PAPERLESS ORDER denying without prejudice Special Counsel's Motion to Compel Disclosure Regarding Advice-of-Counsel Defense 208 . The Court has reviewed the Motion, Defendants' Opposition 248, the Special Counsel's Reply 251, and is fully advised in the premises. Assuming the facts and circumstances in this case warrant an order compelling disclosure of an advice-of-counsel trial defense, the Court determines that such a request is not amenable to proper consideration at this juncture, prior to at least partial resolution of pre-trial motions, transmission to Defendants of the Special Counsel's exhibit and witness lists, and other disclosures as may become necessary. The Special Counsel's Motion 208 is therefore denied without prejudice. Signed by Judge Aileen M. Cannon on 1/12/2024. (jf01) (Entered: 01/12/2024)
