For those who are checking our calendar frequently, and simply want to know what the most recent updates are since the prior version we published, those updates are listed below. We intend to update the calendar daily or as the legal schedules continue to evolve. We welcome readers' feedback and additional information at ([email address](#)).

* Judge Chutkan's [Jan. 18 order](#) stated that, inter alia, "Until the [DC Cir.] mandate is returned in this case, the parties shall not file any substantive pretrial motions without first seeking leave of court, and any such request for leave shall state whether the proposed motion concerns matters involved in the appeal or is instead ancillary to it." This follows Chutkan's [automatic stay](#) last month of any "further proceedings that would move" Trump's "case towards trial or impose additional burdens of litigation on" him, which shall include all "deadlines and proceedings scheduled" in the court's [Aug. 28 pretrial order](#). In response to that stay order, the government [said](#) that "in light of the public's strong interest in a prompt trial," it would "continue to meet all of its deadlines" in the court's pretrial order. Approval by the court will now be required to make such filings. The deadlines and proceedings that have stayed and require court approval for any filings have been marked in **bold and purple** in the calendar below.

** On March 15, the court in Trump's New York election interference case [ruled](#) that jury selection is stayed until at least the week commencing April 15, 2024 (30 days after the court's order). A new trial date, "if one is necessary," will be set following the March 25 hearing and court's ruling on Trump's motion to dismiss and adjourn based on discovery violations. The court noted that it would not sit during the Jewish holiday of Passover, April 22 to April 30. Thus, as it stands, jury selection is not likely to start until at least May. Please find relevant New York 2016 election interference court filings and orders in our [Trump Trials Clearinghouse](#).

Many of Chesebro and Powell's court filings can be found in our [Trump Trials Clearinghouse](#).

**** There are currently no public dockets for the Oregon or 9th Cir./D. Ariz. 14th Amendment challenges. For the latter, we link to [PACER](#). See our [Trump Trials Clearinghouse](#) on selected 14th Amendment challenges and their respective key documents.

March 18, 2024

- [NY Civil Fraud: Defendants merits brief due in support of appeal before the NY Appellate Division, First Department, of Justice Engoron final decision and judgment, and reply due by 10 AM in support of staying the judgment pending appeal¹](#)

¹ Note, this calendar previously stated that oral argument would take place before the First Department. This was inaccurate. Instead, the defendants' merits brief is due in support of their appeal before the [NY Appellate Division, First Department](#) of Justice Engoron's final decision and judgment. Per the court's request, the defendants' [filed](#) their reply in support of a stay pending that appeal.
