GOVERNMENT'S PROPOSED SCHEDULE

Attached to this pleading is the Government's proposed schedule for going forward, culminating in a new trial date of July 8, 2024.

A feature the Government has built into its schedule is monthly status conferences. These will permit the Court to ensure the parties are meeting the deadlines the Court sets.

The schedule does not yet set a date for filings by the parties in support of their positions on the draft jury questionnaire or a date for the Clerk's Office to mail the questionnaires. The Court will be in a better position to assess the timing of the former after reviewing the parties' joint filing from February 28. The Court can then set briefing on the questionnaire concurrently with one of the other briefing schedules in the Government's attachment.

Respectfully submitted,

JACK SMITH
Special Counsel
