<p>1 SUPREME COURT OF THE STATE OF NEW YORK  2 COUNTY OF NEW YORK : CIVIL TERM : PART 37  3 ----- X  4 PEOPLE OF THE STATE OF NEW YORK, BY  5 LETITIA JAMES, ATTORNEY GENERAL OF  6 THE STATE OF NEW YORK,  7 Plaintiff,  8  9 Index No.  10 -against- 452564/2022  11 DONALD J. TRUMP; DONALD TRUMP, JR.; ERIC TRUMP;  12 IVANKA TRUMP; ALLEN WEISSELBERG; JEFFREY MCCONNEY;  13 THE DONALD J. TRUMP REVOCABLE TRUST; THE TRUMP  14 ORGANIZATION, INC.; TRUMP ORGANIZATION, LLC;  15 HOLDINGS, LLC; HOLDINGS MANAGING MEMBER;  16 TRUMP ENDEAVOR 12, LLC; 401 NORTH WABASH VENTURE,  17 LLC; TRUMP OLD POST OFFICE, LLC; 40 WALL STREET,  18 LLC.; AND SEVEN SPRINGS, LLC,  19 Defendants.  20 ----- X  21 Supreme Courthouse  22 60 Centre Street  23 New York, New York  24 October 10, 2023  25 B E F O R E:  HONORABLE ARTHUR F. ENGORON,  Justice, Supreme Court</p> <p>18 A P P E A R A N C E S:  19 OFFICE OF THE ATTORNEY GENERAL  20 OF THE STATE OF NEW YORK - LETITIA JAMES  21 Attorneys for Plaintiff  22 28 Liberty Street  23 New York, New York 10005  24 BY KEVIN WALLACE, ESQ.  25 COLLEEN K. FAHERTY, ESQ.  ANDREW AMER, ESQ.  ERIC HAREN, ESQ.  LOUIS M. SOLOMON, ESQ.</p> <p>(Appearances continued on the next page.)</p>	<p>1 THE COURT OFFICER: All rise. Part 37 is now in  2 session. The Honorable Judge Arthur Engoron presiding.  3 Make sure all cellphones are on silent. Laptops and  4 cellphones will be permitted, but only to members of the  5 public, members of the press. There's absolutely no  6 recording or photography of any kind allowed in the  7 courtroom. Please be seated and come to order.  8 THE COURT: Welcome. Good morning. Hope you all  9 had good long weekends.  10 Counsel, I understand there's some agreements on  11 scheduling.  12 So plaintiff, why don't you set forth and then we  13 will hear from defendants.  14 MR. WALLACE: Certainly, your Honor. So obviously,  15 this morning, the first witness will be Allen Weisselberg.  16 Our expectation is that his testimony will take the rest of  17 the day today and could extend into tomorrow. Pursuant to  18 our agreement to take one witness out of order, though,  19 tomorrow morning we'll start with Nicholas Haigh and we will  20 continue his testimony until it is completed because he's  21 the witness who's leaving the country.  22 After that, we will either continue with any  23 unfinished testimony from Mr. Weisselberg. Although, I  24 understand defendants are not planning to cross-examine him  25 after our exam or are reserving, but they can give that when</p>

ROBINSON, CSR  JANELLE LONDON, RMR, CRR  Senior Court Reporters</p>	<p>1 his exam comes up. The next witness is Patrick Birney who  2 is a Trump Organization employee.  3 Then after that Mark Hawthorn, another Trump  4 Organization employee followed by Donna Kidder and we expect  5 that between Mr. Hawthorn and Ms. Kidder, that will take us  6 through the end of this week and into Monday. We are then I  7 think going to begin Michael Cohen on Tuesday. So that is  8 the current plan as far as the order of witnesses.  9 THE COURT: Thank you. That's fine with me.  10 Defendant.  11 MR. KISE: That sounds correct, your Honor.  12 THE COURT: Okay. All right. Plaintiff, call your  13 next witness. First, wait. One of these days, I'll  14 remember. I think we have some photographers that want to  15 come in, so look your best.  16 (Whereupon, there was a pause in the proceedings.)  17 THE COURT: Plaintiff, would you like to call your  18 first witness now.  19 MR. SOLOMON: Good morning, your Honor. Louis M.  20 Solomon on behalf of the People. We call Allen Weisselberg.  21 THE COURT: Good morning.  22 THE COURT OFFICER: Good morning, sir. Please  23 raise your right hand. Do you solemnly swear and affirm any  24 testimony you give will be the truth, the whole truth and  25 nothing, but the truth?</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 787</p> <p>1 THE WITNESS: I do.</p> <p>2 THE CLERK: Please take a seat. Please state your</p> <p>3 name and either home or business address on the record, as</p> <p>4 close to the mic phone as you can.</p> <p>5 THE WITNESS: Allen Weisselberg, 6554 Piemonte</p> <p>6 Drive, Boynton Beach, Florida.</p> <p>7 THE COURT: Okay. I'll ask the witness, as he is</p> <p>8 doing already, to speak loudly, right into the microphone.</p> <p>9 THE WITNESS: Yes, sir.</p> <p>10 THE COURT: Clearly and slowly, et cetera. Okay.</p> <p>11 Please proceed.</p> <p>12 MR. SOLOMON: Thank you, your Honor.</p> <p>13 DIRECT EXAMINATION</p> <p>14 BY MR. SOLOMON:</p> <p>15 Q Good morning, sir.</p> <p>16 A Good morning.</p> <p>17 Q I would like to begin with some questions about your</p> <p>18 background. Did you receive a degree from Pace University in or</p> <p>19 about 1971?</p> <p>20 A It was actually Pace College at that time.</p> <p>21 Q And was that in business administration?</p> <p>22 A Yes.</p> <p>23 Q Were you ever a CPA?</p> <p>24 A No.</p> <p>25 Q Do you have any formal or informal accounting training</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 789</p> <p>1 bit the last few years as you all know, and thinking back to</p> <p>2 2011, I know he worked for a CPA firm. I hired him from that</p> <p>3 firm at the time. His level of knowledge of GAAP, I don't know.</p> <p>4 Q Did you ever come to have an understanding as to Mr.</p> <p>5 McConney's level of knowledge of GAAP?</p> <p>6 A Not that I could recall.</p> <p>7 Q Let's talk about your work history.</p> <p>8 Did there come a time that you began working with Fred</p> <p>9 Trump?</p> <p>10 A I began my career with the Trump family, Fred Trump in</p> <p>11 particular, in 1973.</p> <p>12 Q And did Mr. Fred Trump's business involve real estate</p> <p>13 in New York?</p> <p>14 A Yes.</p> <p>15 Q Is it fair to say, sir, that you have been involved in</p> <p>16 real estate in New York for almost 50 years?</p> <p>17 A Yes.</p> <p>18 Q Did there come a time that you began working with</p> <p>19 Donald Trump --</p> <p>20 A Yes.</p> <p>21 Q -- was in or about 1986?</p> <p>22 A That's correct.</p> <p>23 Q And when you began working with Donald J. Trump, did</p> <p>24 you have a title?</p> <p>25 A I came into his office to work as the controller.</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 788</p> <p>1 since graduating from Pace?</p> <p>2 A I worked for a short time in accounting, but not very</p> <p>3 long.</p> <p>4 Q That was prior to about 1976, correct?</p> <p>5 A I would say so, yes.</p> <p>6 Q Are you aware of any accounting standards that apply to</p> <p>7 the preparation of a personal financial statement?</p> <p>8 A I'm sorry. I don't quite understand. Am I aware of</p> <p>9 them?</p> <p>10 Q Yes.</p> <p>11 A Not being a CPA, the answer is I know of GAAP. I've</p> <p>12 heard the term used before, but I -- that's about it.</p> <p>13 Q And when you say GAAP, you're referring to the</p> <p>14 Generally Accepted Accounting Principles in the United States,</p> <p>15 correct?</p> <p>16 A I've heard that term, yes.</p> <p>17 Q Yes.</p> <p>18 Do you know any of the components of GAAP?</p> <p>19 A No.</p> <p>20 Q Do you know Jeffrey McConney?</p> <p>21 A I do.</p> <p>22 Q Do you know his level -- withdrawn.</p> <p>23 Did you know his level of familiarity with GAAP in or</p> <p>24 about 2011?</p> <p>25 A It's quite some time ago. I've been through quite a</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 790</p> <p>1 Q And were you the controller for the Trump Organization?</p> <p>2 A Yes.</p> <p>3 Q Did you eventually become the CFO, Chief Financial</p> <p>4 Officer, of the Trump Organization?</p> <p>5 A Yes.</p> <p>6 Q Do you recall if that was approximately in 2002?</p> <p>7 A Sounds about right, yes.</p> <p>8 Q Did you report to Donald Trump at that time?</p> <p>9 A I did.</p> <p>10 Q Did you report to Donald Trump between that time and</p> <p>11 when you left the company?</p> <p>12 A Well, when he became president and he was no longer</p> <p>13 there, the reporting was more little more informal and I dealt</p> <p>14 mostly with Eric Trump.</p> <p>15 Q When Mr. Trump became president, did you also deal with</p> <p>16 Donald J. Trump, Jr.?</p> <p>17 A Periodically.</p> <p>18 Q Did you also deal with Ivanka Trump at that time?</p> <p>19 A No, she had already left and was in Washington, D.C.</p> <p>20 Q Had you dealt with her prior to Mr. Trump becoming</p> <p>21 president?</p> <p>22 A To a degree, yes.</p> <p>23 Q In connection with various loans that the Trump</p> <p>24 Organization was soliciting from lenders?</p> <p>25 A Correct.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 791</p> <p>1 Q When do you recall Mr. McConney -- withdrawn.  2 THE COURT: Withdrawn.  3 MR. SOLOMON: Withdrawn.  4 Q Do you recall when Mr. McConney began working for the  5 Trump Organization?  6 A I don't recall the timing exactly. I would say  7 somewhere maybe in 1987, give or take.  8 Q Did Mr. McConney report to you when he began working in  9 the Trump Organization?  10 A Yes.  11 Q And when you were promoted to CFO in 2002, did Mr.  12 McConney continue reporting to you?  13 A Yes.  14 Q Did he report to you until you left the Trump  15 Organization?  16 A Yes.  17 Q Do you know Patrick Birney?  18 A I do.  19 Q Did he work at the Trump Organization?  20 A Yes.  21 Q When did he begin his employment with the Trump  22 Organization?  23 A I don't recall the exact date. I don't know -- a few  24 years -- six years ago.  25 Q Approximately 2016/2017 time period?</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 793</p> <p>1 Birney started working on the preparation of the Statements of  2 Financial Condition?  3 A Correct.  4 Q That work continued, to your knowledge, until your  5 departure from the Trump Organization, correct?  6 A Correct.  7 Q From 2011 until your departure, did you have an office  8 at the Trump Organization?  9 A I did.  10 Q Was that at 725 Fifth Avenue?  11 A Yes.  12 Q Did you have the same office throughout the entire time  13 period 2011 to your departure?  14 A Yes.  15 Q At any point in time, was there a bookshelf, bookcase  16 or filing cabinet outside your office, sir?  17 A There were many filing cabinets and bookcases.  18 Q I'm talking about one located right outside your  19 office.  20 A There was a filing cabinet there.  21 Q Do you recall whether there were appraisals for  22 property owned by the Trump Organization in this filing cabinet?  23 A There were appraisals that were done probably back in  24 the early or late 1990s for golf courses.  25 Q Were there any more recent appraisals, to your</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 792</p> <p>1 A Sounds about right.  2 Q When he began his work at the Trump Organization, did  3 he report to you?  4 A No.  5 Q Did he report to Mr. McConney?  6 A No.  7 Q To whom did Mr. Birney report?  8 A Ron Lieberman.  9 Q And up until the time you left the Trump Organization,  10 did Mr. Birney report to Mr. Lieberman?  11 A Mr. Birney had multiple tasks that he performed. He  12 came there -- he came through our company from Aon, so that was  13 an insurance brokerage firm and Ron Lieberman handled our  14 insurance. So most of his reporting was to Ron Lieberman, but  15 if over time he began doing some work in finance because he is a  16 financial analyst, he would report to myself or to Jeffrey  17 McConney, either/or.  18 Q In fact, did Mr. Birney work on the Statements of  19 Financial Condition between 2017 and your departure from the  20 Trump Organization?  21 A I don't know when he actually began to work on it.  22 Jeffrey McConney was the one who prepared the Statement of  23 Financial Condition and when he engaged Patrick Birney to work  24 with him, I don't have that date in my mind.  25 Q But at some point in time, you are aware that Mr.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 794</p> <p>1 knowledge, in that filing cabinet?  2 A I don't -- I don't recall.  3 Q But there could have been?  4 A I just don't recall.  5 Q You don't recall one way or the other, sir?  6 A Yeah. I just don't recall whether there were any or  7 not.  8 Q At some point in time, did you become a trustee of the  9 Donald J. Trump Revocable Trust?  10 A Yes.  11 Q Was this in or about January of 2017?  12 A Yes.  13 Q Could we please look at PX 769.  14 Sir, you've been shown what's been marked as PX 769.  15 Do you recognize this document?  16 A Yes.  17 Q What do you recognize it to be?  18 A Acceptance of the trustee becoming a trustee under the  19 Donald J. Trump Revocable Trust.  20 Q On the first page, do you recognize Donald Trump, Jr.'s  21 signature?  22 A Yes.  23 MR. SOLOMON: Please turn to the next page.  24 Q On this page, do you recognize Eric F. Trump's  25 signature?</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 795</p> <p>1 A Yes.</p> <p>2 Q On this page, is that your signature?</p> <p>3 A Yes.</p> <p>4 MR. SOLOMON: We offer PX 769 into evidence.</p> <p>5 THE COURT: Granted. It is in evidence.</p> <p>6 (Whereupon, the Document was marked in evidence as</p> <p>7 People's Exhibit 769.)</p> <p>8 Q Sir, did you resign as a trustee in or about January of</p> <p>9 2021?</p> <p>10 A I don't recall the date. If you can show me something</p> <p>11 to refresh my memory, that would be helpful.</p> <p>12 MR. SOLOMON: Put up PX 1016, please. Scroll down.</p> <p>13 Q You will see there is a whereas clause; by removal of</p> <p>14 trustee executed prior to this appointment and acceptance of</p> <p>15 trustee, settle or removed Allen Weisselberg as trustee under</p> <p>16 the agreement of trust.</p> <p>17 MR. SOLOMON: Go back to the top.</p> <p>18 Q This is dated January -- as of January -- I'm sorry.</p> <p>19 The last amendment was January 15, 2021. Do you see that?</p> <p>20 A Yes, I do.</p> <p>21 Q Does that refresh your recollection that it was in or</p> <p>22 about January of 2021?</p> <p>23 A It does.</p> <p>24 Q Does the trustee -- withdrawn.</p> <p>25 Does the trust hold title to Mr. Trump's assets?</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 797</p> <p>1 something you can show me to refresh my memory again, that would</p> <p>2 be helpful.</p> <p>3 Q Sure. I will in a moment, but I would like to know do</p> <p>4 you have an understanding as to why the employment relationship</p> <p>5 ended?</p> <p>6 A I assume when I was convicted of felony. I guess at</p> <p>7 that point.</p> <p>8 Q What is the basis for your understanding that was the</p> <p>9 reason for the termination of your employment relationship?</p> <p>10 A I don't -- I don't have a basis for it.</p> <p>11 Q Did you execute a severance agreement, sir?</p> <p>12 A I did.</p> <p>13 MR. SOLOMON: Can we please mark for identification</p> <p>14 PX 01751.</p> <p>15 Q Let me know when you have had an opportunity to review</p> <p>16 the document, sir.</p> <p>17 (Witness reviewing document.)</p> <p>18 MR. SOLOMON: Your Honor, while the witness is</p> <p>19 reviewing that document, we would move PX 1016 into</p> <p>20 evidence.</p> <p>21 THE COURT: Granted. It is in evidence.</p> <p>22 (Whereupon, the Document was marked in evidence as</p> <p>23 People's Exhibit 1016.)</p> <p>24 A I am not going to read the entire document, but I'm</p> <p>25 familiar with the document.</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 796</p> <p>1 A I'm not familiar with the -- with the way ownership of</p> <p>2 properties is handled. The legal department of the</p> <p>3 organization, they have all that information. I don't recall</p> <p>4 exactly the ownership structure.</p> <p>5 Q So you are a trustee of the trust, but you don't know</p> <p>6 the legal ownership structure of the assets of the trust?</p> <p>7 A That's correct.</p> <p>8 Q During your time as a trustee, what work, if any, did</p> <p>9 you do on behalf or for the benefit of the trust?</p> <p>10 A I continued my daily routine that I had all the years</p> <p>11 that I was the CFO. If there came a point in time where Eric</p> <p>12 Trump needed to discuss something with me or something he was</p> <p>13 thinking about, we would sit down and go over it, bounce some</p> <p>14 ideas back and forth; but other than that, my routine really</p> <p>15 hadn't changed.</p> <p>16 Q So when you became -- is it your testimony, sir, that</p> <p>17 when you became a trustee, your routine, your daily routine</p> <p>18 hadn't really changed?</p> <p>19 A No, it hadn't really changed.</p> <p>20 Q Do you currently work for the Trump Organization, sir?</p> <p>21 A I do not.</p> <p>22 Q When did that employment relationship end?</p> <p>23 A As I mentioned before, so many things have happened</p> <p>24 over the last number of years with me and my family and it's</p> <p>25 taken its toll, I don't recall exact dates. If you have</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 798</p> <p>1 Q Does that appear to be your severance agreement or</p> <p>2 separation agreement, sir?</p> <p>3 A Yes.</p> <p>4 Q Can you turn to page 7 of 8, on the bottom, if you see</p> <p>5 the number?</p> <p>6 A Yes.</p> <p>7 Q Is that your signature?</p> <p>8 A It is.</p> <p>9 Q Did you sign it on or about January 9, 2023?</p> <p>10 A Yes.</p> <p>11 Q Do you recognize the signature on behalf of the Trump</p> <p>12 Corporation?</p> <p>13 A I'm trying to figure it out. It looks like Eric's or</p> <p>14 Eric Trump.</p> <p>15 MR. SOLOMON: Your Honor, the People offer PX 01751</p> <p>16 in evidence.</p> <p>17 THE COURT: Granted. It is in evidence.</p> <p>18 (Whereupon, the Document was marked in evidence as</p> <p>19 People's Exhibit 01751.)</p> <p>20 Q Mr. Weisselberg, if you perform your obligations under</p> <p>21 the separation agreement, how much money will you receive?</p> <p>22 A \$2 million.</p> <p>23 Q That's payable over two years, correct?</p> <p>24 A Correct.</p> <p>25 Q Let's talk about Mr. Trump's triplex at Trump Tower.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 799</p> <p>1 Are you familiar with that argument?</p> <p>2 A Yeah, I know of the apartment; sure.</p> <p>3 Q It was one of the assets that was included in the</p> <p>4 Statement of Financial Condition as of June 11th. Excuse me, as</p> <p>5 of June 2011?</p> <p>6 A Yes.</p> <p>7 Q And it was on the Statement of Financial Condition as</p> <p>8 of June 2012, correct?</p> <p>9 A Yes.</p> <p>10 Q In fact, the triplex is included in every Statement of</p> <p>11 Financial Condition between at least 2011 and your departure</p> <p>12 from the Trump Organization, correct?</p> <p>13 A I mean, I could ask to see a statement to look at it,</p> <p>14 but --</p> <p>15 Q Is it your understanding that it is one of the assets</p> <p>16 reflected on the Statement of Financial Condition, sir?</p> <p>17 A Yes. Yes.</p> <p>18 Q In 2012, the value of the triplex was determined by</p> <p>19 multiplying the number of the square feet of the apartment by a</p> <p>20 price per square foot; is that correct?</p> <p>21 A Correct.</p> <p>22 Q In fact, multiplying the square footage by a price per</p> <p>23 square foot was how the value of the triplex was determined</p> <p>24 every year in the Statements of Financial Condition between</p> <p>25 June 2012 and June 2016, correct?</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 801</p> <p>1 triplex, the assumption made by the Trump Organization in 2012</p> <p>2 was wrong?</p> <p>3 A I -- when the report was completed, I did not go</p> <p>4 through every work paper of Jeffrey McConney and look at all his</p> <p>5 calculation.</p> <p>6 Q Sir, that wasn't my question.</p> <p>7 In 2012, an assumption was made as to the number of</p> <p>8 square feet for the triplex, right?</p> <p>9 A Jeffrey McConney had at his disposal.</p> <p>10 Q The answer to my question is yes?</p> <p>11 A Yes.</p> <p>12 Q At some point, you learned that the assumption was</p> <p>13 wrong?</p> <p>14 A Subsequently, that's correct.</p> <p>15 Q In 2013, there was an assumption made as to the number</p> <p>16 of square feet of the triplex, correct?</p> <p>17 A Correct.</p> <p>18 Q You subsequently learned that assumption was wrong?</p> <p>19 A Correct.</p> <p>20 Q 2014, an assumption was made, correct?</p> <p>21 A Correct.</p> <p>22 Q And you learned that assumption was wrong?</p> <p>23 A Correct.</p> <p>24 Q 2015, an assumption was made and you learned it was</p> <p>25 wrong?</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 800</p> <p>1 A I'm not sure that's correct. I don't know whether it</p> <p>2 was some years either comps that we used without the -- there</p> <p>3 were times when it was not used as the method. I believe it may</p> <p>4 have been, and this is from memory, some years where there was a</p> <p>5 comp that we were able to use to value.</p> <p>6 Q Wasn't the comps used to determine the square foot?</p> <p>7 A I don't recall that. That's a question Jeffrey</p> <p>8 McConney would have to answer. I don't have the work papers.</p> <p>9 If you would like to show me his work papers, I would be happy</p> <p>10 to look at it.</p> <p>11 Q We will go through it.</p> <p>12 In 2012, do you recall the size of the triplex was</p> <p>13 assumed to be 30,000 square feet?</p> <p>14 A I do not know the -- I don't walk around knowing the</p> <p>15 size of square footages of the apartments in the building</p> <p>16 including Mr. Trump's.</p> <p>17 Q Sir, you do recall that there was an issue raised with</p> <p>18 respect to the size of the triplex, don't you?</p> <p>19 A I found it out later on, years later.</p> <p>20 Q Years later. And at some point in time, you knew that</p> <p>21 the number for the -- excuse me.</p> <p>22 You knew that the square footage number that was</p> <p>23 assumed by the Trump Organization was wrong, didn't you?</p> <p>24 A In 2011?</p> <p>25 Q No. I'm asking if you recall that the size of the</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 802</p> <p>1 A Correct.</p> <p>2 Q 2016, an assumption was made, correct?</p> <p>3 A I don't believe that in 2016 we used the same number.</p> <p>4 I think something -- I think we got a notification from Forbes</p> <p>5 looking into it and that at that point, we went back -- I had a</p> <p>6 young lady in our office actually check our -- excuse me. Do</p> <p>7 you want me to continue?</p> <p>8 Q Please.</p> <p>9 A Okay. No, we had to check the offering plan to go back</p> <p>10 and check the amount of square footage that Mr. Trump owned and</p> <p>11 we came up with a number that was different and once we did</p> <p>12 that, we immediately changed the Statement of Financial</p> <p>13 Condition for the year 2016.</p> <p>14 Q Are you sure it was 2016 and not 2017?</p> <p>15 A I'm pretty sure it was 2016 that the change was made,</p> <p>16 yeah.</p> <p>17 Q And are you certain, sir, that this was done as soon as</p> <p>18 you looked back at the offering plan?</p> <p>19 A It was -- well, we were in the process -- when we</p> <p>20 prepared the June 30th statement, which started probably in</p> <p>21 July, at that point in time when -- when Jeffrey McConney was</p> <p>22 going through the assets -- if you had his work papers -- I</p> <p>23 don't have the benefit of those work papers. I'd like to see to</p> <p>24 confirm what I am saying is correct, but I believe at that point</p> <p>25 in time, he made -- he made a change to what the square footage</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 803</p> <p>1 should have been.</p> <p>2 Q In fact, sir -- well, prior to making the change in the</p> <p>3 Statements of Financial Condition, you were put on notice that</p> <p>4 the 30,000-square foot number was wrong, weren't you?</p> <p>5 A I don't -- I don't recall that.</p> <p>6 Q Let's look at, please, PX 0632.</p> <p>7 At the moment, I'm just going to ask you to focus on</p> <p>8 the cover e-mail, not the attachments to this. Who is -- for</p> <p>9 the record, this is Sharon -- from Sharon Hwang on February 2,</p> <p>10 2012 at 6:44 p m. It is to several people at DLA Piper with</p> <p>11 cc's to Jack Weisselberg. That's your son, correct?</p> <p>12 A Correct.</p> <p>13 Q He was at Ladder Capital at the time?</p> <p>14 A Correct.</p> <p>15 Q And to you, the Trump Organization, correct?</p> <p>16 A Correct.</p> <p>17 Q And Jason Greenblatt at the Trump Organization?</p> <p>18 A Correct.</p> <p>19 Q And Bradley Cox at the Trump Organization?</p> <p>20 A Correct.</p> <p>21 Q And the subject is Trump Tower organizational</p> <p>22 documents, structure chart and contact list. Do you see that?</p> <p>23 A Correct.</p> <p>24 Q Did you receive this e-mail on or about February 2,</p> <p>25 2012?</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 805</p> <p>1 people offer PX 0632 in evidence.</p> <p>2 THE COURT: Granted. It is in evidence.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 People's Exhibit 0632.)</p> <p>5 MR. SOLOMON: Will you, please, pull up PX 0633.</p> <p>6 Q We marked as PX 0633 another e-mail from Ms. Hwang to</p> <p>7 the same group of people. Is that right, sir? Do you see that?</p> <p>8 A I do.</p> <p>9 Q It is also on February 2nd?</p> <p>10 A Yes.</p> <p>11 Q This is at 6:47 p.m., about three minutes after the</p> <p>12 first one, right?</p> <p>13 A Correct.</p> <p>14 Q And she writes, and I'm reading from her e-mail, "As</p> <p>15 indicated in the previous e-mail, attached please find a Trump</p> <p>16 Tower Condominium declaration amendments 1-13." Do you see</p> <p>17 that?</p> <p>18 A I do.</p> <p>19 Q Did you receive this email February 2, 2012?</p> <p>20 A I received a cover e-mail. I don't recall receiving</p> <p>21 any attachments with it since all of those attachments, again,</p> <p>22 is -- were already part and parcel of our offering plan and was</p> <p>23 sitting in our office.</p> <p>24 Q In fact, sir, you previously testified that you didn't</p> <p>25 believe you received it because all those documents were in the</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 804</p> <p>1 A I recall receiving the cover e-mail. I don't recall</p> <p>2 seeing any attachments with it since they were already -- these</p> <p>3 documents were already in our office. So there would be no need</p> <p>4 to send all the attachments to go with it.</p> <p>5 Q Let's look at the next document. Withdrawn.</p> <p>6 Just so we can set the stage here, at this point in</p> <p>7 time, the Trump Organization was in discussions with Ladder</p> <p>8 Capital about potential loan for Trump Tower?</p> <p>9 A Refinancing, yes.</p> <p>10 Q It would be secured by Trump Tower? The Trump</p> <p>11 Organization's assets at Trump Tower, correct?</p> <p>12 A The asset -- when you say Trump Tower, are you</p> <p>13 referring to the commercial side, not the residential side?</p> <p>14 Q Either.</p> <p>15 A The residential side would not be part of the</p> <p>16 collateral, no.</p> <p>17 Q It would only be the commercial side?</p> <p>18 A Correct.</p> <p>19 Q But in order to make a determination, Ladder Capital</p> <p>20 wanted information, due diligence as they say the parlance,</p> <p>21 correct?</p> <p>22 A They wanted that information to understand the</p> <p>23 deprivation of how the residential and commercial sides of the</p> <p>24 building operated.</p> <p>25 MR. SOLOMON: Let's pull up -- withdrawn. The</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 806</p> <p>1 office all the time, what would I do with them, I have no need</p> <p>2 for them. Does that sound about right?</p> <p>3 A Meaning they were already in the office.</p> <p>4 Q Right.</p> <p>5 A I wouldn't need to get them a second time. They were</p> <p>6 already there.</p> <p>7 Q Let's look at one of the documents attached to this,</p> <p>8 shall we, one of the documents you said you didn't need.</p> <p>9 A Because -- again, because they were already in our</p> <p>10 office.</p> <p>11 THE COURT: Off the record for a moment.</p> <p>12 (Whereupon, a discussion was held off the record.)</p> <p>13 Q Mr. Weisselberg, let's assume that your prior testimony</p> <p>14 under oath, your testimony today here was accurate that you had</p> <p>15 these attachments in your office, okay. Let's look at one</p> <p>16 specifically. It is also one that you were shown in your prior</p> <p>17 testimony. Page 13 of the exhibit, please. This document is</p> <p>18 titled "First Amendment to the Declaration of Trump Tower</p> <p>19 Condominium". Do you see that?</p> <p>20 A Yes.</p> <p>21 Q That's a document you had in your office, right?</p> <p>22 A Not in my office, in the office generally.</p> <p>23 Q You had access to it, though, if you wanted it?</p> <p>24 A If I needed to go to it for some purpose, I would do</p> <p>25 that.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 807</p> <p>1 Q Do you see there is a stamp on the top right, Reel 2159</p> <p>2 PG333. Do you see that?</p> <p>3 A Yes.</p> <p>4 Q You've been in New York you told us for approximately</p> <p>5 50 years. Do you know what that stamp means?</p> <p>6 A That it has been recorded someplace.</p> <p>7 Q Right. Reel and page, does that sound familiar, sir?</p> <p>8 A I don't know what this really means.</p> <p>9 Q But you understand that it is being recorded someplace?</p> <p>10 A Yes.</p> <p>11 Q And that it is publicly available, right?</p> <p>12 A Okay.</p> <p>13 Q We established this was in the Trump Organization's</p> <p>14 offices and it was publicly available.</p> <p>15 MR. SOLOMON: Scroll down, please.</p> <p>16 Q Under "unit designation," see that on the left?</p> <p>17 A Yes.</p> <p>18 Q Unit designation. Then there is tax number. Do you</p> <p>19 see that?</p> <p>20 A Yes.</p> <p>21 Q And then there is a column "approx" for the approximate</p> <p>22 area in square feet. Do you see that?</p> <p>23 A Yes.</p> <p>24 Q 10,996.39, do you see that, sir?</p> <p>25 A Correct.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 809</p> <p>1 A Donald J. Trump.</p> <p>2 Q That was executed in or about October of 1994, correct?</p> <p>3 A Right.</p> <p>4 Q So as far as back as October 1, 1994, Mr. Trump</p> <p>5 executed a consent to the first amendment to the declaration of</p> <p>6 the condominium that reflected the triplex was 10996.39 square</p> <p>7 feet, correct?</p> <p>8 A Correct.</p> <p>9 Q Notwithstanding the fact that this goes back to 1994,</p> <p>10 you are aware, sir, that in 2012, 2013, 2014, the triplex is</p> <p>11 identified as 30,000 square feet on the Statements of Financial</p> <p>12 Condition, right?</p> <p>13 A No. That's where I was trying to explain before.</p> <p>14 These -- the triplex was part of the other assets of Mr.</p> <p>15 Trump's including other things that he owned, airplane,</p> <p>16 whatever, and they were all lumped together in one number. I</p> <p>17 never focused on that number when renewing Mr. McConney's draft</p> <p>18 or the Mazars draft of the financial statement. I wasn't aware</p> <p>19 at that time of the -- I didn't go through the details of that</p> <p>20 apartment. I was looking at -- what I was looking at is</p> <p>21 Statement of Financial Condition. There were much, much larger</p> <p>22 items on there that I was more concerned about, things like</p> <p>23 commercial buildings or golf courses and things of that nature</p> <p>24 that I was focused on.</p> <p>25 The apartment itself, relatively speaking when you look</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 808</p> <p>1 Q And that happens to be the exact number of the square</p> <p>2 footage of Mr. Trump's triplex, right?</p> <p>3 A Okay. Well, based on what you're showing me, yes.</p> <p>4 Q So in the document you testified had been "in the</p> <p>5 office all the time," since at least prior to February 2012,</p> <p>6 right?</p> <p>7 A Yes.</p> <p>8 Q The square footage is disclosed as 10996.39 square</p> <p>9 feet?</p> <p>10 A Yes.</p> <p>11 Q It is your testimony -- withdrawn.</p> <p>12 MR. SOLOMON: Can we go to page 15 of the exhibit.</p> <p>13 That's the first amendment. Scroll down, please. Okay.</p> <p>14 Right there.</p> <p>15 Q Do you see that this was executed October 11, 1994 by</p> <p>16 the residential board of Trump Tower Condominium, right?</p> <p>17 A Correct.</p> <p>18 Q Let's look at the consent now, the 20th page of this</p> <p>19 exhibit.</p> <p>20 MR. SOLOMON: Scroll down.</p> <p>21 Q There is a consent to the first declaration. Do you</p> <p>22 see that document in front of you, sir? You can take a look at</p> <p>23 the 20th page of the exhibit.</p> <p>24 A Yes.</p> <p>25 Q Do you recognize the signature?</p>	<p>Page 810</p> <p>1 at the value of that apartment relative to his net worth is</p> <p>2 non-material. It is not a material adverse type change. The</p> <p>3 number of 200 million or whatever difference may have been in</p> <p>4 dollars, that in and itself is a large number; but when you</p> <p>5 compare it to the net worth of the statement itself, 6 billion,</p> <p>6 it is less than one percent or about one percent.</p> <p>7 We were always taught -- our accounting firm always</p> <p>8 told us if it is less than five percent, five percent or less,</p> <p>9 that's considered non-material. So I didn't have a reason to</p> <p>10 focus on this apartment at that time.</p> <p>11 (Continued on the next page.)</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 811</p> <p>1 EXAMINATION BY</p> <p>2 MR. SOLOMON:</p> <p>3 Q There was several parts to that answer, sir.</p> <p>4 Respectfully, I don't think any of them answered my question,</p> <p>5 which was the Statements of Financial Condition contained</p> <p>6 inaccurate square footage for the triplex in 2012, 2013, 2014</p> <p>7 and 2015; right? I'm not asking if you knew it. I'm not asking</p> <p>8 what you did to confirm it. Yes or no, was it inaccurate in</p> <p>9 those years?</p> <p>10 A I'll say it again. Without seeing -- without being</p> <p>11 argumentative, without seeing the work papers as part of our</p> <p>12 assets, I won't say yes or no. If you'd like to show me the</p> <p>13 work papers of Mr. McConney, I'll be happy to respond.</p> <p>14 Q Okay. We will get to the work papers later in the</p> <p>15 testimony and we will go back over those, but in your answer you</p> <p>16 gave a couple of points to be made.</p> <p>17 Anything -- according to what you understood, anything</p> <p>18 less than five percent wasn't material?</p> <p>19 A According to our accounting firms that we spoke with,</p> <p>20 they always felt that five percent was the number that we can</p> <p>21 use -- that should be utilized to determine materiality.</p> <p>22 Q And is it fair to say anything over five percent would</p> <p>23 be material?</p> <p>24 A I would think so.</p> <p>25 Q You mentioned the apartment was one percent on a</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 813</p> <p>1 Q Okay. Do you recognize the series of e-mail chain that</p> <p>2 you had with Luisa Kroll in or about August and September of --</p> <p>3 A I recall it vaguely. If I see it, yes.</p> <p>4 Q And that's your e-mail address at the Trump</p> <p>5 Organization?</p> <p>6 A I'm sorry?</p> <p>7 Q That's your e-mail address at the Trump Organization?</p> <p>8 A Yes.</p> <p>9 MR. SOLOMON: We move this into evidence.</p> <p>10 THE COURT: Granted. It's in evidence.</p> <p>11 Q Let's turn to page four of eight of the exhibit, Issue</p> <p>12 Number 6. Do you see Ms. Kroll is raising a question about who</p> <p>13 actually owns certain units at Trump Tower? Do you see that?</p> <p>14 A I do.</p> <p>15 Q Sir, did you do anything in response to Ms. Kroll's</p> <p>16 question or Issue Number Six?</p> <p>17 A I don't recall.</p> <p>18 Q Did you contact in-house counsel at the Trump</p> <p>19 Organization?</p> <p>20 A I don't recall.</p> <p>21 Q Did you direct anyone to look into this issue?</p> <p>22 A I think at this point in time I don't recall.</p> <p>23 Q If you scroll up on the e-mail chain you'll see that</p> <p>24 you did respond to certain other issues; right?</p> <p>25 Sir, you can look at the document in front of you?</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 812</p> <p>1 \$6 billion net worth?</p> <p>2 A In the year that we made the change.</p> <p>3 Q Are you saying one percent was the change or one</p> <p>4 percent was the value of the apartment?</p> <p>5 A Change.</p> <p>6 Q Do you recall what the change was?</p> <p>7 A I don't recall.</p> <p>8 Q We'll get to that when we get to the SOFCs and the</p> <p>9 backup data.</p> <p>10 Do you recall in August and September of 2016 a</p> <p>11 reporter from Forbes reached out to you directly for comment</p> <p>12 about Mr. Trump's net worth?</p> <p>13 A I don't recall.</p> <p>14 Q Let's mark PX -- withdrawn.</p> <p>15 MR. SOLOMON: Before I do that, Your Honor, we move</p> <p>16 PX 0063 into evidence.</p> <p>17 THE COURT: Granted. It's in evidence.</p> <p>18 MR. SOLOMON: Can we please mark PX 1280 for</p> <p>19 identification?</p> <p>20 Q Please take a moment, sir. These are a number of</p> <p>21 e-mails with Luisa Kroll, who appears to be at Forbes.</p> <p>22 And as you note in the e-mails the last page is the</p> <p>23 oldest e-mail and it works its way more recent. You may want to</p> <p>24 look at it in that direction.</p> <p>25 A Okay.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 814</p> <p>1 Do you see she responds "thanks for getting back to</p> <p>2 me?"</p> <p>3 A Yes, I do recall I may have asked her about -- it may</p> <p>4 have been a million things. At one point she was discussing --</p> <p>5 I don't recall. I don't recall what it was specifically that I</p> <p>6 got back to her with.</p> <p>7 Q But you got back to her on other issues?</p> <p>8 A On some things. I don't know what they were again.</p> <p>9 Q So someone from Forbes reaches out to you, questions</p> <p>10 whether your boss, Donald J. Trump, actually owns the units in</p> <p>11 the condo he claims to own and it's your testimony you don't</p> <p>12 remember what, if anything, you did?</p> <p>13 A At this point in time I don't recall.</p> <p>14 Q Do you recall in February 2017 another reporter from</p> <p>15 Forbes reaching out to you directly for comment about</p> <p>16 Mr. Trump's net worth?</p> <p>17 A Reporters from Forbes contacted us every year in doing</p> <p>18 their list. It reached a point in time where we would -- when I</p> <p>19 say "we," I'm talking about myself, at one point and then Jeff</p> <p>20 McConney would take it over and then when Patrick Birney, he</p> <p>21 took it over and they would have a list of all of our assets and</p> <p>22 the value they placed on him and we spent inordinate amount of</p> <p>23 time going back and forth with them and it got to a point in</p> <p>24 time where Forbes would listen and never make any changes. They</p> <p>25 would periodically early on. Then that stopped and at this</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 815</p> <p>1 point I stopped talking to them. I felt it was no need to</p> <p>2 because no matter what we told them and showed them evidence of</p> <p>3 things they would just ignore it and I just stopped speaking</p> <p>4 with them.</p> <p>5 MR. SOLOMON: Let's mark PX 1324 for</p> <p>6 identification, please.</p> <p>7 Q Sir, does this appear to be an e-mail from Dan</p> <p>8 Alexander at Forbes to you and Jeff McConney at the Trump</p> <p>9 Organization from February 2017?</p> <p>10 A Yes.</p> <p>11 MR. SOLOMON: We offer PX 1324 in evidence.</p> <p>12 THE COURT: Granted. It's in evidence.</p> <p>13 Q Sir, if you look at the second page of this e-mail,</p> <p>14 Number 11?</p> <p>15 A Yes.</p> <p>16 Q Trump Tower penthouse. That's the triplex; right?</p> <p>17 A Yes.</p> <p>18 Q And this reporter from Forbes in February of 2017 is</p> <p>19 telling you he believes it's only 10,996 square feet; right?</p> <p>20 A It was in his e-mail. This e-mail was probably dealt</p> <p>21 with by Jeff McConney, but I wouldn't speak to Forbes at that</p> <p>22 point, so, yes, I do see the reference to the 10,996.</p> <p>23 Q And you're a recipient of this e-mail; correct?</p> <p>24 A Correct.</p> <p>25 Q Did you reach out to Mr. Alexander to tell him the</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 817</p> <p>1 direct the witness, as I do with many witnesses, if there is</p> <p>2 a yes-or-no question and you can answer it yes or no, answer</p> <p>3 it yes or no; if you can't, you can try to explain why not.</p> <p>4 You can say "I can" and we'll ask you why not -- the</p> <p>5 attorney may ask you why not.</p> <p>6 I think there was so much back and forth there that</p> <p>7 it was hard to know. So why don't we do it from scratch</p> <p>8 right now. You can just ask that one question and if you</p> <p>9 can answer yes or no, listen carefully, answer it yes or no.</p> <p>10 Q As you sit here today, you don't recall if you did</p> <p>11 anything or directed anyone to do anything in connection with</p> <p>12 correcting Forbes as to the square footage of the apartment in</p> <p>13 or about February of 2017; is that correct?</p> <p>14 A What I did -- are you looking for a yes-or-no answer?</p> <p>15 THE COURT: Yes.</p> <p>16 Q Sir, either you recall or you don't.</p> <p>17 A I don't recall.</p> <p>18 Q Okay. Sir, is that because by this time, February of</p> <p>19 2017, you knew the triplex was only 10,996 square feet?</p> <p>20 A I don't recall that. I never focused on the triplex,</p> <p>21 to be honest with you. As I said before, my testimony -- I look</p> <p>22 at the bigger numbers on Jeff's spreadsheets -- Jeff McConney's</p> <p>23 spreadsheets. I won't focused on Donald's triplex at that time</p> <p>24 or -- it was part of other assets. It was almost de minimis</p> <p>25 relative to his net worth, so I didn't really focus on it.</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 816</p> <p>1 10,996 square foot number was inaccurate?</p> <p>2 A As I indicated before I stopped speaking with the folks</p> <p>3 from Forbes.</p> <p>4 Q Did you direct Jeff McConney to reach out to Forbes and</p> <p>5 tell them their number was inaccurate?</p> <p>6 A I don't recall.</p> <p>7 Q Do you know if Mr. McConney ever reached out to Forbes</p> <p>8 to tell them their number was inaccurate?</p> <p>9 A I don't know.</p> <p>10 Q So although you believed, sir, that Forbes was wrong on</p> <p>11 an objective fact in connection with Mr. Trump's net worth;</p> <p>12 namely, the square footage of his triplex, you don't recall if</p> <p>13 you did anything to confirm who was right?</p> <p>14 A As I said before --</p> <p>15 Q It's a yes-or-no question, sir. You don't recall if</p> <p>16 you did anything to confirm who was right?</p> <p>17 A I didn't personally.</p> <p>18 Q And you don't recall if you directed him not to;</p> <p>19 correct?</p> <p>20 A I don't recall. I may have. I don't recall.</p> <p>21 Q As you sit here today, you have no idea if you did</p> <p>22 anything or directed anyone; right?</p> <p>23 MS. HABBA: Objection. Asked and answered. Please</p> <p>24 move on.</p> <p>25 THE COURT: Well, I'm going to tell the witness --</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 818</p> <p>1 Q My question wasn't whether you focused on it, my</p> <p>2 question wasn't whether it was relevant size-wise to anything</p> <p>3 else. My question was very simple: Did you fail to respond to</p> <p>4 Forbes in February of 2017 because by that point in time you</p> <p>5 knew the triplex was only 10,996 square feet; yes or no?</p> <p>6 A I did not respond to Forbes. Jeff McConney was --</p> <p>7 MS. HABBA: Your Honor, I'm sorry. I'm going to</p> <p>8 object again. Asked and answered with a yes or no.</p> <p>9 MR. SOLOMON: Your Honor, with all due respect,</p> <p>10 this witness has not answered that question. The reason why</p> <p>11 -- I'm not asking what he did or didn't do at this point.</p> <p>12 I'm asking the reason why was whether or not it was because</p> <p>13 he knew at that point in time. It's a simple yes or no.</p> <p>14 THE COURT: Yes or no? You either know or you</p> <p>15 didn't know; right? Is that --</p> <p>16 MR. SOLOMON: Right.</p> <p>17 A I don't remember. I don't remember it back in 2017</p> <p>18 what took place. I did not respond to this.</p> <p>19 MS. HABBA: Your Honor, he doesn't remember. We</p> <p>20 can't force him to do yes or no. I think that's clear. Can</p> <p>21 we just move on? He's made the same answer, the same</p> <p>22 question asked seven different ways. He doesn't remember.</p> <p>23 THE COURT: Counselor, can we --</p> <p>24 MR. SOLOMON: Your Honor, I'll move on, but I'll</p> <p>25 just note for the record they are different questions. One</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 819</p> <p>1 is what he did, what he directed someone to do and why.  2 Those are all different questions, respectfully, but I will  3 move on.  4 THE COURT: Before you do, there was a famous --  5 semi-famous Colombian philosopher named Sidney Morgenbesser.  6 One day a student asked him, "Professor Morgenbesser, can a  7 statement be true and false at the same time?" And his  8 answer was "yes and no." Let's move on.  9 Q Sir, with respect to the communications from Forbes  10 that we were just looking at in 2016, 2017, did you ever go back  11 and check the first amendment to the condo dec that was in your  12 offices?  13 A I never did, no.  14 Q Did it ever cross your mind to do that?  15 A No.  16 Q Did you ever discuss that with anyone?  17 A Again, again --  18 THE COURT: Did you ever discuss it with him? That  19 should be a yes or no.  20 THE WITNESS: No.  21 MR. SOLOMON: Can we please look at PX 1345 for  22 identification?  23 Q 1345 is an e-mail chain. Do you see that?  24 A I do.  25 Q And if you'll see the latest was from Amanda Miller to</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 821</p> <p>1 A Yes.  2 Q And he asks if that is accurate and up to date.  3 Do you see that?  4 A Yes.  5 Q And he tells you -- he tells the Trump Organization --  6 excuse me -- in this e-mail that it shows President Trump's  7 apartment is 10,996.39 square feet, that same number we saw  8 earlier in the dec; right?  9 A Correct.  10 Q Did there come a time that you had a conversation with  11 Amanda Miller about how to respond to the report from Forbes?  12 A I -- no. I think at that point I may have had a brief  13 conversation regarding Trump Tower as a commercial which he  14 reiterated to me she asked about Trump World Tower and Trump  15 Tower. I was working at Trump Tower in a commercial part of the  16 building which is a big asset that we focussed on and Trump  17 World Tower we only had one apartment that we owned in that  18 building at that point and I think a small shopping area and a  19 garage, so there was nothing really for me to even discuss with  20 her. I said just leave it alone then. Trump Tower is fine and  21 Trump World Tower is fine. I wasn't focused on this e-mail  22 behind it. I'm not even sure I remember seeing it, to be  23 honest.  24 Q So, sir, just so I understand, is it your testimony  25 that you recall having a conversation with Amanda Miller about</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 820</p> <p>1 Alan Gartner, A-l-a-n, at the Trump Org and Matthew Hilson at  2 the Trump Org. Do you see that?  3 A Yes, I do.  4 Q Who is Ms. Miller?  5 A She worked in our office dealing with press inquiries,  6 things of that nature.  7 Q If you take a look and go further down the chain from  8 the beginning of the third page of this exhibit, Mr. Kirsch  9 identifies himself as a reporter from Forbes. Do you see that?  10 A Yes.  11 Q And then if you go further up, Mr. Hirsch has certain  12 questions?  13 A Yes.  14 Q And on page four, one of those questions again relates  15 to the Trump Tower penthouse; right, page four?  16 A Yes, I see it.  17 Q And now he specifically refers to the "1994 Amended  18 Condo Declaration." Do you see that?  19 A Yes.  20 Q Dated October 11, 1994.  21 Do you see that third line of number one?  22 A Yes. You're referring to a portions of --  23 Q Sure. Trump Tower penthouse. Do you see that, sir?  24 A Yes.  25 Q Second to third line, "October 11, 1994?"</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 822</p> <p>1 Trump Tower?  2 A Trump Tower -- again, looking at it from the commercial  3 side of it --  4 THE COURT: Again, it's a yes-or-no question.  5 Did you have a discussion with --  6 THE WITNESS: Yes.  7 THE COURT: Okay.  8 Q And is it your testimony that in that discussion the  9 issue of your boss's apartment never came up?  10 A With Amanda Miller, I don't recall that -- discussing  11 that with her. I don't recall.  12 Q And you don't recall whether you told her, Amanda  13 Miller, to leave it alone with respect to the size of the  14 apartment?  15 A Again, I -- when I talked to Amanda Miller, my thinking  16 of Trump Tower was always about the commercial side of the  17 building. I never focused on the apartment Mr. Trump owned,  18 even though it was on the list of many other things, including  19 Puerto Rico and Toronto and Panama. There are many, many pages  20 here. As I said before, we began -- we sort of stopped dealing  21 with Forbes, so I wasn't going to read the entire e-mail.  22 Q Well, you actually didn't stop dealing with Forbes at  23 that point in time because you spoke to Amanda Miller about it  24 before I said it; right?  25 A I didn't get the request. Amanda Miller got the</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 823</p> <p>1 request.</p> <p>2 Q So you were in fact responding to Amanda Miller about</p> <p>3 Forbes; right?</p> <p>4 A About Forbes and about Trump Tower. Again, I --</p> <p>5 Q Okay. And Trump Tower is one of the items the reporter</p> <p>6 rates; right?</p> <p>7 A Correct.</p> <p>8 Q Specifically Trump Tower penthouse, that's the -- that</p> <p>9 is text across the top; right?</p> <p>10 A That's what the text is.</p> <p>11 Q Right. And then this reporter lists ten different</p> <p>12 questions about Trump Tower; right?</p> <p>13 A Yes.</p> <p>14 Q And you don't recall whether you bothered talking to</p> <p>15 Amanda Miller about a response because you only focused on the</p> <p>16 commercial portion of Trump Tower; is that right?</p> <p>17 A Commercial portion and I didn't correlate the square</p> <p>18 footage of Donald's apartment. I never focused on it. It was</p> <p>19 always in my mind a de minimis asset of the overall of Donald J.</p> <p>20 Trump's Statement of Financial Condition. That was never a</p> <p>21 concern of mine. I never even thought about the apartment. It</p> <p>22 was de minimis in my mind.</p> <p>23 Q Didn't you certify to Mazars every year that the</p> <p>24 information that the Trump Organization provided to them for</p> <p>25 every year between 2011 and 2020, that the information of the</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 825</p> <p>1 Q But then the information from this was given to Mazars;</p> <p>2 right?</p> <p>3 A Yes.</p> <p>4 Q And you reviewed it before it went to Mazars; right?</p> <p>5 A No, I did not review every line of 3,300 pages of</p> <p>6 supporting documentation.</p> <p>7 Q Did you review the totals that were given to Mazars</p> <p>8 with respect to the assets?</p> <p>9 A I reviewed the totals, for example, of all the other</p> <p>10 assets. I may have. I did not review individual line items</p> <p>11 that comprised that. So there could have been situations where</p> <p>12 some assets went up or some assets went down and the net effect</p> <p>13 of all that could have been an up or down in the total of other</p> <p>14 assets. So I did not look -- as you can see from the document</p> <p>15 there are many lines here in probably the last item shown on the</p> <p>16 Statement of Financial Condition -- probably the last item. I</p> <p>17 don't recall from memory. And it was not something that was</p> <p>18 that important to me in looking at a \$6 billion or \$5 billion</p> <p>19 net worth when I see 327 -- again, not a small number, I</p> <p>20 understand that, but again, using the de minimis and --</p> <p>21 Q Let's do your de minimis test, shall we?</p> <p>22 6 billion. Let's assume 6 billion, that's the number.</p> <p>23 What's five percent of that?</p> <p>24 A 6 billion?</p> <p>25 Q Yes.</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 824</p> <p>1 Trump Organization provided to them was fairly presented? It's</p> <p>2 a yes or no.</p> <p>3 A Yes.</p> <p>4 Q And that it was accurate?</p> <p>5 A Yes.</p> <p>6 Q And that the Trump Organization was responsible for the</p> <p>7 information it provided to Mazars that went into the</p> <p>8 compilation; right?</p> <p>9 A Yes.</p> <p>10 Q Every year?</p> <p>11 A Yes, without seeing all the -- without seeing all the</p> <p>12 engagement letters and so on, yes.</p> <p>13 MR. SOLOMON: Can we pull up the Jeff Supporting</p> <p>14 Data for the 2016 SOFC? I believe that's PX 0742. It's</p> <p>15 already in evidence, Your Honor.</p> <p>16 And Your Honor, we would move PX 1345 in evidence.</p> <p>17 THE COURT: Granted. It's in evidence.</p> <p>18 Q Sir, we've put up the Jeff Supporting. That's been</p> <p>19 identified previously, the JSD, Jeff Supporting Data, the 2016</p> <p>20 Statement of Financial Condition.</p> <p>21 Is this what you were referring to earlier when you</p> <p>22 said Jeff McConney took care of all the backup information?</p> <p>23 A Right.</p> <p>24 Q It's your understanding Mr. McConney prepared this?</p> <p>25 A Yes.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 826</p> <p>1 A 300 million.</p> <p>2 Q How much?</p> <p>3 A Excuse me. That's the full value and that's the</p> <p>4 difference between --</p> <p>5 Q I understand, sir.</p> <p>6 A -- the 11,000 square feet and the 30,000.</p> <p>7 Q My question was different, though.</p> <p>8 This asset comprises -- you just did the math,</p> <p>9 \$6 billion. 300 million is five percent. This asset is</p> <p>10 identified on line 913 as \$327 million; right?</p> <p>11 A But that wasn't the question you asked earlier. You</p> <p>12 asked about --</p> <p>13 Q I'm asking that question now.</p> <p>14 A The question you asked earlier was 30,000 square feet</p> <p>15 versus 11,000 square feet and that differential times the</p> <p>16 developer square foot is the number that we looked at as being</p> <p>17 below the five percent.</p> <p>18 Q I understand.</p> <p>19 A Okay.</p> <p>20 Q This number, however, isn't below the five percent, is</p> <p>21 it, 327 million? It's simple math. You just told me 300</p> <p>22 million is five percent --</p> <p>23 A I don't have the exact number of 6 billion, six billion</p> <p>24 nine or six billion eight. I don't know if that worked out to</p> <p>25 five percent.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 827</p> <p>1 Q That wasn't the number you gave me earlier, sir. You 2 said 6 billion.</p> <p>3 A I used a round number without having to -- 4 MS. HABBA: Your Honor -- 5 THE COURT: Overruled.</p> <p>6 Q Can we agree that if it's 6 billion, 327 million is 7 more than five percent? It's a yes-or-no question. Can we 8 agree? It's math.</p> <p>9 A I cannot agree to anything. I'd have to see the actual 10 Statements of Financial Condition and see if it's five percent 11 or not.</p> <p>12 Q That wasn't my question.</p> <p>13 THE COURT: You're not answering his question. You 14 are -- I won't try to categorize it, but it's a simple 15 question. Is 327 million more than five percent of 6 16 billion; right? Is that the question?</p> <p>17 MR. SOLOMON: Yes, Your Honor.</p> <p>18 THE WITNESS: Your Honor, that's a simple answer.</p> <p>19 THE COURT: Then give us the answer.</p> <p>20 A The answer to that is yes.</p> <p>21 Q Thank you, sir.</p> <p>22 You had to sign a management representation letter for 23 Mazars each year before they would issue the SOFC; right?</p> <p>24 A You mean a representation letter?</p> <p>25 Q Is that how you refer to it, a rep letter?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 829</p> <p>1 change to the numbers of Mr. Trump's financial statement. I 2 never correlated the letter, the rep letter, to the Forbes. We 3 were looking into it, who wanted to go back and check to see 4 whether or not the actual number was correct.</p> <p>5 So I had the young lady in my office go back and check 6 all the offering plan. We didn't do it immediately. It wasn't 7 that vital, that large of a number, the difference between the 8 10,996 and 30,000. So we gave it sometime to go back and check 9 it. This was a day or two later or four days later. We may 10 have done it a week later or seven days later or eight days 11 later. We didn't jump on it immediately.</p> <p>12 THE COURT: Can you read back the question? 13 (Whereupon, the requested portion of the 14 proceedings was read back by the court reporter.)</p> <p>15 THE COURT: So the question is whether you signed 16 the letter. Mr. Weisselberg, we all have our own -- 17 Mr. Solomon's role is to ask questions; your role is to 18 answer the questions, not to give speeches or explanations.</p> <p>19 THE WITNESS: Okay.</p> <p>20 THE COURT: Your -- there are other people here who 21 might be able to delve into that deeper, but, please, just 22 answer the questions.</p> <p>23 Did you sign this?</p> <p>24 THE WITNESS: Yes.</p> <p>25 THE COURT: Thank you.</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 828</p> <p>1 A Yes.</p> <p>2 Q Okay. We'll use your terminology.</p> <p>3 Did you sign to your recollection a rep letter for the 4 2016 SOFC?</p> <p>5 A I don't recall.</p> <p>6 Q We'll pull it up and take a look at it.</p> <p>7 MR. SOLOMON: Let me look at, please, PX 00754, 8 which I believe is already in evidence Your, Honor.</p> <p>9 I'm sorry. That's the wrong document. I'm sorry, 10 sir. I had the wrong number. I couldn't read my own 11 handwriting.</p> <p>12 Q We put up PX 741, a letter on Trump Organization 13 letterhead, dated March 10, 2017 to Mazars. Do you see that?</p> <p>14 A Yes.</p> <p>15 Q Go to the last page. Is that your signature?</p> <p>16 A Yes.</p> <p>17 Q Do you recall the communications with Ms. Miller were 18 in early March 2017, March 6, 2017; right?</p> <p>19 A Yes, I think that was the date, yes.</p> <p>20 Q Okay. Four days after the issue of the size of the 21 penthouse was brought to the attention of the Trump Organization 22 and there was a response from Ms. Miller that Allen W., 23 referring to you, said "leave it alone."</p> <p>24 You signed this rep letter; right?</p> <p>25 A We never correlated that as being a major or a material</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 830</p> <p>1 Q Now, as we saw on the Jeff Supporting Data, the 2 penthouse was still being listed at 30,000 square feet; right?</p> <p>3 The Excel spreadsheet we just saw?</p> <p>4 A Yes.</p> <p>5 Q As it turns out we know that Forbes was actually right 6 about the square footage; right?</p> <p>7 A Correct.</p> <p>8 Q You didn't do anything to check who was right -- to 9 check who was right before providing a rep letter, did you?</p> <p>10 A I did not. What typically would happen is rep letters 11 -- well, if you -- these would go to Jeff McConney. He'd review 12 them for me, bring it into my office and ask me to sign it, then 13 I would sign it.</p> <p>14 THE COURT: I forgot to bring up. My role is to 15 make sure that the questions are proper and the answers 16 answer the question. You did not answer the question.</p> <p>17 THE WITNESS: Okay.</p> <p>18 THE COURT: And please don't make speeches. Just 19 answer the question.</p> <p>20 THE WITNESS: Okay.</p> <p>21 THE COURT: Mr. Solomon, do you want a read back, 22 do you want to ask it again?</p> <p>23 Q You didn't do anything to check who was accurate, the 24 Trump Organization or Forbes, before signing the rep letter; 25 right?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 831</p> <p>1 A Correct.</p> <p>2 Q As it turned out Forbes was right. The triplex is only</p> <p>3 10,996 square feet; right?</p> <p>4 A That's correct.</p> <p>5 Q Number 14, sir.</p> <p>6 "No events have occurred subsequent to the date of the</p> <p>7 Statement of Financial Condition and through the date of this</p> <p>8 letter that would require adjustments to or disclosure in the</p> <p>9 personal financial statement."</p> <p>10 The date of the statement is June 30, 2016; right?</p> <p>11 A The statement.</p> <p>12 Q The date of the Statements of Financial Condition is</p> <p>13 June 30, 2016; right?</p> <p>14 A Correct.</p> <p>15 Q Subsequent to that we've seen in September of '16</p> <p>16 Forbes raised questions about the triplex; right? We have seen</p> <p>17 in March of 2017 four days before you signed this there are</p> <p>18 questions about the size of the penthouse, the triplex; right?</p> <p>19 A Correct.</p> <p>20 Q Yet you were comfortable certifying that nothing</p> <p>21 occurred subsequent to the date of the statement that would</p> <p>22 require adjustment; right? It's a yes-or-no question, sir.</p> <p>23 You were comfortable certifying that to Mazars to</p> <p>24 induce them to issue the SOFC; right?</p> <p>25 A Yes.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 833</p> <p>1 Q Now, sir, did there come a time that the two sides of</p> <p>2 the penthouse became a very public matter?</p> <p>3 A Public matter? Can you -- can you just --</p> <p>4 Q Sure. Do you recall in May of 2017 Forbes published an</p> <p>5 article that Mr. Trump had been misrepresenting the size of his</p> <p>6 triplex?</p> <p>7 A I think, yes. And I think that's when we began to do</p> <p>8 our investigation as to, you know, what the number really was at</p> <p>9 that point.</p> <p>10 Q Okay. So you didn't do it when the issue was raised --</p> <p>11 THE COURT: Let's take our ten minutes break. See</p> <p>12 you back at 11:30 and hopefully the feed will be fixed.</p> <p>13 THE COURT OFFICER: Sir, step down.</p> <p>14 (Whereupon, a recess was taken.)</p> <p>15 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>16 session. Please be seated and come to order.</p> <p>17 THE COURT: Everything is fixed, so we can just get</p> <p>18 back to business.</p> <p>19 Please proceed, Counselor.</p> <p>20 Q Mr. Weisselberg, before the break, we were starting to</p> <p>21 talk about an article in Forbes Magazine from May of 2017. Do</p> <p>22 you recall that?</p> <p>23 A Yes.</p> <p>24 Q And in fact, the title of this article is "Donald Trump</p> <p>25 Has Been Lying About The Size Of His Penthouse." Do you recall</p>
<p>Page 832</p> <p>1 Whereupon, the proceedings continue on the</p> <p>2 following page....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 834</p> <p>1 that?</p> <p>2 A I recall it, yes.</p> <p>3 MR. SOLOMON: I would like to mark this as</p> <p>4 Plaintiff's Exhibit 1605 for identification.</p> <p>5 Q Do you recall the article, sir?</p> <p>6 A I never read the article, but I do recognize it.</p> <p>7 MR. SOLOMON: Your Honor, we offer this in evidence</p> <p>8 for notice, not necessarily for the truth of the matter as</p> <p>9 asserted therein.</p> <p>10 THE COURT: Granted. It is in evidence solely for</p> <p>11 notice, not for the truth of its contents.</p> <p>12 (Whereupon, the Document was marked in evidence as</p> <p>13 People's Exhibit 1605.)</p> <p>14 Q Mr. Weisselberg, it was only after this article was</p> <p>15 published and the information became public that the Trump</p> <p>16 Organization corrected the square footage for Mr. Trump's</p> <p>17 triplex, right?</p> <p>18 A That's correct.</p> <p>19 Q Let's turn to, sir, we were talking about the</p> <p>20 engagement letters and the rep letters earlier. Do you recall</p> <p>21 that?</p> <p>22 A Yes.</p> <p>23 MR. SOLOMON: If we could pull up PX 785 which I</p> <p>24 believe is in evidence already.</p> <p>25 Q Mr. Weisselberg, PX 785 has been put in front of you.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 835</p> <p>1 A I'm sorry.</p> <p>2 Q PX 785 has been put in front of you. Have you had a</p> <p>3 chance to look at that?</p> <p>4 A Okay.</p> <p>5 Q Is this an engagement letter from WeiserMazars to the</p> <p>6 Trump Organization?</p> <p>7 A Yes.</p> <p>8 Q Is that your signature on the fifth page of the</p> <p>9 document?</p> <p>10 A Yes.</p> <p>11 Q Is it your normal practice to only sign a document</p> <p>12 after you've read it, right?</p> <p>13 A I sign a document after others have read it and tell me</p> <p>14 it's okay to sign.</p> <p>15 Q So from time to time, you rely on others when you sign</p> <p>16 your name to a document binding the Trump Organization to</p> <p>17 certain commitments?</p> <p>18 A No, I rely upon Jeffrey McConney who has been through</p> <p>19 this before and when he tells me he's read it carefully and has</p> <p>20 gone through it and I sign it at that time.</p> <p>21 Q Would you have signed this if you didn't understand it?</p> <p>22 A If I didn't under -- probably not.</p> <p>23 Q So we can assume if you signed it, you understood what</p> <p>24 was in the document, right?</p> <p>25 A Yes.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 837</p> <p>1 Condition itself is prepared, but once that's done, can we</p> <p>2 please look at PX 786 which I believe is already in evidence.</p> <p>3 This is a letter dated October 6, 2011 from you to WeiserMazars,</p> <p>4 correct?</p> <p>5 A Yes.</p> <p>6 Q On the second page, that's your signature?</p> <p>7 A On the back, yeah.</p> <p>8 Q Is this what we were referring to -- you were</p> <p>9 referring to earlier as a rep letter or representation letter?</p> <p>10 A Yes.</p> <p>11 Q So by this letter, it is your understanding the Trump</p> <p>12 Organization was making certain representations to WeiserMazars,</p> <p>13 right?</p> <p>14 A Correct.</p> <p>15 Q Did you understand that WeiserMazars was relying on</p> <p>16 those representations in issuing the June 30, 2011 Statement of</p> <p>17 Financial Condition?</p> <p>18 A Yes.</p> <p>19 Q You also understood, sir, didn't you, that WeiserMazars</p> <p>20 would not have issued the June 30, 2011 Statement of Financial</p> <p>21 Condition without this rep letter, right?</p> <p>22 A Correct.</p> <p>23 Q Let's look at the substance of this. In the first two</p> <p>24 paragraphs, you use the word "we." You see that?</p> <p>25 A Yes.</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 836</p> <p>1 Q Let's turn to the terms of the document. Did you</p> <p>2 understand that pursuant to this agreement, WeiserMazars was</p> <p>3 going to provide a compilation of a Statement of Financial</p> <p>4 Condition of Donald J. Trump as of June 30, 2011?</p> <p>5 A Okay.</p> <p>6 Q Did you understand that?</p> <p>7 A Yes. Yes.</p> <p>8 Q If you look at the fifth paragraph on the first page,</p> <p>9 did you understand that this was describing certain of the</p> <p>10 differences between a compilation, an audit and a review?</p> <p>11 A Yes.</p> <p>12 Q You understood, sir, didn't you, that a compilation as</p> <p>13 compared to a review or an audit was the lowest level of</p> <p>14 independent confirmation by the outside accountants of the</p> <p>15 information provided by the Trump Organization, right?</p> <p>16 A That's correct.</p> <p>17 Q Do you know who made the decision to have only a</p> <p>18 compilation instead of a review or audit done for the 2011</p> <p>19 Statement of Financial Condition?</p> <p>20 A I don't.</p> <p>21 Q Do you know who made the decision to have only a</p> <p>22 compilation done for any of the statements of financial</p> <p>23 condition of Donald J. Trump instead of a review or an audit?</p> <p>24 A I don't.</p> <p>25 Q We'll come back later to how the Statement of Financial</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 838</p> <p>1 Q Do you intend by using "we" to refer to the Trump</p> <p>2 Organization?</p> <p>3 A Yes.</p> <p>4 Q If you look at the fourth paragraph down, the data</p> <p>5 presented in the statement was provided to you by members of Mr.</p> <p>6 Trump's accounting department. Is that an accurate statement?</p> <p>7 A Yes.</p> <p>8 Q And it goes on and you, referring to WeiserMazars, have</p> <p>9 compiled that information in an appropriate manner when</p> <p>10 preparing the statement. Was that an accurate statement?</p> <p>11 A Correct.</p> <p>12 Q Next paragraph continues, the statement referred to</p> <p>13 above is fairly presented in conformity with accounting</p> <p>14 principles generally accepted in the United States of America.</p> <p>15 Do you see that?</p> <p>16 A Yes.</p> <p>17 Q Is that reference to GAAP?</p> <p>18 A Yes.</p> <p>19 Q You told us earlier you were not familiar with the</p> <p>20 components of GAAP, didn't you?</p> <p>21 A Correct.</p> <p>22 Q Yet, you are comfortable making a representation to the</p> <p>23 accountant to induce them to issue the Statement of Financial</p> <p>24 Condition that the information complied with GAAP; is that</p> <p>25 right? It is a yes or no question, sir.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 839</p> <p>1 A There are some questions that are not black and white.</p> <p>2 Q Okay. Let's break it down then. You didn't know GAAP,</p> <p>3 right?</p> <p>4 A Correct.</p> <p>5 Q You represented that the Statement of Financial</p> <p>6 Condition, the statement was presented in conformity with GAAP,</p> <p>7 right, yes or no, your representation right here we just read?</p> <p>8 A Again, it requires an explanation; but if the answer is</p> <p>9 being forced to give a yes or no, I will be happy to do that.</p> <p>10 THE COURT: I don't think it requires an</p> <p>11 explanation.</p> <p>12 A We relied --</p> <p>13 Q What's in black and white in front of you, is that a</p> <p>14 representation that the statement referred to you is presented</p> <p>15 in conformity with GAAP; yes or no?</p> <p>16 A Yes.</p> <p>17 Q You didn't know GAAP. You made the representation and</p> <p>18 at that time you were comfortable making that representation to</p> <p>19 induce the accountants to issue the Statement of Financial</p> <p>20 Condition, right?</p> <p>21 A Yes.</p> <p>22 Q In fact, you did that for every year until you left the</p> <p>23 Trump Organization, right?</p> <p>24 A Yes.</p> <p>25 Q You continue on, all assets are presented at their</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 841</p> <p>1 Can we, please, pull up PX 2757.</p> <p>2 You mentioned you are familiar with the difference</p> <p>3 between -- well, was it your testimony that you understood</p> <p>4 there is a difference between personal and corporate financial</p> <p>5 statements?</p> <p>6 A Yes.</p> <p>7 Q If you take a look under "General 274-10-05," basis of</p> <p>8 presentation of personal financial statements, is that what you</p> <p>9 were referring to, sir?</p> <p>10 A There's more to it than just these two pages.</p> <p>11 Q Understood, but this is the section that covers it,</p> <p>12 right?</p> <p>13 A Yes.</p> <p>14 Q You will see that first sentence, "The primary focus of</p> <p>15 personal financial statements is a person's assets and</p> <p>16 liabilities and the primary user of personal financial</p> <p>17 statements normally consider estimated current value information</p> <p>18 to be more relevant for their decision than historical cost</p> <p>19 information." Do you see that?</p> <p>20 A Yes.</p> <p>21 Q Do you understand that there is a definition that is</p> <p>22 used for estimated current value and glossary?</p> <p>23 A I see it now, yes.</p> <p>24 Q No. No. This refers to estimated current value. My</p> <p>25 question is a little different. I apologize if it wasn't clear.</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 840</p> <p>1 estimated current values and all liabilities were presented at</p> <p>2 their estimated current amounts which have been determined in</p> <p>3 accordance with guidelines promulgated by the American Institute</p> <p>4 of Certified Public Accountants except to the extent noted in</p> <p>5 the accountant's compilation report which was annexed to the</p> <p>6 statement.</p> <p>7 You made that representation to Mazars as well, right?</p> <p>8 A The organization, yes.</p> <p>9 Q You on behalf of the organization?</p> <p>10 A Yes.</p> <p>11 Q You use the term "we"?</p> <p>12 A Yes.</p> <p>13 Q American Institute of Certified Public Accountants, you</p> <p>14 understand that's referred to as AICPA?</p> <p>15 A Yes.</p> <p>16 Q You heard that?</p> <p>17 A I heard that, yes.</p> <p>18 Q Are you aware if there are any publication, guideline</p> <p>19 or glossary that defines estimated current value?</p> <p>20 A I'm not aware of that. I do know there are differences</p> <p>21 between a GAAP statement for a personal -- one's personal</p> <p>22 financial statement versus a large corporation's statement.</p> <p>23 There are differences between the two on how to present it.</p> <p>24 Q So let's talk about the ASC 274-10 which relates to the</p> <p>25 personal financial statements.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 842</p> <p>1 Uses the term "estimated current value." Do you know what that</p> <p>2 term means?</p> <p>3 A No.</p> <p>4 Q Have you ever heard it referred to as "for an asset,</p> <p>5 the amount at which an item could be exchanged between a buyer</p> <p>6 and seller, each of whom is well-informed and willing and</p> <p>7 neither of whom is compelled to buy or sell"?</p> <p>8 A Okay.</p> <p>9 Q Are you familiar with that definition?</p> <p>10 A I am now that you mention it.</p> <p>11 Q Had you ever heard it before today?</p> <p>12 A I don't recall.</p> <p>13 Q Sir, you refer in your rep letter to estimated current</p> <p>14 value.</p> <p>15 A Okay.</p> <p>16 Q And you told me you knew there was a difference between</p> <p>17 personal financial statements and those for corporations, right?</p> <p>18 A Correct.</p> <p>19 Q Did you use a different definition for estimated</p> <p>20 current value in your representation letter?</p> <p>21 A I think -- I don't recall exactly what we thought at</p> <p>22 the time, but there are many, many ways of valuing assets that</p> <p>23 might fall under the category of estimated current value if</p> <p>24 that's your question.</p> <p>25 Q That wasn't my question, but --</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 843</p> <p>1 A If you would like to repeat it --</p> <p>2 Q Let's see if we can parse that down, though.</p> <p>3 You have estimated current value, right?</p> <p>4 A Correct.</p> <p>5 Q And it is your testimony that there are many ways to</p> <p>6 get to it. I can come at it from the left, the middle, the</p> <p>7 center, many different ways to get to it, right?</p> <p>8 A Correct.</p> <p>9 Q But at some point, I have to get to estimated current</p> <p>10 value, right?</p> <p>11 A Correct.</p> <p>12 Q And that's what you represented in the letter to Mazars</p> <p>13 to induce them to issue the Statement of Financial Condition was</p> <p>14 how you value the assets, correct?</p> <p>15 A Correct.</p> <p>16 Q And you don't know if you used the definition that I</p> <p>17 just read to you, right?</p> <p>18 A Correct.</p> <p>19 Q Did you, sir, in connection with the 2011 Statement of</p> <p>20 Financial Condition do any independent work to determine whether</p> <p>21 the values reflected for the assets were presented at their</p> <p>22 estimated current value except where noted?</p> <p>23 A Did you say did I?</p> <p>24 Q Did you?</p> <p>25 A No.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 845</p> <p>1 represented to Mazars --</p> <p>2 A Or third parties were utilized to get information that</p> <p>3 then our in-house folks would then take and prepare -- be able</p> <p>4 to arrive at a valuation.</p> <p>5 Q You told me a second ago that "I'm referring to the</p> <p>6 people at the Trump Organization." It is now larger?</p> <p>7 A It grows. It grows.</p> <p>8 Q At the Trump Organization, you relied on Mr. McConney,</p> <p>9 right?</p> <p>10 A That's correct.</p> <p>11 Q At some point in time, you relied on Mr. Birney?</p> <p>12 A That's correct.</p> <p>13 Q Did you rely on Eric Trump?</p> <p>14 A No.</p> <p>15 Q Not at all for any of the information contained in the</p> <p>16 Statements of Financial Condition?</p> <p>17 A Not me personally, no.</p> <p>18 Q Do you know if anyone else relied on him up the chain</p> <p>19 to give you information?</p> <p>20 A It's possible. I just don't recall.</p> <p>21 Q Donald J. Trump, Jr.?</p> <p>22 A I don't recall.</p> <p>23 Q Donald Trump?</p> <p>24 A Not that I can recall.</p> <p>25 Q Who do you recall beyond those people that I just</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 844</p> <p>1 Q So you made a representation to Mazars to induce them</p> <p>2 to issue the Statement of Financial Condition without doing any</p> <p>3 independent work, right?</p> <p>4 A Again, I relied on others to do that for me, but I did</p> <p>5 not personally.</p> <p>6 Q Do you still have that letter in front of you, sir?</p> <p>7 A No. Yes.</p> <p>8 Q The management rep letter, 786.</p> <p>9 A I have it.</p> <p>10 Q You have it in front of you?</p> <p>11 A Yes.</p> <p>12 Q Can you point out where in that letter you told Mazars</p> <p>13 that you were relying on others for your representation to that?</p> <p>14 A Where we say Trump Organization, that encompasses a</p> <p>15 group.</p> <p>16 Q So now you have the entirety of the Trump Organization</p> <p>17 doing the work --</p> <p>18 A Not the -- I'm sorry. You want to finish --</p> <p>19 Q Please.</p> <p>20 A I am not saying the entire organization including</p> <p>21 secretarial staff. I'm not saying the entire organization was</p> <p>22 involved in the preparation of these numbers, but there were</p> <p>23 people within the Trump Organization that were involved in</p> <p>24 getting those numbers.</p> <p>25 Q And you took the information they provided and then you</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 846</p> <p>1 identified that provided information either directly to you or</p> <p>2 up the chain that you used and relied upon in making the</p> <p>3 representation to Mazars?</p> <p>4 A So -- I think it might be a good idea to go through a</p> <p>5 little bit of the process of how we got to the Statement of</p> <p>6 Financial Condition.</p> <p>7 Q We'll get there later, but if you want to sort of give</p> <p>8 me highlights now, please feel free.</p> <p>9 A I think it might be helpful.</p> <p>10 Q Please.</p> <p>11 A So Jeffrey McConney used Patrick Birney to work with</p> <p>12 and then others in the accounting department would get pieces of</p> <p>13 or numbers that were necessary to go on to the statement, cash</p> <p>14 balances, mortgage balances. So others besides Patrick Birney,</p> <p>15 Jeffrey McConney would get those numbers for him. Once all that</p> <p>16 data was put together, then the work can first begin to assemble</p> <p>17 the statement. Hope that clarifies something. Does that</p> <p>18 clarify for you the process?</p> <p>19 Q I understand the process, sir. Thank you.</p> <p>20 A Okay.</p> <p>21 Q Let's assume for a moment that you've given all the</p> <p>22 information to WeiserMazars also known as Mazars at one point in</p> <p>23 time, just a name change, right?</p> <p>24 A Yes.</p> <p>25 Q Assume for the moment, say, 2016 we looked at a little</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 847</p> <p>1 earlier before the break.</p> <p>2 A Okay.</p> <p>3 Q That you had information in your files that</p> <p>4 contradicted information provided to Mazars in connection with</p> <p>5 compilation. I'm not asking whether you actually relied on that</p> <p>6 information, but assume you had it in your files. Can you do</p> <p>7 that?</p> <p>8 A I don't -- I didn't maintain files.</p> <p>9 Q The Trump Organization had it in its files.</p> <p>10 A Yes.</p> <p>11 Q Fair enough?</p> <p>12 A Yes.</p> <p>13 Q And again, I want to be clear, not whether you relied</p> <p>14 upon it, but it was in the files and it contradicted</p> <p>15 information. Say, for example, you had a first amendment to the</p> <p>16 condo dec that contradicted information that was provided to</p> <p>17 Mazars, okay.</p> <p>18 A Correct.</p> <p>19 Q Do you believe you were obligated to advise Mazars of</p> <p>20 the existence of this contradictory information?</p> <p>21 A As long as the people --</p> <p>22 Q It is a yes or no question, sir.</p> <p>23 A The answer is yes.</p> <p>24 MR. SOLOMON: Can we, please, pull up PX 740 which</p> <p>25 is in evidence.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 849</p> <p>1 responsibility of Mazars?</p> <p>2 A Yes.</p> <p>3 Q Turn to the second page at the bottom. There's a</p> <p>4 section beginning "your responsibilities." Do you see that?</p> <p>5 A I do.</p> <p>6 Q Did you understand that since this letter was addressed</p> <p>7 to the Trump Organization to be the Trump Organization's</p> <p>8 responsibilities?</p> <p>9 A Yes.</p> <p>10 Q The last sentence on that paragraph, "you have the</p> <p>11 following "and "you" being the Trump Organization, right?</p> <p>12 A Yes.</p> <p>13 Q "You have the following overall responsibilities that</p> <p>14 are fundamental to our undertaking the engagement in accordance</p> <p>15 with SSARS. Is that pronounced SSARS?</p> <p>16 A I don't know what that means.</p> <p>17 Q But you understand that used the word "fundamental;"</p> <p>18 here. Mazars used the word "fundamental" here. You understood</p> <p>19 the letter before you signed it. You told us you wouldn't sign</p> <p>20 a document you didn't understand.</p> <p>21 A Okay.</p> <p>22 Q Okay. So these are fundamental responsibilities of the</p> <p>23 Trump Organization. The first one, the selection of accounting</p> <p>24 principles generally accepted in the United States of America as</p> <p>25 the financial reporting framework to be applied in the</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 848</p> <p>1 Your Honor, I am cognizant of your admonition not</p> <p>2 to go through each one, one by one, but where there are</p> <p>3 changes between one year and another, I would like to spend</p> <p>4 a few minutes discussing that.</p> <p>5 THE COURT: Sure.</p> <p>6 MR. SOLOMON: Okay.</p> <p>7 Q Sir, it has been put in front of you and it is up on</p> <p>8 the board. PX 740, does that appear to be the engagement letter</p> <p>9 between Mazars and the Trump Organization dated January 21,</p> <p>10 2017?</p> <p>11 A Correct.</p> <p>12 Q Is that for the Statement of Financial Condition for</p> <p>13 the year ending June 30, 2016?</p> <p>14 A Correct.</p> <p>15 Q Could you, please, turn to the fifth page of the</p> <p>16 document. Is that your signature, sir?</p> <p>17 A Yes.</p> <p>18 Q In addition to signing as an executive vice-president</p> <p>19 and chief financial officer of the Trump Organization, you also</p> <p>20 sign as the trustee of the Donald J. Trump Revocable Trust dated</p> <p>21 April 7, 2014 as amended, correct?</p> <p>22 A Correct.</p> <p>23 Q Compared to what we saw earlier, I would like to focus</p> <p>24 your attention to the first page, our responsibilities. Did you</p> <p>25 understand that since this letter was from Mazars to be the</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 850</p> <p>1 preparation of the financial statement, do you see that?</p> <p>2 A Yes.</p> <p>3 Q Did you understand that to be a responsibility of the</p> <p>4 Trump Organization?</p> <p>5 A Yes.</p> <p>6 Q And did they fulfill that responsibility?</p> <p>7 A This is referring to GAAP, I assume, accounting</p> <p>8 principles.</p> <p>9 Q Do you understand that to be referring to GAAP?</p> <p>10 A Yes.</p> <p>11 Q So let's assume it refers to GAAP. Did the Trump</p> <p>12 Organization fulfill this fundamental responsibility? It is a</p> <p>13 yes or no question.</p> <p>14 A Can you be a little more specific? I mean as far as --</p> <p>15 a -- I see the language.</p> <p>16 Q Yes.</p> <p>17 A Are you referring to an asset or the statement in --</p> <p>18 Q I'm referring --</p> <p>19 A -- in totality?</p> <p>20 Q Are you done?</p> <p>21 A Yes.</p> <p>22 Q I didn't want to interrupt. Pardon me. I'm referring</p> <p>23 to "The selection of accounting principles under GAAP as you</p> <p>24 said, as the financial reporting framework to be applied in the</p> <p>25 preparation of a financial statement." We have established</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 851</p> <p>1 that's a fundamental obligation of the Trump Organization?</p> <p>2 A Yes. The answer was yes.</p> <p>3 Q Let me ask the question.</p> <p>4 Do you believe the Trump Organization fulfilled that</p> <p>5 fundamental responsibility, yes or no? You don't have to look</p> <p>6 at your counselor. I'm over here.</p> <p>7 A I was going to look at the judge actually.</p> <p>8 Q Okay.</p> <p>9 THE WITNESS: It requires some explanation getting</p> <p>10 back to materiality when we complied with the GAAP</p> <p>11 requirement.</p> <p>12 THE COURT: You can assume whatever you want, but</p> <p>13 the question is yes or no.</p> <p>14 THE WITNESS: Okay. No.</p> <p>15 Q Did you tell Mazars that you didn't fulfill this</p> <p>16 fundamental obligation?</p> <p>17 A Did I tell -- did I speak to Mazars and tell them --</p> <p>18 Q Let's start with you. Did you ever?</p> <p>19 A No.</p> <p>20 Q To your knowledge, did anyone at the Trump Organization</p> <p>21 ever tell Mazars that the Trump Organization did not fulfill</p> <p>22 this fundamental obligation?</p> <p>23 A Not that I'm aware of.</p> <p>24 Q Let's look at number two. Do you understand that there</p> <p>25 is a semicolon after SSARS, so this is a list of the</p>	<p>Page 853</p> <p>1 Q The first bullet point is access to all information of</p> <p>2 which you are aware is relevant to the preparation and fair</p> <p>3 presentation of the financial statement such as records,</p> <p>4 documentation and other matters. Do you see that?</p> <p>5 A I do.</p> <p>6 Q That was a representation the Trump Organization was</p> <p>7 making to Mazars, right?</p> <p>8 A Correct.</p> <p>9 Q And do you believe the Trump Organization fulfilled</p> <p>10 that responsibility or obligation with respect to the 2011</p> <p>11 Statement of Financial Condition?</p> <p>12 A Yes. They had total access.</p> <p>13 (Continued on the next page.)</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 852</p> <p>1 obligations, right?</p> <p>2 A Okay.</p> <p>3 Q The fundamental ones, right? Yes?</p> <p>4 A Yes.</p> <p>5 Q Okay. Number two, "The preparation and fair</p> <p>6 presentation of the financial statement in accordance with</p> <p>7 accounting principles generally accepted in the United States of</p> <p>8 America and the inclusion of all informative disclosures that</p> <p>9 are appropriate for accounting principles generally accepted in</p> <p>10 the United States of America other than previously noted," do</p> <p>11 you see that?</p> <p>12 A I do.</p> <p>13 Q Did you understand that that was a fundamental</p> <p>14 obligation of the Trump Organization?</p> <p>15 A The preparation of the presentation.</p> <p>16 Q Yes. Did the Trump Organization fulfill that</p> <p>17 fundamental obligation? Yes or no question again, sir.</p> <p>18 A I'm going to -- again, it refers to preparation and</p> <p>19 presentation, so I think it was -- it was prepared. Yes, I</p> <p>20 think we fulfilled the obligation in the presentation and its</p> <p>21 preparation. So the answer is yes, I think we fulfilled the</p> <p>22 obligation.</p> <p>23 Q Number seven, "An obligation to provide us with" and</p> <p>24 you understand the "us is Mazars there, right?</p> <p>25 A Correct.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 854</p> <p>1 MR. SOLOMON: Can we please turn to PX 741 in</p> <p>2 evidence?</p> <p>3 Q Sir, do you recognize this document?</p> <p>4 A I do.</p> <p>5 Q Is it another representation letter from the Trump</p> <p>6 Organization to Mazars or WeiserMazars?</p> <p>7 A Yes.</p> <p>8 Q You'll see this format is a little bit different than</p> <p>9 the one we looked at earlier. Do you see that?</p> <p>10 A Yes.</p> <p>11 Q Third paragraph, do you see, "We confirm to the best of</p> <p>12 our knowledge and belief," and the "we" there is the Trump</p> <p>13 Organization; right?</p> <p>14 A Correct.</p> <p>15 Q "As of March 10, 2017 the following representations</p> <p>16 made to you during your compilation." Do you see that?</p> <p>17 A Yes.</p> <p>18 Q Okay. "Number one, we acknowledge our" -- that's the</p> <p>19 Trump Organization again; right?</p> <p>20 A Correct.</p> <p>21 Q "Our responsibility and have fulfilled our</p> <p>22 responsibilities for the preparation and fair presentation of</p> <p>23 the personal financial statement in accordance with accounting</p> <p>24 principles generally accepted in the United States of America</p> <p>25 except for the following items." Do you see that?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 855</p> <p>1 A I do.</p> <p>2 Q Okay. And then there is a paragraph that lists the</p> <p>3 exception; right?</p> <p>4 A Yes.</p> <p>5 Q Those are the exceptions to GAAP; right?</p> <p>6 A Yes.</p> <p>7 Q Okay. Did Mazars ever tell you you can only have one</p> <p>8 paragraph of exceptions?</p> <p>9 A I'm sorry?</p> <p>10 Q You were free -- the Trump Organization was free to put</p> <p>11 in as many exceptions to GAAP as they believe appeared in the</p> <p>12 SOFCs; right?</p> <p>13 A Sorry. Say it again.</p> <p>14 Q Sure. Let's take a step back.</p> <p>15 This paragraph lists certain exceptions to GAAP; right?</p> <p>16 A Correct.</p> <p>17 Q And those are the ones that the Trump Organization</p> <p>18 believed appeared in the SOFC for June 30, 2016; right?</p> <p>19 A Correct.</p> <p>20 Q If the Trump Organization believed there were</p> <p>21 additional exceptions to GAAP that appeared in the 2016 SOFC</p> <p>22 they were free to add them to this paragraph; right?</p> <p>23 A Correct.</p> <p>24 Q Okay.</p> <p>25 A Can I answer that or is that a yes or no?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 857</p> <p>1 compilation." Do you see that?</p> <p>2 A Yes.</p> <p>3 Q This is for the 2016?</p> <p>4 A Correct.</p> <p>5 Q And you signed it March of '17; right?</p> <p>6 A Correct.</p> <p>7 Q Four days after the conversation with Forbes; right?</p> <p>8 A Correct.</p> <p>9 Q And you also had in the files the first amendment to</p> <p>10 the condo dec; right?</p> <p>11 A Correct.</p> <p>12 Q Did you tell Mazars you had that?</p> <p>13 A Mazars --</p> <p>14 Q Yes or no did you tell Mazars that you had the condo</p> <p>15 dec showing the square footage of the triplex was 10,996 square</p> <p>16 feet?</p> <p>17 A Again, I didn't deal with Jeff McConney directly, so I</p> <p>18 don't know what Jeff McConney told Mazars about that.</p> <p>19 Q As far as you know?</p> <p>20 A As far as I know I don't know what Jeff McConney told</p> <p>21 them.</p> <p>22 Q Do you think Mazars would have signed off on that</p> <p>23 financial statement in March of '17 for June 30, 2016 if they</p> <p>24 were aware that there was contradictory information?</p> <p>25 A I don't know the answer to that question. I can't</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 856</p> <p>1 Q It's a yes or no.</p> <p>2 Were you free to do it? Yes. Mazars never said you</p> <p>3 can't have anymore; right?</p> <p>4 A We relied upon the Mazars firm to understand GAAP and</p> <p>5 to understand what we couldn't adopt in there.</p> <p>6 Q Sir, I'm glad you mentioned that.</p> <p>7 Is it your testimony that in making a representation to</p> <p>8 Mazars you were relying on Mazars in making the representation</p> <p>9 back to them?</p> <p>10 A But they didn't --</p> <p>11 Q Yes or no? You just told me you were relying on</p> <p>12 Mazars. Is it now your testimony that in making this</p> <p>13 representation in the rep letter you were relying -- "you" being</p> <p>14 the Trump Organization were relying on Mazars to make a</p> <p>15 representation back to Mazars? Is that your testimony; yes or</p> <p>16 no?</p> <p>17 A Not -- no.</p> <p>18 Q Okay, okay. So you weren't relying on Mazars in making</p> <p>19 a representation back to Mazars? Okay, let's move on.</p> <p>20 Number two. Can you scroll down to the next page?</p> <p>21 "We have made available to you all financial records</p> <p>22 and related data and any additional information you requested</p> <p>23 from us for the purpose of the compilation. We have not</p> <p>24 knowingly withheld from you any financial records or related</p> <p>25 data that in our judgment would be relevant to your</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 858</p> <p>1 speak for Mazars what they would do.</p> <p>2 Q So in your experience --</p> <p>3 A Only because of the words -- if you read this in number</p> <p>4 three, it says "all material transactions." Again, going back</p> <p>5 to the word "material."</p> <p>6 Q Good point. That's in number three, "material</p> <p>7 transactions." You're absolutely right.</p> <p>8 Does the word "material" show up in number two?</p> <p>9 A I look --</p> <p>10 Q It's yes or no. It's right there, number two. We've</p> <p>11 highlighted it all. "All financial records." It doesn't say</p> <p>12 "all material financial records," does it; yes or no?</p> <p>13 A No, it doesn't.</p> <p>14 Q It doesn't say "and material-related data," does it?</p> <p>15 A No.</p> <p>16 Q And then the second sentence "we have not knowingly</p> <p>17 withheld from you any financial records or related data in our</p> <p>18 judgment that would be relevant to your compilation." Doesn't</p> <p>19 use the word "material;" right?</p> <p>20 A Correct.</p> <p>21 Q But if you wanted to use the word "material" such as in</p> <p>22 number three you knew where to put it; right?</p> <p>23 A I just happened to see it there.</p> <p>24 Q Right, but you didn't put it in number two?</p> <p>25 A We didn't --</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 859</p> <p>1 Q Yes or no it's not qualified by material, is it?</p> <p>2 A No.</p> <p>3 Q Turn to Number 14, please.</p> <p>4 A Oh.</p> <p>5 Q On that same document, please.</p> <p>6 Here you're representing on behalf of the Trump</p> <p>7 Organization that no events have occurred subsequent to the date</p> <p>8 of the Statement of Financial Condition and through the date of</p> <p>9 this letter that would require adjustments to or disclosure in</p> <p>10 personal financial statement.</p> <p>11 If you had known that the triplex was approximately a</p> <p>12 third of the size would you have adjusted the SOFC to reflect</p> <p>13 that change?</p> <p>14 A Yes-or-no question?</p> <p>15 Q It's a yes or no.</p> <p>16 Would you have adjusted the SOFC to reflect that change</p> <p>17 if you were aware that the square footage was recorded</p> <p>18 incorrectly?</p> <p>19 A No.</p> <p>20 Q And is that because you don't think it was material?</p> <p>21 A That's correct.</p> <p>22 Q Does the word "material" appear anywhere in Number 14,</p> <p>23 sir?</p> <p>24 A It appeared in Number 3. I carried that throughout the</p> <p>25 whole document.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 861</p> <p>1 A I don't recall.</p> <p>2 Q Okay. You don't recall a discussion from Mr. McConney</p> <p>3 the materiality applies to the entirety of this letter, every</p> <p>4 sentence?</p> <p>5 A I don't recall.</p> <p>6 Q Okay. But we can agree that the word "material" does</p> <p>7 not appear in 14 at all?</p> <p>8 A That's correct.</p> <p>9 Q But you wouldn't have told Mazars that the numbers you</p> <p>10 gave them were wrong because you didn't think that one</p> <p>11 particular entry for the triplex was material; right?</p> <p>12 A Sorry?</p> <p>13 Q Sure.</p> <p>14 You -- it's your testimony as you sit here today that</p> <p>15 you would not have told Mazars about the error in the size of</p> <p>16 the triplex because you didn't think it was material</p> <p>17 notwithstanding the representation that no events have occurred</p> <p>18 subsequent to the date of the Statements of Financial Condition</p> <p>19 and the date of this letter that would require adjustments to or</p> <p>20 disclosure in financial statement?</p> <p>21 A Yes, I don't know what I would have done at the time.</p> <p>22 I don't recall -- I don't --</p> <p>23 Q So before you told me you wouldn't have told them</p> <p>24 because it wasn't material?</p> <p>25 A What I'm saying to you is that based on materiality I</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 860</p> <p>1 Q So when there are 16 things listed the fact that the</p> <p>2 word "material" appears in Number 3, you wanted to apply to all</p> <p>3 16?</p> <p>4 A It's not what I wanted to do. It's how it was</p> <p>5 interpreted.</p> <p>6 Q By whom, by you?</p> <p>7 A No. By whoever it was the one who told me it was okay</p> <p>8 to sign this.</p> <p>9 Q How do you know that's how they interpreted it? You</p> <p>10 had a conversation with -- you told me it was Mr. McConney who</p> <p>11 reviewed this; right?</p> <p>12 A If they did.</p> <p>13 Q Yes or no did Mr. McConney review this before you</p> <p>14 signed it?</p> <p>15 A Yes.</p> <p>16 Q Did you and Mr. McConney discuss whether the word</p> <p>17 "material" appearing in Number 3 applies to all 16 of those</p> <p>18 listed?</p> <p>19 A Not that I can recall.</p> <p>20 Q Okay. But you're assuming that's how he intended it?</p> <p>21 A I don't know what was in his thinking on how he got to</p> <p>22 that conclusion. I got to that conclusion by reading the</p> <p>23 documents today.</p> <p>24 Q Okay. Not asking what you're reading today. I'm</p> <p>25 asking what was intended when this was signed in 2017.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 862</p> <p>1 would have. If I was sitting in that seat and someone walked</p> <p>2 into my office and said we found this, we should change it, I</p> <p>3 would probably go ahead and do it and make the change.</p> <p>4 Q So you would make the change before signing the letter;</p> <p>5 right?</p> <p>6 A Yes. If I was focused on it and somebody told me to do</p> <p>7 it, yes.</p> <p>8 THE COURT: Bearing in mind both participants,</p> <p>9 please one at a time. We only have one reporter and she is</p> <p>10 nodding her head yes. Don't talk over each other.</p> <p>11 MR. SOLOMON: I apologize, Your Honor.</p> <p>12 Q Sir, you mentioned earlier the process of creating a</p> <p>13 SOFC, you wanted a moment to describe it. Do you recall that?</p> <p>14 A Yes, I do.</p> <p>15 Q Let's talk about that process.</p> <p>16 Were you ever involved in selecting the methodologies</p> <p>17 used to determine the estimated current value of an asset that</p> <p>18 appeared on the SOFC?</p> <p>19 A Was I ever involved in it?</p> <p>20 Q Were you ever involved in it?</p> <p>21 A I would say yes.</p> <p>22 Q For some of the assets you used comparable sales, comps</p> <p>23 as they're referred to; right?</p> <p>24 A Amongst other things.</p> <p>25 Q Well, let's talk about those other things.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 863</p> <p>1 For others you might have used the operating income</p> <p>2 times a capitalization rate; is that right?</p> <p>3 A Correct.</p> <p>4 Q Others might be as we saw with the triplex the size of</p> <p>5 the asset times a price per square foot; is that right?</p> <p>6 A That's one method.</p> <p>7 Q Okay. And the method used to value an asset was</p> <p>8 consistent year over year from one SOFC to the next, so from '14</p> <p>9 to '15 was consistent; right?</p> <p>10 A Not every year. It could have been a change in</p> <p>11 methodology for one reason or another and -- yes.</p> <p>12 Q When there was a change in methodology was that change</p> <p>13 in methodology disclosed in the SOFC?</p> <p>14 A It was disclosed in the work papers that was provided</p> <p>15 to Mazars, if I remember correctly. I haven't been at the</p> <p>16 company for a couple years. The spreadsheets that provided by</p> <p>17 Mr. McConney were comparative. I could be wrong, but if there</p> <p>18 was a change, he may have noted it. That's something you'd have</p> <p>19 to -- sorry -- that's something you would have to go back and</p> <p>20 look at the documents of the spreadsheet or wait for</p> <p>21 Mr. McConney. I don't know if he disclosed it. He may have.</p> <p>22 Q My question was a little different.</p> <p>23 Is it disclosed in the subsequent year's Statement of</p> <p>24 Financial Condition?</p> <p>25 A I don't know. I don't recall.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 865</p> <p>1 Q Is it your understanding that for each year</p> <p>2 Mr. McConney or someone at his direction would contact outside</p> <p>3 persons for cap rates, comps, things of that nature, you just</p> <p>4 described?</p> <p>5 A That's my understanding, yes.</p> <p>6 Q And he did that for each year?</p> <p>7 A As far as I know.</p> <p>8 Q Are you aware of any situation in which Mr. McConney,</p> <p>9 let's say, took a conversation that he had in 2013 and used it</p> <p>10 to apply information to the 2015 SOFC?</p> <p>11 A I wouldn't know that.</p> <p>12 Q But you certified that those SOFCs were all in</p> <p>13 compliance with GAAP; right?</p> <p>14 A I did.</p> <p>15 Q And you don't know whether Mr. McConney used current or</p> <p>16 past information in the calculations; is that right?</p> <p>17 A Mr. McConney was with me for a long time. As you</p> <p>18 mentioned earlier, he had knowledge of what we were doing every</p> <p>19 year and I relied on him for all, sure.</p> <p>20 Q But you don't know if he used information from a</p> <p>21 telephone conversation that he had two years earlier in doing</p> <p>22 financial statements?</p> <p>23 A I don't know. I don't know, no.</p> <p>24 Q So let's focus on the time period precisely before</p> <p>25 Mr. McConney starts this process, okay?</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 864</p> <p>1 Q Do you know if there is any requirement under GAAP to</p> <p>2 disclose a change in methodology with a subsequent Statement of</p> <p>3 Financial Condition?</p> <p>4 A I'm not familiar with GAAP. I don't know.</p> <p>5 Q So in creating a following year's Statements of</p> <p>6 Financial Condition, let's say, '15, is the first step</p> <p>7 Mr. McConney takes 2014 and marks it up?</p> <p>8 A It's possible. I don't recall exactly what he did year</p> <p>9 to year.</p> <p>10 Q Is that one of the things you're aware that he did?</p> <p>11 A He may have. I don't recall.</p> <p>12 Q Do you have any understanding how the first step in</p> <p>13 creating the next year's SOFC is undertaken?</p> <p>14 A From what I remember the way it was done we have some</p> <p>15 young ladies in our office who begin to gather data that Jeff</p> <p>16 would need to do the SOFC; cash balances, mortgage balances. I</p> <p>17 mentioned that before. I believe that next step Jeff would</p> <p>18 probably contact appraisers or brokers to try to ascertain from</p> <p>19 them some reports that might have on it some comps, cap rate,</p> <p>20 things that he can use as source material to be able to value</p> <p>21 whether it was commercial property or a VTL site, things of that</p> <p>22 nature. And that would take sometime to gather that data and he</p> <p>23 would begin, I guess, the process. But again, I can't speak for</p> <p>24 Jeff what he did on a day-to-day basis. This took months to</p> <p>25 prepare this. This was not a simple task.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 866</p> <p>1 A Okay.</p> <p>2 Q Let's focus on that for each year.</p> <p>3 At that point in time have you met or discussed in any</p> <p>4 way with Donald Trump the Statement of Financial Condition or</p> <p>5 his views or expectations for his net worth for that year?</p> <p>6 A Not that I can recall.</p> <p>7 Q You don't recall that ever happening?</p> <p>8 A I didn't say never. I was there.</p> <p>9 Q I said you don't recall that ever happening; is that</p> <p>10 right?</p> <p>11 A I said -- I thought you said "ever," that it never</p> <p>12 happened. I was there for 20, 30 years, 30 years or more. I</p> <p>13 don't recall ever discussing his SOFC prior to Jeff working on</p> <p>14 it.</p> <p>15 Q Do you recall discussing it with him while Jeff was</p> <p>16 working on it?</p> <p>17 A I don't recall that. I don't recall that.</p> <p>18 Q Did you ever meet with Donald Trump and Michael Cohen</p> <p>19 where there was any discussion of a Statement of Financial</p> <p>20 Condition before it was finalized?</p> <p>21 A Not that I can recall.</p> <p>22 Q Are you saying it could have happened and you just</p> <p>23 don't recall or are you saying it never happened?</p> <p>24 A I don't recall. I don't recall it happening.</p> <p>25 Q Maybe I'm missing it and I'm not clear.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 867</p> <p>1 You say you don't recall it happening. Is it possible</p> <p>2 it happened and you don't recall it or are you saying it did not</p> <p>3 happen?</p> <p>4 A I'm saying I don't recall it happening.</p> <p>5 Q But it's possible it did?</p> <p>6 A I mean, if he would have walked in Donald's office when</p> <p>7 I was there and he walked in for a second and walked out, it's</p> <p>8 possible. People would walk in and out of Donald's office all</p> <p>9 day long, whether he was one of those people that walked in --</p> <p>10 are you asking me whether it was a longwinded discussion about</p> <p>11 the statement? Is that what you're asking?</p> <p>12 Q I don't believe I ever used the word "longwinded."</p> <p>13 I've been called longwinded, but I don't think I ever used it.</p> <p>14 So let's take a step back. I'm asking any discussion</p> <p>15 at all concerning the SOFC before it was finalized; you,</p> <p>16 Mr. Trump and Mr. Cohen?</p> <p>17 A No.</p> <p>18 Q No, it never happened?</p> <p>19 A I don't believe it ever happened, no. I don't believe</p> <p>20 it happened, no.</p> <p>21 Q Did you ever meet with Donald Trump and Michael Cohen</p> <p>22 where there was any discussion at all about Mr. Trump's net</p> <p>23 worth prior to finalizing an SOFC?</p> <p>24 A Not that I can think of, no.</p> <p>25 Q Again, let's go back to this.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 869</p> <p>1 THE WITNESS: I hear you, Your Honor. I would say</p> <p>2 it did not happen. Did that answer your question?</p> <p>3 THE COURT: It did not happen -- all right. That</p> <p>4 answers the question. Thanks.</p> <p>5 THE WITNESS: I'm sorry.</p> <p>6 Q After Mr. McConney in the years that he was there had a</p> <p>7 draft of the SOFC put together, did he give it to you for</p> <p>8 review?</p> <p>9 A He did.</p> <p>10 Q And did you review it?</p> <p>11 A I reviewed -- I reviewed it from a 30,000 foot level,</p> <p>12 meaning just to make sure our liabilities would be shown</p> <p>13 properly, to make sure the assets -- that all the assets that we</p> <p>14 have was still on the statement, but I spent a lot of time</p> <p>15 reading the notes to his statement.</p> <p>16 The notes were a very important part for Mr. Trump.</p> <p>17 Besides this being a Statement of Financial Condition, it was</p> <p>18 also sort of a piece -- a little bit of a marketing piece for</p> <p>19 banks to read about our properties and how well they're taken</p> <p>20 care of and how they're first-class properties, world-renowned</p> <p>21 properties throughout the world. So those notes were kind of</p> <p>22 important to him.</p> <p>23 Q Are notes to a financial statement an integral part of</p> <p>24 that statement?</p> <p>25 A I believe if you read the statement you read it</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 868</p> <p>1 Are you saying it never happened or you don't recall it</p> <p>2 might happen?</p> <p>3 A Well, I don't believe it happened, no.</p> <p>4 Q Did you ever meet with Donald Trump and Michael Cohen</p> <p>5 where Mr. Trump's net worth was discussed?</p> <p>6 A Not that I can recall. Again --</p> <p>7 Q Same question: Is it not that you recall it could have</p> <p>8 happened or it did not happen?</p> <p>9 A You're asking me to go back a number of years.</p> <p>10 Q Yes, I am.</p> <p>11 A And my memory doesn't -- again, I don't remember every</p> <p>12 meeting that ever took place in that office. As I sit here</p> <p>13 today, I don't believe it happened, no.</p> <p>14 THE COURT: That doesn't answer the question, does</p> <p>15 it? The question is could it have -- could it have happened</p> <p>16 and you just don't remember?</p> <p>17 MR. KISE: Your Honor, I'm not sure that was the</p> <p>18 question, respectfully.</p> <p>19 THE COURT: Well, I'm asking him. I think that was</p> <p>20 the question, maybe not in so many words.</p> <p>21 MR. KISE: I mean, anything is possible. I think</p> <p>22 he's asked and answered that question, respectfully.</p> <p>23 THE COURT: I disagree because he keeps saying I</p> <p>24 don't remember it happened, but he doesn't say no, it could</p> <p>25 not have happened. So that's what we're trying to get at.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 870</p> <p>1 together, yes.</p> <p>2 Q Did you also from time to time give Mr. McConney</p> <p>3 suggestions on how to value a particular asset?</p> <p>4 A What would happen is we would sit down in an office --</p> <p>5 Q It's a yes-or-no question, sir.</p> <p>6 Did you from time to time give Mr. McConney suggestions</p> <p>7 on how to value an asset?</p> <p>8 A Suggestions, yes.</p> <p>9 Q Now tell me. You would sit down in an office?</p> <p>10 A And he would show me, for argument's sake, with comps,</p> <p>11 with cap rates and I might not always agree with him one he</p> <p>12 chose to use for one reason or another. What that reason is</p> <p>13 today, I don't know. And I would suggest maybe you ought to</p> <p>14 consider doing a different building as a comp; it's closer to</p> <p>15 what our building is like.</p> <p>16 For example, you could have a commercial building</p> <p>17 without a retail component where we do have a retail component.</p> <p>18 He may have overlooked that. So it's not a fair comparison to</p> <p>19 take a building without a retail component and compare it to a</p> <p>20 building with a retail component, so I would make that change.</p> <p>21 Q So Mr. McConney is someone you relied upon; right?</p> <p>22 A I relied upon, yes.</p> <p>23 Q Someone whose work you relied upon in signing</p> <p>24 representation letters?</p> <p>25 A Yes.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 871</p> <p>1 Q You're saying it was possible he overlooked the fact 2 that one building had a retail component and the other one 3 didn't?</p> <p>4 A That's a lot of work he was doing, so that one thing 5 could have happened. It's possible. We aren't all perfect. 6 That's a possibility he may have overlooked a fact that 40 Wall 7 Street for argument's sake or Trump Tower commercial has 8 something that another building didn't have or maybe he doesn't 9 know the physical makeup of one building versus another. He may 10 have better tenancy in one building than another. And then when 11 you do it on a comparison basis to what he was using, he may not 12 have known about every tenant.</p> <p>13 I worked on -- I did a lot of lease work, so I knew the 14 makeup of the tenancy of a building where we have more 15 creditworthy tenants than maybe the building he chose to use, 16 which maybe he didn't have as many creditworthy tenants. So 17 that might change what building he use. I used retail just as 18 an example of something. It's not the only thing that would be 19 looked at on a comparison basis.</p> <p>20 Q Understood. That is something though you used as an 21 example of something Mr. McConney might have overlooked; right? 22 That was the example you gave; right?</p> <p>23 A Amongst other things.</p> <p>24 Q Amongst other things.</p> <p>25 So Mr. McConney, his work was not perfect, is that fair</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 873</p> <p>1 would look at their financial statements. We would see what 2 kind of tenants they were. Jeff McConney was not part of 3 leasing at all, so he wouldn't know about the creditworthiness.</p> <p>4 Q So you were on the creditworthy tenants that you were 5 sure to be able to pay the leases?</p> <p>6 A Or a tenant that could provide us with enough 7 information about the company, where they're going. It could 8 have been -- we could have startups in some buildings, but they 9 could be well capped.</p> <p>10 Q Did Dean &amp; DeLuca rent space at 40 Wall Street?</p> <p>11 A They did.</p> <p>12 Q How did that work out?</p> <p>13 A Well, they -- when Dean &amp; DeLuca took the space they 14 were one company. They were bought over by somebody in later 15 years and they changed their entire dynamics. They began to 16 sponsor golf tournaments and tennis tournaments and they tried 17 to make Dean &amp; DeLuca what it wasn't and in doing so they had a 18 problem and they couldn't succeed there.</p> <p>19 Q And they filed for bankruptcy protection, didn't they?</p> <p>20 A I don't know. I think they did, but I'm not really 21 sure. But they were -- their creditworthiness was day to day. 22 It's like any other company. They could be creditworthy today 23 and something happened, they could change their model of how 24 they operate their business and all of a sudden things don't 25 work out well. Bed Bath and Beyond and there are many other</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 872</p> <p>1 to say?</p> <p>2 A Well, I don't think any of us are perfect.</p> <p>3 Q So you looked over his work and you made changes; 4 right?</p> <p>5 A I would look at every line item of his work. I would 6 look over the higher valued assets to make sure they were 7 properly being valued. I always wanted -- I always tried to be 8 fair and so -- fair and reasonable in what we were showing and 9 sometimes it would come out with a lower value than he would, 10 but it would be more accurate and fair and a truer picture of 11 the comparison.</p> <p>12 Q As you sit here today, do you recall a specific example 13 where you came out with a lower value for an asset than he did?</p> <p>14 A I don't recall. It's so many years. The answer is no. 15 I can't recall.</p> <p>16 Q You mentioned that you had a better sense of the 17 creditworthiness of the tenants in some of the retail space -- 18 in some of the rental spaces; is that right?</p> <p>19 A Are you talking about being in commercial?</p> <p>20 Q In the commercial building. You had a better sense of 21 the creditworthiness?</p> <p>22 A And the reason for is when we go through a lease 23 process we try to learn about the tenant coming into our 24 building. After all, if the tenant can't pay his rent in a year 25 from now, we don't want that tenant in our building. So we</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 874</p> <p>1 tenants as they're all creditworthy at one time. Unfortunately, 2 the world's changed. It happens.</p> <p>3 Q So you never know what's going to happen in the future; 4 right?</p> <p>5 A You have to work with what you have in front of you at 6 the time.</p> <p>7 Q Right, so you can't predict --</p> <p>8 THE COURT: I am --</p> <p>9 MR. SOLOMON: I'm sorry.</p> <p>10 THE COURT: One at a time.</p> <p>11 MR. SOLOMON: It's just he's going on expanding 12 upon questions that are simple yes or nos or one-word 13 answers.</p> <p>14 THE WITNESS: Oh, I'm sorry.</p> <p>15 Q So you can't predict the future as you just said; 16 right?</p> <p>17 A Correct.</p> <p>18 Q In doing valuations for assets that appear on the 19 financial statements were you predicting future development for 20 those assets; yes or no, sir? Were you predicting the future 21 for those assets; yes or no?</p> <p>22 A Yes.</p> <p>23 Q Okay. Were you predicting future revenue streams; yes 24 or no?</p> <p>25 A I don't recall. I don't recall what Jeff did in</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 875</p> <p>1 valuing those assets.</p> <p>2 Q At one point in time in valuations for golf course</p> <p>3 assets do you recall using fixed asset methods for the</p> <p>4 valuation?</p> <p>5 A I do recall that.</p> <p>6 Q And do you recall directing Mr. McConney to add a</p> <p>7 30 percent premium to the fixed assets to reflect an operating</p> <p>8 --</p> <p>9 A I do recall that.</p> <p>10 Q Was that disclosed anywhere in the Statement of</p> <p>11 Financial Condition?</p> <p>12 A It was disclosed in the notes -- I'm sorry. It was</p> <p>13 disclosed in the work papers that were given to Mazars.</p> <p>14 Q Sir, I don't want to cut you off and interrupt you.</p> <p>15 That wasn't my question. I asked if it was disclosed in the</p> <p>16 Statement of Financial Conditions, not in the work papers to</p> <p>17 Mazars, not in conversations you might have had with someone.</p> <p>18 Was it disclosed in the Statement of Financial Conditions. It's</p> <p>19 a yes-or-no question.</p> <p>20 A What was the question? Was the 30 percent --</p> <p>21 Q Was the 30 percent premium that you directed</p> <p>22 Mr. McConney to add to the fixed assets disclosed in the SOFC;</p> <p>23 yes or no?</p> <p>24 A No.</p> <p>25 Whereupon, the transcript continues on the</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 877</p> <p>1 Q You also solicited information as to valuation of golf</p> <p>2 courses from people outside of the organization from the</p> <p>3 Statements of Financial Condition, right?</p> <p>4 A I believe we may have used one or two people.</p> <p>5 MR. SOLOMON: Can we, please, mark PX 3116 for</p> <p>6 identification.</p> <p>7 Q We marked PX 3116 for identification. It is a cover</p> <p>8 e-mail and a letter that you were attaching. Do you see that?</p> <p>9 A Yes.</p> <p>10 Q Is that an e-mail that you sent to E. Carlyle at</p> <p>11 Forbes?</p> <p>12 A Yes.</p> <p>13 Q So actually --</p> <p>14 A I don't understand. It says first administrative</p> <p>15 group. What is that after my name on top? I don't know what</p> <p>16 that means. That's not my e-mail address. I don't know why</p> <p>17 that's there.</p> <p>18 Q That's actually not an e-mail address.</p> <p>19 A I don't know why that's there.</p> <p>20 Q If we can scroll down to the bottom of the page, you</p> <p>21 see it has a TT00 Bates number at the bottom.</p> <p>22 A I see that, but I don't know what administrative group</p> <p>23 is, first admitted. I don't know who that is.</p> <p>24 Q I'm not saying you put that on there, but this is an</p> <p>25 e-mail, though, that you sent to Ms. Carlyle, right?</p>
<p>Page 876</p> <p>1 following page....</p> <p>2</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 878</p> <p>1 A Yeah. Again, it's from me. I just don't know</p> <p>2 what -- I wouldn't -- that would not be part of my e-mail,</p> <p>3 typical e-mail. I don't know where --</p> <p>4 THE COURT: I don't think you were asked that.</p> <p>5 THE WITNESS: The answer is yes, it is my e-mail.</p> <p>6 THE COURT: It is your e-mail. That's all we need</p> <p>7 to know.</p> <p>8 Q The second page, you attach a letter that you had</p> <p>9 received from Steven M. Ekovich. Do you see that?</p> <p>10 A Yes.</p> <p>11 Q Do you recall receiving that letter from Mr. Ekovich in</p> <p>12 or about July of 2013?</p> <p>13 A I remember it now. I just don't recall -- it was ten</p> <p>14 years ago. I don't recall.</p> <p>15 Q Do you recall receiving some communication from Mr.</p> <p>16 Ekovich -- please let me finish -- in which he told you what an</p> <p>17 appropriate gross review multiplier would have been for assets</p> <p>18 in the Trump golf portfolio?</p> <p>19 A Yes. That was his undertaking of what he felt it</p> <p>20 should be.</p> <p>21 MR. SOLOMON: We offer PX 3116 in evidence.</p> <p>22 THE COURT: Granted. It is in evidence.</p> <p>23 (Whereupon, the Document was marked in evidence as</p> <p>24 People's Exhibit 3116.)</p> <p>25 Q So this, according to what Mr. Ekovich is describing in</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 879</p> <p>1 his letter to you, is a different way of calculating value for 2 golf course assets, right?</p> <p>3 A It is another methodology.</p> <p>4 Q Another methodology. That takes gross revenue; is that 5 right?</p> <p>6 A Yes, but I'm not sure -- but I'm not sure what he's 7 including in gross revenue. That's a big -- that's a big 8 difference.</p> <p>9 Q Understood. He's actually using it as a capitalized 10 term gross revenue multiplier?</p> <p>11 A It is not defined anywhere.</p> <p>12 Q Understood. You take gross revenue and you multiply it 13 by an appropriate multiplier, whatever the revenue may be and 14 however it is calculated; is that right?</p> <p>15 A That's one method.</p> <p>16 Q That's one method.</p> <p>17 Now, if we go back to the first page, you'll see that 18 you are telling someone at Forbes that this person is a top golf 19 course advisor on buying and selling of courses, right?</p> <p>20 A Correct.</p> <p>21 Q Did you believe that to be true when you sent this to 22 E. Carlyle?</p> <p>23 A I don't know him. I never met him. I was told by 24 somebody else in the organization that he was, so I relied upon 25 that person; but I don't know the person.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 881</p> <p>1 A Again, I don't recall.</p> <p>2 Q Do you know if the Trump Organization ever did a 3 preliminary valuation using this method?</p> <p>4 A Again, I don't recall.</p> <p>5 Q You don't know if Mr. McConney ever did that?</p> <p>6 A I don't then.</p> <p>7 Q Do you know if Mr. Birney ever did that?</p> <p>8 A I don't know.</p> <p>9 Q Do you know if using this method would come out with a 10 higher or lower value for the Trump Organization golf courses 11 than appeared on the Statement of Financial Condition?</p> <p>12 A I don't know.</p> <p>13 Q Did you also provide information to Mr. McConney at 14 some point in time that the 30 percent premium for the golf 15 course should be reduced to 15 percent?</p> <p>16 A It's possible. I just don't recall it.</p> <p>17 Q You don't recall one way or the other?</p> <p>18 A I don't remember.</p> <p>19 Q Do you recall any discussion at all in which the 20 subject of the 30 percent premium came up and there was a 21 determination made that it was too high?</p> <p>22 A It's certainly possible. I just don't remember. It 23 could have been -- I don't know what year it was, was there 24 something going on in the economy to reduce -- I don't know.</p> <p>25 Q The letter that's the second page of this exhibit, did</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 880</p> <p>1 Q Your earlier letter was addressed directly to you?</p> <p>2 A Yes, because the person I asked to help me on this told 3 him to send it to me.</p> <p>4 Q So you took this person's word? You took this person's 5 advice or comment that this person was a top golf course advisor 6 on buying and selling courses? You accepted that as true?</p> <p>7 A I did.</p> <p>8 Q Okay. And then you conveyed it on to Forbes, right?</p> <p>9 A Correct.</p> <p>10 Q And was that because you wanted Forbes to value the 11 Trump Organization's golf courses in a particular methodology?</p> <p>12 A I don't -- I don't remember why I gave it to them. I 13 don't -- I don't know the context of the conversation we had 14 with Ms. Carlyle, what her questions were. It is sort of being 15 taken out of context.</p> <p>16 Q I'm not trying to take it out of context.</p> <p>17 A Not this. Not this, why I gave her this letter.</p> <p>18 That's the point. I'm not quite putting together with giving 19 her the letter as to what was she asking and why did I give it 20 to her.</p> <p>21 Q Did you tell Mr. McConney that this was a method that 22 he should use to value the Trump Organization's golf courses?</p> <p>23 A I don't recall. I don't recall.</p> <p>24 Q Do you know if the Trump Organization ever used this 25 method to value its golf courses?</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 882</p> <p>1 you ever give it to Mr. McConney?</p> <p>2 A I don't recall. I may have. I just don't remember.</p> <p>3 You're going back a long time ago. I just don't recall.</p> <p>4 Q Understood. So did you ever provide it to Mazars?</p> <p>5 A I dealt very little with Mazars on these statements.</p> <p>6 Everything went through Jeffrey McConney, so if I gave it to 7 him, hopefully he would have given it to them or maybe not; but 8 I don't recall giving it to Jeffrey McConney sitting here today.</p> <p>9 Q But personally, you never gave it to Mazars, right?</p> <p>10 A Not that I can remember, no.</p> <p>11 Q Did you also send -- withdrawn.</p> <p>12 I believe you indicated earlier that you sent comps to 13 Mr. McConney?</p> <p>14 A I sent comps.</p> <p>15 Q Or you provided comps to Mr. McConney?</p> <p>16 A No, I didn't. Mr. McConney would contact third 17 parties, appraisers and request from them these reports that 18 would give him the comps, cap rates and any other material that 19 might be helpful in determining valuation.</p> <p>20 Q Did you give comps to Mr. Birney?</p> <p>21 A Again, this was -- all the work that was done to get 22 valuations was all done by Jeffrey McConney, by himself for a 23 while and then with Patrick Birney subsequently.</p> <p>24 MR. SOLOMON: Could we, please, mark as PX 1040.</p> <p>25 Q Sir, have you ever seen PX 1040 or any of the pages in</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 883</p> <p>1 it before today?</p> <p>2 A Has to be as of the time when these things happened,</p> <p>3 but yeah.</p> <p>4 Q Do you recall one way or the other?</p> <p>5 A No. I said possibly when I -- when it first happened,</p> <p>6 the event itself that's on here.</p> <p>7 Q You said possibly. So -- do you recall one way or the</p> <p>8 other?</p> <p>9 A I'm sure -- you know, I wish I would have seen the</p> <p>10 publication it came from because there's some publications</p> <p>11 I -- that would help me.</p> <p>12 Q Okay. If you see on your first page of this exhibit,</p> <p>13 there appears to be -- is that an adding machine tape, sir?</p> <p>14 A Yes, that's not my handwriting.</p> <p>15 Q That's what I was going to ask. That's not your</p> <p>16 handwriting?</p> <p>17 THE COURT: Ten-minute warning. Time goes fast</p> <p>18 when we're having fun.</p> <p>19 Q If you look at the second page, this is an e-mail from</p> <p>20 you to Patrick Birney?</p> <p>21 A Okay.</p> <p>22 Q Forwarding and it is blank what's being forwarded, but</p> <p>23 you indicated it is more info on the house purchase in PB.</p> <p>24 That's Palm Beach, right?</p> <p>25 A Yes.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 885</p> <p>1 estate. I was thinking of Manhattan real estate, commercial</p> <p>2 buildings. That was in my mind. That was my mindset.</p> <p>3 Q If I asked you the question comps for any asset on the</p> <p>4 Statement of Financial Condition, you did send information about</p> <p>5 what you believe to be comparables to Mr. Birney, right?</p> <p>6 A The answer is yes.</p> <p>7 Q Same question for Mr. McConney now.</p> <p>8 A When he was doing it himself, the answer would</p> <p>9 be -- the answer is yes.</p> <p>10 Q Let's look at the next page 4 of 20.</p> <p>11 A What number?</p> <p>12 Q Page 4 of 20 --</p> <p>13 A Okay.</p> <p>14 Q -- on the exhibit. Again, an e-mail from you to</p> <p>15 Patrick Birney, right?</p> <p>16 A Okay.</p> <p>17 Q You see that?</p> <p>18 A Yes.</p> <p>19 Q If you look at the next page, is that your handwriting</p> <p>20 on that little yellow Post-It note there?</p> <p>21 A On what? The -- on that tape?</p> <p>22 Q Not on the tape. On the little yellow Post-It. If you</p> <p>23 look on the screen.</p> <p>24 A No.</p> <p>25 Q All right. And I assume that's not your handwriting on</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 884</p> <p>1 Q So you're sending him information about a sale in Palm</p> <p>2 Beach, right?</p> <p>3 A Correct.</p> <p>4 Q And are you giving that in connection with his</p> <p>5 valuation of a Trump asset?</p> <p>6 A Yes.</p> <p>7 Q Which one?</p> <p>8 A Probably Mar-A-Lago.</p> <p>9 Q Okay. So contrary to what you mentioned before, you</p> <p>10 actually did send Patrick Birney comps?</p> <p>11 A Well, no. What I said -- no, what I said -- what I</p> <p>12 said to Patrick Birney -- you can call them comps. I said</p> <p>13 during the course of the year. You stated this was done in</p> <p>14 September?</p> <p>15 Q Yes.</p> <p>16 A Whenever I found something in a newspaper article, I</p> <p>17 would just throw it in a file, when you work on Mr. Trump's</p> <p>18 financial statement, just have it as a reference point because</p> <p>19 we really had no one in Florida or I don't think he had anyone</p> <p>20 in Florida. You can call, but when I found it myself, I said</p> <p>21 you know what. Look at this. It may work. It may not work.</p> <p>22 See what it was per acre, the sale. Maybe you could extrapolate</p> <p>23 it. We may have things at our property that they don't have at</p> <p>24 their property. We could add to it. But as far as when you</p> <p>25 mentioned comps before, I was referring to Manhattan real</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 886</p> <p>1 the tape because you told me that handwriting earlier wasn't</p> <p>2 yours?</p> <p>3 A No. That's why too neat.</p> <p>4 Q If you turn to the sixth page of this exhibit.</p> <p>5 A Page six?</p> <p>6 Q Yes. There is highlighted. Do you see that?</p> <p>7 A Yes.</p> <p>8 Q Did you put that highlighting on it before you sent to</p> <p>9 Mr. Birney?</p> <p>10 A I don't recall if I did or not.</p> <p>11 Q This exhibit continues on with additional information</p> <p>12 about other properties in that area, right?</p> <p>13 A Yes.</p> <p>14 Q And if you look at page 9 of 20 --</p> <p>15 A Yes.</p> <p>16 Q -- there's a larger yellow Post-It. Do you see that?</p> <p>17 A Yes.</p> <p>18 Q I assume that's not your handwriting, right?</p> <p>19 A No, it's not.</p> <p>20 Q Do you recognize whose handwriting that is?</p> <p>21 A I don't.</p> <p>22 Q Turn to the next page.</p> <p>23 A Okay.</p> <p>24 Q You'll see that Ed Raymundo, if I'm pronouncing that</p> <p>25 correctly.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 887</p> <p>1 A Yes.</p> <p>2 Q Is sending an e-mail to Patrick Birney with the phrase</p> <p>3 "comparison is attached." Do you see that?</p> <p>4 A Yes.</p> <p>5 Q Then you'll see two pages later, there's an article</p> <p>6 that is cut out of -- it appears to be cut out of a good</p> <p>7 old-fashioned newspaper. Do you see that?</p> <p>8 A Yes.</p> <p>9 Q That's on page 12 of 20?</p> <p>10 A Yes.</p> <p>11 Q Underneath that, there is a Post-It?</p> <p>12 A That's my handwriting.</p> <p>13 Q I was about to say have we gotten to your handwriting,</p> <p>14 sir?</p> <p>15 A You got it. That's it.</p> <p>16 Q You instructed Patrick to take this Palm Beach estate</p> <p>17 asking price of 135 million --</p> <p>18 A Yes, and the note says hold it for next year DJT</p> <p>19 financial statement. Let's see what it ends up selling for</p> <p>20 because we don't know -- that's -- that's the asking price.</p> <p>21 Q Why does it matter what it sells for?</p> <p>22 A Because anybody can sell anything for a dollar amount.</p> <p>23 It doesn't necessarily mean it is going to sell. We want to be</p> <p>24 able to get a comparison that is the final number. He's asking</p> <p>25 135. Maybe it will sell for 100 million. I will use 100</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 889</p> <p>1 Q Good afternoon, Mr. Weisselberg.</p> <p>2 A Good afternoon.</p> <p>3 MR. SOLOMON: One housekeeping matter my colleagues</p> <p>4 have reminded me. I failed to move PX 1040 into evidence.</p> <p>5 I would like to do that now.</p> <p>6 MR. ROBERT: No objection, your Honor. I just want</p> <p>7 to be clear this is from a McConney backup. Just because it</p> <p>8 is so many different pages, I want to describe it as what it</p> <p>9 is, as it is a series of documents, so we can agree this is</p> <p>10 part of the McConney backup.</p> <p>11 MR. SOLOMON: I'm comfortable with a backup.</p> <p>12 MR. ROBERT: Fair enough.</p> <p>13 MR. SOLOMON: Sufficient?</p> <p>14 MR. ROBERT: Sufficient.</p> <p>15 THE COURT: Granted. It is in evidence.</p> <p>16 (Whereupon, the Document was marked in evidence as</p> <p>17 People's Exhibit 1040.)</p> <p>18 Q Mr. Weisselberg, before we broke for lunch, we were</p> <p>19 talking about Mr. Steven Ekovich, if I'm pronouncing that</p> <p>20 correctly?</p> <p>21 A I think so, yes.</p> <p>22 Q Do you recall him, sir?</p> <p>23 A Yes.</p> <p>24 Q I think you testified that you had some familiarity</p> <p>25 with him, right?</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 888</p> <p>1 million.</p> <p>2 Q So it is the selling price that's relevant in the</p> <p>3 comparison, not the asking price?</p> <p>4 A Yes.</p> <p>5 MR. SOLOMON: This might be a good time for a lunch</p> <p>6 break.</p> <p>7 THE COURT OFFICER: Remain seated.</p> <p>8 (Witness exits the stand.)</p> <p>9 (Whereupon, a luncheon recess was taken.)</p> <p>10 A F T E R N O O N S E S S I O N</p> <p>11 * * * * *</p> <p>12 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>13 session. The Honorable Judge Arthur Engoron presiding.</p> <p>14 Make sure all cellphones are on silent. Laptops and</p> <p>15 cellphones will be permitted, but only to members of the</p> <p>16 press. There is absolutely no recording or photography of</p> <p>17 any kind allowed in the courtroom. Now, be seated and come</p> <p>18 to order.</p> <p>19 THE COURT: You all look happy. I guess that's</p> <p>20 because you had an hour and-a-half, not just an hour and</p> <p>21 15 minutes.</p> <p>22 (Witness resumes the stand.)</p> <p>23 THE COURT: We're back on the record. Let's</p> <p>24 continue with the direct examination of Mr. Weisselberg.</p> <p>25 BY MR. SOLOMON:</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 890</p> <p>1 A I never met him. I know the name through someone else</p> <p>2 in our office who is part of our golf division and that's the</p> <p>3 extent of my knowledge of him.</p> <p>4 Q Well, you actually had some direct communication with</p> <p>5 him?</p> <p>6 A He may have e-mailed me. I don't think we ever met</p> <p>7 face to face is what I'm saying. I don't believe so.</p> <p>8 Q Have you finished?</p> <p>9 A Yes.</p> <p>10 Q But you did, in fact, have several communications with</p> <p>11 him about valuations of golf courses, right?</p> <p>12 A Several. I know one you showed me earlier today.</p> <p>13 MR. SOLOMON: Can we, please, identify PX 3143 for</p> <p>14 identification.</p> <p>15 Q Sir, if you look at what's been marked as 3143</p> <p>16 excluding the top e-mail, if you look at the second one, it is</p> <p>17 from you to Mr. Ekovich from August of 2015. Do you see that?</p> <p>18 A Yes.</p> <p>19 Q And you're asking him how much you would be able to</p> <p>20 increase that value due to brand and intrinsic value. Do you</p> <p>21 see that?</p> <p>22 A Yes.</p> <p>23 Q In fact, you're asking him how to quantify the premium,</p> <p>24 right?</p> <p>25 A Yes.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 891</p> <p>1 Q Now, if you go down one further, Mr. Ekovich had</p> <p>2 actually written to you telling you golf valuations are an art,</p> <p>3 not a science. Do you see that?</p> <p>4 A Yes.</p> <p>5 Q And he provides certain gross revenue multipliers,</p> <p>6 sixth line down .6-1 time gross revenue. Do you see that?</p> <p>7 A Yes.</p> <p>8 Q And then the next line, if the EBIT is below 400 to</p> <p>9 500,000, do you see that?</p> <p>10 A Yes.</p> <p>11 Q Do you have an understanding as to what EBIT is?</p> <p>12 A Yes.</p> <p>13 Q What is that?</p> <p>14 A Earnings before interest, taxes and depreciation.</p> <p>15 Q So you're communicating with Mr. Ekovich in 2015 with</p> <p>16 respect to golf course valuations, right?</p> <p>17 A Yes.</p> <p>18 MR. SOLOMON: I offer this in evidence as PX 3143.</p> <p>19 THE COURT: Granted. It is in evidence.</p> <p>20 (Whereupon, the Document was marked in evidence as</p> <p>21 People's Exhibit 3143.)</p> <p>22 MR. KISE: One thing. So did they -- was this</p> <p>23 produced to us? What day? Was that one of the ones over</p> <p>24 the weekend?</p> <p>25 MR. SOLOMON: No, this is actually being used to</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 893</p> <p>1 (Whereupon, there was a pause in the proceedings.)</p> <p>2 THE COURT: I'm, of course, trying to be fair. I</p> <p>3 don't know how far we are going to extend this, but go</p> <p>4 ahead.</p> <p>5 MR. SOLOMON: I would also just note this is being</p> <p>6 used for impeachment purposes. The witness testified he</p> <p>7 didn't really remember Mr. Ekovich and may have only spoken</p> <p>8 to him on that one occasion. So this is obviously being</p> <p>9 used for impeachment.</p> <p>10 THE COURT: I think that's totally acceptable.</p> <p>11 MR. KISE: Again, I'm just pointing out that it is</p> <p>12 a new exhibit. I hear what he is saying, but just making</p> <p>13 that record. I'm not objecting to the introduction of it.</p> <p>14 THE COURT: Duly noted and it is in evidence.</p> <p>15 MR. SOLOMON: Thank you, your Honor. Can we,</p> <p>16 please, show the witness what we've marked as PX 3144 for</p> <p>17 identification.</p> <p>18 Q Mr. Weisselberg, have you seen this document before</p> <p>19 that's been marked PX 3144?</p> <p>20 A It was certainly sent to me. I just don't remember it,</p> <p>21 but I see it in front of me now, yes.</p> <p>22 Q If you see on the e-mail chain, there is a discussion</p> <p>23 with you and Mr. Ekovich.</p> <p>24 A You don't mean the first one, do you, with that</p> <p>25 language in there?</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 892</p> <p>1 either refresh the witness' recollection --</p> <p>2 MR. KISE: I'm just trying to figure out.</p> <p>3 MR. SOLOMON: What's the question?</p> <p>4 MR. KISE: I'm trying to figure out when we got</p> <p>5 this document.</p> <p>6 MR. SOLOMON: Just now.</p> <p>7 MR. KISE: 3143, you're not introducing it into</p> <p>8 evidence?</p> <p>9 MR. SOLOMON: I am introducing it into evidence.</p> <p>10 You were given it just now because we pulled this. It was</p> <p>11 not on our list before, but we pulled this to refresh the</p> <p>12 witness' recollection. He had several other conversations</p> <p>13 with Mr. Ekovich.</p> <p>14 MR. KISE: Okay, but that wasn't on your list</p> <p>15 before; yes, no? I just don't recognize is my question.</p> <p>16 MR. SOLOMON: No, it was not.</p> <p>17 MR. KISE: I'm not -- your Honor, I'm not fully</p> <p>18 objecting. I want to make sure that when it comes time, if</p> <p>19 it comes time, we are extended the same courtesy. This</p> <p>20 wasn't on their list. I'm not necessarily objecting to it.</p> <p>21 I just want to be sure that what's good for the goose is --</p> <p>22 THE COURT: Yes.</p> <p>23 MR. KISE: That's all I'm saying because I don't</p> <p>24 recognize it.</p> <p>25 THE COURT: Give me a second.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 894</p> <p>1 Q We can pass upon that language.</p> <p>2 A I just saw that. It caught my eye.</p> <p>3 Q Understood, but if you look at the bottom of the first</p> <p>4 page, Mr. Ekovich is telling you typical cap rates are 11 to 14.</p> <p>5 I would say you are in the 8 to 10 range. Do you see that?</p> <p>6 A Yes, I do see that.</p> <p>7 Q Then he asks were you able to send the comps and</p> <p>8 supporting e-mail to the reporter. Do you see that?</p> <p>9 A I see that.</p> <p>10 Q Do you understand that to be the reporter from Forbes?</p> <p>11 A I would imagine so, yes.</p> <p>12 Q And you told him, thank you. Yes, they were sent and</p> <p>13 we received a slight bump. Appreciate your help. From you to</p> <p>14 Mr. Ekovich, September 20, 4:18 p m. --</p> <p>15 A Can you just read back the last -- you know why? It</p> <p>16 is on the back of the page.</p> <p>17 Q No problem. On the very first page.</p> <p>18 A I was flipping pages.</p> <p>19 Q On the very first page, if you see a highlighted in</p> <p>20 yellow on the screen. Thank you --</p> <p>21 A That I see, yes.</p> <p>22 Q So, in fact, you relied upon information from Mr.</p> <p>23 Ekovich and you provided that to, who Forbes, right?</p> <p>24 A Well, it was one of many -- we didn't use that as the</p> <p>25 only source of material to value golf courses.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 895</p> <p>1 Q But this is what you relied upon in trying to bump up 2 the valuation on Forbes, right?</p> <p>3 A It was to explain what we did. I don't know the 4 reasoning behind -- why we gave it to them.</p> <p>5 Q It says we received a slight bump.</p> <p>6 A They looked at it and they gave us a bump, okay.</p> <p>7 Q So initial communications with Mr. Ekovich, right?</p> <p>8 A Yes.</p> <p>9 Q This refreshes your recollection that you actually 10 spoke to Mr. Ekovich on several occasions about valuation of 11 golf courses --</p> <p>12 A When you say --</p> <p>13 Q -- of Trump assets?</p> <p>14 A When you say spoke, you are referring to e-mails?</p> <p>15 THE COURT: That's the ambiguity here.</p> <p>16 MR. SOLOMON: Sure.</p> <p>17 Q If I expand my question, sir, to ask you did you have 18 several communications with Mr. Ekovich concerning the 19 valuations for Trump golf courses.</p> <p>20 A Yes, and I believe there were other experts that we 21 spoke with as well, so we may have used a combination of people.</p> <p>22 Q So just so we are clear, you had several communications 23 with Mr. Ekovich, though, right?</p> <p>24 A Correct.</p> <p>25 MR. SOLOMON: We offer PX 3144 in evidence.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 897</p> <p>1 to go to an expert to help me to do that.</p> <p>2 THE COURT: Move the microphone closer. You 3 might --</p> <p>4 THE WITNESS: Yeah. Yeah.</p> <p>5 THE COURT: They are really quirky microphones. 6 You could be right there and you have to talk right into it.</p> <p>7 THE WITNESS: Second time.</p> <p>8 Q Was it your testimony earlier today that between 9 roughly 2011 and your departure, you were involved in reviewing 10 the notes to the Statements of Financial Condition before they 11 were finalized?</p> <p>12 A The notes -- the notes, yes, which describe our 13 properties, discuss any liabilities that are associated with the 14 properties, things of that nature. Those notes is what I'm 15 referring to.</p> <p>16 Q Was that because you understood that Mr. Trump wanted 17 the assets described in the best possible light?</p> <p>18 A Yeah. Well -- yeah, he has his own way of writing. I 19 might use a word that is -- he may use a different word than I 20 might use, but it is his statement, so I gave him the 21 opportunity to correct a word here or there that he didn't like. 22 By the way, a lot of these notes were written by the Mazars 23 firm. I would come back and alter it a little bit and then the 24 final draft came out and I would give it to Mr. Trump to review. 25 He might say don't use the word "beautiful." Use the words</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 896</p> <p>1 THE COURT: Granted. It is in evidence. 2 (Whereupon, the Document was marked in evidence as 3 People's Exhibit 3144.)</p> <p>4 Q Let's go back to the process for creating the 5 Statements of Financial Condition in any given year, if we can. 6 Just so we're clear, between 2011 and your departure 7 from the Trump Organization, did you perform any valuations for 8 any of the assets on the Statements of Financial Condition?</p> <p>9 A When you saw me personally.</p> <p>10 Q Yes?</p> <p>11 A I don't recall doing anything like that.</p> <p>12 Q Do you recall testifying at one of the investigatory 13 sessions we had "I certainly am not one to value a property. 14 I have no idea what properties are worth?"</p> <p>15 A I would rely on experts to do that.</p> <p>16 Q But do you recall that's something you had said at one 17 of the motions?</p> <p>18 A I either do -- I don't recall it but certainly 19 possible.</p> <p>20 Q You're not disputing it, correct?</p> <p>21 A I'm not disputing it.</p> <p>22 Q Is it still your position, sir, that you have no idea 23 what properties are worth?</p> <p>24 A I have no idea -- no. I personally -- if I looked at 25 a building, I couldn't tell you what it's worth. I would have</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 898</p> <p>1 "magnificent" or something like that because it was not just a 2 Statement of Financial Condition, but it was also a way of 3 telling anybody who read it how our properties are, not typical 4 properties, premier properties, and he wanted to be in that vein 5 because you put a lot of effort and money over the years into 6 making these properties exactly that.</p> <p>7 Q Do I understand correctly then for each year from 2011 8 and your departure, before the Statement of Financial Condition 9 was finalized, you would give it to Mr. Trump?</p> <p>10 A Yes.</p> <p>11 Q And did you understand that he would re- --</p> <p>12 A No. No. Well, well, once he became president --</p> <p>13 Q Certainly. I'll rephrase my question. 14 Between 2011 and when Mr. Trump became president, did 15 you give him a Statement of Financial Condition prior to the 16 time it was finalized?</p> <p>17 A Yes, I did.</p> <p>18 Q Did he have an opportunity to review it?</p> <p>19 A Yes.</p> <p>20 Q To your knowledge, did he review it?</p> <p>21 A Again, once I gave it to him and I left his office, 22 what he did with it, I wouldn't know.</p> <p>23 Q Did you ever receive comments on a Statement of 24 Financial Condition from Mr. Trump before he became president?</p> <p>25 A Periodically.</p>

<p style="text-align: right;">Page 899</p> <p>1 Q Once Mr. Trump became president, to whom, if anyone,</p> <p>2 did you give the Statement of Financial Condition for review</p> <p>3 before it was finalized?</p> <p>4 A I don't remember. I was -- I don't remember whether I</p> <p>5 gave it to Eric Trump and/or Donald Trump. I just don't recall.</p> <p>6 I may have. I just don't remember.</p> <p>7 Q When you say Donald Trump, you mean Donald Trump, Jr.?</p> <p>8 A Yes.</p> <p>9 (Continued on the next page.)</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 901</p> <p>A. Weisselberg - Petitioner - direct (Solomon)</p> <p>1 we have -- yes, that's pretty much the extent.</p> <p>2 Q So you are familiar with it?</p> <p>3 A I am familiar with it -- I realize that. I'm sorry.</p> <p>4 Q I didn't want to cut you off, sir.</p> <p>5 A No. No, I'm sorry.</p> <p>6 THE COURT: I guess "familiar" could be interpreted</p> <p>7 different ways. I think Mr. Weisselberg was partly saying</p> <p>8 to be familiar with it you have to be there, but I think</p> <p>9 Mr. Solomon's meaning was just did you know if it exists.</p> <p>10 THE WITNESS: I understand that now.</p> <p>11 THE COURT: So you know it exists and you know you</p> <p>12 were there a long time ago?</p> <p>13 THE WITNESS: Yes.</p> <p>14 THE COURT: Just give me one second.</p> <p>15 (Whereupon, there is a pause in the proceedings.)</p> <p>16 THE COURT: Thanks. Go ahead.</p> <p>17 CONTINUED DIRECT EXAMINATION</p> <p>18 BY MR. SOLOMON:</p> <p>19 Q Seven Springs is one of properties that appears as an</p> <p>20 asset on the Statements of Financial Condition; correct?</p> <p>21 A Correct.</p> <p>22 MR. SOLOMON: Can we pull up the 2014 SOFC, PX 730?</p> <p>23 Q Do you recognize this document, sir?</p> <p>24 A Yes.</p> <p>25 Q What do you recognize it to be?</p>
<p style="text-align: right;">Page 900</p> <p>A. Weisselberg - Petitioner - direct (Solomon)</p> <p>1 Q When you say "Don Trump," are you referring to Don</p> <p>2 Trump, Jr.?</p> <p>3 A Yes.</p> <p>4 Q Between 2011 and when Mr. Trump became president, would</p> <p>5 he convey to you, in form or substance, that he had no</p> <p>6 additional comments to the SOFC?</p> <p>7 A Are you talking about the years blend in one after the</p> <p>8 other? I don't remember if he said those words to me exactly as</p> <p>9 you're putting them.</p> <p>10 Q That's why I asked in form or substance.</p> <p>11 You had an understanding at some point in time between</p> <p>12 2011 when he became president that he was okay with the SOFCs;</p> <p>13 right?</p> <p>14 A Yes.</p> <p>15 Q Okay. Prior to gaining that understanding that he was</p> <p>16 okay with the SOFC, did you ever send it to Mazars between 2011</p> <p>17 and when Mr. Trump became president as a final version before</p> <p>18 Mr. Trump signed off on it?</p> <p>19 A Not that I can remember, no.</p> <p>20 Q Let's talk about Seven Springs.</p> <p>21 Are you familiar with the property known as Seven</p> <p>22 Springs located in the towns of Bedford, New Castle and North</p> <p>23 Castle, New York?</p> <p>24 A As one of our assets, I was there once many, many, many</p> <p>25 years ago to tour the place, but that's probably the extent and</p>	<p style="text-align: right;">Page 902</p> <p>A. Weisselberg - Petitioner - direct (Solomon)</p> <p>1 A Statement of Financial Condition of Donald Trump dated</p> <p>2 June 30, 2014.</p> <p>3 MR. SOLOMON: Could we please turn to page 20 of 26</p> <p>4 on the exhibit?</p> <p>5 Q Do you see across the bottom, "mansion at Seven</p> <p>6 Springs." Do you see that?</p> <p>7 A Yes.</p> <p>8 Q "The property is zoned for nine luxurious homes. It</p> <p>9 has been valued at \$291 million based on an assessment made by</p> <p>10 Mr. Trump in conjunction with his associates of the projected</p> <p>11 net cash flow which he would derive as those units are</p> <p>12 constructed and sold and the estimated fair value of the</p> <p>13 existing mansion and other buildings." Do you see that?</p> <p>14 A Yes.</p> <p>15 Q Now, in doing this calculation to get to \$291 million</p> <p>16 was any discount to the cash flow applied to account for the</p> <p>17 time it would take to obtain all necessary approvals, build the</p> <p>18 homes and then sell the homes?</p> <p>19 A I don't know. I don't know.</p> <p>20 Q Do you know if a -- have you ever heard the term</p> <p>21 "present value of money?"</p> <p>22 A I've heard that. I've heard that term.</p> <p>23 Q Are you familiar with it?</p> <p>24 A To a degree.</p> <p>25 Q You understand that \$10 ten years from now is not the</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 903</p> <p>1 same as \$10 today; right?</p> <p>2 A Yes, and I believe these financial statements were what</p> <p>3 we felt the property was worth on that date we did the financial</p> <p>4 statements.</p> <p>5 Q So but as you sit here today, you don't know if any</p> <p>6 discount of present value was applied to the \$291 million</p> <p>7 projected net cash flow, do you?</p> <p>8 A No, I don't.</p> <p>9 Q Now, beyond just Seven Springs do you know if for any</p> <p>10 of the valuations on any Statement of Financial Condition</p> <p>11 between 2011 and your departure there was an application to</p> <p>12 determine the present value of a future income stream?</p> <p>13 A I don't know whether that was done or not. I didn't</p> <p>14 work on the calculations, but I believe that the values were</p> <p>15 based on what we felt we could settle for on that date, on the</p> <p>16 date of the financial statement. That was valued -- for</p> <p>17 example, if you take a building, a commercial building, you have</p> <p>18 leases in place and we took the current values of those leases</p> <p>19 that day and did our -- and went from there. That became our</p> <p>20 NOI with the cap rate. In ten years later those leases that</p> <p>21 were \$20,000 square foot, could be \$90 a square foot. So we</p> <p>22 didn't work with that \$90. We worked with \$20 as of today to</p> <p>23 come up with our NOI.</p> <p>24 Q Is that what you understand this cap to present value</p> <p>25 mean?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 905</p> <p>1 Trump Organization was thinking about putting a golf course</p> <p>2 there; right? Do you recall that?</p> <p>3 A There was discussion about that, yes.</p> <p>4 Q But you couldn't get the proper zoning for that; right?</p> <p>5 A Correct.</p> <p>6 Q So you had to give that up?</p> <p>7 A I believe so.</p> <p>8 Q Okay. So then it became a concept of building mansions</p> <p>9 on the property; right?</p> <p>10 A Correct.</p> <p>11 Q So on the day of this financial statement as of</p> <p>12 June 30, 2014?</p> <p>13 A Okay.</p> <p>14 Q Okay. The value of the development rights for this</p> <p>15 property was not discounted to present value, was it?</p> <p>16 A The -- can I answer it other than yes or no?</p> <p>17 Q Can you answer it yes or no?</p> <p>18 THE COURT: Seems like a yes-or-no question.</p> <p>19 A Well, the question is when the zoning is arrived at or</p> <p>20 was obtained or when the zones were built assuming you weren't</p> <p>21 just selling land. This could be your land sales, nine -- it</p> <p>22 has -- it's zoned for nines homes. Doesn't mean we're going to</p> <p>23 build the homes. We could sell the land that day for those</p> <p>24 numbers. They could go out and get their zoning.</p> <p>25 Q Did you think you could sell the land that day for</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 904</p> <p>1 A Yes, we were using the values as of that date.</p> <p>2 Q That's a snapshot, sir, of the valuation, isn't it?</p> <p>3 A I don't know how you describe --</p> <p>4 Q You didn't assume that ten years of rent you had it on</p> <p>5 the day of the valuation, did it -- did you?</p> <p>6 A No. The way the valuation -- sorry.</p> <p>7 Q Yes-or-no question.</p> <p>8 A Finish the question.</p> <p>9 Q You didn't assume you had all that money on day one;</p> <p>10 right?</p> <p>11 A We weren't --</p> <p>12 Q Yes or no? For the lease, the lease you just</p> <p>13 described, did you assume that you had the ten years of rent</p> <p>14 payments on June 30th of any given year?</p> <p>15 A And that's what -- why we consider it. We didn't have</p> <p>16 it.</p> <p>17 Q You didn't have it, so you didn't consider it?</p> <p>18 A Correct.</p> <p>19 Q So let's talk about projects under development. That's</p> <p>20 a category in the financial statements; right?</p> <p>21 A Correct.</p> <p>22 Q Mentioned at Seven Springs, that's a project under</p> <p>23 development for a period of time; right?</p> <p>24 A Correct.</p> <p>25 Q In fact, at one point in time ten, 20 years ago, the</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 906</p> <p>1 \$291 million?</p> <p>2 A I didn't have a backup to those numbers. I don't know</p> <p>3 the answer to that question.</p> <p>4 Q Is that how you read that, though?</p> <p>5 A I read that the property is zoned for nine luxurious</p> <p>6 homes. It has been valued on this date. When --</p> <p>7 Q Based on?</p> <p>8 A -- in conjunction with his associates based on</p> <p>9 projected cash flow.</p> <p>10 Q Projected net cash flow?</p> <p>11 A Correct.</p> <p>12 Q That's not a dollar you have on June 30, 2014; right,</p> <p>13 projected? Is that right?</p> <p>14 A Yes. Projection could have been in a week later. It's</p> <p>15 a possibility he could have --</p> <p>16 Q Nine luxurious homes build, get zoning for them, build</p> <p>17 them and sell them a day later. Yes or no, sir? Is that what</p> <p>18 your testimony is?</p> <p>19 A I'm trying to read the question -- I mean, I'm trying</p> <p>20 to read the paragraph.</p> <p>21 Q Go ahead.</p> <p>22 A The property is zoned for nine luxurious homes. It</p> <p>23 doesn't mean the homes are being sold for 291 million. I don't</p> <p>24 see that.</p> <p>25 Q I'm not saying the homes are being sold for 291, sir.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 907</p> <p>1 What I'm asking you is it's the projected net cash flow he would  2 derive as those units are constructed and sold and the estimated  3 fair value of the existing mansions. As they are constructed  4 and sold, future tense, future; right?  5 A Correct.  6 Q They're not doing that the next day; right?  7 A Okay.  8 Q You agree with me?  9 A Yes, I do.  10 Q Okay. You're familiar with Seven Springs. You told me  11 that before. You've been up there?  12 A Yes.  13 Q Barren land, right, except for the existing buildings?  14 A Except it was a mansion on the property, one mansion.  15 Q Right, so there had to be some period of time to get  16 the proper zoning, some of it for nine homes was there. It had  17 to be sometime to break the land; right? Had to be sometime to  18 build the homes; right?  19 A Correct.  20 Q Sometime to market and sell them; right?  21 A Could have done it in a year. I don't know the time  22 period.  23 Q But this doesn't account for anytime period, does it?  24 A Nor do I know whether Mr. Trump would go out and try to  25 market the property while the zoning was going on, sign</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 909</p> <p>1 testimony?  2 A Sorry?  3 Q Are you certain of that last answer as you are the rest  4 of your testimony?  5 A As it pertains to this property, yes, sir.  6 MR. SOLOMON: Can we mark PX 3114 for  7 identification?  8 THE COURT: Please don't talk over each other and  9 I'm not sure that that point was ever really made because  10 you went on all sorts of tangents.  11 I think, Mr. Weisselberg, what Mr. Solomon was  12 trying to get you to do, you can do it or not, I think what  13 he was trying to get you to do was to acknowledge that since  14 the number up there was based on future events for planning,  15 the building, for selling, that the net eventual proceeds  16 needed to be discounted to take into account that that would  17 not occur right away. Am I describing that correctly?  18 THE WITNESS: You are. I don't know on the GAAP  19 what the requirements are to value something that may have  20 future value. I'm not a GAAP expert. I think if the Mazars  21 firm who's part and parcel of producing this statement  22 realizes that GAAP does not permit that they would have said  23 something to us evidently knowing this is a future  24 development. They allowed the number on the statement the  25 way it is.</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 908</p> <p>1 contracts while the zoning was going on subject to getting that  2 zoning. A lot of things could have been going on. He could  3 have been building the models. I don't know what he has in his  4 mind with that property. I wasn't really involved in the  5 development of the property, but I --  6 Q Are you sure about the time?  7 A That I was involved in the --  8 Q That you were not involved in the development of the  9 property?  10 A I didn't -- I'm not a developer. I wouldn't know where  11 to start.  12 Q But the development of that property -- you were not  13 involved in the development of that property. Is that your  14 testimony?  15 A No, I don't understand your question what you're saying  16 to me. The development, meaning working with people to get  17 information to help them get zoning, that numbers, things of  18 that nature.  19 Q Or working with people to determine how the property  20 would be developed if at all?  21 A I don't recall -- I mean, I recall people working on it  22 specifically. They may have called me for certain information,  23 but I don't recall developing or where to begin developing a  24 property.  25 Q Are you certain of that as you are the rest of your</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 910</p> <p>1 THE COURT: Just before we move on to this next  2 document, Mr. Solomon, I've advised for you, for all the  3 lawyers, for everybody in the room, this is a particular pet  4 peeve of mine and it will make life simpler of everyone.  5 Don't ask questions in the negative. For example, the  6 questions are often "you didn't do that, did you?" And then  7 well, there is a no answer, meaning "no, I didn't do it" or  8 "no, I" -- just ask if you did it, okay? Don't start with  9 "this doesn't mean." Just ask in the positive, "did you do  10 it." I pass that off for what it's worth.  11 Q Sir, do you recognize PX 3114 for identification?  12 A Okay.  13 Q Do you recognize it?  14 A I acknowledge this is an e-mail from me.  15 Q Do you recall seeing it before today?  16 A I'm sure if I typed that the answer is yes.  17 Q The subject on the first e-mail is "easement analysis."  18 Do you see that?  19 A Yes.  20 Q And it's from Sheri Dillon to you, Eric Trump and  21 Donald Bender?  22 A Yes.  23 Q And you turn to the next page and -- I'm sorry -- the  24 date on this is September 23, 2014; right?  25 A Yes.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 911</p> <p>1 Q You turn to the next page title is "Potential 2 Charitable Contribution Analysis." Do you see that? 3 A Yes. 4 Q See Seven Springs is there? 5 A Yes. 6 Q And the valuation for the Seven Springs column is 7 estimated in excess of 30 million. Do you see that? 8 A Yes. 9 Q Did you have an understanding that the potential 10 valuation for the easement donation for the Seven Springs 11 property was in excess of \$30 million in or about September of 12 2014? 13 A I don't know much about the conservation easement. I 14 really wasn't involved in that transaction. I don't believe 15 they were referring to the entire property. I think it was a 16 portion of the property that they were not going to develop, but 17 then that's something I am not -- I am further from reality 18 with. 19 Q In fact, did you understand that that amount was 20 reflective of the value of a donation of the development rights 21 for Seven Springs? 22 A I don't -- again, I don't know what it's for. I wasn't 23 really involved in the -- Ms. Sheri Dillon worked with Eric 24 Trump on this conservation easement. 25 Q But you're copied on the e-mail?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 913</p> <p>1 A I don't believe so, but I don't know for sure. 2 Q Okay. Did the potential easement donation include the 3 existing mansion and related buildings on the property? 4 A I don't know. 5 Q You left that to Sheri Dillon and Eric Trump? 6 A That's correct. 7 Q Let's turn back, if we can, keeping that to one side 8 for the moment to PX 718. That's the rep letter for the 2014 9 SOFC. 10 A Okay. 11 Q Do you have that document in front of you, sir? 12 A I do. 13 Q That's November 7, 2014? 14 A I do. 15 Q And that's a little over a month, a month and a week or 16 two weeks after that September 23rd we just saw; right? 17 A Yes. 18 Q Documents on the left? 19 A Yes. 20 Q So some point prior to this management rep letter you 21 became aware of a potential charitable contribution relating to 22 Seven Springs; right? 23 A The one where Bender was copied on that e-mail 24 regarding this? 25 Q Yes, the one that's on the left side of the screen.</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 912</p> <p>1 A I am copied. I may have been on a kickoff ball and 2 after that that was the end of it, so I don't know exactly what 3 took place regarding that conservation easement. 4 Q I wasn't asking if you knew what took place. I was 5 just asking if you were aware or understood that that amount of 6 the excess of 30 million was related to a donation or potential 7 donation of the developments? 8 A To a portion of the property. It wasn't the entire 9 property. I don't know if your question is being phrased the 10 way I understand it. I think there was a portion of the 11 property they weren't going to develop and they were going to 12 donate it as a charitable contribution and that's I think what 13 this is about, not about the entire property with nine mansions 14 and all that stuff. But, again, I'm talking about without 15 having been part of most of these meetings that took place. 16 Q At this point in time they didn't have those nine 17 mansions that we were talking about earlier on the property; 18 right? 19 A No. 20 THE COURT: I didn't really explain it that well. 21 If somebody says you didn't do it, if you say no that could 22 mean no, I didn't do it; it could mean yes, you're right I 23 didn't do it. So ask it in the positive. 24 Q Did the development rights that you're just referring 25 to include nine existing mansions on the property?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 914</p> <p>1 A Yes, but again, the e-mail that you showed me initially 2 included Donald Bender as part of that meeting. 3 Q Yes. 4 A Yes, we're talking about the same thing. 5 Q Yes. So prior to November 7, 2014 you're aware of that 6 potential easement donation? 7 A Potentially. 8 Q And you're aware there was a valuation of that easement 9 donation to be estimated to be in excess of 30 million; correct? 10 A Correct. 11 Q Did you do anything at all between September 23, 2014 12 and November 7, 2014 when you signed that letter to determine 13 what portion of the property would be covered by the potential 14 easement donation that was estimated to be in excess of 15 \$30 million? 16 A I did nothing. I don't know if Jeff McConney did 17 anything. 18 THE COURT: If he asks if you did something just -- 19 THE WITNESS: I did not. 20 Q Did you direct anyone to do anything between that time, 21 September 23, 2014 and November 7th? 22 A Regarding a potential -- 23 Q Regarding a potential easement? 24 A When it hasn't happened yet? 25 Q Yes, sir.</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 915</p> <p>1 A I did not.</p> <p>2 Q And did you direct them to do anything with regards to</p> <p>3 a potential valuation of that easement estimated to be in excess</p> <p>4 of \$30 million?</p> <p>5 A I did not.</p> <p>6 Q So you did nothing and didn't direct anyone to compare</p> <p>7 that valuation on the chart on 9/23/2014 and any valuation that</p> <p>8 might have appeared on the SOFC, did you do anything or direct</p> <p>9 him to do anything?</p> <p>10 A No.</p> <p>11 THE COURT: That's much better than didn't you do</p> <p>12 this.</p> <p>13 MR. SOLOMON: I am guided by the Court's direction.</p> <p>14 Q Can we look at the Jeff Supporting Data, PX 7198,</p> <p>15 specifically lines 668 through 673?</p> <p>16 MR. SOLOMON: And, Your Honor, while we're waiting</p> <p>17 for that, I move to admit PX 317.</p> <p>18 MR. ROBERT: Objection, Your Honor. I have several</p> <p>19 grounds for the objection. The first is that it's from</p> <p>20 2014, so we have a statute of limitations defense.</p> <p>21 Secondly, I know during the course of the special</p> <p>22 proceeding, which we weren't involved with, the Court made</p> <p>23 certain rulings as to attorney/client privileged documents,</p> <p>24 but I will note that not all the parties were defendants in</p> <p>25 this case were parties to the special proceeding, so we</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 917</p> <p>1 And the third objection that you would have to</p> <p>2 discuss --</p> <p>3 MR. ROBERT: The third objection is just of a</p> <p>4 matter to quote Mr. Kise, if we produce something the night</p> <p>5 before we're not going to stand on ceremony that it wasn't</p> <p>6 24 hours. And I appreciate the Court's ruling on the</p> <p>7 others. I just wanted to preserve the record.</p> <p>8 THE COURT: And Mr. Solomon?</p> <p>9 MR. SOLOMON: Do I need to respond? It sounded as</p> <p>10 if he was just putting it on there to preserve his position</p> <p>11 if and when they intend to introduce --</p> <p>12 THE COURT: Well, we're just talking about the</p> <p>13 third.</p> <p>14 MR. SOLOMON: The third, very simply, Your Honor,</p> <p>15 we're using it to impeach the witness so that if he was not</p> <p>16 involved in the development or easement of the -- with</p> <p>17 respect to the Seven Springs property.</p> <p>18 THE COURT: And the document shows that he was?</p> <p>19 MR. SOLOMON: We believe it does, Your Honor.</p> <p>20 MR. ROBERT: Again, Your Honor, the question was</p> <p>21 about the development and it wasn't about the easement.</p> <p>22 Mr. Solomon's earlier question when he started to use the</p> <p>23 document and then they -- it was going to be used solely for</p> <p>24 impeachment purposes they wouldn't be using it saying they</p> <p>25 intend to use it today because under our stipulation and</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 916</p> <p>1 would still object to the admissibility of this document</p> <p>2 under attorney/client privilege inasmuch as the document is</p> <p>3 marked subject to attorney/client privilege.</p> <p>4 Third, this was a document that was just produced</p> <p>5 to us by the defendants -- by the plaintiffs, rather, for</p> <p>6 their use today over the weekend and the order requires one</p> <p>7 business day. I know Mr. Solomon said it was being used for</p> <p>8 impeachment. As I heard the testimony, it's not</p> <p>9 inconsistent. The question was was Mr. Weisselberg involved</p> <p>10 in the development and he was more focused on the financial</p> <p>11 side than the development side. So for those three bases we</p> <p>12 would object to those being introduced into evidence.</p> <p>13 THE COURT: Should we discuss them one at a time?</p> <p>14 The statute of limitations objection is a standing</p> <p>15 objection?</p> <p>16 MR. ROBERT: Yes, sir.</p> <p>17 THE COURT: And denied.</p> <p>18 In terms of the attorney/client privilege, I think</p> <p>19 once it's out there in the world, you don't get to object on</p> <p>20 attorney/client privilege anymore. I understand that you</p> <p>21 would have if you had been part of the investigation.</p> <p>22 In any event we looked at it and it's not his</p> <p>23 business, it's not attorney/client privilege. You can't</p> <p>24 privilege something just by claiming it's attorney/client</p> <p>25 privilege.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 918</p> <p>1 order with you the documents for impeachment don't have to</p> <p>2 be exchanged.</p> <p>3 So, again, the fact that they gave it to us</p> <p>4 yesterday, I'm just making the point that we do the same</p> <p>5 thing. And as far as the rest of it, we understand the</p> <p>6 Court's ruling. We're just preserving the objection.</p> <p>7 THE COURT: It's in evidence over two objections</p> <p>8 and one half objection.</p> <p>9 MR. SOLOMON: Thank you, Your Honor.</p> <p>10 Q Sir, if you take a look at this, line four, 668. 668</p> <p>11 through 680. Do you see that?</p> <p>12 A 668?</p> <p>13 Q 668, yes. Do you see where the gray line is across?</p> <p>14 A Yes.</p> <p>15 Q Okay. "Bedford seven mansions approved?"</p> <p>16 A In Bedford, yes.</p> <p>17 Q If you go up to 666, apologies for that number, but</p> <p>18 that's where it is on the spreadsheet. "North Castle, land to</p> <p>19 be used as part of main mansion."</p> <p>20 Was that the land you were talking about that the</p> <p>21 existing buildings were on?</p> <p>22 A I don't know the towns they're in, but there was a</p> <p>23 mansion already on the property. I do know that.</p> <p>24 Q And if you go up one more to 665, "New Castle land to</p> <p>25 be donated?" Do you see that?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 919</p> <p>1 A I see that.</p> <p>2 Q Okay. Now, the Bedford talks about seven mansions</p> <p>3 approved; right?</p> <p>4 A Yes.</p> <p>5 Q Do you recall the SOFC talked about nine?</p> <p>6 A Yes. I see that there was numbers. I don't know if</p> <p>7 they're included in the main mansion as being nine, but I see</p> <p>8 seven here. So you're saying we undervalued the -- we should</p> <p>9 have added two more to this?</p> <p>10 Q I'm asking.</p> <p>11 A I don't -- again, I didn't do this. I did not do this.</p> <p>12 This was Jeff McConney's spreadsheet, so I don't know what --</p> <p>13 why you count seven, I don't know.</p> <p>14 Q I was trying to understand if you could explain the</p> <p>15 apparent discrepancy between the seven and the nine. It sounds</p> <p>16 as if the answer to that is no?</p> <p>17 A I don't know. Maybe it shouldn't have been nine. He</p> <p>18 should have raised it. I don't know.</p> <p>19 Q Should have raised it -- sir, do you recall that there</p> <p>20 was actually an appraisal done in connection with the donation</p> <p>21 of a conservation of Seven Springs?</p> <p>22 A I believe I was involved in that exhausting the fee</p> <p>23 that was going to be charged by Cushman &amp; Wakefield may have</p> <p>24 done an appraisal for Sheri Dillon that she was going to use for</p> <p>25 the conservation easement. Yes, I remember that.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 921</p> <p>1 Q You signed the management rep letters; right?</p> <p>2 A Yes, yes.</p> <p>3 Q And you don't recall if you knew there was an appraisal</p> <p>4 showing a difference of somewhere in the area of \$230 million in</p> <p>5 the valuation of an asset?</p> <p>6 A Correct. I did not see that appraisal. I don't recall</p> <p>7 seeing that appraisal, no.</p> <p>8 Q And it wouldn't matter to you because that's less than</p> <p>9 five percent of the net worth of 6 billion; correct?</p> <p>10 A That wouldn't come into play. I don't recall seeing</p> <p>11 the appraisal.</p> <p>12 Q The question is a little different.</p> <p>13 Even if you hadn't seen the appraisal it wouldn't</p> <p>14 matter to you because \$230 million difference is less than five</p> <p>15 percent of a net worth of \$6 billion?</p> <p>16 A Well, I didn't look at the net worth that year.</p> <p>17 Q So it was 6 billion -- if you saw a difference of</p> <p>18 \$230 million you wouldn't tell Mazars, would you?</p> <p>19 It's a yes-or-no question, sir. Would you tell Mazars</p> <p>20 if you saw the appraisal for an asset that you had previously</p> <p>21 identified at 291 million come in \$230 million less?</p> <p>22 A I don't know how to answer the question. The reason</p> <p>23 why I don't because --</p> <p>24 THE COURT: You don't know how to answer the</p> <p>25 question yes or no? Would you have told them if he was</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 920</p> <p>1 Q Okay. Do you recall the appraised -- withdrawn.</p> <p>2 Do you recall that Cushman &amp; Wakefield performed that</p> <p>3 appraisal?</p> <p>4 A I believe so.</p> <p>5 Q Cushman &amp; Wakefield is a respected firm?</p> <p>6 A Correct.</p> <p>7 Q Do you recall the evaluation they came up with for the</p> <p>8 entirety of the Seven Springs property, the portion in Bedford,</p> <p>9 the portion in New Castle, the portion in North Castle?</p> <p>10 A No, I don't know.</p> <p>11 Q Would it surprise you to learn that it was in the area</p> <p>12 of 56 million for everything?</p> <p>13 A Yes. Again, I have no way to react to that.</p> <p>14 Q There is no way to react? It's 291 million on this?</p> <p>15 A Correct.</p> <p>16 Q And I've -- there is an appraisal for the entirety of</p> <p>17 the property, including the mansions of 56, 56 and a half</p> <p>18 million. You have no way to react?</p> <p>19 A I don't know what the appraisal with everyone</p> <p>20 including. Were they including mansions, were they including</p> <p>21 this land. I don't know. I may have seen the appraisal, so for</p> <p>22 me to comment on that would be unfair.</p> <p>23 Q You're the CFO -- you were the CFO, excuse me, at this</p> <p>24 time?</p> <p>25 A Correct.</p>	<p>Page 922</p> <p>1 seeing --</p> <p>2 THE WITNESS: No. The answer is no.</p> <p>3 Whereupon, the transcript continues on the</p> <p>4 following page....</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 923</p> <p>1 Q Once you became a trustee, were you responsible for</p> <p>2 providing certifications to lending institutions as to the</p> <p>3 Statement of Financial Condition of the Trump Organization?</p> <p>4 A I believe so, yes.</p> <p>5 Q Or the trust, I should say.</p> <p>6 A Yes.</p> <p>7 MR. SOLOMON: Could we mark as PX 1386, this is a</p> <p>8 family of exhibits.</p> <p>9 Q Sir, I will direct your attention specifically to page</p> <p>10 39 of this exhibit.</p> <p>11 A Okay.</p> <p>12 Q Are you there, sir?</p> <p>13 A I have it.</p> <p>14 Q Cover e-mail from Haroula Zapantis, do you see that?</p> <p>15 A Yes.</p> <p>16 Q Is that person a senior accountant at the Trump</p> <p>17 Organization in or about 2017 or was that person?</p> <p>18 A Yes.</p> <p>19 Q It says, "Please see attached report required per our</p> <p>20 loan documents for the above-referenced loan." Do you see that?</p> <p>21 A Yes.</p> <p>22 Q And the above reference loan is 40 Wall Street, loan</p> <p>23 number 28000723. Do you see that?</p> <p>24 A Yes.</p> <p>25 Q Turn to the next page. Donald J. Trump summary of net</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 925</p> <p>1 A 39 is the Haroula e-mail.</p> <p>2 Q Is the cover, "Please see the attached report required</p> <p>3 for per our loan documents"?</p> <p>4 A Right.</p> <p>5 Q Did you send it or did you cause someone to send it to</p> <p>6 Wells Fargo to comply with obligations and loan documents.</p> <p>7 A I would say so, yes.</p> <p>8 Q Did you understand that there would be a default under</p> <p>9 these loan documents if you failed to provide this</p> <p>10 certification?</p> <p>11 A I don't recall the covenants of the loan off the top of</p> <p>12 my head, whether they were cure rights or things of that nature</p> <p>13 that we could cure if there was an issue. I don't know the</p> <p>14 answer to the question.</p> <p>15 Q Did you understand it would be a breach of a covenant</p> <p>16 under the loan documents if you didn't send this certification?</p> <p>17 A I would imagine so, yes.</p> <p>18 Q Now, you certified that the information is true,</p> <p>19 correct and complete and fairly presents the financial condition</p> <p>20 of Donald J. Trump?</p> <p>21 A Correct.</p> <p>22 Q You told me this information came from the Statement of</p> <p>23 Financial Condition, right?</p> <p>24 A Correct.</p> <p>25 Q You also told us earlier today that the notes to a</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 924</p> <p>1 worth as of June 30, 2017, do you see that?</p> <p>2 A I do.</p> <p>3 Q Go to the bottom. I, Allen Weisselberg, certify that</p> <p>4 the above information is true, correct and complete and fairly</p> <p>5 presents the financial condition of Donald J. Trump and it is</p> <p>6 signed by you as trustee; is that right?</p> <p>7 A Correct.</p> <p>8 Q That's your signature?</p> <p>9 A Yes.</p> <p>10 Q The numbers here are derived from the Statements of</p> <p>11 Financial Condition, right?</p> <p>12 A I believe so, yes.</p> <p>13 Q Well, you certify that it is true --</p> <p>14 A Yes. The answer is yes.</p> <p>15 Q Why did you issue a certification?</p> <p>16 A I'm sorry. I don't understand the question.</p> <p>17 Q Sure. You certified that this information was correct?</p> <p>18 A Okay.</p> <p>19 Q And it was then sent on to Wells Fargo, right?</p> <p>20 A Okay.</p> <p>21 Q Is that right? Look at the cover page of the e-mail.</p> <p>22 A What page is that?</p> <p>23 Q One page before, 39 of 230.</p> <p>24 A I'm sorry.</p> <p>25 Q Take a moment.</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 926</p> <p>1 Statement of Financial Condition are an integral part of that</p> <p>2 statement, right?</p> <p>3 A Correct.</p> <p>4 Q You didn't send the notes, did you?</p> <p>5 A I don't know what was required in the loan document,</p> <p>6 whether they said we had to send the actual statement. We could</p> <p>7 have just done that easily. I don't know what the covenant said</p> <p>8 in the loan document.</p> <p>9 Q Let me see if I can do this in the affirmative way.</p> <p>10 Yes or no, did you send the notes to the financial</p> <p>11 statement?</p> <p>12 A No.</p> <p>13 Q Please turn to page 41. I believe that's the same</p> <p>14 certification; is that right?</p> <p>15 A Yes.</p> <p>16 Q And page 42 is a new document from the same person on</p> <p>17 the same -- on November 7, 2017, right?</p> <p>18 A Yes.</p> <p>19 Q On page 43 is another certification by you?</p> <p>20 A Yes.</p> <p>21 Q Correct?</p> <p>22 A Yes.</p> <p>23 Q That's being sent to the lender, correct?</p> <p>24 Well, withdrawn.</p> <p>25 That's being sent to Wells Fargo; is that right?</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 927</p> <p>1 A Is Wells Fargo the servicer of -- I want to give you 2 an answer that I think will help you. The servicer, Wells 3 Fargo, I don't know what loan they're servicing and every 4 servicer requires different things to be sent to them. The loan 5 documents say that as well. If a loan document said just send 6 us a summary, then we complied with that covenant in the 7 mortgage. If it says send us the Statement of Financial 8 Condition, they would have gotten that. 9 Evidently, this loan indicated that they wanted a 10 summary of a net worth, not the Statement of Financial 11 Condition. Without seeing the document, I'm doing this purely 12 from logic and memory, so if you had the loan document here and 13 you could point me to what the covenant indicated, I would be 14 able to answer the question better for you. 15 Q I think we can do it even faster without having you go 16 through all the loan documents. You were sending this to Wells 17 Fargo to comply with what you believed to be the obligations 18 under the loan agreements, right? 19 A Correct. 20 Q If you look at pages 44 and 45, similarly same date, 21 being sent to Wells Fargo again, correct? 22 A Same document over and over again. Same e-mail over 23 and over again, all dated November 17th. 24 Q Actually, it is not. If you look at the subject, the 25 loan numbers are different. On the first one, the loan number</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 929</p> <p>1 Q 92, yes, please. We now have October 25, 2018. 2 A I'm sorry. I'm not there yet. 3 Q Sure. 4 A I'm looking at the hard copy. 5 Q Yes. Do you have it? 6 A Yes, I'm flipping through it now. 7 Q This is again referencing loan 28000723, but this is 8 for October 2018. Do you see that? 9 A Yes. 10 Q Did you provide the -- withdrawn. 11 Did you certify that the above information on page 93 12 is true, correct and complete and fairly presents the financial 13 condition of Donald J. Trump as of June 30, 2018? 14 A This is 40 Wall Street. Yes. 15 Q Did you understand that this certification was a 16 requirement under the loan documents? 17 A Yes. 18 Q And that a failure to provide this certification would 19 be a breach of the Trump Organization's obligations under that 20 loan? 21 A Yes. 22 THE COURT: Seven-minute warning. You only have 23 seven this time. 24 Q Please turn to page 95 and 96. You'll see again it is 25 a cover e-mail, but this time, it's for loan 0920 and you</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 928</p> <p>1 is 723. On the second one, it is 920. And on the third one, 2 it's 213. Do you see that now, sir? 3 A I do, and that's very helpful because each one of those 4 loans, each one of those loans are, I believe, Ladder Capital 5 and they required a summary of Mr. Trump's net worth. So, 6 therefore, based upon what I believed to be the covenant, we 7 provided the summary and not the Statement of Financial 8 Condition with the notes. 9 Q And did you believe you were required to provide this 10 information to comply with the obligations under the loan 11 agreements? 12 A That's correct. 13 Q Let's turn to the next one at pages -- at page 86. 14 Excuse me. 15 A 86, did you say? 16 Q 86 of 230, yes. The page before, document withheld for 17 privilege, but we have a summary of net worth as of June 30, 18 2018. Do you see that? 19 A I do. 20 Q Were you certifying as a trustee that the above 21 information is true, correct and complete and fairly presents 22 the financial condition of Donald J. Trump? 23 A Yes. 24 Q Turn to page 92, please. 25 A You said 92?</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 930</p> <p>1 certify again same thing, correct? 2 A Correct. 3 Q And did you understand that you were providing this to 4 Wells Fargo to comply with Trump Organization's obligations 5 under the reference loan agreement? 6 A Correct. 7 Q Did you understand that if you failed to provide it, 8 the Trump Organization would be in breach of its obligations 9 under the loan agreement? 10 A Correct. 11 Q Next document, page 97 to 98. Again, we have a cover 12 e-mail, the last four digits of the reference loan is 0123. Do 13 you see that? 14 A I do. 15 Q Same certification, sir? 16 A Yes. 17 Q And did you understand that you were providing it in 18 compliance with the Trump Organization's obligations under the 19 reference loan? 20 A Correct. 21 Q And did you understand that if you failed to provide it 22 or Trump Organization failed to provide this, that it would be a 23 breach of its obligations under the loan? 24 A Correct. 25 Q Please turn to page 131. Just to confirm, on all of</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 931</p> <p>1 those certifications, you signed as the trustee, right?</p> <p>2 A I'm not going to go back now, but I believe so.</p> <p>3 Q If it says "trustee" under your name, you were signing</p> <p>4 as trustee?</p> <p>5 A I didn't want to go back and check them all. Yes.</p> <p>6 Q Understood. Page 131.</p> <p>7 A Okay.</p> <p>8 Q We are now in November of 2019.</p> <p>9 A Okay.</p> <p>10 Q First, there is a cover e-mail. You see that?</p> <p>11 A From Patrick Birney.</p> <p>12 Q To someone at midlandls.com. Do you see that?</p> <p>13 A Yes.</p> <p>14 Q Is that Midland Loan Servicing, if you know?</p> <p>15 A I don't know.</p> <p>16 Q Mr. Birney states, "Please see the attached report</p> <p>17 required per our loan documents for the above-referenced loan."</p> <p>18 Do you see that?</p> <p>19 A Yes.</p> <p>20 Q And up top under subject, there is an encrypt loan</p> <p>21 number. Do you see that?</p> <p>22 A Yes.</p> <p>23 Q If you turn to the next page 132, you're certifying as</p> <p>24 trustee that the above information is true, correct and complete</p> <p>25 and fairly presents the financial condition of limited</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 933</p> <p>1 as of June 30, 2019?</p> <p>2 A Yes.</p> <p>3 Q Did you understand that providing that certification</p> <p>4 was a requirement of the loan documents?</p> <p>5 A Yes.</p> <p>6 Q And that if you failed to do so, the Trump Organization</p> <p>7 would be in breach of one of the covenants under the loan</p> <p>8 agreements?</p> <p>9 A A covenant.</p> <p>10 Q Well, one or more, one or more?</p> <p>11 A Okay. I don't know how many covenants covered this,</p> <p>12 but okay.</p> <p>13 Q At least one?</p> <p>14 A Yes.</p> <p>15 Q Let's turn to page 148. We have from Patrick Birney</p> <p>16 this time to Wells Fargo. Do you see that?</p> <p>17 A I do.</p> <p>18 Q And he's attaching a limited guarantor under loans and</p> <p>19 there are four loan numbers, summary of net worth which appears</p> <p>20 on page 149. Do you see that?</p> <p>21 A Yeah. I just don't know what loan it is. There is</p> <p>22 just a loan number. I don't know what loan it is or</p> <p>23 what -- but -- what the covenant -- yes. Go ahead.</p> <p>24 Q You certified the foregoing above information is true,</p> <p>25 correct and complete and fairly presents the financial condition</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 932</p> <p>1 guarantor, correct?</p> <p>2 A Yes.</p> <p>3 Q Were you providing this certification in connection</p> <p>4 with the Trump Organization's obligations under the loan</p> <p>5 documents.</p> <p>6 A Yes.</p> <p>7 Q Did you understand if you failed to provide this, the</p> <p>8 Trump Organization would be in breach of one or more of its</p> <p>9 obligations under the loan documents.</p> <p>10 A A covenant.</p> <p>11 Q Or a covenant of the loan document?</p> <p>12 A Yes.</p> <p>13 Q The next page is another certification by you?</p> <p>14 A Yes.</p> <p>15 Q Actually or the same loan summaries, two copies were</p> <p>16 sent. Do you see that?</p> <p>17 A Yeah. I don't know why.</p> <p>18 Q Can you, please, turn to page 142.</p> <p>19 A Okay.</p> <p>20 Q The middle of the page, Mr. Birney indicates to Tiffany</p> <p>21 McCallop again at Midland LS that he is overnighting the report</p> <p>22 to you for delivery tomorrow. Do you see that?</p> <p>23 A Yes.</p> <p>24 Q If you turn to page 146, is that your certification of</p> <p>25 the limited guarantor's summary of net worth for loan 030308089</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 934</p> <p>1 of limited guarantor, right?</p> <p>2 A Yes.</p> <p>3 Q And you understood that was a requirement under the</p> <p>4 loan agreements?</p> <p>5 A Correct.</p> <p>6 Q You understood it would be a breach of a covenant if</p> <p>7 you did not provide this certification; is that right?</p> <p>8 A Yes.</p> <p>9 Q Turn to page 150, again, the cover e-mail. Do you see</p> <p>10 that?</p> <p>11 A Yes.</p> <p>12 Q And 151, another certification by you as trustee?</p> <p>13 A Correct.</p> <p>14 Q That the above information is true, correct and</p> <p>15 complete and fairly presents the financial condition of limited</p> <p>16 guarantor. You see that?</p> <p>17 A I do.</p> <p>18 Q Did you understand that providing this certification</p> <p>19 was required under the loan agreements?</p> <p>20 A Yes.</p> <p>21 Q Did you also understand that it would be a breach of a</p> <p>22 covenant if you failed to provide a certification?</p> <p>23 A Yes.</p> <p>24 Q Please turn to page 152. It is from Patrick Birney to</p> <p>25 Wells Fargo. Do you see that?</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 935</p> <p>1 A Yes.</p> <p>2 Q And you'll see attached on the next several pages is a</p> <p>3 certification -- all certifications by you that the foregoing</p> <p>4 information contained on those pages describing a summary of net</p> <p>5 worth of a limited guarantor under the reference loans as of</p> <p>6 June 30, 2019 is true, correct and complete and fairly presents</p> <p>7 the financial condition of limited guarantor; is that correct?</p> <p>8 A Yes.</p> <p>9 Q Did you understand that providing this certification</p> <p>10 was required under the reference loan agreements?</p> <p>11 A Yes.</p> <p>12 Q And did you understand that a failure to provide a</p> <p>13 certification would be a breach of a covenant under the</p> <p>14 reference loan agreement?</p> <p>15 A Yes.</p> <p>16 THE COURT: Want to break or you --</p> <p>17 MR. SOLOMON: I will be guided by the Court's</p> <p>18 admonition that 3:20 was the right time.</p> <p>19 THE COURT: As usual, I will take a 10-minute break</p> <p>20 over the next 15 minutes.</p> <p>21 (Witness exits the stand.)</p> <p>22 (Whereupon, a recess was taken.)</p> <p>23 (Witness resumes the stand.)</p> <p>24 THE OFFICER: All rise. Part 37 is back in</p> <p>25 session. Please be seated and come to order.</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 937</p> <p>1 Q See if I can refresh your recollection. This was a</p> <p>2 loan with Ladder Capital, right?</p> <p>3 A Yes.</p> <p>4 Q In fact, the person on the other side of the loan for a</p> <p>5 period of time was Jack Weisselberg, your son?</p> <p>6 A I don't know who Ladder dealt with then, if it was my</p> <p>7 son, maybe somebody else there. I don't know.</p> <p>8 Q Did you have communications with Jack Weisselberg about</p> <p>9 this loan?</p> <p>10 A It's certainly possible.</p> <p>11 Q Does it refresh your recollection if I were to tell you</p> <p>12 that the Trump Organization was waiting on certain sales of</p> <p>13 units, condominium units to close in order to obtain the funds</p> <p>14 it needed?</p> <p>15 A Sounds right.</p> <p>16 Q Was the reason the Trump Organization needed the loan</p> <p>17 was because it did not want to use its own cash on hand at that</p> <p>18 time?</p> <p>19 A I don't recall the reason why, but I don't recall the</p> <p>20 reason why.</p> <p>21 Q Was -- to your knowledge, was there a concern that the</p> <p>22 Trump Organization, that if it used its own cash on hand, it</p> <p>23 would breach its liquidity covenants under existing loans with</p> <p>24 other lenders?</p> <p>25 A Again, without having the numbers in front of me, I</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 936</p> <p>1 THE COURT: Very timely. Thanks. Please continue.</p> <p>2 Q Mr. Weisselberg, let's talk about Trump Central Park</p> <p>3 South for a moment if we can.</p> <p>4 Did there come a time that the Trump Organization</p> <p>5 sought a loan from Ladder Capital secured by either the</p> <p>6 residential or commercial units at Central Park South?</p> <p>7 A I believe so.</p> <p>8 Q Was this in or around 2017?</p> <p>9 A I don't recall the year.</p> <p>10 Q Do you recall that the principal amount of the loan was</p> <p>11 approximately \$25 million?</p> <p>12 A Sounds about right.</p> <p>13 Q Was this a short-term loan of one year or less?</p> <p>14 A I believe so, yes.</p> <p>15 Q Do you recall the loan could actually be paid back in</p> <p>16 two months without penalty?</p> <p>17 A I don't recall the terms at all.</p> <p>18 Q Do you recall it could be paid back earlier without</p> <p>19 penalty?</p> <p>20 A I don't recall.</p> <p>21 Q Was the loan entered into -- was the loan entered into</p> <p>22 because the Trump Organization needed the proceeds from the loan</p> <p>23 to fund a settlement?</p> <p>24 A I don't recall -- you know, like every year's -- it's</p> <p>25 six years ago. I don't remember exactly why.</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 938</p> <p>1 don't recall.</p> <p>2 Q Without the numbers, you don't recall one way or the</p> <p>3 other if the Trump Organization sought this short-term</p> <p>4 \$25 million loan in order to avoid breaching its liquidity</p> <p>5 covenants under loan agreements?</p> <p>6 A I don't recall.</p> <p>7 Q Doesn't sound familiar to you at all?</p> <p>8 A It sounds somewhat familiar, but I don't recall.</p> <p>9 Q See if I can refresh your -- well, let's see if I can</p> <p>10 refresh your recollection.</p> <p>11 A Okay.</p> <p>12 Q Are you familiar with any situation in which you either</p> <p>13 had a concern or an issue with breaching the liquidity covenants</p> <p>14 under any loan agreement entered into by the Trump Organization?</p> <p>15 A Are we going back ever?</p> <p>16 Q 2011 to present.</p> <p>17 A Did I ever have a concern about breaching the liquidity</p> <p>18 requirements under a loan? I honestly -- possibly. Possibly.</p> <p>19 I just don't recall exactly specifically if I did or not, but</p> <p>20 it's possible. I don't recall.</p> <p>21 Q If you don't recall specifically what about generally,</p> <p>22 do you have a general recollection that you had to take a</p> <p>23 short-term loan from Ladder in order to pay a settlement?</p> <p>24 A I recall the time that we had the apartments that we</p> <p>25 sold, they were contracted to be closed. I don't know what year</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 939</p> <p>1 it was. When you say 2017, that's certainly possible. I don't 2 recall the year. Was there a concern about liquidity? 3 Possibly. 4 Q So your testimony is it is possible that there was a 5 liquidity concern over a \$25 million payment; is that right? 6 A Or we didn't -- or we chose not to use our own cash 7 for another -- 8 Q That's not my question, sir. You spoke about liquidity 9 and you said it was possible, so I want to make sure your 10 testimony is crystal clear. 11 Is it possible that there was a concern about breaching 12 a liquidity requirement in existing loan agreements that caused 13 the Trump Organization to obtain a short-term loan from Ladder 14 Capital? 15 A It's possible. 16 Q Are you familiar with a partnership or partnerships 17 that the Trump Organization has with Vornado? 18 A Yes. 19 Q These partnerships own the buildings at 1290th Avenue 20 of the Americas in New York; is that right? 21 A Yes. 22 Q As well as 555 California Street in California, right? 23 A Correct. 24 Q Do those partnership entities maintain bank accounts to 25 your knowledge?</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 941</p> <p>1 A I never met him, no. I know the name. I never met 2 him. 3 Q Who is he? You communicated with him; is that correct? 4 A I don't know if I did directly or Jeff and Patrick did. 5 He may have sent me an e-mail periodically. It's possible. I 6 just don't remember. 7 Q Was he at Cushman &amp; Wakefield at some point in time, to 8 your knowledge? 9 A I believe he was there and then I think he moved on to 10 Newmark. 11 Q Did you ever have any discussions with him whether over 12 the phone, in person, e-mail, any other form of communication 13 concerning a valuation issue for any Trump Organization asset? 14 A If I had a conversation, I don't recall it. It's over 15 the many years. It's certainly possible we said hello to each 16 other, but I don't recall speaking with him. That was pretty 17 much in Jeff and Patrick's hands to deal with him. 18 THE COURT: But the question wasn't conversation. 19 It was communication, which would be conversation, face to 20 face, telephone, e-mail, text, et cetera. 21 THE WITNESS: Yes, your Honor. As I mentioned, 22 there may have been an e-mail at some point to me. That's 23 possible, yes. 24 MR. SOLOMON: Could we, please, mark PX 3110. 25 Q Let's take that down and come back to it in a moment.</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 940</p> <p>1 A I'm sure they do, yes. 2 Q Between 2011 and your departure from the Trump 3 Organization, to your understanding, could the Trump 4 Organization access any of the cash in the partnership accounts 5 without Vornado's consent? 6 A Not without, no. 7 Q To your knowledge, did the cash identified on Mr. 8 Trump's Statements of Financial Condition between 2011 and your 9 departure include the cash or his portion of the cash held in 10 the Vornado partnership accounts? 11 A I believe it did along with their portion of accounts 12 payable as well. 13 Q Is accounting for in that way in a financial statement 14 a proper way to account for it under GAAP? 15 A Again, I'm not familiar with GAAP, so I would leave it 16 up to Mazars. 17 Q As we saw earlier, you represented to Mazars that the 18 Statements of Financial Condition complied with GAAP except as 19 noted, right? 20 A Based upon Mazars' -- 21 Q Yes or no, sir. You made that representation to Mazars 22 that the Statements of Financial Condition complied with GAAP 23 except as noted; is that correct? 24 A Yes. 25 Q Do you know Doug Parson?</p>	<p>Page 942</p> <p>1 When Mr. Larson was at Cushman, did the Trump 2 Organization, not just you, but the Trump Organization, to your 3 knowledge, use his services? 4 A I don't recall. I think banks -- banks who were 5 providing funding -- to answer your question, I don't remember. 6 (Continued on the next page.) 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 943</p> <p>1 Q I imagine that you left Cushman at some point in time?</p> <p>2 A I believe so.</p> <p>3 Q Do you have any idea when that was?</p> <p>4 A No.</p> <p>5 Q You eventually went Newmark?</p> <p>6 A Yes.</p> <p>7 Q To your knowledge did anyone at the Trump Organization</p> <p>8 use Mr. Larson's services when he was at Newmark?</p> <p>9 A Not that I'm aware of.</p> <p>10 Q Let's talk a little bit about how the Trump</p> <p>11 Organization obtains insurance coverage.</p> <p>12 During your time as CFO, let's say from 2011 until your</p> <p>13 departure, what was the process, if any, for the Trump</p> <p>14 Organization to either renew its existing insurance or obtain</p> <p>15 new insurance coverage?</p> <p>16 A So Ron Leiberman, whose name I mentioned earlier, he</p> <p>17 was in charge of our insurance and he dealt with AON. We'd have</p> <p>18 meetings periodically. It was a group of I think three or four</p> <p>19 of us who would listen to AON about what was coming up in the</p> <p>20 way we rules, what the market was like, where our premiums might</p> <p>21 be going, coverages, availability of coverages and then at some</p> <p>22 point it will come back with a program whether it was for</p> <p>23 liability insurance or for property insurance and -- or aviation</p> <p>24 and then we would make some decision as to which policy we would</p> <p>25 take.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 945</p> <p>1 of Pamela Newton. Do you see that?</p> <p>2 A Yes.</p> <p>3 Q And you are one of the recipients; right?</p> <p>4 A Yes.</p> <p>5 Q February 14, 2013?</p> <p>6 A Yes.</p> <p>7 Q And you say, "Gentlemen, AON is committed to delivering</p> <p>8 to the Trump Organization the best service and the best</p> <p>9 results;" right?</p> <p>10 A Yes.</p> <p>11 Q And right under there writes, quote, "a team of four?"</p> <p>12 A That's where it came from.</p> <p>13 Q I was going to ask you does that refresh your</p> <p>14 recollection?</p> <p>15 A Yes, I never heard it until -- yes, team of four, okay.</p> <p>16 Q Was Pamela Newman the Trump Organization's</p> <p>17 representative at AON?</p> <p>18 A I think she was the point person.</p> <p>19 Q So it's fair to say that the four of you, the team of</p> <p>20 four, were involved in dealing with AON?</p> <p>21 A I didn't deal with them other than to attend the</p> <p>22 meeting. Ron Leiberman dealt with them more on a day-to-day</p> <p>23 basis, but when there was a meeting we wanted to discuss our</p> <p>24 insurance program, then all four of us would come to those</p> <p>25 meetings. I would say for the most part Ron Leiberman was the</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 944</p> <p>1 Q What about sureties?</p> <p>2 A Sorry?</p> <p>3 Q What about sureties?</p> <p>4 A We had some sureties, not very much, I don't believe.</p> <p>5 Relatively small that I can remember. If we used to work on the</p> <p>6 golf course and they ask for a surety bond for a few bucks, we'd</p> <p>7 put one up. Nothing major.</p> <p>8 Q You mentioned there was a group of people. Have you</p> <p>9 heard the expression, "a team of four?"</p> <p>10 A I did hear it. I don't know where it came from.</p> <p>11 Q Did it come from someone at AON?</p> <p>12 A Maybe, yes. Yes, possibly.</p> <p>13 Q Do you know who the four people are that were part of</p> <p>14 that group?</p> <p>15 A I was on it, Ron Leiberman, I believe Michael Cohen was</p> <p>16 on it, and Matthew Culinary (ph).</p> <p>17 Q You mentioned you would meet with AON; is that correct?</p> <p>18 A AON with 13.</p> <p>19 Q And AON would act as the broker for the Trump</p> <p>20 Organization; is that correct?</p> <p>21 A Correct.</p> <p>22 Q And they would solicit bids from potential insurers;</p> <p>23 correct?</p> <p>24 A Correct.</p> <p>25 Q Sir, this is an e-mail Martha Blackman sent on behalf</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 946</p> <p>1 one -- was the interface of the company with AON.</p> <p>2 Q You were involved in coverage buying decisions?</p> <p>3 A We -- all the four of us were.</p> <p>4 Q Were you involved in any other aspect of insurance</p> <p>5 coverage for the Trump Organization?</p> <p>6 A I am not sure -- it's a broad question. I'm not sure</p> <p>7 what that means.</p> <p>8 Q Well, you will say there are different roles identified</p> <p>9 here and after your name it says "coverage buying decisions."</p> <p>10 Do you see that?</p> <p>11 A I see it now. I was focused over here.</p> <p>12 Q That's all right.</p> <p>13 And you indicated that other people were involved in</p> <p>14 that?</p> <p>15 A Correct.</p> <p>16 Q I'm just curious if you were involved -- since there</p> <p>17 may have seems to be overlap -- if you were involved in any of</p> <p>18 the other areas identified in this exhibit?</p> <p>19 A No. I wasn't involved in the claims or casualty of</p> <p>20 risk. That wasn't something that I did, no.</p> <p>21 MR. SOLOMON: Can we move PX 3119 into evidence,</p> <p>22 please?</p> <p>23 THE COURT: Granted. It's in evidence.</p> <p>24 Q Now, did the existing insurers and sureties for the</p> <p>25 Trump Organization want to see annual financial statements?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 947</p> <p>1 A The insurance companies, meaning the ones that bought 2 the property insurance and liability insurance? 3 Q Yes. 4 A I don't recall them asking for it, no. 5 Q Do you recall if the sureties asked for an opportunity 6 to review the financial statements? 7 A The surety, yes. 8 Q In fact, as a condition of either retaining a new 9 surety coverage, the sureties insisted upon it; is that right? 10 A That I don't know, but we had meetings every year and I 11 don't know who that was -- yes, I don't know whether or not that 12 was a requirement. Ron Leiberman might know that it was a 13 requirement, but when they asked me to attend the meeting, I 14 would just go to the meeting with the Statement and review it 15 with them. 16 Q Okay. You didn't give them a copy -- excuse me -- you 17 didn't give the surety company a copy of the Statement of 18 Financial -- 19 A No, we allowed them into the office to spend as much 20 time to review it, yes. 21 Q And they were allowed to make notes; right? 22 A Yes. 23 Q Did you have any understanding as to why they wanted to 24 come in each year and review the current -- or then current 25 Statement of Financial Condition?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 949</p> <p>1 A Oh. 2 Q The second was did you ever learn from anyone else that 3 they had made that request? 4 A I do not recall that, no. 5 Q Did you ever advise any of the brokers, insurers or 6 sureties that you had appraisals performed by a third party for 7 any of the assets on the Statements of Financial Condition? 8 A I don't recall them doing that, no. 9 Q You don't recall. Is it possible you did? 10 A No, he didn't. 11 Q Did you ever advise any of the brokers, insurers or 12 sureties that you had valuations performed by a third party from 13 any of the assets on the Statements of Financial Condition? 14 A Not that I can remember, no. 15 Q Let's take a look at PX 1552. Actually, before we -- 16 no. 17 MR. SOLOMON: I guess 3119 came into evidence 18 already; right? It did? 19 Q Okay. Let's turn to PX 1552, please. 20 Sir, do you recall meeting with someone from Zurich 21 Insurance in or about November of 2018? 22 A We met with them manually, so I'm not sure the date, 23 but we met with them manually. 24 Q Do you recognize the name Claudia Markarian? 25 A I don't know who she is because the people changed</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 948</p> <p>1 A I really don't know why. 2 Q Did you have an understanding that they would decline 3 to renew your policy if you did not give them the opportunity -- 4 let me rephrase that. 5 Did they require the Trump Organization to give them an 6 opportunity to review the Statement of Financial Condition as a 7 condition of renewing the policy? 8 A If that were the case they would have communicated that 9 to AON who would have communicate that to Ron Leiberman who 10 would have asked me to go to a meeting with the Statement of 11 Financial Condition. 12 Q When the sureties or representatives from the sureties 13 came to your offices to review the Statements of Financial 14 Condition were you present? 15 A Yes. 16 Q Did anyone from any of sureties ever ask, either you 17 directly or in your presence, whether there were appraisals from 18 any of the assets identified on the Statements of Financial 19 Condition? 20 A Not that I can remember. 21 Q Did you ever come to learn that any of the sureties 22 asked about the existence of appraisals from any of the assets 23 on the Statement of Financial Condition? 24 A I'm not sure I understand that. Learned from? 25 Q First question was in your presence?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 950</p> <p>1 every couple years, so if she was there on behalf of Zurich, I 2 would say she was a representative, yes. 3 Q Do you also have in front of you, please, PX 773, which 4 is the June 30, 2018 Statement of Financial Condition. 5 Now, sir, if you look at Ms. Markarian's notes and you 6 go down to the "cash on hand," which is under the 11/28/2018, 7 the third dash. Do you see that? 8 A Yes. 9 Q Okay. And if we turn to the Statement of Financial 10 Condition assets page, please. You'll see Ms. Markarian notes 11 cash on hand was 76.2 million. That matches exactly; right? 12 A Correct. 13 Q And she notes escrow funds were 22.7 million? 14 A Correct. 15 Q Matches? 16 A Correct. 17 Q Total assets, 6.6 billion. Do you see that in the next 18 dash on Ms. Markarian's notes? 19 A I'm looking. I'm sorry. 20 Q Sorry. If you look up on the screen, sir? It's 21 highlighted? 22 A Yes, yes. 23 Q And if you look on the Statement of Financial 24 Condition, 6.538, round it to 6.6 billion. So she is right 25 again?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 951</p> <p>1 A Yes.</p> <p>2 Q The largest property is Trump Tower at 732. Do you see</p> <p>3 that?</p> <p>4 A Yes.</p> <p>5 Q And on the Statement of Financial Condition Trump Tower</p> <p>6 first entry 732. So her notes are all consistent with the</p> <p>7 Statements of Financial Condition; right?</p> <p>8 A She is copying numbers from here, so she should be</p> <p>9 accurate.</p> <p>10 Q She is right about everything; right?</p> <p>11 A About that.</p> <p>12 Q About that, okay.</p> <p>13 Now, she also states in the fourth dash, second</p> <p>14 sentence: "The fair value of the properties is determined by</p> <p>15 professional firms (such as Cushman &amp; Wakefield) using cap rates</p> <p>16 and net operating income as factors." Do you see that?</p> <p>17 A Not correct.</p> <p>18 Q It's not correct?</p> <p>19 A Not correct. As a matter of fact, if you look at a</p> <p>20 prior underwriter's report that is absolutely not correct.</p> <p>21 Q So she is right about everything else except that?</p> <p>22 A Well, it's easy to copy numbers, but where she got that</p> <p>23 from, I don't know.</p> <p>24 MR. SOLOMON: Let's mark as PX 1561 for</p> <p>25 identification, please.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 953</p> <p>1 never did appraisals for us. We don't have any appraisals from</p> <p>2 him.</p> <p>3 Q Did you tell Ms. Markarian that you were using someone</p> <p>4 at Cushman?</p> <p>5 A No. I -- it may have been Jeff. It may have been Jeff</p> <p>6 who is sitting in the same meeting or Patrick Birney that they</p> <p>7 were reaching out to Cushman, speak to Doug Larson to get this</p> <p>8 report every year. So we can take that report and be able to</p> <p>9 take it and to be able to value up partial properties.</p> <p>10 Q And Ms. Markarian was correct that the Trump</p> <p>11 Organization's person had moved from Cushman to Newmark; right?</p> <p>12 A Whoever dealt with her at the time, whether it was Jeff</p> <p>13 or Patrick Birney, probably told her that, sure.</p> <p>14 Q You don't recall ever telling her that?</p> <p>15 A I don't recall telling her that, no.</p> <p>16 Q Were you present when someone told her that?</p> <p>17 A I don't remember if it was Jeff or Patrick. When I --</p> <p>18 my purpose in those meetings if you read her notes carefully it</p> <p>19 indicated that I spoke to her on the company on a broad basis;</p> <p>20 where the company was going, what it was doing, our debt that we</p> <p>21 had with her company, but when it came to discussing asset</p> <p>22 valuations, that I left to Jeff and to Patrick since they work</p> <p>23 on those. I never discussed that with her, no.</p> <p>24 Q Were you present for all the conversations Jeff and</p> <p>25 Patrick had with Ms. Markarian?</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 952</p> <p>1 Q Now, this is another meeting note report from</p> <p>2 Ms. Markarian; correct?</p> <p>3 A I happened to glance down to the same area you</p> <p>4 mentioned before --</p> <p>5 Q Okay.</p> <p>6 A -- with the appraisals.</p> <p>7 Q And she has cash on hand matches?</p> <p>8 A Yes, good copy job. She is copying numbers from there.</p> <p>9 Q She got it all right for the numbers; right?</p> <p>10 A She copied the numbers correctly.</p> <p>11 Q Okay. The fifth dash, second sentence?</p> <p>12 A Yes.</p> <p>13 Q "The fair value of the properties is appraised annually</p> <p>14 by a professional firm. This year it was done by Newmark Group</p> <p>15 and has previously done" -- "been done by Cushman &amp; Wakefield."</p> <p>16 The reason for the change is the individual at Cushman</p> <p>17 &amp; Wakefield with whom the organization had a longstanding</p> <p>18 relationship with moved to work at Newmark?</p> <p>19 A Correct.</p> <p>20 Q Hence, Trump Organization continued to work with the</p> <p>21 same person for their property valuations. Do you see that?</p> <p>22 A That is work with the same person to gather the data,</p> <p>23 as I indicated earlier this morning, from Doug Larson to give us</p> <p>24 some summary of properties that was sold to get cap rates and be</p> <p>25 able to do comps. That's what we got from Doug Larson and he</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 954</p> <p>1 A It was all purpose of the same meeting.</p> <p>2 Q So were you there when they described to her how the</p> <p>3 assets were valued?</p> <p>4 A Yes, I was at the meeting and they told her that they</p> <p>5 called Doug Larson and Larson provided a summary of comps for</p> <p>6 downtown Manhattan or midtown Manhattan and he would take those</p> <p>7 -- Jeff would take those comps or Patrick would, valuations and</p> <p>8 cap rates and so on and then he would do his computation, but to</p> <p>9 say that we --</p> <p>10 THE COURT: Finish, please.</p> <p>11 A To say that we got appraisals from them, that was -- I</p> <p>12 don't recall that conversation at all.</p> <p>13 THE COURT: Can you read back the last question?</p> <p>14 And listen carefully.</p> <p>15 (Whereupon, the requested portion of the</p> <p>16 proceedings was read back by the court reporter.)</p> <p>17 THE COURT: That's a simple yes or no --</p> <p>18 THE WITNESS: Yes, I was there.</p> <p>19 Q Were you there when they told her that their person had</p> <p>20 left Cushman and gone to Newmark?</p> <p>21 A I don't know if he told her that then or later. I may</p> <p>22 have gone out for a minute, so it's possible I was sitting there</p> <p>23 at the time.</p> <p>24 Q So is it possible when you went out for a minute, they</p> <p>25 told them -- they told Ms. Markarian they had valuations?</p>

<p>A. Weisselberg - Petitioner - direct (Solomon) Page 955</p> <p>1 A They didn't have valuation.</p> <p>2 Q Wasn't my question.</p> <p>3 Before you said you were in the meeting; now you said</p> <p>4 you may have stepped out for a minute?</p> <p>5 A No. The question you asked me was I there when they</p> <p>6 told her that Mr. Larson moved from Cushman to Newmark. I</p> <p>7 probably was sitting there when they said that, but is it</p> <p>8 possible they ran for a second to do something, it is.</p> <p>9 But as far as valuation are concerned we have never</p> <p>10 gotten appraisals on our properties. We didn't have a reason</p> <p>11 to. If we were going for financing a bank would require that</p> <p>12 they would do it. We have no reason to go out and just</p> <p>13 arbitrarily spend hundreds of thousands of dollars, hundreds of</p> <p>14 thousands of dollars to appraise a property. For what purpose?</p> <p>15 She is not a real estate person. She is in insurance</p> <p>16 business. She doesn't know a good appraisal property from</p> <p>17 something else, but we had no real reason to go out and get an</p> <p>18 appraisal. It was no purpose for it.</p> <p>19 Q So now you're testifying about what you believe</p> <p>20 Ms. Markarian knows and doesn't know?</p> <p>21 A No. I'm saying she worked for an insurance company and</p> <p>22 I think don't know if she has the knowledge of real estate, but</p> <p>23 from what she's written here it just seems as though she does</p> <p>24 not. I'm not telling you she doesn't. I just want to read it.</p> <p>25 Q You said you didn't get appraisals; right?</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 957</p> <p>1 Q At any point in time did you have an appraisal for 40</p> <p>2 Wall Street?</p> <p>3 A It's possible. I don't recall.</p> <p>4 Q Did you have an appraisal for Seven Springs?</p> <p>5 A That was done for the conservation easement.</p> <p>6 Q So the answer is yes?</p> <p>7 A Yes.</p> <p>8 Q At some point in time do you recall obtaining a copy of</p> <p>9 an appraisal that was done for a lender on what was referred to</p> <p>10 as the Miami property?</p> <p>11 A I don't know what property that is.</p> <p>12 Q Did you sign a lease to allow a lender to provide a</p> <p>13 copy of an appraisal to you for a property in Florida?</p> <p>14 A I may have. I don't recall.</p> <p>15 Just so you understand, if I may? Appraisals basically</p> <p>16 is an art. It's not a science. An appraisal doesn't</p> <p>17 necessarily mean what the person preparing that appraisal is</p> <p>18 always perfect. History has proven that all the time because</p> <p>19 you can have a recession and three years before that no one</p> <p>20 could have thought of a recession and all of a sudden values</p> <p>21 that were projected to being X now became Y because nobody could</p> <p>22 predict the future and know what you know at the time, but</p> <p>23 again, it's an art. It's not a science.</p> <p>24 THE COURT: Okay. There is no question.</p> <p>25 MR. SOLOMON: Your Honor, move to strike as</p>
<p>A. Weisselberg - Petitioner - direct (Solomon) Page 956</p> <p>1 A We did not get appraisals.</p> <p>2 Q Did you have an appraisal for 40 Wall Street? In the</p> <p>3 Trump Organization's possession was there an appraisal for 40</p> <p>4 Wall Street?</p> <p>5 A There was --</p> <p>6 Q It's a yes-or-no question, sir.</p> <p>7 MR. KISE: In what year are we talking about now?</p> <p>8 What year of this meeting are we talking about, in 2011?</p> <p>9 THE COURT: The question is at anytime.</p> <p>10 MR. KISE: At anytime.</p> <p>11 MR. SOLOMON: The witness has testified we didn't</p> <p>12 get appraisals.</p> <p>13 THE WITNESS: We didn't get -- we didn't hire</p> <p>14 anybody to get appraisals.</p> <p>15 Q But did you have appraisals in your possession?</p> <p>16 A It's possible, but we never ordered an appraisal.</p> <p>17 Q Let's talk about appraisals you had in your possession,</p> <p>18 whether or not you ordered them or came into their possession</p> <p>19 through some other means. Did the Trump Organization have</p> <p>20 appraisals in its possession?</p> <p>21 A If we had appraisals it doesn't necessarily mean we</p> <p>22 used them for any purpose. Well, if you want a yes-or-no</p> <p>23 answer, that's what you're looking for, the answer is I don't</p> <p>24 remember if we had appraisals. I don't recall at this point if</p> <p>25 we had appraisals in our office.</p>	<p>A. Weisselberg - Petitioner - direct (Solomon) Page 958</p> <p>1 nonresponsive as there was not even a question pending.</p> <p>2 THE COURT: Granted. That whole speech is</p> <p>3 stricken. There wasn't any question.</p> <p>4 Q I'll just make sure that my question wasn't too narrow.</p> <p>5 When I'm asking about appraisals the Trump Organization</p> <p>6 has, I'm including appraisals that may have been done by a bank</p> <p>7 but then subsequently came into the Trump Organization's</p> <p>8 possession. Did you understand my question to include those as</p> <p>9 well?</p> <p>10 A No, I didn't before.</p> <p>11 Q Okay. Then let's go back.</p> <p>12 THE COURT: I didn't either for the record.</p> <p>13 MR. KISE: I didn't either. That's why I'm making</p> <p>14 my objection about time frame because it's very confusing.</p> <p>15 We're talking about a 2019 meeting. Does he mean at anytime</p> <p>16 in the 30 years?</p> <p>17 THE COURT: I don't think we're talking about the</p> <p>18 2019 meeting anymore.</p> <p>19 Q Let's limit it to 2011, the time when you left the</p> <p>20 Trump Organization.</p> <p>21 Did the Trump Organization have in its possession</p> <p>22 appraisals, whether or not ordered by the Trump Organization, a</p> <p>23 lender or some other third party?</p> <p>24 A It's a possibility we had some, yes.</p> <p>25 Q And did you or anyone in your presence advise</p>

<p style="text-align: right;">Page 959</p> <p>1 Ms. Markarian that you had those appraisals?</p> <p>2 A Not that I can remember. When she was there we talked</p> <p>3 about a specific year. If it was a yes-or-no answer, it doesn't</p> <p>4 fit into the category. I'm sorry.</p> <p>5 I don't mean to be disrespectful to the Court, but if</p> <p>6 he's talking about 2019 did I have an appraisal in 2018 or 2019,</p> <p>7 I don't think we did. If we're going back to an earlier year,</p> <p>8 maybe we're discussing 2019 right now. Are you referring to a</p> <p>9 different time period?</p> <p>10 Q I'm asking from 2011 to your departure.</p> <p>11 A Did we ever have an appraisal? We may have an</p> <p>12 appraisal a year after it was issued, possibly. Banks don't</p> <p>13 have to give it to you; it's their property. They -- we pay for</p> <p>14 it, but it belongs to them.</p> <p>15 Whereupon, the transcript continues on the</p> <p>16 following page....</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">Page 961</p> <p>A. WEISSELBERG - DIRECT (MR. SOLOMON)</p> <p>1 Q Thank you.</p> <p>2 A You're more than welcome. I don't recall how -- I</p> <p>3 think once the statement was complied, whether we went to Eric</p> <p>4 Trump and just showed it to him, I just don't remember what</p> <p>5 happened. It was a lot going on because the company changed how</p> <p>6 we do business because of Donald not being there. It was easier</p> <p>7 for me to walk into his office. I don't recall whether anyone</p> <p>8 had a final signoff on the documents. I don't recall.</p> <p>9 Q At some point before you sent it to Mazars, you had to</p> <p>10 have a comfort level that it was complete and accurate, right?</p> <p>11 A That it was -- yes.</p> <p>12 Q And who made the final call that it was complete and</p> <p>13 accurate?</p> <p>14 A I don't remember. I don't remember when we -- whether</p> <p>15 Jeff went down to Eric and spoke to him or not. I just don't</p> <p>16 remember.</p> <p>17 Q Donald Trump, Jr. was also a trustee, correct?</p> <p>18 A Correct.</p> <p>19 Q For the statement of financial condition after Mr.</p> <p>20 Trump became president, those were statements that were done by</p> <p>21 the trustees; is that correct?</p> <p>22 A Statements done by the trustees?</p> <p>23 Q It says the trustees have -- to the effect of the</p> <p>24 valuations have been done by the trustees in consultation. Do</p> <p>25 you recall that?</p>
<p style="text-align: right;">Page 960</p> <p>A. WEISSELBERG - DIRECT (MR. SOLOMON)</p> <p>1 Q Let's talk about Mar-A-Lago for a moment. Are you</p> <p>2 aware of any deed restrictions relating to the Mar-A-Lago</p> <p>3 property?</p> <p>4 A I'm not familiar with the deed regarding Mar-A-Lago.</p> <p>5 It happened many, many years ago. I don't -- I don't recall</p> <p>6 reading the deed. I may have had it in my file -- in my</p> <p>7 office. I never even looked at it. It's more a legal document</p> <p>8 that the lawyers in our office might have, but I never</p> <p>9 del- -- I never really delved into it, no.</p> <p>10 Q Do you know if Mr. McConney was aware of any deed</p> <p>11 restrictions relating to Mar-A-Lago?</p> <p>12 A I don't know if he did or did not. I don't know.</p> <p>13 Q Do you know if Mr. McConney considered any deed</p> <p>14 restrictions with respect to Mar-A-Lago when determining the</p> <p>15 value of the property for the Statements of Financial Condition?</p> <p>16 A I don't know.</p> <p>17 Q But you testified earlier you relied upon Mr. McConney?</p> <p>18 A I did.</p> <p>19 Q For the Statements of Financial Condition, correct?</p> <p>20 A Correct.</p> <p>21 Q I'm going to go back to the Statements of Financial</p> <p>22 Condition for a moment. Once you became a trustee and Mr. Trump</p> <p>23 became president, who, if anyone, had final signoff authority</p> <p>24 for the SOFC's?</p> <p>25 A Good question.</p>	<p style="text-align: right;">Page 962</p> <p>A. WEISSELBERG - DIRECT (MR. SOLOMON)</p> <p>1 A No.</p> <p>2 Q Let's open that up, PX 773. Do you recognize this to</p> <p>3 be the Donald J. Trump Statement of Financial Condition for year</p> <p>4 ending June 30, 2018?</p> <p>5 A Yes.</p> <p>6 Q Turn to the second page.</p> <p>7 A Okay.</p> <p>8 Q Very first line, the trustees of the Donald J. Trump</p> <p>9 Revocable Trust dated April 7, 2014 as amended on behalf of</p> <p>10 Donald J. Trump are responsible for the accompanying Statement</p> <p>11 of Financial Condition as of June 30, 2018 and the related notes</p> <p>12 to the financial statement in accordance with accounting</p> <p>13 principles generally accepted in the United States of America,</p> <p>14 do you see that?</p> <p>15 A Yes.</p> <p>16 Q If you can turn to under real and operating properties,</p> <p>17 Trump Park Avenue. Do you see that?</p> <p>18 A Sorry? I'm looking at the hard copy.</p> <p>19 Q Sure. Page seven, page 9 of 24 of the exhibit.</p> <p>20 A Yes.</p> <p>21 Q You will see the estimated -- just for Trump Park</p> <p>22 Avenue as an example, the estimated current value of 175,700,000</p> <p>23 is based upon an evaluation made by the trustees in conjunction</p> <p>24 with their associates and outside professionals of the amount</p> <p>25 that will be earned as a result of the sale of the remaining</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 963</p> <p>1 condominium units as well as applying a capitalization rate to 2 the stabilized net operating income to be derived from the 3 commercial space. 4 A Yes. 5 Q Does that refresh your recollection that the trustees 6 in conjunction with their associates, outside professionals, 7 others made a determination as to the evaluation that appears on 8 the Statement of Financial Condition? 9 A Those words took the place of Donald J. Trump. 10 Q So did the trustees do anything or did they just use 11 the prior numbers? 12 A Prior numbers? 13 Q In other words, it says the trustees made an 14 evaluation, right? 15 A The statement was prepared the same way every year if 16 that's your question. But now, instead of Donald J. Trump and 17 his associates and outside professionals, it now says trustees 18 instead. 19 Q What, if anything, did you as a trustee do to determine 20 the estimated current value of 175,700,000 as reflected in the 21 document that we're looking at? 22 A Same thing I did before. The CFO Jeffrey McConney and 23 Patrick Birney arrived at values and I reviewed them. 24 Q Other than reviewing someone else's work, did you do 25 any independent work?</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 965</p> <p>1 Patrick. There were people that got other information as I 2 mentioned earlier this morning. Different parts of the 3 statements were done by different people, so not just Jeff and 4 Patrick, but it could have been some other people that submit 5 information that Jeff and Patrick needed in order to finish the 6 statement such as cash balances and things of that nature. 7 Q Did you discuss the Statement of Financial Condition 8 before it was finalized with Donald Trump, Jr. for the years 9 when you were both trustees? 10 A I don't remember. I don't remember. 11 Q Do you know if Mr. McConney or anyone in his direction 12 ever explained to Donald Trump, Jr. during the years he was a 13 trustee how the values were calculated on the Statement of 14 Financial Condition? 15 A That is something you would have to ask him if he did 16 it. I don't know. 17 Q Was it -- was that explanation ever given or 18 description ever given in your presence? 19 A Not in my presence, no. 20 Q Did you tell Donald Trump, Jr. during the time you were 21 both trustees how the values were calculated? 22 A Not that I can remember. 23 Q Do you know if Mr. McConney ever provided a copy of his 24 supporting data spreadsheet to Donald Trump, Jr. when Mr. Trump 25 was a trustee?</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 964</p> <p>1 A No. I'm not a valuation person. I relied upon the 2 people that I relied upon in the prior 25 years. 3 Q I believe you told me earlier Donald Trump, Jr. was 4 also trustee at this point in time? 5 A Yes. 6 Q What, if anything, did he do, to your knowledge, to 7 determine the estimated current value? 8 A I don't believe he did anything. It was -- it was 9 done by the same people that did it for 25 years. 10 Q And those are people you relied upon? 11 THE COURT: Ten-minute warning. 12 A Yes. 13 Q Did Donald J. Trump have any familiarity with these 14 people, to your knowledge? 15 A People meaning -- 16 Q Meaning the ones you relied upon. 17 A Jeffrey McConney and Patrick Birney? 18 Q Yes. 19 A Yes. 20 Q Do you know if he relied upon the same people you 21 relied upon? 22 A I believe he did, yes. 23 Q Are those the associates that are referred to in this 24 description in the notes? 25 A Along with others that may have worked with Jeff and</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 966</p> <p>1 A If he did, I wouldn't know about it. I wasn't there to 2 see it. 3 Q Sir, we put back up and I asked you to look at the 4 third page of the exhibit. That's the asset page. We were 5 talking generally about the Vornado cash earlier. Do you recall 6 that? 7 A I do. 8 Q This was amounts that were held in the partnership 9 accounts for the partnerships between the Trump Organization and 10 Vornado, right? 11 A Correct. 12 Q That's what we were talking about. 13 Just so we're clear, does that \$76,200,000 number 14 include any of the cash that's held in the Vornado accounts? 15 A Again, if you can show me the spreadsheet that Mr. 16 McConney put together, that might answer the question. It would 17 help me. 18 Q As you sit here today, do you know -- 19 A I think it does, but I would like to be reassured by 20 looking at the spreadsheet if you don't mind. 21 Q We can go back to that. 22 For the club facilities and related real estate, do you 23 see that entry? 24 A Yes. 25 Q 2.3499. To your knowledge, does that include future</p>

<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 967</p> <p>1 development of any of those properties?</p> <p>2 A Yes.</p> <p>3 Q Is the value of that future development for any of</p> <p>4 those properties discounted to present value?</p> <p>5 A No. I believe according to GAAP, we are allowed to use</p> <p>6 future value to value the asset this way. We relied upon the</p> <p>7 Mazars firm. They saw the spreadsheets. They saw the future</p> <p>8 value and they did not say anything about the number at all.</p> <p>9 Otherwise, it would have changed.</p> <p>10 Q So now you're telling me you do know something about</p> <p>11 GAAP?</p> <p>12 A I know about GAAP as we discussed this morning, about</p> <p>13 what the personal statement versus a corporate statement.</p> <p>14 That's my limited knowledge of GAAP.</p> <p>15 Q Well, you just told me that GAAP allows you to record</p> <p>16 that without having to reduce it to present value. You just</p> <p>17 told me.</p> <p>18 A What I told you was that Donald Bender and Mazars's</p> <p>19 firm who are GAAP experts, who are a CPA firm, they know the</p> <p>20 rules of GAAP and they allowed future values to be put on this</p> <p>21 statement because they saw the spreadsheet from Mr. McConney and</p> <p>22 it showed future value. So based on that, I understand that you</p> <p>23 could use future value in order to be able to value assets on a</p> <p>24 personal financial statement.</p> <p>25 Q And it is your testimony that they saw future values on</p>	<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 969</p> <p>1 not comply with GAAP because they were the GAAP experts.</p> <p>2 Q And they were -- withdrawn.</p> <p>3 It was represented to them that those statements</p> <p>4 complied with GAAP by you, sir; is that right? Yes or no?</p> <p>5 A Represent in a letter that they prepared for me to</p> <p>6 sign.</p> <p>7 Q The management representation letter from the Trump</p> <p>8 Organization to Mazars, right?</p> <p>9 A That was prepared by Mazars.</p> <p>10 Q And you signed it?</p> <p>11 A That's correct.</p> <p>12 Q And you gave it to Mazars?</p> <p>13 A Correct.</p> <p>14 Q And you knew that they wouldn't have issued the SOFC's</p> <p>15 without them, right?</p> <p>16 A I knew that they -- the answer is yes.</p> <p>17 Q Thank you.</p> <p>18 A Right.</p> <p>19 MR. SOLOMON: Your Honor, it is 4:29.</p> <p>20 THE COURT: You're really pushing it, aren't you,</p> <p>21 Mr. Solomon?</p> <p>22 I think unless there is something else, we will</p> <p>23 come back tomorrow at ten o'clock.</p> <p>24 MR. SOLOMON: Your Honor, could we have an</p> <p>25 instruction to the witness to not discuss his testimony with</p>
<p>A. WEISSELBERG - DIRECT (MR. SOLOMON) Page 968</p> <p>1 the spreadsheet; is that right?</p> <p>2 A I -- again, without having the spreadsheet in front of</p> <p>3 me, that's all Bender would have had in front of him.</p> <p>4 Q Well, you just said they saw the spreadsheet.</p> <p>5 A Yeah. Yeah, because Jeff gave them every spreadsheet.</p> <p>6 Whatever they wanted, Jeff will give it to them.</p> <p>7 Q Is it your testimony that those spreadsheets indicated</p> <p>8 that those were future income streams?</p> <p>9 A I believe -- I'm trying to recall without seeing the</p> <p>10 spreadsheet in the words that are on there. I believe so.</p> <p>11 Q But you, sir, on behalf of the Trump Organization up</p> <p>12 until when Mr. Trump became president and then as a trustee</p> <p>13 certified or represented to Mazars that the statements complied</p> <p>14 with GAAP you did that, right? Yes or no?</p> <p>15 A Yes.</p> <p>16 Q Mazars didn't certify to you that they were complying</p> <p>17 with GAAP, did they; yes or no?</p> <p>18 A Yes.</p> <p>19 Q Yes, they did?</p> <p>20 A Rephrase your question.</p> <p>21 THE COURT: Perfect example.</p> <p>22 MR. SOLOMON: Yes.</p> <p>23 Q Did Mazars certify to the Trump Organization that the</p> <p>24 Trump Organization's financials complied with GAAP?</p> <p>25 A Mazars would not have released a statement if it did</p>	<p>Page 970</p> <p>1 counsel during the evening break?</p> <p>2 THE COURT: Okay. He can't discuss it with anyone.</p> <p>3 Mr. Weisselberg, don't discuss this case, your</p> <p>4 testimony or anything about it with anyone.</p> <p>5 THE WITNESS: I won't.</p> <p>6 (Witness excused.)</p> <p>7 (Whereupon, the trial was adjourned to October 11,</p> <p>8 2023 at 10:00 a.m.)</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>1 SUPREME COURT OF THE STATE OF NEW YORK 2 COUNTY OF NEW YORK : CIVIL TERM : PART 37 3 PEOPLE OF THE STATE OF NEW YORK, BY 4 LETITIA JAMES, ATTORNEY GENERAL OF 5 THE STATE OF NEW YORK, 6 Plaintiff, 7 8 Index No. 9 -against- 452564/2022 10 DONALD J. TRUMP; DONALD TRUMP, JR.; ERIC TRUMP; 11 IVANKA TRUMP; ALLEN WEISSELBERG; JEFFREY MCCONNEY; 12 THE DONALD J. TRUMP REVOCABLE TRUST; THE TRUMP 13 ORGANIZATION, INC.; TRUMP ORGANIZATION, LLC; 14 DJT HOLDINGS, LLC; DJT HOLDINGS MANAGING MEMBER; 15 TRUMP ENDEAVOR 12, LLC; 401 NORTH WABASH VENTURE, 16 LLC; TRUMP OLD POST OFFICE, LLC; 40 WALL STREET, 17 LLC.; AND SEVEN SPRINGS, LLC, 18 Defendants. 19 ----- X 20 60 Centre Street 21 New York, New York 10013 22 October 11, 2023 23 24 B E F O R E: 25 HONORABLE ARTHUR F. ENGORON, Justice, Supreme Court A P P E A R A N C E S: OFFICE OF THE ATTORNEY GENERAL OF THE STATE OF NEW YORK - LETITIA JAMES Attorneys for Plaintiff 28 Liberty Street New York, New York 10005 BY: KEVIN WALLACE, ESQ. COLLEEN K. FAHERTY, ESQ. ANDREW AMER, ESQ. ERIC HAREN, ESQ. LOUIS M. SOLOMON, ESQ. (Appearances continued on the next page.)</p>	<p>N. Haigh - Petitioner - direct (Wallace)</p> <p>1 THE COURT OFFICER: All rise. Part 37 is now in 2 session. The Honorable Judge Arthur Engoron presiding. 3 Make sure all cell phones are silent. Laptops and 4 cell phones will be permitted, but only to members of the 5 press. There is absolutely no recording or photography of 6 any kind allowed in the courtroom. Now be seated and come 7 to order. 8 THE COURT: Tommy, do you want some hot tea after 9 that? 10 Thanks for being here. Of course I don't read the 11 papers and go online and look to read about this case, but 12 there is some issue that keeps coming up: there is no jury. 13 It's not just because we need a box for the screen there. 14 As the lawyers know and the lay people may not, there is law 15 and then there is equity. 16 In law, generally legal cases are about money 17 damages; equitable cases are about injunctive relief, 18 telling someone you can and can't do something. And here's 19 how it's determined whether there is a jury or not. When -- 20 either side, any party can file a Note of Issue saying that 21 disclosure is finished and the case is basically ready for 22 trial, the person who files that Note of Issue checks off a 23 box, says they want a jury trial or they don't want a jury 24 trial. That's assumed to be the case, but the other side 25 has I think it's 15 days or so to object and say no, we</p>

ROBERT, ESQ. 13 14 HABBA MADAIO &amp; ASSOCIATES, LLP 15 Attorneys for Defendants 16 1430 US Highway - Suite 240 17 Bedminster, New Jersey 07921 18 BY: ALINA HABBA, ESQ. 19 20 MORIAN LAW, PLLC 21 Attorneys for Defendants 22 60 East 42nd Street - Suite 4600 23 New York, New York 10165 24 BY: ARMEN MORIAN, ESQ. 25 Also Present: David Zensky, Esquire NICOLE C. ROBINSON, CSR JANELLE C. LONDON, RMR, CRR Senior Court Reporters</p>	<p>N. Haigh - Petitioner - direct (Wallace)</p> <p>1 don't want a jury or no, we want a jury and then it's up to 2 the judge to decide is this a legal case with a jury or an 3 equitable case with no jury. 4 I believe what happened here is the Attorney 5 General clearly checked off nonjury and there was no motion 6 to -- for a jury, but my research and Allison's research 7 told us that all the relief requested here was equitable. 8 So it would not have helped to make a motion. Nobody forgot 9 to check off a box. We're having a nonjury trial because 10 this is a nonjury case, sometimes called a bench trial. 11 That's why I'm sitting up here. 12 Would anybody like to correct me or comment on 13 that? 14 MS. HABBA: I would like to say thank you, Your 15 Honor. 16 Press, did you hear that? I didn't forget to check 17 the box. 18 MR. WALLACE: Your Honor, I would just add that 19 actually in New York practice unlike, say, federal practice, 20 the Court is to determine what the weight of the claims are 21 and so that it will not have a divided jury and trial claims 22 the way you might in federal practice and that if the relief 23 is primarily either equitable or legal is what determines 24 whether there will be a jury or not. We do not in state 25 practice have the opportunity to divide trials as you might</p>

N. Haigh - Petitioner - direct (Wallace)	Page 975	N. Haigh - Petitioner - direct (Wallace)	Page 977
<p>1 in federal practice.</p> <p>2 MS. HABBA: Thank you. And we did discuss it on</p> <p>3 March 3rd and we discussed this exact topic, but thank you,</p> <p>4 Your Honor. I appreciate it.</p> <p>5 THE COURT: Sure. We're all learning.</p> <p>6 MS. HABBA: Yes.</p> <p>7 THE COURT: Okay. I understand that there is an</p> <p>8 attorney that would like to address the Court and everyone</p> <p>9 else about the next witness?</p> <p>10 MR. ZENSKY: David Zensky for the record.</p> <p>11 I'll be brief. Good morning, Justice Engoron.</p> <p>12 David Zensky of Akin Gump Straus Hauer &amp; Feld, and we are</p> <p>13 counsel for Deutsche Bank.</p> <p>14 As the Court knows, today's witness is being called</p> <p>15 to testify about events that occurred while employed at</p> <p>16 Deutsche Bank in the credit risk management area. I</p> <p>17 appeared in court today for the limited and almost certainly</p> <p>18 unnecessary purpose of protecting against the disclosure of</p> <p>19 Deutsche Bank's -- information protected by Deutsche Bank's</p> <p>20 attorney/client or work product privileges and/or to prevent</p> <p>21 the disclosure of information that is confidential,</p> <p>22 supervisory information which the bank is obligated to keep</p> <p>23 secret under federal and state regulations.</p> <p>24 I've consulted with counsel for all parties and no</p> <p>25 one has an objection to being heard on an issue should it</p>		<p>1 approaches the witness stand.)</p> <p>2 THE COURT OFFICER: Please raise your right hand.</p> <p>3 Do you solemnly swear or affirm that any testimony you give</p> <p>4 will be the truth, the whole truth and nothing but the</p> <p>5 truth?</p> <p>6 THE WITNESS: Yes, I do.</p> <p>7 THE COURT OFFICER: Please have a seat.</p> <p>8 State your name and either business or home address</p> <p>9 on the record.</p> <p>10 THE WITNESS: My full name is James Nicholas Haigh.</p> <p>11 My home address is 712 Seney Avenue, Mamaroneck, New York,</p> <p>12 and I am currently retired.</p> <p>13 THE COURT: And I'll ask the witness to speak</p> <p>14 loudly, slowly, clearly. And these microphones are very</p> <p>15 particular; you have to be really close to them.</p> <p>16 THE WITNESS: I apologize.</p> <p>17 THE COURT: Please proceed, Mr. Wallace.</p> <p>18 DIRECT EXAMINATION</p> <p>19 BY MR. WALLACE:</p> <p>20 Q Good morning, Mr. Haigh. I believe we met at your</p> <p>21 deposition, but my name is Kevin Wallace. I'm an attorney with</p> <p>22 the New York Attorney General's Office.</p> <p>23 Just at the start, can you describe your educational</p> <p>24 background for the Court?</p> <p>25 A Yes. So I grew up in Brittain high school. I went to</p>	
<p>1 arise, but no one believes that such an issue will arise, so</p> <p>2 I'd simply ask the Court for permission to be recognized of</p> <p>3 need be.</p> <p>4 THE COURT: Okay. How should we do this</p> <p>5 logistically? Do you want to sit towards the front and</p> <p>6 raise your hand if there is an issue?</p> <p>7 MR. ZENSKY: Whatever suits the Court. I'm happy</p> <p>8 to sit where I was. Again, it's unlikely to occur, but</p> <p>9 whatever the Court believes is appropriate.</p> <p>10 THE COURT: Well, you can be on the 30-yard line</p> <p>11 and the 50-yard line. Why don't you sit in the front bench,</p> <p>12 if that's okay?</p> <p>13 MR. ZENSKY: Okay, that's fine. I do likely like</p> <p>14 the 50-yard line, though.</p> <p>15 THE COURT: That's what I say.</p> <p>16 MR. ZENSKY: Thank you, Your Honor. I appreciate</p> <p>17 it.</p> <p>18 THE COURT: Plaintiff, are you ready to call your</p> <p>19 next witness?</p> <p>20 MR. WALLACE: Certainly. The next witness People</p> <p>21 call is Nicholas Haigh.</p> <p>22 THE COURT: I control a lot but not the music</p> <p>23 coming from the plaza out there.</p> <p>24 THE COURT OFFICER: Witness entering.</p> <p>25 (Whereupon, the witness enters the courtroom and</p>		<p>1 university or college at the University of Manchester between</p> <p>2 1975 and 1978. Then I trained as a chartered surveyor and</p> <p>3 qualified as a chartered surveyor I think in about 1981.</p> <p>4 Q And what does it mean to be a chartered surveyor?</p> <p>5 A It's a professional qualification in the UK and some of</p> <p>6 the other commonwealth countries around real estate.</p> <p>7 Q Okay. And what kind of tasks with someone who is a</p> <p>8 chartered surveyor undertake in relation to real estate?</p> <p>9 A So I was a general practice chartered surveyor. So we</p> <p>10 did all sorts of things from landlord and tenant negotiation,</p> <p>11 acquisition of real estate, purchase, looking at appraisals,</p> <p>12 doing appraisals or valuations that they tend to be called over</p> <p>13 there.</p> <p>14 I worked for a government, local government for awhile</p> <p>15 and -- actually, no. It's for the national government but in a</p> <p>16 local area. And for one of the utility companies and then I</p> <p>17 worked for an investment fund running a pension fund, acquiring</p> <p>18 real estate assets for their pension fund. And then I moved to</p> <p>19 a U.S. bank and gave advice to some of their clients in real</p> <p>20 estate in Europe -- in the UK.</p> <p>21 Q I believe you just stated that you're currently</p> <p>22 retired; is that correct?</p> <p>23 A That's correct.</p> <p>24 Q What was your prior job before you retired?</p> <p>25 A The previous four years I have worked for Bank of</p>	

<p>N. Haigh - Petitioner - direct (Wallace) Page 979</p> <p>1 America as a -- what they called a credit officer, but I was 2 making loans to private clients and their private clients' 3 business. 4 Q And what sort of work would you do as a credit officer 5 at Bank of America? 6 A -- Bank of America. 7 It involved talking with clients about the bank's 8 various credit products; it involved looking at clients' 9 financial positions to assess whether they qualified and were 10 suitable for those credit products; it involved negotiating with 11 the bank's internal risk approval people and underwriters around 12 how to underwrite a client document and their financial 13 position, negotiate loan terms, if necessary, and so that was 14 mostly what it was. 15 Q I believe you said working -- sorry. Underwrite loans 16 and helping work through them documenting their financial 17 position. Could you just describe what that entails? 18 A Bank of America had an underwriting process where it 19 would analyze the financial condition of its potential and 20 actual borrowers and it involved looking at the client's 21 financial information capturing that in a very standardized way 22 and analyzing that information to then use all that information 23 in order to derive a risk rated score for its client's 24 probability default. 25 Q And that would help govern the terms of the loan they</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 981</p> <p>1 Q And was mid 2018 the time you left Deutsche Bank? 2 A End of 2018 I was -- I left Deutsche bank. 3 Q And why did you leave Deutsche Bank in the end of 2018? 4 A My -- my employment was terminated. 5 Q Do you know why it was terminated? 6 A I believe it was for cutting -- cost cutting reasons. 7 Q Were you told anything about the reason in particular, 8 though? 9 A No other than just generally the cost cutting 10 environment that the bank was in. 11 Q At the time of your departure from Deutsche Bank how 12 long had you been working with the company? 13 A So I had been working for Deutsche Bank or for Banker's 14 Trust which Deutsche Bank bought. I joined banker's Trust I 15 think in 1990 and I had taken one year off but apart from that 16 one year off the whole rest of the time I've been working for 17 either Banker's Trust until 1999 and then Deutsche Bank until 18 2018. 19 Q So going back to your role at credit risk management. 20 If I could just focus on the period from 2011 through mid 2018, 21 what were your responsibilities as the head of credit risk 22 management? 23 A So I was the head of credit risk management covering 24 the private wealth management business under whatever name it 25 was going by at the time and I ran a relatively small team of</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 980</p> <p>1 might be eligible for and able to obtain? 2 A Yes, so that would -- indeed it would perfect all of 3 those matters. 4 Q So before you began at Bank of America what was the 5 position you held prior to that? 6 A So immediately prior to that I was employed on a 7 part-time basis by a consulting firm who provided services to 8 Deutsche Bank and I was working for that firm part time for 9 about four months or three and a half months within Deutsche 10 Bank's private wealth management business line -- not business 11 line but with supporting their group. 12 Q Just so I'm understanding that the consulting firm you 13 were doing work for you in the process of providing consulting 14 services to the Deutsche Bank private wealth management group; 15 am I understanding that correctly? 16 A Correct. 17 Q And so before that consulting position what position 18 did you hold? 19 A So prior to that I had been the risk officer for the 20 head of risk for Deutsche Bank's risk group covering their 21 private wealth management business. 22 Q And what was your title in that position? 23 A I was a managing director of the bank. 24 Q And how long did you hold that role? 25 A I held that role from mid 2008 until the end of 2018.</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 982</p> <p>1 people. Our job was to do the policy work and the credit 2 approval work around any credit exposures that the credit wealth 3 management group was taking. 4 Q You mentioned the private wealth management business. 5 What is that business? Could you describe it for us? 6 A It's the division of Deutsche Bank that was serving 7 high net worth individuals and providing various products to 8 them, including credit products. 9 Q And so you mentioned it was your job to examine the 10 credit exposure. Could you just describe for us the sort of -- 11 what are you doing when you're looking at that exposure? 12 A So in very broad terms we're assessing the risk profile 13 of a client in order to come up with an accurate risk rating, 14 risk assessment of that client and also we are looking at the 15 entire proposal for that -- the entire credit proposal to make 16 sure it fits within the desired risk profile of the bank. 17 Q And so are you approving the credit decisions? 18 A Yes. We have the final -- the final approval on all 19 credit decisions for those clients. 20 Q So I'd just like to go through a few of those. How 21 would you go about assessing the risk profile of the client? 22 A We based our assessment of the risk profile of the 23 client on their financial position, so we would look at the 24 financial data that we had on the client typically from some 25 sort of statement of financial condition, supplement it with</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 983</p> <p>1 things such as validated and verified statements of -- from 2 banks, from brokerage accounts. So we'd capture information 3 about their financial position in a spreadsheet format and that 4 information would then be used in our risk rating methodology to 5 assess certain characteristics of that borrower -- financial 6 characteristics mostly, but some other characteristics as well 7 -- to assess those characteristics and that -- that was a 8 mathematical model that generated a risk score that mapped to a 9 probability default for that borrower.</p> <p>10 Q And the -- that probability default that would generate 11 what kind of loan the customer would be able to obtain from the 12 bank?</p> <p>13 A Not specifically the type of loan that a client could 14 obtain, but it would inform whether we were willing to do a loan 15 at all and it would have an impact on the size of loan we were 16 willing to do for that client and also the terms of the loan 17 that we were willing to do for that client.</p> <p>18 Q Okay. I believe you also mentioned that you prepared a 19 proposal for credit. Is that similar to the type of terms that 20 might be available to the customer?</p> <p>21 A So the bank would have a credit memorandum and that 22 memorandum would endeavor to capture all the relevant 23 information that you need to make a decision about that credit. 24 So it would cover things from short summary of who the client 25 is, why they want the money, what the terms are of the</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 985</p> <p>1 Q And how would that affect the credit analysis that your 2 team is performing at a high level?</p> <p>3 A So we would -- part of the analysis would include an 4 analysis of the collateral. So what's it worth today? And do 5 we like it in the sense of is it good collateral that will 6 sustain its value in the future.</p> <p>7 Q And what would constitute good collateral that would 8 sustain its value in the future?</p> <p>9 A I mean, there were a number of different types of 10 collateral a bank frequently took; commercial real estate, 11 residential real estate, fine art, marketable securities, 12 airplanes.</p> <p>13 Q And how would you assess the -- what's good collateral 14 versus some other kind of collateral?</p> <p>15 A Well, in general terms -- in general terms, the point 16 of collateral is to have a legal entitlement over an asset that 17 if the loan defaults the bank can obtain title to that asset and 18 effectively sell it one way or another. So that really drives 19 what's good collateral and that is is there a market for that 20 asset? Can it be sold? Are there any legal impediments? Can 21 we deal with those and what's likely to happen to the value of 22 the asset between the day when we make the loan and at some 23 point in the future when we might need to take that asset and 24 sell it.</p> <p>25 Q And so how easy it is to take that asset and sell it is</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 984</p> <p>1 transaction and then it would also summarize their financial 2 condition and attach to that credit memorandum would be our 3 assessment of the risk rating of the client.</p> <p>4 Q And so that memorandum would spell out the terms of 5 proposed transactions?</p> <p>6 A Yes, yes.</p> <p>7 Q And what are some of the factors in how a transaction 8 would be structured that would affect the credit assessment that 9 you and your team were making?</p> <p>10 A I'm pausing because it's kind of a broad question. 11 There are -- I mean, many factors could affect it. So the first 12 sort of given would be that the client was a client of the 13 private wealth management business under their profile fitted 14 what the bank wanted to do.</p> <p>15 And secondly, would be the question of does the credit 16 they want fit what the bank is comfortable in doing. So is it, 17 for example, a real estate loan we're comfortable with.</p> <p>18 And then maybe other client-specific factors driven by 19 their financial condition or reputational matters or other 20 matters that might gather the specific terms of the transaction.</p> <p>21 Q You mentioned that one example of a loan that might be 22 a real estate loan. Would those loans include, for example, 23 collateral, those things might be apart of the assessment 24 obtained?</p> <p>25 A Yes, many of our loans have collateral.</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 986</p> <p>1 what would make one piece of collateral superior to another one 2 is that the --</p> <p>3 A That's part of --</p> <p>4 MR. ROBERT: Objection. Leading.</p> <p>5 THE COURT: Sustained. Stricken.</p> <p>6 Q So how would the factors you were discussing affect 7 your view as to whether or not collateral is good?</p> <p>8 A So first of all, I think I mentioned whether we could 9 sell the collateral so that do -- you know, is there a deep 10 market for that type of collateral? Do many people buy it or is 11 it a specialist type of collateral, which only a few people 12 would buy and it might have a much thinner market.</p> <p>13 Secondly is a question of the volatility of the value 14 of that collateral. Some types of collateral go up and down in 15 value more than others and that would be a -- of importance to 16 us.</p> <p>17 Q So going back to your time in your credit risk at 18 Deutsche Bank could you walk us through what the process was for 19 how a client would obtain a loan through the private wealth 20 management group?</p> <p>21 A Sure. So the client would have a marketing officer 22 called a relationship manager within the private wealth 23 management business. They would interface with the client. 24 Within the private wealth management business there was also a 25 group of product specialists that we called lending officers and</p>

<p style="text-align: right;">Page 987</p> <p>1 their focus was on loans. So when a client wanted a loan, a 2 relationship manager would interface would speak with the 3 lending officer about what kind of loan the bank normally does 4 and when they realize it was business to be done that there was 5 a loan a bank would do, the lending officer was comfortable, it 6 would fit into their portfolio of assets, they would document 7 the proposed terms of the loan in a credit memorandum and that 8 would come to my team for final approval. There may have been a 9 bit of an iterative process prior to that where the lending 10 officer spoke with members of my team about specific aspects of 11 the transaction so that they would want to know that we at risk 12 management were comfortable with those specific issues. But the 13 memo would be prepared, it would come to my team for approval 14 and then if we'd signed off on it, the loan would then move to 15 be documented and finally being booked by the bank. 16 Whereupon, the transcript continues on the next 17 page.... 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 989</p> <p>N. HAIGH - DIRECT (MR. WALLACE)</p> <p>1 proposal; is that correct? 2 A Yes. 3 Q Did credit risk management need to sign off on the 4 final loan terms before a loan could be originated? 5 MR. ROBERT: Objection. 6 THE COURT: Sustained. 7 Q Did you have -- 8 THE COURT: Let me just mention this whole 9 objection/sustained. You can't ask leading questions, 10 "leading," questions that suggest an answer. There is an 11 exception for introductory material, but now we are getting 12 into the weeds. You can basically ask him how does it all 13 work or how does this particular thing work or that 14 particular thing. You can't put words in his mouth and then 15 say is that the way it works. 16 Q So what did your group need to do before a loan could 17 be originated? 18 A So my group needed to sign off on the credit memorandum 19 that I mentioned earlier. So we needed to be comfortable with 20 the terms that were contained in the credit memorandum, so we 21 were willing to sign off and approve it. And without our 22 approval, the loan operations area would not book any loan and 23 typically the credit memorandum would be sent to our legal 24 counsel, external legal counsel who were documenting any loan. 25 Q And who within the credit risk group would do that,</p>
<p style="text-align: right;">Page 988</p> <p>N. HAIGH - DIRECT (MR. WALLACE)</p> <p>1 Q You mentioned that lending officers would make the 2 decision as to whether the loan fitted with their portfolio 3 aspects. What is entailed in that analysis? What are they 4 looking at when they're making a loan? 5 A Well, a lending -- I mean, the lending group is part 6 of a business line that they're there to make money. They have 7 a whole a number of products that they typically -- typically 8 that's sold, if you like; loans, let's say for example, 9 commercial real estate loans or residential real estate loans. 10 So they had a number of products that they would typically sell 11 and they wanted to make sure that they were taking the right 12 risk profile for that business because they would carry any 13 losses and they wanted to make sure that they were appropriately 14 profitable because their business line was charged for the 15 capital that they were using. 16 Q And a loss would be that if a loan doesn't pay, the 17 loss would be on their books? 18 A Yes. 19 MR. ROBERT: Objection. 20 THE COURT: Sustained. 21 Q So whose books would the loss go on? 22 A So the profit and the loss account belonged to the 23 business line. In this case, private wealth management. 24 Q So in the process, you were describing your group, the 25 credit risk group, would be the last one to sign off on the</p>	<p style="text-align: right;">Page 990</p> <p>N. HAIGH - DIRECT (MR. WALLACE)</p> <p>1 provide authorization? 2 A There are a number of credit officers in my group and 3 each one had different levels of credit authority delegated to 4 it by the bank's chief risk officer. It was a process of 5 delegating credit authority. There were limits on that credit 6 authority that reflected the size of the loan and the risk 7 rating of the counterparty. 8 Q And so did you have credit authority? 9 A I did. 10 Q And what was the level of your credit authority? 11 A Well, it varied depending on how risky the client was, 12 so for the least risky client, I seem to remember it was 500 13 million euro, but that fell rapidly when you -- when we got 14 down to clients who were non-investment grade and I think the 15 low investment grade was more like 15 million euro. I don't 16 remember precisely. 17 Q Mr. Haigh we're going to hand you a document that has 18 been marked as Plaintiff's Exhibit 293. 19 Mr. Haigh, would you just take a moment to familiarize 20 yourself with this exhibit. 21 A Okay. 22 Q Do you recognize this document? 23 A Yes. 24 Q What is it? 25 A This is a credit memorandum for the transaction</p>

<p>N. HAIGH - DIRECT (MR. WALLACE) Page 991</p> <p>1 covering golf course resort hotel in Miami.</p> <p>2 Q And if we just look at the top corner here under</p> <p>3 beneficial owner, it says Donald J. Trump. Do you recognize him</p> <p>4 as the -- what is his role in that transaction?</p> <p>5 A So he is the beneficial owner of the legal vehicle that</p> <p>6 owned golf course, so resort. And he was also a guarantor, a</p> <p>7 personal guarantor on the transaction.</p> <p>8 MR. WALLACE: If we could just turn quickly to page</p> <p>9 five.</p> <p>10 Q Do you recognize your signature on the far right-hand</p> <p>11 page here?</p> <p>12 A Yes, that's my signature.</p> <p>13 Q What is indicated by your signature there?</p> <p>14 A My approval of the transaction terms contained in the</p> <p>15 memorandum.</p> <p>16 MR. WALLACE: Your Honor, we'd ask that this</p> <p>17 document be entered into evidence.</p> <p>18 MR. ROBERT: Objection, statute of limitations.</p> <p>19 THE COURT: Overruled. I will consider it a</p> <p>20 standing objection. Overruled. Granted. It is in</p> <p>21 evidence.</p> <p>22 (Whereupon, the Document was marked in evidence as</p> <p>23 People's Exhibit 293.)</p> <p>24 Q Is there any significance to your signature being on</p> <p>25 the far right?</p>	<p>N. HAIGH - DIRECT (MR. WALLACE) Page 993</p> <p>1 Q And is that based on the borrower or the loan that's</p> <p>2 being paid?</p> <p>3 A You know, I'm not sure I remember exactly the rules.</p> <p>4 If we already had a credit for this borrower, we would have</p> <p>5 checked the increase box and if it was just an annual review of</p> <p>6 our existing credit with no other changes we would have checked</p> <p>7 the review box. So this reflects that, in fact, this was a new</p> <p>8 credit. It would be a new asset for the bank.</p> <p>9 Q The box next to that under borrower, it says, "TBD [SPV</p> <p>10 acceptable to the lender end bracket]." What does that</p> <p>11 indicate?</p> <p>12 A So it stood for "to be decided." Then in parenthesis,</p> <p>13 special purpose vehicle acceptable to the lender.</p> <p>14 Q Is there a reason there is not a specific borrower</p> <p>15 designated yet?</p> <p>16 A I think the reason would be that either we did not know</p> <p>17 the specific legal name of the legal vehicle that it would be or</p> <p>18 maybe that vehicle still needed to be set up and yet didn't</p> <p>19 exist.</p> <p>20 Q But you were able to approve the loan without a</p> <p>21 specific vehicle having been designated yet?</p> <p>22 A Yes, we did.</p> <p>23 Q If we go back to the box that has Donald Trump as the</p> <p>24 beneficial owner at the top, there is a line or two below, it</p> <p>25 says, "REL manager. It states, "Vrablic/Scalzi." What is</p>
<p>N. HAIGH - DIRECT (MR. WALLACE) Page 992</p> <p>1 A I think the convention of Deutsche Bank was to arrange</p> <p>2 the business on the left, credit officers on the right, and then</p> <p>3 I think in the States, we went from left to right in terms of</p> <p>4 seniority, but that wasn't written down anywhere that it had to</p> <p>5 be done that way.</p> <p>6 Q So you were the most senior credit officer signing this</p> <p>7 document?</p> <p>8 A That's correct.</p> <p>9 Q And does that mean you are the credit officer approving</p> <p>10 this document?</p> <p>11 A Well, Sean Harrigan is the other risk management</p> <p>12 officer and we together were able to approve the document.</p> <p>13 Q If we go back to the first page, I just would like to</p> <p>14 walk through some of the top. Can we see it says PWM regional</p> <p>15 and there is a checkmark there. What's indicated by that</p> <p>16 notation?</p> <p>17 A I think it means that it needed to be approved the PWM</p> <p>18 regional level wherein the United States.</p> <p>19 Q And that was -- is that the region you were working</p> <p>20 in?</p> <p>21 A Yes, I was in the United States. Yes.</p> <p>22 Q Down below, there is a checkbox next to new request.</p> <p>23 What's indicated by that?</p> <p>24 A A new credit request. We didn't already have a credit</p> <p>25 for this -- for this borrower.</p>	<p>N. HAIGH - DIRECT (MR. WALLACE) Page 994</p> <p>1 indicated by this line?</p> <p>2 A It stands for relationship manager and the chief</p> <p>3 relationship manager for this relationship was Rosemary Vrablic</p> <p>4 and her partner is Dominick Scalzi.</p> <p>5 Q And I think you described it at a general level, but</p> <p>6 what role did they play in this transaction?</p> <p>7 A They were responsible for handling communications with</p> <p>8 the client, providing services to the client of all the services</p> <p>9 that the bank offered.</p> <p>10 Q If we go two lines below, which states AC manager, the</p> <p>11 name Sullivan after it, what's indicated on this line?</p> <p>12 A I think it stands for account manager. Tom Sullivan</p> <p>13 was the lending -- the senior lending officer from the business</p> <p>14 line on this relationship.</p> <p>15 Q And you described it at a high level. What role did</p> <p>16 Mr. Sullivan play in this transaction?</p> <p>17 A So his group was responsible -- it was their credit</p> <p>18 portfolio. He was responsible for making sure that they made</p> <p>19 loans on terms that they were comfortable with.</p> <p>20 Q And you had mentioned, I think, that it went on -- the</p> <p>21 profit and loss went on someone's balance sheet.</p> <p>22 Is Mr. Sullivan then the person that had the profit and</p> <p>23 loss on his balance sheet?</p> <p>24 A He wasn't the head of that group, but he was part of</p> <p>25 that group.</p>

<p>N. HAIGH - DIRECT (MR. WALLACE) Page 995</p> <p>1 MR. ROBERT: Objection. Objection to leading, your 2 Honor. 3 THE COURT: Can you rephrase the question, so it is 4 not leading. 5 MR. WALLACE: Sure, your Honor. 6 Q Was there anything significant -- I'll just withdraw 7 the question. 8 The next line states "supporting" and lists the name 9 Stafford. What role -- what is that identifying? Or actually, 10 can I just clarify on the document? Is it supporting lenders 11 and there are two names? Is that how this should be read? 12 A That's right. 13 Q So the line states "supporting lenders." It says 14 Stafford/Schroeder. What's indicated by that line? 15 A Those two officers worked for Tom Sullivan and they 16 were part of the lending group. They were lending officers 17 within the bank. 18 MR. WALLACE: If we could scroll down on this 19 document a little bit. 20 Q The box here states collateral. The first paragraph 21 reads, "A first mortgage lien and a first priority security 22 interest in the Doral Golf Resort and Spa located in Miami, 23 Florida, (the resort), including the borrower's fee, simple 24 estate, all personal property, leases, rents, revenue, operating 25 accounts, reserves and all other related assets."</p>	<p>N. HAIGH - DIRECT (MR. WALLACE) Page 997</p> <p>1 estate, so there is a requirement from the bank to get an 2 appraisal -- an independent appraisal on behalf of the bank of 3 the value of the collateral real estate. 4 Q So because the real estate is the collateral for this 5 loan, the bank has an obligation to get an appraisal? Am I 6 stating that correctly? 7 MR. ROBERT: Objection. 8 THE COURT: We are getting to the point of the 9 witness says something and the attorney is asking is that 10 what you were meaning. 11 MR. ROBERT: He's trying to clarify it, so Mr. 12 Wallace is testifying. This witness is certainly capable of 13 answering questions. 14 THE COURT: Mr. Wallace, is there another way 15 around this? 16 MR. WALLACE: I think it was an appropriate 17 clarifying question. I did not suggest what the answer 18 would be to the witness. 19 THE COURT: Well, you suggested what you think he 20 was really trying to say, right or something that like a 21 simplified version of that. 22 Q So why is the appraisal necessary? Could you, please, 23 restate that? 24 A All loans secured on real estate require an independent 25 appraisal commissioned by the bank.</p>
<p>N. HAIGH - DIRECT (MR. WALLACE) Page 996</p> <p>1 What's being indicated in this section here? 2 A So it's right at the start of this credit memo. It is 3 giving us an idea of the collateral that will be provided for 4 the loan. 5 Q If we look at the next paragraph in the middle, there 6 is a sentence that begins, "Based on the \$150 million cost, our 7 initial LTV will be 83.3 percent. However, borrowing under the 8 facility will be equal to the lesser of; i, 125 million; and ii, 9 up to 85 percent of the appraised value subject to the 10 satisfactory review of DB's Valuation Services Group. I'll stop 11 right there. Just ask you to identify what's meant by a few 12 words. What's LTV? 13 A LTV means loan to value. 14 Q So I think loan is the value of what? 15 A The \$150 million. So 83.3 percent, our loan would be a 16 loan up to \$125 million would be 83.3 percent of \$150 million. 17 Q And where it says "the facility," what is that 18 referring to? 19 A The credit facility. 20 Q And so ii states that it is subject to the appraised 21 value -- actually, let me rephrase that. Up to 85 percent of 22 the appraised value subject to the satisfactory review of DB's 23 Valuation Group Services. Why is there a requirement to obtain 24 an appraised value? 25 A This is a loan collateralized with commercial real</p>	<p>N. HAIGH - DIRECT (MR. WALLACE) Page 998</p> <p>1 Q And are appraisals required on loans that are not 2 secured by real estate? 3 A For loans that are not secured by real estate, 4 appraisals are not required by regulation in all cases; but 5 sometimes by bank policy, they are required. 6 Q Go to the bottom of this section, it states, that "the 7 facility will also be supported by a full and unconditional 8 guarantee provided by DJT of little one, principal and interest 9 due under the facility; and two, operating shortfalls of the 10 resort. It being understood that borrower shall be permitted to 11 utilize all revenues from the resort to operate the resort to 12 reduce the amount of such shortfall." 13 First, who is DJT has referenced there? 14 A Donald Trump. 15 Q Can you explain for me what Mr. Trump is guaranteeing 16 here? 17 A He's guaranteeing that he will repay our loan, all the 18 monies due under the loan under Roman one; and under Roman two, 19 he's also guaranteeing that if the resort is not -- is losing 20 money, he will pay the cost of that shortfall. 21 Q If you look at the sentence just below, it states, "for 22 collateral monitoring purposes, the facility is being 23 underwritten as other secured." What does that mean? 24 A It's a categorization of a type of collateral that we 25 have.</p>

<p>N. HAIGH - DIRECT (MR. WALLACE) Page 999</p> <p>1 Q And what does it mean that it is other secured?</p> <p>2 A So it means that it is secured in that we have</p> <p>3 collateral and the other box is because -- or the other</p> <p>4 descriptor is because the type of collateral didn't fit cleanly</p> <p>5 into the typical types of collateral that the bank took.</p> <p>6 Q Mr. Haigh, when you say the bank, are you talking about</p> <p>7 your group or Deutsche Bank writ large?</p> <p>8 A I'm talking about the private wealth management</p> <p>9 business.</p> <p>10 Q Why isn't the Doral Golf Resort &amp; Spa collateral that</p> <p>11 the bank typically took?</p> <p>12 A Although the collateral was commercial real estate in</p> <p>13 the largest sense of those words, the specific use of the</p> <p>14 collateral as a golf resort and spa is a specialist use that was</p> <p>15 not a typical type of collateral that the wealth management</p> <p>16 group took for its loans.</p> <p>17 Q And did that fact have any impact on how you analyzed</p> <p>18 this potential credit?</p> <p>19 A Yes, it's relevant to how -- to the analysis of the</p> <p>20 credit.</p> <p>21 Q And how would it be relevant?</p> <p>22 A It's relevant because it affects the ability of the</p> <p>23 bank in extremis to sell the collateral. A golf course, golf</p> <p>24 resorts are relatively uncommon compared to other types of</p> <p>25 commercial real estate and the number of buyers for those</p>	<p>N. HAIGH - DIRECT (MR. WALLACE) Page 1001</p> <p>1 repayment.</p> <p>2 Q Did the fact that it was the tertiary source of</p> <p>3 repayment have an effect on your credit analysis?</p> <p>4 A No.</p> <p>5 Q Is the fact that a tertiary source of repayment, does</p> <p>6 that mean it is less important than the other source of</p> <p>7 repayment that's listed?</p> <p>8 A No, it is not less important.</p> <p>9 Q If we look down at the next box, it states,</p> <p>10 "recommendation" and it reads, "The facility is being</p> <p>11 recommended for approval based on financial strength of the</p> <p>12 guarantor. The financial profile of the guarantor includes on</p> <p>13 an adjusted basis, 135 million in unencumbered liquidity,</p> <p>14 2.4 billion in net worth and approximately 48 million in</p> <p>15 adjusted recurring net cash flow."</p> <p>16 Is there any significance to this being a first basis</p> <p>17 for approval in this segment?</p> <p>18 A I think that indicates that it is significant -- those</p> <p>19 are significant facts in the analysis of the risk.</p> <p>20 Q The next item listed, it states, "Nature of the</p> <p>21 guarantee. The nature of the guarantee which includes both</p> <p>22 principal and interest along with operating expenses of the</p> <p>23 resort."</p> <p>24 What was it about the nature of the guarantee that made</p> <p>25 it a basis for recommending the loan?</p>
<p>N. HAIGH - DIRECT (MR. WALLACE) Page 1000</p> <p>1 resorts is more limited, and so it would most likely be harder</p> <p>2 for the bank to sell should it have to foreclose on the</p> <p>3 collateral.</p> <p>4 Q You mentioned earlier, you said something about the</p> <p>5 bank acting in extremis. What did you mean by that?</p> <p>6 A I meant by -- in extremis, I meant should the bank face</p> <p>7 a default where it had to try and foreclose or in some other way</p> <p>8 take ownership of collateral.</p> <p>9 MR. WALLACE: We can take down this segment, but if</p> <p>10 we could flip to the third page.</p> <p>11 Q There is a box up top that states, "repayment sources,</p> <p>12 key risks and mitigants." It lists a primary source of</p> <p>13 repayment, a secondary source of repayment and a tertiary source</p> <p>14 of repayment.</p> <p>15 I would like to direct your attention to this section,</p> <p>16 tertiary source of repayment. It says, "full and unconditional</p> <p>17 guarantee of DJT which eliminates any shortfall associated with</p> <p>18 operating and liquidating collateral."</p> <p>19 What does it mean that the guarantee was a tertiary</p> <p>20 source of repayment?</p> <p>21 A So when a bank is making a loan or Deutsche Bank is</p> <p>22 going to make a loan, it wanted to identify the likely ways it</p> <p>23 was going to get repaid and the third one, the tertiary one in</p> <p>24 this case, was a way of the bank getting repaid that they are</p> <p>25 not relying on the collateral itself as the source of that</p>	<p>Page 1002</p> <p>1 A The guarantee ensured that we had a legal obligation</p> <p>2 from an individual with the financial wherewithal to repay us if</p> <p>3 necessary.</p> <p>4 Q So the financial strength and the guarantee are</p> <p>5 connected?</p> <p>6 A Correct.</p> <p>7 Q If you could turn to page five of this document and go</p> <p>8 to the section entitled, "financial analysis." It's below your</p> <p>9 signature. At a high level, can you tell me what is reflected</p> <p>10 in this segment of the report?</p> <p>11 A So this section of the report is a summary of the</p> <p>12 client's financial profile. It is broken down on this table by</p> <p>13 the kind of assets, the kind of liabilities that they have, and</p> <p>14 it's got some key ratios from our risk management around cash</p> <p>15 flow, leverage, liquidity.</p> <p>16 (Continued on the next page.)</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1003</p> <p>1 Q So where are those key ratios reflected on here just so 2 I'm looking in the right place?</p> <p>3 A Towards the bottom of the table, the bottom four rows 4 and the heading immediately above it.</p> <p>5 Q So it's the -- on this section, "key ratios on secured 6 lending guidelines?"</p> <p>7 A That's correct.</p> <p>8 Q And why are those key ratios for the bank?</p> <p>9 A Those are key ratios because they are ratios that we 10 commonly use to measure and compare one client financial 11 profiling against another and our documents and the lending 12 guidelines would refer to those key ratios and then assessment 13 of whether or not a client met or -- met somewhat all of those 14 key ratios.</p> <p>15 Q Go back to the top of this section. It states: 16 "Guarantor's function summary. Although facility is 17 being extended to an SPV for the purposes of financing the 18 purchase of the resort, the credit exposure is being recommended 19 primarily based on the financial profile of the guarantor."</p> <p>20 Why is the financial profile of the guarantor the 21 primary basis for recommending this loan?</p> <p>22 A The wealth management business at Deutsche Bank would 23 not make loans secured just on collateral without a strong 24 financial guarantee or personal guarantee from a financially 25 strong person. Given that this was unusual collateral as a golf</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1005</p> <p>1 A Not in detail.</p> <p>2 Q We'll look at the next sentence. It states: 3 "Based on results of this due diligence, we have made 4 certain assumptions that have resulted in adjustments to 5 reported values."</p> <p>6 What is the nature of the adjustments that they are 7 making to the reported values?</p> <p>8 A So the DB adjusted numbers on the right hand column of 9 that table and they are marking down asset values, not 10 liabilities but asset values in various different asset 11 categories.</p> <p>12 Q And do you have an understanding what the basis was for 13 marking down those asset values?</p> <p>14 A So the reason for marking down the asset values is that 15 the bank wants to be comfortable that in a -- in a stressed 16 scenario with a client the individual is under financial 17 pressure, asset values have fallen, the bank wants to know that 18 it can still have a strong guarantor as its potential source of 19 employment. Specifically how they did it in each specific case, 20 I think I'd have to read further into the credit memo to 21 determine.</p> <p>22 Q If we look at the last sentence in this first 23 paragraph, it states: 24 "Details on such adjustments are included in the 25 analysis that follows. Additional details are included in the</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1004</p> <p>1 resort and spa, we would not really want to have to foreclose on 2 that collateral and so we would most likely first look to the 3 guarantor to remedy any default -- payment default on the loan.</p> <p>4 THE COURT: Ten-minute warning.</p> <p>5 MR. WALLACE: Thank you, Your Honor.</p> <p>6 Q If we look at the next part of that paragraph it 7 states: "As part of this underwriting we have met with several 8 members of the family office to conduct due diligence on the 9 client reported financial information as prepared by 10 WeiserMazars, an independent public accounting firm."</p> <p>11 I'll pause there just for a moment to say what is the 12 family office that's being referred to here?</p> <p>13 A I don't know specifically. I think it's referring to 14 people that work for Mr. Trump in handling his personal -- 15 personal matters.</p> <p>16 Q Do you know who -- it says that "we have met with the 17 office and conducted underwriting." Who is the "we" that have 18 been doing the due diligence?</p> <p>19 A So this memo was prepared by lending officers. I 20 imagine in this case it would have been Tom Sullivan and Kirk 21 Stafford and Emily Schroeder who are the lending officers on 22 this transaction. I'm not sure whether all of them met with the 23 family office or whether it was just some of those people.</p> <p>24 Q And are you familiar with what due diligence they did 25 that's being described in this memo?</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1006</p> <p>1 guarantor's financial statements which is attached at exhibits" 2 -- I think that's Roman Numeral II.</p> <p>3 Do you recall in connection with this credit analysis 4 if you in fact reviewed the guarantor's financial statements?</p> <p>5 A Yes, I did.</p> <p>6 Q Mr. Haigh, you've been handed a document that has been 7 designated Plaintiff's Exhibit 330. I will just note that at 8 the bottom it has a Deutsche Bank production number, DB-NYAG 9 011946. Do you recognize this document?</p> <p>10 A Yes.</p> <p>11 Q And what is it?</p> <p>12 A It's the personal financial statement for Donald Trump.</p> <p>13 MR. WALLACE: Your Honor, I would ask that this be 14 entered into evidence.</p> <p>15 MR. ROBERT: Statute of limitations objection.</p> <p>16 THE COURT: Overruled. Granted. It's in evidence. 17 (Whereupon, the item previously referred to is 18 received and marked Plaintiff's Exhibit Number 330 in 19 evidence.)</p> <p>20 Q Mr. Haigh, is this the document you would have reviewed 21 in connection with the credit report we were just looking at?</p> <p>22 A Yes.</p> <p>23 Q Do you recall what you were looking for when you 24 reviewed this report?</p> <p>25 A In very general terms I was trying to understand which</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1007</p> <p>1 assets and which liabilities the obligor had so I could get a 2 feeling for the kind of financial profile that I thought the 3 client had. 4 Q And do you remember what your conclusion was upon 5 review of the document? 6 A So in general terms my conclusion was the client owned 7 a lot of real estate, which was not surprising; a lot of golf 8 courses, which I didn't know how to value; that his debt was 9 low; that his liquidity was good. 10 Q You mentioned that you didn't know how to value golf 11 courses. Did you undertake any steps because of that? 12 A Not with regard to the golf courses that were on his 13 balance sheet; obviously with regard to the collateral asset the 14 bank did. 15 Q And the collateral asset was the golf course? 16 A Correct. 17 Q If I could direct you to page nine of this document. I 18 just want to draw your attention to the first paragraph under 19 "Basis of Presentation." It states: 20 "The accompanying Statement of Financial Condition 21 consists of the assets and liabilities of Donald J. Trump. 22 Assets are stated that their estimated current values and 23 liabilities that their estimated current amounts using various 24 valuation methods." 25 Do you have an understanding of what is meant by the</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1009</p> <p>1 determined by Mr. Trump, to some extent I'm familiar with in the 2 sense that whenever a statement is made that is not prepared by 3 auditors it contains estimates of value, they're informed by the 4 management typically and so that's not uncommon to see something 5 of that sort in a cover letter. 6 THE COURT: All right. Let's take a 15-minute 7 break in ten minutes -- no, it's the opposite. We're taking 8 a ten-minute break in 15 minutes. See you all at a quarter 9 of. 10 (Whereupon, there is a recess in the proceedings.) 11 THE COURT OFFICER: All rise. Part 37 is back in 12 session. Be seated and come to order. 13 THE COURT: Notice it always feels like it's only 14 ten minutes, but it really was 15 minutes. 15 THE COURT OFFICER: Witness entering. 16 (Whereupon, the witness enters the courtroom and 17 approaches the witness stand.) 18 THE COURT: Let's continue. 19 CONTINUED DIRECT EXAMINATION 20 BY MR. WALLACE: 21 Q Mr. Haigh, when we broke we were talking about your 22 review of Donald J. Trump's Statement of Financial Condition. I 23 just want to know when you reviewed that statement did you make 24 any assumptions as to the accuracy of the representations it 25 contained?</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1008</p> <p>1 term "estimated current values?" 2 A My understanding of that term would be that it is 3 estimated in the sense of they don't necessarily have appraisals 4 or market evidence for the value of all of those assets, but 5 it's estimating what they're worth as of the date of the 6 financial statement, June 30, 2011. 7 Q Just to look at the next paragraph below. It states: 8 "Such valuation methods include but are not limited to 9 the use of appraisals, capitalization of anticipated earnings, 10 recent sales and offers, and estimates of current values as 11 determined by Mr. Trump in conjunction with his associates and 12 in some instances, outside professionals." 13 I just want to direct your attention to the list where 14 it states "use of appraisals, capitalization of anticipated 15 earnings, recent sales and offers and estimates of current 16 values as determined by Mr. Trump." 17 Are you familiar with those valuation techniques for 18 the assets that are listed on Mr. Trump's Statement of Financial 19 Condition? 20 A So getting appraisals by independent appraisals is a 21 common valuation appraisal method. Capitalizing anticipated 22 earnings is offered on a lot of the methods that goes into 23 developing an appraisal. It has also comparisons with recent 24 sales and potentially offers for assets. 25 The piece about the estimates of current values as</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1010</p> <p>1 A I assumed that the representations of value of the 2 assets and liabilities were broadly accurate. 3 MR. WALLACE: If we could go back to Plaintiff's 4 Exhibit 293. If we could go back to page six again. 5 Q If we zoom at the top, this is the continuation of the 6 financial analysis. I just want to highlight for you this 7 segment, which says: "Real estate net equity." 8 "The following table summarizes the guarantor's total 9 real estate portfolio as of 6/31/11, which reflects the 10 guarantor's four fully owned trophy properties, the portfolio of 11 ten wholly-owned club facilities, other major property 12 interests, and properties currently under development." 13 I'll just pause there. I assume 6/31 is a 14 typographical error. June didn't have 31 days in 2011? 15 A I think if my memory serves me correctly -- 16 THE COURT: I'll take judicial notice that June has 17 30 days, not 31. 18 Q Do you have an understanding of -- well, first of all, 19 what is meant by the term "trophy properties?" 20 A That was a phrase that was used within private wealth 21 management lending group and credit risk management to identify 22 four significantly sized assets that we believed we could get a 23 better understanding by ourselves of their potential market 24 value. 25 Q So the term "trophy properties" is specific to this</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1011</p> <p>1 analysis of Mr. Trump?</p> <p>2 A Specific to Mr. Trump in this analysis only, that's</p> <p>3 correct.</p> <p>4 Q And do you know why these four properties were broken</p> <p>5 out?</p> <p>6 A They were broken out because they were large and</p> <p>7 represented significant asset positions and as I said earlier</p> <p>8 because we felt that we could get an idea of the market value of</p> <p>9 those assets unlike the club facilities and -- unlike the club</p> <p>10 facilities which we thought it would be hard to get it -- our</p> <p>11 own picking of their worth and unlike the other property</p> <p>12 interests which were I think probably much smaller and therefore</p> <p>13 would require a lot more internal resources to try and analyze.</p> <p>14 Q If we step away from this sheet for a moment and go</p> <p>15 down to the segment that states "Trump Towers" -- and, again, I</p> <p>16 guess just note for the record there is just one Trump Tower up</p> <p>17 here. There is not multiple; is that correct?</p> <p>18 This section states: "The 68-story building contains</p> <p>19 residential and condominiums that are owned by residents along</p> <p>20 with 178,000 square feet in commercial space and 114,000 square</p> <p>21 feet of retail space. The property has an NOI of 17.1 million</p> <p>22 and the guarantor used a cap rate of 3.50 percent to derive</p> <p>23 reported value."</p> <p>24 First of all, what is -- what are the initials NOI?</p> <p>25 A They stand for net operating income.</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1013</p> <p>1 communicated to the bank and I did not personally see any</p> <p>2 documents that communicated that information.</p> <p>3 THE COURT: This is a, in my view, a subtle area.</p> <p>4 To what extent does an answer have to be definite? I don't</p> <p>5 think it has to be a hundred percent. In other words, it</p> <p>6 can't just be mere speculation, so.</p> <p>7 MR. WALLACE: I can try to build this out a little</p> <p>8 bit.</p> <p>9 THE COURT: Sure.</p> <p>10 Q Mr. Haigh, did you have a general understanding of how</p> <p>11 the bank obtained information that would be precluded in these</p> <p>12 reports?</p> <p>13 A Yes. The bank would normally get some sort of</p> <p>14 certificate of financial -- some sort of financial statement,</p> <p>15 personal financial statement and it would typically have</p> <p>16 questions about that and there would then be a discussion with</p> <p>17 the client to explain what was on those financial statements.</p> <p>18 In this case around a net operating income on a building, the</p> <p>19 bank would have no way of knowing what that information was by</p> <p>20 itself unless it came from the client.</p> <p>21 Q I want to focus if we go back to Trump Tower for a</p> <p>22 moment. The next sentence states that "for purposes of</p> <p>23 adjusting DBVSG used a 4.5 percent cap rate."</p> <p>24 First of all, what is DBVSG?</p> <p>25 A Deutsche Bank Valuation Services Group.</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1012</p> <p>1 Q And do you know where Deutsche Bank obtained this</p> <p>2 information of a net operating income and a cap rate of</p> <p>3 3.5 percent?</p> <p>4 A So I can't personally be specific, but I assumed at the</p> <p>5 time -- I would assume now that it came from information</p> <p>6 provided by the client's family office.</p> <p>7 Q If we go down to the property 40 Wall Street. That</p> <p>8 states that it is a 72-floor tower, consists of 1.3 million in</p> <p>9 premier office space. The property has an NOI of 26.2 million</p> <p>10 with the guarantor using a five percent cap rate to derive the</p> <p>11 reported value."</p> <p>12 Do you know where Deutsche Bank obtained the</p> <p>13 information about 40 Wall's NOI and the cap rate used to derive</p> <p>14 the reported value?</p> <p>15 A Again, I would assume it came from Deutsche Bank</p> <p>16 speaking with the client's family office.</p> <p>17 MR. KISE: Objection, Your Honor. That answer and</p> <p>18 the previous answer, that's an assumption. That's not an</p> <p>19 answer. That's -- there is no foundation for him to support</p> <p>20 that. He doesn't know. The answer to the question would be</p> <p>21 no, he doesn't know.</p> <p>22 THE COURT: Well, let's ask him to explain what did</p> <p>23 you know, what did you not know?</p> <p>24 THE WITNESS: I did not see the documents or the --</p> <p>25 I was not at the meeting where this information was</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1014</p> <p>1 Q And so why is -- do you have an understanding of why</p> <p>2 Deutsche Bank Valuation Services Group is adjusting the cap</p> <p>3 rate?</p> <p>4 A So the wealth management business engaged Deutsche</p> <p>5 Bank's Valuation Services Group which is a group of appraisers.</p> <p>6 They engaged them not to renew specific appraisals because the</p> <p>7 bank hadn't commissioned any appraisals on these assets.</p> <p>8 Instead, the bank -- the wealth management business consulted</p> <p>9 with the group about market conditions. The valuation services</p> <p>10 group has access to various databases and market information</p> <p>11 based on which their thinking was that a 4.5 percent</p> <p>12 capitalization rate would be more appropriate than a 3.5</p> <p>13 capitalization rate.</p> <p>14 Q I just want to go back to something you mentioned in</p> <p>15 your answer. You said that they did not -- you said "the bank</p> <p>16 had not commissioned appraisals on these assets."</p> <p>17 When you say "these assets," are you referring to the</p> <p>18 four trophy properties?</p> <p>19 A That's correct.</p> <p>20 Q Why didn't the bank commission appraisals on those four</p> <p>21 assets?</p> <p>22 A The bank normally always as far as I can think of only</p> <p>23 commissions appraisals on assets that needs taking as</p> <p>24 collateral. These assets were not collateral.</p> <p>25 Q If we go back to the chart on the four trophy</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1015</p> <p>1 properties. We see that there is a column marked "DB Valuation"</p> <p>2 and says "Trump Tower 380.2." Is that an indication of an</p> <p>3 actual valuation of the property by the DB Valuation Services</p> <p>4 Group?</p> <p>5 A No, not an actual appraisal of the property, no.</p> <p>6 Q What is reflected in that column?</p> <p>7 A I think that number reflects -- it captures the number</p> <p>8 that was stated -- that we just discussed, which is the</p> <p>9 valuation services group's opinion of what that property might</p> <p>10 be worth without having done all the due diligence that they</p> <p>11 would do around a true appraisal.</p> <p>12 Q I think we can take this section down and I'd just like</p> <p>13 to look -- oh, actually back up. Apologies.</p> <p>14 Just a little further down on page six there is a</p> <p>15 segment entitled above "facilities" and it describes a series of</p> <p>16 ten private clubs owned by Mr. Trump. It then states there is a</p> <p>17 discussion of membership requirements and membership</p> <p>18 liabilities.</p> <p>19 I just want to focus your attention on the last</p> <p>20 sentence. It states: "For purposes of our analysis, the</p> <p>21 1.3 billion in reported value had been reduced by 50 percent for</p> <p>22 deriving an adjusted value."</p> <p>23 Do you have an understanding of why this technique was</p> <p>24 used to adjust the value of the club properties?</p> <p>25 MR. KISE: Objection. What technique?</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1017</p> <p>1 assets."</p> <p>2 Did this -- the nature of this collateral, did that</p> <p>3 have any effect on the decision to approve this loan?</p> <p>4 A Yes. Collateral is a significant part of the bank's</p> <p>5 protection and so it was significant in approving this loan.</p> <p>6 Q The next segment states "Guarantee."</p> <p>7 "The guarantor will provide a full and unconditional</p> <p>8 guarantee of (i) principal and interest due under the facility</p> <p>9 and (ii), operating shortfalls of the resort. It being</p> <p>10 understood that the borrower shall be permitted to utilize all</p> <p>11 revenues from the resort to operate the resort to reduce the</p> <p>12 amount of such a shortfall."</p> <p>13 Does the nature of the guarantee affect your analysis</p> <p>14 in approving the loan?</p> <p>15 A Yes. The guarantee provides -- it's also significant,</p> <p>16 very significant to the bank in terms of whether it would</p> <p>17 approve or not, so the guarantee in the financial profile of the</p> <p>18 client who gives that guarantee.</p> <p>19 Q And if we go down to a section a little bit further</p> <p>20 down it states "interest rate."</p> <p>21 It states: "Renovation period: LIBOR plus</p> <p>22 2.25 percent or the prime rate."</p> <p>23 "Post renovation period: LIBOR plus two percent or the</p> <p>24 prime rate minus .25 percent."</p> <p>25 Just ask you if you can explain your understanding of</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1016</p> <p>1 THE COURT: Sustained. I don't see the technique</p> <p>2 there. I see the conclusion.</p> <p>3 Q Do you know why for purposes of the analysis in the</p> <p>4 credit report, the \$1.3 billion in reported value of the club</p> <p>5 facilities was reduced by 50 percent for deriving an adjusted</p> <p>6 value?</p> <p>7 A The value -- the reported value was adjusted in our</p> <p>8 financial analysis by 50 percent which was a -- I think</p> <p>9 standardized number for commercial real estate assets and the</p> <p>10 purpose of doing that was to just have a broad sense of what</p> <p>11 those assets might be worth. If we were in bad market</p> <p>12 conditions and we needed to seek repayment from the client and</p> <p>13 the client's assets had fallen in value, 50 percent represented</p> <p>14 a number which would be significant and yet we could still look</p> <p>15 at those assets and see whether there was any equity in those</p> <p>16 assets, meaning --</p> <p>17 MR. WALLACE: We can take this down.</p> <p>18 Q Can we take a look at page two, Exhibit 293? And if we</p> <p>19 look at the segment entitled "collateral." Just zoom on that</p> <p>20 it's up a little. And the section marked "guaranteed" -- can</p> <p>21 you zoom on that just a little?</p> <p>22 This section states: "A first mortgage and a first</p> <p>23 priority security interest in the resort, including the</p> <p>24 borrower's fee, simple estates, all personal property, leases,</p> <p>25 rents, revenue, operating accounts, reserves, and all other</p>	<p>Page 1018</p> <p>1 some of the words here. What is renovation period?</p> <p>2 A So there was a -- the first part of this loan, this</p> <p>3 piece of real estate was undergoing renovation or improvements</p> <p>4 and so its cash flow would have been lower at that time.</p> <p>5 Q Can you just explain to me what is meant by LIBOR plus</p> <p>6 2.25 percent?</p> <p>7 A So LIBOR stands for London Interbank Offering Rate and</p> <p>8 here it represents loosely the cost of the bank funding itself.</p> <p>9 So it was a cost the bank has to pay for having monies that it</p> <p>10 then lends out to all the clients. Loosely.</p> <p>11 And the 2.25 percent on top of that LIBOR index</p> <p>12 represents, loosely, income for the bank and together they</p> <p>13 represent the interest rate that the client pays for whatever</p> <p>14 interest period that the client chooses.</p> <p>15 The transcript continues on the following page....</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1019</p> <p>1 Q Look at the next line, the post renovation period. I</p> <p>2 think the explanation of that is implied by your description of</p> <p>3 what the renovation period was.</p> <p>4 What was the post renovation period?</p> <p>5 A So post renovation period is that period after the</p> <p>6 renovations have been completed or largely completed. At which</p> <p>7 point, the bank anticipates that the income from the real estate</p> <p>8 would be higher than previously.</p> <p>9 Q So why is there a difference between the renovation</p> <p>10 period rate and the post renovation period rate?</p> <p>11 A Bank's view was that there was a less risk in an asset</p> <p>12 that is post renovation and is more fully income producing.</p> <p>13 MR. WALLACE: If we can just back out of this for a</p> <p>14 moment and just look at the whole page.</p> <p>15 Q This section is headed "facility details." Is there an</p> <p>16 interaction between each of those terms and your decision on</p> <p>17 whether or not to approve this loan?</p> <p>18 MR. KISE: Objection, interaction.</p> <p>19 THE COURT: As to the wording interaction?</p> <p>20 MR. KISE: I'm not sure I even understand the</p> <p>21 question.</p> <p>22 MR. WALLACE: The question is whether the witness</p> <p>23 understands.</p> <p>24 THE COURT: Right. I was going to say.</p> <p>25 I am going to ask the witness do you understand the</p>	<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1021</p> <p>1 the first place because wealth management did not do business</p> <p>2 without personal guarantees. In addition, the strength under</p> <p>3 which that guarantee will be reflected in the pricing of the</p> <p>4 loan, the spread to the bank in other words. Also, in the terms</p> <p>5 of the loan including its size.</p> <p>6 Q When you said spread and pricing, that's the</p> <p>7 2.5 percent over -- we were talking about 2.25?</p> <p>8 A The spread is at 2.25 percent number.</p> <p>9 MR. WALLACE: If we could just turn to page 11 of</p> <p>10 this document.</p> <p>11 Q If we take a look at the box at the top of the page, it</p> <p>12 is entitled "covenants." Were these covenants relevant to your</p> <p>13 decision to approve the loan?</p> <p>14 A Yes.</p> <p>15 Q What is the significance of the covenants to your</p> <p>16 decision to approve the loan?</p> <p>17 A Loan covenants inside the loan documentation provide</p> <p>18 protection to the bank against deterioration in either the real</p> <p>19 estate itself or in the guarantor's financial position.</p> <p>20 Q If we look at the top under the heading "guarantor," it</p> <p>21 states -- there's two for guarantor. First one states,</p> <p>22 "business financial statement, guarantor to provide a financial</p> <p>23 statement annually dated within 90 days of 12/31." The next</p> <p>24 segment for guarantor states "personal financial statement."</p> <p>25 I just want to understand, is there a difference</p>
<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1020</p> <p>1 question enough to answer it or no?</p> <p>2 THE WITNESS: I believe so.</p> <p>3 THE COURT: Okay. Overruled.</p> <p>4 A So the contractual terms of the loan in the broadest</p> <p>5 sense that are captured on this page, they are part of the risk</p> <p>6 profile of that loan facility, and so they are part of -- those</p> <p>7 are the items that I am approving with my approval, so it is</p> <p>8 important to understand what those terms are.</p> <p>9 THE COURT: Did that answer the question?</p> <p>10 MR. WALLACE: I was going to try and rephrase it a</p> <p>11 little.</p> <p>12 MR. KISE: I'm not sure it did.</p> <p>13 THE COURT: You deem that withdrawn, stricken and</p> <p>14 try again?</p> <p>15 MR. WALLACE: Maybe I'll use it later. Can we keep</p> <p>16 it on the record? I'm happy -- we can withdraw it. I will</p> <p>17 rephrase the question. I would be happy for it to be</p> <p>18 withdrawn.</p> <p>19 THE COURT: Then the answer is stricken.</p> <p>20 Q Does the existence of the guarantee have any impact on</p> <p>21 the interest rate in these terms?</p> <p>22 A Yes, it does.</p> <p>23 Q And what is the nature of the impact of the guarantee</p> <p>24 on the interest rate terms?</p> <p>25 A So there is a given that there will be a guarantee in</p>	<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1022</p> <p>1 between a business financial statement and a personal financial</p> <p>2 statement listed here?</p> <p>3 A I think in this case, the business financial statement</p> <p>4 was an illusion to the financial statements of the legal entity</p> <p>5 that would be on the loan and the personal financial statement</p> <p>6 is Donald Trump's entire personal financial statement.</p> <p>7 Q Looking at the second bullet, then it states,</p> <p>8 "guarantor, personal financial statement. Guarantor to provide</p> <p>9 a financial statement annually dated within 90 days of 12/31."</p> <p>10 Why did the guarantor have to provide an annual</p> <p>11 financial statement?</p> <p>12 A The bank wants to be sure that the client's financial</p> <p>13 strength is being maintained and also the bank wants to be able</p> <p>14 to test its covenants periodically.</p> <p>15 Q So I'll just read into the record the next point below</p> <p>16 that. It says, "compliance certificate, guarantor to provide a</p> <p>17 compliance certificate annually dated within 90 days of 12/31</p> <p>18 and lender will have right to confirm required liquidity through</p> <p>19 review of account statements at the offices of the guarantor."</p> <p>20 Is that what you were referring to in being able to</p> <p>21 test?</p> <p>22 A Yes, that's how the bank would test its covenants.</p> <p>23 That's how it would get the information to test its covenants,</p> <p>24 but to be clear, the compliance statement is a statement by the</p> <p>25 client that they are in compliance with all of those financial</p>

N. HAIGH - DIRECT (MR. SOLOMON)	Page 1023	N. HAIGH - DIRECT (MR. SOLOMON)	Page 1025
<p>1 covenants. The bank would use the financial information that</p> <p>2 they provided to test itself to try and ensure that the client</p> <p>3 is in compliance with those covenants.</p> <p>4 Q Okay. So the -- there's a requirement that the</p> <p>5 guarantor make a certification, but then there is a requirement</p> <p>6 to provide information that the bank can use to confirm the</p> <p>7 accuracy of the certification? Am I understanding that</p> <p>8 correctly?</p> <p>9 A That is correct.</p> <p>10 Q If we look down at the financial covenants, it</p> <p>11 states -- and this is during renovation period -- "required only</p> <p>12 until post renovation period begins. Liquidity, guarantor shall</p> <p>13 maintain unencumbered liquidity at all times (defined as</p> <p>14 unrestricted cash or marketable securities convertible to cash</p> <p>15 within five business days that is not pledged to support any</p> <p>16 obligation of at least 50 million with at least 20 million to be</p> <p>17 maintained with the lender.) This cash will not be pledged as</p> <p>18 collateral."</p> <p>19 Why did the guarantor have to maintain unencumbered</p> <p>20 liquidity of \$50 million during the renovation period?</p> <p>21 A The liquidity covenant would be the loan documents was</p> <p>22 intended to ensure that the client always had sufficient cash on</p> <p>23 hand to meet the obligations under this loan in terms of ongoing</p> <p>24 interest or potential pay-downs or partial pay-downs of the loan</p> <p>25 principal.</p>		<p>1 Let's be clear.</p> <p>2 MR. WALLACE: He reviewed the document.</p> <p>3 MR. KISE: He reviewed the document is the</p> <p>4 testimony I heard. I don't think he prepared it, but the</p> <p>5 establishment of the 2.5 billion net worth requirement is</p> <p>6 not something this witness has testified he had any</p> <p>7 involvement in. If there's a foundation, he can lay the</p> <p>8 foundation, but he hasn't testified that this witness had</p> <p>9 anything to do with setting that number.</p> <p>10 THE COURT: Well, foundation is sort of tricky</p> <p>11 question in my view.</p> <p>12 Mr. Wallace, can you lay a foundation or try to?</p> <p>13 MR. WALLACE: I'm trying to get us out of here by</p> <p>14 December 22nd, your Honor, but I'll do my best.</p> <p>15 Q Were you familiar with the terms of the loan that are</p> <p>16 being laid out in this credit report?</p> <p>17 A Yes.</p> <p>18 Q Did you have to understand the terms that are being</p> <p>19 laid out in this credit report in order to undertake your</p> <p>20 responsibility to approve the loan?</p> <p>21 A Yes, I needed to understand those terms.</p> <p>22 Q Did you have any input in the decision to set a minimum</p> <p>23 net worth of \$2.5 billion?</p> <p>24 A Yes.</p> <p>25 Q Why did you determine to set -- what was your role in</p>	
N. HAIGH - DIRECT (MR. SOLOMON)	Page 1024	N. HAIGH - DIRECT (MR. SOLOMON)	Page 1026
<p>1 Q If you look two lists down, it states, "net worth</p> <p>2 guarantor shall maintain a minimum net worth of 2.5 billion</p> <p>3 excluding any value related to the guarantor's brand value (as</p> <p>4 such minimum net worth is reflected in guarantor's Statement of</p> <p>5 Financial Condition prepared by guarantor in substantially the</p> <p>6 form prepared by guarantor as of the date of this term sheet, a</p> <p>7 copy of which will be delivered to lender.)"</p> <p>8 So why is the bank requiring the guarantor to maintain</p> <p>9 a minimum net worth of \$2.5 billion?</p> <p>10 A In order to ensure that the financial guarantor</p> <p>11 remained strong with enough wherewithal to repay our loan should</p> <p>12 we need to be repaid.</p> <p>13 Q That net worth is to be used to determine by guarantor</p> <p>14 Statement of Financial Condition; is that correct?</p> <p>15 MR. ROBERT: Objection.</p> <p>16 THE COURT: Sustained.</p> <p>17 Q How is that \$2.5 million net worth to be established?</p> <p>18 A The loan documents --</p> <p>19 MR. KISE: Objection, foundation.</p> <p>20 THE COURT: Excuse me?</p> <p>21 MR. KISE: Objection, foundation. I don't know</p> <p>22 that this witness knows.</p> <p>23 MR. WALLACE: At some point, he is reading the</p> <p>24 document. He said he prepared the document.</p> <p>25 MR. KISE: He did not say he prepared the document.</p>		<p>1 helping to determine the \$2.5 billion number?</p> <p>2 A As part of a credit risk management team, the ultimate</p> <p>3 signer, I need to be comfortable with the terms of the loan</p> <p>4 including the covenants to protect the bank. That \$2.5 billion</p> <p>5 minimum net worth was one of those covenants and it was set in</p> <p>6 order to make sure that the bank would be fully protected under</p> <p>7 adverse market conditions.</p> <p>8 Q Are there any factors that go into the analysis that</p> <p>9 you were conducting when you're trying to determine an</p> <p>10 appropriate minimum net worth for a loan?</p> <p>11 A Determining the appropriate minimum net worth is driven</p> <p>12 by, I think, a combination of factors. One of which is the size</p> <p>13 of the credit exposure the bank is undertaking, and the other of</p> <p>14 which is the client's starting point, their initial net worth</p> <p>15 because the bank would want to set a covenant at a level that</p> <p>16 allowed for the client's assets to fall in value somewhat, but</p> <p>17 would still be triggered should that their assets fall</p> <p>18 substantially such that their financial risk profile would be</p> <p>19 changing.</p> <p>20 Q Just to clarify, if we look under the next header,</p> <p>21 "post renovation period," it says, "in lieu of renovation period</p> <p>22 covenants." The liquidity requirement is not -- does not</p> <p>23 appear in that section; is that correct?</p> <p>24 A I don't -- I don't see on this page.</p> <p>25 MR. WALLACE: Scroll down, so we can see the whole</p>	

<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1027</p> <p>1 section. Down a little bit. No. Sorry. Thank you.</p> <p>2 Q So does the liquidity requirement remain in the post</p> <p>3 renovation period?</p> <p>4 A I don't -- from this memo, I don't believe that it</p> <p>5 does.</p> <p>6 Q But the net worth covenant of maintaining a minimum net</p> <p>7 worth of 2.5 billion, that would remain in the post renovation</p> <p>8 period?</p> <p>9 A Correct.</p> <p>10 Q If we can just scroll down to the next box which</p> <p>11 states, "events of default and cure periods". It states just at</p> <p>12 the top, "usual and customary for facilities of this size, type</p> <p>13 and purpose, including but not limited to A, payment default.</p> <p>14 B, breach of representation and warranties. C, violation of</p> <p>15 covenants."</p> <p>16 What would a payment default consist of?</p> <p>17 A A payment default would be a failure to make some</p> <p>18 payment due to the bank lender's loan documentation on time.</p> <p>19 Q And what would a breach of representation or warranties</p> <p>20 consist of?</p> <p>21 A It would be literally a breach of the representations</p> <p>22 of warranties that are made in the loan documents at the time</p> <p>23 they are signed.</p> <p>24 Q And what would a violation of covenants consist of?</p> <p>25 A It would be a failure with regard to those financial</p>	<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1029</p> <p>1 Q And what is it?</p> <p>2 A It's a credit memorandum for a new credit for the</p> <p>3 product in Chicago.</p> <p>4 Q And who is the borrower in this transaction?</p> <p>5 A The legal entity is 401 North Wabash Venture, LLC.</p> <p>6 Q Are you familiar with what entity is, that borrower is?</p> <p>7 A It is a limited liability company that owned the asset.</p> <p>8 Q And we will look at the top box again. It says,</p> <p>9 "beneficial owner, Donald J. Trump."</p> <p>10 Does that mean he is the beneficial owner of the</p> <p>11 borrower?</p> <p>12 A Correct.</p> <p>13 Q Can you just turn for a moment to page six of this</p> <p>14 document. Is that your signature?</p> <p>15 A Yes, it is.</p> <p>16 Q And what is indicated by your signature?</p> <p>17 A My approval of this loan proposal or transaction.</p> <p>18 MR. WALLACE: Your Honor, we would ask that</p> <p>19 Plaintiff's Exhibit 291 be entered into evidence.</p> <p>20 MR. ROBERT: Objection, statute of limitations.</p> <p>21 THE COURT: Overruled. It is moved in evidence.</p> <p>22 (Whereupon, the Document was marked in evidence as</p> <p>23 People's Exhibit 291.)</p> <p>24 Q If we go back to the first page, I believe you noted</p> <p>25 that this is a new request in the box tick at the top. Can you</p>
<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1028</p> <p>1 covenants to maintain the ratios or numbers that are set out in</p> <p>2 those covenants.</p> <p>3 Q So does it only relate to the financial</p> <p>4 covenants?</p> <p>5 A No, it would relate to any covenant. So a loan has</p> <p>6 many, many covenants not all financial and it would cover all</p> <p>7 the covenants of a loan.</p> <p>8 Q What would happen on a loan in the event of a default?</p> <p>9 A If there is a default on a loan, a default on a loan</p> <p>10 covenant, the -- so if there is a default on the loan covenant,</p> <p>11 there's been a breach of the -- it is a contractual arrangement</p> <p>12 between the bank and the borrower. The bank has various</p> <p>13 remedies for that which it can pursue like waiving the breach,</p> <p>14 which it might do for an inconsequential breach; negotiating</p> <p>15 some variation of the terms of the loan, or potentially</p> <p>16 accelerating the loan and ask for repayment.</p> <p>17 MR. WALLACE: I think we can put that document</p> <p>18 aside for now.</p> <p>19 Q Mr. Haigh, you've been handed a document that has been</p> <p>20 marked as Plaintiff's Exhibit 291. Could you just take a moment</p> <p>21 to review this document.</p> <p>22 (Witness reviewing document.)</p> <p>23 A Okay.</p> <p>24 Q Do you recognize this document?</p> <p>25 A Yes.</p>	<p>N. HAIGH - DIRECT (MR. SOLOMON) Page 1030</p> <p>1 remind us again what is indicated by the fact that it is a new</p> <p>2 request?</p> <p>3 A It is a new loan asset for the bank.</p> <p>4 Q And do you remember generally the terms of this loan or</p> <p>5 the -- let me -- may I withdraw that question, your Honor?</p> <p>6 THE COURT: Withdrawn.</p> <p>7 Q Can you describe for us generally what is the nature of</p> <p>8 the loan that's reflected in this credit report?</p> <p>9 A It's a credit facility secured on commercial real</p> <p>10 estate.</p> <p>11 Q And at a high level, would the review or analysis that</p> <p>12 you and your team conducted be the same for this credit facility</p> <p>13 as the one we were just looking at?</p> <p>14 A Yes, it would.</p> <p>15 Q If we could turn to -- if you look at the bottom of</p> <p>16 this box, it states, 'the facilities will also be further</p> <p>17 supported by a full and unconditional guarantee provided by DJT</p> <p>18 of little I, principal and interest due under the facility. And</p> <p>19 two, operating shortfalls of the collateral property as defined</p> <p>20 herein."</p> <p>21 Does this guarantee operate in the same manner as the</p> <p>22 guarantee that we saw on the earlier loan document, on the</p> <p>23 earlier report that you were testifying about?</p> <p>24 A Yes.</p> <p>25 MR. WALLACE: If we can go to page five of this</p>

N. HAIGH - DIRECT (MR. SOLOMON) Page 1031

1 document.

2 Q If we go down to the section marked "recommendation," I

3 will first ask who is making the recommendation that's contained

4 in this box?

5 A The lending officers that prepared the memo.

6 Q And who is the recommendation to?

7 A Credit risk management, my team.

8 Q If we look at the top of this segment, it states, "the

9 facility is being recommended for approval based on quality of

10 the collateral and LTV. The property is in the form of a luxury

11 hotel and condominium building located in Chicago based on

12 recent as is values provided in appraisals as discussed herein

13 and performed for purposes of underlying needs of the

14 facilities. The residential component is valued at 113 million

15 which provides a maximum LTV of 55 percent and the commercial

16 component is valued at 126.3 million which provides a maximum

17 LTV of 36 percent. The combined maximum LTV based on the

18 maximum commitment amount of 107 million is 44.7 percent."

19 First question, why is quality of the collateral and

20 LTV the first item listed in this recommendation?

21 A The collateral is significant in taking decision on

22 whether to approve the loan.

23 Q You see again that there were as is values provided in

24 appraisals. Why were appraisals performed on that property?

25 A The property was real estate and so by policy and by

N. HAIGH - DIRECT (MR. SOLOMON) Page 1032

1 regulation, the bank was required to obtain appraisals on real

2 estate.

3 Q If we look at the next bullet point, it states,

4 "financial strength of the guarantor, the financial profile of

5 the guarantor includes on an adjusted basis 146 million in

6 unencumbered liquidity, 2.4 billion in net worth, and

7 approximately 13 million in adjusted excess recurring net cash

8 flow."

9 Why was the financial strength of the guarantor one of

10 the grounds for recommending this loan?

11 A Because having a guarantee was a requirement for

12 private wealth manager to do business and having a strong

13 financial guarantor was a requirement for this transaction.

14 Q I guess does that have any implication for the third

15 bullet point we are seeing here, the nature of the guarantee?

16 Let me rephrase that question.

17 What was the relevance and nature of the guarantee to

18 the recommendation to approve this loan?

19 A It reflects -- the nature of the guarantee reflects the

20 fact that we had a full guarantee with no limitations on that

21 guarantee.

22 Q If we could turn to page seven of this document. There

23 is a segment again that's headed "financial analysis, guarantor.

24 You see at the top, it states, "guarantors-financial statements.

25 Although facilities are secured by the collateral, given its

N. HAIGH - DIRECT (MR. SOLOMON) Page 1033

1 unique nature, the credit exposure is being recommended based on

2 the financial profile of the guarantor."

3 Do you have an understanding what is meant by the

4 unique nature of the collateral?

5 A So unique is probably a bit of a hyperbole because it

6 is unusual for the private wealth management business to have

7 hotels as collateral and it is unique for private wealth

8 management business to have a condo inventory as collateral,

9 unsold condo units.

10 Q If we look at the table, we see that there's financial

11 summary segment. One row -- sorry. One column states, "DJT

12 6/30/2011 client reported. Next column states "DJT, 6/30/2011

13 DB adjusted." Next column states, "DJT 6/30/12 client

14 reported." And the final column states, DJT 6/30/2012 DB

15 adjusted."

16 First question, why are the years 2011 and 2012 both

17 broken out in this chart?

18 A We had financial information of two years at least and

19 the aim was to show or to identify whether there's any trend in

20 changes between -- from one year to the other.

21 Q We see that both the 2011 and 2012 years, there are DJT

22 adjusted numbers. Did the adjustment process that's reflected

23 in this table operate in the same way as the adjustment process

24 we saw on the prior exhibit?

25 A Yes, it did.

N. HAIGH - DIRECT (MR. SOLOMON) Page 1034

1 MR. WALLACE: If we could just scroll down

2 to -- actually, page -- can you show side by side page

3 eight of this exhibit and page six of PX 293. Just zoom in

4 on the table, please.

5 Q So if we look at the two tables, it would appear that

6 for 2011 and for 2012, the valuations and the analysis for three

7 of the Niketown, 40 Wall, and Trump Park Avenue remain the same.

8 Do you see that?

9 A Yes.

10 Q But for Trump Towers, there's a change. Do you see

11 that?

12 A Yes, I do see that.

13 Q And if we can just pull up exhibit -- we can drop it

14 now for 291, please, and just go down to the section on Trump

15 Tower. That's on page eight. So there's another line segment

16 that states -- underlying section that states, "the loan is

17 non-recourse." I'm going to focus on the sentence that's after

18 that.

19 "The loan is non-recourse and matures in 2022." It

20 says, "a recent appraisal performed in conjunction with the

21 refinance valued the property at 480 million resulting in a

22 roughly 21 percent of LTV. Although, we did not adjust for the

23 additional liquidity distributed to the guarantor, we are

24 adjusting the property value to reflect the recent appraisal and

25 new debt."

<p style="text-align: right;">Page 1035</p> <p>1 Can I ask so why did Deutsche Bank incorporate this new 2 appraisal into its analysis? 3 A So it appears that Trump Tower had been refinanced 4 recently not by Deutsche Bank and that in connection with that 5 refinancing, the financing entity had commissioned an appraisal 6 which had been made available to Deutsche Bank. So the bank 7 felt that it had an independent view on the value of that asset. 8 Q And the bank was comfortable in incorporating that 9 independent value into its analysis of the property? 10 A Correct. 11 Q Mr. Haigh, you've been handed a document that's been 12 marked Plaintiff's Exhibit 470. Can you take a moment to 13 familiarize yourself with this document. 14 A Okay. 15 Q Do you recognize this document? 16 A Yes. 17 Q And what is it? 18 A It's a memo prepared by my colleague Sean Harrigan, 19 amended by me, addressed to my boss, Thomas Eggenschweiler. 20 (Continued on the next page.) 21 22 23 24 25</p>	<p style="text-align: right;">Page 1037</p> <p>N. Haigh - Petitioner - direct (Wallace)</p> <p>1 their -- decided their credits. 2 Q The first sentence in this segment states: 3 "CIB terms for the condos" and continues -- before we 4 go there, I would just ask what is CIB? 5 A Stands for commercial and investment bank. They had a 6 commercial real estate lending group that would make loans on 7 commercial real estate. 8 THE COURT: Ten-minute warning. 9 Q And that is separate and apart from your private wealth 10 management group? 11 A That is a different business line and a different 12 profit and loss line. 13 Q Memo states: 14 "CIB terms for the condos for the lesser of 75 MIO or 15 55 percent LTV; two year (one year extension option required 16 amortization and reserve account on a nonrecourse basis at L 17 plus 800 BP CIB as indicated to PWM if they are comfortable with 18 this LTV given (i) their long history with the property and (ii) 19 the momentum in condo sales that has been demonstrated for the 20 last two years." 21 Just ask you to define some of the terms that are 22 contained in there. What is L plus 800 BP? 23 A Stands for LIBOR plus 800 basis points and there are 24 100 basis points and one percent, so that means LIBOR plus eight 25 percent.</p>
<p>N. Haigh - Petitioner - direct (Wallace) <span style="float: right;">Page 1036</span></p> <p>1 Q And just to clarify for the record, the memos and 2 attachment to an e-mail from Shaun Harrigan to you dated May 23, 3 2012; is that correct? 4 A Correct. 5 MR. WALLACE: Your Honor, I would ask that this 6 document be entered into evidence. 7 MR. ROBERT: Objection. Statute of limitations. 8 THE COURT: Overruled. It's in evidence. 9 Q Mr. Haigh, does this memo relate to the same 10 transaction that was being addressed in the credit report that 11 you were reviewing? 12 A Yes. 13 Q And that's the -- a loan involving the Trump 14 International Tower Chicago? 15 A Yes. 16 MR. WALLACE: If you could flip to page 3 of the 17 document? If we could focus on what's in Item 2 under "PWM 18 Facility of Summary Terms." It would be item two. I'm 19 sorry, three. Item three, which is headed "PWM Facility 20 Summary of Terms." 21 Q And the first sentence -- let me withdraw that. 22 What is PWM? 23 A Private wealth management. 24 Q And that's the part of the bank you worked for? 25 A That's the business unit that I supported and approved</p>	<p>N. Haigh - Petitioner - direct (Wallace) <span style="float: right;">Page 1038</span></p> <p>1 Q And why are you discussing the CIB terms? 2 A Two business divisions at Deutsche Bank were making 3 proposals on the same potential loan and as -- we wanted to be 4 sure that they made sense with regard to each other so the bank 5 didn't look foolish in front of the client with two completely 6 different sets of term sheets that bore no relation to each 7 other. 8 Q And why is nonrecourse basis involved here? 9 A The commercial and investment bank business covered 10 real estate. It would not normally take full recourse to an 11 individual. Their principal source of repayment would be the 12 real estate itself and only the real estate, although there may 13 be some small guarantees around certain behaviors and the 14 pricing reflects that risk profile that they were taking on. 15 Q And if we look at the next paragraph, it states: 16 "PWM is proposing terms on a full recourse facility to 17 provide up to the same level of proceeds as CIB with the same 18 two-year term for pricing in the range of L plus four percent. 19 The spread differential is based on a full guarantee of Donald 20 Trump. See credits below." 21 So you said that the bank didn't want to look foolish 22 in front of the client and was comparing terms? 23 A Correct. 24 Q And so this is the comparison that you're making 25 between the two divisions of the bank?</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1039</p> <p>1 A That's correct. The difference between a nonrecourse 2 facility and a full recourse facility and their different 3 pricing. 4 Q And by pricing that would be the difference between 5 LIBOR plus 800 and LIBOR plus four percent? 6 A That's correct, the spread over LIBOR. 7 Q And so the difference between LIBOR plus eight percent 8 and LIBOR plus five percent is based on full guarantee of Donald 9 J. Trump? 10 A Yes. 11 Q I'm going to correct the record. I apparently read it 12 incorrectly. 13 So the difference between LIBOR plus 800 basis points 14 and LIBOR plus four percent is based on the full guarantee of 15 Donald J. Trump. Is that what's reflected in this memo? 16 A That math is correct and that is the understanding of 17 why there is a difference in price. 18 THE COURT: Several of us caught you on that one. 19 MR. WALLACE: I'm glad I have all of you here to be 20 -- 21 Your Honor, I'm going to move on to a new year and 22 a new loan. I don't know if you want to take our break now. 23 THE COURT: Up to you. You have five minutes. 24 MR. WALLACE: Sure. Why don't we at least 25 introduce the document.</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1041</p> <p>1 consists of over 200 acres of land, a mansion and other 2 buildings. This property is zoned for nine luxury homes, also 3 includes property in Beverly Hills, California. For purposes of 4 deriving at adjust value, assumed a 75 percent haircut to 5 reflect the uncertainty in valuing undeveloped land." 6 First of all, what is a haircut? 7 A In this context a haircut is a way by which the bank 8 reduces the stated value of the asset in order to form some kind 9 of assessment as to what the asset might be worth in an adverse 10 market situation. 11 Q And is that different from the adjustments that you 12 were looking at before? 13 A The adjustments for the four specific properties were 14 based on our own valuation services group input on those four 15 assets. The adjustments on the golf courses were based on the 16 standardized approach and this is more of a standardized 17 approach. 18 Q Okay. And so why in that standardized approach is the 19 haircut 75 percent? 20 A I think because the assets -- properties under 21 development or not yet developed potentially have a large range 22 of outcomes of their value, so. 23 Q Let me put that one aside. 24 Mr. Haigh, you've been handed a document that's been 25 marked Plaintiff's Exhibit 294. If you can take a moment to</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1040</p> <p>1 THE COURT: You know what, on second thought, let's 2 all have a nice long lunch. See you at 2:15. 3 THE COURT OFFICER: Everyone remain seated. 4 (Whereupon, there is a luncheon recess in the 5 proceedings.) 6 A F T E R N O O N S E S S I O N 7 THE COURT OFFICER: All rise. Part 37 is back in 8 session. The Honorable Judge Arthur Engoron presiding. 9 Please be seated and come to order. 10 THE COURT: Let's get the witness back. 11 THE COURT OFFICER: Witness entering. 12 (The witness enters the courtroom and approaches 13 the witness stand.) 14 THE COURT: I'll remind the witness that he's still 15 under oath as I remind all witnesses during lunch breaks. 16 And let's proceed or continue. 17 CONTINUED DIRECT EXAMINATION 18 BY MR. WALLACE: 19 Q Good afternoon, Mr. Haigh. I just wanted to cover 20 something I missed concerning Exhibit 293, it's the 2011 credit 21 report. If we could go to page six and look at the bottom. 22 At the bottom here there is a segment that reads: 23 "Properties under Development." 24 It states: "Consists primarily of the property known 25 as The Mansion at Seven Springs in Bedford, New York, which</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1042</p> <p>1 just familiarize yourself with the document. 2 A Okay. 3 Q Do you recognize this document? 4 A Yes. 5 Q What is this? 6 A It's a credit report covering a new transaction and the 7 renewal of the existing transactions and an increase on the 8 third transaction all captured in one credit report for this 9 group, this relationship. 10 MR. WALLACE: I'm sorry to interrupt you. If we 11 can just turn quickly to the page 11 of this document. 12 Q I can show you on the screen, Mr. Haigh. 13 Is that your signature on the far right of the screen? 14 A Yes, it is. 15 Q And what is indicated by your signature on this 16 document? 17 A My approval of the terms in the document. 18 MR. WALLACE: Your Honor, we would ask that this 19 exhibit be moved into evidence. 20 MR. ROBERT: Objection. Statute of limitations. 21 THE COURT: Overruled. Granted. It's in evidence. 22 (Whereupon, the item previously referred to is 23 received and marked Plaintiff's Exhibit Number 293 in 24 evidence.) 25 Q While we're here we have the signature of</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1043</p> <p>1 Mr. Eggenschweiler. Have I pronounced it correctly?</p> <p>2 Why is he signing this report?</p> <p>3 A The combined exposure to the group was above my</p> <p>4 authority level given the rating of the facilities.</p> <p>5 MR. WALLACE: Okay. If we can go back to the first</p> <p>6 page?</p> <p>7 Q There is a box towards the top entitled, "Reason for</p> <p>8 Presentation." Is this what you were referring to when you were</p> <p>9 describing the purpose of this credit report?</p> <p>10 A Yes.</p> <p>11 Q So the first Item A states: "Annual review of Trump</p> <p>12 Endeavor 12 LLC loan facility." Says "request to change annual</p> <p>13 review date to 4/30/15."</p> <p>14 What is encompassed in an annual review of the Trump</p> <p>15 Endeavor 12 LLC facility?</p> <p>16 A We do an annual review of every loan facility that we</p> <p>17 have to see whether anything has changed. We refresh the</p> <p>18 financial information, we look at the operating performance of</p> <p>19 the collateral and there is a request here to change the date I</p> <p>20 think for administrative reasons to make it more convenient</p> <p>21 along with the other facilities that existed for this group.</p> <p>22 Q And so I think you referred to the -- what's being</p> <p>23 reviewed as part of the annual review?</p> <p>24 A We're reviewing the credit exposure that we have, so</p> <p>25 has it performed in accordance with the terms of its</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1045</p> <p>1 Post Office LLC to be used for the development of the Old Post</p> <p>2 Office property in Washington, D.C."</p> <p>3 Is this approval process the same as the approval</p> <p>4 process we saw on the earlier two statements of the Financial</p> <p>5 Condition?</p> <p>6 A Yes, with the added caveat that we needed a higher</p> <p>7 level of approval authority within credit risk management to</p> <p>8 approve the transaction.</p> <p>9 Q If we could look down below a little bit of the page.</p> <p>10 There is a box entitled -- it's this box on the left that says</p> <p>11 "currency" at the top. There is a series of boxes "new limit</p> <p>12 usage previous limit." The column on the left says "Loan A</p> <p>13 Tranche A, new limit, 106 million."</p> <p>14 Below that, "Loan A, Tranche B, 19 million."</p> <p>15 "Loan B, 73 million."</p> <p>16 "Loan C, 170 million."</p> <p>17 "Loan C, swap threshold amount, 10.25."</p> <p>18 "Related exposure, blank."</p> <p>19 And then it says "total exposure, 378.25."</p> <p>20 What is indicated in this portion of the chart?</p> <p>21 A Those are the credit exposures that Deutsche Bank was</p> <p>22 taking on each of those facilities.</p> <p>23 Q And Loan C, does that conform to Item C that we were</p> <p>24 looking at, the new loan for the Trump Old Post Office building?</p> <p>25 A I believe so, yes.</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1044</p> <p>1 documentation.</p> <p>2 Q And what information are you using to make that review?</p> <p>3 A We're using updated financial information on the</p> <p>4 guarantor, we're using updated financial information provided by</p> <p>5 the borrower, the owner of the collateral as to performance of</p> <p>6 their business.</p> <p>7 Q The next Item B states: "Increase in annual review of</p> <p>8 401 North Wabash Ventura LLC loan facility request to increase</p> <p>9 Tranche B facility by 54 million to a maximum of 73 million with</p> <p>10 a new maturity date of ten years from closing of the extension"</p> <p>11 and also a request to change the annual review date.</p> <p>12 What are you looking at when you're looking at an</p> <p>13 increase and an annual review for the 401 North Wabash Venture</p> <p>14 loan facility?</p> <p>15 A So this is an increased loan exposure which requires us</p> <p>16 to re-underwrite all of the factors that went into the original</p> <p>17 credit, both the lateral and the guarantor, locate all of those</p> <p>18 factors to see that it supports a new role that's gone up to</p> <p>19 \$73 million.</p> <p>20 Q And does the analysis you would conduct for an</p> <p>21 extension the same as the analysis we discussed for the prior</p> <p>22 two credit reports that we looked at?</p> <p>23 A Yes.</p> <p>24 Q If we look at Item C it states: "Approval of a new</p> <p>25 \$170 million first mortgage facility to the borrower Trump Old</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1046</p> <p>1 Q So the total exposure is listed at 378. I'm going to</p> <p>2 assume that's million?</p> <p>3 A Correct.</p> <p>4 Q Is that the credit limit that required</p> <p>5 Mr. Eggenschweiler to also sign off on the credit report?</p> <p>6 A Yes, Eggenschweiler.</p> <p>7 Q And why does he need to sign off at that document</p> <p>8 level?</p> <p>9 A Because my credit authority was governed by the size of</p> <p>10 the overall relationship and also by the rating of the weakest</p> <p>11 facility in that overall relationship which in this case was a</p> <p>12 triple B rating which is in the section just above where you're</p> <p>13 looking at on the screen.</p> <p>14 Q So if we could scroll down a little bit.</p> <p>15 A Yes, there you go. Says "FPD, dBBB" at the top.</p> <p>16 Q I'm just going to point to it. Is this the segment you</p> <p>17 were talking about?</p> <p>18 A That is the correct segment, yes.</p> <p>19 Q So I'll just -- this is the segment under the heading</p> <p>20 "risk rating current." It states: "Loan A, Tranche A, CPD, IA,</p> <p>21 FPD." And then it says "dBBB." That's the rating we're talking</p> <p>22 about?</p> <p>23 A That's correct.</p> <p>24 Q Do you recall the purpose of this new facility?</p> <p>25 A Yes.</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1047</p> <p>1 Q And what was that purpose?</p> <p>2 A It was to provide financing for a substantial</p> <p>3 renovation of this Old Post Office building, which was going to</p> <p>4 be converted into a hotel.</p> <p>5 Q If we could turn to page nine of this document and pull</p> <p>6 up the box that says "guaranty."</p> <p>7 I'll just state this for the record. It states:</p> <p>8 "Guarantee. Donald J. Trump, will provide a full and</p> <p>9 unconditional guarantee of (i), principal and interest due under</p> <p>10 the facility; (ii), swap brokerage costs; three, operating</p> <p>11 shortfalls of the property until the end of the shortfall</p> <p>12 coverage period; and four, a completion guarantee, guaranteeing</p> <p>13 the lien-free completion of the project acceptable to the lender</p> <p>14 as evidenced, by among other things, one or more temporary or</p> <p>15 final certificates of occupancy or their equivalent, architect,</p> <p>16 certificate and appropriate lien waivers, each responsibly</p> <p>17 acceptable to the lender."</p> <p>18 So similar to the loans we looked at before this loan</p> <p>19 is also supported by a guarantee by Mr. Trump; is that correct?</p> <p>20 A That is correct.</p> <p>21 Q And did this guarantee operate similar to the</p> <p>22 guarantees we were looking at earlier for Doral and for the</p> <p>23 Chicago property?</p> <p>24 A Yes, it does.</p> <p>25 Q If we look at the box that was just below that it</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1049</p> <p>1 excluding the value related to guarantor's brand value."</p> <p>2 Why was the guarantor required to maintain a minimum</p> <p>3 net worth of 2.5 billion?</p> <p>4 A The bank wanted to be sure that in an adverse market</p> <p>5 scenario the client would always have enough financial resources</p> <p>6 to be able to pay off our loan.</p> <p>7 Q And how would the \$2.5 billion net worth be</p> <p>8 demonstrated?</p> <p>9 A Through providing us with a personal financial</p> <p>10 statement and a certification in the loan documentation along</p> <p>11 the lines of the previous one we discussed.</p> <p>12 Q And just to confirm, the guarantor here is</p> <p>13 Donald J. Trump?</p> <p>14 A Yes.</p> <p>15 MR. WALLACE: If we could turn to page 14.</p> <p>16 Q If you look at the top again. It states -- there is a</p> <p>17 header at the top.</p> <p>18 "It should be noted that the guarantor, DJT, is</p> <p>19 required to provide financials within 120 days of 6/30 FYE.</p> <p>20 Thus, the most recent financials available are as of 6/30/13.</p> <p>21 We are not aware of any material changes to guarantor's</p> <p>22 financial profile."</p> <p>23 And just to confirm, DJT, who is that referring to?</p> <p>24 A Donald Trump.</p> <p>25 Q And what is indicated by 6/30 FYE?</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1048</p> <p>1 states: "Guarantor covenants. During the redevelopment period</p> <p>2 the guarantor shall maintain unencumbered liquidity at all times</p> <p>3 of at least \$50 million with at least 20 million to be</p> <p>4 maintained with the lender."</p> <p>5 Why did the guarantor have to maintain unencumbered</p> <p>6 liquidity of \$50 million?</p> <p>7 A The bank wanted to know -- to be covenanted to have</p> <p>8 that protection that the client would always have a substantial</p> <p>9 amount of cash on hand, that he could use to either meet the</p> <p>10 obligations under the bank's loan or potentially pay down the</p> <p>11 loan.</p> <p>12 Q And how would that liquidity be demonstrated?</p> <p>13 A Well, the 20 million that was to be held with the bank</p> <p>14 would be clearly visible to the bank at all times because we</p> <p>15 would have access to seeing that in the bank systems. The</p> <p>16 balance will be demonstrated through proving brokerage accounts</p> <p>17 or bank account statements that showed where that cash or those</p> <p>18 securities were held.</p> <p>19 Q Anything else that can be used to demonstrate the</p> <p>20 liquidity?</p> <p>21 A No, from recollection it was cash and securities that</p> <p>22 are convertible to cash within five days.</p> <p>23 Q If we look down below it states:</p> <p>24 "At all times during the term of the facility,</p> <p>25 guarantor shall maintain a minimum net worth of 2.5 billion</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1050</p> <p>1 A So the financial yearend, FYE, is June 30th.</p> <p>2 Q And go back to the first page. I'll represent to you</p> <p>3 the date of this credit report is May 2, 2014. Would that</p> <p>4 explain why this note was included?</p> <p>5 A This memo is 11 months after the last financial yearend</p> <p>6 for which we already had financial statements.</p> <p>7 Q Do you know what steps, if any, the bank would take to</p> <p>8 come to the conclusion that it was not aware of any material</p> <p>9 changes to guarantor's financial profile?</p> <p>10 A The bank would rely on representations from the client</p> <p>11 that there were no material changes.</p> <p>12 Q If we look down at the next section it states:</p> <p>13 "Guarantor's financial summary."</p> <p>14 "Although all three facilities are secured by</p> <p>15 collateral given the unique nature of these credits, the credit</p> <p>16 exposure is being recommended based upon the financial profile</p> <p>17 of the guarantor."</p> <p>18 I asked a similar question before, but what was the</p> <p>19 unique nature of the credit apart from anything we've discussed?</p> <p>20 A So all of these credits had collateral -- real estate</p> <p>21 collateral. It was not a normal type of real estate collateral</p> <p>22 for Deutsche Bank.</p> <p>23 Q So the OPO property that is the collateral for this</p> <p>24 loan is also not collateral that the private wealth group --</p> <p>25 A Correct, correct. Private wealth management did not</p>

<p>N. Haigh - Petitioner - direct (Wallace) Page 1051</p> <p>1 normally do loans that involved substantial reconstruction on 2 its collateral. 3 Q This section continues: "As part of this underwriting 4 we have met with several members of the family's office to 5 update our due diligence on client reported financial 6 information as prepared by WeiserMazars, an independent public 7 accounting firm with the due diligence process described here 8 having been conducted in the same manner as the due diligence 9 for the earlier reports that we reviewed." 10 A Yes. 11 Q States: "Next based on the results of this due 12 diligence we have made certain assumptions that have resulted in 13 adjustments to reported values. Details on such adjustments are 14 included in the analysis that follows." 15 What you see there is a table similar to what we've 16 seen in the similar reports. Did the adjustment process operate 17 in the same way for this credit report as it did on the earlier 18 credit reports that we were looking at? 19 A Yes. 20 Q The last sentence states: "Additional details are 21 included in the guarantor's financial statements, which are 22 attached as Exhibit 5." 23 Do you recall if you reviewed the financial statements 24 in connection with this extension of credit? 25 A I can't recall whether I reviewed them on this specific</p>	<p>N. Haigh - Petitioner - direct (Wallace) Page 1053</p> <p>1 "covenants" and then lists a series of questions that are 2 answered for facility A, facility B, and facility C. 3 Do you recall what facility A was? 4 A Yes, I recall that was the original Doral facility. 5 Q And is facility B the Chicago loan? 6 A I think so from memory, yes. 7 Q And facility C? 8 A Is the new Old Post Office facility. 9 Q What is the purpose of this table? 10 A It's to document the fact that the client was in 11 compliance with their covenant obligations. 12 Q And if we take a look at focus facility B in the 13 middle, it says "are all covenants in compliance." Underneath 14 that it states -- reporting there is a box checked "yes" and 15 another box -- sorry -- another row, "financial" marked "yes." 16 What is demonstrated in that portion of the chart? 17 A It's -- that's stating that the client's financial 18 reporting covenants have been complied with and the client is 19 also in compliance with the actual financial covenants that are 20 -- we're asking him to report on. 21 Q And if there was not a covenant had not been complied 22 with, would that have been subject to the process we've 23 discussed earlier for an event of default? 24 A So any covenant that had not been complied with would 25 go through some process for us to determine whether we needed</p>
<p>N. Haigh - Petitioner - direct (Wallace) Page 1052</p> <p>1 extension of credit. I will be surprised if I hadn't, but I 2 can't physically remember or accurately remember picking the 3 pieces of paper and looking at them. 4 Q Okay. Again, we see that the financial summary table 5 refers to DJT, 6/30/2011; DJT, 6/30/2012. Both say "client 6 reported." 7 Next column states: "DJT, 6/30/120 to be adjusted." 8 Next column: "6/30/2013, client reported." 9 Final column: "DJT, 6/30/2013 DB adjusted." 10 Why is the bank looking at numbers for each of these 11 years, 2011 through 2013? 12 A It's trying to identify any trends in the change of 13 values reported. 14 Q And what was looking for trends and change of value 15 have -- how would that have been used by the bank in its review 16 of this credit? 17 A It's a fairly standard banking process to look at 18 history of financial performance over the previous few years and 19 it's used to identify what's changing and then try and figure 20 out why. 21 Q And so that would influence your assessment of whether 22 or not to approve this credit -- this credit extension? 23 A Yes. 24 Q If we can just flip back to page two of this document 25 and focus on this table at the bottom the header for this is</p>	<p>Page 1054</p> <p>1 compliance for that covenant or whether we wanted to waive it or 2 amend the documentation or potentially default the transaction. 3 Q So by signing off on this credit report does this 4 reflect the determination by you that each of the loan covenants 5 had been met? 6 A So this report is prepared by the lending group. I 7 personally had not checked that those loan covenants had all 8 been met. I was relying on their statement here that we were in 9 compliance and I was then -- my approval was conditioned on that 10 fact being correct and accurate. 11 Q Understood. 12 Mr. Haigh, you've been hand a document that's been 13 marked Plaintiff's Exhibit 298. Just take a moment to look 14 through this document. 15 A Okay. 16 Q Do you recognize this document? 17 A Yes. 18 Q What is it? 19 A It's an annual review credit memoranda. 20 Transcript continues on the following page.... 21 22 23 24 25</p>

<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1055</p> <p>1 Q If we look at the top, it says the date is July 20, 2 2015; is that right? 3 A Correct. 4 MR. WALLACE: Your Honor, I would ask that this 5 document be entered into evidence. 6 MR. ROBERT: Objection. Statute of limitations. 7 THE COURT: Overruled. It's in evidence. 8 (Whereupon, the Document was marked in evidence as 9 People's Exhibit 298.) 10 Q If I could direct you to page seven of this document. 11 We will pull it up on the screen. 12 Before the language lessons, we were looking at this 13 section of the 2015 credit report. Do you recognize the 14 signature on the right-hand side of the screen? 15 A Yes, that's my signature. 16 Q And what is indicated by your signature? 17 A Approval of this annual credit review. 18 Q If you can take a look up I think at the top page one. 19 At the top, it says, "purpose of presentation A, annual review 20 of Trump Endeavor 12, L.L.C. loan review; annual review of 401 21 North Wabash Venture, L.L.C. and C, annual review of Trump Old 22 Post Office. 23 Do I understand this credit report is covering annual 24 review for all three loans? 25 A Yes.</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1057</p> <p>1 Q If we look down at the bottom of page ten under the 2 heading "liquidity," this section states, "the guarantor reports 3 liquidity of 302 million as of 6/30/2014 consisting of funds in 4 Mr. Trump's name personally and various entities that Mr. Trump 5 controls. The client reported balances have remained on par 6 from the prior year with minor fluctuations attributed to 7 additional CRE acquisitions and the guarantor taking fewer 8 distributions from his properties." 9 From this information, do you have an understanding of 10 what the source was for the information on Mr. Trump's 11 liquidity? 12 A Yes. 13 Q And what was the source of this year for his liquidity 14 information? 15 A Source would be combination of what was on his personal 16 financial certificate or statement which would have been 17 validated or verified to some extent by looking at the actual 18 brokerage accounts or bank accounts showing that actual 19 liquidity in existence. 20 Q Do you know if that verification actually happened in 21 this year? 22 A So I did not do that myself. It was done by lending 23 officers, so -- but if they say that they -- I rely on my 24 lending officers to do their job and to tell me the truth. 25 Q But this doesn't -- this language doesn't refer to any</p>
<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1056</p> <p>1 Q Would the annual review process for this year 2015 and 2 for these three properties operate the same as the annual review 3 process we discussed previously? 4 A Yes. 5 Q If you can go down to page two. Again, there is a 6 segment marked covenants and checkbox is showing whether or not 7 they are in compliance. What role did this information play in 8 annual review of the three loan facilities? 9 A It documented the client's status with regard to those 10 covenants. 11 Q And do you know what the source of information would be 12 for the information contained in this chart? 13 A It would be the latest information provided by the 14 client. It would be reviewed for compliance with the covenants. 15 MR. WALLACE: Your Honor, I apparently have 16 neglected to ask that Exhibit 298 be moved into evidence. 17 THE COURT: Granted. They are in evidence. 18 (Whereupon, the Document was marked in evidence as 19 People's Exhibit 298.) 20 Q If you can go down to page ten just briefly for a 21 moment. 22 MR. ROBERT: I will keep my standing objection on 23 that. 24 THE COURT: I was waiting for that. 25 MR. ROBERT: I knew you were.</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1058</p> <p>1 additional due diligence performed by the lending officers who 2 prepared the report? 3 MR. ROBERT: Objection. 4 THE COURT: Well, it is leading. Rephrase it. If 5 it doesn't, not doesn't it. 6 Q Does -- is there any reference to lending officers 7 actually checking the level of funds in this report? 8 A I don't see a specific reference to that. It was part 9 of the private wealth management businesses standard operating 10 process to validate liquidity. 11 MR. WALLACE: If we could move on to page ten, 12 please. 13 Q Again, this section says guarantor's financial summary. 14 Although all three facilities are secured by collateral, given 15 the unique nature of these credits, the credit exposure is being 16 recommended based on the financial profile of the guarantor. 17 What does that mean in the context of annual review 18 that the credit exposure is being recommended based on the 19 financial profile of the guarantor? 20 A It means that the guarantor continues to have a 21 substantial financial strengths and that our loans are good 22 quality loans based on that personal guaranty that we have from 23 him. 24 Q And so does that necessitate any action by the bank 25 or --</p>

<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1059</p> <p>1 A No.</p> <p>2 Q Again, if we look at the top row, it says, "financial</p> <p>3 summary." You see reporting for 2011, 2012, 2013, 2014, both</p> <p>4 client reported and adjusted.</p> <p>5 Why is Deutsche Bank looking at Mr. Trump's financial</p> <p>6 condition from 2011 through 2014 in this report?</p> <p>7 A Looking to see if there is any trend that is</p> <p>8 identifiable.</p> <p>9 Q And this information about any trend that might be</p> <p>10 identifiable is something that the bank is using in its analysis</p> <p>11 of -- in the annual review process?</p> <p>12 A Potentially if the bank identified a trend, if it was</p> <p>13 either worrying or improving, that would be a call-out in the</p> <p>14 write up.</p> <p>15 Q Mr. Haigh, you've been handed a document that has been</p> <p>16 marked Plaintiff's Exhibit 300. If you can just take a moment</p> <p>17 to familiarize yourself with this document.</p> <p>18 (Witness reviewing document.)</p> <p>19 A Yes, I see it.</p> <p>20 Q Do you recognize this document?</p> <p>21 A Yes.</p> <p>22 Q What is this document?</p> <p>23 A It is another annual review this time for 2016.</p> <p>24 MR. WALLACE: Your Honor, I would ask that</p> <p>25 Exhibit 300 be moved into evidence.</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1061</p> <p>1 approval".</p> <p>2 Does this refresh your recollection as to why you</p> <p>3 didn't sign this particular credit report?</p> <p>4 A Well, it appears that I was absent, so I</p> <p>5 guess -- again, I'm guessing vacation.</p> <p>6 Q And obtaining approval from Mr. Joseph was another</p> <p>7 means of approving the credit report?</p> <p>8 A Yes.</p> <p>9 Q Just to confirm, this document was approved by Deutsche</p> <p>10 Bank in the credit report? Is that fair to say?</p> <p>11 A I believe so. I believe there was an e-mail</p> <p>12 confirmation from Joern Joseph and Thomas Eggenschweiler that</p> <p>13 they supported the -- this document.</p> <p>14 Q If we go to page two of this document, you see at the</p> <p>15 bottom of this page, again, there is another table reporting the</p> <p>16 nature of the loan covenants and compliance.</p> <p>17 What was the basis for the information reflected in</p> <p>18 this chart?</p> <p>19 A The information would have started with the client,</p> <p>20 would have come from the client and then would have been</p> <p>21 analyzed by the support group within private wealth management.</p> <p>22 Q If you could go down to page 15. If we look again, it</p> <p>23 is a summary chart. I ask was the adjustment process, the</p> <p>24 haircut process in this year the same as the process we've</p> <p>25 described in the prior years?</p>
<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1060</p> <p>1 THE COURT: Granted. It is in evidence.</p> <p>2 (Whereupon, the Document was marked in evidence as</p> <p>3 People's Exhibit 300.)</p> <p>4 Q We'll walk through some of this in just a moment. If</p> <p>5 we could flip to page 9 of 27. At the bottom, your signature is</p> <p>6 missing from this document.</p> <p>7 Do you have a recollection of why you didn't sign this</p> <p>8 document?</p> <p>9 A No specific recollection. It is possible I was on</p> <p>10 vacation at the time.</p> <p>11 Q Okay. If you turn to page 13 and we look, there is an</p> <p>12 e-mail from Gaston Allegre to -- is it Joern Joseph?</p> <p>13 A Yes, Joern Joseph.</p> <p>14 Q Who is Mr. Allegre?</p> <p>15 A Gaston Allegre was a credit officer that worked for me</p> <p>16 on my team.</p> <p>17 Q Who is Mr. Joseph?</p> <p>18 A He was the chief credit officer of the U.S. entities of</p> <p>19 Deutsche Bank.</p> <p>20 Q And you're copied on this e-mail, but underneath it</p> <p>21 says, Mr. Allegre writes: "Dear Joern, following up on our</p> <p>22 conversation Tuesday, please find attached the annual review for</p> <p>23 Mr. Trump, the credit report has been approved by Thomas</p> <p>24 Eggenschweiler by e-mail (see attached) and me. In Nick's</p> <p>25 absence, would you please review and provide local A-1 authority</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1062</p> <p>1 A Yes.</p> <p>2 Q If we look here, we see that this covers the year 2011</p> <p>3 through 2015. Again, why is Deutsche Bank looking at the</p> <p>4 performance across all of those years?</p> <p>5 A We're looking to see for trends in the change in value</p> <p>6 of assets or liabilities.</p> <p>7 Q And was the change in trends relevant to the -- to</p> <p>8 your review of this credit report?</p> <p>9 A Yes.</p> <p>10 Q We can go back to page three. There is a heading</p> <p>11 "guarantee type." This section states, "Guarantee level</p> <p>12 analysis is based on a 32.7 LTV. The guarantor has requested to</p> <p>13 retain a 10 percent guarantee level although terms of the</p> <p>14 previously approved tranche A note allow for no personal</p> <p>15 guarantee if the LTV is below 35 percent. As outlined below,</p> <p>16 the guarantee level at or below 35 percent LTV was originally</p> <p>17 contemplated to be zero percent at which time pricing was</p> <p>18 scheduled to increase to L plus 2.00 percent retaining a</p> <p>19 10 percent guarantee level clearly strengthens the credit."</p> <p>20 Can you explain to us what is happening with the</p> <p>21 guarantee? What's happened with the guarantor's request to</p> <p>22 remain at ten percent guarantee level?</p> <p>23 A This particular facility had a step-down feature under</p> <p>24 which as the loan to value of our loan gotten lower and lower,</p> <p>25 so in turn, the amount of our principal plus interest that was</p>

<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1063</p> <p>1 guaranteed stepped down. And the 35 percent loan to value, we 2 were willing to allow there to be no personal guarantee 3 whatsoever. But in fact, as a consequence of that, the pricing 4 would have increased, the spread, the L plus 2.00 number. 5 Instead, the client -- his people said to us we would prefer to 6 keep it 10 percent and take advantage of the lower pricing that 7 goes along with the 10 percent guarantee. 8 Q Thank you. 9 You've been handed a document that has been marked 10 Plaintiff's Exhibit 3137. Can you take a moment to familiarize 11 yourself with this? 12 (Witness reviewing document.) 13 A Okay. 14 Q Do you recognize this document? 15 A Yes. 16 Q What is this document? 17 A It is an annual review of all three credit facilities 18 the bank had with Donald Trump. 19 Q And is that indicated by the box marked "reasons for 20 presentation?" 21 A That together with the checked box at the top left 22 which says "review." 23 MR. WALLACE: Your Honor, I would ask that 24 Plaintiff's Exhibit 3137 be entered into evidence. 25 THE COURT: Granted. It is in evidence.</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1065</p> <p>1 Did you have an understanding of how Deutsche Bank 2 would have obtained the information reflected in this section? 3 A We would have obtained that information from the client 4 and we would have validated any liquidity to some extent by 5 looking at brokerage statements and/or bank account statements. 6 Q Do you have any specific recollection of considering 7 dealing with the issue of decrease in liquidity due to political 8 campaign costs? 9 A That information would have come from the client. 10 Q But you don't remember any discussion of it internally? 11 A I do not. 12 MR. WALLACE: If we could scroll down. Keep going. 13 Q I'm just going to have -- I'll start over. We see the 14 chart here. It says, "financial analysis guarantor." 15 Underneath guarantor is final summary. Although all three 16 facilities are secured by collateral, given the unique nature of 17 these credits, the credit exposure continues to be recommended 18 for support based on the financial profile of the guarantor or 19 the ability to rely once again on the guarantor if collateral 20 value has dropped and LTVs increased." 21 Why is that the primary basis for continuing to support 22 credit? 23 A The primary basis -- it's the primary basis because 24 the collateral in all three cases was not the usual type of 25 commercial real estate collateral that the bank would take.</p>
<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1064</p> <p>1 (Whereupon, the Document was marked in evidence as 2 Plaintiff's Exhibit 3137.) 3 Q If we could flip to page ten, at the bottom, do you 4 recognize the signature on the right-hand side of the screen? 5 A Yes, that's my signature. 6 Q What is indicated by your signature? 7 A That I approved the annual review. 8 Q Can you explain what's meant as the notation I will 9 read as "for DBTCA as regional head WM risk"? 10 A So I was signing -- I was being clear that I was 11 signing on behalf of Deutsche Bank Trust Company Americas as the 12 regional head of the wealth management risk group effectively 13 meant that my signature was sufficient for that -- for the 14 approval of this annual review. 15 Q If we could turn to page eight of this document, focus 16 on the section that states "recommendation." It says, 17 "recommendation approval of the annual review for facility A 18 Doral facility; B, Chicago facility; C, OPO. Underneath that, 19 it states, "all facilities financial strength of the guarantor, 20 the financial profile of the guarantor includes a stated net 21 worth of 5.7 billion which remains well above his \$2.5 billion 22 minimum requirement even on an adjusted basis. Guarantor 23 maintains a strong liquidity position, \$114 million in 24 unencumbered liquidity. A decrease of \$60 million from the 25 prior year due to political campaign costs."</p>	<p>N. HAIGH - DIRECT ( MR. SOLOMON) Page 1066</p> <p>1 Q And once again, we see that there is information 2 contained here about Donald J. Trump financial condition. I 3 should say his financial summary from 2011 through 2016. 4 Why, again, is the bank looking at his financial 5 profile from 2011 to 2016? 6 A Again, it is to enable trends to be identified. 7 Q And being able to identify trends was relevant to your 8 analysis of the credit report? 9 A Yes. 10 Q And was that relevant to your ultimate approval of this 11 credit report for this year? 12 A Yes. 13 Q Mr. Haigh, you've been handed a document that's been 14 marked Plaintiff's Exhibit 302. Take a moment to look through 15 the document. 16 (Witness reviewing document. ) 17 A Okay. 18 Q Do you recognize this document? 19 A Yes. 20 Q What is this document? 21 A It's an annual review this time for July 2018 for three 22 credit exposures we had with Donald Trump. 23 Q If we could turn to page ten of this. Do you recognize 24 the signature on the far right-hand side of the screen? 25 A That's my signature.</p>

N. HAIGH - DIRECT ( MR. SOLOMON)	Page 1067	N. HAIGH - DIRECT ( MR. SOLOMON)	Page 1069
<p>1 Q What is indicated by your signature on this document?</p> <p>2 A Approval of the annual review.</p> <p>3 MR. WALLACE: Your Honor, I would ask that</p> <p>4 Plaintiff's Exhibit 302 be entered into evidence.</p> <p>5 THE COURT: Granted. It is in evidence.</p> <p>6 (Whereupon, the Document was marked in evidence as</p> <p>7 People's Exhibit 302.)</p> <p>8 Q Mr. Haigh, was the process for this annual review the</p> <p>9 same as the prior annual reviews we have been discussing this</p> <p>10 afternoon?</p> <p>11 A Yes.</p> <p>12 Q If we could turn to page eight.</p> <p>13 MR. KISE: For the record, I think the signature is</p> <p>14 on page nine. I saw it came up at ten.</p> <p>15 THE COURT: Anybody object to his signature being</p> <p>16 on page nine? I hereby deem it to be page nine. Ten-minute</p> <p>17 warning.</p> <p>18 Q Mr. Haigh, we see another chart showing the analysis of</p> <p>19 financial analysis. Was the process conducted in this financial</p> <p>20 analysis the same as we discussed for prior years?</p> <p>21 A Yes.</p> <p>22 Q Again, we see that the analysis contains the financial</p> <p>23 summary for Mr. Trump stretching from 2011 to what I believe is</p> <p>24 2017. It looks like it is kind of cut off at this point, maybe</p> <p>25 2018.</p>		<p>1 MR. WALLACE: I will note for the record that this</p> <p>2 e-mail chain is dated at the top, e-mail chain is dated July</p> <p>3 30, 2014. We ask that Plaintiff's Exhibit 466 be admitted</p> <p>4 into evidence.</p> <p>5 MR. ROBERT: Objection. Statute of limitations.</p> <p>6 THE COURT: Objection overruled. Granted. It is</p> <p>7 in evidence.</p> <p>8 (Whereupon, the Document was marked in evidence as</p> <p>9 Plaintiff's Exhibit 466.)</p> <p>10 Q Mr. Haigh, you remember the transactions being</p> <p>11 discussed in this e-mail chain?</p> <p>12 A I have some memories of it, yes.</p> <p>13 Q In your e-mail at the bottom of the first page, it</p> <p>14 states, "We" issued a letter to Morgan Stanley today. It</p> <p>15 includes language that is not a commitment. We got an</p> <p>16 acknowledgment from Donald Trump that the letter does not waive</p> <p>17 or modify the terms of our existing transactions, that it does</p> <p>18 not obligate us to waive or modify our terms. It does not</p> <p>19 prejudice and of our rights and it is not a commitment."</p> <p>20 Firstly, I would ask if you could turn to page three of</p> <p>21 this document.</p> <p>22 THE COURT: I assume "and" is meant to be "any."</p> <p>23 THE WITNESS: Correct.</p> <p>24 Q And is this letter the acknowledgment from Mr. Trump</p> <p>25 that you were referring to in your e-mail?</p>	
N. HAIGH - DIRECT ( MR. SOLOMON)	Page 1068	N. HAIGH - DIRECT ( MR. SOLOMON)	Page 1070
<p>1 Why is Deutsche Bank looking at Mr. Trump's financial</p> <p>2 condition across all of these years?</p> <p>3 A In order to identify any trends in his financial</p> <p>4 situation.</p> <p>5 Q Was that relevant to your analysis of this credit</p> <p>6 report?</p> <p>7 A Yes.</p> <p>8 Q And was it relevant to your signing off on this credit</p> <p>9 report?</p> <p>10 A Yes.</p> <p>11 MR. WALLACE: I'll try to finish at the same time</p> <p>12 that we are breaking. So we're close.</p> <p>13 Q Mr. Haigh, I handed you a document that's been marked</p> <p>14 as Plaintiff's Exhibit 466. If you could take a moment to look</p> <p>15 through this document.</p> <p>16 (Witness reviewing document.)</p> <p>17 A Okay.</p> <p>18 Q Do you recognize this document?</p> <p>19 A Yes.</p> <p>20 Q What is it?</p> <p>21 A It's a set of e-mails, an e-mail chain between myself</p> <p>22 and Marzio Hug who was the senior credit officer in London.</p> <p>23 Q Who is the senior credit officer?</p> <p>24 A He was the senior credit officer in London. He was</p> <p>25 Thomas Eggenschweiler's boss at the time.</p>		<p>1 A Yes.</p> <p>2 Q It states at the top, "Dear Donald. You have asked</p> <p>3 Deutsche Bank to provide a letter in connection with your bid</p> <p>4 for the acquisition of the Buffalo Bills of the National</p> <p>5 Football League and in connection therewith, you provided</p> <p>6 Deutsche Bank with a recent certification of your financial</p> <p>7 statement which includes liquidity and asset value. A copy of</p> <p>8 the letter is attached hereto as Exhibit A (the DB letter)."</p> <p>9 If we go back to your cover e-mail, why did you want an</p> <p>10 acknowledgment from Mr. Trump that this was not a commitment?</p> <p>11 A Deutsche Bank was not prepared or willing to increase</p> <p>12 its credit exposure to Mr. Trump at that time.</p> <p>13 Q And so do you have an understanding of what the purpose</p> <p>14 was of writing the letter to Morgan Stanley?</p> <p>15 A Morgan Stanley were looking for some kind of</p> <p>16 confirmation that Mr. Trump would be able to perform under any</p> <p>17 purchase agreement that he had to buy the Buffalo Bills.</p> <p>18 Q If we look at the last paragraph of your e-mail, it</p> <p>19 states, "We got a certification of his financial status which</p> <p>20 documents the liquidity that was shown to us through statements,</p> <p>21 addresses, changes in his assets, liabilities and leverage</p> <p>22 ratio."</p> <p>23 Just go to the last page in this document. Is this</p> <p>24 document the certification that you are referring to in your</p> <p>25 e-mail?</p>

2		the value of the illiquid assets would be part of how the bank	2		37 is back in session. Please be seated and come to order.
3		would be comfortable with that.	3		Witness entering.
4	Q	Did Deutsche Bank take any independent procedures to	4		(The witness enters the courtroom and approaches
5		verify the accuracy of the representation contained in paragraph	5		the witness stand.)
6		B?	6	THE COURT:	Mr. Suarez, are you ready to cross
7	A	No, not that I am aware of.	7		examine the witness?
8	Q	Same question. Why did Deutsche Bank want this	8		MR. SUAREZ: Yes, Your Honor.
9		representation as to any material decrease or -- why did	9		THE COURT: Proceed.
10		Deutsche Bank want this representation C as to whether or not	10	CROSS EXAMINATION	
11		there were any material increase in excess of five percent in	11	BY MR. SUAREZ:	
12		liabilities?	12	Q	Mr. Haigh, good afternoon.
13	A	Again, it is a component of his net worth.	13	A	Good afternoon.
14	Q	And, to your knowledge, did Deutsche Bank undertake any	14	Q	I'm Jesus Suarez. We met a number of months ago at
15		independent procedures to confirm the accuracy of the	15		your deposition.
16		representation contained in paragraph C?	16	A	Yes.
17	A	I have no knowledge of us doing -- Deutsche Bank doing	17	Q	It's very nice to see you.
18		that.	18		Mr. Haigh, you would agree with me that banks make
19	Q	For paragraph D, it states, "The ratio of total assets	19		money by lending money; correct?
20		to total liabilities remains greater than 15X."	20	A	That's one way of making one.
21		What -- could you explain what is meant by the ratio	21	Q	And a goal of credit risk management is to make good
22		of assets to liabilities?	22		risk decisions; correct?
23	A	If one divides the total asset values by the total	23	A	Yes.
24		liabilities, you would end up with a number that's more than 15.	24	Q	And in doing so in analyzing risk, credit risk
25	Q	To your knowledge, did Deutsche Bank undertake any	25		management considers a number of factors; correct?

<p>N. Haigh - Petitioner - cross (Suarez) Page 1075</p> <p>1 A Yes.</p> <p>2 Q The purpose of doing so among others is to make sure</p> <p>3 that money lent gets repaid; correct?</p> <p>4 A That's correct.</p> <p>5 Q And among those factors are the nature of the</p> <p>6 collateral associated with the loan; correct?</p> <p>7 A Yes.</p> <p>8 Q The quality of the collateral associated with the loan;</p> <p>9 correct?</p> <p>10 A It kind of goes along with the nature of the</p> <p>11 collateral, yes.</p> <p>12 Q The loan's value ratio of the loan?</p> <p>13 A Yes.</p> <p>14 Q The bank's lending history on that type of loan?</p> <p>15 A Yes, that's true.</p> <p>16 Q The actual lending experience with the specific</p> <p>17 customer; correct?</p> <p>18 A That's also true.</p> <p>19 Q The bank's experience in a particular industry;</p> <p>20 correct?</p> <p>21 A Yes.</p> <p>22 Q The client's experience in a particular industry?</p> <p>23 A That's relevant as well.</p> <p>24 Q The client's performance in a particular industry is</p> <p>25 that also relevant?</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1077</p> <p>1 A Correct.</p> <p>2 Q The guarantor's liquidity is a consideration; correct?</p> <p>3 A Correct.</p> <p>4 Q Unpledged access owned by the guarantor are a</p> <p>5 consideration; correct?</p> <p>6 A Part of the analysis, yes.</p> <p>7 Q And whether the borrower has unpledged assets, those</p> <p>8 are also consideration?</p> <p>9 A Yes.</p> <p>10 Q General economic climate is also a consideration?</p> <p>11 A Yes, that can be a consideration too.</p> <p>12 Q There are many, many things that you consider when</p> <p>13 performing risk analysis; correct?</p> <p>14 A There are -- yes, there are, yes.</p> <p>15 Q And it's your job to weigh all of these factors when</p> <p>16 making a risk determination; correct?</p> <p>17 A That's correct.</p> <p>18 Q And you use your considerable experience in the field</p> <p>19 in order to reach those judgments; correct?</p> <p>20 A That's part of having research judgments, yes.</p> <p>21 Q The other part includes inputs collected by other</p> <p>22 members of your team?</p> <p>23 A Yes.</p> <p>24 Q As well as the opinions of other members of your team</p> <p>25 in reaching those judgments; correct?</p>
<p>N. Haigh - Petitioner - cross (Suarez) Page 1076</p> <p>1 A Yes.</p> <p>2 Q Whether the client has a proven track record in a</p> <p>3 particular industry, is that something that's relevant?</p> <p>4 A Yes, that's relevant.</p> <p>5 Q The borrower's debt profile, is that's something that's</p> <p>6 relevant, sir?</p> <p>7 A Yes, it is.</p> <p>8 Q The guarantor's debt profile as well; correct?</p> <p>9 A Correct.</p> <p>10 Q The primary source of repayment, that's a relevant</p> <p>11 consideration in risk analysis?</p> <p>12 A Yes.</p> <p>13 Q As well as the secondary source of repayment?</p> <p>14 A That's one of them, yes, yes.</p> <p>15 Q And the tertiary source of repayment we heard earlier</p> <p>16 is also relevant?</p> <p>17 A Indeed and the fourth way out, if there is one as well.</p> <p>18 Q And the fourth way out.</p> <p>19 And that's a shorthand for source of repayment? It's a</p> <p>20 way out? It's an exit strategy for the bank?</p> <p>21 A Correct.</p> <p>22 Q The likelihood of default is a relevant consideration;</p> <p>23 correct?</p> <p>24 A Yes, it is.</p> <p>25 Q Borrower's liquidity is a consideration; correct?</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1078</p> <p>1 A Yes.</p> <p>2 Q And that would include information supplied by the</p> <p>3 lending group; correct?</p> <p>4 A That's part of it, part of the analysis, yes.</p> <p>5 Q The judgment of the lending group plays into your risk</p> <p>6 analysis?</p> <p>7 A It has a role. We expect the lending group to have</p> <p>8 formed a judgment and to be supportive of the proposal.</p> <p>9 Q And earlier we talked about a relationship group as</p> <p>10 well, the frontline people; correct?</p> <p>11 A Relationship managers, yes.</p> <p>12 Q The relationship managers.</p> <p>13 And the relationship managers they also provide input</p> <p>14 as to whether a transaction should occur or not occur; correct?</p> <p>15 A They have -- they certainly have an opinion, yes.</p> <p>16 Q They certainly have an opinion.</p> <p>17 And that's an opinion that you consider in doing risk</p> <p>18 analysis?</p> <p>19 A Their opinions aren't likely to affect our fundamental</p> <p>20 risk analysis. It might affect whether we consider the</p> <p>21 exception or not.</p> <p>22 Q And these opinions and judgments made by the lending</p> <p>23 group are typically reflected in the credit memos?</p> <p>24 A That's the purpose of the credit memo is to collect</p> <p>25 that information together.</p>

<p>N. Haigh - Petitioner - cross (Suarez) Page 1079</p> <p>1 Q And you expect that the information that's collected by 2 the lending group is accurately reported on the credit memos? 3 A Yes, I do. 4 Q And then you typically review the credit memos in 5 connection with your decision to support or not support the 6 transaction? 7 A That's correct. 8 Q And in doing so you rely on what's in those credit 9 memos; correct? 10 A Yes, I do. 11 Q Let's look at the 2011 credit memo that was introduced 12 by the plaintiff as Exhibit 293, please. We can pull that up on 13 the screen. And this particular credit memo relates to the 14 transaction commonly known as the Doral transaction; correct? 15 A Correct. 16 Q And that was a loan to acquire a resort in what is now 17 Doral, Florida; correct? 18 A Yes. 19 Q Outside of Miami? 20 A Yes. 21 Q I believe you told the Attorney General's Office that 22 Vrablic and Scalzi were the relationship managers for this 23 account? 24 A Yes. 25 Q And those are folks who worked in the private wealth</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1081</p> <p>1 wouldn't even get to your desk? 2 A Correct or someone in his position. 3 Q Or someone in his position. 4 If Mr. Sullivan hadn't supported this transaction it 5 wouldn't have come to your desk? 6 A Correct. 7 Q And the same question about Mr. Stafford and 8 Ms. Schroeder who were the supporting lenders on this 9 transaction. They were the folks that went out into the field 10 and collected that information? 11 A They were more junior lending officers, yes. 12 Q And you would have relied upon what was communicated to 13 you by them in this memo? 14 A Yes. 15 Q And you would have considered their judgment in 16 connection with your risk analysis; correct? 17 A As more junior officers of the bank their opinions 18 would probably carry less weight than Mr. Sullivan's opinion, 19 for example. 20 Q The law firm of Loeb &amp; Loeb? 21 A Loeb &amp; Loeb. 22 Q Loeb &amp; Loeb. That's how it's pronounced? 23 A I believe so. 24 Q They were legal counsel to the bank in this 25 transaction?</p>
<p>N. Haigh - Petitioner - cross (Suarez) Page 1080</p> <p>1 management group at Deutsche Bank? 2 A That's correct. 3 Q They were your colleagues for a period of years? 4 A Yes. We worked at Deutsche Bank at the same time. 5 Q You worked at Deutsche Bank at the same time during 6 these transactions? 7 A Right, right. 8 Q You regard them well? 9 A Yes. 10 Q Their support for a transaction is something you would 11 have considered? 12 A They're both experienced relationship managers with a 13 knowledge in credit. 14 Q The account manager, which I believe is Thomas 15 Sullivan, reflected here, that's also somebody that you worked 16 with at Deutsche Bank? 17 A That's correct. 18 Q And he's an individual with substantial experience in 19 the lending business? 20 A Yes. 21 Q And his judgment that you would have considered in 22 determining whether to support or not support this transaction? 23 A It would have been a requirement that he did support it 24 before we would sign off on it. 25 Q So Mr. Sullivan doesn't support the transaction it</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1082</p> <p>1 A Correct. 2 Q And Loeb &amp; Loeb is a highly sophisticated law firm? 3 A Again, I believe so. 4 Q You worked with them for a number of years; correct? 5 A Correct. 6 Q And they typically represented the bank well in these 7 transactions? 8 A Yes. 9 Q And specifically in this transaction there is no reason 10 to challenge their work? 11 A None that I'm aware of. 12 Q I'd like to draw your attention to page one in the 13 second paragraph in the section "Collateral." 14 And we reviewed this -- you reviewed this earlier today 15 in your testimony, so I'll move into the salient points where it 16 says in the second line, "DJT," Mr. Trump, "intends to hold the 17 property for the long-term benefit" -- "for the long-term to 18 benefit from the strong cash flows and significant development 19 opportunities." Do you see that? 20 A Yes, I do. 21 Q Was the use of the collateral something that you would 22 have considered in your risk analysis? 23 A So in the sense of the use of the collateral is an 24 integral part of the collateral itself and yes, so we would have 25 looked at how the collateral is being used as part of the</p>

<p>N. Haigh - Petitioner - cross (Suarez) Page 1083</p> <p>1 analysis.</p> <p>2 Q And is the long-term appreciation of the collateral</p> <p>3 something that you consider in your risk analysis?</p> <p>4 A Not really, no.</p> <p>5 Q Is the borrower's strategy for how to use that</p> <p>6 collateral over a long period of time something that you would</p> <p>7 have considered?</p> <p>8 A Only to the extent that it demonstrated some ability to</p> <p>9 improve the cash flow or value from the real estate. The</p> <p>10 long-term desired hold would have informed the likely length of</p> <p>11 the loan that we were willing to consider.</p> <p>12 Q Well, certainly you wouldn't want your collateral to</p> <p>13 lose value over a period of time; correct?</p> <p>14 A We don't want it to lose value although we're aware</p> <p>15 that it may.</p> <p>16 Q And in this particular case are you aware that the</p> <p>17 Doral property is now worth more than a billion dollars?</p> <p>18 A I'm not aware of that.</p> <p>19 MR. WALLACE: Objection.</p> <p>20 Q If in fact it is worth more than a billion dollars now</p> <p>21 would you agree that the strategy or hold the property in</p> <p>22 benefit from strong cash flows --</p> <p>23 MR. WALLACE: Objection.</p> <p>24 Q -- succeeded?</p> <p>25 THE COURT: I'm not sure -- are you objecting or</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1085</p> <p>1 Q 20MM, that's million cash deposits?</p> <p>2 A That stands for 20 million, that's right.</p> <p>3 Q And part of the objective of the private wealth</p> <p>4 management group is to bring deposits into the bank; correct?</p> <p>5 A Correct.</p> <p>6 Q That's part of its business purpose?</p> <p>7 A That's part of its business strategy, yes.</p> <p>8 Q To develop the relationships with high net worth and</p> <p>9 ultra high net worth individuals?</p> <p>10 A To cover those individuals, to offer them banking</p> <p>11 deposits, investment products, loans, other products as well.</p> <p>12 Q And Donald J. Trump, Jr. here reflects as 100M in cash</p> <p>13 deposits?</p> <p>14 A Stands for 100,000.</p> <p>15 Q 100,000.</p> <p>16 And these were facts that the bank considered in</p> <p>17 connection with preparing on the credit report; correct?</p> <p>18 A Yes.</p> <p>19 Q And the fact that private wealth management was</p> <p>20 building a client relationship with a high net worth client is</p> <p>21 also something that the bank considered?</p> <p>22 A The bank always wanted to be able to build what it</p> <p>23 called a relationship with a client, meaning that it wasn't just</p> <p>24 credit, but it did other things with that client as well.</p> <p>25 Q If you turn to page three of this document, page three</p>
<p>N. Haigh - Petitioner - cross (Suarez) Page 1084</p> <p>1 are you not objecting?</p> <p>2 MR. WALLACE: I'm objecting.</p> <p>3 MR. KISE: What's the objection?</p> <p>4 MR. WALLACE: The objection is it assumes facts not</p> <p>5 in evidence of Mr. Suarez's testimony.</p> <p>6 MR. SUAREZ: I'm simply asking him a fact</p> <p>7 statement.</p> <p>8 MR. WALLACE: If the defendants have evidence that</p> <p>9 it's worth a billion dollars, they can show --</p> <p>10 THE COURT: Well, I'll allow hypotheticals, but</p> <p>11 other parts of the question may be of concern.</p> <p>12 Would you like a read back or do you want to ask</p> <p>13 the same or similar question?</p> <p>14 MR. SUAREZ: Let me try to ask it differently.</p> <p>15 Q If in fact the property is now worth over a billion</p> <p>16 dollars would you agree with me that Mr. Trump's long-term plan</p> <p>17 for the property succeeded?</p> <p>18 A Only if the cost to him of holding it over that period</p> <p>19 and the present value of the cost of funding and the cost of the</p> <p>20 improvements he made, only if that cost was less than the</p> <p>21 million or billion dollars that you are saying it's worth.</p> <p>22 Q If you take a look on page one, it says "Assets Under</p> <p>23 Management." You can highlight that section.</p> <p>24 See where it says "Donald J. Trump?"</p> <p>25 A Yes.</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1086</p> <p>1 in the section "Recommendation," says, "The facility is being</p> <p>2 recommended for approval based on" and then it lists the basis</p> <p>3 for approval; correct?</p> <p>4 A Yes, it lists those four bullet points.</p> <p>5 Q And those are the grounds upon which approval of the</p> <p>6 transaction is being recommended?</p> <p>7 A Yes. I mean, those are a summary, if you'd like, of</p> <p>8 the key points in favor of doing this transaction.</p> <p>9 Q These are the important ones?</p> <p>10 A From the point of view of the lending officer who wrote</p> <p>11 the memo, yes.</p> <p>12 Q When it describes the financial strength of the</p> <p>13 guarantor, you would agree with me that the financial profile of</p> <p>14 the guarantor it says there "includes, on an adjusted basis, 135</p> <p>15 million in unencumbered liquidity;" correct?</p> <p>16 A Correct.</p> <p>17 Q 2.4 billion in net worth; correct?</p> <p>18 A Correct.</p> <p>19 Q And approximately 48 million in adjusted recurring net</p> <p>20 cash flow; correct?</p> <p>21 A Correct.</p> <p>22 THE COURT: I just want to make sure because the</p> <p>23 wording was a little strange. You're just asking him if</p> <p>24 that's what it says; right?</p> <p>25 MR. SUAREZ: Correct. In building on the fact that</p>

<p>N. Haigh - Petitioner - cross (Suarez) Page 1087</p> <p>1 this was a key point in their decision ultimately to support 2 the transaction. 3 Q And I just want to confirm that those are the numbers 4 that the bank based its recommendation for approving the 5 transaction? 6 A Those are -- okay. Those are numbers after the bank 7 had made adjustments, I think. I'm not sure about the 8 2.4 billion net worth. I'd have to read the memo again because 9 we say adjusted liquidity of 135 million, but with the financial 10 profile like that it was a recommendation to support this 11 transaction. 12 Q And that was the financial profile that the bank 13 determined reflected the financial strength of the guarantor; 14 correct? 15 A Yes. 16 Q So I just want to draw your attention it was the 17 adjusted basis that formed the basis of the recommendation, the 18 adjusted basis of 135 million in unencumbered liquidity, 19 2.4 billion in net worth and 48 million in adjusted recurring 20 net cash flow? 21 A I mean, I see that language. I need to read through 22 the memorandum itself to see whether the 2.4 billion in net 23 worth is also adjusted, but I see the language there is just the 24 position of the covenant, so. 25 Q Let's take a look at the next page of the document.</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1089</p> <p>1 Q "On December 20, 2011, a structured lending team of 2 Dave Williams and Emily Schroeder visited the offices of the 3 guarantor and reviewed bank and brokerage statements that 4 confirmed 178 million in cash balances and 51.8 million 5 marketable securities, totaling 229.9 million held in the name 6 of the guarantor. In addition, they also reviewed statements 7 for operating companies that were wholly owned by the guarantor 8 which evidenced another 29 million cash and marketable 9 securities." Do you see that? 10 A I do. 11 Q Are you aware that Dave Williams and Emily Schroeder 12 visited the client's offices? 13 A That's what he claims I assume they did. 14 Q You assume they did you assume. 15 They had the opportunity to ask questions? 16 A Correct. 17 Q Review documents? 18 A Yes. 19 Q And then report back in the credit memo their findings? 20 A Yes. 21 Q And if you go on to the next paragraph, it says, "The 22 guarantor's personal liquidity is primarily" -- excuse me -- 23 "has been primarily generated through ongoing distributions from 24 his diversified portfolio of operating companies which is 25 highlighted in more detail in the cash flow section below."</p>
<p>N. Haigh - Petitioner - cross (Suarez) Page 1088</p> <p>1 Do you see here where in the middle of the page it 2 lists financial analysis and the second column reflects the 3 client reported financial summary? And the second column 4 includes the DB adjusted column for the year ending 6/30/2011? 5 A Yes, I see that. 6 Q The second column would reflect what the client 7 reported from the bank; correct? 8 A Yes. 9 Q And the second column being Deutsche Bank's adjusted -- 10 THE COURT: That's the third column. 11 Q The third column? 12 A That's after Deutsche Bank had made adjustments. 13 Q After Deutsche Bank had made adjustments. 14 And in the first instance you've got cash marketable 15 securities reported at 258.9 million and Deutsche Bank adjusted 16 that to 135.8 million? 17 A I see that. 18 Q So that's the number ported over the basis for the 19 recommendation? 20 A Correct. 21 Q And in fact, if we scroll down to the section on 22 liquidity it would tell you why Deutsche Bank made that 23 adjustment; correct? And we can walk through it. Do you see 24 where it says "liquidity?" 25 A I do, yes.</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1090</p> <p>1 Do you see that? 2 A Yes. 3 Q "Such distributions include cash distributions from the 4 guarantor's portfolio of premier private clubs, which generated 5 these distributions through operating profit along with the 6 collection of membership deposits." 7 And we'll have to scroll two more pages over because 8 this page repeats. And the memorandum it keeps going up here. 9 This is the part I really wanted to draw your attention to, and 10 it says: 11 "In accordance with industry standards, premier golf 12 clubs require new members to post a non-interest bearing 30-year 13 deposit as part of their membership requirement. Terms of the 14 deposit agreement include that such deposits are nonrefundable 15 for 30 years without condition, after which the member may 16 request the refund for such deposits, often contingent on being 17 replaced by at least one new member. 18 As of June 30, 2011, the total life-to-date balance of 19 such deposits collected across the ten clubs owned by the 20 guarantor was \$188 million. Given the lack of any conditional 21 rights by member, such" -- "by the member," excuse me, "such 22 deposits are not recorded on the operating books of the club as 23 a liability. The guarantor has indicated that they have 24 received tax opinions supporting the treatment of such deposits 25 and are not required to be included as part of the taxable</p>

<p>N. Haigh - Petitioner - cross (Suarez) Page 1091</p> <p>1 income, however for purposes of calculating adjusted liquidity, 2 we have elected to include a 50 percent reserve (\$94,000,000 3 representing 50 percent of the 188 million life-to-date deposit 4 balance) against the reported liquidity." Do you see that? 5 A Yes. 6 Q Does this reflect the bank had an opportunity to go to 7 review the cash holdings and discount them appropriately for 8 purposes of adjusting the value in its determination of the 9 guarantor's liquid assets? 10 A I don't know which accounts they looked at to form this 11 conclusion about these particular assets. In other words, I 12 don't know whether they were in separate accounts by themselves 13 or were part of some other commingled account. Looks to me as 14 though the lending officers were to some extent relying on 15 information to be provided to them by the client's people in 16 terms of how they were treated from a tax point of view. 17 Q But the determination to discount the reserve did not 18 relate to the tax point of view? 19 A I'm not sure about that. Normally with a cash deposit 20 it was fully owned and unencumbered. We would take a very small 21 haircut, if any. The fact that we're taking such a large 22 haircut suggests to me we think there is some reason that this 23 liquidity might not be there in the future and given that it 24 states at the top these are deposited for a nonrefundable basis 25 for 30 years and even then they may have to be replaced with a</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1093</p> <p>1 Q And the bank adjusted that net worth or that net equity 2 number, excuse me, down to 1,000,737,900,000; correct? 3 A Yes. 4 Q And that was after the bank had an opportunity to 5 review the client's real estate holdings in the matter reflected 6 in the credit report; correct? 7 A Yes. 8 Q And if we would go to the page over which is page six 9 of the PDF and scroll up to this chart here we see how the bank 10 did that; correct? 11 A That's correct. 12 Q And I believe there were four properties that are 13 listed as trophy properties; correct? 14 A Yes. 15 Q The first one being Trump Tower; right? 16 A Yes. 17 Q And the client reported a value of 490 million for 18 Trump Tower and Deutsche Bank reduced that to 380.2 million for 19 purposes of reaching its adjusted value for that property? 20 A Yes. 21 Q Niketown, same question. The client reported a value 22 of 263.7 million and Deutsche Bank reduced that to 197 million 23 for purposes of reaching the Deutsche Bank adjusted value? 24 A Correct. 25 Q And 40 Wall Street, the \$524.7 million valuation was</p>
<p>N. Haigh - Petitioner - cross (Suarez) Page 1092</p> <p>1 new investment in the golf club, a new member, whatever it's 2 called. The haircut we're taking suggests to me we think there 3 may be some sort of tax liability attached to them. 4 Q But certainly the fact that the cash was generated from 5 those membership deposits is clearly disclosed to the bank; 6 correct? 7 A Yes. 8 Q And the fact that the bank had its own opinion as to 9 how much of that liquidity it ought to consider was adjusted and 10 then reflected in the financial analysis; correct? 11 A The bank didn't did make that adjustment. That's 12 correct. 13 Q Then going back to the prior page. If we go back to 14 the chart with the statement of the financial analysis. I'd 15 just like to point out again that the 258.9 is reduced to 135.8; 16 correct? 17 A Correct. 18 Q And in the escrow and reserve deposits the bank took 19 the client's reported number of 9.1 million and reduced it to 0? 20 A Correct. 21 Q Correct. 22 In the real estate category you've got the client 23 reported value of 2 -- of what is effectively \$2,996,900,000; 24 correct? 25 A Correct.</p>	<p>N. Haigh - Petitioner - cross (Suarez) Page 1094</p> <p>1 reduced to 438 million by Deutsche Bank? 2 A Yes. 3 Q And in the case of the Trump Park Avenue, a similar 4 reduction in value occurred; correct? 5 A Yes. 6 Q 311 million went down to 206.3 million; correct? 7 A Correct. 8 Q And in the third column or fourth column, "property 9 level debt" that stayed the same; right? The debt of the 10 property continues to be the debt of the property? 11 A Correct. 12 Q And the following column lists the net equity reported 13 by the client and in the following column the net equity 14 reported by Deutsche Bank? 15 A Correct. 16 Q And in order to reach the DB valuation, Deutsche Bank 17 had the opportunity to consult with the folks from the Deutsche 18 Bank Valuation Services Group; correct? 19 A Yes. 20 Q And the Deutsche Bank Valuation Services Group I 21 understand are an internal unit of the bank? 22 A That's correct. 23 Q They're folks that have substantial experience valuing 24 real estate assets? 25 A Correct.</p>

<p style="text-align: right;">Page 1095</p> <p>1 Q They're folks whose job includes not only providing I 2 think what's been described as sanity checks on real estate 3 numbers? 4 A Most of the time their job is reviewing actual 5 appraisals, criticizing those appraisals, signing off on the end 6 product at the end of the day. This was more of I think the 7 phrase we used might have been a sanity check on the numbers. 8 Transcript continues on the following page.... 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 1097</p> <p>N. HAIGH - CROSS (MR. SUAREZ)</p> <p>1 A That's correct. 2 Q In fact, there is an indication there of property level 3 debt, right? 4 A Yes. 5 Q The property level debt would be debt from other banks 6 that attached to the respective properties? 7 A Yes. 8 Q You would understand that, right? 9 A We would be relying on information the client had 10 reported to us that this debt existed. 11 Q And the total outcome of the valuation of these four 12 trophy properties was that the client reported number of 13 1,590,000,000 was reduced to 1,221,100 -- excuse me was reduced 14 to 1,221,500,000. 15 A Correct. 16 Q Which produced net equity from 1.326.4 million to 17 957.9 million? 18 A That's also correct. 19 Q In order to adjust the valuation, so that from the 20 bank's perspective it had a valuation that appears here, you 21 consulted with the folks at Deutsche Bank evaluation? 22 A On those four assets. 23 Q I believe that that's reflected lower in this document 24 under the four trophy properties. It is goes through for these 25 four assets how the values were adjusted, correct?</p>
<p style="text-align: right;">Page 1096</p> <p>N. HAIGH - CROSS (MR. SUAREZ)</p> <p>1 Q It was Deutsche Bank's opinion of what the value of 2 those assets should be, correct? 3 A It was Deutsche Bank's opinion of what the value of 4 those assets might be. 5 Q Might be because, of course, we understand there could 6 be a broad range of outcomes when you value an asset? 7 A Also, we didn't have -- we, the bank, including its 8 valuation services group, hadn't done all the due diligence that 9 one would do in order to form an opinion of value in the sense 10 of the opinion of value you see in an appraisal. 11 Q And, of course, I understand an opinion of value in the 12 valuation world has a very specific definition. 13 A Correct. Right. 14 Q You, sir, are a surveyor? 15 A Yes. 16 Q Which I understand across the pond in the United 17 Kingdom is very similar to our appraiser? 18 A Correct. 19 Q In fact, a RICS surveyor; is that correct? 20 A That's the institution that certifies. 21 Q The Royal Institute of Chartered Surveyors? 22 A Correct. 23 Q And here, each one of these properties that was 24 evaluated, the trophy assets was not pledged as collateral to 25 the bank, correct?</p>	<p style="text-align: right;">Page 1098</p> <p>N. HAIGH - CROSS (MR. SUAREZ)</p> <p>1 A Correct. 2 Q Specifically with respect to Trump Tower, Deutsche Bank 3 Valuation Services Group suggested a more appropriate -- what it 4 believed a more appropriate cap rate in order to reach a value, 5 correct? 6 A Yes. 7 Q That formed the basis of Deutsche Bank's adjustment? 8 A Correct. 9 Q And in the Niketown, I don't believe the particular 10 methodology was reported on the credit memo, but the result was 11 that based on these reports square footage, Deutsche Bank 12 Valuation Services Group indicated an adjusted value of 197; is 13 that correct? 14 A That's what's in the credit report. Like you, I'm not 15 exactly sure how they reached that conclusion. 16 Q But that ended up being the value that was listed as a 17 DB adjusted value? 18 A Yes. 19 Q Then 40 Wall Street, the Deutsche Bank Valuation 20 Services Group looked at that property and determined that a six 21 percent aggregate was appropriate for purposes of adjusted 22 value, correct? 23 A Correct. 24 Q Based on that, it reduced the value of the property for 25 purposes of Deutsche Bank's consideration to 1 --</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1099</p> <p>1 A Doesn't say on there.</p> <p>2 Q Doesn't say it here, but if you look back up on the</p> <p>3 chart, it says it on the chart. It reduced to 438 billion which</p> <p>4 that was an equity of 278 million for purposes of the adjusted</p> <p>5 net equity, correct?</p> <p>6 A That's correct.</p> <p>7 Q Again, the same adjustment took place with respect to</p> <p>8 the Trump Park Avenue; is that correct?</p> <p>9 A Yes.</p> <p>10 Q And in the Trump Park Avenue, there were discussions</p> <p>11 with Deutsche Bank Valuation Services Group that aren't</p> <p>12 disclosed here, but there were all of those discussions. There</p> <p>13 was a 35 percent haircut taken on the value?</p> <p>14 A That's correct.</p> <p>15 Q And in this instance, it appears from reading the</p> <p>16 credit report that Deutsche Bank had an opportunity to review</p> <p>17 the asset with the Deutsche Bank Valuation Services Group and</p> <p>18 apply an appropriate amount of a reduction?</p> <p>19 A As I said before, this was not a full appraisal. It</p> <p>20 was not based on due diligence, presuming it was based on</p> <p>21 information provided by the client on the size of the real</p> <p>22 estate, the leases and the rents.</p> <p>23 Q But for Deutsche Bank's purposes, that was the number</p> <p>24 that you used?</p> <p>25 A Yes.</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1101</p> <p>1 properties under development 273.2 million and because</p> <p>2 properties under development may yield very different sale, the</p> <p>3 bank ball-parked it and said we are just going to consider</p> <p>4 75 percent for the value of the net worth?</p> <p>5 A 75 percent haircut which is a 25 percent of their value</p> <p>6 considered.</p> <p>7 Q So you chopped off 75 percent of what the client</p> <p>8 reported about?</p> <p>9 A That's correct.</p> <p>10 Q That's what went into the DB adjusted net equity?</p> <p>11 A Correct.</p> <p>12 THE COURT: Ten-minute warning.</p> <p>13 Q And this was with respect to the real estate, how the</p> <p>14 client reported a valuation of 3,299.4 million was reduced to</p> <p>15 2,040.4 million and after subtraction resulted in an adjusted</p> <p>16 net equity of 1,737.9 million?</p> <p>17 A That's the math, yes.</p> <p>18 Q Then this is the number, the DB adjusted net equity of</p> <p>19 the real estate level that then carries over to the financial</p> <p>20 analysis on page four. Then produces the client reported value</p> <p>21 for real estate net equity to the DB adjusted value for real</p> <p>22 estate net equity, correct?</p> <p>23 A Correct.</p> <p>24 Q And in fact, the bank undertook a similar process of</p> <p>25 reaching its own judgment on the different asset value</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1100</p> <p>1 Q Let's back out of here. Zoom back into the club</p> <p>2 facilities. In the chart under real estate, you see a similar</p> <p>3 reduction was taken from the client report value of</p> <p>4 1,315,000,000.</p> <p>5 A Looks to me the bank took a 50 percent reduction in the</p> <p>6 value and did not consult with the Valuation Services Group over</p> <p>7 that.</p> <p>8 Q That's because the club facilities I believe I heard</p> <p>9 you earlier testify were hard to value?</p> <p>10 A I believe they are harder to value than of those other</p> <p>11 four assets that were individually looked at.</p> <p>12 Q And in a -- I think -- in extremis values produced</p> <p>13 could be very different, correct?</p> <p>14 A So in a -- in a loose stream market, whether it is a</p> <p>15 extreme market, the value could be generated from his club</p> <p>16 facilities to be very different from the value that he was</p> <p>17 carrying them at as the value there.</p> <p>18 Q For that reason, the values were just halved?</p> <p>19 A Yes.</p> <p>20 Q They were ball-parked?</p> <p>21 A Ball-parked, indeed.</p> <p>22 Q And the bank ballpark, those at having an estimate</p> <p>23 of -- an estimated net equity to did he 633 million, correct?</p> <p>24 A Yes.</p> <p>25 Q And in fact, they did something similar with the</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1102</p> <p>1 categories for partnerships and joint ventures, correct?</p> <p>2 A Yes, it looks like a ballpark 50 percent reduction.</p> <p>3 Q The bank reduced partnerships and joint ventures from</p> <p>4 720 million to 360 million, correct?</p> <p>5 A Correct.</p> <p>6 Q And real estate licensing was reduced from 89.3 to</p> <p>7 44.6?</p> <p>8 A Correct.</p> <p>9 Q Other assets were reduced from 199.2 to 99.6, correct?</p> <p>10 A Correct.</p> <p>11 Q And after having the opportunity to consider the client</p> <p>12 reported assets, the bank reached a judgment for DB adjusted.</p> <p>13 Those assets would be reflected at a value of \$2,377,900,000,</p> <p>14 correct?</p> <p>15 A Correct.</p> <p>16 Q Ultimately, that math after the subtraction of other</p> <p>17 liabilities results in a net worth of 2,365,800,000 as adjusted</p> <p>18 by Deutsche Bank?</p> <p>19 A Yes.</p> <p>20 Q This amount, it was that Deutsche Bank adjusted net</p> <p>21 worth, not the client reported net worth, that formed the basis</p> <p>22 of the statement in page three?</p> <p>23 A Which was --</p> <p>24 Q Page three. That the financial strength of the</p> <p>25 guarantor included on an adjusted basis 135 million in</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1103</p> <p>1 unencumbered liquidity, 2.4 billion in net worth, correct?</p> <p>2 A Correct.</p> <p>3 Q And approximately 48 million in adjusted recurring net</p> <p>4 cash flow, correct?</p> <p>5 A Correct.</p> <p>6 Q Another basis for recommending approval of the facility</p> <p>7 was operating experience, correct?</p> <p>8 A Yes.</p> <p>9 Q And this summarizes the operating experience of</p> <p>10 President Trump, Mr. Trump here, DJT as having extensive</p> <p>11 experience in operating private clubs, correct?</p> <p>12 A Yes.</p> <p>13 Q And it goes on to say that his current portfolio</p> <p>14 includes 10 such clubs with a reported value of 1.3 billion and</p> <p>15 a DB adjusted value of 675 million?</p> <p>16 A Correct.</p> <p>17 Q And that would follow the same logic, correct?</p> <p>18 A Yes.</p> <p>19 Q And in fact, Mr. Trump, later President Trump, in fact</p> <p>20 had an extensive experience, correct?</p> <p>21 A I believe so.</p> <p>22 Q That was a significant factor in recommending approval</p> <p>23 of the loan transaction?</p> <p>24 A Yes.</p> <p>25 Q In the fourth reported basis for recommending the</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1105</p> <p>1 A Correct.</p> <p>2 MR. SUAREZ: I think I am at a good stopping point,</p> <p>3 your Honor.</p> <p>4 THE COURT: We will give everybody a break.</p> <p>5 Mr. Suarez, how much longer do you think cross will</p> <p>6 take.</p> <p>7 And then Attorney General, how long will your</p> <p>8 re-direct take?</p> <p>9 MR. SUAREZ: Your Honor, I think that working</p> <p>10 through the documents will take me at least as long as it</p> <p>11 took Mr. Wallace to work through the documents. I would</p> <p>12 expect to be able to do it throughout the course of tomorrow</p> <p>13 and early into the lunch break.</p> <p>14 MR. ROBERT: Then I will have a few minutes as</p> <p>15 well.</p> <p>16 THE COURT: Collectively, when might you expect to</p> <p>17 finish cross?</p> <p>18 MR. SUAREZ: Tomorrow afternoon.</p> <p>19 THE COURT: Midafternoon, early afternoon?</p> <p>20 MR. SUAREZ: Midafternoon.</p> <p>21 THE COURT: Okay.</p> <p>22 MR. KISE: We may be able to bring Mr. Weisselberg</p> <p>23 back if that's the question, if that's what you're getting</p> <p>24 at. We will have him prepared, so they can continue with</p> <p>25 his examination.</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1104</p> <p>1 facility, it says, "the expected enhanced value due to CAPEX."</p> <p>2 One of the reasons that Deutsche Bank recommended to your</p> <p>3 approval of this facility was that the resort was world class</p> <p>4 location -- excuse me. The resort is a world class location</p> <p>5 that has been home to a PGA event every year since the resort</p> <p>6 opened in 1962. That's correct, right, Mr. Haigh?</p> <p>7 A To the best of my knowledge.</p> <p>8 Q And that DJT expects to invest approximately 50 million</p> <p>9 on capital improvements and as a result, it is expected that the</p> <p>10 value of the collateral will increase significantly over the</p> <p>11 term of the facility, correct?</p> <p>12 A Correct.</p> <p>13 Q And on this basis, one of the reasons that Deutsche</p> <p>14 Bank was recommending approval to the loan transaction was, in</p> <p>15 fact, because it thought that the collateral would improve in</p> <p>16 value over a period of time, correct?</p> <p>17 A That was one of the reasons that the lending group put</p> <p>18 forward to us.</p> <p>19 Q It was one of the 14 reasons?</p> <p>20 A Yes.</p> <p>21 Q And in fact, that turned out to be true as well?</p> <p>22 A I don't know for sure.</p> <p>23 Q Well, then over the course of the credit reports, we'll</p> <p>24 see how that number -- the value of that collateral continued</p> <p>25 to increase as the guarantee was involved?</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1106</p> <p>1 THE COURT: Just so we know how much re-direct, if</p> <p>2 any, there will be.</p> <p>3 MR. WALLACE: I expect I wouldn't need more than 10</p> <p>4 or 15 minutes.</p> <p>5 MR. KISE: We will have Mr. Weisselberg prepared</p> <p>6 and if it turns out we don't get to him, that's okay; but we</p> <p>7 won't leave the Court waiting without a witness, that's for</p> <p>8 sure.</p> <p>9 THE COURT: That's the worse thing in the world.</p> <p>10 MR. SOLOMON: I think finishing Mr. Weisselberg</p> <p>11 will be 30 minutes or so. Clearly, less than an hour. So</p> <p>12 depending when they're intending to finish this witness, we</p> <p>13 may want to have the next witness available for tomorrow</p> <p>14 late afternoon.</p> <p>15 MR. KISE: We can do that.</p> <p>16 MR. ROBERT: You want Mr. Birney here tomorrow,</p> <p>17 just tell us.</p> <p>18 MR. KISE: Sure. I think that's optimistic given</p> <p>19 how past -- but, nonetheless, we can do it.</p> <p>20 MR. ROBERT: If the Attorney General would just</p> <p>21 contact them and tell him to be here tomorrow afternoon,</p> <p>22 that's fine. Certainly, no objection from us.</p> <p>23 THE COURT: Okay. See you at ten o'clock tomorrow.</p> <p>24 MR. WALLACE: Thank you, your Honor.</p> <p>25 MR. KISE: Thank you, Judge.</p>

1 MR. ROBERT: Thank you.  
2 (Whereupon, the trial was adjourned to October 12,  
3 2023 at 10:00 a m.)

N. HAIGH - CROSS (MR. SUAREZ)

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cellphones are on silent. Laptops and  
4 cellphones will be permitted, but only to members of the  
5 press. There's absolutely no recording or photography of  
6 any kind allowed in the courtroom. Now, please be seated  
7 and come to order.  
8 THE COURT: Tommy, you're getting better and better  
9 at that.  
10 Okay. Supposedly, the witnesses are going to be  
11 brought earlier, so we have less time to wait. Can we get  
12 Mr. Haigh?  
13 Counselors, anything to say, housekeeping?  
14 MR. WALLACE: Plaintiff is prepared to continue.  
15 THE COURT: Please.  
16 MR. SUAREZ: Thank you.  
17 THE COURT: For those of you who weren't here  
18 yesterday or didn't hear about it, we are resuming the  
19 cross-examination of Mr. Haigh formerly of Deutsche Bank.  
20 THE COURT OFFICER: Witness entering.  
21 THE COURT: I will remind the witness as I always  
22 do that he is still under oath.  
23 Mr. Suarez, would you like to continue?  
24 MR. SUAREZ: Thank you, your Honor.  
25

N. HAIGH - CROSS (MR. SUAREZ)

1 CROSS-EXAMINATION.  
2 BY MR. SUAREZ: (CONT'D)  
3 Q Mr. Haigh, good morning.  
4 A Good morning.  
5 Q Turning back yesterday to Plaintiff's 293, we were  
6 reviewing on page three the basis for recommendation of the  
7 Doral facility and I just wanted to close the loop on something  
8 here.  
9 When we talk about the financial strength of the  
10 guarantor being based on the 48 million in part, the 48 million  
11 in adjusted recurring cash flow, do you see that number there?  
12 A Yes.  
13 Q I wanted to make sure that that tied out to the 48  
14 million in recurring net cash flow on page seven of this  
15 document which reflects in the second column the DB adjusted  
16 value for recurring net cash flow of 48.8 million, correct?  
17 A That's correct.  
18 Q And with respect to the expected enhanced value due to  
19 CapEx, again mentioned on page three of this document, as a  
20 basis for recommending the facility?  
21 A So I see that.  
22 Q The second sentence, "As DJT expects to invest  
23 approximately 50 million on capital improvements, it is expected  
24 that the value of our collateral will increase significantly  
25 over the term of the facility." Do you see that?

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1112</p> <p>1 A I see that.</p> <p>2 Q Again, on page nine of this document, that reflects the</p> <p>3 project overview in the third line of the second paragraph,</p> <p>4 "Upon acquisition, the guarantor intends to invest an additional</p> <p>5 50 million to renovate and reposition the record to its previous</p> <p>6 world class standard."</p> <p>7 Do you see that?</p> <p>8 A Yes, I do.</p> <p>9 Q And that's the basis of the statement on page three</p> <p>10 that the recommendation was made in part based on the</p> <p>11 anticipated investment by the guarantor into the property?</p> <p>12 A I see that, yes.</p> <p>13 Q And in fact, the guarantor ultimately invested more</p> <p>14 than the \$50 million in the property?</p> <p>15 A I don't recall how much he ultimately vested.</p> <p>16 Q Okay. We can get to that. Turning to Plaintiff's</p> <p>17 Exhibit 291, this is another document that you reviewed</p> <p>18 yesterday in your testimony, Mr. Haigh. And I believe it's the</p> <p>19 originating memo for the facility on the Trump Chicago the 401</p> <p>20 North Wabash?</p> <p>21 A Yes, that's correct.</p> <p>22 Q The borrower in this transaction was an entity called</p> <p>23 401 North Kabash Venture, L.L.C. correct?</p> <p>24 A Correct.</p> <p>25 Q The lender was Deutsche Bank Trust Company America,</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1114</p> <p>1 this agreement?</p> <p>2 A Like I said, I would have to look at the actual loan</p> <p>3 documents to see what entities became a party to the agreement.</p> <p>4 Q Was the Trump Organization Inc. a party to this loan</p> <p>5 agreement?</p> <p>6 A As I said, I'd have to look at the loan documentation.</p> <p>7 Q As part of the underwriting reflected in the credit</p> <p>8 report, the Trump Organization Inc. was not a party to the</p> <p>9 transaction, correct?</p> <p>10 A That's correct. Per the credit report, the Trump</p> <p>11 Organization was -- as an entity was not one of the either the</p> <p>12 borrower or the guarantor.</p> <p>13 Q And pursuant to this credit report at least, DJT</p> <p>14 Holdings, L.L.C. was neither the borrower or the guarantor?</p> <p>15 A I agree with you, yes.</p> <p>16 Q The same for DJT Managing, L.L.C.?</p> <p>17 A It is not in the credit report.</p> <p>18 Q The same for the Trump Organization, L.L.C.?</p> <p>19 A It is not on the credit report.</p> <p>20 Q The same for 40 Wall Street, L.L.C.?</p> <p>21 A It is not on the credit report.</p> <p>22 THE COURT: Mr. Suarez, why don't you just ask if</p> <p>23 there are any other parties instead of asking ten different</p> <p>24 entities whether they are a party? Wouldn't that work?</p> <p>25 MR. SUAREZ: I think the first one, if I may, Your</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1113</p> <p>1 correct?</p> <p>2 A Correct.</p> <p>3 Q And the guarantor is Donald J. Trump, correct?</p> <p>4 A Yes.</p> <p>5 Q Eric Trump is not a party to this loan agreement,</p> <p>6 correct?</p> <p>7 A That's correct.</p> <p>8 Q Neither is Donald J. Trump, Jr. correct?</p> <p>9 A That is correct.</p> <p>10 Q Let me say that better. Donald Trump, Jr. is not a</p> <p>11 party to this loan agreement; is that correct?</p> <p>12 A That is correct.</p> <p>13 Q DJT Holdings, L.L.C. is not a party to this loan</p> <p>14 agreement, correct?</p> <p>15 A So I'd have to look at the loan documentation itself to</p> <p>16 see who the ultimate parties ended up being. It is possible</p> <p>17 there were some changes between this approval and the final set</p> <p>18 of entities that signed the loan documentation.</p> <p>19 Q At the time of the approval, there were no other</p> <p>20 parties to the agreement other than the Deutsche Bank trust</p> <p>21 company as the lender, Donald J. Trump as the guarantor and 401</p> <p>22 North Wabash?</p> <p>23 A That was certainly the intention at the time this</p> <p>24 memorandum was approved.</p> <p>25 Q DJT Holdings Managing Member, L.L.C. was not a party to</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1115</p> <p>1 Honor, may take me a little bit longer and then on the</p> <p>2 following ones, I have a script to cut it down.</p> <p>3 THE COURT: I also suggest, again, not to ask</p> <p>4 negative questions. He didn't do it, did he, and then you</p> <p>5 don't know whether yes or no. Just did he do it? No.</p> <p>6 Okay.</p> <p>7 Q Per the credit report, Trump Endeavor, 12, L.L.C was</p> <p>8 not a party to this loan agreement?</p> <p>9 A Per the credit report, it is not a party.</p> <p>10 Q Trump Old Post Office is not a party to this</p> <p>11 transaction, correct?</p> <p>12 A Per the credit report, it is not a party to this</p> <p>13 transaction.</p> <p>14 Q Okay. The 401 North Wabash transaction, which we</p> <p>15 referred to as the Chicago transaction, had two components,</p> <p>16 correct?</p> <p>17 A Yes.</p> <p>18 Q Facility A, we can scroll down. The collateral for</p> <p>19 facility A was a first mortgage lien and a first priority</p> <p>20 security interest in the residential component of the building</p> <p>21 known as the Trump Chicago?</p> <p>22 A Yes.</p> <p>23 Q And that included residential condominium units that</p> <p>24 were not sold, correct?</p> <p>25 A That's correct.</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1116</p> <p>1 Q That were owned by the borrower, correct?</p> <p>2 A Yes.</p> <p>3 Q As those condominium units were sold, that facility was</p> <p>4 paid down, correct?</p> <p>5 A Yes.</p> <p>6 Q And in the second facility B, the collateral was a</p> <p>7 first mortgage lien and first priority security interest in the</p> <p>8 commercial point of the Trump Chicago, correct?</p> <p>9 A That's correct.</p> <p>10 Q That included a lien on a full-service hotel within the</p> <p>11 Trump Chicago that had 339 condo hotel rooms of which 175 were</p> <p>12 owned by the borrower, correct?</p> <p>13 A Yes.</p> <p>14 Q The purpose of this loan, Mr. Haigh, was to refinance</p> <p>15 another performing Deutsche Bank loan, correct?</p> <p>16 A It was to refinance another Deutsche Bank loan, yes.</p> <p>17 Q Deutsche Bank was familiar with the collateral,</p> <p>18 correct?</p> <p>19 A Certain members of Deutsche Bank -- the group that</p> <p>20 originated that prior loan were clearly familiar with the</p> <p>21 collateral and people within the wealth management business</p> <p>22 became more familiar with the collateral as they did their due</p> <p>23 diligence.</p> <p>24 Q The Deutsche Bank loan that was refinanced through this</p> <p>25 transaction was a performing loan, correct?</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1118</p> <p>1 be omitted here, but this was brought over for the reason -- for</p> <p>2 presentation up top, it says facility A and at the end of that</p> <p>3 paragraph it says the expected LTV as closing date is the</p> <p>4 55 percent?</p> <p>5 A Yes.</p> <p>6 Q The expected LTV on closing date is 36 percent?</p> <p>7 A Correct.</p> <p>8 Q Which is now in the recommendation that ports over to</p> <p>9 an aggregate expected LTV of 44.7 on closing?</p> <p>10 A Correct.</p> <p>11 Q That's a relatively low loan to value, correct?</p> <p>12 A Depends what you're comparing it to. So I would say</p> <p>13 it's slightly low loan to value for a condo inventory deal when</p> <p>14 a condo is being emptied and being sold. It is lower than what</p> <p>15 you would expect, say, on an office building.</p> <p>16 Q The Doral transaction by comparison had a loan to value</p> <p>17 at inception of 85 percent, correct?</p> <p>18 A Correct.</p> <p>19 Q So the Chicago transaction comparatively had a lower</p> <p>20 average loan to value of nearly half?</p> <p>21 A Certainly much lower than the Doral transaction.</p> <p>22 Q Going back to page five, as the basis for</p> <p>23 recommendation, we again have the financial strength of the</p> <p>24 guarantor and it includes the financial profile of the guarantor</p> <p>25 includes on an adjusted basis 146 million in unencumbered,</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1117</p> <p>1 A I don't know.</p> <p>2 Q Does the credit report suggest anywhere that the</p> <p>3 refinanced loan from Deutsche Bank was not a performing loan?</p> <p>4 A So there's no reference to the credit report that it</p> <p>5 was not performing at the time.</p> <p>6 Q There is no reference in the credit report that the</p> <p>7 prior loan was not performed?</p> <p>8 A Correct. There's no indication that it was not</p> <p>9 performing.</p> <p>10 Q Correct. Thank you.</p> <p>11 If we could turn to page five. The basis for</p> <p>12 recommendation of this facility included the quality and</p> <p>13 collateral -- excuse me. The quality of the collateral and the</p> <p>14 loan to value, correct?</p> <p>15 A Yes.</p> <p>16 Q This was the first basis identified for the facility</p> <p>17 being recommended, correct?</p> <p>18 A Yes.</p> <p>19 Q At inception, the collateral was anticipated to be</p> <p>20 36 percent on one and 44.7 percent on both tranches, correct?</p> <p>21 A So it says here that the loan to value, expected loan</p> <p>22 to value on the commercial transaction was 36 percent and</p> <p>23 overall between the two, the loan to value was just under</p> <p>24 45 percent.</p> <p>25 Q In fact, if we go to page two, you'll see it appears to</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1119</p> <p>1 correct?</p> <p>2 A Yes.</p> <p>3 Q 2.4 billion in net worth, correct?</p> <p>4 A Correct.</p> <p>5 Q And approximately 13 million in adjusted excess</p> <p>6 recurring net cash flow, correct?</p> <p>7 A Yes.</p> <p>8 Q Those numbers reported over from Deutsche Bank's own</p> <p>9 analysis as reflected in the credit report, correct?</p> <p>10 A Yes.</p> <p>11 Q They're, in fact, DB's adjusted values and we can walk</p> <p>12 through them quickly. On page seven, you see again on the</p> <p>13 fourth column a client reported net worth of \$4,559,000,000,</p> <p>14 correct?</p> <p>15 A That is correct.</p> <p>16 Q And a DB adjusted client net worth of 2,436.1, correct?</p> <p>17 A That's correct.</p> <p>18 Q It was the DB adjusted value that was ported over as a</p> <p>19 basis for recommendation?</p> <p>20 A Yes.</p> <p>21 Q Or I should say carried over as a basis for the</p> <p>22 recommendation, correct?</p> <p>23 A Correct.</p> <p>24 Q And the same is true of the excess recurring net cash</p> <p>25 flow of 13 million? That's a number that came from DB's own</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1120</p> <p>1 analysis at page ten of this report, correct?</p> <p>2 A There it is. 13.4 million on page ten.</p> <p>3 Q 13.4 million which was the DB adjusted net excess cash</p> <p>4 flow, correct?</p> <p>5 A That's correct.</p> <p>6 Q Going back to page five, another factor for supporting</p> <p>7 the facility was the operator's experience in operating this</p> <p>8 property type, correct?</p> <p>9 A That is correct.</p> <p>10 Q And that's a reference to Mr. Trump, correct?</p> <p>11 A Yes.</p> <p>12 Q It says that he's a well-known and experienced operator</p> <p>13 of properties of this type, correct?</p> <p>14 A That is correct.</p> <p>15 Q Then again, another factor was increasing Deutsche</p> <p>16 Bank's relationship with Mr. Trump and his affiliates, correct?</p> <p>17 A Yes.</p> <p>18 Q In page seven, I'd like to draw your attention to,</p> <p>19 again, analysis of the guarantor's balance sheet and below it,</p> <p>20 it states that on October 19, 2012, Tom Sullivan and Emily</p> <p>21 Schroeder visited the offices of the guarantor, correct?</p> <p>22 A Correct.</p> <p>23 Q You were not present at that meeting, correct?</p> <p>24 A I was not present at that meeting.</p> <p>25 Q But you are aware that based on the result of that</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1122</p> <p>1 A Correct. The DB adjusted values were the inputs.</p> <p>2 Q Turning over to Plaintiff's Exhibit 290, this is the</p> <p>3 2013 credit report, correct?</p> <p>4 A Yes, it is.</p> <p>5 Q A document that you signed, correct?</p> <p>6 A Yes, I believe so.</p> <p>7 Q And the reason for this document was to modify the</p> <p>8 Trump Endeavor 12, L.L.C. loan facility, correct?</p> <p>9 A Yes.</p> <p>10 Q Proven interest rate swap?</p> <p>11 A Yes.</p> <p>12 Q Review the Trump Endeavor 12, L.L.C. loan facility?</p> <p>13 A Annual review, that's correct.</p> <p>14 Q Annual review and to request a change of the annual</p> <p>15 review date to July 30, 2014, correct?</p> <p>16 A Yes.</p> <p>17 Q And at this time, Trump Endeavor 12, L.L.C. had been</p> <p>18 substituted as the borrower in the Doral transaction, correct?</p> <p>19 A I believe so, yes.</p> <p>20 Q I should say by this time. When we reviewed it in</p> <p>21 2011, it said to be determined?</p> <p>22 A Right.</p> <p>23 Q And by now, we know that the borrower in the Doral</p> <p>24 transaction was Trump Endeavor 12, L.L.C., correct?</p> <p>25 A That is the actual legal entity.</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1121</p> <p>1 meeting, DB made certain adjustments to the resulted -- excuse</p> <p>2 m-e. To the reported values on the credit report, correct?</p> <p>3 A Yes.</p> <p>4 Q Then turning over to page eight, we again see a</p> <p>5 valuation of the four trophy properties that included the</p> <p>6 Deutsche Bank Valuation Services Group analysis that we</p> <p>7 discussed yesterday, correct?</p> <p>8 A Correct.</p> <p>9 Q And Deutsche Bank Valuation Services Group performed</p> <p>10 the same type of analysis for these properties as that which we</p> <p>11 discussed yesterday, correct?</p> <p>12 A I believe so.</p> <p>13 Q That is what's reflected in this document, correct?</p> <p>14 A Yes.</p> <p>15 Q And you signed this document, correct?</p> <p>16 A I did.</p> <p>17 Q Page ten of this document, there are certain key ratios</p> <p>18 that are discussed here at the bottom and it states, "To</p> <p>19 demonstrate the strength of the guarantor, we have applied the</p> <p>20 unsecured lending guidelines assuming repayment of the</p> <p>21 obligation by the guarantor using DB adjusted balances to both</p> <p>22 the balance sheet and the net cash flow," correct?</p> <p>23 A That's correct.</p> <p>24 Q That means that when the key ratios were computed, the</p> <p>25 inputs that were put in were the DB adjusted values, correct?</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1123</p> <p>1 Q So with respect to the Doral transaction, you would</p> <p>2 agree with me that the borrower was Trump Endeavor 12, L.L.C.?</p> <p>3 A That was the borrower, yes.</p> <p>4 Q And the lender was Deutsche Bank Trust Company</p> <p>5 Americas?</p> <p>6 A Yes.</p> <p>7 Q And the guarantor was Donald J. Trump?</p> <p>8 A Yes.</p> <p>9 Q And no other party was a borrower, a guarantor or a</p> <p>10 lender?</p> <p>11 A No other party is mentioned in the credit report. I</p> <p>12 would have to look at the loan documentation to see whether</p> <p>13 there were any other parties actually on the loan documentation.</p> <p>14 Q Understood. If there were other parties on the loan</p> <p>15 documentation, would you expect to see them identified on the</p> <p>16 credit report?</p> <p>17 A Most likely, yes.</p> <p>18 Q This credit report dated July 24, 2013, you would agree</p> <p>19 with me, reflects that the Doral loan was performing?</p> <p>20 A Yes, I believe so. Yes.</p> <p>21 Q There were no missed payments correct?</p> <p>22 A Not to my recollection.</p> <p>23 Q No late payments?</p> <p>24 A Not to my recollection.</p> <p>25 Q That's something you would expect to see in the credit</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1124</p> <p>1 report?</p> <p>2 A Yes.</p> <p>3 Q And we would agree that the credit report doesn't</p> <p>4 identify any missed payments or late payments, correct?</p> <p>5 A That's correct.</p> <p>6 Q If you could turn to page four of the credit report,</p> <p>7 please. The credit report provides for a modification of the</p> <p>8 Doral loan transaction, correct?</p> <p>9 A Yes.</p> <p>10 Q And it indicates that the maximum loan to value would</p> <p>11 determine the guaranty level going forward, correct?</p> <p>12 A Yes.</p> <p>13 Q So when the collateral appraises over a certain loan to</p> <p>14 value, the guaranty level goes stepping down, correct?</p> <p>15 A That is correct.</p> <p>16 Q Stated differently, as the loan to value ratio is</p> <p>17 reduced with respect to the Doral loan, there is a corresponding</p> <p>18 reduction in the amount of the guarantee, correct?</p> <p>19 A Correct.</p> <p>20 Q For example, when the loan to value is below</p> <p>21 65 percent, the guaranty level drops to 40 percent, correct?</p> <p>22 A That's correct.</p> <p>23 Q When the loan to value is below 55 percent, the</p> <p>24 guaranty level drops to 20 percent, correct?</p> <p>25 A Yes.</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1126</p> <p>1 worth covenant, correct?</p> <p>2 A Correct.</p> <p>3 Q A little further down, page five, again, we see that</p> <p>4 the modification to the facility is being recommended for</p> <p>5 approval based on we see the financial profile of the guarantor</p> <p>6 which includes on an adjusted basis 146 million in unencumbered</p> <p>7 liquidity, correct?</p> <p>8 A Yes.</p> <p>9 Q And that's the DB adjusted value, correct?</p> <p>10 A Yes.</p> <p>11 Q And that's the DB adjusted value that's carried over</p> <p>12 from page seven of the credit report, correct?</p> <p>13 A Yes.</p> <p>14 Q And we see 2.4 billion in net worth again is a</p> <p>15 basis -- as a basis for the recommendation, correct?</p> <p>16 A That's correct.</p> <p>17 Q And that \$2.4 billion figure is the DB adjusted value,</p> <p>18 correct?</p> <p>19 A That is correct.</p> <p>20 Q And that's the DB adjusted value that's reflected in</p> <p>21 page seven of this credit report, correct?</p> <p>22 A Yes.</p> <p>23 Q And again, with respect to the 13.4 million in adjusted</p> <p>24 recurring net cash flow, that's also based on DB's own analysis</p> <p>25 at page nine of this credit report, correct?</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1125</p> <p>1 Q When the loan to value is below 45 percent, the</p> <p>2 guaranty level drops to ten percent, correct?</p> <p>3 A Yes.</p> <p>4 Q And when the loan to value is below 35 percent, the</p> <p>5 guaranty level is zero, correct?</p> <p>6 A Correct.</p> <p>7 Q On page five of this credit memo, we also see approval</p> <p>8 of a change in the net worth covenant, correct?</p> <p>9 A Yes, that's correct.</p> <p>10 Q And in fact, it provides that as the guaranty level is</p> <p>11 reduced, the net worth covenant is also reduced, correct?</p> <p>12 A That appears to be correct, yes.</p> <p>13 Q So that when the guaranty level is at 100 percent, the</p> <p>14 net worth covenant is 2 and-a-half billion, correct?</p> <p>15 A Yes.</p> <p>16 Q When the guaranty level drops to 40 percent, the net</p> <p>17 worth covenant is only 1 billion, correct?</p> <p>18 A Yes.</p> <p>19 Q When the guaranty level is at 20 percent, the net worth</p> <p>20 covenant is only 500 million, correct?</p> <p>21 A Yes.</p> <p>22 Q When the guaranty level is at 10 percent, the net worth</p> <p>23 covenant is 250 million, correct?</p> <p>24 A Yes.</p> <p>25 Q And when the guaranty level is at zero, there is no net</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1127</p> <p>1 A Yes.</p> <p>2 Q An additional factor for recommendation here is also an</p> <p>3 equity injection by the guarantee, correct?</p> <p>4 A Yes.</p> <p>5 Q It states that while the initial injection of the</p> <p>6 guarantor was estimated at 50 million, we have been told that</p> <p>7 the estimate has been increased to anywhere from 150 to 160</p> <p>8 million with approximately 30 million already invested, correct?</p> <p>9 A That's correct.</p> <p>10 Q And again, on the following page of this credit memo,</p> <p>11 yet another basis for recommendation is that the LTV levels</p> <p>12 required and it says "to for." I think it probably should say</p> <p>13 the LTV is required for a decrease in the guaranty levels are</p> <p>14 low enough to ensure that the is more than adequately</p> <p>15 collateralized; right?</p> <p>16 A Correct.</p> <p>17 Q Again, initial bases are the operating experience of</p> <p>18 the operator and the enhanced expected value due to capital</p> <p>19 improvements, correct?</p> <p>20 A Yes.</p> <p>21 Q And with respect to increasing the relationship between</p> <p>22 Deutsche Bank and President Trump and his relationship, that was</p> <p>23 something that was important to the private wealth management</p> <p>24 group, correct?</p> <p>25 A That was something that was? I didn't hear.</p>

Page 1128	N. Haigh - Plaintiff - cross (Suarez) Page 1130
<p>1 Q Increasing the relationship with President Trump and</p> <p>2 his group, correct?</p> <p>3 A It was important? Was that your question?</p> <p>4 Q Right.</p> <p>5 A Yes, it was one of the aims of the private wealth</p> <p>6 management business to increase its business relationship with</p> <p>7 all of its clients. That was not President Trump at the time,</p> <p>8 but --</p> <p>9 Q Correct. With Mr. Trump later President Trump?</p> <p>10 A Yeah.</p> <p>11 Q And one of those metrics that was important to the bank</p> <p>12 was an increase in the assets under management, correct?</p> <p>13 A Yes.</p> <p>14 Q And here, in the first page of this document, we see</p> <p>15 that the assets under management have gone up from 20 million to</p> <p>16 29.7 million, correct?</p> <p>17 A Yes.</p> <p>18 Q And again, this credit report reflects on page seven</p> <p>19 that there was an October 19, 2012 due diligence meeting that</p> <p>20 took place, correct?</p> <p>21 A Yes.</p> <p>22 Q And that based on that meeting, DB adjusted values in</p> <p>23 the credit report, correct?</p> <p>24 A Yes.</p> <p>25 (Continued on the next page.)</p>	<p>1 to because the Court has allowed other evidence in and this</p> <p>2 is just evidence to meet -- the evidence that the government</p> <p>3 has presented. But this is in no way a waiver of our</p> <p>4 statute of limitations objection.</p> <p>5 THE COURT: Of course. Understood.</p> <p>6 MR. KISE: Thank you.</p> <p>7 THE COURT: And it's in evidence.</p> <p>8 MR. KISE: Thank you.</p> <p>9 (Whereupon, the item previously referred to is</p> <p>10 received and marked Plaintiff's Exhibit Number 290 in</p> <p>11 evidence.)</p> <p>12 Q Turning to PX 294.</p> <p>13 Mr. Haigh, you'd agree with me this is an annual review</p> <p>14 of the Trump Endeavor 12 LLC loan facility?</p> <p>15 A That's one of the reasons.</p> <p>16 Q And another reason is an annual review of the Chicago</p> <p>17 loan facility with the borrower is 401 North Wabash Venture LLC?</p> <p>18 A Together with an increase in that facility.</p> <p>19 Q And then there is also an approval of the \$170 million</p> <p>20 facility for the borrower Trump Old Post Office LLC?</p> <p>21 A That's correct.</p> <p>22 Q The annual review of the Doral loan reflects that there</p> <p>23 are no missed payments; correct?</p> <p>24 A I believe that's correct.</p> <p>25 Q That there are no late payments; correct?</p>
N. Haigh - Plaintiff - cross (Suarez) Page 1129	N. Haigh - Plaintiff - cross (Suarez) Page 1131
<p>1 Q And when I refer to "DB," I'm obviously referring to</p> <p>2 Deutsche Bank. That's understood?</p> <p>3 A Thank you.</p> <p>4 Q And again on page eight, we see the same analysis of --</p> <p>5 provided by the Deutsche Bank Valuation Services Group as we see</p> <p>6 in prior credit reports?</p> <p>7 A That's correct.</p> <p>8 Q And on page nine we see a similar analysis of the free</p> <p>9 cash flow prepared by Deutsche Bank; correct?</p> <p>10 A Yes.</p> <p>11 Q And on page ten we see that the DB adjusted balances to</p> <p>12 both the balance sheet and the net cash flow were used to</p> <p>13 compute the key ratios by Deutsche Bank; correct?</p> <p>14 A Correct.</p> <p>15 Q Turning to PX 294.</p> <p>16 MR. WALLACE: Your Honor, I'm sorry. I apologize</p> <p>17 for interrupting. We entered Exhibit 290 into evidence. I</p> <p>18 don't know if they don't want to because of statute of</p> <p>19 limitation parameters, but given the discussion with</p> <p>20 Mr. Haigh, we would ask that it be entered into evidence.</p> <p>21 THE COURT: Any objection?</p> <p>22 MR. KISE: No, there is no objection. The only</p> <p>23 thing I want to note for the record because of the anomaly</p> <p>24 because we are introducing something prior to the statute of</p> <p>25 limitations is we are doing this basically because we have</p>	<p>1 A I believe that's correct.</p> <p>2 Q And that the Doral loan is a performing loan at this</p> <p>3 point; correct?</p> <p>4 A I believe so, yes, yes.</p> <p>5 Q The same for the Chicago loan facility. The review</p> <p>6 reflects that there were no missed payments; correct?</p> <p>7 A Correct.</p> <p>8 Q No late payments; correct?</p> <p>9 A Correct.</p> <p>10 Q And that it is a performing loan; correct?</p> <p>11 A That's right.</p> <p>12 Q With respect to the now third facility, this is</p> <p>13 \$170 million first mortgage to the borrower Trump Old Post</p> <p>14 Office LLC that is to be used for the development of the Old</p> <p>15 Post Office property in Washington, D.C.; correct?</p> <p>16 A Yes.</p> <p>17 Q The borrower in that transaction is Trump Old Post</p> <p>18 Office LLC; correct?</p> <p>19 A Yes.</p> <p>20 Q And the lender is Deutsche Bank Trust Company Americas;</p> <p>21 correct?</p> <p>22 A Yes.</p> <p>23 Q And the guarantor is Donald J. Trump; correct?</p> <p>24 A Yes.</p> <p>25 Q This credit report suggests that there are no other</p>

<p>N. Haigh - Plaintiff - cross (Suarez) Page 1132</p> <p>1 parties to that transaction; correct?</p> <p>2 A If that's what the credit report suggests it's probably</p> <p>3 correct.</p> <p>4 Q And we can see further down page one in the review of</p> <p>5 each loans that the Doral facility reflects a loan to value of</p> <p>6 85 percent; correct?</p> <p>7 A Yes.</p> <p>8 Q That the Trump International Hotel and Tower reflects a</p> <p>9 loan to value of 51 percent; correct?</p> <p>10 A Yes.</p> <p>11 Q And that the Old Post Office reflects a loan to value</p> <p>12 of 80 percent; correct?</p> <p>13 A That's correct.</p> <p>14 Q Turning to page ten of this document we again see the</p> <p>15 basis for recommendation for the approval of the annual reviews</p> <p>16 and the origination of the Old Post Office facility; correct?</p> <p>17 A Yes.</p> <p>18 Q And with respect to the financial strength of the</p> <p>19 guarantor now under year 2014 this again is based off of the DB</p> <p>20 adjusted values for net worth of 2.6 billion; correct?</p> <p>21 A Yes.</p> <p>22 Q And 154.5 million in unencumbered liquidity per the DB</p> <p>23 adjusted values; correct?</p> <p>24 A Yes.</p> <p>25 Q And those DB adjusted values are reflected again in the</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1134</p> <p>1 Q With respect to Facility A, we again see there is an</p> <p>2 equity injection by the guarantor that was originally required</p> <p>3 to be 50 million but ended up being budgeted to increase to 150</p> <p>4 to 160 million with approximately 30 million already invested;</p> <p>5 correct?</p> <p>6 A Yes.</p> <p>7 Q And that must enhance Deutsche Bank's collateral;</p> <p>8 correct?</p> <p>9 A One would expect so.</p> <p>10 Q And that in fact is what the credit report says that it</p> <p>11 was expected to enhance the collateral due to the capital</p> <p>12 investment; correct?</p> <p>13 A Yes.</p> <p>14 Q Page 13 again reveals that in 2013 there was a meeting</p> <p>15 at -- page 14. I'm sorry.</p> <p>16 At page 14 there was a meeting on October 21, 2013.</p> <p>17 Tom Sullivan and Emily Schroeder visited the offices of the</p> <p>18 guarantor; correct?</p> <p>19 A Yes.</p> <p>20 Q You were not present at that meeting; correct?</p> <p>21 A I was not there.</p> <p>22 Q And based on that meeting asset values were adjusted on</p> <p>23 this credit report; correct?</p> <p>24 A That's correct.</p> <p>25 Q Page 15 of this document again shows the analysis of</p>
<p>N. Haigh - Plaintiff - cross (Suarez) Page 1133</p> <p>1 credit report. First on page 14 of this document you'll see</p> <p>2 there the DB adjustment to the guarantor's net worth reflects an</p> <p>3 adjustment from the reported -- client reported value of four</p> <p>4 billion nine hundred seventy-eight million to a DB adjusted</p> <p>5 value of two billion six hundred forty-five million; correct?</p> <p>6 A Yes.</p> <p>7 Q And that's the number that then carries over as a basis</p> <p>8 for the recommendation at page ten of this document; correct?</p> <p>9 A Yes.</p> <p>10 Q And the same is true of the 154.5 million in liquidity.</p> <p>11 That is a number that carries over from page 14 of this document</p> <p>12 into the basis of recommendation at page ten; correct?</p> <p>13 A Yes.</p> <p>14 Q And again, a basis for recommendation of both the new</p> <p>15 facility and the approval of the annual review was Mr. Trump's</p> <p>16 extensive experience in operating private wealth and country</p> <p>17 clubs; correct?</p> <p>18 A That was relevant in particular to the Doral facility.</p> <p>19 Q And again, it reflects that the portfolio of 13 such</p> <p>20 clubs had a reported value of 1.66 billion but DB had adjusted</p> <p>21 that value to 680.6 million; correct?</p> <p>22 A Yes.</p> <p>23 Q And the DB adjusted value was the number that DB relied</p> <p>24 upon to approve the facility; correct?</p> <p>25 A Yes.</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1135</p> <p>1 the trophy properties with input from the Deutsche Bank</p> <p>2 Valuation Services Group; correct?</p> <p>3 A Yes.</p> <p>4 Q And that analysis was used to adjust asset values by</p> <p>5 Deutsche Bank; correct?</p> <p>6 A Yes.</p> <p>7 Q And on page 16 we again see that Deutsche Bank</p> <p>8 performed its own net cash flow analysis; correct?</p> <p>9 A So DB adjusted the cash flow the client had reported,</p> <p>10 that's right.</p> <p>11 Q Okay. And they do that every year as the credit memos</p> <p>12 go on?</p> <p>13 A I think that's correct.</p> <p>14 Q On page 17 we again see that the key ratios are</p> <p>15 computed this year based on the -- the Deutsche Bank adjusted</p> <p>16 balances to both the guarantor's balance sheet and net cash</p> <p>17 flow; correct?</p> <p>18 A Yes.</p> <p>19 Q On page 21 of this document with respect to the Old</p> <p>20 Post Office transaction, a feature of the loan facility,</p> <p>21 page 21, the fourth paragraph, it says:</p> <p>22 "Per the borrower, the full renovation budget is</p> <p>23 \$215 million with the borrower's 20 percent being deployed prior</p> <p>24 to the lender's fund."</p> <p>25 That's the defined equity amount; correct?</p>

<p>N. Haigh - Plaintiff - cross (Suarez) Page 1136</p> <p>1 A Yes.</p> <p>2 Q And this means that the borrower was obligated to</p> <p>3 inject its own cash into the project before Deutsche Bank</p> <p>4 advanced the first dollar under the loan facility; correct?</p> <p>5 A Yes. It means it actually has to use its first</p> <p>6 \$20 million before Deutsche Bank's funding would start.</p> <p>7 Q I'm sorry?</p> <p>8 A It has to use that \$20 million in the project before</p> <p>9 Deutsche Bank's funding starts.</p> <p>10 Q Correct. In other words, the guarantor had to utilize</p> <p>11 20 million of his own dollars in the project before Deutsche</p> <p>12 Bank would start advancing under the credit facility?</p> <p>13 A Correct, yes.</p> <p>14 Q And that's in fact what happened; correct?</p> <p>15 A I believe so, yes.</p> <p>16 Q And this document at page six also approves a similar</p> <p>17 stepdown feature on the guaranty for the Chicago credit</p> <p>18 facility; correct?</p> <p>19 A Yes.</p> <p>20 Q And again, the approval provides that -- withdrawn.</p> <p>21 As a result of this approval, Mr. Haigh, the guaranty</p> <p>22 level is reduced as the loan to value of the Chicago loan is</p> <p>23 reduced; correct?</p> <p>24 A Yes.</p> <p>25 Q So that when the loan to value of the Chicago loan</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1138</p> <p>1 Q And that's reflected on page seven of this document</p> <p>2 where we again see on the Chicago loan once the guaranty level</p> <p>3 is reduced to 40 percent the net worth covenant is only</p> <p>4 \$1 billion; correct?</p> <p>5 A That's correct.</p> <p>6 Q And when the guaranty level is 20 percent the net worth</p> <p>7 covenant is only \$500 million; correct?</p> <p>8 A Yes.</p> <p>9 Q And when the guaranty level falls to ten percent or</p> <p>10 below the net worth covenant is only \$250 million; correct?</p> <p>11 A That's correct.</p> <p>12 Q And with a guaranty level on the Chicago loan at</p> <p>13 zero percent the net worth covenant then is zero?</p> <p>14 A Yes.</p> <p>15 THE COURT: I haven't heard a very frequent</p> <p>16 objection yet, "the document speaks for itself."</p> <p>17 We're going over things that are A, redundant; B,</p> <p>18 obvious; and C, the document says what it says. Most of</p> <p>19 this testimony seems to be "isn't that what it says" when we</p> <p>20 can all read, so I don't understand why we're spending so</p> <p>21 much time on this.</p> <p>22 Mr. Kise?</p> <p>23 MR. KISE: With all due respect, that's basically</p> <p>24 what Mr. Wallace did all day yesterday is to walk through</p> <p>25 the document, showed him provisions that say isn't that</p>
<p>N. Haigh - Plaintiff - cross (Suarez) Page 1137</p> <p>1 falls below 65 percent, the guaranty level is only 40 percent;</p> <p>2 correct?</p> <p>3 A Yes.</p> <p>4 Q And when the loan to value of the Chicago loan falls</p> <p>5 below 55 percent, the guaranty level is only 20 percent;</p> <p>6 correct?</p> <p>7 A That's correct.</p> <p>8 Q And when the loan to value of the Chicago loan drops</p> <p>9 below 45 percent, the guaranty level is only ten percent;</p> <p>10 correct?</p> <p>11 A That's correct.</p> <p>12 Q And when the loan to value of the Chicago loan drops</p> <p>13 below 35 percent, the guaranty level is zero; correct?</p> <p>14 A That's correct. All those numbers are predicated on</p> <p>15 the entire loan being below \$45 million.</p> <p>16 Q And in fact, the entire loan went under \$45 million as</p> <p>17 the condo units were being sold; correct?</p> <p>18 A I -- assuming Tranche A did. I don't recall regarding</p> <p>19 Tranche B.</p> <p>20 Q But certainly that was the stepdown feature of the</p> <p>21 loan?</p> <p>22 A Yes.</p> <p>23 Q And again, we see a similar stepdown feature as we saw</p> <p>24 with the Doral loan on the net worth covenant; correct?</p> <p>25 A Yes.</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1139</p> <p>1 correct, is that incorrect. I mean, that was basically the</p> <p>2 whole day yesterday so I think it's fair for the record that</p> <p>3 we're entitled to clean out things that the government</p> <p>4 didn't just like they pointed out things like we might not</p> <p>5 bring up.</p> <p>6 And Mr. Suarez is moving along pretty rapidly. I</p> <p>7 don't think we'll have anymore documents to go. We're</p> <p>8 certainly not going to take as much time as the government</p> <p>9 took with this witness. I think it's only fair that we make</p> <p>10 our record.</p> <p>11 THE COURT: Mr. Wallace, did you do that yesterday?</p> <p>12 MR. WALLACE: I believe we tried to establish facts</p> <p>13 on early documents and then introduce the later documents</p> <p>14 being consistent with the earlier documents. I am not</p> <p>15 objecting because we were going to give them some time to</p> <p>16 establish what they're doing. I agree. I thought</p> <p>17 Mr. Suarez had already established that the net worth</p> <p>18 covenant dropped as the guaranty level went down, but it's</p> <p>19 his case to try and make it his way. We would definitely</p> <p>20 appreciate moving things along more quickly.</p> <p>21 MR. KISE: He won't bring that up again.</p> <p>22 THE COURT: Okay. Continue as you were.</p> <p>23 MR. SUAREZ: Thank you.</p> <p>24 Q Moving along to Plaintiff's Exhibit 298.</p> <p>25 Mr. Haigh, this document which you had an opportunity</p>

<p>N. Haigh - Plaintiff - cross (Suarez) Page 1140</p> <p>1 to review yesterday is a review of the Trump Doral Chicago and 2 Old Post Office loans in the year 2015; correct? 3 A Yes. 4 Q And this credit report reflects that the three loans 5 are performing; correct? 6 A Yes. 7 Q That there are no missed payments; correct? 8 A None that are referred to in here. 9 Q And you would expect to see a missed payment referred 10 to in the credit report; correct? 11 A Most likely yes; unless it was completely de minimis, 12 nothing, no. 13 Q And you would expect to see a late payment reflected in 14 this credit report? 15 A Most likely. I mean, it's possible if a client had 16 made a payment a few days late it might not have been referred 17 to in the report. 18 Q Certainly nothing material? 19 A Nothing material. I agree. 20 Q And there are no material late payments reflected? 21 A None that I'm aware of. 22 Q And by all measures indicated here the loans appear to 23 be performing; correct? 24 A Yes. 25 THE COURT: Let me just add one other thing.</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1142</p> <p>1 have been eliminated due to the fact that the facility LTV is 2 below the 35 percent threshold. Based on the latest appraisal 3 completed, the hotel collateral was valued at \$133 million which 4 results in a 34 percent LTV." 5 Is that your handwriting there, Mr. Haigh? 6 A Yes, it is. I think so. 7 Q And you would agree with me that this credit report 8 reflects the fact that as of July 20, 2015, Mr. Trump's personal 9 guaranty with respect to the Chicago property has been 10 extinguished? 11 A It looks that way. I don't know whether it was ever 12 captured in the actual documentation, but certainly from a 13 credit point of view we were willing to do without the personal 14 guarantee. 15 Q In other words, it does; correct? 16 A From my credit approval point of view, yes. 17 Q And you signed the credit report? 18 A Yes. 19 Q If you signed the credit report it meant you approved 20 it; correct? 21 A Yes. 22 Q Turning to page six of this document. 23 Again, we see a recommendation that the annual review 24 for the Doral, Chicago and OPO facilities be approved; correct? 25 A Yes.</p>
<p>N. Haigh - Plaintiff - cross (Suarez) Page 1141</p> <p>1 I believe I said in the September 26th decision and 2 order very clearly there were no defaults, everything was 3 paid, everything was paid on time. 4 Let me ask the Attorney General's side, were there 5 any defaults on any of these loans that you're aware of? 6 MR. WALLACE: That I'm aware of sitting here today, 7 no. 8 THE COURT: No. 9 MR. WALLACE: And actually -- 10 THE COURT: Any late payments, any complaints? 11 MR. WALLACE: On payment issues, no. 12 THE COURT: Maybe we can save some time and not ask 13 was it a performing loan. Were they all performing loans? 14 MR. WALLACE: I think we have issues with some of 15 the covenants and whether they were. The answer is -- I 16 don't want to get into it in front of the witness, but we 17 would take issue on some of the covenants. 18 THE COURT: Okay. 19 All right. Let's continue. 20 Q Mr. Haigh, the date of this report is July 20, 2015; 21 correct? 22 A Yes. 23 Q And if we could turn to page four, please. 24 I'd like to point out in page four in the box 25 "guaranty" it states: "Donald Trump's personal guarantee may</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1143</p> <p>1 Q And as in prior years the net worth of the guarantor of 2 \$2.7 billion is based on Deutsche Bank's own adjusted values; 3 correct? 4 A That's right. Those are Deutsche Bank's adjusted 5 numbers. 6 Q And the 285 million in unencumbered liquidity, that's 7 also based on Deutsche Bank's adjusted values; correct? 8 A Yes. 9 Q And the same is true with respect to the operating 10 experience of the -- of Mr. Trump; correct? 11 A As I said, that applies mainly to the Doral facility. 12 Q It applies mainly to the Doral facility, but it is in a 13 section described as "all facilities;" correct? 14 A It is in a section described as "all facilities." 15 THE COURT: Let me ask this: It says "all 16 facilities." Does that mean that each of these bullet 17 points applies to all facilities or you just listing all the 18 facilities basically? 19 THE WITNESS: I think the writer of the credit memo 20 tried to summarize it. These are the overall strengths of 21 the transaction for all the facilities. Personally, I don't 22 think that the operating experience on resorts and golf 23 clubs has much relevance to construction projects, for 24 example. 25 THE COURT: Okay. Thank you.</p>

<p>N. Haigh - Plaintiff - cross (Suarez) Page 1144</p> <p>1 Q But then we do see in the following page the 2 recommendations basis -- the bases for recommendations for 3 approval of the annual report for each of the different 4 facilities; correct? 5 A Yes. 6 Q And these are the loans that apply to each specific 7 facility; correct? 8 A Yes. 9 Q All right. And with respect to Facility A and Facility 10 B, it says "the LTV levels require to for." Again, I believe it 11 meant to say "the LTL levels required for a decrease in the 12 level. Guaranty levels are low enough to ensure that the loan 13 is more than adequately collateralized as evidenced by the 14 current Facility B in which the guaranty was eliminated once the 15 loan was paid down to \$45 million;" correct? 16 A Correct. 17 Q And that was the paydown that you referred to earlier; 18 correct? 19 A So that -- I mean, that would be really the evidence 20 I'm assuming that the loan on Facility B which was in two 21 tranches was paid down in total to below 45 million. 22 Q And as a result, the guaranty was eliminated? 23 A For Facility B, yes. 24 Q Okay. And Facility B is the Chicago loan; correct? 25 A That's right, yes.</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1146</p> <p>1 Q In page ten of this document, again, we see the 2 adjustments -- I'm sorry. 3 On page 11 we see that the Deutsche Bank Valuation 4 Services Group has had an opportunity to review the trophy 5 properties; correct? 6 A Yes. 7 Q And the DB adjusted values are reflected as a result of 8 those evaluations; correct? 9 A That's correct. 10 Q And in page ten, I'd just like to point out that again. 11 It says up at the top, "guarantors." It says "as part of the 12 underwriting we have met with several members of the family 13 update" -- excuse me -- "of the family office to update our due 14 diligence on the client reported financial information." 15 Do you see that? 16 A Yes. 17 Q You were not present at those meetings; correct? 18 A I was not present at those meetings. 19 Q But as a result of those meetings, though, the Deutsche 20 Bank adjusted the value of assets on the financial analysis; 21 correct? 22 A Yes. 23 Q As reflected in the credit memo? 24 A Yes. 25 Q Okay. Let's take a look at a document that has been</p>
<p>N. Haigh - Plaintiff - cross (Suarez) Page 1145</p> <p>1 Q And again, with respect to Facility B, it establishes 2 that the collateral was valued at 133 million which resulted in 3 a 34 percent LTV? 4 A That's right. 5 Q And that valuation is done based on DB's own ordered 6 appraisal; correct? 7 A Yes. 8 Q In other words, to compute the loan to value ratio and 9 any changes in the loan to value ratio Deutsche Bank orders an 10 appraisal for itself to confirm that? 11 A Yes. 12 Q On page ten of this credit report -- oh, excuse me. 13 Let's turn back to page seven for a second. I'd also like to 14 draw your attention to Facility C, which is a Trump Old Post 15 Office; correct? 16 A Yes. 17 Q And here it confirms that as of June 2015, the 18 guarantor, Mr. Trump, completed the required 20 percent equity 19 investment and began to draw on the facility; correct? 20 A Yes. 21 Q And that means that the bank would have concluded that 22 President Trump, Mr. Trump, at the time had put in the money he 23 had required to put into the project and permitted him to start 24 drawing into the project; correct? 25 A That's correct.</p>	<p>N. Haigh - Plaintiff - cross (Suarez) Page 1147</p> <p>1 marked for identification as Plaintiff's Exhibit 2960. 2 Do you recognize this document, Mr. Haigh? 3 A Yes. 4 Q What is this document? 5 A It's an amendment to a prior credit approval. 6 Q And if you see on page four of this document it bears 7 your signature? 8 A Yes. 9 MR. SUAREZ: We'd like to move, Your Honor, 10 Plaintiff's Exhibit 28960 into evidence. 11 MR. WALLACE: No objection. 12 THE COURT: Granted. It's in evidence. 13 MR. KISE: Same reservation as before, Your Honor. 14 THE COURT: Understood. Still reserved. 15 (Whereupon, the item previously referred to is 16 received and marked Plaintiff's Exhibit Number 2969 in 17 evidence.) 18 Q Page one of this document, Mr. Haigh, "reason for 19 presentation." Do you see the third bullet point it states, 20 "request approval to reduce personal guaranty level from 21 100 percent to 10 percent based on the most recent appraised 22 value and overall LTV percentage." Then it says in italics 23 "this change was contemplated at the loan's origination." 24 A I see that. 25 Q And this refers to Trump Endeavor 12 LLC; correct?</p>

<p>N. Haigh - Plaintiff - cross (Suarez) Page 1148</p> <p>1 A Yes.</p> <p>2 Q And ultimately this request was approved; correct?</p> <p>3 A Yes.</p> <p>4 Q And the date of this document is August 3, 2015;</p> <p>5 correct?</p> <p>6 A Yes.</p> <p>7 Q And with respect to the Doral loan as a result in the</p> <p>8 change of the guaranty level from 100 percent to ten percent,</p> <p>9 the net worth covenant on the Doral loan is now \$250 million;</p> <p>10 correct?</p> <p>11 A Sorry. Would you repeat the question?</p> <p>12 Q Yes. As a result of the approval of the reduction in</p> <p>13 the personal guaranty level from 100 percent to ten percent</p> <p>14 based on the most recent appraised value in overall loan to</p> <p>15 value percentage, the net worth covenant on the Doral loan is</p> <p>16 now \$250 million; is that correct?</p> <p>17 A We're not changing the net worth level by making that</p> <p>18 amendment. We're changing the amount of the guaranty that would</p> <p>19 -- that would cover us.</p> <p>20 Q Correct, but if we go back to the stepdowns that we</p> <p>21 went through earlier?</p> <p>22 A Okay. That's what you're referring to?</p> <p>23 Q That's what I'm referring to.</p> <p>24 A Then --</p> <p>25 Q And we can pull it up again, if you'd like?</p>	<p>Page 1150</p> <p>1 A They're reflected in that section that says "assets</p> <p>2 under management," yes.</p> <p>3 Q Going back to page one of Plaintiff's Exhibit 2960.</p> <p>4 We see the market value of the Doral Golf Resort &amp; Spa</p> <p>5 has increased to 366 million based on a Cushman &amp; Wakefield</p> <p>6 appraisal dated July 29, 2015; correct?</p> <p>7 A Yes.</p> <p>8 Q And that would be an appraisal that Deutsche Bank</p> <p>9 ordered for its own purposes; correct?</p> <p>10 A I'm not sure that it did. I think there is a note in</p> <p>11 here that says Deutsche Bank did not order that appraisal for</p> <p>12 some purposes in the italics above this section.</p> <p>13 Q But it would have been an appraisal that Deutsche Bank</p> <p>14 received; correct?</p> <p>15 A I imagine Deutsche Bank did actually receive that</p> <p>16 appraisal.</p> <p>17 Transcript continues on the following page.....</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>N. Haigh - Plaintiff - cross (Suarez) Page 1149</p> <p>1 A I'll agree that that's the case, yes.</p> <p>2 Q But you would agree that once the stepdown to a ten</p> <p>3 percent guaranty level was approved the net worth covenant</p> <p>4 followed with it and went down to 250 million; correct?</p> <p>5 A Yes.</p> <p>6 Q And then I'd also like to draw your attention in this</p> <p>7 document to the "assets under management" in page two of this</p> <p>8 document. Do you see where it says "assets under management?"</p> <p>9 And it reflects now again that the relationship between</p> <p>10 President Trump and Deutsche Bank continues to grow.</p> <p>11 Donald J. Trump, President Trump, has 31.295 million in</p> <p>12 cash deposits; correct?</p> <p>13 A Yes.</p> <p>14 Q And entities associated with him have now deposited</p> <p>15 over 86.49 million in cash deposits; correct?</p> <p>16 A Yes.</p> <p>17 Q So all in all, President Trump and entities associated</p> <p>18 with him at this point have deposited over \$100 million in</p> <p>19 Deutsche Bank; correct?</p> <p>20 A Yes.</p> <p>21 Q And those are assets under management by the private</p> <p>22 wealth group; correct?</p> <p>23 A Those are deposits at Deutsche Bank, yes.</p> <p>24 Q Which the credit report reflects as assets under</p> <p>25 management; correct?</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1151</p> <p>1 Q It would have been --</p> <p>2 MR. SUAREZ: I withdraw the question.</p> <p>3 Q And the result of the appraisal, the loan to value was</p> <p>4 reduced to 34 percent, correct?</p> <p>5 A Yes.</p> <p>6 THE COURT: Ten-minute warning.</p> <p>7 Q If we turn to page three of this document, we see in</p> <p>8 the recommendations, "approval based on "and then at the bottom,</p> <p>9 "equity injection of the guarantor" and it says, "the estimated</p> <p>10 equity injection was nearly \$250 million or a three-year</p> <p>11 construction period," correct?</p> <p>12 A Correct.</p> <p>13 Q And "expected enhanced value due to CapEx," correct?</p> <p>14 A Yes.</p> <p>15 Q And that second sentence says, "As noted, DJT has</p> <p>16 invested nearly 250 million on capitol improvements since 2012</p> <p>17 and the result has been an increase in collateral value to</p> <p>18 \$366 million," correct?</p> <p>19 A Yes.</p> <p>20 Q And this again proved correct the 2011 credit memo that</p> <p>21 said that the asset value of the collateral was expected to</p> <p>22 increase based on the investment by the guarantor, correct?</p> <p>23 A Yes.</p> <p>24 MR. SUAREZ: Your Honor, I'm ready to move to a new</p> <p>25 exhibit. I can start that exhibit or we can take the break.</p>

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1152</p> <p>1 THE COURT: Let's start.</p> <p>2 MR. SUAREZ: Okay.</p> <p>3 Q Let's take Plaintiff's Exhibit 300. This is the 2016</p> <p>4 credit report, correct, Mr. Haigh?</p> <p>5 A Yes.</p> <p>6 Q And again, it reviews the loans to Trump Endeavor 12,</p> <p>7 L.L.C., 401 North Wabash Venture, L.L.C. and Trump Old Post</p> <p>8 Office, L.L.C., correct?</p> <p>9 A Yes.</p> <p>10 Q And it does not note that there are any missed</p> <p>11 payments, correct?</p> <p>12 A Correct.</p> <p>13 Q Stated differently, the report indicates that there are</p> <p>14 no missed payments, correct?</p> <p>15 A Yes.</p> <p>16 Q And there are no late payments indicated in the report</p> <p>17 either, correct?</p> <p>18 A Right.</p> <p>19 Q And in fact, the three loans at this point are</p> <p>20 performing loans, correct?</p> <p>21 A Yes.</p> <p>22 Q Again, in the lower section of the page, we see an</p> <p>23 increase to the market value of the Doral property to</p> <p>24 \$382 million, correct?</p> <p>25 A Yes.</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1154</p> <p>1 THE WITNESS: Beg your pardon?</p> <p>2 THE COURT: Maybe "D" stands for department.</p> <p>3 THE WITNESS: Sounds way too obvious for Deutsche</p> <p>4 Bank's acronyms.</p> <p>5 Q Then if we turn to page two, with respect to the Old</p> <p>6 Post Office building and annex in the description of the</p> <p>7 collateral, the last sentence states, "Additional commentary can</p> <p>8 be referenced in the recently completed appraisal, but the</p> <p>9 general conclusion is that the hotel will become the most elite</p> <p>10 hospitality establishment in Washington, D.C. once stabilized.</p> <p>11 Members of the lending and banking team have visited the</p> <p>12 property twice over the last 12 months," correct?</p> <p>13 A Correct.</p> <p>14 Q Those would be the lending and banking teams of the</p> <p>15 Deutsche Bank management group?</p> <p>16 A Yes.</p> <p>17 Q And they are the individuals that would have prepared</p> <p>18 this document which you approved, correct?</p> <p>19 A That's right.</p> <p>20 Q And in 2016, the basis for recommendation of the annual</p> <p>21 report again reflects that construction -- on page three, "That</p> <p>22 construction/redevelopment of the Doral Resort in Florida has</p> <p>23 been completed with a substantial increase in property value,</p> <p>24 \$382 million corroborated by a bank ordered appraisal dated</p> <p>25 March 2016 resulting in a 32.7 percent LTV", correct?</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1153</p> <p>1 Q And here, it says, "LW hospitality advisors appraisal</p> <p>2 dated March 25, 2016 ordered and reviewed by CRM READ, Phil</p> <p>3 Ribolow," correct?</p> <p>4 A That's correct.</p> <p>5 Q That would be Deutsche Bank Credit Risk Management?</p> <p>6 A That's the new name, what was previously called the</p> <p>7 Valuation Services Group.</p> <p>8 Q So Valuation Services Group is now operating as CRM</p> <p>9 READ?</p> <p>10 A That's correct.</p> <p>11 Q And with respect to the Trump International Hotel &amp;</p> <p>12 Tower Chicago, 401 North Wabash, the market value is identified</p> <p>13 as 133 million which is a value consistent as per guidance from</p> <p>14 CRM -- how do you pronounce that acronym, READ?</p> <p>15 A Just as good as any.</p> <p>16 Q From the new Deutsche Bank Valuation Services Group,</p> <p>17 Phil Ribolow as of July 2016, correct?</p> <p>18 A That's correct. I think it stands for real estate</p> <p>19 advisory something, but I don't remember what the D stood for.</p> <p>20 Q Understood. That marks the value at 3 -- loan to value</p> <p>21 at 34 percent?</p> <p>22 A Correct.</p> <p>23 Q With a loan value of 45 million, correct?</p> <p>24 THE COURT: Maybe the "D" stands for department.</p> <p>25 Is that possible?</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1155</p> <p>1 A Yes.</p> <p>2 Q And then the last paragraph states that the</p> <p>3 relationship has been reviewed and supported from a management</p> <p>4 board perspective in connection with the guarantor's candidacy</p> <p>5 for president of the United States. Do you see that?</p> <p>6 A I do.</p> <p>7 Q Who is the management board?</p> <p>8 A I'm not exactly sure who was on it. It says</p> <p>9 senior -- Deutsche Bank had a management board of executives</p> <p>10 who took care of very high level decisions.</p> <p>11 Q Suffice it to say that the relationship with President</p> <p>12 Trump and companies associated with him was reviewed at the</p> <p>13 highest levels of management of Deutsche Bank Trust Company?</p> <p>14 A Yes, because Mr. Trump was at the time a candidate for</p> <p>15 the presidency, it had been escalated to a fairly senior level.</p> <p>16 Q Okay. And moving on to page seven of this document,</p> <p>17 you have the basis for approval of the annual review for the</p> <p>18 three facilities. And again, I just want to confirm as we did</p> <p>19 in prior years that the financial profile of the guarantor on an</p> <p>20 adjusted basis means the DB adjusted values for the guarantor's</p> <p>21 net worth of 2.8 million?</p> <p>22 A Yes.</p> <p>23 Q That checkmark, that's your handwriting, Mr. Haigh?</p> <p>24 A I think those checkmarks are more likely to be Mr.</p> <p>25 Allegra's handwriting if he signed it.</p>

N. HAIGH - CROSS (MR. SUAREZ) Page 1156

1 Q But you would agree with me that the 2.8 billion of net  
2 worth is the Deutsche Bank adjusted value as reflected on page  
3 15 of this document for the year ending June 30, 2015?  
4 A Yes.  
5 MR. WALLACE: The objection was because he had  
6 already answered the question about the 2.8 billion.  
7 THE COURT: Well, it doesn't really matter if I  
8 sustain it because he already answered it.  
9 MR. WALLACE: Events overtook my objection.  
10 MR. SUAREZ: I'm trying to move along.  
11 THE COURT: Well, after the break. We are coming  
12 back at a quarter to 12:00.  
13 (Witness exits the witness stand. )  
14 (Whereupon, a recess was taken.)  
15 THE COURT OFFICER: All rise. Part 37 is back in  
16 session. Please be seated and come to order.  
17 THE COURT: Ever noticed how I bound up to the  
18 steps to the bench here? Any history of this trial should  
19 include that. Bounds up the steps. Okay. Let's continue.  
20 We have a new system. The witness is going to be quicker  
21 than previously.  
22 Right, Officer? Right there.  
23 THE COURT OFFICER: Fast, not faster.  
24 THE COURT: Everything in life is relative.  
25 THE COURT OFFICER: Witness entering.

N. HAIGH - CROSS (MR. SUAREZ) Page 1157

1 THE COURT: Just like I said.  
2 (Witness resumes the stand.)  
3 THE COURT: Okay. Let's continue.  
4 Q Mr. Haigh, picking up on where we left off, the basis  
5 for recommendation in the 2016 credit report again reflects the  
6 operating experience of the guarantor; in this case, President  
7 Trump? Well, not yet President Trump, but Mr. Trump, "Extensive  
8 experience in operating private golf and country clubs."  
9 Again, it reflects that the overall equity position in  
10 various commercial real estate interests was adjusted to 2.195  
11 on an adjusted basis. That's a DB's adjustment to the  
12 commercial real estate interest, correct?  
13 A Yes, that 2.195 million number is the DB adjusted one.  
14 Q And then again, we can see in page 15 of the credit  
15 report the various adjustments that are made to the guarantor's  
16 holdings, correct?  
17 A Yes.  
18 Q And in page 16, we see that the Valuation Services  
19 Group, which is still referred to as DBVSG here, also provided  
20 input into the trophy properties, correct?  
21 A Yes.  
22 Q And page 18, we can see that the key ratios again are  
23 computed based on the DB adjusted balances to both the balance  
24 sheet and the net cash flow, correct?  
25 A Yes, I believe so.

N. HAIGH - CROSS (MR. SUAREZ) Page 1158

1 Q That is what the credit report reflects, correct?  
2 A Yes.  
3 Q Turning to PX 3137, we have here the 2017 credit  
4 report, correct?  
5 A Correct.  
6 Q And by July 20, 2017, the guarantor Donald J. Trump is  
7 the president of the United States, correct?  
8 A That's right.  
9 Q And this credit report reflects that with respect to  
10 all three loan facilities, Doral, Chicago and the Old Post  
11 Office in Washington, D.C., the loans are performing, correct?  
12 A That's correct.  
13 Q The credit report does not note missed payments,  
14 correct?  
15 A Doesn't note any missed payments that I'm aware of.  
16 Q And it doesn't note any late payments?  
17 A Similarly, I don't see any reference to late payments.  
18 Q And with respect to the bank's collateral on page two  
19 for the Trump Old Post Office, the credit report states, "That  
20 additional commentary can be referenced in the appraisal, but  
21 the general conclusion is that the hotel, now operational for a  
22 few months, has already become one of the most elite hospitality  
23 establishments in Washington, D.C., correct?  
24 A That's what it states, yes.  
25 Q And at this point, we see that the hotel is also open

N. HAIGH - CROSS (MR. SUAREZ) Page 1159

1 for business, correct?  
2 A Yes.  
3 Q And that the loan has performed how the bank  
4 anticipated it to, correct?  
5 A That's correct.  
6 Q In page eight, we see again, "The financial strength of  
7 the guarantor reflecting a stated net worth of 5.7 billion which  
8 is well above the net worth requirement even on an adjusted  
9 basis," correct?  
10 A Yes.  
11 Q And that reference to adjusted basis is the reference  
12 that Deutsche Bank's adjusted basis of the guarantor's net  
13 worth, correct?  
14 A Yes, it is.  
15 Q And moving on to page nine, we again see that "The  
16 relationship continues to be monitored at the highest levels of  
17 senior management within the firm and any issues arising from  
18 the guarantor's status as president of the United States are  
19 immediately addressed, taken to the appropriate reputational  
20 risk committee and discussed with appropriate legal counsel."  
21 Do you see that?  
22 A I see that.  
23 Q Would you agree with me that the relationship with now  
24 President Trump and the three loan transactions associated with  
25 him are being monitored by the bank at their highest levels?

<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1160</p> <p>1 A Certainly the highest levels of senior management were 2 aware of the facilities in general terms. Monitoring in the 3 sense of specifically monitoring the terms of this loan 4 agreement, that did not happen. That continued to be managed by 5 private wealth management. 6 Q That continued -- and you continued to be the head of 7 credit risk management at private wealth management? 8 A In the Americas, yes. 9 Q In the Americas? 10 A Yes. 11 Q And that was the group that was responsible for those 12 three loan transactions, correct? 13 A Yes. 14 Q And the commentary here in the credit report that you 15 signed, I believe, was all positive, correct? 16 A Sorry. I didn't hear. 17 Q The commentary was positive? 18 A Positive? Yes. 19 Q And you would agree with me that again in page 12, the 20 trophy properties reflect the bank's own analysis including with 21 input with what is still referred to as the Deutsche Bank 22 Valuation Services Group as to those specific asset values, 23 correct? 24 A That's correct. I'm not sure as of which date they 25 consulted with that group, but that's what it says.</p>	<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1162</p> <p>1 page three that, "The financial profile of the guarantor 2 includes a stated net worth of 5.58 billion which well in excess 3 of the 2.5 billion minimum requirement even on an adjusted 4 basis," correct? 5 A That's correct. 6 Q And that adjusted basis is the DB adjusted value, 7 correct? 8 A That's right, so using a DB adjusted value for the 9 assets, the net worth still exceeded 2.5 billion. 10 Q And in the third bullet point with respect to the DB's 11 relationship, DB relationship, it says, "WM has had a long and 12 satisfactory relationship," correct? 13 A Yes, it does. 14 Q And in part, that's because as of July 20, 2108, the 15 three loans were still performing, correct? 16 A Yes. 17 Q There were no missed payments noted on the credit 18 report, correct? 19 A None that I'm aware are captured in the credit report. 20 Q There were no late payments identified in the credit 21 report, correct? 22 A None that I'm aware of, yeah. 23 Q And again, as we move through to page ten of the 24 report, we see the valuations for the four trophy properties 25 have been adjusted by Deutsche Bank in consultation with the</p>
<p>N. HAIGH - CROSS (MR. SUAREZ) Page 1161</p> <p>1 Q And the key ratios that are applied to test the loans 2 are again on page 14. Those key ratios are again -- 3 A Sorry. Can you highlight which -- 4 Q Sure. See where it says "key ratios"? 5 A Yes. 6 Q They are again utilized using Deutsche Bank's adjusted 7 balances as to both the balance sheet and the net cash flow, 8 correct? 9 A That's correct. 10 Q Deutsche Bank used its own numbers to perform the key 11 ratio analysis? 12 A Yes, Deutsche Bank used its adjusted numbers to 13 perform -- calculate those ratios. 14 Q And moving on to Plaintiff's Exhibit 302, this was the 15 last year that you participated in the credit review of 16 the -- three Trump-related loans, correct? 17 A That's correct. 18 Q The relationship now with President Trump? 19 A Correct. 20 Q Moving on to the Old Post Office facility on page two 21 again, we see at the top that, "The LTV has come down based on a 22 January 1, 2017 appraisal that was ordered and reviewed and 23 approved by CRM READ Phil Ribolow," correct? 24 A Yes. 25 Q And we again see in the basis for recommendation on</p>	<p>N. HAIGH - CROSS (MR. ROBERT) Page 1163</p> <p>1 DBVSG, correct? 2 A That's what it states. 3 Q Again on page 12, we see that, "The key ratios applied 4 by Deutsche Bank to the guarantee are applied using Deutsche 5 Bank's own adjusted balances to both the guarantor's balance 6 sheet and net cash flow," correct? 7 A That's correct. 8 MR. SUAREZ: I have no further questions on cross 9 for this witness. 10 THE COURT: Mr. Robert, would you like to go next? 11 MR. ROBERT: I will, and I will be exceedingly 12 brief. 13 May I proceed, sir. 14 THE COURT: You may proceed. 15 CROSS-EXAMINATION. 16 BY MR. ROBERT: 17 Q Good afternoon, Mr. Haigh. I know you are a very 18 precise man. That's why I checked. We are two minutes into the 19 afternoon. I just have a few questions for you this afternoon. 20 The first one is something that is very important to my 21 client Donald Trump, Jr., so I want to bring it to your 22 attention. 23 MR. ROBERT: If we could pull up Plaintiff's Exhibit 24 290, which is the 2013 credit report. 25 Q Mr. Haigh you remember being asked some questions about</p>

<p>N. HAIGH - CROSS (MR. ROBERT) Page 1164</p> <p>1 this earlier today, correct, sir?</p> <p>2 A Yes.</p> <p>3 Q If I could draw your attention, and if we could scroll</p> <p>4 down to the assets under management portion, and if you could</p> <p>5 blow that up a little, please.</p> <p>6 You see where it says, Donald J. Trump has 29.7 MM cash</p> <p>7 deposits?</p> <p>8 A Yes.</p> <p>9 Q That means 29.7 million, correct?</p> <p>10 A That's correct.</p> <p>11 Q And for Donald Trump, Jr., that's 500,000, not 500</p> <p>12 million, right, because if it's 500 million, it is going to be a</p> <p>13 very uncomfortable conversation with his dad tonight. So it is</p> <p>14 500,000,000, right?</p> <p>15 A The "M" represents thousand, so it is 500,000.</p> <p>16 Q In terms of -- and I don't want to waist anyone's</p> <p>17 time -- Mr. Suarez was talking to you this morning about parties</p> <p>18 to the loan transaction. Do you remember that?</p> <p>19 A Yes.</p> <p>20 Q He was showing you the documents which were these</p> <p>21 credit reports and you very precisely and correctly said, "I can</p> <p>22 only speak now as to what's contained in the credit report." Do</p> <p>23 you remember that, sir?</p> <p>24 A Yes.</p> <p>25 Q So would you agree with me that it is a fair statement</p>	<p>N. HAIGH - CROSS (MR. ROBERT) Page 1166</p> <p>1 Condition.</p> <p>2 MR. ROBERT: And if you can enlarge the second full</p> <p>3 paragraph, please, Nate.</p> <p>4 Q Yesterday when Mr. Wallace was questioning you, Mr.</p> <p>5 Haigh, he took you up to the line where it says, "outside</p> <p>6 professionals." Do you see that, sir?</p> <p>7 A Yes.</p> <p>8 Q Would you, please, read into the record what the rest</p> <p>9 of that paragraph says on page four of the Statement of</p> <p>10 Financial Condition?</p> <p>11 MR. WALLACE: Objection. These aren't his words.</p> <p>12 I don't know why the witness would read it into the record</p> <p>13 as opposed to counsel.</p> <p>14 MR. ROBERT: Okay. No problem. Withdrawn. I will</p> <p>15 do it the easier way.</p> <p>16 THE COURT: Withdrawn.</p> <p>17 Q So when you and your staff were reviewing it, the</p> <p>18 language was "Considerable judgment is necessary to interpret</p> <p>19 the market data and develop the related estimates of current</p> <p>20 value. Accordingly, the estimates presented herein are not</p> <p>21 necessarily indicative of the amounts that could be realized</p> <p>22 upon the disposition of the assets or payment of the related</p> <p>23 liabilities. The use of different market assumptions and/or</p> <p>24 estimation methodologies may have a material effect on the</p> <p>25 estimated current value amounts." Do you see that, Mr. Haigh?</p>
<p>N. HAIGH - CROSS (MR. ROBERT) Page 1165</p> <p>1 that the parties to the loan transaction are the ones actually</p> <p>2 identified in the loan transactions?</p> <p>3 A In the loan documentation?</p> <p>4 Q In the loan documentation itself.</p> <p>5 A Yes.</p> <p>6 Q Okay. Yesterday, you remember that Mr. Wallace had</p> <p>7 shown you the Statement of Financial Condition from 2011. Do</p> <p>8 you remember that?</p> <p>9 A Yes.</p> <p>10 Q And your testimony was in essence that in very general</p> <p>11 terms you looked at it. Do you remember that?</p> <p>12 A Yes.</p> <p>13 Q And you had said that you and your team had looked at</p> <p>14 it as well. Do you remember that as well?</p> <p>15 A Yes.</p> <p>16 Q And Mr. Wallace showed a portion of one paragraph. I</p> <p>17 just want to show you the second part of that paragraph that Mr.</p> <p>18 Wallace didn't show you.</p> <p>19 MR. ROBERT: Nate, if we can call up PX 330, please.</p> <p>20 Q And rather than hand it to you, Mr. Haigh, I think it</p> <p>21 will just be easier if we go from the screen with Your Honor's</p> <p>22 permission.</p> <p>23 THE COURT: Fine with me.</p> <p>24 Q If we could turn to page four. Or actually, it says</p> <p>25 page 9 of 42. It is page four of the Statement of Financial</p>	<p>N. HAIGH - CROSS (MR. ROBERT) Page 1167</p> <p>1 A I do.</p> <p>2 Q And that's the language that's contained in the 2011</p> <p>3 Statement of Financial Condition that you spoke of yesterday</p> <p>4 that you reviewed in general terms correct, sir?</p> <p>5 A Correct.</p> <p>6 Q Okay. Throughout the course of the testimony over the</p> <p>7 last day and-a-half and even in response to Your Honor's</p> <p>8 questions, we can agree, sir, that under the loans with Deutsche</p> <p>9 Bank, every obligation under the loans was met, correct, as far</p> <p>10 as you know?</p> <p>11 MR. WALLACE: Objection.</p> <p>12 THE COURT: Well, it is as far as he knows.</p> <p>13 MR. ROBERT: As far as he knows. The witness was</p> <p>14 very careful to say it was only based on his knowledge and I</p> <p>15 don't want him to go beyond that. It is what Mr. Haigh</p> <p>16 knows as the chief risk officer at the bank at the time.</p> <p>17 THE COURT: So overruled.</p> <p>18 A So far as I recall, the loans were performing.</p> <p>19 Q And all the expectations that were required of the</p> <p>20 borrower were met, as far as you know?</p> <p>21 A So far as I know, yes.</p> <p>22 Q Okay. And we've already spoken -- Your Honor was clear</p> <p>23 about it. I'm going to be very brief. There were no late</p> <p>24 payments that you are aware of, correct?</p> <p>25 A I'm not aware of any late payments.</p>

N. HAIGH - CROSS (MR. ROBERT) Page 1168

1 Q You were not aware of any missed payments, correct?  
2 A I'm not aware of any missed payments.  
3 Q And as a matter of fact, on two of the three loans,  
4 during the time you were at Deutsche Bank, the guarantees were  
5 either reduced or eliminated, correct?  
6 A That's -- that's right.  
7 Q And you had testified yesterday that the purpose of  
8 your department or the credit exercise is to make sure that the  
9 bank gets paid, correct?  
10 A That's one of the purposes of my group.  
11 Q One of the more important reasons that you have a group  
12 such as yours, correct, sir?  
13 A I guess I'd agree with that.  
14 Q Okay. And would you agree with me that you and your  
15 team conducted a thorough analysis of these loans, correct, sir?  
16 A I think we conducted an appropriate analysis of those  
17 loans, yes.  
18 Q And it was a thorough analysis? I mean, you take pride  
19 in your work. You had the position you achieved at the bank. I  
20 think you can agree with me that it was a thorough analysis. I  
21 mean, we see the depth and I'm not going to go through all the  
22 credit memos, but we see the depth of these memos that you  
23 signed off on, correct, sir?  
24 A Yes.  
25 Q And as a matter of fact, in your testimony, it was

N. HAIGH - CROSS (MR. ROBERT) Page 1169

1 yesterday morning, you said you were the final line for most of  
2 these that you -- it needed your approval for this to go  
3 through, correct, sir?  
4 A Yes.  
5 Q And as a result, you and your team conducted a thorough  
6 analysis, fair?  
7 MR. WALLACE: Objection. I think he asked and  
8 answered that.  
9 THE COURT: I'm not sure it is about the exact  
10 same --  
11 MR. ROBERT: I'll rephrase it.  
12 Q You and your team did a good job didn't you?  
13 A Based on the information we had at the time, I think we  
14 did a reasonably thorough analysis of the information.  
15 Q Well, you did a good job in that your goal of making  
16 sure the bank was repaid was achieved, correct?  
17 MR. WALLACE: Objection.  
18 MR. KISE: What's the objection?  
19 THE COURT: What's the objection?  
20 MR. KISE: You don't like the question?  
21 MR. WALLACE: I don't know that he knows -- he  
22 left the bank in 2018. The loans were outstanding. I don't  
23 know that he has a foundation to answer the question the way  
24 that Mr. Robert asked it.  
25 MR. KISE: He's only asking about 2011 to 2017 when

Page 1170

1 he was not --  
2 MR. WALLACE: That was not the nature of the  
3 question.  
4 MR. ROBERT: If I could have the question read back  
5 and I will modify it.  
6 THE COURT: Please read back.  
7 MR. ROBERT: Thank you.  
8 (Whereupon, the requested portion of the record was  
9 read back.)  
10 (Continued on the next page.)  
11  
12

N. Haigh - Plaintiff - cross (Robert) Page 1171

1 Q Through 2018, which is when you left the bank; correct,  
2 sir?  
3 MR. WALLACE: I'll just note an objection that I  
4 believe the loans were being paid on interest, so I don't  
5 know the bank repaid its principles.  
6 MR. ROBERT: I don't appreciate you putting words  
7 in the witness's mouth. The witness can answer the  
8 question.  
9 THE COURT: Overruled. Please answer the question.  
10 A So to the extent that we had been repaid with some  
11 partial paydowns, yes the bank got repaid on those elements.  
12 Q And up until the time you left in 2018, Deutsche Bank  
13 received millions of dollars in interest; correct?  
14 A I presume so.  
15 Q And at the end of the day, you and your team made a  
16 good credit decision by these loans being made in this case;  
17 correct?  
18 A That's a more subjective question.  
19 Q Well, sir, when you were there you were in charge of  
20 risk; correct? From 2011 to 2018; correct?  
21 A Yes.  
22 Q And it was your final approval that allowed these loans  
23 to go into existence; correct?  
24 A That's correct.  
25 Q And the fact that when you left in 2018 and these loans

N. Haigh - Plaintiff - cross (Robert) Page 1172	N. Haigh - Plaintiff - cross (Robert) Page 1174
<p>1 were performing is a credit to the fact that you and your team</p> <p>2 made a good credit decision; correct?</p> <p>3 A I think based on the information.</p> <p>4 Q Yes or no sir, please?</p> <p>5 THE COURT: Well, you know I favor yes-or-no</p> <p>6 answers to yes-or-no questions, but if he needs to explain</p> <p>7 it, he can explain it, if you need to.</p> <p>8 MR. KISE: That's certainly not the standard that</p> <p>9 applied to other witnesses, Your Honor. The other day you</p> <p>10 insisted that other witnesses responded to the government's</p> <p>11 questions with yes-or-no answers. That was a yes-or-no</p> <p>12 question. And respectfully, Your Honor, I think it's a</p> <p>13 different standard.</p> <p>14 THE COURT: I respectfully disagree that I'm</p> <p>15 applying a different standard. Look, I've been doing this</p> <p>16 job for 20 years now. If a question can be answered yes or</p> <p>17 no without an explanation, then do that, but sometimes an</p> <p>18 explanation is necessary, but we understand each other.</p> <p>19 Q Do you want the question read back with the Court's</p> <p>20 permission?</p> <p>21 THE COURT: Please read back.</p> <p>22 (Whereupon, the requested portion of the</p> <p>23 proceedings was read back by the court reporter.)</p> <p>24 A I will agree with that.</p> <p>25 Q You did a good job; right?</p>	<p>1 Q And you were asked by Mr. Robert if you had done a good</p> <p>2 job. I take your answer is you did a good job with the</p> <p>3 information you had?</p> <p>4 A Correct.</p> <p>5 Q You have no way of knowing whether there was</p> <p>6 information that wasn't provided to you that might have been</p> <p>7 relevant to your analysis; is that correct?</p> <p>8 A That's correct.</p> <p>9 MR. WALLACE: No further questions, Your Honor.</p> <p>10 THE COURT: Any recross?</p> <p>11 MR. ROBERT: No, Your Honor. Your Honor, thank</p> <p>12 you.</p> <p>13 THE COURT: Okay. The witness is excused</p> <p>14 everybody; right? Okay.</p> <p>15 THE COURT OFFICER: The audience remain seated,</p> <p>16 please.</p> <p>17 (Whereupon, the witness is excused from the witness</p> <p>18 stand.)</p> <p>19 THE COURT: Do we need to discuss anything, resolve</p> <p>20 any issues before Mr. Weisselberg returns?</p> <p>21 MR. WALLACE: Not that I'm aware of.</p> <p>22 MR. ROBERT: We wanted to talk scheduling for a</p> <p>23 second.</p> <p>24 (Whereupon, an off-the-record discussion is held</p> <p>25 between Counsel.)</p>
N. Haigh - Plaintiff - cross (Robert) Page 1173	A. Weisselberg - Plaintiff - direct (Solomon) Page 1175
<p>1 MR. ROBERT: That's a yes or no, Your Honor.</p> <p>2 A I'd say yes to that.</p> <p>3 Q Very good.</p> <p>4 MR. ROBERT: Thank you, Your Honor. I have no</p> <p>5 further questions.</p> <p>6 THE COURT: Thank you.</p> <p>7 And any redirect by the plaintiff?</p> <p>8 MR. WALLACE: Mr. Haigh, I'll try to be brief.</p> <p>9 REDIRECT EXAMINATION</p> <p>10 BY MR. WALLACE:</p> <p>11 Q Is whether or not a loan gets repaid the same question</p> <p>12 as whether or not the bank has accurately rated the risk in a</p> <p>13 loan?</p> <p>14 A No.</p> <p>15 Q What is the difference?</p> <p>16 A So getting repaid is just one element of what the</p> <p>17 bank's trying to achieve. The risk rating goes to assessing the</p> <p>18 risk and from that we set aside capital to reserve it against</p> <p>19 the loan -- potential loan losses and the amount of capital that</p> <p>20 we set aside is driven by the risk rating and by the collateral.</p> <p>21 And in order to get a fair return on our capital, in other</p> <p>22 words, charge the right interest rate, we have to have the</p> <p>23 correct risk rating. So just getting repaid on the principal</p> <p>24 doesn't address at all whether we got properly recompensed for</p> <p>25 the risk we were taking.</p>	<p>1 THE COURT: Mr. Solomon, are you continuing the</p> <p>2 direct examination of Mr. Weisselberg?</p> <p>3 MR. SOLOMON: I am, Your Honor.</p> <p>4 THE COURT: Okay. Let's get Mr. Weisselberg up</p> <p>5 here.</p> <p>6 CONTINUED DIRECT EXAMINATION</p> <p>7 BY MR. SOLOMON:</p> <p>8 Q Good afternoon, Mr. Weisselberg.</p> <p>9 A Good afternoon.</p> <p>10 Q May I ask to have Exhibit PX 1386 put back in front of</p> <p>11 you?</p> <p>12 THE COURT: And I'll remind the witness, as I</p> <p>13 always do, that he's still under oath.</p> <p>14 CONTINUED DIRECT EXAMINATION</p> <p>15 BY MR. SOLOMON:</p> <p>16 Q Do you have that in front of you, sir?</p> <p>17 A I do.</p> <p>18 Q Do you recall or recognize this as comprising the</p> <p>19 certifications for various loans that we talked about on</p> <p>20 Tuesday?</p> <p>21 A Yes.</p> <p>22 Q Okay.</p> <p>23 MR. SOLOMON: Your Honor, we move the family of</p> <p>24 documents in evidence as PX 1386.</p> <p>25 THE COURT: Granted. They're in evidence.</p>

<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1176</p> <p>1 (Whereupon, the items previously referred to are 2 received and marked Plaintiff's Exhibit Number PX 1386 in 3 evidence.) 4 Q I'd like to mark for identification PX 1157. 5 Sir, PX 1157 for identification is an e-mail from 6 Patrick Birney to Donna Kidder with a copy to you dated 7 February 1, 2016. Do you see that, sir? 8 A I do. 9 Q Do you recognize it? 10 A Yes. 11 Q What do you recognize it to be? 12 A Just an e-mail from Patrick Birney to Donna Kidder 13 regarding a corporate cash flow that he was going to put into a 14 -- I assume the word "shell" means pro forma, without numbers. 15 Q Okay. 16 MR. SOLOMON: The People move PX 1157 into 17 evidence. 18 MR. ROBERT: Objection. Statute of limitations and 19 as to the prior submission by Mr. Solomon because it was so 20 thick to the extent any of those have a statute of 21 limitations objection, we just raise those with the Court. 22 Thank you. 23 THE COURT: Understood. Overruled. They're in 24 evidence, both. 25 Q Sir, does this cover e-mail indicate that there is an</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1178</p> <p>1 under a category. 2 Q And could we look at lines 23 and 24, please? Do you 3 see that? 4 A I do. 5 Q Those two lines, the first 23 references "1290 Avenue 6 of the Americas" with a "(b)?" 7 A Yes. 8 Q And the next line 24, "555 California Street" with a 9 "(b)." Do you see that? 10 A Yes. 11 Q Those are the two properties that were owned by the 12 partnership between the Trump Organization and Vornado; correct? 13 A Correct. 14 Q Can we scroll down, please, to Note B? 15 And I will read into the record "Note B: Although 16 there could be operating profits, distributions are at the 17 discretion of Vornado." Do you see that, sir? 18 A I do. 19 Q Did you direct Mr. Birney to add Note B to the 20 spreadsheet or shell? 21 A I don't remember doing that. I think Mr. Birney knew 22 the parameters of the Vornado Partnership regarding 23 distributions. 24 THE COURT: Does anyone know is it Vornado or 25 Vornado? Anybody work for them or something? Invest money</p>
<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1177</p> <p>1 Excel spreadsheet attached? 2 A I see the word "attachments" where it says "Trump 3 Organization cash flow" -- "corporate cash flow." 4 Q Yes. Do you recognize at the end the .xlsx to refer to 5 an Excel spreadsheet? 6 A Is that what that means? 7 Q I'm asking if you know, sir. 8 A I don't know what it means, no. I'm sorry. 9 Q That's fine. 10 Could we please have 1157 native put up? 11 You mentioned the corporate cash flow spreadsheet. Do 12 you see it up on the screen? 13 A Yes. 14 Q Is that what you were referring to in your prior 15 answer, sir? 16 A Yes. 17 Q You see there is a column for "business segment" at the 18 top? He'll highlight it for you. Top left? 19 MR. SOLOMON: Your Honor, may I approach the screen 20 and point it to the witness? 21 A Yes, I see it. 22 Q Thank you. 23 And what do you understand "business segment" to refer 24 to there? 25 A I would imagine that's the type of business that falls</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1179</p> <p>1 in them? 2 MR. SOLOMON: Your Honor, I'm going with Vornado. 3 THE COURT: We're all on the same page. 4 MR. SOLOMON: All right. May I ask for a read back 5 of the witness's last answer? 6 THE COURT: Please. 7 (Whereupon, the requested portion of the 8 proceedings was read back by the court reporter.) 9 Q What is the basis, sir, for that answer that you 10 believe Mr. Birney knew the parameters? 11 A Mr. Birney had been working on this -- on our financial 12 statements I believe at that point. I don't know when he 13 arrived at the company. Maybe he wasn't, but the limited 14 partnership calls for being given distributions only when 15 Vornado distributes money as a whole. In other words, if they 16 don't distribute money themselves, we don't receive anything. 17 If they receive a dollar, we get \$0.30 based upon the 18 30 percent. I don't know if Mr. Birney knew that because I told 19 him to do that or whether or not he knew it from some other 20 source. 21 Q Okay. Actually, sir, not to quibble, but numbers are 22 quite important in this case. 23 If they got a dollar, you got \$0.30? Isn't it actually 24 if they got \$0.70, you got \$0.30? 25 A Yes -- well, out of the dollar we should have gotten</p>

<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1180</p> <p>1 \$0.30. Out of the dollar --</p> <p>2 Q Out of the dollar, but out of that dollar they got --</p> <p>3 A \$0.30, yes.</p> <p>4 Q But as you sit here today, you do not know how</p> <p>5 Mr. Birney came to learn that distribution -- excuse me --</p> <p>6 operating profits, distributions are at the discretion of</p> <p>7 Vornado?</p> <p>8 A I don't remember. I don't remember.</p> <p>9 MR. SOLOMON: All right. Can we mark PX -- I'm</p> <p>10 sorry. Can we move into evidence the native version of PX</p> <p>11 1157?</p> <p>12 MR. ROBERT: Statute of limitations objection, Your</p> <p>13 Honor.</p> <p>14 THE COURT: Overruled. It's in evidence.</p> <p>15 MR. SOLOMON: Okay.</p> <p>16 (Whereupon, the item previously referred to is</p> <p>17 received and marked Plaintiff's Exhibit Number PX 1157 in</p> <p>18 evidence.)</p> <p>19 MR. SOLOMON: Can we please mark PX 1293 for</p> <p>20 identification?</p> <p>21 Q Sir, is PX 1293 for identification another e-mail from</p> <p>22 Patrick Birney to you this time with a cc to Mr. McConney?</p> <p>23 A Yes.</p> <p>24 Q Dated February 25, 2016?</p> <p>25 A Yes.</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1182</p> <p>1 A Correct.</p> <p>2 Q That would be Donald Trump, Jr.?</p> <p>3 A Correct.</p> <p>4 Q Eric Trump?</p> <p>5 A Correct.</p> <p>6 Q And Ivanka Trump?</p> <p>7 A Correct.</p> <p>8 MR. SOLOMON: Could we please mark PX 1293 native</p> <p>9 for identification?</p> <p>10 Q Sir, looking at the document on the screen entitled</p> <p>11 "Corporate Operating Financial Summary 2015," does that refresh</p> <p>12 your recollection as to what was attached to the cover e-mail we</p> <p>13 were just talking about?</p> <p>14 A Yes. That's what I thought was in there, yes.</p> <p>15 Q So is this the shell you were referring to?</p> <p>16 A No, this is not a shell. A shell would have no numbers</p> <p>17 on it. It's what you showed me initially. This is no longer a</p> <p>18 shell. This is now numbers being put into that shell.</p> <p>19 Q And that is based on the performance of the various</p> <p>20 entities under the Trump Organization umbrella; correct?</p> <p>21 A I don't know all the sources how Mr. Birney got all his</p> <p>22 numbers together. I assume it's a combination of things.</p> <p>23 Q Was that your -- was that your understanding of what it</p> <p>24 was intended to show?</p> <p>25 A Yes. The -- I have a question, if you don't mind.</p>
<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1181</p> <p>1 MR. SOLOMON: The People offer it into evidence.</p> <p>2 MR. ROBERT: Statute of limitations objection.</p> <p>3 THE COURT: Overruled. It's in evidence.</p> <p>4 (Whereupon, the item previously referred to is</p> <p>5 received and marked Plaintiff's Exhibit Number PX 1293 in</p> <p>6 evidence.)</p> <p>7 Q Do you recognize this e-mail, sir?</p> <p>8 A Yes.</p> <p>9 Q What do you recognize it to be?</p> <p>10 A Patrick Birney telling me that he put three copies for</p> <p>11 the kids in their folders on my chair. "You and Jeff have</p> <p>12 copies on your desks and I'll call you tomorrow." So it was an</p> <p>13 e-mail that he put together, some information of which he wanted</p> <p>14 each one of the kids to receive, as well as myself and Jeff.</p> <p>15 Q Let's take that one step at a time.</p> <p>16 What information did you understand that he was</p> <p>17 attempting to convey to you there?</p> <p>18 A I don't remember whether or not -- whether that was --</p> <p>19 the timing of it is what's throwing me off. Is it a shell or</p> <p>20 was it a shell or with numbers already in it, I don't remember.</p> <p>21 Do you have something to show me that would help me?</p> <p>22 Q We will, actually. I just want to understand what your</p> <p>23 recollection is before seeing this document, sir.</p> <p>24 When you refer to you "the kids," is that the adult</p> <p>25 children of Donald Trump?</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1183</p> <p>1 Was this a historical -- I'm sorry.</p> <p>2 THE COURT: Well, I often tell witnesses you're</p> <p>3 there to answer questions, not ask them, but.</p> <p>4 THE WITNESS: I understand.</p> <p>5 THE COURT: If Mr. Solomon --</p> <p>6 A I want to help you, give you a correct answer.</p> <p>7 Q Mr. Weisselberg, I will take all the assistance you're</p> <p>8 willing to offer.</p> <p>9 THE COURT: I think he said he has a question.</p> <p>10 A No. Was this given historically or prospectively, this</p> <p>11 statement? I don't know the dates.</p> <p>12 MR. SOLOMON: Scroll down.</p> <p>13 Q Does it help you to look at the totals of the bottom</p> <p>14 line to see if those were historical results or projected future</p> <p>15 results?</p> <p>16 A No.</p> <p>17 Q Maybe I can do this another way. Look at the cover</p> <p>18 e-mail for a moment, please. It should be in front of you. Oh,</p> <p>19 did we take that back?</p> <p>20 A Yes.</p> <p>21 Q PX 1293.</p> <p>22 A Based upon the date of 2/25/16, I would -- thank you.</p> <p>23 Q Please. Does that -- does that assist you, sir?</p> <p>24 A That would make it historical.</p> <p>25 Q Historical.</p>

<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1184</p> <p>1 And in fact, if you look at the subject, "Financial 2 Summary, Corporate Operating Financial Summary" and the next 3 line, the attachment is the financial summary for 2015? 4 A Now -- yes. 5 Q So -- 6 A To answer your question, it's historical. 7 Q Thank you. 8 A You're welcome. 9 MR. KISE: Your Honor, real quickly. This realtime 10 has stopped. It stopped realtining. I'm not sure why. 11 It's going but it's not scrolling. 12 (Whereupon, there is a pause in the proceedings.) 13 Q Did Mr. Birney undertake on his own to put together 14 this Operating Financial Summary for 2015? 15 A When you say did he undertake himself, meaning just out 16 of the clear blue sky decided one day to do that or was he 17 directed to do it? Is that the question? 18 Q Was he directed to do it to your knowledge? 19 A I believe somebody asked him to put together some 20 information. I don't recall who specifically asked for that 21 information, but I believe he was asked to do it. 22 Q Was there a point in time that any of the three adult 23 children asked for that information? 24 A I don't remember who it was specifically. 25 Q You don't recall yourself asking Mr. Birney to put</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1186</p> <p>1 I don't know. 2 Q My question is -- 3 A Yes, I don't want to mince words. It's a chance 4 because they were just getting involved in running the business 5 as Mr. Trump had now become president. They wanted to be 6 knowledgeable about the running of the business. 7 So 2016, he was in the process of running for president 8 and they wanted to get up to speed on how the business was 9 operating. 10 Q Okay. The third page of PX 1293 after the slip page, 11 which says "document provided natively." 12 A Yes. 13 Q Let's take a look at that. It was produced to us I 14 will tell you in this format. 15 Is this document part of the first two pages or is it a 16 separate document, to your knowledge? 17 A I don't remember. It's -- I don't remember if it was 18 separate or part and parcel of the original package. 19 Q Okay. Do you recall in or about February of 2016 20 forwarding on this summary information to Donald J. Trump, Jr., 21 Ivanka Trump and Eric Trump? 22 A I imagine I did. 23 Q Yet you have no reason to doubt that this is what you 24 did at that time? 25 A Correct.</p>
<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1185</p> <p>1 together this information, do you? 2 A It's a possibility one of the three children may have 3 asked me to do it then I in turn may have asked Mr. Birney to do 4 it. I just don't recall which child it was. 5 Q To your knowledge when all of the communications 6 between or were from any of the three adult children, did 7 Mr. Birney have to go through you? 8 A Not necessarily. 9 Q They could have spoken to him directly? 10 A They could have, yes. 11 Q Do you have any understanding as to why Mr. Birney was 12 leaving a copy on Jeff's desk? 13 A Just for information purposes to have in case somebody 14 asked him a question. 15 Q Do you understand or did you understand at the time 16 that the purpose of this creating and distributing the Trump 17 Organization Operating Financial Summary 2015 to the adult 18 children was an effort to keep them informed of the performance 19 of the business? 20 A That sounds about right. I would agree with that. 21 Q Were you at anytime either requested or directed to 22 keep them advised of the information contained on that 23 spreadsheet we just saw? 24 A I don't believe I was -- it was more of a request to do 25 this as opposed to a direction. Maybe they mean the same thing,</p>	<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1187</p> <p>1 Q Okay. Mr. Weisselberg, do you recall that we had some 2 discussions at your prior session on Tuesday relating to a 3 review at Trump Tower by the insurers? 4 A A review of the -- 5 Q The insurers came to Trump Tower, sat, I believe -- 6 tell me if I'm correct -- sat in a conference room and reviewed 7 the Statements of Financial Condition. We talked about that? 8 A Correct, correct. 9 Q Do you recall that? 10 A I do recall. 11 Q Am I correct, sir, that the Trump Organization declined 12 to provide a copy to the insurers to take with them; correct? 13 A I was only told to when I was given direction to meet 14 with them. No one asked me to give it to them, take with them. 15 So I just on my own decided here it is, you can read it, look at 16 it. If they wanted a copy, I certainly would have had them sign 17 an NDA and probably given it to them if they asked. But year 18 after year they were satisfied coming in, sitting there, taking 19 their time for the entire day reviewing it. 20 Q To your knowledge did any of the insurers or sureties 21 ever ask to take a copy of the financial statement with them? 22 A Not that I can remember. 23 Q To your knowledge were the insurers or sureties 24 required to sign a Non-Disclosure Agreement before being 25 provided access to the then-current Statement of Financial</p>

<p>A. Weisselberg - Plaintiff - direct (Solomon) Page 1188</p> <p>1 Condition?</p> <p>2 A I don't remember.</p> <p>3 Q Is it possible you just don't know one way or the</p> <p>4 other?</p> <p>5 A No, I don't know if our attorneys ever requested it. I</p> <p>6 don't know.</p> <p>7 Q Okay. Now, sir, on Tuesday in asking you questions</p> <p>8 about this meeting with the insurance company, and I'm going to</p> <p>9 put that up on the screen, you were asked, starting on page 953</p> <p>10 -- excuse me -- 953, line 24:</p> <p>11 "QUESTION: Were you present for all the</p> <p>12 conversations Jeff and Patrick had with Ms. Markarian?</p> <p>13 "ANSWER: It was all purpose of the same meeting.</p> <p>14 "QUESTION: So were you there when they described</p> <p>15 to her how the assets were valued?</p> <p>16 "ANSWER: Yes, I was at the meeting and they told</p> <p>17 her that they called Doug Larson and Larson provided a</p> <p>18 summary of comps for downtown Manhattan or midtown Manhattan</p> <p>19 and he would take those -- Jeff would take those comps or</p> <p>20 Patrick would, valuations and cap rates and so on and then</p> <p>21 he would do his computation, but to say that we --</p> <p>22 "THE COURT: Finish, please.</p> <p>23 "ANSWER: To say that we got appraisals from them,</p> <p>24 that was -- I don't recall that conversation at all."</p> <p>25 And then there is a read back and an answer.</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1190</p> <p>1 Q And you came to our offices, correct?</p> <p>2 A Correct.</p> <p>3 Q You were accompanied by counsel?</p> <p>4 A Yes.</p> <p>5 Q That deposition was recorded by stenographic means?</p> <p>6 A Yes.</p> <p>7 Q It was also recorded by video, correct?</p> <p>8 A I believe so, yes.</p> <p>9 Q Mr. Weisselberg, I'm going to ask my colleague to play</p> <p>10 the video of certain particular questions and answers you gave</p> <p>11 on the same subject back then and that's beginning on the</p> <p>12 transcript page 224, line 22 through 225, line 19.</p> <p>13 (Whereupon, the video was played.)</p> <p>14 Q Sir, that was your testimony back in May, right?</p> <p>15 A Did I recall what exactly --</p> <p>16 Q Sir, yes or no, that was your testimony back in May?</p> <p>17 THE COURT: Yes or no.</p> <p>18 A Yes.</p> <p>19 Q That was your testimony --</p> <p>20 THE COURT: He said yes. You got to listen to his</p> <p>21 answer.</p> <p>22 Q It is just coincidence that's exactly five months to</p> <p>23 the day, right? Today is October 12th.</p> <p>24 A Okay.</p> <p>25 Q Let's talk about the Seven Springs payoff, shall we?</p>
<p>Page 1189</p> <p>1 Q Now, Mr. Weisselberg, do you recall sitting for your</p> <p>2 deposition in May of this year?</p> <p>3 A Yes.</p> <p>4 Transcript continues on the following page....</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1191</p> <p>1 Do you recall a time when --</p> <p>2 A Seven Springs loan payoff?</p> <p>3 Q Yes.</p> <p>4 A Okay.</p> <p>5 Q Are you familiar with any discussions about a desire to</p> <p>6 pay off the Seven Springs loan before it came due?</p> <p>7 A I -- I do recall talking to Eric about paying off a</p> <p>8 number of loans that I felt we should pay off at that time. It</p> <p>9 wasn't just Seven Springs. There were other loans that we</p> <p>10 talked about as well.</p> <p>11 THE COURT: Ten-minute warning.</p> <p>12 MR. SOLOMON: Yes, Your Honor, thank you.</p> <p>13 Q The conversations -- withdrawn.</p> <p>14 Did you have conversations with Eric Trump in or about</p> <p>15 2015 about paying off the Seven Springs loan?</p> <p>16 A It's certainly possible. I just don't remember</p> <p>17 exactly.</p> <p>18 Q Do you recall telling Eric Trump that he should wait</p> <p>19 until after June 30th to pay off the loan, so the cash position</p> <p>20 on Mr. Trump's Statement of Financial Condition would not be</p> <p>21 decreased by the payoff amount?</p> <p>22 A That's certainly possible. That's certainly possible,</p> <p>23 yes.</p> <p>24 MR. SOLOMON: Can we, please, mark PX 1112 for</p> <p>25 identification.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1192</p> <p>1 Q Sir, PX 1112 for identification has been put in front 2 of you. Do you recognize it? 3 A Yes. 4 Q What do you recognize it to be? 5 A An e-mail to Eric Trump suggesting to him that if we 6 are going to pay off the loan, to do it subject post June 30th. 7 Q In order to keep his cash balance as high as possible, 8 right? 9 A Right. 10 MR. SOLOMON: The People offer PX 1112 in evidence. 11 MR. ROBERT: Statute of limitations objection. 12 THE COURT: Overruled. It is in evidence. 13 (Whereupon, the Document was marked in evidence as 14 Plaintiff's Exhibit 1112.) 15 Q In each year, the efforts to start preparing the 16 Statement of Financial Condition occurred after June 30th; is 17 that right? 18 A Correct. 19 Q So here, we have a situation back in April even before 20 the people in the Trump Organization are starting any work on 21 the Statement of Financial Condition for that year where you're 22 trying to accommodate the cash balance position for the 23 statement that's coming up, right? 24 A Correct. 25 Q Mr. Weisselberg, I would like to talk to you about the</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1194</p> <p>1 Tuesday, right? 2 A Correct. 3 Q What did you have to agree to do or not to do in 4 exchange for the severance package? 5 A If you have the document. 6 Q Let's pull it up. 7 MR. SOLOMON: Please pull up PX 01751 already in 8 evidence. Paragraph three, subsection "D" as in dog. Can 9 we go to the top just for the introduction, please. 10 Q It starts with "employee promises, in exchange for the 11 benefits provided in paragraph two, employee promises." Do you 12 see that, sir? 13 A Yes. 14 Q And paragraph D, "That except for acts or testimony 15 directly compelled by subpoena or other lawful process issued by 16 a court of competent jurisdiction, he will not one, communicate 17 with, provide information to, or otherwise cooperate in any way 18 with any other person or entity" and then that goes on. Do you 19 see that? 20 A Yes, I see that. 21 Q Sir, did you understand that this subsection precluded 22 you from voluntarily cooperating with anyone adverse to the 23 Trump Organization including the Attorney General's office? 24 A I -- I didn't give it a lot of thought to be honest. 25 Q But you agreed to it?</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1193</p> <p>1 crimes to which you pled guilty on August 18, 2022. Do you 2 recall you were charged with 15 separate counts? 3 A Yes. 4 Q Including several counts of falsification of business 5 records? 6 A Whatever is in my -- I forgot the name of the legal 7 document. 8 Q Okay. And you pled guilty under oath to all 15 counts, 9 correct? 10 A I did. 11 Q And you were required to pay back taxes penalties and 12 interest in the amount of \$1.9 million; is that correct? 13 A That sounds about right. 14 Q And with interest and other costs, it came out to be 15 about \$2 million. Do you recall that? 16 A Sounds about right. 17 Q And you were incarcerated as a result of that guilty 18 plea? 19 A Sorry? 20 Q You were incarcerated as a result of that guilty plea, 21 correct? 22 A I was. 23 Q Now, after pleading guilty to all of these crimes, the 24 years long scheme of talks fraud you and the Trump Organization 25 entered into that separation agreement that we discussed on</p>	<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1195</p> <p>1 A I agreed -- if it was -- if I was ordered to meet 2 with a court or some lawful person or a subpoena, then I would 3 meet with them, yes. 4 Q You would not voluntarily cooperate, right? 5 A That's what it says, yes. 6 Q Now, sir, let's be clear. This is a yes-or-no 7 question. There is no misunderstanding. Is it just a 8 coincidence that under this severance agreement, that you are 9 being paid \$2 million which is almost the same exact amount that 10 you had to pay in connection with your guilty plea? 11 A Coincidence. 12 Q Pure coincidence? 13 A Coincidence. 14 MR. SOLOMON: We have nothing further at this time, 15 Your Honor. Excuse me one moment. 16 I apologize, Your Honor. We are not complete. May 17 I have a moment? 18 THE COURT: Sure. 19 (Whereupon, there was a pause in the proceedings.) 20 MR. SOLOMON: I apologize for the confusion. We 21 might have more after lunch. We would like to take a few 22 minutes. I think you gave me the warning. We have two 23 minutes. If we could break for lunch and we will let the 24 defendants know if we need Mr. Weisselberg to come back or 25 not.</p>

<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1196</p> <p>1 THE COURT: Okay. I just want to point out not to</p> <p>2 be such a stickler, but one of the documents that Mr. Robert</p> <p>3 objected to on statute of limitations grounds was dated</p> <p>4 February 24th or so, 2016. That's after statute of</p> <p>5 limitations period.</p> <p>6 MR. ROBERT: Understood, but it had to do with</p> <p>7 information that was from '15. That's what we talked about</p> <p>8 last week and it is part of the Statement of Financial</p> <p>9 Condition. I understand what Your Honor is saying, but</p> <p>10 that's why we preserved the objection.</p> <p>11 THE COURT: I see. Okay. Understood. All right.</p> <p>12 So let's break for lunch.</p> <p>13 MR. SOLOMON: I apologize for the confusion.</p> <p>14 THE COURT: We come back at the usual 2:15, right?</p> <p>15 MR. SOLOMON: Yes.</p> <p>16 (Witness exits the stand. )</p> <p>17 (Whereupon, a luncheon recess was taken.)</p> <p>18 A F T E R N O O N S E S S I O N</p> <p>19 * * * * *</p> <p>20 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>21 session. The Honorable Judge Arthur Engoron presiding.</p> <p>22 Make sure all cellphones are on silent. Laptops and</p> <p>23 cellphones will be permitted, but only to members of the</p> <p>24 press. There's absolutely no recording or photography of</p> <p>25 any kind allowed in the courtroom. Now, please be seated</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1198</p> <p>1 business or home address on the record.</p> <p>2 THE WITNESS: Patrick Birney. 725 Fifth Avenue,</p> <p>3 New York, New York.</p> <p>4 THE COURT: You have to be really close to the</p> <p>5 microphone. Speak right into it, slowly, loudly, clearly.</p> <p>6 And let's start the examination.</p> <p>7 MR. HAREN: Thank you, Your Honor.</p> <p>8 DIRECT EXAMINATION</p> <p>9 BY MR. HAREN:</p> <p>10 Q Good afternoon, Mr. Birney, where are you currently</p> <p>11 employed?</p> <p>12 A Trump Organization.</p> <p>13 Q And how long have you worked at the Trump Organization?</p> <p>14 A Since 2015.</p> <p>15 Q Approximately when in 2015 did you start working at the</p> <p>16 Trump Organization?</p> <p>17 A January 2015.</p> <p>18 Q What was your title when you started with the Trump</p> <p>19 Organization?</p> <p>20 A Senior financial analyst.</p> <p>21 Q Can you walk us through the titles you have held at the</p> <p>22 Trump Organization since you started there in 2015?</p> <p>23 A Yes.</p> <p>24 Q Please do.</p> <p>25 A Senior financial analyst, associate assistant</p>
<p>A. WEISSELBERG - DIRECT(MR. SOLOMON) Page 1197</p> <p>1 and come to order.</p> <p>2 THE COURT: I understand there is a request for a</p> <p>3 front bar. It may eventually have to be made public, but</p> <p>4 for right now, it is okay.</p> <p>5 (Whereupon, an off-the-record sidebar discussion</p> <p>6 was held.)</p> <p>7 THE COURT: I think we have an agreement. The</p> <p>8 plaintiff will not be questioning Mr. Weisselberg anymore at</p> <p>9 this particular time. You reserve the right to recall him</p> <p>10 later. The defendants have the right to call him. And I'm</p> <p>11 instructing him -- I'm lifting the prohibition on</p> <p>12 discussing the case with counsel or with anyone else. And</p> <p>13 is there more to it than that at this point.</p> <p>14 MR. WALLACE: Nothing from the plaintiff, Your</p> <p>15 Honor.</p> <p>16 MR. ROBERT: Nothing from defendants, Your Honor.</p> <p>17 Thank you.</p> <p>18 THE COURT: Let's move on to the next witness.</p> <p>19 MR. HAREN: Good afternoon, Your Honor. Eric Haren</p> <p>20 on behalf of the People. The People call Patrick Birney.</p> <p>21 THE COURT OFFICER: Witness entering.</p> <p>22 P A T R I C K B I R N E Y, a witness called by the Plaintiff,</p> <p>23 after having been first duly sworn by the Clerk of the Court,</p> <p>24 took the witness stand and testified as follows:</p> <p>25 THE COURT OFFICER: State your full name and either</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1199</p> <p>1 vice-president financial operations, and currently vice</p> <p>2 president of financial operations.</p> <p>3 Q Can you give us just the rough time periods of those</p> <p>4 positions?</p> <p>5 A Most recently, I was promoted in last year, at some</p> <p>6 point in 2022. I can't really give you specifically the other</p> <p>7 ones.</p> <p>8 Q Okay. Did raises generally accompany promotions at the</p> <p>9 Trump Organization?</p> <p>10 A Yes.</p> <p>11 Q Who informed you of your promotions at the Trump</p> <p>12 Organization?</p> <p>13 A Allen Weisselberg and Ron Lieberman.</p> <p>14 Q Let's talk about your background. Could you describe</p> <p>15 your educational background after high school?</p> <p>16 A Yes. I went to the University of Michigan. I got a</p> <p>17 degree in economics.</p> <p>18 Q When did you graduate from the University of Michigan?</p> <p>19 A 2013.</p> <p>20 Q What did you do after you graduated from the University</p> <p>21 of Michigan in 2013?</p> <p>22 A I worked for a company called Aon.</p> <p>23 Q What did you do for Aon?</p> <p>24 A Aon is an insurance brokerage and I worked on a sales</p> <p>25 and account management team.</p>

P. BIRNEY - DIRECT (MR. HAREN) Page 1200

1 Q What did your role at Aon entail in general terms?  
2 A A live claim management. I would deal with the brokers  
3 a lot, deal with the clients a lot, a lot of e-mails, schedules  
4 of insurance requested certificates, invoice management.  
5 Q Have you ever held any professional licenses?  
6 A Yes.  
7 Q Which licenses have you held?  
8 A I had an insurance broker's license back in 2014, I  
9 think.  
10 Q Do you still have that license today?  
11 A I really don't know. I can't imagine that I do.  
12 Q Okay. Do you hold any licenses as an appraiser?  
13 A No.  
14 Q Do you hold a designation as a member in the Appraisal  
15 Institute?  
16 A No.  
17 Q Do you hold any other licenses or associations relating  
18 to appraisers?  
19 A No.  
20 Q Have you ever been a certified public accountant?  
21 A No.  
22 Q During your tenure at Aon, did you work on Trump  
23 Organization insurance accounts?  
24 A Yes.  
25 Q Can you describe your work on those accounts, please?

P. BIRNEY - DIRECT (MR. HAREN) Page 1201

1 A Sure. Similar to the other clients that I managed,  
2 again, schedules of insurance, invoice management, certificates  
3 of insurance requests, auto I.D. cards, I was the -- I was one  
4 of the main contacts that if somebody from Trump needed  
5 something, they would reach out to me.  
6 Q During your work at Aon or at the Trump Organization,  
7 did you ever come across the phrase "team of four"?  
8 A Yes.  
9 Q What did you understand that phrase to refer to?  
10 A The team of four from the Trump Organization who worked  
11 on the insurance program.  
12 Q Was it called "team of four" because there were four  
13 members of the team?  
14 A I believe so, yes.  
15 Q Who were the four members of the team?  
16 A Ron Lieberman, Allen Weisselberg, mat calendar Marie  
17 and Mike Cohen.  
18 Q Thank you. You said that you joined the Trump  
19 Organization in January of 2015.  
20 Who offered you a job at the Trump Organization?  
21 A Allen Weisselberg and Ron Lieberman.  
22 Q And where did they offer you the job?  
23 A In Allen Weisselberg's office.  
24 Q Thank you. You said your title when you joined the  
25 Trump Organization was senior financial analyst.

P. BIRNEY - DIRECT (MR. HAREN) Page 1202

1 Can you describe generally your duties in that role?  
2 A I worked on a lot of projects. I worked -- worked on  
3 the insurance program. I did financial reporting for the golf  
4 clubs. I worked -- I did projects for Allen Weisselberg. I  
5 did projects for Jeff McConney.  
6 Q You said "I did financial reporting for the golf  
7 clubs." What did you mean by that?  
8 A Golf clubs would send monthly financials and yearly  
9 budgets to the corporate office. I would consolidate those and  
10 analyze those on a monthly and annual basis.  
11 Q And did the monthly financials include income and  
12 expense figures?  
13 A Yes.  
14 Q And can you tell us more about your work on the monthly  
15 golf course financial reporting?  
16 A Sure. There was an Excel -- Microsoft Excel document  
17 that would be updated every month, had all the clubs on the same  
18 spreadsheet. There would be a column for actual year-to-date.  
19 There would be a column for budget year-to-date, a column for  
20 last year year-to-date, and a column for annual budget, and I  
21 would update those figures in Microsoft Excel every month.  
22 Q Did you have a practice of sharing the monthly golf  
23 course financial reporting information with anyone?  
24 A Yes.  
25 Q With whom was it your practice to share that

P. BIRNEY - DIRECT (MR. HAREN) Page 1203

1 information?  
2 A I would share it with my direct boss Ron Lieberman  
3 first and then we would review it together and then I would  
4 share it with Larry Glick, Allen Weisselberg, Ron Lieberman and  
5 Eric Trump.  
6 Q Thank you.  
7 During your time at the Trump Organization, who did you  
8 understand were your supervisors?  
9 A Ron Lieberman, and then I did work for a lot of other  
10 people above me. So Ron Lieberman would be my direct boss, but  
11 I would consider Allen Weisselberg, Jeffrey McConney, Mat  
12 Calamari to be my superiors. Larry Glick, too.  
13 Q And is it fair to say that for matters that you worked  
14 on with Jeffrey McConney and Allen Weisselberg, you viewed them  
15 as your superiors?  
16 A Yes.  
17 MR. HAREN: Let's mark for identification  
18 Plaintiff's Exhibit 1162, please.  
19 Q Mr. Birney, do you recognize this document?  
20 A Yes.  
21 Q What do you recognize it to be?  
22 A An e-mail from Jeff McConney to myself.  
23 Q And what is the date on the e-mail?  
24 A November 16, 2016.  
25 Q And what is the subject of the e-mail?

P. BIRNEY - DIRECT (MR. HAREN) Page 1204

1 A DJT SOFC.  
2 Q What did you understand that subject to refer to?  
3 A The Statement of Financial Condition for Donald J.  
4 Trump.  
5 MR. HAREN: I move Exhibit 1162 be moved in  
6 evidence.  
7 THE COURT: Granted. It is in evidence.  
8 (Whereupon, the Document was marked in evidence as  
9 Plaintiff's Exhibit 1162.)  
10 Q Does the e-mail note that there is an attachment?  
11 A Yes.  
12 Q What is the file name of the attachment?  
13 A 1-Jeffsupportingdataxlsx.  
14 Q Do you have an understanding of the term "Jeff  
15 supporting data"?  
16 A Yes.  
17 Q What do you understand it to refer to?  
18 A The main backup spreadsheet that supported the numbers  
19 on the Statement of Financial Condition.  
20 Q And the word "Jeff," who does that refer to?  
21 A Jeff McConney.  
22 MR. HAREN: I would like to pull up on the screen a  
23 native file that is a component of Exhibit 1162.  
24 Q Mr. Birney, it is the attachment to the e-mail that you  
25 were just looking at. Do you recognize this document?

P. BIRNEY - DIRECT (MR. HAREN) Page 1205

1 A Yes.  
2 Q What do you recognize it to be?  
3 A A draft of the Statement of Financial Condition for the  
4 year June 30, 2016.  
5 Q When you say, "draft of the Statement of Financial  
6 Condition," do you mean a draft of the supporting data for the  
7 Statement of Financial Condition?  
8 A Yes. Sorry.  
9 Q Okay.  
10 MR. HAREN: I would like to move this native file into  
11 evidence?  
12 THE COURT: Granted. It is in evidence.  
13 Q What is indicated to you by the information in cell H1?  
14 A That things highlighted in yellow are open.  
15 Q And what do you understand the phrase "open items" to  
16 mean?  
17 A I understand it to be these items need to be updated or  
18 finalized.  
19 Q So is it fair to say that an open item in the context  
20 of this spreadsheet is not an item that's been finalized?  
21 A That's fair to say.  
22 MR. HAREN: Okay. Let's pull up Plaintiff's  
23 Exhibit 1167, please.  
24 Q Mr. Birney, do you recognize this document?  
25 A Yes.

P. BIRNEY - DIRECT (MR. HAREN) Page 1206

1 Q What do you recognize this document to be?  
2 A An e-mail from Jeff McConney to myself on November 16,  
3 2016.  
4 Q That's the same date as the prior e-mail, correct?  
5 A I believe so.  
6 Q What is the subject of this e-mail?  
7 A 2105 DJT Statement of Financial Condition.  
8 MR. HAREN: I would like to move this exhibit into  
9 evidence.  
10 THE COURT: Granted. It is in evidence.  
11 (Whereupon, the Document was marked in evidence as  
12 Plaintiff's Exhibit 1167.)  
13 Q What did you understand the subject of the e-mail to  
14 refer to?  
15 A The Statement of Financial Condition for Donald J.  
16 Trump for the year 2015.  
17 Q Does the e-mail have an attachment?  
18 A Yes.  
19 Q Do you see --  
20 MR. HAREN: Back to the e-mail, please.  
21 Q Do you see the information at the bottom of the e-mail  
22 that states "scanemail@trumporg.com?" Do you see that?  
23 A Yes, sir.  
24 Q What is the e-mail at the bottom of this message that  
25 begins "from scanemail@trumporg.com" indicate to you?

P. BIRNEY - DIRECT (MR. HAREN) Page 1207

1 A It indicates that it was scanned in on the 26th floor  
2 copier machine by the pantry and then forwarded by Jeff to me.  
3 Q Let's look at the attachment starting on page two of  
4 the exhibit. Mr. Birney, do you recognize this document?  
5 A Yes.  
6 Q What do you recognize it to be?  
7 A The cover page to the 2015 Statement of Financial  
8 Condition for Donald J. Trump.  
9 Q If you could just flip through the exhibit, you should  
10 see that on page 27 there's the rear page of Statement of  
11 Financial Condition. Do you see that?  
12 A Yes. If that's page 27, yes.  
13 Q So if you could flip through from page 2 to page 27 and  
14 just confirm that the full Statement of Financial Condition for  
15 2015 was forwarded to you on November 16, 2016?  
16 A It appears to be the full statement.  
17 Q So, Mr. McConney sent you a supporting data for the  
18 Statement of Financial Condition and a copy of the 2015  
19 Statement of Financial Condition on November 16, 2016; is that  
20 correct?  
21 A Yes.  
22 Q Did you at some point in time become involved in the  
23 process of preparing Mr. Trump's Statement of Financial  
24 Condition?  
25 A Yes.

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1208</p> <p>1 Q When was that?</p> <p>2 A Shortly after this e-mail.</p> <p>3 Q So in or about November 2016?</p> <p>4 A Yes.</p> <p>5 Q And for which years had you been involved in the</p> <p>6 process of preparing Mr. Trump's Statement of Financial</p> <p>7 Condition?</p> <p>8 A From 2016 to 2021.</p> <p>9 Q So each of the years in that range?</p> <p>10 A Yes.</p> <p>11 Q Did you understand that working on Mr. Trump's</p> <p>12 Statements of Financial Condition was part of your job at the</p> <p>13 Trump Organization?</p> <p>14 A Yes.</p> <p>15 Q What did you understand the Statements of Financial</p> <p>16 Condition for the years that you worked on them to show?</p> <p>17 A Mr. Trump's net worth.</p> <p>18 Q And is that as of a particular date?</p> <p>19 A As of June 30th of each year.</p> <p>20 Q Do you have an understanding of the phrase "back up" in</p> <p>21 the context of Mr. Trump's Statements of Financial Condition?</p> <p>22 A Yes.</p> <p>23 Q What do you understand that phrase to refer to?</p> <p>24 A The backup to the supporting data spreadsheet. So</p> <p>25 anything that was used to -- wherever the numbers came from, I</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1210</p> <p>1 Q Did somebody assign you to work on Mr. Trump's annual</p> <p>2 Statement of Financial Condition in November 2016?</p> <p>3 A Yes.</p> <p>4 Q Who assigned you to work on that project?</p> <p>5 A I don't know who -- I don't know who assigned me. It</p> <p>6 was either Jeff McConney or Allen Weisselberg.</p> <p>7 Q Do you have, you know, any indication of which of those</p> <p>8 people is a more probable answer?</p> <p>9 A Probably Jeff McConney.</p> <p>10 Q With respect to preparing Mr. Trump's Statement of</p> <p>11 Financial Condition, did you ever receive any training documents</p> <p>12 in writing?</p> <p>13 A For the preparation of the Statement of Financial</p> <p>14 Condition?</p> <p>15 Q Yes.</p> <p>16 A I don't believe there are any official training</p> <p>17 documents in writing.</p> <p>18 Q And speaking generally are you aware that asset</p> <p>19 evaluations in the Supporting Data for Mr. Trump's Statement of</p> <p>20 Financial Condition are something called cap rates?</p> <p>21 A Yes.</p> <p>22 Q Before working on Mr. Trump's Statement of Financial</p> <p>23 Condition had you ever valued a property using a cap rate?</p> <p>24 A I don't think so.</p> <p>25 Q When did you complete your work on the 2021 Statement</p>
<p>Page 1209</p> <p>1 would usually refer to that as the backup.</p> <p>2 Q Let me see if I understand correctly. Supporting data</p> <p>3 spreadsheet contains number and the backup is additional</p> <p>4 information supporting those numbers. Is that fair?</p> <p>5 A Yes.</p> <p>6 MR. HAREN: Let's mark for identification</p> <p>7 Plaintiff's Exhibit 756. Excuse me. This one is in</p> <p>8 evidence already.</p> <p>9 Q Mr. Birney, the document on the screen, Plaintiff's</p> <p>10 Exhibit 756, is in evidence as Statement of Financial Condition</p> <p>11 for Donald J. Trump as of June 30, 2016. I just want to direct</p> <p>12 you to page two. Do you see at the bottom of the independent</p> <p>13 accountant's compilation report on this page that there is a</p> <p>14 date?</p> <p>15 A Yes.</p> <p>16 Q And do you see that the date is March 10, 2017?</p> <p>17 A Yes.</p> <p>18 Q And that date is after you began working on Mr. Trump's</p> <p>19 Statement of Financial Condition in November of 2016?</p> <p>20 A Yes.</p> <p>21 Q So is the Statement of Financial Condition for the year</p> <p>22 ending June 30, 2016 the first statement of Statement of</p> <p>23 Financial Condition that you worked on for Mr. Trump?</p> <p>24 A Yes, I think so.</p> <p>25 (Continued on the next page.)</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1211</p> <p>1 of Financial Condition for Donald J. Trump?</p> <p>2 A In late 2021.</p> <p>3 Q Let's --</p> <p>4 A I think.</p> <p>5 Q So prior to the completion of your work on the 2021</p> <p>6 Statement of Financial Condition, had you had any professional</p> <p>7 training in applying accounting principles generally accepted in</p> <p>8 the United States of America also known as GAAP?</p> <p>9 A I don't think so.</p> <p>10 Q Prior to the completion of your work on the 2021</p> <p>11 Statement of Financial Condition, did you know what the</p> <p>12 Financial Accounting Standards Board was?</p> <p>13 A I don't think so.</p> <p>14 Q Prior to the completion of your work on the 2021</p> <p>15 Statement of Financial Condition, did you understand the phrase</p> <p>16 "accounting standards codification?"</p> <p>17 A No.</p> <p>18 Q Prior to the completion of your work on the 2021</p> <p>19 Statement of Financial Condition, were you familiar with</p> <p>20 Accounting Standards Codification 274 governing personal</p> <p>21 financial statements?</p> <p>22 A No.</p> <p>23 Q Prior to the completion of your work on the 2021</p> <p>24 Statement of Financial Condition, did you have a general</p> <p>25 understanding of what Accounting Standards Codification 274</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1212</p> <p>1 provides?</p> <p>2 A No.</p> <p>3 Q Prior to the completion of your work on the 2021</p> <p>4 Statement of Financial Condition had anybody at the Trump</p> <p>5 Organization ever mentioned Accounting Standards Codification</p> <p>6 274 to you?</p> <p>7 A Not that I know of.</p> <p>8 Q Can you describe in general terms Allen Weisselberg's</p> <p>9 role in preparing Mr. Trump's Statement of Financial Condition</p> <p>10 from 2016 to 2019?</p> <p>11 A He would review drafts with me that I would provide to</p> <p>12 him. In a lot of those drafts I would bring questions to him,</p> <p>13 he would make decisions based on the questions that I brought.</p> <p>14 Q And you said "drafts." Can you be more specific?</p> <p>15 Drafts of what?</p> <p>16 A Drafts of the supporting data spreadsheet.</p> <p>17 Q So as a general matter you will bring drafts of the</p> <p>18 Supporting Data to Mr. Weisselberg with questions and he would</p> <p>19 make decisions. Is that fair?</p> <p>20 A That's fair.</p> <p>21 Q All right. And can you describe in general terms Jeff</p> <p>22 McConney's role in preparing Mr. Trump's Statements of Financial</p> <p>23 Condition from 2016 to 2019?</p> <p>24 A It was similar, but I think with Jeff I would go to</p> <p>25 Jeff if I needed a specific document, if I needed a financial</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1214</p> <p>1 A Yes.</p> <p>2 Q Do you recognize this document?</p> <p>3 A Yes.</p> <p>4 Q What do you recognize it to be?</p> <p>5 A A draft of the Supporting Data spreadsheet.</p> <p>6 MR. HAREN: Your Honor, I think this document has</p> <p>7 been reviewed with other witnesses and the magic words may</p> <p>8 not have been said, so I'd just like to move it into</p> <p>9 evidence.</p> <p>10 MR. ROBERT: I'm trying to keep order so we don't</p> <p>11 have the same document going around twice. To the extent</p> <p>12 it's not, statute of limitations objection.</p> <p>13 THE COURT: Okay. To the extent it's not. It's</p> <p>14 now in over objection.</p> <p>15 (Whereupon, the item previously referred to is</p> <p>16 received and marked Plaintiff's Exhibit Number 756 in</p> <p>17 evidence.)</p> <p>18 Q Who was the principal drafter of the spreadsheet on the</p> <p>19 screen?</p> <p>20 A What do you mean?</p> <p>21 Q The spreadsheet itself as opposed to any decisions that</p> <p>22 may have led to numbers being included in it. Did you</p> <p>23 prepare the spreadsheet?</p> <p>24 A I probably worked on the spreadsheet.</p> <p>25 Q Did the process of preparing the Supporting Data for</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1213</p> <p>1 statement from some entity or something like that. I would go</p> <p>2 to Jeff and ask for it.</p> <p>3 Q I meant did you in the time period I referenced, 2016</p> <p>4 to 2019, review drafts of the Supporting Data with Mr. McConney,</p> <p>5 as well?</p> <p>6 A Yes.</p> <p>7 Q Okay. Did you have an understanding as to whether you</p> <p>8 were the final decisionmaker on any valuation in the Statements</p> <p>9 of Financial Condition from 2016 to 2019?</p> <p>10 A Can you repeat the question, please?</p> <p>11 Q Did you have an understanding as to whether you were</p> <p>12 the final decisionmaker on any valuation in the Statements of</p> <p>13 Financial Condition from 2016 to 2019?</p> <p>14 A Yes.</p> <p>15 Q What was your understanding?</p> <p>16 A That I was not the final decisionmaker.</p> <p>17 Q And did you have an understanding as to who the final</p> <p>18 decisionmaker was?</p> <p>19 A Yes.</p> <p>20 Q And what was your understanding?</p> <p>21 A Allen Weisselberg.</p> <p>22 Q Okay. Let's go to Plaintiff's Exhibit 742.</p> <p>23 Mr. Birney, do you see on the screen an Excel</p> <p>24 spreadsheet entitled, "Donald J. Trump Statement of Financial</p> <p>25 Condition as of June 30, 2016?"</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1215</p> <p>1 the 2016 Statement of Financial Condition involve more than one</p> <p>2 draft?</p> <p>3 A Yes.</p> <p>4 Q How many approximately?</p> <p>5 A I don't know.</p> <p>6 Q How many drafts in a typical year then would you go</p> <p>7 through?</p> <p>8 A Could be 20, could be 30. I really don't know.</p> <p>9 Q All right. Will you -- were you the decisionmaker on</p> <p>10 which valuation methods to choose -- excuse me.</p> <p>11 Were you the decisionmaker on which valuation methods</p> <p>12 were used in the spreadsheet?</p> <p>13 A No.</p> <p>14 Q Who was?</p> <p>15 A Either Jeff McConney or Allen Weisselberg.</p> <p>16 Q All right. Can you be -- is it that one side on some</p> <p>17 and one side on others? Can you kind of explain your answer?</p> <p>18 A Sure. This was 2016 so this would have been the first</p> <p>19 year I was working on it so I would have just asked Jeff a lot</p> <p>20 of questions. I don't know if I even asked Allen questions</p> <p>21 about this year if it even got to that point. It was probably</p> <p>22 just me and Jeff for things that I worked on for this year, so I</p> <p>23 don't know who made the ultimate decisions.</p> <p>24 Q All right. Did you follow a process to go from draft</p> <p>25 versions of the Supporting Data to the final version of the</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1216</p> <p>1 Supporting Data in 2016?</p> <p>2 A Can you repeat the question, please?</p> <p>3 Q Did you follow a process to go from draft versions of</p> <p>4 the Supporting Data to the final version of the Supporting Data</p> <p>5 in 2016?</p> <p>6 A I don't really know.</p> <p>7 Q Let's pull up some of your testimony to see if it</p> <p>8 refreshes your recollection.</p> <p>9 MR. HAREN: Let's go to page 103 of Mr. Birney's</p> <p>10 testimony. Well, first let's go to the first page. Could</p> <p>11 you go to the first page, please?</p> <p>12 Q Mr. Birney, do you recall testifying under oath on</p> <p>13 June 25, 2020?</p> <p>14 A Not that specific date, but I do recall in 2020, yes.</p> <p>15 MR. HAREN: All right. And let's go to page 103.</p> <p>16 Q Just if you take a look at page 103, starting at line</p> <p>17 six. It states:</p> <p>18 "QUESTION: You mentioned earlier that you have</p> <p>19 meetings with Jeff McConney and Allen Weisselberg to go over</p> <p>20 drafts of the spreadsheet -- sporting spreadsheet; right?</p> <p>21 "ANSWER: Yes.</p> <p>22 "QUESTION: Between the first draft and the final</p> <p>23 draft, approximately how many meetings would there be in a</p> <p>24 typical year?</p> <p>25 "ANSWER: I don't know. It depends on the specific</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1218</p> <p>1 finalize it and then we would send it over to Mazars along with</p> <p>2 all of our backup and we would work with Mazars on the Statement</p> <p>3 of Financial Condition until we were done.</p> <p>4 Q And so were Jeff McConney and Allen Weisselberg</p> <p>5 involved in finalizing the 2016 Statement of Financial</p> <p>6 Condition?</p> <p>7 A Sorry. One more time?</p> <p>8 Q Were Jeff McConney and Allen Weisselberg involved in</p> <p>9 finalizing the 2016 Statement of Financial Condition?</p> <p>10 A I imagine they were, yes.</p> <p>11 Q You imagine or they were?</p> <p>12 A I know Jeff McConney was involved. I can't remember if</p> <p>13 Allen was. He probably was involved.</p> <p>14 Q All right. And during the course of preparing the 2016</p> <p>15 Statement of Financial Condition did you understand that</p> <p>16 Mr. Weisselberg and Mr. McConney were your superiors?</p> <p>17 A Yes.</p> <p>18 MR. KISE: Your Honor, not to interrupt, but it's a</p> <p>19 question regarding an exhibit that I think was just</p> <p>20 introduced, PX 1167. And it took me a minute because I'm a</p> <p>21 little slow, but it's got 35 pages attached, but the native</p> <p>22 version these -- this appears to be two different documents</p> <p>23 I guess is my question. And I just want to clear that up.</p> <p>24 I'm sure, far be it for me to accuse the government</p> <p>25 of doing anything intentional, I am sure that, if anything,</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1217</p> <p>1 year. Anywhere from -- I'm just -- it depends. It varies.</p> <p>2 "QUESTION: You'd have at least one meeting a year;</p> <p>3 right?</p> <p>4 "ANSWER: Yes, there would be at least one meeting.</p> <p>5 "QUESTION: Would there be only one meeting?</p> <p>6 "ANSWER: Probably not.</p> <p>7 "QUESTION: So just try to give me an</p> <p>8 approximation; five meetings, between five and ten?</p> <p>9 "ANSWER: Between five and ten."</p> <p>10 Now, does that testimony refresh your recollection</p> <p>11 as to any process you may have had in terms of going from</p> <p>12 the draft version of the Supporting Data to the final</p> <p>13 version of the Supporting Data in 2016?</p> <p>14 A Yes.</p> <p>15 Q And so what is your recollection?</p> <p>16 A Sorry. The reason I'm getting -- I don't know if that</p> <p>17 -- what we just looked at was specific to 2016, was it?</p> <p>18 Q I think it was a general question with a general</p> <p>19 answer.</p> <p>20 A Giving -- I can give you a general answer.</p> <p>21 Q Sure. Give me a general answer.</p> <p>22 A Sure. In 2016, we would -- I worked together with</p> <p>23 Jeff, but in general I would work on drafts of the spreadsheet.</p> <p>24 There would be meetings with Jeff McConney and Allen</p> <p>25 Weisselberg. It could have been, yes, five to ten meetings to</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1219</p> <p>1 it's inadvertent or it could be that I'm mistaken. Often I</p> <p>2 am, but from what we can see of the native version of this</p> <p>3 e-mail that is the cover of Plaintiff's Exhibit 1167, the</p> <p>4 remaining pages that start with this part, with the</p> <p>5 handwriting on it were not part of the original attachment</p> <p>6 to the e-mail. The only thing attached to the e-mail was</p> <p>7 the Statement of Financial Condition and these remaining</p> <p>8 pages appear to be a different exhibit. I just didn't know</p> <p>9 if that was introduced. And we don't have to take up</p> <p>10 courtroom time right now. I just wanted to place this on</p> <p>11 the record before we go farther. If they are not going to</p> <p>12 use this exhibit for the rest of the day, we can clear this</p> <p>13 up later, but I just didn't want to go any further without</p> <p>14 at least noting it.</p> <p>15 THE COURT: Okay. Any response?</p> <p>16 MR. HAREN: Yes, I think we'll look at it at a</p> <p>17 break we. Can take a look at it and see if there was an</p> <p>18 inadvertent error.</p> <p>19 MR. KISE: Thank you.</p> <p>20 Q And back to the exhibit that was on the screen ,</p> <p>21 Exhibit 742. Mr. Birney, in this Supporting Data spreadsheet</p> <p>22 are there capitalization rates used to value assets? If it</p> <p>23 would help you to scroll through the document, I'm happy to</p> <p>24 direct you.</p> <p>25 A Please.</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1220</p> <p>1 MR. HAREN: Could we go to 147, please?</p> <p>2 Q So is there a cap rate reflected in Row 47?</p> <p>3 A Yes.</p> <p>4 MR. HAREN: Could we go to Row 104, please?</p> <p>5 Q Is there a cap rate reflected in Row 104?</p> <p>6 A Yes.</p> <p>7 Q Now, did you have an understanding when working on the</p> <p>8 2016 Statement of Financial Condition as to who was the</p> <p>9 decisionmaker about which capitalization rates to use?</p> <p>10 A I really don't remember 2016.</p> <p>11 Q Do you have a general recollection of yourself ever</p> <p>12 being the final decisionmaker about a cap rate to be used in the</p> <p>13 Supporting Data for Mr. Trump's Statement of Financial</p> <p>14 Condition?</p> <p>15 A I don't believe I was ever the final decisionmaker.</p> <p>16 Q And do you have a general understanding of who was the</p> <p>17 final decisionmaker about capitalization rates and Mr. Trump's</p> <p>18 Statements of Financial Condition?</p> <p>19 A Yes.</p> <p>20 Q And what's your understanding?</p> <p>21 A Allen Weisselberg.</p> <p>22 Q I'd like to just have pull up on the screen your prior</p> <p>23 testimony at page 191 beginning at line seven:</p> <p>24 "QUESTION: So when you say that your role is just</p> <p>25 to update the spreadsheet, are you saying that you're not</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1222</p> <p>1 Q Okay. Let's move to Plaintiff's Exhibit 758.</p> <p>2 Mr. Birney, the document on the screen, Plaintiff's</p> <p>3 Exhibit 758 is in evidence as the final 2017 Supporting Data</p> <p>4 spreadsheet. Do you recognize it as such?</p> <p>5 A I'll take your word.</p> <p>6 Q Do you recognize it as a Supporting Data spreadsheet</p> <p>7 for Mr. Trump's Statement of Financial Condition as of June 30,</p> <p>8 2017?</p> <p>9 A Yes.</p> <p>10 Q Did you prepare this spreadsheet?</p> <p>11 A Probably.</p> <p>12 Q And earlier you gave me an answer about a number of</p> <p>13 drafts that you would go through in a typical year about --</p> <p>14 number of drafts of the Supporting Data spreadsheet. Do you</p> <p>15 recall that?</p> <p>16 A Yes.</p> <p>17 Q Did that -- would that same answer apply to the 2017</p> <p>18 year?</p> <p>19 A Probably.</p> <p>20 Q Were you the decisionmaker on valuation methods to use</p> <p>21 in the spreadsheet?</p> <p>22 A No.</p> <p>23 Q Who was?</p> <p>24 A Either Jeff McConney or Allen Weisselberg.</p> <p>25 Q And can you, you know, give anymore information about</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1221</p> <p>1 participating in the choice between cap rates?</p> <p>2 "ANSWER: I'm not the one making the choice.</p> <p>3 "QUESTION: So who is the one making the choice?</p> <p>4 "ANSWER: Either Jeff McConney or Allen Weisselberg</p> <p>5 on any given year."</p> <p>6 I think in the answer you just gave to my question</p> <p>7 here your answer was Allen Weisselberg, so I just want to</p> <p>8 clarify what was Jeff McConney's role in choosing</p> <p>9 capitalization rates speaking generally from Mr. Trump's</p> <p>10 Statement of Financial Condition?</p> <p>11 A He was involved.</p> <p>12 Q And can you describe his involvement, please?</p> <p>13 A Sure. Jeff would forward me e-mails from third parties</p> <p>14 that have lists of recent sales in the area. Those lists would</p> <p>15 have cap rates on them. I would then usually discuss that with</p> <p>16 Jeff or Allen. It depends -- it really depends on the asset.</p> <p>17 Q You said "it really depends on the asset." Can you be</p> <p>18 -- give any additional recollection you have about that?</p> <p>19 A Yes. I've talked on the phone with Jeff, a third party</p> <p>20 before asking about storefronts and cap rates to be used for</p> <p>21 storefronts in New York City. I think most of that is in the</p> <p>22 Supporting Data spreadsheets. But Jeff was involved in that and</p> <p>23 those are typically smaller than larger properties. I don't</p> <p>24 know if Allen would have been 100 percent involved in those</p> <p>25 decisions.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1223</p> <p>1 which of those two is, you know, more probable?</p> <p>2 A Probably Allen Weisselberg.</p> <p>3 Q And you earlier described a process of reviewing the</p> <p>4 draft Supporting Data with Mr. McConney and Mr. Weisselberg. Do</p> <p>5 you recall that?</p> <p>6 A Yes.</p> <p>7 Q Is that a process that you followed in 2017 as well?</p> <p>8 A Yes.</p> <p>9 Q And are there capitalization rates used to value assets</p> <p>10 in this spreadsheet?</p> <p>11 A Probably.</p> <p>12 Q Did you have an understanding when working on the 2017</p> <p>13 Statement of Financial Condition as to who was the ultimate</p> <p>14 decisionmaker about capitalization rates to use?</p> <p>15 A Probably.</p> <p>16 Q Did you have an understanding?</p> <p>17 A I don't know if I had an understanding.</p> <p>18 Q So you worked on this project in 2017; right?</p> <p>19 A Yes.</p> <p>20 Q And there are capitalization rates reflected in the</p> <p>21 spreadsheet?</p> <p>22 A Can you scroll down to --</p> <p>23 Q Sure. Let's go to Row 68 as an example.</p> <p>24 A Yes.</p> <p>25 Q Were you the final decisionmaker about capitalization</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1224</p> <p>1 rates to use in the 2017 Statement of Financial Condition?</p> <p>2 A No.</p> <p>3 Q Who was?</p> <p>4 A Either Jeff McConney or Allen Weisselberg, depending on</p> <p>5 the asset.</p> <p>6 Q You say "depending on the asset." Were there some that</p> <p>7 Mr. Weisselberg chose for?</p> <p>8 A Yes.</p> <p>9 Q Which were those?</p> <p>10 A It really depends. The reason I'm answering this way</p> <p>11 is as I've -- as we've spoken about in the past, when I update</p> <p>12 the spreadsheet there is a year like there are two years on</p> <p>13 every spreadsheet, right. So if I'm not making a change, if I'm</p> <p>14 valuing it the exact same way who is valuing it before, who is</p> <p>15 really making the decision that year, right? You have to go</p> <p>16 back to who made the decision the year before.</p> <p>17 So ultimately, Allen Weisselberg was probably -- had --</p> <p>18 had -- had the authority to approve everything. I'm not sure if</p> <p>19 every single asset on this schedule was approved by Allen.</p> <p>20 Q And just so I understand if a capitalization rate was</p> <p>21 carried forward from the year before was it -- was a decision</p> <p>22 made to just carry it forward?</p> <p>23 A Maybe.</p> <p>24 Q And who would make a decision to just carry forward the</p> <p>25 exact same cap rate from the prior year?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1226</p> <p>1 Q Oh, understood. We do I think have testimony on the</p> <p>2 record that those markings had come from the accounting firm,</p> <p>3 but as to the other information in the spreadsheet, that's not</p> <p>4 -- either the blue numbers or the red lettering on the top, you</p> <p>5 prepared the spreadsheet; is that right?</p> <p>6 A I probably prepared the spreadsheet. If you want to</p> <p>7 show the name it would help me tell.</p> <p>8 Q You mean the file name?</p> <p>9 A File name.</p> <p>10 Q But putting aside this particular file, you prepared</p> <p>11 the Supporting Data for the 2018 Statement of Financial</p> <p>12 Condition?</p> <p>13 A Yes.</p> <p>14 Q Were you the decisionmaker about which valuation</p> <p>15 methods to use in the spreadsheet?</p> <p>16 A No.</p> <p>17 Q Who was?</p> <p>18 A Either Allen Weisselberg or Jeff McConney.</p> <p>19 Q And again, can you give the Court or me an indication</p> <p>20 as to which of those people is more probable?</p> <p>21 A Probably Allen Weisselberg.</p> <p>22 Q And the process that you mentioned of reviewing the</p> <p>23 draft Supporting Data with Mr. McConney and Mr. Weisselberg, is</p> <p>24 that a process you would have followed in 2018 as well?</p> <p>25 A Yes.</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1225</p> <p>1 A Allen or Jeff.</p> <p>2 Q All right.</p> <p>3 THE COURT: Ten-minute warning.</p> <p>4 MR. HAREN: Let's pull up Plaintiff's Exhibit 774.</p> <p>5 Q Mr. Robert can correct me, but I think the magic words</p> <p>6 also might not have been said about this spreadsheet.</p> <p>7 But Mr. Birney, do you recognize this document?</p> <p>8 A Yes.</p> <p>9 Q What do you recognize it to be?</p> <p>10 A A draft of the Supporting Data spreadsheet for the next</p> <p>11 year, 2018.</p> <p>12 MR. HAREN: I move this document into evidence to</p> <p>13 the extent it's not already in evidence.</p> <p>14 MR. KISE: No objection.</p> <p>15 THE COURT: Granted. It's in evidence.</p> <p>16 (Whereupon, the item previously referred to is</p> <p>17 received and marked Plaintiff's Exhibit Number 774 in</p> <p>18 evidence.)</p> <p>19 Q Mr. Birney, did you draft the spreadsheet?</p> <p>20 A Probably.</p> <p>21 Q You gave an answer earlier about going through 20 to 30</p> <p>22 drafts of the Supporting Data. Would that answer apply to 2018</p> <p>23 as well?</p> <p>24 A Yes. The reason I'm saying probably or the -- whatever</p> <p>25 is in the Column F, that wasn't me, the 4100.01.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1227</p> <p>1 Q And your answer concerning the choice of capitalization</p> <p>2 rates, you gave answers about that in the 2017 spreadsheet that</p> <p>3 we were looking at a few minutes ago?</p> <p>4 A Yes.</p> <p>5 Q Would those answers apply to the 2018 Statement of</p> <p>6 Financial Condition, as well?</p> <p>7 A Yes, probably.</p> <p>8 Q Well, let's just -- we might as well do it.</p> <p>9 Mr. Birney, could you take a look at Row 47, please?</p> <p>10 You see there there is a cap rate of 2.6 percent?</p> <p>11 A Yes.</p> <p>12 Q And in Row 119 there is a cap rate of 2.36 percent?</p> <p>13 A Yes.</p> <p>14 Q Were you the decisionmaker about which capitalization</p> <p>15 rates to use in the spreadsheet?</p> <p>16 A No.</p> <p>17 Q Who was?</p> <p>18 A Jeff and Allen.</p> <p>19 Q And when you say "Jeff and Allen," you mean Jeff</p> <p>20 McConney and Allen Weisselberg?</p> <p>21 A Yes.</p> <p>22 Q All right. Let's pull up on the screen Plaintiff's</p> <p>23 Exhibit 843. This document is in evidence as the Supporting</p> <p>24 Data for the June 30, 2019 Statement of Financial Condition.</p> <p>25 Mr. Birney, do you recognize this document?</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1228</p> <p>1 A Yes.</p> <p>2 Q Did you draft the supporting data for the 2019</p> <p>3 Statement of Financial Condition?</p> <p>4 A In general, yes.</p> <p>5 Q And you gave an answer concerning a number of drafts</p> <p>6 that you would go through on a typical year would that answer</p> <p>7 apply to the 2019 Statement of Financial Condition?</p> <p>8 A Yes.</p> <p>9 Q And were you the decisionmaker about which valuation</p> <p>10 methods to use in the spreadsheet?</p> <p>11 A No.</p> <p>12 Q Who was?</p> <p>13 A Either Allenes Weisselberg or Jeff McConney.</p> <p>14 Q And can you give an indication as to which of those two</p> <p>15 people was more probable?</p> <p>16 A Allen Weisselberg.</p> <p>17 Q And the process that you mentioned of going through</p> <p>18 drafts of the supporting data with Mr. McConney and</p> <p>19 Mr. Weisselberg, was that a process you filed in 2019?</p> <p>20 A Yes.</p> <p>21 Q And let's take a look at Row 66, please.</p> <p>22 Mr. Birney, do you see that there is a cap rate there</p> <p>23 of 2.67 percent?</p> <p>24 A Yes.</p> <p>25 Q Let's go to Row 100 , please.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1230</p> <p>1 A Yes.</p> <p>2 Q How is it different?</p> <p>3 A There was more input from more people.</p> <p>4 Q And when you say "more people," who else was involved</p> <p>5 in -- who else was involved?</p> <p>6 A Myself, Allen Weisselberg Jeff McConney, Ray Flores,</p> <p>7 Jody Whitsec, Adam Rosen, Alan Garten.</p> <p>8 Q And at the time Allen Weisselberg was still the chief</p> <p>9 financial officer of the Trump Organization?</p> <p>10 A I think so.</p> <p>11 Q What was Jeff McConney's position at the time?</p> <p>12 A I think he was controller.</p> <p>13 Q And how about Ray Flores?</p> <p>14 A Vice president development and acquisitions or</p> <p>15 something like that.</p> <p>16 Q And can you just give us a general idea of Mr. Flores'</p> <p>17 role in the 2020 Statement of Financial Condition?</p> <p>18 A Ray gave input on backup and certain cap rates, certain</p> <p>19 properties.</p> <p>20 Q And just so I have the list right, Mr. Garten was the</p> <p>21 chief legal officer at the time?</p> <p>22 A I think so.</p> <p>23 Q And Mr. Rosen worked under Mr. Garten; is that right?</p> <p>24 A He worked in the legal department.</p> <p>25 Q So Mr. Garten was the senior most legal person involved</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1229</p> <p>1 Do you see there there is a cap rate of 2.42 percent?</p> <p>2 A Yes.</p> <p>3 Q Were you the ultimate decisionmaker regarding the</p> <p>4 capitalization rates to use in the 2019 Statement of Financial</p> <p>5 Condition?</p> <p>6 A No.</p> <p>7 Q Who was?</p> <p>8 A Same as before, Allen and Jeff.</p> <p>9 Q And you mean Allen Weisselberg and Jeff McConney?</p> <p>10 A Yes.</p> <p>11 Q All right. Let's --</p> <p>12 MR. HAREN: I guess how close am I to the ten</p> <p>13 minutes?</p> <p>14 THE COURT: You have another three or four if you</p> <p>15 want.</p> <p>16 MR. HAREN: It's a fortune.</p> <p>17 Let's pull up on the screen Plaintiff's</p> <p>18 Exhibit 857.</p> <p>19 Q Mr. Birney, the document on the screen is in evidence</p> <p>20 as the Supporting Data for the 2020 Statement of Financial</p> <p>21 Condition. Do you recognize this document?</p> <p>22 A Yes.</p> <p>23 Q Was the process of preparing the Supporting Data for</p> <p>24 the 2020 Statement of Financial Condition in any way different</p> <p>25 than the process from 2016 to 2019?</p>	<p>Page 1231</p> <p>1 in the 2020 Statement of Financial Condition?</p> <p>2 A Yes.</p> <p>3 Q And Mr. Weisselberg was the senior most accounting</p> <p>4 person involved in the 2020 Statement of Financial Condition?</p> <p>5 A Yes.</p> <p>6 MR. HAREN: All right.</p> <p>7 THE COURT: Before you go, let's revisit the</p> <p>8 important question of the warning. The ten-minute warning</p> <p>9 seems to make you all nervous and you're looking at the</p> <p>10 clock, you want to know how long -- I have a better idea.</p> <p>11 How about a five-minute warning and a one-minute warning?</p> <p>12 Anybody object to that?</p> <p>13 MR. WALLACE: No objection.</p> <p>14 MR. HAREN: We could use a little red light.</p> <p>15 THE COURT: Or a sign or hold up my hands.</p> <p>16 All right, 15-minute break. See you soon.</p> <p>17 THE COURT OFFICER: Remain seated in the audience</p> <p>18 (Whereupon, there is a recess in the proceedings</p> <p>19 and the transcript continues on the following page.)</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

P. BIRNEY - DIRECT (MR. HAREN)	Page 1232	P. BIRNEY - DIRECT (MR. HAREN)	Page 1234
<p>1 THE COURT OFFICER: All rise. Part 37 is back 24</p> <p>2 session.</p> <p>3 MR. KISE: While we are waiting for the witness, I</p> <p>4 think over the break, we reached an understanding and Ms.</p> <p>5 Faherty can state.</p> <p>6 MS. FAHERTY: Our PTG folks were able to resolve</p> <p>7 the issue. It seems it was a technological family coupling</p> <p>8 issue. Our goal to have a corrected exhibit in the morning.</p> <p>9 Some additional pages were added. That's all, Your Honor.</p> <p>10 I apologize for the mistake. We will correct it</p> <p>11 immediately.</p> <p>12 THE COURT: I'm glad Mr. Kise caught you on it.</p> <p>13 MS. FAHERTY: Well, you know, I do try to sneak</p> <p>14 things in apparently.</p> <p>15 MR. KISE: I'm a little slow, but I read things.</p> <p>16 THE COURT: We are getting the witness, yes?</p> <p>17 THE COURT OFFICER: The witness is here.</p> <p>18 (Witness resumes the stand.)</p> <p>19 THE COURT: Let's continue.</p> <p>20 Q Welcome back, Mr. Birney.</p> <p>21 A Hi.</p> <p>22 MR. HAREN: Let's call up Plaintiff's Exhibit 1501.</p> <p>23 Q Mr. Birney, this document is in evidence as the</p> <p>24 supporting data spreadsheet for the 2021 Statement of Financial</p> <p>25 Condition. Do you recognize it?</p>		<p>1 Q What is indicated to you by the information in columns</p> <p>2 B, C and H in row 969?</p> <p>3 A The triplex valuation for the previous year I believe</p> <p>4 is column H based on columns from Trump International Realty at</p> <p>5 30,000 square feet multiplied by \$10,900 per square foot.</p> <p>6 Q I'll just note for the record the Court has reached an</p> <p>7 official understanding about the pronunciation. Triplex.</p> <p>8 A What did I say?</p> <p>9 Q Triplex. It's very important here in this courtroom.</p> <p>10 A Sorry.</p> <p>11 Q I would like to direct your attention to row 971. What</p> <p>12 is indicated to you by the information in columns B and C and G</p> <p>13 in that row?</p> <p>14 A The valuation for the triplex based on comp for 432</p> <p>15 Park, 10,996.39 square feet multiplied by \$10,625 per</p> <p>16 square-foot.</p> <p>17 Q And based on the information in columns B and C in row</p> <p>18 969 and row 971, there was a change in the square footage used</p> <p>19 for Mr. Trump's triplex apartment between the 2016 and 2017</p> <p>20 Statements of Financial Condition, right?</p> <p>21 A Yes.</p> <p>22 Q Do you have an understanding of any events that led to</p> <p>23 that change in square footage?</p> <p>24 A Yes.</p> <p>25 Q What's your understanding?</p>	
P. BIRNEY - DIRECT (MR. HAREN)	Page 1233	P. BIRNEY - DIRECT (MR. HAREN)	Page 1235
<p>1 A I recognize the format of it, but not two of the notes.</p> <p>2 Q By notes, you mean the information Excel E4 that refers</p> <p>3 to WP?</p> <p>4 A Yes.</p> <p>5 Q But apart from those notes, do you recognize it to be a</p> <p>6 2021 supporting data spreadsheet for Mr. Trump's Statement of</p> <p>7 Financial Condition?</p> <p>8 A Yes.</p> <p>9 Q Can describe just in general terms the process of</p> <p>10 preparing the 2021 Statement of Financial Condition?</p> <p>11 A Yes. It was very similar to the 2020 statement.</p> <p>12 Wherever we pulled information from from 2020, I think why</p> <p>13 pulled it from 2021. There was one change for valuations that I</p> <p>14 can recall right now and that was the golf courses.</p> <p>15 Q Just speaking about process, can you say who was</p> <p>16 involved in the process of preparing the 2021 statement?</p> <p>17 A Yes. It was the team that I had mentioned for 2020</p> <p>18 except I do not believe Allen Weisselberg was involved and Jeff</p> <p>19 McConney was barely involved.</p> <p>20 Q All right. Let's pull up on the screen a document that</p> <p>21 is Plaintiff's Exhibit 758.</p> <p>22 Mr. Birney, this document is in evidence as the</p> <p>23 supporting data for Mr. Trump's 2017 Statement of Financial</p> <p>24 Condition.</p> <p>25 MR. HAREN: Could we scroll down to row 969, please.</p>		<p>1 A My understanding is there was an article written that</p> <p>2 stated that Mr. Trump's triplex apartment was actually 10,900 or</p> <p>3 so square feet and then we used that -- we verified that square</p> <p>4 footage internally and then we used that for the 2017 Statement</p> <p>5 of Financial Condition.</p> <p>6 Q You say "we verified that internally." Who was</p> <p>7 involved in that verification?</p> <p>8 A Allen Weisselberg, probably Jeff McConney and I believe</p> <p>9 Stephanie Lennig.</p> <p>10 Q How do you spell her name?</p> <p>11 A L-E-N-N-I-G.</p> <p>12 Q Thank you.</p> <p>13 MR. HAREN: Let's pull up Plaintiff's Exhibit 1605</p> <p>14 unless there was a different version of this marked</p> <p>15 yesterday. I understand this document is in evidence</p> <p>16 already.</p> <p>17 Q Mr. Birney, do you see that the title of the article is</p> <p>18 "Donald Trump has been lying about the size of his penthouse"?</p> <p>19 A Yes.</p> <p>20 Q Does the article have a date?</p> <p>21 A May 3, 2017.</p> <p>22 Q Is this the article that prompted the change in square</p> <p>23 footage reported in the supporting data to Mr. Trump's Statement</p> <p>24 of Financial Condition?</p> <p>25 A Probably.</p>	

P. BIRNEY - DIRECT (MR. HAREN) Page 1236

1 Q Is it the article or was there some other article?  
2 A I don't know.  
3 MR. HAREN: Let's turn back to the 2016,  
4 Plaintiff's Exhibit 756.  
5 Q Do you remember that we agreed there is a date on the  
6 independent accountant's compilation report on page two. The  
7 date is March 10, 2017, right?  
8 A Yes.  
9 Q All right. Let's move to plaintiff's 01324.  
10 Mr. Birney, this document is in evidence. Does it  
11 appear to be an e-mail from Dan Alexander at Forbes to Allen  
12 Weisselberg and Jeff McConney on February 22, 2017?  
13 A Yes.  
14 MR. HAREN: And could you scroll down just generally  
15 through the e-mail, so Mr. Birney can look at it.  
16 Q Mr. Birney, do you see on the second page of the  
17 exhibit, there's an item entitled, "Trump Tower Penthouse"?  
18 A Yes.  
19 Q Does it state a square footage?  
20 A Yes.  
21 Q What is the square footage that is stated?  
22 A 10,996.  
23 MR. HAREN: Let's pull up Plaintiff's Exhibit 1327.  
24 We apparently have a version of this that's already in  
25 evidence, so I would like to use that one instead of this

P. BIRNEY - DIRECT (MR. HAREN) Page 1237

1 one. Let's pull up Plaintiff's Exhibit 1345.  
2 Q Okay. Mr. Birney, Plaintiff's Exhibit 1345 is in  
3 evidence already.  
4 MR. HAREN: If we could scroll down, please.  
5 Continue to scroll. Please continue. Now scroll back up to  
6 the top of this e-mail.  
7 Q Mr. Birney, do you see on the screen an e-mail from a  
8 person named Noah Kirsch to Alan Garten on March 3, 2017?  
9 A Yes.  
10 Q And do you see that the subject is urgent in all caps  
11 fact checking inquiry from Forbes?  
12 A Yes.  
13 Q If you could scroll down, please. Do you see the item  
14 there entitled Trump Tower penthouse in all caps?  
15 A Yes.  
16 Q Do you see where the e-mail states under the heading  
17 Trump Tower penthouse, "president Trump has told Forbes in the  
18 past that his penthouse occupies 33,000 square feet comprising  
19 the entirety of the floors 66-68 of Trump Tower. And it goes on  
20 is the 1994 declaration accurate and up-to-date. It shows  
21 president Trump's apartment is 1009996.39 square feet. Do you  
22 see that.  
23 A Yes.  
24 Q Did Allen Weisselberg ever inform you before the 2016  
25 Statement of Financial Condition was finalized that he had been

P. BIRNEY - DIRECT (MR. HAREN) Page 1238

1 notified by e-mail from Forbes that Mr. Trump's triplex  
2 apartment was 10,996 square feet?  
3 A Just to be clear, you said 2016?  
4 Q Yes.  
5 A I don't think he did.  
6 Q Did Jeff McConney ever inform you before the 2016  
7 Statement of Financial Condition was finalized that he had been  
8 notified by e-mail from Forbes that Mr. Trump's triplex  
9 apartment was 10,996 square feet?  
10 A I don't -- I don't know. I don't think he did.  
11 Q Let's go back to the 2017 supporting data, Plaintiff's  
12 Exhibit 758. Let's look at again row 969 actually look at row  
13 971. Do you see where it states "triplex-based on comp from 432  
14 Park"?  
15 A Yes.  
16 MR. HAREN: Let's pull up Plaintiff's Exhibit 767.  
17 Q Mr. Birney, could you look through the document?  
18 A Yes.  
19 Q Do you recognize it?  
20 A Yes.  
21 Q What do you recognize it to be?  
22 A The backup to the triplex valued for the 2017.  
23 MR. HAREN: I move this document into evidence.  
24 MR. KISE: For what purpose? It's hearsay. What's  
25 it being admitted for?

P. BIRNEY - DIRECT (MR. HAREN) Page 1239

1 THE COURT: It is hearsay. Depends on -- actually,  
2 it depends upon what they're trying to admit it for. What's  
3 the purpose of admitting it?  
4 MR. HAREN: The witness just testified that this  
5 was the backup to the 2017 valuation of Mr. Trump's triplex.  
6 THE COURT: Well, it's in for that so --  
7 MR. KISE: It is in for the fact that it is a  
8 backup, but not --  
9 THE COURT: But not for the truth --  
10 MR. KISE: Right.  
11 THE COURT: Contents.  
12 MR. KISE: Okay.  
13 THE COURT: Okay.  
14 Q Mr. Birney, there's information contained on the first  
15 page that is in handwriting. Do you see that?  
16 A Yes.  
17 Q What does that information represent?  
18 A The square footage of Mr. Trump's triplex.  
19 Q Do you have an understanding as to whose handwriting is  
20 on this page?  
21 A I think is Stephanie Lennig. I don't know for sure.  
22 Q That was the person you mentioned who was involved in  
23 verifying the square footage of Mr. Trump's triplex after the  
24 article came out?  
25 A Yes.

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1240</p> <p>1 Q Let's turn to page two of the exhibit. Do you have an 2 understanding what is reflected in the mathematical computations 3 on the right side of this page? 4 A Yes. 5 Q And what is your understanding? 6 A It's the dollar per square-foot. 7 Q The dollar per square-foot of what? 8 A Of this unit in 432 Park. 9 Q And the dollar per square-foot that's calculated here 10 was then used to value Mr. Trump's triplex in the 2017 Statement 11 of Financial Condition; is that right? 12 A Can you show me the previous exhibit? 13 Q Sure. 14 MR. HAREN: Let's go back to Plaintiff's 15 Exhibit 758 and down to row 971. 16 A Probably. It's not the same number, but it's very 17 close to that number. 18 Q It says 432 Park in the spreadsheet, doesn't it? 19 A Yes. 20 Q And can you look at Exhibit 767 on the second page. 21 Does that also reference 432 Park? 22 MR. HAREN: Could you zoom -- yeah. 23 A Yes. 24 Q So does the information on this page represent support 25 for the \$10,625 per square-foot number that was used to value</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1242</p> <p>1 Q And you happened upon an article entitled, "Own the 2 Most Expensive Penthouse in U.S. Now!"? 3 A Yes. 4 Q For this property to be used to value Mr. Trump's 5 triplex for the 2017 Statement of Financial Condition, did you 6 discuss it with anybody? 7 A Yes. 8 Q Who did you discuss it with? 9 A Allen Weisselberg or Jeff McConney. 10 Q Did either of them direct you to use this comparable as 11 opposed to any others that you had identified? 12 A I don't remember. 13 Q In 2017, would you have chosen a comparable for Mr. 14 Trump's triplex apartment without being told to do so by Jeff 15 McConney or Allen Weisselberg? 16 A No. 17 MR. HAREN: Let's go to Plaintiff's Exhibit 843, 18 please. Could we go down to row 1011. 19 Q Mr. Birney, do you have an understanding of the 20 information contained in columns B and C in row 1011? 21 A Yes. 22 Q And what is your understanding? 23 A So description of the valuation for Mr. Trump's triplex 24 in 2019. 25 Q What does it indicate to you about what information was</p>
<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1241</p> <p>1 Mr. Trump's triplex for the 2107 statement? 2 A It does. I just don't know why we wouldn't have used 3 10,624 instead of 625. It is very particular. 4 Q Might be a dollar off? 5 A Sorry? 6 Q So it might be a dollar off? 7 A Yes. 8 Q Let's look at page -- continuing on page two of the 9 exhibit. Do you see at the bottom there is an Internet address 10 <a href="https://www.alux.com">https://www.alux.com</a> and then it continues? 11 A Yes. 12 Q What do you understand that to refer to? 13 A I understand that would be the website that this came 14 from. 15 Q So it is a website entitled alux.com? 16 A That is my understanding. 17 Q Did you go to alux.com to find a property to use to 18 value Mr. Trump's triplex for the 2017 Statement of Financial 19 Condition? 20 A I think I did. 21 Q And tell us what you did when you did that. In other 22 words, did you follow a process? How did you identify this 23 process as something that should be used? 24 A I re -- I think I Google-searched recent sales and/or 25 like penthouse sales in Manhattan.</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1243</p> <p>1 used in that valuation? 2 A It indicates there was a comp used from 220 Central 3 Park South that my understanding is that there was a \$10,348 per 4 square-foot number on that 220 Central Park South property. 5 Q And so the 10,348 per square-foot from 220 Central Park 6 South was used to value Mr. Trump's triplex in the June 30, 2019 7 Statement of Financial Condition? 8 A I think so. 9 MR. HAREN: Let's pull up Plaintiff's Exhibit 2530. 10 Q Mr. Birney, do you recognize this document? 11 A Not really. I recognize the first page. 12 Q What is contained on the first page? 13 A First page looks like the same thing as the last year, 14 the square footage for Mr. Trump's triplex. 15 Q It appears to be the same handwriting that was used in 16 the 2017 version we looked at a few minutes ago? 17 A Yes. 18 Q Do you see on the second page there is an article from 19 therealdeal.com? 20 A Yes. 21 Q Do you see at the top there is a date of September 25, 22 2019? 23 A Yes. 24 Q Do you see there's also something at the top that says, 25 "Ken Griffin, 220 Central Park South Priciest U.S. Home Sale."</p>

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1244</p> <p>1 A Yes.</p> <p>2 Q Do you see in the article there is a highlighted price</p> <p>3 of where it says record shattering 238 million?</p> <p>4 A Yes.</p> <p>5 Q Do you see in the paragraph that follows, "A 23,000</p> <p>6 square-foot quadruplex"?</p> <p>7 A Yes.</p> <p>8 Q Do you see that 23,000 square-foot is highlighted?</p> <p>9 A Yes.</p> <p>10 Q Do you see that below there is a strip of what I'll</p> <p>11 refer to as adding machine math?</p> <p>12 A Yes.</p> <p>13 Q Do you have an understanding of what is computed by</p> <p>14 that adding machine math?</p> <p>15 A The price per square-foot for this unit.</p> <p>16 Q What is the price per square-foot that's computed?</p> <p>17 A \$10,347.82.</p> <p>18 MR. HAREN: Can we go back to Plaintiff's</p> <p>19 Exhibit 843.</p> <p>20 Q Does that number match the 10,348 per square-foot</p> <p>21 that's used in row 1011 of this spreadsheet?</p> <p>22 A Yes.</p> <p>23 Q Having now seen that information, do you recognize</p> <p>24 Plaintiff's Exhibit 2530 as the backup or the valuation of Mr.</p> <p>25 Trump's triplex in 2019?</p>	<p>Page 1246</p> <p>1 for which a choice of a price per square-foot that is</p> <p>2 record-shattering could be relevant, and I would rather not</p> <p>3 discuss that in front of the witness.</p> <p>4 THE COURT: Objection overruled. It's relevant to</p> <p>5 the whole process it seems to me evaluating these</p> <p>6 properties.</p> <p>7 (Continued on the next page.)</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1245</p> <p>1 A Yes.</p> <p>2 MR. HAREN: Your Honor, I move this document into</p> <p>3 evidence.</p> <p>4 THE COURT: Granted. It is in evidence.</p> <p>5 (Whereupon, the Document was marked in evidence as</p> <p>6 Plaintiff's Exhibit 2530.)</p> <p>7 MR. KISE: Same objection, Your Honor, as to the</p> <p>8 purpose that it is being moved into evidence for. Also, I</p> <p>9 just have a general objection. You were talking before</p> <p>10 about moving things along. What is the relevance of all of</p> <p>11 this? I mean, I know we have a dispute over whether or not</p> <p>12 the square footage was right or wrong, should have been</p> <p>13 right or wrong, but this doesn't really go to that. This</p> <p>14 just goes to the price per square-foot in 2019 -- after the</p> <p>15 square footage number was corrected. So I'm just not sure</p> <p>16 what relevance this exhibit has or the other one frankly.</p> <p>17 THE COURT: Well, let's hear the explanation.</p> <p>18 MR. HAREN: I would just say the price per</p> <p>19 square-foot is another variable in the valuation and its</p> <p>20 choice could be evidence to matters that are relevant to</p> <p>21 issues being tried.</p> <p>22 MR. KISE: What issue is being tried on that point,</p> <p>23 as to that point?</p> <p>24 MR. HAREN: There are additional elements of the</p> <p>25 other counts that haven't been decided on summary judgment</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1247</p> <p>1 Q Mr. Birney, do you have -- let me -- he already</p> <p>2 testified to that. Excuse me one second.</p> <p>3 (Whereupon, there is a pause in the proceedings.)</p> <p>4 MR. HAREN: Just to clarify, Your Honor, I</p> <p>5 believe I moved Exhibit 2530 into evidence, then the</p> <p>6 objection was made that it's hearsay and I responded that</p> <p>7 it's the backup of -- for this valuation in 2019 and it's</p> <p>8 admissible for that purpose. I just wanted to clarify.</p> <p>9 THE COURT: Yes.</p> <p>10 Q All right. So Mr. Birney, do you see on the top of</p> <p>11 page three of the exhibit -- excuse me -- yes, in the middle of</p> <p>12 page three of the exhibit there is a headline that reads:</p> <p>13 "Ken Griffen sets U.S. home record with \$238 million</p> <p>14 buy at 220 CPS?"</p> <p>15 A Yes.</p> <p>16 Q Do you see that it says it's the most expensive home</p> <p>17 ever sold in the U.S.?</p> <p>18 A Yes.</p> <p>19 Q So was an article in the Real Deal describing the most</p> <p>20 expensive home ever sold in the United States the basis for the</p> <p>21 price per square foot used to value Mr. Trump's triplex for the</p> <p>22 2019 Statement of Financial Condition?</p> <p>23 A Yes.</p> <p>24 Q All right. Let's go back to Plaintiff's Exhibit 758.</p> <p>25 I'd like to direct your attention to Rows 214 through 245.</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1248</p> <p>1 And just in general what's your understanding of the 2 information contained in those rows and ending at Column H? 3 A Which rows one more time? 4 Q 214 to 245. 5 A It's the valuation of the Mar-A-Lago club. 6 Q And Row 215 says "value if sold to an individual." Do 7 you see that? 8 A Yes. 9 Q What does that mean? 10 MR. KISE: Objection. Other than what it says? 11 Q Do you have an understanding of what that means other 12 than what it says? 13 A I don't know if -- I don't -- I don't think I -- I 14 don't think I wrote that. I don't know if I have an 15 understanding of it. 16 Q Okay. 17 THE COURT: Objection -- well, it's -- my usual or 18 often response, let's see if he can answer it. He says he 19 can't answer it, so. 20 Q So Mr. Birney, do you see that there are items 21 identified as comparable properties under Row 217? 22 A Can you repeat the question, please? 23 MR. HAREN: Could I have a read back? 24 THE COURT: Okay. Read back, please. 25 (Whereupon, the requested portion of the</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1250</p> <p>1 A I think they are. 2 Q And just speaking generally do you have an 3 understanding that the properties identified as comparable 4 properties in the valuations of the Mar-A-Lago Club from 2016 to 5 2021 were private residences? 6 A I think they were private residences. 7 Q All right. Who had the authority, if you know, to 8 approve or reject a particular sale as a comparable for 9 Mar-A-Lago in the 2017 statement? 10 A I don't -- I don't really remember, but it's -- Jeff 11 McConney or Allen Weisselberg. 12 Q And who had the authority to approve or reject a 13 particular sale as a comparable for Mar-A-Lago under the 2016 14 statement? 15 A I don't remember 2016. I don't know if that -- those 16 sales were already filled in or not by the time Jeff e-mailed 17 me. 18 Q Were you ever the person who had authority to approve 19 or reject a particular sale as a comparable for Mar-A-Lago in 20 any of Statements of Financial Condition that you worked on? 21 A Can you please repeat the question? 22 MR. HAREN: Could I have a read back, please? 23 THE COURT: Please. 24 (Whereupon, the requested portion of the 25 proceedings was read back by the court reporter.)</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1249</p> <p>1 proceedings was read back by the court reporter.) 2 A Yes. 3 Q And do you have an understanding of what the phrase 4 "comparable properties" as used in Cell C 217 means? 5 A Yes. 6 Q And what's your understanding? 7 A The properties that were used to obtain looks like a 8 value per acre. 9 Q But just in terms of the -- I understand that the 10 phrase refers to the properties that follow it, right. In other 11 words, there are properties listed under Row 217. Do you see 12 that? 13 A Yes. 14 Q I just want to get an understanding of whether you 15 understand the phrase "comparable properties" to mean anything 16 other than those properties that are listed. 17 Let me withdraw the question. 18 Just the phrase "comparable properties" as used here, 19 do you have an understanding of what it means? 20 A My understanding is it means the properties that were 21 used to value the value of Mar-A-Lago in 2017 and '16. 22 Q Okay. Now, do you see where it says "89 Little Road, 23 1695 Drive North Ocean Way and 540 South Ocean Boulevard?" 24 A Yes. 25 Q Are those all private residences?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1251</p> <p>1 A Ultimately, no. 2 Q Now, can you just describe in general in this document 3 how the value of Mar-A-Lago is calculated? 4 A Yes. 5 Q If you need us to move to particular cells, feel free 6 to direct us. 7 A Yes, there were three properties used where their price 8 was divided by the acreage to get a value per acre. That value 9 per acre was averaged it appears. 10 Q And just so the record is clear, which cells are you 11 referring to? 12 A For the numbers D 219 down to E 233. 13 Q Okay. Thank you. 14 A From there the average value per acre was multiplied by 15 the acreage of Mar-A-Lago of 18.81 to get a value, then there 16 were certain things added and subtracted to that figure to get 17 the ultimate value. 18 Q And can you just direct us to where the average price 19 per acre is multiplied by the acreage. Where does that happen? 20 A So cell G 235 and cell H 235. 21 Q And G is for 2017 and H is for 2016; is that right? 22 A Yes. 23 Q Okay. And the adjustments that you mentioned, where 24 did those occur? 25 A Cells G and H of -- I think that's 237 row,</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1252</p> <p>1 22.9 million and 22.5 million added for the construction of 2 grand ballroom and beach cabanas adjusted for inflation. If I 3 remember there is a calculation off to the -- it's either below 4 or up above to the right for that, so it says "see below," so 5 it's probably below. 6 MR. HAREN: You can scroll down a little bit. 7 Q So what you're describing is happening starting at 8 Row 248; is that right? 9 A Yes. 10 Q Okay. And just so I understand the average value per 11 acre and the multiplication to get essentially a value of the 12 total acreage is done based on the private residences that are 13 identified as comparables; is that right? 14 A The private residences that are what? 15 Q Identified as comparables? 16 A Yes. 17 Q Okay. And -- but then there is additional value added 18 for construction of a grand ballroom and beach cabanas that are 19 club facilities; is that right? 20 A I don't know how to answer that. 21 Q Is the grand ballroom used at the club? 22 A At Mar-A-Lago, yes. 23 Q And are the beach cabanas used at the club? 24 A Yes. 25 Q So there is -- some of the valuation is done based on</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1254</p> <p>1 A Can you scroll up to the beginning of Mar-A-Lago? No. 2 Sorry, just -- so as we were going through the valuation I 3 remember why I have an understanding of why that first part was 4 written because we added things back to the location that a 5 private residence wouldn't have. 6 Q Can you direct us to the particular cell that you're 7 referring to? 8 A Yes. 9 Q So let's go down to Row 214 is where it starts. 10 So which information are you referring to? 11 A So you asked me if I had an understanding of value if 12 sold to an individual. 13 Q Sure. 14 A I have an understanding after looking through the 15 valuation. I believe they -- we valued it based on residential 16 properties but then added things that weren't in private 17 residences and then removed things that clubs had that private 18 residences didn't have like the membership deposits refundable. 19 I think it's just a clarifying sentence. Again, I don't think I 20 wrote that, but that's the understanding I have of that now. 21 Q And do you have an understanding of whether that phrase 22 is contained in copies of the Jeff Supporting Data before you 23 began to work on the Statement of Financial Condition? 24 A I don't know. We can look if you want. 25 Q But if it had been contained and it was just carried</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1253</p> <p>1 residential comparables and acres, but components of the club 2 are added to it; is that right? 3 A Yes. 4 Q Okay. And is the method that you described in terms of 5 the value per acre identified from the comparables and then the 6 multiplication across the acreage of Mar-A-Lago, is that used on 7 the statements from 2016 to 2021? 8 A Can you repeat the question, please? 9 MR. HAREN: Can I have a read back, please? 10 THE COURT: Please. 11 (Whereupon, the requested portion of the 12 proceedings was read back by the court reporter.) 13 A No. I believe it was used in 2016 through 2019 and 14 then I didn't value it in 2020 and 2021. I think that was 15 valued by Jody Whitsec (ph). 16 Q Is the method of taking a price per acre from 17 comparables and then multiplying it across the acreage of 18 Mar-A-Lago, is that used in 2020 and 2021? 19 A I don't remember. 20 Q All right. Mr. Birney, let's look at Exhibit 1013. 21 A Can we go back to clarify something? 22 Q Sure. 23 A Just can you pull the last one up? 24 Q Sure. So for the record we're looking again at 25 Plaintiff's Exhibit 758.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1255</p> <p>1 forward would you have just carried it forward? 2 A Yes. And it looks like the 2016 information was used 3 in 2017, so that's a possibility. 4 MR. HAREN: Okay. And before we move on to 5 Exhibit 1013, can we call up Exhibit -- Plaintiff's 6 Exhibit 857? And can you scroll down? Keep scrolling. 7 Keep scrolling. And a little bit more, like three more 8 rows. 9 Q Okay. Mr. Birney, this is the 2020 Supporting Data for 10 Mr. Trump's Statement of Financial Condition. Do you see that 11 at the top? 12 A Yes. 13 Q And are there still private residences used as 14 comparables to generate an average price per acre? 15 A Can you scroll up just a few rows? Yes. 16 Q And can we scroll down just a little bit more? 17 And do you see in Rows 235 to 246 that the average 18 price per acre is multiplied by the acreage? 19 A Yes. 20 MR. HAREN: Okay. Let's call up Plaintiff's 21 Exhibit 1501. 22 Q As we talked about earlier this is the Supporting Data 23 spreadsheet for the 2021 Statement of Financial Condition. 24 MR. HAREN: Could we scroll down to around the same 25 place?</p>

P. Birney - Plaintiff - direct (Haren) Page 1256

1 Q Mr. Birney, do you see beginning in Row 201 it states  
2 "the Mar-A-Lago club value if sold to an individual?"  
3 A Yes.  
4 Q And do you see --  
5 MR. HAREN: Scroll down a little bit more.  
6 Q Row 231 down to 248, are those private residence  
7 comparables?  
8 A Yes.  
9 Q And in Rows 250 and 251 are they -- is the average  
10 price per acre multiplied by acreage?  
11 A Yes.  
12 MR. HAREN: All right. So let's call up  
13 Plaintiff's Exhibit 1013.  
14 THE COURT: It's just about five-minute warning  
15 time and I want to see if I can clarify something based on  
16 something that someone said a little while ago.  
17 Let me ask plaintiffs first. Do you have an  
18 official position on the square footage of the triplex?  
19 MR. WALLACE: An official position as to what it  
20 was or -- I think we do. I think we believe it was  
21 10996.39 square feet.  
22 THE COURT: Okay. Defendant same question. Do you  
23 have an official position on the square footage of the  
24 triplex at the times in issue here?  
25 MR. KISE: At the time at issue? You mean as of

P. Birney - Plaintiff - direct (Haren) Page 1257

1 today?  
2 THE COURT: No. As of 2011 and 2021 say?  
3 MR. KISE: Well, I mean, I think the record has  
4 established that it's 10,996 square feet. The operative  
5 question I think was when we knew that and when we fixed it.  
6 THE COURT: I understand that.  
7 MR. KISE: That's why I'm just not sure what Your  
8 Honor's question about is our official position.  
9 THE COURT: I can't think of a simpler way to put  
10 it. I'm trying to narrow the issues. I thought you had  
11 suggested earlier that there was some dispute about the  
12 actual footage.  
13 MR. KISE: I don't think there is a dispute about  
14 the actual -- I don't want to speak for everyone at the  
15 table. I don't think there is a dispute about the actual  
16 square footage at this point.  
17 THE COURT: Good. I wasn't trying to get to those  
18 secondary tertiary issues.  
19 MR. KISE: Okay.  
20 THE COURT: Okay, five-minute warning.  
21 MR. HAREN: Okay.  
22 MR. KISE: By the way, I like the ten-minute  
23 warning better because it gives you something to look  
24 forward to.  
25 THE COURT: I'll accommodate you.

P. Birney - Plaintiff - direct (Haren) Page 1258

1 Q Mr. Birney, we only have a short time left for the day.  
2 You see at the top of this document it states "Deed of  
3 Development Rights?"  
4 A Yes.  
5 Q Do you see a series of clauses beginning with the word  
6 "whereas" on the first page?  
7 A Yes.  
8 Q And do you see on the second page it states, quote,  
9 "the Club and Trump for good and valuable consideration, the  
10 receipt and sufficiency of which is acknowledged by these  
11 presents, do hereby transfer, grant, bargain, sell, alien,  
12 remise, release, convey, and confirm unto the National Trust to  
13 the extent that such rights have not already been transferred  
14 through the Deed of Conservation and Preservation Easement, any  
15 and all of their rights to develop the property for any usage  
16 other than club usage?"  
17 A Yes.  
18 Q Were you ever shown this document by Jeff McConney  
19 while you were working on the Statement of Financial Condition  
20 for Mr. Trump?  
21 A I don't think so.  
22 Q Were you ever shown this document by Allen Weisselberg  
23 while you were working on the Statement of Financial Condition  
24 for Mr. Trump?  
25 A I don't think so.

P. Birney - Plaintiff - direct (Haren) Page 1259

1 Q Do you recall when, if at all, you first saw this  
2 document?  
3 A Yes.  
4 Q And when was that?  
5 A In preparation for -- actually, in the -- in our  
6 previous interviews with the AG's office.  
7 Q And apart from this 2002 Deed of Development Rights,  
8 did you ever become aware that a Deed of Conservation and  
9 Preservation Easement existed on the Mar-A-Lago property?  
10 A Was I ever made aware?  
11 Q Yes.  
12 A I don't believe I was.  
13 Q Okay.  
14 MR. HAREN: I think it's a good place to end for  
15 the day. Is that okay? Your Honor, I move the Deed of  
16 Development Rights into evidence.  
17 THE COURT: It's in. Granted.  
18 (Whereupon, the item previously referred to is  
19 received and marked Plaintiff's Exhibit Number 1013 in  
20 evidence.)  
21 MR. KISE: I don't know that that's a complete  
22 exhibit and what's the purpose it's being offered for?  
23 MR. HAREN: I think it's identified as relevant to  
24 the issues in the case and --  
25 MR. KISE: Okay, but this witness has no

P. Birney - Plaintiff - direct (Haren)

Page 1260

1 foundation. You just asked him whether he'd ever seen it  
2 before, that's all.

3 THE COURT: Well, I think that's -- well, I don't  
4 want to say what the point is.

5 By the way, Mr. Kise, just to clear up a  
6 misunderstanding between us, maybe what happened before was  
7 you said something about we have an issue with the square  
8 footage. I was taking that to mean how many square feet.  
9 You meant it more in terms of the use, the history, the  
10 knowledge, the notice, etc.

11 MR. KISE: Understood.

12 THE COURT: Yes. All right. So just this one  
13 page? I don't know what else.

14 MR. HAREN: The document is a two-page or  
15 three-page document. It contains the first page of the  
16 deed, a signed page, page two, what appears to be a  
17 notarization on page three and then in Exhibit A describing  
18 the property. And I just note that this document was  
19 produced by the defendants in discovery in this case.

20 THE COURT: If there is any objection to any or all  
21 of it, they're overruled. Clearly relevant.

22 Okay. Tomorrow at ten o'clock as usual. See you  
23 then.

24 MS. FAHERTY: Your Honor, can we have an admonition  
25 to the witness? He's an employee of the -- thank you, Your

Page 1261

1 Honor.

2 THE COURT: Please do not -- all right. I direct  
3 you not to speak to anybody about this case while you're  
4 still a witness and you still are a witness at least until  
5 tomorrow.

6 THE WITNESS: Okay.

7 (Whereupon, the witness is excused from the witness  
8 stand and the trial proceedings is adjourned to October 13,  
9 2023 at 10:00 a.m.)

Proceedings

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cell phones are on silent. Laptops and cell  
4 phones will be permitted, but only to members of the press.  
5 There is absolutely no recording or photography of any kind  
6 allowed in the courtroom. Now be seated and come to order.  
7 THE COURT: Tommy, do they pay you by the word  
8 also?  
9 I understand Counsel want to have a little  
10 discussion up here, what I call front bar?  
11 (Whereupon, there is an off-the-record discussion  
12 held.)  
13 THE COURT: On the record.  
14 Before we get back with the witnesses, we have some  
15 housekeeping to do. Maybe I'll ask plaintiff, just I'd like  
16 to go from left to right. They want to go first.  
17 MS. FAHERTY: Your Honor, just to clean up an issue  
18 that arose yesterday during one of Mr. Birney's testimony,  
19 there was an exhibit that was admitted into the record,  
20 specifically it was Plaintiff's PX 1167.  
21 Counsel stood up, raised the question because there  
22 appeared to be additional pages at the end of that  
23 particular exhibit. Full disclosure, I've had our  
24 technology group run down the issue and it appears when we  
25 received documents sent over to us in their original form

Page 1265

Proceedings

1 there was additional metadata that added those papers onto  
2 it when we put everything in a material exhibit form. They  
3 were not apart of that exhibit, so we had separated the  
4 additional pages and the testimony received on the central  
5 portion of Plaintiff's Exhibit 1167, the Statement of  
6 Financial Condition is just the Statement of Financial  
7 Condition.  
8 So Counsel can inspect the exhibit. The additional  
9 pages are removed and we would just ask that the Court admit  
10 this clean version of Plaintiff's Exhibit 1167 as it's been  
11 corrected.  
12 THE COURT: Cleanliness is next to Godliness, so we  
13 definitely want a clean copy.  
14 MS. FAHERTY: Thank you, Your Honor.  
15 THE COURT: And defendants are fine with that?  
16 MR. KISE: Yes.  
17 MS. FAHERTY: Yes.  
18 THE COURT: All right. Anything else from the  
19 plaintiff on the housekeeping arena?  
20 MR. KISE: Thank you, Judge. Just briefly, the  
21 ruling yesterday on Ms. Mouradian's deposition excerpts, I  
22 just wanted to ask maybe what turns out to be a clarifying  
23 question and maybe not. Do you have it there, Your Honor?  
24 I mean, I have it.  
25 THE COURT: I'm somewhat familiar. I read it all.

Proceedings	Page 1266	P. Birney - Plaintiff - direct (Haren)	Page 1268
<p>1 MR. KISE: Okay. So in the communication to the</p> <p>2 Court originally there were plaintiff's objections of the</p> <p>3 defendant's designations and then our objections to their</p> <p>4 designations and what I'm speaking specifically about is the</p> <p>5 objection -- plaintiff's objection to defendant's</p> <p>6 designation of page 103, lines 12 to 18.</p> <p>7 In the -- so there is two issues I'd like to bring</p> <p>8 up. First of all, in the ruling, the ruling excludes ten</p> <p>9 pages, not six lines.</p> <p>10 THE COURT: That was a mistake.</p> <p>11 MR. KISE: I thought so, but I'm like wait.</p> <p>12 Okay, so that's one.</p> <p>13 So it's any ruling would then be limited to these</p> <p>14 six lines if I don't convince you to change your mind on the</p> <p>15 six lines, which I might not.</p> <p>16 THE COURT: Probably not.</p> <p>17 MR. KISE: Okay. So on those six lines, I'm</p> <p>18 referring to page 103, lines 12 to 18.</p> <p>19 MS. GREENFIELD: I'm sorry, Counselor. Just to</p> <p>20 clarify, I believe the ruling was that's admissible;</p> <p>21 correct?</p> <p>22 MR. KISE: No, it says "inadmissible."</p> <p>23 MS. GREENFIELD: Okay. Hold on one second.</p> <p>24 MR. KISE: I mean, if it's all admissible, I can</p> <p>25 sit down. I think it is.</p>		<p>1 THE COURT: I thought so. We'll make sure we look</p> <p>2 at it and confer with the People if we need to.</p> <p>3 Ready for the witness? Let's call the witness</p> <p>4 back.</p> <p>5 THE COURT OFFICER: Witness entering.</p> <p>6 (Whereupon, the witness enters the courtroom and</p> <p>7 approaches the witness stand.)</p> <p>8 THE COURT: I'll remind the witness, as I always</p> <p>9 do, that he's still under oath.</p> <p>10 And let's continue with the direct examination.</p> <p>11 MR. HAREN: Thank you, Your Honor.</p> <p>12 DIRECT EXAMINATION</p> <p>13 BY MR. HAREN:</p> <p>14 Q Good morning, Mr. Birney. Good morning.</p> <p>15 A Morning.</p> <p>16 MR. HAREN: Let's call up Plaintiff's Exhibit 3030.</p> <p>17 Q Mr. Birney, do you recognize this document?</p> <p>18 A Yes.</p> <p>19 Q What do you recognize it to be?</p> <p>20 A Newspaper article and a note.</p> <p>21 Q Do you have an understanding of who the note is from?</p> <p>22 A Yes.</p> <p>23 Q And what is your understanding?</p> <p>24 A The note is from Allen Weisselberg.</p> <p>25 Q And do you see where the note states -- well, actually,</p>	
Proceedings	Page 1267	P. Birney - Plaintiff - direct (Haren)	Page 1269
<p>1 MS. GREENFIELD: Give me one second.</p> <p>2 MR. AMER: Your Honor, I'm wondering since this is</p> <p>3 the first time we're hearing of this issue that maybe we can</p> <p>4 confer and just understand what the issue is.</p> <p>5 THE COURT: Sure. Why don't you do that. I assume</p> <p>6 it would be very quick.</p> <p>7 MR. AMER: I mean, not now so we don't hold up the</p> <p>8 witness.</p> <p>9 MR. KISE: Your Honor, this has been debated for,</p> <p>10 like, a week and a half. It's not the first time they heard</p> <p>11 the issue. They made the objection. It's a very simple</p> <p>12 issue, about six lines.</p> <p>13 MR. AMER: I think you're now saying there is a</p> <p>14 ruling on something that is not consistent with what the</p> <p>15 Court asked us to do and this is the first time I'm hearing</p> <p>16 that.</p> <p>17 MR. KISE: No, I think the judge said that was a</p> <p>18 mistake.</p> <p>19 THE COURT: You mean the ten pages?</p> <p>20 MR. KISE: Yes, the ten pages.</p> <p>21 THE COURT: Obviously that's unintentional.</p> <p>22 MR. KISE: I'm not taking issue with that.</p> <p>23 THE COURT: Mr. Kise, can we resolve this at the</p> <p>24 next break?</p> <p>25 MR. KISE: Sure.</p>		<p>1 can you read Mr. Weisselberg's note into the record? Just</p> <p>2 because you're probably more familiar with his handwriting than</p> <p>3 I am.</p> <p>4 A Yes. "Patrick, hold for next year DJT FS," probably</p> <p>5 meaning financial statement. "Let's see what it ends up selling</p> <p>6 for. Allen."</p> <p>7 Q Thank you.</p> <p>8 And do you understand the "F/S" in the note to refer to</p> <p>9 Mr. Trump's Statement of Financial Condition?</p> <p>10 A Yes.</p> <p>11 MR. HAREN: I'd like to move this document into</p> <p>12 evidence.</p> <p>13 MR. ROBERT: To the extent it's being introduced</p> <p>14 just for notice of it and not the facts of what's contained</p> <p>15 in the article. And furthermore, do we have a date that we</p> <p>16 can associate with this? Because it looks like it's a</p> <p>17 PostIt and an article with no date before we put it into</p> <p>18 evidence.</p> <p>19 THE COURT: Let's start with the date.</p> <p>20 MR. HAREN: My understanding is that this is a 2018</p> <p>21 news article. It doesn't say that here, but it will become</p> <p>22 clear with the subsequent exhibit that's already been</p> <p>23 admitted into evidence that it is included in the 2019</p> <p>24 Mar-A-Lago valuation backup.</p> <p>25 THE COURT: Considering that the note, I don't know</p>	

<p>P. Birney - Plaintiff - direct (Haren) Page 1270</p> <p>1 that the date particularly matters. We know who it's from 2 certainly.</p> <p>3 MR. ROBERT: If he can connect it up in a little 4 while as to what the date is, I have no objection to giving 5 him the room to do that so long as we preserve the objection 6 as to the hearsay portion of the article. We're not 7 disputing this is Mr. Weisselberg's name -- signature on the 8 PostIt.</p> <p>9 THE COURT: Yes. It's not coming in for the truth 10 of its contents. So to that extent, objection sustained.</p> <p>11 MR. ROBERT: Thank you, sir.</p> <p>12 Q So just looking at the language of the article, 13 Mr. Birney.</p> <p>14 THE COURT: You want a clarification?</p> <p>15 MR. SOLOMON: Yes. I do want a clarification 16 because I want -- the article is not being admitted for the 17 truth, but the PostIt is different. The PostIt has been 18 established is a note from Mr. Weisselberg to Patrick 19 directing him to do something.</p> <p>20 MR. ROBERT: I'm not disputing that's 21 Mr. Weisselberg's note. I'm just saying I don't know what 22 year it's from or what backup this is supposed to be part 23 of. That's all.</p> <p>24 THE COURT: Well, Mr. Solomon is correct and I 25 should have been more specific. I just meant the article</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1272</p> <p>1 valuation contained between Rows 218 and 259? What is it a 2 valuation of?</p> <p>3 A It's a valuation of Mar-A-Lago.</p> <p>4 Q Okay. And I just want to focus you on Rows 222 to 5 Row 245. There is a comparable property -- excuse me. 222 to 6 225. I misspoke.</p> <p>7 There is a comparable property identified there called 8 60 Blossom Way. Do you see that?</p> <p>9 A Yes.</p> <p>10 Q And do you have an understanding of the computation 11 occurring in cells D 223 to D 225?</p> <p>12 A Yes.</p> <p>13 Q What's your understanding of that computation?</p> <p>14 A It's the selling price divided by the number of acres 15 to get a value per acre.</p> <p>16 Q And same question for the computation that occurs 17 between Rows 228 and 230 in Column D.</p> <p>18 A Same answer.</p> <p>19 Q So there is a price 78,291,000 divided by 2.61 acres to 20 yield \$29,996,552 per acre?</p> <p>21 A Yes.</p> <p>22 Q Do you have an understanding of how the price per acre 23 figures in column D in the portion of the spreadsheet that we're 24 looking at factor into the valuation of Mar-A-Lago in this year?</p> <p>25 A Can you repeat the question?</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1271</p> <p>1 itself is not coming in for the truth. As for the note, I 2 think it comes in for various reasons.</p> <p>3 MR. SOLOMON: Thank you, Your Honor.</p> <p>4 THE COURT: Okay. Thank you.</p> <p>5 Q Mr. Birney, what is the news clipping in this document 6 about?</p> <p>7 A A property for sale.</p> <p>8 Q And just focusing on the first paragraph of the 9 article, do you see where it states "Broadway producer and Palm 10 Beach socialite Terry Allen Kramer is listing La Follia, her 11 chateau-like Palm Beach compound for \$135 million?"</p> <p>12 A Yes.</p> <p>13 Q And so this is the potential sale that Mr. Weisselberg 14 directed you to hold for next year; is that right?</p> <p>15 A If the sticky was on the newspaper article.</p> <p>16 Q They were produced to us in this form together as one 17 document. Do you have a direction of keeping these two pieces 18 of information in your files and saving them for a subsequent 19 year?</p> <p>20 A I probably kept it, yes.</p> <p>21 MR. HAREN: Okay. Let's turn to the Plaintiff's 22 Exhibit 843, please. It's the 2019 Supporting Data.</p> <p>23 And could we scroll to Rows 218? And scroll down 24 to 259. Scroll down a little bit more, please.</p> <p>25 Q So Mr. Birney, can you describe in general terms the</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1273</p> <p>1 Q I'll ask it in a more direct way.</p> <p>2 Price per acre that's computed in Column D, that yields 3 a result in cell D 248; is that right?</p> <p>4 A Yes, it appears to be an average value per acre.</p> <p>5 Q And then that's multiplied by the acreage in Column G; 6 right?</p> <p>7 A In Column G, yes. G 50 is a multiplication of the 8 acreage.</p> <p>9 Q And the information?</p> <p>10 THE COURT: Wait. Hold on one second. It's 11 difficult to hear you, especially out there. Either move 12 the mic up. And I think you tend to swallow your words a 13 little bit. Try to be a little slower, a little louder.</p> <p>14 MR. HAREN: I will do my best.</p> <p>15 THE COURT: That's better.</p> <p>16 Q Mr. Birney, I just want to clarify one thing. The 17 value per acre in Cell D 230 comes from the property 1295 South 18 Ocean. Am I reading that correctly?</p> <p>19 A That's what it looks like.</p> <p>20 MR. HAREN: Okay. Let's call up Plaintiff's 21 Exhibit 3026.</p> <p>22 Q Mr. Birney, do you recognize this document?</p> <p>23 A I recognize it to be an e-mail.</p> <p>24 Q Is it an e-mail from Allen Weisselberg to you on 25 September 10, 2019?</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1274</p> <p>1 A Yes.</p> <p>2 Q And in the e-mail does Mr. Weisselberg forward you a</p> <p>3 news article pertaining to a \$99 million Florida property</p> <p>4 transaction?</p> <p>5 A Yes.</p> <p>6 MR. HAREN: I'd like to move this document into</p> <p>7 evidence.</p> <p>8 MR. ROBERT: Same objection as to the hearsay in</p> <p>9 the news article.</p> <p>10 THE COURT: And the same ruling. The news article</p> <p>11 is not coming in for the truth of its contents, but for</p> <p>12 whatever notice it might provide or other information.</p> <p>13 MR. ROBERT: Thank you.</p> <p>14 (Whereupon, the item previously referred to is</p> <p>15 received and marked Plaintiff's Exhibit Number 3026 in</p> <p>16 evidence.)</p> <p>17 Q And Mr. Birney, do you see what Mr. Weisselberg wrote</p> <p>18 to you, quote, "For the SOFC?"</p> <p>19 A Yes.</p> <p>20 Q What -- did you have an understanding of what he meant</p> <p>21 by that?</p> <p>22 A Yes.</p> <p>23 Q And what was your understanding?</p> <p>24 A Let's look at this for the Statement of Financial</p> <p>25 Condition.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1276</p> <p>1 A Okay. I probably retained this.</p> <p>2 Q So you followed the instruction that Mr. Weisselberg</p> <p>3 gave you to keep that information for the SOFC?</p> <p>4 A I don't know that he said keep it for the SOFC, I</p> <p>5 think, but I kept it.</p> <p>6 Q For the SOFC?</p> <p>7 A For the SOFC, yes.</p> <p>8 Q All right. Let's look at the second page of the</p> <p>9 document. Do you see in the e-mail -- excuse me -- in the</p> <p>10 document there is an e-mail from Mr. Weisselberg to you dated</p> <p>11 September 11, 2019 that states, quote, "More info on the house</p> <p>12 purchase in PB?"</p> <p>13 A Yes.</p> <p>14 Q What did you understand Mr. Weisselberg to mean by</p> <p>15 that?</p> <p>16 A He is providing me additional information on a Palm</p> <p>17 Beach house purchase.</p> <p>18 Q And then the first page of the document contains -- or</p> <p>19 can you describe to me what is contained on the first page of</p> <p>20 the document?</p> <p>21 A Yes, it looks like a newspaper clipping that shows and</p> <p>22 appears to be a transaction for 60 Blossom Way in Palm Beach.</p> <p>23 There is a calculation on it that gives a price breaker,</p> <p>24 probably similar to what we saw on the Supporting Data</p> <p>25 spreadsheet if I had to guess.</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1275</p> <p>1 MR. HAREN: All right. Let's call up Plaintiff's</p> <p>2 Exhibit 1040, and this document is already in evidence.</p> <p>3 Q Mr. Birney, this is a 20-page document, so I would</p> <p>4 appreciate if you took a moment to look through it.</p> <p>5 Have you had sufficient time to review the document?</p> <p>6 A I'm through about half.</p> <p>7 Q Okay.</p> <p>8 A Okay.</p> <p>9 Q Thank you.</p> <p>10 MR. HAREN: Please turn to page four of the</p> <p>11 exhibit.</p> <p>12 Q Is this the same e-mail that we saw in Plaintiff's</p> <p>13 Exhibit 3026?</p> <p>14 A It looks like it.</p> <p>15 Q And it contains a communication from Mr. Weisselberg to</p> <p>16 you that states, quote, "For the SOFC."</p> <p>17 Did you retain his e-mail and include it in the</p> <p>18 document that is Plaintiff's Exhibit 1040?</p> <p>19 A Can you repeat the question?</p> <p>20 Q Did you retain Mr. Weisselberg's e-mail that states</p> <p>21 "For the SOFC" and then include it in the document that is</p> <p>22 Plaintiff's Exhibit 140 -- 1040?</p> <p>23 A Is this -- is that what this means, Plaintiff's</p> <p>24 Exhibit?</p> <p>25 Q Yes, excuse me.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1277</p> <p>1 Q Do you see that 60 Blossom Way 99.1 million and</p> <p>2 3.5 acres are highlighted?</p> <p>3 A Yes.</p> <p>4 Q Did you highlight that text?</p> <p>5 A Maybe.</p> <p>6 Q Do you have an understanding of what the highlighting</p> <p>7 indicates?</p> <p>8 A Yes.</p> <p>9 Q And what is your understanding?</p> <p>10 A The information is highlighted that went in the</p> <p>11 calculation on the adding machine tape in front of us.</p> <p>12 Q And by "adding machine tape," are you referring to the</p> <p>13 portion of the document in white that states "60 Blossom Way</p> <p>14 price per acre?"</p> <p>15 A Yes.</p> <p>16 Q And is that your handwriting on the adding machine</p> <p>17 tape?</p> <p>18 A Yes.</p> <p>19 Q Do you see on the document below the 60 Blossom Way</p> <p>20 sale there is another transaction referenced?</p> <p>21 A Yes.</p> <p>22 Q And do you see that it states "1290 South Ocean</p> <p>23 Boulevard, price 85 million" and then under "details" it states</p> <p>24 "about eight gorgeous acres?"</p> <p>25 A Yes.</p>

P. Birney - Plaintiff - direct (Haren) Page 1278	Page 1280
<p>1 Q Did Mr. Weisselberg ask you to incorporate a price per 2 acre from the 1290 South Ocean Boulevard transaction into the 3 2019 Mar-A-Lago valuation? 4 A I don't remember. 5 Q Do you have an understanding as to whether 6 Mr. Weisselberg sent you the news clipping that is on the first 7 page of this document? 8 A He may have. 9 Q Let's see if we could refresh your recollection and 10 have some of your prior testimony put up on the screen. 11 Page 421 at line 12. 12 MR. HAREN: Can you zoom out a little bit, please? 13 And can you scroll down a little bit more? 14 Q So Mr. Birney, do you see in -- we're looking at pages 15 421 to 422 of your prior testimony, and I ask you the following 16 question: 17 So is it your understanding whether Mr. Weisselberg 18 sent you the first photograph that we looked at or he sent you 19 this photograph that Mr. Weisselberg provided you with the comp 20 that you used at 60 Blossom Way and then you asked "Is the next 21 page an e-mail from -- usually I'll include where I got the 22 information?" 23 "QUESTION: We can scroll down to page four. 24 "ANSWER: Yes, so I probably got both of those from 25 Allen Weisselberg."</p>	<p>1 Q It was produced as one document, yes? 2 A Okay. Then yes. 3 Q All right. Let's turn to page eight of the document, 4 please. 5 A Which page? 6 Q Page eight. 7 Transcript continues on following page.... 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>
P. Birney - Plaintiff - direct (Haren) Page 1279	P. BIRNEY - DIRECT(MR. HAREN) Page 1281
<p>1 Does seeing that testimony refresh your 2 recollection as to where you obtained this information on 3 the document? 4 A Not really. I have no reason to believe my prior 5 testimony was inaccurate. I think I just said "probably got 6 them from Allen Weisselberg." What did I say before maybe? 7 Q I'm looking at page 422, eight to nine: 8 "Yes, I probably got both of those from Allen 9 Weisselberg." 10 It's fine we can just move on. 11 MR. HAREN: Could you turn to page 12 of the 12 document, please? 13 Q Mr. Birney, does page 12 of the document contain the 14 same news article and note, Plaintiff's Exhibit 3030? 15 A They appear to be the same. 16 Q So you did save Mr. Weisselberg's note and the news 17 clipping as his note indicated you should do; right? 18 A Probably. 19 Q Did you prepare the backup for the Mar-A-Lago valuation 20 in 2019? 21 A Yes. 22 Q And the note that Mr. Weisselberg sent you is contained 23 in the backup file, isn't it? 24 A Can you represent that this 20-page document is the -- 25 is one PDF?</p>	<p>1 Q Mr. Birney, do you see that a title on this page from a 2 news article states, "Former Broadway producer Terry Allen 3 Kramer's Estate Sells for the Record Breaking 105 Million in 4 Palm Beach"? 5 A Yes. 6 Q And do you see that above the paragraph and below the 7 photograph, there is handwriting that states, "1259 S. Ocean." 8 Do you see that? 9 A Yes. 10 Q What do you understand that handwriting to refer to? 11 A I understand that refers to the address at this 12 location. 13 Q And there's some adding machine math on the right side 14 of the page. Do you see what that computes? 15 A I believe it computes in value per acre for the sale. 16 It starts with 105 million which is indicated as the sale price 17 and it divides it by 4.72 and I just can't seem to find where 18 the 4.72, which I believe are acres, came from on this page. 19 Q Do you see that there's a note above the adding machine 20 math that states, "For valuation purposes, we are excluding the 21 pure vacant land (second parcel) that includes 2.1 acres because 22 no structures." 23 A Yes. 24 Q Did the substance of that note come from Mr. 25 Weisselberg?</p>

<p>P. BIRNEY - DIRECT(MR. HAREN) Page 1282</p> <p>1 A Probably.</p> <p>2 Q Let's see if we can refresh your recollection and pull</p> <p>3 up page 428 of your prior testimony. Do you see page on 428,</p> <p>4 lines three to six -- excuse me, three to seven.</p> <p>5 "Does the note here that you read about for valuation</p> <p>6 purposes for Statement of Financial Condition, does that reflect</p> <p>7 an instruction you received from Allen Weisselberg?</p> <p>8 "ANSWER: I believe so. Yes."</p> <p>9 Does that refresh your recollection as to who the</p> <p>10 substance of the note on page eight came from Mr.</p> <p>11 Weisselberg?</p> <p>12 A No, but I have no reason to doubt that it -- that it</p> <p>13 did.</p> <p>14 Q Okay. So fair to say that there is a news article that</p> <p>15 describes this transaction at 1259 S. Ocean Boulevard as a</p> <p>16 record-breaking 105 million sale and the price per acre was</p> <p>17 derived by excluding portions of the acreage from the price per</p> <p>18 acre?</p> <p>19 A That's what the note says. I can't verify the math of</p> <p>20 it right now.</p> <p>21 Q Did Allen Weisselberg direct you to use the comparable</p> <p>22 properties that were used to value Mar-A-Lago in the 2019</p> <p>23 Statement of Financial Condition?</p> <p>24 A Yes.</p> <p>25 Q Did anyone at the Trump Organization between 2015 and</p>	<p>P. BIRNEY - DIRECT(MR. HAREN) Page 1284</p> <p>1 defendants do not dispute the following fact: "Mr. Trump's</p> <p>2 limited partnership interests are held through a series of</p> <p>3 entities named Hudson Waterfront Associates with substantially</p> <p>4 similar terms."</p> <p>5 And I would like to mark or pull up Plaintiff's</p> <p>6 Exhibit 1213.</p> <p>7 Mr. Birney, do you see on the first page of this</p> <p>8 exhibit, there is an e-mail with the subject "RE: Vornado?"</p> <p>9 A Yes.</p> <p>10 Q Do you see that substance of the e-mail from Maria</p> <p>11 Lagani to Ivanka Trump, Allen Weisselberg and Alan Garten</p> <p>12 states, "Hi, Ivanka. Attached are the Decision on Motion, the</p> <p>13 Appellate Decision and Agreement of Partnership - this is one of</p> <p>14 six identical agreements." Do you see that?</p> <p>15 A Yes.</p> <p>16 Q Let's turn to page two of the document. It is a</p> <p>17 106-page document entitled, "Agreement of Limited Partnership of</p> <p>18 Hudson Waterfront Associates I, LP."</p> <p>19 During your work at the Trump Organization, did anyone</p> <p>20 ever show you any of the agreements governing Mr. Trump's</p> <p>21 partnerships with the Vornado Realty Trust?</p> <p>22 A I don't believe so.</p> <p>23 Q During your work at the Trump Organization, were you</p> <p>24 ever provided a summary of any partnership agreement governing</p> <p>25 Mr. Trump's partnerships with Vornado Realty Trust?</p>
<p>P. BIRNEY - DIRECT(MR. HAREN) Page 1283</p> <p>1 2021 ever make you aware of any appraisal that appraised</p> <p>2 rent-stabilized units at Trump Park Avenue?</p> <p>3 A Can you please repeat the question?</p> <p>4 MR. HAREN: Can I have a readback, please.</p> <p>5 THE COURT: Please. Thank you.</p> <p>6 (Whereupon, the requested portion of the record was</p> <p>7 read back.)</p> <p>8 A I don't think so.</p> <p>9 Q Okay. Mr. Birney, let's move on to the topic of Mr.</p> <p>10 Trump's partnerships with the Vornado Realty Trust. I would</p> <p>11 like to pull up Plaintiff's Exhibit 856, 2020 Statement of</p> <p>12 Financial Condition, and turn to page 20, please.</p> <p>13 Sorry. Wrong page. Scroll up, please. There. One</p> <p>14 more page.</p> <p>15 Mr. Birney, do you see where it states that, "Mr. Trump</p> <p>16 and Vornado Realty Trust are partners in two properties? I'll</p> <p>17 just read from the document. It states, "In May 2007, Mr. Trump</p> <p>18 and Vornado Realty Trust became partners in two properties." Do</p> <p>19 you see that?</p> <p>20 A Yes.</p> <p>21 Q And do you see three paragraphs down where it states,</p> <p>22 "Mr. Trump owns 30 percent of these properties as a limited</p> <p>23 partner"?</p> <p>24 A Yes.</p> <p>25 Q I'd like to advise you that in this litigation,</p>	<p>P. BIRNEY - DIRECT(MR. HAREN) Page 1285</p> <p>1 A I don't believe so.</p> <p>2 Q Mr. Birney, do you generally recall testimony yesterday</p> <p>3 regarding Mr. Trump's triplex apartment?</p> <p>4 A Yes.</p> <p>5 MR. HAREN: Let's call up Plaintiff's Exhibit 1196,</p> <p>6 please. It is a native file and I'll state that the file</p> <p>7 name is "1-jeffsupportingdata6.2017vpb10.05.17.xlsx."</p> <p>8 What does that file name indicate based on your</p> <p>9 file saving practices?</p> <p>10 A Can you repeat the file name, please?</p> <p>11 Q Sure. "1-jeffsupportingdata6.2017vpb10.05.17"?</p> <p>12 A That's typically how I save documents. I'll save it in</p> <p>13 the file name as of the date that I'm working on it. So I would</p> <p>14 understand that to be the file that I worked on on October 5,</p> <p>15 2017.</p> <p>16 MR. HAREN: Can we scroll down to row 913, column G</p> <p>17 and H. And just I neglected to say the magic words on</p> <p>18 Exhibit 1213, so if we could move that into evidence.</p> <p>19 THE COURT: Granted. It is in evidence.</p> <p>20 (Whereupon, the Document was marked in evidence as</p> <p>21 Plaintiff's Exhibit 1213.)</p> <p>22 Q Mr. Birney, do you have --</p> <p>23 MR. ROBERT: Objection. I just looked at the</p> <p>24 screen. I thought he was trying to move this in. There is</p> <p>25 no foundation as to 1213. The witness never saw this</p>

P. BIRNEY - DIRECT(MR. HAREN)Page 1286	P. BIRNEY - DIRECT(MR. HAREN)Page 1288
<p>1 agreement before.</p> <p>2 MR. HAREN: It is a document produced from Trump</p> <p>3 Organization files with Mr. Trump's signature at the end of</p> <p>4 the agreement. Those issues are already in the summary</p> <p>5 judgment record as well.</p> <p>6 MR. ROBERT: Not through this witness. I'm not</p> <p>7 disagreeing this appears to be the agreement, but not</p> <p>8 through this witness. He hasn't identified the document.</p> <p>9 THE COURT: Well, I don't think you have to</p> <p>10 introduce an exhibit through a particular witness. I think</p> <p>11 you can just move that be admitted into evidence based on</p> <p>12 what has happened in the past or what is obvious or known</p> <p>13 about the exhibit.</p> <p>14 MR. ROBERT: We're not disputing -- are you asking</p> <p>15 any more questions of this witness of this document? I</p> <p>16 guess that's my bigger issue since he doesn't know the</p> <p>17 document.</p> <p>18 MR. HAREN: I don't plan to ask him any more</p> <p>19 questions about the agreement.</p> <p>20 THE COURT: Withdrawn.</p> <p>21 Q Mr. Birney, looking at the --</p> <p>22 MR. AMER: Just for the record, it is admitted, right?</p> <p>23 THE COURT: Yes, admitted. You people are so</p> <p>24 careful.</p> <p>25 MR. HAREN: We were already admonished about the</p>	<p>1 THE COURT: Granted. It is in evidence.</p> <p>2 (Whereupon, the Document was marked in evidence as</p> <p>3 Plaintiff's Exhibit 1196.)</p> <p>4 MR. HAREN: Since this one is on the screen as</p> <p>5 well, can I move this one into evidence, Exhibit 1198?</p> <p>6 THE COURT: Granted. It is in evidence.</p> <p>7 (Whereupon, the Document was marked in evidence as</p> <p>8 Plaintiff's Exhibit 1198.)</p> <p>9 Q So, Mr. Birney, looking at rows 939 through 942, can</p> <p>10 you describe what is reflected there?</p> <p>11 A Can you scroll up a couple of rows, please, so we can</p> <p>12 get a year on these columns?</p> <p>13 Q Sure. Just scroll up until we see what year column G</p> <p>14 reflects.</p> <p>15 A Okay. Thank you. So row 939 I think is the same thing</p> <p>16 we just looked at, which indicates the valuation for 2016 for</p> <p>17 the triplex apartment. And then 941 and 942 are new for 2017,</p> <p>18 but indicate the triplex was valued based on a comp at 432 Park</p> <p>19 for 10,996 square feet at \$10,625 per square-foot. D 941 is</p> <p>20 probably just a calculation of those two, a multiplication of</p> <p>21 those two figures. And then 942 line 942 indicates there is a</p> <p>22 35 percent premium for ex-president's house. I would imagine D</p> <p>23 942 is some sort of formula that multiplies D 941 times</p> <p>24 35 percent.</p> <p>25 Q And then going down to row 950, beginning at -- in</p>
P. BIRNEY - DIRECT(MR. HAREN)Page 1287	P. BIRNEY - DIRECT(MR. HAREN)Page 1289
<p>1 magic words.</p> <p>2 Q Looking at Exhibit 1196 that is on the screen, do you</p> <p>3 see the information in row 913?</p> <p>4 A Yes.</p> <p>5 Q And what do you understand is contained in columns B</p> <p>6 and C and G and H in that row?</p> <p>7 A A description for the valuation of the Trump Tower</p> <p>8 triplex for these two years that we're looking at.</p> <p>9 Q So this is a draft of the supporting data for 2017 and</p> <p>10 as of the date of this document, the 30,000 square-foot number</p> <p>11 is still used, correct?</p> <p>12 A Yes.</p> <p>13 MR. HAREN: All right. Let's call up Plaintiff's</p> <p>14 Exhibit 1198. This is another native file.</p> <p>15 Q Sir, Mr. Birney, the file name on this document is</p> <p>16 "1-sofcsupportingdata6.2017vpb10.06.17".</p> <p>17 What does that file name indicate to you based on your</p> <p>18 practices?</p> <p>19 A It indicates that it is a draft from the next day.</p> <p>20 Q And by the next day, you mean October 6, 2017?</p> <p>21 A Yes.</p> <p>22 Q Let's scroll down to rows 939 through 941, please.</p> <p>23 MR. HAREN: Your Honor, I neglected to say the</p> <p>24 magic words about Exhibit 1196, the native file just before</p> <p>25 this one, so I move that into evidence.</p>	<p>1 column D, there's a question written there, "35 percent premium</p> <p>2 ex-president, question mark, would give 27 million." Do you see</p> <p>3 that?</p> <p>4 A Yes.</p> <p>5 Q What does that language with the yellow highlighter</p> <p>6 that fills those cells indicate to you?</p> <p>7 A Can you please scroll down just a couple of rows?</p> <p>8 Thank you. That indicates an internal note that probably</p> <p>9 multiplies rows -- sorry, G950, the sum of G950 all the way</p> <p>10 down to G966 and multiplies that sum by 35 percent probably</p> <p>11 equals 27 million.</p> <p>12 Q And is the general idea that applying a 35 percent</p> <p>13 ex-president premium to those property values would yield an</p> <p>14 extra 27 million in value?</p> <p>15 A If that's how I read it? If you want to pull up a</p> <p>16 calculator, we can do that.</p> <p>17 Q I just want to get your understanding. Is that your</p> <p>18 understanding?</p> <p>19 A That is my understanding.</p> <p>20 Q Was applying a president premium to a series of assets</p> <p>21 in the supporting data something you would have done on your own</p> <p>22 without being directed to do so?</p> <p>23 A No.</p> <p>24 Q Who directed you?</p> <p>25 A I don't really remember, but probably Allen</p>

P. BIRNEY - DIRECT(MR. HAREN)	Page 1290	P. BIRNEY - DIRECT(MR. HAREN)	Page 1292
<p>1 Weisselberg.</p> <p>2 MR. HAREN: Let's pull up Plaintiff's Exhibit 1200.</p> <p>3 Q Mr. Birney, do you recognize this document as a draft</p> <p>4 supporting spreadsheet for the 2017 Statement of Financial</p> <p>5 Condition?</p> <p>6 A Yes.</p> <p>7 MR. HAREN: I move this document in evidence.</p> <p>8 THE COURT: Granted. It is in.</p> <p>9 (Whereupon, the Document was marked in evidence as</p> <p>10 Plaintiff's Exhibit 1200.)</p> <p>11 Q Mr. Birney, the file name is "1-sofcsupporting</p> <p>12 data6.2017vpb10.10.17." What does that file name indicate to</p> <p>13 you based on your practices?</p> <p>14 A It indicates that I saved this draft on October 10,</p> <p>15 2017.</p> <p>16 Q Okay. Thank you.</p> <p>17 Do you have an understanding of the information</p> <p>18 contained in column C and D, row 959?</p> <p>19 A Yes.</p> <p>20 Q What's your understanding?</p> <p>21 A 25 percent premium for presidential personal residence</p> <p>22 and D is probably a calculation. That's 25 percent of D958.</p> <p>23 Q And the result of the calculation is 29,209,161?</p> <p>24 A Yes.</p> <p>25 Q And can you describe what's happening in row 968?</p>		<p>1 likely applied to the figure in G233 resulting in 86,514,586.</p> <p>2 Q And 311?</p> <p>3 A 15 percent premium for presidential summer residence</p> <p>4 likely applied to G310 resulting in 18,920,541.</p> <p>5 MR. HAREN: For the record, the amounts that Mr.</p> <p>6 Birney read as presidential premiums sum to \$144,680,601 and</p> <p>7 as in other instances, if the Court could take judicial of</p> <p>8 the math to a calculation.</p> <p>9 THE COURT: I'll accept --</p> <p>10 MR. ROBERT: I never speak about math numbers, Your</p> <p>11 Honor, so --</p> <p>12 THE COURT: If we were good at math, we would have</p> <p>13 been accountants.</p> <p>14 MR. ROBERT: Exactly.</p> <p>15 THE COURT: It's accepted subject to any objection</p> <p>16 of recalculation. I know the defendant's lawyers are just</p> <p>17 as careful as you are. So they're going to look, check it.</p> <p>18 MR. ROBERT: Thank you.</p> <p>19 Q Now, Mr. Birney if you look at the bottom of this</p> <p>20 exhibit down at cell M1004, do you have an understanding of what</p> <p>21 is -- actually, can you just describe row 1004 from column J</p> <p>22 over to column M?</p> <p>23 A It appears to be a subtotal of the assets in 2016 and</p> <p>24 then a difference calculation both in percentage and dollars.</p> <p>25 Q A difference between what and what?</p>	
P. BIRNEY - DIRECT(MR. HAREN)	Page 1291	P. BIRNEY - DIRECT(MR. HAREN)	Page 1293
<p>1 A Yes.</p> <p>2 Q Please do.</p> <p>3 A 15 percent premium for presidential property is applied</p> <p>4 to the figure in G967.</p> <p>5 Q What's the result of the calculation?</p> <p>6 A 1,759,500.</p> <p>7 Q Same question for row 970. If you can just describe</p> <p>8 what's happening and give the result of the calculation, that</p> <p>9 would be helpful.</p> <p>10 A 15 percent premium for presidential property was</p> <p>11 applied to the figure in G 969 resulting in a number of 500,250.</p> <p>12 Q Row 977?</p> <p>13 A 15 percent premium for presidential property applied to</p> <p>14 the figure in G976 resulting in 5,310,000.</p> <p>15 Q Row 982?</p> <p>16 A 15 percent premium for presidential property applied to</p> <p>17 the figure in G981 resulting in 2,250,000.</p> <p>18 Q And 986?</p> <p>19 A 15 percent premium for presidential property applied to</p> <p>20 the figure in G985 resulting in 133,125.</p> <p>21 Q 990?</p> <p>22 A 15 percent premium for presidential property applied to</p> <p>23 the figure in G989 resulting in 83,438.</p> <p>24 Q And then the last -- ^ I apologize for the 2 row 234.</p> <p>25 A 15 percent premium for presidential winter residence</p>		<p>1 A Between 2017 and 2016.</p> <p>2 Q So the -- so I understand, the figure at M1004 of</p> <p>3 125,050,000 in parenthesis, does that mean according to this</p> <p>4 draft of the spreadsheet, the asset values were down by</p> <p>5 \$125,050,000 as compared to what was in the 2016 spreadsheet?</p> <p>6 A Yes.</p> <p>7 Q So removing 144 million plus in presidential premiums</p> <p>8 would make the number negative 269 million?</p> <p>9 A Yes.</p> <p>10 Q And then looking at cell M1014, can you describe can</p> <p>11 you describe the information in row 1014 between columns J and</p> <p>12 M?</p> <p>13 A Similar to the above, but this is for net worth</p> <p>14 comparing 2016 total to the taking the difference both in</p> <p>15 percentage and dollars from the 2017 figure.</p> <p>16 Q Just so I understand, cell M1014 where it says</p> <p>17 24,360,000, does that mean that comparing this draft of the</p> <p>18 supporting data spreadsheet for 2017 to the 2016 Statement of</p> <p>19 Financial Condition, the difference is that net worth is higher</p> <p>20 by 24,360,000?</p> <p>21 A Yes.</p> <p>22 Q So removing 144 million in presidential premiums would</p> <p>23 push that number into negative territory?</p> <p>24 A Yes.</p> <p>25 MR. HAREN: Let's go to Plaintiff's Exhibit 1212.</p>	

P. BIRNEY - DIRECT(MR. HAREN)	P. BIRNEY - DIRECT(MR. HAREN)
<p style="text-align: right;">Page 1294</p> <p>1 Q Mr. Birney, do you recognize this document?</p> <p>2 A Yes.</p> <p>3 Q What do you recognize it to be?</p> <p>4 A A spreadsheet tracking changes made between at least</p> <p>5 two different versions of the supporting data spreadsheet.</p> <p>6 Q Did you prepare this document?</p> <p>7 A Yes.</p> <p>8 MR. HAREN: I move this document into evidence.</p> <p>9 THE COURT: Granted. It is in.</p> <p>10 (Whereupon, the Document was marked in evidence as</p> <p>11 Plaintiff's Exhibit 1212.)</p> <p>12 Q The cell where it states "Statement of Financial</p> <p>13 Condition changes," what does that refer to?</p> <p>14 A Changes to the Statement of Financial Condition.</p> <p>15 Q And where it says, "10.26.13," is that an indication</p> <p>16 that these are changes made as of the draft of that date?</p> <p>17 A It indicates that this version of this spreadsheet was</p> <p>18 on October 26, 2017.</p> <p>19 Q Did you typically keep documents entitled, "Statement</p> <p>20 of Financial Condition changes"?</p> <p>21 A There are probably multiple drafts of this.</p> <p>22 Q Did you have a practice of keeping documents with the</p> <p>23 title, "Statement of Financial Condition changes." That's my</p> <p>24 question.</p> <p>25 A I think so.</p>	<p style="text-align: right;">Page 1296</p> <p>1 A It's a -- it's a difference calculation both in</p> <p>2 percentage and dollars between I5 and K5. Sorry. I -- I4 and</p> <p>3 K4.</p> <p>4 Q Meaning the net worth as of the October 10, 2017 draft</p> <p>5 and the net worth from 2016?</p> <p>6 A Yes.</p> <p>7 Q Could you scroll down to row 39, please. Can you</p> <p>8 explain row 39 and how it relates to row 4?</p> <p>9 A Yes. Row 39 is the net worth from an October 26, 2017</p> <p>10 draft of supporting spreadsheet, so it is just a later draft.</p> <p>11 Q And is the -- is row 39 reflective of the information</p> <p>12 that's described between row 4 and row 39?</p> <p>13 A Can you please repeat the question?</p> <p>14 Q Sure. Let's do it a different way.</p> <p>15 MR. HAREN: Could we zoom out a little bit.</p> <p>16 Q So Mr. Birney, do you see that there is information in</p> <p>17 columns B and C such as row 20 and 21 where it states, "Trump</p> <p>18 Park Avenue reduction in PH 20 per contract with IT."</p> <p>19 Do you have an understanding of what that refers to?</p> <p>20 A Yes.</p> <p>21 Q And what does that refer to?</p> <p>22 A The value of penthouse 20 at 502 Park Avenue was</p> <p>23 reduced by 18.7 million because Ivanka Trump has a lease with a</p> <p>24 purchase option in that lease that was \$18.7 million less than</p> <p>25 the sponsor unit analysis report we received.</p>
<p style="text-align: right;">Page 1295</p> <p>1 Q And what was the purpose of the Statement of Financial</p> <p>2 Condition changes documents that you prepared?</p> <p>3 A The purpose was to summarize changes between drafts of</p> <p>4 the Statement of Financial Condition without having to scroll</p> <p>5 through a 30-page spreadsheet.</p> <p>6 Q So in other words, you could use the "Statement of</p> <p>7 Financial Condition changes" document to tell someone else what</p> <p>8 the changes were without walking them through the thousand-row</p> <p>9 spreadsheet?</p> <p>10 MR. ROBERT: Objection.</p> <p>11 THE COURT: Leading. Sustained.</p> <p>12 Q Can you provide your understanding, if you have one, of</p> <p>13 the information contained in cells I4 and K4?</p> <p>14 A My understanding?</p> <p>15 Q Yes.</p> <p>16 A My understanding are those are the net worth for the</p> <p>17 2017 net worth as of the draft for October 10, 2017 and that's</p> <p>18 probably the 2016 net worth like the final one.</p> <p>19 Q And when you said as of October 10th, is that a</p> <p>20 reference to cell B4?</p> <p>21 A Yes.</p> <p>22 Q Okay. And then can you describe what is contained in</p> <p>23 cells L4 and M4?</p> <p>24 A Yes.</p> <p>25 Q Please do.</p>	<p style="text-align: right;">Page 1297</p> <p>1 (Continued on the next page.)</p> <p>2</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1298</p> <p>1 Q And does the fact that that information is contained in 2 Rows B and C and then there is a numerical difference in Column 3 E indicate that the change was made between October 10th and 4 October 26th? 5 A Yes. 6 Q So the items listed from Row 7 down to Row 36, those 7 are changes to the SOFC made between October 10th and 8 October 26th? 9 A Yes. 10 Q And so then going back to Row 39, can you describe -- 11 well, is it fair that those numbers in Row 39 reflected the 12 product of the changes made between Rows 6 and 36? 13 A Yes. 14 Q All right. Do you have an understanding of the 15 information in Row 36? 16 A Yes. 17 Q What's your understanding? 18 A That 144.7 million was reduced from the Statement of 19 Financial Condition for the premium celebrity status. 20 Q And the number in Column E in Row 36 is 144,680,600? 21 A Yes. 22 Q The number that is \$1 off from the sum of the 23 presidential premiums in the earlier spreadsheet? 24 A I don't remember the sum that you stated before. 25 Q It was 144,680,601?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1300</p> <p>1 was obtained by increasing the EBITDA by free rent and reduction 2 of the straight line rent. 3 Q So as of October 26, 2017, the value of a penthouse at 4 Trump Park Avenue was reduced, presidential premiums were 5 removed by 267.8 million, was added to the 1290 Avenue of the 6 Americas' valuation? 7 A Yes. 8 THE COURT: Five-minute warning. 9 Q Let's call up Plaintiff's Exhibit 3034. 10 MR. HAREN: Your Honor, this is actually a pretty 11 good time if you want to do it earlier. 12 THE COURT: Yes, sure. Within that five minutes 13 you have discretion. 14 I think we have a question or a comment here. 15 Allison? 16 MS. GREENFIELD: Okay. I just wanted to go back 17 and clarify on the deposition designations. You are 18 correct. There was a mistake in the court -- 19 Mr. Kise, you are correct there is a mistake in the 20 court e-mail. So the only part of that designation that is 21 inadmissible is the part that plaintiff objected to which is 22 page 120, line 21 to page 122, line 22. 23 MR. KISE: No, 103. I have 103, lines 12 to 18. 24 MS. GREENFIELD: That's admissible. So if the 25 e-mail said otherwise --</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1299</p> <p>1 A Okay. 2 Q So did you have an understanding as of October 26, 2017 3 that the presidential premiums were to come out of the Statement 4 of Financial Condition for that year? 5 A Can you repeat the question, please? 6 MR. HAREN: Sure. Could I have a read back? 7 THE COURT: Please. 8 (Whereupon, the requested portion of the 9 proceedings was read back by the court reporter.) 10 A I had an understanding that they were taken out as of 11 October 26, 2017. 12 Q And then looking at Rows 23 and 24, do you see in Row B 13 it states, "1290 Avenue?" 14 A Yes. 15 Q What does that refer to? 16 A The commercial office building located at 1290 Avenue 17 of the Americas. 18 Q And that's part of the Vornado Partnership Interest 19 that we discussed earlier; right? 20 A Yes. 21 Q Do you have an understanding of the numerical figure in 22 Cell E 24? 23 A Yes. 24 Q And what is your understanding? 25 A My understanding is that is the increase in value that</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1301</p> <p>1 MR. KISE: It is admissible? 2 MS. GREENFIELD: It is admissible. The only thing 3 inadmissible is 120, line 21 to 122, line 22. 4 MR. KISE: Hold on. I don't think I have that. 5 That may not be an issue at all. Let me just -- 6 MS. GREENFIELD: Okay. 7 MR. KISE: But I'll come back to you if it is. So 8 then the ten pages is in and the 120 just make sure I have 9 it. Yes, okay. Understood. Thank you. 10 THE COURT: We went over those pretty carefully. 11 I'm careful, too, you see. 12 (Whereupon, there is a recess in the proceedings.) 13 THE COURT OFFICER: All rise. Part 37 is back in 14 session. Please be seated and come to order. 15 THE COURT: Mr. Kise? 16 MR. KISE: I just want to put on the record. So 17 just so I'm clear, so you're reversing the ruling from 18 yesterday that said that that testimony was admissible, 19 right? Because yesterday's ruling said pages 1, lines 25 20 through 136, line 23 was admissible. That would include 21 120, line 21 through 122, line 22, so. 22 MS. GREENFIELD: Yes, that's correct. That was a 23 mistake in the e-mail. So the ruling from -- the only thing 24 that's inadmissible out of everything that was submitted was 25 what was relayed right before the break. Everything else</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1302</p> <p>1 that was submitted or designated is admissible with the 2 exception of those lines I read right before the break and 3 the things that were withdrawn I think there is still 4 agreement there?</p> <p>5 THE COURT: I'll assume if they withdraw them you 6 haven't said anything.</p> <p>7 MR. AMER: They're withdrawn.</p> <p>8 MR. KISE: But I don't -- I guess we'll have to 9 come back to you. I haven't had a chance over the break to 10 look at it. I don't see any distinction between the 11 testimony that was excluded and the rest of the testimony 12 and all of it relates to the same thing which is this 13 witness's understanding of her own notes and just like we're 14 doing with this witness here asking him question after 15 question after question.</p> <p>16 In fact, it's a little different here because we're 17 asking him questions that aren't in his notes. We're just 18 asking him what's his understanding, so that testimony was 19 designed to get at this witness's understanding of what she 20 wrote in her own notes, but I can do this in a more detailed 21 way if -- I don't want to take up the time while we have a 22 witness.</p> <p>23 THE COURT: Right. So this is now a substantive 24 disagreement, not a correction?</p> <p>25 MR. KISE: Yes, Your Honor. Because yesterday we</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1304</p> <p>1 Now let's hear what the AG has to say.</p> <p>2 MR. SOLOMON: Your Honor, I'm not arguing the 3 merits of this. The Court has already addressed that.</p> <p>4 THE COURT: Well, I addressed it, but not as a 5 continuing objection, which we'll have to hash out.</p> <p>6 MR. SOLOMON: But one thing I did want to raise, 7 Your Honor, is this may affect the ability to have the video 8 properly edited for Monday.</p> <p>9 THE COURT: Yes, so we'll finish it today.</p> <p>10 MR. KISE: Either today or we can get it to you 11 over the weekend.</p> <p>12 THE COURT: There is no reason not to do it today.</p> <p>13 MR. KISE: I just don't know if we have -- I'll 14 have to go back and see if we have all the transcript 15 materials.</p> <p>16 THE COURT: It can't be that complicated if it's 17 the way you said, then --</p> <p>18 MR. KISE: It seems very simple to me. It's not. 19 Apparently it is more complicated which is why we have to 20 address it, but I certainly don't think in a -- particularly 21 in a bench trial, issues relative to minor nits and 22 questions, it's a bench trial. There is no risk of 23 confusion of a jury. So you can certainly sort out what you 24 think is relevant or not relevant, but to exclude it 25 altogether when this witness isn't even available to us at</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1303</p> <p>1 had just taken that ruling is including all of that, but I 2 just don't see a distinction between -- I can come back to 3 you on that.</p> <p>4 THE COURT: Okay. We'll address it.</p> <p>5 MR. KISE: Okay. Thank you.</p> <p>6 MR. SOLOMON: Your Honor?</p> <p>7 THE COURT: Yes, I remember looking at that 8 carefully since that was the exception. There was a 9 compound question or questions. There was no reason to 10 believe that that particular witness would know the answer. 11 These witnesses try to -- if you didn't object or I let it 12 in anyway, there was a reason to believe that they wouldn't 13 be able to answer.</p> <p>14 MR. KISE: No reason to believe that the witness 15 wouldn't understand her own notes? The question relates to 16 her own notes, so there is certainly a reason to believe 17 that she would understand her own notes. We could ask her a 18 question. If she says I don't know, then she says I don't 19 know. But if we're asking her about what is in her own 20 notes and the basis for what's in her own notes, then she 21 can either say I don't know what I looked at or I don't know 22 why I wrote that or I don't know or any other combination or 23 she can explain it.</p> <p>24 THE COURT: I totally agree with everything you 25 just said.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1305</p> <p>1 this point is a big step. That's why I'm making such an 2 issue of it.</p> <p>3 MR. SOLOMON: Your Honor, Mr. Amer will deal with 4 the merits of the issue.</p> <p>5 MR. AMER: Well, only to say I don't have the 6 transcript in front of me.</p> <p>7 THE COURT: Is your microphone on?</p> <p>8 MR. AMER: I don't have the transcript in front of 9 me, so if I could just have time to look at the transcript 10 and address Mr. Kiser's comment maybe before we break at the 11 end of the day.</p> <p>12 THE COURT: Or before or after lunch. I don't 13 care. We're not coming back after lunch. Is today Friday 14 or something?</p> <p>15 MR. KISE: I will point out that we're talking 16 about what amounts to about 25 lines of testimony that are 17 important to the presentation of our defense and so for that 18 reason alone, I mean, I don't see -- there doesn't seem to 19 be any critical issue with the testimony itself, so I would 20 just on that basis alone to short circuit this and make it 21 available for them to do the video, I would ask the Court to 22 reconsider just on that basis. It's a bench trial.</p> <p>23 THE COURT: I am reconsidering and we'll address 24 it, but last words quickly?</p> <p>25 MR. AMER: We'll look at the testimony and I'll get</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1306</p> <p>1 back to you when we're done for the day with the substantive 2 response. 3 THE COURT: Okay. I'm sure with all this 4 brainpower here we can work it out somehow. 5 MR. KISE: Thank you. 6 THE COURT OFFICER: Ready for the witness, Judge? 7 THE COURT: Yes, thanks. 8 THE COURT OFFICER: Witness entering. 9 (Whereupon, the witness enters the courtroom and 10 approaches the witness stand.) 11 THE COURT: Okay, let's continue. 12 Q Welcome back, Mr. Birney. I'll do my best to keep my 13 voice up. 14 MR. HAREN: Could we look at Plaintiff's 15 Exhibit 3031, please? 16 Q Mr. Birney, do you see the document on the screen 17 entitled "Bloomberg Analysis 5.29.18?" 18 A Yes. 19 Q Did you prepare this document? 20 A Yes. 21 Q What does it appear to you to be? 22 A A spreadsheet comparing certain asset, classes, 23 requests, multiple years, and multiple reports. 24 Q And the first Bloomberg Analysis, what does that refer 25 to?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1308</p> <p>1 A Yes. 2 Q Who is Ms. Miller around the time of this e-mail? 3 A Who? 4 Q Yes. 5 A Amanda was the communications person. 6 Q And also in the "to" line is Alan Garten; correct? 7 A Yes. 8 Q And he was the chief legal officer? 9 A I don't know what Allan's title was in 2018. 10 Q The date of the e-mail is May 29, 2018 and it states: 11 "It's that special time of year where we update the President's 12 net worth summary for the Bloomberg billionaires index. I've 13 been working on the update this year with Shahein cc'd." 14 And then what follows below the e-mail signature is a 15 chart of assets and valuations. Do you see that? 16 A Yes. 17 Q Does that refresh your recollection as to why you may 18 have been preparing a spreadsheet entitled "Bloomberg Analysis 19 5.29.18?" 20 A The timing makes sense. 21 Q Does it refresh your recollection? 22 A Not really, but I don't have a reason to doubt this 23 e-mail in that spreadsheet are connected. 24 MR. HAREN: Let's turn back to Exhibit 3031. 25 Q Did anyone direct you to prepare this document?</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1307</p> <p>1 A Analysis of something related to Bloomberg. 2 Q Is there any information communicated from Bloomberg 3 that caused you to prepare this spreadsheet? 4 A Probably. 5 Q Let's see if we can refresh your recollection. 6 MR. HAREN: Can we pull up Plaintiff's 7 Exhibit 3034? 8 And before we do that, I'll move 3031 into 9 evidence. 10 THE COURT: Granted. It's in evidence. 11 (Whereupon, the item previously referred to is 12 received and marked Plaintiff's Exhibit Number 3031 in 13 evidence.) 14 Q Mr. Birney, do you see the document on the screen, an 15 e-mail from someone called Caleb Melby at Bloomberg? 16 A Yes. 17 Q And do you see that the e-mail is directed to 18 AWeisselberg@Trumporg.com? 19 A Yes. 20 Q Whose e-mail address is that? 21 A It's probably Allen Weisselberg's. I know his e-mail 22 address is Weisselberg@Trumporg.com. I don't know if that 23 matters. 24 Q Okay. And also on the "to" line is someone named 25 Amanda Miller. Do you see that?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1309</p> <p>1 A Probably. 2 Q Did Allen Weisselberg direct you to prepare this 3 document? 4 A Probably. 5 Q Did Ms. Miller ask you to prepare any information in 6 response to the Bloomberg inquiry on May 29, 2018? 7 A I don't know. 8 MR. HAREN: All right. Let's move to Plaintiff's 9 Exhibit 3033. 10 Q Mr. Birney, do you recognize this document? 11 A I recognize it as an e-mail. 12 Q Is it a series of e-mails on which you are copied? 13 A Yes. 14 MR. HAREN: Move this document into evidence. 15 THE COURT: Granted. It's in. 16 (Whereupon, the item previously referred to is 17 received and marked Plaintiff's Exhibit Number 3033 in 18 evidence.) 19 Q If you could turn to page two and look in the middle of 20 the page. Do you see where Ms. Miller writes to Mr. Melby and 21 others "thanks Caleb -- hoping you can speak with Patrick on 22 background only and not for attribution." Do you see that? 23 A Yes. 24 Q And Mr. Melby follows further up on page two stating 25 "happy to talk to Patrick right now." Do you see that?</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1310</p> <p>1 A Yes.</p> <p>2 Q And then on page one of the exhibit, Ms. Miller writes</p> <p>3 to Mr. Melby, "We will give you a ring in about ten minutes."</p> <p>4 And Mr. Melby responds, "Let's do it." Do you see that?</p> <p>5 A Yes.</p> <p>6 Q And then at the very top of page one, Mr. Melby writes:</p> <p>7 "Thanks again for the call. My editor is wondering when we'll</p> <p>8 get comment." Do you see that?</p> <p>9 A Yes.</p> <p>10 Q Did you have a call with Ms. Miller and Mr. Melby on</p> <p>11 the afternoon of May 30, 2018?</p> <p>12 A I had a call with Ms. Miller and Bloomberg. I don't</p> <p>13 know or remember the date. It probably was on May 30th, yes.</p> <p>14 Q Can you describe your role in that call?</p> <p>15 A Yes.</p> <p>16 Q Please do.</p> <p>17 A I think I just discussed Bloomberg's valuations and I</p> <p>18 don't really remember the main points of the call. I think they</p> <p>19 had something to do with they use of the citywide cap rate. I</p> <p>20 remember that. Points from the spreadsheet that I prepared were</p> <p>21 probably discussed.</p> <p>22 MR. HAREN: All right. Let's move to Plaintiff's</p> <p>23 Exhibit 3028.</p> <p>24 Q Mr. Birney, do you see on this exhibit that the subject</p> <p>25 is "Bloomberg 5.30.18?"</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1312</p> <p>1 A I understand it to contain talking points for the</p> <p>2 Bloomberg call.</p> <p>3 Q And do you sometimes prepare talking points in draft</p> <p>4 form in Outlook and not send them in an e-mail?</p> <p>5 A It's possible.</p> <p>6 Q All right. Just directing your attention to some of</p> <p>7 the information in the document.</p> <p>8 Well, let me ask you first, did you work with anybody</p> <p>9 else to prepare these talking points?</p> <p>10 A Yes.</p> <p>11 Q Who did you work with to prepare these talking points?</p> <p>12 A Allen Weisselberg.</p> <p>13 Q And where it states at the top of the Document 4.8</p> <p>14 indicates, "A stabilized situation depending on cash flow,</p> <p>15 upside, rent roll, credit tenants, RCA may be including</p> <p>16 properties that are Class A but may include tenants that are of</p> <p>17 lower credit." Do you see that?</p> <p>18 A Yes.</p> <p>19 Q What does 4.8 refer to there?</p> <p>20 A Cap rate.</p> <p>21 Q And did Mr. Weisselberg provide this portion of the</p> <p>22 talking points document to you?</p> <p>23 A Probably.</p> <p>24 MR. HAREN: Let's move to Plaintiff's Exhibit 3027.</p> <p>25 Excuse me, Your Honor.</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1311</p> <p>1 A Yes.</p> <p>2 Q And there is a sent time of "May 30, 2018 at</p> <p>3 2:38 p.m.?"</p> <p>4 A Yes.</p> <p>5 Q And in the "from" field there is a lot of what I'll</p> <p>6 just describe as Internet gobbledygook, for lack of a better</p> <p>7 description, but in the middle of all that it says, "P. Birney"</p> <p>8 on the right side on the top line? Do you see that?</p> <p>9 A Yes.</p> <p>10 Q Did you prepare this document?</p> <p>11 A It appears, yes.</p> <p>12 MR. HAREN: I move this document into evidence.</p> <p>13 THE COURT: Granted. It's in evidence.</p> <p>14 (Whereupon, the item previously referred to is</p> <p>15 received and marked Plaintiff's Exhibit Number 3028 in</p> <p>16 evidence.)</p> <p>17 MR. ROBERT: Just for the fact I guess it's a --</p> <p>18 something that the witness attributes to himself because I</p> <p>19 can't tell who it's sent to. It just says "from." So is</p> <p>20 this an e-mail or it's just like a memo that was done?</p> <p>21 MR. HAREN: If we can ask the witness?</p> <p>22 MR. ROBERT: Okay.</p> <p>23 Q Mr. Birney, you stated that you prepared this; correct?</p> <p>24 A Yes.</p> <p>25 Q What do you understand this document to contain?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1313</p> <p>1 (Whereupon, there is a pause in the proceedings.)</p> <p>2 MR. HAREN: Your Honor, just so I can have clarity</p> <p>3 is Exhibit 3028 in evidence now that the witness has</p> <p>4 testified that he prepared it as a set of talking points?</p> <p>5 MR. ROBERT: No problem with that.</p> <p>6 THE COURT: It's in evidence.</p> <p>7 MR. HAREN: Thank you.</p> <p>8 (Whereupon, the item previously referred to is</p> <p>9 received and marked Plaintiff's Exhibit Number 3027 in</p> <p>10 evidence.)</p> <p>11 Q Mr. Birney, Exhibit 3027. Do you recognize it?</p> <p>12 A Yes.</p> <p>13 Q What do you recognize it to be?</p> <p>14 A An e-mail from Michael Papagianopoulos from Cushman &amp;</p> <p>15 Wakefield.</p> <p>16 Q Is it to you?</p> <p>17 A The e-mail is to me, cc's Jeff McConney and two other</p> <p>18 people from Cushman &amp; Wakefield.</p> <p>19 MR. HAREN: I move this document into evidence.</p> <p>20 THE COURT: Was that a motion to admit it into</p> <p>21 evidence?</p> <p>22 MR. HAREN: Yes.</p> <p>23 THE COURT: Got to keep your voice up.</p> <p>24 Granted. It's in evidence.</p> <p>25 (Whereupon, the item previously referred to is</p>

P. Birney - Plaintiff - direct (Haren) Page 1314	Page 1316
<p>1 received and marked Plaintiff's Exhibit Number 3027 in 2 evidence.) 3 MR. HAREN: Thank you. 4 Q Mr. Birney, I'm looking at the middle of or the bottom 5 of page one. There is a request made to Mr. Papagianopoulos and 6 it states: "Can you please update the attached comps for 7 Manhattan Class A. Can you send this today." Do you see that? 8 A Yes. 9 Q Why did you make that request to Mr. Papagianopoulos? 10 A Probably because it had something to do with the 11 Bloomberg call. It was that same day. 12 Q And in the e-mail from you to Mr. Papagianopoulos at 13 12:46 p m., you stated, "Also confirming our conversation that 14 1290 Avenue of Americas could probably be estimated at a mid 15 four cap rate at stabilization low four if there is upside." 16 Do you see that? 17 A Yes. 18 Q Did Mr. Weisselberg or Mr. McConney dictate that 19 language to you? 20 A I don't know. 21 Q Let's see if we can refresh your recollection. 22 MR. HAREN: Let's pull up on the screen some of 23 your prior testimony at page 385. 24 Q And looking at page 385, lines two through ten, you 25 were asked: "I guess I'm asking what does it mean to have a mid</p>	<p>1 "QUESTION: Did Allen Weisselberg dictate this 2 particular message for you? 3 "ANSWER: Maybe. 4 "QUESTION: Did anybody else possibly dictate this 5 message to you? 6 "ANSWER: Probably not. That was your testimony? 7 THE WITNESS: Yes. 8 Transcript continues on the following page.... 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>
P. Birney - Plaintiff - direct (Haren) Page 1315	P. BIRNEY - DIRECT (MR. HAREN) Page 1317
<p>1 four cap rate at stabilization low four if there is upside? 2 "ANSWER: I'm obviously referring to mean four cap 3 rate meaning four mid or mid four percent cap rate. I don't 4 really know what at stabilization or upside really mean." 5 That's your testimony? 6 A Yes. 7 Q And then let's look at 394 beginning at 920: 8 "QUESTION: Did somebody dictate the language to 9 you to put in this e-mail? 10 "ANSWER: Possibly." 11 It continues, "is that part of your current 12 practice that somebody dictates e-mails for you to send out? 13 "ANSWER: Sometimes. 14 "QUESTION: Who dictates messages for you to send 15 out? 16 "ANSWER: Any of my bosses. 17 "QUESTION: So that would be specifically whom? 18 "ANSWER: I would say -- so Ron Leiberman, Allen 19 Weisselberg and Jeff McConney. 20 "QUESTION: And to your recollection, did Ron 21 Leiberman direct you to draft this particular message? 22 "ANSWER: No. 23 "QUESTION: Did Jeff McConney dictate this 24 particular message for you? 25 "ANSWER: Maybe.</p>	<p>1 Q Does seeing that testimony refresh your recollection as 2 to whether anybody dictated to you the language in this e-mail 3 which states "1290 Ave of Americas could probably be estimated 4 at mid 4 cap rate at stabilization low 4 if there is upside"? 5 A I'm writing the e-mail to Michael from Cushman &amp; 6 Wakefield saying, "Confirming our conversation," so I could have 7 written that down based on a phone call or it could have been 8 told to me by -- or dictated to me by Allen Weisselberg or Jeff 9 McConney. 10 Q By the time you sent the e-mail, you didn't know what 11 at stabilization or upside really meant? 12 A Correct. 13 Q Looking back at Exhibit 3027, the e-mail on May 30, 14 2018 at 12:46 p.m., you copied Jeff McConney on the e-mail. Why 15 was he copied on the e-mail? I'll ask it in a more specific 16 way. 17 Was Mr. McConney assisting you in gathering market 18 information to respond to the Bloomberg inquiry? 19 A Yes. 20 Q In Exhibit 3027, at the top of page one, there is a 21 response from Mr. Papagianopoulos that states, "While I cannot 22 opine on 1290 AOA, as I do not know the actual financials, 23 current market environment for class A MT properties is mid 4s", 24 that's the number four with an "S", "for stabilized and below 25 that for properties with upside." Do you see that?</p>

P. BIRNEY - DIRECT (MR. HAREN) Page 1318	P. BIRNEY - DIRECT (MR. HAREN) Page 1320
<p>1 A Yes.</p> <p>2 Q What do you understand MT to refer to there?</p> <p>3 A I understand it to be midtown.</p> <p>4 MR. HAREN: Let's move to Plaintiff's Exhibit 1159.</p> <p>5 Q Mr. Birney, in Exhibit 1159, do you see on the first</p> <p>6 page an e-mail from you to Mr. Papagianopoulos stating in part,</p> <p>7 "I need both the midtown and downtown sales for an urgent</p> <p>8 matter." Do you see that?</p> <p>9 A Yes.</p> <p>10 Q What was the urgent matter?</p> <p>11 A I have to believe it was the Bloomberg article/phone</p> <p>12 call.</p> <p>13 MR. HAREN: I move this document into evidence.</p> <p>14 THE COURT: Granted. It is in evidence.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 1159.)</p> <p>17 Q Mr. Birney, do you see on page two of the document, we</p> <p>18 have the same two e-mails that indicate an exchange with Mr.</p> <p>19 Papagianopoulos about a mid 4 cap rate at stabilization that we</p> <p>20 looked at a minute ago?</p> <p>21 A Yes.</p> <p>22 Q And on page one of this exhibit, you forwarded the</p> <p>23 e-mail chain to Allen Weisselberg. Do you see that?</p> <p>24 A Yes.</p> <p>25 MR. HAREN: Let's pull up the 2018 supporting data</p>	<p>1 A Yes.</p> <p>2 Q And does it state the estimated current value of the</p> <p>3 real property net of debt of 1,211,900,000 is based on an</p> <p>4 evaluation made by the trustees in conjunction with their</p> <p>5 associates and outside professionals?</p> <p>6 A Yes.</p> <p>7 Q Did Jeff McConney or Allen Weisselberg ever direct you</p> <p>8 to use a capitalization rate in the mid 4 percent range in the</p> <p>9 2018 valuation of 1290 Avenue of the Americas based on the</p> <p>10 properties stabilized net operating income?</p> <p>11 A Can you please repeat the question?</p> <p>12 THE COURT: Read back, please.</p> <p>13 (Whereupon, the requested portion of the record was</p> <p>14 read back.)</p> <p>15 THE COURT: That is a mouthful by the way. If you</p> <p>16 can make the questions a little shorter and simpler and</p> <p>17 maybe more direct.</p> <p>18 A No.</p> <p>19 Q If either of them had given you such a direction, would</p> <p>20 you have followed it?</p> <p>21 A Probably.</p> <p>22 MR. HAREN: Let's pull up Plaintiff's Exhibit 781,</p> <p>23 please.</p> <p>24 Q Mr. Birney, do you recognize this document?</p> <p>25 A Yes.</p>
P. BIRNEY - DIRECT (MR. HAREN) Page 1319	P. BIRNEY - DIRECT (MR. HAREN) Page 1321
<p>1 spreadsheet Plaintiff's Exhibit 774. Could we go to cells</p> <p>2 C832 and 833.</p> <p>3 Q So, Mr. Birney, does the information in cells C832 and</p> <p>4 C833 pertain to the 2018 valuation of 1290 Avenue of the</p> <p>5 Americas?</p> <p>6 A Yes.</p> <p>7 Q And do you see that it states, "06/30/2018-based on</p> <p>8 information provided by Michael Papagianopoulos of Cushman &amp;</p> <p>9 Wakefield which reflects a cap rate for 2.67 percent for a</p> <p>10 comparable office building"?</p> <p>11 A Yes.</p> <p>12 Q And that's the same Michael Papagianopoulos whose name</p> <p>13 we saw from the e-mails from May 30, 2018?</p> <p>14 A Yes.</p> <p>15 MR. HAREN: Let's pull up the 2018 Statement of</p> <p>16 Financial Condition, Plaintiff's Exhibit 773 and go to page 19,</p> <p>17 please.</p> <p>18 Q Mr. Birney, do you see the heading, "partnerships and</p> <p>19 joint ventures"?</p> <p>20 A Yes.</p> <p>21 Q In the paragraph beginning with -- scroll down,</p> <p>22 please. In the paragraph beginning with "the estimated current</p> <p>23 value," do you see where it states, "This valuation was arrived</p> <p>24 at by applying a capitalization rate to the stabilized net</p> <p>25 operating income and taking into consideration any debt."</p>	<p>1 Q What do you recognize it to be?</p> <p>2 A I recognize it to be the backup to the 1290 Avenue of</p> <p>3 the Americas valuation -- I can't really tell the year.</p> <p>4 Q Do you see that it has in the left-hand column on the</p> <p>5 first page actual fourth quarter 2017 results?</p> <p>6 A Yes.</p> <p>7 Q Does that indicate to you that it is the backup for the</p> <p>8 2018 valuation?</p> <p>9 A Probably, yes.</p> <p>10 MR. HAREN: I move this document into evidence.</p> <p>11 THE COURT: Granted. It is in evidence.</p> <p>12 (Whereupon, the Document was marked in evidence as</p> <p>13 Plaintiff's Exhibit 773.)</p> <p>14 Q And Mr. Birney, when it says "1290" in handwriting at</p> <p>15 the top of the first page, does that refer to 1290 Avenue of the</p> <p>16 Americas?</p> <p>17 A Yes.</p> <p>18 Q All right. What do you understand to be shown on page</p> <p>19 eight of this document?</p> <p>20 A This is a list of recent sales at that time for midtown</p> <p>21 Class A buildings.</p> <p>22 Q Is it a portion of a generic report of sales from</p> <p>23 Cushman &amp; Wakefield?</p> <p>24 A I can't tell who it's from.</p> <p>25 Q But that appears to you to be a generic list of sales?</p>

P. BIRNEY - DIRECT (MR. HAREN) Page 1322	P. BIRNEY - DIRECT (MR. HAREN) Page 1324
<p>1 A Yes.</p> <p>2 Q All right. There is a sale that is highlighted 666</p> <p>3 Fifth Avenue. Do you see that?</p> <p>4 A Yes.</p> <p>5 Q And is that your highlighting?</p> <p>6 A Probably.</p> <p>7 Q And what is indicated by the fact that 2.67 percent is</p> <p>8 highlighted?</p> <p>9 A That is the capitalization rate that was used.</p> <p>10 Q Do you see in the entry next to transaction type it</p> <p>11 states "contract."</p> <p>12 A Yes.</p> <p>13 Q You understand that -- do you understand that to mean</p> <p>14 the transaction is not closed, but it is in contract?</p> <p>15 A I do.</p> <p>16 Q All right.</p> <p>17 MR. HAREN: Could we scroll down, please, to the</p> <p>18 paragraph below the numbers.</p> <p>19 Q Do you see at the bottom of the paragraph it states,</p> <p>20 "If the sale occurs, the property would be purchased on an</p> <p>21 overall capitalization rate of 2.67 percent. The stabilized</p> <p>22 capitalization rate is projected to increase to 4.45 percent in</p> <p>23 year 3."</p> <p>24 A Yes.</p> <p>25 Q Were you ever directed to use the 4.45 percent rate</p>	<p>1 MR. HAREN: Let's move to Plaintiff's Exhibit 850.</p> <p>2 Q Mr. Birney, do you recognize this document?</p> <p>3 A Yes.</p> <p>4 Q What do you recognize it to be?</p> <p>5 A The backup to the 1290 Avenue of the Americas 2019</p> <p>6 asset valuation.</p> <p>7 MR. HAREN: I move this document into evidence.</p> <p>8 THE COURT: Granted. It is in.</p> <p>9 (Whereupon, the Document was marked in evidence as</p> <p>10 Plaintiff's Exhibit 850.)</p> <p>11 Q Mr. Birney, could you look at page five of the</p> <p>12 document, please.</p> <p>13 MR. HAREN: Could you zoom in for the entry for</p> <p>14 sale number one with the highlighter.</p> <p>15 Q Mr. Birney, you see where the 2.67 percent</p> <p>16 capitalization rate is highlighted?</p> <p>17 A Yes.</p> <p>18 Q What is indicated by that?</p> <p>19 A Capitalization rate of 2.67 was used.</p> <p>20 Q And were you ever --</p> <p>21 MR. HAREN: Scroll down, please, to the paragraph</p> <p>22 below.</p> <p>23 Q Do you see at the bottom of the paragraph, it states,</p> <p>24 "The property was purchased based on an overall capitalization</p> <p>25 rate of 2.67 percent which is projected to increase to</p>
P. BIRNEY - DIRECT (MR. HAREN) Page 1323	P. BIRNEY - DIRECT (MR. HAREN) Page 1325
<p>1 rather than the 2.67 percent rate in valuing 1290 Avenue of the</p> <p>2 Americas in 2018?</p> <p>3 A No.</p> <p>4 MR. HAREN: Let's move to Plaintiff's Exhibit 842,</p> <p>5 the 2019 Statement of Financial Condition and turn to page</p> <p>6 19.</p> <p>7 Q Mr. Birney, do you see the heading "partnerships and</p> <p>8 joint ventures"?</p> <p>9 A Yes.</p> <p>10 Q In the paragraph beginning with, "The estimated current</p> <p>11 value," do you see that it states, "This valuation was arrived</p> <p>12 at by applying a capitalization rate to the stabilized net</p> <p>13 operating income and taking into consideration any debt"?</p> <p>14 A Yes.</p> <p>15 MR. HAREN: Let's move to the supporting data</p> <p>16 Plaintiff's Exhibit 843 and turn to cells G834 to 835.</p> <p>17 Q Mr. Birney, do you see in cell G835 there is a</p> <p>18 reference to a 2.67 percent cap rate?</p> <p>19 A Yes.</p> <p>20 Q And then looking over at cells G or C863 to 864, do you</p> <p>21 see that it states, "06/30/2019-1290 based on information</p> <p>22 provided by Michael Papagianopoulos of Cushman &amp; Wakefield which</p> <p>23 reflects a cap rate of 2.67 percent for a comparable office</p> <p>24 building." You see that?</p> <p>25 A Yes.</p>	<p>1 4.45 percent upon stabilization in year 3?"</p> <p>2 A Yes.</p> <p>3 Q Were you ever directed to use the 4.45 percent number</p> <p>4 instead of the 2.67 percent number?</p> <p>5 A No.</p> <p>6 MR. HAREN: Can we zoom out to see more of the</p> <p>7 exhibit, please.</p> <p>8 Q Do you see in pages five through seven of the exhibit</p> <p>9 there are some entries identified by handwritten notes such as</p> <p>10 east, west, south and too small?</p> <p>11 A No.</p> <p>12 Q So do you see on page five that there are notations in</p> <p>13 handwriting that state east, west, east. Do you see those?</p> <p>14 A Yes.</p> <p>15 Q And then on page six, do you see that there are</p> <p>16 additional notations such as south, east, west and too small?</p> <p>17 A Yes.</p> <p>18 Q Are those entries in your handwriting?</p> <p>19 A Yes.</p> <p>20 Q And what do those notations indicate?</p> <p>21 A They indicate why these properties weren't used.</p> <p>22 Q Whose decision was it not to use the properties</p> <p>23 identified by those notations?</p> <p>24 A Allen Weisselberg.</p> <p>25 Q We're going to move on to Trump Tower and go back to</p>

P. BIRNEY - DIRECT (MR. HAREN) Page 1326	P. BIRNEY - DIRECT (MR. HAREN) Page 1328
<p>1 the 2018 supporting data Exhibit 774. Let's look at rows 36 to</p> <p>2 49, please.</p> <p>3 Mr. Birney, just speaking generally, can you describe</p> <p>4 the information in column C from rows 32 to 42?</p> <p>5 A Columns B and C?</p> <p>6 Q Yes. Sorry.</p> <p>7 A Yes.</p> <p>8 Q Please, go ahead.</p> <p>9 A It's a calculation of the net operating income and the</p> <p>10 different line items of description for that calculation.</p> <p>11 Q And so there's an income number in row 32 and then</p> <p>12 there are adjustments made below that; is that right?</p> <p>13 A Yes.</p> <p>14 Q And looking at cell H47, what's conveyed there?</p> <p>15 A I couldn't really hear you.</p> <p>16 Q H47.</p> <p>17 THE COURT: You mean line 47, don't you?</p> <p>18 MR. HAREN: Right, line 47, and the number that is</p> <p>19 contained in cell H47.</p> <p>20 A Sorry. I couldn't really hear the question. What's</p> <p>21 the question?</p> <p>22 Q What is conveyed there?</p> <p>23 A Cap rate used in 2018 for Trump Tower of 2.86 percent.</p> <p>24 Q And do you see the -- if you look at cell C81 to 83,</p> <p>25 there's a notation that states, "06/30/2018 based on information</p>	<p>1 A Can you repeat the question?</p> <p>2 Q So management fees were removed from expenses when</p> <p>3 calculating net operating income?</p> <p>4 A Yes.</p> <p>5 Q And whose decision was it to remove management fees</p> <p>6 from the expenses when calculating the net operating income of</p> <p>7 Trump Tower?</p> <p>8 A Either Jeff McConney or Allen Weisselberg.</p> <p>9 Q If you take a look at page nine, do you see an e-mail</p> <p>10 from Doug Larson at Newmark Knight Frank?</p> <p>11 A Yes.</p> <p>12 Q It is dated July 29, 2018 and the only person on the</p> <p>13 "to" line is Doug Larson. Do you see that?</p> <p>14 A I do.</p> <p>15 Q So did you have an understanding of, I guess, e-mail</p> <p>16 culture that when a person sends an e-mail to themselves and it</p> <p>17 ends up as you can see from the next e-mail of Jeff McConney</p> <p>18 that it was a broad e-mail blast?</p> <p>19 A General understanding, yes.</p> <p>20 Q All right. And then Mr. McConney forwards that e-mail</p> <p>21 to you as you can see at the top of the page nine. Do you see</p> <p>22 that?</p> <p>23 A Yes.</p> <p>24 Q He states in his e-mail to you, "Does this answer</p> <p>25 number three on the Statement of Financial Condition needs</p>
P. BIRNEY - DIRECT (MR. HAREN) Page 1327	P. BIRNEY - DIRECT (MR. HAREN) Page 1329
<p>1 provided by Michael Papagianopoulos of Cushman &amp; Wakefield which</p> <p>2 reflect cap rates for comparable office buildings of</p> <p>3 2.67 percent and 3.05 percent for an average cap rate of</p> <p>4 2.86 percent"?</p> <p>5 A Yes.</p> <p>6 MR. HAREN: Let's pull up Plaintiff's Exhibit 776,</p> <p>7 please.</p> <p>8 Q Mr. Birney, do you recognize this document?</p> <p>9 A Yes.</p> <p>10 Q What do you recognize it to be?</p> <p>11 A The backup for the Trump Tower valuation in 2018.</p> <p>12 MR. HAREN: I move this document into evidence.</p> <p>13 THE COURT: All right. Granted. It is in</p> <p>14 evidence.</p> <p>15 (Whereupon, the Document was marked in evidence as</p> <p>16 Plaintiff's Exhibit 776.)</p> <p>17 Q Mr. Birney, on the first page, there is a figure of</p> <p>18 \$1,009,488 on the line for "management fees." Do you see that?</p> <p>19 A Yes.</p> <p>20 Q What does it mean there that the figure is circled?</p> <p>21 A Probably means it was removed in the</p> <p>22 calculation -- oh, I'm sorry. The -- one second. Yes. It</p> <p>23 was removed from the calculation.</p> <p>24 Q So management fees were removed from expenses when</p> <p>25 calculating net operating income?</p>	<p>1 list"?</p> <p>2 Do you have an understanding of what "Statements of</p> <p>3 Financial Condition needs list" refers to?</p> <p>4 A Yes.</p> <p>5 Q And what does it refer to?</p> <p>6 A I think it refers to an e-mail that I sent this year</p> <p>7 listing out the things that I needed in order to put together</p> <p>8 the Statement of Financial Condition.</p> <p>9 Q And Mr. McConney was assisting you for gathering things</p> <p>10 for the Statement of Financial Condition needs list?</p> <p>11 A Yes.</p> <p>12 Q Turning to page seven of the document, do you see the</p> <p>13 adding machine math in the middle of the page?</p> <p>14 A Yes.</p> <p>15 Q And what do you understand it to convey?</p> <p>16 A An average cap rate from 666 Fifth Avenue and 693 Fifth</p> <p>17 Avenue.</p> <p>18 Q And looking at the entry on the page for 666 Fifth</p> <p>19 Avenue, do you see at the bottom of the paragraph entry the same</p> <p>20 reference to a stabilized capitalization rate of 4.45 percent</p> <p>21 that we saw in the similar report in the backup for the 1290</p> <p>22 valuation?</p> <p>23 A Yes.</p> <p>24 Q Were you ever directed to use the 4.45 percent number</p> <p>25 rather than the 2.67 percent number in the 2018 Trump Tower</p>

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1330</p> <p>1 valuation?</p> <p>2 A No.</p> <p>3 Q Let's move to Plaintiff's Exhibit 1100. So it is a</p> <p>4 long document. I can assure you we're going to go through only</p> <p>5 a very small amount of it.</p> <p>6 Mr. Birney, do you see at the top of the first page an</p> <p>7 e-mail from Jeff McConney to you stating, "Does this answer</p> <p>8 number three on the Statement of Financial Condition needs</p> <p>9 list"?</p> <p>10 A Yes.</p> <p>11 Q And do you see that the attachments to the e-mail</p> <p>12 include file names such as "nycofficeoverview.pdf,"</p> <p>13 "officebuildingsales.pdf," "officemarketoverview.xlsx" and then</p> <p>14 there are several others?</p> <p>15 A Yes.</p> <p>16 Q Do you recognize this e-mail that Mr. McConney sent to</p> <p>17 you?</p> <p>18 A I recognize it as an e-mail, yes.</p> <p>19 MR. HAREN: I move this document into evidence.</p> <p>20 THE COURT: Granted. It is in evidence.</p> <p>21 (Whereupon, the Document was marked in evidence as</p> <p>22 Plaintiff's Exhibit 1100.)</p> <p>23 Q I'd like to turn to page 39 of the exhibit. So in the</p> <p>24 packet of material that's contained in Exhibit 1100, you can see</p> <p>25 on this page sale number one, 666 Fifth Avenue. And then on</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1332</p> <p>1 Q Let's move to the next year.</p> <p>2 The Supporting Data for 2019, Plaintiff's Exhibit 843,</p> <p>3 and specifically Rows 52 to 68.</p> <p>4 MR. HAREN: Zoom out so that more is visible.</p> <p>5 Q Mr. Birney, do you understand Rows 52 through 68 to</p> <p>6 contain the 2019 valuation of Trump Tower?</p> <p>7 A Can you scroll up just a few rows, please? Yes.</p> <p>8 Q And in Cell G 66, do you see there is a cap rate</p> <p>9 identified of 2.67 percent in that valuation?</p> <p>10 A Yes.</p> <p>11 Q And I'll just state -- well, let's move to Plaintiff's</p> <p>12 Exhibit 842 on page four -- page six.</p> <p>13 So, sir, you see on that page there is a description of</p> <p>14 Trump Tower that continues on to the following page? Do you see</p> <p>15 where it states, "Trump Tower continued the estimated current</p> <p>16 value of 806,700,000 is based on an valuation by the trustees in</p> <p>17 conjunction with their associates and outside professionals</p> <p>18 applying a capitalization rate to the stabilized net operating</p> <p>19 income?"</p> <p>20 A Yes.</p> <p>21 MR. HAREN: Let's move to Plaintiff's Exhibit 846.</p> <p>22 Q Mr. Birney, do you recognize this document?</p> <p>23 A Yes.</p> <p>24 Q What do you recognize it to be?</p> <p>25 A Backup to the Trump Tower valuation in 2019.</p>
<p>Page 1331</p> <p>1 page 42 of the exhibit, sale number 14, 693 Fifth Avenue. And</p> <p>2 I'll, for the sake of time, just indicate to you that there are</p> <p>3 24 different sales reflected in this generic report and that</p> <p>4 many of them have capitalization rates higher than four percent.</p> <p>5 My question for you is just did you decide -- were you</p> <p>6 the person who decided not to use any properties other than 666</p> <p>7 Fifth Avenue and 693 Fifth Avenue as comparable to Trump Tower</p> <p>8 for the 2018 Statement of Financial Condition?</p> <p>9 A No.</p> <p>10 (Continued on the next page.)</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1333</p> <p>1 MR. HAREN: I move this document into evidence.</p> <p>2 THE COURT: Granted. It's in.</p> <p>3 (Whereupon, the item previously referred to is</p> <p>4 received and marked Plaintiff's Exhibit Number 846 in</p> <p>5 evidence.)</p> <p>6 Q Direct your attention just first to the first page. It</p> <p>7 states next to "\$1,061,233 paid to Trump." Do you see that?</p> <p>8 A Yes.</p> <p>9 Q And is that management fee number removed from the</p> <p>10 calculation of net operating income?</p> <p>11 A It's removed from the operating expenses.</p> <p>12 Q And the operating expenses are part of the calculation</p> <p>13 of that operating income; right?</p> <p>14 A Yes.</p> <p>15 MR. HAREN: Let's move to page seven of the</p> <p>16 exhibit.</p> <p>17 Q Do you see the highlighting on the entry for 666 Fifth</p> <p>18 Avenue?</p> <p>19 A Yes.</p> <p>20 Q And the capitalization rate of 2.67 percent is</p> <p>21 highlighted?</p> <p>22 A Yes.</p> <p>23 Q What does that indicate to you?</p> <p>24 A That the cap rate of 2.67 was used.</p> <p>25 Q Used in what?</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1334</p> <p>1 A The valuation of Trump Tower.</p> <p>2 Q And do you see the note at the bottom of the paragraph</p> <p>3 that reads "the property was purchased based on an overall</p> <p>4 capitalization rate of 2.67 percent which is projected to</p> <p>5 increase to 4.5 percent upon stabilization in year three?"</p> <p>6 A Yes.</p> <p>7 Q Were you ever directed in connection with the valuation</p> <p>8 of Trump Tower in 2019 to use the 4.45 percent number reflected</p> <p>9 here?</p> <p>10 A No.</p> <p>11 MR. HAREN: Let's move to Plaintiff's Exhibit 1227.</p> <p>12 Q Mr. Birney, do you recognize this document?</p> <p>13 A Yes.</p> <p>14 Q What do you recognize it to be?</p> <p>15 A A draft of the 2019 Statement of Financial Condition</p> <p>16 Supporting Data spreadsheet.</p> <p>17 MR. HAREN: I move this document into evidence.</p> <p>18 THE COURT: Granted. It's in evidence.</p> <p>19 (Whereupon, the item previously referred to is</p> <p>20 received and marked Plaintiff's Exhibit Number 1227 in</p> <p>21 evidence.)</p> <p>22 Q The file name is "1-SOFC Supporting Data 6.2019 VPD</p> <p>23 072219.XLSX." What does that file name indicate to you based on</p> <p>24 your practices?</p> <p>25 A It indicates that this version was the draft as of</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1336</p> <p>1 A Yes.</p> <p>2 Q And do you see that the 3.67 percent number in value</p> <p>3 two is based on an average of 4.68 and 2.67?</p> <p>4 A Yes.</p> <p>5 Q You recall that we saw in the 2019 Supporting Data that</p> <p>6 only 2.67 percent was used in the final valuation of Trump Tower</p> <p>7 in 2019?</p> <p>8 A I think so.</p> <p>9 Q Did you alone make the decision to use the 2.67 percent</p> <p>10 rate rather than the higher rates reflected in this exhibit?</p> <p>11 A No.</p> <p>12 Q Did any person direct you to use only the 2.67 percent</p> <p>13 rate from the 666 Fifth Avenue sale for the 2019 valuation of</p> <p>14 Trump Tower?</p> <p>15 A Yes.</p> <p>16 Q Who was that person?</p> <p>17 A Allen Weisselberg.</p> <p>18 Q Do you recall any conversation with Mr. Weisselberg in</p> <p>19 which he conveyed that instruction?</p> <p>20 A Yes.</p> <p>21 Q What do you recall about that conversation?</p> <p>22 A I recall that I discussed it with Allen Weisselberg. I</p> <p>23 think I took the position that -- I think he said just use</p> <p>24 2.67 percent and I said -- I'm -- like, I'm fine using that cap</p> <p>25 rate, but I'm worried that if we only use 2.67 if the building</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1335</p> <p>1 July 22, 2019.</p> <p>2 Q And I'd just like to direct you down to Row 65</p> <p>3 through 67.</p> <p>4 MR. HAREN: And can you scroll up a little bit to</p> <p>5 show the witness the property to which those entries</p> <p>6 pertain?</p> <p>7 Q So Mr. Birney, do you see in Row 30 there is an entry,</p> <p>8 "Trump Tower?"</p> <p>9 A Yes.</p> <p>10 MR. HAREN: Okay. Now could we scroll down,</p> <p>11 please, to Row 65? There it is.</p> <p>12 Q Mr. Birney, do you see in these entries there are two</p> <p>13 different valuations of Trump Tower that are computed?</p> <p>14 A Yes.</p> <p>15 Q And value one is 524 million and change?</p> <p>16 A Yes.</p> <p>17 Q And value two is 571 million and change?</p> <p>18 A Yes.</p> <p>19 Q And value one is based on a cap rate of 1.0 percent?</p> <p>20 A Yes.</p> <p>21 Q And value two is based on a cap rate of 3.67 percent?</p> <p>22 A Yes.</p> <p>23 Q And just looking down at Rows 84 through 90 and</p> <p>24 focusing first on Rows 84 to 86, do you see that the four</p> <p>25 percent number is based on an average of 4.65, 4.68 and 2.67?</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1337</p> <p>1 was sold, like, next year we're going to have a -- next year</p> <p>2 there might not be a cap rate that is as low as 2.67, so there</p> <p>3 would be a difference between next year and this year.</p> <p>4 Q So you had a concern that the following year you might</p> <p>5 not still be able to support a cap rate as low as 2.67?</p> <p>6 MR. ROBERT: Objection.</p> <p>7 MR. HAREN: Your Honor, this witness is an employee</p> <p>8 of the defendants. He's identified with an adverse party.</p> <p>9 There is a little bit of leading under the rules. I'm just</p> <p>10 trying to clarify his answer.</p> <p>11 THE COURT: We haven't addressed the issue I don't</p> <p>12 think whether he's a hostile witness.</p> <p>13 MR. ROBERT: He is not a hostile witness. I think</p> <p>14 it's evidence in the testimony this afternoon and this</p> <p>15 morning.</p> <p>16 MR. HAREN: I would just say that under the rules</p> <p>17 leading is permitted for an adverse party regardless of</p> <p>18 whether he's hostile, but I was just trying to clarify his</p> <p>19 answer.</p> <p>20 THE COURT: That was the only thing I was thinking.</p> <p>21 You're just trying to clarify what he said. I'll overrule</p> <p>22 the objection on multiple grounds.</p> <p>23 Q Mr. Birney, could you explain --</p> <p>24 MR. HAREN: Actually, the objection was overruled,</p> <p>25 so could I have a read back, please?</p>

P. Birney - Plaintiff - direct (Haren) Page 1338	P. Birney - Plaintiff - direct (Haren) Page 1340
<p>1 THE COURT: Read, please.</p> <p>2 (Whereupon, the requested portion of the</p> <p>3 proceedings was read back by the court reporter.)</p> <p>4 A Yes.</p> <p>5 Q And you conveyed that concern to Mr. Weisselberg?</p> <p>6 A Yes.</p> <p>7 Q And he directed you nevertheless to use the</p> <p>8 2.67 percent rate?</p> <p>9 A Yes.</p> <p>10 Q Did that conversation occur -- where did that</p> <p>11 conversation occur?</p> <p>12 A In the restroom of Trump Tower.</p> <p>13 Q Thank you.</p> <p>14 MR. HAREN: Let's go back to Plaintiff's</p> <p>15 Exhibit 846 and turn to page seven.</p> <p>16 Q Do you see the handwriting under "Sale Number 11, 666</p> <p>17 Fifth Avenue?"</p> <p>18 A Yes.</p> <p>19 Q Is that your handwriting?</p> <p>20 A Yes.</p> <p>21 Q And it states under "666 Fifth Avenue," quote, "Only</p> <p>22 Plaza district sale in the last two years on Fifth Avenue</p> <p>23 (non-allocated)." Did I read that correctly?</p> <p>24 A Yes.</p> <p>25 Q Did you come up with the rules of this statement alone?</p>	<p>1 A Sorry.</p> <p>2 Q -- an allocation identified?</p> <p>3 A I don't see anything that identifies an allocation.</p> <p>4 Q Does the entry identify a transaction dated April 2019?</p> <p>5 A Yes.</p> <p>6 Q And that was in the two years before June 2019; right?</p> <p>7 A Yes.</p> <p>8 Q And the Statement of Financial Condition in 2019 was</p> <p>9 finalized around October 31, 2019?</p> <p>10 A Probably.</p> <p>11 Q Does the entry identify an overall capitalization rate?</p> <p>12 A Yes.</p> <p>13 Q And what does it identify as the overall capitalization</p> <p>14 rate?</p> <p>15 A Looks like 5.36.</p> <p>16 Q And if you look at the bottom of the paragraph do you</p> <p>17 see that it states the adjusted capitalization rate for this</p> <p>18 asset equates to approximately 4.71 percent?</p> <p>19 A Yes.</p> <p>20 THE COURT: Five-minute warning. And how much</p> <p>21 longer with this witness?</p> <p>22 MR. HAREN: I think he's going to have a little bit</p> <p>23 of time on Monday, but I can kind of finish up in about two</p> <p>24 minutes.</p> <p>25 THE COURT: Okay. Mr. Birney, we'll be happy to</p>
P. Birney - Plaintiff - direct (Haren) Page 1339	P. Birney - Plaintiff - direct (Haren) Page 1341
<p>1 A No.</p> <p>2 Q Who was involved in coming up with the words of this</p> <p>3 statement?</p> <p>4 A Allen Weisselberg.</p> <p>5 Q And did Mr. Weisselberg come up with the phrase</p> <p>6 "nonallocated" used here?</p> <p>7 A Yes.</p> <p>8 Q All right. I'd like to direct your attention to</p> <p>9 page eight of the exhibit.</p> <p>10 And looking specifically at an entry for 711 Fifth</p> <p>11 Avenue in the far left side of this page, do you see an entry</p> <p>12 under the heading "contract" identified an address of 711 Fifth</p> <p>13 Avenue?</p> <p>14 A Yes.</p> <p>15 Q Does the entry identify a submarket near the top below</p> <p>16 the address?</p> <p>17 A Yes.</p> <p>18 Q What submarket does it identify?</p> <p>19 A Plaza district.</p> <p>20 Q Does the entry identify any allocation of a sales</p> <p>21 price?</p> <p>22 A I don't know.</p> <p>23 Q Feel free to look through it.</p> <p>24 A Can you scroll down, please?</p> <p>25 Q Do you see --</p>	<p>1 see you Monday, okay?</p> <p>2 MR. HAREN: I'd like to pull up Plaintiff's</p> <p>3 Exhibit 1722.</p> <p>4 Q Mr. Birney, do you see on the screen a document stating</p> <p>5 at the top "NYC Department of Finance, Office of the City</p> <p>6 Register?"</p> <p>7 A Yes.</p> <p>8 Q Do you see that it has a document ID and this is in the</p> <p>9 middle toward the top on the left of "2019082900604001?"</p> <p>10 A Yes.</p> <p>11 Q And there is a document date identified of August 22,</p> <p>12 2019?</p> <p>13 A Yes.</p> <p>14 Q And under the heading "property data" there is an</p> <p>15 address 711 Fifth Avenue?</p> <p>16 A Yes.</p> <p>17 Q And do you see that on the bottom of page two there is</p> <p>18 a -- in all caps and bold, "recorded or filed in the Office of</p> <p>19 the City Register of the City of New York, recorded/filed</p> <p>20 09-03-2019?"</p> <p>21 A Yes.</p> <p>22 MR. HAREN: I move this document into evidence as a</p> <p>23 public record of the transaction at 711 Fifth Avenue.</p> <p>24 THE COURT: Granted. It's in evidence.</p> <p>25 (Whereupon, the item previously referred to is</p>

P. Birney - Plaintiff - direct (Haren)		Page 1342	Proceedings	Page 1344
1	received and marked Plaintiff's Exhibit Number 1722 in		1	within which this conversation is taking place.
2	evidence.)		2	You're looking -- Mr. Amer is asking you about one

9	sale of 711 Fifth Avenue occurred at the end of August of		9	Mr. Weisselberg and what they are is -- and I can direct you
10	2019 despite the representation and the backup about the		10	to testimony that says this. You don't have to take my
11	last sale in the last two years in the Plaza district. I		11	word, but essentially what these annual reviews are are
12	think its relevance is pretty clear.		12	these are Ms. Mouradian's notes that she takes in realtime
13	THE COURT: It seems to me that it's relevant on		13	and she converts it into an annual review and she says that
14	that basis.		14	essentially on page 123, line 17 to 22.
15	Okay. Counselors, don't leave.		15	So the questions all relate to what she wrote. So
16	MR. AMER: Your Honor, we did have the issue of the		16	the issue that is the subject of these particular questions
17	objection.		17	is the data set that are used for valuations.
18	THE COURT: Yes, but let the witness go.		18	She acknowledges previously on page 117, lines 15
19	See you Monday, ten o'clock. Thank you.		19	-- line 15 through 118, line two, that there are two sets of
20	MR. AMER: And can we get an admonition to the		20	data that go into this and this, by the way, is reflected --
21	witness again?		21	I don't have the exhibit to pull up, but this is reflected
22	THE COURT: Mr. Birney, I hereby admonish you not		22	in these exhibits. There is cap rates and there is what's
23	to discuss the case with anybody, any aspect of the case		23	called NOI, net operating income, right. And I think they
24	with anybody, okay?		24	went over that fully with Mr. Weisselberg.
25	THE WITNESS: Okay.		25	So the questions that you're looking at, this one
Proceedings		Page 1343		Page 1345
1	THE COURT: Thank you.		1	in particular, is part of the sequence who provided the
2	(Whereupon, the witness is excused from the witness		2	data. So if you look at page 118, line three and you start
3	stand.)		3	following until you get here, that's what all these
4	THE COURT: We'll address the objection. We're		4	questions relate.
5	pulling it up and look at it, see if it says what some		5	So okay, where did you get the data? So we're just
6	people say it says.		6	asking her in her notes -- she understands there is three
7	MR. AMER: Your Honor, if it's helpful, we can put		7	data sets, where would this data come from. And so the
8	it up on the screen.		8	question that is presented that Mr. Amer has identified here
9	THE COURT: That would be great.		9	is about who would be in a better position and this is all
10	MR. AMER: And is it okay if I present an argument		10	-- by the way, this is all based on her understanding. I
11	on why this should be inadmissible?		11	mean, she doesn't know. I think the answer to this question
12	THE COURT: Page 129, 21 right through 122,		12	is she says I don't know.
13	line 22.		13	Transcript continues on the following page....
14	MR. AMER: We'll put up the third page after we --		14	
15	Your Honor, the first question on page 120 starting at		15	
16	line 21 about how would Cushman or Newmark know something		16	
17	clearly lacks foundation, calls for speculation. This		17	
18	witness is not an employee of either Cushman or Newmark, so		18	
19	that question should not be allowed and the answer is		19	
20	inadmissible.		20	
21	THE COURT: Well, let's do one at a time.		21	
22	Mr. Kise?		22	
23	MR. KISE: Well, Judge, I mean, I don't know that		23	
24	we can go one by one because his point here demonstrates the		24	
25	problem. It's like you have to understand the context		25	

PROCEEDINGS	Page 1346	PROCEEDINGS	Page 1348
<p>1 MR. KISE: So this is all based on her</p> <p>2 understanding. We're asking her about her notes. We're</p> <p>3 asking her to explain her understanding of what's in her</p> <p>4 notes and asking her what is the source of the data, the cap</p> <p>5 rates and the NOI. If she doesn't know, then she can simply</p> <p>6 say -- which I think she does repeatedly in this context.</p> <p>7 She says, "I don't know." But I don't see that that's a</p> <p>8 basis for it to be inadmissible.</p> <p>9 We're not asking her as an expert. We're not</p> <p>10 asking her as an employee of Newmark. She was already</p> <p>11 familiar with those two entities because she was asked about</p> <p>12 them. Cushman &amp; Wakefield, this is page 118, lines 20</p> <p>13 through 24:</p> <p>14 "You mentioned that in your annual review -- you</p> <p>15 mentioned in your annual reviews companies such as Cushman &amp;</p> <p>16 Wakefield and Newmark and counsel", meaning Mr. Amer, "I</p> <p>17 believe has asked you about those as they were appraisal</p> <p>18 firms. Is that your understanding of what they were?"</p> <p>19 And this is now page 119:</p> <p>20 "ANSWER: That's my understanding."</p> <p>21 So then we start asking about questions about where</p> <p>22 would this data come from and that operating income and the</p> <p>23 cap rates and the question particularly relates to -- in a</p> <p>24 series of questions relate again to her understanding of who</p> <p>25 would have that data. And so this begins on page 120, line</p>		<p>1 have to be an employee and if she doesn't know, just as</p> <p>2 we've done many times in this courtroom, if she doesn't</p> <p>3 know, then she --</p> <p>4 THE COURT: She can say she doesn't know. We have</p> <p>5 like negative three minutes. Let me just try this approach,</p> <p>6 okay. We've got a three-month trial. We have thousands,</p> <p>7 tens of thousands, hundreds -- millions of pages of</p> <p>8 documents. Is one side or the other willing to just say</p> <p>9 "big deal"?</p> <p>10 MR. AMER: So, Your Honor, I think this is</p> <p>11 important because they're trying to suggest that Ms.</p> <p>12 Mouradian misunderstood something she was told despite the</p> <p>13 fact that she took very careful notes. They could ask her</p> <p>14 about what her notes say and what the basis was for the</p> <p>15 information in her notes, but to start asking her how would</p> <p>16 Cushman or Newmark know things is inappropriate.</p> <p>17 The next question, "Would you agree with me that</p> <p>18 the Trump Organization would be in the best position to know</p> <p>19 how much income they're generating from a particular</p> <p>20 property," there's no foundation for her to know that. How</p> <p>21 does she know if Vornado General Partnership has better or</p> <p>22 worse information?</p> <p>23 THE COURT: Hold on one second.</p> <p>24 MR. AMER: This is important and I think the Court</p> <p>25 correctly ruled that this is inadmissible.</p>	
PROCEEDINGS	Page 1347	PROCEEDINGS	Page 1349
<p>1 21 and then continues over to page 122 where we get to the</p> <p>2 operative question after --</p> <p>3 MR. AMER: I thought we were taking these one at a</p> <p>4 time.</p> <p>5 MR. KISE: There is no way to take them one at a</p> <p>6 time.</p> <p>7 THE COURT: He wants to take them holistically.</p> <p>8 MR. KISE: It is not really possible because if you</p> <p>9 take them one at a time, you're taking them in the abstract.</p> <p>10 THE COURT: Keep going.</p> <p>11 MR. KISE: Thank you, Your Honor. So on page 142,</p> <p>12 line two, at the top, the question is asked, "Would it be</p> <p>13 consistent with your understanding" as follows. And this</p> <p>14 relates to who was providing the cap rates and who was</p> <p>15 providing the net operating income. So all this series of</p> <p>16 back and forth is designed to get at is where did -- what's</p> <p>17 her understanding of where the information came from, which</p> <p>18 is perfectly legitimate.</p> <p>19 We're not asking her -- we don't need a foundation</p> <p>20 to ask her about her own notes. You don't need a foundation</p> <p>21 about why she put something in her notes. The foundation is</p> <p>22 there. It is her notes and what is her understanding. So</p> <p>23 it goes to her state of mind. We're not asking her and I</p> <p>24 don't think the question calls for an answer about what</p> <p>25 Newmark or Cushman &amp; Wakefield actually did. She doesn't</p>		<p>1 MR. KISE: What Mr. Amer is trying to do is make</p> <p>2 your decision for you. You are the one that's going to</p> <p>3 decide whether she knew or not. We're entitled to present</p> <p>4 our evidence as to what was in her mind and present it to</p> <p>5 you and you look -- you take the evidence in and make a</p> <p>6 decision as to whether or not it's acceptable or not.</p> <p>7 What they want you to do is just exclude it</p> <p>8 altogether and you never get to hear it and this is not a</p> <p>9 witness now who is capable of being called live, so that we</p> <p>10 can clarify things, so we can adjust our questions and</p> <p>11 answers like we've done with many witnesses in court. So</p> <p>12 there's really no basis to exclude it. There's no jury and</p> <p>13 you're perfectly capable of weighing the questions and the</p> <p>14 answers.</p> <p>15 THE COURT: Okay. Thank you. Give me one minute</p> <p>16 or less.</p> <p>17 (Whereupon, there was a pause in the proceedings.)</p> <p>18 THE COURT: Basically for the reasons that Mr. Kise</p> <p>19 has argued, I'm going to let it in. There is no jury here.</p> <p>20 I'll decide ultimately what's going on here anyway. So not</p> <p>21 to denigrate Mr. Amer's argument, but it is in.</p> <p>22 MR. AMER: Your Honor, we need two minutes at the</p> <p>23 side-bar on a scheduling issue that came up within the last</p> <p>24 45 minutes.</p> <p>25 THE COURT: Hurry up.</p>	

1           (Whereupon, an off-the-record sidebar discussion  
2    was held.)  
3           (Whereupon the trial was adjourned to October 16,  
4    2023, at 10:00 a.m.)

P. BIRNEY - DIRECT (MR. HAREN)

1 THE OFFICER: All rise. Part 37 is now in session.  
2 The Honorable Arthur Engoron presiding. Make sure all  
3 cellphones are on silent. Laptops and cellphones will be  
4 permitted, but only to members of the press. There's  
5 absolutely no recording or photography of any kind allowed  
6 in the courtroom. Now, be seated and come to order.  
7 THE COURT: Thank you, Tommy.  
8 And to the press and everyone else, the schedule  
9 for the rest of this week is somewhat up in the air as you  
10 may know. I expect to know more if not by lunchtime, more  
11 likely towards the end of the day and I will update  
12 everybody as best I can. So, okay, witness. You know there  
13 is that saying about arguing against the empty chair. Well,  
14 we have a literal as well as a figurative empty chair there.  
15 MR. KISE: Won't be tomorrow.  
16 THE COURT: So I hear.  
17 THE OFFICER: Witness entering.  
18 THE COURT: I will remind the witness as I always  
19 do that you are still under oath.  
20 Let's continue with the direct examination of Mr.  
21 Birney.  
22 P A T R I C K B I R N E Y, a witness called by the Plaintiff,  
23 after having been previously sworn by the Clerk of the Court,  
24 took the witness stand and testified as follows: .  
25 DIRECT EXAMINATION

P. BIRNEY - DIRECT (MR. HAREN)

1 BY MR. HAREN: (CONT'D)  
2 Q Good morning, Mr. Birney. Thank you for being here for  
3 a third trial day in a row. Let's talk about the fixed assets  
4 approach used to value golf clubs on Mr. Trumps Statement of  
5 Financial Condition.  
6 I would like to pull up Plaintiff's Exhibit 742. This  
7 is the 2016 statements supporting data. Can we scroll down to  
8 row 263, please.  
9 Mr. Birney, do you have an understanding of the  
10 information contained in row 263 from column C to column H?  
11 A Yes.  
12 Q What's your understanding?  
13 A It shows the value of the fixed assets on the balance  
14 sheet of Trump National Golf Club Florida as of June 30, 2015  
15 and June 30, 2016.  
16 Q Let's go down to row 280. Same question for that row.  
17 A Yes. It shows the value of fixed assets on the balance  
18 sheet of Trump National Golf Club Briarcliff Manor as of June  
19 30, 2015 and June 30, 2016.  
20 Q Same question for row 304.  
21 A Shows the value of fixed assets for Trump National Golf  
22 Club bed minister's of June 30, 2015 and June 30, 2016.  
23 Q And then do you have an understanding of the  
24 information contained in rows 320 to 321 in column H? Excuse  
25 me. 319 and 320?

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1355</p> <p>1 A Yes.</p> <p>2 Q What's your understanding?</p> <p>3 A It shows the value of the fixed assets on the balance</p> <p>4 sheet of Trump National Golf Club Colts Neck as of June 30, 2015</p> <p>5 and June 30, 2016. The 2016 number was increased by 15 percent</p> <p>6 premium for a fully operational branded facility.</p> <p>7 Q And let's scroll down to row 339. Same question for</p> <p>8 rows 339 to 340.</p> <p>9 A Yes. It shows the value of fixed assets on the balance</p> <p>10 sheet for Trump National Golf Club Washington, D.C. as of</p> <p>11 June 30, 2015 and June 30, 2016. The 2016 figure was increased</p> <p>12 by 15 percent for a premium for fully operational branded</p> <p>13 facility.</p> <p>14 Q And --</p> <p>15 THE COURT: And I'll ask both the interrogator and</p> <p>16 interrogatee to talk louder. The interrogator just</p> <p>17 basically has to keep his voice up because his microphone is</p> <p>18 where it is. The witness -- it's a skill you have to learn</p> <p>19 how to talk into the mic while reading something, but you</p> <p>20 have to talk into the mic, so it is heard. Thank you.</p> <p>21 THE WITNESS: Okay.</p> <p>22 Q Same question for rows 362 to 363.</p> <p>23 A Yes. It shows the value of fixed assets on balance</p> <p>24 sheet of Trump National Golf Club Philadelphia for June 30, 2015</p> <p>25 and June 30, 2016. The 2016 value is increased by 15 percent</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1357</p> <p>1 National Golf Club Charlotte as of June 30, 2016 and a</p> <p>2 15 percent premium is added for a fully operational branded</p> <p>3 facility.</p> <p>4 MR. HAREN: So could we go down to row 462, please.</p> <p>5 Q Same question for rows 462 to 463.</p> <p>6 A This shows the value of the fixed assets for Trump</p> <p>7 National Golf Club Jupiter as of 201 -- as of June 30, 2015 and</p> <p>8 June 30, 2016. 15 percent premium was added on to the 2016</p> <p>9 number for fully operational branded facility.</p> <p>10 Q So the general approach that we have gone through in</p> <p>11 this spreadsheet, the value of fixed assets in some cases with a</p> <p>12 15 percent premium, was that a applied to Trump Organization</p> <p>13 golf clubs for the Statement of Financial Condition from 2016 to</p> <p>14 2020?</p> <p>15 A It was applied to some of the Trump Organization golf</p> <p>16 clubs in 2016 and I'm pretty sure it was in '17 through '20.</p> <p>17 MR. HAREN: Okay. Let's pull up on the screen the</p> <p>18 2020 supporting data. Just show one example.</p> <p>19 Q So Mr. Birney, we're looking at Plaintiff's Exhibit 857</p> <p>20 and you can see on the screen there is in row 367 to 369 in</p> <p>21 column H that reflects the same basic approach we just discussed</p> <p>22 in 2015 -- or 2016?</p> <p>23 A Yes.</p> <p>24 Q So there was a -- I'm just trying to establish that</p> <p>25 there was a general consistency from 2016 to 2020 in terms of</p>
<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1356</p> <p>1 for a premium for fully operational branded facility.</p> <p>2 MR. HAREN: Just have a few more of those and I'll</p> <p>3 try to do them all for a series of years, Your Honor, just</p> <p>4 to move a little bit more quickly.</p> <p>5 THE COURT: Great.</p> <p>6 Q Same question for rows 382 to 383.</p> <p>7 A The rows show the value of the fixed assets for Trump</p> <p>8 National Golf Club Hudson Valley as of June 30, 2015 and as of</p> <p>9 June 30, 2016. There was a 15 percent premium added to the 2016</p> <p>10 figure for a fully operational branded facility.</p> <p>11 MR. HAREN: And could we scroll down to row 403,</p> <p>12 please.</p> <p>13 Q Mr. Birney, we're looking at the entry for Trump</p> <p>14 National Golf Club LA. Do you see the information in row 403</p> <p>15 down to 405 in column H?</p> <p>16 A Yes.</p> <p>17 Q And what is your understanding of that information?</p> <p>18 A My understanding is that shows the value of the fixed</p> <p>19 assets as of June 30, 2016 and there's a -- for Trump National</p> <p>20 Golf Club Los Angeles and there is a 15 percent premium added</p> <p>21 for fully operational branded facility.</p> <p>22 MR. HAREN: Let's move down to row 442.</p> <p>23 Q And what is your understanding of the information in</p> <p>24 rows 441 to 442 in column H?</p> <p>25 A It shows the value of the fixed assets for Trump</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1358</p> <p>1 using the fixed assets and in some instances adding a premium.</p> <p>2 Is that fair to say?</p> <p>3 A Yes.</p> <p>4 Q All right. Do the methods of valuing golf courses on</p> <p>5 Mr. Trump's Statement of Financial Condition change in 2021?</p> <p>6 A Yes.</p> <p>7 Q Tell us what you recall about that change.</p> <p>8 A There was a phone call with a golf course company</p> <p>9 called Marcus &amp; Millichap where we asked them how they value</p> <p>10 golf courses and they gave us two different methods depending on</p> <p>11 how much money the golf course was making. The first method was</p> <p>12 for a golf course that consistently makes money. They used a</p> <p>13 multiple of eight to ten times EBITDA for that golf course and</p> <p>14 for golf courses that do not consistently make money, they used</p> <p>15 a -- I think it was two to three times gross revenue</p> <p>16 multiplier.</p> <p>17 Q When you say consistently make money, what do you mean</p> <p>18 by that?</p> <p>19 A The net income of the golf course positive or negative.</p> <p>20 Q If it makes money, the negative becomes a positive?</p> <p>21 A Yes.</p> <p>22 Q Who was on the call that you just described with the</p> <p>23 golf course company?</p> <p>24 A I was on the call, Larry Glick was on the call. I</p> <p>25 can't remember the Marcus &amp; Millichap person's name. That's who</p>

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1359</p> <p>1 I am sure of right now.</p> <p>2 Q Okay. Let's see if we can refresh your recollection</p> <p>3 and pull up your prior testimony beginning at page 865. So, Mr.</p> <p>4 Birney, beginning at line 11, and this is your testimony:</p> <p>5 "So then there was a call in 2021 with Marcus &amp;</p> <p>6 Millichap. Present on our side that I can remember was</p> <p>7 myself, Ray Flores, Allen Weisselberg, maybe Larry Glick</p> <p>8 where we asked them how they value golf courses."</p> <p>9 Do you see that?</p> <p>10 A Yes.</p> <p>11 Q Does that refresh your recollection as to who was on</p> <p>12 the call you described with Marcus &amp; Millichap?</p> <p>13 A Yes.</p> <p>14 Q So who was on the call with Marcus &amp; Millichap?</p> <p>15 A Myself, Ray Flores, Allen Weisselberg, the Marcus &amp;</p> <p>16 Millichap person and Larry Glick.</p> <p>17 Q And if I were to say the name Steve Ekvovich, would that</p> <p>18 refresh your recollection as to the name of the Marcus &amp;</p> <p>19 Millichap person?</p> <p>20 A Yes.</p> <p>21 Q And what is your recollection of the name of the Marcus</p> <p>22 &amp; Millichap person?</p> <p>23 A Steve Ekvovich.</p> <p>24 Q Thank you.</p> <p>25 MR. HAREN: Let's go to the to 21 supporting data</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1361</p> <p>1 Q So just so I understand correctly, the \$21.9 million</p> <p>2 valuation was computed by doing a gross revenue multiplier, but</p> <p>3 the result was then averaged with the \$46 million fixed asset</p> <p>4 number?</p> <p>5 A Yes.</p> <p>6 Q Back to the description of the fixed assets in cell</p> <p>7 C309, you see it says, "value of net fixed assets"?</p> <p>8 A Yes.</p> <p>9 Q In cell H308 for the prior year, it says, "value of</p> <p>10 fixed assets." Do you have an understanding of the difference</p> <p>11 between value of fixed assets in 2020 and value of net fixed</p> <p>12 assets in 2021?</p> <p>13 A Yes.</p> <p>14 Q What is the difference?</p> <p>15 A The difference is depreciation being removed.</p> <p>16 Q I'm sorry. What was that?</p> <p>17 A Depreciation being removed from the fixed assets.</p> <p>18 Q Okay. Thank you. There is some descriptions in this</p> <p>19 sheet of net fixed assets and net book value.</p> <p>20 Would your answer be the same for those figures?</p> <p>21 A Can you repeat the question, please?</p> <p>22 Q There are other descriptions in this sheet of the</p> <p>23 phrase net fixed assets or net book value, and I just want to</p> <p>24 know if your understanding of the word "net" in those instances</p> <p>25 is the same?</p>
<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1360</p> <p>1 spreadsheet, Plaintiff's Exhibit 1501. Could we scroll down</p> <p>2 to cell C323, please.</p> <p>3 Q Mr. Birney, do you see in cell C323 where it states,</p> <p>4 "6/30/21-upon the advice and guidance of Marcus &amp; Millichap,</p> <p>5 golf course industry experts, a normal golf course with a</p> <p>6 negative EBITDA trades at two-three times gross revenue"?</p> <p>7 A Yes.</p> <p>8 Q Based on your description of the call a minute ago, did</p> <p>9 the information from this cell come from Marcus &amp; Millichap?</p> <p>10 A In that sentence, yes.</p> <p>11 Q Thank you.</p> <p>12 Do you have an understanding of cells G311 to 313?</p> <p>13 A Yes.</p> <p>14 Q What's your understanding?</p> <p>15 A It shows a valuation for Trump National Golf Club</p> <p>16 Briarcliff with a gross revenue from July of 2020 through June</p> <p>17 of '21 of \$7.3 million using a three times multiplier.</p> <p>18 Q Do you have an understanding of cell G309?</p> <p>19 A Yes.</p> <p>20 Q What is your understanding?</p> <p>21 A That is the value of the net fixed assets per Trump</p> <p>22 National Golf Club Briarcliff was of June 30, 2021.</p> <p>23 Q What is your understanding of cell G315?</p> <p>24 A It's the average of the gross revenue multiplier and</p> <p>25 the net fixed assets.</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1362</p> <p>1 A Can you show me an example?</p> <p>2 Q Sure.</p> <p>3 MR. HAREN: Just Ctrl-F for the word "net," "net</p> <p>4 fixed."</p> <p>5 Q So here is an example, cell C417, the phrase "value of</p> <p>6 net fixed assets is used." But in cell C413, there is a</p> <p>7 reference to value of fixed assets is used in the prior year.</p> <p>8 I'm just trying to gain an understanding of the difference</p> <p>9 between fixed assets and net fixed assets.</p> <p>10 A The depreciation is removed from fixed assets to get to</p> <p>11 net fixed assets.</p> <p>12 Q Okay.</p> <p>13 MR. HAREN: Search for the phrase, "net book</p> <p>14 value," please.</p> <p>15 Q Mr. Birney, this cell C640.</p> <p>16 MR. HAREN: In cell C, if you can scroll up, so the</p> <p>17 witness can see what property this pertains to.</p> <p>18 Q So we have cell C, B and C608 says, "Trump Turnberry."</p> <p>19 Do you see that?</p> <p>20 A Yes.</p> <p>21 Q And if we scroll down to cell C640, it states -- I'll</p> <p>22 just read the end of the sentence. "So we used net book value."</p> <p>23 Do you see that?</p> <p>24 A Yes.</p> <p>25 Q Do you have an understanding of the phrase "net book</p>

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1363</p> <p>1 value"?</p> <p>2 A Yes.</p> <p>3 Q And what is your understanding?</p> <p>4 A My understanding based on this example is it means the</p> <p>5 same thing as net fixed assets.</p> <p>6 Q In other words, what is netted out is depreciation?</p> <p>7 A That is my understanding.</p> <p>8 MR. HAREN: Let's go to cell C357, please.</p> <p>9 Q Do you have an understanding of the information</p> <p>10 contained in cell G356? Do you want us to scroll up?</p> <p>11 A Yes, please.</p> <p>12 MR. HAREN: Could you scroll up, please, to where</p> <p>13 the property begins.</p> <p>14 Q So Mr. Birney, you can see cell B and C, row 343 says,</p> <p>15 "Trump National Golf Club-Bedminster."</p> <p>16 So having seen that, do you have an understanding of</p> <p>17 the information in cell G356?</p> <p>18 A Yes.</p> <p>19 Q What is your understanding?</p> <p>20 A My understanding is cell G356 shows the value of Trump</p> <p>21 National Golf Club Bedminster in June 30, 2021.</p> <p>22 Q And that value is about \$80 million down from the prior</p> <p>23 year; is that right?</p> <p>24 A Yes.</p> <p>25 Q How was the 2021 value computed?</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1365</p> <p>1 EBITDA?"</p> <p>2 A It means that Turnberry has not consistently had a</p> <p>3 positive EBITDA.</p> <p>4 Q And just for a layperson who doesn't fully understand</p> <p>5 the term "EBITDA," can you explain that?</p> <p>6 A Sure. It means Earnings Before Interest Taxes</p> <p>7 Depreciation and Amortization. So it is similar to net income</p> <p>8 before all those things.</p> <p>9 Q Is it a way of conveying that the property or at least</p> <p>10 in this cell the property has not consistently had positive net</p> <p>11 income?</p> <p>12 A I would have to see the financials to confirm that.</p> <p>13 Q So your understanding of the word "EBITDA" is earnings</p> <p>14 before the other thing I said earlier, the acronym?</p> <p>15 A Yes.</p> <p>16 Q Did you ever do a calculation of a Turnberry valuation</p> <p>17 for 2021 using a gross income multiplier?</p> <p>18 A I don't remember.</p> <p>19 Q Did you ever discuss with anybody whether to use a</p> <p>20 gross income multiplier to value Turnberry in 2021?</p> <p>21 A Yes.</p> <p>22 Q Tell us the substance of the discussion.</p> <p>23 A I think I discussed with Ray Flores the question,</p> <p>24 probably Alan Garten.</p> <p>25 Q Without getting into the substance of any legal advice,</p>
<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1364</p> <p>1 A The EBITDA was used from July 2020 through June 2021</p> <p>2 including capital leases and was multiplied by ten. Then the</p> <p>3 receivables from members for food, dues, et cetera, and the</p> <p>4 receivables from members for refundable and/or non-refundable</p> <p>5 deposits were added to that figure.</p> <p>6 Q And in cell C357, it states, "6/30/21-upon the advice</p> <p>7 and guidance of Marcus &amp; Millichap, golf course industry</p> <p>8 experts, a normal golf course with a consistently positive</p> <p>9 EBITDA trades at six to eight times, but the last few purchases</p> <p>10 have been 9 to 10 times." Do you see that?</p> <p>11 A Yes.</p> <p>12 Q And in the valuation that we saw at cell G356, the ten</p> <p>13 times number was used; is that right?</p> <p>14 A I believe so.</p> <p>15 Q And that's the highest number that was reflected in the</p> <p>16 advice provided by Marcus &amp; Millichap?</p> <p>17 A Yes.</p> <p>18 Q Mr. Birney, take a look at cell C640. We looked at</p> <p>19 this a minute ago just to gain and understanding of the phrase</p> <p>20 "net book value," but I want to focus you on the other part of</p> <p>21 the note that reads, "6/30/21-location has not had" -- "has not</p> <p>22 consistently had a positive EBITDA and resorts are not usually</p> <p>23 valued on gross revenue multipliers, so we used net book value."</p> <p>24 What does it mean that this property "has not had</p> <p>25 consistent" -- excuse me, "has not consistently had a positive</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1366</p> <p>1 can you describe whether any calculation of valuation based on</p> <p>2 gross revenue was discussed in that conversation?</p> <p>3 A I really don't remember.</p> <p>4 MR. HAREN: All right. Let's just pull up on the</p> <p>5 screen Plaintiff's Exhibit 2270.</p> <p>6 Q I just want to see if that refreshes your recollection.</p> <p>7 MR. HAREN: I assure the Court we will not be going</p> <p>8 through this entire document.</p> <p>9 Q Mr. Birney, do you recognize this document?</p> <p>10 A Yes.</p> <p>11 Q What do you recognize it to be?</p> <p>12 A The income statement for Trump Turnberry.</p> <p>13 MR. HAREN: I would like to move this document into</p> <p>14 evidence.</p> <p>15 THE COURT: Granted. It is in evidence.</p> <p>16 (Whereupon, the Document was marked in evidence as</p> <p>17 Plaintiff's Exhibit 2270.)</p> <p>18 Q Mr. Birney, do you see on the first page there is a</p> <p>19 line about ten lines down that says "total revenues"?</p> <p>20 A Yes.</p> <p>21 Q Do you have an understanding of the figure in that line</p> <p>22 in the column that is entitled, "Y-T-D actual"?</p> <p>23 A Yes.</p> <p>24 Q What's your understanding?</p> <p>25 A That is the year-to-date actual total revenue for Trump</p>

<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1367</p> <p>1 Turnberry through December 2020.</p> <p>2 Q The number is 6.6 million and change?</p> <p>3 A Yes.</p> <p>4 Q And then the next column over, what's your</p> <p>5 understanding of the 21.6 million that's reflected there?</p> <p>6 A That is the total budgeted revenue for 2020.</p> <p>7 Q Presumably, it is a COVID year, so the revenue brought</p> <p>8 in was a lot less than the revenue expected. Is that fair?</p> <p>9 A Yes.</p> <p>10 Q All right. And where it says in the next column over</p> <p>11 to the right "Y-T-D last year," in the context of this</p> <p>12 statement, does that refer to 2019?</p> <p>13 A Yes.</p> <p>14 Q So what is your understanding of the figure in the</p> <p>15 total revenues line in that column?</p> <p>16 A The figure is the 2019 revenue.</p> <p>17 Q So the budgeted total revenue for 2020 was 21.6. The</p> <p>18 actual revenue for 2019 was 19.5; is that fair?</p> <p>19 A Can you repeat the question?</p> <p>20 MR. HAREN: Sure. Could I have a readback, please?</p> <p>21 THE COURT: Please.</p> <p>22 (Whereupon, the requested portion of the record was</p> <p>23 read back.)</p> <p>24 A Yes.</p> <p>25 Q Did you ever look at these total revenue figures in the</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1369</p> <p>1 MR. HAREN: Okay. Let's go back to Exhibit 1501</p> <p>2 and could we go to Row 646, please?</p> <p>3 Q Mr. Birney, what is your understanding of the</p> <p>4 information contained in Column G Row 646 to 648?</p> <p>5 A It shows the gross revenue from July of 2020 through</p> <p>6 June of 2021 for Trump International Golf Club Scotland using a</p> <p>7 three times multiplier.</p> <p>8 Q So the result of a -- of a gross revenue multiplier</p> <p>9 method was 4.42 million?</p> <p>10 A Yes.</p> <p>11 Q And what's your understanding of Cell G 644?</p> <p>12 A The value of the net fixed assets as of June 30, 2021</p> <p>13 for Trump International Golf Club Scotland.</p> <p>14 Q And the number is 32 million and change?</p> <p>15 A Yes.</p> <p>16 Q And what's your understanding of Row 650 in Column H?</p> <p>17 A It's the average of those two figures, the gross</p> <p>18 revenue multiplier and the net fixed assets.</p> <p>19 Q So the gross revenue produced again at 4.42 million but</p> <p>20 it was averaged with 32 million in net fixed assets to produce</p> <p>21 the value?</p> <p>22 A Yes.</p> <p>23 MR. HAREN: Let's pull up Plaintiff's Exhibit 1356.</p> <p>24 Q Mr. Birney, do you recognize this document?</p> <p>25 A Yes.</p>
<p>Page 1368</p> <p>1 context of deciding whether to use a gross revenue multiplier to</p> <p>2 value Trump Turnberry for the 2021 Statement of Financial</p> <p>3 Condition?</p> <p>4 A I don't remember. It's possible.</p> <p>5 (Continued on the next page.)</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1370</p> <p>1 Q What do you recognize it to be?</p> <p>2 A A spreadsheet that I created.</p> <p>3 Q Can you describe for the Court the contents between</p> <p>4 Column B and Column O?</p> <p>5 A Sure. It lists the financial results for each golf</p> <p>6 club for various periods ultimately using the last 12 months</p> <p>7 since June of 2021. Asset T 12 it means the past 12 months. It</p> <p>8 shows increases over the last two years and then it shows what</p> <p>9 multiplier may be used in Columns N and O.</p> <p>10 Q So the figure in Columns N are those calculated values?</p> <p>11 A Yes.</p> <p>12 Q And are they based on the method that's then listed in</p> <p>13 Column O in the same row? Let me see if I can do it in a less</p> <p>14 generic way. So Column O Row 6 states: "10 X EBITDA." Do you</p> <p>15 see that?</p> <p>16 A Yes.</p> <p>17 Q Is that the method that's used to compute the numbers</p> <p>18 that is in the same row in Column N?</p> <p>19 A Yes.</p> <p>20 Q And so just so that we can understand the nature of the</p> <p>21 document is that true all the way down in those columns to the</p> <p>22 bottom of the sheet? In other words, there is a method listed</p> <p>23 in Column O and then there is a number computed based on that</p> <p>24 number in Column N?</p> <p>25 A That appears to be with -- what's on the screen right</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1371</p> <p>1 now.</p> <p>2 Q And what circumstances led you to create this</p> <p>3 spreadsheet?</p> <p>4 A The call with Marcus &amp; Millichap.</p> <p>5 Q So can you just tell us the call happened and then what</p> <p>6 were the steps that you took to prepare this spreadsheet?</p> <p>7 A I gathered the income statements and balance sheets for</p> <p>8 the golf clubs for these periods and put them into the</p> <p>9 spreadsheet.</p> <p>10 MR. HAREN: I'd like to move this document into</p> <p>11 evidence.</p> <p>12 THE COURT: Granted. It's in.</p> <p>13 (Whereupon, the item previously referred to is</p> <p>14 received and marked Plaintiff's Exhibit Number 1501 in</p> <p>15 evidence.)</p> <p>16 Q I want to focus your attention on Columns Q through U.</p> <p>17 Do you have an understanding of the phrase "net book value" in</p> <p>18 Q3?</p> <p>19 A Yes.</p> <p>20 Q And what is your understanding?</p> <p>21 A That is the net fixed assets on the balance sheet.</p> <p>22 Q And by "net" you mean taking out depreciation as you</p> <p>23 said earlier?</p> <p>24 A I believe so.</p> <p>25 Q And then in Column S it says "gross book value" in Cell</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1373</p> <p>1 the various multipliers; right?</p> <p>2 A Yes.</p> <p>3 Q And so comparing Cell N 48 to U 48, you can see the</p> <p>4 difference of about \$230 million give or take between using a</p> <p>5 gross book value with 15 percent and using revenue multipliers.</p> <p>6 Is that fair?</p> <p>7 A Revenue and EBITDA multipliers, yes.</p> <p>8 MR. HAREN: All right. Let's go to Plaintiff's</p> <p>9 Exhibit 344, please.</p> <p>10 Q Mr. Birney, do you recognize this document?</p> <p>11 A Yes.</p> <p>12 Q What do you recognize it to be?</p> <p>13 A An e-mail from myself to Caitlin Carey and Jeff</p> <p>14 McConney.</p> <p>15 MR. HAREN: I move this document into evidence.</p> <p>16 THE COURT: Granted. It's in.</p> <p>17 (Whereupon, the item previously referred to is</p> <p>18 received and marked Plaintiff's Exhibit Number 344 in</p> <p>19 evidence.)</p> <p>20 Q Just want to direct you to page two. Do you have an</p> <p>21 understanding of who Caitlin Carey is?</p> <p>22 A Yes.</p> <p>23 Q And what's your understanding of who she is?</p> <p>24 A She works -- or she worked at the time of this e-mail</p> <p>25 at Deutsche Bank.</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1372</p> <p>1 S3. Do you have an understanding of what that refers to?</p> <p>2 A Yes.</p> <p>3 Q And what's your understanding?</p> <p>4 A The total fixed assets for that period.</p> <p>5 Q And why is it gross as opposed to net?</p> <p>6 A Because it does not include depreciation.</p> <p>7 Q And do you have an understanding of Cell U 3?</p> <p>8 A Yes.</p> <p>9 Q And what is your understanding?</p> <p>10 A That is the method that was used in the past, however</p> <p>11 many years using the total fixed assets with a 15 percent</p> <p>12 premium added onto the light blue cells.</p> <p>13 Q And because it says "gross book value," does that mean</p> <p>14 depreciation was not removed or the 15 percent was added?</p> <p>15 A Yes.</p> <p>16 MR. HAREN: I'd like to scroll down a little bit</p> <p>17 more, please. And I think you'll have to spread Column Q</p> <p>18 out and Column S out to see the numbers on the bottom.</p> <p>19 Q So Mr. Birney, we're looking at Row 48 Columns N</p> <p>20 through U. I just want to see if I understand these figures</p> <p>21 correct. So figure in Column U 48, that's a total of what the</p> <p>22 gross book value with 15 percent method yields?</p> <p>23 A Yes, it says some of the cells above in that column.</p> <p>24 Q And just to get a comparison between U 48 and N 48, I</p> <p>25 think you'll remember that N 48 is the number computed based on</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1374</p> <p>1 Q And do you see in her e-mail of November 10, 2017 to</p> <p>2 Jeff McConney copying you, she writes: "Hi, Jeff. I have a</p> <p>3 somewhat of an annoying but necessary request. We received the</p> <p>4 covenant package while you were out, thank you Patrick, and the</p> <p>5 guarantor certificate only references endeavor. Since he also</p> <p>6 provides a guaranty for OPO as well, we would need a compliance</p> <p>7 certificate referencing this separate facility. Since covenants</p> <p>8 are the same for both loans we can combine for next year but for</p> <p>9 2017, can you provide the separate form. We just want to make</p> <p>10 sure all the Is and Ts are dotted and crossed. Thank you."</p> <p>11 And you'll see following that e-mail there is a</p> <p>12 response from Mr. McConney that says: "Hi, Caitlin. No</p> <p>13 problem. Can I get it to you next week? Jeff."</p> <p>14 And following those exchanges there is an e-mail on the</p> <p>15 first page from you to Caitlin Carey, copies Jeff McConney</p> <p>16 stating: "Caitlin, as discussed, see attached compliance</p> <p>17 certificate for Trump Old Post Office LLC. Let us know if you</p> <p>18 need anything further. Thank you. Pat."</p> <p>19 And the attachment to the e-mail begins on page four of</p> <p>20 the exhibit and it pertains among other things to -- and this is</p> <p>21 in the middle of the page, guarantor's Statement of Financial</p> <p>22 Condition as of June 30, 2017. It's item number one in the</p> <p>23 first bullet. And then on page five of the document there is a</p> <p>24 signature that says underneath the signature line, "Donald J.</p> <p>25 Trump by Donald J. Trump, Jr. as attorney in fact." Do you see</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1375</p> <p>1 that?</p> <p>2 A Yes.</p> <p>3 Q Do you have an understanding of how Donald J. Trump,</p> <p>4 Jr. came to sign this document?</p> <p>5 A Not really.</p> <p>6 Q Did you do anything to get his signature?</p> <p>7 A I don't remember.</p> <p>8 Q And the provision of a signed compliance certificate</p> <p>9 pertaining to Mr. Trump's Statement of Financial Condition is</p> <p>10 that something you could have sent to a bank without having your</p> <p>11 action approved by someone else?</p> <p>12 A No.</p> <p>13 Q Whose approval would you have required to take that</p> <p>14 step?</p> <p>15 A Based on this example probably Jeff McConney.</p> <p>16 MR. HAREN: Let's pull up Plaintiff's Exhibit 1450.</p> <p>17 Q Mr. Birney, do you see on the first page the document</p> <p>18 states: "It is a development appraisal with a date of July 14,</p> <p>19 2017?"</p> <p>20 A Yes.</p> <p>21 Q And it states "Ryden," R-y-d-e-n on the bottom left</p> <p>22 side. Do you have an understanding of what Ryden is?</p> <p>23 A I think they're a company based in Scotland. I don't</p> <p>24 really know too much about what they do.</p> <p>25 Q Do you see on page two of the document -- and this is</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1377</p> <p>1 Appraisal that's Plaintiff's Exhibit 1450 when you were working</p> <p>2 on Mr. Trump's Statements of Financial Condition?</p> <p>3 A I don't think so.</p> <p>4 MR. HAREN: Let's pull up Plaintiff's Exhibit 1317.</p> <p>5 Q Mr. Birney, do you see that the document on the first</p> <p>6 page is entitled, "Planning Statement for Trump International</p> <p>7 Golf Links Scotland?"</p> <p>8 A Yes.</p> <p>9 Q And do you see that it states below that "in respect of</p> <p>10 development comprising up to 550 dwellings (up to 500</p> <p>11 residential units and a minimum of 50 leisure/resort units?"</p> <p>12 A Yes.</p> <p>13 Q And do you see that it is dated 24 July 2018?</p> <p>14 A Yes.</p> <p>15 Q As they like to write dates across the pond.</p> <p>16 Take a look at page three of the exhibit, Paragraph 2.1</p> <p>17 where it states: "The development is the next phase of the</p> <p>18 continued investment in and development of the Trump Estate. It</p> <p>19 represents a revision to the phasing originally proposed in terms</p> <p>20 of the OPP which is no longer economically viable." Do you see</p> <p>21 that?</p> <p>22 A Yes.</p> <p>23 Q And on page five of the exhibit in Paragraph 3.3, it</p> <p>24 states: "The description of the development is now as follows:</p> <p>25 550 dwellings (up to 500 residential units and a minimum of 50</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1376</p> <p>1 in Item 1.4, second sentence, it states: "As agreed with Sarah</p> <p>2 Malone of Trump International, we have prepared appraisals that</p> <p>3 reflect a development scenario."</p> <p>4 A Yes.</p> <p>5 Q Do you have an understanding of who Sarah Malone is?</p> <p>6 A Yes.</p> <p>7 Q Who is Sarah Malone?</p> <p>8 A The general manager of Trump International Golf Club</p> <p>9 Scotland.</p> <p>10 Q Is that the property located in Aberdeen?</p> <p>11 A Yes.</p> <p>12 Q Have you worked with Ms. Malone before?</p> <p>13 A Yes.</p> <p>14 Q Tell us about your work with Ms. Malone.</p> <p>15 A She's the GM of one of our golf clubs, so I've done a</p> <p>16 lot of work with Sarah Malone.</p> <p>17 Q In her capacity as general manager of the Trump</p> <p>18 International Golf Club Scotland?</p> <p>19 A Yes.</p> <p>20 MR. HAREN: I move this document into evidence.</p> <p>21 THE COURT: Granted. It's in.</p> <p>22 (Whereupon, the item previously referred to is</p> <p>23 received and marked Plaintiff's Exhibit Number 1450 in</p> <p>24 evidence.)</p> <p>25 Q Were you ever provided a copy of the Ryden Development</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1378</p> <p>1 leisure/resort units." Do you see that?</p> <p>2 A Yes.</p> <p>3 Q Were you ever provided a copy of this document when</p> <p>4 working on Mr. Trump's Statement of Financial Condition?</p> <p>5 A I don't think so.</p> <p>6 MR. HAREN: I'll move this document into evidence,</p> <p>7 Your Honor.</p> <p>8 THE COURT: Granted. It's in.</p> <p>9 (Whereupon, the item previously referred to is</p> <p>10 received and marked Plaintiff's Exhibit Number 1317 in</p> <p>11 evidence.)</p> <p>12 MR. HAREN: Let's go to Plaintiff's Exhibit 1319.</p> <p>13 Q Mr. Birney, do you see that the document has a heading</p> <p>14 entitled "Aberdeenshire Council?"</p> <p>15 A Yes.</p> <p>16 Q Do you see that it states on page two, item four</p> <p>17 "Planning application-APP/2018/1814-erection of 550 dwelling</p> <p>18 houses (up to 500 residential units and a minimum of 50</p> <p>19 leisure/resort units." Do you see that?</p> <p>20 A Yes.</p> <p>21 Q And then on page five of the document at the top it</p> <p>22 states: "The development hereby granted shall be begun before</p> <p>23 the expiration of 15 years from the final approval of the</p> <p>24 matters specified in conditions or in the case of approval on</p> <p>25 different dates. The final approval of the last such matters to</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1379</p> <p>1 be approved," and then the word "Conditions" in bold follows. 2 Do you see that? 3 A Yes. 4 Q I'd like to direct you to page six where it states: 5 "And this is Condition Number 03, the total number of houses 6 hereby granted shall not exceed 550 units. No more than 500 of 7 the 550 units" -- excuse me -- "550 houses hereby granted shall 8 be sold as private houses." Do you see that? 9 A Yes. 10 Q And Condition Number 04 begins with the following: 11 "The golf villas and leisure/resort units hereby 12 approved shall be occupied on a holiday letting or a fractional 13 ownership basis only and for no other purposes whatsoever, 14 including use as permanent residential units without the prior 15 express grant of planning permission by the Planning Authority." 16 Do you see that? 17 A Yes. 18 Q Were you ever provided with this document when you were 19 working on Mr. Trump's Statements of Financial Condition? 20 A I don't think so. 21 MR. HAREN: Let's go to Plaintiff's Exhibit 1157 22 and 1157 -- excuse me. 23 I'd like to move Plaintiff's Exhibit 1319 into 24 evidence. 25 THE COURT: Granted. It's in.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1381</p> <p>1 Q Okay. Let's go back to the spreadsheet. So can you 2 just give us your understanding of the information contained in 3 Column B? 4 A Which column? 5 Q B? 6 A My understanding is those are business segments of the 7 Trump Organization. 8 Q So these are segments or assets to which numbers will 9 later be inserted into the spreadsheet. Is that fair? 10 A Yes. 11 Q Did you prepare this document with Allen Weisselberg? 12 A Can you scroll down, please, to the bottom? Yes. 13 Q There is a note at the bottom identified with the 14 letter B. Does that relate to any of the assets that are listed 15 above in Column B? 16 A Can you scroll up, please? Yes. 17 Q Which assets does it relate to? 18 A 1290 Avenue of the Americas and 555 California Street. 19 Q And as for the substance of Note B, did Mr. Weisselberg 20 instruct you to include that information in the spreadsheet? 21 A I think so. 22 MR. HAREN: Let's go to Plaintiff's Exhibit 1293 23 and 1293 native already in evidence. 24 Q Mr. Birney, you see in your e-mail of February 25, 2016 25 to Allen Weisselberg copying Jeff McConney you stated: "Allen,</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1380</p> <p>1 (Whereupon, the item previously referred to is 2 received and marked Plaintiff's Exhibit Number 1319 in 3 evidence.) 4 Q Mr. Birney, Plaintiff's Exhibit 1157 is an e-mail 5 that's on the screen and it states an e-mail to you, to Donna 6 Kidder copying Jeff McConney and Allen Weisselberg. And in the 7 e-mail you wrote: "Donna, see attached 2015 Trump Organization 8 cash flow shell." Do you see that? 9 A Yes. 10 Q Can you describe just in general terms the nature of 11 the preparation of the shell spreadsheet that's attached and 12 described in your e-mail? 13 A I think it's a big spreadsheet. Can we see the 14 spreadsheet? 15 MR. HAREN: Sure. Let's pull up the native file. 16 This is PX 1157 native. 17 Q Mr. Birney, you can see a title that says "Trump 18 Organization Corporate Cash Flow 2015" and then it has a date of 19 02.01.16, the same date as the e-mail you sent? Do you see 20 that? 21 A Yes. 22 Q And what did you mean when you used the word "shell" in 23 the e-mail? 24 A That it's a spreadsheet that's built out but without 25 any numbers in it.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1382</p> <p>1 see attached. I put three copies for the kids in their folders 2 on your chair. You and Jeff have copies on your desks. I'll 3 call you tomorrow." 4 A Yes. 5 Q Do you -- taking a look at the attachments, the file 6 names, what do you recognize those to indicate? Just the file 7 names back on the e-mail? Do you have an understanding of 8 "cover memo 2.24.16.docx?" 9 A Yes. 10 Q And what's your understanding? 11 A It's a separate document that was attached as a cover 12 memo of the operating financial summary. 13 Q And did you prepare the cover memo to the operating 14 financial summary? 15 A Probably. 16 Q Why were you sending this e-mail to Mr. Weisselberg? 17 A I don't remember. 18 Q Did you and he work on preparing the corporate cash 19 flow spreadsheet together? 20 A Yes. 21 Q Did you have an understanding when you were preparing 22 the spreadsheet that it would be provided -- let me go back. 23 Do you have an understanding of the phrase "the kids" 24 as used in this e-mail? 25 A Yes.</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1383</p> <p>1 Q And what do you understand that to refer to?</p> <p>2 A The Trump kids, the Trump children.</p> <p>3 Q Can you give us their names?</p> <p>4 A Yes, Don, Jr., Eric and Ivanka.</p> <p>5 Q And when you were preparing the spreadsheet that we saw</p> <p>6 that started as a shell on February 1st did you have an</p> <p>7 understanding that it would be provided to Donald Trump, Jr.,</p> <p>8 Eric Trump and Ivanka Trump?</p> <p>9 A Can you ask the question, please, again?</p> <p>10 THE COURT: Read back, please.</p> <p>11 (Whereupon, the requested portion of the</p> <p>12 proceedings was read back by the court reporter.)</p> <p>13 A I mean, I probably did because of this e-mail.</p> <p>14 Q Okay. Why did you send this e-mail to Jeff McConney?</p> <p>15 A I don't remember.</p> <p>16 Q What was Mr. McConney's involvement in developing the</p> <p>17 corporate cash flow spreadsheet?</p> <p>18 A Can you toggle back to the spreadsheet, please?</p> <p>19 MR. HAREN: Sure. Let's pull up Exhibit 1293</p> <p>20 native.</p> <p>21 A Jeff provided me information on this spreadsheet.</p> <p>22 Q Do you have a recollection of what information he</p> <p>23 provided you?</p> <p>24 A Yes, I believe he provided me the corporate payroll and</p> <p>25 overhead information.</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1385</p> <p>1 Q Just speaking generally, what was the origin of the</p> <p>2 project that began with the February 1st shell and either that</p> <p>3 was ongoing with Exhibit 1239 that was on the screen now?</p> <p>4 A I don't remember.</p> <p>5 Q You don't have any recollection of being instructed in</p> <p>6 or around February 1st of 2016, we should get this corporation</p> <p>7 cash flow shell together and we should fill it in with</p> <p>8 information? Do you have a recollection of that generally?</p> <p>9 A I was probably asked to do it. I may have brought it</p> <p>10 up. I really don't remember.</p> <p>11 Q Let's -- looking at the spreadsheet, looking at cell</p> <p>12 J21, can you tell us what that indicates?</p> <p>13 A Yes.</p> <p>14 Q And what does it indicate?</p> <p>15 A The adjusted net cash flow before distributions for the</p> <p>16 clubs in 2015.</p> <p>17 Q When you say "the clubs," what are you referring to?</p> <p>18 A The golf clubs, Mar-A-Lago, Trump Briarcliff Manor</p> <p>19 Development.</p> <p>20 Q And so just all of those properties, according to this</p> <p>21 spreadsheet, had an adjusted net cash flow before distributions</p> <p>22 of 5.6 million; is that right?</p> <p>23 A According to this spreadsheet, yes.</p> <p>24 Q Looking at J31, what does that cell indicate?</p> <p>25 A The adjusted net cash flow before distributions for the</p>
<p>Page 1384</p> <p>1 Transcript continues on the following page....</p> <p>2</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>P. BIRNEY - DIRECT (MR. HAREN) Page 1386</p> <p>1 commercial properties in 2015.</p> <p>2 Q What do you mean by "commercial properties?"</p> <p>3 A Trump Tower, 40 Wall and Niketown.</p> <p>4 Q What is the figure that's in the adjusted net cash flow</p> <p>5 before distributions column for those assets?</p> <p>6 A 2.2 million.</p> <p>7 THE COURT: Five-minute warning.</p> <p>8 Q Cell J91, just want to get your understanding looking</p> <p>9 in column B, starting at row 86, there is an item entitled</p> <p>10 "Trump Corporation." Do you see that?</p> <p>11 A Yes.</p> <p>12 Q And then below Trump Corporation, there are a series of</p> <p>13 unallocated costs. Do you see that?</p> <p>14 A Yes.</p> <p>15 Q Do you have an understanding of cell B87?</p> <p>16 A Which cell? Sorry.</p> <p>17 Q B87.</p> <p>18 A Yes.</p> <p>19 Q And what's your understanding?</p> <p>20 A It is the unallocated corporation payroll for property</p> <p>21 development.</p> <p>22 Q Is that B87 or B88?</p> <p>23 A I'm sorry. That was B88. B87 is unallocated corporate</p> <p>24 payroll general or generic.</p> <p>25 Q And cell B88?</p>

P. BIRNEY - DIRECT (MR. HAREN)	Page 1387	P. BIRNEY - DIRECT (MR. HAREN)	Page 1389
<p>1 A One more time.</p> <p>2 Q Cell B88, what's your understanding?</p> <p>3 A Unallocated corporate payroll for property development.</p> <p>4 Q And B89?</p> <p>5 A Unallocated net medical benefits.</p> <p>6 Q B90?</p> <p>7 A Unallocated corporate expenses.</p> <p>8 Q In cell J91, those expenses total to 12.6 million. Is</p> <p>9 that what the document indicates?</p> <p>10 A Yes.</p> <p>11 Q Are any of -- when it says "unallocated," does that</p> <p>12 mean that these expenses are not allocated to the assets listed</p> <p>13 higher up in the spreadsheet?</p> <p>14 A Can you, please, scroll up slowly? Higher, please.</p> <p>15 Yes. I think it means it doesn't include any corporate</p> <p>16 payroll or overhead that's already listed in the rows within the</p> <p>17 business segments.</p> <p>18 MR. HAREN: Okay. Let's go back to the e-mail,</p> <p>19 Exhibit 1293, and scroll down page two or three where the</p> <p>20 attachment is.</p> <p>21 Q So Mr. Birney, this is the other attachment, the cover</p> <p>22 memorandum. Do you recognize that?</p> <p>23 A Yes.</p> <p>24 Q Did you prepare this document?</p> <p>25 A Yes.</p>		<p>1 Q Either one, before or after. Let's start with before.</p> <p>2 A I don't know. I -- I don't remember any of these</p> <p>3 meetings. I may have been invited. I may not have been</p> <p>4 invited.</p> <p>5 Q Do you have a recollection sitting here today as to</p> <p>6 whether this memorandum or the native spreadsheet Exhibit 1293</p> <p>7 were discussed in the meeting with Allen Weisselberg, Donald</p> <p>8 Trump, Jr., Eric Trump and Ivanka Trump?</p> <p>9 A I don't remember any meetings.</p> <p>10 MR. HAREN: Okay.</p> <p>11 THE COURT: Okay. Let's take a 10-minute break. I</p> <p>12 will see you back here in 15 minutes.</p> <p>13 (Witness exits the stand.)</p> <p>14 (Whereupon, a recess was taken.)</p> <p>15 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>16 session. Please be seated and come to order.</p> <p>17 THE COURT: The witness, please.</p> <p>18 THE COURT OFFICER: Witness entering.</p> <p>19 (Witness resumes the stand.)</p> <p>20 THE COURT: Let's continue.</p> <p>21 Q Mr. Birney we are going to switch topics to did there</p> <p>22 come a point in 2021 when you participated in a virtual meeting</p> <p>23 about the 2021 Statement of Financial Condition?</p> <p>24 A Yes.</p> <p>25 Q Did that meeting occur over a service called Google</p>	
P. BIRNEY - DIRECT (MR. HAREN)	Page 1388	P. BIRNEY - DIRECT (MR. HAREN)	Page 1390
<p>1 Q It states in the first line, "As per your request," and</p> <p>2 you see that the memorandum is from Allen Weisselberg to Don,</p> <p>3 Jr. Ivanka and Eric.</p> <p>4 Do you have an understanding of what "as per your</p> <p>5 request" as it is used in this document means?</p> <p>6 A My understanding is they requested to see the financial</p> <p>7 performance based on this memo.</p> <p>8 Q And by they, do you mean the people in the "to" ine in</p> <p>9 the memo?</p> <p>10 A It's possible. I mean, it's probable.</p> <p>11 Q You prepared the memorandum, right?</p> <p>12 A Yes.</p> <p>13 Q Did you have an understanding when you prepared it of</p> <p>14 who it was for?</p> <p>15 A Yes.</p> <p>16 Q What was your understanding?</p> <p>17 A It was for Don, Jr., Ivanka and Eric.</p> <p>18 Q It states at the bottom of the memo --</p> <p>19 THE COURT: One minute.</p> <p>20 Q "After reviewing the enclosed, let's get together to</p> <p>21 discuss at your convenience."</p> <p>22 Are you aware of any discussion among Allen</p> <p>23 Weisselberg, Donald Trump, Jr., Ivanka Trump and Eric Trump</p> <p>24 regarding this memorandum?</p> <p>25 A Any discussion after this memo was sent?</p>		<p>1 Meet?</p> <p>2 A Probably.</p> <p>3 Q Can you describe what Google Meet is?</p> <p>4 A Google Meet is a video call service through Google.</p> <p>5 Q In a Google Meeting, you can speak to people about</p> <p>6 video and share documents; is that right?</p> <p>7 A Yes.</p> <p>8 Q The meeting that I asked you about, how many</p> <p>9 participants were in the meeting?</p> <p>10 A I worked remote for 2021, so there were a lot of these</p> <p>11 calls. So can we be more specific about which meeting you're</p> <p>12 referring to?</p> <p>13 Q Sure. Specifically a meeting over Google Meet about</p> <p>14 the 2021 Statement of Financial Condition.</p> <p>15 A There were multiple meetings in 2021 as I was remote.</p> <p>16 Q Were there any meetings about the 2021 Statement of</p> <p>17 Financial Condition in which Donald Trump, Jr. and Eric Trump</p> <p>18 participated?</p> <p>19 A Yes.</p> <p>20 Q So about -- speaking about that meeting, how many</p> <p>21 other participants were there other than those two people?</p> <p>22 A Myself, Alan Garten, Ray Flores, Jeff McConney.</p> <p>23 Q Allen Weisselberg was not in the meeting?</p> <p>24 A I don't think Allen Weisselberg was in that meeting.</p> <p>25 Q Approximately when did this Google Meeting occur?</p>	

P. BIRNEY - DIRECT (MR. HAREN) Page 1391

1 A Probably in October of 2021.

2 Q During the Google Meeting that we are talking about

3 now, did you share any information with the other participants?

4 A Yes.

5 Q What did you share?

6 A I shared documents on the screen.

7 Q And what were those documents?

8 A I believe I toggled between a few documents during the

9 call. One I think was a Statement of Financial Condition

10 summary. One was the supporting data spreadsheet. And we may

11 have seen the Word document which would have been the -- a

12 draft of the final Statement of Financial Condition.

13 Q You mentioned a Statement of Financial Condition

14 summary. What did you mean by that?

15 A I think I put together a one-pager, like a one-page

16 spreadsheet that showed the 2020 Statement of Financial

17 Condition versus the 2021 Statement of Financial Condition with

18 some sort of a difference in probably dollars and percentage

19 between the two.

20 Q Can you describe visually how the spreadsheet looked?

21 A From what I remember, it was a fairly simple one-page

22 spreadsheet with asset or asset classes on the left column and

23 2020 or 2021 on the next column, and then the other year on the

24 column after that and then a difference column.

25 Q Did the spreadsheet have a title?

P. BIRNEY - DIRECT (MR. HAREN) Page 1392

1 A Yeah, I'm sure it had a title.

2 Q Would the title have included the phrase SOFC?

3 A I don't -- probably.

4 Q I'm only asking these questions because I'm not aware

5 that we have a copy of this particular summary, so I'm trying to

6 get an understanding of how it appears or what words are used in

7 it.

8 Would the phrase "Statement of Financial Condition" or

9 "SOFC" likely appear in the summary spreadsheet you're

10 describing?

11 A Likely.

12 Q Focusing back on this Google Meeting, were any

13 valuation methodologies discussed on the call?

14 MR. ROBERT: Objection.

15 THE COURT: What are the grounds?

16 MR. ROBERT: This is a meeting with Alan Garten who

17 is general counsel of the Trump Organization, so whatever

18 discussions they had at this meeting is subject to Trump

19 Organization privilege as well as my client's privilege.

20 MR. HAREN: I would state Mr. Birney has already

21 testified about this in his transcript. This issue has been

22 out in the public for many, many months.

23 MR. ROBERT: Yes. So Mr. Birney testified for a

24 period of five days before the Attorney General in the

25 examination under oath stage and the issues that Mr. Haren

P. BIRNEY - DIRECT (MR. HAREN) Page 1393

1 is about to get into didn't happen on the first two days and

2 it was only the first two days that the Trump Organization

3 was allowed to have counsel in the room. Mr. Garten was in

4 the room as well as the attorney for the Trump Organization.

5 On the subsequent three days, it is my

6 understanding the Attorney General specifically prohibited

7 the Trump Organization from having an attorney there. So to

8 the extent Mr. Birney did testify about it at that point, we

9 were not in the room to be able to object to it that this

10 was a privileged conversation. That's why we are now making

11 the objection that it is privileged.

12 MR. HAREN: The Court ruled in September of 2020

13 this is about documents in the possession of Morgan Lewis &

14 Bockius that all documents related to preliminary valuations

15 of the Seven Springs easement as documents related to a

16 preliminary valuation are of a business and not legal

17 nature. The question posed to Mr. Birney during his

18 examinations, which I will just say again, you have had

19 transcripts of for ten months and have been out in the

20 public pertain to valuation and valuation discussions, not

21 legal advice.

22 MR. ROBERT: Those documents, as far as I know, are

23 not the public domain. And to your point, Mr. Haren, if

24 you're talking about a court ruling in September of 2020, my

25 notes show that the three days of the examinations when this

P. BIRNEY - DIRECT (MR. HAREN) Page 1394

1 issued came up were in 2022. So whatever ruling the Court

2 had then may have been documents maybe appropriate to Ms.

3 Dillon's testimony. Right now, we are talking about what

4 Mr. Birney knows, what took place in that conversation. I

5 think you've established in that Google Meeting virtually

6 that there were people in the room including my clients and

7 the general counsel. So our view is that meeting is

8 absolutely privileged.

9 MR. HAREN: So I direct you to plaintiff's

10 statement of undisputed facts, Exhibit 138, NYSCEF 946

11 containing Mr. Birney's testimony from pages 1183 through

12 1197 currently sitting on the docket of the court, discussed

13 at summary judgment. It is part of the record. It is in

14 public with no objection from your clients discussing the

15 content of this meeting.

16 MR. ROBERT: Right now for the first time, you're

17 asking a witness under oath to discuss the substance and

18 consents of the meeting. To the extent whatever is out

19 there is out there, but right now, this is the first

20 opportunity we have to object to this fact, that this was a

21 privileged meeting.

22 MR. HAREN: You had the opportunity to make that

23 objection since you received the transcripts of

24 investigative testimony back in 2022 and you could have made

25 the same objection in the summary judgment papers.

P. BIRNEY - DIRECT (MR. HAREN)	Page 1395	P. BIRNEY - DIRECT (MR. HAREN)	Page 1397
<p>1 MR. ROBERT: I am not aware of a procedure</p> <p>2 whereby something that happened in the past, we are under an</p> <p>3 obligation until you have a witness on the stand that you</p> <p>4 are now inquiring about the substance of that conversation.</p> <p>5 As I said, the Court had, as far as I understand, extensive</p> <p>6 briefing during the special proceeding. Obviously, Mr. Kise</p> <p>7 and I were not part of that, but in my reading of it,</p> <p>8 Your Honor made certain with third parties and whatnot.</p> <p>9 Notwithstanding any of that, Mr. Birney's testimony, as far</p> <p>10 I understand, was not part of what this Court's ruling was.</p> <p>11 MR. HAREN: I will just say in line with the</p> <p>12 Court's prior rulings, that valuation is of a business and</p> <p>13 not a legal nature, I plan to keep my questions specifically</p> <p>14 to the issue of valuation and Mr. Birney's prior testimony,</p> <p>15 which in any event is admissible as an admission of a party</p> <p>16 because he is a Trump Organization employee.</p> <p>17 MR. ROBERT: But you can't have an admission of a</p> <p>18 party when there is a conversation with counsel for the</p> <p>19 party while there's already an investigation that's</p> <p>20 underway. I don't remember the date that you started your</p> <p>21 investigation, but clearly, these meetings in March of 2022</p> <p>22 is when it's, as far as I know, very active especially in</p> <p>23 this court with regard to enforcement of subpoenas and your</p> <p>24 investigatory practice. So there is no question that during</p> <p>25 this time, whatever conversations happened with counsel for</p>		<p>1 ruling which related to communications that took place, I</p> <p>2 believe, with Ms. Dillon in the 2015, 2016, 2017 time</p> <p>3 period. Historical conversations, I will call it. That's a</p> <p>4 very different thing than a conversation during the course</p> <p>5 of an ongoing Attorney General investigation where a lawyer</p> <p>6 is present and the subject matter of the investigation is</p> <p>7 the subject matter of what they're talking about. So it's</p> <p>8 no longer strictly business.</p> <p>9 I mean, now you're talking about conversations that</p> <p>10 are taking place while there is an active investigation</p> <p>11 about that very subject. That's very different than the</p> <p>12 Court's prior rulings because the Court's prior rulings</p> <p>13 again related to historic conversations before that predate</p> <p>14 as far as I know even any investigation. So now you've</p> <p>15 got -- and there are no third parties involved in this</p> <p>16 particular conversation.</p> <p>17 This isn't a situation where you have outside</p> <p>18 counsel or outside parties. This is all self-contained</p> <p>19 within the corporation. They're discussing the Statement of</p> <p>20 Financial Condition. Those very Statements of Financial</p> <p>21 Condition including the 2021 statement are the subject of</p> <p>22 the Attorney General's investigation and now case. So I</p> <p>23 think to say that there's been any waiver or that these</p> <p>24 would not be privileged in some way because they relate in</p> <p>25 part to business doesn't take into account the context of</p>	
P. BIRNEY - DIRECT (MR. HAREN)	Page 1396	P. BIRNEY - DIRECT (MR. HAREN)	Page 1398
<p>1 the Trump Organization is a privilege of the Trump</p> <p>2 Organization.</p> <p>3 THE COURT: All right. Give me a moment.</p> <p>4 MR. ROBERT: Yes, sir.</p> <p>5 (Whereupon, there was a pause in the proceedings.)</p> <p>6 THE COURT: I'm not going to try to untangle the</p> <p>7 whole history of what was waived or not. However, the fact</p> <p>8 that there was a lawyer in the room doesn't mean that there</p> <p>9 was any attorney-client information being passed back and</p> <p>10 forth. The client asking or the attorney responding, this</p> <p>11 was all business. And my next point, basically, this is</p> <p>12 all -- this was all business related and that's what the</p> <p>13 earlier rulings were.</p> <p>14 I understand that counsel -- current counsel for</p> <p>15 defendants weren't there, but when I looked at this</p> <p>16 extensively and finally, I don't know what the questions</p> <p>17 are. Nobody knows what the questions are except the</p> <p>18 questioner, so I'll overrule -- there is a general</p> <p>19 objection because a lawyer was in the room is the</p> <p>20 attorney-client privilege, but if there is a specific</p> <p>21 question that addresses legal advice, we can revisit it as</p> <p>22 opposed to business advice.</p> <p>23 Mr. Kise.</p> <p>24 MR. KISE: Yes, Your Honor. Thank you. So I think</p> <p>25 we have to draw a significant distinction between the prior</p>		<p>1 the conversations because these are no longer -- at this</p> <p>2 point, they're no longer business conversations. At this</p> <p>3 point, these are corporate employees and officers with the</p> <p>4 general counsel of the corporation discussing</p> <p>5 actively -- discussing a subject that is actively under</p> <p>6 Attorney General investigation.</p> <p>7 And so I don't see how the privilege -- the</p> <p>8 privilege would be at its peak under those circumstances</p> <p>9 respectfully, Judge, because that's where the privilege</p> <p>10 would apply the most is when the corporation is discussing</p> <p>11 internally the very subject matter that is at the core of</p> <p>12 the investigation.</p> <p>13 THE COURT: Cliff, have you been teaching New York</p> <p>14 law to Cliff here?</p> <p>15 MR. ROBERT: He's doing great.</p> <p>16 THE COURT: He's pretty good at that. I think</p> <p>17 that's a wonderful distinction. However, just the fact that</p> <p>18 a lawyer is present in the room we don't know that he said</p> <p>19 anything or that they asked him anything. Overruled without</p> <p>20 prejudice based on the particular testimony we hear.</p> <p>21 MR. WALLACE: Your Honor, I apologize for</p> <p>22 interrupting my colleague, but I guess this raises one issue</p> <p>23 which Mr. Haren mentioned during the exam which is we don't</p> <p>24 have any documents or the underlying documents presented</p> <p>25 during this meeting. If those were withheld because of</p>	

P. BIRNEY - DIRECT (MR. HAREN)	Page 1399	P. BIRNEY - DIRECT (MR. HAREN)	Page 1401
<p>1 privilege, but haven't been logged, we would appreciate</p> <p>2 identification of those documents that were withheld during</p> <p>3 this period for privilege if there are -- if that is the</p> <p>4 reason we don't have some of these materials and we're happy</p> <p>5 to put in a letter, so that it is reflected; but I think we</p> <p>6 would like to make that request.</p> <p>7 THE COURT: Exactly. You'll have to really specify</p> <p>8 where we are in this. I just want to also return to what</p> <p>9 Mr. Kise said. I specifically said I'm not claiming -- I'm</p> <p>10 not ruling based on waiver because that would take a lot of</p> <p>11 unpacking at this point. So objection is overruled. You</p> <p>12 are not prejudiced based on the specific testimony and let's</p> <p>13 continue.</p> <p>14 Q Did you answer the question were any valuation</p> <p>15 methodologies discussed on the call?</p> <p>16 THE COURT: Repeat that louder.</p> <p>17 Q Were any valuation methodologies discussed in the</p> <p>18 Google Meeting?</p> <p>19 THE COURT: Please answer.</p> <p>20 A Yes.</p> <p>21 Q Which valuation methodologies were discussed during the</p> <p>22 Google Meeting that we are discussing now?</p> <p>23 A The golf course valuations.</p> <p>24 Q And specific, did you discuss any information learned</p> <p>25 from Marcus &amp; Millichap during the Google Meeting?</p>		<p>1 would object to its introduction.</p> <p>2 The New York Evidence guide which is only in line,</p> <p>3 you apparently don't have that statute, but provides at</p> <p>4 Section 4.19 that evidence measures taken after an event,</p> <p>5 that if taken before the event would have made injury or</p> <p>6 damage less likely to result in civil proceedings is not</p> <p>7 admissible when offered to prove culpable conduct in</p> <p>8 connection with the event. So I realize that this comes up</p> <p>9 as in most experiences -- this issues comes up with respect</p> <p>10 to negligence cases --</p> <p>11 THE COURT: Exactly.</p> <p>12 MR. KISE: -- whatnot, but based on the plain</p> <p>13 language of 4.19, it is not limited to that. The only case</p> <p>14 so far that I can find, I know you're not going to like</p> <p>15 this, but the only case so far that I can find that makes</p> <p>16 this point is the Domino's case where the court there</p> <p>17 pointed out that the notion that a company would react to a</p> <p>18 government investigation in which it clearly was a target by</p> <p>19 taking such steps meaning -- I am skipping the long form --</p> <p>20 taking steps, meaning remedial steps is hardly surprising.</p> <p>21 Indeed, to the extent they might be considered "subsequent</p> <p>22 remedial measures," which should be encouraged rather than</p> <p>23 discouraged, their admissibility is doubtful.</p> <p>24 So based on the plain language of 4.19, anything</p> <p>25 that relates to any kind of subsequent remedial measure that</p>	
P. BIRNEY - DIRECT (MR. HAREN)	Page 1400	P. BIRNEY - DIRECT (MR. HAREN)	Page 1402
<p>1 A Yes.</p> <p>2 Q Did you convey any information about the impact of that</p> <p>3 advice on the golf course valuations in the 2021 Statement of</p> <p>4 Financial Condition?</p> <p>5 A Yes.</p> <p>6 Q What did you convey about that? Keep your answer</p> <p>7 specifically to valuation.</p> <p>8 A I believe I said the only thing that really changed</p> <p>9 from last year was the golf courses. The reason we changed the</p> <p>10 golf course valuations is because we had a call with Marcus &amp;</p> <p>11 Millichap and they advised similar to what I testified</p> <p>12 previously that they -- they value golf courses using eight to</p> <p>13 ten time EBITDA or two to three time revenue multiplier.</p> <p>14 Q And you would agree it was a fairly significant change</p> <p>15 in valuation method from how the golf courses had been valued in</p> <p>16 the previous years?</p> <p>17 A It was different.</p> <p>18 Q Did you want to make Eric Trump and Donald Trump, Jr.</p> <p>19 aware of the change?</p> <p>20 MR. KISE: Your Honor, objection. So I'm not</p> <p>21 exactly sure where's he going with this, but I also want to</p> <p>22 put another objection on the record. To the extent the</p> <p>23 question is calling for evidence of subsequent remedial</p> <p>24 measures, changes that were made during the course of time</p> <p>25 that relate to perhaps a reaction to the investigation, we</p>		<p>1 was taken during the course of the investigation, we think</p> <p>2 is inadmissible for that reason, that it is evidence that's</p> <p>3 consequent to remedial measure.</p> <p>4 The other thing I will point out --</p> <p>5 MR. HAREN: Am I able to respond to the first point</p> <p>6 before you go to the second point?</p> <p>7 MR. KISE: It is all connected.</p> <p>8 THE COURT: Let Chris continue.</p> <p>9 MR. KISE: I want to make sure the record is clear</p> <p>10 that the objection on privilege is a continuing objection,</p> <p>11 not that we have to object on each question.</p> <p>12 THE COURT: Yes, that's understood. Let me also go</p> <p>13 back to that. I used to -- in another case, I've done a</p> <p>14 lot of research on the attorney-client privilege and the one</p> <p>15 thing that's very clear is you can't take a non-privileged</p> <p>16 document, give it to an attorney and say now it is</p> <p>17 privilege, which seems to me somewhat similar. You can't</p> <p>18 put an attorney in the room. There is a meeting about</p> <p>19 accounting matters, valuation matters. I don't know what</p> <p>20 Mr. Garten's knowledge of accounting and valuations is, but</p> <p>21 just the fact that he is there, I'm just adding that I'm not</p> <p>22 arguing your point.</p> <p>23 First, threshold question. Does anyone know if the</p> <p>24 subsequent remedial measure rule applies in non-jury cases?</p> <p>25 MR. KISE: I have never heard of a non-jury</p>	

P. BIRNEY - DIRECT (MR. HAREN)	Page 1403	Proceedings	Page 1405
<p>1 exception to it.</p> <p>2 THE COURT: Nor have I, but I'm just wondering.</p> <p>3 MR. KISE: I have never heard of a non-jury</p> <p>4 exception.</p> <p>5 MR. HAREN: Certainly, at lunchtime, research</p> <p>6 topic.</p> <p>7 THE COURT: Let's hear the general response to the</p> <p>8 subsequent remedial measure objection.</p> <p>9 MR. HAREN: Sure. So I'm not asking the question</p> <p>10 for the purpose of showing a subsequent remedial measure</p> <p>11 that was or wasn't taken. There is an issue in this case as</p> <p>12 who as the top executives of the Trump Organization from</p> <p>13 2017 to 2021 had authority to take certain steps. And I'm</p> <p>14 asking the question to establish the role of certain people</p> <p>15 in approving a change in valuation methodology during the</p> <p>16 relevant period. That is the reason for the question, not</p> <p>17 to establish or use any remedial measure that was taken to</p> <p>18 show culpability.</p> <p>19 MR. KISE: So to the extent it is not designed to</p> <p>20 show culpable, than obviously the objection wouldn't apply;</p> <p>21 but I stopped because I wasn't sure of that. So if that's</p> <p>22 the representation that they're not seeking to introduce</p> <p>23 this, that's fine.</p> <p>24 With respect to the privilege, one more thing,</p> <p>25 though, and that is the change in methodology. What hasn't</p>		<p>1 MR. HAREN: If we could pull up Exhibit 1501.</p> <p>2 You can look at any of the cells about the golf</p> <p>3 course memberships of 2021 and it will say on the advice and</p> <p>4 guidance -- they don't say "upon the advice of counsel."</p> <p>5 THE COURT: Why don't we go directly to the</p> <p>6 question that Mr. Kise raises. Well, first of all, did</p> <p>7 Mr. Garten participate at all in this meeting at which he</p> <p>8 was present? Did he say anything, did he answer any</p> <p>9 questions, did he have input into this discussion?</p> <p>10 Yes, that's a question to the witness. Sorry for</p> <p>11 stealing your thunder here.</p> <p>12 THE WITNESS: It was a conference call. I'm sure</p> <p>13 he said something.</p> <p>14 THE COURT: I don't think that will do it.</p> <p>15 Objection overruled.</p> <p>16 MR. HAREN: Could we have a read back of my</p> <p>17 question before the long interlude?</p> <p>18 THE COURT: Yes, please read back.</p> <p>19 (Whereupon, the requested portion of the</p> <p>20 proceedings was read back by the court reporter.)</p> <p>21 Q And that before golf course methodology?</p> <p>22 A I believe the purpose of the call was to update them on</p> <p>23 the status of the current year's Statement of Financial</p> <p>24 Condition, so I said that I can't really answer if I wanted to</p> <p>25 say that.</p>	
	Page 1404	P. Birney - Plaintiff - direct (Haren)	Page 1406
<p>1 been established is whether or not that change in</p> <p>2 methodology came about as a result of the question by</p> <p>3 counsel or a recommendation by counsel. That's the danger</p> <p>4 of getting into all of this, is that there should be some</p> <p>5 recommendation by counsel that hey, you guys should do "X"</p> <p>6 or you guys should do "Y."</p> <p>7 This is why we think that these conversations are</p> <p>8 inherently privileged and Your Honor is right, not simply</p> <p>9 because an attorney is in the room. It is not converting an</p> <p>10 otherwise non-privileged conversation, but to the extent</p> <p>11 that these changes are discussed in the context of an</p> <p>12 ongoing investigation and methodologies are changed as a</p> <p>13 result of advice from counsel, and I don't know that this</p> <p>14 witness or any other witness is necessarily equipped to draw</p> <p>15 those fine distinction, which is why we are raising.</p> <p>16 (Continued on the next page.)</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 Q So would it refresh your recollection if we pulled up</p> <p>2 some of your prior testimony, pages 1194 to 1195?</p> <p>3 A Sure.</p> <p>4 Q Starting at line 17:</p> <p>5 "QUESTION: So I'm trying to understand, the change</p> <p>6 is discussed about golf club valuation method. You</p> <p>7 described it as a consensus decision among you, Mr. Garten</p> <p>8 and Mr. Flores; correct?</p> <p>9 "ANSWER: Yes.</p> <p>10 "QUESTION: Does that decision need to be approved</p> <p>11 by someone else at the company who is superior to the three</p> <p>12 of you after it's made in your group consensus?</p> <p>13 "ANSWER: I don't know if there was an official</p> <p>14 approval. I think that's why it brought up the change in</p> <p>15 methodology in that call with Don and Eric."</p> <p>16 And I just said "okay" and you continued your</p> <p>17 answer: "So that they were at least aware."</p> <p>18 Does that refresh your recollection as to whether</p> <p>19 you wanted to advise Donald Trump, Jr. and Eric Trump about</p> <p>20 the change in golf course methodology that occurred in 2021?</p> <p>21 A I discussed it. I don't know if I wanted to discuss</p> <p>22 it. Can you ask the question in a different way maybe?</p> <p>23 Q Sure. We can look at your testimony. It says "I think</p> <p>24 that's why it brought up the change in methodology in that call</p> <p>25 with Don and Eric so that they were at least aware."</p>	

<p>P. Birney - Plaintiff - direct (Haren) Page 1407</p> <p>1 Why did you want to make them at least aware of that 2 change? 3 A Because it was a, as you put it, significant change to 4 the year before. 5 MR. HAREN: All right. Let's pull up Plaintiff's 6 Exhibit 1086. 7 Q Mr. Birney, do you recognize this document? 8 A Yes. 9 Q What do you recognize it to be? 10 A An e-mail from myself to Jeff McConney on October 23, 11 2017. 12 Q And do you have an understanding as to what the 13 attachments are? 14 A Yes. 15 Q And what's your understanding? 16 A The drafts of the spreadsheets that are used for the 17 annual Statement of Financial Condition in 2017. 18 MR. HAREN: Okay. Let's -- I'd like to move this 19 document into evidence. 20 THE COURT: Granted. It's in. 21 (Whereupon, the item previously referred to is 22 received and marked Plaintiff's Exhibit Number 1086 in 23 evidence.) 24 MR. HAREN: Let's put on the screen Plaintiff's 25 Exhibit 1086_native01.</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1409</p> <p>1 in Row 1004 right there from J to M? 2 A There is a whole formula in -- there is a lot of 3 numbers in Column K and a lot of numbers in Column O that track 4 differences. 5 Q But in terms of the overall total, did you have a 6 practice of maintaining a cell to track the overall total of 7 asset values from one year to the next? 8 A I think so. 9 Q Did you have an understanding when you were working at 10 the Trump Organization that you might be asked how asset values 11 were shaping up as compared to the prior year? 12 A Yes. 13 Q Did Mr. Weisselberg generally ask you about asset 14 values from one year to the next? 15 A Yes. 16 Q Did he ever tell you that Mr. Trump wanted his net 17 worth on the Statement of Financial Condition to go up? 18 A Can you repeat the question, please? 19 Q Did Allen Weisselberg ever tell you that Mr. Trump 20 wanted his net worth on the Statement of Financial Condition to 21 go up? 22 A Yes. 23 Q Where did that occur, your conversation with 24 Mr. Weisselberg? 25 A I think that happened in Allen's office, Allen</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1408</p> <p>1 Q Mr. Birney, this is an attachment to the e-mail we were 2 just looking at. Do you recognize it? 3 A Yes. 4 Q What do you recognize it to be? 5 A This was attached to this e-mail? 6 Q Yes. 7 A This is the October 10, 2017 draft of the Supporting 8 Data spreadsheet. 9 MR. HAREN: I'll move the native document on the 10 screen into evidence. 11 THE COURT: Granted. It's in. 12 (Whereupon, the item previously referred to is 13 received and marked Plaintiff's Exhibit Number 1086_native01 14 in evidence.) 15 MR. HAREN: Can we scroll down to Row 1004, please? 16 Q Mr. Birney, the information contained in Row 1004 from 17 Column J to Column M, we talked about this in a different 18 spreadsheet, but just to get your understanding again does that 19 information track asset values between the -- this draft and the 20 prior year? 21 A Yes. 22 Q Did you have a practice of maintaining a cell to track 23 overall asset value changes? 24 A Multiple cells, yes. 25 Q And by "multiple cells" are you referring to the items</p>	<p>P. Birney - Plaintiff - direct (Haren) Page 1410</p> <p>1 Weisselberg's office. 2 Q And approximately when did that occur? 3 A Between 2017 and 2019. 4 Q Okay. 5 MR. HAREN: Your Honor, I have no further questions 6 for this witness. 7 MR. KISE: Just on that, I just want to be sure the 8 record is clear if that question-and-answer series is being 9 offered to establish what Mr. Weisselberg told Mr. Birney, 10 that's one thing, but not for the truth of the matter. In 11 other words -- 12 THE COURT: I think that's right. 13 Would the Attorney General agree? 14 MR. HAREN: I think there are a number many reasons 15 why that statement is admissible. It's admissible to prove 16 Mr. Weisselberg's state of mind or the admission by 17 Mr. Weisselberg was a Trump Organization agent. It's 18 admissible to show the existence of a conspiracy. We can 19 argue admissibility later, but it's certainly admissible for 20 a number of reasons. 21 THE COURT: Yes, but the question is is it 22 admissible to show the truth of the statement. 23 MR. KISE: Right. I don't think it's admissible to 24 show the truth of the -- that would be the truth of the 25 statement itself. The fact that Mr. Weisselberg told</p>

<p>P. Birney - Plaintiff - direct (Haren) Page 1411</p> <p>1 Mr. Birney that and whatever Mr. Birney's state of mind 2 resulting from that, that's fine. But to establish the 3 underlying truth of the matter therein that there is some 4 underlying conspiracy, I don't see how that would be 5 admissible for that purpose. 6 MR. WALLACE: Just to clarify is it -- the question 7 is from Trump to Weisselberg. That's hearsay. Weisselberg 8 to Birney for all the reasons Mr. Haren explained is 9 admissible. 10 THE COURT: I think we all agree. 11 MR. KISE: For all the reasons except proof of a 12 conspiracy, the fact that Mr. Weisselberg said anything to 13 Mr. Birney, Mr. Birney is not a coconspirator, he's not 14 alleged to be a coconspirator. So whatever Mr. Weisselberg 15 may have told Mr. Birney isn't evidence of any conspiracy. 16 It doesn't form any evidence of an agreement or 17 conspiratorial conduct. In order for it to be evidence of a 18 conspiracy, you would then have to go to the truth of the 19 matter. In other words, is it true what Mr. Trump told 20 Mr. Weisselberg about increasing the statement. Exactly 21 what Mr. Wallace just said they weren't admitting it for. 22 MR. HAREN: I would just state there is case law, 23 including People versus Caban, 5 NY3d 143. "The acceptance 24 of an invitation to take an act can be a verbal act that is 25 an element of a conspiracy."</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1413</p> <p>1 MR. KISE: No, not at this time. 2 THE COURT: Plaintiff, would you like to call your 3 next witness? 4 MR. AMER: Yes, Your Honor. The People call Mark 5 Hawthorn. 6 (Whereupon, the witness enters the courtroom and 7 approaches the witness stand.) 8 THE COURT OFFICER: Please raise your right hand. 9 Do you solemnly swear or affirm that any testimony you give 10 will be the truth, the whole truth and nothing but the 11 truth? 12 M A R K H A W T H O R N, called by and on 13 behalf of the People, having been first duly sworn, was examined 14 and testified as follows: 15 THE WITNESS: Yes. 16 THE COURT OFFICER: Please have a seat. 17 State your full name and either business or home 18 address for the record. 19 THE WITNESS: My name is Mark Hawthorn. My 20 business address is 725 Fifth Avenue, New York. 21 THE COURT: And please speak right into the 22 microphone, directly like this, loudly, clearly, slowly. 23 DIRECT EXAMINATION 24 BY MR. AMER: 25 Q Good afternoon, Mr. Hawthorn. It's good to see you</p>
<p>P. Birney - Plaintiff - direct (Haren) Page 1412</p> <p>1 There is case law about statements like this that 2 indicate they tend to show the existence of an agreement and 3 they can be admitted for that purpose. So we're happy to 4 put in a letter on that if there is some need to further 5 specify the purpose for which the statement can be used, but 6 there is -- I don't think there is any doubt that the 7 evidence itself is admissible for the reasons Mr. Wallace 8 mentioned. 9 MR. KISE: I think we might because again the case 10 law I believe Mr. Haren is referring to are case law about 11 statements between coconspirators, not between some alleged 12 conspirator and some third party about what some other 13 alleged co-conspirator said. That's the heart of hearsay. 14 So while statements between coconspirators might be admitted 15 for that purpose for demonstrating an agreement, the having 16 -- they're mixing concepts which is not infrequent. They're 17 mixing hearsay and they're mixing, you know, the center, but 18 we can brief all this. We don't have to spend all day -- 19 THE COURT: Okay. By tomorrow, two-page minimum? 20 MR. KISE: We would need to see -- yes, yes. We 21 need to see what their case law is, but yes. 22 THE COURT: Okay. 23 MR. HAREN: Thank you, Your Honor. 24 THE COURT: All right. Will there be any cross 25 examination of this witness at this time?</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1414</p> <p>1 again. Just for the record, my name is Andrew Amer on behalf of 2 the People. Are currently employed? 3 A Yes. 4 Q And where are you employed? 5 A The Trump Organization. 6 Q And what is your current title? 7 A Chief operating officer of Trump Hotels. 8 Q We'll circle back to your employment responsibilities 9 in a minute, but can you summarize for us your educational 10 background after high school? 11 A After high school I attended the University of Florida. 12 I studied accounting, got a bachelor's and a master's degree in 13 accounting, graduated in the year 2000. 14 Q And since graduating have you received any professional 15 certifications or licenses? 16 A Yes, the CPA license in the state of Florida. 17 Q And what did you have to do generally speaking to 18 obtain your CPA license? 19 A You need to meet the required school credits to sit for 20 the CPA exam and then you have to sit for the CPA exam to be 21 awarded the license and you have to upkeep your license by 22 taking continuing professional education. 23 Q Can you describe for us your employment history after 24 graduating from University of Florida with your bachelor's and 25 master's degrees in accounting?</p>

M. Hawthorn - Plaintiff - direct (Amer) Page 1415	M. Hawthorn - Plaintiff - direct (Amer) Page 1417
<p>1 A Yes. After graduating, I was employed in the public</p> <p>2 accounting industry. So first, for Arthur Anderson from 2000 to</p> <p>3 2002 then at Ernst &amp; Young, 2002 to 2004.</p> <p>4 Q And what type of work generally speaking did you do</p> <p>5 when you were employed by those accounting firms?</p> <p>6 A I did audit engagements on behalf of the accounting</p> <p>7 firm, for both public and private companies.</p> <p>8 Q And when you say "private companies," is that similar</p> <p>9 to the Trump Organization?</p> <p>10 A It would be a company that doesn't have public stock or</p> <p>11 public debt versus an SEC registrant being a public company.</p> <p>12 Q Just to circle back to my question, that's similar to</p> <p>13 the Trump Organization; correct?</p> <p>14 A Correct, the Trump Organization does not have stock or</p> <p>15 public debt.</p> <p>16 Q And where did you next go after your employment with</p> <p>17 those two accounting firms?</p> <p>18 A Then I worked in an industry at a organization called</p> <p>19 Kerzner International. I joined there in 2004 as a financial</p> <p>20 reporting manager. That's a hospitality firm that owned and</p> <p>21 operated luxury resorts. I continued to work there until 2016</p> <p>22 in various levels of responsibility in finance and accounting</p> <p>23 and treasury.</p> <p>24 Q Did you do audit work there as well?</p> <p>25 A I did not. I was a client -- I was the actual client.</p>	<p>1 the time was the CEO of Trump Hotels.</p> <p>2 Q And what was your next position after chief accounting</p> <p>3 officer?</p> <p>4 A I really just continued in that role. In that role I</p> <p>5 was the highest financial responsibility person in the hotel</p> <p>6 division, so simply in I believe January of 2020, my title was</p> <p>7 just updated to chief financial officer, although my duties were</p> <p>8 pretty much similar, still reporting to the CEO.</p> <p>9 And then the CEO departed the company in May of 2022</p> <p>10 and I was promoted again to chief operating officer overseeing</p> <p>11 the operations aspects of the hotel division.</p> <p>12 Q Has anybody assumed Mr. Danzinger's position as CEO of</p> <p>13 the hotel's division?</p> <p>14 A No. There is no CEO, but effectively I now oversee the</p> <p>15 hotel brand operations.</p> <p>16 Q So are you the most senior executive person within the</p> <p>17 hotel's division of the Trump Organization?</p> <p>18 A Yes.</p> <p>19 Q And can you just explain to us how the hotel's division</p> <p>20 fits within the overall corporate structure of the Trump</p> <p>21 Organization?</p> <p>22 A Everything related to the hotel properties that we own</p> <p>23 and/or manage. So the organization as you may be familiar owns</p> <p>24 commercial real estate, operates golf courses and has other</p> <p>25 holdings, so the hotel division operates specifically to the</p>
M. Hawthorn - Plaintiff - direct (Amer) Page 1416	M. Hawthorn - Plaintiff - direct (Amer) Page 1418
<p>1 I worked with the auditors of the company, but I was a</p> <p>2 representative the company, so I wasn't necessarily auditing. I</p> <p>3 was preparing the information.</p> <p>4 Q And just so I understand you were preparing information</p> <p>5 that you were providing to the outside accounting firm who was</p> <p>6 the auditor; is that right?</p> <p>7 A That's correct.</p> <p>8 Q And what did you understand your responsibility to be</p> <p>9 in terms of providing information to the outside accounting</p> <p>10 firm?</p> <p>11 A To be responsible, diligent, provide truthful</p> <p>12 information that's accurate.</p> <p>13 Q Can you -- and then am I correct you went to the Trump</p> <p>14 Organization in 2016?</p> <p>15 A In February of 2016, I was hired as the chief</p> <p>16 accounting officer of Trump Hotels and I've remained in</p> <p>17 employment there with varying degrees of promotion, currently in</p> <p>18 my role as chief operating officer of Trump Hotels.</p> <p>19 Q Why don't we go through the various titles that you</p> <p>20 have held at the Trump Organization. You mentioned chief</p> <p>21 accounting officer, which is the -- that's the position you</p> <p>22 started at?</p> <p>23 A Correct.</p> <p>24 Q And who did you report to in that position?</p> <p>25 A I reported to a gentleman named Eric Danzinger who at</p>	<p>1 owned and managed hotels in the hotel portfolio.</p> <p>2 Q Are there other divisions that are at the same level as</p> <p>3 the hotel division that deal with the other aspects of the</p> <p>4 business that you've just mentioned?</p> <p>5 A I would say, you know, there is the golf -- private</p> <p>6 golf club and public golf clubs, which is part of hospitality.</p> <p>7 Then you have real estate realty division. Those are the two</p> <p>8 that come to mind that I might interact with the most.</p> <p>9 Q For a golf course that also has a hotel, how does that</p> <p>10 fit in?</p> <p>11 A It's both -- right. It's a golf resort, let's say. So</p> <p>12 we have several properties that have overnight accommodation,</p> <p>13 right, for a hotel where guests can stay. Then those hotels may</p> <p>14 also have golf courses situated on them. So the consolidated</p> <p>15 reporting would be under the hotel division auspices, but I</p> <p>16 would work with individuals in the golf division as well.</p> <p>17 Q Now, in terms of going further up the chain where does</p> <p>18 the hotel division report into?</p> <p>19 A So currently I report to Eric Trump.</p> <p>20 Q And what is Mr. Trump's position?</p> <p>21 A I believe he's EVP of the Trump Organization.</p> <p>22 Q And just for the record, executive vice president?</p> <p>23 A Yes, I believe that's right.</p> <p>24 Q And who has been the direct report to the head of the</p> <p>25 hotel's division since you joined in 2016 through today?</p>

M. Hawthorn - Plaintiff - direct (Amer) Page 1419	M. Hawthorn - Plaintiff - direct (Amer) Page 1421
<p>1 A So if I understand your question correctly, so the CEO</p> <p>2 of Trump hotels, my former boss, Mr. Danzinger, reported to Eric</p> <p>3 Trump prior to his departing and now that I'm in that effective</p> <p>4 role, I report to him.</p> <p>5 Q So just to summarize for the entire time that you've</p> <p>6 been with the Trump Organization the hotel's division has</p> <p>7 reported directly into Eric Trump; is that right?</p> <p>8 A I think that's fair.</p> <p>9 Q You spoke about the accounting function within the</p> <p>10 hotel division. How does that relate to the accounting function</p> <p>11 over which Mr. Weisselberg presided as chief financial officer</p> <p>12 while he was at the company?</p> <p>13 A So in my role I would oversee the accounting and</p> <p>14 finance for the hotel properties and I would provide information</p> <p>15 as requested from time to time from, let's say, the corporate</p> <p>16 accounting function, which was led by Mr. Weisselberg at that</p> <p>17 time when he was employed there.</p> <p>18 Q And you are getting directly to my inquiry. There is a</p> <p>19 separate corporate accounting group that's separate and apart</p> <p>20 from the hotel's division. That was the group that</p> <p>21 Mr. Weisselberg was the head of while he was at the company; is</p> <p>22 that right?</p> <p>23 A Yes.</p> <p>24 Q And who did you interact with in corporate accounting?</p> <p>25 A From time to time Mr. Weisselberg, Jeff McConney, Donna</p>	<p>1 2016?</p> <p>2 A Similar interactions. If there was information that in</p> <p>3 his role he required from the hotel division, then it would be</p> <p>4 my responsibility to provide that information.</p> <p>5 Q And you mentioned that you currently report in to Eric</p> <p>6 Trump; correct?</p> <p>7 A Yes.</p> <p>8 Q And have you reported directly into Mr. Eric Trump</p> <p>9 since you -- since Mr. Danzinger left?</p> <p>10 A Correct, since May, I guess, March of 2022.</p> <p>11 Q And during the time that you've been employed with the</p> <p>12 Trump Organization since 2016, what has been your understanding</p> <p>13 of Eric Trump's role at the company?</p> <p>14 A He is, you know, the leader of the company along with</p> <p>15 his brother Don, Jr.. I would say Eric is mostly involved in</p> <p>16 the operations whereas Don oversees development.</p> <p>17 Q In connection with operations would you consider Eric</p> <p>18 Trump to be the chief decisionmaker at the company?</p> <p>19 A Yes.</p> <p>20 Q Mr. Hawthorn, you testified that you are a certified</p> <p>21 public accountant; correct?</p> <p>22 A Yes.</p> <p>23 Q Are you familiar with generally accepted accounting</p> <p>24 principles in the United States commonly referred to as GAAP?</p> <p>25 A Yes.</p>
M. Hawthorn - Plaintiff - direct (Amer) Page 1420	M. Hawthorn - Plaintiff - direct (Amer) Page 1422
<p>1 Kidder. Those are probably the three individuals most</p> <p>2 interacted with.</p> <p>3 Q And by the way, where is your office located in</p> <p>4 relation to the corporate accounting group?</p> <p>5 A Different floor. So I'm on the 25th floor in Trump</p> <p>6 Tower; that group is on the 26th floor.</p> <p>7 Q And can you just describe to us what your working</p> <p>8 relationship was with Mr. Weisselberg during the period of time</p> <p>9 that you both overlapped at the company?</p> <p>10 A More like a helpful business partner. If information</p> <p>11 was required, I would provide information.</p> <p>12 Q Was there any direct or dotted line reporting</p> <p>13 relationship between you and Mr. Weisselberg?</p> <p>14 A I was -- perceived him to be more senior than me, so if</p> <p>15 there is an aspect he required my help, I would certainly</p> <p>16 provide him information, but my direct report was to</p> <p>17 Mr. Danzinger.</p> <p>18 Q And can you also describe your working relationship</p> <p>19 with Mr. McConney during the period of time that you overlapped</p> <p>20 with him?</p> <p>21 A Similar to as I described.</p> <p>22 Q Did you work at all with Patrick Birney?</p> <p>23 A Yes.</p> <p>24 Q And what was your working relationship with Mr. Birney</p> <p>25 during that period of time since you started at the company in</p>	<p>1 Q And were you required to become familiar with GAAP for</p> <p>2 purposes of obtaining your CPA license?</p> <p>3 A Yes.</p> <p>4 Q And do you continue to keep up with developments</p> <p>5 concerning GAAP as part of your continuing education that you</p> <p>6 testified to as a requirement for maintaining your CPA license?</p> <p>7 A Yes.</p> <p>8 Q What is your understanding of what GAAP is broadly</p> <p>9 speaking?</p> <p>10 A GAAP is a set of principles that oversees the</p> <p>11 accounting function, the books and records of how they're kept</p> <p>12 at a company that follows GAAP. So GAAP is an accrual basis</p> <p>13 method of accounting that is widely recognized and followed for</p> <p>14 private and public companies that are required to report under</p> <p>15 GAAP.</p> <p>16 Q Are you familiar with something known as a compilation</p> <p>17 engagement?</p> <p>18 A Yes.</p> <p>19 Q What is your understanding of a compilation engagement?</p> <p>20 A Generally speaking a compilation engagement is an</p> <p>21 engagement where an accounting or audit firm would engage --</p> <p>22 would be engaged by a company to put together a financial</p> <p>23 statement and it would be the lowest level of assurance as</p> <p>24 opposed to an audit.</p> <p>25 Q When you say "lowest level of assurance" and you</p>

<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1423</p> <p>1 mentioned "audit," are there other types of engagements that 2 would come between an audit and a compilation in terms of level 3 of assurance? 4 A The three I'm most familiar with would be compilation, 5 agreed-upon procedures and an audit. 6 Q And what do you mean when you say "lowest level of 7 assurance?" What does that mean? 8 MR. KISE: Your Honor, objection. Has this witness 9 been called as an expert? I'm not sure what relevance this 10 has. He's here as a fact witness and I've given Mr. Amer 11 some latitude, but he's asking what appears to be expert 12 testimony about GAAP. 13 MR. AMER: This is about his professional 14 experience in connection with what he will soon testify is 15 his involvement in the Statements of Financial Condition. 16 MR. KISE: Subject to that connection. 17 THE COURT: Objection sustained. I agree. I have 18 a somewhat strict view of fact witnesses; what did you see, 19 what did you hear, what did you do, and this seems to be to 20 be asking more for expert testimony and you said you're 21 about to get to what he does, so let's get to what he does. 22 Q Since joining Trump Hotels have you had any 23 responsibility for compilation engagements? 24 A Yes. 25 Q Which Trump entities have you worked on compilations</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1425</p> <p>1 Q And do you have an understanding as to why these two 2 entities had to prepare compilations? 3 A They were required under property loans for those 4 properties, so that they would have to be submitted to the 5 lender. 6 Q And can you generally describe your role in connection 7 with working on these compilation engagements for the Trump 8 Organization? 9 A Sure. I had responsibility of oversight of those 10 reports. 11 Q And what does that entail, oversight? 12 A So if I may explain in appropriate context, so each 13 property has its own financial controller. It maintains its own 14 general ledger, data. So those properties would report 15 those -- the general ledger data in their financial statements 16 that I would review and oversee, and I would work with the 17 accounting firm to get them the information they require in 18 order to prepare the compilation report. 19 Q And did you have an understanding as to what your 20 obligation was as the client in providing information to Mazars 21 and Whitley Penn as the outside accounting firm? 22 A Yes. 23 Q And what was your understanding? 24 A I provided the general ledger and oversaw that the 25 report was provided to them was from our system and was what</p>
<p>Page 1424</p> <p>1 for? 2 A 401 North Wabash Venture LLC, which is commonly known 3 as the Trump Chicago property, Trump Endeavor 12. That's the 4 legal entity of the ownership of Trump International Doral. 5 Q And which accounting firms have you worked with on 6 those compilation engagements for the Trump Organization? 7 A I've worked with Mazars and I've worked with Whitley 8 Penn. 9 Q And at Mazars who was the engagement partner you worked 10 with on those compilations? 11 A That was Donald Bender. 12 Transcript continues on the following page.... 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1426</p> <p>1 they needed to prepare the statement. 2 Q Did you have any understanding as to whether you had an 3 obligation to provide truthful and accurate information to 4 Mazars and Whitley Penn? 5 A I certainly did. 6 Q What was your understanding? 7 A To provide such information that was truthful and 8 accurate. 9 Q We have been talking about compilations that you worked 10 on with Mazars and Whitley Penn for Doral and Chicago. 11 Did you become aware at some point in time that there 12 was a compilation prepared for Donald J. Trump that was his 13 personal Statement of Financial Condition. 14 A I would say in 2021. 15 Q In 2021, you did become aware of such a document, 16 correct? 17 A Yes. 18 Q What were the circumstances under which you first 19 became aware that there was a Donald J. Trump personal Statement 20 of Financial Condition? 21 A I was aware of it through the media reports of it at 22 that time and this ongoing litigation. My personal involvement 23 with it was very limited. In addition to the compilation 24 reports that we discussed, I was also tasked with overseeing 25 audits of other entities that required financial audits. So</p>

<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1427</p> <p>1 there's entities that we have in our ownership that the company 2 has in its ownership in Scotland. So we have -- there is a 3 Hotel Trump Turnberry. There's also Trump Aberdeen. 4 In working with the outside accounting firm for those 5 audits, there was a situation that that they had required 6 additional information about the parent company and led me to 7 seek out some information from that statement to help them for 8 that specific purpose. 9 MR. AMER: I would like to go ahead and mark as 10 Exhibit 1380 Plaintiff's 1380, a series of e-mails. 11 Q Mr. Hawthorn, you'll see this consists of some e-mails 12 back and forth and then on page nine of this exhibit, there is a 13 memo from you to Barry Masson and Fiona Kenneth. 14 Do you recognize this as a memo that you prepared and 15 sent to them? 16 A Yes. 17 Q Do you recognize the e-mails that are at the front of 18 this exhibit as being e-mail exchanges between you, them and an 19 individual known as Camron Harris at Whitley Penn? 20 A Yes. 21 MR. AMER: Your Honor, I ask that this be admitted 22 into evidence. 23 THE COURT: Granted. It is in evidence. 24 (Whereupon, the Document was marked in evidence as 25 Plaintiff's Exhibit 1380.)</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1429</p> <p>1 prior years? 2 A This year was a year where they had indicated they 3 needed more information because their audit procedures had 4 become more rigorous and they had standards that had changed 5 since a previous year. And effectively, what they were doing is 6 for the narrow approach of testing the financial viability of 7 those Scotland entities, they had asked for information about 8 the parent company and the parent company's financial 9 wherewithal in the event that these Scotland entities needed 10 financial support. 11 In the past, this audit evidence was satisfied by some 12 internal communication and letters effectively from the company 13 vouching that we have the ability and the intents to hold this 14 asset, to fund this asset if necessary. That in the past 15 satisfied their requirement. In this particular year, they kept 16 asking for more information and more documented information 17 about the financial wherewithal of the parent company. 18 Q And just so I understand what you're explaining, that 19 was due to a rule change in Scotland? 20 A That's what they explained to me. Not a rule change in 21 Scotland, but they described it. It was probably some e-mails 22 about it, about their auditing standards being more rigorous in 23 the U.K. 24 Q Let me ask you to turn to page four of this exhibit. 25 Just focus on Ms. Kenneth's e-mail to you and just read some</p>
<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1428</p> <p>1 Q The subject of the e-mails is audit update. What is 2 that? 3 A That is, as I was describing previously, the audits 4 of the legal entity SLC Turnberry Limited and Trump 5 International Golf Links Scotland Limited which is commonly 6 known as Trump Aberdeen. 7 Q And just to clarify, is this audit update one of the 8 ways in which you first learn that there was a Donald J. Trump 9 personal financial statement? 10 A It was probably around that time in addition to the 11 media scrutiny of it. 12 Q Can you just explain for us who the two recipients of 13 the top e-mail and also your memo are, Barry Masson and Fiona 14 Kenneth? 15 A Those are the respective audit partners from the firm 16 Johnston Carmichael. So in the context of this audit is 17 Johnston Carmichael was working through the audits of the two 18 entities I described in Scotland and they were requiring some 19 additional information for their audit procedures. 20 Q Why were you the individual who was tasked with 21 addressing their issues? 22 A Because those fall into the hotel division and so as I 23 described earlier, my oversight of audits and compilation work 24 in the hotel division dealt to me. 25 Q Had you done this type of audit update with them in</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1430</p> <p>1 portions of it and I'll ask you some questions. The paragraph 2 that begins "while we have received, she writes, "While we have 3 received stress tested forecasts for each of the entities, we 4 have not yet received any information from you in relation to 5 going concern points four to six of my e-mail of August 6th." 6 So let me just stop there and say, what was your 7 understanding of the going concern points that she is referring 8 to? 9 A There was probably a separate attachment or another 10 e-mail of the information that she required for her audit 11 testing. I don't recall off the top of my head, but effectively 12 in what they were trying to again accomplish is provide some 13 evidence or comfort for the reader of those financials that -- 14 that those entities have financial backing from a parent in the 15 event they may need it. 16 Q She goes on to say, "Obtaining evidence of both 17 intention and ability to support is critical to us being able to 18 provide an unmodified audit opinion." 19 Is unmodified audit opinion the same as we refer here 20 to an unqualified audit opinion? 21 A I believe so, yes. 22 Q She then says, "In relation to this, it might help us 23 if we are able to understand more about where the funds that 24 would be used to support the U.K. businesses would be coming 25 from." Is that what you refer to as needing more information</p>

M. HAWTHORN - DIRECT (MR. AMER)	Page 1431	M. HAWTHORN - DIRECT (MR. AMER)	Page 1433
<p>1 about the parent?</p> <p>2 A Correct.</p> <p>3 Q And by the way, if we go to page -- we will come back</p> <p>4 to this, but if we go to page six, you see the bottom paragraph,</p> <p>5 she has a heading that says "going concern." Is that your</p> <p>6 understanding of what she was referring to by going concern?</p> <p>7 A I'm just reading through it. Yes, so similar to in the</p> <p>8 U.S., an entity to be a going concern that the financial</p> <p>9 statement and the opinion associated with it determines that</p> <p>10 there is another evidence that the entity will exist beyond</p> <p>11 12 months. You think about the context of the time of this ask,</p> <p>12 this is the 2020 audit. If you recall, 2020 was a year when the</p> <p>13 world shut down to travel and tourism because of the COVID</p> <p>14 pandemic, so the financial statements on their own for these</p> <p>15 entities were not as robust as in past years because people</p> <p>16 couldn't travel to the resorts and the resort couldn't operate.</p> <p>17 So if someone is looking at this financial statement in</p> <p>18 the U.K. in a vacuum, without any other information, they might</p> <p>19 say to themselves this entity is not having a great financial</p> <p>20 year. It might be not a going concern because it may not have</p> <p>21 enough of revenue to generate it for the next 12 months. The</p> <p>22 case that the auditor is looking for is trying to understand</p> <p>23 okay, if this entity can't exist over the next 12 months, if it</p> <p>24 doesn't have enough revenue, is there support available from its</p> <p>25 parent company to sustain it. So that's the nature and the</p>		<p>1 are providing certain financial information of ownership to</p> <p>2 demonstrate the financial viability and ability to fund the</p> <p>3 operations of the Scotland entities, if required," correct?</p> <p>4 A Yes.</p> <p>5 Q Again, which golf courses does this relate to?</p> <p>6 A So SLC Turnberry Limited is Trump Turnberry and</p> <p>7 Ayrshire, Scotland. West coast of Scotland is Turnberry. East</p> <p>8 Coast of Northern Scotland is Aberdeen, which is the other</p> <p>9 entity Trump International Golf Link Scotland Limited.</p> <p>10 Q And you go on to say the ultimate ownership of the</p> <p>11 Scotland entities is the Donald J. Trump Revocable Trust dated</p> <p>12 April 7, 2014, the trust has ownership of significant cash and</p> <p>13 cash equivalents, real estate, management and license agreements</p> <p>14 and other assets (the group assets) as well as accounts payable</p> <p>15 and long-term loan obligations the (group liabilities), the</p> <p>16 long-term loans are collateralized and serviced from cash flows</p> <p>17 generated by the underlying real estate assets."</p> <p>18 So were you familiar with the revocable trust as of the</p> <p>19 date of this memo?</p> <p>20 A Yes. The ownership entity of the ultimate parent of</p> <p>21 the Scotland entities.</p> <p>22 Q Was that something you were aware of beginning with</p> <p>23 your employment with the Trump Organization soon thereafter in</p> <p>24 2016?</p> <p>25 A Probably as soon as I encountered a question where in</p>	
M. HAWTHORN - DIRECT (MR. AMER)	Page 1432	M. HAWTHORN - DIRECT (MR. AMER)	Page 1434
<p>1 purpose of this line of questioning.</p> <p>2 Q Let's go back to page four. I just want to focus you</p> <p>3 again on the same paragraph we were looking at. The last</p> <p>4 sentence of that paragraph states, "In the absence of obtaining</p> <p>5 a set of "group accounts for the Trump Organization," we do need</p> <p>6 to find other means of corroborating the position."</p> <p>7 What did you understand Ms. Kenneth to mean when she</p> <p>8 refers to corroborating the position?</p> <p>9 A So they're trying to satisfy their audit requirement if</p> <p>10 a probably other clients that they have have a parent company</p> <p>11 that has publicly traded financial statement, audited financial</p> <p>12 statements, holding company financial statements, those would be</p> <p>13 readily available and exist that a company to provide. In the</p> <p>14 case of the Trump Organization, it has no requirement to do</p> <p>15 "group accounts" or a roll-up set of historic financial</p> <p>16 statements because there's never been a need to do so. So for</p> <p>17 her to corroborate that information, she needed additional</p> <p>18 information which is why I wrote this memo and provided the</p> <p>19 exhibits to satisfy her requirements.</p> <p>20 Q Let's go ahead and look at your memo which</p> <p>21 is -- starts at page nine of the exhibit, and you write in the</p> <p>22 first paragraph, "In connection with the audits of golf</p> <p>23 recreation, Scotland Limited SLC, Turnberry Limited and Trump</p> <p>24 International Golf Links Scotland Limited, which you define as</p> <p>25 the Scotland entities, for the year ended December 31, 2020, we</p>		<p>1 operations, one of the hotels needed to report who their owner</p> <p>2 was, so I learned over time what the org chart looked like and</p> <p>3 ultimately that the trust was the ultimate owning parent entity</p> <p>4 of the various hotels that I worked on.</p> <p>5 THE COURT: Five-minute warning.</p> <p>6 Q You go on to say, "The trust does not prepare a</p> <p>7 consolidated financial statement on a regular basis. However, a</p> <p>8 recent accounting compilation as of June 30, 2021 prepared by</p> <p>9 the trusts accounting firm Whitley Penn provides for the</p> <p>10 following at their estimated current values."</p> <p>11 First of all, where did you get the information about</p> <p>12 the trust not preparing a consolidated financial statement, but</p> <p>13 having a compilation as of June 30, 2021?</p> <p>14 A Right. So this is when I became aware of the Statement</p> <p>15 of Financial Condition being the most available type of document</p> <p>16 that is like a group consolidated financial statement. So I</p> <p>17 knew it existed.</p> <p>18 Q I'm just trying to get more specific. Where did</p> <p>19 the -- did this information come from for you to put it in this</p> <p>20 memo?</p> <p>21 A The dollar amounts or the words?</p> <p>22 Q The paragraph above the first bullet. The fact that</p> <p>23 there was this compilation, the date of the compilation, and</p> <p>24 that it was prepared by Whitley Penn? Where did you get that</p> <p>25 information from?</p>	

<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1435</p> <p>1 A In my position, I certainly know what -- that the 2 company does not have a consolidated financial statement like 3 you just can't go on scc.gov and get the Trump Organization 4 financials. So I was aware, like I said, through media reports 5 and knowing that this other document is prepared and out there, 6 that that would be some level of description of assets that 7 could satisfy the scowled auditor's request for this matter. 8 Q You say very specifically that the compilation provides 9 for the following at their estimated current values. That 10 phrase "estimated current values," where did you come to learn 11 that the compilation provides for estimated current values? 12 A So for me to write this memo and fill in the numbers 13 provided there, I had to get that from Patrick Birney. I didn't 14 get a copy of the statement, but I understood how much 15 cash -- how much cash does the organization have, what's the 16 holdings that they have, so that I could write this memo on 17 behalf of this request. 18 Q Was there a specific reason why in your memo to the 19 Johnston Carmichael accountants that you mentioned that the 20 compilation set forth estimated current values? 21 A My understanding of the statement is it is not a 22 typical historical cost GAAP financial statement; that it is a 23 statement that provides an indication of value and that was the 24 purpose of this statement. 25 Q Did you at the time that you wrote this memo have a</p>	<p>Page 1437</p> <p>1 A No. 2 Q Did you have any understanding as to why it might 3 be -- well, was there an issue with you getting your own copy 4 of the statement? 5 A I just knew it was a very sensitive document. It was 6 already in the press and scrutinized and I didn't need to be any 7 part of it. 8 MR. AMER: Now is a good time, Your Honor. 9 THE COURT: We will see you all at 2:15. Have a 10 good lunch. 11 MR. AMER: Can I just ask that the witness be 12 admonished not to discuss his testimony with counsel? 13 THE COURT: I hereby admonish you not to discuss 14 your testimony with anybody. Thank you. Have a good lunch. 15 (Witness exits the stand. ) 16 (Whereupon, a luncheon recess was taken.) 17 18 19 20 21 22 23 24 25</p>
<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1436</p> <p>1 specific understand of what the phrase "estimated current 2 values" meant? 3 A Sure. 4 Q What was your understanding? 5 A The fair value of the assets at a point in time. 6 Q And the point of time of this particular compilation, 7 did you understand it was as of June 30, 2021? 8 A Yes. 9 THE COURT: One-minute warning. 10 Q For purposes of preparing this memo, did you obtain a 11 copy of the 2021 Statement of Financial Condition for Donald J. 12 Trump. 13 A I did not obtain a copy. I had a phone conversation 14 with Patrick Birney to get the limited information and then what 15 I did in a conversation with Fiona and Barry, the auditors from 16 Scotland, I suggested that we could organize a virtual Zoom 17 meeting, in effect a Google Meet with Camron Harris because 18 Camron Harris was the audit partner that issued the compilation 19 with Whitley Penn, and so they -- they were keen to that idea, 20 so that way, I could stay out of it. It is not really my area 21 and so we organized a Google Meet. Camron Harris -- 22 Q You're getting ahead of me. We will get to the Google 23 Meet, but let me just ask one more question. 24 Did you ask to get a copy of the 2021 Statement of 25 Financial Condition?</p>	<p>Proceedings Page 1438</p> <p>1 THE COURT OFFICER: All rise. Part 37 is back in 2 session. The Honorable Judge Arthur Engoron presiding. 3 Make sure all cell phones are on silent. Laptops 4 and cell phones will be permitted but only to the members of 5 the press. There is absolutely no recording or photography 6 of any kind allowed in the courtroom. Now be seated and 7 come to order. 8 THE COURT: Counselors, are we going to put the 9 schedule of witnesses for the week on the record at this 10 point? 11 MR. WALLACE: Certainly, Your Honor. I will say 12 for the People we are going to continue with Mr. Hawthorne's 13 testimony this afternoon. The next witness will be Donna 14 Kidder. 15 THE COURT: When do we expect to start her? 16 MR. WALLACE: I expect that will begin this 17 afternoon. I don't know that that would be completed this 18 afternoon, though. 19 Following witness would be Doug Larson, a former 20 Cushman &amp; Wakefield employee followed by Dave McArdle, also 21 Cushman &amp; Wakefield employee. After that, our next witness 22 would be Ray Flores, a former Trump Organization employee; 23 Jack Weisselberg, an employee of Ladder Capital; Craig 24 Robertson, also an employee of Ladder Capital; and then 25 later in the week Dave Orowitz, a former Trump Organization</p>

Proceedings	Page 1439	Proceedings	Page 1441
<p>1 employee.</p> <p>2 I would just add that exactly how we proceed</p> <p>3 through that it do appears on which precise day it may</p> <p>4 depend a little bit on which of the witnesses the defendants</p> <p>5 choose to cross examine.</p> <p>6 MS. GREENFIELD: Just one clarification about</p> <p>7 earlier this morning I thought you mentioned Allen</p> <p>8 Weisselberg being recalled.</p> <p>9 MR. WALLACE: No, sorry. That was Jack</p> <p>10 Weisselberg, his son.</p> <p>11 MR. ROBERT: Jack is not tomorrow.</p> <p>12 MR. WALLACE: Jack is not available tomorrow.</p> <p>13 MR. KISE: Mr. Cohen is not coming this week.</p> <p>14 THE COURT: The earliest that he will testify,</p> <p>15 apparently subject to my receiving the all-important</p> <p>16 doctor's note, is a week from today, Monday. So he will not</p> <p>17 be here this week.</p> <p>18 MR. KISE: This is a key witness for the</p> <p>19 government. Of all the witnesses in the case they chose to</p> <p>20 play him on the video in their opening. So we just want to</p> <p>21 be sure that we have some understanding of that schedule.</p> <p>22 And I know Your Honor is doing what you need to do there and</p> <p>23 everyone else, including the government is moving around</p> <p>24 Mr. Cohen's schedule now. So I would ask to the extent that</p> <p>25 becomes an issue on our side that we would have the same</p>		<p>1 do that from a hospital bed, but he does -- I'm not a social</p> <p>2 media person, but I see he does continue to be active in his</p> <p>3 pursuit of my client on a fairly frequent basis on social</p> <p>4 media so he doesn't appear to be that infirmed.</p> <p>5 THE COURT: Well, talk about sauce for the goose is</p> <p>6 sauce for the gander.</p> <p>7 MR. KISE: We're not saying we don't have a medical</p> <p>8 excuse. He'll be here tomorrow.</p> <p>9 THE COURT: Okay. Let's get the witness.</p> <p>10 THE COURT OFFICER: Witness entering.</p> <p>11 (Whereupon, the witness enters the courtroom and</p> <p>12 approaches the witness stand.)</p> <p>13 THE COURT: Okay. Let's continue with the direct</p> <p>14 examination of Mr. Hawthorn, who I will remind, as I always</p> <p>15 do, is still under oath.</p> <p>16 CONTINUED DIRECT EXAMINATION</p> <p>17 BY MR. AMER:</p> <p>18 Q Welcome back. I'd like to pick up where we left off</p> <p>19 with your memo from November 23, 2021, which is Exhibit 1380 in</p> <p>20 evidence and it's page nine where your memo begins.</p> <p>21 I want to just ask you about the first bullet that</p> <p>22 appears after you indicate that the compilation provides for the</p> <p>23 following at their estimated current values, then you reference</p> <p>24 group assets -- total group assets exceeding 4 billion,</p> <p>25 including unrestricted cash and cash equivalents in excess of</p>	
Proceedings	Page 1440	M. Hawthorn - Plaintiff - direct (Amer)	Page 1442
<p>1 accommodation. I don't think it will, but if there becomes</p> <p>2 a scheduling conflict of some kind, we would want the same</p> <p>3 accommodation.</p> <p>4 THE COURT: Sauce for the goose is sauce for the</p> <p>5 gander. That's the theme of this trial.</p> <p>6 MR. WALLACE: And I would note we tried to be</p> <p>7 cooperative and scheduled Mr. Cohen later because of</p> <p>8 counsel's schedule, so I think we could continue to</p> <p>9 cooperate on these issues and appreciate everyone's</p> <p>10 flexibility to the degree necessary.</p> <p>11 I will also add, though, we did play testimony from</p> <p>12 Eric Trump, Donald Trump, Jr., Donald Trump, the father, and</p> <p>13 Allen Weisselberg during my opening.</p> <p>14 THE COURT: Yes, but they're all defendants.</p> <p>15 MR. WALLACE: Fair enough, Your Honor.</p> <p>16 THE COURT: Right. And just to repeat, the</p> <p>17 earliest Michael Cohen will testify apparently subject to a</p> <p>18 doctor's note, which I hope to receive later today, would be</p> <p>19 a week from today, Monday the 23rd, but even that day is not</p> <p>20 definite.</p> <p>21 Yes?</p> <p>22 MR. KISE: I just also want to note for the record</p> <p>23 because I would be remiss if I didn't. He does continue to</p> <p>24 be active -- for whatever this is worth to the Court, he</p> <p>25 does continue to be active on social media. I know you can</p>		<p>1 290 million and restricted cash and escrow deposits in excess of</p> <p>2 28 million. I think we established when you wrote this memo you</p> <p>3 did not have in your possession a copy of the 2021 statement;</p> <p>4 correct?</p> <p>5 A Correct.</p> <p>6 Q So where did you get the figures that you used for this</p> <p>7 first bullet point?</p> <p>8 A So I had a conversation with Patrick Birney who is in</p> <p>9 possession of the document.</p> <p>10 Q And if we can pull up the 2021 statement. It's</p> <p>11 Exhibit 1354 and maybe we can put it next to that paragraph in</p> <p>12 your memo. If we can go to page four of the statement, which is</p> <p>13 the assets page, you'll see that this statement lists cash and</p> <p>14 cash equivalents at 293.8 million and escrow reserve deposits,</p> <p>15 restricted cash and prepaid expenses at 28.3 million. Do you</p> <p>16 see that?</p> <p>17 A Yes.</p> <p>18 Q And does that correlate to what you have in your first</p> <p>19 bullet?</p> <p>20 A Yes.</p> <p>21 Q When you obtained this financial information from</p> <p>22 Mr. Birney, which you then forwarded on to the Johnston</p> <p>23 Carmichael accountants to address their audit needs, were you</p> <p>24 comfortable passing along the information without having seen</p> <p>25 the statement for yourself?</p>	

M. Hawthorn - Plaintiff - direct (Amer)	Page 1443	M. Hawthorn - Plaintiff - direct (Amer)	Page 1445
<p>1 A Yes.</p> <p>2 Q And would you have passed along the financial</p> <p>3 information in this first bullet if you had any doubt about the</p> <p>4 accuracy of the information?</p> <p>5 A The point of the memo is to just evidence that the</p> <p>6 parent has sufficient liquidity and a lot of holdings so I</p> <p>7 really was just trying to evidence that the parent has its</p> <p>8 financial wherewithal. I would have had no issue sending</p> <p>9 forward the statement if it was in my possession, but I didn't</p> <p>10 need to have it or have it and I felt it was a better way to</p> <p>11 have the auditors speak to each other and that satisfied my</p> <p>12 requirement. I had a singular focus in this memo and that was</p> <p>13 purely getting the audit of the Scotland entities completed.</p> <p>14 Q I think my question was a little simpler, so let me try</p> <p>15 again.</p> <p>16 Would you have passed along the financial information</p> <p>17 in this first bullet which you received from Mr. Birney if you</p> <p>18 had any reason to doubt the accuracy of the information? It's</p> <p>19 just yes or no?</p> <p>20 A If I doubted the accuracy would I have passed it along?</p> <p>21 I would not have passed it along unless I had some evidence or</p> <p>22 some comfort that the information was generally accurate, right.</p> <p>23 Q And I draw attention in the first bullet to the amount</p> <p>24 of unrestricted cash and cash equivalents of -- in excess of 290</p> <p>25 million. Why call out that figure?</p>		<p>1 million.</p> <p>2 Q Did you have an understanding -- well, let me ask you</p> <p>3 about the 28 million because you also call out that amount which</p> <p>4 is restricted cash and escrow deposits. Why did you call out</p> <p>5 that?</p> <p>6 A It's just, again, further evidence that this is a very</p> <p>7 liquid company with sufficient holdings that is able to support</p> <p>8 the needs of its properties if required.</p> <p>9 Q Now, in terms of the assets on the list, is the escrow</p> <p>10 -- the restricted cash and escrow deposits sort of the next</p> <p>11 level of available liquidity?</p> <p>12 A Correct.</p> <p>13 Q And did you have an understanding when you sent this</p> <p>14 memo to the accountants at Johnston Carmichael about who</p> <p>15 controlled the restricted cash and escrow deposits?</p> <p>16 A I understood it was controlled by the trust.</p> <p>17 Q Now, Mr. Hawthorn, are you aware that Mr. Trump has a</p> <p>18 30 percent minority interest in something known as the Vornado</p> <p>19 Partnership Interests?</p> <p>20 A Vaguely familiar.</p> <p>21 Q I'm going to put up on the screen Plaintiff 3041, which</p> <p>22 is defendant's response to Plaintiff's 202 statement and</p> <p>23 specifically the response to paragraph 403.</p> <p>24 Now, there is a chart that you'll see that has</p> <p>25 statement year, amount included based on 30 percent share in</p>	
M. Hawthorn - Plaintiff - direct (Amer)	Page 1444	M. Hawthorn - Plaintiff - direct (Amer)	Page 1446
<p>1 A That's the most relevant to the Scotland auditors. I</p> <p>2 mean, they care about available working capital that would fund</p> <p>3 the Scotland operations. So if I'm just thinking about telling</p> <p>4 these auditors hey, the parent has a lot of liquidity, can I</p> <p>5 show you a bank statement, hence why I attached the bank</p> <p>6 statement to evidence, there is significant amounts of cash as</p> <p>7 well as, you know, it's not -- it's -- it's stated in this way</p> <p>8 to evidence that the parent has financial wherewithal to support</p> <p>9 these entities.</p> <p>10 Q Did you have an understanding when you sent this memo</p> <p>11 to the accountants at Johnston Carmichael about who controlled</p> <p>12 the unrestricted cash and cash equivalents amounts in excess of</p> <p>13 290 million?</p> <p>14 A I understood that it was controlled by the trust.</p> <p>15 Q Would you have knowingly provided to the Johnston</p> <p>16 Carmichael accountants a figure for cash and cash equivalents</p> <p>17 that included amounts not within the control of the trust?</p> <p>18 A If I knew that I wouldn't have probably provided that.</p> <p>19 Q Why not?</p> <p>20 A Again, you're trying to evidence the amount that the</p> <p>21 trust has to satisfy any potential cash needs of the Scotland</p> <p>22 operation.</p> <p>23 Q And in order to satisfy that requirement would the cash</p> <p>24 and cash equivalents have to be within the control of the trust?</p> <p>25 A Right. Hence why I sent them a bank statement of 133</p>		<p>1 Vornado Property Interests, total cash liquidity reported and</p> <p>2 then Vornado Property Interests cash as a percent of total cash.</p> <p>3 And I just want to draw your attention to the line for 2021.</p> <p>4 You'll see it has "total cash liquidity reported." That's the</p> <p>5 293.8 million figure that was in the statement for 2021 and</p> <p>6 that's the number you then reported forward to the Johnston</p> <p>7 Carmichael accountants; correct?</p> <p>8 A Yes.</p> <p>9 Q Okay. And the defendant's response is that it's</p> <p>10 undisputed that the values listed are those reflected in the</p> <p>11 SOFCs and the amounts attributable to the Vornado operating</p> <p>12 entities are as stated. Do you see that?</p> <p>13 A Yes.</p> <p>14 Q So I'm going to ask you to accept that as being</p> <p>15 undisputed.</p> <p>16 Now, during Mr. McConney's testimony we've been</p> <p>17 referring to that 30 percent interest as Vornado cash, so I'm</p> <p>18 going to use that reference in my questions as well; okay?</p> <p>19 A Okay.</p> <p>20 Q As the chart shows for 2021, the total cash is 293.8</p> <p>21 and of that figure, 32 percent or 93 million and change is</p> <p>22 Vornado cash. Do you see that?</p> <p>23 A I see it.</p> <p>24 Q Let me show you some testimony from Mr. McConney in</p> <p>25 this trial. It's at page 619 of the transcript and it's line 15</p>	

M. Hawthorn - Plaintiff - direct (Amer)	Page 1447	M. Hawthorn - Plaintiff - direct (Amer)	Page 1449
1 to 20: 2 "QUESTION: Just so we're clear, Vornado cash is 3 not cash that Mr. Trump has access to on his own; correct? 4 "ANSWER: Correct. 5 "QUESTION: He cannot withdraw the funds from the 6 accounts where they sit; correct? 7 "ANSWER: Correct." 8 So were you aware that 32 percent of the 293 9 million of cash and cash equivalents was Vornado cash? 10 A No. 11 Q Were you further aware that Vornado cash was not cash 12 that was within the trust's control? 13 A No. 14 Q Mr. Hawthorn, if you had known at the time you prepared 15 your memo in November of 2021 that 32 percent of the 16 \$293 million figure reported in the 2021 statement as cash and 17 cash equivalents was actually cash that was not within 18 Mr. Trump's control, would you have included that amount in your 19 memo as you did? 20 A Probably not and it would have made no impact on the 21 memo and its conclusions. 22 Q My question was just simple but you would have included 23 it or not? 24 THE COURT: Yes, I'll direct the witness as I often 25 do, just answer the question. No speeches, no commentary.		1 e-mail we looked at that attaches your November memo. Isn't 2 that right? 3 A Correct. 4 Q And the second sentence says, "I would also welcome a 5 follow-up conversation if you can be available sometime 6 Wednesday, November 24th." Done the British way; correct? 7 A Correct. 8 Q Okay. And did they express a need in the discussion 9 you reference here to have a follow-up conversation after 10 receiving your November memo? 11 A I don't remember exactly, but I remember probably some 12 phone conversations to make sure that they were satisfied in the 13 information they required. So it culminated in the Google Meet 14 that you had mentioned. 15 Q Well, is it correct then that they were not satisfied 16 just with the memo and that they needed an actual call? 17 A They were interested for their audit work papers to 18 document that they had more information than just my memo. 19 Q And in the e-mail above, which is actually an e-mail 20 you sent to Mr. Harris on December 7, 2021, you enlist his 21 assistants with a joint Google Meet virtual call with the 22 Johnston Carmichael accountants to discuss the financial 23 condition; correct? 24 A Correct. 25 Q Was it your understanding that the Johnston and	
M. Hawthorn - Plaintiff - direct (Amer)	Page 1448	M. Hawthorn - Plaintiff - direct (Amer)	Page 1450
1 The other side can ask you questions also. 2 So the first half of what you said was answered; 3 the question the second half didn't. 4 THE WITNESS: Yes, sir. 5 MR. AMER: Can I get the second half stricken then, 6 Your Honor? 7 THE COURT: Yes. It was nonresponsive. 8 MR. AMER: Thank you. 9 Q Now, let me show you Exhibit 3146. 10 Mr. Hawthorn, these are a series of e-mails between you 11 and the Johnston Carmichael accountants as well as Mr. Harris at 12 Whitley Penn that all postdate your November memo; correct? 13 A Yes. 14 MR. AMER: Your Honor, I'd ask that this be 15 admitted into evidence. 16 THE COURT: Granted. It's in. 17 (Whereupon, the item previously referred to is 18 received and marked Plaintiff's Exhibit Number 3146 in 19 evidence.) 20 Q And this e-mail exchange relates to setting up the 21 Google Meet call; correct? 22 A Yes. 23 Q Let's go to page three. I just want to start with the 24 e-mail that's in the middle of the page from you to Mr. Masson 25 and Ms. Kenneth. You write to them and this is actually the		1 Carmichael accountants needed to put eyes on the Statement of 2 Financial Condition? 3 A They expressed an interest of that, so I helped to 4 organize this to accomplish that. 5 Q And you enlisted Mr. Harris because he had the 6 statement and you didn't; is that right? 7 A Correct. 8 Q Okay. 9 A And it was helpful for auditors to speak to each other 10 because they talk the same language and understand you like 11 Camron also understands their objective of trying to solely meet 12 an impairment test for their individual audit. 13 Q You spoke their language too, didn't you? 14 A Correct. 15 Q Okay. Now, if you look at the first page of the 16 exhibit, the bottom e-mail is from Mr. Masson to you also 17 copying Ms. Kenneth and he indicates in the second paragraph 18 "will we be able to have sight of the compilation report during 19 the call?" 20 A Yes. 21 Q So that was something they needed to do for their audit 22 procedures; is that right? 23 A They requested it, yes. 24 Q And then your e-mail at the top confirming that you 25 will arrange and plan to have a sight of the compilation report	

<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1451</p> <p>1 for both he and Ms. Kenneth to view; correct?</p> <p>2 A Yes.</p> <p>3 Q Was there any reason why you didn't just ask for a copy</p> <p>4 of the statement so you could have this call with them on your</p> <p>5 own without having to involve Mr. Harris?</p> <p>6 A Like I mentioned before there is no need for me to have</p> <p>7 a copy and it gives the auditors better comfort hearing from the</p> <p>8 Whitley Penn auditor because he's most familiar with the</p> <p>9 statement that he could take them through it versus me.</p> <p>10 Q And you did in fact have this Google Meet virtual call</p> <p>11 with the Johnston Carmichael auditors and Mr. Harris of Whitley</p> <p>12 Penn; correct?</p> <p>13 A Yes.</p> <p>14 Q Were there any other people on this Google virtual call</p> <p>15 other than the four of you?</p> <p>16 A No, four of us.</p> <p>17 Q Was the 2021 Statement of Financial Condition shared</p> <p>18 with the Johnston Carmichael accountants during this Google Meet</p> <p>19 virtual call?</p> <p>20 A Yes, Camron Harris put it on his screen.</p> <p>21 Q Did he put the entire document up on the screen and go</p> <p>22 through every page or only portions of it? Do you remember?</p> <p>23 A I believe he scrolled through it and answered any</p> <p>24 questions that they had. I was more of invited to the call but</p> <p>25 didn't say much on the call. I let them -- I produced both</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1453</p> <p>1 Q For purposes of this call, did you have a copy of the</p> <p>2 2021 Statement of Financial Condition?</p> <p>3 A No.</p> <p>4 Q So, as of the time of this call, you still didn't have</p> <p>5 in your possession the 2021 statement, correct?</p> <p>6 A Correct.</p> <p>7 Q To your knowledge, were the Johnston Carmichael</p> <p>8 accountants ever sent a copy of the 2021 statement either during</p> <p>9 or after this Google Meet virtual call?</p> <p>10 A No.</p> <p>11 Q Do you know why not?</p> <p>12 A I think as we indicated, they just needed to see it, so</p> <p>13 that's all their audit needed. They had a sight of it because</p> <p>14 Camron Harris showed it. They had questions and he explained</p> <p>15 the answers to the questions and that was the end of it.</p> <p>16 Q Was this Google Meet virtual call the first time that</p> <p>17 you saw any portion of the 2021 statement?</p> <p>18 A I believe yes.</p> <p>19 Q Was it the first time you saw any portion of any annual</p> <p>20 Statement of Financial Condition for Donald J. Trump?</p> <p>21 A Yes.</p> <p>22 Q Do you recall any discussions with anybody within the</p> <p>23 Trump Organization about whether you should or should not have</p> <p>24 access to an actual copy of the 2021 statement?</p> <p>25 A No.</p>
<p>Page 1452</p> <p>1 parties and let them have their discussions.</p> <p>2 Transcript continues on the following page....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1454</p> <p>1 Q Do you recall how long the call lasted?</p> <p>2 A The Google Meet?</p> <p>3 Q Yes.</p> <p>4 A 20 minutes.</p> <p>5 Q To your recollection, were the Johnston Carmichael</p> <p>6 accountants satisfied with the information as it was shared with</p> <p>7 them on the call about the 2021 statement?</p> <p>8 A Yes.</p> <p>9 Q Mr. Hawthorn, if you had learned just prior to this</p> <p>10 call that 32 percent of the \$293 million figure reported in the</p> <p>11 2021 statement as cash and cash equivalents was actually Vornado</p> <p>12 cash that was not within Mr. Trump's control, would you as a</p> <p>13 matter of professional ethics have advised the Johnston</p> <p>14 Carmichael accountants of that fact?</p> <p>15 A Yes.</p> <p>16 Q And why is that?</p> <p>17 A Just to be transparent of what it is and knowing that</p> <p>18 the cash still there is satisfying their requirement.</p> <p>19 Q Based on the chart that we looked at, Mr. McConney's</p> <p>20 testimony and your involvement on the call, do you think</p> <p>21 reporting the 293 million figure to the Johnston Carmichael</p> <p>22 accountants was a misrepresentation?</p> <p>23 A It appears to have been overstated.</p> <p>24 Q Okay. My question was very specific, though.</p> <p>25 Do you think it was a misrepresentation?</p>

<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1455</p> <p>1 MR. KISE: Objection, Your Honor. That's calling 2 for a legal conclusion. 3 MR. AMER: I think accountants are capable of 4 determining whether something is a misrepresentation and it 5 is not within the purview of only lawyers to assess that. 6 MR. KISE: He is a fact witness, Your Honor. He 7 hasn't been called as an expert. 8 THE COURT: I will sustain the objection to the 9 extent of asking Mr. Amer to explain what he means by a 10 misrepresentation. 11 Q A representation to the accountants that was 12 inaccurate. 13 THE COURT: I will allow that. 14 Q Do you need the question again? 15 A Maybe just say it one more time, so we are clear. 16 Q Based on the chart that we looked at, Mr. McConney's 17 testimony and your involvement on the call, do you think that 18 reporting the \$293 million figure as a cash and cash equivalent 19 figure was a misrepresentation? 20 THE COURT: No. We said "incorrect." 21 MR. AMER: I'm sorry. I thought given my 22 definition, I could ask it that way, but I will rephrase it. 23 THE COURT: Rephrase it. 24 MR. AMER: Okay. 25 Q Based on the chart, Mr. McConney's testimony and your</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1457</p> <p>1 asking you to -- if you could update the THC management company 2 valuation spreadsheet as of June 30, 2021, and then the e-mail 3 above that is your response to him. 4 A Yes. 5 MR. AMER: There is a blank page, second page which 6 is the native version which is the attachment to the e-mail. 7 I'd ask that this be admitted into evidence, Your Honor. 8 THE COURT: Granted. It is in evidence. 9 (Whereupon, the Document was marked in evidence as 10 Plaintiff's Exhibit 1308.) 11 Q What is the spreadsheet that's referenced in this 12 e-mail? 13 A This is a listing of Trump hotels properties. 14 Q Is this the spreadsheet -- do you recognize this as 15 the spreadsheet that you're attaching in the top e-mail that you 16 then send back to Mr. Birney? 17 A I do. 18 MR. AMER: Your Honor, I'd ask that we admit the 19 native spreadsheet. 20 THE COURT: Granted. It is in. 21 (Whereupon, the Document was marked in evidence as 22 Plaintiff's Exhibit.) 23 Q Now, your e-mail to him, if we could just go back to 24 that, indicates that it's reflective of the most current 2021 25 forecasts and 2022 budget projections and follows methodology as</p>
<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1456</p> <p>1 involvement on the call, do you think reporting the \$293 million 2 figure to the Johnston Carmichael accountants as a cash and cash 3 equivalent figure was inaccurate? 4 A I think yes. 5 Q And do you think -- I think you also mentioned in your 6 prior answer you thought it was an overstatement, correct? 7 A Correct. 8 Q Was that overstatement which the chart indicated was 9 32 percent Vornado cash, was that material? 10 A Not for the purposes of this analysis. 11 Q Well, just the 32 percent overstatement. You don't 12 think that's material? 13 A Not for the purposes of this analysis. 14 Q Is it material in terms of accounting materiality? 15 MR. KISE: Objection. It is calling for an expert 16 conclusion again. He already answered the question. 17 THE COURT: Sustained. 18 Q Do you know, to your knowledge, if the Johnston 19 Carmichael accountants were ever advised subsequent to the call 20 that 32 percent of the \$293 million figure was Vornado cash not 21 within the control of Mr. Trump or the trust? 22 A I don't believe so. 23 Q Now, I'd like to turn to another topic, hotel 24 management valuation. Let's go ahead and mark Exhibit 1308. 25 You'll see the bottom e-mail is an e-mail from Mr. Birney to you</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1458</p> <p>1 applied in previous years. Do you see that? 2 A Yes. 3 Q Was this something that you provided to Mr. Birney in 4 previous years? 5 A Yes. 6 Q And for how many years had you been providing Mr. 7 Birney with updates of this spreadsheet? 8 A I don't recall exactly. Maybe since 2017 or something 9 like that. 10 Q Did you have an understanding when you received the 11 request from Mr. Birney to send an updated spreadsheet why he 12 was asking for it? 13 A No. 14 Q Did you have any understanding as to what use he was 15 going to put the spreadsheet to? 16 A No. 17 Q Let's go to the spreadsheet, so I can ask you some 18 questions about it. You'll see it has two tabs to the 19 spreadsheet where on the summary tab and then there is a cash 20 flow projection tab. Let me start with the summary tab. What 21 properties is this summarizing? 22 A Trump hotels managed and owned properties. 23 Q Are these are hotels that are part of the hotel 24 division that you were in charge of? 25 A Yes.</p>

M. HAWTHORN - DIRECT (MR. AMER)	Page 1459	M. HAWTHORN - DIRECT (MR. AMER)	Page 1461
1 Q In charge of?		1 yes or no.	
2 A Yes.		2 THE COURT: If you can without misrepresenting or	
3 Q What does management mean under agreement type?		3 being inaccurate.	
4 A It means that Trump hotels is the manager and has an		4 Q Just to make sure we're on the same page, where the	
5 HMA or hotel management agreement for that property.		5 initial term says "owned," it means both the hotel property and	
6 Q Now, under the column C, initial term, some properties		6 the entity that manages the property are both Trump Organization	
7 say "owned." What does that signify?		7 entities and it is a related party transaction, correct?	
8 A That means it is the manager and the owner.		8 A Yes.	
9 Q And in accounting terminology, is there some phrase		9 Q And for those properties where instead of saying	
10 used to discuss -- to reference this type of business		10 "owned," it is a number of years under column C, that would be a	
11 arrangement between where the same properties are both owned and		11 situation where the Trump entity manages the property, but the	
12 managed by the same entity? I can rephrase it.		12 property is owned by another company?	
13 You mentioned that for these owned properties, the		13 A I'm going to say yes. I just see one example on there	
14 Trump Organization is both the owner of the hotel and the entity		14 where there is co-ownership, but I understand what you're	
15 that manages; is that correct?		15 saying.	
16 A Correct.		16 Q On row 16, it says, "Value of existing portfolio and	
17 Q Is it an affiliate of the hotel owner that's managing		17 then there is a figure of almost 119 million for the value of	
18 the property?		18 existing" -- does that total for the value of existing	
19 A There is a separate legal entity that's established to		19 portfolio include the value of management agreements for the	
20 be the management company, so that the hotel can operate under		20 related party transactions?	
21 the Trump hotel's brand and have a similar-looking feel like		21 A So you would have to go to the second tab and you could	
22 every other hotel in the brand regardless of who the owner is.		22 see that is a projection for all the hotels and all the hotels	
23 Q So just to go back to my question, I am correct that it		23 because there is a management agreement assigned -- there is a	
24 would be an affiliate that would be the managing entity --		24 management agreement contemplated and assigned I believe that	
25 A Other entity owned by the trust.		25 rolls up to the top sheet.	
M. HAWTHORN - DIRECT (MR. AMER)	Page 1460	M. HAWTHORN - DIRECT (MR. AMER)	Page 1462
1 Q And is this type of business arrangement something that		1 Q So is the answer to my question yes?	
2 accountants call a related party transaction?		2 A Can you say your question one more time?	
3 A That could be a common term for it, yes.		3 Q Sure. The figure of 1 -- almost 119 million for	
4 Q And then for the other hotels where it doesn't say		4 existing value of existing portfolios includes the related party	
5 "owned," but has a number of years, what does that signify?		5 transactions as well as the hotels that are either entirely	
6 A That would signify the term of the management		6 owned by some other entity or there's some co-ownership?	
7 agreement, how long it -- and it says initial term, so I guess		7 MR. KISE: Objection, Your Honor. It is a compound	
8 the initial -- most hotel management agreements are long-term		8 question. He's asking him two different things. He's	
9 from 10 to 15 to 30 years, or they have extension rights that		9 already answered the first part of the question. He already	
10 could be at the manager's option, so I think this is just trying		10 explained what the 118 figure is derived from by reference	
11 to categorize in a summary cell the nature of the HMA or the		11 to the cash flow projection, but now Mr. Amer is asking him	
12 hotel management agreement.		12 a different question that's compound which is trying to	
13 Q I guess what I'm wondering is for those properties		13 combine the cash flow with the value of the hotel either	
14 where there's a number of years under initial term instead of		14 owned or on the other hand entirely owned or some other	
15 owned, does that mean it is owned by somebody else?		15 entity. That's a very different question.	
16 A Say that again. I'm sorry.		16 MR. AMER: I think I'm asking him the same question	
17 Q Sure. For those properties where it is indicated under		17 and just asking to summarize the upshot of what he just	
18 initial term a number of years instead of the word "owned," does		18 already said.	
19 that mean that that property is owned by an entity outside the		19 MR. KISE: Then it has been asked and answered.	
20 Trump Organization?		20 There is no reason to summarize it. He already answered	
21 A Correct.		21 about where the 118 came from. He told you exactly where it	
22 Q So those would not be related party transactions,		22 came from. I know what Mr. Amer is trying to do and I am	
23 correct?		23 not going to say it in front of the witness and Mr. Amer	
24 A They would be an owner outside the trust. There's a		24 knows exactly what he's trying to do.	
25 little more complication to this, but I'll just try to answer		25 THE COURT: Mr. Amer I will either ask for a	

M. HAWTHORN - DIRECT (MR. AMER)	Page 1463	M. HAWTHORN - DIRECT (MR. AMER)	Page 1465
<p>1 readback. We, can all kind of decide whether it is compound</p> <p>2 question, or you can just ask differently. Up to you.</p> <p>3 MR. AMER: I'll try it more clearly.</p> <p>4 Q Because you've looked --</p> <p>5 THE COURT: You deem that withdrawn?</p> <p>6 MR. AMER: We can deem that withdrawn.</p> <p>7 Q You looked at the second tab before in order to answer</p> <p>8 the prior question and now we are back to the summary tab. And</p> <p>9 I just want to confirm that the value of almost 119 million</p> <p>10 which is listed as the value for existing portfolio includes all</p> <p>11 of the properties on the summary page that is above that row; is</p> <p>12 that right?</p> <p>13 MR. KISE: Same objection.</p> <p>14 THE COURT: Asked and answered?</p> <p>15 MR. KISE: Yes.</p> <p>16 THE COURT: Overruled. I generally don't like that</p> <p>17 objection. You know, let him ask it again.</p> <p>18 MR. KISE: He is asking a very different question</p> <p>19 and he knows exactly why.</p> <p>20 THE COURT: If it is a different question, then it</p> <p>21 is not asked and answered.</p> <p>22 MR. KISE: It is a misleading. If he is looking</p> <p>23 for clarification, then the clarification question is does</p> <p>24 the 118 million that's on that page, is that the sum of</p> <p>25 what's on --</p>		<p>1 affiliates as part of the value of the existing portfolio?</p> <p>2 THE WITNESS: Is this one I can answer in a non-yes</p> <p>3 or no?</p> <p>4 THE COURT: I think so.</p> <p>5 THE WITNESS: Just in the nature of how this works?</p> <p>6 THE COURT: I think you can answer yes, no.</p> <p>7 Mr. Amer, are you looking for a yes-or-no answer?</p> <p>8 MR. AMER: I am.</p> <p>9 THE COURT: To me, it is a yes-or-no question. So,</p> <p>10 please, answer yes or no.</p> <p>11 A Can you restate the question again?</p> <p>12 Q In each year from 2016 through 2021 -- actually, I'll</p> <p>13 revise that because I think you said you only did it back to</p> <p>14 2017. In each year from 2017 through 2021 that you provided Mr.</p> <p>15 Birney with an updated spreadsheet, did you include the value of</p> <p>16 management agreements between Trump Organization affiliates as</p> <p>17 part of the value of the existing portfolio, yes or no?</p> <p>18 A Yes.</p> <p>19 Q And so you did include related party transactions in</p> <p>20 each of those years then?</p> <p>21 A There's value to those transactions, yes.</p> <p>22 Q And let's pull up the 2021 Jeff supporting data which</p> <p>23 is Exhibit 1352 in evidence. Let's go to row 1117. You'll see</p> <p>24 under ^ /HR-PBGs deals in this row, it says, "management</p> <p>25 company valuation" and for the June 30, 2021 column, there's a</p>	
M. HAWTHORN - DIRECT (MR. AMER)	Page 1464	M. HAWTHORN - DIRECT (MR. AMER)	Page 1466
<p>1 MR. AMER: This is a speaking objection and it is</p> <p>2 not misleading at all. The witness can either understand it</p> <p>3 and answer it or tell me he can't understand it.</p> <p>4 MR. KISE: He's asking if it includes a value of</p> <p>5 the properties themselves. That's what he's asking.</p> <p>6 MR. AMER: No, I don't think I asked that. I asked</p> <p>7 if it includes the existing portfolio for the properties</p> <p>8 above. I think it's fairly straightforward, Your Honor.</p> <p>9 THE COURT: Just ask it again, but I don't see</p> <p>10 anything objectionable about it.</p> <p>11 MR. AMER: Can I get a readback on this one, Your</p> <p>12 Honor?</p> <p>13 THE COURT: Yes.</p> <p>14 MR. AMER: Thank you.</p> <p>15 THE COURT: We will all listen carefully.</p> <p>16 (Whereupon, the requested portion of the record was</p> <p>17 read back.)</p> <p>18 MR. KISE: Same objection.</p> <p>19 THE COURT: There is no objection or it is</p> <p>20 overruled. Please answer.</p> <p>21 A Yes.</p> <p>22 MR. AMER: That wasn't so hard, was it?</p> <p>23 Q In each year from 2016 through 2021 that you provided</p> <p>24 Mr. Birney with an updated spreadsheet, did you include the</p> <p>25 value of management agreements between Trump Organization</p>		<p>1 value of 118.9 million. Does that appear to you to track your</p> <p>2 spreadsheet value?</p> <p>3 A Yes. I'm not familiar with this sheet. However, that</p> <p>4 appears to be the same number.</p> <p>5 Q So this appears to be the number you provided to Mr.</p> <p>6 Birney in your update, the spreadsheet under total value of</p> <p>7 existing portfolio, correct?</p> <p>8 A Yes.</p> <p>9 Q Now, if we could go back to your spreadsheet, the other</p> <p>10 exhibit, sorry, which is 1308 native. You see row 18 says,</p> <p>11 "Value of future portfolio, N/A." What does that mean?</p> <p>12 A That's none or non-applicable.</p> <p>13 Q Was there a decision made to remove the value of future</p> <p>14 portfolios from this spreadsheet?</p> <p>15 A I think as of this point in time, there was nothing in</p> <p>16 the pipeline that was to be future developed as compared to</p> <p>17 previous years when there were future developments on the</p> <p>18 horizon and evidenced by HMAs.</p> <p>19 Q Well, let me just understand because row 18 doesn't</p> <p>20 have a zero value. It has an N/A. So was it -- to your</p> <p>21 knowledge, was it a determination made that you no longer needed</p> <p>22 to provide a value for future portfolio as opposed to --</p> <p>23 A No.</p> <p>24 Q Let me just finish my question -- as opposed to there</p> <p>25 being zero value to future portfolio?</p>	

<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1467</p> <p>1 A In this example from 2021, there is no future portfolio 2 to value. 3 Q Why is that? 4 A Because there is no future other developments or hotel 5 developments from this point going forward. 6 Q So the Trump Organization ceased developing new hotel 7 projects? 8 A No, but the frequency was less than in previous years. 9 Q Did Mr. Birney tell you that you didn't need to put any 10 value in for future portfolio, if you recall? 11 A I don't recall. 12 Q Let's look at the second tab which says, "cash flow 13 projection." Can you describe generally what's reflected under 14 this tab? 15 A This is a summarization for each property by year of a 16 calculated management fee. 17 Q Is this management fee based on the management 18 agreement? 19 A I believe in most cases, yes. 20 Q Let's look at rows 141 to 145. So it says, "141 Trump 21 cash flows from hotel operations "and then there is a series of 22 numbers. What does that reflect? 23 A I have to click on the formula to refresh my memory of 24 this. 25 Q Why don't we click in B141. I don't know if that's</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1469</p> <p>1 A Correct. 2 Q And then what does row 144 do? 3 A It appears to apply a discount factor. 4 Q Why is a discount factor being applied? 5 A I didn't set up the template, so I'm not familiar; but 6 generally speaking, it is to apply some factor of the risk of 7 not all the management fees being collectible or realizable. 8 Q Is row 145 then a product of taking 143 and applying 9 your discount factor in row 144? 10 A Yeah. If we can click in B145, you could probably see 11 that. 12 Q And that confirms it? 13 A Yes. 14 Q What does the present value of the Trump cash flows 15 represent? 16 A That appears to be the gross number adjusted for the 17 discount factor and the inflation factor. 18 Q And why does this spreadsheet calculate the present 19 value of the Trump cash flows? 20 A Again, I don't know the purpose, end purpose of this 21 spreadsheet; but from my doing it over several years and putting 22 in the inputs, my understanding is, again, if you're cash 23 flowing out into a future period, if you want to get a value as 24 of this point in time, you need to apply present value concept 25 to get a value as of the point in time of the analysis.</p>
<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1468</p> <p>1 going to help you. 2 A I don't see anything. There is a formula up there. Do 3 you see the formula bar. It just says equals B138. So then can 4 we go to B138. 5 Q Does row 141 reflect the cash flows from the managing 6 agreements, the management agreements? 7 A I'd have to work through the formulas and see what's in 8 B138. 9 Q Why don't we click on B138 and the witness can see the 10 formula? 11 A Okay. So 133 would be the summarization of revenue 12 list. B136 which is an approximation of management company 13 expense. So if you go to B133, could we just see that that's a 14 summarization of the numbers above it. 15 Q What is 142, row 142? What does that reflect? 16 A Time value of money. 17 Q Why do that calculation? 18 A Because a dollar today is worth more than a dollar in 19 the future. 20 Q And how are you adjusting the cash flows for inflation 21 as it is indicated here in row 142? 22 A Looks like three percent. 23 Q What is reflected in -- well, so is row 143 then the 24 calculation that takes the number from 141 and discounts it for 25 inflation?</p>	<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1470</p> <p>1 Q Is applying an inflation factor and discount factor to 2 get a present value for future cash throw something that you 3 knew how to do at least as far back as 2016 when you joined the 4 Trump Organization? 5 A I'm familiar with the concept. 6 THE COURT: That didn't answer the question. 7 Q Right. My question is a little different. It's more 8 specific. Was applying an inflation factor and discount factor 9 to get a present value for future cash throw something you knew 10 how to do at least as far back as 2016 when you joined the Trump 11 Organization? 12 MR. KISE: Objection. 13 A Yes. 14 MR. KISE: Inflation and discount are two different 15 things. 16 THE COURT: I think the question acknowledged -- 17 MR. KISE: He's asking about the discount factor, 18 that's fine; but inflation throws a different element into 19 it. Inflation -- accounting for inflation is very 20 different for inflation for a discount. 21 THE COURT: That doesn't negate the question, so -- 22 MR. KISE: It is a compound question. It is asking 23 him two different questions. 24 THE COURT: No, he is not. He's asking one 25 question about two factors combined.</p>

<p>M. HAWTHORN - DIRECT (MR. AMER) Page 1471</p> <p>1 Is that correct, Mr. Amer?</p> <p>2 MR. AMER: Yes. Yes.</p> <p>3 THE COURT: Overruled.</p> <p>4 Do you need a readback or you know the question?</p> <p>5 THE WITNESS: I could answer the question as yes.</p> <p>6 Q Thank you.</p> <p>7 What do rows 147 to 149 reflect?</p> <p>8 A I would need to see the formula in B147. Can that be</p> <p>9 double-clicked to see if there are cells that show what it is</p> <p>10 pulling?</p> <p>11 Q He double-clicked. I don't know if you needed him to</p> <p>12 do something else.</p> <p>13 A I can't see the highlighted rows at the end to see what</p> <p>14 it is doing. My presumption is it is totaling.</p> <p>15 Q What is a reversion analysis?</p> <p>16 A To be honest, it was on the template when I inherited</p> <p>17 it.</p> <p>18 Q Can you confirm that the value in 149 is the total</p> <p>19 value that then feeds back into the summary page?</p> <p>20 A Let me see the summary page.</p> <p>21 Q Sure.</p> <p>22 A So that's 118 and the other one says 139.</p> <p>23 Q No -- I'm looking at row 149.</p> <p>24 A Oh, the ^ 118,194?</p> <p>25 Q Yes.</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1473</p> <p>1 Q And then in the e-mail response from Mr. Birney he</p> <p>2 says, "okay, great. Please send worksheet that's synonymous</p> <p>3 with the spreadsheet we've been looking at;" is that correct?</p> <p>4 A Yes.</p> <p>5 Q And then he says, "Allen is okay with the figures."</p> <p>6 Do you know who he was referring to?</p> <p>7 A It appears to be Allen Weisselberg.</p> <p>8 Q Do you have an understanding how Mr. Weisselberg could</p> <p>9 be in a position to be okay with the figures before you send</p> <p>10 your spreadsheet?</p> <p>11 A No.</p> <p>12 Q Was there any, you know, high level of summary of the</p> <p>13 numbers that was provided in advance of sending the spreadsheet</p> <p>14 to your recollection?</p> <p>15 A No.</p> <p>16 Q So sitting here today you don't have any understanding</p> <p>17 as to how Mr. Weisselberg could be okay with the figures without</p> <p>18 having gotten your spreadsheet; right?</p> <p>19 A Yes. I can't make any context comment of that. All I</p> <p>20 did was put in the numbers in the spreadsheet for Patrick and</p> <p>21 send them to him.</p> <p>22 Q And then, of course, the top e-mail is your forwarding</p> <p>23 the spreadsheet; correct?</p> <p>24 A Yes.</p> <p>25 Q Just at the risk of wanting to clarify, am I correct</p>
<p>Page 1472</p> <p>1 A Then go back there. Yes, sir.</p> <p>2 Q I would like to look at an earlier spreadsheet you sent</p> <p>3 to Mr. Birney. Let's pull up Exhibit 1218 -- the native.</p> <p>4 Actually, let's go to the document first and then --</p> <p>5 THE COURT: Five-minute warning.</p> <p>6 Q Mr. Hawthorn, do you recognize this as an e-mail</p> <p>7 exchange you had with Mr. Birney where you're providing him with</p> <p>8 the updated spreadsheet in 2018?</p> <p>9 A Yes.</p> <p>10 MR. AMER: I'd ask that this be admitted into</p> <p>11 evidence, Your Honor.</p> <p>12 THE COURT: Granted. It is in.</p> <p>13 (Whereupon, the Document was marked in evidence as</p> <p>14 Plaintiff's Exhibit 1218.)</p> <p>15 Q The bottom e-mail from you to Mr. Birney, down a little</p> <p>16 bit more, the bottom of the first page. You indicate, "Soho was</p> <p>17 in last year's file, not in this year's." Can you explain that?</p> <p>18 A Trump Soho is a hotel under management that the owner</p> <p>19 bought out the management agreement in 2017. So if in a</p> <p>20 previous version there was a value probably ascribed in the</p> <p>21 management contract, it would no longer be in a future year</p> <p>22 because the cash was already realized from a sales transaction</p> <p>23 under the HMA.</p> <p>24 (Continued on the next page.)</p> <p>25</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1474</p> <p>1 that you did not have any understanding when you received this</p> <p>2 request and then sent the worksheet why Mr. Birney was asking</p> <p>3 for it; correct?</p> <p>4 A Correct.</p> <p>5 Q And you did not know how he was going to use the</p> <p>6 spreadsheet; right?</p> <p>7 A Correct.</p> <p>8 Q My next questions are on the worksheet, so if we want</p> <p>9 to take our break now, does that make sense?</p> <p>10 THE COURT: Yes. But just before you go, I want to</p> <p>11 address Mr. Kise's objection on the compound question.</p> <p>12 If the question is was the building made of brick</p> <p>13 and was the temperature cold, that's a compound question,</p> <p>14 requires two answers. If you ask are you able to do A and</p> <p>15 B, only if you can do A and B, should you answer yes. If</p> <p>16 you can't do either, you can only do one, you shouldn't</p> <p>17 answer no. So that's why I regard it as a single question.</p> <p>18 But I see your point.</p> <p>19 Okay. Let's take our usual ten-minute break over</p> <p>20 the course of 15 minutes.</p> <p>21 (Whereupon, there is a recess in the proceedings.)</p> <p>22 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>23 session. Please be seated and come to order.</p> <p>24 MR. KISE: Just a quick housekeeping, Your Honor.</p> <p>25 I'll let Mr. Amer answer the question about of how long he's</p>

M. Hawthorn - Plaintiff - direct (Amer)	Page 1475	M. Hawthorn - Plaintiff - direct (Amer)	Page 1477
<p>1 going to go. We just wanted to know if he's going to be --</p> <p>2 can we let Ms. Kidder go and start her for 15 minutes? It's</p> <p>3 up to you.</p> <p>4 THE COURT: What do you think we should do?</p> <p>5 MR. AMER: I think I probably have a half an hour.</p> <p>6 I'm fine if the Court is okay to not start a witness for</p> <p>7 15 minutes if that's where we end up, but that's entirely</p> <p>8 Your Honor's --</p> <p>9 THE COURT: I like to use every available moment,</p> <p>10 but a half hour, let's start her, if that's okay.</p> <p>11 I assume no cross examination of this witness at</p> <p>12 this time?</p> <p>13 MR. KISE: No.</p> <p>14 THE COURT: I shouldn't have asked in the negative.</p> <p>15 I should have asked you were you planning on any cross</p> <p>16 examination. Hoist by my own petard.</p> <p>17 MR. AMER: I should mention my time estimate did</p> <p>18 not include any objections from Mr. Kise.</p> <p>19 THE COURT OFFICER: Witness entering.</p> <p>20 (Whereupon, the witness enters the courtroom and</p> <p>21 approaches the witness stand.)</p> <p>22 THE COURT: Would Mr. Kise ever object? Let's see</p> <p>23 if we can move things along rapidly.</p> <p>24 Okay, let's continue the examination of</p> <p>25 Mr. Hawthorn.</p>		<p>1 Q So can you describe for us what the future portfolio</p> <p>2 that is reflected at a value of 45.2 million was?</p> <p>3 A So by comparison to 2021, 2018 had a lot of deals in</p> <p>4 the pipeline, so to speak, HMAs that were signed for hotels to</p> <p>5 be opened, letters of intent or LOIs that were signed for hotels</p> <p>6 to be opened. 2018 was a much different dynamic than 2021 and</p> <p>7 in particular you see there was two other brands that the Trump</p> <p>8 Hotel divisions had launched and was under development, so those</p> <p>9 were included in this analysis.</p> <p>10 Q I just want to follow up on something. You mentioned</p> <p>11 about deals in the pipeline. I think you said LOIs, letters of</p> <p>12 intent. Can you just describe that to me what that is?</p> <p>13 A That's an agreement between parties for a hotel</p> <p>14 development or a management agreement.</p> <p>15 Q But it's not an actual signed management agreement;</p> <p>16 correct?</p> <p>17 A Correct. It's probably like the first step in agreeing</p> <p>18 that you will work towards getting an HMA, but that there is</p> <p>19 interest by both parties and kind of documents the basic terms</p> <p>20 of the, you know, arrangement.</p> <p>21 Q And is it correct to say that some LOIs result in a</p> <p>22 management agreement and some do not?</p> <p>23 A Yes.</p> <p>24 Q Were there also deals in the pipeline that were</p> <p>25 reflected only in discussions with the hotel owners as opposed</p>	
M. Hawthorn - Plaintiff - direct (Amer)	Page 1476	M. Hawthorn - Plaintiff - direct (Amer)	Page 1478
<p>1 Q Mr. Hawthorn, we were discussing Exhibit 1218, your</p> <p>2 e-mail where you forward the spreadsheet in September of 2018.</p> <p>3 So let's go ahead and pull up this native Plaintiff's 1218,</p> <p>4 which is the spreadsheet.</p> <p>5 MR. AMER: Your Honor, I ask that this spreadsheet</p> <p>6 be admitted.</p> <p>7 THE COURT: Granted. It's in.</p> <p>8 (Whereupon, the item previously referred to is</p> <p>9 received and marked Plaintiff's Exhibit Number 1218 in</p> <p>10 evidence.)</p> <p>11 Q Do you recognize this as the updated spreadsheets you</p> <p>12 sent to Mr. Birney in September of 2018?</p> <p>13 A Yes.</p> <p>14 Q Now, I notice the first two tabs "summary in cash flow</p> <p>15 projection" are the same as the 2021 spreadsheet we saw;</p> <p>16 correct?</p> <p>17 A Yes.</p> <p>18 Q And let's look at that first tab, the summary tab.</p> <p>19 For this spreadsheet there is a value of 45.2 million</p> <p>20 roughly on Row 25 for a value of future portfolio. Do you see</p> <p>21 that?</p> <p>22 A Yes.</p> <p>23 Q So that's different from what we saw in 2021 where it</p> <p>24 said N/A; correct?</p> <p>25 A Yes.</p>		<p>1 to an LOI?</p> <p>2 A I don't know unless we look specifically.</p> <p>3 Q Okay.</p> <p>4 A In that aspect I would defer to my boss at the time,</p> <p>5 Mr. Eric Danzinger, the CEO of the group.</p> <p>6 Q Now, in addition to those first two tabs that we looked</p> <p>7 at, there are additional tabs that follow existing AI</p> <p>8 projections, future deals, fee projections, new openings, and</p> <p>9 new signings. Do those all relate to the future portfolio?</p> <p>10 A Not the word "existing," but the one that says "future"</p> <p>11 would.</p> <p>12 Q Okay. Do you know why there was no existing AI</p> <p>13 projections tab in the 2021 spreadsheet?</p> <p>14 A I think it was at that time that it was concluded that</p> <p>15 that brand would no longer move forward whereas in 2018 it was</p> <p>16 very much a real thing.</p> <p>17 Q And why don't we discuss that tab "existing AI</p> <p>18 projections." What is that?</p> <p>19 A This was a concept for an American Idea hotel brand,</p> <p>20 which is a franchise hotel brand concept that was brought to</p> <p>21 market by the Trump Hotels team in 2016 and a concept that would</p> <p>22 have a different level of service versus a luxury Trump Hotels</p> <p>23 product.</p> <p>24 Q And is it your understanding then that this -- the</p> <p>25 information on this tab would flow into the existing portfolio?</p>	

<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1479</p> <p>1 A I don't know. We'd have to see where it links, but 2 existing AI projections I can tell you that these hotels did not 3 open ultimately, but at the time there were signed hotel 4 management agreements. There was a lot of work done by the 5 hotel team to gather up this brand franchise concept and so it 6 was very much a real thing during 2018. 7 Q I guess it's just a simpler question as to whether it's 8 part of the existing portfolio or the future portfolio, if you 9 know? 10 A I would -- I would presume future because it's not 11 open. My understanding is that existing is that there is a 12 hotel that's operating versus future which is to open. 13 Q Let's look at rows -- under -- let's look at the next 14 tab, "future deals fee projections," Rows 23 to 28. Can you 15 tell me what those reflect? 16 A I guess they were projections at the time this was 17 prepared of future hotels. If you -- I did go -- if you scroll 18 up. 19 So you see in Row 5 there is another place called 20 Scion. That was a lifestyle brand of hotel division that the 21 brand was also launching at the time of American idea. So you 22 had three brands. You have the Trump Hotels luxury brand, upper 23 at the high end of the market Scion, more of a lifestyle hotel 24 four star and American Idea being a franchise model hotel. 25 Q And I guess my question's more specific to Rows 23 to</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1481</p> <p>1 A Can you show me the 250? 2 So this could have been based on the pipeline and trend 3 of new development, the expected opening of hotels with 250 keys 4 in those particular years. 5 Q Is number of keys synonymous with number of rooms in 6 the hotel? 7 A Yes. 8 Q And let's look at the new signings tab. Again, you'll 9 see that starting in Row 9 all the way through the rest of the 10 entries under "property" it says "TBD" again. What does that 11 signify for this tab? 12 A It's a placeholder again. Same thing, to be 13 determined. 14 Q And again, in some rows the number of keys is zero and 15 in other rows it's 250. Same answer as a prior tab? 16 A So, again, a presumption that the average number of 17 keys of a new hotel development would be 250 that the brand 18 would sign these developments in these years and they would open 19 thereafter after a period of preopening. 20 Again, these based off of signed hotel management 21 agreements, signed letters of intent and/or updates from the CEO 22 of Trump Hotels and the work that was being done by the 23 development team of future properties. 24 Q And just the last part of your answer where you say 25 "updates from the CEO of Trump Hotels" that's Mr. Danzinger?</p>
<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1480</p> <p>1 28 which ends with Row 28 being present value of Trump cash 2 flow. So is this similar to what we saw before where you're 3 doing a calculation to include inflation and then a discount 4 factor to get to present value? 5 A Yes. 6 Q And does doing this type of calculation have any 7 relationship to getting to an estimated current value for the 8 management contracts? 9 A Yes. 10 Q In what way? 11 A So conceptually it looks like it's taking the expected 12 cash flow streams from management fees and future years and 13 discounting them back to current time of this evaluation. 14 Q And that gets you to estimated current value? 15 A Yes. 16 Q Let's look at the new openings and new signings tabs. 17 So what are new openings? 18 A This I believe is a tab to estimate the opening dates 19 of new properties and the year they would open. 20 Q And starting in Row 12 through Row 28, you'll see it 21 says "TBD" under "property." What does that stand for? 22 A That would probably just be a placeholder, to be 23 determined. 24 Q And in some rows the number of keys is zero, but in 25 others it's 250. Why is there that difference?</p>	<p>M. Hawthorn - Plaintiff - direct (Amer) Page 1482</p> <p>1 A Yes. 2 Q And by that do you mean to include discussions that 3 he's had with property owners? 4 A He would have had those discussions but we would have 5 asked his input on this projection. 6 Q I'm just trying to identify the bases for including him 7 in the spreadsheet. You said signed hotel management 8 agreements, signed letters of intent and then you describe this 9 third category of updates from the CEO. So are the updates 10 something different than LOIs and management agreements? 11 A I can't speak to it because he was closest to the 12 information, but, like, just as an example, if you are going to 13 open a new hotel with one owner and you have a signed HMA, that 14 hotel owner may say I want to do three more, five more, ten more 15 hotels with you and these are all ready to go. So that could be 16 an example. But in this particular case from 2018 it's hard to 17 remember or know. 18 Q At least your understanding is that some of these TBD 19 deals are management agreements, some are LOIs and some may be 20 something else. Is that fair? 21 A I think that's fair. 22 Q And the something else would be not anything in the 23 form of a signed agreement; correct? 24 A It could be -- again, I defer to the hotel group CEO at 25 the time who had the connections, who had the wherewithal to</p>

M. Hawthorn - Plaintiff - direct (Amer) Page 1483	M. Hawthorn - Plaintiff - direct (Amer) Page 1485
<p>1 know the realistic possibility of new hotels.</p> <p>2 Q Well, you are updating the spreadsheet; right?</p> <p>3 A With his input. I wasn't the development guy at the</p> <p>4 time nor am I now.</p> <p>5 Q And so at least your understanding based on what you</p> <p>6 are being told was that some involved letters of intent and some</p> <p>7 involved something other than a letter of intent or a management</p> <p>8 agreement?</p> <p>9 A To the best of my recollection, yes.</p> <p>10 Q Okay. Now, if we go to the new openings tab and we</p> <p>11 look at Row 37 that you see lists 250 keys; is that right?</p> <p>12 A Yes.</p> <p>13 Q Now, if we look at the formula for Row 37 Column D. If</p> <p>14 we can click on that.</p> <p>15 Do you see that the formula says "equal", quote, "new</p> <p>16 signings", closed quote, exclamation mark, D 34?</p> <p>17 A Yes.</p> <p>18 Q So does that mean that this number is being pulled from</p> <p>19 the new signings tab?</p> <p>20 A I think there was a cadence to this, meaning that if a</p> <p>21 new deal was signed and you can go to that tab of where it was,</p> <p>22 like, what year -- like, say, for example, if that D 34 on new</p> <p>23 signings was 2020, then it took, you know, whatever the cadence</p> <p>24 of number of years to go from signing to opening, so I believe</p> <p>25 they're related.</p>	<p>1 openings tab is just being pulled from the new signings tab;</p> <p>2 correct?</p> <p>3 A Yes.</p> <p>4 Q Okay. Now, let's go to the future deals projections</p> <p>5 tab. And in the Scion -- is it pronounced Scion?</p> <p>6 A Yes.</p> <p>7 Q The Scion section. Let's go to Row 7.</p> <p>8 See it says "total keys?" In Column G for 2022 it says</p> <p>9 "1250." So what does that represent?</p> <p>10 A That would be the room count of the openings of hotel</p> <p>11 in 2022 projected from 2018.</p> <p>12 Q Okay. And if we look at the formula for that cell it</p> <p>13 says it's F 7, which is 2021 plus the sum of new openings H 6 to</p> <p>14 H 81. Do you see that?</p> <p>15 A Yes.</p> <p>16 Q Okay. But we've already established that all of the</p> <p>17 figures in the new openings tab are being pulled from the new</p> <p>18 signings tab; correct?</p> <p>19 A Right. You have to sign a hotel deal before you open</p> <p>20 it.</p> <p>21 Q Okay. I'm just trying to understand the relationship</p> <p>22 between these three tabs and the future deals fee projections</p> <p>23 for the number of keys in Row 7 is being pulled from the new</p> <p>24 openings tab which in turn gets pulled from the new signings</p> <p>25 tab; correct?</p>
M. Hawthorn - Plaintiff - direct (Amer) Page 1484	M. Hawthorn - Plaintiff - direct (Amer) Page 1486
<p>1 Q Well, just a very simple question about what this</p> <p>2 formula signifies as a matter of using an Excel spreadsheet.</p> <p>3 This formula means that you're pulling the number from the new</p> <p>4 signings tab at D 34, doesn't it?</p> <p>5 A Sure. Can we see what it is?</p> <p>6 Q Sure.</p> <p>7 A New signings D 34.</p> <p>8 MR. AMER: 34, not 24.</p> <p>9 A Okay.</p> <p>10 Q So this D 34 is the sum of E 34 to L 34; correct?</p> <p>11 A Yes.</p> <p>12 Q And then the new openings tab is pulling the number</p> <p>13 from this tab into that tab; right?</p> <p>14 A Yes.</p> <p>15 Q Okay. So let's go back to new openings.</p> <p>16 Now, if we click on the next two, Row 38 D, same</p> <p>17 formula; right? You have to answer.</p> <p>18 A Yes.</p> <p>19 Q And the one below that?</p> <p>20 A Yes.</p> <p>21 Q So -- and I've looked at all of these in this column</p> <p>22 and every single one of these formulas is pulling the number</p> <p>23 from the new signings tab. Does that sound right to you?</p> <p>24 A Okay, yes.</p> <p>25 Q So all of the number of keys information in the new</p>	<p>1 A Correct.</p> <p>2 Q Okay. Can you walk us through the calculation in</p> <p>3 Column G to explain how the number of keys is being used, if at</p> <p>4 all, to generate the total revenue figure?</p> <p>5 A Let's go to room revenue in G 12 and see how that's</p> <p>6 derived. Right so you would take the total number of rooms</p> <p>7 times the number of days in the year and you would assume an</p> <p>8 occupancy rate that is how full the hotel is with guests.</p> <p>9 So if you took 1250 times 365 you get 465,000.</p> <p>10 Presuming there is 70 percent occupancy you'd have an occupied</p> <p>11 room nights of 319,000 times an average rate of \$450 is the room</p> <p>12 revenue in this file.</p> <p>13 Q And again, the total keys includes potentially new</p> <p>14 signings that are at the moment either could be a letter of</p> <p>15 intent or something else?</p> <p>16 A No. It only includes new openings, right. That's what</p> <p>17 the formula says.</p> <p>18 Q Okay. But we already discussed that new openings is</p> <p>19 pulling the number from the new signings tab; correct?</p> <p>20 A It is, but --</p> <p>21 Q Okay. And that Column G calculation then feeds into</p> <p>22 the summary tab for future portfolio; correct?</p> <p>23 A It should I guess if we follow the formula through.</p> <p>24 Q Well, just conceptually that's what you're doing;</p> <p>25 right? This is part of --</p>

M. Hawthorn - Plaintiff - direct (Amer)	Page 1487	Proceedings	Page 1489
<p>1 A Correct. Same analysis as the one before conceptually.</p> <p>2 Q Okay. So I'd like to summarize a few basic points and</p> <p>3 then ask you a handful of final questions.</p> <p>4 We've established that you are a CPA with knowledge of</p> <p>5 GAAP; correct?</p> <p>6 A Yes.</p> <p>7 Q And we've established that you know how to do a</p> <p>8 discounted cash flow analysis to calculate present value of</p> <p>9 future cash flow; correct?</p> <p>10 A Yes.</p> <p>11 Q And you've worked on compilation engagements for the</p> <p>12 Trump Organization; yes?</p> <p>13 A Yes.</p> <p>14 Q And you understand the concept of stating assets in a</p> <p>15 compilation at their estimated current value; correct?</p> <p>16 MR. KISE: Objection. Is he an expert? We're back</p> <p>17 to that again?</p> <p>18 MR. AMER: I'm just setting the stage and this is</p> <p>19 the last background question.</p> <p>20 MR. KISE: He hasn't testified to that previously.</p> <p>21 If he's summarizing previous testimony, he hasn't testified</p> <p>22 to that previously.</p> <p>23 MR. AMER: I think he has testified to what an</p> <p>24 estimated current value is.</p> <p>25 THE COURT: I don't think he's asking technical</p>		<p>1 A Be qualified to give it a try.</p> <p>2 Q Is that a yes?</p> <p>3 A Yes.</p> <p>4 Q Did Mr. Weisselberg, Mr. McConney or Mr. Birney ever</p> <p>5 ask you for such assistance?</p> <p>6 A Assistance in?</p> <p>7 Q In calculating the present value of future cash flows</p> <p>8 to estimate current values for Mr. Trump's Statement of</p> <p>9 Financial Condition.</p> <p>10 A Not directly, no.</p> <p>11 Q If at any point in time between 2016 and 2021,</p> <p>12 Mr. Weisselberg, Mr. McConney or Mr. Birney had asked for your</p> <p>13 assistance in addressing issues of GAAP compliance for</p> <p>14 Mr. Trump's Statement of Financial Condition, would you have</p> <p>15 been able to provide such assistance based on your knowledge and</p> <p>16 experience?</p> <p>17 A Yes.</p> <p>18 Q Did Mr. Weisselberg, Mr. McConney or Mr. Birney ever</p> <p>19 ask you for such assistance?</p> <p>20 A No.</p> <p>21 MR. AMER: That's all I have, Your Honor.</p> <p>22 THE COURT: Any cross at this time? No? Okay.</p> <p>23 The witness is excused. Thank you.</p> <p>24 (Whereupon, the witness is excused from the witness</p> <p>25 stand.)</p>	
M. Hawthorn - Plaintiff - direct (Amer)	Page 1488		Page 1490
<p>1 questions about GAAP. He's asking what he did, what he</p> <p>2 understands, so overruled. You want to just ask that last</p> <p>3 question again?</p> <p>4 MR. AMER: Sure.</p> <p>5 Q And you understand the concept of stating assets in a</p> <p>6 compilation at their estimated current value; correct?</p> <p>7 A Yes.</p> <p>8 Q At any point in time during the course of your</p> <p>9 employment at the Trump Organization did either Mr. Weisselberg,</p> <p>10 Mr. McConney or Mr. Birney ask you to work with them on</p> <p>11 preparing Mr. Trump's Statement of Financial Condition?</p> <p>12 A No.</p> <p>13 Q If any of them had asked you to work with them on</p> <p>14 preparing Mr. Trump's Statement of Financial Condition, would</p> <p>15 you have had the knowledge and experience to do so?</p> <p>16 A Yes.</p> <p>17 Q If at any point in time between 2016 and 2021,</p> <p>18 Mr. Weisselberg, Mr. McConney or Mr. Birney had asked for your</p> <p>19 assistance in calculating the present value of future cash flows</p> <p>20 to estimate current values for Mr. Trump's Statement of</p> <p>21 Financial Condition, would you have been able to provide such</p> <p>22 assistance based on your knowledge and experience?</p> <p>23 A Certainly would have tried my best.</p> <p>24 Q Do you believe you would have been able to do so based</p> <p>25 on your knowledge and experience?</p>		<p>1 THE COURT: And the next witness?</p> <p>2 Transcript continues on the following page....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	

<p>D. KIDDER - DIRECT (MR. HAREN) Page 1491</p> <p>1 THE COURT OFFICER: Witness entering. 2 D O N N A K I D D E R , a witness called by the Plaintiff, 3 after having been first duly sworn by the Clerk of the Court, 4 took the witness stand and testified as follows: 5 THE COURT OFFICER: State your full name and home 6 or business address for the record. 7 THE WITNESS: Donna Kidder. 721 Fifth Avenue, New 8 York, New York 10022. 9 THE COURT: Now, that's a nice, loud voice, right. 10 Keep at that level and please commence the direct 11 examination. 12 DIRECT EXAMINATION 13 BY MR. HAREN: 14 Q Good afternoon, Ms. Kidder. Good to see you again. 15 Can you, please, describe your educational background 16 after high school. 17 A Some college. 18 Q Do you work at the Trump Organization? 19 A Yes, I do. 20 Q What is your title there? 21 A Assistant controller. 22 Q When did you join the Trump Organization? 23 A March 2007. 24 Q And what was your position when you joined the Trump 25 Organization?</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1493</p> <p>1 flow reports, budgeting for commercial properties. 2 Q And what do you mean by cash management? 3 A Every Monday, you just -- if outside properties needed 4 funding, I would compile a report and I would fund them as 5 necessary and report on all of the owned entities' cash position 6 at that time. 7 Q And when you say "outside properties," what are you 8 referring to? 9 A Golf course, hotels. 10 Q So if I have that correct, every Monday you would 11 prepare a report about the cash position of the golf courses and 12 hotels? 13 A No. May I elaborate? 14 Q Sure. 15 A So the owned entities, everything would roll up to them 16 and if the other entities needed funding, they would request it 17 through me. 18 Q And what do you mean by owned entities? 19 A The trust owns everything, so you have the trust is 20 where all the cash sits, the money sits with DJT Holdings. 21 Q And if what you describe as outside entities need 22 funding, they would ask you? 23 A It would go through me and then the -- it would have 24 to be approved by either Allen Weisselberg at the time or Ron 25 Lieberman who was also in charge of the golf courses and Patrick</p>
<p>D. KIDDER - DIRECT (MR. HAREN) Page 1492</p> <p>1 A Senior accountant. 2 Q Who was the chief financial officer of the Trump 3 Organization when you joined the Trump Organization? 4 A Allen Weisselberg. 5 Q And who was the controller of the Trump Organization 6 when you joined the Trump Organization? 7 A Jeffrey McConney. 8 Q What was the assistant controller when you joined the 9 Trump Organization? 10 A Eric Sacher. 11 Q And who did you report to when you started at the Trump 12 Organization? 13 A Eric Sacher, Jeffrey McConney and Allen Weisselberg. 14 Q Did there come a time when Eric Sacher left the Trump 15 Organization? 16 A Yes, there did. 17 Q At some point after Mr. Sacher left the Trump 18 Organization, did you become the assistant controller? 19 A A few years after that. 20 Q Did that occur approximately in 2010? 21 A Approximately. 22 Q Can you describe in general terms what your 23 responsibilities have been as assistant controller? 24 A Cash management, overseeing a staff of approximately 25 six at any different time, cash flow reports, condominium cash</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1494</p> <p>1 Birney. 2 Q And you say "at the time." Did there come a time when 3 Mr. Weisselberg stopped being involved in that process? 4 A When he pled guilty to tax fraud. 5 Q Okay. In your role as assistant controller, do you 6 think of some entities as having their accounting work done 7 in-house? 8 A Yes. 9 Q What is the phrase "in-house" refer to in the context 10 of that work? 11 A The corporate office and it would be billing, accounts 12 payable, budgets. 13 Q And which entities have their accounting work done 14 in-house as you understand that term? 15 A 40 Wall Street, Trump Tower Commercial, the various 16 owned retail and residences, Trump Park Avenue. 17 Q When you say "owned retail," what are you referring to? 18 A In condominium building such as Trump Park Avenue, 19 L.L.C. There are sponsor-owned units that are retail, so we 20 would maintain the books and records there, the leasing. 21 Q And I think you described these as outside entities a 22 minute ago, but were there entities that did not have their 23 accounting work performed in-house? 24 A Yes. 25 Q And which entities were those?</p>

<p>D. KIDDER - DIRECT (MR. HAREN) Page 1495</p> <p>1 A All of the hotels such as the Doral, Trump Old Post 2 Office, the hotels and golf courses overseas, and all of the 3 golf courses that we owned, Colts Neck, DC, The Vineyard, their 4 books and records were kept outside. 5 Q And did those entities have their own controllers? 6 A Yes, they did. 7 Q Did those entities have a procedure for providing their 8 cash position to you regularly? 9 A Yes, they did. 10 Q How often did they provide their cash position to you? 11 A They were instructed to provide it every week whether 12 Friday by 5:00 or Monday morning. 13 Q You say "were instructed." Instructed by whom? 14 A By me. 15 Q And for the entities that did not have their accounting 16 work performed in-house, did their cash position reports ever 17 request cash? 18 A Occasionally, they did. 19 Q And was there an approval process for those cash 20 requests? 21 A Yes, there was. 22 Q And whose approval was needed for a cash request to be 23 granted? 24 A Allen Weisselberg at the time. 25 Q And can you describe the process by which his approval</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1497</p> <p>1 ultimately, he was the only owning beneficiary. 2 Q Subsequent to him becoming the President of the United 3 States, was there an ultimate endpoint for those cash 4 distributions? 5 A The trust. 6 MR. HAREN: Let's put up on the screen Plaintiff's 7 Exhibit 1306. 8 Q Ms. Kidder, do you recognize this document? 9 A Yes. 10 Q What do you recognize it to be? 11 A It appears to be the budget projection for 2015 for 40 12 Wall Street. 13 MR. HAREN: I would move this document into 14 evidence. 15 MR. ROBERT: Objection. Statute of limitations. 16 THE COURT: Understood. Overruled. It is in. 17 (Whereupon, the Document was marked in evidence as 18 Plaintiff's Exhibit 1306.) 19 Q Let's move to PX 1306 native one. 20 Ms. Kidder, the document on the screen, do you 21 recognize it? 22 A That's the spreadsheet for the projected budget for 40 23 Wall Street. 24 MR. HAREN: I move this native file into evidence. 25 MR. ROBERT: Same objection. I thought it was all</p>
<p>D. KIDDER - DIRECT (MR. HAREN) Page 1496</p> <p>1 was obtained? 2 A The e-mail would be sent while he is still working in 3 the accounting department. I would compile the report and we 4 would discuss who needed financing and for what purposes. He 5 would okay it. I would then fund the golf course or the hotel, 6 what have you, each entity. 7 Q And where would the funding typically come from? 8 A From an owned entity. Prior to Donald Trump becoming 9 president, it would have come from him directly. After that, 10 the structure was the trust, Donald J. Trump Revocable Trust. 11 Q And did an entity called DJT Holdings, L.L.C. play any 12 role in that process? 13 A Yes, the structure was the trust, DJT Holdings, L.L.C. 14 and occasionally, there was a third entity after the Holdings 15 called DTTM, L.L.C. 16 Q And for entities that did not have their accounting 17 work performed in-house, did they ever distribute cash higher up 18 in the hierarchy of Trump Organization entities? 19 A Yes. 20 Q Can you describe the process by which that occurred? 21 A Well, they would have a profit and they would get 22 approval to distribute cash to the owned entity. 23 Q And prior to Mr. Trump becoming President of the United 24 States, would that cash be distributed up to him? 25 A There might have been an entity in between, but</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1498</p> <p>1 part of the one exhibit anyway. 2 THE COURT: I thought so, too, but it is all in. 3 It is all in evidence. 4 MR. HAREN: All right. We have had a practice of 5 doing the native files separately, so I just want to make 6 sure that if there is a -- if someone moves in evidence an 7 e-mail that has native files attached, that the whole 8 exhibit will come in. Is that correct? 9 MR. ROBERT: Why don't we just take it as it comes, 10 but at this point, I thought it was all coming in as to this 11 exhibit; but my same objection, Your Honor has already ruled 12 is coming in. 13 THE COURT: Right. We will do it ad hoc. 14 MR. HAREN: Okay. 15 Q Ms. Kidder, before asking you about the document, just 16 can you describe Mr. Weisselberg's involvement in the 40 Wall 17 Street budget process? 18 A Yes. He would have the final review after everything 19 was compiled. The operational expenses were compiled by Matthew 20 Calamari who is the COO and the building manager, I believe, in 21 2015 was Steve LaFiosca (ph). By operating expenses, I mean 22 anything that was relevant to operating the building. For 23 example, I want to say messenger and delivery because that's all 24 I see, but also payroll. If you go down, contracts, anything 25 like that. For real estate taxes, we would have reached out to</p>

<p>D. KIDDER - DIRECT (MR. HAREN) Page 1499</p> <p>1 Marcus Pollack (ph) for projection and he would have provided 2 that. For the ground rent, there's actually an agreement. For 3 the income, I would have prepared an income projection by any 4 lease that was already in place. There are no assumptions in 5 this. He would have -- Allen Weisselberg would have reviewed 6 everything as well as Matthew Calamari would have reviewed 7 everything and they would have tweaked or questioned or changed 8 any numbers that they felt were too high or too low 9 operationally. For the income, it was what it is. So it was 10 what it was, I should say. So if there was a lease, it was in 11 the income.</p> <p>12 Q So just speaking generally, the time period from 2011 13 to 2021, what was Mr. Weisselberg's involvement in the 40 Wall 14 Street budget process at a very high level?</p> <p>15 A Final approval.</p> <p>16 Q Do you have an understanding of the figure in cell Q151 17 down to 153?</p> <p>18 A 15 -- so 151?</p> <p>19 Q Excuse me. It is O from 151 to 153.</p> <p>20 A So 0 151 to 153. Would you move it over a little, so I 21 could see the titles --</p> <p>22 MR. HAREN: Zoom out a little bit. It is a very 23 wide spreadsheet.</p> <p>24 A Yes, I know, unfortunately. All right. So there are a 25 few different totals here. You would have the NOI before debt</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1501</p> <p>1 A That is correct.</p> <p>2 MR. HAREN: Let's go to Plaintiff's Exhibit 1078.</p> <p>3 Q Ms. Kidder, I'll direct your attention to the bottom of 4 the first page continuing on to the second page. There is an 5 e-mail from you to a person named Joseph Piantedosi copying 6 Brian Lynch and Jeff McConney with the subject "re TNGC 7 Westchester cash position." Do you see that?</p> <p>8 A I do.</p> <p>9 Q Do you recognize this document?</p> <p>10 A Yes, I do.</p> <p>11 Q What do you recognize it to be?</p> <p>12 A This is the first time it appears that Jeff instructed 13 a controller to pay a management fee and have it hit the books 14 instead of just a journal entry.</p> <p>15 MR. HAREN: I move this document into evidence.</p> <p>16 THE COURT: Granted. It is in.</p> <p>17 (Whereupon, the Document was marked in evidence as 18 Plaintiff's Exhibit 1078.)</p> <p>19 Q Looking at the e-mail on December 23rd of 2016, the 20 e-mail states -- it has a subject of, TNGC Westchester cash 21 position and it says, "Hi, Donna. I have attached the cash 22 position for the club. We are positive we will be able to meet 23 the payroll for next week with the existing funds." Do you see 24 that?</p> <p>25 A Yes, I do.</p>
<p>D. KIDDER - DIRECT (MR. HAREN) Page 1500</p> <p>1 service, after debt service in Capex. The final number 2 is -- in some months, it is a profit and in others it is a 3 loss, but ultimately for that year, it was projected a loss of 4 \$4.1 million.</p> <p>5 Q And that's the -- scroll back to the left.</p> <p>6 That's a total NOI after debt service and Capex?</p> <p>7 A Yes.</p> <p>8 Q And Capex refers to capital expenditures?</p> <p>9 A Capital improvements, tenant improvements, lease, any 10 leasing commissions. It looks here -- it is just a whole 11 number. It is just one building improvement number. The 12 capital improvement is just one line and that's for building 13 improvement. That's what that code is.</p> <p>14 Q So speaking in reference to the negative \$4.17 million 15 number, in your experience, if a business within the Trump 16 Organization has negative income after debt over the course of a 17 year, does someone have to advance money to the business?</p> <p>18 A Yes.</p> <p>19 Q Who does that?</p> <p>20 A The owning entity.</p> <p>21 Q So does that mean prior to Mr. Trump becoming 22 president, he would advance the money?</p> <p>23 A That's correct.</p> <p>24 Q After Mr. Trump became president, the trust would 25 advance the money?</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1502</p> <p>1 Q Is this e-mail an example of what you called an outside 2 entity sending you a cash position update?</p> <p>3 A Yes, it is.</p> <p>4 Q This is the time of e-mail you would receive weekly 5 from those outside entities?</p> <p>6 A Yes.</p> <p>7 Q Is it typical to sweep funding from operating entities 8 within the Trump Organization?</p> <p>9 A Yes, it is.</p> <p>10 Q Why does that occur?</p> <p>11 A Because we don't like to keep too much excess funds at 12 entity level. Instead, we sweep it up to the owning entity for 13 investment.</p> <p>14 Q And can you just describe in a little bit more detail 15 what you mean by "sweep up to the owning entity"?</p> <p>16 A Well, if the golf course here had excess operational 17 funds, he would issue a distribution to the owning entity.</p> <p>18 Q And ultimately, I think you described the process, but 19 for some entities or -- excuse me. Before Mr. Trump became 20 president, the distribution would ultimately go up to him; is 21 that correct?</p> <p>22 A Correct.</p> <p>23 Q And after he became president, the distributions would 24 go up to the trust?</p> <p>25 A Correct.</p>

<p>D. KIDDER - DIRECT (MR. HAREN) Page 1503</p> <p>1 Q I'm looking on page one on to page two of Plaintiff's 2 Exhibit 1078. I think you mentioned this already. It 3 states -- excuse me. It is the top of page two. It states, "I 4 will be sending 405,388.38 which in turn you need to send right 5 back as a 2015 management fee". Do you see that? 6 A I do. 7 Q And was there a reason that before the end of the year 8 in 2016 there needed to be a monetary transfer of an amount for 9 a management fee from the TNGC Westchester? 10 A Sorry. Can you just repeat that question? I didn't 11 hear the first part. 12 MR. HAREN: Sure. Can I have a readback, please, 13 Your Honor. 14 THE COURT: Read back, please. 15 (Whereupon, the requested portion of the record was 16 read back.) 17 A They didn't have enough operating cash left over at the 18 end of the year. 19 Q So you needed to send them \$405,000 and change and have 20 them send it right back as a management fee? 21 A Correct. 22 Q Did you have an understanding how 405,388 was 23 calculated? 24 A Mazars calculated the management fee based on the gross 25 profits at four and-a-half percent.</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1505</p> <p>1 one exchange in the e-mail because of the witness' answer. 2 THE COURT: Granted. It is in evidence. 3 (Whereupon, the Document was marked in evidence as 4 Plaintiff's Exhibit 1133.) 5 Q Ms. Kidder, directing you to page three of the 6 document, in the middle of the page, there is an e-mail from 7 Jennifer Minton to you with the subject "Charlotte funding 8 request 12.23.16." Do you see that right there in the middle of 9 the page? 10 A Yes, I do. 11 Q Who is Jennifer Minton? 12 A She is the controller for the golf course in Charlotte. 13 Q Do you understand the subject "Charlotte funding 14 request" to refer to the sort of weekly cash reports that you 15 mentioned earlier? 16 A Yes, I do. 17 Q On page three, you asked her "Out of the 531K, can any 18 of that be considered as a distribution to DJT"? 19 A Yes, I see that. 20 Q What did you understand that to refer to at the time? 21 A In this e-mail, there would have been an attachment 22 which would have been her cash position. I asked if any of her 23 cash balance could be considered a distribution. 24 Q And so that refers to the process you described earlier 25 of seeing if there is excess cash left in an operating entity?</p>
<p>D. KIDDER - DIRECT (MR. HAREN) Page 1504</p> <p>1 Q Was it four and-a-half percent of gross revenue or four 2 and-a-half percent of gross profit? 3 A Revenue. 4 Q Let's move to Plaintiff's Exhibit 1133. Ms. Kidder, in 5 reviewing this document, if you could turn to page three and 6 review up from there. That might be easier. 7 A It looks to be a couple of documents in one, but yes, I 8 recognize it. 9 MR. HAREN: I move this document into evidence. 10 MR. ROBERT: I want to make sure this is one chain 11 of e-mails. The witness said it looks like it is several 12 together. 13 MR. HAREN: It was produced to us like this. 14 MR. ROBERT: Sorry? In hard form or electronic 15 form? 16 MR. HAREN: In the form in which it exists here. 17 MR. ROBERT: So that means it is one e-mail 18 exchange. 19 MR. HAREN: It means it is a series of e-mails and 20 one chain that has the items on the last page. They kind of 21 stack up. 22 MR. ROBERT: Okay. 23 THE COURT: So we treat it as one document. Is 24 that agreed? 25 MR. ROBERT: I just wanted to make sure that it is</p>	<p>D. KIDDER - DIRECT (MR. HAREN) Page 1506</p> <p>1 A Yes. 2 THE COURT: Five-minute warning. 3 Q Ms. Minton, the subsequent e-mail at the top of page 4 three and starting from page two, she writes, "We have never 5 done this transfer for the management fee before, so I guess it 6 wouldn't matter what we consider it." Do you see that? 7 A Which -- I'm sorry. Which one? 8 Q It is at the top of page two of the document. It 9 begins with, "I had something come up unexpected yesterday and 10 I'm out of the office today. I wanted to reply, sorry, but I am 11 confused." Then it says, "We have never done this transfer for 12 the management fee before, so I guess it wouldn't matter what we 13 consider it." 14 My question is, did you understand Ms. Minton to have 15 been asking you how to classify a management fee? 16 A Yes. 17 Q And your response on page two states, "It is a 18 management fee. Allen would like it below the line." Do you 19 see that? 20 A Yes, I did. 21 Q Is that Allen Weisselberg? 22 A Yes. 23 Q Allen Weisselberg gave direction as to how Trump 24 Organization golf clubs classified their management fees? 25 A Correct.</p>

D. KIDDER - DIRECT (MR. HAREN) Page 1507

1 Q And what did you understand below the line to mean?

2 A After all of the operating expenses and the -- in

3 the -- the first NOI, just as I showed you in -- on 40 Wall

4 Street, they would have a report and it would have different

5 NOIs before management fees, before Capex such as that. So

6 that's what he means by below the line.

7 Q There would be a net operating income generated before

8 the management fee was subtracted?

9 A The NOI would be before the management fee, it would be

10 higher and then after the management fee, it would be less.

11 Q In the e-mail, again, in the middle of page two, you

12 stated to Ms. Minton, "He would like it recorded below the line.

13 He also suggests that Ed already knows how to show it on the

14 reports that are provided to AW/Ron/Patrick, so he can advise."

15 What did you understand that sentence to refer to?

16 A Ed Raymundo is the controller at the Florida properties

17 in Mar-A-Lago and he has been reporting this for years before

18 Jennifer Minton was hired and she had never seen an entry like

19 this on her books, so he was just going to show her how to do it

20 on the golf reports.

21 Q And what did you mean reports that are provided to

22 AW/Ron/Patrick?

23 A Those are the monthly reports from the golf courses,

24 profit and loss, income and expense, balance sheets.

25 Q So those monthly reports that you're describing, can

D. KIDDER - DIRECT (MR. HAREN) Page 1508

1 you be more specific about what they contain?

2 A From what I have seen, it is a profit and loss

3 statement, an income and expense statement, a balance sheet.

4 There might or might not be management fees attached. They

5 usually went direct to Allen, Ron and Patrick.

6 Q And these monthly reports contain income and expense

7 information for each of the golf clubs in the Trump

8 Organization?

9 A Just the one they were responsible for. Each

10 controller would submit their own reports.

11 Q So each of the controllers would submit a report with

12 the income and expenses for their property?

13 A Correct.

14 Q And did you have an understanding that Patrick

15 Birney -- you are referring to Patrick Birney, right?

16 A Correct.

17 Q Did you have an understanding that Mr. Birney would

18 then consolidate that information into a single report?

19 A I don't know what he did with all of the reports.

20 Q Looking at page one of Exhibit 1133 and at the bottom

21 of the page, you wrote "I sent you a separate wire yesterday so

22 you can pay the management fee. (It also happens to be

23 531,903.42). Do you see that?

24 A Yes.

25 Q Is this another instance in which you sent funding to a

Page 1509

1 club for it to immediately send it back as a management fee?

2 A Yes, it is.

3 MR. HAREN: I think that's a good place to stop for

4 the day, Your Honor.

5 THE COURT: Okay. Hold on. As usual, ten o'clock

6 tomorrow. Have a good evening.

7 MS. FAHERTY: Your Honor, can you give an

8 admonition to the witness before she departs not to discuss

9 her testimony with anyone.

10 THE COURT: I hereby admonish you not to discuss

11 your testimony with anyone.

12 THE WITNESS: Yes, Your Honor.

13 (Witness exits the stand.)

14 (Whereupon, the trial was adjourned to October 17,

15 2023 at 10:00 a.m.)

Page 1512

Proceedings

1 THE COURT OFFICER: All rise. Part 37 is now in  
2 session. The Honorable Judge Arthur Engoron presiding.  
3 Make sure all cell phones are on silent. Laptops and cell  
4 phones will be permitted but only to members of the press.  
5 There is absolutely no recording or photography of any kind  
6 allowed in the courtroom. Now be seated and come to order.  
7 THE COURT: I understand there is some  
8 photographers outside that want to come in for a few  
9 minutes, so look your best.  
10 (Whereupon, there is a pause in the proceedings.)  
11 THE COURT: They are the eyes and ears of the  
12 public, or at least the eyes in this case.  
13 Okay. We're continuing with the testimony of Ms.  
14 Kidder; correct?  
15 It takes a while to get the witnesses. They're  
16 sequestered or something. She'll be here eventually.  
17 THE COURT OFFICER: Witness entering.  
18 (Whereupon, the witness enters the courtroom and  
19 approaches the witness stand.)  
20 THE COURT: I'll remind the witness, as I always  
21 do, that she is still under oath.  
22 And let's continue with the direct examination.  
23 CONTINUED DIRECT EXAMINATION  
24 BY MR. HAREN:  
25 Q Good morning, Ms. Kidder.

Page 1513

Proceedings

1 A Good morning.  
2 MR. HAREN: I'd like to put on the screen  
3 Plaintiff's Exhibit 1300.  
4 THE COURT: And I'll ask both of the participants  
5 to keep their voices up.  
6 MR. HAREN: Yes. Thank you, Your Honor.  
7 CONTINUED DIRECT EXAMINATION  
8 BY MR. HAREN:  
9 Q Ms. Kidder, do you recognize the e-mail on the screen?  
10 A I recognize my name, but there is nothing attached, so  
11 I'm not sure what it would be.  
12 MR. HAREN: Sure. Can we take down that image and  
13 pull up the attachment that is PX 1300\_native?  
14 A Yes, I recognize this.  
15 Q And what do you recognize it to be?  
16 A That's a weekly cash report.  
17 Q And can you explain what you mean by "weekly cash  
18 report?"  
19 A These are the owned entities and that is the cash  
20 position of disposable amounts. This is what we spoke of  
21 yesterday, the weekly cash reporting.  
22 Q Can you explain at the top of the spreadsheet it  
23 states: "From Allen Weisselberg to Donald J. Trump dated  
24 December 29, 2016." Do you see that?  
25 A Yes, I do.

Proceedings	Page 1514	Proceedings	Page 1516
<p>1 Q Do you have a practice of preparing spreadsheets like</p> <p>2 this at the Trump Organization?</p> <p>3 A I prepare it every week.</p> <p>4 Q And what is the purpose of this spreadsheet?</p> <p>5 A To show the cash positions of the entities that are</p> <p>6 holding accounts are owned entities, owning entities.</p> <p>7 Q And prior to Mr. Trump becoming president of the United</p> <p>8 States was the purpose of this document to allow Allen</p> <p>9 Weisselberg to give Mr. Trump an update on the cash position of</p> <p>10 the entities contained in the spreadsheet?</p> <p>11 A Correct.</p> <p>12 Q And was that the -- can you describe the purpose of</p> <p>13 these spreadsheets after Mr. Trump became president?</p> <p>14 A It's still the same practice except it doesn't go to</p> <p>15 President Trump directly.</p> <p>16 Q Okay. Thank you.</p> <p>17 MR. HAREN: Now, focusing on the e-mail,</p> <p>18 Exhibit 1300, and the spreadsheet, Exhibit 1300 native, I'd</p> <p>19 like to move those documents into evidence, please.</p> <p>20 THE COURT: Granted. It's in.</p> <p>21 (Whereupon, the item previously referred to are</p> <p>22 received and marked Plaintiff's Exhibit Numbers 1300 and</p> <p>23 1300 native in evidence.)</p> <p>24 Q Ms. Kidder, focusing on the spreadsheet, I'd like to --</p> <p>25 there is a tab at the bottom titled "cash."</p>		<p>1 information reflected in Rows 11 through 126?</p> <p>2 A Cash position as of that day.</p> <p>3 Q And what is the relationship between that information</p> <p>4 and what you described yesterday as owner entities?</p> <p>5 A He's the owning entity.</p> <p>6 Q And so the cash flows up?</p> <p>7 A That is correct.</p> <p>8 Q In Columns Q and S in Row 80, I'd like to direct your</p> <p>9 attention to some figures. Do you have an understanding of the</p> <p>10 information contained in Cell Q 80?</p> <p>11 A Yes.</p> <p>12 Q And what's your understanding?</p> <p>13 A It's the cash total of the lines above it.</p> <p>14 Q And how about R 80?</p> <p>15 A That's the restricted cash or investments.</p> <p>16 Q And S 80?</p> <p>17 A The available cash and investments.</p> <p>18 Q So is the idea that there is a total sum as restricted</p> <p>19 and taking out restricted, what's in S 80 is what remains?</p> <p>20 A That is correct.</p> <p>21 Q Okay. Can we turn to the tab of the spreadsheet</p> <p>22 entitled "AW REC." And first, do you have an understanding of</p> <p>23 the phrase AW REC?</p> <p>24 A Yes. This was a spreadsheet Allen Weisselberg created</p> <p>25 to fill in, so it's Allen Weisselberg's reconciliation and as</p>	
Proceedings	Page 1515	Proceedings	Page 1517
<p>1 What -- actually, let me go back to a different</p> <p>2 question.</p> <p>3 When were you first assigned the task of preparing</p> <p>4 weekly cash spreadsheets of this sort?</p> <p>5 A When Eric Sacher resigned and I was assigned this task.</p> <p>6 Q And that was in about 2008 as we discussed yesterday?</p> <p>7 A Correct.</p> <p>8 Q Okay. I'd like to walk through Rows 11 through 26.</p> <p>9 Can you -- do you have an understanding of the</p> <p>10 information contained in those rows?</p> <p>11 A Yes.</p> <p>12 Q And what's your understanding?</p> <p>13 A The first line is a checking account at Capital One,</p> <p>14 the second is a money market account at Capital One. If you</p> <p>15 scroll over I could see if there is another column that says the</p> <p>16 name.</p> <p>17 I believe that was personal. The other way. The other</p> <p>18 way. Okay.</p> <p>19 So this was 2016 prior to President Trump becoming the</p> <p>20 president, so everything was still in his name as far as the</p> <p>21 Capital One account. It was not yet in the trust. That's his</p> <p>22 personal account. Capital One Money Market is his personal</p> <p>23 account.</p> <p>24 Q Just -- without speaking specifically about the</p> <p>25 particular accounts, just as a general matter what is the</p>		<p>1 the title states it's funding for the TU settlement.</p> <p>2 Q And what does TU settlement refer to?</p> <p>3 A Trump University.</p> <p>4 Q Directing your attention to Row 36. Do you see the</p> <p>5 figure in G 36 of 16,567,203?</p> <p>6 A Yes.</p> <p>7 Q Does that come from the cash tab that we looked at as</p> <p>8 the portion of the cash that was not restricted?</p> <p>9 A It should.</p> <p>10 Q And then I'd like to scroll or just look at Row 37</p> <p>11 where it states "see A and see above" and there is a figure of</p> <p>12 5.6 million. Do you see that?</p> <p>13 A I see that.</p> <p>14 Q Why are those figures subtracted here?</p> <p>15 A Would you be able to scroll up?</p> <p>16 Q Sure.</p> <p>17 A I don't recall. This was awhile ago I did this</p> <p>18 spreadsheet.</p> <p>19 Q Sure. We can take a look through.</p> <p>20 Do you see that Item A is 3.1 million in current cash?</p> <p>21 A Yes.</p> <p>22 Q And Item C is 2.5 million in MAL/TIGC?</p> <p>23 A Yes.</p> <p>24 Q Do you have an understanding of what MAL/TIGC refers</p> <p>25 to?</p>	

Proceedings	Page 1518	Proceedings	Page 1520
<p>1 A That I do recall or understand. MAL is Mar-A-Lago, 2 TIGC is the golf course in Florida and that would anticipate a 3 distribution of that amount. 4 Q And there is a heading of this section that states 5 "funding for TU settlement" and there is a total in Cell G 10 of 6 25 million. Do you see that? 7 A Yes. 8 Q And do you have an understanding that the figures above 9 25 million are the sums of money that are funding for TU 10 settlement? 11 A Yes. 12 Q And do you have an understanding of the Cell G 8? 13 A Yes. 14 Q And what's your understanding? 15 A That was a Ladder Capital loan Allen Weisselberg took 16 out. I believe it was for Trump Plaza to add to the cash 17 required to pay the Trump University settlement. 18 Q And I'd like to go back to -- go down to Cell I 42. 19 Do you see in Row 42 it states "projected cash 20 liquidity" with an asterisk and there is a figure of 8,087,203? 21 A I do. 22 Q And in Row 45 there is an addition of 1,667,000 for PH 23 28 sale net? 24 A I do. 25 Q Do you have an understanding of what PH 28 sale net</p>		<p>1 Allen Weisselberg for approval and review. 2 Q And that process was the same from 2011 to 2021? 3 A Yes. 4 Q And do you have an awareness of how the budget process 5 works for club properties in the Trump Organization? 6 A Not really, no. 7 MR. HAREN: Let's move to Plaintiff's Exhibit 1295. 8 Q Ms. Kidder, do you recognize this document? 9 A It says it's the 40 Wall Street 2011 Operating/Capital 10 Budget. 11 Q And do you recognize it? 12 A It looks like something I would have prepared, yes. 13 MR. HAREN: I move this document into evidence. 14 THE COURT: Granted. It's in evidence. 15 (Whereupon, the item previously referred to is 16 received and marked Plaintiff's Exhibit Number 1295 in 17 evidence.) 18 Q So I just want to start at the bottom in Cell R 108 and 19 work up from there. 20 Do you have, Ms. Kidder, an understanding of the 21 information in Cell R 108? 22 A It's a loss for the year. 23 Q And what's the amount of the loss? 24 A \$4,851,994. 25 Q I'd like to scroll up in the spreadsheet to the item</p>	
Proceedings	Page 1519	Proceedings	Page 1521
<p>1 refers to? 2 A That was the anticipated sale of penthouse 28, the net 3 profit at Trump Park Avenue LLC. 4 Q So there is a projected cash liquidity in Cell I 42 and 5 then the net from the sale of PH 28 of 1.667 and that sums to 6 cell -- the number in I 46; is that right? 7 A That's how it should add, yes. 8 Q Okay. Ms. Kidder, I'm going to shift to a different 9 topic, 40 Wall Street budgets. 10 We spoke yesterday about the budget process for 40 Wall 11 Street. How did that process work for other entities that you 12 considered in house? 13 A The only other entity that we actually prepared a 14 budget for was Trump Tower commercial and it was exactly the 15 same process. 16 Q And can you explain more what you mean by "exactly the 17 same process?" 18 A Sure. So for the income based on the leases in place I 19 would prepare the income projection for the budget year. For 20 the expenses it would be Matthew Calamari. He would put that 21 together if there were any capital improvements to the building. 22 I would speak with Michael Calamari. Leasing commissions, 23 whatever attorney was working on leases, if they had a number I 24 would add that. We would work as a team and put the numbers 25 together and then the budget, the projected budget, would go to</p>		<p>1 for interest expenses. Do you see in Row 22 it states "interest 2 on mortgage?" 3 A Yes, I do. 4 Q And do you see that the amount is 9,288,267? 5 A Yes. 6 Q And elsewhere in the spreadsheet there is an expense 7 for building improvements of 1.8 million. I think it's at the 8 bottom. Do you see that in Row 106? 9 A I do. 10 Q So I'm going to represent to you that if you start at a 11 loss of 4,851,994 and you add back in the interest expense in 12 the building improvements expense you get to a figure of 13 6,236,273. 14 MR. HAREN: And I think as in prior instances the 15 Court can take judicial notice of the mathematical 16 calculation. 17 And I'd like to pull up on the screen Plaintiff's 18 Exhibit 1573. 19 Q And Ms. Kidder, I'm not going to ask you any questions 20 about this document, but I just want to point out that some 21 figures match. 22 MR. HAREN: So could we go to page 138, please? 23 Q Ms. Kidder, do you see that under operating expenses -- 24 MR. ROBERT: Objection, Your Honor. 25 THE COURT: Go ahead.</p>	

Proceedings	Page 1522	Proceedings	Page 1524
<p>1 MR. ROBERT: The document is not in evidence</p> <p>2 because it couldn't be because it's hearsay and now he's</p> <p>3 reading from a document that's not in evidence, that can't</p> <p>4 come into evidence because it's hearsay, so I object to the</p> <p>5 question.</p> <p>6 MR. HAREN: I'm not offering it for the truth of</p> <p>7 the matter at this stage. We have another witness coming</p> <p>8 later who in fact prepared the appraisal. I just want to</p> <p>9 show and demonstrate the two figures match and move on.</p> <p>10 MR. ROBERT: I still think it's hearsay nonetheless</p> <p>11 and even if you can subject it to connection later, it's</p> <p>12 still an inadmissible statement contained in the document.</p> <p>13 THE COURT: Objection overruled because it's not</p> <p>14 being introduced to prove the truth of its contents, but I</p> <p>15 understand your point.</p> <p>16 MR. HAREN: Thank you, Your Honor.</p> <p>17 Q Ms. Kidder, under "operating expenses" it reads:</p> <p>18 "We have analyzed the actual operating expenses for</p> <p>19 2008, 2009 and 2010 and budget expenses for 2011 as provided by</p> <p>20 ownership."</p> <p>21 MR. HAREN: Just go to page 140, please.</p> <p>22 Q So this is another table in the appraisal in the column</p> <p>23 that states "budget count CY 2011" and at the bottom there is a</p> <p>24 figure for net operating income that matches to the dollar --</p> <p>25 the figure on the budget you prepared.</p>		<p>1 "40 Wall Street LLC six-year budget projection?"</p> <p>2 A Yes, I do.</p> <p>3 Q And you prepared this document?</p> <p>4 A I did.</p> <p>5 Q Did anybody give you instruction as to how to prepare</p> <p>6 this document?</p> <p>7 A Yes.</p> <p>8 Q Who did?</p> <p>9 A Allen Weisselberg.</p> <p>10 Q Did Mr. Weisselberg direct you to prepare this</p> <p>11 document?</p> <p>12 A Yes, he did.</p> <p>13 Q Does this document contain assumptions?</p> <p>14 A Yes.</p> <p>15 Q Did Allen Weisselberg direct you to make the</p> <p>16 assumptions contained in this document?</p> <p>17 A Yes, he did.</p> <p>18 Q I'd like to look down at Column R.</p> <p>19 Do you see the information in Cell R 10 that states</p> <p>20 "assumed full lease up 1/2013?"</p> <p>21 A Yes, I do.</p> <p>22 Q What does that indicate?</p> <p>23 A It means that whatever vacant space at the time was to</p> <p>24 be assumed as fully leased up as of 1/2013.</p> <p>25 Q And is that one of the assumptions Mr. Weisselberg</p>	
Proceedings	Page 1523	Proceedings	Page 1525
<p>1 MR. HAREN: I'm going to move into evidence now the</p> <p>2 -- not the appraisal, but the budget Ms. Kidder prepared</p> <p>3 because I haven't done that yet. I'd like to move --</p> <p>4 MR. ROBERT: As to that in the previous one the</p> <p>5 statute of limitations, objection, Your Honor.</p> <p>6 THE COURT: I understand that as a standing</p> <p>7 objection on the record and -- but the document is in</p> <p>8 evidence. Granted.</p> <p>9 MR. HAREN: Thank you.</p> <p>10 Can we pull up Plaintiff's Exhibit 1296, please?</p> <p>11 Q Ms. Kidder, do you recognize this document?</p> <p>12 A Yes, I do.</p> <p>13 Q What do you recognize it to be?</p> <p>14 A One of the assumption reports Allen Weisselberg would</p> <p>15 request that I prepare periodically.</p> <p>16 MR. HAREN: I move Plaintiff's Exhibit 1296 native</p> <p>17 into evidence.</p> <p>18 MR. ROBERT: Objection. Statute of limitations.</p> <p>19 THE COURT: Granted. It's in.</p> <p>20 It's a standing objection, but if you feel the</p> <p>21 need, you can say it every time.</p> <p>22 (Whereupon, the item previously referred to is</p> <p>23 received and marked Plaintiff's Exhibit Number 1296 in</p> <p>24 evidence.)</p> <p>25 Q Ms. Kidder, do you see at the top of the page reads:</p>		<p>1 directed you to make?</p> <p>2 A Yes.</p> <p>3 Q And the next row down where it states on the left side</p> <p>4 in Column C and D "pending lease assumption." Do you see that?</p> <p>5 A Yes.</p> <p>6 Q What does that indicate?</p> <p>7 A That's also another line item Allen had me assume that</p> <p>8 there were at least leases that were currently out and pending</p> <p>9 signing, so he wanted to break that out on a separate line.</p> <p>10 Q And is the assumption that the pending leases would</p> <p>11 generate the figures in Cells J through Q an assumption that</p> <p>12 Mr. Weisselberg directed you to make?</p> <p>13 A Correct.</p> <p>14 MR. HAREN: Can we zoom out a little bit?</p> <p>15 Q Ms. Kidder, if we could scroll down through general</p> <p>16 expenses and administrative expenses all the way to the bottom.</p> <p>17 Are there in this six-year budget projection any line</p> <p>18 items for leasing commissions?</p> <p>19 A I don't see any.</p> <p>20 Q Tenant improvements?</p> <p>21 A I don't see any on the spreadsheet.</p> <p>22 Q How about capital expenditures?</p> <p>23 A There aren't any on this report.</p> <p>24 Q Did Mr. Weisselberg ever convey anything to you about</p> <p>25 what this document would be used for?</p>	

Proceedings	Page 1526	Proceedings	Page 1528
<p>1 A No, he did not.</p> <p>2 MR. HAREN: Let's move to Plaintiff's Exhibit 1032.</p> <p>3 Q Ms. Kidder, this document is very large. I'm not going</p> <p>4 to show you a ton of it, but I will just state it was produced</p> <p>5 in this form and I'd like to direct you to page three.</p> <p>6 Does this page of the document appear to be a scan of</p> <p>7 the six-year budget projection that you prepared that we just</p> <p>8 looked at as Exhibit 1296?</p> <p>9 A I don't know if it's the same one, but it's definitely</p> <p>10 a six-year budget projection that I prepared.</p> <p>11 Q And you can see on the right side it contains the same</p> <p>12 language "assumed full lease up 1/2013," do you see that?</p> <p>13 A Yes, I do.</p> <p>14 Q Included in vacancy assumption calculation as pending</p> <p>15 lease assumption, does it appear to you to be the same or</p> <p>16 similar to the exhibit that was number 1296?</p> <p>17 A It is the same or similar.</p> <p>18 Q And did Mr. Weisselberg direct you to prepare this</p> <p>19 document?</p> <p>20 A Yes.</p> <p>21 Q And did Mr. Weisselberg direct you to make the</p> <p>22 assumptions that are contained in this document?</p> <p>23 A Yes.</p> <p>24 Q I'd like to direct your attention lower on the page to</p> <p>25 where there is some handwriting.</p>		<p>1 the Figure 131,171,910 when divided by five is 26,234,382.</p> <p>2 And I'd like to switch to Plaintiff's Exhibit 788,</p> <p>3 the 2011 Supporting Data and look at Rows 112 to 119.</p> <p>4 Q Ms. Kidder --</p> <p>5 THE COURT: Normally you pause when you say you'd</p> <p>6 like me to take judicial notice so.</p> <p>7 MR. HAREN: My apologies, Your Honor.</p> <p>8 THE COURT: I created my own pause. I will take</p> <p>9 judicial notice of the math, assuming it's correct.</p> <p>10 MR. HAREN: Thank you.</p> <p>11 THE COURT: I'm sure you checked it five times.</p> <p>12 MR. HAREN: I probably had done the adding and</p> <p>13 subtracting many times at this point. I appreciate that.</p> <p>14 Q Ms. Kidder, in Cell G 119, do you see a net operating</p> <p>15 income of 26,234,400?</p> <p>16 A I see that, yes.</p> <p>17 Q And do you see that the document states "average income</p> <p>18 for the five-year period 2013 to 2017" in Cell B 114?</p> <p>19 A I'm sorry, which cell?</p> <p>20 Q It crosses over into B and C, but it's Row 114.</p> <p>21 A The number that's 47819?</p> <p>22 Q Yes.</p> <p>23 A I see that, yes.</p> <p>24 Q And do you see that in Row 116 it states "average</p> <p>25 expenses for the five-year period 2013 to 2017 in the amount of</p>	
Proceedings	Page 1527	Proceedings	Page 1529
<p>1 Ms. Kidder, do you see on the right side of the page</p> <p>2 there is some adding machine math?</p> <p>3 A I do.</p> <p>4 Q And do you see that one figure is labeled A, another is</p> <p>5 labeled B?</p> <p>6 A I do.</p> <p>7 Q Do you recognize the handwriting here?</p> <p>8 A It appears to be Allen Weisselberg's.</p> <p>9 Q And just to get an understanding of the calculation</p> <p>10 that's taking place, do you see in the line that says "operating</p> <p>11 cash flow" the figure on the left, which I think is 9885810 is</p> <p>12 labeled B?</p> <p>13 A Yes, I see that.</p> <p>14 Q And the full total of all the figures of 141,057,720 is</p> <p>15 labeled A?</p> <p>16 A Yes, I see that.</p> <p>17 Q And in the adding machine calculation can you see that</p> <p>18 the full total is -- that -- excuse me -- the B, meaning the</p> <p>19 number 9885810 is subtracted from the full total?</p> <p>20 A Yes, I see that.</p> <p>21 Q And so is the effective result of this calculation to</p> <p>22 sum the budgeted figures for 2013 to 2017 with the assumptions</p> <p>23 contained in this document?</p> <p>24 A Yes.</p> <p>25 MR. HAREN: The Court can take judicial notice that</p>		<p>1 21,585,000?"</p> <p>2 A I see that.</p> <p>3 Q Did you ever when preparing the six-year cash flow</p> <p>4 projection in Exhibit 1296 have an understanding that it would</p> <p>5 be used to value 40 Wall Street for the purposes of a Statement</p> <p>6 of Financial Condition for Mr. Trump?</p> <p>7 A No, I did not.</p> <p>8 Q Moving to a new topic of management fees.</p> <p>9 Ms. Kidder, I want to just talk about the refinancing</p> <p>10 of 40 Wall Street in 2015 with Ladder Capital Finance.</p> <p>11 Do you generally recall that that occurred?</p> <p>12 A Yes.</p> <p>13 MR. HAREN: I'd like to mark Plaintiff's</p> <p>14 Exhibit 652.</p> <p>15 THE COURT: It's marked. Are you looking to</p> <p>16 introduce it into evidence?</p> <p>17 Q Ms. Kidder, do you recognize this document?</p> <p>18 A Yes.</p> <p>19 Q What do you recognize it to be?</p> <p>20 A Allen Weisselberg instructed Haroula Zapantis to</p> <p>21 provide the trailing 12 as of 3/31/15. So she prepared it, sent</p> <p>22 it to me and I forwarded it on to Allen Weisselberg who then</p> <p>23 forwarded it on apparently to Jack Weisselberg.</p> <p>24 Q Just to clarify, when you say "trailing 12," what are</p> <p>25 you referring to?</p>	

Proceedings	Page 1530	D. KIDDER - DIRECT(MR. HAREN)	Page 1532
<p>1 A The 12 months of income and expense for 40 Wall Street.</p> <p>2 Q And looking at the document there is an e-mail at the</p> <p>3 bottom from Ms. Zapantis to you and then an e-mail from you to</p> <p>4 Jack Weisselberg copying Allen Weisselberg. Do you see that?</p> <p>5 A Yes.</p> <p>6 Q So is it -- just so I understand, Allen Weisselberg</p> <p>7 directed Ms. Zapantis to prepare this document, Ms. Zapantis</p> <p>8 sent it to you and you sent it along to Jack Weisselberg?</p> <p>9 A In this e-mail trail, but prior to that it would have</p> <p>10 gone to Allen Weisselberg for his review before being sent to</p> <p>11 Jack Weisselberg.</p> <p>12 Q And what's your basis for that understanding?</p> <p>13 A I'm sorry. I don't understand the question.</p> <p>14 Q What's your basis for an understanding that the</p> <p>15 trailing 12 cash flow document would have had to have been</p> <p>16 reviewed by Allen Weisselberg before it went to an outside</p> <p>17 party?</p> <p>18 A Everything would have had to have been reviewed by</p> <p>19 Allen Weisselberg.</p> <p>20 Q And when you say "everything?"</p> <p>21 A Any document such as this, trailing 12, a financial</p> <p>22 statement.</p> <p>23 Q So any -- fair to say any financial document before it</p> <p>24 went to an outside party had to be approved by Allen</p> <p>25 Weisselberg?</p>		<p>1 Q Who is Haroula Zapantis?</p> <p>2 A She is a senior accountant at the Trump Organization.</p> <p>3 Q Did Jeff McConney and Allen Weisselberg generally</p> <p>4 supervise her work?</p> <p>5 A Yes.</p> <p>6 Q And I would like to take a look at the attachment</p> <p>7 beginning on page two. I think you actually answered my</p> <p>8 question about this document, so I'll just move to admit it.</p> <p>9 MR. ROBERT: Objection; statute of limitations.</p> <p>10 And is it with the attachment, too, so we make sure it is</p> <p>11 one document?</p> <p>12 MR. HAREN: Yes, it is one document. The</p> <p>13 attachment is not needed.</p> <p>14 MR. ROBERT: Same objection.</p> <p>15 THE COURT: Same ruling. Granted. It is in</p> <p>16 evidence.</p> <p>17 (Whereupon, the Document was marked in evidence as</p> <p>18 Plaintiff's Exhibit 652.)</p> <p>19 Q Let's move to Plaintiff's Exhibit 636. Ms. Kidder, do</p> <p>20 you recognize this e-mail and its attachment?</p> <p>21 A Yes, I do.</p> <p>22 Q What do you recognize them to be?</p> <p>23 A The year-end cash flows for the periods requested for</p> <p>24 40 Wall Street year ending December 31, 2012, 2013 and 2014.</p> <p>25 MR. HAREN: I move to admit this document into</p>	
	Page 1531	D. KIDDER - DIRECT(MR. HAREN)	Page 1533
<p>1 A Yes.</p> <p>2 Transcript continues on the following page.....</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>		<p>1 evidence.</p> <p>2 MR. ROBERT: Same objection.</p> <p>3 THE COURT: Same ruling. Granted. It is in.</p> <p>4 (Whereupon, the Document was marked in evidence as</p> <p>5 Plaintiff's Exhibit 636.)</p> <p>6 Q Ms. Kidder, focusing on the e-mail on the first page,</p> <p>7 do you see a request from Jack Weisselberg?</p> <p>8 A I do.</p> <p>9 Q And what is Mr. Weisselberg, being in this case Jack</p> <p>10 Weisselberg, asking for?</p> <p>11 A The attached information.</p> <p>12 Q And when you say "attached information" -- well, he</p> <p>13 states in his e-mail, "Please send me the 2012-2014 year-end</p> <p>14 cash flow statements for 40 Wall." Do you see that?</p> <p>15 A Yes, I do.</p> <p>16 Q You understood him to mean -- what did you understand</p> <p>17 that to mean at the time?</p> <p>18 A The year ending December 31st and corresponding year</p> <p>19 cash flow statements. That's what is attached.</p> <p>20 Q And before you sent him the attachment, did you obtain</p> <p>21 approval to do so?</p> <p>22 A Yes, I did.</p> <p>23 Q From whom?</p> <p>24 A Allen Weisselberg.</p> <p>25 Q I'd like to direct your attention to page three of the</p>	

<p>D. KIDDER - DIRECT(MR. HAREN) Page 1534</p> <p>1 document. And speaking generally, what is the information 2 contained on this page? 3 A Cash basis income, cash basis expenses. 4 Q And is that for a particular year? 5 A I'm sorry? 6 Q Is that for a particular year? 7 A December 31, 2014 -- year ending December 31, 2014. 8 Q And the subsequent page, page four, same question? 9 A Same information, year ending December 31, 2013. 10 Q And same question for page five? 11 A Same information for year ending December 31, 2012. 12 Q Okay. Focusing your attention on page five under 13 "administrative expenses "about ten lines down, there's an item 14 entitled, "management fees and expenses". 15 A Yes. 16 Q And the amount identified is \$99,999. Do you see that? 17 A I do. 18 Q And do you see a similar entry on page four for 2013? 19 A I do. 20 Q And do you see a similar entry on page three for 2014 21 in the amount of 100,000 exactly? 22 A Yes. 23 Q Let's move to Plaintiff's Exhibit 1024. Ms. Kidder, do 24 you recognize this document? 25 A It's a detailed general ledger for 40 Wall Street</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1536</p> <p>1 Q What is manual transaction mean? 2 A This would have been an internal transfer from 40 Wall 3 Street, L.L.C. to the entity, the Trump Corporation for payment 4 of the 2010 management fee and below it the 2011 management fee. 5 MR. HAREN: Could we scroll down to cell C19779. 6 Actually, S. Excuse me. 7 Q Is the figure in S19779 a running total of management 8 fees for 2012? 9 A I don't see 19,000. I'm -- 10 Q Oh. There's a figure in -- it says on the far right 11 column 1,508,904. You see that? 12 A Yes. 13 Q Is that in your understanding a running total of 14 management fees in 2012? 15 A That's the running total of management fees paid in 16 2012 cash basis. 17 Q Understand. Do you have an understanding as to why the 18 1.5 million in management fees paid in calendar year 2012 was 19 not included in the year end cash flow report for 2012 that was 20 provided to Ladder Capital? 21 A Allen Weisselberg said that since they were affiliated 22 entities, management fees such as those could be omitted from 23 the statement for this purpose. 24 Q Let's look at plaintiff's exhibit -- 25 MR. HAREN: Actually, could I move this exhibit</p>
<p>D. KIDDER - DIRECT(MR. HAREN) Page 1535</p> <p>1 L.L.C. 2 Q Is it for a particular year? 3 A 2012. 4 MR. HAREN: Could we scroll down to account number 5 51511 in row 19739. 6 Q Ms. Kidder, do you see in this detailed general ledger 7 an account 51511 for management fees and expenses? 8 A I do. 9 Q Do you see that in each month in 2012, there's a fee of 10 \$8,333.33? 11 A I do. 12 Q Do you see in row 19761 -- excuse me. 19,757 and 13 19,759, there are -- 14 A Yes. 15 Q There are -- there's one fee amount specified of 16 \$788,218.76? 17 A I do. 18 Q And another in two rows down from that of \$620,685.77? 19 A Yes, I see that. 20 Q In the entries, there is a notation of "DM." Do you 21 have an understanding of what "DM" means? 22 A It is a debit memo. 23 Q Does the phrase "manual transaction" relate to the 24 abbreviation DM? 25 A Correct.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1537</p> <p>1 first into evidence to the extent I have not already done 2 so? 3 MR. ROBERT: Same objection. 4 THE COURT: Same ruling. Granted. It is in 5 evidence. 6 (Whereupon, the Document was marked in evidence as 7 Plaintiff's Exhibit 1024.) 8 MR. HAREN: Let's go to Plaintiff's Exhibit 1025. 9 Q Ms. Kidder, do you recognize this document? 10 A It is a general ledger, detailed general ledger. 11 Q For which property? 12 A 40 Wall Street, L.L.C. for calendar year 2013. 13 MR. HAREN: Could we scroll down to row 19130. 14 Q Ms. Kidder, beginning in row 19129, do you see an 15 account 51511 for management fees and expenses? 16 A Yes, I do. 17 Q And do you see a similar pattern of \$8,333.33 per 18 month? 19 A Yes, I do. 20 Q And do you have an understanding of the information in 21 row 19144 and just 19144? Do you see that information? 22 A It's the Mazars calculated management fee for calendar 23 year ending 2012. 24 Q And that amount is paid in 2013 according to this 25 general ledger, right?</p>

<p>D. KIDDER - DIRECT(MR. HAREN) Page 1538</p> <p>1 A Correct.</p> <p>2 Q And it is identified by "DM." Does that again refer to</p> <p>3 manual transaction?</p> <p>4 A That does.</p> <p>5 Q And do you have an understanding as to why only -- why</p> <p>6 this figure was omitted from the cash flow report provided to</p> <p>7 Ladder Capital?</p> <p>8 A Again, Allen Weisselberg said it was a payment to an</p> <p>9 affiliated company and didn't need to be included for that</p> <p>10 purpose.</p> <p>11 Q When he said "a payment to an affiliated company," did</p> <p>12 he have a phrase that he used?</p> <p>13 A That's the best of my recollection.</p> <p>14 Q Understood.</p> <p>15 THE COURT: That wasn't the phrase, though, right?</p> <p>16 That wasn't the phrase he used. He's looking for certain</p> <p>17 words.</p> <p>18 Q Would it refresh your recollection if I told you that</p> <p>19 in your testimony, you said one pocket to another?</p> <p>20 A Okay. One pocket to another.</p> <p>21 MR. HAREN: Okay. Let's move to Plaintiff's</p> <p>22 Exhibit 1026.</p> <p>23 Q Ms. Kidder, do you recognize this document?</p> <p>24 A Detailed general ledger 40 Wall Street, L.L.P. calendar</p> <p>25 year 2014.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1540</p> <p>1 Plaintiff's Exhibit 1026.)</p> <p>2 MR. HAREN: Let's move to Plaintiff's Exhibit 1063.</p> <p>3 Q Ms. Kidder, do you recognize this document?</p> <p>4 A Yes.</p> <p>5 Q What do you recognize it to be?</p> <p>6 A It appears to be another trailing cash flow that was</p> <p>7 prepared for Jack Weisselberg.</p> <p>8 Q On page two of the document, I want to direct you to</p> <p>9 the far right-hand column. And the print on this document is</p> <p>10 very small, so we're going to have to zoom in.</p> <p>11 Under administrative expenses, do you see that there's</p> <p>12 a row for management fees and expenses in the amount of</p> <p>13 \$100,000?</p> <p>14 A Yes, I do.</p> <p>15 MR. HAREN: Could we put on the screen with this</p> <p>16 image the same image from the version sent in Exhibit 652.</p> <p>17 Q So, Ms. Kidder, on the right, you'll see that there's a</p> <p>18 list of administrative expenses. Next to management fees and</p> <p>19 expenses, it states \$1,007,988 and that was in the version you</p> <p>20 sent on April 10, 2015 in Exhibit 652. And then here in</p> <p>21 Exhibit 1063, the figure has been reduced to 100,000 in the</p> <p>22 version sent on April 21st of 2015.</p> <p>23 Do you have an understanding as to how the management</p> <p>24 fee number came to be reduced to 100,000?</p> <p>25 A Allen Weisselberg instructed me to make the change.</p>
<p>D. KIDDER - DIRECT(MR. HAREN) Page 1539</p> <p>1 MR. HAREN: I move this document into evidence.</p> <p>2 THE COURT: Granted. It is in evidence.</p> <p>3 (Whereupon, the Document was marked in evidence as</p> <p>4 Plaintiff's Exhibit 1026.)</p> <p>5 MR. HAREN: I would like to scroll down to the rows</p> <p>6 beginning 17,629.</p> <p>7 Q Ms. Kidder, do you see again an account 51511 for</p> <p>8 management fees and expenses?</p> <p>9 A I do.</p> <p>10 Q And do you see a similar pattern of \$8,333.33 per</p> <p>11 month?</p> <p>12 A I do.</p> <p>13 Q And do you see an entry for a management fee paid on</p> <p>14 June 12, 2014 in the amount of \$907,988?</p> <p>15 A I do.</p> <p>16 Q And do you have an understanding as to why that figure</p> <p>17 is not reflected on the cash flow report provided to Ladder</p> <p>18 Capital?</p> <p>19 A The same explanation as the last questions. One pocket</p> <p>20 to another.</p> <p>21 Q Thank you.</p> <p>22 MR. HAREN: I move this document into evidence.</p> <p>23 MR. ROBERT: Same objection.</p> <p>24 THE COURT: Granted. It is in.</p> <p>25 (Whereupon, the Document was marked in evidence as</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1541</p> <p>1 MR. HAREN: I move Exhibit 1063 into evidence.</p> <p>2 MR. ROBERT: Same objection.</p> <p>3 THE COURT: Same ruling and granted. It is in.</p> <p>4 (Whereupon, the Document was marked in evidence as</p> <p>5 Plaintiff's Exhibit 1063.)</p> <p>6 MR. HAREN: Let's move to Exhibit 1061. This is</p> <p>7 related to the transactions that we've been looking at.</p> <p>8 Q Ms. Kidder, do you recognize this document?</p> <p>9 A Yes.</p> <p>10 Q What do you recognize it to be?</p> <p>11 A It seems to be a chain of questions relating to the</p> <p>12 finance.</p> <p>13 MR. HAREN: I move this document into evidence.</p> <p>14 MR. ROBERT: Same objection.</p> <p>15 THE COURT: Granted. It is in evidence.</p> <p>16 (Whereupon, the Document was marked in evidence as</p> <p>17 Plaintiff's Exhibit 1061.)</p> <p>18 Q In the e-mail on page one is a question from Jack</p> <p>19 Weisselberg to you and it reads, "I have some questions on the</p> <p>20 historicals (some of which related to potential one-time</p> <p>21 costs)."</p> <p>22 Do you have an understanding as to what Jack</p> <p>23 Weisselberg was referring to there?</p> <p>24 A He's asking questions about what we tagged as one-time</p> <p>25 costs on the information that was sent to him previously.</p>

<p>D. KIDDER - DIRECT(MR. HAREN) Page 1542</p> <p>1 Q And looking further into the items in the e-mail that 2 he sent to you, there is a question there about real estate 3 taxes. Do you see that? 4 A I do. 5 Q And in number two, "There's a question about one-time 6 items that need to be removed, but the G&amp;A operating expenses 7 drop significantly from 2012 and 2013 to 2014 and the T-12." 8 Do you have an understanding as to what that refers to? 9 A The T-12 means trailing 12. 10 Q And do you have an understanding of what Mr. 11 Weisselberg meant by "G&amp;A operating expenses drop significantly 12 from 2012 and 2013 to 2014 and the T-12"? 13 A He's asking why the expenses in those categories 14 dropped in those years significantly. 15 Q And he concludes by asking, "Am I missing any other 16 non-recurring costs." Do you see that? 17 A Yes, I do. 18 Q Do you have an understanding as to why Jack Weisselberg 19 was asking about non-recurring costs? 20 A Because if it is an extraordinary expense, it wouldn't 21 be factored into financing. For example, if you have a legal 22 invoice for a tenant that you're evicting that's \$750,000 in one 23 year, you wouldn't expect to see the same number the next. 24 Q In looking at page one at the top, there is an e-mail 25 from you to Allen Weisselberg.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1544</p> <p>1 Q So this spreadsheet that's attached to the e-mail is 2 something you prepared? 3 A Yes. 4 Q And it was part of your practice to prepare 5 spreadsheets of that type? 6 A For Ivanka, yes. 7 Q Can you give us a time period as to when that was part 8 of your responsibilities? 9 A I believe it was in 2010 it started up until June of a 10 couple of years ago. 11 Q Okay. Does 2017 sound about right? 12 A Yes. 13 Q Who is Lizabeth Kyprislidis? 14 A She works for the Trump Organization, trademarks, 15 licensing. 16 MR. HAREN: Actually, can I move the e-mail into 17 evidence? 18 THE COURT: Granted. It is in. 19 MR. ROBERT: Statute of limitations. 20 THE COURT: Understood. 21 (Whereupon, the Document was marked in evidence as 22 Plaintiff's Exhibit 1282.) 23 MR. HAREN: Let's pull up 1282 native. 24 Q Ms. Kidder, the spreadsheet on the screen reflects the 25 document you prepared?</p>
<p>D. KIDDER - DIRECT(MR. HAREN) Page 1543</p> <p>1 Why did you forward Jack Weisselberg's e-mail to Allen 2 Weisselberg? 3 A That was standard practice and item number one, I 4 wouldn't know how to answer. That's why there's a question 5 mark. I wasn't involved in any tertiary filings with Marcus &amp; 6 Pollack. Number two I did answer because I knew that the 7 operational team and Allen Weisselberg were cutting the expenses 8 as much as they could. 9 Q And there's a reasons in item two to the test required 10 at one point by the bank. Does that refer to a debt service 11 cover ratio? 12 A That is correct. 13 Q What's your understanding of what debt service ratio 14 means? 15 A Minimal. I just -- Jeffrey McConney prepared that 16 calculation. 17 Q Moving to a new topic, Plaintiff's Exhibit 1282. Ms. 18 Kidder, we're going to spend a little bit of time talking about 19 some penthouses at Trump Park Avenue. 20 A Okay. 21 Q Ms. Kidder, do you recognize this document? 22 A Yes, I do. 23 Q What do you recognize it to be? 24 A I used to track all of the deals and agreements for 25 Ivanka Trump, so I prepared a spreadsheet.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1545</p> <p>1 A Yes, it does. 2 MR. HAREN: Could we go to the PH28 tab, please. I 3 move the native file into evidence. 4 THE COURT: It is in evidence. 5 (Whereupon, the Document was marked in evidence as 6 Plaintiff's Exhibit.) 7 Q Do you see at the top of the page it reads, "502 Park 8 Avenue Penthouse 28"? 9 A Yes, I do. 10 Q What's your understanding of that phrase? 11 A It was an agreement between Ivanka Trump and Jared 12 Kushner and Trump Park Avenue, L.L.C. to rent Penthouse 28 at 13 502 Park Avenue. 14 Q And do you see next to agreement date it reads, 15 "January 6, 2011"? 16 A Yes. 17 Q Next to the word "terms," it indicates a start date of 18 January 1, 2011? 19 A Yes. 20 Q And next to the word "conditions," it reads "Tenant 21 shall have exclusive right during the term of this lease to 22 purchase the unit at the price of \$8,500,000"? 23 A Yes, I see that. 24 Q Did you obtain the information in this tab concerning a 25 lease of Penthouse 28 from somewhere?</p>

<p>D. KIDDER - DIRECT(MR. HAREN) Page 1546</p> <p>1 A From whichever attorney worked on the lease. I don't 2 recall the name. 3 Q But did you obtain the information from the lease? 4 A Yes, I did. 5 MR. HAREN: Let's move to Exhibit 1278. 6 Q Ms. Kidder, do you recognize this e-mail? 7 A I recognize the e-mail. 8 Q And what do you recognize it to be? 9 A That I sent Jeff McConney an attachment of the 10 agreements for 2012 for Ivanka deals. 11 Q Just so I understand, you understand the attachment to 12 be a similar spreadsheet to the one we looked at a minute ago? 13 A Yes. 14 Q And you were sending Mr. McConney a copy of it on 15 November 28, 2012? 16 A Apparently so, yes. 17 MR. HAREN: I move the e-mail into evidence. 18 MR. ROBERT: Objection. Statute of limitations. 19 THE COURT: Overruled. Granted. It is in. 20 (Whereupon, the Document was marked in evidence as 21 Plaintiff's Exhibit 1278.) 22 MR. HAREN: Can we move to 1278 native, please. 23 Q Ms. Kidder, this is the attachment to the e-mail? 24 MR. HAREN: And if we could again click on the tab 25 PH28.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1548</p> <p>1 Q And can you speak just in general terms to her areas of 2 work at the Trump Organization? 3 A Well, usually, she just deals with the management of 4 the condominiums, but apparently in this instance, she assisted 5 in the preparation of these two documents. 6 Q When you say she works on matters relating to 7 condominiums, what do you mean? 8 A She works with the management team for the homeowners 9 associations that we manage. 10 Q In looking at the e-mail on the page, do you see that 11 there is a line at the top that reads, "Please see amendment to 12 the lease that provides that the right to purchase the PH28 has 13 been surrendered"? 14 A I do. 15 Q And do you have an understanding as to what that means? 16 A That means that Ivanka Trump and Jared Kushner no 17 longer would be exercising the right in the lease to purchase 18 Penthouse 28. 19 Q And then it follows with "re-PH20 "and it states, 20 "Attached to the lease for PH20, which will commence November 1, 21 2015 "and it continues, and then item D states to the far right, 22 "Tenant shall have the exclusive right which is not assignable 23 during the term of this lease "-- let me read that again 24 because I missed the parenthesis. 25 "Tenant shall have the exclusive right (which right is</p>
<p>D. KIDDER - DIRECT(MR. HAREN) Page 1547</p> <p>1 THE COURT: Granted. 2 Q Ms. Kidder, does the information on this tab reflect 3 the lease between Trump Park Avenue, L.L.C. and Ivanka Trump and 4 Jared Kushner for a lease Penthouse 28 at 502 Park Avenue with 5 an option to purchase of \$8.5 million? 6 A Yes. 7 Q So you provided that information to Jeffrey McConney in 8 the spreadsheet on November 28th of 2012? 9 A Yes. 10 MR. HAREN: I move the native file into evidence. 11 THE COURT: Granted. 12 (Whereupon, the Document was marked in evidence as 13 Plaintiff's Exhibit.) 14 MR. ROBERT: Same objection. 15 MR. HAREN: Could we move to Plaintiff's 618, 16 please. For the record, this is a 14-page document produced 17 in this action by Ivanka Trump. 18 Q Ms. Kidder, I would like to direct your attention to 19 page 14. Do you recognize this e-mail? 20 A Yes. 21 Q What do you recognize it to be? 22 A It is an e-mail from Sonja Talesnik regarding the 23 modification of Penthouse 20 and 28. 24 Q And who is Sonja Talesnik? 25 A She is an attorney at the Trump Organization.</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1549</p> <p>1 not assignable) during the term of this lease to purchase the 2 unit at the price of \$14,264,000, notwithstanding the filing of 3 any amendment to the offering plan that may increase the price 4 of the unit." 5 Do you see that? 6 A I do. 7 Q Did you have an understanding on or about the date of 8 this e-mail that Ms. Trump had an option to purchase this 9 penthouse unit for \$14,264,000? 10 A Yes. 11 Q Where did you gain that understanding? 12 A From this e-mail and the attachments. 13 MR. HAREN: Okay. Let's move to Plaintiff's 14 Exhibit 1157, which is already in evidence. 15 Q Ms. Kidder, do you see in Exhibit 1157 an e-mail from 16 Patrick Birney to you copying Allen Weisselberg and Jeffrey 17 McConney? 18 A Yes, I do. 19 Q And the subject is 2015 Trump Organization corporate 20 cash flow. 21 A Yes. 22 Q And in the e-mail, Patrick writes, "Donna, see attached 23 2015 Trump Organization corporate cash flow shell." 24 A Yes. 25 Q Do you have an understanding of the word "shell" in</p>

<p>D. KIDDER - DIRECT(MR. HAREN) Page 1550</p> <p>1 this e-mail?</p> <p>2 A An un-filled out Excel spreadsheet.</p> <p>3 Q Pulling up the native document that's also already in</p> <p>4 evidence, do you have an understanding as to who created this</p> <p>5 Trump Organization corporate cash flow shell?</p> <p>6 A Patrick Birney at the direction of Allen Weisselberg.</p> <p>7 Q Mr. Weisselberg and Mr. McConney are copied on Mr.</p> <p>8 Birney's e-mail that's Exhibit 1157. Do you have an</p> <p>9 understanding as to their involvement in the generation of the</p> <p>10 Trump Organization corporate cash flow spreadsheet?</p> <p>11 A They would have created the parameters and instructed</p> <p>12 Patrick and myself from the parts that I was responsible for</p> <p>13 what to include.</p> <p>14 Q Thank you.</p> <p>15 MR. HAREN: I'm going to move to a different topic,</p> <p>16 licensing and incentive fees, and I'll turn to Plaintiff's</p> <p>17 Exhibit 3169.</p> <p>18 Q Ms. Kidder, do you recognize this document?</p> <p>19 A Yes.</p> <p>20 Q What do you recognize that to be?</p> <p>21 A It is a report that I was instructed by Jeffrey</p> <p>22 McConney to prepare every year at this time; at this time being</p> <p>23 usually for that range, July to June.</p> <p>24 Q And speaking generally about this report that you</p> <p>25 prepared every year, what does it contain?</p>	<p>D. KIDDER - DIRECT(MR. HAREN) Page 1552</p> <p>1 sell-out or the selling price for all of the remaining units.</p> <p>2 Q And can you walk us through what -- just how far the</p> <p>3 numbers are calculated from column B over to column G, not about</p> <p>4 the numbers themselves, but generally what the columns reflect?</p> <p>5 A We will start with A27. That seems to be easiest</p> <p>6 because that's actually the entire amount is based on a project</p> <p>7 asked sell-out. That's a report provided by the licensee of all</p> <p>8 the units that they have for sale, Trump-branded units. That is</p> <p>9 the fee based on whatever the percentage is of royalty in the</p> <p>10 agreement. That's the total fee.</p> <p>11 Then the next column is zero. And the column E is TTT.</p> <p>12 That was the entity that received I want to say 21 percent or a</p> <p>13 piece depending on what the agreement said of the license fees.</p> <p>14 The net is to DJT, that's to Donald Trump, which is the license</p> <p>15 fees less the fees payable to TTT.</p> <p>16 Q And just so I understand, column B is the total fee.</p> <p>17 Then there is some amount taken out for less TTT which might be</p> <p>18 zero. And then there's some amount taken out for TTT. And then</p> <p>19 what remains in column G is the net?</p> <p>20 A Correct.</p> <p>21 Q And what does TTT refer to?</p> <p>22 A TTT Consulting, L.L.C.</p> <p>23 Q And what is TTT Consulting, L.L.C.?</p> <p>24 A It was an agreement with Eric Trump, Donald Trump, Jr.</p> <p>25 and Ivanka Trump to receive a percentage of fees generated by</p>
<p>D. KIDDER - DIRECT(MR. HAREN) Page 1551</p> <p>1 A It contains the projected amount of license fees and/or</p> <p>2 incentive fees that would be received through the license deals</p> <p>3 from that date through the ending date.</p> <p>4 MR. HAREN: I move this e-mail into evidence.</p> <p>5 THE COURT: Granted. It is in.</p> <p>6 (Whereupon, the Document was marked in evidence as</p> <p>7 Plaintiff's Exhibit 3169.)</p> <p>8 MR. HAREN: Could we, please, pull up Exhibit 3169</p> <p>9 in native form.</p> <p>10 Q Ms. Kidder, do you recognize the spreadsheet on the</p> <p>11 screen?</p> <p>12 A Yes.</p> <p>13 Q And what do you recognize it to be?</p> <p>14 A The projection. Some of the numbers are actual if it</p> <p>15 was prepared in September and then started in July and the rest</p> <p>16 would be a projection.</p> <p>17 Q The information that is in column B, how did you obtain</p> <p>18 that information?</p> <p>19 A So per the instructions given to me by Jeffrey</p> <p>20 McConney, I was to take the -- and you could see the</p> <p>21 explanation based on projected sell-out of remaining units</p> <p>22 to -- as if they would all sell out in that timeframe.</p> <p>23 Q And how did you go about obtaining the information to</p> <p>24 do the analysis?</p> <p>25 A From the licensees. They would have a projected</p>	<p>Page 1553</p> <p>1 certain license deals.</p> <p>2 Q Are there any assumptions built into the information</p> <p>3 contained in column B regarding sell-out timing?</p> <p>4 A Well, the calculation in and of itself is an assumption</p> <p>5 if column B was an assumption because they would only get fees</p> <p>6 if we received column B.</p> <p>7 (Continued on the next page.)</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

D. Kidder - Plaintiff - direct (Haren) Page 1554

1 Q So what I'm trying to understand is that -- let's take  
2 as an example, the line for Dubai.  
3 MR. HAREN: Could you expand Row 25 so we can see  
4 the text?  
5 Q Let's look at, I guess, Row 27, the same row you were  
6 looking at. It states: "DT marks WOR1 (and then it ends with  
7 on balance of projected sellout.)" And the number is 6,167,301.  
8 Is this figure -- is that figure based on any  
9 assumption as to how quickly the sellout would occur?  
10 A As if it all happened in that time frame on the top of  
11 the page.  
12 Q And the time frame on the top of the page is --  
13 MR. HAREN: Can we scroll up by June 2018?  
14 Q So the assumption is that the whole sellout would occur  
15 between July 1, 2017 and June 2018?  
16 A Yes.  
17 Q And to the extent there are --  
18 MR. KISE: Your Honor, maybe it's me. This has  
19 been very granular this morning, but I'm trying to find out  
20 what relevance TTT Consulting has. I'm not sure how any of  
21 this has to do with why we're here.  
22 MR. HAREN: I'll just say to Mr. Kise these figures  
23 play a role in the statements that are in question and some  
24 of the valuations, so I'm getting an understanding of the  
25 assumptions from the witness who prepared the spreadsheet.

D. Kidder - Plaintiff - direct (Haren) Page 1555

1 MR. KISE: I don't know that the TTT numbers have  
2 anything to do with the Statements of Financial Conditions,  
3 but if he can tie it up at some point, but it's very  
4 granular.  
5 THE COURT: I'll give him some further leeway  
6 subject to connection.  
7 Q So Ms. Kidder, to the extent that there are sellouts  
8 reflected in the annual spreadsheet that you prepared and is the  
9 assumption about the space of the sellout the same as what you  
10 just described?  
11 A Yes.  
12 MR. HAREN: Let's mark as plaintiff -- excuse me --  
13 not mark. Let's pull up Plaintiff's Exhibit 3168, which is  
14 already marked.  
15 Q Ms. Kidder, putting aside the handwriting on the top of  
16 the page and on the right side of the page, do you recognize  
17 this spreadsheet as one of the annual spreadsheets you prepared?  
18 A Yes.  
19 Q And do you see that there is handwriting at the top of  
20 the page and in parens it says "Donna?"  
21 A Yes.  
22 Q Do you recognize that handwriting?  
23 A I believe it's Jeffrey McConney's.  
24 MR. HAREN: I move to admit this document into  
25 evidence.

D. Kidder - Plaintiff - direct (Haren) Page 1556

1 THE COURT: Granted. It's in.  
2 (Whereupon, the item previously referred to is  
3 received and marked Plaintiff's Exhibit Number 3168 in  
4 evidence.)  
5 Q Line that says "net to DJT" at the bottom, under "total  
6 fees," do you see where it says 25,785,639?  
7 A I do.  
8 Q Does that figure match the information contained on  
9 Plaintiff's Exhibit 3169 native one?  
10 A 25,785,639 those are the numbers on the worksheets.  
11 Q So from Plaintiff's Exhibit 3168, which was produced by  
12 Mazars, I think you would agree that the total licensing fee  
13 amount reflected on Plaintiff's Exhibit 3168 came from a  
14 spreadsheet that you prepared?  
15 A Yes.  
16 Q Thank you.  
17 MR. HAREN: Your Honor, I have no further questions  
18 for this witness at this time.  
19 THE COURT: Okay. Will there be any cross  
20 examination of the witness at this time?  
21 MR. KISE: No.  
22 THE COURT: The witness is excused.  
23 Plaintiff call your next witness. We have another  
24 seven minutes or so before we break.  
25 (Whereupon, the witness is excused from the witness

Proceedings Page 1557

1 stand.)  
2 MR. LADOV: Your Honor, I'm Mark Ladov here on  
3 behalf of the People of the State of New York and we call  
4 Doug Larson as our next witness.  
5 THE COURT: Okay. Mr. Larson?  
6 We're looking for Mr. Larson, Lieutenant.  
7 THE COURT OFFICER: We're on it.  
8 THE COURT: We'll take a break at 11:30 and I'll  
9 give a five-minute warning before that.  
10 Mr. Haren, you ended so abruptly here.  
11 MR. HAREN: Your Honor, I neglected to say the  
12 magic words about Plaintiff's Exhibit 1032.  
13 MR. ROBERT: Which one is that?  
14 THE COURT: 1032.  
15 MR. ROBERT: I already handed it back. I'm sure I  
16 will have another objection.  
17 Just a statute of limitations objection, Your  
18 Honor, is fine.  
19 THE COURT: Granted. It's in evidence and we're  
20 ready for the -- for Mr. Larson.  
21 (Whereupon, the item previously referred to is  
22 received and marked Plaintiff's Exhibit Number 1032 in  
23 evidence.)  
24 THE COURT OFFICER: Witness entering.  
25 (Whereupon, the witness enters the courtroom and

<p>D. Larson - Plaintiff - direct (Ladov) Page 1558</p> <p>1 approaches the witness stand.)</p> <p>2 THE COURT OFFICER: Please raise your right hand.</p> <p>3 Do you solemnly swear or affirm that any testimony</p> <p>4 you give will be the truth, the whole truth and nothing but</p> <p>5 the truth?</p> <p>6 THE WITNESS: I do.</p> <p>7 THE COURT OFFICER: Please have a seat.</p> <p>8 Please state your full name and either home or</p> <p>9 business address on the record.</p> <p>10 THE WITNESS: Douglas Larson. 125 Park Avenue, New</p> <p>11 York, New York.</p> <p>12 THE COURT: Okay. Counsel, please proceed.</p> <p>13 Mr. Larson, sounds like you have a nice loud voice.</p> <p>14 Just remember to speak right into the microphone.</p> <p>15 THE WITNESS: Sure.</p> <p>16 DIRECT EXAMINATION</p> <p>17 BY LADOV:</p> <p>18 Q Good morning, Mr. Larson. Where do you currently work?</p> <p>19 A I work at Newmark.</p> <p>20 Q And what is Newmark?</p> <p>21 A Newmark is a full-service real estate company.</p> <p>22 Q And what is your title there?</p> <p>23 A Executive vice president.</p> <p>24 Q What is the scope of your work at Newmark?</p> <p>25 A Valuation advisor, appraiser.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1560</p> <p>1 A I'm trying to remember. Senior director. I can't</p> <p>2 recall exactly.</p> <p>3 Q And so was the work you did at Cushman the same as the</p> <p>4 work you're doing now at Newmark?</p> <p>5 A Yes.</p> <p>6 Q And have you spent your entire career as a professional</p> <p>7 appraiser?</p> <p>8 A Yes.</p> <p>9 Q So Mr. Larson, I'd like to show you a copy of an</p> <p>10 appraisal that has already been entered into evidence as</p> <p>11 Plaintiff's Exhibit 118, and I'm going to walk through this</p> <p>12 document with you for a couple of minutes just to understand a</p> <p>13 little bit about what your appraisal practice entails. So if</p> <p>14 you can turn to page eight of this document.</p> <p>15 Are you familiar with this document, Mr. Larson?</p> <p>16 A Yes. This is an appraisal prepared by Cushman &amp;</p> <p>17 Wakefield for Ladder Capital.</p> <p>18 Q And what's the property being appraised here?</p> <p>19 A It's 40 Wall Street.</p> <p>20 Q And you can see it says an "Appraisal report as of</p> <p>21 June 1, 2015." So what does that signify?</p> <p>22 A That is the effective date of value.</p> <p>23 Q And if you turn, I guess, like, three more pages to</p> <p>24 page 11 of this document, is that your signature, Mr. Larson?</p> <p>25 A Yes, it is.</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1559</p> <p>1 Q So are you a professional appraiser?</p> <p>2 A Yes.</p> <p>3 Q Do you hold any professional licenses related to your</p> <p>4 work?</p> <p>5 A Yes. I'm a certified New York real estate appraiser.</p> <p>6 Q And within that New York real estate appraisal work do</p> <p>7 you have any specializations?</p> <p>8 A Yes, office and retail.</p> <p>9 THE COURT: Witness please be a little closer to</p> <p>10 the microphone like this.</p> <p>11 THE WITNESS: Okay.</p> <p>12 Q And maybe you can just explain for us briefly what's</p> <p>13 the difference between office and retail property?</p> <p>14 A Retail properties are, you know, occupied or leased to</p> <p>15 merchandisers to sell goods and office space is occupied by</p> <p>16 office users.</p> <p>17 Q How long have you been with Newmark?</p> <p>18 A Six years.</p> <p>19 Q And where did you work prior to Newmark?</p> <p>20 A Cushman &amp; Wakefield.</p> <p>21 Q And what is Cushman &amp; Wakefield?</p> <p>22 A It's also a full-service real estate company.</p> <p>23 Q How long were you at Cushman?</p> <p>24 A Almost 25 years.</p> <p>25 Q What title did you hold when you left Cushman?</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1561</p> <p>1 Q And does your signature signify that this is the final</p> <p>2 version of this appraisal report?</p> <p>3 A Yes.</p> <p>4 Q And there is two other names listed here. Can you just</p> <p>5 tell me who those people are?</p> <p>6 A Naoum, Mike Papagianopoulos and Robert Nardella.</p> <p>7 Q And what was Mr. Papagianopoulos's role in working on</p> <p>8 this appraisal with you?</p> <p>9 A He worked on our team appraising office properties.</p> <p>10 Q And what was Mr. Nardella's role?</p> <p>11 A Easy area leader.</p> <p>12 Q And Mr. Larson, does this report accurately describe</p> <p>13 the information that you received along with your colleagues to</p> <p>14 perform this appraisal?</p> <p>15 A Yes, it does.</p> <p>16 Q And this appraisal report, does it accurately describe</p> <p>17 your analysis of that information?</p> <p>18 A Yes, it does.</p> <p>19 Q So does this appraisal report accurately state your</p> <p>20 opinion of the value of 40 Wall Street as of June 1, 2015?</p> <p>21 A Yes.</p> <p>22 Q I'd like to turn to page 118 of the document and you'll</p> <p>23 see here there is an addendum that reads "Engagement Letter."</p> <p>24 Can you just tell me generally speaking what is the</p> <p>25 importance of an engagement letter to an appraisal engagement?</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1562</p> <p>1 A Every appraisal requires an engagement and it states 2 the terms of the agreement between client and appraiser. 3 Q So let's look at the letter here just to understand 4 what some of those terms are. 5 MR. LADOV: Can we scroll down to page 188? 6 Q And we can see that this letter describes the 7 anticipated scope of work. 8 MR. LADOV: Can you scroll down a little bit more? 9 So the first header there is "USPAP Compliance." 10 Q Do you understand what USPAP refers to? 11 A Yes, it's the Uniformed Standards of Professional 12 Appraisal Practice. 13 Q And, again, at a high level what does USPAP compliance 14 mean? 15 A Every appraisal needs to be USPAP compliant and it 16 states the scope of work, the process of preparing an appraisal. 17 Q And does USPAP apply to any opinion of value that you 18 may work on as an appraiser? 19 A Can you restate that? 20 Q I guess what I'm asking is if you were doing -- so we 21 know that this full 2,300-page appraisal report, you need to 22 comply with USPAP to perform this work, but if somebody came to 23 you and said "I don't need a full appraisal report, I just need 24 you to help me value my property over here for a specific asset, 25 I want to figure out what it's worth," do you need to comply</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1564</p> <p>1 statistics, surveys, data collected from public resources in 2 discussion with other real estate professionals in prior 3 appraisals. 4 Q And this is all your standard practice in the regular 5 course of business; is that correct? 6 A Yes, absolutely. 7 Q And then below that it reads, quote, "Consider and 8 develop those approaches relevant and applicable to the 9 appraisal problem. We anticipate developing the following 10 valuation of approaches." 11 And there is two approaches listed, the income 12 capitalization approach and the sales comparison approach. 13 So just taking those one by one, can you explain to us 14 what the income capitalization approach means? 15 A Yes. It's -- there are two components of it; the 16 direct capitalization and a discount cash flow analysis. The 17 requirement in New York City and complicated assets, the primary 18 method of value is discount cash flow. And it looks and reviews 19 of income less expenses and operations and occupancy and rents 20 of the property. 21 Q And then once you've determined that income when you're 22 using that method what do you do next to try to determine the 23 value of the property? 24 A You apply investment rates. 25 Q And are investment rates similar to cap rates?</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1563</p> <p>1 with USPAP there as well? 2 A Yes, every appraisal needs to be USPAP compliant. 3 Q So from your answer I understand that there is no 4 difference to you as an appraiser between an appraisal, meaning 5 this formal report and any opinion of value that you might offer 6 for a specific real estate property? 7 A It would need to be USPAP compliant, correct. 8 Q So looking down here where it says "general scope of 9 work," the first item listed is "inspect the property to the 10 extent necessary to adequately identify the real estate." 11 Did you inspect this property as part of your 12 appraisal? 13 A Yes. 14 Q And why do you do that? 15 A Well, we look at the condition of the property, we look 16 at the condition of the space, the tenancy fit outs, mechanical 17 system. So it's a complete inspection. 18 THE COURT: Five-minute warning. 19 Q You just got here. 20 So the second item here says "research relevant market 21 data in terms of quantity, quality and geographic comparability 22 to the extent necessary to produce credible appraisal results." 23 Again, can you just tell us generally what you did to 24 comply with that requirement? 25 A Well, we look at, you know, market trends, market</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1565</p> <p>1 A Yes, it's one of the investment rates that's used. 2 Q Sir, what exactly is a cap rate? 3 A A cap rate is -- it's net operating income divided by a 4 purchase price and it's a return on and of an investment. 5 Q And does the cap rate come into play with the direct 6 capitalization method as well? 7 A Yes. 8 Q Okay. And can you just explain for us how that works? 9 A So a net operating income needs to be calculated and 10 the capitalization rate, that overall capitalization rate is 11 applied and produces a value by direct capitalization. 12 Q And what factors go into determining a cap rate when 13 you're doing that kind of an analysis? 14 A You typically look at sales and extract those 15 capitalization rates, you discuss with investment sale brokers 16 and professionals, look at investor surveys and extract it from 17 the market. 18 Q And sorry, you said singles in your answer. What do 19 you mean by singles there? 20 A I couldn't hear you. 21 Q I think one of the first things that you said was you 22 look at singles. Maybe I misunderstood you? 23 A No. I don't think I said singles. 24 Q Okay. Sorry. So you also -- sorry. Why don't you 25 explain?</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1566</p> <p>1 A No, there are several sources for looking at cap rates 2 and -- which I just stated. So the capitalization rate doesn't 3 apply to the year one net operating income and a value is 4 produced. 5 Q And so when you're taking capitalization rates derived 6 from property sales and using them to think about how to value a 7 different property, do you have to adjust the cap rate to make 8 it apply to the property you're looking at? 9 A Yes. 10 Q And what factors would you look at in terms of making 11 those kinds of adjustments? 12 A Well, you have to analyze where you got the cap rate 13 from, what sale and know the occupancy or above or below market 14 rents or contract rents to determine if the cap rate is market. 15 THE COURT: One-minute warning. 16 MR. LADOV: Okay. 17 Q And generally speaking, if I understood your testimony 18 correctly, the direct capitalization approach is sort of a 19 simpler version of this analysis than the discounted cash flow 20 approach. Is that fair to say? 21 A Direct capitalization is used as support for the 22 discounted cash flow analysis. In my practice almost every 23 appraisal applies a discounted cash flow and it's much more 24 complicated. 25 THE COURT: Okay. As usual, we are going to take a</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1568</p> <p>1 THE OFFICER: All rise. Part 37 is back in 2 session. Be seated and come to order. 3 THE COURT: Witness. 4 MR. LADOV: One housekeeping issue. We are looking 5 at Plaintiff's 118, the appraisal of 40 Wall Street. This 6 was previously moved into evidence for purposes of notice. 7 Based on Mr. Larson's testimony, we would seek to move it 8 into evidence for all purposes at this time. 9 THE COURT: Hearing no objection, which I will 10 probably overrule anyway, granted. It is in evidence. 11 (Whereupon, the Document was marked in evidence as 12 Plaintiff's Exhibit 118.) 13 THE COURT OFFICER: Ready, Judge? 14 THE COURT: Yes. 15 Please continue the examination. 16 Q So Mr. Larson, before the break, you were explaining 17 the income capitalization approach. Can you just give us a 18 similar high level explanation of what the sales comparison 19 approach involves? 20 A Yes. The sales comparison approach is another 21 technique or one of the approaches to value a property. It 22 applies prices per foot extracted from sales and makes 23 adjustments to them and then applies them to the subject 24 property. 25 Q And when you say "adjustments," what kind of</p>
<p>Page 1567</p> <p>1 ten-minute break that will take 15 minutes. See you back 2 here at 11:45. And I'm starting at 11:45 whether or not 3 you're here. 4 (Whereupon, there is a recess in the proceedings. 5 The transcript continues on the following page.... 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1569</p> <p>1 adjustments are you talking about? 2 A This would be adjustments for condition of sale, for 3 occupancy, for physical characteristics, location. 4 MR. LADOV: And so let's scroll back down do page 5 189 of the exhibit. And I just want to look at a section in 6 the engagement letter entitled, "Fee expenses and other 7 terms of engagement." 8 Q So you'll see, Mr. Larson, it says, "start date." "The 9 appraisal process will initiate upon receipt of signed agreement 10 and the receipt of the property specific data." 11 Are you able to start your appraisal process before 12 getting a signed letter of agreement like this one? 13 A No. 14 Q And two lines down, it says, "Delivery three weeks from 15 receipt of signed engagement letter." 16 Is that sort of a typical amount of time that you would 17 take to prepare a full appraisal of a commercial property like 18 this one? 19 A That's a typical timeframe, yes. 20 Q And finally at the very top, it says, "Fee \$25,000." 21 Again, you cannot provide an opinion of value without some sort 22 of engagement like this probably including a fee; is that right? 23 A That is correct. 24 Q So stepping away from this document for a moment, Mr. 25 Larson, have you ever entered into an engagement like the one</p>

<p>D. LARSON - DIRECT (MR. LADOV) Page 1570</p> <p>1 that we were just looking at with the Trump Organization or any 2 of its affiliated entities as a client? 3 A I have not. 4 Q Has the Trump Organization ever paid you for appraisal 5 services? 6 A They have not. 7 Q I know this question is going to be redundant, but has 8 the Trump Organization ever paid you for any other kind of 9 valuation services? 10 A No, they have not. 11 Q As we saw from that last report, you have appraised 12 properties owned by the Trump Organization, correct? 13 A Yes. 14 Q But all of those appraisal were done for other clients 15 and not the Trump Organization; is that right? 16 A Yes, they were done for lenders. 17 Q So now I would like to show you a document that was 18 previously entered as Plaintiff's Exhibit 1100. So let's 19 actually start by scrolling down to the middle of the screen 20 there. So you can -- actually, do you recognize this document, 21 Mr. Larson? 22 A Yes. This is an e-mail blast that I send out regarding 23 market information and also there is an -- looks like there is 24 a second e-mail from Jeff McConney. 25 Q Right. We are just going to focus on the e-mail that</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1572</p> <p>1 your clients based on recent sales data; is that right? 2 A Yeah. This is -- this is recent information that, you 3 know, we would have put together to send out, yes. 4 Q So I would like to take a couple of moments to look at 5 the second document on this list labeled 6 "officebuildingsales.dot.pdf and it begins on page 39 of the 7 document. So again, when you were talking earlier about 8 deriving cap rates from properties or dollars per square-foot 9 from properties, is this the kind of information that you used 10 in your practice? 11 A Yes. 12 Q And then in addition, this document -- you can scroll 13 down. You'll see it. 14 It includes about 20 different sales comps. You would 15 share this with your client, so they could get an understanding 16 of market conditions; is that correct? 17 A That is correct. 18 Q Just turning back to the e-mail looking back at page 19 one of the document, I think you started to say this before, but 20 at the top, you can see that this is a forward from Jeff 21 McConney to somebody else at the Trump Organization dated 22 September 6, 2018. Do you know Jeff McConney? 23 A Yes. 24 Q How do you know him? 25 A Through appraisal appraisals that we did.</p>
<p>D. LARSON - DIRECT (MR. LADOV) Page 1571</p> <p>1 you sent out for now. 2 A Okay. 3 Q You said "e-mail blast." What does that mean to you? 4 A They send out marketing information to a wide variety 5 of real estate professionals for marketing purposes. 6 Q And when you say "marketing purposes," what do you mean 7 by that? 8 A It's -- it's a way to get a company's information out 9 so -- and a way to get your name out to clients for potential 10 work. 11 Q And do you have an understanding of how large your 12 mailing list was for these e-mail blasts? 13 A It's very large. 14 Q And this e-mail was coming from your Newmark account, 15 but did you do similar e-mail blasts when you were at Cushman &amp; 16 Wakefield? 17 A Yes. 18 Q I would like to scroll up now and in the forward of 19 this e-mail, you can see some of the different attachments. Can 20 you just describe generally what those documents are? 21 A Yes. The attachments read, New York City office market 22 overview, office building sales, office market 23 overview, another office market overview, trends in the market, 24 some leasing information, so -- 25 Q So these are market reports that you're sending out to</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1573</p> <p>1 Q So he was your contact at the Trump Organization for 2 some of those appraisals; is that correct? 3 A Yes. His name would have been provided by the lender 4 as the property contact. 5 Q So I would like to turn now to look at one of the 6 properties that you did not appraise for the Trump Organization, 7 a property called Niketown. 8 MR. LADOV: Can we turn to Plaintiff's Exhibit 707 9 and turn to page 8 of 25. 10 Q If you are okay with the screen, I could kind of keep 11 going. 12 A Yeah, I can see the screen. 13 Q All right. So I just want to read the first couple of 14 sentences under Niketown. It says, "Mr. Trump is currently the 15 owner of 100 percent of the equity interests in the entities 16 that are the lessees with respect to two long-term ground 17 leasehold estates relating to the land and buildings located 18 between Fifth and Madison Avenues and principally on 57th Street 19 in New York City. On December 8, 1994, the premises were leased 20 to Nike Retail Services, Inc." 21 So based on that description, how would you 22 characterize the Niketown property? 23 A This is a retail property. 24 Q As compared to an office property? 25 A Correct.</p>

<p>D. LARSON - DIRECT (MR. LADOV) Page 1574</p> <p>1 Q I would next like to turn to Plaintiff's Exhibit 708.</p> <p>2 So Mr. Larson, this is a supporting data spreadsheet that Jeff</p> <p>3 McConney of the Trump Organization provided to an outside</p> <p>4 accounting firm named Mazars. This spreadsheet along with other</p> <p>5 documents was used to support Mr. McConney's evaluations of</p> <p>6 Trump Organization assets and then those values were included in</p> <p>7 the annual Statements of Financial Condition that we just looked</p> <p>8 at and the reason I'm showing you this is because this document</p> <p>9 shows certain conversations involving you that I would like to</p> <p>10 ask you about.</p> <p>11 MR. LADOV: So if we could scroll down to line 62.</p> <p>12 Q Again, you'll -- you can see that this is the</p> <p>13 information used to value Niketown, the property we were just</p> <p>14 talking about. And I think you can also see that this is an</p> <p>15 analysis that valued Niketown at \$287,600,000.</p> <p>16 If I direct you to lines 80 and 81, do you see that the</p> <p>17 support shows that the value of the Niketown was derived by</p> <p>18 taking an NOI, a net operating income, of \$8,456,103 and</p> <p>19 applying a cap rate of 2.940 percent. Do you see that?</p> <p>20 A Yes.</p> <p>21 Q Is that calculation what you described earlier as the</p> <p>22 direct capitalization method?</p> <p>23 A Yes. Applying a cap rate to net operating income is a</p> <p>24 direct cap approach.</p> <p>25 Q Sir, I would like to scroll down and direct you to the</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1576</p> <p>1 property like Niketown; is that right?</p> <p>2 A Yes, you would look at retail comps.</p> <p>3 Q We looked a moment ago at an e-mail blast that you sent</p> <p>4 out sales information to clients. Would some of that sales</p> <p>5 information include retail comps?</p> <p>6 A I don't know. Could you show me again?</p> <p>7 Q Well, I'm not thinking of that specific e-mail, but</p> <p>8 generally speaking, did you at -- when you were at Cushman &amp;</p> <p>9 Wakefield have retail comps that you shared with clients who</p> <p>10 were seeking that kind of information?</p> <p>11 A Yes, we have retail comps.</p> <p>12 Q So does this 2013 valuation of Niketown reflect your</p> <p>13 opinion of value for this property?</p> <p>14 A No, it does not.</p> <p>15 Q So now I would like to put these notes side by side</p> <p>16 with PX 707, the Statement of Financial Condition, and page</p> <p>17 eight. And you can see at the bottom there, it says, "The</p> <p>18 current value of \$287,600,000 reflects the net proceeds which</p> <p>19 Mr. Trump in conjunction with his associates and outside</p> <p>20 professionals expect to be derived from rental activities</p> <p>21 pursuant to the lease described above as well as the residual</p> <p>22 value of the property."</p> <p>23 So Mr. Larson, you can see that the value in the</p> <p>24 Statement of Financial Condition ties back to the number reached</p> <p>25 in the supporting data for Niketown. Do you see that?</p>
<p>D. LARSON - DIRECT (MR. LADOV) Page 1575</p> <p>1 notes at line -- at lines 92 to 97. It says there under "cap</p> <p>2 rate," "9/17/13, per telephone conversation with Doug Larson of</p> <p>3 Cushman &amp; Wakefield, cap rates for retail properties in upscale</p> <p>4 areas like Times Square and the Fifth Avenue area are usually</p> <p>5 almost 60 basis points lower than office space. To be</p> <p>6 conservative, we reduced the cap rate used on Trump Tower by 50</p> <p>7 basis points to arrive at the cap rate used by Niketown."</p> <p>8 So Mr. Larson, do you have any specific recollection of</p> <p>9 a phone call with Jeff McConney on September 17, 2013?</p> <p>10 A No.</p> <p>11 Q Did you know back in 2013 that Mr. McConney was citing</p> <p>12 you as a source for his property valuations in this document</p> <p>13 that he was sending outside the Trump Organization?</p> <p>14 A No, I wasn't aware.</p> <p>15 Q Did you advise Mr. McConney to value Niketown by</p> <p>16 reducing the cap rate used on Trump Tower by 50 basis points and</p> <p>17 then using that cap rate to reach a value?</p> <p>18 A Well, you would probably want to apply retail sales cap</p> <p>19 rates to look at rather than adjusting office cap rates which</p> <p>20 are a different property type. It doesn't make sense.</p> <p>21 Q So if it doesn't make sense to you, is it your opinion</p> <p>22 that you would not have offered this advice to Mr. McConney back</p> <p>23 in 2013?</p> <p>24 A I don't recall doing that.</p> <p>25 Q And you mentioned that you would use retail comps for a</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1577</p> <p>1 A You would have to scroll over a little bit. Yes, it</p> <p>2 does.</p> <p>3 Q So to the extent that you are the outside professional</p> <p>4 listed in the Statement of Financial Condition, do you believe</p> <p>5 it would be accurate to say that the value of about \$287 million</p> <p>6 was determined by Mr. Trump in conjunction with you?</p> <p>7 A No, it is incorrect.</p> <p>8 Q You are the only outside professional listed here, is</p> <p>9 that right, in the support notes?</p> <p>10 A Yes.</p> <p>11 Q So since the Niketown valuation support referred back</p> <p>12 to Trump Tower, I would like to take a look at the supporting</p> <p>13 notes for Trump Tower in 2013 as well and that can be found on</p> <p>14 lines 30 through 60.</p> <p>15 MR. LADOV: You can take down the statement, too.</p> <p>16 Q So if I can direct you to lines 39 and 40, this</p> <p>17 document shows that Trump Tower is being valued -- this</p> <p>18 document shows that Trump Tower is being valued by applying a</p> <p>19 3.44 percent cap rate to an NOI of a little bit over</p> <p>20 \$18 million. Do you see that?</p> <p>21 A Yes.</p> <p>22 Q And then if I direct your attention to the bottom of</p> <p>23 the screen, and we can blow this up, there is a note for</p> <p>24 June 30th of 2013. And it states, "Information provided by Doug</p> <p>25 Larson of Cushman &amp; Wakefield, Inc. which reflects cap rates of</p>

<p>D. LARSON - DIRECT (MR. LADOV) Page 1578</p> <p>1 3.22 percent, 3.54 percent and 3.56 percent for office buildings 2 at 450 Park Avenue, 650 Madison Avenue and 499 Park Avenue. We 3 used the average rate for these three properties." Do you see 4 that note as well? 5 A Yes. 6 Q So actually, now I do want to show you the support 7 document where those numbers come from. I'm going to show you a 8 document that is marked as Plaintiff's Exhibit 3184. 9 Mr. Larson, do you recognize this document? 10 A Yes, it's an e-mail. 11 Q And who is the e-mail from? 12 A From myself. 13 Q And you sent it to Jeff McConney at the Trump 14 Organization; is that right? 15 A Yes. 16 Q It is dated August 5, 2013? 17 A Yes. 18 Q There is some attachments to this e-mail. Are these 19 the same kind of market reports that we were looking at earlier? 20 A Yes, very similar. 21 MR. LADOV: Your Honor, I would move this document 22 into evidence. 23 MR. ROBERT: Objection. Statute of limitations. 24 THE COURT: Overruled. Granted. It is in 25 evidence.</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1580</p> <p>1 A Yes, correct. 2 Q Then the last number, 3.56 percent, that also ties to 3 the third cap rate used in the supporting data spreadsheet; is 4 that right? 5 A Yes. 6 Q And looking at the table, those are the three lowest 7 cap rates on the table, right? 8 A Yes. 9 Q So using them would derive the highest value using that 10 direct capitalization method you mentioned earlier, correct? 11 A Yes. 12 Q And this chart is called "Comparable Office Building 13 Sales Summary." So these are office comps, right? 14 A Yes. 15 Q So again, looking at that note, were you aware at that 16 time in 2013 that Mr. McConney was citing you and your 17 information as a valuation source in his work papers? 18 A No, I was not. 19 Q And did you ever advise him to choose these three 20 lowest cap rates from a sales comp chart in order to value Trump 21 Tower? 22 A No. I would look at -- you have -- in order to 23 select comps, you would want to look at more than three comps 24 and you'd have to know like the details behind those sales. So 25 you'd really want to analyze and analyze a bigger set. That</p>
<p>D. LARSON - DIRECT (MR. LADOV) Page 1579</p> <p>1 (Whereupon, the Document was marked in evidence as 2 Plaintiff's Exhibit 3184.) 3 Q I would like to open the first attachment to this 4 e-mail. It is in the record as PX 3184 native 01. I would 5 actually like to put that chart side by side with the notes from 6 the 2013 spreadsheet for the valuation of Trump Tower. 7 MR. LADOV: Can we put up Trump Tower PX 708, lines 8 30. Actually, if you can scroll down again, we are going to 9 look at the note on lines 58 through 60. 10 Q So Mr. Larson, I just want to -- I just want to tie 11 these numbers from the supporting data spreadsheet to this sales 12 summary. Again, there is a note at the bottom of the sales 13 summary. It says, "It is compiled by Cushman &amp; Wakefield 14 valuation and advisory"? This is a market report that you send 15 out in your e-mail blasts to clients? 16 A Yes. 17 Q In this case, you sent it directly to Jeff McConney in 18 response to his request for information? 19 A Yes. 20 Q And so if we look, you can see the 3.22 percent cap 21 rate for 450 Park Avenue. That's the first number listed in the 22 supporting data spreadsheet, correct? 23 A Yes, I see that. 24 Q And then 3.54 percent for 650 Madison Avenue, that 25 lines up as well?</p>	<p>D. LARSON - DIRECT (MR. LADOV) Page 1581</p> <p>1 would be our practice. 2 Q And when you say "analyze," are you referring to the 3 kinds of adjustments that you talked about earlier? 4 A Yes. 5 Q And so now I would like to turn back to document 6 Exhibit 707, the Statement of Financial Condition, on page five. 7 Sorry. I believe it is page seven actually, for Trump Tower. 8 And you can see in the middle of the page, it says, "The 9 estimated current value of \$526,800,000 is based on a evaluation 10 by Mr. Trump in conjunction with his associates and outside 11 professionals applying a capitalization rate to the cash flow to 12 be derived from the building operations." 13 Again, Mr. Larson, to the extent that you are the 14 outside professional mentioned in this statement, do you believe 15 that that representation is accurate? 16 A Just repeat that again. Thank you. 17 Q So my question is to the extent that you are the 18 outside professional listed here, is it accurate to say that Mr. 19 Trump valued this property, Trump Tower, at \$526 million in 20 conjunction with you? 21 A No, that's incorrect. 22 Q So I would like to turn back to the supporting data 23 spreadsheet and I'd like to go back to Niketown which we were 24 talking about a couple of minutes ago. I am going to walk us 25 through some of the subsequent years. So can we look at 742</p>

<p>D. LARSON - DIRECT (MR. LADOV) Page 1582</p> <p>1 native one. Let's go down to line 72.</p> <p>2 So again, you can see that this is Niketown which we</p> <p>3 were talking about a couple of minutes ago. I just want to</p> <p>4 direct you to lines 103 to 105. Again, you can see there, there</p> <p>5 is a similar calculation. This time, the NOI is a little bit</p> <p>6 over \$9.6 million. The cap rate is 2.48 percent. Do you see</p> <p>7 that?</p> <p>8 A Yes.</p> <p>9 Q And that's used to reach a value of \$389,600,000. Is</p> <p>10 that -- do you see that?</p> <p>11 A Yes, I do.</p> <p>12 MR. LADOV: Let's go look at the cap rate note for</p> <p>13 2016 here. And actually, can we put this note side by side</p> <p>14 with PX 708 native one, lines 92 to 97. So that would be</p> <p>15 the 2016 note and the 2013 note. Great.</p> <p>16 Q So Mr. Larson, if you can take a moment to look at</p> <p>17 these two notes. On the left, we have 2013. On the right, we</p> <p>18 have 2016. But these two notes are describing an identical</p> <p>19 valuation method. Do you see that?</p> <p>20 A Yes, I do.</p> <p>21 Q And the only difference is that on the left-hand side,</p> <p>22 we have in the 2013 notes a reference to a September 17, 2013</p> <p>23 phone call with you. And on the right-hand side, we have a</p> <p>24 reference to an identical September 17, 2016 phone call with</p> <p>25 you. Do you see that?</p>	<p>Page 1584</p> <p>1 Q And then the note for 2017 also refers to this 2013</p> <p>2 phone call. Do you see that?</p> <p>3 A Repeat that. Show me.</p> <p>4 Q So if you look here at 2017, can you see that both of</p> <p>5 these notes are referring to a September 17, 2013 phone call</p> <p>6 with you in order to derive the method used to value Niketown?</p> <p>7 A Yes, I see that.</p> <p>8 (Continued on the next page.)</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>D. LARSON - DIRECT (MR. LADOV) Page 1583</p> <p>1 A Yes.</p> <p>2 Q So, Mr. Larson, do you recall a September 17, 2016</p> <p>3 conversation with Jeff McConney about adjusting office comps to</p> <p>4 find a cap rate to value Niketown?</p> <p>5 A I don't recall that.</p> <p>6 Q Well, you already testified that you would not have</p> <p>7 given Mr. McConney this advice in 2013; is that correct?</p> <p>8 A Yes.</p> <p>9 Q So did you give him this advice in 2016?</p> <p>10 A That would have been unlikely because you have retail</p> <p>11 comps, you know, and it's -- it's not how we would value in our</p> <p>12 practice.</p> <p>13 THE COURT: I'll ask the witness again to speak in</p> <p>14 the microphone. It's a skill. You have to look to your</p> <p>15 left, but talk straight.</p> <p>16 Q So I would like to now jump ahead to 2017 and this is</p> <p>17 PX 758. We can put that side by side. If we could leave up PX</p> <p>18 742. Again, I just want to focus on the cap rate notes. So it</p> <p>19 would be line 124 in the 2017 spreadsheet. So on the right-hand</p> <p>20 side is the document we just looked at. On the left-hand side</p> <p>21 is the 2017 supporting data spreadsheet.</p> <p>22 Do you see that the note in 2017, referring back to the</p> <p>23 2016 analysis, has now changed, the date of the phone call with</p> <p>24 you from September 17, 2016 back to September 17, 2013?</p> <p>25 A Yes, I see that.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1585</p> <p>1 Q And, again, were you aware in 2017 that Mr. McConney</p> <p>2 was reporting in his work papers to outside parties that he was</p> <p>3 valuing Niketown based on a 2014 conversation with you?</p> <p>4 A No, I was not.</p> <p>5 Q As an appraiser, would you use a --</p> <p>6 A Also, I was at Newmark in June 2017.</p> <p>7 Q So you were no longer at Cushman &amp; Wakefield in 2017</p> <p>8 when that note was written?</p> <p>9 A Yes.</p> <p>10 Q And I was starting to ask as a professional appraiser,</p> <p>11 would you use information that you would receive in 2013 in</p> <p>12 order to value an office building in Manhattan four years later</p> <p>13 in 2017?</p> <p>14 A There would have been most likely more current sales to</p> <p>15 look at.</p> <p>16 THE COURT: You can answer that yes or no.</p> <p>17 THE WITNESS: Yes. Could you repeat the question?</p> <p>18 THE COURT: I think you better repeat the question.</p> <p>19 MR. LADOV: Can we get a read back on the question,</p> <p>20 Your Honor?</p> <p>21 THE COURT: Read back, please.</p> <p>22 (Whereupon, the requested portion of the</p> <p>23 proceedings was read back by the court reporter.)</p> <p>24 A The answer is no.</p> <p>25 Q And actually, just to correct my question, I said</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1586</p> <p>1 office building, but Niketown wasn't an office building, was it?</p> <p>2 A No. It's a retail property.</p> <p>3 Q Thank you.</p> <p>4 And so I'd like to go to one more valuation from</p> <p>5 Niketown and this time from 2018. And I'm going to show you a</p> <p>6 document in evidence as Plaintiff's Exhibit 774.</p> <p>7 MR. LADOV: And we can scroll down to line 91 --</p> <p>8 sorry. 774 native one? If we can scroll down to the notes</p> <p>9 about the cap rate for Niketown in 2018?</p> <p>10 Q So, again, if you can pull that up and read it for a</p> <p>11 moment. Mr. Larson, would you agree that the valuation</p> <p>12 methodology described in both of those notes for 2017 and 2018</p> <p>13 is the same?</p> <p>14 A It's very close.</p> <p>15 Q And the only real difference that -- I guess there is</p> <p>16 two differences. One says that cap rates are usually 50 to 60</p> <p>17 basis points and the other usually says they're almost 60 basis</p> <p>18 points. Is that what you're thinking about when you say they're</p> <p>19 close?</p> <p>20 A Yes, that's correct.</p> <p>21 Q And then in addition, the note for 2017 relies on the</p> <p>22 2013 telephone conversation. We've talked about the note for</p> <p>23 2018 is now relying on a September 14, 2018 conversation with</p> <p>24 Doug Larson correctly identified as Doug Larson of Newmark.</p> <p>25 Mr. Larson, do you recall having a conversation on</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1588</p> <p>1 Q And the date on this appraisal is as of November 1,</p> <p>2 2012; is that correct?</p> <p>3 A Yes.</p> <p>4 Q And if you flip to page six, is that your signature,</p> <p>5 Mr. Larson?</p> <p>6 A Yes.</p> <p>7 Q And does this appraisal report accurately describe the</p> <p>8 information that you and your colleagues use to value 1290</p> <p>9 Avenue of the Americas?</p> <p>10 A Yes, it does.</p> <p>11 Q And does this report accurately state your opinion of</p> <p>12 the value of 1290 Avenue of the Americas as of November 1, 2012?</p> <p>13 A Yes, it does.</p> <p>14 MR. LADOV: Your Honor, I would move this into</p> <p>15 evidence.</p> <p>16 MR. ROBERT: Objection. Statute of limitations.</p> <p>17 THE COURT: Overruled. It's in evidence.</p> <p>18 Q So if we can flip to page four of the document, can you</p> <p>19 tell us what your opinion of the market value of 1290 Avenue of</p> <p>20 the Americas on November 1, 2012 was?</p> <p>21 MR. LADOV: I think we need to scroll down a little</p> <p>22 bit more.</p> <p>23 A It was \$2 billion.</p> <p>24 MR. LADOV: And then can we turn to page 11?</p> <p>25 Q I want to show you some information from the summary.</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1587</p> <p>1 September 14, 2018 where you advised anyone at the Trump</p> <p>2 Organization to value Niketown in this manner?</p> <p>3 A I don't recall that, no.</p> <p>4 Q And, again, were you aware in 2018 that the Trump</p> <p>5 Organization was stating that they were relying on you as a</p> <p>6 valuation professional in order to reach these values?</p> <p>7 A I was not aware.</p> <p>8 Q And once you saw this did you have any reaction to</p> <p>9 finding that your name was being used in these documents?</p> <p>10 A It's inappropriate and inaccurate.</p> <p>11 Q And why do you say that?</p> <p>12 A Because it should have been -- I should have been told</p> <p>13 and, you know, an appraisal should have been ordered.</p> <p>14 Q And you can't provide the kind of information to value</p> <p>15 a specific asset without ordering an appraisal and that kind of</p> <p>16 a formal engagement; correct?</p> <p>17 A Yes, you need a formal engagement.</p> <p>18 Q So I want to move on to another property. We're going</p> <p>19 to look at a property called -- sorry. Excuse me. 1290 Avenue</p> <p>20 of the Americas and I'd like to show you a document marked as</p> <p>21 Plaintiff's Exhibit 1824 for identification.</p> <p>22 A Okay.</p> <p>23 Q Mr. Larson, are you familiar with this document?</p> <p>24 A Yes, it's an appraisal of 1290 Sixth Avenue prepared</p> <p>25 for Deutsche Bank.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1589</p> <p>1 Again, there is some information here?</p> <p>2 MR. LADOV: It says -- actually, scroll -- yes.</p> <p>3 Down a tiny bit more, please. Thank you. Perfect.</p> <p>4 Q So it says "direct capitalization" and we were talking</p> <p>5 about that before. So what's the cap rate that you used for</p> <p>6 direct capitalization analysis here?</p> <p>7 A The overall capitalization rate is 4.5 percent.</p> <p>8 Q And one other thing I want to point you to in this</p> <p>9 appraisal, it's on page 27. And so I want to direct you to the</p> <p>10 sentence about midway down. It says, "The Trump Organization</p> <p>11 owns the remaining 30 percent minority interest in the property</p> <p>12 and the property being 1290 Avenue of the Americas" and explains</p> <p>13 that the rest of the interest is owned by Vornado Realty Trust.</p> <p>14 Do you see that?</p> <p>15 A Yes, I do.</p> <p>16 Q So your appraisal of 1290 was of the value for the</p> <p>17 property as a whole; is that correct?</p> <p>18 A Yes.</p> <p>19 Q Do you value minority interests in your practice as an</p> <p>20 appraiser?</p> <p>21 A No. We have specialists who do that in the appraisal</p> <p>22 group.</p> <p>23 Q Why do you need a specialist?</p> <p>24 A Because there is a lot of variables to consider.</p> <p>25 Q So it would be -- well -- strike that.</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1590</p> <p>1 And does Cushman employ other appraisers besides 2 yourself who specialize in valuing minority interests? 3 A Yes, I do. 4 Q And do you have any understanding of what they do to 5 adjust the value based on those kinds of factors? 6 A I have very little understanding of that. 7 Q Then I won't ask you anymore further questions about 8 it. 9 So I want to turn back to the Supporting Data 10 spreadsheet. This is going to be Exhibit 708 native at 11 line 669. And, again, so this is an analysis of Vornado 12 Partnership Interest with Mr. Trump. It actually includes two 13 properties, 1290 Sixth Avenue, which we were just looking at and 14 555 California Street. 15 So can I direct you to line 678 and 679? And do you 16 see there for 1290 Sixth Avenue there is an NOI listed of 17 \$93,271,000 in 2013 and then there is a value of slightly more 18 than \$2.9 million and it says, quote, "value based on a cap 19 rate. See notes below." 20 A Yes, I do see that. 21 Q So if we scroll down further in the page to line 704, 22 we can see the cap rate note for 2013. And here it says: 23 "1290 based on information provided by Doug Larson of 24 Cushman &amp; Wakefield, which reflects a cap rate of 3.12 percent 25 for a comparable office building on Fifth Avenue between 51st</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1592</p> <p>1 than that generality. 2 Q Do you recall a moment at which you first saw that 3 Mr. Farwell's name was identified in this document? 4 A Repeat that again. 5 Q Do you recall at some point in time first seeing this 6 document and first seeing Robert Farwell's name in it? 7 A When I've seen this? It was shown to me yesterday. 8 Q And what reaction did you have to seeing Mr. Farwell's 9 name in this document? 10 MR. KISE: Objection. Again, reaction. 11 MR. LADOV: Your Honor, we can move forward. 12 That's fine. I withdraw the question. 13 THE COURT: All right. You didn't even want to 14 hear what I had to say? 15 MR. LADOV: I apologize. If we were going to win, 16 you should hold off. 17 THE COURT: I don't think in terms of winners and 18 losers, but if it could be a little more specific. I don't 19 want to stop you from -- 20 MR. LADOV: Your Honor, it's fine. We can move 21 forward. 22 THE COURT: Okay. Then withdrawn, okay. 23 MR. LADOV: Question withdrawn. 24 Q So I do want to turn back to Plaintiff's Exhibit 707, 25 and this is the Statement of Financial Condition. And I want to</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1591</p> <p>1 and 52nd Streets?" Is 3.12 percent the cap rate that you used 2 to value this same property just a few months earlier? 3 A No. No, it's not. 4 Q Did you advise Jeff McConney or anyone else at the 5 Trump Organization to value this property in June -- as of 6 June 2013 using a cap rate of 3.12 percent? 7 A No, I did not. 8 Q And is this valuation consistent with your opinion of 9 value from the 2012 appraisal of the same property? 10 A It is not. 11 MR. LADOV: And actually, I just want to scroll 12 up a little bit in the notes. 13 Q So that first note reads for 555 California. That's a 14 property we weren't talking about, but it says "555 based on 15 e-mail from Robert Farwell of Cushman &amp; Wakefield in San 16 Francisco, which also states a similar office building selling 17 for \$750 per square foot which equals \$1,125,000,000 for 555." 18 Mr. Larson, do you know Robert Farwell? 19 A Yes. 20 Q And who he is? 21 A He's an appraiser in San Francisco. 22 Q And similarly, did you have any response to seeing his 23 name listed in this document? 24 MR. KISE: Objection. Response same. 25 THE COURT: I'll ask for something more specific</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1593</p> <p>1 turn to the bottom of page 19 and the top of page 20. 2 And, again, it says Mr. Trump owns 30 percent of these 3 properties. And then scrolling down it says for 1290 Avenue of 4 the Americas and 555 California Street, quote, "The estimated 5 current value net of debt of \$745,800,000 is based on an 6 evaluation made by Mr. Trump in conjunction with his associates 7 and outside professionals. This valuation was arrived at by 8 applying a capitalization rate to the net operating income and 9 taking into consideration any debt and return of capital." 10 Mr. Larson, you already testified that you do not value 11 minority property interests; is that correct? 12 A I do not. 13 Q And again, to the extent that you are one of the 14 outside professionals listed here, do you think it was accurate 15 for this document to state that the estimated current value of 16 Mr. Trump's minority interests in 1290 Avenue of the Americas 17 was based on an evaluation made by Mr. Trump in conjunction with 18 you? 19 MR. KISE: Objection, Your Honor. Mischaracterizes 20 the evidence and this witness has no foundation to testify 21 about this statement in the SOFC. It doesn't mention his 22 name, it doesn't mention anything to do with Cushman &amp; 23 Wakefield. We don't know if that -- he's the outside 24 professional or if it's any outside professional. 25 MR. WALLACE: I'm going to renew my objections to</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1594</p> <p>1 speaking objections, which are seemingly instructing -- to 2 Mr. Kise's view of the evidence. If he has an objection to 3 foundation, he should say "objection, foundation." 4 MR. KISE: I'm just explaining that it's a bench 5 trial. I'm just explaining it, Judge. 6 MR. WALLACE: I'm not worried about the judge. I'm 7 worried about the witness. 8 MR. KISE: I'm not worried about either one. 9 THE COURT: I appreciate the bode of confidence. 10 Well, the easiest way to rule on this is we haven't 11 established he's the outside professional being referred to, 12 so I'll sustain it on that and we'll rule on the other 13 objections. 14 Q So let me ask you a different question, Mr. Larson: 15 Looking at the 2013 analysis of 1290 Avenue of the 16 Americas, did Mr. McConney or anyone else at the Trump 17 Organization determine the appropriate cap rate to use to value 18 that property in conjunction with you? 19 MR. FIELDS: Objection. Speculation. He doesn't 20 know what Mr. McConney did or didn't do. 21 MR. LADOV: I'm asking whether he did work in 22 conjunction with Mr. McConney. 23 THE COURT: Overruled. If the witness knows the 24 answer to the question. 25 MR. KISE: That wasn't a question, though, Your</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1596</p> <p>1 Mr. Larson, do you recognize this document? 2 A Yes. This is an appraisal of 40 Wall Street as of 3 October 1, 2010. 4 Q And I think you said October 1st, but is it correct 5 that -- 6 A August 1st. I misread. 7 Q And if we turn to page five of this document. Is that 8 your signature, Mr. Larson? 9 A Yes. 10 Q Does this appraisal report accurately describe the 11 information that you and your colleagues received to value 40 12 Wall Street in 2010? 13 A Yes. 14 Q And does this report accurately state your opinion of 15 the value of 40 Wall Street as of August 1, 2010? 16 A Yes. 17 MR. LADOV: So, Your Honor, I'd move this document 18 into evidence. 19 MR. ROBERT: Objection, Your Honor, in addition to 20 -- this is an appraisal from 14 years ago. This is outside 21 even the Attorney General's own scope of what is potentially 22 at issue in this case. Our view is this is 2016 to date. 23 Their view is it goes back to 2014 or even earlier, but 24 there is no dispute as far as I'm aware of anything going 25 back to 2010. So on top of everything else, it's</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1595</p> <p>1 Honor. The question was did he do something. It wasn't did 2 he work with Mr. Larson. I can read it right there. 3 THE COURT: Well -- 4 MR. KISE: The question was did Mr. McConney do X, 5 not did Mr. McConney work with Mr. Larson to do X. Big 6 difference. 7 MR. LADOV: I think it's for the witness to 8 determine whether he understands the question or not. 9 And again, I don't think Mr. Kise should be having 10 these speaking objections in front of the witness. 11 THE COURT: Let's either -- I rather you just 12 rephrase the question. So without prejudice, I'll ask the 13 witness to -- the attorney to rephrase the question. 14 Q So let me withdraw that question, Mr. Larson. 15 Did you work with Mr. McConney in 2013 to determine the 16 cap rate that he used to value this property? 17 A No, I did not. 18 THE COURT: All right. Remember to keep your voice 19 up. The answer was no, I did not? 20 THE WITNESS: Correct, I did not. 21 Q So let's move forward. I have a couple of documents to 22 show you for the purpose of putting them into evidence. 23 So the first one I want to show you is a document 24 marked for identification as Plaintiff's Exhibit 238. And if 25 you could scroll down to page two of this document.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1597</p> <p>1 irrelevant. 2 MR. LADOV: So, Your Honor, I would just say you 3 have repeatedly explained that there is no statute of 4 limitations bar on evidence. We will tie this evidence to 5 the relevant claims in this case within the statute of 6 limitations, but there is absolutely no basis for barring 7 this admission. 8 MR. ROBERT: Your Honor, I'm appalled to hear that 9 there is no limitation on irrelevant evidence from 14 years 10 ago on an appraisal when that is not part of their 300 11 paragraph complaint. So, again, I would renew my objection 12 on relevance and statute of limitations. 13 MR. WALLACE: Your Honor, I'm apologizing for 14 speaking over my colleague, but I will say we have already 15 established that the 2011 Statements of Financial Condition 16 are considered by Deutsche Bank throughout the entire period 17 that the Deutsche Bank loans were open -- information from 18 2010 was in the files of the Trump Organization. This 19 information was available to the Trump Organization at the 20 time they were making representations. 21 They are free to argue that the evidence should not 22 be granted much weight, that it doesn't matter, but the idea 23 that it's not relevant is simply not accurate and the fact 24 that this appraisal was prepared at the time and was in the 25 files of the Trump Organization is part of the record and is</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1598</p> <p>1 an appropriate part of the record.</p> <p>2 MR. ROBERT: Your Honor, Deutsche Bank was clear</p> <p>3 that they did not rely on the Statements of Financial</p> <p>4 Condition and the values contained therein. Deutsche Bank's</p> <p>5 testimony was clear that they relied on the Deutsche Bank</p> <p>6 values that came from Deutsche Bank Valuation Services</p> <p>7 Group. This is not from the Statement of Financial</p> <p>8 Condition.</p> <p>9 MR. WALLACE: This is a closing argument, not a</p> <p>10 factual objection.</p> <p>11 MR. ROBERT: You're making a whole speech here. I</p> <p>12 started out with a simple objection then you added</p> <p>13 something, Mr. Wallace. I'm just putting context to why we</p> <p>14 think this is relevant and improper.</p> <p>15 MR. WALLACE: I think the record will show how</p> <p>16 simple the objection is.</p> <p>17 MR. ROBERT: I'll let the record speak for itself.</p> <p>18 THE COURT: In terms of relevancy, subject to</p> <p>19 connection. If it was irrelevant, it's irrelevant.</p> <p>20 Also, I don't think the trier of fact has to agree</p> <p>21 that Deutsche Bank didn't rely on it, so overruled.</p> <p>22 Ask again, read back?</p> <p>23 MR. LADOV: I -- well, I think we moved it into</p> <p>24 evidence, Your Honor, by overruling the objection.</p> <p>25 THE COURT: I'm sorry. It's in evidence.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1600</p> <p>1 evidence for all purposes.</p> <p>2 THE COURT: Granted. It's in evidence for all</p> <p>3 purposes.</p> <p>4 (Whereupon, the item previously referred to is</p> <p>5 received and marked Plaintiff's Exhibit Number 1573 in</p> <p>6 evidence.)</p> <p>7 Q And I can take this document down and show you one more</p> <p>8 appraisal. It's -- I'm going to show you a document marked as</p> <p>9 Plaintiff's Exhibit 121, and can we turn to page two of this</p> <p>10 document.</p> <p>11 Mr. Larson, do you recognize this document?</p> <p>12 A Yes.</p> <p>13 Q And what is it?</p> <p>14 A This is an appraisal of 40 Wall Street prepared for</p> <p>15 Capital One Bank as of November 1, 2012.</p> <p>16 Q And if we turn to page six, can you tell me if that's</p> <p>17 your signature?</p> <p>18 A Yes, it is.</p> <p>19 Q And does this appraisal report accurately describe the</p> <p>20 information you and your colleagues use to value 40 Wall Street</p> <p>21 in 2012?</p> <p>22 A Yes, it does.</p> <p>23 Q And does this report accurately state your opinion of</p> <p>24 the value of 40 Wall Street as of November 1, 2012?</p> <p>25 A Yes, it does.</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1599</p> <p>1 Just for the benefit of everybody, statute of</p> <p>2 limitations bars claims not in evidence. Of course, you can</p> <p>3 argue that the evidence is irrelevant, but that's not been</p> <p>4 established, okay?</p> <p>5 Q So Mr. Larson, I'm actually going to take this document</p> <p>6 down and show you a document. It was actually introduced</p> <p>7 earlier this morning for identification as Plaintiff's</p> <p>8 Exhibit 1573, so I believe that defendants should have a copy of</p> <p>9 it from this morning.</p> <p>10 THE COURT: It will be on the screen anyway.</p> <p>11 Q So Mr. Larson, do you recognize this document?</p> <p>12 A Yes. It is an appraisal of 40 Wall Street prepared for</p> <p>13 Capital One bank as of November 1, 2011.</p> <p>14 Q And if we scroll to page five, Mr. Larson, is that your</p> <p>15 signature?</p> <p>16 A Yes, it is.</p> <p>17 Q And does this appraisal report accurately describe the</p> <p>18 information that you and your colleagues received to value 40</p> <p>19 Wall Street in 2011?</p> <p>20 A Yes.</p> <p>21 Q And does this report accurately state your opinion of</p> <p>22 the value of 40 Wall Street as of August 1, 2011?</p> <p>23 A Yes.</p> <p>24 MR. LADOV: So, Your Honor, I believe that this was</p> <p>25 introduced earlier, but I would at this point move it into</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1601</p> <p>1 MR. LADOV: Your Honor, I would move this document</p> <p>2 into evidence.</p> <p>3 MR. FIELDS: Statute of limitations.</p> <p>4 THE COURT: Overruled. It's in evidence.</p> <p>5 (Whereupon, the item previously referred to is</p> <p>6 received and marked Plaintiff's Exhibit Number 121 in</p> <p>7 evidence.)</p> <p>8 Q So we can take this down and we'll take a couple more</p> <p>9 minutes, Mr. Larson, with one more document that was already</p> <p>10 introduced as Plaintiff's Exhibit 118. And we had looked at</p> <p>11 this earlier. It's the 2015 appraisal of 40 Wall Street.</p> <p>12 MR. LADOV: And can we turn to page 136 of this</p> <p>13 appraisal report? And actually, if you can scroll down a</p> <p>14 little bit just to the bottom of 136 and the top of</p> <p>15 page 137.</p> <p>16 Q Yes, so it says here "market rental rate retail space"</p> <p>17 and the first sentence reads, quote, "The subject property is</p> <p>18 leased to four retail tenants that include Dean &amp; DeLuca and</p> <p>19 Neapolitan Express along the Wall Street side of the building.</p> <p>20 Neapolitan Express leases 550 square feet on the grade while</p> <p>21 Dean &amp; DeLuca leases 18,500 square feet on the grade."</p> <p>22 And then if you go down a little bit down here you can</p> <p>23 see mention of the Dean &amp; DeLuca lease with a contract rent of</p> <p>24 \$1.4 million. Do you see all of that?</p> <p>25 A Yes, I do.</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1602</p> <p>1 Q And this is part of a section of your appraisal report 2 entitled, "Income Capitalization Approach." And you talked 3 about that earlier; correct? 4 A Yes. 5 Q So do you know whether this \$1.4 million lease with 6 Dean &amp; DeLuca was included in your valuation of the property's 7 income in this 2015 appraisal? 8 A Yes, it would have been. 9 Q And if we can turn to page 15 and look at the bottom of 10 the page -- and this is the direct capitalization analysis. 11 So, again, just to confirm that net operating income 12 number that includes the income from the Dean &amp; DeLuca lease; is 13 that right? 14 A That is correct. 15 Q And then you applied a 4.25 percent capitalization rate 16 to that net operating income; is that right? 17 A Yes. 18 Q And you did a couple of adjustments, but the final 19 value of \$540 million that was consistent with your opinion of 20 the value of 40 Wall Street at that time; is that right? 21 A Yes, that's correct. 22 Q So next I'd like to show you a document that has been 23 admitted as Exhibit 3004 native 01 and it's a spreadsheet 24 similar to the ones that we were looking at. 25 I would like to scroll down to lines 117 through 136.</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1604</p> <p>1 A No, it's not. 2 THE COURT: Five-minute warning. 3 MR. LADOV: I think that's fine, Your Honor. I 4 think I actually have one more document to show the witness. 5 Can we turn to Plaintiff's Exhibit 731 native? 6 Q And this is another version of the Statement of 7 Financial Condition Supporting Data for 2015. And looking at -- 8 actually, sorry. 9 MR. LADOV: Can we scroll down to line 117? 10 Q And so this is another analysis of the value of 40 Wall 11 Street in 2015. And do you see here that the value reached in 12 this document is now \$735 million? 13 A Yes, 735,400,000? 14 Q Correct. 15 A Yes. 16 Q And then, again, looking at this document, do you see 17 any mention up here of the appraisal that you performed? 18 A No, I do not. 19 Q And this valuation is reached by applying a 3.29 cap 20 rate to an NOI of \$24,194,280. Do you see that? 21 A Yes. 22 Q And again, 3.29 percent, is that the cap rate that you 23 used in your appraisal in 2015? 24 A It is not. 25 Q And looking at the note there at the bottom and it says</p>
<p>D. Larson - Plaintiff - direct (Ladov) Page 1603</p> <p>1 And I can show you here there is a reference here in the 2015 2 line to a \$540 million Cushman &amp; Wakefield appraisal done 3 June 2015 for loan refinancing of Ladder. That's the appraisal 4 we've been looking at; is that right? 5 A Yes. 6 Q And then you can also see in addition to that 7 \$540 million there is additional value listed of \$120,348. 8 Do you see that? 9 A Yes, I do. 10 Q And part of that additional value is derived by taking 11 the vacant retail space lease with Dean &amp; DeLuca of \$1.4 million 12 and applying a 3.04 percent cap rate to it. Do you see that? 13 A Yes. 14 Q So you already included the Dean &amp; DeLuca lease in your 15 \$540 million valuation; correct? 16 A That is correct. 17 Q So is this \$660 million valuation, is that double 18 counting the Dean &amp; DeLuca lease? 19 A I'm not sure, you know, what they did. I know my -- in 20 the -- in my June 2015 appraisal Dean &amp; DeLuca was included in 21 the valuation. 22 Q So that's fine. And then I guess the other question I 23 would ask they applied -- whoever did this analysis applied a 24 cap rate of 3.04 percent. Is that the same cap rate that you 25 used to determine the value of 40 Wall Street in 2015?</p>	<p>D. Larson - Plaintiff - direct (Ladov) Page 1605</p> <p>1 for June 30, 2015, quote, "Based on information provided by 2 Douglas Larson of Cushman &amp; Wakefield on 11/23/2015, which 3 reflects a 3.04 percent for 100 Wall Street," and then it says 4 "based on a telephone conversation with Doug Larson on 2/1/2016 5 since the ground lease still has about 190 years left, the 6 effect on the cap rate is minimal to be conservative. We 7 increased the cap rate from .25 percent to 3.29 percent." 8 So, again, Mr. Larson, did you work with Mr. McConney 9 or anyone else at the Trump Organization to value 40 Wall Street 10 in this manner for the 2015 Statement of Financial Condition? 11 A No, I did not. 12 Q And the cap rate that's described here is not the cap 13 rate that you used in your appraisal in 2015; is that correct? 14 A Just repeat that again. 15 Q Sure. The cap rate here of 3.29 percent, that's a 16 different cap rate than the 4.25 percent cap rate that you used 17 in your appraisal; is that right? 18 A Yes, that is correct. 19 Q And then finally, I'd like to turn to the Statement of 20 Financial Condition of Mr. Trump as of June 30, 2015. This is 21 Document 729. And I'd like to turn to the top of page nine. 22 And Mr. Larson, you can see it says, quote, "The 23 estimated current value of \$735,400,000" -- 24 MR. KISE: Your Honor, this is going to be the same 25 objection.</p>

<p>D. Larson - Plaintiff - direct (Ladov) Page 1606</p> <p>1 MR. LADOV: I haven't even finished --</p> <p>2 MR. KISE: I know, but I can read it. Let's just</p> <p>3 save ourselves the time.</p> <p>4 THE COURT: No, let him read it and we can discuss.</p> <p>5 We have two minutes.</p> <p>6 So you want to re-read the whole thing?</p> <p>7 MR. LADOV: I'll start again, Your Honor.</p> <p>8 Q So the text at the top of this page says, quote, "The</p> <p>9 estimated current value of \$735,400,000 is based upon an</p> <p>10 evaluation made by Mr. Trump in conjunction with his associates</p> <p>11 and outside professionals of leases that have been signed or are</p> <p>12 currently the subject of negotiation and a capitalization rate</p> <p>13 applied to the resulting cash flow to be derived from the</p> <p>14 building's operations."</p> <p>15 So Mr. Larson, is this estimated current value of</p> <p>16 735,400,000 consistent with your opinion of value for 40 Wall</p> <p>17 Street in June 2015?</p> <p>18 A No, it is not.</p> <p>19 Q And did you work with Mr. McConney or anyone else at</p> <p>20 the Trump Organization to determine the capitalization rate used</p> <p>21 to generate this valuation of \$735 million?</p> <p>22 A No, I did not.</p> <p>23 MR. LADOV: I have no further questions, Your</p> <p>24 Honor.</p> <p>25 THE COURT: Finished with this witness?</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1608</p> <p>1 AFTERNOON SESSION</p> <p>2 * * * * *</p> <p>3 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>4 session. The Honorable Judge Arthur Engoron presiding.</p> <p>5 Please be seated and come to order.</p> <p>6 THE COURT: Welcome back, everybody, some of you.</p> <p>7 I understand we have some cross-examination by counsel.</p> <p>8 MR. FIELDS: Yes, Your Honor. May it please the</p> <p>9 Court, Mr. Lazaro Fields for President Trump on the defense.</p> <p>10 THE COURT OFFICER: Witness entering.</p> <p>11 (Witness resumes the stand.)</p> <p>12 THE COURT: Okay. Welcome back. Let's begin with</p> <p>13 the cross-examination of Mr. Larson.</p> <p>14 MR. FIELDS: Thank you, your Honor.</p> <p>15 CROSS-EXAMINATION</p> <p>16 BY MR. FIELDS:</p> <p>17 Q Good afternoon, Mr. Larson.</p> <p>18 A Hello.</p> <p>19 Q My name is Lazaro Fields. I'm going to ask you a</p> <p>20 couple of questions, okay?</p> <p>21 A Okay.</p> <p>22 Q Mr. Larson, on direct examination, you were asked by</p> <p>23 counsel about valuations and appraisals. Do you recall those</p> <p>24 lines of questions?</p> <p>25 A Yes.</p>
<p>Page 1607</p> <p>1 MR. LADOV: Yes.</p> <p>2 THE COURT: Any cross examination of this witness</p> <p>3 at this time?</p> <p>4 MR. FIELDS: Yes, Your Honor.</p> <p>5 THE COURT: So after lunch break.</p> <p>6 Okay. We'll be back at 2:15 everyone. Have a good</p> <p>7 lunch.</p> <p>8 (Whereupon, there is a luncheon recess in the</p> <p>9 proceedings.)</p> <p>10 Transcript continues on the following page....</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1609</p> <p>1 Q And you understand that there is a difference between a</p> <p>2 valuation and appraisal; is that correct?</p> <p>3 A They are the same thing.</p> <p>4 Q A valuation and an appraisal is the same thing; is that</p> <p>5 your testimony?</p> <p>6 A But the words can be used interchangeably.</p> <p>7 Q Isn't it true, Mr. Larson, that a real estate developer</p> <p>8 can value their properties, correct?</p> <p>9 A Yes.</p> <p>10 Q That doesn't mean that a real estate developer is</p> <p>11 conducting an appraisal of their property, correct?</p> <p>12 A Yes, that would be correct.</p> <p>13 Q Because a real estate developer, unless they are a</p> <p>14 certified appraiser, cannot conduct an appraisal; is that</p> <p>15 correct?</p> <p>16 A Yes, that would be -- that would make sense.</p> <p>17 Q So now would you agree with me, Mr. Larson, that</p> <p>18 appraisals and valuations are different?</p> <p>19 A An appraisal is a very detailed, organized appraisal,</p> <p>20 yes. It's an -- sometimes the terms are used loosely together.</p> <p>21 Q But an appraisal -- strike that. Withdrawn.</p> <p>22 A valuation is not necessarily an appraisal, correct?</p> <p>23 A Like I said, the terms are used interchangeably</p> <p>24 together, but an appraisal is a term that's used by appraisers</p> <p>25 in compliance with USPAP.</p>

<p>D. LARSON - CROSS(MR. FIELDS) Page 1610</p> <p>1 Q An appraisal is a term of art; is that correct?</p> <p>2 A Appraisal is an -- is an estimate of a market value.</p> <p>3 Q Is it a term of art?</p> <p>4 A It's a -- it would really be -- I don't know if you</p> <p>5 call it a term of art. I'm not sure.</p> <p>6 Q Okay. But you would agree with me that if I said that</p> <p>7 I, as a property developer, valued my property, that does not</p> <p>8 necessarily mean that I conducted an appraisal of my property,</p> <p>9 correct?</p> <p>10 A Unless you're a certified appraiser, it would not be an</p> <p>11 appraisal. It would not be an appraisal, you know, a formal</p> <p>12 appraisal, no.</p> <p>13 Q But it would be a valuation, correct?</p> <p>14 A I guess you could say that.</p> <p>15 Q And there's nothing that prohibits President Trump as a</p> <p>16 real estate developer from valuing his own properties; is that</p> <p>17 correct.</p> <p>18 A I wouldn't know any -- I don't know.</p> <p>19 Q I want to be very clear, Mr. Larson. My question is</p> <p>20 there's nothing from prohibiting President Trump from valuing</p> <p>21 his own properties, correct?</p> <p>22 A Not that I know of.</p> <p>23 Q All right. Do you remember being interviewed by the</p> <p>24 Attorney General's office on October 29th of 2019?</p> <p>25 A Yes.</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1612</p> <p>1 Trump as a real estate developer from valuing his property,</p> <p>2 correct?</p> <p>3 A Yes. I guess anybody can do their own valuation.</p> <p>4 Q Just because President Trump or any of his designees</p> <p>5 value their own properties doesn't necessarily mean that he's</p> <p>6 conducting an appraisal of his own property; is that correct?</p> <p>7 A To prepare an appraisal by an appraiser, professional</p> <p>8 appraisal, you need to be licensed and meet the requirements of</p> <p>9 USPAP.</p> <p>10 Q So would the answer to my question be no?</p> <p>11 A Just repeat the question again, so I don't get lost.</p> <p>12 MR. FIELDS: May I have a readback, Your Honor.</p> <p>13 THE COURT: Yes, read back, please.</p> <p>14 (Whereupon, the requested portion of the record was</p> <p>15 read back.)</p> <p>16 A So could you ask it another way, so I understand? I'm</p> <p>17 sorry. Just want to make sure I'm clear.</p> <p>18 Q So Mr. Larson, we've established that valuations and</p> <p>19 appraisals are two different concepts, correct?</p> <p>20 MR. LADOV: Objection.</p> <p>21 THE COURT: Yes and no. I don't know that I would</p> <p>22 let that stand because he said they're interchangeable, but</p> <p>23 they're also different. Look, I think the term "valuation,"</p> <p>24 it can mean an appraisal, but the fact that somebody owns</p> <p>25 property or even doesn't own it, they could put a value on</p>
<p>D. LARSON - CROSS(MR. FIELDS) Page 1611</p> <p>1 Q And there was a record taken of your testimony that</p> <p>2 day; is that right?</p> <p>3 A Yes.</p> <p>4 Q Have you looked at your testimony since that day?</p> <p>5 A I've looked at it once, yes.</p> <p>6 Q When did you look at it?</p> <p>7 A Weeks ago.</p> <p>8 Q I'm going to direct you to page 207, line five that</p> <p>9 will be pulled up on the screen here.</p> <p>10 A Okay.</p> <p>11 Q Do you recall being asked:</p> <p>12 "QUESTION: Is that something you would have found</p> <p>13 significant or remembered? Do you remember it?</p> <p>14 "ANSWER: No, I don't remember this, and I'm sure</p> <p>15 owners value their own properties, so it is nothing that</p> <p>16 stands out."</p> <p>17 That was your testimony, correct?</p> <p>18 A Yes.</p> <p>19 Q I'll direct you to page 166, line seven:</p> <p>20 "QUESTION: So you would say this valuation is</p> <p>21 inaccurate?</p> <p>22 "ANSWER: It's not my valuation. Yes, it could be</p> <p>23 his valuation or Trump's valuation, but it's not my</p> <p>24 valuation."</p> <p>25 So you would agree nothing prohibits President</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1613</p> <p>1 it in their head or on paper. So I don't know that I would</p> <p>2 totally agree with the premise of your question. I didn't</p> <p>3 hear the question. I only heard the premise.</p> <p>4 MR. FIELDS: So let me back up.</p> <p>5 Q Mr. Larson, we've established that nothing prohibited</p> <p>6 President -- prohibits President Trump or anyone from valuing a</p> <p>7 property without doing an appraisal, right?</p> <p>8 A Yes. Anybody can value their -- their own property.</p> <p>9 Q And as far as you are aware, there is nothing illegal</p> <p>10 or unethical about anyone valuing property without doing an</p> <p>11 appraisal, correct?</p> <p>12 A I'm not aware.</p> <p>13 Q In terms of the manner in which you value property and</p> <p>14 I want to use the word "value" deliberately. When you value</p> <p>15 property, do you apply one of the three valuation methods</p> <p>16 generally?</p> <p>17 A Correct.</p> <p>18 Q And those methods are the cost method, the income</p> <p>19 method and the sales comparable method; is that right?</p> <p>20 A Yes.</p> <p>21 Q Now, when you conduct an appraisal, do you also use</p> <p>22 those same three methods to appraise the value of a property?</p> <p>23 A The market will dictate what appraisal methodology you</p> <p>24 use or what -- whether or not you use the cost approach, sales</p> <p>25 approach or income capitalization approach. The market will</p>

D. LARSON - CROSS(MR. FIELDS) Page 1614	D. LARSON - CROSS(MR. FIELDS) Page 1616
<p>1 dictate that.</p> <p>2 Q But you would agree with me that when you appraise a</p> <p>3 property, you use one of those three methods?</p> <p>4 A One or two typically in New York. Cost approach is</p> <p>5 typically not applied.</p> <p>6 Q Let me ask it another way. Is there another method</p> <p>7 other than the three that we've just discussed that you would</p> <p>8 employ to appraise the value of a property?</p> <p>9 A No.</p> <p>10 Q Okay. So then we can agree that the universe of</p> <p>11 methods available to you or to anyone to value or appraise a</p> <p>12 property are the three that we've just discussed; namely, the</p> <p>13 cost approach, the income approach or the sales comparable</p> <p>14 approach?</p> <p>15 A Yes.</p> <p>16 Q And your testimony a minute ago was that the cost</p> <p>17 approach is generally disfavored in New York City; is that</p> <p>18 correct?</p> <p>19 A It's typically not used.</p> <p>20 Q And why is that?</p> <p>21 A Because there's a lot of depreciation, older buildings</p> <p>22 in New York which make it less reliable.</p> <p>23 Q For both commercial and residential?</p> <p>24 A I -- I can only speak to office, in commercial.</p> <p>25 Q The income and sales comp approaches are the methods</p>	<p>1 MR. LADOV: Objection; asked and answered.</p> <p>2 THE COURT: I'm generally very liberal on asked and</p> <p>3 answered.</p> <p>4 MR. FIELDS: It is a yes-or-no question.</p> <p>5 THE COURT: Sorry, what?</p> <p>6 MR. FIELDS: It was a yes-or-no question.</p> <p>7 THE COURT: Is it a question or is it just</p> <p>8 something you're trying to tell us?</p> <p>9 MR. FIELDS: It is, Your Honor. The reason why is</p> <p>10 on direct examination, the witness testified and used the</p> <p>11 terms interchangeably and he has just testified that the two</p> <p>12 are different, that an appraisal is something that only an</p> <p>13 appraiser can do and when President Trump has financial</p> <p>14 statements that have values, that doesn't necessarily mean</p> <p>15 they are appraised numbers which this witness testified</p> <p>16 earlier that he had hoped they were.</p> <p>17 MR. LADOV: Objection. It misstates the prior</p> <p>18 testimony.</p> <p>19 THE COURT: Maybe we can all agree. We all know</p> <p>20 what an appraisal is. It is kind of official. It is</p> <p>21 formal. You have to be an appraiser, et cetera. The term</p> <p>22 "value," "valuation" is much looser. Somebody could use</p> <p>23 valuation to mean an appraisal and that's what the witness</p> <p>24 said, they're interchangeable. Somebody else could just</p> <p>25 say, well, the value of my property is X dollars. So I</p>
D. LARSON - CROSS(MR. FIELDS) Page 1615	D. LARSON - CROSS(MR. FIELDS) Page 1617
<p>1 that are most often used to appraise the value of property,</p> <p>2 specifically commercial property in New York City; would that be</p> <p>3 fair?</p> <p>4 A Yes.</p> <p>5 Q Would you be able to speak to the method used to value</p> <p>6 properties outside of New York City?</p> <p>7 A The methods would be the same outside New York City.</p> <p>8 Q So the methods that one would use in Miami, for</p> <p>9 instance, for a commercial property would be the same methods</p> <p>10 that would be employed in New York City; is that right?</p> <p>11 A Yes, an appraiser would use the cost approach, income</p> <p>12 approach or sales comparison approach.</p> <p>13 Q And to be clear, those are approaches would be the same</p> <p>14 regardless of whether you're valuing a property or appraising a</p> <p>15 property?</p> <p>16 A It's -- the names of valuation or the term "valuation"</p> <p>17 or "appraisal," you know, are used interchangeably. When an</p> <p>18 appraiser does an appraisal, it's an appraisal and we identify</p> <p>19 it as appraisers as an appraisal report.</p> <p>20 Q But when President Trump values his property, it is not</p> <p>21 an appraisal, correct?</p> <p>22 A Anybody valuing their properties can call it whatever</p> <p>23 they want.</p> <p>24 Q But when President Trump values his properties, it is</p> <p>25 not an appraisal, correct?</p>	<p>1 think that kind of sums it up. I don't know what else there</p> <p>2 is to say.</p> <p>3 Mr. Kise, do you agree or disagree?</p> <p>4 MR. KISE: I don't disagree. At least you and I</p> <p>5 don't disagree. I don't think Mr. Fields and I disagree.</p> <p>6 The problem is the witness won't say it. For whatever</p> <p>7 reasons, he's being evasive.</p> <p>8 MR. LADOV: Objection.</p> <p>9 MR. KISE: You can object all you want. It is</p> <p>10 pretty obvious only appraisers can do appraisals. They are</p> <p>11 the only licensed people that can do appraisals. That's it.</p> <p>12 It's a real simple answer. It is a yes-or-no question. He</p> <p>13 has refused to give yes-or-no answers and I would ask the</p> <p>14 Court to admonish the witness like every witness that has</p> <p>15 come here and say, "If you can answer it yes or no, answer</p> <p>16 it yes or no." But he is clearly being evasive. I don't</p> <p>17 know why because it is such a basic question.</p> <p>18 MR. LADOV: They are badgering the witness and they</p> <p>19 are misstating the testimony.</p> <p>20 THE COURT: What if we did this? Try to write on a</p> <p>21 clean slate somewhat. Ask the question. If it is yes or</p> <p>22 no, and I think it can be answered yes or no, I'll direct</p> <p>23 the witness to answer it yes or no unless he says he can't.</p> <p>24 MR. FIELDS: I apologize, but may I have a readback</p> <p>25 of my last question?</p>

<p>D. LARSON - CROSS(MR. FIELDS) Page 1618</p> <p>1 THE COURT: Of course. 2 (Whereupon, the requested portion of the record was 3 read back.) 4 A The terms are used interchangeably. So you can call it 5 an appraisal. You can call it a valuation, whatever they want 6 to call it. They're used interchangeably. 7 Q All right. Mr. Larson, on direct examination, you were 8 examined about several appraisals that you conducted for 40 Wall 9 Street. Do you remember those? 10 A Yes. 11 Q And you appraised that property in 2011, 2012 and 2015; 12 is that correct? 13 A I don't know the exact dates. 14 Q Well -- 15 A They sound approximately right. 16 Q Okay. We'll walk through it, but you would agree that 17 the appraisals that you conducted for 40 Wall Street were based 18 on, as we've discussed, the income approach and also the sales 19 comparable approach, correct? 20 A Yes. 21 Q And the income approach, there are two -- I'll call 22 them sub-approaches and maybe you have a different terminology 23 for them, but there is the discounted cash flow analysis and a 24 direct capitalization analysis. Are you aware of what those 25 are?</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1620</p> <p>1 looking at the definition, it would be under certain assumptions 2 that would be provided to you as an appraiser. 3 Q And you've been an appraiser for how many years, Mr. 4 Larson? 5 A 30 years. 6 Q Could you give me based on your 30 years experience 7 your best understanding of what current market value is? 8 A So it is a market value that's unbiased. A market 9 value would be as of a certain date, you know, taking into 10 account market conditions of the time. So I would have to look 11 at a definition to be more exact. 12 Q Would you agree with me that a market value is akin to 13 a value today? 14 A Right. 15 Q And an investment value is a value upon a future date, 16 correct? 17 A It doesn't have to be. 18 Q But it could be? 19 A Could be. 20 Q And as far as you are aware -- or withdrawn. 21 Can an appraiser do an investment value appraisal? 22 A Yes. 23 Q Have you done those yourself? 24 A I don't recall. I don't remember doing one. 25 Q It's not something that you have done regularly; is</p>
<p>D. LARSON - CROSS(MR. FIELDS) Page 1619</p> <p>1 A Yes. 2 Q And generally, what is the discounted cash flow 3 analysis? 4 A Discounted cash flow analysis is typically a 5 lease-by-lease analysis with assumptions for tenants on 6 rollover. So it is a very detailed exercise. 7 Q And what are you trying to discount or what are you 8 trying to solve for? 9 A You solve for a value of the property. 10 Q Present or future? 11 A It could be at a point. It could be a current value or 12 a perspective value. 13 Q And when you say "current value," you say -- do you 14 mean a current market value? 15 A Yes. 16 Q That is different from a current investment value; is 17 that right? 18 A Yes. 19 Q You're aware of what an investment value is? 20 A Yes. 21 Q What's the difference between an investment value and a 22 market value? 23 A A market value has a definition that state under 24 certain conditions -- I'd have to look at the definition again. 25 And an investment value are typically -- again, look -- without</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1621</p> <p>1 that fair? 2 A Yes, it is not a regular practice. 3 Q Are there appraisers that specialize in doing 4 investment value appraisals? 5 A There could be. I don't -- I'm not sure. 6 Q But you are aware that investment value appraisals are 7 a thing for lack of a better term? 8 A It -- yes. It's -- that -- that could happen. 9 Q And would you agree with me that real estate developers 10 generally request investment value appraisals to determine what 11 the future value of their investment could be? 12 A Just repeat that again, so I can answer it accurately. 13 Q Would you agree with me that real estate appraisers 14 often request investment value appraisals to determine what the 15 value of their investment in the future will be? 16 A So you're -- you're asking me if appraisers request 17 investment value appraisals or the clients? 18 Q Real estate developers. 19 A Real estate developers. Yes, that could happen. 20 Q That would be different than an appraisal that looks at 21 the market value of a piece of property today, right? 22 A That would be a different value, yes. 23 Q Because it would be today's value? 24 A Yes. 25 Q And often the development value appraisals are based on</p>

<p>D. LARSON - CROSS(MR. FIELDS) Page 1622</p> <p>1 assumptions into the future; is that fair?</p> <p>2 A I guess they could be.</p> <p>3 Q Now, to be clear, the appraisals that you signed in</p> <p>4 this case for 40 Wall Street were market value appraisals,</p> <p>5 right?</p> <p>6 A Yes.</p> <p>7 Q And the entities that hired you or retained you to do</p> <p>8 these appraisals were financial institutions, right?</p> <p>9 A Yes, they were lenders.</p> <p>10 Q Is that common in your industry to be hired to do</p> <p>11 lender appraisals?</p> <p>12 A The majority of our work is for lender appraisals, yes.</p> <p>13 Q When a lender -- withdrawn.</p> <p>14 When a lender retains you to conduct an appraisal on</p> <p>15 their behalf, your analysis is retrospective; is that fair?</p> <p>16 A We define, you know, the date of the appraisal, the</p> <p>17 date of the value, and it could be retrospective. It could be a</p> <p>18 market value as is or it could be a perspective value.</p> <p>19 Q The data that you rely on is data that you obtain from</p> <p>20 the past, right?</p> <p>21 A Yes, but we ask for the most current information.</p> <p>22 Q Isn't the general understanding in the industry that</p> <p>23 lender-ordered appraisals are intended to provide the bank with</p> <p>24 what the liquidation value of a particular property would be?</p> <p>25 A A liquidation value is a different definition.</p>	<p>Page 1624</p> <p>1 than five or six times, okay.</p> <p>2 MR. FIELDS: I certainly won't.</p> <p>3 THE COURT: Can you ask it again or do you need a</p> <p>4 readback?</p> <p>5 MR. FIELDS: At the risk of annoying the court</p> <p>6 reporter, I'm going to ask for a readback with Your Honor's</p> <p>7 indulgence.</p> <p>8 THE COURT: They have a lot of patience.</p> <p>9 Read back, please.</p> <p>10 (Whereupon, the requested portion of the record was</p> <p>11 read back.)</p> <p>12 A The appraiser -- when we're asked to do an appraisal,</p> <p>13 it's requested to be either a market value as is. It could be a</p> <p>14 liquidation value. It could be other -- they would need to be</p> <p>15 identified in the engagement letter and difference between the</p> <p>16 market value as is or liquidation value, those are different</p> <p>17 types of values.</p> <p>18 (Continued on the next page.)</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>
<p>D. LARSON - CROSS(MR. FIELDS) Page 1623</p> <p>1 Q Do you understand what that means?</p> <p>2 A Yeah. I'd have to look at the definition again to be</p> <p>3 clear about it, but there is a value called liquidation value</p> <p>4 which has certain assumptions regarding marketing period and</p> <p>5 time to sell.</p> <p>6 Q What is your understanding of what a liquidation value</p> <p>7 is based on your 30 years of experience in the industry?</p> <p>8 A A liquidation value is potentially for a quick sale</p> <p>9 and, you know -- but the value would need to be defined and,</p> <p>10 you know, the marketing period would need to be addressed, the</p> <p>11 time of sale.</p> <p>12 Q So back to my original question, would you agree with</p> <p>13 me that it's commonly known in the industry that lender-ordered</p> <p>14 appraisals -- in lender-ordered appraisals, the lender is</p> <p>15 generally looking at liquidation value to know what they will</p> <p>16 get for the property in a quick sale?</p> <p>17 A They could be and they would request that value.</p> <p>18 Q But you as an appraiser know that when you're</p> <p>19 conducting an appraisal for a lender, that the lender is looking</p> <p>20 for a liquidation value, correct?</p> <p>21 MR. LADOV: Objection; asked and answered.</p> <p>22 THE COURT: Asked and answered. But again, not my</p> <p>23 favorite objection. So if there is a different answer,</p> <p>24 there is a different answer. Same answer, it is the same</p> <p>25 answer. You can ask it again without prejudice, not more</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1625</p> <p>1 Q Whether the lender asks you for a liquidation value</p> <p>2 appraisal as an appraiser based on your experience, though, do</p> <p>3 you employ a concert of assumptions to assure the lender of a</p> <p>4 value they could get in a quick sale situation?</p> <p>5 A We would have to be asked to provide that analysis.</p> <p>6 Q Were -- to the best of your recollection, were you</p> <p>7 asked to provide that analysis for the 2011, 2012 and 2015 40</p> <p>8 Wall Street appraisals?</p> <p>9 A I would have to look at the appraisals and see what was</p> <p>10 requested and what values were provided.</p> <p>11 MR. FIELDS: All right. Let's turn to Plaintiff's</p> <p>12 Exhibit 1573 that's been admitted, I believe.</p> <p>13 Q Mr. Larson, does this look like the appraisal that you</p> <p>14 conducted for 40 Wall Street dated November 1, 2011?</p> <p>15 A Yes.</p> <p>16 Q And on the cover page it says it's prepared for Capital</p> <p>17 One Bank; correct?</p> <p>18 A Yes.</p> <p>19 MR. FIELDS: And if we can go to page three?</p> <p>20 Q Is this the transmittal letter?</p> <p>21 A That is correct.</p> <p>22 Q And this would be coming from you and directed to</p> <p>23 Capital One Bank; is that right?</p> <p>24 A Yes.</p> <p>25 Q If you look at the second full paragraph beginning with</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1626</p> <p>1 this report, it says, "This report was prepared for Capital One 2 Bank and is intended only for its specified use. It may be 3 distributed to the client's attorneys, accountants, advisors, 4 investors, lenders, potential mortgage participants, and rating 5 agencies. It may not be distributed to or relied upon by other 6 persons or entities without written permission of Cushman &amp; 7 Wakefield, Inc."</p> <p>8 Do you see in the second line where it says "the 9 client?" "The client's attorneys?"</p> <p>10 A Yes.</p> <p>11 Q Who is the client?</p> <p>12 A Capital One Bank.</p> <p>13 Q So to be clear, this appraisal that you conducted was 14 prepared for Capital One Bank and that was your client; right?</p> <p>15 A Yes.</p> <p>16 Q And the appraisal explicitly notes that it's only 17 intended for Capital One Bank's specified use; is that right?</p> <p>18 A As well as -- yes, that's correct.</p> <p>19 Q And I think you were going to say as well as Capital 20 One Bank's attorneys, accountants, advisors, investors, lenders 21 potential mortgage participants, and rating agencies?</p> <p>22 A Yes.</p> <p>23 Q None of those individuals or entities that are 24 mentioned right there are the Trump Organization; correct?</p> <p>25 A I don't see their name in there, no.</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1628</p> <p>1 Q And in making a forecast you would agree with me that 2 an appraiser is -- is applying his or her professional judgment 3 to available data to arrive at a present or future value; is 4 that right?</p> <p>5 A Yes.</p> <p>6 Q And the -- and there is a wealth of available data that 7 appraisers can look at to value a particular property -- 8 withdrawn.</p> <p>9 And there is a wealth of available data appraisers can 10 look at to appraise a property on a present or future date; is 11 that right?</p> <p>12 A Yes. The -- we're -- as appraisers you are projecting 13 a prospective value in the future certain assumptions need to be 14 made and -- but you need to start with the assumptions that you 15 know today and the market information about this -- about a 16 building today; the rent roll and expenses and other 17 information.</p> <p>18 Q But even in terms of arriving at a present value an 19 appraiser has to make certain determinations based on available 20 data; right?</p> <p>21 A Correct.</p> <p>22 Q And the available data -- withdrawn.</p> <p>23 Are these generally known as subjective factors that 24 appraisers look to to arrive at a present or future value?</p> <p>25 A Yes.</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1627</p> <p>1 Q My question is based on this disclaimer would the Trump 2 Organization fall into any of these specified individuals or 3 entities?</p> <p>4 A It doesn't appear to be, no.</p> <p>5 Q And then at the bottom of page three you've identified 6 a "Market Value As Is" as of November 1, 2011 of \$200 million; 7 is that right?</p> <p>8 A Yes.</p> <p>9 MR. FIELDS: And if we can flip to the next page, 10 page four?</p> <p>11 Q Here you identify a prospective market value of 12 \$270 million as of November 1, 2014; is that right?</p> <p>13 A Yes.</p> <p>14 Q And it says at the top "based on the agreed to scope of 15 work and as outlined in this report" -- excuse me -- "the 16 report, we have developed an opinion that the prospective market 17 value of a leasehold estate of a referenced property subject to 18 the assumptions, limit conditions, certifications and 19 definitions on November 1, 2014 will be \$270 million?"</p> <p>20 A Yes.</p> <p>21 Q And what are the assumptions that appraisers generally 22 employ to obtain a future value like this prospective value?</p> <p>23 A It's -- using a prospective value is using today's 24 assumption -- today's information about the property in making 25 forecasts.</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1629</p> <p>1 Q And what are some of those subjective factors?</p> <p>2 A Growth rates for income and expenses where changes in 3 cap rates and there is a variety of things you could -- you 4 would have to look at.</p> <p>5 Q Sales comparables as well?</p> <p>6 A The sales comparables you know what's transacting as of 7 your most current information.</p> <p>8 Q But it's a factor? The recent sales --</p> <p>9 A Factor to look at sales, yes.</p> <p>10 Q Selection of markets is also a factor; correct?</p> <p>11 A Yes.</p> <p>12 Q Discount rates as well?</p> <p>13 A Yes.</p> <p>14 Q Determining the highest and best use of a particular 15 property as well?</p> <p>16 A Correct.</p> <p>17 Q Real estate cycles?</p> <p>18 A Yes.</p> <p>19 Q So would you agree with me then that appraisals are an 20 art not a science?</p> <p>21 A That term has been used before, but it's -- it's a -- 22 it's an estimate of market value by the appraiser based on 23 experience, knowledge of the market and their best estimate at 24 the time they're doing the appraisal.</p> <p>25 Q But do you agree that an appraisal is an art not a</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1630</p> <p>1 science?</p> <p>2 A I've heard that term before. I would probably agree</p> <p>3 with it, yes.</p> <p>4 Q Okay. And to give you an example, we're standing in</p> <p>5 this courthouse. Could two appraisers equally qualified</p> <p>6 appraise the value of this property they were standing in today</p> <p>7 based on the same exact data at two different numbers?</p> <p>8 A Yes.</p> <p>9 Q And is that because one appraiser may give a little bit</p> <p>10 more weight to some factors that the other appraiser may give a</p> <p>11 little less weight to?</p> <p>12 A Yes.</p> <p>13 Q And vice versa?</p> <p>14 A Correct.</p> <p>15 MR. FIELDS: All right. If we could flip to page</p> <p>16 five of the 2011 report, please?</p> <p>17 Q Could we establish, Mr. Larson, that your signature and</p> <p>18 the signature of Mr. Nardella and Mr. Papagianopoulos appear on</p> <p>19 the report; correct?</p> <p>20 A Yes.</p> <p>21 Q And Mr. Nardella at the time of this report was your</p> <p>22 supervisor; is that right?</p> <p>23 A Yes.</p> <p>24 Q And you worked closely with Mr. Nardella?</p> <p>25 A Yes.</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1632</p> <p>1 A Yes.</p> <p>2 MR. FIELDS: And if we could move to page 20,</p> <p>3 please?</p> <p>4 Q In the middle of the page it says "intended use and</p> <p>5 users of the appraisal."</p> <p>6 Under "intended use," it says, "this appraisal is</p> <p>7 intended to provide an opinion of the market value of the</p> <p>8 leasehold interest in the property for loan underwriting and/or</p> <p>9 credit decisions. All other uses are unintended, unless</p> <p>specifically stated in the letter of transmittal."</p> <p>So would you agree with me that unless otherwise stated</p> <p>in the letter of transmittal that we just looked at at page</p> <p>three that the appraisal can only be used for loan underwriting</p> <p>and/or credit decisions?</p> <p>A Yes, that's what it says.</p> <p>Q But you would agree with me that what it says is that</p> <p>it can only be used for those two things; right?</p> <p>A Yes.</p> <p>Q And we just looked at the letter transmittal and we</p> <p>agree that the letter transmittal it didn't say anything about</p> <p>any other entity other than the lender or some of its affiliates</p> <p>from being able to use the appraisal; correct?</p> <p>A Yes.</p> <p>Q Under "intended user," it says "this appraisal report</p> <p>was prepared for the exclusive use of Capital One Bank and/or</p> <p>JCL</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1631</p> <p>1 Q Do you have any reason to question Mr. Nardella's</p> <p>2 judgment?</p> <p>3 A No, not at all.</p> <p>4 MR. FIELDS: All right. If we could flip to</p> <p>5 page eight, please?</p> <p>6 Q So you see, Mr. Larson, at the top it says, "Income</p> <p>7 Capitalization Reports Discounted Cash Flow;" right?</p> <p>8 A Yes.</p> <p>9 Q This is the beginning of your discounted cash flow</p> <p>10 analysis for this property on this year; right?</p> <p>11 A Yes.</p> <p>12 Q And then if we could move to page ten in the middle of</p> <p>13 the page where it says "direct capitalization" in bold?</p> <p>14 This is now the direct capitalization analysis of this</p> <p>15 property; is that right?</p> <p>16 A Yes.</p> <p>17 Q So it would be separate from the discounted cash flow</p> <p>18 analysis but related?</p> <p>19 A Yes. It's -- it's one of the indications that you</p> <p>20 could -- that's used to value a property by the income approach.</p> <p>21 Q Do you use the direct capitalization method to double</p> <p>22 check your work on the discounted cash flow analysis?</p> <p>23 A Yes, commonly it's a secondary approach.</p> <p>24 Q And you chose a capitalization rate here of seven</p> <p>25 percent; right?</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1633</p> <p>D. Larson - Plaintiff - cross (Fields)</p> <p>affiliates. The intended function is for loan underwriting</p> <p>and/or credit decisions by Capital One Bank and/or participants.</p> <p>It may be distributed to the client's attorneys, accountants,</p> <p>advisors, and investors. All other uses and users are</p> <p>unintended. It may be distributed to the client's attorneys,</p> <p>accountants, advisors and investors."</p> <p>After reading this do you have a different opinion or</p> <p>the same opinion as to who this appraisal is intended for and</p> <p>whether entities not affiliated with Capital One Bank could rely</p> <p>on it and use it?</p> <p>A The same.</p> <p>Q If we can move to page 38, please. The second</p> <p>paragraph beginning on the first line where it says "overall</p> <p>asking rents."</p> <p>"Overall asking rents have fallen \$0.28 per square foot</p> <p>to end the quarter at \$39.10 per square foot."</p> <p>Why is asking rents relevant to your analysis in this</p> <p>appraisal?</p> <p>A We look at both asking rents and taking rents.</p> <p>Q I'm sorry?</p> <p>A We look at both asking rents and taking rents.</p> <p>Q Taking?</p> <p>A Taking rents or leases that are actually signed.</p> <p>Q And what do you use the asking rent figure for as part</p> <p>of the appraisal?</p> <p>JCL</p>

Page 1634

D. Larson - Plaintiff - cross (Fields)

A It's additional data to look at.

Q Did you rely on the \$39.10 per square foot asking rent as part of this appraisal?

A It was part of the information we reviewed at the time of the appraisal.

Q But my question is did you rely on it?

A Yes, we relied on it.

Q And did the asking rents inform you when you project what a future value might be for that same property?

A Not necessarily.

Q So what information do you use when you project a future prospective value with an appraisal?

A We'll estimate market rents today based on information of asking rents, signed leases, interviews with brokers and surveys, and a variety of information and then inflate that to a prospective date.

Q Okay. So you said you estimate market rents today.

In this specific appraisal was the estimate of market rents today \$39.10 per square foot?

A That was the asking rent as of the third quarter.

Q And my question is is that the figure that you used in determining the market rent for this appraisal?

A Yes.

Q And then when you value the property or appraise the property into the future the \$39.10 per square foot was your

JCL

Page 1636

D. Larson - Plaintiff - cross (Fields)

Q First sentence under "Conclusion" you write, "Downtown's recovery will continue in 2011 with positive job numbers and rising demand."

Would it be fair to say that in 2008 that the housing -- withdrawn.

Would it be fair to say in 2008 the commercial real estate market collapsed in New York?

A Yes.

Q And at this time in 2011 there was more positivity in the commercial real estate market; is that right?

A Yes.

Q In the last sentence of this paragraph you write: "Downtown is on pace to have a record year in leasing activity with high profile deals like Conde Nast's lease at One World Trade." Would it be fair to say, Mr. Larson, at the time you were conducting this appraisal that was a positive trend in the commercial real estate market?

A Yes, that's what that essentially says.

Q Things were looking up, not down; right?

A Correct.

MR. FIELDS: If we could turn to page 59?

Q In the middle of the page under the heading "Assessment Information" you note that in 2011, 2012, the total assessed value for this property was \$71 million; is that right?

A Yes.

JCL

Page 1635

D. Larson - Plaintiff - cross (Fields)

base and you use that to then predict future value?

A As I said, the \$39.10 is an asking rent. We look at other things and then estimate what the market rent is based on all of this information in the appraisal, including the asking rents in the market.

Q But I think we just established that the market rent at this time was \$39.10, right?

A No, that's not correct.

Q Okay. So could you look at the appraisal then, please, and tell me what the market rent was at this time that you used in this appraisal?

A Sure. The market rents for office space on floors three through 22 is \$32 a foot or floors 23 through 33 was \$34 a foot. For floors 34 to 49, \$40 a foot and for floors 50 to 63, \$44 a foot.

Q And where are you reading from? What page on the bottom?

A 124 of 191.

Q Is it common for you to aggregate those numbers to determine what the entire -- what the market rent would be for the whole property or do you have to do it floor by floor?

A It's better to do it floor by floor because rents change in the building with height.

MR. FIELDS: All right. If we can move to page 43, please?

JCL

Page 1637

D. Larson - Plaintiff - cross (Fields)

Q And to be clear, you did not rely on the assessed value of the property in determining your appraisal number?

A We do rely on this as value.

Q But your appraisal figure was north of -- or 200 million; right?

A Right.

Q Not 71 million?

A Right. Those are two different things.

Q Completely different things?

A Correct.

MR. FIELDS: If we could move forward to page 104.

Q Under the heading "Occupancy Status" at the bottom. First sentence, "The property 40 Wall Street is currently 72.88 percent leased to 50 office tenants and four retail tenants." So at this time 40 Wall Street has an occupancy rate of approximately between 72 and 73 percent; correct?

A Yes.

Q And on page 108 you note in the middle of the page under "lease structure of the subject property," first sentence, that "the property is leased to nine major office tenants (defined as tenant spaces greater than 20,000 square foot.)"

So at this time there is nine major office tenants; correct?

A Yes.

Q And then if we back out to the third paragraph that

JCL

Page 1638

D. Larson - Plaintiff - cross (Fields)  
begins with "the nine major office tenants." "The nine major  
office tenants previously mentioned?"

A Yes, I see it.

Q One moment, if you don't mind.

So the first sentence says "the nine major office  
tenants previously mentioned represent over 40 percent of the  
property's total rentable area; correct?"

A Yes.

Q So at this point there is nine major tenants and those  
nine tenants represent 40 percent of the total rentable area of  
this property?

A Yes.

Q Now we can move forward to page 125 under heading  
"Office Market Rental Growth Rate."

You write: "Based on our recent survey, buyers'  
expectations in the downtown Manhattan real estate market  
anticipate rents to increase at CPI."

Is CPI the consumer price index?

A Yes.

Q "These changes in market conditions result in C&W's  
leasing brokerage group in downtown Manhattan to forecast the  
following rent growths."

And you state that in 2011 the rent growth is  
zero percent and thereafter it's three percent. You also note  
below that "we have assumed a growth rate of three percent

JCL

Page 1640

D. Larson - Plaintiff - cross (Fields)

Q How did you arrive at this growth rate?

A How did I -- can you repeat the question?

Q How did you come up with this growth rate?

A Well, it's explained based on recent surveys,  
underwriting by buyers and leasing brokers. The assumption for  
growth rate was based on those factors.

Q But you used your independent professional judgment to  
arrive at that three percent growth rate; correct?

A You have to look at the data sources to make an  
estimate.

Q My question is did you use your independent  
professional judgment to arrive at that growth rate?

A Yes.

Q And would you agree with me that an equally qualified  
appraiser such as yourself could have arrived at a different  
growth rate?

A Yes.

Q And that equally qualified appraiser could have arrived  
at a growth rate that was higher than three percent; correct?

A Possibly, yes.

Q And in turn, that growth rate would have driven up the  
property value for those future years; correct?

A Yes, possibly.

THE COURT: Five-minute warning.

MR. FIELDS: All right. If we could go to

JCL

Page 1639

D. Larson - Plaintiff - cross (Fields)  
beginning in 2012." What does this three percent growth rate  
represent?

A The growth and office market rents.

Q So would this represent a three percent growth  
beginning in 2012 of the asking rent in this jurisdiction?

A It's the rent growth assumption for market rent.

Q And --

A Not asking rents.

Q So the market rent figure would be the one that you  
read five minutes or so ago; is that right?

A Yes.

Q So you are assuming a three percent growth of that  
figure -- forgive me. Do you remember exactly what it was?

A I'd have to look again.

Q If you don't mind. Page 124, floors three through 22  
is 32, floors 23 through 33 are \$34 a foot. Floors 34 to 49 are  
\$40 a foot and floors 50 to 63 are \$44 a foot.

So you're assuming a three percent growth rate from  
those figures to project future value; is that right?

A Yes.

Q And this growth rate would not start until the end of  
2012 beginning of 2013; is that right?

A Yes.

Q So for 2011 and 2012, the growth rate would be zero?

A Yes.

JCL

Page 1641

D. Larson - Plaintiff - cross (Fields)  
page 140, please?

Q The lower third of the page there is "net operating  
income" in bold on the left. Do you see where it says "net  
operating income budgeted for 2011 total with \$6,236,273?"

A Yes.

Q And this is the net operating income that's used to  
divide by a capitalization rate to ultimately arrive at a  
property value; correct?

A Yes.

Q Net operating income and net income are two different  
concepts; correct?

A I know what net operating income is; net income, I'm  
not sure of that term.

Q So you don't know that you add interest and  
depreciation to net income to arrive at a net operating income?

A That sounds like more of an accounting, you know,  
calculation.

Q My question is are you familiar with that general  
terminology?

A Yes, I -- it's more of an accounting thing. We don't  
take into account, you know, net income or depreciation or  
appraisals.

Q But by saying that it's more of an accounting thing it  
seems like you understand generally what the concept is;  
correct?

JCL

<p style="text-align: right;">Page 1642</p> <p style="text-align: center;">D. Larson - Plaintiff - cross (Fields)</p> <p>A I've heard of it before.</p> <p>Q Okay. So you would agree then just to be clear that net operating income and net income are two different concepts; right?</p> <p>A Yes, based on your definition of net income they're two different things.</p> <p>Q Well, no. Not based on my definition. Based on what you've known for 30 years of appraising and known what accountants do?</p> <p>A Yes, I'm not an accountant. I'm an appraiser and we utilize net operating income.</p> <p style="text-align: center;">MR. FIELDS: If we go to page 173?</p> <p>Q The fourth bullet point that begins with "The report." It says, "The report is to be used in whole and not in part."</p> <p style="padding-left: 40px;">Do you understand that to mean that you can't take out pages or subsections of a report? You must use the whole report?</p> <p>A Yes.</p> <p>Q "No part of the report shall be used in conjunction with any other analyses. Publication of the report or any portion thereof without the prior written consent of C&amp;W is prohibited."</p> <p style="padding-left: 40px;">We discussed earlier, Mr. Larson, that the client for this engagement was Capital One Bank; correct?</p> <p>A Yes.</p> <p style="text-align: right;">JCL</p>	<p style="text-align: right;">Page 1644</p> <p>D. LARSON - CROSS (MR. FIELDS)</p> <p>1 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>2 session. Please be seated and come to order.</p> <p>3 THE COURT OFFICER: Witness entering.</p> <p>4 THE COURT: Let's continue with the</p> <p>5 cross-examination.</p> <p>6 MR. FIELDS: Thank you, your Honor.</p> <p>7 Q Good afternoon again, Mr. Larson. I would like to move</p> <p>8 forward a year to November 2012 when you finalized an appraisal</p> <p>9 for 40 Wall Street and I believe it's -- it is not in front of</p> <p>10 you. It will be hopefully in a moment. It is Exhibit 121</p> <p>11 that's been admitted in evidence.</p> <p>12 MR. FIELDS: For the record, that's Plaintiff's</p> <p>13 121.</p> <p>14 Q Do you recall being asked this morning by counsel for</p> <p>15 the government about this appraisal, Plaintiff's Exhibit 121?</p> <p>16 A Repeat that again.</p> <p>17 Q Do you recall having a discussion with counsel for the</p> <p>18 government earlier in the day about this appraisal that you</p> <p>19 finalized in November of 2012 or thereabouts?</p> <p>20 A Yes.</p> <p>21 Q This is your appraisal, right? If we can go to page</p> <p>22 six. This is your signature on page six as well as the</p> <p>23 signatures of Mr. Papagianopoulos and Mr. Nardella?</p> <p>24 A Yes.</p> <p>25 Q And for this appraisal in -- if we go to page four,</p>
<p style="text-align: right;">Page 1643</p> <p style="text-align: center;">D. Larson - Plaintiff - cross (Fields)</p> <p style="text-align: center;">THE COURT: One minute.</p> <p>Q Therefore, would you agree that the publication of this report or any portion thereof by Capital One Bank without the prior written consent of Cushman &amp; Wakefield is prohibited?</p> <p>A Yes.</p> <p>Q And a couple of lines down you see in the middle where it says "No part of the report?"</p> <p>A Yes.</p> <p>Q "No part of the report shall be conveyed to the public through advertising or used in any sales, promotion, offering or SEC material without C&amp;W's prior written consent."</p> <p style="padding-left: 40px;">This is what you wrote; correct?</p> <p>A Yes. This is language that the company provides to put in our appraisal in that section of the report.</p> <p>Q Because the company doesn't want their appraisal information to be handed out to the public; is that right?</p> <p>A Yes.</p> <p style="padding-left: 40px;">THE COURT: Okay. Break time. Ten minutes. We'll see you in 15, but I'd like the attorneys to hold back and come on up here.</p> <p style="padding-left: 40px;">(Whereupon, there is a recess in the proceedings.)</p> <p style="padding-left: 40px;">Transcript continues on the following page....</p> <p style="text-align: right;">JCL</p>	<p style="text-align: right;">Page 1645</p> <p>D. LARSON - CROSS (MR. FIELDS)</p> <p>1 you identified or concluded that the market value as is as of</p> <p>2 November 1, 2012 was \$200,000,000, correct?</p> <p>3 A Yes.</p> <p>4 Q And then on page five, you identified or concluded</p> <p>5 perspective market value as of November 1, 2015 for \$240</p> <p>6 million.</p> <p>7 A Yes.</p> <p>8 Q Is this the final appraisal that you submitted to the</p> <p>9 client in November of 2012 or thereabouts?</p> <p>10 A Yes.</p> <p>11 MR. FIELDS: Let's bring up Plaintiff's 1435 that</p> <p>12 has not been admitted in evidence. If we could go to page</p> <p>13 five.</p> <p>14 Q Is this your signature here, Mr. Larson, and also the</p> <p>15 signatures of your colleagues?</p> <p>16 A Yes.</p> <p>17 Q And back to the first page, the cover page, again, this</p> <p>18 is an appraisal for 40 Wall Street as of November 1, 2012</p> <p>19 prepared for Capital One Bank and at the bottom, it is prepared</p> <p>20 by Cushman &amp; Wakefield, Inc., correct?</p> <p>21 A Yes.</p> <p>22 MR. FIELDS: If we could go to page three.</p> <p>23 Q Is this an appraisal that you conducted for 40 Wall</p> <p>24 Street in or about November of 2012?</p> <p>25 A Repeat that. I couldn't hear you.</p>

<p>D. LARSON - CROSS (MR. FIELDS) Page 1646</p> <p>1 Q Is this an appraisal that you did for 40 Wall Street in 2 or about November of 2012?</p> <p>3 A Yes. The date of value is November 1, 2012, submitted 4 October 25, 2012.</p> <p>5 MR. FIELDS: Your Honor, I move to admit 6 Plaintiff's 1435 in evidence.</p> <p>7 THE COURT: Granted. It is in evidence.</p> <p>8 (Whereupon, the Document was marked in evidence as 9 Plaintiff's Exhibit 1435.)</p> <p>10 MR. FIELDS: All right. If we could put 11 Plaintiff's Exhibit 1435 and Plaintiff's 121 side by side.</p> <p>12 Q We are looking at the cover pages of both of these 13 appraisals and they are both dated November 1, 2012, correct?</p> <p>14 A Yes.</p> <p>15 Q They're both for the same property?</p> <p>16 A Yes.</p> <p>17 Q And prepared for the same client, Capital One Bank?</p> <p>18 A Yes.</p> <p>19 Q Finally they, are both prepared by Cushman &amp; Wakefield?</p> <p>20 A Correct.</p> <p>21 Q If we can go to page three on both of the documents and 22 again, this is a transmittal letter for both of these 23 appraisals, correct?</p> <p>24 A Yes.</p> <p>25 Q And it is dated October 25, 2012?</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1648</p> <p>1 Q Is it possible that the bank asked you to revise your 2 appraised value after you had sent them the initial copy?</p> <p>3 A It's possible. They have a review department 4 internally that reviews the appraisal and we typically get 5 questions or comments back.</p> <p>6 Q So it is possible that the bank was unhappy with the 7 value and asked you for a new one, correct?</p> <p>8 A I don't know. It could have been some assumptions that 9 were used or something in the appraisal that was caught during 10 the review. I don't know.</p> <p>11 Q Well, do you know if you sent the bank the one with 12 \$220 million first or the one with \$200 million first?</p> <p>13 A I don't know.</p> <p>14 Q So you potentially sent the \$220 million version first 15 and they wanted a lower number for a liquidation value, correct?</p> <p>16 A It doesn't say anything about liquidation value here.</p> <p>17 Q Well, is it possible that the bank was looking for a 18 lower figure to know what they could liquidate the property in a 19 worse case scenario?</p> <p>20 A If we were to provide a liquidation value, we would 21 identify that in the appraisal as a liquidation value.</p> <p>22 Q But suffice it to say as you sit here today, you're not 23 sure which of these two is the final version?</p> <p>24 A No, I don't know.</p> <p>25 Q All right. Mr. Larson, we're going to move through</p>
<p>D. LARSON - CROSS (MR. FIELDS) Page 1647</p> <p>1 A Yes.</p> <p>2 Q And again, it's directed to Capital One Bank?</p> <p>3 A Yes.</p> <p>4 Q And this letter is coming from you to the client, 5 Capital One Bank, correct?</p> <p>6 A Yes.</p> <p>7 Q At the bottom of Plaintiff's 121, the market value as 8 is as of November 1, 2012 is \$200 million, correct?</p> <p>9 A Yes.</p> <p>10 Q You testified a minute ago that that was the final 11 appraisal that you transmitted to Capital One Bank, correct?</p> <p>12 A Yes. Those have our signatures on it, yes.</p> <p>13 Q And then if we look at Plaintiff's 1435, the market 14 value as is as of November 1, 2012 is \$220 million, correct?</p> <p>15 A Yes.</p> <p>16 Q Those are two different numbers, the same appraisal of 17 the same property as of the same date, correct?</p> <p>18 A Yes.</p> <p>19 Q Why is that?</p> <p>20 A There could have been an adjustment that was made and 21 we're always working on copies. So I'm not sure which one was 22 submitted to the bank as a final.</p> <p>23 Q Is it possible both of these were submitted to the bank 24 as a final?</p> <p>25 A I don't know.</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1649</p> <p>1 this appraisal a little quicker than we did like the first one 2 because we've already discussed some of these topics, but I do 3 want to highlight a couple of things for you.</p> <p>4 MR. FIELDS: So in Plaintiff's 1435, if we can go 5 just full screen to 1435.</p> <p>6 Q As we've discussed, page three, you arrived at a 7 November 1, 2012 as is value of \$220 million?</p> <p>8 A Yes.</p> <p>9 Q And on the next page, page four, your perspective 10 market value for the property as of November 1, 2015 is \$260 11 million?</p> <p>12 A Yes.</p> <p>13 MR. FIELDS: And just for purposes of the record, 14 in Plaintiff's 121, if we can put that side by side for a 15 second.</p> <p>16 Q On page five, your perspective market value in 17 Plaintiff's 121 is \$20 million less at \$240 million?</p> <p>18 A Yes. In terms of which one is the final, you'd have to 19 ask the bank.</p> <p>20 Q Sir, you're the appraiser that signed this property. 21 Aren't you supposed to know what the final appraised value is?</p> <p>22 A This report is from 2012. Can't -- I can't recall. I 23 would have to --</p> <p>24 Q Just so the record is clear -- I'm sorry.</p> <p>25 A I said you'd have to ask the bank. I can't recall.</p>

<p>D. LARSON - CROSS (MR. FIELDS) Page 1650</p> <p>1 Q But just so the record is clear, you are an appraiser 2 that signed an appraisal and there's two competing appraisals 3 for the same property as of the same dates and you cannot 4 testify here under oath which is the correct one? 5 A Capital One Bank requirement is to provide final 6 appraisals. It could be subject to a review. 7 THE COURT: Let me just say are you asking for the 8 correct one, what you just said, or the final, official one 9 which is what I think you probably really mean? 10 MR. FIELDS: Your Honor, either of the two. 11 THE COURT: Well, let's distinguish between them. 12 Q As you sit here today, Mr. Larson, can you testify if 13 Plaintiff's 121 or Plaintiff's 1435 is the correct or final 14 appraisal for this year? 15 A No, not sitting here I cannot. 16 Q Is it possible that you made an error in finalizing the 17 appraisal for this year for this property? 18 A I don't know. It -- we see value changes before the 19 final frequently and then this is why we have so many reviewers 20 going through these appraisals, to make sure that the very final 21 is accurate, so I wouldn't know. 22 Q Wouldn't know if you made an error where you had two 23 competing appraisals for the same date; is that your testimony? 24 A I don't remember the six. 25 Q But is it possible you made an error?</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1652</p> <p>1 here? 2 A Yes. 3 Q And in Plaintiff's 121, which is on the right, you see 4 that there's a capitalization rate of seven percent, correct? 5 A Yes. 6 Q And Plaintiff's 1435, there's also a capitalization 7 rate of seven percent, right? 8 A Yes. 9 Q So you kept the capitalization rate the same from 2011 10 to 2012, correct? 11 A Yes. 12 Q Plaintiff's 1435, page 20. We looked at this earlier, 13 Mr. Larson, in 2011, but this is standard language that was used 14 in the prior appraisal relating to intended use and intended 15 user, correct? 16 A Yes. 17 Q You have any reason to believe that this has changed 18 from the one we looked at earlier in 2011 to this one? 19 A No, it looks pretty much the same. 20 Q If we could move to page 39 of Plaintiff's 1435, you 21 see at the first line, it says, "Overall asking rents have 22 fallen 12 percent per square foot to end the quarter at \$40.06 23 per square-foot? You see that? 24 A Yes. 25 Q And do you recall from our discussion in 2011 that the</p>
<p>D. LARSON - CROSS (MR. FIELDS) Page 1651</p> <p>1 A It's possible. 2 Q If we could go to page ten in the bottom half of the 3 page, there's direct capitalization in bold letters. Do you 4 recall that in 2011 you used the capitalization rate of seven 5 percent for this property? 6 A Which -- which -- this is -- what appraisal is this? 7 Q This is 2012. My question was do you recall that in 8 the one that we looked at half-hour or so ago from 2011, that 9 the capitalization rate was seven percent? 10 A Which appraisal from 2012? The first one or the second 11 one? 12 Q Well -- 13 A Or the -- is -- 14 Q I suppose that's a question only you can answer 15 respectfully, Mr. Larson. Do you know if it is the first or the 16 second? 17 A Not sitting here, I don't. 18 Q Okay. My question was as of 2011, at the appraisal we 19 looked at earlier, the capitalization rate was seven percent, 20 correct? 21 A Yes, I remember that. 22 MR. FIELDS: If we can pull up side by side 23 Plaintiff's 1435 and Plaintiff's 121. 1435, we can keep 24 where it is. Plaintiff's 121, let's look at page 11. 25 Q Can you see both the competing appraisals on the screen</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1653</p> <p>1 asking rent then was \$39.10 per square-foot? 2 A I can't remember the exact number. 3 Q Do you have reason to doubt the number or would you 4 like me to confirm it with you? I'm happy to. 5 MR. FIELDS: If we could pull up Plaintiff's 140, 6 page 38. 7 Q So in 2011, overall asking rents have fallen \$0.28 per 8 square-foot, ten and a quarter at \$39.10 per square-foot? 9 A Yes, I see it. 10 Q So the asking rents have come up a little bit, correct? 11 A Yes. 12 Q Approximately a dollar or so? 13 A Yes. 14 Q But the next sentence in Plaintiff's 1435, we can keep 15 it side by side, says, "Overall asking rents should remain over 16 \$40 per square-foot this year with strong demand. It was feared 17 that after the financial crisis, the downtown market would 18 languish for several years as the financial tenants with the 19 largest footprint in the area suffered during the fallout. As 20 mentioned earlier, media and technology tenants have been the 21 biggest dealmakers recently and have been the biggest drivers of 22 midtown south's improvement. As Midtown South's vacancy 23 declines, tenants have expanded their search to midtown and 24 downtown. The overflow from midtown south should add healthy 25 demand."</p>

<p>D. LARSON - CROSS (MR. FIELDS) Page 1654</p> <p>1 Is this your -- withdrawn. Are you indicating here 2 that there's positive sentiment in the market for the downtown 3 area at this time? 4 A Yes, looks like it's starting to get better. 5 Q So there's a potential trend that's showing an upward 6 trend; is that fair? 7 A Yes. In comparison with the prior appraisal or rent of 8 39.10 a foot versus 40.06. It's very moderate between that 9 period of time. 10 Q At the bottom of page 39 on 1435, under the heading, 11 "leasing activity," you write that, "Leasing activity is down 12 from a year ago. Downtown had its best year in a decade in 2011 13 in terms of leasing activity, so it is hard to compare." 14 Would it be fair to say that 2011 was a record year for 15 leases in downtown New York City? 16 A It says downtown as best year in a decade since 2011. 17 Q And you continue. "However, there have been many 18 renewals this year and these do not count towards statistics. 19 Morgan Stanley alone signed a 1.2 million square-foot renewal in 20 the second quarter. It is this sort of activity that has kept 21 the market healthy this year. As tenants look to downtown with 22 midtown south filling up, demand for space will grow. Downtown 23 will not match last year's totals, but the market will continue 24 to improve in 2012 because of greater demand." 25 Again, just to be clear, this is indicating that there</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1656</p> <p>1 Q And if an appraisal is -- withdrawn. 2 If a capitalization rate is lower than seven percent, 3 that means the property value would go up, correct? 4 A Yes, unless there's additional capital or some other 5 change in the property that would offset that. 6 Q Keeping everything equal, eliminating those variables, 7 if all of that is the same, all the information is the same 8 except a different capitalization rate, namely a lower one, that 9 would result in a higher property value? 10 A Yes. 11 MR. FIELDS: Page 107 on the 1435, if we could go 12 to page 107 on the 1435 and if we could put side by side 13 Plaintiff's 1573, page 104. 14 Q So on the right, Mr. Larson, we have 1573 which is the 15 2011 appraisal and on the left, we have 1435 which is one of the 16 2012 appraisals. Does that seem accurate? 17 A You are telling me 2011 -- just repeat that, please. 18 Q So 2011 is on the right and one of the 2012s is on the 19 left. 20 A Okay. 21 Q Okay. In 2011, the occupancy status was 72.88 percent, 22 correct? 23 A Yes. 24 Q And in 2012, in 1435, the occupancy status was 25 81.65 percent, correct?</p>
<p>D. LARSON - CROSS (MR. FIELDS) Page 1655</p> <p>1 is a positive sentiment in the market at this time, correct? 2 A Yes. 3 Q How does a positive market sentiment affect your 4 analysis? 5 A We would view the trends in the market and we would 6 look at changes in market rents, changes in assumptions. We 7 look at all of the assumptions between these two appraisals. 8 Q Positive market sentiment could affect a capitalization 9 rate, correct? 10 A Yes, it could. 11 Q And we've established that you kept the same 12 capitalization rate from 2011 to 2012, correct? 13 A Yes. 14 Q A similarly situated, reasonable appraiser with your 15 experience could have arrived at a different capitalization 16 rate, correct? 17 A Yes. 18 Q In fact, it could have -- he or she could have arrived 19 at a lower capitalization rate, correct? 20 A It's possible. 21 Q I mean, a similarly situated appraiser could have put 22 more stock into the positive sentiment in the market at this 23 time to rely upon a lower capitalization rate? 24 A It's possible. That's possible an appraiser could be 25 higher or lower.</p>	<p>D. LARSON - CROSS (MR. FIELDS) Page 1657</p> <p>1 A Yes. 2 Q So the occupancy status in one year has gone up almost 3 ten percent, correct? 4 A Yes. It looks like the addition of four new office 5 tenants. 6 Q I'm sorry. I didn't hear that last part. 7 A It looks like the addition of four new office tenants, 8 50 to 54. 9 Q Right. So there's an additional four office tenants in 10 the 2012 appraisal. The occupancy rate also affects your 11 analysis in arriving at an appraised value, correct? 12 A Yes. 13 Q And the occupancy rate can affect both the net 14 operating income for a property, correct? 15 A Yes. 16 Q And it also could affect the capitalization rate for a 17 property, correct? 18 A Can you repeat that? 19 Q The occupancy status of a property -- withdrawn. 20 The capitalization rate applied to an appraisal could 21 go up or down depending on the occupancy -- occupancy status of 22 that property, correct? 23 A That could be one of the variables or it could be 24 market conditions, but we would determine that based on 25 research.</p>

<p>D. LARSON - CROSS (MR. FIELDS) Page 1658</p> <p>1 Q But would it be fair to say that it would be more 2 likely for a property that's 81 percent leased than 72 percent 3 leased to have a lower capitalization rate because it's more 4 occupied? 5 A It's possible. We would have to examine that during 6 the appraisal. 7 Q But an appraiser can come to that conclusion, correct? 8 A It's possible. 9 Q Can the occupancy rate also affect the discount rate? 10 A A discount rate is based on risk, so that's possible, 11 too. 12 Q And a discount rate you would presume is lower where a 13 building is more occupied than less occupied, correct? 14 A Yes, but there's other factors and risks that you have 15 to look at, all of the information on the property, and how it's 16 operating. So there are a variety of things that we look at 17 other than just occupancy. 18 Q Agreed. But Mr. Larson, there are a whole host of 19 subjectivities that an appraiser looks at when arriving at his 20 or her appraised value, right? 21 A Yes. 22 Q And these that we are discussing now, cap rate discount 23 rate and the like, are just a number of these subjectivities 24 that you're relying on as an appraiser, right? 25 A These are all components or part of a valuation or</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1660</p> <p>1 Q But different appraisers exercising their judgment can 2 arrive at different conclusions based on these same 3 subjectivities; correct? 4 A Just repeat that one more time. 5 Q Different appraisers, similarly situated appraisers 6 relying on their independent judgment could arrive at different 7 conclusions based on the same data or subjectivities available 8 to them? 9 A Yes. 10 MR. FIELDS: All right. Let's move to 1435, page 11 111. And put next to it, please, 1573, page 108. 12 Q All right. So, again, on the left it's 2012; on the 13 right, 2011. Under the heading "lease structure of the subject 14 property," let's start with 2011. "The property is leased to 15 nine major office tenants" in the first sentence; correct? 16 A Yes. 17 Q And if we could then back out and look at the third 18 paragraph beginning with the nine major office tenants. 19 And the nine major office tenants represent over 40 20 percent of the property's total rentable area; right? 21 A Yes. 22 Q And if we look now at the 2012 appraisal, the number of 23 office tenants has gone up to 11 which now represents 50 percent 24 of the property's total rentable area; correct? 25 A Yes.</p>
<p>Page 1659</p> <p>1 appraisal. 2 (Continued on the next page.) 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1661</p> <p>1 Q So there's been two additional tenants in the last -- 2 major tenants in the last year and the percentage has gone up 3 from 40 to 50 percent of the total rentable area? 4 A Correct. 5 Q Again, this is a factor a subjectivity that as an 6 appraiser you look at to determine your appraisal value; 7 correct? 8 A Yes, this is one of the variables we would look at. 9 MR. FIELDS: If we could go to 127 on 1435 and put 10 that next to 125 of 1573. 11 Q Okay. Mr. Larson, so here the heading is "Office 12 Market Rentable Growth Rate" and you've identified again the 13 rent growth at three percent in both years; correct? 14 A Yes. 15 Q On the right in 2011, the growth rate begins in 2012 16 and we agreed earlier that's at the beginning of the 2013 year; 17 right? 18 A Yes. 19 Q And then if we look at the left -- excuse me -- the 20 rent growth rate is three percent and that begins in 2012? 21 A Yes, that's what it says. 22 Q And both instances that would be beginning in the 2013 23 calendar year; right? 24 A No. It says we assumed growth in 2012 on both, both 25 appraisals. So -- so the growth rate would begin in 2012 for</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1662</p> <p>1 both appraisals.</p> <p>2 Q But does it begin at the end of 2012 or the beginning</p> <p>3 of 2013?</p> <p>4 A With the growth rate assumptions applied as the</p> <p>5 effective date of value, whatever they are in, whatever</p> <p>6 appraisal we do.</p> <p>7 Q So as -- but my question is as you look at these two</p> <p>8 does it begin in the beginning of 2013 or the beginning of 2012?</p> <p>9 A I know what it says. It says three percent beginning</p> <p>10 in 2012.</p> <p>11 Q Okay. So just to be clear, in 2012, the occupancy for</p> <p>12 major tenants has gone from 40 to 50 percent and there's been</p> <p>13 two additional major tenants. The occupancy as a whole has gone</p> <p>14 up approximately ten percent to about 81 percent, but you're</p> <p>15 still relying on the same growth rate; correct?</p> <p>16 A Yes, it looks like it.</p> <p>17 Q And you would agree with me the similarly situated</p> <p>18 appraiser could have applied a different rent growth rate;</p> <p>19 correct?</p> <p>20 A Yes, another appraiser can come up with their own</p> <p>21 assumptions.</p> <p>22 MR. FIELDS: Okay. If we could move to</p> <p>23 Plaintiff's 1435, page 163.</p> <p>24 Q All right. On Plaintiff's 1435 --</p> <p>25 MR. FIELDS: We can just go full screen to 1435.</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1664</p> <p>1 Q I'm sorry?</p> <p>2 A Can you show me what the seven percent represents?</p> <p>3 Q Sure.</p> <p>4 MR. FIELDS: If we could go to Plaintiff's 1435,</p> <p>5 page ten?</p> <p>6 THE COURT: Mr. Fields, any chance of finishing</p> <p>7 with this witness today? You have 15 minutes basically.</p> <p>8 I'll give them one minute for redirect.</p> <p>9 MR. FIELDS: Unlikely, Your Honor.</p> <p>10 MR. KISE: Mr. Roberts, and I have a question or</p> <p>11 two, Your Honor.</p> <p>12 THE COURT: All right. I hope you move things</p> <p>13 along apace.</p> <p>14 Q So Plaintiff's 1435, page ten, this is a direct</p> <p>15 capitalization rate that you applied; correct?</p> <p>16 A Yes, this is a going in capitalization rate.</p> <p>17 Q Okay. And if we back out this, zoom in and if we go a</p> <p>18 little bit higher to the middle of the page where it says</p> <p>19 "terminal capitalization rate six percent;" correct?</p> <p>20 A Yes.</p> <p>21 Q So then if we go back to page 163, the terminal</p> <p>22 capitalization rate that you applied was the highest, six</p> <p>23 percent from that list?</p> <p>24 A Yes, it was higher than the average, correct --</p> <p>25 THE COURT: Highest is always going to be higher</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1663</p> <p>1 Thank you.</p> <p>2 Q We've established, Mr. Larson, that you applied a seven</p> <p>3 percent cap rate in this appraisal; right?</p> <p>4 A Yes.</p> <p>5 Q And you see at the top that it has "downtown Manhattan</p> <p>6 office building sales terminal capitalization rate summary."</p> <p>7 Are these capitalization rates that you derived from</p> <p>8 these properties based on recent sales?</p> <p>9 A Yes.</p> <p>10 Q So, for instance, the 180 Water Street was a six</p> <p>11 percent capitalization rate; right?</p> <p>12 A Yes. Terminal capitalization rate to clarify.</p> <p>13 Q And the -- so -- withdrawn.</p> <p>14 The average capitalization rate based on these</p> <p>15 comparables that you identify was 5.81 percent; correct?</p> <p>16 A Yes.</p> <p>17 Q And the high capitalization rate was six percent? The</p> <p>18 highest one in the list?</p> <p>19 A Yes.</p> <p>20 Q And you applied a seven percent capitalization rate;</p> <p>21 correct?</p> <p>22 A Like I said, these are terminal capitalization rates.</p> <p>23 So in the future on a discounted cash flow what you showed me</p> <p>24 before -- can you correct me and show me what you showed me</p> <p>25 before?</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1665</p> <p>1 than the average, right, or should I go back to high school?</p> <p>2 MR. FIELDS: Well, Your Honor, that's why I went to</p> <p>3 law school because I'm very bad with math.</p> <p>4 Q It's higher than the average and higher than the</p> <p>5 highest value there; correct -- sorry.</p> <p>6 It equals the highest value and it's higher than the</p> <p>7 average; right?</p> <p>8 A So we selected the six percent terminally future</p> <p>9 terminalization cap rate. So these are the statistics from the</p> <p>10 sales. So they show your highlighted six percent high and</p> <p>11 average of 5.81 percent.</p> <p>12 Q And the value you chose is higher than the average;</p> <p>13 correct, the terminal capitalization rate that you chose for</p> <p>14 this property in this appraisal was higher than the average of</p> <p>15 5.81 percent?</p> <p>16 A Yes, we selected six percent.</p> <p>17 MR. FIELDS: If we could go to Plaintiff's 1435,</p> <p>18 page 172?</p> <p>19 Q All right. Mr. Larson, is this now a direct</p> <p>20 capitalization method being employed based on comparables?</p> <p>21 A Yes, this is the direct capitalization method</p> <p>22 stabilized as of November 1, 2015 and we cite downtown overall</p> <p>23 capitalization rates.</p> <p>24 Q The overall capitalization rates that you cite here are</p> <p>25 from between 3.62 to 6.74 percent; correct?</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1666</p> <p>1 A Yes.</p> <p>2 Q And the capitalization rate that you use was seven</p> <p>3 percent; correct?</p> <p>4 A Yes.</p> <p>5 Q So the capitalization rate that you used was above the</p> <p>6 average and above the highest of the comparables that you</p> <p>7 selected; correct?</p> <p>8 A Yes.</p> <p>9 Q And finally if we could go to page 176 fourth bullet</p> <p>10 point. I won't read it again, but do you have any reason to</p> <p>11 believe that this language is any different than the language we</p> <p>12 looked at in the 2011 appraisal about limitations about the</p> <p>13 appraisal's use?</p> <p>14 A No, it looks similar.</p> <p>15 Q Therefore, the same restrictions on the use of the 2012</p> <p>16 appraisal as the ones that apply would be the same as the ones</p> <p>17 that apply to the 2011 appraisal; correct?</p> <p>18 A Yes.</p> <p>19 MR. FIELDS: All right. Let's move to</p> <p>20 Plaintiff's 118, which has been admitted in evidence. It's</p> <p>21 the 2015 appraisal of 40 Wall Street. Page two is where the</p> <p>22 appraisal --</p> <p>23 Your Honor, may I have a moment? Judge, may I have</p> <p>24 a moment, please?</p> <p>25 (Whereupon, there is a pause in the proceedings.)</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1668</p> <p>1 A Yes.</p> <p>2 Q And in comparison to the 2012 appraisal or appraisals,</p> <p>3 do you recall that the values were approximately 200 million or</p> <p>4 220 million, depending on which appraisal was the final one?</p> <p>5 A Yes.</p> <p>6 Q And so would it be fair to say that from 2012 to 2015</p> <p>7 the appraised value of this property has gone up considerably?</p> <p>8 A Yes.</p> <p>9 MR. FIELDS: Page Roman Numeral VI top.</p> <p>10 Q Okay. Mr. Larson, so in the middle of the page the</p> <p>11 terminal capitalization rate that you use now is five and a</p> <p>12 quarter; correct?</p> <p>13 A Yes.</p> <p>14 Q And do you recall within the 2012 that you used a six</p> <p>15 percent terminal capitalization rate?</p> <p>16 A That's correct.</p> <p>17 Q And if we can back that out and at the bottom of the</p> <p>18 page under the "direct capitalization" heading, the</p> <p>19 capitalization rate that you used here was 4.25 percent; right?</p> <p>20 A Yes.</p> <p>21 Q And as I recall in 2012, you used a seven percent</p> <p>22 direct capitalization rate; right?</p> <p>23 A Right.</p> <p>24 Q So it's considerably lower?</p> <p>25 A Yes.</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1667</p> <p>1 Q All right. Mr. Larson, on the screen is</p> <p>2 Plaintiff's 118, page 8. This is the 2015 appraisal for 40 Wall</p> <p>3 Street that you did; correct?</p> <p>4 A Yes, this is the appraisal prepared for Ladder Capital</p> <p>5 prepared by Cushman &amp; Wakefield.</p> <p>6 Q And if we could go to the page and the Bates 2006 --</p> <p>7 well, I have a different version so let's go to the transmittal</p> <p>8 page, please.</p> <p>9 Again, this is the transmittal letter from you to</p> <p>10 Ladder Capital Finance; correct?</p> <p>11 A Yes.</p> <p>12 Q Dated June 25, 2015?</p> <p>13 A Yes.</p> <p>14 Q And in the second paragraph the -- we see the same or</p> <p>15 very similar language regarding the use of this appraisal being</p> <p>16 limited to Ladder Capital Finance; correct?</p> <p>17 A Yes.</p> <p>18 MR. FIELDS: All right. If we could go to the next</p> <p>19 page.</p> <p>20 Q Again, this was signed by you, Mr. Larson, and</p> <p>21 similarly signed by Mr. Papagianopoulos and Mr. Nardella?</p> <p>22 A Yes.</p> <p>23 Q Let's go to page Roman Numeral IV, top Roman Numeral</p> <p>24 IV. In the middle here, Mr. Larson, we see that you arrived at</p> <p>25 an as is value of \$540 million?</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1669</p> <p>1 Q The net operating income under the direct cap method is</p> <p>2 approximately \$23,203,000; correct?</p> <p>3 A Yes, with adjustments for free rent.</p> <p>4 Q I'm sorry?</p> <p>5 A With adjustments for free rent.</p> <p>6 Q Right. And so the indicated value is approximately</p> <p>7 \$538 million that you rounded to \$540 million; right?</p> <p>8 A Yes.</p> <p>9 MR. FIELDS: All right. If we could go to page 87</p> <p>10 at the top under the heading "Occupancy Status."</p> <p>11 Q This is still 2015. You write that the property 40</p> <p>12 Wall Street is currently 95.02 percent leased to 72 office</p> <p>13 tenants and four retail tenants.</p> <p>14 Do you recall from the 2012 appraisal that the</p> <p>15 occupancy rate was approximately 82 percent, give or take?</p> <p>16 A Yes, it increased dramatically.</p> <p>17 Q I'm sorry?</p> <p>18 A It increased dramatically.</p> <p>19 Q Are you familiar with the term "rent stabilization?"</p> <p>20 A That's a residential term.</p> <p>21 Q Can -- is it -- can a commercial property be</p> <p>22 stabilized? Have you ever heard that term used?</p> <p>23 A A commercial -- no. You'd have to clarify that with</p> <p>24 me.</p> <p>25 Q Is it not true that a property that is occupied over</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1670</p> <p>1 approximately 93 or 92 percent is considered a stabilized 2 property? 3 A Stabilize -- the definition of stabilization is based 4 on comparables, you know, how it's perceived in the market. 5 There could be -- it could be financially stabilized, it could 6 be, you know, free rent. You know, there is a lot of things to 7 consider when looking -- when calling something stabilized. 8 Q Was 40 Wall Street stabilized in this year at a 9 95.02 percent occupancy rate? 10 A You would have to compare it to occupancy levels of 11 other buildings, but it would probably be close to stabilized or 12 at stabilization. I'm not sure without reviewing the report. 13 Q But in 2012 it had not yet reached stabilization. Is 14 that fair? 15 A That would be fair to say. 16 THE COURT: Five-minute warning. 17 MR. FIELDS: All right. The top of page 91, 18 please. 19 Q Here, we're talking about the lease structure of the 20 subject property and you note that the property is leased to 24 21 major office tenants; correct? 22 A Yes. 23 THE COURT: I just want to point out that New 24 Yorkers are very familiar with the term "rent stabilization" 25 and it only applies I'm 99 percent sure to residential</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1672</p> <p>1 Q So in 2012, does it -- do you recall that the market 2 asking rent was approximately \$40.06? Does that sound right? 3 A It sounds approximately right. 4 Q So if it was approximately \$40.06, it's now \$57.58, you 5 would agree with me that that's approximately a 44 percent 6 increase in three years? 7 A Without doing the math, that sounds about right. 8 That's a pretty big increase. 9 MR. FIELDS: Your Honor, would you like me to -- 10 THE COURT: Break? We're sort of officially over, 11 but we're going to stay on the record to just do some 12 scheduling matters. Will you be continuing your cross 13 tomorrow? 14 MR. FIELDS: Yes, Your Honor, and it should be very 15 brief. Just request an admonishment to the witness not to 16 discuss his testimony. 17 THE COURT: I hereby admonish the witness. 18 Mr. Larson, do not discuss this case with anybody until your 19 testimony is over tomorrow. 20 (Whereupon, the witness is excused from the witness 21 stand.) 22 MS. GREENFIELD: Just really quickly. I know we're 23 going to finish with Mr. Larson tomorrow, then I assume 24 there will be some redirect? 25 MR. WALLACE: I think minimal.</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1671</p> <p>1 properties. In Florida, there may be a different system, 2 different law, different terminology, but I will say, 3 Mr. Fields, you have to be really careful when you say rent 4 stabilization: In New York or they'll jump all over you. I 5 understand that you are using stabilization in a different 6 context, a different way. 7 Q Okay. Mr. Larson, so there is 24 major office tenants 8 as of 2015 and, as you'll recall, in 2012, there were 11 major 9 office tenants; correct? Does that sound right? 10 A Sounds approximately right. 11 Q It went from nine to 11 and now it's at 24; right? 12 A Yes. 13 MR. FIELDS: And if we can go to the top of 14 page 96, last paragraph at the bottom. 15 Q You write "downtown average asking rents continue to 16 increase as direct asking rents rose to \$58.71 per square foot, 17 up 17 percent from one year ago. Downtown overall asking rents 18 reached \$57.58 per square foot, the highest quarterly level ever 19 recorded in this market." 20 So as of the time of this appraisal, Mr. Larson, the 21 asking rent had reached \$57.58 per square foot; correct? 22 A Yes, that's what it says. 23 Q It had gone up from the prior appraisal that you had 24 done in 2012; right? 25 A From three years ago, yes.</p>	<p>Proceedings Page 1673</p> <p>1 MS. GREENFIELD: And who is after Mr. Larson? 2 MR. KISE: We'll have some cross tomorrow of 3 Mr. Larson as well. 4 MR. WALLACE: Then it will be Mr. McArdle -- no. 5 I'm sorry. Actually, what we will do is -- I apologize. 6 The witness, Jack Weisselberg, has some availability, so we 7 would start with him as the next witness after Mr. Larson 8 and then we would move on to Mr. McArdle followed by 9 Mr. Flores. 10 MS. GREENFIELD: Do you think you are going to get 11 to Mr. McArdle tomorrow or is it going to be a full day with 12 Mr. Weisselberg? 13 MR. WALLACE: I don't think we will take a full day 14 on direct. 15 MS. GREENFIELD: Are you going to be crossing 16 Mr. Weisselberg? 17 MR. KISE: I don't think so, but I don't know yet. 18 MS. GREENFIELD: So potentially three witnesses 19 tomorrow? 20 MR. WALLACE: Correct. And I would just add that 21 potentially if -- Mr. Weisselberg no longer lives in the 22 jurisdiction, so might have to return. We can discuss it at 23 a sidebar but we might need to -- if you were to carry over 24 for some reason, we might need to interrupt his testimony. 25 But our expectation would be that it would be the</p>

Proceedings

Page 1674

1 continuation of Mr. Larson, Mr. Weisselberg and then  
2 Mr. McArdle tomorrow.

3 THE COURT: I suggest we call him Jack so there is  
4 no confusion. Somebody out there in the gallery is going to  
5 oh, Mr. Weisselberg. So we're talking about Jack.

6 MR. WALLACE: Jack W. would be our next witness  
7 tomorrow.

8 MR. KISE: And Friday is still Robertson and  
9 Orowitz?

10 MR. WALLACE: Correct.

11 MR. KISE: One other thing. Do we have any further  
12 update on Mr. Cohen's status at all?

13 THE COURT: No. We're still operating under the  
14 assumption that Monday at the earliest and we hope Monday.

15 MR. KISE: Did he ever provide --

16 THE COURT: We did get a fairly extensive doctor's  
17 note.

18 MS. HABBA: Your Honor, I guess now is a good time  
19 since it came up anyway. I do have an argument on the Carro  
20 case on Monday in the Appellate Division, just so you know.  
21 So I would prefer if Michael Cohen was not on Monday, if  
22 possible.

23 THE COURT: Can we make him Tuesday or --

24 MR. WALLACE: Let us go back and work through our  
25 Rolodex and we'll let everyone know if we can accommodate

Page 1675

1 that.

2 THE COURT: I'd appreciate it, of course.

3 MR. KISE: And one other thing, Your Honor. Again,  
4 we've worked these things out, but I was informed this  
5 morning that President Trump has conflicts, pretty  
6 significant ones, right before November 7th is Election Day  
7 so I know we're off then, but the 1st, 2nd, 3rd, and 8th, I  
8 know we were talking about -- and that may work out. It  
9 still may work out fine, there is no problem but I just want  
10 to note that that he may have significant conflicts the 1st,  
11 2nd, 3rd and 8th.

12 MR. WALLACE: I want to make sure I have those  
13 dates correct. It was November.

14 MR. KISE: 1st, 2nd, 3rd, and 8th. We're off the  
15 7th, Election Day and not the 6th.

16 MS. GREENFIELD: We're also off the 10th. We're  
17 also off the 10th.

18 MR. KISE: I know we're off the 10th. Mr. Roberts  
19 would like to have the whole week off personally. That's a  
20 whole other issue.

21 THE COURT: I'm sure he's not the only one.

22 MR. KISE: Well, okay. Ten o'clock tomorrow.

23 MR. WALLACE: Thank you, Your Honor.

24 Proceedings are adjourned to Wednesday, October  
25 18th, 2023 at 10:00 a.m.

D. LARSON - CROSS (MR. FIELDS)

1 Senior Court Reporters  
2 THE COURT OFFICER: All rise. Part 37 is now in  
3 session. The Honorable Arthur Engoron presiding. Make sure  
4 all cellphones are on silent. Laptops and cellphones will  
5 be permitted but only to members of the press. There's  
6 absolutely no recording or photography of any kind allowed  
7 in the courtroom. Now, be seated and come to order.  
8 THE COURT: Okay. Ready or not, we're going to let  
9 in the photographers and the videographer.  
10 (Whereupon, there was a pause in the proceedings.)  
11 THE COURT: One quick housekeeping matter.  
12 Yesterday, I received a letter from the Attorney General  
13 about an evidentiary question and will the defendants be  
14 submitting something? And if so, can we have that by  
15 tomorrow at noon?  
16 MR. KISE: Yes, Your Honor. Can we say tomorrow  
17 evening just because we're on trial tomorrow?  
18 THE COURT: Yes, for sure.  
19 MR. KISE: Thank you.  
20 THE COURT: And OAG, do you have another  
21 housekeeping matter of some sort?  
22 MS. FAHERTY: Good morning. Yes, Your Honor. Just  
23 to clean up the record a bit, yesterday my colleague Mr.  
24 Haren introduced an Exhibit PX 618. It was during the  
25 testimony of Donna Kidder. Ms. Kidder did testify that she  
26 recognized the document. She identified it as an e-mail she  
27 received from Sonja Talesnik regarding page 20 and 28  
28 modifications. Unfortunately, apologies, we did not move to  
29 admit, but we would like to do so now.  
30 MS. HABBA: I spoke with Colleen about this.  
31 Obviously, with our standing objection on statute of  
32 limitations, we have no problem. Thank you.  
33 MS. FAHERTY: Thank you.  
34 THE COURT: It is in with the statute of  
35 limitations, objection noted.  
36 MS. FAHERTY: Thank you, your Honor.  
37 (Whereupon, the Document was marked in evidence as  
38 Plaintiff's Exhibit 618.)  
39 THE COURT: Let's get the witness back.  
40 THE COURT OFFICER: Witness entering.  
41 DOUGLAS LARSON, a witness called by the Plaintiff,  
42 after having been previously duly sworn by the Clerk of the  
43 Court, took the witness stand and testified as follows:  
44 THE COURT: I will remind the witness, as I always  
45 do, that he's still under oath.  
46 And Mr. Fields, would you like to continue the  
47 cross-examination?  
48 MR. FIELDS: Yes, Your Honor. Thank you.  
49 CROSS-EXAMINATION

Page 1679

D. LARSON - CROSS (MR. FIELDS)

1 Q Good morning, Mr. Larson.  
2 A Hi.  
3 Q You recall yesterday we were discussing competing  
4 appraisals from 2012 for 40 Wall Street, correct?  
5 A Yes.  
6 MR. FIELDS: Okay. I'm going to ask that we hand  
7 up to the witness what has not been admitted, but has been  
8 marked as Plaintiff's 3208.  
9 Q Mr. Larson, do you generally recall that your testimony  
10 was you are unsure which of the two appraisals was the final  
11 appraisal?  
12 A Yes.  
13 Q Okay. I'd like, if you could, please look at page two  
14 of 3208.  
15 First of all, do you recognize this as an e-mail that  
16 you sent to Mr. Carías?  
17 A Yes.  
18 Q And this is dated November 13, 2012?  
19 A Yes.  
20 Q The subject line is 40 Wall Street?  
21 A Correct.  
22 Q Okay. And you say to Mr. Carías, "Attached, please  
23 find the final appraisal". And then if we could go back to page  
24 one, Mr. Carías responds the next day at one o'clock in the  
25 afternoon, "Please call me when you have a moment to discuss  
26 this report." Do you recall this e-mail with Mr. Carías?  
27 A I'm seeing it now, yes; but it is an e-mail from Rick  
28 Carías to myself.  
29 Q As you sit here today, do you recall having a phone  
30 conversation with him to discuss the report?  
31 A I don't recall that.  
32 Q If we could go higher up on the e-mail, you respond  
33 November 14, 2012, approximately 24 hours later with the final  
34 revised appraisal, correct?  
35 A Yes.  
36 Q If we could go to page six of the document. Again, Mr.  
37 Larson, the transmittal letter is October 25, 2012?  
38 A Yes.  
39 Q And the as is value as of November 1, 2012 is  
40 \$220 million and on the next page, the as is market -- I'm  
41 sorry, I'm sorry. The appraisal as of November 1, 2015 was  
42 \$260 million.  
43 THE COURT: I think you added a word to this.  
44 subject line that says, "Please find the revised appraisal".  
45 It doesn't say "final" where you were directing his answer.  
46 Q Mr. Larson, was this the final appraisal?  
47 A Could I see the e-mail again?  
48 Q It's right in front of you, sir.  
49 A Yes. It says, "Please find the revised appraisal."

D. LARSON - CROSS (MR. FIELDS) Page 1680

1 Street. Are you aware of any other appraisals other than the  
2 two we discussed here in court?  
3 Q No, I'm not.  
4 Q And just so the record is clear, this exhibit that I'm  
5 showing you now, 3208, and if we could go to page six shows that  
6 this is the final value for 2012 as of November 1st that you  
7 came up with that you appraised for 40 Wall Street, correct?  
8 A Yes, that's what it says on the appraisal.  
9 Q So in 24 hours, your appraised value went up  
10 \$20 million, correct as of November 1st?  
11 A Yes, this is different from the -- a prior appraisal  
12 that was submitted.  
13 Q And in 24 hours, the appraised value as of November 1,  
14 2012 went up \$20 million, correct?  
15 A I believe the number -- the value previously was 200  
16 million.  
17 Q So that would be a \$20 million increase in 24 hours  
18 based on this e-mail communication we just looked at correct.  
19 A That would be called a \$20 million difference, yes.  
20 THE COURT: Hold on.  
21 Mr. Kise.  
22 MR. KISE: Your Honor, could we get an instruction  
23 to this witness, this happened all day yesterday, if he  
24 could answer yes or no, he should answer yes or no? He  
25 keeps answering in sentences or two and you were concerned  
about time. So if he could answer yes or no, which he could  
have easily done the last four or five questions. He should  
just simply answer yes or no.  
MR. LADOV: Objection. To be clear, yesterday we  
had a lot of questions that did not necessarily get a  
yes-or-no answer.  
THE COURT: Let's not go back to yesterday.  
Mr. Kise, granted.  
Mr. Larson, if there is a yes-or-no question and  
you can answer it yes or no, please just answer it yes or no  
without any follow-up or commentary, et cetera. If you  
can't, that's something different. We'll deal with it.  
Q Mr. Larson, as far as you are aware, there is no  
explanation in this appraisal why you added \$20 million to the  
appraised value in 24 hours; is that correct?  
A Yes.  
Q And as you can see on page six here, the transmittal  
date is October 25, 2012, which would have been the original  
transmittal date of the \$200 million appraisal, correct?  
A Could you repeat that again?  
Q Sure. Do you recall yesterday that we discussed that  
the prior appraisal for \$200 million, the transmittal date was  
also October 25, 2012?  
A Yes.

D. LARSON - CROSS (MR. FIELDS) Page 1681

1 to Mr. Carias on or about November 14, 2017 based on this e-mail  
2 in Plaintiff's 3208?  
3 A Yes.  
4 Q So based on this transmittal date and this e-mail, you  
5 backdated an appraisal for an additional \$20 million to a  
6 date -- October 25th was not the real transmittal date of the  
7 final appraisal, correct?  
8 A That is likely a typo.  
9 Q Or you failed to change the transmittal date; fair?  
10 A The date that the appraisal is sent out, that should be  
11 the date of that report. That would be a typo.  
12 Q Just to ask you, Mr. Larson, with regard to this  
13 appraisal, is it fair to say that Mr. Carias probably asked you  
14 to revise the figure in the appraisal?  
15 A Discussions are typically with the appraisal  
16 representatives at the banks to review assumptions or to make  
17 correction.  
18 Q And it is standard practice for you to have those  
19 discussions with the client and to ultimately revise the value,  
20 if needed, correct?  
21 A Yes.  
22 Q So the clients have input in the appraisal process,  
23 correct?  
24 A Yes. The reviewer does at the bank.  
25 Q So you would agree, then, that it is a collaborative  
process between you as the appraiser and the client?  
A It's our value, but we allow opportunities to review  
our work.  
Q And to collaborate on your work, correct?  
A I'm not sure I would call it collaboration because it  
is our value.  
Q But the client can have input on what your ultimate  
value is, correct?  
A They review our appraisals.  
Q My question is can they have input as to what the  
ultimate value is in your appraisal?  
A They can have their own opinions, yes.  
Q But my question is can they have input as to what the  
ultimate value in the appraisal is?  
A Yes.  
Q And there's nothing sinister about that, correct?  
A No.  
Q All right.  
MR. FIELDS: Excuse me. I move into evidence  
Plaintiff's Exhibit 3208.  
THE COURT: Granted. It's in.  
(Whereupon, the Document was marked in evidence as  
Plaintiff's Exhibit 3208.)  
Q Mr. Larson, we left off yesterday discussing a 2015

D. LARSON - CROSS (MR. FIELDS) Page 1682

1 few final questions about that.  
2 MR. FIELDS: If we could pull up Plaintiff's 118,  
3 page 136.  
4 Q You recall, Mr. Larson, we discussed yesterday that the  
5 growth rate that you used for the '11 and '12 appraisals was  
6 three percent, correct?  
7 A Yes.  
8 Q And in '15, you're using the same growth rate, three  
9 percent, yes?  
10 A Yes.  
11 MR. FIELDS: Now, if we could pull up page 171.  
12 Q At the top of the page, do you see that there is an NOI  
13 plus year one free rent and the figure is 23,203,919?  
14 A Yes.  
15 Q This is the net operating income that you used for the  
16 direct capitalization method in this appraisal for 2015,  
17 correct?  
18 MR. FIELDS: In the 2012 appraisal that we just  
19 looked at, we can pull it up side by side, Plaintiff's 1435,  
20 page 173. Could we go to 172. I'm sorry. If we can go to  
21 172 on Plaintiff's 1435.  
22 Q So Mr. Larson, on the right is your 2012 appraisal for  
23 40 Wall Street and at the top, you see where it says, "direct  
24 capitalization valuation method upon achieving stabilized  
25 occupancy as of November 1, 2015." You see that?  
A Yes.  
Q Okay. So if we could go to the next page, 173, there's  
a net operating income of approximately \$18,000,334,523,  
correct?  
A Could you repeat what I'm looking at --  
Sure.  
Q -- so I can follow?  
A So on the right-hand side, you got your 2012 appraisal  
and we just looked at the fact that this is your projected for  
2015, projected net operating income for 2015, the \$18 million  
figure, correct?  
A Yes.  
Q So to be clear, in 2012, you are projecting into the  
future as of November 1, 2015 assuming that there's occupancy  
stabilization that the net operating income will be 18 million  
and change?  
A Yes. The 18 million is also based on the cash flow  
into the future based on assumptions as of the date of value.  
Q I just want to make sure we are in agreement that this  
is a projected figure into the future, correct?  
A Yes.  
Q Okay. And if we can look on the left at Plaintiff's  
118, Plaintiff's 118, page 171 has a \$23 million and change  
figure. But would you agree with me that this is the actual net

D. LARSON - CROSS (MR. FIELDS) Page 1683

1 capitalization method?  
2 A Yes.  
3 Q So I'm not going to -- I'll give you the round numbers  
4 and if you would like to do the calculations yourself, you can  
5 do them. But I'll represent to you that if you subtract 23  
6 million, the figure there, from 2015 from the \$18 million figure  
7 in 2012, the difference is about \$4.8 million, 4,869,396. Does  
8 that generally look about right?  
9 A Yes. Can -- what is the date of the 2015 NOI that has  
10 been adjusted for free rent, so it is clear?  
11 Q Do you have Plaintiff's 118 in front of you?  
12 A If you look at page on the bottom, page 170 to 171 is  
13 the relevant section for the direct capitalization method. So  
14 that net operating income of 23,203,000 is as of 2015.  
15 Q Correct.  
16 A Okay.  
17 Q So back to my original question, if you subtracted the  
18 two values, the actual versus the projected, it gets to about  
19 \$4.8 million, correct?  
20 A Yes.  
21 Q So there was a \$4.8 million difference between what you  
22 projected and what the actual net operating income was in the  
23 year that you projected?  
24 A Yes. As of 2015 for the \$23.2 million, the net  
25 operating income was not stabilized which it looks like because  
of some free rent associated with leasing, so it needed to be  
adjusted.  
Q Your testimony is that in 2015, the 95 percent  
occupancy was not stabilized?  
A There was free rent associated with the leasing that  
had been done.  
Q So is it your testimony, then, that if you -- that you  
have to take out the free rent in order to determine a  
stabilization rate?  
A You need to apply a market cap rate to a stabilized net  
operating income.  
Q But be that as it may, the difference between these two  
figures is about 4.8 correct?  
A Yes.  
Q And in 2015, you used a four and a quarter  
capitalization rate, correct?  
A Yes.  
Q So if you divided the four and a quarter capitalization  
rate from the \$4.8 million, that gets you to about \$114.5  
million difference in value does that seem about right?  
A I can't do those numbers in my head.  
MR. FIELDS: Fair enough. So just for the record,  
what I'll ask the Court to take judicial notice of is that  
\$486,930,096 divided by four and a quarter capitalization

D. LARSON - CROSS (MR. FIELDS) Page 1684

1 THE COURT: Seeing no objections, I will take  
2 judicial notice of that mathematics, yes.  
3 Q Mr. Larson, would it be fair to say, then, that you  
undervalued 40 Wall Street to the tune of approximately 114  
4 and-a-half million dollars based on the conservative figures  
that you used in your 2012 appraisal?  
5 A No, we did not.  
6 Q You did not what?  
7 A We did not undervalue the -- this property based on  
what -- based on the assumptions that were used here.  
8 Q Okay, but your projections were wrong, right?  
9 A We apply those -- the net operating income of  
\$18,300,000 is a projected number and the 23,000,200 was an as  
10 is number as of the current date. So the best we can do is use  
the projections that we knew as of 2012.  
11 Q But my question is, your projection was off by about  
\$4.8 million, correct?  
12 A Yes.  
13 Q And when you convert that into an actual value for the  
property, you short-changed, according to the actual data in  
14 2015, the property value by approximately \$114.5 million,  
correct?  
15 A No. We based, again, our assumptions on what we knew  
at the time and the projections that we knew. So if the  
16 performance of the building changes, then we recognize that.  
17 Q Sir, my question, though, is if you knew in 2012 that  
the actual net operating income would have been 23,203,919, you  
18 would have used that number, correct?  
19 A We would have.  
20 Q So your projection was wrong and, therefore, the  
resulting value for 40 Wall Street was wrong to the tune of  
21 approximately \$114 million?  
22 A Our values were not wrong, no. The values were not  
wrong. It's what we knew at the time.  
23 Q Mr. Larson, you valued 40 Wall Street in 2012 for a  
projected of November 1, 2015 at \$260 million, correct?  
24 A Yes.  
25 Q So if in fact you undervalued 40 Wall Street by 114  
and-a-half million dollars, the actual value that you should  
have had in your appraisal in November of 2012 as of November 1,  
2015 would have been approximately \$374 million, correct?  
MR. LADOV: Objection, Your Honor. I know you  
don't like this, but this question has been asked and  
answered twice already.  
THE COURT: Asked and answered.  
MR. LADOV: Twice already.  
THE COURT: Twice already.  
MR. KISE: It hasn't been answered. First of all,  
it hasn't been asked.

D. LARSON - CROSS (MR. FIELDS) Page 1685

1 wasn't asked.  
2 THE COURT: I will give him a little leeway. I  
understand.  
3 Q Sir, my question is very simple. If you undervalued 40  
Wall Street by approximately \$114 million projected for 2015,  
4 and the value you used in 2012 projected for 2015 was  
\$260 million, then undervalued 40 Wall Street and the  
5 appropriate value should have been \$374 million give or take;  
isn't that true?  
6 A If that was the net operating income, that would have  
been the value at that time.  
7 Q Thank you.  
8 Then the last question I'd like to ask you is on page  
179 of the 2015 which is Plaintiff's 118.  
9 MR. FIELDS: We can pull 1435 off. So Plaintiff's  
118, page 179, please.  
10 Q Mr. Larson, I asked you questions yesterday about the  
fourth bullet point relating to the use of the report. Do you  
11 recall those questions?  
12 A Yes.  
13 Q Do you have any reason to believe that the language in  
this 2015 appraisal is any different than the 2012 and 2011  
14 appraisals that we've discussed with regard to the limitations  
of its use?  
15 A No, it's not different.  
16 Q So your conclusions about the use of this 2015  
appraisal would be the same as the ones that you stated  
17 yesterday regarding 2011 and 2012?  
18 A Yes.  
19 MR. FIELDS: If we could pull up Plaintiff's 3184,  
that's been admitted in evidence, please.  
20 Q Mr. Larson, in the middle of the page here, there is an  
e-mail from Mr. McConney to you on August 5, 2013 and Mr.  
21 McConney writes, "Hi, Doug. Hope you are well. It's that time  
of year again."  
22 What did you understand Mr. McConney's e-mail "it's  
that time of year again" to mean?  
23 A Jeff McConney would call me periodically, not very  
frequently, but to talk about sales and market conditions.  
24 Q You understood his e-mail to be his desire to talk to  
you about sales and market conditions; is that fair?  
25 A Yes.  
Q And your understanding of why Mr. McConney was calling  
you to ask about sales and market conditions was because he was  
doing some sort of valuation of the Trump properties; is that  
correct?  
A I don't recall that exactly, no.  
MR. WALLACE: Objection, Your Honor, at this point,  
Can the defendant please stop commenting during the witness'

D. LARSON - CROSS (MR. FIELDS) Page 1686

1 THE COURT: I don't -- I wouldn't stop them from  
2 talking to each other softly, so that no one else can hear.  
What do you think has been happening?  
3 MR. WALLACE: I believe it's exultations that are  
audible over on this side of the courtroom as well as the  
4 witness is answering questions.  
5 THE COURT: Okay. I'm asking everyone to be quiet  
while the witness is testifying, particularly if it's meant  
6 to influence the testimony.  
7 Q So Mr. Larson, Mr. McConney continues, "Would you be  
able to send me a current report similar to the one attached for  
8 midtown class A buildings and also one for downtown class A  
buildings (like 40 Wall Street). Thanks in advance, Jeff."  
You understood this to be Mr. McConney requesting  
9 market information from you, correct?  
10 A Yes.  
11 Q Specifically relating to 40 Wall Street, correct?  
12 A That's what it appears to be, yes.  
13 Q And this e-mail in 2013 is after you've done an  
appraisal in 2011, an appraisal in 2012 for 40 Wall Street,  
14 correct?  
15 A Yes.  
16 Q If we can go to the response e-mail above,  
approximately 7:53, you respond, "Attached, please find the  
17 sales. I hope all is well. Thanks, Doug." Correct?  
18 A Yes.  
19 Q You didn't say, "Mr. McConney, why do you need this  
market information for 40 Wall Street because I already did  
20 appraisals, correct?"  
21 A No. This is a request by many clients to provide  
market information.  
22 Q And it is standard practice for many climates to ask  
you to provide them market information, correct?  
23 A Yes.  
24 Q And there's nothing sinister about that, is there?  
25 A No.  
Q You sent this information to Mr. McConney because you  
knew that he was valuing the Trump properties, didn't you?  
A I don't recall that.  
Q And just for purposes of the record, if we could go to  
page five of the exhibit, is it fair to say that you attached  
certain spreadsheets to this exhibit that if you have it in  
front of you, Plaintiff's 3184, you sent to Mr. McConney,  
correct?  
A If that is the exhibit, yes.  
Q Well, you have it in front of you, 3184. You see that  
you attached spreadsheets and sent them to Mr. McConney and that  
they are behind that cover e-mail?  
A Yes.

D. LARSON - CROSS (MR. FIELDS) Page 1687

1 and put on the screen Plaintiff's 109. It has not yet been  
admitted in evidence.  
2 Q Mr. Larson, does this appear to be another e-mail chain  
between you and Mr. McConney and others?  
3 A Yes.  
4 Q I move to admit Plaintiff's 109.  
5 THE COURT: Granted. It's in evidence.  
(Whereupon, the Document was marked in evidence as  
Plaintiff's Exhibit 109.)  
(Continued on the next page.)

D. Larson - Plaintiff - cross (Fields)	Page 1688	D. Larson - Plaintiff - cross (Fields)	Page 1690
1 Q At the bottom of the page on September 15, 2014 you ask 2 -- withdrawn. 3 At the bottom of the page, September 15, 2014, 4 Mr. McConney writes to you: "Doug, sorry to bother you. If we 5 have a property with a ground lease that expires in 2079 in one 6 case and 2206 in another, would that effect the cap rate in any 7 way?" That's what he writes to you; correct, Mr. Larson? 8 A Yes. 9 Q Do you recall receiving this e-mail? 10 A I see it now, yes. 11 THE COURT: That's not the question. 12 A Yes -- no, I do not recall receiving it. 13 Q You do not recall receiving the e-mail. 14 If we go up a little bit more, Mr. McConney writes to 15 you again, the following day, September 16, 2014, "Doug, I hate 16 to be a pest, but the accountants are coming in tomorrow to go 17 over my valuations. Any chance you can answer my question 18 below? Sorry for the last minute question. Thanks, Jeff." 19 Do you see that? 20 A Yes. 21 Q You hadn't responded to Mr. McConney so he sent you a 22 follow-up e-mail; correct? 23 A Yes. 24 Q And he told you the accountants are coming in tomorrow 25 to go over, quote, "my valuations," meaning Mr. McConney's		1 all you like. 2 This witness has rights. He has a lawyer in the 3 room. He needs -- 4 MS. FAHERTY: This is witness intimidation, Your 5 Honor. He is on the stand -- 6 MR. KISE: We can have a sidebar then. 7 THE COURT: Let's. 8 MR. KISE: This witness has rights and he has a 9 right to consult with his counsel before he -- 10 THE COURT: Officer, can you escort the witness out 11 just so we can talk outside of the presence of the witness? 12 (Whereupon, the witness is excused from the witness 13 stand.) 14 THE COURT: All right. Let's all calm down. 15 And Mr. Kise, I don't understand. He's on the 16 witness stand. He's answering the questions. 17 MR. KISE: He's on the witness stand. 18 THE COURT: And he can -- 19 MR. KISE: Yesterday, he testified unequivocally 20 "no, I did not." There is more of these. In response to 21 the prosecution's questions he testified that he didn't 22 participate, he didn't work with them and now we've got 23 documents which the government has had that they know 24 they've seen that he's communicated with Mr. McConney about 25 valuations, he's communicated with Mr. McConney about cap	
D. Larson - Plaintiff - cross (Fields)	Page 1689	D. Larson - Plaintiff - cross (Fields)	Page 1691
1 valuations; correct? 2 A Yes. 3 Q So at the time you knew that what Mr. McConney wanted 4 from you was market information so that he could do his 5 valuations; correct, Mr. Larson? 6 A Yes, at the time. 7 Q Just so the record is clear, you knew you were 8 providing market information to Mr. McConney so that he could 9 use it to compile his valuations; correct? 10 A Yes, at the time. 11 MR. FIELDS: So if we could pull up yesterday's 12 transcript at page -- side by side, page 1595, lines 15 to 13 17. 14 Q Line 15: "Did you work with Mr. McConney in 2013 to 15 determine the cap rate that he used to value this property? 16 "ANSWER: No, I did not." 17 You lied yesterday, Mr. Larson? 18 MR. KISE: Your Honor -- 19 A No, I did not at the time. 20 MR. KISE: Before the witness answers that question 21 because there may be more questions of this nature, we may 22 want to take a break. This witness has rights and there is 23 an argument -- 24 MR. WALLACE: Objection, Your Honor. 25 MR. KISE: Let me finish and then you can object		1 rates. This directly contravenes his testimony from 2 yesterday. 3 THE COURT: So what. 4 MR. KISE: I think he needs to be advised as to 5 potential perjury. He has sat on the witness stand in 6 response to their questions without any hesitation and said 7 no, no, no, no, and he has left the distinct impression with 8 this Court and in this room that he had nothing to do with 9 any of this and this was all made up by Mr. McConney in his 10 head. And so this evidence demonstrates fully that he 11 hasn't -- and I just want this witness to be aware of his 12 Fifth Amendment rights not to incriminate himself because he 13 perjured himself yesterday, in my opinion. 14 So that's what I -- why I hesitated because the 15 minute Mr. Fields asked that question I thought we're 16 getting into dangerous territory and rather than have the 17 witness comprise his rights, I want to bring it to the 18 Court's attention. That's what I think and I think the 19 record supports that. 20 THE COURT: Indeed. 21 MR. WALLACE: I'm not even sure this impeaches his 22 testimony, honestly. 23 MR. KISE: We have a distinct difference of 24 opinion, clearly we do. 25 MR. WALLACE: This is some kind of performance I'm	

D. Larson - Plaintiff - cross (Fields)	Page 1692	D. Larson - Plaintiff - cross (Fields)	Page 1694
<p>1 taking it for the press that is now attending to now say</p> <p>2 that they're getting some perfect -- we asked if he worked</p> <p>3 with him to prepare the cap rate. The fact that he got an</p> <p>4 e-mail saying I'm preparing the cap rate doesn't necessarily</p> <p>5 indicate anything of any event.</p> <p>6 Dramatic. Your Honor, this witness has rights, he</p> <p>7 should go talk to his attorney? If they're impeaching his</p> <p>8 testimony, they can impeach his testimony if they think he</p> <p>9 wasn't clear. Yesterday, they can show he wasn't clear.</p> <p>10 I'm not sure they even want him to go talk to a lawyer --</p> <p>11 MR. KISE: I do because unlike the government I</p> <p>12 take those rights seriously.</p> <p>13 MR. WALLACE: Come on. At some point -- you guys</p> <p>14 are sitting here insulting us.</p> <p>15 MR. KISE: If I had pulled what they just did</p> <p>16 yesterday you know what they would do. They would run</p> <p>17 around here with their heads, you know, asking for</p> <p>18 sanctions. I got sanctioned for making legal arguments and</p> <p>19 so now when they do something that is really borderline, in</p> <p>20 my opinion, and frankly it is borderline. They have these</p> <p>21 e-mails, they know this -- they left the courtroom with the</p> <p>22 distinct impression that this gentlemen had nothing to do</p> <p>23 with it. And whether they're concerned about his rights or</p> <p>24 not, I certainly am because I don't think that he</p> <p>25 understands exactly what's going on here. Frankly, that's</p>		<p>1 attempt by Mr. McConney to simply -- there isn't some</p> <p>2 attempt by Mr. McConney to simply make up his interactions</p> <p>3 with this witness and that is the distinct impression that</p> <p>4 was left by the testimony. I think it was misleading and I</p> <p>5 don't know that the witness understands. I don't know that</p> <p>6 the witness understands that these communications exist.</p> <p>7 If we want to continue and everyone is satisfied,</p> <p>8 then fine. It's not a performance, though. I take this</p> <p>9 very seriously and I'm sorry that Mr. Wallace either thinks</p> <p>10 that I don't or doesn't himself.</p> <p>11 MR. WALLACE: Thank you for the dig at the end.</p> <p>12 MR. KISE: You're welcome.</p> <p>13 MR. WALLACE: Mr. Larson's attorney is here and at</p> <p>14 this point having been ripped off the stand and told he has</p> <p>15 Fifth Amendment problems, Nicole Gueron would like to speak</p> <p>16 to him before he returns to the stand. Given what has now</p> <p>17 transpired, I'm happy to have her address the Court.</p> <p>18 THE COURT: I'll let her address the Court. My</p> <p>19 feeling about all of this is, first of all, Mr. Kise, it's</p> <p>20 your own lawyer that's asking questions. My role here is to</p> <p>21 get witnesses to testify. If he's perjured himself</p> <p>22 yesterday or perjuring himself today, and I'm not drawing</p> <p>23 any conclusions at all, I don't care. I just want him to</p> <p>24 testify. The fewer disruptions to that, the better.</p> <p>25 But all right, there is a lawyer here, we like</p>	
D. Larson - Plaintiff - cross (Fields)	Page 1693	D. Larson - Plaintiff - cross (Fields)	Page 1695
<p>1 what I think.</p> <p>2 MR. LADOV: Well, I will just note also that in</p> <p>3 looking at the e-mail we were just discussing the question</p> <p>4 that we have up on the screen says, "Did you work with</p> <p>5 Mr. McConney in 2013 to determine the cap rate that he used</p> <p>6 to value the property?"</p> <p>7 "No, I did not."</p> <p>8 The e-mail that apparently impeaches him is from</p> <p>9 2014, so the fact that they're creating a bit of a mess of a</p> <p>10 set of testimony does not mean that the witness is in some</p> <p>11 kind of peril. It also doesn't mean -- I was reacting --</p> <p>12 the government doesn't care about this witness's Fifth</p> <p>13 Amendment rights. This is a performance. If they want to</p> <p>14 create a record that says you had some e-mails in '14 that</p> <p>15 may be different from your testimony in '13, as I said, I</p> <p>16 don't actually think it's impeachment. They're free to do</p> <p>17 that, but this all -- like what we've just been doing with</p> <p>18 the witness out of the room, I've never seen anyone do</p> <p>19 anything like this. I think it is a performance for the</p> <p>20 press sitting behind us and not a real legal issue.</p> <p>21 THE COURT: Last words?</p> <p>22 MR. KISE: It is not a performance. There is</p> <p>23 e-mails from 2013 that we went over. There is e-mails in</p> <p>24 2014. What these e-mails demonstrate is there is a</p> <p>25 continuing course of communication and this isn't some</p>		<p>1 lawyers. I'll let the lawyer speak.</p> <p>2 Go ahead. What's your position on this? And</p> <p>3 you'll identify yourself and your role.</p> <p>4 MS. GUERON: Thank you, Your Honor. Nicole Gueron.</p> <p>5 Clarick Gueron Reisbaum. I'm counsel to Mr. Larson. He has</p> <p>6 now seen quite a display here. I had been directed not to</p> <p>7 speak to him between yesterday's testimony and today, which</p> <p>8 is, of course, the norm. He has now been fundamentally</p> <p>9 accused of perjury on the stand. I'd like the opportunity</p> <p>10 to have --</p> <p>11 THE COURT: So what. He's accused of perjury on</p> <p>12 the stand. So what.</p> <p>13 MS. GUERON: Well --</p> <p>14 THE COURT: If he's perjuring himself, he's</p> <p>15 perjuring himself.</p> <p>16 MS. GUERON: He is not.</p> <p>17 THE COURT: Well, then if he's not, you have</p> <p>18 nothing to worry about.</p> <p>19 MS. GUERON: Very well, if that's the Court's</p> <p>20 instruction.</p> <p>21 THE COURT: The Court's instruction is to get the</p> <p>22 witness back here as quickly as possible and continue the</p> <p>23 examination now without further interruption.</p> <p>24 THE COURT OFFICER: Witness entering.</p> <p>25 (Whereupon, the witness enters the courtroom and</p>	

<p>D. Larson - Plaintiff - cross (Fields) Page 1696</p> <p>1 approaches the witness stand.)</p> <p>2 THE COURT: Let's continue with the questioning.</p> <p>3 Are we in the middle of a question and answer?</p> <p>4 MR. FIELDS: I think we're in the middle of a</p> <p>5 question. If the Court would indulge a read back?</p> <p>6 THE COURT: Sure. If you can find it.</p> <p>7 (Whereupon, the requested portion of the</p> <p>8 proceedings was read back by the court reporter.)</p> <p>9 MR. LADOV: The question misstates the testimony.</p> <p>10 He's asking about testimony concerning 2013 and showing him</p> <p>11 an e-mail that is not related to the testimony in question.</p> <p>12 MR. FIELDS: It's cross examination, Your Honor.</p> <p>13 If the witness wants to answer that, he'll answer that.</p> <p>14 We'll talk about it.</p> <p>15 THE COURT: Witness understand what's this whole</p> <p>16 year business, '13, '14?</p> <p>17 THE WITNESS: Could you repeat that? What -- can</p> <p>18 you repeat that? I'm sorry.</p> <p>19 THE COURT: I'll consider the last question</p> <p>20 withdrawn. The last question you were on -- I like</p> <p>21 questions to be short, but please give him the information</p> <p>22 that you're working with.</p> <p>23 Q Mr. Larson, Plaintiff's 3184.</p> <p>24 MR. FIELDS: Let's keep this on the screen, please.</p> <p>25 Q Plaintiff's 3184 should be in front of you. We just</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1698</p> <p>1 for the question that's being asked right now.</p> <p>2 MR. KISE: Your Honor --</p> <p>3 THE COURT: Wait. Do we need to take the witness</p> <p>4 out again?</p> <p>5 MR. KISE: No. I was just going to say now we're</p> <p>6 on to speaking objections. There it is. Would they like to</p> <p>7 write out the answer for Mr. Larson?</p> <p>8 MS. FAHERTY: We learned from the best.</p> <p>9 MR. KISE: Apparently.</p> <p>10 THE COURT: Let's avoid speaking objections or</p> <p>11 anything that could sway the witness. I think I'll just let</p> <p>12 it be subject to redirect and -- or if the witness doesn't</p> <p>13 understand the question or whatever he wants to do.</p> <p>14 A This is what I knew at the time and I don't recall, you</p> <p>15 know, seeing this before.</p> <p>16 Q Seeing what before?</p> <p>17 A Before today.</p> <p>18 Q Seeing what before?</p> <p>19 A This e-mail about the valuation.</p> <p>20 Q Does it have an exhibit sticker of 3184 at the bottom?</p> <p>21 A Yes.</p> <p>22 Q Okay. Just to be clear on this e-mail that you have in</p> <p>23 front of you, 3184, you testified a minute ago that you</p> <p>24 understood Mr. McConney was asking for your market information</p> <p>25 to do his valuations; is that correct?</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1697</p> <p>1 discussed it a moment ago. There was an e-mail from 2013 where</p> <p>2 Mr. McConney says: "It's that time of year again" and your</p> <p>3 testimony about five minutes ago you knew he was using your</p> <p>4 market information that you provided him to value his</p> <p>5 properties; correct?</p> <p>6 A Yes.</p> <p>7 Q And you testified yesterday under oath subject to the</p> <p>8 penalty of perjury, did you work with Mister -- strike that.</p> <p>9 Under oath, subject to the penalty of perjury, the</p> <p>10 question was: "Did you work with Mr. McConney in 2013 to</p> <p>11 determine the cap rate that he used to value this property?"</p> <p>12 Your answer, "No, I did not."</p> <p>13 You lied yesterday, Mr. Larson?</p> <p>14 MR. LADOV: Objection.</p> <p>15 Mr. Larson, please.</p> <p>16 Objection because you are -- the witness is being</p> <p>17 accused of lying.</p> <p>18 MR. FIELDS: It's a court of law, Your Honor.</p> <p>19 MR. LADOV: Your Honor, he's being shown testimony</p> <p>20 asking whether he worked with Mr. McConney to determine a</p> <p>21 cap rate. He's allegedly being impeached by an e-mail in</p> <p>22 which Mr. McConney is asking questions about ground leases</p> <p>23 and how they might affect property values one way or</p> <p>24 another. There is -- I mean, there is no inconsistency</p> <p>25 between his testimony and the e-mails, but there is no basis</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1699</p> <p>1 A That's what it says in the e-mail, that's what it</p> <p>2 appears at the time that I knew, yes.</p> <p>3 Q And you responded to Mr. McConney with sales. You</p> <p>4 said, "Attached please find the sales. I hope all is well."</p> <p>5 And you attached several spreadsheets, isn't that</p> <p>6 correct?</p> <p>7 A Yes.</p> <p>8 Q And those spreadsheets that you attached have</p> <p>9 capitalization rates, isn't that true?</p> <p>10 A Yes.</p> <p>11 Q And you knew that Mr. McConney was using the</p> <p>12 capitalization rate to figure out a value for the Trump</p> <p>13 properties, didn't you?</p> <p>14 A Yes, I must have because he says that in his e-mail</p> <p>15 about valuations.</p> <p>16 Q And you knew that in 2013; correct?</p> <p>17 A I must have because he says that there are valuations</p> <p>18 he's performing.</p> <p>19 Q So that's a yes?</p> <p>20 THE COURT: Well, let him decide whether it's a yes</p> <p>21 or a no.</p> <p>22 A I'm not sure. It's a long time ago.</p> <p>23 Q Sir, my question is in 2013 this e-mail in front of you</p> <p>24 you sent him market information that included cap rates. You</p> <p>25 knew in 2013 that Mr. McConney was using the information that</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1700</p> <p>1 you sent him; namely, the cap rates to value the Trump 2 properties, did you not? 3 A I did. 4 Q And you testified yesterday that you did not work with 5 Mr. McConney to determine any cap rate that he used to value 6 this property, didn't you? 7 A This is my -- from my deposition four years ago? 8 Q No, sir. This was yesterday in this courtroom. 9 A Okay. 10 THE COURT: Maybe the -- hold on. Maybe the 11 confusion is what does it mean to work with and what does it 12 mean to determine. I don't see an inconsistency here. 13 MR. FIELDS: Your Honor, respectfully, may the 14 witness answer the question, please? 15 THE COURT: Sure. 16 MR. KISE: I'd like to -- 17 MR. FIELDS: And I will address that, Your Honor. 18 I certainly will. I will. 19 A Well, the question says, "to determine a cap rate he 20 can come up with his own cap rate based on the data that we gave 21 him. 22 Q And his cap rate can be the same that you would use or 23 a different one that he would use; correct? 24 A That is correct. 25 Q Because it's his valuations, not yours?</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1702</p> <p>1 Q So this is a Statement of Financial Condition 2 supporting spreadsheet as of June 30, 2014. Do you see that? 3 A Yes. 4 MR. FIELDS: And if we could scroll to Row 148 and 5 just scroll up a little bit just so we can show what 6 property it is. 7 Q You see in Row 118, Mr. Larson, it says 40 Wall Street? 8 A Yes. 9 Q And then in columns G and H there are dates June of 10 2013 and June of 2014. Do you see that? 11 A Yes. 12 MR. FIELDS: Okay. If you can scroll down to 13 Row 148. 14 Q So in June 30, 2014, Mr. McConney writes "Information 15 provided by Doug Larson of Cushman &amp; Wakefield Incorporated?" 16 So you would agree that you provided information to 17 Mr. McConney; correct? 18 A Yes. 19 Q It goes on to say "Only one similar size Class A 20 building sold in the downtown area in the last year (110 William 21 Street) with a cap rate of 4.97 percent. There was one Class B 22 building sold recently (61 Broadway.) The cap rate for this 23 building is 4.46 percent. According to Doug, the spread between 24 Class A and Class B buildings is typically 50 to 100 bases 25 points. To be conservative, we reduced the cap rate of 75 basis</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1701</p> <p>1 A That is correct. 2 Q And the valuations that Mr. McConney was using in the 3 supporting spreadsheets that you've been shown here today and 4 the ones that you were shown in 2019 at your examination under 5 oath were all Mr. McConney's valuations; correct? 6 A That is correct. 7 Q And they were based on information that you were 8 providing to Mr. McConney, isn't that correct? 9 A Yes. 10 Q And the information that you provided to Mr. McConney 11 were cap rates and comparables for the market failure, isn't 12 that true? 13 A Yes. 14 Q And Mr. McConney is free to choose whatever cap rate he 15 wants from the value -- or from the information that you sent 16 him, isn't that true? 17 A Yes. 18 Q That doesn't necessarily mean that it's your valuation 19 or Cushman's valuation, does it? 20 A It does not. 21 MR. FIELDS: If we could move to Plaintiff's 719, 22 the 24 supporting spreadsheet -- 2014 supporting 23 spreadsheet. I'm sorry. Rows 148 to 152, please. 24 Actually, if we could scroll all the way up to the top, 25 please, just to show the date.</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1703</p> <p>1 points to 3.71 percent. We used the average of these two 2 rates." 3 Isn't it true, Mr. Larson, that the information 4 Mr. McConney's relying on here is from discussions he had with 5 you and also the market information that you were routinely 6 sending to him? 7 A Most likely, yes. 8 Q And that doesn't necessarily mean that the valuations 9 methods that he's using are your valuation methods; correct? 10 A Correct. 11 Q They're his own valuation methods, but it's based on 12 information that you are providing to him; correct? 13 A Yes. 14 MR. FIELDS: If we could pull up Plaintiff's 730, 15 please? 16 Q Mr. Larson, you were shown by government counsel the 17 Statement of Financial Condition -- withdrawn. 18 You were shown a Statement of Financial Condition by 19 government counsel yesterday. Do you generally recall seeing a 20 document that looked like this? 21 A Yes. 22 Q And the one that we have up on the screen is 23 Plaintiff's 730 dated June 30, 2014. Do you see that? 24 A Yes. 25 Q On page three of the PDF I'll represent to you that the</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1704</p> <p>1 submission date of this document is November 7, 2014, okay?</p> <p>2 A Yes.</p> <p>3 Q Do you see that? So this spreadsheet corresponds --</p> <p>4 I'm sorry -- withdrawn.</p> <p>5 This Statement of Financial Condition corresponds to</p> <p>6 the supporting spreadsheet that we just looked at a minute ago,</p> <p>7 okay?</p> <p>8 A Okay.</p> <p>9 MR. FIELDS: All right. If we could go to page</p> <p>10 four and if we could highlight the first two paragraphs.</p> <p>11 I'm sorry. Page six.</p> <p>12 Q You see under the subheading or the heading "Basis of</p> <p>13 Presentation." Do you see that?</p> <p>14 A Yes.</p> <p>15 Q It says, "The accompanying Statement of Financial</p> <p>16 Condition consists of the assets and liabilities of</p> <p>17 Donald J. Trump." You understand that to mean that this</p> <p>18 statement pertains to the assets and liabilities of President</p> <p>19 Donald Trump; correct?</p> <p>20 A Yes.</p> <p>21 Q They're not your assets and liabilities or Cushman &amp;</p> <p>22 Wakefield's; correct?</p> <p>23 A Yes.</p> <p>24 Q It says, "Assets are stated at their estimated current</p> <p>25 values and liabilities at their estimated current amounts using</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1706</p> <p>1 conjunction with his associates; correct?</p> <p>2 A That's what it appears to say, yes.</p> <p>3 Q It continues: "Considerable judgment is necessary to</p> <p>4 interpret market data and develop the related estimates of</p> <p>5 current value. Would you agree with me that there is</p> <p>6 considerable judgment necessary to value a property?</p> <p>7 A Yes.</p> <p>8 Q Because appraisers can come up with different values</p> <p>9 and appraise different numbers for the same property on the same</p> <p>10 day; correct?</p> <p>11 A Yes.</p> <p>12 Q "Accordingly, the estimates presented herein are not</p> <p>13 necessarily indicative of the amounts that could be realized</p> <p>14 upon the disposition of the assets or payment of the related</p> <p>15 liabilities. The use of different market assumptions and/or</p> <p>16 estimation methodologies may have been a material effect on the</p> <p>17 estimated current value amounts."</p> <p>18 Had you read this disclaimer clause? Had the</p> <p>19 government ever showed you this disclaimer clause?</p> <p>20 MR. LADOV: Objection.</p> <p>21 MR. FIELDS: I'll withdraw it.</p> <p>22 Q Had the government ever shown you this disclaimer</p> <p>23 clause?</p> <p>24 MR. LADOV: Objection.</p> <p>25 THE COURT: Ground?</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1705</p> <p>1 various valuation methods. Such valuation methods include, but</p> <p>2 are not limited to, the use of appraisals, capitalization of</p> <p>3 anticipated earnings, recent sales and offers, and estimates of</p> <p>4 current values as determined by Mr. Trump in conjunction with</p> <p>5 his associates and, in some instances, outside professionals."</p> <p>6 Do you see that?</p> <p>7 A Yes.</p> <p>8 Q Okay. You see the use of the appraisals; correct?</p> <p>9 A Yes.</p> <p>10 Q You also see the use of capitalization of anticipated</p> <p>11 earnings, that's the direct cap method; right?</p> <p>12 A Yes.</p> <p>13 Q You see recent sales and offers, that would be a sales</p> <p>14 comp method; correct?</p> <p>15 A Yes, it would.</p> <p>16 Q And estimated current -- sorry.</p> <p>17 And "estimates of current values as determined by</p> <p>18 Mr. Trump in conjunction with his associates and, in some</p> <p>19 instances, outside professionals."</p> <p>20 Do you understand this to mean that in not in every</p> <p>21 instance do they have to use valuations in conjunction with his</p> <p>22 associates?</p> <p>23 A That's what it appears to read.</p> <p>24 Q So in some valuations it could be in conjunction with</p> <p>25 his associates and in other valuations it could not be in</p>	<p>D. Larson - Plaintiff - cross (Fields) Page 1707</p> <p>1 MR. LADOV: This isn't a disclaimer clause.</p> <p>2 THE COURT: Sustained.</p> <p>3 Q Withdrawn. Very good point.</p> <p>4 Had government ever shown you you this clause?</p> <p>5 A Yes.</p> <p>6 Q They had shown it to you?</p> <p>7 A I've seen this, yes.</p> <p>8 Q Where have you seen it?</p> <p>9 A I saw it -- I saw it on Monday.</p> <p>10 Q Where did you see it on Monday?</p> <p>11 A At the AG's office.</p> <p>12 Q You met with the Attorney General on Monday?</p> <p>13 A Yes.</p> <p>14 Q The attorney -- the deputy attorney generals, the</p> <p>15 assistant attorney generals?</p> <p>16 A Yes.</p> <p>17 Q Did you meet with the Attorney General herself?</p> <p>18 A No.</p> <p>19 Q What did you discuss with at the Attorney General's</p> <p>20 Office on Monday?</p> <p>21 A We reviewed or was reviewed to me discussions about the</p> <p>22 information.</p> <p>23 Q Is it your understanding from your discussions with the</p> <p>24 government that the government's theory is that your valuations</p> <p>25 are the ones represented in the statements of financial</p>

<p>D. Larson - Plaintiff - cross (Fields) Page 1708</p> <p>1 condition and the supporting spreadsheets?</p> <p>2 A Just repeat that again.</p> <p>3 Q Isn't it true that your understanding of what the</p> <p>4 government's theory is is that your numbers are reflected in</p> <p>5 these supporting spreadsheets and these statements of financial</p> <p>6 condition. Isn't that true?</p> <p>7 MR. LADOV: Objection. I just want to -- I'm</p> <p>8 sorry. I just want to make clear that -- just with the</p> <p>9 additional "isn't that true," I just want to make clear that</p> <p>10 the question is to Mr. Larson's understanding, not to the</p> <p>11 government's theory.</p> <p>12 MR. FIELDS: It's his understanding of the</p> <p>13 government's theory based on his meeting on the government</p> <p>14 on Monday and prior meetings and prior interviews with the</p> <p>15 government.</p> <p>16 THE COURT: I'll let the witness answer if he can</p> <p>17 answer.</p> <p>18 A I think anybody could interpret this to mean, you know,</p> <p>19 that is -- I am stating as an outside professional that's what's</p> <p>20 implied and it's subject to interpretation.</p> <p>21 Q So please tell me where you see your name there?</p> <p>22 A I don't see my name.</p> <p>23 Q Okay. You're not stated there; correct?</p> <p>24 A No.</p> <p>25 Q And it says that in some instances they were allowing</p>	<p>Page 1710</p> <p>1 "Hi, Doug. I hope you are well. Would you be able to send me</p> <p>2 current reports for midtown and downtown Class A office</p> <p>3 buildings;" correct?</p> <p>4 A Yes.</p> <p>5 Q And you responded on the next page within a few hours</p> <p>6 on the bottom, "please see attached. Let me know if you need</p> <p>7 anything else;" correct?</p> <p>8 A Yes.</p> <p>9 Q So you, again, sent him market information and reports</p> <p>10 and this is 2017; right?</p> <p>11 A Yes.</p> <p>12 Q Then Mr. McConney responds on the 28th: "Doug, I'm</p> <p>13 looking at the information for 1221 Avenue of the Americas,</p> <p>14 which has a cap rate of 2.9 percent. The building is in the</p> <p>15 process of being modernized. Building 1290 was recently</p> <p>16 modernized for a comp. I'd like to use the cap rate of 1221,</p> <p>17 but since we are fully modernized can we reduce the cap rate of</p> <p>18 2.9 percent?"</p> <p>19 Then on March 1st you respond, "please call me when you</p> <p>20 have a chance to discuss."</p> <p>21 Do you recall this call with Mr. McConney March 1st of</p> <p>22 2017 or thereabouts?</p> <p>23 A No, I don't recall it.</p> <p>24 Transcript continues on the following page....</p> <p>25</p>
<p>D. Larson - Plaintiff - cross (Fields) Page 1709</p> <p>1 outside professionals; correct?</p> <p>2 A Yes.</p> <p>3 Q Not all the time?</p> <p>4 A I don't know.</p> <p>5 Q Well, it says "in some instances," so that means not</p> <p>6 all the time; correct?</p> <p>7 A That's what that would mean, correct.</p> <p>8 Q So you are making the assumption that you included in</p> <p>9 this paragraph; correct?</p> <p>10 A Yes.</p> <p>11 Q But be that as it may, whether you're included in this</p> <p>12 paragraph or not, the values and the statements of financial</p> <p>13 condition and the supporting spreadsheets are Mr. McConney's</p> <p>14 values, not yours; correct?</p> <p>15 A That is correct.</p> <p>16 MR. FIELDS: If we could pull up Plaintiff's 115</p> <p>17 that has not been admitted.</p> <p>18 Q I'm showing you what's been marked, Mr. Larson, as</p> <p>19 Plaintiff's 115. Do you recognize this to be another e-mail</p> <p>20 chain between you and Mr. McConney?</p> <p>21 A Yes.</p> <p>22 Q And on Tuesday, February 28, 2017 -- withdrawn.</p> <p>23 MR. FIELDS: If you can go to page two of the</p> <p>24 exhibit, please?</p> <p>25 Q Mr. McConney writes to you on February 27th of 2017:</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1711</p> <p>1 Q Do you have any reason to despite that you actually had</p> <p>2 the call?</p> <p>3 A I do not.</p> <p>4 MR. FIELDS: All right. If we pull up -- sorry,</p> <p>5 Your Honor. May I move into evidence Plaintiff's 115?</p> <p>6 THE COURT: Granted. It's in evidence.</p> <p>7 (Whereupon, the Document was marked in evidence as</p> <p>8 Plaintiff's Exhibit 115.)</p> <p>9 MR. FIELDS: If we could pull up Plaintiff's 742.</p> <p>10 Go all the way to the top.</p> <p>11 Q So this is the supporting spreadsheet as of June 30,</p> <p>12 2016 and I'll represent to you that the Statement of Financial</p> <p>13 Condition for 2016 was finalized on March 10th of 2017, okay.</p> <p>14 So that would have been about nine days after or thereabouts</p> <p>15 your phone call with Mr. McConney, okay.</p> <p>16 A Okay.</p> <p>17 THE COURT: We don't know it was a phone call. He</p> <p>18 said he didn't remember it. He said it might have happened.</p> <p>19 MR. FIELDS: He said that he didn't dispute that it</p> <p>20 happened.</p> <p>21 THE COURT: I stand corrected. We still don't</p> <p>22 really know that it happened, but he is not disputing it.</p> <p>23 So let's assume it happened.</p> <p>24 MR. FIELDS: Fair enough.</p> <p>25 Q It was common practice for you and Mr. McConney</p>

<p>D. LARSON - CROSS(MR. FIELDS) Page 1712</p> <p>1 whenever -- it was common -- was it common practice for you 2 and Mr. McConney to speak over the phone when he requested 3 information from you and you responded please call me? 4 A I can't recall, but sometimes there were phone calls 5 after, yes. 6 Q Okay. So if we could go to lines 801 and 802, please. 7 It says, "June 30, 2016, 1290 based on information provided by 8 Doug Larson of Cushman &amp; Wakefield which reflects a cap rate of 9 2.9 percent for a comparable office building". All right. So 10 if you have plaintiff's -- if we could keep this on the screen, 11 please, but if you have Plaintiff's 115 in front of you, Mr. 12 Larson, it is a two-page exhibit. You see in the middle that 13 Mr. McConney asks you if he can reduce the capitalization rate 14 because 1290 is fully modernized. Do you see that? 15 A Yes. 16 Q Then you have -- you ask him to have a discussion with 17 him and you don't recall exactly if this discussion happened, 18 but in the actual supporting spreadsheet at line 801, he uses a 19 capitalization rate of 2.9 percent, correct? 20 A Yes. 21 Q So the capitalization rate was not lower as he was 22 initially hoping, correct? 23 A You'd have to refresh me. What was the prior -- 24 Q Sure. So Plaintiff's 115, he said he was looking for a 25 cap rate lower than 2.9 percent, correct?</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1714</p> <p>1 have or suggest, make a suggestion like that. We do usually 2 talk in ranges. These are, you know, similar conversations that 3 we had with, you know, over professionals, so when discussing 4 certain sales or whatever. So I don't remember the 5 conversation. So I don't -- I don't remember suggesting a 6 certain cap rate on this building. I don't remember a 7 conversation like that, but he could have used whatever he 8 wanted to. 9 Q Fair enough. Is it possible that you provided him a 10 range and he chose within that range or chose outside that 11 range? 12 A Yes. 13 Q You could have said between 2.8 and 3 is the good range 14 and he chose the middle number? That's possible, correct? 15 A Sure, but it -- it would be in rounded figures. 25 16 base points or something like. It wouldn't be that exact 17 typically. 18 Q And just so we're clear, Mr. Larson, you did an 19 appraisal that we discussed. I think you discussed with 20 government counsel yesterday Plaintiff's 1824 which has been 21 admitted in evidence. I'm not going to ask you a lot of details 22 about it, but you did an appraisal for 1290 Avenue of the 23 Americas prepared for Deutsche Bank as an agent, correct? 24 A Yes. 25 Q And that was as of November 1, 2012, correct?</p>
<p>D. LARSON - CROSS(MR. FIELDS) Page 1713</p> <p>1 A Yes. 2 Q And here, he used a 2.9 percent cap rate? 3 A Okay. Yes. 4 Q So isn't it possible that you and Mr. McConney 5 discussed over the phone that a 2.9 percent cap rate was the 6 better cap rate to use? 7 MR. LADOV: Objection. 8 MR. KISE: What's the objection? 9 MR. LADOV: The witness has already testified that 10 he doesn't recall a phone conversation much less the 11 contents of that phone conversation. 12 MR. KISE: He testified to a lot of things and now 13 he is recalling a lot more today. 14 MR. FIELDS: The question was was it possible, Your 15 Honor. 16 MR. LADOV: The objection stands. 17 THE COURT: It is speculation, I guess, but I'll 18 overrule the objection. Don't worry. Not that you would 19 ever worry. Do you need the question read back? Do you 20 remember it? Do you want -- 21 Q Is it possible that you and Mr. McConney discussed on 22 the phone that the 2.9 percent cap rate was the better cap rate 23 to go with and not a lower cap rate like Mr. McConney wanted? 24 A It's typically not my practice to, you know, provide a 25 point estimate for a cap rate. It's, you know -- you would</p>	<p>D. LARSON - CROSS(MR. FIELDS) Page 1715</p> <p>1 A Yes. 2 Q And we would just -- we were just having a discussion 3 about information that you were providing to Mr. Larson in 4 approximately 2016 or 2017, correct, about 1290 Avenue of the 5 Americas? 6 A Yes. 7 Q So this would be approximately four, give or take, five 8 years after you did an appraisal for that same property? 9 A Just repeat that, so I understand the dates. 10 Q Sure. So the discussion that we were just having about 11 the supporting spreadsheet from June 30th of 2016 was 12 approximately four years after the appraisal. You did for that 13 same property in 2012? 14 A Yes. 15 Q And at no point did you advise Mr. McConney that the 16 correct capitalization rate to use was the one that you actually 17 used in your appraisal, correct? 18 A I don't remember having that discussion. 19 Q But there would have been no need for you to have that 20 discussion because you can use whatever capitalization rate he 21 sees fit, right? 22 A That is correct. 23 Q All right. Just the record is clear, this 1290 Avenue 24 of the Americas appraisal contains the same or -- withdrawn. 25 If you can go to page 189 of this report, please. You</p>

<p>D. LARSON - CROSS(MR. FIELDS) Page 1716</p> <p>1 see the fourth bullet point. Does it appear to have the same 2 limitation of use language that the other appraisals have had 3 that we've looked at? 4 A Yes. 5 Q So this appraisal would have been limited to the use of 6 the client for which you did the appraisal for? 7 A Yes. 8 Q If we could go to page three. And just for purposes of 9 the record, the second full paragraph, the first sentence. 10 "This report was prepared for Deutsche Bank as agent Bank of 11 China, UBS Securities, L.L.C. and Goldman Sachs Mortgage Company 12 and is intended only for its specified use." So this appraisal 13 could not have been used by the Trump Organization, correct? 14 A Yes. 15 MR. FIELDS: Your Honor, may I have one moment, 16 please? 17 THE COURT: Sure. 18 (Whereupon, there was a pause in the proceedings.) 19 MR. FIELDS: No further questions for me, Your 20 Honor. Thank you. 21 THE COURT: Then let's take a break now then, I 22 guess. Will there be -- 23 MR. ROBERT: I have questions so after the break is 24 fine. 25 THE COURT: One of these days, I'll remember that.</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1718</p> <p>1 A Yes. 2 Q You testified this morning that you met with the 3 government on Monday, correct? 4 A Yes. 5 Q And how many Assistant Attorney Generals did you meet 6 with on Monday? More than one? 7 A Yes. 8 Q More than two? 9 A Approximately four or five. 10 Q Basically, you can fit on this table the number of 11 assistant attorney generals you met with on Monday, correct? It 12 is an easy question, sir. Yes? 13 A Not the entire table, no. 14 Q Well, there are four people here and you said you met 15 with four or five people, true? 16 A Yes. 17 Q And they showed you documents while you were meeting 18 with them, correct? 19 A Yes. 20 Q And the purpose of that meeting was to prepare you for 21 today, true? 22 A What do you mean by "prepare"? 23 Q Did they ask you about your family? 24 A No. 25 Q Did they want to know about your hobbies?</p>
<p>D. LARSON - CROSS(MR. ROBERT) Page 1717</p> <p>1 MR. ROBERT: It is okay. I'm easy to forget, Your 2 Honor. 3 THE COURT: No, you are a not. We will take the 4 usual 10-minute-break over the next 15 minutes. 5 (Witness exits the stand. ) 6 (Whereupon, a recess was taken.) 7 THE COURT OFFICER: All rise. Part 37 is back in 8 session. Be seated and come to order. 9 THE COURT: Just one word to counsel. As you know, 10 we have one reporter at a time taking this all down. So 11 please wait until the other person is finished before you 12 start talking. No talking over each other. Okay. Witness. 13 We're getting Mr. Larson back. 14 THE COURT OFFICER: Witness entering. 15 THE COURT: Okay. Let's start with the 16 cross-examination by Mr. Robert. 17 MR. ROBERT: Thank you, Your Honor. 18 CROSS-EXAMINATION 19 BY MR. ROBERT: 20 Q Good morning, Mr. Larson. 21 A Hi. 22 Q I'm going to ask you questions and as Your Honor has 23 said earlier, I'm going to ask you to answer them yes or no. 24 And if you feel you can't, tell me and I will try to rephrase 25 the question. Fair enough?</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1719</p> <p>1 A No. 2 Q Did they want to talk about sports and current events? 3 A No. 4 Q Did they want to talk about the presidential election? 5 A No. 6 Q Although, I know that came up a little. Withdrawn. 7 Sir, they met with you to prep you? 8 MR. LADOV: Objection. 9 MR. ROBERT: What's the objection? 10 MR. LADOV: The question was -- 11 THE COURT: The objection is withdrawn, right? 12 Q They met with you to prep you, to prepare you for 13 testifying here today in court against President Trump and his 14 company, correct? 15 A What do you mean by "prepare"? 16 Q They went over with you the questions and themes they 17 were going to ask you today, correct? 18 A Yes. 19 Q And they spent considerable time with you going over 20 that, right? 21 A Yes, for a few hours. 22 Q Your lawyers were with you in the meeting, correct? 23 A Yes. 24 Q And I think you have three lawyers here today. They 25 were all with you, right?</p>

<p>D. LARSON - CROSS(MR. ROBERT) Page 1720</p> <p>1 A They were not all there.</p> <p>2 Q You at least had one lawyer there, correct?</p> <p>3 A Yes.</p> <p>4 Q And sir, prior to you meeting with them on Monday, when</p> <p>5 was the last time you met with them?</p> <p>6 A At deposition.</p> <p>7 Q Between the deposition and the time you met with them</p> <p>8 two days ago, isn't it true that your lawyers have had</p> <p>9 conversations with members of the Attorney General staff; yes or</p> <p>10 no?</p> <p>11 A Yes, there's been some communication.</p> <p>12 Q And sir, as part of the stuff that they showed you and</p> <p>13 I'll use the word "stuff," they showed you those massive</p> <p>14 spreadsheets that you testified about at length yesterday to Mr.</p> <p>15 Ladov's questions, correct?</p> <p>16 A Yes, I saw those spreadsheets.</p> <p>17 Q And they showed you specifically where your name was</p> <p>18 referenced every time Jeff McConney said in words or substance</p> <p>19 he consulted and got information from you, correct?</p> <p>20 A Yes, I saw some of that information.</p> <p>21 Q The same type of information that Mr. Ladov questioned</p> <p>22 you about yesterday, about where your name would be there and it</p> <p>23 will be about a conversation that you had with Jeff McConney,</p> <p>24 correct? Yes or no, sir?</p> <p>25 A I don't recall all of the topics.</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1722</p> <p>1 colleague spoke to you about this morning about the</p> <p>2 conversations you had with Jeffrey McConney, did they?</p> <p>3 A No, I haven't seen those.</p> <p>4 Q All I want is a yes or no, sir. If I want more, I'll</p> <p>5 ask you, or I'll ask His Honor to ask you to give me more. The</p> <p>6 answer is they didn't show it to you, did they?</p> <p>7 A No.</p> <p>8 Q They spent time --</p> <p>9 THE COURT: Wait. Wait. I advise all attorneys</p> <p>10 not to ask questions in the negative. "They didn't do that,</p> <p>11 did they?" No or yes could be interpreted either way.</p> <p>12 it's -- I'm changing what I said before. It is somewhat</p> <p>13 ambiguous.</p> <p>14 MR. ROBERT: I will rephrase the question.</p> <p>15 THE COURT: Ask questions in the positive, if</p> <p>16 possible.</p> <p>17 Q Sir, when you met with members of the Attorney</p> <p>18 General's office on Monday, were you shown the documents that</p> <p>19 Mr. Fields showed you this morning, specifically Plaintiff's</p> <p>20 Exhibit 109 and 3184, which show the back and forth between you</p> <p>21 and Jeff McConney?</p> <p>22 A No.</p> <p>23 Q Because the first time you saw them was today?</p> <p>24 A Correct.</p> <p>25 Q So with all of the preparation with the Attorney</p>
<p>D. LARSON - CROSS(MR. ROBERT) Page 1721</p> <p>1 Q I'm not asking you --</p> <p>2 A Could you restate that, please.</p> <p>3 Q Sorry, sir?</p> <p>4 A Could you restate that, please.</p> <p>5 Q As part of the meeting you had -- withdrawn.</p> <p>6 As part of the prep session that you had with the</p> <p>7 Attorney General's office on Monday, was part of what they</p> <p>8 showed you the back-up spreadsheets to the Statement of</p> <p>9 Financial Condition; yes or no?</p> <p>10 A I believe so.</p> <p>11 Q You believe so? Withdrawn.</p> <p>12 Was the first time you saw them when Mr. Ladov put them</p> <p>13 on the screen yesterday?</p> <p>14 A No, I saw those at my deposition.</p> <p>15 Q And you also saw them on Monday, true?</p> <p>16 A I believe so.</p> <p>17 Q You don't know definitively?</p> <p>18 A There was a lot of information to look at, but most</p> <p>19 likely.</p> <p>20 Q They showed you a lot of information on Monday, right?</p> <p>21 A Yes.</p> <p>22 Q They showed you document after document after document,</p> <p>23 correct?</p> <p>24 A Yes.</p> <p>25 Q But they didn't show you the two documents that my</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1723</p> <p>1 General's office, they never decided to show you these two</p> <p>2 documents, did they?</p> <p>3 A No, I did not see those documents.</p> <p>4 Q So in all of their prep about your interaction with Mr.</p> <p>5 McConney, they never attempted to refresh your recollection with</p> <p>6 these documents, did they; yes or no?</p> <p>7 A No.</p> <p>8 Q They let you come here and testify yesterday and give</p> <p>9 the illusion that you had no interaction with Mr. McConney with</p> <p>10 regard to the cap rates, correct?</p> <p>11 MR. LADOV: Objection.</p> <p>12 THE COURT: Can we get a readback on that one?</p> <p>13 (Whereupon, the requested portion of the record was</p> <p>14 read back.)</p> <p>15 THE COURT: That's cross-examination. I'll allow</p> <p>16 it.</p> <p>17 Q Answer the question, sir, please.</p> <p>18 MR. ROBERT: Do you want it read back with Your</p> <p>19 Honor's permission? We will read it back to the witness.</p> <p>20 THE COURT: We will have it read back one more</p> <p>21 time.</p> <p>22 MR ROBERT: Thank you.</p> <p>23 (Whereupon, the requested portion of the record was</p> <p>24 read back.)</p> <p>25 A What do you mean by "illusion"?</p>

<p>D. LARSON - CROSS(MR. ROBERT) Page 1724</p> <p>1 Q You sat here yesterday. You swore under oath as Mr. 2 Fields showed you to that question and answer and we can go 3 through the whole thing again, but I'm trying to save time. And 4 you intimated in words or substance that you did not speak to 5 Mr. McConney about cap rates. Do you remember that? 6 MR. LADOV: Objection. 7 THE COURT: 8 A But I did -- 9 THE COURT: Is that withdrawn or not? 10 MR. LADOV: I object because it misstates the 11 testimony. 12 MR. ROBERT: You can fix it however best you can. 13 THE COURT: I can't hear you. 14 MR. LADOV: There is no foundation for the 15 question, Your Honor. 16 MR. ROBERT: Your Honor, it is cross-examination. 17 MR. LADOV: I understand that it is 18 cross-examination, but that's my objection. 19 MR. ROBERT: They don't like where this is going. 20 I want to do it as quickly, which is what you said, try to 21 be efficient as possible. I think he remembers what 22 happened an hour ago. I certainly hope he does. 23 THE COURT: Please read back the question. 24 (Whereupon, the requested portion of the record was 25 read back.)</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1726</p> <p>1 didn't show you on Monday. Let's go to page two, please. 2 "Jeff" -- you see that, sir? 3 A Yes. 4 Q "Attached are the New York City sales. Please reach 5 out to Robert Farwell for San Francisco cap rates." Do you see 6 that? 7 A Yes. 8 Q You were specifically giving Mr. McConney the name of 9 Mr. Farwell, so that Mr. McConney could obtain cap rates for the 10 San Francisco property, true? 11 A Yes. 12 Q You know, this morning you were also questioned about 13 differences between your 2012 appraisals and your 2015 14 appraisal. Do you remember that, sir? 15 A Yes. 16 Q Okay. 17 MR. ROBERT: And let's call up Plaintiff's 18 Exhibit 3208 for a second, please. Let's turn to page 6 of 19 215. 20 Q I want to make sure I understood something correct. 21 When Mr. Fields asked you if you backdated this document, your 22 answer was what? 23 A It would have been a typo. 24 Q Let's answer my question. Was it backdated; yes or no? 25 A That would have been very unlikely because --</p>
<p>D. LARSON - CROSS(MR. ROBERT) Page 1725</p> <p>1 THE COURT: Objection overruled. 2 A You want me to answer? 3 Q Yes. 4 THE COURT: Yes. 5 Q I want you to answer truthfully. 6 A Yes. 7 Q Yes. When you testified yesterday for the Attorney 8 General, the question was asked by Mr. Ladov when the name on 9 one of the McConney spreadsheets said Robert Farwell. Do you 10 remember that? 11 A Yes. 12 Q And there was a question that was asked of you what was 13 your reaction when you saw that. Do you remember that? 14 A Yes. 15 Q Isn't it a fact that you gave Robert Farwell's name to 16 Jeff McConney? 17 A Most likely. 18 Q So there was no surprise when you saw the name, right? 19 A No, I know him. 20 Q You know him because you gave the name to Mr. McConney, 21 correct? 22 A No. I know him I've worked with him for many years. 23 MR. ROBERT: Can we recall Plaintiff's 24 Exhibit 3184. If you could hand it to the witness, please. 25 Q This is one of these two documents the Attorney General</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1727</p> <p>1 Q That's not my question, sir, please. 2 MR. ROBERT: Your Honor, it is a yes-or-no 3 question. 4 Q Did you backdate it; yes or no? 5 A No. 6 Q So you didn't backdate it and your answer today is, 7 "Well, I must have just made a mistake," correct; yes or no? 8 A The -- 9 Q Yes or no, sir? 10 THE COURT: If he can't answer it yes or no. 11 A I cannot. 12 Q Do you have a problem understanding what I'm saying, 13 sir? 14 A What I'm telling you -- 15 Q Yes or no? 16 A No. 17 Q So your position is that this was a typo, right, yes or 18 no, under oath? 19 A It most likely would have been a typo, yes. 20 Q Was it also a typo that you changed the number by 21 \$23 million in a 24-hour period? 22 A No. 23 Q That was intentional, right? 24 A Yes. And to make it clear because -- 25 Q Sir, it was intentional, correct? They're going to get</p>

<p>D. LARSON - CROSS(MR. ROBERT) Page 1728</p> <p>1 a chance to get up and ask you whatever questions they want.</p> <p>2 Answer my question. It was intentional, true? You did it</p> <p>3 deliberately, true? It wasn't a typo, true?</p> <p>4 A Not that I can recall, no.</p> <p>5 Q So it was intentional. I'm not ascribing ill motive</p> <p>6 yet, but you went and changed it, correct?</p> <p>7 A The date of --</p> <p>8 Q Yes or no --</p> <p>9 A Deliberately needs to coincide with the date --</p> <p>10 Q Sir, that's not my question and we are off the dates</p> <p>11 sir. I'm talking about the money. You changed it by</p> <p>12 \$20 million, correct?</p> <p>13 A Yes.</p> <p>14 Q You did that after speaking to your client, correct?</p> <p>15 A Yes.</p> <p>16 Q So after your conversation with the client who retained</p> <p>17 you to give an independent appraisal, you changed the amount of</p> <p>18 the appraisal by ten percent, correct?</p> <p>19 A By \$20 million, yes.</p> <p>20 Q Which is ten percent.</p> <p>21 A Correct.</p> <p>22 Q And there's nothing wrong with that, is there?</p> <p>23 A Not at all.</p> <p>24 Q Because valuations can be subjective, true?</p> <p>25 A Yes.</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1730</p> <p>1 Q It is an iconic building, correct?</p> <p>2 A How do you define "iconic"?</p> <p>3 Q We're not talking about Maiden Lane. Wall Street is a</p> <p>4 known street in the world; fair statement?</p> <p>5 A Yes.</p> <p>6 Q And a building on Wall Street is something the world</p> <p>7 knows it is a building on Wall Street, correct?</p> <p>8 A Yes.</p> <p>9 Q Let's go back to the exhibit. Do you have it in front</p> <p>10 of you now, sir? Is it up on the screen?</p> <p>11 MR. ROBERT: No. We want the whole page, please.</p> <p>12 THE COURT: Chris, I told you you'd learn about New</p> <p>13 York.</p> <p>14 MR. KISE: Very good.</p> <p>15 MR. ROBERT: He's learning it from me, not the</p> <p>16 witness, but that's okay.</p> <p>17 Q You see that, sir, at the bottom?</p> <p>18 MR. ROBERT: Keep going down, please.</p> <p>19 Q 240 million, do you see that?</p> <p>20 A Yes. That's --</p> <p>21 Q Yes or no?</p> <p>22 THE COURT: It is a yes or no.</p> <p>23 A Yes.</p> <p>24 Q And then in the subsequent appraisal after you changed</p> <p>25 the \$20 million after talking to your client, the lender, that</p>
<p>D. LARSON - CROSS(MR. ROBERT) Page 1729</p> <p>1 Q In 2012 you had prepared two appraisals, the ones we're</p> <p>2 talking about and at that time, you have had made a projection</p> <p>3 as to what the income capitalization conclusion would be three</p> <p>4 years later for 2015. Do you remember that, sir?</p> <p>5 A Yes.</p> <p>6 Q And back in 2012 on your two appraisals, on one of</p> <p>7 them, you had a conclusion that it would be worth, and this is</p> <p>8 40 Wall Street, \$240 million, correct?</p> <p>9 A Could you show me again, so I --</p> <p>10 Q Sure.</p> <p>11 MR. ROBERT: If we could show the witness</p> <p>12 Plaintiff's Exhibit 121, page 174, please.</p> <p>13 Q While these are coming up, sir, 40 Wall is a beautiful</p> <p>14 building, is it not?</p> <p>15 A Yes.</p> <p>16 Q At one point, it was the tallest building in New York,</p> <p>17 wasn't it?</p> <p>18 A I'm not sure.</p> <p>19 Q Well, it was -- it went from there to the Chrysler</p> <p>20 Building to the Empire State Building. You're not aware of the</p> <p>21 progression of the tallest building in New York?</p> <p>22 A I know of the tallest.</p> <p>23 Q Can you agree with me that it is right next to the New</p> <p>24 York Stock Exchange in lower Manhattan?</p> <p>25 A It is.</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1731</p> <p>1 number increased to \$260 million, correct? And I can show it to</p> <p>2 you.</p> <p>3 A Please, do. Thank you.</p> <p>4 Q Sure.</p> <p>5 MR. ROBERT: If we can show the witness Plaintiff's</p> <p>6 1435, page 173.</p> <p>7 Q It is 260 million, correct?</p> <p>8 A Yes, correct.</p> <p>9 Q And then in 2015 when you did a valuation of 40 Wall,</p> <p>10 you came up with a number of \$540 million, correct?</p> <p>11 A Yes.</p> <p>12 Q Now, I'm not good in math, so I'm not going to ask you</p> <p>13 to take judicial notice of percentages, but can we agree that</p> <p>14 that's more than a quarter of a billion dollars?</p> <p>15 A Yes.</p> <p>16 Q That's the amount the Attorney General is seeking from</p> <p>17 my client, right?</p> <p>18 A I don't know anything about the case.</p> <p>19 Q Sir, you were off by a quarter of a billion dollars,</p> <p>20 correct?</p> <p>21 A No.</p> <p>22 Q So which appraisal is wrong, this one or the one from</p> <p>23 2015, or is it that appraisals are subjective?</p> <p>24 A They're both correct and they're -- they're</p> <p>25 subjective.</p>

<p>D. LARSON - CROSS(MR. ROBERT) Page 1732</p> <p>1 Q And they are subjective because you are allowed great 2 latitude in the conclusions you make as a professional, correct? 3 A Yes. Can I elaborate? 4 Q No. I'm sure they're going to have a lot of questions 5 on this. 6 But at the end of the day, let me ask you this 7 question. Did the market in lower Manhattan on Wall Street 8 increase by 100 percent between 2012 and 2015? 9 A I can't speak to Wall Street, but I can tell you there 10 are -- 11 Q Do you -- sir, is there any market in New York 12 City -- 13 MR. ROBERT: Sorry, Your Honor. Okay. I tried to 14 get a yes or no. I will withdraw the question. I'll ask it 15 a different way. 16 THE COURT: Okay. 17 Q Are you aware of any market in New York City 18 commercially that increased 100 percent in value from 2012 to 19 2015; yes or no? 20 A Yes. 21 Q And is this one of those? 22 A I don't know. 23 Q Nonetheless, we are a quarter of a billion dollars off, 24 correct? 25 A Yes.</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1734</p> <p>1 A That is correct. 2 Q And the fact that your number is eight times greater 3 than the assessed value is no evidence of fraud by you, correct? 4 THE COURT: Calls for a legal conclusion, I 5 believe. 6 A Could you repeat that? 7 MR. ROBERT: I withdraw the question. 8 Q Even though you increased the value by a quarter of a 9 billion dollars, sir, from 2012 to 2015, your appraisal doesn't 10 take into account the fact that the higher floors in that 11 building could be converted to condos, does it; yes or no? 12 A No, it does not. 13 Q And, sir, you know that there is a market in New York 14 City for developers to convert office buildings into condominium 15 use, correct? 16 A Correct. 17 Q And you know especially in 2015 and 2016, that was a 18 pretty hot thing to do, correct? 19 A Yes. 20 Q You know, and I'll state the obvious, but my clients 21 are developers, correct? 22 A Yes. 23 Q And that's the kind of thing developers do? 24 A Yes. 25 Q They look prospectively as to what they could do with a</p>
<p>D. LARSON - CROSS(MR. ROBERT) Page 1733</p> <p>1 Q Sir, even in 2015, your number was \$540 million, 2 correct? I can show it to you if you want. 3 A Yes. I remember. 4 Q Okay. And you also remember Mr. Fields showing you 5 that the taxable value by the New York City Tax Assessor was 65 6 million. Do you remember that? 7 A I don't remember the exact number. 8 Q Okay. So let's help refresh your recollection. 9 MR. ROBERT: If we could pull up Plaintiff's 10 Exhibit 118, number 63 of 213. If I could walk over to show 11 them the page. 12 THE COURT: Yes. 13 Q I'm actually going to show it to you as Plaintiff's 14 Exhibit 1177. It is the same document. Is that the page you're 15 looking at, sir? 16 A This must be a different document. 17 Q I'll ask you to look at the one on the screen, sir. Do 18 you see that the assessed taxable value is \$65 million? 19 A Yes. 20 Q And you testified yesterday that the tax assessed value 21 and the appraised value are two different things, correct? 22 A Yes. 23 Q And the fact that your number is eight times greater 24 than that doesn't mean that you attempted to mislead anyone, 25 correct?</p>	<p>D. LARSON - CROSS(MR. ROBERT) Page 1735</p> <p>1 property, correct? 2 A Yes. 3 Q And that's different from a lender, correct? 4 A It could be. 5 Q Well, sir, you testified yesterday that most of your 6 business comes from working for lenders, correct? 7 A Yes. 8 Q And to be clear, you're not a builder, correct? 9 A No. 10 Q You're not a developer? 11 A No. 12 Q You're not an accountant either, right? 13 A No. 14 Q You're an appraiser? 15 A Correct. 16 Q As an appraiser, most of your business comes in from 17 working for banks, correct? 18 A Yes. 19 Q Would you agree with me, sir, that banks tend to be 20 very conservative in their values; yes or no, sir? 21 A Not always. 22 Q Well, sir, when a bank is appraising a property, the 23 bank is appraising the property to make sure that in an 24 emergency, they can get out, right? 25 A Yes.</p>

<p style="text-align: right;">Page 1736</p> <p>1 Q They don't have the same view that my clients do when 2 they're looking at a property of what can I turn this into in 3 five or ten or fifteen years, right? 4 A Yes. 5 Q What's my exit strategy tomorrow if there is a default 6 and I have to get out, right? 7 A Yes. 8 (Continued on the next page.) 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 1738</p> <p>D. Larson - Plaintiff - cross (Robert)</p> <p>1 aware of it. I don't know what you guys talked about in 2 your meetings. 3 THE COURT: Overruled. 4 A Could you repeat the question? 5 MR. ROBERT: Could I have it read back, Your Honor? 6 THE COURT: Read back, please. 7 MR. ROBERT: Thank you. 8 (Whereupon, the requested portion of the 9 proceedings was read back by the court reporter.) 10 A No. 11 Q But it doesn't surprise you that an asset was sold for 12 higher than an appraised value; correct? 13 A Does not surprise me. 14 Q Because certain assets can be valued in different ways; 15 correct? 16 A Could you be more specific? 17 Q Well, when you're evaluating a particular asset there 18 are many factors you need to look at, particularly in real 19 estate; correct? 20 A Yes. 21 Q So yesterday, when Mr. Ladov was questioning you, you 22 were asked questions about Niketown. Do you remember that? 23 A Yes. 24 Q Did you know that Niketown is situated on one side by 25 Tiffany &amp; Co? Did you know that?</p>
<p>D. Larson - Plaintiff - cross (Robert) <span style="float: right;">Page 1737</span></p> <p>1 Q You testified yesterday that an appraisal is more art 2 than science. Do you remember that? 3 A Yes. 4 Q So would you agree with me, sir, that the truest best 5 indication of value is what someone will pay for something; 6 right? 7 A Yes, that's a definition of market value. 8 Q The actual closing of a transaction shows what someone 9 was willing to pay; correct? 10 A Yes. 11 Q And I forgot, you've been doing this for more than, 12 what was it, 20 or 30 years? I don't remember. 13 A 30. 14 Q And in your 30 years, sir, you have certainly seen 15 instances where properties sold for much higher than what you 16 had appraised them for; correct? 17 A Yes. 18 Q Sir, were you aware -- withdrawn. 19 Did the Attorney General share with you in the prep 20 session that there was an appraisal done in 2020 for the Trump 21 Old Post Office for \$222 million for the bank and less than two 22 years later the Trump Organization sold that property for 23 \$389 million. Were you aware of that? Yes or no? 24 MR. WALLACE: Objection. Relevance. 25 MR. ROBERT: Relevance? I want to see if he was</p>	<p>D. Larson - Plaintiff - cross (Robert) <span style="float: right;">Page 1739</span></p> <p>1 A I did. 2 Q And on the other side it's IBM. Did you know that? 3 A Yes. 4 Q So would you agree with me that both of those stores 5 are landlocked and Niketown is what is in between them? 6 A Yes. 7 Q And sir, when a business is landlocked it and wants to 8 expand isn't it true in many instances even if the value is high 9 they will overpay by exponential numbers to be able to acquire 10 the land? 11 A It all depends. 12 Q Well, sir, there is only one 57th Street and Fifth 13 Avenue in the world; true? 14 A Yes. 15 Q That's truly the Tiffany location, no pun intended, 16 because Trump Tower is there and Tiffany &amp; Co is there; right? 17 A Yes. 18 Q And the mere fact that you have a marquee location adds 19 value, doesn't it? 20 A Typically, yes. 21 Q The mere signage on Trump Tower that says "Trump Tower" 22 has value on it, doesn't it? 23 A Could you repeat that? 24 Q The mere presence of the name Trump Tower in those big 25 letters in front of the building has a value, doesn't it?</p>

<p>D. Larson - Plaintiff - cross (Robert) Page 1740</p> <p>1 A Naming rights have value.</p> <p>2 Q They do.</p> <p>3 And sir, there -- when you have a unique property such</p> <p>4 as Niketown at 57th and Fifth, there is no cookie cutter</p> <p>5 valuation method, is there; yes or no?</p> <p>6 A Please repeat.</p> <p>7 Q When you have a marquee --</p> <p>8 THE COURT: Wait. Ask it in the positive, though.</p> <p>9 You keep asking negative questions.</p> <p>10 Q Would you agree with me, sir, that a unique, unicorn</p> <p>11 trophy property, whatever you want to name it, there are unique</p> <p>12 characteristics to the property, valuation is subjective; true?</p> <p>13 A Correct.</p> <p>14 Q You were asked questions about the statements of</p> <p>15 financial condition and my colleague, Mr. Fields, held -- showed</p> <p>16 one to you earlier today and Mr. Ladov showed one to you</p> <p>17 yesterday. Do you remember that?</p> <p>18 A Yes.</p> <p>19 Q And you had said that you had remember having seen it;</p> <p>20 correct?</p> <p>21 A The best of my recollection.</p> <p>22 Q Was that one of the documents that the Attorney</p> <p>23 General's Office showed you on Monday?</p> <p>24 A Yes.</p> <p>25 MR. ROBERT: Can we call up Plaintiff's</p>	<p>D. Larson - Plaintiff - cross (Robert) Page 1742</p> <p>1 Q Aloud, sir.</p> <p>2 A "The use of different market assumptions and/or</p> <p>3 estimation methodologies may have a material impact" --</p> <p>4 THE COURT: That doesn't say "impact."</p> <p>5 A "Effect on the estimated current value amounts."</p> <p>6 MR. ROBERT: May I should have read it. I should</p> <p>7 have listened to Your Honor's admonition before.</p> <p>8 Q So sir, what it says is the use of different --</p> <p>9 withdrawn.</p> <p>10 This is something that is contained in President</p> <p>11 Trump's Statement of Financial Condition; correct?</p> <p>12 A Yes.</p> <p>13 Q And the language says "the use of different market</p> <p>14 assumptions and/or estimation methodologies may have a material</p> <p>15 effect on the estimated current value amounts." Do you see</p> <p>16 that?</p> <p>17 A Yes.</p> <p>18 Q You agree with that, sir, don't you? Yes or no?</p> <p>19 A I agree on what it says.</p> <p>20 Q And you agree that the use of different market</p> <p>21 assumptions or estimation methodologies may have a material</p> <p>22 effect on estimated current values, don't you? Yes or no?</p> <p>23 A Can you clarify the question? Are you asking --</p> <p>24 Q Sir, earlier you testified that you didn't make a</p> <p>25 mistake in theory in your 2012 appraisals; correct? Even though</p>
<p>D. Larson - Plaintiff - cross (Robert) Page 1741</p> <p>1 Exhibit 729, please? And go to page four? I'm sorry, page</p> <p>2 six of 26. I'm looking at the -- and let's go to the second</p> <p>3 paragraph.</p> <p>4 Q And this morning Mr. Fields was drawing your attention</p> <p>5 to the third line -- let's start from the beginning. You see</p> <p>6 where it says, "Such valuation methods include?" The beginning,</p> <p>7 sir?</p> <p>8 A Yes.</p> <p>9 Q And then we go down three lines and it says "and in</p> <p>10 some instances outside professionals?"</p> <p>11 A Yes.</p> <p>12 Q But if you could read the last sentence into the</p> <p>13 record, sir.</p> <p>14 MR. WALLACE: Objection. These aren't his words.</p> <p>15 Counsel should be reading it into the record.</p> <p>16 THE COURT: I'm not sure my colleagues would agree</p> <p>17 with me, but I don't think you have an absolute right to</p> <p>18 make him read something. You can read it if you want.</p> <p>19 MR. ROBERT: I'm happy to read it.</p> <p>20 Q Are you able to read the words, sir?</p> <p>21 A Yes.</p> <p>22 Q Would you please read them with Your Honor's</p> <p>23 permission?</p> <p>24 THE COURT: If he wants to read them, he can read</p> <p>25 them.</p>	<p>D. Larson - Plaintiff - cross (Robert) Page 1743</p> <p>1 we are now seeing that you are off by a quarter of a billion</p> <p>2 dollars; correct?</p> <p>3 A No, I did not make a mistake.</p> <p>4 Q You stand by it even though you're off by a quarter of</p> <p>5 a billion dollars? That's your testimony?</p> <p>6 A I would need to elaborate to answer.</p> <p>7 Q I'm sure Mr. Ladov is going to have plenty of questions</p> <p>8 for you, sir, but what I'm asking you there is a delta of a</p> <p>9 quarter of a billion dollars?</p> <p>10 A There was a delta of that.</p> <p>11 Q And through your testimony you have said that different</p> <p>12 market assumptions can make differences in valuations; correct?</p> <p>13 A Yes.</p> <p>14 Q Just like a different cap rate can affect the value of</p> <p>15 property; correct?</p> <p>16 A Yes.</p> <p>17 Q Mr. Fields this morning took you through an analysis of</p> <p>18 how I think it was like a hundred million dollar difference</p> <p>19 because based on what the cap rate would be based on the net</p> <p>20 operating income. Do you remember that?</p> <p>21 A Yes.</p> <p>22 Q So, sir, at the end of the day, different market</p> <p>23 assumptions and/or estimation methodologies can materially</p> <p>24 affect a value; correct?</p> <p>25 A Yes.</p>

<p>D. Larson - Plaintiff - redirect (Ladov) Page 1744</p> <p>1 MR. ROBERT: Just a moment, Your Honor. 2 THE COURT: Sure. 3 MR. ROBERT: I have no further questions at this 4 time. 5 THE COURT: Will there be any redirect? 6 MR. LADOV: Yes, Your Honor. 7 THE COURT: Please proceed with the redirect. 8 MR. LADOV: Thank you, Your Honor. 9 REDIRECT EXAMINATION 10 BY MR. LADOV: 11 Q So Mr. Larson, during cross examination the defendant 12 shows you a couple of documents and suggested that you had not 13 seen them in time in conversations with the Attorney General's 14 Office before, so I just want -- I'm not asking whether you 15 recall that or not. I just want to show you a couple of those 16 documents and discuss it with your prior testimony. 17 MR. LADOV: So I'd like to bring up Plaintiff's 18 Exhibit 109. 19 MR. ROBERT: That mischaracterizes the testimony, 20 Your Honor. He wasn't shown that on Monday. If he would 21 have seen it years ago I don't think the witness -- the 22 whole point is when he met with them on Monday to prep him, 23 they hid these documents from him. The fact that he may 24 have seen them -- 25 THE COURT: So you think there is a -- the question</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1746</p> <p>1 MR. LADOV: Can you do side by side with page 57? 2 Q So I'd like to show you some of your prior testimony 3 from the investigative hearing that you referenced earlier. 4 This was essentially a deposition taken in -- on October 29, 5 2019? 6 MR. ROBERT: Objection. 7 THE COURT: What's the ground of the objection? 8 MR. ROBERT: Improper bolstering of the witness's 9 testimony. He already testified he didn't remember it, he 10 didn't know it and he wasn't shown it on Monday. So what's 11 the point of showing something from three years ago to try 12 to bolster his credibility? Improper. 13 MR. WALLACE: Considering the defendants have 14 accused him of perjury I think showing him his testimony is 15 consistent with his prior statements is entirely 16 appropriate. 17 MR. KISE: The time to have done that was when they 18 had him on direct. That would have been the time to make 19 the record clear. 20 THE COURT: I tend to be very liberal in what I 21 allow in terms of cross, redirect, but if you attack his 22 credibility they're allowed to rehabilitate him. 23 MR. KISE: But not with the attempts that they had 24 in their possession on Monday. They can't now bolster his 25 testimony and attempt to create a scenario that didn't</p>
<p>D. Larson - Plaintiff - redirect (Ladov) Page 1745</p> <p>1 was improper because it assumes something not correct? 2 MR. ROBERT: It assumes something that was not 3 clear, that was not part of the cross examination and 4 redirect. It assumes something that was not part of the 5 cross examination because redirect is limited to the cross. 6 The point was that the Attorney General did not share the 7 document with him on Monday when they prepped him. 8 THE COURT: Did Mr. Robert convince you that there 9 is an improper assumption there that you're 10 mischaracterizing the testimony? That's a yes or no. 11 MR. LADOV: No, but I'm happy to ask a different 12 question. 13 THE COURT: Okay. It could be -- I assume it's 14 going to be related? 15 Q Mr. Larson, may I show you a document? 16 A Yes. 17 Q Okay. So I'd like to show you Plaintiff's Exhibit 109 18 and as you can see in the middle of the screen there, there is 19 an e-mail from Jeff McConney to yourself dated September 16, 20 2014. And it says, "Doug, I hate to be a pest, but the 21 accountants are coming in tomorrow to go over my valuations. 22 Any chance you can answer my question below? Sorry for the last 23 minute question." Do you see that? 24 A Yes. 25 Q So I'd like to do --</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1747</p> <p>1 exist. We ask -- 2 MR. LADOV: Your Honor, I don't know how to argue 3 this because it's simply wrong. They accused him of 4 perjury. We want to show that his testimony has been 5 consistent. I honestly can't figure out what the legal 6 objection is here. 7 MR. KISE: To be clear, Your Honor, I never accused 8 the witness of perjury. What I said is that the government 9 didn't have any regard for this witness's rights and that's 10 why I wanted to make sure they were covered. I did not 11 accuse the witness of anything. In fact, I think the 12 witness is frankly in the middle here. 13 THE COURT: I think what you said was they're 14 trying to get him to commit perjury which is different from 15 saying that he perjured himself. I agree. I think this is 16 totally fair game. You can ask the question. Objection 17 overruled. Your question in the testimony, he's allowed do 18 this. I'll give you a recross later. 19 Go ahead. 20 MR. LADOV: Thank you, Your Honor. 21 Q So if I can direct you to line 17 of page 57, the 22 question is, "Do you see that Mr. McConney writes I hate to be a 23 pest, but the accountants are coming in tomorrow to go over my 24 valuations." 25 And I just want to show you is it correct that the</p>

<p>D. Larson - Plaintiff - redirect (Ladov) Page 1748</p> <p>1 highlighted language on the left hand side from your prior 2 testimony and the highlighted language on the right hand side 3 from the e-mail that you looked at earlier are the same? 4 A Yes. 5 Q So this is -- so during that testimony you were being 6 asked about this same e-mail; correct? 7 A Yes. 8 Q Okay. So I just want to read the rest of your 9 testimony there. 10 MR. ROBERT: Objection, Your Honor. 11 THE COURT: Ground? 12 MR. ROBERT: The EUO is inadmissible and can only 13 be used for impeachment purposes, not for bolstering 14 purposes. 15 THE COURT: But it's rehabilitation. Overruled. 16 Q So the next testimony says, "do you remember reading 17 that?" 18 "ANSWER: I remember reading it now. I don't 19 remember back then. I don't remember this e-mail." 20 And it says: 21 "QUESTION: Were you aware of McConney preparing 22 valuations that his accountants would then review? 23 "ANSWER: I wouldn't know that. 24 "QUESTION: You don't know anything about 25 valuations that Mr. McConney" --</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1750</p> <p>1 THE COURT: Yes. 2 Q So page 57 at the bottom, line 25? 3 THE COURT: Give me one more second. 4 MR. LADOV: Yes, sorry. 5 THE COURT: I'm sorry for the continuing 6 interruption. Read whatever you want but as long as there 7 is a question. 8 MR. LADOV: There will be a question. 9 Q So on line 25 of page 57: 10 "QUESTION: Were you aware of McConney preparing 11 valuations that his accountants would then review? 12 "ANSWER: I wouldn't know that. 13 "QUESTION: You don't know anything about 14 valuations that Mr. McConney prepared? 15 "ANSWER: No. That would be beyond me. I wouldn't 16 know anything about that. 17 "QUESTION: You never advised Mr. McConney on how 18 to make certain valuations of his properties? 19 "ANSWER: We get calls from a lot of clients asking 20 about cap rates, market information, in this case a ground 21 lease, you know, what the impact of the cap rate would be. 22 So this is very common. What the client does with that 23 information is up to them." 24 So my question, Mr. Larson, is was the testimony 25 that you gave in -- sworn testimony in 2019 consistent with</p>
<p>D. Larson - Plaintiff - redirect (Ladov) Page 1749</p> <p>1 MR. KISE: Your Honor, objection. He's just simply 2 testifying at this point. He's just reading something into 3 the record something that's clearly hearsay and 4 inadmissible. That's not refreshing the witness's 5 recollection. Refreshing the witness's recollection is 6 showing it to him and saying do you recall this. This is 7 not rehabilitation. He's simply reading in something from 8 years ago that's clearly hearsay. He's just reading hearsay 9 into the record. There is no question here at all. He's 10 just reading questions and answers. This is extraordinarily 11 improper. Extraordinarily improper. 12 THE COURT: Could you finish reading? 13 MR. LADOV: I have not finished reading. 14 THE COURT: Were you going to ask a question at the 15 end of the reading? 16 MR. LADOV: I was going to ask a question. 17 THE COURT: Overruled. 18 MR. KISE: But the question is going to be do you 19 remember this from three years ago now that I've read it 20 into the record. That's improper. That's not refreshing 21 recollection. 22 THE COURT: It's fair game. It's rehabilitation. 23 Overruled. 24 MR. LADOV: I guess I would like to start again 25 without interruption, please.</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1751</p> <p>1 the testimony that you gave today under oath? 2 THE COURT: Well, I think the record will have to 3 speak for itself whether it's consistent. 4 MR. KISE: Again, he's just reading that into the 5 record in an attempt -- now who is reading things for the 6 press, right? He's just reading that into the record so 7 that he can attempt to bolster this witness's testimony. 8 His testimony was here in court. That's why we're here in 9 court. We don't read hearsay into the record on a regular 10 basis. This is extraordinarily improper and that question 11 at the end was a completely bogus question "oh, is that 12 right? Is that what you said three years ago?" That's 13 completely improper. 14 MR. LADOV: Your Honor, New York Evidence Rule 8.31 15 says that "prior consistent statements are admissible when 16 offered to rebut an express or implied claim of recent 17 fabrication." I would say "express" even though I know 18 Mr. Kise disagrees and says "implied." I think it clearly 19 applies here. 20 THE COURT: The objection is still overruled or 21 overruled again. 22 MR. LADOV: Can I get a read back on the question, 23 Your Honor? 24 THE COURT: Not the whole -- 25 MR. LADOV: Just the --</p>

D. Larson - Plaintiff - redirect (Ladov)	Page 1752	D. Larson - Plaintiff - redirect (Ladov)	Page 1754
<p>1 THE COURT: Just the question part?</p> <p>2 MR. LADOV: I can just ask it.</p> <p>3 Q Mr. Larson, was that your testimony?</p> <p>4 A Yes.</p> <p>5 MR. LADOV: Let's move forward.</p> <p>6 Q I would like to turn right now to Plaintiff's</p> <p>7 Exhibit 115. And, again, if you look in the middle of this</p> <p>8 page, this was a document that you were asked to review today.</p> <p>9 This is an e-mail from Jeff McConney to yourself from 2017 and</p> <p>10 in the middle it says, quote, "Our building, 1290, was recently</p> <p>11 completely modernized. For a comp I'd like to use the cap rate</p> <p>12 for 1221, but since we are fully modernized can I reduce their</p> <p>13 cap rate of 2.90 percent."</p> <p>14 Now, I want to look at your prior testimony at</p> <p>15 page 139. And if we turn to line ten, it says:</p> <p>16 "QUESTION: So Mr. McConney says to you," quote,</p> <p>17 "our building, 1290, was recently completely modernized.</p> <p>18 For a comp I'd like to use as a cap rate for 1221, but since</p> <p>19 we are fully modernized can I reduce their cap rate of," end</p> <p>20 quote, "2.90 percent?" Is this the same language in both</p> <p>21 documents?</p> <p>22 MR. KISE: Same objection, Your Honor. Just</p> <p>23 reading hearsay into the record. They could have done this</p> <p>24 on Monday with him on his prep session. If they wanted the</p> <p>25 truth in the record, they certainly could have put it in</p>		<p>1 "QUESTION: Would you have provided an answer to</p> <p>2 his question on that phone call?</p> <p>3 "ANSWER: I don't think you can just look at the</p> <p>4 building and apply a 2.9 cap rate. A typical response would</p> <p>5 be -- a typical discussion with a client would be to talk</p> <p>6 about ranges of cap rates, the market, the building, etc.,</p> <p>7 what other trades have been in the market or sales have been</p> <p>8 in the market, what cap rates do those apply. So that would</p> <p>9 be a typical conversation I would have with a client. I</p> <p>10 don't remember this call."</p> <p>11 So Mr. Larson, was this your testimony from four</p> <p>12 years ago?</p> <p>13 MR. KISE: Again, Your Honor, this is beyond</p> <p>14 absurd. I mean, he just read an entire page of the</p> <p>15 transcript. All this demonstrates is that they knew</p> <p>16 yesterday this man's testimony was false. That's all that</p> <p>17 demonstrates. They had this in their possession and they're</p> <p>18 reading hearsay into the record. They're trying to</p> <p>19 improperly bolster his testimony. It's inappropriate. It's</p> <p>20 just -- it's hearsay. There is no exception to the hearsay</p> <p>21 rule and this is not rehabilitation. The prior consistent</p> <p>22 statements are limited to the witness's statements, not</p> <p>23 their leading questions, not all of their leading questions</p> <p>24 that are built in there. They're reading their own leading</p> <p>25 questions which is inappropriate on direct or redirect into</p>	
D. Larson - Plaintiff - redirect (Ladov)	Page 1753	D. Larson - Plaintiff - redirect (Ladov)	Page 1755
<p>1 there. This is improper hearsay.</p> <p>2 THE COURT: I have a different issue with this. So</p> <p>3 ask him to read B and then say is that the same as A, either</p> <p>4 if is or it isn't.</p> <p>5 MR. LADOV: Sorry, Your Honor.</p> <p>6 THE COURT: So I'll sustain my own objection.</p> <p>7 Q I will represent to you, however, that his testimony --</p> <p>8 the question shows it was a question based on the document that</p> <p>9 you were shown earlier today. So I'd like to move forward and</p> <p>10 read back to you -- read back to you your answer there --</p> <p>11 actually, the rest of the question is "do you remember this</p> <p>12 document?"</p> <p>13 "ANSWER: I saw this the other day when I came in.</p> <p>14 "QUESTION: -- you replied, quote, "please call me</p> <p>15 when you have a chance to discuss. Do you remember a phone</p> <p>16 call after this e-mail exchange?</p> <p>17 "ANSWER: No, I don't remember the phone call.</p> <p>18 "QUESTION: McConney is asking here if he can</p> <p>19 reduce a cap rate of 2.9 percent in valuing a property; is</p> <p>20 that right?</p> <p>21 "ANSWER: That's what it says, yes.</p> <p>22 "QUESTION: He asks that question to you.</p> <p>23 "ANSWER: He asked the question, yes.</p> <p>24 "QUESTION: And you say please call?</p> <p>25 "ANSWER: Yes.</p>		<p>1 the record and then parroting his answers back and asking</p> <p>2 him "is this correct, is this what's in front of you." This</p> <p>3 is highly improper. There is no basis or foundation at all.</p> <p>4 MR. WALLACE: I believe Mr. Kise's objections is he</p> <p>5 does not like his testimony.</p> <p>6 MR. KISE: No. The objection is this is hearsay</p> <p>7 and we stick to the rules, at least we do on this side of</p> <p>8 the table.</p> <p>9 MR. WALLACE: I'll try to keep it to a minimum,</p> <p>10 Your Honor. It's a prior consistent statement. If he wants</p> <p>11 to go back and brief this issue, it's a bench trial. He is</p> <p>12 free to. I see him --</p> <p>13 THE COURT: Let Mr. Wallace finish.</p> <p>14 MR. WALLACE: He's offering a prior consistent</p> <p>15 statement. He just said that the witness testified falsely.</p> <p>16 In clarifying his statements have been consistent over years</p> <p>17 is perfectly reasonable to rehabilitate testimony, and as an</p> <p>18 exception to the hearsay. And I will leave it there.</p> <p>19 MR. KISE: Your Honor, the witness's statements</p> <p>20 might under other circumstances qualify as prior consistent</p> <p>21 statements. Here, 90 percent of what they're reading are</p> <p>22 their own leading questions which would never be allowed in</p> <p>23 this courtroom. I mean, all of it is a question and then at</p> <p>24 the end if they want to read just his answers back -- a</p> <p>25 prior consistent statement is, you know, I said four years</p>	

<p>D. Larson - Plaintiff - redirect (Ladov) Page 1756</p> <p>1 ago the light was green and today I made a mistake and now I 2 want to rehabilitate him saying four years ago the light was 3 green. That's simple. It's not, like, pages and pages of 4 their question-and-answer series. They're bringing in 5 hearsay. They're bringing in a hearsay transcript which 6 Your Honor ruled was not admissible. Other than for 7 impeachment, I gather they're not impeaching their own 8 witness, and at this point, at this point if they want to 9 rehabilitate him with his own statements, that's one thing. 10 But here they're just reading their questions into the 11 record and they're creating it -- and the only question at 12 the end is "is that right." 13 MR. LADOV: Can I brief -- 14 THE COURT: Don't we need to hear the questions so 15 that we know the context of the answers? 16 MR. KISE: We did. We're still on that one 17 question where he read a page or so of transcript and then 18 said "isn't this what you said a few years ago." I mean, 19 that's preposterous. 20 THE COURT: I don't think it's preposterous. 21 Objection overruled. 22 MR. KISE: Prior consistent statements are one at a 23 time "did you say this on this date, did you say this on 24 this date" but not all of this question-and-answer series. 25 THE COURT: Everybody just give me a moment.</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1758</p> <p>1 just overruling your objections. 2 MS. FAHERTY: Sorry. 3 THE COURT: Again, maybe other judges will do this. 4 I tend to be somewhat liberal. We can go back and forth and 5 back and forth and I'll do the best can I can. 6 Okay, go ahead. 7 MR. LADOV: Thank you, Your Honor. 8 Q I believe, Mr. Larson, the question was was this your 9 prior testimony? 10 A Yes. This is what I could remember four years ago -- 11 Q Okay. I -- I'm sorry. 12 A -- at that time, yes. 13 Q I think the only other question I had you had been 14 asked questions about 40 Wall Street earlier. 15 Do you know one way or the other whether Mr. Trump 16 currently retains the legal right to convert 40 Wall Street into 17 condos? 18 A I don't know. 19 MR. LADOV: No further questions, Your Honor. 20 THE COURT: Any recross? 21 MS. HABBA: One second. 22 (Whereupon, there is a pause in the proceedings.) 23 Hash. 24 MS. HABBA: Your Honor, we'll be brief. 25 THE COURT: Okay.</p>
<p>D. Larson - Plaintiff - redirect (Ladov) Page 1757</p> <p>1 (Whereupon, there is a pause in the proceedings.) 2 THE COURT: I'm looking at 8.31, Prior Consistent 3 Statement in Fact. I'll read it, if Mr. Kise won't object. 4 MR. KISE: No. 5 THE COURT: "A statement of a witness made before 6 the witness's testimony at a time when there was no motive 7 to fabricate" how do we decide that "and which is consistent 8 with that testimony is admissible to aid in establishing the 9 witness's credibility when a party creates the inference of 10 or directly characterizes the testimony of a witness as a 11 recent fabrication. That's set forth," blah, blah, blah. 12 Objection overruled. You can ask what you want. Read what 13 you want, ask what you want, but I'll be following 14 carefully. 15 MR. KISE: Again, I just want to be on the record, 16 Your Honor, his statements are what are referenced in the 17 questions. So it's just a continuing objection? 18 MR. LADOV: Can you please admonish Mr. Kise to 19 stop speechifying for the press or whatever it is he's 20 doing? 21 MR. KISE: No, I'm not. I'm just trying to stop 22 them from muddling the record. It's pretty simple and they 23 don't like it and it's obvious they're accusing me of all 24 sorts of bad things. 25 THE COURT: I'm not accusing of you anything. I'm</p>	<p>D. Larson - Plaintiff - redirect (Ladov) Page 1759</p> <p>1 MR. ROBERT: May I proceed, Your Honor? 2 THE COURT: Please proceed with the recross. 3 Q Just to be clear, after that whole back and forth we 4 had here the fact still remains during your prep session on 5 Monday, the Attorney General did not show you these two 6 documents; correct? Yes or no? 7 A No, I don't recall. 8 Q And they didn't discuss them with you either because if 9 you had you would have committed perjury yesterday; right -- 10 withdrawn. 11 MR. LADOV: Objection. 12 THE COURT: Next witness? I assume there is no 13 re-redirect? 14 MR. LADOV: We are done, Your Honor. Thank you. 15 THE COURT: We have about 20 minutes left. Let's 16 get the next witness. 17 Transcript continues on the following page.... 18 19 20 21 22 23 24 25</p>

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1760

1 MS. FAHERTY: Good afternoon, Your Honor. Colleen  
2 Faherty here for the People. We call Jack Weisselberg to  
3 the stand, please.  
4 THE COURT: Let's get him ASAP.  
5 MS. FAHERTY: Thank you.  
6 THE COURT OFFICER: Witness entering.  
7 J A C K W E I S S E L B E R G , a witness called by the  
8 Plaintiff, after having been first duly sworn by the Clerk of  
9 the Court, took the witness stand and testified as follows:  
10 THE COURT OFFICER: Please state your full name and  
11 either home or business address on the record.  
12 THE WITNESS: Jack Weisselberg. 9079 Dye Cabins,  
13 Drive, Park City, Utah.  
14 THE COURT: I'm going to ask the witness, like I  
15 ask everybody else, to speak directly into the microphone as  
16 close as you can.  
17 Let's proceed with the direct examination.  
18 MS. FAHERTY: Thank you, your Honor.  
19 DIRECT EXAMINATION  
20 BY MS. FAHERTY:  
21 Q Good afternoon, Mr. Weisselberg. I'm going to ask you  
22 a few introductory questions first, okay.  
23 So can you, please, just describe your educational  
24 background for me?  
25 A Sure. I went to Penn State University; graduated in

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1761

1 2000.  
2 Q And which campus did you graduate from, sir?  
3 A University Park.  
4 Q Did you have any concentrations or majors from  
5 Pennsylvania State University?  
6 A Yes, in real estate.  
7 Q Any other concentration or particular focuses of study?  
8 A Focused on finance.  
9 Q Anything else?  
10 A No.  
11 Q Do you have any postgraduate degrees beyond college?  
12 A No.  
13 Q Do you hold any professional certifications or  
14 licenses?  
15 A No.  
16 Q After 2000, once you graduated from Penn State  
17 University, can you, please, generally describe for me your work  
18 experience?  
19 A I began working at UBS Investment Bank in 2000, May of  
20 2000. Then in 2005, we left UBS, stayed within UBS, but started  
21 a hedge fund called Dillon Read Capital Management which was a  
22 subsidiary of UBS. In 2007 when the subprime crisis happened,  
23 we went back to UBS and I was there for a year until 2008 and  
24 then I began working at Ladder Capital in 2008 and I've been  
25 there since.

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1762

1 Q So starting with the time when you were at the first  
2 position at Dillon Read, what title did you hold there?  
3 A Well, my first position was at UBS and I was an  
4 associate director.  
5 Q Did you hold any other titles when you were at UBS?  
6 A I don't recall if I became director at UBS or it was at  
7 Dillon Read, but it was around that time.  
8 Q Okay. At any point, were you identified as an analyst  
9 in your job positions?  
10 A Yes. When I was an associate, I was an analyst.  
11 That's where I began.  
12 Q And what are your responsibilities as an analyst?  
13 A Well, I was an analyst within with the origination  
14 group, so I supported four originators that were bringing loans  
15 into UBS.  
16 Q Can you describe for me what that means?  
17 A So when packages would come in, I would enter the data  
18 into an underwriting model, look at pictures, go through  
19 property, market information, and you know, figure out if a deal  
20 would -- could make sense for us to do.  
21 Q When you say "packages would come in," what does that  
22 reference to the word "packages"?  
23 A So when somebody wants a new loan, they'll send us an  
24 offering memorandum which is just a book that contains all the  
25 information necessary to find out if they can get a loan which

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1763

1 will include pictures, it will include rent rolls, operating  
2 statements, some market information, and sometimes some  
3 sponsoring information as well.  
4 Q So you're gathering information to size up loans; is  
5 that a fair characterization?  
6 A Yes.  
7 Q Okay. And you and I both use the same word "size" or  
8 "sizing." Can you explain for me what that means, please?  
9 A Sure. It is an underwriting Excel spreadsheet and it  
10 is we're analyzing the cash flow of the property for the  
11 property and analyzing the numbers to see if they make sense.  
12 Q Okay. And we've also used the term "origination" or  
13 "originators." Can you describe for me what an originator is?  
14 A Sure. A loan originator is someone who is out looking  
15 for deals and trying to bring in new loans for the company to  
16 do.  
17 Q Okay. And the general responsibilities of a loan  
18 originator, I heard you just say bring in new deals, but can you  
19 drill down a little bit more on what those responsibilities are?  
20 A Yes. It's finding new business and then the client  
21 relationship is really through the originator. And then when a  
22 loan is actually signed up, they're managing the process and  
23 making sure everything is going smoothly.  
24 Q Almost like on the sales end of the business?  
25 A Yeah, you could say that.

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1764	JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1766
<p>1 Q Okay. At any point in your career, did you hold the</p> <p>2 title of an originator?</p> <p>3 A Yes.</p> <p>4 Q When did that occur?</p> <p>5 A I was a junior originator at UBS when I was an analyst</p> <p>6 and I was able to bring in my own deals. Took a few years for</p> <p>7 that to occur, but probably 2004/2005 I started to bring in my</p> <p>8 own deals.</p> <p>9 Q And for how long did you serve as a junior originator?</p> <p>10 I know you said it started in 2004 at UBS.</p> <p>11 A My entire time at UBS including Dillon Read.</p> <p>12 Q When did you leave UBS?</p> <p>13 A May of 2008.</p> <p>14 Q You maintained the same job title that whole time</p> <p>15 between 2004 and May 2008, right?</p> <p>16 A I'm not exactly sure when I was promoted to director,</p> <p>17 but somewhere around there. Until 2008, yes.</p> <p>18 Q Still the same originator responsibilities, though?</p> <p>19 A Originator, yes.</p> <p>20 Q Okay, great. In 2008, remind me where did you go after</p> <p>21 that?</p> <p>22 A In October of 2008, I joined Ladder Capital.</p> <p>23 Q Okay. Any particular reason for the gap between May</p> <p>24 2008 and October 2008 between your job at UBS and joining Ladder</p> <p>25 Capital?</p>	<p>1 position before Ladder, fair?</p> <p>2 A Well, no, because when I went back into UBS for that</p> <p>3 one year, she had left to begin the process of starting Ladder</p> <p>4 Capital. So there was a one-year gap in there, but yes, I</p> <p>5 reported to her prior.</p> <p>6 Q Could you remind me about the time period when you</p> <p>7 returned back to UBS when was that?</p> <p>8 A That was in 2007.</p> <p>9 Q And why in 2007 did you return back to UBS?</p> <p>10 A Because of the subprime crisis, we decided to shut down</p> <p>11 UBS decided to shut down Dillon Read Capital Management.</p> <p>12 Q What was it about you in particular, if you</p> <p>13 know, was the reason you were able to return to UBS?</p> <p>14 A At the time, they gave an option to a lot of us, not</p> <p>15 everybody, and I was one of the people that was offered the</p> <p>16 opportunity to come back into UBS, so I took it.</p> <p>17 Q Did you have any particular relationships or loans that</p> <p>18 you were working on that made it a reasonable offer to bring you</p> <p>19 back into the fold at UBS?</p> <p>20 A I'm not sure that was the reason for it. I was working</p> <p>21 on loans, but I don't think that was the reason why they brought</p> <p>22 me back in.</p> <p>23 Q Were you organizing on any loans with an entity named</p> <p>24 or associated with the title "The Trump Organization" in or</p> <p>25 around 2007?</p>
JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1765	JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1767
<p>1 A Yes. There were layoffs at UBS and across the entire</p> <p>2 industry in 2008 and I raised my hand for the next round. I</p> <p>3 just had a child and figured I would have a few months to spend</p> <p>4 with her before Ladder Capital was set up and ready to go.</p> <p>5 Q Okay. And any significance attached to that particular</p> <p>6 date of October 2008 when you joined Ladder Capital?</p> <p>7 A That's when Ladder Capital was started.</p> <p>8 Q Okay. And who started Ladder Capital?</p> <p>9 A Brian Harris is our CEO along with a few other people.</p> <p>10 Q Who were those other individuals?</p> <p>11 A Greta Guggenheim (ph), Pamela McCormack (ph) and Robert</p> <p>12 Pearlman (ph).</p> <p>13 Q And did you know all four of those individuals?</p> <p>14 A Yes.</p> <p>15 Q How did you know those four individuals?</p> <p>16 A We all worked together at UBS.</p> <p>17 Q Is it a fair characterization that they brought you</p> <p>18 from UBS along with them to join Ladder Capital?</p> <p>19 A Yes.</p> <p>20 Q Okay. Anybody in particular bring you along with them</p> <p>21 to join the Ladder Capital group in 2008?</p> <p>22 A I mean, Greta Guggenheim is who I was a junior</p> <p>23 originator for when we were at Dillon Read, so she was probably</p> <p>24 the spearhead, but I think all of them.</p> <p>25 Q So you reported to Greta Guggenheim at your prior</p>	<p>1 A Yes.</p> <p>2 Q And was there a particular Trump Organization loan in</p> <p>3 2007 that was included in the transactions that you worked on</p> <p>4 when you returned to UBS in 2007?</p> <p>5 A Yes.</p> <p>6 Q Which loan was that?</p> <p>7 A That was for Trump Park Avenue.</p> <p>8 Q I want to go back to just our discussion a moment ago</p> <p>9 about sizing a loan and help me as to the basics go down here.</p> <p>10 Can you give me the factors that you would include on sizing a</p> <p>11 loan?</p> <p>12 A Well, we look at a rent roll.</p> <p>13 Q Okay.</p> <p>14 A We look at operating statements, historical, including</p> <p>15 a trailing 12 statement as well as a pro forma budget, and then</p> <p>16 we will look at pictures in the property and anything else</p> <p>17 that's pertinent to the deal.</p> <p>18 Q Okay. Anything else?</p> <p>19 A If there's a ground lease, we will look at a ground</p> <p>20 lease. We may look at leases if there are major leases that we</p> <p>21 are concerned about or we want to make sure we understand pretty</p> <p>22 well. That's most of what we'll look at.</p> <p>23 Q What is the point of that? Why are you trying to</p> <p>24 understand those factors that you just mentioned?</p> <p>25 A When we write a loan, we're looking as if we're going</p>

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1768	JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1770
<p>1 to own the property in case because we write non-recourse loans.</p> <p>2 So the bar could give us back the keys, so we look at every loan</p> <p>3 as if we're going to own the property and we want to understand</p> <p>4 how it operates and what the cash flow would look like if we</p> <p>5 took it over.</p> <p>6 Q Is there a particular reason why is there a cost to</p> <p>7 you, to Ladder?</p> <p>8 A A cost?</p> <p>9 Q Yes.</p> <p>10 A I'm not sure I follow.</p> <p>11 Q Well, you used the word "non-recourse." Let's start</p> <p>12 there. Can you define that term for us, please?</p> <p>13 A So non-recourse loan is where we cannot go after them</p> <p>14 personally. If something goes wrong and they default and we</p> <p>15 foreclose, we take back the property. But other than any</p> <p>16 recourse obligations that are on that particular loan, it's just</p> <p>17 the property. We can't go after them personally.</p> <p>18 Q So you basically own the property; is that fair?</p> <p>19 A We would own the property if they fell down the loan</p> <p>20 and we took it over, yes.</p> <p>21 THE COURT: Five-minute warning.</p> <p>22 MS. FAHERTY: Thank you, your Honor.</p> <p>23 Q Now, we've just spoken of the word "non-recourse." Is</p> <p>24 "recourse" a term of art in the banking industry where you work?</p> <p>25 A Yes.</p>	<p>1 When you joined in 2008, what was your title?</p> <p>2 A Director.</p> <p>3 Q What is your title currently?</p> <p>4 A Executive director.</p> <p>5 Q Do you recall when -- withdrawn.</p> <p>6 When did you receive that title to executive director?</p> <p>7 A I can't recall.</p> <p>8 Q Approximately how long have you served as an executive</p> <p>9 director?</p> <p>10 A Five or six years, maybe.</p> <p>11 Q So approximately five or six years you received the</p> <p>12 title executive director?</p> <p>13 A Approximately, but I'm not exactly sure.</p> <p>14 Q Thank you for giving me the approximation.</p> <p>15 Did you hold any other titles between that time period</p> <p>16 from when you served as a director to now with your title as</p> <p>17 executive director?</p> <p>18 A No.</p> <p>19 Q Okay. Thank you.</p> <p>20 As it concerns your current position as an executive</p> <p>21 director, are you an originator?</p> <p>22 A Yes.</p> <p>23 Q How about the phrase "underwriter"? Are you familiar</p> <p>24 with the term "underwriter" in the banking industry?</p> <p>25 A I am.</p>
JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1769	JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1771
<p>1 Q Can you describe for me what "recourse" means?</p> <p>2 A So "recourse" means that you're personally obligated to</p> <p>3 repay the loan if it is a full recourse loan. Or if there are</p> <p>4 recourse obligations, you would be personally liable for that</p> <p>5 specific obligation.</p> <p>6 Q Can you provide an example of what it means to be</p> <p>7 personally obligated?</p> <p>8 A It means that we need to be made whole and that you're</p> <p>9 required to pay it.</p> <p>10 Q How would you guarantee with regards to a recourse loan</p> <p>11 that the bank would be made whole again? Is there anything that</p> <p>12 you would put into place --</p> <p>13 MS. FAHERTY: I apologize, Your Honor. This is a</p> <p>14 complex question. I'll reask it.</p> <p>15 Q How would you guarantee with regards to a recourse loan</p> <p>16 that the bank would be made whole again?</p> <p>17 A We have net worth liquidity requirements that need to</p> <p>18 stay in place throughout the term of the loan.</p> <p>19 Q And if they don't?</p> <p>20 A It is a default.</p> <p>21 Q Is there an agreement that the bank signs with the</p> <p>22 borrower to ensure that those terms are in place and defined?</p> <p>23 A Yes, it is in the loan documents.</p> <p>24 Q Okay. I want to focus your attention on your current</p> <p>25 position with Ladder Capital.</p>	<p>1 Q Describe for me your understanding of what an</p> <p>2 underwriter is?</p> <p>3 A Underwriter on the loan is who gathers all the</p> <p>4 diligence on every transaction, sets up the third-party reports</p> <p>5 and analyzes the numbers to decide if it is a loan that makes</p> <p>6 sense for us.</p> <p>7 Q What purpose does that serve in the context of your</p> <p>8 work?</p> <p>9 A Every loan has to go through the underwriting process</p> <p>10 to make sure that it is a deal that works for us, and they're</p> <p>11 responsible for putting it altogether and presenting it to a</p> <p>12 committee of why a deal might make sense or not.</p> <p>13 Q Do they assign a value to a particular deal?</p> <p>14 A No.</p> <p>15 Q Do they -- what type of insights other than the</p> <p>16 diligence we just described -- what type of insights are they</p> <p>17 presenting to the bank?</p> <p>18 A Well, we're not a bank, but the committee on a loan,</p> <p>19 they're presenting what the numbers look like and whether it is</p> <p>20 a deal that makes sense for us.</p> <p>21 Q And when you say "what the numbers look like," can you</p> <p>22 anchor that? And, for example, the collateral that's being used</p> <p>23 or the deal that you're trying to perform, describe for me what</p> <p>24 you're referencing.</p> <p>25 A They hire an appraiser to get a value. They hire an</p>

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1772

1 environmental engineer consultants to tell us about that aspect  
2 of the property and then they analyze all the numbers and they  
3 write a number according to what they think makes sense.  
4 Q Are they assessing risk?  
5 A Yes.  
6 Q And how do they do that?  
7 A Exactly as I just described. They'll go through the  
8 cash flows and they'll go through the market and decide what  
9 they think the assumptions are that we should use to decide if  
10 it is a risk worth taking.  
11 Q And have you ever served as an underwriter in any of  
12 your years since you graduated Penn State University?  
13 A Yes.  
14 Q When did you do that?  
15 A I don't recall the exact years, but there are about  
16 five years at Ladder Capital where I was underwriting.  
17 Q Why was that?  
18 A We were getting bigger quickly and weren't looking to  
19 hire additional under writers, so I raised my hand to take on  
20 that role and help out in the underwriting side.  
21 THE COURT: One minute.  
22 MS. FAHERTY: One question, Your Honor.  
23 THE COURT: Sure.  
24 Q And just to clarify for the five-year period when there  
25 wasn't sufficient staff and you served as an underwriter, did

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1773

1 you wear both hats as an underwriter and an originator or just  
2 one?  
3 A My main priority was underwriting, but I was able to  
4 service a few of my clients that I had a good relationship with,  
5 so I did originate a few loans during that time period.  
6 MS. FAHERTY: Okay. I think now is a good time for  
7 a break, Your Honor.  
8 THE COURT: Okay. Have a good lunch, everyone.  
9 See you at 2:15. Thank you.  
10 (Witness exits the stand.)  
11 (Whereupon, a luncheon recess was taken.)  
12 A F T E R N O O N S E S S I O N  
13 \* \* \* \* \*  
14 THE COURT OFFICER: All rise. Part 37 is now in  
15 session. The Honorable Judge Arthur Engoron presiding.  
16 Make sure all cellphones are on silent. Latops and  
17 cellphones will be permitted, but only to members of the  
18 public, members of the press. There's absolutely no  
19 recording or photography of any kind allowed in the  
20 courtroom. Please be seated and come to order.  
21 THE COURT: If only the witnesses would talk like  
22 that.  
23 Tommy, you would make a good witness.  
24 I have a statement first to make on the record.  
25 Attorneys are not allowed to make press statements or give

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1774

1 press conferences in the building no matter what time of  
2 day, okay.  
3 Okay. Let's get the witness.  
4 THE COURT OFFICER: Witness entering.  
5 THE COURT: I'll remind the witness, as I always  
6 do, that he is still under oath, and let's continue with the  
7 direct examination of Jack Weisselberg.  
8 MS. FAHERTY: Thank you, Your Honor.  
9 Q Welcome back, Mr. Weisselberg.  
10 At the break, we talked about how you had the roles of  
11 both an originator and underwriter. I want to focus your  
12 attention on your current employer, Ladder's, practices.  
13 Can you broadly describe the relationship of the  
14 originator and the underwriter performing work?  
15 A Sure. It is completely separate groups and the  
16 originator will discuss a new deal with the underwriters to make  
17 sure that it is a deal that could work for us. So upfront  
18 before the deal is actually signed up, we will have  
19 conversations to just go through the numbers and make sure we  
20 understand it pretty well.  
21 After that, once we actually sign a loan up, then  
22 underwriting takes care over with regard to diligence and  
23 getting, gathering all the information together and completing  
24 their process, and the originator is in constant contact with  
25 them. Anything that they may need from the borrower, they'll

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1775

1 make sure that the originator is attached since it is the  
2 originator's client technically. And then we'll work together  
3 to get the loan fully underwritten and prepared for committee.  
4 Q Would it be fair to say that there is a wall of  
5 separation between the originator and the underwriter?  
6 A Yes. We communicate. We work together, but at the end  
7 of the day, the underwriter's job is to underwrite the job/ loan  
8 and understand the risk and they will communicate with the  
9 originator; but it is a separate group that takes care of all  
10 the underwriting.  
11 Q You made a reference to assisting in the diligence  
12 process. Is it the originator's role to communicate with the  
13 borrower to keep the underwriter separate from the borrower?  
14 A No, the underwriter will speak with them directly.  
15 Typically, they'll cc the originator on an e-mail to make sure  
16 they are aware of everything and the originator should be aware  
17 of all conversations that take place. Most of the time, the  
18 underwriter will speak directly with the borrower to get the  
19 information.  
20 Q That was the general practice that you have observed in  
21 your time at Ladder, right?  
22 A Correct.  
23 Q Can you just broadly describe to me the type of  
24 financing Ladder Capital offers?  
25 A We lend on commercial real estate. We write first

JACK WEISSELBERG - DIRECT (MS. FAHERTY)	Page 1776	JACK WEISSELBERG - DIRECT (MS. FAHERTY)	Page 1778
<p>1 mortgages. Sometimes we'll add mezzanine loans to a first</p> <p>2 mortgage that we write. We also do balance sheet loans that are</p> <p>3 shorter term that cover all aspects of commercial real estate.</p> <p>4 Q And when you say a "balance loan," what does that mean?</p> <p>5 Where does that -- where is that balance held?</p> <p>6 A A balance sheet loan is a loan that we hold on our</p> <p>7 books, on Ladder's books.</p> <p>8 Q Where else can you hold the loans that you have at</p> <p>9 Ladder Capital aside from the ones that are maintained on</p> <p>10 Ladder's own internal books?</p> <p>11 A The ones that we don't maintain, we securitize.</p> <p>12 Q Can you describe for me what that means?</p> <p>13 A We pool together loans and sell them to the broader</p> <p>14 market in a bond offering.</p> <p>15 Q Can we break that apart? You said "we pool together</p> <p>16 loans." Is that pull or pool together, P-O-O-L?</p> <p>17 A P-O-O-L.</p> <p>18 Q What does that mean when you're pooling together the</p> <p>19 loans and you're selling them to the broader market? How does</p> <p>20 that look?</p> <p>21 A So we take anywhere from 30 to 50 loans, maybe less,</p> <p>22 and we put them altogether into one pool and then we sell it in</p> <p>23 tranches where somebody will buy the most senior piece and</p> <p>24 somebody will buy the most junior piece and that's what we do</p> <p>25 with fixed rate loans.</p>		<p>1 A It could be.</p> <p>2 Q Or we have court officers here, like a PBA in some way.</p> <p>3 Are those the type of pension funds that you're referring to,</p> <p>4 those types of groups?</p> <p>5 A It could be. I don't -- I don't work on the</p> <p>6 securitization side, so I am not selling the bonds, so I don't</p> <p>7 know who specifically the investors are.</p> <p>8 Q Not impossible, but those could be the type of pension</p> <p>9 funds that would invest?</p> <p>10 MR. KISE: Objection. Foundation.</p> <p>11 THE COURT: Can you read back the question?</p> <p>12 (Whereupon, the requested portion of the record was</p> <p>13 read back.)</p> <p>14 MR. KISE: My objection is he just testified that</p> <p>15 he doesn't work on the securitization side, so I am not</p> <p>16 selling the bonds, so I don't know. So he has no foundation</p> <p>17 to answer that question.</p> <p>18 THE COURT: Sustained.</p> <p>19 Q But generally speaking, if I heard you correctly, but</p> <p>20 please correct me if I misheard, it would be pension fund as a</p> <p>21 potential investor, right?</p> <p>22 A It could be.</p> <p>23 Q Thank you.</p> <p>24 MR. KISE: Same objection.</p> <p>25 THE COURT: Sustained. He says he doesn't know</p>	
JACK WEISSELBERG - DIRECT (MS. FAHERTY)	Page 1777	JACK WEISSELBERG - DIRECT (MS. FAHERTY)	Page 1779
<p>1 Q And are there -- what does it mean to be a senior loan</p> <p>2 that you pool together or a senior tranche?</p> <p>3 A The senior tranche is the most secure piece. It's the</p> <p>4 last lost piece, so that's typically set aside for people that</p> <p>5 are looking for safer bet and a lower yield.</p> <p>6 Q How about junior? What does it mean to be a junior</p> <p>7 tranche?</p> <p>8 A The junior means the first lost piece, so if anything</p> <p>9 suffers a loss on that loan or in the pool, that's the guy that</p> <p>10 takes the hit first and he usually gets a higher yield.</p> <p>11 Q Do you know who are the purchasers of these two</p> <p>12 types -- two tranche types of pooled securities?</p> <p>13 A I don't know specifically. The junior piece groups</p> <p>14 that this is what they do. They own --</p> <p>15 Q Investors interested in the potentially higher risk,</p> <p>16 higher rewards?</p> <p>17 A Yes.</p> <p>18 Q How about the senior tranche? Do you have an</p> <p>19 understanding about the types of investors in the senior tranche</p> <p>20 loans?</p> <p>21 A It's typically insurance companies or pension funds</p> <p>22 that are looking for a safer risk lower risk and lower yield.</p> <p>23 Q When you say "pension fund," would that be something</p> <p>24 like I used to be in education. I used to be a teacher. A</p> <p>25 teacher's unions?</p>		<p>1 so...</p> <p>2 MS. FAHERTY: He offered the testimony, Your Honor,</p> <p>3 but I understand. I will withdraw.</p> <p>4 Q Are you familiar with the phrase "bad boy guaranty?"</p> <p>5 A Yes.</p> <p>6 Q What is a bad boy guaranty?</p> <p>7 A The non-recourse carve-out. So every non-recourse loan</p> <p>8 that we do, we have "bad boy carve-outs " that are intended for</p> <p>9 bad acts created by the borrower which would turn the loan into</p> <p>10 being a recourse loan.</p> <p>11 Q What are the types of bad acts that would constitute a</p> <p>12 bad act for a bad boy guaranty?</p> <p>13 A I don't recall all of them offhand.</p> <p>14 Q Do you know any types of bad acts that would constitute</p> <p>15 a bad act for a bad boy guaranty?</p> <p>16 A Yes. If you bring on environment waste to a property,</p> <p>17 fraud. Those are the two that I can think of off the top of my</p> <p>18 head.</p> <p>19 Q And does Ladder Capital have bad boy guaranties that it</p> <p>20 incorporates into the transactions it engages in?</p> <p>21 A Every non-recourse loan has them, yes.</p> <p>22 Q At Ladder Capital?</p> <p>23 A At Ladder Capital.</p> <p>24 Q Okay. We were talking a little bit before about how</p> <p>25 that there are balance loans that Ladder Capital might have. Is</p>	

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1780

1 it fair to say Ladder does in fact have short-term loans that it  
2 maintains that debt on its books?  
3 A Yes, balance sheet loans.  
4 Q Balance sheet loans. Thank you for the correction.  
5 And is the answer still yes?  
6 A Yes.  
7 Q Thank you.  
8 THE COURT: You can't just nod your head. You have  
9 to say yes or no.  
10 THE WITNESS: Sorry?  
11 THE COURT: You can't just nod your head. You have  
12 to say yes or no for the reporter.  
13 THE WITNESS: I said yes.  
14 THE COURT: I didn't hear the answer. I just saw  
15 the head.  
16 THE WITNESS: It's okay.  
17 Q Do you recall how many loans you've worked on since  
18 you've been at Ladder that have involved either Donald J. Trump  
19 or an entity affiliated with the name the Trump Organization?  
20 A I believe five.  
21 Q Five?  
22 A Yes.  
23 Q Which ones?  
24 A We did Trump Tower. We did 40 Wall Street. We did  
25 Trump International Hotel & Tower Commercial. We did Trump

JACK WEISSELBERG - DIRECT (MS. FAHERTY) Page 1781

1 Plaza Apartments Commercial and then Trump Central Park South.  
2 Q And Trump Tower, do you recall what year that was?  
3 A I believe it was 2012.  
4 Q How about 40 Wall? What year was that one?  
5 A That one, I believe, was 2015.  
6 Q Trump Plaza Commercial, do you remember what year that  
7 was?  
8 A I don't recall.  
9 Q Okay. Trump CPS or Central Park South, do you recall  
10 what year that was?  
11 A It was either 2016 or 2017. I'm not 100 percent.  
12 Q Trump International Hotel & Tower in Chicago, do you  
13 recall when that was?  
14 A That was in New York.  
15 Q Oh, in New York. Got it. What year was that?  
16 A I don't recall.  
17 Q Focusing on the loan relationship you had with the  
18 Trump Organization, can you describe broadly the process for  
19 financing that Ladder provided and that's how I'm going to focus  
20 your brain on my next line of questions. I want to start with  
21 the discussions of those loan relationships. Just broadly,  
22 would you have any particular discussions with anyone for those  
23 loan relationships with the organization?  
24 A On the Trump side or on the Ladder side?  
25 Q Trump side.

Page 1782

1 A That would be my father.  
2 Q Who is that?  
3 A Allen Weisselberg.  
4 Q Anybody else at the Trump Organization that you would  
5 work with in particular at the beginning of these loan  
6 discussions?  
7 A After my father and I discussed the deals, then  
8 typically Jeff McConney and Donna Kidder would send over  
9 diligence.  
10 (Continued on the next page.)  
11  
12  
13  
14  
15  
16

21  
22  
23  
24  
25

J. Weisselberg - Plaintiff - direct (Faherty) Page 1783

1 Q All right. So what would you and your father do in  
2 these initial discussions?  
3 A Depending upon the deal, I may have approached him or  
4 he may have approached me, just to discuss their current  
5 financing and what their current loan looked like to see if  
6 there is any way that we could refinance that with the new  
7 mortgage.  
8 Q So would it be the case if they didn't have a loan with  
9 you, you would discuss with your father, if at all possible,  
10 Ladder could offer a different financing arrangement. Does that  
11 sound about accurate?  
12 A If they did or they didn't there were some loans that  
13 we had done eight or nine years prior that we had securitized,  
14 so I would call and say this loan is coming due soon, what are  
15 your plans, let's chat.  
16 Q Got it. With regards to Jeff McConney, who is he?  
17 A Jeff McConney?  
18 Q Yes.  
19 A He was a senior accountant, maybe the controller at the  
20 time.  
21 Q And the nature of your relationship with Jeff McConney  
22 and those discussions concerning the Ladder relationship?  
23 A He was more making sure that I received accurate  
24 information. So he would send over rent rolls, operating  
25 statements, and if I had questions I would give him a call and

J. Weisse berg - Plaintiff - direct (Faherty) Page 1784	J. Weisselberg - Plaintiff - direct (Faherty) Page 1786
<p>1 ask him about it.</p> <p>2 Q So fair to say was Jeff McConney your contact to help</p> <p>3 with the diligence aspect of the loan underwriting or the</p> <p>4 finance underwriting?</p> <p>5 A I wasn't the underwriter on those loans, but in the</p> <p>6 initial conversation to size the loan it would be Jeff and</p> <p>7 Donna.</p> <p>8 Q Okay. And Donna Kidder, I think you mentioned her</p> <p>9 name, who is she?</p> <p>10 A I'm not sure what her role is. I know she works with</p> <p>11 accounting.</p> <p>12 Q She works in the accounting department?</p> <p>13 A I believe.</p> <p>14 Q Okay. And describe for me the nature of your</p> <p>15 interactions with Ms. Kidder.</p> <p>16 A Same as Jeff, but on a more sending us the information,</p> <p>17 questions that I would typically ask to Jeff, sometimes to</p> <p>18 Donna, as well, but very similar to the relationship I had with</p> <p>19 Jeff.</p> <p>20 Q Any particular properties or just broadly you would</p> <p>21 reach out to Ms. Kidder?</p> <p>22 A That would only be after we were discussing a</p> <p>23 particular property.</p> <p>24 Q And are there any particular properties for which you</p> <p>25 would have conversations with Ms. Kidder?</p>	<p>1 effect in August 2012. Thanks. Talk to you soon."</p> <p>2 Do you see that there?</p> <p>3 A I do.</p> <p>4 Q And it appears that this is a forward of a message from</p> <p>5 Donna Kidder; right? Am I reading that correctly?</p> <p>6 A Yes.</p> <p>7 Q Okay.</p> <p>8 MS. FAHERTY: Your Honor, I'll tie it in, but I'd</p> <p>9 like to move this into evidence.</p> <p>10 MR. ROBERT: Objection, Your Honor. I know we have</p> <p>11 our standing objection to statute of limitations. This is</p> <p>12 going back to 2011. By anyone's account, even the account</p> <p>13 that we disagree with the government with the statute is</p> <p>14 2014, so I would object and say this is irrelevant and it's</p> <p>15 also barred by the statute of limitations and therefore</p> <p>16 should not come into evidence.</p> <p>17 THE COURT: Overruled.</p> <p>18 MS. FAHERTY: Thank you.</p> <p>19 Q Is this the type of initial outreach you would have</p> <p>20 with your father when exploring loan deals like we just</p> <p>21 discussed a moment ago?</p> <p>22 A Yes. Typically he mentioned "as discussed." We</p> <p>23 probably had phone conversations and if Donna sent me an e-mail</p> <p>24 prior to this then this was a little bit further along, but yes,</p> <p>25 this is the initial sizing time period.</p>
J. Weisse berg - Plaintiff - direct (Faherty) Page 1785	J. Weisselberg - Plaintiff - direct (Faherty) Page 1787
<p>1 A I don't recall which ones specifically, but probably</p> <p>2 most of them.</p> <p>3 Q Okay. All right.</p> <p>4 MS. FAHERTY: Can you please pull up PX 00630?</p> <p>5 Your Honor, I'm marking for identification</p> <p>6 Plaintiff's Exhibit 630 that I'd like to show the witness,</p> <p>7 please.</p> <p>8 THE COURT: Okay.</p> <p>9 Q Do you have that document in front of you,</p> <p>10 Mr. Weisselberg?</p> <p>11 A Yes.</p> <p>12 Q Looking at this document, very top message, do you</p> <p>13 recognize -- is that your e-mail address at the top there in the</p> <p>14 "to" line?</p> <p>15 A Yes.</p> <p>16 Q And is this an e-mail from Allen Weisselberg at the</p> <p>17 Trump Organization?</p> <p>18 A Yes.</p> <p>19 Q That's your father; right?</p> <p>20 A Yes.</p> <p>21 Q Okay. And in this message, it's dated 2011. I</p> <p>22 recognize Counsel might have an objection in a moment, but it</p> <p>23 states:</p> <p>24 "As discussed, we are looking for a forward commitment</p> <p>25 in the amount of 65 million, and a term of ten years to take</p>	<p>1 Q Okay. And it says in the message "looking for a</p> <p>2 forward commitment in the amount of \$65 million;" right?</p> <p>3 A Yes.</p> <p>4 Q And a term of ten years to take effect in August 2012;</p> <p>5 right?</p> <p>6 A Correct.</p> <p>7 Q What is your understanding of what that message is</p> <p>8 conveying here?</p> <p>9 A He's telling us that he would like us to close the loan</p> <p>10 in August 2012 and being that it was October of 2011, they were</p> <p>11 looking for a forward commitment.</p> <p>12 Q Okay. And the subject line here, it's a forward:</p> <p>13 "TTCOML" and then "October 2011 rentroll five-year projection?"</p> <p>14 Do you have any understanding as to what TTCOML is a</p> <p>15 reference to?</p> <p>16 A Yes.</p> <p>17 Q What is it?</p> <p>18 A Trump Tower Commercial.</p> <p>19 Q Is this a discussion you're having with your father</p> <p>20 with regards to the Trump Tower commercial loan?</p> <p>21 A Correct.</p> <p>22 Q Did you, in fact, do a loan on Trump Tower in 2012?</p> <p>23 A We did.</p> <p>24 Q Okay. Thank you. You can put that to the side -- oh,</p> <p>25 before you do.</p>

J. Weissen berg - Plaintiff - direct (Faherty) Page 1788	J. Weisselberg - Plaintiff - direct (Faherty) Page 1790
<p>1 If I said the phrase to you, "rate lock," do you have</p> <p>2 any understanding of what that phrase "rate lock" means?</p> <p>3 A Yes.</p> <p>4 Q Is this e-mail a reference to a rate lock?</p> <p>5 A Well, it's in reference to a forward commitment, which</p> <p>6 would include a rate lock.</p> <p>7 Q Okay. And the forward commitment that's in here, can</p> <p>8 you describe for me what a rate lock would be?</p> <p>9 A A rate lock is when you lock in the interest rate for</p> <p>10 your loan.</p> <p>11 Q Got it.</p> <p>12 MS. FAHERTY: Okay. We can put that to the side,</p> <p>13 please.</p> <p>14 Q So once you have a discussion with your father, you're</p> <p>15 exploring the potential loan deal, here it appears that you and</p> <p>16 your father were talking more of the terms.</p> <p>17 Was there any diligence you would do in connection with</p> <p>18 those initial conversations with Mr. Weisselberg?</p> <p>19 A Well, typically I would ask for a rent roll and</p> <p>20 operating statements would be the initial conversation so we</p> <p>21 could start looking at the numbers.</p> <p>22 Q Okay. And why would you want a rent roll?</p> <p>23 A I'm sorry?</p> <p>24 Q Why would you want a rent roll?</p> <p>25 A Oh, so we could understand the tenants that are in the</p>	<p>1 A Yes.</p> <p>2 Q Okay. And in this message, the subject, "Trump Tower,"</p> <p>3 Mr. Weisselberg, it's a little -- Mr. Allen Weisselberg says to</p> <p>4 you, "please note the numbers reflected in the projection</p> <p>5 includes a license fee payment from the producers of The</p> <p>6 Apprentice, (Reilly Worldwide ) is shown as \$500,000. However,</p> <p>7 the real value of the two floors is approximately" or "approx</p> <p>8 \$100 PSF," per square foot "or 2,798,100 or an additional,"</p> <p>9 "add'l 2,298,100 to the bottom line.</p> <p>10 Additionally, the Trump Organization occupies approx</p> <p>11 37,225 square feet at approximately 75 PSF, equates to an</p> <p>12 additional 2,791,875 to the bottom line as well."</p> <p>13 Do you see that there?</p> <p>14 A Yes.</p> <p>15 Q And there appears to be an attachment. It's identified</p> <p>16 by -- in 001, I presume. Do you have an understanding why your</p> <p>17 father -- why Mr. Weisselberg, Allen, is giving you this</p> <p>18 information about The Apprentice and the square footage of the</p> <p>19 floor?</p> <p>20 A Yes. The -- with The Apprentice space, as well as the</p> <p>21 Trump Organization space, there was no rent associated with the</p> <p>22 rent roll, so I probably asked what was going on with this space</p> <p>23 and why is there no rent associated with it. So we included the</p> <p>24 \$500,000 that was being paid by The Apprentice as a license fee</p> <p>25 and he was just suggesting that the real value is probably much</p>
J. Weissen berg - Plaintiff - direct (Faherty) Page 1789	J. Weisselberg - Plaintiff - direct (Faherty) Page 1791
<p>1 building, the rent that they're paying when their lease began,</p> <p>2 when their lease expires, if they have lease termination</p> <p>3 options, things like that.</p> <p>4 Q Are you trying to understand if the property is</p> <p>5 generating income, for example?</p> <p>6 A Trying to figure out what income the property is</p> <p>7 generating.</p> <p>8 Q Okay. And a rent roll would give you that information;</p> <p>9 yes?</p> <p>10 A That would give us what the rent would be.</p> <p>11 Q Okay.</p> <p>12 A Yes.</p> <p>13 Q It would be a piece of the puzzle?</p> <p>14 A Exactly.</p> <p>15 Q Great.</p> <p>16 MS. FAHERTY: Can you put up PX 631, please?</p> <p>17 Thank you.</p> <p>18 Your Honor, I'd mark for identification Plaintiff's</p> <p>19 Exhibit PX-00631.</p> <p>20 Q Mr. Weisselberg, we've put it on the screen, but it's</p> <p>21 in front of you as well. This is another e-mail between you and</p> <p>22 Mr. Allen Weisselberg at the Trump Organization; right?</p> <p>23 A Yes.</p> <p>24 Q The date on this message is October 20, 2011, the next</p> <p>25 day from the message we were just looking at?</p>	<p>1 higher if we vacated the space and found a third-party tenant.</p> <p>2 Q Okay. So the actual value received for the particular</p> <p>3 space for The Apprentice would have been 500,000 based on this</p> <p>4 message, yes?</p> <p>5 A That was what they were paying.</p> <p>6 Q And Mr. Allen Weisselberg is providing for you</p> <p>7 additional information of what they could have received; is that</p> <p>8 correct?</p> <p>9 A Correct.</p> <p>10 Q Okay. And this is the type of information that your</p> <p>11 father -- Mr. Allen Weisselberg and you have engaged in before</p> <p>12 to try and assess whether a deal is possible; is that right?</p> <p>13 A Correct.</p> <p>14 Q Okay. Would information like this help you do</p> <p>15 back-of-the-envelope calculations as you're deciding whether</p> <p>16 there is a deal to be made with regards to this transaction?</p> <p>17 A Not really.</p> <p>18 Q Have you ever performed back-of-the-envelope</p> <p>19 calculations about a potential loan deal with regards to the</p> <p>20 Trump Organization?</p> <p>21 A On my own?</p> <p>22 Q Yes.</p> <p>23 A Sure.</p> <p>24 Q Do you recall if you did one on Trump Tower?</p> <p>25 A I don't recall.</p>

J. Weiss e berg - Plaintiff - direct (Faherty) Page 1792	J. Weisselberg - Plaintiff - direct (Faherty) Page 1794
<p>1 Q Okay. When you yourself perform back-of-the-envelope</p> <p>2 calculations, do you incorporate cap rates into those</p> <p>3 calculations that you're doing?</p> <p>4 A Yes.</p> <p>5 Q Do you talk cap rates with Mr. Weisselberg, Mr. Allen</p> <p>6 Weisselberg?</p> <p>7 A Sure.</p> <p>8 Q When you're discussing the various deals for the Trump</p> <p>9 Organization, have you talked about cap rates that are possible</p> <p>10 cap rates to be used on those valuations?</p> <p>11 A When we send out an application for a new loan, one of</p> <p>12 the stipulations -- excuse me -- is loan to value, so we'll try</p> <p>13 to figure out what we think the appraiser is going to come back</p> <p>14 at and put an LTV there, a loan to value number, that would make</p> <p>15 sense. So typically, we'll have those discussions.</p> <p>16 Q What is a loan to value?</p> <p>17 A It's the percentage of the loan based on compared to</p> <p>18 the ratio to the value of the property.</p> <p>19 Q The value of the asset?</p> <p>20 A Yes.</p> <p>21 Q Okay, great. Thank you.</p> <p>22 Just a broad question, has your father ever called you</p> <p>23 to discuss cap rates in the market?</p> <p>24 A I don't recall, but probably.</p> <p>25 Q Okay. And just broadly speaking, discuss cap rates and</p>	<p>1 A Not often, but maybe once or twice.</p> <p>2 Q What are the two examples you're thinking of?</p> <p>3 A I believe that Mr. Trump would speak to the CEO of my</p> <p>4 company, Brian Harris, occasionally before a loan closed or was</p> <p>5 signed up.</p> <p>6 Q Can you give me an example of when that occurred?</p> <p>7 A Think with the Trump Tower loan that occurred -- it may</p> <p>8 have happened with 40 Wall, as well, but I don't recall.</p> <p>9 Q And what is your understanding as to why Mr. Trump</p> <p>10 would speak with Brian Harris about a loan deal with Ladder</p> <p>11 Capital?</p> <p>12 A They had a relationship that goes back many years and</p> <p>13 before a loan closes sometimes they'll have a chat.</p> <p>14 Q Do you know the substance of those chats?</p> <p>15 A I don't.</p> <p>16 Q Okay. You recall that Mr. Harris and Mr. Trump did</p> <p>17 speak in connection with the Trump Tower deal in 2012?</p> <p>18 A I believe so, yes.</p> <p>19 MS. FAHERTY: Can we pull up PX 649? Thank you.</p> <p>20 And, Your Honor, I neglected to move the prior</p> <p>21 exhibit in. I'd like to move that in subject to I'm aware</p> <p>22 Counsel have their standing objection.</p> <p>23 MR. ROBERT: Objection.</p> <p>24 THE COURT: Overruled. It's in.</p> <p>25 Q Okay. Mr. Weisselberg, you've been handed a document</p>
J. Weiss e berg - Plaintiff - direct (Faherty) Page 1793	J. Weisselberg - Plaintiff - direct (Faherty) Page 1795
<p>1 he asked you for advice on a particular real estate asset in a</p> <p>2 part of Manhattan, would you be able to provide that cap rate</p> <p>3 type information?</p> <p>4 A Not accurately.</p> <p>5 Q So you would tell your father no, I'm not providing you</p> <p>6 a cap rate?</p> <p>7 A I may tell him what I think, but that he should</p> <p>8 probably call an appraiser.</p> <p>9 Q Okay. Other than your conversation with Mr. Allen</p> <p>10 Weisselberg broadly about possible deals with Ladder, and you</p> <p>11 reference Ms. Kidder and Mr. McConney, before a deal is</p> <p>12 consummated are you aware of other individuals at the Trump</p> <p>13 Organization to your knowledge who would speak with members of</p> <p>14 the Trump Organization -- Ladder with the members of the Trump</p> <p>15 Organization?</p> <p>16 A Sorry. Could you repeat the question?</p> <p>17 Q Yes, that was a poorly worded question.</p> <p>18 Other than the names we've already discussed, to your</p> <p>19 knowledge, are you aware of other members of the Trump</p> <p>20 Organization reaching out and speaking to members of Ladder</p> <p>21 Capital about a deal before the loan transaction and the</p> <p>22 financing transaction is consummated?</p> <p>23 MR. KISE: Objection. Are we talking about 2011 or</p> <p>24 anytime?</p> <p>25 MS. FAHERTY: I'm talking generally.</p>	<p>1 that's been marked as Plaintiff's Exhibit 649. Do you recognize</p> <p>2 that e-mail address at the top in the "from" bar? Is that your</p> <p>3 e-mail address at Ladder Capital?</p> <p>4 A Yes.</p> <p>5 Q It's dated January 8, 2012; right?</p> <p>6 A Yes.</p> <p>7 Q Do you recognize the e-mail address</p> <p>8 sportsalley@aol.com?</p> <p>9 A Yes.</p> <p>10 Q What is sportsalley@aol.com?</p> <p>11 A That's my father's, Allen Weisselberg's, personal</p> <p>12 e-mail address.</p> <p>13 Q It appears you're forwarding Mr. Allen Weisselberg a</p> <p>14 message between you and Brian Harris; right?</p> <p>15 A Correct.</p> <p>16 MS. FAHERTY: Okay. Can we scroll down further?</p> <p>17 We're going to go to the underlying bottom e-mail.</p> <p>18 Okay, there we go.</p> <p>19 Q Looking at the bottom of this first page do you see on</p> <p>20 January 7, 2012, 10:50 p m. there appears to be a message to</p> <p>21 Brian Harris. My understanding is it's from you, but the e-mail</p> <p>22 header is gone and it says, "quick FYI," dot, dot, dot, "I spoke</p> <p>23 to DT when he landed in Florida on Friday night and he was</p> <p>24 congratulating me on getting such a prize. Seems like he's done</p> <p>25 as far as he knows. Could not have been nicer to me or more</p>

J. Weissen berg - Plaintiff - direct (Faherty) Page 1796	J. Weisselberg - Plaintiff - direct (Faherty) Page 1798
<p>1 complimentary of you."</p> <p>2 MR. FAHERTY: Actually, if we go back one message</p> <p>3 it will give us our context. Go further underneath. Sorry,</p> <p>4 Ashley. Further. Great.</p> <p>5 Q Okay. A message from you, do you see at the very back?</p> <p>6 A Yes.</p> <p>7 Q To Brian Harris, Pamela McCormack, Greta Guggenheim,</p> <p>8 Michael Pasadon, Ed Peterson, Micah Goodman, and David Traitel.</p> <p>9 Those are all employees at Ladder Capital?</p> <p>10 A At the time, yes.</p> <p>11 Q And this appears to be a message sent on January 6th in</p> <p>12 2012, yes?</p> <p>13 A Yes.</p> <p>14 Q And within the body of this message you're discussing</p> <p>15 the subject "Trump Tower." It says, "They're not ready to rate</p> <p>16 lock today." We just spoke about rate locking?</p> <p>17 A Yes.</p> <p>18 Q And further into the message it says, "Also, Brian,</p> <p>19 Donald may call you. Not sure if he did already. FYI, he will</p> <p>20 probably elect to take a lower loan amount if we need him to,</p> <p>21 rather than sign a lease."</p> <p>22 Are you informing Brian Harris in this message that</p> <p>23 Donald Trump was going to call him?</p> <p>24 MR. ROBERT: Objection. It's hearsay. It's coming</p> <p>25 from an e-mail from someone that's not on the stand relaying</p>	<p>1 spoke with Donald Trump in Florida?</p> <p>2 A Reading this e-mail, now I do.</p> <p>3 Q Thank you. Okay, we can move on. Thank you.</p> <p>4 And do you recall that as a result of that exchange you</p> <p>5 and Brian Harris were of the understanding that the Trump Tower</p> <p>6 deal was going to go ahead with Ladder?</p> <p>7 A That was our understanding.</p> <p>8 Q Yes. Thank you.</p> <p>9 Do you recall how you were aware that Donald Trump was</p> <p>10 going to be calling Brian Harris such that you were able to</p> <p>11 e-mail that message?</p> <p>12 A I don't recall.</p> <p>13 Q Would Mr. Trump have informed you that he was going to</p> <p>14 be calling Brian Harris?</p> <p>15 A No.</p> <p>16 Q Is that something you would have learned from possibly</p> <p>17 Allen Weisselberg?</p> <p>18 A Probably.</p> <p>19 Q He would have informed you of such things possibly?</p> <p>20 A Yes.</p> <p>21 MS. FAHERTY: I'm going to move on to 650.</p> <p>22 Your Honor, I'd like to move that prior exhibit in.</p> <p>23 MR. ROBERT: I would object first on the statute of</p> <p>24 limitations; and secondly, it's hearsay.</p> <p>25 THE COURT: Statute of limitations objection</p>
J. Weissen berg - Plaintiff - direct (Faherty) Page 1797	J. Weisselberg - Plaintiff - direct (Faherty) Page 1799
<p>1 something and then this witness is relaying what was said.</p> <p>2 It's not for the truth of the matter asserted. I think</p> <p>3 they're trying to establish the truth of matter asserted.</p> <p>4 Q Did you in fact send an e-mail --</p> <p>5 THE COURT: Wait, wait, wait. Are you withdrawing</p> <p>6 that question?</p> <p>7 MS. FAHERTY: I can withdraw the question.</p> <p>8 THE COURT: Okay.</p> <p>9 Q Did you, in fact, send this e-mail that stated Donald</p> <p>10 may call Brian Harris?</p> <p>11 A Yes.</p> <p>12 Q Any reason to believe you didn't send this message?</p> <p>13 A No.</p> <p>14 Q Any reason to believe you didn't have those thoughts in</p> <p>15 your mind that Donald J. Trump might be calling Brian Harris</p> <p>16 when you sent this message?</p> <p>17 A No.</p> <p>18 Q And is it your understanding Donald J. Trump did in</p> <p>19 fact call Brian Harris?</p> <p>20 A That I don't recall.</p> <p>21 MS. FAHERTY: Let's scroll up further to the</p> <p>22 earlier exchange. Right there.</p> <p>23 Q January 7, 10:50. Brian Harris writes: "I spoke to DT</p> <p>24 when he landed in Florida on Friday night."</p> <p>25 You did in fact have an understanding that Brian Harris</p>	<p>1 overruled. Hearsay objection, it's not to be -- I won't</p> <p>2 consider it for the truth of its contents, just for notice.</p> <p>3 MS. FAHERTY: Thank you, Your Honor.</p> <p>4 (Whereupon, the item previously referred to is</p> <p>5 received and marked Plaintiff's Exhibit Number 649 in</p> <p>6 evidence.)</p> <p>7 Q Mr. Weisselberg, you testified that you were aware that</p> <p>8 in fact you did at that time know you were going to have --</p> <p>9 secure the Trump Tower deal between Ladder and the Trump</p> <p>10 Organization; right?</p> <p>11 A We were -- the understanding was we were going to win</p> <p>12 the deal.</p> <p>13 Q Did you have an understanding at that time that</p> <p>14 Mr. Trump was the necessary approval for that transaction to go</p> <p>15 forward?</p> <p>16 A Yes.</p> <p>17 Q Is it your general understanding that</p> <p>18 Mr. Donald J. Trump had to approve every transaction that the</p> <p>19 Trump Organization did with Ladder?</p> <p>20 A I don't recall the smaller ones. I know on the larger</p> <p>21 ones, yes. I'm not sure about all of them.</p> <p>22 Q Which smaller ones are you referring to?</p> <p>23 A The Trump International Hotel and Tower Commercial and</p> <p>24 the Trump Plaza Commercial.</p> <p>25 Q So is it your testimony right now as you're sitting</p>

<p>J. Weisse berg - Plaintiff - direct (Faherty) Page 1800</p> <p>1 here today that you're unaware that you do not know Mr. Trump 2 was required to approve every loan transaction? 3 A I don't recall -- 4 Q And Ladder Capital? 5 MR. ROBERT: Objection. It's a direct examination. 6 She is leading the witness. He's appearing here as their 7 witness. 8 MS. FAHERTY: I asked a question, he gave an 9 answer. I'm clarifying his answer. 10 MR. ROBERT: No, that was a cross examination 11 question. 12 MS. FAHERTY: I'm quite good at that, too, 13 Mr. Robert. I think it was a clarifying question for his 14 particular answer. 15 THE COURT: I generally allow clarifications, so 16 overruled, but be careful. 17 MS. FAHERTY: Your Honor, I appreciate that. 18 Q Do you need that read back? 19 A No. I think I understand it. I don't recall 20 specifically if he had to sign off on every loan. 21 Q Okay. 22 MS. FAHERTY: Can you pull up -- 23 Q Do you recall meeting with my office previously where a 24 member of the Attorney General, the Attorney General's Office 25 asked you some questions, there was a court reporter there, you</p>	<p>J. Weisselberg - Plaintiff - direct (Faherty) Page 1802</p> <p>1 statements are generally correct. 2 Now, what are we doing here? 3 MS. FAHERTY: Your Honor, I can withdraw. I can 4 withdraw the question. 5 THE COURT: Okay. 6 MS. FAHERTY: I can move on. 7 Q I'm going to hand up to the witness an exhibit 8 identified as PX 650. 9 MS. FAHERTY: Can we pull that back? I think I 10 handed you the wrong -- thank you, Your Honor. 11 Q All right. We have 650 up on the screen. You have 650 12 in front of you, yes? 13 A Yes. 14 Q This is an e-mail between you and Greta Guggenheim 15 dated January 10, 2012? 16 A Yes. 17 Q And I'll draw your attention to the underlying message 18 from you to Greta at 11:27 p m.. Do you recall -- well, I'll 19 read it. "We should have their comments to app and rate lock 20 agreement tomorrow, but they are skittish on a CMBS loan." 21 What is a CMBS loan? 22 A It's a commercial mortgage back security, so that's a 23 securitization loan. 24 Q So this is an example of a loan that has been 25 securitized, yes?</p>
<p>J. Weisse berg - Plaintiff - direct (Faherty) Page 1801</p> <p>1 swore -- you gave an oath, gave testimony. Do you recall that 2 occurring? 3 A No. 4 Q You don't recall meeting with my office before? 5 A Not in your office. We did it over Zoom. 6 Q Over Zoom, sorry. I should be clear. 7 Do you recall giving testimony to members of my office? 8 A Yes. 9 Q And it was sworn testimony; correct? 10 A Yes. 11 Q You raised your hand, you gave an oath, you swore you 12 would testify truthfully? 13 MR. ROBERT: Objection. 14 MS. FAHERTY: I'm just following your model. 15 MR. ROBERT: He's their own witness in their case 16 in chief. They can't use an alleged prior inconsistent 17 statement which is where I think she is going, even though I 18 don't know what it is. They can't impeach their own 19 witness. They called them in their case as a direct 20 witness. 21 MS. FAHERTY: I'm going to refresh the witness's 22 recollection. I first want to make sure -- 23 MR. KISE: That's clearly not what she's doing, 24 clearly. 25 THE COURT: I mean, I think the defendants'</p>	<p>J. Weisselberg - Plaintiff - direct (Faherty) Page 1803</p> <p>1 A That's going to be securitized. That's our plan. 2 Q Got it. And then it goes on: "Ivanka (with Jared 3 Kushner's input) has made him rethink things. I tried to 4 explain the differences BW" -- is that between? 5 A Yes. 6 Q "Between a low leverage CMBS loan and a 100 percent 7 financing CMBS loan where one overpays. He gets it, but he is 8 deciding. He is also nervous about Gucci's rent becoming public 9 knowledge, as he tends to embellish from time to time. Anyway, 10 they're going to negotiate the app and rate lock agreement to be 11 ready, but are on the fence right now." 12 Do you recall sending that message to Greta Guggenheim 13 on January 12, 2012? 14 MR. KISE: Your Honor, we've been going quite a 15 while. I just want to raise the significant relevance 16 objection here. This is 2012. What does this have to do 17 with anything? Are they going to tie this up somehow? 18 These loans aren't even at issue in any shape, form or 19 fashion in the case by anyone's view. 20 THE COURT: Well, you know me, I tend to give some 21 leeway. I hope there will be a connection and, as I've said 22 many times, the statute of limitations limits claims, not 23 evidence. 24 Also, I think these -- this testimony may be 25 relevant to the requested equitable relief, so I'm going to</p>

J. Weisse berg - Plaintiff - direct (Faherty)	Page 1804	J. Weisselberg - Plaintiff - direct (Faherty)	Page 1806
<p>1 allow it for now.</p> <p>2 MR. KISE: Let me just pause there and clarify</p> <p>3 that, Your Honor. How could conduct that's outside the</p> <p>4 statute of limitations be relevant to any relief in the</p> <p>5 case? The Court can't consider things -- then you're going</p> <p>6 to consider things from 1990, 1995, 2000, 2005? I mean, it</p> <p>7 becomes limitless at that point.</p> <p>8 THE COURT: Well, I'm not going to set a particular</p> <p>9 time limit, but 6312 refers to a pattern and I -- the acts</p> <p>10 would now be subject to a claim, but the pattern I think who</p> <p>11 would be? We could brief that, we could discuss that.</p> <p>12 MR. KISE: I mean, respectfully, Your Honor, I</p> <p>13 would disagree. The pattern that has to be established is a</p> <p>14 pattern within the limitations period. Otherwise, 6312</p> <p>15 could reach back to 1985. I mean, it becomes an arbitrary</p> <p>16 limit which I think is the precise reason we have</p> <p>17 limitations periods, but if we want to take that up at a</p> <p>18 different time, that's fine. My only objection now is it's</p> <p>19 seemingly very irrelevant.</p> <p>20 THE COURT: Well, out of an abundance of caution,</p> <p>21 I'll let her continue. Yes, it's an interesting question to</p> <p>22 what extent pre-limitations actions are -- could be</p> <p>23 encompassed with an examination of, quote, "persistent</p> <p>24 fraud." I think, again, it's the question of the claim.</p> <p>25 When you look -- I don't know. We'll have to talk about</p>		<p>1 What is that a reference to being nervous about Gucci's</p> <p>2 rent becoming public knowledge? Is that in any way connected to</p> <p>3 a CMBS loan?</p> <p>4 A Gucci was the major tenant at Trump Tower.</p> <p>5 Q Okay. And what does it mean in this message about</p> <p>6 becoming nervous to Gucci's rent becoming public knowledge?</p> <p>7 A I don't recall specifically what I was referring to in</p> <p>8 this e-mail.</p> <p>9 Q Is there something about a CMBS loan that would make</p> <p>10 financial information like rent from a tenant in a building</p> <p>11 becoming public knowledge?</p> <p>12 A Yes.</p> <p>13 Q And what is that?</p> <p>14 A It's a public offering, so the documents for all large</p> <p>15 loans, usually the top ten, sometimes the top 20 are released</p> <p>16 publicly.</p> <p>17 Q So information about rent in a building would</p> <p>18 potentially be publicly available in connection with the CMBS</p> <p>19 loan?</p> <p>20 A Correct.</p> <p>21 Q Okay. Thank you.</p> <p>22 MS. FAHERTY: Your Honor, I move to admit this</p> <p>23 exhibit into evidence, please?</p> <p>24 MR. ROBERT: Objection.</p> <p>25 THE COURT: Granted. It's in.</p>	
J. Weisse berg - Plaintiff - direct (Faherty)	Page 1805		Page 1807
<p>1 that. I'll allow this for now with the objection on the</p> <p>2 record.</p> <p>3 MS. FAHERTY: And I'll try to move faster, Your</p> <p>4 Honor. I appreciate what we're all trying to get through</p> <p>5 here.</p> <p>6 Q Just, again, turning your attention to -- I don't know</p> <p>7 if there was a question pending. I lost it.</p> <p>8 The question was do you recall sending that message to</p> <p>9 Greta Guggenheim on January 22, 2012?</p> <p>10 A Reading it now clearly, I did, but I don't recall the</p> <p>11 e-mail.</p> <p>12 Q Okay.</p> <p>13 THE COURT: Apparently there are cases that are --</p> <p>14 or least a case that specifically held that examining</p> <p>15 conduct pursuant to 6312 can include pre-limitations</p> <p>16 behavior, and I can get that cite at some point. Sorry to</p> <p>17 interrupt.</p> <p>18 MS. FAHERTY: Thank you, Your Honor.</p> <p>19 Q So in the body of this message you're referring to a</p> <p>20 CMBS loan and "they are skittish." Is it "they are skittish" a</p> <p>21 reference to the Trump Organization?</p> <p>22 A Yes.</p> <p>23 Q And later on you make a statement "he's also nervous</p> <p>24 about Gucci's rent becoming public knowledge. As he tends to</p> <p>25 embellish from time to time."</p>		<p>1 (Whereupon, the item previously referred to is</p> <p>2 received and marked Plaintiff's Exhibit Number 650 in</p> <p>3 evidence.)</p> <p>4 MS. FAHERTY: Thank you. You can put that down.</p> <p>5 Q Was that your general understanding that the Trump</p> <p>6 Organization had concerns about financial information becoming</p> <p>7 public in connection with any of the Ladder loan transactions?</p> <p>8 MR. KISE: Objection. At what time period? I</p> <p>9 mean, anytime period?</p> <p>10 MS. FAHERTY: General understanding.</p> <p>11 A Yes, I recall it being public was a concern.</p> <p>12 Q Was that your understanding throughout the time period</p> <p>13 that you've been working on the Trump Organization loans?</p> <p>14 A Not sure.</p> <p>15 Transcript continues on the following page....</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	

JACK WEISSELBERG - DIRECT(MS. FAHERTY)Page 1808	JACK WEISSELBERG - DIRECT(MS. FAHERTY)Page 1810
<p>1 THE COURT: So let's agree with if there's no</p> <p>2 indication of a time period, it refers to all the time or</p> <p>3 just generally.</p> <p>4 MR. KISE: So again, at any point without any</p> <p>5 specificity? Just okay. I think it's objectionable, but</p> <p>6 you're the judge.</p> <p>7 THE COURT: I think commonsensically it is limited</p> <p>8 by the time period in issue which may be a long time period</p> <p>9 I grant.</p> <p>10 Q We spoke earlier about a loan on Central Park South in</p> <p>11 or about 2017. You didn't recall the time period, right?</p> <p>12 A Correct.</p> <p>13 Q Okay. Tell me what you recall about that particular</p> <p>14 loan?</p> <p>15 A It was a short-term balance sheet loan and they had a</p> <p>16 property that was unencumbered meaning it had no debt on it and</p> <p>17 they came to us for a loan.</p> <p>18 Q Which property was that?</p> <p>19 A This was located at -- on Central Park South, on Sixth</p> <p>20 Avenue.</p> <p>21 Q It was the property located on Central Park South, on</p> <p>22 Sixth Avenue?</p> <p>23 A Yes.</p> <p>24 Q So if I say "CPS," would you agree that that's our</p> <p>25 parlance for that same property, yes?</p>	<p>1 A It was to provide cash.</p> <p>2 Q Provide cash, okay.</p> <p>3 Did you say what settlement that was for?</p> <p>4 A I did not say.</p> <p>5 Q Do you have any understanding as to what settlement</p> <p>6 that money was going towards?</p> <p>7 A I believe it was Trump University.</p> <p>8 Q Thank you.</p> <p>9 Did you have any understanding at this time that there</p> <p>10 were cash issues related to their liquidity?</p> <p>11 A The understanding that we had was that they had</p> <p>12 recourse obligations to another lender that limited the amount</p> <p>13 of cash that they could access. They had to maintain a</p> <p>14 liquidity requirement and so that was the main thing that was</p> <p>15 holding them up as well as these two units that had not sold</p> <p>16 yet.</p> <p>17 Q Do you recall who that lender was?</p> <p>18 A I believe it was Deutsche Bank.</p> <p>19 Q What specifically was the cash issue at Deutsche Bank</p> <p>20 that you understood?</p> <p>21 A As I just mentioned they had a liquidity requirement</p> <p>22 with debt that they had with them meaning they had to maintain a</p> <p>23 certain liquidity level. I never knew what that number was, but</p> <p>24 if they had dipped into cash there was a chance that they could</p> <p>25 triplex a default on that loan and that they didn't want to do</p>
JACK WEISSELBERG - DIRECT(MS. FAHERTY)Page 1809	JACK WEISSELBERG - DIRECT(MS. FAHERTY)Page 1811
<p>1 A Sure. Yes.</p> <p>2 Q Do you recall how much that loan was for?</p> <p>3 A It was 25 million.</p> <p>4 Q 25 million?</p> <p>5 A Yeah.</p> <p>6 Q What is your understanding as to the need for that</p> <p>7 loan?</p> <p>8 A My understanding at the time was that they had a</p> <p>9 settlement that they needed to pay, so they took an unencumbered</p> <p>10 asset and we gave them 25 million for it.</p> <p>11 Q You said it was a short-term loan. How long was the</p> <p>12 term of that loan?</p> <p>13 A 12 months.</p> <p>14 Q 12 months?</p> <p>15 A Yes.</p> <p>16 Q What is your understanding as to why it was a</p> <p>17 short-term loan?</p> <p>18 A At the time, they were waiting for two apartment units</p> <p>19 to sell at another property and they thought they would have</p> <p>20 closed in time for the settlement and when they realized it</p> <p>21 could not or may not work, they just came to us us. So they</p> <p>22 knew those two units were going to sell shortly, so they needed</p> <p>23 a short-term bridge loan.</p> <p>24 Q When you say "short-term bridge loan," is that to free</p> <p>25 up cash?</p>	<p>1 that.</p> <p>2 Q So in order to get the bridge loan, they avoided</p> <p>3 triggering a default on their liquidity requirement at that</p> <p>4 time?</p> <p>5 MR. ROBERT: Objection. It is another one of the</p> <p>6 leading questions that they want to have a summary of</p> <p>7 something. They can ask a non-leading question and get an</p> <p>8 answer, Your Honor.</p> <p>9 THE COURT: Rephrase it, so that there's no issue</p> <p>10 about whether it's leading or not.</p> <p>11 MS. FAHERTY: I was just rephrasing his words. So</p> <p>12 I can withdraw, Your Honor.</p> <p>13 THE COURT: Okay.</p> <p>14 MS. FAHERTY: I think the point is made. Thank</p> <p>15 you.</p> <p>16 THE COURT: Withdrawn.</p> <p>17 Q Let's turn your attention to 40 Wall Street and that</p> <p>18 loan transaction, please.</p> <p>19 A Okay.</p> <p>20 Q Do you recall how that loan came to you?</p> <p>21 A I don't recall if I approached my father, if he</p> <p>22 approached me, but we had a conversation.</p> <p>23 Q So you don't know who brought it to whom, but there was</p> <p>24 a conversation between you and Mr. Allen Weisselberg; fair to</p> <p>25 say?</p>

<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1812</p> <p>1 A Correct.</p> <p>2 Q Do you remember what broadly those initial discussions</p> <p>3 entailed?</p> <p>4 A We had discussed the current loan that they had and the</p> <p>5 maturity date and certain dates that were in important on that</p> <p>6 loan and, you know, I mentioned that I think we could provide a</p> <p>7 loan here.</p> <p>8 Q Did you have an understanding at that time what that</p> <p>9 "then current loan" was that you were discussing?</p> <p>10 A Yes. They had a loan with Capital One.</p> <p>11 Q What do you recall about the particulars of that</p> <p>12 Capital One loan that prompted the discussion with Mr. Allen</p> <p>13 Weisselberg about what, if any, financing or refinancing Ladder</p> <p>14 could provide?</p> <p>15 A The loan they had at Capital One had a unique feature</p> <p>16 of amortization paydown of \$5 million and we were -- they</p> <p>17 wanted to decide whether it was better for them to just make</p> <p>18 that payment and stay with their current loan or maybe get a new</p> <p>19 loan with a lower rate.</p> <p>20 Q Did you discuss the ground lease at all with regards to</p> <p>21 40 Wall in those initial conversations?</p> <p>22 A I don't think initially.</p> <p>23 Q Are you aware that there is a ground lease?</p> <p>24 A Eventually we got there, yes.</p> <p>25 Q What do you know about the ground lease at 40 Wall?</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1814</p> <p>1 Q Do you recall looking at any initial projections with</p> <p>2 regards to that initial discussion?</p> <p>3 A Yes.</p> <p>4 Q What projections do you recall looking at?</p> <p>5 A I don't recall the specifics, but typically we would</p> <p>6 receive a rent roll and operating statements.</p> <p>7 MS. FAHERTY: Let's pull up 1290. Did we keep it</p> <p>8 or did you give it back to me? No. You gave it back to me.</p> <p>9 Thank you.</p> <p>10 Your Honor, I marked for identification Plaintiff's</p> <p>11 Exhibit PX-10290.</p> <p>12 Q I put that on your screen in front of you as well, Mr.</p> <p>13 Weisselberg. Appears to be a message from Allen Weisselberg,</p> <p>14 your father, right?</p> <p>15 A Yes.</p> <p>16 Q To you on April 9, 2015, yes?</p> <p>17 A Yes.</p> <p>18 Q And this is a forward with the subject Trump Mar31,</p> <p>19 2015, March 31, 2015, yes?</p> <p>20 A Yes.</p> <p>21 Q "Derivatives valuation report from Chatham Financial."</p> <p>22 Do you see that there?</p> <p>23 A I do.</p> <p>24 Q And there is an attachment with a title</p> <p>25 "Trump31-Mar-2015valuation.xls". Do you see it?</p>
<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1813</p> <p>1 A The ground lease was owned by a third party, I believe</p> <p>2 it was a family in Germany, and there was a rent reset that</p> <p>3 comes due in, I believe, 2032 and it is based on the fair market</p> <p>4 value of the ground lease and six percent of that would be the</p> <p>5 payment. So we knew that the current ground rent that had</p> <p>6 contractual increases until then would go up to a number that we</p> <p>7 couldn't determine for sure at the time of the loan.</p> <p>8 Q And sorry. I should ask this clarifying question.</p> <p>9 Does the Trump Organization or Mr. Donald J. Trump own</p> <p>10 40 Wall in fee simple?</p> <p>11 A It's a lease fee.</p> <p>12 Q And it is this ground lease that controls that</p> <p>13 ownership arrangement?</p> <p>14 A Correct. They own the building and somebody else owns</p> <p>15 the dirt.</p> <p>16 Q Thank you.</p> <p>17 Do you remember the initial general terms that you and</p> <p>18 Mr. Allen Weisselberg were initially discussing when you first</p> <p>19 contemplated a re-fi of the Capital One loan with Ladder?</p> <p>20 A We were talking about a ten-year CMBS loan. I believe</p> <p>21 it was 160 million. That's all that I recall in the initial</p> <p>22 conversations.</p> <p>23 Q Do you recall possibly discussing the rating if you had</p> <p>24 securitized the loan, what those ratings might be?</p> <p>25 A Initially, no. But eventually, yes.</p>	<p>JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1815</p> <p>1 A Yes.</p> <p>2 Q This is your father forwarding you a message from</p> <p>3 Chatham Financial, correct?</p> <p>4 A Correct.</p> <p>5 Q Who is Chatham Financial?</p> <p>6 A Chatham Financial is a third-party provider that</p> <p>7 borrowers and lenders use for a few different devices. One is</p> <p>8 to buy rate caps and in this case to figure out what prepayment</p> <p>9 penalty would cost.</p> <p>10 Q And what is the point of sending this message regarding</p> <p>11 what a prepayment penalty might be?</p> <p>12 A So when we -- when they were deciding when the Trump</p> <p>13 Organization was deciding whether to make the amortization</p> <p>14 payment or to get a new loan, the process of getting a new loan,</p> <p>15 they would have to make a prepayment penalty to Capital One. So</p> <p>16 they hired Chatham to find out what that prepayment penalty</p> <p>17 would look like.</p> <p>18 Q And this is just Mr. Weisselberg Allan forwarding it to</p> <p>19 you, so that you could have a further discussion about it, yes?</p> <p>20 A Correct.</p> <p>21 THE COURT: Five-minute warning.</p> <p>22 MS. FAHERTY: Your Honor, I move to admit this into</p> <p>23 evidence.</p> <p>24 MR. ROBERT: Objection. Statute of limitations and</p> <p>25 also I'm not sure if there is an attachment because there is</p>

JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1816	JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1818
<p>1 a second document that says "document provided natively" and</p> <p>2 whatever is coming from valuation reports would be hearsay.</p> <p>3 MS. FAHERTY: I'm not putting it in for the truth</p> <p>4 of the matter asserted. I'm putting it in for notice that</p> <p>5 this was information the Trump Organization had and</p> <p>6 forwarded to Mr. Jack Weisselberg.</p> <p>7 THE COURT: Okay. Statute of limitations overruled</p> <p>8 and hearsay. Granted except to the extent that it is being</p> <p>9 introduced to prove notice.</p> <p>10 MS. FAHERTY: Your Honor, I can have our consultant</p> <p>11 put the street which is the attachment to this document on</p> <p>12 the screen.</p> <p>13 THE COURT: Let's see that.</p> <p>14 MS. FAHERTY: So we can see it.</p> <p>15 THE COURT: Granted. It is in.</p> <p>16 (Whereupon, the Document was marked in evidence as</p> <p>17 Plaintiff's Exhibit 1290.)</p> <p>18 Q Do you recognize that this is the Excel spreadsheet?</p> <p>19 It says, "Chatham Financial" here?</p> <p>20 A It says "Chatham Financial," yes.</p> <p>21 Q Any reason to believe that this is not the attachment</p> <p>22 that was included to this message?</p> <p>23 A No.</p> <p>24 Q Okay.</p> <p>25 MS. FAHERTY: Your Honor, I move to admit subject</p>		<p>1 A I remember we reviewed the actual ground lease.</p> <p>2 MS. FAHERTY: Your Honor, I marked for</p> <p>3 identification the plaintiff's next Exhibit PX-00635.</p> <p>4 Q I put it on the screen, Mr. Weisselberg, plaintiff's</p> <p>5 exhibit. Does this appear to be a message from Jeff McConney at</p> <p>6 the Trump Organization to you on April 10, 2015?</p> <p>7 A Yes.</p> <p>8 Q Is there also a copy on this message to Allen</p> <p>9 Weisselberg at the Trump Organization?</p> <p>10 A Yes.</p> <p>11 Q The subject is "forward:40 Wall Street ground lease"</p> <p>12 and there appears to be an attachment, yes?</p> <p>13 A Yes.</p> <p>14 Q The attachment is 20 -- well, I don't have to</p> <p>15 represent to you. It is on the screen.</p> <p>16 "20100720103907533.tif," do you see that?</p> <p>17 A Yes.</p> <p>18 Q In this message, Jeff McConney appears to be writing</p> <p>19 you, "Jack, attached is the 4th loan modification along with</p> <p>20 summary which talk about how to compute the FMV rent a few years</p> <p>21 from now." Then it looks like there is an emoticon smiley face,</p> <p>22 right?</p> <p>23 A Yes.</p> <p>24 Q What is FMV rent?</p> <p>25 A Fair market value rent.</p>	
JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1817	JACK WEISSELBERG - DIRECT(MS. FAHERTY)	Page 1819
<p>1 to all of the objections I imagine.</p> <p>2 THE COURT: It is in.</p> <p>3 MS. FAHERTY: Thank you.</p> <p>4 THE COURT: Including the attachment.</p> <p>5 MR. ROBERT: It is for notice only correct.</p> <p>6 THE COURT: Yes.</p> <p>7 MS. FAHERTY: Yes. Probably a good moment for a</p> <p>8 break at this point, Your Honor.</p> <p>9 THE COURT: Okay. 15 minutes. We'll take a</p> <p>10 10-minute-break.</p> <p>11 (Witness exits the stand.)</p> <p>12 (Whereupon, a recess was taken.)</p> <p>13 THE COURT OFFICER: All rise. Part 37 is back in</p> <p>14 session. Please be seated and come to order.</p> <p>15 THE COURT OFFICER: Witness entering.</p> <p>16 THE COURT: So let's continue with the direct</p> <p>17 examination of Mr. Jack Weisselberg.</p> <p>18 MS. FAHERTY: Thank you, Your Honor.</p> <p>19 Q Mr. Weisselberg, during your discussions of the 40 Wall</p> <p>20 loan transaction, do you recall there came a point in time when</p> <p>21 you discussed with Jeff McConney information related to the</p> <p>22 ground lease?</p> <p>23 A Yes.</p> <p>24 Q Do you recall at any point reviewing formal,</p> <p>25 potentially legal documents?</p>		<p>1 Q Okay. And did you have any understanding as to what a</p> <p>2 4th loan modification along with a summary was?</p> <p>3 A It was actually a typo. It is 4th lease modification.</p> <p>4 Q 4th lease modification, okay.</p> <p>5 Did you understand that this message about 4th lease</p> <p>6 modification related to the 40 Wall Street ground lease?</p> <p>7 A Yes.</p> <p>8 Q And then I'll ask you to turn to the next page in your</p> <p>9 document in front of you, plaintiff's exhibit. Do you recognize</p> <p>10 that page right there?</p> <p>11 A Yes.</p> <p>12 Q What do you recognize that to be?</p> <p>13 A This is the fourth amendment to the ground lease</p> <p>14 discussing the rent reset.</p> <p>15 Q And this is a document you reviewed that Jeff McConney</p> <p>16 sent to you with regards to the 40 Wall Street?</p> <p>17 A I perused it, but the underwriting team reviewed it.</p> <p>18 MS. FAHERTY: Your Honor, I move this exhibit into</p> <p>19 evidence.</p> <p>20 MR. ROBERT: Objection.</p> <p>21 THE COURT: On the ground?</p> <p>22 MR. ROBERT: Statute of limitations.</p> <p>23 THE COURT: Overruled.</p> <p>24 (Whereupon, the Document was marked in evidence as</p> <p>25 Plaintiff's Exhibit 635.)</p>	

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1820

1 Q Turning your attention to this summary page, you agree  
2 with me there is a note under the title, "Resume of 4th  
3 Modification of Ground Lease on 40 Wall Street New York City"?  
4 A Yes.  
5 Q The note says, "This resume represents a brief summary  
6 of any of the important provisions of the 4th modification of  
7 the lease," yes?  
8 A Yes.  
9 Q And the date of the loan modification -- the lease  
10 modification appears is December 31, 2007?  
11 A Correct.  
12 Q The landlord is identified?  
13 A Yes.  
14 Q Is the tenant identified?  
15 A Yes.  
16 Q The tenant is 40 Wall Street, L.L.C.?  
17 A Yes.  
18 Q Do you recognize that tenant, 40 Wall Street, L.L.C.?  
19 A Yes.  
20 Q Who do you recognize 40 Wall Street, L.L.C. to be?  
21 A That was the owner of the building.  
22 Q Is the 40 Wall Street, L.L.C. affiliated with the Trump  
23 Organization?  
24 A Yes.  
25 Q Do you see further down on the page there is a topic

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1821

1 header, "Provisions of the Fourth Modification"?  
2 A Y88es.  
3 Q Do you see at point two, it says, "Revised Section  
4 2.05A to provide for rent valuation as of January 1, 2033 at the  
5 greater of a, six percent the then value of the land considered  
6 as vacant and unimproved, but with the right to construct a  
7 900,000 square-foot building for X, office purposes, and Y,  
8 ground floor retail space or other retail space in the building  
9 which existed after January 1, 2028 or B, 85 percent" -- it says  
10 "O", but would it be a fair interpretation that it should be  
11 "of"?  
12 A I believe so.  
13 Q "The then rental." Do you see that?  
14 A Yes.  
15 Q Was this provision relevant to you in the underwriting  
16 of the 40 Wall transaction?  
17 A Yes.  
18 Q Turn to the next page. Do you see that second  
19 provision there that says, "condominium conversion right"?  
20 A Yes.  
21 Q "Paragraph four eliminates the tenant's condominium  
22 conversion rights which it had under Section 27.09." Do you see  
23 that there?  
24 A Yes.  
25 MS. FAHERTY: If we move to -- it is identified as

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1822

1 five at the bottom of the page, you will see it as numbered  
2 paragraph five, right there. Back one. Thank you.  
3 Q Do you see that paragraph five was included in there?  
4 A Yes.  
5 Q Which states, "In consideration of the elimination of  
6 Section 27.09 of the lease, landlord and tenant agree that if in  
7 the future tenant is of the opinion that the area and times  
8 favor the construction of residential units which may be  
9 condominium units and tenant desires to create a residential  
10 condominium for the sale of units to the public, tenant may  
11 propose revision of the lease to permit the conversion to  
12 condominium ownership for the sale of such residential units  
13 provided, however, that in no event shall landlord have any  
14 obligation to agree with or take any action to effectuate such  
15 condominium conversion and landlord's determination to permit  
16 any such conversion shall be at landlord's sole and unfettered  
17 discretion." That was included in this document, yes?  
18 A Yes.  
19 Q Then one more page forward, do you recognize  
20 the -- the signature at the very bottom of this document?  
21 A Yes.  
22 Q Whose signature do you recognize that to be?  
23 A That's Donald J. Trump's.  
24 Q Donald J. Trump, the man sitting over at that table  
25 there?

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1823

1 A No.  
2 Q He was there, right?  
3 A At some point.  
4 Q That signature for Donald J. Trump is associated with  
5 40 Wall Street, L.L.C., yes?  
6 A Yes.  
7 Q Okay. We can put that down. I handed up to you a  
8 document marked as Plaintiff's Exhibit P X-01109. Let me know  
9 when you see that in front of you.  
10 A Yeah.  
11 Q I'm going to ignore a lot of the bottom of this  
12 e-mail --  
13 A Thank you.  
14 Q -- because I think it is just irrelevant, personal  
15 information, personal communications, but looking at the message  
16 from you to Allen Weisselberg dated April 16, 2015 at  
17 10:29 a m., that's you e-mailing your father, Mr. Allen  
18 Weisselberg, yes?  
19 A Correct.  
20 Q And then you have -- he responds to you, "Not too  
21 shabby. Let's get the rate and answer on the ground lease, so  
22 we could move the process," yes?  
23 A Yes.  
24 Q And then further up in the chain, you inform Mr. Allen  
25 Weisselberg that you're "sitting down tomorrow with our head of

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1824

1 large loans and then probably Brian and Mazzei on Monday," yes?  
2 A Yes.  
3 MS. FAHERTY: For the court reporter, that's  
4 M-A-Z-Z-E-I.  
5 Q The Brian referenced here, who is that?  
6 A That's Brian Harris.  
7 Q Mr. Mazzei or Mrs. Mazzei referenced here, who is that?  
8 A That's Mike Mazzei.  
9 Q There is reference here to the head of large loans.  
10 Who was that?  
11 A I don't know exactly. I'm not sure. We actually had a  
12 head of large loans. It was probably David Henschke who was our  
13 head of securitization.  
14 Q Thank you. So possibly discussing the securitization  
15 of the 40 Wall Street loan? Is that what that's a reference to?  
16 A Yes.  
17 Q Okay. And the reference in the underlying message from  
18 Allen Weisselberg, "Let's get the rate and the answer on the  
19 ground lease." What is that a reference to, to your  
20 understanding?  
21 A With the rate, we wanted to know what their interest  
22 rate would be based on the cash-free loan and our understanding  
23 of the loan. And the answer on the ground lease is making sure  
24 it was financeable, securitizable and figuring out what we  
25 thought the rent was going to be when it reset.

JACK WEISSELBERG - DIRECT(MS. FAHERTY) Page 1825

1 Q And can you talk a little bit more about that, why  
2 would that be a concern?  
3 A Well, the ground lease is part of the operating  
4 expenses for the property, so it affected the net cash flow and  
5 in this case as I had mentioned earlier, the ground lease was  
6 resetting to a number that we thought would be much higher. So  
7 it was important to figure out what we figured it would be 17 or  
8 18 years later.  
9 Q Does that mean 40 Wall Street, L.L.C. once the ground  
10 lease reset would potentially have higher rent exposure that it  
11 would have to pay at the time of that reset; is that right?  
12 A The ground rent could potentially be higher, yes.  
13 Q And that was a concern to you for what reason?  
14 A It would affect the net cash flow and our loan dollars  
15 are based on the net cash flow of the property.  
16 Q Would it also impact the loan beyond the current  
17 contemplated financing project?  
18 A It would only affect that, but because of that, it  
19 affects our loan.  
20 Q Understood. Thank you. You could put that to the  
21 side.  
22 Just to clarify as well, does that ground lease reset  
23 also impact the rating agency's LTVs?  
24 A Yes.  
25 Q In what way?

Page 1826

1 A The rating agency comes up with their own value which  
2 leads to the loan to value based on the rating agency cash flow  
3 and that cash flow includes what the ground rent payment will  
4 be.

J. Weisselberg - Plaintiff - direct (Faherty) Page 1827

1 Q And you can put that down. Thank you, sir.  
2 MS. FAHERTY: Did I move that into evidence, Your  
3 Honor? If not, I am so moving.  
4 MR. ROBERT: Objection. Statute of limitations.  
5 THE COURT: Understood.  
6 MS. FAHERTY: Thank you, sir.  
7 Q Okay. Mr. Weisselberg, I've handed up to you a  
8 document that we've marked as Plaintiff's Exhibit PX-00647 and  
9 putting it on the screen here appearing to an e-mail from you on  
10 April 23, 2015 to Brian Harris.  
11 And would you agree with me this appears to be another  
12 group of individuals who all work at Ladder Capital at that  
13 time?  
14 A Yes.  
15 Q And the subject is 40 Wall Street?  
16 A Correct.  
17 Q And looking at the names included on the cc line, do  
18 you have any understanding as to who that group of individuals  
19 includes?  
20 A Yes.  
21 Q Who are they?  
22 A Craig Robertson was the underwriter on the deal, Mike  
23 Mazzei was our president at the time. David Henschke was our  
24 head of securitization, Ed Peterson was our head trader, Greta  
25 Guggenheim was our CIO at that time, Pamela McCormack was our

J. Weiss e berg - Plaintiff - direct (Faherty) Page 1828	J. Weisselberg - Plaintiff - direct (Faherty) Page 1830
<p>1 general counsel at that time, and Matthew Jacobs was our head of</p> <p>2 CMBS underwriting at that time.</p> <p>3 Q And this grouping of individuals, are they a particular</p> <p>4 group at Ladder? Would there be a reason for writing to this</p> <p>5 group?</p> <p>6 A I believe that most of them made up the committee that</p> <p>7 would approve the loan, not all of them.</p> <p>8 Q And is there a name for that committee?</p> <p>9 A For this one it would be Conduit Committee.</p> <p>10 Q Conduit?</p> <p>11 A Conduit.</p> <p>12 Q Okay, great. Thank you.</p> <p>13 So in this message, and you don't have any reason to</p> <p>14 doubt this, is a message authored by you; correct?</p> <p>15 A Correct.</p> <p>16 MS. FAHERTY: Your Honor, I'm going to ask</p> <p>17 questions about this, so I want to avoid missing it. Move</p> <p>18 to admit this document.</p> <p>19 MR. ROBERT: Objection. Statute of limitations.</p> <p>20 THE COURT: Overruled. It's in evidence.</p> <p>21 (Whereupon, the item previously referred to is</p> <p>22 received and marked Plaintiff's Exhibit Number 647 in</p> <p>23 evidence.)</p> <p>24 MS. FAHERTY: Thank you, Your Honor.</p> <p>25 Q So turning your attention to the first paragraph,</p>	<p>1 loan has acquired \$5 million amortization payment in November of</p> <p>2 2015, right?</p> <p>3 A Yes.</p> <p>4 Q And the reference to that loan, am I reading it</p> <p>5 correctly, is it your understanding that that loan is a</p> <p>6 reference to the Capital One loan, yes?</p> <p>7 A Correct.</p> <p>8 Q Okay. The sentence continues, "alternatively for Trump</p> <p>9 they can make that same \$5 million payment to break the (swap</p> <p>10 prepayment penalty,) which would be a tax deductible payment.</p> <p>11 So a new loan would reduce his rate from 5.71 percent to a low</p> <p>12 to mid 3's rate, extend his loan for ten years and allow him to</p> <p>13 recover his prepayment penalty in a little more than one year.</p> <p>14 Of note, he will be coming out of pocket for the prepayment</p> <p>15 penalty."</p> <p>16 What is that reference to, that grouping of sentences I</p> <p>17 just read, the "alternatively for Trump?"</p> <p>18 A So this was mentioning why our loan would make sense</p> <p>19 for them and that if they decided not to make the amortization</p> <p>20 payment to Capital One and keep that loan outstanding that they</p> <p>21 would come to us for a new loan and this would be the</p> <p>22 alternative where they would lower their rate and the prepayment</p> <p>23 penalty they would be able to recover that just in saving on</p> <p>24 debt service over what I said was a little more than a year.</p> <p>25 Q And do you recall -- how did you form that</p>
J. Weiss e berg - Plaintiff - direct (Faherty) Page 1829	J. Weisselberg - Plaintiff - direct (Faherty) Page 1831
<p>1 Mr. Weisselberg. You mentioned how you're going to discuss the</p> <p>2 40 Wall Street transaction for Trump.</p> <p>3 "We sat down today to discuss the 40 Wall Street</p> <p>4 transaction for Trump. The proposed loan of \$160 million (137</p> <p>5 dollars per SF" or square foot, "excluding the ground lease,</p> <p>6 \$369 dollars per square foot, including the ground lease) with a</p> <p>7 real LTV of approximately 35 to 40 percent and a DSCR of 2.32X</p> <p>8 at closing and a debt yield of 14.02 percent at closing, will</p> <p>9 take out the current \$160 million seven-year IO loan that they</p> <p>10 currently have with Capital One."</p> <p>11 So is this what we talked about earlier, the financial</p> <p>12 arrangement that the Trump Organization currently had in place</p> <p>13 that Mr. Allen Weisselberg was seeking to refinance with Ladder?</p> <p>14 A Last part of that sentence, yes.</p> <p>15 Q Sure. And DSCR, what does DSCR stand for?</p> <p>16 A That's debt service coverage ratio.</p> <p>17 Q What is a debt service coverage ratio?</p> <p>18 A That is when you take a loan constant which is using</p> <p>19 the interest rate and the amortization schedule and you divide</p> <p>20 it by the net cash flow of the property to figure out what the</p> <p>21 coverage is, meaning how much cash flow there is from the</p> <p>22 property to pay the debt service.</p> <p>23 Q And IO, what is IO?</p> <p>24 A Interest only.</p> <p>25 Q Okay. All right. And it goes on further to state the</p>	<p>1 understanding about what alternatives that they had that they</p> <p>2 were exploring?</p> <p>3 A We did a pre-sizing, sort of underwriting to figure out</p> <p>4 what the loan payment would be assuming our rate was in the low-</p> <p>5 to mid-three percent and figured out how long it would take them</p> <p>6 to recover that prepayment penalty.</p> <p>7 Q Got it. And the e-mail goes on. The next paragraph</p> <p>8 begins, "the rub on the deal is the ground lease." What did you</p> <p>9 mean by that?</p> <p>10 A Every deal that we do has a risk, if not more, and in</p> <p>11 this situation the biggest risk or something that made it unique</p> <p>12 was the ground lease reset.</p> <p>13 Q For all the reasons we are just discussing a moment</p> <p>14 ago, yes?</p> <p>15 A Correct.</p> <p>16 Q Great. And the very end of that paragraph it begins</p> <p>17 with the sentence "we can get into the details if you want to</p> <p>18 call, if you would like, but we have gotten comfortable with</p> <p>19 that risk and David and Craig believe we can get a BBB rating on</p> <p>20 the loan with the majority of the rating agencies."</p> <p>21 What is that a reference to, the BBB rating with the</p> <p>22 majority of the rating agencies?</p> <p>23 A So that would be a triple B rating, which is investment</p> <p>24 grade. So we would be just letting him know that we thought</p> <p>25 that our worst case would be having the lowest end of an</p>

J. Weisse berg - Plaintiff - direct (Faherty)	Page 1832	J. Weisselberg - Plaintiff - direct (Faherty)	Page 1834
<p>1 investment grade loan which would be a triple B rating and the</p> <p>2 agencies that we use at the time I believe were Standard &amp;</p> <p>3 Poor's and Fitch. So we did an analysis of how we thought they</p> <p>4 would look at our cash flow and we were able to back into at</p> <p>5 worst case a triple B.</p> <p>6 Q So still contemplating whether you could securitize the</p> <p>7 loan and if so, what it would look like?</p> <p>8 A Well, we knew we could securitize the loan. It was a</p> <p>9 question of whether we could get investment grade treating and</p> <p>10 this was saying we believe that we would.</p> <p>11 Q Great, thank you.</p> <p>12 And then you state "please let us know your thoughts or</p> <p>13 if you would like to have a conversation later today. I was</p> <p>14 planning on sending them a one-page term sheet after we finalize</p> <p>15 our quote and we could go from there."</p> <p>16 Is it a fair reading that at this point you were</p> <p>17 prepared to issue a term sheet on the 40 Wall Street loan but</p> <p>18 had not yet done it?</p> <p>19 A We were preparing but we needed Brian sign off before</p> <p>20 we did that. So this was the initial e-mail to let him know how</p> <p>21 we felt and if he wanted to have a discussion about it, then we</p> <p>22 could discuss it and we were hoping to be able to issue a term</p> <p>23 sheet.</p> <p>24 Q Do you recall if there was any further discussion after</p> <p>25 this message?</p>	<p>1 A Yes.</p> <p>2 Q Okay. And very top message of this thread is an e-mail</p> <p>3 from Mike Mazzei to you, yes?</p> <p>4 A Yes.</p> <p>5 Q And Brian Harris, yes?</p> <p>6 A I don't believe he was on this e-mail -- oh, yes, he's</p> <p>7 cc'd. Apologies. Yes, yes.</p> <p>8 Q And he says "did we possibly get something done today.</p> <p>9 Okie doke;" right?</p> <p>10 A Yes.</p> <p>11 Q Okay. Looking at your message, the one right below the</p> <p>12 okeydoke, you wrote a message to Michael Harris and Michael</p> <p>13 Mazzei at 4:54 p.m., same day, April 23rd. Do you see that</p> <p>14 there?</p> <p>15 A Yes.</p> <p>16 Q In that message you write, "Okay, they would prefer to</p> <p>17 close in July instead of November."</p> <p>18 Is that a reference to the Trump Organization?</p> <p>19 A Correct.</p> <p>20 Q Do you recall as you sit here today that the Trump</p> <p>21 Organization was interested in closing the 40 Wall Street</p> <p>22 transaction in July instead of November?</p> <p>23 A I don't. I recall reading the e-mail, but I don't</p> <p>24 recall that part of this.</p> <p>25 Q Any reason to doubt that at the time that you wrote</p>		
J. Weisse berg - Plaintiff - direct (Faherty)	Page 1833	J. Weisselberg - Plaintiff - direct (Faherty)	Page 1835
<p>1 A I'm sure there was.</p> <p>2 Q Okay. You can put that to the side.</p> <p>3 MS. FAHERTY: Okay. I've marked for identification</p> <p>4 plaintiff's next exhibit, PX-00648. I put it on the screen</p> <p>5 as well. And I'll turn your attention to very bottom second</p> <p>6 page of this e-mail. You can zoom out a little bit.</p> <p>7 A You mean the top? The top of the second page?</p> <p>8 Q I'm just drawing your attention to the bottom message</p> <p>9 on that second page and I'll just ask does this look like the</p> <p>10 message we were just looking at a moment ago?</p> <p>11 A Yes.</p> <p>12 Q Yes, okay.</p> <p>13 A Yes.</p> <p>14 MS. FAHERTY: So zooming out from there and you can</p> <p>15 now go to the front page.</p> <p>16 Q Does this e-mail thread appear to be a continuation of</p> <p>17 overview you were providing to Brian Harris in order to be able</p> <p>18 to issue the term sheet on the 40 Wall Street loan?</p> <p>19 A Yes.</p> <p>20 Q Okay. And Mr. Harris did in fact have some questions,</p> <p>21 yes?</p> <p>22 A He said okay with me. And then he just mentioned that</p> <p>23 he thinks that they're going to want to rate lock.</p> <p>24 Q But otherwise you -- Mr. Harris indicated to you it</p> <p>25 would be okay for you to issue the term sheet, yes?</p>	<p>1 this e-mail that that was your understanding?</p> <p>2 A No.</p> <p>3 Q And your message continues, "And not increase the</p> <p>4 spread by ten BPS" or BPS, right?</p> <p>5 A Basis points, yes.</p> <p>6 Q Basis points, yes. Thank you.</p> <p>7 "In July, their prepayment penalty is 6 million as</p> <p>8 opposed to 5 million in November, so we quoted 161 million,</p> <p>9 giving them the difference in loan proceeds;" right? You wrote</p> <p>10 that?</p> <p>11 A Yes.</p> <p>12 Q And then next it says, "Donald is on board and ready to</p> <p>13 go." Is that Donald J. Trump?</p> <p>14 A Yes.</p> <p>15 Q And then it says, "Ivanka and Don, Jr. are back on</p> <p>16 Monday and will be notified then."</p> <p>17 Who is the Ivanka referenced here?</p> <p>18 A Donald J. Trump's daughter.</p> <p>19 Q Is that Ivanka Trump?</p> <p>20 A Yes.</p> <p>21 Q And the Don, Jr. Who is that a reference to?</p> <p>22 A That's Donald Trump, Jr., Donald's son.</p> <p>23 Q So this statement, "Ivanka and Don, Jr. are back on</p> <p>24 Monday and will be notified then," is that a reference to Ivanka</p> <p>25 and Don, Jr. will be notify of the information contained in this</p>		

J. Weissen berg - Plaintiff - direct (Faherty) Page 1836	J. Weisselberg - Plaintiff - direct (Faherty) Page 1838
<p>1 particular paragraph here about the 40 Wall transaction?</p> <p>2 A I don't recall specifically, but reading it, that's the</p> <p>3 assumption I would make, but I'm not sure.</p> <p>4 Q You don't have any reason to doubt the words that you</p> <p>5 wrote that these individuals will be notified then, do you?</p> <p>6 A No.</p> <p>7 MS. FAHERTY: Okay. We can move on from that</p> <p>8 document, Your Honor. Thank you.</p> <p>9 Your Honor, I move to admit, please.</p> <p>10 THE COURT: It's in.</p> <p>11 MS. FAHERTY: Thank you, Your Honor.</p> <p>12 (Whereupon, the item previously referred to is</p> <p>13 received and marked Plaintiff's Exhibit Number 648 in</p> <p>14 evidence.)</p> <p>15 MR. ROBERT: I just want my objection on the</p> <p>16 record.</p> <p>17 THE COURT: My only objection is the pronunciation</p> <p>18 of o-k-i-e.</p> <p>19 I can't vouch for the spelling, but the expression.</p> <p>20 MS. FAHERTY: I do say okeydoke.</p> <p>21 THE COURT: Where are you from?</p> <p>22 Q I've marked as Plaintiff's next exhibit PX-00626 and</p> <p>23 handed it forward to the witness, so I'll give you a minute.</p> <p>24 We put it on the screen, Mr. Weisselberg. Let me know</p> <p>25 when you see it there.</p>	<p>1 Is it your understanding that the borrower was 40 Wall</p> <p>2 Street LLC?</p> <p>3 A Correct.</p> <p>4 Q Mr. Weisselberg's letter continues:</p> <p>5 "Please be reminded that as we agreed, the lender will</p> <p>6 not incur any third-party fees and expenses until I advise you</p> <p>7 to go ahead with third-party reports." Do you see that there?</p> <p>8 A Yes.</p> <p>9 Q What is your understanding of that sentence "to not</p> <p>10 incur any third-party fees and expenses until I advise you to go</p> <p>11 ahead with third-party reports?"</p> <p>12 A Oftentimes a sponsor will sign an application and have</p> <p>13 us get started on our underwriting but not incur legal fees or</p> <p>14 hiring an appraiser or other third-party reports until they give</p> <p>15 us the go ahead.</p> <p>16 Q Okay. And did you say appraisal fees?</p> <p>17 A Yes.</p> <p>18 Q So basically don't hire an appraiser to do anything</p> <p>19 until I say it's okay?</p> <p>20 A Correct.</p> <p>21 Q Got it. And it's signed, "very truly yours." Do you</p> <p>22 recognize the signature?</p> <p>23 A I do.</p> <p>24 Q Whose signature is that?</p> <p>25 A Allen Weisselberg.</p>
J. Weissen berg - Plaintiff - direct (Faherty) Page 1837	J. Weisselberg - Plaintiff - direct (Faherty) Page 1839
