado buildings. I am going to send you a few e-mails  
14 with some info on new properties, Doral and Charlotte, and an  
15 update to the Scotland footnote."

16 I want to ask if this refreshes your recollection  
17 about whether you had any conversations with Mr. McConney and  
18 Mr. Weisselberg about the value of the Vornado properties?

19 A About the Vornado buildings?

20 Q Correct.

21 A No, but I probably did.

22 MR. WALLACE: If we can go back to the Statement  
23 of Financial Condition; and if we could blow up the  
24 section with the valuation there, the estimated current  
25 value and amount of debt.

1           Q     Mr. Trump, do you believe that the stated value here  
2 of \$816 million was based on true and accurate information?

3           A     I think so. I hope so. I can say, if you go to 2021  
4 where it is more familiar to me, because it is more updated, I  
5 think that would be a low number.

6           Q     Were you involved in the preparation of the 2021  
7 statement?

8           A     No.

9           Q     Who was responsible for the preparation?

10          A     I don't know. That was when it was in trust, so I  
11 assume Allen and Jeff and perhaps they dealt a little bit with  
12 Don and Eric. But they were not involved with these statements  
13 very much at all, as I understand it.

14          Q     Would you get copies of the statements in 2021?

15          A     I hadn't seen it. I was so busy in the White House.  
16 I was really -- my threshold was China, Russia and keeping our  
17 country safe.

18          Q     My question is actually about 2021. Did you see a  
19 copy of the 2021 statement?

20          A     I don't believe so.

21          Q     And just to clarify for the record, you weren't  
22 President in 2021, correct?

23          A     No, I wasn't.

24                   MR. WALLACE: If we could turn back, if we could  
25 go to page 23 of 26 in this document.

1           Q     And if we look at the bottom of the page, on the  
2     category of other assets it says: Trump Tower. Mr. Trump owns  
3     a triplex apartment on the top three floors of Trump Tower (see  
4     note 3.)

5                 I'll just represent to you that note 3 doesn't  
6     discuss your apartment, it discusses the building.

7                 Were you involved in the valuation of your triplex  
8     apartment for this statement of financial condition?

9           A     No. What date is this?

10          Q     2014.

11          A     No, I wasn't.

12          Q     Did there come a time when you determined that the  
13     valuation for your triplex apartment was too high?

14          A     Yes, I did.

15          Q     After you made that determination, did  
16     Mr. Weisselberg and Mr. McConney lower the valuation of your  
17     triplex apartment?

18          A     I believe so, yes.

19          Q     Did they do that at your direction?

20          A     I told them I thought it was too high. I thought the  
21     number was too high. And I know they lowered it after that,  
22     yes.

23                     MR. WALLACE: If we could pull up Plaintiff's  
24     Exhibit 758. This is a spreadsheet, so it is only going  
25     to be up on the screen here.

1 And if we could go to row 893.

2 Q This is a category Other Assets. And if we look  
3 down, if we could go down to rows 969 and 971, this shows the  
4 valuation of your apartment.

5 I'll represent to you that the valuation of the  
6 apartment is not actually in the Statement of Financial  
7 Condition, it is incorporated. So this is where we are going  
8 to try and find it.

9 A I think that's why I missed it also.

10 Q Okay. And if you look you can see here, I'll  
11 represent to you that column G are the values for 2013. Column  
12 H is the value for 2014. So you can see that it goes from  
13 \$116 million in 2013 to \$327 million in 2014.

14 And so it is your understanding that the \$327 million  
15 valuation is too high?

16 A Yeah. And the reason I didn't pick it up sooner is  
17 that I thought it was high, but it is not mentioned -- it is  
18 not broken down in the financial statement, so I wouldn't have  
19 known.

20 Q Okay. And I am sorry, I apparently -- this is the  
21 Statement of Financial Condition for 2017, so I misrepresented.

22 A That's okay.

23 Q The 2017 number is in G, and the 2016 number is in H.  
24 So I apologize.

25 MS. HABBA: Sorry, just to make the record

1 clear, Kevin, this is the backup, not the SOFC?

2 MR. WALLACE: Correct.

3 MS. HABBA: I think you said SOFC on the record.

4 MR. KISE: And this is the backup for 2016?

5 MR. WALLACE: 2017. So showing a change from  
6 2016 to 2017.

7 Q And this change in valuation came at your direction?

8 A Probably. I mean, I thought it was too high. I  
9 don't know what is too high anymore because I am seeing things  
10 being sold at numbers that are very high. But I thought it was  
11 too high, so I assumed that they didn't.

12 Q Do you have an understanding of why the valuation was  
13 too high?

14 A Well, I have heard different reasons. But one of the  
15 reasons was they did it off a broker. A broker was sending  
16 lists of apartments and they had it down at 30 -- 30,000 feet.  
17 Is it 30?

18 And another one was that, you know, I have the roof,  
19 we have access to the roof which is very big. And when you add  
20 the roof it is not that far off.

21 And there are a lot of other reasons. And there is  
22 another reason, they just made a mistake. And that's why we  
23 have a disclaimer clause in case there is a mistake. There is  
24 a disclaimer clause, where you don't have to get sued by the  
25 Attorney General of New York.

1           Q     Mr. Trump, as you sit here today, do you know how big  
2 your triplex apartment is?

3           A     You know, you wouldn't -- you wouldn't know. I have  
4 heard, obviously, because of the trial, they say 11 to 12 to  
5 13,000 feet.

6           Q     At your deposition testimony, does it sound correct  
7 that you testified that each floor of Trump Tower is about  
8 10,000 square feet?

9           A     As the floor. And it is a triplex, and I think they  
10 probably took 10,000 feet per floor. I could see how it was  
11 done. They took 10,000 feet per floor, because the floors are,  
12 I believe, about 10,000 feet, and they went times three. But  
13 the -- but they didn't take out, you know, elevator shafts and  
14 different things.

15          Q     Okay.

16                     MR. WALLACE: I would like to go back to the  
17 2014 Statements of Financial Condition. F if could go to  
18 page ten of 26.

19          Q     This is the heading for club facilities and related  
20 real estates. And if we scroll down, this is the listing for  
21 Mar-a-Lago.

22                     If you look, I'll read it into the record, it states:  
23 "Mr. Trump acquired this property in 1985 and transferred  
24 ownership to a wholly owned limited liability company in 1995.  
25 It is now an exclusive private club which consists of 117

1 rooms.

2           Formerly known as the Marjory Merriweather Post  
3 Estate, it features a 20,000 square foot Louis XIV style  
4 ballroom, world class dining, tennis courts, spa, cabanas and  
5 guest cottages."

6           I am going to direct your attention to where it  
7 states that the property is an "exclusive private club." Is  
8 that correct?

9           A     Yes.

10          Q     Okay. And is it correct that the ownership of the  
11 club was transferred to a wholly owned limited liability  
12 company in 1995?

13          A     I guess so. If you represent, I would say yes.

14          Q     Well, I am asking if you know whether or not the  
15 representation here, which is that it was transferred to a  
16 wholly owned limited liability company in 1995; do you know if  
17 that's correct?

18          A     No. But it is probably so because I have done that  
19 with many properties over the years.

20          Q     Is Mar-a-Lago today still wholly owned -- is the  
21 ownership of Mar-a-Lago today still underneath a wholly owned  
22 limited liability company?

23          A     I believe it is the same.

24          Q     And there is no separate valuation for Mar-a-Lago on  
25 the Statement of Financial Conditions in this century, correct?

1           A     You know, I have no mortgage on Mar-a-Lago, no debt.  
2     There is no debt. There was no reason to do it. So I don't  
3     know if they did it or not. But there is no debt, zero, on  
4     Mar-a-Lago.

5           Q     My question is just that the price of Mar-a-Lago or  
6     the, I should say, estimated current value of Mar-a-Lago is not  
7     listed here, is it?

8           A     No, it is not. It is not.

9           Q     Okay.

10                  MR. WALLACE: If we could pull up the supporting  
11     data for this Statement of Financial Condition,  
12     Plaintiff's Exhibit 719.

13           Q     This is, I'll represent to you, the supporting  
14     spreadsheet for the 2014 --

15                  MR. WALLACE: Do I have this wrong?

16                  Okay. If we could go down to row 189. And  
17     actually go down to the club facilities. Sorry 205.

18           Q     You see the entry is at 207 for Mar-a-Lago, and  
19     underneath that it states: "Value if sold to an individual."

20                  That is referencing to selling the property to an  
21     individual as a residence; is that correct?

22           A     Yes, that's right.

23           Q     Did you approve valuing Mar-a-Lago as if it could be  
24     sold to an individual as a residence?

25           A     I personally -- well, did I approve it? On this? I

1 don't know. There are two ways you can approve it, as a club  
2 or as a residence or as both. It is most valuable as both.

3 Q And here it is being valued as a residence, correct?

4 A I guess so. What is the number?

5 Q We will get to the number in a minute. I was just  
6 wondering, did you at some point discuss with Mr. McConney or  
7 Mr. Weisselberg valuing Mar-a-Lago as a private home?

8 A I don't remember that, no.

9 MR. WALLACE: If we go down to row -- just go to  
10 the bottom, row 242.

11 Q Do you see a value listed for Mar-a-Lago --

12 A Yes.

13 Q -- is \$405,362,123 as of June 30, 2014.

14 Did you approve that valuation number?

15 A No. But it is a very low number.

16 Q So you -- do you agree with that number?

17 A No, it is much -- it is much more valuable than that,  
18 much, much. We are bringing in an expert so that they will  
19 explain to you what it is worth.

20 Q I'll ask you a question. You believe as of today  
21 Mar-a-Lago is worth at least 1.5 billion; is that correct?

22 A How much.

23 Q 1.5 billion?

24 A I think between a billion and a billion five, yes.

25 Q As of June 30, 2014 though, do you have a view as to

1 how much Mar-a-Lago was worth at that time?

2 A More than this number. I don't know, but much more  
3 than this number.

4 Q Mr. Trump, we are going to hand you a copy of a  
5 document that is already in evidence. This has been stamped as  
6 Plaintiff's Exhibit 1013. This is a deed of development rights  
7 for the Mar-a-Lago club. And I'll direct you to it up on the  
8 screen.

9 If you could turn to page two of the document just  
10 quickly. Do you see your two signatures?

11 A Yes.

12 Q There? Okay.

13 If we go back to the first page, under the third  
14 "Whereas" clause, and I'll read it into the record for you and  
15 highlight it here.

16 It states: "Whereas, the club and Trump intend to  
17 forever extinguish their right to development or use the  
18 property for any purpose other than club use."

19 Was it in fact your intent to forever extinguish your  
20 right to use the property for any purpose other than club use?

21 A Well, when you say, "intend" intend doesn't mean we  
22 will do it. That's number one. It says "intend." I intend.  
23 But we have the right to change it back to a house. I  
24 intended, I would always leave it as a club; or a club and a  
25 residence, which is really the best combination, which is what

1 it is right now. It is a residence and it is a club, and a  
2 very successful club at that.

3 Q I take it your answer was that, yes, you did intend  
4 to do this?

5 A Yeah, I intend. I intend. But I also have the  
6 right, if I wanted to, there is no reason to do that, to switch  
7 it back.

8 Q Switching it back would be contrary to forever  
9 extinguishing something though, wouldn't it?

10 A No. It says to intend. It doesn't say that. It  
11 says to intend. It doesn't say I will. It says intend.

12 But I don't mind leaving it as a club. In fact, if  
13 somebody actually wanted it, the smartest thing to do, because  
14 there are a lot of advantages to the club status, the smartest  
15 thing to do would be to have a club and have one member; and  
16 that would be the member that lives in the club. But it is  
17 much more valuable and we will show that in two weeks or five  
18 weeks or nine weeks or whenever this thing goes, that it is  
19 most -- its biggest value is to be able to use it as a club and  
20 residentially simultaneously.

21 Q If we look at the next paragraph it states:  
22 "Whereas, the National Trust for Historic Preservation in the  
23 United States (The National Trust) is the grantee of a Deed of  
24 conservation and preservation easement recorded on April 6,  
25 1995, in official record book 8691, page 764, of the public

1 records of Palm Beach County, Florida (The preservation  
2 easement).

3 As reflected here you had in fact granted a  
4 preservation easement to the National Trust for Historic  
5 Preservation in 1995; is that correct?

6 A That is correct.

7 Q If you look down at the next paragraph it states:  
8 "Whereas, the preservation easement limits changes to the  
9 property including, without limitation, the division or  
10 subdivision of the property for any purpose, including use as  
11 single family homes, the interior renovation of the mansion,  
12 which may be necessary and desirable for the sale of the  
13 property as a single-family residence estate. The construction  
14 of new buildings and the obstruction of open vistas."

15 A Yeah.

16 Q As reflected in the 1995 preservation easement then,  
17 it was prohibited to renovate the interior of the mansion in a  
18 way which may be necessary or desirable for the sale of the  
19 property as a single-family residential estate; is that  
20 correct?

21 A It was a single-family home. It was the home of  
22 E.F. Hutton and Marjory Merriweather Post. I don't think  
23 anybody would want to touch it. It is designed as a home. And  
24 it was converted to a club very successfully, and it does  
25 great. And that's where it is. But this is, you don't have to

1 do anything to convert it.

2 And also, the easement really talks about views. It  
3 is only a view easement. If I want to build something, I go to  
4 the National Trust. I built a ballroom as an example. I built  
5 a very big ballroom there. The ballroom you mentioned in your  
6 last page was built by me. And it is very large, beautiful.  
7 And what happens is, if I want to development other parts of  
8 the property, but not in the view corridor. It is called a  
9 view corridor. It is a certain view corridor from the main  
10 windows of the living room.

11 But on the side, what is called the side corridors, I  
12 have a right to develop, if I want to. But this is a little  
13 like we were talking about Seven Springs, this property is more  
14 valuable without building houses on it. It is much more  
15 valuable, actually, in this case.

16 Q After this Deed of Development rights, you stated  
17 publicly that Mar-a-Lago would forever be a club; didn't you?

18 A That is what?

19 Q You stated that Mar-a-Lago would forever be a club;  
20 is that correct?

21 A No, I don't think so. I mean it says "intends." I  
22 would personally never change it. If somebody later on,  
23 including my children, if they want to change it, I believe  
24 they would have the right to do that, if they wanted to.

25 Q Mr. Trump, the court officer is handing you a

1 document that has been marked Plaintiff's Exhibit 1730.

2 (Handing)

3 Q This is an article from the Palm Beach Post dated  
4 August 27, 2023. And if you look at the bottom of the page  
5 there is a quote from you. It states: We waited until it  
6 became a great success, Trump said, and the Mar-a-Lago club is  
7 a great success. It will forever be a club.

8 That was your statement, correct?

9 A Yeah.

10 Q In 2003, that the Mar-a-Lago club would forever be a  
11 club?

12 A Well, I hope so. I mean, I think that was said with  
13 bravado as opposed to with legal intent. It will be for, you  
14 know, as long as I am around, it will be a club. And I live  
15 there.

16 Q And by making -- I apologize for interrupting.

17 A Yeah. Please.

18 Q By making sure it was forever a club, you paid less  
19 in taxes on the property; is that correct?

20 A A club will pay less in taxes, correct.

21 Q And that says that, if we look at the forth paragraph  
22 here, it states: We pay less tax, Trump said Tuesday, now we  
23 are treated like the bath and tennis and the other clubs?

24 A That is correct, pay less taxes. Not too many clubs,  
25 you pay much less tax.

1 MR. WALLACE: Your Honor, I ask this document be  
2 entered into evidence.

3 MR. KISE: For what purpose are they introducing  
4 the document?

5 MR. WALLACE: He has admitted these are his  
6 statements at the time.

7 MR. KISE: So all of his statements in here will  
8 be admitted?

9 MR. WALLACE: The statements of Mr. Trump only.

10 THE COURT: It is in evidence.

11 MR. KISE: The statement where it says if it  
12 didn't work out as a club it could go back to some other  
13 use, that's acceptable as well?

14 MS. HABBA: The one you didn't show the witness.  
15 The one on the bottom.

16 MR. WALLACE: I'll ask him about that then.

17 MS. HABBA: Yeah, you should.

18 Q Mr. Trump, if you look to the second to last  
19 paragraph on the page, we will highlight it for you.

20 It states: If it didn't work out as a club we could  
21 have gone back to some other use; is that accurate?

22 A I believe so, yes.

23 MR. WALLACE: I believe Your Honor has overruled  
24 the objection and this is in evidence; is that correct?

25 THE COURT: Yes, the entire document is in

1 evidence.

2 (Whereupon, the document referred to was deemed  
3 marked for evidence as Plaintiff's Exhibit 1730 by  
4 the Court.)

5 Q Mr. Trump, I would like to hand you another document.  
6 This one is marked as Defendant's Exhibit 478.

7 Mr. Trump, in order to win approval to convert  
8 Mar-a-Lago to a club, you took the position that it was  
9 impractical for a single individual to continuously own  
10 Mar-a-Lago as a private estate at his or her sole expense; is  
11 that correct?

12 A Yeah probably in those days. That was a long time  
13 ago.

14 Q Well I can show you, this is -- this document is the  
15 Mar-a-Lago, if we turn to the second page, please?

16 A Sure.

17 Q It is the Mar-a-Lago club special exception use and  
18 preservation plan. Do you remember submitting this plan to  
19 Palm Beach in order to convert?

20 A Yes, I did.

21 MR. WALLACE: Your Honor, we ask that  
22 Defendant's 478 be marked into evidence.

23 THE COURT: Granted it is in.

24 (Whereupon, the document referred to was deemed  
25 marked for evidence as Defendant's Exhibit 478 by the

1 Court.)

2 Q If we look at page six of this document, I believe.  
3 It states at the top: As to item (1)  
4 I'll represent to you that item 1 is private  
5 ownership of Mar-a-Lago.

6 It states: "It is impractical for a single  
7 individual to continuously own Mar-a-Lago as a private estate  
8 at his or her sole expense. When the Post Foundation marketed  
9 the property after its return to the foundation from the U.S.  
10 government, it was almost impossible to sell. About 80  
11 qualified buyers, thoroughly screened, inspected Mar-a-Lago and  
12 elected against even making an offer.

13 H. Ross Perot was one prospect. Although 'everything  
14 is for sale at a price' no one would step forward to make  
15 offers for this so called 'white elephant.'" And cites to  
16 articles from the Miami Herald and the Palm Beach Post Times.

17 Is it correct, was this statement correct at the time  
18 it was made?

19 A Yeah. I got luckily.

20 Q I take it, it is now your position that it is no  
21 longer a white elephant?

22 A That's true. There is a man building a house down  
23 the road spending one billion dollars to build it, and it ain't  
24 Mar-a-Lago. They are spending 1 billion down the road.

25 Q If we could go back to the Statement of Financial

1 Condition, that's Exhibit 730.

2 Mr. Trump, I would like to focus on your Golf Club at  
3 Aberdeen. So if we could go to page 16 of 26.

4 Here we see the listing for Trump International Golf  
5 Club in Scotland-Aberdeen. I am just going to read into the  
6 record the description of the club here. It states:  
7 "Mr. Trump, through wholly owned entities, acquired 500  
8 hectares (approximately 1,236 acres of land) on the northeast  
9 coast of Aberdeenshire.

10 The development received outline planning permission  
11 in December of 2008 for a world class, Martin Hawtree designed  
12 championship golf links golf course, suitable for hosting major  
13 events; a second future award winning 18-hole course; a luxury  
14 clubhouse; a state-of-the-art driving range, and golf academy;  
15 a tennis center; an equestrian center; a luxury five-star 450  
16 room hotel with associated conference and banquet facilities;  
17 an full-time spa; a residential village consisting of 950  
18 holiday homes; and 500 single-family residences and 36 golf  
19 villas."

20 Start there. Was that description of the club as of  
21 June 30, 2014 true and accurate?

22 A Probably. But you know, we could do more or less.  
23 We could do a bigger job, a smaller job.

24 (The following proceedings were stenographically  
25 recorded by Senior Court Reporter Michael Ranita.)

1           Q     Do you believe it was accurate, that's as of December  
2     2008, you had received outline tenant permission for a  
3     residential village consisting of 950 holiday homes?

4           A     Yeah.

5           Q     And 500 single family golf residences and 36 villas?

6           A     Yes, Aberdeen is the oil capital of Europe, very rich.

7                     THE COURT:   Irrelevant.   Irrelevant.   You answered  
8     the question.

9                     THE WITNESS:   It is.

10          Q     There's no valuation value for the Aberdeen property  
11     listed in this paragraph; correct?

12          A     I don't know.

13          Q     Okay.   It's not.

14                     MR. WALLACE:   So why don't we put back up  
15     Plaintiff's Exhibit 719.

16                     (Whereupon, the exhibit was displayed on the  
17     screen.)

18          Q     This is the supporting spreadsheet for the 2014  
19     Statement of Financial Condition.   If we could go to row 481,  
20     please.

21                     (Whereupon, the exhibit displayed on the screen was  
22     scrolled through.)

23          Q     481, here we see the listing for Trump International  
24     Golf Club, Scotland.   That's your club at Aberdeen; is that  
25     correct?

1 A Yeah, right.

2 Q If we look over in column G, we could see the valuation  
3 for 213 -- I will rephrase that question. In column G we see  
4 the valuation, as of June 30, 2013, in column H, we see the  
5 valuation as of June 30, 2014. Do you see that? Or do you see  
6 the dates?

7 A Do I see what?

8 Q The dates at the top. G is -- I'll direct you to it.

9 A Yes, yes. I do.

10 Q June 30, 2013, H is June 30, 2014?

11 A Right.

12 Q Okay. Let's go down and take a look at those  
13 valuations, which I believe are down on 43 or 46.

14 (Whereupon, the exhibit displayed on the screen was  
15 scrolled through.)

16 Q No, I was wrong. If we stop here, it's in 527.

17 So you could see the valuation in -- as of June 30,  
18 2013, is \$191,165,600, and as of June 30, 2014, the valuation is  
19 \$435,562,426?

20 A Yeah.

21 Q Do you see that difference?

22 A Yes, I do.

23 Q You did not build a second golf course at Aberdeen  
24 between June 2013 and June 2014?

25 A I'm building it now.

1 Q So you had not done it by June 2014?

2 A No, I didn't. The first one, it was very successful,  
3 and then the second one. And then basically you would have a  
4 thousand acres of land -- you have 1230 some-odd acres. It's  
5 lot of land on the ocean. And it was a big development job.  
6 And I could do it anytime I want. I just don't really want to  
7 do it. I don't really need to build 2,000 or 1,000 or 500  
8 houses in Aberdeen. I don't want to do it.

9 This was an artistic expression. I think it's the  
10 greatest golf course ever built. I believe it is. And we've  
11 gotten reviews saying that we are close to that. It's one of  
12 the greatest pieces of land I've ever seen. And we have, now,  
13 one course, and we built a clubhouse, we built the roads, we  
14 built everything. I'm no rush to build. I'm not looking to  
15 build a lot things. I'm doing other things right now. But it's  
16 an unbelievable site. We could build more than what you showed  
17 in the plan, or less than what you showed in the plan. But I  
18 don't want to build anything. I just want to sit with it. It's  
19 called an investment.

20 Q So I just want to make sure I heard that last part.  
21 You are not planning to build anything as of today?

22 A Well, I'm building right is now.

23 Q Apart from the golf course, you are not planning on  
24 building any housing developments?

25 A I'm sort of preparing the site, because I'm putting up

1 the second course. And it's under construction. It will be  
2 done in a year. And then we have all this -- we have a thousand  
3 acres of land that we can do whatever we want with, but I'm in  
4 no hurry to do anything with it. I have enough things to do.

5 Q And your statement was, "I'm not looking to build a lot  
6 of other things right now"; is that correct?

7 A I'm not looking to -- yeah, as I said, I'm not looking  
8 to go to Scotland and build a big development, but it's got  
9 tremendous value.

10 Q So we got away from what the actual question was, which  
11 was, I believe that you did not build a second golf course at  
12 Aberdeen between June 2013 and June 2014; correct?

13 A Yeah, nor was I supposed to.

14 Q And you did not build a new hotel at Aberdeen between  
15 June 2013 and June 2014 did you?

16 A Because I didn't want to.

17 Q And you did not build any homes at Aberdeen between  
18 June 2013 and June 2014 did you?

19 A No. I have a castle that we renovated, but no. I want  
20 it just the way it is, and at some point, at some point maybe in  
21 my very old age I'll go there and do the most beautiful thing  
22 you've ever seen, but I just don't have -- I don't want to do it  
23 now. It's an unbelievable piece of property.

24 Q I'm focused, then, on where we get the \$245 million  
25 increase in the value of the property from 2013 to 2014. So I

1 would like us to go back up to -- if we look at. Let's go down  
2 to see 489 at the top. I'll represent to you -- well -- no, go  
3 down a little more.

4 (Whereupon, the exhibit displayed on the screen was  
5 scrolled through.)

6 Q That's it. Right there. So you'll see the valuation  
7 for the club, the golf club, the land allocated to hotel and  
8 residential, the remaining value for the golf courses, stays  
9 about the same. It goes from \$76 million in 2013 to 2014. The  
10 remainder of the value for 2013 comes from the line item  
11 valuation per George Sorial e-mail, 9/6/2011, in addition to DJT  
12 Capital contributions.

13 George Sorial was a lawyer in the Trump Organization;  
14 is that correct?

15 A Yes.

16 Q He was not a valuation professional; is that correct?

17 A No.

18 Q Okay.

19 And if we look at what changes in 2014, we could go  
20 down to the column starting at 508 that says "value of  
21 undeveloped land."

22 (Whereupon, the exhibit displayed on the screen was  
23 scrolled through.)

24 Q And you could see that there is a listing that says the  
25 residential parcels are 83,000 pounds each. The number of homes

1 to build at 2,500, which generates a value of 207 million  
2 pounds, which is then converted into dollars; that's the basis  
3 for the 245 some-odd million dollar increase in value; is that  
4 correct?

5 A I really don't know, but the job could be much bigger  
6 than that, too. It's 1200 acres, more than that, fronting the  
7 entire width -- fronting on the North Sea. It's, it's, it's  
8 like one of the easiest -- in the oil capital of Europe.

9 Q I'm asking, was it actually done?

10 A It's a very nice piece of land that everybody said I  
11 could never get zoned, and I not only got it zoned, I got it  
12 zoned for much more than anyone thought possible.

13 Q Let's take a look, then, if we could compare this,  
14 because 2,500 homes is not the same used in the Statement of  
15 Financial Condition, which I think --

16 MR. WALLACE: Please split those screens.

17 (Whereupon, the exhibit was displayed on the  
18 screen.)

19 Q If we look, it says -- the valuation states there is  
20 2,500 homes?

21 A Yes.

22 Q But the statement itself says that it's 950 holiday  
23 homes, 500 single family residences, and 36 golf villas?

24 A More luxurious, yes.

25 Q And I'll represent to you that that comes to 1,486

1 homes in total, with only 500 single family residences. So the  
2 Statement of Financial Condition for 2014 does not accurately  
3 disclose the number used in the calculation; is that correct?

4 A Those homes will sell for a tremendous amount of money;  
5 they are on the North Sea. I could also go with a much bigger  
6 job if I wanted to. The relationship is very good with  
7 Aberdeen. Aberdeen is a very rich place. It's an incredible  
8 piece of land. And again, it may be the greatest golf course  
9 ever built. And I own Turnberry and I own great ones.

10 The numbers there are not shocking numbers. And this  
11 is a very big job. I just don't want to build it now. You  
12 know, you're probably right, I'm doing other things right now.

13 THE COURT: Mr. Wallace, I'm so what following your  
14 lead. If you want to let the witness ramble on, be  
15 unresponsive, repeat himself, go ahead.

16 MR. WALLACE: I might normally move to strike, but  
17 there are things I would like to preserve for the record in  
18 that answer, so I'm reluctantly allowing this to continue.

19 THE COURT: That's why I'm following your lead.

20 MR. KISE: I just want to note, I'm not really sure  
21 it's clear. Maybe this is the subject of the ambiguity. I  
22 mean, I think his answer is a brilliant answer. I just  
23 don't know if he is answering the question because he is  
24 confused as to whether or not we are talking about the  
25 Statement of Financial Condition or the backup data, which

1 he's testified -- I think Mr. Wallace has already  
2 admitted -- this witness has never seen, before, the backup  
3 data. So I'm not sure what he's answering, whether he is  
4 talking about the backup data or he is talking about the  
5 Statement of Financial Condition, or if the question is  
6 both.

7 MR. WALLACE: I don't think my question was  
8 answered, so I was going to re-ask it, but I'm happy to  
9 have --

10 MR. KISE: If you could clear it up, that's fine.  
11 I just think it's not even in the record.

12 MR. WALLACE: I am I'm just asking that his prior  
13 statement remain on the record, even though it's  
14 nonresponsive.

15 Q Mr. Trump, my question is more directed. It's simply  
16 that the number of homes used in the calculation for 2014 do not  
17 actually match the number of homes disclosed in the statement;  
18 is that correct?

19 A I don't know, but it could very well be. It's sort of  
20 like a painting. You could do pretty much what you want to do.  
21 The land is there. You could do what you want to do. So you  
22 could do either one of them, actually.

23 Q As of 2012, you had actually made a determination that  
24 you would not be developing the Aberdeen property because of  
25 Scottish plans to build a wind farm off shore; is that correct?

1           A     Well, I was not happy because they are -- they've  
2 fought long and hard to build wind mills, I think nine of them,  
3 out in the ocean, out in the sea. And they built them.

4           Q     Okay. "They" being Scotland?

5           A     Scotland.

6           Q     And because of those wind mills, you decided in 2012  
7 that you were not going to be doing further development of the  
8 Aberdeen property?

9           A     I told them, I don't know if it has an impact or not,  
10 I'm not a windmill person. I think I'm being proven to be  
11 right.

12          Q     Did you testify about your unwillingness to develop the  
13 Aberdeen property for a subcommittee of the Scottish parliament  
14 in 2012?

15          A     Yes, I did.

16          Q     And do you believe that -- I'll see if I could skip  
17 ahead and just ask. Would it sound correct to you that  
18 Mr. Weisselberg submitted a statement to the UK regulators in  
19 September of 2014 saying that the Trump Organization did not  
20 intend to develop the Aberdeen property any further based on the  
21 wind farms?

22          A     We had a big fight over the wind farms, but they were  
23 put in years ago. They've been there for many years now.  
24 They'll probably come down, like all the other wind farms are  
25 coming down, and I've been asked whether or not they have an

1 impact -- they are miles out in the ocean. They are not on the  
2 property. They are miles out. And most people tell me, no.  
3 Almost everybody tells me no. I don't know if that's true. But  
4 regardless, we have the right to build a very big project, if I  
5 want to build it. That was in 2014, when we were fighting the  
6 wind mills, yes.

7 Q And as of today, November 6th, 2023. You haven't built  
8 any homes at Aberdeen; is that correct?

9 A It's just a beautiful piece of property sitting there  
10 waiting for homes to be built. It will be very successful. I  
11 just don't -- you know, there's nothing wrong with sitting with  
12 property and waiting if you have the money to play that game,  
13 and I do have a lot of money, a lot more money than you thought,  
14 I guess. At some point that will be developed into a  
15 magnificent job. I just don't want to do it now.

16 Q Mr. Trump, apart from the Seven Springs valuation we  
17 discussed, and your apartment, do you stand by all the  
18 valuations in this Statement of Financial Condition for 2014?

19 A I haven't looked at it in years.

20 Q Do you have any reason -- so, you might not agree with  
21 the valuations in here anymore, is what you are saying?

22 A I think I've been proven to be right, because if you  
23 take those valuations and bring them up to 2021, a couple of  
24 years ago they are much higher than they were in that statement.

25 Q But the valuations were the estimated current value as

1 of June 30, 2014; is that correct?

2 A Yeah, but if you carry that forward to 2021, all of  
3 those valuations were low.

4 Q Meaning the properties are now worth more today,  
5 November 2023, than they were --

6 A Much more, yeah.

7 Q Than they were in June of 2014.

8 Okay. Apart from the Seven Springs valuation we  
9 discussed and the triplex apartment, are you aware of any other  
10 properties on the Statement of Financial Condition between 2011  
11 and 2017 that were overstated?

12 A Um, not that would have -- I don't know of any, but not  
13 that would have a material effect, because I'm worth billions of  
14 dollars more than the financial statements. The financial  
15 statements are just the opposite of what your Attorney General  
16 thought, and they are having a big problem with it. I'm worth  
17 billions of dollars more, so anything that would be a little bit  
18 off would be nonmaterial, nonmaterial.

19 Q And are you aware of any nonmaterial items that were  
20 overstated in the Statement of Financial Condition between '11  
21 and '17?

22 A I haven't looked.

23 Q Do you still approve of the work that Mr. McConney and  
24 Mr. Weisselberg did preparing the Statements of Financial  
25 Condition between 2011 and 2017?

1           A     Well, again, we have a disclaimer clause that tells you  
2 we are doing the work. It's not in accordance with your normal  
3 -- if you are going to do some kind of a big certified  
4 statement. You are not doing appraisals and everything else.  
5 We have a very important clause called a "disclaimer clause",  
6 and it's a 100 percent disclaim. And some people call it a  
7 "worthless statement clause." They call it lots of different  
8 things. And as you will be hearing in testimony, they always  
9 hold up in court, except maybe in this court. They always hold  
10 up in court, always. It's a disclaimer.

11                 It says, very strongly, do your own due diligence. Do  
12 your own work. Do your own study. Don't take anything from  
13 this statement for granted. You could look at the statement,  
14 but you must do your own analysis and due diligence.

15           Q     Do you still approve of the work that Mr. McConney and  
16 Mr. Weisselberg did in preparing the Statements of Financial  
17 Condition between 2011 and 2017?

18           A     As far as I know I do. You haven't shown me anything  
19 that would change my mind.

20           Q     Same thing true of the statements that came out between  
21 2017 and 2021? You stand by that?

22           A     I was assured of 2021, but I was President, and I was  
23 not involved in any way by that. I was doing other things.

24           Q     You were not aware of anything that was done that you  
25 disagree with, but you are not familiar with the statements?

1           A     Probably the statements would be -- again, if there was  
2 a mistake, it was nonmaterial, but even if it was material, and  
3 I don't see that, and we did make some changes where they found  
4 out there were mistakes, we have a disclaimer clause that says,  
5 do your own diligence -- due diligence. Don't, under any  
6 circumstances, count on anything here, because it was done --  
7 they are done quickly. They are done -- it says -- I think it  
8 says done in accordance with the owner's projections and the  
9 owners, The Trump Organization's projections and everything  
10 else.

11                 So one of the reasons I never got too involved with  
12 these statements was -- that clause is on page one, as you know  
13 better than anybody. It's also throughout the statement. When  
14 you read the statement, everything is disclaimed. They say go  
15 out and do your own. Don't believe it. Get your own  
16 appraisers, get your own accountants, do everything. And that's  
17 why we shouldn't be having a case here, because we have a  
18 disclaimer clause which every court in this country holds up,  
19 except for this particular Judge.

20           Q     Can I ask, then, is it your particular position that  
21 the Statements of Financial Condition are, in fact, worthless?

22           A     No, I don't think they are worthless, but I don't think  
23 they are worthless at all. And -- but I think that they're -- I  
24 think, frankly, with the disclaimer clause, if there is any  
25 mistake, the disclaimer clause covers it. And because they

1 haven't -- they didn't devote their entire life to this. And  
2 again, most developers don't do this. They just write the name  
3 of the building and the address of the building. They put some  
4 number that they think it's worth. They don't have anything  
5 like this.

6           What I've done is far more -- and it's also far more  
7 conservative. You never mentioned the fact that we have 3,  
8 \$400 million cash in these things. Very -- I mean, people don't  
9 know how good a company I built. You know why? Because people  
10 like you go around and try and demean me and try and hurt me.

11       Q     Mr. Trump --

12       A     Probably for political reasons. In her case,  
13 definitely for political reasons. And I think it's hurting her.

14           MR. WALLACE: There's a lot in there that I want to  
15 keep, your Honor, so I'm not going to move to strike that.

16       Q     I just want to go back and clarify one thing in your  
17 last answer. You said "they did not devote their entire life to  
18 them." Who is the "they" you referred to?

19       A     That would be Jeff and Allen. They had other things to  
20 do.

21       Q     Does that mean that Jeff and Allen were not being  
22 careful when they prepared your statement?

23       A     No, I think they were being careful. But, again, the  
24 disclaimer clause says if you -- if there's a mistake, if  
25 there's something, it says, "Don't rely" -- it's called a

1 non-reliance clause, also. I mean it's a very standard thing  
2 and it's allowed in every court in the United States. It's a  
3 non-reliance.

4 Q You stated that.

5 A I know I'm trying to make you understand it. It's a  
6 non -- non-reliance clause, and every court in the United States  
7 has upheld them, and every legal scholar that I've read about  
8 this case has said what's going on here? How can a thing like  
9 this being going on? It's disgraceful. And in addition to  
10 that, I'm worth more than the numbers in the statement.

11 MR. WALLACE: That answer I will move to strike,  
12 your Honor.

13 THE COURT: As repetitive?

14 MR. WALLACE: Repetitive, nonresponsive.

15 THE COURT: Nonresponsive.

16 MR. WALLACE: He's already made that point in the  
17 record.

18 MR. KISE: I'm not sure there's any basis to strike  
19 -- a valid basis to strike it. It's an answer. Mr. Wallace  
20 is satisfied with the answers. He is culling for these  
21 narratives, and he is getting answers to the questions. And  
22 this is -- this is -- this goes to the very heart of what  
23 we're here about, which is intent. I mean, if -- intent is  
24 subjective. And if this witness's intent is as stated here,  
25 I don't see how anyone could ever prove intent under these

1       circumstances. It's a brilliant answer to the question. So  
2       Mr. Wallace can't pick and choose which narratives he likes  
3       and which narratives he doesn't. We could come back here in  
4       two or three weeks and go through the same charade and ask  
5       the same question get it out, but as I said, it's far more  
6       effective to allow this witness to explain his position and  
7       explain to the court his view, what he intended, how he  
8       intended it, what was happening, and how he views the  
9       statements.

10               MR. WALLACE: The response is even longer than the  
11       statement I asked to strike, so at this point let's leave it  
12       in then.

13               THE COURT: Leave it in. There's no jury. It  
14       doesn't matter.

15               MR. WALLACE: We'll, leave it in.

16       Q       Mr. Trump, I think you said this in the course of your  
17       answers. Let me just try to clarify this. You do not agree  
18       with the position of the Office of the Attorney General that the  
19       values in the Statement of Financial Condition are overstated;  
20       is that correct?

21       A       I think she's a political hack.

22       Q       That's not the question.

23       A       And I think she --

24       Q       That's not the question.

25       A       -- used this case to try to become Governor, and she

1 successfully used it to become Attorney General. And I think  
2 she's a political hack, and this a disgrace that a case like  
3 this is going on. And all you have to do is read the legal  
4 scholars and the papers and you'll see exactly what I'm saying.  
5 And a lot of them didn't even know how valuable the properties  
6 were. You never said Trump has three and \$400 million cash, and  
7 now more than that. This is a political witch-hunt, and I think  
8 she should be ashamed of herself.

9 Q You do not agree with the position of the Office of the  
10 Attorney General that the values in the Statement of Financial  
11 Condition are overstated; is that correct?

12 A The overall value is billions of dollars more than is  
13 in these statements. So that when a bank gets them, the bank is  
14 seeing a conservative statement, not a -- she tried to make you  
15 believe, even yesterday, she's out there saying, "Oh, fraud.  
16 Fraud. This is the opposite. Fraud."

17 The fraud is her where she says Mar-a-Lago -- she said  
18 it was worth \$25 million. He said it's worth \$18 million  
19 (indicating), \$18 million. She said it's \$25 million. She  
20 convinced him that it was worth \$18 million. And it's worth a  
21 billion dollars, or something like that.

22 Q Yes or no.

23 A It's a disgrace.

24 Q Yes or no, do you agree with the position of the Office  
25 of the Attorney General that the values in the Statement of

1 Financial Condition are overstated?

2 MS. HABBA: Asked and answered.

3 MR. WALLACE: It has not.

4 THE COURT: No, it has not been asked and answered.

5 MS. HABBA: He actually did the --

6 THE COURT: It's been asked. He hasn't answered.

7 MS. HABBA: Your Honor, I'm not screaming. All do  
8 respect, your Honor, I don't appreciate when people scream.

9 The overall value is billions more was the answer.  
10 That's his answer. You could read it in the record.

11 THE COURT: It's a yes or no question.

12 Q Just yes or no, Mr. Trump. Do you agree with the  
13 statement, the position of the Office of the Attorney General is  
14 the values are overstated?

15 A The financial statements are very conservative. The  
16 overall number of value is much higher than the number in the  
17 financial statements. In addition to that, you have a  
18 hundred percent disclaimer clause that goes on for a page and a  
19 half.

20 THE COURT: No, no, no. We are not going to hear  
21 about the disclaimer clause. If you want to know --

22 A It's very important.

23 THE COURT: -- about the disclaimer clause, read my  
24 opinion again, or for the first time, perhaps.

25 THE WITNESS: Well, you are wrong on the opinion.

1           Q     Mr. Trump, let's go to that then. Mr. Trump, you do  
2 not agree with the determination of the Court in its summary  
3 judgment decision that the Statements of Financial Condition  
4 were misleading; is that correct?

5           A     He ruled against me without knowing anything about me.  
6 He ruled against me and he said I was a fraud before he knew  
7 anything about me, nothing about me.

8                     And then he said in his statement that Mar-a-Lago is  
9 worth \$18 million and it's worth 50 times to 100 times more than  
10 that, and everybody knows it. And everybody is watching this  
11 case. He called me a fraud and he didn't know anything about  
12 me.

13          Q     You did not -- so I think the essence of your answer is  
14 there, but I would like to get it as a yes or no. You do not  
15 agree with the determination of this Court in its summary  
16 judgment decision that the Statements of Financial Condition  
17 were misleading; is that correct?

18          A     I think it's fraudulent, the decision. I think it's  
19 fraudulent. The fraud is on the Court, not on me. When you  
20 rule that Mar-a-Lago is worth \$18 million, I could give you a  
21 quarter of a tennis court would be worth that.

22                     When you rule that Mar-a-Lago is worth \$18 million and  
23 then she rules it's worth \$25 million, either people are very  
24 stupid or there's a fraud. The fraud is on behalf of the Court,  
25 because when the Court does that, and then they say I didn't

1 value my property correct? Think of it, \$18 million, he said.  
2 And then he -- he says that I'm a fraud because I didn't value  
3 my property correctly? He is the one that didn't value the  
4 property correctly.

5 Q Mr. Trump --

6 A And how do you do that? How do you rule against  
7 somebody and call them a fraud, as the President of the United  
8 States, who did a great job. All you have to look at is the  
9 President today. What he is doing? How do you call a man a  
10 fraud when you have a property that's a 50 to 100 times more  
11 valuable. It's a terrible thing you did. You knew nothing  
12 about me. You believed this political hack back there, and  
13 that's unfortunate.

14 Q Are you done?

15 A Done.

16 Q Okay. I'll take you up on one of the invitations. You  
17 are talking about the \$18 million valuation versus the higher  
18 valuation of Mar-a-Lago. Which one are you paying taxes on down  
19 in Florida?

20 A Which one, what?

21 Q Are you paying taxes on an \$18 million valuation of  
22 Mar-a-Lago or \$1.5 billion?

23 A You know that assessments are totally different from  
24 the valuation of property. An assessment -- as an example in  
25 New York. You sell a building, a building was recently sold for

1 a billion dollars. It's assessed for a tiny fraction of that.  
2 Same thing in Florida. Same thing in other places. Other  
3 places have full assessments. Whatever you pay, that's what the  
4 assessment is, but that's not that way in Palm Beach, Florida.  
5 It's not that way in New York, and it's not that way in most  
6 cases.

7 Q If it was that way it would make a difference that the  
8 property has been appraised --

9 A Sure.

10 Q -- at \$18 million in Florida?

11 A That would be a much different thing.

12 Q Mr. Trump, I would like to go back to the Statement of  
13 Financial Condition quickly. If you could put Exhibit 730 back  
14 up?

15 (Whereupon, the exhibit was displayed on the  
16 screen.)

17 Q If you could go to page two, this is a paragraph we've  
18 looked at before. It's the second paragraph which states,  
19 "Donald J. Trump is responsible for the preparation and fair  
20 presentation of the financial statements."

21 I would like to focus on the second half of the  
22 sentence which says, "Donald J. Trump is responsible for  
23 designing, implementing and maintaining internal control  
24 relevant to the preparation and fair presentation of the  
25 financial statement."

1 I will ask an open-ended question here. What did you  
2 do to meet your responsibility for designing, implementing and  
3 maintaining internal control relevant to the preparation and  
4 fair presentation of the financial statement?

5 A I gave two people total authority to work with a very  
6 expensive accounting firm, very high-priced accounting firm who  
7 charged me a lot of money for this, a lot of money. And they  
8 worked with the accounting firm and they came up with a  
9 statement.

10 I could've done this statement like many other  
11 developers, where I just write down the building and put a  
12 value. I didn't choose to do it that way. And I told them to  
13 work with the accounting firm and give them what they need. And  
14 that's what they did.

15 Q And so the two people, you are referring to, once  
16 again, that's Mr. McConney and Mr. Weisselberg; correct?

17 A Correct.

18 Q And so you directed them to prepare the statements in  
19 accordance with GAAP; is that correct?

20 A I don't know what it was. I said, "Prepare the  
21 statements so that the accounting firm is happy." So they gave  
22 us a statement.

23 Q The question is what steps you took to --

24 A I told you.

25 Q To design, implement, maintain internal control

1 relevant to the fair presentation of the financial statement.

2 A I just told you.

3 Q Okay.

4 Anything else you did to -- in connection with this  
5 obligation?

6 A No, but if you looked at the paragraphs, and I don't  
7 know if, your Honor, if I could do this, but I have it in my  
8 pocket (indicating). If you look at the paragraphs that follow  
9 that -- this is a total exculpation -- and if you would like to  
10 have it, I would read it, if you would like, or I don't know  
11 what the procedure is, but I have -- I've taken this right out  
12 of this, and it's very simple. And it says exactly how  
13 important that clause is. And it's been written about by legal  
14 scholars.

1           Q     Between Mazars and the Trump Organization, who is  
2 responsible for the fair presentation of the Statements of  
3 Financial Condition?

4           A     I think they work together.

5           Q     Who was responsible?

6           A     They got paid a lot of money too.

7           Q     Who was responsible for making sure the statements  
8 were compliant with GAAP?

9           A     I don't know. I assume -- I don't know, were they  
10 supposed to be compliant to GAAP, because I am not sure that  
11 that's true, you know, because GAAP is defined a certain way.  
12 I am not sure that's true. But certainly the accounting firm  
13 which got paid millions of dollars do this work, they had to do  
14 something.

15          Q     Mr. Trump --

16          A     They got paid a lot of money to do this work.

17          Q     -- do you have an understanding of what  
18 responsibilities, if any, the Trump Organization had in  
19 connection with the preparation of the 2014 Statement of  
20 Financial Condition?

21          A     Well, I think I have answered this question about  
22 five times.

23          Q     What is the answer?

24          A     I told two top people to work with the accounting  
25 firm, give them whatever they needed, anything they needed give

1       them so they can come up with a statement. And if the  
2       accounting firm was unhappy, they would go back and they would  
3       say, we need this, we need that. And they were very insistent  
4       on that. Very insistent on that. But they came up with  
5       statements in each of those years, so obviously they were  
6       satisfied with that.

7                       MR. WALLACE: Could we put up a copy of  
8       Plaintiff's Exhibit 717? I think it is already in  
9       evidence.

10       Q       Mr. Trump, I have been handed a document that has  
11       been marked as Plaintiff's Exhibit 717. This is the engagement  
12       letter for the preparation of your June 30, 2014 Statement of  
13       Financial Condition.

14                    I will just direct your attention to the third page  
15       of this document, which has a heading: Management  
16       Responsibilities, and lists A through F, a series of  
17       responsibilities. Do you have an understanding that the  
18       responsibilities listed here were for the Trump Organization to  
19       undertake in the preparation of the Statement of Financial  
20       Conditions?

21       A       I don't remember this, but it looks like that, yes.

22       Q       So to your understanding, the Trump Organization was  
23       responsible for the preparation and fair presentation of the  
24       financial statements in accordance with accounting principles  
25       generally accepted in the United States of America other than

1 previously noted; is that correct?

2 A Yes, but together working with the accounting firm,  
3 the very highly paid accounting firm.

4 Q The next item states that management is responsible  
5 for designing, implementing and maintaining internal controls  
6 relevant to the preparation and fair presentation of the  
7 financial statements. That was a Trump Organization  
8 responsibility, correct?

9 A Sure.

10 Q Item C: Presenting and detecting fraud. That was a  
11 Trump Organization responsibility --

12 A Sure.

13 Q -- is that correct?

14 A I would imagine they all had to work on it. This was  
15 the accounting firm for the company, and I would imagine they  
16 all worked on that. You know you do audits and you do all of  
17 the things that you would normally do, and hopefully if  
18 something is wrong, you catch it.

19 Q Who within the Trump Organization was responsible for  
20 preventing and detecting fraud?

21 A Everybody.

22 Q Item D. Who within the Trump Organization was  
23 responsible for identifying and ensuring that the company  
24 complies with the laws and regulations applicable to its  
25 activities?

1           A     I would say, you know, sort of anybody who sees  
2 anything wrong, they should report it. Anybody.

3           Q     Is there a formal system for reporting anything  
4 wrong, as you described it, within the Trump Organization?

5           A     Not formal, but I say to anybody, anybody sees  
6 anything going on that is not appropriate, come see me  
7 directly, I don't care who you are.

8           Q     Has anyone ever come to see you directly about these?

9           A     Yeah people, people tell me things, yeah.

10          Q     What instances do you recall?

11          A     Things going on and I get the problem solved when I  
12 hear it.

13          Q     But I am asking if you remember any specific  
14 instances of someone bringing improper activity to your  
15 attention.

16          A     Over the years?

17          Q     Yeah.

18          A     Yeah, sure. Apartments that are rented that they say  
19 are vacant. Somebody is getting money. Other things, yeah, we  
20 hear. I hear things. It sounds like a big deal, but it goes  
21 on. Apartments empty, they put it down as empty but somebody  
22 is getting money for it. And you know, generally it is the  
23 person who runs the building or the management person, over the  
24 years that kind of thing happens. And I take care of the  
25 situation when it happens. But I want everybody to look -- I

1 tell everybody if you see anything, come to see management or  
2 come to see me directly. I don't want that going on.

3 Q And that would have been the case up until you became  
4 President in 2017?

5 A That is correct.

6 Q That no longer happens from 2017 to present; is that  
7 correct?

8 A Well, present is different than it was, you know,  
9 prior to when I was President. Right now, unless you know  
10 something I don't know, I am not President.

11 Q No, I am just asking if people still come to you with  
12 problems that they identify.

13 A Yeah. Yeah.

14 Q What do you remember?

15 A I don't think they come -- I am not sure that they  
16 come. I haven't remembered a thing, like, right now. So we  
17 are a little new to the game because I haven't been doing this.  
18 I am back a little bit in the real estate business. Right?

19 Q If you look at item E on this chart it says:  
20 Selection and Application of Accounting Principles.

21 Do you know who within the Trump Organization was  
22 responsible for the selection and application of accounting  
23 principles?

24 A No. I would assume that the accounting firm would  
25 recommend something and we would accept it.

1           Q     I am just pointing out that this is under the heading  
2 management responsibilities.

3           A     Right. But I would assume --

4           Q     Can I finish my question?

5           A     Yeah.

6           Q     Do you know if anyone at the Trump Organization was  
7 responsible for this on the Trump Organization side?

8           A     Again, I would assume that Mazars would come and  
9 recommend something and we would accept that procedure.

10          Q     Item F is: Making all financial records and related  
11 information available to us and for the accuracy and  
12 completeness of that information.

13                   Who within the Trump Organization was responsible for  
14 meeting that responsibility?

15          A     That would be the staff in the back. That would be  
16 Jeff, Allen and the staff.

17                   THE WITNESS: I would love to read this, Your  
18 Honor, if I could. Am I allowed to do that?

19                   THE COURT: No, not at this point.

20                   THE WITNESS: I am shocked. I am shocked.

21                   MR. WALLACE: Okay. We can take that down.

22          Q     Mr. Trump, I would like to talk a little bit about  
23 your building at 40 Wall Street.

24          A     Yeah.

25          Q     Have you ever inflated the operating income of 40

1 Wall Street in order to increase a reported valuation?

2 A Not that I know.

3 Q Can we take a quick look at Plaintiff's Exhibit 719.

4 MR. WALLACE: Sorry, we need the native version.  
5 I apologize.

6 And if we could go to row 118.

7 Q This is the entry for 40 Wall Street. And if we  
8 scroll down to rows 137 or so, there is a valuation for 2014  
9 and it states: NOI stabilized based on cash flow prepared  
10 July 2014 including pending leases. Green Ivy and vacant  
11 space. And it lists an NOI of \$23,873,545.

12 Do you know if that is an accurate reflection of the  
13 NOI?

14 A I don't. It is a long time ago. But I don't.

15 Q Mr. Trump, I am handing up a document that has not  
16 been premarked. It is a copy of an article from Forbes  
17 magazine dated September 21, 2022. (sic.)

18 Now, I would just like to direct your attention to  
19 the bottom of page 11 in this article.

20 There is a headline that states: A couple months  
21 after securing the loan, Donald Trump was feeling good, sitting  
22 at his desk in Trump Tower, speaking openly to Forbes about his  
23 years' long quest to vault himself higher on the list of  
24 America's richest people. An audio recording of that  
25 conversation, which took place on September 21, 2015, makes it

1 clear that Trump was not only involved in the effort to  
2 misinform the world about the value of his assets, he was  
3 willing to take the ruse further than anyone else, and even  
4 admit his motivation for doing so: It was good for financing  
5 he said.

6 I'll stop you there. Do you recall speaking to  
7 Forbes on September 21, 2015?

8 A No. And who would say that? I am not saying that.  
9 Forbes, they are owned by China. Now they just sold it to  
10 Russia I read yesterday.

11 Q Did you tell Forbes ever that a high net worth is  
12 good for financing?

13 A I mean, it is something that I would say. A high net  
14 worth is good for some types of financing, not for buildings  
15 and not for specific deals necessarily. But I guess having a  
16 high net worth it makes -- it would be good. Do you want me to  
17 say, oh, let's have a low net worth? Give me a low net worth  
18 and let's get financing. No. Having a solid record -- having  
19 a good net worth is a positive thing. I can't say it is not.

20 Q If we look down at the next paragraph. It states:  
21 "Even though he had just reworked his mortgage at 40 Wall  
22 Street, Trump couldn't resist another chance to boast about it.  
23 Its a 78-story building, Trump said. Even though his firm had  
24 previously marketed it as a 72-story building. And it's  
25 actually just 63 stories according to documents filed with the

1 City. It is going to throw off, would you say, 50 million  
2 maybe this year? He asked, turning to Allen Weisselberg.  
3 Fifty million at least, Trump concluded faster than his CFO  
4 could get out of the words, "Yeah, by the end of the year."

5 We can stop there. Do you know whether or not it was  
6 true that 40 Wall Street in September of 2015 would throw off  
7 \$50 million by the end of that year?

8 A I don't know. But I have very little respect for  
9 Forbes, so, what I say to them, you know, I deal with them very  
10 quickly. And I don't even deal with them. I haven't dealt  
11 with them in years.

12 Q So do you believe you were misquoted?

13 A I think they are out of business. Aren't they?

14 Q Do you believe you were misquoted in this statement?

15 A I don't know. I don't know what I said. You are  
16 giving me this information. If you have the statement, let me  
17 see it.

18 Q I am going to move ahead.

19 A I don't think too much about what I say to Forbes.

20 Q We'll move ahead to page 13. The lower paragraph, we  
21 will start there.

22 It says: A Forbes reporter noted that the building  
23 was 1.2 million square feet rounding up from its actual square  
24 footage of 1,165,207. It is actually 1.3, Trump said. By the  
25 way, it is 1.3 to be honest with you.

1           The same reporter then said Forbes was estimating its  
2 net operating income at 24 million, the inflated figure that  
3 Jeff, apparently McConney, had shared the previous year. Where  
4 did you get that from? We are going to make 64 million net,  
5 net after debt service this year, at least, Trump declared.

6           Do you recall telling Forbes that 40 Wall Street  
7 was going to make \$64 million in 2015 net, net after debt  
8 service?

9           A     No, I don't. When was this?

10          Q     2015.

11          A     It is a long time ago. I don't know.

12          Q     I believe Forbes published an audio clip with the  
13 article of this interview. I am just going to ask if we can  
14 just play that now.

15               (The audio clip was played in open court.)

16               MR. KISE: Your Honor, can anyone actually hear  
17 that? It seemed relatively undecipherable.

18               THE COURT: I could not make out what was being  
19 said.

20               MR. WALLACE: Let me skip using the audio. I  
21 don't know if we can get it any higher.

22               Can we?

23          Q     I'll just ask then generally, I know it was hard to  
24 decipher, what was on that recording, does it refresh your  
25 recollection that you may have spoken to Forbes in 2015?

1 A No.

2 Q No.

3 Do you believe it would have been accurate to say  
4 that 40 Wall Street was going to make \$64 million in 2015 net  
5 after debt service?

6 A I don't know. You are putting me back a long time  
7 ago, long past statute of limitations.

8 Q All right. Let's --

9 A I don't know.

10 Q We are going to hand you a copy of a document that is  
11 already in evidence. It is Plaintiff's Exhibit 652. It is  
12 very small print so it is going to be easier to see it up on  
13 the screen.

14 If we could go to page two of this document. And if  
15 we could zoom in on the far right column.

16 It states: 40 Wall Street income and expense  
17 statement. Cash basis. Twelve-month period ended March 31,  
18 2015.

19 If you look down at the bottom of the pullout here it  
20 says: Total receipts for the building are \$29,906,711.

21 Do you know if that was an accurate reflection of the  
22 total receipts for the 12-month period of 40 Wall Street as of  
23 March 31, 2015?

24 A I don't know. I have never seen that before.

25 MR. WALLACE: If we scroll down to the bottom of

1           this column. Actually go to the bottom of the last page,  
2           please.

3           Q     If we look under the 2015, March 31. Underneath Debt  
4     Service In and Capital Disbursements. It states: The excess  
5     cash flow or deficit for 40 Wall Street was negative  
6     \$8,736,924. Do you know if 40 Wall Street in fact ran a  
7     deficit of more than \$8.7 million for the 12-month period ended  
8     March 31, 2015?

9           A     Well, we spent millions of dollars based on that. We  
10    spent millions of dollars on building improvements. We were  
11    fixing the building. I spent a lot of money inside the  
12    building, my own cash, to improve the building. We rebuilt the  
13    lobbies. We rebuilt the elevators. We spent a lot of money,  
14    and actually even more than that, I think. But the building  
15    has been a successful building.

16          Q     The building improvements number we can see there  
17    under capital disbursements is listed as \$8.2 million; is that  
18    what you are referring to?

19          A     Yea, but we were doing a lot of work. We were doing  
20    the elevators and lobbies, doing a lot of work, and the  
21    building needed a lot of work.

22          Q     I take it you don't know whether or not it is  
23    accurate that in March 31, 2015 40 Wall Street had run a  
24    deficit of \$8.7 million?

25          A     After spending millions of dollars on fixing the

1 building, yeah, it is possible. But then you make it up in  
2 later years. You lease to good tenants and they pay you a lot  
3 of rent because they like what you have done.

4 MR. WALLACE: Your Honor, I am going to pass the  
5 witness a copy of the document, it is already in evidence  
6 as Plaintiff's Exhibit 636.

7 Q Mr. Trump, this is an e-mail from Donna Kidder to  
8 Jack Weisselberg and Allen Weisselberg with an attachment  
9 entitled 40 Wall 2012 to 2014 cash flows.

10 It will be easier to see it up on the screen. Again,  
11 it has very small print.

12 MR. WALLACE: Can we go to page three of five?

13 Q At the top it says 40 Wall Street LLC cash flow, year  
14 ending December 31, 2014.

15 And at the bottom of this section it states: Cash  
16 flow (after debt service, Capex and IT) negative \$9,904,289.

17 Do you know if 40 Wall Street, in fact, ran a deficit  
18 of more than \$9.9 million for the year ending December 31,  
19 2014?

20 A That's a very small number. And it doesn't include  
21 all of the money that was spent in fixing the building,  
22 bringing it back to good health. It also doesn't show  
23 vacancies and things that are leased up. The building is now  
24 actually, I think it is pretty close to being fully leased.  
25 But it doesn't show vacancy and it doesn't show all of the

1 money spent on construction.

2 Q Am I understanding then -- I am sorry to interrupt  
3 you. Am I understanding that this number could be correct but  
4 you think there are other expenses that aren't included in  
5 here?

6 A We spent a lot of money in fixing the building up,  
7 and the building is a very good building.

8 But this has nothing to -- I mean, you can show this  
9 de minimus stuff or non-material stuff. This has nothing to do  
10 with values. The value of 40 Wall Street is, you know,  
11 hundreds of millions of dollars more than what she says it is.  
12 She doesn't know what 40 Wall Street -- she doesn't even know  
13 where 40 Wall Street is. And the value is hundreds of  
14 millions.

15 If I was going to sell that building, because this  
16 was a lawsuit that started off with value, now let's get into a  
17 rent-roll of one building, big deal. This is all non-material  
18 stuff. If we are fixing up a building and spending money on  
19 new elevators and new escalators and new all of the things we  
20 have in the building, it is going to do very well in the  
21 future. You have to do this stuff.

22 Q Mr. Trump, are you familiar with what technique  
23 Mr. Weisselberg and Mr. McConney used to value 40 Wall Street  
24 for the 2014 Statement of Financial Condition?

25 A No. But the value of the building I am familiar

1 with, because I would say that building -- I could look at  
2 buildings and tell you what they are worth.

3 Q I would like to move on to page four of this  
4 document. Which lists 40 Wall Street LLC cash flow year end of  
5 December 13, 2013. We go to the bottom of this year's entry,  
6 we see cash flow (after debt service Capex and IT) negative 7  
7 thousand 317,370.

8 A 7 million.

9 THE COURT: I think you misspoke.

10 Q 7 million. I'll restate what it says.

11 Which is, negative \$7,317,370. Mr. Trump, do you  
12 know if 40 Wall Street in fact ran a deficit of more than  
13 \$7.3 million for the year ending December 31, are 2013?

14 A I don't know, but it doesn't effect the value of the  
15 building. The building is the building. If a developer comes  
16 along they are going to know that you have to spend money to  
17 make money with a building. And they are going to know, they  
18 will either fix it or see that we are doing it. It doesn't  
19 affect the value of a building. You are talking about small  
20 money. It is not material.

21 And this was a lawsuit based on values. And then  
22 when they looked at my statement and when they looked at the  
23 cash they said, oh, we are going to have to go a different way,  
24 how about disgorgement. Let's take all of his properties away  
25 like they do in communist China. Let's take all of his

1 properties away because, you know.

2 Except you have one problem, I have very little debt,  
3 and I have a lot of cash. And I have assets that are much  
4 better than you thought. So that was a little bit of a  
5 problem. But in this city today, and in this country today,  
6 maybe a certain Judge would do that.

7 Q Mr. Trump, I promise we will get through this  
8 particular document much more quickly if you can stop at, "I  
9 don't know." And you are repeating statements you have made  
10 before --

11 A I don't know.

12 Q -- so I am familiar with your position.

13 If we could go to page five of this document, please.  
14 It is the 40 Wall Street LLC cash flow year ending December 31,  
15 2012. If we go to the bottom, it lists (cash flow after debt  
16 service Capex and IT) negative \$20,990,873.

17 Do you know if 40 Wall Street, in fact, ran a deficit  
18 of more than \$20.9 million for the year ending December 31,  
19 2012?

20 A It could have been for one year it did. It could  
21 very well have been. But it makes a lot of money. And it  
22 makes a lot of money now. It depends. You have extraordinary  
23 expenses during certain periods of time with a building. You  
24 have to redo things. But I can just tell you, it makes -- 40  
25 Wall Street obviously makes a lot of money.

1           And by the way, the money we borrowed is all current  
2     or paid off. You know, we never -- no bank lost money. With  
3     all of this stuff, not one bank lost money. Not one insurance  
4     company lost money.

5           And by the way, the insurance company that you say  
6     lost, they are still my insurance company. It is one of the  
7     biggest, most prestigious companies in the world. They don't  
8     even know what you are talking about.

9           Q     Mr. Trump, do you recall making misrepresentations  
10    about the appraised value of 40 Wall Street?

11          A     No.

12          Q     Mr. Trump, you are being handed a document that has  
13    been marked as Plaintiff's Exhibit 3341. At the top of this is  
14    an e-mail chain between Donald Trump Jr., Amanda Miller, Rhona  
15    Graff and Jeffrey Lichtenberg.

16                If we could go down to the bottom e-mail in this  
17    thread actually, and we will put it up on the screen so it is  
18    easier to follow.

19                There is an e-mail from someone named Kusisto from  
20    the Wall Street Journal to a series of e-mail addresses  
21    including DTrump@Trumporg.com; Rhona Graff; DJTJrTrumporg.com;  
22    Amanda Miller and Selma Langer. Before we get into the  
23    substance of the document, I want to first ask, do you know if  
24    the e-mail address DTrump@Trumporg.com was ever an actual  
25    e-mail address in use?

1           A     I don't know, no.

2           Q     Did you ever use an e-mail address of  
3 DTrump@trumporg.com?

4           A     Might be, but not that I know of.

5           Q     Go to the top. It states: "Thank you both again for  
6 chatting with me about 40 Wall Street. We are planning on  
7 running the story tomorrow, so I wanted to make sure I sent  
8 over a few facts."

9                   Do you recall whether or not you and Donald Trump Jr.  
10 spoke to the Wall Street Journal in or around January of 2012?

11          A     No, I don't.

12          Q     If you look down under the headline Value, item three  
13 says: "The building is one of the Trump Organizations most  
14 significant commercial holdings in Manhattan. It is now valued  
15 at \$600 million according to a recent appraisal."

16                 Do you know who made the representation to the Wall  
17 Street Journal that the 40 Wall Street had been valued at  
18 \$600 million according to a recent appraisal?

19          A     The year is what year?

20          Q     2012.

21          A     2012?

22          Q     Yes.

23          A     No. I mean, it is probably around that number. It  
24 is not that far off. I don't know. I don't know. I don't  
25 know if anybody had an appraisal. But I know that number is

1 not a very far off number. If anything, it could be worth  
2 more.

3 Q I am asking about the existence of an appraisal. Do  
4 you know if there was, in fact, an appraisal at the Trump  
5 Organization valuing the 40 Wall Street at \$600 million as of  
6 January 2012?

7 A So you are saying 12 years ago do I know whether or  
8 not there is an appraisal sitting around someplace for the  
9 building.

10 Q I am asking if you are aware, yes.

11 A I am not aware.

12 Q I will represent to you that we have not received an  
13 appraisal from the Trump Organization discovery valuing the  
14 building at \$600 million as of June 2012.

15 Mr. Trump, are you the one --

16 MR. KISE: Is Mr. Wallace testifying now?

17 MR. WALLACE: I said I am representing to him  
18 what we got in discovery.

19 THE COURT: Is that part of a question though?  
20 I think you can't just sort of represent.

21 MR. WALLACE: That's fine.

22 Q Mr. Trump, were you the person who told the reporter  
23 at the -- I'll strike that question and start over.

24 Mr. Trump --

25 THE COURT: It is withdrawn.

1 MR. WALLACE: Withdrawn. I apologize, Your  
2 Honor.

3 Q Are you the one who told the reporter at the Wall  
4 Street Journal that there is a \$600 million recent appraisal  
5 for 40 Wall Street?

6 MR. KISE: Objection, asked and answered.

7 A I don't know of any such appraisal.

8 THE COURT: Overruled.

9 A We are talking 12 years ago, I don't know.

10 Q If we look at the top of this e-mail chain, there is  
11 an e-mail from Donald Trump Jr. It says: Okay great, there  
12 shouldn't be much additional. I don't know where she got the  
13 35 number in renovations, but DJT told her the 600, so he will  
14 be happy if that gets printed.

15 Are you the DJT that is being referenced here?

16 A Yes.

17 Q Does this refresh your recollection about whether or  
18 not you told a reporter that there had been a \$600 million  
19 appraisal of 40 Wall Street in January 2012?

20 A No. But I think the building would be worth about  
21 that. I don't think \$600 million for that very, very large  
22 building is a lot of money.

23 THE COURT: Five minute warning.

24 MR. WALLACE: Your Honor, I ask that Plaintiff's  
25 Exhibit 3341 be entered into evidence.

1 THE COURT: Granted.

2 MR. KISE: Objection statute of limitations and  
3 relevance. I am not sure what the relevance is of a news  
4 article. It doesn't have anything to do with the SOFCs.

5 THE COURT: Overruled, on both grounds.

6 (Whereupon, the document referred to was deemed  
7 marked for evidence as Plaintiff's Exhibit 3341 by  
8 the Court.)

9 Q So Mr. Trump, why did you have the Statement of  
10 Financial Condition prepared?

11 A When?

12 Q Let's say in the period -- the period of 2011 to  
13 2017, why was a Statement of Financial Condition being prepared  
14 by the Trump Organization?

15 A I think we -- I don't know, I think in one form or  
16 another, maybe not officially, we had Statements of Financial  
17 Condition. Maybe before that, I don't know. I can't answer  
18 that question, we are doing a Statement of Financial Condition.

19 Q You said you were spending a lot of money to have  
20 these made, why were you spending that money?

21 A I think it is a positive thing to have. Even for  
22 myself, I think it is a positive thing to have.

23 Q Did you use them to obtain financing?

24 A Because of the disclaimer clause, they were almost  
25 valueless.

1           Q     That's not my question. My question is whether you  
2 would actually use them to obtain financing.

3           A     I would give them, but I don't think anybody paid  
4 much attention to them because of the disclaimer clause, and  
5 because generally that's not the way to do it.

6                     Again, I have been doing it for 50 years and they  
7 look at the property.

8                     MR. WALLACE: I am going to hand up to the  
9 witnesses a document marked as Plaintiff's Exhibit 1433.  
10 It is short so you can look at it on the screen.

11          Q     This is a letter dated November 15, 2011. If you  
12 look down at the bottom; is that your signature, Mr. Trump?

13          A     Yeah, it is.

14          Q     Okay. And who is Mr. Richard Byrne?

15          A     He is an executive at Deutsche Bank.

16          Q     Do you know if he is in the commercial real estate  
17 group at Deutsche Bank?

18          A     I don't know if he is now. I think he was then.

19          Q     Fair enough. I am asking as of this letter. As of  
20 November of 2011, was Mr. Byrne in the commercial real estate  
21 group of Deutsche Bank.

22          A     Yeah, it is 12 years ago. This is so crazy.

23          Q     So you sent the --

24          A     This is a letter I sent, yes.

25          Q     And you were interested in whether or not they might

1 finance the Doral transaction; is that right?

2 A Right.

3 Q You did not finance the transaction through the  
4 commercial real estate group at Deutsche Bank, did you?

5 A I did it through some other group, yes.

6 Q Would that have been the private wealth management  
7 group at Deutsche Bank?

8 A Yes, very different people.

9 MR. WALLACE: Your Honor, I move 1433 into  
10 evidence.

11 MR. KISE: Statute of limitations.

12 THE COURT: Granted. It is in.

13 (Whereupon, the document referred to was deemed  
14 marked for evidence as Plaintiff's Exhibit 1433 by  
15 the Court.)

16 THE COURT: Two minute warning.

17 MR. WALLACE: We can stop here then.

18 THE COURT: Okay. Okay everybody, we will take  
19 a break until 2:15. Have a good lunch.

20 And I will order the witness not to discuss this  
21 case or his testimony with anybody during the break.

22 (Whereupon, a luncheon recess was taken at this  
23 time.)

24 (The following proceedings were stenographically  
25 recorded by Senior Court Reporter Michael Ranita.)

1 \* \* \* \* \*

2 A F T E R N O O N S E S S I O N

3 \* \* \* \* \*

4 THE COURT OFFICER: All rise. Part 37 is back in  
5 session. The Honorable Judge Arthur Engoron presiding. Be  
6 seated and come to order.

7 THE COURT: Let's have the witness take the stand.  
8 (Whereupon, the witness stepped into the witness  
9 stand.)

10 THE COURT: Mr. Wallace, please resume.

11 MR. WALLACE: Thank you, your Honor.

12 Q When we broke for lunch, Mr. Trump, we were talking  
13 about the loans you took out from Deutsche Bank through the  
14 Private Wealth Management Group. Do you recall who you worked  
15 with at Deutsche Bank in the Private Wealth Management Group?

16 A Yes.

17 Q Who was that?

18 A Rosemary Vrablic.

19 Q Do you recall that loans through the Private Wealth  
20 Management Group required you to provide a guaranty on the loan is  
21 that; correct?

22 A I believe so, yes.

23 MR. WALLACE: If we could get Document 426.

24 (Whereupon, the exhibit was displayed on the  
25 screen.)

1 THE COURT: Are we having a technical --

2 MR. KISE: Is the witness's microphone on? I  
3 wasn't sure.

4 THE WITNESS: Yes.

5 THE COURT: His is on.

6 MR. KISE: Okay.

7 THE COURT: Yours are on.

8 MR. KISE: Yes.

9 (An exhibit was handed to the witness.)

10 Q Mr. Trump, the court officer is handing you a document  
11 that has been marked Plaintiff's Exhibit 426. It's very  
12 extensive, so I'll just walk through it on the screen.

13 (Whereupon, the exhibit was displayed on the  
14 screen.)

15 Q The cover of the document is an e-mail dated  
16 January 12th, 2017, between two Deutsche Bank employees. I'm  
17 going to ask you about the attachments. However, if we could go  
18 to page two of Document 426?

19 (Whereupon, the exhibit was displayed on the  
20 screen.)

21 Q This is the term loan agreement dated as of June 11,  
22 2012, by and between Trump Endeavor 12, LLC and Deutsche Bank.

23 This is the loan agreement that relates to Doral; is  
24 that correct?

25 A Yes.

1 MR. WALLACE: If we could go to page 80.

2 (Whereupon, the exhibit was displayed on the  
3 screen.)

4 Q Is that your signature, Mr. Trump?

5 A Yes.

6 MR. WALLACE: Your Honor, I would move Plaintiff's  
7 Exhibit 426 into evidence.

8 MR. KISE: Objection. Statute of limitations.

9 THE COURT: Overruled. Granted. It's in.

10 (Plaintiff's Exhibit 426 was deemed marked and  
11 admitted in evidence.)

12 MR. WALLACE: If we go to the next attachment on  
13 page 105, please.

14 (Whereupon, the exhibit was displayed on the  
15 screen.)

16 Q This is the guaranty that is associated with the Doral  
17 loan. Do you recall signing a guaranty?

18 A I believe so, yes.

19 Q Let's take a look at page 124.

20 (Whereupon, the exhibit was displayed on the  
21 screen.)

22 Q Is that your signature, Mr. Trump?

23 A Yes.

24 MR. WALLACE: If we could flip back to page 113,  
25 please.

1                   (Whereupon, the exhibit was displayed on the  
2           screen.)

3           Q     This is -- I'm going to direct your attention to item  
4           nine on this page. It says "Certain Representations. In order  
5           to induce lender to accept this guaranty and to enter into the  
6           credit agreement and the transactions thereunder, guarantor  
7           hereby makes the following representations and warranties as of  
8           the date hereof" -- I'll -- you see that section?

9           A     Yes, yeah.

10                   MR. WALLACE: If we could flip down one page to  
11           page 114.

12                   (Whereupon, the exhibit was displayed on the  
13           screen.)

14           Q     Item little Roman (viii) under this says "Financial  
15           Statements." It states "The guarantor has furnished to lender  
16           his prior financial statements. Such prior financial statements  
17           are true and correct in all material respects." And little (i),  
18           "Guarantor's Statement of Financial Condition fairly presents  
19           guarantor's financial condition as of June 30, 2011."

20                   Do you believe that representation was true and  
21           accurate?

22           A     Yeah, I do.

23                   MR. WALLACE: If we could flip ahead to page 116,  
24           please.

25                   (Whereupon, the exhibit was displayed on the

1 screen.)

2 Q This is item ten. It states "Certain Financial  
3 Covenants. During the term hereunder, guarantor shall comply  
4 with the following decisional covenants:"

5 If we look down at number one, it talks about  
6 "unencumbered liquid assets." It states that "The guarantor  
7 shall maintain unencumbered liquid assets of not less than  
8 \$50 million, with not less than \$20 million of such unencumbered  
9 liquid assets to be held in accounts with lenders or lender's  
10 affiliates."

11 Were you aware that this loan required you to maintain  
12 unencumbered liquid assets of \$50 million?

13 A Yeah, cash.

14 Q And if we look down lower in the sentence --

15 (Whereupon, the exhibit displayed on the screen was  
16 scrolled through.)

17 MR. WALLACE: Stay on that section, sorry.

18 A Actually, it was not less than 20, but it didn't make  
19 any difference.

20 Q I believe it was 50 million --

21 A Correct.

22 Q -- in liquid assets, 20 million were to be on deposit  
23 with Deutsche Bank?

24 A That's correct, yes.

25 Q The last sentence in this paragraph states, "For

1 purposes hereof" -- no -- oh, at the end of the sentence we were  
2 just looking at it says that "The unencumbered liquid assets  
3 will be tested by lender semiannually during the renovation  
4 period" -- no I'm just totally on the wrong section.

5 MR. WALLACE: I'll withdraw that question if that's  
6 okay, your Honor.

7 THE COURT: That's the right word.

8 MR. WALLACE: Thank you.

9 Q Were you aware that the covenant was to be tested and  
10 certified each year based on your Statement of Financial  
11 Condition?

12 A Based on my cash.

13 Q Okay.

14 As represented in your Statement of Financial  
15 Condition?

16 A They want to have cash. They wanted -- weren't  
17 interested in anything but cash.

18 Q Do you believe you complied with this covenant?

19 A Yeah, I had a lot of cash.

20 Q If we could go down to item three. It states, "Minimum  
21 Net Worth. At all times during the term hereunder, guarantor  
22 shall maintain at all times a net worth of not less than  
23 \$2,500,000,000. This net worth covenant shall be tested and  
24 certified to on an annual basis, based upon the Statement of  
25 Financial Condition delivered to lender each year hereunder

1 pursuant to another section."

2 Were you aware that this loan required you to maintain  
3 a net worth of not less than \$2.5 billion?

4 A Yes.

5 Q And were you aware that this covenant was to be tested  
6 and certified each year based upon your Statement of Financial  
7 Condition?

8 A Yeah. They would look at -- they would actually come  
9 in and check, not so much even the financial condition. They  
10 would check the cash and what kind of cash is available. And I  
11 guess at that point I had -- I think I had between three and  
12 \$400 million in cash, which is more than I needed for the whole  
13 job.

14 Q And --

15 A That was what they were concerned with. They always  
16 wanted to make -- not because of me, because of other people.  
17 They always wanted to make sure the cash was substantial,  
18 because in this deal I agreed to put up the money necessary  
19 above what they were putting up, the cash necessary to complete  
20 the job. And I did that very easily.

21 Q When you said, "I guess at that point I had, I think,  
22 between three and \$400 million", are you speaking of the time of  
23 the origination of this loan in 2005?

24 A I don't know. Just around that period, over the period  
25 of a year or two I had -- it goes up and down depending on

1 whether or not you are doing a development, or whether or not  
2 you maybe want to pay off debt, or whatever, but I had -- I've  
3 had a lot of cash for a long time.

4 Q If we go to the next item on this page, it's item 11?

5 (Whereupon, the exhibit was displayed on the  
6 screen.)

7 Q It's headed Financial Reporting and Certain Other  
8 Additional Covenants. It says that "The guarantor shall comply  
9 with the following additional covenants: Number one, financial  
10 reporting", and it lists documents that's the guarantor shall  
11 deliver to the lender or permit lender to review, and item A is,  
12 "Annual Statement of Financial Condition, as soon as reasonably  
13 available. And in any event, within 120 days following each  
14 June 30th, guarantor's Statement of Financial Condition as of  
15 June 30th, 20" -- I'll stop there.

16 Were you aware that this loan required you to submit  
17 your Statement of Financial Condition on an annual basis?

18 A Yes, or a guaranty of cash.

19 Q That's not in this term, is it?

20 A Maybe not, but that's all they cared about.

21 Q Do you believe that you complied with this covenant?

22 A Yes, I did.

23 MR. WALLACE: Let me get 312.

24 Q Mr. Trump, we are handing up another lengthy document,  
25 but I'll show it to you on the screen again.

1 (An exhibit was handed to the witness.)

2 Q I mostly want to verify your signature. This is a  
3 document that has been marked as Plaintiff's Exhibit 312?

4 (Whereupon, the exhibit was displayed on the  
5 screen.)

6 Q Mr. Trump, this is the hotel term loan agreement with  
7 Deutsche Bank for 401 North Wabash Venture LLC. Do you see  
8 that?

9 A Yes, I do.

10 Q Is this the loan that relates to the Trump Chicago  
11 Hotel?

12 A Yes.

13 MR. WALLACE: If we could take a look at page 86 of  
14 this document.

15 (Whereupon, the exhibit was displayed on the  
16 screen.)

17 Q Mr. Trump, is that your signature?

18 A Yes.

19 MR. WALLACE: Your Honor, we would ask this  
20 document be entered into evidence.

21 MR. KISE: Objection. Statute of limitations.

22 THE COURT: Overruled. It's in evidence.

23 (Plaintiff's Exhibit 312 was deemed marked and  
24 admitted in evidence.)

25 MR. WALLACE: I'll ask defendants, are you okay

1 with me doing this on the screen? Do you want me to  
2 handout the --

3 MR. KISE: Sure.

4 MR. WALLACE: All right.

5 MR. KISE: You know I'm old school like that.

6 (An exhibit was handed to the witness.)

7 Q Mr. Trump, you've been handed a document that has been  
8 marked Plaintiff's Exhibit 310.

9 (Whereupon, the exhibit was displayed on the  
10 screen.)

11 Q This is the term loan agreement "Residential" with  
12 Deutsche Bank for the 401 North Wabash Venture LLC. Is this the  
13 loan that relates to the Trump Chicago residential development?

14 A I believe so, yes.

15 MR. WALLACE: And if we could look at page 85.

16 Q Is this your signature, Mr. Trump?

17 A Yes, it is.

18 MR. WALLACE: Your Honor, we would move Plaintiff's  
19 Exhibit 310 into evidence.

20 MR. KISE: Objection. Statute of limitations.

21 THE COURT: Overruled. That's in evidence.

22 (Plaintiff's Exhibit 310 was deemed marked and  
23 admitted in evidence.)

24 Q Mr. Trump, you are being handed a document that has  
25 been marked as Plaintiff's Exhibit 367.

1 (An exhibit was handed to the witness.)

2 (Whereupon, the exhibit was displayed on the  
3 screen.)

4 Q The cover of this document is an e-mail dated  
5 November 8th, 2012, from Jeffrey Fried at Loeb & Loeb, to a  
6 number of people at the Trump Organization, including Jason  
7 Greenblatt. I would like to ask you about the two attachments.

8 A Okay.

9 Q If you look at page two.

10 (Whereupon, the exhibit was displayed on the  
11 screen.)

12 Q This says it's the guaranty for the residential, dated  
13 November 9, 2012. Do you see that?

14 A Yes.

15 (Whereupon, the exhibit was displayed on the  
16 screen.)

17 Q If you look at page 22, is that your signature  
18 Mr. Trump?

19 A Yes.

20 MR. WALLACE: If we could turn to page 49 --  
21 actually, 26. Let's go 26 first.

22 (Whereupon, the exhibit was displayed on the  
23 screen.)

24 Q This is the guaranty for the hotel section. And if we  
25 look at page 49.

1                   (Whereupon, the exhibit was displayed on the  
2 screen.)

3       Q     Is that your signature, Mr. Trump?

4       A     Yes.

5                   MR. WALLACE: Your Honor, we would move Plaintiff's  
6 Exhibit 367 into evidence.

7                   MR. KISE: Objection. Statute of limitations.

8                   THE COURT: Overruled. It's in.

9                   (Plaintiff's Exhibit 367 was deemed marked and  
10 admitted in evidence.)

11       Q     Mr. Trump --

12                   MR. WALLACE: If we could flip back to page ten  
13 here, please.

14                   (Whereupon, the exhibit was displayed on the  
15 screen.)

16       Q     Item nine on this page states certain representations.  
17 It says "In order to induce lender to accept this guaranty and  
18 to enter into the credit agreement and the transactions  
19 thereunder, guarantor hereby makes the following representations  
20 and warranties as of the date hereof."

21                   MR. WALLACE: I would like to go down to item  
22 eight, Roman numeral (viii). If you could flip over.

23                   (Whereupon, the exhibit was displayed on the  
24 screen.)

25       Q     Again, it says "Financial statements" and it states

1 that "The guarantor has furnished to lender his prior financial  
2 statements. Such prior financial statements are true and  
3 correct in all material respects." And little (i), "Guarantor's  
4 Statement of Financial Condition presents fairly guarantor's  
5 financial condition as of June 30, 2012." Do you believe this  
6 representation was true and accurate?

7 A Yes.

8 MR. WALLACE: If we could flip ahead to page 13.

9 (Whereupon, the exhibit was displayed on the  
10 screen.)

11 Q Here it states, number ten, certain financial  
12 covenants. "During the term hereunder, guarantor shall comply  
13 with the following additional covenants. Unencumbered liquid  
14 assets at all times during the term hereunder, guarantor shall  
15 maintain unencumbered liquid assets of not less than \$50  
16 million, of not less than \$20 million of such unencumbered  
17 liquid assets to be held in accounts with lender or lender's  
18 affiliates."

19 Is this the same liquidity requirement we saw earlier?

20 A Similar, yes.

21 Q And were you aware this loan required you to maintain  
22 an unencumbered liquidity of \$50 million?

23 A Yes.

24 MR. KISE: Objection.

25 THE COURT: Grounds?

1 MR. KISE: Just, I think that there is some,  
2 because of the way the question is being asked, potential to  
3 mischaracterize the evidence, because the question is, this  
4 loan required you to maintain, but -- and that's what I've  
5 been looking for. That's why I wanted the hard copy, but I  
6 haven't looked at it.

7 But as we heard testimony already in the record,  
8 there's a stepdown percentage here, and at some point the  
9 guaranty goes away. So I just want to make clear that when  
10 he says "the loan required you to maintain it", I think that  
11 may mischaracterize the actual evidence. The loan requires  
12 it only to a certain point.

13 MR. WALLACE: This is instruction to the witness.  
14 It's an improper objection.

15 MR. KISE: It's not an instruction to the witness.

16 MR. WALLACE: I'm not disputing the loan. The  
17 agreements say what they want. If they want to ask them  
18 about other aspects of this. So I'll say at the time you  
19 signed this, were you aware of this requirement in the  
20 guaranty.

21 A Yes.

22 Q And you are aware that this covenant was to be tested  
23 and certified each year based on your Statement of Financial  
24 Condition; is that correct?

25 A I think so. Again, they were focused really only on

1 the cash.

2 Q And do you believe that you complied with this  
3 covenant?

4 A Yes, I do.

5 MR. WALLACE: If we could flip ahead to page 14.

6 (Whereupon, the exhibit was displayed on the  
7 screen.)

8 Q Item three, "Minimum Net Worth. At all times during  
9 the term hereunder, guarantor shall maintain, at all times, a  
10 net worth of not less than \$2,500,000,000. This net worth  
11 covenant shall be tested and certified on an annual basis as of  
12 each June 30th within 120 days following each June 30th, based  
13 upon the Statement of Financial Condition delivered to lender."

14 Were you aware that this loan required you to maintain  
15 a net worth of not less than \$2.5 billion?

16 A Yes.

17 MR. KISE: Objection. Same objection.

18 THE COURT: Overruled.

19 Q Were you aware this covenant was to be tested and  
20 certified each year based upon your Statement of Financial  
21 Condition?

22 MR. KISE: Objection. Same objection.

23 THE COURT: Overruled.

24 (Whereupon, there is a brief pause in the  
25 testimony.)

1 Q The question was, Mr. Trump, you were aware?

2 A I was waiting for the Judge.

3 Q He overruled it.

4 A Sorry.

5 THE COURT: I'll try to speak louder.

6 THE WITNESS: Sorry.

7 Q I'll restate the question.

8 Mr. Trump, you were aware that this covenant was to be  
9 tested and certified each year based upon your Statement of  
10 Financial Condition?

11 A Yes, which I could've done without a condition. I  
12 could've just shown them a couple of assets and they would have  
13 been very satisfied with that, if they wanted. They were  
14 focused on cash. I could have given them just a few assets  
15 which were worth much more than \$2.5 billion.

16 Q But the terms of the contract required you to actually  
17 submit the Statement of Financial Condition, not some other  
18 information?

19 MR. KISE: Objection.

20 A I don't know, but I think possibly.

21 MR. KISE: It mischaracterizes the evidence.

22 THE COURT: Mr. Wallace, are you mischaracterizing  
23 the evidence?

24 MR. WALLACE: I don't think so, your Honor.

25 MR. KISE: Again, he is speaking of entire term of

1 the loan as opposed to when the stepdown goes in. It  
2 doesn't characterize the evidence properly.

3 During the term that this provision is in force,  
4 then yes. But if the stepdown, as we've heard testimony on  
5 the Chicago loan, the guaranty went away.

6 MR. WALLACE: The guaranty --

7 MR. KISE: He was here for the testimony. I'm not  
8 telling the witness anything he doesn't already know.

9 A This loan was paid off in full with no default -- with  
10 no problem, and the bank was thrilled. They got all their money  
11 back. There was no victim. There was no anything. This loan  
12 was paid off in full. It was a very successful loan as opposed  
13 to other people that don't do successful loans. So the bank was  
14 thrilled.

15 Again, the loan was paid off in full. You are talking  
16 about a loan that was paid off in full. There was no  
17 negotiation. If interest was due on a Saturday, I paid the  
18 interest on a Friday, and the bank liked me very much. But this  
19 loan is long since gone.

20 Q "Long since gone"? When did you pay off this loan?

21 A I don't know. Very recently, but I paid off part of it  
22 a long time ago, and I think over the last fairly short period  
23 of time -- the loan is paid off.

24 Q Mr. Trump, are you aware --

25 A I will check that as exactly, but I think it is paid

1 off or very close to being paid off.

2 Q I tell you this is why if we could just go through the  
3 questions I have. I was going to get to that at the end.

4 I'll ask you, are you aware that the Trump Chicago loan  
5 was paid off last week?

6 A I heard it was. I don't know about last week, but I  
7 know it was paid off recently; on time, on schedule. In fact,  
8 I'll go a step further. I think it was paid off ahead of  
9 schedule. You could tell me. I think it was paid off ahead of  
10 schedule. The bank was thrilled.

11 Q And why was it paid off ahead of schedule?

12 A Because we have a lot of cash.

13 Q Who made the decision to pay it off ahead of schedule?

14 A My son recommended it and I said do what you want to  
15 do. We had time left. We didn't have to pay it off. We had  
16 time left. I said, the interest rate is higher than what you  
17 get if you have your money in the bank, so.

18 Q Which son?

19 A Eric.

20 Q Eric. Okay.

21 The question I asked before we had the interruption, I  
22 believe, was the contract actually refers to your Statement of  
23 Financial Condition. You did not have an agreement with  
24 Deutsche Bank where you could establish your net worth by using  
25 some other set of documents, did you?

1           A     I don't know. I just -- I don't remember much. I'm  
2     sure if I didn't want to put in my financial statement I could  
3     have worked out a cash transaction instead. In other words,  
4     guaranteed to keep a certain amount of cash in. But they knew I  
5     had a financial statement, so they probably just put it down.  
6     They knew I had a financial statement so they added it. I guess  
7     it's in number 11, or something, financial.

8           Q     So is it your testimony that you made a decision to use  
9     the Statement of Financial Condition instead of a cash,  
10    additional cash requirement?

11          A     No, I think Deutsche Bank said, "Why don't you throw it  
12    in?" I'll throw it in. It didn't mean very much to them. What  
13    meant much, a lot to them, was that I had a lot of cash. That's  
14    what meant. And they were paid off, as I said, in full. There  
15    was no victim. There was no loss of money. They made a lot of  
16    money. And everyone is trying to figure out, why are you doing  
17    this for a bank that's very rich, very big, and had the best  
18    lawyers in the world. Nobody understands it. Well, I  
19    understand it. It's called politics.

20          Q     Mr. Trump, do you believe you complied with this  
21    covenant we are looking at on the screen right now?

22          A     Yes.

23          Q     If we go to the next paragraph, that's paragraph number  
24    11. "Financial reporting and certain other additional  
25    covenants." It says that "Until the earlier satisfaction in

1 full of all guaranteed obligations and expenses are required  
2 under section 25 hereunder, or why, this guaranty is earlier  
3 terminated by lender or otherwise by its terms. Guarantor shall  
4 comply with the following additional covenant", item one,  
5 "financial reporting." (i)(A) states, "Annual Statement of  
6 Financial Condition. As soon as reasonably available and in any  
7 event within 120 days following each June 30th, guarantor's  
8 Statement of Financial Condition as of June 30th."

9 Do you understand that this guaranty agreement required  
10 you to provide an annual Statement of Financial Condition?

11 A Well, I had it, so minds well give it to them.

12 Q Is that a yes?

13 A Yeah, I had it.

14 Q Do you believe --

15 A If I didn't have it, I wouldn't have had it put in this  
16 loan agreement.

17 Q Do you believe you complied with this covenant?

18 A Yeah.

19 MR. WALLACE: We are going to hand up another  
20 exhibit.

21 (An exhibit was handed to the witness.)

22 Q Mr. Trump, this is the document that's been marked as  
23 Plaintiff's Exhibit 307. It's an amended and restated term loan  
24 agreement for 401 North Wabash Venture LLC as of June 2nd, 2014.

25 MR. WALLACE: If we could turn to page 96.

1                   (Whereupon, the exhibit was displayed on the  
2                   screen.)

3           Q     Mr. Trump, is that your signature?

4           A     Yes.

5                   MR. WALLACE: Your Honor, we would ask this be  
6                   moved into evidence.

7                   MR. KISE: Objection. Statute of limitations.

8                   THE COURT: Overruled. It's in evidence.

9                   (Plaintiff's Exhibit 307 was deemed marked and  
10                  admitted in evidence.)

11          Q     We could put that one aside. If we could get  
12          Plaintiff's Exhibit 1844. This is already in evidence. We have  
13          a courtesy copy for the witness.

14                   (The exhibit was handed to the witness.)

15                   (Whereupon, the exhibit was displayed on the  
16                   screen.)

17          Q     Mr. Trump, this a document entitled "Amended and  
18          Restated Guaranty", dated June 2nd, 2014.

19                   MR. WALLACE: If we could just go to page 27,  
20          please.

21                   (Whereupon, the exhibit was displayed on the  
22                   screen.)

23          Q     Is that your signature, Mr. Trump?

24          A     Yes.

25                   MR. WALLACE: If we could go to page 13, please.

1 (Whereupon, the exhibit was displayed on the  
2 screen.)

3 Q Again, item nine, "Certain Representations." It states  
4 that "In order to induce the lender to make the loan", there are  
5 certain reps.

6 MR. WALLACE: If we go to item eight, it's on page  
7 14.

8 (Whereupon, the exhibit was displayed on the  
9 screen.)

10 Q Again, the financial statements it says, "The guarantor  
11 has furnished to lender his prior financial statements. Such  
12 prior financial statements are true and correct in all material  
13 respects." And little (i) "Guarantor's Statement of Financial  
14 Condition presents fairly guarantor's financial condition as of  
15 June 30, 2013."

16 Do you believe that that representation was true and  
17 accurate?

18 A Yes. And the loan, I believe was paid off.

19 Q Okay.

20 MR. WALLACE: If we could go to page 17, please.

21 (Whereupon, the exhibit was displayed on the  
22 screen.)

23 Q There's, again, a listing for certain financial  
24 covenants. Again, "Unencumbered liquid assets shall be  
25 maintained if not less than \$50 million."

1           Were you aware that there was a minimum net worth  
2 requirement contained in this restated loan --

3           A     I think so, yes.

4           Q     Okay. And I will represent to you, if we go down a  
5 little further.

6                     (Whereupon, the exhibit was displayed on the  
7 screen.)

8           Q     It also contains -- the next page.

9                     (Whereupon, the exhibit displayed was scrolled on  
10 the screen.)

11          Q     "A minimum net worth requirement of \$2.5 billion."

12                     Were you aware that there is a net worth guarantee in  
13 this restated guaranty?

14          A     I think so. I'm not sure, but I think so. Obviously  
15 there was.

16          Q     Are you aware that those amounts would be tested and  
17 certified by your annual Statement of Financial Condition?

18          A     No. But sounds right to me.

19          Q     Okay. Do you believe you complied with those  
20 covenants?

21          A     Yeah, I paid off the loan.

22          Q     If we look down item 11, little (i), the 11 is  
23 financial reporting and certain other additional covenants.  
24 Little (i) says, "Guarantor covenants and agrees that he shall  
25 keep and maintain complete and accurate books and records."

1           It then says, item (A) "Annual Statement of Financial  
2   Condition, as soon as reasonably available. And in any event  
3   within 120 days following each June 30th, guarantor's Statement  
4   of Financial Condition as of June 30th."

5           The first question, were you aware that you had to  
6   maintain complete and accurate books and records pursuant to  
7   this agreement?

8           A     I don't know specifically, but it sounds right to me.

9           Q     Do you believe you complied with that requirement?

10          A     Yes.

11          Q     Were you aware that under this agreement you needed to  
12   submit an annual Statement of Financial Condition?

13          A     Not really, but it would be okay with me.

14          Q     So you don't know if this was accurate?

15          A     I wasn't sure. I mean, you know, I'm seeing it here,  
16   so obviously the answer to that is, yes.

17          Q     Okay.

18          A     No problem.

19                   (An exhibit was handed to the witness.)

20                  MR. WALLACE: I would like to assure everyone we  
21   are making good time.

22          Q     Mr. Trump, you've been handed a document that has been  
23   marked Plaintiff's Exhibit 309.

24                   (Whereupon, the exhibit was displayed on the  
25   screen.)

1           Q     The cover of the document indicates this is a loan  
2     agreement dated as of August 12th, 2014, with Trump Old Post  
3     Office, LLC and Deutsche Bank.

4                 Mr. Trump, is this the loan that relates to the Old  
5     Post Office in Washington, D.C?

6           A     Yes.

7                 MR. WALLACE:  If we could flip ahead to 108.

8           Q     Mr. Trump, is that your signature?

9           A     Yes.

10                MR. WALLACE:  We ask that Plaintiff's Exhibit 309  
11     be moved into evidence.

12                MR. KISE:  Objection.  Statute of limitations.

13                THE COURT:  Overruled.  It's in.

14                (Plaintiff's Exhibit 309 was deemed marked and  
15     admitted in evidence.)

16           Q     Mr. Trump, I'm going to hand you another document.

17                (An exhibit was handed to the witness.)

18           Q     This document has been marked as Plaintiff's  
19     Exhibit 305.

20                (Whereupon, the exhibit was displayed on the  
21     screen.)

22           Q     This is the guaranty for the OPO loan dated  
23     August 12th, 2014.

24                MR. WALLACE:  If we could flip ahead to page 26.

25           Q     Is that your signature, Mr. Trump?

1           A     Yes.

2                   MR. WALLACE: Your Honor, we move Plaintiff's  
3     Exhibit 305 into evidence.

4                   MR. KISE: Objection. Statute of limitations.

5                   THE COURT: Overruled. It's in.

6                   (Plaintiff's Exhibit 305 was deemed marked and  
7     admitted in evidence.)

8                   MR. WALLACE: If we could go back to page 12,  
9     please.

10                  (Whereupon, the exhibit was displayed on the  
11     screen.)

12           Q     Once again, we see item nine, "Certain  
13     Representations." It states that "In order to induce lender to  
14     accept this guaranty and to enter into the loan agreement and  
15     the transactions thereunder, guarantor hereby makes the  
16     following representations and warranties as of the date hereof."

17                   MR. WALLACE: If we flip ahead two pages to page  
18     14.

19                  (Whereupon, the exhibit was displayed on the  
20     screen.)

21           Q     Again, item nine, "Financial Statements", it states  
22     "The guarantor has furnished to lender his prior financial  
23     statements. Such prior financial statements are true and  
24     correct in all material respects." And little (i) "Guarantor's  
25     Statement of Financial Condition presents fairly guarantor's

1 financial condition as of June 30, 2013."

2 Do you believe this representation is true and  
3 accurate?

4 A Yes, I think so.

5 MR. KISE: Which one? Both of them? The financial  
6 -- you asked that question -- I think you skipped from page  
7 -- just to make sure the record is clear, you went from page  
8 12, then over to page 14 without asking a question.

9 MR. WALLACE: I'm asking him about the passage I  
10 just read.

11 MR. KISE: Just that provision, not the other? Not  
12 that the answer would be different. I just want to make  
13 sure the record is clear.

14 THE COURT: All right. I think it's clear, now,  
15 you are asking him about little (ix).

16 MR. WALLACE: I thought I was clear the first time.  
17 We could keep moving. Let's turn to page 16?

18 (Whereupon, the exhibit was displayed on the  
19 screen.)

20 Q It's item ten, little Roman (i) "Unencumbered liquid  
21 assets."

22 Mr. Trump, were you aware that this loan required you  
23 to maintain unencumbered liquid assets of \$50 million?

24 A Yes.

25 Q Were you aware that this covenant is to be tested and

1 certified each year based upon your Statement of Financial  
2 Condition?

3 A I think so, yes.

4 Q Do you believe you complied with this covenant?

5 A Yes, absolutely.

6 MR. WALLACE: If we could move on to page 17.

7 Q Little Roman (iii), "Minimum net worth." Again, it  
8 says, "At all times during the term hereunder, guarantor shall  
9 maintain a net worth of not less than \$2,500,000,000. This net  
10 worth covenant shall be tested and certified on an annual basis  
11 as of each June 30th, within 120 days following each June 30th,  
12 based upon the Statement of Financial Condition delivered to  
13 lender during each year hereunder pursuant to section 11 (i)(A)  
14 hereof."

15 Were you aware that this loan required you to maintain  
16 a net worth not less than 2.5 billion?

17 A Yes.

18 Q Were you aware that this covenant was to be tested and  
19 certified each year based upon your Statement of Financial  
20 Condition?

21 A No, but it would look like it would be. It's fine.

22 Q It looks like it is based on --

23 A Yeah.

24 Q -- the contract language you just read?

25 A Yes.

1 Q Do you believe you complied with this covenant?

2 A Oh, yes, absolutely.

3 Q Let's look at the next paragraph.

4 A Again, the net worth of me was far greater than the  
5 financial statements, far greater. So I don't know what you are  
6 getting at, but keep going.

7 Q When you say "far greater", are you referring to the  
8 brand value that you have?

9 A I'm talking about -- no, but we can add that, too. If  
10 you add the brand value, which I didn't even put down on my  
11 financial statements, then you are talking about a tremendous  
12 difference, tremendous difference. But, no, just even without  
13 it. But with it, and it should be a part of it -- brand value  
14 should be a part of it. It's -- in either event, it's more.

15 Q Just --

16 A The brand value is a very substantial value.

17 Q I just want --

18 A And I didn't even include that in the financial  
19 statements, but I could've if I wanted to. If I was looking to  
20 build up a financial statement, I would have put it in, but I  
21 wasn't looking to do that.

22 Q I'm just trying to make sure I understand that. Your  
23 position is that the assets listed on your Statement of  
24 Financial Condition were worth more than the prices that were on  
25 those statements; is that what you are saying?

1           A     As a -- yes. As a total, some are much more, some may  
2 have made a mistake and it was corrected. Like on the apartment  
3 if they made a mistake, and of course this is way before that,  
4 because you are going back into ancient history. I don't know  
5 how it doesn't involve a five-year statute of limitations. It  
6 seems ridiculous to me. It seems extremely unfair to me, but  
7 that's okay; that's the way it's been working in this one.

8                     I will tell you that the numbers are far greater than  
9 the two and a half billion dollars. And if I add brand value,  
10 then it's different from a different -- but in any event, the  
11 numbers of my net worth are substantially more than the numbers  
12 reflected on the financial statements, therefore, you have no  
13 case.

14           Q     Um --

15           A     In addition to that -- no. In addition to that, in  
16 addition to that, you have a clause that goes on forever, I  
17 think a page and a half, and all throughout, and that clause, as  
18 we've discussed quite a bit, tells the lender of this money to  
19 go out and do your own work, do your own statement, do  
20 everything your own. Go out and hire your own analysts, and all  
21 of the things that, you know, that you didn't read today. You  
22 read one part of it, but you didn't read the part that  
23 supersedes everything else. But it says, "Do your own due  
24 diligence." And I think a lot of people have figured that out  
25 today.

1           Q     Well, that clause isn't the only thing goes on  
2 forever.

3                     Next paragraph, number 11, Financial Reporting and  
4 Certain Other Additional Covenants. It says: The guarantor  
5 shall comply with the following additional covenants.  
6 Financial reporting.

7                     It says: Guarantor covenants and agrees he shall  
8 keep and maintain complete and accurate books and records.

9                     Did you comply with this covenant?

10           A     I assume so. I mean, the bank was very happy. They  
11 got their money back. They were paid off. I assume so.

12                     Did you get any questions from the bank? I don't  
13 think so.

14           Q     Do you know if --

15           A     The bank was extremely happy.

16           Q     This is from August 12, 2014. Do you know whether or  
17 not you maintained complete and accurate books and records of  
18 the Trump Organization from August 2014 forward?

19           A     I hope so. I didn't keep them myself. I hope so.  
20 But again, the bank was paid off. There was no victim.

21           Q     When you say, "I hope so," you don't know one way or  
22 the other?

23           A     I assume so. Who knows. Do I know? I have people.  
24 I pay them a lot of money. They are accountants. I assume  
25 they keep good records. The bank can't be upset and the bank

1 isn't upset, because they got their money back in full. No  
2 victim.

3 Q Who was responsible for making sure that the Trump  
4 Organization maintained complete and accurate books and  
5 records?

6 A Primarily Mr. Weisselberg and Jeff McConney.

7 Q Item A underneath this says --

8 A And the accounting firm. And the accounting firm.

9 Q I want to make sure you are finished.

10 A I paid a lot of money to.

11 Q Item A underneath the financial reporting states:  
12 Annual Statement of Financial Condition. As soon as reasonably  
13 available, and in any event within 120 days following each  
14 June 30, guarantor's Statement of Financial Condition as of  
15 June 30.

16 A Yes.

17 Q Do you believe you complied with this covenant?

18 A Yes.

19 Q Okay. Mr. Trump, you are being handed a document  
20 marked as Plaintiff's Exhibit 394. This is a certification in  
21 your name dated November 11, 2014. And if we flip over to the  
22 second page is that -- is that your signature, Mr. Trump?

23 A Yes.

24 MR. WALLACE: Your Honor, we move Plaintiff's  
25 Exhibit 394 into evidence.

1 MR. KISE: Objection, statute of limitations.

2 THE COURT: Overruled, it is in.

3 (Whereupon, the document referred to was deemed  
4 marked for evidence as Plaintiff's Exhibit 394 by the  
5 Court.)

6 Q Mr. Trump, if you look on page one, it says: The  
7 undersigned guarantor hereby certifies to lender as of the date  
8 hereof that as of June 30, 2014 (the reporting date) One.  
9 Financial Information. And it lists attached hereto is  
10 guarantor's Statement of Financial Condition as of June 30,  
11 2014.

12 I am going then if you look at the bottom underneath  
13 the section of financial statements it says: "The foregoing  
14 presents fairly in all material respects the financial  
15 condition of guarantor at the period presented."

16 So by this document you are certifying that your  
17 Statement of Financial Condition as of June 30, 2014 presents  
18 your financial condition fairly in all material respects. Is  
19 that correct?

20 A No.

21 Q What are you -- so what are you certifying here?

22 A Because we didn't put the brand value down, and  
23 that's a bigger number than any of these numbers, and they are  
24 very big. But I didn't put the brand value down, so, you know,  
25 so I don't know. I think that the statement could have put it

1 down, didn't put it down. But I don't know if you consider  
2 that to be a material respect. It would increase the number  
3 beyond even what it is.

4 Q So is it your position that this certification is not  
5 accurate?

6 A No, I think it is accurate as it is. But the only  
7 thing is that we didn't include brand value. And you could  
8 include it or you don't have to include it.

9 Q Setting aside the brand value issue, are you  
10 certifying that the June 30, 2014 Statement of Financial  
11 Condition fairly presented in all material respects your  
12 financial condition as of that date?

13 A Yes.

14 Q But the 2014 statements contained an inflated value  
15 for your triplex apartment; is that correct?

16 A Yeah, they -- that's right. If this is the one where  
17 that's started. We reduced that substantially later.

18 Q And the statement contained an inflated valuation for  
19 Seven Springs; is that correct?

20 A Seven -- I don't know. I don't know if this is the  
21 one. If this is the statement. Is that the statement that we  
22 discussed before?

23 Q Yes, that has Seven Springs.

24 A Then we had those and we made adjustments to them.

25 Again, compared to the overall worth or net worth,

1 they were not material. But certainly I could say that we have  
2 asked -- I asked to have them reduced and they were reduced.

3 Q You were required to submit the certificate under the  
4 terms of the Doral loan agreement; is that correct?

5 A I guess so. I would think so.

6 Q And you knew that Deutsche Bank would rely on this  
7 certification to determine compliance with the loan companies;  
8 is that correct?

9 A Well, they have that in there, yeah. I could have  
10 negotiated it out. But it didn't matter to me because we had a  
11 financial statement, so I figured why not put it in.

12 Q You intended to meet your obligations under the Doral  
13 loan agreement by submitting this document; is that correct?

14 A Yeah.

15 Q Mr. Trump, we are going to hand you a new document.  
16 (Handing)

17 Q This document has been marked as Plaintiff's Exhibit  
18 503.

19 Mr. Trump, this is an internal Deutsche Bank e-mail  
20 dated May 10, 2016, but I would like to ask you about the  
21 attachments. The attachment is a certification in your name  
22 dated May 10, 2016.

23 And if we could flip ahead to the third page of this  
24 document, is that your signature, Mr. Trump?

25 A Yes.

1 MR. WALLACE: Your Honor, we move Plaintiff's  
2 Exhibit 503 into evidence.

3 THE COURT: Granted, it is in.

4 (Whereupon, the document referred to was deemed  
5 marked for evidence as Plaintiff's Exhibit 503 by the  
6 Court.)

7 MR. WALLACE: I am sorry, I didn't realize there  
8 was no objection. Is this in?

9 THE COURT: Yes.

10 MR. WALLACE: I apologize everyone.

11 Q If we look back at the first page of this document,  
12 again, under the heading Financial Information. Mr. Trump, are  
13 you certifying that your Statement of Financial Condition as of  
14 June 30, 2015 presents your financial condition fairly in all  
15 material respects?

16 A If this is the one we discussed before, then we told  
17 them a couple of the assets you could reduce.

18 Q This is actually a different one.

19 A A different one? Then it would be fine, yeah.

20 Q Do you recall whether or not the 2015 statement had  
21 corrected the valuation for your triplex apartment?

22 A I don't know. I don't know.

23 Q Do you recall whether the 2015 statement had  
24 corrected the value for Seven Springs?

25 A I don't know. But it really wasn't material compared

1 to the overall net worth. It was a rather -- it was a small  
2 amount of money in comparison to the overall net worth.

3 Q Okay.

4 A I don't think it would be considered material at all.

5 Q If we could go to the top page of the document again,  
6 I just want to highlight one thing for you.

7 Do you see the borrowers listed here are Trump  
8 Endeavor 12 LLC; 401 North Wabash Venture LLC; and Trump Old  
9 Post Office LLC. So you were required to submit this  
10 certificate under the terms of all three loan agreements; is  
11 that correct?

12 A I guess, yeah.

13 Q And you knew that Deutsche Bank would rely on this  
14 certification to determine compliance with the covenants of  
15 those loans; is that correct?

16 A No, I don't know. I don't know what they would have  
17 done if I had a statement or not, but I had no problem because  
18 we had a statement.

19 Q If Deutsche Bank wasn't requiring this to be  
20 submitted, why would you have submitted this?

21 A No, I would have negotiated that out. They would  
22 have taken cash instead.

23 Q But you did, in fact, have an obligation under those  
24 loan agreements to submit this certification?

25 A Yeah, I have no problem with that.

1 Q And you intended for the bank to rely upon this  
2 certification to meet those loan requirements; isn't that  
3 right?

4 A Well, it is what it says. If I didn't have the  
5 statement I would have done something else. I would have given  
6 them cash instead, or not borrowed the money.

7 Q Mr. Trump, we have now seen multiple loan agreements  
8 requiring the submission of your Statement of Financial  
9 Condition. We have seen multiple certifications that the  
10 Statements of Financial Condition were accurate. Is it still  
11 your position that the bank would not have considered this to  
12 be an important document?

13 A I could have done different things other than a  
14 financial statement.

15 Q I am actually asking under the loan agreements you  
16 actually signed though, was this an important document?

17 A Yeah, because we had the document done, so we used  
18 it.

19 Q Mr. Trump, we talked about this a little, not in  
20 response to a question, but you have now paid off all three  
21 loans to Deutsche Bank; is that correct?

22 A I think so.

23 Q You financed the Doral loan with an Axos Bank; is  
24 that correct?

25 A I believe so, yes.

1           Q     And you paid off the Chicago loan recently, maybe  
2 last week?

3           A     With cash, yes.

4           Q     And you paid off the OPO loan and you sold that  
5 hotel; is that correct?

6           A     Yes, we paid that off with cash.

7           Q     Mr. Trump, you are being handed a document that has  
8 been marked Plaintiff's Exhibit 1373. This is an e-mail from  
9 Jeff McConney to Elizabeth Pettijohn and Whitley Penn with the  
10 subject line: OPO proceeds spreadsheet.

11                   Whitley Penn are the accountants who replaced Mazars;  
12 is that correct?

13          A     Yes.

14                   MR. WALLACE: Your Honor, we would move this  
15 document into evidence.

16                   MR. KISE: Objection, relevance.

17                   THE COURT: What's the relevance?

18                   MR. WALLACE: The relevance it has the  
19 distribution amounts for the OPO loan.

20                   MR. KISE: What is the relevance of that?

21                   MR. WALLACE: I think it is subject to  
22 disgorgement potentially.

23                   THE COURT: Overruled. It is in.

24                   (Whereupon, the document referred to was deemed  
25 marked for evidence as Plaintiff's Exhibit 1373 by

1 the Court.)

2 Q Mr. Trump, if you look down at the bottom half of the  
3 first page, there is an e-mail from Patrick Birney to Donna  
4 Kidder and others that says: Mark, Mike, Donna, see attached  
5 updated spreadsheet. Assuming we get to the \$139,404,324 from  
6 the title company today, and combine it with the \$3,823 of  
7 interest on the deposits that is already in the bank account,  
8 the amount of the distributions should be in the amounts below  
9 (listed in row 31 of the second tab).

10 MR. WALLACE: Actually, could we pull up the  
11 other attachment to this, just to -- it is 1373 native.

12 I apologize.

13 Q I just wanted to state for the record, Mr. Trump,  
14 this is the attachment that Mr. Birney is referring to. It is  
15 a native.

16 MR. WALLACE: And just to clarify for the  
17 record, we have moved in both the cover e-mail and the  
18 native attachment. I just want to make sure that is  
19 clear. I want to see if there is any further objection  
20 from the defense.

21 THE COURT: They are both in.

22 MR. WALLACE: Thank you, Your Honor.

23 (Whereupon, the document referred to was deemed  
24 marked for evidence as Plaintiff's Exhibit 1373  
25 Native by the Court.)

1 Q If we can go back to the cover e-mail. The amounts  
2 listed are: DJT \$126,828,600.

3 DJT Jr. \$4,013,024.

4 IT \$4,013,024.

5 ET \$4,013,024.

6 Member Corp. \$540,475.

7 Total \$139,408,146.

8 Mr. Trump, do you know if \$126 million represents  
9 your full profit on the OPO transaction?

10 A No, I don't know that.

11 Q Do you know how much profit you did earn on the OPO  
12 transaction?

13 A No. Something, I don't know. Something above that I  
14 think. But around. I would have to find out. I would have to  
15 go check.

16 Q So you think above but around this number?

17 A Above but around that number, yes.

18 Q And do you know if one -- the \$139 million listed  
19 here reflects the full profits of all of the participants in  
20 the OPO sale?

21 A I don't know exactly, but it would be something  
22 perhaps above that number.

23 Q Again, but around that number?

24 A Correct, yes.

25 Q Mr. Trump, I think we have covered some of this but I

1 would like to go through it one more time. Do you believe any  
2 of the Statements of Financial Condition that have been  
3 prepared in your name inflated your net worth?

4 A So --

5 MS. HABBA: I am sorry, I couldn't hear you.

6 A Again, we have a very complicated, many transaction,  
7 many, many, many-pages document. The overall number is  
8 somewhere much higher. And some are a little bit lower or not  
9 materially lower. But the overall net is that we are much,  
10 much higher, much, much higher than the document -- the  
11 document submitted.

12 When you add the net worth you are talking about  
13 many, many millions of dollars more than that. And we didn't  
14 do that. If we wanted to build up a net worth all I would have  
15 had to do is add that, because that number would be very  
16 substantial, very, very substantial. So I don't believe  
17 that --

18 I think this case is a disgrace. I think it is a  
19 disgrace for people looking to move their business into New  
20 York or out of New York. Many people are leaving New York  
21 because of exactly this kind of a thing. We had banks that got  
22 their money back. We had insurance companies that got their  
23 money back. We had no complaints. The only complainant is  
24 you. And with everybody being killed on the streets and  
25 murdered on the streets of New York and you have an Attorney

1 General sitting here all day long watching every little move, I  
2 think it is a disgrace. And people are leaving New York. And  
3 they are fleeing the City. And it is a shame what is going on.

4 And we sit here all day, and it is election  
5 interference because you want to keep me in this courthouse all  
6 day long, and let's keep going.

7 And we have a very hostile Judge, extremely hostile  
8 Judge, and it is sad.

9 I don't have a jury and I want a jury. And I don't  
10 have a jury because she sued me under a statute that doesn't  
11 allow a jury, and I think it is a disgrace. And other people  
12 are saying the same thing. Legal scholars are saying it is the  
13 most unfair witch hunt they have ever seen.

14 And you should be ashamed of yourself.

15 Go ahead.

16 Q I promise you, Mr. Trump, I am trying to get you off  
17 the stand.

18 A That's great. I am sure you are.

19 THE COURT: Mr. Wallace, this morning I said I  
20 am following your lead in terms of how much you want to  
21 put up with this stuff.

22 MR. WALLACE: I promise you, Your Honor, we are  
23 very close to the end.

24 Q And we almost got there, Mr. Trump.

25 But I believe your position is that you do not

1 believe that any of the Statements of Financial Condition  
2 inflated your net worth; is that right?

3 A I think that the Statements of Financial Condition  
4 were very good, were actually somewhat conservative and in some  
5 cases very conservative.

6 And they are totally protected, and so am I, and so  
7 is everything in there, by a disclaimer clause which tells  
8 lenders and insurance companies or anybody that saw it, to go  
9 out and do your own due diligence and do your own analysis. It  
10 says: Do not rely on this statement.

11 Q Do you believe that Mr. Weisselberg and Mr. McConney  
12 did a good job preparing your Statements of Financial  
13 Condition?

14 A I mean, I don't know, but I think so.

15 Q Did Mr. Weisselberg and Mr. McConney prepare the  
16 Statements of Financial Condition in a manner that you believe  
17 is appropriate?

18 A I hope so.

19 Q Did Mr. Weisselberg and Mr --

20 A Don't forget, the bank -- the banks reject them.  
21 These banks are not just people that sit back and take paper  
22 and put it into a file. When a bank gets a statement they go  
23 out and check them very carefully. They are very  
24 sophisticated. They have great lawyers, very expensive lawyers  
25 working for them. The best law firms in the country. So this

1 isn't just like, oh, here is a paper. The bank would check the  
2 work that these people did.

3 Q So the banks would review the Statements of Financial  
4 Condition?

5 A Absolutely. Absolutely.

6 Q Did Mr. Weisselberg and Mr. McConney prepare the  
7 Statements of Financial Condition in a manner that you agreed  
8 with?

9 A I guess so. I mean, I would have to say so. The  
10 banks seemed to be happy, and Mazars seemed to be happy.

11 I had an, again, very expensive accounting firm.  
12 They seemed to be happy. They didn't complain.

13 And if they did complain, they wouldn't have done the  
14 statement. They did come to me on one or two occasions and  
15 said they didn't like something or didn't like this or that,  
16 and it was corrected before the statement was done. And if  
17 they didn't like something they wouldn't have given us a  
18 statement. They gave us a statement.

19 THE COURT: I am going to date myself. But I  
20 feel like it is a broken record. There are old vinyl  
21 records that go around and around.

22 THE WITNESS: Because he doesn't understand it,  
23 Your Honor, maybe. Because he keeps asking me the same  
24 questions, Your Honor, the same questions over and over  
25 again.

1 Q Let me ask you a new question then.

2 MR. KISE: He has asked the question about 50  
3 different times. We sat here for almost an hour going  
4 through what appears to be a breach of contract case,  
5 going through provisions of documents that the bank and  
6 only the bank are entitled to enforce. And they didn't.

7 And so now when the witness has a great answer,  
8 it is a problem. So Mr. Wallace just keeps asking the  
9 same question, he is going to get the same answer.

10 THE COURT: Only the banks are entitled to  
11 enforce?

12 MR. KISE: They are. That's what a contract is  
13 all about. This is a contract, and a breach of contract  
14 is where one party to the contract gets to decide if a  
15 term was breached.

16 For example, the net worth covenant. If the  
17 bank determined -- it doesn't say in here that anybody  
18 else other than the bank gets to determine whether that  
19 covenant was breached.

20 THE COURT: It doesn't have to.

21 MR. KISE: If they didn't determine it was  
22 breached and you heard testimony from Mr. Haigh that  
23 indicates that, then yes, that's their right to do it.

24 We don't get to second guess them. The Attorney  
25 General doesn't get to come in and stand in the shoes of a

1 contractual party that isn't claiming a breach. There is  
2 no provision in the law for that.

3 But if Mr. Wallace wants to continue to ask the  
4 same questions in a slightly different way, he can expect  
5 to get the same answers.

6 THE COURT: Well, I'll leave it at that for now.

7 MR. WALLACE: I promise everyone here I am  
8 really getting as close to being done and we can get out  
9 of here.

10 Let me ask a different question then. Did the  
11 fact that Mr. Weisselberg pled guilty to tax fraud cause  
12 you to change your opinion of any of the work he performed  
13 for you?

14 A Well, it was a sad, very sad thing. People went  
15 after him viciously and violently because he happened to work  
16 for me. If I never ran for President and certainly if I never  
17 won, convincingly, he would have been just like a lot of other  
18 people. I mean, he did a good to job for me for a long time.  
19 I thought it was a very sad thing.

20 The education of his grandchildren was brought up  
21 because he paid for the education of his grandchildren in a  
22 certain way. There was some things. So I feel very badly for  
23 him.

24 Q Well, a certain way was you paid for the education of  
25 his grandchildren?

1           A     No, the education of his grandchildren, and that is,  
2     you know, going to be some kind of a breach where they want to  
3     put a man in jail?  It is a very sad thing.

4           Q     Were you aware --

5           A     He did a good job for me for a long time.

6           Q     So you didn't go back and review any of the work he  
7     had performed after?

8           A     I didn't think about it.  And frankly, if you talk  
9     about these loans, there was nothing much to think about  
10    because essentially they were all paid off or soon to be paid  
11    off.

12          Q     After Mr. Weisselberg pled guilty, did you do  
13    anything to review other work that he had performed for you  
14    outside of these financial statements?

15          A     No, because I had no defaults.  I had no problems.

16          Q     Did you go through to see if Mr.-- any of the other  
17    documents Mr. Weisselberg had prepared at the company were  
18    accurate?

19          A     I don't know.  Perhaps somebody did.  I really don't  
20    know.

21                   MS. HABBA:  Your Honor, excuse me.  Sorry.

22                   Mr. Wallace, can you just clarify, are you  
23    asking whether President Trump himself did or the company?  
24    I want to make sure the record is clear.  There is a  
25    difference.

1 MR. WALLACE: I am not going back to a question  
2 I asked and was answered.

3 MS. HABBA: Of course not. It is inconvenient.

4 THE COURT: I took it to mean Mr. Trump  
5 personally.

6 MS. HABBA: So did I.

7 A Personally? Personally no, but I think maybe the  
8 company did. I don't know.

9 Q Were you aware that Mr. Weisselberg was being  
10 compensated with an apartment that was paid for by the company?

11 A You mean previously?

12 Q Yes.

13 A Yeah. I mean, is there something wrong?

14 Q No, I am just asking if you knew.

15 A I mean IBM executives get apartments that are  
16 compensated by IBM. And lots of other companies do. But  
17 people that work for me can't be so compensated? I don't know,  
18 I don't think that's a big thing. Is it? I feel very badly  
19 about that whole situation.

20 Q My question is just whether Mr. Weisselberg was --  
21 you ever became aware that Mr. Weisselberg was not recording  
22 transactions in the books and records of the Trump Organization  
23 in an accurate manner -- inaccurate manner.

24 Let me rephrase that.

25 MR. KISE: Are you talking about prior to his

1 guilty plea or after his guilty plea?

2 MR. WALLACE: I am asking if Mr. Trump ever  
3 became aware that Mr. Weisselberg was recording  
4 transactions inaccurately in the books and records of the  
5 Trump Organization.

6 MR. KISE: After his guilty plea I think we all  
7 did.

8 THE COURT: This has come up before, Chris. He  
9 is allowed to ask a question without a time limit, because  
10 then it means all times, at anytime.

11 MR. KISE: Okay, but it is --

12 THE WITNESS: He wasn't making it clear.

13 MR. KISE: The record is -- most of this record  
14 is very confusing, but that's particularly confusing,  
15 respectfully.

16 Q The question is, did you ever become aware that  
17 Mr. Weisselberg was recording transactions inaccurately in the  
18 books and records of the Trump Organization?

19 A Only through the trial.

20 Q And that's the tax fraud trial?

21 A Yeah.

22 Q You are not going to make any changes to your  
23 internal controls because of this lawsuit, are you?

24 MR. KISE: Objection. It is a question, number  
25 one, could call for privilege and number two subsequent

1 remedial measures.

2 A It depends.

3 THE COURT: Overruled on both grounds.

4 A It depends on what the accounting firm -- we have a  
5 new accounting firm, and they are doing a very good job. And  
6 it depends. If they suggest that we make changes, we would do  
7 that. We asked them if they would like us to do that.

8 Q That accounting firm, is that WhitleyPenn that you  
9 are referring to?

10 A Yes.

11 Q Do you think that l anything needs to change at the  
12 Trump Organization based on the things you have learned from  
13 this lawsuit?

14 MR. KISE: Same objection, Your Honor.

15 A I don't think so.

16 THE COURT: Overruled.

17 MR. KISE: I am assuming that his question is  
18 not calling for him to reveal any attorney/client  
19 conversations, just asking in general.

20 THE COURT: He asked him what he intended to do.

21 MR. KISE: Certain information he may have  
22 received from his lawyers.

23 MS. HABBA: Yes. I would instruct --

24 MR. KISE: And subsequent remedial.

25 THE COURT: The subsequent remedial only applies

1 in personal injury cases, tort cases.

2 Q My question is, regardless of who is giving the  
3 advice, is there a decision to make a change to the internal  
4 controls of the Trump Organization.

5 A It would depend on what the accounting firm would  
6 say, probably in conjunction with some lawyers that do this  
7 professionally. But the company has been a very, very  
8 successful company and it has had a great record.

9 Q Are you aware, as you sit here today, of any  
10 changes -- let me withdraw that question.

11 As you sit here today, are you aware of any planned  
12 changes to the financial reporting systems of the Trump  
13 Organization?

14 A I have not heard of any, but it is possible that they  
15 will recommend something. I have actually asked for a  
16 recommendation, if they feel it is necessary.

17 THE COURT: So now we are getting --

18 MR. WALLACE: I am going to ask this question  
19 hopefully to clarify this.

20 Q You asked for a recommendation from accountants or  
21 attorneys?

22 MS. HABBA: Don't answer that question, sir.

23 Excuse me. Sorry. This is actually going to privilege.

24 And I am going to object and instruct my client, any  
25 conversation where an attorney was also involved, you are

1 not to respond.

2 MR. WALLACE: This is the foundational question  
3 as to whether he has had conversations with attorneys or  
4 accountants.

5 MR. KISE: Your Honor, I have one other thing to  
6 add by way of objection. It may be overruled, but I think  
7 it is an important objection. And that is, I think the  
8 question is either unintentionally or intentionally  
9 mischaracterizing the evidence that is already in the  
10 record. They already had Mr. Hawthorn on the stand, and  
11 Mr. Hawthorn has testified about things that the company  
12 is doing.

13 So, I believe President Trump was here for that  
14 testimony. So again, we are not telling him anything he  
15 doesn't know. But you are not allowed to intentionally  
16 mislead or unintentionally mislead, mischaracterize the  
17 evidence in the record. The evidence in the record is  
18 such, if he already knows the answer, he doesn't have a  
19 good faith basis to ask the question.

20 THE COURT: I will totally disagree with that.  
21 In fact, you are generally supposed to ask questions that  
22 you do know the answer to.

23 MR. KISE: No. No. If you have a good faith  
24 basis to presume that the answer is something other than  
25 is already indicated in the record.

1 MR. WALLACE: I would note then, I guess if  
2 Mr. Hawthorn is recommending anything, Mr. Hawthorn is not  
3 an attorney. But I'll ask the same question.

4 Q As you sit here today, are you aware of any changes  
5 that are going to be made to the financial reporting system at  
6 the Trump Organization?

7 A There will be recommendations made, and we will  
8 perhaps let you know what those recommendations are. It  
9 wouldn't bother me to let you know about it. But we have asked  
10 and we will see whether or not anything will come of it.

11 Q Are the recommendations you are referring to coming  
12 from accountants or lawyers?

13 A I would say accountants and I would also say lawyers  
14 working with accountants, yes.

15 Q Have you spoken to any accountants about potential  
16 changes to the financial reporting system at the Trump  
17 Organization?

18 A Through the company, not me personally, but through  
19 the company.

20 Q Who have you spoken to at the company?

21 A Eric Trump.

22 Q Do you have any plans to hire a Chief Compliance  
23 Officer at this time at the Trump Organization?

24 A It hasn't been recommended.

25 Q Have you hired a new Chief Financial Officer at the

1 Trump Organization?

2 A I don't know. I would have to ask one of my sons,  
3 one of my two sons.

4 Q As you sit here today, you don't know who the Chief  
5 Financial Officer is?

6 A We have some very good people. I don't know if we  
7 are making that permanent or not or if we are going to go  
8 outside.

9 MR. WALLACE: Your Honor, I have nothing further  
10 at this time for this witness.

11 THE COURT: Will there be any cross examination?

12 MR. KISE: No, Your Honor. Not at this time.

13 MR. WALLACE: Your Honor, the next witness we  
14 have is --

15 THE COURT: We will excuse this witness.

16 Thank you.

17 MR. WALLACE: I apologize, Your Honor.

18 (The witness stepped down from the witness  
19 stand.)

20 THE COURT: We can keep going, at least for a  
21 while. Would you like to call your next witness?

22 MR. WALLACE: The only additional witness we  
23 have, Your Honor, is Ivanka Trump, who is appearing on  
24 Wednesday. So at this point I think that's it for us.

25 I don't know if Mr. Kise wanted to cover any of

1 the housekeeping items.

2 MR. KISE: Just briefly, Your Honor.

3 THE COURT: Go ahead.

4 MR. KISE: And I appreciate the communication  
5 over the weekend.

6 I just want to make sure, because the way we  
7 have operated, and I am going to take whatever direction  
8 you provide here, but the way we have operated through the  
9 course certainly of the trial are, in limine motions are  
10 either done here on the record or there is letters.

11 And so by way of example, an evidentiary motion  
12 wouldn't be something we would do by notice of motion and  
13 have a return date. The same would be true for any sort  
14 of mistrial motion or directed verdict motion. Mr. Robert  
15 is the CPLR expert, but certainly in my experience those  
16 wouldn't be done -- you wouldn't do a directed verdict  
17 motion by notice of motion, so that it would be heard a  
18 week later; or a mistrial motion --

19 THE COURT: Right.

20 MR. KISE: -- or evidentiary motion or those  
21 things. So I just want to comply fully with Your Honor's  
22 order. I want to make sure that I understand how we are  
23 supposed to manage that, to the extent that we have such  
24 motions.

25 Same would be true with respect to any appeal we

1 filed, or any other thing we filed. I assume if -- I  
2 think it is fair to presume based on the colloquy we had  
3 on Friday, that should any of the matters that have come  
4 up that are the subject of the gag order, be the -- become  
5 the subject of an appeal, that we would be free to  
6 reference them on appeal. There wouldn't be any  
7 restriction on that.

8 THE COURT: Yes, true, agree.

9 MR. KISE: And we will take your direction. I  
10 am not putting you on the spot. You can give us your  
11 direction this evening. But I just want to -- it just  
12 seemed very foreign to me, and Mr. Robert can speak to  
13 this, that if we were to have a directed verdict motion or  
14 mistrial motion or evidentiary motion or anything to do  
15 with the subject matter of the gag order that would  
16 include that, those wouldn't be by way of notice of motion  
17 ordinarily.

18 I just don't know how we would do that, because  
19 we would be asking the Court to rule on something days  
20 hence that are more immediate.

21 Mr. Robert can speak to the CPLR.

22 MR. ROBERT: I think Mr. Kise said it succinctly  
23 and well. When and if the plaintiff rests their case,  
24 there will be certain motions I presume we will make. And  
25 at that time there would be oral motions. And some of the

1 issues contained within your gag order of Friday may be  
2 items that need to be referenced in that application. We  
3 just wanted to make sure under your order, since there  
4 will be no written motion papers with those, that we are  
5 free to address those on the record with the Court at that  
6 time. Because there is really no -- there is no other  
7 mechanism that I am aware of in New York to be able to  
8 bring that up to you.

9 MR. KISE: Or would you prefer us to submit a  
10 letter and only make the oral presentation brief?  
11 Whatever Your Honor's pleasure is there. But we want to  
12 understand what the limits are because the order as  
13 written, and I appreciate the clarification over the  
14 weekend, but as written it is restrictive.

15 (The following proceedings were stenographically  
16 recorded by Senior Court Reporter Michael Ranita.)  
17

19

21

1           THE COURT: Yes, I'm restricting you not bringing  
2 up my confidential communications. You could do anything  
3 else. I don't think the gag order referred to anything  
4 else.

5           MR. KISE: But in terms of a motion, if we file a  
6 motion that is directed to that particular relief, like, for  
7 example, a motion for reconsideration, or anything like  
8 that, we have to reference the subject matter in whatever we  
9 are filing, whether we are viewing it on the record here or  
10 whether we are submitting it by letter, but by notice of  
11 motion; there's not a procedural mechanism to do that.

12          THE COURT: If we are just talking about motions,  
13 requests, decisions about my confidential communications,  
14 I'm prohibiting you from mentioning that. Okay, you could  
15 appeal it, but I am 1,000 percent convinced, and you don't  
16 have any right or reason to complain about my confidential  
17 communications. You could appeal that.

18          MR. KISE: But, your Honor, so let me just be  
19 clear. So if we have matters that you may not be aware of  
20 that relate to that subject matter, it doesn't relate to  
21 the, necessarily, the communications themselves, it's not  
22 the notes.

23          MS. HABBA: Not the notes, your Honor.

24          MR. KISE: But to the issues surrounding that  
25 procedure, are you saying that you have already decided

1 before we make the motion that you will deny it without  
2 having seen it? I just -- because I can't make them -- I  
3 just need to know, because ordinarily I would either include  
4 it in some sort of motion for your Honor so that at least  
5 you could see the basis for it and then make your  
6 determination; that's all.

7 THE COURT: I'll take you up on your kind offer to  
8 think about this, take this under advisement. Obviously I  
9 think these other things that I think you are referring to,  
10 that's a different story.

11 MR. KISE: Right. It would just be with respect to  
12 the implications. It's not referring anymore to -- I  
13 understand the record that you've established, you said that  
14 we've established, and I understand your order in that  
15 regard, but with respect to appeal, I understand you clearly  
16 on that, that we have the right to do that. And with  
17 respect to anything we file here, it would only be  
18 referencing those issues in the context of a motion directed  
19 at relief with specific arguments that are related to that,  
20 not to do with the content of the notes themselves, at all.

21 THE COURT: No, it's not even the content. I am  
22 prohibiting you, or I have already, from referencing my  
23 confidential communications. Sorry to keep repeating that  
24 phrase. But I feel it's important for the safety of my  
25 staff and the orderly progression of this case.

1 MR. KISE: Of course. But if we were, for example,  
2 to move for a mistrial based on the implications of that, we  
3 would need to at least reference the subject matter in order  
4 to file that motion. There's no way to file that motion  
5 without referencing the subject matter. We don't --

6 THE COURT: Don't file that motion, Chris.

7 MR. KISE: Well, again, so we can't file the motion  
8 that you haven't seen that couldn't be considered. You may  
9 not know what it is that is our position, because I don't  
10 think our position has -- I certainly haven't said it  
11 anywhere out loud, and I don't intend to.

12 THE COURT: Appreciate that.

13 MR. KISE: But I think there's something that  
14 warrants the Court's attention with respect to the  
15 implications of these issues. And you are free, then, to  
16 adjudicate them. But I would think we can't be respectfully  
17 precluded from raising the issue in the first instance; that  
18 would seem to put us in a position where we are not entitled  
19 to advance our client's due process rights.

20 If there is something that we think implicates the  
21 proceeding, we have to at least put it in the record for the  
22 Court to consider. And if you consider it and reject it,  
23 that's fine. But you can't, respectfully, reject it before  
24 you've seen it. Because you haven't heard it from me either  
25 on the record or otherwise.

1 THE COURT: I'm, in some ways, at a disadvantage in  
2 this discussion, because I don't know what you are going to  
3 bring up.

4 MR. KISE: Correct.

5 THE COURT: I told you what not to bring up.  
6 Anything else you want to bring up.

7 MR. ROBERT: For clarification purposes, then, is  
8 it the direction and order of this Court that if we were to  
9 move for a mistrial based on the grounds that are subject to  
10 the gag order, that we are directed not to make such a  
11 motion.

12 THE COURT: Can you repeat that.

13 (Whereupon, the requested testimony was read back  
14 by the court reporter.)

15 THE COURT: Yes. I'm directing you not to make  
16 such a motion because I'm entitled to do what you're  
17 referring to, the only subject matter of the gag order.

18 MR. KISE: But that --

19 THE COURT: I'm going to protect my staff.

20 MS. HABBA: Your Honor --

21 MR. KISE: I understand that, your Honor, but that  
22 would -- the fact that it is taking place is not necessarily  
23 the subject of the motion.

24 MS. HABBA: Okay. I'll be more clear, if I may. I  
25 think they are being extremely careful, and it's causing

1       confusion, your Honor, so don't sanction me. I'm doing this  
2       in the most delicate way possible.

3               I personally -- we know that we, obviously, are  
4       going to be moving for a mistrial. There's no, you know,  
5       that is part of the plan. We do not want to put anyone at  
6       risk, which is what they are trying to get at.

7               I -- outside in the way I read your order, which is  
8       different than they do, I think that you are specifically  
9       speaking about the contents of your notes being  
10      confidential, and that is what we are not to talk about; is  
11      that correct?

12              THE COURT: Not just the contents of the notes,  
13      which I assume you don't know, but the fact that they exist.

14              MS. HABBA: Okay.

15              THE COURT: That's my business, not yours.

16              MS. HABBA: So outside of the notes, your Honor,  
17      other issues have come to our attention. Are we allowed to  
18      address anything outside of the notes? Because they haven't  
19      been addressed with the Court, and I think that's the  
20      clearest way to ask your Honor, what we are asking, which is  
21      we need to have an opportunity to be heard on those things  
22      that have not been yet heard.

23              THE COURT: Give me a second to have a confidential  
24      communication.

25              MS. HABBA: That's fine, your Honor. That's fine.

1 (Laughing.)

2 THE COURT: Okay. How's this: I think this is  
3 fair, and I understand your concerns. You can make that  
4 motion, Ms. Habba.

5 MS. HABBA: Thank you.

6 THE COURT: And I'm sorry I yelled at you before.

7 MS. HABBA: We will do it in a very delicate  
8 manner.

9 THE COURT: Okay. But it has to be in writing. I  
10 don't want to hear it in front of hundreds of people --

11 MS. HABBA: All right.

12 THE COURT: -- at this point. Later on we could  
13 see, but yeah, you could make that motion.

14 MS. HABBA: Thank you.

15 MR. KISE: So we should submit that just by letter  
16 then, because notice of motion for a mistrial doesn't  
17 function that way.

18 THE COURT: Yeah. Do it by order to show cause,  
19 please. You could make it as quick as you can.

20 MR. KISE: We could do that.

21 MS. HABBA: That's great.

22 MR. KISE: Mr. Robert --

23 MR. ROBERT: I've never seen an application for a  
24 mistrial done by order to show cause on paper like that, but  
25 as long as the order to show cause is signed by the Court, I

1 don't see a problem with it.

2 THE COURT: I'm not sure that that -- I guess  
3 that --

4 (Whereupon, there is a brief pause in the  
5 proceedings.)

6 THE COURT: Submit an OS -- proposed OSC. It's not  
7 an order until the judge signs it. Mr. Robert knows that.  
8 Submit a proposed OSC to me and I'll get right to it and  
9 make a quick return.

10 MS. HABBA: Okay.

11 MR. KISE: And we can include in there the  
12 rationale for the Court.

13 THE COURT: Yes.

14 MS. HABBA: Thank you.

15 MR. ROBERT: Thank you, Judge.

16 THE COURT: See. I knew it would be a lovefest.

17 MR. KISE: Thank you, Judge.

18 THE COURT: I've used that line before, but some of  
19 you haven't heard it yet.

20 Anything the plaintiff wants to say?

21 MR. WALLACE: I guess it would be helpful for the  
22 people to clarify the rest of the week. We have Ivanka  
23 Trump testifying on Tuesday -- Wednesday after the Tuesday  
24 holiday. I imagine it could be 3:00 or it could be the full  
25 day, but I imagine that means the defendants are calling

1 witnesses on Thursday and Friday, and so it would be  
2 helpful --

3 MR. KISE: We are off Friday.

4 THE COURT: We are off Friday.

5 MR. WALLACE: May I say, witnesses will be called  
6 next by the defendants starting on Thursday, and it would be  
7 helpful to know what the order would be. I understand it  
8 may be Donald Trump, Jr. and Eric Trump, but I don't know if  
9 they are going Thursday or --

10 MR. KISE: So we had held -- again, we'll do --  
11 I'll take the Court's direction. So we had held Thursday,  
12 as a spillover day, in the event that President Trump needed  
13 to come back, as agreed, or in the event it's possible that  
14 Ivanka Trump was hold over. We are certainly going to ask  
15 her questions, to the extent we have questions. We are  
16 trying to get that done now so as to minimize the  
17 interference in her life to not have to come back again.  
18 And then thereafter we would likely be making certain  
19 motions on Thursday.

20 So we had planned to -- because of that, to ask the  
21 Court that we would just -- to keep this organized, to begin  
22 our case in chief on Monday, that way we are not starting a  
23 case with an hour left on Thursday or two hours left on  
24 Thursday, to just begin our case in chief on Monday.

25 We do have -- this may -- it certainly was pleasant

1 news for me. We do have a schedule now that has us  
2 completing our case, right now, by December 15th.

3 THE COURT: A week early.

4 MR. KISE: A week early. I don't want to hold to  
5 that, because nothing ever gets done on time here, but I'm  
6 offering that because we could still stay in the Court's  
7 parameters, if not sooner, even if we start on Monday. So  
8 that -- we can start on Thursday, but then that would be a  
9 different witness. That's likely to be a witness different  
10 than Don Jr. or Eric, and that's what I meant in my  
11 communications with Mr. Wallace over the weekend, which we  
12 had been communicating about witness order.

13 If we are going to start on Thursday, particularly  
14 Thursday afternoon, we are gonna to have to see availability  
15 and we could tell them. It would be certainly among the  
16 handful of witnesses that we have at the top, and I could  
17 give more clarity on that this evening, but I would just ask  
18 the Court that for efficiency purposes, and given this is a  
19 long trial, that we just start -- so we don't run into the  
20 train wreck of spillover and motions going on, that we just  
21 start on Monday.

22 THE COURT: You know, you said in a certain  
23 context, "nothing ever finishes on time", or something.  
24 I've been meaning to thank and congratulate all the lawyers  
25 for the fact that we managed to start this trial on

1       October 2nd, come hell or high water, written in stone, and  
2       you did a Herculean job to get this ready. I hope you  
3       think, although you are rushed, although you were pressed,  
4       you had enough time and there was no deprivation of due  
5       process, shall we say.

6               And same thing for the plaintiff's attorneys. It  
7       was an amazing job to get as far as we've gotten in the time  
8       we have.

9               All right. Let's try to figure out exactly what we  
10      are going to do.

11              MR. WALLACE: I -- your Honor, I would just ask  
12      Chris, if you could, and we won't hold you to it, but give  
13      us that lineup that gets you to the finish line of your case  
14      by December 15th.

15              MR. KISE: I can.

16              MR. WALLACE: We would appreciate that. I don't  
17      know if we are going to have a rebuttal case. I don't know  
18      what is going to go on, so do we finish by December 22nd, we  
19      do, we will, but --

20              MR. KISE: It would be on them, not me.

21              MR. WALLACE: If they could just provide us with  
22      the order of witnesses that they think gets --

23              MR. KISE: We could provide a tentative order, but,  
24      again, with all your case as well, witnesses change and  
25      schedules change. We could provide a tentative order that

1 would get us to that place, and even starting on the Monday.

2 THE COURT: Let's be very exact here. With  
3 basically through today, once we finish this discussion, all  
4 right, what's going to happen Wednesday morning?

5 MR. WALLACE: Wednesday morning the People will  
6 call Ivanka Trump.

7 THE COURT: Right. How long -- I'm asking both  
8 sides. How long will her total testimony, at this point,  
9 take? A day? A day and a half? Less than a day?

10 MR. WALLACE: Two to three in the afternoon we  
11 would expect to be completed with her examination, your  
12 Honor.

13 MR. KISE: If that's the case, then we will almost  
14 certainly go to at least through the morning on Thursday, on  
15 the next day.

16 THE COURT: Okay.

17 MR. KISE: At least we'll have an hour plus another  
18 two hours in the morning. So we would -- depending on what  
19 they ask it may go longer than that; it may not. But we'll  
20 at least be moving well into Thursday, as it stand now based  
21 on their representation. And then we would have motions in  
22 the afternoon.

23 THE COURT: And how long do you think the motions  
24 will take?

25 MR. KISE: That could take --

1 THE COURT: That could take a long time?

2 MR. KISE: That could take the balance of the  
3 afternoon, yes.

4 THE COURT: Plaintiff, does that sound reasonable  
5 to you?

6 MR. WALLACE: I'm having a hard time imagining  
7 meritorious motions that would require that much time to  
8 discuss.

9 MR. KISE: Of course.

10 MR. WALLACE: But that's fine, I think, from our  
11 perspective.

12 THE COURT: The question isn't whether they are  
13 meritorious. The question is how long they'll take.

14 MR. WALLACE: I know.

15 THE COURT: Mr. Kise, I think your schedule makes  
16 sense.

17 MR. KISE: Thank you, Judge.

18 THE COURT: Make your motions Thursday after  
19 Ivanka is finished, and you'll be ready to go the following  
20 Monday.

21 MR. KISE: Yes, your Honor. We'll provide them  
22 maybe as soon as this evening. In fact, probably this  
23 evening, that tentative schedule.

24 THE COURT: We would like a copy of that list, too.

25 MR. KISE: Okay, yes. We could provide that to the

1 court, your Honor. Again, not holding us to it, because  
2 things change and witness's schedules come and go.

3 THE COURT: Of course.

4 MR. KISE: But we could at least provide something.  
5 And I would like to not file that on the record. We could  
6 provide it to the Court, but not have that out there,  
7 because this --

8 THE COURT: Let's assume that, but possibly  
9 revisit. I'm still waiting for you to say that your motion  
10 or motions on Thursday might be granted. You might not have  
11 to put on a defense.

12 MR. KISE: Well, I certainly hope so.

13 MS. HABBA: So do I, your Honor.

14 MR. KISE: I think there is a basis for it, and we  
15 would all be happier for it. Almost all of us.

16 MS. HABBA: I could make my application now for you  
17 to dismiss this entire case.

18 THE COURT: Save it for Thursday.

19 MR. KISE: My family certainly would be happy. I  
20 could assure you of that.

21 MR. WALLACE: Procedurally, we haven't rested, so  
22 they can't make the motion for a directed verdict yet.

23 THE COURT: Everybody have a great Election Day and  
24 don't forget to vote.

25 MR. KISE: Thank you, Judge.

1 THE COURT OFFICER: Everybody remain seated.

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cell phones are on silent. Laptops and cell  
4 phones will be permitted, but only to the members of the  
5 press. There absolutely no recording or photography of any  
6 kind allowed in the courtroom. Now be seated and come to  
7 order.  
8 THE COURT: Plaintiff, would you like to call your  
9 next witness?  
10 MR. SOLOMON: Yes Good morning, your Honor The  
11 people call Ivanka Trump.  
12 THE COURT: Who's she?  
13 MR. KISE: You know, while we're waiting, I could  
14 get used to this every other day thing.  
15 THE COURT: I think you are speaking for all of us.  
16 Are you going to go back down to Florida the Wednesday  
17 before Thanksgiving?  
18 MR. KISE: Not enough to do that, but still, having  
19 the every other day.  
20 THE COURT: But your day off, do you work or do you  
21 play?  
22 MR. KISE: Unfortunately, looking outside of  
23 yesterday's weather, yeah. I stayed in the window.  
24 THE COURT OFFICER: Witness entering.

2 THE COURT OFFICER: Please raise your right hand  
3 (The witness complied.)  
4 THE COURT OFFICER: Do you solemnly swear or affirm  
5 that any testimony you give will be the truth, the whole  
6 truth and nothing but the truth?  
7 THE WITNESS: I do.  
8 THE COURT OFFICER: Please have a seat.  
9 THE WITNESS: Thank you.  
10 I V A N K A T R U M P, called by and on behalf of the  
11 Plaintiff, having been first duly sworn, was examined and  
12 testified as follows:  
13 THE COURT OFFICER: Please state your name and  
14 either home or business address for the record.  
15 THE WITNESS: Good morning. Thank you.  
16 Ivanka Trump, and it's 36 Indian Creek, Indian  
17 Creek Village, Florida 33154.  
18 THE COURT: Mr. Solomon, please proceed.  
19 MR. SOLOMON: Thank you, your Honor.  
20 DIRECT EXAMINATION  
21 BY MR. SOLOMON:  
22 Q Good morning.  
23 A Good morning.  
24 Q I would like to start by briefly going through your  
25 background. Did you graduate from Wharton in 2004?

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3662</p> <p>1 A I did.</p> <p>2 Q And did you receive a bachelor of arts in real estate</p> <p>3 and finance?</p> <p>4 A I did.</p> <p>5 Q Do you have any postcollege formal education?</p> <p>6 A I had some licensures in the real estate business, a</p> <p>7 salesperson's license. And at one point a gaming license in the</p> <p>8 state of Nevada, or in the state of New Jersey, sorry.</p> <p>9 Q Thank you.</p> <p>10 After graduation, did you start working at Forest City</p> <p>11 Ratner?</p> <p>12 A I did.</p> <p>13 Q And for how long did you work there?</p> <p>14 A I worked there a little over a year.</p> <p>15 Q Okay.</p> <p>16 And after you left Forest City, did you start working</p> <p>17 for The Trump Organization?</p> <p>18 A I did.</p> <p>19 Q At some -- so this was approximately the 2006 time</p> <p>20 period?</p> <p>21 A It was.</p> <p>22 THE COURT: Hold on. Let me just ask the witness.</p> <p>23 Good morning, by the way.</p> <p>24 THE WITNESS: Good morning.</p> <p>25 THE COURT: These microphones are very</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3664</p> <p>1 and I -- and I proved myself within the context of the</p> <p>2 organization, I was given more responsibilities.</p> <p>3 Q I would like to focus, though, on the period roughly</p> <p>4 2011 until the time you left?</p> <p>5 A Okay.</p> <p>6 Q What were your specific responsibilities in the</p> <p>7 organization?</p> <p>8 A Well, alongside my brothers, we worked on various</p> <p>9 components of the business at the Trump Organization, some of it</p> <p>10 administrative, others -- for me, specifically, I was very</p> <p>11 focused on the redevelopment of the old Post Office building on</p> <p>12 Pennsylvania Avenue, and Trump Doral in Florida. And I spent an</p> <p>13 enormous amount of my time shepherding those two projects</p> <p>14 through their redevelopment. And obviously there were license</p> <p>15 deals that were happening at the time I was at the Trump</p> <p>16 Organization and -- during the time period you reference, um,</p> <p>17 and miscellaneous other things. But the majority of my time was</p> <p>18 spent in those areas.</p> <p>19 Q You mentioned Doral; that's the golf course down in</p> <p>20 Florida?</p> <p>21 A Correct, yes.</p> <p>22 Q When The Trump Organization purchased Doral, was it</p> <p>23 something that is known as a transitional asset?</p> <p>24 A When we purchased Doral, it was, um, part of a</p> <p>25 collection of properties that had fallen into disrepair. The</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3663</p> <p>1 temperamental. You have to speak right into them loudly. I</p> <p>2 think they probably heard everything except maybe that last</p> <p>3 answer.</p> <p>4 THE WITNESS: Thank you.</p> <p>5 THE COURT: Great. Please continue.</p> <p>6 Q At some point in time did you become an executive vice</p> <p>7 president at the Trump Organization?</p> <p>8 A I did.</p> <p>9 Q And did you continue working for The Trump Organization</p> <p>10 until approximately January 2017?</p> <p>11 A That's correct, yes.</p> <p>12 Q From let's say until 2011, until the time you left,</p> <p>13 what were your responsibilities at the Trump Organization?</p> <p>14 A Well, they varied and evolved as my experience grew.</p> <p>15 When I first started in the company I was just shortly out of</p> <p>16 college. I had worked as, you had mentioned, for Forest City</p> <p>17 Ratner, another developer, for a year or so, um, helping them on</p> <p>18 construction related projects, specifically a project in</p> <p>19 Yonkers.</p> <p>20 When I joined our family business, I initially started</p> <p>21 -- probably spent most of my time under Andy Weiss, who was,</p> <p>22 then, our head of development and construction, but I moved</p> <p>23 around within the organization to cut my teeth on various</p> <p>24 elements of the business.</p> <p>25 So over time, as I had more experience under my belt</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3665</p> <p>1 portfolio was in bankruptcy and we purchased it out of</p> <p>2 bankruptcy. Um, it was in rather poor condition. We invested</p> <p>3 an enormous amount of money in repositioning the asset and</p> <p>4 redeveloping it, so we were transitioning it in that regard from</p> <p>5 a, um, really three-star golf resort and property to a much more</p> <p>6 elevated experience for the guests.</p> <p>7 Q Do you know what the term "transitional asset" means in</p> <p>8 the real estate world?</p> <p>9 A Um, did he have -- I can guess what it would mean, but</p> <p>10 we were -- it was transitioning from what it was under its prior</p> <p>11 ownership owned by Marriott to what our vision was for the</p> <p>12 property.</p> <p>13 Q I was asking more generally, not necessarily specific</p> <p>14 to Doral.</p> <p>15 Have you heard the term transitional asset in your</p> <p>16 experience?</p> <p>17 A Yes, I have.</p> <p>18 Q What do you understand that to be?</p> <p>19 A What I just described we did for Doral.</p> <p>20 Q All right.</p> <p>21 Are you familiar with GAAP, Generally Accepted</p> <p>22 Accounting Principles?</p> <p>23 A I'm generally familiar with GAAP, yes.</p> <p>24 Q What is your understanding of GAAP?</p> <p>25 A You had asked me with that when we had met a little</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3666</p> <p>1 over a year and a half ago. What I told you then is true now, 2 that I hadn't thought about GAAP as much since college. So, um, 3 it's -- my understanding is very general. I'm not an 4 accountant, but I recall being exposed to this idea when I was 5 in university. 6 Q Okay. 7 Other than any accounting classes you may have taken 8 back in university, had you had experience with GAAP in your 9 professional career? 10 A You had showed me one document that referenced GAAP, 11 GAAP principles, but no, not that I can recall beyond that. 12 Q Have you performed any work for The Trump Organization 13 since 2017? 14 A I don't believe so, no. 15 Q Between January 2017 and the present, did you have any 16 financial interest in the old post office in Washington, D.C.? 17 A Between when? 18 Q January 2017 and the present? 19 A Yes. 20 Q Could you please describe that financial interest? 21 A I had a profit participation in the project. 22 Q What do you mean by "participation in the project"? 23 A What I just said. I had a profit participation in the 24 project in the event of a sale, all of which was disclosed when 25 I entered government.</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3668</p> <p>1 um, from a variable stream of income, based on how the assets 2 performed, to a fixed income, which I did at their suggestion. 3 And, you know, that's the last I know. 4 Q Other than -- excuse me, between January 2017 and the 5 present, have you received any other payment from The Trump 6 Organization, other than what you've described with respect to 7 the Old Post Office and TTT Consulting? 8 A No, I don't believe so. 9 Q I would like to talk about the Trump Organization's 10 relationship with Deutsche Bank. Are you familiar with Deutsche 11 Bank? 12 A I am, yes. 13 Q Prior to 2011, was Deutsche Bank a lender on any of the 14 Trump Organization's projects? 15 A Yes. I believe that they had done the initial 16 construction loan on Trump Chicago, that that predated my 17 involvement of the company. 18 Q So that's the property, the Trump International Hotel 19 and Towers in Chicago? 20 A Correct, yes. 21 Q And was that relationship through the Commercial Real 22 Estate Group at Deutsche Bank? 23 A You identified for me, um, a year ago when we met that 24 it was. 25 MR. KISE: Your Honor, I just want to put on the</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3667</p> <p>1 THE COURT: Hold on. I think the trick may be to 2 move the microphone closer to you, because I know you can't 3 get that close to the table. 4 THE WITNESS: I'm sorry. I wonder if I could make 5 the cord longer. Thank you. 6 THE COURT: And obviously keep your voice up. 7 THE WITNESS: Let me know if it's better. 8 THE COURT: Please continue. 9 Q Thank you, your Honor. 10 Between January 2017 and present, have you had any 11 financial interest in TTT Consulting? 12 A TTT? Um -- 13 MR. KISE: Objection. Relevance. 14 MR. SOLOMON: Payments by the defendant 15 organization can go to show witness bias, your Honor. 16 THE COURT: Overruled. 17 A Yeah, I had an interest in that consulting agreement, 18 but I don't think that there have been any recent payments from 19 it. 20 Q Do you recall any payments between January 2017 and the 21 present as a result of your interest in TTT Consulting? 22 A I recall that when I went into government, in 23 consultation, at the suggestion of the Office of Government 24 Ethics, I had to resign from many assets and entities, put 25 others into trust, and as it pertained to that one, convert it,</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3669</p> <p>1 record, as we do with other witnesses, a standing objection 2 to these questions that predate the statute of limitations. 3 THE COURT: Understand. Overruled. 4 Q Okay. 5 When we met in August of 2022 for your testimonial 6 session -- 7 A Yes. 8 Q -- I had shown you some documents. Do you recall that? 9 A Yes, I do. 10 Q Based upon those documents, did you understand that the 11 relationship that The Trump Organization had prior to 2011 with 12 Deutsche Bank was through the Commercial Real Estate Group? 13 A I did, yes. 14 Q Okay. 15 And were those loans secured by a mortgage on the 16 underlying real property in Chicago? 17 A I believe so, yes. 18 Q To your knowledge, was there any guaranty provided on 19 those loans for the Chicago property? 20 A I don't know. 21 Q Are you aware of any? 22 A I'm not sure. 23 Q You are not sure if you are aware of any? 24 A No, I'm not sure if there was -- I was answering your 25 question. I'm not sure if there was a guaranty that predated my</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3670</p> <p>1 involvement in the company, those loans.</p> <p>2 Q I understand. As you sit here today, do you have any</p> <p>3 knowledge about any guaranty on the Chicago loan prior to 2011?</p> <p>4 A No, I have no knowledge.</p> <p>5 Q Did there come a time that you were introduced to</p> <p>6 someone in the Private Wealth Management Group at Deutsche Bank?</p> <p>7 A Yes.</p> <p>8 Q Was that Rosemary Vrablic?</p> <p>9 A It was, yes.</p> <p>10 Q Who made that introduction?</p> <p>11 A My husband, Jared.</p> <p>12 Q When was that?</p> <p>13 A Roughly 2010 or 2011.</p> <p>14 Q Was that during the time that the Trump Organization</p> <p>15 was seeking financing for the Doral loan?</p> <p>16 A It was, yes.</p> <p>17 Q At that time, what benefit, if any, did you understand</p> <p>18 that the Private Wealth Management Group could provide to the</p> <p>19 Trump Organization as compared to its existing relationship with</p> <p>20 the Commercial Real Estate Group?</p> <p>21 A I don't think I ever made that comparison. I didn't</p> <p>22 have an existing relationship with the Commercial Real Estate</p> <p>23 Group, and I had heard that Rosemary was a very formidable</p> <p>24 banker with a lot of experience and a great person to have a</p> <p>25 relationship with, and I was excited to show her an opportunity</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3672</p> <p>1 A Yes.</p> <p>2 Q Could you explain what a "stalking horse bidder" is?</p> <p>3 A We were afforded the opportunity, within a finite time</p> <p>4 period, to put forth a bid for the property. The portfolio, I</p> <p>5 believe it was four other assets, including Doral, five, was</p> <p>6 going through a restructuring, and part of the plan of</p> <p>7 reorganization was to sell one of the assets and create some</p> <p>8 liquidity for, I guess, the portfolio.</p> <p>9 So I got a call under -- I believe it was the ninth</p> <p>10 month of pregnancy with my now oldest child, my daughter</p> <p>11 Arabella, so over 12 years ago saying that we had an opportunity</p> <p>12 to be the stalking horse bidder if we could move quickly.</p> <p>13 Q Okay.</p> <p>14 After that selection, did you, on behalf of the Trump</p> <p>15 Organization, attempt to obtain financing for the potential</p> <p>16 purchase of Doral?</p> <p>17 A Yes, we did.</p> <p>18 Q Was it The Trump Organization's intention, at that</p> <p>19 time, to renovate Doral if they were successful in obtaining</p> <p>20 financing?</p> <p>21 A Well, I think it was or intention, regardless, to</p> <p>22 renovate Doral. At one point we had explored doing the project</p> <p>23 with just available cash on hand at the company rather than have</p> <p>24 any financing, but the reason we bought the property was because</p> <p>25 we believed in its potential to be something better than it was</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3671</p> <p>1 that we were very passionate about, um, to explore working</p> <p>2 together on the project.</p> <p>3 Q Did you understand that the Private Wealth Management</p> <p>4 Group could provide different loan terms than the Commercial</p> <p>5 Real Estate Group?</p> <p>6 A I don't know that I thought about that. This was the</p> <p>7 first time I had been introduced with Rosemary so, I showed her</p> <p>8 the project. I didn't make assumptions about what her terms</p> <p>9 would be, but when she sent us her proposal we obviously decided</p> <p>10 to proceed with her moving forward.</p> <p>11 Q Do you recall if her proposal was any different than</p> <p>12 any proposal you had received from the Commercial Real Estate</p> <p>13 Group?</p> <p>14 A I'm not sure that we did receive a proposal from the</p> <p>15 Commercial Real Estate Group. You showed me a document, roughly</p> <p>16 a year and a half ago, that showed a proposal that I don't know</p> <p>17 if it was ever actually sent to us at the company. I was not</p> <p>18 familiar with it.</p> <p>19 Q Okay.</p> <p>20 Let's talk about Doral specifically. You mentioned</p> <p>21 about the bankruptcy. So let's go through that, if we can, just</p> <p>22 briefly.</p> <p>23 A Sure.</p> <p>24 Q Did there come a time that the Trump Organization was</p> <p>25 selected as the stalking horse bidder for the Doral property?</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3673</p> <p>1 under current ownership. Um, and to rebrand it, to reflag it.</p> <p>2 It was currently being run by Marriott under a management</p> <p>3 contract.</p> <p>4 We took over the management of the hotel operations,</p> <p>5 and our goal was to reposition it as a luxury golf resort in</p> <p>6 south Florida.</p> <p>7 Q In connection with potential financing, did you contact</p> <p>8 Andy Beal of Beal Bank?</p> <p>9 A Yes, I recall that.</p> <p>10 MR. SOLOMON: If I could hand up PX-1266.</p> <p>11 (Whereupon, the exhibit was displayed on the</p> <p>12 screen.)</p> <p>13 (The exhibit was handed to the witness.)</p> <p>14 A Thank you.</p> <p>15 Q You've been handed, and also up on the screen, is</p> <p>16 what's been marked as PX-1266 for identification. If you look</p> <p>17 at the bottom e-mail that's from you to Andy Beal. Do you see</p> <p>18 that?</p> <p>19 A Yes, I do.</p> <p>20 Q And further up the chain you forward it to</p> <p>21 Mr. Weisselberg, Mr. Glick, Mr. Orowitz, and Mr. Greenblatt. Do</p> <p>22 you see that?</p> <p>23 A I do, yes.</p> <p>24 Q Do you recognize this e-mail?</p> <p>25 A I recall you having showed it to me a year ago, yes.</p>

<p>1 MR. SOLOMON: We offer PX-1266 in evidence.</p> <p>2 MR. KISE: Objection.</p> <p>3 MR. ROBERT: Objection. Statute of limitations.</p> <p>4 THE COURT: Overruled. It's in.</p> <p>5 Q If you look at the last sentence in the first paragraph</p> <p>6 of your e-mail, "My father will also send you his most recent</p> <p>7 financial statement by hard mail." Do you see that?</p> <p>8 A I do, yes.</p> <p>9 Q Was that a request made by Mr. Beal for the financial</p> <p>10 statement, or were you volunteering it?</p> <p>11 A I have no recollection of this e-mail beyond you having</p> <p>12 showed it to me last year, so I'm not sure.</p> <p>13 Q Putting to one side the e-mail, do you recall that</p> <p>14 Mr. Beal actually requested a copy of Donald Trump's financial</p> <p>15 statement, or did you volunteer it?</p> <p>16 A I don't recall.</p> <p>17 Q Do you recall that Beal Bank, in connection with any</p> <p>18 potential financing, had wanted an equity interest in Doral?</p> <p>19 A I don't remember that, no. I recall -- and these were</p> <p>20 very brief conversations. We never reached a term sheet stage.</p> <p>21 We just generally showed them the opportunity, but I think as we</p> <p>22 discussed last year, two names that came to mind; one was Beal</p> <p>23 Bank. And we knew Andy Beal quite well. And another was</p> <p>24 Inbursa. My recollection is Inbursa had suggested being a</p> <p>25 partner with us in Doral, not Beal Bank, but I may be mistaken.</p>	<p>1 MR. SOLOMON: I'm sorry, it's already in evidence.</p> <p>2 MR. KISE: I think it's already in evidence, but I</p> <p>3 just want to note, as we are going down this path, relevance</p> <p>4 again.</p> <p>5 None of this relates to any of the claims actually</p> <p>6 at issue. There are no loans prior to 2014 that are the</p> <p>7 subject matter. This is a non-party witness. I'm not sure</p> <p>8 of the purpose of going through all of these.</p> <p>9 What is going to be, I'm sure, a series of</p> <p>10 documents between 2011 and 2014 that predates the statute of</p> <p>11 limitations, it can't possibly have any bearing on any claim</p> <p>12 actually at issue.</p> <p>13 THE COURT: I disagree. It remains in evidence.</p> <p>14 MR. SOLOMON: Thank you, your Honor.</p> <p>15 Q If you take a look at Mr. Harvey's cover e-mail, he</p> <p>16 states that it is a redraft of the term sheet based on our</p> <p>17 conversation today. Do you see that?</p> <p>18 A I do, yes.</p> <p>19 Q Do you have any reason to doubt that you had a</p> <p>20 conversation with him on or about November 15th, 2011?</p> <p>21 A No, I don't.</p> <p>22 Q If you look at the second page of this exhibit.</p> <p>23 (Whereupon, the exhibit was displayed on the</p> <p>24 screen.)</p> <p>25 Q The interest rate is LIBOR plus 5.5 percent. Do you</p>

<p>1 There may have been -- it may have been the opposite way.</p> <p>2 Q Let's leave Inbursa off to the side for a moment --</p> <p>3 A Sure.</p> <p>4 Q -- and stay focused on Beal Bank.</p> <p>5 Are you aware of any relation -- any relationship</p> <p>6 between Beal Bank and CSG Investments?</p> <p>7 A CSG Investments? Um, that -- that acronym sounds</p> <p>8 familiar, but I don't recall what it is.</p> <p>9 Q Let me show you a document it's already in evidence, so</p> <p>10 I have a copy to hand up to the witness, PX-3232?</p> <p>11 (Whereupon, the exhibit was displayed on the</p> <p>12 screen.)</p> <p>13 (The exhibit was handed to the witness.)</p> <p>14 THE WITNESS: Thank you.</p> <p>15 Q And this is an e-mail from Steve Harvey, to you, dated</p> <p>16 November 15th, 2011.</p> <p>17 A Mm-hmm.</p> <p>18 Q Did you receive this e-mail in or about November of</p> <p>19 2011?</p> <p>20 A I don't recall this e-mail, no.</p> <p>21 Q Do you have any reason to believe you did not receive</p> <p>22 it?</p> <p>23 A No, I don't.</p> <p>24 MR. SOLOMON: We offer it in evidence, your Honor.</p> <p>25 MR. KISE: Objection.</p>	<p>1 see that?</p> <p>2 A I do, yes.</p> <p>3 Q Do you recall if that was the rate you had discussed</p> <p>4 with Mr. Harvey?</p> <p>5 A No, I don't recall.</p> <p>6 Q Do you have any reason to believe this term sheet does</p> <p>7 not accurately reflect your conversation with Mr. Harvey?</p> <p>8 A Well, I don't recall my conversation with Mr. Harvey,</p> <p>9 so I don't know one way or the other. I have no reason to</p> <p>10 believe it doesn't reflect it.</p> <p>11 Q Okay.</p> <p>12 MR. SOLOMON: I'm going to hand to the witness</p> <p>13 PX-3247, which is already in evidence.</p> <p>14 (Whereupon, the exhibit was displayed on the</p> <p>15 screen.)</p> <p>16 (The exhibit was handed to the witness.)</p> <p>17 THE WITNESS: Thank you.</p> <p>18 Q This is an e-mail chain between you and Ronnie Levine</p> <p>19 and Ralph Herzka. Do you see that?</p> <p>20 A No. I think --</p> <p>21 Q I think I may have a different exhibit.</p> <p>22 MR. SOLOMON: I'm on the wrong one.</p> <p>23 Q You have the right one, ma'am. This is an e-mail</p> <p>24 between you, at the bottom, and Enrique E. Morelos Zaragoza</p> <p>25 Borbolla. I apologize if I mangled the pronunciation.</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3678</p> <p>1 Is this the potential transaction you were discussing 2 with Inbursa? 3 A Yes. This is with Inbursa. 4 Q If you look at the bottom of the first page, second 5 paragraph, "Attached for your review is a markup of your term 6 sheet." 7 Do you see that? 8 A I do, yes. 9 Q And if you turn, beginning on the third page -- 10 (Whereupon, the exhibit was displayed on the 11 screen.) 12 Q -- there appears to be a markup of an Inbursa term 13 sheet? 14 A Yes. 15 Q Is that your markup of his term sheet as reflected in 16 the cover e-mail? 17 A I don't recall, sitting here today, any of these terms 18 from 2011. We didn't move forward with the deal with them, so I 19 have no reason to believe it's not. But I don't remember having 20 these conversations other than very high level. 21 Q If you look on the third page of the exhibit, which is 22 the first page of the term sheet, "Indicative Rates, one month 23 LIBOR plus 550 basis points." 24 Do you see that? 25 A Which page were you on?</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3680</p> <p>1 MR. SOLOMON: If we could hand to the witness 2 PX-3243 which is already in evidence. 3 (Whereupon, the exhibit was displayed on the 4 screen.) 5 (The exhibit was handed to the witness.) 6 Q And I was on the wrong page earlier, now on the right 7 page. This is an e-mail chain between you and Ronnie Levine and 8 Ralph Herzka; do you see that? 9 A I do, yeah. 10 Q They were with Meridian Capital or were with Meridian 11 Capital at that time; correct? 12 A I hadn't remembered Ronnie Levine, but you had reminded 13 me that he worked at Meridian. Ralph I remember. 14 Q Do you see the first sentence in your e-mail on the 15 very top from November 1st, 2011? You state, "I actually spoke 16 to Tom Harrison at Colony today." And then it goes on. Do you 17 see that? 18 A I do, yes. 19 Q Do you recall speaking with anyone at Colony in 20 potential financing for Doral? 21 A There was a point in time when Colony was going to be 22 our equity partner in the project, not on the debt side, but as 23 our partner in -- actually, you know what, that was OPO, so this 24 was -- I don't recall, because there was also Tom Harrison, but 25 I don't recall having spoken to him about Doral. But I do</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3679</p> <p>1 Q The third page of the exhibit, page three of 14? 2 A Okay. 3 Q Under "Indicative Rates." 4 A Yes. 5 Q It's highlighted on the screen. That is something I 6 did not strike; correct? 7 A It's not struck here, no. 8 THE COURT: Let me just suggest. It's often easier 9 to see it on the screen because they highlight what they 10 want you to look at. 11 THE WITNESS: Thank you. I appreciate it. 12 THE COURT: But either way. What were you -- 13 nothing. Go ahead. 14 Q At this time, were you also communicating with Meridian 15 Capital as a potential broker for the financing of the Doral 16 acquisition? 17 A I recall you having asked me about Meridian when we 18 met, and I had forgotten that we had conversations with them. I 19 don't believe we had ever engaged them. I don't recall having 20 done that. But it wasn't uncommon for us to ask people in the 21 market what their thoughts were as we were looking at things. 22 But I don't recall that we actually formerly engaged them. 23 Q But you had conversations with them; correct? 24 A Yeah, you reminded me of that, yes. 25 Q Okay.</p>	<p>Page 3681</p> <p>1 recall having spoken to him about the Old Post Office, and we 2 actually had explored it collectively for some time, so. They 3 were happening kind of around the same time, so apologies for 4 the confusion. But no, I didn't remember speaking to him about 5 Doral. 6 Q Okay. 7 Second sentence reads, "He said that we wouldn't want 8 to do a deal with them on the debt side as they are too 9 expensive for what we'd be looking for (low teens.)" 10 A Mm-hmm. 11 Q Do you have any reason to believe that you reported the 12 conversation inaccurately to Mr. Levine and Mr. Herzka? 13 A No. 14 MR. SOLOMON: I'm going to hand up PX-1289, which 15 is not in evidence, so it's marked for identification. 16 (Whereupon, the exhibit was displayed on the 17 screen.) 18 (The exhibit was handed to the witness.) 19 THE WITNESS: Thank you. 20 (Continued on the next page.) 21 22 23 24 25</p>

<p style="text-align: right;">Page 3682</p> <p>1 Q This is an e-mail from Ronny Levine to you; do you 2 see that? 3 A I do, yes. 4 Q November 7, 2011, correct? 5 A That's what it says, yes. 6 Q And it attaches a finance memo that, according to 7 this e-mail, you discussed with him last week? 8 A It appears that way, yes. 9 MR. SOLOMON: Your Honor, we offer PX 1829 in 10 evidence. 11 MR. KISE: Objection, statute of limitations, 12 relevance. Is this going to be connected up at some point 13 to claims that are at issue? 14 THE COURT: We have been battling, shall I say, 15 over relevance in terms of the statute of limitations, for 16 example. First of all, this is not going to be a 17 comprehensive list: 18 There is no jury, so there is no prejudice. 19 This apparently will be the plaintiff's last 20 witness on their case-in-chief, right? 21 MR. SOLOMON: I believe that to be true, Your 22 Honor, but depending on what happens, we reserve the 23 right. 24 THE COURT: Of course. 25 And these documents, these discussions, I would</p>	<p style="text-align: right;">Page 3684</p> <p>1 securitization; do you see that? 2 A I do, yes. 3 Q And on the next page, based upon the information they 4 have, towards the end of the carry-over paragraph, he notes 5 that a 9 percent debt yield is "an aggressive assumption and 6 the lowest indicated of the deals above." Do you see that? 7 A I do, yes. 8 Q Do you recall in or about November of 2011 having an 9 understanding that a 9 percent debt yield is an aggressive 10 assumption with respect to potential Doral financing? 11 A No. 12 Q Do you have any reason to doubt, as stated by 13 Mr. Levine, that a 9 percent debt yield was an aggressive 14 assumption at that time? 15 A I think it would be hard for me to answer that 16 question sitting here today, all of these many years removed. 17 But just looking at the document, it appears that the example 18 he is using is a mezzanine position. This was debt not mezz, 19 so I am not sure if it is -- this is an apples to apple 20 comparison. But it says what it says. I don't remember it and 21 I don't believe we used them to secure financing. 22 Q I understand you didn't use them to secure financing. 23 Let's go back though. It is the second paragraph on the first 24 page that speaks about mezz financing, correct? 25 A The 92 million mezzanine position on the standard</p>

<p style="text-align: right;">Page 3683</p> <p>1 just like to get the whole picture, not just blind myself. 2 I am very aware of the Appellate Division's 3 statute of limitations cutoff. 4 And finally, I think that a lot of this is 5 arguably, possibly, relevant to the injunctive relief that 6 the plaintiff is requesting. 7 So that's my response to both relevance and 8 statute of limitations. So overruled. 9 That was a request to put this in evidence. 10 MR. SOLOMON: Yes, Your Honor. 11 THE COURT: I almost forgot after all of the 12 talking I did. 13 Granted, it is in evidence. 14 (Whereupon, the document referred to was deemed 15 marked for evidence as Plaintiff's Exhibit 1829 by 16 the Court.) 17 Q If you could turn to the financing memo? 18 A Yes. 19 Q Mr. Levine starts by telling you that they have 20 spoken with a wide variety of lenders regarding acquisition and 21 renovation, financing for the Doral Resort and Spa; do you see 22 that? 23 A I do, yes. 24 Q At the end of the first paragraph he goes on to 25 analyze certain information from a recent Deutsche Bank</p>	<p style="text-align: right;">Page 3685</p> <p>1 hotel, yes. 2 Q Which was sold for 80 cents on the dollar, correct? 3 A That's what it says here, yes. 4 Q Is it your understanding that the securitized portion 5 that is reflected in the chart above was also mezzanine 6 financing? 7 A I don't have an understanding beyond what I am seeing 8 here today. 9 Q Well, you testified that the 9 percent debt yield 10 related to mezz financing, and I am trying to understand where 11 you drew that from? 12 A I am just reading the document realtime, so I told 13 you that I hadn't recalled seeing it prior. 14 Q So you don't know then if the securitized portion 15 that is reflected in the chart on the first page is debt or 16 mezzanine financing, do you? 17 A No, I don't. 18 Q Did there come a time that you and Donald Trump spoke 19 with Richard Byrne, the CEO of Deutsche Bank Securities, about 20 potentially providing a loan to purchase and renovate Doral? 21 A I recall you reminding me of that discussion, but 22 I -- I didn't recall it prior. 23 Q Do you recall it now? 24 A No. I recall you showed me, I think, a letter from 25 my father to Mr. Byrne. I don't know. You just showed me a</p>

<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3686</p> <p>1 document the last time we were together.</p> <p>2 Q I am going to show you what has been marked and</p> <p>3 already entered into evidence as PX 1433.</p> <p>4 A Thank you.</p> <p>5 (Handing)</p> <p>6 Q Is that the letter you were referring to, ma'am?</p> <p>7 A Yes, I believe I was copied on it.</p> <p>8 Q Okay. If you look at the first sentence there is a</p> <p>9 reference to Donald J. Trump's recently completed financial</p> <p>10 statement. Do you see that?</p> <p>11 A I do, yes.</p> <p>12 Q And you are cced on this letter, right?</p> <p>13 A I see that, yes.</p> <p>14 Q Any reason to believe you did not receive this in or</p> <p>15 about November -- on or about November 15, 2011?</p> <p>16 A No.</p> <p>17 MR. SOLOMON: I am going to ask to mark as PX</p> <p>18 1067 for identification.</p> <p>19 (Handing)</p> <p>20 THE WITNESS: Thank you.</p> <p>21 Q This is an e-mail from you to Richard Byrne the next</p> <p>22 day, November 16, 2011; do you see that?</p> <p>23 A I do, yes.</p> <p>24 Q Does that refresh your recollection that you had</p> <p>25 conversations with Mr. Byrne about potentially financing Doral?</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3688</p> <p>1 things from years ago.</p> <p>2 THE COURT: What is our favorite saying: Sauce</p> <p>3 for the goose is sauce for the gander?</p> <p>4 Okay.</p> <p>5 Q Do you recall that before you were dealing with</p> <p>6 Rosemary Vrablic at Deutsche Bank that the commercial real</p> <p>7 estate group had proposed certain terms for the financing of</p> <p>8 the purchase of Doral?</p> <p>9 A I didn't recall that proposal, no.</p> <p>10 MR. SOLOMON: I am going to mark as PX 369 for</p> <p>11 identification.</p> <p>12 (Handing)</p> <p>13 THE WITNESS: Thank you.</p> <p>14 Q This is a Deutsche Bank document from November 21,</p> <p>15 2011. If you look at page five, there is a summary of</p> <p>16 indicative terms; do you see that?</p> <p>17 A Okay.</p> <p>18 Q It identifies the borrowers; do you see that?</p> <p>19 A I do, yes.</p> <p>20 Q Guaranties. The guaranties will be by the company</p> <p>21 and each of its direct and indirect subsidiaries; do you see</p> <p>22 that?</p> <p>23 A I do.</p> <p>24 Q There is no personal guaranty indicated there, is</p> <p>25 there?</p>
<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3687</p> <p>1 A I remembered it when you brought it to my attention.</p> <p>2 But I think they were very high level discussions and the</p> <p>3 conversations didn't go anywhere. So, I don't remember the</p> <p>4 details of it now.</p> <p>5 Q Okay. But you did send this e-mail to Mr. Byrne on</p> <p>6 or about November 16, 2011, correct?</p> <p>7 A It appears that way, yes.</p> <p>8 MR. SOLOMON: We offer this in evidence.</p> <p>9 MR. KISE: Objection, statute of limitations and</p> <p>10 relevance.</p> <p>11 THE COURT: Overruled on both grounds.</p> <p>12 Now I understand, particularly from Mr. Robert,</p> <p>13 that you feel that you have to object every time there is</p> <p>14 a document introduced --</p> <p>15 MR. KISE: We do.</p> <p>16 THE COURT: -- on statute of limitations ground.</p> <p>17 Also on relevance?</p> <p>18 MR. KISE: Since I am going to talk about</p> <p>19 statute of limitations, I might as well just mention</p> <p>20 relevance while we are at it.</p> <p>21 I hope that the Court when we start our case</p> <p>22 though, I will say this, next week, offers us this</p> <p>23 extraordinary latitude in the introduction of evidence. I</p> <p>24 want to put that on the record. Because this is,</p> <p>25 respectfully, an extraordinary latitude on bringing in</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3689</p> <p>1 A I don't see one.</p> <p>2 Q If you look at "facility," do you understand facility</p> <p>3 to be the loan?</p> <p>4 A I do, yes.</p> <p>5 Q The amount, loan amount is 130 million correct?</p> <p>6 A I see that.</p> <p>7 Q And the spread is L plus 800 bps; do you understand</p> <p>8 that to be LIBOR plus 800 basis points?</p> <p>9 A I do.</p> <p>10 Q Does this refresh your recollection that the</p> <p>11 commercial real estate group initially proposed terms that were</p> <p>12 substantially different from those that were eventually</p> <p>13 accepted by the Trump Organization through the private wealth</p> <p>14 management group?</p> <p>15 A No, I don't, I don't recall having seen this.</p> <p>16 Q I understand you don't recall having seen this. My</p> <p>17 question was a little bit different. Does this refresh your</p> <p>18 recollection that the commercial real estate group had proposed</p> <p>19 terms that were different than those ultimately agreed to by</p> <p>20 the Trump Organization through the private wealth management</p> <p>21 group?</p> <p>22 A No.</p> <p>23 MR. SOLOMON: I am going to ask to mark PX 315</p> <p>24 for identification.</p> <p>25 (Handing)</p>

<p>1 THE WITNESS: Thank you.</p> <p>2 Q This is a cover e-mail from you to Rosemary Vrablic</p> <p>3 and Dominic Scalzi with a cc to Jared Kushner, December 6,</p> <p>4 2011. Do you see that?</p> <p>5 A I do, yes.</p> <p>6 Q And it attaches what you described as: Our</p> <p>7 investment memo, as well as basic information on our golf and</p> <p>8 hotel portfolios. Do you see that?</p> <p>9 A I do, yes.</p> <p>10 Q Did you send this to Ms. Vrablic and Mr. Scalzi on or</p> <p>11 about December 6, 2011?</p> <p>12 A I don't recall it, but I have no reason to believe I</p> <p>13 didn't.</p> <p>14 MR. SOLOMON: We offer this in evidence, Your</p> <p>15 Honor.</p> <p>16 MR. KISE: Objection, statute of limitations and</p> <p>17 relevance.</p> <p>18 THE COURT: Overruled.</p> <p>19 Q This e-mails refers to a meeting the next day</p> <p>20 involving you, Ms. Vrablic and Donald Trump; do you see that?</p> <p>21 A I do, yes.</p> <p>22 Q Did you, in fact, meet with Ms. Vrablic and</p> <p>23 Mr. Scalzi the next day?</p> <p>24 A I don't recall this particular meeting, but over the</p> <p>25 years I did meet with both Rosemary and Dominic periodically.</p>	<p>1 Q Did you receive this on or about December 15, 2011?</p> <p>2 A I recall right around that time having received high</p> <p>3 level terms. But I don't recall this particular -- this</p> <p>4 particular note and e-mail. But around that time we would have</p> <p>5 received -- we would have received what their proposal was,</p> <p>6 yes.</p> <p>7 MR. SOLOMON: Your Honor, we offer this in</p> <p>8 evidence.</p> <p>9 MR. KISE: Objection, statute of limitations,</p> <p>10 relevance and the attachments are hearsay. For what</p> <p>11 purpose is that page being offered; it is purely hearsay?</p> <p>12 THE COURT: Is it more than just the first page?</p> <p>13 MS. HABBA: The document we have is three pages,</p> <p>14 Your Honor.</p> <p>15 THE COURT: Are you asking to introduce more</p> <p>16 than the page that is on the screen here?</p> <p>17 MR. SOLOMON: Yes, the entire exhibit, Your</p> <p>18 Honor.</p> <p>19 THE COURT: And what is the relevance of the</p> <p>20 second and third page?</p> <p>21 MR. SOLOMON: The relevance are the terms that</p> <p>22 were proposed by Deutsche Bank in connection with the</p> <p>23 potential loan on Doral.</p> <p>24 MR. KISE: The document itself is hearsay. Is</p> <p>25 he proposing notice as the exception that it comes in?</p>

<p>1 Q But you have no specific recollection of meeting to</p> <p>2 discuss the investment memo or the basic information on your</p> <p>3 golf and hotel portfolios?</p> <p>4 A Not that specific meeting, but I recall more</p> <p>5 generally us meeting to discuss, whether it was in-person or</p> <p>6 telephonically, Doral.</p> <p>7 Q Did there come a time that Ms. Vrablic provided a</p> <p>8 summary of potential loan terms for the Doral loan?</p> <p>9 A Can you repeat the question?</p> <p>10 Q Sure.</p> <p>11 A Did there come a time when --</p> <p>12 MR. SOLOMON: Your Honor, may I have a read</p> <p>13 back?</p> <p>14 THE COURT: Read back, please.</p> <p>15 (Whereupon, the record was read back by the</p> <p>16 court reporter.)</p> <p>17 A Yes.</p> <p>18 MR. SOLOMON: I am going to ask to mark for</p> <p>19 identification PX 319.</p> <p>20 (Hanging)</p> <p>21 THE WITNESS: Thank you.</p> <p>22 Q PX 319 is an e-mail from Ms. Vrablic to you: Ivanka,</p> <p>23 as we discussed, please find attached our summary terms for the</p> <p>24 proposed acquisition for the Doral resort. Do you see that?</p> <p>25 A I do, yes.</p>	<p>1 THE COURT: I assume notice.</p> <p>2 MR. SOLOMON: Notice and the witness's</p> <p>3 understanding of what the potential terms were with</p> <p>4 respect to the proposal from Deutsche Bank.</p> <p>5 MR. KISE: But not for the fact of the terms</p> <p>6 themselves. This witness hasn't done anything to identify</p> <p>7 that these, in fact, were the terms that were received.</p> <p>8 MR. SOLOMON: With respect, the witness said she</p> <p>9 received term sheets from Deutsche Bank, this is one of</p> <p>10 the term sheets. And she stated she has reason to believe</p> <p>11 that she did not receive this particular one.</p> <p>12 THE COURT: Also it is questionable or</p> <p>13 problematic whether an offer is being introduced to prove</p> <p>14 the truth of its contents. But anyway, it is in at least</p> <p>15 for notice.</p> <p>16 (Whereupon, the document referred to was marked</p> <p>17 for evidence as Plaintiff's Exhibit 319 by the</p> <p>18 Court.)</p> <p>19 THE COURT: That's not necessarily the only</p> <p>20 reason. But if you want to push, go ahead.</p> <p>21 Q Do you see on the page two of three there is pricing,</p> <p>22 renovation period: LIBOR plus 2.25 percent over prime. And</p> <p>23 then during the amortization period: LIBOR plus 2 percent or</p> <p>24 the prime rate minus .25 percent. Do you see that?</p> <p>25 A I see that, yes.</p>

<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3694</p> <p>1 Q Do you recall that Deutsche Bank had proposed 2 different interest rates for the renovation period and the 3 amortization period? 4 A I do, yes. 5 Q Do you have an understanding as to why those pricings 6 are different during the two periods? 7 A Well, I believe that once we had invested a 8 tremendous amount of capital into the asset, the pricing 9 adjusted accordingly. I don't believe that this is the 10 financial proposal though. 11 Q I did not represent that it was. 12 A Because these terms are not consistent with my 13 recollection. 14 Q But there was a negotiation back and forth with 15 Deutsche Bank prior to signing loan agreements, correct? 16 A There was, yes. 17 Q Okay. Do you see there was a guarantor identified 18 here? Donald J. Trump? 19 A I see that, yes. 20 Q Do you see that the guaranty is described on this 21 sheet as a full and unconditional guaranty of (i) principal and 22 interest due under the facility; and (ii) operating expenses of 23 the resort? Do you see that? 24 A I do, yes. 25 Q Did you understand that at some point during the</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3696</p> <p>1 Q Keeping in mind, PX 319 was sent to you on 2 December 15, 2011 at 11:13 a.m., in looking at this exhibit, 3 PX1251, the second page, which is the first e-mail, is a copy 4 of that e-mail from Ms. Vrablic, correct? 5 A If you stipulate that it is. 6 Q I am asking you, same date and time? 7 A It appears to be, yes. 8 Q Yes. And you forward that e-mail on, including the 9 term sheet, to Mr. Weisselberg, Mr. Greenblatt and Mr. Orowitz; 10 do you see that? 11 A I see that, yes. 12 Q And you state: "It doesn't get better than this. 13 Let's discuss ASAP." 14 Do you see that? 15 A I do, yes. 16 Q Does that refresh your recollection that you thought 17 that was a good proposal for the Trump Organization? 18 A No. 19 Q Do you have any reason to believe you did not write 20 that on or about December 15, 2011? 21 A No. 22 MR. SOLOMON: Your Honor, we offer this in 23 evidence. 24 MS. HABBA: I am going to state an objection on 25 the record on this. If you actually look at the e-mail,</p>
<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3695</p> <p>1 negotiations Deutsche Bank had wanted a guaranty from Donald J. 2 Trump of the principal and interest and operating expenses? 3 A Yes. 4 Q If you look under covenants, and I direct your 5 attention to the bottom (ii), at the very bottom: Guarantor 6 shall maintain a minimum net worth of 3 billion including any 7 value related to the guarantor's brand value. Do you see that? 8 A I see that, yes. 9 Q Okay. Do you recall in the negotiations between the 10 Trump Organization and Deutsche Bank discussions about a 11 minimum net worth requirement for the guarantor? 12 A No, I don't. You had mentioned this to me. I think 13 you had shown me one of the term sheets, I am not sure this 14 one, but one of the term sheets that had circulated when we 15 last met and identified that for me. But I didn't 16 independently recall it. 17 Q And this doesn't refresh your recollection that a 18 minimum net worth requirement for the guarantor was one of the 19 terms proposed by Deutsche Bank? 20 A No, it doesn't. 21 Q You thought this was a great proposal, didn't you? 22 A I don't recall this proposal. 23 MR. SOLOMON: I am going to ask to mark PX 1251 24 for identification. 25 (Handing)</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3697</p> <p>1 it was never sent. Jason Greenblatt there is no "to." 2 MR. SOLOMON: The bottom of the first page, 3 Ivanka Trump, and then carries over to Allen Weisselberg, 4 Jason Greenblatt and David Orowitz. 5 MS. HABBA: Do you see the top of the first 6 page, at least on the exhibit I have, there is no "to." 7 MR. KISE: Your Honor, also in addition to my 8 initial statute and limitations and relevance objections, 9 I don't think the witness has testified about the top 10 portion. 11 MS. HABBA: That's what I am saying. 12 MR. KISE: I think that's what Ms. Habba is 13 referencing. Lower portions perhaps, but the top portion 14 here I don't think there is any testimony about that or 15 whether she, in fact, received that at all. 16 The lower portions that have her in the "to" or 17 "from" category, I believe that's where she is testifying. 18 Mr. Solomon, I am sure, can clear that up. But the top 19 portion is not. That would be something -- 20 MR. SOLOMON: Your Honor, I will note -- 21 MR. KISE: -- I don't know what that is. 22 THE COURT: But he is asking about the bottom 23 portion. 24 MR. SOLOMON: Your Honor, I will note this was 25 produced to us by the Trump Organization. So it is a</p>

I. Trump - by Plaintiff - Direct(Solomon)	Page 3698	I. Trump - by Plaintiff - Direct(Solomon)	Page 3700
<p>1 Trump Organization document. It is an admission against 2 interest. It comes in on many grounds. 3 MS. HABBA: With all due respect, your questions 4 to the witness are whether it was sent and whether those 5 were sentiments. It was not sent. 6 And I would just say, Your Honor, this will go a 7 lot faster and I don't think we will have as many 8 objections if they could cut their exhibits into the 9 portions that they would like to show, as opposed to a 10 string of e-mails, some of which were never even sent to 11 anybody. That's going to be my standing objection on 12 this. I just think that is what the issue is. 13 MR. SOLOMON: Notwithstanding your suggestion, 14 we are not going to alter documents before presenting them 15 to the Court. We are going to present them as they were 16 produced to us. 17 MS. HABBA: Then you should ask -- 18 MR. SOLOMON: Please let me finish, ma'am. I 19 didn't interrupt you. 20 THE COURT: Mr. Solomon, then Ms. Habba, and 21 then let's get back to the witness. 22 MR. SOLOMON: Very simply, Your Honor, we can 23 exclude the top portion. Ms. Habba keeps saying it wasn't 24 sent, it wasn't sent, the one I am asking about, the one 25 from Ivanka Trump was, in fact, sent.</p>		<p>1 creation from defendants. But we will go back and look at 2 the metadata. 3 MS. HABBA: Nobody said that. I am being very 4 clear and we all have to make the record clear. When you 5 show a witness a document and say, "was this sent." It 6 was not sent. And I think you probably didn't realize 7 that until now, which is fine. So let's just take that 8 portion out that was not sent. That was not -- yes, it 9 was produced, but it is irrelevant. That's not what you 10 asked the witness about. So just I think that 11 streamlines, Your Honor, so we don't have to do this all day. 12 MR. SOLOMON: I asked the witness about the 13 portion she sent, received and commented on. 14 MR. KISE: I think we are all in agreement, so 15 we will just move on. 16 THE COURT: The record is clear. Let's move on. 17 Q So let's go back and reset if we can. 18 A Okay. 19 Q Your response or your reaction to the proposal on 20 December 15 at 11:50 a.m. that you sent to Alan Weisselberg, 21 Jason Greenblatt and David Orowitz is: "It doesn't get better 22 than this." Do you see that? 23 A I do, yes. 24 Q Does that refresh your recollection that you thought 25 this was a good proposal for the Trump Organization?</p>	
I. Trump - by Plaintiff - Direct(Solomon)	Page 3699	I. Trump - by Plaintiff - Direct(Solomon)	Page 3701
<p>1 The one from Jason Greenblatt, right above that 2 at 11:54 a.m. does in fact indicate "to" Ivanka Trump, 3 David Weisselberg, David Orowitz, confirming that it was 4 sent and received. Ms. Trump responds ten minutes later 5 at 12:04 p m., so they were, in fact, sent. The document 6 itself provides evidence that it was sent, received 7 reviewed and commented upon. 8 THE COURT: Can we eliminate the first? 9 MR. SOLOMON: We would do that, yes, Your Honor 10 We would agree to remove the top portion for the present 11 time with respect to Mr. Greenblatt, reserving our rights 12 with respect to dealing with that at a later time. 13 THE COURT: All right. Mr. Kise's underlying 14 objection is overruled. And everything is in except the 15 first section, which may or may not have been sent, I 16 don't know. 17 MR. KISE: I am not sure, just to clarify, 18 because our understanding is this is their last witness, 19 as you said, I am not sure what later time they are 20 planning on doing that. When their case closes? 21 MR. WALLACE: Your Honor, sorry to interrupt 22 Mr. Solomon. This is their document. This has been used 23 in testimony. This now -- we will go to the metadata, but 24 this is their document. To stand up and say it looks 25 funny, so I don't think it was sent is -- is a new</p>		<p>1 A Well, we ended up doing the deal with Deutsche Bank, 2 so. 3 THE COURT: That's a yes or no question. 4 THE WITNESS: Oh. 5 A Not this particular proposal, because I think what we 6 ended up doing was slightly different. As I stated earlier, I 7 didn't remember this particular document. But yes, I thought 8 generally the deal terms with Deutsche Bank for Doral were 9 positive and we proceeded forward. 10 Q Okay. 11 THE COURT: That could have been a simple "yes." 12 Q You see that Mr. Greenblatt responds to you only four 13 minutes later? 14 A Okay. 15 Q Do you see that at 11:54 a m. he wastes no time in 16 telling you: "I will review, but not immediately, that this is 17 a full principal and interest and operating expense personal 18 DJT guaranty." 19 Is that a typo? But "note" as opposed to but "not;" 20 is that your understanding? 21 A It is what it says. 22 Q Okay. Then it goes on, "Is DJT willing to do that? 23 Also, the net worth covenants and DJT indebtedness 24 limitation -- limitations would seem to me to be a problem." 25 Do you see that?</p>	

I. Trump - by Plaintiff - Direct(Solomon)	Page 3702	I. Trump - by Plaintiff - Direct(Solomon)	Page 3704
<p>1 A I do, yes.</p> <p>2 Q When you received this, did you have an understanding</p> <p>3 as to why the net worth covenant would be a problem?</p> <p>4 A I don't remember having received this.</p> <p>5 Q Do you recall the net worth covenant was 3 billion?</p> <p>6 A No, I think I said earlier that I didn't recall that</p> <p>7 there was a net worth.</p> <p>8 Q In the term sheet that you forwarded on?</p> <p>9 A Yes.</p> <p>10 Q The net worth covenant was 3 billion?</p> <p>11 A Yes. And what is here I see that it says 3 billion,</p> <p>12 or in the earlier exhibit.</p> <p>13 MR. SOLOMON: Could we show on the screen</p> <p>14 PX-787?</p> <p>15 Q And that is Donald J. Trump's June 30, 2011 Statement</p> <p>16 of Financial Condition. Do you see that?</p> <p>17 A I do, yes.</p> <p>18 MR. SOLOMON: Can we go to page five of the</p> <p>19 document?</p> <p>20 Q Liabilities and net worth.</p> <p>21 MR. SOLOMON: If you scroll down.</p> <p>22 Q Net worth. \$4,261,590,000. Do you see that?</p> <p>23 A I see that is what it says, yes.</p> <p>24 Q Were you aware that in his Statement of Financial</p> <p>25 Condition as of June 30, 2011, Donald Trump had represented</p>		<p>1 Q This is an e-mail from you to Ms. Vrablic and</p> <p>2 Mr. Scalzi with a copy to Mr. Weisselberg and Mr. Orowitz:</p> <p>3 "Greetings from Florida. Attached is a clean version of our</p> <p>4 marked up LOI." Do you see that?</p> <p>5 A Yes, if you don't mind just giving me a moment to</p> <p>6 read it?</p> <p>7 Q Please.</p> <p>8 A Thank you.</p> <p>9 (The following proceedings were stenographically</p> <p>10 recorded by Senior Court Reporter Michael Ranita.)</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 that his net worth was more than 4 billion?</p> <p>2 A No.</p> <p>3 Q Let's turn back to PX-1251.</p> <p>4 You respond to Mr. Greenblatt: "That we have known</p> <p>5 from day one. We wanted to get a great rate and the only way</p> <p>6 to get proceeds/term and principal where we want them is</p> <p>7 guarantee the deal." Do you see that?</p> <p>8 A I do.</p> <p>9 Q Do you recall writing that?</p> <p>10 A No, I don't.</p> <p>11 Q On or about December 15, 2011?</p> <p>12 A No.</p> <p>13 Q Do you have any reason to believe that is not an</p> <p>14 accurate statement of your view at that time?</p> <p>15 A No, I don't.</p> <p>16 Q Did there come a time that you responded to Deutsche</p> <p>17 Bank and proposed different terms?</p> <p>18 A As I said earlier, I don't believe this was the final</p> <p>19 deal we did. I think the rate was slightly different. So,</p> <p>20 there must have been subsequent discussions.</p> <p>21 Q Okay.</p> <p>22 MR. SOLOMON: I am going to hand up PX-332 which</p> <p>23 is already in evidence.</p> <p>24 (Handing)</p> <p>25 THE WITNESS: Thank you.</p>		<p>1 A Okay. Thank you.</p> <p>2 Q Do you see that the first paragraph states, "Attached</p> <p>3 is a clean version of our marked up LOI"?</p> <p>4 A Yes, I do see that.</p> <p>5 Q Is LOI short for letter of intent?</p> <p>6 A It is.</p> <p>7 Q If you look at the third page of the exhibit.</p> <p>8 (Whereupon, the exhibit was displayed on the</p> <p>9 screen.)</p> <p>10 Q The very bottom, "Guarantor shall maintain a minimum</p> <p>11 net worth of 2 billion, excluding any value related to the</p> <p>12 guarantor's brand value, as reflected in the Statement of</p> <p>13 Financial Condition."</p> <p>14 Do you see that?</p> <p>15 A I do, yes.</p> <p>16 Q So at this time, although Mr. Trump's prior Statement</p> <p>17 of Financial Condition represented a purported net worth of more</p> <p>18 than \$4 million, you rejected a net worth covenant of 3 billion</p> <p>19 and proposed a covenant of only 2 billion; correct?</p> <p>20 A Well, it says what it says here in the term sheet. I</p> <p>21 didn't, um --</p> <p>22 Q Well, the other term sheet we saw this had they 3</p> <p>23 billion?</p> <p>24 A Yes.</p> <p>25 Q Your proposal rejects that an counteroffers 2 billion;</p>	

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3706</p> <p>1 correct?</p> <p>2 A It appears so, yes.</p> <p>3 Q Did The Trump Organization ultimately enter into</p> <p>4 commitment committing and fee letters with Deutsche Bank for the</p> <p>5 Doral loan?</p> <p>6 A It did, yes.</p> <p>7 MR. SOLOMON: I'm going to mark as PX-320 for</p> <p>8 identification.</p> <p>9 (Plaintiff's Exhibit 320 was deemed marked for</p> <p>10 identification.)</p> <p>11 (The exhibit was handed to the witness.)</p> <p>12 (Whereupon, the exhibit was displayed on the</p> <p>13 screen.)</p> <p>14 THE WITNESS: Thank you.</p> <p>15 Q Tom Sullivan is at Deutsche Bank; correct. Or was in</p> <p>16 or about January of 2012; correct?</p> <p>17 A I don't really remember Tom, but.</p> <p>18 Q Okay.</p> <p>19 Did you receive this e-mail in or about January of 2012</p> <p>20 from Deutsche Bank attaching fully executed Commitment and Fee</p> <p>21 Letters?</p> <p>22 A I don't recall this particular e-mail, but I see it</p> <p>23 right here, so.</p> <p>24 Q Do you have any reason to believe you did not receive</p> <p>25 this?</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3708</p> <p>1 So we are not asking her about things that are</p> <p>2 within the parameters of those entities. The argument from</p> <p>3 the Attorney General was we must have her here because only</p> <p>4 she can speak for those corporate entities, and so we</p> <p>5 haven't had any questions about those corporate entities, or</p> <p>6 even about the OPO loan which, maybe theoretically, or</p> <p>7 arguably, would have something to do with one of those three</p> <p>8 entities. None of this has to do with any of that.</p> <p>9 So it's just a standing objection. That's all,</p> <p>10 your Honor.</p> <p>11 THE COURT: Well it's an interesting question. To</p> <p>12 what extent the questioning has to be limited to the grounds</p> <p>13 of the subpoena. They would have to list every single thing</p> <p>14 that they might want to ask. Also, the law is entitled to</p> <p>15 every person's evidence.</p> <p>16 Mr. Robert, what is your opinion on that</p> <p>17 interesting question?</p> <p>18 MR. ROBERT: They clearly are limited to the</p> <p>19 corporate representative of those three entities. We had a</p> <p>20 whole debate two weeks ago as to they didn't have the</p> <p>21 ability to serve a personal subpoena, so they did it under</p> <p>22 the guise of these corporate entities.</p> <p>23 So so far -- typically you would actually have the</p> <p>24 topic attached to it, which they didn't. So so far in the</p> <p>25 last hour, none of these questions come even close to the</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3707</p> <p>1 A No, I don't.</p> <p>2 Q If you turn to page four of the exhibit --</p> <p>3 (Whereupon, the exhibit displayed on the screen was</p> <p>4 scrolled through.)</p> <p>5 Q -- do you recognize Donald J. Trump's signature?</p> <p>6 A I do, yes.</p> <p>7 Q If you turn to page nine of the exhibit --</p> <p>8 (Whereupon, the exhibit was displayed on the</p> <p>9 screen.)</p> <p>10 Q -- do you recognize Donald J. Trump's signature?</p> <p>11 A I believe so, yes.</p> <p>12 MR. SOLOMON: Your Honor, we offer this in</p> <p>13 evidence.</p> <p>14 MR. KISE: Objection. Statute of limitations,</p> <p>15 relevance, and one other thing, your Honor. This witness</p> <p>16 has been subpoenaed here on behalf of, I believe, three</p> <p>17 corporate entities, so I just want to note a standing</p> <p>18 objection, as well, that none of this has anything to do</p> <p>19 with those three corporate entities.</p> <p>20 THE COURT: I don't think that matters.</p> <p>21 MR. KISE: It does, because that is ostensibly,</p> <p>22 ostensibly the basis upon which this non-party non-resident</p> <p>23 witness was summoned here to testify. That's the reason</p> <p>24 that she was summoned here to testify. That's the reason we</p> <p>25 dragged her from her home here to testify.</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3709</p> <p>1 basis of those three subpoenas.</p> <p>2 THE COURT: Plaintiff, would you like to respond?</p> <p>3 MR. SOLOMON: We would disagree, your Honor. The</p> <p>4 witness is -- obviously. The witness is here. She could</p> <p>5 testify about these transactions she was involved in. She</p> <p>6 is receiving e-mails. She is sending e-mails. She is</p> <p>7 commenting upon term sheets. She is negotiating the deal</p> <p>8 from top to bottom, from interest rates to amounts of a net</p> <p>9 worth covenant, which is one of the critical issues in this</p> <p>10 case, as your Honor knows and already ruled upon.</p> <p>11 MS. HABBA: Your Honor, briefly --</p> <p>12 MR. KISE: Your Honor, none of that has anything to</p> <p>13 do with those corporate entities.</p> <p>14 THE COURT: And you see that point.</p> <p>15 MS. HABBA: She is no longer a defendant in this</p> <p>16 case, so you cannot take full range just because she's here.</p> <p>17 MR. WALLACE: I'm not aware of that.</p> <p>18 THE COURT: You know, the subpoena -- the ruling on</p> <p>19 enforcing the subpoena was minimum, not a maximum. So,</p> <p>20 anyway, overruled.</p> <p>21 Let's continue.</p> <p>22 MR. SOLOMON: Your Honor, we had offered this in</p> <p>23 evidence. I don't know if there was a ruling.</p> <p>24 THE COURT: There wasn't. Granted.</p> <p>25 (Plaintiff's Exhibit 320 was deemed marked and</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3710</p> <p>1 admitted in evidence.)</p> <p>2 Q If you could turn to page 15 of 26.</p> <p>3 (Whereupon, the exhibit was displayed on the</p> <p>4 screen.)</p> <p>5 A Would you like me to read the whole document, or just</p> <p>6 turn to the page?</p> <p>7 Q If you need to read anything to answer my question,</p> <p>8 feel free to, but I will focus you on specific areas.</p> <p>9 A Okay.</p> <p>10 Q I'm just going to ask if what was agreed upon under</p> <p>11 "Covenants", beginning on the bottom of page 15, carrying you</p> <p>12 over to 16. You'll see there is a bullet point that says</p> <p>13 "Guarantor shall maintain minimum net worth of 2.5 billion,</p> <p>14 excluding the value related to the guarantor's brand value (as</p> <p>15 such minimum net worth is reflected in the guarantor's Statement</p> <p>16 of Financial Condition prepared by guarantor in substantially</p> <p>17 the form prepared by guarantor as of June 30, 2011, a copy of</p> <p>18 which has been delivered to lender.)"</p> <p>19 Do you see that?</p> <p>20 A I see that, yes.</p> <p>21 Q Does that your refresh your recollection that the final</p> <p>22 net worth covenant was 2.5 billion?</p> <p>23 A No. As I said before, I didn't recall a net worth</p> <p>24 covenant.</p> <p>25 Q Did there come a time in 2016 that The Trump</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3712</p> <p>1 different analysis.</p> <p>2 MR. SOLOMON: We are not talking about adding</p> <p>3 Ms. Trump to the case, your Honor. That's not the standard</p> <p>4 that applies in this context.</p> <p>5 Q Ms. Trump, PX-352 had been put in front of you. You</p> <p>6 see this is an e-mail from Ms. Vrablic to you, February 11,</p> <p>7 2016, subject "Doral. Hi, it was great speaking to you today.</p> <p>8 I spoke to the credit team on the \$50 million request, and we</p> <p>9 are thrilled to consider it for you."</p> <p>10 Does that refresh your recollection that you sought, on</p> <p>11 behalf of The Trump Organization, to increase the loan with</p> <p>12 Doral by \$50 million in 2016?</p> <p>13 A No.</p> <p>14 Q Any reason to believe that this is inaccurate?</p> <p>15 A I just don't recall this.</p> <p>16 Q Is that a no?</p> <p>17 A That's a no.</p> <p>18 Q Okay.</p> <p>19 MR. SOLOMON: Your Honor, we offer PX-352.</p> <p>20 MR. KISE: Objection. Statute of limitations,</p> <p>21 relevance and hearsay.</p> <p>22 THE COURT: Overruled.</p> <p>23 (Plaintiff's Exhibit 352 was deemed marked and</p> <p>24 admitted in evidence.)</p> <p>25 Q Did you also explore, in 2016, the possibility of an</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3711</p> <p>1 Organization sought to increase the loan on Doral through</p> <p>2 Deutsche Bank?</p> <p>3 A There may have been, but I don't specifically recall</p> <p>4 that. You may have mentioned something to that effect to me</p> <p>5 when we were together last, but --</p> <p>6 MR. SOLOMON: I'm going to ask to mark as PX-352</p> <p>7 for identification.</p> <p>8 (Plaintiff's Exhibit 352 was deemed marked for</p> <p>9 identification.)</p> <p>10 (The exhibit was handed to the witness.)</p> <p>11 THE WITNESS: Thank you.</p> <p>12 (Whereupon, the exhibit was displayed on the</p> <p>13 screen.)</p> <p>14 THE COURT: While we have a moment, I'm trying to</p> <p>15 remember back to first year civil procedure. Basically, I</p> <p>16 think that the three corporations were necessary for the</p> <p>17 power to bring her here. I don't think that limited the</p> <p>18 testimony. And that's my ruling anyway.</p> <p>19 MR. KISE: Again, for the record, I would</p> <p>20 respectfully disagree, because all the corporate subpoenas</p> <p>21 are limited in scope to particular testimony when you bring</p> <p>22 in a corporate representative.</p> <p>23 This isn't a question of whether or not there is</p> <p>24 sufficient minimum context jurisdiction to add someone as a</p> <p>25 party to the case. That's an entirely and extraordinarily</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3713</p> <p>1 unsecured loan for Donald Trump from Deutsche Bank?</p> <p>2 A I don't recall.</p> <p>3 MR. SOLOMON: I'm going to ask to mark as PX-355</p> <p>4 for identification.</p> <p>5 (Whereupon, Plaintiff's Exhibit 355 was deemed</p> <p>6 marked for identification.)</p> <p>7 (The exhibit was handed to the witness.)</p> <p>8 THE WITNESS: Thank you.</p> <p>9 Q For the record, this is an e-mail from Ms. Vrablic to</p> <p>10 you from February 16, 2016. Did you receive this on or about</p> <p>11 February 16, 2016?</p> <p>12 A Sorry. Just give me a moment to read it so I could</p> <p>13 have some context.</p> <p>14 (Whereupon, there is a brief pause in the</p> <p>15 testimony.)</p> <p>16 A Okay. Thank you.</p> <p>17 MR. SOLOMON: May I ask for a read back of my</p> <p>18 question, your Honor.</p> <p>19 THE COURT: Can we have a read back of the last</p> <p>20 question.</p> <p>21 Q Does this refresh your recollection that you were</p> <p>22 seeking an unsecured loan on behalf of Donald Trump in or about</p> <p>23 February of 2016?</p> <p>24 A No.</p> <p>25 Q Do you recall receiving this e-mail, the top one, from</p>

I. Trump - by Plaintiff - Direct (Mr. Solomon)	Page 3714	I. Trump - by Plaintiff - Direct (Mr. Solomon)	Page 3716
<p>1 Ms. Vrablic, on or about February 16, 2016?</p> <p>2 A No, I don't recall.</p> <p>3 Q If you turn to the second page, the very top, it's an</p> <p>4 e-mail from you to Ms. Vrablic. "Thank you, Rosemary. Just to</p> <p>5 be clear, based on the note from Dave Williams below, an</p> <p>6 unsecured facility would not require an appraisal."</p> <p>7 Do you see that?</p> <p>8 A I do see that.</p> <p>9 Q Does that refresh your recollection that you were</p> <p>10 seeking an unsecured loan on behalf of Donald Trump in or about</p> <p>11 February of 2016?</p> <p>12 A No.</p> <p>13 Q Do you have any reason to believe that you did not send</p> <p>14 and receive these e-mails on PX-355?</p> <p>15 A No.</p> <p>16 MR. SOLOMON: Your Honor, we offer it in evidence.</p> <p>17 MR. KISE: Objection. Relevance.</p> <p>18 I think we are passed the statute of limitations,</p> <p>19 so we'll give you that one.</p> <p>20 THE COURT: I'll take what I can get. Overruled.</p> <p>21 (Plaintiff's Exhibit 355 was deemed marked and</p> <p>22 admitted in evidence.)</p> <p>23 Q Do you recall, if you don't necessarily recall the</p> <p>24 discussions relating to the amount of either the secured or</p> <p>25 unsecured facility here, questions raised by Deutsche Bank as to</p>		<p>1 receive this e-mail on or about April 8th, 2016?</p> <p>2 A No.</p> <p>3 MR. SOLOMON: We offer it in evidence, your Honor.</p> <p>4 THE COURT: Definitely too late for statute of</p> <p>5 limitations. Overruled. Well, there's no objection.</p> <p>6 MR. KISE: Other than the relevance, which is a</p> <p>7 standing objection, you know where we are on that.</p> <p>8 THE COURT: It's a Pavlovian reaction on my part by</p> <p>9 now.</p> <p>10 It's in evidence.</p> <p>11 (Plaintiff's Exhibit 558 was deemed marked and</p> <p>12 admitted in evidence.)</p> <p>13 Q Do you see the first paragraph, "Hi, as you know, we</p> <p>14 heard the final answer yesterday, with Dominic speaking with</p> <p>15 Dave, outlining the bank's review/decision of the request."</p> <p>16 Continues on the next paragraph, "Needless to say, we</p> <p>17 are disappointed that the bank couldn't make the exception in</p> <p>18 this case."</p> <p>19 Does that refresh your recollection that the bank</p> <p>20 declined the request for the loan in or about 2016?</p> <p>21 A No, I think I had said prior that I didn't think</p> <p>22 anything had culminated in around that time frame, so that's</p> <p>23 consistent with what appears to be this e-mail.</p> <p>24 Q Does this refresh your recollection that it was the</p> <p>25 bank's decision not to move forward though?</p>	
I. Trump - by Plaintiff - Direct (Mr. Solomon)	Page 3715	I. Trump - by Plaintiff - Direct (Mr. Solomon)	Page 3717
<p>1 the purpose or use of the proceeds of any potential loan in</p> <p>2 2016?</p> <p>3 A No, I don't. I don't think this transpired, so I have</p> <p>4 no recollection of this discussion or this e-mail.</p> <p>5 Q Okay.</p> <p>6 And do you recall that it did not transpire because</p> <p>7 Deutsche Bank refused to do this transaction?</p> <p>8 A No.</p> <p>9 MR. SOLOMON: Mark as PX-558 for identification.</p> <p>10 (Plaintiff's Exhibit 558 was deemed marked for</p> <p>11 identification.)</p> <p>12 (The exhibit was handed to the witness.)</p> <p>13 THE WITNESS: Thank you.</p> <p>14 Q This is an e-mail from Ms. Vrablic to you on April 8th,</p> <p>15 2016. Do you see that?</p> <p>16 A I do.</p> <p>17 Q She's giving you an update, correct?</p> <p>18 A It appears that way, yes.</p> <p>19 Q Did you receive it on or about April 8th, 2016?</p> <p>20 A I don't recall this e-mail, but I -- if I may just have</p> <p>21 a moment to read it.</p> <p>22 THE COURT: I'll give you a five-minute warning at</p> <p>23 11:25.</p> <p>24 A Okay. Thank you.</p> <p>25 Q Do you have you any reason to believe you did not</p>		<p>1 A No.</p> <p>2 Q Do you recall entering into a lease for unit Penthouse</p> <p>3 28 at Trump Park Avenue?</p> <p>4 A Yes.</p> <p>5 Q Is that also a street address of 502 Park Avenue?</p> <p>6 A It is, yes.</p> <p>7 Q Did that lease have an option for you to purchase</p> <p>8 Penthouse 28 for \$8.5 million?</p> <p>9 A It did.</p> <p>10 Q To your knowledge, did Donald Trump's Statements of</p> <p>11 Financial Condition take into account this option in valuing</p> <p>12 this unit?</p> <p>13 A As I had told you a year and a half ago when we spoke,</p> <p>14 I wasn't involved in his Statement of Financial Condition, so I</p> <p>15 can't say what it took into account or did take into account.</p> <p>16 Q Did there come a time that you entered into a lease for</p> <p>17 Penthouse 20 at Trump Park Avenue?</p> <p>18 A Yes.</p> <p>19 MR. SOLOMON: I'm going to ask to mark, as PX-623,</p> <p>20 a series of documents, including lease, second amendment,</p> <p>21 assignment and assumption, and first amendment.</p> <p>22 (Plaintiff's Exhibit 623 was deemed marked for</p> <p>23 identification.)</p> <p>24 (The exhibit was handed to the witness.)</p> <p>25 THE WITNESS: Thank you.</p>	

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3718</p> <p>1 (Whereupon, the exhibit was displayed on the 2 screen.) 3 Q Do you recognize these documents? 4 A They appear to be copies of a second amendment to the 5 lease with 502 Park Avenue, of Penthouse 20, yes. 6 Q In addition, on page four is an assignment and 7 assumption of lease. Do you see that? 8 A On page? 9 Q Four of 22. 10 A Four -- I do see that, yes. 11 (Whereupon, the exhibit was displayed on the 12 screen.) 13 Q And then page eight of 22 is a first amendment to 14 lease. Do you see that? 15 A I do see that, yes. 16 Q And then page 11 of 22 is the actual lease of a 17 condominium unit. Do you see that? 18 (Whereupon, the exhibit was displayed on the 19 screen.) 20 A Yes, I do. 21 Q Is that your signature on page six of this document? 22 (Whereupon, the exhibit was displayed on the 23 screen.) 24 A That is my signature, yes. 25 Q And is that your signature on page ten of this</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3720</p> <p>1 Q Do you know if any of your -- of Donald Trump's 2 Statements of Financial Condition, between the time of execution 3 of this lease and your departure from The Trump Organization in 4 2017, took into account the existence of this option in valuing 5 this unit? 6 A I don't know. 7 Q We talked about Donald Trump's Statements of Financial 8 Condition in passing. Just so the record is clear, between 2011 9 and prior to your departure from The Trump Organization in 2017, 10 were you aware that Donald Trump had personal Statements of 11 Financial Condition? 12 A As we discussed, I -- roughly a year and a half ago, I 13 would assume he would have personal financial statements that he 14 would work on with his own accountants, but those weren't things 15 that I was privy to. 16 You showed me a few documents and e-mails and 17 correspondence which reference financial statements generally, 18 but it was not something that I was involved in. 19 Q I understand you may not have been involved in it, and 20 you, in your answer, you used the word "assume." 21 Did you know whether he had personal financial 22 statements, Donald J. Trump? 23 A Yes. I said to you then, and I say to you now, I'm not 24 involved with his personal financial statements. I worked at 25 the company, so I knew about company statements, periodically,</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3719</p> <p>1 document? 2 (Whereupon, the exhibit was displayed on the 3 screen.) 4 A It is, yes. 5 Q And is that your signature on page 22 of this document? 6 (Whereupon, the exhibit was displayed on the 7 screen.) 8 A It is, yes. 9 MR. SOLOMON: Your Honor, we offer this in 10 evidence. 11 THE COURT: Granted. It's in. 12 (Plaintiff's Exhibit 623 was deemed marked and 13 admitted in evidence.) 14 Q If you turn to page 14. 15 (Whereupon, the exhibit was displayed on the 16 screen.) 17 Q Paragraph 49(d), did you understand that you had the 18 exclusive right to purchase the unit, Penthouse 20, for 19 \$14,264,000 during the term of this lease? 20 A That's consistent with my memory of our -- of the 21 option price, yes. 22 Q Do you know if any filings that were required under the 23 Martin Act or New York Condominium Law disclosed the existence 24 of this option? 25 A I don't know.</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3721</p> <p>1 asset statements, but I didn't know about his personal 2 statements, per se, other than what you've shown me. 3 Q So, then, is it fair to say that you had no role in 4 preparing any of Donald Trump's Statements of Financial 5 Condition? 6 MS. HABBA: Your Honor, asked and answered. 7 THE COURT: You used different language before, so 8 I'll allow it. 9 Let's, again, be clear between the generic 10 financial statements and the specific Statements of 11 Financial Condition, so. 12 MR. SOLOMON: I'll rephrase my question, your 13 Honor. 14 Q Did you have any role in preparing Donald J. Trump's 15 Statements of Financial Condition? 16 A Not that I'm aware of, no. 17 Q To your knowledge, did you ever provide valuations for 18 any of the assets reflected on Donald J. Trump's Statements of 19 Financial Condition? 20 A Not that I can recall, no. 21 Q Did you ever review any of Donald J. Trump's Statements 22 of Financial Condition before they were finalized? 23 A I don't recall that, no. 24 THE COURT: Six-minute warning. 25 MR. SOLOMON: I can go onto another area or --</p>

<p>1 THE COURT: Break now?</p> <p>2 MR. SOLOMON: Whatever the Court's preference.</p> <p>3 THE COURT: We could take a vote, but let's take a</p> <p>4 break now. So 15 minutes. So be back here at 11:40.</p> <p>5 MR. SOLOMON: Your Honor, an admonition to the</p> <p>6 witness, please.</p> <p>7 THE COURT: I will direct the witness not to</p> <p>8 discuss your testimony or this case, or anything about them,</p> <p>9 while you are still a witness.</p> <p>10 THE WITNESS: Thank you.</p> <p>11 THE COURT: Sure.</p> <p>12 (Whereupon, a 15-minute break was agreed upon and</p> <p>13 taken by all parties.)</p> <p>14 (Continued on the next page.)</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 THE COURT: Mr. Solomon, please proceed.</p> <p>2 MR. SOLOMON: Thank you, Your Honor.</p> <p>3 Q Let's talk about the Trump Hotel Tower in Chicago.</p> <p>4 A Okay.</p> <p>5 Q Did there come a time that the Trump Organization</p> <p>6 sought to refinance the debt on that property?</p> <p>7 A Yes. Prior to my leaving the company, yes.</p> <p>8 Q Yes, prior to your leaving the Trump Organization,</p> <p>9 did there come a time that the Trump Organization sought to</p> <p>10 refinance the debt on the Chicago property?</p> <p>11 A Yes.</p> <p>12 Q Okay. Did you reach out to CSG Investments to gauge</p> <p>13 their interest in refinancing the debt?</p> <p>14 A I don't recall whether I did or didn't.</p> <p>15 Q Sure.</p> <p>16 MR. SOLOMON: I am going to ask to hand to the</p> <p>17 witness PX-3236, which is already in evidence.</p> <p>18 (Handing)</p> <p>19 THE WITNESS: Thank you.</p> <p>20 Q And this is an e-mail chain. The top is you</p> <p>21 forwarding to David Orowitz an e-mail you received from Jacob</p> <p>22 Cherner at CSG Investments. Do you see that?</p> <p>23 A I do, yes.</p> <p>24 Q If you look at the e-mail you received from</p> <p>25 Mr. Cherner, did you understand that for refinancing Chicago,</p>
Page 3723	I. Trump - by Plaintiff - Direct(Solomon) Page 3725
<p>1 MR. KISE: Your Honor, can we approach for one</p> <p>2 second?</p> <p>3 THE COURT: Yes. I go up the stairs faster</p> <p>4 after a day off. So come on up.</p> <p>5 (Whereupon, there was an off the record</p> <p>6 discussion at the bench between the Court and</p> <p>7 counsels.)</p> <p>8 THE COURT: Mr. Solomon, go ahead.</p> <p>9 MR. SOLOMON: Before we bring the witness in I</p> <p>10 have one housekeeping matter to bring up on a document.</p> <p>11 Can we please pull up 3226, which has already</p> <p>12 been admitted into evidence.</p> <p>13 And just so the Court is aware, this is the same</p> <p>14 e-mail chain we were arguing about earlier. And if you</p> <p>15 see the top, it is from Jason Greenblatt, and it has "to</p> <p>16 Ivanka Trump, Allen Weisselberg David Orowitz," so I think</p> <p>17 that removes any objection defense counsel may have had.</p> <p>18 MR. KISE: It removes that objection.</p> <p>19 MS. HABBA: Not the other objections.</p> <p>20 THE COURT: The other objections are overruled.</p> <p>21 That objection is withdrawn, since it is from or to</p> <p>22 Ivanka.</p> <p>23 COURT OFFICER: Ready for the witness?</p> <p>24 THE COURT: Yes, ready.</p> <p>25 (Whereupon the witness resumed the stand.)</p>	<p>1 in or about 2012, the baseline rate would be around LIBOR plus</p> <p>2 500 basis points?</p> <p>3 A I don't recall the specifics of the transaction. I</p> <p>4 don't remember this e-mail.</p> <p>5 Q Do you have any reason to believe it is not accurate?</p> <p>6 A No.</p> <p>7 MR. SOLOMON: I am going to ask to be handed to</p> <p>8 the witness PX-3239, which is already in evidence.</p> <p>9 (Handing)</p> <p>10 THE WITNESS: Thank you.</p> <p>11 Q This is an e-mail chain, the top one is from you to</p> <p>12 Jared Kushner@observer.com, TIHT Chicago Refi. Do you see</p> <p>13 that?</p> <p>14 A I do, yes.</p> <p>15 Q And you are forwarding on an e-mail you had received</p> <p>16 from David Goodman, correct?</p> <p>17 A It appears that way, yes.</p> <p>18 Q And Mr. Goodman is at Deutsche Bank or was at</p> <p>19 Deutsche Bank at that time, correct?</p> <p>20 A I don't remember David Goodman. I recall Rosemary,</p> <p>21 obviously, we spoke about her earlier. And she is, I see that</p> <p>22 she is copied on this e-mail.</p> <p>23 Q But you don't recall David Goodman at all?</p> <p>24 A Only, I think, in documents you have shown me. But I</p> <p>25 don't think I worked extensively with David.</p>

I. Trump - by Plaintiff - Direct(Solomon) Page 3726	I. Trump - by Plaintiff - Direct(Solomon) Page 3728
<p>1 Q David -- was David in the commercial real estate</p> <p>2 group?</p> <p>3 A I don't -- I don't recall.</p> <p>4 Q You will see on this e-mail, excuse me.</p> <p>5 You will see on this e-mail Mr. Goodman attaches term</p> <p>6 sheets for hotel and condo financing. Do you see that?</p> <p>7 A It appears that way, yes.</p> <p>8 Q And so we all understand, the Chicago property had</p> <p>9 two parts to it, correct?</p> <p>10 A Could you be more specific?</p> <p>11 Q Sure. It had a commercial portion, yes?</p> <p>12 A There was a hotel, hotel condo, residences, and a</p> <p>13 retail component.</p> <p>14 Q Retail component being commercial?</p> <p>15 A Sure.</p> <p>16 Q Or do you refer to that as a retail component?</p> <p>17 A You can refer to it as either.</p> <p>18 Q So it had two components, correct?</p> <p>19 A Sure.</p> <p>20 Q Okay. If you look at the first term sheet which</p> <p>21 starts on page two, term sheet which starts on page two, Trump</p> <p>22 International Hotel and Tower, and it uses the term commercial;</p> <p>23 do you see that?</p> <p>24 A Yes, I do.</p> <p>25 Q If you turn to the tenth page of this document, the</p>	<p>1 amount equal to \$1 million offered in the London Interbank</p> <p>2 Euro-dollar market for a term of one month. Do you see that?</p> <p>3 A I do.</p> <p>4 Q Did the Trump Organization go forward with the</p> <p>5 refinancing of the Chicago property on these terms?</p> <p>6 A I don't believe so.</p> <p>7 Q I am going to hand up what we have marked PX-477 for</p> <p>8 identification.</p> <p>9 (Handing)</p> <p>10 Q You will see this is an e-mail from Emily Schroeder</p> <p>11 to you and others at the Trump Organization with ccs to people</p> <p>12 at Deutsche Bank and Loeb and Loeb. Do you see that?</p> <p>13 A I do, yes.</p> <p>14 Q "Ivanka, we are pleased to present you with the</p> <p>15 agreed upon summary of terms and expense coverage letter for</p> <p>16 the refinancing of the Trump --</p> <p>17 THE COURT: It doesn't say "refinancing" it says</p> <p>18 "financing."</p> <p>19 MR. SOLOMON: Excuse me, you are right, Your</p> <p>20 Honor.</p> <p>21 Q "For the financing," excuse me, of the Trump</p> <p>22 International Hotel and Tower in Chicago. Do you see that?</p> <p>23 A I do.</p> <p>24 Q Who is Emily Schroeder?</p> <p>25 A I recall her having worked with Rosemary on her team,</p>
I. Trump - by Plaintiff - Direct(Solomon) Page 3727	I. Trump - by Plaintiff - Direct(Solomon) Page 3729
<p>1 proposed interest rate.</p> <p>2 A Which page?</p> <p>3 Q Page ten of 27, which is schedule A for the</p> <p>4 commercial refi term sheet. Do you see that?</p> <p>5 A I do, yes.</p> <p>6 Q And the interest, the proposed interest rate is 345</p> <p>7 basis points above the yield on the ten year on-the-run swap</p> <p>8 rate. But in no event less than 5.28 percent. Do you see</p> <p>9 that?</p> <p>10 A I do, yes.</p> <p>11 Q Now let's turn to the condo term sheet. That's the</p> <p>12 hotel and condo portion that you were referring to, right? You</p> <p>13 will see that begins on page 15 of 27. It says "condo" across</p> <p>14 the top.</p> <p>15 A I see that.</p> <p>16 Q Okay. Turn to page 22.</p> <p>17 The interest the proposed interest rate for this</p> <p>18 portion of the refi is the sum of the benchmark and the spread.</p> <p>19 Do you see that?</p> <p>20 A Yes.</p> <p>21 Q And the spread is 800 basis points, do you see that?</p> <p>22 A I do, yes.</p> <p>23 Q And the benchmark is the one month LIBOR as reflected</p> <p>24 on telerate or in certain instances an average of London</p> <p>25 Interbank Offered Rates ("LIBOR") for dollar deposits in an</p>	<p>1 Rosemary and Dominic.</p> <p>2 Q At Deutsche Bank private wealth management group,</p> <p>3 correct?</p> <p>4 A Correct.</p> <p>5 Q And she attaches the summary of the terms, correct?</p> <p>6 A It appears that way, yes.</p> <p>7 Q Do you recognize this document?</p> <p>8 A I don't.</p> <p>9 Q Do you have any reason to believe you did not receive</p> <p>10 this on or about September 19, 2012?</p> <p>11 A I don't.</p> <p>12 MR. SOLOMON: Your Honor, we offer it in</p> <p>13 evidence.</p> <p>14 MR. KISE: Objection, statute of limitations,</p> <p>15 relevance and hearsay.</p> <p>16 THE COURT: Overruled on all three grounds. It</p> <p>17 is in.</p> <p>18 (Whereupon, the document referred to was deemed</p> <p>19 marked for evidence as Plaintiff's Exhibit 477 by the</p> <p>20 Court.)</p> <p>21 Q If you turn to page five of seven of this exhibit,</p> <p>22 you will see it is now described, it is broken into two</p> <p>23 portions: Facility note A; and facility note B. Do you see</p> <p>24 that?</p> <p>25 A I do.</p>

I. Trump - by Plaintiff - Direct(Solomon) Page 3730	I. Trump - by Plaintiff - Direct(Solomon) Page 3732
<p>1 Q And facility note A is for the residential component,</p> <p>2 if you look to the right of where it says property.</p> <p>3 A I see that, yes.</p> <p>4 Q So note A is for the residential portion; and note B</p> <p>5 is for the commercial component if you go further over to the</p> <p>6 right. Do you see that?</p> <p>7 A I see that, yes.</p> <p>8 Q And so the residential component would be the condos</p> <p>9 we had talked about earlier, correct?</p> <p>10 A I am reviewing this for the first time in years. It</p> <p>11 appears to say that. I haven't read the whole document, of</p> <p>12 course.</p> <p>13 Q Under property, the residential component</p> <p>14 ("residential come point incident") of the property consisting</p> <p>15 of unsold (a) residential condominium units (b) deeded parking</p> <p>16 spaces (c) storage spaces and (d) associated common areas.</p> <p>17 A That's what it says, yes.</p> <p>18 Q And facility note B is the commercial component. Do</p> <p>19 you see that?</p> <p>20 A Mm-Hm.</p> <p>21 Q Okay.</p> <p>22 THE COURT: You can't say mm-hm, you have to say</p> <p>23 yes or no.</p> <p>24 THE WITNESS: Yes. Yes. Sorry.</p> <p>25 Q If you look at pricing spread for the residential</p>	<p>1 A Give me one moment to review this document. Thank</p> <p>2 you.</p> <p>3 (Pause)</p> <p>4 A Thank you.</p> <p>5 Q This is an e-mail chain between you and Ms. Vrablic,</p> <p>6 correct?</p> <p>7 A Yes.</p> <p>8 Q And on the first e-mail, which if you turn to page</p> <p>9 two of three, Ms. Vrablic advises you that given the facts that</p> <p>10 you had discussed with her at that morning's meeting, she is</p> <p>11 offering revised pricing. Do you see that?</p> <p>12 A I don't recall this e-mail, but I see what it says</p> <p>13 here.</p> <p>14 Q Do you have any reason to believe Ms. Vrablic</p> <p>15 misstated your meeting or discussions in any way, shape or</p> <p>16 form?</p> <p>17 A No.</p> <p>18 Q She offers revised pricing for the hotel, the</p> <p>19 original rate was LIBOR plus 2.5. She can drop it to LIBOR</p> <p>20 plus 2.25. Do you see that?</p> <p>21 A I do.</p> <p>22 Q She is able to drop the origination fee by a quarter</p> <p>23 of a point. Do you see that?</p> <p>24 A I do.</p> <p>25 Q For the condos, with the assumption of a \$62 million</p>

<p>1 component it is L plus 3.35 percent. Do you see that?</p> <p>2 A I do, yes.</p> <p>3 Q And do you understand that to be LIBOR plus</p> <p>4 3.35 percent?</p> <p>5 A Yes.</p> <p>6 Q And the pricing for note B is LIBOR plus 2.5 percent</p> <p>7 with a note underneath. "Borrower will have a fixed rate</p> <p>8 option through the execution of a five-year swap with</p> <p>9 indicative fixed rate of 3.42 percent as of September 4, 2012.</p> <p>10 Do you see that?</p> <p>11 A I do, yes.</p> <p>12 Q If you look under guarantor, note A has Donald J.</p> <p>13 Trump 100 percent of principal interest and operating expenses</p> <p>14 of facility note A's collateral. Do you see that?</p> <p>15 A I do.</p> <p>16 Q And it also has Donald J. Trump guaranteeing under</p> <p>17 note B, 100 percent of principal interest and operating</p> <p>18 expenses of facility note B's collateral. Do you see that?</p> <p>19 A I do.</p> <p>20 MR. SOLOMON: I am going to ask to mark as</p> <p>21 PX-365 for identification.</p> <p>22 (Handing)</p> <p>23 THE WITNESS: Thank you.</p> <p>24 Q This is an e-mail chain between you and Rosemary</p> <p>25 Vrablic. Subject is: Pricing update.</p>	<p>1 loan, she is able to drop the origination fee by one eighth of</p> <p>2 a point. Do you see that? .75 to .625?</p> <p>3 A Yes, I see that.</p> <p>4 Q And you respond, if we go further up on page two, you</p> <p>5 respond: "You are the best, Rosemary. Thank you." And you</p> <p>6 ask for a clarification. Do you see that?</p> <p>7 A I do.</p> <p>8 Q And if you turn to the first page, Ms. Vrablic tells</p> <p>9 you that your clarification is correct. And you respond to</p> <p>10 her: "Thanks Rosemary, we all appreciate it." Do you see</p> <p>11 that?</p> <p>12 A I do.</p> <p>13 MR. SOLOMON: Your Honor we offer PX-365 in</p> <p>14 evidence.</p> <p>15 MR. KISE: Objection, statute of limitations and</p> <p>16 relevance.</p> <p>17 THE COURT: Overruled. It is in.</p> <p>18 (Whereupon, the document referred to was deemed</p> <p>19 marked for evidence as Plaintiff's Exhibit 365 by the</p> <p>20 Court.)</p> <p>21 Q Did you understand that in dealing with the private</p> <p>22 wealth management group at Deutsche Bank you were able to</p> <p>23 save -- withdrawn.</p> <p>24 Did you understand that the Trump Organization, by</p> <p>25 dealing with the private equity management group at Deutsche</p>

<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3734</p> <p>1 Bank was able to obtain a lower interest rate and lower 2 origination fees than if they had dealt with the commercial 3 real estate group? 4 A I don't think I ever thought about it in that 5 context. I dealt with Rosemary on a couple of deals, 6 tangentially Chicago, but really more Doral and the Old Post 7 Office. So it was, to the best of my recollection, those were 8 the only financings I had done involving the company. So those 9 were the deals that I had worked on. 10 MR. SOLOMON: Your Honor, could I have a read 11 back of my question? I thought it was a yes or no. 12 THE COURT: I think so to. 13 (Whereupon, the record was read back by the 14 court reporter.) 15 THE COURT: That's a yes or no question. 16 A Well, I had contextualized it only to the extent that 17 I don't think I ever thought about it in comparison to another. 18 I had only dealt with Rosemary and her group in any substantive 19 way. 20 THE COURT: Is the answer yes or no? 21 THE WITNESS: No. 22 Q Let's talk about the Old Post Office in Washington 23 DC. 24 Did there come a time that the Trump Organization 25 submitted a proposal in response to a request for proposal from</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3736</p> <p>1 capacity and capability. Do you see that? 2 Let me know when you get to the page. 3 A Yes, I see that. 4 Q Do you understand that the developers financial 5 capacity and capability was a required section in responding to 6 the RFP? 7 A Yes. 8 Q Do you see there is an asterisk at the end of the 9 title for that section? 10 A I do, yes. 11 Q And if you go to the bottom it states: "Trump's 12 financial statements have been provided under separate cover, 13 along with each binder." Do you see that? 14 A I do. 15 Q Was that an accurate statement? 16 A That Trump's financial statements had been provided 17 under separate cover along with each -- I have no reason to 18 believe not. I assume so. 19 Q You don't have any? 20 A I don't remember. 21 Q You don't have a recollection? 22 A No, I don't remember every word of the document, no, 23 of course not. I assume everything is accurate. 24 Q Because you were very careful not to submit 25 inaccurate information to the GSA, right?</p>
<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3735</p> <p>1 the General Services Administration? 2 A Yes. 3 Q Can we refer to Request for Proposal as RFP; and 4 General Service Administration as GSA? 5 A Yes. 6 MR. SOLOMON: I am going to ask to hand to the 7 witness PX-1164, which is already in evidence. 8 (Handing) 9 THE WITNESS: Thank you. 10 Q It is a long document. Take your time if you need to 11 look at it. 12 A Thank you. 13 Q Do you recognize -- 14 A This brings back a lot of memories. 15 Q I think you said that to me a year and a half ago as 16 well. 17 A Yeah. 18 Q Do you recognize that document? 19 A I believe this is our response to the request for 20 proposal from the GSA. 21 Q If you look at the second page of the exhibit, is 22 that your signature on the cover letter? 23 A Yes, it is. 24 Q If you could turn to page 144, it is Section III of 25 the Trump Organization's proposal: Developers financial</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3737</p> <p>1 A I always endeavor to be careful. 2 Q At the time of submission of this proposal, was the 3 Trump Organization contemplating partnering with Colony Capital 4 on this deal? 5 A We were, yes. 6 Q And at the time of submission of this proposal, had 7 the Trump -- 8 A I believe -- I believe it -- at some point we 9 proceeded forward without Colony. But I believe they were 10 still our partner at the time we submitted the original 11 proposal. So, yes, I think so. 12 Q Okay. 13 Had the Trump Organization at the time of submission 14 of the proposal executed a letter of intent with Colony Capital 15 for this project? And when I say, "this project," I am 16 referring to the Old Post Office or OPO project. 17 A Understood. 18 I can't recall if we had done that prior. 19 Q Okay. Please turn to page 185. 20 A Okay. 21 Q Letter of interest from equity partner. Do you see 22 that? 23 A I do, yes. 24 Q "Trump has executed a detail LOI with Colony Capital 25 to provide equity financing for the redevelopment of the Old</p>

<p>1 Post Office building." Do you see that?</p> <p>2 A I do. Yes.</p> <p>3 Q Does that refresh your recollection that there was a</p> <p>4 letter of interest, at least, between the Trump Organization</p> <p>5 and Colony Capital at the time of submission of the proposal?</p> <p>6 A It doesn't reflect -- refresh my recollection. I</p> <p>7 have no reason to believe it is not accurate.</p> <p>8 MR. KISE: Your Honor --</p> <p>9 THE COURT: Yes, go ahead.</p> <p>10 MR. KISE: Is there some point at which there is</p> <p>11 a limit on where we are headed here today?</p> <p>12 THE COURT: Yes, 4:30 today.</p> <p>13 MR. KISE: But this is, like, Colony Capital</p> <p>14 2011, it is just highly irrelevant. Did we really call</p> <p>15 this witness here to waste this time; dragged her all of</p> <p>16 the way from Florida to talk about Colony Capital from</p> <p>17 2011, on a deal that is clearly and obviously outside of</p> <p>18 the statute of limitations? This contract was awarded</p> <p>19 years before the limitations period.</p> <p>20 THE COURT: Mr. Solomon, do we need to excuse</p> <p>21 the witness for you to explain the relevance, or no?</p> <p>22 MR. SOLOMON: If we can, Your Honor, I would</p> <p>23 appreciate that, that we not have this in front of the</p> <p>24 witness.</p> <p>25 THE COURT: May I ask the witness to step behind</p>		<p>1 extent even one was required here in 2015, '16, '17, '18,</p> <p>2 would have any impact whatsoever on a decision that was</p> <p>3 made years before the statute of limitations period</p> <p>4 expired. I mean, there is no possible connectivity</p> <p>5 between a decision that was made in 2011 or '12 and a</p> <p>6 certification later. If they want to contend that the</p> <p>7 certification in 2016 was false in some way, okay, contend</p> <p>8 that. But it is not going to alter. It is theoretically</p> <p>9 impossible -- it is beyond implausible to argue that some</p> <p>10 event that took place in 2016 would have changed the</p> <p>11 course of events in 2011 or 2012 or 2013. The individuals</p> <p>12 in 2011, 2012, 2013 and all the way up to 2014, middle of</p> <p>13 2014, could not possibly have been impacted by a</p> <p>14 certification that was submitted in 2015, 2016 or 2017.</p> <p>15 So while there is some contextual latitude, I</p> <p>16 just would, again, submit we got this witness here, we are</p> <p>17 asking about things that are well far afield. If there is</p> <p>18 some specific issue with respect to OPO that falls within</p> <p>19 the limitations period, then okay. But I just -- I am</p> <p>20 just noting for the record, and I didn't mean to tie up</p> <p>21 this much time, but you asked. I don't see the</p> <p>22 connectivity here.</p> <p>23 This is true of all of these loans other than</p> <p>24 the ones that are actually within the limitations period.</p> <p>25 Because the certifications for the loans, it is the same</p>	
I. Trump - by Plaintiff - Direct(Solomon)	Page 3739	I. Trump - by Plaintiff - Direct(Solomon)	Page 3741
<p>1 the courtroom.</p> <p>2 (Whereupon, the witness stepped down from the</p> <p>3 stand and exited the courtroom.)</p> <p>4 THE COURT: Let me just add, I think</p> <p>5 significantly, I hope significantly, to my reasonings for</p> <p>6 overruling the statute of limitations objections to</p> <p>7 pre-2014 and/or pre-2016 deals. Because these deals, I</p> <p>8 don't think all of them necessarily, but at least some of</p> <p>9 them had requirements for updated financials year after</p> <p>10 year after year. And although defendants seem to want to</p> <p>11 discount them or ignore them or something, to me they are</p> <p>12 very much a part of this case. So it doesn't make sense</p> <p>13 to talk about the follow-up documentation without</p> <p>14 establishing the original loan.</p> <p>15 Go ahead.</p> <p>16 MR. KISE: I would respectfully disagree</p> <p>17 entirely with that, Your Honor. Because the only thing</p> <p>18 that is at issue now, according to the government, are the</p> <p>19 actual certifications themselves. Those certifications</p> <p>20 could not have -- those are the wrongful acts. I mean</p> <p>21 other than the things that are within the statute of</p> <p>22 limitations. If there are things that are post-2014 or</p> <p>23 post-2016. But seven of the ten transactions, including</p> <p>24 this transaction, fall well outside of limitations period.</p> <p>25 So nothing that was done by way of a certification, to the</p>		<p>1 issue. A certification to Deutsche Bank in 2015 or '16 or</p> <p>2 '17 could not possibly, even theoretically, arguably,</p> <p>3 plausibly, have any impact on a decision that bankers made</p> <p>4 in 2011 or 2012 or 2013 or up to '14. It is just not</p> <p>5 possible.</p> <p>6 So while I get that there has to be some</p> <p>7 context, we are spending an awful lot of time with a</p> <p>8 witness who has come an awful long way, who is a</p> <p>9 non-party, going over what appears to be context.</p> <p>10 THE COURT: Well, I agree with your logic that a</p> <p>11 certification, we will agree to that term, in 2017,</p> <p>12 doesn't affect the -- anything directly about the original</p> <p>13 loan, how it was negotiated, how it was finalized.</p> <p>14 However, just to be clear to everybody, these loans some</p> <p>15 of the loans at issue here, and I believe this one, I</p> <p>16 could be wrong, but I am speaking generically, required,</p> <p>17 as a condition of the loan for the Trump Organization or</p> <p>18 whomever, perhaps one of the individual defendants,</p> <p>19 certify certain things in the future. I believe that</p> <p>20 those certifications are at issue.</p> <p>21 Let me ask directly. Are those certifications</p> <p>22 at issue?</p> <p>23 (The following proceedings were stenographically</p> <p>24 recorded by Senior Court Reporter Michael Ranita.)</p> <p>25</p>	

I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3742	I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3744
<p>1 MR. SOLOMON: Yes, your Honor.</p> <p>2 THE COURT: Is that something that was in the</p> <p>3 complaint?</p> <p>4 MR. SOLOMON: Yes, your Honor.</p> <p>5 THE COURT: Do you want to say anything else?</p> <p>6 MR. SOLOMON: I want to be guided by the Court. I</p> <p>7 learned that if the Court is about to rule in my favor, to</p> <p>8 sit down and be quiet, so. Let us know if you need to hear</p> <p>9 from us further, but there are many reasons why this is</p> <p>10 relevant, and that's why we excused the witness. The deal</p> <p>11 with Colony Capital is relevant. If you look at the</p> <p>12 document and understand the document in detail, Colony</p> <p>13 Capital goes through a description of what an appropriate</p> <p>14 interest rate would be for this type of project based upon</p> <p>15 their financing and 25 years in the business. And Colony</p> <p>16 Capital, according to this submission, is one of top equity</p> <p>17 partners in the country. And it goes on and on, your Honor,</p> <p>18 as compared to the financing that they did obtain at a lower</p> <p>19 rate by using false and fraudulent financial statements to</p> <p>20 induce Deutsche Bank to make loans that they should not have</p> <p>21 made at those rates.</p> <p>22 THE COURT: Well, I'll give Mr. Kise the last word,</p> <p>23 but you are misquoting me a little bit. It's not if I'm</p> <p>24 about to rule in your favor, be quiet. It's if I'm arguing</p> <p>25 for you, you don't have to argue for you.</p>	<p>1 or 2016, or 2017, but you can't unring the bell with a</p> <p>2 subsequent certification. You can't say, in 2017, if I</p> <p>3 submitted a piece of paper in 2017 that was false, that</p> <p>4 somehow or another that impacted a decision that was made in</p> <p>5 2012. That's --</p> <p>6 THE COURT: They are not arguing that.</p> <p>7 MR. KISE: Well, that's what Mr. McCarty -- that's</p> <p>8 what you let him testify to. Respectfully, that's exactly</p> <p>9 what he is arguing, those, the interest rates carry forward.</p> <p>10 Those decisions were made before the statute of limitations.</p> <p>11 Now, if your Honor, if you are clear with us that</p> <p>12 in fact those calculations are baseless because of that,</p> <p>13 that's fine. But I haven't heard that. They certainly not</p> <p>14 conceding that.</p> <p>15 So here we are arguing about, and going over issues</p> <p>16 -- this isn't even the loan document. Let's remember, we</p> <p>17 are looking at GSA documents. The GSA decision was made</p> <p>18 years before the statute of limitations ran.</p> <p>19 The GSA is thrilled with the Old Post Office</p> <p>20 renovation. There's no question here that they transformed</p> <p>21 a hulking relic into a world class facility.</p> <p>22 THE COURT: You are starting to sound like your</p> <p>23 client.</p> <p>24 MR. KISE: He makes a point on this, that that's</p> <p>25 what happened. So I'm not sure why we are debating -- I'm</p>
I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3743	I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3745
<p>1 Mr. Kise.</p> <p>2 MR. KISE: So first I'm sure, just as an aside,</p> <p>3 that Mr. Barrack will be very pleased to know that the</p> <p>4 Attorney General of New York has such a high opinion of him.</p> <p>5 Setting that aside, I don't see that what Mr. Solomon</p> <p>6 said -- I mean, he's making my point for me. Which is that</p> <p>7 he's talking about obtaining loans. There's no issue with</p> <p>8 obtaining loans with respect to those that are prior to the</p> <p>9 statute of limitations. That decision has come and gone.</p> <p>10 The ship has gone. The tide has come in and gone out,</p> <p>11 however, you want to frame it. There's no --</p> <p>12 THE COURT: The ship has sailed, I think.</p> <p>13 MR. KISE: The ship has sailed. There's been no</p> <p>14 order at issue. The issue is, number one, whether</p> <p>15 certifications were false or not, and there's all sorts of</p> <p>16 issues with intent and materiality, which we are not going</p> <p>17 to discuss at the moment, but whether the certifications</p> <p>18 were false and what the consequences of certifications</p> <p>19 standing by themselves. As you know, originally, and we</p> <p>20 believe the First Department agrees with us, we will wait</p> <p>21 and find that out at some point, but they originally framed</p> <p>22 all of those as continuing wrongs. Post the decision in the</p> <p>23 First Department, they framed them as freestanding wrongs.</p> <p>24 Either way, either way, if they are now freestanding wrongs,</p> <p>25 then that's what's at issue. And that means that in 2015,</p>	<p>1 not sure of a lot of things here, certainly, but this one</p> <p>2 goes really steps well beyond. We are talking about the</p> <p>3 underlying contract and whether or not prevailing interest</p> <p>4 rates in 2011 or 2012 has no bearing on whether a</p> <p>5 certification in 2016 -- '15, '16, '17, and going forward,</p> <p>6 was false or fraudulent, or what impact or conclusion is to</p> <p>7 be drawn from that.</p> <p>8 THE COURT: I know I keep adding other reasons why</p> <p>9 I'm making the relevancy rulings I am. It may also be</p> <p>10 relevant to disgorgement. It may. I haven't decided the</p> <p>11 case.</p> <p>12 MR. KISE: It can't be. That's exactly our point,</p> <p>13 because --</p> <p>14 THE COURT: Put it in your posttrial brief.</p> <p>15 MR. KISE: The die was cast when the loans were</p> <p>16 made; that we believe was the point of the First Department</p> <p>17 and why they considered these to be continuing effects as</p> <p>18 opposed to be continuing wrongs, but that's for another day.</p> <p>19 But certainly, even under the Attorney General's</p> <p>20 current theory of the case, you can't go backwards in time</p> <p>21 and suggest that a certification that occurred years</p> <p>22 subsequent to a decision had some impact on that prior</p> <p>23 decision.</p> <p>24 THE COURT: Okay. So, Plaintiff, don't do that.</p> <p>25 MR. SOLOMON: Your Honor, may I make just two quick</p>

I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3746	I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3748
<p>1 points? First, so the record is clear, the Attorney General 2 takes no position with respect to Colony Capital. My 3 description is what is contained in the response to the 4 request for proposal about Colony. 5 Second, the OPO loan is within the statute of 6 limitations as determined by the Appellate Division, so it's 7 relevant. 8 MR. KISE: The loan, the loan is within 2014, was a 9 month past the 2014 cut off. I mean, we still have a debate 10 over the other issue -- 11 THE COURT: I understand. 12 MR. KISE: -- but this isn't a loan document. This 13 is a procurement document. That's why we are having this 14 discussion; two completely disconnected points. The only 15 way -- I'm just going to explain to your Honor. The only 16 reason they want this in is because they are going to argue, 17 that's the reason they asked President Trump on Monday about 18 the distributions from The Old Post Office sale transaction. 19 They are going to argue to you that somehow or another those 20 distributions should be disgorged, because the contract 21 itself was procured using some false financial statement; 22 that's clearly where they are headed. I mean, I'm not 23 telegraphing anything that they haven't already thought of, 24 and so they can't do that. I mean, it's just no room for 25 even making that argument in a case where this decision was</p>	<p>1 amazing. It's like they could read his mind, read the 2 attorney's mind when they get these documents up and 3 highlight things. 4 I'll just suggest one more time, it's so easy to 5 follow on the screen, and you have two, one right in front 6 of you. And then you could see all the highlighting. 7 As far as I know, they've never misrepresented what 8 the larger document is, so you could trust them. But if you 9 show -- if you feel -- 10 THE WITNESS: I compliment them as well. It's very 11 impressive. Thank you. 12 THE COURT: This is not your first rodeo, I 13 realize. 14 THE WITNESS: Like this, yes. 15 Q Does this refresh your recollection that there was a 16 letter of interest between The Trump Organization and Colony 17 Capital? 18 A I believe I had said before that at some point there 19 was some form of letter of interest between us. I haven't 20 recalled the timing of it though. 21 Q Okay. 22 MR. SOLOMON: If you could turn to page 193. 23 (Whereupon, the exhibit was displayed on the 24 screen.) 25 A Okay.</p>

<p>1 made in 2011, '12 or '13. It's just not -- it's not even 2 possible to make that argument. 3 THE COURT: I disagree. Overruled. 4 Let's get the witness back and not spend more time. 5 (Whereupon, the witness stepped into the witness 6 stand.) 7 THE COURT: Sorry to sort of kept you in the dark. 8 Let's continue. 9 THE WITNESS: Thank you. 10 MR. SOLOMON: Your Honor, I guess it would be 11 improper for me to ask for my last question and answer, so I 12 think I'll start a new. 13 THE COURT: Good idea. 14 MR. SOLOMON: If I repeat a question, I do 15 apologize. 16 (Whereupon, the exhibit was displayed on the 17 screen.) 18 Q I think we were talking about the letter of interest 19 with Colony Capital. If you look at page 185 of 204 I think 20 that's where we were. Do you see that? 21 A That's this document (indicating). 22 THE COURT: I think it was Monday I complimented 23 all the attorneys for getting us where we are and in a 24 reasonable time. Today I'm going to compliment the 25 technical people on both sides, right and left. It's just</p>	<p>1 Q Second sentence of this paragraph -- if you need to 2 turn back to see where this is from, this is a description of 3 central financing. "Through daily participation in the capital 4 markets, Trump and Colony know that construction financing is 5 currently available in top ten coastal MSA's (NYC, DC, San 6 Francisco, Los Angeles) for strong sponsorship, at approximately 7 six percent to seven percent (L plus 500 BPS to plus 600 BPS, 8 with a one percent LIBOR floor) for approximately 55 to 65 9 percent LTC financing." 10 Do you see that? 11 A I see that, yes. 12 Q When you submitted this, what did you understand "LTC 13 financing" to mean? 14 A I would be guessing, now, what I understood that to be. 15 I don't normally use that acronym. It seems a little further 16 down it was a reference to construction financing, loan to 17 construction. I'm not sure. 18 Q You just don't know? 19 A I can't recall. 20 Q But the interest rate is approximately six percent to 21 seven percent; correct? 22 A That's what it says here, yes. 23 Q In the document that you submitted to the GSA? 24 A That's what it says, yes. 25 Q Did you believe that was an accurate statement at the</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3750</p> <p>1 time of submission of proposal?</p> <p>2 A I don't recall this section of the document, so I can't</p> <p>3 say with clarity, but certainly I wouldn't submit something</p> <p>4 inaccurate.</p> <p>5 Q Did there come a time that the GSA identified certain</p> <p>6 deficiencies in the Trump Organization's proposal?</p> <p>7 A I recall you having shown me a document asking for</p> <p>8 clarifications, and -- I think it was just a general GSA</p> <p>9 document with questions relating to the proposal. Yes, I recall</p> <p>10 that.</p> <p>11 MR. SOLOMON: I'm going to ask to put in front of</p> <p>12 the witness PX-1288, which is already in evidence.</p> <p>13 (Whereupon, the exhibit was displayed on the</p> <p>14 screen.)</p> <p>15 THE COURT: Music to my ears.</p> <p>16 (The exhibit was handed to the witness.)</p> <p>17 THE WITNESS: Thank you.</p> <p>18 Q This exhibit is a cover e-mail from Mr. Orowitz to</p> <p>19 Patricia Moore, with cc's including you. And attached beginning</p> <p>20 on page three is a letter from the GSA dated December 13th,</p> <p>21 2011. Do you see that?</p> <p>22 A I do, yes.</p> <p>23 Q And there appears to be a letter dated September 21st,</p> <p>24 2011, beginning on page eight, addressed to Mr. Kevin Terry. He</p> <p>25 is the senior contracting officer on the OPO transaction;</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3752</p> <p>1 departures, including but not limited to, not including</p> <p>2 separately held entity financials, no provisions for income tax,</p> <p>3 and the PV of the deposits not reflected." Did you understand</p> <p>4 "PV" to mean present value?</p> <p>5 MR. KISE: Objection. Foundation.</p> <p>6 MR. SOLOMON: I'm asking the witness's</p> <p>7 understanding on a letter she received and was proposing to</p> <p>8 respond to the GSA on a deal that she had a primary</p> <p>9 responsibility.</p> <p>10 MR. KISE: That wasn't the question, but in all</p> <p>11 events.</p> <p>12 THE COURT: Withdrawn or overruled?</p> <p>13 MR. KISE: It's up to you.</p> <p>14 THE COURT: Overruled. Only you could withdraw.</p> <p>15 Only I could overrule.</p> <p>16 MR. KISE: I thought you were asking him if he was</p> <p>17 going to withdraw the question.</p> <p>18 THE COURT: I was asking if you wanted to withdraw</p> <p>19 the objection.</p> <p>20 Overruled.</p> <p>21 Q Did you have an understanding that "PV" meant present</p> <p>22 value when you received this letter?</p> <p>23 A I can deduce that sitting here today, but I don't</p> <p>24 recall my understanding of what it was back then, or the</p> <p>25 specifics of this letter, no.</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3751</p> <p>1 correct?</p> <p>2 A He was, yes.</p> <p>3 Q And on page 14 of 19, is that your signature on that</p> <p>4 letter?</p> <p>5 (Whereupon, the exhibit was displayed on the</p> <p>6 screen.)</p> <p>7 A It is, yes.</p> <p>8 Q And then at the end, beginning on page 15 is the draft</p> <p>9 of a proposed response circulated by Mr. Orowitz. Do you see</p> <p>10 that?</p> <p>11 (Whereupon, the exhibit was displayed on the</p> <p>12 screen.)</p> <p>13 A I do, yes.</p> <p>14 Q Let's focus, if we can, on the GSA letter from</p> <p>15 December 13th, because that appears to be what Mr. Orowitz is</p> <p>16 proposing to respond to. Do you see that?</p> <p>17 (Whereupon, the exhibit was displayed on the</p> <p>18 screen.)</p> <p>19 A Yes.</p> <p>20 Q Mr. Terry is raising certain questions on factor three</p> <p>21 about Donald J. Trump's financial statements; correct?</p> <p>22 A Which -- which page are you on?</p> <p>23 Q Sure. Page four of 19, factor three?</p> <p>24 A Thank you. Yes, I see that.</p> <p>25 Q Financial statements appear to have multiple GAAP</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3753</p> <p>1 THE COURT: Please remember to speak close to the</p> <p>2 microphone.</p> <p>3 THE WITNESS: Sorry. Thank you.</p> <p>4 Q If you turn to page 18?</p> <p>5 (Whereupon, the exhibit was displayed on the</p> <p>6 screen.)</p> <p>7 Q Did you understand that this is Mr. Orowitz's proposed</p> <p>8 response to the issue we just looked at relating to the</p> <p>9 financial statements?</p> <p>10 A You said that it was, but I don't -- I don't know.</p> <p>11 Q Well, let's look at the cover e-mail. David Orowitz</p> <p>12 states "All, I have started brain storming how we can approach</p> <p>13 the letter."</p> <p>14 A Okay.</p> <p>15 Q "In preparation for our call. Please try to review the</p> <p>16 letter from the GSA thoroughly." That's the letter attached</p> <p>17 dated December 13th; correct?</p> <p>18 A Yes.</p> <p>19 Q "In addition, read what I have attached and come</p> <p>20 prepared with viewpoints on how we can create the content that</p> <p>21 we need and how it should be incorporated into the 30 page</p> <p>22 presentation, slides, and our verbal scripts."</p> <p>23 Do you see that?</p> <p>24 A I do, yes.</p> <p>25 Q So if you go through this e-mail and the attachments,</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3754</p> <p>1 beginning on page 15.</p> <p>2 (Whereupon, the exhibit was displayed on the</p> <p>3 screen.)</p> <p>4 Q Do you understand that to be Mr. Orowitz's proposed</p> <p>5 responses for discussion among The Trump Organization group?</p> <p>6 MR. KISE: Objection. Then or now? Same</p> <p>7 foundation. Objection.</p> <p>8 A It appears to be --</p> <p>9 THE COURT: It looks like she could answer it.</p> <p>10 Overruled.</p> <p>11 A No, I.</p> <p>12 MR. KISE: She is answering, "it appears to be",</p> <p>13 exactly the point. Then or now? She knew it then, and</p> <p>14 that's what she understood it to be then, or is she saying</p> <p>15 that's what it looks like now? If that's the case, then</p> <p>16 there's no foundation.</p> <p>17 THE COURT: I'm not sure I agree, there's no</p> <p>18 foundation. Are you asking her knowledge then or now?</p> <p>19 MR. SOLOMON: I'll ask both, your Honor.</p> <p>20 THE COURT: Okay.</p> <p>21 Q At the time you received this e-mail, did you</p> <p>22 understand that Mr. Orowitz was proposing potential responses to</p> <p>23 the GSA deficiency letter?</p> <p>24 A I don't recall having received Dave Orowitz's e-mail on</p> <p>25 this topic.</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3756</p> <p>1 seeking on any points of clarification.</p> <p>2 Q And do you recall that one of the deficiencies related</p> <p>3 to Donald J. Trump's financial statements that were submitted in</p> <p>4 connection with the original response to the request for</p> <p>5 proposal?</p> <p>6 A I don't recall that independent of sitting here today</p> <p>7 or -- I believe you may have asked me about this a year ago.</p> <p>8 So, no, independently -- independent of that, no.</p> <p>9 Q Okay. Other than what we may have discussed when we</p> <p>10 took your testimony in August of 2022. You have no</p> <p>11 recollection, as you sit here today, of any questions raised by</p> <p>12 the GSA in connection with the proposal relating to your --</p> <p>13 Donald J. Trump's Statement of Financial Condition; is that your</p> <p>14 testimony?</p> <p>15 MR. KISE: Objection. Argumentative.</p> <p>16 MS. HABBA: Objection.</p> <p>17 MR. KISE: Mischaracterizes the testimony.</p> <p>18 THE COURT: Overruled. Her answer is what her</p> <p>19 answer is.</p> <p>20 A I think I answered that already. I don't recall that</p> <p>21 specifically. I recall them coming back to us with a series of</p> <p>22 questions on all sorts of elements relating to our proposal.</p> <p>23 And I recall going to Washington, and there was a presentation,</p> <p>24 and we endeavored to respond to those questions. Whether we did</p> <p>25 so in writing prior, or in person in Washington, I don't know.</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3755</p> <p>1 Q Do you recall having received any -- in any e-mail from</p> <p>2 anyone on this topic?</p> <p>3 A Well, I mean, we spent years working on the response to</p> <p>4 the request for proposals, so there were many, many e-mails,</p> <p>5 many conversations, many of them with Dave. So I just don't --</p> <p>6 I don't have a recollection, sitting here all these years later,</p> <p>7 over a decade, of this particular e-mail.</p> <p>8 Q But this is not -- I didn't ask about this particular</p> <p>9 e-mail. That's why I made it broader. This is not a response</p> <p>10 to a request for proposal. This is in response to a deficiency</p> <p>11 letter received by The Trump Organization after the proposal was</p> <p>12 submitted; correct?</p> <p>13 A That's what it appears to be.</p> <p>14 Q Okay.</p> <p>15 And even with that information, you have no</p> <p>16 recollection of working with The Trump Organization people to</p> <p>17 try and respond to the deficiencies raised by the GSA?</p> <p>18 A I didn't say that. I generally remember that the GSA</p> <p>19 came back to us and asked for clarification on several items,</p> <p>20 and we endeavored to get them answers. So they had construction</p> <p>21 related questions. They had operations related questions. They</p> <p>22 had all sorts of questions. And I would speak to the various</p> <p>23 department heads in charge of those elements, or more often I</p> <p>24 would speak to Dave, and he would speak to those individuals,</p> <p>25 and, um, endeavor to provide them with the information they were</p>	<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3757</p> <p>1 Q Okay.</p> <p>2 In your answer you said you don't recall specifically.</p> <p>3 How about generally?</p> <p>4 A No, just -- I recall them asking questions many months.</p> <p>5 It could've been longer than months. After we submitted our RFP</p> <p>6 about the RFP, about different components of it.</p> <p>7 Q But you don't recall that one of components related to</p> <p>8 Donald J. Trump's Statements of Financial Condition?</p> <p>9 MS. HABBA: Objection. Asked and answered.</p> <p>10 THE COURT: Overruled.</p> <p>11 A Outside of what you've shown me, um, in a year and a</p> <p>12 half ago, and now, no.</p> <p>13 Q Okay.</p> <p>14 MR. SOLOMON: Could we mark as PX-1431. I'm not</p> <p>15 sure if it's for identification or evidence -- it's in</p> <p>16 evidence.</p> <p>17 (The exhibit was handed to the witness.)</p> <p>18 A Thank you.</p> <p>19 (Whereupon, the exhibit was displayed on the</p> <p>20 screen.)</p> <p>21 Q This document is an e-mail from Mr. Orowitz to you,</p> <p>22 dated December 17, 2011, attaching "2011 12 17 OPO presentation</p> <p>23 handout-final-small size.pdf." Do you see that?</p> <p>24 A Yes, I do.</p> <p>25 Q Did you receive this on or about December 17, 2011?</p>

I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3758	I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3760
<p>1 A I don't recall having received this specific e-mail, 2 no. 3 Q Do you have any reason to believe you did not receive 4 it? 5 A No. 6 Q Did you understand that -- I'm sorry, have you had a 7 chance to review the handout? 8 A It's many pages, so. Would you like -- maybe why don't 9 you ask your question and then I'll see if I need more time to 10 review it. 11 Q Did you understand that this handout was intended to 12 respond to the issues raised in Mr. Terry's December 13th 13 deficiency letter? 14 A As I mentioned, I don't recall this e-mail, so I can 15 only see what it says here. Which I'm happy to read for you, 16 but I don't have an independent recollection of it from Dave to 17 me. 18 Q As you sit here today, do you understand that this 19 handout was intended to respond to the December 13th deficiency 20 letter? 21 A I don't have an understanding either way. I don't 22 recall it. 23 Q Do you recall attending a meeting in Washington, D.C. 24 with Mr. Terry in December of 2011? 25 A I don't remember what the date was, but, um, that</p>	<p>1 redeveloping, I should say, historic assets, many of them during 2 a time that preceded my involvement at the company. And I 3 believe that's what my father spoke about as well. 4 Specifically, I remember him talking about redeveloping the 5 iconic Plaza Hotel, which was quite similar to this asset, um, 6 in its scale and in its, quite frankly, even in the time frame 7 in which it was built. 8 So it was a general presentation. So I don't recall, 9 with specificity, any discussion over financial statements. 10 MR. SOLOMON: Your Honor, I would move to strike 11 any portion of that answer other than the last sentence, 12 which related to financial statements, which was my 13 question. 14 MR. KISE: Your Honor, I think the witness is just 15 trying to move this along, as I have been trying to, because 16 he's asking a bunch of questions about what you remember 17 from 12 years ago. 18 She's testified repeatedly she doesn't have a 19 present recollection. He's not satisfied with that -- 20 THE COURT: Wait, she remembers the meeting. 21 MR. SOLOMON: Your Honor, she doesn't have a 22 present recollection? She just spent three minutes 23 describing the Plaza Hotel and how it's similar to this -- 24 MR. KISE: He -- 25 MR. SOLOMON: May I finish?</p>

<p>1 sounds about -- that sounds about right. It would have been 2 roughly that time frame. 3 Q Okay. 4 And was there a presentation made to the GSA at this 5 meeting by The Trump Organization? 6 A There was, yes. 7 Q And your -- and Mr. Trump, Donald J. Trump attended 8 that meeting? 9 A He did. 10 Q And he spoke at that meeting? 11 A I believe he spoke at that meeting. 12 Q You spoke at that meeting? 13 A I did, yes. 14 Q As did other representatives of the Trump Organization? 15 A Correct. 16 Q And one of the items they discussed was Donald J. 17 Trump's financial statements; correct? 18 A I don't recall them having discussed financial 19 statements specifically. I recall that it was -- the whole 20 meeting was mainly about our vision for the project, and 21 presenting it. We had or architect, Arthur Cotton Moore, who 22 was present with us, um, he presented. Andy Weiss, on 23 construction, presented. We talked about our vision for the 24 redevelopment of the project. And I recall spending a good 25 amount of time talking about our experience developing, or</p>	<p>1 MR. KISE: You may. 2 MR. SOLOMON: Describing the Plaza Hotel how it's 3 similar to this, how her father spoke about this, how people 4 speak about that, but she has no recollection when I ask her 5 a question, or giving me a direct answer to my questions. 6 So the witness does have a recollection, your Honor. 7 A I do. 8 THE COURT: Mr. Kise, overruled. I don't think 9 it's good to discuss this with the witness here. 10 MR. KISE: Fair enough. Fair enough. 11 THE COURT: Why don't you -- 12 MR. SOLOMON: Your Honor, I'm moving to strike the 13 portion -- 14 THE COURT: Granted, because it was not responsive. 15 Q The question was just simply, do you recall, at that 16 meeting, discussing Donald J. Trump's financial statements in 17 any way, shape or form? 18 MR. KISE: Are we still arguing? 19 A I don't recall that. 20 THE COURT: We are not still arguing. 21 MS. HABBA: She did answer that. 22 THE COURT: After she gave a whole speech. 23 MS. HABBA: It was in the beginning. 24 A The caveat would be the intention of the meeting was to 25 talk about our vision for the project, so that's what I recall</p>

I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3762	I. Trump - by Plaintiff - Direct(Solomon) Page 3764
<p>1 having worked so hard on and having brought to light in that</p> <p>2 conversation.</p> <p>3 Q Are you conflating the initial meeting with the GSA</p> <p>4 with the meeting that occurred in December of 2011?</p> <p>5 A I believe there was only one meeting. I don't recall</p> <p>6 there being two separate meetings. I recall it was -- we were</p> <p>7 called once to share our vision for the property. I don't</p> <p>8 recall there being two separate meetings.</p> <p>9 THE COURT: Can you represent, as an officer of the</p> <p>10 court, that there were two meetings.</p> <p>11 MR. SOLOMON: I cannot, your Honor; that's why I</p> <p>12 was asking.</p> <p>13 THE COURT: Okay.</p> <p>14 MR. SOLOMON: Because the way the witness</p> <p>15 described, it was the vision for the entire project, yet the</p> <p>16 December 13th meeting in this handout that the witness</p> <p>17 doesn't recall, even though she received it, describes</p> <p>18 responses to the deficiency letter from the contracting</p> <p>19 officer.</p> <p>20 MR. KISE: But, your Honor, there were lots of</p> <p>21 people at the meeting. It may not have been this witness'</p> <p>22 role to discuss the things that Mr. Solomon is interested</p> <p>23 in, and I don't know why he is getting so frustrated when</p> <p>24 the witness tells him that. Like, okay, this is what I</p> <p>25 remember about the meeting. I remember our vision, I</p>	<p>1 Q Did there come a time that the Trump Organization was</p> <p>2 awarded the contract for the Old Post Office?</p> <p>3 A Yes.</p> <p>4 Q At that point in time had Colony dropped out as a</p> <p>5 partner in the deal?</p> <p>6 A I can't recall when Colony dropped out, but I believe</p> <p>7 it was prior to us being awarded the project.</p> <p>8 Q Did you then attempt to obtain financing for the</p> <p>9 project?</p> <p>10 A Yes.</p> <p>11 MR. SOLOMON: I am going to mark as PX 1302 for</p> <p>12 identification.</p> <p>13 (Handing)</p> <p>14 THE WITNESS: Thank you.</p> <p>15 THE COURT: We will break at ten of.</p> <p>16 MR. SOLOMON: Okay.</p> <p>17 THE COURT: That clock is a minute or two fast</p> <p>18 by my phone, so we will call this the eight minute</p> <p>19 warning.</p> <p>20 Q Have you had a chance to review the exhibit?</p> <p>21 A I have, yeah. Thank you.</p> <p>22 Q This is a series of e-mails, the top is from you to</p> <p>23 Jared Kushner, correct?</p> <p>24 A Yes, I see that.</p> <p>25 MR. KISE: Your Honor, before the witness</p>
Page 3763	I. Trump - by Plaintiff - Direct(Solomon) Page 3765
<p>1 remember these things. I don't remember the --</p> <p>2 MR. SOLOMON: My question --</p> <p>3 THE COURT: He didn't ask that.</p> <p>4 MR. SOLOMON: Thank you.</p> <p>5 THE COURT: He asked whether she remembered the</p> <p>6 discussion of financials, not what happened at the meeting,</p> <p>7 because -- would you like to clarify the situation, witness?</p> <p>8 THE WITNESS: No. Just like I said, I only recall</p> <p>9 one in-person meeting. Everything had been done -- our</p> <p>10 requests for proposal, everything had been done via paper.</p> <p>11 I recall one in-person meeting that I remember the intention</p> <p>12 was prior to selection of bringing the project to life and</p> <p>13 sharing -- that's why -- that was the purpose of the</p> <p>14 meeting, as I remember it, not financial statements or</p> <p>15 anything granular like that, but a big picture discussion of</p> <p>16 the vision and, um, our experience from a construction</p> <p>17 perspective; that's why I mentioned The Plaza.</p> <p>18 (Continued on the next page.)</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 answers, and we may need to have her step out, but this is</p> <p>2 bordering on marital privilege, which I know Your Honor is</p> <p>3 aware of from the other witnesses. This is communications</p> <p>4 between a husband and a wife.</p> <p>5 THE COURT: I think we call it spousal</p> <p>6 privilege, but same deal.</p> <p>7 Mr. Solomon, I Trust you recognize that as well.</p> <p>8 You must have gone to law school.</p> <p>9 MR. SOLOMON: I do, Your Honor. These are</p> <p>10 business terms. This is nothing private between a --</p> <p>11 THE COURT: I don't think there is an exception</p> <p>12 for that.</p> <p>13 MR. KISE: There is no business term exception</p> <p>14 to the spousal privilege. They can bring their expert,</p> <p>15 Mr. Cohen, back on that issue.</p> <p>16 MR. SOLOMON: Your Honor, this has been produced</p> <p>17 by the Trump Organization. It was given to the Trump</p> <p>18 Organization, it was in their files, so any privilege that</p> <p>19 might have attached was waived years ago and was clearly</p> <p>20 waived when it was produced to us.</p> <p>21 THE COURT: I am more interested in the former</p> <p>22 than the latter.</p> <p>23 Just for the edification, Mr. Robert, is there</p> <p>24 an exception to the spousal privilege just for business</p> <p>25 information?</p>

<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3766</p> <p>1 MR. ROBERT: I am not aware of it.</p> <p>2 THE COURT: I am not aware of it either. But</p> <p>3 waived, overruled. And there are third parties on the</p> <p>4 string.</p> <p>5 MR. SOLOMON: I was going to point out that</p> <p>6 later down on the stream, not necessarily the top two</p> <p>7 e-mails, but the parties on the stream later down would</p> <p>8 waive any further privilege</p> <p>9 MR. KISE: To the extent of Your Honor's ruling,</p> <p>10 we note an exception to it. But then this document is</p> <p>11 waived, the privilege as to this document. That doesn't</p> <p>12 waive the actual communications. He can't ask the witness</p> <p>13 about communications she had with her husband at this time</p> <p>14 contemporaneously. You can't go there. You may be able</p> <p>15 to ask, okay, the document is waived but.</p> <p>16 MR. SOLOMON: With all due respect, that's as to</p> <p>17 the subject matter of the document.</p> <p>18 MR. KISE: No.</p> <p>19 MR. SOLOMON: I am not asking about other</p> <p>20 communications between Ms. Trump and Mr. Kushner. I am</p> <p>21 focusing solely on the document, the information in the</p> <p>22 document, and that's what has been waived.</p> <p>23 MS. HABBA: No.</p> <p>24 MR. KISE: Does Mr. Solomon have a case that</p> <p>25 supports the subject matter waiver for spousal privilege?</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3768</p> <p>1 A Jim Petrus. (Peetrus ph.)</p> <p>2 Q Petrus?</p> <p>3 A He was the head of the hotel collection.</p> <p>4 Q You stated you had a call with Peter over at Capital</p> <p>5 One and his initial thoughts right now on the loan are as</p> <p>6 below.</p> <p>7 Does that refresh your recollection that you spoke</p> <p>8 with Capital One about potential financing for the OPO</p> <p>9 transaction?</p> <p>10 A I have a vague recollection, but I think you may have</p> <p>11 mentioned this to me a year and a half ago. Because I --</p> <p>12 THE COURT: Closer to the mic, please.</p> <p>13 A I don't recall having spoken to Capital One about it.</p> <p>14 Q Do you have any reason to believe the information you</p> <p>15 put in your e-mail is inaccurate in any way?</p> <p>16 A No.</p> <p>17 Q Okay. Principal amount is identified as 110 million.</p> <p>18 Do you see that?</p> <p>19 A I do, yes.</p> <p>20 Q Term three plus one plus one, what did you mean or</p> <p>21 what do you understand that to mean?</p> <p>22 A I would be speculating sitting here today as I don't</p> <p>23 recall this, but probably years, three years plus an additional</p> <p>24 two.</p> <p>25 Q Right. Three year term for the loan plus two</p>
<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3767</p> <p>1 I don't believe there is one.</p> <p>2 THE COURT: Give me one second.</p> <p>3 MR. SOLOMON: Your Honor, I have a suggestion</p> <p>4 that may address this. If we go question by question I</p> <p>5 think this may actually not necessarily impact what</p> <p>6 counsel was concerned about.</p> <p>7 THE COURT: All right. Let's do that.</p> <p>8 MR. SOLOMON: Because Your Honor has ruled that</p> <p>9 its been waived based upon the document.</p> <p>10 THE COURT: Okay. We have a couple of minutes</p> <p>11 let's make use of it.</p> <p>12 Q Let's look at the subject on the bottom of page one</p> <p>13 from Mr. Orowitz to you and Mr. Kushner.</p> <p>14 So we can avoid any issue there. Bottom of page one</p> <p>15 subject: Cap One feedback re OPO. Do you see that?</p> <p>16 A I do, yes.</p> <p>17 Q Is that the Capital One feedback concerning the</p> <p>18 potential Old Post Office loan?</p> <p>19 A It appears that way. I don't recall Capital One's</p> <p>20 involvement in the Old Post Office.</p> <p>21 Q Okay. If you look on page two of three at the bottom</p> <p>22 ending e-mail on June 17 of 2013. Jim Petrus to</p> <p>23 Mr. Weisselberg and Mr. Greenblatt. Do you see that?</p> <p>24 A I do.</p> <p>25 Q Who is Mr. Petrus?</p>	<p>I. Trump - by Plaintiff - Direct(Solomon) Page 3769</p> <p>1 potential one year extensions?</p> <p>2 A It seems that way, yes.</p> <p>3 Q Rate probably L plus 3.75-4 percent. Is that LIBOR</p> <p>4 plus 3.75 to 4 percent?</p> <p>5 A I see that, yes.</p> <p>6 Q Is that what you meant there?</p> <p>7 A Same as before, I -- I don't recall this e-mail so I</p> <p>8 would be guessing as to what I meant --</p> <p>9 Q You cite her --</p> <p>10 A -- over a decade ago. But that sounds reasonable.</p> <p>11 Q Okay. If you go further up, while the next e-mail is</p> <p>12 from Mr. Kushner to you, it is on a chain that you forward on</p> <p>13 to Mr. Orowitz. Do you see that?</p> <p>14 A I do, yes.</p> <p>15 Q Okay. So let's talk about that. Mr. Kushner says:</p> <p>16 "You can get better pricing for such low LTV." Did you</p> <p>17 understand LTV to be loan to value?</p> <p>18 A Yes. That makes sense.</p> <p>19 Q "Natixis will give you 140 million at that rate most</p> <p>20 likely. Should I show it to them?"</p> <p>21 Do you see that?</p> <p>22 A I do see that, yes.</p> <p>23 Q Why were you showing a Trump Organization potential</p> <p>24 transaction to Mr. Kushner?</p> <p>25 MR. KISE: Objection. This is getting into the</p>

<p>1 spousal privilege now, any reason for her communicating</p> <p>2 with her husband, any rationale, any conversations they</p> <p>3 had were -- it is squarely within the spousal privilege.</p> <p>4 THE COURT: It is a perfect time to take a</p> <p>5 break. I'll do a little research over the lunch hour. We</p> <p>6 will see you all at 2:15.</p> <p>7 I'll direct the witness again not to discuss the</p> <p>8 case or her testimony or anything related to it during the</p> <p>9 lunch break until she is no longer a witness.</p> <p>10 (Whereupon, a luncheon recess was taken at this</p> <p>11 time.)</p> <p>12 * * *</p> <p>13 A F T E R N O O N S E S S I O N</p> <p>14 * * *</p> <p>15 THE COURT: Before we resume with the witness, I</p> <p>16 want to pick up where we left off before. The e-mail</p> <p>17 clearly comes in based on First Department Law. I'll read</p> <p>18 exactly. This is Peerenboom v. Marvel, et cetera. 148</p> <p>19 AD3d, 531, 2017. At page -- you will find it. I think it</p> <p>20 is the second page.</p> <p>21 Perlmutter's use of Marvel's e-mail system for</p> <p>22 personal correspondence with his wife waived the</p> <p>23 confidentiality necessary for a finding of spousal</p> <p>24 privilege.</p> <p>25 There is an SDNY case also to the same effect.</p>		<p>1 THE COURT: I totally adopt that also.</p> <p>2 That's completely relevant here.</p> <p>3 MR. SOLOMON: Right. Which goes to the point I</p> <p>4 raise, Your Honor, about it being a purely business</p> <p>5 communication, which is an exception to the privilege.</p> <p>6 THE COURT: Did you know about that case</p> <p>7 beforehand or you found it during lunch?</p> <p>8 MR. SOLOMON: I will indicate that our strong</p> <p>9 bench was responsible for that.</p> <p>10 THE COURT: Okay. Let's hear from the other</p> <p>11 strong bench.</p> <p>12 MR. KISE: So, Your Honor, without reading your</p> <p>13 cases, I would -- I'll just say for the record, because I</p> <p>14 already know where we are going to wind up, the Melski</p> <p>15 case that they cite is contextually different. I am not</p> <p>16 going to debate it. There is no point. The document</p> <p>17 itself -- that speaks to the document itself. As well,</p> <p>18 everything that you and counsel have put on the record</p> <p>19 speaks to the document itself, not to the communications</p> <p>20 they may have had. I would disagree that the</p> <p>21 conversations they had would now be opened up under some</p> <p>22 sort of subject matter waiver.</p> <p>23 Finally, I think one thing to keep in mind is</p> <p>24 that the privilege really belongs to the spouse, who isn't</p> <p>25 here. So Mr. Kushner is not here. It doesn't necessarily</p>

<p>1 Cassandra, blah blah blah, versus Petal. 565 F.Supp 557.</p> <p>2 And the basic point is, if you use a work e-mail that is</p> <p>3 subject to being seen by other people, you waive the</p> <p>4 confidentiality. The e-mail here was from a work e-mail</p> <p>5 to a work e-mail. I'll call B to B, business to business.</p> <p>6 So I'll let the defendants make a statement or</p> <p>7 argue this if they want.</p> <p>8 And then also the question: Why did you send</p> <p>9 this -- or ask Jared, her husband, about this, to me that</p> <p>10 doesn't disclose a confidential communication between</p> <p>11 spouses. It is a question that is basically a business</p> <p>12 question. What was the business purpose.</p> <p>13 Why don't I hear from Mr. Solomon for 30 seconds</p> <p>14 and the defendants, if they want, for two or three</p> <p>15 minutes.</p> <p>16 MR. SOLOMON: Your Honor, I would also note,</p> <p>17 picking up your point beyond the business e-mail, when</p> <p>18 there is a business communication, another First</p> <p>19 Department case Security Settlement Corporation v. John</p> <p>20 Paul 128 AD2d 429, 1987. The application was also</p> <p>21 properly denied on the merits, in as much as no marital</p> <p>22 privilege would attach to the ordinary business records</p> <p>23 sought here. And testimony as to "ordinary business</p> <p>24 matters" of a spouse, citing People v. Melski 10 NY2d 78,</p> <p>25 80. And then there is a jump site.</p>		<p>1 belong to the witness. The privilege belongs not to the</p> <p>2 witness, but to the spouse against whom the testimony is</p> <p>3 offered. And so that is the -- I have to find the cites</p> <p>4 because my handwriting is not what it used to be, my</p> <p>5 ability to --</p> <p>6 THE COURT: Well --</p> <p>7 MR. KISE: The Prink case 48 NY2d 309. And the</p> <p>8 Fediuk, I think that's how you pronounce it, 66 NY2d 881.</p> <p>9 But to the extent the Court is ruling that the</p> <p>10 document comes in, which we will take exception to, for</p> <p>11 the reasons stated, certainly any communications other</p> <p>12 than the document, if the document comes in they can ask,</p> <p>13 did you send this, did you not send this, is this what it</p> <p>14 says here, is this what it says here. But going behind</p> <p>15 that would invade the privilege, particularly as it</p> <p>16 relates to Mr. Kushner, who isn't here to invoke the</p> <p>17 privilege. So she cannot be compelled, the witness cannot</p> <p>18 be compelled to answer questions about her communications</p> <p>19 with her spouse, when her spouse, who also retains the</p> <p>20 privilege, isn't even in the courtroom.</p> <p>21 THE COURT: Well, we will address the particular</p> <p>22 questions as they arise. But the question why did you</p> <p>23 send this or communicate, that's clearly not privileged.</p> <p>24 So let's get the witness.</p> <p>25 MR. SOLOMON: Thank you, Your Honor.</p>

<p>1 COURT OFFICER: Witness entering. 2 (Whereupon the witness resumed the stand.) 3 THE COURT: Mr. Solomon, let's continue. 4 MR. SOLOMON: Thank you. 5 Q Before the lunch break we were looking at PX-1302. 6 The court officer has put it in front of you. 7 (Handing.) 8 THE WITNESS: Thank you. 9 Q And we were on page two of three. We had talked 10 about your e-mail to Mr. Petrus -- did I get that right this 11 time? 12 A Yes. 13 Q Okay. And Mr. Orowitz? 14 A That's correct. 15 Q And then you had forwarded onto Mr. Kushner right 16 above that. Do you see that? 17 A Yes, I see that. 18 Q And the question I had for you is, why did you send 19 this to Mr. Kushner? 20 THE COURT: Please answer. 21 THE WITNESS: Thank you. 22 A My husband also was in real estate and would have 23 perspective for me. And so periodically we would discuss what 24 we were working on specific to real estate and more generally 25 speaking.</p>		<p>1 the income statement." Do you see that? 2 A I do. 3 THE COURT: Please speak closer and maybe a 4 little louder too. 5 THE WITNESS: My apologies, sorry. 6 A I do, yes. 7 Q Did you have a view at that time as to whether it was 8 appropriate to remove management fees from the income 9 statement? 10 A I don't know. I think that was Dave that was saying 11 that. 12 Q I understand it was Mr. Orowitz that was saying that. 13 And I am asking, did you have a view at that time as to whether 14 it was appropriate to remove management fees from the income 15 statement? 16 A Not as I sit here today remembering -- having a 17 perspective on that, no. 18 Q As you sit here today, do you believe it was 19 appropriate to remove management fees from the income 20 statement? 21 A I don't know that I have thought about it. I guess 22 it depends, were we managing the hotel? I would need more 23 context to understand if it is appropriate or not appropriate. 24 Q As you sit here today you don't have a view if it was 25 appropriate or not; is that correct?</p>	
I.Trump - by Plaintiff - Direct(Solomon)	Page 3775	I.Trump - by Plaintiff - Direct(Solomon)	Page 3777
<p>1 Q Speaking? 2 A Well, you asked me why I would forward something to 3 him, and that's why I would forward something to him. I recall 4 telling him, I don't remember this exact exchange, but it was 5 not uncommon that I would ask my husband's perspective on 6 something that I was working on. 7 Q And after forwarding it on to him, you then asked 8 Mr.-- well, you asked Dave, I assume that's Mr. Orowitz on the 9 e-mail above; do you see that? 10 A I do. 11 Q To send Jared, that's Mr. Kushner, correct? 12 A Yes. 13 Q The latest OM, as well as the THC presentation. Is 14 OM offering memorandum? 15 A That would be my best guess, yes. 16 Q And THC is the Trump Hotel Chicago? 17 A No, probably the Trump Hotel Collection. I believe 18 that's the anacronym we used.(sic.) 19 Q Mr. Orowitz then responds to you and Mr. Kushner, 20 with cc to Mr. Flores on the bottom, page one of three: "Hope 21 all is well, see attached for both presentations." So he 22 followed your instructions, right? 23 A It appears that way, yes. 24 Q "I wanted to get to you right away, but -- before we 25 sent out again -- we are going to remove management fees from</p>		<p>1 A That's correct, yes. 2 Q Before we go on to the next document in this series, 3 I want to go back for a moment. We were talking about your 4 recollection or lack of recollection with respect to the 5 response submitted to the GSA for the December 13 efficiency 6 letter; do you recall that? 7 A I do. 8 Q And do you recall -- withdrawn. 9 I am going to ask the court officer to put in front 10 of you PX-1429, which is already in evidence. 11 (Handing) 12 THE WITNESS: Thank you. 13 Q Now, this document is an e-mail from Mr. Orowitz to 14 Mr. Weisselberg, December 16, 2011. Beginning: "Allen, Ivanka 15 wanted me to change the language in the GAAP section. She 16 asked that I review with you." 17 Does this document refresh your recollection that you 18 had conversations about the GAAP section in the Trump 19 Organization's response to the December 13 deficiency letter? 20 A No, it doesn't. I don't believe I am on this e-mail. 21 Unless I am. 22 Q I didn't say you were on the e-mail. I am asking if 23 this letter refreshes your recollection, however -- 24 A No. 25 Q Please let me finish my question.</p>

<p>1 -- as to whether you had any role in responding to</p> <p>2 the GAAP deficiencies noted in the December 13 letter from the</p> <p>3 GSA?</p> <p>4 A No.</p> <p>5 Q Do you have any reason to believe Mr. Orowitz was</p> <p>6 inaccurate in any way when he said you wanted him to change the</p> <p>7 language in the GAAP section?</p> <p>8 A Well, it is a long section. So I don't know which</p> <p>9 language it is referring to. There is language --</p> <p>10 Q Do you have any reason to believe Mr. Orowitz was</p> <p>11 inaccurate that you wanted any changes in the GAAP section?</p> <p>12 A I don't know. You would have to ask Mr. Orowitz.</p> <p>13 Q As you sit here today do you have any reason to</p> <p>14 believe he was inaccurate?</p> <p>15 A No.</p> <p>16 Q He goes on to state that she -- and I assume that</p> <p>17 refers to you -- ask that I review it with you, meaning</p> <p>18 Mr. Weisselberg.</p> <p>19 Do you have any reason to believe Mr. Orowitz was</p> <p>20 inaccurate when he reported that you wanted Mr. Orowitz to</p> <p>21 review it with Mr. Weisselberg?</p> <p>22 A No.</p> <p>23 Q Okay.</p> <p>24 MR. SOLOMON: If we could mark PX-327. It is</p> <p>25 already in evidence.</p>	<p>1 A I do, yes.</p> <p>2 Q During the redevelopment period LIBOR plus 2 percent</p> <p>3 or the prime rate; correct?</p> <p>4 A Yes.</p> <p>5 Q And post-redevelopment period and upon delivery of</p> <p>6 appraisal indicating a maximum LTV of less than or equal to</p> <p>7 60 percent-LIBOR plus 1.75 percent or the prime rate minus</p> <p>8 .25 percent. Do you see that?</p> <p>9 A I do.</p> <p>10 Q And if you go to page three, the bottom "this</p> <p>11 requires a guarantee," correct?</p> <p>12 A Yes.</p> <p>13 Q And ultimately did Donald J. Trump guarantee the loan</p> <p>14 from Deutsche Bank on the Old Post Office?</p> <p>15 A Yes.</p> <p>16 Q If you turn to page five. Section Conditions</p> <p>17 Precedent. Fourth bullet point from the bottom. Quote</p> <p>18 "Guarantor's financial information" -- before I read that.</p> <p>19 At the top it starts with: "Usual and customary for</p> <p>20 a facility of this size and type including but not limited to</p> <p>21 receipt, review and acceptance of:" And then it has a number</p> <p>22 of bullet points, correct?</p> <p>23 A Yes.</p> <p>24 Q Okay. The fourth bullet point from the bottom, one</p> <p>25 of the items is guarantor's financial information as previously</p>

<p>1 (Handing)</p> <p>2 THE WITNESS: Thank you.</p> <p>3 Q This is an e-mail from Mr. Sullivan to you and</p> <p>4 Mr. Orowitz attaching a draft term sheet. Do you see that?</p> <p>5 A I do, yes.</p> <p>6 Q And the reference is the Old Post Office, correct?</p> <p>7 A I see that, yes.</p> <p>8 Q Do you recall receiving this document?</p> <p>9 A Nope.</p> <p>10 Q Do you have any reason to believe you did not receive</p> <p>11 this document?</p> <p>12 A No, I don't.</p> <p>13 MR. SOLOMON: We offer it in evidence, Your</p> <p>14 Honor -- I am sorry, it is already in.</p> <p>15 Withdrawn, Your Honor, it is already in.</p> <p>16 Q If you look at the third page of this document, start</p> <p>17 with Facility Type.</p> <p>18 A I see that, yes.</p> <p>19 Q \$160 million. Facility Type is the loan amount in</p> <p>20 this context?</p> <p>21 A Yes.</p> <p>22 Q Among other things?</p> <p>23 A Yes.</p> <p>24 Q And if you turn to page four. Interest costs, top of</p> <p>25 the page. Do you see that?</p>	<p>1 delivered, including current balance sheet, bank and/or</p> <p>2 brokerage statement to verify liquidity, real estate portfolio</p> <p>3 summary, schedule of contingent liabilities, cash flow</p> <p>4 statement and limited review of most recent tax returns. Do</p> <p>5 you see that?</p> <p>6 A I do.</p> <p>7 Q Were you aware that that was a condition precedent to</p> <p>8 Deutsche Bank making the loan on the Old Post Office?</p> <p>9 MR. KISE: Objection. Calls for legal</p> <p>10 conclusion.</p> <p>11 THE COURT: Overruled. That's not a legal</p> <p>12 conclusion. That's common sense.</p> <p>13 MR. KISE: Condition precedent? That's</p> <p>14 definitely a legal conclusion.</p> <p>15 THE COURT: If the bank says you have to do X,</p> <p>16 Y, Z to get this loan, to ask the witness does she</p> <p>17 understand that guarantor had to do X or Y or Z, that</p> <p>18 doesn't take a legal conclusion. I understand condition</p> <p>19 precedent would tend to be a legal word.</p> <p>20 Is there some way you can change that?</p> <p>21 Necessary condition? Pre condition?</p> <p>22 MR. SOLOMON: Is Your Honor sustaining the</p> <p>23 objection?</p> <p>24 THE COURT: Well I am trying to -- yes.</p> <p>25 Q Did you understand that based upon this term sheet,</p>

I.Trump - by Plaintiff - Direct(Solomon) Page 3782	I.Trump - by Plaintiff - Direct(Solomon) Page 3784
<p>1 that this term sheet recited a condition precedent to making</p> <p>2 the loan was or were all of the items in bullet point that I</p> <p>3 just read, the fourth one from the bottom?</p> <p>4 THE COURT: All right. Just rephrase it without</p> <p>5 using the term "condition precedent."</p> <p>6 MR. SOLOMON: That's the language -- Your Honor</p> <p>7 that's the language used in the document. That's what I</p> <p>8 am asking.</p> <p>9 THE COURT: But that's not a layperson's, a</p> <p>10 non-lawyer's understanding.</p> <p>11 Q Did you understand that before making this loan,</p> <p>12 Deutsche Bank required the guarantor to provide the information</p> <p>13 contained in the fourth bullet point from the bottom with</p> <p>14 respect to financial information as previously delivered and</p> <p>15 all of the other items identified therein?</p> <p>16 THE COURT: Thank you.</p> <p>17 A Not with that specificity, no. I generally</p> <p>18 understood that there was a personal guarantee that was a</p> <p>19 condition of the loan. And then there was a series of other</p> <p>20 requirements that were fulfilled by the team in accordance with</p> <p>21 the terms of the loan. But this level of granularity was</p> <p>22 not -- was not something I could sit here today and say that I</p> <p>23 recall.</p> <p>24 Q At some point in time did your company, Ivanka OPO</p> <p>25 LLC, become a member of Trump Old Post Office LLC?</p>	<p>1 A I do, yes.</p> <p>2 Q Do you recognize Donald J. Trump Jr.'s signature on</p> <p>3 behalf of Don OPO LLC?</p> <p>4 A I believe so, yes.</p> <p>5 Q Do you recognize Eric Trump's signature on behalf of</p> <p>6 Eric OPO LLC?</p> <p>7 A I believe so, yes.</p> <p>8 MR. SOLOMON: Your Honor, we offer this in</p> <p>9 evidence.</p> <p>10 MR. KISE: Objection, statute of limitations and</p> <p>11 relevance.</p> <p>12 THE COURT: Overruled. It is in evidence.</p> <p>13 (Whereupon, the document referred to was deemed</p> <p>14 marked for evidence as Plaintiff's Exhibit 1333 by</p> <p>15 the Court.)</p> <p>16 Q If you look on the page three of 42, please.</p> <p>17 A Okay.</p> <p>18 Q And the fifth whereas clause. Does that refresh your</p> <p>19 recollection along with the signature blocks as to the entity</p> <p>20 known as Ivanka OPO LLC?</p> <p>21 A As I said to you, it sounded like a reasonable entity</p> <p>22 name for the Old Post Office and my interest in it.</p> <p>23 Q Was it your understanding by entering into this</p> <p>24 agreement that you, through Ivanka OPO LLC, obtained an</p> <p>25 interest in the entity known as Trump Old Post Office LLC?</p>
I.Trump - by Plaintiff - Direct(Solomon) Page 3783	I.Trump - by Plaintiff - Direct(Solomon) Page 3785
<p>1 A I don't recall what the entity names are, but that</p> <p>2 sounds reasonable that it would be one of my entities relating</p> <p>3 to the Old Post Office.</p> <p>4 MR. SOLOMON: Could we have PX-1333.</p> <p>5 I am going to ask to hand up what I have marked</p> <p>6 for identification as PX-1333.</p> <p>7 (Handing)</p> <p>8 THE WITNESS: Thank you.</p> <p>9 Q While you are looking at it, I will identify that it</p> <p>10 is a document Trump Old Post Office Member Corp., Exhibit D.</p> <p>11 Second Amended and Restated Limited Liability Company</p> <p>12 Agreement.</p> <p>13 And the second page is the Second Amended and</p> <p>14 Restated Limited Liability Company Agreement of Trump Old Post</p> <p>15 Office LLC (a Delaware Limited Liability Company)?</p> <p>16 A Mm-Hm.</p> <p>17 Q Do you see that?</p> <p>18 A Yes, I do.</p> <p>19 Q And if you look on page 37 of 42, is that your</p> <p>20 signature under Ivanka OPO LLC?</p> <p>21 A For page?</p> <p>22 Q Thirty-seven of 42.</p> <p>23 A That is my signature, yes.</p> <p>24 Q Okay. Do you recognize your father's signature on</p> <p>25 behalf of DJT Holdings LLC?</p>	<p>1 A Yes, I don't know how the interest was structured, I</p> <p>2 think it was a profit participation, and that interest was</p> <p>3 disclosed to the GSA. But I don't -- I don't recall exactly</p> <p>4 how it was structured.</p> <p>5 Q You have no reason to doubt that you had an interest</p> <p>6 in --</p> <p>7 A No.</p> <p>8 Q -- the entity known as Trump Old Post Office LLC, do</p> <p>9 you?</p> <p>10 A No, I don't.</p> <p>11 Q Did there come a time -- withdrawn.</p> <p>12 Do you have a revocable trust?</p> <p>13 MR. SOLOMON: Is that the pronunciation we all</p> <p>14 agreed upon?</p> <p>15 THE COURT: I think we like that one better,</p> <p>16 yes, revoc-able versus re-vocable, (ph.) are we doing</p> <p>17 revoc-able?</p> <p>18 Let's ask the witness.</p> <p>19 How would you pronounce it?</p> <p>20 THE WITNESS: I am going to go with revoc-able,</p> <p>21 but re-vocable sounds great. I think it is re-vocable.</p> <p>22 THE COURT: I think you just changed your mind</p> <p>23 there.</p> <p>24 Q Do you have one of those trusts?</p> <p>25 A I don't know if it is active, but I believe -- I</p>

<p>1 believe I had one at some point in time. I remember that, yes.</p> <p>2 Q And do your brothers, Don Jr. and Eric, also have a</p> <p>3 revocable trust?</p> <p>4 A I don't know.</p> <p>5 Q Did there come a time that your revocable trust</p> <p>6 guaranteed to Donald Trump payment of certain amounts he might</p> <p>7 have to pay under his guaranty on the OPO loan?</p> <p>8 A I don't believe so.</p> <p>9 MR. SOLOMON: I am going to ask the court</p> <p>10 officer to mark what we have identified as PX-1314 for</p> <p>11 identification.</p> <p>12 (Handing)</p> <p>13 THE WITNESS: Thank you.</p> <p>14 Q Is that your signature on the first page of PX-1314?</p> <p>15 A Yes.</p> <p>16 Q On behalf of the Ivanka Trump Revocable Trust dated</p> <p>17 August 13, 2010.</p> <p>18 A Yes.</p> <p>19 Q Do you recognize Donald J. Trump Jr.'s signature</p> <p>20 above yours?</p> <p>21 A I do.</p> <p>22 Q And do you recognize Eric Trump's signature below</p> <p>23 yours?</p> <p>24 A I do, yes.</p> <p>25 Q Turn to page nine of this document. Is that your</p>	<p>1 Q And is that Donald J. Trump, Jr.'s signature above</p> <p>2 yours?</p> <p>3 A I believe so.</p> <p>4 Q And is that Eric F. Trump's signature on behalf of his</p> <p>5 revocable trust below yours?</p> <p>6 A I believe so.</p> <p>7 MR. SOLOMON: We offer this in evidence.</p> <p>8 MR. KISE: Objection. Statute of limitations and</p> <p>9 relevance.</p> <p>10 THE COURT: Overruled.</p> <p>11 (The Plaintiff's Exhibit was deemed marked and</p> <p>12 admitted in evidence.)</p> <p>13 Q If you turn to the second -- page two, the second</p> <p>14 whereas clause, "Whereas in consideration for lender making the</p> <p>15 loan to borrower", and "borrower" is defined above as "Trump Old</p> <p>16 Post Office, LLC," do you see that?</p> <p>17 A I see that, yes.</p> <p>18 Q "Making the loan to borrower, DJT executed and</p> <p>19 delivered to lender that certain guaranty dated as of</p> <p>20 August 12th, 2014, (the 'existing guaranty'.)"</p> <p>21 Do you see that?</p> <p>22 A I do.</p> <p>23 Q And if you look in section two, "guaranty", the bottom</p> <p>24 of the first page, "each guarantor" -- and if you look at the</p> <p>25 top, "guarantor" is a defined term, "to include The Ivanka Trump</p>
I. Trump - by Plaintiff - Direct(Solomon) Page 3787	I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3789
<p>1 signature on behalf of the Ivanka Trump Revocable Trust?</p> <p>2 A It is.</p> <p>3 (The following proceedings were stenographically</p> <p>4 recorded by Senior Court Reporter Michael Ranita.)</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>1 Revocable Trust." Do you see that?</p> <p>2 A I do, yes.</p> <p>3 Q So it's a defined term, "Each guarantor hereby</p> <p>4 irrevocable, absolutely, and unconditionally guarantees to DJT a</p> <p>5 prompt and unconditional payment of his or her respective</p> <p>6 guarantor proportionate share of the guaranteed amount as</p> <p>7 defined below, as and when the same shall be due and/or payable</p> <p>8 pursuant to this guaranty."</p> <p>9 Do you see that?</p> <p>10 A I see that, yes.</p> <p>11 Q Does that refresh your recollection that your trust</p> <p>12 guaranteed to Donald J. Trump certain monies he may be called</p> <p>13 upon to pay under his guaranty for the OPO loan?</p> <p>14 A No.</p> <p>15 Q Do you have any reason to doubt that this document</p> <p>16 obligated you or your trust to do that?</p> <p>17 A I have no recollection of this document, so. I would</p> <p>18 have to have a lawyer read it to determine what it obligated,</p> <p>19 but I don't remember it.</p> <p>20 Q But you have no doubt that you did in fact execute it</p> <p>21 on the date indicated on the document?</p> <p>22 A No, I see my signature.</p> <p>23 Q Between January 2017 and present, have you received any</p> <p>24 payments as a result of your interest in the OPO transaction?</p> <p>25 MR. KISE: Objection. Relevance.</p>

<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3790</p> <p>1 THE COURT: Overruled. 2 A I believe you said "since January 2017." 3 Q Between January 17 and present. 4 A Yes, I believe we discussed it this morning. I 5 received a payment upon the sale of the asset. 6 Q Did you receive any other payments on behalf of -- or 7 in respect of your interest in the OPO Hotel? 8 A I don't believe so. 9 Q Okay. 10 Do you recall the approximate amount of the payment you 11 received upon the sale? 12 A Not the exact amount, no. 13 THE COURT: He didn't ask for an exact amount, or 14 he didn't mean exact amount. 15 MR. SOLOMON: I have a document, your Honor. I 16 think we could move forward more quickly this way. 17 I'm going to ask to hand to the witness PX-1373, 18 which is already in evidence. 19 (The exhibit was handed to the witness.) 20 THE WITNESS: Thank you. 21 (Whereupon, the exhibit was displayed on the 22 screen.) 23 Q I understand you are not on this e-mail chain, but I 24 would direct your attention to the bottom e-mail from Patrick 25 Birney, with Donna Kidder, with the cc to Mark Hawthorn and</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3792</p> <p>1 THE COURT: I was going to say, I gather that is a 2 yes. 3 MR. SUAREZ: Yes. 4 CROSS EXAMINATION 5 BY MR. SUAREZ: 6 Q Good afternoon, Ms. Trump. 7 A Hello. 8 Q My name is Jesus Suarez. I represent certain of the 9 defendants in this case. 10 Ms. Trump, what role did you have, if any, in creating 11 Statements of Financial Condition for your father? 12 A None, that I'm aware of. 13 Q Were you responsible for preparing Statements of 14 Financial Condition for your father? 15 A No, I don't believe so. 16 Q Were you responsible for reviewing Statements of 17 Financial Condition for your father? 18 A No. 19 Q Were you responsible for approving Statements of 20 Financial Condition for your father? 21 A No. 22 THE COURT: Well, she said she had no role, so you 23 really didn't have to ask those questions, but let's just 24 move on. 25 MR. KISE: So we are getting -- your Honor, I'm</p>
<p>I. Trump - by Plaintiff - Direct (Mr. Solomon) Page 3791</p> <p>1 Michael Levchuck? 2 A I see that yes. 3 Q You see distributions based upon a sale proceeds from 4 OPO; correct? 5 A I see that, yes. 6 THE COURT: Please, a little louder and/or a little 7 closer, or a lot louder and a lot closer. 8 A I see that yes. 9 Q I believe this has previously been identified as the 10 distribution from the proceeds from the OPO sale. Do you have 11 any reason to doubt that? 12 A I'm not, as you noted, copied on this chain, but I've 13 -- it -- so I don't know one way or another if this is the 14 waterfall. 15 Q Did you receive approximately \$4 million from the 16 proceeds of the OPO sale? 17 A That's consistent with my recollection, yes. 18 MR. SOLOMON: We have nothing further at this time, 19 your Honor. 20 THE COURT: Okay. 21 Will there be any cross examination of the witness 22 at this point? 23 (Whereupon, there is a brief pause in the 24 testimony.) 25 MS. HABBA: Yes.</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3793</p> <p>1 just going to note that we haven't even been at it one 2 minute and we are already getting a "hurry up" after they 3 spent hours going over clearly irrelevant documents. I'm 4 just going to note that on the record. Your Honor, that is 5 grossly unfair, respectfully. 6 THE COURT: Okay. I disagree. 7 Q Were you responsible, personally, for submitting the 8 Statements of Financial Condition to anyone? 9 A No. 10 Q Were you responsible for assigning asset values that 11 were assigned to specific assets in the Statements of Financial 12 Condition? 13 A I don't believe so. 14 Q Were you responsible for developing the methodologies 15 used to value specific assets in the Statements of Financial 16 Condition? 17 A Could you repeat that last one. 18 Q Were you responsible for developing the methodologies 19 used to value specific assets in your father's Statements of 20 Financial Condition? 21 A No. 22 Q Are you familiar with the Private Wealth Management 23 Group at Deutsche Bank? 24 A Yes. 25 Q Earlier in your testimony you described Rosemary</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3794</p> <p>1 Vrablic as a "formidable banker", I believe?</p> <p>2 A Yes.</p> <p>3 Q Why did you describe her as such?</p> <p>4 A She had an incredible reputation as being exactly that,</p> <p>5 a long career in the banking industry and considered a very</p> <p>6 reputable solid lender.</p> <p>7 Q How is the Private Wealth Management Division of</p> <p>8 Deutsche Bank different from the other divisions at the bank?</p> <p>9 A As I testified earlier, I dealt primarily with the</p> <p>10 Private Wealth Division, so outside of a few conversations here</p> <p>11 and there, I really -- that was my experience, was dealing with</p> <p>12 Rosemary and her team predominantly.</p> <p>13 Q Would it be fair to say you developed a professional</p> <p>14 working relationship with Ms. Vrablic?</p> <p>15 A Yes.</p> <p>16 Q She was the banker assigned to Deutsche Bank to manage</p> <p>17 the relationship with your family and its businesses; correct?</p> <p>18 A She was one of the bankers. She had a team alongside</p> <p>19 of her. She was my primary point of contact though.</p> <p>20 Q And her job, together with her team, was to help</p> <p>21 develop the relationship between Deutsche Bank and your family;</p> <p>22 correct?</p> <p>23 A That is correct, yes.</p> <p>24 Q In fact, it was her job to help the bank make money by</p> <p>25 developing its relationship with your family; correct?</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3796</p> <p>1 Deutsche Bank and your family's business for purposes of</p> <p>2 explaining what those opportunities were?</p> <p>3 A She may have. My relationship with Rosemary was pretty</p> <p>4 high level, as I testified earlier. We would have preliminary</p> <p>5 discussions typically focused on an asset where I would</p> <p>6 describe, um, the property, the opportunity, what we envisioned</p> <p>7 for its development potential. And then she would have a team</p> <p>8 behind her who would dig into the details.</p> <p>9 Q And from time to time, Deutsche Bank would present you</p> <p>10 with other investment opportunities?</p> <p>11 A Periodically.</p> <p>12 MR. SUAREZ: Could we pull up Defendant's</p> <p>13 Exhibit 307, please.</p> <p>14 (Whereupon, the exhibit was displayed on the</p> <p>15 screen.)</p> <p>16 MR. SUAREZ: And zoom in.</p> <p>17 (Whereupon, the exhibit displayed on the screen was</p> <p>18 enlarged.)</p> <p>19 Q Ms. Trump, if you could please take a second to review</p> <p>20 this document.</p> <p>21 (The exhibit was handed to the witness.)</p> <p>22 THE WITNESS: Thank you.</p> <p>23 Q Do you recall receiving this document?</p> <p>24 A I don't recall receiving this document, no.</p> <p>25 Q Refreshing your recollection with the document, does</p>
<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3795</p> <p>1 A Presumably.</p> <p>2 MR. SOLOMON: Your Honor, how would this witness</p> <p>3 know what her responsibility -- Ms. Vrablic's</p> <p>4 responsibilities were internally at the bank?</p> <p>5 THE COURT: I see the point but, I'll allow the</p> <p>6 question. And she answered it.</p> <p>7 Q Did Ms. Vrablic do a good job?</p> <p>8 A Yes. We were very pleased with the relationship from</p> <p>9 when it was initiated to at least what I could speak to, which</p> <p>10 is up until the time I left the company.</p> <p>11 Q She introduced different products that the Private</p> <p>12 Wealth Management Division offered to your family and its</p> <p>13 business; correct?</p> <p>14 A Periodically.</p> <p>15 Q She explained products that were available to members</p> <p>16 of the Private Wealth Management Division?</p> <p>17 A Correct, yes.</p> <p>18 Q And those products included loans; correct?</p> <p>19 A Correct.</p> <p>20 Q And Ms. Vrablic would have explained to you and to your</p> <p>21 family's business the benefits of banking through the Private</p> <p>22 Wealth Group; correct?</p> <p>23 A Yes, she was -- expressed tremendous excitement to have</p> <p>24 our account.</p> <p>25 Q And Ms. Vrablic would have served as a conduit between</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3797</p> <p>1 this document remind you of any instances in which the bank</p> <p>2 would have presented other investment opportunities to you?</p> <p>3 A Only in that it seems consistent with them periodically</p> <p>4 sending us opportunities for investment, but I don't remember</p> <p>5 this specific example, no.</p> <p>6 Q And would this have been consistent with the bank's</p> <p>7 practice of developing its relationship with you and your</p> <p>8 family's business?</p> <p>9 A Yes, if they were looking to grow the relationship and</p> <p>10 expand it.</p> <p>11 MR. SUAREZ: Your Honor, we move to admit</p> <p>12 Defendant's Exhibit 307.</p> <p>13 THE COURT: Granted. It's in.</p> <p>14 (Defendant's Exhibit 307 was deemed marked and</p> <p>15 admitted in evidence.)</p> <p>16 Q Deutsche Bank was excited about the relationship it had</p> <p>17 with your family; correct?</p> <p>18 A Yes, they were.</p> <p>19 Q And, in fact, Deutsche Bank sought to showcase the</p> <p>20 relationship that it was developing with your family's business;</p> <p>21 correct?</p> <p>22 A That's a characterization of it that I don't know. All</p> <p>23 I know is what was expressed to me, which was a level of</p> <p>24 excitement for the relationship and positive feelings about how</p> <p>25 it was going throughout the arc of the time that I was there.</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3798</p> <p>1 (Whereupon, the exhibit displayed on the screen was 2 taken down.) 3 Q Was it the case of Deutsche Bank wanted to showcase 4 your family's relationship with the bank in a promotional video? 5 A That's quite possible. I don't remember that, but it's 6 quite possible. 7 MR. SUAREZ: If we could please pull up Defendant's 8 295, pre-marked for identification. 9 (Whereupon, the exhibit was displayed on the 10 screen.) 11 (The exhibit was handed to the witness.) 12 THE WITNESS: Thank you. 13 Q Ms. Trump, if I could please ask you to review this 14 exhibit. 15 A I see it. Yes, thank you. 16 Q Is this your e-mail address at the top of this exhibit? 17 A It was, yes. 18 Q And would this e-mail refresh your recollection as to a 19 time Deutsche Bank asked you to participate in a promotional 20 video for the bank? 21 A Vague recollection, but not -- not -- I don't -- I 22 don't recall if I did the video or not. 23 MR. SUAREZ: Your Honor, we would move to admit 24 this exhibit into evidence. 25 THE COURT: Granted. It's in.</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3800</p> <p>1 A I think I testified earlier that, you know, at one 2 point in time my father was considering building the two 3 projects we spoke most extensively about today, Doral and the 4 Old Post Office, in cash, but we had met with Rosemary. We 5 liked the team. We had heard great things about them. We were 6 excited to work with them. We liked their proposal. And so I 7 think if I were asked that question, I would probably say the 8 relationship was a huge point of differentiation. 9 Q Were you present at a meeting between Anshu Jain and 10 your father? 11 A I was, yes. 12 Q Do you recall when that meeting took place? 13 A I do not. 14 MR. SUAREZ: Can we please pull up Defendant's 15 Exhibit 223. 16 (Whereupon, the exhibit was displayed on the 17 screen.) 18 (The exhibit was handed to the witness.) 19 THE WITNESS: Thank you. 20 Q If you could please take a second to review this 21 letter. 22 (Whereupon, there is a brief pause in the 23 testimony.) 24 Q Do you see the date of this letter March 14, 2023? 25 A I see that.</p>
<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3799</p> <p>1 (Defendant's Exhibit 295 was deemed marked and 2 admitted in evidence.) 3 Q Do you recall any discussion with the bank or 4 Ms. Vrablic concerning the different subject areas that they 5 wanted you to speak about in the video? 6 A I think more generally, like I -- it's a long time ago 7 now, but like I said, I was constantly told by Rosemary and 8 members of her team how much they appreciated the relationship 9 and were seeking to grow it. 10 I'm seeing on this chain a reference to the cochairman 11 Jain, which makes me recall a request from, I believe, Rosemary, 12 or her partner, Dominic, to meet with them as one of their top 13 clients, as he was coming to America and wanted to meet with 14 individuals that bank with them in New York. So that -- that 15 refreshes my memory on that front, but I don't remember the 16 specific video, no. 17 Q That's the cochairman of the bank, Anshu Jain? 18 A Yes. 19 Q Do you see it says "What was the key differentiator 20 that DB brought to the table versus other competitors?" 21 Do you see that? 22 A I do, yes. 23 Q Did you ever provide any feedback to Deutsche Bank as 24 to why you had chosen -- excuse me, why your family's business 25 had chosen to do business with them?</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3801</p> <p>1 Q Excuse me, March 14, 2013. 2 A I see that, 2013, yes. 3 Q It's addressed to your father; correct? 4 A Yes. 5 Q And it says, "Great to meet you for lunch last week." 6 A I see that. 7 Q Would this refresh your recollection as to when the 8 meeting with Mr. Jain took place? 9 A No, I don't recall when it took place, but I do recall 10 him coming top Trump Tower at some point and meeting with my 11 father and myself. 12 Q What was the subject matter of that meeting? 13 A I only remember high level that he -- that it was more 14 of an introductory meeting. I don't believe either of us had 15 ever met him before. And Rosemary had told us that her chairman 16 was coming in from Europe and wanted to meet with their top 17 clients. So I was left with the impression that she was going 18 to introduce him to my father, and to a couple of other select 19 clients of hers, while he was in town. 20 Q Do you see where it says "It was a pleasure to see your 21 delight in the build out of your family holdings, and your 22 justified pride in having your children in the business." 23 A I do see that, yes. 24 Q Were the family holdings discussed at the lunch meeting 25 with Mr. Jain?</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3802</p> <p>1 A Yes, it was -- I recall it being a very, very friendly 2 meeting and him encouraging us to do more business with Deutsche 3 Bank. I think it was a little bit of a sales call, stopping by, 4 talking about the different deals we had pending, um, that I'm 5 assuming Rosemary had briefed him on, and suggesting that we do 6 additional business with the bank. 7 Q And how did your father respond to the meeting between 8 Mr. Jain and himself? 9 A It was very positive. There was a very nice -- it was 10 a very nice meeting. 11 Q Who was present at this meeting? 12 A I recall my father, of course, being there, um, and 13 myself. Allen Weisselberg may have been present as well. 14 Q And after this meeting -- 15 A And Rosemary. 16 Q Ms. Vrablic? 17 A Potentially Dominic as well, but I don't think so. 18 Q Who is Dominic? 19 A Rosemary's partner. 20 Q Is that Dominic Scalzi? 21 A Yes. 22 Q And after this meeting, your family's business 23 continued to do business with Deutsche Bank; is that correct? 24 A Yes. 25 Q And that included making deposits at Deutsche Bank?</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3804</p> <p>1 your family's business? 2 A Yes, in part. 3 Q Were other business sectors inside of the bank also 4 courting your family's business? 5 A I can't speak to -- I can't speak to that, but only to 6 the outreach from, from Rosemary and the -- and I guess her 7 boss, the cochairman, and their interest in doing relation -- 8 doing business with us. 9 Q What was your individual role in acquiring -- 10 withdrawn. 11 What was your individual role in your family's decision 12 to acquire the Doral property? 13 (Whereupon, the exhibit displayed on the screen was 14 taken down.) 15 A Initially, it was being marketed by a brokerage 16 company, um, as part of the bankruptcy reorganization we had 17 discussed a little bit earlier, and we had looked at the 18 project, um, had ended up, I believe, not initially submitting a 19 bid. 20 There were several people that I recall that were 21 involved at that point in the bidding process, but I remember, 22 then, Michael Asher, who is helping spearhead the process on 23 behalf of -- on behalf of the sellers, reaching out and 24 re-engaging us in the bid process. 25 Um, and I remember the very inconvenient timing of his</p>
<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3803</p> <p>1 A I believe so. 2 Q And that included the family business engaging in loan 3 transactions with Deutsche Bank; correct? 4 A Yes. 5 Q And that included those loans resulting in interest 6 being paid to Deutsche Bank; is that correct? 7 A Yes. 8 Q Was there competition within Deutsche Bank for your 9 family's business? 10 A I don't know how I would characterize that. I think we 11 discussed before my experience was with the private bank. I 12 viewed it as a team. I'm assuming, at a big multinational bank 13 there would be many such teams, but Rosemary was the one that I 14 was familiar with and established a relationship with. 15 Q Did your family's business have an existing 16 relationship with Deutsche Bank before you were introduced to 17 Ms. Vrablic? 18 A Yes. 19 Q And was it the case that within Deutsche Bank, the 20 relationship shifted over to the Private Wealth Management 21 Group? 22 A I don't know if it shifted, but that's where my 23 relationship was, and the loans that I worked on were with 24 Rosemary and her team. 25 Q And was that because Ms. Vrablic, Rosemary, courted</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3805</p> <p>1 phone call, because I think I may have been in the hospital, or 2 about to go to the hospital with my first child. And he called 3 and he said -- I may have actually been in the hospital -- that 4 if we were interested, um, we had the opportunity to be the 5 stalking horse bidder for the project. And it was pursued from 6 that point forward, and multi-year multi-million dollar 7 renovation, soup to nuts, of the property was embarked on, and a 8 redevelopment. 9 Q Why was Deutsche Bank selected as the lender in that 10 project? 11 A Well, I spoke before about the relationship, and they 12 had a stellar one, and one that was directly told to me was 13 excellent. And it was a whole multitude of factors, obviously. 14 They gave us a firm sheet with terms that we were interested in 15 pursuing. 16 So there was a whole series of reasons why we chose to 17 do a deal with them. I don't think it's one thing sitting here 18 today. 19 Q Was the development of the relationship by Ms. Vrablic 20 a factor in that decision? 21 A Oh, of course, yeah. 22 Q And, of course, there were other options to finance 23 that acquisition; correct? 24 A There were. I think we spoke about a few of them 25 today. I'm sure there were more that I can't recall, um, over</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3806</p> <p>1 12 years out.</p> <p>2 Q It certainly would have been possible for your family's</p> <p>3 business to self-finance the acquisition; correct?</p> <p>4 A We discussed it.</p> <p>5 Q And it would have been possible to talk to any number</p> <p>6 of different lenders who could have provided financing for the</p> <p>7 acquisition; correct?</p> <p>8 A Yes.</p> <p>9 Q It would have been possible to sell an asset and use</p> <p>10 the proceeds to finance the acquisition; correct?</p> <p>11 A Yes.</p> <p>12 Q How was the Doral property identified as an asset that</p> <p>13 your family's business was interested in investing in?</p> <p>14 A Through the public process I mentioned earlier, but my</p> <p>15 father had a deep and nostalgic love for that particular</p> <p>16 property. He used to tell us stories about having gone there as</p> <p>17 a child with his own father, um, when it was owned by the Kaskel</p> <p>18 family.</p> <p>19 So he told me he took my mother there. They had, at</p> <p>20 one time, the greatest spa in the world, um, and they had gone</p> <p>21 there as a couple. I believe I may have even gone there as a</p> <p>22 child with him as well. So between him being there with his</p> <p>23 father, on a golf trip with my mother, and I believe me as a</p> <p>24 small child, he had a lot of, um, sentimental affection for the</p> <p>25 property, and also a strong feeling that it was not being --</p>	<p>I. Trump - by Plaintiff - Cross (Suarez) Page 3808</p> <p>1 Q And what was your vision for redeveloping that</p> <p>2 property?</p> <p>3 A Ooh, it was a huge project and Herculean because of</p> <p>4 the size and scale and enormity and the sheer number of acres,</p> <p>5 number of rooms. Most of my attention was focused on the</p> <p>6 actual redevelopment of this asset and OPO. You know, once I</p> <p>7 had worked with the team and there was high level agreement</p> <p>8 around the terms of the financing, my attention really went on</p> <p>9 to the redevelopment of the actual asset, and repositioning it</p> <p>10 for success, and overseeing the construction and the design of</p> <p>11 that. So we renovated all 700 plus rooms, ballrooms, meeting</p> <p>12 spaces, common areas.</p> <p>13 I was less involved in the golf component. My father</p> <p>14 has a particular affinity for golf and a particular vision for</p> <p>15 that. So typically he would focus on the golf and I would</p> <p>16 focus on the resort itself.</p> <p>17 But it was a -- it was a big project. It was a lot</p> <p>18 of work, a lot of time, and a lot of energy applied towards an</p> <p>19 end result that I feel very proud of. And still now that I</p> <p>20 live in Florida, have the good pleasure of visiting</p> <p>21 periodically.</p> <p>22 THE COURT: Five minute warning.</p> <p>23 Q Was that vision for the property conveyed to Deutsche</p> <p>24 Bank?</p> <p>25 A Of course, yes. They were quite excited by it. They</p>
<p>Page 3807</p> <p>1 that it was not living up to its potential, physically, in terms</p> <p>2 of what the asset had become under the then current ownership,</p> <p>3 or operationally, based on the operating performance of the</p> <p>4 management team in place.</p> <p>5 (Continued on the next page.)</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>I. Trump - by Plaintiff - Cross (Suarez) Page 3809</p> <p>1 sent teams of people down to tour the property, to visit the</p> <p>2 property, and to, you know, experience it in advance of our</p> <p>3 purchase.</p> <p>4 Q What impressions did Deutsche Bank have after the</p> <p>5 project had been successfully repositioned?</p> <p>6 A They were very happy.</p> <p>7 MR. SUAREZ: Please pull up Defendant's Exhibit</p> <p>8 324.</p> <p>9 (Handing)</p> <p>10 THE WITNESS: Thank you.</p> <p>11 Q Ms. Trump, do you recognize this e-mail?</p> <p>12 A I don't remember the e-mail. But I do remember, as I</p> <p>13 think I just stated, that they were really impressed by what we</p> <p>14 had done over the course of several years in terms of upgrading</p> <p>15 and refurbishing the property. As I mentioned, Rosemary and</p> <p>16 her team had been at the property as we were acquiring it, so</p> <p>17 prior to the renovations. So they saw firsthand the</p> <p>18 extraordinary change in what the asset had become.</p> <p>19 Q Would you agree with me that this is an e-mail that</p> <p>20 Rosemary Vrablic sent to you on March 8, 2013?</p> <p>21 A It appears that way, yes.</p> <p>22 Q And do you see where it says: "Ivanka, I am so glad</p> <p>23 we got to see you and have you show us the new rooms"?</p> <p>24 A Yes.</p> <p>25 Q Is that a reference to the renovated rooms at the</p>

<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3810</p> <p>1 Trump Doral?</p> <p>2 A I assume so, yes.</p> <p>3 Q It says: "They look amazing. I have had a wonderful</p> <p>4 time here and it is really impressive to see what you have</p> <p>5 accomplished so quickly." Do you see that?</p> <p>6 A I do.</p> <p>7 Q And that, again, would have been a reference to the</p> <p>8 Trump Doral, correct?</p> <p>9 A I assume so.</p> <p>10 Q Which was the collateral for the loan that Deutsche</p> <p>11 Bank made to the -- to your family's business, correct?</p> <p>12 A Correct.</p> <p>13 MR. SUAREZ: Your Honor, we move to admit this</p> <p>14 exhibit into evidence.</p> <p>15 THE COURT: Granted. It is in evidence.</p> <p>16 (Whereupon, the document referred to was deemed</p> <p>17 marked for evidence as Defendant's Exhibit 324 by the</p> <p>18 Court.)</p> <p>19 THE COURT: Another two minutes, if you want.</p> <p>20 Q And in fact, were they so pleased with the manner</p> <p>21 that the asset had been repositioned that they agreed to an</p> <p>22 amendment of the loan terms to let the guaranty on it burn off?</p> <p>23 A There was a step down of the guaranty, if I recall,</p> <p>24 once the property was operational. And they could see that we</p> <p>25 invested -- what we had invested and obviously verified that</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3812</p> <p>1 All the way at the top, you see says: "It is not a</p> <p>2 commitment, it is for discussion purposes only"?</p> <p>3 A I do.</p> <p>4 Q Would you have understood these terms and conditions</p> <p>5 that were presented on this document to be something that could</p> <p>6 be further negotiated?</p> <p>7 A I think that's reasonable. I don't recall this.</p> <p>8 Q It could have been further discussed?</p> <p>9 A Sure.</p> <p>10 Q It was for discussion purposes only?</p> <p>11 A That's what it says.</p> <p>12 Q It wasn't actually an offer?</p> <p>13 A That's what it says.</p> <p>14 Q And again, when it came to the Trump Chicago</p> <p>15 property, there would have been many different financing</p> <p>16 options that would have been on the table to your family's</p> <p>17 business, correct?</p> <p>18 A I believe so, yes.</p> <p>19 Q They could have self-financed, correct?</p> <p>20 A I believe so.</p> <p>21 Q They could have talked to any number of different</p> <p>22 lenders, correct?</p> <p>23 A Yes. I was less involved in Trump Chicago. But it</p> <p>24 was a very iconic asset on Michigan Avenue in the heart of</p> <p>25 Chicago.</p>
<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3811</p> <p>1 into the collateral to enhance it and to make it what it now --</p> <p>2 what it now is.</p> <p>3 MR. SUAREZ: We are at a good breaking point.</p> <p>4 THE COURT: Okay. A ten-minute break over the</p> <p>5 next 15 minutes. See you all soon.</p> <p>6 (Pause in the proceeding.)</p> <p>7 THE COURT: Let's get the witness.</p> <p>8 (Whereupon the witness resumed the stand.)</p> <p>9 THE COURT: Mr. Suarez, please continue.</p> <p>10 MR. SUAREZ: Thank you.</p> <p>11 Q Ms. Trump, I understand you weren't really involved</p> <p>12 in the Trump Chicago project, correct?</p> <p>13 A Yeah, just only tangentially.</p> <p>14 Q But you are aware that the private wealth group of</p> <p>15 Deutsche Bank facilitated a loan on that property, correct?</p> <p>16 A Yes.</p> <p>17 Q And in fact, earlier the government showed you</p> <p>18 Plaintiff's Exhibit 3239.</p> <p>19 MR. SUAREZ: Can we pull that up, please?</p> <p>20 And if we could turn to the first page.</p> <p>21 Q Dave Goodman. We can go to the following page from</p> <p>22 Deutsche Bank. I believe you testified earlier today, correct?</p> <p>23 A Yes. I don't really recall David, but it sounds</p> <p>24 vaguely familiar.</p> <p>25 Q All right. Let's keep going.</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3813</p> <p>1 Q And the private wealth management group was very</p> <p>2 interested in doing that transaction as well, correct?</p> <p>3 A That's what I remember.</p> <p>4 Q Turning to the Trump Old Post Office, how did you</p> <p>5 learn about the opportunity to redevelop the Old Post Office</p> <p>6 property in Washington DC?</p> <p>7 A The General Services Administration put the project</p> <p>8 out for an RFP as we discussed earlier. And I don't recall</p> <p>9 exactly how I first saw it, but I believe that I read about it.</p> <p>10 And it was obviously such an historically significant building,</p> <p>11 such a beautiful building. I was very, very excited about the</p> <p>12 opportunity to participate in a process with the hope that it</p> <p>13 would culminate with us being the developers. Which it did.</p> <p>14 Q And what role did you play in the acquisition and</p> <p>15 development of that project?</p> <p>16 A I spearheaded the acquisition and redevelopment, so I</p> <p>17 wore a lot of different hats, at a high level. But I was most</p> <p>18 focused on the actual vision for the project and overseeing its</p> <p>19 design, construction, redevelopment. But also shepherding it</p> <p>20 through the full process.</p> <p>21 It was a very, very complicated project. There was</p> <p>22 an extended lease negotiation with the GSA, in addition to the</p> <p>23 RFP process, followed by the redevelopment itself. And since</p> <p>24 it is an historic building there are many, many different</p> <p>25 agencies. I feel that I remember there were 20-plus different</p>

<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3814</p> <p>1 agencies we had to work with for various approvals. So the 2 vast majority of my time as it related to the Old Post Office 3 was spent on the actual design and development side of the 4 project.</p> <p>5 Q What was your vision for the Old Post Office project?</p> <p>6 A Well, when we took over the building it was 7 completely dilapidated. It was a government owned and managed 8 project with a food court in the basement and some commercial 9 office around the perimeter. And we envisioned and then went 10 on to execute redeveloping it into a super luxury hotel.</p> <p>11 And I believe we are very successful in that goal, as 12 evidenced by how it looks today and ultimately the purchase 13 price that it sold for, that it was -- it was a labor of love. 14 It was a lot of work to bring that vision to fruition.</p> <p>15 We also created a museum honoring the history of the 16 building in the context of the greater Washington DC urban 17 plan, and that was part of our submission. And worked with a 18 renowned DC architect who had been involved in many historic 19 projects to bring it to fruition.</p> <p>20 Q Was this vision that you had for the Old Post Office 21 conveyed to Deutsche Bank?</p> <p>22 A Yes, of course.</p> <p>23 Q And was Deutsche Bank excited about being the lender 24 on this project?</p> <p>25 A Yes. Absolutely.</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3816</p> <p>1 the asset itself, and other people managed the relationship 2 with Deutsche Bank. And on an ongoing basis the hotel 3 operating team, the construction team, the accounting team, 4 would be in contact, as needed.</p> <p>5 So, but it definitely, prior to the loan was made, 6 Rosemary and/or her team would have visited any of the projects 7 that I talked with them about. And I am assuming on an ongoing 8 basis, but at that point I was less involved.</p> <p>9 Q And the private wealth group team would have visited 10 before they made the loan?</p> <p>11 A Yes, they did.</p> <p>12 Q They would have toured the property?</p> <p>13 A They toured the property. And they, for at least 14 Doral and OPO, I can't recall on Chicago, but required 15 independent appraisals of the assets.</p> <p>16 Q Earlier today you discussed with the government a 17 meeting between the team at the Trump Organization and the 18 folks over at the GSA; do you recall?</p> <p>19 A I do, yes.</p> <p>20 MR. SUAREZ: If we could pull up Defendant's 21 431?</p> <p>22 Q Do you recall what date that meeting took place?</p> <p>23 A I do not.</p> <p>24 Q Do you recognize this document, Ms. Trump?</p> <p>25 A I believe this was shown to me this morning. I don't</p>
<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3815</p> <p>1 Q Was Deutsche Bank's decision to participate in this 2 project part of its ongoing effort to develop a relationship 3 with your family and its business?</p> <p>4 MR. SOLOMON: Objection. Use of the word 5 "participate." They were a lender on this project, they 6 weren't a participant.</p> <p>7 THE COURT: I assume he means participant in a 8 generic sense, so overruled.</p> <p>9 You can answer the question.</p> <p>10 THE WITNESS: Thank you.</p> <p>11 A I recall Rosemary referring to it, I believe, as the 12 crown jewel of their real estate portfolio. It was, and is, an 13 incredibly special, iconic building that I am really proud to 14 have had the opportunity to work on and dedicate a lot of years 15 of my life to redeveloping.</p> <p>16 Q Did Deutsche Bank send representatives to visit the 17 project?</p> <p>18 A Oh, yes.</p> <p>19 Q What were the representatives -- withdrawn.</p> <p>20 How frequently would the representatives of Deutsche 21 Bank visit the project?</p> <p>22 A That I am not sure. Like I said, you know, my 23 relationship with Rosemary was quite high level. And once 24 there was general consensus around the terms of the loan, I was 25 more involved in focusing on the asset and the redevelopment of</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3817</p> <p>1 know if it is the same one.</p> <p>2 Q Do you see that it is the Source Selection Evaluation 3 Report and Recommendation for the Old Post Office?</p> <p>4 A I see that's what it says, yes.</p> <p>5 Q Do you see on page three of this document it has a 6 schedule, and the schedule includes in the middle of the page 7 development team presentations. Do you see that?</p> <p>8 A Yes, I see that.</p> <p>9 Q Do you see there it says the RFP date had a TBD, and 10 the actual date for those meetings was December 19, 20 and 21 11 of 2011?</p> <p>12 A I see that.</p> <p>13 Q Does that refresh your recollection as to when the 14 meeting with the GSA group would have taken place?</p> <p>15 A I think I said earlier it sounds about right, that 16 December timeframe.</p> <p>17 We definitely were not there three days. So I -- but 18 I recall that many groups were brought in to present. I assume 19 the finalists in the process.</p> <p>20 Q And at the meeting, I would assume the presentation 21 was made by the Trump Organization, correct?</p> <p>22 A Correct.</p> <p>23 Q And that the GSA had questions, correct?</p> <p>24 A Yeah, I don't recall any -- what those specific 25 questions are. I recall that this was our first and I believe</p>

<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3818</p> <p>1 only opportunity to articulate what our vision for the 2 redevelopment was, and to do so in-person. Because the RFP was 3 submitted as a binder to the location, the GSA said to send it 4 to. So this was our, as I recall, our only opportunity to 5 describe our vision for the redevelopment of this iconic asset. 6 Q What aspects of the presentation were you responsible 7 for that day? 8 A I think I talked about this earlier, but articulating 9 what our plans for -- at the time it was a complete re-purpose 10 because it was a commercial office building and a food court. 11 I think there was a little bit of retail that wasn't food 12 related, but it was pretty much just that. And we were 13 proposing converting it into a super luxury five-star hotel 14 operation, with world class food, beverage. 15 And it was a complete -- it was a complete 16 repositioning of the building. So we talked extensively 17 through that. And I think as I mentioned earlier we talked 18 about various redevelopment projects that had been done by the 19 company successfully. So my father had redeveloped the iconic 20 Plaza Hotel. The Commodore Hotel -- former Commodore Hotel 21 here in New York; and 610 Park Avenue. Many others that were 22 historic redevelopments. So we spent quite a bit of time 23 talking about, and I don't recall who spoke about what per se, 24 but spent a lot of time talking about the wherewithal to take 25 on a landmarked historically significant project of this type,</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3820</p> <p>1 provided that formed the basis for the decision. 2 Mr. Suarez is just simply asking questions, just like 3 Mr. Solomon did this morning, like you have allowed many, 4 many times in this courtroom, of what was the basis for 5 decision and exploring this witness's knowledge of. 6 If she doesn't have any knowledge of it, like 7 you said, she can say I don't have any knowledge of it. 8 But otherwise I don't see any difference, goose, gander, 9 however you say. I don't really see any material 10 difference here between what is going on all day and what 11 is going on throughout this trial, and what we are doing 12 now. It is the same. This is the foundational document 13 which is a public record. So the Court can take it in in 14 that regard. And there is really no reason that it can't 15 be considered. And whatever knowledge this witness has, 16 she can testify to. 17 MR. SOLOMON: Your Honor, there is no foundation 18 that this is a public record other than Mr. Kise's 19 representation just now. This is a document that appears 20 to have been produced in connection with this action by 21 the GSA to the defendant. So, that I don't know if 22 Mr. Kise has other information to verify that it is a 23 publicly available document. 24 MR. KISE: It was. 25 MR. SOLOMON: May I finish, please?</p>
<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3819</p> <p>1 and see it through to completion. 2 Q You were not the person who was responsible for 3 answering questions about the company's financial condition, 4 correct? 5 A I don't recall those questions having been asked at 6 that meeting. 7 Q Do you recall if all of the questions that were asked 8 were answered to the satisfaction of the GSA? 9 MR. SOLOMON: Objection. The witness just 10 indicated she didn't recall any questions being asked. 11 A I can't speculate, but we were awarded the project 12 subsequent to this meeting, so I would assume so. 13 MR. SUAREZ: If we could turn to page 14. 14 Q Do you see there where it says notable weaknesses and 15 it reads: "Financial statements provided by Mr. Trump were 16 qualified by his accountants as not complying with GAAP"? 17 MR. SOLOMON: Your Honor, we are going to object 18 to the use of this document or reading in anything from 19 this document. This witness has never seen this document. 20 She hasn't identified it. It appears to be an internal 21 GSA document. It is classic hearsay. 22 MR. KISE: So like this morning when they did 23 the exact same thing and you allowed them continuously to 24 read from documents that she couldn't authenticate, didn't 25 have a foundation. This is the document that the GSA</p>	<p>I.Trump - by Plaintiff - Cross (Suarez) Page 3821</p> <p>1 Number two. Number two. The questions that 2 were asked of this witness on the document were e-mails to 3 and from her that she may not have recalled. There is a 4 basis for asking a witness that. 5 This is a document she had never seen before 6 today. She has not testified that she ever received it; 7 she ever looked at it; she ever did anything with it or 8 knew of its existence. It is an internal GSA document. 9 THE COURT: Okay. Objection overruled. 10 Let's see what the question -- Can we get a 11 readback of the question? Let me hear the readback and 12 then I'll make a final ruling. 13 (Whereupon, the record was read back by the 14 court reporter.) 15 Q Do you see that? 16 A I do. 17 THE COURT: Wait. Wait. Wait. Hold on. I am 18 still trying to figure out how to rule on the objection. 19 I gave a preliminary ruling, this is the final ruling. 20 Well, you know, I never mind when someone says 21 do you see that on the document. Yes, she sees it. 22 Do you see that on the document? 23 THE WITNESS: I do, yes. 24 THE COURT: All right. Let's see what the next 25 question is.</p>

I.Trump - by Plaintiff - Cross (Suarez)	Page 3822	I.Trump - by Plaintiff - Cross (Suarez)	Page 3824
<p>1 Q Does that refresh your recollection as to any</p> <p>2 discussion concerning the company's financial condition at that</p> <p>3 meeting?</p> <p>4 A It does not, no.</p> <p>5 Q Do you have any --</p> <p>6 THE COURT: Remember, just a little louder, a</p> <p>7 little closer.</p> <p>8 A It does not, no.</p> <p>9 Q Do you have any reason to believe that the GSA's own</p> <p>10 internal document would be incorrect when it says that the</p> <p>11 financial statements provided by Mr. Trump were qualified by</p> <p>12 his accountants as not complying with GAAP?</p> <p>13 MR. SOLOMON: Objection, Your Honor. I don't</p> <p>14 know how this witness would have any idea whether the</p> <p>15 GSA's own internal documents are accurate, inaccurate;</p> <p>16 relevant not relevant.</p> <p>17 THE COURT: Sustained.</p> <p>18 MR. KISE: Your Honor, I --</p> <p>19 THE COURT: Let's not argue about this.</p> <p>20 MR. KISE: We should argue about it,</p> <p>21 respectfully. Because this is exactly what they asked</p> <p>22 about the GSA bid document this morning that she hadn't</p> <p>23 seen. It is the same questions. It is a different</p> <p>24 document from the GSA, but it is the bid document, and</p> <p>25 they asked questions about Colony Capital and particular</p>		<p>1 since -- since long since the discovery period.</p> <p>2 So I don't see any material difference. I don't</p> <p>3 see any difference, frankly, material or otherwise,</p> <p>4 between their line of questioning and our line of</p> <p>5 questioning, other than its us asking the questions.</p> <p>6 MR. SOLOMON: Your Honor, if I may? There is an</p> <p>7 absolute distinction. It is not the same. The document</p> <p>8 that I showed the witness earlier today was the submission</p> <p>9 by the Trump Organization. And the cover letter on the</p> <p>10 submission was signed by this witness when it was</p> <p>11 submitted to the GSA. She represented that the</p> <p>12 information contained in their submission was truthful and</p> <p>13 accurate. I am entitled to ask the witness questions</p> <p>14 about her own document where she signed the cover letter</p> <p>15 and submits it to the GSA. It is completely different</p> <p>16 than an internal GSA document and asking the witness if</p> <p>17 she has a reason to believe whether the GSA was accurate</p> <p>18 or inaccurate. My questions went to the witness's own</p> <p>19 submission and whether her submission was accurate or</p> <p>20 inaccurate. So it is night and day different.</p> <p>21 THE COURT: Mr. Kise, two things:</p> <p>22 One, I think he has got you here, as I remember</p> <p>23 all of this.</p> <p>24 Two, we have talked about the concept of</p> <p>25 continuing objection. I continuously object, I object now</p>	
I.Trump - by Plaintiff - Cross (Suarez)	Page 3823	I.Trump - by Plaintiff - Cross (Suarez)	Page 3825
<p>1 terms. And they said -- they asked whether you saw that</p> <p>2 provision; does it say that; do you have any</p> <p>3 understanding; do you have any reason to believe that is</p> <p>4 inaccurate. It is virtually identical to the line of</p> <p>5 questioning that they pursued of the documents that this</p> <p>6 witness said the same thing about. No, it doesn't refresh</p> <p>7 my recollection. Do you have any reason to believe it is</p> <p>8 inaccurate. It is the same.</p> <p>9 Again, if we are going to operate under two sets</p> <p>10 of standards, that's fine. But I would respectfully</p> <p>11 suggest that that's incorrect, because this is the same</p> <p>12 thing that they pursued. They have been doing it the</p> <p>13 entire course of the trial. They have been showing</p> <p>14 witnesses document after document with no foundation. I</p> <p>15 have objected hundreds of times now about foundation,</p> <p>16 about whether or not they have seen the document.</p> <p>17 And they are like, well, it is just for notice,</p> <p>18 and it is just to ask if that's what it says, and to ask</p> <p>19 if that's their understanding. So he is asking this</p> <p>20 witness's understanding. This is the foundational</p> <p>21 document that provides the basis for the GSA to have</p> <p>22 awarded the contract. It is a public record because it</p> <p>23 was received pursuant to a FOIA request. Anybody can do</p> <p>24 it. It was provided by the GSA, there is no dispute.</p> <p>25 They have had this document. They have known about it</p>		<p>1 and I continue to object, to your constant insinuations</p> <p>2 that I have some sort of double standard here. That is</p> <p>3 just not true. I don't count whether I have sustained</p> <p>4 more objections for one side or the other. I don't count,</p> <p>5 you know, the weight, the number of these things. I make</p> <p>6 every ruling the way I think is correct and fair. So, I</p> <p>7 have a continuing objection. But you can keep saying it</p> <p>8 if it makes you happy that I am favoring one side or the</p> <p>9 other. And you have said this about the rulings in this</p> <p>10 case. I make the rulings based on the facts and the law</p> <p>11 as I understand it. So to complain that, oh, my gosh, you</p> <p>12 are making more rulings in their favor than ours, I don't</p> <p>13 count them. I just make the rulings as I see them. You</p> <p>14 know, like the umpire says, call them as I see them.</p> <p>15 Go ahead.</p> <p>16 MR. KISE: All I am going to say, Your Honor,</p> <p>17 is, as part of an Appellate record I have to make the</p> <p>18 record. I have to call it like I see it. And</p> <p>19 unfortunately what I see is exactly what I am saying. I</p> <p>20 wish it were different. I wish we were in a different</p> <p>21 situation. I respect Your Honor's position. I do, you</p> <p>22 know that. But I see these rulings constantly going in a</p> <p>23 different -- let me withdraw that. Frequently going in a</p> <p>24 different direction, particularly when it comes to issues</p> <p>25 like this.</p>	

I. Trump - by Plaintiff - Cross (Suarez) Page 3826	I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3828
<p>1 THE COURT: Well, you could try to surmise that</p> <p>2 that's because of bias. Or, you could understand that I</p> <p>3 think their objections have been of greater validity than</p> <p>4 yours on the whole. And that their positions -- well,</p> <p>5 I'll leave it at that.</p> <p>6 So, the objection is sustained. This is not her</p> <p>7 document. I don't know what the point of this is.</p> <p>8 Q Ms. Trump, if the General Services Administration was</p> <p>9 under the assumption that financial statements provided by</p> <p>10 Mr. Trump were qualified by his accountants as not complying</p> <p>11 with GAAP, would you have any reason to believe that that was</p> <p>12 inaccurate?</p> <p>13 A Could you reframe the question?</p> <p>14 Q Sure.</p> <p>15 If the General Service Administration?</p> <p>16 A Yes.</p> <p>17 Q Was under the impression that financial statements</p> <p>18 provided by Mr. Trump were qualified by his accountants as not</p> <p>19 complying with GAAP, would you have any reason to dispute the</p> <p>20 General Services Administration's understanding?</p> <p>21 A No.</p> <p>22 MR. SOLOMON: Objection calls for speculation.</p> <p>23 THE COURT: Sustained.</p> <p>24 (The following proceedings were stenographically</p> <p>25 recorded by Senior Court Reporter Michael Ranita.)</p>	<p>1 THE COURT: I don't know if she knows anything</p> <p>2 about this document, whether it's a statement in the GSA's</p> <p>3 document. I think there's been an authentication.</p> <p>4 MR. SUAREZ: You even heard Mr. Solomon get up and</p> <p>5 tell us it was an internal GSA document. I don't think they</p> <p>6 dispute that.</p> <p>7 THE COURT: He may know it. It is not the same as</p> <p>8 the record in this case.</p> <p>9 MR. KISE: It certainly can come into this case as</p> <p>10 a public record. It certainly can be admitted as a public</p> <p>11 record.</p> <p>12 MR. SOLOMON: Mr. Kise is representing this as a</p> <p>13 public record. I think when I was asking questions of</p> <p>14 Ms. Dillon, if you recall with respect to amendments to a</p> <p>15 condo plan, there were questions about being a public</p> <p>16 record, it had to be proved up later. I don't see that</p> <p>17 Mr. Kise has made any showing sufficient for this document</p> <p>18 to be deemed to be a public record.</p> <p>19 MR. SUAREZ: I'm not even trying to move it into</p> <p>20 evidence. I'm just trying to ask questions about it.</p> <p>21 THE COURT: You had asked her three times, and I</p> <p>22 really don't understand the question, but you heard it three</p> <p>23 times slightly different.</p> <p>24 I'll ask the witness, can you answer that question?</p> <p>25 MR. SOLOMON: Your Honor, just note my objection</p>
I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3827	I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3829
<p>1 THE COURT: Sustained.</p> <p>2 MR. SUAREZ: But it's not speculation. It's in the</p> <p>3 General Services Administration document right in front of</p> <p>4 us.</p> <p>5 I'm asking her about a document that relates to the</p> <p>6 project that she spearheaded and the pitch that she was at</p> <p>7 that's memorialized in this document.</p> <p>8 MR. SOLOMON: A document which your Honor already</p> <p>9 ruled it's inappropriate to show the witness, and if they</p> <p>10 try to enter into evidence, obviously we'll object.</p> <p>11 So making reference to what's in a document in</p> <p>12 framing a question creates a hypothetical.</p> <p>13 THE COURT: Well, I'm not always against</p> <p>14 hypotheticals, but I just -- how about a read back of the</p> <p>15 second time he asked the question.</p> <p>16 (Whereupon, the requested testimony was read back</p> <p>17 by the court reporter.)</p> <p>18 THE COURT: That's a ridiculous question. You</p> <p>19 could ask what she thinks she knows, but referring to this</p> <p>20 document that is not in evidence, no.</p> <p>21 MR. SUAREZ: I'm not trying to move the document</p> <p>22 into evidence. I'm only trying to show her what the GSA's</p> <p>23 understanding was as reflected in the their document and</p> <p>24 asking if she has any reason to dispute it. She was at the</p> <p>25 pitch. She was a witness to the pitch.</p>	<p>1 based on speculation.</p> <p>2 MR. KISE: Are you objecting to the Judge's</p> <p>3 question?</p> <p>4 THE COURT: Well, I'm just repeating Mr. Suarez's</p> <p>5 question.</p> <p>6 Witness, can you answer that question?</p> <p>7 THE WITNESS: I have no reason to believe that the</p> <p>8 GSA wouldn't be accurate in that assessment.</p> <p>9 THE COURT: That's her testimony.</p> <p>10 MR. SUAREZ: I'm sorry, can I get a read back.</p> <p>11 THE WITNESS: I think the question was, do I have</p> <p>12 any reason to doubt the GSA being accurate in this document.</p> <p>13 I have no reason to doubt them.</p> <p>14 THE COURT: How about --</p> <p>15 MR. SUAREZ: I'm moving on.</p> <p>16 THE COURT: Instead of "in this document", if they</p> <p>17 said that somewhere. Plaintiff agrees with that framing of</p> <p>18 the question?</p> <p>19 MR. SOLOMON: Still calls for speculation, but if</p> <p>20 your Honor has overruled that, we could move on.</p> <p>21 THE COURT: So would you doubt it if it was said</p> <p>22 anywhere, forgetting this document?</p> <p>23 THE WITNESS: They were very professional, I have</p> <p>24 no reason to doubt it.</p> <p>25 THE COURT: Thank you.</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3830</p> <p>1 Q The GSA is professional in its valuation of the bid; 2 correct? 3 A Very much so. 4 Q It was qualified to understand the information that it 5 was being given; correct? 6 A Yes. 7 Q And ultimately made a decision after running its 8 selection process; correct? 9 A Yes. 10 Q And the team lead by your family's own business was the 11 successful bidder; correct? 12 A That's correct. 13 Q And the project was redeveloped; right? 14 A It was. 15 Q And you were involved in the redevelopment of the 16 project; right? 17 A Yes. 18 Q What was the response to the redevelopment of the 19 project by the federal government? 20 A Well, I could speak I couldn't speak for the whole 21 federal government, but I have a few specific recollections I 22 can share with you. Congresswoman Norton, Eleanor Holmes Norton 23 who represented the district and who had spearheaded the push to 24 have this iconic building put out for redevelopment through an 25 RFP process, um, I met with her at her office, at least on one</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3832</p> <p>1 taxpayers, I believe -- and this is a little bit of an estimate 2 -- around seven-and-a-half million dollars a year in upkeep to 3 maintain the historic building; the marble, to keep it in good 4 shape. And because it was being utilized, and obviously when we 5 took over the building, taxpayers stopped funding into that. 6 So Congressman Nadler, and I believe his counterpart 7 was Shuster, I believe it was the transportation or 8 infrastructure committee asked me, and I went to Brooklyn to 9 speak about the project and what our plans were and what we had 10 done to date, and my positive experience dealing with the 11 federal government through the bid process. 12 Q And to be sure, the two congressional democrats that 13 you just listed are members of the United States House of 14 Representatives; correct? 15 A Yes, there was -- I believe -- 16 MR. SUAREZ: You know, I'm glad that the government 17 thinks it's funny for us to try to put on our case and to 18 put on evidence of the great work that this family has done 19 for the United States government, and while they are sitting 20 here trying to destroy thousands of jobs in this state. I 21 have to sit here and ask questions and listen to them laugh? 22 That's insulting, your Honor, I'm sorry. 23 MR. SOLOMON: Your Honor, move to strike that last 24 speech. 25 MR. SUAREZ: They are striking -- they are</p>
<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3831</p> <p>1 occasion. I had spoken to her on others. I believe she was 2 there at the groundbreaking ceremony. She may have spoken at 3 it, actually. She was -- I have recollection of her being 4 present. But she was, in my conversations with her, um, very 5 pleased by our plan, our proposal. 6 She issued some statements, I think, speaking to about 7 me, specifically, maybe not my father, but about her 8 appreciation for what we had done. And this was an asset that 9 she was very, very close to because, of course, it was in her 10 district. 11 I also recall, at some point, maybe in -- I don't know 12 what year, but sometime after we had been awarded the project, 13 um, but some -- I believe it was prior to us actually opening, 14 I, um -- there was outreach from Congressman Shuster, I believe, 15 if -- I think it was Congressman Shuster and Congressman Nadler, 16 Jerry Nadler, asking if I would come to Brooklyn and speak in 17 front of an infrastructure committee meeting they were having 18 about the redevelopment of the old post office. And I 19 understood from the request that it was viewed as a very, very 20 successful public/private partnership. And they wanted to 21 encourage more RFP's of federal government buildings, of which 22 there are many beautiful, iconic, but also underutilized 23 buildings. 24 Um, in this particular case I think I remember that 25 before we took over the old post office building, it was costing</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3833</p> <p>1 laughing, sitting back here laughing. They think this is 2 funny. It's not funny. 3 THE COURT: Well -- 4 A One of the things, just because -- 5 MR. SOLOMON: First, there's no question pending. 6 There's also a motion to strike the last speech by Counsel. 7 MR. SUAREZ: I want the record to reflect that the 8 government is sitting here laughing at their attempts to 9 destroy this company. 10 THE COURT: Well, I don't think they were laughing 11 at that. I think they are laughing at the fact that the 12 witness testified, or said three, four, five times that 13 these were congressional representatives. 14 Now you are asking if they are congressional 15 representatives. I know Jerry Nadler, he is a congressional 16 representative. Mr. Shuster, I know the name, I think from 17 Pennsylvania -- does that make sense? 18 THE WITNESS: I think that's right. Maybe they 19 found the question funny, but I will strike what he said. 20 Q You can answer. 21 A I don't know if there was a question pending, but we 22 were talking about congressional representatives and 23 congresswoman Holmes Norton, and you just mentioned jobs that 24 were created. 25 The number one thing she cared about was jobs,</p>

<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3834</p> <p>1 specifically jobs in the District of Columbia. And it's 2 something that I personally spent a lot of time talking to her 3 about, both construction jobs, of which there were, I believe, 4 over 500 during the two years we were under construction. And 5 permanent jobs once the hotel became operational. Obviously, as 6 a hotel, you employ a lot more people than as federal office 7 building.</p> <p>8 So this was something that she appreciated. She 9 commented on, I think publicly, and we also committed to hiring 10 within the district. I can't remember what the percentage was. 11 But we created training programs and hired within her district 12 as well, which she appreciated and supported.</p> <p>13 THE COURT: I'll consider that a supplement to your 14 answer about what the government's reaction was. 15 All right. Let's move on. 16 MR. SUAREZ: Thank you, your Honor.</p> <p>17 Q What was the response from Deutsche Bank to the 18 redevelopment of this project?</p> <p>19 A Consistent with what I said earlier. They were very 20 impressed, and they were proud to be able to show them that, I 21 believe, after many years, a lot of time, a lot of thought, and 22 a very meticulous execution. We were able to --</p> <p>23 THE COURT: Hold on. Hold on. That doesn't answer 24 the question. 25 The question was, "What was Deutsche Bank's</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3836</p> <p>1 A I do, yes. 2 Q Is that consistent with your understanding of Deutsche 3 Bank's reaction to its business relationship with your family 4 and its businesses? 5 A It is, yes. 6 Q Ms. Trump, earlier the government directed your 7 attention to your lease of a unit at the Trump Park Avenue, 8 Penthouse 20? 9 A Yes. 10 Q Do you recall that testimony? 11 A I do. 12 Q How did you come to lease Penthouse 20? 13 A I had lived in the building for -- for some time, with 14 an exception of at one point living downtown. So around the 15 time I was pregnant with my second child, we entered into a 16 lease to rent the unit, Penthouse 20. 17 Q Did the lease come with an option to buy? 18 A Yes, it did. 19 Q How was the purchase price on that option negotiated? 20 A I don't recall the specifics. We never exercised the 21 option, so I don't remember. 22 Q Did the lease require you to invest money in the 23 renovation of that penthouse? 24 A Yes, this was refreshed for me a year and a half ago 25 when we -- during my questioning by Mr. Solomon. The lease</p>
<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3835</p> <p>1 reaction?" Not how proud you were of it? 2 THE WITNESS: No, no, what I was saying, I believe 3 that they thought that we had over delivered on the initial 4 vision we had presented to them, so I think they were very, 5 very happy.</p> <p>6 MR. SUAREZ: Can we please pull up Defendant's 7 Exhibit 299. 8 (Whereupon, the exhibit was displayed on the 9 screen.) 10 Q I would ask the witness to please review this document. 11 (The exhibit was handed to the witness.) 12 THE WITNESS: Thank you. 13 Q Do you recognize this document as an e-mail sent by 14 Rosemary Vrablic to you, Ms. Trump? 15 A I have a vague recollection of it, but not 16 specifically. 17 Q Do you see where it says, "My direct boss, Michele 18 Fassiola (he's Italian) would like to call you and your dad to 19 thank you for being such great clients and for all the business 20 we have been doing together." 21 A I see that, yes. 22 Q It says, "Your family is in the top ten revenue 23 generating names of Asset and Wealth Management now, and he is 24 thrilled with how it's grown." 25 Do you see that?</p>	<p>I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3837</p> <p>1 required me to invest, I believe, six and a half-million 2 dollars, and we ended up investing over seven and a half million 3 dollars in the apartment. 4 Q What work did you do on the apartment to renovate it? 5 A Pretty much everything. We completely changed the 6 floor plan. We did a new floor plan, um, to accommodate our 7 family. It was going to be the apartment that we would live in 8 as a family for, hopefully a long period of time, but we ended 9 up moving to Washington, so we didn't fully move in. 10 Q Why did you leave the family business? 11 A I went to Washington. 12 Q You went to Washington to work in your father's 13 presidential administration; is that correct? 14 A That's correct, yes. 15 Q Now, when you were working in the family business, were 16 the projects that you did for the OPO and Doral the only things 17 that you were involved with professionally? 18 A No. I had other roles within the organization as well, 19 overseeing various projects, license projects. I would say that 20 a lot of my time, those were very, very large redevelopment 21 projects. So a lot of time in construction development of those 22 two assets, but at the same time I had my own business. We were 23 doing hundreds of millions of dollars in sales, um, an apparel 24 and accessories business that I had, was totally separate and 25 distinct with no connection to The Trump Organization. A</p>

<p>1 business that I had on my own. My own brand.</p> <p>2 So I had numerous responsibilities, both with the</p> <p>3 company and independent of the company, the Trump Hotel</p> <p>4 Collection was also something my brothers and I collectively</p> <p>5 were very involved in.</p> <p>6 Q How do you feel about the work that you did for your</p> <p>7 family's business?</p> <p>8 A I feel incredibly proud of the work that I did of the</p> <p>9 Trump Hotel Collection, which I just mentioned generally, and</p> <p>10 these two redevelopments specifically. A lot of time, a lot of</p> <p>11 vision, a lot of hard work. And as I testified earlier, they</p> <p>12 were complicated projects. And I believe that we over delivered</p> <p>13 on every metric in bringing them to fruition, as evidenced by</p> <p>14 the fact that they are both flourishing today.</p> <p>15 MR. SUAREZ: Your Honor, may I have a second to</p> <p>16 confer with my colleague?</p> <p>17 THE COURT: Sure.</p> <p>18 (Whereupon, there is a brief pause in the</p> <p>19 testimony.)</p> <p>20 MR. SUAREZ: Your Honor, bringing up Defendant's</p> <p>21 Exhibit 299, which the witness identified earlier was an</p> <p>22 e-mail from Ms. Vrablic to Ivanka Trump, I would like to</p> <p>23 move that into evidence.</p> <p>24 And I have no further questions on cross</p> <p>25 examination of this witness.</p>	<p>1 witness stand.)</p> <p>2 THE COURT: Let's talk scheduling for tomorrow on</p> <p>3 the record.</p> <p>4 Actually, does plaintiff rest? Let's hear what</p> <p>5 he's got to say.</p> <p>6 MR. WALLACE: I believe we have some documents to</p> <p>7 admit.</p> <p>8 MS. FAHERTY: Your Honor, earlier in this case we</p> <p>9 introduced two voice messages during the course of</p> <p>10 Mr. Flores's testimony. We created transcriptions of those</p> <p>11 voicemails and created them as exhibits. So first would be</p> <p>12 Plaintiff's -- PX-3297A. It is the transcript for one of</p> <p>13 those voicemails.</p> <p>14 And then we subsequently created the second</p> <p>15 voicemail transcription, PX-3298B. This has been consistent</p> <p>16 with our practice to provide a transcript to the Court of</p> <p>17 those recordings. We would ask that the Court admit these</p> <p>18 consistent with what we've done with other exhibits.</p> <p>19 THE COURT: Defendants, would you like to at least</p> <p>20 take a quick look, or how do you want to address these?</p> <p>21 MS. FAHERTY: They've been added. They were in the</p> <p>22 exhibit share. You've received them.</p> <p>23 MR. KISE: I don't know that we've looked at them.</p> <p>24 To the extent they are representing true and accurate --</p> <p>25 MS. FAHERTY: Yes.</p>
I. Trump - by Plaintiff - Cross (Mr. Suarez) Page 3839	Proceedings Page 3841
<p>1 MR. SOLOMON: Objection on the document, your</p> <p>2 Honor. It's hearsay.</p> <p>3 MR. SUAREZ: Plaintiff's 299? If we could pull it</p> <p>4 up.</p> <p>5 (Whereupon, the exhibit was displayed on the</p> <p>6 screen.)</p> <p>7 MR. SOLOMON: I think you said Defendant's 299.</p> <p>8 MR. SUAREZ: Defendant's 299.</p> <p>9 MR. SOLOMON: Sure.</p> <p>10 MR. SUAREZ: It's an e-mail from Ms. Vrablic to</p> <p>11 Ms. Trump.</p> <p>12 THE COURT: Overruled. It's in evidence.</p> <p>13 (Defendant's Exhibit 299 was admitted in evidence.)</p> <p>14 THE COURT: And that's it?</p> <p>15 MR. SUAREZ: Nothing further on cross.</p> <p>16 THE COURT: Any cross by the other defendants.</p> <p>17 MR. ROBERT: No, your Honor.</p> <p>18 THE COURT: Will there be redirect?</p> <p>19 MR. SOLOMON: No, your Honor.</p> <p>20 THE COURT: Oh, then we are through with this</p> <p>21 witness; aren't we?</p> <p>22 Thank you.</p> <p>23 THE WITNESS: Thank you.</p> <p>24 THE COURT: The witness is excused.</p> <p>25 (Whereupon, the witness stepped down from the</p>	<p>1 MR. KISE: -- transcriptions of the recordings, and</p> <p>2 the recordings, if your Honor has already allowed those into</p> <p>3 evidence, then we have no objection.</p> <p>4 THE COURT: Right. Okay. They are in evidence.</p> <p>5 (Plaintiff's Exhibits 3297A and 3298B were deemed</p> <p>6 marked and admitted in evidence.)</p> <p>7 THE COURT: Anything else from plaintiff?</p> <p>8 MR. KISE: Your Honor, one other thing in that</p> <p>9 regard, though. I don't believe we have -- in their opening</p> <p>10 there were videos played, and I don't believe we have</p> <p>11 transcripts of those of the -- or at least even if not</p> <p>12 transcripts, just like line -- page and line references,</p> <p>13 because I think those were from -- the videos they played</p> <p>14 there were from the record from the either the depositions</p> <p>15 or the EUO's, so I just don't think in the record there's a</p> <p>16 start and stop.</p> <p>17 MR. AMER: The clip from Eric Trump's deposition</p> <p>18 was played during his testimony and was admitted as an</p> <p>19 exhibit. The transcription was admitted as an exhibit. So</p> <p>20 that one certainly you have. And I think the others --</p> <p>21 MR. WALLACE: We could go check.</p> <p>22 MR. KISE: If you tell us the page and number, we</p> <p>23 have no objection to it at all. The page and line</p> <p>24 references -- I think Michael Cohen was one of them. There</p> <p>25 may have been one from Patrick Birney. I don't remember</p>

Proceedings	Page 3842	Proceedings	Page 3844
<p>1 them all, but whatever they are.</p> <p>2 Again, there's no objection. It's just page and</p> <p>3 line references would be good or useful to have. I'm sure</p> <p>4 they have them.</p> <p>5 MR. AMER: That's fine. We'll provide it.</p> <p>6 THE COURT: You'll provide -- you know what he is</p> <p>7 asking for exactly?</p> <p>8 MR. AMER: Sure.</p> <p>9 THE COURT: Okay. Mr. Wallace, anything else?</p> <p>10 MR. WALLACE: So --</p> <p>11 THE COURT: Five-minute warning.</p> <p>12 MR. WALLACE: Thank you, your Honor We have no</p> <p>13 further witnesses to produce at this time. I will note,</p> <p>14 however, we left open the testimony of Mr. Weisselberg</p> <p>15 pending the document issues. I believe we are still waiting</p> <p>16 for production material from the defendants that raised that</p> <p>17 issue. So apart from the reserving our right to recall</p> <p>18 Mr. Weisselberg, we have nothing further.</p> <p>19 We have nothing further on our case in chief, your</p> <p>20 Honor.</p> <p>21 MR. KISE: So do I understand that to mean the</p> <p>22 plaintiff rests?</p> <p>23 THE COURT: Subject to that one condition.</p> <p>24 MR. WALLACE: Subject to that condition.</p> <p>25 MR. KISE: Well, then, we don't have to do it</p>		<p>1 resting, and if something comes to their attention that</p> <p>2 would support a reopening of the case, then they could make</p> <p>3 that function.</p> <p>4 I don't know -- by the way, I tend to think all of</p> <p>5 this is a tempest in a teapot with respect to discovery.</p> <p>6 Nonetheless, we will continue to proceed informally without</p> <p>7 anyone waiving their rights. I just want to be clear that</p> <p>8 at this stage we are not precluded from moving for a</p> <p>9 directed verdict, for example, because the CPLR -- our</p> <p>10 expert is here, not me, but that's at the close of the case,</p> <p>11 the close of the evidence.</p> <p>12 THE COURT: Yes, but maybe we could all agree, but</p> <p>13 this goes back about five minutes ago, that plaintiff is</p> <p>14 resting conditional, and defendant can move for a directed</p> <p>15 verdict, or whatever else you want to do. I suppose if</p> <p>16 plaintiff wants to say, but wait a minute, we can counter</p> <p>17 that with Mr. Weisselberg's e-mail, testimony, whatever,</p> <p>18 then they'll make that argument. So I agree, it's a tempest</p> <p>19 in a teapot. We don't really have an issue here.</p> <p>20 Plaintiff would you agree?</p> <p>21 MR. WALLACE: Yes. We will rest, and if we need to</p> <p>22 reopen due to any issues of Mr. Weisselberg, we will make an</p> <p>23 application to do that.</p> <p>24 THE COURT: Okay. So I think that's agreed to.</p> <p>25 We have scheduling issues. I'll ask Allison to</p>

<p>1 today. Since there's five minutes, we could take this up</p> <p>2 tomorrow. I don't know that that's a valid condition.</p> <p>3 Meaning, that they are not entitled to it. We have</p> <p>4 informally, as you know, agreed to work on this. We have</p> <p>5 been working on it, and we can provide information in that</p> <p>6 regard. But I would just state on the record there are --</p> <p>7 this is just Black Letter Law in the First Department, that</p> <p>8 there's no such thing as post NOI discovery at trial, just</p> <p>9 -- there's nothing of the kind.</p> <p>10 MR. WALLACE: If not -- Chris, if we are not</p> <p>11 actually following the procedure you --</p> <p>12 THE COURT REPORTER: I'm sorry, I can't hear.</p> <p>13 MR. WALLACE: We're doing that. We will renew the</p> <p>14 letter the Judge asked us to submit and we'll do that on the</p> <p>15 record. If you are going to produce the e-mails, we'll take</p> <p>16 a look at that following the procedure. I thought we were</p> <p>17 agreeing to --</p> <p>18 MR. KISE: We've agreed, informally, without</p> <p>19 waiving any rights, and I don't think they've waived any</p> <p>20 rights, but when it comes down to whether they rest or not,</p> <p>21 certainly if they are saying they rest, and that gives us</p> <p>22 the opportunity to put on our case and to move for directed</p> <p>23 verdict and do those things, um, subject to -- they could</p> <p>24 always ask you to reopen the case. They could do that. But</p> <p>25 it's not a reservation of rights. It's simply just, we are</p>		<p>1 take over.</p> <p>2 MS. GREENFIELD: So the cross, you had initially</p> <p>3 anticipated was going to be three to four hours. That</p> <p>4 obviously is not the case. So we have time for a witness</p> <p>5 tomorrow. So who can we bring in tomorrow?</p> <p>6 MR. KISE: We do we don't have any witness for</p> <p>7 tomorrow because we planned on Monday for the start date.</p> <p>8 MS. GREENFIELD: Because you told us you had four</p> <p>9 hours of cross examination.</p> <p>10 MR. KISE: Based on -- first of all, that was based</p> <p>11 on the direct -- their direct testimony. And in an effort</p> <p>12 to streamline the proceedings in accordance with the Judge's</p> <p>13 wishes, I'm certain that we could have had five hours of</p> <p>14 questioning, but given the -- given the state of the</p> <p>15 proceedings and given where they are, in the interest of</p> <p>16 efficiency, we decided to do what we did. I don't think</p> <p>17 there's a penalty associated with that.</p> <p>18 THE COURT: All right. So I think, fine, tomorrow</p> <p>19 we'll have motions. Will you tell us what those motions</p> <p>20 will be.</p> <p>21 MR. KISE: Directed verdict.</p> <p>22 THE COURT: How long do you think it will take you</p> <p>23 to present that motion.</p> <p>24 MR. KISE: I think we'll be done, maybe both sides,</p> <p>25 by the morning, unless they have motions. Although, I did</p>	

Proceedings Page 3846

1 see a motion on expert issues --  
2 THE COURT: Right, right.  
3 MR. KISE: -- that we'll need to address. I also  
4 don't think that will take -- I would still think we would  
5 be out of here by lunch break. I mean, that's certainly my  
6 hope, if I'm honest.  
7 MR. AMER: I think that's right. Certainly our  
8 motion on the experts shouldn't take too long.  
9 THE COURT: Although, it was pages and pages.  
10 MR. KISE: It was. There's a goose and there's a  
11 gander. I'm sure you'll hear that again tomorrow.  
12 MR. AMER: That leaves less to argue then.  
13 MR. KISE: There -- and the directed verdict motion  
14 will take some time to present, but I don't anticipate that  
15 it will be extensive where we'll be here all day.  
16 THE COURT: The opposition to the motion for a  
17 directed verdict might take a long time.  
18 MR. KISE: It could. I can't control that. I will  
19 leave that in their hands, certainly.  
20 THE COURT: All right. So both side, we agree,  
21 will be here 10:00 tomorrow. And if plaintiff moves --  
22 obviously if the motion for directed verdict is granted, we  
23 won't have to worry about the expert.  
24 MR. KISE: That would be good.  
25 THE COURT: In the interest of judicial efficiency

Proceedings Page 3847

1 and lawyer efficiency, I noticed that on defendant's  
2 proposed witness list you have McConney two days. I think  
3 there's at least one or two other people. Can you have  
4 witnesses ready in case it doesn't take two days?  
5 MR. KISE: We do. We do. In the event it doesn't  
6 take that long, yes, but I think Mr. McConney, in order to  
7 go through the specifics, will take the balance of those  
8 days. And whatever cross they have. I would anticipate  
9 that they would have cross.  
10 THE COURT: And, yeah, I understand. We are still  
11 looking at a December 15th?  
12 MR. KISE: We are. The only reason why I haven't  
13 provided the further calendar is because we are waiting on  
14 witnesses to confirm availability on particular dates. And  
15 rather than confuse the issues with changing it, I'm going  
16 to try to get it as close as possible to where we are, but  
17 I --  
18 (Whereupon, there is a brief pause in the  
19 proceedings.)  
20 MR. KISE: If the government proceeds as we have  
21 proceeded, where we put on our witness that they've already  
22 crossed and doesn't spend too much time on cross, we may be  
23 out of here before December 15th. I'm not suggesting that  
24 they need or want to do that.  
25 THE COURT: That's funny to me whenever one side or

Page 3848

1 the other -- it's always the defendants, say "the  
2 government." Sounds like the federal government. You don't  
3 represent the federal government, do you?  
4 All right. So we agree tomorrow just the morning,  
5 just motions. Any other housekeeping; that way Mr. Kise can  
6 have the afternoon off.  
7 MR. KISE: You hear them cheering outside.  
8 THE COURT: Have a good evening, everyone.  
9 MR. WALLACE: Thank you, your Honor.

Proceedings Page 3851

1 THE COURT: Let me start with, plaintiff,  
2 anything to say, bring up, discuss at this point?  
3 And then of course I'll ask defendants.  
4 MR. WALLACE: Your Honor, I believe we have our  
5 motion on the expert witnesses, but I believe the order of  
6 operations we determined yesterday that the, if there is a  
7 motion for a directed verdict that should be the first  
8 motion heard today.  
9 THE COURT: Will there be a motion for a  
10 directed verdict?  
11 MR. KISE: Are you surprised, Judge?  
12 Are you ready for me?  
13 THE COURT: Please, yes.  
14 MR. KISE: It may take me a second with the  
15 technology. You know how I am with the technology.  
16 Okay. Is that working? Still? Yes. If we get  
17 any feedback I'll change it around.  
18 Give me one second, Judge, I am sorry.  
19 Thank you, Judge.  
20 Okay. Thank you, Judge.  
21 This -- I'll try and keep this concise, as I  
22 said yesterday, to move things along and have us out of  
23 here at the noon hour.  
24 The defendants are moving, and I believe  
25 Mr. Robert will have comments after myself. The

Proceedings Page 3852

1 defendants are moving under CPLR 4401 for a directed  
2 verdict. And that provision, as you know, Your Honor,  
3 provides that any party may move for judgment with respect  
4 to a cause of action or issue upon the ground that the  
5 moving party is entitled to that judgment as a matter of  
6 law. That motion is also fully available in a non-jury  
7 trial. We cite the Court to the Eion Michael Properties  
8 case, 143 A.D.3d 622.  
9 I'll also point out, while discussing, sort of,  
10 the background and legal standard, certainly the defense  
11 view, I think it is the correct view, that because the  
12 predicates for the 63(12) violations are criminal  
13 statutes, that the civil equivalent of the criminal  
14 standard, beyond a reasonable doubt, would apply in this  
15 context, so clear and convincing evidence.  
16 We do not believe that the Attorney General can  
17 meet that rigorous standard or frankly any legal standard.  
18 Even if that's not the standard, we don't believe that the  
19 evidence demonstrates that they can meet that standard.  
20 So let's -- I am just going to address briefly  
21 what the evidence has established so far. The evidence  
22 has established so far that the claims of the Attorney  
23 General involve only successful and profitable loan  
24 transactions. That is undisputed. It is also undisputed  
25 that there are no late payments; no missed payments; the

Proceedings	Page 3853	Proceedings	Page 3855
<p>1 loans were all paid back timely. 100 million plus in</p> <p>2 interest. There is no victim. There is no complainant.</p> <p>3 There is no injury. All of that is established now by the</p> <p>4 evidence.</p> <p>5 The evidence also establishes that the SOFCs</p> <p>6 S-O-F-C.</p> <p>7 Sorry, I am doing that for the court reporter,</p> <p>8 because I am going to say that a lot rather than saying</p> <p>9 Statements of Financial Condition.</p> <p>10 And the certifications were submitted in</p> <p>11 connection with certain loan transactions that are at</p> <p>12 issue. And only the specific parties involved in those</p> <p>13 transactions made those submissions. I think that's very</p> <p>14 clear from the documentary evidence in the case, that it</p> <p>15 was specific entities and specific parties that made those</p> <p>16 submissions, not the defendants at large. And that's a</p> <p>17 concept I'll come back to, Your Honor.</p> <p>18 The certifications were true and accurate when</p> <p>19 made, and the loan covenants were not violated. There is</p> <p>20 no evidence that the loan covenants themselves were</p> <p>21 violated.</p> <p>22 The SOFCs and certifications were accurate, and</p> <p>23 this is important, in all material respects. And that's a</p> <p>24 key concept that I'll also come back to. There is</p> <p>25 testimony in the record that the SOFC values were actually</p>		<p>1 President Trump took the Ferry Point project from a</p> <p>2 landfill, from a garbage dump where they were moving</p> <p>3 debris back and forth for 20 or 30 years. No one could do</p> <p>4 anything with the site. And has transformed it into a</p> <p>5 world class facility. Wolman Rink was revitalized. The</p> <p>6 West Side Yards, which began the revitalization of the</p> <p>7 West Side, which now includes Hudson Yards and many other</p> <p>8 things in the vicinity.</p> <p>9 So this is an individual whose opinions aren't</p> <p>10 to be disregarded, as the Attorney General would say, or</p> <p>11 be cast aside, that there is no value to his opinion. So</p> <p>12 it is fair for this Court to conclude, based on his</p> <p>13 testimony as an expert in the industry, an established</p> <p>14 expert in the industry, that there is some deference to be</p> <p>15 accorded there.</p> <p>16 Setting aside all of the theatrics, setting</p> <p>17 aside all of the politics, setting aside where we are, if</p> <p>18 we just look at it on its face.</p> <p>19 THE COURT: Were there theatrics?</p> <p>20 MR. KISE: We will get to that.</p> <p>21 THE COURT: I just have to say one other point.</p> <p>22 You said one of the buildings, I think Trump</p> <p>23 Tower, was in Central Park. I don't know how they do it</p> <p>24 in Florida but in New York we don't allow skyscrapers --</p> <p>25 MR. KISE: No, No, sorry. Trump International</p>	
Proceedings	Page 3854	Proceedings	Page 3856
<p>1 lower than the actual values. President Trump himself</p> <p>2 testified that he believed the values were lower.</p> <p>3 And I have to pause just for a minute on that,</p> <p>4 because, you know, in any other context, if we were in any</p> <p>5 other setting, President Trump would clearly qualify in</p> <p>6 any court in this country as an expert on real estate,</p> <p>7 commercial real estate, commercial real estate</p> <p>8 development, and the commercial real estate industry.</p> <p>9 This is a man that has been involved for 50 years in</p> <p>10 reshaping the skyline of New York. I mean, I can list off</p> <p>11 the top of my head the buildings that he has been involved</p> <p>12 in in terms of development: The Grand Hyatt; Trump Tower;</p> <p>13 the complete transformation of the Plaza Hotel back in the</p> <p>14 1990s; 40 Wall Street; Trump International Hotel and Tower</p> <p>15 in Central Park; Trump World Tower; Trump Park; Trump Park</p> <p>16 East; Trump Palace; Trump Park Avenue. There are</p> <p>17 innumerable buildings just in Manhattan.</p> <p>18 And those buildings, I think it is important for</p> <p>19 the Court's consideration both today and ultimately as you</p> <p>20 wrestle with the concepts of equitable relief, those</p> <p>21 represent real jobs, real economic impact in this</p> <p>22 community, over decades, over a lifetime.</p> <p>23 And his commitment to the revitalization of</p> <p>24 public resources is also demonstrable. The Ferry Point</p> <p>25 project. The evidence in this case establishes that</p>		<p>1 Tower on Central Park South. I believe, you are correct.</p> <p>2 But his testimony that the values, in his view,</p> <p>3 other than as he stated, are lower than actual values, is</p> <p>4 entitled to real weight, because he is an expert.</p> <p>5 THE COURT: But he wasn't qualified as an</p> <p>6 expert, so.</p> <p>7 MR. KISE: He doesn't have to be qualified as an</p> <p>8 expert to be one though. That's my point. You don't have</p> <p>9 to qualify him and put him on as expert testimony for the</p> <p>10 Court to recognize and acknowledge that this individual</p> <p>11 has the requisite knowledge, training and experience to be</p> <p>12 one. I am not suggesting his testimony is expert</p> <p>13 testimony. What I am saying to the Court is that his</p> <p>14 testimony in any other forum would be credited as such.</p> <p>15 He certainly would qualify.</p> <p>16 The SOFCs, back to our evidence, had valid and</p> <p>17 obvious disclaimers negating intent, materiality and</p> <p>18 reliance.</p> <p>19 There is no evidence in the record of agreement,</p> <p>20 a fundamental premise to support the conspiracy claims.</p> <p>21 The evidence establishes that the banks relied on their</p> <p>22 own independent valuation analysis, not the SOFC values.</p> <p>23 So there is no intent to defraud. There's no</p> <p>24 defaults. No breach. No reliance. No unjust profits.</p> <p>25 And no victims.</p>	

Proceedings	Page 3857	Proceedings	Page 3859
<p>1 More importantly, or as importantly, there is no</p> <p>2 real world impact. As I began, there is no -- they are</p> <p>3 all profitable loan transactions. There is no record</p> <p>4 evidence that anything would have been different with</p> <p>5 respect to the loan transactions or the insurance</p> <p>6 transactions, that anything would have been materially</p> <p>7 different or different at all.</p> <p>8 There is no party complaining or alleging fraud.</p> <p>9 Zurich Insurance, one of the alleged victims, according to</p> <p>10 the Attorney General, still does millions and millions of</p> <p>11 dollars of business with Trump. I am not sure what the</p> <p>12 Court's experience is with insurance companies, but I</p> <p>13 certainly know from many years of dealing on the</p> <p>14 regulatory side of insurance companies, that if they</p> <p>15 believe they have been defrauded by someone, they are not</p> <p>16 doing business with them in the future.</p> <p>17 There is no fraud victim. There is just banks</p> <p>18 satisfied with profitable loans. And so the Attorney</p> <p>19 General has converted standard commercial real estate loan</p> <p>20 transactions into fraud, based not on what the bank says,</p> <p>21 but what -- on what she says.</p> <p>22 And it is similar to the Exxon case. And I know</p> <p>23 the Attorney General's office is familiar with the Exxon</p> <p>24 case, Mr. Wallace in particular, that there was no</p> <p>25 testimony from anyone who claimed to have been misled by</p>		<p>1 statement as part of or in support of an application for</p> <p>2 the issuance of a commercial insurance policy, which is</p> <p>3 known to contain materially false information. That's a</p> <p>4 different standard than, as Your Honor knows, was applied</p> <p>5 at the first phase, at the summary judgment phase.</p> <p>6 Now, the compliance certificates incorporate</p> <p>7 materiality.</p> <p>8 Just bear with me one minute, Your Honor.</p> <p>9 THE COURT: Sure.</p> <p>10 MR. KISE: I forgot to bring this up.</p> <p>11 Thank you, Judge.</p> <p>12 The compliance certificates that are part of the</p> <p>13 Attorney General's claim incorporate materiality. If you</p> <p>14 look at the language: The foregoing presents fairly in</p> <p>15 all material respects, all of the representations and</p> <p>16 warranties made by guarantor remain true and correct in</p> <p>17 all material respects.</p> <p>18 There hasn't been any evidence introduced about</p> <p>19 materiality other than just a reference back to Your</p> <p>20 Honor's opinion, which itself doesn't decide that question</p> <p>21 on its face.</p> <p>22 The guarantor made only this representation.</p> <p>23 That's the standard and that can't simply be read out of</p> <p>24 the certificate.</p> <p>25 That representation also, importantly, was made</p>	
Proceedings	Page 3858	Proceedings	Page 3860
<p>1 the disclosure. We don't have testimony in this record,</p> <p>2 particularly from the banks, where they say something</p> <p>3 would be different; I was misled; I was defrauded. That's</p> <p>4 essential to proving intent and materiality.</p> <p>5 As this Court has held in the summary judgment</p> <p>6 order, it is the Attorney General's burden to demonstrate</p> <p>7 a component of intent and materiality at this phase. The</p> <p>8 Attorney General has failed to introduce any evidence of</p> <p>9 materiality or intent, and instead simply relies on the</p> <p>10 Court's summary judgment decision to establish both. That</p> <p>11 decision, however, as Your Honor knows, specifically</p> <p>12 determined that intent and materiality must be established</p> <p>13 at trial. And the failure to do that entitles the</p> <p>14 defendants to a directed verdict on the remaining causes</p> <p>15 of action and as to the issue of disgorgement.</p> <p>16 So materiality is an essential element. The</p> <p>17 statutes make this clear. The issuance of a false</p> <p>18 financial statement needs to be inaccurate in some</p> <p>19 material respect. It needs to be known to be materially</p> <p>20 inaccurate. The insurance fraud statute is the same. A</p> <p>21 written statement as part of support of the application --</p> <p>22 COURT REPORTER: Sorry, I missed that.</p> <p>23 MR. KISE: Sorry, I always go fast when I am</p> <p>24 reading, I'll stop that.</p> <p>25 The insurance fraud statute requires a written</p>		<p>1 as part of a contractual obligation. The bank, the</p> <p>2 contracting party, never asserted any breach claim. And</p> <p>3 so you have the additional issue that the Attorney General</p> <p>4 cannot now just step into the shoes of a private party and</p> <p>5 enforce contract terms that the private party, whose role</p> <p>6 it was, contractually, to determine issues like</p> <p>7 materiality, and breach, never claimed any violation.</p> <p>8 The OPO loan documents contained a materiality</p> <p>9 provision together with a representation from guarantor</p> <p>10 that there has been no material change.</p> <p>11 The 40 Wall Street loan contains materiality</p> <p>12 language. No material adverse effect or change. There</p> <p>13 has been no material adverse change. There is a</p> <p>14 definition of what material adverse effect is.</p> <p>15 These concepts are at the core of the Attorney</p> <p>16 General's claims. And again, they have done nothing to</p> <p>17 introduce any evidence of materiality other than rely on</p> <p>18 Your Honor's opinion and their own opinion.</p> <p>19 The 40 Wall Street loan continues with another</p> <p>20 example about material respects certified by guarantor as</p> <p>21 being true, correct and complete and fairly presenting</p> <p>22 financial condition. No material adverse change.</p> <p>23 The Attorney General's own complaint, as you</p> <p>24 have heard me say before, 48 paragraphs reference</p> <p>25 materiality. Twenty-five of those paragraphs reference</p>	

Proceedings	Page 3861	Proceedings	Page 3863
<p>1 materiality in loan covenants. This is a fundamental, 2 core concept.</p> <p>3 The complaint paragraphs themselves and I am 4 just giving one example here, paragraph 589, talk about 5 untrue statement of a material fact. A material fact 6 necessary to make any material statements contained herein 7 or therein not misleading.</p> <p>8 An example of the actual -- I believe this is 9 the 2016, it is -- certificate of compliance. You can see 10 there in all material respects. So materiality is a core 11 concept.</p> <p>12 THE COURT: How would you define materiality in 13 this context?</p> <p>14 MR. KISE: I would define materiality and I will 15 get there. That's a good question, Your Honor. I would 16 define materiality in this context as through the lens of 17 the user. It is not, respectfully, what you think. It is 18 not what they think. It is not what I think. It is what 19 did the bank think. They are in the role of determining 20 materiality. There is no objective materiality. You have 21 to look at this through the lens of the user. Because 22 everyone's definition might be a little different. Now 23 you heard testimony about a 5 percent standard. And 24 that's a -- that's a fair standard. And there is 25 testimony of that in the record. That if you have</p>		<p>1 no evidence in the record as to what that other crime was. 2 There is a lot of discussion during the course of the 3 case, but nobody has put any evidence in the actual record 4 as to what that other crime was. And so for that reason 5 alone, the count that relates to falsification of business 6 records in the first degree is subject to directed 7 verdict.</p> <p>8 Issuing false financial statements also has an 9 intent and materiality component to it. The issuance of a 10 false financial statement occurs when an individual, with 11 intent to defraud, knowingly makes or utters a written 12 instrument, which is inaccurate in some material respect; 13 represents in writing that a written instrument that he 14 knows is materially inaccurate.</p> <p>15 So let's look just briefly, because it is hard 16 to prove a negative, it is hard to prove that there is no 17 evidence of something, but let's look at what we do have. 18 So President Trump testified, and I will point out that 19 the Court did state that it is not here to hear what 20 President Trump has to say. And we are not here and these 21 people are not here and the Attorney General is not here 22 to hear what President Trump has to say. But I would 23 respectfully say, the Court cannot ignore President 24 Trump's testimony. 25 And the fact that there was an adjudication</p>	
Proceedings	Page 3862	Proceedings	Page 3864
<p>1 someone, like you do here, where the net worth is four and 2 a half or five billion dollars and there is \$100 million 3 swing or \$200 million swing, yes, that's a lot of money in 4 an abstract sense, but in the context of financial 5 statements, it is not.</p> <p>6 THE COURT: Just one thing. There is a record 7 so when you say "they" and point to someone.</p> <p>8 MR. KISE: I am sorry, the Attorney General. 9 Fair point.</p> <p>10 The Court, the Attorney General, the Defendants, 11 the issue of materiality must be viewed through the lens 12 of the user, in this case the bank or the insurance 13 company as the case may be.</p> <p>14 The second key component is intent. Falsifying 15 business records, the statute requires an intent to 16 defraud. And that intent to defraud is commonly 17 understood to mean to act with intent to cheat someone out 18 of money, property or something of value.</p> <p>19 And we have got cases cited there: 20 The Saporita case 132 A.D.2d 713. 21 The Jeremias case 66 A.D.2d 178. 22 And the Briggins case 50 N.Y.2d 302. 23 Additionally, falsification of business records 24 in the first degree requires the additional element that 25 the defendant intends to commit another crime. There is</p>		<p>1 earlier connected with a collateral matter, should not 2 have any bearing on the Court's view of the witness's 3 testimony or credibility when it comes to the substantive 4 case. And I am not suggesting it does or doesn't, I am 5 just pointing that out as a matter of procedure.</p> <p>6 THE COURT: The first line on that screen: This 7 Court stated it is "not here to hear what President Trump 8 has to say." Do you remember what I said right after 9 that?</p> <p>10 MR. KISE: I don't have it in front of me. 11 I have that --</p> <p>12 MR. WALLACE: I believe Your Honor said you are 13 here to hear him answer questions.</p> <p>14 THE COURT: That's exactly what I remember. So 15 I think it is misleading to just have the first half.</p> <p>16 MR. KISE: Since you are the trier of fact, you 17 will ultimately decide that. But certainly the point that 18 I am trying to make, Your Honor, is that the Court cannot 19 ignore President Trump's testimony. And whatever happened 20 in the course of the proceeding before, that testimony has 21 to be evaluated in the context of whether or not the 22 Attorney General has sufficient evidence to prove intent.</p> <p>23 And intent is a subjective analysis. You have 24 to demonstrate that, in a criminal case, you have to 25 demonstrate that the defendants had subjective intent.</p>	

Proceedings	Page 3865	Proceedings	Page 3867
<p>1 And I won't go through all of the, obviously,</p> <p>2 the testimony in the record. Here is a question and</p> <p>3 answer from President Trump's testimony:</p> <p>4 "How did you know the banks did not pay much</p> <p>5 attention to your statements?</p> <p>6 "ANSWER: Because I have been dealing with banks</p> <p>7 for 50 years. And I probably know banks as well as</p> <p>8 anybody. And I have borrowed a lot of money. I have paid</p> <p>9 back a lot of money. And I know what they look at. They</p> <p>10 look at the deal. They look at the location. They don't</p> <p>11 want to get involved in financial statements because</p> <p>12 that's not what they are after. If a deal goes bad, they</p> <p>13 want to be able to take the deal back over and, you know,</p> <p>14 have it. They want you to be able to put up some cash, or</p> <p>15 whatever it is you may be, including expertise, but they</p> <p>16 don't want to be fighting for ten years over a personal</p> <p>17 financial statement. They want to take over the deal."</p> <p>18 So that testimony negates subjective intent. If</p> <p>19 his view, based on 50 years of experience, is I am going</p> <p>20 to give this statement over and they are going to</p> <p>21 understand it to be my opinion, compilation statements by</p> <p>22 definition are the opinion of an owner or the person that</p> <p>23 prepared them. So there is no assurance of anything other</p> <p>24 than that. That it is, by definition, an opinion. But if</p> <p>25 subjectively based on his experience he knows doing deal</p>		<p>1 not credible and not to be believed.</p> <p>2 In response to another question. "That's not my</p> <p>3 question," Mr. Wallace said. "My question is whether you</p> <p>4 would actually use them to obtain financing.</p> <p>5 "ANSWER: I would give them, but I don't think</p> <p>6 anybody paid much attention to them because of the</p> <p>7 disclaimer clause."</p> <p>8 Which I'll come back to.</p> <p>9 "And because generally that's not the way to do</p> <p>10 it. Again, I have been doing it for 50 years and they</p> <p>11 look at the property."</p> <p>12 There are multiple examples where he continued</p> <p>13 this testimony, despite many different ways of asking him</p> <p>14 the question. Which is fine, that's cross examination.</p> <p>15 But it negates fully any intent to mislead or defraud.</p> <p>16 The knowledge of disclaimers in 50 years of industry</p> <p>17 experience goes to the state of mind of President Trump,</p> <p>18 and the other defendants for that matter, when the</p> <p>19 statements were given over.</p> <p>20 Additionally, President Trump testified that he</p> <p>21 "gave Mr. Weisselberg and Mr. McConney total authority to</p> <p>22 work with the very expensive accounting firm."</p> <p>23 We heard about that a lot.</p> <p>24 "And they worked with the accounting firm, and</p> <p>25 they came up with a statement."</p>	
Proceedings	Page 3866	Proceedings	Page 3868
<p>1 after deal after deal after deal with banks, that they are</p> <p>2 not going to do anything other than say, thank you</p> <p>3 President Trump, for your opinion. We are going to go do</p> <p>4 our own homework now. And in fact, that's what the record</p> <p>5 shows.</p> <p>6 THE COURT: I think you are assuming that I</p> <p>7 believe him.</p> <p>8 MR. KISE: Well, I am certainly suggesting that</p> <p>9 you should, because there is no evidence to the contrary.</p> <p>10 There is certainly no evidence to the contrary is the</p> <p>11 point. I mean, they haven't introduced any evidence that</p> <p>12 you shouldn't believe him, other than them running around</p> <p>13 saying as many times as the Attorney General can possibly</p> <p>14 get it out of her mouth that he is a fraud, he is a fraud,</p> <p>15 he is a fraud, he is a fraud.</p> <p>16 But, you know, what building has the Attorney</p> <p>17 General built in this community? What expertise does the</p> <p>18 Attorney General or any member of her staff have in the</p> <p>19 commercial real estate sector? What understanding do they</p> <p>20 have? Do they have 50 years of understanding how bank</p> <p>21 deals are done? Do they have 50 years of understanding</p> <p>22 how negotiations are handled, as to what banks rely on and</p> <p>23 what they don't? If you are trying to prove subjective</p> <p>24 intent, then you need to establish that there is a basis</p> <p>25 to say, other than just saying it, that the individual is</p>		<p>1 Well, New York Courts have held that plaintiffs,</p> <p>2 if there is no good faith, if there is no evidence --</p> <p>3 excuse me. If there is no evidence to suggest that a</p> <p>4 defendant's reliance on accounting professionals was other</p> <p>5 than in good faith, then there is no evidence of intent.</p> <p>6 And I would cite the Abrahimi case 224 A.D.2d at</p> <p>7 233, I believe.</p> <p>8 And the Dillard case 271 New York 403.</p> <p>9 It is beyond reasonable for any CEO in a major</p> <p>10 corporate enterprise to rely on multi million-dollar</p> <p>11 accountants and staff when -- when dealing with financial</p> <p>12 matters. So again, there is no evidence of intent. The</p> <p>13 disclaimers also -- the inclusion of the disclaimers</p> <p>14 negate intent, whatever the Court may think about the</p> <p>15 disclaimers substantively, which as you know we disagree</p> <p>16 with strongly.</p> <p>17 THE COURT: And I wrote extensively, or at least</p> <p>18 pointedly, about the disclaimer and the worthless clause,</p> <p>19 and I believe the Appellate Division affirmed me on both.</p> <p>20 They are not defenses at all. But I'll let you make your</p> <p>21 record.</p> <p>22 MR. KISE: Whether they are substantive defenses</p> <p>23 or not, a point which we will allow the Appellate Court</p> <p>24 ultimately to decide.</p> <p>25 THE COURT: They already did.</p>	

Proceedings	Page 3869	Proceedings	Page 3871
<p>1 MR. KISE: Well, I mean, again, respectfully, I</p> <p>2 would disagree with that. But I -- that's why it is up on</p> <p>3 appeal now.</p> <p>4 But in all events, the inclusion of the</p> <p>5 disclaimer itself and the knowledge of that inclusion and</p> <p>6 the testimony you have heard, negates subjective intent.</p> <p>7 If President Trump knows that when he hands this to</p> <p>8 someone that it is telling them on its face, these are my</p> <p>9 opinions. The compilation is, by definition, a</p> <p>10 corroborated opinion -- an uncorroborated opinion. The</p> <p>11 disclaimers tell the banks what is being provided and not</p> <p>12 being provided. And they notify the users, like Deutsche</p> <p>13 Bank and Zurich, do your own analysis. If that's what is</p> <p>14 in his mind, it is not possible for him to form subjective</p> <p>15 intent to defraud. Whether you think it is a defense or</p> <p>16 not, is a completely separate matter.</p> <p>17 Whether it actually survives as a defense, which</p> <p>18 again, we think it is a full and complete defense, but</p> <p>19 whether it is or it is not, it is certainly a defense to</p> <p>20 intent, because it goes to the state of mind of the person</p> <p>21 providing the statement itself, the SOFC. I know that</p> <p>22 there is a disclaimer in there.</p> <p>23 THE COURT: Wait a minute. I am sorry to</p> <p>24 interrupt. And I want to give you --</p> <p>25 MR. KISE: No, you can.</p>		<p>1 MR. KISE: Back to materiality. As stated, the</p> <p>2 Attorney General cannot ignore materiality, and it permeates</p> <p>3 the complaint. It permeates the documents, and it permeates</p> <p>4 the governing law here. But from the opening statement the</p> <p>5 Attorney General makes clear their approach to materiality.</p> <p>6 The Court has already found that the People submitted</p> <p>7 conclusive evidence that between 2014 and 2021, the</p> <p>8 defendants overvalued the assets in the statements between</p> <p>9 812 billion and 2.2 billion per year.</p> <p>10 There's no world in which that an overstatement of</p> <p>11 that size -- there is a typo there. I'm sorry. There's no</p> <p>12 world in which an overstatement of that size is not</p> <p>13 material.</p> <p>14 So, in fact, the Attorney General's position is</p> <p>15 that the ruling by this Court on summary judgment meant that</p> <p>16 what the banks thought and did, just doesn't matter. And</p> <p>17 that's just completely inaccurate. It does matter. It --</p> <p>18 the materiality must be viewed, and we are going to get</p> <p>19 there. I'm going to show the Court concrete examples of</p> <p>20 this through the Haigh testimony and the documents, that, in</p> <p>21 fact, there is a world in which a difference of that size --</p> <p>22 I'm not going to call it an overstatement -- a difference of</p> <p>23 that size is not material. And it's the world we are living</p> <p>24 in right now. It's the real world that these transactions</p> <p>25 were negotiated and consummated in.</p>

<p>1 THE COURT: I want to give you your due. But</p> <p>2 you seem to be saying the fact that somebody says don't</p> <p>3 believe me, which is not what it says anyway, but don't</p> <p>4 believe me, proves that they are not lying? Or --</p> <p>5 MR. KISE: It proves that they have no</p> <p>6 subjective intent to defraud. Because why would you --</p> <p>7 why would you put a bank on notice to do your own</p> <p>8 homework? Why would you tell them, don't rely on me? Why</p> <p>9 would you say, hey, this is my opinion. This is what I</p> <p>10 think, you go do your own homework.</p> <p>11 As you heard President Trump testify, in the</p> <p>12 industry, I mean, often they don't even put statements</p> <p>13 together.</p> <p>14 THE COURT: I see your point. Okay. Thanks.</p> <p>15 (The following proceedings were stenographically</p> <p>16 recorded by Senior Court Reporter Michael Ranita.)</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 And the standard under New York law for materiality</p> <p>2 is that in all probability the omitted or misrepresented</p> <p>3 facts would, in view of the circumstances, have assumed</p> <p>4 actual significance in the deliberations of, in this case, a</p> <p>5 reasonable shareholder, or a bank or investor; that's the</p> <p>6 Essner case 124 Misc., M-I-S-C 2d 830.</p> <p>7 THE COURT: Your position is that no witness</p> <p>8 testified that they would have regarded these discrepancies</p> <p>9 as material.</p> <p>10 MR. KISE: I don't believe they did. In fact, the</p> <p>11 witness -- the bank witnesses, and I'll show you that</p> <p>12 testimony, they never asked them if they would have made any</p> <p>13 different changes. Let's look at that, because the bank</p> <p>14 employees, Mr. Haigh and Mr. Weisselberg make clear that the</p> <p>15 materiality was not demonstrated.</p> <p>16 The Attorney General never asked Mr. Haigh if</p> <p>17 anything would have been done differently. They never asked</p> <p>18 Jack Weisselberg about if anything would have been done</p> <p>19 differently. Moreover, the bank considered many, many, many</p> <p>20 other factors, not just the SOFCs in determining loan</p> <p>21 approvals and pricing. There's testimony in the record for</p> <p>22 this. Those factors included the nature of the collateral,</p> <p>23 the quality of the collateral, the loan to value ratio, the</p> <p>24 bank's lending history, the actual lending experience with</p> <p>25 the customer, the bank's experience in a particular</p>	

Proceedings	Page 3873	Proceedings	Page 3875
<p>1 industry, the client's experience in a particular industry,</p> <p>2 the client's performance in a particular industry, the</p> <p>3 guarantor's liquidity, the unpledged access -- unpledged</p> <p>4 assets. That may be unintentional. The unpledged assets by</p> <p>5 the guarantor, and the economic climate.</p> <p>6 THE COURT: Let me give you a hypothetical. Let's</p> <p>7 say a bank employee says -- and we are doing this because</p> <p>8 this is your view of materiality. Would it have affected</p> <p>9 the view of the recipient of the document? Let's say an</p> <p>10 employee says, "Oh, we viewed it very differently, but we</p> <p>11 still would have done the deal." Does that make it</p> <p>12 material, or not?</p> <p>13 MR. KISE: Not, because if they would have viewed</p> <p>14 it differently and still done the deal, that's ultimately</p> <p>15 what matters, because ultimately what matters is the</p> <p>16 decision making process of the bank. If they would have</p> <p>17 approved it, even with this knowledge, then right in their</p> <p>18 mind it's not material. And I think the evidence, and I'm</p> <p>19 going to point to this now, demonstrates that.</p> <p>20 Materiality must be viewed through the lens of the</p> <p>21 bank, not the Attorney General and not the Court. What is</p> <p>22 material to the bank? And so Mr. Haigh testified that all</p> <p>23 approvals were based on the Deutsche Bank adjusted values.</p> <p>24 And those -- and I'll show you the specifics here in a</p> <p>25 moment, your Honor. And you may recall them. Those</p>		<p>1 THE COURT: I'm just asking whether any bank</p> <p>2 employee said, we would have viewed it differently if we had</p> <p>3 known B instead of A.</p> <p>4 MR. WALLACE: Mr. Haigh said that in his</p> <p>5 deposition, but we didn't put that in front of him at the</p> <p>6 trial.</p> <p>7 MR. KISE: It's not in the trial. Whether he said</p> <p>8 it in the deposition, it's not in the courtroom.</p> <p>9 THE COURT: Okay.</p> <p>10 MR. KISE: So if they are satisfied with their</p> <p>11 adjusted values, I'm not conflating the concepts of</p> <p>12 materiality and reliance, your Honor, respectfully, but they</p> <p>13 are interconnected. And I don't think there's a bank that</p> <p>14 doesn't want to have the federal regulator standing on top</p> <p>15 of them for the rest of their existence that would ever</p> <p>16 testify, we deem something to be material, but we went ahead</p> <p>17 anyway. It's not plausible to conclude that.</p> <p>18 So there's no even theoretical argument that the</p> <p>19 approvals, the rates or terms, would have been any different</p> <p>20 because the banks own analysis and rationale demonstrates</p> <p>21 that it wouldn't. And so the Attorney General cannot simply</p> <p>22 come along an substitute her view of what's material and say</p> <p>23 it's material.</p> <p>24 And I'm just going to use the 2014 year as, you</p> <p>25 know, we went through each year, but I'll just go with the</p>	
Proceedings	Page 3874	Proceedings	Page 3876
<p>1 adjusted values reduced the values in the SOFCs by roughly</p> <p>2 two billion dollars in most years, and Deutsche Bank</p> <p>3 approved the loans anyway because they didn't view that sort</p> <p>4 of differential as material.</p> <p>5 So when the AG says, or the Attorney General says</p> <p>6 at the beginning of the trial that there's no world in which</p> <p>7 a \$2 billion difference cannot be material, I would suggest</p> <p>8 that here in the real world it is based on the facts that</p> <p>9 are in evidence now.</p> <p>10 THE COURT: My hypothetical -- sorry to interrupt,</p> <p>11 my hypothetical, I think you are confusing materiality and</p> <p>12 reliance. If somebody says we would have -- we would have</p> <p>13 done the deal anyway, and that could be for any number of</p> <p>14 reasons; they want repeat business, et cetera. But using</p> <p>15 your own view, look at it from the eyes of the bank</p> <p>16 employee, or whomever, if -- let me just ask plaintiffs</p> <p>17 quickly, did any defendant employee -- I mean, any bank</p> <p>18 employee, I'm sorry, say oh, yeah, we viewed it differently</p> <p>19 and if so, who?</p> <p>20 MR. KISE: They are certainly going to get their</p> <p>21 chance.</p> <p>22 MR. WALLACE: I guess the question is, would they</p> <p>23 have said -- would they have done it differently? We didn't</p> <p>24 present, at trial, the hypothetical of all the evidence that</p> <p>25 we've shown to show the statements were false.</p>		<p>1 2014 year. You could see from the highlighted language,</p> <p>2 approval of the various credit facilities; Doral, Trump</p> <p>3 Chicago, Trump Old Post Office, are being recommended based</p> <p>4 on, we have three items listed there. The first is the</p> <p>5 financial strength of the guarantor. If you'll notice that</p> <p>6 language that is so pesky for the Attorney General that they</p> <p>7 don't want anyone to pay attention to, "on an adjusted</p> <p>8 basis" -- we're gonna flip over to the next slide so you see</p> <p>9 what that means. On an adjusted basis the financial</p> <p>10 strength of the guarantor. It doesn't say on basis that he</p> <p>11 told us. It says on our basis, on an adjusted basis.</p> <p>12 Mr. Haigh testified repeatedly, I think the Court, frankly</p> <p>13 got tired of hearing it over and over again, that yes, those</p> <p>14 are adjusted numbers.</p> <p>15 The other two factors which are very important,</p> <p>16 particularly in this context, are the operating experience</p> <p>17 and the Deutsche Bank relationship. Remember, President</p> <p>18 Trump was brought into the private bank because as a whole</p> <p>19 -- you have his testimony -- as a whole, as a bank, as an</p> <p>20 institution, they believed that this would be a valued</p> <p>21 customer to them; this relationship would be valuable to</p> <p>22 them. And as the record reflects and as history</p> <p>23 establishes, they were right. He was a valuable customer</p> <p>24 for them. He made lots of money for them. They got deposit</p> <p>25 relationships. And it was only because he became President</p>	

Proceedings	Page 3877	Proceedings	Page 3879
<p>1 of the United States, and that created all sorts of</p> <p>2 political complications, that they ceased doing business</p> <p>3 with him at that time.</p> <p>4 THE COURT: Is there any evidence that they still</p> <p>5 do business with him one way or the other? I don't know.</p> <p>6 MR. KISE: I don't believe so, because of the</p> <p>7 testimony you heard about when he became President, it got</p> <p>8 elevated to the management and they were concerned about the</p> <p>9 navigating politics of that.</p> <p>10 If you look at the credit memos where you see the</p> <p>11 numbers, and this goes back to my point about the "real</p> <p>12 world" versus the "Attorney General world." If you look at</p> <p>13 the net worth numbers each year, just in 2014 here, they</p> <p>14 looked at the 2012 and 2013 numbers. And in 2012 you have</p> <p>15 the client reported net worth of 4.559 billion and you have</p> <p>16 the Deutsche Bank adjusted net worth of 2.436 billion.</p> <p>17 Similarly, in 2013 you have a client reported</p> <p>18 4.978 billion, and the Deutsche Bank adjusts the number of</p> <p>19 2.645 billion. So contrary to what the Attorney General</p> <p>20 maintained in their opening, and has maintained throughout,</p> <p>21 there is a world in which a difference of that magnitude of</p> <p>22 \$2 billion isn't material, is not material, and it's the</p> <p>23 real world. It's the one in which these loans were</p> <p>24 negotiated, executed, consummated successfully.</p> <p>25 Same is true, if you flip over to the next page of</p>		<p>1 Attorney General witnesses, they are not even our witnesses.</p> <p>2 None of them have done anything to establish materiality.</p> <p>3 And this point has been ignored by the Attorney General,</p> <p>4 because as I began, they are relying on your determination</p> <p>5 and their view that, well, the numbers are so large it must</p> <p>6 be material. But materiality is measured in the real world</p> <p>7 by reel participants. In this case the banks that came</p> <p>8 before this court. There's no evidence of materiality, and</p> <p>9 the claim, on that basis alone, fails.</p> <p>10 I'll talk briefly on insurance fraud. First of</p> <p>11 all, in our view, there's no evidence that the SOFCs, were</p> <p>12 material to the underwriting decisions. And importantly,</p> <p>13 there's no evidence of any false written statement submitted</p> <p>14 to insurers. Ms. Markarian testified that Allen Weisselberg</p> <p>15 allegedly told her SOFC values are based on appraisals.</p> <p>16 Mr. Holl, H-O-L-L, testified about certain verbal</p> <p>17 representations during a meeting, but he couldn't attribute</p> <p>18 any statement to any specific person, and therefore, you</p> <p>19 can't hold defendants liable, in general, but there's no</p> <p>20 false written statements to insurers, so those claims fail.</p> <p>21 Conspiracy. Conspiracy requires an agreement, most</p> <p>22 importantly. The heart of any conspiracy is agreement. An</p> <p>23 agreement between two or more parties, an overt act in</p> <p>24 furtherance of that agreement, the parties' intentional</p> <p>25 participation in the furtherance of a plan or purpose, and</p>	
Proceedings	Page 3878	Proceedings	Page 3880
<p>1 the 2014 credit memo. You see the Deutsche Bank valuation</p> <p>2 and the client valuation. And again, there is 1.5 to</p> <p>3 \$1.7 billion differential -- 1.5. We'll call it 1.5,</p> <p>4 differential between the client reported valuation and the</p> <p>5 client reported net equity, and the Deutsche Bank valuation</p> <p>6 and the Deutsche Bank adjusted net equity. And as we saw</p> <p>7 from the two slides before, and as we know from Mr. Haigh's</p> <p>8 testimony, the numbers that Deutsche Bank relied on, their</p> <p>9 numbers, their own numbers, and they were satisfied with</p> <p>10 these wide differentials.</p> <p>11 Just briefly on materiality, two more points.</p> <p>12 William Kelly, the General Counsel of Mazars, testified that</p> <p>13 "Mazars never determined that there were any material</p> <p>14 discrepancies with respect to the Statement of Financial</p> <p>15 Condition -- Statements of Financial Condition that it</p> <p>16 prepared for President Trump from 2011 to 2018."</p> <p>17 Mr. Larson, an appraiser from Cushman &amp; Wakefield,</p> <p>18 who you know I have some question as to his veracity, but</p> <p>19 nonetheless, he certainly testified, the Attorney General's</p> <p>20 own witness, that there was absolutely nothing to prohibit</p> <p>21 President Trump from conducting his own valuation of his</p> <p>22 property and the valuations never needed to be conducted by</p> <p>23 an appraiser.</p> <p>24 So when you couple that testimony, and bear in mind</p> <p>25 that all of the witness testimony we are talking about are</p>		<p>1 resulting damage or injury. This is the Abacus Federal</p> <p>2 Savings Bank case, 75 AD3d 472. We also cite the Court to</p> <p>3 the Robinson case, 259 AD2d 280.</p> <p>4 So here, there is no proof whatsoever of any</p> <p>5 agreement to commit a criminal act. The agreement to</p> <p>6 prepare and submit SOFCs is not an agreement in and of</p> <p>7 itself to commit a criminal act. And there's no evidence of</p> <p>8 any intentional participation in any plan/purpose in</p> <p>9 furtherance of a criminal act.</p> <p>10 There is also no evidence of resulting damage or</p> <p>11 injury. As I began, there are no victims here. There's no</p> <p>12 fraud. There's no complaining witness. There's no</p> <p>13 defaults, there's no later missed payments. These are all</p> <p>14 profitable transactions.</p> <p>15 There's no evidence of agreement. The Attorney</p> <p>16 General's star witness. I know that the Attorney General</p> <p>17 says, no, Michael Cohen is just a small part of our case.</p> <p>18 Really, it doesn't matter. Right on that screen, Michael</p> <p>19 Cohen was featured. They played his testimony in the</p> <p>20 openings. Donald Trump told me to do A, B, C, D, E, F G.</p> <p>21 He was showcased. Now the Attorney General, herself,</p> <p>22 retreats from his -- no other way to describe it -- pathetic</p> <p>23 performance. I mean, he is not credible. He admitted to</p> <p>24 perjury. In fact, I think -- I didn't go back and count --</p> <p>25 I think he lied, he admitted to lying in just about every</p>	

Proceedings	Page 3881	Proceedings	Page 3883
<p>1 court he's ever appeared in.</p> <p>2 Importantly, he finally admitted, after</p> <p>3 Mr. Robert's cross examination, that President Trump never</p> <p>4 told him to inflate the statements. He said on redirect,</p> <p>5 and this I think is the most astonishing part of Mr. Cohen's</p> <p>6 testimony, that somehow or another President Trump speaks in</p> <p>7 code.</p> <p>8 I mean, you saw him on the stand. I don't think</p> <p>9 when he was addressing Mr. Wallace, or talking about the</p> <p>10 Attorney General, or talking about the allegations, or</p> <p>11 anything else, this is not a man that speaks in code. I</p> <p>12 could assure you personally, this is not a man that speaks</p> <p>13 in code. Anyone that has been around President Trump for</p> <p>14 more than 15 minutes knows you will know what it is that he</p> <p>15 wants, and you will know exactly how it is that he intends</p> <p>16 for you to get there. This is not someone that speaks in</p> <p>17 code.</p> <p>18 So the idea that Michael Cohen tried to</p> <p>19 rehabilitate himself on redirect after demonstrating he lied</p> <p>20 and lied and lied, well, he never really told me. He just</p> <p>21 speaks in code, is preposterous.</p> <p>22 THE COURT: Can I bring up something not in the</p> <p>23 record, but a matter of public knowledge? I think the</p> <p>24 perfect call with Zelenskyy about the military aid, there</p> <p>25 might have been code rather than straightforward talk.</p>		<p>1 elements, then that statement doesn't come in.</p> <p>2 Even if it came in, that statement, alone, is not</p> <p>3 proof of any agreement or any criminal act. The statement</p> <p>4 is purportedly, "Mr. Trump wanted his net worth to go up."</p> <p>5 Well, that, on its face, is not evidence of guilt or</p> <p>6 criminal conduct.</p> <p>7 I think I believe President Trump himself said,</p> <p>8 "Well, who doesn't want to it go up?" I mean, you are going</p> <p>9 to tell people, "I would like it to go down." You know, I</p> <p>10 would like it to go down. The statement itself proves</p> <p>11 nothing, even if it's admissible, which we believe that it's</p> <p>12 not.</p> <p>13 Briefly, on two points about specificity, because</p> <p>14 we argued the criminal statutes. The Attorney General has</p> <p>15 failed to establish individual claims against each</p> <p>16 defendant. There's no specific proof of liability, specific</p> <p>17 conduct. I mean, look at Seven Springs, DJT Holdings, DJT</p> <p>18 Managing Member, Trump Organization, Inc. and LLC. The</p> <p>19 parties to the loans and the guaranty are very specific</p> <p>20 parties. They are set forth in the governing documents. So</p> <p>21 Seven Springs didn't prepare an SOFC or certification, DJT</p> <p>22 Holdings didn't, Trump Org, Inc. did not, Trump Org, LLC did</p> <p>23 not. The trust did not prepare and submit the SOFCs at the</p> <p>24 loan inception, at least. And so there's no separation of</p> <p>25 any kind. None of the defendants are specified as to the</p>	
Proceedings	Page 3882	Proceedings	Page 3884
<p>1 MR. KISE: I don't know. That's a political issue</p> <p>2 that really has no bearing on anything in the courtroom, and</p> <p>3 I certainly don't know the facts or circumstances of it.</p> <p>4 And I hope, sincerely, that that is not bearing on the</p> <p>5 Court's mind when it comes to the testimony. I know it's</p> <p>6 not. I know you were making a point, but that's a</p> <p>7 completely different context. And here the only proof of</p> <p>8 agreement that they presented to the court was Michael</p> <p>9 Cohen.</p> <p>10 THE COURT: Okay. I understand. I only base my</p> <p>11 decisions and rules on what's in the record, and that</p> <p>12 clearly was not, so okay.</p> <p>13 MR. KISE: There's no testimony to support the</p> <p>14 Attorney General's claim that President Trump directed</p> <p>15 anyone to overstate this SOFC values. I mean, Cohen said</p> <p>16 affirmatively, he did not direct him to overstate the</p> <p>17 values. And I'll just touch previously on the other only</p> <p>18 other statement that's even come close to this issue in the</p> <p>19 record, is the statement that the Attorney General attempted</p> <p>20 to get in through Mr. Birney about what Allen Weisselberg</p> <p>21 allegedly told him. Well, as you know from our submission,</p> <p>22 that statement is inadmissible because until -- unless and</p> <p>23 until the Attorney General proves a prima facie of</p> <p>24 conspiracy, without that statement, which they haven't,</p> <p>25 because they haven't demonstrated agreement over the various</p>		<p>1 insurance fraud claim. It's just simply insurance fraud and</p> <p>2 defendants. And the Attorney General cannot simply just</p> <p>3 conflate all of the defendants together. There's no basis</p> <p>4 in the record to disregard the corporate forum. And the</p> <p>5 Attorney General has failed completely to attribute specific</p> <p>6 criminal conduct to specific defendants, which is the</p> <p>7 statutory burden.</p> <p>8 They've also -- the Attorney General has also</p> <p>9 failed to establish specific defects. So the Attorney</p> <p>10 General's position which, you know, we disagree with, but</p> <p>11 their position is is that each SOFC submission or</p> <p>12 certification constitutes a separate act. But there's no</p> <p>13 actual evidence specific to each act.</p> <p>14 The Attorney General, just in the record, has</p> <p>15 conflated the 2011, 2021 period without specific proof, year</p> <p>16 by year. There's no specific delineation as to each defect</p> <p>17 year by year. So the evidence has sort of wandered, um, I</p> <p>18 think some of the media has observed this, that each day we</p> <p>19 move from the 2014 Statement of Financial Condition to the</p> <p>20 2013 spreadsheet, to a 2016 e-mail, back to a 2012 document.</p> <p>21 There's -- it's just sort of this meandering presentation,</p> <p>22 which at least where I'm from we call it a spaghetti method.</p> <p>23 You throw it all up on the we'll and let's just see what</p> <p>24 sticks, but there's no attempt to establish the materiality</p> <p>25 of each alleged defect or each separate SOFC, or each</p>	

Proceedings	Page 3885	Proceedings	Page 3887
<p>1 separate certification. And the Attorney General cannot</p> <p>2 simply conflate all of this together. There's no basis in</p> <p>3 the law for establishment of criminal liability against any</p> <p>4 individual defendant without a specific delineation.</p> <p>5 And so the failure to completely to attribute</p> <p>6 specific criminal conduct to a specific SOFC and a specific</p> <p>7 individual defendant, and a specific certification and a</p> <p>8 specific individual defendant, is fatal to their claims.</p> <p>9 Disgorgement. I'm only going to say this once for</p> <p>10 the record. We do not believe, as you know, that it's</p> <p>11 available under 63(12) or the underlying statutory claims.</p> <p>12 Even if it's available, though, we do not believe the</p> <p>13 evidence has established that any gains or ill-gotten,</p> <p>14 meaning there's no demonstration that there's a causal link</p> <p>15 between the purported gains to defendants, and the purported</p> <p>16 fraudulent conduct. And I cite to the court the JP Morgan</p> <p>17 Securities case, 91 AD3d 226, which unfortunately was</p> <p>18 reversed on other grounds. I'm not sure what the grounds</p> <p>19 are, but that case stands for this proposition, that the</p> <p>20 disgorgement must be causally connected to the violation.</p> <p>21 There's no evidence the loan approvals, the terms</p> <p>22 or rates, would have actually differed. And the</p> <p>23 disgorgement must be directed at ill-gotten gains for</p> <p>24 recompense of investors, or some entity other than the</p> <p>25 prosecuting agency. That's the Access, A-C-C-E-S-S, Point</p>		<p>1 Avenue loan was July 2010. The Ferry Point contract was</p> <p>2 2012. The OPO bid selection approval was 2012. The Doral</p> <p>3 loan was in 2012. The Chicago loan was in 2012. The OPO</p> <p>4 contract and lease was in 2013. So all of those long well</p> <p>5 predate the 2014, July 13, 2014, date.</p> <p>6 So then the only other transactions as I mentioned</p> <p>7 that are even theoretically viable, setting aside the</p> <p>8 tolling agreement, would be the OPO loan of August 12th,</p> <p>9 2014, which is just across the July 13th line. And then the</p> <p>10 40 Wall Street loan on 2015. Again, those transactions,</p> <p>11 because there hasn't been materiality, hasn't been the</p> <p>12 requisite establishment, we would say there's no basis to</p> <p>13 award any disgorgement. They are particularly based on the</p> <p>14 disgorgement case law that I referenced. There is nothing</p> <p>15 to recompense. But in all events, those transactions would</p> <p>16 be the ones only theoretically viable.</p> <p>17 THE COURT: What if a loan was closed, money</p> <p>18 transferred prior to the statute of limitations cut off, but</p> <p>19 the loan was still outstanding and interest was affected,</p> <p>20 and let's assume that the loan was obtained through</p> <p>21 fraudulent means, or the particular interest rate was</p> <p>22 obtained through fraudulent means. Wouldn't the borrower</p> <p>23 still be benefitting after the statute of limitations bar?</p> <p>24 MR. KISE: Um, no, because you now have to look at</p> <p>25 the certification, as the Attorney General has requested</p>	
Proceedings	Page 3886	Proceedings	Page 3888
<p>1 Medical case, 106 AD3d 40.</p> <p>2 So here what you have is no victim, no complainant,</p> <p>3 no loss, no nothing, and a request for disgorgement based on</p> <p>4 ill-gotten gains that haven't been established to be, in the</p> <p>5 record, ill-gotten, all directed at the agency, the</p> <p>6 prosecuting agency, the Attorney General. There isn't</p> <p>7 anything to recompense.</p> <p>8 I'll bring up briefly, for context purposes, the</p> <p>9 statute of limitations, because I think it's appropriate</p> <p>10 here in the discussion of the disgorgement.</p> <p>11 Any transactions closed before July 13, 2014, are</p> <p>12 not subject to any sort of financial disgorgement. They</p> <p>13 cannot be included in the calculation. So the only</p> <p>14 remaining loan claims would then relate to the OPO loan</p> <p>15 and/or the 40 Wall Street loan; that setting aside the</p> <p>16 issues as to the application of the tolling agreement. But</p> <p>17 just as a broad proposition, prior to July 13th, 2014,</p> <p>18 that's a hard stop. So there cannot be any disgorgement as</p> <p>19 to transactions closed before July 13, 2014 loan</p> <p>20 transactions or otherwise.</p> <p>21 They cannot seek disgorgement as to contracts</p> <p>22 awarded to the OPO contract, the Ferry Point contract before</p> <p>23 July 13, 2014. And this chart, which you have seen before,</p> <p>24 sort of lays that out. It lays out the relevant dates. The</p> <p>25 Seven Springs loan was in July of 2000. The Trump Park</p>		<p>1 that you do, on a free-standing basis. What were the</p> <p>2 impacts of that certification. And I have a slide on that,</p> <p>3 but I'll certainly answer your question, your Honor.</p> <p>4 What would the impact of that certification be on</p> <p>5 the loan terms itself? What would change? What difference</p> <p>6 would there be? We can't -- we can't use the concept of,</p> <p>7 well, I could look backwards to defeat the statute of</p> <p>8 limitations. I mean, that's why, respectfully, we believe</p> <p>9 that the First Department said what it said. I know there's</p> <p>10 a disagreement; that will be the subject of later</p> <p>11 proceedings, but that's why when you are dealing with a loan</p> <p>12 transaction, a transaction of this nature, you have to look</p> <p>13 at it at the time the agreement is consummated. And all the</p> <p>14 subsequent certifications, whether they are false or not, we</p> <p>15 say they are not, but even if they are, they don't carry</p> <p>16 with them a corresponding damage component because the bank</p> <p>17 -- the die is cast. I mean, the deal is done and it's</p> <p>18 moving forward.</p> <p>19 And to the extent that there is an opportunity to</p> <p>20 alter the trajectory, that would be pursuant to the express</p> <p>21 terms of the loan agreements, which you have in the record.</p> <p>22 The bank and the borrower contemplated expressly in that</p> <p>23 agreement the exact scenario that the Attorney General is</p> <p>24 now bringing before this Court, which is what happens if</p> <p>25 this representation isn't met? What happens if that</p>	

Proceedings	Page 3889	Proceedings	Page 3891
<p>1 representation isn't met? All of that is the subject, the</p> <p>2 core of the agreement between the parties, and for the</p> <p>3 Attorney General to interject herself into the private</p> <p>4 marketplace to this degree is both startling and, and, you</p> <p>5 know, frankly, frightful, because the parties themselves are</p> <p>6 in the best position to determine how they want to proceed</p> <p>7 with one another.</p> <p>8 And if they anticipate specific circumstances, then</p> <p>9 they anticipate those. And if the bank is defrauded, they</p> <p>10 are perfectly capable of coming to the Attorney General to</p> <p>11 affording themselves to the remedies in the documents. But</p> <p>12 we don't get to, as Attorney General, ten years later</p> <p>13 rewrite the terms of a contract and say, "Well, I know that</p> <p>14 Deutsche Bank didn't believe that this was material." "I</p> <p>15 know that Deutsche Bank didn't view this these vagaries and</p> <p>16 the statements and the valuations as material or important,</p> <p>17 but we do." That's a substitution of judgment which is</p> <p>18 based on total speculation. There's no record of any</p> <p>19 ill-gotten gains. There's no testimony or evidence the</p> <p>20 approvals, the terms or rates would have been different.</p> <p>21 The Attorney General is ignoring the multiple</p> <p>22 factor underwriting analysis. The Attorney General is</p> <p>23 ignoring the realities of marketplace. There's not even any</p> <p>24 proof that the loans, based on their concocted theory, would</p> <p>25 have ever been agreed to higher rates, meaning, that the</p>		<p>1 MR. KISE: Well, you know our position. There</p> <p>2 is no way to unwind that analysis, particularly here where</p> <p>3 the bank itself is telling you -- well, strike that.</p> <p>4 The bank hasn't told you that anything would</p> <p>5 have been any different. The bank hasn't said, wow, if I</p> <p>6 had known that certification wasn't accurate, I would have</p> <p>7 acted differently. Most likely what the bank would have</p> <p>8 done is they would have determined, okay, I have got</p> <p>9 performing loans. Banks don't want to foreclose on loans.</p> <p>10 Bank don't like to declare defaults. Banks like, what,</p> <p>11 making money off of performing loans, that's the business</p> <p>12 they are in. So if the loan is performing, if the</p> <p>13 collateral is otherwise secure, both things that are in</p> <p>14 the record here, if there is no risk or little risk of</p> <p>15 actual substantive default. Then it is up to the bank.</p> <p>16 It is up to the private parties to determine, I think in</p> <p>17 some years actually based on the Deutsche Bank analysis,</p> <p>18 if we were to go back and look year by year, which I</p> <p>19 won't, but I think in some years maybe even on our slide.</p> <p>20 Let's just look at that briefly.</p> <p>21 Here. So right here in 2012 Deutsche Bank</p> <p>22 credit memo. Their own analysis, their own adjusted value</p> <p>23 has the net worth at 2.436 billion. So by their own</p> <p>24 analysis they would say, oh, well, he is not meeting the</p> <p>25 threshold. That's their own analysis. They obviously</p>	
	Page 3890	Proceedings	Page 3892
<p>1 parties would have come to some agreement.</p> <p>2 THE COURT: Hold on. For present purposes, I'll</p> <p>3 agree with you, without prejudice, that the certifications,</p> <p>4 the subsequent year certifications would not change the</p> <p>5 terms of the loan. But my question is -- it's a</p> <p>6 hypothetical, almost; a rhetorical question.</p> <p>7 If the loan was obtained pre-statute of limitations</p> <p>8 and under false pretenses, but the borrower is still</p> <p>9 benefitting post-statute of limitations based on the</p> <p>10 interest rate, I don't know, maybe disgorgement is possible</p> <p>11 for that. I'm not taking an official position. I'm just</p> <p>12 raising a question.</p> <p>13 (Continued on the next page.)</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 didn't complain about it.</p> <p>2 In fact, not only did they not complain about</p> <p>3 it, they approved the loans and the credit facilities.</p> <p>4 They continued doing business year after year after year</p> <p>5 after year.</p> <p>6 And so again, I am back to, this is what happens</p> <p>7 in the real world, not the land of make believe, not the</p> <p>8 Attorney General's world.</p> <p>9 THE COURT: By the way, this is sort of an</p> <p>10 offhand point. The chart that you were working with, the</p> <p>11 fact that the defendants or Trump Organization put X</p> <p>12 dollars, as claimed to have a value of X dollars, the fact</p> <p>13 is that the bank said, no, it is X minus Y, it is not</p> <p>14 4 billion, it is 2 billion, maybe that means they don't</p> <p>15 trust him.</p> <p>16 MR. KISE: It means what Mr. Haigh testified to,</p> <p>17 they don't trust anybody. No one trusts anybody. What</p> <p>18 bank would? They will not be in business for very long,</p> <p>19 and the regulators will be all over them. Their job is to</p> <p>20 conduct the exact analysis you see here, particularly in</p> <p>21 the commercial sector. They can't just say, oh, well,</p> <p>22 that's very nice President Trump, you are worth \$10</p> <p>23 billion, \$50 billion \$5 billion, whatever number, here,</p> <p>24 how much money do you want, let me take it out of my</p> <p>25 pocket. That's not how any commercial lender works. I</p>	

Proceedings	Page 3893	Proceedings	Page 3895
<p>1 think we can all speak from personal experience on dealing</p> <p>2 with borrowing for homes, cars, anything on an ordinary</p> <p>3 sense. No lender takes your word for it. That's why we</p> <p>4 have credit reports and we have all of these checks and</p> <p>5 balances. The whole purpose is to make sure that at the</p> <p>6 time the loan is consummated, whether it be a personal</p> <p>7 loan for a home or a giant commercial loan that is at</p> <p>8 issue here, that the parties have developed an</p> <p>9 understanding with each other as to the relative pros and</p> <p>10 cons of the deal, and that's what they have done here.</p> <p>11 And Deutsche Bank, yes, they discounted it</p> <p>12 heavily. And back to where I began, they -- they</p> <p>13 determined that a \$2 billion differential was not material</p> <p>14 to them. So it is not really a matter of not trusting</p> <p>15 President Trump or the Trump Organization, it is a -- I</p> <p>16 think if you were to look at any of the deals in the</p> <p>17 commercial real estate center, you are going to see these</p> <p>18 wide disparities. They are looking at it from a different</p> <p>19 purpose as well.</p> <p>20 So there is no proof that the OPO would not have</p> <p>21 been made, the OPO loan. There is no proof that the OPO</p> <p>22 loan terms would have differed. There is no proof that</p> <p>23 the 40 Wall Street loan would not have been made. There</p> <p>24 is no proof that the 40 Wall Street loan terms would have</p> <p>25 differed. There is no proof in the record that the OPO or</p>		<p>1 And the guaranty is at 10 percent, so the net worth</p> <p>2 covenant was at 250 million on Doral and not 2.5 billion.</p> <p>3 And so therefore, I don't think there is any allegation,</p> <p>4 even from the Attorney General, that President Trump's net</p> <p>5 worth fell below 250 million at any point.</p> <p>6 So there is no possible basis, even theoretical,</p> <p>7 for disgorgement on the Doral or Chicago loan after the</p> <p>8 step down or the elimination of the guaranty.</p> <p>9 So Mr. McCarty's -- and I am closing here to be</p> <p>10 mindful of the time. Mr. McCarty's analysis is, I don't</p> <p>11 want to be pejorative and use the word comical, but it is</p> <p>12 disconnected from reality. He develops his own absurd</p> <p>13 construct. He ignores the bank officer testimony. He</p> <p>14 ignores the plain language of the loan agreements, never</p> <p>15 looks at the step downs, never looks at the elimination,</p> <p>16 never looks at the default rate. He simply substitutes</p> <p>17 his judgment for that of the sophisticated counterparties</p> <p>18 who negotiated this with high-powered counsel, lots of</p> <p>19 back and forth.</p> <p>20 So the Attorney General is just using</p> <p>21 Mr. McCarty, and apparently he is willing to be used in</p> <p>22 this regard, to back fill a gaping hole in the case, that</p> <p>23 there is no ill gotten gain. So we can't prove it so the</p> <p>24 Attorney General decides let's just make it up.</p> <p>25 So these cases you heard us cite before, I will</p>	
Proceedings	Page 3894	Proceedings	Page 3896
<p>1 Ferry Point contracts would not have been afforded. And</p> <p>2 there is no proof that any of the certifications could</p> <p>3 have possibly impacted these rates and terms.</p> <p>4 Now, you have done me the favor of foreshadowing</p> <p>5 exactly what I was going to put up. Which is, we had this</p> <p>6 colloquy, I believe it was yesterday, or Monday.</p> <p>7 The AG's -- the Attorney General's only</p> <p>8 remaining theory relates to these certifications, but</p> <p>9 there is no proof in the record that post-closing</p> <p>10 certifications could possibly impact approvals, rates or</p> <p>11 terms. And you yourself agreed, at least</p> <p>12 conversationally, you will have to make the ultimate</p> <p>13 determination, but I agree with your logic that a</p> <p>14 certification in 2017 doesn't affect anything directly</p> <p>15 about the original loan, how it was negotiated, how it was</p> <p>16 finalized.</p> <p>17 So the Attorney General ignores all that. The</p> <p>18 Attorney General also completely ignores the guaranty and</p> <p>19 step down -- the step downs and the guaranty and the</p> <p>20 elimination. You know, with Doral and Chicago loans,</p> <p>21 which still feature prominently in their expert's opinion,</p> <p>22 the evidence establishes that the Doral guaranty went down</p> <p>23 to 10 percent and the Chicago guaranty was eliminated. So</p> <p>24 at that point there is no, even, theoretical impact of the</p> <p>25 certifications, because there is no longer any guaranty.</p>		<p>1 cite them for the record now.</p> <p>2 The Gathers case 242 A.D.2d 506.</p> <p>3 The Quinn case 203 A.D.2d 444.</p> <p>4 The Ortiz case, which you heard about many</p> <p>5 times. And I think you probably think that's my favorite.</p> <p>6 I do like that one, because the Ortiz case frames it well.</p> <p>7 You can't have an accident reconstructionist when you have</p> <p>8 eyewitnesses to the accident testifying and saying X. The</p> <p>9 accident reconstructionist is not allowed to come in later</p> <p>10 and say no, no, no, no, this is what really happened.</p> <p>11 The Ortiz case is found at 19 A.D.3d 239.</p> <p>12 And then the last case I'll cite to the Court is</p> <p>13 the 91st Street Crane Collapse Litigation. 154 A.D.3d</p> <p>14 139.</p> <p>15 All of these cases stand essentially for the</p> <p>16 proposition that experts opine on the evidence. They</p> <p>17 don't manufacture the evidence. They don't substitute</p> <p>18 their opinions. They can't contradict facts that are in</p> <p>19 the record.</p> <p>20 So McCarty simply adopted this Court's position</p> <p>21 on summary judgment without -- assuming facts not in</p> <p>22 evidence. Didn't give any -- pay any heed to what the</p> <p>23 Deutsche Bank testimony was, what the Ladder Capital</p> <p>24 testimony was. Or more importantly here, what it was not,</p> <p>25 because there is no indication, as I have said, that</p>	

Proceedings	Page 3897	Proceedings	Page 3899
<p>1 anything would have been differently. So Mr. McCarty</p> <p>2 offers only to substitute his judgment for the judgment of</p> <p>3 the sophisticated private actors who underwrote and</p> <p>4 negotiated what, without question, are highly successful</p> <p>5 business transactions. It is not disputed.</p> <p>6 The Frye standard and the cases that I cited</p> <p>7 simply do not permit this kind of expert by speculation.</p> <p>8 There is nothing in the record to suggest the banks would</p> <p>9 have denied approval, altered the terms of the loan based</p> <p>10 on additional information. And this is important, you</p> <p>11 heard me say this before, because the Attorney General</p> <p>12 never asked them.</p> <p>13 And it is fair for the Court to conclude that</p> <p>14 they didn't ask because they knew they were going to get</p> <p>15 an answer they didn't want. So they decided, let's roll</p> <p>16 the dice with Mr. McCarty.</p> <p>17 Mr. McCarty, you know one thing, it is</p> <p>18 interesting, maybe even more than one about his testimony,</p> <p>19 is in response to, I believe it was a question from the</p> <p>20 Court, he himself testified he could not -- he couldn't</p> <p>21 state with any reasonable degree of certainty as to what</p> <p>22 the banks actually would have done. The Court, you</p> <p>23 prompted him:</p> <p>24 "It is a yes or no question, are you certain</p> <p>25 they would or would not have, whatever, offered a loan on</p>		<p>1 certifications and the covenants themselves, I mean, with</p> <p>2 the 40 Wall Street loan, there is not even any question in</p> <p>3 the courtroom presented that President Trump always met</p> <p>4 those thresholds. Always. So there is no impact, it is</p> <p>5 not even theoretically possible that there would be --</p> <p>6 would have been any impact on the rates, the terms, the</p> <p>7 approval process, none of it.</p> <p>8 So in sum, we submit that the Attorney General</p> <p>9 has failed to establish a prima facie case. There is no</p> <p>10 proof of intent. There is no proof of materiality. There</p> <p>11 is no specifically attributable contact to each defendant.</p> <p>12 There is no specifically identifiable conduct with respect</p> <p>13 to each SOFC and certification each year. There is no</p> <p>14 entitlement to disgorgement.</p> <p>15 And what we have here is the Attorney General</p> <p>16 seeking to impose liability for profitable transactions,</p> <p>17 to substitute her judgment for that of the banks. And</p> <p>18 frankly, her judgment for that of a person who has been</p> <p>19 involved in the commercial real estate industry for 50</p> <p>20 years.</p> <p>21 I am not sure about the Court but I know if I</p> <p>22 had money to invest in commercial real estate and my</p> <p>23 choices were Donald Trump or Attorney General James,</p> <p>24 respectfully, I would certainly go with Donald Trump,</p> <p>25 because I know I am going to make money there. I don't</p>	
Proceedings	Page 3898	Proceedings	Page 3900
<p>1 those terms. Are you certain?</p> <p>2 THE WITNESS: It is a hypothetical question. I</p> <p>3 can't be certain."</p> <p>4 That's exactly the point.</p> <p>5 Mr. McCarty even confirmed there was no</p> <p>6 violation of the 40 Wall Street loan covenants. The</p> <p>7 colloquy that ensued on cross examination:</p> <p>8 You would see here that the covenant that it</p> <p>9 describes is that the key principles must maintain a net</p> <p>10 worth equal to at least 160 million and a liquidity of at</p> <p>11 least 50 million.</p> <p>12 "ANSWER: That's correct.</p> <p>13 THE COURT: I think principals is spelled wrong.</p> <p>14 MR. KISE: It is. It is. I think this is in</p> <p>15 the record though, sorry. It is though, I noticed that.</p> <p>16 "QUESTION: And the key principal described in</p> <p>17 this document is Donald John Trump?</p> <p>18 "That's correct.</p> <p>19 "QUESTION: Do you have any reason to believe</p> <p>20 during the life of this loan Mr. Trump didn't maintain a</p> <p>21 net worth equal to at least 160 million and a liquidity of</p> <p>22 at least 15 million?</p> <p>23 "ANSWER: No. I don't think there was any</p> <p>24 violation of this covenant."</p> <p>25 So back to your -- the question you posed about</p>		<p>1 know about the Attorney General. Her opinions in the real</p> <p>2 world don't matter. What matters in the commercial</p> <p>3 private sector is what do these parties have to say.</p> <p>4 And the Attorney General is not pursuing any</p> <p>5 wrongdoer. She is pursuing a political opponent. I am</p> <p>6 not speaking out of turn or politicizing it, but he is a</p> <p>7 political opponent. There is no fraud. There is no</p> <p>8 victim. And respectfully, Your Honor, there is no</p> <p>9 liability as to counts two through seven, nor any basis</p> <p>10 for disgorgement.</p> <p>11 Thank you.</p> <p>12 I believe Mr. Robert has something.</p> <p>13 THE COURT: Okay, Mr. Robert.</p> <p>14 MR. KISE: If I have left him time.</p> <p>15 MR. ROBERT: Can you hear me, Your Honor?</p> <p>16 THE COURT: Yes.</p> <p>17 MR. ROBERT: Good morning.</p> <p>18 THE COURT: Good morning.</p> <p>19 MR. ROBERT: I will be brief, as is usually my</p> <p>20 custom here. But I don't want my brevity to be</p> <p>21 misconstrued as a lack of importance that your decision</p> <p>22 will have on the impact of my clients in particular and</p> <p>23 their future. Or any indication of a lack of how strongly</p> <p>24 we feel that directed verdict should be granted in favor</p> <p>25 of my clients.</p>	

Proceedings	Page 3901	Proceedings	Page 3903
<p>1 I think it goes without saying that obviously I</p> <p>2 join in Mr. Kise's arguments on behalf of Eric Trump and</p> <p>3 Donald Trump Jr. that we request a directed verdict in</p> <p>4 this matter.</p> <p>5 What I want to spend my few minutes discussing</p> <p>6 is, what I believe the New York Attorney General has not</p> <p>7 proven as to my clients. And since they have rested their</p> <p>8 case, therefore we believe we are entitled to a directed</p> <p>9 verdict.</p> <p>10 What I believe is clear is that the Attorney</p> <p>11 General has not proven that my clients were involved in</p> <p>12 the creation of the Statement of Financial Conditions.</p> <p>13 They were not involved in the preparation of it; in</p> <p>14 assembling the backup to it; in reviewing the supporting</p> <p>15 data spreadsheets to it; in performing the calculations</p> <p>16 or, quite frankly, in determining the methodologies used</p> <p>17 in the Statement of Financial Condition.</p> <p>18 I know throughout the course of the trial there</p> <p>19 were exhibits, and we are going to talk about those this</p> <p>20 morning. But respectfully, the Attorney General is so</p> <p>21 desperate to make a connection between, for example, Eric</p> <p>22 Trump and the Statements of Financial Condition, that they</p> <p>23 actually used an e-mail from 2010 that attached an NDA</p> <p>24 that wasn't signed that had a reference of a Statement of</p> <p>25 Financial Condition, I think it was in the second</p>		<p>1 would respond. I don't think it ever registered that it</p> <p>2 was for a personal Statement of Financial Condition. It</p> <p>3 was just a detail that was irrelevant to me."</p> <p>4 Based on testimony like that, I respectfully</p> <p>5 submit that the Attorney General cannot show any intent</p> <p>6 for the remaining causes of action as relates to Eric</p> <p>7 Trump.</p> <p>8 As to Donald Trump Jr. let's look at his</p> <p>9 testimony from November 1, 2023, page 3213 starting at</p> <p>10 line 21:</p> <p>11 "QUESTION: Did you ever perform work on the</p> <p>12 Donald J. Trump Statement of Financial Condition for any</p> <p>13 year.</p> <p>14 "ANSWER: Not that I recall, no.</p> <p>15 "QUESTION: No specific knowledge, sir?</p> <p>16 "ANSWER: No."</p> <p>17 But obviously, parties to a case have an</p> <p>18 interest in the outcome of the case. Your Honor is able</p> <p>19 to deal with credibility issues. But let's look at what</p> <p>20 the other witnesses you heard from so far had to say about</p> <p>21 the involvement or, as I'll respectfully submit, the lack</p> <p>22 of involvement of my clients in this case. Although I</p> <p>23 know Your Honor hates arguing in the negative, but here I</p> <p>24 am going to need to do a little bit of that to show,</p> <p>25 respectfully, what it is that we believe the People have</p>	
Proceedings	Page 3902	Proceedings	Page 3904
<p>1 paragraph, in the unsigned attachment to show that somehow</p> <p>2 he had knowledge going back to 2010 of the SOFC.</p> <p>3 There were also several other documents that</p> <p>4 were shown to Mr. Trump which were passing references to</p> <p>5 the SOFC. But let's not talk about what I am saying,</p> <p>6 let's talk about how Eric Trump answered the question</p> <p>7 about that.</p> <p>8 If we could put on the screen Mr. Eric Trump's</p> <p>9 testimony from November 2, 2023, page 3328, starting at</p> <p>10 line 20.</p> <p>11 THE COURT: Just one question. A few moments</p> <p>12 ago you said, "Mr. Trump."</p> <p>13 MR. ROBERT: That's why I am being clear now I</p> <p>14 am going to call them Eric Trump, Donald Trump Jr. and</p> <p>15 President Trump. Those will be the three words I use.</p> <p>16 THE COURT: Okay.</p> <p>17 MR. ROBERT: This is Eric Trump's testimony.</p> <p>18 "ANSWER: I think where we are getting tripped</p> <p>19 up, is I clearly understood that I sent notes to Jeff</p> <p>20 McConney. I worked with him almost every single day.</p> <p>21 What's maybe not registering is the difference between</p> <p>22 sending him things that were used for financials and</p> <p>23 things that were used for a Statement of Financial</p> <p>24 Condition. Somebody from accounting would ask me</p> <p>25 something, they had ask me details of a project, and I</p>		<p>1 not been able to prove.</p> <p>2 As to Eric Trump, let's start with one of the</p> <p>3 earlier witnesses in the case who was Camron Harris, from</p> <p>4 the Whitley Penn firm, the current accountants for the</p> <p>5 Trump Organization. And let's turn to Mr. Harris'</p> <p>6 testimony of October 4, 2023, page 455, line nine:</p> <p>7 "QUESTION: I asked you if you had any meeting</p> <p>8 with Eric Trump that discussed the Statement of Financial</p> <p>9 Condition.</p> <p>10 "ANSWER: No, I did not."</p> <p>11 Mr. Harris continuing on page 458, line 19.</p> <p>12 "So while not specifically, did you have any</p> <p>13 meetings in which the Statement of Financial Condition</p> <p>14 would be a part of the discussion?</p> <p>15 "ANSWER: I did not have any meetings with</p> <p>16 Donald Trump Jr. or Eric Trump in regards to the Statement</p> <p>17 of Financial Condition."</p> <p>18 We then can move to the testimony of Donald</p> <p>19 Bender, who you heard ad nauseam was the long-time</p> <p>20 accountant for the Trump Organization, had been paid to</p> <p>21 his firm millions of dollars, representing them for years</p> <p>22 and years. Let's go to Mr. Bender's from October 5, 2023.</p> <p>23 Page 526, line three:</p> <p>24 "QUESTION: Mr. Bender you never spoke with Eric</p> <p>25 Trump about his father's Statement of Financial Condition,</p>	

Proceedings	Page 3905	Proceedings	Page 3907
<p>1 correct?</p> <p>2 "ANSWER: I may have had -- nothing with the</p> <p>3 actual compilation of the report."</p> <p>4 We then move down to Allen Weisselberg. And we</p> <p>5 know Allen Weisselberg and Jeff McConney were the main</p> <p>6 players, for lack of a better word, in dealing with the</p> <p>7 Statement of Financial Condition. And we have</p> <p>8 Mr. Weisselberg's testimony of October 10, 2023 at page</p> <p>9 845, line 13:</p> <p>10 "QUESTION: Did you rely on Eric Trump?</p> <p>11 "ANSWER: No.</p> <p>12 "QUESTION: Not at all for any of the</p> <p>13 information contained in the Statements of Financial</p> <p>14 Condition?</p> <p>15 "ANSWER: Not me personally, no."</p> <p>16 Now we know from the evidence that the Attorney</p> <p>17 General did submit to this Court that there were</p> <p>18 conversations between Eric Trump and Jeff McConney. But</p> <p>19 respectfully, they don't rise to the level of intent that</p> <p>20 the Attorney General needs to establish in this case.</p> <p>21 So let's look at the testimony of David McArdle</p> <p>22 of Cushman &amp; Wakefield, again a non-party to the</p> <p>23 proceedings, who can talk about Eric Trump's view of</p> <p>24 value, which again goes to the heart of this matter.</p> <p>25 Let's go to Dave McArdle's testimony, which was</p>		<p>1 its -- owners are a great source of information, but</p> <p>2 ultimately, you know, I have to come up with my own</p> <p>3 conclusions."</p> <p>4 Eric Trump is not running away from the fact</p> <p>5 that this would have been a conversation he would have had</p> <p>6 with the appraiser. It doesn't mean that any of the</p> <p>7 conversations he had were nefarious or done for any ill</p> <p>8 purpose.</p> <p>9 We can continue with Mr. McArdle on page 2034 of</p> <p>10 the same date:</p> <p>11 "QUESTION: Would you agree that as an owner of</p> <p>12 the property Mr. Trump -- Eric Trump, is entitled to have</p> <p>13 his view?</p> <p>14 "ANSWER: Yes. We always seek out an opinion.</p> <p>15 Its fair to obtain their input."</p> <p>16 So here we have another witness who was an</p> <p>17 impartial witness who didn't have a problem with what Eric</p> <p>18 Trump had done.</p> <p>19 Now, we have heard ad nauseam about Michael</p> <p>20 Cohen. And I agree with Mr. Kise that it appears that in</p> <p>21 every court he has ever testified in, he has lied. But</p> <p>22 there was actually something that even he couldn't lie</p> <p>23 about. That's on October 25, 2023, page 2328, starting at</p> <p>24 line one:</p> <p>25 "QUESTION: And you never discussed the SOFC</p>	
Proceedings	Page 3906	Proceedings	Page 3908
<p>1 October 19, 2023, starting on page 1933, line 15:</p> <p>2 "QUESTION: So two questions here. Toward the</p> <p>3 bottom of that long first paragraph it says "of course</p> <p>4 Eric Trump has lofty ideas on value and assumes 1,000 PSF,</p> <p>5 per square foot, is no problem. First, had Eric Trump</p> <p>6 communicated his understanding of what the values might be</p> <p>7 on this property?</p> <p>8 "ANSWER: Well during the course of this</p> <p>9 engagement, I did have conversations with Eric Trump.</p> <p>10 Some of it was about gathering the physical data that we</p> <p>11 just spoke to, you know, construction costs and building</p> <p>12 configurations and units. And he did a great job of</p> <p>13 describing the physical nuances of the project. And --</p> <p>14 but importantly, you know, we ended up speaking about what</p> <p>15 they could sell for. And you know, Eric loved this</p> <p>16 project. He thought it was very special. I didn't</p> <p>17 disagree with him. I think it is a very unique project</p> <p>18 and it would definitely appeal to high-end buyer -- to the</p> <p>19 high-end buyer interested in, you know, low rise attached</p> <p>20 housing with the amenities that this project might offer.</p> <p>21 So he shared his thoughts. He thought it was</p> <p>22 very special and unique. And at the time that \$1,000 per</p> <p>23 square foot price point was what he thought was</p> <p>24 reasonable, you know.</p> <p>25 "And I am perfectly willing to listen. I think</p>		<p>1 with Eric Trump, did you?</p> <p>2 "ANSWER: Not that I recall."</p> <p>3 You know, the Attorney General has kind of</p> <p>4 thrown in this issue of some sort of an insurance fraud,</p> <p>5 which frankly I still don't understand. But let's look at</p> <p>6 the one witness that was brought in -- or one of the</p> <p>7 witnesses that was brought in to deal with it, as it</p> <p>8 relates to my client.</p> <p>9 Let's look at the Claudia Mouradian transcript,</p> <p>10 which was played in court, but was taken on June 28, 2023.</p> <p>11 Page 124. And I will read all three just for context,</p> <p>12 Your Honor. Line five:</p> <p>13 "QUESTION: Did you speak to Donald Trump,</p> <p>14 Donald J. Trump?</p> <p>15 "ANSWER: No.</p> <p>16 "QUESTION: Donald Trump Jr.?</p> <p>17 "No.</p> <p>18 "QUESTION: Eric Trump?</p> <p>19 "No."</p> <p>20 So so far we have gone through these witnesses</p> <p>21 and nobody -- and everyone has been consistent in what</p> <p>22 they have said about my client.</p> <p>23 We then kind of dovetail into this issue of the</p> <p>24 certifications that were signed by Eric Trump. And in a</p> <p>25 few minutes we will talk about the ones signed by Donald</p>	

Proceedings	Page 3909	Proceedings	Page 3911
<p>1 Trump Jr. And I'll respectfully submit to you that the</p> <p>2 Attorney General has failed to show that Eric Trump acted</p> <p>3 in an inappropriate way, in that as a senior executive in</p> <p>4 a large company, he relied on others to assist him in</p> <p>5 understanding whether the certifications were appropriate,</p> <p>6 and as Mr. Kise set forth, the certifications said that</p> <p>7 they were true in all material respects. Let's go to</p> <p>8 Mr. Eric Trump's testimony from October 3, 2023, page</p> <p>9 3442, line eight.</p> <p>10 Being questioned by Mr. Amer:</p> <p>11 "QUESTION: Now, we have just looked at three</p> <p>12 certifications you signed stating that your father's 2021</p> <p>13 Statement of Financial Condition presents fairly in all</p> <p>14 material respects the financial condition of your father</p> <p>15 as of June 30, 2021.</p> <p>16 Can you tell us what, if anything, you did to</p> <p>17 ascertain that the 2021 Statement of Financial Condition</p> <p>18 in fact presents fairly all material -- in all material</p> <p>19 respects, the financial condition of your father as of</p> <p>20 June 30, 2021.</p> <p>21 "ANSWER: I relied on a very big accounting</p> <p>22 office. I relied on one of the biggest accounting firms</p> <p>23 in the country. And I relied on a great legal team. And</p> <p>24 when they gave me comfort that the statement was perfect,</p> <p>25 I was more than happy to execute it.</p>		<p>1 "ANSWER: Not that I recall."</p> <p>2 Moving onto Allen Weisselberg, October 10, 2023</p> <p>3 testimony. Page 964, starting at line three:</p> <p>4 "I believe you told me earlier Donald Trump Jr.</p> <p>5 was also a Trustee at this point in time?</p> <p>6 "ANSWER: Yes.</p> <p>7 "QUESTION: What, if anything, did he do, to</p> <p>8 your knowledge, to determine the estimated current value?</p> <p>9 "ANSWER: I don't believe he did anything. It</p> <p>10 was -- it was done by the same people that did it for 25</p> <p>11 years."</p> <p>12 Going on to page 965, line 20.</p> <p>13 "QUESTION: Did you tell Donald Trump Jr. during</p> <p>14 the time that you were both trustees how the values were</p> <p>15 calculated?</p> <p>16 "ANSWER: Not that I can remember."</p> <p>17 We go back again to even Michael Cohen, who said</p> <p>18 the second thing that was truthful, which he could not</p> <p>19 deny. Page 2327, line two:</p> <p>20 "QUESTION: Okay. And you never discussed the</p> <p>21 Statement of Financial Condition with Donald Trump Jr.,</p> <p>22 did you?</p> <p>23 "ANSWER: Not that I recall."</p> <p>24 We then move to the Claudia Markarian transcript</p> <p>25 which, again, is from June 28, 2023. I don't need to read</p>	
Proceedings	Page 3910	Proceedings	Page 3912
<p>1 "QUESTION: Did you personally review any of the</p> <p>2 methodologies used to value any of the assets in the 2021</p> <p>3 Statement of Financial Condition; yes or no?</p> <p>4 "ANSWER: No."</p> <p>5 I respectfully submit to this Court that there</p> <p>6 is no basis of which the Attorney General has laid out a</p> <p>7 prima facie case of remaining claims against my client,</p> <p>8 Eric Trump.</p> <p>9 Turning to Donald Trump Jr. and his involvement,</p> <p>10 if any, with his father's Statement of Financial</p> <p>11 Condition.</p> <p>12 Again, we start at the beginning with Camron</p> <p>13 Harris, his testimony, October 4, 2023, page 458, line 19:</p> <p>14 "So while not specifically" -- Question -- or</p> <p>15 rather: "So while not specifically, did you have any</p> <p>16 meetings in which the Statement of Financial Condition</p> <p>17 would be a part of the discussion?</p> <p>18 "ANSWER: I did not have any meetings with</p> <p>19 Donald Trump Jr. or Eric Trump in regards to the Statement</p> <p>20 of Financial Condition."</p> <p>21 Again, moving onto Donald Bender the next</p> <p>22 witness. October 5, 2023. Page 527, line 23:</p> <p>23 "QUESTION: Mr. Bender, did you ever speak with</p> <p>24 Donald Trump Jr. about his" -- referring to President</p> <p>25 Trump's -- "Statement of Financial Condition?</p>		<p>1 it again to Your Honor. We dealt with it before. But it</p> <p>2 was: Did you speak to Donald Trump Jr?</p> <p>3 And the answer was "no."</p> <p>4 So, again, moving to the certifications in</p> <p>5 Donald Trump Jr. as well. Again, these officers and</p> <p>6 directors of the company acted appropriately. And as</p> <p>7 Mr. Kise outlined in his presentation, the Attorney</p> <p>8 General has failed to show any proof of intent and/or</p> <p>9 materiality. And I think that goes, we have to look again</p> <p>10 at the testimony of both Mr. Trump -- Eric Trump and</p> <p>11 Mr. Donald Trump Jr. As the issue of reliability and what</p> <p>12 they presented to the banks and the certifications, I</p> <p>13 would refer you to page 3437 of Eric Trump's testimony,</p> <p>14 starting at line 17:</p> <p>15 "QUESTION: And when you executed these three</p> <p>16 certifications, you intended the bank to rely on the</p> <p>17 certifications; isn't that right?</p> <p>18 "ANSWER: I don't know what the bank does with</p> <p>19 the certifications. I certified something that I believe</p> <p>20 was accurate, and my lawyers told me that it was accurate,</p> <p>21 and our financial people told me it was accurate. And</p> <p>22 that's absolutely accurate.</p> <p>23 As to what Deutsche Bank does with a piece of</p> <p>24 paper like this, I have no idea."</p> <p>25 We then have Donald Trump Jr. dealing with the</p>	

Proceedings	Page 3913	Proceedings	Page 3915
<p>1 same issue. First at page 3238 of his testimony from</p> <p>2 November 2, 2023.</p> <p>3 And I apologize, Nate, I know I skipped and</p> <p>4 changed the order. I do that sometimes.</p> <p>5 So we are going to page 3238, starting at line</p> <p>6 25.</p> <p>7 "QUESTION: Did you take any steps to assure</p> <p>8 yourself of this certification?</p> <p>9 "ANSWER: As with all of the certifications, as</p> <p>10 I think we discussed yesterday, I would have sat with the</p> <p>11 relevant parties, mainly in accounting, whether that's the</p> <p>12 Trump team and/or Donald Bender. I would have asked them</p> <p>13 if everything that is in here is correct. I would have</p> <p>14 likely also checked with our legal department to make sure</p> <p>15 that the conditions are met as it relates to anything I</p> <p>16 would sign for Deutsche Bank. And if they assured me in</p> <p>17 their expert opinion that these things were fine, I would</p> <p>18 have been fine with that and signed offer accordingly.</p> <p>19 "QUESTION: Is that specific to this particular</p> <p>20 certification, sir?</p> <p>21 "ANSWER: Well I think I probably would save us</p> <p>22 some time and say that's probably specific to all of these</p> <p>23 certifications, because I am sure I've signed dozens of</p> <p>24 these in my time as a trustee.</p> <p>25 We then also go to Mr. Trump's testimony on page</p>		<p>1 that they had the requisite intent necessary for the</p> <p>2 claims that are still the subject of this trial.</p> <p>3 And having now heard the testimony of witnesses,</p> <p>4 not just my clients, but also non-parties and people that</p> <p>5 have no vested interest in the outcome of this, I</p> <p>6 respectfully submit that there is no relief appropriate</p> <p>7 other than having a directed verdict in favor of my</p> <p>8 clients.</p> <p>9 I think it is unfortunate that my clients have</p> <p>10 been dragged into what I'll say is a fight primarily</p> <p>11 between the Attorney General and their father. But</p> <p>12 nonetheless, we are where we are. But now the time has</p> <p>13 come, respectfully, that we need to put an end to it, and</p> <p>14 a directed verdict entered in favor of my clients.</p> <p>15 Thank you, Your Honor.</p> <p>16 (The following proceedings were stenographically</p> <p>17 recorded by Senior Court Reporter Michael Ranita.)</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	
Proceedings	Page 3914	Proceedings	Page 3916
<p>1 3249, line 20:</p> <p>2 "QUESTION: Correct, that you signed this</p> <p>3 certification with the intent that the bank would rely on</p> <p>4 it?</p> <p>5 "ANSWER: I don't know that they rely on it. I</p> <p>6 don't. I know a lot of bankers and they do their own due</p> <p>7 diligence. But I was fine saying this based on</p> <p>8 everything --</p> <p>9 THE COURT: Not "saying this" -- "signing this."</p> <p>10 MR. ROBERT: Thank you, Your Honor.</p> <p>11 "I was fine signing this based on everything I</p> <p>12 had been told as per everything we have discussed</p> <p>13 yesterday, yes.</p> <p>14 THE COURT: "Today." Not "yesterday."</p> <p>15 MR. ROBERT: Let me try it again.</p> <p>16 "ANSWER: I don't know what that they rely on</p> <p>17 it. I don't -- I know a lot of bankers and they do their</p> <p>18 own due diligence. But I was fine signing this based on</p> <p>19 everything I had been told as per everything we have</p> <p>20 discussed today, yes.</p> <p>21 So Your Honor, while the burden of proof is not</p> <p>22 ours, I respectfully submit to this Court that the</p> <p>23 evidence is clear that my clients had no real involvement</p> <p>24 in the preparation of the Statements of Financial</p> <p>25 Condition. The Attorney General cannot possibly prove</p>		<p>1 THE COURT: Thank you. Any other defendants have</p> <p>2 anything to say?</p> <p>3 MS. HABBA: I'll be brief, your Honor. If it's</p> <p>4 okay I don't need to go up over there.</p> <p>5 I have full confidence in my team, and I join in</p> <p>6 all of their sentiments. I think they went through, in</p> <p>7 excruciating detail, why a directed verdict is warranted.</p> <p>8 Obviously I represent different entities, different</p> <p>9 individuals. And we do join in everything that both</p> <p>10 Mr. Robert and Mr. Kise stated.</p> <p>11 With that, I just want to highlight the fact that</p> <p>12 it is the burden of the plaintiffs to prove every element.</p> <p>13 And while there has been a tremendous amount of noise in</p> <p>14 this trial for the past few weeks, I think that the law has</p> <p>15 to be what is held and what is examined here, and just the</p> <p>16 law.</p> <p>17 There are elements that need to be proven against</p> <p>18 clients that I represent that were not proven. There was no</p> <p>19 intent. There was no proof of materiality. They are not</p> <p>20 entitled to disgorgement. Frankly, it was more of a press</p> <p>21 claim, if you ask me, because they couldn't prove it when</p> <p>22 they came in here. There was no bank that brought any</p> <p>23 claims against anybody that is a defendant in this case</p> <p>24 because there was no damage and there was no victim.</p> <p>25 Further, the conspiracy to commit fraud is</p>	

Proceedings	Page 3917	Proceedings	Page 3919
<p>1 completely ridiculous, and they have no proof of it in this</p> <p>2 trial. We have seen numerous people come up, but none of</p> <p>3 them, none of them showed a conspiracy. And the only one</p> <p>4 that did, Mr. Cohen, who claimed to say that there was some</p> <p>5 meeting that never happened, that he never had proof of,</p> <p>6 committed perjury, lied under oath in this court, and made a</p> <p>7 mockery of the judicial system time and time again; that was</p> <p>8 their witness.</p> <p>9 The minute he got off the stand, he was retracted</p> <p>10 and they retreated. And I think that speaks volumes, your</p> <p>11 Honor, volumes. Ms. James stated that that was why she</p> <p>12 brought the case originally. She Tweeted it. I showed that</p> <p>13 Tweet in trial on my cross examination. And now we have</p> <p>14 nothing, but have wasted taxpayers dollars.</p> <p>15 So as I said, I believe they have -- I don't</p> <p>16 believe. They have failed to establish a prima facie case</p> <p>17 for their claims. I truly do want to encourage your Honor</p> <p>18 to please look at every individual defendant separately,</p> <p>19 individually. I think they are all entitled to their fair</p> <p>20 chance and not to be grouped in for some -- as I feel that</p> <p>21 the AG, frankly, has done and has failed to prove their case</p> <p>22 as a result.</p> <p>23 So, again, on behalf of my clients, I'm also asking</p> <p>24 for a directed verdict at this time. Thank you.</p> <p>25 THE COURT: Just one question, you said something</p>		<p>1 be.</p> <p>2 MR. WALLACE: I'll try to be brief, your Honor. I</p> <p>3 will just say that the presentations we just heard sound</p> <p>4 like closing arguments. They sound actually like the</p> <p>5 presentations the defendants made at summary judgment. They</p> <p>6 are not a basis for a directed verdict. And I know that</p> <p>7 Mr. Kise, through all the legal standards he went through,</p> <p>8 failed to lay out the standard for a directed verdict, which</p> <p>9 is that when the Court is considering this motion you have</p> <p>10 to afford the Attorney General every inference which may be</p> <p>11 properly drawn from the facts presented, and the facts must</p> <p>12 be considered in a light most favorable to the plaintiff.</p> <p>13 So that's in the Szczerbiak case, 90 NY2d 553. The</p> <p>14 defendants don't even come close to meeting that burden.</p> <p>15 I would just note that it was two weeks ago the</p> <p>16 defendants sought a directed verdict after Mr. Cohen's</p> <p>17 testimony, was denied because there was a courtroom full of</p> <p>18 evidence. We've moved on to the overflow courtrooms. The</p> <p>19 evidence has only been supplemented since then, so it is</p> <p>20 still appropriate to deny a motion for a directed verdict.</p> <p>21 I will walk through it at a very high level, your</p> <p>22 Honor. And I guess I will start with materiality, which</p> <p>23 Mr. Kise spent a great deal of time on.</p> <p>24 Materiality, I will just note the, false business</p> <p>25 records claim does not have a materiality standard. The</p>	
Proceedings	Page 3918	Proceedings	Page 3920
<p>1 about Michael Cohen retracting his statements after he left</p> <p>2 the witness stand; is that correct?</p> <p>3 MS. HABBA: Michael Cohen, as we know -- he has a</p> <p>4 PR play. I could go on and on and on. He has gone on TV.</p> <p>5 He has gone on podcasts discussing his testimony here. And,</p> <p>6 you know, quite honestly it's irrelevant, because I believe</p> <p>7 what happened in court was the most relevant. He admitted</p> <p>8 under oath that he perjured himself, and that speaks</p> <p>9 volumes.</p> <p>10 THE COURT: My point is, if it was after he was a</p> <p>11 witness --</p> <p>12 MS. HABBA: That's not relevant. To me what's</p> <p>13 relevant is what happened here, and, frankly, said it all.</p> <p>14 MR. KISE: As predicted, I wound up on his podcast,</p> <p>15 as predicted.</p> <p>16 MS. HABBA: I used to be the only one, but he got</p> <p>17 in on it.</p> <p>18 THE COURT: Opposition to the motion for directed</p> <p>19 verdict?</p> <p>20 MR. WALLACE: We certainly oppose the motion, your</p> <p>21 Honor. I really will try to be brief.</p> <p>22 THE COURT: This is past or normal break time.</p> <p>23 MR. WALLACE: Should we take a break at this time</p> <p>24 or just keep going?</p> <p>25 THE COURT: It depends on how long you are going to</p>		<p>1 question is just whether this document is false and was done</p> <p>2 with criminal intent. So for those claims there is no</p> <p>3 materiality standard.</p> <p>4 For the false financial statement requirement, the</p> <p>5 question is, is the financial statement on its face</p> <p>6 materially misstated. And I actually do believe that your</p> <p>7 Honor did decide that during the course of the summary</p> <p>8 judgment proceeding.</p> <p>9 On insurance fraud, it is questions as to whether</p> <p>10 the misstatements are material to the insurance transaction.</p> <p>11 I think the evidence establishes that. I will say, though,</p> <p>12 because we are not trying to prove bank fraud. We are not</p> <p>13 -- it's not a larceny claim. It's not a federal bank fraud</p> <p>14 claim, which I will also note does not actually require a</p> <p>15 loss by the bank. It is merely based on whether false</p> <p>16 information is presented in an effort to obtain credit from</p> <p>17 the bank.</p> <p>18 But I would still argue that these statements were</p> <p>19 material to the bank and that the evidence presented so far</p> <p>20 proves it. They are material because the banks asked for</p> <p>21 the financial statements. The banks require them to be</p> <p>22 certified by the defendants. The information was then</p> <p>23 evaluated and included in the underwriting. The fact that</p> <p>24 it was not the end of the analysis does not mean it's not</p> <p>25 material. Materiality questions whether or not it</p>	

Proceedings	Page 3921	Proceedings	Page 3923
<p>1 influences someone's decision. I would also add there are</p> <p>2 multiple statements here that are potentially false. We</p> <p>3 have potentially false financial statements, the actual</p> <p>4 Statements of Financial Condition themselves. We have the</p> <p>5 false certifications. We have the false representations to</p> <p>6 Mazars. And on those, Donald Bender was very clear on the</p> <p>7 materiality of those statements. He said that the Mazars</p> <p>8 would not have issued the Statements of Financial Condition</p> <p>9 if they did not get the representation letter from The Trump</p> <p>10 Organization.</p> <p>11 That was reiterated by Mr. Kelly who said that they</p> <p>12 decided to pull the statements when they found out that The</p> <p>13 Trump Organization had not met its requirement to provide</p> <p>14 them with all information, as had been represented in those</p> <p>15 statements.</p> <p>16 Now, I would go beyond that, your Honor, and just</p> <p>17 add that the law allows for the creation of a false</p> <p>18 financial statement to be accomplished by having a third</p> <p>19 party create that statement in someone else's records. So</p> <p>20 that means that to the extent people are directing folks to</p> <p>21 take steps, that creates the false records that are in the</p> <p>22 Trump Organization's own files; the false records that are</p> <p>23 in the files of Mazars; the false records that are in the</p> <p>24 records of Deutsche Bank; the false records that are in the</p> <p>25 files of the City of New York.</p>		<p>1 Now, all of this is just to say that intent is not</p> <p>2 proven by admissions alone, and that intent is something</p> <p>3 that the Court should -- is going to infer from the</p> <p>4 evidence, which makes it a poor prospect for a decision on a</p> <p>5 directed judgment, as opposed to at the close of evidence</p> <p>6 and at the close of the trial.</p> <p>7 I will say that here we think we have ample</p> <p>8 evidence to demonstrate the intent of the defendants. The</p> <p>9 primary argument from Mr. Kise and Mr. Robert seems to be</p> <p>10 that the individual defendants were not involved in the</p> <p>11 preparation of the Statements of Financial Condition and had</p> <p>12 no idea what they contained.</p> <p>13 Well, first off, that's obviously not true from</p> <p>14 Mr. Weisselberg and McConney. No one's talked about them at</p> <p>15 all in these presentations. And so there's also almost no</p> <p>16 defense of their actions whatsoever in what I just heard.</p> <p>17 That, in turn, means that each of the entity defendants that</p> <p>18 they were working on ban of are also liable.</p> <p>19 And with respect to the three Trump defendants, I</p> <p>20 will start by reminding your Honor that this is documents</p> <p>21 case, and each of the three defendants signed documents</p> <p>22 saying that they were responsible for the preparation and</p> <p>23 fair presentation of the statements.</p> <p>24 Now, the "fair presentation of statements", that's</p> <p>25 at the heart of the case, and that's the graveyard the</p>	
Proceedings	Page 3922	Proceedings	Page 3924
<p>1 I will also focus briefly on intent. On intent, I</p> <p>2 would just say that the defendants' position seems to be</p> <p>3 that if they get on the stand and say, "I had nothing to do</p> <p>4 with the statements", or more commonly, "I don't remember</p> <p>5 having anything to do with the statements", then intent is</p> <p>6 disproven; that's certainly not the law.</p> <p>7 As your Honor highlighted in the Alamo decision,</p> <p>8 which Mr. Kise also flagged, a mens rea element is typically</p> <p>9 proven by reference to the facts and circumstances</p> <p>10 surrounding the case, and that's 174 Misc 2d 501; that idea</p> <p>11 is repeated elsewhere in New York law.</p> <p>12 Marine Midland, 120 AD2d 122 stands for the</p> <p>13 proposition that fraudulent intent by its very nature is</p> <p>14 rarely susceptible to direct proof, and must be established</p> <p>15 by inference from the circumstances surrounding the</p> <p>16 allegedly fraudulent act, and that's a Second Department</p> <p>17 case, but the standard is the same in the First Department</p> <p>18 as set out in Setters, which is at 139 AD3d 492 at page 493.</p> <p>19 This is also shown in plenty of other fraudulent</p> <p>20 cases, including in the Second Circuit, in the Powers case</p> <p>21 at 57 F3d 176 at page 184, which establishes that intent can</p> <p>22 be shown through a motive to commit fraud and a clear</p> <p>23 opportunity to do so. And where the mode of evidence is not</p> <p>24 apparent, it can be demonstrated by proving circumstances</p> <p>25 indicating conscious behavior by the defendant.</p>		<p>1 defendants keep whistling past, is the finding by this</p> <p>2 Court, on summary judgment, that the Statements of Financial</p> <p>3 Condition were false and misleading.</p> <p>4 The Court has also issued final, binding rulings</p> <p>5 that the values of individual properties were inflated, and</p> <p>6 that includes Mar-a-Lago, the triplex apartment, Seven</p> <p>7 Springs, 40 Wall Street, Aberdeen, the Vornado property and</p> <p>8 the golf clubs. Those standings -- those findings stand,</p> <p>9 and are not a basis for reargument, because we are having a</p> <p>10 trial.</p> <p>11 THE COURT: Let me ask you a personal question.</p> <p>12 MR. WALLACE: Sure.</p> <p>13 THE COURT: Do you file tax returns?</p> <p>14 MR. WALLACE: I do file tax returns.</p> <p>15 THE COURT: Do you have an accountant to do that</p> <p>16 for you?</p> <p>17 MR. WALLACE: I do not.</p> <p>18 THE COURT: You're like me.</p> <p>19 MR. WALLACE: I did when I was a partner at a law</p> <p>20 firm. Now that I work for state, I don't have an</p> <p>21 accountant.</p> <p>22 THE COURT: Do you rely on your accountant -- did</p> <p>23 you rely on your accountant at that time?</p> <p>24 MR. WALLACE: I did.</p> <p>25 THE COURT: Okay. So the defendants here relied on</p>	

Proceedings	Page 3925	Proceedings	Page 3927
<p>1 their accountants, highly paid accountants, and the highly</p> <p>2 paid attorneys.</p> <p>3 MR. WALLACE: Certainly, but I'm also responsible</p> <p>4 for what is submitted in my tax returns. I was not here</p> <p>5 when it happened, but I believe that was the subject of some</p> <p>6 discussion with Mr. Cohen during his cross examination.</p> <p>7 The other issue is the statements, on their face,</p> <p>8 say the values are being prepared by Donald J. Trump. They</p> <p>9 are being prepared by the trustees. It says in conjunction</p> <p>10 with their accountants, or with their staff, but they are</p> <p>11 taking responsibility for it. They are then certifying to</p> <p>12 Mazars that they've taken responsibility for it. They are</p> <p>13 certifying to the bank that they are true and accurate. So</p> <p>14 it's not a case where it's just a question of, you know, a</p> <p>15 document that went out and went to an accountant. But it's</p> <p>16 also true that if I, in the preparation of my taxes, give me</p> <p>17 accountant false information, if I give him fake donations</p> <p>18 that I didn't make, I'm liable for that fraudulence. I'm</p> <p>19 not relieved of my responsibility because I handed it off to</p> <p>20 an accountant before I did it.</p> <p>21 So I think there is plenty of evidence here to</p> <p>22 establish intent. I think in particular with Eric Trump,</p> <p>23 the idea that he said he wasn't involved. He got a direct</p> <p>24 e-mail from Mr. McConney saying I'm preparing your dad's</p> <p>25 financial statement. Here's the manner in which I'm</p>		<p>1 Mr. McCarty's testimony. With that, your Honor, I really</p> <p>2 won't belabor things anymore and I'm happy to answer any</p> <p>3 questions your Honor may have, but I think there's simply no</p> <p>4 basis for a directed verdict at this point.</p> <p>5 THE COURT: I could ask you more questions, and</p> <p>6 that would take away some ammunition for Mr. Kise about one</p> <p>7 side or the other.</p> <p>8 MR. KISE: Five minutes.</p> <p>9 MR. WALLACE: Your Honor, the standard is usually</p> <p>10 move for directed verdict, yes or no. But Mr. Kise --</p> <p>11 THE COURT: I --</p> <p>12 MR. WALLACE: He had an hour and a half.</p> <p>13 THE COURT: Nobody else from plaintiff, I assume?</p> <p>14 I'll give him a reply.</p> <p>15 MR. KISE: Just briefly. Is it okay if I stand</p> <p>16 here?</p> <p>17 THE COURT: Sure.</p> <p>18 MR. KISE: Thank you.</p> <p>19 Could you pull up slide 13, please.</p> <p>20 (A demonstrative aid was displayed on the screen.)</p> <p>21 MR. KISE: So Mr. Wallace talked about the false</p> <p>22 business records statute doesn't have a materiality element</p> <p>23 to it, so facially, his argument is correct, but this is</p> <p>24 kind of part of the problem with the whole case. This is</p> <p>25 purportedly the false record, slide 13. And on slide 13 you</p>

<p>1 calculating Seven Springs, let's talk about it. Mr. Trump</p> <p>2 says, "I don't remember that", or "I can't recall", that's</p> <p>3 something for your Honor to weigh.</p> <p>4 THE COURT: Eric. You are supposed to say Eric</p> <p>5 Trump, not Mr. Trump.</p> <p>6 MR. WALLACE: I apologize. Because Eric Trump</p> <p>7 created that statement, was responsible and involved in the</p> <p>8 preparation of Seven Springs, which his father, Donald J.</p> <p>9 Trump, said was overstated. So I think at this point</p> <p>10 there's ample evidence within the record that if we are</p> <p>11 given, as we are entitled to assumptions in our favor, is</p> <p>12 more than sufficient for this to continue to a final verdict</p> <p>13 where the defendants can repeat these arguments, yet again,</p> <p>14 on their closing, in their posttrial brief, and your Honor</p> <p>15 will be able to make a decision with a full record.</p> <p>16 I would also not belabor it here, but Mr. Kise is</p> <p>17 incorrect on disgorgement. The OAG does not have an</p> <p>18 obligation to prove what loans Mr. Trump would have been</p> <p>19 able to obtain if he presented an honest financial</p> <p>20 statement. He chose to obtain discounted loans by the use</p> <p>21 of a fraudulent statement.</p> <p>22 The burden here for the government is to</p> <p>23 demonstrate the reasonable approximation of profits causally</p> <p>24 connected to the violation; that's the SEC v. Fowler case at</p> <p>25 6 F.4th 255 that we discussed in our letter briefing over</p>		<p>1 could see the highlighted language, all material respects.</p> <p>2 So this certification is not false. It's no at false</p> <p>3 business record unless and until they proof that it's all</p> <p>4 material respect. They have to get past that language.</p> <p>5 They can't read that language out of the document.</p> <p>6 Mr. Wallace also mentioned that the differentials</p> <p>7 were material, but didn't offer any testimony. He just said</p> <p>8 they are not material in the view of the Attorney General,</p> <p>9 but no bank thought that these differentials were material.</p> <p>10 Intent, he touched on, um, just two brief points</p> <p>11 there. First of all, intent cannot be inferred. I mean, in</p> <p>12 the criminal context intent has to be established.</p> <p>13 President Trump, for the record, did not say, "I don't know</p> <p>14 and I wasn't involved." He didn't say that at all. He said</p> <p>15 what I quoted, "In my 50 years of experience" and "based on</p> <p>16 the disclaimers." He took responsibility for what any CEO</p> <p>17 would take responsibility for. Yes, they are his</p> <p>18 statements. He didn't say, "I wasn't involved" and "I don't</p> <p>19 know." He testified about the things he did know.</p> <p>20 And he testified, which hasn't been refuted in any</p> <p>21 way, other than by accusation, that he relied on</p> <p>22 accountants, like any CEO would, any accountants -- any CEO</p> <p>23 is not there putting numbers together on a spreadsheet.</p> <p>24 There is no evidence he ever saw the spreadsheets; that</p> <p>25 doesn't mean that he testified that he wasn't involved;</p>	

Proceedings	Page 3929	Proceedings	Page 3931
<p>1 that's not his defense at all. His defense is is that I</p> <p>2 didn't have any subjective intent to defraud anyone, because</p> <p>3 I didn't need to. I mean, Mr. Wallace, and that goes to</p> <p>4 that same point, circumstances and motive. The</p> <p>5 circumstances that are before the Court are circumstances</p> <p>6 involving profitable loans, no defaults, no victims, and no</p> <p>7 loss.</p> <p>8 And the motive that you had before the Court is to</p> <p>9 develop great projects, to pay interest, and to pay back the</p> <p>10 loans. I mean that's the circumstances and motive that are</p> <p>11 before the Court. There isn't anything else. They want to</p> <p>12 paint the ordinary as sinister. And respectfully, that's</p> <p>13 not there.</p> <p>14 Again, Mr. Wallace relied, as they always have, as</p> <p>15 I said, he is making my argument for me in that regard. He</p> <p>16 referenced specifically the summary judgment decision. But</p> <p>17 your Honor said, no intent, no materiality, and those are</p> <p>18 very different concepts. So relying on that is simply not</p> <p>19 sufficient.</p> <p>20 The last one I'll make, perhaps to spare</p> <p>21 Mr. Roberts from standing up. On Eric Trump, they pointed</p> <p>22 to one e-mail. You are talking about a ten-year period,</p> <p>23 okay, there's five e-mails, four e-mails, one e-mail, um,</p> <p>24 there's nothing sinister; there's nothing intentionally</p> <p>25 criminal, which is what they are accusing these individuals</p>		<p>1 MR. KISE: Two things on that. Number one, we are</p> <p>2 dealing with criminal statutes, and as I began, I think the</p> <p>3 civil equivalent of the criminal burden of proof, this is</p> <p>4 why we think we are entitled to a directed verdict, another</p> <p>5 reason, is clear and convincing. So even with the deference</p> <p>6 that Mr. Wallace began with being accorded, there is no</p> <p>7 clear and convincing evidence here of proof of the criminal</p> <p>8 statutes.</p> <p>9 This isn't pre-summary judgment. This isn't 63(12)</p> <p>10 where they get all everything lined up, the deck is fully</p> <p>11 stacked in their favor, whether it be by the legislature or</p> <p>12 otherwise, and that's not our issue today, but under 63(12),</p> <p>13 as we've gone through repeatedly, you don't have to prove</p> <p>14 much of anything other than somebody in the Attorney</p> <p>15 General's Office thinks it's a false statement, no intent,</p> <p>16 no materiality, no reliance, no jury, but here, now we do.</p> <p>17 Now we have to prove those concepts. And they have not</p> <p>18 established those concepts, and frankly they haven't</p> <p>19 attempted to establish them. They are just simply relying</p> <p>20 on your judgment and this idea that well, you said on</p> <p>21 summary judgment that the statements were false. You didn't</p> <p>22 say anything about materiality. You didn't say anything</p> <p>23 about intent, and the numbers, as I began, the numbers are</p> <p>24 so great they must be material. No, they need someone to</p> <p>25 establish that, and that someone would be the bank in the</p>	
Proceedings	Page 3930	Proceedings	Page 3932
<p>1 of. By communicating with someone in the finance</p> <p>2 department, in the accounting kept about valuations over a</p> <p>3 ten-year period, and simply because you don't remember that</p> <p>4 doesn't mean that you are now a fraudster. It also doesn't</p> <p>5 mean you had any material involvement, any real involvement</p> <p>6 in the preparation of the Statements of Financial Condition</p> <p>7 and the certification. This goes back to the spaghetti</p> <p>8 approach. They just want to throw it all up on the wall and</p> <p>9 say, well, the defendants are guilty.</p> <p>10 Lastly, my comments do apply, as Ms. Habba said,</p> <p>11 with equal force to Mr. Weisselberg and Mr. McConney.</p> <p>12 Thank you, Judge. I think I made it under five</p> <p>13 minutes.</p> <p>14 THE COURT: You probably did. You just have to be</p> <p>15 careful talking about spaghetti around lunchtime.</p> <p>16 MR. KISE: I know.</p> <p>17 THE COURT: Just one question. I think you said</p> <p>18 "intent cannot be inferred." Well, I'm familiar with the</p> <p>19 doctrine in the cases that Mr. Wallace cited that fraud</p> <p>20 generally isn't, you know, done in daylight. People don't</p> <p>21 say I'm going to be committing fraud or commit to writing,</p> <p>22 this is a fraud. But you have to infer, at least in a civil</p> <p>23 case. I don't know about criminal. Don't you have to --</p> <p>24 doesn't -- I'll rephrase it. Withdrawn. Can't fraud be</p> <p>25 inferred from circumstances in a civil case.</p>		<p>1 private sector who got to make that determination. As you</p> <p>2 saw from the numbers, the bank was not at all disvalued in</p> <p>3 any way, shape, form or fashion by a \$2 billion</p> <p>4 differential.</p> <p>5 MR. WALLACE: I'll just note my objection. That</p> <p>6 was a yes or no question.</p> <p>7 MR. KISE: That's true.</p> <p>8 THE COURT: I did ask him a question.</p> <p>9 MR. KISE: Do we get our 15 minutes? You gave me</p> <p>10 five minutes.</p> <p>11 THE COURT: You went past the five minutes.</p> <p>12 Let's talk about burden of proof. I tend to think</p> <p>13 of them in a criminal context as beyond a reasonable doubt,</p> <p>14 99 percent. Some other context, clear and convincing, I</p> <p>15 tend to think of 75 percent, and a preponderance of the</p> <p>16 evidence I tend to think of as 51 percent.</p> <p>17 Let me ask the AG. What's the, in a general way,</p> <p>18 what's the standard of proof here, because defendants are</p> <p>19 saying it's clear and convincing.</p> <p>20 MR. WALLACE: We would say it's preponderance, your</p> <p>21 Honor.</p> <p>22 THE COURT: On all questions in front of me?</p> <p>23 MR. WALLACE: I think so, yes.</p> <p>24 THE COURT: Mr. Kise, are you claiming clear and</p> <p>25 convincing on all questions in front of me?</p>	

Page 3933	Page 3935
<p>1 MR. KISE: Certainly as to the criminal predicates, 2 yes, which is most of the counts. I mean, disgorgement, as 3 a lot of other things, that's a different analysis 4 altogether; that's an equitable analysis. But in terms of 5 the predicate counts, they are all criminal counts, and 6 there is no -- yes, there is no 95 or 99 percent in the 7 civil world. There's no beyond a reasonable doubt. The 8 closest standard, the civil standard, if you will, is clear 9 and convincing. That's our position anyway.</p> <p>10 THE COURT: Any authority that clear and convincing 11 would be the correct burden of proof in a 63(12) case.</p> <p>12 MR. KISE: Well, again, it's not -- I can provide 13 the Court with authority, but I would just draw that 14 distinction, it's not a 63(12) when you are dealing with 15 criminal predicates. 63(12) on count one, very different 16 standard.</p> <p>17 THE COURT: Okay. I understand the difference. 18 All right. Let's take a little break.</p> <p>19 MR. WALLACE: Can we do ten minutes?</p> <p>20 THE COURT: Ten minutes.</p> <p>21 (Whereupon, a 10-minute break was agreed upon and 22 taken by all parties.) 23 24 25</p>	<p>1 a significant development in this case. The Court held 2 that the People prevailed on their 63(12) fraud claim 3 based on the undisputed evidence as a matter of law.</p> <p>4 The decision rested on predicate findings of 5 fact by the Court that many assets in the Statements of 6 Financial Condition for many years were fraudulently 7 inflated to a material degree, rendering the statements 8 false and misleading.</p> <p>9 Now, defendants are certainly free to challenge 10 that decision in the Appellate Division. And in fact, 11 they filed their notice of appeal already. But they are 12 not free to ignore the decision in this courtroom at this 13 trial. Yet that is what they have repeatedly done.</p> <p>14 We have just heard a lengthy hour-long argument 15 on a motion for directed verdict that, to a significant 16 degree, ignored the holdings that this Court issued in its 17 summary judgment motion. So to does their intent to call 18 the four expert witnesses that are the subject of our 19 motion.</p> <p>20 THE COURT: Let me stop you a second. 21 Do you want to withdraw your request to have 22 these four witnesses testify? Yes or no?</p> <p>23 MR. KISE: No. No, Your Honor.</p> <p>24 THE COURT: Okay. Just wanted to make sure.</p> <p>25 MR. AMER: As a result of the decision and the</p>
Page 3934	Page 3936
<p>1 THE COURT: Well, defendants were sort of 2 long-winded, plaintiff was sort of medium-winded, I'll be 3 short-winded:</p> <p>4 Taken under advisement. 5 Okay. What else do we have?</p> <p>6 MR. AMER: Your Honor --</p> <p>7 THE COURT: As if that wasn't enough. 8 And obviously the time back there was spent 9 really hashing this out and thinking. And I appreciate 10 the defendants' presentation, and I appreciate the 11 plaintiff's presentation. 12 Okay.</p> <p>13 MR. AMER: Your Honor, we ask for an opportunity 14 to be heard on our in limine motion concerning four of the 15 five expert witnesses. So I appreciate the opportunity to 16 be heard on that now.</p> <p>17 THE COURT: I read your five-page or 18 four-and-a-half-page letter. Was there any written 19 response by the defendants? There didn't have to be, I am 20 just asking.</p> <p>21 MR. KISE: No, Your Honor.</p> <p>22 THE COURT: Then let's hear the in limine 23 motion. 24 MR. AMER: Thank you, Your Honor. 25 The Court's September 26 decision and order was</p>	<p>1 predicate factual findings that the statements were 2 fraudulently inflated, any expert opinions about valuation 3 of assets or accounting standards for personal financial 4 statements, are simply irrelevant. And allowing 5 defendants to put on such expert evidence is, we submit, a 6 total waste of time and resources.</p> <p>7 In the wake of the Court's decision, this trial 8 is now about four things:</p> <p>9 One, whether defendants have the requisite 10 intent to defraud.</p> <p>11 Two, whether they engaged in a conspiracy to 12 violate the three Penal Law provisions.</p> <p>13 Three, what is the proper amount of 14 disgorgement.</p> <p>15 And four, what equitable relief should be 16 granted in addition to the equitable relief already 17 included in the Court's decision.</p> <p>18 And I would like to just quickly review why the 19 proffered expert testimony from Dr. Laposa, Mr. Witkoff 20 and Mr. Flemmons is simply not relevant to any of these 21 remaining issues in the case.</p> <p>22 As to the remaining causes of action based on 23 illegality, the predicate findings of fact made by this 24 Court on summary judgment largely satisfy the elements of 25 these claims, except for intent to defraud. That is,</p>

Proceedings	Page 3937	Proceedings	Page 3939
<p>1 whether each defendant had an intent to defraud when</p> <p>2 preparing or using the Statements of Financial Condition</p> <p>3 in business transactions with banks and insurers. The</p> <p>4 issue of intent essentially boils down to two questions:</p> <p>5 What did the defendants know, and when did they know it.</p> <p>6 These questions are the realm of fact witnesses.</p> <p>7 These experts have nothing to say on this issue that is</p> <p>8 the least bit relevant. They simply have no knowledge</p> <p>9 about any direct or circumstantial evidence that would</p> <p>10 bear on any witness's intent.</p> <p>11 The same is true for the related conspiracy</p> <p>12 claims. Experts have no relevant knowledge about whether</p> <p>13 agreements were or were not made between and among the</p> <p>14 defendants to engage in the illegal conduct.</p> <p>15 Defendants appear to argue that their experts</p> <p>16 can somehow negate an inference of an individual</p> <p>17 defendant's intent to defraud, by showing that through</p> <p>18 some valuation method that was never actually used by the</p> <p>19 defendants, one could, hypothetically, have derived a</p> <p>20 value for an asset that is higher than the value that they</p> <p>21 actually derived.</p> <p>22 First, this is the same argument that defendants</p> <p>23 raised in support of their summary judgment motion. In</p> <p>24 fact, based on the very same expert opinions that they</p> <p>25 submitted by affidavit and through their reports that is</p>		<p>1 our banking expert, Michael McCarty, to provide his expert</p> <p>2 opinion about how to quantify the ill-gotten gains</p> <p>3 attributable to the defendant's use of the fraudulently</p> <p>4 inflated statements to obtain lower interest rates on</p> <p>5 loans. None of the four experts at issue on our motion</p> <p>6 are -- have anything to do with banking or disgorgement.</p> <p>7 I expect we will see defendants add a banking expert to</p> <p>8 their list for December. And to the extent their banking</p> <p>9 expert offers opinions on matters involving disgorgement,</p> <p>10 we certainly have no issue with defendants' right to</p> <p>11 present that testimony. But the issue of disgorgement</p> <p>12 does not provide any avenue for defendants to present</p> <p>13 these experts that are the subject of this motion, who are</p> <p>14 dealing with valuation and insurance and accounting</p> <p>15 principles.</p> <p>16 Now, as to the remaining equitable relief. The</p> <p>17 remaining additional equitable relief that plaintiff is</p> <p>18 seeking, that requires the Court to consider evidence</p> <p>19 bearing principally on the scope of duties for the</p> <p>20 receiver, whether to bar individual defendants from</p> <p>21 serving in certain corporate capacities; whether to</p> <p>22 require preparation of an audited financial statement; and</p> <p>23 whether to replace the trustees of Mr. Trump's Revocable</p> <p>24 Trust.</p> <p>25 Now, the evidence relevant to the Court's</p>	
Proceedings	Page 3938	Proceedings	Page 3940
<p>1 part of the summary judgment record. And it has already</p> <p>2 been rejected by the Court in its summary judgment</p> <p>3 decision.</p> <p>4 Second, the argument simply makes no sense. The</p> <p>5 Court has found that the statements were fraudulently</p> <p>6 inflated. The issue of intent is based on what the</p> <p>7 defendants actually did and what they actually knew when</p> <p>8 they were fraudulently inflating the values, and</p> <p>9 certifying the statements to banks and insurers. And</p> <p>10 whether what they did provides direct or circumstantial</p> <p>11 proof of intent to defraud, again, is the realm of fact</p> <p>12 testimony, not expert testimony.</p> <p>13 It simply doesn't matter what someone else could</p> <p>14 have done to value the assets at their current estimated</p> <p>15 values, it matters what was actually done. And that's a</p> <p>16 fact question to be proven through fact witnesses and the</p> <p>17 documents in the case.</p> <p>18 And to the extent that the defendants are really</p> <p>19 arguing that based on their expert case the values were</p> <p>20 not inflated at all, that ship has sailed. That is just a</p> <p>21 refusal to acknowledge the binding effect of this Court's</p> <p>22 decision. The Court has held that many values were</p> <p>23 fraudulently inflated, and defendants have to live with</p> <p>24 and abide by that ruling at this trial.</p> <p>25 Now, as to the amount of disgorgement, we put on</p>		<p>1 consideration of this type of relief involves the degree</p> <p>2 of culpability that each defendant has in the preparation</p> <p>3 and dissemination of the fraudulent financial statement --</p> <p>4 statements and matters concerning existing corporate</p> <p>5 culture at the Trump Organization.</p> <p>6 Defendants' proffered valuation and accounting</p> <p>7 experts offer no opinions that bear on these issues. A</p> <p>8 quick word about a separate argument we raised with</p> <p>9 respect to Mr. Witkoff and Mr. Miller, who is an insurance</p> <p>10 expert, both of whom were designated solely as rebuttal</p> <p>11 experts. We did not call the experts that they have been</p> <p>12 designated to rebut, because for all of the reasons I am</p> <p>13 arguing, we don't see a need for that type of expert</p> <p>14 testimony in light of the Court's summary judgment ruling.</p> <p>15 So there is simply no basis to permit these rebuttal</p> <p>16 experts to testify. They could have been designated as</p> <p>17 experts in their case-in-chief, but they weren't. Their</p> <p>18 opinions are only relevant to counter opinions from our</p> <p>19 experts that have not been offered into evidence. They</p> <p>20 should be precluded.</p> <p>21 I would also note that Mr. Miller, who is being</p> <p>22 offered as a rebuttal insurance expert, he is not their</p> <p>23 only insurance expert. They did designate another person,</p> <p>24 Mr. Giuletti, as their insurance expert on their</p> <p>25 case-in-chief. He is also on their calendar for November,</p>	

Proceedings	Page 3941	Proceedings	Page 3943
<p>1 and we do not seek to preclude his testimony on this</p> <p>2 motion. While we certainly reserve the right to object to</p> <p>3 specific questions during his examination, we agree there</p> <p>4 is at least a basis to put him on the stand, since there</p> <p>5 is an insurance fraud claim that remains in the case. So</p> <p>6 just to be clear, our objection to Mr. Miller is that he</p> <p>7 was a rebuttal witness, and we haven't put in the witness</p> <p>8 that he is being called to rebut.</p> <p>9 I am going to make a final point, and it is</p> <p>10 really more of a fervent plea, Your Honor. For some</p> <p>11 evidentiary objections the Court has remarked that because</p> <p>12 this is a bench trial, the Court will hear evidence now</p> <p>13 and decide what weight to give it at a later date. While</p> <p>14 that approach, and I would call it, without being</p> <p>15 pejorative, the path of least resistance, is certainly one</p> <p>16 that many judges often take when there is no jury. And it</p> <p>17 might make sense to take that approach when the issue is</p> <p>18 whether to let in a handful of documents or to listen to a</p> <p>19 few more minutes of questioning. I submit, Your Honor,</p> <p>20 that taking that approach here with respect to these</p> <p>21 expert witnesses, would be wrong and it would be</p> <p>22 inappropriate for three independent reasons:</p> <p>23 First, this is not about adding a few more</p> <p>24 documents to the record or sitting through a few more</p> <p>25 minutes of testimony. Allowing these experts to testify</p>		<p>1 trial.</p> <p>2 We succeeded in that effort. It would be</p> <p>3 manifestly unfair, I submit, to our side, and would</p> <p>4 deprive us of the benefit achieved by our summary judgment</p> <p>5 victory to a significant degree, to now say that despite</p> <p>6 resolving the 63(12) fraud claim in our favor and removing</p> <p>7 that claim from the scope of the trial, we should</p> <p>8 nevertheless take the path of least resistance, act as</p> <p>9 though the issues for trial have not been narrowed, and</p> <p>10 spend at least two weeks hearing expert evidence that is</p> <p>11 not relevant to the remaining issues in the case.</p> <p>12 Now, defendants can spin it however they want,</p> <p>13 press conferences outside of this courtroom. They can</p> <p>14 take the stand and testify about their perfect disclaimer</p> <p>15 clause, their statute of limitations theory, and they can</p> <p>16 invoke other defenses that this Court has repeatedly</p> <p>17 rejected. But none of that wipes away the court's</p> <p>18 decision that is the law of the case. Your Honor, we</p> <p>19 worked hard to achieve the substantial victory we obtained</p> <p>20 on summary judgment. We should be permitted to benefit</p> <p>21 from the more streamline trial that inevitably should flow</p> <p>22 from that victory.</p> <p>23 Third, the Court has broad discretion to</p> <p>24 preclude expert testimony that has no relevance to the</p> <p>25 claims at issue. And more importantly, and this is the</p>	
Proceedings	Page 3942	Proceedings	Page 3944
<p>1 will come at significant cost to the Court and the parties</p> <p>2 in terms of time and effort. And for the plaintiff, quite</p> <p>3 frankly, taxpayer expense.</p> <p>4 Defendants have three additional valuation and</p> <p>5 accounting experts, in addition to the ones that are the</p> <p>6 subject of this motion: Mr. Chin, Mr. Moens and Professor</p> <p>7 Bartov, who will, no doubt, show up on their witness list</p> <p>8 for December. And allowing the valuation and accounting</p> <p>9 experts to testify will likely require us to put on a</p> <p>10 rebuttal expert case. This will add substantial time to</p> <p>11 this trial. These four experts on the current calendar</p> <p>12 for November account for a solid week of testimony.</p> <p>13 Including the other valuation and accounting experts they</p> <p>14 will likely call, our cross examination of these</p> <p>15 witnesses, and plaintiff's rebuttal experts that will</p> <p>16 likely be necessary, will add, I would estimate, two weeks</p> <p>17 of trial time at a minimum. At a minimum, Your Honor.</p> <p>18 Second, the Office of the Attorney General and</p> <p>19 more specifically all of these people here at this table</p> <p>20 in the well behind me, expended a tremendous amount of</p> <p>21 effort in culling through a huge volume of discovery</p> <p>22 material in order to present to the Court a comprehensive</p> <p>23 summary judgment motion and record that would permit the</p> <p>24 Court to dispose of a significant portion of the case as a</p> <p>25 matter of law, and substantially narrow the issues for</p>		<p>1 test in the case law that is clear, will offer no</p> <p>2 assistance to the Court as the trier of fact.</p> <p>3 The Court should exercise that discretion here</p> <p>4 to preclude these experts from testifying, because this</p> <p>5 trial should not be turned into an opportunity for</p> <p>6 defendants to supplement the summary judgment record in an</p> <p>7 improper attempt to shore up their appeal from the Court's</p> <p>8 summary judgment decision. They have their opportunity to</p> <p>9 create a record in opposition to plaintiff's partial</p> <p>10 summary judgment motion. That was the record on which the</p> <p>11 Court rendered its decision, and it is the record on which</p> <p>12 the First Department will review your decision on appeal.</p> <p>13 This trial is not their opportunity to get a do-over on</p> <p>14 the summary judgment motion.</p> <p>15 Your Honor, for all of these reasons, the Court</p> <p>16 should preclude defendants from call Dr. Laposa,</p> <p>17 Mr. Flemmons, Mr. Witkoff and Mr. Miller.</p> <p>18 Thank you.</p> <p>19 THE COURT: Just one second. I am wondering</p> <p>20 whether there were two intentional references there.</p> <p>21 Do-over was very big in City Slicker. Do you remember</p> <p>22 that? This is a do-over?</p> <p>23 And "What did he know and when did he know it,"</p> <p>24 that was a Watergate phrase, wasn't it? I am getting</p> <p>25 some --</p>

<p>1 his expert disclosure. So all of this. And now they say,</p> <p>2 well, we shouldn't -- we shouldn't be allowed to put on</p> <p>3 our case and Your Honor should be concerned with judicial</p> <p>4 economy and Your Honor should be concerned about this</p> <p>5 goose/gander rule doesn't apply anymore. They were</p> <p>6 certainly very happy to be the recipient of it.</p> <p>7 So I'll refrain from further pejoratives, but I</p> <p>8 will not retract. I don't think there is a reason to. I</p> <p>9 am entitled to my opinion, and I think his conduct is</p> <p>10 unfair to my client. And to me, frankly.</p> <p>11 To say that here we are, and we are not ignoring</p> <p>12 your decision, but we have to be entitled to put on our</p> <p>13 case as to intent, as to conspiracy. These experts have</p> <p>14 nothing to do with disgorgement.</p> <p>15 Mr. Laposa is a valuation expert.</p> <p>16 THE COURT: Wait. Wait. Before we get to him.</p> <p>17 I'll use another cultural political historical</p> <p>18 reference. The Red Scare. He is a Communist, send him to</p> <p>19 Russia. Let's leave the ad homonyms out of it. You don't</p> <p>20 have to apologize. I think it was totally uncalled for,</p> <p>21 totally incorrect.</p> <p>22 MR. KISE: Well, Your Honor, I will say that</p> <p>23 unlike everyone else in this courtroom, to date, that's</p> <p>24 the first time I have ever used an ad homonym insult. I</p> <p>25 believe other people have used them against me, in the</p>		<p>1 these positions. They have said, and continue to say,</p> <p>2 that my clients had intent. They advanced the position</p> <p>3 and said my clients, you know, that these were material</p> <p>4 departures. So we are entitled to at least demonstrate</p> <p>5 the state of mind. We are entitled to demonstrate what is</p> <p>6 the thinking of our clients.</p> <p>7 And the discussion we had, to the extent Your</p> <p>8 Honor is not going to grant the directed verdict, then we</p> <p>9 certainly have to rebut what they are advancing as their</p> <p>10 case, whatever it may be.</p> <p>11 They are entitled -- they are the master of</p> <p>12 their own case. And I will say for the record, Mr. Robert</p> <p>13 is the expert, as we know. I don't see how a plaintiff</p> <p>14 gets to sit back and decide, okay, I am not going to call</p> <p>15 these witnesses now and then if the defense comes along</p> <p>16 and demonstrates that there are gaping holes in their case</p> <p>17 in chief, that they get to call rebuttal experts after</p> <p>18 that. That's not how it works. They made a choice as to</p> <p>19 who they wanted to call and how to present their case.</p> <p>20 And if now there are holes in that case. And there are</p> <p>21 holes in that case. And if the defense in presenting its</p> <p>22 case, puts on a witness that demonstrates, for example,</p> <p>23 that a developer, like President Trump, would view</p> <p>24 properties differently. Mr. Laposa, the same thing. We</p> <p>25 are not challenging the underlying finding by Your Honor</p>

<p>1 courtroom. Including, respectfully, Your Honor. So I</p> <p>2 just, you know, I will refrain from further pejoratives I</p> <p>3 agree with you that ad homonyms are not something we need</p> <p>4 to have on a basis in a courtroom.</p> <p>5 I'll go back to legal arguments.</p> <p>6 THE COURT: Now let's talk about the two</p> <p>7 rebuttal witnesses.</p> <p>8 MR. KISE: Right.</p> <p>9 THE COURT: Part of the purpose of expert</p> <p>10 reports are to say what the person will testify to. They</p> <p>11 can't just then come up here and testify to anything they</p> <p>12 want to. Their testimony is restricted by what they said</p> <p>13 they would.</p> <p>14 MR. KISE: Right.</p> <p>15 THE COURT: I'll confess, I don't think I read</p> <p>16 the -- all of the expert affidavits, but plaintiffs are</p> <p>17 telling me that these two proposed expert witnesses,</p> <p>18 Witkoff and Miller, just said, I am going to testify to</p> <p>19 rebut the testimony of X and Y; and that X and Y haven't</p> <p>20 testified.</p> <p>21 MR. KISE: They testified that they are going to</p> <p>22 rebut the positions taken by the People.</p> <p>23 THE COURT: Let me ask. All right.</p> <p>24 MR. KISE: So in the context of expert</p> <p>25 discovery, that's how it is done. But they have advanced</p>		<p>1 with respect to the summary judgment motion.</p> <p>2 THE COURT: Can you stick to these two</p> <p>3 witnesses?</p> <p>4 MR. KISE: I am.</p> <p>5 THE COURT: I don't think you are.</p> <p>6 By the way, my institutional memory tells me,</p> <p>7 yes, I did read all of these affidavits, but months ago.</p> <p>8 So instead of saying I didn't read them, I'll say I didn't</p> <p>9 remember exactly what they said.</p> <p>10 MR. KISE: I took it that way.</p> <p>11 THE COURT: Mr. Kise, you can stay at the</p> <p>12 podium.</p> <p>13 Plaintiffs, do you stand by the representation,</p> <p>14 as I understood your letter, to be the only reason that</p> <p>15 Witkoff and Miller were mentioned as experts or their only</p> <p>16 testimony they were going to give was rebuttal testimony</p> <p>17 to the two witnesses that didn't appear? Yes, no?</p> <p>18 MR. AMER: Three witnesses, Your Honor.</p> <p>19 THE COURT: Three. Okay.</p> <p>20 MR. AMER: So Mr. Witkoff is a rebuttal to our</p> <p>21 two valuation experts Mr. Hirsh and Mr. Korologos. And</p> <p>22 Mr. Miller is a rebuttal to Professor Baker, who is our</p> <p>23 insurance expert.</p> <p>24 I would add that both of these witnesses were</p> <p>25 designated on the schedule for rebuttal expert witnesses.</p>	

Proceedings	Page 3953	Proceedings	Page 3955
<p>1 They were not designated in the initial round of experts.</p> <p>2 So they are rebuttal experts.</p> <p>3 (The following proceedings were stenographically</p> <p>4 recorded by Senior Court Reporter Michael Ranita.)</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 Had I known what they were going to present, either</p> <p>2 before in pretrial, or now at trial, what the evidence would</p> <p>3 be, then I would have designated all these people as our</p> <p>4 experts on primary case.</p> <p>5 They just -- there's no rhyme or reason. There's</p> <p>6 no designation that has a meaning because of the way it</p> <p>7 unfolded. And so these witnesses will speak to intent,</p> <p>8 materiality. In the case of Miller, reliance, which goes to</p> <p>9 disgorgement. Flemmons, as you may recall me talking about,</p> <p>10 is a former SEC enforcement chief forensic accountant. His</p> <p>11 testimony goes to materiality, and governing standards, and</p> <p>12 whether or not they met those standards with respect --</p> <p>13 whether or not they had the requisite intent to violate</p> <p>14 those standards; whether any violation of those standards</p> <p>15 was material. Those are the issues that are decidedly not</p> <p>16 part of your Honor's summary judgment, because they didn't</p> <p>17 have to be. The Attorney General argued, forcefully, at</p> <p>18 summary judgment that you don't need to consider any of</p> <p>19 this. And now we are here considering any of this, and they</p> <p>20 are saying, no, it's all subsumed by your summary judgment</p> <p>21 decision, which I think is both inaccurate and unfair.</p> <p>22 So the fact that the Attorney General did not put</p> <p>23 on their experts doesn't -- we think should result, in part,</p> <p>24 is another basis for why we should get a directed verdict,</p> <p>25 but to the extent that we will not, and we are here to</p>	
Proceedings	Page 3954	Proceedings	Page 3956
<p>1 MR. KISE: Your Honor, because of the initial</p> <p>2 round, neither side has any notion what the other side is</p> <p>3 going to present. So the only reason they are in the</p> <p>4 rebuttal --</p> <p>5 THE COURT: You do have a -- knowledge of what they</p> <p>6 are going to present.</p> <p>7 MR. KISE: Not until we get, not until we receive</p> <p>8 it. It was simultaneous. We exchanged -- we exchanged</p> <p>9 primary experts, and rebuttal experts simultaneously. So it</p> <p>10 wasn't like we had time to figure out -- oh, no, this was</p> <p>11 all simultaneous.</p> <p>12 THE COURT: I didn't realize that.</p> <p>13 MR. KISE: So that's my point. Before they</p> <p>14 presented their experts, just like before we presented ours,</p> <p>15 we would have no idea, really, of the parameters and contours</p> <p>16 of their case. And so the fact that these witnesses wind up</p> <p>17 in the rebuttal bucket is simply more by the circumstances</p> <p>18 of the way the litigation unfolded pretrial, as opposed to</p> <p>19 any, like, understanding of what their case was. So that's</p> <p>20 why I'm saying, the fact that they are not calling someone</p> <p>21 in their case, that's their prerogative. If they believe,</p> <p>22 as they do, and I respect that, that they have satisfied</p> <p>23 their burden of proof, okay, they don't need an expert. But</p> <p>24 that doesn't mean that we are not entitled to present our</p> <p>25 case.</p>		<p>1 defend ourselves. Then the Court should be able to consider</p> <p>2 that evidence. The Court, I would think, would want to</p> <p>3 weigh that evidence. There's plenty of tools the Court has</p> <p>4 if it believes that it's going on to long, or it's taking</p> <p>5 too much time, but for us to say that our case is going to</p> <p>6 be completed in less trial days than, I believe, the</p> <p>7 government's case, and we've already got us ahead of</p> <p>8 schedule, I think give us -- we haven't even gotten out of</p> <p>9 the gate yet and they want to shut the door. So I just</p> <p>10 don't think all of these witnesses speak to the elements</p> <p>11 that are squarely and completely before the Court.</p> <p>12 The degree of culpability, Mr. Amer mentioned that</p> <p>13 on the equitable side. The degree of culpability goes to</p> <p>14 state of mind, goes to intent. It goes to whether or not</p> <p>15 these individuals, you know, flagrantly violated something,</p> <p>16 or in the case of the statements under 63(12), we don't have</p> <p>17 to prove all of this if you find that they are false. As</p> <p>18 you've said before, okay, I find that they are false. That</p> <p>19 doesn't mean that they are materially false, it also doesn't</p> <p>20 mean they intended for them to be false. And then there is</p> <p>21 a whole lot of layered issues there.</p> <p>22 THE COURT: Five-minute warning.</p> <p>23 MR. KISE: Mr. Witkoff, Mr. Laposa -- Dr. Laposa,</p> <p>24 Mr. Flemmons, Mr. Miller, all of these witnesses noticed. And</p> <p>25 the goose/gander rule, however the Court wants to phrase it,</p>	

Proceedings	Page 3957	Proceedings	Page 3959
<p>1 applies wholly here. There's no reason to close the door to</p> <p>2 us after they had benefitted handsomely from it being</p> <p>3 opened. There was never any complaint about it before. And</p> <p>4 I will leave some time for Mr. Robert, because he is far</p> <p>5 more the experienced practitioner when it comes to the CPLR</p> <p>6 in these matters than I.</p> <p>7 You heard me say it before, the world is watching,</p> <p>8 so the world needs to see that everyone's evidence at least</p> <p>9 gets into the courtroom at some point, respectfully.</p> <p>10 Thank you.</p> <p>11 THE COURT: Thank you. Mr. Robert.</p> <p>12 MR. ROBERT: So sitting here and hearing Mr. Amer</p> <p>13 talking about wanting to -- one of the reasons to deny these</p> <p>14 experts is wanting to save money -- and I'm not going to use</p> <p>15 any pejorative words -- is beyond anything I could fathom.</p> <p>16 The relief they are seeking, in particular to my two clients</p> <p>17 who are relatively young men, is to bar them from doing</p> <p>18 business in New York for the rest of their lives, and yet he</p> <p>19 is now coming in here after spending five weeks saying we</p> <p>20 really should try to short circuit this.</p> <p>21 I'll remind the Court that at the last pretrial</p> <p>22 conference, after the summary judgment motion had been</p> <p>23 granted, you actually asked the government, well, since you</p> <p>24 already prevailed on the first cause of action, do you need</p> <p>25 to proceed on the balance? Do you want to? And in a</p>		<p>1 appropriate.</p> <p>2 My final thing is, what I really took offense to</p> <p>3 the most of what Mr. Amer said is that there should be</p> <p>4 consideration for the efforts of the Attorney General staff</p> <p>5 in doing their summary judgment motion. All I'll say on a</p> <p>6 personal level is, they had this case over three years.</p> <p>7 This defense team, in less than a year, worked on this case,</p> <p>8 are here trying this case, and we are working 24/7 to be</p> <p>9 able to comply with what these Court's orders were. So</p> <p>10 nobody is working harder than us, nobody is putting in more</p> <p>11 energy than us. So to say we should be precluded from</p> <p>12 bringing in these experts because they are tired, is</p> <p>13 offensive.</p> <p>14 THE COURT: Mr. Amer, you are still standing there.</p> <p>15 I assume you want to say something.</p> <p>16 MR. AMER: I do, your Honor. A few quick points.</p> <p>17 I think Mr. Kise completely confuses fact evidence with</p> <p>18 expert evidence.</p> <p>19 Nobody is seeking to preclude them from putting in</p> <p>20 whatever fact witnesses they want to put on the stand. This</p> <p>21 is about expert testimony. No party has an entitlement to</p> <p>22 put on an expert case if it has nothing to do with the</p> <p>23 issues in the case and will not assist the trier of fact.</p> <p>24 There's no due process right to put on expert testimony.</p> <p>25 And the cases we cite in our letter demonstrate that courts</p>	
Proceedings	Page 3958	Proceedings	Page 3960
<p>1 resounding yes, they said, "Absolutely." And your Honor, in</p> <p>2 a colloquy with them was saying, well, a lot of the relief</p> <p>3 is the same. You don't get more relief from the other</p> <p>4 causes of action. And their answer was, "You need to hear</p> <p>5 it because that may affect part of your ultimate decision."</p> <p>6 So they could've taken away, to save the taxpayers</p> <p>7 of New York money, they could've said, yes, let's move to a</p> <p>8 damages phase of the trial. They elected not to do that.</p> <p>9 At this point now, because they changed their theory to</p> <p>10 prejudice our clients, respectfully I think would be</p> <p>11 improper.</p> <p>12 Now, as to this issue of rebuttal not rebuttal, I</p> <p>13 respectfully submit that that's just an absolute red</p> <p>14 herring. In New York, the fact that we have expert</p> <p>15 depositions in this case, and expert reports is even more</p> <p>16 than we usually have in case like this. So there's no</p> <p>17 issue. My experience has been, as Mr. Kise said, it's</p> <p>18 always an issue of notice or a qualification of the experts.</p> <p>19 Not when the plaintiff changes their theory midstream, that</p> <p>20 affects the ability of an expert to testify. I respectfully</p> <p>21 submit, I think one of the bases that they failed to meet</p> <p>22 their burden, and our directed verdict should be granted, is</p> <p>23 that they failed to call an expert on those issues.</p> <p>24 However, if your Honor agrees with them, at that point it is</p> <p>25 incumbent upon us to put on a defense that we feel is</p>		<p>1 have routinely precluded parties from putting on experts if</p> <p>2 the experts are not going to assist the trier of fact.</p> <p>3 So the notion that we are somehow trying to</p> <p>4 preclude them from making their case is nonsense. This is</p> <p>5 about expert testimony. And our position is that in light</p> <p>6 of the Court's summary judgment decision, there are no</p> <p>7 issues left in the case that would make these experts</p> <p>8 relevant.</p> <p>9 The goose/gander rule, I have to make a point about</p> <p>10 this. They are distorting this rule beyond all recognition.</p> <p>11 This is a very simple rule. When the Court makes a ruling</p> <p>12 on an evidentiary issue, the Court should then apply that</p> <p>13 ruling on an evenhanded manner as the same issue comes up</p> <p>14 again and again throughout the course of the trial.</p> <p>15 It doesn't mean that for every time I sustain your</p> <p>16 objection I have to sustain the other side's objection.</p> <p>17 These evidentiary rulings are about calling balls and</p> <p>18 strikes based on how the pitches are coming over the plate.</p> <p>19 And there's no goose/gander rule that says if I sustain ten</p> <p>20 of your objections I have to sustain ten of your adversary's</p> <p>21 objections.</p> <p>22 I would also add, the rule has no application here</p> <p>23 because the Court has not previously ruled on the question</p> <p>24 of whether expert testimony is or is not relevant to the</p> <p>25 issues in the case. There's been no ruling that the Court</p>	

Proceedings	Page 3961	Proceedings	Page 3963
<p>1 has issued on this matter to then apply in an evenhanded</p> <p>2 manner. This is a matter of a clean slate for the Court in</p> <p>3 terms of whether and to what extent valuation and accounting</p> <p>4 experts have a role in this truncated narrower trial as a</p> <p>5 result of the Court's summary judgment decision.</p> <p>6 THE COURT: Hold on. If I can speak for Mr. Kise</p> <p>7 for a minute. His references to goose and gander are that</p> <p>8 not about expert testimony, but about the fact that you've</p> <p>9 had a long time to put on a long case, 25 witnesses in</p> <p>10 25 days. He wants an opportunity to put on a defense.</p> <p>11 MR. KISE: And expert as well. I mean,</p> <p>12 Mr. McCarty -- we had that debate over McCarty, whether or</p> <p>13 not he should be permitted. You said, which is your</p> <p>14 province, particularly in a bench trial, I could hear it all</p> <p>15 and I could sort it out. Which would be the appropriate</p> <p>16 procedure here.</p> <p>17 THE COURT: Let's break for lunch. I'll have --</p> <p>18 MR. AMER: Can I just finish two more points?</p> <p>19 THE COURT: Quickly, and I'll probably give you a</p> <p>20 chance after lunch, because the food might regenerate the</p> <p>21 brain.</p> <p>22 MR. AMER: I understand. This will be quick. I</p> <p>23 think I expressly said that we have no issue with the</p> <p>24 banking experts that they want to put on in their case.</p> <p>25 They could put on all the fact witnesses they want and a</p>		<p>1 -- to hear full evidence. And yes, yes if Mr. Amer doesn't</p> <p>2 understand how the experts will shed light on the issues</p> <p>3 before the Court, it will become apparent to him, I'm sure,</p> <p>4 when they testify.</p> <p>5 Thank you.</p> <p>6 THE COURT: Who first said sun slight is the best</p> <p>7 disinfectant?</p> <p>8 MR. AMER: Brandeis.</p> <p>9 THE COURT: Brandeis. See you after lunch at 2:15.</p> <p>10 (Whereupon, the case on trial was adjourned until</p> <p>11 2:15 for the luncheon recess.)</p> <p>12 * * * * *</p> <p>13 A F T E R N O O N S E S S I O N</p> <p>14 * * * * *</p> <p>15 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>16 sex. The Honorable Judge Arthur Engoron presiding. Please</p> <p>17 be seated and come to order.</p> <p>18 MR. KISE: Your Honor --</p> <p>19 THE COURT: Mr. Kise, when there is a three-day</p> <p>20 weekend, I go up the stairs much faster.</p> <p>21 MR. KISE: Indeed, you were bounding. I'm glad you</p> <p>22 gave us the lunch break. I'm going to apologize to the</p> <p>23 court and apologize to Mr. Amer. You know it's not like me</p> <p>24 to be ad hominem. I shouldn't be. I wasn't raised that</p> <p>25 way. So when you are right, you are right. Mr. Amer is</p>	
Proceedings	Page 3962	Proceedings	Page 3964
<p>1 banking expert. We have no issue with that. So this</p> <p>2 goose/gander rule, it's just nonsensical.</p> <p>3 Mr. Kise talked about state of mind. I don't</p> <p>4 understand how an expert, who's retained after the fact, has</p> <p>5 any relevant information to impart on a witness's state of</p> <p>6 mind at the time of the events in question.</p> <p>7 And finally, Mr. Kise said Mr. Miller goes to</p> <p>8 disgorgement. I don't understand that. We are not putting</p> <p>9 on any disgorgement for the insurance fraud. We haven't put</p> <p>10 in a single piece of evidence seeking disgorgement with</p> <p>11 respect to any differential in the premium. That's not part</p> <p>12 of our disgorgement case.</p> <p>13 Our disgorgement case is based on the loans and the</p> <p>14 differential and the interest rates, and that was</p> <p>15 Mr. McCarty's testimony.</p> <p>16 THE COURT: Thirty seconds. Do you need to have a</p> <p>17 rebuttal expert on disgorgement on the insurance?</p> <p>18 MR. KISE: Just briefly, your Honor. I mean, I</p> <p>19 know you said after lunch. Do you need us back? I don't</p> <p>20 have anything more to argue, but we are happy to come back.</p> <p>21 THE COURT: Have a good lunch, but come back.</p> <p>22 MR. KISE: The only thing I'll say on this point is</p> <p>23 the best disinfectant is sunlight. They want to keep this</p> <p>24 case shrouded, in their view, their view of the world. They</p> <p>25 don't want the Court, they don't want to hear evidence and</p>		<p>1 working very hard. He is being a zealous advocate for his</p> <p>2 client. We are all very tired. It doesn't excuse it, but I</p> <p>3 just want to apologize on the record. I could withdraw it.</p> <p>4 You could strike it, leave it there, whatever you want, but</p> <p>5 I shouldn't have said what I said.</p> <p>6 And I hope the apology is at least accepted, but as</p> <p>7 you know, I don't make extrajudicial statements. I don't</p> <p>8 make pejoratives, and I will go back to being my assertive,</p> <p>9 but generally affable self.</p> <p>10 THE COURT: Mr. Amer, any response or requests.</p> <p>11 MR. AMER: I appreciate it, and I certainly accept</p> <p>12 the apology. Thank you.</p> <p>13 THE COURT: All right. Does either side want to</p> <p>14 say anything else about the question of whether plaintiff is</p> <p>15 entitled to preclude the four experts that their letter</p> <p>16 addressed? No? No? Oh, okay.</p> <p>17 Well, Mr. Amer asked me not to take the path of</p> <p>18 least resistance, and I will take that to heart, generally</p> <p>19 speaking through the trial. Obviously one of my real goals</p> <p>20 here -- well, one of the real goals, which is obvious, is I</p> <p>21 don't want a retrial of this case. I don't want to be</p> <p>22 reversed. And to me, that basically speaks in favor of</p> <p>23 allowing, rather than disallowing, the questions, answers,</p> <p>24 expert testimony, et cetera; however, I'm going to let --</p> <p>25 I'm going to deny the request, without prejudice to object</p>	

Proceedings	Page 3965	Proceedings	Page 3967
<p>1 to anything that they think is irrelevant, and I'll sort of</p> <p>2 explain how I see the heart of this case. And I think I</p> <p>3 made this clear in the summary judgment decision of</p> <p>4 September 26th. But let me say again, I'm not here to value</p> <p>5 these properties; I'm here to decide whether the Statements</p> <p>6 of Financial Condition and related documents were</p> <p>7 fraudulent, or whether they were correct or whether they</p> <p>8 were accurate. I'm not going to say oh, well, and I don't</p> <p>9 think I ever did, and I specifically disclaim saying it</p> <p>10 about Mar-a-Lago. I'm not going to say what a property is</p> <p>11 worth, because I don't have to. This is a case about, as we</p> <p>12 keep saying, it's a document case, or were the documents</p> <p>13 truthful, accurate, fair. And I'm going to go through some</p> <p>14 of the highlights, if you will, the greatest hits we call</p> <p>15 it, of the summary judgment decision.</p> <p>16 What I think I was allowed to grant summary</p> <p>17 judgment was because it's -- whether the statements were</p> <p>18 true or false, it was not a question of whether they</p> <p>19 presented the correct value of the properties, but whether</p> <p>20 they were internally true and internally consistent. And</p> <p>21 here are the ways I found some, or maybe all of the ways I</p> <p>22 found they were not internally accurate or fair. I'll start</p> <p>23 with the low hanging fruit. And I never want to</p> <p>24 overemphasize this. And I'll give you the numbers.</p> <p>25 First, the value of the triplex was fraudulently</p>		<p>1 disregarding the land use restrictions which severely</p> <p>2 limited the ability to develop the property, and were</p> <p>3 granted in perpetuity by Donald J. Trump in exchange for tax</p> <p>4 benefits.</p> <p>5 Six, the value of Aberdeen was fraudulently</p> <p>6 inflated in the SFCs from 2014 to 2019 by falsely indicating</p> <p>7 that defendants had legal approval to develop 2,035 private</p> <p>8 residential homes instead of the 500 for which it had</p> <p>9 actually obtained legal approval.</p> <p>10 Seven, the value of certain golf courses was</p> <p>11 fraudulently inflated in the SFCs in 2014 to 2020 by</p> <p>12 including a brand premium and ignoring appraisals by</p> <p>13 claiming the SFCs did not include his brand value -- that</p> <p>14 was pretty black and white -- while also incorporating a</p> <p>15 brand value into its valuations.</p> <p>16 Eight, the value of cash was fraudulently inflated</p> <p>17 on the SFCs from 2013 to 2021 by falsely claiming that</p> <p>18 Donald Trump's interest in Vornado was liquid, when, in</p> <p>19 fact, he had no right to use or withdraw any of these funds</p> <p>20 as a minority owner to.</p> <p>21 Nine, the value of the Vornado Partnership</p> <p>22 properties was fraudulently inflated in the SFCs from 2014</p> <p>23 to 2016, and 2021, by disregarding and concealing appraisals</p> <p>24 within its possession and reporting its interest in the</p> <p>25 property to have a value of more than \$170 million more than</p>	
Proceedings	Page 3966	Proceedings	Page 3968
<p>1 inflated in the SFCs from 2012 to 2016 -- this is at page 22</p> <p>2 of the summary judgment motion -- by inflating the square</p> <p>3 footage by nearly three times it's actual size. All right,</p> <p>4 I don't want to focus on that.</p> <p>5 Two, the value of Seven Springs was fraudulently</p> <p>6 inflated in the 2014 Statement of Financial Condition by</p> <p>7 disregarding and concealing the appraisals within its</p> <p>8 possession and reporting the value of Seven Springs to be</p> <p>9 more than 400 percent of its highest appraised value at the</p> <p>10 time.</p> <p>11 Three, the value of the rent stabilized apartments</p> <p>12 as Trump Park Avenue was fraudulently inflated in the</p> <p>13 Statements of Financial Condition -- from now on I'll say</p> <p>14 SFCs -- from 2014 to 2021 by wholly disregarding the rent</p> <p>15 stabilized status of certain units and valuing them as if</p> <p>16 they were unrestricted. You can't get a fair statement of</p> <p>17 value by pretending that rent regulated apartments are</p> <p>18 vacant. The value is completely different.</p> <p>19 Four, the value of 40 Wall Street was fraudulently</p> <p>20 inflated in the 2011, 2012 and 2015 SFCs by disregarding and</p> <p>21 concealing appraisals within defendant's possession and</p> <p>22 reporting its value as nearly \$200 million more than it's</p> <p>23 highest appraised value at the time.</p> <p>24 Five, the value of Mar-a-Lago was fraudulently</p> <p>25 inflated in the SFCs from 2014 to 2021 by wholly</p>		<p>1 the highest appraised value at the time.</p> <p>2 And finally, ten, the value of licensing deals was</p> <p>3 fraudulently included in the SFCs from 2014 to 2018, and</p> <p>4 2020, by improperly reporting valuations of</p> <p>5 intra-organization deals in an asset category that purported</p> <p>6 to include only values of deals with outside third-party</p> <p>7 organizations, resulting in overvaluations each year of</p> <p>8 between 97 and \$224 million.</p> <p>9 So, first of all, again, sorry to repeat myself,</p> <p>10 this is common sense. You can't have a correct valid</p> <p>11 financial statement with these kinds of errors.</p> <p>12 And secondly, if the experts try to testify</p> <p>13 otherwise, I'm going to shut them down at my discretion.</p> <p>14 And something that's bedeviled me this whole trial is the</p> <p>15 word "materiality", because as Mr. Kise was pointing out,</p> <p>16 the statutes say, well, there can't be a material</p> <p>17 misrepresentation. Well, I think I've said before, to me,</p> <p>18 if something is immaterial, it basically means de minimis.</p> <p>19 Okay, you could argue whether something is worth 200 million</p> <p>20 or 220 million, maybe arguably that's not material, but 200</p> <p>21 million and 375 million are fraudulent. And 25 million or</p> <p>22 500 million, that is clearly material, and I don't need an</p> <p>23 expert to tell me that.</p> <p>24 If you want to take me up on appeal on the grounds</p> <p>25 that Judge Engoron doesn't understand material because it's</p>	

Proceedings	Page 3969	Page 3971
<p>1 all about how somebody views it, no, at a certain point -- I</p> <p>2 think these are the words I used in the summary judgment</p> <p>3 motion, at a certain point it's not material; it's not</p> <p>4 immaterial. It's fraud.</p> <p>5 So bottom line, I'll let all the defendants'</p> <p>6 proposed experts testify, but in light of what I said about</p> <p>7 Mr. Amer's comment, I'm not going to take the path of least</p> <p>8 resistance. If it's clearly irrelevant, I'm just not going</p> <p>9 to allow it.</p> <p>10 So Mr. Kise, or anyone on the defense side.</p> <p>11 MR. KISE: No, your Honor. I think we understand</p> <p>12 the Court's position. I would say, without going through</p> <p>13 each category, you are going to take it on a</p> <p>14 category-by-category basis. I do think you will find from</p> <p>15 the experts that there is some intersection of issues here,</p> <p>16 maybe broader than you realized, but we'll take that up, as</p> <p>17 you say, as we go forward.</p> <p>18 THE COURT: You won the battle, we'll see if you</p> <p>19 win the war, on the experts.</p> <p>20 MR. AMER: I would also assume that at least on the</p> <p>21 rebuttal experts, one basis for objecting on relevance</p> <p>22 grounds is their opinion isn't addressing anything that has</p> <p>23 been put into evidence on our case.</p> <p>24 THE COURT: I think that's logical and fair, and</p> <p>25 we'll save the all important taxpayers' money.</p>		<p>1 MR. WALLACE: Thank you.</p> <p>2 (The case on trial was adjourned to Monday,</p> <p>3 November 13, 2023 at 10:00 a.m.)</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 Changing subjects, I think I mentioned this before,</p> <p>2 and Mr. Kise and Mr. Robert, you know, newcomers let's keep</p> <p>3 things moving along. If somebody is -- if you have an</p> <p>4 expert or another witness who is not going to be all day,</p> <p>5 let's make sure you've got someone behind up.</p> <p>6 MR. KISE: Well --</p> <p>7 THE COURT: I'll be very harsh about that, too.</p> <p>8 MR. KISE: -- as I've said, there's no one here</p> <p>9 that wants to be done sooner than me.</p> <p>10 THE COURT: And there's nothing you said more often</p> <p>11 than that, and I totally believe you, of course.</p> <p>12 MR. AMER: Some people may disagree that there's</p> <p>13 nobody who wants it to end sooner.</p> <p>14 THE COURT: I'm sure we all have our own personal</p> <p>15 stories.</p> <p>16 MR. KISE: That's true.</p> <p>17 THE COURT: All right. So have a great weekend.</p> <p>18 We are resuming 10:00 Monday morning; right?</p> <p>19 MR. ROBERT: Yes, sir. Thank you.</p> <p>20 THE COURT: The first witness will be?</p> <p>21 MR. KISE: Donald Trump, Jr.</p> <p>22 THE COURT: I know him.</p> <p>23 MR. KISE: Yeah.</p> <p>24 MR. ROBERT: Thank you.</p> <p>25 THE COURT: Thanks a lot, everyone.</p>

DONALD J. TRUMP, DONALD TRUMP JR, ERIC TRUMP,  
ALLEN WEISSELBERG, JEFFREY MCCONNEY, THE  
DONALD J. TRUMP REVOCABLE TRUST, THE TRUMP  
ORGANIZATION, INC., TRUMP ORGANIZATION LLC, DJT  
HOLDINGS LLC, DJT HOLDINGS MANAGING MEMBER,  
TRUMP ENDEAVOR 12 LLC, 401 NORTH WABASH  
VENTURE LLC, TRUMP OLD POST OFFICE LLC, 40 WALL  
STREET LLC, SEVEN SPRINGS LLC,

Defendants.

On October 3, during a break in this trial, defendant Donald Trump posted to his social media account an untrue, disparaging, and personally identifying post about my Principal Law Clerk. I spoke to defendants, both on and off the record. Off the record, I ordered Donald Trump to remove the post immediately. Approximately 10 minutes later, Donald Trump represented to me that he had taken down the offending post, and that he would not engage in similar behavior going forward. I then, on the record, imposed on all parties to this action a very limited gag order, "forbidding all parties from posting, emailing, or speaking publicly about any members of my staff," emphasizing, quite clearly, that "personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances." I further made clear that "failure to abide by this directive will result in serious sanctions."

Despite this clear order, last night I learned that the subject offending post was never removed from the website "DonaldJTrump.com," and, in fact, had been on that website for the past 17 days. I understand it was removed late last night, but only in response to an email from this Court.

Today, in open Court, counsel for Donald Trump stated that the violation of the gag order was inadvertent and was an "unfortunate part of the process that is built into the campaign structure." Giving defendant the benefit of the doubt, he still violated the gag order. Connors v Pallozzi, 241 AD2d 719, 719 (3d Dept 1997) ("[c]ontrary to defendants' claim on appeal, a finding of civil contempt does not require a showing that such disobedience was willful").

**OTHER ORDER – NON-MOTION**

Further, whether intentional or the result of mere “campaign structure” negligence, the effect of the post on its subject is unmitigated by how or why it remained on Donald Trump’s website for 17 days. Moreover, a defendant may not evade liability for violating a court order by asserting that the violation was a result of the actions of one or more of the defendant’s employees or agents.

In the current overheated climate, incendiary untruths can, and in some cases already have, led to serious physical harm, and worse.

Donald Trump has received ample warning from this Court as to the possible repercussions of violating the gag order. He specifically acknowledged that he understood and would abide by it. Accordingly, issuing yet another warning is no longer appropriate; this Court is way beyond the “warning” stage.

Given defendant’s position that the violation was inadvertent, and given that it is a first time violation, this Court will impose a nominal fine, \$5,000, payable to the New York Lawyers’ Fund for Client Protection, within ten (10) days of the date of this order.

Make no mistake: future violations, whether intentional or unintentional, will subject the violator to far more severe sanctions, which may include, but are not limited to, steeper financial penalties, holding Donald Trump in contempt of court, and possibly imprisoning him pursuant to New York Judiciary Law § 753.

Defendants.

On October 3, on the record, I imposed on all parties to this action a very limited gag order, "forbidding all parties from posting, emailing, or speaking publicly about any members of my staff," emphasizing, quite clearly, that "personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances" (emphasis added). I further made clear that "failure to abide by this directive will result in serious sanctions."

Despite this unambiguous order, last week I learned that Donald Trump had failed to abide by it by not removing, for a total of 17 days, from the website of donaldjtrump.com an untrue, disparaging and personally identifying post about my Principal Law Clerk. Counsel for defendant stated in open court that the violation of the gag order was inadvertent. Taking counsel at his word, I imposed a \$5,000 nominal sanction against Donald Trump for the first-time violation of the gag order.

On October 25, during a break order from the trial, Donald Trump made the following statement to a gaggle of reporters outside the courtroom: "This judge is a very partisan judge with a person who's very partisan sitting alongside him, perhaps even more partisan than he is." Quite clearly, defendant was referring, once again, to my Principal Law Clerk, who sits alongside me on the bench.

Defendant's attorneys offered the explanation that Donald Trump was referring to Michael Cohen, who had been sitting on the witness stand. I then conducted a brief hearing, during

**OTHER ORDER – NON-MOTION**

which Donald Trump testified, under oath that he was referring to Michael Cohen. However, as the trier of fact, I find this testimony rings hollow and untrue. The Oxford English Dictionary defines “alongside” as “close to the side of; next to.” Witnesses do not sit “alongside” the judge, they sit in the witness box, separated from the judge by a low wooden barrier. Further, Donald Trump’s past public statements demonstrate him referring to Michael Cohen directly by his name, or by a derogatory name, but in all circumstances, he is unambiguous in making it known he is referring to Michael Cohen.

Moreover, the language Donald Trump used on October 25 mirrors the language he used in public statements to the press on October 2, wherein he inappropriately and unquestionably spoke about my Principal Law Clerk, stating: “this rogue judge is a trump hater, the only one that hates trump more is his associate up there, this person that works with him, and she’s screaming into his ear.”

Using imprecise language as an excuse to create plausible ambiguity about whether defendant violated this Court’s unequivocal gag order is not a defense; the subject of Donald Trump’s public statement to the press was unmistakably clear. As the trier of fact, I find that Donald Trump was referring to my Principal Law Clerk, and that, as such, he has intentionally violated the gag order.

This is the second violation of this Court’s gag order in the less than one month since this trial commenced. Accordingly, this Court imposed a fine of \$10,000 on defendant Donald Trump, to be paid to the New York Lawyers’ Fund for Client Protection, within thirty (30) days of October 25, 2023.

Further, Donald Trump is ordered to post proof of payment, of this fine and the one imposed on October 10, 2023, to NYSCEF within two days of making such payments.

TRUMP ENDEAVOR 12 LLC, 401 NORTH WABASH  
VENTURE LLC, TRUMP OLD POST OFFICE LLC, 40 WALL  
STREET LLC, SEVEN SPRINGS LLC,

Defendants.

On October 3, 2023, after Defendant Donald J. Trump posted to his social media account an untrue, disparaging, and personally identifying post about my Principal Law Clerk, I imposed on all parties to this action a very limited gag order, "forbidding all parties from posting, emailing, or speaking publicly about any members of my staff," emphasizing, quite clearly, that "personal attacks on members of my court staff are unacceptable, inappropriate, and I will not tolerate them under any circumstances." I further made clear that "failure to abide by this directive will result in serious sanctions."

On October 20, 2023, upon learning that Donald J. Trump failed to remove the post from one of his campaign websites, donaldjtrump.com, for a total of 17 days, I imposed a fine of \$5,000.00 against Donald J. Trump for violating the gag order. On October 25, 2023, after conducting a brief hearing, I concluded that Donald J. Trump had intentionally violated my gag order by stating to a gaggle of reporters outside the courtroom the following statement in reference to my Principal Law Clerk: "This judge is a very partisan judge with a person who's very partisan sitting alongside him, perhaps even more partisan than he is," and fined him an additional \$10,000.00.

I imposed the gag order only upon the parties, operating under the assumption that such a gag order would be unnecessary upon the attorneys, who are officers of the Court.

Over the past week, defendants' principal attorneys, namely, Christopher Kise (admitted *pro hac vice*) (Continental PLLC), Clifford Robert (Robert & Robert PLLC) and Alina Habba (Habba

**OTHER ORDER – NON-MOTION**

Madaio & Associates LLP), have made, on the record, repeated, inappropriate remarks about my Principal Law Clerk, falsely accusing her of bias against them and of improperly influencing the ongoing bench trial. Defendants' attorneys have made long speeches alleging that it is improper for a judge to consult with a law clerk during ongoing proceedings, and that the passing of notes from a judge to a law clerk, or vice-versa, constitutes an improper "appearance of impropriety" in this case. These arguments have no basis.

Pursuant to 22 NYCRR § 100.3(B)(6)(6)(c): **"A judge may consult with court personnel whose function is to aid the judge in carrying out the judge's adjudicative responsibilities or with other judges"** (emphasis added). This is precisely the role of a Principal Law Clerk in the New York State Courts.

Moreover, ethics advisory opinions have further emphasized that: "The relationship between a judge and his/her law clerk is one of particular trust and confidence. Although a judge and his/her law clerk are of course not 'partners,' the two engage in the kind of professional interchange that might be found between long-time colleagues in a law firm." Advisory Opinion 07-04, available at <https://www.nycourts.gov/ipjudicialethicsopinions/07-04.htm>.

As I have stated on the record, seemingly to no avail, my law clerks are public servants who are performing their jobs in the manner in which I request. This includes providing legal authority and opinions, as well as responding to questions I pose to them. Plainly, defendants are not entitled to the confidential communications amongst me and my court staff, who are hired specifically to aid me in carrying out my adjudicative responsibilities. Nor are they entitled to continue referencing my staff in the record. Defendants' attorneys have had ample opportunity to make their record, and they have at length. Indeed, I will assist them by repeating here that I will continue to consult with my staff, as is my unfettered right, throughout the remainder of the trial. Accordingly, defendants' record is now fully preserved for the duration of the proceedings. Defendants' attorneys may refer back to this blanket statement in their appeal as they deem appropriate. Defendants may reference my staff as is appropriate to ask about scheduling issues or the management of the trial, which is an integral part of their jobs. What they may *not* do is to make any further statements about internal and confidential communications (be it conversations, note passing, or anything similar) between me and my staff.

Defendants' First Amendment arguments in opposition to the imposition are wholly unpersuasive. This gag order is as narrowly tailored as possible to accomplish its purpose, which is to protect the safety of my staff and promote the orderly progression of this trial. As I have made clear, as the Judge in this case and the trier of fact, the gag order does not apply to me. However, I will not tolerate, under any circumstances, remarks about my court staff. The threat of, and actual, violence resulting from heated political rhetoric is well-documented. Since the commencement of this bench trial, my chambers have been inundated with hundreds of harassing and threatening phone calls, voicemails, emails, letters, and packages. The First Amendment right of defendants and their attorneys to comment on my staff is far and away outweighed by the need to protect them from threats and physical harm.

Thus, for the reasons stated herein, I hereby order that all counsel are prohibited from making any public statements, in or out of court, that refer to *any* confidential communications, in any form, between my staff and me.

Failure to abide by this directive shall result in serious sanctions.
