Defendants,

and

ROBERT S. STONE JR.

Proposed Intervenor-Defendant.

Robert S. Stone Jr., Esq., an attorney admitted to practice in the State of New York, affirms the
following under penalty of perjury:

1. I make this affirmation seeking to intervene in the above-titled action pursuant to C.P.L.R. § 1012 & C.P.L.R. § 1013 as a party needed for just and complete adjudication who will be greatly prejudiced if the cause proceeds to judgment without my participation.
2. More particularly, while witnessing defense counsel getting clubbed like a baby seal in a show trial ripped from the pages of *Darkness at Noon*, a certain cartoon rabbit informing my unity of apperception that moment was heard to say: “Oh brother, there goes me bread and butter. I gotta do something.”

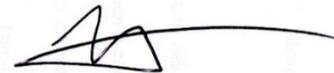

3. 'Twas then I concluded with epistemic certainty that preserving my unjust enrichment claim against **DONALD J. TRUMP** necessitates intervening here to stop **NEW YORK ATTORNEY GENERAL LETITIA JAMES** from [maliciously](#) bankrupting him first.
4. Accordingly, since intervention is an appropriate remedy where the subject of the action is closely intertwined with the subject of a pending action brought by the proposed intervenor, [First American Equity Associates \(1973\) v. Wofsey, Certilman, Haft & Lebow](#), 454 N.Y.S.2d 81 (1st Dep't 1982), and since objections for lack of subject matter jurisdiction “may be raised at any time,” [Lacks v. Lacks](#), 41 N.Y.2d 71, 75 (N.Y. 1976), intervention is both appropriate and timely here because **the court lacks the requisite “abstract power” to hear this case**, [Hunt v. Hunt](#), 72 N.Y. 217, 230 (N.Y. 1878), **for reasons pled** within [my complaint against LETITIA JAMES et al. \(attached herewith pursuant to C.P.L.R. § 1014 as Exhibit “A”\)](#), filed in Suffolk County Supreme Court (See Exhibit “B”), for a Declaratory Judgment pursuant to C.P.L.R. § 3001—resolving the legal status, obligations, and liabilities amongst the captioned parties therein under 18 U.S.C. § 2382, Misprision of Treason—stating in part:
 - a. That **NEW YORK ATTORNEY GENERAL LETITIA JAMES** treasonably conspired to cover up this State’s mass democide of nursing home residents by investigating **only** the [“Nursing Homes’ Responses to COVID-19”](#)—since *any 2nd year law school intern* assigned to analyze **FORMER NEW YORK GOVERNOR ANDREW M. CUOMO**’s COVID Executive Orders for evidence of negligence *would have found **Depraved Indifference Murder** in less than an hour.*
 - b. That **NEW YORK ATTORNEY GENERAL LETITIA JAMES** licensed **FORMER NEW YORK GOVERNOR ANDREW M. CUOMO** to murder more than 15,000 U.S. Citizens by mandating COVID patients into nursing homes **AFTER he suspended the admission regulations that protect residents from exposure to communicable disease seven days earlier** within [Executive Order 202.5](#) for the purpose of racking up enough dead mothers to terrorize and shame the People into compliance with per se illegitimate exercises of state police power—i.e., EXECUTIVE-ORDERED Lockdowns, Social Distancing, Masking, and Vaccine Mandates—in furtherance of [LEVYING WAR AGAINST THE UNITED STATES](#)¹ by [shattering free society, destroying the economy](#), and “*shaping the recovery*” by “*building back better*” as a technocratic totalitarian satellite of Communist China. (Exhibit “A,” pp. 138-157)
 - c. That unless **NEW YORK ATTORNEY GENERAL LETITIA JAMES, SPECIAL COUNSEL JACK SMITH, MANHATTAN DISTRICT ATTORNEY ALVIN BRAGG, and FULTON COUNTY DISTRICT ATTORNEY FANI T. WILLIS** can demonstrate how **New York, New Jersey, Pennsylvania, Michigan, and California** could lockdown their entire healthy populations *to keep COVID away* from the elderly **while mandating COVID patients into nursing homes without committing DEPRAVED INDIFFERENCE MURDER—which is logically impossible**—the [principles of pure reason](#) and Article II of the U.S. Constitution constrain them to discontinue their cases against **DONALD J. TRUMP** immediately.

¹ [Ex parte Bollman](#), 8 U.S. (4 Cr.) 75 (1807) at 128

- d. That **STATE-ORDERED DEPRAVED INDIFFERENCE MURDER OF U.S. CITIZENS** in violation of the Declaration of Covenants & Restrictions against Tyranny forming the United States on July 4, 1776—recorded within *The Constitution of New York: [April 20, 1777](#)*—constitutes the **affirmative abandonment of its sovereign title** (cf. paper roads); **rendering it an illegitimate dominion** until justice is restored through the investigation and punishment of those responsible for the treason. (Exhibit “A,” pp. 237-272)
- e. That until Congress acknowledges **New York, New Jersey, Pennsylvania, Michigan, and California’s DEPRAVED INDIFFERENCE MURDER OF U.S. CITIZENS *quae coram nobis resident*** by excluding their electoral votes *nunc pro tunc*, declaring **JOE BIDEN’s** Presidency void *ab initio*, and swearing in **DONALD J. TRUMP** as “*the Person having the greatest Number of Votes and [thus] the President*” on January 6, 2021, the United States shall remain: **An illegitimate dominion dedicated to the proposition of murdering its own people.** (See [1820 United States presidential election in Missouri](#) and Exhibit “A,” pp. 209-213)
- f. That **DONALD J. TRUMP** shall be deemed to have been **unjustly enriched** by the undersigned quashing all criminal & civil cases against him with **DEDUCTIVE-sans-counterfactual-premises-PROOF** that he is the President of the United States—**until** he purchases 6500 Solitude Drive, Chattanooga, TN 37416 outright in fee simple absolute for **Robert S. Stone Jr.**, through a buyer’s agent of his choice, and agrees to pay all his expenses related to living at the premises for the remainder of his life. ([“Mets tickets.”](#))
5. No previous application for the relief prayed for below has been made.

WHEREFORE, unless Your Honor can demonstrate how **New York, New Jersey, Pennsylvania, Michigan, and California** could **mandate** COVID patients **into** nursing homes **during** their respective lockdowns **without** committing **DEPRAVED INDIFFERENCE MURDER—which, again, is logically impossible**—the principles of pure reason, Article II of the U.S. Constitution, and the bloodstained hands of **NEW YORK ATTORNEY GENERAL LETITIA JAMES** constrain this Court to issue an Order dismissing all claims against **PRESIDENT DONALD J. TRUMP** *et al.* with prejudice, awarding costs and attorney’s fees, and for such other and further relief as may be just, proper, and equitable.
