DECLARATION OF USE AGREEMENT

THIS DECLARATION OF USE AGREEMENT is made and entered into this 10th day of August, 1993 by and between the TOWN OF PALM BEACH, a Florida municipal corporation, 360 South County Road, Palm Beach, Florida 33480 (hereinafter called the "Town"); and THE MAR-A-LAGO CLUB, INC., a Florida corporation, c/o Paul Rampell, Esquire, 125 Worth Avenue, Palm Beach, Florida 33480 (hereinafter called the "Club"); and DONALD J. TRUMP, 725 Fifth Avenue, New York, New York 10022 (hereinafter called "Owner"), which terms Town, Club, and Owner will include and bind the successors and assigns of the parties, wherever the contact so requires or admits.

WITNESSETH:

WHEREAS, the land described in Exhibit "A" attached hereto and made a part hereof, together with improvements thereon (hereinafter referred to as the "Land") and known as Mar-a-Lago, is located within the municipal limits of the Town;

WHEREAS, Mar-a-Lago is unique and no other property in Palm Beach is like it in any way;

WHEREAS, the Land is owned by the Owner, and the Owner shall convey title to the Land to the Club;

WHEREAS, the Land is zoned RAA-Large Estate Residential and RA-Estate Residential and private social clubs are allowable Special Exception Uses within such zoning categories, subject to the approval of the Town Council;

WHEREAS, the Town has approved a Special Exception use for the Land as a private social club subject to the conditions set forth herein and on the basis that the approval of the Special Exception, in compliance with said conditions, will not be adverse to the public interest;

WHEREAS, the Town has approved the site plan for the Special Exception on the basis of the specific finding of the Town Council that said site plan meets the requirements of the Town's Code of Ordinances relating to same;

WHEREAS, in approving the Special Exception and site plan, the conditions of approval reflected herein are imposed in order to regulate the use and mitigate any impacts of the Club, as well as to insure that said use shall not be adverse to the public interest; and

WHEREAS, all of the representations made herein are true and accurate and the granting of the Special Exception and site plan review are conditioned upon the representations made herein and all of the conditions herein imposed.

NOW THEREFORE, in consideration of the mutual promises set forth herein, it is agreed as follows:

ARTICLE I

REPRESENTATION OF OWNERSHIP

Owner is the fee simple title holder of the property described in Exhibit "A" attached hereto, is in sole possession of the property, and has full right to enter into this Agreement and to bind the property and himself to the terms hereof. Owner's interest is subject only to mortgages of record and all holders of said mortgages, by execution hereof, hereby consent to the terms and conditions of this Agreement as evidenced by their signatures hereto. There are no covenants, restrictions or reservations of record that will prevent the use of the property as a club in accordance with the terms and conditions of this Agreement. No consent to execution, delivery and performance hereunder is required from any person, partner, limited partner, creditor, investor, judicial or administrative body, governmental authority or other party other than any such consent which already has been unconditionally given or referenced herein. Neither the execution of this Agreement nor the consummation of the transactions contemplated hereby will violate any restriction, court order or agreement to which Owner or the real property is subject.

ARTICLE II

CLUB USE

The use of the Land shall be for a private social club in compliance with all of the information and exhibits included in the application not inconsistent with the terms set forth herein, and subject to such uses not inconsistent with the terms set forth herein, set forth in the Application for Special Exception No. 11-93 and The Mar-a-Lago Club: A Special Exception Use and Preservation Plan, as amended (hereinafter referred to as the "Plan") as submitted to the Town. Any usages not specifically set forth in the Plan (including, without limitation, docks, cabanas, gambling, helicopter operations or landings, animal circuses, and commercial or quasi-commercial uses) are excluded from the Town's approval of the Plan pursuant to that provision of the Town Code which provides that no subsequent deviation may be made from the application as approved by the Town Council except upon new application to and approval by the Town Council. Chapters 2, 3, 5, 6, 10 and 11 of the Plan are adopted herein by reference and made a part of this Agreement. Any additional uses of the Land shall be subject to approval by the applicable governmental authority including but not limited to the Town Council of the Town, the Landmarks Preservation Commission of the Town, the Architectural Review Commission of the Town, Palm Beach County, the State of Florida, the United States Government, and/or any agencies under any of the foregoing governmental authorities.

The guest suites as set forth in the Plan shall be limited to the use of Club members, shall be limited to ten (10) in number, shall not be open to the public, and shall not be advertised. No kitchen or other food preparation facilities shall be allowed in any of the guest suites. The use of guest suites shall be limited to a maximum of three (3) non-consecutive seven (7) day periods by any one member during the year. The operations of the Club shall not result in a nuisance to any of the neighboring properties.

Club facilities may be used only by members and guests of the Club.

Photography at the Club shall be conducted in a manner consistent with the rules and regulations governing other clubs in the Town. This shall include but not be limited to the prohibition of film making, movie producing, magazine feature photography, newspaper photography, photography for public relations purposes for individual members and/or guests and other commercial photography and the like.

ARTICLE III

UNITY OF TITLE

The Land, as described herein, shall be considered as one (1) parcel and no portion thereof may be sold, transferred, devised or assigned except in its entirety, either voluntarily or involuntarily, by operation of law or otherwise. This provision shall not preclude the dedication of right-of-way for road improvements required by governmental authority. No portion of the Land or structures thereon shall be condominiumized or changed to a cooperative form of ownership. This provision shall survive the use of the property as a club and shall apply to any subsequent use of the property.

ARTICLE IV

BUILDING CODES, FIRE PROTECTION AND UTILITIES

The Owner and the Club hereby grant and convey to the Town an easement over the Land in order to have access to the real property described in Exhibit "B" for the purpose of operating and maintaining a sewage pump station and force main located thereon, and for any other governmental purpose related thereto.

The existing sewage overflow (manually valved) shall be eliminated by the Owner at the Owner's expense. The Town and the Owner shall calculate the sewage generation utilizing generally accepted engineering methodology. If it is reasonably determined by the Town engineer that the existing pump station needs to be upgraded or replaced, it shall be upgraded or replaced by the Owner.

The air-conditioning condensate presently discharging into the sanitary sewer system shall be rerouted by the Owner into the storm sewer system.

Exfiltration trenches subject to approval by the Town engineer shall be constructed along a portion of the perimeter of the Phase B parking area as depicted in the Plan, and intermittently along the soil stabilized cart path to dispose of any increase in stormwater runoff from those improvements.

The existing tunnel to the beach area shall be evaluated for structural soundness by a Florida registered engineer and shall be improved as required. Owner and Club shall save,

defend and hold the Town, its officers, agents, representatives and employees, harmless from any and all claims which may arise as a result of the presence or use of the tunnel.

All applicable building, fire, and life safety codes shall be complied with prior to the commencement of Club operations. The Owner shall install an onsite fire hydrant as required by the Standard Fire Prevention Code. The Owner shall install an approved fire detection and extinguishing system.

All conditions herein are required to be met prior to commencement of Club operations and prior to the issuance of a Certificate of Occupancy for operation of a Club use.

ARTICLE V

PRINCIPLES OF PRESERVATION AND CRITICAL FEATURES

The principles of preservation and critical features specifically described in Chapters 2 and 3 of the Plan as amended shall be binding on the Owner and the Club and shall be enforceable in accordance with the terms of this Agreement. Prior to any changes to the grounds or exterior of the buildings, the Owner and/or the Club shall obtain a Certificate of Appropriateness from the Landmarks Preservation Commission prior to issuance of any permits. The outdoor loggia shall not be structurally enclosed.

ARTICLE VI

MITIGATION/NORTH BOUNDARY

The Owner shall install a solid masonry wall and landscaping along the Northern perimeter of the Land to serve as a noise and light buffer for the residents of Woodbridge Road, according to the specifications attached hereto and made a part hereof as Exhibit "C". Owner shall post surety in the amount of One Hundred Thirty-Five Percent (135%) of the cost of the improvements to be installed. The amount of the surety shall be provided through cost estimates from the Owner and shall be subject to approval by the Town. The mitigation set forth herein shall be completed prior to commencement of Club operations and prior to issuance of the Certificate of Occupancy for Club use. No additional lighting shall be installed in the parking area bordering the Northern boundary, and no accumulation of kitchen refuse shall be allowed to be held in this area.

ARTICLE VII

CLUB MEMBERSHIP LIMITATIONS

At least fifty percent (50%) of the members of the Club shall consist of individuals who maintain residences in the Town of Palm Beach or have places of employment in the Town of Palm Beach. An affidavit verifying this fact, and the guest suite occupancy interval and frequency limitations, and compliance with Article IX relating to establishment of the fiduciary

account, shall be filed with the Town on an annual basis on or before a date each year which coincides with the date the Certificate of Occupancy is issued to the Club. The membership in the Club shall be limited to five hundred members; provided, however, such number may be adjusted in the reasonable discretion of the Town. In the event the trip generation limitation set forth in Article VIII is reached, membership at that time shall be frozen until measures are taken to reduce daily trips.

The Club shall not discriminate against any prospective member on the basis of race, color, religion, gender, national origin, handicap, age, or marital status.

All Club facilities such as dining, tennis and golf shall require advance reservations.

The Owners of Woodbridge Road residences shall have guest privileges at the Club without having to pay membership initiation fees; provided, however, they shall not be permitted to park on the Land while exercising their guest privileges. The foregoing shall run in perpetuity with the land of the Woodbridge Road residences.

ARTICLE VIII

TRAFFIC/SPECIAL EVENTS

The total trip generation of the Club shall be limited to three hundred thirteen (313) daily trips based on an annual average of daily trips of the Club. Traffic monitoring by a method approved by the Town for the Club shall be performed by the Club on a daily basis and shall be available to the Town upon request. Monitoring devices approved by the Town shall be in place prior to issuance of a Certificate of Occupancy. The results of the monitoring during the first and third quarters of each year shall be averaged to determine the average annual daily trips of the Club. The Club shall reimburse the Town for the reasonable expense incurred by the Town's traffic consultant in reviewing the monitoring results.

The monitoring results shall be supplied to the Town and the Palm Beach County Traffic Division to assure compliance.

The Club shall install, prior to commencement of Club operations and prior to issuance of a Certificate of Occupancy for Club use, a northbound left-turn storage lane to serve the Club's entrance drive on Ocean Boulevard, subject to obtaining a permit from the Florida Department of Transportation. The Town, Owner, and Club jointly shall obtain such permit at the sole expense of the Owner and the Club, and the Owner and Club shall hold the Town harmless from any liability caused by the initial design and construction of the turn lane. If, after the Club is opened it is reasonably determined by the Chief of Police in consultation with the Town's traffic consultant that a southbound right turn lane is necessary, the Owner and/or Club and the Town shall use their best efforts to obtain a permit and to install such right turn lane.

The Club shall utilize a shuttle van to transport approximately forty percent (40%)

of the Club's staff to assist in complying with the three hundred thirteen (313) daily trip limitation on an average annual basis.

Dining area seating shall be limited to seventy-five (75) seats.

Special events shall be limited to three hundred ninety (390) individuals and shall occur strictly on weekends or after 6:00 p.m. on week days. At no time shall more than one (1) special event occur at the same time at the Club. Special events at the Club shall be coordinated with special events at the Bath and Tennis Club so that special events at the two (2) clubs scheduled on the same day shall commence at least one (1) hour apart, so that the overlap of peak traffic during special events is reasonably avoided. Tents may only be used for special events upon approval of the Town Building and Zoning Director after presentation of satisfactory assurance that the attendance limitations will not be exceeded.

Site ingress and egress shall be as proposed in the Plan. The existing main entrance on Ocean Boulevard shall be used as an entrance only for both regular activities and special events at the Club; two (2) lanes of ingress shall exist on this entrance drive inside the gate. The existing service access on Ocean Boulevard shall be used as an exit only for both such regular activities and special events; two (2) lanes of egress shall exist on this exit drive inside the gate. A gate West of the existing Southern Boulevard gate shall be provided prior to commencement of Club operations and receipt of an occupational license for Club use, and shall be aesthetically identical to the existing gate, and the Owner and Club shall hold the Town harmless from any liability caused by the initial design and construction of the gate and driveway connection to Southern Boulevard. The new Southern Boulevard gate shall serve as the primary entry and exit for staff and service vehicles. During special events the new Southern Boulevard gate may be used by members and guests for exiting if deemed necessary.

Valet parking services shall be used at all times for all club events. Town of Palm Beach off-duty police shall be engaged to supervise traffic at all special events. Parking shall occur only in those areas so identified in the Plan and shall provide two hundred fifty-two (252) spaces. Any grass areas to be used for parking as well as the existing cart path shall be stabilized with "grass-crete" or an equivalent treatment. Said cart path shall be eighteen (18) feet in width.

ARTICLE IX

LIABILITY AND ABANDONMENT OF CLUB USE

Until the Club operates at a break-even point, or profitability for three (3) consecutive years, the Owner shall pay any and all real estate taxes, maintenance costs, insurance premiums, and similar expenses to the extent the Club is unable to meet such obligations.

A separate fiduciary account shall be established by the Club into which ten percent (10%) of all gross revenues from the guest suites shall be deposited and used exclusively for maintenance and restoration purposes.

If the Club use is unintentionally abandoned for a period of one (1) year after the Club has been in operation, or is intentionally abandoned at any time, the use of the Land shall revert to a single family residence and the ownership of the Owner. Bylaws and or documents relating to the Club membership shall include an agreement to be executed by Club members acknowledging their understanding of and consent to the terms of this agreement, and specifically agreeing to the reversion of the Land to Owner, and its return of the Land to use as a single family residence, in the event of intentional or unintentional abandonment of the Club use. Owner, Club, and Club members shall agree to hold the Town harmless from any liability or claim against the Town resulting from the enforcement of the terms of this Agreement, the reversion to single family use, the reversion to Owner or any other claims resulting therefrom.

Additionally, the three (3) paragraphs set forth above shall be set forth in the Articles of Incorporation of the Club and said provisions of the Articles shall not be amended without consent of the Town.

ARTICLE X

REIMBURSEMENT FOR SPECIAL STUDIES/MONITORING

The Owner or Club shall reimburse the Town for any reasonable costs incurred by the Town's consultants in their review of monitoring in compliance with the conditions set forth herein and the reasonable costs associated with the review of the Application.

ARTICLE XI

REMEDIES FOR VIOLATION

The Town shall have all remedies available at law and equity in order to enforce the terms of this Agreement including but not limited to (a) the Town's code enforcement procedures of the Code of Ordinances through the Code Inspector, Code Enforcement Officer, and Code Enforcement Board; and (b) the Town may initiate action to revoke the Club's occupational license pursuant to applicable provisions of the Town Code, and (c) all remedies otherwise offered in the Town's Code of Ordinances; and (d) injunction, specific performance, and any and all other equitable relief through the civil courts in and for Palm Beach County for the State of Florida. In the event the Town is required to seek injunctive relief, it shall not be required to post bond and it shall not be required to demonstrate irreparable harm or injury to secure an injunction to enforce the terms of this Agreement. Additionally, in the event of any breach, default or non performance of this Agreement, or any of its covenants, agreements, terms or conditions, the Town shall be entitled to recover its costs, expenses and reasonable attorneys' fees insofar as the Town prevails, either before or as a result of litigation, including appeals.

ARTICLE XII

PROVISIONS TO RUN WITH LAND/RECORDING

This Agreement shall run with the Land and shall be binding upon the Owner, the Club, and their respective heirs, legal representatives, successors and assigns. This Agreement shall be recorded in the Public Records of Palm Beach County, Florida upon full execution by the parties hereto.

ARTICLE XIII

ENTIRE AGREEMENT

This Agreement represents the entire agreement between the parties as to its subject matter and it may not be amended except by written agreement executed by both parties.

ARTICLE XIV

MISCELLANEOUS

Wherever the word "laws" appears in this Agreement it shall be deemed to include all ordinances, rules and regulations as well as laws of the appropriate governmental authorities.

This Agreement may not be amended except by written instrument signed by all parties hereto.

Paragraph headings are inserted for convenience only and shall not be read to enlarge, construe, restrict or modify the provisions hereof. All references to numbered or lettered paragraphs, subparagraphs and exhibits refer (unless the context indicates otherwise) to paragraphs and subparagraphs of this Agreement and to exhibits attached hereto, which exhibits are by this reference made a part hereof.

This Agreement shall be binding upon the parties hereto and upon their successors, assigns, heirs and personal representatives.

In the event of the invalidity of any provision of this Agreement, same shall be deemed stricken herefrom and this Agreement shall continue in full force and effect as if such invalid provision were never a part hereof.

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

IN WITNESS WHEREOF the parties have hereunto set their hands and seals the day and year first written above.

EXHIBIT "A"

Being all that part of the North 610.00 feet of the South 1170.00 feet of Government Lot 2 of Section 35, Township 43, South, Range 43 East, in the Town of Palm Beach, Palm Beach County, Florida, lying West of Ocean Boulevard (State Road A1A) Right of Way and more particularly described as follows, to-wit:

Beginning at a point on the West face of an existing seawall on the East shore of Lake Worth, which point is 560.00 feet North of, measured at right angles, to the South line of Government Lot 2 of said Section 35; thence North 6°09'22" West along the West face of said seawall for a distance of 77.32 feet; thence North 10°23'23" East along the West face of said seawall for a distance of 539.50 feet to a point in the South line of BINGHAM-COPP TRACT, a subdivision recorded in Plat Book 18, Page 6, Palm Beach County Public Records; thence run South 88°12'07" East along the South line of said BINGHAM-COPP TRACT for a distance of 1134.10 feet to a point in the Westerly right-of-way line of Ocean Boulevard (State Road A1A); thence run South 0°09'07" East for a distance of 82.59 feet to a point of curvature; thence run Southerly along the arc of a curve concaved to the Southwest having a radius of 1412.69 feet and a central angle of 3°03'00" for a distance of 75.20 feet to a point of tangency; thence run South 2°53'53" West for a distance of 176.28 feet to a point of curvature; thence run Southwesterly along the arc of a curve concaved to the Northwest having a radius of 2968.36 feet and a central angle of 2°27'30" West for a distance of 127.36 feet to a point of compound curvature; thence continue Southwesterly along the arc of a curve, concaved to the Northwest having a radius of 158.68 feet and a central angle of 86°26'30" for a distance of 239.40 feet to a point of tangency; thence run North 88°12'07" West along the North line of Southern Boulevard (State Road 80) for a distance of 1040.43 feet to the POINT OF BEGINNING, containing 16.3760 Acres, more or less;

and

The West one-half (W 1/2) of Lot 20 and the South 15 feet of the East one-half (E 1/2) of Lot 20 and the South 15 feet of the West one-half (W 1/2) of Lot 21, all in BINGHAM-COPP TRACT, a subdivision in the Town of Palm Beach, Palm Beach County, Florida, as recorded in Plat Book 18, Page 6, Palm Beach County Public Records, containing 0.1894 acres, more or less;

Together with an easement for the use of the tunnel under South Ocean Boulevard (State Road A1A) as described in that certain Quit Claim Easement Deed recorded in Official Record Book 2327, Page 1970 of the Palm Beach County Public Records;

and

Being the South 358.00 feet of the North 403.00 feet of the South 1170.00 feet of Government Lot 2, Section 35, Township 43 South, Range 43 East, Palm Beach County, Florida, lying East of Ocean Boulevard (State Road A1A) as now laid out and in use; together with all riparian and littoral rights, if any, thereunto appertaining.

LEGAL DESCRIPTION

A parcel of land lying within the North 610.00 feet of the South 1170.00 feet of Government Lot 2 of Section 35, Township 43 South, Range 43 East in the Town of Palm Beach, Palm Beach County, Florida, lying West of Ocean Boulevard (S.R. AIA) Right-of-Way and more particularly described as follows, to wit:

Commencing at a point in the West face of an existing seawall on the East shore of Lake Worth, which point is 560.00 feet North of, measured at Right Angles to, the South line of Government Lot 2 of said Section 35; Thence S 88° 12' 07" E, parallel to said South line of Government Lot 2 (all other bearings refer thereto) a distance of 443.27 feet, to the Point of Beginning of the centerline of a strip of land being 12 feet in width; thence N 15° 22' 28" E along said centerline, a distance of 58.28 feet to a point hereinafter called Point 'A' and the Point of Termination of said centerline.

TOGETHER WITH

Beginning at the above described Point 'A'; Thence S 88° 58' 21" E a distance of 8.37 feet; Thence N 01° 01' 39" E a distance of 20.0 feet; Thence N 88° 58' 21" W a distance of 20.0 feet; Thence S 01° 01' 39" W a distance of 20.00 feet; Thence S 88° 58' 21" E a distance of 11.63 feet; To the Point of Beginning.

CERTIFICATION

(NOT VALID UNLESS SEALED WITH EMBOSSED SURVEYOR'S SEAL)

I HEREBY CERTIFY that the Description and Sketch of the property shown hereon was completed under my direction on MAY 27, 1993, and that said description is true and correct to the best of my knowledge and belief.

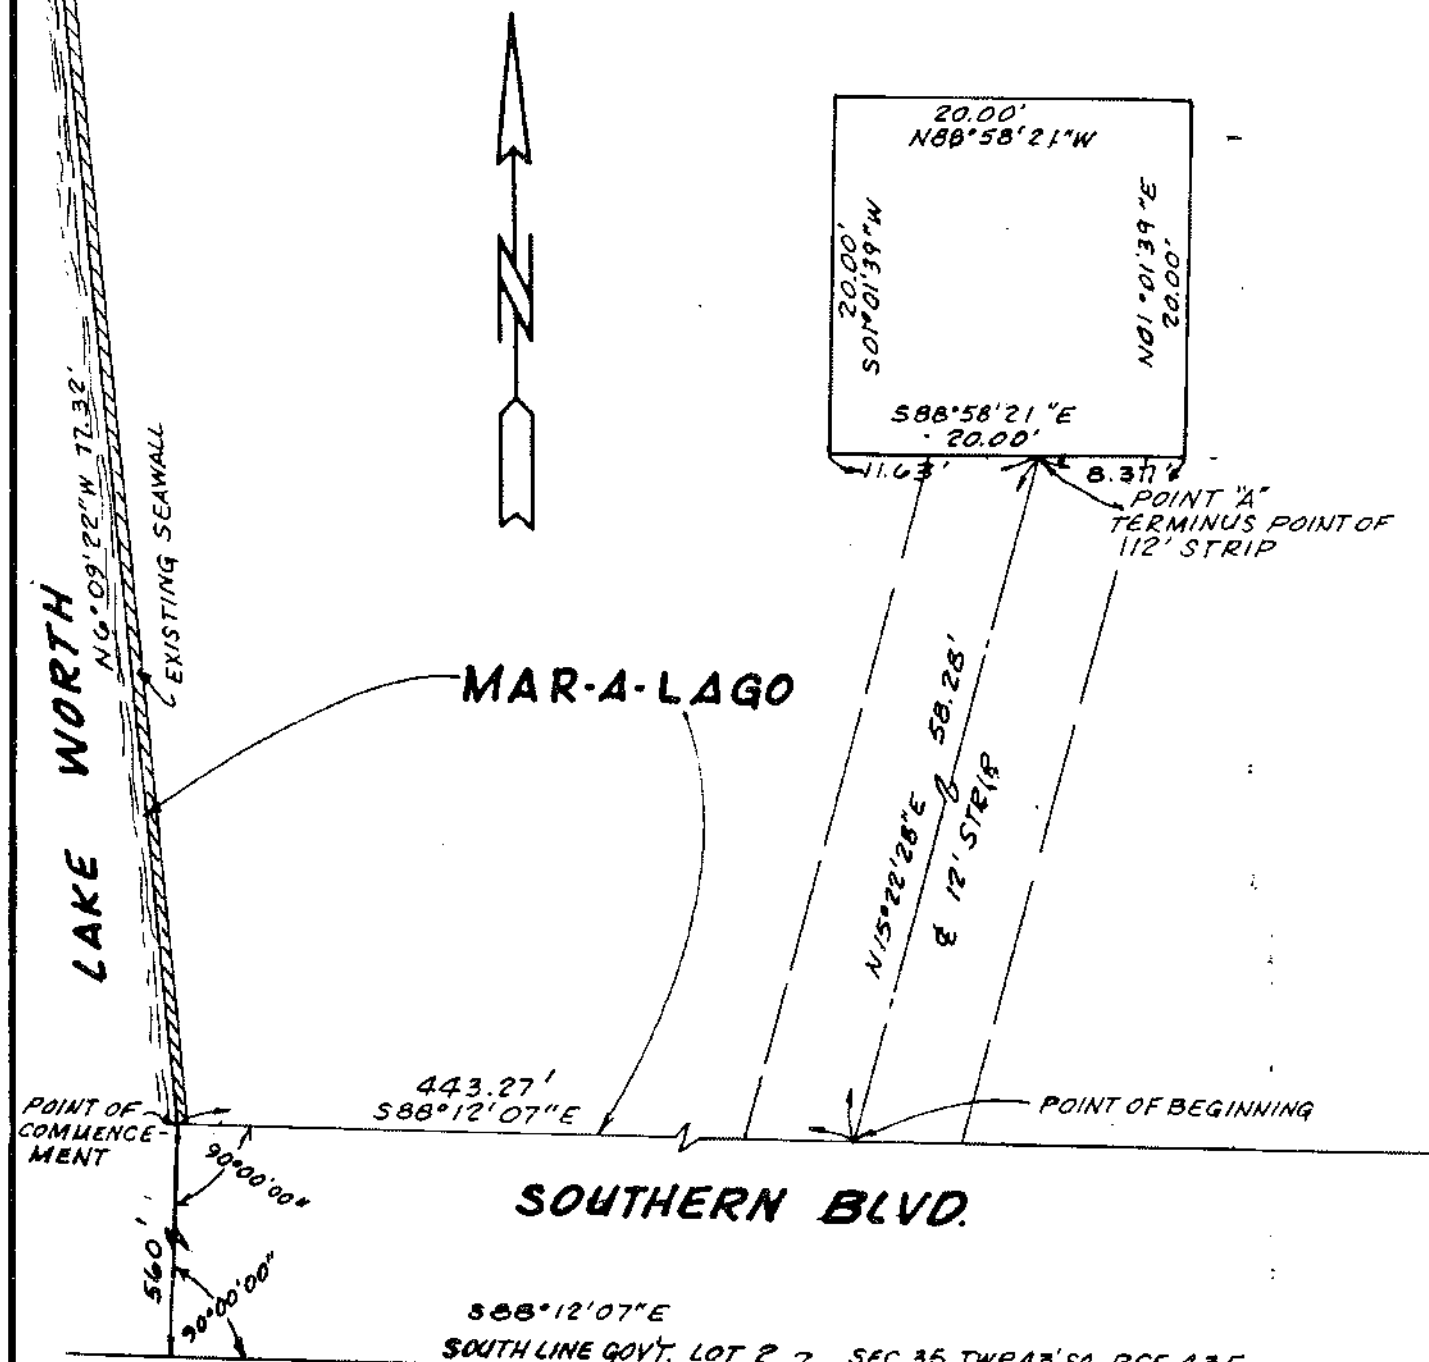

I FURTHER CERTIFY that this Description and Sketch meets the MINIMUM TECHNICAL STANDARDS FOR SURVEYS set forth by the FLORIDA BOARD OF LAND SURVEYORS pursuant to Section 472.027 Florida State Statutes, NO SEARCH OF THE PUBLIC RECORDS has been made by this Office. The description is based on information furnished by client or client's representative.

EXHIBIT "C"

WOODBIDGE ROAD MITIGATION SPECIFICATION

1. Construct a 6'0" high solid, concrete block and stucco wall adjacent to the Loomis southern property line continuing along the Mar-a-Lago property line until it intersects the seawall at its western limits. This wall will be wholly constructed on Mar-a-Lago property.
2. To remove the Australian pine hedge and fence currently in place behind the Loomis property on an East/West axis.
3. To install a solid hedge row of *Mimusops Roxberghiana* (kanapali) or *Conocarpus Erectus* (silver buttonwood) var, *sercius*, the genus and species to be decided upon based on the availability at the time of installation. The hedge row will be 12' (twelve feet) at the time of planting. Spacing of plant materials will follow sound horticultural practices usual for the species selected in order to maximize the potential growth characteristics of each plant consistent with the buffering objective (i.e., *Mimusops*, 2 plants per hold at 30" o.c., buttonwood double staggered row at 4' o.c., *calophyllum*, 5' o.c.)
4. A setback from the wall to the hedge row material, consistent with the location of the footing and its width. A 24-36" setback is anticipated.
5. A maintained height of 20' (twenty feet) maximum, with periodic pruning during the warmer months on a twice yearly basis or more frequently if necessary to encourage growth and density. The minimum maintained height of 12' (twelve feet) used at installation, will be used as a minimum maintained height during pruning operations.
6. That maintenance of the hedge will follow a prescribed schedule of fertilization; 4 times per year with an approved 50% organic 12-16-8 or equivalent formula which may vary with seasonal needs.
7. Existing plant materials beyond the Loomis property in the buffer (moving in a westerly direction) will be retained unless they are in the way of construction. Some specimen trees in the rear yards of the neighboring properties are greater than 30' (thirty feet) in height. It would be almost impossible to replace this existing buffer. Replace current 4-1/2 to 5' *Ficus Nitida* hedge with a 6' concrete block wall as previously described.
8. Further West from the existing 30' hedge, to continue the 6' masonry wall to the seawall while installing a 6' *Ficus Nitide* hedge on the South side of the hedge beyond the staff quarters building.

SECOND AMENDMENT OF DECLARATION OF USE AGREEMENT

by
THE TOWN OF PALM BEACH
and
THE MAR-A-LAGO CLUB, L.L.C.,

Dated: September 30, 2002

SECOND AMENDMENT OF DECLARATION OF USE AGREEMENT

THIS SECOND AMENDMENT OF DECLARATION OF USE AGREEMENT ("Second Agreement") is made and entered into this 30th day of September, 2002 by and between THE TOWN OF PALM BEACH, a Florida municipal corporation, 360 South County Road, Palm Beach, Florida 33480 (hereinafter called "Town"); THE MAR-A-LAGO CLUB, L.L.C., a limited liability company organized under the laws of the State of Delaware, c/o Raymond W. Royce, Esquire, Holland & Knight LLP, 625 North Flagler Drive, Suite 700, West Palm Beach, Florida 33401 (hereinafter called the "Club").

WITNESSETH:

WHEREAS, the Town, Mar-a-Lago Club, Inc. and Donald J. Trump heretofore entered into a Declaration of Use Agreement recorded in Official Records Book 7933, Page 22, and Official Records Book 8691, Page 802, of the Public Records of Palm Beach County, Florida (hereinafter called "Declaration"); and

WHEREAS, the Town, the Mar-a-Lago Club, Inc. and Donald J. Trump thereafter entered into an Amendment of Declaration of Use Agreement, recorded in Official Records Book 11492, Page 1762, of the Public Records of Palm Beach Florida ("First Amendment"); and

WHEREAS, on April 9, 2002, the Town held a public hearing and agreed to an amendment to paragraph 11 of the First Amendment; and

WHEREAS, the Club and the Town desire to enter into this Second Amendment to reflect such amendment to paragraph 11 of the First Amendment; and

WHEREAS, pursuant to a Certificate of Succession recorded in Official Records Book 9655, Page 1441, and the documents attached thereto, the Mar-a-Lago Club, Inc. was merged into MALC, Inc., a Delaware corporation, which was thereafter merged with Mar-a-Lago Club, L.L.C., which is the surviving entity and is the owner of the property described on Exhibit "A" attached to and made a part hereof; and

NOW, THEREFORE, in consideration of the mutual promises set forth herein and in consideration of other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, it is agreed that the First Amendment is hereby amended and modified as follows:

1. Paragraph 11 of the First Amendment is hereby amended to delete the last sentence thereof which states as follows:

"Construction of the pavilion building may not be commenced until completion of the new permanent bridge located at Royal Palm Way".

and in place thereof the following provision is added to said paragraph 11:

"Construction of the pavilion building may be commenced in the year 2002".

2. The aforesaid amendment providing that construction of the pavilion may commence in the year 2002 was enacted as Special Exception #3-2002 and Article II of the Declaration is hereby amended to add Special Exception #3-2002.

3. The Club hereby executes this Second Amendment for the purposes as set forth herein and does hereby ratify, confirm, and approve the First Amendment recorded in Official Records Book 11492, Page 1762, of the Public Records of Palm Beach County, Florida.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year above first written.

AMENDMENT OF DECLARATION OF USE AGREEMENT

by
**THE TOWN OF PALM BEACH,
THE MAR-A-LAGO CLUB, INC.,
and
DONALD J. TRUMP**

Dated: November 30, 1999

AMENDMENT OF DECLARATION OF USE AGREEMENT

THIS AMENDMENT OF DECLARATION OF USE AGREEMENT ("Amendment") is made and entered into this 30 day of November, 1999 by and between THE TOWN OF PALM BEACH, a Florida municipal corporation, 360 South County Road, Palm Beach, Florida 33480 (hereinafter called "Town"); THE MAR-A-LAGO CLUB, INC., a Florida corporation, c/o Raymond W. Royce, Esquire, Holland & Knight LLP, 625 North Flagler Drive, Suite 700, West Palm Beach, Florida 33401 (hereinafter called the "Club"); and DONALD J. TRUMP, 725 Fifth Avenue, New York, New York 10022 (hereinafter called "Owner"), which terms, Town, Club and Owner will include and bind the successors and assigns of the parties, wherever the context so requires or admits.

WITNESSETH:

WHEREAS, the Town, Club and Owner heretofore entered into a Declaration of Use Agreement dated August 10, 1993 and recorded in Official Records Book 7933, Page 22 and Official Records Book 8691, Page 802, of the Public Records of Palm Beach County, Florida (hereinafter called "Agreement"); and

WHEREAS, the Agreement affected certain land described in Exhibit "A" attached hereto and made a part hereof, together with improvements thereon

(hereinafter referred to as the "Land") known as Mar-a-Lago and located within the municipal limits of the Town; and

WHEREAS, the Agreement reflected the terms and conditions of a special exception approved by the Town, providing for the use of the Land as a private club; and

WHEREAS, subsequent to the execution of the Agreement, the Town has held several hearings and has approved additional special exception requests, resulting in the necessity to amend the Agreement; and

WHEREAS, the Agreement provides that it may be amended by written instrument signed by all of the parties thereto; and

WHEREAS, the parties wish to amend the Agreement to reflect the changes approved by the Town.

NOW, THEREFORE, in consideration of the mutual promises set forth herein and in consideration of other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, it is agreed that the Agreement is hereby amended and modified as follows:

1. Conveyance by Owner. The Agreement provided in the third "Whereas" clause that the Owner was to convey title to the Land to the Club. The parties acknowledge that the Owner has complied with the requirement and conveyed title to the Land to the Club by Warranty Deed dated March 31, 1995 and

recorded in Official Records Book 8691, Page 822, of the Public Records of Palm Beach County, Florida.

2. Photography at the Club. The following paragraph of Article II of the Agreement is hereby deleted from the Agreement:

"Photography at the Club shall be conducted in a manner consistent with the rules and regulations governing other clubs in town. This shall include but not be limited to the prohibition of filmmaking, movie producing, magazine feature photography, newspaper photography, photography for public relation purposes for individual members and/or guests and other commercial photography and the like."

The following provision is hereby added to Article II of the Agreement:

"The Mar-a-Lago Club shall abide by the ordinances of the Town of Palm Beach which are applicable to the zoning district affecting the Land."

3. Club Advance Reservations. The following paragraph of Article VII of the Agreement is hereby deleted from the Agreement:

"All Club facilities such as dining, tennis and golf shall require advance reservations."

4. Fiduciary Account. The following paragraph of Article IX of the Agreement is not applicable while the Club is owned by Donald J. Trump or an entity controlled by him:

"A separate fiduciary account shall be established by the Club into which ten percent (10%) of all gross revenues from the guest suites shall be deposited and used exclusively for maintenance and restoration purposes."

In the event the Club is not owned by Donald J. Trump or an entity controlled by him, the aforesaid language shall be applicable to the operation of the Club.

5. Description of Land. The Agreement is hereby amended by modifying Exhibit "A" attached thereto (which Exhibit "A" is also attached hereto and made a part hereof) by deleting from such Exhibit "A" the property described on Exhibit "B" attached hereto and made a part hereof. The Agreement, including without limitation, the provisions of Article III of the Agreement entitled "Unity of Title" shall not be applicable to the property described on Exhibit "B" attached hereto, but such property described on Exhibit "B" shall be conveyed to the owner of lot 20 and the west one-half of lot 21, Bingham-Copp Tract, Plat Book 18, Page 6, Public Records of Palm Beach County, Florida and shall be in a unity of title with lot 20 and the west one-half of lot 21 and shall not be otherwise separately conveyed or transferred.

6. Club Use, Special Exceptions. Article II entitled "Club Use" of the Agreement states that the Land shall be used for a private social club on certain terms and conditions, including the terms and conditions set forth in the application for Special Exception No. 11-93. Subsequent to the execution of the Agreement, the Club has filed, and the Town has approved, certain portions of the applications for

Special Exception No. 18-96, Special Exception No. 9-99, and Special Exception No. 24-99. Accordingly, reference to application for Special Exception No. 11-93 as set forth in Article II of the Agreement is hereby amended to add Special Exception 18-96, Special Exception 9-99 and Special Exception 24-99.

7. Club Use – Cabanas. Article II of the Agreement entitled "Club Use" provides, among other things, that any usages not specifically set forth in the Plan, including, without limitation, docks, cabanas and other uses are excluded from the Town's approval. Pursuant to a subsequent special exception approval, the Town has approved cabanas for a portion of the Land. Accordingly, the reference to "cabanas" as set forth in Article II of the Agreement entitled "Club Use" is hereby deleted from the Agreement. Fourteen cabanas, a swimming pool, deck area, snack bar, changing rooms, and restrooms on the part of the Land east of South Ocean Boulevard may be constructed and utilized by the Club in accordance with plans submitted and approved by the Town and upon the terms and conditions attached hereto as Exhibit "C" and made a part hereof.

8. Traffic/Daily Trips and Monitoring. The following provisions of Article VIII of the Agreement entitled "Traffic/Special Events" are hereby deleted from the Agreement:

"The total trip generation of the Club shall be limited to three hundred thirteen (313) daily trips based upon an annual average of daily trips of the Club. Traffic monitoring by a

method approved by the Town for the Club shall be performed by the Club on a daily basis and shall be available to the Town upon request. Monitoring devices approved by the Town shall be in place prior to issuance of a Certificate of Occupancy. The results of the monitoring during the first and third quarters of each year shall be averaged to determine the average annual daily trips of the Club. The Club shall reimburse the Town for the reasonable expense incurred by the Town's traffic consultant in reviewing the monitoring results.

The monitoring results shall be supplied to the Town and the Palm Beach County Traffic Division to assure compliance.

9. Dining-area Seating. The following paragraph of Article VIII of the Agreement is hereby deleted from the Agreement:

"Dining area seating shall be limited to seventy-five (75) seats."

The following provision is hereby added to Article VIII of the Agreement:

"Dining rooms seating shall be limited to one hundred fifty (150) seats."

10. Tent - Attendance. The provision in the 6th paragraph of Article VIII of the Agreement providing that special events shall be limited to 390 individuals is hereby deleted from the Agreement. While the tent is in use it shall be used as configured and permitted for the 1999-2000 season, as modified by a seating plan to allow not more than 600 members and guests to be in attendance in any manner or seating style, unless otherwise approved by the Town. Signs shall be posted in the tent limiting the occupancy of the tent to 600 people. The total limitation of 600

shall include all members and guests present at the Club at any one time, including those present in the tent and present at other locations at the Club. Such number shall not, however, include employees present at the Club. The Traffic Management Plan, attached hereto as Exhibit "D" and made a part hereof, shall be implemented upon execution of this Amendment. Seating in the tent shall be in accordance with the plans attached hereto as Exhibits "E-1" and "E-2" and made a part hereof.

11. Pavilion Building - Attendance. A pavilion building and paved parking area may be constructed and utilized by the Club in accordance with plans submitted and approved by the Town. The interior assembly space of the pavilion building shall be configured to allow not more than 700 members and guests to be in attendance in any manner or seating style. Seating in the pavilion building shall be in accordance with the plans attached hereto as Exhibits "F-1 and "F-2", and made a part hereof. Signs shall be posted in the pavilion building limiting the occupancy of the building to 700 people. The use of the pavilion building by 700 people (an increase of 100 more than the maximum permitted attendance in the tent) shall be conditioned upon compliance with the 600-person attendance limit in the tent and successful implementation of the Traffic Management Plan attached hereto as Exhibit "D". In the event such conditions are not met by the Club, the maximum attendance in the pavilion building shall be 600 people and the pavilion

building shall be posted accordingly. The total limitation of 700 shall include all members and guests present at other locations at the Club at any one time including those present in the pavilion and present at other locations at the Club. Such number shall not, however, include employees present at the Club. Construction of the pavilion building need not commence within twelve (12) months of Council approval of the pavilion building. Construction of the pavilion building may not be commenced until completion of the new permanent bridge located at Royal Palm Way.

12. Reservations. Advance reservations as controlled by the Club's Social Secretary shall be 50 less than the maximum permitted occupancy of the tent and 25 less than the maximum permitted occupancy of the pavilion building. After making advance reservations as set forth above, the Club shall establish a waiting list for any additional reservations. On the day before the event, the Club may confirm reservations for those on the waiting list, but in no event shall the total number of members and guests in attendance at the Club exceed the permitted occupancy as set forth above. The reservation list and waiting list shall be subject to review by the Town.

13. Traffic Management Plan. The Traffic Management Plan, attached as Exhibit "D", shall be implemented upon execution of this Amendment. To the extent that any of the provisions of Article VIII relating to ingress, egress and other

traffic matters are inconsistent with the provisions of the Traffic Management Plan, such provisions of Article VIII are deleted or amended and the provisions of the Traffic Management Plan shall be applicable.

14. Special Duty Police. The reference to "off-duty police" in the 8th paragraph of Article VIII of the Agreement is hereby amended to read "special duty assignment police".

15. Remedies. Article XI is hereby amended to provide that in addition to the remedies set forth in the Agreement, the Town's remedies shall include the ability of the Town to enforce the Agreement, as amended, through the Fire Department by way of Ordinance 4-98 and by way of all other ordinances of the Town enforced by the Town's code compliance officer and police department.

16. Use of Tent. The tent may be used from October 15, 1999 through December 31, 1999, but may be used only for a cumulative period of 6 months during the year 2000 and each year thereafter until the certificate of occupancy for the pavilion building is issued, at which time its use shall be discontinued.

17. Millennium New Year's Eve Party. Notwithstanding any other provision of this Agreement, the maximum attendance for the Millennium New Year's Eve party to be held on December 31, 1999 shall be 940 members and guests. This number shall not include Club employees.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year above first written.

No. 01FO4743484
Qualified in New York County
Commission Expires Sept. 30, 2001

APPROVED AS TO FORM AND
LEGAL SUFFICIENCY FOR
THE TOWN OF PALM BEACH

By: *[Signature]*
John C. Randolph, Esq.

RECOMMEND APPROVAL:

11/17/99, 19
[Signature]

Robert L. Moore, Director of
Planning, Zoning & Building

Paul Costa, Zoning Administrator
11/17/99

Being all that part of the North 610.00 feet of the South 1170.00 feet of Government Lot 2 of Section 35, Township 43, South, Range 43 East, in the Town of Palm Beach, Palm Beach County, Florida, lying West of Ocean Boulevard (State Road A1A) Right of Way and more particularly described as follows, to-wit:

Beginning at a point on the West face of an existing seawall on the East shore of Lake Worth, which point is 560.00 feet North of, measured at right angles, to the South line of Government Lot 2 of said Section 35; thence North 6°09'22" West along the West face of said seawall for a distance of 77.32 feet; thence North 10°23'23" East along the West face of said seawall for a distance of 539.50 feet to a point in the South line of BINGHAM-COPP TRACT, a subdivision recorded in Plat Book 18, Page 6, Palm Beach County Public Records; thence run South 88°12'07" East along the South line of said BINGHAM-COPP TRACT for a distance of 1134.10 feet to a point in the Westerly right-of-way line of Ocean Boulevard (State Road A1A); thence run South 0°09'07" East for a distance of 82.59 feet to a point of curvature; thence run Southerly along the arc of a curve concaved to the Southwest having a radius of 1412.69 feet and a central angle of 3°03'00" for a distance of 75.20 feet to a point of tangency; thence run South 2°53'53" West for a distance of 176.28 feet to a point of curvature; thence run Southwesterly along the arc of a curve concaved to the Northwest having a radius of 2968.36 feet and a central angle of 2°27'30" West for a distance of 127.36 feet to a point of compound curvature; thence continue Southwesterly along the arc of a curve, concaved to the Northwest having a radius of 158.68 feet and a central angle of 86°26'30" for a distance of 239.40 feet to a point of tangency; thence run North 88°12'07" West along the North line of Southern Boulevard (State Road 80) for a distance of 1040.43 feet to the POINT OF BEGINNING, containing 16.3760 Acres, more or less;

and

The West one-half (W 1/2) of Lot 20 and the South 15 feet of the East one-half (E 1/2) of Lot 20 and the South 15 feet of the West one-half (W 1/2) of Lot 21, all in BINGHAM-COPP TRACT, a subdivision in the Town of Palm Beach, Palm Beach County, Florida, as recorded in Plat Book 18, Page 6, Palm Beach County Public Records, containing 0.1894 acres, more or less;

Together with an easement for the use of the tunnel under South Ocean Boulevard (State Road A1A) as described in that certain Quit Claim Easement Deed recorded in Official Record Book 2327, Page 1970 of the Palm Beach County Public Records;

and

Being the South 358.00 feet of the North 403.00 feet of the South 1170.00 feet of Government Lot 2, Section 35, Township 43 South, Range 43 East, Palm Beach County, Florida, lying East of Ocean Boulevard (State Road A1A) as now laid out and in use; together with all riparian and littoral rights, if any, thereunto appertaining.

EXHIBIT "B"

The west ½ of Lot 20 and the south 15 feet of the east ½ of Lot 20 and the South 15 feet of the west ½ of Lot 21, all in the BINGHAM COPP TRACT, a subdivision in the Town of Palm Beach, Palm Beach County, Florida, as recorded in Plat Book 18, Page 6, Public Records of Palm Beach County, Florida.

EXHIBIT "C"

- a. The northern portion of the second floor of the north cabana building shall eliminate the east 15 feet and there shall be no second floor terrace area in that location. The second floor windows on the north side of the northern building and the south side of the southern building shall be opaque and inoperable.
- b. Substantial landscaping will be placed and permanently maintained by applicant between the north and south buildings on the one hand and, on the other hand, each respective property line with the adjacent north and south properties. Final landscaping plans will be made available to both of the property owners to the north and south of the subject property for their review and input regarding the area between the closest building and their permanent property line.
- c. Landscaping materials over six feet in height will not be installed eastward of the east end of the northern building.
- d. At the expense of the Mar-a-Lago Club, a structural analysis will be performed on the northern neighbor's property wall. The study will determine the feasibility of increasing the height of the wall to a maximum height of ten (10) feet from the prevailing grade. If the results of the feasibility study indicate that the existing wall can be increased to a height of ten (10) feet from the prevailing grade, the Mar-a-Lago Club shall apply for a variance to increase the height of the wall to a maximum height of ten (10) feet with stepdowns agreeable to both parties. If a variance is granted, the Club will increase the height of the wall. If it is determined that the existing wall cannot be increased to a height of ten (10) feet from the prevailing grade, then the Mar-a-Lago Club shall apply for a variance to construct the wall on its property. If a variance is granted for this proposal, the Club will build the new wall on its property. If requested, by the abutting owner, the Club will demolish the existing wall.
- e. Access to the beach property will be by way of the existing tunnel. This shall include deliveries, employees, service workers, solid waste removal, construction workers, members and their guests, including access by handicapped or physically challenged individuals. Ramping and/or other improvements to the entrances to the tunnel shall be constructed as necessary to facilitate general servicing of the beach property and to comply with ADA requirements. Parking of private vehicles on the beachfront property shall be prohibited.
- f. Emergency vehicle access to the beach property will be by means of the gate along the western side of the subject property. The final design and location of this gate and spaces for emergency vehicle parking shall be based upon the attached graphic entitled "Proposed Emergency Pull-over and Access" stamp

dated April 20, 1999, and shall be modified as necessary for approval by the Town staff.

- g. All new structures will be protected with an approved fire sprinkler system and a fire standpipe system will be installed on the east side of SR A1A to protect oceanfront cabanas and other structures.
- h. The Mar-a-Lago Club agrees to provide a structural bulkhead at an elevation of 14.34 feet NGVD and will provide a structural analysis of the existing bulkhead and tie back system to ensure that the existing bulkhead, tie backs and proposed additions to the bulkhead will be adequate for the proposed development of the subject property.
- i. The construction access, and the loading and unloading of construction materials, shall be determined by the Mar-a-Lago Club and Town at a pre-construction meeting and such access shall be located and undertaken as far south as practically feasible.
- j. The Club shall provide a utility plan that satisfies Town requirements and indicates how all utility service will be provided to the beach property without interrupting traffic movements on South Ocean Boulevard.
- k. The beach facility shall not be used prior to 10:00 a.m. nor later than sunset.
- l. Amplified music or amplified sounds of any kind shall be prohibited. No concerts shall be held on the beach property at any time.
- m. Scheduling of Club events (barbecues, clam bakes, and cook-outs) shall be done in cooperation with the Bath and Tennis Club. There shall be no more than six (6) events, occurring not less than one month apart. Such events may extend beyond sunset, but not later than 10:00 p.m. and such events may not coincide nor be scheduled in conjunction with any other event being held at the Club. No activity may be conducted east of the bulkhead.
- n. Landmarks Preservation Commission approval of architectural design and materials shall be obtained prior to the issuance of a building permit.
- o. If the construction involves any piles, the method shall be of auger type construction.
- p. The overall height of the tallest structure shall be no higher than four (4') below the overall height of the residence to the immediate north notwithstanding any differences in point of measurement.
- q. All air conditioning equipment shall be located within the building envelope and have proper buffering and baffling so as to provide no disturbance to the neighbors. There shall be no air conditioning equipment within the north or south setbacks.

- r. There shall be no launching of motorized watercraft from the beach.
- s. Sand removed from the pool area shall be placed on the beach portion of the property if permitted by the Florida Department of Environmental Protection.
- t. When the beach facilities are not open, all external lighting shall be turned off except that which is necessary for security.
- u. No persons shall be permitted to stay overnight in any of the cabanas, and the cabanas shall not contain facilities which could be used for, or which could encourage, their overnight use, such as bedrooms and/or conventional cooking facilities.
- v. The beach property improvements (other than the bulkhead) should not be started until the temporary middle bridge is completed. The construction should be limited to occur only between May 1st and December 1st so that construction traffic does not negatively impact the segments of South Ocean Boulevard and the Southern Boulevard Bridge adjacent to Mar-a-Lago during peak season. However, requests for the undertaking of any major construction activity at any time of the year (including demolition) east of A1A shall be brought before Town Council, accompanied by plans and other pertinent supporting information, for its review and approval, as it the case with any other construction project in the Town.
- w. Provide the Town with an analysis of the existing tunnel to show whether or not it is sufficiently wide to ensure the ability to achieve its intended purpose.
- x. Lighting shall meet all standards required by the State and County for the protection of nesting sea turtles.
- y. Open air entertainment shall not exceed the maximum allowable noise limits.
- z. The above conditions will run with the land and shall be incorporated into an amendment of the existing Declaration of Use Agreement, dated August 10, 1993, to be executed between the Town and the applicant.
- aa. The above conditions were designed to consider and protect the quality of life of surrounding Town residents and for the public interest in Palm Beach.

THE MAR-A-LAGO CLUB

Traffic Management Plan

Prepared by: C. WESLEY BLACKMAN, A.I.C.P.
 JOSEPH B. POLLOCK, P.E.
 YVONNE ZIEL, P.E.

Date: May, 1999 - REVISED* - June, 1999

*This revised plan completely excludes Scenario #4 which governed events ranging in size between 750 and 1,200 people. The upper limit of Scenario #3 has been reduced to 740 people which corresponds to the seating capacity of the proposed Pavilion Building. Also, at the direction of the Police Department, the Southern Boulevard Gate may also be used for events ranging in size from 400 to 740 people (Scenario #3). Finally, the parking garage is no longer included due to the significantly decreased maximum occupancy of the Pavilion Building.

INTRODUCTION

This Traffic Management Plan (TMP) is a supplement to the Mar-a-Lago Club Master Plan dated December 1998. During review of the Master Plan by the Palm Beach Town Council in April of 1999, the Council approved, with conditions, the beach cabanas, pool and snack bar requested by the Club. The Council also approved the removal of traffic counting equipment and the elimination of the 313 trip per day cap. The number of allowable dining room seats was increased to 150. The Council elected not to amend or eliminate the cap on membership. Finally, the Woodbridge Road property was deleted from the Mar-a-Lago Club special exception.

Regarding the remaining portions of the Master Plan, the Town Council directed the Mar-a-Lago Club representatives to prepare a TMP for review at their meeting of June 8, 1999. At that time, the Council will be able to assess the traffic impact of a greater number of attendees at Club special events and to determine any impact a permanent pavilion building will have on traffic in the vicinity of the Club. This assessment will be based on this TMP. To a great extent, the impact of the pavilion building is already established due to the existing temporary tent.

Immediately after conclusion of the last hearing, Mar-a-Lago Club representatives met with Town of Palm Beach staff and consultants. From this meeting, the following list was assembled:

1. Address external impacts on the adjacent roadways. All efforts should be made not to interfere with traffic already on Southern Boulevard and South Ocean Boulevard.
2. Provide appropriate access for emergency vehicles.
3. Provide a routing plan for limousines
4. Discuss access plan for Southern Boulevard gate.
5. Demonstrate how the Club's planning for events can alleviate traffic congestion (i.e., "spreading out the peak").

6. Explain valet parking operations and any problems related to its efficient operation.
7. Describe operations, including valet parking, during special events.
8. Discuss other traffic considerations, including drop-offs.

All of the above topics will be addressed within this Mar-a-Lago Club TMP. A total of three (3) scenarios will be presented that will show various levels of Club operations. These will range from least to most intense. Operations and traffic management methodologies are offered for each scenario. The first scenario describes daily club operations alone (*a la carte* dining, spa and tennis activities, etc.), and in conjunction with, smaller events numbering less than 200 guests. The next scenario describes traffic management techniques for events with at least 200 and less than 399 persons. Next, measures to prevent traffic congestion are presented for events totaling between 400 and 740 persons. A fourth scenario was eliminated from consideration upon input from the Town Council. All of these scenarios offer increased levels of control and operational initiatives designed to minimize or eliminate traffic congestion on neighboring thoroughfares. Also, it is important to note that as the size of event increases, the frequency of that particular size of event significantly decreases. This has been true over the four years of operation of the Mar-a-Lago Club. It is expected to continue into the foreseeable future, even with the addition of the Pavilion Building. This plan will positively demonstrate that the Mar-a-Lago Club is and will be able to hold an event which has a maximum 740 persons in attendance, with proper traffic management procedures employed, and not cause a traffic disturbance within the Town of Palm Beach. The previous version of this plan presented information which, theoretically, showed that the Club could handle up to 1200 persons. This scenario is no longer included in this plan. Note: This size of event represents a theoretical maximum and should in no way be construed as the typical Mar-a-Lago Club event.

For brevity and clarity, once an action is mentioned in a smaller event scenario, it is automatically repeated for the subsequent larger event, unless otherwise noted. This is best understood by studying the accompanying summary table.

Finally, by including all of these actions in this form, the Mar-a-Lago Club is committed to implement them and be bound by the requirements outlined in this document.

The following statement was added after consultation with the Town of Palm Beach Police Chief:

The Police Chief reserves the right to change procedures as necessary based upon actual performance and shall not be limited by this plan. Furthermore, the Police Chief has the discretion to assign the number of special duty assignment officers appropriate for a given event.

Traffic Management Procedures – Scenario #1

Size Range: Events up to 199 People

This level of operation represents the bulk of Mar-a-Lago Club activity. Evidence of this is easily found by looking at the two most recent years of operation:

	1997-1998	1998-1999	Total Events
Events Under 200 People	137	149	286
(%)	(80%)	(86%)	(83%)
Total Events	171	173	344
(%)	(100%)	(100%)	(100%)

Thus, 83% of all the events held at the Mar-a-Lago Club over the past two seasons have attracted less than 200 people. Further analysis indicates that the total number of events increased only 1% over the previous year. However, the number of events attracting 200 people or less increased by 9%, representing an even larger proportion of the total number of events held at the Mar-a-Lago Club. This size of event represents regular dinner parties, lectures, classes, birthday parties and other celebrations. Dining, spa and tennis activities represent the typical daily activity of the Club, which can be considered the "background" operational level of the Club. Events of less than 200 people are easily accommodated while daily Club operations are underway. Whenever an event of over 150 is held, no other organized event is held at the Club. The following is an example of how the Club manages, and will continue to manage, traffic generated from this level of activity:

Member and Guest traffic enters the main entrance driveway from South Ocean Boulevard. Members and guests exit their vehicles at the main door. The two lanes of the main entrance drive allow for a 18 vehicle queue. Vehicles are parked by valet staff in available parking spaces on the northern half of the property. When members and guests leave the property, the valet delivers the vehicles to the main door and they leave through the exit gate (northern drive) on South Ocean Boulevard. Staff and delivery vehicles enter and exit through the Southern Boulevard gate. A small number of members prefer to enter through this gate for more direct access to the tennis courts. If this is the case, these members park their own vehicles. This entrance scenario is depicted graphically in EXHIBIT A.

No Special Detail Assignment police officers are necessary to accommodate this level of activity. Traditionally, officers are ordered through the Police Department for events when 200 people or more are expected. However, the Town of Palm Beach Police Department will be notified of all forecasted events at the beginning of the season and receive updates throughout the season reflecting any changes in dates, times or size of events. Special arrangements will be made with the Police Department for all other larger events. The number of

officers will be determined by the size of the event. These procedures are more fully outlined later concerning the larger events to be held at the Mar-a-Lago Club.

Emergency vehicles enter through any of three access points to the property. These include the Southern Boulevard gate, main entrance gate off of South Ocean Boulevard or the exit gate off of South Ocean Boulevard. Mar-a-Lago security will inform Town public safety officials where assistance is needed. Generally speaking, access for these vehicles is through the Southern Boulevard gate. Upon completion of the beach cabana and pool project, emergency vehicle access east of SR A1A (South Ocean Boulevard) will be provided through the use of a roll-over curb allowing pull-off access for three emergency vehicles.

All stacking of vehicles is easily accommodated within the property and traffic is not disturbed on the adjacent public thoroughfares of South Ocean Boulevard or Southern Boulevard.

Limousines are handled through the main entrance gate off of South Ocean Boulevard. All limousines are instructed to use the northern lane of the entrance drive. To avoid turning movement conflicts, stretch limousines are directed to turn right before reaching the main door. Guests exit the vehicle and enter the main house from this location. The limousine driver stays with the vehicle until the guests are ready to leave the property. Other drop-offs, such as taxis, enter and leave the property in the usual way; they enter through the main entrance and leave through the exit drive on to South Ocean Boulevard.

For this scenario, there is no need to plan attractions prior to individual events in order to entice guests to arrive earlier than the stated event time. The volume of traffic is easily handled without impact on the adjacent roadways.

Staffing for valet personnel varies depending on the number of reservations for daily activities and if any special events are planned for the day. Experience over the four years of Club operations have yielded a solid knowledge of valet staffing requirements. Regardless of the number of reservations and the existence of any special events, there are at least two valets on duty. When there is an event of up to 50 people or when the number of reservations ranges between 25 and 75 people, the valet staff increases to three. For days when there are over 75 reservations on the books or an event between 50 and 100 people, either four or five valets are scheduled. For a day with an event having between 100 and 150, a total of six valets are scheduled. Finally, for events between 150 and 200 people, a total of seven valets work for a given event.

Traffic Management Procedures – Scenario #2

Size Range: Events from 200 to 399 People

The following table reflects the number of times this size of event was held at the Mar-a-Lago Club over the past two seasons, along with other pertinent data:

	1997-1998	1998-1999	Total Events
Events of 200 to 399 People	30	17	47
(%)	(18%)	(10%)	(14%)
Total Events	171	173	344
(%)	(100%)	(100%)	(100%)

Nearly all of the events, 97% of the total number of the events held at the Mar-a-Lago Club over the two most recent seasons, were attended by less than 400 people. The proportion and number of events ranging in size between 200 and 399 people actually decreased in 1998-1999 from the previous season. These typically include charitable functions, celebrations of all kinds (birthday parties, etc.), teas, luncheons and cocktail parties. During the Mar-a-Lago Club 1998-1999 season, only 17 events of the 173 events held ranged in size between 200 and 399 people. This represented 10% of all events which took place at the Mar-a-Lago Club during the time period. The Club schedules events of this size to take place when little other activity is happening on the property. For example, events of this size are generally scheduled for Sunday, Monday or Wednesday evenings when the Club is only open for special events. All other Club functions are curtailed. There are very few exceptions. The Club never has scheduled two events of this size or larger at the same time. The following is a description of how traffic is managed for this size of event.

In the rare case where an event of this size happens when *a la carte* dining is taking place, event related vehicles are directed to the western entrance of the spa. This is accomplished by posting a security guard in front of the eastern part of the circle in the vicinity of the main door. The guard directs the guest to use the right fork and not go around the traffic circle on property by the main door. Guests are directed to pick up their vehicles in the same location where they were dropped off. This is identical to the method employed for larger events and explained later in this plan. However, only the main entrance and not the exit gate is used.

Two Special Detail Assignment police officers are hired to direct traffic during entering and exiting of vehicles. The Club will notify the Police Department at least one month in advance of any event, indicating number of guests expected, time and duration of the event. The Club will continue to pay for this service. The Police Department will assign the number of officers appropriate for this size of event.

All stacking of vehicles is easily accommodated within the property and traffic is not disturbed on the adjacent public thoroughfares of South Ocean Boulevard or Southern Boulevard.

Limousines are handled through the main entrance gate off of South Ocean Boulevard. To avoid turning movement conflicts, stretch limousines are directed to turn right before reaching the main door. Longer limousines are redirected by Town Police to enter the main entrance of the property from the South to more swiftly maneuver into the property. Guests exit the vehicle and enter the main house from this location. The limousine driver stays with the vehicle until the guests are ready to leave the property. Other drop-offs, such as taxis, enter and leave the property in the usual way: They enter through the main entrance and leave through the exit drive on to South Ocean Boulevard.

Staffing for valet personnel begins at 7 people for an event of 200 and increases two people for every 100 person incremental increase in the number of guests. For example, a 400 person event would call for 11 valets. In the rare case when *a la carte* service is offered, the Cub would have two additional valets at the main door to park and retrieve non-event related vehicles.

Planned Traffic Management Procedures – Scenario #3

Size Range: Events from 400 to 740 People

The following two tables represent the frequency of events of this size held at the Mar-a-Lago Club over the past two seasons, identify the event and specify the related attendance of each event.

	1997-1998	1998-1999	Total Events
Events of 400 to 740 People	5	5	10
(%)	(2.9%)	(2.9%)	(2.6%)
Total Events	171	173	344
(%)	(100%)	(100%)	(100%)

Events:	Attendance
Cocktail Reception – October 1997	403
Dinner Dance – October 1997	515
Luncheon – January 1998	438
Beach Boys – March 1998	505
Tony Bennett – April 1998	400
New Year's Eve Party – December 1998	644
Jay Leno – February 1999	591
Luncheon – March 1999	475
Natalie Cole – March 1999	453
Beach Boys – March 1999	520

Consistent with the previous 1997-1998 season, of all of the 173 events held at the Mar-a-Lago Club during the 1998-1999 season, only 5 fell within a range of 400 to 740 people. This represents a minimal 2.9% of all the events held at the Mar-a-Lago Club during this past season. None of the events approached the upper limit of the range. It should be noted that the Evening with Jay Leno, in association with the charitable event for CapCure and tennis tournament, held on Saturday, February 20, 1999 was one of the largest events of this scenario and did not approach the upper limit of this range. There were no traffic related problems reported that evening. Likewise, there were no traffic related problems reported the night of the New Year's Party 1998. Even so, traffic for these events was handled in a different way than the method described here. That method did not provide the safeguards of a new approach as detailed in this plan. This new method should alleviate all fears of traffic congestion on adjacent thoroughfares for future events of this size. No other events would be held concurrent with this size of event at the Club. However, there may be, and likely would be, activities designed to draw guests earlier to the event, rather than stipulate a specific time of arrival. This will be accomplished through special instructions given on the invitation, Club newsletters and/or at the time of placing the reservation. The following is a description of how traffic is handled for this size of event in the future with and without the addition of the new

Pavilion Building. The upper limit of this range, 740 persons, corresponds to the maximum occupancy of the Pavilion Building

In collaboration with Ms. Yvonne Ziel, P.E. and Joseph Pollock, P.E., both registered traffic engineers, certain characteristics which effect the processing of vehicles were assessed and applied to a formula. The formula, as contained within the ITE Transportation and Land Development, Applications for Queuing Analysis model, allowed predictions to be made regarding the length of a vehicle queue for this size of event. The particulars of this formula are included as ATTACHMENT I. The equation includes the following assumptions:

- All traffic for a given event arrives within the span of one hour.
- Time needed for the valet team to process one vehicle is 25 seconds on average. This is identified as "Average Service Time" as used in the formula. Timing begins when the vehicle reaches the "Service Point" and ends when the next car in line is ready to be serviced. Verification of this rate was observed and recorded by Ms. Ziel at an actual event.
- Two lanes are used to process vehicles.
- Results are in terms of vehicles processed within an hour, with the resulting maximum queue.
- Based upon actual Club experience, average vehicle occupancy is 3 persons per vehicle for an event as observed by Ms. Ziel.
- Multiplying total number of vehicle trips by vehicle occupancy results in the maximum total number of guests for an event given these assumptions.
- Entry for an event of this size will be through both entrances off of South Ocean Boulevard. Town of Palm Beach Police direct southbound vehicles to use the exit gate and driveway in a "reverse flow" direction. (This eliminates queuing of Southbound event related traffic from South Ocean Boulevard and will allow more non-event related traffic to pass with less interference.) Northbound event traffic will use the main entrance gate and be directed to do so by Town of Palm Beach Police. A small, but legible, temporary sign will be used to identify the entrance gate for Mar-a-Lago guests travelling south on South Ocean Boulevard.
- Drop-off of all guests is performed at the western spa entrance. Please refer to EXHIBIT B for a graphic representation of the entrance scheme for this scenario.
- Provisions will be made, upon request from the Police Department, that a portion of the traffic for events of this size enter through the Southern Boulevard Gate. These events will be identified well before the event through the advanced notification procedure employed by the Club. If so directed, special instructions will be given by means of invitation and during the reservation confirmation process. Small, temporary signs will direct that traffic entering the Southern Boulevard Gate.

ORB 11492 Pg 1792

- Length of vehicle in queue is 25 feet.
- The resulting maximum queue, according to the results of the ITE formula, is 28 vehicles.
- The number of vehicles processed within an hour is 261.
- The total number of guests attending the event equals 783. This is shown in the print out included as ATTACHMENT I.
- For ease of enforcement and programming of Club policy, the upper limit of this range is shown at 740, which ensures that the variables of the formula are intact during real world application.

To reiterate, all drop-offs for this size of event will be made at the western entrance of the spa, as indicated on EXHIBIT B. Vehicles will use both the entrance and exit drives off of South Ocean Boulevard. The small number of exiting vehicles (if any), during the period when vehicles are entering the property, will use the Southern Boulevard gate. Ownership of the properties east of the vacant lot along the south side of Woodbridge Road are owned by Mr. Donald J. Trump.

As vehicle queues build for an event of this size, the valet personnel will process 2 or 3 vehicles in each valet lane simultaneously. This will actually reduce the vehicle processing time to much less than the 25 second average observation as used in the equation. The 25 second service time of the equation is part of the conservative approach. From observation, this procedure allows the valet personnel to process more vehicles, reduce vehicle queues and minimize vehicle back-ups during peak period surges as they occur.

The Club will notify the Police Department at least one month in advance of any event, indicating number of guests expected, time and duration of the event. The Club will continue to pay for this service. The Police Department will assign the number of officers appropriate for this size of event.

For this scenario, through notification by invitation and at the time of reservation, guests will be encouraged to arrive earlier than the stated time on the invitation. This will allow the guests a longer time to enjoy the beauty found at Mar-a-Lago. There will be, on occasion, programmed activities that will encourage guests to arrive earlier. This will primarily be employed for the larger events in this range.

Staffing for valet personnel for an event of 740 guests calls for a total of 18 people. A 400 person event calls for 11 valets. Thus, an increase of 2 valet staff is required for each 100 person incremental increase in the number of guests.

Universal Procedures Related to Valet Parking Supervision and Parking Space Allocation

These are universal Mar-a-Lago Club policies that govern the behavior and performance of the valet parking team. Valet parking staff is scheduled according to the demand expected for a given event. The size of the event dictates the number of people that will be utilized for that event as reflected in the procedures outlined in this Traffic Management Plan. There will always be one valet captain responsible for the performance of the valet parking team. It is that person's duty to see to it that no traffic problems are caused on the adjacent public thoroughfares. Furthermore, the Director of Operations and/or the Director of Security shall have overriding authority to ensure the performance of the valet parking staff remains at a level to maintain the Club's overall objective of not creating traffic congestion caused by its operation. Both the Director of Operations and/or the Director of Security shall take any and all actions necessary during the arrival or departure of guests to ensure that this objective is met.

The Club significantly exceeds the required number of parking spaces based upon its number of members. The property currently provides a total of 252 parking spaces. According to the Town of Palm Beach Zoning Code, the Mar-a-Lago Club could have total of 1008 members based upon the total number of spaces offered. However, the Club membership currently stands at 360 members and is currently limited by the Town of Palm Beach to a total membership of 500. In the rare and infrequent large event where paved parking spaces are exhausted, remaining event related vehicles will be parked upon the golf course.

THIRD AMENDMENT OF DECLARATION OF USE AGREEMENT
by
THE TOWN OF PALM BEACH
and
THE MAR-A-LAGO CLUB, L.L.C.

Dated: December 12, 2004

THIRD AMENDMENT OF DECLARATION OF USE AGREEMENT

THIS THIRD AMENDMENT OF DECLARATION OF USE AGREEMENT ("Third Agreement") is made and entered into this 13th day of December, 2004 by and between THE TOWN OF PALM BEACH, a Florida municipal corporation, 360 South County Road, Palm Beach, Florida 33480 (herein called "Town") and THE MAR-A-LAGO CLUB, L.L.C., a limited liability company, organized under the laws of the State of Delaware, c/o Raymond W. Royce, Esquire, Holland & Knight LLP, 222 Lakeview Avenue, Suite 1000, West Palm Beach, Florida 33401 (herein called the "Club").

WITNESSETH:

WHEREAS, the Town, Mar-a-Lago Club, Inc. and Donald J. Trump heretofore entered into a Declaration of Use Agreement recorded in Official Records Book 7933, Page 22, and Official Records Book 8691, Page 802, of the Public Records of Palm Beach County, Florida (hereinafter called "Declaration"); and

WHEREAS, the Town, the Mar-a-Lago Club, Inc. and Donald J. Trump thereafter entered into an Amendment of Declaration of Use Agreement, recorded in Official Records Book 11492, Page 1762, of the Public Records of Palm Beach County, Florida ("First Amendment"); and

WHEREAS, the Town, and the Mar-a-Lago Club LLC thereafter entered into a Second Amendment of Declaration of Use Agreement recorded in Official Records Book 14327, Page 0233 of the Public Records of Palm Beach County, Florida ("Second Amendment"); and

WHEREAS, on April 13, 2004 the Town Council held a public hearing on Special Exception #11-2004 with Site Plan Review and conditionally approved a number of changes for the Club, including demolition of the existing slat house building, construction of a new kitchen

building, construction of a covered breezeway between the kitchen and the ballroom building, construction of another portable stage within the pavilion building, increase in the size of the loggia on the north side of the pavilion building by 15 feet for a total increase of 720 square feet, relocation of the air conditioning chiller and modification of paragraph "m" of Exhibit C to the First Amendment to eliminate the limitation on the number of events at the cabanas and to allow the Club to provide food and barbeque grill service at the cabanas; and

WHEREAS, on May 11, 2004, the Town Council held a public hearing and clarified and confirmed that the approval of the separate kitchen building to serve the ballroom was for a building of 60 feet by 61.25 feet, for a total of 3,675 square feet; and

WHEREAS, on August 10, 2004, the Town Council held a public hearing and agreed to an amendment of the conditionally approved site plan for the club to provide for a new driveway and drop off area on the north side of the new pavilion building.

NOW, THEREFORE, in consideration of the mutual promises set forth herein and in consideration of other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, it is agreed that the Declaration of Use Agreement, Amendment of Declaration of Use Agreement and Second Amendment of Declaration of Use Agreement are hereby amended and modified as follows:

1. All of the recitals set forth above are true and correct and are incorporated herein and made a part hereof.
2. A new kitchen building measuring 60 feet by 61.25 feet for a total of 3,675 square feet may be constructed and the kitchen building may be connected to the pavilion building by a covered breezeway, all as shown on Exhibit A, attached hereto and made a part hereof.

3. The pavilion building may be increased in size by the expansion of the loggia on the north side of the pavilion building by 15 feet for a total of 720 square feet as shown on Exhibit B, attached hereto and make a part hereof.

4. A new driveway, and drop off and pick up area may be constructed on the north side of the pavilion building as shown on Exhibit C, attached hereto and made a part hereof provided that low level lighting, acceptable to the Town, is installed to clearly identify the new driveway and access roads.

5. Paragraph "m" of Exhibit C to the First Amendment is hereby amended as follows:

A. The following sentence is deleted:

"There shall be no more than six (6) events, occurring not less than one month apart."

B. The following sentence is added:

"The Club may provide food and barbeque grill service at the cabanas."

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year above written.

Signed, sealed and delivered

DEED OF CONSERVATION AND PRESERVATION EASEMENT

THIS GRANT DEED OF CONSERVATION AND PRESERVATION EASEMENT is made by **DONALD J. TRUMP**, a resident of New York, who with his successors in title to all or any portion of the Property as hereinafter defined is herein referred to as "Grantor," in favor of the **NATIONAL TRUST FOR HISTORIC PRESERVATION IN THE UNITED STATES**, a non-profit charitable corporation chartered under an Act of Congress, 16 U.S.C. Section 468-468(d), with a business address at 1785 Massachusetts Avenue, N.W., Washington, D.C. 20036, herein referred to as "Grantee," and Union Labor Life Insurance Company, with a business address at 111 Massachusetts Avenue, N.W., Washington, DC 20001 herein referred to as "Lender."

WHEREAS, Grantor is the owner in fee simple of certain real property known as Mar-a-Lago (the "Property") in the Town of Palm Beach, Palm Beach County, Florida, totalling 17 acres more or less, more particularly described in Exhibit A, attached hereto and incorporated herein by this reference; and

SJS 3/21/95

WHEREAS, Mar-a-Lago is listed in the United States Department of the Interior's National Register of Historic Places and has been declared by the Secretary of the Interior to be of national significance and designated by Act of Congress as a National Historic Landmark; and

WHEREAS, Mar-a-Lago is regularly viewed by thousands of residents of Palm Beach and countless tourists to the Palm Beach area, from Ocean Boulevard, from Lake Worth, and from the Southern Boulevard Bridge; and

WHEREAS, many features of Mar-a-Lago, hereinafter collectively the "Critical Features," more particularly described in Exhibit B, attached hereto and incorporated herein by this reference, including the main house (the "Mansion") and a number of rooms therein, certain of the surrounding structures and improvements, and vistas from the Mansion, possess significant architectural, historic, scenic, and open space values of great importance to Grantor, to Grantee, and to the people of the Town of Palm Beach, the State of Florida, and the United States of America; and

WHEREAS, additional structures on those portions of the Property not included within the Critical Features may adversely impact the architectural, historic, scenic, and open space values of the Critical Features; and

WHEREAS, the specific architectural, historic, scenic, and open space values of the Critical Features are documented in a report, a counterpart to be kept on file at the offices of each of Grantor and Grantee and incorporated herein by this reference, which documentation ("Baseline Documentation") the parties agree provides an accurate representation of the Critical Features and the Property as of the effective date of this grant and which is intended to serve as an objective information baseline for monitoring compliance with the terms of this grant. In the

event of any discrepancy between the counterparts produced, the counterpart retained by Grantee shall control; and

WHEREAS, the Baseline Documentation shall consist of the following: Historic American Buildings Survey No. FLA-195, by the National Park Service's Office of Archeology and Historic Preservation; Review and Comment by Clarion Associates, Inc., Decker and Kemp and Glenn Herbert (1991); The Mar-a-Lago Club: A Special Exception Use and Preservation Plan by Eugene Lawrence, Joseph B. Pollock, Jr. and Paul Rampell, Esq. (1993), as the same may be amended from time to time (the "Plan"), including all references in the Bibliography included therein; the value ratio referenced in paragraph 12.1; and a comprehensive photographic survey of Mar-a-Lago by Grantee; and

WHEREAS, Grantor intends, as owner of the Property, to convey to Grantee the right to preserve and protect the Critical Features in perpetuity; and

WHEREAS, Grantee is a publicly supported, tax-exempt, non-profit organization whose primary purposes are to facilitate public participation in the preservation of sites, buildings, and objects of national significance and to receive donations of sites, buildings and objects significant in the history and culture of the United States; and

WHEREAS, Grantee represents that Grantee is a "qualified conservation organization," as that term is defined in Section 170(i) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder (the "Code"); and

WHEREAS, Grantee has received a letter from the Internal Revenue Service, dated October 20, 1970, on file at the offices of Grantee, to the effect that Grantee is not a private foundation within the meaning of Section 509(a) of the Code; and

WHEREAS, Grantor and Grantee recognize the architectural, historic, scenic, and open character of the Critical Features, and have the common purpose of the conservation, preservation, and protection in perpetuity of the Critical Features through the use of restrictive covenants and with the transfer from Grantor to Grantee of affirmative rights for the protection of the Critical Features, intending the grant of such restrictive covenants and rights to qualify as a "qualified conservation contribution" as that term is defined under Section 170(h)(2)(C) of the Code;

WHEREAS, Grantor and Grantee shall use all reasonable efforts to make any determinations that are necessary or are contemplated to be made by them (either separately or jointly) under this Easement (as hereinafter defined) and shall cooperate with one another and shall take all other reasonable action suitable to that end; and

WHEREAS, Grantee shall evaluate Grantor's requests under this Easement based on its good faith exercise of professional judgment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, in consideration of the above and the mutual covenants, terms, conditions, and restrictions contained herein, and pursuant to Section 170(h) of the Code and the laws of the State of Florida, in particular Section 704.06, Florida Statutes, Grantor hereby voluntarily grants and conveys to Grantee and its successors and permitted assigns a conservation and preservation easement (the "Easement") in perpetuity with respect to the Critical Features and the Property of the nature and character and to the extent hereinafter set forth. Grantor herein declares that the Property shall be held, transferred, sold, conveyed, used, and occupied subject to the covenants, conditions, restrictions, and easements hereinafter set forth, which covenants, conditions, restrictions, and easements

shall constitute restrictive covenants and shall be deemed to run with the land in perpetuity and to burden the Critical Features and the Property in perpetuity.

PURPOSE

1. **Purpose.** It is the purpose of this Easement to assure that the Critical Features will be retained forever predominantly in their historic, scenic, and open space condition for conservation and preservation purposes.

GRANTOR'S COVENANTS

2. **Covenant to Maintain.**

2.1 **In General.** Subject to the provisions of paragraphs 5, 6, and 7:

(a) Grantor agrees at all times to maintain the Critical Features in substantially the form and condition existing on the effective date of this Easement as documented in the Baseline Documentation. Grantor's obligation to maintain shall require replacement, rebuilding, repair, and reconstruction by Grantor whenever reasonably necessary to preserve the Critical Features in substantially the form and condition, and with substantially similar materials, and, as appropriate, with substantially similar plantings, vegetation, and natural screening, to that existing on the effective date of this Easement. Grantor's obligation to maintain shall also include the obligation to keep the landscape and flower and vegetable beds regularly tended, lawns mowed, and vegetation pruned and cut back as necessary, and the Property protected against erosion from Lake Worth.

(b) All maintenance, repair, rehabilitation, or other work performed on the Critical Features shall be performed strictly according to the Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (36 CFR 67) of the United States Department of the Interior, as the same may be amended from time to time (the "Standards for Rehabilitation").

2.2 Prohibited Activities. The following acts or uses are expressly forbidden on, over, or under the Property:

- (a) demolition, removal, or razing the Critical Features except as otherwise regulated or permitted in this Easement;
- (b) constructing or erecting new buildings and structures within and upon such areas defined and described as Critical Features, including by example but not limited to satellite receiving dishes, camping accommodations, mobile homes, and permanent structures, except for temporary purposes pursuant to paragraph 5.1(D) hereof;
- (c) displaying or placing signs, billboards, or advertisements on the Property and its Critical Features except as specifically provided at paragraph 3(e) hereof and to identify the Property or its owner; and
- (d) dumping ashes, trash, rubbish or any other unsightly or offensive materials on the Property, except the temporary storage of waste generated by permitted activities and uses at the Property is permitted.

RIGHTS OF GRANTEE; ACCESS

3. Affirmative Rights of Grantee. Grantor hereby grants the following rights to Grantee:

(a) to prevent Grantor or third persons (whether or not claiming by, through, or under Grantor) from conducting any activity or use with respect to the Critical Features that is inconsistent with the purpose of this Easement, and to require of Grantor or third persons the replacement, or the restoration to the extent practicable, of such Critical Features that may be damaged by any inconsistent activity or use;

(b) upon fourteen (14) days' prior notice to Grantor, and without unreasonably interfering with Grantor's use and quiet enjoyment of the Property as restricted by this Easement, to enter upon the Property at reasonable times and in a reasonable manner in order to monitor Grantor's compliance with and otherwise enforce the terms of this Easement, and further provided that in the absence of evidence which gives Grantee a reasonable basis to believe there has been deterioration of the Mansion Rooms, as the Mansion Rooms are identified in Exhibit B, or a violation of the provisions of this Easement with respect to the Mansion Rooms (which evidence shall be made available to Grantor), inspection of the interior of the Mansion shall occur not more often than annually at times mutually agreed upon by Grantor and Grantee. The rights granted in this paragraph 3(b) shall generally be exercised by Grantee's employees, members of Grantee's Board of Trustees, and members of Grantee's Board of Advisors but may be delegated to Grantee's contractors and to employees of any organization qualified under Section 170(h) of the Code as a "qualified conservation organization" and qualified under the laws of the State of Florida as an organization eligible to receive this Easement directly. Notwithstanding the provisions of the preceding sentence, delegation under this paragraph 3(b) to agents, trustees, and employees of the Preservation Foundation of Palm Beach, Inc., or the Palm Beach Civic Association, Inc., or their successors, during such time as Donald J. Trump is living

and not under legal disability and is the owner of the Property or all of, or a majority interest in, any entity which then is the owner of the Property, shall be subject to the prior written approval of Donald J. Trump, which approval may be withheld at the sole discretion of Donald J. Trump;

(c) to enforce this Easement in the case of breaches by Grantor or by third persons (whether or not claiming by, through, or under Grantor) by appropriate legal proceedings, after providing Grantor with at least sixty (60) days' notice and opportunity to cure;

(d) to obtain injunctive and other equitable relief against any violations, including without limitation relief requiring removal of offending structures and vegetation and other restoration of the Critical Features to the condition that existed prior to any such violation (it being agreed that Grantee will have no adequate remedy at law). In the event Grantee seeks legal, injunctive, or other equitable relief, Grantee shall not be required to post bond and Grantee shall not be required to demonstrate irreparable harm or injury to secure such legal, injunctive, or other equitable relief;

(e) to secure, perfect, confirm, and foreclose any lien authorized under this Easement in the same manner as a construction lien; and

(f) to provide and maintain two plaques on the Property, which may be placed on the exterior and interior of the Mansion or elsewhere on the Property, each of which shall not exceed 24 inches by 24 inches in size, with notice of the historic and architectural significance of the Property and its structures and the existence of this Conservation and Preservation Easement.

3.1 Acts Beyond Grantor's Control. Nothing contained in this Easement shall be construed to entitle Grantee to bring any action against Grantor for any injury to or changes in

the Critical Features or the Property resulting from causes beyond Grantor's control, including, without limitation, acts of trespassers, fire, flood, windstorm, hurricane, earth movement, and tree disease, or from any prudent action taken by Grantor under emergency conditions to prevent, abate, or mitigate significant injury to the Critical Features or the Property resulting from such causes. Notwithstanding the foregoing, nothing herein shall preclude Grantor's and Grantee's rights to pursue any third party for damages to the Critical Features or the Property from vandalism, trespass, or any violation of the terms of this Easement.

3.2 Compliance Certificates. Upon request by Grantor, Grantee shall within thirty (30) days execute and deliver to Grantor at Grantor's request a written document, including an estoppel certificate or compliance certificate, substantially in the form of Exhibit C, attached hereto and incorporated herein by this reference, to certify to the best of Grantee's knowledge Grantor's compliance with any obligation of Grantor contained in this Easement, or otherwise to evidence the status of this Easement to the extent of Grantee's knowledge thereof.

4. Access. No right of access to any portion of the Property is conveyed by this Easement, except as expressly provided in paragraph 3 and this paragraph 4.

4.1 Access for Viewing and Study. Grantor hereby agrees to hold open the Property under the following terms and conditions:

(a) Grantor hereby agrees to hold open the Property (not including the interior of the Mansion) to viewing by not more than 100 visitors from the public (who otherwise have no legal ownership or use rights with respect to the Property) one day each year.

(b) Grantor hereby further agrees to hold open the Property, including the interior of the Mansion, not less than one additional day each year to viewing by not more than twenty (20) visitors (who otherwise have no legal ownership or use rights with respect to the Property) on each visit, for the purpose of viewing and studying the historic and architectural characteristics of the Property.

(c) Grantor agrees not to obstruct the view of the Mansion from Ocean Boulevard, Lake Worth, and the Southern Boulevard Bridge.

GRANTOR'S RIGHTS

5. Grantor's Rights.

5.1 **Rights Not Requiring Further Approval by Grantee.** The following rights, uses, and activities of or by Grantor on, over, or under the Property are permitted by this Easement and by Grantee without further approval by Grantee:

(a) the right to engage in those acts or uses permitted by governmental statute or regulation that are not expressly prohibited or regulated by this Easement;

(b) the right to perform work, exercise the rights and privileges contemplated by, and engage in those uses of the Property permitted by the Plan and by the Declaration of Use Agreement (the "Declaration") dated August 10, 1993, between the Town of Palm Beach, The Mar-a-Lago Club, Inc., and Grantor, recorded in the Public Records of Palm Beach County, Florida, in Official Record Book 7933, Page 22, as the Plan and/or the Declaration may be amended from time to time, provided that (i) such uses are not specifically prohibited or

regulated by this Easement, and (ii) such amendment(s) to the Plan and/or Declaration are not inconsistent with the purpose of this Easement;

(c) pursuant to the provisions of paragraph 2.1, the right to maintain and repair the Critical Features strictly according to the Standards for Rehabilitation. As used in this paragraph 5.1(c), the right to maintain and repair shall mean the use by Grantor of in-kind materials and colors, applied with workmanship comparable to that which was used in the construction or application of those materials being repaired or maintained, for the purpose of retaining in good condition the appearance and construction of the Property. The right to maintain and repair as used in this paragraph 5.1(c) shall not include the right to make changes in appearance, materials, colors, and workmanship from that existing prior to the maintenance and repair;

(d) after consultation with Grantee before construction of the modifications has commenced, the right to modify the Critical Features as necessary to conform to the Code of Ordinances of the Town of Palm Beach, provided that such modification is not in response to a request or application by Grantor to the Town of Palm Beach (i) to replace, alter, remodel, rehabilitate, enlarge, or remove, or change the appearance, materials, or colors of, any of the Critical Features (collectively, an "alteration of the Critical Features"), or (ii) for a change in the use of the Property that would require an alteration of the Critical Features;

(e) subject to the preservation of the Open Vistas, as the Open Vistas are identified in Exhibit B, the right to restore, enhance, upgrade, or alter from time to time the golf course and putting green, identified in Exhibit B; and

(f) the right to erect reasonably necessary temporary structures in connection with any permitted activities at or on the Property.

5.2 Conditional Rights Requiring Approval by Grantee. The following rights, uses, and activities of or by Grantor on, over, or under the Property are permitted by this Easement only with the prior written approval of Grantee, which approval may be withheld or conditioned in Grantee's sole discretion:

(a) subject to the provisions of paragraph 6, the right to replace, alter, remodel, rehabilitate, enlarge, or remove, and change the appearance, materials, topography, and colors of, any of the Critical Features;

(b) subject to the provisions of paragraph 6, the right to construct new permanent structures on those portions of the Property that are not attached to, a part of, or contained within the Critical Features, including but not limited to appurtenant docks or wharves, and additions thereto; and

(c) subject to the provisions of paragraph 6, the right to divide or subdivide the Property.

6. Review of Grantor's Proposals. In connection with the conditional rights reserved under paragraphs 5.2 and 7, Grantor shall submit to Grantee for Grantee's approval two copies of information (including plans, specifications, and designs when appropriate) identifying the proposed activity with reasonable specificity. In connection therewith, Grantor shall also submit to Grantee a timetable for the proposed activity sufficient to permit Grantee to monitor such activity, and shall notify Grantee in writing of any change to the timetable. Within 30 (thirty) days of Grantee's receipt of any plan or request for approval hereunder, Grantee shall

certify in writing that (a) it approves the plan or request, or (b) it disapproves the plan or request as submitted, in which case Grantee shall provide Grantor with written suggestions for modification or a written explanation for Grantee's disapproval. Grantor may resubmit to Grantee revised information (including plans, specifications, and designs when appropriate) that incorporates Grantee's proposed modifications or may submit entirely new information with a new timetable, if appropriate. Any failure by Grantee to act within 30 (thirty) days of receipt of Grantor's submission or resubmission of plans or requests shall be deemed to constitute approval by Grantee of the plan or request as submitted and to permit Grantor to undertake the proposed activity in accordance with the plan or request submitted. In exercising review authority, Grantee shall apply the Standards for Rehabilitation. With respect to new proposed permanent structures on those portions of the Property that are not attached to, a part of, or contained within the Critical Features, Grantee's review authority shall be limited to considerations of size, scale, color, and architectural features as these may physically or visually impact the Critical Features.

7. Casualty Damage or Destruction. Notwithstanding any other provision herein to the contrary, in the event of damage or destruction to the Critical Features, in whole or in part, caused by fire, flood, windstorm, hurricane, earth movement, or other casualty:

(a) (i) Grantor and Grantee may agree on plans and specifications for rehabilitation, restoration, removal, or replacement of the Critical Features in accordance with the provisions of paragraph 6, and Grantor shall pay the cost of such rehabilitation or other work, but in no event shall Grantor be liable for an amount exceeding the amount of the casualty insurance proceeds recoverable by Grantor as a result of such damage or destruction; or (ii) Grantor and Grantee may agree that the purpose of this Easement has been rendered impossible to accomplish

and may join in an action to extinguish this Easement in whole or in part, subject to the provisions of paragraph 12.

(b) Notwithstanding any other provision herein, in the event that the Mansion is destroyed or substantially destroyed by casualty damage or destruction as determined and agreed to by Grantor and Grantee, Grantor shall have no obligation to rebuild the Mansion. In such event Grantor and Grantee herein agree to join in an action to extinguish this Easement, subject to the provisions of paragraph 12.

COSTS; INDEMNIFICATION; INSURANCE

8. Costs, Liabilities, and Taxes. Grantor retains all responsibilities and shall bear all costs and liabilities of any kind related to the ownership, operation, upkeep, and maintenance of the Property, including the maintenance of general liability insurance coverage as set forth in paragraph 9 below, except as provided in paragraph 8.1 with respect to the payment of enforcement costs.

8.1 Enforcement Costs. In connection with any action to enforce the terms of this Easement, the prevailing party shall be entitled to costs of suit, including reasonable attorneys', architectural, engineering, and expert witness fees and disbursements. In the event Grantee is entitled to such costs of suit, such costs, until discharged, shall constitute a lien on the Property with the same effect and priority as a construction lien.

8.2 Indemnification. Grantor hereby agrees to indemnify, hold harmless, and defend at its own cost and expense, Grantee, its agents, trustees, employees, and independent contractors, from and against any and all claims, liabilities, expenses, costs, damages, losses, and

expenditures (including reasonable attorneys' fees and disbursements hereafter incurred) arising out of or in connection with injury to or the death of any person, or physical damage to the Property, or other injury or other damage occurring on or about the Property, unless such injury or damage is caused by Grantee or any agent, trustee, employee, or contractor of Grantee. If any action or proceeding shall be brought against Grantee or any agent, trustee, employee, or contractor of Grantee, based upon any such claim, and if Grantor, upon notice thereof from Grantee, shall cause such action or proceeding to be defended at Grantor's expense by counsel satisfactory to Grantee, Grantor shall not be required to indemnify Grantee, or any agent, trustee, employee, or contractor of Grantee, for additional attorneys' fees and disbursements in connection with such action or proceeding. In the event Grantor is required to indemnify Grantee, the amount of such indemnity shall constitute a lien on the Property with the same effect and priority as a construction lien.

9. **Insurance.** Grantor at Grantor's sole expense shall keep those portions of the interior and exterior of the Mansion and Property Manager's Complex identified as Critical Features insured against loss from fire and other casualties, including extended coverage and all risk insurance, with change in condition and building ordinance coverage, in form and amount sufficient in all events to replace fully the damaged Critical Features without cost or expense to Grantor or contribution or coinsurance from Grantor. The balance of the Mansion and Property Manager's Complex shall be kept insured against loss from fire and other casualties as would commonly be covered in connection with historic property in the Town of Palm Beach under Florida standard fire and extended coverage policies in an amount equal to their fair market values. All such insurance shall provide for at least thirty (30) days' notice to Grantee before

cancellation or material change by the insurance carrier. Grantor shall deliver to Grantee, within ten (10) business days of Grantee's written request therefor, certificates of such insurance coverage.

ASSIGNMENT BY GRANTEE

10. Assignment by Grantee.

10.1 **In General.** The benefits of this Easement shall be in gross. This Easement shall be assignable by Grantee provided that (a) as a condition of any assignment, Grantee requires that the purpose of this Easement continues to be carried out; and (b) the assignee, selected by Grantee in its sole discretion, at the time of assignment qualifies under Section 170(h) of the Code as a "qualified conservation organization" and qualifies under the laws of the State of Florida as an eligible donee to receive this Easement directly. Notwithstanding the provisions of the preceding sentence, assignment under the provisions of this paragraph 10.1 to the Preservation Foundation of Palm Beach, Inc., or the Palm Beach Civic Association, Inc., or their successors, during such time as Donald J. Trump is living and not under legal disability and is the owner of the Property or all of, or a majority interest in, any entity which then is the owner of the Property, shall be subject to the prior written approval of Donald J. Trump, which approval may be withheld at the sole discretion of Donald J. Trump. Without limiting Grantee's discretion under this paragraph 10.1, Grantee agrees to notify Grantor in writing at least sixty (60) days prior to any assignment or proposed assignment of this Easement under this paragraph 10.1.

10.2 **Grantor's Right to Request Assignment.** Notwithstanding the provisions of paragraph 10.1, Grantor may submit to Grantee a request for assignment of this Easement to a

"qualified conservation organization," as that term is defined in Section 170(h) of the Code, designated in writing by Grantor. After Grantee's written approval of such request for assignment, which approval may be withheld in Grantee's sole discretion, Grantee as promptly as practicable will assign by recorded instrument substantially in the form of Exhibit D, attached hereto and incorporated herein by this reference, all the right, title, and interest of Grantee under this Easement (together with the original total of those funds, excluding accrued earnings, if any, transferred to Grantee by Grantor as an easement administration endowment fund pursuant to a letter dated March 15, 1994, from Grantee to Grantor, less any amounts expended by Grantee directly in connection with its administration of this Easement, all of which funds shall be separately accounted for by Grantee). The instrument of assignment shall contain provisions whereby the assignee affirmatively accepts assignment, expressly represents that it is qualified to accept assignment under the conditions of this paragraph 10.2 (which conditions will be incorporated in their entirety in the instrument of assignment), and assumes the obligations on the part of Grantee to be performed under this Easement. The right to request assignment reserved in this paragraph 10.2 shall (a) be exercisable only by Donald J. Trump during such time as Donald J. Trump is living and not under any legal disability and is the owner of the Property or all of, or a majority interest in, any entity which then is the owner of the Property; and (b) not be exercisable if Grantor has received written notice from Grantee of a claimed violation of the terms of this Easement and such matter remains unresolved or if there is a judicial action or proceeding (brought by Grantee) pending against Grantor to enforce the terms of this Easement.

AMENDMENT; EXTINGUISHMENT

11. **Limitations on Amendment.** If circumstances arise under which an amendment to or modification of this Easement would be appropriate, Grantor and Grantee may by mutual written agreement jointly amend this Easement, provided that no amendment shall be made that will adversely affect the qualification of this Easement or the status of Grantee under any applicable laws, including Sections 170(h) and 501(c)(3) of the Code and the laws of the State of Florida. Any such amendment shall be consistent with the purpose of this Easement; shall not affect its perpetual duration; shall not permit any private inurement to any person or entity; and shall not adversely impact the overall architectural, historic, scenic, and open space values protected by this Easement. Any such amendment shall be recorded in the Public Records of Palm Beach County, Florida. Nothing in this paragraph shall require Grantor or Grantee to agree to any amendment or to consult or negotiate regarding any amendment.

12. **Extinguishment.** If circumstances arise in the future that render the purpose of this Easement impossible or impractical to accomplish, this Easement can be terminated or extinguished, whether with respect to all or part of the Critical Features or the Property, only by judicial proceedings brought by Grantor or Grantee in a court of competent jurisdiction. Unless otherwise required by applicable law at the time, in the event of any sale of all or a portion of the Property (or any other property received in connection with an exchange or involuntary conversion of the Property) after such termination or extinguishment, and after the satisfaction of prior claims and net of any costs or expenses associated with such sale, Grantor and Grantee shall divide the proceeds from such sale (minus any amount attributable to the value of improvements made by Grantor after the effective date of this Easement, which amount is reserved to Grantor)

in accordance with their respective percentage interests in the fair market value of the Property, as such percentage interests are determined under the provisions of paragraph 12.1, adjusted, if necessary, to reflect a partial termination or extinguishment of this Easement. All such proceeds received by Grantee shall be used by Grantee in a manner consistent with Grantee's primary purposes. This paragraph shall survive any extinguishment of the Easement and, in the event of extinguishment, is intended to constitute a lien against the Property.

12.1 Percentage Interests. For purposes of allocating proceeds pursuant to this paragraph 12, the parties hereto stipulate that as of the effective date of this grant the Easement and the restricted fee interest in the Property each represent a percentage interest in the fair market value of the Property. Said percentage interests shall be determined by the ratio of the value of the Easement on the effective date of this grant to the value of the Property, without deduction for the value of the Easement, on the effective date of this grant. The values on the effective date of this grant shall be those values prescribed by federal regulation, including the value allowed as a deduction for federal income tax purposes attributable to this Easement. The parties shall include the ratio of those values with the Baseline Documentation (on file at Grantor's and Grantee's offices) and shall amend such values, if necessary, to reflect any final determination thereof by the Internal Revenue Service or court of competent jurisdiction. For purposes of this paragraph, the ratio of the value of the Easement to the value of the Property unencumbered by the Easement shall remain constant, and the percentage interests of Grantor and Grantee in the fair market value of the Property thereby determinable shall remain constant.

12.2 Condemnation. If all or any part of the Property is taken under the power of eminent domain by public, corporate, or other authority, or otherwise acquired by such authority

through a purchase in lieu of a taking, Grantor and Grantee shall respectively be entitled to compensation in accordance with their respective percentage interests in the fair market value of the Property, as determined under the provisions of paragraph 12.1.

GENERAL PROVISIONS

13. General Provisions.

13.1 **Controlling Law.** The interpretation and performance of this Easement shall be governed by the laws of the State of Florida.

13.2 **Construction.** Any general rule of construction to the contrary notwithstanding, this Easement shall be construed broadly to effect the purpose of this Easement and the policy and purposes of Grantee. If any provision in this instrument is found to be ambiguous, an interpretation consistent with the purpose of this Easement that would render the provision valid shall be favored over any interpretation that would render it invalid.

13.3 **Severability.** If any provision of this Easement or the application thereof to any person or circumstance is found to be invalid, the remainder of the provisions of this Easement shall not be affected thereby.

13.4 **Entire Agreement.** This instrument sets forth the entire agreement of the parties with respect to the Easement and supersedes all prior discussions, negotiations, understandings, or agreements relating to the Easement, all of which are merged herein. No alteration or variation of this instrument shall be valid or binding unless contained in an amendment that complies with paragraph 11.

13.5 Successors. The covenants, terms, conditions, and restrictions of this Easement shall be binding upon and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Property, provided that any owner of the Property is not responsible for breaches of the terms hereof that occur after that owner ceases to have any ownership interest in the Property.

13.6 Transfers by Grantor. Grantor agrees to incorporate by reference the terms of this Easement in any deed or other legal instrument by which Grantor transfers any ownership or possessory interest in the Property. Grantor further agrees to give written notice to Grantee of the proposed transfer of any such interest at least sixty (60) days prior to the date of such transfer. The failure of Grantor to perform any act required by this paragraph shall not impair the validity of this Easement or limit its enforceability in any way.

13.7 Notices. Any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other shall be in writing and either served personally or sent by first class mail, postage prepaid, addressed as follows:

To Grantor: Mr. Donald J. Trump
The Trump Organization
725 5th Avenue, 26th Floor
New York, NY 10022

With a copy to: Stephen J. Small, Esq.
Law Office of Stephen J. Small, Esq.
75 Federal Street, Suite 1100
Boston, MA 02110-1911

To Grantee: National Trust for Historic Preservation
in the United States
1785 Massachusetts Ave., N.W.
Washington, D.C. 20036
Attn: President

- 21 -

With a copy to: General Counsel
National Trust for Historic Preservation
in the United States
1785 Massachusetts Ave., N.W.
Washington, D.C. 20036

or to such other address as any of the above parties from time to time shall designate by written notice to the others.

13.8 **Effective Date.** Grantor and Grantee intend that the restrictions arising hereunder take effect on the day and year this DEED OF CONSERVATION AND PRESERVATION EASEMENT is recorded in the Public Records of Palm Beach County, Florida, after all required signatures have been affixed hereto. Grantee may re-record this instrument at any time as may be required to preserve its rights in this Easement. Grantor shall cause this Easement to be recorded in the Public Records of Palm Beach County, Florida, as soon as administratively possible after all required signatures have been affixed hereto. Grantee shall be provided the original recorded Easement; Grantor shall retain a copy of the recorded Easement.

13.9 **Subordination.** Lender is the holder of a Note secured by a mortgage dated _____, and recorded in Official Record Book _____, Page _____, of the Public Records of Palm Beach County, Florida (the "Mortgage"), which subjects the Property to Lender's lien. Lender hereby consents to the terms and intent of this DEED OF CONSERVATION AND PRESERVATION EASEMENT and agrees that the lien represented by the Mortgage shall be subject and subordinate to the interest conveyed by this DEED OF CONSERVATION AND PRESERVATION EASEMENT, to the same effect as if this DEED

OF CONSERVATION AND PRESERVATION EASEMENT had been executed, delivered, and recorded immediately prior to the execution, delivery, and recording of the Mortgage.

TO HAVE AND TO HOLD, the said Conservation and Preservation Easement, unto the said Grantee and its successors and permitted assigns forever. This DEED OF CONSERVATION AND PRESERVATION EASEMENT may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument.

IN WITNESS WHEREOF, Grantor, Grantee, and Lender have set their hands under seal on the days and year set forth below.

**EXHIBIT A
TO
CONSERVATION AND PRESERVATION EASEMENT
FROM
DONALD J. TRUMP
TO
NATIONAL TRUST FOR HISTORIC PRESERVATION
IN THE UNITED STATES**

LEGAL DESCRIPTION OF THE PROPERTY

Being all that part of the North 610.00 feet of the South 1170.00 feet of Government Lot 2 of Section 35, Township 43, South, Range 43 East, in the Town of Palm Beach, Palm Beach County, Florida, lying West of Ocean Boulevard (State Road A1A) Right of Way and more particularly described as follows, to-wit:

Beginning at a point on the West face of an existing seawall on the East shore of Lake Worth, which point is 560.00 feet North of, measured at right angles, to the South line of Government Lot 2 of said Section 35; thence North 6°09'22" West along the West face of said seawall for a distance of 77.32 feet; thence North 10°23'23" East along the West face of said seawall for a distance of 539.50 feet to a point in the South line of BINGHAM-COPP TRACT, a subdivision recorded in Plat Book 18, Page 6, Palm Beach County Public Records; thence run South 88°12'07" East along the South line of said BINGHAM-COPP TRACT for a distance of 1134.10 feet to a point in the Westerly right-of-way line of Ocean Boulevard (State Road A1A); thence run South 0°09'07" East for a distance of 82.59 feet to a point of curvature; thence run Southerly along the arc of a curve concaved to the Southwest having a radius of 1412.69 feet and a central angle of 3°03'00" for a distance of 75.20 feet to a point of tangency; thence run South 2°53'53" West for a distance of 176.28 feet to a point of curvature; thence run Southwesterly along the arc of a curve concaved to the Northwest having a radius of 2968.36 feet and a central angle of 2°27'30" for a distance of 127.36 feet to a point of compound curvature; thence continue Southwesterly along the arc of a curve, concaved to the Northwest having a radius of 158.68 feet and a central angle of 86°26'30" for a distance of 239.40 feet to a point of tangency; thence run North 88°12'07" West along the North line of Southern Boulevard (State Road 80) for a distance of 1040.43 feet to the POINT OF BEGINNING;

and

The West one-half (W 1/2) of Lot 20 and the South 15 feet of the East one-half (E 1/2) of Lot 20 and the South 15 feet of the West one-half (W 1/2) of Lot 21, all in BINGHAM-COPP TRACT, a subdivision in the Town of Palm Beach, Palm Beach County, Florida, as recorded in Plat Book 18, Page 6, Palm Beach County Public Records;

Together with an easement for the use of the tunnel as described in that certain Quit Claim Easement Deed recorded in Official Record Book 2327, Page 1970 of the Palm Beach County Public Records;

and

The South 358.00 feet of the North 403.00 feet of the South 1170.00 feet of Government Lot 2, Section 35, Township 43 South, Range 43 East, Palm Beach County, Florida, lying East of Ocean Boulevard (State Road A1A) as now laid out and in use; together with all riparian and littoral rights, if any, thereunto appertaining.

**EXHIBIT B
TO
CONSERVATION AND PRESERVATION EASEMENT
FROM
DONALD J. TRUMP
TO
NATIONAL TRUST FOR HISTORIC PRESERVATION
IN THE UNITED STATES**

CRITICAL FEATURES OF MAR-A-LAGO

The following Critical Features of Mar-a-Lago are described narratively below and graphically in Exhibits B-1, B-2, and B-3, a site drawing of exterior Critical Features and floor plans of interior Critical Features, following the narration.

1. **Main Entrance Gate.** The Gate is a double wood spindled, two-leaf gate which opens inward. The masonry is covered with Spanish tiles and is lighted by two wrought-iron figures holding torches.

2. **Perimeter Wall.** A stucco wall extends on the property line from Lake Worth to the west and around the Southern Boulevard curve (with gates) to a terminus at the east center of the Mansion. The wall re-continues to the north, passes through the Main Entrance Gate, is interrupted by the Property Manager's Complex and runs to the service entrance gate at the north property line. The seawall is not a Critical Feature but it shall be maintained in substantially the same size, color, and durability to retard erosion from Lake Worth.

3. **Main Entrance Drive.** The main drive is perpendicular and west of South Ocean Boulevard, one hundred feet from the north property line. It is approximately fourteen feet wide, bordered on both sides with concrete curbs and lined with coconut palms. The driveway circles around a guest structure through a porte-cochere to the primary entrance to the Mansion at its north facade.

4. **Property Manager's Complex.** To the north of the main entrance drive, the property manager's grouping consists of a residence, detached garage, and ancillary building, all of which are one-story, stucco, with clay barrel tile roofs.
 - 4.1 **Doors and Windows.** The doors and windows of the Property Manager's Complex to be included as part of the Critical Features are identified in the Baseline Documentation.

5. **The Mansion.** The exterior walls, roof, carvings, columns, tiles and overall envelope of the main house, including without limitation also the exterior of the pavilion and staff housing/kitchen/service wings and connecting passageways, the portecochere and connected guest house, and the service garage adjacent to the service wing, referred to herein as the Mansion, are the single most important Critical Features.

5.1 **Doors and Windows.** The doors and windows of the Mansion to be included as part of the Critical Features are identified in the Baseline Documentation.

6. **Cloisters, Patio and Parrot Pool.** The Cloisters, Patio and Parrot Pool located adjacent and west of the Mansion are integral accessories to the Mansion.

7. **Open Vistas.** An open vista to the east overlooks the property to Ocean Boulevard from the Mansion. An open vista to the west extends from the Mansion down and across a grassed area of approximately 250 feet in width to view Lake Worth.

8. **Topographical Flow of Land.** The land flows generally from a high point around the main house at an elevation of approximately 15 feet to a low point of 4 feet along the bulkhead line at Lake Worth.

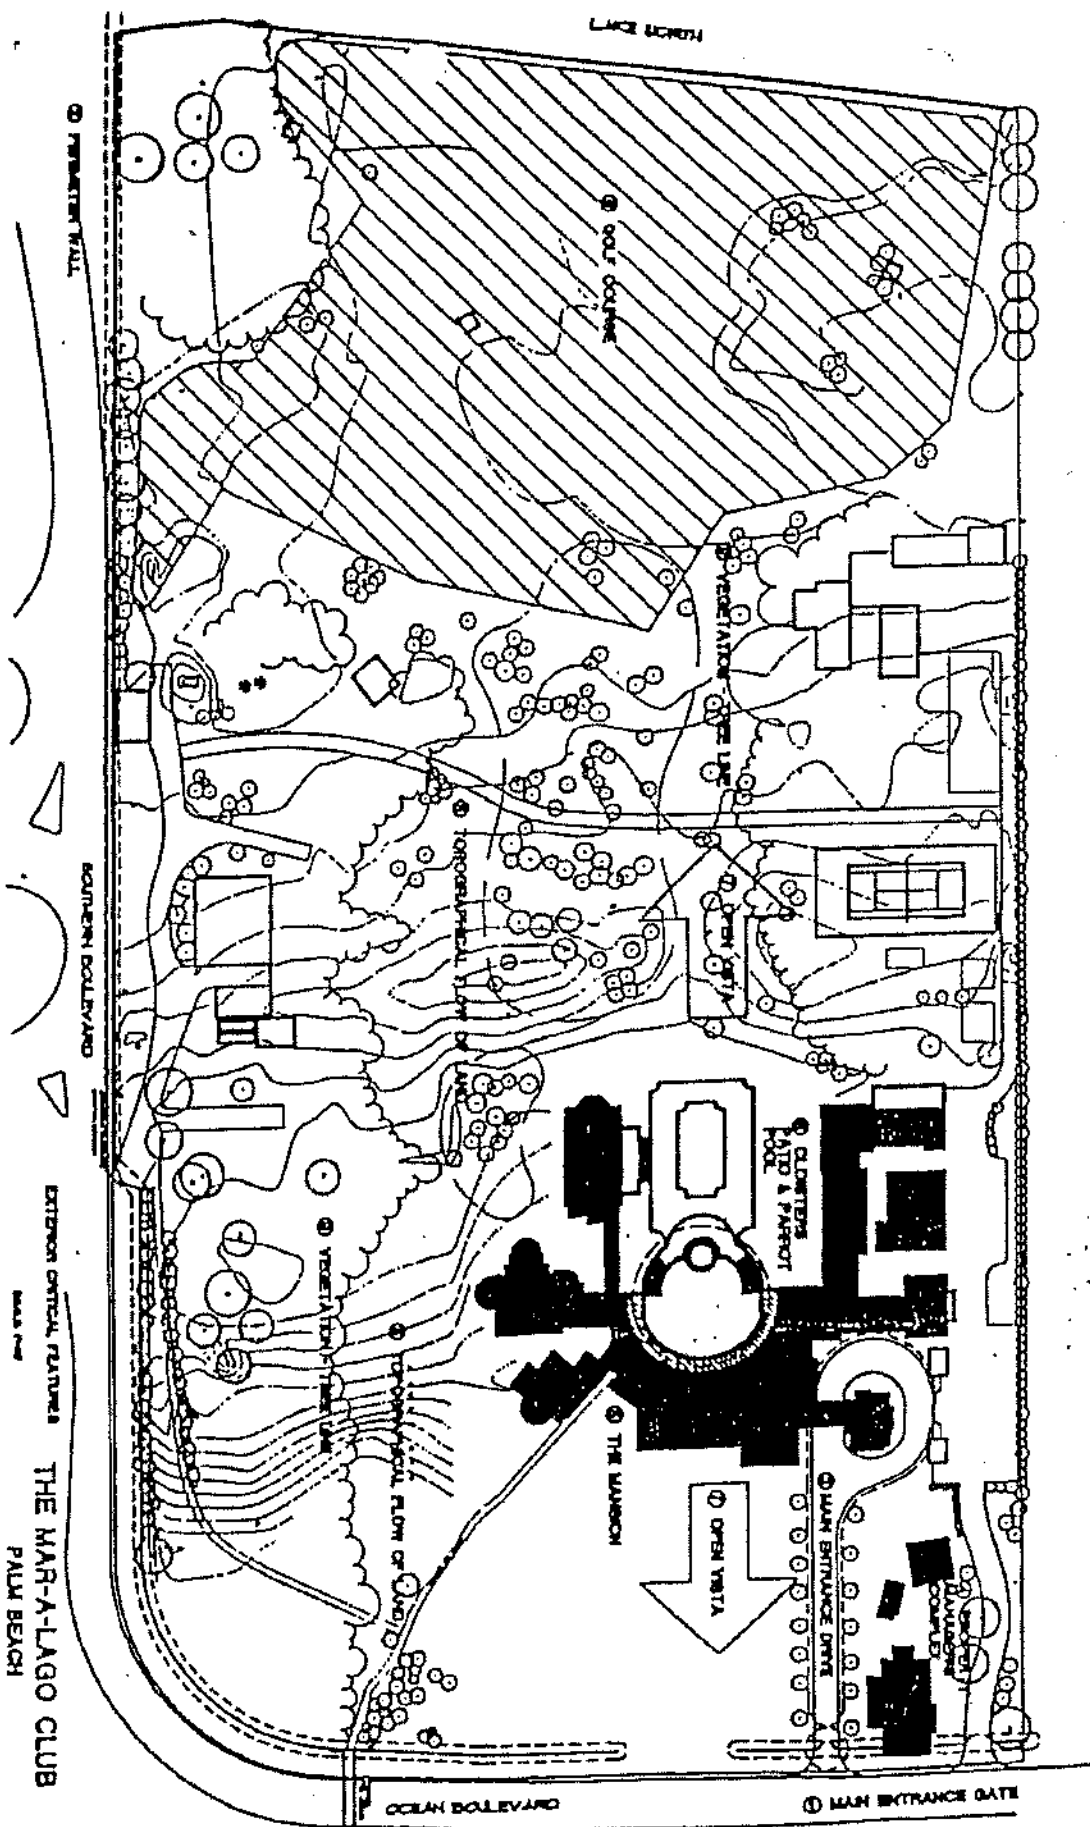

9. **Vegetation, Tree Lines and Golf Course.** The basic quantity and quality of vegetation and tree lines are Critical Features. Alteration and relocation of the fairways, tees, and greens on the golf course west of the Mansion are permitted, although the open vista provided by the presence of the golf course is a Critical Feature.

10. **Mansion Rooms.** The walls, floors, ceilings and physically-attached structures of the following rooms in the Mansion are Critical Features: (a) Entrance Hall, (b) Gentleman's Cloak Room, (c) Ladies' Cloak Room, (d) Living Room, (e) Dining Room, (f) Loggia, (g) Monkey Loggia, (h) Library, (i) Play Room in "Deenie's House", (j) Child's Bedroom and Bathroom, (k) Pine Hall in Master Suite, (l) Master Bedroom, (m) Master Bathroom, (n) Master Dressing Room, (o) Pavilion, (p) American Bedroom, (q) Adams Bedroom, (r) Venetian Sitting Room, (s) Spanish Bedroom, (t) Portuguese Bedroom (u) Dutch Bedroom, (v) upper and lower cloisters, (w) north and south second floor corridors and overlooks, (x) all stairways, (y) the Norwegian Room and associated bath in the Master Suite and (z) anterooms, vestibules, and corridors which connect the aforementioned rooms with each other or with upper or lower cloisters as depicted in the Critical Room Plan attached as part of this Exhibit B.

10.1 **Light Fixtures.** The light fixtures to be included as part of the Critical Features are identified in the Baseline Documentation. Grantor and Grantee herein agree that if any of the said light fixtures are destroyed or substantially destroyed by involuntary, unexpected casualty, notwithstanding any other provision in this Easement to the contrary Grantor may replace said light fixtures at Grantor's discretion after consultation with Grantee.

DEED OF DEVELOPMENT RIGHTS

WHEREAS, Mar-a-Lago Club, L.L.C., L.C., a Delaware Limited Liability Company, as successor in interest to The Mar-a-Lago Club, Inc., a Florida corporation, (the "Club") is the owner of real property described in Exhibit "A" attached hereto and incorporated herein by reference (the "Property");

WHEREAS, Donald J. Trump, his successor and assigns, ("Trump") is the holder of a contingent reversionary interest in the Property;

WHEREAS, the Club and Trump intend to forever extinguish their right to develop or use the Property for any purpose other than club use;

WHEREAS, the National Trust for Historic Preservation in the United States (the "National Trust") is the grantee of a Deed of Conservation and Preservation Easement recorded on April 6, 1995 in Official Record Book 8691, Page 764 of the Public Records of Palm Beach County, Florida (the "Preservation Easement");

WHEREAS, the Preservation Easement limits changes to the Property including, without limitation, the division or subdivision of the Property for any purpose, including use as single family homes, the interior renovation of the mansion, which may be necessary and desirable for the sale of the Property as a single family residential estate, the construction of new buildings and the obstruction of open vistas;

WHEREAS, the Preservation Easement requires the approval of changes that would be necessary for any change in use and therefore confines the usage of the Property to club usage without the express written approval of the National Trust; and

WHEREAS, the Club and Trump intend to establish as explicitly as possible that the Preservation Easement perpetuates the club usage of the Property, consistent with the other limitations set forth in that Easement.

PX-1013
Index No. 452564/2022 (AFE)

WITNESSETH

The Club and Trump, for good and valuable consideration the receipt and sufficiency of which is acknowledged, by these presents do hereby transfer, grant, bargain, sell, alien, remise, release, convey and confirm unto the National Trust, to the extent that such rights have not already been transferred through the Deed of Conservation and Preservation Easement, any and all of their rights to develop the Property for any usage other than club usage.

IN WITNESS WHEREOF, the parties have caused these presents to be executed in their names.

EXHIBIT A

Being all that part of the North 610.00 feet of the South 1170.00 feet of Government Lot 2 of Section 35, Township 43, South, Range 43 East, in the Town of Palm Beach, Palm Beach County, Florida, lying West of Ocean Boulevard (State Road A1A) Right of Way and more particularly described as follows, to-wit:

Beginning at a point on the West face of an existing seawall on the East shore of Lake Worth, which point is 560.00 feet North of, measured at right angles, to the South line of Government Lot 2 of said Section 35; thence North $6^{\circ}09'22''$ West along the West face of said seawall for a distance of 77.32 feet; thence North $10^{\circ}23'23''$ East along the West face of said seawall for a distance of 539.50 feet to a point in the South line of BINGHAM-COPP TRACT, a subdivision recorded in Plat Book 18, Page 6, Palm Beach County Public Records; thence run South $88^{\circ}12'07''$ East along the South line of said BINGHAM-COPP TRACT for a distance of 1134.10 feet to a point in the Westerly right-of-way line of Ocean Boulevard (State Road A1A); thence run South $0^{\circ}09'07''$ East for a distance of 82.59 feet to a point of curvature; thence run Southerly along the arc of a curve concaved to the Southwest having a radius of 1412.69 feet and a central angle of $3^{\circ}03'00''$ for a distance of 75.20 feet to a point of tangency; thence run South $2^{\circ}53'53''$ West for a distance of 176.28 feet to a point of curvature; thence run Southwesterly along the arc of a curve concaved to the Northwest having a radius of 2968.36 feet and a central angle of $2^{\circ}27'30''$ for a distance of 127.36 feet to a point of compound curvature; thence continue Southwesterly along the arc of a curve, concaved to the Northwest having a radius of 158.68 feet and a central angle of $86^{\circ}26'30''$ for a distance of 239.40 feet to a point of tangency; thence run North $88^{\circ}12'07''$ West along the North line of Southern Boulevard (State Road 80) for a distance of 1040.43 feet to the POINT OF BEGINNING;

and

The West one-half (W 1/2) of Lot 20 and the South 15 feet of the East one-half (E 1/2) of Lot 20 and the South 15 feet of the West one-half (W 1/2) of Lot 21, all in BINGHAM-COPP TRACT, a subdivision in the Town of Palm Beach, Palm Beach County, Florida, as recorded in Plat Book 18, Page 6, Palm Beach County Public Records;

Together with an easement for the use of the tunnel as described in that certain Quit Claim Easement Deed recorded in Official Record Book 2327, Page 1970 of the Palm Beach County Public Records;

and

The South 358.00 feet of the North 403.00 feet of the South 1170.00 feet of Government Lot 2, Section 35, Township 43 South, Range 43 East, Palm Beach County, Florida, lying East of Ocean Boulevard (State Road A1A) as now laid out and in use; together with all riparian and littoral rights, if any, thereunto appertaining.

EXHIBIT JJ

Rules
of
The Mar-a-Lago Club

RULES OF THE MAR-A-LAGO CLUB

The Mar-a-Lago Club (the "Club") and its property shall be subject to the following Rules, as amended from time to time.

All members are required to read and abide by these Rules. ALL MEMBERS ARE RESPONSIBLE FOR THE OBSERVANCE OF THE RULES BY THEMSELVES, THEIR GUESTS AND THEIR EMPLOYEES.

MEMBERS WHO VIOLATE THE CLUB'S RULES AND REGULATIONS, AS CHANGED FROM TIME TO TIME, WILL BE SUBJECT TO SUSPENSION, EXPULSION OR OTHER APPROPRIATE DISCIPLINARY ACTION.

REPRIMANDING OF EMPLOYEES IS FORBIDDEN; ANY COMPLAINTS SHOULD BE MADE DIRECTLY TO THE MANAGING DIRECTOR.

No person seeking membership and no guest shall be discriminated against on the basis of race, religion, gender, national origin, disability, age or marital status.

REGISTRATION: Members, their families and guests shall register at the Club's front reception area each time they visit the Club.

ATTIRE. The living room, dining areas and bar are reserved for those in club attire. It is expected that members' attire should meet the standards of good taste and will dress in a fashion befitting the surroundings and atmosphere provided in the setting of our Club. To avoid embarrassment, it is also expected that members will advise their guests of our dress requirements.

The Club or its designated representative shall be the sole judge of the propriety of any attire.

Breakfast: Appropriate informal, casual sports attire may be worn.

Lunch: Spa, Tennis and Croquet clothes are not allowed in the dining room; please use the outside patio if you are dressed in sports clothes.

Evening: **JACKETS AND TIES REQUIRED.**

* If attire for a social event differs from the above, members will be informed *

Bathing Suits: Bathing attire is allowed **ONLY** in the pool area, locker rooms and walkway to changing areas. Bathing suits **WILL NOT** be allowed in any part of the Club's formal rooms.

CHILDREN: Members are responsible at all times for the behavior on Club property of their children and grandchildren (hereinafter called children), and for the behavior of any other children who may be their guests. Children under ten years of age are not permitted to be unattended on Club property. Children whose parents are playing tennis, croquet or using the spa facilities are considered unattended. Children must behave at all times with due consideration for the comfort and enjoyment of others; particular care is appropriate. Children under the age of 10 will not be charged for the use of Club facilities.

I. MEMBERSHIP.

A. Active Members shall be such persons who, conditioned upon paying the required membership deposit in effect from time to time, have been regularly elected to Active Membership by a duly appointed Admissions Committee (the "Admissions Committee") of the Club. The Admissions Committee is appointed from time to time by the Club owner and is comprised of individuals selected by the owner in its sole discretion.

1. Active membership shall enable use by Active Members of the Club and its facilities as well as use by such individual's spouse and children under age 26 who are living at home or attending school on a full-time basis.

2. Membership in the Club is by the invitation of Active Members or the Admissions Committee. An Active Member wishing to invite an individual for membership must obtain a Membership Application from the Club. Responsibility for completing the form rests with the proposer; incomplete forms will not be considered by the Admissions Committee.

3. The Admissions Committee will evaluate a candidate and will thoroughly screen each individual to assure he or she satisfies criteria established from time to time by the Admissions Committee provided, however, that no individual shall be discriminated against because of race, color, religion, sex, national origin, age, disability or marital status. Membership criteria will include, but will not be limited to, character, compatibility with other members and reputation in social, business, community and financial activities. Active Members shall endorse only candidates well known to them and whom they can recommend enthusiastically.

4. An interview with the candidate and candidate's spouse may be required. However, the Admissions Committee may waive the requirement of an interview.

5. Files of the Admissions Committee, including without limitation letters of proposal and recommendation, shall be privileged and confidential, and shall be available only to members of the Admissions Committee, designated executive personnel of the Club and the Trump Organization and Club counsel.

6. Each Active Member shall receive a Certificate of Membership in his or her name alone. Memberships may be transferred only through the Club and are not transferable in any open market.

B. Honorary Members: The Admissions Committee may elect as Honorary Members persons who have rendered service to the Club or attained such other distinction as shall be deemed by the Admissions Committee to merit such recognition. Honorary Membership will be subject to payment of such annual dues and charges and compliance with such rules and regulations as established by the Club. The Club may waive the membership deposit requirement for individuals elected to Honorary Membership. Honorary Membership is on an annual basis for the Club's Membership Year (November 1 - October 31). Honorary Membership is automatically renewed each Membership Year unless a notice of termination is sent by the Club. The Club shall have the right, at any time, to recall and terminate any membership in its sole and absolute discretion, to amend the terms of membership and to waive or modify the provisions set forth herein.

C. Other Memberships. The Club reserves the right to issue other types of membership in the future. Such memberships, if issued, will be entitled to such privileges and subject to the payment of such dues, membership fees and other fees and charges, and such other terms and conditions as may be established by the Club from time to time.

D. Marriage or Divorce: A member shall notify the Club in writing of his or her marriage, remarriage or divorce. In the event of separation or divorce, the membership remains with the individual designated as the member on the Membership Application, in the absence of a court order or agreement between the spouses (with notarized signatures of each) to the contrary.

E. Resignation: Any member may resign from the Club by written notice to the Admissions Committee, provided all indebtedness to the Club has been paid. Upon resignation, prepaid annual dues will be refunded on a pro rata basis based on the number of months remaining in the Membership Year.

F. *Expulsion and Suspension:* If any member is charged in writing addressed to the Admissions Committee by any member or the Club's management, with conduct injurious to the good order, welfare, interest or character of the Club, or with any infraction or abuse of the Club's rules and regulations, the Admissions Committee shall thereupon notify the member so charged and such individual so charged will be given an opportunity to be heard. The Admissions Committee, if it shall be satisfied of the truth of the charge, may either expel or request the resignation of such member or order suspension of such individual's privileges. A member who is expelled from the Club will only be entitled to repayment of his or her membership deposit, less any amounts owed to the Club, thirty (30) years from the date of his or her admission. The Club also reserves the right to prohibit use of the Club by any individual using the Club by virtue of the member's membership for the reasons outlined in this paragraph.

G. *Death Provision:* Upon the death of a member, the surviving spouse, if any, may continue membership privileges without the payment of any additional membership deposit. If the surviving spouse continues membership privileges, the membership will be deemed resigned upon the earlier of the surviving spouse's resignation or death. If the deceased member is not survived by a spouse or the surviving spouse does not desire to continue membership privileges and the spouse so notifies the Club, the membership will be deemed resigned as of the date of the member's death. The membership deposit will be paid to the deceased member's estate or the estate's assignee and not to the surviving spouse upon the earlier of (a) thirty (30) years from the date of the member's admission to the Club, or (b) thirty (30) days after the reissuance of the membership by the Club (once resigned) as provided in Section III.A. of these Rules. In order to assign the estate's interest in the membership deposit, the Club must receive written notice from the authorized estate representative within six months of the date of the member's death.

H. *Disputes.* Only one person, his or her unseparated spouse and the qualified children of each may exercise the privileges of membership at any time. In no case will the Club become involved in disputes between separated or divorced spouses or involving the heirs of deceased members, or in disputes over the ownership of memberships. In the case of such disputes, the Club may (but will not be required to) at any time suspend all the privileges associated with the membership in question until such disputes are resolved and the Club receives evidence satisfactory to it of the resolution of such disputes. During the pendency of the dispute, all dues and charges must continue to be paid and failure to pay all dues and charges may result in expulsion of the member.

II. DEPOSIT, DUES AND CHARGES

A. *Membership deposits shall be repaid to Active Members upon the earlier of (a) thirty (30) years from the date of the Active Member's admission to the Club or (b) thirty (30) days after the reissuance of the membership by the Club (once resigned) as provided in this paragraph. At the end of thirty (30) years, an Active Member may choose to continue his or her membership privileges by leaving his or her deposit with the Club until subsequent resignation. Upon an Active Member's resignation after the thirty (30) year period, the Club will repay his or*

her deposit within thirty (30) days after the resignation date regardless of when the Club actually reissues the membership. Membership terminates upon resignation whether resignation occurs before or after the 30-year anniversary of admission. The Club may set-off against the membership deposit any amounts owed to the Club on the date the membership deposit is repaid. Reissuance will commence on a first-resigned, first-reissued basis after the initial issuance of all memberships. Membership deposits and all other Club revenues are the property of the owner of the Club and may be used for any purpose, in its sole discretion.

No membership deposit will be repaid with interest. The right to receive the repayment of a membership deposit is not transferable or negotiable. The repayment of a membership deposit shall constitute a general release of the Club from any liability related in any way to the Club. Notwithstanding any other provision of these Rules, the Club may in its sole discretion cancel any membership at any time and, in such case refund such member's deposit without interest.

B. *Membership deposits, membership annual dues, charges for guests, dining expenses and facility usage fees, plus applicable sales tax, shall be charged in accordance with a schedule of charges promulgated by the Club from time to time. A service charge, determined by the Club from time to time, is added to all food and beverage checks and spa services. Members may be notified of other fees or charges from time to time.*

C. *The Club's Membership Year commences on November 1 and ends on October 31. Membership annual dues are payable on or before November 1 of each year and are applicable to the upcoming Membership Year. The membership of any member not paying his or her dues and the Florida State Tax on said dues on or before said date may be discontinued by the Club, unless for reasons submitted to and approved by the Admissions Committee. The Club will provide a member with fifteen (15) days' written notice prior to the discontinuance becoming effective. Discontinuance is administrative and will become effective without a hearing. Dues will accrue only for the first year for which they were not paid. In the Club's sole and absolute discretion, a discontinued membership may be reinstated upon payment of all outstanding dues, fees, charges, interest and collection fees plus an additional 10% of such amounts. Reinstatement would permit the member to continue the membership or to properly resign the membership, making the member eligible for an earlier refund of his or her membership deposit. If the member is not reinstated, he or she will have no right of refund until thirty (30) years from the date of his or her admission, at which time the membership deposit will be refunded, less any amounts owed to the Club. A discontinued membership is not counted toward any applicable membership cap.*

D. *All indebtedness to the Club should be paid promptly when billed. The membership of any member not paying an indebtedness by the last day of the month in which statement therefor has been given or mailed is delinquent and will be subject to interest at the maximum rate allowable by law until paid. A delinquent membership may be discontinued and reinstated in accordance with the terms of paragraph II.C. The Club shall be entitled to receive reimbursement for all reasonable expenses, including collection fees and attorneys' fees, incurred in the collection of any Club charges. It is the member's responsibility to ensure that the Club has his or her current address.*

F. Members are responsible for all charges incurred by family members and guests introduced by them and for damages caused by such persons.

F. Members of the Club will not be subject to any capital or operating assessments. The Club will be responsible for all of such costs and will be entitled to all capital or operating profits. The payment of a membership contribution, dues, fees and other charges is required to maintain a membership and is not considered a capital or operating assessment.

G. The Club makes no representations and expresses no opinions regarding the federal or state income tax consequences of acquiring a membership or repaying all or a portion of the membership deposit without interest. All members acquire their memberships subject to all applicable tax laws as they may exist from time to time. Certain provisions of the Internal Revenue Code impute interest income to a lender with respect to a non-interest bearing loan. It does not appear that these provisions currently apply to the membership deposit. The Internal Revenue Service may, however, issue regulations which might impute interest income to a member. Members should consult with their own tax advisor with respect to the tax consequences of paying the membership deposit and the Club's non-interest bearing obligation to repay the membership deposit.

III. RESTRICTIONS

A. Property of the Club shall not be removed from the premises without permission of the Club.

B. No political or business solicitation shall be effected on Club property or with the use of Club stationery or other utilization of the Club name without prior approval of the Club.

C. No commercial or political advertisement or notice of any kind shall be posted or circulated in the Club.

D. No professional photographers shall be allowed to take pictures at the Club except at a private party given by a Member. No reporters, feature writers or other members of the media shall be introduced as guests, if while on the Club's premises they will be pursuing that occupation or gathering material for later publication.

E. Smoking will not be permitted on the Club indoor premises.

IV. AGREEMENT TO RULES: Payment by a Member shall be deemed knowledge and acceptance of these Rules, and any amendments thereto.

V. INTERPRETATION: The Club shall have the sole right to interpret these Rules.

VI. WAIVER: At any time and from time to time, the Club may waive any Rule (or any part of any Rule) if such waiver is deemed by the Club to be in the best interests of the Club or if any Rule (or any part of any Rule) is judged by the Club to result in individual hardship or lack of fairness, with the exception, however, of Rule VII, E. below.

VII. GENERAL:

A. Events: The Club owner, its agents, affiliates and assignees will have the right to hold tournaments and other events at the Club from which members may be excluded, without compensation to the Club or its members, on the dates and at the times the Club owner desires. The Club owner may market the Club in advertisements and other media by making reference to the Club, including, but not limited to, pictures or drawings of the Club facilities, and the availability of memberships at the Club. Members may use the Club facilities for private parties in accordance with the rules and regulations promulgated from time to time.

B. Reservation Policy: Members are required to make their own reservations for all dining events. We require a cancellation call if you are unable to honor your reservation. Tickets will be required for special events and can be purchased in Member Reception prior to events. With respect to evening Club activities requiring reservations, a charge will be made for reservations not canceled by 12:00 noon on the same date of the event. With respect to daytime Club activities requiring reservations, the reservation must be canceled by 12:00 noon on the day prior to the event.

C. Revocable License: Membership in the Club is acquired on a non-equity basis. It does not confer any vested or prescriptive right to easement in or to use the Club and its facilities. Members acquire only a revocable license to use the Club and its facilities. They have no ownership or voting interest in the Mar-a-Lago Club, L.C. which operates the Club.

D. Preservation: A detailed set of preservation principles have been established by the Club and are available to Members for review.

E. Declaration of Agreement: The Club will at all times comply with the Declaration of Use of Agreement among the Town of Palm Beach, The Mar-a-Lago Club, L.C. and Donald J. Trump dated August 11, 1993 and recorded in the Official Records of Palm Beach County, Florida. This agreement includes, without limitation, the following binding provisions:

1. Until the Club operates at a break-even point or profitability for three (3) consecutive years Donald J. Trump shall pay any and all real estate taxes, maintenance costs, insurance premiums and similar expenses to the extent the Club is unable to meet such obligations.

2. A separate fiduciary account shall be established by the Club into which ten percent (10%) of all gross revenues from guest suites shall be deposited and used exclusively for maintenance and restoration purposes.

3. If the Club is intentionally abandoned for a period of one (1) year after the Club has been in operation, or if the Club is intentionally abandoned at any time, Mar-a-Lago shall revert to use as the private single family residence of Donald J. Trump and, under such circumstances, all membership deposits shall be refunded, without interest. Donald J. Trump, the Club and all members of the Club shall hold the Town of Palm Beach harmless from any liability or claim against the Town resulting from the Declaration of Use Agreement, the reversion of single family use, the reversion to Donald J. Trump or any claim resulting therefrom.

F. *Recreational Purpose.* Members in the Club are being offered exclusively for the purpose of permitting persons acquiring memberships to use the Club's facilities. Memberships should not be viewed or acquired as an investment and no person purchasing a membership should expect to derive any economic profits from a membership in the Club.

G. *Property Disclaimer.* Each member as a condition of membership and each guest as a condition of invitation to the premises of the Club assumes sole responsibility for his or her property. The Club will not be responsible for the loss of or damage to, property received or held on behalf of Members or guests or kept by them at the Club whether in lockers or elsewhere, and whether such loss or damage is due to negligence of the Club or any of its employees or agents or otherwise, nor will it be responsible for errors, mistakes, negligence, or dishonesty of messengers or other employees or concessionaires, nor for the loss of, or damage to, any property entrusted to any employee or concessionaire.

H. *Release.* In consideration and as a condition of invitation to the Club premises, any member, guest or other person who, in any manner, makes use of or accepts the use of any apparatus, appliance, facility, privilege or service, whatsoever owned, leased or operated by the Club, or who engages in any contest, game, function, exercise, competition or other activity operated, organized arranged or sponsored by the Club, either on or off the Club's premises, shall do so at his or her own risk, and shall hold the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires harmless from any and all loss, cost, claim, injury, damage or liability sustained or incurred resulting therefrom and/or from any act, omission, negligence, malfeasance or misfeasance of the Club or its affiliates, operator, directors, governors, employees, representatives, agents or concessionaires even through that liability may arise out of the negligence or carelessness of the entities or persons released.

All parties bound by these Club Rules understand that this release includes any claims based on the negligence, actions or inactions of any or all of the persons released herein. Such bound parties also understand that activities at the Club are inherently dangerous and that access to the Club includes the risk of serious injury or death from errant balls and other causes. Such bound parties accept all risks of access to the Club.

Any member shall indemnify, defend and hold harmless the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires hereunder from any such loss, cost, claim, injury, damage or liability sustained or incurred by any guest of that member, family member or servant of such member.

No member shall have any right of action against the Club or any of its officers, directors, agents, employees or concessionaires, to recover losses or damages for injuries to the person or property of such member or the servant or servants of such member, due to negligence, malfeasance or misfeasance of any of its officers, directors, agents, employees or concessionaires. Acceptance or continuance of membership by any person shall so far as permitted by law be a waiver and surrender by such member of any such right or action.

Should any party bound by these General Club Rules bring suit against the Club or its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires for any event operated, organized, arranged or sponsored by the Club or any concessionaire or any claim on any matter and fail to obtain judgment therein against the Club or its affiliates, operator, director, governor, officer, employee, representatives, agents or concessionaires, said party shall be liable to the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires for all costs and expenses incurred by it in the defense of such suit (including court costs and attorney's fees through all appellate proceedings). Each member acknowledges that all aspects of membership will occur in Palm Beach County, Florida and therefore irrevocably and unconditionally (a) agrees that any suit, action or legal proceeding arising out of or relating to membership will be brought in the courts of record of the State of Florida in Palm Beach County; (b) consents to the jurisdiction of each such court in a suit, action or proceeding; (c) waives any objection which he or she may have to the laying of venue of any such suit, action or proceeding in any such court; and (d) agrees that service of any court paper may be effected on such party by mail, under the applicable laws or court rules in Florida.

VIII. GUESTS

A. In General:

1. Weekly guests, day guests, luncheon guests, dinner guests, croquet guests and tennis guests must be accompanied by their sponsor at all times, who is responsible for their conduct.
2. A member shall not introduce as a guest any person who has been expelled from the Club.

B. *Guest Card Holders shall be persons sponsored by an Active Member, subject to approval by the Admission Committee. Such cards are limited to a two-week period per season with a fee.*

1. Weekly guest card holders may not introduce guests.
 2. The sponsor is responsible for all charges incurred by the weekly guest card holder.
 3. Issuance of a weekly card to any particular person is limited to no more than two consecutive years and not more than three years in any six-year period.
 4. The Club may restrict or suspend entirely the issuance of weekly guest cards at any time.
- C. *Day Guests shall be such persons as are introduced by Active Members. A day guest charge shall be in accordance with a schedule of charges promulgated by the Club from time to time.*
1. A day guest must be registered by a member prior to using the Club facilities.

2. Regulations require submission of written request and approval by the Club.

3. A day guest may not invite or introduce any other guests.

4. A particular individual may be a day guest only twice per year regardless of the number of sponsoring members. Active Members are requested to use care to keep day guests within the stated limit as guests who have exceeded the limit will be denied access.

5. Children over the age of 10 (other than children or grandchildren of members) shall be considered guests.

D. Luncheon Guests shall be persons as may be introduced and accompanied at luncheon by members.

1. Luncheon guests may remain in the Club until the dining room closes, but if any such guest uses the facilities of the Club for swimming, tennis, sun bathing, etc., he or she will be subject to the day guest charge.

2. The restriction of two visits per year is applicable to luncheon guests. Members are requested to use care to keep their guests within the limit stated, as guests who have exceeded the limit will be denied access.

E. Dinner Guests shall be such persons as may be introduced and accompanied at dinner by members. A particular individual may be a dinner guest only twice per year regardless of the number of sponsoring members. Members are requested to keep dinner guests within the limit stated for dinner guests from time to time, as guests who have exceeded the limit will be denied access.

F. House Guests shall be such persons as may be guests residing with Active Members in residence in their Florida homes. Such persons may receive house guest cards with a limit of two weeks per season. The charge shall be in accordance with a schedule of charges promulgated by the Club from time to time.

1. Unmarried children of Active Members who are living at home or attending school on a full-time basis shall not be considered house guests, so long as such unmarried children have not reached the age of 26. Such children may use the Club without charge.

2. Members of the immediate family of Active Members who are either married, not living at home or attending school on a full-time basis or are over 25 years old and meet the house guest requirements, may receive house guest privileges for a limit of four weeks per season at a charge in accordance with a schedule of charges promulgated by the Club from time to time.

3. Grandchildren of Active Members are subject to the following regulations.

a) They must be residing with their grandparent in residence in their Florida home

b) Grandchildren who are age 18 or over will be limited to 4 weeks per season as house guests, and there will be a charge in accordance with a schedule of charges promulgated by the Club from time to time.

4. Active Members are responsible for all charges incurred by house guests. Charge vouchers may be signed by house guests in the name of the sponsoring Active Member.

5. The Club may restrict or suspend entirely the issuance of house guest cards.

6. A house guest may not introduce any other guests.

G. Owners of Woodbridge Road Residences: Owners of residences on Woodbridge Road, Palm Beach, Florida shall have Club privileges and responsibilities in accordance with the Declaration of Use Agreement described in Paragraph VII, F hereof.

H. Tennis & Croquet Guests must register and are subject to a charge in accordance with a schedule of charges promulgated by the Club from time to time. A particular individual may be a tennis or croquet guest only twice per Membership Year regardless of the number of sponsoring members.

I. Revocation of Guest Privileges: Use of the Club by guests is a privilege, subject to the control of the Managing Director which may at any time and without the assignment of any reason therefore, refuse to grant the privilege requested or revoke any privilege therefore granted.

IX. EXTENDED GUEST PRIVILEGE:

The Club may permit, in its sole discretion and upon application, approval and payment of applicable fees, a member to annually designate an individual (other than member's spouse and their children under 26) to have use privileges of the Club's facilities. In no event is this convenience intended to permit two individuals to "split" a membership. The current situations in which a Designated User will be permitted are:

a) An unmarried member may designate an unmarried person who resides with him or her as his or her significant other as a Designated User.

b) A member may designate a parent or child who resides with the member as a Designated User.

The Club requires documentation satisfactory to it in order to determine whether a Designated User will be approved. The Club may terminate the privileges of any or all Designated Users in its discretion.

TENNIS

The rules of conduct and tennis etiquette of the United States Tennis Association and The Mar-a-Lago Club shall apply at all times, except when in conflict with the local rules or with any of the rules herein.

1. Tennis courts will be open for play from 9:53:00 unless otherwise specified.

2. Players are required to wear appropriate tennis attire at all times, (WHITE IS REQUESTED) collared shirts (men) and soft court sweaters.

3. *Court reservations may be made 24-48 hours in advance by calling the Tennis Pro Shop.*
4. *CANCELLATION POLICY: Reservations MUST be canceled at least ONE hour prior to play. A twenty four (24) hour advance notice is required for cancellation of any lessons or clinics, or you will be charged in full.*
5. *Members shall have the privilege of inviting tennis guests no more two (2) times per Membership Year. Tennis guests must play with a member. A guest fee will be charged.*
6. *Tennis members and their guests are required to register at the pro shop before play. On Mondays and Wednesdays tennis members and their guest may register at the security post.*
7. *Gates are provided for each court entrance to avoid crossing or entering on another court while in play.*
8. *All persons requesting the return of a tennis ball from another court should ask only when play on that court has halted. Players should not retrieve a tennis ball from another court themselves.*
9. *Persons not playing should stay off the court surfaces.*
10. *Courts should be vacated promptly after the reserved playing time is over.*
11. *Proper tennis etiquette should be observed at all times. Excessive noise, racket throwing or profanity will not be permitted at any time.*
12. *Trash and other litter must not be left on the courts.*
13. *No food or smoking is allowed on the courts.*
14. *The Club may reserve courts for tournaments when needed. Notice will be given to member of such an event by posting notice.*
15. *The Tennis Director shall determine the suitability of the courts for play. Courts may be closed from time to time for maintenance purposes or adverse weather conditions.*

Players without a prearranged game are encouraged to call or come to the courts and the Tennis Staff will assist in forming matches.

THE TRUMP SPA

1. **ALL PERSONS MUST REGISTER AT THE SPA FRONT DESK.**
2. *Bare feet will not be permitted at any time in the exercise rooms*
3. *Men and women must wear bathing suits in the swimming pool, steam room and sauna. No cutoffs, dungarees or Bermuda shorts will be permitted*

4. *Children under sixteen (16) years of age are not allowed to use the health spa unless accompanied by an adult.*
5. *A personal trainer shall be on duty at all times in the exercise rooms and all questions regarding use of the equipment or a member's exercise program should be referred to such personal trainer.*
6. *Exercise equipment may be used only under the direction and supervision of spa personnel.*
7. *Horseplay, profanity, disruptive conduct and smoking in the spa are strictly prohibited.*
8. *No alcoholic beverages are permitted in the spa area. Other beverages are permitted only in the exercise rooms.*
9. *All jewelry and watches must be removed prior to exercising.*
10. *All persons must sign a medical release form prior to using the health and fitness facility when requested by the Club.*

STEAM ROOM POLICIES

1. *We recommend that you consult your physician before you use the steam room, as you will be using it at your own risk.*
2. *Those with high blood pressure, heart problems, and/or respiratory problems, should avoid using the steam room.*
3. *Please shower before entering. Begin first exposure on lower bench, and limit yourself to a maximum of ten (10) minutes. Shower and repeat on second bench.*
4. *Drink 2-3 glasses of water. Keep the head and face cool with cold compress provided to allow blood pressure to normalize. Finish with a cool rinse.*
5. *Avoid coming in direct contact with steam jets.*

SAUNA POLICIES

1. *We recommend that you consult your physician before you use the sauna, as you will be using it at your own risk.*
2. *Those with high blood pressure, heart problems, respiratory problems and those who are pregnant should avoid using the sauna.*
3. *Please shower before entering. Begin first exposure on lower bench, and limit yourself to a maximum of ten (10) minutes. Shower and repeat on second bench.*
4. *Drink 2-3 glasses of water. Keep the head and face cool with cold compress*

SWIMMING POOL REGULATIONS

1. *Use of the pool facilities at any time is at the swimmer's risk.*
2. *The use of the pool, pool area and its facilities is limited to members and their guests.*
3. *Swimming is permitted only during open hours of the pool.*
4. *The pool area includes all of the grounds around the pool.*
5. *Immodest bathing attire should not be worn at the Club.*
6. *Showers are required before entering the pool to remove oils and suntan lotions.*
7. *All persons using the pool furniture are required to cover the furniture with a towel when using suntan lotions. It has been found that these preparations stain and damage the furniture.*
8. *No bottles, glassware or china may be carried out to the pool by a member or guests at any time.*
9. *No rough play running, running games, ball throwing and noisy or hazardous activity will be permitted in the pool areas. Pushing, dunking and dangerous games are prohibited.*
10. *No artificial floating devices (beach balls, tubes, rafts, etc) are allowed in the pool except under the direction of the Pool Attendant.*
11. *Snorkeling equipment, other than a mask, is not to be used in the pool areas except as part of an organized course of instruction.*
12. *Out of consideration for others, radios may only be used when listened to through ear phones.*
13. *Children under ten (10) years of age are not allowed to use the pool facilities unless accompanied by an adult.*
14. *Nurses, Governesses and Attendants accompanying children learning to swim are permitted the use of the pool until after lessons. Thereafter, they must be dressed in conformity with their position. Parents are responsible at all times for the behavior on Club property of their Nurses, Governesses and Attendants with consideration for the comfort and enjoyment of all others.*
15. *THE CLUB IS NOT RESPONSIBLE FOR ACCIDENT RESULTING FROM THE USE OF THE POOL OR FOR LOSS OR DAMAGE OF ARTICLES OF PERSONAL PROPERTY.*
16. *The Pool Attendant has full authority to enforce pool rules and regulations. Violation of pool rules and regulations shall result in automatic suspension of*

swimming pool privileges, and the offense shall be reported to the Managing Director for other appropriate disciplinary action.

17. *No person with a cold, cough, fever, inflamed eyes, skin disease, etc., shall be permitted in the pool.*
18. *Use of the pool is permitted daily, weather permitting as determined by the Managing Director.*

CROQUET PROCEDURE, CUSTOMS & COURT ETIQUETTE

1. *The croquet lawn will be open for play 9-5:30 unless otherwise specified.*
2. *Court reservations of 1-1/2 hour intervals may be made at any time through the Tennis Office.*
3. *Members shall have the privilege of inviting croquet guests no more than twice per Membership Year. Croquet guests must play with a member. A guest fee will be charged.*
4. *Courts may be closed from time to time for maintenance purposes or adverse weather conditions.*
5. *Players should strive to play by the rules of the game and not try to circumvent the ethics and morality of the rules of the game.*
6. *When conflict exists with these Rules, these Rules shall prevail.*
7. *Croquet players customarily wear all white apparel on the court.*
8. *Courtesy should be extended to one's opponent(s) as well as to one's playing partner at all times.*
9. *Players should avoid any behavior that distracts a striker attempting a shot.*
10. *Opponents should remain off the playing surface when it is not their turn.*
11. *Players should avoid verbal confrontations with each other by expressing their legitimate concerns to, if available, the referee.*
12. *Courtesy and good sportsmanship are expected of all players and officials at all times.*
13. *Players are under an obligation to avoid acts that may be considered detrimental to the game of croquet.*
14. *Players should not audibly swear at a player, official, or spectator, use obscene, abusive or insulting language or gestures, throw a mallet or hit a ball in protest or anger.*

USCA Official Rules can be obtained from the Director of Croquet.

SECURITY REGULATIONS

ALL MEMBERS ARE RESPONSIBLE FOR THE OBSERVANCE OF THE SECURITY REGULATIONS.

1. MAIN GATE

*ALL members must use this entrance.
THE MAIN GATE OPENS AT 7:00 A.M.
ON SUNDAY THE MAIN GATE WILL CLOSE AT 3:00 P.M.*

ALL MEMBERS ARE REQUIRED TO "STOP" IN FRONT OF THE VALET WHEN USING THE MAIN GATE.

2. NORTH SERVICE EXIT

*AT NO TIME should the North Service Exit be used except for Exit off property.
Entrance at this exit is prohibited for your safety and the safety of others.*

2003

The Mar-a-Lago Club, L.C.

RULES AND REGULATIONS

*Rules
of
The Mar-a-Lago Club*

RULES OF THE MAR-A-LAGO CLUB

The Mar-a-Lago Club (the "Club") and its property shall be subject to the following Rules, as amended from time to time.

All members are required to read and abide by these Rules. ALL MEMBERS ARE RESPONSIBLE FOR THE OBSERVANCE OF THE RULES BY THEMSELVES, THEIR GUESTS AND THEIR EMPLOYEES.

MEMBERS WHO VIOLATE THE CLUB'S RULES AND REGULATIONS, AS CHANGED FROM TIME TO TIME, WILL BE SUBJECT TO SUSPENSION, EXPULSION OR OTHER APPROPRIATE DISCIPLINARY ACTION.

REPRIMANDING OF EMPLOYEES IS FORBIDDEN; ANY COMPLAINTS SHOULD BE MADE DIRECTLY TO THE MANAGING DIRECTOR.

No person seeking membership and no guest shall be discriminated against on the basis of race, religion, gender, national origin, disability, age or marital status.

REGISTRATION: Members, their families and guests shall register at the Clubs front reception area each time they visit the Club.

ATTIRE: The living room, dining areas and bar are reserved for those in club attire. It is expected that members' attire should meet the standards of good taste and will dress in a fashion befitting the surroundings and atmosphere provided in the setting of our Club. To avoid embarrassment, it is also expected that members will advise their guests of our dress requirements.

The Club or its designated representative shall be the sole judge of the propriety of any attire.

Breakfast: Appropriate informal, casual sports attire may be worn.

Lunch: Spa, Tennis and Croquet clothes are not allowed in the dining room; please use the outside patio if you are dressed in sports clothes.

Evening: Living Room, Library Bar, Dining Room - Jacket & Tie Required
Cloister Bar, Patio & Teahouse - Jacket Required, Tie Optional

* If attire for a social event differs from the above, members will be informed *

Bathing Suits: Bathing attire is allowed ONLY in the pool area, locker rooms and walkway to changing areas. Bathing suits WILL NOT be allowed in any part of the Club's formal rooms.

CHILDREN: Members are responsible at all times for the behavior on Club property of their children and grandchildren (hereinafter called children), and for the behavior of any other children who may be their guests. Children under sixteen years of age are not permitted to be unattended on Club property. Children whose parents are playing tennis, croquet or using the spa facilities are considered unattended. Children must behave at all times with due consideration for the comfort and enjoyment of others; particular care is appropriate. Children under the age of 10 will not be charged for the use of Club facilities.

I. MEMBERSHIP.

A. **Active Members** shall be such persons who, conditioned upon paying the required membership deposit in effect from time to time, have been regularly elected to Active Membership by a duly appointed Admissions Committee (the "Admissions Committee") of the Club. The Admissions Committee is appointed from time to time by the Club owner and is comprised of individuals selected by the owner in its sole discretion.

1. Active membership shall enable use by Active Members of the Club and its facilities as well as use by such individual's spouse and children under age 26 who are living at home or attending school on a full-time basis.

2. Membership in the Club is by the invitation of Active Members or the Admissions Committee. An Active Member wishing to invite an individual for membership must obtain a Membership Application from the Club. Responsibility for completing the form rests with the proposer; incomplete forms will not be considered by the Admissions Committee.

3. The Admissions Committee will evaluate a candidate and will thoroughly screen each individual to assure he or she satisfies criteria established from time to time by the Admissions Committee provided, however, that no individual shall be discriminated against because of race, color, religion, sex, national origin, age, disability or marital status. Membership criteria will include, but will not be limited to, character, compatibility with other members and reputation in social, business, community and financial activities. Active Members shall endorse only candidates well known to them and whom they can recommend enthusiastically.

4. An interview with the candidate and candidate's spouse may be required. However, the Admissions Committee may waive the requirement of an interview.

5. Files of the Admissions Committee, including, without limitation, letters of proposal and recommendation, shall be privileged and confidential, and shall be available only to members of the Admissions Committee, designated executive personnel of the Club and the Trump Organization and Club counsel.

6. Each Active Member shall receive a Certificate of Membership in his or her name alone. Memberships may be transferred only through the Club and are not transferable in any open market.

B. **Honorary Members:** The Admissions Committee may elect as Honorary Members persons who have rendered service to the Club or attained such other distinction as shall be deemed by the Admissions Committee to merit such recognition. Honorary membership will be subject to payment of such annual dues and charges and compliance with such rules and regulations as established by the Club. The Club may waive the membership deposit requirement for individuals elected to Honorary Membership. Honorary Membership is on an annual basis for the Club's Membership Year (November 1 - October 31). Honorary Membership is automatically renewed each Membership Year unless a notice of termination is sent by the Club. The Club shall have the right, at any time, to recall and terminate any membership in its sole and absolute discretion, to amend the terms of membership and to waive or modify the provisions set forth herein.

C. **Other Memberships.** The Club reserves the right to issue other types of membership in the future. Such memberships, if issued, will be entitled to such privileges and subject to the payment of such dues, membership fees and other fees and charges, and such other terms and conditions as may be established by the Club from time to time.

D. Marriage or Divorce: A member shall notify the Club in writing of his or her marriage, remarriage or divorce. In the event of separation or divorce, the membership remains with the individual designated as the member on the Membership Application, in the absence of a court order or agreement between the spouses (with notarized signatures of each) to the contrary.

E. Resignation: Any member may resign from the Club by written notice to the Admissions Committee, provided all indebtedness to the Club has been paid. Upon resignation, prepaid annual dues will be refunded on a pro rata basis based on the number of months remaining in the Membership Year.

F. Expulsion and Suspension: If any member is charged in writing, addressed to the Admissions Committee by any member or the Club's management, with conduct injurious to the good order, welfare, interest or character of the Club, or with any infraction or abuse of the Club's rules and regulations, the Admissions Committee shall thereupon notify the member so charged and such individual so charged will be given an opportunity to be heard. The Admissions Committee, if it shall be satisfied of the truth of the charge, may either expel or request the resignation of such member or order suspension of such individual's privileges. A member who is expelled from the Club will only be entitled to repayment of his or her membership deposit, less any amounts owed to the Club, thirty (30) years from the date of his or her admission. The Club also reserves the right to prohibit use of the Club by any individual using the Club by virtue of the member's membership for the reasons outlined in this paragraph.

G. Death Provision: Upon the death of a member, the surviving spouse, if any, may continue membership privileges without the payment of any additional membership deposit. If the surviving spouse continues membership privileges, the membership will be deemed resigned upon the earlier of the surviving spouse's resignation or death. If the deceased member is not survived by a spouse or the surviving spouse does not desire to continue membership privileges and the spouse so notifies the Club, the membership will be deemed resigned as of the date of the member's death. The membership deposit will be paid to the deceased member's estate or the estate's assignee and not to the surviving spouse upon the earlier of (a) thirty (30) years from the date of the member's admission to the Club, or (b) thirty (30) days after the reissuance of the membership by the Club (once resigned) as provided in Section III.A. of these Rules. In order to assign the estate's interest in the membership deposit, the Club must receive written notice from the authorized estate representative within six months of the date of the member's death.

H. Disputes: Only one person, his or her unseparated spouse and the qualified children of each may exercise the privileges of membership at any time. In no case will the Club become involved in disputes between separated or divorced spouses or involving the heirs of deceased members, or in disputes over the ownership of memberships. In the case of such disputes, the Club may (but will not be required to) at any time suspend all the privileges associated with the membership in question until such disputes are resolved and the Club receives

evidence satisfactory to it of the resolution of such disputes. During the pendency of the dispute, all dues and charges must continue to be paid and failure to pay all dues and charges may result in expulsion of the member.

I. Domestic Partners: The "Domestic Partner" or "significant other" of an unmarried member may be treated as a member of the family of the unmarried member, thus permitting use of the Club facilities to the same extent as a member's spouse. In order to qualify as a Domestic Partner for family member status, the member must be unmarried, must designate one Domestic Partner in writing, the Domestic Partner must live with the member, the Domestic Partner and the member cannot be related, and the member must agree to be responsible for the Domestic Partner's charges. Only two adults (either member and spouse or member and Domestic Partner) may have the privileges of membership at any time. Family Membership privileges will be extended to qualifying children of the member and to qualifying children of the member's Domestic Partner.

II. DEPOSIT, DUES AND CHARGES

A. Membership deposits shall be repaid to Active Members upon the earlier of (a) thirty (30) years from the date of the Active Member's admission to the Club or (b) thirty (30) days after the reissuance of the membership by the Club (once resigned) as provided in this paragraph. At the end of thirty (30) years, an Active Member may choose to continue his or her membership privileges by leaving his or her deposit with the Club until subsequent resignation. Upon an Active Member's resignation after the thirty (30) year period, the Club will repay his or her deposit within thirty (30) days after the resignation date regardless of when the Club actually reissues the membership. Membership terminates upon resignation whether resignation occurs before or after the 30-year anniversary of admission. The Club may set-off against the membership deposit any amounts owed to the Club on the date the membership deposit is repaid. Reissuance will commence on a first-resigned, first-reissued basis after the initial issuance of all memberships. Membership deposits and all other Club revenues are the property of the owner of the Club and may be used for any purpose, in its sole discretion.

No membership deposit will be repaid with interest. The right to receive the repayment of a membership deposit is not transferable or negotiable. The repayment of a membership deposit shall constitute a general release of the Club from any liability related in any way to the Club. Notwithstanding any other provision of these Rules, the Club may in its sole discretion cancel any membership at any time and, in such case, refund such member's deposit without interest.

B. Membership deposits, membership annual dues, charges for guests, dining expenses and facility usage fees, plus applicable sales tax, shall be charged in accordance with a schedule of charges promulgated by the Club from time to time. A service charge, determined by the Club from time to time, is added to all food and beverage checks and spa services. Members may be notified of other fees or charges from time to time.

C. The Club's Membership Year commences on November 1 and ends on October 31. Membership annual dues are payable on or before November 1 of each year and are applicable to the upcoming Membership Year. The membership of any member not paying his or her dues and the Florida State Tax on said dues on or before said date may be discontinued by the Club, unless for reasons submitted to and approved by the Admissions Committee. The Club will provide a member with fifteen (15) days written notice prior to the discontinuance becoming effective. Discontinuance is administrative and will become effective without a hearing. Dues will accrue only for the first year for which they were not paid. In the Club's sole and absolute discretion, a discontinued membership may be reinstated upon payment of all outstanding dues, fees, charges, interest and collection fees plus an additional 10% of such amounts. Reinstatement would permit the member to continue the membership or to properly resign the membership, making the member eligible for an earlier refund of his or her membership deposit. If the member is not reinstated, he or she will have no right of refund until thirty (30) years from the date of his or her admission, at which time the membership deposit will be refunded, less any amounts owed to the Club. A discontinued membership is not counted toward any applicable membership cap.

D. All indebtedness to the Club should be paid promptly when billed. The membership of any member not paying an indebtedness by the last day of the month in which statement therefore has been given or mailed is delinquent and will be subject to interest at the maximum rate allowable by law until paid. A delinquent membership may be discontinued and reinstated in accordance with the terms of paragraph II.C. The Club shall be entitled to receive reimbursement for all reasonable expenses, including collection fees and attorneys' fees, incurred in the collection of any Club charges. It is the member's responsibility to ensure that the Club has his or her current address.

E. Members are responsible for all charges incurred by family members and guests introduced by them and for damages caused by such persons.

F. Members of the Club will not be subject to any capital or operating assessments. The Club will be responsible for all of such costs and will be entitled to all capital or operating profits. The payment of a membership contribution, dues, fees and other charges is required to maintain a membership and is not considered a capital or operating assessment.

G. The Club makes no representations and expresses no opinions regarding the federal or state income tax consequences of acquiring a membership or repaying all or a portion of the membership deposit without interest. All members acquire their memberships subject to all applicable tax laws as they may exist from time to time. Certain provisions of the Internal Revenue Code impute interest income to a lender with respect to a non-interest bearing loan. It does not appear that these provisions currently apply to the membership deposit. The Internal Revenue Service may, however, issue

regulations which might impute interest income to a member. Members should consult with their own tax advisor with respect to the tax consequences of paying the membership deposit and the Club's non-interest bearing obligation to repay the membership deposit.

III. RESTRICTIONS

A. Property of the Club shall not be removed from the premises without permission of the Club.

B. No political or business solicitation shall be effected on Club property or with the use of Club stationery or other utilization of the Club name without prior approval of the Club.

C. No commercial or political advertisement or notice of any kind shall be posted or circulated in the Club.

D. No professional photographers shall be allowed to take pictures at the Club except at a private party given by a Member. No reporters, feature writers or other members of the media shall be introduced as guest, if while on the Club's premises they will be pursuing that occupation or gathering material for later publication.

E. Smoking will not be permitted on the Club indoor premises.

IV. AGREEMENT TO RULES: Payment by a Member shall be deemed knowledge and acceptance of these Rules, and any amendments thereto.

V. INTERPRETATION: The Club shall have the sole right to interpret these Rules.

VI. WAIVER: At any time and from time to time, the Club may waive any Rule (or any part of any Rule) if such waiver is deemed by the Club to be in the best interests of the Club or if any Rule (or any part of any Rule) is judged by the Club to result in individual hardship or lack of fairness, with the exception, however, of Rule VII, E. below.

VII. GENERAL:

A. Events: The Club owner, its agents, affiliates and assignees will have the right to hold tournaments and other events at the Club from which members may be excluded, without compensation to the Club or its members, on the date and at the times the Club owner desires. The Club owner may market the Club in advertisements and other media by making reference to the Club, including, but not limited to, pictures or drawings of the Club facilities, and the availability of memberships at the Club. Members may use the Club facilities for private parties in accordance with the rules and regulations promulgated from time to time.

B. Reservation Policy: Members are required to make their own reservations for all dining events. We require a cancellation call if you are unable to honor your reservation. Tickets will be required for special events and can be purchased prior to events. With respect to evening Club activities requiring reservations, a charge will be made for reservations not canceled by 12:00 noon on the same date of the event. With respect to daytime Club activities requiring reservations, the reservation must be canceled by 12:00 noon on the day prior to the event.

C. Revocable License: Membership in the Club is acquired on a non-equity basis. It does not confer any vested or prescriptive right or easement to use the Club and its facilities. Members acquire only a revocable license to use the Club and its facilities. They have no ownership or voting interest in the Mar-a-Lago Club, L.C. which operates the Club.

D. Preservation: A detailed set of preservation principles have been established by the Club and are available to Members for review.

E. Declaration of Agreement: The Club will at all times comply with the Declaration of Use of Agreement among the Town of Palm Beach, The Mar-a-Lago Club, L.C. and Donald J. Trump dated August 11, 1993 and recorded in the Official Records of Palm Beach County, Florida. This agreement includes, without limitation, the following binding provisions:

1. Until the Club operates at a break-even point or profitability for three (3) consecutive years, Donald J. Trump shall pay any and all real estate taxes, maintenance costs, insurance premiums and similar expenses to the extent the Club is unable to meet such obligations.

2. A separate fiduciary account shall be established by the Club into which ten percent (10%) of all gross revenues from guest suites shall be deposited and used exclusively for maintenance and restoration purposes.

3. If the Club is intentionally abandoned for a period of one (1) year after the Club has been in operation, or if the Club is intentionally abandoned at any time, Mar-a-Lago shall revert to use as the private single family residence of Donald J. Trump and, under such circumstances, all membership deposits shall be refunded, without interest. Donald J. Trump, the Club and all members of the Club shall hold the Town of Palm Beach harmless from any liability or claim against the Town resulting from the Declaration of Use Agreement, the reversion of single family use, the reversion to Donald J. Trump or any claim resulting therefrom.

F. Recreational Purpose: Memberships in the Club are being offered exclusively for the purpose of permitting persons acquiring memberships to use the Club's facilities. Memberships should not be viewed or acquired as an investment and no person purchasing a membership should expect to derive any economic profits from a membership in the Club.

G. Property Disclaimer: Each member as a condition of membership and each guest as a condition of invitation to the premises of the Club assumes sole responsibility for his or her property. The Club will not be responsible for the loss of, or damage to, property received or held on behalf of Members or guests or kept by them at the Club whether in lockers, cabanas or elsewhere, and whether such loss or damage is due to negligence of the Club or any of its employees or agents or otherwise, nor will it be responsible for errors, mistakes, negligence, or dishonesty of messengers or other employees or concessionaires, nor for the loss of, or damage to, any property entrusted to any employee or concessionaires.

H. Release: In consideration and as a condition of invitation to the Club premises, any member, guest or other person who, in any manner, makes use of, or accepts the use of, any apparatus, appliance, facility, privilege or service, whatsoever owned, leased or operated by the Club, or who engages in any contest, game, function, exercise, competition or other activity operated, organized arranged or sponsored by the Club, either on or off the Club's premises, shall do so at his or her own risk, and shall hold the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires harmless from any and all loss, cost, claim, injury, damage or liability sustained or incurred resulting therefrom and/or from any act, omission, negligence, malfeasance or misfeasance of the Club or its affiliates, operator, directors, governors, employees, representatives, agents or concessionaires even through that liability may arise out of the negligence or carelessness of the entities or persons released. All parties bound by these Club Rules understand that this release includes any claims based on the negligence, actions or inactions of any or all of the persons released herein. Such bound parties also understand that activities at the Club are inherently dangerous and that access to the Club includes the risk of serious injury or death from errant balls and other causes. Such bound parties accept all risks of access to the Club. Any member shall indemnify, defend and hold harmless the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires hereunder from any such loss, cost, claim, injury damage or liability sustained or incurred by any guest of that member, family member or servant of such member.

No member shall have any right of action against the Club or any of its officers, directors, agents, employees or concessionaires, to recover losses or damages for injuries to the person or property of such member or the servant or servants of such member, due to negligence, malfeasance or misfeasance of any of its officers, directors, agents, employees or concessionaires. Acceptance or continuance of membership by any person shall so far as permitted by law be a waiver and surrender by such member of any such right or action.

Should any party bound by these General Club Rules bring suit against the Club or its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires for any event operated, organized, arranged or sponsored by the Club or any concessionaire or any claim on any matter and fail to obtain judgment therein against the Club or its affiliates,

operator, director, governor, officer, employee, representatives, agents or concessionaires, said party shall be liable to the Club and its affiliates, operator, directors, governors, officers, employees, representatives, agents or concessionaires for all costs and expenses incurred by it in the defense of such suit (including court costs and attorney's fees through all appellate proceedings). Each member acknowledges that all aspects of membership will occur in Palm Beach County, Florida and therefore irrevocably and unconditionally (a) agrees that any suit, action or legal proceeding arising out of or relating to membership will be brought in the courts of record of the State of Florida in Palm Beach County; (b) consents to the jurisdiction of each such court in a suit, action or proceeding; (c) waives any objection which he or she may have to the laying of venue of any such suit, action or proceeding in any such court; and (d) agrees that service of any court paper may be effected on such party by mail, under the applicable laws or court rules in Florida.

VIII. GUESTS

A. In General:

1. Weekly guests, day guests, luncheon guests, dinner guests, croquet guests and tennis guests must be accompanied by their sponsor at all times, who is responsible for their conduct.

2. A member shall not introduce as a guest any person who has been expelled from the Club.

B. Guest Card Holders shall be persons sponsored by an Active Member, subject to approval by the Admissions Committee. Such cards are limited to a two-week period per season with a fee.

1. Weekly guest card holders may not introduce guests.

2. The sponsor is responsible for all charges incurred by the weekly guest card holder.

3. Issuance of a weekly card to any particular person is limited to no more than two consecutive years and not more than three years in any six-year period.

4. The Club may restrict or suspend entirely the issuance of weekly guest cards at any time.

C. Day Guests shall be such persons as are introduced by Active Members. A day guest charge shall be in accordance with a schedule of charges promulgated by the Club from time to time.

1. A day guest must be registered by a member prior to using the Club facilities.

2. Regulations require submission of written request and approval by the Club.

3. A day guest may not invite or introduce any other guests.

4. A particular individual may be a day guest only twice per year regardless of the number of sponsoring members. Active Members are requested to use care to keep day guests within the stated limit as guests who have exceeded the limit will be denied access.

5. Children over the age of 10 (other than children or grandchildren of members) shall be considered guests.

D. Luncheon Guests shall be persons introduced and accompanied at luncheon by members.

1. Luncheon guests may remain in the Club until the dining room closes, but if any such guest uses the facilities of the Club for swimming, tennis, sun bathing, etc., he or she will be subject to the day guest charge.

2. The restriction of two visits per year is applicable to luncheon guests. Members are requested to use care to keep their guests within the limit stated, as guests who have exceeded the limit will be denied access.

E. Dinner Guests shall be such persons introduced and accompanied at dinner by members. A particular individual may be a dinner guest only twice per year regardless of the number of sponsoring members. Members are requested to keep dinner guests within the limit stated for dinner guests from time to time, as guests who have exceeded the limit will be denied access.

F. House Guests shall be such persons as may be guests residing with Active Members in residence in their Florida homes. Such persons may receive house guest cards with a limit of two weeks per season. The charge shall be in accordance with a schedule of charges promulgated by the Club from time to time.

1. Unmarried children of Active Members who are living at home or attending school on a full-time basis shall not be considered house guests, so long as such unmarried children have not reached the age of 26. Such children may use the Club without charge.

2. Members of the immediate family of Active Members who are either married, not living at home or attending school on a full-time basis, or are over 25 years old and meet the house guest requirements, may receive house guest privileges for a limit of four weeks per season at a charge in accordance with a schedule of charges promulgated by the Club from time to time.

3. Grandchildren of Active Members are subject to the following regulations:

a) They must be residing with their grandparent in residence in their Florida home.

b) Grandchildren who are age 18 or over will be limited to 4 weeks per season as house guests, and there will be a charge in accordance with a schedule of charges promulgated by the Club from time to time.

4. Active Members are responsible for all charges incurred by house guests. Charge vouchers may be signed by house guests in the name of the sponsoring Active Member.

5. The Club may restrict or suspend entirely the issuance of house guest cards.

6. A house guest may not introduce any other guests.

G. Owners of Woodbridge Road Residences: Owners of residences on Woodbridge Road, Palm Beach, Florida shall have Club privileges and responsibilities in accordance with the Declaration of Use Agreement described in Paragraph VII, E. hereof.

H. Tennis & Croquet Guests must register and are subject to a charge in accordance with a schedule of charges promulgated by the Club from time to time. A particular individual may be a tennis or croquet guest only twice per Membership Year regardless of the number of sponsoring members.

I. Revocation of Guest Privileges: Use of the Club by guests is a privilege, subject to the control of the Managing Director, which may at any time and without the assignment of any reason therefore, refuse to grant the privilege requested or revoke any privilege therefore granted.

IX. EXTENDED GUEST PRIVILEGE:

The Club may permit, in its sole discretion and upon application, approval and payment of applicable fees, a member to annually designate an individual (other than member's spouse and their children under 26) to have use privileges of the Club's facilities. In no event is this convenience intended to permit two individuals to "split" a membership. The current situations in which a Designated User will be permitted are:

a) An unmarried member may designate an unmarried person who resides with him or her as his or her significant other as a Designated User.

b) A member may designate a parent or child who resides with the member as a Designated User.

The Club requires documentation satisfactory to it in order to determine whether a Designated User will be approved. The Club may terminate the privileges of any or all Designated Users in its discretion.

TENNIS

The rules of conduct and tennis etiquette of the United States Tennis Association and The Mar-a-Lago Club shall apply at all times, except when in conflict with the local rules or with any of the rules herein.

1. Tennis courts will be open for play from 9:00 a.m.-5:30 p.m. unless otherwise specified.

2. Players are required to wear appropriate tennis attire at all times, (WHITE IS REQUESTED) collared shirts (men) and soft court sneakers.

3. Court reservations may be made 24-48 hours in advance by calling the Tennis Pro Shop.

4. CANCELLATION POLICY: Reservations MUST be canceled at least ONE hour prior to play. A twenty four (24) hour advance notice is required for cancellation of any lessons or clinics, or you will be charged in full.

5. Members shall have the privilege of inviting tennis guests no more two (2) times per Membership Year. Tennis guests must play with a member. A guest fee will be charged.

6. Tennis members and their guests are required to register at the pro shop before play. On Mondays and Wednesdays tennis members and their guests may register at the security post.

7. Gates are provided for each court entrance to avoid crossing or entering another court while in play.

8. All persons requesting the return of a tennis ball from another court should ask only when play on that court has halted. Players should not retrieve a tennis ball from another court themselves.

9. Persons not playing should stay off the court surfaces.

10. Courts should be vacated promptly after the reserved playing time is over.

11. Proper tennis etiquette should be observed at all times. Excessive noise, racquet throwing or profanity will not be permitted at any time.

12. *Trash and other litter must not be left on the courts.*
13. *No food or smoking is allowed on the courts.*
14. *The Club may reserve courts for tournaments when needed. Notice will be given to member of such an event by posting notice.*
15. *The Tennis Director shall determine the suitability of the courts for play. Courts may be closed from time to time for maintenance purposes or adverse weather conditions.*

Players without a prearranged game are encouraged to call or come to the courts and the Tennis Staff will assist in forming matches.

THE TRUMP SPA

1. *ALL PERSONS MUST REGISTER AT THE SPA FRONT DESK.*
2. *Bare feet will not be permitted at any time in the exercise rooms.*
3. *Men and women must wear bathing suits in the swimming pool, steam room and sauna. No cutoffs, dungarees or Bermuda shorts will be permitted.*
4. *Children under sixteen (16) years of age are not allowed to use the health spa unless accompanied by an adult.*
5. *A personal trainer shall be on duty upon request in the exercise rooms and all questions regarding use of the equipment or a member's exercise program should be referred to such personal trainer.*
6. *Exercise equipment may be used only under the direction and supervision of spa personnel.*
7. *Horseplay, profanity, disruptive conduct and smoking in the spa are strictly prohibited.*
8. *No alcoholic beverages are permitted in the spa area. Other beverages are permitted only in the exercise rooms.*
9. *All jewelry and watches must be removed prior to exercising.*
10. *All persons must sign a medical release form prior to using the health and fitness facility when requested by the Club.*

STEAM ROOM POLICIES

1. *We recommend that you consult your physician before you use the steam room, as you will be using it at your own risk.*
2. *Those with high blood pressure, heart problems and/or respiratory problems, should avoid using the steam room.*
3. *Please shower before entering. Begin first exposure on lower bench, and limit yourself to a maximum of ten (10) minutes. Shower and repeat on second bench.*
4. *Drink 2-3 glasses of water. Keep the head and face cool with cold compresses provided to allow blood pressure to normalize. Finish with a cool rinse.*
5. *Avoid coming in direct contact with steam jets.*

SAUNA POLICIES

1. *We recommend that you consult your physician before you use the sauna, as you will be using it at your own risk.*
2. *Those with high blood pressure, heart problems, respiratory problems and those who are pregnant should avoid using the sauna.*
3. *Please shower before entering. Begin first exposure on lower bench, and limit yourself to a maximum of ten (10) minutes. Shower and repeat on second bench.*
4. *Drink 2-3 glasses of water. Keep the head and face cool with cold compress provided. Finish with a cool rinse.*

SWIMMING POOL AND CABANA REGULATIONS

1. *Use of the pool facilities at any time is at the swimmer's risk.*
2. *The use of the pools, pool areas and the pool facilities is limited to members and their guests.*
3. *Swimming is permitted only during open hours of the pools.*
4. *The pool areas include all of the grounds around each of the pools.*
5. *Immodest bathing attire should not be worn at the Club.*
6. *Showers are required before entering the pools to remove oils and suntan lotions.*

7. All persons using pool furniture are required to cover the furniture with a towel when using suntan lotions. It has been found that these preparations stain and damage the furniture.

8. No bottles, glassware or china may be carried out to the pools by a member or guests at any time.

9. No rough play running, running games, ball throwing, noisy or hazardous activity will be permitted in the pool areas. Pushing, dunking and dangerous games are prohibited.

10. No artificial floating devices (beach balls, tubes, rafts, etc.) are allowed in the pools except under the direction of the Pool Attendant.

11. Snorkeling equipment, other than a mask, is not to be used in the pool areas except as part of an organized course of instruction.

12. Out of consideration for others, radios may only be used when listened to through ear phones.

13. Children under sixteen (16) years of age are not allowed to use the pool facilities unless accompanied by an adult.

14. Nurses, Governesses and Attendants accompanying children learning to swim are permitted the use of the pool until after lessons. Thereafter, they must be dressed in conformity with their position. Parents are responsible at all times for the behavior on Club property of their Nurses, Governesses and Attendants with consideration for the comfort and enjoyment of all others.

15. THE CLUB IS NOT RESPONSIBLE FOR ANY ACCIDENT RESULTING FROM THE USE OF THE POOLS OR FOR LOSS OR DAMAGE OF ARTICLES OF PERSONAL PROPERTY.

16. The Pool Attendants have full authority to enforce pool rules and regulations. Violation of pool rules and regulations shall result in automatic suspension of swimming pool privileges, and the offense shall be reported to the Managing Director for other appropriate disciplinary action.

17. No person with a cold, cough, fever, inflamed eyes, skin disease, etc., shall be permitted in the pools.

18. Use of the pools is permitted daily, weather permitting, as determined by the Managing Director.

19. Food and beverages are not permitted in the pools, cabanas or pool areas, except when provided by the Club.

20. Cabanas are available for rental on a seasonal, weekly or daily basis. Deadlines regarding cabana rental registration may be implemented from time to time and priority may be given to prior renters.

21. The maximum occupancy of a Luxury Cabana is six persons and the maximum number of users of a Resort Cabana is four persons, except that in the case of families with children who are single, reside at home or in school, and who are under twenty-three (23) years of age; all such immediate family members may use the cabana. Applicable guest fees will be charged.

22. All umbrellas used on the Club property shall be furnished by the Club. A fee for umbrella use may be charged.

23. Any personal items in the pool areas or cabanas are subject to approval of the Club.

CROQUET PROCEDURE, CUSTOMS & COURT ETIQUETTE

1. The croquet lawn will be open for play 9:00 a.m.-5:30 p.m. unless otherwise specified.

2. Court reservations of 1-1/2 hour intervals may be made at any time through the Tennis Office.

3. Members shall have the privilege of inviting croquet guests no more than twice per Membership Year. Croquet guests must play with a member. A guest fee will be charged.

4. Courts may be closed from time to time for maintenance purposes or adverse weather conditions.

5. Players should strive to play by the rules of the game and not try to circumvent the ethics and morality of the rules of the game.

6. When conflict exists with these Rules, these Rules shall prevail.

7. Croquet players customarily wear all white apparel on the court.

8. Courtesy should be extended to one's opponent(s) as well as to one's playing partner at all times.

9. Players should avoid any behavior that distracts a striker attempting a shot.

10. Opponents should remain off the playing surface when it is not their turn.

11. *Players should avoid verbal confrontations with each other by expressing their legitimate concerns to, if available, the referee.*

12. *Courtesy and good sportsmanship are expected of all players and officials at all times.*

13. *Players are under an obligation to avoid acts that may be considered detrimental to the game of croquet.*

14. *Players should not audibly swear at a player, official, or spectator, use obscene, abusive or insulting language or gestures, throw a mallet or hit a ball in protest or anger.*

USCA Official Rules can be obtained from the Director of Croquet.

SECURITY REGULATIONS

ALL MEMBERS ARE RESPONSIBLE FOR THE OBSERVANCE OF THE SECURITY REGULATIONS.

1. MAIN GATE

*ALL members must use this entrance.
THE MAIN GATE OPENS AT 7:00 A.M.
ON SUNDAY THE MAIN GATE WILL CLOSE AT 3:00 P.M.*

ALL MEMBERS ARE REQUIRED TO "STOP" IN FRONT OF THE VALET WHEN USING THE MAIN GATE.

2. NORTH SERVICE EXIT

AT NO TIME should the North Service Exit be used except for Exit off property. Entrance at this exit is prohibited for your safety and the safety of others.

NOTES

EXHIBIT KK

**Memorandum Re: Mar-a-Lago Club
Trump Residency**

To: Mayor and Town Council
From: John C. Randolph, Town Attorney

Each of you are aware of the allegations of neighbors of the Mar-a-Lago Club that former President Donald J. Trump is not allowed to reside at Mar-a-Lago since it was converted in 1993 to a private club. In sum, it is argued that Mar-a-Lago is either a private residence or a club, but cannot be both.

I have previously provided you with historical documents relating to the conversion of Mar-a-Lago from a private residence to a private club, including the application, minutes of applicable meetings, the Declaration of Use Agreement relating to the Club, amendments to said Agreement and the zoning ordinance which defines private club. These documents shed light on the conditions of approval of the Club and the question of whether Trump may reside at Mar-a-Lago subsequent to it having been converted to a private club.

The Application for Special Exception 11-93 was submitted by the Mar-a-Lago Club, Inc. on April 29, 1993 requesting a special exception to convert Mar-a-Lago from a residential use to a private club. The application was filed pursuant to that section of the Town Zoning Code relating to District R-AA, Large Estate Residential, which allows "private social swimming, golf, tennis and yacht clubs" as a special exception use. Notably, the definition of private club under the zoning code provides, in part,

"Within residential zoning districts, a private club may provide living quarters for its *bona fide* employees only."

The purpose of this regulation prohibiting living quarters except for the Club's *bona fide* employees is to keep a club from turning into a multi-family residence or a commercial use such as a hotel, neither of which are permitted uses in this R-AA District.

The Application for Special Exception was first heard at a special meeting of the Town Council on May 13, 1993. The minutes of that meeting reflect the following regarding a statement of Paul Rampell representing the applicant:

"Another question asked of him is whether or not Mr. Trump will continue to live at Mar-a-Lago and the answer is 'No,' except that he will be a member of the Club and would be entitled to use the guest rooms."

Some have suggested that this statement is dispositive of the manner in which former President Trump may use the Club, i.e., only as a member using the guest suites for no more than three (3) non-consecutive seven (7) day periods during the year. It is important to note, however, that the Declaration of Use Agreement, ultimately agreed to and executed by the parties, did not incorporate a direct prohibition on former President

Re: Mar-a-Lago Club Trump Family Residency

Trump residing at the Club, the language in the Agreement pertaining only to the members' use of the guest suites. Because the Agreement is silent in regard to a specific prohibition on Trump residing at the Club, the Town should look to its Zoning Code to determine whether there is any prohibition on former President Trump residing at the Mar-a-Lago Club. The Code prohibits living quarters within a club except for its *bona fide* employees. The definition of Employee in the Town's Code provides as follows:

"Employee means any person generally working onsite for the establishment and includes sole proprietors, partners, limited partners, corporate officers and the like."

I believe this issue, therefore, hinges primarily on whether former President Trump is a *bona fide* employee of the Club. In that regard, please see the attached letter from John Marion, representing former President Trump and the Mar-a-Lago Club, Inc. This letter includes representations relating to former President Trump's residency at Mar-a-Lago both before and after its conversion to a Club, which, although of historical significance, are not as legally relevant, in my opinion, as the representations regarding whether or not former President Trump is a *bona fide* employee of the Club. If he is a *bona fide* employee of the Club, absent a specific restriction prohibiting former President Trump from residing at the Club, it appears the Zoning Code permits him to reside at the Club.

I recommend that the Mayor and Town Council hear presentations in regard to this matter from all interested parties including, but not limited to, the neighbors to Mar-a-Lago, their representatives, representatives of former President Trump, the Mar-a-Lago Club and other interested parties. After entertaining all of the relevant presentations, the Town Council should deliberate on this matter and determine what action, if any, should be taken.

I will be happy to answer any questions the Mayor and Town Council have in regard to this matter.

Re: The Mar-A-Lago Club

Dear Skip:

I represent President Donald J. Trump and The Mar-a-Lago Club.

As we have discussed, an issue has arisen questioning whether President Trump, as the Owner of The Mar-a-Lago Club (“MAL”), has the right to reside there. I am writing to explain why that position has absolutely no merit.

Chronologically, President Trump purchased Mar-a-Lago from the Post Foundation in 1985 and utilized it as his private residence¹. In 1993, the Town of Palm Beach (“Town”) approved an application for a special exception (one that was contemplated by the existing zoning code and did not require a variance) to use MAL as a private social club. The 1993 application for this special exception specifically stated:

“...the actual usage of Mar-a-Lago will not change. No new activity will occur which cannot, does not or has not taken place in the past under the existing zoning of this property. The applicant seeks no physical change whatsoever to the property (such as, for instance, the addition or demolition of any improvement)...” (Emphasis supplied)

¹ Donald J. Trump purchased Mar-A-Lago in 1985 from the Post Foundation. By virtue of subsequent internal transfers executed over the past thirty-five years, Mar-A-Lago is currently owned by Mar-A-Lago Club, LLC. This entity is ultimately owned entirely by The Donald J. Trump Revocable Trust dated April 7, 2014, a trust of which Mr. Trump is the beneficiary and sole trustee.

After much discussion, debate and negotiations, the special exception was granted and a Declaration of Use Agreement (“Agreement”) was mutually drafted and ultimately executed by the Town, The Mar-a-Lago Club, Inc. and President Trump as Owner of MAL. Under the terms of the Agreement, the Town required the Owner to remain ultimately responsible for the property and all related taxes and expenses.

Importantly, while the Town could have specifically provided in the Agreement that the Owner could not reside on the property, it did not. The Town did specifically limit the use of the guest suites on the property (“The use of guest suites shall be limited to a maximum of three (3) non-consecutive seven (7) day periods by any one member during the year”), but President Trump does not use a guest suite when at MAL, he uses the “Owner’s Suite”, which is not a guest suite. It was never intended that conversion of MAL to a private club would change the nature of or the Owner’s right to use the Owner’s Suite.

Also important is the fact that the Agreement states:

“The use of the Land shall be for a private social club in compliance with all of the information and exhibits included in the application not inconsistent with the terms set forth herein, and subject to such uses not inconsistent with the terms set forth herein, set forth in the Application for Special Exception No. 11-93 and The Mar-a-Lago Club: A Special Exception Use and Preservation Plan, as amended (hereinafter referred to as the "Plan") as submitted to the Town.” (Emphasis supplied)

And the Application and Plan specifically refer to and describe in detail the very Owner’s Suite we are discussing (“Owner’s Suite: Accessible from the south end of the cloister...the Owner’s Suite consists of Pine Hall (an antechamber), a vestibule (Louis XV Hall), the owner’s bedroom, toilet, bath and drawing room, and the Norwegian Room and bath”). It has always been the case, before and after the execution of the Agreement in 1993, that President Trump has resided in the Owner’s Suite when at MAL, a use which has been far in excess of three visits per year and has never been challenged. Referring again to the specific language of the Application, it states:

“In its conversion from a so-called Large Residential Estate to a private social club, the actual usage of Mar-a-Lago will not change. No new activity will occur which cannot, does not or has not taken place in the past under the existing zoning of this property.” (Emphasis supplied)

President Trump as well as Marjorie Merriweather Post resided at Mar-a-Lago prior to its use as a private social club, and his act of residing there ever since is clearly a use completely consistent with the use of the property in the past as set forth in the Application and adopted in the Agreement.

The Agreement is the entire agreement of the parties, and it specifically says so:

“This Agreement represents the entire agreement between the parties as to its subject

matter and it may not be amended except by written agreement executed by both parties.”

As you know, this means that nothing that may have been said by or on behalf of any of the parties to the Agreement before it was entered into is relevant. The parties negotiated the terms of the Agreement over numerous months and after much open debate and discussion. Under the law, the only language relevant to the Agreement is the specific language of the Agreement itself, and the documents to which it makes specific reference. And the Agreement itself, through its reference to the Application and Plan, not only refers to the Owner’s Suite, but describes it in great detail, and states that the actual usage of the property will not change.

Finally, the Town’s Zoning Code specifically allows President Trump to reside at MAL. The relevant provisions are contained within Sec. 134-2. - Definitions and rules of construction:

“(b) Definitions. The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

...**Club, private** means buildings and/or facilities, not open to the general public, owned and operated by a corporation or association of persons for social or recreational purposes for members and their bona fide guests and which may render, as an accessory use, services that are customarily carried on as a business. **Within residential zoning districts, a private club may provide living quarters for its bona fide employees only.**

...**Employee** means any person generally working on site for the establishment and includes sole proprietors, partners, limited partners, corporate officers and the like.” (Emphasis supplied)

President Trump is the President of Mar-A-Lago Club, LLC (the legal owner of MAL), and as a corporate officer oversees the property. He is therefore a bona fide employee within the express terms of the Town’s Zoning Code. As such, separate and apart from all of the other reasons outlined above, under the Town’s own Zoning Code he is clearly entitled to reside there.

Sincerely,

SELLARS, MARION & BACHI, P.A.

TENTATIVE:
SUBJECT TO
REVISION

TOWN OF PALM BEACH

Town Clerk's Office

MINUTES OF THE TOWN COUNCIL MEETING HELD ON TUESDAY, FEBRUARY 9, 2021

I. CALL TO ORDER AND ROLL CALL

The Town Council Meeting was called to order at 9:30 a.m. On roll call, all council members were found to be present.

II. INVOCATION AND PLEDGE OF ALLEGIANCE

Town Clerk Nieves gave the Invocation and President Zeidman led the Pledge of Allegiance.

III. MODIFICATIONS TO THE AGENDA

There were no modifications to the agenda.

IV. APPROVAL OF AGENDA

Motion was made by Council Member Araskog and seconded by Council Member Crampton to approve the agenda. On roll call, the Motion passed unanimously.

V. COMMENTS OF MAYOR GAIL L. CONIGLIO

Mayor Coniglio thanked Susan Gary, Jeff Smith, and Tony Dowell for their service working on the Undergrounding project since its inception. She commented on political upheaval and expressed hope for the return of civility, courtesy, and partnership.

VI. COMMENTS OF TOWN COUNCIL MEMBERS

There were no comments from Council members at this time.

VII. COMMUNICATIONS FROM CITIZENS-3 MINUTE LIMIT PLEASE

There were no comments from citizens at this time.

VIII. APPROVAL OF CONSENT AGENDA

Motion was made by Council Member Moore and seconded by Council Member Lindsay to approve the Consent Agenda, as amended. On roll call, the Motion passed unanimously.

A. MINUTES

1. Town Council Meeting Minutes
Queenester Nieves, CMC, Town Clerk
 - a. January 12, 2021, Town Council Meeting Minutes
 - b. January 13, 2021, Local Planning Agency Meeting Minutes
 - c. January 13, 2021, Town Council Development Review Meeting Minutes
 - d. January 15, 2021, Special Town Council Meeting Minutes
2. Approval of Major Matters Considered by the Architectural Review Commission at its Meeting of January 27, 2021.
Wayne Bergman, Director of Planning, Zoning and Building

B. RESOLUTIONS

1. RESOLUTION NO. 018-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Approving a Purchase Order to GHD Inc. for the Lake Worth Inlet Sand Transfer Plant Integrity Assessment in the amount of \$141,710 and a Project Budget of \$155,000. - ***Pulled and Heard as Item No. XII.B.1***
Dean Mealy, Purchasing Manager
2. RESOLUTION NO. 019-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Approving a Purchase Order to L.J. Power Inc. for the Purchase of a Towable Generator in the amount of \$77,900 and a Project Budget of \$85,000.
Dean Mealy, Purchasing Manager

C. OTHER

1. Approval of Town Manager Performance Evaluation
Kirk W. Blouin, Town Manager
2. Budget Calendar for the FY22 Budget Process
Jane Le Clainche, Director of Finance

3. Authorization for a Lane Closure and Waiver to Town Code for Construction Hours for the Florida Department of Transportation Landscape Installation at Southern Bridge.

H. Paul Brazil, P.E., Director of Public Works

4. Accept Donation of Firearms from Anonymous Donor for Purchase of Equipment and/or Other Services for the Police Department.

Nicholas Caristo, Chief of Police

IX. BOARD/COMMISSION ANNUAL REPORT

- A. Annual Report of the Investment Advisory Committee (written report only).

Chris Storkerson, Chair

Council President Zeidman pointed out that Mr. Storkerson and the Investment Advisory Committee had done an excellent job.

Motion was made by Council Member Moore and seconded by Council Member Araskog to accept the Annual Report of the Investment Advisory Committee. On roll call, the Motion passed unanimously.

X. COMMITTEE REPORTS

- A. Report of the Business and Administrative Committee Meeting Held on January 7, 2021.

Lew Crampton, Chair

Chair Crampton noted three meetings of the Business and Administrative Committee had been held since November. An upcoming meeting scheduled for February 19 would be held with staff and the public to discuss recommendations that could be made to the Town Council. He reported the Committee was making great progress and looking forward to improving parking and becoming a part of the upcoming retail study.

President Zeidman commented on the great job this Committee was doing.

Mayor Coniglio expressed concerns for placard parking at 100 Bradley Place and metered parking on Royal Poinciana Way. She felt everyone would embrace valet parking.

Council Member Moore reminded everyone that any decisions would come before the Town Council for discussion before approval.

Council Member Araskog agreed with Mayor Coniglio, commented the public did not like meters, and stated she liked the idea of valet parking.

Council President Pro Tem Lindsay agreed with Mayor Coniglio and with Council Member Araskog in regard to meters.

Motion was made by Council Member Araskog and seconded by Council Member Moore to accept the Report of the Business and Administrative Committee Meeting held on January 7, 2021. On roll call, the Motion passed unanimously.

XI. PUBLIC HEARINGS

- A. RESOLUTION NO. 020-2021** A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Providing for the Designation and/or the De-Designation of the Historic/Specimen Trees at 501 North Lake Way, 386 Hibiscus Ave, Crescent Park and Corner of Miraflores and North Lane Way, Providing an Effective Date.

H. Paul Brazil, P.E., Director of Public Works

Director of Public Works Brazil requested removal of one of the trees on the historic and specimen tree list which was declining. He reported three new trees would be added to the list.

Council Member Araskog thanked Director Brazil and the arborist for finding the new trees.

Motion was made by Council Member Crampton and seconded by Council Member Moore to approve Resolution No. 020-2021. On roll call, the Motion passed unanimously

XII. REGULAR AGENDA

A. Matters Pulled From Consent Agenda: If needed

1. **RESOLUTION NO. 018-2021** A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Approving a Purchase Order to GHD Inc. for the Lake Worth Inlet Sand Transfer Plant Integrity Assessment in the amount of \$141,710 and a Project Budget of \$155,000.

Deam Mealy, Purchasing Manager

Council President Pro Tem Lindsay commented she had been a member of the Shore Board, and rebuilding the sand transfer plant in 2010 was one of their first priorities. She noted the sand transfer plant was the only source of actual beach sand. She felt it was important to know the history of this plant, and has been embraced by all the environmental groups, and it was the cheapest sand per cubic yard that the island could get. She stressed the importance of how critical this was to the northern end of the island.

Town Manager Blouin commented the town needs to examine the integrity of the building and the equipment and to assess today's situation as well as to look into the future to see if there was a better way to use the plant.

Director Brazil commented staff wanted to be proactive to be able to budget for repairs and anticipate them.

Council Member Crampton asked if the Town was still getting funding from Palm Beach County to support the Sand Transfer Plant. Mayor Coniglio responded Palm Beach County provided \$300,000 in funding the Sand Transfer Plant., and expressed her opinion that the cost benefit analysis was necessary. She considered this a critical part of the Town's coastal management program.

Council President Pro Tem Lindsay commented on the importance of the plant and that it was the only place the island was getting high quality beach sand. She commented the only other sand transfer plant in the county served the non-commercial inlet of Boynton Inlet, and was operated fully at the expense of county tax dollars.

Motion was made by Council President Pro Tem Lindsay and seconded by Council Member Araskog to approve Resolution No. 018-2021. On roll call, the Motion passed unanimously.

B. Old Business

1. COVID-19 Update

Kirk W. Blouin, Town Manager

TIME CERTAIN: 10:30 AM

a. Report on COVID-19 Infections, Hospitalizations and Vaccines

Darrell Donatto, Fire Rescue Chief

Council President Zeidman expressed appreciation for Chief Donatto's outstanding job of vaccine distribution and proactively going out into the community to provide vaccine for elderly shut-ins.

Chief Donatto reported improvement in the number of new cases and hospitalizations trending down, but needed to drop further. He discussed how dangerous this disease was for people over 65 and thanked the Governor for prioritizing the elderly. The Chief commented staff were participating in a state of Florida mission to vaccinate holocaust survivors, using vaccines that came directly from the state. He thanked Dr. Alonzo for her work with the vaccine distribution. He expressed his opinion that Publix was the best place to get the vaccine, but everyone should get it wherever and whenever they could. Cautioned after being vaccinated people should continue to wear their mask, practice social distancing and hand washing.

Council Member Araskog commented on the number of residents expressing thanks they were able to get the vaccine, and asked if they should send an email to be taken off the waiting list if they received the shot elsewhere. Chief Donatto responded they should notify the Department of Health, since that would help with scheduling future appointments for those remaining on the list. Council Member Araskog offered tips to help get an appointment on the computer, suggested to keep trying.

Council President Pro Tem Lindsay asked if people with underlying conditions or living with a person over 65 in their household would be prioritized to get the vaccine. Chief Donatto responded the next level of priority would be essential workers, and then it should not be long before the general population would receive the vaccine.

Council Member Araskog mentioned the Governor had been sending a lot more vaccine to Palm Beach County, and expressed her appreciation.

Council President Zeidman commented on the new variants of COVID-19 which were much more transmissible and made wearing a mask extremely important.

b. Compliance with Emergency Order and Mandates
Nicholas Caristo, Police Chief

Police Chief Caristo reported since last Council meeting, restaurants had been shutting down before curfew allowing their patrons and staff to have ample time to get home prior to curfew.

Council President Zeidman thanked Chief Caristo for a good report.

c. Discussion About Town-Wide Curfew

Council Member Moore felt the curfew should remain as is since it was working.

Council President Pro Tem Lindsay agreed and thanked the restaurants that came into compliance. She also thanked Chief Caristo for checking the establishments.

Mayor Coniglio concurred, but asked to revisit the Town-wide curfew in March.

Council Member Araskog agreed, and felt the curfew should be revisited each month.

Council President Zeidman agreed and felt the curfew should remain and be revisited each month.

Council Member Crampton felt the curfew should remain as is.

Motion was made by Council Member Moore and seconded by Council President Pro Tem Lindsay to approve maintaining the current hours from 1:00 a.m. to 5:00 a.m. which will be revisited at the March 2, 2021, Town Council Meeting. On roll call, the Motion passed unanimously.

d. Discussion About March Public Meetings

Deputy Town Manager Boodheshwar advised all the audio visual upgrade work had been completed in Council chambers. If Council wanted to hold a hybrid meeting that would be possible.

Mayor Coniglio favored going to meeting in person as numbers were going down.

Council President Pro Tem Lindsay supported going back to in person meetings in March.

Council Member Araskog favored going into chambers with a hybrid meeting because elderly members of the public could participate if unable to attend in person. She asked if President Zeidman could change that if there was a surge in case numbers.

President Zeidman commented she had made that decision in the past, she anticipated being together for the March meeting. She cautioned to keep comments short and not to repeat things, because the Council Chamber does not have ventilation to the outdoors. .

Town Manager Blouin suggested setting a benchmark of possibly 10% positivity rate or less to meet in person and over 10% to meet virtually. Council President agreed that metrics should be considered. A major shift in the number of new infections would be of concern. She suggested, she and the Mayor would meet and inform the council of increase.

Mayor Coniglio commented she metrics would be looking for a spike from where the number was now.

Council President Pro Tem Lindsay felt meetings should continue in person, being careful, because the quality of the meeting was so much better, unless something extraordinary happened.

Council Member Araskog asked if they were considering both county and town cases.

President Zeidman responded they would look at both, and we shall proceed as if the meetings would be in person. If the metrics increased dramatically we will reconsider the “in person” plan.

There was a consensus the Town Council meeting was to be held in person in the Town Council chambers.

e . RESOLUTION NO. 021-2021 A Resolution Of The Town Council Of The Town Of Palm Beach, Palm Beach County, Florida Concurring With The Request Of The

Town's Chief Of Police, To Extend The Chief's Declaration Of The Existence Of A State Of Emergency Within The Corporate Limits Of The Town To March 2, 2021, Unless Earlier Terminated By The Chief Of Police, At Which Time The Town Council Will Address The Need For Any Extension Of The Declaration Of Emergency; Providing For An Effective Date.

Motion was made by Council Member Crampton and seconded by Council Member Lindsay to approve Resolution No. 021-2021. On roll call, the Motion passed unanimously.

Following a 30 minute break, the meeting reconvened.

2. Palm Beach Marina Update
H. Paul Brazil, P.E., Director of Public Works
TIME CERTAIN: 11:00AM

a. Update on Progress of Project Construction

Director of Public Works Brazil reported the status of the different parts of the project.

Council Member Crampton inquired how the dock arriving in segments were put together. Director Brazil explained the process.

b. RESOLUTION NO. 022-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida. Increasing Purchase Order No. 200662 to Murray Logan Construction Inc., in the Amount of \$138,685.20, for Materials, Labor and Installation Associated with the Electrical and Low Voltage Conduit for the Town Marina Project, and Approving a Task Budget of \$150,000.

Director of Public Works Brazil explained this resolution included conduit for all of the low voltage, to tie together every part of the marina with conduit to make the security and access systems work. Funding would come from the project contingency, as anticipated.

Council President Pro Tem Lindsay asked if this was the first contingency money used. Director Brazil responded it was not and he would report the amount used at next month's Council meeting.

Motion was made by Council Member Crampton and seconded by Council Member Moore to approve Resolution No. 022-2021. On

roll call, the Motion passed unanimously.

c. Update on Conceptual Landscaping Design for Lake Drive Park.

Deputy Town Manager Boodheshwar provided background information on the changes to Lake Drive Park. He recalled that at the January meeting Keith Williams had presented his first draft of proposed landscape improvements in the park. Council had requested items for the team to revisit and directed the project team to reach out to the neighborhoods to ensure that all interested residents nearby and far away had the ability to provide feedback before the final design came back to Council. Mr. Boodheshwar reported focus groups and a community input session had been held since the January meeting. Revisions to the initial plans were more in line with the desire for open lawns, open vistas, and are reflective of the main themes of the feedback received. The plans presented today would also be presented to Landmarks Preservation Commission on February 17, and will come back to Council for final approval. Director Brazil will work with the project team and project contractor to price the improvements and Scott Snyder would begin fundraising. The goal was to finish the park improvements within the current Marina project schedule.

Keith Williams provided his presentation, which incorporated community and council feedback.

Mayor Coniglio thanked Mr. Williams and Mary for creating this and for their collaboration with the community. She felt at this point the project was moving in the right direction. She confirmed with Mr. Williams that walking along the walkway, one would be able to see the water.

Council Member Araskog confirmed the pathways would not be wider than 4 feet because golf carts were not wanted on the walking paths. Mr. Williams also confirmed the green space would be slightly increased. Council Member Araskog requested a slight adjustment on one walkway. She asked staff to consider the placement of coconut palms so coconuts would not fall on anyone. She mentioned that she loved the doggie fountain.

Council Member Moore asked about changing the asphalt for permeable pavers. Discussion ensued.

Deputy Town Manager Boodheshwar requested direction from the Council. 1. Plan A, replace all the asphalt with the environmentally friendly pavers. 2. Plan B add walkways and trail. 3. Plan C would be doing in stages.

Council President Pro Tem Lindsay confirmed with Mr. Williams that a total of four angled parking spaces would be lost with the new landscaping. She agreed with Council Member Moore on the plans and supported the permeable pavers. Council Member Moore inquired having Sable Palms as well as coconut palms since there was less maintenance. Noted the new plan showed outstanding progress, and thanked Mr. Williams for his work.

Council Member Crampton supported the permeable pavers and urged creating habitat for butterflies. He expressed his appreciation to Mr. Williams.

Council President Zeidman congratulated Mr. Williams on the new design and expressed her preference for replacing the asphalt with permeable pavers.

Council Member Araskog asked if the pavers would be uneven and cause problems for walkers. Mr. Williams responded the picture presented caused the pavers to look uneven. Councilmember Araskog thanked Mr. Williams for his hard work.

Council President Zeidman called for public comment.

John David Corey, 426 Australian Avenue, commented the Friends' group would like to be an ongoing partner with the town and help maintain the park by providing volunteers. He thanked Mr. Williams for doing this work pro bono and for working with the community. He expressed appreciation for the renderings showing the trees, appropriate street furniture, and adding native Sabal Palms. Shared his expertise on using mulch instead of gravel.

Council President Pro Tem Lindsay felt the park was now on the right path and thanked the community for their patience, and staff for listening to the community and to Mr. Williams as well. She felt this would be a spectacular addition and would fit into the Palm Beach community.

Council Member Araskog asked if there was an update on the funding. Mr. Williams indicated he would call Scott Snyder following this meeting.

Mayor Coniglio expressed her faith that Mr. Snyder would accomplish the necessary fundraising.

Mr. Keith Williams provided an update on the conceptual Landscaping Design for Lake Drive and there was a consensus to move forward with the Conceptual Landscaping Design Park.

3. Town-wide Undergrounding Project

H. Paul Brazil, P.E., Director of Public Works

a. Review of Project and Dashboard, Summary of Project Status

Patricia Strayer, Town Engineer, provided a written report and verbally reported the status of chicanes and easements in each phase of the Town-wide Undergrounding project. Ms. Strayer showed equipment placed in the right-of-way of Australian Avenue in Phase 4, and discussed the option of placing the equipment in the road which would cost more and eliminate some parking.

b. RESOLUTION NO. 023-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Authorizing the Town Manager to Execute an Easement and Use Agreement Between the Town of Palm Beach and Florida Power & Light (FPL) at 1060 North Lake Way for Access, and Maintenance of FPL Equipment.

Patricia Strayer, Town Engineer discussed the issue with acquiring property owner's agreement to have switch cabinets placed on their private property.

Mayor Coniglio noted placing equipment where a pump station existed and hidden from the community was a win win solution.

Motion was made by Council Member Moore and seconded by Council President Pro Tem Lindsay to approve Resolution No. 023-2021. On roll call, the Motion passed unanimously.

c. RESOLUTION NO. 024-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Authorizing the Town Manager to Execute Easements and Use Agreements Between the Town of Palm Beach and Florida Power & Light (FPL) Upon Town Owned Land Located at 360 South Ocean Boulevard, Town of Palm Beach Parking Lot on Australian Avenue, 359 South County Road, and 400 South County Road.

Town Engineer Strayer reviewed each proposed location.

Council Member Araskog expressed concern trees would be lost. Director Brazil assured her more trees would be planted.

Town Manager Blouin suggested landscaping which would hide

equipment.

Motion was made by Council Member Moore and seconded by Council President Pro Tem Lindsay to approve Resolution No. 024-2021. On roll call, the Motion passed unanimously.

Council Member Crampton asked about cost trends within the project. Town Manager Blouin responded in the revised budget actual costs were used, the difficulty of obtaining easements caused delays which translated to more cost, and a shortfall was expected.

Director Brazil commented the project was on track, based on current knowledge and staff would come to Council each month to report project status; once a construction contract was awarded staff would have more information to provide to the Council. Mr. Brazil commented the best thing to do was to get the work done as soon as possible. He noted easements were a problem.

Mayor Coniglio asked when the demonstration chicanes would be installed. Ms. Strayer responded staff would present to Council next month, then the installation would begin shortly thereafter. Mayor Coniglio suggested for the installation to be done as soon as possible. Director Brazil suggested skipping the presentation and going ahead with installation. The Mayor agreed.

Council President Pro Tem Lindsay felt this was a terrific idea. She asked about the progress on Lake Drive, she had concerns regarding the roadways when the Marina opened. Director Brazil indicated the Marina did not depend upon the work out in the roadway, but they were trying to get that work done as soon as possible so as not to impact the roadway after the Marina opened. Council President Pro Tem Lindsay requested a monthly update on the water main status.

Council Member Araskog expressed disappointment regarding the landscaping, and inquired additional landscaping could be added when the equipment was placed between the sidewalk and street. She complimented Ms. Strayer on her work with the chicanes and getting easements from the residents. She asked to be notified when mock chicanes were going to be built in case Council might know someone in the area who could help.

Council Member Crampton commented a meeting was being set up with a property owner on Golfview to try to resolve an easement issue.

Clerk's Note: A recess was taken at 12:40 p.m. Meeting resumed at 1:25 p.m.

4. 2021 Reach 7/Phipps Ocean Park Beach Nourishment Project Update.

H. Paul Brazil, P.E., Director of Public Works

Town Manager Blouin provided background information on the contract presented to the Town by Sloan's Curve Condominium Association. Director of Public Works Paul Brazil reviewed the settlement agreement, which included were grievances from 15 years ago.

Mayor Coniglio opined that creating a contract with a specific area would be problematic, and would set a precedent which could potentially handcuff the Town going forward.

Council Member Crampton suggested as a form of compromise to agree to a series of one-year agreements to be renewed annually.

Council President Pro Tem Lindsay recalled a past engineering consultant had said the natural outcropping existed there offered much greater protection than any structure because it broke the energy of the waves and protected the upland property. She noted \$10M in FEMA funds would be lost if this project did not proceed.

Council Member Araskog asked Town Manager Blouin for additional comments.

Town Manager Blouin suggested to ask Sloan's Curve Condominium Association not to file an objection and allow staff to work with them on technical aspects where there was disagreement.

Council Member Araskog asked about rebuilding the dunes and the mitigation if there were adverse aspects. Director Brazil responded.

Council President Zeidman felt it was not the appropriate to set separate agreements with the association, she felt that would set a terrible precedent.

Council Member Moore felt that not moving the project forward would remove added protection if there was a storm this summer, and she would like those residents to understand the Town was trying to protect the resident as well as the entire south end.

Council Member Crampton asked the time frame for a challenge to be made. Rob Weber, Program Manager, responded a challenge has not been issued, he explained once a challenged is made this would open a two-week window for any petitioners to challenge issuance of the IPA.

Council Member Crampton commented if the decision was made to challenge the permit and prevent the process from going forward, their properties and the entire south end would not get the sand deposition needed and the Town would lose \$10M in Federal

funds and that association would be responsible. He urged his friends in that association to consider the consequences carefully, which would be dire and felt throughout the Town.

Comments were made by members of the association.

Steve Tannenbaum, President of the 2100 Condominium Association, spoke on behalf of the 192-unit owners, suggested that the Town Council encourage the Town Manager and staff to negotiate a mutually acceptable completion of the draft settlement agreement. The unit owners wanted an enforceable agreement that the Town. This agreement would include any damage from adverse events, also make the Town's promises explicit and enforceable. Mr. Tannenbaum discussed details of the proposed agreement.

Robert Davidow, 2100 South Ocean Boulevard, stated he felt there were some misunderstanding regarding the agreement. He complimented the Council Member Crampton and Town Manager Blouin for their good faith in trying to resolve this matter. He suggested having the commitment in writing as what was agreed to.

Joe Goldstein spoke on the chronology of their involvement. When the Town revised the borrow area, they requested a meeting with the Town and Department of Environmental Protection. The settlement agreement was drafted and revised but no redline copy had come back. He advised the association would like to negotiate a mutually beneficial agreement. He suggested that over the next 36 to 48 hours that Town staff meet with the association to review the settlement agreement. The association would include the Department of Environmental Protection in those conversations and try to get the minimum assurances needed.

Director Brazil commented it was impossible to tell the cause of the erosion or its adverse impacts was the result of prior dredging. This had caused frustration for quite some time.

Council Member Crampton pointed out the legal constraints of the Town. Felt it was good the association was willing to continue negotiations, stated the consequences of not reaching an agreement could possibly cause 2000 residents in the south end not have sand on their beaches and \$10 million in federal funding would be forfeited. He felt that should be enough to get everyone to the table to come up with language to give confidence that the Town would do what it said it was going to do.

Mayor Coniglio confirmed with Mr. Weber and Director Brazil that the permit for the borrow sites had specific requirements and was not something the Town created. Mayor Coniglio stated the permit required the Town to mitigate impacts from the borrow area and dredging. She disagreed with Council Member Crampton that a comfort agreement was binding because it was the permit which was binding. She implored the association to let this project go forward and they would receive input sand on their beach, saving taxpayer dollars, and the Town would have to be totally within the permit conditions.

Council President Zeidman stated the Town of Palm Beach will not be forced into a game of chicken. She felt that the town and the association could come to a compromise, which acknowledges the concerns of the residents who live in the area without creating a separate agreement. Additionally she pointed out that the residents were asking for protections the Town was already required to provide. The Town was already taking care of the dunes in order to be prepared for summer storms. She stated this had to go forward because all of those people could not be left at risk during a storm, but the agreement as submitted was impossible for the Town to sign.

Town Manager Blouin advocated for continuing discussion and if the Town was to consider doing this that it not be longer than for a one-year period and that any remediation by the Town was very specific.

Council Member Moore confirmed with staff this project was already monitored many times each year and failing to move forward would jeopardize the entire south end in the event of a storm. The DEP and Army Corps had already approved this, and she hoped Sloan's Curve would do the right thing for their neighbors.

Council Member Araskog asked Town Attorney Randolph how he felt about entering into a contract with an individual property versus what had been done in the past.

Town Attorney Randolph was very uncomfortable with it and felt it would set a precedent and encourage other people in future projects to try to hold up the Town in the same fashion. He stated he was in agreement with Town Manager Blouin and staff in their opinion in that regard.

Council Member Araskog thought the Town Attorney was saying this could open the floodgates to these kinds of agreements and to litigation.

Council Member Crampton answered the Town Manager's request for direction that his advice would be to continue to talk in a firm, frank manner, and do their best to arrive at specifics that would work. It would be up to the negotiators to come up with a solution and the association would be responsible for the consequences if the process did not go forward.

Public Comment continued.

Karyn Erickson clarified the condominiums were built pre 1987 so were not on piles and therefore highly vulnerable. She also referred to the 2016 dredging, discussed erosion rates between 2017 and 2019, and the amount of sand per cubic yard in replacement. She commented the Town's document showed less than one cubic yard of sand replacement per foot in front of these condominiums was proposed currently, and in the last three years they had lost more than 55 cubic yards per foot of shoreline.

Warren Belmar, 130 Sunrise, member of the Shore Protection Board, thanked the

Council for taking time to go over this, making it clear that one could not enter into agreements like this, providing special treatment for any one property owner. He believed FEMA money was available to everyone and if that was the case, everyone would be affected, not just those south of Sloan's Curve.

Town Council gave direction to staff to meet with the Stakeholders to come to a consensus.

D. New Business

1. RESOLUTION NO. 025-2021 A Resolution of the Town Council of the Town of Palm Beach, Palm Beach County, Florida, Approving the Award of RFP No. 2021-01, Retail Study for the Town of Palm Beach to Yard and Company in the Amount of \$94,250 and a Project Budget of \$118,000 and to Approve Source of Funding from Private Donations in the Amount of \$108,000.

Dean Mealy, Purchasing Manager

Purchasing Manager Dean Mealy introduced the resolution.

Council Member Araskog asked the Purchasing Manager of the names of donors, which he provided. Council Member Araskog questioned staffing requirements to complete the study. Director Bergman responded they may need additional personnel. Mr. Mealy suggested scaling back the Town of Palm Beach involvement or inquired if Yard and Company could reduce their fee to cover expenses incurred by the Town. Council Member Araskog stated she did not support getting a consultant or spending 80 hours of staff time to conduct the study. She felt this was not the time to have a study, and she felt there was not enough information for a full study of the town. She noted the community had not been included. Stated not all Council members were able to participate in the study. Everyone in the Town has a vested interest in this study.

Council Member Moore also had problems with the timing, and was not ready to move forward. She felt it should be done in high season, from December 2021 to April 2022 when hopefully COVID was gone and there would be better opportunity for community input.

Council Member Crampton preferred to move ahead with the study. The Study would provide tools to give Council the opportunity to consider how to improve the situation. He advised every recommendation that came from this study would be vetted by Council.

Council President Pro Tem Lindsay commented she had not even thought about doing it at a different time and was interested to know the consultant's thoughts on this.

Mayor Coniglio was concerned that the scope was broad and undefined, and the most important part of this study was community engagement, was lacking. She worried about taking this study too far too fast, and asked to proceed slowly.

Council Member Araskog commented a study like this was needed but because of COVID it would end up with less than if it was delayed until December or January when most residents were present. People were just not responding to attending meetings during COVID.

Council President Zeidman expressed appreciation for those who believed it would be better to wait until December or January, but reminded everyone that there has been an increase in empty stores prior to COVID and it is expected to worsen. Because of the real retail problem, she wanted to get on with this, and it was never anyone's thought that community would not be involved. In fact there has been very early attention given to having a steering committee and having a lot of community involvement.

Council Member Crampton thought Council was overthinking this issue. He stated it was not expensive because the Town was not paying for it. They were assuming the results before they happened, and the study was all about community participation, putting together steering committees, doing all kinds of interview and getting results. He trusted Director Bergman to manage his staff, and in the end all skeptics would have an opportunity to weigh in and be heard, and change direction if that's the way it worked out.

Council President Pro Tem Lindsay suggested asking Yard to come to a hybrid meeting next month to allow a couple of hours for going through what they hoped to accomplish and time for public comment. She mentioned landlords could not be mandated to fill their stores. She thought residents would be around until July. She was comfortable that this selection committee was the right group and hoped this would make other Council members more comfortable.

Council Member Moore commented Yard and Company would have to travel here, then four to six weeks for them to test, then build for three weeks, and she was worried about this timeline. She had not changed her mind.

Council Member Araskog read from the consultant's scope of work for which they only had four weeks allotted, and she wanted to know how many spaces became vacant after COVID. She felt this was rushed and not enough time was earmarked for community.

Deputy Town Manager Boodheshwar commented he was not hearing concern about the choice of consultant, but that there was a public health emergency and there were limited resources and staff. He was a member of the committee that selected Yard and Company. He suggested instead of but starting in season and ending offseason, it could start in offseason September or October and end in the season—that way the public health issue could be addressed. He commented staff was prepared to get more public input to help them shape concerns.

Dean Mealy, Purchasing Manager, commented all vendors were required to hold their prices 180 days which would provide a comfort level.

Mayor Coniglio favored late October or early November for them to start gathering information.

Council Member Araskog asked to spend the first month for reconnaissance, so start in November.

Council President Pro Tem Lindsay thanked Mr. Boodheshwar for his compromise suggestion.

Mayor Coniglio favored starting November 1st.

Discussion ensued regarding communicating back to the committee that Council wished to delay until everyone was healthier and to announce this to the public in the interest of transparency, and to thank the donors for their generosity.

Michael Ainslie expressed his support as to the consensus that had been reached. He expressed his opinion this study was very much needed, which was why people came forward and gave it financial support. He thought starting in early fall would be productive.

Maisie Grace spoke about the importance of getting opinions from residents first, and commented there were many residents who were still North in October last year. She also wanted to be sure traffic and parking problems were taken into account in the study.

Council Member Araskog asked about the procedure to follow for donated money. Mr. Boodheshwar responded any individual donation \$25,000 or more had to be formally accepted by the Town, and none of these donations were in that category. Discussion ensued. Council President Zeidman recommended accepting the donations at the meeting the next day and also approving Resolution No. 025-2021.

Motion was made by Council Member Araskog and seconded by Council Member Moore to defer approval of Resolution No. 025-2021, to be heard at a time certain on February 10, 2021 at 10:00 am. On roll call, the Motion passed unanimously.

Dean Mealy commented he just received word from Yard and Company that they had no issue with the timeframe.

Carol LeCates suggested this study be funded by the town budget, and why not wait to sign the contract in the fall.

2. Legal Requirements (Post COVID-19) for Public Meetings (verbal report).

John C. Randolph, Town Attorney

Town Attorney Randolph reported he had researched attorney generals' opinions to find information on legal requirements for public meetings post-COVID-19. One opinion was that telephonic appearances by board members were permissible only when a quorum was otherwise present and when absence was due to extraordinary circumstances such as illness. Attorney Randolph concluded the answer was up to the Council whether to allow people not part of the quorum to attend electronically.

Council Member Crampton commented people were leaving Florida in the summer and it was a real problem for people to go back and forth for a Commission meeting. He felt if the Town Attorney found there was absence of a clear directive from the Attorney General it allowed Council to make their own policy that people who were out of town should be allowed to attend remotely when there was a quorum within chambers.

Mayor Coniglio asked about the policy of Palm Beach County and stated she agreed with Council Member Crampton.

Council Member Araskog indicated she would have a hard time with attorneys not being present in person for quasi-judicial boards.

Council Member Moore felt it was important for commissioners to attend in person, which they agreed to during the application process.

Council President Pro Tem Lindsay felt after the extraordinary pandemic emergency waned, they should go back to what had been done before the pandemic.

Council President Zeidman agreed with Mayor Coniglio, Pro-Tem Lindsay, Council Member Araskog, and Council Member Moore.

Council Member Crampton stated he realized he was in the minority but pointed out Palm Beach was unique compared with other towns in that a lot of people left during the

summer. He felt the Council should make it as easy to participate as possible and he would like to take advantage of the talent.

Council President Zeidman commented the COVID-19 rules would still apply through the summer, for all Boards and Commissions. Stated there would be an opportunity to address this again after the pandemic.

3. Re-Appointment of Town Manager Pursuant to Section 4.02(b) of the Town Charter from February 10, 2021 through February 8, 2022.

Kirk W. Blouin, Town Manager

Town Manager Blouin acknowledged the exceptional staff and strong management team, and looked forward to working with everyone in the next year.

Council Member Araskog expressed her appreciation for Town Manager Blouin's leadership, transparency, and work ethic.

Council Member Crampton discussed Town Manager Blouin's work during the past year that helped the Town to prosper. his engagement with the community, and his management philosophy which set a great example for staff. He supported the reappointment of Mr. Blouin for another year.

Council President Pro Tem Lindsay commented Mr. Blouin had completed two years as Town Manager and she was grateful to have him.

Council President Zeidman expressed her gratitude for being able to work with Mr. Blouin and Mr. Boodheshwar over the past year. She congratulated Mr. Blouin on the exceptional evaluation. She remarked that this past year has been made difficult because of the pandemic. Mr. Blouin leadership has provided a solid flooring for the community.

Mayor Coniglio was grateful to have worked with Town Manager Blouin and for his leadership.

Motion was made by Council Member Moore and seconded by Council Member Araskog to re-appointment Kirk W. Blouin as Town Manager for another year. On roll call, the Motion passed unanimously

4. Approval of 2021 Town-wide Goals

Kirk W. Blouin, Town Manager

Town Manager Blouin reviewed the goals submitted by Council Members:

The Mayor and Council would like to continue to develop financial policies and plans to address the future needs of the town, including reserves, balances, rate of fund, and

potential use of excess balances. Conduct a review of the Town Code; have staff provide an outline, and methods on how this would be accomplished. Engage Town Council and the community.

Completion of the environmental threat assessment, which was now in the implementation phase; important because recommendations would be made. Because there was a potential deployment of resources, the Town Manager needed to know from the Mayor and Council how much to budget, and it would send a message to the community that this was a matter the Council placed high value on moving forward.

Complete or continue planning, zoning and building initiatives, most importantly, to identify and implement a software program. The Town Manager pointed out that the software program main financial commitment.

Town Manager Blouin commented staff continued to provide updates to the Mayor and Council on the Town Marina, which was on schedule, and on budget, and would continue to develop the strategic marketing plan. The project was staff intensive with Town resources and tax dollars devoted to it.

The last goal was the complete review of the water feasibility study. The Town Manager, Public Works and Kimley-Horn were working together to fine tune their plan and identified possible supply sources and distribution options. The plan would be to put together options, and eventually enter into negotiations with a provider.

Council Member Araskog commented one of the things that residents were requesting was a complete residential review of the Town Code. Town Manager Blouin indicated staff would put together a plan to present to Council for their input, and this would be a priority for next year. She also wanted the Woods study for Sea Level rise.

Council President Pro Tem Lindsay recalled discussion where all agreed the most important priority in reviewing the Code was dealing with FEMA requirements for lifting residences and new construction, and felt this item was still urgent.

Mayor Coniglio agreed with Council President Pro Tem Lindsay and wanted to do pieces of the code that needed fixing rather than a review of the entire code. Suggested staff to provide a list which could be prioritized.

Council Member Moore agreed to review specific items in the Code because doing the Code in its entirety would be expensive and time consuming. She confirmed with the Town Manager the goals were not listed in priority order, and he considered the code item would be presented in the near future.

Council Member Araskog asked to include the drainage issue in the FEMA discussion.

There was a consensus to accept the Town Wide Goals

5. Presentation by Town Attorney Regarding the Declaration of Use Agreement Between the Town of Palm Beach and the Mar-A-Lago Club.

John C. Randolph, Town Attorney

Town Manager Blouin explained this had been placed on the agenda because an allegation had been made by a neighbor of the Mar a Lago property through their attorney, and the resulting report to the media that former President Trump was not allowed to reside at Mar a Lago under the Declaration of Use agreement, entered into in 1993. Attorney John Marion was present representing former President Donald J. Trump, and Attorney Reginald G. Stambaugh was present representing neighbors living near Mar a Lago Club.

Council President Zeidman announced the procedures which would be followed for the attorneys' presentations and public comment.

Town Attorney John C. Randolph summarized his written report provided to Council, he indicated this was for informational purposes only. Attorney Randolph stated this was not a quasi-judicial hearing or a hearing, there would be no cross examination.

He reported this matter arose originally as a result of complaints by neighbors through their attorney Reginald Stambaugh, that Mr. Trump, now former President Trump, was not entitled to live at Mar a Lago once it was converted into a private club. The neighbors contend Mar a Lago was either a residence or a home, but could not be both. The language of the Declaration of Use agreement which allowed members only to reside in the guest suites for seven days at any given time, no more than a cumulative 21 days. Town Attorney Randolph stated according to the neighbors the Declaration of Use agreement has already been violated by Former President Trump. Town Attorney Randolph advised that allegation failed to take into account the relevant provisions of the Town Zoning Code, including the first, definition of a private club, which states that a private club may provide living quarters for bonafide employees only; second, that provision in the code which defines the employees was relevant, as any person generally working on site and included sole proprietors, partners, limited partners, corporate officers and the like. Town Attorney Randolph stated he had been advised that former President Trump was indeed an employee under this definition; however, Mr. Marion would address this matter. If Council agreed that former President Trump fit this definition of employee, it was his opinion, that he was entitled to reside in Mar a Lago, and noted there was no specific language prohibiting him from residing there. The language in the agreement regulating the use of guest suites by members or periods of time was not applicable to this situation. It was Town Attorney Randolph's understanding that the owner's suite described in the preservation plan was not a guest suite and was not included within these restrictions. Town Attorney Randolph stated attorney Philip Johnson sent him a letter saying he represented a group called Preserve Palm Beach and should be given the same opportunity to speak as Mr. Marion and Mr. Stambaugh.

Attorney John Marion advised he had enjoyed the privilege of representing former President Donald J. Trump for about 25 years and was very familiar with his participation and events at the Club. He provided history which was provided to Mr. Randolph and repeated for the public. When this application was originally considered it was presented as an Equity Club, but the Town wanted Mr. Trump or one of his entities to own the club, the Town of Palm Beach did not want the responsibility for shortfalls. The Declaration of Use was an agreement entered into by the Town and the Mar a Lago Club, Inc., and owner Donald J. Trump. Attorney Marion stated there were no provision that indicated former President Trump could not reside in the owner's suite. This document was adopted with the special exception documents and described the owner's suite in great detail, and lived there many times for longer periods that were allowed in guest suites over the past 22 years. This was not a variance to the Zoning Code; it was a special exception that allowed an additional use in addition to the residential use it was always used for. He was allowed to live there as an employee or an officer, which was an employee. He was now President of the Mar a Lago Club, as he was before he was President of the United States, when he put everything in trust while he was President of the United States. He reported on former President Trump's activities as President of the club. Mar a Lago Club, Inc. had evolved into Mar a Lago LLC. He shared his screen to show the document that former President Trump was now President of Mar a Lago Club LLC. He next displayed a document listing some of the things he generally did on site at the property. Attorney Marion advised that Attorney Stambaugh represented neighbors of the club on Woodbridge where former President Trump owned four properties in that vicinity, some on that road and others on South Ocean, and while he was President for four years the roadways were blocked, barriers put up, and secret service was more than 100 people. As of Sunday night a week ago that number was reduced to 10 people and expected to stay that way, and barriers had been removed. He described how a property on Woodbridge would be barricaded with guards and secret service in front of that roadway if former President Trump had to live there, which would be horrible for the people living on Woodbridge, and there was no reason why he shouldn't reside at the club.

Attorney Reginald G. Stambaugh urged the Town Council to uphold the Declaration of Use agreement created with Mar a Lago in 1993 in recognition of the impacts the club would have in a residential zone. His clients purchased their home after the agreement was signed, with the expectation that this legal contract would be honored. He stated this agreement assured his clients they would be able to live peacefully and enjoy privacy afforded others on the island but there had been numerous violations over decades, and the Declaration of Use Agreement did provide for the Club to be returned to a residential property, and the former President and his family could live there, referencing Article nine and eleven.

Attorney Philip Johnson, representing Preserve Palm Beach, a group of residents concerned with quality of life in the town felt with Mr. Trump's residence and now the office of the former president that Mar a Lago would become a permanent beacon for rabid lawless supporters. He had not had time to prepare a formal presentation or a full legal response but submitted a letter on the record requesting that no decision be made

today on the issue. He requested deferral until April to allow all interested parties to fully prepare. On a cursory review, he felt if officers of Mar a Lago LLC were permitted to reside at the Club there would be no limitation as to how many residents would be able to live there since the Club controlled the number of officers and it could become a multi-family residence.

Council President Zeidman called for public comment.

Simon Taylor advised he had submitted a memorandum and two emails on this issue. He felt Mr. Marion was incorrect on the point that former President Trump was a bonafide employee of Mar a Lago Club, which could not be defended when he was engaged in running a wing of a political party. Also, Mr. Marion and Town Attorney Randolph had said that there was no prior evidence of the meaning or intent of the declaration could come in and omit the clause saying the agreement supersedes prior agreements, assurances, communications, arrangements, negotiations, meant all prior exchanges in minutes should come in.

Mark Sanderson, speaking for himself and his wife Diane Sanderson, residents of Palm Beach and members of the Mar a Lago Club, thought it unconscionable for the Town to prevent the former President, now a private citizen, from living at his home at Mar a Lago.

President Zeidman stated it did not appear there had been a violation of the Declaration of Use agreement, and appears the information presented by Attorney Marion regarding former President Trump had met the criteria as a bonafide employee and there was nothing that would prohibit him from living in the owner's suite at Mar a Lago.

Council Member Araskog asked Attorney Marion to explain his comment about originally going to make Mar a Lago an equity club. Attorney Marion responded initially what former President Trump wanted to do was subdivide the property but the Town would not approve of subdividing the property. The Declaration of Use agreement was entered into around August of 1993.

Attorney Randolph made a presentation regarding the Declaration of Use Agreement between the Town of Palm Beach and Mar-A-Lago Club and provided opinions regarding sections of the declarations.

XIII. ORDINANCES

A. Second Reading

1. ORDINANCE NO. 02-2021 An Ordinance Of The Town Council Of The Town Of Palm Beach, Palm Beach County, Florida, Amending Chapter 74 Of The Town Code Of Ordinances At Article I, Section 74-1 To Delete Subsection (b) Thereof Relating To Alternate Members, Thereby Deleting The Requirement For Alternate Members

And Providing For A Seven Member Board As Defined In Subparagraph (a) Of Section 74-1; Further Amending New Subsection (f) To Delete Any Reference To Alternate Members; Providing For Severability; Providing For Repeal Of Any Ordinances In Conflict Herewith; Providing For Codification; Providing for an Effective Date.

Jay Boodheshwar, Deputy Town Manager

Town Attorney Randolph read Ordinance No. 02-2021 on second reading by title only.

Motion was made by Council Member Araskog and seconded by Council Member Crampton to approve Ordinance No. 02-2021 on second reading. On roll call, the Motion passed unanimously.

2. ORDINANCE NO. 03-2021 An Ordinance Of The Town Council Of The Town Of Palm Beach, Palm Beach County, Florida, Amending Chapter 74 Of The Town Code Of Ordinances Titled Administration At Article X, Shore Protection Board At Section 2-636, Deleting In Its Entirety Subsection (b) Thereof Relating To Alternate Members So As To Delete The Requirement For Alternate Members, Requiring Only A Seven Member Board As Provided In Subsection (a); Providing For Severability; Providing For Repeal Of Ordinances In Conflict; Providing For Codification; Providing An Effective Date.

Jay Boodheshwar, Deputy Town Manager

Town Attorney Randolph read Ordinance No. 03-2021 on second reading by title only.

Motion was made by Council Member Moore and seconded by Council Member Lindsay to approve Ordinance No. 03-2021 on second reading. On roll call, the Motion passed unanimously.

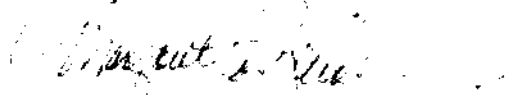

XIV. ANY OTHER MATTERS

There were no other matters to come before the Town Council.

XV. ADJOURNMENT

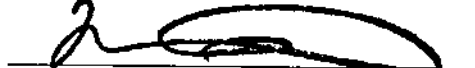

Council Member Moore made a motion, seconded by Council President Zeidman, to adjourn at 5:03 p.m. without benefit of a roll call.

APPROVED:

Margaret A. Zeidman, Town Council President

Credit Report – CRE (Annual Review)

Facility Details		
	Existing Terms	Revised Terms
Type/Facility Amount	\$125,000,000, as evidenced by (i) a Secured Tranche A Note in the principal amount of \$106,000,000 ("Secured Tranche A Note"), and (ii) an Unsecured Tranche B Note in the principal amount of \$19,000,000 ("Unsecured Tranche B Note").	No change
Swap PFE	N/A	\$28,000,000 assuming 10-year Swap on the \$125,000,000 Facility Amount. Note: The related PFE under the Swap will be secured, as a defined Obligation, by the Collateral, however, is being underwritten as "unsecured" since "secured" exposure is limited to 85% of the most recent appraised Collateral Value. Accordingly, the total maximum "unsecured" exposure on closing date of this amendment will be \$47,000,000 (\$28,000,000 Swap PFE & \$19,000,000 Tranche B Note). The Tranche B Note will become (i) secured or (ii) fully paid off within 2-years from the closing date. The SWAP PFE exposure shall at all times be fully guaranteed by the Guarantor and shall not be subject to the defined step-downs in the Guaranty Level, as defined herein.
Purpose:	Acquisition of the collateral property	Extension of the facility that was used to acquire the collateral property and modification to provide Guaranty Step-down provisions in accordance with LTV levels, as defined herein.
Maturity:	Tranche A: 5 years from the Closing Date on 6/11/12, Maturing on 6/10/17. Tranche B: 2-years from the Closing Date; provided, however, that in the event that there exists no event of default that shall have occurred and be continuing, if Borrower so requests and Borrower delivers to Lender an Appraisal, at Borrower's sole cost and expense, evidencing a LTV equal to or less than 85% as calculated based upon the indebtedness evidenced by both the Secured Tranche A Note and the Unsecured Tranche B Note (subject, in any event, to the Dispute Mechanism), the Unsecured Tranche B Note shall be extended to meet the term of Tranche A and the first mortgage lien on the Property shall be deemed to cover such increase in exposure to the property.	Tranche A: 10 years from closing on of the Second Amendment Effective Date. Maturing in 2023. Tranche B: 2-years from the Second Amendment Effective Date, with no other changes to terms as defined under the existing terms.
Repayment:	The committed term will consist of a 5-year interest only period. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR contract.	The committed term will consist of a 10-year interest only period. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.
Interest Rate:	<ul style="list-style-type: none"> Renovation Period: Libor + 2.25% or the Prime Rate Post-Renovation Period: Libor + 2.00% or the Prime Rate minus .25% 	L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10%.
Interest Rate SWAP	N/A	Request approval for an interest rate swap (the "Swap"), for the purpose of hedging interest rate risk, with a notional amount not to exceed the total principal amount outstanding under the loan. The Swap will be cross-collateralized and cross-defaulted to the Loan with the property serving as collateral for the exposure under the Swap. Exposure under the Swap, which has PFE of \$28MM, will also be further supported by the full personal guaranty of Donald J. Trump at all times while the Swap is outstanding.
LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months	No Change

Other Modification:

Partial Release of Mortgaged Premises

The client has been in discussions with the local government to explore the possibility of opening a casino at the collateral property. While this idea is purely in the discussion phase, given the 10-year term of the facility, the Borrower has requested the ability to carve out an 8-9 acre area at the back-side of the property from the mortgage premises if the Borrower should obtain the appropriate state and regulatory approvals to develop a casino on the premises. The portion they are requesting is located behind the ballroom and spa and is currently being used as parking. The condition for release is there can be no material adverse effect on the collateral property as a result of the partial release. The Lender will ago maintain the right to conduct an annual appraisal to confirm any change in the LTV. Please see aerial diagram of the requested partial release attached as Exhibit VI. As the collateral property totals approximately 660-acres, the potential release of 8-9 acres represents approx. 1.4% of the collateral property size.

Repayment Sources/ Key Risks/Mitigants

- **Primary Source of Repayment:** Refinancing of the Collateral Property.
- **Secondary Source of Repayment:** Cash flow from Resort following the Renovation Period. Based on projections the Resort should be able to satisfactorily service the debt paying principal and interest based on a 25-year amortization schedule.
- **Tertiary Source of Repayment:** When the LTV is above 65%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently.

Recommendation:

The Modification to the facility is being recommended for approval based on:

- **Financial Strength of the Guarantor** - The financial profile of the Guarantor includes, on an adjusted basis, \$146 million in unencumbered liquidity, \$2.4 billion in Net Worth and approximately \$13.4 million in adjusted recurring net cash flow.
- **Equity Injection of the Guarantor:** While the initial equity injection of the Guarantor was estimated at \$50MM, we have been told that the estimate has been increased to anywhere from \$150-\$160MM, with approximately \$30MM already invested.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

- **Leverage Levels required for Step-Down of the Guaranty** – The LTV levels required to for a decrease in the guaranty levels are low enough to ensure that the loan is more than adequately collateralized.
- **Operating Experience** – DJT's extensive experience in operating private golf/country clubs. His current portfolio includes 10 such clubs with a reported value of \$1.4 billion and DB adjusted value of \$637 million.
- **Expected Enhanced Value due to Capex** -The Resort is a world class location that has been home to a PGA event every year since the Resort opened in 1962. As DJT expects to invest approximately \$150-160 million on capital improvements it is expected that the value of our Collateral will increase significantly over the term of the Facility.

Regulatory Requirement - One Obligor Principle

IMPORTANT: Transactions subject to banking secrecy in other locations should not be covered

- Does the borrower have other existing credit client relationships in the current booking location or with other Deutsche Bank entities (whether under private individual name or other related entities)?

Yes No

If 'Yes', please provide details:

Please see Total Exposure on Page 1.

- Please certify (tick the box) that this was confirmed with the borrower:

If answered 'Yes' to the above question, the Consolidation of Borrowers' Sheet has to be completed*

* Credit Officer or Lending Officer to complete as per responsibilities in place in the given location

Reg O Questions:

(Lender & CRM Initials)

YES

NO

1.) Is this loan for a DB employee?

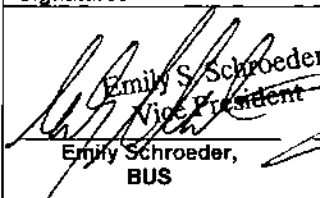

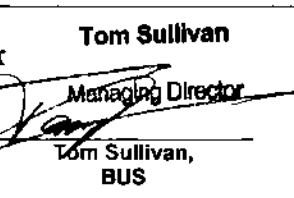

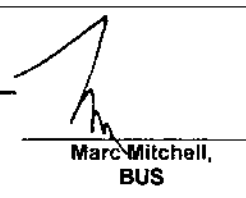

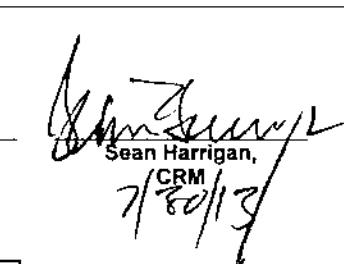

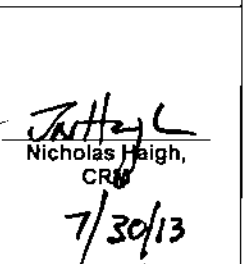

2.) Is this loan for a DBTCA "insider?" or "related party"?

(Consult the most current list of "DBTCA Insiders for Regulation O and NY State Banking Law Reporting Purposes," which is posted on the shared drive R in the folder titled "Reg O," in a Word document titled "Reg O and Insider List")

3.) If the loan is for a DBTCA "insider," will DBTCA, DBPWM or any other subsidiary of DBTCA originate the loan?

(If Yes, the loan must be approved in advance by the DBTCA Board of Directors and the DBTCA Office of the Secretary. Please contact Compliance or Legal immediately.)

Credit Report – CRE (Annual Review)

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/12. We are not aware of any material changes to the Guarantors financial profile. Once the updated 6/30/13 financials have been provided, expected on or before 10/31/13, an updated Guarantor analysis will be completed as part of the review of this facility and the Trump International Hotel in Chicago (401 North Wabash).

Guarantors – Financial Summary: Although the Facility is secured by the Collateral, given its unique nature, the credit exposure is being recommended based on the financial profile of the Guarantor. As part of this underwriting we have met with several members of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantors financial statements which are attached as Exhibit II.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2011 (DB Adjusted)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2012 (DB Adjusted)

Asset Coverage Ratio (>=6.0)			33.32	8.41

- **Liquidity** – On 10/19/2012 Tom Sullivan and Emily Schroeder visited the offices of the Guarantor and reviewed bank and brokerage statements that confirmed \$146.3 million in cash balances and marketable securities, representing 86% of the client reported amount and of which \$118.4 million was held by in the name of the Guarantor and \$27.9 is held in operating accounts of entities that are wholly-owned by the Guarantor. The client reported balance has decreased by \$89.2 million from the prior year primarily due to the client's investment in property development, retirement of debt and asset acquisition. (See Cash Flow section for additional details).

Subsequent to June 30, 2012, the Guarantor closed a new \$100 million refinancing on August 30, 2012 on the Trump Tower property. The transaction replaced the existing \$26.9 million in existing debt and allowed the Guarantor to take a \$73 million cash distribution which further increased his reported liquidity. Adjusting for the distribution would increase the Guarantor's cash balance to \$251.7 million.

The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. As of June 30, 2012 the total life-to-date balance of such deposits collected across the 12 clubs owned by the Guarantor was approximately \$157 million, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income.

TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

- **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/31/12 which reflects the Guarantor's 4 wholly owned trophy properties, the portfolio of 12 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$501.1	\$480.2	\$26.7	\$474.4	*\$380.2
Niketown – East 57 th St	\$279.5	\$197.0	\$46.4	\$233.1	\$150.6
40 Wall Street	\$527.2	\$438.0	\$160.0	\$367.2	\$278.0
Trump Park Ave	\$312.4	\$206.3	\$22.2	\$290.2	\$184.1
Subtotal – 4 Trophy Properties	\$1,620.2	\$1,221.5	\$255.3	\$1,364.9	\$992.9
Club Facilities	\$1,570.3	\$785.2	\$148.4	\$1,421.9	\$636.7
Other Property Interest	\$412.6	\$93.1	\$15.2	\$397.4	\$77.9
Total – Portfolio	\$3,603.1	\$2,099.8	\$418.9	\$3,184.2	\$1,707.5

* Reflects adjustment for \$480 million appraised value less new debt of \$100 million, which closed on August 31, 2012.

⇒ **4 Trophy Properties** – The valuations for each of these properties were discussed with DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.

- **Trump Towers** – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/12 the property had associated debt of approx \$26.9M. On 8/30/12 the property was refinanced for \$100MM allowing DJT to take a distribution of approx \$73MM in cash. The loan is non-recourse and matures in 2022. A recent appraisal performed in conjunction with the refinance valued the property at \$480MM resulting in a roughly 21% LTV. Although we did not adjust for the additional liquidity distributed to the Guarantor, we are adjusting the property value to reflect the recent appraisal and new debt.
- **Niketown** – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG has indicated an adjusted value of \$197 million. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
- **40 Wall Street** – The 72 floor tower consist of 1.3 million in premier office space. The property has an NOI of \$26.2 million with the Guarantor using a 5.00% cap rate to derive the reported value. DBVSG has provided a 6.00% cap rate for purposes of calculating the adjusted value. The existing debt in the amount of \$160 million, of which the Guarantor currently guarantees \$20 million, is scheduled to mature in November 2017. (Note: Guarantor has indicated that they invested approximately \$20 million in capex over the last 12 months to significantly upgrade the property).
- **Trump Park Avenue** – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space has a reported value based on unsold units and retail rates of \$312.4 million. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/12, had an outstanding balance of 22.2MM and matures 8/1/15. Based on discussions with DBVSG we elected to take an approximate 35% haircut on the reported value.

⇒ **Club Facilities** – The Guarantor wholly owns interest in 12 private club facilities which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump International Golf Club in Scotland; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA in addition to the newly acquired Trump National Doral in Miami, Florida (please see previous memo for details) and the Trump National Golf Club in Charlotte, NC. In accordance with membership requirements members of the clubs are required to make an up-front membership deposit which is in the form of a non-interest bearing 30-year deposit. The deposits are non-refundable without condition prior to 30-years. Based on the terms of the deposit they are not recorded as a liability on the financial statements of the specific clubs. The Guarantor has obtained tax opinions supporting the accounting of such deposits for tax purposes. Life-to-date the clubs have collected \$157 million in such deposits. For purposes of our analysis the \$1.57 billion in reported value has been reduced by 50% for deriving an adjusted value.

⇒ **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 23%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$291million based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of June 30, 2012 the Guarantor elected not to include the value of the Trump Chicago International Hotel & Tower in its financial statements, pending the completion of the updated appraisals as discussed herein. Based on the total appraised value of the Residential Component and the Commercial Component totaling \$239.3 million less the reported maximum proposed debt of \$107 million the unreported net equity value in the Property is approximately \$132.3 million. For purposes of presenting the financials of the Guarantor as of June 30, 2012 we have elected not to include the net equity value of this Property.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

Update: As of 11/9/12, DB provided the Guarantor with a bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago. As part of the transaction two appraisals were performed by Cushman and Wakefield as of 8/21/12 which indicated a total property value of \$239.3 (\$113MM for the unsold condos and \$126.3MM for the hotel). The initial loan totaling \$99MM consisted of a \$54MM Tranche A Note taking the remaining unsold condos as collateral (48% LTV) and a \$45MM Tranche B Note taking the hotel portion as collateral (36% LTV). Since closing, the entire Tranche A Note facility has been repaid in full and the Tranche B Note facility has approx. \$27MM outstanding resulting in a 21% LTV. This \$100M+ in equity value in the hotel and remaining unsold condos, have not been included in the Guarantor's financial analysis above. In addition, the hotel was budgeted in 2012 to generate approximately \$2.3MM in cash-flow before debt service which has not been included in Mr. Trump's cash flow.

- **Partnership and Joint Ventures** - 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, Cushman & Wakefield and Columbia University. 555 California Street consists of one retail and two office buildings for a total of 1.7 million leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$823.3 million is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The Guarantor has pledged certain of these fees to secure a \$20 million mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$20 million has been netted against the \$85 million reported value. For purposes of deriving an adjusted value we assumed a 50% haircut against the net reported value.
- **Other Assets** – includes a Boeing 757 Jet, a Sikorsky helicopter, ownership rights to the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date and contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report, which is attached as Exhibit VI indicates a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.
- **Contingents** – as of 6/30/12 DJT's gross contingent obligations were reported to be \$195.7 million, which included: a) the \$125 million in support provided under the Doral credit facility with PWM, b) \$25 million in personal recourse on the existing debt, agented by DB CB&S Real Estate group, related to the Trump International Hotel in Chicago (**Update: This debt is currently \$27MM to DB AWM**); c) \$20 million on a limited guarantee for the \$160 million commercial mortgage on 40 Wall Street extended by Capital One; d) \$11 million on Trump Golf at Ferry Point to the City of New York, e) \$7.6 million related to 7 Springs Resort and \$7.1 million in certain other project related completion guarantees. (See IIC – Schedule of Contingent Liabilities). For purposes of adjusting the reported balance we replaced the existing \$25 million guarantee with the maximum exposure under the proposed Facilities of \$107 million for an adjusted gross contingent liability amount of \$277.7 million.
- **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which are generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2012.

Type	DB Adjusted FY 6/30/12	Client Reported FY 6/30/12	(11 Mos) 11/30/11	FY 2010

⇒ **Real Estate** – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section. It should be noted that 2010 includes \$85 million in the repayment of certain Notes that were held by the Guarantor.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

- ⇒ *Entertainment* – represents distributions generated primarily through the Guarantors involvement in the TV show “The Apprentice” along with income generated through his affiliation with The Golf Channel. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12. The Apprentice maintains a one-year rolling contract and just recently began filming the 2013 season.
 - ⇒ *Clubs* – represents distributions generated through the portfolio of 10 Clubs which are wholly owned by the Guarantor. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12.
 - ⇒ *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements. For purposes of deriving adjusted annual cash flow we have assumed the lesser of i) the average between 2010, the first 11 months of 2011 and, ii) the 12 months ending 6/30/12 and the client reported amount.
 - ⇒ *Non Operating Revenue* – includes tax refunds, insurance settlements, gains on sale and other one-time type items. Due to the nature of this cash flow we excluded for the purposes of calculating recurring cash flow.
 - ⇒ *Investment Income* – represents interest and investment income on cash and marketable securities. For purposes of deriving annual adjusted revenue we have assumed the 12 months ending 6/30/12.
 - ⇒ *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12.
 - ⇒ *Uses of Cash* – primarily utilized for i) property development with significant capital investment in 40 Wall (\$20 million), Trump International Golf Course in Scotland (\$20 million), ii) acquisition of Trump International in Charlotte (\$5 million), and acquisition of new helicopter (\$25 million) for purposes of transporting people from airport to Doral golf course in Miami, and iii) retirement of debt purchased from Fortress (\$48 million) related to the Trump Chicago and from Eurohypo related to the Trump Las Vegas. For purposes of deriving annual adjusted uses of cash we have assumed client reported amounts with the exception of the Retirement of Debt and Club Acquisitions, which we assumed to be zero as there are no material contractual amounts due or scheduled acquisition in 2013. The client indicated that the investment Property Development is expected to decline in 2013.
 - ⇒ *Net Excess Cash Flow* – the net decrease in reported Excess Cash Flow of \$89.1 million reconciles to the reported decrease in the Guarantors reported Cash balance from \$258.9 million to \$169.7 million.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of the obligation (the full \$125MM) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of the 4 criteria slightly missing the required Cash Flow Ratio, due to the significant investment in property development during the period. It should be noted for purposes of reporting contingents, approximately \$270 million of the adjusted contingent liabilities is related to secured debt however the full amount of the exposure is still included in the Guarantor’s financials. Assuming the maximum Swap PFE of \$28 million the Guarantor meets 3 of the unsecured ratios, still falling short on the Cash Flow Ratio.

Project Overview

In 2007, the Property joined CNL Hospitality and became part of the Marriott portfolio of 60 worldwide resorts. Since that time, the Guarantor feels the property's performance has degraded significantly due to the misalignment of Marriott's mid-level brand with Doral's luxury potential, an inconsistent guest experience and a lack of expertise in golf operations. The Guarantor feels their branding and operating experience is more closely aligned with Doral's potential as a high end golf and resort destination.

The Property has been invested in significantly over the years with more than \$67MM of capital improvements completed since 2005. A very significant portion of that amount, +\$20MM, has been invested in mechanical, electrical, plumbing and other "behind the wall" improvements. Since acquisition the Guarantor has indicated they will invest between \$150MM-\$160MM to renovate and reposition the resort to its previous world-class standard. Significant renovations began in April 2013 and are targeted to be almost entirely completed by the end of 1Q 2014. The goal of the refurbishment is to ensure a consistent guest room quality and enhanced guest experience throughout the rooms and public spaces of the resort. As rooms are located in multiple lodges, there will never be the requirement to close the entire resort as only a portion of rooms will be out of inventory at any time.

Renovation of the Main Building, Conference Area, Spa and Champions Pavilion will include an aesthetic upgrade of the lobbies, reception areas meeting spaces, restaurants, retail space, spa and corridors. Renovation of the Lodges and Spa Suites will include both interior and exterior work including painting, lighting and landscaping. Guest rooms will undergo a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse will receive a brand new design that will enlarge the space and improve the finishes to support the drive to increase the number of the members and amount of dues. The golf course renovations will be primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The remaining funds will be used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

Property Performance

Historical

The Guarantor has provided Profit and Loss statements for Property for the four years, 2007-2010.

	2007 Actual	2008 Actual	2009 Actual	2010 Actual
Occupancy Rate	69.3%	66.7%	56.1%	70.6%
ADR	\$182.69	\$184.45	\$155.6	\$144.46
RevPar	\$126.54	\$122.97	\$87.37	\$101.95
Total Revenue	\$96,391	\$96,848	\$70,465	\$80,539
Total Operating Expenses	\$78,149	\$81,562	\$68,937	\$75,799
Net Operating Income	\$18,242	\$15,286	\$1,528	\$4,740
EBITDA	\$23,041	\$20,126	\$5,052	\$8,765

As illustrated above, the property has seen a steady decline in NOI since 2007. The Guarantor feels that this is a result of mismanagement of the property resulting in an inconsistent guest experience and lack of expertise in golf operations. Given the Guarantor's successful history in the hotel and golf course space, they feel there is substantial opportunity in the property once it is repositioned.

Once renovations are completed at the end of the second year of operations (March 2014), the Guarantor believes the cash flow generated by the property will increase dramatically.

Actual 2012 and Projected

	2012 6 months Actual	2012 Annualized Actual	2013 Projected	2014 Projected	2015 Projected
Occupancy Rate	48.39%	N/A	62.2%	73%	73%
ADR	\$148.58	N/A	\$175.0	\$208	\$250
RevPar	\$67.43	N/A	\$108.85	\$151.85	\$182.5
Total Revenue	\$30,025	\$60,050	\$82,099	\$111,237	\$121,993
Total Operating Expenses	\$37,754	\$75,508	\$69,899	\$87,295	\$93,786
Net Operating Income	(\$7,729)	(\$15,458)	\$12,200	\$23,942	\$28,207
EBITDA	(\$6,553)	(\$13,106)	\$12,200	\$26,169	\$31,869
Actual Debt to EBITDA	N/A	N/A	10.25x	4.78x	3.92x

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

As the Borrower purchased the collateral property in June of 2012, we have been provided with financial statements for the 6 months ending 12/31/12. The property reportedly produced \$30,025M in revenue less \$37,754M in expenses for a deficit of \$7,729M. The deficit can be attributed to the ongoing renovations at the property which has left only a portion of the rooms available for guest use, thus limiting the potential revenue generated. In addition, the golf courses are also being renovated limited revenue generated by the golf operations. All renovations are expected to be completed prior to the PGA-Cadillac World Golf Championship which is scheduled for the beginning of March 2014, thus 2013 revenues are expected to be further impaired as a result of the on-going renovations. It should be noted that prior to the delivery of a new appraisal showing an "as is" value greater than \$192.3MM (65% LTV), the Guaranty level remains at 100%.

The projections are supported by the Guarantor's plan to improve the revenue generated in four specific areas of concentration; guest rooms, food and beverage, golf and expense management. As illustrated in the above historical figures, prior to the implementation of the Marriott management company, when the Property was operated as a single flag, the Doral produced EBITDA of \$23MM. As aforementioned, the Guarantor's goal is to restore it to this level by 2014.

The Property's competitive set includes the PGA National Resort in Palm Beach (85 miles from subject), Fairmount Turnberry Isle in Aventura (23 miles), Intercontinental Hotel Miami (13 miles), Innisbrook Resort & Golf Club (283 miles), Loews Miami Beach Hotel (17 miles) and Westin Diplomat Resort Golf and Spa (25 miles). Over the past few years, the Property has significantly underperformed its competitive set losing market penetration from 94.4% during 2005 to 80.8% during 2007 to 65.7% for the 12 months ending August 2011. It is the view of the Guarantor that the affiliation with the Trump Hotel brand will elevate the Property and support the growth projection of an increase in market penetration to 89% vs a competitive set that they feel is weaker than that faced by other properties in the Trump portfolio.

In addition to the guest rooms, the Guarantor plans to reposition the food and beverage venues to better serve a high end clientele in addition to promoting the wedding and event business. As golf course operations are viewed as a particular strength of the Trump organization, the Guarantor projects a strong growth in the key golf operating metrics as follows:

	At closing 6/2012	1 st Year Stabilized
Members	752	857
Golf Dues	\$6,720	\$10,000
Initiation Fees	\$15,500	\$50,000
Revenue	\$16,239,744	\$26,795,578

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 7/24/13 – \$125MM – STRUCTURED

Credit Report – CRE (Annual Review)

Update: As per the Borrower during 2012 there were \$776,050 in initial fees collected and the member count as of 7/23/13 has increased to 758.

The final area of concentration (and possibly the most important) is the Guarantor's plans to more effectively control costs without comprising quality. At the forefront of the expense management program is corporate oversight over every budget category. Expenses are controlled through best practices created at other hotels and golf courses, leveraged national account pricing across every department, competitive bidding of goods and services and detailed analysis regarding expenditure decisions.

US ONLY:

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBTCA (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

NO AFFILIATE COLLATERAL HELD

Collateral ~~187~~ to ~~241.55~~

Situated on a 119,388 SF site, the subject property is known as the 92-story Trump International Hotel and Tower Chicago (the "Property"). The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The structure will consist of two facilities (together the "Facilities") and the underlying collateral will be allocated as follows between the Facilities.

Facility A: A first mortgage lien and a first priority security interest in the residential component ("Residential Component") of the property consisting of, but not limited to, all unsold (a) residential condominium units (not to exceed 106 units), (b) deeded parking spaces, (c) storage spaces, and (d) associated common areas, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets. Facility A will be cross collateralized with Facility B, with a subordinate lien on the Collateral under Facility B, however, only for the period of time that Facility B remains outstanding.

Facility B: A first mortgage lien and first priority security interest in the commercial component ("Commercial Component") of the property consisting of, but not limited to, (a) a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which shall be included as Collateral and 164 rooms that are owned by third parties ("Third Party Units") and which shall not be included as Collateral, (b) approximately 38,000 SF of banquet space, (c) a 23,000 SF spa, and (d) a 285 space public parking garage, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets. Facility B will be cross collateralized with Facility A, with a subordinate lien on the Collateral under Facility A, however, only for the period of time that Facility A remains outstanding.

The Property also includes 85,000 sq ft of retail space that shall not be part of the Collateral and accordingly has not been included as part of the Collateral valuation discussed herein.

The Facilities will also be further supported by a full and unconditional guarantee provided by DJT of (i) Principal and Interest due under the Facility, and (ii) Operating Shortfalls of the Collateral property, as defined herein.

*For collateral monitoring purposes, the Facility is being underwritten as Other Secured.

Credit Report - Structured

Covenants: Does the subject facility have covenants: Yes No
Did the covenants change since last credit approval: Yes No Not Applicable

Reason for Presentation:

- 1) Request approval for up to a \$107 million term commitment in the form of two senior secured credit facilities, which will be further supported on a full recourse basis by the Guarantor. Based on the unit sales under the Residential Component since execution of the term sheet plus the timing of additional pending sales which may close prior to the Closing Date, the total commitment amount is expected to be in the range of \$95 million - \$100 million. The Facilities are summarized as follows.
 - Facility A – up to a \$62 million, 4 year term facility plus a 12-month extension option, subject to the extension terms as defined herein. As indicated, due to unit sales, actual commitment amount on Closing Date is expected to be in the range of \$55 million to \$60 million. (*Expected LTV at Closing Date is 55%*)
 - Facility B – up to a \$45 million, 5-year term facility plus a 24 month extension option subject to the extension terms as defined herein. (*Expected LTV on Closing Date is 36%*)

Proceeds from the Facility will be utilized refinance the existing construct-to-perm facility, which is agented by the DB CB&S Real Estate group that is scheduled to mature on July of 2013. The existing outstanding debt totals approximately \$97.8MM. Proceeds from these Facilities will also finance closing costs and other related fees and expenses. The proceeds will not include any distributions to the Guarantor.
- 2) Request approval for an interest rate swap (the "Swap"), for the purpose of hedging interest rate risk, with a notional amount not to exceed the principal amount outstanding under Facility B. The Swap will be cross-collateralized and cross-defaulted to Facility B with the property serving as collateral for the exposure under the Swap. Exposure under the Swap, which has PFE of \$5.7MM, will also be further supported by the personal guaranty of Donald J. Trump. (*See Section VIII. Other for further discussion on documentation supporting the Swap.*)
- 3) Request approval to amend the transaction documentation supporting the \$125 million Trump Doral credit facility to recognize that Lender shall not have the right to terminate the Doral management agreement as a result of realizing a cross-default under these Facilities.

Type: Other Secured
Borrower: 401NORTH WABASH VENTURE LLC
Guarantor: Donald J. Trump
Loan Amount: Up to \$107,000,000 consisting of two facilities.

- Facility A: Up to \$62MM (subject to being reduced due to the sale of additional units prior to closing)
- Facility B: Up to \$45MM

Purpose: To refinance the existing construct-to-perm facility, which is agented by the DB CB&S Real Estate group that is scheduled to mature on July of 2013. The existing outstanding debt totals approximately \$97.8MM. Proceeds from these Facilities will also finance closing costs and other related fees and expenses. The proceeds will not include any distributions to the Guarantor.

Collateral Property: Facility A: A first mortgage lien and a first priority security interest in the residential component ("Residential Component" of the property consisting of, but not limited to, all unsold (a) residential condominium units, (b) deeded parking spaces, (c) storage spaces, and (d) associated common areas, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets. Facility A will be cross collateralized with Facility B, with a subordinate lien on the Collateral under Facility B, however, only for the period of time that Facility B remains outstanding.

TNT

Facility B: A first mortgage lien and first priority security interest in the commercial component ("Commercial Component") of the property consisting of, but not limited to, (a) a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which shall be included as Collateral and 164 rooms that are owned by third parties ("Third Party Units") and which shall not be included as Collateral, (b) approximately 38,000 SF of banquet space, (c) a 23,000 SF spa, and (d) a 285 space public parking garage, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets. Facility B will be cross collateralized with Facility A, with a subordinate lien on the Collateral under Facility A, however, only for the period of time that Facility A remains outstanding.

Collateral Type: Facility A: Until full repayment of Note A, 1st mortgage lien and first priority security interest in the Residential Component of the Property (with a subordinate lien on Collateral under Note B, but only for so long as Note B is also outstanding). Collateral shall also include a collateral assignment of executed purchase and sales agreements and to all deposits provided under the purchase and sales agreements and all contracts, agreements and other tangible and intangible property rights of Borrower associated with the ownership and operation of the Property, but excluding any rights to the Trump brand or any derivation thereof.

Facility B: Until full repayment of Note B, 1st mortgage lien and first priority security interest in the Commercial Component of the Property (with a subordinate lien on the Collateral under Note A, but only for so long as Note A is also outstanding). Collateral shall also include all contracts, agreements and other tangible and intangible property rights of Borrower associated with the ownership and operation of the Property, but excluding any rights to the Trump brand or any derivation thereof.

Notwithstanding the forgoing, each of the management agreements associated with the properties under Facility A and Facility B shall be Collateral under the Facility, and shall remain in place in accordance with the terms of such management agreements, and, at Borrower's request, Lender shall provide a recognition agreement to the manager(s) with respect to each of the management agreements, which recognition agreement(s) shall acknowledge that such management agreements shall remain in place pursuant to their terms. Notwithstanding the foregoing, Lender shall have the right to terminate such management agreements only upon the acceleration of Facility, but only if such acceleration is a result of the occurrence and continuation of an Event of Default resulting from events that must include any one or more of the following events: (1) Borrower's or Guarantor's failure to pay principal and/or interest when due and payable under Facility Note A and/or Facility Note B, (2) fraud, gross negligence, willful misconduct or misappropriation of funds by manager or (3) bankruptcy proceedings being initiated with respect to manager or Borrower. For the avoidance of doubt, Lender shall not have the right to terminate the management agreement in connection with any acceleration arising out of any other Event of Default that is not enumerated in clauses (1), (2) or (3) above, including, without limitation, any acceleration arising out of any cross-default between the Facilities and any other loan facility (other than Facility A or Facility B). Cancellation of the Management Agreements, without the consent of the Lender is an Event of Default, with the exception of the involuntary cancellation of such agreement, should it be involuntarily terminated by an independent Condominium/Hotel Board or by the Management Company due to the failure to receive the payment of management fees. In addition, the Doral loan documents shall be amended to provide that Lender shall not have the right to terminate the Doral management agreement as a result of any cross-default between the Doral loan and Facility Note A.

Guarantee:	<p>Facility A: Donald J. Trump - 100% of principal, interest and Operating Shortfalls of Facility Note A's collateral.</p> <p>Facility B: Donald J. Trump - 100% of principal, interest and Operating Shortfalls of Facility Note B's collateral.</p> <p><u>Operating Shortfalls</u> shall be defined as the amount by which the operating expenses exceed operating income in respect to the collateral properties with respect to Shortfall Coverage Period. The <u>Shortfall Coverage Period</u> is defined as the earliest of (a) a final judgment in respect of foreclosure proceedings regarding the collateral property, (b) acceptance by the Lender of a deed-in-lieu transferring title of the collateral property from the Borrower to the Lender (c) termination of the Guaranty by the Lender, or (d) the earlier to occur of (x) final judgment in respect of (i) any action for payment of the Guaranteed Obligation instituted by Lender, or (ii) any action by Lender regarding enforcement of their rights under this Guaranty.</p>
Maturity:	<p>Facility A: 4-years from closing plus 12-month extension option</p> <p>Facility B: 5 years from closing plus 24 month extension option</p>
Extension Option:	<p>Facility A: The Borrower may exercise a one-time extension of the Facility, in writing within 60-days prior to the Maturity Date of Facility Note A, under which the Maturity Date will be extended by 12-months if the Facility Note is in compliance with the following conditions: (i) the amount outstanding under the Facility Note A shall not exceed \$6,000,000, (ii) the Loan-to-Value under Facility Note A shall not exceed 25%, and (iii) there are no other events of default under Facility Note A or Facility Note B.</p> <p>Facility B: The Borrower may request a one-time extension of the Facility, in writing no earlier than, or anytime after, the second anniversary date for an additional 24-month period (the "Extension Period") extending beyond the Initial Maturity Date. Such extension will be approved at the sole discretion of the Lender.</p>
Extension Fee:	<p>Facility A: 0.25% of the outstanding Facility Note Amount under Facility Note A shall be earned and paid on the first day of such extension period.</p> <p>Facility B: 0.50% of the outstanding Facility Note Amount under Facility Note B shall be earned and paid on the first day of such extension period.</p>
Maximum Advance Rate:	<p>Facility A: Shall not exceed 57% of the "as is" appraised value of the Collateral. "As Is Appraised Value" will be equal to the as-is value / bulk value of \$113 million (\$113,000,000) as identified in the August 21, 2012 Cushman and Wakefield appraisal, which value shall be adjusted downward as a result of any closings of residential condominium units or deeded parking spaces that were included in the appraisal collateral, but which close prior to the Closing Date. The appraised value adjustment will be equal to \$584 per square foot for any residential condominium unit and \$37,466 per any deed parking space.</p> <p>Facility B: Shall not exceed 60% of the "as is" appraised value of the Collateral.</p>
Minimum Repayment:	<p>Facility A: To be established at closing as the amount required per annum to pay the loan down to \$6MM at the end of the initial Term based on annual straight line amortization. (For example if original loan amount at closing is \$62 million the annual Minimum Repayment Amount shall be \$14 million per annum.) Should the total annual Mandatory Repayment Amount be less than the Annual Minimum Repayment amount the Borrower or Guarantor shall make payment from its own sources. If the Mandatory Repayment Amount for any year exceeds the Minimum Repayment Amount for such year, all excesses will roll over and be credited towards achieving any future Minimum Repayment Amount.</p> <p>Not applicable for Facility B.</p>
Mandatory Repayment:	<p>Facility A: Individual condominium units shall be released upon the payment of the greater of (x) 92% of the Gross Sales Proceeds received upon sale of each Condo Unit and (y) the Minimum Release Price to be paid at closing of such sale, until all amounts due and payable under the Facility have been paid in full. Minimum release prices which are included in Schedule V of this memo.</p> <p>Facility B: Based on a 30-year amortization schedule to be paid quarterly.</p>
Interest Rate:	<p>Facility A: L + 3.35%</p> <p>Facility B: L + 2.25%</p>
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months

Facility Fee:	Facility A: 0.625% of Facility A payable on the Closing Date of the Facility Facility B: 0.75% of Facility B payable on the Closing Date of the Facility
Account to Charge:	An account to be opened by the Borrower at Lender.
Documentation:	Loeb & Loeb, LLP

Repayment Sources/ Key Risks/Mitigants	
> Primary Source of Repayment:	Facility A: Sale of the remaining un-sold condo units. Facility B: Cash flow generated by the Commercial Component of the collateral.
> Secondary Source of Repayment:	Refinancing of the collateral property.
> Tertiary Source of Repayment:	Full and unconditional guarantee of DJT which eliminates any shortfall associated with operating and liquidation of the Collateral.

Recommendation:	
The Facility is being recommended for approval based on:	
<ul style="list-style-type: none"> <i>Quality of the Collateral and LTV</i> – the Property is in the form of a luxury hotel and condominium building located in Chicago. Based on recent "As Is" values provided in appraisals, as discussed herein and performed for purposes of underwriting these Facilities, the Residential Component is valued at \$113 million which provides a Maximum LTV of 55%, and the Commercial Component is valued at \$126.3 million which provides a Maximum LTV of 36%. The combined maximum LTV based on the maximum commitment amount of \$107 million is 44.7%. (See Section IV Financial Analysis – Property for additional details) <i>Financial Strength of the Guarantor</i> - The financial profile of the Guarantor includes, on an adjusted basis, \$146 million in unencumbered liquidity, \$2.4 billion in Net Worth and approximately \$13 million in adjusted excess recurring net cash flow. (See Section II – Financial Analysis – Guarantor for additional details.) <i>Nature of the Guarantee</i> - The nature of the guarantee which is fully unconditional and includes both principal and interest due under the Facilities along with Operating Shortfalls of the Property, as defined herein. <i>Operating Experience</i> - DJT is a well known and experienced in operator of properties of this type. <i>DB Relationship</i> – DJT continues to develop his relationship with DB, as this is the third credit facility we have originated with him or his family (2 with DJT 1 with DJT Jr). DJT has transferred \$20 million in liquidity to DB and has indicated he is interested in continuing to grow his non-credit relationship with the firm. The PWM Banking team has been introduced to each DJT's three adult children and two have also established relationships with the firm. In addition, the CB&S Real Estate Team, which currently agents the loan being refinanced by the proposed Facilities, also has an on-going dialogue with the family. 	

Reg O Questions:	(Lender & CRM Initials)	
	YES	NO
• Is this loan for a DB employee?	_____	_____
• Is this loan for a DBTCA "insider?" <i>(Consult the most current list of "DBTCA Insiders for Regulation O and NY State Banking Law Reporting Purposes," which is posted on the shared drive R in the folder titled "Reg O," in a Word document titled "Reg O and Insider List")</i>	_____	_____
• If the loan is for a DBTCA "insider," will DBTCA, DBPWM or any other subsidiary of DBTCA originate the loan? <i>(If Yes, the loan must be approved in advance by the DBTCA Board of Directors and the DBTCA Office of the Secretary. Please contact Compliance or Legal immediately.)</i>	_____	_____

I. Summary of Transaction

> Request/Purpose

The purpose of the transaction is to provide maximum financing in the amount not to exceed \$107 million for the purposes of refinancing the existing debt on the Property, in the form of the original construct-to-perm facility, which is agented by the DB CB&S Real Estate group that is scheduled to mature on July of 2013. The Property is located on a 119,388 SF site and is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Properties retail space shall not be included as Collateral under the Facilities and is not reflected in the Property valuations that are presented herein.

The financing will be structured under two separate senior secured credit facilities:

Facility A: A first mortgage lien and a first priority security interest on the Residential Component. The maximum advance rate for Facility A shall not exceed 57% of the "as is" appraised value of the Collateral. The "As Is" appraised Value" will be equal to the "as is" value/bulk value of \$113MM as identified in the 8/21/12 appraisal performed by Cushman & Wakefield. Based on the appraisal the expected LTV on the Closing Date is 55% (See Exhibit IV. A - copy of Residential Appraisal)

Facility B: A first mortgage lien and first priority security interest in the Commercial Component. The maximum advance rate for Facility A shall not exceed 60% of the "as is" appraised value of the Collateral. The "As Is" appraised value is \$126.3 million based on the appraisal performed by CB Richard Ellis, dated 7/23/12. Accordingly, the expected LTV at closing is expected to be 36%. (See Exhibit IV B - Copy of Commercial Appraisal)

II - Financial Analysis - Guarantor

Guarantors - Financial Summary: Although Facilities are secured by the Collateral, given its unique nature, the credit exposure is being recommended based on the financial profile of the Guarantor. As part of this underwriting we have met with several members of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantors financial statements which are attached as Exhibit II.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2011 (DB Adjusted)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2012 (DB Adjusted)

Liquidity Ratio (>= .25)	2.04	1.06	1.32	.47
Asset Coverage Ratio (>=6.0)	31.7	17.84	33.32	8.43

- **Liquidity** - On 10/19/2012 Tom Sullivan and Emily Schroeder visited the offices of the Guarantor and reviewed bank and brokerage statements that confirmed \$146.3 million in cash balances and marketable securities, representing 86% of the client reported amount and of which \$118.4 million was held by in the name of the Guarantor and \$27.9 is held in operating accounts of entities that are wholly-owned by the Guarantor. The client reported balance has decreased by \$89.2 million from the prior year primarily due to the clients investment in property development, retirement of debt and asset acquisition. (See Cash Flow section for additional details)

Subsequent to June 30, 2012, the Guarantor closed a new \$100 million refinancing on August 30, 2012 on the Trump Tower property. The transaction replaced the existing \$26.9 million in existing debt and allowed the Guarantor to take a \$73 million cash distribution which further increased his reported liquidity. Adjusting for the distribution would increase the Guarantors cash balance to \$251.7 million.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT - RISK MANAGEMENT

7 | Page

The Guarantors personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantors portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. As of June 30, 2012 the total life-to-date balance of such deposits collected across the 12 clubs owned by the Guarantor was approximately \$157 million much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income.

- **Real Estate – Net Equity** - the following table summarizes the Guarantors total real estate portfolio, as of 6/31/12 which reflects the Guarantors 4 wholly owned trophy properties, the portfolio of 12 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$501.1	\$480.2	\$26.7	\$474.4	*\$380.2
Niketown – East 57 th St	\$279.5	\$197.0	\$46.4	\$233.1	\$150.6
40 Wall Street	\$527.2	\$438.0	\$160.0	\$367.2	\$278.0
Trump Park Ave	\$312.4	\$206.3	\$22.2	\$290.2	\$184.1
Subtotal – 4 Trophy Properties	\$1,620.2	\$1,221.5	\$255.3	\$1,364.9	\$992.9
Club Facilities	\$1,570.3	\$785.2	\$148.4	\$1,421.9	\$636.7
Other Property Interest	\$412.6	\$93.1	\$15.2	\$397.4	\$77.9
Total – Portfolio	\$3,603.1	\$2,099.8	\$418.9	\$3,184.2	\$1,707.5

* Reflects adjustment for \$480 million appraised value less new debt of \$100 million, which closed on August 31, 2012

→ **4 Trophy Properties** – The valuations for each of these properties were discussed with DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.

- **Trump Towers** – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/12 the property had associated debt of approx \$26.9M. On 8/30/12 the property was refinanced for \$100MM allowing DJT to take a distribution of approx \$73MM in cash. The loan is non-recourse and matures in 2022. A recent appraisal performed in conjunction with the refinance valued the property at \$480MM resulting in a roughly 21% LTV. Although we did not adjust for the additional liquidity distributed to the Guarantor, we are adjusting the property value to reflect the recent appraisal and new debt.
- **Niketown** – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG has indicated an adjusted value of \$197 million. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
- **40 Wall Street** – The 72 floor tower consist of 1.3 million in premier office space. The property has an NOI of \$26.2 million with the Guarantor using a 5.00% cap rate to derive the reported value. DBVSG has provided a 6.00% cap rate for purposes of calculating the adjusted value. The existing debt in the amount of \$160 million, of which the Guarantor currently guarantees \$20 million, is scheduled to mature in November 2017. (Note: Guarantor has indicated that they invested approximately \$20 million in capex over the last 12 months to significantly upgrade the property).
- **Trump Park Avenue** – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space has a reported value based on unsold units and retail rates of \$312.4 million. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/12, had an outstanding balance of 22.2MM and matures 8/1/15. Based on discussions with DBVSG we elected to take an approximate 35% haircut on the reported value.

⇒ **Club Facilities** – The Guarantor wholly owns interest in 12 private club facilities which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump International Golf Club in Scotland; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA in addition to the newly acquired Trump National Doral in Miami, Florida (please see previous memo for details) and the Trump National Golf Club in Charlotte, NC. In accordance with membership requirements members of the clubs are required to make an up-front membership deposit which is in the form of a non-interest bearing 30-year deposit. The deposits are non-refundable without condition prior to 30-years. Based on the terms of the deposit they are not recorded as a liability on the financial statements of the specific clubs. The Guarantor has obtained tax opinions supporting the accounting of such deposits for tax purposes. Life-to-date the clubs have collected \$157 million in such deposits. For purposes of our analysis the \$1.57 billion in reported value has been reduced by 50% for deriving an adjusted value.

⇒ Other Property Interest – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 23%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$291million based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of June 30, 2012 the Guarantor elected not to include the value of the Trump Chicago International Hotel & Tower in its financial statements, pending the completion of the updated appraisals as discussed herein. Based on the total appraised value of the Residential Component and the Commercial Component totaling \$239.3 million less the reported maximum proposed debt of \$107 million the unreported net equity value in the Property is approximately \$132.3 million. For purposes of presenting the financials of the Guarantor as of June 30, 2012 we have elected not to include the net equity value of this Property.

- Partnership and Joint Ventures - 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, Cushman & Wakefield and Columbia University. 555 California Street consists of one retail and two office buildings for a total of 1.7 million leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr Trump owns 30% of these properties. The value of \$823.3 million is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- Real Estate Licensing – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The Guarantor has pledged certain of these fees to secure a \$20 million mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$20 million has been netted against the \$85 million reported value. For purposes of deriving an adjusted value we assumed a 50% haircut against the net reported value.
- Other Assets – includes a Boeing 757 Jet, a Sikorsky helicopter, ownership rights to the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date end contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report, which is attached as Exhibit VI indicates a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.
- Contingents – as of 6/30/12 DJT's gross contingent obligations were reported to be \$195.7 million, which included: a) the \$125 million in support provided under the Doral credit facility with PWM, b) \$25 million in personal recourse on the existing debt, agented by DB CB&S Real Estate group, related to the Trump International Hotel in Chicago; c) \$20 million on a limited guarantee for the \$160 million commercial mortgage on 40 Wall Street extended by Capital One; d) \$11 million on Trump Golf at Ferry Point to the City of New York, e) \$7.6 million related to 7 Springs Resort and \$7.1 million in certain other project related completion guarantees. (See IIC – Schedule of Contingent Liabilities). For purposes of adjusting the reported balance we replaced the existing \$25 million guarantee with the maximum exposure under the proposed Facilities of \$107 million for an adjusted gross contingent liability amount of \$277.7 million.

- Net Cash Flow – the Guarantor demonstrates a diversified stream of cash flows which are generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2012.

Type	DB Adjusted FY 6/30/12	Client Reported FY 6/30/12	(11 Mos) 11/30/11	FY 2010
<i>Sources of Cash</i>				
Real Estate	\$32.1	\$32.1	\$30.5	\$125.0
Entertainment	\$19.8	\$20.6	\$23.5	\$15.3
Clubs	\$11.7	\$15.1	\$12.1	\$8.0
Licensing	\$32.4	\$32.4	\$33.4	\$32.3
Non Operating Revenue	--	--	\$41.2	\$50.4
Investment income	\$1.8	\$1.8	\$4.2	\$4.2
Other	\$11.1	\$12.0	\$10.7	\$10.5
Total Sources	\$108.9	\$114.0	\$155.6	\$246.7
<i>Uses of Cash</i>				
Property Development	\$69.8	\$69.8	\$34.8	\$34.3
Retirement of Debt/Debt Service	--	\$74.7	\$14.2	\$25.2

Net Excess Cash Flow	\$13.4	(\$89.1)	\$82.3	\$144.6

- ⇒ *Real Estate* – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section. It should be noted that 2010 includes \$85 million in the repayment of certain Notes that were held by the Guarantor.
- ⇒ *Entertainment* – represents distributions generated primarily through the Guarantors involvement in the TV show “The Apprentice” along with income generated through his affiliation with The Golf Channel. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12. The Apprentice maintains a one-year rolling contract and just recently began filming the 2013 season.
- ⇒ *Clubs* – represents distributions generated through the portfolio of 10 Clubs which are wholly owned by the Guarantor. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12.
- ⇒ *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements. For purposes of deriving adjusted annual cash flow we have assumed the lesser of i) the average between 2010, the first 11 months of 2011 and, ii) the 12 months ending 6/30/12 and the client reported amount.
- ⇒ *Non Operating Revenue* – includes tax refunds, insurance settlements, gains on sale and other one-time type items. Due to the nature of this cash flow we excluded for the purposes of calculating recurring cash flow.
- ⇒ *Investment Income* – represents interest and investment income on cash and marketable securities. For purposes of deriving annual adjusted revenue we have assumed the 12 months ending 6/30/12.
- ⇒ *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010, the first 11 months of 2011 and the 12 months ending 6/30/12.
- ⇒ *Uses of Cash* – primarily utilized for i) property development with significant capital investment in 40 Wall (\$20 million), Trump International Golf Course in Scotland (\$20 million), ii) acquisition of Trump International in Charlotte (\$5 million), and acquisition of new helicopter (\$25 million) for purposes of transporting people from airport to Doral golf course in Miami, and iii) retirement of debt purchased from Fortress (\$48 million) related to the Trump Chicago and from Eurohypo related to the Trump Las Vegas. For purposes of deriving annual adjusted uses of cash we have assumed client reported amounts with the exception of the Retirement of Debt and Club Acquisitions, which we assumed to be zero as there are no material contractual amounts due or scheduled acquisition in 2013. The client indicated that the investment Property Development is expected to decline in 2013.
- ⇒ *Net Excess Cash Flow* – the net decrease in reported Excess Cash Flow of \$89.1 million reconciles to the reported decrease in the Guarantors reported Cash balance from \$258.9 million to \$169.7 million.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of the obligation by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of the 4 criteria slightly missing the required Cash Flow Ratio, due to the significant investment in property development during the period. It should be noted for purposes of reporting contingents, approximately \$270 million of the adjusted contingent liabilities is related to secured debt however the full amount of the exposure is still included in the Guarantor's financials.

III. Property Description

> Overview

The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009. The following is a summary of both the Residential Component and the Commercial Component:

- *Residential Component* - The 486 residential condominiums at the Trump International Hotel and Tower were constructed with a very high level of quality and luxury. Studios, along with one, two and three bedroom units, share the 28th through 85th floors in a variety of floor plans. The buildings 37 studio residences range from 580 to 713 SF, while 196 one bedroom units range from 919 to 1,475 SF. Two-bedroom units begin at 1,558 SF with larger floor plans available that feature up to 3,437 SF of space. The project includes 4 three bedroom units ranging from 3,080 to 3,948 SF. Penthouse residences compose three of the top four floors for the property and are each either a quarter, half or full floor home ranging in size from 2,959 SF to 14,260 SF. As of the date of the appraisal 380 of the 486 available condo units had been sold along with 440 of the 673 parking spaces.
- *Commercial Component* - The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral consists of 175 developer owned units as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. The remaining 164 units are privately owned as part of a "condo-tel" agreement where, at the owners option, the unit is included in the available rental pool for the hotel. As noted above, the hotel occupies portions of the first level, the 14th level and levels 16 through 27.

The Spa at Trump includes eleven Spa treatment rooms, a couple's suite, nail salon, relaxation lounges, a retail boutique and a 16,000 SF health club. The health club includes a 75-ft heated indoor pool and provides a range of fitness classes which include Yoga, Pilates and Spinning.

The property has 3 dining venues including Sixteen, the signature fine dining restaurant serving three meals daily featuring an eclectic menu of seasonal ingredients. Sixteen was recently given the maximum four star rating from the Chicago Tribune which hailed the restaurant as "the most lavish dining experience in Chicago". Open May through October (weather permitting), the Terrace is located directly off Sixteen and can seat up to 250 guests in its outdoor lounge space providing views of the Wrigley Clock Tower, Lake Michigan and the Chicago River. Rebar is the indoor cocktail lounge offering neo-Japanese cuisine and signature cocktails. In-room dining is also available 24-hour a day. In addition to the restaurants, there are 12 meeting and function rooms totaling 20,108 SF, these include 2 ballrooms, 4 meeting rooms, 4 breakout rooms and 2 boardrooms. The hotel also includes 13 elevators providing access to the guestrooms and other amenities. All three of these venues are included as part of the Commercial Component along with 285 parking spaces which are available (at a cost) for both the hotel guests and the general public.

It should be noted that the hotel has won a number of awards and accolades since its opening including:

- #2 in the Continental U.S. and Canada and #9 in the World by Travel + Leisure's 2012 World's Best Service Awards
- #1 Hotel in Illinois and #21 in the World's Best 500 Hotels overall in 2011 Travel + Leisure
- AAA Five Diamond Hotel Award, 2011
- AAA Four Diamond Restaurant Award for Sixteen, 2011
- North America's Leading Luxury Hotel, World Travel Awards, 2010 & 2011

> Location

This location is in Chicago's central business district at the southwest edge of the North Michigan Avenue submarket. The local market area is developed with a variety of uses, including retail, office, residential and hotel. The North Michigan Avenue submarket distinguishes itself by its upscale retail orientation and image. Referred to as the Magnificent Mile, the retail district is synonymous with world class shopping and matched only by Beverly Hill's Rodeo Drive, New York's Fifth Avenue, London's Bond Street and Tokyo's Ginza. North Michigan Avenue retail space consistently commands rental rates among the highest in the United States thanks to tremendous sales figures, traffic counts and a finite amount of store frontage along the Avenue.

Also located within this neighborhood are some of the city's premier hotels including the Four Seasons, the Ritz Carlton, the Park Hyatt and the Sofitel Chicago. Traditionally this submarket has been a prime location for hotels due to the array of stores and restaurants in the area. Key room night demand generators in the local market include the Northwestern Memorial Hospital complex, the companies located in the surrounding office development and the North Michigan Avenue shopping district. The area benefits from good transportation linkages and is convenient to the River North, the East Loop and the Central Loop submarkets, as well.

Anticipated to open in 2013, the Langham Hotel Chicago is currently under development to deliver 300 rooms directly across the street from the subject property. The hotel is not a free-standing structure, but will rather occupy the second through thirteenth floors of the 52-story building that was once the home of IBM's Chicago head quarters. Property amenities are anticipated to include a restaurant, lobby lounge, approx. 28,592 SF of meeting spaces, an indoor pool, fitness center and a spa. The hotel will be a luxury full service hotel that will likely compete with the subject property.

11 | Page

Taking the aforementioned into consideration regarding the market area and its new and existing competitive set, as per the appraisal, the outlook for the subject's local market area, in general, and the subject property, in particular, is positive.

> **Property Management**

Given the unique nature of the Property, it is managed by a Trump owned management company through a series of Management Agreements. The following is a summary of each of these agreements.

- *Commercial Management Agreement* – under which the Spa, parking, banquet and other common areas of the hotel are managed. The Property Manager has executed sub-management agreements with specific vendors to manage the spa and parking areas and also has an agreement with a vaile service. The agreement is scheduled to expire in 2041.
- *Hotel Management Agreement* – under which all hotel related rooms are managed, both third party owned and those units owned by the Borrower. The contract is scheduled to expire in 2038.
- *Residential Condo Agreement* – under which all residential condo units are managed both sold and unsold. The agreement is scheduled to expire in August 2013, and it is expected that the agreement will be extended.

The respective Board of Directors ("BOD") of the Condominium and Hotel are responsible to appoint the Property Manager. It should be noted that the Guarantor does not control either BOD. In accordance with the terms and conditions of this transaction the Lender will obtain Recognition Agreements, which provides the right for the Lender to terminate any of the Management Agreement upon the continuation of an Event of Default resulting from events that include any one or more of the following events: (1) Borrower's or Guarantor's failure to pay principal and/or interest when due and payable under Facility Note A and/or Facility Note B, (2) fraud, gross negligence, willful misconduct or misappropriation of funds by manager or (3) bankruptcy proceedings being initiated with respect to manager or Borrower. Cancellation of the Management Agreements, without the consent of the Lender is an Event of Default, with the exception of the cancellation of such agreement, should it be involuntarily terminated by the BOD or by the Management Company due to the failure to receive the payment of management fees.

> **Appraisal Reports**

The following is a summary of the appraisals that were performed for both the Commercial and Residential Components:

- *Residential Component* – appraisal was performed by Cushman and Wakefield and is dated as of 8/21/12 with a value on the remaining 106 units totaling 193,395 sqft which results in a total "As Is" Value of \$113 million. (See Exhibit IV – Retail Component Appraisal Report)
- *Commercial Component* – appraisal was performed by CB Richard Ellis, dated as of 7/23/12 which indicated an "As Is" value of \$126.3 million (See Exhibit IV B - Commercial Component Appraisal Report).

> **Environmental Reports**

Phase I ESA performed by IVI dated 9/28/12 has been reviewed and accepted by DB. The report showed no material issues or concerns warranting additional assessment and no further actions are necessary.

Property Condition Report performed by IVI dated 9/28/12 has been reviewed and accepted by DB. The scope of this property condition assessment was the hotel portion of the building, the unsold residential condominium units, common areas, the Sixteen Restaurant and parking garage areas. The subject property was described as generally in good condition and no significant, material physical deficiencies were noted. There are 34 open DOB violations with the City of Chicago DOB, however, a listing of the specific nature of the violations was not provided. It is recommended that the borrower begin the process of resolving these violations and having them removed. There were no significant, material costs noted in the schedule.

These recommendations will be discussed with the client and where necessary addressed in a post-closing agreement. In addition, the Bank will be receiving an environmental indemnity from the Borrower.

IV. Financial Analysis - Property

The Collateral for the Facilities in the form of the Residential Component and the Commercial Component is allocated between Facility A and Facility B. Accordingly, for purposes of this underwriting they are being evaluated separately.

> Residential Component

As of the date of the appraisal 380 of the 486 available condo units had been sold along with 440 of the 673 parking spaces. Since the date of the appraisal, 13 residences and 7 parking spaces have sold and 3 are in contract to close in the next 60 days, thus the Collateral for Facility A is the remaining 93 unsold condominium units and 226 deeded parking spaces. Accordingly, the maximum commitment amount under this Facility on the Closing Date is expected to be between \$55 million - \$60 million, and will remain subject to a maximum LTV of 57%. The following table summarizes the remaining types of unsold condos expected to include as Collateral.

Type	# Unsold Units	Avg. Unit SF	Total SF	Total List Price	Avg List Price/SF
Studio	17	674	11,456	\$8,791,000	\$767
One bedroom	30	1,119	33,577	\$21,833,500	\$650
Two bedroom	40	2,387	95,462	\$68,371,800	\$716
Three bedroom	3	3,102	9,306	\$7,835,000	\$842
Four bedroom	1	6,850	6,850	\$7,500,000	\$1,095
Five bedroom	1	2,746	2,746	\$1,850,000	\$674
Penthouse	1	14,260	14,260	\$30,000,000	\$2,104
Total	93		173,657	\$146,181,300	\$842

Based on the current amount of unsold total square feet / units with an appraised value of \$584 per sq ft the adjusted appraised value for the Residential Component is approximately \$101.4 million which provides for a maximum commitment amount of up to \$57.8 million.

As noted above, since the certificate of occupancy was delivered for the residences in 2008, of the 486 residential units in the Property all but 93 units have been sold. The 93 units occupy 173,657 SF and have an average list price of approximately \$842/SF. Of the 380 units that were sold as of the appraisal date the actual sale price averaged \$636/SF. Since January 1, 2011 23 units have sold with an average sales price of \$667 per sq ft. The following table highlights the square feet and number of units (assuming an average of 1,800 sq ft per Unit) required to be sold in order for full repayment of the maximum commitment amount of \$57.8 million based on the # of Unsold Units.

Average Price	Price (per sq ft)	Sq ft Sold	% Total Sq ft	# Units Sold	% Total Units
Current List Price	\$842	74,615	43%	41	44%
Avg Sales Price 1/1/11 - Current	\$667	94,192	54%	52	56%
Avg Sales Price Since Inception	\$636	98,783	57%	55	59%
Appraised Value - w/Parking	\$584	107,578	62%	60	65%
Appraised Value - w/out Parking	\$534	116,560	67%	65	70%
Minimum Release Price	\$422	148,877	86%	83	89%
Breakeven Price *	\$362	173,657	100%	93	100%

* Breakeven Price, which could be utilized in liquidation to ensure full repayment of the amount outstanding under the Facilities, takes into account adjusting the assumption on average unit size of 1,800 per sq ft.

The amounts calculated in the table above are in accordance with the terms and conditions of the proposed transaction which include repayment related to the sale of a unit will be equal to the greater of (x) 92% of the Gross Sales Proceeds received upon sale of each Condo Unit and (y) the Minimum Release Price which is attached as Exhibit V. The minimum release prices were agreed upon between the Borrower and Lender on a unit by unit basis with an average release price of \$422/SF or 72% of the appraised value and 127% of the loan/SF. Additionally it should be noted that the Borrower will be required to make minimum annual principal payments. This minimum annual payment amount will be determined prior to the Closing Date and will be equal to the: (Original Loan Amount minus \$6.0 million)/4. This repayment can come from the sale of the units, however, if the proceeds from these sales are not adequate to meet the Minimum Annual Repayment Amount, the Guarantor will be required to fund this payment from their own sources.

Associated with the Units are 675 deeded parking spaces, of which 445 or 66% have been sold (7 spaces sold post-appraisal date). The remaining 226 spaces are being pledged as collateral for this facility. As per the appraisal, 440 spaces were sold for a total value of \$27,737,722 or \$63,040 per space. This validates the most recent appraisal, which noted the value of \$55,000 per space as market supported which provides approximately \$12.6 million in collateral.

It should be noted that at the time of the appraisal there were 9 units under contract, with an average sales price of \$707 per sq ft, representing a average discount of only 6.34% from the list price \$757 per sq ft list price, further demonstrating the current momentum in the market.

Confidential

> Commercial Component

The hotel property is divided into 3 general sections, the commercial areas including the spa, restaurants, banquet rooms and parking, the 175 sponsor own units (both of these sections compose our collateral) and 164 privately owned third party units (not included as Collateral). According to the management of the subject property, the hotel condominium units are no longer being marketed for sale and it is not expected that any additional units will be sold during the term of the loan.

With regards to the third party units, the private owners have the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursables line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

⇒ Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-6/30/12. Please see Exhibit III for further details of expected Property Performance.

	FY 12/31/2010	FY 12/31/2011	12-Mo Ending 6/30/12	FY Budget 12/31/12
Occupancy Rate	61.7%	68.5%	68.8%	72.1%
Average Daily Rate ("ADR")	\$321.67	\$347.31	\$362.19	\$374.26
Revenue per Available Room ("RevPar")	\$198.46	\$237.98	\$249.21	\$269.84
Total Revenue	\$46,787	\$55,226	\$57,282	\$60,828
Total Operating Expenses	\$40,182	\$45,439	\$46,669	\$48,492
Management fee	\$1,847	\$2,574	\$2,638	\$2,786
3rd Party Revenue Distribution	\$7,068	\$8,222	\$8,726	\$9,124
3rd Party Reimbursables	(\$3,989)	(\$6,030)	(\$6,266)	(\$6,630)
Net Operating Income	\$1,679	\$5,021	\$4,515	\$7,056
Projected Debt Service	\$2,320	\$2,320	\$2,320	\$2,320
DSCR	0.72x	2.16x	1.95x	3.04x

- **Occupancy Rate** - Since 2010 rates have improved from 61.7% to current reported year-to-date of 68.8%, which is driven primarily by the continued improvement in the economy and growing popularity of the Property location and is just short of the historical occupancy rates for similar hotels in Chicago of 70%.
- **ADR/ Rev Par** - the improvement in Occupancy Rates, has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 12.7% and RevPar has increased 25.7%. Both of these indicators are well above the average ADR of \$287.23 and RevPar of \$201.21 for the subject's competitive set of hotels in Chicago. For full service hotels in the Chicago Metro are, ADR is anticipated to increase 4.97% in 2012, 1.40% in 2013, 2.03% in 2014 and 3.67% in 2015.
- **Net Operating Income** - during the historical period NOI improved by 168% primarily driven by an significant improvement in operating margin (defined as Total Revenue minus Total Operating Expenses) from 14.1% to 18.5% which is consistent with the significant improvement in RevPar during the Period.
- **DSCR** - based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x.

⇒ Projected Financial Results

The Commercial Component Appraisal has provided the following projections for 2013 through 2018.

	2013	2014	2015	2016	2017	2018
Occupancy Rate	72.0%	70.0%	71.0%	73.0%	73.0%	73.0%
ADR	\$371.06	\$385.90	\$397.48	\$409.40	\$421.68	\$434.33
RevPar	\$267.16	\$270.13	\$282.21	\$298.86	\$307.83	\$317.06
Total Revenue	\$61,220	\$61,785	\$64,464	\$68,097	\$70,139	\$72,244
Total Operating Expenses	\$48,333	\$49,271	\$51,020	\$53,107	\$54,700	\$56,341
Management fee	\$2,680	\$2,705	\$2,822	\$2,981	\$3,070	\$3,162
3rd Party Revenue Distribution	\$8,727	\$8,824	\$9,219	\$9,763	\$10,056	\$10,357
3rd Party Reimbursables	(\$6,347)	(\$6,418)	(\$6,704)	(\$7,100)	(\$7,313)	(\$7,533)
Net Operating Income	\$7,827	\$7,403	\$8,107	\$9,346	\$9,626	\$9,917
Projected Debt Service	\$2,320	\$2,320	\$2,320	\$2,320	\$2,320	\$2,320
DSCR	3.74x	3.19x	3.94x	4.02x	4.15x	4.27x

- **Occupancy Rate** - assumes the economy continues to slowly recover and the Property continues to realize the increasing growth in demand based on growing popularity of location. The 2014 step-down reflects impact of opening of new hotel located across the street which is expected to put some pressure on Occupancy as management continues to protect ADR and RevPar.
- **ADR/ Rev Par** - shows continued growth during the period with ADR increasing by 2.4% and RevPar increasing by 7.2% in 2013 from 2012 actual results with a continued increase per annum of approx 3.4% in ADR and 3.7% in RevPar during the forecasted period.
- **Net Operating Income** - during the forecasted period NOI is projected to improve by approximately 5.3% per annum primarily driven continued improvement in in operating margin (defined as Total Revenue minus Total Operating Expenses) which increases from an actual margin of 18.5% in 2012 to 21.0% in 2013 and improves to 22.0% by 2018.
- **DSCR** - based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x.

⇒ Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.35% would be measured through the NOI and Interest Rate.

- **NOI** - based on the 2012 FY Actual results the NOI could decrease by \$1.4 million or 30.6% before breaching the DSCR covenant. The capacity for deterioration further increases when using the 2013 Projected Financial Results which indicates that such a decrease by \$4.7 million or 60% before such a default is triggered.
- **Interest Rate** - As the Borrower is executing a Swap the interest shall be fixed and accordingly the Facility will not be subject to interest rate volatility. The exposure on the Swap is supported by the Collateral in addition to the support of the Guarantor.

V. Conditions Precedent to closing

Usual and customary for facilities of this size, type and purpose, including but not limited to:

- Receipt, review and acceptance of all insurance, title, survey, zoning, leases and other items pertaining to the perfection of a security interest in the subject collateral.
- Satisfactory documentation

VI. Covenants

Reporting Covenants:

➤ *Guarantor:*

- **Personal Financial Statement-** Guarantor to provide a financial statements annually within 120 days of 6/30.
- **Compliance Certificate-** Guarantor to provide a compliance certificate annually dated within 120 days of 6/30 and Lender will have right to confirm required liquidity through review of account statements at the offices of the Guarantor.

➤ *Borrower:*

- **Facility A:** Borrower to provide financial statements of the Residential Component, including balance sheet, within 120 days of year end. Borrower to provide a sales report and Unit closing report within 45 days of each fiscal quarter.
- **Facility B:** Borrower to provide financial statements of the Commercial Component including balance sheet, operating income and expense statements and cash flow statement within 120 days of year end.

Financial Covenants:

➤ *Guarantor:*

- **Liquidity-** Guarantor shall maintain unencumbered liquidity at all times (defined as unrestricted cash or marketable securities convertible to cash within 5 business days that is not pledged to support any obligations) of at least \$50 million with at least \$20 million to be maintained with the Lender (this cash will not be pledged as collateral).
- **Indebtedness-** Guarantor shall not incur any additional indebtedness (direct or contingent) in excess of \$300 million, excluding (x) any Debt to the Lender and (y) any Guarantor indebtedness (direct or contingent) existing as of the date of the closing of the loan, without the prior consent of the Lender.
- **Net Worth-** Guarantor shall maintain a Minimum Net Worth of \$2.5 billion excluding any value related to the Guarantor's brand value (as such Minimum Net Worth is reflected in Guarantor's Statement of Financial Condition prepared by Guarantor in substantially the form prepared by Guarantor as of the date of this term sheet, a copy of which will be delivered to Lender).

➤ *Borrower:*

- **Debt Service Coverage- Facility A** Borrower shall maintain a Debt Service Coverage ratio (DSCR) defined as Net Operating Income divided by Debt Service of no less than 1.35x. In the event Guarantor fails to maintain such DSCR, (i) Guarantor shall be entitled to cure any shortfall of such DSCR by such reasonable means as Guarantor shall elect to enable Guarantor to meet the DSCR.

VII. Events of Default and Cure periods:

Usual and customary for facilities of this size, type and purpose, including but not limited to:

- A) Payment default
- B) Breach of representation or warranties
- C) Violation of covenants
- D) Cross defaults (including between Facility A and Facility B, as described herein)
- E) Bankruptcy, insolvency
- F) Death of the Guarantor - In connection with either the adjudicated incompetency or the death of any Guarantor, no Event of Default shall be declared by the Lender if, within ninety (90) days from the date of such adjudication of incompetency or the date of such Guarantor's death, as the case may be, the guardian of such Guarantor or the estate of the deceased Guarantor, as the case may be, (i) upon the Lender's written request acknowledges and does not repudiate or dispute in any manner, and assumes, this Guaranty and the Guaranteed Obligations hereunder, (ii) cooperates with the Lender in filing and seeking any contingent liability claim in connection with the death of such Guarantor, (iii) has sufficient assets to secure all monetary Guaranteed Obligations hereunder and sets aside sufficient sums, in the Lender's reasonable discretion, in connection therewith and (iv) the estate of Guarantor continues to meet all applicable terms, conditions and covenants under this Guaranty and the other Loan Documents.

Other

Hedging/Risk-Transfer/Hold Strategy: N/A

The Borrower will execute an Interest Rate Swap for a notional amount not to exceed the original loan amount of the Commercial Component. We have coordinated documentation for the Swap with our legal counsel Peter Seiden at Loeb & Loeb and Sebastian Marcilese DB In-house counsel.

Policy Issues: N/A

DB Relationship / Business Case: Approved KYC dated __/__/__

Approval Conditions:

1. Receipt of a current appraisal acceptable to the Lender
2. Property Condition Report, if determined by the Lender

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with **DBTCA** (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

NO AFFILIATE COLLATERAL HELD

**Donald J. Trump
Trump International Hotel & Tower Chicago
September 19, 2012**

Summary		
Co-Borrowers	TBD - Single Purpose Entities	
Facility Amount	\$107,000,000	
Purpose	To refinance existing debt on Property as well as closing costs related to this transaction (including Lender out-of-pocket expenses and facility fee)	
	Facility Note A	Facility Note B
Facility Note Amount	Up to \$62,000,000 Term Loan	Up to \$45,000,000 Term Loan
Guarantor	Donald J. Trump - 100% of principal, interest and operating expenses of Facility Note A's collateral.	Donald J. Trump - 100% of principal, interest and operating expenses of Facility Note B's collateral.
Property	The residential component ("Residential Component") of the property consisting of unsold (a) residential condominium units, (b) deeded parking spaces, (c) storage spaces, and (d) associated common areas.	The commercial component ("Commercial Component") of the property consisting of (a) a full service hotel, including 339 condo-hotel rooms, of which 177 rooms are Borrower owned ("Borrower Units"), which shall be included as Collateral and 162 rooms that are owned by third parties ("Third Party Units") and which shall not be included as Collateral, (b) approximately 38,000 square foot of banquet space, (c) a 23,000 square foot spa, and (d) a 285 space public parking garage. For collateral purposes the Property shall not include 85,000 square feet of retail space (the "Retail Component")
Pricing Spread	L + 3.35%	L + 2.50% <i>Borrower will have a fixed rate option through the execution of a 5-year swap with indicative fixed rate of 3.42% as of September 4, 2012.</i>
Facility Fee	.75% of Facility Note A shall be earned and paid on the Closing Date	1.00% of Facility Note B shall be earned and paid on the Closing Date.
Term	4 years	5 years
Extension Option	The Borrower may exercise a one-time extension of the Facility, in writing within 60-days prior to the Maturity Date of Facility Note A, under which the Maturity Date will be extended by 12-months if the Facility Note is in compliance with the following conditions: (i) the amount outstanding under the Facility Note A shall not exceed \$6,000,000, (ii) the Loan-to-Value under Facility Note A shall not exceed 25%, and (iii) there are no other events of default under Facility Note A or Facility Note B.	The Borrower may request a one-time extension of the Facility, in writing no earlier than, or anytime after, the second anniversary date for an additional 24-month period (the "Extension Period") extending beyond the Initial Maturity Date. Such extension will be approved at the sole discretion of the Lender.
Extension Fee:	.25% of the outstanding Facility Note Amount under Facility Note A shall be earned and paid on the first day of such extension period.	.50% of the outstanding Facility Note Amount under Facility Note B shall be earned and paid on the first day of such extension period.
Collateral Type	Until full repayment of Note A, 1 st mortgage lien and first priority security interest in the Residential Component of the Property (with a subordinate lien on Collateral under Note B, but only for so long as Note B is also outstanding). Collateral shall also include a collateral assignment of	Until full repayment of Note B, 1 st mortgage lien and first priority security interest in the Commercial Component of the Property (with a subordinate lien on the Collateral under Note A, but only for so long as Note A is also outstanding). Collateral shall also include all contracts, agreements and other tangible and intangible property rights of Borrower

	<p>executed purchase and sales agreements and to all deposits provided under the purchase and sales agreements and all contracts, agreements and other tangible and intangible property rights of Borrower associated with the ownership and operation of the Property, but excluding any rights to the Trump brand or any derivation thereof. Notwithstanding the forgoing, each of the management agreements associated with the property shall be collateral under the Facility, and shall remain in place in accordance with the terms of such management agreements, and, at Borrower's request, Lender shall provide a recognition agreement to the manager(s) with respect to each of the management agreements, which recognition agreement(s) shall acknowledge that such management agreements shall remain in place pursuant to their terms. Notwithstanding the foregoing, Lender shall have the right to terminate such management agreement only upon the acceleration of Facility Note A, but only if such acceleration is a result of the occurrence and continuation of an Event of Default resulting from events that must include any one or more of the following events (each of the following events, an "HMA Note A Event of Default"): (1) Borrower's or Guarantor's failure to pay principal and interest when due and payable under Facility Note A and/or Facility Note B, (2) fraud, gross negligence, willful misconduct or misappropriation of funds by manager or (3) bankruptcy proceedings being initiated with respect to manager or Borrower. For the avoidance of doubt, Lender shall not have the right to terminate the management agreement in connection with any acceleration arising out of any Event of Default that is not an HMA Note A Event of Default, including, without limitation, any acceleration arising out of any cross-default between Facility Note A and any other loan facility (other than an HMA Note B Event of Default) unless an HMA Note A Event of Default has also occurred and is continuing. In addition, the Doral loan documents shall be amended to provide that Lender shall not have the right to terminate the Doral management agreement as a result of any cross-default between the Doral loan and Facility Note A.</p>	<p>associated with the ownership and operation of the Property, but excluding any rights to the Trump brand or any derivation thereof. Notwithstanding the forgoing, each of the management agreements associated with the property shall be collateral under the Facility, and shall remain in place in accordance with the terms of such management agreements, and, at Borrower's request, Lender shall provide a recognition agreement to the manager(s) with respect to each of the management agreements, which recognition agreement(s) shall acknowledge that such management agreements shall remain in place pursuant to their terms. Notwithstanding the foregoing, Lender shall have the right to terminate such management agreement only upon the acceleration of Facility Note B, but only if such acceleration is a result of the occurrence and continuation of an Event of Default resulting from events that must include any one or more of the following events (each of the following events, an "HMA Note B Event of Default"): (1) Borrower's or Guarantor's failure to pay principal and interest when due and payable under Facility Note A and/or Facility Note B, (2) fraud, gross negligence, willful misconduct or misappropriation of funds by manager or (3) bankruptcy proceedings being initiated with respect to manager or Borrower. For the avoidance of doubt, Lender shall not have the right to terminate the management agreement in connection with any acceleration arising out of any Event of Default that is not an HMA Note B Event of Default, including, without limitation, any acceleration arising out of any cross-default between Facility Note B and any other loan facility (other than an HMA Note A Event of Default) unless an HMA Note B Event of Default has also occurred and is continuing. In addition, the Doral loan documents shall be amended to provide that Lender shall not have the right to terminate the Doral management agreement as a result of any cross-default between the Doral loan and Facility Note B.</p>
Maximum Advance Rate	<p>Shall not exceed 57% of the "as is" appraised value of the Collateral. "As Is Appraised Value" will be equal to the as-is value / bulk value of \$113 million (\$113,000,000) as identified in the August 21, 2012 Cushman and Wakefield appraisal, which value shall be adjusted downward as a result of any closings of residential condominium units or deeded parking spaces that were included in the appraisal collateral, but which close prior to the Closing Date. The appraised value adjustment will be equal to \$539 per square foot for any residential condominium unit and \$37,466 per any deed parking space.</p>	<p>Shall not exceed 60% of the "as is" appraised value of the Collateral</p>
Minimum Repayment Amount	<p>To be established at closing as the amount required per annum to pay the loan down to \$6MM at the end of the initial Term (e.g., if funded Facility Loan Amount is \$62MM, Minimum Repayment Amount = \$14MM = $(\\$62MM - \\$6MM) / 4$). Should the total annual Mandatory Repayment Amount be less than the annual Minimum Repayment Amount the Borrower or Guarantor shall make payment from its own sources. To clarify, if the Mandatory Repayment Amount for any year exceeds the Minimum Repayment Amount for such year, all excesses will roll over and be credited towards achieving any future Minimum Repayment Amount.</p>	<p>Not Applicable</p>

Mandatory Repayment Amount	Individual condominium units shall be released upon the payment of the greater of (X) 92% of the Gross Sales Proceeds received upon sale of each Condo Unit and (Y) the Minimum Release Price to be paid at closing of such sale, until all amounts due and payable under the Facility have been paid in full. Minimum Release price TBD prior to closing.	Based on a 30-year amortization schedule to be paid quarterly.
Key Covenants	<ul style="list-style-type: none"> - Maximum Loan-to-Value ("LTV") not to exceed 57% with cure rights including pay-down and posting of additional collateral as permitted in the Doral documents. - Borrower shall not incur additional debt (other than trade payables and equipment leases). - Sale or transfer of all or any portion of the Property and/or Collateral is prohibited. Subject to sales of condo units and payment of Release Prices to Lender. - Unit contract of sale shall not deviate materially from the customary and usual standards for sales of condominium units similarly situated. - Change in ownership or control of the Hotel Property is prohibited, except as permitted under Doral documents. - No additional liens permitted. 	<ul style="list-style-type: none"> - Maximum Loan-to-Value ("LTV") not to exceed 60% with cure rights including pay-down and posting of additional collateral as permitted in the Doral documents. - Minimum Debt Service Coverage to be equal to or greater than 1.35x with cure rights including pay-down and posting of additional collateral as permitted in the Doral documents. - Borrower shall not incur additional debt (other than trade payables and equipment leases). - Sale or transfer of all or any portion of the Property and/or Collateral is prohibited, except as permitted under Doral documents. - No additional liens permitted.
<p>Key Guarantor Covenants:</p> <ul style="list-style-type: none"> - Guarantor to maintain unencumbered liquidity of at least \$50 million, with \$20 million to be held at DB. As clarification, both of the preceding requirements are inclusive and not duplicative of Doral loan requirements. - Minimum Net Worth of \$2.5 billion and Maximum Debt, including contingent liabilities (as defined in Doral loan documents), shall not exceed \$300 million, excluding debt with the Lender. 		
<p>Standard Events of Default (on both Facilities):</p> <ul style="list-style-type: none"> - Failure to pay principal, interest and fees when due - Breach of covenants, representations and warranties under the legal documents supporting these Facilities - Cross default to each of the Facilities and other obligations of the Borrower - Voluntary or involuntary bankruptcy of the Borrower or Guarantor - Unsatisfied material judgments against the Borrower or Guarantor - Death or incompetence of the Guarantor 		

This Indicative Term Sheet is an expression of interest in pursuing discussions on the proposed credit facility (the "Facility"). This Indicative Term Sheet is not a commitment by Deutsche Bank AG, New York Branch, Deutsche Bank Trust Company Americas, DB Structured Products, Inc., or any of their affiliates or subsidiaries (individually and collectively referred to herein as "DB" or the "Bank") to make available the proposed Facility described below, nor is it to be construed as an undertaking on behalf of DB to fund such Facility. The proposed Facility is subject to, among other things, satisfactory due diligence, credit approval, and the execution and delivery of definitive documentation satisfactory to the Bank and its counsel. This Indicative Term Sheet is intended as an outline of certain material terms of the proposed Facility and does not purport to summarize all the material conditions, covenants, representations, warranties, and other provisions which may be contained in the definitive documentation for the proposed Facility.

Collateral

A first mortgage lien and a first priority security interest in the Doral Golf Resort and Spa located in Miami, Florida (the "Resort"), including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets.

DJT negotiated a purchase price of \$150 million and plans to invest an additional \$50 million to bring the Resort to a level of luxury that exceeds its previous world-class standard. DJT intends to hold the property for the long-term to benefit from the strong cash flows and significant development opportunities. Based on the \$150 million cost our initial LTV will be 83.3% however, borrowing under the Facility will be equal to the lesser of: i) \$125 million and ii) up to 85% of the appraised value "subject to" the satisfactory review of DB's Valuation Services Group. The Collateral will maintain a minimum appraised value of \$150 million, which may be confirmed by the Lender with an updated appraisal, at its cost of the Lender, at any time after the second anniversary of the Closing Date of the Facility.

The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The Facility will also be supported by a full and unconditional guarantee provided by DJT of (i) Principal and Interest due under the Facility, and (ii) operating shortfalls of the Resort (it being understood that Borrower shall be permitted to utilize all revenues from the Resort to operate the Resort to reduce the amount of such shortfall).

**For collateral monitoring purposes, the Facility is being underwritten as Other Secured.*

Reason for Presentation: Request approval for up to a \$125 million term commitment in the form of a senior secured credit facility (the "Facility"). Proceeds from the Facility will be utilized to assist in financing the purchase of the Doral Golf Resort and Spa in Miami (the "Resort") which has a targeted purchase price of \$150 million. The client request is for the Lender to provide a Commitment Letter in early January 2012, "subject to" an appraisal and Property Condition Report which shall be satisfactory to the Lender, with an expected Closing Date in late 1Q or early 2Q of 2012. The Commitment Letter will have an expiration date of May 31, 2012.

On November 29th, 2011, the Trump Organization executed a Purchase and Sale Agreement for the Property including a hard deposit of \$12MM. As the resort is part of a bankruptcy estate, the court will now file a Bidding Procedures Order designating the Trump Organization the "stalking horse" bidder in a 363 auction. As stipulated by this type of auction, other bidders will be required to exceed the stalking horse bid by approx \$8MM, after which the stalking horse bidder has the opportunity to increase their bid. Historically, stalking horse bidders have been selected in approx. 80% of previous 363 auctions. Once acquired, the Trump Organization plans to inject \$50MM of its own capital to renovate, reposition and operate the resort under the Trump National Doral name. The Organization intends to hold the property for the long-term to benefit from strong future cash flows and development opportunities.

Facility Details:

Type: Other Secured

Borrower: TBD [SPV acceptable to the Lender]

Guarantor: Donald J. Trump

Commitment Amount: Up to \$125,000,000 – "subject to" (i) an appraisal acceptable to the Lender, and (ii) Property Condition Report if determined by the Lender.

Purpose: To assist in financing the purchase of the Resort -- targeted purchase price of \$150 million.

Collateral: A first mortgage lien and a first priority security interest in the Resort, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets.

Guarantee: The Guarantor will provide a full and unconditional guarantee of (i) Principal and Interest due under the Facility, and (ii) operating shortfalls of the Resort (it being understood that Borrower shall be permitted to utilize all revenues from the Resort to operate the Resort to reduce the amount of such shortfall).

Maturity: 5-years from Closing Date

The period of time between the closing of the loan and such time that Borrower shall deliver an "as is" appraisal, prepared by a provider acceptable to the Lender that confirms a minimum loan to value percentage ("LTV") of not greater than 60% shall be referred to herein as the "Renovation Period". Borrower shall have the right to deliver such "as is" appraisal at any time. The period of time following the delivery by Borrower of an "as is" appraisal confirming such LTV is not greater than 60% is referred to as the "Post-Renovation Period."

Repayment: The committed term will consist of a 5-year interest only period.

The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR contract. The unutilized portion of the commitments under the Facility may be permanently reduced or terminated by the Borrowers at anytime without penalty.

Interest Rate:

- Renovation Period: Libor + 2.25% or the Prime Rate
- Post-Renovation Period: Libor + 2.00% or the Prime Rate minus .25%

LIBOR Tenors: Borrower may elect interest periods of 1, 3, 6, and 12 months

Commitment Fee: 0.25% of Facility Commitment - which shall be fully earned and payable on the execution date of the Commitment Letter.

Facility Fee: 1.00% of Facility Commitment - payable on the closing date of the Facility

Account to Charge: TBD

Documentation: Loeb & Loeb, LLP

Repayment Sources/ Key Risks/Mitigants

- **Primary Source of Repayment:** Refinancing of the Resort with long-term financing following completion of the Renovation Period or upon expiration of the 5-year term.
- **Secondary Source of Repayment:** Cash flow from Resort following the Renovation Period. Based on projections the Resort will be able to satisfactorily service principal and interest based on a 25-year amortization schedule.
- **Tertiary Source of Repayment:** Full and unconditional guarantee of DJT which eliminates any shortfall associated with operating and liquidating Collateral.

Recommendation:

The Facility is being recommended for approval based on:

- **Financial Strength of the Guarantor** - The financial profile of the Guarantor includes, on an adjusted basis, \$135 million in unencumbered liquidity, \$2.4 billion in Net Worth and approximately \$48 million in adjusted recurring net cash flow.
- **Nature of the Guarantee** - The nature of the guarantee which includes both principal and interest along with operating expenses of the Resort.
- **Operating Experience** - DJT extensive experience in operating private clubs. His current portfolio includes 10 such clubs with a reported value of \$1.3 billion and DB adjusted value of \$675 million.
- **Expected Enhanced Value Due to Capex** - The Resort is a world class location that has been home to a PGA event every year since the Resort opened in 1962. As DJT expects to invest approximately \$50 million on capital improvements it is expected that the value of our Collateral will increase significantly over the term of the Facility.

Reg O Questions:

(Lender & CRM Initials)

YES NO

- Is this loan for a DB employee? _____
- Is this loan for a DBTCA "insider?"
(Consult the most current list of "DBTCA Insiders for Regulation O and NY State Banking Law Reporting Purposes," which is posted on the shared drive R in the folder titled "Reg O," in a Word document titled "Reg O and Insider List") _____
- If the loan is for a DBTCA "insider," will DBTCA, DBPWM or any other subsidiary of DBTCA originate the loan?
(If Yes, the loan must be approved in advance by the DBTCA Board of Directors and the DBTCA Office of the Secretary. Please contact Compliance or Legal immediately.) _____

Asset Coverage Ratio (>=6.0)	31.7	17.84

* - Represents 11 months of Revenue in excess of Disbursements for the period ended 11/30/2011

- **Liquidity** – On 12/20/2011 a Structured Lending Team of Dave Williams and Emily Schroeder visited the offices of the Guarantor and reviewed bank and brokerage statements that confirmed \$178 million in cash balances and \$51.8 million marketable securities, totaling \$229.9 million held in the name of the Guarantor. In addition, they also reviewed statements for operating companies that were wholly owned by the Guarantor, which evidenced another \$29.0 million cash and marketable securities.

The Guarantors personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantors portfolio of premier private clubs which generated these distributions through operating profit along with the collection of

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Confidential

4 | Page

membership deposits. In accordance with industry standards premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposit are non-refundable for 30-years without condition, after which the member may request the refund of such deposit often contingent on being replaced by at least one new member. As of June 30, 2011 the total life-to-date balance of such deposits collected across the 10 clubs owned by the Guarantor was \$188 million. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income, however for purposes of calculating adjusted liquidity we have elected to include net 50% reserve (\$94 million representing 50% of the \$188 million life-to-date deposit balance) against the reported liquidity.

- **Real Estate – Net Equity** - the following table summarizes the Guarantors total real estate portfolio, as of 6/31/11 which reflects the Guarantors 4 wholly owned trophy properties, the portfolio of 10 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.

Property Type	DJT Valuation	DB Valuation	Property Level Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$490.0	\$380.2	\$27.8	\$462.2	\$352.4
Niketown – East 57 th St	\$263.7	\$197.0	\$53.1	\$210.6	\$143.9
40 Wall Street	\$524.7	\$438.0	\$160.0	\$364.7	\$278.0
Trump Park Ave	\$311.6	\$206.3	\$22.7	\$288.9	\$183.6
Subtotal – 4 Trophy Properties	\$1,590.0	\$1,221.5	\$263.5	\$1,326.4	\$957.9
Club Facilities	\$1,315.0	\$657.5	\$24.2	\$1,290.8	\$633.3
Other Property Interest	\$121.2	\$93.1	\$7.0	\$114.2	\$86.1
Properties under Development	\$273.2	\$68.3	\$7.7	\$265.5	\$60.6
Total – Portfolio	\$3,299.4	\$2,040.4	\$302.4	\$2996.9	\$1,737.9

- ⇒ **4 Trophy Properties** – The valuations for each of these properties were discussed with Andy Babienko, DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.
 - **Trump Towers** – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. The property has an NOI of \$17.1 million and the Guarantor used a cap rate of 3.50% to derive reported value. For purposes of adjusting DBVSG used a 4.50% cap rate. The \$27.7 million in outstanding debt, which is non-recourse in nature, is due to mature in February 2013.
 - **Niketown** – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG has indicated an adjusted value of \$197 million. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
 - **40 Wall Street** – The 72 floor tower consist of 1.3 million in premier office space. The property has an NOI of \$26.2 million with the Guarantor using a 5.00% cap rate to derive the reported value. DBVSG has provided a 6.00% cap rate for purposes of calculating the adjusted value. The existing debt in the amount of \$160 million, of which the Guarantor currently guarantees \$20 million, is scheduled to mature in November 2017.
 - **Trump Park Avenue** – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space has a reported value based on unsold units and retail rates of \$311 million. Based on discussions with DBVSG we elected to take an approximate 35% haircut on the reported value.
- ⇒ **Club Facilities** – The Guarantor wholly owns interest in 10 private club facilities which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump International Golf Club in Scotland; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA. In accordance with membership requirements members of the clubs are required to make an up-front membership deposit which is in the form of a non-interest bearing 30-year deposit. The deposits are non-refundable without condition prior to 30-years. Based on the terms of the deposit they are not recorded as a liability on the financial statements of the specific clubs. The Guarantor has obtained tax opinions supporting the accounting of such deposits for tax purposes. Life-to-date the clubs have collected \$188 million in such deposits. For purposes of our analysis the \$1.3 billion in reported value has been reduced by 50% for deriving an adjusted value.
- ⇒ **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower; Trump Palace; Trump Parc and Trump Parc East Condominiums. These properties consist of both commercial, retail and hotel space along with condominium units. For purposes of deriving an adjusted value we applied a haircut of approximately 23%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team.
- ⇒ **Properties Under Development** – consists primarily of property known as the Mansion at Seven Springs in Bedford New York, which consists of over 200 acres of land a mansion and other buildings. This property is zoned for 9 luxury homes. Also, includes property in Beverly Hills CA. For purposes of deriving an adjusted value we assumed a 75% haircut to reflect the uncertainty in valuing undeveloped land.

- **Partnership and Joint Ventures** – consist of primarily interest in the 76-acre Trump Place development located along the Hudson River between 59th and 72nd Streets in Manhattan. The Guarantors Hong Kong Partners recently sold the rental space and some of the undeveloped land using the proceeds to reinvest into 2 commercial properties. The Guarantor is currently in dispute with his Hong Kong partners and is pursuing remedies. Due to uncertainty we have taken a 50% haircut on reported value to derive an adjusted value.
- **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The Guarantor has pledged certain of these fees to secure a \$20 million mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$20 million has been netted against the \$110 million reported value. For purposes of deriving an adjusted value we assumed a 50% haircut against the net reported value.
- **Other Assets** – includes a Boeing 757 Jet, a Sikorsky helicopter, ownership rights to the Miss Universe Pageants, the Wollman Rink in Central Park, 1,100 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties and an international talent/model agency. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report, which is attached as Exhibit VI indicates a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.
- **Contingents** – includes \$47.5 million in personal recourse on two credit facilities extended by Fortress and DB related to the Trump International Hotel in Chicago; \$20 million on a limited guarantee for the \$160 million commercial mortgage on 40 Wall Street extended by Capital One; \$11 million on Trump Golf at Ferry Point to the City of New York; \$7.6 million related to 7 Springs Resort and \$27.9 million in certain project related completion guarantees.
- **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which are generally recurring by nature. The following table summarizes the sources and uses of cash during the first 11 months of 2011 and for the full year of 2010.

Type	DB Adjusted 11/30/11	Thru 11/30/11	FY 2010
<i>Sources of Cash</i>			
Real Estate	\$30.5	\$30.5	\$125.0
Entertainment	\$19.4	\$23.5	\$15.3
Clubs	\$10.0	\$12.1	\$8.0
Licensing	\$33.0	\$33.4	\$32.3
Non Operating Revenue	--	\$41.2	\$50.4
Investment income	\$4.2	\$4.2	\$4.2
Other	\$10.0	\$10.7	\$10.5
Total Sources	\$107.1	\$155.6	\$245.7
<i>Uses of Cash</i>			
Property Development	\$34.0	\$34.8	\$34.3
Retirement of Debt	--	\$14.2	\$25.2
Aircraft Acquisition	--	--	\$37.0
Income Tax Payable	\$21.8	\$21.8	\$2.9
Personal & Other	\$2.5	\$2.5	\$1.7
Total Uses	\$58.3	\$73.3	\$101.1
Net Cash Flow	\$48.8	\$82.3	\$144.6

- ⇒ **Real Estate** – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section. It should be noted that 2010 includes \$85 million in the repayment of certain Notes that were held by the Guarantor. For purposes of deriving annual adjusted revenue we have assumed the first 11 months of 2011.
- ⇒ **Entertainment** – represents distributions generated primarily through the Guarantors involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010 and the first 11 months of 2011.
- ⇒ **Clubs** – represents distributions generated through the portfolio of 10 Clubs which are wholly owned by the Guarantor. For purposes of deriving adjusted annual cash flow we have assumed the average between 2010 and the first 11 months of 2011.
- ⇒ **Licensing** – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements. For purposes of deriving annual adjusted revenue we have assumed the first 11 months of 2011.
- ⇒ **Non Operating Revenue** – includes tax refunds, insurance settlements, gains on sale and other one-time type items. Due to the nature of this cash flow we excluded for the purposes of calculating recurring cash flow.
- ⇒ **Investment Income** – represents interest and investment income on cash and marketable securities. For purposes of deriving annual adjusted revenue we have assumed the first 11 months of 2011.
- ⇒ **Other** – primarily related to miscellaneous fee income and fees generated from speaking engagements. For purposes of deriving annual adjusted revenue we have assumed \$10 million based on the prior 2-years of cash flow.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Confidential

6 | Page

- ⇒ *Uses of Cash* – primarily utilized to reinvest in property development and retirement of debt on Clubs. For purposes of deriving annual adjusted uses of cash we have assumed the amounts incurred for 2011 with the exception of the Retirement of Debt, which we assumed to be zero as there are no contractual amounts due in 2012.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of the obligation by the Guarantor based on a 25-year amortization schedule, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of the 4 criteria slightly missing the required Cash Flow Ratio. It should be noted as part of our adjustments we reduced the Guarantor's reported recurring cash flow by 41%.

Summary of Transaction

➤ Request/Purpose

The requested \$125MM term commitment will be used to finance a portion of the \$150 million acquisition price of the Doral Golf Resort and Spa Miami (the "Resort"). As the Resort is being purchased in accordance with a 363 Bankruptcy Auction closing is not expected to occur until the March/April time period, however, the Guarantor has requested a Commitment Letter in early January to firm up his financing strategy. The Commitment being requested will be "subject to" an appraisal which is satisfactorily reviewed by the Lender. Results of the appraisal will be covered in a separate memo which will be added as an addendum to the Credit Approval, prior to closing the Facility.

On November 29th, 2011, the Trump Organization executed a Purchase and Sale Agreement for the Property including a hard deposit of \$12MM. As the Resort is part of a bankruptcy estate, the court will now file a Bidding Procedures Order designating the Trump Organization the "stalking horse" bidder in a 363 auction. As stipulated by this type of auction, other bidders will be required to exceed the stalking horse bid by approx \$8MM, after which the stalking horse bidder has the opportunity to increase their bid. Historically, stalking horse bidders have been selected in approx. 80% of previous 363 auctions. Once acquired, the Trump Organization plans to inject \$50MM of its own capital to renovate, reposition and operate the resort under the Trump National Doral name. The Organization intends to hold the property for the long-term to benefit from strong future cash flows and development opportunities.

Property Description

The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The famed Blue Monster is the most well-known of the resort's courses and has been home to a PGA event every year since the resort opened in 1962. From 1962 to 2006 the resort was host to the Doral Open, and since 2007 the WGC-Cadillac Championship has made its home at the Blue Monster after having previously been played at various courses around the world. As per the Guarantor, the PGA has recently signed a 5 year contract with the resort to continue this tournament. In addition to the Blue Monster, the Gold and Red courses have hosted other PGA qualifying events in the past.

The spa facility was renovated in 2010 and includes 33 treatment rooms, indoor and outdoor pools, men and women's locker rooms with saunas and steam rooms as well as a fitness facility. In 2009, the Pritikin Longevity Center moved its entire operation to the Doral. The Pritikin Program is a nationally recognized diet and exercise program focused on altering diet and exercise to prevent heart disease, diabetes, hypertension and obesity. The Pritikin facilities (medical, gym, exercise rooms, kitchen, dining room, lecture rooms and offices) are integrated within the spa at the Doral, and Pritikin guests stay in the hotel suites. Packages offered by the Pritikin Center range from \$4,500 to \$5,900 per person/per week depending on the season.

In addition to the current improvements, the acquisition includes significant existing development rights for a wide range of commercial, residential and retail uses. From a zoning perspective, the property is divided into three parcels known as the Resort parcel (where the buildings are located), the Range View (driving range) and the Golf Courses. The Resort parcel can be expanded to include 600 additional dwelling units and in excess of 2.6MM SF of commercial or retail space. The driving range parcel could have 71,800 SF of hospitality or resort development. There are no immediate plans for further development, but long term there is value to these rights.

• *Environmental Report*

Phase I ESA performed by EBI dated 11/14/11 has been reviewed and accepted by DB. Recommendations include the following:

- 1). Continued compliance with the Industrial Waste Annual Operating Permit
- 2). The 500 gallon out of service UST is reportedly in process of being removed by Handex Consulting. All removal documentation including post excavation sampling and closure should be provided upon completion.
- 3). All remaining dry cleaning fluids should be removed from the facility, including draining the machine of PCE.
- 4). The site has been undergoing groundwater monitoring under the DERM County Monitoring Only Plan due to former dry cleaner, and is seeking NFA. It is unclear when NFA will be issued, but will also likely result in site use conditions being filed. Continued compliance with the MOP is recommended until NFA. We should also obtain an estimate from the consultant conducting the monitoring as to the time frame anticipated and remaining cost to achieve NFA.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Confidential

7 | Page

5). Continued implementation of asbestos O&M plan.

These recommendations will be discussed with the client and where necessary addressed in a post-closing agreement. In addition, the Bank will be receiving an environmental indemnity for all existing REC's.

Project Overview

Since 2007, the Property joined CNL Hospitality and became part of the Marriott portfolio of 60 worldwide resorts. Since that time, the Guarantor feels the property's performance has degraded significantly due to the misalignment of Marriott's mid-level brand with Doral's luxury potential, an inconsistent guest experience and a lack of expertise in golf operations. The Guarantor feels their branding and operating experience is more closely aligned with Doral's potential as a high end golf and resort destination.

The Property has been invested in significantly over the years with more than \$67MM of capital improvements completed since 2005. A very significant portion of that amount, +\$20MM, has been invested in mechanical, electrical, plumbing and other "behind the wall" improvements.

Upon acquisition the Guarantor intends to invest an additional \$50MM to renovate and reposition the resort to its previous world-class standard. The goal of the refurbishment is to ensure a consistent guest room quality and enhanced guest experience throughout the rooms and public spaces of the resort. The vast majority of the work will be aesthetic and highly visible to guests. The project scope and logistics will be planned carefully so that there is minimal operational interference but a quick and visible impact on the resort facilities. To avoid the high season, work on the property primarily will be completed between April and October. As rooms are located in multiple lodges, there will never be the requirement to close the resort as only a small fraction of rooms will be out of inventory at any time. In addition, it is not expected that any of the golf courses will have to be closed during their enhancement. A breakdown of the improvement budget is as follows:

(\$ in millions)	Capex Budget	\$/Key
Renovation Scope		
Main Building Enhancements	\$5,722,320	\$8,257
Conference Area, Spa and Champions Pavilion	\$5,259,636	\$7,590
Lodges and Guest Room Interiors	\$8,434,900	\$12,172
Member's Clubhouse and Golf	\$4,000,000	\$5,772
Enhanced Arrival Experience, Landscaping and Pool	\$2,950,000	\$4,257
FF&E and OS&E (rooms and furniture)	\$13,176,000	\$19,013
CM/General Conditions	\$2,636,686	\$3,805
Soft Costs	\$4,591,423	\$6,625
Contingency	\$3,734,686	\$5,389
Total Budget	\$50,505,649	\$72,880

Renovation of the Main Building, Conference Area, Spa and Champions Pavilion will include an aesthetic upgrade of the lobbies, reception areas meeting spaces, restaurants, retail space, spa and corridors. Renovation of the Lodges and Spa Suites will include both interior and exterior work including painting, lighting and landscaping. Guest rooms will undergo a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse will receive a brand new design that will enlarge the space and improve the finishes to support the drive to increase the number of the members and amount of dues. The golf course renovations will be primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The remaining funds will be used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

See Exhibit IV – Investment Memorandum for additional details.

Property Performance

Historical

The Guarantor has provided Profit and Loss statements for Property for the four years, 2007-2010. Please see Exhibit III for further details of expected Property Performance.

	2007	2008	2009	2010
Occupancy Rate	69.3%	66.7%	56.1%	70.6%
ADR	\$182.69	\$184.45	\$155.6	\$144.46
RevPar	\$126.54	\$122.97	\$87.37	\$101.95
Total Revenue	\$96,391	\$96,848	\$70,465	\$80,539
Total Operating Expenses	\$78,149	\$81,562	\$68,937	\$75,799
Net Operating Income	\$18,242	\$15,286	\$1,528	\$4,740
EBITDA	\$23,041	\$20,128	\$5,052	\$8,765

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Confidential

8 | Page

As illustrated above, the property has seen a steady decline in NOI since 2007. The Guarantor feels that this is a result of mismanagement of the property resulting in an inconsistent guest experience and lack of expertise in golf operations. Given the Guarantor's successful history in the hotel and golf course space, they feel there is substantial opportunity in the property once it is repositioned. Once renovations are completed at the end of the second year of operations, the Guarantor believes the cash flow generated by the property will increase dramatically.

Projected

The Guarantor has provided the following projections for 2011 through 2015.

	2011	2012	2013	2014	2015
Occupancy Rate	68.0%	54.1%	62.2%	73%	73%
ADR	\$160.37	\$162.00	\$175.0	\$208	\$250
RevPar	\$109.11	\$87.64	\$108.85	\$151.85	\$182.5
Total Revenue	\$83,650	\$71,163	\$82,099	\$111,237	\$121,993
Total Operating Expenses	\$77,539	\$63,824	\$69,899	\$87,295	\$93,786
Net Operating Income	\$6,111	\$7,339	\$12,200	\$23,942	\$28,207
EBITDA	\$10,293	\$7,338	\$12,200	\$26,169	\$31,869
Proposed Debt to EBITDA	12.14x	17.03x	10.25x	4.78x	3.92x

*it should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

These projections are supported by the Guarantor's plan to improve the revenue generated in four specific areas of concentration; guest rooms, food and beverage, golf and expense management. As illustrated in the above historical figures, prior to the implementation of the Marriott management company, when the Property was operated as a single flag, the Doral produced EBITDA of \$23MM. The Guarantor's goal is to restore it to this level by 2014.

The Property's competitive set includes the PGA National Resort in Palm Beach (85 miles from subject), Fairmount Turnberry Isle in Aventura (23 miles), Intercontinental Hotel Miami (13 miles), Innisbrook Resort & Golf Club (283 miles), Loews Miami Beach Hotel (17 miles) and Westin Diplomat Resort Golf and Spa (25 miles). Over the past few years, the Property has significantly underperformed its competitive set losing market penetration from 94.4% during 2005 to 80.8% during 2007 to 65.7% for the 12 months ending August 2011. It is the view of the Guarantor that the affiliation with the Trump Hotel brand will elevate the Property and support the growth projection of an increase in market penetration to 89% vs a competitive set that they feel is weaker than that faced by other properties in the Trump portfolio.

In addition to the guest rooms, the Guarantor plans to reposition the food and beverage venues to better serve a high end clientele in addition to promoting the wedding and event business. As golf course operations are viewed as a particular strength of the Trump organization, the Guarantor projects a strong growth in the key golf operating metrics as follows:

	Current	1 st Year Stabilized
Members	752	857
Golf Dues	\$6,720	\$10,000
Initiation Fees	\$15,500	\$50,000
Revenue	\$16,239,744	\$26,795,578

The final area of concentration (and possibly the most important) is the Guarantor's plans to more effectively control costs without comprising quality. At the forefront of the expense management program is corporate oversight over every budget category. Expenses are controlled through best practices created at other hotels and golf courses, leveraged national account pricing across every department, competitive bidding of goods and services and detailed analysis regarding expenditure decisions.

Conditions Precedent to closing

Usual and customary for facilities of this size, type and purpose, including but not limited to:

- Receipt of a current appraisal acceptable to the Lender. As indicated, the Guarantor has requested a Commitment Letter by early January which will be "subject to" completion of an appraisal acceptable to the Lender. Expected closing is in the April/May time period.
- Property Condition Report, if determined by the Lender

Covenants

Reporting Covenants:

➤ **Guarantor:**

- **Business Financial Statement-** Guarantor to provide a financial statement annually dated within 90 days of 12/31.

➤ **Guarantor:**

- **Personal Financial Statement-** Guarantor to provide a financial statement annually dated within 90 days of 12/31.
- **Compliance Certificate-** Guarantor to provide a compliance certificate annually dated within 90 days of 12/31 and Lender will have right to confirm required liquidity through review of account statements at the offices of the Guarantor.

Financial Covenants:

➤ **Renovation Period (required only until Post-Renovation Period begins):**

- **Liquidity-** Guarantor shall maintain unencumbered liquidity at all times (defined as unrestricted cash or marketable securities convertible to cash within 5 business days that is not pledged to support any obligations) of at least \$50 million with at least \$20 million to be maintained with the Lender (this cash will not be pledged as collateral).
- **Indebtedness-** Guarantor shall not incur any additional indebtedness (direct or contingent) in excess of \$150 million, excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of the date of the closing of the loan, without the prior consent of the Lender.
- **Net Worth-** Guarantor shall maintain a Minimum Net Worth of \$2.5 billion excluding any value related to the Guarantor's brand value (as such Minimum Net Worth is reflected in Guarantor's Statement of Financial Condition prepared by Guarantor in substantially the form prepared by Guarantor as of the date of this term sheet, a copy of which will be delivered to Lender).

➤ **Post-Renovation Period (in lieu of Renovation Period Covenants):**

- **Debt Service Coverage-** Guarantor shall maintain a Debt Service Coverage ratio (DSC) defined as Net Operating Income divided by Debt Service of no less than 1.15x. In the event Guarantor fails to maintain such DSC, (i) Guarantor shall be entitled to cure any shortfall of such DSC by such reasonable means as Guarantor shall elect to enable Guarantor to meet the DSC and (ii) **if Guarantor is unable to cure such DSC failure, the Renovation Period covenants shall apply in lieu of the Post-Renovation Period requirements until such time as Guarantor maintains the DSC.**
- **Net Worth-** Guarantor shall maintain a reported Minimum Net Worth of \$2.5 billion excluding any value related to the Guarantor's brand value (as such Minimum Net Worth is reflected in Guarantor's Statement of Financial Condition prepared by Guarantor in substantially the form prepared by Guarantor as of the date of this term sheet, a copy of which will be delivered to Lender).

Other Covenants:

- The Collateral will maintain a minimum appraised value of \$150 million, which may be confirmed by the Lender with an updated appraisal, at the cost of the Lender, at any time after the second anniversary of the Closing Date of the Facility. The Guarantor may cure any deficiency caused by a valuation shortfall through the repayment of principal to an amount that the loan to value based on the revised valuation remains less than 85%, with such payment due within 10 business days of notification by the Lender.

Events of Default and Cure periods:

Usual and customary for facilities of this size, type and purpose, including but not limited to:

- Payment default
- Breach of representation or warranties
- Violation of covenants
- Cross defaults
- Bankruptcy, insolvency
- Death of the Guarantor - In connection with either the adjudicated incompetency or the death of any Guarantor, no Event of Default shall be declared by the Lender if, within ninety (90) days from the date of such adjudication of incompetency or the date of such Guarantor's death, as the case may be, the guardian of such Guarantor or the estate of the deceased Guarantor, as the case may be, (i) upon the Lender's written request acknowledges and does not repudiate or dispute in any manner, and assumes, this Guaranty and the Guaranteed Obligations hereunder, (ii) cooperates with the Lender in filing and seeking any contingent liability claim in connection with the death of such Guarantor, (iii) has sufficient assets to secure all monetary Guaranteed Obligations hereunder and sets aside sufficient sums, in the Lender's reasonable discretion, in connection therewith and (iv) the estate of Guarantor continues to meet all applicable terms, conditions and covenants under this Guaranty and the other Loan Documents.

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBTCA (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

NO AFFILIATE COLLATERAL HELD

 (\$170MM) - 5/2/14 – STRUCTURED

I – Summary of Transactions

Request/Purpose

Facility A:

Annual Review of Trump Endeavor 12, LLC loan facility and request to change Annual Review date to 5/31/15.

Facility B:

Increase and Annual Review of 401 NORTH WABASH VENTURE LLC loan facility. The original Facility for \$98 million (\$107 million approved) was closed in November of 2012 with funds being used to refinance existing debt on the Property. While the original term of the facility was 4/5 years (there were 2 tranches), during the first 18 months, the Borrower used the sales proceeds of the condos and cash flow from the hotel to pay the loan down to its current balance of approx. \$19 million. The Borrower has requested a \$54 million increase to the current outstanding balance of \$19 million for a total loan amount of \$73 million. The proceeds will be used for business purposes including further real estate acquisitions and working capital. Collateral for this facility will be the Trump International Hotel Chicago and the 7 remaining Trump Chicago Tower condo units. This facility is fully guaranteed by Mr. Trump for all principal, interest and operating shortfalls until the balance of the facility is less than \$45 million (34% LTV), please see Facility B terms for further explanation.

Facility C

Approval of a new \$170MM First mortgage facility to the Borrower, TRUMP OLD POST OFFICE LLC, to be used for the development of the Old Post Office property in Washington DC. The purpose of this transaction is to provide up to 80% of the financing for the redevelopment of the Old Post Office Building ("OPO") in Washington DC into a 250-270 room luxury hotel including 65,000-75,000 SF of meeting, banquet, food and beverage, retail, spa and fitness facilities. The facility will be structured as a multiple-draw construct-to-permanent loan facility with maturity 10 years from closing (4 year max construction period). This facility is fully guaranteed by Mr. Trump for all principal, interest and operating shortfalls.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 5/2/14 – STRUCTURED

Loan C – Trump Old Post Office – See Exhibit IV	
Facility Amount	The lesser of i) \$170,000,000 and ii) 80% of the Redevelopment Investment Plan. ➤ <i>Redevelopment Investment Plan</i> – shall represent a budget to complete the Project consisting of hard costs, soft costs (including, without limitation, interest), and operating shortfalls and consisting of: (i) at least 20% of the Redevelopment Investment Plan as of the Closing Date (the "Defined Equity Amount") to be invested directly by the Guarantor, and (ii) any remaining amounts, in an amount not to exceed \$170MM, expected to be provided within the Facility Amount.
Facility Type:	Multiple-draw construction loan facility with (i) interest only payable during the Redevelopment Period, and (ii) during the Post Redevelopment Period either: (a) interest only at any time the loan-to-value (the "LTV") is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%. ➤ <i>Redevelopment Period</i> – the expiration of the Redevelopment Period will be 4-years from the Closing Date; provided, however, that Borrower, in its sole discretion, may trigger the Post Redevelopment Period earlier upon Borrower's delivery to Lender of (a) one or more temporary or final certificates of occupancy or their equivalent for the Major Components, and (b) an appraisal of the Property (the "Initial Appraisal", which shall be prepared by an appraiser selected by Lender, indicating an LTV of no greater than 85%. ➤ <i>Post Redevelopment Period</i> – the period from the end of the Redevelopment period to the Facility maturity date. Until such time as the appraisal is reviewed and accepted by DB, this facility will be considered "Other Secured" for collateral reporting purposes.
Purpose:	Borrower intends to convert the Property from its existing use as an office building with retail to a 250-270 room luxury hotel (Please see project description below).
Property	The Old Post Office Building and Annex located at 1100 Pennsylvania Avenue, Washington DC 20004.
Maturity:	10 years from the closing date
Collateral:	The Facility will be secured by (i) a first mortgage lien on Borrower's leasehold interest in (x) the Property and (y) all improvements thereto, (ii) security interests in and, to the extent assignable and as applicable, assignments of Borrower's interest in all permits licenses, lease, contracts, agreements, operating accounts, receivables etc. and (iii) Borrower's interest in other customary ancillary collateral relating to the Property. As noted above, until such time as the appraisal is reviewed and accepted by DB, this facility will be considered "Other Secured" for collateral reporting purposes.
Multi-draw Funding Criteria/ Retainage	Borrower will be permitted to receive advances under the Facility to pay all costs incurred by the Borrower in accordance with the Redevelopment Investment Plan. Advances will require a hold back of 10% of hard costs for the first 50% of the amount of any construction contract (there is no hold back on the last 50%) provided, however, no retainage shall be required for (i) soft costs under any contract or (ii) materials only contracts. Lender shall disburse retainage promptly upon notice from Borrower that such retainage is due and payable.
Completion Reserve:	Following the later of (x) the initial advance under the loan and (y) the contribution of the Defined Equity Amount, if at any time the undrawn amount of the Facility is less than the remaining costs to complete the Project and the shortfall is \$5,000,000 or greater, then Borrower shall fund a completion reserve (the "Completion Reserve" in the amount required to reduce such shortfall to \$5,000,000. The Completion Reserve will be held by Lender as additional Collateral.
Repayment:	1) During the Redevelopment Period the facility will require interest only payments. 2) During the Post Redevelopment Period either (a) interest only at any time the LTV is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.
Interest Rate:	1) Redevelopment Period – LIBOR plus 2.00% or, at Borrower's option, the Prime Rate. 2) Post Redevelopment Period and upon delivery of appraisal indicating an LTV of less than or equal to 70% - LIBOR plus 1.75% or, at Borrower's option, the Prime Rate minus 0.25%. Borrower shall have the right to deliver such appraisal, acceptable to Lender, at any time during the Post Redevelopment Period.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 5/2/14 – STRUCTURED

LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months with a maximum of (5) LIBOR contracts outstanding at any time and no LIBOR contract to be permitted for loans less than \$1,000,000 at any time.
Fees:	0.50% of Facility Amount due and payable at closing
DSC Covenant	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - None ➤ <i>Post Redevelopment Period</i> – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio (“DSC”) defined as the Net Operating Income (“NOI”) divided by Debt Service of no less than 1.15x. “Debt Service” is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant to be test annually beginning with the first full calendar year commencing four (4) years after the Closing Date
Maximum LTV	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - 80% of the Redevelopment Investment Plan. ➤ <i>Post Redevelopment Period</i> – The Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency cause by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification by the Lender.
Expiration of Redevelopment Period:	<p><i>4-Years from the Closing Date</i></p> <ul style="list-style-type: none"> ➤ No later than 4-years from the Closing Date, Borrower shall deliver to Lender: (a) one or more temporary or final certificates of occupancy or their equivalents for the Major Components (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, the non-completion of which does not materially interfere with the operation of the Property as a whole), and (b) an appraisal of the Property, which shall be prepared by an appraiser selected by the Lender, indicating an LTV of no greater than 85%. The term “Major Components” shall mean: (i) 90% of the hotel rooms, (ii) the meeting and banquet space and (iii) one operating restaurant. A temporary or final certificate of occupancy or its equivalent for the entire Project (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, or uncompleted work in connection with disputes concerning items of a historic nature, the non-completion of which does not materially interfere with the operation of the Property as a whole) shall be delivered to the Lender no later than 5-years from the Closing Date.
Guaranty:	Donald J. Trump will provide a full and unconditional guaranty of: (i) principal and interest due under the facility, (ii) swap breakage costs, (iii) operating shortfalls of the Property until the end of the Shortfall Coverage Period and (iv) a completion guaranty, guaranteeing the lien-free completion of the Project acceptable to Lender, as evidence by, among other things, one or more temporary or final certificates of occupancy or their equivalent, architects certificate and appropriate lien waivers, each reasonably acceptable to Lender.
Guarantor Covenants	<ul style="list-style-type: none"> ➤ <i>During the Redevelopment Period:</i> <ul style="list-style-type: none"> ○ Guarantor shall maintain unencumbered liquidity at all times of at least \$50 million with at last \$20 million to be maintained with the Lender. ○ Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500 million (the “Guarantor Liability Cap”), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities). ➤ <i>At all times during the term of the facility:</i> <ul style="list-style-type: none"> ○ Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor’s brand value

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

(\$170MM) - 5/2/14 – STRUCTURED

Swap Agreement	<p>Borrower shall have the option to purchase interest rate protection in the form of a swap, reasonably acceptable to Lender, and secure related credit exposure (the "Swap Exposure") through the mortgage for the Facility. Borrower shall have the option to purchase this swap at closing or at any time during the loan term, and the term of such swap agreement does not have to be coterminous with the loan. Borrower shall have the option to purchase this swap from Lender or any other party; <u>provided, however</u>, if such swap is not provided by Lender or any of its affiliates, such swap obligation shall not be secured by any assets of Borrower.</p> <p>During the Redevelopment Period the Borrower or Guarantor shall be required to post cash collateral within in three (3) business days' notice from the Lender, should at any time the actual mark-to-market amount exceeds the defined Threshold Amount plus the MTA. At such time, the minimum amount of cash collateral to be posted shall be equal to the difference between the actual mark-to-market and the Threshold Amount.</p> <p>During the Post Redevelopment Period the Borrower shall not be required to post any additional cash collateral and any related Swap Exposure will remain secured by the mortgage. Any cash collateral related to the Swap Exposure, in accordance with the term in effect during the Redevelopment Period, shall be released upon receipt of the Initial Appraisal to the extent such Swap Exposure plus the principal amount outstanding under the Facility does not exceed 85%. Once such cash collateral is released the Borrower will have no further obligation to post any additional cash collateral during the Post Redevelopment Period.</p> <p><i>Threshold Amount</i> - shall be equal to \$10,000,000 minus the Independent Amount. <i>Minimum Transfer Amount ("MTA")</i> - shall be equal to \$250,000. <i>Independent Amount</i> - shall be equal to 5% of the notional amount of the Swap.</p>
-----------------------	--

Repayment Sources/ Key Risks/Mitigants	
Facility A	
<ul style="list-style-type: none"> ➤ Primary Source of Repayment: Refinancing of the Collateral Property. ➤ Secondary Source of Repayment: Cash flow from Resort following the Renovation Period. Based on projections the Resort should be able to satisfactorily service the debt paying principal and interest based on a 25-year amortization schedule. ➤ Tertiary Source of Repayment: When the LTV is above 65%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently. 	
Facility B	
<ul style="list-style-type: none"> ➤ Primary Source of Repayment: Cash flow generated by the Hotel Collateral and sale of the remaining 9 condos. ➤ Secondary Source of Repayment: Refinancing the Hotel Collateral property. ➤ Tertiary Source of Repayment: When the LTV is above 60%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently. 	
Facility C	
<ul style="list-style-type: none"> ➤ Primary Source of Repayment: Refinancing of the Collateral Property. ➤ Secondary Source of Repayment: Cash flow from Hotel following the Redevelopment Period. Based on projections, the Hotel should be able to satisfactorily service the debt paying principal and interest based on a 25-year amortization schedule. ➤ Tertiary Source of Repayment: DJT provides a full and unconditional guarantee of the entire facility for the term. 	

Recommendation:	
Approval of i) the Annual Review for Facility A (Doral), (ii) the Modification/Increase to Facility B (Trump Chicago Hotel) and (ii) origination of Facility C (Trump Old Post Office) are being recommended based on:	
<u>All Facilities</u>	
<ul style="list-style-type: none"> • <i>Financial Strength of the Guarantor</i> - The financial profile of the Guarantor includes, on an adjusted basis, a net worth of \$2.6 billion with \$154.5 million in unencumbered liquidity. • <i>Operating Experience</i> - DJT's extensive experience in operating private golf/country clubs. His current portfolio includes 13 such clubs with a reported value of \$1.66 billion and DB adjusted value of \$680.6 million. • <i>DB Relationship</i> - DJT continues to develop his relationship with DB as Facility C will be the fourth credit facility we have originated with him or his family (3 with DJT, 1 with DJT Jr.). DJT has transferred \$40 million in liquidity to DB and has indicated he is interested in continued to grow his non-credit relationship with the firm. The AWM Banking team has been introduced to each of DJT's three adult children and two have established relationships with the firm. In addition, the CB&S Real Estate Team has had a successful history with the family. 	
<u>Facility A</u>	
<ul style="list-style-type: none"> • <i>Equity Injection of the Guarantor:</i> While the initial equity injection of the Guarantor was estimated at \$50MM, we have been told that the estimate has been increased to anywhere from \$150-\$160MM, with approximately \$30MM already invested. • <i>Expected Enhanced Value due to Capex</i> -The Resort is a world class location that has been home to a PGA event every year since the Resort opened in 1962. As DJT expects to invest approximately \$150-160 million on capital improvements it is expected that the value of our Collateral will increase significantly over the term of the Facility.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 4/25/13 - STRUCTURED
 5/2/14 ES

Facility A & B

- **Leverage Levels required for Step-Down of the Guaranty** – The LTV levels required to for a decrease in the guaranty levels are low enough to ensure that the loan is more than adequately collateralized.

Facility B

- **Property produces sufficient cash flow to support the requested increase in debt at a 1.74x (P&I) and 2.45x (I/O) coverage ratio.**
- **Quality of the collateral and LTV** – The property is in the form of a luxury hotel building and 9 remaining, unsold, condominiums located in downtown Chicago. Based on the recent appraisal completed the Hotel collateral was valued at \$133 million which would result in a 55% LTV not taking into account any of the unsold condos which are also being pledged as collateral.
- **Accelerated Repayment in addition to Amortization** – Until the Facility is paid down to a balance of no more than \$45 million, the Facility will amortize on a 30 year amortization schedule, in addition 92% of the proceeds of the sale of any of the 7 condos pledged as collateral will be applied to the principal balance of the loan. It is the Borrower's intention to pay-down the Facility to \$45 million as soon as possible.

Facility C

- **Equity Injection of the Guarantor:** While the initial equity injection of the Guarantor was estimated at +\$42MM, we have been told that the estimate has been increased to anywhere from \$150-\$160MM, with approximately \$30MM already invested.
- **Borrowers Successful Operating Experience:** The Trump Hotel Collection consists of 8 Luxury Hotels in New York, Chicago (Facility B), Las Vegas, Hawaii, Toronto, Miami(Facility A) and Panama with 3 new hotels (including the subject) coming on-line in the next 2-3 years. The Trump name has been associated with the highest level of luxury and the hotels in the collection have been performing successfully even through the previous economic downturn.

Regulatory Requirement - One Obligor Principle

IMPORTANT: Transactions subject to banking secrecy in other locations should not be covered

- Does the borrower have other existing credit client relationships in the current booking location or with other Deutsche Bank entities (whether under private individual name or other related entities)?

Yes No

If 'Yes', please provide details:

Please see Total Exposure on Page 1.

- Please certify (tick the box) that this was confirmed with the borrower:

If answered 'Yes' to the above question, the Consolidation of Borrowers' Sheet has to be completed*

* Credit Officer or Lending Officer to complete as per responsibilities in place in the given location

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/13. We are not aware of any material changes to the Guarantors financial profile.

Guarantors – Financial Summary: Although all three Facilities are secured by Collateral, given the unique nature of these credits, the credit exposure is being recommended based on the financial profile of the Guarantor. As part of this underwriting we have met with several members of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantor's financial statements which are attached as Exhibit V.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2012 (DB Adjusted)	DJT 6/30/2013 (Client Reported)	DJT 6/30/2013 (DB Adjusted)

Liquidity Ratio (>= .25)	2.04	1.32	.47	0.90	0.41
Asset Coverage Ratio (>=6.0)	31.7	33.32	8.43	13.27	7.10

- > **Liquidity** – The Guarantor reports liquidity of \$339 million as of 6/30/13 consisting of \$185 million in Mr. Trump's name personally and \$154 million held in various entities which Mr. Trump controls. On 10/21/2013 Tom Sullivan and Emily Schroeder visited the offices of the Guarantor and reviewed bank and brokerage statements that confirmed \$131 million in marketable securities, and \$23.5 million in hedge funds and fixed income held in Mr. Trump's name representing 83% of the client reported amount. The client reported balance has increased by \$169.4 million from the prior year due to cash flow from operations and 2 distributions from refinancing CRE debt including an approx. \$70 million distribution from the refinance of Trump Tower and a \$100 million distribution from a refinance of debt on 1290 Avenue of the Americas which is owned as a JV with Vornado Realty Trust. (See Cash Flow section for additional details). DB adjusted liquidity represents the amount of liquidity that was verified via statements by Mr. Sullivan and Ms. Schroeder on 10/21/13.

The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. As of June 30, 2013 the total life-to-date balance of such deposits collected across the 13 clubs owned by the Guarantor was approximately \$213 million, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantors liquidity.

- > **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/31/13 which reflects the Guarantor's 4 wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 5/2/14 – STRUCTURED

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$526.8	\$480.0	\$100.0	\$426.8	\$380.0
Niketown – East 57 th St	\$287.6	\$175.0	\$39.2	\$248.4	\$135.8
40 Wall Street	\$530.7	\$500.0	\$160.0	\$370.7	\$340.0
Trump Park Ave	\$346.1	\$173.0	\$21.8	\$324.3	\$151.2
Subtotal – 4 Trophy Properties	\$1,691.2	\$1,328.0	\$321.0	\$1,370.2	\$1,007.0
Club Facilities	\$1,656.2	\$828.1	\$147.5	\$1,508.7	\$680.6
Other Property Interest	\$412.3	\$168.6	\$22.5	\$389.8	\$146.1
Total – Portfolio	\$3,759.7	\$2,324.7	\$491.0	\$3,268.7	\$1,833.7

- **4 Trophy Properties** – The valuations for each of these properties were discussed with DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.
 - **Trump Towers** – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/13 the property had associated debt of approx \$100MM. The loan is non-recourse and matures in 2022. A recent appraisal performed in conjunction with the refinance valued the property at \$480MM resulting in a roughly 21% LTV.
 - **Niketown** – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG has indicated an adjusted value of \$175 million. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
 - **40 Wall Street** – The 72 floor tower consist of 1.3 million in premier office space. Based on a SF assumption DBVSG has indicated an adjusted value of \$500 million. The existing debt in the amount of \$160 million, of which the Guarantor currently guarantees \$20 million, is scheduled to mature in November 2017.
 - **Trump Park Avenue** – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space has a reported value based on unsold units and retail rates of \$346.1 million. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/13, had an outstanding balance of 21.84MM and matures 8/1/15. Based on discussions with DBVSG we elected to take an approximate 50% haircut on the reported value.
- **Club Facilities** – The Guarantor wholly owns interests in 13 private club facilities which include The Mar-A-Lago Club in Palm Beach Fl; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, Fl; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump International Golf Club in Scotland; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA; Trump National Doral in Miami, Florida (please see previous memo for details); Trump National Golf Club in Charlotte, NC; and Trump National Golf Club in Jupiter, Florida (new in 2013). In accordance with membership requirements members of the clubs are required to make an up-front membership deposit which is in the form of a non-interest bearing 30-year deposit. The deposits are non-refundable without condition prior to 30-years. Based on the terms of the deposit they are not recorded as a liability on the financial statements of the specific clubs. The Guarantor has obtained tax opinions supporting the accounting of such deposits for tax purposes. Life-to-date the clubs have collected \$213 million in such deposits. For purposes of our analysis the \$1.66 billion in reported value has been reduced by 50% for deriving an adjusted value.
- **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations, 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$291million based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of June 30, 2013 the Guarantor has continued to elected not to include the value of the Trump Chicago International Hotel & Tower in its financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be noted that as of 11/9/12, DB provided the Guarantor with a \$98 million bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago. Since closing, the entire Tranche A Note facility has been repaid in full and the Tranche B Note facility has approx. \$19MM outstanding. As part of the proposed Facility B transaction an updated appraisal was performed by Cushman and Wakefield which indicated value of \$133MM. Based on the proposed loan amount of \$73MM (including the current outstanding) would result in a LTV of 51%. In addition, there are 7 remaining condo units currently owned by the Guarantor valued at \$28.2 million that have not been listed on the financial statement and will be pledged as collateral for Facility B. This +\$88 million in equity value in the hotel and remaining condos, has not been included in the Guarantor's financial analysis above.

**DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 5/2/14 – STRUCTURED**

➤ **Partnership and Joint Ventures -**

- **1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA** – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7 million leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$745.8 million is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Trump International Hotel and Tower – Las Vegas, Nevada** – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$123.5 million is after the current mortgage debt of \$112,340,000. The initial maturity of this facility is 7/5/15 with the option to extend for an additional 2 years. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

➤ **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$174,700,000 was based on situations which have evolved to the point where signed arrangements with other parties exit and fees and other compensation which he will earn are reasonably quantifiable. The Guarantor has pledged certain of these fees to secure a \$19.76 million mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$19.76 million has been reflected on Mr. Trump's financial statement as "Other mortgages and loans payable". For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

➤ **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date end contract rights with regards to future performances on television. For purposes of deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report, which is attached as Exhibit VI indicates a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.

➤ **Contingents** – as of 6/26/13 DJT's gross contingent obligations were reported to be \$197.2 million, which included: a) the \$125 million in support provided under the Doral credit facility with AWM, b) \$30 million in personal recourse on the existing debt related to the Trump International Hotel in Chicago also with AWM (Update: This debt is currently \$19MM); c) \$20 million on a limited guarantee for the \$160 million commercial mortgage on 40 Wall Street extended by Capital One; d) \$11 million on Trump Golf at Ferry Point to the City of New York, e) \$7.3 million related to 7 Springs Resort and \$3.9 million in certain other project related completion guarantees. (See LIC – Schedule of Contingent Liabilities). For purposes of adjusting the reported balance we replaced the existing \$19 million guarantee associated with Trump Chicago and increased it to the requested \$73MM in addition to the requested \$170MM OPO facility for an adjusted gross contingent liability amount of \$420.5 million.

➤ **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which are generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2013.

Type	DB Adjusted FY 6/30/13	Client Reported FY 6/30/13	DB Adjusted FY 6/30/12	Client Reported FY 6/30/12	(11 Mos) 11/30/11	FY 2010

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC (\$170MM) - 5/2/14 – STRUCTURED

- *Real Estate* – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section. It should be noted that 2010 includes \$85 million in the repayment of certain Notes that were held by the Guarantor.
- *Entertainment* – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. As this source of cash flow appears to be recurring as long as Mr. Trump is involved with the Apprentice we have chosen to take it at reported value. The Apprentice maintains a one-year rolling contract and just recently began filming the 2014 season.
- *Clubs* – represents distributions generated through the portfolio of 13 Clubs which are wholly owned by the Guarantor. For purposes of deriving adjusted annual cash flow we have assumed the 4 year average between 2010 and 2013.
- *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements. For purposes of deriving adjusted annual cash flow we have chosen to leave the reported 2013 figure as is, as it is the lowest of the last 4 years reported.
- *Non Operating Revenue* – includes tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time type items. As noted above, there were two sizable cash distributions to Mr. Trump from refinancing CRE debt including an approx. \$70 million distribution from the refinance of Trump Tower, and a \$100 million distribution from a refinance of debt on 1290 Avenue of the Americas which is owned as a JV with Vornado Realty Trust. Due to the nature of this cash flow we excluded for the purposes of calculating recurring cash flow.
- *Investment Income* – represents interest and investment income on cash and marketable securities. For purposes of deriving annual adjusted revenue we have assumed the 12 months ending 6/30/13.
- *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements. For purposes of deriving adjusted annual cash flow we have chosen to leave the reported 2013 figure as is, as it is the lowest of the last 4 years reported.
- *Uses of Cash* – primarily utilized for i) acquisition of resorts/golf clubs/aircrafts including purchase of the Cessna Citation X aircraft, the Jupiter, FL golf club (purchase prices not provided), a house in Virginia near the Trump Vineyard and an \$800K town home in Westchester NY ii) Property development include advances to the Trump Doral (\$9MM), Trump Scotland (\$9MM), Trump Old Post Office in Washington DC (\$1MM), 40 Wall Street (\$16MM), Ferry Point Golf Course (\$1MM) and various other smaller projects (\$30 million), and iii) advances to various operating properties. For purposes of deriving annual adjusted uses of cash we have assumed client reported amounts with the exception of debt refinancing, distributions from joint ventures and Club Acquisitions.
- *Net Excess Cash Flow* – the net reported Excess Cash Flow of \$169.3 million reconciles to the reported increase in the Guarantors reported Cash balance from \$169.7 million to \$339 million. The adjusted cash flow omits the proceeds from refinancing and the proceeds used for acquisition of properties and aircraft.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$73MM on Chicago and \$170MM OPO + \$10.25MM Swap Threshold + min transfer amt) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets all 4 of the unsecured ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Property Description/Project Overview - Facility A

Facility A – The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The Borrower is in the process of renovating the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work including painting, lighting and landscaping. Guest rooms are undergoing a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been completely redesigned to maximize and upgrade the space and improve the finishes to support the drive to increase the number of the members and amount of dues. The golf course renovations will be primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The remaining funds are being used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects. The Borrower has been completing the renovations in phases as the resort has remained operational throughout the renovation. On a recent trip to the property in December of 2013, the Banker, Rosemary Vrablic, confirmed that the renovations Main Building including the lobbies, meeting spaces, restaurants, reception space and 256 of the rooms have been completed, in addition to the pool complex. The property just recently hosted the WGC - Cadillac Championship Open in March of this year which required the famed Blue Monster course be demolished and completely rebuilt prior to the event. The remaining renovations including the ballroom, 389 guest rooms and the Red/Gold/Silver courses are slated to be completed in 2014 with renovation of the spa suites completed in August of 2015.

Further information regarding the Trump Doral Property and Renovation plan can be found in the initial CAM dated 12/20/11.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC
 (\$170MM) - 5/2/14 – STRUCTURED

Property Performance/Financial Analysis – Facility A – Exhibit VI

Actual & Projected

	2012 6 months Actual	2013 Projected	2014 Projected	2015 Projected
Occupancy Rate	48.39%	62.2%	73%	73%
ADR	\$148.58	\$175.0	\$208	\$250
RevPar	\$67.43	\$108.85	\$151.85	\$182.5
Total Revenue	\$30,025	\$82,099	\$111,237	\$121,993
Total Operating Expenses	\$37,754	\$69,899	\$87,295	\$93,786
Net Operating Income	(\$7,729)	\$12,200	\$23,942	\$28,207
EBITDA	(\$6,553)	\$12,200	\$26,169	\$31,869
Actual Debt to EBITDA	N/A	10.25x	4.78x	3.92x

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

As aforementioned, the 2013 Borrower's financials are due 4/30/14, and thus the most recent statements provided are for the 12 months ending 12/31/12. In addition, during the renovation period, there are no debt service tests as the property is still under renovation and thus the revenue is impaired. During this period Mr. Trump provides 100% guaranty to the Facility.

As the Borrower purchased the collateral property in June of 2012, we have been provided with financial statements for the 6 months ending 12/31/12. The property reportedly produced approx \$30.03 million in revenue less \$37.75 million in expenses for a deficit of \$7.72 million. The deficit can be attributed to the ongoing renovations at the property which has left only a portion of the rooms available for guest use, thus limiting the potential revenue generated. In addition, the golf courses are also being renovated limiting the revenue generated by the golf operation. Since a significant amount of the renovation plan occurred during 2013 revenues are expected to be further impaired for this period. As per the loan documents, 2013 financial reporting for the Borrower is due 4/30. It should be noted that prior to the delivery of a new appraisal showing an "as-is" value greater than \$192.3 million (65% LTV), the Guaranty level remains at 100%.

As the Borrower is expecting to complete the renovations in August of 2015, the first full year of operations should be 2016.

The projections are supported by the Guarantor's plan to improve the revenue generated in four specific areas of concentration; guest rooms, food and beverage, golf and expense management. All of the guest rooms are being updated with new fixtures and furnishings. The Guarantor has been making changes the food and beverage venues to better serve a high end clientele in addition to promoting the wedding and event business. As golf course operations are viewed as a particular strength of the Trump organization, the Guarantor projects a strong growth in the key golf operations.

The final area of concentration (and possibly the most important) is the Guarantor's plans to more effectively control costs without comprising quality. At the forefront of the expense management program is corporate oversight over every budget category. Expenses are controlled through best practices created at other hotels and golf courses, leveraged national account pricing across every department, competitive bidding of goods and services and detailed analysis regarding expenditure decisions.

Property Description/Project Overview – Facility B

Facility B - The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009.

While the original facility encompassed both the Residential and Commercial (Hotel) portions of the property, for the purposes of the increase/extension of this facility the Bank will be relying primarily on the Hotel portion of the collateral as all but 7 of the original collateral pool of 106 residences have been sold (please note: the 7 remaining condos are being pledged as additional collateral for the facility but not in the borrowing base). The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral consists of 175 developer owned units as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. The remaining 164 units are privately owned as part of a "condo-tel" agreement where, at the owner's option, the unit is included in the available rental pool for the hotel.

An appraisal was performed by CB Richard Ellis, dated as of 4/7/14 which indicated an "As Is" value of \$133 million (See Exhibit VIIA - Summary of Hotel Component Appraisal Report).

Further information regarding the Trump International Hotel and Tower Chicago can be found in the initial CAM dated 10/24/13.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

(\$170MM) - 5/2/14 – STRUCTURED

Property Performance/Financial Analysis – Facility B

Hotel Collateral

The hotel property is divided into 3 general sections, the commercial areas including the spa, restaurants, banquet rooms and parking, the 175 sponsor own units (both of these sections compose our collateral) and 164 privately owned third party units (not included as Collateral). According to the management of the subject property, the hotel condominium units are no longer being marketed for sale and it is not expected that any additional units will be sold during the term of the loan.

With regards to the third party units, the private owners have the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursables line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-12/31/13. Please see Exhibit VIIB for further details of expected Property Performance.

	12-Mo Ending 12/31/2010	12-Mo Ending 12/31/2011	12-Mo Ending 12/31/12	12-Mo Ending 12/31/13

3rd Party Reimbursables	(\$3,989)	(\$6,030)	(\$11,900)	(12,606)
Net Operating Income	\$1,679	\$5,021	\$5,910	\$8,834
Projected Debt Service (P & I)	\$5,085	\$5,085	\$5,085	\$5,085
DSCR (P & I)	0.33x	0.99x	1.36x	1.74x
Projected Debt Service (I/O)	\$3,599	\$3,599	\$3,599	\$3,599
DSCR (I/O)	0.47x	1.40x	1.92x	2.45x

- **Occupancy Rate** - Since 2010 rates have improved from 61.7% to current reported year-to-date of 74.5%, which is driven primarily by the continued improvement in the economy and growing popularity of the Property location. Per the appraisal, the stabilized occupancy for this property is 71%.
- **ADR/ Rev Par** – the improvement in Occupancy Rates, has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 17% and RevPar has increased 31%. Both of these indicators are well above the average ADR of \$311.16 and RevPar of \$236.68 for the subject’s competitive set of hotels in Chicago. Per the appraisal provided, for full service hotels in the Chicago Metro area, ADR is anticipated to increase 0.4% in 2014, 3.7% in 2015, 2.0% in 2016 and 1.8% in 2017.
- **Net Operating Income** – during the historical period from 2010-2013 NOI improved by 426% primarily driven by a significant improvement in operating margin (defined as Total Revenue minus Total Operating Expenses) from 14.1% to 26% which is consistent with the significant improvement in RevPar during the Period.
- **DSCR** – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x on a principal and interest or interest only basis

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Projected Financial Results

The appraisal has provided the following projections for the 12 months ending April 2015 through April 2025. For the purposes of this analysis, we have included the first 5 years through 2019.

	2015	2016	2017	2018	2019
Occupancy Rate	73.0%	72.0%	71.0%	71.0%	71.0%
ADR	\$409.78	\$430.27	\$443.18	\$456.48	\$470.17
RevPar	\$299.14	\$309.80	\$314.66	\$324.10	\$333.82
Total Revenue	\$67,163	\$69,049	\$70,226	\$72,332	\$74,502
Total Operating Expenses	\$49,412	\$50,658	\$51,937	\$53,494	\$55,099
Management fee	\$2,453	\$2,495	\$2,549	\$2,625	\$2,704
Reserves for Replacement	\$2,687	\$2,762	\$2,809	\$2,589	\$2,980
3 rd Party Revenue Distribution	\$9,772	\$10,120	\$10,279	\$10,587	\$10,905
3 rd Party Reimbursables	(\$7,107)	(\$7,360)	(\$7,475)	(\$7,700)	(\$7,931)
Net Operating Income	\$9,946	\$10,374	\$10,128	\$10,432	\$10,744
Projected Debt Service (P & I)	\$5,085	\$5,085	\$5,085	\$5,085	\$5,085
DSCR (P & I)	1.96x	2.04x	1.99x	2.05x	2.11x
Projected Debt Service (I/O)	\$3,599	\$3,599	\$3,599	\$3,599	\$3,599
DSCR (I/O)	2.76x	2.88x	2.81x	2.90x	2.99x

- Occupancy Rate - assumes the economy continues to slowly recover and the Property continues to realize the increasing growth in demand based on growing popularity of location. The 2015 step-down in occupancy reflects impact of opening of new hotel located across the street which is expected to put some pressure on occupancy as management continues to protect ADR and RevPar.
- ADR/ Rev Par – shows continued growth during the period with ADR increasing by 5.6% and RevPar increasing by 3.5% in 2015 from 2013 actual results with a continued increase per annum of approx 21% in ADR and 15.5% in RevPar during the forecasted, 5 year, period.
- Net Operating Income – during the forecasted period NOI is projected to grow by approximately 21.6% over the 5 year period primarily driven by continued improvement in the operating margin (defined as Total Revenue minus Total Operating Expenses) which is projected to hold steady at a healthy 26%.
- DSCR – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x.

Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.35x would be measured through the NOI and Interest Rate.

- NOI – Based on the 2013 FY Actual results, the NOI could decrease by \$1.97 million (22.3%) or \$3.97 million (45%) before breaching the DSCR covenant on an interest only and P&I basis, respectively.
- Interest Rate – Based on the 2013 FYE Actual results, the interest rate could increase by 4.02% to an all in rate of 8.95% or 2.72% to an all in rate of 7.65% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

Condo Collateral

In addition to a first mortgage lien on the hotel portion, the Borrower will provide the Lender a first mortgage lien on the 7 remaining unsold condo units that were part of the original collateral package.

Unit	SF	Asking Price	Price/SF	Repayment from 92% of Asking Price	Discount Price Based on Historical	Repayment from 92% of Discounted Price
89A – Penthouse	14,260	\$18,500,000	\$1,297.34	\$17,020,000	\$10,000,000	\$9,200,000
81C	713	\$500,000	\$701.26	\$460,000	\$445,000	\$409,400
77G	1,314	\$800,000	\$608.83	\$736,000	\$650,000	\$598,000
52D	2,022	\$1,575,000	\$778.93	\$1,449,000	\$1,000,000	\$920,000
38A	3,437	\$2,825,000	\$821.94	\$2,599,000	\$2,500,000	\$2,300,000

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC (\$170MM) - 5/2/14 – STRUCTURED

34J	2,076	\$2,000,000	\$963.39	\$1,840,000	\$1,500,000	\$1,380,000
34K	2,063	\$2,000,000	\$969.46	\$1,840,000	\$1,500,000	\$1,380,000
Total	25,885	\$28,200,000		\$25,944,000	\$17,595,000	\$16,187,400

Until the Facility has been paid down to a principal balance of no more than \$45 million, the Borrower must use 92% of the proceeds of any sale of the remaining condominium units to pay down the principal balance of the Facility.

As noted in the chart above, the Borrower has provided the Lender with a list of the remaining condos and their current asking prices. Based on these prices, the total potential proceeds based on the asking prices is \$25,944,000. After comparing the asking prices to historical sales of similar units, we have adjusted the asking prices to more closely reflect the actual sales. Based on these adjustments, the total proceeds generated by the sales are projected to be approximately \$16 million. It should be noted that until balance of the facility is below \$45 million, the debt service of the facility will require both principal payments from sales proceeds, and principal and interest payments based on a 25 year amortization schedule.

Property Description/Project Overview – Facility C

The iconic and historic Old Post Office in Washington, DC opened in 1899 as the Headquarters of the US Postal Service. Its grand architecture was designed to announce Pennsylvania Avenue's arrival as America's Main Street. The 441,000 SF building is the tallest building in DC and home to the historic Congress bells and observation tower, it is a landmark well known to both DC residences and tourists alike.

The Trump Organization (Trump) was selected by the US General Services Administration (GSA), to renovate Washington DC's historic Old Post Office Building (OPO) located on Pennsylvania Avenue and 12th Street just southeast of the White House. The approved renovation plan includes converting the historic building into a 250-270 room full service, luxury hotel with ground floor retail space. Once completed the property will include high end restaurants, spa/fitness facility, a museum and the largest ball room in Washington DC (13,000 SF).

The Borrower has executed a 62+ year ground lease with 2 additional 20-year options with the GSA for the OPO, this process included a year-long concept review through the Section 106 process with all relevant stakeholders, including the Commission of Fine Arts, National Capital Planning Commission, DC State historic Preservation Office and General Services Administration.

Per the Borrower the full renovation budget is +\$215MM with the Borrower's 20% being deployed prior to the Lenders funds (the "Defined Equity Amount"). The Lender will receive a finalized budget confirming these projections prior to closing. The Borrower expects to take possession of the property at the end of May with the renovations completed within 2 years.

Highlights from the Renovation Plan are as follows:

Accommodations – The Hotel's guest rooms and suites will be nearly 20% larger than the average rooms offered by the Hotel's competitive set (Four Seasons, The Ritz-Carlton Georgetown, The Ritz-Carlton DC, Mandarin Oriental and the Hay-Adams), a major point of differentiation with transient business and leisure guests. The Borrower believes the differentiated product will fill a void in the marketplace for premium rooms and attract embassy and delegation stays at premium nightly rates.

Meeting & Banquet Facilities - With more than 39,100 SF of event space on two dedicated levels including a 13,000 SF Grand Ballroom and several meeting/function rooms, the Hotel will have DC's largest luxury meeting space and largest Grand Ballroom in the aforementioned competitive set. Combined with the Hotel's well-appointed amenities, prime location and personalized services, the Borrower feels the OPO will be well positioned to capture the top events in Washington, DC.

Retail – Each year millions of people visit the area surrounding the OPO including 236,000 annual visitors to the Clock Tower located inside the OPO. Nearby attractions include the White House, the National Mall, the DC Convention Center and the OPO, all of which generate significant foot traffic and spending in Downtown DC. The Borrower feels that the Hotel's central location within a high concentration of wealth, premium office buildings and cultural institutions will attract the best retailers.

Food & Beverage - The Hotel will feature four food and beverage outlets, including a grand bar, as well as in-room dining. The Borrower is in the process of speaking to a number of well known chefs about the dining opportunities for the Hotel.

The Spa at Trump - The Hotel will feature a 5,000 SF signature Spa at Trump offering an array of spa offerings including massages, facials, relaxation programs and beauty treatments. Founded in 2008, the Spa at Trump has been ranked by SpaFinder as the "2011 Readers' Choice Award: Top Spa Brand".

Parking - The Hotel will provide ~120 spaces on one level of underground parking, accessible by valet. Parking in that area is scarce and hotels command a premium over neighborhood garages. Hotels near the OPO with less luxurious accommodations are able to charge \$47/day.

Phase 1 Environmental Site Assessment

A Phase 1 Environmental Site Assessment was performed by IVI on February 3, 2014 and has been reviewed and accepted by DB. The report shows no material issues or concerns warranting additional assessment and no further actions are necessary.

**DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

Location and Market Overview – Facility C

The subject property is located in Washington, D.C. between the White House and the U.S. Capitol Building on Pennsylvania Avenue. Washington, D.C. is a cosmopolitan city rich in monuments, museums and culture. As the nation's hub of political affairs, the city is the center of governmental action and policy. From Capitol Hill to Embassy Row, the National Mall and historic Georgetown, Washington, D.C. also boasts a diverse concentration of national and international organizations and associations. Furthermore, a number of major universities, educational agencies, and museums – including Georgetown University, George Washington University, Howard University, Catholic University, American University and the Smithsonian Institution are located within the District of Columbia.

The federal government and all of the public and private institutions which support it, form the biggest industry sector in the Washington, D.C. region. While the government sector accounts for approximately 31% of total employment (2012 statistics), the government serves as the catalyst for virtually all of the economic activity in the greater Washington area including the operations of hundreds of private sector firms, associations, trade unions, law firms, lobbying organizations, defense companies, political groups and international organizations. The prevalence of the government, educational and healthcare sectors helps to somewhat shelter this region from any major economic interruptions; thus, the outlook for the market area remains fairly optimistic.

Convention centers often serve as a gauge of visitation trends to a particular market as they generate significant levels of demand for area hotels and serve as a focal point for community activity. Typically hotels within the closest proximity to a convention center - up to 3 miles away will benefit the most. In April 2003 the Walter E. Washington Convention Center was opened at Mt. Vernon Square with approximately 2.3 million feet of space. The subject property is located approximately 0.7 miles from the convention center, making it well positioned to benefit from any activities held at the center.

National Hotel Market

In the lodging industry, supply is measured by the number of guestrooms available, demand is measured by the number of rooms occupied; the net effect of supply and demand towards equilibrium results in a prevailing price or average rate. RevPAR or (Revenue per Available Room) is another statistic used to measure hotel performance which is calculated by multiplying occupancy by average rate and provides an indication of how well room revenue is being maximized. Following the significant occupancy and RevPAR decline experienced during the last recession, demand growth resumed in 2010. Strong demand growth continued in 2011 and 2012, at 5.0% and 3.0% respectively. Demand increased 2.2% through September 2013 period. Average daily rates (ADR) rebounded by 3.7% in 2011 and 4.2% in 2012, followed by a 4.0% increase year-to-date through September 2013 period. In 2012 occupancy reached 61.4% (exceeding the ten-year average) indicating demand and average rate should continue to strengthen in the near term. These trends, combined with the low levels of supply growth anticipated through 2014, should boost occupancy to just over 63% by year-end 2014. HVS (Hotel Valuation Services, a leading hotel consulting and valuation firm) forecasts U.S. average rate growth of 4.5% for 2013 and 5.0% for 2014.

Washington DC Hotel Market – Luxury/Upper Scale

Once completed, the OPO's primary competitive set will include (in order, by proximity) Intercontinental (335 rooms; opened in 1904), Hay Adams (145 rooms; opened in 1928), St. Regis (182 rooms; opened in 1926), Mandarin Oriental (397 rooms; opened in 2004), Ritz-Carlton Washington (300 rooms; opened 2000), Four-Seasons (222 rooms; opened 1980) and the Ritz-Carlton Georgetown (86 rooms; opened in 2003) for a total inventory of 1,667 rooms. High barriers to entry including the high level of capital required, limited site and brand availability have resulted in a somewhat small hotel room pool for the size of the Washington DC Metro area.

Between 2001 and 2012, the competitive set's occupancy level ranged from 63% to 70%, with an average of 67%, and was paced to finish 2013 with an occupancy rate of approximately 72%. HVS noted that while the 2013 performance could be skewed slightly due to the Presidential Inauguration in January of 2013, demand levels are likely to increase due a recovery in the group meeting segment and general improvement in the economy. Risks to this projected increase include continued uncertainty as to government spending levels and risks associated with new hotel inventory including a 1,175 room Marriott Marquis that is slated for opening in May 2014 adjacent to the Walter E. Washington Convention Center. While this hotel will not be finished to a luxury or up-scale standard as the Subject, it's location to the convention center could pose it as a threat to the OPO's competitive set.

* As the Borrower is leasing the property from the U.S. Government, there is no traditional Property Tax assessed. Rather there is a Possessory Interest Tax that is assessed that is a percentage of net income. Prior to operations this tax is determined as a percentage of the value of the leasehold. For the above NOI this tax has been included in the Total Operating expenses line.

The Borrower has provided projections for the first 4.5 years of operations. As the Borrower has projected a 2 year construction phase beginning June of this year, the first full year of operations is projected to be in 2017. The interest rate during the Renovation Period is LIBOR + 2.0%, and drops to LIBOR + 1.75% when the Renovation Period is completed through the term of the facility. Debt Service is interest only during the Renovation Period and remains that way as long as the value determined by the appraisal provided by the Borrower at the end of the Renovation Period results in a Loan to Value of 75% or less. If the Loan to Value is between 75%-85%, the loan will require principal payments based on a 25 year amortization schedule until such time as the loan is paid down to a 75% LTV. If the appraised value of the property results in a LTV of greater than 85% the Borrower must pay down the principal of loan to a balance that results in a 85% LTV or less within 10 days of notice from the Lender. Due to the various scenarios possible at the end of the Renovation Period, we have shown both the principal and interest, and interest-only debt service tests based on the 10 year-swap rate of 2.93% + the max loan spread of 2.0% for an all in of 4.93%. Based on the Borrower's projections, the property should produce cash flow sufficient to service the debt beginning in the first year of operations and onward.

Sensitivity analysis

The financial projections presented provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPAR, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.15x would be measured through the NOI and interest rate.

- NOI – Based on the projected first year of operations in 2017, the NOI could be overstated by \$10.45 million (52%) or \$6.47 million (32%) before the DSCR covenant would be breached on an interest only and P&I basis, respectively.
- Interest Rate – Based on the projected first year of operations in 2017, the interest rate could increase by 5.37% to an all in rate of 10.30% or 4.27% to an all in rate of 9.20% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

As noted previously, the Property's competitive set includes the Intercontinental, Hay Adams, St. Regis, Mandarin Oriental, Ritz-Carlton Washington, Four-Seasons and the Ritz-Carlton Georgetown. As the property is under development there are no historical financial statements available for the Borrower. We have been provided with historical operating performance for the competitive set from DB Valuation Services.

Property	Estimated 2011			Estimated 2012			Projected 2013		
	Occ. %	ADR	RevPAR	Occ. %	ADR	RevPAR	Occ. %	ADR	RevPAR
Four Seasons	71%	\$530	\$379	70%	\$528	\$368	72%	\$575	\$414
Hay Adams	60%	\$480	\$288	68%	\$443	\$301	72%	\$485	\$350
Mandarin Oriental	64%	\$288	\$184	62%	\$284	\$176	70%	\$330	\$231
Ritz-Carlton Georgetown	73%	\$431	\$315	74%	\$433	\$320	73%	\$420	\$307

The St. Regis	69%	\$378	\$261	67%	\$346	\$232	76%	\$333	\$253
InterContinental	74%	\$353	\$261	74%	\$339	\$251	75%	\$382	\$287
Average	69%	\$400	\$277	70%	\$387	\$270	73%	\$413	\$300

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$73MM) – TRUMP OLD POST OFFICE, LLC (\$170MM) - 5/2/14 – STRUCTURED

As illustrated in the competitive set vs. the Borrowers projections, the closest comparable property is the Four Seasons which reported a projected 2013 ADR/RevPAR 12%/7%, below the Borrower's first year projections. As noted above, the projections could be overstated by 52% and continue to sufficiently service the requested debt. In addition, the Borrower believes this property will outperform all of its competition as a result of having a superior product including larger rooms, better amenities and facilities including the largest ballroom in Washington DC and their successful history as an operator in the luxury hotel space.

US ONLY:

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBTCA (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

Collateral	Market Value	Loan to Value	Loan Value
A) Doral Golf Resort and Spa located in Miami, Florida (See Note Below)	\$125MM	85%	\$106MM
A) Doral Golf Resort – Unsecured			\$19MM
B) Trump International Hotel and Tower Chicago	\$133MM	34%	\$45MM
C) Old Post Office, Washington, DC	\$212.5MM (Budgeted Renovation Cost)	80%	\$170MM

Collateral
 A) Trump National Doral Golf Club - The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa with guest rooms, 6 food venues, retail space, 670 parking spaces and a Member's Clubhouse.
NOTE: An appraisal is currently in process on this property and a Modification will be completed once an updated value is finalized. Should the collateral value be deemed \$147MM or greater, the Unsecured Tranche B will be rolled into the Tranche A secured Facility for a final secured loan amount of \$125MM and an overall LTV of no greater than 85%. Should this occur, Tranche B will no longer be deemed Unsecured.

Credit Report – Structured

- B) **Trump International Hotel Chicago** - The Collateral Property consists of a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which shall be included as Collateral in addition to 38,000 SF of banquet space, a 23,000 SF spa, and a 285 space public parking garage. The 164 rooms that are owned by third parties ("Third Party Units) and the 7 previously held condos have all been sold and removed from the collateral pool. The proceeds from these sales were used to pay down the principal balance of the Facility.
- C) **Old Post Office Building and Annex** - The Collateral Property after renovations will consist of a full service hotel, including 250-270 hotel rooms, approximately 65,000-75,000 sf of meeting, banquet, food and beverage, retail, spa and fitness facilities, telecommunications facilities and an underground parking garage with approximately 100 parking spaces.

Assets Under Management: Donald J. Trump -- \$31.295MM cash deposits;
Donald J. Trump Jr -- \$500M cash deposits;
Associated Entities -- \$86.49MM cash deposits

Relationship/Facility Highlights:

- Construction/Redevelopment of Doral Resort in Florida has been completed with a substantial increase in property value expected.
- All 7 previously unsold condo units at Trump International Hotel in Chicago have been sold, resulting in a large pay down of the facility from \$73mm to \$45mm.
- Monthly draw requests have started to occur on the Old Post Office property in Washington, DC for approximately \$4mm-\$6mm each. Draws will continue as construction and development activity increase.
- Guarantor's personal net worth has increased by almost \$1 Billion.

Loan A – Trump Endeavour 12, LLC													
Type/Facility Amount	\$125,000,000, as evidenced by (i) a Secured Tranche A Note in the principal amount of \$106,000,000 ("Secured Tranche A Note"), and (ii) an Unsecured Tranche B Note in the principal amount of \$19,000,000 ("Unsecured Tranche B Note").												
Purpose:	Acquisition of the collateral property.												
Maturity:	<p>Tranche A: 8/11/2023.</p> <p>Tranche B: 8/11/15; provided, however, that in the event that there exists no event of default that shall have occurred and be continuing, if Borrower so requests and Borrower delivers to Lender an Appraisal, at Borrower's sole cost and expense, evidencing a LTV equal to or less than 85% as calculated based upon the indebtedness evidenced by both the Secured Tranche A Note and the Unsecured Tranche B Note (subject, in any event, to the Dispute Mechanism), the Unsecured Tranche B Note shall be extended to meet the term of Tranche A (i.e. 8/11/23) and the first mortgage lien on the Property shall be deemed to cover such increase in exposure to the property.</p> <p>NOTE: An appraisal is currently in process on this property and a Modification will be completed once an updated value is finalized. Should the collateral value be deemed \$147MM or greater, the Unsecured Tranche B will be rolled into the Tranche A secured Facility for a final secured loan amount of \$125MM and an overall LTV of no greater than 85%. Should this occur, Tranche B will no longer be deemed Unsecured.</p>												
Financial Documentation Covenant	<u>Borrower to supply 2014 year end financials by June 30, 2015. Request to waive this covenant and extend the deadline to coincide with receipt of the updated appraisal (approximately August 1, 2015)</u>												
Repayment:	Interest only for the term of both facilities.												
Interest Rate:	L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10%.												
LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months												
Fees:	1.00% of Facility Amount has been paid.												
Guaranty Type	<p>A remaining fee of \$144M will be due and payable concurrently with Tranche B becoming secured and its maturity extended to match that of Tranche A.</p> <p>Max LTV shall determine the corresponding Guaranty Level as defined below.</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th>Max LTV</th> <th>Guaranty Level</th> </tr> </thead> <tbody> <tr> <td>85%</td> <td>100%</td> </tr> <tr> <td>65%</td> <td>40%</td> </tr> <tr> <td>55%</td> <td>20%</td> </tr> <tr> <td>45%</td> <td>10%</td> </tr> <tr> <td>35%</td> <td>0%</td> </tr> </tbody> </table> <p>*See Previous Credit memo for Trump Endeavor 12, LLC, dated 7/24/13 for further detail.</p>	Max LTV	Guaranty Level	85%	100%	65%	40%	55%	20%	45%	10%	35%	0%

Loan C – Trump Old Post Office	
Facility Amount	The lesser of i) \$170,000,000 and ii) 80% of the Redevelopment Investment Plan. <ul style="list-style-type: none"> ➤ <i>Redevelopment Investment Plan</i> – shall represent a budget to complete the Project consisting of hard costs, soft costs (including, without limitation, interest), and operating shortfalls and consisting of: (i) at least 20% of the Redevelopment Investment Plan as of the Closing Date (the "Defined Equity Amount") to be invested directly by the Guarantor, and (ii) any remaining amounts, in an amount not to exceed \$170MM, expected to be provided within the Facility Amount.
Facility Type:	<p>Multiple-draw construction loan facility with (i) interest only payable during the Redevelopment Period, and (ii) during the Post Redevelopment Period either: (a) interest only at any time the loan-to-value (the "LTV") is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%.</p> <ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> – the expiration of the Redevelopment Period will be 4-years from the Closing Date; provided, however, that Borrower, in its sole discretion, may trigger the Post Redevelopment Period earlier upon Borrower's delivery to Lender of (a) one or more temporary or final certificates of occupancy or their equivalent for the Major Components, and (b) an appraisal of the Property (the "Initial Appraisal"), which shall be prepared by an appraiser selected by Lender, indicating an LTV of no greater than 85%. ➤ <i>Post Redevelopment Period</i> – the period from the end of the Redevelopment period to the Facility maturity date. <p>Until such time as the Initial Appraisal is reviewed and accepted by DB, this facility is considered "Other Secured" for collateral reporting purposes.</p>
Purpose:	Borrower intends to convert the Property from its existing use as an office building with retail to a 250-270 room luxury hotel (Please see project description below).
Property	The Old Post Office Building and Annex located at 1100 Pennsylvania Avenue, Washington DC 20004.
Maturity:	8/11/2024
Collateral:	The Facility will be secured by (i) a first mortgage lien on Borrower's leasehold interest in(x) the Property and (y) all improvements thereto, (ii) security interests in and, to the extent assignable and as applicable, assignments of Borrower's interest in all permits licenses, lease, contracts, agreements, operating accounts, receivables etc. and (iii) Borrower's interest in other customary ancillary collateral relating to the Property.

 (\$170MM) – July 2015 – STRUCTURED

Credit Report – Structured

Multi-draw Funding Criteria/ Retainage	Borrower will be permitted to receive advances under the Facility to pay all costs incurred by the Borrower in accordance with the Redevelopment Investment Plan. Advances will require a hold back of 10% of hard costs for the first 50% of the amount of any construction contract (there is no hold back on the last 50%) provided, however, no retainage shall be required for (i) soft costs under any contract or (ii) materials only contracts. Lender shall disburse retainage promptly upon notice from Borrower that such retainage is due and payable.
Completion Reserve:	Following the later of (x) the initial advance under the loan and (y) the contribution of the Defined Equity Amount, if at any time the undrawn amount of the Facility is less than the remaining costs to complete the Project and the shortfall is \$5,000,000 or greater, then Borrower shall fund a completion reserve (the "Completion Reserve" in the amount required to reduce such shortfall to \$5,000,000. The Completion Reserve will be held by Lender as additional Collateral.
Repayment:	<ol style="list-style-type: none"> 1) During the Redevelopment Period the facility will require interest only payments. 2) During the Post Redevelopment Period either (a) interest only at any time the LTV is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%. <p>The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.</p>
Interest Rate:	<ol style="list-style-type: none"> 1) Redevelopment Period – LIBOR plus 2.00% or, at Borrower's option, the Prime Rate. 2) Post Redevelopment Period and upon delivery of appraisal indicating an LTV of less than or equal to 70% - LIBOR plus 1.75% or, at Borrower's option, the Prime Rate minus 0.25%. <p>Borrower shall have the right to deliver such appraisal, acceptable to Lender, at any time during the Post Redevelopment Period.</p>
LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months with a maximum of (5) LIBOR contracts outstanding at any time and no LIBOR contract to be permitted for loans less than \$1,000,000 at any time.
Fees:	0.50% of Facility Amount due and payable at closing
DSC Covenant	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - None ➤ <i>Post Redevelopment Period</i> – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSC") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant to be test annually beginning with the first full calendar year commencing four (4) years after the Closing Date
Maximum LTV	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - 80% of the Redevelopment Investment Plan. ➤ <i>Post Redevelopment Period</i> – The Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency cause by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification.
Expiration of Redevelopment Period:	<p><i>4-Years from the Closing Date</i></p> <ul style="list-style-type: none"> ➤ No later than 4-years from the Closing Date, Borrower shall deliver to Lender: (a) one or more temporary or final certificates of occupancy or their equivalents for the Major Components (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, the non-completion of which does not materially interfere with the operation of the Property as a whole), and (b) an appraisal of the Property, which shall be prepared by an appraiser selected by the Lender, indicating an LTV of no greater than 85%. The term "Major Components" shall mean: (i) 90% of the hotel rooms, (ii) the meeting and banquet space and (iii) one operating restaurant. A temporary or final certificate of occupancy or its equivalent for the entire Project (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, or uncompleted work in connection with disputes concerning items of a historic nature, the non-completion of which does not materially interfere with the operation of the Property as a whole) shall be delivered to the Lender no later than 5-years from the Closing Date.
Guaranty:	Donald J. Trump will provide a full and unconditional guaranty of: (i) principal and interest due under the facility, (ii) swap breakage costs, (iii) operating shortfalls of the Property until the end of the Shortfall Coverage Period and (iv) a completion guaranty, guaranteeing the lien-free completion of the Project acceptable to Lender, as evidence by, among other things, one or more temporary or final certificates of occupancy or their equivalent, architects certificate and appropriate lien waivers, each reasonably acceptable to Lender.

Guarantor Covenants	<ul style="list-style-type: none"> ➤ During the <i>Redevelopment Period</i>: <ul style="list-style-type: none"> ○ Guarantor shall maintain unencumbered liquidity at all times of at least \$50MM with at least \$20MM to be maintained with the Lender. ○ Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities). ➤ At all times during the term of the facility: <ul style="list-style-type: none"> ○ Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor's brand value
Swap Agreement	<p>Borrower shall have the option to purchase interest rate protection in the form of a swap, reasonably acceptable to Lender, and secure related credit exposure (the "Swap Exposure") through the mortgage for the Facility. Borrower shall have the option to purchase this swap at closing or at any time during the loan term, and the term of such swap agreement does not have to be coterminous with the loan. Borrower shall have the option to purchase this swap from Lender or any other party; <u>provided, however</u>, if such swap is not provided by Lender or any of its affiliates, such swap obligation shall not be secured by any assets of Borrower.</p> <p>During the Redevelopment Period the Borrower or Guarantor shall be required to post cash collateral within in three (3) business days' notice from the Lender, should at any time the actual mark-to-market amount exceeds the defined Threshold Amount plus the MTA. At such time, the minimum amount of cash collateral to be posted shall be equal to the difference between the actual mark-to-market and the Threshold Amount.</p> <p>During the Post Redevelopment Period the Borrower shall not be required to post any additional cash collateral and any related Swap Exposure will remain secured by the mortgage. Any cash collateral related to the Swap Exposure, in accordance with the term in effect during the Redevelopment Period, shall be released upon receipt of the Initial Appraisal to the extent such Swap Exposure plus the principal amount outstanding under the Facility does not exceed 85%. Once such cash collateral is released the Borrower will have no further obligation to post any additional cash collateral during the Post Redevelopment Period.</p> <p><i>Threshold Amount</i> - shall be equal to \$10,000,000 minus the Independent Amount. <i>Minimum Transfer Amount ("MTA")</i> – shall be equal to \$250,000. <i>Independent Amount</i> – shall be equal to 5% of the notional amount of the Swap.</p>

Repayment Sources/ Key Risks/Mitigants

Facility A

- **Primary Source of Repayment:** Refinancing of the Collateral Property.
- **Secondary Source of Repayment:** Cash flow from Resort following the Renovation Period. Based on projections the Resort should be able to satisfactorily service principal and interest based on a 25-year amortization schedule.
- **Tertiary Source of Repayment:** When the LTV is above 65%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently.

Facility B

- **Primary Source of Repayment:** Cash flow generated by the Hotel Collateral.
- **Secondary Source of Repayment:** Refinancing the Hotel Collateral property.
- **Tertiary Source of Repayment:** Sale of the Hotel Collateral property.

Facility C

- **Primary Source of Repayment:** Refinancing of the Collateral Property.
- **Secondary Source of Repayment:** Cash flow from Hotel following the Redevelopment Period. Based on projections, the Hotel should be able to satisfactorily service principal and interest based on a 25-year amortization schedule.
- **Tertiary Source of Repayment:** DJT provides a full and unconditional guarantee of the entire facility for the term.

Recommendation:

Approval of i) the Annual Review for Facility A (Doral), Facility B (Chicago), and Facility C (OPO).

All Facilities

- **Financial Strength of the Guarantor** - The financial profile of the Guarantor includes, on an adjusted basis, a net worth of \$2.7 billion with \$285MM in unencumbered liquidity.
- **Operating Experience** – DJT's extensive experience in operating private golf/country clubs. His current portfolio includes 16 such clubs with a reported value of \$2.0 billion and DB adjusted value of \$858.1MM.
- **DB Relationship** – In connection with the addition of Facility C, DJT transferred \$40MM in liquidity to DB. He has also indicated he is interested in continued to grow his non-credit relationship with the firm. The AWM Banking team has been introduced to each of DJT's three adult children and two have established relationships with the firm. In addition, the CB&S Real Estate Team has had a successful history with the family.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$45MM) – TRUMP OLD POST OFFICE, LLC (\$170MM) – July 2015 – STRUCTURED

Credit Report – Structured

Facility A

- **Equity Injection of the Guarantor:** The estimated equity injection is approximately \$200MM.
- **Expected Enhanced Value due to Capex** -The Resort is a world class location that has been home to a PGA event every year since it opened in 1962. As DJT expects to invest approximately \$200MM on capital improvements it is expected that the value of our Collateral will increase significantly over the term of the Facility.

Facility A & B

- **Leverage Levels required for Step-Down of the Guaranty** – The LTV levels required to for a decrease in the guaranty levels are low enough to ensure that the loan is more than adequately collateralized, as evidenced by the current Facility B, in which the Guaranty was eliminated once the loan was paid down to \$45MM (~34% LTV).

Facility B

- **Quality of the collateral and LTV** – The property is in the form of a luxury hotel building in downtown Chicago. Based on the latest appraisal completed, the Hotel collateral was valued at \$133MM which results in a 34% LTV.
- **Proceeds from the sale of the 7 additional condo units originally pledged as collateral** were applied toward the principal balance of the loan (facility has been paid down from \$73MM to \$45MM year-over-year).

Facility C

- **Equity Injection of the Guarantor:** As of June 2015, the Guarantor completed the required 20% Equity Investment and began to draw on the \$170MM Facility.
- **Borrower's Successful Operating Experience:** The Trump Hotel Collection consists of 8 Luxury Hotels in New York, Chicago (secures Facility B), Las Vegas, Hawaii, Toronto, Miami (secures Facility A) and Panama with 3 new hotels (including the subject OPO project) coming on-line in the next 2-3 years. The Trump name has been associated with the highest level of luxury and the hotels in the collection have performed successfully, even through the previous economic downturn.

Regulatory Requirement - One Obligor Principle

IMPORTANT: Transactions subject to banking secrecy in other locations should not be covered

- Does the borrower have other existing credit client relationships in the current booking location or with other Deutsche Bank entities (whether under private individual name or other related entities)?

Yes

No

If 'Yes', please provide details:

Please see Total Exposure on Page 1

- Please certify (tick the box) that this was confirmed with the borrower:

If answered 'Yes' to the above question, the Consolidation of Borrowers' Sheet has to be completed*

* Credit Officer or Lending Officer to complete as per responsibilities in place in the given location

Reg O Questions:

(Lender & CRM Initials)

YES

NO

1.) Is this loan for a DB employee?

2.) Is this loan for a DBTCA "insider?" or "related party"?

(Consult the most current list of "DBTCA Insiders for Regulation O and NY State Banking Law Reporting Purposes," which is posted on the shared drive R in the folder titled "Reg O," in a Word document titled "Reg O and Insider List")

3.) If the loan is for a DBTCA "insider," will DBTCA, DBPWM or any other subsidiary of DBTCA originate the loan?

(If Yes, the loan must be approved in advance by the DBTCA Board of Directors and the DBTCA Office of the Secretary. Please contact Compliance or Legal immediately.)

Handwritten initials and signatures for Reg O questions, including "NA NA" for question 3.

Subject: Trump Annual Review [I]

Classification: **For internal use only**

Dear Thomas,

Please find attached the review for the Trump Relationship. Given the total of facilities and the rating, this review requires your approval.

A few points to mention:

- There are no significant credit issues with the credit relationship.
- There will be a follow-up Modification to follow as soon as the Doral Golf Property is re-appraised which should happen in early August.
- On the Post-Office deal, you will note that the client has first invested his portion of the development costs and is now in the process of drawing under our facility

This relationship has three facilities as follows:

Facility A – Trump Endeavour 12

Collateral: CRE Golf Course in Doral, Miami

Facility: \$125mn (A loan \$106mn B loan \$19mn unsecured); Unsecured portion to be considered secured once appraisal is finalized given construction has been completed

LTV: 85%

Tenor: 8/11/2023

Interest: L+1.7%

Guarantee: Donald Trump (reducing as LTV declines)

Facility B – 401 North Wabash Venture, LLC

Collateral: CRE in Chicago – Trump International Hotel and Tower
Facility: \$45mn
LTV: 34% (60% Covenant)
Tenor: 6/1/2024
Interest: L+2%
Guarantee: Donald Trump (reducing as LTV declines)

Facility C – Trump Post Office

Collateral: CRE lease interest in DC – Old Post Office
Facility: Lesser of \$170mn and 80% of the redevelopment investing plan
LTV: 80%
Tenor: 8/11/2024
Interest: L+2%
Guarantee: Donald Trump

Please let us know if you require any additional clarification before signing-off on this request.

Credit Report – Structured

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/14. We are not aware of any material changes to the Guarantor's financial profile.

Guarantors – Financial Summary: Although all three Facilities are secured by Collateral, given the unique nature of these credits, the credit exposure is being recommended based on the financial profile of the Guarantor. As part of this underwriting we have met with several members of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantor's financial statements.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2013 (Client Reported)	DJT 6/30/2014 (Client Reported)	DJT 6/30/2014 (DB Adjusted)

- **Liquidity** – The Guarantor reports liquidity of \$302.3MM as of 6/30/14 consisting of funds in Mr. Trump's name personally and various entities that Mr. Trump controls. The client reported balances have remained on par from the prior year, with minor fluctuations attributed to additional CRE acquisitions and the Guarantor taking fewer distributions from his properties.
- The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. An updated value of the outstanding deposits was not provided via the 6/30/14 financial statements; however, as of 6/30/13, the total life-to-date balance of such deposits collected across the clubs owned by the Guarantor was approximately \$213MM, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantors liquidity.
- **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/30/14 which reflects the Guarantor's 4 wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.
- **Net Worth** – The Guarantor's reported net worth has increased just shy of \$100MM, largely in part to his real estate equity and licensing. It should also be noted that the DB adjusted calculation of the Guarantor's balance sheet does not include any valuation for his brand, which has received a 100% haircut.

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity

 (\$170MM) – July 2015 – STRUCTURED

Credit Report – Structured

- **4 Trophy Properties** – The valuations for each of these properties were previously discussed with DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.
- Trump Towers – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/14 the property had associated debt of approx \$100MM. The loan is non-recourse and matures in 2022. The most recent appraisal performed in conjunction with the refinance valued the property at \$480MM resulting in a roughly 21% LTV.
 - Niketown – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG previously indicated an adjusted value of \$175MM. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
 - 40 Wall Street – The 72 floor tower consist of 1.3MM in premier office space. Based on a SF assumption DBVSG indicated an adjusted value of \$500MM. The existing debt in the amount of \$160MM, of which the Guarantor currently guarantees \$20MM, is scheduled to mature in November 2017.
 - Trump Park Avenue – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space and has a reported value based on unsold units and retail rates of \$346.1MM. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/14, had an outstanding balance of \$19.42MM and matures 8/1/15. Based on prior discussions with DBVSG we elected to take an approximate 50% haircut on the reported value.
- **US Club Facilities** – The Guarantor wholly owns interests in 13 domestic private club facilities which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump Golf Links at Ferry Point, Bronx, NY; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA; Trump National Doral in Miami, Florida; Trump National Golf Club in Charlotte, NC, and Trump National Golf Club in Jupiter, Florida.
- **European Golf Clubs** – The Guarantor wholly owns interests in 3 European golf club facilities which include Trump International Golf Club in Scotland, Aberdeen; Trump Turnberry, South Ayrshire, Scotland; Trump International Golf Links Ireland, Doonbeg.
- **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land, a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$301.5MM based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.
- It should be noted that as of June 30, 2014, the Guarantor has continued to elect not to include the value of the Trump Chicago International Hotel & Tower in his financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be noted that on 11/9/12, DB provided the Guarantor with a \$98MM bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago (Facility B). Since closing, the Facility has been paid down to \$19MM, increased last year to \$73MM, and paid down again to \$45MM, as further discussed in the Facility B section of the subject annual review.
- **Partnership and Joint Ventures** -
- 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7MM leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$745.8MM is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
 - Trump International Hotel and Tower – Las Vegas, Nevada – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$106.2MM is after the current mortgage debt of \$63.4MM, with final maturity of 7/5/17. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$329.7MM was based on situations which have evolved to the point where signed arrangements with other parties exit and fees and other compensation which he will earn are reasonably quantifiable. The Guarantor has pledged certain of these fees to secure a \$19.76MM mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$19.76MM has been reflected on Mr. Trump's financial statement as "Other mortgages and loans payable". For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$45MM) – TRUMP OLD POST OFFICE, LLC
(\$170MM) – July 2015 – STRUCTURED

Credit Report – Structured

- **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date end contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that last year the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report indicated a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.
- **Contingents** – as of 6/17/14 DJT's gross contingent obligations were reported to be \$197.2MM, which included: a) the \$125MM in support provided under the Doral credit facility with AWM, b) \$69MM in personal recourse on the existing debt related to the Trump International Hotel in Chicago also with AWM (Update: This debt is currently \$45MM, i.e. Facility B, with no personal Guaranty to DJT); c) \$20MM on a limited guarantee for the \$160MM commercial mortgage on 40 Wall Street extended by Capital One; d) \$11MM on Trump Golf at Ferry Point to the City of New York, e) \$7.1MM related to 7 Springs Resort and \$3.9MM in certain other project related completion guarantees, f) \$40MM in equity injection by DJT to the Trump OPO (Update: the full \$42.5MM/20% Equity Contribution by DJT has been completed and the client has begun to draw on the DB construction financing line, i.e. Facility C).
- **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which is generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2014.

Type	Client Reported FY 6/30/14	Client Reported FY 6/30/13	Client Reported FY 6/30/12	Client Reported 11/30/11	Client Reported 2010
<i>Sources of Cash</i>

Total Uses	\$236.7	\$129.0	\$203.1	\$73.3	\$101.1
Net Excess Cash Flow	(\$92.0)	\$149.9	(\$89.1)	\$82.3	\$144.6

- **Real Estate** – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section.
- **Entertainment** – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. As this source of cash flow appears to be recurring as long as Mr. Trump is involved with the Apprentice we have chosen to take it at reported value. The Apprentice maintains a one-year rolling contract.
- **Clubs** – represents distributions generated through the portfolio of 16 Clubs which are wholly owned by the Guarantor.
- **Licensing** – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements.
- **Non Operating Revenue** – No non-operating cash flow was reported for 2014. Prior years, non operating revenue consisted of tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time items.
- **Investment Income** – represents interest and investment income on cash and marketable securities.
- **Other** – primarily related to miscellaneous fee income and fees generated from speaking engagements.
- **Uses of Cash** – primarily utilized for i) acquisition of resorts/golf clubs/aircrafts including purchase of the Trump Golf Links at Ferry Point in the Bronx, NY with market value of ~\$10MM.
- **Net Excess Cash Flow** – the net reported Cash Flow of (\$37MM) reconciles to the reported decrease in the Guarantor's reported Cash balance from \$339MM to \$302MM. The adjusted cash flow omits the proceeds from refinancing and the proceeds used for acquisition of properties.
- **Key Ratios** – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$45MM on Chicago and \$170MM OPO + \$10.25MM Swap Threshold + min transfer amt) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of 4 of the unsecured ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt, however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Property Description/Project Overview - Facility A

Facility A – The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The Borrower has been in the process of completing an extensive renovation. The value of said renovations will be reflected in the updated appraisal expected to be received by 7/31/15. The renovations have been primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work included painting, lighting and landscaping. Guest rooms have undergone a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been completely redesigned to maximize and upgrade the space and improve the finishes to support the drive to increase the number of the members and amount of dues. The golf course renovations were primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The original loan proceeds were used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects. The Borrower has completed the renovation in phases as the resort has remained operational throughout said renovation.

Further information regarding the Trump Doral Property and Renovation plan can be found in the initial CAM dated 12/20/11.

Note: upon completion and receipt of the updated appraisal, a CAM MOD will be prepared to document the current value of the Doral Property.

Property Performance/Financial Analysis – Facility A

Actual & Projected

In thousands	2015 Projected	2014 Actual	2013 Actual	2012 6 months Actual
Occupancy Rate	73%	73%	62.2%	48.39%
ADR	\$250	\$208	\$175.0	\$148.58

Total Operating Expenses	\$93,786	\$87,295	\$69,899	\$37,754
Net Operating Income	\$28,207	\$23,942	\$12,200	(\$7,729)
EBITDA	\$31,869	\$26,169	\$12,200	(\$6,553)
Actual Debt to EBITDA	3.92x	4.78x	10.25x	N/A

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

The 2015 Borrower's financials are due 6/30/15, and thus the most recent statements provided are for the 12 months ending 6/30/2014. In addition, during the renovation period, there are no debt service tests as the property is still under renovation and thus revenue is impaired. During this period Mr. Trump provides 100% guaranty to the Facility. Upon receipt of the updated appraisal, a full discussion will be documented via a CAM MOD.

Property Description/Project Overview – Facility B

Facility B - The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009.

The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral consists of 175 developer owned units as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. The remaining 164 units are privately owned as part of a "condo-tel" agreement where, at the owner's option, the unit is included in the available rental pool for the hotel.

An appraisal was performed by CB Richard Ellis, dated as of 4/7/14 which indicated an "As Is" value of \$133MM.

Further information regarding the Trump International Hotel and Tower Chicago can be found in the Initial CAM dated 10/24/13.

Property Performance/Financial Analysis – Facility B

Hotel Collateral

The hotel property is divided into 3 general sections, the commercial areas including the spa, restaurants, banquet rooms and parking, the 175 sponsor own units (both of these sections compose our collateral) and 164 privately owned third party units (not included as Collateral).

With regards to the third party units, the private owners have the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursables line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-2014.

	12-Mo Ending 12/31/2010	12-Mo Ending 12/31/2011	12-Mo Ending 12/31/12	12-Mo Ending 12/31/13	12-Mo Ending 12/31/14
Occupancy Rate	61.7%	68.5%	69.7%	74.5%	--
Average Daily Rate ("ADR")	\$321.67	\$347.31	\$384.47	\$387.96	--
Revenue per Available Room ("RevPar")	\$198.46	\$237.98	\$267.91	\$289.01	--
Total Revenue	\$46,787	\$55,226	\$60,931	\$65,490	\$47,572
Total Operating Expenses	\$40,182	\$45,439	\$46,562	\$48,436	\$40,892
Management fee	\$1,847	\$2,574	\$2,869	\$3,033	\$1,366
3 rd Party Revenue Distribution	\$7,068	\$8,222	\$16,490	\$17,793	--
3 rd Party Reimbursables	(\$3,989)	(\$6,030)	(\$11,900)	(12,606)	--
Net Operating Income	\$1,679	\$5,021	\$6,910	\$8,834	\$6,679
Projected Debt Service (P & I)	\$5,085	\$5,085	\$5,085	\$5,085	\$5,085

Projected Debt Service (I/O)	\$3,599	\$3,599	\$3,599	\$3,599	\$3,599
DSCR (I/O)	0.47x	1.40x	1.92x	2.45x	1.86x**

**Borrower states actual debt service expense (I/O) to be \$1,017 per the 12/31/14 Compliance Certificate. Under this figure, DSCR (I/O) is 6.56x

- Occupancy Rate - Since 2010 rates have improved from 61.7% to current reported year-to-date of 74.5%, which is driven primarily by the continued improvement in the economy and growing popularity of the Property location. Per the appraisal, the stabilized occupancy for this property is 71%.
- ADR/ Rev Par – the improvement in Occupancy Rates, has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 17% and RevPar has increased 31%. Both of these indicators are well above the average ADR of \$311.16 and RevPar of \$236.68 for the subject's competitive set of hotels in Chicago. Per the appraisal provided, for full service hotels in the Chicago Metro area, ADR is anticipated to increase 0.4% in 2014, 3.7% in 2015, 2.0% in 2016 and 1.8% in 2017.
- Net Operating Income – during the historical period from 2010-2013 NOI improved by 426% primarily driven by a significant improvement in operating margin (defined as Total Revenue minus Total Operating Expenses) from 14.1% to 26% which is consistent with the significant improvement in RevPar during the Period.
- DSCR – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x on a principal and interest or interest only basis.

Projected Financial Results

The appraisal has provided the following projections for the 12 months ending April 2015 through April 2025. For the purposes of this analysis, we have included the first 5 years through 2019.

	2015	2016	2017	2018	2019
Occupancy Rate	73.0%	72.0%	71.0%	71.0%	71.0%
ADR	\$409.78	\$430.27	\$443.18	\$456.48	\$470.17
RevPar	\$299.14	\$309.80	\$314.66	\$324.10	\$333.82
Total Revenue	\$67,163	\$69,049	\$70,226	\$72,332	\$74,502

*Equivalent to 8% stressed rate which is significantly higher than current rates

- Occupancy Rate - assumes the economy continues to slowly recover and the Property continues to realize the increasing growth in demand based on growing popularity of location. The 2015 step-down in occupancy reflects impact of opening of new hotel located across the street which is expected to put some pressure on occupancy as management continues to protect ADR and RevPar.
- ADR/ Rev Par – shows continued growth during the period with ADR increasing by 5.6% and RevPar increasing by 3.5% in 2015 from 2013 actual results with a continued increase per annum of approx 21% in ADR and 15.5% in RevPar during the forecasted, 5 year, period.
- Net Operating Income – during the forecasted period NOI is projected to grow by approximately 21.6% over the 5 year period primarily driven by continued improvement in the operating margin (defined as Total Revenue minus Total Operating Expenses) which is projected to hold steady at a healthy 26%.
- DSCR – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x.

Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.35x would be measured through the NOI and Interest Rate.

- NOI – Based on the 2013 FY Actual results, the NOI could decrease by \$1.97MM (22.3%) or \$3.97MM (45%) before breaching the DSCR covenant on an interest only and P&I basis, respectively.
- Interest Rate – Based on the 2013 FYE Actual results, the interest rate could increase by 4.02% to an all in rate of 8.95% or 2.72% to an all in rate of 7.65% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

Property Description/Project Overview – Facility C

The iconic and historic Old Post Office in Washington, DC opened in 1899 as the Headquarters of the US Postal Service. Its grand architecture was designed to announce Pennsylvania Avenue's arrival as America's Main Street. The 441,000 SF building is the tallest building in DC and home to the historic Congress bells and observation tower, it is a landmark well known to both DC residences and tourists alike.

The Trump Organization (Trump) was selected by the US General Services Administration (GSA), to renovate Washington DC's historic Old Post Office Building (OPO) located on Pennsylvania Avenue and 12th Street just southeast of the White House. The approved renovation plan includes converting the historic building into a 250-270 room, full service, luxury hotel with ground floor retail space. Once completed the property will include high end restaurants, spa/fitness facility, a museum and the largest ball room in Washington DC (13,000 SF).

The Borrower has executed a 62+ year ground lease with 2 additional 20-year options with the GSA for the OPO, this process included a year-long concept review through the Section 106 process with all relevant stakeholders, including the Commission of Fine Arts, National Capital Planning Commission, DC State historic Preservation Office and General Services Administration.

Per the Borrower the full renovation budget is +\$215MM with the Borrower's 20% being deployed prior to the Lenders funds (the "Defined Equity Amount"). Completion of the Defined Equity Amount has occurred and disbursements have begun. The first draw was in June 2015 for \$6.0MM and the client expects to submit Disbursement Requests of ~\$5MM each month for the remainder of the Redevelopment Period (i.e. four years from closing, or 8/12/18). As noted, upon the completion of the Redevelopment Period, an appraisal of the Property (the "Initial Appraisal") will be prepared by an appraiser selected by Lender, indicating an LTV of no greater than 85%. Until such time as this appraisal is reviewed and accepted by DB, this facility is considered "Other Secured" for collateral reporting purposes and the Guarantor's financial strength is the primary basis of the loan decision.

Highlights from the Renovation Plan are as follows:

Accommodations – The Hotel's guest rooms and suites will be nearly 20% larger than the average rooms offered by the Hotel's competitive set (Four Seasons, The Ritz-Carlton Georgetown, The Ritz-Carlton DC, Mandarin Oriental and the Hay-Adams), a major point of differentiation with transient business and leisure guests. The Borrower believes the differentiated product will fill a void in the marketplace for premium rooms and attract embassy and delegation stays at premium nightly rates.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

TRUMP ENDEAVOR 12, LLC (\$125MM) – 401 NORTH WABASH LLC (\$45MM) – TRUMP OLD POST OFFICE, LLC (\$170MM) – July 2015 – STRUCTURED

Credit Report – Structured

Meeting & Banquet Facilities - With more than 39,100 SF of event space on two dedicated levels including a 13,000 SF Grand Ballroom and several meeting/function rooms, the Hotel will have DCs largest luxury meeting space and largest Grand Ballroom in the aforementioned competitive set. Combined with the Hotel's well-appointed amenities, prime location and personalized services; the Borrower feels the OPO will be well positioned to capture the top events in Washington, DC.

Retail – Each year millions of people visit the area surrounding the OPO including 236,000 annual visitors to the Clock Tower located inside the OPO. Nearby attractions include the White House, the National Mall, the DC Convention Center and the OPO, all of which generate significant foot traffic and spending in Downtown DC. The Borrower feels that the Hotel's central location within a high concentration of wealth, premium office buildings and cultural institutions will attract the best retailers.

Food & Beverage - The Hotel will feature four food and beverage outlets, including a grand bar, as well as in-room dining. The Borrower is in the process of speaking to a number of well known chefs about the dining opportunities for the Hotel.

The Spa at Trump - The Hotel will feature a 5,000 SF signature Spa at Trump offering an array of spa offerings including massages, facials, relaxation programs and beauty treatments.

Parking - The Hotel will provide ~120 spaces on one level of underground parking, accessible by valet. Parking in that area is scarce and hotels command a premium over neighborhood garages. Hotels near the OPO with less luxurious accommodations are able to charge \$47/day.

Phase 1 Environmental Site Assessment

A Phase 1 Environmental Site Assessment was performed by IVI on February 3, 2014 and has been reviewed and accepted by DB. The report shows no material issues or concerns warranting additional assessment and no further actions are necessary.

Location and Market Overview – Facility C

The subject property is located in Washington, D.C. between the White House and the U.S. Capitol Building on Pennsylvania Avenue. Washington, D.C. is a cosmopolitan city rich in monuments, museums and culture. As the nation's hub of political affairs, the city is the center of governmental action and policy. From Capitol Hill to Embassy Row, the National Mall and historic Georgetown, Washington, D.C. also boasts a diverse concentration of national and international organizations and associations. Furthermore, a number of major universities, educational agencies, and museums – including Georgetown University, George Washington University, Howard University, Catholic University, American University and the Smithsonian Institution are located within the District of Columbia.

The federal government and all of the public and private institutions which support it, form the biggest industry sector in the Washington, D.C. region. While the government sector accounts for approximately 31% of total employment (2012 statistics), the government serves as the catalyst for virtually all of the economic activity in the greater Washington area including the operations of hundreds of private sector firms, associations, trade unions, law firms, lobbying organizations, defense companies, political groups and international organizations. The prevalence of the government, educational and healthcare sectors helps to somewhat shelter this region from any major economic interruptions; thus, the outlook for the market area remains fairly optimistic.

Convention centers often serve as a gauge of visitation trends to a particular market as they generate significant levels of demand for area hotels and serve as a focal point for community activity. Typically hotels within the closest proximity to a convention center - up to 3 miles away will benefit the most. In April 2003 the Walter E. Washington Convention Center was opened at Mt. Vernon Square with approximately 2.3MM feet of space. The subject property is located approximately 0.7 miles from the convention center, making it well positioned to benefit from any activities held at the center.

DSCR	N/A	2.40x	3.40x	3.54x	3.68x

* As the Borrower is leasing the property from the U.S. Government, there is no traditional Property Tax assessed. Rather there is a Possessory Interest Tax that is assessed that is a percentage of net income. Prior to operations this tax is determined as a percentage of the value of the leasehold. For the above NOI this tax has been included in the Total Operating expenses line

The Borrower has provided projections for the first 4.5 years of operations. As the Borrower has projected a 2 year construction phase, the first full year of operations is projected to be in 2017. The interest rate during the Renovation Period is LIBOR + 2.0%, and drops to LIBOR + 1.75% when the Renovation Period is completed through the term of the facility. Debt Service is interest only during the Renovation Period and remains that way as long as the value determined by the appraisal provided by the Borrower at the end of the Renovation Period results in a Loan to Value of 75% or less. If the Loan to Value is between 75%-85%, the loan will require principal payments based on a 25 year amortization schedule until such time as the loan is paid down to a 75% LTV. If the appraised value of the property results in a LTV of greater than 85% the Borrower must pay down the principal of loan to a balance that results in a 85% LTV or less within 10 days of notice from the Lender. Due to the various scenarios possible at the end of the Renovation Period, we have shown both the principal and interest, and interest-only debt service tests based on the 10 year-swap rate of 2.93% + the max loan spread of 2.0% for an all in of 4.93%. Based on the Borrower's projections, the property should produce cash flow sufficient to service the debt beginning in the first year of operations and onward.

Sensitivity analysis

The financial projections presented provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPAR, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.15x would be measured through the NOI and interest rate.

- NOI – Based on the projected first year of operations in 2017, the NOI could be overstated by \$10.45MM (52%) or \$6.47MM (32%) before the DSCR covenant would be breached on an interest only and P&I basis, respectively.
- Interest Rate – Based on the projected first year of operations in 2017, the interest rate could increase by 5.37% to an all in rate of 10.30% or 4.27% to an all in rate of 9.20% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

US ONLY:

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBTCA (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

**Loan A Note: At origination, Tranche B was an unsecured facility for \$19MM. Upon being provided with a C&W (ordered by Borrower) appraisal performed in August 2015, the unsecured Tranche B remained unsecured for RWA calculation purposes despite a value that corroborated to a 34% LTV for both tranches. As of this 2016 Annual Review, a Lender-ordered appraisal is now in place that supports a fully-secured \$125MM facility amount, still delineated between Tranche A and Tranche B*

Credit Report – Structured

C) Old Post Office, Washington, DC	\$237.5MM <i>Prospective Market Value Upon Completion</i> (LW Hospitality Advisors appraisal dated May 26, 2016, ordered and reviewed by CRM READ, Phil Ribolow)	71.6% ✓	\$170MM
------------------------------------	---	---------	---------

Collateral

- A) **Trump National Doral Golf Club** - The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa with guest rooms, 6 food venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport. Extensive renovations have just been completed, substantially increasing the value since origination. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors.
- B) **Trump International Hotel Chicago** - The Collateral Property consists of a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which shall be included as Collateral in addition to 38,000 SF of banquet space, a 23,000 SF spa, and a 285 space public parking garage. The 164 rooms that are owned by third parties ("Third Party Units") and the 7 previously held condos were sold a few years ago and removed from the collateral pool. The proceeds from those sales were used to pay down the principal balance of the Facility at that time.
- C) **Old Post Office Building and Annex** – Renovations nearly complete with a target opening date of September 15th. The Collateral Property after renovations will consist of a full service hotel, including 250-270 hotel rooms (with specific safety measures and layouts in place for important political figures), approximately 65,000-75,000 SF of meeting, banquet, food and beverage, retail, the first spa branded by Ivanka Trump, fitness facilities, telecommunications facilities and an underground parking garage with approximately 100 parking spaces. Additionally, retail spaces have been leased to BLT Steak, Brioni Menswear, and Starbucks. Additionally, an agreement has been made with the National Parks Department to allow separate access to the top of the bell tower, a historic element of the building that, when reopened, is anticipated to once again draw a large number of tourists. Additional commentary can be referenced in the recently completed appraisal, but the general conclusion is that the hotel will become the most elite hospitality establishment in Washington, DC once stabilized. Members of the lending and banking team have visited the property twice over the last 12 months. ✓

 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Relationship/Facility Highlights/Changes Since Last Review:	
<ul style="list-style-type: none"> Construction/Redevelopment of Doral Resort in Florida has been completed with a substantial increase in property value (\$382MM) corroborated by a bank ordered appraisal dated March 2016, resulting in a 32.7% LTV. The Guarantor has requested to retain a 10% Guaranty level even though terms of the previously approved Tranche A note allow for no personal Guarantee if the LTV is below 35%. Pricing was scheduled to increase to L + 2.00% without the Guaranty, but will remain at L+ 1.75% with the 10% Guaranty level, which clearly strengthens the credit. ✓ Draws on the Old Post Office facility continue to occur monthly, for \$6MM-\$13MM each. Approximately \$112.9MM has been drawn to date. The property is scheduled for opening in mid September, although the construction period will continue through year end. ✓ Guarantor's personal net worth has increased by almost \$300 million year-over-year. ✓ Relationship has been reviewed and supported from a Management Board perspective in connection with the Guarantor's candidacy for President of the United States. ✓ 	

Loan A – Trump Endeavour 12, LLC													
Type/Facility Amount	\$125,000,000 Commercial Real Estate Facility in the principal amount of \$125,000,000 fully secured by a mortgage on Trump National Doral Golf Club, as evidenced by (i) a Secured Tranche A Note in the principal amount of \$106,000,000 ("Secured Tranche A Note"), and (ii) a Secured Tranche B Note in the principal amount of \$19,000,000 ("Secured Tranche B Note"). ✓												
Purpose:	Acquisition of the collateral property.												
Maturity:	Tranche A & B: 8/11/2023												
Financial Documentation Covenant	Compliant												
Repayment:	Interest only with a balloon at maturity. ✓ The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, subject to any cost associated with breakage of a LIBOR or SWAP contract.												
Interest Rate:	L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10% (see discussion above concerning existing Guaranty level/pricing).												
LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months												
Fees:	1.00% of Facility Amount has been paid and a remaining fee of \$144M was paid concurrently with converting the loan to a fully secured \$125MM facility and extending Tranche B's maturity to 8/11/2023 (from 8/11/2015). ✓												
Guaranty Type	<p>Guarantee level analysis is based on a 32.7% LTV. The Guarantor has requested to retain a 10% Guaranty level, although terms of the previously approved Tranche A note allow for no personal Guarantee if the LTV is below 35%. As outlined below, the Guaranty level at or below a 35% LTV was originally contemplated to be 0%, at which time pricing was scheduled to increase to L + 2.00%. Retaining a 10% Guaranty level clearly strengthens the credit. ✓</p> <p>*See Previous Credit memo for Trump Endeavor 12, LLC, dated 7/24/13 for further detail.</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th>Max LTV</th> <th>Guaranty Level</th> </tr> </thead> <tbody> <tr> <td>85%</td> <td>100%</td> </tr> <tr> <td>65%</td> <td>40%</td> </tr> <tr> <td>55%</td> <td>20%</td> </tr> <tr> <td>45%</td> <td>10%</td> </tr> <tr> <td>35%</td> <td>0%</td> </tr> </tbody> </table>	Max LTV	Guaranty Level	85%	100%	65%	40%	55%	20%	45%	10%	35%	0%

Loan C – Trump Old Post Office	
Facility Amount	<p>The lesser of i) \$170,000,000 and ii) 80% of the Redevelopment Investment Plan.</p> <p>➤ <i>Redevelopment Investment Plan</i> – shall represent a budget to complete the Project consisting of hard costs, soft costs (including, without limitation, interest), and operating shortfalls and consisting of: (i) at least 20% of the Redevelopment Investment Plan as of the Closing Date (the "Defined Equity Amount") to be invested directly by the Guarantor, and (ii) any remaining amounts, in an amount not to exceed \$170MM, expected to be provided within the Facility Amount.</p>

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Facility Type:	<p>Multiple-draw construction loan facility with (i) interest only payable during the Redevelopment Period, and (ii) during the Post Redevelopment Period either: (a) interest only at any time the loan-to-value (the "LTV") is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%.</p> <ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> – the expiration of the Redevelopment Period will be 4-years from the Closing Date; provided, however, that Borrower, in its sole discretion, may trigger the Post Redevelopment Period earlier upon Borrower's delivery to Lender of (a) one or more temporary or final certificates of occupancy or their equivalent for the Major Components, and (b) an appraisal of the Property (the "Initial Appraisal"), which shall be prepared by an appraiser selected by Lender, indicating an LTV of no greater than 85%. ➤ <i>Post Redevelopment Period</i> – the period from the end of the Redevelopment period to the Facility maturity date. <p>Until such time as the Initial Appraisal is reviewed and accepted by DB, this facility is considered "Other Secured" for collateral reporting purposes. Although the Lender ordered appraisal from May, 2016 allows for the flexibility to deem the facility CRE secured, the Post Redevelopment Period does not officially begin until the Borrower-triggered appraisal. Note that the opening of the hotel expected in September does not indicate the Post Redevelopment period either, as it is likely funds will still be required to complete certain areas of the hotel that are not open the public on day 1.</p>
Purpose:	<p>Borrower is in the process of converting the Property from its existing use as an office building with retail to a 250-270 room luxury hotel (Please see project description below).</p>
Property	<p>The Old Post Office Building and Annex located at 1100 Pennsylvania Avenue, Washington DC 20004.</p>
Maturity:	<p>8/11/2024 ✓</p>
Collateral:	<p>The Facility is secured by (i) a first mortgage lien on Borrower's leasehold interest in(x) the Property and (y) all improvements thereto, (ii) security interests in and, to the extent assignable and as applicable, assignments of Borrower's interest in all permits licenses, lease, contracts, agreements, operating accounts, receivables etc. and (iii) Borrower's interest in other customary ancillary collateral relating to the Property</p>
Multi-draw Funding Criteria/ Retainage	<p>Borrower is permitted to receive advances under the Facility to pay all costs incurred by the Borrower in accordance with the Redevelopment Investment Plan. Advances require a hold back of 10% of hard costs for the first 50% of the amount of any construction contract (there is no hold back on the last 50%) provided, however, no retainage is required for (i) soft costs under any contract or (ii) materials only contracts. Lender shall disburse retainage promptly upon notice from Borrower that such retainage is due and payable. ✓</p>
Completion Reserve:	<p>Following the later of (x) the initial advance under the loan and (y) the contribution of the Defined Equity Amount, if at any time the undrawn amount of the Facility is less than the remaining costs to complete the Project and the shortfall is \$5,000,000 or greater, then Borrower shall fund a completion reserve (the "Completion Reserve" in the amount required to reduce such shortfall to \$5,000,000. The Completion Reserve will be held by Lender as additional Collateral. ✓</p>
Repayment:	<ol style="list-style-type: none"> 1) During the Redevelopment Period the facility will require interest only payments. 2) During the Post Redevelopment Period either (a) interest only at any time the LTV is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%. ✓ <p>The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.</p>
Interest Rate:	<ol style="list-style-type: none"> 1) Redevelopment Period – LIBOR plus 2.00% or, at Borrower's option, the Prime Rate. 2) Post Redevelopment Period and upon delivery of appraisal indicating an LTV of less than or equal to 70% - LIBOR plus 1.75% or, at Borrower's option, the Prime Rate minus 0.25%. <p>Borrower shall have the right to deliver such appraisal, acceptable to Lender, at any time during the Post Redevelopment Period.</p>
LIBOR Tenors	<p>Borrower may elect interest periods of 1, 3, 6, and 12 months with a maximum of (5) LIBOR contracts outstanding at any time and no LIBOR contract to be permitted for loans less than \$1,000,000 at any time.</p>
Fees:	<p>0.50% of Facility Amount paid at closing</p>

DSC Covenant	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - None ➤ <i>Post Redevelopment Period</i> – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSC") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant to be test annually beginning with the first full calendar year commencing four (4) years after the Closing Date.
Maximum LTV	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period</i> - 80% of the Redevelopment Investment Plan. ➤ <i>Post Redevelopment Period</i> – The Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency cause by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification.
Expiration of Redevelopment Period:	<p><i>4-Years from the Closing Date</i></p> <ul style="list-style-type: none"> ➤ No later than 4-years from the Closing Date, Borrower shall deliver to Lender: (a) one or more temporary or final certificates of occupancy or their equivalents for the Major Components (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, the non-completion of which does not materially interfere with the operation of the Property as a whole), and (b) an appraisal of the Property, which shall be prepared by an appraiser selected by the Lender, indicating an LTV of no greater than 85%. The term "Major Components" shall mean: (i) 90% of the hotel rooms, (ii) the meeting and banquet space and (iii) one operating restaurant. A temporary or final certificate of occupancy or its equivalent for the entire Project (which shall not be required to cover areas relating to minor details of construction, decoration or mechanical adjustment, or uncompleted work in connection with disputes concerning items of a historic nature, the non-completion of which does not materially interfere with the operation of the Property as a whole) shall be delivered to the Lender no later than 5-years from the Closing Date.
Guaranty:	<p>Donald J. Trump will provide a full and unconditional guarantee of: (i) principal and interest due under the facility, (ii) swap breakage costs, (iii) operating shortfalls of the Property until the end of the Shortfall Coverage Period and (iv) a completion guaranty, guaranteeing the lien-free completion of the Project acceptable to Lender, as evidence by, among other things, one or more temporary or final certificates of occupancy or their equivalent, architects certificate and appropriate lien waivers, each reasonably acceptable to Lender.</p>
Guarantor Covenants	<ul style="list-style-type: none"> ➤ <i>During the Redevelopment Period:</i> <ul style="list-style-type: none"> ○ Guarantor shall maintain unencumbered liquidity at all times of at least \$50MM with at ^{least} \$20MM to be maintained with the Lender. ✓ ○ Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities). ✓ ➤ At all times during the term of the facility: <p>Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor's brand. ✓</p>

Recommendation:
Approval of i) the Annual Review for Facility A (Doral), Facility B (Chicago), and Facility C (OPO).
<u>All Facilities</u>
<ul style="list-style-type: none"> • <i>Financial Strength of the Guarantor</i> - The financial profile of the Guarantor includes, on an adjusted basis, a net worth of \$2.8 billion with \$175.3MM in unencumbered liquidity. ✓ • <i>Operating Experience</i> – DJT's extensive experience in operating private golf/country clubs. His current portfolio includes 16 such clubs and his overall equity position in various CRE interests exceeds \$4,390MM (\$2,195MM on an adjusted basis). • <i>DB Relationship</i> – In connection with the addition of Facility C, DJT transferred \$40MM in liquidity to DB. He has also indicated he is interested in continued to grow his non-credit relationship with the firm. The WM Banking team has been introduced to each of DJT's three adult children and two have established relationships with the firm. A significant relationship also continues to grow through the familial lines of Ivanka Trump's spouse, Jared Kushner.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Facility A

- *Equity Injection of the Guarantor:* The estimated equity injection is \$200MM.
- *Expected Enhanced Value due to Capex* -The Resort is a world class location that has been home to a PGA event every year since it opened in 1962. With DJT's \$200MM capital investment complete, the appraised value has significantly benefited. The improvements and properly stabilization are expected to continue to increase the value significantly over the term of the Facility.

Facility A & B

- *Leverage Levels required for Step-Down of the Guaranty* – The LTV levels required for a decrease in the guaranty levels are now low enough to ensure that the loan is more than adequately collateralized, as evidenced by the current Facility A and Facility B, in which the Guaranty were eliminated on both in conjunction with the current appraised values.

Facility B

- *Quality of the collateral and LTV* – The property is in the form of a luxury hotel building in downtown Chicago. Based on the latest appraisal completed, the Hotel collateral was valued at \$133MM which results in a 34% LTV.
- *In 2014, proceeds from the sale of the 7 additional condo units originally pledged as collateral were applied toward the principal balance of the loan (facility has been paid down from \$73MM to \$45MM year-over-year).*

Facility C

- *Equity Injection of the Guarantor:* As of June 2015, the Guarantor completed the required 20% Equity Investment and began to draw on the \$170MM Facility.
- *Borrower's Successful Operating Experience:* The Trump Hotel Collection consists of 8 Luxury Hotels in New York, Chicago (secures Facility B), Las Vegas, Hawaii, Toronto, Miami (secures Facility A) and Panama with 3 new hotels (including the subject OPO project) coming on-line in the next 2-3 years. The Trump name has been associated with the highest level of luxury and the hotels in the collection have performed successfully, even through the previous economic downturn.

Subject: DT Annual Review [I]

Classification: For internal use only

Dear Thomas,

Please find attached the annual review for Mr. Trump. This review requires your approval based on credit authority. Please let me know if you require any additional information

All covenants are up to date and properties in Facilities A (9.0x) & B (1.9x) are covering their respective DSCR. Regarding Facility C (Old Post Office), the property is on track to start operating at reduced capacity by September with most work being completed by year-end. We have so far disbursed USD 112 out of the USD 170mn commitment and our Lending and Business colleagues have been to see the building in the last 3 months.

Loan A (fully drawn)

Borrower: Trump Endeavor 12, LLC
Property: Trump National Doral Golf Club, Miami
Purpose: Acquisition
Amount :
Tranche A: \$106MM
Tranche B: \$19MM
LTV: 32.7%
Maturity: 8/11/2023
DT Guaranty: sliding scale based on LTV (currently 10% to keep lower interest charge only)
Pricing: L + 1.75%
Structure: Loan A has two tranches because at origination Tranche B was unsecured. Tranche B is now secured based on the most recent independent appraisal.
Booking Unit: DBTCA

Rating Change: none

Loan B (fully drawn)

Borrower: 401 North Walbash Venture LLC
Property: Trump International Hotel Chicago
Purpose: Refi and working capital for business purposes.
Amount: \$45MM
LTV: 34%
Maturity: 6/1/2024
DT Guaranty: sliding scale based on LTV (currently 0%)
Pricing: L +2%
Booking Unit: DBTCA
Rating Change: none

Loan C (partially drawn)

Borrower: Trump Old Post Office LLC
Property: Old Post Office, Washington, DC
Purpose: conversion from office building to luxury hotel
Amount: \$170 MM (\$112MM outstanding)
LTV: 71.6%
Maturity: 8/11/2024
DT Guaranty: sliding scale based on LTV (currently 100%)
Pricing: L +2% (during redevelopment period, then steps down)
Swap: \$10.25MM unsecured threshold (\$0 usage)
Booking Unit: DBTCA
Rating Change: CPD to iBBB from iBBB+

On Guarantor (based on 6/2015):

Assets: USD5.7bn
Liquid assets: USD 0.2bn (proforma USD 0.1bn)
Liabilities: USD0.5bn
Net Worth: USD5.2bn

I would like to make the point that the review is based on financial information dated June 2015 given that the client has to provide updated June 2016 figures by October only. Given the different projects that he is involved in, it makes sense to address the liquidity which I make based on estimates only. As of June 2015 his liquid assets were reported at USD192mn. These figures already reflected his participation in the Old Post Office development (20% equity before we funded). We hear that he has spent USD 50mn+ on his campaign and has likely invested in his Scotland Golf Course up to USD 50mn to finish the update that inaugurated in June 2016. In worse case scenario and without taking into any additional inflows from his investments and not considering what else he could spend on his campaign going forward, he should have at least USD90mn+ which is above the covenant of USD 50mn minimum.

Please find attached the full Credit Report write-up.

Subject: RE: DT Annual Review - CONFIDENTIAL [I]

Good morning Joerg,

There is no cross default on a borrower level but there is cross default on a guarantor level for the Old Post Office and for the Doral golf course where DT is still a guarantor.

I hope this answers your question.

Regards,

Gaston

Quick questions. Am I right that we have no cross default provision in place as we have it at the Wasserman CRE loans?

Thanks
Joern

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/15. We are not aware of any material changes to the Guarantor's financial profile.

Guarantors – Financial Summary: Although all three Facilities are secured by Collateral, given the unique nature of these credits, the credit exposure continues to be recommended for support based on the financial profile of the Guarantor (or the ability to rely once again on the Guarantor if collateral values dropped and LTVs increased). As part of this underwriting we have met with several members of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantor's financial statements.

- **Liquidity** – The Guarantor reports liquidity of \$192.3MM as of 6/30/15 consisting of funds in Mr. Trump's name personally and various entities that Mr. Trump controls. The client reported balances have remained on par from the prior year, with fluctuations larger from than in previous years due to political contributions, limited additional CRE acquisitions and the Guarantor taking fewer distributions from his properties. Specifically, significant equity injections were required for the Doral (approximately \$250MM was invested by the Guarantor over a three year period from 2012-2015). Personal liquidity was also utilized for ramped up construction at the OPO property, and for financing associated with the Guarantors Presidential campaign. Property valuations significantly increased as a result of the referenced equity injections, increasing the overall net worth of the Guarantor.
- The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. An updated value of the outstanding deposits was not provided via the 6/30/15 financial statements; however, as of 6/30/13, the total life-to-date balance of such deposits collected across the clubs owned by the Guarantor was approximately \$213MM, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantors liquidity.
- **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/30/15 which reflects the Guarantor's 4 wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.
- **Net Worth** – The Guarantor's reported net worth has increased nearly \$300MM, largely in part to his real estate equity and licensing. It should also be noted that the DB adjusted calculation of the Guarantor's balance sheet does not include any valuation for his brand, which has received a 100% haircut.

Credit Report – Structured

Partial Breakdown of 4 Trophy Properties (excludes various properties including DB facilities)

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$680.9	\$480.0	\$100.0	\$780.9	\$380.0
Niketown – East 57 th St	\$466.5	\$175.0	\$21.4	\$445.1	\$153.6
40 Wall Street	\$735.4	\$500.0	\$160.0	\$575.4	\$340.0
Trump Park Ave	\$251.4	\$173.0	\$17.7	\$233.7	\$155.3
Subtotal – 4 Trophy Properties	\$3,662.2	\$1,328.0	\$299.1	\$2,035.1	\$1,028.9
Club Facilities	\$1,873.3	\$1,004.7	\$145.6	\$1,727.7	\$859.1
Other Property Interest	\$182.5	\$182.5	\$27.71	\$154.8	\$154.79
Total – Portfolio	\$5,718.0	\$2,515.0	\$444.73	\$3,917.6	\$2,042.8

- **4 Trophy Properties** – The valuations for each of these properties were previously discussed with DB Valuation Services Group (“DBVSG”) who advised on adjustments for each.
 - Trump Towers – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/15 the property had associated debt of approx \$100MM. The loan is non-recourse and matures in 2022. The most 6/30/15 financial statement values the property at \$880.9MM resulting in a roughly 11.5% LTV.
 - Niketown – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on sq foot assumption DBVSG previously indicated an adjusted value of \$175MM. Financing on the space is in the form of long-term bonds for a total of \$21.42MM (4.6% LTV based on a \$466.5MM valuation) which are scheduled to fully amortize by June 1, 2017.
 - 40 Wall Street – The 72 floor tower consist of 1.3MM SF in premier office space. Based on a SF assumption DBVSG indicated an adjusted value of \$500MM. The existing debt in the amount of \$160MM, of which the Guarantor currently guarantees \$20MM, is scheduled to mature in November 2017.
 - Trump Park Avenue – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space and has a reported value based on unsold units and retail rates of \$346.1MM. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/15, had an outstanding balance of \$17.6MM and matures 8/1/20. Based on prior discussions with DBVSG we elected to take an approximate 50% haircut on the reported value.
- **US Club Facilities** – The Guarantor wholly owns interests in 13 domestic private club facilities having a combined market value of approximately \$1,873.3MM which include The Mar-A-Lago Club in Palm Beach Fl; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, Fl; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump Golf Links at Ferry Point, Bronx, NY; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA; Trump National Doral in Miami, Florida; Trump National Golf Club in Charlotte, NC; and Trump National Golf Club in Jupiter, Florida.
- **European Golf Clubs** – The Guarantor wholly owns interests in 3 European golf club facilities which include Trump International Golf Club in Scotland, Aberdeen; Trump Turnberry, South Ayrshire, Scotland; Trump International Golf Links Ireland, Doonbeg.
- **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land, a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$301.5MM based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of June 30, 2015, the Guarantor has continued to elected not to include the value of the Trump Chicago International Hotel & Tower in his financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be noted that on 11/9/12, DB provided the Guarantor with a \$98MM bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago (Facility B). Since closing, the Facility has been paid down to \$19MM, increased last year to \$73MM, and paid down again to \$45MM, as further discussed in the Facility B section of the subject annual review.

- **Partnership and Joint Ventures** -
 - 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7MM leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$946MM is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

- Trump International Hotel and Tower – Las Vegas, Nevada – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$107.7MM is after the current mortgage debt of \$22.8MM, with final maturity of 7/5/17. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$339MM was based on situations which have evolved to the point where signed arrangements with other parties exit and fees and other compensation which he will earn are reasonably quantifiable. The Guarantor has pledged certain of these fees to secure a \$19.76MM mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$19.76MM has been reflected on Mr. Trump's financial statement as "Other mortgages and loans payable". For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date end contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that last year the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report indicated a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.
- **Contingents** – as of 6/17/15 DJT's gross contingent obligations were reported to be \$167.79MM, which included: a) the \$125MM in support provided under the Doral credit facility with WM (in actuality Mr. Trump is not currently obligated to provide any Guaranty on this amount based on the low LTV, but he has voluntarily agreed to leave a 10% Guaranty in place (\$12.5MM)); b) \$45MM in personal recourse on the existing debt related to the Trump International Hotel in Chicago also with WM (in actuality Mr. Trump is not currently obligated to provide any Guaranty on this amount either, based on the low LTV); c) \$20MM on a limited guarantee for the \$160MM commercial mortgage on 40 Wall Street extended by Capital One; d) \$11MM on Trump Golf at Ferry Point to the City of New York, e) \$7.1MM related to 7 Springs Resort and \$3.9MM in certain other project related completion guarantees, f) \$6MM related to the OPO facility as of the 6/30/15 financial statement date (draws are in excess of \$112.1MM as of the date of this annual review memo and DJT currently provides a full Guaranty for this credit facility).
- **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which is generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2015.

Type	Client Reported FY 6/30/15	Client Reported FY 6/30/14	Client Reported FY 6/30/13	Client Reported FY 6/30/12	Client Reported 11/30/11	Client Reported 2010

- **Real Estate** – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section.
- **Entertainment** – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. As this source of cash flow appears to be recurring as long as Mr. Trump is involved with the Apprentice we have chosen to take it at reported value. The Apprentice maintains a one-year rolling contract.
- **Clubs** – represents distributions generated through the portfolio of 16 Clubs which are wholly owned by the Guarantor.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

- *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements.
- *Non Operating Revenue* – No non-operating cash flow was reported for 2014-2015. Prior years, non operating revenue consisted of tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time items.
- *Investment Income* – represents interest and investment income on cash and marketable securities.
- *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements.
- *Uses of Cash* – primarily utilized for i) acquisition of resorts/golf clubs/aircraft.
- *Political Expenses* – first reported for the 2015 reporting year, tied to the Guarantor's election campaign for US President.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$45MM on Chicago and \$170MM OPO + \$10.25MM Swap Threshold + min transfer amt) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of 4 of the unsecured ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt, however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Note: Although cash flow has often times been negative over the last few years, negative cash flow in excess of \$100MM for the most recent reporting year is significant, yet very understandable. The amount correlates to the funds required from the Guarantor to complete the necessary renovations on the Doral. In all, over \$103MM was categorized as property development expenses for this reporting year.

Property Description/Project Overview - Facility A - Trump Endeavor 12 LLC

The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The Borrower has just completed extensive renovations as evidenced by the recently received appraisal. The renovations substantially increased the property value to \$383MM. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work included painting, lighting and landscaping. Guest rooms have undergone a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been completely redesigned to maximize and upgrade the space and improve the finishes. These improvements will help support and drive an increase in the number of dues-paying members. After the complete renovation of 72 holes of championship golf across four courses during 2013, recent golf course renovations were primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The original loan proceeds were used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

The Borrower has completed the renovation in phases as the resort remained operational throughout said renovation, although with significantly reduced room availability and additional sections closed as necessary. Occupancy and rates are expected to grow significantly.

Property Performance – Facility A - Trump Endeavor 12 LLC

Property Level Financials:

In thousands	Year End 2015 Actual	Year End 2014 Actual	Year End 2013 Actual	Year-End 2012 Actual	2012 6 months Actual
Occupancy Rate	55%	34%	73%	62.2%	48.39%
ADR	\$209	\$196	\$208	\$175.0	\$148.58
RevPar	\$112.74	\$67	\$151.85	\$108.85	\$67.43
Total Revenue	\$92,051	\$49,448	\$111,237	\$82,099	\$30,025
Gross Operating Income	\$43,489				
Total Operating Expenses	\$29,645	\$51,913	\$87,295	\$69,899	\$37,754
Net Operating Income	\$13,846	(\$2,465)	\$23,942	\$12,200	(\$7,729)
EBITDA	\$13,846	N/A	\$26,169	\$12,200	(\$6,553)
Actual Debt to EBITDA	9.03x	N/A	4.78x	10.25x	N/A

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

There are no debt service tests at this time as the property remained open under significant renovation of the rooms and facilities during 2014, significantly reducing revenue and NOI. Occupancy and average daily rate are expected to grow significantly over the coming years. See below:

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Subject's Projected ADR Summary

Year	ADR Growth	Projected ADR
Positioned ADR (2015)		\$216.97
2016 Partial Year (2 Months)	4.0%	\$218.42
3/1/2016 - 2/28/2017	6.9%	\$233.52
3/1/2017 - 2/28/2018	6.9%	\$249.71
3/1/2018 - 2/28/2019	5.6%	\$263.61
3/1/2019 - 2/29/2020	3.9%	\$273.95

The occupancy rate declined from 73% in 2013 to 34% in 2014 due to the expansive renovations that occurred throughout 2014. This decrease in occupancy had a negative impact on the overall revenue generation for the subject hotel and resort, which was to be expected over the course. However, in late 2015, the property re-opened and is slowly returning to strengthened occupancy upon the completion of all improvements. Figures should continue to improve as the property is fully operational in 2016 and the Miami tourism business continues to grow.

In addition to room revenue, golf round and greens fees are forecast to increase at an accelerated rate substantially over the next five years. Although these figures are included in the overall NOI discussion, it is important to highlight the benefit received from the course renovations. On a fiscalized basis, the following represents golf and membership forecast summaries through 2020/21:

2016/17: \$23,168,355
 2017/18: \$26,250,238
 2018/19: \$28,218,876
 2019/20: \$29,720,497
 2020/21: \$31,012,338

An executive summary of the market and expected hotel performance for 2016, per the March appraisal follows:

Trump National Doral Miami

- EBITDA increases from \$14.8 million in 2015 to \$18.8 million in 2016. Achieve total revenue of \$98.7 million comprised of: \$34.64 million in rooms, \$22.46 million in golf and membership, \$31.13 million in food & beverage, \$5.53 million in retail, \$2.46 million in spa, \$2.57 million in parking and other.
- Occupancy is forecasted to increase from 55.6% in 2015 to 60.2% in 2016. Average rate from \$230.22 in 2015 to \$244.47 in 2016.
- Rev/par growth from \$127.98 in 2015 to \$147.2 in 2016. Index growth from 60.33% in 2015 to 64.72% to 2016.
- Increase golf and membership revenue from \$19.0 million in 2015 to \$22.46 million in 2016 with profit from \$9.4 million to \$12.1 million.
- GOP growth from \$21.2 million in 2015 to \$25.7 million in 2016.
- GSI score from 8.4 in 2015 to 8.7 in 2016.
- TripAdvisor review score to remain at 90 in 2016.
- Achieve an employee engagement participation of 95% total associates and improve associate satisfaction from 85.9 to 89 and loyalty from 91 to 92.

Property Description/Project Overview – Facility B

Facility B - The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009.

The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral consists of 175 developer owned units as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. The remaining 164 units are privately owned as part of a "condo-tel" agreement where, at the owner's option, the unit is included in the available rental pool for the hotel.

An appraisal was performed by CB Richard Ellis, dated as of 4/7/14 which indicated an "As Is" value of \$133MM. Recent correspondence with Phil Ribolow, Hotel and Hospitality expert in CRM READ, indicated that value is still acceptable as of July, 2016.

Further information regarding the Trump International Hotel and Tower Chicago can be found in the initial CAM dated 10/24/13.

Property Performance/Financial Analysis – Facility B

Hotel Collateral

The hotel property is divided into 3 general sections, the commercial areas including the spa, restaurants, banquet rooms and parking, the 175 sponsor own units (both of these sections compose our collateral) and 164 privately owned third party units (not included as Collateral).

With regards to the third party units, the private owners have the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursable line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-2015.

	12-Mo Ending 12/31/2010	12-Mo Ending 12/31/2011	12-Mo Ending 12/31/12	12-Mo Ending 12/31/13	12-Mo Ending 12/31/14	12-Mo Ending 12/31/15

Net Operating Income	\$1,679	\$5,021	\$6,910	\$8,834	\$6,679	\$6,897
Projected Debt Service (P &I)*	\$5,085	\$5,085	\$5,085	\$5,085	\$5,085	\$5,085
DSCR (P & I)**	0.33x	0.99x	1.36x	1.74x	1.31x	1.36x
Projected Debt Service (I/O)*	\$3,599	\$3,599	\$3,599	\$3,599	\$3,599	\$3,599
DSCR (I/O)**	0.47x	1.40x	1.92x	2.45x	1.86x**	1.91x**

*Equivalent to 8% stressed rate which is significantly higher than current rates

**Borrower states actual debt service expense (I/O) to be \$995M per the 6/30/15 Compliance Certificate. Under this figure, DSCR (I/O) is 6.93x

- **Occupancy Rate** - Since 2010 rates have improved from 61.7% to current reported year-to-date of 74.5%, which is driven primarily by the continued improvement in the economy and growing popularity of the Property location. Per the appraisal, the stabilized occupancy for this property is 71%.
- **ADR/ Rev Par** – the improvement in Occupancy Rates, has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 17% and RevPar has increased 31%. Both of these indicators are well above the average ADR of \$311.16 and RevPar of \$236.68 for the subject's competitive set of hotels in Chicago. Per the appraisal provided, for full service hotels in the Chicago Metro area, ADR is anticipated to increase 2.0% in 2016 and 1.8% in 2017.
- **Net Operating Income** – during the historical period from 2010-2013 NOI improved by 426% primarily driven by a significant improvement in operating margin (defined as Total Revenue minus Total Operating Expenses) from 14.1% to 26% which is consistent with the significant improvement in RevPar during the Period.
- **DSCR** – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x on a principal and interest or interest only basis.

Projected Financial Results

The appraisal has provided the following projections for the 12 months ending April 2016 through April 2025. For the purposes of this analysis, we have included the first 5 years through 2019.

Projected Debt Service (I/O)*	\$3,599	\$3,599	\$3,599	\$3,599
DSCR (I/O)	2.88x	2.81x	2.90x	2.99x

*Equivalent to 8% stressed rate which is significantly higher than current rates

- Occupancy Rate - assumes the economy continues to slowly recover and the Property continues to realize the increasing growth in demand based on growing popularity of location. The 2015 step-down in occupancy reflects impact of opening of new hotel located across the street which is expected to put some pressure on occupancy as management continues to protect ADR and RevPar.
- ADR/ Rev Par – shows continued growth during the period with estimates of a 21% increase in ADR and 15.5% in RevPar during the forecasted, 4 year, period.
- Net Operating Income – during the forecasted period NOI is projected to grow by approximately 21.6% over the 4 year period primarily driven by continued improvement in the operating margin (defined as Total Revenue minus Total Operating Expenses) which is projected to hold steady at a healthy 26%.
- DSCR – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio of 1.35x.

Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.35x would be measured through the NOI and Interest Rate.

- NOI – Based on the 6/30/2015 FY Actual results, the NOI could decrease by \$5.33MM before breaching the DSCR covenant on an interest only basis and \$3.93MM on a P&I basis.
- Interest Rate – Based on the 2015 FYE Actual results, the interest rate could increase by 8.31% to an all in rate of 8.75% the DSCR covenant on an interest only and P&I basis.

Property Description/Project Overview – Facility C

The iconic and historic Old Post Office in Washington, DC opened in 1899 as the Headquarters of the US Postal Service. Its grand architecture was designed to announce Pennsylvania Avenue's arrival as America's Main Street. The 441,000 SF building is the tallest building in DC and home to the historic Congress bells and observation tower, it is a landmark well known to both DC residences and tourists alike. The building is the second-tallest in Washington D.C. (next to the Washington Monument) and is home to the historic Congress Bells and an observation tower.

The Trump Organization (Trump) was selected by the US General Services Administration (GSA), to renovate Washington DC's historic Old Post Office Building (OPO) located on Pennsylvania Avenue and 12th Street just southeast of the White House. Final plans now indicate the property will contain 263 guestrooms and suites, 38,300 square feet of meeting space, two food and beverage outlets (BLT will be the flagship restaurant with potential for a high-end sushi restaurant to come on as the second food establishment), a spa (the first spa to be branded by Ivanka Trump), a fitness facility, valet parking in an on-site underground garage, and roughly 3,000 square feet of leased retail space (Brioni & Starbucks). The site will also contain the largest ballroom in Washington, DC (13,000 SF).

The Borrower has executed a 62+ year ground lease with 2 additional 20-year options with the GSA for the OPO, this process included a year-long concept review through the Section 106 process with all relevant stakeholders, including the Commission of Fine Arts, National Capital Planning Commission, DC State historic Preservation Office and General Services Administration.

The full renovation budget is \$215MM+ and the Borrower deployed its 20% equity prior to the Lender's funds being released through monthly draws starting in late 2015 (the "Defined Equity Amount"). Completion of the Defined Equity Amount has occurred and disbursements continue as

TOTAL		\$112,115,083.65

A May 2016 appraisal completed on behalf of the Bank indicated the following breakdown in values:

- 1) As Is Final Value Estimates
Investment Value \$111,000,000, or \$422,000 per key
- 2) Hypothetical Value \$118,800,000, or \$452,000 per key
As Complete Final Value Estimates
- 3) Investment Value \$229,500,000, or \$873,000 per key
Hypothetical Value \$237,500,000, or \$903,000 per key

Final Value Estimate – As Stabilized \$273,500,000, or \$1,040,000 per key

The report was reviewed and approved internally and lead to the following LTV conclusions:

C) Old Post Office, Washington, DC	\$237.5MM Prospective Market Value Upon Completion (LW Hospitality Advisors appraisal dated May 26, 2016, ordered and reviewed by CRM READ, Phil Ribolow	71.6%	\$170MM
------------------------------------	--	-------	---------

In addition to the appraisal completed on behalf of the Bank in May 2016, an updated appraisal of the Property (the "Initial Appraisal") will be prepared by an appraiser selected by Lender upon the completion of the Redevelopment Period, indicating an LTV of no greater than 85%.

Members of both the Banking and Lending team have visited the property twice over the last 12 months. These site visits reaffirmed confidence in the expected opening date (September 2016) and high standard of construction and operational management occurring at the site.

Highlights from the Renovation Plan are as follows:

Accommodations – The Hotel's guest rooms and suites will be nearly 20% larger than the average rooms offered by the Hotel's competitive set (Four Seasons, The Ritz-Carlton Georgetown, The Ritz-Carlton DC, Mandarin Oriental and the Hay-Adams), a major point of differentiation with transient business and leisure guests. The Borrower believes the differentiated product will fill a void in the marketplace for premium rooms and attract embassy and delegation stays at premium nightly rates.

Meeting & Banquet Facilities - With more than 39,100 SF of event space on two dedicated levels including a 13,000 SF Grand Ballroom and several meeting/function rooms, the Hotel will have DC's largest luxury meeting space and largest Grand Ballroom in the aforementioned competitive set. Combined with the Hotel's well-appointed amenities, prime location and personalized services; the Borrower feels the OPO will be well positioned to capture the top events in Washington, DC.

Retail – Each year millions of people visit the area surrounding the OPO including 236,000 annual visitors to the Clock Tower located inside the OPO. Nearby attractions include the White House, the National Mall, the DC Convention Center and the OPO, all of which generate significant foot traffic and spending in Downtown DC. The Borrower feels that the Hotel's central location within a high concentration of wealth, premium office buildings and cultural institutions will attract the best retailers.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2016 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Food & Beverage - The Hotel will feature four food and beverage outlets, including a grand bar, as well as in-room dining. The Borrower is in the process of speaking to a number of well known chefs about the dining opportunities for the Hotel.

The Spa at Trump - The Hotel will feature a 5,000 SF signature Spa at Trump offering an array of spa offerings including massages, facials, relaxation programs and beauty treatments.

Parking - The Hotel will provide ~120 spaces on one level of underground parking, accessible by valet. Parking in that area is scarce and hotels command a premium over neighborhood garages. Hotels near the OPO with less luxurious accommodations are able to charge \$47/day.

A summary of progress on construction is as follows (as of July 15, 2016):

- Both the Annex and OPO main building have made significant progress.
- In the Annex, systems are starting to come on line. The Ballroom is 90% complete and decorative elements are being installed, such as wood trim and gold leafing. The second floor meeting rooms are progressing on schedule. The Annex Onyx curtain wall has started.
- In the OPO main building work continues to progress from the 9th floor down. Rooms on the 8th and 7th floors have furniture installed and are being turned over and are complete. Furniture is being installed on other floors working down through the building. The plywood protection is being removed from all the floors and the repairs, carpet and light fixtures are being installed in the corridors and are progressing from the upper to lower floors.
- Scaffolding has been moved from the East, South and West facades and is installed on the North façade for the window painting and stone repairs/cleaning there.
- Window rehabilitation is 98% complete and on schedule.
- The new Service Elevator construction is complete and on line. Other elevators are on schedule.
- The Cortile mezzanine guest rooms are being finished. The Cortile marble is 95% installed. floor is being prepared for the marble floor, which is 100%, fabricated in Italy and installation will start in April. Light fixtures and speakers are being installed on the overhead trusses. The Cortile restaurant is on schedule with marble starting on the Mezzanine level and kitchen MEP 75% complete.
- The NW Meeting Room and NE Hospitality Suite and Spa are all roughly 75% complete and work is ongoing.
- Site Utility work continues, including the traffic signalization at 11th and Pennsylvania Avenue. Site work is ongoing on 11th Street and C Street. Pavers on 11th Street will start in July.
- Work over the next quarter will focus on continued construction and turnover of the guest rooms areas in the OPO, MEP systems being completed in the OPO and Annex, installation of curtain wall at the Annex and site work

Phase 1 Environmental Site Assessment

A Phase 1 Environmental Site Assessment was performed by IVI on February 3, 2014 and has been reviewed and accepted by DB. The report shows no material issues or concerns warranting additional assessment and no further actions are necessary.

Location and Market Overview – Facility C

The subject property is located in Washington, D.C. between the White House and the U.S. Capitol Building on Pennsylvania Avenue. Washington, D.C. is a cosmopolitan city rich in monuments, museums and culture. As the nation's hub of political affairs, the city is the center of governmental action and policy. From Capitol Hill to Embassy Row, the National Mall and historic Georgetown, Washington, D.C. also boasts a diverse concentration of national and international organizations and associations. Furthermore, a number of major universities, educational agencies, and museums – including Georgetown University, George Washington University, Howard University, Catholic University, American University and the Smithsonian Institution are located within the District of Columbia.

The federal government and all of the public and private institutions which support it, form the biggest industry sector in the Washington, D.C. region. While the government sector accounts for approximately 31% of total employment (2012 statistics), the government serves as the catalyst for virtually all of the economic activity in the greater Washington area including the operations of hundreds of private sector firms, associations, trade unions, law firms, lobbying organizations, defense companies, political groups and international organizations. The prevalence of the government, educational and healthcare sectors helps to somewhat shelter this region from any major economic interruptions; thus, the outlook for the market area remains fairly optimistic.

Convention centers often serve as a gauge of visitation trends to a particular market as they generate significant levels of demand for area hotels and serve as a focal point for community activity. Typically hotels within the closest proximity to a convention center - up to 3 miles away will benefit the most. In April 2003 the Walter E. Washington Convention Center was opened at Mt. Vernon Square with approximately 2.3MM feet of space. The subject property is located approximately 0.7 miles from the convention center, making it well positioned to benefit from any activities held at the center.

DSCR	N/A	2.40x	3.40x	3.54x	3.68x

As the Borrower is leasing the property from the U.S. Government, there is no traditional Property Tax assessed. Rather there is a Possessory Interest Tax that is assessed that is a percentage of net income. Prior to operations this tax is determined as a percentage of the value of the leasehold. For the above NOI this tax has been included in the Total Operating expenses line

The Borrower has provided projections for the first 4.5 years of operations. As the Borrower has projected a 2 year construction phase, the first full year of operations is projected to be in 2017. The interest rate during the Renovation Period is LIBOR + 2.0%, and drops to LIBOR + 1.75% when the Renovation Period is completed through the term of the facility. Debt Service is interest only during the Renovation Period and remains that way as long as the value determined by the appraisal provided by the Borrower at the end of the Renovation Period results in a Loan to Value of 75% or less. If the Loan to Value is between 75%-85%, the loan will require principal payments based on a 25 year amortization schedule until such time as the loan is paid down to a 75% LTV. If the appraised value of the property results in a LTV of greater than 85% the Borrower must pay down the principal of loan to a balance that results in a 85% LTV or less within 10 days of notice from the Lender. Due to the various scenarios possible at the end of the Renovation Period, we have shown both the principal and interest, and interest-only debt service tests based on the 10 year-swap rate of 2.93% + the max loan spread of 2.0% for an all in of 4.93%. Based on the Borrower's projections, the property should produce cash flow sufficient to service the debt beginning in the first year of operations and onward.

Sensitivity analysis

The financial projections presented provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPAR, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.15x would be measured through the NOI and interest rate.

- NOI – Based on the projected first year of operations in 2017, the NOI could be overstated by \$10.45MM (52%) or \$6.47MM (32%) before the DSCR covenant would be breached on an interest only and P&I basis, respectively.
- Interest Rate – Based on the projected first year of operations in 2017, the interest rate could increase by 5.37% to an all in rate of 10.30% or 4.27% to an all in rate of 9.20% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

US ONLY:

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBPWM (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

B) Trump International Hotel and Tower Chicago	\$168.7MM CBRE appraisal dated July 10, 2018. Ordered, reviewed and approved by CRM READ, Phil Ribolow	26.7%	\$45MM
C) Old Post Office, Washington, DC	\$229.5MM LW Hospitality Advisors appraisal dated January 1, 2017. Ordered, reviewed and approved by CRM READ, Phil Ribolow	74.1%	\$170MM

Collateral

- A) **Trump National Doral Golf Club** - The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa with guest rooms, 6 food venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport. Extensive renovations were completed in 2016, substantially increasing the value since origination. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors.
- B) **Trump International Hotel Chicago** - The Collateral Property consists of a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which are included as Collateral in addition to 38,000 SF of banquet space, a 23,000 SF spa, and a 285 space public parking garage. The 164 rooms that are owned by third parties ("Third Party Units") and the 7 previously held condos were sold a few years ago and removed from the collateral pool. The proceeds from those sales were used to pay down the principal balance of the Facility at that time. Planned renovations over the next 18 months include a rebranding of the main restaurant and lobby repairs.
- C) **Old Post Office Building and Annex** – Renovations were completed and the property opened with a temporary Certificate of Occupancy ("TCO") in September of 2016. A permanent Certificate of Occupancy ("C of O") was received February 2018 when all bell tower-related fireproofing requirements were resolved and the property is now fully operational. The Collateral Property consists of a full service hotel, including 250-270 hotel rooms (with specific safety measures and layouts in place for important political figures), approximately 65,000-75,000 SF of meeting, banquet, food and beverage, retail, the first spa branded by Ivanka Trump, fitness facilities, telecommunications facilities and an underground parking garage with approximately 100 parking spaces. Additionally, retail spaces have been leased to BLT Steak, Brioni Menswear, and Starbucks. Furthermore, an agreement with the National Parks Department allows separate access to the top of the bell tower, a historic element of the building that draws a large number of tourists. Additional commentary can be referenced in the appraisal, but the general conclusion is that the hotel, now operational for a few months, has already become one of the most elite hospitality establishments in Washington, DC.
- D)

Assets Under Management:	Money Market	Fixed Income	Business Checking	Personal Checking	Total
	N/A	N/A	N/A	\$358,098.70	\$358,098.70

Relationship/Facility Highlights/Changes Since Last Review:

- The Doral Resort in Florida recently concluded its 2nd year as a full service operation following its redevelopment. The property continues to receive positive reviews and its 2016 bank appraisal valuation (\$382MM) was corroborated by CRM READ's hotel and hospitality analysts in 2017 and Co-Star data more recently. The Guarantor continues to retain a 10% Guaranty level even though terms of the previously approved Tranche A note allow for no personal Guarantee if the LTV is below 35% (current LTV is 32.7%). Pricing was scheduled to increase to L + 2.00% without the Guaranty, but will remain at L + 1.75% with the 10% Guaranty level, which clearly strengthens the credit.
- As noted above, a final C of O was received for the Old Post Office in the first quarter of 2018 after a lengthy period with a TCO while bell tower fireproofing issues were resolved. The loan remains in the post development period (see below) and has recently completed its first full 12-months of operations, reflected in the cash flow documents supplied in conjunction with this annual review.
- The Old Post Office facility entered the "Post-Development Period" in January 2017 upon receipt of an updated Bank ordered appraisal and TCO. The facility's interest rate decreased from L+2.00% to L+1.75% at that time and has been unchanged since then.
- The Guarantor's personal net worth has decreased by almost \$219.3MM year-over-year due primarily to reduced liquidity and slightly diminished values in real estate equity and licensing.
- Protocol surrounding the relationship is supervised by the recently implemented Covered Client Policy and Business Risk. A variety of precautionary measures are in place to maintain confidentiality and any business decisions surrounding the relationship are handled by the Reputational Risk Committee in connection with the Guarantor's status as President of the United States.

Timeline of recent pertinent events

February 2018

- The final C of O to the OPO property was received. **Privileged - Attorney Client**

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

March 2018

- All property financial statements were received and reviewed. Financial metrics are all in line with required covenant compliance.

May 2018

- DB ordered an appraisal of the property securing the Wabash loan in line with current internal commercial real estate appraisal policies. The report was conducted by CBRE and reviewed by hospitality expert Phil Ribolow in CRM READ. The finalized value of \$168.7MM represents a \$35.7MM increase since April 2014.

Recommendation:

Approval of i) the Annual Review for Facility A (Doral), Facility B (Chicago), and Facility C (OPO).

All Facilities

- Financial Strength of the Guarantor** - The financial profile of the Guarantor includes a stated net worth of \$5.58 billion which remains well in excess of his \$2.5 billion minimum requirement even on an adjusted basis. The Guarantor maintains a strong unencumbered liquidity position of \$76MM, a decline from the previous year due political costs and reallocation of various assets.
- Operating Experience** – The Trump team's extensive experience in operating private golf/country clubs. His current portfolio includes 16 such clubs and his overall equity position in various CRE interests exceeds \$4.2 billion on a stated basis, in excess of \$2.1 billion on an adjusted basis.
- DB Relationship** – Although client's B/S restructuring centered around the Guarantors political status required the transfer of assets to entities and institutions outside DB. WM has had a long and satisfactory relationship.

Facility A

- The improvements and property stabilization are expected to continue to increase the value over the term of the Facility.

Facility A & B

- Leverage Levels required for Step-Down of the Guaranty** – Low LTVs of 33% and 27%. The LTV levels required for a decrease in the guaranty levels are now low enough to ensure that the loan is more than adequately collateralized, as evidenced by the current Facility A and Facility B, in which the Guaranty qualifies for elimination based on current appraised values, although Facility A's Guaranty remains in place on a voluntary basis.

Facility B

- Quality of the collateral and LTV** – The property is in the form of a luxury hotel building in downtown Chicago. Based on the latest appraisal completed, the Hotel collateral was valued at \$168.7MM based on a 2018 appraisal which results in a 26.7% LTV.
- In 2014, proceeds from the sale of the seven additional condo units originally pledged as collateral were applied toward the principal balance of the loan. The facility amount has fluctuated over the years given the Client's desire to pay down the loan upon condo sales, and later request increases to utilize equity for other real estate ventures. Originated at \$98MM, the loan was paid down to \$19MM in early 2014. Later in 2014, the facility was increased back up to \$73MM and has remained at \$45MM for the last few years.

Facility C

- Equity Injection of the Guarantor:** The Guarantor completed the required 20% Equity Investment prior to drawing on the \$170MM Facility.

All property financial covenants exceed minimum thresholds based on most current DSCR levels. The Guarantor's latest personal financials remain strong and he passes all required covenants.

Borrower Financial Covenants

Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.65x as determined and tested by Lender based upon a trailing twelve (12) month basis.

Guarantor Covenants

Guarantor shall maintain unencumbered liquidity at all times of at least \$5MM with at least \$5MM to be maintained with the Lender.

Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities).

Guarantor shall maintain a minimum net worth of \$250MM excluding the value related to the Guarantor's brand

Reporting Covenants

Yearly/December: Business Financial Statements, which include Borrowers balance sheet, operating income, operating expense statements and compliance certificates

Yearly/December: Guarantor personal financial statement and annual schedule of Contingent Liabilities.

Borrower Financial Covenants

Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.35x as determined and tested by Lender based upon a trailing twelve (12) month basis.

Guarantor Covenants

Not Applicable: (Current 0% Level of Guarant based on LTV)

Reporting Covenants

Yearly/December: Business Financial Statements, which include Borrowers balance sheet, operating income, operating expense statements and compliance certificates

Yearly/December: Guarantor personal financial statement and annual schedule of Contingent Liabilities.

Borrower Financial Covenants

At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSCR") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant to be tested annually beginning with the first full calendar year commencing four (4) years after the Closing Date

Guarantor Covenants

During the Redevelopment Period

Guarantor shall maintain unencumbered liquidity at all times of at least \$50MM with at least \$20MM to be maintained with the Lender.

Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities).

At all times during the term of the facility Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor's brand

Reporting Covenants

Yearly/December: Business Financial Statements, which include Borrowers balance sheet, operating income, operating expense statements and compliance certificates

Yearly/December: Guarantor personal financial statement and annual schedule of Contingent Liabilities.

Endeavor:

Actual DSC = 3.33x:

Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.65 to 1.00 as determined and tested by Lender based upon a trailing twelve (12) month basis.

Wabash:

Actual DSC = 1.26x

Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.25 to 1.00 as determined and tested by Lender based upon a trailing twelve (12) month basis. DSCR test is 1.25x per the 2014 loan amendment

All Guarantor and property financial covenants analyzed above are in compliance as of the most recently supplied financial statements. This includes the Guarantor's additional debt limitations.

Loan A – Trump Endeavour 12, LLC

Type/Facility Amount:	\$125,000,000 Commercial Real Estate Facility fully secured by a mortgage on Trump National Doral Golf Club, as evidenced by (i) a Secured Tranche A Note in the principal amount of \$106,000,000 ("Secured Tranche A Note"), and (ii) a Secured Tranche B Note in the principal amount of \$19,000,000 ("Secured Tranche B Note").												
Purpose:	Acquisition of the collateral property.												
Maturity:	Tranche A & B: 8/11/2023												
Financial Documentation Covenant	Compliant . All property financial covenants exceed minimum thresholds based on most current DSCR levels.												
Repayment:	Interest only with a balloon at maturity. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, subject to any cost associated with breakage of a LIBOR or SWAP contract.												
Interest Rate:	Tranche A & B: L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10% (see discussion above concerning existing Guaranty level/pricing).												
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months												
Fees:	1.00% of Facility Amount has been paid and a remaining fee of \$144M was paid concurrently with converting the loan to a fully secured \$125MM facility and extending Tranche B's maturity to 8/11/2023 (from 8/11/2015).												
Guaranty Type:	<p>Guarantee level analysis is based on a 32.7% LTV. The Guarantor has requested to retain a 10% Guaranty level, although terms of the previously approved Tranche A note allow for no personal Guarantee if the LTV is below 35%. As outlined below, the Guaranty level at or below a 35% LTV was originally contemplated to be 0%, at which time pricing was scheduled to increase to L + 2.00%. Retaining a 10% Guaranty level clearly strengthens the credit.</p> <p>As per the loan documents, any reduction in such Guaranty Levels will be considered permanent, unless the Guarantor elects to increase the Guaranty Level for purposes of curing any shortfalls in accordance with the LTV requirement. The Guarantor's latest personal financials remain strong and he passes all required covenants.</p> <table border="1" data-bbox="821 1359 1141 1661"> <thead> <tr> <th>Max LTV</th> <th>Guaranty Level</th> </tr> </thead> <tbody> <tr> <td>85%</td> <td>100%</td> </tr> <tr> <td>65%</td> <td>40%</td> </tr> <tr> <td>55%</td> <td>20%</td> </tr> <tr> <td>45%</td> <td>10%</td> </tr> <tr> <td>35%</td> <td>0%</td> </tr> </tbody> </table>	Max LTV	Guaranty Level	85%	100%	65%	40%	55%	20%	45%	10%	35%	0%

JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Loan B – 401 North Wabash Venture, LLC	
Type/Facility Amount:	\$45,000,000
Purpose:	Original proceeds were used to refinance the existing construct to perm facility. Subsequent proceeds were used to provide working capital for business purposes.
Maturity:	6/1/2024
Collateral Property:	A first mortgage lien and first priority security interest in the commercial component ("Hotel Collateral") of the property consisting of, but not limited to, (a) a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which are not included as Collateral and 164 rooms that are owned by third parties ("Third Party Units") and which are not included as Collateral, (b) approximately 38,000 SF of banquet space, (c) a 23,000 SF spa, and (d) a 285 space public parking garage, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets.
Maximum Advance Rate:	Shall not exceed 60% of the "as is" appraised value of the Hotel Collateral.
Mandatory Repayment:	As the principal amount of the Facility is now \$45MM, no further on-going principal payments are required.
Interest Rate:	L + 2.00%
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months
Fees:	0.75% of the Original Facility Amount was paid at closing
DSC Covenant:	Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.25 to 1.00 as determined and tested by Lender based upon a trailing twelve (12) month basis. All property financial covenants exceed minimum thresholds based on most current DSCR levels.
Guaranty:	<p>NA – Donald Trump's personal guaranty has been eliminated due to the fact that the Facility LTV is below the 35% threshold. Based on the latest appraisal completed, the Hotel collateral was valued at \$168.7MM which results in a 26.7% LTV.</p> <p>Note the loan documentation identifies the Guaranty reduction as a permanent event, meaning appraisals that are completed going forward will not change the Guaranty level, regardless of their value.</p>

Loan C – Trump Old Post Office	
Facility Amount:	<p>\$170,000,000</p> <p>➤ <i>Post Redevelopment Period</i> – the Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency caused by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification.</p>
Facility Type:	<p>Multiple-draw construction loan facility with (i) interest only payable during the Redevelopment Period, and (ii) during the Post Redevelopment Period <i>that is now in effect</i>, either: (a) interest-only at any time the loan-to-value (the "LTV") is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%.</p> <p>➤ <i>Post Redevelopment Period</i> – the period from the end of the Redevelopment period to the Facility maturity date.</p> <p>The Post Redevelopment Period began in January of 2017, triggered by the appraisal and TCO. Note that despite having received the final C of O, the loan continues to be categorized as a construction loan/other secured rather than a standard CRE facility as it does not meet amortization requirements per Regional Finance and regulatory guidelines.</p>
Purpose:	Borrower converted Property from an office building with retail to a 250-270 room luxury hotel (please see project description below).
Property:	The Old Post Office Building and Annex located at 1100 Pennsylvania Avenue, Washington DC 20004.

 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Maturity:	8/11/2024
Collateral:	The Facility is secured by (i) a first mortgage lien on Borrower's leasehold interest in (x) the Property and (y) all improvements thereto, (ii) security interests in and, to the extent assignable and as applicable, assignments of Borrower's interest in all permits licenses, lease, contracts, agreements, operating accounts, receivables etc. and (iii) Borrower's interest in other customary ancillary collateral relating to the Property
Repayment:	Currently interest only unless LTV covenant of 75% is breached The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.
Interest Rate:	1) Post Redevelopment Period and upon delivery of appraisal indicating an LTV of less than or equal to 70% - LIBOR plus 1.75% or, at Borrower's option, the Prime Rate minus 0.25%. Borrower shall have the right to deliver such appraisal, acceptable to Lender, at any time during the Post Redevelopment Period.
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months with a maximum of (5) LIBOR contracts outstanding at any time and no LIBOR contract to be permitted for loans less than \$1,000,000 at any time.
Fees:	0.50% of Facility Amount paid at closing.
DSC Covenant:	➤ <i>Post Redevelopment Period</i> – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSC") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant tested annually beginning with the first full calendar year commencing four (4) years after the Closing Date.
Maximum LTV:	➤ <i>Post Redevelopment Period</i> – The Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency cause by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification.
Guaranty:	Donald J. Trump will provide a full and unconditional guarantee of: (i) principal and interest due under the facility, (ii) swap breakage costs, (iii) operating shortfalls of the Property until the end of the Shortfall Coverage Period and (iv) a completion guaranty, guaranteeing the lien-free completion of the Project acceptable to Lender, as evidence by, among other things, one or more temporary or final certificates of occupancy or their equivalent, architects certificate and appropriate lien waivers, each reasonably acceptable to Lender. The Guarantor's latest personal financials remain strong and he passes all required covenants.
Guarantor Covenants:	<ul style="list-style-type: none"> ○ Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Doral and Chicago facilities). ○ Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor's brand.

Swap Agreement:	<p>Borrower shall have the option to purchase interest rate protection in the form of a swap, reasonably acceptable to Lender, and secure related credit exposure (the "Swap Exposure") through the mortgage for the Facility. Borrower shall have the option to purchase this swap at closing or at any time during the loan term, and the term of such swap agreement does not have to be coterminous with the loan. Borrower shall have the option to purchase this swap from Lender or any other party; <u>provided, however</u>, if such swap is not provided by Lender or any of its affiliates, such swap obligation shall not be secured by any assets of Borrower.</p> <p>During the Redevelopment Period the Borrower or Guarantor shall be required to post cash collateral within in three (3) business days' notice from the Lender, should at any time the actual mark-to-market amount exceeds the defined Threshold Amount plus the MTA. At such time, the minimum amount of cash collateral to be posted shall be equal to the difference between the actual mark-to-market and the Threshold Amount.</p> <p>During the Post Redevelopment Period the Borrower shall not be required to post any additional cash collateral and any related Swap Exposure will remain secured by the mortgage. Any cash collateral related to the Swap Exposure, in accordance with the term in effect during the Redevelopment Period, shall be released upon receipt of the Initial Appraisal to the extent such Swap Exposure plus the principal amount outstanding under the Facility does not exceed 85%. Once such cash collateral is released the Borrower will have no further obligation to post any additional cash collateral during the Post Redevelopment Period.</p> <p><i>Threshold Amount</i> - shall be equal to \$10,000,000 minus the Independent Amount. <i>Minimum Transfer Amount ("MTA")</i> – shall be equal to \$250,000. <i>Independent Amount</i> – shall be equal to 5% of the notional amount of the Swap.</p> <p>Currently the swap has not been drawn</p>
------------------------	---

Repayment Sources																
Facility A																
➤ Primary Source of Repayment: Refinancing of the Collateral Property.																
➤ Secondary Source of Repayment: Cash flow from Resort is now stabilized. The Resort satisfactorily serviced its principal and interest based on a 25-year amortization schedule during 2017 with a 3.33x DSC ratio.																
➤ Tertiary Source of Repayment: When the LTV is above 65%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently (Guarantor's current Guaranty level is 10%).																
Facility B																
➤ Primary Source of Repayment: Cash flow generated by the Hotel Collateral.																
➤ Secondary Source of Repayment: Refinancing the Hotel Collateral property.																
➤ Tertiary Source of Repayment: Sale of the Hotel Collateral property.																
Facility C																
➤ Primary Source of Repayment: Refinancing of the Collateral Property. Applying a 10.00% discount rate and an 8.00% terminal capitalization rate to the subject's projected income stream, the indicated value of the leasehold interest in the subject property upon completion of construction is \$229.5MM, or \$873,000 per key, per the most recent appraisal dated January 18, 2017.

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/17. Receipt of the 6/30/17 financial statement sufficiently satisfied the Guarantor's reporting requirements.

Guarantors – Financial Summary: Although all three Facilities are secured by Collateral, given the nature of these credits, the credit exposure continues to be recommended for support based on the financial profile of the Guarantor (or the ability to rely once again on the Guarantor if collateral values dropped and LTVs increased). As part of this underwriting we held many conversations with the CFO of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantor's financial statements.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2013 (Client Reported)	DJT 6/30/2014 (Client Reported)	DJT 6/30/2014 (DB Adjusted)	DJT 6/30/2015 (Client Reported)	DJT 6/30/2015 (DB Adjusted)	DJT 6/30/2016 (Client Reported)	DJT 6/30/2016 (DB Adjusted)	DJT 6/30/2017 (Client Reported)	DJT 6/30/2017 (DB Adjusted)

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

- **Liquidity** – The Guarantor reports liquidity of \$76.0MM as of 6/30/17 consisting of funds in Mr. Trump's name personally and various entities that Mr. Trump controls. The client reported balances declined from the prior year, with fluctuations in 2017 due to additional political and legal costs. These fluctuations in liquidity contributed to the slight decrease in the Guarantor's overall net worth. There were no material CRE or other business acquisitions.
- The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. An updated value of the outstanding deposits held in escrow as of the 6/30/2017 financial statements is \$24.6MM. Since 6/30/13, the total life-to-date balance of such deposits collected across the clubs owned by the Guarantor was approximately \$250MM, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantor's liquidity.
- **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/30/17 which reflects the Guarantor's four wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties under real estate licensing agreements. DB adjustments for each of these properties are discussed below.
- **Net Worth** – The Guarantor's reported net worth has decreased by about \$219MM, largely in part to reduced liquidity and slightly diminished values in real estate equity and licensing. It should also be noted that the Guarantor has reallocated various assets on his balance sheet given his status as President of the United States. The DB adjusted calculation of the Guarantor's balance sheet does not include any valuation for his brand, which has received a 100% haircut.

Partial Breakdown of four Trophy Properties (excludes various properties including DB facilities):

Property Type	DJT Valuation	DB Valuation	% Difference/ Haircut	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$639.4	\$349.20	45.5%	\$100.0	\$539.4	\$249.2
Niketown – East 57 th St	\$432.6	\$162.23	62.5%	\$0	\$432.6	\$162.23
40 Wall Street	\$702.1	\$477.43	32%	\$152.4	\$549.7	\$325.03
Trump Park Ave	\$171.0	\$117.65	31.2%	\$10.5	\$160.5	\$107.15
Subtotal – 4 Trophy Properties	\$1,945.1	\$1,106.5	56%	\$262.9	\$1,682.2	\$843.61
Club Facilities	\$2,159.7	\$1,157.6	46.4%	\$143.4	\$2,016.3	\$1,014.2
Other Property Interest	\$318.1	\$251.3	21.0%	\$11.0	\$307.1	\$240.3
Total – Portfolio	\$4,392.1	\$2,515.4	57.2%	\$477.3	\$4,005.6	\$2,098.11

- **Four Trophy Properties** – The valuations for each of these properties were previously discussed with DB Valuation Services Group ("DBVSG") who advised on adjustments for each (these reviews have not been updated recently).
 - **Trump Towers** – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/17 the property had associated debt of approximately \$100MM. The loan is non-recourse and matures in 2022. The most recent 6/30/17 financial statement values the property at \$639.4MM resulting in a ~15% LTV.
 - **Niketown** – The Guarantor is the lessee with respect to two long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services; however, Nike recently vacated the space (March 2018) and plans to open a nearby store on Fifth Ave. in November 2018. The current lease is not scheduled to expire until May 2022 as Nike exercised its right to extend in 2017. SL Green has reportedly assumed the lease from Nike and will either sublease to a new retail tenant or let the lease expire. The space includes 65,000 square feet of retail space. Based on sq. foot assumption DBVSG previously indicated an adjusted value of \$146.1MM. The resulting 62.5% haircut has been maintained for a DB adjusted value this year, resulting in a \$162.23 estimated valuation. Financing on the space is in the form of long-term bonds for a total of \$11.54MM (a 3% LTV based on a \$369.6MM valuation) which were scheduled to fully amortize by June 1, 2017 and have been confirmed to be now fully paid off.
 - **40 Wall Street** – The 72 floor tower consists of 1.3MM SF in premier office space. Based on a SF assumption DBVSG indicated an adjusted value of \$541.6MM. The resulting 32% haircut has been maintained for a DB adjusted value this year, resulting in a \$477.43 estimated valuation this year. The existing debt in the amount of \$152.4 was recently refinanced and matures on July 2025.
 - **Trump Park Avenue** – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space and has a reported value of \$171MM. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/17, had an outstanding balance of \$10.5MM (a 6% LTV) and matures 8/1/20. Based on prior discussions with DBVSG we elected to take an approximate 68% haircut on the reported value.
- **US Club Facilities** – The Guarantor wholly owns interests in 13 domestic private club facilities having a combined stated market value of approximately \$2,159.7MM which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in Los Angeles, CA; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump Golf Links at Ferry Point, Bronx, NY; Trump

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia, PA; Trump National Doral in Miami, FL; Trump National Golf Club in Charlotte, NC; and Trump National Golf Club in Jupiter, FL.

- **European Golf Clubs** – The Guarantor wholly owns interests in 3 European golf club facilities which include Trump International Golf Club in Scotland, Aberdeen; Trump Turnberry, South Ayrshire, Scotland; Trump International Golf Links Ireland, Doonbeg.
- **Other Property Interest** – consists of wholly owned interests in Trump Old Post Office, The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors four Trophy Properties, based on discussion with the DB Valuation Services team.

It should be noted that as of 6/30/17, the Guarantor has continued not to include the value of the Trump Chicago International Hotel & Tower in his financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be further noted that on 11/9/12, DB provided the Guarantor with a \$98MM bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago (Facility B). Since closing, the Facility has been paid down to \$19MM, increased in 2014 to \$73MM, and paid down again to \$45MM, as further discussed in the Facility B section of the subject annual review.

➤ **Partnership and Joint Ventures -**

- **1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA** – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7MM leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$1,195.8MM is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Trump International Hotel and Tower – Las Vegas, Nevada** – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$102.7MM is after the current mortgage debt of \$19.54MM, with final maturity of 10/1/2021 (recently extended from 2017). For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- **Trump Old Post Office – Washington, DC** – Entities wholly owned by Mr. Trump and family members own 100% of the entity that has entered into a long-term ground lease with the GSA of the US Government. The Trump Organization converted the historic Old Post Office Building into a luxury hotel that has now been fully operational for 12+ months. Additional details are discussed below under Facility C.

- **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$246MM was based on situations which have evolved to the point where signed arrangements with other parties exist and fees and other compensation which he will earn are reasonably quantifiable. Entities wholly owned by Mr. Trump had previously pledged \$4.3MM of these fees, all of which has since been repaid as of July 2017. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

- **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville, Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date and contract rights with regards to future performances on television. It should be noted that previously the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report indicated a brand value in the range of \$2.8 billion to \$3.0 billion last year while no such valuation has been provided this year. As always, for purposes of our financial analysis, we continue to assume no value for the Trump brand.

- **Contingents** – as of 6/17/17 DJT's gross contingent obligations were reported to be \$330MM, which included: a) the \$125MM in support provided under the Doral credit facility (Facility A) with WM (in actuality Mr. Trump is not currently obligated to provide any Guaranty on this amount based on the low LTV, but he has voluntarily agreed to leave a 10% Guaranty in place, i.e. \$12.5MM, but reports the full \$125MM obligation); b) \$20MM on a limited guarantee for the \$156.5MM commercial mortgage on 40 Wall Street extended by Capital One; c) \$170MM on Trump Old Post Office (Facility C); d) various other projects and CRE holdings as reported on his personal financial statement.

- **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which is generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2017:

- *Real Estate* – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section.
- *Entertainment* – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. It is unclear to what degree this source of cash flow will continue. Although Mr. Trump owns the rights to "The Apprentice", it is unlikely to return to television in the near future.
- *Clubs* – represents distributions generated through the portfolio of 16 Clubs which are wholly owned by the Guarantor.
- *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements.
- *Non-Operating Revenue* – No non-operating cash flow was reported for 2016-2017. Prior years, non-operating revenue consisted of tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time items.
- *Investment Income* – represents interest and investment income on cash and marketable securities.
- *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements.
- *Uses of Cash* – primarily utilized for acquisition of resorts/golf clubs/aircraft.
- *Political Expenses* – first reported for the 2015 reporting year, tied to the Guarantor's successful election campaign for US President.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$45MM on Chicago and \$170MM OPO) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 2 out of 4 of the unsecured

Credit Report – Structured

ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt, however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Note: Although cash flow has oftentimes been negative over the last few years, this is expected to improve as the Doral and OPO construction projects are now complete and political expenses should stabilize.

Property Description/Project Overview - Facility A - Trump Endeavor 12 LLC

The Collateral property consists of a 622 acre golf resort and spa that includes four tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, six food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within eight miles or 15 minutes from Miami International Airport.

The Borrower completed extensive renovations in 2016 as evidenced by the recently received appraisal. The renovations substantially increased the property value to \$382MM based on a bank ordered appraisal in 2016. The value was verified as still reliable by DB Hospitality expert Phil Ribolow in 2017. Co-Star data, showing strong demographics in the subject property location, is available for 2018.

The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work included painting, lighting and landscaping. Guest rooms have undergone a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been completely redesigned to maximize and upgrade the space and improve the finishes. These improvements will help support and drive an increase in the number of dues-paying members. After the complete renovation of 72 holes of championship golf across four courses during 2013, recent golf course renovations were primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The original loan proceeds were used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

The Borrower completed the renovation in phases as the resort remained operational throughout said renovation, although with significantly reduced room availability and additional sections closed as necessary. With the work completed and positive reviews continuing to hit the marketplace, occupancy and rates are expected have been steadily growing, a trend that is expected to continue.

Property Performance – Facility A - Trump Endeavor 12 LLC

Property Level Financials:

In thousands	Year End 2017 Actual	Year End 2016 Actual	Year End 2015 Actual	Year End 2014 Actual	Year End 2013 Actual	Year-End 2012 Actual

Actual Debt to EBITDA	9.88x	10.74x	9.03x	N/A	4.78x	10.25x

Actual DSC = 3.33x:

If at any time the DSC covenant is breached when the Guaranty Level is > 0%, the Borrower must provide an acceptable appraisal to the Lender, at Lender request, confirming the LTV. If the LTV is above the Max LTV for the Guarantor Level in place, the Borrower has the option to (i) pay down the loan or post additional collateral to bring the loan back into compliance or (ii) increase the Guaranty Level correspond to the updated LTV. At any time the Guaranty Level is 10% the DSC Covenant will step-down to 1.65x, however, any breach thereafter will be trigger an Event of Default without requiring a new appraisal.

JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

2017 Current Year Rent Roll			
Principal	\$125,000,000	NOI	12,641,032
amort schedule	30	DSC	1.74
		2017	
		Revenue	\$ 74,665,512
		Expenses	\$ 62,024,480
		NOI	\$ 12,641,032
spread	1.75% Spread		
monthly PMT	(\$604,654)		
annual DS	(\$7,225,855)		
DEBT YIELD	10.11%		

In addition to room revenue, golf round and greens fees are forecast to increase at an accelerated rate substantially over the next five years. Although these figures are included in the overall NOI discussion, it is important to highlight the benefit received from the course renovations. On a fiscalized basis, the following represents golf and membership forecast summaries through 2020/21:

2018/19: \$28,218,876
 2019/20: \$29,720,497
 2020/21: \$31,012,338

Occupancy and average daily rate are also expected to grow significantly over the coming years. Note that the ADR for 2016 projected below was almost exactly in line with the actual ADR provided by the client. See below:

Subject's Projected ADR Summary

Year	ADR Growth	Projected ADR
Positioned ADR (2015)		\$216.97
2016 Partial Year (2 Months)	4.0%	\$218.42
3/1/2016 - 2/28/2017	6.9%	\$233.52
3/1/2017 - 2/28/2018	6.9%	\$249.71
3/1/2018 - 2/28/2019	5.6%	\$263.61
3/1/2019 - 2/29/2020	3.9%	\$273.95

Although the occupancy rate declined from 73% in 2013 to 34% in 2014 due to the expansive renovations that occurred throughout 2014, the DSC figures, along with occupancy and ADR growth indicate the property is stabilizing and starting to perform under normal operating conditions. This is enhanced by the benefits that come with a newly renovated facility. Figures should continue to improve per projections as the property is fully operational and the Miami tourism business continues to grow.

Property Description/Project Overview – Facility B

Facility B - The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009.

The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral originally consisted of 175 developer owned units "condo units" as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. As all of the Condo units have been sold and our loan subsequently reduced, our existing collateral currently consists solely of the hotel/commercial components of the building.

Property Performance/Financial Analysis – Facility B

Hotel Collateral

The hotel property is divided into 3 general sections, the commercial areas including the hotel rooms, spa, restaurants, banquet rooms and parking, the 175 sponsor- owned units (no longer part of our collateral) and 164 privately owned third party units (also no longer included as Collateral).

With regards to the third party units no longer part of our collateral, the private owners had the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is

Credit Report – Structured

the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursable line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-2016:

	12-Mo Ending 12/31/2010	12-Mo Ending 12/31/2011	12-Mo Ending 12/31/12	12-Mo Ending 12/31/13	12-Mo Ending 12/31/14	12-Mo Ending 12/31/15	12-Mo Ending 12/31/16	12-Mo Ending 12/31/17

*Equivalent to 8% stressed rate which is significantly higher than current rates

[^]Actual Debt Service/Interest Expense

Occupancy Rate/Net Operating Income – Although occupancy trends since 2010 rates improved from 61.7% to 74.5% in 2015, driven primarily by the continued improvement in the economy and growing popularity of the Property location, reservations at the subject property were down almost 30% in 2016 and another 3% in 2017. Consequently, the NOI has shown a decreasing trend. For this reason, a new appraisal was ordered and discussed below.

An appraisal was performed by CB Richard Ellis, dated as of June 16, 2018 which indicated an "As Is" value of \$168.7MM and "Stabilized" value as of June 2021 of \$204.1MM. Phil Ribolow, Hotel and Hospitality expert in CRM REV, reviewed the appraisal and indicated his approval of the analysis and final valuation. The valuation represents an approximate \$35MM increase over the last appraisal completed in April 2014. Despite a decreasing NOI trend at the property over the last few years, its location and quality supersede any brand issues, obstacles created by nearby protestors (of the Guarantor's policies as President of the United States), competition, and a sluggish convention pipeline in Chicago, etc., especially with regard to any sale to an independent party.

- ADR/ Rev Par – the improvement in Occupancy Rates has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 17% and RevPar has increased 31%. Both of these indicators are well above the average ADR of \$311.16 and RevPar of \$236.68 for the subject's competitive set of hotels in Chicago. Per the appraisal provided, for full service hotels in the Chicago Metro area, ADR was anticipated to increase 1.8% in 2017.
- DSCR – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio requirement of 1.26x on an actual rate/interest only basis as specified in the loan documents.

Projected Financial Results

OCCUPANCY, ADR, & ROOMS REVENUE CONCLUSIONS

Fiscal Year Ending 5/31/	2019	2020	2021	2022
Avg. Available Rooms	339	339	339	339
Annual Room Nights	123,735	124,074	123,735	123,735
Occupancy	63%	65%	69%	72%
Occupied Rooms	77,953	80,648	85,377	89,089
ADR	\$379.97	\$395.17	\$414.92	\$427.37
RevPAR	\$239.38	\$256.86	\$286.30	\$307.71
RevPAR Growth		7.3%	11.5%	7.5%
Total Rooms Revenue	\$29,619,557	\$31,869,329	\$35,424,990	\$38,074,163

- Occupancy Rate - assumes the economy continues to recover and the Property continues to realize the increasing growth in demand based on growing popularity of location, improved convention corporate needs, and stabilization of any political issues facing the Brand. The projected occupancy growth goes from 63% to 72% through 2022.
- ADR/ Rev Par – shows continued growth during the period with ADR increasing from \$379.97 to \$427.37 and estimates of a 25% increase in RevPar through 2022.

Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.25x would be measured through the NOI and Interest Rate.

- NOI – Based on the 12/31/17 FY Actual results, the NOI could decrease by approximately \$100M before breaching the DSCR covenant of 1.25x

Property Description/Project Overview – Facility C

The iconic and historic Old Post Office in Washington, DC opened in 1899 as the Headquarters of the US Postal Service. Its grand architecture was designed to announce Pennsylvania Avenue's arrival as America's Main Street. The 441,000 SF building is the second-tallest in Washington D.C. (next to the Washington Monument) and is home to the historic Congress Bells and an observation tower.

The Trump Organization (Trump) was selected by the US General Services Administration (GSA), to renovate Washington DC's historic Old Post Office Building (OPO) located on Pennsylvania Avenue and 12th Street just southeast of the White House. Construction was completed 2-years ahead of schedule and the property opened in September of 2016. The property contains 263 guestrooms and suites, 38,300 square feet of meeting space, two food and beverage outlets (BLT is the flagship restaurant with a high-end sushi restaurant to come on as the second food establishment), a spa (the first spa to be branded by Ivanka Trump), a fitness facility, valet parking in an on-site underground garage, and roughly 3,000 square feet of leased retail space (Brioni & Starbucks). The site also contains the largest ballroom in Washington, DC (13,000 SF).

The Borrower has executed a 62+ year ground lease with 2 additional 20-year options with the GSA for the OPO, this process included a year-long concept review through the Section 106 process with all relevant stakeholders, including the Commission of Fine Arts, National Capital Planning Commission, DC State historic Preservation Office and General Services Administration. The full renovation budget was \$215MM+ and the Borrower deployed its 20% equity (the "Defined Equity Amount") prior to the Lender's funds being released through monthly draws starting in late 2015. Disbursements of the Borrower's \$170MM line occurred throughout 2015 and 2016. The entire \$170MM line was disbursed by the end of 2016 and the property was awarded a TCO. In conjunction with final appraisal ordered in January of 2017, the Client triggered the end of the "Redevelopment Period" and the "Post-Development Period" started as of January 18, 2017.

In February 2018 a final C of O was issued, wrapping up any outstanding items on the project.

Privileged - Attorney Client

Privileged - Attorney Client

A January 2017 appraisal completed on behalf of the Bank indicated the following breakdown in values:

1) As Is Final Value Estimates

Investment Value \$229.5MM, or \$873M per key

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

2) Hypothetical As Is Market Value of \$237.5MM, or \$903M per key
As Complete Final Value Estimates

3) Prospective Stabilized Value of \$274.5MM, or \$1.04MM per key

The report valuations require hypothetic assumptions given the lack of historical cash flow at the property. The report was reviewed and approved internally and lead to the following LTV conclusions:

Collateral	Market Value	Loan to Value
C) Old Post Office, Washington, DC	\$229.5MM <i>As Is Investment Value</i> (LW Hospitality Advisors appraisal dated January 1, 2017, ordered and reviewed by CRM READ, Phil Ribolow)	74.1%

As mentioned, the finalization of the appraisal detailed above allowed the Post-Development period to begin, as requested by the Borrower on January 18, 2017. Patrick Harris was notified of this change as to how the loan is categorized via an email memo sent on March 21, 2017. The memo stated, in part:

"The Libor spread on loan number 01563340 (secured by a ground lease on the Old Post Office Building in Washington DC) is also being reduced by 25bps, as stipulated in the Loan Agreement dated August 12, 2014, when the post development appraisal has been accepted by the Bank resulting in an explicit loan to value (see below), and the Temporary Certificate of Occupancy has been issued. Both stipulations have been met, as confirmed by DB and Loeb and Loeb. The resulting loan to value is currently is 74.2%, per the latest appraisal reviewed and accepted by the Bank on January 18, 2017. DB maintains the right to reappraise the property on an annual basis at our expense."

In Q2 2018, preliminary income figures, representing a full 12-month period of being fully operation, were supplied and used to confirm covenant compliance. The resulting NOI (incorporated in to the chart below) results in a 1.54x DSC ratio.

First year ADR and RevPar numbers also indicate the following for FY 2017:

ADR = \$545

RevPar = \$271

Occupancy = 49.72%

Members of the Banking and Lending team visited the property in December 2016 upon its completion. The site visit reaffirmed the high standard of construction and operational management in place at the site.

Highlights include:

Accommodations – The Hotel's guest rooms and suites are nearly 20% larger than the average rooms offered by the Hotel's competitive set (Four Seasons, The Ritz-Carlton Georgetown, The Ritz-Carlton DC, Mandarin Oriental and the Hay-Adams), a major point of differentiation with transient business and leisure guests. The Borrower believes the differentiated product will fill a void in the marketplace for premium rooms and attract embassy and delegation stays at premium nightly rates.

Meeting & Banquet Facilities - With more than 39,100 SF of event space on two dedicated levels including a 13,000 SF Grand Ballroom and several meeting/function rooms, the Hotel has DC's largest luxury meeting space and largest Grand Ballroom in the aforementioned competitive set. Combined with the Hotel's well-appointed amenities, prime location and personalized services; the Borrower feels the OPO will be well positioned to capture the top events in Washington, DC.

Retail – Each year millions of people visit the area surrounding the OPO including 236,000 annual visitors to the Clock Tower located inside the OPO. Nearby attractions include the White House, the National Mall, the DC Convention Center and the OPO, all of which generate significant foot traffic and spending in Downtown DC. The Borrower feels that the Hotel's central location within a high concentration of wealth, premium office buildings and cultural institutions will attract the best retailers.

Food & Beverage - The Hotel features four food and beverage outlets, including a grand bar, as well as in-room dining and a Starbucks location. The two main restaurants include BLT Prime by David Burke and a high end sushi restaurant.

The Spa at Trump - The Hotel features a 5,000 SF signature Spa at Trump offering an array of spa offerings including massages, facials, relaxation programs and beauty treatments.

Parking - The Hotel provides ~120 spaces on one level of underground parking, accessible by valet. Parking in that area is scarce and hotels command a premium over neighborhood garages. Hotels near the OPO with less luxurious accommodations are able to charge \$47/day.

Location and Market Overview – Facility C

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

The subject property is located in Washington, D.C. between the White House and the U.S. Capitol Building on Pennsylvania Avenue. Washington, D.C. is a cosmopolitan city rich in monuments, museums and culture. As the nation's hub of political affairs, the city is the center of governmental action and policy. From Capitol Hill to Embassy Row, the National Mall and historic Georgetown, Washington, D.C. also boasts a diverse concentration of national and international organizations and associations. Furthermore, a number of major universities, educational agencies, and museums – including Georgetown University, George Washington University, Howard University, Catholic University, American University and the Smithsonian Institution are located within the District of Columbia.

The federal government and all of the public and private institutions which support it, form the biggest industry sector in the Washington, D.C. region. While the government sector accounts for approximately 31% of total employment, the government serves as the catalyst for virtually all of the economic activity in the greater Washington area including the operations of hundreds of private sector firms, associations, trade unions, law firms, lobbying organizations, defense companies, political groups and international organizations. The prevalence of the government, educational and healthcare sectors helps to somewhat shelter this region from any major economic interruptions; thus, the outlook for the market area remains fairly optimistic.

Convention centers often serve as a gauge of visitation trends to a particular market as they generate significant levels of demand for area hotels and serve as a focal point for community activity. Typically hotels within the closest proximity to a convention center (up to 3 miles away) will benefit the most.

Projected Financial Analysis Property Performance - Facility C

The Trump International Hotel is a full-service, luxury hotel property located along Pennsylvania Avenue in the heart of the Federal Triangle Historical District of Washington D.C. The improvements are in excellent overall condition and are above average for the location in regards to improvement design and layout, as well as interior and exterior amenities which are commensurate with luxury hotel operations in Washington D.C. The property's location within the Old Post Office Building, which houses the Clock Tower Observation Deck, the second highest viewing point in Washington D.C., is considered to be a significant competitive advantage. The property is located in a central neighborhood, less than one mile from the U.S. Capitol and White House. The surrounding area contains an abundance of dining and retail options, as well as various private and government offices. Overall, there are no known adverse factors pertaining to the property's marketability, and the luxury hotel is expected to be positioned competitively within its intended demographic.

Year End 2017 Figures:

- Borrower's Operating Income for such period is \$51,877,390[A].
- Borrower's Operating Expenses for such period is \$44,312,009 [B]
- Borrower's Net Operating Income ([A] minus [B]) is \$7,565,381[C].
- Borrower's debt service expense under the Agreement for such period is \$4,908,855[D].
- Accordingly, Borrower's Debt Service Coverage Ratio for such period ([C] divided by [D]) is 1.54 to 1.00.

	2018 Projected	2019 Projected	2020 Projected
Occupancy Rate	72%	72%	72%
ADR	\$710.00	\$738.40	\$764.77

Cash Flow available for Debt Service			
	\$28,501	\$29,654	\$30,849
Projected Debt Service (P&I, based on the 10-year swap + 200 bps) 4.93%	\$11,843	\$11,843	\$11,843
DSCR	2.41x	2.50x	2.60x
Projected Debt Service (I/O, based on the 10-year swap + 200 bps) 4.93% all in	\$8,381	\$8,381	\$8,381
DSCR	3.40x	3.54x	3.68x

As the Borrower is leasing the property from the U.S. Government, there is no traditional Property Tax assessed. Rather there is a Possessory Interest Tax that is assessed that is a percentage of net income. Prior to operations this tax is determined as a percentage of the value of the leasehold. For the above NOI this tax has been included in the Total Operating expenses line.

As illustrated above, the Borrower has provided projections for the next 3 years of the property's operation. Debt service is interest only and remains that way as long as the value determined by the appraisal continues to result in a Loan to Value of 75% or less. If the Loan to Value is between

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT

JULY 2018 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

75%-85%, the loan will require principal payments based on a 25 year amortization schedule until such time as the loan is paid down to a 75% LTV. If the appraised value of the property results in a LTV of greater than 85% the Borrower must pay down the principal of loan to a balance that results in a 85% LTV or less within 10 days of notice from the Lender. Due to the various scenarios possible, we have shown both the principal and interest, and interest-only debt service tests based on the 10 year-swap rate of + the max loan spread of 2.0% for an all-in of 4.93%. Based on the Borrower's projections, the property should produce cash flow sufficient to service the debt beginning in the first year of operations and onward.

Sensitivity analysis

The financial projections presented provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPAR, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.15x would be measured through the NOI and interest rate.

- NOI – Based on the first year figures of year-end 2017, the NOI could be overstated by \$800K (10%) before the DSCR covenant would be breached on an interest only basis

US ONLY:

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

The entity which is entering into the transaction with DBPWM (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.

The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.

The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

NO AFFILIATE COLLATERAL HELD

 Service Officer: Ross
 Loan Product Type: Other Secured

Reason for Presentation:

- Request approval of the \$19MM Unsecured Tranche B associated with the Trump Endeavor 12, LLC Facility to become fully secured by the underlying Property located in Miami, FL based on the most recent Cushman & Wakefield appraised value. *This change was contemplated at the loan's origination.*
- Request approval to extend the Tranche B maturity date by four years to align with Tranche A with final maturity of 8/11/2023. *This change was contemplated at the loan's origination.*
- Request approval to reduce the personal Guaranty level from 100% to 10% based on the most recent appraised value and overall LTV%. *This change was contemplated at the loan's origination.*
- Financial analysis of property updated to include year-end 2014 figures for Trump Endeavor 12 LLC

Exchange Rate:	N/A	Risk Rating: Current Tranche A CPD: iBBB+ FPD: dBBB Tranche B CPD: iBBB+ FPD: BBB	Previous: CPD: iA FPD: dBBB CPD: iA FPD: iA-
See attached Risk Rating for rationale for risk rating change (if applicable)			

Estimated ROE / ROA Calculation:
 Tranche A: 34% Tranche B: 72.68%

Estimated RWA: \$13.1MM*

*Note: for the purpose of calculating RWA, Tranche B will continue to be considered unsecured through the end of June 2016, at which time a new appraisal of the Dorai property will be ordered by Lender. It is expected this Lender-ordered appraisal will support a fully-secured Tranche B and its RWA will be revised accordingly (\$1.4MM vs. \$5.4MM). This does not affect the client-instructed Cushman Wakefield appraisal that has been accepted for covenant purposes and allows the mortgage to be increased, covering the full loan amount on a secured basis. The client-instructed Cushman Wakefield appraisal has also been approved for determining the appropriate Guarantor percentages referenced below.

Currency: US \$ in million	New Limit	Usage	Previous Limit	Years	New Limit	Usage	Previous Limit

Collateral	
Trump National Doral Golf Club - The Collateral property consists of a 822 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa with guest rooms, 6 food venues, retail space, 670 parking spaces and a Member's Clubhouse. Due to the increased Property appraised value and corresponding LTV of 34%, below the 85% LTV, Tranche B will become fully secured by the collateral Property (but will remain categorized for the time being as unsecured for RWA purposes, as noted on p. 1).	
NR 8/15 CRW APPRAISAL WAS NOT ORDERED BY DB, SO NOT REVIEWED UPON FOR CREDIT RISK MITIGATION.	
Assets Under Management:	Donald J. Trump -- \$31.295MM cash deposits; Donald J. Trump Jr -- \$500M cash deposits; Associated Entities – \$66.49MM cash deposits

Relationship/Facility Highlights:
<ul style="list-style-type: none"> Construction/Redevelopment of Doral Resort in Florida has been completed with a substantial increase in property value from an estimated \$125MM to \$366MM, resulting in a 34% LTV on the full \$125MM loan amount composed of Tranche A (\$106MM) and Tranche B (\$19MM). Given the low LTV, the Unsecured Tranche B will become fully secured by the Doral Property. Per the 7/29/15 Cushman & Wakefield appraisal, DB will no longer have any Unsecured exposure on the Trump Endeavor 12 LLC Facility. The Guarantor has requested to retain a 10% Guaranty level on Tranches A and B of the subject Facility. As outlined below, the Guaranty level at or below a 35% LTV was originally contemplated to be 0%, at which time pricing was scheduled to increase to L + 2.00%. Retaining a 10% Guaranty level clearly strengthens the credit. Pricing on Tranches A and B will remain at L + 1.75%. Guarantor's personal net worth has increased by almost \$1 Billion from 6/30/13 to 6/30/14.

Trump Endeavour 12, LLC	
Type/Facility Amount	\$125,000,000, as evidenced by (i) a Secured Note in the principal amount of \$125,000,000 separated in to two tranches: \$106MM (Tranche A) \$19MM (Tranche B)
Purpose:	Acquisition of the collateral property.
Maturity:	Tranche A: 8/11/2023. Tranche B: Extend to 8/11/2023 based on the updated appraised value converting the tranche to secured. This change was contemplated at the loan's origination.
Repayment:	Interest only for the term of both facilities. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.
Interest Rate:	L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10% (see below).
LIBOR Tenors	Borrower may elect interest periods of 1, 3, 6, and 12 months
Fees:	1.00% of Facility Amount has been paid. A remaining fee of \$144M will be due and payable concurrently with Tranche B becoming secured and its maturity extended to match that of Tranche A.

TRUMP ENDEAVOR 12, LLC (\$125MM) – August 2015 – STRUCTURED

Credit Report – Structured

Guaranty Type	<p>Based on the updated appraised of \$366MM, the current LTV is 34% which would drop Donald Trump's personal guarantee in full (<i>this was documented at the loan's origination</i>). However, Trump has requested to maintain a 10% guarantee on the combined loan amount of both tranches resulting in the facility being priced at L+1.75%. Retaining a 10% Guaranty level clearly strengthens the credit.</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th>Max LTV</th> <th>Guaranty Level</th> </tr> </thead> <tbody> <tr> <td>85%</td> <td>100%</td> </tr> <tr> <td>65%</td> <td>40%</td> </tr> <tr> <td>55%</td> <td>20%</td> </tr> <tr> <td>45%</td> <td>10%</td> </tr> <tr> <td>35%</td> <td>0%</td> </tr> </tbody> </table> <p style="text-align: right; font-size: small;">*See Previous Credit memo for Trump Endeavor 12, LLC, dated 7/24/13 for further detail.</p>	Max LTV	Guaranty Level	85%	100%	65%	40%	55%	20%	45%	10%	35%	0%

35%	0%												

<p>Repayment Sources/ Key Risks/Mitigants</p> <p>Facility A</p> <ul style="list-style-type: none"> ➤ Primary Source of Repayment: Refinancing of the Collateral Property. ➤ Secondary Source of Repayment: Cash flow from Resort following the Renovation Period. Based on projections the Resort should be able to satisfactorily service principal and interest based on a 25-year amortization schedule. ➤ Tertiary Source of Repayment: Sale of resort collateral property
--

<p>Recommendation:</p> <p>Approval of:</p> <ul style="list-style-type: none"> • Reclassification of the Unsecured Tranche B to a fully secured Tranche B. • Term extension of the \$19MM Tranche B from 8/11/2015 to 8/11/2023 to match the maturity of the \$106MM Tranche A. • Step-down of the personal Guaranty from 100% to 10%, per the loan agreement. <ul style="list-style-type: none"> o Note: with an LTV of 34% the entire personal Guaranty could be reduced to 0%, however, the client has requested to retain a 10% guaranty on both Tranche A and Tranche B which corresponds to a spread of L+1.75% (same as current spread). <p>Approval is based on the following:</p> <ul style="list-style-type: none"> • <i>Financial Strength of the Guarantor</i> - The financial profile of the Guarantor includes, on an adjusted basis, a net worth of \$2.7 billion with \$285MM in unencumbered liquidity. • <i>Operating Experience</i> - DJT's extensive experience in operating private golf/country clubs. His current portfolio includes 16 such clubs with a reported value of \$2.0 billion and DB adjusted value of \$858.1MM. • <i>DB Relationship</i> - In connection with the addition of Facility C, DJT transferred \$40MM in liquidity to DB. He has also indicated he is interested in continued to grow his non-credit relationship with the firm. The AWM Banking team has been introduced to each of DJT's three adult children and two have established relationships with the firm. In addition, the CB&S Real Estate Team has had a successful history with the family. • <i>Equity Injection of the Guarantor</i> - The estimated equity injection was nearly \$250MM over a 3 year construction period (2012-2015) • <i>Expected Enhanced Value due to Capex</i> - The Resort is a world class location that has been home to a PGA event every year since it opened in 1962. As noted, DJT has invested nearly \$250MM on capital improvements since 2012 and the result has been an increase in Collateral value to \$366MM. This value should continue to increase significantly over the term of the Facility.

Regulatory Requirement - One Obligor Principle

- > **Liquidity** – The Guarantor reports liquidity of \$302.3MM as of 6/30/14 consisting of funds in Mr. Trump's name personally and various entities that Mr. Trump controls. The client reported balances have remained on par from the prior year, with minor fluctuations attributed to additional CRE acquisitions and the Guarantor taking fewer distributions from his properties.
- > The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. An updated value of the outstanding deposits was not provided via the 6/30/14 financial statements; however, as of 6/30/13, the total life-to-date balance of such deposits collected across the clubs owned by the Guarantor was approximately \$213MM, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantor's liquidity.
- > **Real Estate – Net Equity** – the following table summarizes the Guarantor's total real estate portfolio, as of 6/30/14 which reflects the Guarantor's 4 wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.
- > **Net Worth** – The Guarantor's reported net worth has increased just shy of \$100MM, largely in part to his real estate equity and licensing. It should also be noted that the DB adjusted calculation of the Guarantor's balance sheet does not include any valuation for his brand, which has received a 100% haircut.

Property Type	DJT Valuation	DB Valuation	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$707.0	\$480.0	\$100.0	\$607.0	\$380.0

Club Facilities	\$2,009.3	\$1,004.7	\$146.8	\$1,862.7	\$856.0
Other Property Interest	\$436.8	\$182.3	\$29.1	\$407.7	\$153.1
Total – Portfolio	\$4,352.8	\$2,515.0	\$485.7	\$3,867.1	\$2,029.1

- > **4 Trophy Properties** – The valuations for each of these properties were previously discussed with DB Valuation Services Group ("DBVSG") who advised on adjustments for each.
 - o Trump Towers – The 68 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/14 the property had associated debt of approx \$100MM. The loan is non-recourse and matures in 2022. The most recent appraisal performed in conjunction with the refinance valued the property at \$480MM resulting in a roughly 21% LTV.
 - o Niketown – The Guarantor is the lessee with respect to 2 long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2017. The space includes 65,000 square feet of retail space. Based on a sq foot assumption DBVSG previously indicated an adjusted value of \$175MM. Financing on the space is in the form of long-term bonds which are scheduled to fully amortize by June 1, 2017.
 - o 40 Wall Street – The 72 floor tower consist of 1.3MM in premier office space. Based on a SF assumption DBVSG indicated an

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC (\$125MM) – August 2015 – STRUCTURED

Credit Report – Structured

adjusted value of \$500MM. The existing debt in the amount of \$160MM, of which the Guarantor currently guarantees \$20MM, is scheduled to mature in November 2017.

- o Trump Park Avenue – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space and has a reported value based on unsold units and retail rates of \$346.1MM. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/14, had an outstanding balance of \$19.42MM and matures 8/1/15. Based on prior discussions with DBVSG we elected to take an approximate 50% haircut on the reported value.
- > **US Club Facilities** – The Guarantor wholly owns interests in 13 domestic private club facilities which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in LA, Ca; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Coits Neck, NJ; Trump National Golf Club in Washington, DC; Trump Golf Links at Ferry Point, Bronx, NY; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia PA; Trump National Doral in Miami, Florida; Trump National Golf Club in Charlotte, NC; and Trump National Golf Club in Jupiter, Florida.
- > **European Golf Clubs** – The Guarantor wholly owns interests in 3 European golf club facilities which include Trump International Golf Club in Scotland, Aberdeen; Trump Turnberry, South Ayrshire, Scotland; Trump International Golf Links Ireland, Doonbeg.
- > **Other Property Interest** – consists of wholly owned interests in The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors 4 Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land, a mansion and other buildings. This property is zoned for 9 luxury homes and valued at \$301.5MM based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of June 30, 2014, the Guarantor has continued to elected not to include the value of the Trump Chicago International Hotel & Tower in his financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be noted that on 11/9/12, DB provided the Guarantor with a \$98MM bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago, (Facility B). Since closing, the Facility has been paid down to \$19MM, increased last year to \$73MM, and paid down again to \$45MM, as further discussed in the Facility B section of the subject annual review.

> **Partnership and Joint Ventures** -

- 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7MM leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$745.8MM is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- Trump International Hotel and Tower – Las Vegas, Nevada – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$106.2MM is after the current mortgage debt of \$63.4MM, with final maturity of 7/5/17. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

- > **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$329.7MM was based on situations which have evolved to the point where signed arrangements with other parties exit and fees and other compensation which he will earn are reasonably quantifiable. The Guarantor has pledged certain of these fees to secure a \$19.76MM mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$19.76MM has been reflected on Mr. Trump's financial statement as "Other mortgages and loans payable". For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

- > **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date and contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that last year the Guarantor has had a valuation performed by PREDITY, an independent valuation firm, based on the intangible value of the Trump brand. The report indicated a brand value in the range of \$2.8 billion to \$3.0 billion. For purposes of our financial analysis we assumed no value for the Trump brand.

- > **Contingents** – as of 6/17/14 DJT's gross contingent obligations were reported to be \$197.2MM, which included: a) the \$125MM in support provided under the Doral credit facility with AWM, b) \$69MM in personal recourse on the existing debt related to the Trump International Hotel in Chicago also with AWM (Update: This debt is currently \$45MM, i.e. Facility B, with no personal Guaranty to DJT); c) \$20MM on a limited guarantee for the \$160MM commercial mortgage on 40 Wall Street extended by Capital One; d) \$11MM on Trump Golf at Ferry Point

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC (\$125MM) – August 2015 – STRUCTURED

6, Page

Credit Report – Structured

to the City of New York, e) \$7.1MM related to 7 Springs Resort and \$3.9MM in certain other project related completion guarantees, f) \$40MM in equity injection by DJT to the Trump OPO (Update: the full \$42.5MM/20% Equity Contribution by DJT has been completed and the client has begun to draw on the DB construction financing line, i.e. Facility C).

- Net Cash Flow – the Guarantor demonstrates a diversified stream of cash flows which is generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2014.

Type	Client Reported FY 6/30/14	Client Reported FY 6/30/13	Client Reported FY 6/30/12	Client Reported 11/30/11	Client Reported 2010

Total Uses	\$236.7	\$129.0	\$203.1	\$73.3	\$101.1
Net Excess Cash Flow	(\$92.0)	\$149.9	(\$89.1)	\$82.3	\$144.6

- *Real Estate* – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section.
- *Entertainment* – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. As this source of cash flow appears to be recurring as long as Mr. Trump is involved with the Apprentice we have chosen to take it at reported value. The Apprentice maintains a one-year rolling contract.
- *Clubs* – represents distributions generated through the portfolio of 16 Clubs which are wholly owned by the Guarantor. *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements.
- *Non Operating Revenue* – No non-operating cash flow was reported for 2014. Prior years, non operating revenue consisted of tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time items.
- *Investment Income* – represents interest and investment income on cash and marketable securities.
- *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements.
- *Uses of Cash* – primarily utilized for i) acquisition of resorts/golf clubs/aircrafts including purchase of the Trump Golf Links at Ferry Point in the Bronx, NY with market value of ~\$10MM.
- *Net Excess Cash Flow* – the net reported Cash Flow of (\$37MM) reconciles to the reported decrease in the Guarantor's reported Cash balance from \$339MM to \$302MM. The adjusted cash flow omits the proceeds from refinancing and the proceeds used for acquisition of properties.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$45MM on Chicago and \$170MM OPO + \$10.25MM Swap Threshold + min transfer amt) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of 4 of the unsecured ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt, however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Property Description/Project Overview – Trump Endeavor 12 LLC

The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, 6 food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport.

The Borrower has just completed extensive renovations as evidenced by the recently received appraisal. The renovations substantially increased the property value to \$366MM. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work included painting, lighting and landscaping. Guest rooms have undergone a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT TRUMP ENDEAVOR 12, LLC (\$125MM) – August 2015 – STRUCTURED

7 Page

Credit Report – Structured

completely redesigned to maximize and upgrade the space and improve the finishes. These improvements will help support and drive an increase in the number of dues-paying members. After the complete renovation of 72 holes of championship golf across four courses during 2013, recent golf course renovations were primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The original loan proceeds were used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

The Borrower has completed the renovation in phases as the resort has remained operational throughout said renovation. Occupancy and rate are expected to grow significantly over the next few years.

Property Performance/Financial Analysis – Trump Endeavor 12 LLC

Property Level Financials:

In thousands	Year End 2014 Actual	Year End 2013 Actual	Year-End 2012 Actual	2012 6 months Actual
Occupancy Rate	34%	73%	62.2%	48.39%
ADR	\$196	\$208	\$175.0	\$148.58
RevPar	\$67	\$151.85	\$108.85	\$67.43
Total Revenue	\$49,448	\$111,237	\$82,099	\$30,025
Total Operating Expenses	\$51,913	\$87,295	\$69,899	\$37,754
Net Operating Income	(\$2,465)	\$23,942	\$12,200	(\$7,729)
EBITDA	N/A	\$26,169	\$12,200	(\$6,553)
Actual Debt to EBITDA	N/A	4.78x	10.25x	N/A

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt.

There are no debt service tests at this time as the property remained open under significant renovation of the rooms and facilities during 2014. Occupancy and average daily rate are expected to grow significantly over the coming years.

The occupancy rate declined from 73% in 2013 to 34% in 2014 due to the expansive renovations that occurred throughout the year. This decrease in occupancy had a negative impact on the overall revenue generation for the subject hotel and resort, which was to be expected over the course. It is anticipated that the subject Property will return to strengthened occupancy upon the completion of the renovation period, expected by early-2016.

Appraisal Summary:

Cushman & Wakefield appraised the property as-is on 7/29/15 for \$366MM, or \$569,207 per room. The provided prospective market value upon stabilization was listed at \$493MM or \$673,406 per room. The appraisal was reviewed and accepted by DB.

South Florida's long-term prospects remain favorable, as the diverse economic base is more durable than it has been in the past. Local economists expect the region to continue to outperform the state and nation with job growth outpacing both. Increased jobs growth will continue encouraging new residents to expand into the region, fueling demand for housing. Likewise, the declining unemployment and payroll increases coupled with high consumer confidence are projected to continue through the end of 2015. Additionally, South Florida's strong global ties remain a significant driving force in the region and is the major catalyst moving the economy towards expansion. South Florida is also poised to benefit from the anticipated growth in international trade once the expansion of the Panama Canal is completed.

The appraisal noted that the subject buildings and facilities are in excellent overall condition. Since acquiring the resort in June 2012, Trump has invested \$242MM to complete a dramatic redevelopment and reconfiguration of the Property. Nearly all of the planned renovations were completed by year-end 2014, including:

- 643 guestrooms and suites – gut renovation of all guestroom bays with new FF&E, as well as plumbing, electric, and HVAC systems
- Redesigned state-of-the-art indoor meeting space and ballrooms, including the 24,000 SF "Donald J. Trump Ballroom"
- Renovated, reconfigured and re-themed food and beverage offerings throughout
- Complete renovation of 72 holes of championship golf across four courses, including Blue Monster, home of the World Golf Championships – Cadillac Championship, designed by known golf architect, Gil Hanse
- A new 8,500 SF TaylorMade Performance Lab
- A new 3-acre Doral Practice Facility
- Over 7,000 SF of high-volume golf retail space
- Reconfigured Royal Palm Pool complex, including both adult-only and kid-friendly areas

Significant renovations to the Spa Suites and 48,000 SF spa began in early 2015 and are scheduled for completion by late-2015 to early-2016.

According to Trump, the renovation for the spa and guestrooms is budgeted at \$8MM and includes the following:

- 48 suites – gut renovation of all bays with new FF&E, as well as plumbing, electric, and HVAC systems
- Cosmetic upgrades in the lobby area of the spa and the treatment rooms

Tourism continues to be one of the key components of Miami's economic base, generating significant tax revenues for the county, as well as job growth. In 2014, the visitor industry continued to show improvement with a 2.4% increase in overnight visitors to Miami and the Beaches as compared to 2013, also marking the fifth consecutive year of positive growth. Both domestic and international visitors contributed to this overall

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT TRUMP ENDEAVOR 12, LLC (\$125MM) – August 2015 – STRUCTURED

Credit Report – Structured

Improvement. Overall, an estimated 14.5MM visitors stayed at least one night in Greater Miami and the Beaches in 2014. During 2014, overnight visitors spent a record \$23.85 Billion in direct expenditures in Greater Miami and the Beaches, more than \$1 Billion more than that spent in 2013.

The strong tourism of the Greater Miami area coupled with the improvements to the subject Property will contribute to future demand for the subject hotel and resort.

Stress Analysis:

Based on the C&W appraised value of \$366MM and a total loan amount of \$125MM, the current LTV is 34%. As demonstrated in the below table, the as-is appraised value could be haircut by up to 60% before breaching the 85% LTV and triggering an over-advance. This grants further comfort in allowing for the \$19MM Tranche B to be fully secured by the subject Property.

	Actual	60% Haircut	60% Haircut	40% Haircut	30% Haircut	20% Haircut	10% Haircut
Tranche A	106,000,000	106,000,000	106,000,000	106,000,000	106,000,000	106,000,000	106,000,000
Tranche B	19,000,000	19,000,000	19,000,000	19,000,000	19,000,000	19,000,000	19,000,000
Total Loan Amount	125,000,000	125,000,000	125,000,000	125,000,000	125,000,000	125,000,000	125,000,000
C&W Appraised Value (7/29/15)	366,000,000	146,400,000	183,000,000	218,600,000	256,200,000	292,800,000	329,400,000

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBTCA (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate; except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

NO AFFILIATE COLLATERAL HELD

*Loan A Note: At origination, Tranche B was an unsecured facility for \$19MM. Upon being provided with a C&W (ordered by Borrower) appraisal performed in August 2015, the unsecured Tranche B remained unsecured for RWA calculation purposes despite a value that corroborated to a 34% LTV for both tranches. As of 2016, a Lender-ordered appraisal is now in place that supports a fully-secured \$125MM facility amount, still delineated between Tranche A and Tranche B.

C) Old Post Office, Washington, DC	\$229.5MM <i>As Is Investment Value</i> (LW Hospitality Advisors appraisal dated January 1, 2017, ordered and reviewed by CRM READ, Phil Ribolow)	74.1%	\$170MM
------------------------------------	---	-------	---------

Collateral

- A) **Trump National Doral Golf Club** - The Collateral property consists of a 622 acre golf resort and spa that includes 4 tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa with guest rooms, 6 food venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within 8 miles or 15 minutes from Miami International Airport. Extensive renovations were completed in 2016, substantially increasing the value since origination. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors.
- B) **Trump International Hotel Chicago** - The Collateral Property consists of a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which are included as Collateral in addition to 38,000 SF of banquet space, a 23,000 SF spa, and a 285 space public parking garage. The 164 rooms that are owned by third parties ("Third Party Units") and the 7 previously held condos were sold a few years ago and removed from the collateral pool. The proceeds from those sales were used to pay down the principal balance of the Facility at that time.
- C) **Old Post Office Building and Annex** – Renovations have recently been completed, with the property officially opening in September of 2016. The property is now fully operational, although lacks a permanent Certificate of Occupancy (a temporary C of O is in place) due to some minor fireproofing requirements which are expected to be resolved by the end of the summer. The Collateral Property renovations now consist of a full service hotel, including 250-270 hotel rooms (with specific safety measures and layouts in place for important political figures), approximately 65,000-75,000 SF of meeting, banquet, food and beverage, retail, the first spa branded by Ivanka Trump, fitness facilities, telecommunications facilities and an underground parking garage with approximately 100 parking spaces. Additionally, retail spaces have been leased to BLT Steak, Brioni Menswear, and Starbucks. Furthermore, an agreement with the National Parks Department allows separate access to the top of the bell tower, a historic element of the building that draws a large number of tourists. Additional commentary can be referenced in the appraisal, but the general conclusion is that the hotel, now operational for a few months, has already become one of the most elite hospitality establishments in Washington, DC.

Credit Report – Structured

Wabash:

Actual DSC = 1.64x

Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.35 to 1.00 as determined and tested by Lender based upon a trailing twelve (12) month basis.

OPO DSC Covenant (not yet applicable):

Redevelopment Period - None

Post Redevelopment Period – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSC") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall include actual debt service due under the loan. Covenant to be tested annually beginning with the first full calendar year commencing four (4) years after the Closing Date.

All Guarantor and property financial covenants analyzed above are in compliance as of the most recently supplied financial statements. This includes the Guarantor's additional debt limitations.

Relationship/Facility Highlights/Changes Since Last Review:

- Construction/Redevelopment of Doral Resort in Florida has been completed for over a year and it recently concluded its first full year as a full service operation. The property continues to receive positive reviews with its 2016 bank appraisal valuation (\$382MM) again corroborated by CRM READ's hotel and hospitality analysts. The Guarantor continues to retain a 10% Guaranty level even though terms of the previously approved Tranche A note allow for no personal Guaranty if the LTV is below 35%. Pricing was scheduled to increase to L + 2.00% without the Guaranty, but will remain at L+ 1.75% with the 10% Guaranty level, which clearly strengthens the credit.
- Draws on the Old Post Office facility have recently been completed, with the facility fully advanced with a \$170MM outstanding balance. Construction at the property is complete and a temporary certificate of occupancy (TCO) is in place (with a final CO expected by end of summer 2017).
- The Old Post Office facility entered the "Post-Development Period" in January 2017 upon receipt of an updated Bank ordered appraisal and TCO. This resulted in a decrease in the facility's interest rate from L+2.00% to L+1.75%.
- Ownership structures of the underlying borrowing entities on all 3 facilities were changed and transferred to revocable trusts that are controlled by the Guarantor's two sons.
- Guarantor's personal net worth has decreased by almost \$300MM year-over-year.
- Protocol surrounding the relationship is supervised by the recently implemented Covered Client Policy and Business Risk group. A variety of precautionary measures are in place to maintain confidentiality and any business decisions surrounding the relationship are handled by the Reputational Risk Committee in connection with the Guarantor's status as President of the United States.

Loan A – Trump Endeavour 12, LLC

Type/Facility Amount:	\$125,000,000 Commercial Real Estate Facility fully secured by a mortgage on Trump National Doral Golf Club, as evidenced by (i) a Secured Tranche A Note in the principal amount of \$106,000,000 ("Secured Tranche A Note"), and (ii) a Secured Tranche B Note in the principal amount of \$19,000,000 ("Secured Tranche B Note").
Purpose:	Acquisition of the collateral property.
Maturity:	Tranche A & B: 8/11/2023
Financial Documentation Covenant	Compliant
Repayment:	Interest only with a balloon at maturity. The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, subject to any cost associated with breakage of a LIBOR or SWAP contract.
Interest Rate:	Tranche A & B: L + 1.75% or Prime minus 0.75%, with step-up to L+2.00% or Prime minus 0.50%, if Guaranty Level falls below 10% (see discussion above concerning existing Guaranty level/pricing).
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months
Fees:	1.00% of Facility Amount has been paid and a remaining fee of \$144M was paid concurrently with converting the loan to a fully secured \$125MM facility and extending Tranche B's maturity to 8/11/2023 (from 8/11/2015).

Loan B – 401 North Wabash Venture, LLC	
Type/Facility Amount:	\$45,000,000
Purpose:	Original proceeds were used to refinance the existing construct to perm facility. Subsequent proceeds were used to provide working capital for business purposes.
Maturity:	6/1/2024
Collateral Property:	A first mortgage lien and first priority security interest in the commercial component ("Hotel Collateral") of the property consisting of, but not limited to, (a) a full service hotel, including 339 condo-hotel rooms, of which 175 rooms are Borrower owned ("Borrower Units"), which are not included as Collateral and 164 rooms that are owned by third parties ("Third Party Units") and which are not included as Collateral, (b) approximately 38,000 SF of banquet space, (c) a 23,000 SF spa, and (d) a 285 space public parking garage, including the Borrower's fee simple estate, all personal property, leases, rents, revenue, operating accounts, reserves and all other related assets.
Maximum Advance Rate:	Shall not exceed 60% of the "as is" appraised value of the Hotel Collateral.
Mandatory Repayment:	As the principal amount of the Facility is now \$45MM, no further on-going principal payments are required. Prior to the Facility reaching the \$45MM outstanding threshold, principal payments were due quarterly based on a 30 year amortization schedule.
Interest Rate:	L + 2.00%
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months
Fees:	0.75% of the Original Facility Amount was paid at closing
DSC Covenant:	Borrower shall maintain a debt service coverage ratio equal to or in excess of 1.35 to 1.00 as determined and tested by Lender based upon a trailing twelve (12) month basis.

Completion Reserve:	No longer applicable.
Repayment:	<p>1) During the Redevelopment Period the facility required interest only payments.</p> <p>2) <u>Currently in effect:</u> During the Post Redevelopment Period, either (a) interest only at any time the LTV is no greater than 75%, and (b) principal payments, based on a 25-year amortization schedule at any time the LTV is greater than 75%.</p> <p>The Borrowers may prepay any amount under the Facility in whole or in part at any time without penalty, with the exception of any cost associated with breakage of a LIBOR or SWAP contract.</p>
Interest Rate:	<p>1) Redevelopment Period – LIBOR plus 2.00% or, at Borrower's option, the Prime Rate.</p> <p>2) <u>Currently in effect:</u> Post Redevelopment Period and upon delivery of appraisal indicating an LTV of less than or equal to 70% - LIBOR plus 1.75% or, at Borrower's option, the Prime Rate minus 0.25%.</p> <p>Borrower shall have the right to deliver such appraisal, acceptable to Lender, at any time during the Post Redevelopment Period.</p>
LIBOR Tenors:	Borrower may elect interest periods of 1, 3, 6, and 12 months with a maximum of (5) LIBOR contracts outstanding at any time and no LIBOR contract to be permitted for loans less than \$1,000,000 at any time.
Fees:	0.50% of Facility Amount paid at closing.
DSC Covenant:	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period - None</i> ➤ <i>Post Redevelopment Period – At all times during the Post Redevelopment Period the Borrower shall maintain a debt service coverage ratio ("DSC") defined as the Net Operating Income ("NOI") divided by Debt Service of no less than 1.15x. "Debt Service" is defined as all principal (if applicable) and interest calculated on the current loan amount outstanding assuming a 25-year amortization schedule, which assumption shall only include actual debt service due under the loan. Covenant to be tested annually beginning with the first full calendar year commencing four (4) years after the Closing Date.</i>
Maximum LTV:	<ul style="list-style-type: none"> ➤ <i>Redevelopment Period – No longer applicable.</i> ➤ <i>Post Redevelopment Period – The Property will maintain a minimum appraised value that provides a maximum LTV of no greater than 85%. The Guarantor may cure any deficiency cause by a valuation shortfall through the repayment of principal to an amount that the maximum LTV based on the revised valuation remains less than 85% with such payment due within 10 business days of notification.</i>
Expiration of Redevelopment Period:	No longer applicable.
Guaranty:	Donald J. Trump will provide a full and unconditional guarantee of: (i) principal and interest due under the facility, (ii) swap breakage costs, (iii) operating shortfalls of the Property until the end of the Shortfall Coverage Period and (iv) a completion guaranty, guaranteeing the lien-free completion of the Project acceptable to Lender, as evidence by, among other things, one or more temporary or final certificates of occupancy or their equivalent, architects certificate and appropriate lien waivers, each reasonably acceptable to Lender.
Guarantor Covenants:	<ul style="list-style-type: none"> ○ Guarantor shall maintain unencumbered liquidity at all times of at least \$50MM with at least \$20MM to be maintained with the Lender (<i>Redevelopment Period only – no longer applicable</i>). ○ Guarantor shall not, at any time, have any additional indebtedness (direct or contingent) in excess of \$500MM (the "Guarantor Liability Cap"), excluding (x) any obligation under this Facility and (y) any Guarantor indebtedness (direct or contingent) existing as of June 30, 2013, as reflected in the Statement of Financial Condition referred to below (which includes the Dorat and Chicago facilities). ○ Guarantor shall maintain a minimum net worth of \$2.5 billion excluding the value related to the Guarantor's brand.

Swap Agreement:	<p>Borrower shall have the option to purchase interest rate protection in the form of a swap, reasonably acceptable to Lender, and secure related credit exposure (the "Swap Exposure") through the mortgage for the Facility. Borrower shall have the option to purchase this swap at closing or at any time during the loan term, and the term of such swap agreement does not have to be coterminous with the loan. Borrower shall have the option to purchase this swap from Lender or any other party; <u>provided, however</u>, if such swap is not provided by Lender or any of its affiliates, such swap obligation shall not be secured by any assets of Borrower.</p> <p>During the Redevelopment Period the Borrower or Guarantor shall be required to post cash collateral within in three (3) business days' notice from the Lender, should at any time the actual mark-to-market amount exceeds the defined Threshold Amount plus the MTA. At such time, the minimum amount of cash collateral to be posted shall be equal to the difference between the actual mark-to-market and the Threshold Amount.</p> <p>During the Post Redevelopment Period the Borrower shall not be required to post any additional cash collateral and any related Swap Exposure will remain secured by the mortgage. Any cash collateral related to the Swap Exposure, in accordance with the term in effect during the Redevelopment Period, shall be released upon receipt of the Initial Appraisal to the extent such Swap Exposure plus the principal amount outstanding under the Facility does not exceed 85%. Once such cash collateral is released the Borrower will have no further obligation to post any additional cash collateral during the Post Redevelopment Period.</p> <p><i>Threshold Amount</i> - shall be equal to \$10,000,000 minus the Independent Amount. <i>Minimum Transfer Amount ("MTA")</i> – shall be equal to \$250,000. <i>Independent Amount</i> – shall be equal to 5% of the notional amount of the Swap.</p>
------------------------	--

Repayment Sources/ Key Risks/Mitigants																
Facility A																
>	Primary Source of Repayment: Refinancing of the Collateral Property.															
>	Secondary Source of Repayment: Cash flow from Resort is now stabilized. The Resort satisfactorily serviced its principal and interest based on a 25-year amortization schedule during 2016 with a 2.00x DSC ratio.															
>	Tertiary Source of Repayment: When the LTV is above 65%, DJT provides a full and unconditional guarantee, which eliminates any shortfall associated with operating and liquidating Collateral. As equity in the collateral increases, the Guaranty Level steps down concurrently (Guarantor's current Guaranty level is 10%).															
Facility B																
>	Primary Source of Repayment: Cash flow generated by the Hotel Collateral.															
>	Secondary Source of Repayment: Refinancing the Hotel Collateral property.															
>	Tertiary Source of Repayment: Sale of the Hotel Collateral property.															
Facility C																
>	Primary Source of Repayment: Refinancing of the Collateral Property.															
>	Secondary Source of Repayment: Cash flow from Hotel following the Redevelopment Period. Based on projections, the Hotel should be able to satisfactorily service principal and interest based on a 25-year amortization schedule. Applying a 10.00% discount rate and an 8.00% terminal capitalization rate to the subject's projected income stream, the indicated value of the leasehold interest in the subject property upon completion of construction is \$237.4MM, or \$903,000 per key, per the most recent appraisal.

>	Tertiary Source of Repayment: DJT provides a full and unconditional guarantee of the entire facility for the term.															

Recommendation:	
Approval of i) the Annual Review for Facility A (Doral), Facility B (Chicago), and Facility C (OPO).	
All Facilities	
•	Financial Strength of the Guarantor - The financial profile of the Guarantor includes a stated net worth of \$5.7 billion which remains well above his \$2.5 billion minimum requirement even on an adjusted basis. The Guarantor maintains a strong liquidity position of \$114MM in unencumbered liquidity, a decrease of \$60MM from the previous year due political campaign costs.
•	Operating Experience - The Trump team's extensive experience in operating private golf/country clubs. His current portfolio includes 16 such clubs and his overall equity position in various CRE interests exceeds \$5.6 billion on a stated basis, in excess of \$2.0 billion on an adjusted basis.
•	DB Relationship - Although restructuring centered around the Guarantors political status required the transfer of assets to entities and institutions outside DB, the Guarantor's family members maintain strong lines of communication with the Banking team and have indicated an interest in continuing to grow both credit and non-credit relationship with the firm. A significant relationship also continues to grow through the familial lines of Ivanka Trump's spouse, Jared Kushner.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Facility A

- *Equity injection of the Guarantor:* The estimated equity injection is \$200MM.
- *Expected Enhanced Value due to Capex:* The Resort is a world class location that is often home to PGA events. With DJT's \$200MM capital investment complete, the appraised value has significantly benefited. The improvements and property stabilization are expected to continue to increase the value over the term of the Facility.

Facility A & B

- *Leverage Levels required for Step-Down of the Guaranty* – The LTV levels required for a decrease in the guaranty levels are now low enough to ensure that the loan is more than adequately collateralized, as evidenced by the current Facility A and Facility B, in which the Guaranty qualifies for elimination in conjunction with the current appraised values, although the Guaranty on Facility A remains in place on a voluntary basis

Facility B

- *Quality of the collateral and LTV* – The property is in the form of a luxury hotel building in downtown Chicago. Based on the latest appraisal completed, the Hotel collateral was valued at \$133MM based on a 2014 appraisal which results in a 34% LTV.
- In 2014, proceeds from the sale of the seven additional condo units originally pledged as collateral were applied toward the principal balance of the loan. The facility has been paid down twice: from \$98MM at origination to \$19MM by 2014, then again from \$73MM in 2014 (having been increased) to \$45MM. The Borrower anticipates further pay downs.

Facility C

- *Equity Injection of the Guarantor:* The Guarantor completed the required 20% Equity Investment prior to drawing on the \$170MM Facility.
- *Borrower's Successful Operating Experience:* The Trump Hotel Collection consists of eight Luxury Hotels in New York, Chicago (secures Facility B), Las Vegas, Hawaii, Toronto, Miami (secures Facility A) and Panama with three new hotels (including the subject OPO project) coming on-line in the next 2-3 years. The Trump name has been associated with the highest level of luxury and the hotels in the collection have performed successfully, even though the previous economic downturn.

Note that the relationship continues to be monitored at the highest levels of Senior management within the Firm, and any issues arising from the Guarantor's status as President of the United States are immediately addressed, taken to the appropriate Reputational Risk Committee and discussed with appropriate legal counsel. Topics that go before the Reputational Risk Committee are not considered to have an effect on the credit analysis of the loans being presented for annual review.

II - Financial Analysis – Guarantor

It should be noted that the Guarantor, DJT, is required to provide financials within 120 days of 6/30 FYE. Thus the most recent financials available are as of 6/30/16. Receipt of the 6/30/16 financial statement sufficiently satisfied the Guarantor's reporting requirements.

Guarantors – Financial Summary: Although all three Facilities are secured by Collateral, given the unique nature of these credits, the credit exposure continues to be recommended for support based on the financial profile of the Guarantor (or the ability to rely once again on the Guarantor if collateral values dropped and LTVs increased). As part of this underwriting we held many conversations with the CFO of the family office to update our due diligence on the client reported financial information, as prepared by WeiserMazars, an independent public accounting firm. Based on the results of this due diligence we have made certain assumptions that have resulted in adjustments to reported values. Details on such adjustments are included in the analysis that follows. Additional details are included in the Guarantor's financial statements.

Financial Summary (\$ in millions)	DJT 6/30/2011 (Client Reported)	DJT 6/30/2012 (Client Reported)	DJT 6/30/2013 (Client Reported)	DJT 6/30/2014 (Client Reported)	DJT 6/30/2014 (DB Adjusted)	DJT 6/30/2015 (Client Reported)	DJT 6/30/2015 (DB Adjusted)	DJT 6/30/2016 (Client Reported)	DJT 6/30/2016 (DB Adjusted)

*Above ratios are based on hypothetical analysis if DB's subject loan facilities were considered unsecured.

- > **Liquidity** – The Guarantor reports liquidity of \$114.4MM as of 6/30/16 consisting of funds in Mr. Trump's name personally and various entities that Mr. Trump controls. The client reported balances declined from the prior year, with fluctuations in 2016 due to political campaign costs, limited additional CRE acquisitions and the Guarantor taking fewer distributions from his properties. Personal liquidity was also utilized to finish construction at the OPO property. These fluctuations in liquidity slightly decreased the overall net worth of the Guarantor.
- > The Guarantor's personal liquidity has been primarily generated through on-going distributions from his diversified portfolio of operating companies which is highlighted in more detail in the Cash Flow section below. Such distributions include cash distributions from the Guarantor's portfolio of premier private clubs which generated these distributions through operating profit along with the collection of membership deposits. In accordance with industry standards, premier golf clubs require new members post a non-interest bearing 30-year deposit as part of their membership requirement. Terms of the deposit agreement include that such deposits are non-refundable for 30-years without condition, after which the member may request the refund of such deposit which is generally contingent on being replaced by at least one new member. An updated value of the outstanding deposits was not provided via the 6/30/16 financial statements; however, since 6/30/13, the total life-to-date balance of such deposits collected across the clubs owned by the Guarantor was approximately \$250MM, much of which has been reinvested into the clubs. Given the lack of any conditional rights by the member such deposits are not recorded on the operating books of the club as a liability. The Guarantor has indicated that they have received tax opinions supporting the treatment of such deposits and are not required to be included as part of taxable income. None of these deposits have been included in the Guarantors liquidity.

 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

- **Real Estate – Net Equity** - the following table summarizes the Guarantor's total real estate portfolio, as of 6/30/16 which reflects the Guarantor's four wholly owned trophy properties, the portfolio of 13 wholly owned club facilities, other major property interests and properties currently under development. DB adjustments for each of these properties are discussed below.
- **Net Worth** – The Guarantor's reported net worth has decreased by about \$300MM, largely in part to less liquidity and slightly diminished values to real estate equity and licensing. It should also be noted that the DB adjusted calculation of the Guarantor's balance sheet does not include any valuation for his brand, which has received a 100% haircut.

Partial Breakdown of four Trophy Properties (excludes various properties including DB facilities):

Property Type	DJT Valuation	DB Valuation	% Difference/ Haircut	Reported Debt	DJT Net Equity	DB Adjusted Net Equity
Trump Tower – 725 5 th Ave	\$631.0	\$343.9	45.5%	\$100.0	\$531.0	\$243.9
Niketown – East 57 th St	\$389.6	\$146.1	62.5%	\$11.54	\$378.06	\$134.56
40 Wall Street	\$796.4	\$541.6	32%	\$156.45	\$640.0	\$385.1
Trump Park Ave	\$183.5	\$126.25	31.2%	\$12.5	\$171.0	\$113.8
Subtotal – 4 Trophy Properties	\$2,000.5	\$1,157.9	57.9%	\$280.49	\$1,720.06	\$877.36
Club Facilities	\$2,107.8	\$1,131.47	46.4%	\$144.57	\$1,963.2	\$986.9
Other Property Interest	\$283.8	\$224.2	21.0%	\$119.93	\$163.87	\$104.3
Total – Portfolio	\$4,392.1	\$2,513.6	57.2%	\$544.99	\$3,847.13	\$1,968.6

- **Four Trophy Properties** – The valuations for each of these properties were previously discussed with DB Valuation Services Group ("DBVSG") who advised on adjustments for each.
 - Trump Towers – The 66 story building contains residential and condominiums that are owned by residents along with 178,000 square feet in commercial space and 114,000 square feet of retail space. As of 6/30/16 the property had associated debt of approximately \$100MM. The loan is non-recourse and matures in 2022. The most recent 6/30/16 financial statement values the property at \$631.0MM resulting in a ~15.8% LTV.
 - Niketown – The Guarantor is the lessee with respect to two long-term ground leasehold estates related to the land and the building located on 57th street between Madison and 5th Avenue. Since 1994 the building has been leased to Nike Retail Services. The current lease is scheduled to expire in May 2022 as the tenant exercised its right to extend. The space includes 65,000 square feet of retail space. Based on sq. foot assumption DBVSG previously indicated an adjusted value of \$146.1MM. Financing on the space is in the form of long-term bonds for a total of \$11.54MM (a 3% LTV based on a \$389.6MM valuation) which were scheduled to fully amortize by June 1, 2017.
 - 40 Wall Street – The 72 floor tower consists of 1.3MM SF in premier office space. Based on a SF assumption DBVSG indicated an adjusted value of \$541.6MM. The existing debt in the amount of \$156.45MM, of which the Guarantor currently guarantees \$20MM, is scheduled to mature in November 2017.
 - Trump Park Avenue – The property located on 59th Street and Park Avenue consists of 134 condominium units coupled with 30,000 square feet of retail space and has a reported value of \$183.5MM. The unsold condominium units have been pledged as collateral for the mortgage which, as of 6/30/16, had an outstanding balance of \$12.4MM (a 6.8% LTV) and matures 8/1/20. Based on prior discussions with DBVSG we elected to take an approximate 68% haircut on the reported value.
- **US Club Facilities** – The Guarantor wholly owns interests in 13 domestic private club facilities having a combined stated market value of approximately \$2,107.8MM which include The Mar-A-Lago Club in Palm Beach FL; Trump National Golf Club in Briarcliff Manor N.Y.; Trump International Golf Club in Palm Beach County, FL; Trump National Golf Club in Los Angeles, CA; Trump National Golf Club in Bedminster, NJ; Trump National Golf Club in Colts Neck, NJ; Trump National Golf Club in Washington, DC; Trump Golf Links at Ferry Point, Bronx, NY; Trump National Golf Club in Hudson Valley, NY; Trump National Golf Club in Philadelphia, PA; Trump National Doral in Miami, FL; Trump National Golf Club in Charlotte, NC; and Trump National Golf Club in Jupiter, FL.
- **European Golf Clubs** – The Guarantor wholly owns interests in 3 European golf club facilities which include Trump International Golf Club in Scotland, Aberdeen; Trump Turnberry, South Ayrshire, Scotland; Trump International Golf Links Ireland, Doonbeg.
- **Other Property Interest** – consists of wholly owned interests in Trump Old Post Office, The Trump World Tower at United Nations; 100 Central Park South; Trump Plaza NY; Trump International Hotel and Tower, Trump Palace, Trump Parc and Trump Parc East Condominiums and the Mansion at Seven Springs in Bedford, NY. These properties consist of commercial, retail and hotel space along with condominium units and raw land. For purposes of deriving an adjusted value (with the exception of the Mansion at Seven Springs) we applied a haircut of approximately 21%, which is consistent with the weighted average adjustment made on the Guarantors four Trophy Properties, based on discussion with the DB Valuation Services team. With regards to the Mansion at Seven Springs in Bedford New York, this property consists of over 200 acres of land, a mansion and other buildings. This property is zoned for nine luxury homes and valued at \$301.5MM based on an assessment made by the Guarantor in conjunction with his associates of the projected net cash flow which he would derive as those units are constructed and sold, and the estimated fair value of the existing mansion and other buildings. For purposes of deriving an adjusted value we assumed a 75% haircut to this asset to reflect the uncertainty in valuing undeveloped land.

It should be noted that as of 6/30/16, the Guarantor has continued not to include the value of the Trump Chicago International Hotel & Tower in his financial statements thus we have omitted this asset from our analysis of Mr. Trump's personal financial condition. It should be further noted that on 11/9/12, DB provided the Guarantor with a \$98MM bifurcated commercial mortgage facility on the Trump International Hotel and Condos in Chicago (Facility B). Since closing, the Facility has been paid down to \$19MM, increased in 2014 to \$73MM, and paid down again to \$45MM, as further discussed in the Facility B section of the subject annual review.

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

➤ Partnership and Joint Ventures -

- 1290 Avenue of the Americas, NY and 555 California Street, San Francisco, CA – In May of 2007 Mr. Trump partnered with Vornado Realty Trust in two buildings in NY and San Francisco. 1290 Avenue of the Americas consists of an office tower and retail space containing approximately 2MM leasable SF housing such tenants as Microsoft, AXA Equitable, and Cushman & Wakefield. 555 California Street consists of one retail and two office buildings for a total of 1.7MM leasable SF in addition to a subterranean garage. Current tenants include Bank of America, Goldman Sachs, UBS Financial Services, Citigroup and Wells Fargo. Mr. Trump owns 30% of these properties. The value of \$979MM is net of debt. For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.
- Trump International Hotel and Tower – Las Vegas, Nevada – Entities owned by Mr. Trump have formed a JV with Philip Ruffin as equal members, and have built a luxury hotel and condominium tower near the Las Vegas Strip. The Tower is the tallest hotel condominium tower in Las Vegas with over 1,200 condominium units, a 10,000 SF spa, a fitness center, salon, gourmet restaurant, heated pool and valet parking. The estimated current value of \$104.17MM is after the current mortgage debt of \$5.92MM, with final maturity of 10/1/2021 (recently extended from 2017). For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

➤ **Real Estate Licensing** – The Guarantor has numerous associations with several other parties for purposes of developing properties and other projects. Terms of specific agreements vary and involve both defined compensation and contingent type fees tied to performance. The estimated current value of \$227MM was based on situations which have evolved to the point where signed arrangements with other parties exit and fees and other compensation which he will earn are reasonably quantifiable. The Guarantor has pledged certain of these fees to secure a \$19.76MM mortgage on The Trump Tower at United Nations Plaza. Accordingly, the \$19.76MM has been reflected on Mr. Trump's financial statement as "Other mortgages and loans payable". For purposes of deriving an adjusted value we assumed a 50% haircut of this asset.

➤ **Other Assets** – includes a Boeing 757 Jet, a Cessna Citation X and 2 Sikorsky helicopters, ownership rights to The Apprentice/Celebrity Apprentice Series and the Miss Universe Pageants, the Wollman Rink in Central Park, 2,000 acre vineyard in Charlottesville, Virginia, a management company that supervises the operation of condominium properties, an international talent/model agency and receivables representing amounts earned to date and contract rights with regards to future performances on television. For purposes deriving an adjusted value we assumed a 50% haircut on reported value. It should be noted that previously the Guarantor has had a valuation performed by PREDITV, an independent valuation firm, based on the intangible value of the Trump brand. The report indicated a brand value in the range of \$2.8 billion to \$3.0 billion, although there is increased uncertainty surrounding the Trump brand value since he became President of the United States. For purposes of our financial analysis, we continue to assume no value for the Trump brand.

➤ **Contingents** – as of 6/17/16 DJT's gross contingent obligations were reported to be \$164.3MM, which included: a) the \$12.5MM in support provided under the Doral credit facility with WM (in actuality Mr. Trump is not currently obligated to provide any Guaranty on this amount based on the low LTV, but he has voluntarily agreed to leave a 10% Guaranty in place, i.e. \$12.5MM); b) \$20MM on a limited guarantee for the \$156.5MM commercial mortgage on 40 Wall Street extended by Capital One; c) \$112.9MM on Trump Old Post Office; d) various other projects and CRE holdings as reported on his personal financial statement.

➤ **Net Cash Flow** – the Guarantor demonstrates a diversified stream of cash flows which is generally recurring by nature. The following table summarizes the sources and uses of cash for the period 2010 – 2016:

Type	Client Reported FY 6/30/16	Client Reported FY 6/30/15	Client Reported FY 6/30/14	Client Reported FY 6/30/13	Client Reported FY 6/30/12	Client Reported 11/30/11	Client Reported 2010

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
 TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
 JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

- *Real Estate* – represents distributions from the portfolio of real estate holdings which have been previously outlined in this section.
- *Entertainment* – represents distributions generated primarily through the Guarantor's involvement in the TV show "The Apprentice" along with income generated through his affiliation with The Golf Channel. It is unclear to what degree this source of cash flow will continue. Although Mr. Trump remains executive producer of the show, it is yet to be determined if the program will continue.
- *Clubs* – represents distributions generated through the portfolio of 16 Clubs which are wholly owned by the Guarantor.
- *Licensing* – represents licensing revenue from a large portfolio of licensing agreements both real estate related along with other ventures such as Trump Vodka, Trump Water, Trump Shirts and several other such types of arrangements.
- *Non-Operating Revenue* – No non-operating cash flow was reported for 2014-2015. Prior years, non-operating revenue consisted of tax refunds, insurance settlements, gains on sale, distributions from refinancing and other one-time items.
- *Investment Income* – represents interest and investment income on cash and marketable securities.
- *Other* – primarily related to miscellaneous fee income and fees generated from speaking engagements.
- *Uses of Cash* – primarily utilized for acquisition of resorts/golf clubs/aircraft.
- *Political Expenses* – first reported for the 2015 reporting year, tied to the Guarantor's successful election campaign for US President.
- *Key Ratios* – to demonstrate the strength of the Guarantor we have applied the Unsecured Lending Guidelines assuming repayment of all of the obligations committed and proposed (the full \$125MM for Doral, \$45MM on Chicago and \$170MM OPO + \$10.25MM Swap Threshold + min transfer amt.) by the Guarantor, using DB adjusted balances to both the balance sheet and net cash flow. The results indicate that the Guarantor meets 3 out of 4 of the unsecured ratios. As noted above, for purposes of adjusted contingents, all of the adjusted contingent liabilities are related to secured debt, however the full amount of the exposure is still included in the Guarantor's adjusted financials.

Note: Although cash flow has oftentimes been negative over the last few years, this is expected to improve as the Doral and OPO construction projects are now complete.

Property Description/Project Overview - Facility A - Trump Endeavor 12 LLC

The Collateral property consists of a 622 acre golf resort and spa that includes four tournament class golf courses (Blue, Red, Gold and White) and a 693 room resort. Other amenities of the resort include 86,139 SF of meeting space including a 24,000 SF ballroom, a 50,000 SF spa and treatment center, six food and beverage venues, retail space, 670 parking spaces and a Member's Clubhouse. The property is located within eight miles or 15 minutes from Miami International Airport.

The Borrower completed extensive renovations in 2016 as evidenced by the recently received appraisal. The renovations substantially increased the property value to \$382MM. The renovations were primarily on the Main Building, Guest Rooms, Conference Area, Spa and Champions Pavilion including aesthetic upgrades of the lobbies, reception areas, meeting spaces, restaurants, retail spaces, spa and corridors. Renovation of the Lodges and Spa Suites include both interior and exterior work included painting, lighting and landscaping. Guest rooms have undergone a complete renovation including new bathroom fixtures, furniture, flooring, window treatments, lighting and linens. The Member's Clubhouse has been completely redesigned to maximize and upgrade the space and improve the finishes. These improvements will help support and drive an increase in the number of dues-paying members. After the complete renovation of 72 holes of championship golf across four courses during 2013, recent golf course renovations were primarily aesthetic with a focus on improvements to the cart paths and landscaping. In addition, the budget includes lengthening and expanding the driving range to make it consistent with the high standard of the courses. The original loan proceeds were used to enhance the arrival experience, improve the overall landscaping, renovate the pool and outdoor areas and perform a number of other smaller projects.

The Borrower completed the renovation in phases as the resort remained operational throughout said renovation, although with significantly reduced room availability and additional sections closed as necessary. Occupancy and rates are expected to grow significantly.

JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Actual DSC = 2.02x:

The DSC Covenant shall be increased to correspond with defined step-downs in the Guaranty Levels as indicated in the chart below (currently at 10% Guaranty Level = 1.65x covenant threshold):

Guaranty Level	DSC Covenant
40%	1.15x
20%	1.40x
10%	1.65x
0%	1.25x

If at any time the DSC covenant is breached when the Guaranty Level is > 0%, the Borrower must provide an acceptable appraisal to the Lender, at Lender request, confirming the LTV. If the LTV is above the Max LTV for the Guaranty Level in place, the Borrower has the option to (i) pay down the loan or post additional collateral to bring the loan back into compliance or (ii) increase the Guaranty Level correspond to the updated LTV. At any time the Guaranty Level is 10% the DSC Covenant will step-down to 1.65x, however, any breach thereafter will trigger an Event of Default without requiring a new appraisal.

2016 Current Year Rent Roll			
Principal	\$125,000,000	NOI	11,643,000
amort schedule	30	DSC	2.02
		2016	
		Revenue	\$ 86,168,000
		Expenses	\$ 74,524,000
		NOI	\$ 11,643,000
all in rate	2.29%		
monthly PMT	(\$180,362)		
annual DS	(\$6,764,342)		
DEBT YIELD	9.31%		
VO	(\$2,862,500)	VO DSC	4.87

*It should be noted that operating expenses omit any hotel management fees as these would be subordinate to any payments of senior debt. The \$74,524,000 in expenses listed above do not include any hotel management fees as they are not included in the Borrower financials.

In addition to room revenue, golf round and greens fees are forecast to increase at an accelerated rate substantially over the next five years. Although these figures are included in the overall NOI discussion, it is important to highlight the benefit received from the course renovations. On a fiscalized basis, the following represents golf and membership forecast summaries through 2020/21:

2016/17: \$23,168,355
 2017/18: \$26,250,238
 2018/19: \$28,218,876
 2019/20: \$29,720,497
 2020/21: \$31,012,338

Occupancy and average daily rate are also expected to grow significantly over the coming years. Note that the ADR for 2016 projected below was almost exactly in line with the actual ADR provided by the client. See below:

Subject's Projected ADR Summary		
Year	ADR Growth	Projected ADR
Positioned ADR (2015)		\$216.97
2016 Partial Year (2 Months)	4.0%	\$218.42
3/1/2016 - 2/28/2017	6.9%	\$233.52
3/1/2017 - 2/28/2018	6.9%	\$249.71
3/1/2018 - 2/28/2019	5.6%	\$263.61
3/1/2019 - 2/29/2020	3.9%	\$273.95

Although the occupancy rate declined from 73% in 2013 to 34% in 2014 due to the expansive renovations that occurred throughout 2014, the DSC figures, along with occupancy and ADR growth indicate the property is stabilizing and starting to perform under normal operating conditions. This is enhanced by the benefits that come with a newly renovated facility. Figures should continue to improve per projections as the property is fully operational and the Miami tourism business continues to grow.

Property Description/Project Overview – Facility B

Facility B - The Property is known as the 92-story Trump International Hotel and Tower Chicago. The entire tower contains 2,637,320 SF of mixed use components which includes a hotel, spa facility, residential condominiums, a parking garage, retail space, restaurants, convention space, and a health club. The Property was originally developed in the 1950's as a mid-rise office building occupied by the Chicago Sun Times which was purchased by Trump for \$73MM, closing October of 2004. Subsequently the Sun-Times building was demolished and the Trump International Hotel and Tower was developed at a cost of approximately \$600MM. Occupancy began in January 2008 for the hotel component, and the residential component began delivering units in Fall of 2008 with completion of the entire project in the latter half of 2009.

The Trump International Hotel consists of a 339-room luxury hotel property which includes a bar/restaurant, spa, fitness center, banquet space, parking and ground floor retail. For the purposes of this facility, the collateral originally consisted of 175 developer owned units "condo units" as well as the commercial components of the hotel including the food and beverage outlets, the meeting/banquet space, parking and the Spa at Trump. As all of the Condo units have been sold and our loan subsequently reduced, our existing collateral currently consists solely of the hotel/commercial components of the building.

An appraisal was performed by CB Richard Ellis, dated as of 4/7/14 which indicated an "As Is" value of \$133MM. Recent correspondence (June 2017) with Phil Ribolow, Hotel and Hospitality expert in CRM READ, indicated that value is still acceptable.

Property Performance/Financial Analysis – Facility B

Hotel Collateral

The hotel property is divided into 3 general sections, the commercial areas including the spa, restaurants, banquet rooms and parking, the 175 sponsor-owned units (no longer part of our collateral) and 164 privately owned third party units (also no longer included as Collateral).

With regards to the third party units no longer part of our collateral, the private owners had the option to put their unit into the rental pool with the sponsor owned units to be rented to the general public. When one of the third party units is selected from a blind pool, the net income to the owner is the rental revenue on the unit revenue split, less various fees for expenses incurred in the operation of the hotel room including a management fee. As noted in the tables below, the 3rd Party Reimbursable line item represents these expenses that are netted out of the related 3rd Party Revenue Distribution. In addition to any fees related to the rental of their unit, the unit owner is responsible for the related real estate taxes and reserves as well as CAM and utilities. As per the Borrower, the revenue generated by the unit has historically been sufficient to cover these fixed costs as well as those related to the rental of the unit.

Historical Financial Results

The Borrower has provided Profit and Loss statements from 2010-2016:

	12-Mo Ending 12/31/2010	12-Mo Ending 12/31/2011	12-Mo Ending 12/31/12	12-Mo Ending 12/31/13	12-Mo Ending 12/31/14	12-Mo Ending 12/31/15	12-Mo Ending 12/31/16

Credit Report – Structured

^Actual Debt Service/Interest Expense

- **Occupancy Rate/Net Operating Income** – Although occupancy trends since 2010 rates improved from 61.7% to 74.5% in 2015, driven primarily by the continued improvement in the economy and growing popularity of the Property location, reservations at the subject property were down almost 30% in 2016. Consequently, the NOI has also decreased. This is generally believed to be driven by the opening of a new luxury hotel across the street (Langham Hotel) that is now fully operational. The downtown Chicago market also offers many other options, whereas the other facilities under this relationship are in niche locations with fewer options. Observation must continue to see if the downward trend in reservations is a systemic issue. The urban location of the hotel also makes it accessible for protestors and individuals wishing to cause disruptions in response to any political actions the Guarantor supports as President of the United States.
- **ADR/ Rev Par** – the improvement in Occupancy Rates has provided the Borrower the opportunity to significantly increase both ADR and RevPar. During the historical period ADR has increased by 17% and RevPar has increased 31%. Both of these indicators are well above the average ADR of \$311.16 and RevPar of \$236.68 for the subject's competitive set of hotels in Chicago. Per the appraisal provided, for full service hotels in the Chicago Metro area, ADR is anticipated to increase 1.8% in 2017.
- **DSCR** – based on historical performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio requirement of 1.35x on an actual rate/interest only basis as specified in the loan documents.

Projected Financial Results

The appraisal has provided the following projections for the 12 months ending April 2017 through April 2019:

	2017	2018	2019
Occupancy Rate	71.0%	71.0%	71.0%
ADR	\$443.18	\$456.48	\$470.17
RevPar	\$374.66	\$324.10	\$333.82
Total Revenue	\$70,226	\$72,332	\$74,502
Total Operating Expenses	\$51,937	\$53,494	\$55,099
Management fee	\$2,549	\$2,625	\$2,704
Reserves for Replacement	\$2,809	\$2,589	\$2,980
3rd Party Revenue Distribution	\$10,279	\$10,587	\$10,905
3rd Party Reimbursables	(\$7,475)	(\$7,700)	(\$7,931)
Net Operating Income	\$10,126	\$10,432	\$10,744
Projected Debt Service (P & I)	\$5,085	\$5,085	\$5,085
DSCR (P & I)	1.99x	2.05x	2.11x
Projected Debt Service (I/O)*	\$3,599	\$3,599	\$3,599
DSCR (I/O)	2.81x	2.90x	2.99x

- **Occupancy Rate** - assumes the economy continues to recover and the Property continues to realize the increasing growth in demand based on growing popularity of location.
- **ADR/ Rev Par** – shows continued growth during the period with estimates of a 21% increase in ADR and 15.5% in RevPar during the forecasted, 4 year, period.
- **Net Operating Income** – during the forecasted period NOI is projected to grow by approximately 21.6% over the four year period primarily driven by continued improvement in the operating margin (defined as Total Revenue minus Total Operating Expenses) which is projected to hold steady at a healthy 26%.
- **DSCR** – based on projected performance the Collateral demonstrates the ability to comply with the defined Debt Service Coverage Ratio requirement of 1.35x

Sensitivity Analysis

The financial projections presented above provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPar, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.35x would be measured through the NOI and Interest Rate.

- **NOI** – Based on the 12/31/16 FY Actual results, the NOI could decrease by \$400M before breaching the DSCR covenant.

TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

Property Description/Project Overview – Facility C

The iconic and historic Old Post Office in Washington, DC opened in 1899 as the Headquarters of the US Postal Service. Its grand architecture was designed to announce Pennsylvania Avenue's arrival as America's Main Street. The 441,000 SF building is the second-tallest in Washington D.C. (next to the Washington Monument) and is home to the historic Congress Bells and an observation tower.

The Trump Organization (Trump) was selected by the US General Services Administration (GSA), to renovate Washington DC's historic Old Post Office Building (OPO) located on Pennsylvania Avenue and 12th Street just southeast of the White House. Construction was completed 2-years ahead of schedule and the property opened in September of 2016. The property contains 263 guestrooms and suites, 38,300 square feet of meeting space, two food and beverage outlets (BLT is the flagship restaurant with a high-end sushi restaurant to come on as the second food establishment), a spa (the first spa to be branded by Ivanka Trump), a fitness facility, valet parking in an on-site underground garage, and roughly 3,000 square feet of leased retail space (Brioni & Starbucks). The site also contains the largest ballroom in Washington, DC (13,000 SF).

The Borrower has executed a 62+ year ground lease with 2 additional 20-year options with the GSA for the OPO, this process included a year-long concept review through the Section 106 process with all relevant stakeholders, including the Commission of Fine Arts, National Capital Planning Commission, DC State historic Preservation Office and General Services Administration.

The full renovation budget was \$215MM+ and the Borrower deployed its 20% equity prior to the Lender's funds being released through monthly draws starting in late 2015 (the "Defined Equity Amount"). Completion of the Defined Equity Amount occurred and disbursements of the Borrower's \$170MM line occurred throughout 2015 and 2016. The entire \$170MM line was disbursed by the end of 2016 and the property was awarded a temporary Certificate of Occupancy (TCO). In conjunction with final appraisal ordered in January of 2017, the Client triggered the end of the "Redevelopment Period" and the "Post-Development Period" started as of January 18, 2017.

The Borrower expects a final Certificate of Occupancy to be delivered before the 3rd quarter of 2017, subject to satisfactory completion of some minor fireproofing items and building communication systems.

A January 2017 appraisal completed on behalf of the Bank indicated the following breakdown in values:

- 1) As Is Final Value Estimates
Investment Value \$229.5MM, or \$873,000 per key
- 2) Hypothetical As Is Market Value of \$237.5MM, or \$903,000,000 per key
As Complete Final Value Estimates
- 3) Prospective Stabilized Value of \$274.5MM, or \$1,044,000 per key

The report valuations require hypothetic assumptions given the lack of historical cash flow at the property. The report was reviewed and approved internally and lead to the following LTV conclusions:

Collateral	Market Value	Loan to Value
C) Old Post Office, Washington, DC	\$229.5MM As Is Investment Value (LW Hospitality Advisors appraisal dated January 1, 2017, ordered and reviewed by CRM READ, Phil Ribolow	74.1%

As mentioned, the finalization of the appraisal detailed above allow the Post-Development period to begin, as requested by the Borrower on January 18, 2017. Patrick Harris was notified of this change as to how the loan is categorized via an email memo sent on March 21, 2017. The memo stated, in part:

"The Libor spread on loan number 01563340 (secured by a ground lease on the Old Post Office Building in Washington DC) is also being reduced by 25bps, as stipulated in the Loan Agreement dated August 12, 2014, when the post development appraisal has been accepted by the Bank resulting in an explicit loan to value (see below), and the Temporary Certificate of Occupancy has been issued. Both stipulations have been met, as confirmed by DB and Loeb and Loeb. The resulting loan to value is currently is 74.2%, per the latest appraisal reviewed and accepted by the Bank on January 18, 2017. DB maintains the right to reappraise the property on an annual basis at our expense."

Members of the Banking and Lending team visited the property in December 2016 upon its completion. The site visit reaffirmed the high standard of construction and operational management in place at the site.

Highlights include:

Accommodations – The Hotel's guest rooms and suites are nearly 20% larger than the average rooms offered by the Hotel's competitive set (Four Seasons, The Ritz-Carlton Georgetown, The Ritz-Carlton DC, Mandarin Oriental and the Hay-Adams), a major point of differentiation with transient

DEUTSCHE BANK PRIVATE WEALTH MANAGEMENT – RISK MANAGEMENT
TRUMP ENDEAVOR 12, LLC – 401 NORTH WABASH LLC – TRUMP OLD POST OFFICE, LLC
JULY 2017 – STRUCTURED – ANNUAL REVIEW

Credit Report – Structured

business and leisure guests. The Borrower believes the differentiated product will fill a void in the marketplace for premium rooms and attract embassy and delegation stays at premium nightly rates.

Meeting & Banquet Facilities - With more than 39,100 SF of event space on two dedicated levels including a 13,000 SF Grand Ballroom and several meeting/function rooms, the Hotel has DCs largest luxury meeting space and largest Grand Ballroom in the aforementioned competitive set. Combined with the Hotel's well-appointed amenities, prime location and personalized services, the Borrower feels the OPO will be well positioned to capture the top events in Washington, DC.

Retail - Each year millions of people visit the area surrounding the OPO including 236,000 annual visitors to the Clock Tower located inside the OPO. Nearby attractions include the White House, the National Mall, the DC Convention Center and the OPO, all of which generate significant foot traffic and spending in Downtown DC. The Borrower feels that the Hotel's central location within a high concentration of wealth, premium office buildings and cultural institutions will attract the best retailers.

Food & Beverage - The Hotel features four food and beverage outlets, including a grand bar, as well as in-room dining and a Starbucks location. The two main restaurants include BLT Prime by David Burke and a high end sushi restaurant.

The Spa at Trump - The Hotel features a 5,000 SF signature Spa at Trump offering an array of spa offerings including massages, facials, relaxation programs and beauty treatments.

Parking - The Hotel provides ~120 spaces on one level of underground parking, accessible by valet. Parking in that area is scarce and hotels command a premium over neighborhood garages. Hotels near the OPO with less luxurious accommodations are able to charge \$47/day.

Location and Market Overview – Facility C

The subject property is located in Washington, D.C. between the White House and the U.S. Capitol Building on Pennsylvania Avenue. Washington, D.C. is a cosmopolitan city rich in monuments, museums and culture. As the nation's hub of political affairs, the city is the center of governmental action and policy. From Capitol Hill to Embassy Row, the National Mall and historic Georgetown, Washington, D.C. also boasts a diverse concentration of national and international organizations and associations. Furthermore, a number of major universities, educational agencies, and museums – including Georgetown University, George Washington University, Howard University, Catholic University, American University and the Smithsonian institution are located within the District of Columbia.

The federal government and all of the public and private institutions which support it, form the biggest industry sector in the Washington, D.C. region. While the government sector accounts for approximately 31% of total employment, the government serves as the catalyst for virtually all of the economic activity in the greater Washington area including the operations of hundreds of private sector firms, associations, trade unions, law firms, lobbying organizations, defense companies, political groups and international organizations. The prevalence of the government, educational and healthcare sectors helps to somewhat shelter this region from any major economic interruptions; thus, the outlook for the market area remains fairly optimistic.

Convention centers often serve as a gauge of visitation trends to a particular market as they generate significant levels of demand for area hotels and serve as a focal point for community activity. Typically hotels within the closest proximity to a convention center (up to 3 miles away) will benefit the most.

Projected Financial Analysis Property Performance - Facility C

The Trump International Hotel is a full-service, luxury hotel property located along Pennsylvania Avenue in the heart of the Federal Triangle Historical District of Washington D.C. The improvements are in excellent overall condition and are above average for the location in regards to improvement design and layout, as well as interior and exterior amenities which are commensurate with luxury hotel operations in Washington D.C. The property's location within the Old Post Office Building, which houses the Clock Tower Observation Deck, the second highest viewing point in Washington D.C., is considered to be a significant competitive advantage. The property is located in a central neighborhood, less than one mile from the U.S. Capitol and White House. The surrounding area contains an abundance of dining and retail options, as well as various private and government offices. Overall, there are no known adverse factors pertaining to the property's marketability, and the luxury hotel is expected to be positioned competitively within its intended demographic.

The subject is an historic building that was originally constructed in 1899 and has an actual age of 118 years. Considering the recent property-wide renovation, we estimate the property has an economic life of 60 years, an effective age of approximately 15 years, and a remaining economic life of approximately 45 years.

	2017 Projected	2018 Projected	2019 Projected	2020 Projected
Occupancy Rate	68%	72%	72%	72%
ADR	\$655.00	\$710.00	\$738.40	\$764.77
RevPar	\$445.40	\$511.20	\$531.65	\$550.40
Total Revenue	\$86,992	\$102,283	\$107,874	\$111,683
Total Operating Expenses	\$62,939	\$68,607	\$71,805	\$73,969
Net Operating Income	\$24,053	\$33,676	\$36,069	\$37,714
Ground Lease	\$3,264	\$3,346	\$3,430	3,515
EBITDA	\$20,789	\$30,330	\$32,639	\$34,199
Actual Debt to EBITDA	8.18x	5.61x	5.21x	4.97x
Reserve	\$696	\$1,829	\$2,985	\$3,350
Cash Flow available for Debt Service				
	\$20,093	\$28,501	\$29,654	\$30,849
Projected Debt Service (P&I, based on the 10-year swap + 200 bps) 4.93%	\$11,843	\$11,843	\$11,843	\$11,843
DSCR	1.70x	2.41x	2.60x	2.60x
Projected Debt Service (I/O, based on the 10-year swap + 200 bps) 4.93% all in	\$8,381	\$8,381	\$8,381	\$8,381
DSCR	2.40x	3.40x	3.54x	3.68x

As the Borrower is leasing the property from the U.S. Government, there is no traditional Property Tax assessed. Rather there is a Possessory Interest Tax that is assessed that is a percentage of net income. Prior to operations this tax is determined as a percentage of the value of the leasehold. For the above NOI this tax has been included in the Total Operating expenses line.

The Borrower has provided projections for the first 4.5 years of operations. As the Borrower has projected a 2 year construction phase, the first full year of operations is projected to be in 2017. The interest rate has now decreased to LIBOR + 1.75% (from LIBOR + 2.00%) as the Post-Development Period has begun. Debt Service is interest only and remains that way as long as the value determined by the appraisal continues to result in a Loan to Value of 75% or less. If the Loan to Value is between 75%-85%, the loan will require principal payments based on a 25 year amortization schedule until such time as the loan is paid down to a 75% LTV. If the appraised value of the property results in a LTV of greater than 85% the Borrower must pay down the principal of loan to a balance that results in a 85% LTV or less within 10 days of notice from the Lender. Due to the various scenarios possible, we have shown both the principal and interest, and interest-only debt service tests based on the 10 year-swap rate of + the max loan spread of 2.0% for an all-in of 4.93%. Based on the Borrower's projections, the property should produce cash flow sufficient to service the debt beginning in the first year of operations and onward.

Sensitivity analysis

The financial projections presented provide the key indicators to operating performance which include Occupancy Rate, ADR, RevPAR, and Operating Expenses. Management is challenged to balance each of these variables to drive the overall operating performance of the property which for purposes of this analysis we will measure through the Net Operating Income ("NOI"). Based on this methodology we have determined that the key variables for identifying levels sensitivity against the defined DSCR of 1.15x would be measured through the NOI and interest rate.

- NOI – Based on the projected first year of operations in 2017, the NOI could be overstated by \$10.45MM (52%) or \$6.47MM (32%) before the DSCR covenant would be breached on an interest only and P&I basis, respectively.
- Interest Rate – Based on the projected first year of operations in 2017, the interest rate could increase to an all-in rate of 10.30% or 9.20% before breaching the DSCR covenant on an interest only and P&I basis, respectively.

Additional Information

1. Section 23 Attestation

The Lending Officer has made such inquiries as determined to be appropriate under the circumstances, including an analysis of the transaction, the collateral and the application of the proceeds of the transaction; and has accessed the database maintained by the Compliance Department, which contains a listing of entities, which have been determined to be affiliates ("Affiliates") for purposes of Sections 23A and 23B of the Federal Reserve Act ("Affiliate List")

- The entity which is entering into the transaction with DBPWM (the "Applicable Bank") is not named as an Affiliate of the Applicable Bank on the Affiliate List maintained by the Compliance Department.
- The proceeds will not be transferred to or used for the benefit of a named Affiliate, except for transactions that are not covered transactions.
- The collateral on which we rely for S23 purposes is not a liability of an Affiliate of the Applicable Bank and so a covered transaction will not be produced by this loan.

REQUEST FOR OFFERS

**FOR THE OPERATION AND MAINTENANCE OF AN 18-HOLE JACK NICKLAUS SIGNATURE GOLF COURSE,
DRIVING RANGE AND ANCILLARY FACILITIES AT FERRY POINT PARK, THE BRONX**

**Concession ID# X126-GC
February 19, 2010**

The City of New York (City) acting by and through its Department of Parks & Recreation (Parks) requests offers to negotiate a concession agreement for the operation and maintenance of an 18-hole Jack Nicklaus Signature golf course, driving range, and ancillary facilities, including a maintenance building, parking lot, storm shelters, submerged pump house, comfort station, and a snack bar/food service facility ancillary to the golf uses, at Ferry Point Park in the Bronx (the "Site"). Offers may, at the discretion of the offeror, also include the design, construction, operation and maintenance of a temporary and/or permanent clubhouse at the Site, which, if proposed, must include a food service facility as well as a pro shop.

The exact length of the term of the concession will be determined during negotiations. At this time, the City anticipates a term of not more than ten (10) years. However, Parks invites comments concerning any longer term that may be warranted by any particular type of operational plan. This concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered, but Parks invites comments as to suitable provisions in a potential concession agreement to ensure the feasibility of such a license operation.

Goals of the Request for Offers

This Request for Offers ("RFO") is being issued to identify one or more entities ("Responders") interested in negotiating a license agreement with Parks for the operation and maintenance of this concession. Parks is seeking innovative offers from entities that can demonstrate substantial experience in the operation of golf courses and management of large scale events and sufficient financial capability to operate and maintain this concession at the highest level. It is the City's priority to maximize the course's potential as a venue for tournament events sponsored by the Professional Golfers Association (PGA) and similar organizations. Except as specifically stated in this document, Parks has no fixed concept as yet for the elements or structure of the eventual concession agreement that it may negotiate, and invites Responders to comment on the types of provisions they deem essential to such an agreement. Due to the complexities of this Site, including its not-yet developed facilities and market, Parks is open to pursuing a variety of avenues of management and investment that best reflect the expertise and resources of the Responder. Parks will enter into negotiations with those entities which in Parks judgment offer the most attractive

www.nyc.gov/parks

options for the operation and maintenance of the Site. Although this RFO is being issued to identify one or more entities or joint ventures interested in negotiating a license agreement with Parks for the operation and maintenance of this concession, Parks will ultimately make a single award for the concession.

Content of Offers

Offers may be submitted in a letter format and need not go into great detail about all aspects of the operation and maintenance of the Site; however, each Offer should give a basic overview of the Responder's:

1. Planned operations, including plans to accommodate the grow-in period for the golf course and the various maintenance requirements at the Site. Responders should note that Parks is willing to consider greens fees for the golf course that are higher than those charged at New York City's other public golf courses and that are similar to the greens fees charged at other high-end public daily fee courses.
2. Operating experience, including resume(s) and/or a description of the Responder's professional qualifications, demonstrating extensive experience in the golf, food service, sports and large scale event industries, and a list of recent, relevant references.
3. Investment and designs, including a general description of any improvements they intend to perform at the Site, a basic design for the layout of the Site, and whether they intend to construct some kind of temporary and/or permanent clubhouse at the Site, noting (at the Responder's option) any specific terms that it would seek to incorporate into the concession agreement to facilitate its investment in such improvements.
4. Compensation to the City, which may include a traditional fee offer and/or alternative forms of compensation, such as a reinvestment of income generated by the concession into programming, capital improvements, or other areas beneficial to the City.
5. Financial Capability, including financial statements and other supporting documentation of the Responder's financial worth.

At minimum, all Offers must include the following:

- The maintenance and operation of an 18-hole Jack Nicklaus Signature golf course, driving range, and ancillary facilities, including the maintenance building, parking lot, storm shelters, comfort station, submerged pump-house, landscaping, irrigation and fertigation system, drainage system, retention pond, and a snack bar/food service facility ancillary to the golf uses.
- The oversight of the grow-in period for the golf course.

Offers, at the Responder's option, may also include the following:

- The design, construction, operation and maintenance of a temporary and/or permanent clubhouse, which, if proposed, must include a permanent or temporary food service facility, such as a snack bar, café, restaurant, or banquet facility, as well as a pro shop, locker rooms, and restrooms.
- Alternative recreation and sports related uses for the Site.

- Naming rights and sponsorships.

The Site

Beginning in 2009, the City commenced construction of a Jack Nicklaus Signature golf course at the site. The capital construction project is entirely City-funded and is managed under a City contract with Sanford Golf Design. The course will be capable of hosting major events/tournaments and has the potential to become the only premium golf course within relatively close driving distance for millions of potential customers in the area. The closest premium golf courses in the region are located in northern New Jersey, Rockland County, North Hempstead, Long Island, Westchester and Fairfield, Connecticut.

Ferry Point Park represents one of the largest pieces (222 acres) of previously undeveloped parkland in New York City, and one of the greatest opportunities for augmenting the City's recreational resources. The proposed concession Site, formerly a municipal landfill that was closed in 1963, is situated in the Borough of the Bronx, Tax Map Block 5622 Lot 1 and Block 5583 Lot 100 (Community Board #10). The Site is on the eastern portion of the park and totals approximately 188.8 acres. It is bounded by Westchester Creek, the East River, Schley Avenue, Emerson Avenue and abuts the Whitestone Bridge.

The Site commands a breathtaking view of the East River, Manhattan skyline, and of the Whitestone and Throgs Neck Bridges that run between Queens and the Bronx, and the site is readily accessible via ground transportation from much of the metro area. Within one mile of the Ferry Point Park Site is a major intersection of highways, including the Cross Bronx Expressway (I-95), Hutchinson River Parkway (I-678), Overview Expressway and the Bruckner Expressway. The park is situated at the northern base of the Whitestone Bridge, and is accessible directly via the service road of the Hutchinson River Parkway. It is also near the Throgs Neck Bridge (I-295) which, similar to the Whitestone Bridge, connects the Bronx to Queens, Brooklyn and Long Island. Due to its prominent location on the East River, which separates the boroughs of Manhattan, Queens and The Bronx, the golf course is highly visible from the Whitestone Bridge and the approaches to both La Guardia and John F. Kennedy International Airports. All of these factors will likely make the Ferry Point Park Golf Course a major attraction for tournaments and outings.

In addition to building an 18-hole Jack Nicklaus Signature golf course, the City is also constructing at the Site a lighted driving range, a 12,000 square foot maintenance building, a parking lot with approximately 200 spaces, a comfort station and snack bar/refreshment stand, a submerged pump house, a 3.75 acre retention pond, and two (2) storm shelters. Additionally, a state of the art irrigation and fertigation system will be provided along with a comprehensive course drainage system. The City is also constructing a new 19.5 acre waterfront park along the East River adjacent to the golf course property at the southeastern end and is renovating a 10-acre community park on the eastern end of the course along Balcom Avenue.

To date, the City has also expended over \$12 million for environmental remediation, including a comprehensive environmental compliance program and construction of a 1.5-mile long passive methane-venting trench. Due to variations in course topography, fill depth ranges from approximately three (3) feet to over thirty (30) feet. In addition to the shaping layer coverage, the course will have approximately twelve (12) inches of topsoil coverage. The site is subject to a "Part 360" permit from the New York State Department of Environmental Conservation (DEC); Parks invites comments from Responders concerning the impact of the environmental compliance program on the operations of the concession.

The City has contracted with Sanford Golf Design to manage the design and construction of the 18-hole links-style Jack Nicklaus Signature golf course at the Site, and in September 2009, the contract for the

construction of the golf course was awarded to Laws Construction Corp. The construction of the golf course, except for the grow-in, is expected to be completed by Fall 2011.

The following is a brief overview of various Site components:

- 18-hole Jack Nicklaus Signature Golf Course: The course will be links style and a total of 7,158 yards long from the black tee. A grow in period will be necessary for the golf course once construction is completed.
- Location for a temporary and/or permanent clubhouse: Parks has designated an area adjacent to the parking lot for a possible temporary and/or permanent clubhouse, and water, sewer and gas lines and an electrical conduit are being supplied to that location.
- Driving range: The driving range will be lighted for after dark play and will accommodate up to 27 users at 10' spacing.
- Maintenance building: Situated on the northwestern edge of the property, the maintenance building will be approximately 12,000 square feet. The maintenance yard will include a 1,000 gallon above ground fuel tank.
- Parking lot: The parking lot will have approximately 200 spaces and will include lighting. There is room to construct an additional 50 spaces immediately adjacent to the lot, if necessary.
- Comfort Station & snack bar/refreshment stand: The comfort station, located between the 14th and 15th holes, will be approximately 715 total square feet and includes 147 square feet of room for a snack bar/refreshment stand. Water, sewer, and electrical lines are being supplied to the building.
- Landscaping: The City will provide for the landscaping of the golf course and parking area it constructs.
- Submerged pump house: The submerged pump house will be located adjacent to maintenance building.
- Storm shelters: The storm shelters will be located at the Comfort Station and between the 2nd and 7th holes.
- Drainage system: The city is providing a comprehensive drainage system for the golf course, which is designed so that a percentage of runoff water is collected in a retention pond at the Site (see below).
- Irrigation system and retention pond: The golf course, which in consideration of environmental and ecological design objectives incorporates the use of native drought-tolerant grass species, will be less reliant on irrigation than the average golf course. It is anticipated that the sustainable design will require approximately one-fourth (1/4th) the average water needs of the average golf course. The course irrigation design includes a 3.75 acre retention pond, which collects runoff water from approximately 20% of the Site. The pond has an average depth of eight (8) feet (three (3) feet around the edge and twelve (12) feet at its deepest) and should be able to provide a ten (10) day supply of water for the course, if necessary. The system is fed through a connection to the City's water supply. Parks invites comments from Responders concerning the creation of additional irrigation sources and other innovative means for water conservation which reduce the golf course's dependency on the

City's water supply, as well as comments on how the water supply issues affect potential offers for this concession. The irrigation needs of the Site are as follows:

- o Greens (102,772 sq/ft): Forty-five (45) days of grow-in, approximately one-fourth (1/4) to one-half (1/2) inch per day depending on conditions. Next forty-five (45) days, reduce by one-half (1/2).
- o Tees (227,704 sq/ft): Same as greens
- o Fairways (44.71 acres): Forty-five 45 days of grow-in, approximately one-eighth (1/8) to one-fourth (1/4) inch per day depending on conditions. Next forty-five (45) days, reduce by one-half (1/2).
- o Rough (54.98 acres): Similar to fairways
- o Native Areas (56.09 acres): Similar to rough

Additional Notes on the Irrigation Needs of the Site

- If twenty (20) acres of sod is utilized, the first seven to ten days will require one-fourth (1/4) to one-half (1/2) inch of water per day, and afterward, the needs will be similar to the needs of the rough.
- Weather conditions, time of year and run-off could change the amount of irrigation needed
- Based on the size and type course, after grow-in, normal watering during the longest and warmest days (approximately one-hundred (100)), the average need for the course is two-hundred-fifty-thousand (250,000) to four-hundred-thousand (400,000) gallons of water per day. During other times, water as needed.
- Irrigation is not an exact science and the above numbers should be used only as a water consumption estimate.
- The rate of \$5.98 per 748 gallons of water that the New York City Department of Environmental Protection charged increased by 12% on July 1, 2009.

Available Ancillary Documents

To help Responders develop their offers, the following documents pertaining to the Site are available at <http://nycgovparks.org/concessions/fpp/> and may also be obtained by contacting Joel Metlen, Deputy Director of Concessions, at (212) 360-3483 or at joel.metlen@parks.nyc.gov:

- 1) Approved Design and Construction Plans for the golf course
- 2) The City Planning Commission's Uniform Land Use Review Procedure (ULURP) determination
- 3) The Environmental Assessment Statement
- 4) The DEC Part 360 Permit
- 5) The Nicklaus Design Course Maintenance Standards
- 6) A Ferry Point Park Aerial Survey
- 7) The Golf Course Buildings Planting Plan

PLEASE NOTE: Parks requires that any resulting concession will be consistent with the prior ULURP determination for this project and will not otherwise require additional ULURP review.

Due Date for Offers & Selection Process

All Offers should be submitted in sealed envelopes and must be sent to the office of the Assistant Commissioner for Revenue, City of New York Parks & Recreation, The Arsenal-Central Park, 830 Fifth Avenue, Room 407, New York, New York 10065. All Offers must be received at that location by **Tuesday, March 30, 2010 at 3:00pm**. Responders should endeavor to be timely with their submissions; late offers can only be accepted in the discretion of Parks, and only if the timely offers have not yet been opened. Where a determination is made to accept a late offer, any other late offer received before timely offers have been opened shall be similarly accepted.

Once offers are received, a selection committee of at least three (3) people and composed of Parks and other City employees and, possibly, independent (non-government employed) professionals with relevant expertise will determine a short-list of offers that have sufficient technical merit to warrant negotiations toward a potential concession. At this stage of the evaluation, the committee will not score offers in detail. Offers will be scored on a 1 to 5 basis, first on the quality of their proposed operations (including the experience they demonstrate in such operations), and second on the quality of their financial offers, both with respect to potential fees and revenues, and capital or in-kind investments in the facility, taking into account their demonstrated financial capabilities. These two rankings will be combined, with the ranking for proposed operations weighted at 70% and the ranking for financial offers at 30%. Parks may contact Responders for clarifications and/or oral presentations at this stage, but responders should assume that this stage of the evaluation may be completed based on the written responses alone. The selection committee will determine the short-list for negotiations from those combined rankings.

Parks will commence negotiations with each short-listed Responder to develop the exact terms and conditions of their respective concession offers. Parks may further narrow consideration of potential concessionaires through oral presentations and/or a Best and Final Offer (BAFO) process. Once the ensuing negotiations are completed, the selection committee will evaluate the resulting concession offers and will select for award the entity that proposes the best overall terms and conditions based on the following criteria:

- Planned Operations (30%)
- Operating Experience (30%)
- Investment & Designs (15%)
- Compensation to the City (15%)
- Financial Capability (10%)

Parks will only consider offers that meet satisfactory levels of the above criteria. The City is not required to accept the highest fee offer. Parks' acceptance of an offer and/or commencement of negotiations does not imply that every element of that offer is acceptable to the City. If feasible, City employees will visit facilities operated by Responders.

All RFO submission materials become the property of the City of New York and Parks. RFO submission material will generally be made available for inspection and copying by interested parties upon written request, except when exempted from disclosure under the New York State Freedom of Information Law.

Parks is subject to the New York State Freedom of Information Law, which governs the process for the public disclosure of certain records maintained by Parks. (See Public Officers Law, Sections 87 and 89.) Individuals or firms that submit offers to Parks may request that Parks except all or part of such an offer from public disclosure, on the grounds that the offer contains trade secrets, proprietary information, or that the information, if disclosed, would cause substantial injury to the competitive position of the individual or firm submitting the information. Such exception may extend to information contained in the request itself, if public disclosure would defeat the purpose for which the exception is sought. The request for such an exception must be in writing and state, in detail, the specific reasons for the requested exception. It must also specify the offer or portions thereof for which the exception is requested.

If Parks grants the request for exception from disclosure, Parks shall keep such offer or portions thereof in secure facilities.

Parks shall not be liable for any costs incurred by offerors in the preparation of offers or for any work performed in connection therein.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the RFO process should inform the Comptroller's Office of Contract Administration, 1 Centre Street, Room 835, New York, New York 10007. This office may be reached at (212) 669-2323

Contact Information

All RFO questions and/or inquiries should be directed to Joel Metlen, Deputy Director of Concessions, who may be reached at (212) 360-1397 or at joel.metlen@parks.nyc.gov. Site visits may also be arranged, by appointment.

Cap Rate
9/17/13-Per telephone conversation with Doug Larsen of Cushman and Wakefield, cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually almost 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKETOWN.

Cap rates

06/30/2012-555 based on email from Robert Farwell of Cushman Wakefield in San Francisco which also states a similar office building selling for \$750/SF which = \$1,125,000,000 for 555

06/30/2013-555 no sales of similar office buildings in the last year so the same cap rate used for 6/30/2012 was used in 6/30/2013

06/30/2012-1290 based on information provided by Doug Larson of Cushman & Wakefield which reflects cap rates of 3.23% and 3.94% for two comparable office buildings on Fifth Avenue between 52nd and 53rd Streets and on Park Avenue & East 52nd St
We used the average of the two rates (i.e. 3.4%)

06/30/2013-1290 based on information provided by Doug Larson of Cushman & Wakefield which reflects a cap rate of 3.12% for a comparable office building on Fifth Avenue between 51st and 52nd streets. Its investment grade nature is further substantiation for this cap rate as evidenced by its recent refinancing.

Cap Rate

6/30/2014-Per 9/17/2013 telephone conversation with Doug Larsen of Cushman and Wakefield, cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually almost 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKETOWN.

9/17/13-Per telephone conversation with Doug Larsen of Cushman and Wakefield, cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually almost 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKETOWN.

	<u>745,800,000</u>	<u>816,900,000</u>

Cap rates

06/30/2014-555 based on an email from Robert Farwell of Cushman Wakefield in San Francisco which states a 4% - 4.5% cap rate when there are below market rents; 5.5% when the leases are market. At acquisition 555 had some above market leases and some below market leases so to be conservative we used 5%.

06/30/2013-555 no sales of similar office buildings in the last year so the same cap rate used for 6/30/2012 was used in 6/30/2013

06/30/2014-1290 based on information provided by Doug Larson of Cushman & Wakefield which reflect cap rates of 2.67% and 4.38% for comparable office buildings on Eighth Avenue between 49th and 50th Streets (Worldwide Plaza) and 1345 Sixth Avenue between 54th and 55th Street. The average cap rate for these two properties is 3.53%. Similar to 555, 1290 has below market rate leases so we reduced the cap rate to 3.25% to take this into consideration.

06/30/2013-1290 based on information provided by Doug Larson of Cushman & Wakefield which reflects a cap rate of 3.12% for a comparable office building on Fifth Avenue between 51st and 52nd streets. Its investment grade nature is further substantiation for this cap rate as evidenced by its recent refinancing.

Cap Rate

6/30/2014-Per 9/17/2013 telephone conversation with Doug Larsen of Cushman & Wakefield cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually almost 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKETOWN.

6/30/2015-10/26/15 email from Kurt Clauss of Cushman & Wakefield reflects a cap rate on the sale of the Crown Building of 1.56%. Since this cap is for a property on Fifth Avenue, and there weren't any other comps in the area, we used the average of this cap rate (1.56%) and the cap rate we used last year of 2.63%

Cap Rate

6/30/2014-Information provided by Doug Larson of Cushman & Wakefield, Inc. Only one similar sized Class A building sold in the downtown area in the last year (110 William Street) with a cap rate of 4.97%. There was one Class B building sold recently (61 Broadway). The cap rate for this building is 4.46%. According to Doug, the spread between Class A and Class B buildings is typically 50 -100 basis points. To be conservative, we reduced the cap rate by 75 basis points to 3.71%. We used the average of these two rates.

6/30/2015-Based on information provided by Douglas Larson of Cushman & Wakefield on 11/23/2015 which reflects a rate cap of 3.04% for 100 Wall Street. Based on a telephone conversation with Doug Larsen on 2/1/2016, since the ground lease still has about 190 years left the effect on the cap rate is minimal. To be conservative we increased the cap rate .25% to 3.29%. **UI**

Cap rates

06/30/2014-555 based on an email from Robert Farwell of Cushman Wakefield in San Francisco which states a 4% - 4.5% cap rate when there are below market rents; 5.5% when the leases are market. At acquisition 555 had some above market leases and some below market leases so to be conservative we used 5%.

06/30/2015-555 based on an email from John Walsh of Cushman & Wakefield in San Francisco which contained comps for Class A office buildings. Cap rates for these buildings were 3.87% and 4.00% for an average of 3.94%

UI

4800.24

06/30/2014-1290 based on information provided by Doug Larson of Cushman & Wakefield which reflect cap rates of 2.67% and 4.38% for comparable office buildings on Eighth Avenue between 49th and 50th Streets (Worldwide Plaza) and 1345 Sixth Avenue between 54th and 55th Street. The average cap rate for these two properties is 3.53%. Similar to 555, 1290 has below market rate leases so we reduced the cap rate to 3.25% to take this into consideration.

06/30/2015-1290 based on information provided by Doug Larson of Cushman & Wakefield 06/30/2015-1290 based on information provided by Doug Larson of Cushman & Wakefield Plaza District submarket where 1290 Avenue of the Americas is located.

The average rate for these four properties is 3.11%

Per financials	466,500,000	389,600,000
Cap Rate		
6/30/2016-Per 9/17/2016 telephone conversation with Doug Larsen of Cushman & Wakefield cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually almost 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKETOWN.		
6/30/2015-10/26/15 email from Kurt Claus of Cushman & Wakefield reflects a cap rate on the sale of the Crown Building of 1.56%. Since this cap is for a property on Fifth Avenue, and there weren't any other comps in the area, we used the average of this cap rate (1.56%) and the cap rate we used last year of 2.63%.

Cap Rate
6/30/2016- N/A

6/30/2015-Based on information provided by Douglas Larson of Cushman & Wakefield on 11/23/2015 which reflects a rate cap of 3.04% for 100 Wall Street. Based on a telephone conversation with Doug Larsen on 2/1/2016, since the ground lease still has about 190 years left the effect on the cap rate is minimal. To be conservative we increased the cap rate .25% to 3.29%.

 Cap Rate
 6/30/2018-Per 9/14/18 telephone conversation with Doug Larson of Newmark
 cap rates for retail properties in upscale areas like Times Square and the
 Fifth Avenue area are usually 50 to 60 basis points lower than
 office space. To be conservative we reduced the cap rate used on Trump Tower
 by 50 basis points to arrive at the cap rate used for NIKETOWN.
 6/30/2017-Per 9/17/2013 telephone conversation with Doug Larson of Cushman &
 Wakefield cap rates for retail properties in upscale areas like Times Square and the
 Fifth Avenue area are usually almost 60 basis points lower than
 office space. To be conservative we reduced the cap rate used on Trump Tower
 by 50 basis points to arrive at the cap rate used for NIKETOWN.

Niketown

Valuation is based on the par value of the bonds which were issued as part of a section 144A Securitization in November 1995. Since bonds are essentially a mortgage on the property, and a lender will not lend 100% of the value of the asset, the par value of the bonds is deemed to be 75% of the value of the asset. This amount has been increased 6% per year since the bonds were issued.

Bonds issued November 1995	92,739,590
Loan to Value	75%

Niketown

Valuation is based on the par value of the bonds which were issued as part of a section 144A Securitization in November 1995. Since bonds are essentially a mortgage on the property, and a lender will not lend 100% of the value of the asset, the par value of the bonds is deemed to be 75% of the value of the asset. This amount has been increased 6% per year since the bonds were issued.

Bonds issued November 1995	92,739,590	
Loan to Value	75%

Per financials		FS 445,000,000 PY 422,400,000	22,600,000	445,000,000
Cap Rate				113,840,000
6/30/2018-Per 9/14/18 telephone conversation with Doug Larson of Newmark cap rates for retail properties in upscale areas like Times Square and the Fifth Avenue area are usually 50 to 60 basis points lower than office space. To be conservative we reduced the cap rate used on Trump Tower by 50 basis points to arrive at the cap rate used for NIKE TOWN.				113,840,000
6/30/2019-Per conversation with Doug Larson of Newmark, the 50 to 60 basis point reduction used in previous years probably does not stand in the market as of 6/30/19. Therefore, to be conservative we reduced the cap rate used on Trump Tower by 25 basis points to arrive at the cap rate used for NIKE TOWN.				113,840,000

Doral
LWHA Appraisal prepared for Deutsche Bank done July 2019 (Upon Stabilization - July 2022)
Value at June 30, 2020 = \$360M + (12months/36months) * (\$430M - \$360M)
Additional 10% discount to reflect the effect of Covid-19

6/30/20: LWHA Q3 2020 Hotel Sales article states that sellers have expressed willingness to consider a 10 to 15 percent discount to pre-COVID pricing while buyers are interested in transacting at a 20 to 40 percent reduction to pre-COVID values. So there is a 15-20% transaction window for a standard hotel. Due to the fact that this is a trophy resort property with outdoor activities including 4 golf courses, swimming pools, tennis courts, and other outdoor leisure activities which all benefit from guest demand of outside activities, we applied a 10% discount.

LWHA Appraisal prepared for Deutsche Bank done July 2019 (As Is - July 2019)

Per conversation with Drew Jenkin on 9/19/19, Vegas able to distribute \$4M annually after CAPEX, room refresh reserves, etc. This is based on owning 300 approx units and being able to charge a resort fee (which may be impacted by the result of a Marriott lawsuit). We will earn significant management fees, resort fees, earn fees for a term much longer than 10 years. To be conservative we only used 10 years and we present valued that number.

6/30/20: Estimated Annual Distribution from Operations based on phone call with Drew Jenkin. Due to covid-19, we do not expect to receive distributions from operations in 2020 or 2021. We estimate that distributions will resume in 2022 at \$1M and grow at \$1M per year until we reach \$4M in 2025, and grow 3% from thereon.

Value Per 20 Year Discounted Cash Flow from Ray Flores

Per financials

6/30/2020- 4-6 East 57th has historically been occupied by a single tenant. Given the current tenant's lease expiration in May 2022, the discounted cash flow takes into account a new single tenant user. Used 2020 Gucci renewal as the most recent comparable given close proximity to 4-6 East 57th Street and similar luxury retail presence on both blocks. Kandell ground lease is subject to a pending rent reset to be determined by an appraisal proceeding. In the absence of the final determination, we assumed the same amount of the prior period.

6/30/2021- 4-6 East 57th has historically been occupied by a single tenant. Given the current tenant's lease expiration in May 2022, the discounted cash flow takes into account a new single-tenant user. Used 2020 Gucci renewal as the most recent comparable given close proximity to 4-6 East 57th Street and similar luxury retail presence on both blocks.

	1,074,232	25,903,833	154,190,000

Present Value of Net Cash Flow for lease of sports club commercial space that is being actively marketed
Note: WP notes a significant decrease in NOI from FY20 to FY21 and the addition of present value related to sports club commercial space. PDW Patrick Birney, a sports club occupied space during FY20 until the COVID-19 pandemic. As such, Park Avenue received the NOI benefit during FY 20 of this space. The sports club vacated the space in late FY20. As a result, NOI was deflated in FY21. In order to capture the value of the vacant space, Patrick added in the present value of expected cash flows related to the currently vacant space.

Trump International Golf Club - Florida

Value of Fixed Assets

EBITDA incl capital leases 720-621

Multiplier - see explanation below on reasonableness of multiplier

Additional value

Receivable from members

Receivable from members for refundable and/or non-refundable deposits

Value

6/30/21 - Upon the advice and guidance of Marcus & Millichap, golf course industry experts, a normal golf course with a consistently positive EBITDA trades at 6 to 8 times EBITDA, but the last few purchases have been 9-10 times. Based on the quality of Trump courses, could sell at 10 times EBITDA.

6/30/20 - Upon the advice and guidance of Marcus & Millichap, golf course industry experts, we left the golf course value unchanged from 2019.

Mark/Mike/Donna:

See attached updated spreadsheet. Assuming we get the \$139,404,324 from the title company today and combine it with the \$3,823 of interest on the deposits that is already in the bank account, the amount of the distributions should be the amounts below (listed in Row 31 of the 2nd tab):

- DJT: \$126,828,600
- DJTJR: \$4,013,024
- IT: \$4,013,024
- ET: \$4,013,024
- Member Corp: \$540,475
- **Total: \$139,408,146**

Let me know if you have any questions.

Thank you,
Patrick

Reconciliation of Proceeds from 05/11/22 Settlement Statement:				
Net Balance to Be Distributed after prior distributions and entity holdbacks	139,408,146			
Less: Cash to Seller from Settlement Statement difference	139,404,324		3,823	
Reconciliation of Difference:				
Interest earned on deposits retained by entity difference	3,823		(0)	

* \$77.3M is DJT figure only. Don, Ivanka and Eric Federal & DC Taxes are approx \$3.0M each per Whitley schedule.

EXHIBIT III

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF NEW YORK

PEOPLE OF THE STATE OF NEW YORK, BY
LETITIA JAMES, Attorney General of the State of
New York,

Plaintiff,

DONALD J. TRUMP, DONALD TRUMP, JR., ERIC
TRUMP, IVANKA TRUMP, ALLEN
WEISSELBERG, JEFFREY MCCONNEY, THE
DONALD J. TRUMP REVOCABLE TRUST, THE
TRUMP ORGANIZATION, INC., TRUMP
ORGANIZATION LLC, DJT HOLDINGS LLC, DJT
HOLDINGS MANAGING MEMBER, TRUMP
ENDEAVOR 12 LLC, 401 NORTH WABASH
VENTURE LLC, TRUMP OLD POST OFFICE LLC,
40 WALL STREET LLC, and SEVEN SPRINGS LLC,

Defendants.

Index No. 452564/2022

**RESPONSE TO PLAINTIFF’S RULE
202.8-g STATEMENT OF MATERIAL
FACTS**

Defendants Donald J. Trump, Donald Trump, Jr., Eric Trump, Allen Weisselberg, Jeffrey
McConney, The Donald J. Trump Revocable Trust, The Trump Organization, Inc., The Trump
Organization, LLC, DJT Holdings LLC, DJT Holdings Managing Member, Trump Endeavor 12
LLC, 401 North Wabash Venture LLC, Trump Old Post Office LLC, 40 Wall Street LLC, and
Seven Springs LLC (collectively, “Defendants”) hereby respectfully submit the following
response to the facts set forth in Plaintiff’s Rule 202.8-g Statement of Material Facts (NYSCEF
No. 767) (“Plaintiff’s SOF”) submitted in support of the Attorney General’s (“Plaintiff” or
“NYAG”) motion for summary judgement (Motion Seq. No. 765) (“Plaintiff’s MSJ”).¹

¹ Defendants submit the affirmation of Clifford Robert dated September 1, 2023 in support of this Response, which is referred to as “Robert Aff.” Additionally, Defendants’ Statement of Undisputed Material Facts (NYSCEF No. 836) previously submitted in support of Defendants’ Motion for Summary Judgment (attached as Exhibit AAAR to Robert Aff.) is incorporated herein and referred to as “Def. SOF” throughout this Response.

PRELIMINARY OBJECTIONS

1. Plaintiff's SOF was supported by transcripts of recorded interviews completed during Plaintiff's investigation and prior to filing the instant Complaint. Defendants object to Plaintiff's use of the investigative transcripts in support of its motion for summary judgment, in large part because of their unreliability due to the coercive nature of the interviews and Defendants' not having the opportunity to cross-examine the declarant. By citing to investigative transcripts in this Response to Plaintiff's SOF, Defendants do not concede their admissibility as Defendants only rely upon the transcripts to rebut Plaintiff's assertions. Further, Defendants reserve all rights to object to the admissibility of these transcripts and all other evidence at trial.

2. On June 27, 2023, the First Department issued a Decision and Order holding that "claims are time barred" as against (a) all Defendants not subject to the tolling agreement dated August 27, 2021 (the "Tolling Agreement"), "if they accrued – that is, the transactions were completed – before February 6, 2016," and (2) "for defendants bound by" the Tolling Agreement, "if they accrued before July 13, 2014." NYSCEF No. 640 at 3. Despite the First Department's holding, Plaintiff's Motion for Summary judgment and Plaintiff's SOF continues to rely upon time barred transactions in support of its claims, including: Doral Loan, Chicago Loan, Seven Springs Loan, Trump Park Avenue Loan, Ferry Point Contract, GSA OPO Bid Selection and Approval, OPO Contract and Lease, 40 Wall Loan (untimely for Defendants not bound by the Tolling Agreement), and the OPO Loan (untimely for Defendants not bound by the Tolling Agreement). Defendants object to Plaintiff's reliance on these transactions in support of its claims as the plain language of the First Department's ruling excludes them from consideration. By responding to Plaintiff's SOF relating to the time-barred transactions, Defendants do not concede their admissibility and reserve all rights to object to the admissibility

of this evidence based on the First Department's unequivocal ruling and to seek other remedies, as appropriate.

RESPONSE TO PLAINTIFFS' STATEMENT OF MATERIAL FACTS

1. Each year from 2011 through 2021 the Trump Organization prepared an annual Statement of Financial Condition for Donald J. Trump ("Statement" or "SFC").

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, Plaintiff fails to cite evidence in support of her assertion.

2. Each Statement contained an assertion of Donald Trump's net worth, as of the date of the statement, based principally on asserted values of particular assets minus outstanding liabilities.

RESPONSE: Undisputed.

3. From at least 2011 until 2020, Mr. Trump's Statements were compiled by accounting firm Mazars. (Ex. 1 at -136; Ex. 2 at -313; Ex. 3 at -039; Ex. 4 at -719; Ex. 5 at -693; Ex. 6 at -1983; Ex. 7 at -1841; Ex. 8 at -2724; Ex. 9 at -789; Ex. 10 at -247)

RESPONSE: Undisputed.

4. Another accounting firm, Whitley Penn, compiled the June 30, 2021 Statement. (Ex. 11 at -417)

RESPONSE: Undisputed.

5. The process for preparing each Statement remained essentially the same throughout the period 2011 through 2021. The asset valuations for the Statements were prepared by staff at the Trump Organization. For the Statements from 2011 through 2015, Jeffrey

McConney was the Trump Organization employee with primary responsibility for the preparation of the Statements, working under the supervision of Allen Weisselberg. (Ex. 54 at 64:17-70:21). For the 2016 Statement forward, and beginning on or about November 16, 2016, Mr. Weisselberg and Mr. McConney tasked a junior employee, Patrick Birney, with primary responsibility for the preparation of the Statements, working under their supervision. (Ex. 54 at 64:22-65:25)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. It is unclear what “junior employee” means in Paragraph 5. Patrick Birney currently serves as an Assistant Vice President.

6. The valuations, which were calculated in an Excel spreadsheet referred to as “JeffSupportingData” or Jeff’s Supporting Data, were forwarded each year to the accounting firm along with supporting documents to be compiled by the accounting firm into a report that would become the SFC in each year. See, e.g., Ex. 12.

RESPONSE: Undisputed.

7. From 2011 through 2021 Mazars would generate an annotated version of the supporting spreadsheet linking to the backup support for various assumptions provided by the Trump Organization. (Exs. 13-22).

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Additionally, the final spreadsheet referenced by the NYAG was for information current “As of June 30, 2020” and not

2021.

8. A similar supporting spreadsheet was provided to Whitley Penn for 2021. Ex. 23.

RESPONSE: Undisputed.

9. From 2011 through 2015, each SFC stated that “Donald J. Trump is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statement.” (Ex. 1 at -132; Ex. 2 at -309; Ex. 3 at -035; Ex. 4 at -715; Ex. 5 at -689) Accounting principles generally accepted in the United States of America are also referred to as “GAAP.” (See, e.g., Ex. 4 at -719)

RESPONSE: Undisputed.

10. From 2016 through 2020 each SFC stated that “The Trustees of The Donald J. Trump Revocable Trust dated April 7, 2014, as amended, on behalf of Donald J. Trump are responsible for the accompanying statement of financial condition and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America.” (Ex. 6 at -1981; Ex. 7 at -1841; Ex. 8 at -2724; Ex. 9 at -789)

RESPONSE: Undisputed.

11. In 2020 and 2021 the SFC stated that “The Trustee[s] of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended, on behalf of Donald J. Trump are responsible for the accompanying personal financial statement, which comprises the statement of financial condition . . . and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America.” (Ex. 10 at -246; Ex. 11 at -416).

RESPONSE: Undisputed.

12. Each year from 2011 through 2021, the SFC included a “Note 1” entitled “Basis of Presentation” that read: “Assets are stated at their estimated current values and liabilities at their estimated current amounts.” (Ex. 1 at -133; Ex. 2 at -310; Ex. 3 at -036; Ex. 4 at -716; Ex. 5 at -690; Ex. 6 at -1985; Ex. 7 at -1844; Ex. 8 at -2727; Ex. 9 at -792; Ex. 10 at -250; Ex. 11 at 420).

RESPONSE: Undisputed.

13. Mazars entered into an engagement letter with the Trump Organization each year between 2011 and 2020 concerning the preparation of the SFC.

RESPONSE: Undisputed.

14. In 2011 the engagement letter with Mazars noted: “The objective of a compilation is to present in the form of financial statements, information that is the representation of management without undertaking to express any assurance on the financial statements.” (Ex. 24 at -3112) The engagement letter further identified five specific “departures from generally accepted accounting principles” that would be disclosed in the report. (Ex. 24 at -3113)

RESPONSE: Disputed. The engagement letters identify certain GAAP departures “expected” to be included in SOFCs, it did not identify what actually would be disclosed in the SOFCs, or purport to be an exhaustive list of GAAP departures in the SOFCs.

15. Between 2012 and 2015 the engagement letter with Mazars noted: “The objective of a compilation is to assist you in presenting financial information in the form of financial statements. We will utilize information that is your representation without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements in order for the statements to be in conformity with accounting principles generally accepted in the United States of America.” (Ex. 25 at -3390; Ex. 26 – 012; Ex. 27 at -

308; Ex. 28 at -618) The engagement letters further identified the specific “departures from generally accepted accounting principles” that would be disclosed in the report. (Ex. 25 at -3391; Ex. 26 – 012; Ex. 27 at -309; Ex. 28 at -619) Under “Management Responsibilities” the engagement letters noted that among other things, the Trump Organization was responsible for: (i) “the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America,” (ii) “designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of the financial statements,” (iii) “the selection and application of accounting principles,” and (iv) “making all financial records and related information available to us and for the accuracy and completeness of that information.” (Ex. 25 at -3392; Ex. 26 – 013; Ex. 27 at -310; Ex. 28 at 620)

RESPONSE: Disputed. The engagement letters identify certain GAAP departures “expected” to be included in SOFCs, it did not identify what actually would be disclosed in the SOFCs, or purport to be an exhaustive list of GAAP departures in the SOFCs.

16. Between 2016 and 2020 the engagement letters with Mazars noted that the objective of the engagement was to “prepare the financial statement in accordance with accounting principles generally accepted in the United States of America based on information provided by you,” and “apply accounting and financial reporting expertise to assist you in the presentation of the financial statement without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statement in order for it to be in accordance with accounting principles generally accepted in the United States of America.” (Ex. 29 at -1256; Ex. 30 – 1798; Ex. 31 at -2672; Ex. 32 at -1733; Ex. 33 at – 2191)

RESPONSE: Undisputed.

17. The engagement letters from 2016 through 2020 further identified the specific

departures from GAAP that would be disclosed in the SFCs. (Ex. 29 at –1257; Ex. 30 – 1799; Ex. 31 at –2673; Ex. 32 at –1733-34; Ex. 33 at – 2191-92)

RESPONSE: Disputed. The engagement letters identify certain GAAP departures “expected” to be included in SOFCs, they did not identify what actually would be disclosed in the SOFCs, or purport to be an exhaustive list of GAAP departures in the SOFCs.

18. The engagement letters from 2016 through 2020 contained a section entitled “Your Responsibilities” that noted, among other things, the Trump Organization was responsible for: (i) “The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of the financial statement,” (ii) “The preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America and the inclusion of all informative disclosures that are appropriate for accounting principles generally accepted in the United States of America,” (iii) “The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement,” and (iv) providing Mazars with “access to all information of which you are aware is relevant to the preparation and fair presentation of the financial statement.” (Ex. 29 at –1257-58; Ex. 30 – 1799-1800; Ex. 31 at –2673-74; Ex. 32 at –1734; Ex. 33 at – 2192-93)

RESPONSE: Undisputed.

19. On May 18, 2021 Mazars notified the Trump Organization that the firm was “resigning from all engagements with the Trump Organization and related entities.” (Ex. 217) Subsequently on February 9, 2022, Mazars further informed the Trump Organization that the SFCs for the years 2011 to 2020 “should no longer be relied upon.” (Ex. 218)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity

Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed.

20. Thereafter, Whitley Penn entered into an engagement letter with the Trump Organization in 2021 concerning the preparation of the SFC. The 2021 engagement letter with Whitley Penn stated that the objective of the engagement was to “Prepare financial statements in accordance with GAAP based on information provided by you,” and “Apply accounting and financial reporting expertise to assist you in the presentation of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements in order for them to be in accordance with GAAP.” (Ex. 33 at –460)

RESPONSE: Undisputed to the extent Plaintiff intended to rely on Exhibit 34, otherwise disputed.

21. Under a section entitled “Your Responsibilities” the 2021 engagement letter with Whitley Penn noted that among other things, the Trump Organization was responsible for: (i) “The selection of GAAP as the financial reporting framework to be applied in the preparation of the financial statement,” (ii) “The preparation and fair presentation of the financial statement in accordance with GAAP and the inclusion of all informative disclosures that are appropriate for GAAP,” (iii) “The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement,” and (iv) providing Whitley Penn with “Access to all information of which you are aware is relevant to the preparation and fair presentation of the financial statement.” (Ex. 33 at –461)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s) the conduct alleged is attributed.

22. Each year, from 2011 through 2020 the Trump Organization would send Mazars a representation letter concerning the preparation of the SFC.

RESPONSE: Undisputed.

23. From 2011 through 2014 the representation letter the Trump Organization to Mazars stated, among other things, that:

- a. The Statement referred to above is fairly presented in conformity with accounting principles generally accepted in the United States of America. All assets are presented at their estimated current values and all liabilities are presented at their estimated current amounts which have been determined in accordance with guidelines promulgated by the American Institute of Certified Public Accountants except to the extent noted in the Accountants' Compilation Report which was annexed to the Statement. (Ex. 35 at -3117; Ex. 36 at -3397; Ex. 37 at -020; Ex. 38 at -316)
- b. There are no material transactions that have not been properly recorded in the accounting work papers underlying the Statement other than those exceptions from accounting principles generally accepted in the United States of America that are noted in the Accountants' Compilation Report. (Ex. 35 at -3117; Ex. 36 at -3397; Ex. 37 at -020; Ex. 38 at -316)
- c. We have no plans or intentions that may materially affect the carrying amounts or classification of assets and liabilities other than those noted in the accounting work papers underlying the Statement. (Ex. 35 at -3117; Ex. 36 at -3397; Ex. 37 at -020; Ex. 38 at -316)
- d. There are no other material liabilities or gain or loss contingencies that are required to

be accrued or disclosed by accounting principles generally accepted in the United States of America other than guarantees that may exist relating to whose omission has been noted to in the Accountants' Compilation Report. (Ex. 35 at -3118; Ex. 36 at -3398; Ex. 37 at -021; Ex. 38 at -317)

- e. We believe that the carrying amounts of all material assets will be recoverable over a reasonable period. (Ex. 35 at -3118; Ex. 36 at -3398; Ex. 37 at -021; Ex. 38 at -317)
- f. Mr. Trump has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, or has any asset been pledged as collateral other than those noted in the Statement. (Ex. 35 at -3118; Ex. 36 at -3398; Ex. 37 at -021; Ex. 38 at -317)
- g. Related party transactions, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been properly recorded. (Ex. 35 at -3118; Ex. 36 at -3398; Ex. 37 at -021; Ex. 38 at -317)

RESPONSE: Disputed. The letters state that related party transactions have been either properly "recorded or disclosed[,] not merely recorded.

24. In 2015 the representation letter from the Trump Organization to Mazars stated, among other things, that:

- a. We confirm that we are responsible for the preparation and fair presentation of the statement of financial condition in accordance with accounting principles generally accepted in the United States of America and the selection and application of accounting policies. (Ex. 39 at -626)

- b. Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person using the information would be changed or influenced by the omission or misstatement. (Ex. 39 at -626)
- c. The financial statement . . . is fairly presented in accordance with accounting principles generally accepted in the United States of America apart from a series of specified exceptions. (Ex. 39 at -626)
- d. We have made all financial records and related data available to you. We have not knowingly withheld from you any financial records or related data that in our judgment would be relevant to your compilation. (Ex. 39 at -627)
- e. No material transactions exist that have not been properly recorded in the accounting records underlying the financial statement. (Ex. 39 at -627)
- f. We have no plans or intentions that may materially affect the carrying amounts or classification of assets and liabilities. (Ex. 39 at -628)
- g. We have satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor have any assets been pledged, except as made known to you and disclosed in the notes to the financial statement. (Ex. 39 at - 628)
- h. Related party transactions, including sales, purchases, loans, transfers,

leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been properly recorded. (Ex. 39 at -628)

RESPONSE: Disputed. The letter states that related party transactions have been either properly “recorded or disclosed[,]” not merely recorded.

25. From 2016 through 2019 the representation letter from the Trump Organization to Mazars stated, among other things, that:

- a. We acknowledge our responsibility and have fulfilled our responsibilities for the preparation and fair presentation of the personal financial statement in accordance with accounting principles generally accepted in the United States of America, except for certain specified departures. (Ex. 40 at -1266; Ex. 41 at -1805; Ex. 42 at -2679; Ex. 43 at -1740)
- b. We have made available to you all financial records and related data available to you, and any additional information you requested from us for the purpose of the compilation. We have not knowingly withheld from you any financial records or related data that in our judgment would be relevant to your compilation. (Ex. 40 at -1267; Ex. 41 at -1806; Ex. 42 at -2680; Ex. 43 at -1741)
- c. All material transactions have been recorded and have been properly reflected in the financial statement. (Ex. 40 at -1267; Ex. 41 at -1806; Ex. 42 at -2680; Ex. 43 at -1741)
- d. We have no plans or intentions that may materially affect the carrying amounts [or values] or classification of assets and liabilities. (Ex. 40 at -1267; Ex. 41 at -1806; Ex. 42 at -2680; Ex. 43 at -1741)

- e. We have satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor have any assets been pledged, except as made known to you and disclosed in the notes to the financial statement. (Ex. 40 at - 1267; Ex. 41 at -1806; Ex. 42 at -2680; Ex. 43 at -1741)
- f. Related party transactions, including loans, transfers, leasing arrangements, and guarantees have been properly recorded. (Ex. 40 at -1268; Ex. 41 at - 1807; Ex. 42 at -2681; Ex. 43 at -1742)
- g. [In 2016-17] We have identified all accounting estimates that could be material to the financial statement, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances. (Ex. 40 at -1268; Ex. 41 at -1807)
- h. [In 2018-19] Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable in the circumstances. (Ex. 42 at -2681; Ex. 43 at -1742)

RESPONSE: Disputed. The letters state that related party transactions have been either properly “recorded or disclosed[,]” not merely recorded.

26. In 2020 the representation letter from the Trump Organization to Mazars stated, among other things, that:

- a. We acknowledge our responsibility and have fulfilled our responsibilities for the preparation and fair presentation of the personal financial statement in accordance with accounting principles generally accepted in the United States of America, except for certain specified departures. (Ex. 44 at - 3377)

- b. We have made available to you all financial records and related data, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements. (Ex. 44 at -3377)
- c. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices. (Ex. 44 at-3377)
- d. All transactions have been recorded and have been properly reflected in the financial statements. (Ex. 44 at -3377)
- e. There are no uncorrected misstatements. (Ex. 44 at -3377)
- f. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities. (Ex. 44 at -3378)
- g. Related-party transactions and related accounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, and guarantees have been properly recorded. (Ex. 44 at -3378)
- h. The Company has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged other than disclosed on the balance sheet. (Ex. 44 at -3378)
- i. We believe significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable in the circumstances. (Ex. 44 at -3378)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

27. In 2021 the representation letter from the Trump Organization to Whitley Penn stated, among other things, that:

- a. We acknowledge our responsibility and have fulfilled our responsibilities for the preparation and fair presentation of the SOFC in accordance with accounting principles generally accepted in the United States of America (“GAAP”), except for certain specified departures. (Ex. 45 at -103)
- b. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. (Ex. 45 at -103)
- c. We have provided you with access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the SOFC, such as records, documents, and other matters. (Ex. 45 at -104)
- d. The books and records for the assets reflected in the SOFC are complete in all material respects. (Ex. 45 at -104)
- e. We have no knowledge of any fraud or suspected fraud, or allegations of any fraud or suspected fraud, that could have a material effect on the SOFC. We have previously disclosed to you certain indictments and ongoing investigations, but we do not believe that these have any effect on the SOFC. (Ex. 45 at -104)
- f. We have no plans or intentions that may materially affect the carrying amounts or classification of assets and liabilities other than as disclosed herein. (Ex. 45 at -104)
- g. We have satisfactory title to all owned assets, and no material liens or encumbrances on such assets exist, nor has any asset been pledged as collateral, except as disclosed to you and reported in the SOFC. (Ex. 45 at -104)

RESPONSE: Undisputed.

28. GAAP is the recognized set of accounting rules for public, private, and not-for-profit entities in the United States. The Accounting Standards Codification (“ASC”) is the authoritative source of GAAP for nongovernmental entities. The ASC is comprised of numerous GAAP standards issued by recognized authorities over many decades.

RESPONSE: Undisputed.

29. One GAAP standard is specifically designed for the financial reporting of individuals, ASC 274 – “Personal Financial Statements,” which states that “Personal financial statements are prepared for individuals either to formally organize and plan their financial affairs in general or for specific purposes, such as obtaining of credit, income tax planning, retirement planning, gift and estate planning, or public disclosure of their financial affairs.” (Ex. 46)

RESPONSE: Undisputed.

30. ASC 274 requires asset values reported in personal financial statements to be based on “Estimated Current Value.” (Ex. 46)

RESPONSE: Undisputed.

31. GAAP defines Estimated Current Value as “the amount at which the item could be exchanged between a buyer and seller, each of whom is well informed and willing, and neither of whom is compelled to buy or sell.” (Ex. 219)

RESPONSE: Undisputed.

32. Accounting standard setters selected “Estimated Current Value” as a basis for reporting asset values in personal financial statements because the “primary focus of personal financial statements is a person’s assets and liabilities, and the primary users of personal financial statements normally consider estimated current value information to be more relevant

for their decisions than historical cost information. Lenders require estimated current value information to assess collateral, and most personal loan applications require estimated current value information. Estimated current values are required for estate, gift, and income tax planning, and estimated current value information about assets is often required in federal and state filings of candidates for public office” (Ex. 46 at 10-05-2)

RESPONSE: Undisputed.

33. ASC 274 further states that “personal financial statements shall include sufficient disclosures to make the statements adequately informative. That paragraph states that the disclosures may be made in the body of the financial statements or in the notes to financial statements.” (Ex. 46 at 10-45-13)

RESPONSE: Disputed. The statement above misquotes the document cited.

34. ASC 274 includes “illustrative notes” showing appropriate disclosures for a personal financial statement. An example of an interest in a real estate limited partnership that utilizes a capitalization rate, discloses that rate:

NOTE 4. The investment in Kenbruce Associates is an 8 percent interest in a real estate limited partnership. The estimated current value is determined by the projected annual cash receipts and payments capitalized at a 12 percent rate.

RESPONSE: Disputed. The “illustrative notes” in the interpretive guidance are mere illustrations that are amenable to change based on the context of the disclosure made and the circumstances surrounding the disclosure. Those illustrations are not exclusive of other disclosures that portray relevant information in a sufficiently informative manner. Particularly, whereas, in this case, President Trump submitted the SOFCs to sophisticated counterparties with the ability to do their own due diligence, and provided those counterparties with factual details about his real estate holdings in order to inform the independent analysis of the properties in

question through the judgment and assumptions of the counterparties. This, together with the various disclaimers in the SOFC that users should not rely on the valuations therein, was sufficiently informative so that the users to which the SOFCs were presented would be able to use their own judgment and assumptions in evaluating the subject properties. Thus, President Trump needed not disclose his subjective assumptions such as cap rates.

35. Where a future interest is valued, the discount rate used to arrive at that valuation is disclosed:

NOTE 6. Jane Person is the beneficiary of a remainder interest in a testamentary trust under the will of the late Joseph Jones. The amount included in the accompanying statements is her remainder interest in the estimated current value of the trust assets, discounted at 10 percent.

RESPONSE: Disputed. The “illustrative notes” in the interpretive guidance are mere illustrations that are amenable to change based on the context of the disclosure made and the circumstances surrounding the disclosure. Those illustrations are not exclusive of other disclosures that portray relevant information in a sufficiently informative manner. Particularly, whereas, in this case, President Trump submitted the SOFCs to sophisticated counterparties with the ability to do their own due diligence, and provided those counterparties with factual details about his real estate holdings in order to inform the independent analysis of the properties in question through the judgment and assumptions of the counterparties. This, together with the various disclaimers in the SOFC that users should not rely on the valuations therein, was sufficiently informative so that the users to which the SOFCs were presented would be able to use their own judgment and assumptions in evaluating the subject properties. Thus, President Trump needed not disclose his subjective assumptions such as discount rates.

36. Mr. Trump’s Triplex is valued as an asset in the Statements from 2011 through 2021. (Exs.1-11)

RESPONSE: Undisputed.

37. In the years 2012 through 2016, the Triplex value was calculated based on multiplying a price per square foot as determined by the Trump International Realty Sales Office by an incorrect figure for the size of the Triplex of 30,000 square feet. (Ex. 14 at Rows 833-834, see also Ex. 220 at -3611; Ex. 15 at Rows 799-800, see also, Ex. 358; Ex. 16 at Rows 843-844; Ex. 17 at Rows 882; Ex. 18 at Rows 913)

RESPONSE: Undisputed.

38. In reality, the Triplex was 10,996 square feet. (Ex. 47; Ex. 48; Ex. 49 at 507:5-9; Ex. 50 at 216:24-219:5; Ex. 51 at ¶ 28 (can neither admit nor deny that trump's triplex apartment in Trump Tower "never exceeded 11,000 square feet in size"))

RESPONSE: Disputed. Defendants object insofar as the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation.

39. As a result of this error alone, the value of the Triplex reflected on each Statement from 2012 through 2016 was inflated by roughly \$100-\$200 million. (Ex. 49 at 507:5-22)

RESPONSE: Disputed. Defendants object insofar as Plaintiff's calculations rely on the square footage, and the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation. Additionally, Professor Bartov conducted a materiality analysis and "concluded that the SOFCs for the years 2011-2021 were not materially misstated, i.e., they did comply with GAAP." (Robert Aff., Ex. AK ("Bartov Aff.") at 14.

40. The chart below shows the increase in the value of the Triplex that is attributable to the incorrect square footage:

Statement Year	Triplex Value Based on 30,000 SF	Corrected Triplex Value Based on 10,996 SF	Inflated Amount
2012	\$180,000,000	\$65,976,000	\$114,024,000
2013	\$200,000,000	\$73,306,667	\$126,693,333
2014	\$200,000,000	\$73,306,667	\$126,693,333
2015	\$327,000,000	\$119,856,400	\$207,143,600
2016	\$327,000,000	\$119,856,400	\$207,143,600

RESPONSE: Disputed. Defendants object insofar as Plaintiff's calculations rely on the square footage, and the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation. Additionally, Professor Bartov conducted a materiality analysis and "concluded that the SOFCs for the years 2011-2021 were not materially misstated, i.e., they did comply with GAAP." Bartov Aff. at 14.

41. Documents containing the correct size of Mr. Trump's Triplex (most notably the condominium offering plan and associated amendments for Trump Tower) were easily accessible inside the Trump Organization prior to 2012, were signed by Mr. Trump, and were sent to Mr. Weisselberg in 2012. (Exs. 47, 48)

RESPONSE: Disputed. The documents cited do not establish that these documents were "easily accessible inside the Trump Organization prior to 2012." Moreover, the use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Additionally, Defendants object insofar as the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation, and so it is unclear that whether the documents contain the

“correct size” of the Triplex.

42. Mr. Trump was intimately familiar with the layout and square footage of the Triplex, having personally overseen the apartment’s renovation prior to 2012 and having lived in the apartment for more than two decades, using it for interviews, photo spreads, as a filming location in "The Apprentice," and even to host foreign heads of state.

RESPONSE: Disputed. President Trump testified that he did not know the square footage of the Triplex, but that he “would think it would be 12 or 13,000 feet” and the square footage issue in the Statements was “corrected.” Faherty Aff., Ex. 50 at 218:19–219:5.

43. Documents demonstrating the true size of Mr. Trump’s triplex (most notably the condominium offering plan and associated amendments for Trump Tower) were easily accessible inside the Trump Organization, were signed by Mr. Trump, and were sent to Mr. Weisselberg in 2012. (Exs. 47, 48)

RESPONSE: Disputed. The documents cited do not establish that these documents were “easily accessible inside the Trump Organization.” Moreover, the use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Additionally, Defendants object insofar as the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation, and so it is unclear that whether the documents contain the “true size” of the Triplex.

44. Mr. Weisselberg – along with Donald Trump, Jr. and Eric Trump – was on an email chain in March 2017, in which Forbes Magazine highlighted the apartment’s correct size; the email specifically alerted those Trump Organization personnel that Mr. Trump had told

Forbes his apartment was approximately 33,000 square feet, but Forbes had looked at property records and concluded it was less than one third that size. (Ex. 52)

RESPONSE: Disputed. Defendants object insofar as the calculation of square footage is a subjective process that could lead to differing results or opinions based on the method employed to conduct the calculation, and so it is unclear that whether the documents contain the “correct size” of the Triplex.

45. Despite being apprised of those specific facts, Mr. Weisselberg and Donald Trump, Jr. only days later represented to Mazars that the 2016 Statement was accurate despite incorporating the fraudulently inflated number. (Ex. 40)

RESPONSE: Disputed. The valuation of the Triplex in the Statements was not a “fraudulently inflated number” as it was the result of a mistake, which was corrected once it was confirmed to be a mistake. Additionally, Mr. Weisselberg and Donald Trump, Jr. represented they had fulfilled their responsibility for “designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the personal financial statement that is free from *material* misrepresentation, whether due to fraud or error” and they had “no knowledge of any allegations of fraud, or suspected fraud that could have a *material* effect on the personal financial statement.” Faherty Aff., Ex. 40 at -1267. The “certifications that they did are descriptively valid.” Bartov Aff. at 14. Here, the valuation in the Triplex did not result in any material misrepresentation and, accordingly, was not a violation of GAAP. Bartov Aff. at 17; *see also* Faherty Aff., Ex. 49 at 510:3–10 (“A change of this size . . . is not a small amount of money, but relative to a net worth of \$6 billion, it’s a 1 percent, or less than 1 percent change . . .”)

46. Even when confronted with the true facts regarding Mr. Trump’s triplex, Mr. Weisselberg opted to “leave” it “alone” and within days falsely certify a financial statement

contrary to those true facts. (Ex. 53)

RESPONSE: Disputed. Mr. Weisselberg did not “falsely certify a financial statement contrary to those facts.” The “certifications that they did are descriptively valid.” Bartov Aff. at 15. Additionally, Professor Bartov conducted a materiality analysis and concluded “none of the valuation issues raised by NYAG are material, and the NYAG fails to offer any proper materiality analysis to contradict this.” Bartov Aff. at 9.

47. Only after Forbes published an article in May 2017 entitled “Donald Trump has Been Lying About the Size of His Penthouse” did McConney, Weisselberg, and Mr. Trump stop fraudulently inflating the square footage of the Triplex when calculating the value for the Statements. (Ex. 19 at Rows 971; Ex. 20 at Rows 983; Ex. 21 at Rows 1010-1011 Ex. 22 at Rows 1100-1101; Ex. 23 at Rows 1093; Ex. 54 at 693:4-713:8)

RESPONSE: Disputed. Defendants did not “fraudulently inflate the square footage of the Triplex” as all evidence indicates that the miscalculation was a mistake, which was readily corrected. *See also* Faherty Aff., Ex. 50 at 219:2–221:4; *id.*, Ex. 49 at 508:24–509:10 (“[W]e didn’t find out about the error until the Forbes article came out, and we just issued statements year over year, we don’t make phone calls during the course of the year or send out letters during the course of the year for a situation like this. It gets adjusted the following year.”).

48. The Triplex was only included in a catch-all category entitled “other assets” that omitted essentially all details about its value; accordingly, no itemized value was provided, and no recipient of the Statements would have known the inputs used to generate the value. (Exs. 1-11)

RESPONSE: Disputed. The Statement did not omit “all details about [the Triplex’s] value,” and briefly described the property as follows: “Mr. Trump owns a triplex apartment on

the top three floors of Trump Tower.” *See, e.g., Faherty Aff.*, Ex. 1 at -3150.

49. Seven Springs is a parcel of real property that consists of over 200 acres within the towns of Bedford, New Castle, and North Castle in Westchester County that is owned by Seven Springs LLC, a Trump Organization subsidiary. (Ex. 55; Ex. 1 at -3148; Ex. 56 at 57:20-58:3)

RESPONSE: Undisputed.

50. A 2000 appraisal prepared for the Royal Bank of Pennsylvania and sent to the Trump Organization estimated that Seven Springs had an “as-is” market value of \$25 million for residential development. (Ex. 57 at -4873-74)

RESPONSE: Undisputed that the 2000 appraisal prepared for Royal Bank reached the listed value. However, Defendants dispute the veracity of the 2000 appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the 2000 appraisal, thereby undervaluing Seven Springs. (Robert Aff., Ex. AO (“Chin Aff.”) ¶¶ 47-48, 54) Additionally, the use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed.

51. The same bank’s records indicate that a 2006 appraisal showed an “as-is” market value of \$30 million. (Ex. 58 at 1)

RESPONSE: Undisputed that the 2006 appraisal prepared for Royal Bank reached the listed value. However, Defendants dispute the veracity of the 2006 appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the 2006 appraisal, thereby undervaluing Seven Springs. (Chin Aff. ¶¶ 47-48, 54)

52. On October 10, 2012, Sheri Dillon as counsel for Seven Springs LLC accepted a proposal from Robert Heffernan to prepare an appraisal to estimate the fair market value of a 6-lot subdivision to be developed on the portion of the Seven Springs property located in the Town of New Castle. (Ex. 59 at -6213-14)

RESPONSE: Undisputed.

53. The 6-lot subdivision to be valued by Mr. Heffernan was based on a sketch prepared by Insite Engineering, Surveying, Landscape Architecture, P.C. (Ex. 60 at -890-93; Ex. 61 at 213:4-15)

RESPONSE: Disputed. Mr. Heffernan indicated that he was “pretty sure [he] would have” used the map prepared by Insite Engineering, Surveying, Landscape Architecture, P.C.

54. Eric Trump was aware of the appraisal being performed by Mr. Heffernan and was involved in obtaining information requested by Mr. Heffernan about the costs and fees to obtain town approval for the subdivision. (Ex. 60 at -893; Ex. 56 at 166:20-167:23)

RESPONSE: Disputed. Eric Trump was not involved in obtaining information, but when he received a request for information, he “passed off [the] e-mail from somebody at Sheri’s firm to [his] team pretty much saying, you know, guys, please handle this.” Faherty Aff., Ex. 56 at 167:4-9.

55. Mr. Heffernan advised Robert Leonard, counsel for Seven Springs LLC, that his preliminary estimate for the net present value of each lot was around \$700,000 for the subdivision. (Ex. 61 at 203:7-206:23)

RESPONSE: Disputed. Mr. Heffernan indicated he “didn’t specifically recall” the preliminary value range he determined, but he recalled “an e-mail back and forth with Bob Leonard that he was asking [Mr. Heffernan] why [he] was coming in at a number somewhere

around \$700,000 a raw lot.” Faherty Aff., Ex. 61 at 203:9–204:14.

56. After Mr. Heffernan provided Mr. Leonard with his preliminary estimate of value, Seven Springs LLC declined to move forward with the formal appraisal and Mr. Heffernan did no further work on the assignment. (Ex. 61 at 204:21-205:4, 226:8-228:20)

RESPONSE: Undisputed.

57. In July 2014, acting as an agent of the Trump Organization, attorney Sheri Dillon engaged Cushman & Wakefield, Inc. (“Cushman”) to “provide consulting services related to an analysis of the estimated value of a potential conservation easement on all or part of the Seven Springs Estate.” (Ex. 62 at -16742)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Ms. Dillon was signing in her “capacity as legal counsel for *Seven Springs, LLC*, the owner of the Seven Springs Estate.” Faherty Aff., Ex. 62 at -16742 (emphasis added).

58. David McArdle, an appraiser at Cushman, performed this engagement, which was to provide a “range of value” of the Seven Springs property based on developing and selling residential lots on the property. (Ex. 63 at 50:11-24)

RESPONSE: Disputed. Mr. McArdle testified the engagement was a “verbal assignment to develop a preliminary range of value” of “[t]he existing development site and . . . two of the primary buildings on the site as well.” Faherty Aff., Ex. 63 at 50:11–20.

59. Mr. McArdle valued the sale of eight lots in the Town of Bedford, six lots in New Castle, and ten lots in North Castle. (Ex. 64 at Rows 13-16, Cols. H-J)

RESPONSE: Undisputed.

60. Under his “subdivision sellout analysis,” Mr. McArdle reached an average per-lot sales value of \$2 million for the New Castle and North Castle lots, and \$2.25 million for the Bedford lots. (Ex. 64 at Rows 13-16, Cols. H-J; Ex. 63 at 456:25-457:21)

RESPONSE: Undisputed that Mr. McArdle reached the values described for the lots. However, Defendants dispute the veracity of Mr. McArdle’s valuation because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in Mr. McArdle’s valuation, thereby undervaluing the asset. (Chin Aff. ¶¶ 47-50, 54)

61. After preparing a cashflow analysis anticipating the timing for the sale of the lots and 10% rounded costs over five years, Mr. McArdle reached a rounded present value for all 24 lots of \$29,950,000. (Ex. 64 at Rows 3-36, Cols. O-AI)

RESPONSE: Undisputed that Mr. McArdle reached the values described. However, Defendants dispute the veracity of Mr. McArdle’s valuation because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in Mr. McArdle’s valuation, thereby undervaluing the asset. (Chin Aff. ¶¶ 47-50, 54)

62. Using another valuation technique, Mr. McArdle also reached values “Before” and “After” an easement donation of \$64 million and \$34 million, respectively, putting the value of the property after the donation at \$30 million. (Ex. 63 at 450:6-451:23; Ex. 122 at Rows 39-43, Cols. C-L)

RESPONSE: Undisputed that Mr. McArdle reached the values described. However, Defendants dispute the veracity of Mr. McArdle’s valuation because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in Mr. McArdle’s valuation, thereby undervaluing the asset. (Chin Aff. ¶¶ 47-50, 54)

63. Mr. McArdle communicated to Ms. Dillon the result of his work in late August or

September 2014, months before the finalization of the 2014 Statement on November 7, 2014, which Ms. Dillon then shared with Eric Trump. (Ex. 63 at 445:10-18, 478:25-479:7, 505:22-506:15; Ex. 56 at 212:17-213:20)

RESPONSE: Disputed. Mr. McArdle indicated he did not recall the exact date, but he gave an oral range of values “mid or late ‘14”. Faherty Aff., Ex. 63 at 13–18. Additionally, Eric Trump testified that he did not recall being advised of Mr. McArdle’s valuation, but that he “think[s] Sheri Dillon would have told [him] the results of . . . the appraisal.” Faherty Aff., Ex. 63, at 211:7–14, 213:12–20.

64. After receiving the 2014 valuation from Mr. McArdle, Eric Trump engaged Mr. McArdle in mid-September 2014 to conduct an appraisal for Seven Springs LLC to value a conservation easement placed over the property. (Ex. 65 at -16762; Ex. 56 at 214:16-215:9, 217:19-25)

RESPONSE: Disputed. Eric Trump testified that he did not recall being advised of Mr. McArdle’s valuation, but that he “think[s] Sheri Dillon would have told [him] the results of . . . the appraisal.” Faherty Aff., Ex. 63, at 211:7–14, 213:12–20.

65. Seven Springs LLC decided not to proceed with obtaining a formal appraisal for a conservation easement and terminated the engagement with Mr. McArdle on October 6, 2014. (Ex. 66 at -50998)

RESPONSE: Undisputed.

66. The Trump Organization did ultimately decide to pursue the donation for the 2015 tax year, and in March 2016, Seven Springs LLC received from Cushman an appraisal of Seven Springs, including the planned development. (Ex. 67 at -202; Ex. 68 at -9123-9126; Ex. 56 at 222:23-223:4, 225:23-226:4)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Seven Springs LLC, not the Trump Organization, entered into the engagement agreement with Cushman. Faherty Aff., Ex. 67 at -195.

67. Cushman’s appraisal concluded that the entire property as of December 1, 2015 was worth \$56.5 million. (Ex. 68 at -9126)

RESPONSE: Undisputed.

68. For the 2015 Statement, Mr. Trump valued Seven Springs at \$56 million based on the Cushman appraisal for the easement donation, which value was incorporated into the aggregate value of \$557.6 million for “Other assets.” (Ex. 5 at -691; Ex. 17 at Row 895)

RESPONSE: Undisputed.

69. For the Statements from 2016 to 2018, the property was valued at \$35.4 million, which value was incorporated into the aggregate value for “Other assets.” (Ex. 6 at -1983; Ex. 18 at Row 927; Ex. 7 at -1842, -1861; Ex. 19 at Row 986; Ex. 8 at -2744; Ex. 20 at Row 997)

RESPONSE: Undisputed.

70. In June 2019, the Trump Organization received another appraisal of the Seven Springs estate prepared by Cushman for The Bryn Mawr Trust Company which valued the property at \$37.65 million. (Ex. 69 at -71173)

RESPONSE: Undisputed.

71. For the Statements from 2019 to 2021, the property was valued at \$37.65 million based on the June 2019 appraisal, which value was incorporated into the aggregate value for “Other assets.” (Ex. 9 at -1790, -1809; Ex. 21 at Row 1024; Ex.10 at -2248, -2263; Ex. 22 at

Row 1109; Ex. 11 at -418, -433; Ex. 23 at Row 1102)

RESPONSE: Undisputed.

72. Despite bank appraisals from 2000 and 2006 valuing the property at \$25 million and \$30 million, respectively, Mr. Heffernan's preliminary estimate of fair value of \$700,000 per lot for a 6-lot subdivision development, and Mr. McCardle's 2014 analysis putting the value between \$30-\$50 million, the Statements from 2011 to 2014 valued the property at many multiples of these values. See, *infra*, at ¶¶ 107.

RESPONSE: Disputed. Mr. Heffernan indicated he "didn't specifically recall" the preliminary value range he determined, but he recalled "an e-mail back and forth with Bob Leonard that he was asking [Mr. Heffernan] why [he] was coming in at a number somewhere around \$700,000 a raw lot." Faherty Aff., Ex. 61 at 203:9-204:14. Additionally, Defendants dispute the veracity of the 2000 and 2006 appraisals because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in either appraisal, thereby undervaluing Seven Springs. (Chin Aff. ¶¶ 47-50, 54)

73. The 2011 Statement valued the property at \$261 million and the Statements for 2012 to 2014 valued the property at \$291 million, based in part on an estimated profit for developing homes of \$23 million per lot. (Ex. 1 at -3134, -3148; Ex.13 at Rows 669, 677; Ex. 2 at -6311; Ex. 14 at Rows 686,695; Ex. 3 at -037; Ex. 15 at Rows 649,658; Ex. 4 at-0717; Ex.16 at Rows 671, 680)

RESPONSE: Undisputed.

74. The listed source for the valuations of Seven Springs from 2012-2014 is a series of telephone conversations with Eric Trump. (Ex. 14 at Row 679; Ex. 15 at Rows 638,640; Ex. 16 at Row 660)

RESPONSE: Undisputed.

75. Based on the highest appraised value of \$56.5 million determined by Cushman in 2015, the property was vastly overvalued in 2011 through 2014 as depicted in the chart below:

Year	Statement Value	Difference between Statement Value and 2015 Appraisal
2011	\$261,000,000	\$204,500,000
2012	\$291,000,000	\$234,500,000
2013	\$291,000,000	\$234,500,000
2014	\$291,000,000	\$234,500,000

RESPONSE: Disputed. Defendants dispute that Seven Springs property was overvalued; President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in Mr. McArdle's valuation, thereby undervaluing the asset. (Chin Aff. ¶¶ 47-55)

76. Regarding the change from the 2014 value in the next year, Donald Trump testified that "we dropped that number, because we thought that number was too high." (Ex. 50 at 195:14-196:23)

RESPONSE: Disputed. President Trump went on to testify: "But, in retrospect, I don't know that number is too high. . . this is not a big deal in terms of my net worth". Faherty Aff., Ex. 50 at 196:8-18.

77. The Trump Organization, through Defendant 40 Wall Street LLC, a New York Limited Liability Company, owns a "ground lease" pertaining to 40 Wall Street, pursuant to which it holds a leasehold interest in the land and buildings on the land, but pays rent (known as ground rent) to the landowner.

RESPONSE: Undisputed.

78. In August 2010, Cushman prepared an appraisal of 40 Wall Street for Capital One Bank that valued the building at \$200,000,000, as-of August 1, 2010, with a prospective market value of \$280,000,000, as-of August 1, 2015 (the “2010 40 Wall Appraisal”). (Ex. 70 at -4723-4724; Ex. 71 at -1182-1183) The appraisal was signed by Douglas Larson, Naoum Papagianopoulos and Robert Nardella of Cushman. (Ex. 70 at -4725; Ex. 71 at -1184)

RESPONSE: Undisputed that the 2010 appraisal was performed, contained the valuations listed, and was signed by the listed individuals. However, the veracity of the 2010 appraisal is disputed because it significantly understated the “As Is” value of the property by using conservative assumptions that did not accurately reflect the actual leasing conditions at the property, using a capitalization rate that is inconsistent with market sales, and failing to account for improving market conditions and occupancy rates, among other failures. (Chin Aff. ¶¶ 38-40)

79. On December 20, 2010, George Ross, Vice President of 40 Wall Street LLC, sent an excerpt of the 2010 40 Wall Appraisal to Percy Pyne of Pyne Companies Ltd. (Ex. 71 at -1180) Mr. Ross wrote, “If you would like a complete copy of the appraisal, which consists of 130 pages, please let me know.” (*Id.*)

RESPONSE: Undisputed. However, the veracity of the 2010 appraisal is disputed because it significantly understated the “As Is” values by using conservative assumptions that did not accurately reflect the actual leasing conditions at the property, using a capitalization rate that is inconsistent with market sales, among other failures. (Chin Aff. ¶¶ 38-40)

80. The 2011 SFC represents that the \$524,700,000 estimated current value of 40 Wall Street was “based upon a successful renegotiation of the ground lease and an evaluation made by Mr. Trump in conjunction with his associates and outside professionals of leases that have been signed or are currently the subject of negotiation, and a capitalization rate was applied

to the resultant cash flow to be derived from the buildings operations.” (Ex. 1 at -3139)

RESPONSE: Undisputed.

81. The supporting spreadsheet for the 2011 SFC shows that the valuation for 40 Wall Street was derived by applying a cap rate of 5% to net operating income of \$26,234,000. (Ex. 13 at Rows 112-121)

RESPONSE: Undisputed.

82. The net operating income of \$26,234,000 reflected income of \$47,819,400 and expenses of \$21,585,000. The \$47,819,400 of income was based on projected “Average Income for the five year period 2013 – 2017.” The \$21,585,000 of expenses was based on projected “Average Expenses for the five year period 2013 – 2017.” (Ex. 13 at Rows 114-118)

RESPONSE: Undisputed.

83. Donald Bender testified that it was misleading for the Trump Organization not to provide Mazars with the 2010 40 Wall Appraisal and that if he had been aware of it, that could have led to the 2011 SFC not being issued. (Ex. 72 at 661:12-664:7)

RESPONSE: Disputed. Donald Bender testified that if he would have been aware of the 2010 40 Wall Street Appraisal, he would have “discussed it with [the client]” to ascertain the “reasons [the client] thought the appraisal was [an] inappropriate . . . amount to use in the statement of financial condition” and if no satisfactory explanation was provided then he would have “kicked it upstairs to the firm and the quality control group or [his] reviewers” and that the firm would potentially “accept [the client’s number]” based on the explanation. (Faherty Aff., Ex. 72 at 663:7–25) Moreover, in his deposition in this case, Mr. Bender testified that he performed reviews and audits (depending on the year), prepared tax returns, and did other additional work for 40 Wall Street LLC. (Robert Aff., Ex. AAP, Bender Tr. 69:11–24) While

performing work for 40 Wall Street LLC, Bender would have had access to “general ledgers, the trial balances, the bank statements, the bank reconciliations to start, and obviously [he] would have access to look at bills[.]” (*Id.* 69:25–70:10) Bender further testified that he had access to personnel that would “answer any questions that [he] had about the operations of 40 Wall Street LLC” and that to his recollection there was no information that he requested and did not receive relative to a compilation, review or audit. (*Id.* 70:11–23) Additionally, Bender reviewed mortgage documents for 40 Wall Street, which should have put him on notice to the existence of bank commissioned appraisals in relation to the mortgage on 40 Wall Street. *Id.* 348:4–16. Moreover, Bender admittedly did not read appraisals that he received in relation to the compilation engagement, as he testified that he does believe he read any appraisals, and he has “no recollection of reading a whole appraisal.” (*Id.* at 249:14–250:5) This means that even if Bender had the 2010 appraisal of 40 Wall Street, which he had sufficient information to know about or request, it would likely not have affected the issuance of the compilation report. Moreover, the veracity of the 2010 appraisal is disputed because it significantly understated the “As Is” value of the property by using conservative assumptions that did not accurately reflect the actual leasing conditions at the property, using a capitalization rate that is inconsistent with market sales, and failing to account for improving market conditions and occupancy rates, among other failures among other failures. (Chin Aff. ¶¶ 38-40)

84. In November 2011, Cushman prepared another appraisal of 40 Wall Street for Capital One Bank (“Capital One”) that valued the building at \$200,000,000, as-of November 1, 2011, with a prospective market value of \$280,000,000, as-of November 1, 2014. (Ex. 73 at -360-361) The appraisal was signed by Douglas Larson, Naoum Papagianopoulos and Robert Nardella of Cushman. (Ex. 73 at -362)

RESPONSE: Disputed. The prospective market value as of November 1, 2014 listed on the appraisal was \$270,000,000 and not \$280,000,000. Moreover, the veracity of the 2011 appraisal is disputed for several reasons, including: (1) Cushman made several leasing assumptions that when converted to a net effective rent was materially lower than the net effective rent the building actually achieved, and such underestimation negatively impacted 40 Wall Street's as is value and also affected the 2015 projected value because Cushman's net effective rents were on average \$1.82 per square foot lower than the actual net effective rates commanded by the building in 2011 and 2012; (2) Cushman's underestimated net rents in turn magnified the impact on the value over the 15-year projection period, significantly delaying the property's attainment of stabilization; (3) Cushman ignored the improving market conditions and the positive impact that would have on value creation to both rentals and sales of class A commercial buildings; (4) Cushman used a capitalization rate that was inconsistent with market sales; (5) Cushman used historical data that reflected a lower occupancy rate, as opposed to projections used for valuation in the SOFC, which projections were proven accurate. (Chin Aff. ¶¶ 38-44, Ex. A at 22-30) These issues, among others, led to a decreased value of 40 Wall Street in the 2011 appraisal, making the 2011 appraisal an unreliable figure to use as a valuation.

85. In October 2012, Cushman prepared an appraisal of 40 Wall Street for Capital One that valued the building at \$220,000,000, as-of November 1, 2012, with a prospective market value of \$260,000,000, as-of November 1, 2015 (the "2012 40 Wall Appraisal"). (Ex. 74 at -0758-0759) The 2012 40 Wall Appraisal was signed by Douglas Larson, Naoum Papagianopoulos and Robert Nardella of Cushman. (Ex. 74 at -0760)

RESPONSE: Undisputed that the appraisal was performed, contained the valuations listed, and was signed by the listed individuals. However, the veracity of the 2012 appraisal is

disputed for several reasons including: (1) Cushman made several leasing assumptions that when converted to a net effective rent was materially lower than the net effective rent the building actually achieved, and such underestimation negatively impacted 40 Wall Street's as is value and also affected the 2015 projected value because Cushman's net effective rents were on average \$1.82 per square foot lower than the actual net effective rates commanded by the building in 2011 and 2012; (2) Cushman's underestimated net rents in turn magnified the impact on the value over the 15-year projection period, significantly delaying the property's attainment of stabilization; (3) Cushman ignored the improving market conditions and the positive impact that would have on value creation to both rentals and sales of class A commercial buildings; (4) Cushman used a capitalization rate of 7% that was inconsistent with market sales, which was approximately 175 basis points higher than the highest cap rate used for comparable properties (6.74%) in Midtown Manhattan; (5) Cushman used historical data that reflected a lower occupancy rate, as opposed to projections used for valuation in the SOFC, which projections were proven accurate. (Chin Aff. ¶¶ 38-44, Ex. A at 22-30) These issues, among others, led to a decreased value of 40 Wall Street in the 2012 appraisal, making the 2012 appraisal an unreliable figure to use as a valuation.

86. The Trump Organization had a copy of the 2012 40 Wall Appraisal in its files. (Ex. 75 at -8605)

RESPONSE: Undisputed.

87. Allen Weisselberg testified that in 2011 or 2012, he had "the appraisal for 40 Wall showing a value of about \$200 million, [he] listed a higher value on the statement of financial condition because it was [his] view that the building was worth more." (Ex. 49 at 135:20-138:06)

RESPONSE: Disputed. Allen Weisselberg testified that he “think[s he] used [an appraisal for] the end of 2012 possibly” and that “the years blend together . . . after all these years” and therefore, he “just doesn’t recall” the year of the appraisal he used. (Faherty Aff., Ex. 49 at 137:2–13). Moreover, the veracity of the 2011 and 2012 appraisals are disputed because certain assumptions employed by Cushman led to a decreased valuation, making these appraisals immaterial to the compilation of President Trump’s SOFC. (Chin Aff. ¶¶ 38-44, Ex. A at 22-30)

88. The 2012 SFC represents that the \$527,200,000 estimated current value of 40 Wall Street was “based upon a successful renegotiation of the ground lease and an evaluation made by Mr. Trump in conjunction with his associates and outside professionals of leases that have been signed or are currently the subject of negotiation, and a capitalization rate was applied to the resultant cash flow to be derived from the buildings operations.” (Ex. 2 at -6316)

RESPONSE: Undisputed.

89. The supporting spreadsheet for the 2012 SFC shows that the valuation for 40 Wall Street was derived by applying a cap rate of 4.31% to net operating income of \$22,722,000. (Ex. 14 at Rows 110-133)

RESPONSE: Undisputed.

90. The net operating income of \$22,722,000 reflected income of \$43,332,000 and expenses of \$20,610,000. The \$43,332,000 of income consisted of: (i) \$35,212,000 from “Income-rented space,” and (ii) \$8,120,000 from “Income-vacant space.” (Ex. 14 at Rows 115-121)

RESPONSE: Undisputed.

91. The supporting spreadsheet for 2012 shows that the cap rate of 4.31% was based on “Information provided by Doug Larson of Cushman & Wakefield, Inc which reflects cap

rates of 4.23% and 4.39% for similar sized office buildings at 14 Wall Street and 4 NY Plaza. We used the average rate for these two properties (i.e. 4.31%).” (Ex. 14 Rows 131-133)

RESPONSE: Undisputed.

92. Donald Bender testified that it was misleading for the Trump Organization not to provide Mazars with the 2012 40 Wall Appraisal and that if he had been aware of it, that could have led to the 2012 SFC not being issued. (Ex. 72 at 665:15-666:18) Donald Bender testified in 2023 that, over the previous ten or twelve years, he asked the Trump Organization every year for appraisals in connection with the Statement of Financial Condition engagement, and specifically, “Do you have any other appraisals?” (Ex. 421 at 239:8-16; 229:9-24) Mr. Bender testified that he made this request to Mr. McConney. (Ex. 421 at 242:21-24) When asked whether “Mr. McConney’s annual response to your request for appraisals” was “I’ve sent you everything I’ve got,” Mr. Bender responded that Mr. McConney’s response was, “I have nothing else.” (Ex. 421 at 243:6-10)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Mr. Bender testified that he performed reviews and audits (depending on the year), prepared tax returns, and did other additional work for 40 Wall Street LLC. (Robert Aff., Ex. AAP, Bender Tr. 69:11–24) While performing work for 40 Wall Street LLC, Bender would have had access to “general ledgers, the trial balances, the bank statements, the bank reconciliations to start, and obviously [he] would have access to look at bills[.]” (*Id.* 69:25–70:10) Mr. Bender further testified that he had access to personnel that would “answer any questions that [he] had about the operations of 40 Wall Street LLC” and that to his recollection there was no information that he requested and did not

receive relative to a compilation, review or audit. (*Id.* 70:11–23) Additionally, Bender reviewed mortgage documents for 40 Wall Street, which should have put him on notice to the existence of bank commissioned appraisals in relation to the mortgage on 40 Wall Street. *Id.* 348:4–16. Moreover, Bender admittedly did not read appraisals that he received in relation to the compilation engagement, as he testified that he does believe he read any appraisals, and he has “no recollection of reading a whole appraisal.” (*Id.* at 249:14–250:5) Mr. Bender also did not request appraisals every year, as he testified he only asked if other appraisals existed on “most years.” (*Id.* at 239:14–16) Finally, the veracity of the 2012 appraisal is disputed because certain assumptions employed by Cushman led to a decreased valuation, making these appraisals immaterial to the compilation of President Trump’s SOFC. (Chin Aff. ¶¶ 38-44, Ex. A at 22-30)

93. The 2013 SFC represents that the \$530,700,000 estimated current value of 40 Wall Street was “based upon a successful renegotiation of the ground lease and an evaluation made by Mr. Trump in conjunction with his associates and outside professionals of leases that have been signed or are currently the subject of negotiation, and a capitalization rate was applied to the resultant cash flow to be derived from the buildings operations.” (Ex. 3 at -042)

RESPONSE: Undisputed.

94. The supporting spreadsheet for the 2013 SFC shows that the valuation for 40 Wall Street was derived by applying a cap rate of 4.31% to net operating income of \$22,872,800. (Ex. 15 at Rows 110-142)

RESPONSE: Undisputed.

95. The net operating income of \$22,872,800 reflected income of \$43,552,800 and expenses of \$20,680,000. The \$43,552,800 of income consisted of: (i) \$36,981,000 from “Income-rented space,” (ii) \$5,171,800 from “Income-vacant office space,” and (iii) \$1,400,000

from “Income-vacant retail space,”. (Ex. 15 at Rows 115-122)

RESPONSE: Undisputed.

96. The supporting spreadsheet for 2013 shows that the cap rate of 4.31% was carried over from 2012 because “No similar sized buildings sold in the downtown area in the last year so we used the same rate cap.” (Ex. 15 at Rows 141-142)

RESPONSE: Undisputed.

97. In an annual review dated October 31, 2013, Capital One valued 40 Wall at \$250,489,000. (Ex. 76 at -0905)

RESPONSE: Undisputed that Capital One internally valued 40 Wall Street at \$250,489,000, but dispute the internal valuation’s veracity because the internal valuation did not recognize significantly improving property occupancy and market conditions, which led to an undervaluation of 40 Wall Street. (Chin Aff. ¶¶ 45-46)

98. The 2014 SFC represents that the \$550,100,000 estimated current value of 40 Wall Street was “based upon a successful renegotiation of the ground lease and an evaluation made by Mr. Trump in conjunction with his associates and outside professionals of leases that have been signed or are currently the subject of negotiation, and a capitalization rate was applied to the resultant cash flow to be derived from the buildings operations.” (Ex. 4 at -722)

RESPONSE: Undisputed.

99. The supporting spreadsheet for the 2014 SFC shows that the valuation for 40 Wall Street was derived by applying a cap rate of 4.34% to net operating income of \$23,873,545. (Ex. 16 at Rows 110-142)

RESPONSE: Undisputed.

100. The net operating income of \$23,873,545 reflected “Stabilized-based on cash flow

prepared July 2014 including pending leases, Green Ivy and vacant space.” (Ex. 16 at Rows 137-138)

RESPONSE: Undisputed.

101. Based upon the supporting data provided to Mazars, Green Ivy did not start paying rent until November 18, 2016. (Ex. 77)

RESPONSE: Undisputed.

102. The supporting spreadsheet for 2014 shows that the cap rate of 4.34% was used based on “Information provided by Doug Larson of Cushman & Wakefield, Inc. Only one similar sized Class A building sold in the downtown area in the last year (110 William Street) with a cap rate of 4.97%. There was one Class B building sold recently (61 Broadway). The cap rate for this building [sic] is 4.46%. According to Doug, the spread between Class A and Class B buildings is typically 50 -100 basis points. To be conservative, we reduced the cap rate by 75 basis points to 3.71%. We used the average of these two rates.” (Ex. 16 at Rows 148-152)

RESPONSE: Undisputed.

103. In an annual review dated November 17, 2014, Capital One valued 40 Wall at \$257,729,000. (Ex. 78 at -0385)

RESPONSE: Undisputed that Capital One internally valued 40 Wall at \$257,729,000, but dispute the internal valuation’s veracity because the internal valuation did not recognize significantly improving property occupancy and market conditions, which led to an undervaluation of 40 Wall Street. (Chin Aff. ¶¶ 45-46)

104. In June 2015, Cushman prepared an appraisal of 40 Wall Street for Ladder Capital Finance LLC (“Ladder Capital”) that valued the building as-is at \$540,000,000, as-of June 1, 2015 (the “2015 40 Wall Appraisal”). (Ex. 79 at -9324) The appraisal was signed by Douglas

Larson, Naoum Papagianopoulos and Robert Nardella of Cushman. (Ex. 79 at -9325)

RESPONSE: Undisputed that the appraisal was performed, contained the valuations listed, and was signed by the listed individuals. However, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer took optimistic views of 40 Wall Street's potential future value, considering improving market trends and occupancy, which optimistic forward-looking valuation method is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

105. One of the comparable properties considered by Cushman was 100 Wall Street. In comparing 100 Wall Street to 40 Wall, "a downward adjustment was required for property rights conveyed. A downward adjustment was required for size under the premise that smaller properties sell for more per square foot than larger properties." (Ex. 79 at -9419)

RESPONSE: Undisputed that the appraisal so states. However, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer took optimistic views of 40 Wall Street's potential future value, considering improving market trends and occupancy, which optimistic forward-looking valuation approach is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

106. The Trump Organization had a copy of the 2015 40 Wall Appraisal in its files. (Ex. 75 at -8605)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer took optimistic views of 40 Wall Street's potential future value, considering improving market trends and occupancy, which optimistic forward- looking approach is not contemplated by the 2015

appraisal (Chin Aff. ¶ 38).

107. In an email exchange from August 4, 2015, Allen Weisselberg discussed the \$540 million valuation in the Cushman appraisal with his son Jack Weisselberg, an employee at Ladder Capital. (Ex. 80)

RESPONSE: Disputed. Allen Weisselberg did not discuss the \$540,000,000 Cushman valuation with Jack Weisselberg. Rather, Allen Weisselberg forwarded several questions to his son via email sent by a journalist asking for information regarding Ladder Capital's loan on 40 Wall Street. The question that Allen Weisselberg asked his son was "What was the LTV on the deal?" Only then did Jack Weisselberg mention the \$540,000,000 appraised value in response to Allen Weisselberg's question and questions from the journalist; however, there was no discussion about the valuation itself, only its effect on the LTV of the loan, and the Cushman appraisal was not mentioned in the discussion. Faherty Aff. Ex. 80. Moreover, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer took optimistic views of 40 Wall Street's potential future value, considering improving market trends and occupancy, which optimistic forward-looking approach is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

108. The 2015 SFC represents that the \$735,400,000 estimated current value of 40 Wall Street was "based upon an evaluation made by Mr. Trump in conjunction with his associates and outside professionals of leases that have been signed or are currently the subject of negotiation, and a capitalization rate was applied to the resultant cash flow to be derived from the buildings operations." (Ex. 5 at -696)

RESPONSE: Undisputed.

109. The supporting spreadsheet for the 2015 SFC shows that the valuation for 40 Wall

Street was derived by applying a cap rate of 3.29% to net operating income of \$24,194,280. (Ex. 17 at Rows 120-127)

RESPONSE: Undisputed.

110. The net operating income of \$24,194,280 consisted of: (i) \$18,569,800 from “2016 Budget before debt service, cap ex, TI, leasing commissions,” (ii) \$3,665,000 from “Additional income to bring rent roll to a stabilized basis,” (iii) \$891,985 from “Additional income for leases that are currently being negotiated,” and (iv) \$1,067,495 from “Additional income - vacant space.” (Ex. 17 at Rows 120-124)

RESPONSE: Undisputed.

111. The supporting spreadsheet for 2015 shows that the cap rate of 3.29% was used based on “Based on information provided by Douglas Larson of Cushman & Wakefield on 11/23/2015 which reflects a rate cap of 3.04% for 100 Wall Street. Based on a telephone conversation with Doug Larsen [sic] on 2/1/2016, since the ground lease still has about 190 years left the effect on the cap rate is minimal. To be conservative we increased the cap rate .25% to 3.29%.” (Ex. 17 at Rows 141-145)

RESPONSE: Undisputed.

112. Jeffrey McConney sent Donald Bender an excerpt of the 2015 40 Wall Appraisal to support using the 3.04% cap rate from 100 Wall Street. (Ex. 81) But Mr. McConney excluded from the excerpt a section of the appraisal showing that Mr. Larson declined to use the 3.04% cap rate from 100 Wall Street and determined that a 4.25% was appropriate for 40 Wall Street. (Ex. 79 at -9324)

RESPONSE: Disputed. The appraisal excerpt sent to Mr. Bender indicated that the capitalization rate used for 40 Wall Street under a direct capitalization approach was 4.25%. The

excerpt also displays the capitalization rates for all other properties used as comparable in that appraisal. The appraisal excerpt also included the capitalization rates (OAR) for every comparable property considered, which capitalization rates range from a low of 2.68% to a high of 7.68%. The information in the appraisal excerpt is sufficient for Mr. Bender to deduce that Cushman used a capitalization rate of 4.25% to value 40 Wall Street. (*See generally* Faherty Aff., Ex. 81) Mr. Bender also testified that the capitalization rate used for 40 Wall Street in the 2015 appraisal was 4.25%. (Faherty AFF., Ex. 72 670:21—671:2) Further, Mr. Bender stated that he did “not always” read what was sent to him by the client, and that he does “not believe any member of [his] team ever – to [his] knowledge, ever saw or worked on this – document.” (Robert Aff., Ex. AAP, Bender Tr. 335:10–23, 336:11–16) Moreover, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking approach looking is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

113. Donald Bender testified that it was misleading for the Trump Organization not to disclose the evaluation of the 100 Wall Street transaction in the 2015 40 Wall Appraisal and that if he had been aware of it, that could have led to the 2011 SFC not being issued. (Ex. 72 at 670:14-674:14)

RESPONSE: Disputed. Mr. Bender did not state that the SOFC may not have been issued, he stated that Mazars potentially would not have issued the SOFC “with the amounts shown.” (Faherty Aff., Ex. 72 at 674:14–15). Moreover, the appraisal excerpt sent to Mr. Bender indicated that the capitalization rate used for 40 Wall Street under a direct capitalization approach was 4.25%. The excerpt also displays the capitalization rates for all other properties used as comparable in that appraisal. The appraisal excerpt also included capitalization rates

(OAR) for every comparable property considered, which capitalization rates range from a low of 2.68% to a high of 7.68%. The information in the appraisal excerpt is sufficient for Mr. Bender to deduce that Cushman used a capitalization rate of 4.25% to value 40 Wall Street. (*See generally* Faherty Aff., Ex. 81) Mr. Bender also testified that the capitalization rate used for 40 Wall Street in the 2015 appraisal was 4.25%. (Faherty AFF., Ex. 72 670:21—671:2) Further, Mr. Bender stated that he did “not always” read what was sent to him by the client, and that he does “not believe any member of [his] team ever – to [his] knowledge, ever saw or worked on this – document.” (Robert Aff., Ex. AAP, Bender Tr. 335:10–23, 336:11–16) Moreover, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking approach looking is not contemplated by the 2015 appraisal (Chin Aff. ¶ 38).

114. The chart below shows the increase in the value of 40 Wall over the independent valuations conducted between 2011 and 2015:

Year	SFC Value	Independent Value	Reduction
2011	\$524,700,000	\$200,000,000	\$324,700,000
2012	\$527,200,000	\$220,000,000	\$307,200,000
2013	\$530,700,000	\$250,489,000	\$280,211,000
2014	\$550,100,000	\$257,729,000	\$292,371,000
2015	\$735,400,000	\$540,000,000	\$195,400,000

RESPONSE: Disputed. The independent valuations listed are in dispute, as they use inappropriate assumptions in deriving value, and, therefore, the listed reductions are inappropriate as it would wrongfully diminish the property’s estimated current value. Moreover, President Trump, as a land developer took optimistic views of 40 Wall Street’s potential future

value, considering improving market trends and occupancy, which optimistic forward-looking approach is not contemplated by the 2011, 2012, 2013, 2014, and 2015 appraisals or Capital One's internal valuations, thereby any reduction to 40 Wall Street's value is inappropriate. (Chin Aff. ¶¶ 38-46, Ex. A at 22-30)

115. The 2016 SFC represents that the \$796,400,000 estimated current value of 40 Wall Street was "based upon an evaluation made by the Trustees in conjunction with their associates and outside professionals based on comparable sales." (Ex. 6 at -1988) The 2016 SFC stated that 40 Wall Street was a "72-story tower consisting of 1.3 million square feet." (Ex. 6 at -1988) The 2016 SFC did not disclose the change in methodology from 2015 used to determine the estimated current value of 40 Wall Street.

RESPONSE: Disputed. Any reader of the 2016 SOFC would be able to determine the valuation method used for 40 Wall Street in 2016, which was "comparable sales" (Faherty Aff., Ex. 6 at 1988). The 2015 SOFC similarly informed the reader that of the valuation method employed, which was reached through the consideration "of leases that have been signed or are currently the subject of negotiation, and a capitalization rate applied to the resultant cash flow to be derived from the building's operations." (Faherty Aff., Ex. 5, at -0696)

116. The supporting spreadsheet for the 2016 SFC shows that the valuation for 40 Wall Street was derived by multiplying 1,164,286 "Total SF" by a price of "\$684 per sq ft from 60 Wall Street." (Ex. 18 at Rows 134-140)

RESPONSE: Undisputed.

117. The 2016 valuation did not reduce the value of 40 Wall Street to account for the ground rent due on the building.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

118. The supporting data provided to Mazars consisted of printouts of articles concerning the sale of 60 Wall Street and did not come from outside professionals. (Ex. 82)

RESPONSE: Disputed, all of the articles regarding 60 Wall Street were prepared by outside professionals (i.e., the Costar Group). (Faherty Aff., Ex. 82).

119. The supporting data provided to Mazars, noted that the sale of 60 Wall Street was \$1 billion for a 95 percent stake at a price of \$640 per square foot. (Ex. 82) The Trump Organization adjusted the price to \$684 per square foot to reflect a 100 percent interest in the building. The supporting documents noted that the \$640 price per square foot was “down from the \$730 per square foot the tower traded at in June 2007.” (Ex. 82)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, the NYAG fails cite evidence to support that “the price [was adjusted up] to \$684 per square foot to reflect a 100 percent interest in the building.”

120. In the 2007 SFC, the Trump Organization valued 40 Wall Street at \$525,000,000. (Ex. 83 at 8)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed.

121. In the 2015 40 Wall Appraisal, Cushman distinguished 60 Wall Street as a “large post-war building,” as compared with 40 Wall Street, a pre-war building built in 1929. (Ex. 79 at -9369-70)

RESPONSE: Disputed. The 2015 Appraisal describes 60 Wall Street as a part of a list of

“Modern buildings constructed since 1980,” which was a distinct subcategory from the “other large post-war buildings” listed. (Faherty Aff. Ex. 79 at -9369-70). Moreover, the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking approach looking is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

122. The 2015 40 Wall Appraisal did not identify 60 Wall Street as either “considered to be competitive” or “directly competitive” with 40 Wall Street. (Ex. 79 at -9370-74)

RESPONSE: Undisputed that the 2015 40 Wall Appraisal did not identify 60 Wall Street as a competitive building, but the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking approach looking is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

123. The 2017 SFC represents that the \$702,100,000 estimated current value of 40 Wall Street was “based upon an evaluation made by the Trustees in conjunction with their associates and outside professionals based on comparable sales.” (Ex. 7 at -1847) The 2017 SFC stated that 40 Wall Street was a “72-story tower consisting of 1.3 million square feet.” (Ex. 7 at -1847)

RESPONSE: Undisputed.

124. The supporting spreadsheet for the 2017 SFC shows that the valuation for 40 Wall Street was derived by multiplying 1,164,286 “Total SF” by a price of “\$603 per sq ft from recent sales comps.” (Ex. 19 at Rows 137-147)

RESPONSE: Undisputed.

125. The 2017 valuation did not reduce the value of 40 Wall Street to account for the ground rent due on the building.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

126. The supporting data provided to Mazars, indicated that the Trump Organization selected the two highest price per square foot sales 10 “Downtown Office Improved Sales.” (Ex. 84) The two buildings selected – 60 Wall Street and 85 Broad Street – were built in the 1980s. (Ex. 84)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, the use of the prices per square foot chosen were appropriate choices from the available data to create a forward-looking optimistic valuation from a developer’s perspective, and Plaintiff fails to cite any evidence that the chosen prices per square foot were inappropriate to use as comparables.

127. The sale price of 60 Wall Street was identified as \$624 per square foot, below the \$684 per square foot used for the same sale in 2016. (Ex. 84)

RESPONSE: Undisputed.

128. The 2015 40 Wall Appraisal did not identify 60 Wall Street or 85 Broad Street as either “considered to be competitive” or “directly competitive” with 40 Wall Street. (Ex. 79 at - 9370-74)

RESPONSE: Undisputed that the 2015 40 Wall Appraisal did not identify 60 Wall Street or 85 Broad Street as competitive buildings, but the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking

approach is not contemplated by the 2015 appraisal. (Chin Aff. ¶ 38)

129. The 2015 40 Wall Appraisal did list 123 William Street as a “directly competitive building.” (Ex. 79 at -9374, -9462) The supporting data provided to Mazars indicated that 123 William Street sold in March 2015 for a price of \$463.96 per square foot. (Ex. 84) The 2015 40 Wall Appraisal considered that sale and adjusted the price down to \$443.97 per square foot to account for comparisons with 40 Wall Street, including the “property rights conveyed.” (Ex. 79 at -9419-9418)

RESPONSE: Undisputed that the 2015 appraisals listed 123 William Street as a competitive building, and that the supporting data listed 123 William Street at a price of \$463.96 per square foot, but the veracity of the 2015 appraisal is disputed because President Trump, as a land developer, took optimistic views of 40 Wall Street’s potential future value, considering improving market trends and occupancy, which forward looking approach is not contemplated by the 2015 appraisal, and thereby the 2015 appraisal undervalues 40 Wall Street. (Chin Aff. ¶ 38)

130. The 2018 SFC represents that the \$720,300,000 estimated current value of 40 Wall Street was “based upon an evaluation made by the Trustees in conjunction with their associates and outside professionals based on comparable sales.” (Ex. 8 at -2730) The 2018 SFC stated that 40 Wall Street was a “72-story tower consisting of 1.3 million square feet.” (Ex. 8 at -2730)

RESPONSE: Undisputed.

131. The supporting spreadsheet for the 2018 SFC shows that the valuation for 40 Wall Street was derived by multiplying 1,164,286 “Total SF” by a price of “\$647 per sq ft from recent sales comps.” (Ex. 20 Rows 137-157) That total of \$753,293,042 was then reduced by

\$33,000,000, reflecting ground rent of \$1,650,000 and a cap rate of 5%.

RESPONSE: Undisputed.

132. The supporting spreadsheet identified the source for the “recent sales comps” as “Sales price per sq ft comps provided by Michael Papagionopoulous [sic] of Cushman & Wakefield on 9/11/18.” (Ex. 20 at Rows 155-156) That email, however, makes no mention of 40 Wall Street, covers a list of all midtown and downtown office sales, and contains no analysis of whether any properties listed are comparable to 40 Wall Street. (Ex. 85) In a later thread in that chain, a Trump Organization employee confirms that “there haven’t been any Downtown Class A Office Building sales since November 2017.” (Ex. 86)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, the email between Mr. Papagionopoulous and Mr. Birney was regarding “MT Office Sales and DT Office Sales data[,]” and Mr. Papagionopoulous provided the available data relevant to those sales. (Faherty Aff. Ex. 85) The supporting data spreadsheet represented the same, as these were the most recent comp sales. While it was confirmed that there were no “Downtown Class A Office Building sales since November 2017,” the relevant data available at the time was used to formulate forward-looking optimistic valuation assumptions from a developer’s perspective. (Faherty Aff. Ex. 85)

133. The supporting data provided to Mazars, indicated that the Trump Organization selected the two highest price per square foot sales 10 “Downtown Office Improved Sales.” (Ex. 87) Once again 60 Wall Street was selected. But this time 85 Broad Street was excluded for a higher priced sale at 1 Liberty Plaza, built in 1972. (Ex. 87)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Moreover, while the prices per sq. foot chosen were the highest from available data, the data was used to formulate forward-looking optimistic valuation assumptions from a developer’s perspective, making the valuation method appropriate.

134. The 2019 SFC represents that the \$724,100,000 estimated current value of 40 Wall Street was “based upon an evaluation made by the Trustees in conjunction with their associates and outside professionals based on comparable sales.” (Ex. 19 at -1795) The 2019 SFC stated that 40 Wall Street was a “72-story tower consisting of 1.3 million square feet.” (Ex. 19 at -1795)

RESPONSE: Undisputed.

135. The supporting spreadsheet for the 2019 SFC shows that the valuation for 40 Wall Street was derived by multiplying 1,207,042 “Newly Measured Square Footage per email from Miles Fennon of Cushman & Wakefield on 9/24/19” by a price of “\$630 per sq ft from recent sales comps.” (Ex. 21 at Rows 135-161) That total of \$760,436,460 was then reduced by \$36,300,000, reflecting an increased ground rent of \$1,815,000 and a cap rate of 5%.

RESPONSE: Undisputed.

136. The supporting spreadsheet identified the source for the “recent sales comps” as “Sales price per sq ft comps provided by Douglas Larson of Newmark on 7/8/19.” (Ex. 21 at Rows 156-157)

RESPONSE: Undisputed.

137. That email, however, makes no mention of 40 Wall Street, covers a list of all

midtown and downtown office sales, and contains no analysis of whether any properties listed are comparable to 40 Wall Street. (Ex. 88) In a later thread in that chain, a Trump Organization employee confirms that as of July 2019, “the last Class A Downtown sale was May 2018.” (Ex. 89)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The supporting spreadsheets indicate that the price per square foot came from “comps provided by Douglas Larson of Newmark on 7/8/19[,]” (Faherty Aff., Ex. 21) which is exactly what Mr. Larson provided, “midtown and downtown” sales. (Ex. 88) Even if the “the last Class A Downtown sale was May 2018” the relevant data available at the time was used to formulate forward-looking optimistic valuation assumptions from a developer’s perspective.

138. The supporting data provided to Mazars, indicated that once again 60 Wall Street, 85 Broad Street and 1 Liberty Plaza were selected as comparables. (Ex. 89)

RESPONSE: Undisputed.

139. The 2020 SFC represents that the \$663,600,000 estimated current value of 40 Wall Street was “based on comparable sales.” (Ex. 10 at -2258) The 2020 SFC stated that 40 Wall Street was a “72-story tower consisting of 1.2 million square feet.” (Ex. 10 at -2258)

RESPONSE: Undisputed.

140. The supporting spreadsheet for the 2020 SFC shows that the valuation for 40 Wall Street was derived by multiplying 1,207,042 “Newly Measured Square Footage per email from Miles Fennon of Cushman & Wakefield on 9/24/19” by a price per square foot of \$588. (Ex. 22 at Rows 122-128) That price per square foot was derived by taking “\$692 per sq ft

from 44 Wall Street sold March 2020 (per NYC)” and applying a “15% ppsf discount to account for the difference in size of the buildings and covid.” (Ex. 22 at Rows 127-128) That total of \$709,904,341 was then reduced by \$46,300,001, reflecting an increased ground rent of \$2,315,000 and a cap rate of 5%.

RESPONSE: Undisputed.

141. The supporting data provided to Mazars, shows that for the first time, the Trump Organization used a New York City Department of Finance website as support for a comparable valuation. (Ex. 90 -2345) A printout from the website showing “PTS Sales as of 11/12/2020” included a sale of 44 Wall Street at \$200,000,000 with a “gross square feet” of 289,049 feet. (Ex. 90 -2345) Those numbers were used to calculate a price per square foot of \$691.93. (Ex. 90 - 2345)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed.

142. But on April 8, 2020, the Trump Organization had received an email from Doug Larson with the correct transaction details. (Ex. 91) The report from Mr. Larson reflected the correct square footage of 336,000 for a price per square foot of \$595 per square foot. (Ex. 91 - 8232)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. A report that was current as of November 12, 2020 from the State of New York was used for the square footage calculation of 44 Wall Street (Faherty, Ex. 90).

143. In 2021, the SFC simply repeated the valuation from 2020 because “The most relevant data point is the still 44 Wall St.” (Ex. 23 at Row 120)

RESPONSE: Disputed. The valuation in 2021 was not simply repeated from 2020, as in 2021 the supporting spreadsheet also listed that “111 Wall St secured a total financing package of \$500M which works out to \$500 ppsf[,] 100 Pearl St in contract at \$900 ppsf[, and] Since last year's ppsf of \$588 falls in between these two recent sales comps, we kept \$588.

144. The Mar-a-Lago club in Palm Beach, Florida is subject to a host of restrictions on its use and development.

RESPONSE: Disputed. The Attorney General fails to cite to any documentation in support of this proposition.

145. In 1993, Donald Trump submitted an application for a special exception to use Mar-a-Lago as a private social club. (Ex. 92) That application noted that “it is impractical for a single individual to continuously own Mar-a-Lago as a private estate at his or her sole expense. When The Post Foundation marketed the property after its return to the Foundation from the U.S. Government, it was almost impossible to sell. About 80 qualified buyers, thoroughly screened, inspected Mar-a-Lago and elected against even making an offer. H. Ross Perot was one prospect. Although ‘everything is for sale at a price,’ no one would step forward to make any offers for this so-called ‘white elephant.’” (Ex. 92 at 3)

RESPONSE: Undisputed.

146. As a result of the application, Mr. Trump entered into a Declaration of Use Agreement with the Town of Palm Beach providing that the “use of the Land shall be for a private social club” (Ex. 107 at -697)

RESPONSE: Undisputed.

147. Two years later, in 1995 Mr. Trump signed a Deed of Conservation and Preservation Easement giving up his rights to use the property for any purpose other than a social club. (Ex. 93).

RESPONSE: Disputed. The Deed of Conservation and Preservation Easement does not prohibit the use of the property as a private residence in addition to its use as a club, nor is there any requirement that Mar-a-Lago be used as a club in perpetuity. Robert Aff., Ex. AAAQ (“Shubin Aff.”) ¶¶ 10–13.

148. Several years later, in 2002, Mr. Trump signed a deed of development rights conveying to the National Trust for Historic Preservation “any and all of their rights to develop the Property for any usage other than club usage.” (Ex. 94)

RESPONSE: Disputed. The quoted language in the 2002 Deed must be construed consistent with the Preservation Easement, which does not prohibit the property from continuing to be used as a private residence. Shubin Aff., Ex. A at 4.

149. Because of the limitations placed on Mar-a-Lago through these deeds, the property has been taxed as a club, leading to a lower tax rate than a private home.

RESPONSE: Disputed. The Attorney General fails to cite to any documentation in support of this proposition.

150. This approach by the county has been public record for decades. In 2003, the Palm Beach County Appraiser Gary Nikolits was publicly quoted as saying Mar-a-Lago “no longer can be considered for a residential subdivision,” and “because the value of the club property has gone up, people can’t afford to belong because the tax load is so great. They have no intention of being anything but a club so they give up development rights.” (Ex. 96)

RESPONSE: Disputed. The language in paragraph 150 is accurately quoted, however,

the document is misleading. The property is currently zoned R-AA (Large Estate Residential) and, under this zoning designation, it may be used as a single-family home. Shubin Aff., Ex. A at 6.

151. In 2019 the Palm Beach County Assessor was quoted publicly as saying: “the value of the Mar-a-Lago property is figured each year using an ‘income approach,’ said Tim Wilmath, chief appraiser for the property appraiser’s office. The formula, he explained, ‘capitalizes’ the net operating income that the private club reports to the property appraiser each year. The reason for using that formula can be traced, in part, to a “deed of development rights “recorded in 2002 that prevents the property from being redeveloped or used for any purpose other than a club, Wilmath said. That deed restriction extended existing redevelopment restrictions already detailed in a conservation and preservation easement deed executed by the National Trust for Historic Preservation in 1995, the year before Trump opened his private club.” (Ex. 95)

RESPONSE: Undisputed that the article from the Palm Beach Daily News included the quoted language. However, Defendants dispute the veracity of the quoted language, as the deed of development rights does not prevent Mar-a-Lago from being used as a private residence. Shubin Aff. ¶¶ 9–12.

152. Neither the Trump Organization nor Donald Trump challenged either of these statements or the approach taken by the county in appraising Mar-a-Lago.

RESPONSE: Disputed. The Attorney General fails to cite to any documentation in support of this proposition. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is

attributed.

153. In the 2011 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 1 at -3140) The estimated current value of that category is \$1,314,600,000 in total. (Ex. 1 at -3140) The estimated current value of Mar-a-Lago is not separately disclosed in the 2011 SFC. (Ex. 1 at -3140) The 2011 SFC states that the “estimated current value of \$1,314,600 is based on an assessment of cash flow that is expected to be derived from club operations, the sale of residential units after subtracting the estimated costs to be incurred, or recent sales of properties in a similar location.” (Ex. 1 at -3140) The valuation method used for Mar-a-Lago is not separately disclosed in the 2011 SFC.

RESPONSE: Undisputed.

154. The 2011 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 1 at -3140) The 2011 SFC states that, through June 30, 2011, the Club holds \$38,040,000 in membership deposits, but that because “Mr. Trump will have use of those funds for that period with without cost and that the source of repayment will most likely be a replacement membership has led him to value this liability at zero.” (Ex. 1 at -3140) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2011 SFC.

RESPONSE: Undisputed.

155. The supporting spreadsheet for the 2011 SFC shows the value of Mar-a-Lago as \$426,529,614. (Ex. 13 at Row 217) That amount is described as “Value if sold to an individual.” (Ex. 13 at Row 185)

RESPONSE: Undisputed.

156. The value of \$426,529,614 was obtained by generating an “Average value per acre” using two asking prices for Palm Beach property, that average is then multiplied by the total acres of Mar-a-Lago. (Ex. 13 at Row 2000212) That number is then increased by 30 percent reflecting a “Premium for completed facility.” (Ex. 13 at Row 213) A deduction is then made for “Member Deposits.” (Ex. 13 at Row 215)

RESPONSE: Undisputed.

157. In the 2012 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 2 at -6317) The estimated current value of that category is \$1,570,300,000 in total. (Ex. 2 at -6317) The estimated current value of Mar-a-Lago is not separately disclosed in the 2012 SFC. (Ex. 2 at -6317) The 2012 SFC states that the “estimated current value of \$1,570,300,000 is based on an assessment of cash flow that is expected to be derived from club operations, cash expenditures to improve certain facilities, the sale of residential units after subtracting the estimated costs to be incurred, or recent sales of properties in a similar location.” (Ex. 2 at -6317) The valuation method used for Mar-a-Lago is not separately disclosed in the 2012 SFC.

RESPONSE: Undisputed.

158. The 2012 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 2 at -6317) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2012 SFC.

RESPONSE: Undisputed.

159. The supporting spreadsheet for the 2012 SFC shows the value of Mar-a-Lago as \$531,902,903. That amount is described as “Value if sold to an individual.” (Ex. 14 at Rows 187-220)

RESPONSE: Undisputed.

160. The value of \$531,902,903 was obtained by generating an “Average value per acre” using two asking prices for Palm Beach property, that average is then multiplied by the total acres of Mar-a-Lago. That number is then increased by 30 percent reflecting a “Premium for completed facility.” A deduction is then made for “Member Deposits.” (Ex. 14 at Rows 187-220)

RESPONSE: Undisputed.

161. In the 2013 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 3 at -043) The estimated current value of that category is \$1,656,200,000 in total. (Ex. 3 at -043) The estimated current value of Mar-a-Lago is not separately disclosed in the 2013 SFC. (Ex. 3 at -043) The 2013 SFC states that the “estimated current value of \$1,656,200,000 is based on an assessment of cash flow that is expected to be derived from club operations, cash expenditures to improve certain facilities, the sale of residential units after subtracting the estimated costs to be incurred, or recent sales of properties in a similar location. That assessment was prepared by Mr. Trump working in conjunction with his associates and outside professionals.” (Ex. 3 at -043) The valuation method used for Mar-a-Lago is not separately disclosed in the 2013 SFC.

RESPONSE: Undisputed.

162. The 2013 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000

square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 3 at -043) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2013 SFC.

RESPONSE: Undisputed.

163. The supporting spreadsheet for the 2013 SFC shows the value of Mar-a-Lago as \$490,149,221. That amount is described as “Value if sold to an individual.” (Ex. 15 at Rows 193-228)

RESPONSE: Undisputed.

164. The value of \$490,149,221 was obtained by generating a “Value per acre” using “Actual selling price” of property in Palm Beach. That value per acre is then multiplied by the total acres of Mar-a-Lago. Amounts are then added for, “Construction of Grand Ballroom,” “Construction of beach cabanas,” and “Construction of tennis pavillion and teahouse.” The total number is then increased by 30 percent reflecting a “Premium for completed facility and a greater build out.” An amount is added for “FF&E,” or furniture, fixtures and equipment, because “1220 S Ocean was a spec house and sold without FF&E. Value of FF&E on Mar-a-Lago balance sheet as of 6/30/2013 is added to the value of the property.” A deduction is then made for “Member Deposits.” (Ex. 15 at Rows 209-233)

RESPONSE: Undisputed.

165. In the 2014 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 4 at -723) The estimated current value of that category is \$2,009,300,000 in total. (Ex. 4 at -723) The estimated current value of Mar-a-Lago is not separately disclosed in the 2014 SFC. (Ex. 4 at -723) The 2014 SFC states that the “estimated current value of \$2,009,300,000 for these properties is shown on a cost basis and is net of

refundable non-interest bearing long-term deposits where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values. That assessment was prepared by Mr. Trump working in conjunction with his associates and outside professionals.” (Ex. 4 at -723) The valuation method used for Mar-a-Lago is not separately disclosed in the 2014 SFC.

RESPONSE: Undisputed.

166. The 2014 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 4 at -723) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2014 SFC.

RESPONSE: Undisputed.

167. The supporting spreadsheet for the 2014 SFC shows the value of Mar-a-Lago as \$405,362,123. That amount is described as “Value if sold to an individual.” (Ex. 16 at Rows 207-242)

RESPONSE: Undisputed.

168. The value of \$405,362,123 was obtained by generating a “Value per acre” using the “selling price” of property in Palm Beach. That value per acre is then multiplied by the total acres of Mar-a-Lago. Amounts are then added for, “Construction of Grand Ballroom,” “Construction of beach cabanas,” and “Construction of tennis pavillion and teahouse.” The total number is then increased by 30 percent reflecting a “Premium for completed facility and a greater build out.” An amount is added for “FF&E,” or furniture, fixtures and equipment, because “1220 S Ocean was a spec house and sold without FF&E. Value of FF&E on Mar-a-

Lago balance sheet as of 6/30/2013 is added to the value of the property.” A deduction is then made for “Member Deposits.” (Ex. 16 at Rows 210-242)

RESPONSE: Undisputed.

169. In the 2015 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 5 at -697) The estimated current value of that category is \$1,873,300,000 in total. (Ex. 5 at -697) The estimated current value of Mar-a-Lago is not separately disclosed in the 2015 SFC. (Ex. 5 at -697) The 2015 SFC states that the “estimated current value of \$1,873,300,000 for these properties is based on an evaluation made by Mr. Trump in conjunction with his associates and outside professionals and is net of refundable non-interest bearing long-term deposits, where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values.” (Ex. 5 at -697) The valuation method used for Mar-a-Lago is not separately disclosed in the 2015 SFC.

RESPONSE: Undisputed.

170. The 2015 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 5 at -697) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2015 SFC.

RESPONSE: Undisputed.

171. The supporting spreadsheet for the 2015 SFC shows the value of Mar-a-Lago as \$347,761,431. That amount is described as “Value if sold to an individual.” (Ex. 17 at Rows 192-218)

RESPONSE: Undisputed.

172. The value of \$347,761,431 was obtained by generating a “Value per acre” using the “Actual selling price” of property in Palm Beach. That value per acre is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” The total number is then increased by 30 percent reflecting a “Premium for completed facility and a greater build out.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits.” (Ex. 17 at Rows 200-218)

RESPONSE: Undisputed.

173. In the 2016 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 6 at -1989) The estimated current value of that category is \$2,107,800,000 in total. (Ex. 6 at -1989) The estimated current value of Mar-a-Lago is not separately disclosed in the 2016 SFC. (Ex. 6 at -1989) The 2016 SFC states that the “estimated current value of \$2,107,800,000 for these properties is based on an evaluation made by the Trustees in conjunction with their associates and outside professionals and is net of refundable non-interest bearing long-term deposits, where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values.” (Ex. 6 at -1989) The valuation method used for Mar-a-Lago is not separately disclosed in the 2016 SFC.

RESPONSE: Undisputed.

174. The 2016 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 6 at -1989) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2016 SFC.

RESPONSE: Undisputed.

175. The supporting spreadsheet for the 2016 SFC shows the value of Mar-a-Lago as \$570,373,061. That amount is described as “Value if sold to an individual.” (Ex. 18 at Rows 203-240)

RESPONSE: Undisputed.

176. The value of \$570,373,061 was obtained by generating an “Average value per acre” using the “Selling price” of three properties in Palm Beach. That value per acre is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits” and “Member Deposits Non-Refundable.” (Ex. 18 at Rows 206-240)

RESPONSE: Undisputed.

177. In the 2017 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 7 at -1848) The estimated current value of that category is \$2,159,700,000 in total. (Ex. 7 at -1848) The estimated current value of Mar-a-Lago is not separately disclosed in the 2017 SFC. (Ex. 7 at -1848) The 2016 SFC states that the “estimated current value of \$2,159,700,000 for these properties is based on an evaluation made by the Trustees in conjunction with their associates and outside professionals and is net of refundable non-interest bearing long-term deposits, where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values.” (Ex. 7 at -1848) The valuation method used for Mar-a-Lago is not separately disclosed in the 2017 SFC.

RESPONSE: Disputed. The 2017 Statement of Financial Condition contains the quoted language in the fourth sentence of paragraph 177, not the 2016 Statement of Financial Condition.

178. The 2017 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 7 at -1848) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2017 SFC.

RESPONSE: Undisputed.

179. The supporting spreadsheet for the 2017 SFC shows the value of Mar-a-Lago as \$580,028,373. That amount is described as “Value if sold to an individual.” (Ex. 19 at Rows 214-246)

RESPONSE: Undisputed.

180. The value of \$580,028,373 was obtained by generating an “Average value per acre” using the “Selling price” of three properties in Palm Beach. The three properties are the same three used for the 2016 SFC. That “Average value per acre” is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits Refundable.” (Ex. 19 at Rows 217-246)

RESPONSE: Undisputed.

181. In the 2018 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 8 at -2731) The estimated current value of that category is \$2,349,900,000 in total. (Ex. 8 at -2731) The estimated current value of Mar-a-Lago is not separately disclosed in the 2018 SFC. (Ex. 8 at -2731) The 2018 SFC states that the “estimated current value of \$2,349,900,000 for these properties is based on an evaluation made by the

Trustees in conjunction with their associates and outside professionals and is net of refundable non-interest bearing long-term deposits, where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values.” (Ex. 8 at -2731) The valuation method used for Mar-a-Lago is not separately disclosed in the 2018 SFC.

RESPONSE: Undisputed.

182. The 2018 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 8 at -2731) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2018 SFC.

RESPONSE: Undisputed.

183. The supporting spreadsheet for the 2018 SFC shows the value of Mar-a-Lago as \$739,452,519. That amount is described as “Value if sold to an individual.” (Ex. 20 at Rows 215-255)

RESPONSE: Undisputed.

184. The value of \$739,452,519 was obtained by generating an “Average value per acre” using the “Selling price” of two properties in Palm Beach. That value per acre is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits Refundable.” (Ex. 20 at Rows 233-255)

RESPONSE: Undisputed.

185. In the 2019 SFC, Mar-a-Lago is included in the category “Club Facilities and

Related Real Estate.” (Ex. 9 at -1796) The estimated current value of that category is \$2,349,900,000 in total. (Ex. 9 at -1796) The estimated current value of Mar-a-Lago is not separately disclosed in the 2019 SFC. (Ex. 9 at -1796) The 2019 SFC states that the “estimated current value of \$2,182,200,000 for these properties is based on an evaluation made by the Trustees in conjunction with their associates and outside professionals and is net of refundable non-interest bearing long-term deposits, where applicable. In those cases where a residential component exists, comparable sales were utilized in arriving at their values.” (Ex. 9 at -1796) The valuation method used for Mar-a-Lago is not separately disclosed in the 2019 SFC.

RESPONSE: Disputed. The estimated current value for “Club Facilities and Related Real Estate” in the 2019 Statement of Financial Condition is \$2,182,800,000, not \$2,349,900,000. Faherty Aff., Ex. 9 at -1796.

186. The 2019 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 9 at -1796) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2019 SFC.

RESPONSE: Undisputed.

187. The supporting spreadsheet for the 2019 SFC shows the value of Mar-a-Lago as \$647,118,780. That amount is described as “Value if sold to an individual.” (Ex. 21 at Rows 215-255)

RESPONSE: Undisputed.

188. The value of \$647,118,780 was obtained by generating an “Average value per acre” using the “Selling price” of five properties in Palm Beach. The two properties with the

highest “Value per acre” are the same two properties used for the 2018 SFC. That “Average value per acre” is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits Refundable.” (Ex. 21 at Rows 233-255)

RESPONSE: Undisputed.

189. In the 2020 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 10 at -2251-52) The estimated current value of that category is \$1,880,700,000 in total. (Ex. 10 at -2251) The estimated current value of Mar-a-Lago is not separately disclosed in the 2020 SFC. (Ex. 10 at -2252) The 2020 SFC states that the “estimated current value of \$1,880,700,000 for these properties is net of refundable non-interest bearing long-term deposits, where applicable, and was derived utilizing various methodologies including, without limitation, cost basis, comparable sales, appraisals and offers, where available.” (Ex. 10 at -2251) The valuation method used for Mar-a-Lago is not separately disclosed in the 2020 SFC.

RESPONSE: Undisputed.

190. The 2020 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest cottages.” (Ex. 10 at -2252) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2020 SFC.

RESPONSE: Undisputed.

191. The supporting spreadsheet for the 2020 SFC shows the value of Mar-a-Lago as \$517,004,874. That amount is described as “Value if sold to an individual.” (Ex. 22 at Rows

215-255)

RESPONSE: Undisputed.

192. The value of \$517,004,874 was obtained by generating an “Average value per acre” using the “Selling price” of five properties in Palm Beach. The three properties with the highest “Value per acre” are three of same properties used for the 2019 SFC. That “Average value per acre” is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits Refundable.” (Ex. 22 at Rows 233-255)

RESPONSE: Undisputed.

193. In the 2021 SFC, Mar-a-Lago is included in the category “Club Facilities and Related Real Estate.” (Ex. 11 at -6421) The estimated current value of that category is \$1,758,000,000 in total. (Ex. 11 at -6421) The estimated current value of Mar-a-Lago is not separately disclosed in the 2021 SFC. (Ex. 11 at -6421) The 2021 SFC states that the “estimated current value of \$1,758,000,000 for these properties is net of refundable non-interest bearing long-term deposits, where applicable, and was derived utilizing various methodologies including, without limitation, capitalization of income, gross income multiplier, cost basis, comparable sales, appraisals and offers, where available.” (Ex. 11 at -6421) The valuation method used for Mar-a-Lago is not separately disclosed in the 2021 SFC.

RESPONSE: Undisputed.

194. The 2020 SFC describes Mar-a-Lago as “an exclusive private club which consists of 117 rooms. Formerly known as the Marjorie Merriweather Post Estate, it features a 20,000 square foot Louis XIV style ballroom, world class dining, tennis courts, spa, cabanas and guest

cottages.” (Ex. 11 at -6421) There is no discussion of the use of Mar-a-Lago as a private home, or of a residential component to the property in the 2020 SFC.

RESPONSE: Disputed. Plaintiff cites the 2021 Statement of Financial Condition, but describes the 2020 Statement of Financial Condition. Defendants do not dispute that the 2020 Statement of Financial Condition contains the quoted language. Faherty Aff., Ex. 10 at -2252.

195. The supporting spreadsheet for the 2021 SFC shows the value of Mar-a-Lago as \$612,110,496. That amount is described as “Value if sold to an individual.” (Ex. 23 at Rows 185-245)

RESPONSE: Undisputed.

196. The value of \$612,110,496 was obtained by generating an “Average value per acre” using the “Selling price” of five properties in Palm Beach. That “Average value per acre” is then multiplied by the total acres of Mar-a-Lago. An amount is then added for, “Construction of Grand Ballroom and beach cabanas adjusted for inflation.” An amount is added for “FF&E,” or furniture, fixtures and equipment. A deduction is then made for “Member Deposits Refundable.” (Ex. 23 at Rows 213-245)

RESPONSE: Undisputed.

197. Because of the restrictions on the Mar-a-Lago property, including the 1995 and 2002 Deeds, Mar-a-Lago pays property tax based on its operation as a club. (Ex. 95) Each year the Palm Beach County Appraiser appraises the market value of Mar-a-Lago to determine its value for taxation purposes. (Exs. 98, 99) The market value assessed by the appraiser is defined as “The estimated price a willing buyer would pay and a willing seller accept, both being fully informed and the property exposed to the market for a reasonable period of time.” (https://www.pbcgov.org/papa/glossary.htm#Total_Market_Value).

RESPONSE: Disputed. Plaintiff's reliance on the Palm Beach County Appraiser "assessed value as proxy for investment value is flawed as there are significant differences in methods, and the qualifications of assessors vs. appraisers vs. owners. In addition, assessed values lack the knowledge and detailed support that qualified investment/sales brokers, appraisers, property owners, real estate developers provide when determining property value." (Chin Aff. ¶ 93)

198. Under ASC 274, Estimated Current Value can be determined using, "Assessed value for property taxes, including consideration of the basis for such assessments and their relationship to market values in the area."

RESPONSE: Disputed to the extent that ASC 274 affords the preparer of an SOFC wide latitude in the selection of methods and assumptions to use in determining Estimated Current Value and that this latitude is not limited by the method of valuation stated which is only one of many methods available to the preparer under ASC 724. Otherwise, undisputed insofar as the stated method is one of the methods available under ASC 274 for determining Estimated Current Value.

199. Each year, from 2011 through 2021, the Palm Beach Count Appraiser determined the market value of Mar-a-Lago to be as follows:

Year	Market Value
2011	\$18,000,000
2012	\$18,000,000
2013	\$18,000,000
2014	\$18,651,310
2015	\$20,309,516
2016	\$21,013,331

2017	\$23,100,000
2018	\$25,400,000
2019	\$26,600,000
2020	\$26,600,000
2021	\$27,600,000

(Source: Ex. 97; also available at

<https://www.pbcgov.org/papa/Asps/PropertyDetail/PropertyDetail.aspx?parcel=50434335000020390>)

RESPONSE: Undisputed that the figures in the chart are the “Assessed Total Value” but Defendants dispute that the Palm Beach County Appraiser determined the “market value” of Mar-a-Lago as “the tax-roll value assigned to Mar-a-Lago was not figured on what the land and buildings are worth in the traditional sense, according to the Palm Beach Country Property’s appraiser’s office. Instead, the value of the Mar-a-Lago property is figured each year using an ‘income approach[.]’” Faherty Aff., Ex. 95 at 2. Additionally, Plaintiff’s reliance on the Palm Beach County Property’s “assessed value as proxy for investment value is flawed as there are significant differences in methods, and the qualifications of assessors vs. appraisers vs. owners. In addition, assessed values lack the knowledge and detailed support that qualified investment/sales brokers, appraisers, property owners, real estate developers provide when determining property value.” (Chin Aff. ¶ 93)

200. Comparing the county's independently derived market value against the stated value in the SFC reflects the following overstatement:

Year	SFC Value	Market Value	Overstatement
2011	\$426,529,614	\$18,000,000	\$408,529,614
2012	\$531,902,903	\$18,000,000	\$513,902,903
2013	\$490,149,221	\$18,000,000	\$472,149,221

2014	\$405,362,123	\$18,651,310	\$386,710,813
2015	\$347,761,431	\$20,309,516	\$327,451,915
2016	\$570,373,061	\$21,013,331	\$549,359,730
2017	\$580,028,373	\$23,100,000	\$556,928,373
2018	\$739,452,519	\$25,400,000	\$714,052,519
2019	\$647,118,780	\$26,600,000	\$620,518,780
2020	\$517,004,874	\$26,600,000	\$490,404,874
2021	\$612,110,496	\$27,600,000	\$584,510,496

RESPONSE: Disputed. Defendants dispute that there was any “overstatement” in valuing Mar-a-Lago in the Statements of Financial Condition. As Mr. Moens, a foremost expert on property values in Palm Beach County, has attested Mar-a-Lago had the following values from 2011 through 2021, which were *higher* than the numbers reflected in the Statement of Financial Condition:

Year	SFC Value	Moens Valuation
2011	\$426,529,614	\$655,000,000
2012	\$531,902,903	\$675,000,000
2013	\$490,149,221	\$660,000,000
2014	\$405,362,123	\$685,000,000
2015	\$347,761,431	\$720,000,000
2016	\$570,373,061	\$760,000,000
2017	\$580,028,373	\$790,000,000
2018	\$739,452,519	\$825,000,000

2019	\$647,118,780	\$865,000,000
2020	\$517,004,874	\$950,000,000
2021	\$612,110,496	\$1,040,000,000

Robert Aff., Ex. AAAP ¶ 9; *id.* at Ex. A, App. A.

Moreover, as Mr. Moens testified, he “rarely agree[s] with the numbers that the property appraiser’s office provides in terms of their assessment of a property’s value.” Robert Aff., Ex. AAAI (“Moens Dep.”) at 145:9–12. Plaintiff’s reliance on the Palm Beach County Property’s “assessed value as proxy for investment value is flawed as there are significant differences in methods, and the qualifications of assessors vs. appraisers vs. owners. In addition, assessed values lack the knowledge and detailed support that qualified investment/sales brokers, appraisers, property owners, real estate developers provide when determining property value.” (Chin Aff. ¶ 93)

201. The value assigned to the Trump International Golf Club in Aberdeen, Scotland in each year from 2011 to 2021 was comprised of two components: a value for the golf course and another value for the development of the non-golf course property, i.e., the “undeveloped land.” (Ex. 14 at Rows 527-539; Ex. 15 at Rows 487-503; Ex. 17 at Rows 494-540; Ex. 19 at Rows 532-591; Ex. 21 at Rows 561-623; Ex. 23 at Rows 625-689)

RESPONSE: Disputed. The values are not segregated into different components but include information about the respective golf course and expected developments to the property. Faherty Aff. Ex. 14 at Rows 527-539; Ex. 15 at Rows 487-503; Ex. 17 at Rows 494-540; Ex. 19 at Rows 532-591; Ex. 21 at Rows 561-623; Ex. 23 at Rows 625-689; Ex. 1-11.

202. In each year from 2011 to 2021, the larger component of the valuation- and for

many years by a factor of four or more - was the value for developing the undeveloped land. (Ex. 14 at Cells 0527-543, H527-543; Ex. 15 at Cells 0487-503, H487-503; Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells G561-619, H561-619; Ex. 23 at Cells G625-683, H625-683)

RESPONSE: Disputed. The values are not segregated into different components but include information about the respective golf course and expected developments to the property. Faherty Aff. Ex. 14 at Rows 527-539; Ex. 15 at Rows 487-503; Ex. 17 at Rows 494-540; Ex. 19 at Rows 532-591; Ex. 21 at Rows 561-623; Ex. 23 at Rows 625-689; Ex. 1-11.

203. In 2011, the valuation for Trump Aberdeen in the supporting data provided to Mazars included an estimate of the value for the undeveloped land of £75 million, or \$119 million based on the then-current exchange rate, citing as the sole basis a “George Sorial email [dated] 9/6/2011.” (Ex. 14 at Cells G527-543)].

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition that the estimate for the undeveloped land was £75 million or \$119 million based on the then-current exchange rate. The supporting spreadsheet states that £75 million or \$120,450,000 was provided as a “Value per George Sorial email 9/6/2011 (in pounds). Faherty Aff. Ex. 14 at Cells G527-543.

204. Mr. Sorial’s 2011 email also served as the sole basis for the Trump Organization’s 2012 and 2013 valuations for the undeveloped land at Trump Aberdeen of \$117.6 million and \$114.45 million, respectively, based on valuing £75 million at the then-current exchange rate. (Ex. 15 at Cells G487-503, H487-503)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff does not support the proposition that the estimate for the undeveloped land was \$117.6 million and 114.45 million in 2012 and 2013, respectively. The supporting spreadsheet states that \$117,600,000 and \$114,450,000 in 2012 and 2013, respectively, were “Valuation per George Sorial email 9/6/2011 (in pounds) in addition to DJT capital contributions.” Faherty Aff. Ex. 15 at Cells G487-503, H487-503.

205. For the Statements in 2014 through 2018, the Trump Organization no longer relied on Mr. Sorial’s 2011 email and instead assumed that 2,500 homes could be built on the undeveloped land and sold for £83,164 per home, for a value of £207,910,000. (Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, undisputed that the supporting spreadsheets stated the “Value of Residential Parcel – based on purchase of land by Persimmons” was “2,500 – number of homes to build” and the “Hopecroft, Bucksburn value of land per home” was £83,164 per home, for a total of £207,910,000. Faherty Aff. Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619.

206. The Trump Organization then converted the value to US dollars based on the current exchange rate to derive a valuation for Aberdeen in each year. (Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, undisputed that the supporting spreadsheets concerted Great Britain pounds to U.S. dollar each year. Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619.

207. The Trump Organization had never received approval from the local Scottish authority to develop and sell 2,500 homes on the property. (Ex. 99; Ex. 4 at -729; Ex. 5 at -703; Ex. 6 at -1995; Ex.7 at -1854; Ex. 8 at -2737)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff fails to establish that approval from the local Scottish authority was never received to sell 2,500 homes on the property. Faherty Aff. Ex. 99; Ex. 4 at -729; Ex. 5 at -703; Ex. 6 at -1995; Ex.7 at -1854; Ex. 8 at -2737.

208. As reported in the 2014-2018 Statements, the Trump Organization “received outline planning permission in December 2008 for . . . a residential village consisting of 950 holiday homes and 500 single family residences and 36 golf villas.” (Ex. 4 at -729; Ex. 5 at -703; Ex. 6 at -1995; Ex.7 at -1854; Ex. 8 at -2737)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, undisputed what the SOFC states. Faherty Aff. Ex. 4 at -729; Ex. 5 at -703; Ex. 6 at -1995; Ex.7 at -1854; Ex. 8 at -2737.

209. The 950 holiday homes and 36 golf villas had restricted use under the terms

governing Trump Aberdeen and could be used solely as rental properties that could be rented for no more than twelve weeks a year. (Ex. 100 at -157)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition that the properties were to be used “solely as rental properties.” The “golf villas and holiday apartment buildings” were to be “occupied on a holiday letting or fractional ownership basis only, and none of these units of accommodation” were to be “occupied by any group or individual for more than a total for 12 weeks in any calendar year.” Faherty Aff. Ex. 100 at -157.

210. The Trump Organization represented in material submitted to the local Scottish authority that these short-term rental properties would not be profitable and therefore would not add any value to Aberdeen. (Ex. 101 at -704, -719; Ex. 102 at -728)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, it was not represented to the Scottish authorities that the 950 holiday homes and 36 golf villas would not be profitable. To the contrary, it was stated that “[t]he entire development . . . is forecast to generate a nominal net cash flow of £446.5 million with a positive NPV of £14.8 million. Of this, the net impact of the residential units is a net cash inflow of £110.1 million in nominal terms and £49.1 million in NPV terms.” Further, the material submitted to the Scottish authorities states that “exclusion of the residential element results in a negative impact on net cash flow of £167m in nominal terms an £91m in NPV terms to the returns from the development.” Faherty Aff. Ex. 101 at -704; Ex. 102 at -728.

211. Adjusting the valuations to correct for using 2,500 private homes rather than 500 private homes actually approved, keeping all other variables constant, results in a reduction in

the valuation of the undeveloped land component of Aberdeen of £166,328,000 in each year from 2014 to 2018. (Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition that only 500 homes were approved by the Scottish authorities; accordingly, Plaintiff's value is inaccurate. Further, Plaintiff improperly assumes other variables would remain constant if the number of homes changed. Faherty Aff. Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at Cells H561-619; Ex. 100 at -157.

212. In July 2017, Ryden LLP acting on behalf of the Trump Organization prepared a development appraisal pertaining to the Aberdeen property. (Ex. 390) The appraisal assessed the profit from developing 557 homes at the Aberdeen property in a series of development chapters. (Ex. 390 at -24)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, without conceding the accuracy of the appraisal, undisputed that an appraisal assessing profit from developing 557 homes at Trump Aberdeen was undertaken by Ryden LLP. Faherty Aff. Ex. 390 at -24.

213. The July 2017 development appraisal of Aberdeen estimates profit from the 557-home development at a range of £16,525,000 to £18,546,000. (Ex. 390 at -31).

RESPONSE: Undisputed, without conceding the accuracy of the appraisal, that the appraisal estimates profit at a range of £16,525,000 to £18,546,000. Faherty Aff. Ex. 390 at -31. However, Defendants dispute the veracity of the appraisal because President Trump, as a land

developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing Trump Aberdeen.

214. In May 2018, the Trump Organization applied to the Aberdeen City Council to reduce the scope of the development project to 550 dwellings. (Ex. 103 at -837, -839)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, the amended description of the development was “550 dwellings (up to 500 residential units and a minimum of 50 leisure/resort units), community facilities, development falling within class 1 (shops), class 2 (financial, professional and other services) and class 3 (food and drink), landscaping and supporting infrastructure.” Faherty Aff. Ex. 103 at -839.

215. The new proposal was to build 500 private residences, 50 leisure/resort units, and no holiday homes because the company had determined the holiday homes were not economically viable. (Ex. 103 at -837, -839)

RESPONSE: Disputed. The proposal was to build “(up to 500 residential units and a minimum of 50 leisure/resort units), community facilities, development falling within class 1 (shops), class 2 (financial, professional and other services) and class 3 (food and drink), landscaping and supporting infrastructure.” The evidence cited by Plaintiff does not support the proposition that holiday homes were not economically viable. Faherty Aff. Ex. 103.

216. In September 2019, the Aberdeen City Council approved the Trump Organization’s reduced proposal to build only 550 dwellings, consisting of 500 private residences and 50 leisure/resort units, with the latter to be occupied on a holiday letting or fractional basis only and not as a person’s sole or main residence. (Ex. 99 at-172)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, undisputed that the Aberdeen City council approved the proposal. Faherty Aff. Ex. 99 at -172.

217. Nevertheless, the 2019 Statement, finalized a month later in October 2019, derived a value of £217,680,973 for the undeveloped land based on 2,035 private homes, so fewer than the 2,500 homes assumed in prior years but still far more than the number of homes the City Council had just approved. (Ex. 9 at -789, 802; Ex. 21 at Cells G561-619; Ex. 104 at Cells F8-11, AH23; Ex. 99)

RESPONSE: Disputed. The supporting spreadsheet for the 2019 SOFC does not support the proposition that the value was developed based on 2,035 private homes as the cells corresponding to the residential parcel are left blank. Faherty Aff. Ex. 21 at Cells G607-G609.

218. Adjusting the valuation to correct for using 2,035 private homes rather than the 500 private homes actually approved, keeping all other variables constant, results in a revised valuation of £53,484,269, or a reduction in the valuation of the undeveloped land component of Aberdeen for the 2019 Statement of £164,196,704. (Ex. 9 at -789, 802; Ex. 21 at Cells G561-619; Ex. 104 at Cells F8-11, AH23; Ex. 99)

RESPONSE: Disputed. The supporting spreadsheet for the 2019 SOFC does not support the proposition that the value was developed based on 2,035 private homes as the cells corresponding to the residential parcel are left blank. Further, Plaintiff improperly assumes other variables would remain constant if the number of homes changed and further assumes the value reflected in the SOFC solely represented homes already approved, as opposed to potentially

future approved homes. Faherty Aff. Ex. 21 at Cells G607-G609.

219. The 2020 and 2021 Statements derived a much lower value of £82,537,613 in each year for the undeveloped land based on 1,200 homes, still more than twice the number of homes the City Council had approved in 2019. (Ex. 23 at G625-683, H625-683; Ex. 105 at Rows 41-42, 50; Ex. 106 at Rows 41-42, 50; Ex. 99)

RESPONSE: Disputed that the value was much lower in 2020 and 2021. Otherwise, undisputed that that the supporting spreadsheet provides for £82,537,613 as the “Land Valuation” each year. Faherty Aff. Ex. 23 at G625-683, H625-683.

220. Adjusting the valuation to correct for using 1200 private homes rather than the 500 private homes actually approved, keeping all other variables constant, results in a revised valuation of £34,390,672, or a reduction in the valuation of the undeveloped land component of Aberdeen for the 2020 and 2021 Statements of £48,146,941 in each year. (Ex. 23 at G625-683, H625-683; Ex. 105 at Rows 41-42, 50; Ex. 106 at Rows 41-42, 50; Ex. 99)

RESPONSE: Disputed. Plaintiff improperly assumes other variables would remain constant if the number of homes changed. Plaintiff further assumes the values represented in the SOFC were indicative of the homes already approved, as opposed to potential future approval of additional homes. Faherty Aff. Ex. 23 at G625-683, H625-683; Ex. 105 at Rows 41-42, 50; Ex. 106 at Rows 41-42, 50; Ex. 99.

221. For the years 2015 through 2019, the Trump Organization applied a "20% reduction due to economic downturn in the area" to the valuation of the undeveloped land component of Aberdeen. Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at cells G561-619, H561-619)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity

Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, undisputed that a 20% reduction was applied due to economic downturn in the area. Faherty Aff. Ex. 17 at Cells G494-540, H494-540; Ex. 19 at Cells G532-589, H532-589; Ex. 21 at cells G561-619, H561-619.

222. The chart below shows the negative change in the valuation of the undeveloped land component of Aberdeen for 2014 through 2021 based on using the number of homes actually approved and applying for 2015 through 2019 the "20% reduction due to economic downturn in the area" applied by the Trump Organization:

Statement Year	Value Reduction (£)	Exchange Rate Used	Value Reduction (\$)	Value Reduction (\$) After 20% Downturn Adjustment (2015-2019)	Record Cite
2014	£166,328,000	1.7034	\$283,323,115	\$283,323,115	Ex. 16 at H519-525
2015	£166,328,000	1.5732	\$261,667,210	\$209,333,768	Ex. 18 at G563-569
2016	£166,328,000	1.3318	\$221,515,630	\$177,212,504	Ex. 18 at H563-569
2017	£166,328,000	1.303	\$216,725,384	\$173,380,307	Ex. 20 at G594-600
2018	£166,328,000	1.31515	\$218,746,269	\$174,997,015	Ex. 20 at H594-600
2019	£164,196,704	1.269	\$208,365,618	\$166,692,494	Ex. 22 at G649-654
2020	£48,146,941	1.22699	\$59,075,815	\$59,075,815	Ex. 22 at H649-654
2021	£48,146,941	1.38504	\$66,685,439	\$66,685,439	Ex. 23 at G674-679

RESPONSE: Disputed. Plaintiff improperly assumes the values represented in the SOFC were indicative of the homes already approved, as opposed to potential future approval of additional homes.

223. Every year from 2011 through 2021 the SFC values Donald Trump's interest in "1290 Avenue of the Americas in New York, New York and 555 California Street in San

Francisco, California,” under the category “Partnerships and Joint Ventures.” (Exs. 1-11)

RESPONSE: Undisputed.

224. The description of the asset in each year is largely identical to the disclosure in 2021 which states that: “In May 2007, Mr. Trump and Vornado Realty Trust became partners in two properties: 1290 Avenue of the Americas located in New York City and 555 California Street (formally known as Bank of America Center) located in San Francisco, California.” (Ex. 11 at -6431)

RESPONSE: Undisputed that the description of the asset in each year is similar to the disclosure in 2021, including other language in the SOFCs stating: “Mr. Trump owns 30% of these properties as a limited partner. The estimated current value of Mr. Trump’s 30% partnership interest, net of his portion of debt, is \$645,600,000 and was derived by applying a capitalization rate to the stabilized net operating income. Funds in the amount of \$12,700,000 have been escrowed pursuant to the terms of the loan agreements. This asset is reflected in this financial statement under the caption “Escrow, reserve deposits, restricted cash and prepaid expenses.” Faherty Aff. Ex. 1 at -6431.

225. The SFCs further note that: “Mr. Trump owns 30% of these properties.” (Ex. 3 at -052; Ex. 5 at -708, Ex. 7 at -1858). Beginning with the 2019 Statement, the Statements noted Mr. Trump’s interest was “as a limited partner.” (Ex. 9 at -806)

RESPONSE: Undisputed.

226. Mr. Trump’s limited partnership interests are held through a series of entities named “Hudson Waterfront Associates,” with substantially similar terms. (Ex. 108; Ex. 109)

RESPONSE: Undisputed.

227. Among other things the partnership agreements specify that the General Partner

has “full control over the management, operation and activities of, and dealings with, the Partnership Assets and the Partnership’s properties, business and affairs,” and “the Limited Partners shall not take part in the management of the business or affairs of the Partnership or control the Partnership business.” The agreements also state that the “Limited Partners may under no circumstances sign for or bind the Partnership.” (Ex. 113, at -3942-43, -3916-17)

RESPONSE: Undisputed.

228. The partnership agreements do not provide for dissolution until the end of 2044, and limit the circumstances in which a limited partner may sell, transfer, or pledge his interest. (Ex. 113 at -3932, -3963-75)

RESPONSE: Disputed. While the term of the partnership is set to continue until 2044, that date is only applicable “unless [the partnership is] sooner dissolved.” (Faherty Aff. Ex. 113 at 932. Moreover, other than expiration of the term, the partnership may be dissolved through the sale or other disposition of all or substantially all partnership assets, unanimous written consent of the partners, the determination of the general partner to dissolve, and other event of dissolution. (*Id.* at -994–95) Moreover, “Trump may, without the consent of the other Partners, transfer his partnership Interest or any portion thereof to a Controlled Trust,” if certain other conditions are met. (*Id.* at -964–65).

229. Those partnership interests shall be referred to as “Vornado Partnership Interests” and the properties held by those partnerships shall be referred to as 1290 AoA and 555 California.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

230. To value Mr. Trump interest in those partnerships, each year the SFC states that the valuation was calculated by applying a capitalization rate to net operating income and

deducting debt. (See, e.g., Ex. 2 at -17; Ex. 6 at – 2000; Ex. 11 at -6431)

RESPONSE: Undisputed that the SOFC states that the valuation was calculated by applying a capitalization rate to the stabilized net operating income. Faherty Aff. Ex. 2 at -17; Ex. 6 at – 2000; Ex. 11 at -6431.

231. Supporting schedules make clear that the valuations arrived at in each year were done by (1) generating a valuation for each building (555 California and 1290 AoA); (2) subtracting debt; (3) adding the two resulting valuations together; and (4) taking 30% of the remainder. (See, e.g., Ex. 14 at Rows 708-759; Ex. 18 at Rows 769-787; Ex. 23 at Rows 907-927)

RESPONSE: Undisputed that the valuations for 555 California Street and 1290 Avenue of the Americas were derived by dividing the stabilized net operating income by the capitalization rate, subtracting debt, and taking 30% of the remainder. Faherty Aff. Ex. 14 at Rows 708-759; Ex. 18 at Rows 769-787; Ex. 23 at Rows 907- 927.

232. The portion of this interest attributable to 1290 AoA was inflated during the years 2012 through 2016 when compared with an outside appraisal obtained in connection with a debt offering on 1290 AoA in 2012. In addition, the interest attributable to 1290 AoA was inflated in 2018 and 2019 through the use of capitalization rates that the Trump Organization knew were inappropriate.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

233. In October 2012, Cushman prepared an appraisal of 1290 AoA that valued the building at \$2,000,000,000, “as is” as-of November 1, 2012, with a prospective market value of \$2,300,000,000 as-of November 1, 2016 (“2012 1290 Appraisal”). (Ex. 111 at -306-307; Ex. 112 at -965-966) The appraisal was signed by Douglas Larson, Naoum Papagianopoulos and Robert

Nardella of Cushman. (Ex. 112 at -967).

RESPONSE: Undisputed that the appraisal valued 1290 Avenue of the Americas at \$2,000,000,000 as is as of November 1, 2012, and at \$2,300,000,000 as if November 1, 2016. However, Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property. (Chin Aff. ¶¶ 67-74)

234. That appraisal valuation was publicly disclosed as part of a \$950 million debt offering on 1290 AoA in November 2012. (Ex. 110 at 3)

RESPONSE: Undisputed.

235. The valuation of Mr. Trump's Vornado Partnership Interests in the 2012 Statement of \$823,300,000 was based on a calculation that used \$2,784,970,588 as the value for 1290 AoA. (Ex. 14 at Rows 731-759)

RESPONSE: Undisputed that the \$2,784,970,588 value was based on a capitalization rate of 3.4%. Faherty Aff. Ex. 14 at Rows 731-759.

236. Substituting the appraised value as of November 1, 2012 of \$2,000,000,000 for the higher value of \$2,784,970,588 reduces the valuation for Mr. Trump by more than \$235 million. Specifically, the amount attributable to 1290 AoA in the 2012 Statement is 30% of (\$2,784,970,588 - \$410,000,000 in debt), or \$712,491,176. (Ex. 14 at Rows 740-747)

RESPONSE: Disputed. Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property.

237. Substituting the \$2 billion appraised value of 1290 AoA in the same calculation generates a result of \$477,000,000.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion. Further, Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property

238. The valuation of Mr. Trump's 30% partnership interest in 1290 AoA in the 2013 Statement was based on a calculation that used \$2,989,455,128 as the value for 1290 AoA. (Ex. 15 at Rows 678-681)

RESPONSE: Undisputed that the \$2,989,455,12 value was based on a capitalization rate of 3.12%. Faherty Aff. Ex. 15 at Rows 678-681.

239. Substituting the appraised value as of November 1, 2012 of \$2,000,000,000 for the higher value of \$2,989,455,128 reduces the valuation by nearly \$300 million. Specifically, the amount attributable to 1290 AoA in the 2013 Statement is 30% of (\$2,989,455,128 - \$950,000,000 in debt), or \$611,836,538. (Ex. 15 at Rows 678-686)

RESPONSE: Disputed. Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property.

240. Substituting the \$2 billion appraised value of 1290 AoA in the same calculation generates a result of \$315,000,000, a reduction of \$296.83 million.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

241. The 2012 appraisal likewise contains a valuation as of November 1, 2016 of \$2,300,000,000. (Ex. 111 at -307; Ex. 112 at -966)

RESPONSE: Undisputed that the appraisal contained such a valuation. The accuracy of the appraisal is disputed. Faherty Aff. Ex. 111 at -307; Ex. 112 at -966.

242. Substituting the \$2.3 billion appraised value for the value of \$3,078,338,462 used for 1290 AoA in the 2014 Statement to calculate the value of Mr. Trump's 30% interest reduces the reported value by \$233.5 million. Specifically, the amount attributable to 1290 AoA in the 2014 Statement is 30% of (\$3,078,338,462 - \$950,000,000 in debt), or \$638,501,538.60. (Ex. 14 at Rows 709-715)

RESPONSE: Disputed. Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property.

243. Substituting the \$2.3 billion appraised value in the same calculation generates a result of \$405 million, a reduction of \$233.5 million.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

244. Substituting the \$2.3 billion appraised value as of November 1, 2016 for the value of \$2,985,819,936 used for 1290 AoA in the 2015 Statement to calculate the value of Mr. Trump's 30% interest reduces the reported value by \$205.7 million. Specifically, the amount attributable to 1290 AoA in the 2015 Statement is 30% of (\$2,985,819,936 - \$950,000,000 in debt), or \$610,745,980.80. (Ex. 17 at Rows 748-755)

RESPONSE: Disputed. Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property.

245. Substituting the \$2.3 billion appraised value as of November 1, 2016 in the same calculation generates a result of \$405 million, a reduction of \$205.7 million.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

246. Substituting the \$2.3 billion appraised value as of November 1, 2016 for the value

of \$3,055,000,000 used for 1290 AoA in the 2016 Statement to calculate the value of Mr. Trump's 30% interest reduces the reported value by \$226.5 million. Specifically, the amount attributable to 1290 AoA in the 2016 Statement is 30% of (\$3,055,000,000 - \$950,000,000 in debt), or \$631,500,000. (Ex. 18 at Rows 779-784)

RESPONSE: Disputed. Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the appraisal, thereby undervaluing the property. (Chin Aff. ¶¶ 67-79)

247. Substituting the \$2.3 billion appraised value as of November 1, 2016 in the same calculation generates a result of \$405 million, a reduction of \$226.5 million.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

248. The 2012 1290 Appraisal, which provided 2012 and 2016 values, was signed by three appraisers at Cushman, including Douglas Larson, and reflected capitalization rates in the mid-four percent range. (Ex. 111 at -313, -314; Ex. 112, at -972, -973)

RESPONSE: Undisputed that the appraisal was signed by those individuals and reflected those capitalization rates without conceding the accuracy of the appraisal.

249. Consistent with that appraisal, Trump Organization personnel stated that one of the same appraisers in mid-2018 told the Trump Organization that 1290 Avenue of the Americas would trade at a mid-four percent capitalization rate if the property were operating at a stabilized level. (Ex. 114)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, the individual also stated that 1290 Avenue of the Americas would trade at a

“low 4 cap rate if there is upside.” Faherty Aff. Ex. 114 at -150.

250. The appraiser stated that, while he could not opine on the specific property, “mid-four percent for stabilized” in midtown Manhattan reflected the “current market environment”. (Ex. 114)

RESPONSE: Disputed. The appraiser also stated: “below [mid 4s] for properties with upside.” Faherty Aff. Ex. 114 at -150.

251. The 2017 Statement purported to rely for 1290 AoA on “stabilized net operating income” and an “evaluation made by the Trustees in conjunction with their associates and outside professionals.” (Ex. 7 at -858)

RESPONSE: Disputed. The valuation for 1290 Avenue of the Americas and 555 California Street did not purport to rely on “stabilized net operating income” and an “evaluation made by the Trustees in conjunction with their associates and outside professionals,” it did in fact rely on them. Faherty Aff. Ex. 7 at -858.

252. The only outside professional identified in the supporting schedule for the 2017 Statement for the valuation of 1290 AoA was Douglas Larson who prepared the 2012 1290 Appraisal but was cited for a capitalization rate of 2.9%. (Ex. 19 at Rows 816-817) Using a 4.5% capitalization rate to apply to a “stabilized” property would reduce the value of Mr. Trump’s interest, holding all other variables using in the supporting schedule constant, by approximately \$413 million. (Ex. 19 at Rows 789-797)

RESPONSE: Disputed. Michael Papagianopoulos was cited in the 2017 supporting spreadsheet for a cap rate of 2.9% for a comparable office building, Otherwise, the evidence cited by Plaintiff in support of the remainder of her assertion does not support her assertion.

253. In a later appraisal dated October 7, 2021 prepared by CBRE, 1290 AoA was

appraised as of August 24, 2021 to have a market value "as is" of \$2,000,000,000. (Ex. 139)

RESPONSE: Undisputed that the appraisal valued 1290 Avenue of the Americas at \$2,000,000,000 as is as of August 24, 2021. The accuracy of the appraisal is disputed.

254. The valuation of Mr. Trump's 30% partnership interest in 1290 AoA and 555 California in the 2021 Statement of \$645,600,000 was based on a calculation that used \$2,574,813,800 as the value for 1290 AoA. (Ex. 23 at Row 918)

RESPONSE: Undisputed that it was based on a calculation that used \$2,574,813,800 as the value for the property, which was the result of the application of a 4.5% capitalization rate. Faherty Aff. Ex. 23 at Row 918.

255. Substituting the appraised value as of 2021 of \$2,000,000,000 for the higher value of \$2,574,813,800 yields a value for Mr. Trump's 30% partnership interest in 1290 AoA and 555 California of \$473,111,915 - nearly \$175 million less than the value listed in the 2021 Statement. Specifically, the amount attributable to 1290 AoA in the 2021 Statement is 30% of (\$2,574,813,800 - \$950,000,000 in debt), or \$487,444,140. (Ex. 23 at Row 916-927) Substituting the \$2 billion appraised value in the same calculation yields a result of \$315,000,000, a reduction of \$172,444,140.

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion. Further, the accuracy of the appraised value is disputed.

256. The chart below shows the increase in the valuation for Mr. Trump's 30% share of the Vornado Partnership Interests based on using an inflated estimate for the value of 1290 AoA that ignores the appraisals in November 2012 and October 2021:

Statement Year	SOFC Value – DJT Share	Independent Value – DJT Share	Reduction
2012	\$712,491,176	\$477,000,000	\$235,491,176

2013	\$611,836,538	\$315,000,000	\$296,836,538
2014	\$638,501,539	\$405,000,000	\$233,501,539
2015	\$610,745,981	\$405,000,000	\$205,745,981
2016	\$631,500,000	\$405,000,000	\$226,500,000
2021	\$487,444,140	\$315,000,000	\$172,444,140

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

Further, the accuracy of the appraised value is disputed.

257. The valuation of 1290 AoA in 2018 and 2019 relied on use of a capitalization rate from a sale of 666 Fifth Avenue. The SFCs in those years relied on the same transaction for the valuation of the Trump Tower commercial space. (Ex. 21 at Rows 30-81; Ex. 133 at -2825; Ex. 138 at 230:3—240:13; Ex. 54 at 580:13-593:3 Ex. 9 at -873)

RESPONSE: Undisputed.

258. The underlying source for the valuations of Trump Tower and in both 2018 and 2019 was a generic marketing report that described the sale of 666 Fifth Avenue. (Ex. 133; Ex. 134)

RESPONSE: Disputed. The underlying sources were appraisers from Cushman & Wakefield and Newmark, who provided data for recent sales in the geographic area. Faherty Aff. Exs. 133-134.

259. That marketing report, under the entry for 666 Fifth Avenue, states: “At the time of contract, the property was 69.9% leased. The existing leases at the time of sale were considered to be approximately 5.0% below current market levels. If the sale occurs, the property would be purchased based on an overall capitalization rate of 2.67%.” (Ex. 133; Ex. 134)

RESPONSE: Disputed. The marketing report states the building was 70% occupied. Faherty Aff. Ex. 134 at -873.

260. The report went on to state that, upon stabilization, the capitalization rate for that building would be 4.45%. As the document states: “The stabilized capitalization rate is projected to increase to 4.45% in year 3.” (Ex. 133; Ex. 134)

RESPONSE: Undisputed.

261. The Trump Organization, in communications involving Patrick Birney and Jeffrey McConney, and Mr. Papagianopoulos on May 30, 2018, expressed an understanding that, for 1290 AoA, a “mid 4 cap rate at stabilization, low 4 if there is upside” would be appropriate. (Ex. 135) The appraiser, in those May 30, 2018 communications, stated: “current market environment for Class A MT properties is mid 4s for stabilized.” (Ex. 135)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff does not support her assertions. Further, the appraiser stated the capitalization rates could be below “mid 4s . . . for properties with upside.” Faherty Aff. Ex. 114 at -150.

262. Notwithstanding the representation in the 2018 and 2019 statements that a capitalization rate was being applied to the “stabilized net operating income” in each of the two years for Trump Tower and 1290 AoA, the Statement valuations used the lower 2.67% capitalization rate rather than the 4.45% rate the source provided for a stabilized rate. (Ex. 20 at Rows 69-83, 808-837; Ex. 21 at Rows 65-81, 834-864)

RESPONSE: Disputed. The capitalization rate relied upon in 2018 and 2019 was based

on a comparable sale provided by outside professionals. Faherty Aff. Ex. 21 at Rows 30-81; Ex. 133 at -2825; Ex. 138 at 230:3—240:13; Ex. 54 at 580:13-593:3 Ex. 9 at -873.

263. The 2018 Statement, in connection with the 1290 AoA valuation, asserts that the valuation was “based on an evaluation made by the Trustees in connection with their associates and outside professionals.” (Ex. 8 at -741)

RESPONSE: Undisputed.

264. The only outside professional identified in the supporting schedule for the 2018 Statement for the valuation of 1290 AoA was Mr. Papagianopoulos, who was cited for a capitalization rate of 2.67%. (Ex. 20 at Rows 832-833)

RESPONSE: Disputed. Mr. Papagianopoulos was cited as having provided information which reflected a cap rate of 2.67% for a comparable office building. Faherty Aff. Ex. 20 at Rows 832-833.

265. The only outside professional identified in the supporting schedule for the 2019 Statement for the valuation of 1290 AoA was Mr. Papagianopoulos, who was cited for a capitalization rate of 2.67%. (Ex. 21 at Rows 863-864)

RESPONSE: Disputed. Mr. Papagianopoulos was cited as having provided information which reflected a cap rate of 2.67% for a comparable office building. Faherty Aff. Ex. 21 at Rows 863-864.

266. The 2018 Statement states for Trump Tower that “The estimated current value of \$732,300,000 is based on applying a capitalization rate to the stabilized net operating income.” (Ex. 8 at -729)

RESPONSE: Disputed. The 2018 SOFC states for Trump Tower that, “The estimated current value of \$732,300,000 is based on an evaluation by the Trustees in conjunction with their

associates and outside professionals, applying a capitalization rate to the stabilized net operating income.” Faherty Aff. Ex. 8 at -729.

267. The valuation of Trump Tower in the 2018 Statement used a capitalization rate of 2.86% which was an average of two capitalization rates, 2.67% and 3.05%. (Ex. 21 at Rows 47, 81-83)

RESPONSE: Undisputed.

268. Use of the stabilized capitalization rate for 666 Fifth Avenue in the same calculation would have changed the average capitalization rate used to 3.75%. That figure, in the same calculation, would have resulted in a value of \$558,463,547—\$173,787,607 less than the value reported in the 2018 Statement. (Ex. 21 at Rows 30-81) (Ex. 133)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

269. The 2019 Statement for Trump Tower states that “The estimated current value of \$806,700,000 is based ... applying a capitalization rate to the stabilized net operating income.” (Ex. 9 at -794)

RESPONSE: Undisputed that the 2019 SOFC states for Trump Tower that, “The estimated current value of \$806,700,000 is based on an evaluation by the Trustees in conjunction with their associates and outside professionals, applying a capitalization rate to the stabilized net operating income.” Faherty Aff. Ex. 9 at -794.

270. The valuation of Trump Tower in the 2019 Statement used a capitalization rate of 2.67% which the supporting data spreadsheet described as reflecting cap rate for “a comparable office building”. (Ex. 21 at Rows 66, 80-81)

RESPONSE: Undisputed that the capitalization rate of 2.67% was reflected in the supporting data spreadsheet as “based on information provided by Doug Larson of Newmark

which reflects a cap rate for a comparable office building of 2.67%.” Faherty Aff. Ex. 21 at Rows 80-81.

271. The underlying source for the capitalization rate used to value Trump Tower in 2019 was the same generic market report containing the description of the same sale of 666 Fifth Avenue used in the 2018 valuation. (Ex. 134, at -873)

RESPONSE: Disputed. The source was an appraiser, who provided information for a comparable office building. Faherty Aff. Exs. 133-134, Ex. 21 at Rows 80-81.

272. The net operating income used to value Trump Tower in 2019 was \$21,539,983. Dividing this figure by the 4.45% stabilized capitalization rate for 666 Fifth Avenue would have generated a value of \$484,044,562, \$322,696,375 lower than the value reported in the 2019 Statement. (Ex. 21 at Rows 65-68)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion that 4.45% was the appropriate capitalization rate; therefore, Plaintiff’s asserted value is inaccurate.

273. The 2018 Statement states that the valuation of 1290 AoA “was arrived at by applying a capitalization rate to the stabilized net operating income” (Ex. 8 at -41) The 2018 Statement values 1290 AoA at \$4,192,479,775 based on a net operating income of \$111,939,210 and a capitalization rate of 2.67%. (Ex. 20 at Rows 808-810). The source for the 2.67% figure was the reported sale of 666 Fifth Avenue identified on an excerpt of a generic market report. (Ex. 136 at -13) Subtracting \$950,000,000 in debt from the calculated value of \$4,192,479,775 led to a net amount of \$3,242,479,775, thirty percent of which represents the value used for the 2018 Statement (\$972,743,932.50). (Ex. 20 at Rows 812-816)

RESPONSE: Disputed. The 2018 SOFC states that the valuation of 1290 Avenue of the

Americas and 555 California Street were “arrived at by applying a capitalization rate to the stabilized net operating income and taking into consideration any debt.” Faherty Aff. Ex. 8 at -41. Further, the source for the capitalization rate was an appraiser, who provided information for a comparable office building. Faherty Aff. Ex. 20 at Rows 832-833.

274. Using the 4.45% stabilized cap rate for 666 Fifth Avenue in the 2018 Statement calculation instead of the 2.67% figure would result in a value after debt of Mr. Trump’s 30% interest at \$469,646,359.50, a difference of \$503,097,573. (Ex. 20 at Rows 812-816)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion that 4.45% was the appropriate capitalization rate; therefore, Plaintiff’s asserted value is inaccurate.

275. The 2019 Statement states that the valuation of 1290 AoA “was arrived at by applying a capitalization rate to the stabilized net operating income” (Ex. 9 at -806) The 2019 Statement values 1290 AoA at \$4,230,109,625 based on a net operating income of \$112,943,927 and a capitalization rate of 2.67%. (Ex. 21 at Rows 834-836) The source for the 2.67% figure was the reported sale of 666 Fifth Avenue identified on a generic market report. (Ex. 137 at -58) Subtracting \$950,000,000 in debt from the calculated value of \$4,230,109,625 led to a net amount of \$3,275,110,625, thirty percent of which represents the value used for the 2019 Statement (\$982,533,187.50). (Ex. 21 at Rows 834-845)

RESPONSE: Disputed. The 2019 SOFC states that the valuation of 1290 Avenue of the Americas and 555 California Street were “arrived at by applying a capitalization rate to the stabilized net operating income and taking into consideration any debt.” Faherty Aff. Ex. 9 at -806. Further, the source for the capitalization rate was an appraiser, who provided information for a comparable office building. Faherty Aff. Ex. 21 at Rows 863-864.

276. Applying the same recalculation using the 4.45% stabilized capitalization rate for 666 Fifth Avenue in the 2019 Statement calculation instead would result in a value after debt of Mr. Trump's 30% interest at \$476,411,733, a difference of \$507,613,155. (Ex. 21 at Rows 834-845)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion that 4.45% was the appropriate capitalization rate; therefore, Plaintiff's asserted value is inaccurate.

277. In addition to the use of the 2.67% overall cap rate resulting in an inflated value, the stated rationale for choosing this building as the source for Trump Tower's capitalization rate was false and misleading.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

278. A hand-written note on the underlying market report states that the 666 Fifth Avenue sale was the "only Plaza District sale in the last 2 years on Fifth Ave (non-allocated)." (Ex. 134)

RESPONSE: Undisputed that the handwritten note states that about 666 Fifth Avenue but also undisputed that on the next page, a recent sale at 640 Fifth Avenue is identified, which is in the Plaza District, but which a handwritten notes states: "Allocated amount Part of 7 buildings We don't know how it was allocated can't use." Faherty Aff. Ex. 134 at -874

279. This assertion was false as of the date of issuance of the 2019 Statement. The market report used for the valuation identifies a contracted sale of 711 Fifth Avenue in the Plaza District in Midtown as having a capitalization rate of 5.36%. (Ex. 134)

RESPONSE: Disputed. Although the report identified a contracted sale of 711 Fifth Avenue in the Plaza District as having a capitalization rate of 5.36%, the report also states the

capitalization rate “has been impacted by the above market leases currently in place and the atypical closings costs associated with this transaction. When adjusting the sale price to include the closing costs, the adjusted capitalization rate for the asset equates to approximately 4.71%.” Further, Plaintiff has not cited evidence to support the notion that capitalization rates used for other properties are applicable to the property at issue here. Faherty Aff. Ex. 134 at -874.

280. Public records show that 711 Fifth Avenue was sold at least once before the date on which the 2019 Statement was finalized. (Ex. 420) Patrick Birney acknowledged that it was not true that 666 Fifth Avenue was the only Plaza District sale in the last two years on Fifth Avenue as of the date the 2019 Statement was finalized. (Ex. 138 at 820:20-822:16)

RESPONSE: Disputed. Patrick Birney did not acknowledge that it was not true that 666 Fifth Avenue was the only Plaza District sale in the last two years on Fifth Avenue as of the date the 2019 Statement was finalized; he stated that he was “unsure if a transaction that is after June 30th of the year is to be considered” and that he didn’t “know when that handwritten statement was written down, if it were false or not at that time.” Faherty Aff. Ex. 138 at 819:11-822:24. Otherwise, undisputed that 711 Fifth Avenue was sold before October 31, 2019. Faherty Aff. Ex. 9 at -789, Ex. 420. Further, undisputed that the report provided by the appraiser also states the capitalization rate for 711 Fifth Avenue “has been impacted by the above market leases currently in place and the atypical closings costs associated with this transaction. When adjusting the sale price to include the closing costs, the adjusted capitalization rate for the asset equates to approximately 4.71%.” Faherty Aff. Ex. 134 at -874.

281. The Trump Organization also rejected a sale at 640 Fifth Avenue—another property sold, identified as being in the Plaza District in Midtown—with a capitalization rate of 4.68%. (Ex. 134)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, the recent sale at 640 Fifth had a handwritten note that stated why it could not be relied upon: “Allocated amount Part of 7 buildings We don’t know how it was allocated can’t use.” Faherty Aff. Ex. 134 at -874.

282. The purported justification for that exclusion was a note indicated on the same marketing report: “Allocated amount Part of 7 buildings We don’t know how it was allocated can’t use.” (Ex. 134)

RESPONSE: Disputed. The justification for not relying on the 640 Fifth Avenue sale was not purported as the handwritten note stated: Allocated amount Part of 7 buildings We don’t know how it was allocated can’t use.” Faherty Aff. Ex. 134 at -874.

283. Moreover, another “Plaza District” sale was identified on the generic report and occurred more recently than the sale utilized by the Trump Organization. That sale, a May 2019 sale of 540 Madison Avenue, was described as a “Class A” office building in the “Plaza District, Midtown” and associated with a 4.65% capitalization rate. (Ex. 134 at -1874)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, disputed the buyer at 540 Madison Avenue “intended to commence a \$15 million renovation that will feature upgrades to the buildings mechanical systems . . . general base building and common area upgrades.” Plaintiff has not cited evidence to support the notion that capitalization rates used for other properties are applicable to the property at issue here

Faherty Aff. Ex. 134 at -874.

284. The Clubs category of assets is comprised of golf clubs in the United States and abroad that are owned or leased by Mr. Trump. (See, e.g., Ex. 3 at -043-049)

RESPONSE: Disputed. The golf clubs are owned or leased by entities that are wholly owned by President Trump. Faherty Aff. Ex. 3 at -043.

285. The value for the golf clubs is presented in the Statements from 2011 to 2021 in the aggregate, together with Mar-a-Lago, and provides no itemized value for any individual Club in this category of assets. (Ex. 1 at -3140; Ex. 2 at -6317; Ex. 3 at -043; Ex. 4 at -723; Ex. 5 at -697; Ex. 6 at -1989; Ex. 7 at -1848; Ex. 8 at -2731; Ex. 9 at -1796; Ex. 10 at -2257; Ex. 11 at -6421)

RESPONSE: Undisputed.

286. Three issues impact the Golf Club category of assets. First, existing appraisals were not considered in valuing two Clubs, TNGC Briarcliff and TNGC LA. Second, the value of most Clubs was increased by an undisclosed “brand premium” despite a representation that the SFCs do not “reflect the value of Donald J. Trump’s worldwide reputation.” Third, the value of the Clubs was inflated by simultaneously valuing certain membership deposit liabilities as worth millions of dollars and zero dollars.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

287. The Statements of Financial Condition ignored valuations from professional appraisers of TNGC Briarcliff and TNGC LA in estimating the current value of those properties.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

288. The Statements valuations of TNGC Briarcliff and TNGC LA consisted of a golf course component and an undeveloped land component. (See, e.g., Ex. 5 at -698-699; Ex. 17 at

Rows 255-278, 381-404)

RESPONSE: Disputed. In the SOFC, TNGC Briarcliff and TNGC LA are described generally, including information about the respective golf clubs and undeveloped land. Faherty Aff. Ex. 5 at -698-99.

289. The supporting spreadsheet for the 2014 SFC shows that the golf club portion of TNGC Briarcliff was valued at \$73,130,987 based on “Value of Fixed Assets.” (Ex. 16 at Row 267-287)

RESPONSE: Disputed. The supporting spreadsheet for the 2014 SOFC shows that the value of fixed assets at TNGC Briarcliff was \$73,130,987.

290. The supporting spreadsheet for the 2015 SFC shows that the golf club portion of TNGC Briarcliff was valued at \$73,430,217 based on “Value of Fixed Assets.” (Ex. 17 at Row 257)

RESPONSE: Undisputed that the supporting spreadsheet for the 2015 SOFC shows that the value of fixed assets at TNGC Briarcliff was \$73,430,217.

291. In April 2014, the Trump Organization obtained a draft appraisal for TNGC Briarcliff that valued the golf course component of the club at \$16,500,000 as-of March 12, 2014. (Ex. 115 at -516)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The appraisal was flawed because it failed to account for the value of the Trump Enterprise, which would result in a higher value. Defs. SOF ¶¶ 253-64.

292. The supporting spreadsheet for the 2014 SFC shows that the golf club portion of

TNGC LA was valued at \$74,300,642 based on “Value of Fixed Assets.” Plus a “Premium for fully operational branded facility @ 30%” (Ex. 16 at Row 384-387)

RESPONSE: Disputed. The supporting spreadsheet for the 2014 SOFC shows that the value of fixed assets at TNGC LA was \$74,300,642, which included a “Premium for fully operational branded facility @ 30%. Faherty Aff. Ex. 16 at Row 384-387.

293. The supporting spreadsheet for the 2015 SFC shows that the golf club portion of TNGC LA was valued at \$74,300,642 based on “Value of Fixed Assets.” Plus a “Premium for fully operational branded facility @ 15%” (Ex. 17 at Row 381-387)

RESPONSE: Disputed. The supporting spreadsheet for the 2015 SOFC shows that the value of TNGC LA was \$56,615,895, which included a “Premium for fully operational branded facility @ 15%.” Faherty Aff. Ex. 17 at Row 381-87.

294. In March 2015, the Trump Organization obtained an appraisal for TNGC LA that valued the golf course component of the club at \$16,000,000 as-of December 26, 2014. (Ex. 116 at -5562)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The appraisal was flawed because (among other reasons) it failed to account for the value of the Trump Enterprise, which would result in a higher value. Defs. SOF ¶¶ 253-64.

295. The difference between the values stated in the SFC and the appraised values for 2014 and 2015 are shown in the table below:

Year	Property	SFC Value	Appraised Value	Difference
2014	TNGC Briarcliff	\$73,130,987	\$16,500,000	\$56,630,987

2014	TNGCLA	\$74,300,642	\$16,000,000	\$58,300,642
2015	TNGC Briarcliff	\$73,430,217	\$16,500,000	\$56,930,217
2015	TNGCLA	\$56,615,895	\$16,000,000	\$40,615,895

RESPONSE: Disputed. The appraisals were flawed because (among other reasons) they failed to account for the value of the Trump Enterprise, which would result in higher appraised values. Defs. SOF ¶¶ 253-64.

296. From 2013-2018 the undeveloped land at Briarcliff was valued at \$101,748,600 based on telephone conversations with Eric Trump despite a note that the development project was "on hold." (Ex. 15 at Cells 0253-273; Ex. 16 at Rows 267-285; Ex. 17 at Rows 255-278; Ex. 18 at Rows 278-298; Ex. 19 at Rows 284-304; Ex. 20 at Rows 295-315)

RESPONSE: Undisputed.

297. In October 2013 Eric Trump received a preliminary valuation for the undeveloped land of \$45 million. (Ex. 117 at -43)

RESPONSE: Disputed. It is unclear what property Plaintiff refers to. Regardless of the property the assertion pertains to, it failed to account for the value of the Trump Enterprise, as the document cited in support of the assertion states. Defs. SOF ¶¶ 253-64.

298. In 2014 the Trump Organization received a draft appraisal indicating a value of \$43.2 million for the undeveloped land and in 2015 they received a draft appraisal indicating a value of \$45.2 million. (Ex. 115 at -373; Ex. 118 at-6588)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The appraisals were flawed because (among other reasons) they failed to account for the value of the Trump Enterprise, which would result in higher appraised values. Defs. SOF ¶¶

253-64.

299. Beginning in 2012 the Trump Organization considered donating a conservation easement over 16 developable lots located on the TNGC LA driving range. (Ex. 119)

RESPONSE: Disputed. The number of developable lots located on the TNGC LA driving range was 17. Faherty Aff. Ex. 14 at Rows 466-89.

300. In 2012 the Statement valued the 16 lots at \$4.5 million per lot. (Ex. 14 at Rows 466-489)

RESPONSE: Disputed. Seventeen developable lots comprised the TNGC LA driving range. The supporting spreadsheet valued the remaining lots at an average price of \$4.5 million per lot. Faherty Aff. Ex. 14 at Rows 466-89.

301. In 2013 and 2014 the Statement valued the 16 lots at a price of \$2.5 million per lot. (Ex. 16 at Rows 384-416)

RESPONSE: Disputed. Seventeen developable lots that comprised the TNGC LA driving range. The supporting spreadsheet valued the remaining lots (52 and 39 remaining lots in 2013 and 2014, respectively) at an average price of \$2.5 million per lot. Faherty Aff. Ex. 16 at Rows 384-416.

302. Cushman appraisers valued the 16 lots at up to \$19 million as part of that 2012 engagement. (Ex. 120)

RESPONSE: Disputed. Seventeen developable lots comprised the TNGC LA driving range. The evidence cited in support of Plaintiff's assertion is an e-mail, not an appraisal, and it related to a potential easement. The valuation is flawed because (among other reasons) it failed to account for the value of the Trump Enterprise, which would result in a higher value. Defs. SOF ¶¶ 253-64; Faherty Aff. Ex. 16 at Rows 384-416.

303. Cushman appraisers preliminarily valued the lots at up to \$28 million in October 2014 and then valued them at \$25 million in their final appraisal as of December 2014. (Ex. 121 at -886; Ex. 116 at -5411)

RESPONSE: Disputed. Seventeen developable lots comprised the TNGC LA driving range. The evidence cited in support of Plaintiff’s assertion is an e-mail, not an appraisal, and it related to a potential easement. The valuation is flawed because (among other reasons) it failed to account for the value of the Trump Enterprise, which would result in a higher value. Defs. SOF ¶¶ 253-64; Faherty Aff. Ex. 16 at Rows 384-416.

304. The differences in value between the Statements of Financial Condition and appraisals in the same time frame for the undeveloped land at TNGC Briarcliff and TNGC LA are shown in the chart below:

Year	Property	SFC Value	Appraised Value	Difference
2012	TNGCLA	\$72,000,000	\$19,000,000	\$53,000,000
2013	TNGC Briarcliff	\$101,748,600	\$45,000,000	\$56,748,600
2013	TNGCLA	\$40,000,000	\$19,000,000	\$21,000,000
2014	TNGC Briarcliff	\$101,748,600	\$43,200,000	\$58,448,600
2014	TNGCLA	\$40,000,000	\$25,000,000	\$15,000,000
2015	TNGC Briarcliff	\$101,748,600	\$45,200,000	\$56,548,600
2016	TNGC Briarcliff	\$101,748,600	\$45,200,000	\$56,548,600

RESPONSE: Disputed. Seventeen developable lots comprised the TNGC LA driving range. The evidence cited in support of Plaintiff’s assertion are not appraisals (therefore, they cannot be “appraised value[s]”) and related to a potential easement. Nevertheless, the valuations are flawed because (among other reasons) they failed to account for the value of the Trump Enterprise, which would result in a higher value. Defs. SOF ¶¶ 253-64; Faherty Aff. Ex. 16 at Rows 384-416.

305. For the following seven Clubs in the years 2013 to 2020, the Trump Organization added a 30% or 15% premium because the property was completed and operating under the "Trump" brand when calculating the value - that is, the value of the Club was increased by 30% or 15% for the Trump brand: TNGC Jupiter, TNGC LA, TNGC Colts Neck, TNGC Philadelphia, TNGC DC, TNGC Charlotte, and TNGC Hudson Valley.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

306. The Trump Organization did not disclose in any of the Statements that certain golf club values were calculated by adding a premium of 30% or 15% for the "Trump" brand. (Ex. 3 at-043; Ex. 4 at-723; Ex. 5 at -697; Ex. 6 at-1989; Ex. 7 at-1848; Ex. 8 at -2731; Ex. 9 at -1796; Ex. 10 at-2257)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Nevertheless, the premiums are not intangible assets because they ascribe value of the brand as reported through tangible assets. The SOFC make clear that the Trump brand value was incorporated into the value of tangible assets, noting: “As stated in Note 1, this financial statement does not reflect the value of Donald J. Trump’s worldwide reputation, except to the extent it has become associated with properties either operative or under development.” Even if viewed as an intangible asset, the intangible value associated with a brand name is a permissible valuation consideration. Faherty Aff. Ex. 5 at -709; Defs. SOF ¶ 262.

307. To the contrary, each Statement from 2013 through 2020 contained the following representation: "The goodwill attached to the Trump name has significant financial value that has not been reflected in the preparation of this financial statement." (Ex. 3 at -039; Ex. 4 at - 719;

Ex. 5 at-693; Ex. 6 at -1985-86; Ex. 7 at-1844-45; Ex. 8 at 2727-28; Ex. 9 at 792-93; Ex. 10 at 2507)

RESPONSE: Disputed. The SOFC adequately disclose the brand value was incorporated into the value of tangible assets, noting: “As stated in Note 1, this financial statement does not reflect the value of Donald J. Trump’s worldwide reputation, except to the extent it has become associated with properties either operative or under development.” Faherty Aff. Ex. 5 at -709. Even if viewed as an intangible asset, the intangible value associated with a brand name is a permissible valuation consideration. Defs. SOF ¶ 262.

308. The charts below list for each golf club that had its value increased by a premium for the Trump brand (i) the year such premium was added, (ii) the value of the club in each year, and (iii) the amount of the value that is due to the premium, along with supporting citations to the record for each row:

2020	\$17,104,038	\$2,132,759	Ex. 22 at H419-440
Total Premium	\$19,811,813		

RESPONSE: Undisputed that (except for the total premiums reflected for each property, which were presumably the result of consolidating each years' premium) those are the figures reflected in the SOFC and corresponding spreadsheets.

309. The chart below totals the premiums reflected in the above charts to show the aggregate premium in each Statement Year for all of the assets in the Clubs category:

Statement Year	Total Premium For All Clubs
2013	\$71,814,200
2014	\$58,375,922
2015	\$38,071,173
2016	\$38,441,522
2017	\$39,242,387
2018	\$39,454,409
2019	\$40,367,545
2020	\$40,367,545
Total	\$366,134,703

RESPONSE: Undisputed.

310. As part of the purchase of several club properties Donald J. Trump agreed to assume the obligation to pay back refundable membership deposits owed to club members.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

311. These liabilities for refundable memberships would need to be paid out only decades in the future, if at all. (Ex. 123; see also Hirsch v. Jupiter Golf Club LLC, Civ. No. 13-80456, Answer, Exhibit A, Docket No. 52-1 (S.D. Fla June 3, 2014))

RESPONSE: Disputed. The cited evidence does not support Plaintiff's assertion;

moreover, the citation to a civil case in the Southern District of Florida does not support Plaintiff's assertion because it involves an entity not named as a defendant here.

312. The Statements represent that the liabilities resulting from these obligations are valued at \$0. (Ex. 1 at -3141-45; Ex. 2 at-6318-22; Ex. 3 at 044-49; Ex. 4 at -724-729; Ex. 5 at -698-703; Ex. 6 at -1990-1994; Ex. 7 at -1848-1853; Ex. 8 at -2731-36; Ex. 9 at -1796-; Ex. 10 at -2252-55; Ex. 11 at -6422-425.)

RESPONSE: Disputed. The SOFC state that, "Prior to June 1, 2010, one condition of membership was the contribution of a non-interest bearing deposit that does not require repayment until thirty years after receipt, and then only upon the member's resignation. The fact that Mr. Trump will have the use of these funds for that period without cost and that the source of repayment will most likely be a replacement membership has led him to value this liability at zero." Faherty Aff. Ex. 1 at -3141-45; Ex. 2 at-6318-22; Ex. 3 at 044-49; Ex. 4 at -724-729; Ex. 5 at -698-703; Ex. 6 at -1990-1994; Ex. 7 at -1848-1853; Ex. 8 at -2731-36; Ex. 9 at -1796-; Ex. 10 at -2252-55; Ex. 11 at -6422-425

313. For example, the 2013 Statement explains: "The fact that Mr. Trump will have the use of these [membership deposit] funds . . . without cost and that the source of repayment will most likely be a replacement membership has led him to value this liability at zero." (Ex. 3 at -043-49)

RESPONSE: Undisputed that is what the 2013 SOFC states, in part.

314. Nevertheless, as described below, Mr. Trump did not value this liability at zero when calculating the value of certain clubs using a "fixed assets approach," but instead valued the membership deposit liabilities at their full face value amount.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

315. The “fixed assets approach” described a valuation technique that utilized the balance sheet of each club, with the Trump Organization calculating the cost of acquiring a club and then increased the number based on additional capital expenditures after acquisition. (Ex. 54 at 52:10-54:11, 61:03-22, 64:06-11; 388:13-395:17, 398:20-399:14; 400:18-401:22; 505:03-507:18)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

316. For purposes of calculating the fixed assets figure, the purchase price included the obligation to assume a liability for refundable membership deposits. (Ex. 54 at 505:03-507:18)

RESPONSE: Disputed. For purposes of calculating the fixed assets figure, the purchase price could have included the obligation to assume a liability for refundable membership depots, where applicable. Faherty Aff. Ex. 54 at 505:03-507:18.

317. The fixed assets approach was used for all clubs except Mar-a-Lago and Doral from 2013-2020. (Ex. 15 at Rows 191-503; Ex. 16 at Rows 205-535; Ex. 17 at Rows 189-564; Ex. 18 at Rows 201-603; Ex. 19 at Rows 212-617; Ex. 20 at Rows 212-632; Ex. 21 at Rows 216-647; Ex. 22 at Rows 203-688)

RESPONSE: Undisputed.

318. For each of those clubs, the full face value of the membership deposit liability was incorporated into the purchase price, this despite the claim that the debt was valued at zero.

RESPONSE: Disputed. Plaintiff fails to cite evidence in support of her assertion.

319. The face value amount of the refundable membership deposit liability assumed in

the purchase of TNGC Jupiter was \$41 million. (Ex. 125)

RESPONSE: Disputed. The amount of refundable membership deposit liability assumed in the purchase of TNGC Jupiter was \$41,128,800. Faherty Aff. Ex. 125 at Row 6.

320. This full amount was incorporated into the fixed assets figure for TNGC Jupiter from 2013 to 2020. (Ex. 54 at 505:24-507:18; Ex. 125; Ex. 126; Ex. 16 at Cells G441-447, H441-447; Ex. 18 at Cells G462-471, H462-471; Ex. 20 at Cells G479-488, H479-488; Ex. 22 at Cells G515-534, H515-534)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Robert Aff., Ex. AI (Flemmons Aff.) at Ex. B ¶ 60.

321. The face value amount of the refundable membership deposit liability assumed in the purchase of TNGC Colts Neck was \$11,700,000. (Ex. 128)

RESPONSE: Undisputed.

322. This full amount was incorporated into the fixed assets figure for TNGC Colts Neck from 2012 to 2020. (Ex. 54 505:24-507:18; Ex. 128; Ex. 14 at Cells H326-350; Ex. 16 at Cells G308-318, H308-318; Ex. 18 at Cells G319-330, H319-330; Ex. 20 at Cells G334-345, H334-345; Ex. 22 at G344-362, H344-362)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Flemmons Aff. Ex. B ¶ 60.

323. The face value amount of the refundable membership deposit liability assumed in the purchase of TNGC Philadelphia was \$953,237. (Ex. 14 (Formula in Cell H431); Ex. 127; Ex. 132)

RESPONSE: Undisputed.

324. This full amount was incorporated into the value of TNGC Philadelphia from 2011 to 2021. (Ex. 54 at 505:24-507:18; Ex. 127; Ex. 14 at Cells G410-433, H410-433; Ex. 16 at cells G349-358, H349-358; Ex. 18 at Cells G362-374, H362-374; Ex. 20 at Cells G377-389, H377-389; Ex. 22 at G395-415, H395-415; Ex. 23 at Cells G394-417)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Flemmons Aff. Ex. B ¶¶ 60, 73-75.

325. The face value amount of the refundable membership deposit liability assumed in the purchase of TNGC DC was \$16,131,075. (Ex. 129)

RESPONSE: Undisputed.

326. This full amount was incorporated into the fixed assets figure for TNGC DC from 2013 to 2020. (Ex. 54 at 505:24-507:18; Ex. 129; Ex. 130; Ex. 16 at Cells G327-340, H327-340; Ex. 18 at Cells G339-353, H339-353; Ex. 20 at cells G354-368, H354-368; Ex. 22 at G367-389, H367-389)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Flemmons Aff. Ex. B ¶ 60.

327. The face value amount of the refundable membership deposit liability assumed in the purchase of TNGC Charlotte was \$4,080,550. (Ex. 131; Ex. 14 (Formula in Cell H511))

RESPONSE: Undisputed.

328. This full amount was incorporated into the valuation for TNGC Charlotte from 2012 to 2020. (Ex. 54 at 505:24-507:18; Ex. 131; Ex. 14 at Cells H494-514; Ex. 16 at Cells

G421-432, H421-432; Ex. 18 at Cells G441-453, H441-453; Ex. 20 at Cells G458-470, H458-470; Ex. 22 at Cells G490-509, H490-509)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Flemmons Aff. Ex. B ¶¶ 60, 73-75.

329. The face value amount of the refundable membership deposit liability assumed in the purchase of TNGC Hudson Valley was \$1,235,619. (Ex. 132; Ex. 14 (Formula in Cell H459))

RESPONSE: Undisputed.

330. This full amount was incorporated into the value of TNGC Hudson Valley from 2011 to 2021. (Ex. 54 at 505:24-507:18; Ex. 14 at Cells G435-461, H435-461; Ex. 16 at Cells G366-378, H366-378; Ex. 18 at Cells G382-395, H382-395; Ex. 20 at Cells G397-410, H397-410; Ex. 22 at G419-440, H419-440; Ex. 23 at Cells G423-446)

RESPONSE: Undisputed as any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. Flemmons Aff. Ex. B ¶ 60.

331. Despite the representation that the liabilities were valued at \$0, in each year from 2013-2020, the Trump Organization included the above-mentioned refundable membership deposit liabilities totaling \$75,100,481 as a part of their asset values in the Club Facilities and Related Real Estate category. The \$75,100,481 amount does not address that a brand premium of either 15% or 30% was applied to the fixed assets figures thereby increasing the inflation of value due to the inclusion of the refundable membership deposit liability.

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity

Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. The SOFC adequately disclose the brand value was incorporated into the value of tangible assets, noting: “As stated in Note 1, this financial statement does not reflect the value of Donald J. Trump’s worldwide reputation, except to the extent it has become associated with properties either operative or under development.” Faherty Aff. Ex. 5 at -709. Even if viewed as an intangible asset, the intangible value associated with a brand name is a permissible valuation consideration. Defs. SOF ¶ 262; Flemmons Aff. Ex. B ¶¶ 60, 73-75.

332. Despite the representation that the liabilities were valued at \$0, in 2012, the Trump Organization included the above-mentioned TNGC Colts Neck, TNGC Philadelphia, TNGC Charlotte, and TNGC Hudson Valley refundable membership deposit liabilities totaling \$17,969,406 as a part of their asset values in the Club Facilities and Related Real Estate category.

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. The SOFC adequately disclose the brand value was incorporated into the value of tangible assets, noting: “As stated in Note 1, this financial statement does not reflect the value of Donald J. Trump’s worldwide reputation, except to the extent it has become associated with properties either operative or under development.” Faherty

Aff. Ex. 5 at -709. Even if viewed as an intangible asset, the intangible value associated with a brand name is a permissible valuation consideration. Defs. SOF ¶ 262; Flemmons Aff. Ex. B ¶¶ 60, 73-75

333. Despite the representation that the liabilities were valued at \$0, in 2021, the Trump Organization included the above-mentioned TNGC Philadelphia and TNGC Hudson Valley refundable membership deposit liabilities totaling \$2,188,856 as a part of their asset values in the Club Facilities and Related Real Estate category.

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, any amount of refundable membership deposits was properly incorporated into the fixed asset figure pursuant to ASC 274. The SOFC adequately disclose the brand value was incorporated into the value of tangible assets, noting: “As stated in Note 1, this financial statement does not reflect the value of Donald J. Trump’s worldwide reputation, except to the extent it has become associated with properties either operative or under development.” Faherty Aff. Ex. 5 at -709. Even if viewed as an intangible asset, the intangible value associated with a brand name is a permissible valuation consideration. Defs. SOF ¶ 262; Flemmons Aff. Ex. B ¶¶ 60, 73-75.

334. Trump Park Avenue is included as an asset on Mr. Trump’s Statement of Financial Condition for the years 2011 through 2021 with values ranging between \$90.9 million and \$350 million. (Ex. 1 at -3134; Ex. 2 at -6311; Ex. 3 at -037; Ex. 4 at -717; Ex. 5 at -691; Ex. 6 at -1983; Ex. 7 at -1842; Ex. 8 at -2725; Ex. 9 at -161790; Ex. 10 at -162248; Ex. 11 at -6166418)

RESPONSE: Undisputed.

335. The valuation of the building in each year was based in part on the valuation of unsold residential condominium units in the building. (Ex. 1 at -3139-40; Ex. 2 at -6316-17; Ex. 3 at -042-43; Ex. 4 at -722-23; Ex. 5 at -696-97; Ex. 6 at -1988-89; Ex. 7 at -1847-48; Ex. 8 at -2730-31; Ex. 9 at -161795-96; Ex. 10 at -162258; Ex. 11 at -6166428)

RESPONSE: Disputed. The estimated value reflects the net proceeds expected to be derived from the sale of the remaining residential condominium units based on current pricing, the value of the storage units based on the condominium's offering plan, and the value ascribed to the commercial condominium units by applying a capitalization rate to the net operating income for the year in addition to a discounted cash flow based on a future prospective tenant user. Faherty Aff. Ex. 1 at -3139-40; Ex. 2 at -6316-17; Ex. 3 at -042-43; Ex. 4 at -722-23; Ex. 5 at -696-97; Ex. 6 at -1988-89; Ex. 7 at -1847-48; Ex. 8 at -2730-31; Ex. 9 at -161795-96; Ex. 10 at -162258; Ex. 11 at -6166428.

336. In 2011, 12 of the unsold residential condominium units were subject to New York City's rent stabilization laws. (Ex. 140 at -27)

RESPONSE: Undisputed.

337. An appraisal of the building was performed in 2010 by the Oxford Group in connection with a \$23 million loan from Investors Bank. (Exs. 141, 142, 143, 144)

RESPONSE: Undisputed that an appraisal was performed. However, Defendants dispute the veracity of the appraisal because President Trump, as a land developer, took optimistic views of potential future value which is not contemplated in the 2010 appraisal, thereby undervaluing the property. (Chin Aff. ¶¶ 58-59)

338. The appraisal valued the 12 rent-stabilized units at \$750,000 total, or \$62,500 per

unit, noting that the rent-stabilized units “cannot be marketed as individual units” for sale because the “current tenants cannot be forced to leave.” (Ex 144 at -22)

RESPONSE: Undisputed that the appraisal valued the 12 rent-stabilized units at \$750,000, but otherwise disputed that the appraisal was accurate because the appraisal assumes the rent-stabilized units would remain restricted indefinitely without considering the possibility of any units being converted to market-rate rentals or otherwise sell the units unencumbered by rent stabilization. Further, it overlooked the potential for rent increases even within the rent-stabilized units. (Chin Aff. ¶¶ 58-59, Ex. B ¶ 85)

339. The Trump Organization had a copy of the Oxford Group appraisal in its own files. (Exs. 141, 142, 143, 144)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Otherwise, it is undisputed that Exhibits 141-144 were produced as part of this litigation.

340. At least as of 2010, Trump Organization employees, including Donald Trump Jr., were aware that many of the unsold units were subject to rent stabilization laws. Ex. 145 at 78:18-81:04; Ex. 140)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff does not support the assertion that Donald Trump Jr. was aware many of the *unsold* units were subject to rent stabilization laws.

341. Notwithstanding this 2010 appraisal, and the Trump Organization's knowledge that numerous units at the property were rent-stabilized, the Statements for 2011 to 2021 valued the unsold rent-stabilized units as if they were freely marketable and not subject to rent stabilization laws. (Exs. 146-156)

RESPONSE: Disputed. The appraisal was inaccurate because it assumed the rent-stabilized units would remain restricted indefinitely without counting the possibility of any units being converted to market-rate rentals. Further, it overlooked the potential for rent increases even within the rent-stabilized units. (Chin Aff. ¶¶ 58-59, Ex. B ¶ 85)

342. For example, in the 2011 and 2012 Statements, the 12 rent stabilized units were valued collectively at \$49,595,500—a rate over 65 times higher than the \$750,000 valuation for those units in the 2010 appraisal. (Ex. 146; Ex. 147; Ex. 144 at -23)

RESPONSE: Disputed. The appraisal was inaccurate because it assumed the rent-stabilized units would remain restricted indefinitely without counting the possibility of any units being converted to market-rate rentals or otherwise sell the units unencumbered by rent stabilization. Further, it overlooked the potential for rent increases even within the rent-stabilized units. (Chin Aff. ¶¶ 58-59, Ex. B ¶ 85)

343. In 2011 and 2012 the following 12 units were rent stabilized: 4A, 6B, 7A, 7B, 7D, 7E, 7G, 8E, 8H, 10E, 12E, 15AB. (Ex. 140 at -27)

RESPONSE: Disputed. As of September 16, 2011, the following 12 units were rent stabilized: 4A, 6B, 7A, 7B, 7D, 7E, 7G, 8E, 8H, 10E, 12E, 15AB. Faherty Aff. Ex. 140 at -27.

344. In 2013 the following 11 units were rent stabilized: 4A, 6B, 7A, 7B, 7D, 7E, 7G, 8H, 10E, 12E, 15AB (Ex. 157)

RESPONSE: Undisputed.

345. Those 11 units were valued at \$46,544,500 on the 2013 SFC. (Ex. 148)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2013 SOFC reflected \$46,544,500 for the 11 rent-stabilized units. Faherty Aff. Ex. 148.

346. In 2014 the following 9 units were rent stabilized: 4A, 6B, 7D, 7E, 7G, 8H, 10E, 12E, 15AB. (Ex. 158)

RESPONSE: Undisputed.

347. Those 9 units were valued at \$38,305,550 on the 2014 SFC. (Ex. 149)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2014 SOFC reflected \$38,305,550 for the 9 rent-stabilized units. Faherty Aff. Ex. 158.

348. In 2015 the following 8 units were rent stabilized: 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB. (Ex. 159).

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion that units 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB were rent stabilized. Faherty Aff. Ex. 159.

349. Those 8 units were valued at \$33,294,000 on the 2015 SFC. (Ex. 150)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion that units 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB were rent stabilized. Moreover, the evidence cited by Plaintiff does not support the assertion that the 2015 SOFC reflected \$33,294,00 for the 8 rent-stabilized units. Faherty Aff. Ex. 159.

350. In 2016 the following 8 units were rent stabilized: 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB. (Ex. 160).

RESPONSE: Undisputed.

351. Those 8 units were valued at \$27,002,836 on the 2016 SFC. (Ex. 151)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion

that the 2016 SOFC reflected \$27,002,836 for the 8 rent-stabilized units. Faherty Aff. Ex. 151.

352. In 2017 the following 8 units were rent stabilized: 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB. (Ex. 161)

RESPONSE: Undisputed.

353. Those 8 units were valued at \$26,200,247 on the 2017 SFC. (Ex. 152)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2017 SOFC reflected \$26,200,247 for the 8 rent-stabilized units. Faherty Aff. Ex. 152.

354. In 2018 the following 8 units were rent stabilized: 4A, 6B, 7D, 7E, 8H, 10E, 12E, 15AB. (Ex. 162).

RESPONSE: Undisputed.

355. Those 8 units were valued at \$29,100,783 on the 2018 SFC. (Ex. 153)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2018 SOFC reflected \$29,100,783 for the 8 rent-stabilized units. Faherty Aff. Ex. 153.

356. In 2019 the following 6 units were rent stabilized: 4A, 6B, 7D, 7E, 10E, 15AB (Ex. 163)

RESPONSE: Undisputed.

357. Those 6 units were valued at \$18,533,518 on the 2019 SFC. (Ex. 154)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2019 SOFC reflected \$18,533,518 for the 6 rent-stabilized units. Faherty Aff. Ex. 154.

358. A 2020 appraisal of Trump Park Avenue in the Trump Organization's files valued 6 rent stabilized units at \$3,800,015. (Ex. 164 at-159)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The appraisal was inaccurate because it assumed the rent-stabilized units would remain restricted indefinitely without counting the possibility of any units being converted to market-rate rentals or otherwise sell the units unencumbered by rent stabilization. Further, it overlooked the potential for rent increases even within the rent-stabilized units. (Chin Aff. ¶¶ 58-59, Ex. B ¶ 85)

359. In 2020 the following 6 units were rent stabilized: 4A, 6B, 7D, 7E, 10E, 15AB (Ex. 163).

RESPONSE: Undisputed.

360. Those 6 units were valued at \$18,170,971 on the 2020 SFC. (Ex. 155)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2020 SOFC reflected \$18,170,971 for the 6 rent-stabilized units. Faherty Aff. Ex. 155.

361. In 2021 the following 6 units were rent stabilized: 4A, 6B, 7D, 7E, 10E, 15AB (Ex. 163)

RESPONSE: Undisputed.

362. Those 6 units were valued at \$14,770,920 on the 2021 SFC. (Ex. 156)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2021 SOFC reflected \$14,770,920 for the 6 rent-stabilized units. Faherty Aff. Ex. 156.

363. The chart below shows the valuation of the unsold rent stabilized units each year and the value those units have based on the 2010, and then once completed, the 2020 appraisals:

Statement Year	Unsold Rent-Stabilized Units	Value for Unsold Rent-Stabilized Units	Appraised Value for Unsold Rent-Stabilized Units	Inflated Amount
2011	12	\$49,595,500	\$750,000	\$48,845,500

2012	12	\$49,595,500	\$750,000	\$48,845,500
2013	11	\$46,544,500	\$687,500	\$45,857,000
2014	9	\$38,305,550	\$562,500	\$37,743,000
2015	8	\$33,294,000	\$500,000	\$32,794,000
2016	8	\$27,002,836	\$500,000	\$26,502,836
2017	8	\$26,200,247	\$500,000	\$25,700,247
2018	8	\$29,100,783	\$500,000	\$28,600,783
2019	6	\$18,533,518	\$375,000	\$18,158,518
2020	6	\$18,170,971	\$3,800,015	\$14,370,776
2021	6	\$14,770,920	\$3,800,015	\$10,970,905

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the assertion that the 2011-2021 SOFC reflected the above amounts for the rent-stabilized units. Further, the appraisals were inaccurate because they assumed the rent-stabilized units would remain restricted indefinitely without counting the possibility of any units being converted to market-rate rentals or otherwise sell the units unencumbered by rent stabilization. Further, they overlooked the potential for rent increases even within the rent-stabilized units. (Chin Aff. ¶¶ 58-59, Ex. B ¶ 85)

364. At least two of the unsold residential units not subject to rent stabilization laws were valued at inflated amounts in the Statements for a number of years over and above option prices agreed to by the Trump Organization.

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Plaintiff fails to cite evidence in support of her assertion.

365. The unit known as Penthouse A, which Ivanka Trump started renting in 2011, included in the lease an option to purchase the unit for \$8,500,000. (Ex. 165)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition

that Ivanka Trump rented Penthouse A, rented Penthouse A beginning in 2011, nor that the lease included an option to purchase the unit for \$8,500,000. Faherty Aff. Ex. 165.

366. Despite this option price, for the 2011 and 2012 Statements this unit was valued at \$20,820,000—approximately two and a half times the option price. (Exs. 146, 147)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition that the 2011 and 2012 SOFC valued “Penthouse A” at \$20,820,000. Faherty Aff. Exs. 146-47. The evidence cited by Plaintiff does not support the proposition that there was an option price to purchase “Penthouse A.” Further, “Penthouse A” is not identified in Faherty Aff. Exs. 146-47.

367. For the 2013 Statement, the unit was valued at \$25,000,000—more than three times the option price. (Ex. 148)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support the proposition that the 2013 SOFC valued “Penthouse A” at \$25,000,000, nor does the evidence establish that an option price existed. Further, “Penthouse A” is not identified in Faherty Aff. Exs. 148.

368. In June 2014, Ms. Trump was given an option (which automatically vested the next year) to purchase a different, larger penthouse unit (“Penthouse B”) for \$14,264,000. (Ex. 166 at -39; Ex. 167)

RESPONSE: Disputed. The evidence cited by Plaintiff fails to establish that Ivanka Trump was given an option to purchase a different, larger penthouse unit. Further, “Penthouse B” was larger than “Penthouse A.” Faherty Aff. Exs. 166 at -39, 167.

369. That unit was valued at \$45 million for the 2014 Statement -- more than three times as much as the option price. (Ex. 149)

RESPONSE: Disputed. The evidence cited by Plaintiff does not establish that the 2014 SOFC valued “Penthouse B” at \$45,000,000, nor does it establish the value of the purported

option to purchase “Penthouse B.” Faherty Aff. Ex. 149.

370. For the Statements from 2015 to 2021, the value for Penthouse B was lowered to reflect an option price of \$14,264,000. (Exs. 150-156)

RESPONSE: Disputed. The evidence cited by Plaintiff does not establish that the 2015-2021 SOFC valued “Penthouse B” at \$14,264,000, nor does it establish the value of the option to purchase “Penthouse B.” Faherty Aff. Exs. 150-56.

371. However, a second amendment to the lease dated December 2016, lowered the option price of Penthouse B to \$12,264,000 meaning the SOFC values for the unit from 2017 to 2021 were overstated by \$2,000,000. (Ex. 168; Ex. 152-156)

RESPONSE: Disputed. The evidence cited by Plaintiff does not establish that the 2017-2021 SOFC values were overstated. Faherty Aff. Exs. 168, 152-56.

372. In the Statements for 2011 through 2015, the Trump Organization used the offering plan prices to value the remaining unsold residential condominium units rather than estimates of current market value. (Exs. 146-150)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff does not support the proposition that the 2011-2015 SOFC incorporated offering plan prices the value the remaining unsold residential condominium units. Faherty Aff. Exs. 146-50.

373. At least as early as 2012, the Trump Organization’s in-house real estate brokerage arm (Trump International Realty) prepared Sponsor Unit Inventory Valuation spreadsheets reflecting both offering plan prices and current market values based on actual market data that

included unsold units at Trump Park Avenue. (Ex. 169-174)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The evidence cited by Plaintiff does not establish that Trump International Realty prepared the Sponsor Unit Valuation spreadsheets, nor does it establish that the market value was based on actual market data that included unsold units at Trump Park Avenue. Faherty Aff. Ex. 169-74.

374. Trump Organization employees used these spreadsheets for day-to-day operations and business planning purposes, but not for purposes of valuation for the Statements. (Ex. 138 at 396:17-409:24; Ex. 175 at 62:07-78:23; Exs. 146-150)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

375. In 2012 the Trump Organization submitted to Mazars a spreadsheet containing a total value based on offering plan price for the non-rent stabilized units totaling \$243,527,250. (Ex. 147)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Plaintiff fails to identify the rent-stabilized units relied upon and thus does not establish the units totaled \$243,527,250. Faherty Aff. Ex. 147.

376. In that same year the Trump Organization’s internal spreadsheet contained a current market value for the non-rent stabilized units totaling \$206,700,000. (Ex. 169)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, it is unclear what alleged non-rent-stabilized units Plaintiff relies on. Faherty Aff. Ex. 169.

377. In 2013 the Trump Organization submitted to Mazars a spreadsheet containing a total value based on offering plan price for the non-rent stabilized units totaling \$280,310,000. (Ex. 148)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Plaintiff fails to identify the rent-stabilized units relied upon and thus does not establish the units totaled \$280,310,000. Faherty Aff. Ex. 148.

378. In that same year the Trump Organization’s internal spreadsheet contained a current market value for the non-rent stabilized units totaling \$252,875,000. (Ex. 170).

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, it is unclear what alleged non-rent-stabilized units Plaintiff relies on. Faherty Aff. Ex. 170.

379. In 2014 the Trump Organization submitted to Mazars a spreadsheet containing a

total value based on offering plan price for the non-rent stabilized units totaling \$244,746,000.

(Ex.149)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Plaintiff fails to identify the rent-stabilized units relied upon and thus does not establish the units totaled \$244,746,000. Faherty Aff. Ex. 149.

380. In that same year the Trump Organization's internal spreadsheet contained a current market value for the non-rent stabilized units totaling \$207,740,000. (Exs. 176, 173)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, it is unclear what alleged non-rent-stabilized units Plaintiff relies on. Faherty Aff. Ex. 176, 173.

381. The chart below shows the value reflected in the Statements for these remaining unsold units, absent the apartment with Ivanka Trump's option, in each year that is based on the offering plan prices and the value for these same units based on the current market value as listed on the Trump Organization prepared Sponsor Unit Inventory Valuation spreadsheets:

Statement Year	Value Based on Offering Plan Price	Current Market Value Prepared by Trump	Difference in Value
2012	\$222,707,250	\$190,050,000	\$32,657,250
2013	\$255,310,000	\$230,875,000	\$24,435,000
2014	\$199,746,000	\$174,740,000	\$25,006,000

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity

Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, it is unclear what non-rent stabilized units Plaintiff relies on to support the figures above.

382. The Trump Organization concealed its actual market value estimates from Mazars, sending the accounting firm only the portion of the spreadsheets containing the offering plan prices and omitting the column containing actual market value estimates (Ex. 72 at 687:03-704:20; Exs.147-149; Exs.169-170; Ex.176; Ex.173)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Further, the evidence cited by Plaintiff does not establish that “actual market value estimates” were “concealed” from Mazars. Faherty Aff Exs. 72 at 687:03- 704:20; Exs.147-149; Exs.169-170; Ex.176; Ex.173.

383. In one year, McConney did send to Bender both columns of the spreadsheet-but within minutes sent him a revised spreadsheet that omitted the current market value column and directed him to review the revised version instead. (Ex. 72 at 687:03-704:20; Ex. 177-180)

RESPONSE: Disputed. Jeff McConney sent both spreadsheets to Donald Bender in separate emails but did not direct him to review the second spreadsheet instead of the first spreadsheet. To the contrary, Jeff McConney’s direction to Donald Bender was the same in both e-mails, stating: “Doc, Here are the excel spreadsheets. Let me know if I missed any.” Further, the e-mails were not transmitted “within minutes” of each other; instead, the second e-mail was sent more than a half hour after the first. Faherty Aff. Ex. 177-180.

384. As a general matter, when a GAAP-compliant financial statement reports “cash,” it is referring to an amount of liquid currency or demand deposits available to the person or entity whose finances are described in the statement. See Financial Accounting Standards Board (“FASB”), Master Glossary – Cash (Ex. 181)

RESPONSE: Undisputed.

385. As a general matter, when a GAAP-compliant financial statement reports “cash equivalents,” it is referring to “short-term, highly liquid investments that have both of the following characteristics: a. Readily convertible to known amounts of cash b. So near their maturity that they present insignificant risk of changes in value because of changes in interest rates.” FASB, Master Glossary – Cash Equivalents (Ex. 182).

RESPONSE: Undisputed.

386. For the Statements covering 2013 to 2021, the value of the “cash” included in the asset category “cash and marketable securities” in 2013 and 2014, “Cash, marketable securities and hedge funds” in 2015 and 2016, and “cash and cash equivalents” in 2017 through 2021 included cash amounts held by the Vornado Partnership Interests. (Ex. 3 at -37; Ex. 4 at -717; Ex. 5 at -691; Ex. 6 at -983; Ex. 7 at -842; Ex. 8 at -725; Ex. 9 at -790; Ex. 10 at -248; Ex. 11 at -418)

RESPONSE: Undisputed.

387. Mr. Trump has a 30% limited partnership stake in the Vornado Partnership Interests without the right to use or withdraw funds held by the partnerships. In particular, Mr. Trump’s 30% interests are held indirectly through limited partnership stakes in various partnerships named “Hudson Waterfront Associates” followed by a number and the term, “LP,” for limited partnership. (Ex. 108, at -485, -486) The agreements governing the Hudson

Waterfront Associates limited partnerships are materially identical or substantially the same. (Ex. 109)

RESPONSE: Undisputed.

388. The partnership agreements governing the Vornado Partnership Interests make clear that the General Partner, i.e., Vornado, has full control over business operations and the discretion to make cash distributions. As one of the materially identical agreements explains, the General Partner has “full control over the management, operation and activities of, and dealings with, the Partnership Assets and the Partnership’s properties, business and affairs,” and “the Limited Partners shall not take part in the management of the business or affairs of the Partnership or control the Partnership business.” Moreover, the agreement states, “[t]he Limited Partners may under no circumstances sign for or bind the Partnership.” The partnership agreement provides for cash distributions in an amount, if any, that is “determined by the General Partner in its sole discretion.” (Ex. 113 at -916, -917 -942, -943, -3916-17)

RESPONSE: Undisputed.

389. Moreover, the partnership agreements do not provide for dissolution until the end of 2044, and limit the circumstances in which a limited partner may sell, transfer, or pledge his interest. (Ex. 113 at -932, -963-75)

RESPONSE: Disputed. While the term of the partner is set to continue until 2044, that date is only applicable “unless [the partnership is] sooner dissolved.” (Faherty Aff. Ex. 113 at 932) Moreover, other than expiration of the term, the partnership may be dissolved through the sale or other disposition of all or substantially all partnership assets, unanimous written consent of the partners, the determination of the general partner to dissolve, and other event of dissolution. (*Id.* at -994–95) Moreover, “Trump may, without the consent of the other Partners,

transfer his partnership Interest or any portion thereof to a Controlled Trust,” if certain other conditions are met. (*Id.* at -964–65)

390. Internal Trump Organization records acknowledge that cash residing within the Vornado Partnership interests was not the Trump Organization’s or Mr. Trump’s cash to access, but instead that any distributions were at Vornado’s discretion.

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The NYAG fails to point to any documents in this paragraph that substantiate the allegations therein.

391. Documents prepared in or about 2016 by Trump Organization accounting personnel reflect an understanding that any distributions from the Vornado Partnership Interests were at Vornado’s discretion. (Ex. 183 at Tab “2017 Projection” and Cells F114 and F115 identifying “Discretionary Distributions” with the Note “(j)”; Tab “Notes” Rows 28-29 defining note “(j)”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The paragraph does not identify who is a part of the “accounting personnel nor who had an understanding of the contents of the cited document.

392. One or more spreadsheets reflecting the discretionary nature of any cash distributions from the Vornado Partnership Interests were prepared and approved by personnel, including Mr. Weisselberg, who also worked on the Statements of Financial Condition. (Ex.184; Ex. 185 (Tab “Summary” at Rows 121-123 and Tab “Notes” at Rows 36-37; Ex. 186 at 168:6-

169:16)

RESPONSE: Disputed. The spreadsheet referenced does not purport to have been prepared or approved by Mr. Weisselberg as it was attached to an email sent by Patrick Birney, who wrote: “See attached. I put 3 copies for the kids in their folders on your chair. You and Jeff have copies on your desks. I’ll call you tomorrow.” (Faherty Aff., Exs. 184, 185) The testimony of Donna Kidder the NYAG cites also does not substantiate that Mr. Weisselberg approved any such spreadsheet as Ms. Kidder merely testified that Mr. Weisselberg took part in the “generation of the shell spreadsheet”. (Faherty Aff., Ex. 186 at 168:6- 169:16)

393. A memorandum from Mr. Weisselberg to Donald Trump, Jr., Eric Trump, and Ivanka Trump similarly advised them that “distributions are at the discretion of Vornado.” (Ex. 187)

RESPONSE: Undisputed.

394. The “Cash and Marketable Securities” asset category on the 2013 Statement includes \$14,221,800 in cash held within the Vornado Partnership Interests. (Ex. 188 at Rows 35 and 36)

RESPONSE: Undisputed.

395. The “Cash and Marketable Securities” asset category on the 2014 Statement includes \$24,756,854 in cash held within the Vornado Partnership Interests. (Ex. 189 at Tab “06.30.14” Rows 41, 43, 100, 101, and 102, and at Tab “D-6.30.14” Row 39)

RESPONSE: Undisputed.

396. The “Cash, Marketable Securities and Hedge Funds” asset category on the 2015 Statement includes \$32,708,696 in cash held within the Vornado Partnership Interests. (Ex. 190 at Tab “As of 06.30.15” Rows 12, 15, 16, 17, 18, and 19, and at Tab “As of 6.30.15 – Under

\$50k” Row 52)

RESPONSE: Undisputed.

397. The “Cash, Marketable Securities and Hedge Funds” asset category on the 2016 Statement includes \$19,593,643 in cash held within the Vornado Partnership Interests. (Ex. 191 at Tab “As of 06.30.16” Rows 11, 16, 17, 18, 19, 56)

RESPONSE: Undisputed.

398. The “Cash and Cash Equivalents” asset category on the 2017 Statement includes \$14,221,800 in cash held within the Vornado Partnership Interests. (Ex. 192 at Tab “As of 06.30.17” Rows 14, 21, 22, 23, 24, and 25)

RESPONSE: Disputed. The sum of the cash attributable to the Vornado operating entities equals \$16,536,243. (Faherty Aff., Ex. 192 at Tab “As of 06.30.17” Rows 14, 21, 22, 23, 24, and 25)

399. The “Cash and Cash Equivalents” asset category on the 2018 Statement includes \$24,355,588 in cash held within the Vornado Partnership Interests. (Ex. 193 at Tab “As of 06.30.18” Rows 15, 22, 23, 24, 25, and 26)

RESPONSE: Undisputed.

400. The “Cash and Cash Equivalents” asset category on the 2019 Statement includes \$24,653,729 in cash held within the Vornado Partnership Interests. (Ex. 194 at Tab “As of 06.30.19” Rows 14, 19, 20, 21, 22, and 23)

RESPONSE: Undisputed.

401. The “Cash and Cash Equivalents” asset category on the 2020 Statement includes \$28,251,623 in cash held within the Vornado Partnership Interests. (Ex. 195 at Tab “As of 06.30.20” Rows 15, 21, 22, 23, 24, and 25)

RESPONSE: Undisputed.

402. The “Cash and Cash Equivalents” asset category on the 2021 Statement includes \$93,126,589 in cash held within the Vornado Partnership Interests. (Ex. 196 at Tab “As of 06.30.21” Rows 11, 19, 20, 21, 22, and 23)

RESPONSE: Undisputed.

403. The chart below shows the amount of cash attributable to Mr. Trump’s 30% stake in the Vornado Partnership Interests in dollars and as a percent of the total asset value portrayed in the pertinent “cash” category in particular statement years. The amounts listed in the “Total Cash / Liquidity” column are derived from the “cash” category of asset (see paragraph for how that category was identified in each year) for the Statements for the years 2013 through 2021. (Ex. 3 at -37; Ex. 4 at -717; Ex. 5 at -691; Ex. 6 at -983; Ex. 7 at -842; Ex. 8 at -725; Ex. 9 at -790; Ex. 10 at -248; Ex. 11 at -418)

Statement Year	Amount Included Based On 30% Share In Vornado Property Interests	Total Cash/ Liquidity Reported	Vornado Property Interests Cash as a Percent of Total Cash
2013	\$14,221,800	\$339,100,000	4%
2014	\$24,756,854	\$302,300,000	8%
2015	\$32,708,696	\$192,300,000	17%
2016	\$19,593,643	\$114,400,000	17%
2017	\$16,536,243	\$76,000,000	22%
2018	\$24,355,588	\$76,200,000	32%
2019	\$24,653,729	\$87,000,000	28%
2020	\$28,251,623	\$92,700,000	30%
2021	\$93,126,589	\$293,800,000	32%

RESPONSE: Undisputed that the values listed are those reflected in the SOFCs, and the amounts attributable to the Vornado Operating Entities are as stated.

404. The decision to include cash in the Vornado Partnership Interests as if it were Mr.

Trump's own cash in the Statements was made by Mr. McConney and Mr. Weisselberg. (Ex. 138 at 670:23-671:11) In 2013, Mr. McConney first provided Mazars with a cash schedule that did not include cash held by the Vornado Partnership Interests. (Exs. 197-198) A few weeks later, he sent a revised cash schedule that did include such cash. (Ex. 199; Ex. 200 at Tab "06.30.13" Rows 35 and 306) In 2013, Mr. McConney's work on the Statement of Financial Condition was reviewed by Allen Weisselberg. (Ex. 54 at 70:2-21)

RESPONSE: Disputed. Patrick Birney did not testify that Mr. McConney and Mr. Weisselberg made the decision of how the Vornado interests should be represented, Mr. Birney testified "I don't know: when asked about whose decision it was to "include the cash held in" Vornado entities on "[President] Trump's schedule of cash and cash equivalence" and that he could "limit it to Jeff or Allen," but that he did not "know enough to say" and anything he would testify would be a "guess." (Faherty Aff., Ex. 138 at 670:23-671:11) Mr. McConney did not explicitly testify that Mr. Weisselberg reviewed his work on the SOFC in 2013, only that he would generally review the supporting spreadsheet with Mr. Weisselberg when he was heavily involved before it went out to Mazars, that Mr. McConney would not review "every single thing [because t]here's just too much going on in the company" and adds that Mr. Weisselberg would not "literally sign off on" the spreadsheet, but that he "reviews" and provides his comments before the spreadsheet is sent to Mazars. (Faherty Aff., Ex. 54 at 70:2-21)

405. No description of the "cash" category on the Statements from 2013 through 2021 discloses that cash Mr. Trump cannot access at his discretion and that resides in entities Mr. Trump does not control is included in the category. (Ex. 3 at -40; Ex. 4 at -720; Ex. 5 at -694; Ex. 6 at -986; Ex. 7 at-845; Ex. 8 at-728; Ex. 9 at -793; Ex. 10 at-251; Ex. 11 at-421)

RESPONSE: Disputed. Each of the SOFCs from 2013 through 2021 include a disclosure

that the cash assets listed therein are amounts held by President Trump personally and amounts held in “operating entities” indicating that not all of the funds listed in the cash category belonged to President Trump individually. (Faherty Aff., Exs. 3–11 at Note 2.) This disclosure notifies the reader of the SOFC that not all assets in the cash category are held directly by President Trump. (Flemmons Aff., Ex. B ¶¶ 44-47) Moreover, the compilation reports preceding the SOFC contained a disclosure that “some closely held business entities [are reported] in a manner that separately states gross assets and liabilities and states certain cash positions separately from their related operating entity,” (Faherty Aff., Ex. 3 at -035, Ex. 4 at -715, Ex. 5 at -689) and in subsequent years contained a similar disclosure stated that the SOFC reported “the current estimated value of all closely held and other business entities as a net investment (assets net of liabilities) and disclose[d] summarized financial information” about each entity. (Faherty Aff., Ex. 6 at -982, Ex. 7 at -841, Ex. 8 -724, Ex. 9 at -792–93, Ex. 10 at -250, Ex. 11 at -420). These disclosures are sufficient to put a reader on notice as to the inclusion of cash not directly held by President Trump. (Flemmons Aff., Ex. B ¶¶ 44-47)

406. The cash listed as an asset on the Statements for 2011 to 2021 is falsely inflated by the cash held by Vornado Partnership Interests.

RESPONSE: Disputed. Each of the SOFCs from 2014 through 2021 include a disclosure that President Trump was a Partner of Vornado Realty Trust in relation to two properties, of which “[President] Trump (Faherty Aff., Exs. 3–11 at Note 2.) This disclosure notifies the reader of the SOFC that not all assets in the cash category are held directly by President Trump, which directly refutes any allegation that the cash assets are falsely inflated by the inclusion of the cash held by Vornado. (Flemmons Aff., Ex. B ¶¶ 44-47) Moreover, the compilation reports preceding the SOFC contained a disclosure that “some closely held business entities [are reported] in a

manner that separately states gross assets and liabilities and states certain cash positions separately from their related operating entity,” (Faherty Aff., Ex. 3 at -035, Ex. 4 at -715, Ex. 5 at -689) and in subsequent years contained a similar disclosure that stated that the SOFC reported “the current estimated value of all closely held and other business entities as a net investment (assets net of liabilities) and disclose[d] summarized financial information” about each entity. (Faherty Aff., Ex. 6 at -982, Ex. 7 at -841, Ex. 8 -724, Ex. 9 at -792-93, Ex. 10 at -250, Ex. 11 at -420). These disclosures are sufficient to put a reader on notice as to the inclusion of cash not directly held by President Trump. (Flemmons Aff., Ex. B ¶¶ 44—47)

407. The Statements from 2014 to 2021 included in the total for the “escrow and reserve deposits and prepaid expenses” category of assets 30% of the escrow deposits or restricted cash held on the balance sheets of the Vornado Partnership Interests.

RESPONSE: Undisputed.

408. The label given to this category varies slightly. From 2014 through 2019, the label was “Escrow, reserve deposits and prepaid expenses.” (Ex. 4 at -717; Ex. 5 at -691; Ex. 6 at -983; Ex. 7 at -842; Ex. 8 at -725; Ex. 9 at -790) From 2020 through 2021, it was “Escrow, reserve deposits, restricted cash and prepaid expenses.” (Ex. 10 at -248; Ex. 11 at -418)

RESPONSE: Undisputed.

409. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2014 Statement included \$20,800,000 held within the Vornado Partnership Interests. (Ex. 201 at Rows 47-48)

RESPONSE: Undisputed.

410. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2015 Statement included \$15,980,000 held within the Vornado Partnership Interests. (Ex. 202 at Rows

40-41)

RESPONSE: Undisputed.

411. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2016 Statement included \$14,470,000 held within the Vornado Partnership Interests. (Ex. 203 at Rows 12 and 16)

RESPONSE: Undisputed.

412. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2017 Statement included \$8,750,000 held within the Vornado Partnership Interests. (Ex. 204 at Rows 12 and 16)

RESPONSE: Undisputed.

413. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2018 Statement included \$8,180,000 held within the Vornado Partnership Interests. (Ex. 205 at Rows 14 and 16)

RESPONSE: Undisputed.

414. The “Escrow, reserve deposits and prepaid expenses” asset category on the 2019 Statement included \$11,195,400 held within the Vornado Partnership Interests. (Ex. 206 at Rows 14 and 16)

RESPONSE: Undisputed that the spreadsheet reflects a value of \$11,195,400. However, it is disputed that the SOFC reflects such an amount, the amount on the statement is listed as \$11,200,000. (Faherty Aff, Ex. 9 at -806).

415. The “Escrow, reserve deposits, restricted cash and prepaid expenses” asset category on the 2020 Statement included \$7,108,500 held within the Vornado Partnership Interests. (Ex.207 at Rows 12 and 14)

RESPONSE: Undisputed that the spreadsheet reflects a value of \$7,108,500. However, it is disputed that the SOFC reflects such an amount, the amount on the statement is listed as \$7,110,000. (Faherty Aff, Ex. 10 at -261).

416. The “Escrow, reserve deposits, restricted cash and prepaid expenses” asset category on the 2021 Statement included \$12,696,600 held within the Vornado Partnership Interests. (Ex. 208 at Rows 14 and 15)

RESPONSE: Undisputed that the spreadsheet reflects a value of \$12,696,600. However, it is disputed that the SOFC reflects such an amount, the amount on the statement is listed as \$12,700,000. (Faherty Aff, Ex. 11 at -431).

417. The chart below shows the amount of escrow deposits or restricted cash attributable to Mr. Trump’s 30% stake in the Vornado Partnership Interests in dollars and as a percent of the total “escrow and reserve deposits and prepaid expenses” category. The amounts listed in the righthand column are derived by comparing the escrow or restricted cash amounts derived from the Vornado Partnership Interests to the total of the “escrow” category of asset in a particular year, as identified on the Statements of Financial Condition for the years 2014 through 2021. (Ex. 4 at-717; Ex. 5 at-691; Ex. 6 at -983; Ex. 7 at-842; Ex. 8 at-725; Ex. 9 at -790; Ex. 10 at -248; Ex. 11 at -418)

Statement Year	Amount Included Based On 30% Share In Vornado Property Interests	Vornado Property Interests Escrow Deposits or Restricted Cash as a Percent of Total Escrow Category
2014	\$20,800,000	52%
2015	\$15,980,000	47%
2016	\$14,470,000	52%
2017	\$8,750,000	36%
2018	\$8,180,000	36%
2019	\$11,195,400	39%

2020	\$7,108,500	28%
2021	\$12,696,600	44%

RESPONSE: Undisputed that the values listed are those reflected in the supporting data for the SOFCs, and the amounts attributable to the Vornado Operating Entities are as stated.

418. The escrow deposits and restricted cash listed as an asset on the Statements for 2014 to 2021 is falsely inflated by the escrow deposits and restricted cash held by Vornado Partnership Interests, because, as the Statements do not disclose, Mr. Trump does not control cash in those partnerships and thus would not control escrowed or restricted cash once any escrow or other restriction were lifted. (Ex. 4 at -717, -720; Ex. 5 at -691, -694; Ex. 6 at -983, -986; Ex. 7 at -842, -845; Ex. 8 at -725, -728; Ex. 9 at -790, -793; Ex. 10 at -248, -251; Ex. 11 at -418, -421)

RESPONSE: Disputed. Each of the SOFCs contain a disclosure that President Trump is a partner to Vornado Realty Trust in two properties, of which President Trump “owns 30%” and further disclosing the amount that is represented in the escrow category attributable to Vornado for each of the corresponding years. (Faherty Aff., Ex. 4 at -734, Ex. 5 at -708, Ex. 6 at -2000, Ex. 7 at -841, Ex. 8 at -741, Ex. 9 at -806, Ex. 10 at -261, Ex. 11 at 431). Moreover, the compilation reports preceding the SOFC contained a disclosure that “some closely held business entities [are reported] in a manner that separately states gross assets and liabilities and states certain cash positions separately from their related operating entity,” (Faherty Aff., Ex. 3 at -035, Ex. 4 at -715, Ex. 5 at -689) and in subsequent years contained a similar disclosure that stated that the SOFC reported “the current estimated value of all closely held and other business entities as a net investment (assets net of liabilities) and disclose[d] summarized financial information” about each entity. (Faherty Aff., Ex. 6 at -982, Ex. 7 at -841, Ex. 8 -724, Ex. 9 at -792-93, Ex. 10

at -250, Ex. 11 at -420). These disclosures are sufficient to put a reader on notice as to the inclusion of escrow deposits attributable to Vornado. (Flemmons Aff., Ex. B ¶¶ 48-50)

419. From 2011 to 2021, each Statement has included an asset category entitled "Real Estate Licensing Developments." (Ex. 1 at-3150; Ex. 2 at -6327; Ex. 3 at-054; Ex. 4 at-736-37; Ex. 5 at-709-10; Ex. 6 at -2001-02; Ex. 7 at -1860; Ex. 8 at-2743; Ex. 9 at-1808; Ex. 10 at -2262; Ex. 11 at -6433)

RESPONSE: Undisputed. Except it is disputed that the 2020 SOFC contained such a category, in 2020 the name of the that section was "Real Estate Licensing And Management[.]"

420. This category is represented to value "associations with others for the purpose of developing and managing properties" and the "cash flow that is expected to be derived . . . from these associations as their potential is realized." (Ex. 1 at -3150; Ex. 2 at -6327; Ex. 3 at -054; Ex. 4 at -736-37; Ex. 5 at -709-10; Ex. 6 at -2001-02; Ex. 7 at -1860; Ex. 8 at -2743; Ex. 9 at -1808; Ex. 10 at -2262; Ex. 11 at -6433)

RESPONSE: Undisputed. Except that it is disputed that that the SOFCs for 2019—2021 contain the representation that the Real Estate Licensing Development category contains a representation that it purports to value "associations with others for the purpose of developing and managing properties" is not contained in these SOFCs. (Faherty Aff., Ex. 9; Ex. 10; Ex. 11)

421. This asset category was represented to include "only situations which have evolved to the point where signed arrangements with the other parties exist and fees and other compensation which will be earned are reasonably quantifiable." (Ex. 3 at -054; Ex. 4 at -736-37; Ex. 5 at -709-10; Ex. 6 at -2001-02; Ex. 7 at -1860; Ex. 8 at -2743; Ex. 9 at -1808; Ex. 10 at -2262; Ex. 11 at -6433)

RESPONSE: Undisputed.

422. However, the Trump Organization included in this asset category from 2015 to 2018 speculative and non-existent deals as components of the value—deals expressly identified on internal Trump Organization financial records supporting the valuation as “TBD,” i.e. to be determined. (Exs. 209-214, at “new signings” and “new openings” tab for Exs. 209, 201, 212, 214; also, Ex. 135; Ex. 138 at 1148:21-1153:16)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Moreover, the cited documents demonstrate a differentiation of value between the “Existing Portfolio” and the “Future Portfolio” allowing Mazars, the accounting firm who was in charge of compiling these financials, to ascertain the substance of the financials to be disclosure on the SOFC. (Faherty Aff., Ex. 209 at sheet “Summary” rows 20—22; Ex. 210 at sheet “Summary” rows 20—22; Ex. 211; Ex. 212 at sheet “Summary” rows 25—27; Ex. 213; Ex. 214 at sheet “Summary” rows 25—27). Patrick Birney testified that he “remembers Domald Bender bringing . . . up” the removal of the future portfolio valuation from the financial information included in the SOFC, thereafter the future portfolio values were removed to adhere to the advice of the accountant in charge of the compilation assignment. (Faherty Aff., Ex. 135; Ex. 138 at 1148:21-1153:16).

423. These TBD deals included arrangements in Asia and the Middle East, were described in a list of purported “new openings,” and were based on purely speculative projections that included thousands of new hotel rooms and millions of dollars in additional revenue. (Exs. 209-210; Ex. 212; Ex. 214)

RESPONSE: Disputed. The projections were not based on “purely speculative

projections” but were the product of planned courses of action and ongoing negotiations existing at the time with the aim of developing new hotels and generating revenue from the operation of those hotels.

424. These TBD deals were not signed arrangements that “existed” and for which compensation was “reasonably quantifiable” as the Statements represented was the case for deals included within this asset category. (Ex. 138 at 620:13-621:14; Ex. 5 at 709-10; Ex. 6 at-2001-02; Ex. 7 at -1860; Ex. 8 at -2743)

RESPONSE: Disputed. While Mr. Birney testified that it was “probably not” not accurate to include to be determined deals as part of a future portfolio,(Faherty Aff, Ex. 138 at 621:2—14), Patrick Birney also testified that he “remembers Domald Bender bringing . . . up” the removal of the future portfolio valuation from the financial information included in the SOFC, thereafter the future portfolio values were removed to adhere to the advice of the accountant in charge of the compilation assignment. (Faherty Aff., Ex. 138 at 1148:21-1153:16).

425. The chart below shows the value of the TBD deals included in the Real Estate Licensing Development valuations from 2015 to 2018:

Statement Year	Total Value	Amount of TBD Deals in Total Value	% of Total	Record Cite
2015	\$339,000,000	\$103,536,391	30.5%	Ex.209
2016	\$227,400,000	\$46,312,797	20.4%	Ex.210
2017	\$246,000,000	\$52,731,562	21.4%	Ex. 211
2018	\$202,900,000	\$45,198,994	22.3%	Ex. 213

RESPONSE: Undisputed that the values listed are those reflected in the supporting data for the SOFCs and the SOFCs, and the amounts attributable to the future portfolio are as stated, which ultimately equal the percentage represented.

426. The Trump Organization also included in this category a number of deals between entities within the Trump Organization concerning its own properties, including Doral, OPO, Turnberry, Doonbeg, Trump New York, Trump Las Vegas, and Trump Chicago—deals in accounting parlance that are known as "related party transactions" because they are not arm's-length deals in the marketplace but rather deals between affiliates. (Ex. 215; Ex. 216; Ex. 206; Ex.210; Ex.211; Ex.213; Ex.221; Ex.222; Ex.223)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Moreover, the NYAG presents no evidence to support its definition of related party transaction, nor does it present evidence as to why the listed deals would fit such definition.

427. Including these related party transactions was contrary to the representation in the Statements that this category included only the value derived from associations with others where "signed arrangements with the other parties exist" when in fact the value included intercompany agreements among and between Trump Organization affiliates. (Ex. 3 at-054-55; Ex. 4 at-736; Ex. 5 at 709-10; Ex. 6 at -2001-02; Ex. 7 at-1860; Ex. 8 at-2743; Ex. 9 at - 161808; Ex. 10 at -162262; Ex. 11 at -6166433).

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The listed transactions that make up the Real Estate Licensing Developments category are arrangements signed with other parties that exist, as each real estate development is operated by a discrete legal entity that is a distinct legal person from President Trump, and the SOFCs are

President Trump's personal financials. Therefore, while the SOFCs do not explicitly mention that certain Real Estate Licensing Developments involve Trump branded entities, the disclosure is not inaccurate. Even if disclosure that the other parties were related parties was required, such disclosure requirement would not undermine the inclusion of those values in the SOFC. (Flemmons Aff., Ex. B ¶¶ 84-87) Nothing in ASC 850 precludes the inclusion of value derived from related-party transactions, it only involves disclosing the relationship involved. (*See generally* Faherty Aff., Ex. 124; Flemmons Aff., Ex. B ¶¶ 84-87) Thus, no reduction in value would be appropriate in this circumstance.

428. Including the value of related party transactions also constituted a substantial, undisclosed departure from GAAP, which generally requires disclosure of details of related party transactions because, among other reasons, such self-dealing transactions are not arms-length transactions in the marketplace. See, e.g., ASC No. 850 (Ex. 124)

RESPONSE: Disputed. Even if certain disclosures were required in relation to related parties, the inclusion of the value of the development projects is not affected by the requirement of disclosure. (Flemmons Aff., Ex. B ¶¶ 84-87) Nothing in ASC 850 precludes the inclusion of value derived from related-party transactions, it only involves disclosing the relationship involved. (*See generally* Faherty Aff., Ex. 124; Flemmons Aff., Ex. B ¶¶ 84-87) Thus, no reduction in value would be appropriate in this circumstance.

429. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2013 (Doral, OPO, Trump New York, Trump Las Vegas, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$87,535,099. (Ex. 215; Ex. 407)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

Additionally, Even if certain disclosures were required in relation to related parties, the inclusion of the value of the development projects is not affected by the requirement of disclosure. (Flemmons Aff., Ex. B ¶¶ 84-87) Nothing in ASC 850 precludes the inclusion of value derived from related-party transactions, it only involves disclosing the relationship involved. (*See generally* Faherty Aff., Ex. 124; Flemmons Aff., Ex. B ¶¶ 84-87) Thus, no reduction in value would be appropriate in this circumstance.

430. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2014 (Doral, OPO, Doonbeg, Trump New York, Trump Las Vegas, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$224,259,337. (Ex. 216)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion. Additionally, Even if certain disclosures were required in relation to related parties, the inclusion of the value of the development projects is not affected by the requirement of disclosure. (Flemmons Aff., Ex. B ¶¶ 84-87) Nothing in ASC 850 precludes the inclusion of value derived from related-party transactions, it only involves disclosing the relationship involved. (*See generally* Faherty Aff., Ex. 124; Flemmons Aff., Ex. B ¶¶ 84-87) Thus, no reduction in value would be appropriate in this circumstance.

431. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2015 (Doral, OPO, Doonbeg, Trump New York, Trump Las Vegas, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$110,559,370. (Ex. 209)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

432. Removing (i.e. zeroing out) revenues attributable to the related party transactions

in 2016 (Doral, OPO, Doonbeg, Trump New York, Trump Las Vegas, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$120,921,757. (Ex. 210)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

433. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2017 (Doral, OPO, Turnberry, Doonbeg, Trump New York, and Trump Chicago) from the while keeping all other variables constant results in a reduction in value of \$113,528,527. (Ex. 211; Ex. 212)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

434. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2018 (Doral, OPO, Turnberry, Doonbeg, Trump New York, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$115,487,035. (Ex. 213; Ex. 214)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

435. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2020 (Doral, OPO, Turnberry, Doonbeg, Trump New York, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$97,468,692. (Ex. 222)

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

436. Removing (i.e. zeroing out) revenues attributable to the related party transactions in 2021 (Doral, OPO, Turnberry, Doonbeg, Trump New York, and Trump Chicago) from the management company valuation while keeping all other variables constant results in a reduction in value of \$106,503,627,000. (Ex. 223).

RESPONSE: Disputed. The evidence cited by Plaintiff does not support her assertion.

437. Here, if properly disclosed, a reader would have understood that the Trump Organization was valuing its own intracompany deals—not deals negotiated at arms-length in the marketplace.

RESPONSE: Disputed. Even if certain disclosures were required in relation to related parties, the inclusion of the value of the development projects is not affected by the requirement of disclosure. (Flemmons Aff., Ex. B ¶¶ 84-87) Nothing in ASC 850 precludes the inclusion of value derived from related-party transactions, it only involves disclosing the relationship involved. (*See generally* Faherty Aff., Ex. 124; (Flemmons Aff., Ex. B ¶¶ 84-87) Thus, no reduction in value would be appropriate in this circumstance.

438. At the start of 2011, the Trump Organization had a single outstanding loan held by Deutsche Bank on Trump Chicago with just over \$140 million outstanding. (Ex. 224; DJT Answer ¶ 562 (admitting “that there was a relationship with Deutsche Bank, and that in 2011 the Chicago Loan was outstanding with the CRE group of Deutsche Bank”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

439. The Trump Chicago loan was originated by the Commercial Real Estate (“CRE”) lending group in Deutsche Bank. (Ex. 224; DJT Answer ¶ 562 (admitting “that there was a relationship with Deutsche Bank, and that in 2011 the Chicago Loan was outstanding with the CRE group of Deutsche Bank”))

RESPONSE: Undisputed.

440. Starting in 2011, Mr. Trump and the Trump Organization initiated a relationship with bankers in the Private Wealth Management (“PWM”) division of Deutsche Bank. (Ex. 225; DJT Answer ¶ 563 (admitting “that in or about 2011 a relationship with the PWM division of Deutsche Bank commenced”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—initiated a relationship with PWM division.

441. The initial introduction to the PWM division at Deutsche Bank came in September 2011, when Jared Kushner, the husband of Ivanka Trump, introduced his brother-in-law Donald Trump, Jr. to Rosemary Vrablic, a Managing Director at the bank in the PWM division. (Ex. 225)

RESPONSE: Undisputed.

442. As part of this introduction, Vrablic confirmed the need for recourse in PWM loans in the form of a personal guarantee from as part of any loan application. (Ex. 225)

RESPONSE: Disputed. In the email correspondence with Donald Trump, Jr. and Jared Kuser, Vrablic stated that recourse was required in PWM loans in her email correspondence but never mentions a personal guarantee would be needed “as part of any loan application.” *See* Faherty Aff. at Ex. 225.

443. As a result of the personal guarantee, the Statements were central to the PWM division loan application. (Ex. 226; Ex. 227 at 180:17-181:23)

RESPONSE: Disputed. The evidence cited does not support the Statements of Financial Condition were “central” to the PWM loan application. The Statements were a “roadmap for

banks to do their own independent analysis.” Defs. SOF ¶ 68. The banks also considered other factors in the loan application. *See* Defs. SOF ¶¶ 69–71, 74–91.

444. By personally guaranteeing the loans and providing evidence of his liquidity and net worth through his Statements, Mr. Trump was able to apply to the PWM division for, and obtain for his company, loans with significantly lower interest rates than would otherwise have been available through the CRE division or from commercial real estate lending groups at other banks. (Compare Ex. 226; Ex. 228 with Ex. 229 (DB Corporate & Investment Bank Term Sheet for Doral loan); Ex. 230 (DB CRE Term Sheet for Trump OPO loan); and Ex. 231 (internal Deutsche Bank email dated May 23, 2012 describing proposed DB PWM and DB CIB loan terms, including a “spread differential based on the full guarantee of Donald Trump”).

RESPONSE: Disputed. President Trump was able to apply to the PWM division for loans given his net worth. Defs. SOF ¶ 73 (“Typical borrowers will have a net worth of over \$50 million.”) Additionally, the pricing in the PWM division was set by a pricing grid once a customer was in the PWM division. Defs. SOF ¶¶ 75–78.

445. The personal guarantee and other loan documents required by the PWM division included a certification by Mr. Trump of his Statement as true and accurate before any funds would be lent. (Ex. 232; Ex. 233; Ex. 234)

RESPONSE: Undisputed.

446. The regular submission of the Statements certified as true and accurate by Mr. Trump or the trustees of the Trust (as applicable) also helped the Trump Organization and Mr. Trump avoid having the loans placed into default. (See *id.* (requiring annual compliance certification))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity

Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Defendants 401 North Wabash Venture LLC, Trump Endeavor 12 LLC, and Trump Old Post Office LLC held loans with Deutsche Bank.

447. In a letter dated October 29, 2020, PWM Managing Director Greg Khost advised the Trump Organization that Deutsche Bank had become aware of alleged misrepresentations in Mr. Trump's Statements from OAG's public court filings and public news reporting. (Ex. 235)

RESPONSE: Undisputed.

448. Mr. Khost's letter stated that these public factual allegations "appear to directly relate to the accuracy of certain Statements of Financial Condition submitted to DBTCA in Donald J. Trump's capacity as guarantor to the relevant loan facilities," and asked a series of questions about those Statements. (Ex. 235)

RESPONSE: Undisputed.

449. In an email sent to Mr. Khost on December 7, 2020, Trump Organization Chief Legal Officer Alan Garten declined to answer Deutsche Bank's questions and stated "we are unaware of anything that would require us to respond to an inquiry of this nature." (Ex. 236)

RESPONSE: Undisputed that Mr. Garten said he was unaware of anything that would require them to respond to an inquiry, but disputed that Mr. Garten declined to answer Deutsche Bank's questions.

450. Deutsche Bank Associate General Counsel Gregory Candela's email in response cited various loan agreements and guaranties requiring Mr. Trump to provide the bank with accurate information about his financial condition, and stated that Deutsche Bank was "seeking further information from the Trump Organization to aid in its analysis of whether an event of

default may have occurred with respect to such submissions and representations.” (Ex. 236)

RESPONSE: Undisputed.

451. Deutsche Bank subsequently decided to exit its relationship with the Trump Organization once all of its outstanding loans had matured or been repaid “in light of the failure and/or refusal of the covered client organization to respond to DB’s event-driven KYC review questions.” (Ex. 237)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Deutsche Bank’s memorandum discusses Deutsche Bank’s decision to exist its relationship with 401 North Wabash Venture LLC, Trump Endeavor 12 LLC, and Trump Old Post Office LLC. *See* Faherty Aff., Ex. 237 at 1.

452. In November 2011, the Trump Organization executed a \$150 million purchase and sale agreement for the Doral Golf Resort and Spa as part of a bankruptcy proceeding. (Ex. 226; Ex 238; Amended Answer of Donald J. Trump, NYSCEF No. 501 (“DJT Answer”) ¶ 571 (admitting “Trump Endeavor 12 LLC executed a purchase and sale agreement for Doral Golf Resort and Spa as part of a bankruptcy proceeding, and served as a stalking horse bidder for the Doral property in a bankruptcy Auction”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Trump Endeavor 12 LLC entered a \$150 million purchase and sale agreement for the Doral Golf Resort and Spa as part of a bankruptcy proceeding.

453. The Trump Organization was to serve as a stalking horse bidder in a bankruptcy auction, with an eye toward closing the transaction in June 2012. (Ex. 226; Ex 238; NYSCEF No. 501 (DJT Answer) ¶ 571)

RESPONSE: Undisputed.

454. The formal process for soliciting the Doral loan began in late October 2011, when Ivanka Trump sent an “Investment Memo” and financial projections for the Doral property to two Deutsche Bank employees. (Ex. 239; Ex. 240; Ex. 241; Ex. 242; Ex. 243)

RESPONSE: Undisputed.

455. In November 2011, Mr. Trump began personally contacting banks to secure a loan to purchase Doral. (Ex. 244; NYSCEF No. 501 (DJT Answer) ¶ 573 (admitting that Mr. Trump “sought a loan to purchase Doral and spoke with Richard Byrne, the CEO of Deutsche Bank Securities relating to financing for the purchase of the Doral property in or about 2011”))

RESPONSE: Disputed. The evidence cited reflects only that Mr. Trump spoke to Richard Byrne at Deutsche Bank, not that he contacted various banks.

456. On November 13, 2011, Mr. Trump spoke with Richard Byrne, the CEO of Deutsche Bank Securities to ask if the bank was interested in working with him on financing for the purchase of Doral. (Ex. 244; NYSCEF No. 501 (DJT Answer) ¶ 573)

RESPONSE: Undisputed.

457. Mr. Byrne in turn forwarded the request to the Global Head of the CRE division at the bank who wrote that Doral was “a tough asset and our initial reaction was not enthusiastic.” (Ex. 244; NYSCEF No. 501 (DJT Answer) ¶ 573)

RESPONSE: Undisputed.

458. On November 14, 2011, the two bankers spoke with Mr. Trump and Ivanka

Trump about the loan. (Ex. 244; NYSCEF No. 501 (DJT Answer) ¶ 573)

RESPONSE: Disputed. The evidence cited only illustrates that President Trump spoke to Deutsche Bank on November 14, 2021.

459. The next day, Mr. Trump sent Mr. Byrne a letter, copying Ivanka Trump, enclosing his Statement and writing, “As per our conversation, I am pleased to enclose the recently completed financial statement of Donald J. Trump (hopefully you will be impressed!).” (Ex. 245; NYSCEF No. 501 (DJT Answer) ¶ 574 (admitting “that Defendant and Ivanka Trump spoke with bankers about the loan and Mr. Trump wrote a letter to Mr. Byrne”))

RESPONSE: Undisputed.

460. The letter continued, “I am also enclosing a letter that establishes my brand value, which is not included in my net worth statement.” (Ex. 245; NYSCEF No. 501 (DJT Answer) ¶ 574)

RESPONSE: Undisputed.

461. On November 21, 2011, the CRE division offered the Trump Organization a \$130 million loan at LIBOR + 800 basis points, with a LIBOR floor of 2 percent – a minimum 10% interest rate. (Ex. 229; NYSCEF No. 501 (DJT Answer) ¶ 575 (admitting “the CRE division offered financing terms to Trump Endeavor 12 LLC”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

462. The Trump Organization did not accept those terms and continued to look for financing for Doral. (Ex. 246)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

463. In December 2011, Mr. Trump and Ivanka Trump met with Rosemary Vrablic to discuss a potential loan for Doral through the PWM division. (Ex. 246)

RESPONSE: Undisputed.

464. On December 6, 2011, Ms. Trump emailed Vrablic that, “My father and I are very much looking forward to meeting with you tomorrow to discuss Doral. I have attached our investment memo as well as some basic information on our golf and hotel portfolios.” (Ex. 246)

RESPONSE: Undisputed.

465. The two sides began negotiating terms and on December 15, 2011, Vrablic sent Ms. Trump a term sheet proposing a \$125 million loan with an interest rate of LIBOR + 225 basis points during a renovation period for the resort and LIBOR + 200 basis points during an amortization period for the resort. (Ex. 247; Ex. 248)

RESPONSE: Undisputed.

466. The terms of the loan included recourse through a personal guarantee by Mr. Trump of all principal and interest due on the loan and the operating expenses of the resort. (Ex. 247; Ex. 248)

RESPONSE: Undisputed.

467. The proposal also included a number of covenants including requirements that Mr. Trump maintain a minimum net worth of \$3 billion and unencumbered liquidity of \$50 million. (Ex. 247; Ex. 248)

RESPONSE: Disputed. The proposal required that Mr. Trump maintain an unencumbered liquidity of \$50 million during the renovation period only.

468. Ivanka Trump forwarded the proposal to Allen Weisselberg, Jason Greenblatt (Executive Vice President and Chief Legal Officer), and Dave Orowitz (Senior Vice President, Acquisitions and Development) writing: “It doesn’t get better than this I am tempted not to negotiate this though.” (Ex. 249)

RESPONSE: Undisputed.

469. Mr. Greenblatt wrote back: “I will review, but [note] immediately that this is a FULL principal and interest and operating expense personal guaranty. Is DJT willing to do that? Also, the net worth covenants and DJT indebtedness limitations would seem to be a problem?” (Ex. 249)

RESPONSE: Undisputed.

470. Ms. Trump then responded: “That we have known from day one. We wanted to get a great rate and the only way to get proceeds/term and principle where we want them is to guarantee the deal. As the market has illustrated getting leverage on resorts right now is not easy (i.e. 125 plus an equity kicker for 25 percent or Beal with full cash flow sweeps and steep prepayment penalties.)” (Ex. 249)

RESPONSE: Undisputed.

471. In Ms. Trump’s response, “Beal” is a reference to Beal Bank, another financial institution the Trump Organization contacted about a loan for Doral. (Ex. 250; Ex. 251)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is

attributed. Trump Endeavor 12 LLC applied for a loan with Beal Bank. Faherty Aff., Ex. 250 at 1.

472. On December 18, 2011, Ms. Trump sent a revised term sheet back to Vrablic, copying Allen Weisselberg, seeking to reduce Mr. Trump's net worth covenant from \$3 billion to \$2 billion, and to reduce loan payments by making the full term of the loan interest-only (as opposed to having a period when payments would be principal plus interest). (Ex. 252; Ex. 253)

RESPONSE: Undisputed.

473. In an internal credit report dated December 20, 2011, Deutsche Bank employees from the PWM division sought the approval of a \$125 million term commitment for the Doral property. (Ex. 226)

RESPONSE: Undisputed.

474. This report noted "[t]he Facility will also be supported by a full and unconditional guarantee provided by DJT of (i) Principal and Interest due under the Facility, and (ii) operating shortfalls of the Resort" (Ex. 266, at -1691)

RESPONSE: Undisputed.

475. The credit memo listed this guarantee as a source of repayment, and recommended approval of the loan. (Ex. 266 at -1693)

RESPONSE: Undisputed.

476. The memo stated that "[t]he Facility is being recommended for approval based on" a series of factors, the first of which was "Financial Strength of the Guarantor" and another of which was the nature of the personal guarantee. (Ex. 266 at -1693)

RESPONSE: Undisputed.

477. The loan was approved through the PWM division and closed on June 11, 2012,

with a loan to Trump Endeavor 12 LLC personally guaranteed by Mr. Trump. (Ex. 254; NYSCEF No. 501 (DJT Answer) ¶ 587 (admitting “the Doral loan closed on June 11, 2012 and was personally guaranteed by Mr. Trump”))

RESPONSE: Undisputed.

478. Interest on the loan was set for LIBOR + 2.25 during a renovation period, and LIBOR + 2.0 thereafter. (Ex. 254 at -5874)

RESPONSE: Undisputed.

479. The loan agreement, signed by Mr. Trump, recited that Mr. Trump’s June 30, 2011 Statement had to be provided to the bank as a precondition of lending. (Ex. 254 at -5911, -5914)

RESPONSE: Undisputed.

480. In multiple instances, the loan agreement required that Mr. Trump certify the accuracy of the financial information in his Statement. (Ex. 254 at -5887, -5891, -5892)

RESPONSE: Disputed. The cited provisions of the loan agreement place obligations on the *Borrower*, Trump Endeavor 12, LLC, not President Trump. *See* Faherty Aff., Ex. 254 at -5853 (defining Borrower as Trump Endeavor 12 LLC). For example, Section 3 governs the representations and warranties made by the *Borrower* to the Lender. *Id.* at -5884 (“*Borrower* represents and warrants to Lender that the following are true and correct . . .”). Additionally, Section 4 governs affirmative covenants undertaken by the *Borrower*. *Id.* at -591 (“*Borrower* hereby covenants to the Lender that, until the Obligations have been paid to Lender in full, Borrower shall perform the following obligations . . .”); *see also id.* (“*Borrower* shall provide to Lender . . . the financial statements of *Borrower*.”); *id.* at -592 (“*Borrower* shall provide to Lender . . . a compliance certificate of Borrower”).

481. In particular, the agreement contained a provision entitled, “Full and Accurate Disclosure,” which required Mr. Trump to represent that no information contained in any loan document or in “any written statement furnished by or on behalf of Borrower or any other party pursuant to the terms of the” loan or associated documents “contains any untrue statement of a material fact or omits to state a material fact necessary to make any material statements contained herein or therein not misleading in light of the circumstances under which they were made.” (Ex. 254 at -5887)

RESPONSE: Disputed. The “Full and Accurate Disclosure” provision is found in Section 3 of the loan agreement places requirements on the *Borrower*, Trump Endeavor 12 LLC, not President Trump. *See* Faherty Aff., Ex. 254 §§ 3 (“*Borrower* represents and warrants to Lender . . .”); *id.* at -5853 (defining Borrower as Trump Endeavor 12 LLC).

482. Similarly, issuance of the loan was subject to several conditions precedent, including that “[t]he representations and warranties of Borrower contained in this Agreement and in all certificates, documents and instruments delivered pursuant to this Agreement and the Loan Documents shall be true and correct on and as of the Closing Date.” (Ex. 254 at -5911)

RESPONSE: Undisputed.

483. The loan agreement included a debt service coverage ratio (“DSCR”) covenant and a loan-to-value (“LTV”) ratio covenant. (Ex. 254 at -5894 to -5897)

RESPONSE: Undisputed.

484. Mr. Trump’s personal guarantee, which he signed, included various financial representations. (Ex. 232)

RESPONSE: Undisputed.

485. Mr. Trump, as guarantor, was required to certify: (i) the truth and accuracy of his

Statement as a condition of the guarantee—reliance on which Mr. Trump agreed the loan itself was granted; (ii) that he “has furnished to Lender his Prior Financial Statements” which are “true and correct in all material respects;” (iii) the Statement “presents fairly Guarantor’s financial condition as of June 30, 2011;” and (iv) “there has been no material adverse change in any condition, fact, circumstance or event that would make the Prior Financial Statements, reports, certificates or other documents submitted by Guarantor in connection with this Guaranty and the other Credit Documents to which he is a party inaccurate, incomplete or otherwise misleading in any material respect.” (Ex. 232 at -4177 to -4178) The loan documents stated that “all the Guaranteed Obligations,” referring to the entirety of the loan and other obligations Mr. Trump guaranteed, “shall be conclusively presumed to have been created in reliance hereon.” (Ex. 232 at -4176)

RESPONSE: Disputed. President Trump did not agree that the loan itself was granted based on any reliance on the truthful and accuracy of the Statements. The cited evidence does not indicate that Deutsche Bank relied on the accuracy of the Statements, as it conducted its own independent assessment of the assets. Defs. SOF ¶¶ 86–90. Banks would only use the Statements as a starting point for their analysis. Defs. SOF ¶¶ 67–68. As President Trump testified, the banks would not rely on the Statements because of non-reliance clause. Robert Aff., Ex. V (President Trump Dep.) at 169:16–18. Further, “Guaranteed Obligations” does not refer to “the entirety of the loan and other obligations,” but rather is explicitly defined as “(a) the outstanding principal amount of the Loan plus interest thereon calculated in accordance with the Credit Agreement (and which shall include interest accruing at the Default Rate and accruing after the occurrence of a bankruptcy), and (b) any Operating Shortfalls.” Faherty Aff., Ex. 232 at -4172.

486. Pursuant to the guarantee, Mr. Trump was required to maintain \$50 million in

unencumbered liquidity, and a minimum net worth of \$2.5 billion to be “tested and certified to on an annual basis based upon the Statement of Financial Condition delivered to Lender during each year.” (Ex. 232 at -4180)

RESPONSE: Undisputed.

487. That language means the bank would determine Mr. Trump’s compliance with his net worth covenant by reference solely to the net worth Mr. Trump reported and certified to the bank. (Ex. 232 at -4180; Ex. 255 at 270:7-15)

RESPONSE: Undisputed.

488. Mr. Trump was also required to “keep and maintain complete and accurate books and records” and periodically to “deliver to Lender or permit Lender to review,” a series of documents under the guarantee’s financial reporting requirements. (Ex. 232 at -4180 to -4181)

RESPONSE: Undisputed.

489. One of those submissions was a statement of financial condition, which was to be delivered annually with a compliance certificate certifying the statement “presents fairly in all material respects the financial condition of Guarantor at the period presented.” (Ex. 232 at -4180 to -4181, -4189 to -4190)

RESPONSE: Undisputed.

490. False certifications of such statements were expressly identified as events of default under the loan agreement. (Ex. 254 at -5916)

RESPONSE: Disputed. The loan agreement does not list false certifications of the statements “expressly” as a default. Rather, the loan agreement generally indicates the following as an event of default: “Any representation or warranty of Borrower or Guarantor herein or in any other Loan Document or any amendment to any thereof shall prove to have been false or

misleading in any material respect at the time made or intended to be effective.” Faherty Aff., Ex. 254 at -5916.

491. Under the loan, “[a]ny representation or warranty of Borrower or Guarantor herein or in any other Loan Document or any amendment to any thereof shall prove to have been false and misleading in any material respect at the time made or intended to be effective” was one of several “events of default.” (Ex. 254 at -5916)

RESPONSE: Undisputed.

492. The term “Loan Documents” includes the loan agreement, guarantee, and, inter alia, “any other document, agreement, consent, or instrument which has been or will be executed in connection with” the agreement and guarantee, and thus would include annual signed certifications. (Ex. 254 at -5865)

RESPONSE: Undisputed.

493. In connection with the Doral Loan, Mr. Trump submitted Statements to Deutsche Bank accompanied by certifications required as described above for the years 2014 through 2021 (executed either by him personally or, for years 2016 and later, by Donald Trump, Jr. or Eric Trump, as attorney-in-fact for Mr. Trump). (Ex. 256; Ex. 257; Ex. 258; Ex. 259; Ex. 260; Ex. 261; Ex. 262; Ex. 263; see also NYSCEF No. 501 (DJT Answer) ¶ 597 (admitting “Statements and certificates were submitted in connection with the Doral Loan from 2013-2021”))

RESPONSE: Undisputed.

494. Deutsche Bank conducted annual reviews of the Doral loan in July 2013, May 2014, July 2015, July 2016, July 2017, July 2018, September 2019, July 2020, and July 2021. (Ex. 264; Ex. 265; Ex. 266; Ex. 267; Ex. 268; Ex. 269; Ex. 270; Ex. 271; Ex. 272)

RESPONSE: Undisputed,

495. The loan remained outstanding until May 2022, when the Trump Organization refinanced the loan through Axos Bank, repaying the \$125 million of principal outstanding to Deutsche Bank. (NYSCEF No. 501 (DJT Answer) ¶ 600 (admitting “the loan was repaid and refinanced in or about 2022 through Axos Bank”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

496. As a result, Deutsche Bank received Mr. Trump’s Statements as of June 30, 2019, June 30, 2020 and June 30, 2021. (Ex. 271; Ex. 272)

RESPONSE: Undisputed.

497. The 2011 Statement was material to Deutsche Bank’s consideration and approval of the Doral loan on the terms provided. (Ex. 226, at -1695)

RESPONSE: Disputed. The 2011 Statement was not material to Deutsche Bank’s approval and consideration of the Doral loan, as the Bank did its own due diligence on these loans, considered other factors in approving the relationship, and the Statements were merely a starting point for their analysis. Defs. SOF ¶¶ 67–70, 79–94, 109–114. Moreover, “materiality ‘is in the eye of the beholder, not the eye of a third party, not the eye of a regulator, not the eye of, in this case, the Attorney General’ and Deutsche Bank ‘did what they were supposed to do and verified’” certain items and “anything else would have been immaterial.” Defs. SOF ¶ 93.

498. The Statements for 2014 through 2021 were material to Deutsche Bank’s continued maintenance of the loan. (Ex. 266; Ex. 267; Ex. 268; Ex. 269; Ex. 270; Ex. 271; Ex. 272)

RESPONSE: Disputed. The Statements were not material to the continued maintenance of the loan, as the Bank did its own due diligence on the Statements, there was never any covenant in default on the loan, and the Deutsche Bank made a profit on the loan. Defs. SOF ¶¶ 67–70, 79–97, 109–114. Moreover, “materiality ‘is in the eye of the beholder, not the eye of a third party, not the eye of a regulator, not the eye of, in this case, the Attorney General’ and Deutsche Bank ‘did what they were supposed to do and verified’ certain items and “anything else would have been immaterial.” Defs. SOF ¶ 93.

499. Roughly contemporaneously with the Doral loan’s closing in June 2012, the Trump Organization sought another loan from the PWM division at Deutsche Bank in connection with the Trump Chicago property—in essence, a refinancing of an existing \$130 million from the CRE division at Deutsche Bank on that property. (Ex. 228 at -68526)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The “Trump Organization” did not seek a loan from the PWM division—401 North Wabash Venture, LLC sought the loan for the Trump Chicago property. Faherty Aff., Ex. 228 at -68520.

500. Dueling proposals for the Trump Chicago property within Deutsche Bank were under discussion in or about May 2012. (Ex. 273; Ex. 274; Ex. 275 at 125:7-129:22)

RESPONSE: Undisputed.

501. One proposal from the CRE division was for a non-recourse (meaning, no personal guarantee) loan facility with a two-year term and an interest rate of LIBOR plus 800 basis points. (Ex. 273; Ex. 274; Ex. 275 at 125:7-129:22)

RESPONSE: Undisputed.

502. The other proposal from the PWM division was for a loan facility with a two-year term and a personal guarantee at LIBOR plus 400 basis points—so, four percentage points lower, in terms of the interest rate. (Ex. 273; Ex. 274; Ex. 275 at 125:7-129:22)

RESPONSE: Undisputed.

503. The PWM division credit memo notes as “Credit Support” that “Donald Trump has reported Net Worth of \$4.0 billion with liquidity of approximately \$250 million” based on the 2011 Statement. (Ex. 274)

RESPONSE: Undisputed.

504. In October 2012, the PWM division recommended approval of a loan of up to \$107 million to 401 North Wabash Venture LLC, guaranteed personally by Donald J. Trump. (Ex. 228 at -68524)

RESPONSE: Undisputed.

505. Given the mixed nature of the hotel-condo property, the loan was broken down into two facilities: (i) Facility A for the residential portion was for up to \$62 million, for a 4-year term, at a rate of LIBOR plus 3.35%; and (ii) Facility B for the hotel portion was for up to \$45 million, for a 5-year term, at a rate of LIBOR plus 2.25%. (Ex. 228 at -68521)

RESPONSE: Undisputed.

506. For both facilities, a source of repayment was “[f]ull and unconditional guarantee of DJT which eliminates any shortfall associated with operating and liquidation of the Collateral.” (Ex. 228 at -68524)

RESPONSE: Undisputed that this was the tertiary source of repayment for both facilities.

507. In addition, the PWM division credit memo noted its “recommendation” was based in part on “Financial Strength of the Guarantor,” the “Nature of the Guarantee,” and a

developing relationship between the bank and Mr. Trump and his family. (Ex. 228 at -68524)

RESPONSE: Undisputed.

508. This credit memo assessed Mr. Trump's 2011 and 2012 Statements, stating: "Although Facilities are secured by the Collateral, given its unique nature, the credit exposure is being recommended based on the financial profile of the Guarantor." (Ex. 228 at -68526)

RESPONSE: Undisputed.

509. The loans under the two facilities closed on November 9, 2012 and both included personal guarantees by Mr. Trump supported by his 2011 and 2012 Statements. (Ex. 276; Ex. 277; NYSCEF No. 501 (DJT Answer) ¶ 606 (admitting "loans relative to the Chicago property closed on or about November 9, 2012 and there were personal guarantees associated with the loans"))

RESPONSE: Undisputed.

510. The loan agreements, signed by Mr. Trump, recited that Mr. Trump's then-most-recent Statement had to be provided to the bank as a precondition of lending. (Ex. 234 at -6022; Ex. 278 at -5310; NYSCEF No. 501 (DJT Answer) ¶ 607 (admitting "that Trump Chicago loan exists and was signed by Mr. Trump and Statements of Financial Condition were submitted pursuant to the loan"))

RESPONSE: Undisputed.

511. Mr. Trump's 2012 Statement was provided to the bank in October 2012 and figures from that Statement are reflected in the bank's internal consideration of the loans. (Ex. 279; Ex. 228 at -68526)

RESPONSE: Undisputed.

512. In multiple instances, the loan agreements required that Mr. Trump certify the

accuracy of that Statement, including that he represent that no information contained in any loan document or in “any written statement furnished by or on behalf of Borrower or any other party pursuant to the terms of the” loan or associated documents “contains any untrue statement of material fact or omits to state a material fact necessary to make any material statements contained herein or therein not misleading in light of the circumstances under which they were made.” (Ex. 234 at -5992; Ex. 278 at -5282)

RESPONSE: Disputed. The cited loan provisions require that the *Borrower*, 401 North Wabash Venture LLC was required to make certain representations and warranties to Lender. Faherty, Aff. Ex. 234 at -5956 (defining Borrower as 401 North Wabash Venture LLC), -5988 (“Borrower represents and warrants to Lender that the following statements are true and correct as of the date of this Agreement. . .”); Faherty Aff., Ex. 278 at -5244, -5278.

513. Similarly, both loan facility agreements contained conditions precedent to lending, including that “[t]he representations and warranties of Borrower contained in this agreement and in all certificates, documents and instruments delivered pursuant to this Agreement and the Loan documents shall be true and correct on and as of the Closing Date.” (Ex. 234 at -6020; Ex. 278 at -5308)

RESPONSE: Undisputed.

514. The Trump Chicago loan facilities each entailed a personal guarantee signed by Mr. Trump pursuant to which he, as guarantor, was required to certify to the truth and accuracy of his Statement as a condition of the guarantees—reliance on which Mr. Trump agreed the loans themselves were granted. (Ex. 277; Ex. 276)

RESPONSE: Disputed. President Trump did not agree that the loans were granted based on any reliance on the truthful and accuracy of the Statements. There is no evidence that

Deutsche Bank relied on the accuracy of the Statements, as it conducted its own independent assessment of the assets. Defs. SOF ¶¶ 86–90. Banks would only use the Statements as a starting point for their analysis. Defs. SOF ¶¶ 67–68. As President Trump testified, the banks would not rely on the Statements because of non-reliance clause. Robert Aff., Ex. V (President Trump Dep.) at 169:16–18.

515. The terms of each facility’s personal guarantees were materially identical to the Doral guarantee: Mr. Trump was required to maintain a minimum net worth, based upon his Statement, of \$2.5 billion, and he was required to provide an annual statement to the bank accompanied by an executed compliance certificate certifying that the statement “presents fairly in all material respects the financial condition of Guarantor at the period presented.” (Ex. 277 at -38880 to -38881; Ex. 276 at -3232 to -3233)

RESPONSE: Undisputed.

516. In addition, both loan facilities “shall be conclusively presumed to have been created in reliance” on their respective continuing guarantees. (Ex. 277 at -38877; Ex. 276 at -3226)

RESPONSE: Disputed. The loan facilities indicated that “*all the Guaranteed Obligations* shall be conclusively presumed to have been created in reliance hereon. The “Guaranteed Obligations” for the Hotel Guaranty are defined as “(a) the outstanding principal amount of the Loan plus interest thereon calculated in accordance with the Credit Agreement (and which shall include interest accruing at the Default Rate and accruing after the occurrence of a bankruptcy), (b) any Operating Shortfalls, and (c) all Swap Breakage Costs.” Faherty Aff., Ex. 276 at -3223. The “Guaranteed Obligations” in the Residential Guaranty are defined as “(a) the outstanding principal amount of the Loan plus interest thereon calculated in accordance with

the Credit Agreement (and which shall include interest accruing at the Default Rate and accruing after the occurrence of a bankruptcy), and (b) any Operating Shortfalls.” Faherty Aff., Ex. 277 at -38872–73.

517. Each guarantee similarly provided that “Guarantor has furnished to Lender his Prior Financial Statements,” such prior Statements are true and correct in all material respects, and his 2012 Statement “presents fairly Guarantor’s financial condition as of June 30, 2012.” (Ex. 277 at -38878; Ex. 276 at -3229)

RESPONSE: Undisputed.

518. Each guarantee similarly provided that “there has been no material adverse change in any condition, fact, circumstance or event that would make the Prior Financial Statements, reports, certificates or other documents submitted by Guarantor in connection with this Guaranty and the other Credit Documents to which he is a party inaccurate, incomplete or otherwise misleading in any material respect.” (Ex. 277 at -38878; Ex. 276 at -3230)

RESPONSE: Undisputed.

519. False certifications of such financial statements were expressly identified as events of default under the loan agreements, with the same or similar language as had been used in the Doral loan agreement. (Ex. 234 at -6024; Ex. 278 at -5312)

RESPONSE: Disputed. The loan agreement does not list false certifications of the statements “expressly” as a default. Rather, the loan agreements both generally indicate the following as an event of default in nearly identical language: “Any representation or warranty of Borrower or Guarantor herein or in any other Loan Document or any amendment to any thereof shall prove to have been false or misleading in any material respect at the time made or intended to be effective.” Faherty Aff., Ex. 278 at -5312; *see also* Faherty Aff., Ex. 234 at -6024.

520. Deutsche Bank conducted annual reviews of the Trump Chicago facilities in May 2014, July 2015, July 2016, July 2017, July 2018, September 2019, July 2020, and July 2021. (Ex. 265; Ex. 266; Ex. 267; Ex. 268; Ex. 269; Ex. 270; Ex. 271; Ex. 272)

RESPONSE: Undisputed.

521. During the period between the Trump Chicago loan closing and the first annual review in May 2014 (with extensions in the interim to align the Trump Chicago annual review with other reviews), the Trump Organization paid down the Trump Chicago loan from an overall balance of \$98 million to \$19 million from the proceeds of condominium sales. (Ex. 265 at -1741)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The “Trump Organization” did not pay down the Trump Chicago loan, but rather, Defendant 401 North Wabash Venture LLC did, as the Borrower on the Trump Chicago loan. Faherty Aff., Ex. 265 at -1739, -1741.

522. Based upon the purported strength of Mr. Trump’s financial profile, the Trump Organization requested an additional \$54 million in loan funds from Deutsche Bank to be “fully guaranteed by Mr. Trump for all principal, interest and operating shortfalls until the balance of the facility is less than \$45 million (34% LTV).” (Ex. 265 at -1741)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The “Trump Organization” did not request an additional \$54 million in loan funds, but rather, Defendant 401

North Wabash Venture LLC did, as the Borrower on the Trump Chicago loan. Faherty Aff., Ex. 265 at -1739, -1741. Additionally, the Deutsche Bank credit memorandum does not indicate that this request by 401 North Wabash Venture LLC was “based upon the purported strength of Mr. Trump’s financial profile,” and instead, merely notes: “Collateral for this facility will be the Trump International Hotel Chicago and the 7 remaining Trump Chicago Tower condo units. This facility is fully guaranteed by Mr. Trump for all principal, interest and operating shortfalls until the balance of the facility is less than \$45 million (34% LTV).” Faherty Aff., Ex. 265 at -1741.

523. The credit memo recommending approval did so, in part, based on the “Financial Strength of the Guarantor.” (Ex. 265 at -1748)

RESPONSE: Undisputed.

524. Amended loan documents advancing the additional requested funds closed on June 2, 2014. (Ex. 280; Ex. 281; NYSCEF No. 501 (DJT Answer) ¶ 616 (admitting “amended loan documents closed on June 2, 2014”))

RESPONSE: Undisputed.

525. As with earlier credit memos, this 2014 credit memo (which also recommended approval for the \$170 million loan in connection with the Old Post Office discussed below) evaluated Mr. Trump’s Statements. (Ex. 265 at -1752)

RESPONSE: Undisputed.

526. In particular, this credit memo incorporated figures from the 2011, 2012, and 2013 Statements, stating: “Although Facilities are secured by Collateral, given the unique nature of these credits, the credit exposure is being recommended based on the financial profile of the Guarantor.” (Ex. 265 at -1752)

RESPONSE: Undisputed.

527. Amended Trump Chicago loan documents—including an agreement and a personal guarantee—were executed by Mr. Trump in May 2014. (Ex. 280 at -3709, -3711; Ex. 281 at -3204; NYSCEF No. 501 (DJT Answer) ¶ 618 (admitting “Trump Chicago loan documents were executed in or about May 2014 and contain provisions relating to certification and submission of Statements”))

RESPONSE: Undisputed.

528. These new loan documents contained terms and conditions governing submission, certification, and misrepresentation of Mr. Trump’s Statements that were substantially similar to those describe above for the Doral and 2012 Trump Chicago loan facilities. In the amended Trump Chicago guarantee, Mr. Trump certified that his 2013 Statement was true and correct in all material respects and that the Statement “presents fairly Guarantor’s financial condition as of June 30, 2013.” (Ex. 281 at -3191)

RESPONSE: Undisputed.

529. By the time of the annual review in July 2015, the Trump Organization had paid down the Trump Chicago loan to an overall balance of \$45 million, which by the loan agreement terms eliminated Mr. Trump’s personal guarantee based on an LTV ratio below the threshold for requiring the guarantee. (Ex. 266 at -5527)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The “Trump Organization” did not pay down the Trump Chicago loan, but rather the Borrower—401 North Wabash Venture LLC—did. Faherty Aff., Ex. 266 at -5224, -5227.

530. Either Mr. Trump, Eric Trump or the trustees of the Trust certified the accuracy of

the Statements when submitted in connection with the Trump Chicago loan facilities between 2013 and 2021, either through the execution of an amended guarantee or through the submission of a compliance certificate. (Ex. 281; Ex. 282; Ex. 257; Ex. 260 at -28-29; Ex. 283; Ex. 284; Ex. 285; see also NYSCEF No. 501 (DJT Answer) ¶ 620 (admitting “the Statements were submitted in connection with the Trump Chicago loans for the years referenced along with certifications”))

RESPONSE: Undisputed.

531. The 2011 and 2012 Statements were material to Deutsche Bank’s consideration and approval of the Chicago loan on the terms provided. (Ex. 228)

RESPONSE: Disputed. The cited document does not illustrate that the Statements were “material” to Deutsche Bank’s consideration of the Chicago loan. The Statements were not material to Deutsche Bank’s approval and consideration of the Doral loan, as the Bank did its own due diligence on these loans, considered other factors in approving the relationship, and the Statements were merely a starting point for their analysis. Defs. SOF ¶¶ 67–70, 79–94, 109–114, 126–129. Moreover, “materiality ‘is in the eye of the beholder, not the eye of a third party, not the eye of a regulator, not the eye of, in this case, the Attorney General’ and Deutsche Bank ‘did what they were supposed to do and verified’ certain items and ‘anything else would have been immaterial.’” Defs. SOF ¶ 93.

532. The Statements for 2013 through 2021 were material to Deutsche Bank’s continued maintenance of the loan. (See supra)

RESPONSE: Disputed. The Statements were not material to the continued maintenance of the loan, as the Bank did its own due diligence on the Statements, there was never any covenant in default on the loan, and the Deutsche Bank made a profit on the loan. Defs. SOF ¶¶ 67–70, 79–97, 109–114. Moreover, “materiality ‘is in the eye of the beholder, not the eye of a

third party, not the eye of a regulator, not the eye of, in this case, the Attorney General’ and Deutsche Bank ‘did what they were supposed to do and verified” certain items and “anything else would have been immaterial.” Defs. SOF ¶ 93.

533. In approximately July 2013, Deutsche Bank began considering whether to extend credit for the Trump Organization’s redevelopment of OPO in Washington, DC. (Ex. 286; Ex. 287; NYSCEF No. 501 (DJT Answer) ¶ 627 (admitting “Trump Old Post Office LLC reached out to Deutsche Bank about financing the Old Post Office project”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The line of credit for the redevelopment of the OPO was for Trump Old Post Office LLC. NYSCEF No. 501 (DJT Answer) ¶ 627.

534. The Trump Organization had obtained the right to redevelop the property as the result of a bidding process by the U.S. General Services Administration (“GSA”) that the company described as “one of the most competitive selection processes in the history of the agency.” (Ex. 288; NYSCEF No. 501 (DJT Answer) ¶ 622 (admitting “Trump Old Post Office LLC obtained the right to redevelop the Old Post Office property as the result of a competitive bidding process run by the U.S. General Services Administration, which included evaluation based on a set of specific criteria”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Trump Old Post Office LLC obtained the right to redevelop the property as a result of the bidding process by the GSA.

NYSCEF No. 501 ¶ 622.

535. Mr. Trump's Statement was central to that successful effort, captained by Ivanka Trump. (See *infra*; see also NYSCEF No. 501 (DJT Answer) ¶ 623 (admitting "that financial capacity was one among several factors which GSA stated would be a factor in the selection process"))

RESPONSE: Disputed. Per the GSA's Request for Proposal, the factors considered in selecting a developer were:

1. Experience and Past Performance of Developer & Developer's Key Personnel – 15%
2. Developer's Site Plan and Design Concept – 35%
3. Developer's Financial Capacity and Capability – 15%
4. Developer's Financial Offer and Supporting Financial Information – 35%

Robert Aff., Ex. AAK at 13. The financial capacity of the developer was not "central" to the GSA bid nor was President Trump's Statement. *Id.*; see also NYSCEF No. 501 (DJT Answer) ¶ 623.

536. The GSA's request for proposals provided that a bidder's "Financial Capacity and Capability" was to be a factor in the government's decision, and required submission of the most recent three years of financial statements. The GSA's RFP specified that financial statements "must be in accordance with Generally Accepted Accounting Principles." (Ex. 289 at -3884122)

RESPONSE: Undisputed.

537. Mr. Trump's Statements, prepared in the same process described above, were submitted as part of Mr. Trump's July 2011 bid. The Trump Organization's submission to the GSA represented that "[t]he attached Statement of Financial Condition was compiled under GAAP, but it should be noted that there are departures from GAAP that are described in the Accountant's Compilation Report attached to the Statement of Financial Condition." (Ex. 290 at

-2114408; NYSCEF No. 501 (DJT Answer) ¶ 624 (admitting “the Statement was submitted as part of the 2011 bid”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The bid to the GSA was submitted by Trump Old Post Office, LLC. Faherty Aff., Ex. 290 at -2114256 (“Proposal of Trump Old Post Office, LLC”).

538. Mr. Trump and Ivanka Trump participated personally in the bidding process in 2011. (See infra; see also NYSCEF No. 501 (“DJT Answer”) ¶ 625 (admitting “Mr. Trump and Ivanka Trump had roles in the Old Post Office property bidding process and the communications with the GSA exist”))

RESPONSE: Undisputed.

539. In particular, Ms. Trump was involved in crafting communications to the GSA in connection with the bid and in responding to deficiency comments raised by the GSA. (Ex. 291; Ex. 292; Ex. 293)

RESPONSE: Undisputed.

540. Those communications concerned, among other topics, Mr. Trump’s Statements, including their departures from GAAP, and contained detailed information about Mr. Trump’s financial capabilities as well as his ability to perform the obligations under the lease at issue. (Ex. 291; Ex. 292; Ex. 293)

RESPONSE: Undisputed.

541. The GSA questioned the use of Mr. Trump’s Statements, and Mr. Trump and Ms. Trump participated in an in-person presentation to address GSA’s concerns about those topics

and others. (Ex. 294 at -193509)

RESPONSE: Undisputed.

542. After addressing those issues, the Trump Organization was ultimately selected by GSA in February 2012 to redevelop the property and signed a lease for that purpose on August 5, 2013. (NYSCEF No. 501 (DJT Answer) ¶ 626 (admitting that “Trump Old Post Office LLC was selected by GSA in February 2012 to redevelop the property and signed the lease on or about August 5, 2013”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Trump Old Post Office LLC was selected by the GSA. NYSCEF No. 501 (DJT Answer) ¶ 626. However, it is undisputed that Trump Old Post Office LLC was selected by the GSA in February 2012 to develop the property and signed a lease on or about August 5, 2013 for the same purpose.

543. In advance of executing the lease, the Trump Organization reached out to the CRE division at Deutsche Bank about potential financing for the project. (Ex. 295; DJT Answer ¶ 627 (admitting “Trump Old Post Office LLC reached out to Deutsche Bank about financing the Old Post Office project”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. Trump Old Post Office LLC reached out to Deutsche Bank for financing. NYSCEF No. 501 ¶ 627.

544. Despite the request coming into the CRE division, Vrablic from the PWM division—at the urging of Ms. Trump—kept close tabs on the bank’s consideration of the

request. (Ex. 296; Ex. 297; Ex. 298; Ex. 299)

RESPONSE: Undisputed.

545. By October 2013, the CRE division had proposed a term sheet offering the Trump Organization a \$140 million loan at LIBOR + 400 basis points. (Ex. 300; NYSCEF No. 501 (DJT Answer) ¶ 628 (admitting “CRE offered a term sheet”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed. The term sheet indicated that the Borrower would be Trump Old Post Office LLC. Faherty Aff., Ex. 300 at 2.

546. The next month, in November 2013, employees at the Trump Organization took that offer to the PWM division to see if that division could offer more favorable terms. (Ex. 301; NYSCEF No. 501 (DJT Answer) ¶ 629 (admitting “the PWM group was approached regarding the OPO Loan”))

RESPONSE: Undisputed.

547. By Monday, December 2, 2013, the PWM division provided to Ms. Trump and Dave Orowitz of the Trump Organization a draft term sheet noting that, although the term sheet reflected a \$160 million commitment, “[w]e understand the request is for \$170 million and are working on getting the step-up approved.” (Ex. 302; Ex. 303; NYSCEF No. 501 (DJT Answer) ¶¶ 630-632 (admitting receipt of “a term sheet from Deutsche Bank in or about December 2013”))

RESPONSE: Undisputed.

548. The PWM division term sheet differed in a number of respects from the CRE term sheet: (i) Mr. Trump would personally guarantee the full loan amount in the PWM term sheet,

whereas the CRE proposal was unresolved as to whether there would be a 10% guarantee; (ii) the PWM term sheet had a loan term of ten years, versus a term of approximately 42 months in the CRE term sheet; (iii) the PWM term sheet had a loan amount, initially, of up to \$160 million, whereas the CRE term sheet had a maximum loan amount of \$140 million; (iv) PWM's proposal was LIBOR + 2% during the "redevelopment period," and LIBOR + 1.75% during the "post-redevelopment period," which was about half the rates in the CRE term sheet; and (v) the PWM term sheet required a \$2.5 billion net worth, significantly higher than any of net worth covenants proposed by CRE, which topped out at \$500 million. (Ex. 302; Ex. 303)

RESPONSE: Undisputed.

549. Ultimately the Trump Organization and the PWM division agreed on a term sheet that was executed on January 13 and 14, 2014 providing for a \$170 million loan with a 10-year term, 100% personal guarantee by Mr. Trump, interest rates of LIBOR + 2% or 1.75% (depending on the period); and covenants including \$2.5 billion in net worth, \$50 million in unencumbered liquidity, and no additional indebtedness in excess of \$500 million. (Ex. 304)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s) the conduct alleged is attributed.

550. Mr. Trump, as guarantor, would be required to provide his annual statement of financial condition to the bank. (Ex. 304 at -10301)

RESPONSE: Undisputed.

551. A May 2014 Deutsche Bank credit memo approved the \$170 million loan to Trump Old Post Office LLC. (Ex. 265)

RESPONSE: Undisputed.

552. This credit memo incorporated information from Mr. Trump's 2011, 2012, and 2013 Statements. (Ex. 265 at -1752)

RESPONSE: Undisputed.

553. Mr. Trump's net worth and his Statements were critical to the bank's approval of the final terms of the loan, which closed on August 12, 2014. (Ex. 265)

RESPONSE: Disputed. The cited documents do not illustrate that the Statements were "critical" to the bank's approval of the loan. The Statements were not critical to the approval of the loan because the Bank did its own due diligence on these loans, considered other factors in approving the relationship, and the Statements were merely a starting point for their analysis. Defs. SOF ¶¶ 67–70, 79–94, 109–114, 150–151.

554. As with the Doral and Trump Chicago loans, the loan agreement for the OPO loan required that Mr. Trump's most recent Statement (which was his 2013 Statement) be provided to the bank as a condition of the loan. (Ex. 233 at -4989)

RESPONSE: Undisputed.

555. The loan agreement required that Mr. Trump certify to the accuracy of the 2013 Statement and represent that no information contained in any loan document or in "any written statement furnished by or on behalf of Borrower or any other party pursuant to the terms of the" loan or associated documents "contains any untrue statement of material fact or omits to state a material fact necessary to make any material statements contained herein or therein not misleading in light of the circumstances under which they were made." (Ex. 233 at -4991)

RESPONSE: Disputed. The cited provisions of the loan agreement place obligations on the *Borrower*, Trump Old Post Office LLC, not President Trump. *See* Faherty Aff., Ex. 233 at -4942 (defining Borrower as Trump Old Post Office LLC). The quoted provision is from Section

3.20 which is one of the representations and warranties made by the *Borrower* to the Lender. *Id.* at -4987 (“*Borrower* represents and warrants to Lender that the following are true and correct . . .”).

556. Issuance of the loan was noted to be subject to several conditions precedent, including that “[t]he representations and warranties of Borrower contained in this Agreement and in all certificates, documents and instruments delivered pursuant to this Agreement and the Loan Documents shall be true and correct on and as of the Closing Date.” (Ex. 233 at -5025)

RESPONSE: Undisputed.

557. In addition, because the OPO loan was a construction loan to be disbursed over a long series of tranches, the loan agreement made clear that the bank was not obligated to make such disbursements unless representations by the borrowing entity and the guarantor (Mr. Trump) “shall be true and accurate in all material respects on and of the date of the requested Disbursement with the same effect as if made on such date.” (Ex. 233 at -5028)

RESPONSE: Undisputed.

558. An “Event of Default” in the OPO loan agreement was defined to include when “[a]ny representation or warranty of Borrower or Guarantor herein or in any other Loan Document or any amendment to any thereof shall prove to have been false and misleading in any material respect at the time made or intended to be effective.” (Ex. 233 at -5031)

RESPONSE: Undisputed.

559. Mr. Trump’s personal guarantee on the OPO loan, which he signed, is dated August 12, 2014. (Ex. 305)

RESPONSE: Undisputed.

560. Mr. Trump’s personal guaranty contained various financial representations,

including that Mr. Trump, as guarantor: (i) was required to certify the truth and accuracy of his Statement as a condition of the guarantees—reliance on which Mr. Trump acknowledged when the loans themselves were granted; (ii) “has furnished to Lender his Prior Financial Statements” that are true and correct in all material respects; (iii) that the 2013 Statement “presents fairly Guarantor’s financial condition as of June 30, 2013”; and (iv) that “there has been no material adverse change in any condition, fact, circumstance or event that would make the Prior Financial Statements, reports, certificates or other documents submitted by Guarantor in connection with this Guaranty and the other Loan Documents to which he is a party inaccurate, incomplete or otherwise misleading in any material respect.” (Ex. 305 at -3285-87)

RESPONSE: Disputed. President Trump did not acknowledge that the loans were granted based on any reliance on the truthful and accuracy of the Statements. There is no evidence that Deutsche Bank relied on the accuracy of the Statements, as it conducted its own independent assessment of the assets. Defs. SOF ¶¶ 86–90. Banks would only use the Statements as a starting point for their analysis. Defs. SOF ¶¶ 67–68. As President Trump testified, the banks would not rely on the Statements because of the non-reliance clause. Robert Aff., Ex. V (President Trump Dep.) at 169:16–18.

561. Pursuant to the guarantee, Mr. Trump was required to maintain \$50 million in unencumbered liquidity, and a minimum net worth of \$2.5 billion to be “tested and certified to on an annual basis based upon the Statement of Financial Condition delivered to Lender during each year.” (Ex. 305 at -3290-91)

RESPONSE: Undisputed.

562. That language means the bank would determine Mr. Trump’s compliance with his net worth covenant by reference to the net worth Mr. Trump reported and certified to the bank.

(Ex. 305 at -3290-91; Ex. 255 at 270:7-15)

RESPONSE: Undisputed.

563. Mr. Trump was also required to “keep and maintain complete and accurate books and records,” and periodically to “deliver to Lender or permit Lender to review,” a series of documents under the guarantee’s financial reporting requirements, including his statement of financial condition, delivered annually with a compliance certificate certifying the statement “presents fairly in all material respects the financial condition of Guarantor at the period presented.” (Ex. 305 at 3290-91)

RESPONSE: Undisputed.

564. False certifications of such financial statements were expressly contemplated as events of default under the loan agreement. (Ex. 233 at -5031)

RESPONSE: Disputed. The loan agreement does not list false certifications of the statements “expressly” as a default. Rather, the loan agreement generally indicates the following as an event of default: “Any representation or warranty of Borrower or Guarantor herein or in any other Loan Document or any amendment to any thereof shall prove to have been false or misleading in any material respect at the time made or intended to be effective.” Faherty Aff., Ex. 233 at -5031.

565. The bank conducted annual reviews of the OPO loan in July 2015, July 2016, July 2017, July 2018, September 2019, July 2020, and July 2021. (Ex. 266; Ex. 267; Ex. 268; Ex. 269; Ex. 270; Ex. 271; Ex. 272)

RESPONSE: Undisputed.

566. Because the OPO loan was a construction loan, the \$170 million loan amount was disbursed in a series of “draws” over time. (Ex. 233 at -4979-84; NYSCEF No. 501 (DJT

Answer) ¶ 645 (admitting “that the Old Post Office loan was disbursed over time according to draw requests”))

RESPONSE: Undisputed.

567. The first draw was on or about June 22, 2015 in a “Request for Disbursement” signed by Mr. Trump. (Ex. 306)

RESPONSE: Undisputed.

568. Draws continued throughout 2015 and 2016 and with two noted exceptions were made on requests signed by Mr. Trump personally. (Ex. 306; Ex. 307; Ex. 308; Ex. 309; Ex. 310; Ex. 311)

RESPONSE: Disputed. For the years listed, at least three of the Requests for Disbursements were not signed by President Trump: the November 22, 2016 request was signed by Ivanka Trump, the December 21, 2016 request was signed by Ivanka Trump, and the February 22, 2017 request was signed by Eric Trump. Faherty Aff., Ex. 309–311.

569. The exceptions were a draw request on December 21, 2016, signed by Ivanka Trump in the amount of \$4,334,772.83 and the final draw request on February 22, 2017, signed by Eric Trump in the amount of \$2,757,897.30. (Ex. 310; Ex. 311)

RESPONSE: Disputed. These were not the only “exceptions” to President Trump signing the Requests for Disbursement. *See* Faherty Aff., Ex. 309.

570. On or about May 11, 2022, the Trump Organization sold the OPO property for \$375 million. (Ex. 312; see also DJT Answer ¶ 646 (admitting “the OPO property was sold and the Deutsche Bank loan repaid”))

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Trump Old Post Office LLC sold the OPO property. Faherty Aff., Ex. 312 at -15171 (identifying Trump Old Post Office LLC as the seller).

571. Of those proceeds, \$170 million was used to repay the loan to Deutsche Bank. (Ex. 312, at -5173 (showing payoff to DB Private Wealth Mortgage Ltd); see also DJT Answer ¶¶ 646 (admitting “the OPO property was sold and the Deutsche Bank loan repaid”))

RESPONSE: Undisputed.

572. In connection with the OPO loan, Mr. Trump provided Deutsche Bank with his 2014 through 2021 Statements of Financial Condition, accompanied by certifications executed either by Mr. Trump personally or by Donald Trump, Jr. or Eric Trump as attorney-in-fact for Mr. Trump. (Ex. 282; Ex. 257; Ex. 313; Ex. 260; Ex. 314; Ex. 315; Ex. 316)

RESPONSE: Undisputed.

573. The 2011, 2012, and 2013 Statements were material to Deutsche Bank’s consideration and approval of the OPO loan on the terms provided. (Ex. 265 at -1752)

RESPONSE: Disputed. The cited documents do not establish the Statements were “material” to Deutsche Bank’s consideration and approval of the OPO loan. The Bank did its own due diligence on these loans, considered other factors in approving the relationship, and the Statements were merely a starting point for their analysis. Defs. SOF ¶¶ 67–70, 79–94, 109–114, 149–151.

574. The Statements for 2014 through 2021 were material to Deutsche Bank’s continued maintenance of the loan. (Ex. 266; Ex. 267; Ex. 268; Ex. 269; Ex. 270; Ex. 271; Ex. 272)

RESPONSE: Disputed. The Statements were not material to the continued maintenance

of the loan, as the Bank did its own due diligence on the Statements, there was never any covenant in default on the loan, and the Deutsche Bank made a profit on the loan. Defs. SOF ¶¶ 67–70, 79–97, 109–114, 153–155. Moreover, “materiality ‘is in the eye of the beholder, not the eye of a third party, not the eye of a regulator, not the eye of, in this case, the Attorney General’ and Deutsche Bank ‘did what they were supposed to do and verified’ certain items and “anything else would have been immaterial.” Defs. SOF ¶ 93.

575. As stated in the 2015 SFC, 40 Wall Street “was subject to a mortgage payable in the amount of \$160,000,000 as of June 30, 2015. The interest rate on the note had been fixed through an interest rate swap agreement at a rate of 5.71% per annum until the initial maturity date, November 10, 2017. During this time, if certain cash flow provisions were met, the loan required that principal payments be made. The mortgage is collateralized by the lessee entity’s interest in the property.” (Ex. 5, -696; see also Ex. 78)

RESPONSE: Undisputed.

576. On January 12, 2015, Allen Weisselberg emailed Eric Trump a draft letter, writing, “I would like to discuss the enclosed letter with you before I send it to Peter.” (Ex. 317) The draft letter attached was addressed to Capital One, N.A, Attention: Peter Welch “Senior Vice President/Commercial Real Estate.” In the draft letter, Mr. Weisselberg wrote “Mr. Trump’s latest financial statement dated June 30, 2014 shows a valuation of \$550,000,000 for the building based upon NOI & CAP rates on that date This would put your loan at a 30% loan to value. . . In light of the aforementioned valuation and considerable capital investment, along with a much improved cash flow (which will continue to grow as new tenant free rent continues to burn off) and an occupancy rate of 91%, which will be 96% after pending leases totaling 34,862 square feet ate signed, we respectfully request that the required \$5 million principal payment due

in November 2015 be waived.” (*Id.*)

RESPONSE: Undisputed. However, the quoted language does not appear on the cited Exhibit (Ex. 317), it appears on the letter attached to same, which is not a part of the Exhibit.

577. On January 12, 2015, Mr. Weisselberg sent a signed copy of the letter to Peter Welch, with an email note “The attached is enclosed as a follow-up to your call with Jeff.” (Ex. 318)

RESPONSE: Undisputed.

578. As reflected in handwritten notes from Mr. Weisselberg, Capital One declined to renegotiate the loan because “they came to the realization that the NOI . . . would not be sufficient to handle the reset ground rent in 2032.” (Ex. 319) According to Allen Weisselberg “the above led us to Ladder Capital.” (*Id.*)

RESPONSE: Disputed. The cited Exhibit (Ex. 319) does not state that “Capital One declined to renegotiate the loan” for the reason stated.

579. Allen Weisselberg’s son Jack Weisselberg has been employed at Ladder Capital since 2008. (Ex. 320 at 15:8-15:11)

RESPONSE: Undisputed.

580. By April 2015, Allen Weisselberg was communicating with Jack Weisselberg about the economics of exiting the loan with Capital One to take on a loan with Ladder Capital. (Ex. 321)

RESPONSE: Undisputed.

581. On April 17, 2015, Jack Weisselberg wrote to Brian Harris, the Chief Executive Officer of Ladder Capital that “Donald is on board for the refinance of 40 Wall. They would like to close in November, when their \$5 million loan amortization payment would be due to their

current lender (Capital One.” (Ex. 322)

RESPONSE: Undisputed.

582. On April 23, 2015, Jack Weisselberg sent Allen Weisselberg a “term sheet for 40 Wall Street.” The document reflected basic loan terms including “All reserves including TI/LC, CapEx, Outstanding Free Rent, Ground Rent Payments, etc. to be personally guaranteed by Donald J. Trump.” (Ex. 323)

RESPONSE: Undisputed. However, the quoted language does not appear on the cited Exhibit (Ex. 323), it appears on the term sheet attached to Jack Weisselberg’s April 23, 2015 email, which is not a part of the Exhibit.

583. In May 2015, Allen Weisselberg sent Jack Weisselberg a letter enclosing a term sheet for a “Proposed \$161,000,000 Refinancing of 40 Wall Street, New York, New York.” (Ex. 324) The letter was signed by Donald Trump as President of 40 Wall Street Member Corp., who “Agreed to and Acknowledged on Behalf of Borrower,” 40 Wall Street LLC. (LC00029513, at -517) The term sheet provided that: “In lieu of reserves for insurance, tenant improvements, leasing commissions, capital expenditures and ground lease payments, Donald J. Trump may provide a personal guaranty. In lieu of reserves for free rent periods (at Closing only), Donald J. Trump will guaranty all outstanding free rent, which will burn off on a lease by lease basis when the respective tenant begins to pay full, unabated rent.” (Ex. 324, at -516) The term sheet identified a series of closing conditions, including “Delivery of financial statements (including tax returns) from Borrower and any guarantor. Weizer Mazars LLP will be acceptable to Lender in connection with any accounting or reporting obligation in the loan documents requiring an acceptable accounting firm.” (Ex. 324, at -518)

RESPONSE: Disputed. While the Term Sheet attached to the letter was signed by

President Trump on behalf of the Borrower, only Allen Weisselberg signed the letter he sent to Jack Weisselberg and not President Trump. Moreover, Allen Weisselberg's letter is dated April 30, 2015, not May 2015.

584. A separate copy of "Exhibit C – Property and Principal Certification" to the term sheet was initialed and signed by Donald Trump. (Ex. 325) In response to question 20 "Are any of your assets pledged as collateral?" the addendum to the answer "Yes," says "See Donald J. Trump's June 30, 2014 Statement of Financial Condition." (Ex. 325 at -962, -963)

RESPONSE: Disputed. The Asset Summary Report prepared by Ladder Capital lists the collateral source as the "Leasehold" on the 40 Wall Street Office building, not the assets listed in the SOFC. *See* Robert Aff., Ex. AX at 2. The "Collateral Summary" also focuses on the 40 Wall Street building and the related leasehold, and does not contain any discussion regarding the assets listed in the SOFC. *Id.* at 17–19. Relatedly, Craig Robertson testified that while net worth was "considered in the context of the deal . . . it's important to remember that it was a non-recourse loan, where the first source of repayment was the collateral[.]" Robert Aff., Ex. AAAJ at Tr. 232:17–21. This is supported by the Asset Summary Report, which states that "[t]he Loan will be non-recourse other than for certain non-recourse carve-outs for which Lender will have recourse to Borrower and Donald J. Trump." Robert Aff., Ex. AX at 10. Thus, the assets listed in the SOFCs were never pledged as collateral.

585. Jack Weisselberg testified that Ladder Capital would accept a guaranty in lieu of reserves when there is "enough net worth and liquidity to warrant such a reserve." He further testified that: "In this case, taking the guarantee for it we felt pretty safe with. We had done it in the past with other borrowers including him. And on this loan, we decided it was okay." (Ex. 320 at 188:17-189:3)

RESPONSE: Undisputed.

586. On May 22, 2014 Jeff McConney sent Jack Weisselberg a copy of the 2014 SFC, reporting a net worth of \$5,777,540,000 and cash and marketable securities of \$302,300,000. (Ex. 326; Ex. 4 at -717, - 718)

RESPONSE: Disputed. While Jeff McConney indicated he would send “DJTs tax returns and f/s” in the email the NYAG references, the NYAG fails to present any evidence that the SOFC was actually delivered on May 22, 2014.

587. On June 29, 2015, Craig Robertson of Ladder Capital sent an “RUC Memo” concerning the 40 Wall Loan to the Risk and Underwriting Committee of Ladder Capital. (Ex. 327)

RESPONSE: Undisputed.

588. The RUC Memo noted that: “In lieu of ongoing reserves for insurance, tenant improvements, leasing commissions, capital expenditures, and ground lease payments, Donald J. Trump will provide a personal guaranty. The TI/LC/ and Free Rent Reserves outstanding at closing are presented below. In lieu of an up-front reserve for these items, Donald J. Trump will provide a personal guaranty for such amounts outstanding” (Ex. 327, at -322)

RESPONSE: Undisputed.

589. In discussing Donald Trump as the sponsor of the loan, the RUC Memo states: “As of June 30, 2014 Mr. Trump reported a net worth of nearly \$5.8 billion and liquidity in excess of \$300 million.” (Ex. 327, at -325)

RESPONSE: Undisputed.

590. In discussing the “Deal Strengths” Item 4 is listed as “Conservative Loan Structure” and the second bullet point states: “The Loan features a warm-body carveout

guarantor, Donald J. Trump. As of June 30, 2014 Mr. Trump reported a net worth of nearly \$5.8 billion and liquidity in excess of \$300 million.” (Ex. 327, at -326)

RESPONSE: Undisputed.

591. Item 8 under “Deal Strengths” is “Experienced and Well capitalized sponsorship,” and the final bullet point states: “Mr. Trump reports a net worth of nearly \$5.8 billion and liquidity in excess of \$300 million.”

RESPONSE: Undisputed.

592. Under the section “Sponsorship” the RUC Memo states: “As of June 30, 2014 Mr. Trump reported a net worth of nearly \$5.8 billion and liquidity in excess of \$300 million.” (Ex. 327, at -333)

RESPONSE: Undisputed.

593. In discussing “Loan Features,” the RUC Memo states: “Key Principal must maintain a net worth equal to at least \$160 million and a liquidity of at least \$15 million.”

RESPONSE: Undisputed.

594. When asked about the inclusion of the net worth requirement, Jack Weisselberg testified: “In this case, the liquidity is a bit higher than we typically would use. Part of that is because of the loan size. Part of that is because of the amount of liquidity he was showing us at closing, and part of it is because of all the reserves that we had that he was guaranteeing. We wanted to make sure he always had enough cash on hand that could cover that in case we did have to call on those dollars to be spent.” (Ex. 320 at 189:20-190:6)

RESPONSE: Undisputed.

595. When asked if the net worth requirement was a point of negotiation with the Trump Organization in the deal, Jack Weisselberg testified: “This is a point of negotiation on

every deal we do with every sponsor, and they definitely negotiated more than most, so yes, we absolutely negotiated this point.” (Ex. 320 at 190:10-190:14)

RESPONSE: Undisputed.

596. When asked what the process was for verifying net worth and liquidity, Jack Weisselberg testified: “So we had a personal financial statement for him or I think they call it a statement of financial condition and that is typically where we see their assets, their liabilities, and then from there we can ask questions if we want to know a little bit more. Basically, we’re basing our net worth numbers on that, on their financial statement.” (Ex. 320 at 191:17-191:25)

RESPONSE: Undisputed.

597. Donald Trump executed a “Guaranty of Recourse Obligations” as-of July 2, 2015, in connection with the 40 Wall Ladder Loan. The guaranty provided that Donald Trump “shall deliver to Lender not later than September 30th of each calendar year, Guarantor’s annual financial statements prepared in a form previously provided to Lender by Guarantor from an independent firm of certified public accountants acceptable to Lender (Lender agreeing that WeiserMazars LLP is an acceptable firm) and prepared in accordance with GAAP in all material respects (except as disclosed therein), including a balance sheet, and certified by Guarantor as being true, correct and complete and fairly presenting the financial condition and results of such Guarantor, and (iii) shall deliver to Lender, not later than April 30th of each calendar year, a certificate signed by Guarantor certifying to the fact that as of March 31st of such year, there has been no material adverse change in Guarantor’s financial condition from that shown on Guarantor’s annual financial statements required to be delivered to Lender pursuant to clause (ii) above, and that the Net Worth and Liquidity covenants set forth in clause (i) above are satisfied.” (Ex. 328 at -3076-3077)

RESPONSE: Undisputed.

598. Donald Trump executed a “Guaranty of Property Expenses” as-of July 2, 2015, in connection with the 40 Wall Ladder Loan. The guaranty provided that Donald Trump “shall deliver to Lender not later than September 30th of each calendar year, Guarantor’s annual financial statements prepared in a form previously provided to Lender by Guarantor from an independent firm of certified public accountants acceptable to Lender (Lender agreeing that WeiserMazars LLP is an acceptable firm) and prepared in accordance with GAAP in all material respects (except as disclosed therein), including a balance sheet, and certified by Guarantor as being true, correct and complete and fairly presenting the financial condition and results of such Guarantor, and (iii) shall deliver to Lender, not later than April 30th of each calendar year, a certificate signed by Guarantor certifying to the fact that as of March 31st of such year, there has been no material adverse change in Guarantor’s financial condition from that shown on Guarantor’s annual financial statements required to be delivered to Lender pursuant to clause (ii) above, and that the Net Worth and Liquidity covenants set forth in clause (i) above are satisfied.”

RESPONSE: Disputed. The NYAG fails to support this statement with evidence.

599. In 2000, Seven Springs LLC took out an approximately \$8 million mortgage from Royal Bank America (“RBA”), later acquired by Bryn Mawr Bank in 2017. (Ex. 329, 330)

RESPONSE: Undisputed.

600. Donald J. Trump personally guaranteed the mortgage. (Ex. 330)

RESPONSE: Undisputed.

601. As a result of the personal guarantee Mr. Trump’s Statements were submitted to RBA and Bryn Mawr on multiple occasions in connection with the Seven Springs mortgage. (Ex. 331; Ex. 332; Ex. 329; Ex. 333 at PDF 13; Ex. 334; Ex. 335 at PDF 5; Ex. 336)

RESPONSE: Undisputed.

602. A 2011 credit memo records that the financial statement was “compiled annually with a 6-30 date” and that the bank “typically receives the information in October.” (Ex. 337 at PDF 6)

RESPONSE: Undisputed.

603. A 2014 credit memo from Bryn Mawr contains data drawn from Mr. Trump’s 2011 and 2013 Statements. (Ex. 338 at PDF 11)

RESPONSE: Undisputed.

604. The 2014 memo states that because of the “personal financial strength of Mr. Trump, as evidenced by liquid assets of \$339 million (cash and marketables) and net worth of \$5 billion, Royal Bank America previously waived the requirement of personal tax returns.” (Ex. 338 at PDF 12)

RESPONSE: Undisputed.

605. Bryn Mawr retained in its files Mr. Trump’s Statements for 2010, 2011, 2012, 2013, 2014, 2015, and 2016. (Ex. 329; Ex. 339; Ex. 336)

RESPONSE: Undisputed.

606. Typically, the Statements were sent under the cover of a letter from McConney, stating that Mr. Trump’s Statement was being provided pursuant to the mortgage. (Ex. 329 at PDFs 7, 156, 230, 257; Ex. 339; Ex. 336)

RESPONSE: Undisputed.

607. Submission of the Statements was required in order to maintain the loan and to obtain a series of extensions. (Ex. 340 at PDF 8; Ex. 332; Ex. 341 at PDF 8; Ex. 342 at PDF 6)

RESPONSE: Disputed. There is no evidence in the cited documents that the Statements

were required to obtain extensions on the loan.

608. For example, the bank approved extensions of the maturity date of the loan in 2011, 2014, and 2019 in reliance upon Mr. Trump's Statements submitted pursuant to Mr. Trump's personal guarantee. (Ex. 340; Ex. 341; Ex. 342)

RESPONSE: Disputed. There is no evidence in the cited documents that Bryn Mawr relied upon the Statements.

609. In connection with seeking these extensions, Mr. Trump re-affirmed his personal guaranty in 2011 and 2014, and in 2019 the guarantee was re-affirmed in a certification signed by Eric Trump "as attorney in fact" for Donald J. Trump. (Ex. 340; Ex. 341; Ex. 342)

RESPONSE: Undisputed.

610. The personal guaranty for this loan was described by Bryn Mawr in internal records as a positive component of the loan for the bank. (Ex. 329 at PDF 80)

RESPONSE: Undisputed.

611. For example, one 2011 memo stated, under the heading "pro" (vs. con), "Experienced and financially strong guarantor, with a reported \$3.9 Billion net worth." (Ex. 329 at PDF 80)

RESPONSE: Undisputed.

612. A 2014 memo similarly noted that renewal of the loan was recommended based on, among other factors, "Strong Guarantor Support" and "Personal financial strength of Mr. Trump, evidenced by a reported net worth of \$5 Billion and liquid assets of \$354MM." (Ex. 338 at PDF 15)

RESPONSE: Undisputed.

613. During the 2019 loan modification, McConney originally asked for a quote on the

price of extending the loan without the personal guarantee of Donald J. Trump. (Ex. 344)

RESPONSE: Undisputed.

614. He was told that he would be required to place about \$700,000 in escrow at closing and was quoted an interest rate about half a percentage point higher per annum than the rate that applied with a guarantee. (Ex. 344)

RESPONSE: Disputed. Bryn Mawr indicated that the amount to be placed in escrow was to be “approximately \$690,000” with a “fixed 5-year interest rate in the 4.75% to 5%.” Faherty Aff., Ex. 344 at -28148–49.

615. After receiving these terms, McConney and Eric Trump decided to extend the loan with the personal guaranty of Donald J. Trump in place. (Ex. 344)

RESPONSE: Disputed. The cited document does not indicate that Eric Trump was involved in the discussions. Mr. McConney stated: “After further discussion we decided we’d like to keep DJTs current guarantee in place. Eric Trump has a Power of Attorney which will allow him to sign the documents in place of his father.” Faherty Aff., Ex. 344 at -28148.

616. The Statements from 2011 through 2019 were material to Bryn Mawr’s agreements to extend and maintain the mortgage. (Ex. 345 at 61:12-19; 132:13-18; 183:3-11)

RESPONSE: Disputed. In the cited testimony, Bryn Mawr never indicated that the Statements were “material” to the Seven Springs mortgage. In fact, a Bryn Mawr representative indicated that in reviewing the Statements, he considered the value in the Statements to be an “as-developed value” so he “rel[ied] on [the bank’s] old appraisal of \$30 million” for an as-is valuation for the property, and since the bank had “7.3 million outstanding”, the loan had a “low loan-to-value.” Robert Aff., Ex. AAAH at 94:7–96:9.

617. From at least 2010 through 2021, Zurich North America (“Zurich”) underwrote a

surety bond program (the “Surety Program”) for the Trump Organization through insurance broker AON Risk Solutions (“AON”). (Ex. 346 at -8199-200; Ex. 347 at -9142; Ex. 348 at 27:3-10)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. During this period, Zurich North America (“Zurich”) underwrite a surety bond program through insurance broker AON Risk Solutions (“AON”) for certain businesses affiliated with President Trump. Defs. SOF ¶ 166; ZurichNA_009089, ZurichNA_009090.

618. Under the Surety Program, Zurich issued surety bonds on behalf of the Trump Organization within specified dollar limits in exchange for a premium calculated based on a rate times the face amount of the bonds. (Ex. 346 at -8200; Ex. 349 at -8524; Ex. 350 at -8516; Ex. 351 at -8211; Ex. 352 at -8226; Ex. 353 at -8232; Ex. 354 at -8509; Ex. 355 at -8503; Ex. 356 at -8995)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Zurich issued surety bonds on behalf of certain businesses affiliated with President Trump. The surety bonds were issued within specified dollar limits in exchange for a premium calculated based on a rate filed with New York insurance regulators times the face amount of the bonds. Defs. SOF ¶¶ 166, 179; ZurichNA_009089, ZurichNA_009090.

619. In 2011, the Surety Program had a single bond limit of \$500,000, an aggregate limit for all bonds of \$2,000,000, and a rate of \$20 per thousand. (Ex. 357 at -8481)

RESPONSE: Undisputed.

620. When the Surety Program was canceled in 2021, the single bond limit was \$6,000,000, the aggregate limit was \$20,000,000, and the rate was \$10 per thousand. (Ex. 356 at -8998; Ex. 248 at 81:10-17)

RESPONSE: Disputed. Certain bonds maintained higher rates than \$10 per thousand, including a deductible bond that had a rate of \$11.50 per thousand. ZurichNA_008995.

621. Over the course of the relationship, in accordance with its standard underwriting guidelines for surety business, Zurich required the Trump Organization to provide an indemnification against any loss should Zurich be required to pay under a bond. (Ex. 348 at 18:17-23:2; Ex. 359 at 54:7-55:18)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Zurich issued surety bonds on behalf of certain businesses affiliated with President Trump. President Trump agreed to indemnify Zurich against any loss incurred by Zurich on the surety bonds. Defs. SOF ¶¶ 167-68.

622. From the inception of the Surety Program, the Trump Organization met this indemnification requirement through a General Indemnity Agreement (“GIA”) executed by Donald J. Trump, pursuant to which (similar to a personal guaranty on a loan) he personally agreed to indemnify Zurich for claims under the Surety Program. (Ex. 360 at -8276; Ex. 348 at 22:19-23:2)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. On October 22, 2009, President Trump agreed to personally indemnify Zurich against any loss incurred by Zurich on the surety bonds. Prior to this, Zurich took individual applications of indemnity for each bond. Defs. SOF ¶¶ 167-68; ZurichNA_008201.

623. The Surety Program included an annual requirement that Mr. Trump disclose to Zurich’s underwriter his personal financial statements. (Ex. 357 at -8481; Ex. 361 at -8483; Ex. 359 at 50:15-51:16, 85:19-86:9; Ex. 348 at 30:11-31:13, 34:12-35:8)

RESPONSE: Disputed. Requests to review financial information are common practice in the industry but President Trump was not legally or contractually required to disclose financial information as part of the surety program. Caulfield Dep. 56:11-57:8.

624. This annual financial disclosure requirement permitted Zurich to ensure that the indemnification from Mr. Trump was sufficient to support the continued renewal of the Surety Program. (Ex. 348 at 34:12-24; Ex. 359 at 50:15-51:4)

RESPONSE: Disputed. Requests to review financial information are common practice in the industry but President Trump was not legally or contractually required to disclose financial information as part of the surety program. Caulfield Dep. 56:11-57:8.

625. Indeed, on multiple occasions when AON was unable to secure in a timely manner the required financial disclosure—which took the form of an on-site review of the Statements in a conference room at the Trump Organization’s offices—Zurich put the Surety Program into “cut-off” status, which means Zurich ceased writing new bonds and would cancel existing bonds on expiration, until Mr. Trump’s Statements were made available for review. (Ex. 362 at -8345; Ex. 349 at -8526; Ex. 359 at 79:6-22, 82:8-83:2)

RESPONSE: Disputed. Requests to review financial information are common practice in

the industry but President Trump was not legally or contractually required to disclose financial information as part of the surety program. Zurich's underwriters occasionally put the surety program into "cutoff" status because Zurich was not satisfied with how regularly its underwriters were reviewing financial information for President Trump. Nevertheless, soon after "cutting off" the surety program, Zurich expanded the program by providing President Trump's businesses with greater single and aggregate bonding capacity and underwriting new bonds without reviewing financial information. When Zurich expanded the program without reviewing President Trump's financials, Zurich relied on publications such as Forbes and USA Today to support its underwriting decisions, and did so, in part, as an accommodation to AON. Defs. SOF ¶¶ 172-76; Caulfield Dep. 56:11-57:8, 96:3-97:11, 107:14-108:9.

626. During the on-site review that occurred on November 20, 2018 for the 2019 renewal, Zurich's underwriter Claudia Markarian² was shown the 2018 Statement, which listed as assets real estate holdings with valuations that Allen Weisselberg represented to Ms. Markarian had been determined each year by a professional appraisal firm "such as Cushman & Wakefield." (Ex. 354 at -8507; Ex. 348 at 49:10-50:10)

RESPONSE: Disputed. Allen Weisselberg did not inform Ms. Markarian that the properties were appraised annually. Ms. Markarian wrote in her 2019 Annual Review that the "[f]air value of the properties is determined by professional firms (such as Cushman & Wakefield) using cap rates and net operating income as factors." Ms. Markarian was not sure if Allen Weisselberg used the term "fair value." Allen Weisselberg represented to Ms. Markarian that the asset values listed in the 2018 SOFC were derived by combining the net operating

² Ms. Markarian now goes by her married surname Mouradian, Ex. 348 at 9:13-23, but to avoid confusion we refer to her by her maiden name because that is the name she used while at Zurich and how she is identified in all of the relevant documents.

income figure, a figure only individuals associated with President Trump's businesses would know, and capitalization rates. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-122:16; Weisselberg Dep. 221:9-13.³

627. Ms. Markarian considered the valuations to be reliable based on Mr. Weisselberg's representation that they were prepared by a professional appraisal firm, which she recorded in her contemporaneous notes that she used to create the narrative portion of her annual underwriting review. (Ex. 354 at -8507; Ex. 348 at 37:16-40:5, 49:10-50:10, 51:10-52:7)

RESPONSE: Disputed. Allen Weisselberg did not inform Ms. Markarian that the properties were appraised annually. Ms. Markarian considered the valuations that were derived by combining net operating income and capitalization rates to be reliable but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; Weisselberg Dep. 221:9-13.

628. In connection with her underwriting analysis, Ms. Markarian viewed Mr. Weisselberg's representations about the valuations being prepared by a professional appraisal firm favorably. (Ex. 348 at 51:17-52:5, 54:17-55:7, 58:15-59:17)

RESPONSE: Disputed. Allen Weisselberg did not inform Ms. Markarian that the properties were appraised annually. Ms. Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump's businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Ms. Markarian used the terms "valuation" and "appraisal" interchangeably because she thought they were the same. The asset values in the

³ Defendants do not concede the Court may rely on Ms. Markarian's transcript because it was a *de bene esse* deposition taken for purposes of trial. Defendants' use of Ms. Markarian's transcript is for the sole purpose of refuting Plaintiff's factual assertions.

SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No. 16-26; Weisselberg Dep. 215:16-217:9, 221:9-13.

629. Despite Mr. Weisselberg's representations, in reality Mr. Trump never retained a professional appraisal firm to prepare any of the property valuations reflected in the Statements. (Ex. 363 at 217:7-14)

RESPONSE: Disputed. Allen Weisselberg did not inform Ms. Markarian that the properties were appraised annually. Ms. Markarian mistakenly used the terms "valuation" and "appraisal" interchangeably because she thought they were the same. Ms. Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump's businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Many of the asset values in the SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No. 16-26; Weisselberg Dep. 215:16-217:9, 221:9-13.

630. Ms. Markarian noted in her narrative for her on-site review of the 2018 Statement the amount of cash on hand reflected in the asset category "cash and cash equivalents." (Ex. 354 at -8507; Ex. 348 at 46:13-21)

RESPONSE: Undisputed.

631. Ms. Markarian considered cash on hand to be an important figure for her underwriting analysis because it indicated Mr. Trump's liquidity and represented the funds

available to repay Zurich in the event Zurich had to pay on a surety bond issued under the program. (Ex. 348 at 46:22-47:19)

RESPONSE: Undisputed.

632. Mr. Trump falsely inflated the amount of “cash and cash equivalents” in the 2018 Statement by including \$24.4 million that belonged to the Vornado Partnership over which he had no control. See, supra, at ¶¶ 384-406.

RESPONSE: Disputed. The 2018 SOFC states that the cash and cash equivalents “represents amount held by Mr. Trump *and amounts in operating entities.*” Faherty Aff. Ex. 8 at -2728. Even without \$24.4 million in Vornado Partnership funds in 2018, President Trump’s liquidity far exceeded the total exposure of \$20 million for the Zurich surety program. Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump’s financial health; thus, the surety program was an accommodation to President Trump and AON. Defs. SOF ¶ 181; Robert Aff ¶ 12; Ex. Z (“Giulietti Dep.”) at 93:2-106:5.

633. This misrepresentation of the amount of cash on hand was material to Ms. Markarian’s underwriting analysis because it meant Mr. Trump was less liquid than reflected in the 2018 Statement. (Ex. 348 at 88:5-89:3, 141:20-142:17)

RESPONSE: Disputed. The 2018 SOFC states that the cash and cash equivalents “represents amount held by Mr. Trump *and amounts in operating entities.*” Faherty Aff. Ex. 8 at -2728. Even without \$24.4 million in Vornado Partnership funds in 2018, President Trump’s liquidity far exceeded the total exposure of \$20 million for the Zurich surety program. Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump’s financial health; thus, the surety

program was an accommodation to President Trump and AON. Defs. SOF ¶ 181; Robert Aff. ¶ 12; Giuliatti Dep. 93:2-106:5.

634. Mr. Weisselberg also advised Ms. Markarian during her on-site review of the 2018 Statement that the “value of properties” did not “vary significantly” from year to year. (Ex. 354 at -8507; Ex. 348 at 52:6-20)

RESPONSE: Disputed. Mr. Weisselberg provided Ms. Markarian high level information about President Trump’s financial strength. Mr. Weisselberg indicated President Trump’s asset quality was very good, meaning that the property values had been kept year over year and did not vary significantly during cycles. Markarian Trial Dep. 52:6-17, 101:24-102:4.

635. Mr. Weisselberg’s representations about how the property values remained consistent year over year factored favorably into Ms. Markarian’s analysis. (Ex. 348 at 52:21-54:7)

RESPONSE: Disputed. Mr. Weisselberg provided Ms. Markarian high level information about President Trump’s financial strength. Mr. Weisselberg indicated President Trump’s asset quality was very good, meaning that the property values had been kept year over year and did not vary significantly during cycles. Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump’s financial health; thus, the surety program was an accommodation to President Trump and AON. Markarian Trial Dep. 52:6-17, 101:24-102:4; Giuliatti Dep. 93:2-106:5.

636. In reality, the values in the Statements for a number of properties varied significantly over time. See, supra, at ¶¶ 36-76.

RESPONSE: Disputed. The evidence cited by Plaintiff does not establish her assertion.

637. Based on her favorable assessments resulting from the representations made to

her by Mr. Weisselberg during her on-site review and the information contained in the 2018 Statement, Ms. Markarian recommended that the Surety Program be renewed at the expiring terms, which her manager approved. (Ex. 348 at 57:15-59:17)

RESPONSE: Disputed. Mr. Markarian recommended renewal of the surety program in 2018 because President Trump was in “very good financial shape,” in that he had “high liquidity, very low debt compared to its peers, and little capex requirements for the next year.” Ms. Markarian also relied on the fact that the asset quality in the portfolio was “very good” and “sustainable.” Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump’s financial health; thus, the surety program was an accommodation to President Trump and AON. Giulietti Dep. 93:2-106:5; ZurichNA_008511.

638. During the on-site visit for the next renewal conducted on January 15, 2020, Ms. Markarian reviewed Mr. Trump’s 2019 Statement. (Ex. 355 at -8501; Ex. 348 at 63:16-65:4)

RESPONSE: Undisputed.

639. During this on-site review, Mr. Weisselberg represented to Ms. Markarian that the “fair value for the properties is appraised annually by a professional firm” which for the 2019 Statement was the “Newmark Group and has previously been done by Cushman & Wakefield,” explaining that the reason for the change in the firm was due to the “individual at Cushman & Wakefield with whom the Organization had a longstanding relationship with moved to work at Newmark.” (Ex. 355 at -8501; Ex. 348 at 72:11-74:12)

RESPONSE: Disputed. Mr. Weisselberg did not represent to Ms. Markarian that the fair value of the properties is appraised annually. Ms. Markarian mistakenly used the terms “valuation” and “appraisal” interchangeably because she thought they were the same. Ms.

Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump's businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Many of the asset values in the SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No. 16-26; Weisselberg Dep. 215:16-217:14.

640. Ms. Markarian considered the valuations to be reliable based on Mr. Weisselberg's representation that they were prepared by a professional appraisal firm, as recorded in her contemporaneous notes that she used to create the narrative portion of her annual underwriting review. (Ex. 355 at -8501; Ex. 348 at 65:15-66:22, 74:13-75:9)

RESPONSE: Disputed. Mr. Weisselberg did not represent to Ms. Markarian that the fair value of the properties is appraised annually. Ms. Markarian mistakenly used the terms "valuation" and "appraisal" interchangeably because she thought they were the same. Ms. Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump's businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Many of the asset values in the SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No. 16-26; Weisselberg Dep. 215:16-217:14.

641. In connection with her underwriting analysis, Ms. Markarian viewed Mr. Weisselberg's representations about the valuations being prepared again by a professional

appraisal firm favorably. (Ex. 348 at 74:21-75:9)

RESPONSE: Disputed. Mr. Weisselberg did not represent to Ms. Markarian that the fair value of the properties is appraised annually by a professional firm. Ms. Markarian mistakenly used the terms “valuation” and “appraisal” interchangeably because she thought they were the same. Ms. Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump’s businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Many of the asset values in the SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No. 16-26; Weisselberg Dep. 215:16-217:9

642. Despite Mr. Weisselberg’s representations, in reality Mr. Trump never retained a professional appraisal firm to prepare any of the property valuations reflected in the Statements. (Ex. 363 at 217:7-14)

RESPONSE: Disputed. Mr. Weisselberg did not represent to Ms. Markarian that the fair value of the properties is appraised annually. Ms. Markarian mistakenly used the terms “valuation” and “appraisal” interchangeably because she thought they were the same. Ms. Markarian believed the valuations were derived by combining net operating income, which was known only to President Trump’s businesses, and capitalization rates but was not told by Mr. Weisselberg (and Ms. Markarian did not ask) what entity was providing the capitalization rate. Many of the asset values in the SOFC were derived from combining the net operating income with capitalization rates provided by real estate companies such as Cushman & Wakefield and Newmark Group. Markarian Trial Dep. 102:7-103:2, 109:8-110:8, 121:4-123:22; NYSCEF No.

16-26; Weisselberg Dep. 215:16-217:14.

643. Ms. Markarian noted in her narrative for her on-site review of the 2019 Statement the amount of cash on hand reflected in the asset category “cash and cash equivalents.” (Ex. 355 at -8501; Ex. 348 at 70:10-71:21)

RESPONSE: Undisputed.

644. Ms. Markarian considered cash on hand to be an important figure for her underwriting analysis because it indicated Mr. Trump’s liquidity and represented the funds available to repay Zurich in the event there was a claim that Zurich had to pay on a surety bond issued under the program. (Ex. 348 at 70:25-71:21)

RESPONSE: Undisputed.

645. Mr. Trump falsely inflated the amount of “cash and cash equivalents” in the 2019 Statement by including \$24.7 million that belonged to the Vornado Partnership over which he had no control. *See, supra*, at ¶¶ 384-406.

RESPONSE: Disputed. The 2019 SOFC states the cash and cash equivalents “represents amount held by Mr. Trump and *amounts in operating entities*. Faherty Aff. Ex. 9 at -1793. Even without \$24.7 million in Vornado Partnership funds in 2019, President Trump’s liquidity far exceeded the total exposure of \$20 million for the Zurich surety program. Defs. SOF ¶ 181; Markarian Trial Dep. 126:6-19; Robert Aff ¶ 13.

646. This misrepresentation of the cash on hand was material to Ms. Markarian’s underwriting analysis because it meant Mr. Trump was less liquid than reflected in the 2019 Statement. (Ex. 348 at 89:4-23, 141:20-142:17)

RESPONSE: Disputed. The 2019 SOFC states the cash and cash equivalents “represents amount held by Mr. Trump and *amounts in operating entities*. Faherty Aff. Ex. 9 at -1793. Even

without \$24.7 million in Vornado Partnership funds in 2019, President Trump's liquidity far exceeded the total exposure of \$20 million for the Zurich surety program. Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump's financial health; thus, the surety program was an accommodation to President Trump and AON. Defs. SOF ¶ 181; Markarian Trial Dep. 126:6-19; Robert Aff ¶ 13; Giuliatti Dep. 93:2-106:5.

647. Mr. Weisselberg also advised Ms. Markarian during her on-site review of the 2019 Statement that the "value of properties" did not "vary significantly" from year to year. (Ex. 355 at -8502; Ex. 348 at 75:10-76:4)

RESPONSE: Disputed. Mr. Weisselberg provided Ms. Markarian high level information about President Trump's financial strength. Mr. Weisselberg indicated President Trump's asset quality was very good, meaning that the property values had been kept year over year and did not vary significantly during cycles. Markarian Trial Dep. 52:6-17, 101:24-102:4

648. Ms. Markarian viewed Mr. Weisselberg's representations about how the property values remained consistent year over year as a positive factor. (Ex. 348 at 76:5-19)

RESPONSE: Disputed. Mr. Weisselberg provided Ms. Markarian high level information about President Trump's financial strength. Mr. Weisselberg indicated President Trump's asset quality was very good, meaning that the property values had been kept year over year and did not vary significantly during cycles. Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump's financial health; thus, the surety program was an accommodation to President Trump and AON. Markarian Trial Dep. 52:6-17, 101:24-102:4; Giuliatti Dep. 93:2-106:5.

649. In reality, the values in the Statements for a number of properties varied

significantly over time. *See, supra*, at ¶¶ 36-76.

RESPONSE: Disputed. The evidence cited by Plaintiff fails to establish her assertion.

650. Based on her favorable assessments resulting from the representations made to her by Mr. Weisselberg during her on-site review and the information contained in the 2019 Statement, Ms. Markarian recommended that the Surety Program be renewed at the expiring terms, which her manager approved. (Ex. 348 at 79:19-82:8)

RESPONSE: Disputed. Mr. Weisselberg provided Ms. Markarian high level information about President Trump's financial strength. Mr. Markarian recommended renewal of the surety program in 2019 because President Trump was "once again in very good financial shape," in that he had "high liquidity, very low debt compared to its peers, and little capex requirements for the next year." Ms. Markarian also relied on the fact that the asset quality in the portfolio was "very good" and "sustainable." Zurich did not engage in real underwriting of the Trump account because the underwriters never undertook a financial analysis of the SOFC to ascertain President Trump's financial health; thus, the surety program was an accommodation to President Trump and AON. Markarian Trial Dep. 52:6-17, 101:24-102:4; Giulietti Dep. 93:2-106:5; ZurichNA_009004.

651. Mr. Trump's Statements did not disclose to the reader that within the "Clubs" category many of the golf club values included a 30% or 15% premium for the Trump Brand. (Ex. 3 at -39)

RESPONSE: Disputed. The intangible value associated with a brand name is a permissible valuation consideration. Use of the Trump brand value as part of the value of the reported tangible assets was properly disclosed in the SOFC. Defs. SOF ¶ 262.

652. Under Zurich's underwriting guidelines, intangible assets such as brand value are

to be excluded as a disallowed item. (Ex. 364 at 96:49-97:18)

RESPONSE: Disputed. The intangible value associated with a brand name is a permissible valuation consideration. Use of the Trump brand value as part of the value of the reported tangible assets was properly disclosed in the SOFC. Defs. SOF ¶ 262.

653. As of December 2016, the Trump Organization had in place Directors & Officers (“D&O”) liability coverage consisting of a single primary policy providing a limit of \$5,000,000 at a premium of \$125,000, expiring on February 17, 2017. (Ex. 365 at -94; Ex. 366)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The Trust had in place a single primary policy. Defs. SOF ¶ 188.

654. To obtain that coverage, similar to the process for obtaining surety coverage from Zurich, the Trump Organization provided D&O underwriters access to Mr. Trump’s Statements, through a monitored in-person review at Trump Tower. (Ex. 367 at -61; Ex. 368; Ex. 369)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The Trust had in place a single primary policy. Defs. SOF ¶ 188.

655. In advance of the February 2017 policy expiration, AON scheduled a “D&O Underwriting Meeting” at the Trump Organization’s offices on January 10, 2017 between Trump Organization personnel (including Weisselberg) and various insurers, including Tokio Marine HCC (“HCC”). (Ex. 368)

RESPONSE: Undisputed.

656. The Trump Organization was looking to cancel the existing policies and rewrite the program on the day of Mr. Trump's presidential inauguration with significantly higher limits of \$50,000,000 – a tenfold increase in the D&O coverage that existed under the single primary policy in place. (Ex. 370 at 34:9-35:24; Ex. 365)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. The Trust was looking to add additional coverage because President Trump had just been elected President. The Trust sought to add an additional \$5 million in D&O coverage. Defs. SOF ¶ 188; Faherty Aff. Ex. 370 34:12-17, Faherty Aff. Ex. 365.

657. The underwriters at the meeting, including HCC's underwriter, were provided very few financials but did see the balance sheet for year-end 2015, which showed total assets of \$6.6 billion, cash of \$192 million and total debt of \$519 million with no single debt larger than \$160 million and no concentration of maturities – all as reported in the 2015 Statement. (Ex. 5 at -691-92; Ex. 369; Ex. 370 at 57:21-64:16)

RESPONSE: Disputed. HCC's underwriter was provided with a balance sheet for year-end 2015, which showed total assets of \$6.6 billion, cash of \$192 million and total debt of \$519 million with no single debt larger than \$160 million and no concentration of maturities. HCC's underwriter did not find it unusual there were limited financials to review. Faherty Aff. Ex. 370 36:12-16, 57:21-64:16; Faherty Aff. Ex. 369 at HCC_00001202.

658. The Trump Organization representatives assured the underwriters that the balance sheet for year-end 2016 that would be completed in a few weeks would be even better than the year-end 2015 balance sheet. (Ex. 370 at 63:19-64:16; Ex. 369)

RESPONSE: Undisputed.

659. The representation that Mr. Trump had \$192 million in cash was material to the HCC underwriter's assessment of Mr. Trump's liquidity, which has bearing on his ability to meet the retention obligation under the HCC policy. (Ex. 370 at 161:7-164:9; Ex. 371 at -68)

RESPONSE: Disputed. The 2015 balance sheet the HCC underwriter reviewed identified \$192 million in cash. President Trump's liquidity position was a relevant consideration for HCC in making its underwriting decision. President Trump's cash position was so strong that the HCC underwriter did not find it material need to know whether President Trump's businesses had positive cash flow. Faherty Aff. Ex. 371 at HCC_00000168; Faherty Aff. Ex. 370 at 161:7-164:9. 66:25-68:6.

660. In response to specific questioning from the underwriters, the Trump Organization personnel represented that there was no material litigation or inquiry from anyone that could potentially lead to a claim under the D&O coverage. (Ex. 371; Ex. 372; Ex. 369; Ex. 370 at 68:22-69:13)

RESPONSE: Disputed. The use of "Trump Organization" improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. HCC's underwriter did not know who told him there was no material litigation or inquiry that could give rise to a claim under the D&O policy. The terms of the D&O policy required that the risk manager or general counsel become aware of a potential claim before the insured had to provide written notice to HCC. SOF ¶¶ 188, 193-94; Faherty Aff. Ex. 370 at 68:22-69:13.

661. This representation was material to the HCC underwriter's assessment that there

were no investigations by law enforcement agencies that could potentially trigger coverage under the D&O policies. (Ex. 370 at 69:5-13)

RESPONSE: Disputed. An individual at the underwriting meeting on January 10, 2017 (who was unknown to the HCC underwriter), told HCC's underwriter there was no litigation or inquiries that could potentially lead to a claim under the policy. A condition of filing a claim under the HCC D&O policy was that the risk manager or general counsel become aware of the potential claim. Faherty Aff. Ex. 370 at 68:25-69:13; Defs. SOF ¶¶ 193-94.

662. On January 20, 2017, after considering the information conveyed during the January 10 meeting, HCC offered terms for a primary \$10,000,000 policy with a \$2,500,000 retention for a premium of \$295,000 subject to certain conditions. (Ex. 373)

RESPONSE: Disputed. HCC offered terms for a primary \$10 million policy with a \$2.5 million retention for a premium of \$295,000 after considering the information conveyed during the January 10, 2017, meeting as well as information provided to it by AON. The HCC underwriter was excited about the prospect of displacing the original primary insurer and even went so far as to state that he "loved the primary on this for at least the next 4 years." Faherty Aff. Ex. 369, 371.

663. Coverage per these terms was bound on January 31, 2017, with effective dates of January 30, 2017 to January 30, 2018. (Ex. 374)

RESPONSE: Undisputed.

664. Despite the representations made to underwriters by the Trump Organization personnel during the January 10 meeting that there was no material litigation or inquiry from anyone that could potentially lead to a claim, there was at the time of the meeting an ongoing investigation by OAG into the Trump Foundation and Trump family members Donald J. Trump,

Donald Trump, Jr., Ivanka Trump, and Eric Trump, all of whom were at the time directors and officers of the Trump Organization and were aware of the investigation. (Ex. 375; Ex. 376; Ex. 377)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. HCC’s underwriter did not know who told him there was no material litigation or inquiry that could give rise to a claim under the D&O policy. The terms of the D&O policy required that the risk manager or general counsel become aware of a potential claim before written notice to HCC was required. SOF ¶¶ 188, 193-94; Faherty Aff. Ex. 370 at 68:22-69:13.

665. In September 2016, four months before the January 10 meeting, OAG had sent a notice of violation to the Trump Foundation and a letter to Trump Organization outside counsel Sheri Dillon requesting documents, to which Ms. Dillon replied on October 7, 2016. (Ex. 376; Ex. 378)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed.

666. Neither Weisselberg nor any other Trump Organization representative disclosed to the underwriters at the January 10 meeting or at any other time prior to the January 30 renewal of the D&O policies the existence of OAG’s investigation into the Trump Foundation and Trump family members who were directors and officers of the Trump Organization. (Ex. 369; Ex. 370 at 68:22-69:13)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. HCC’s underwriter did not know who told him there was no material litigation or inquiry that could give rise to a claim under the D&O policy. The terms of the D&O policy required that the risk manager or general counsel become aware of a potential claim before written notice to HCC was required. SOF ¶¶ 188, 193-94; Faherty Aff. Ex. 370 at 68:22-69:13.

667. On January 17, 2019, the Trump Organization submitted a claim notice to the D&O insurers, including HCC, through AON seeking coverage in connection with OAG’s enforcement action resulting from the investigation. (Ex. 379; Ex. 380)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. SOF ¶ 188. The Trust submitted a claim notice to D&O insurers. Faherty Aff. Exs. 379-380.

668. On February 6, 2018, based on the information provided during the renewal negotiations, HCC agreed to extend its \$10,000,000 policy with a \$2,500,000 retention for the expiring premium of \$295,000 for another 12 months, ending February 10, 2019. (Ex. 381; Ex. 382)

RESPONSE: Undisputed.

669. Based on further correspondence exchanged in 2018 between AON on behalf of the insureds and HCC’s coverage counsel disputing whether coverage existed for tendered claims, HCC’s underwriter determined that the exposure on the risk was significantly higher than

previously assessed. (Ex. 370 at 143:20-145:10)

RESPONSE: Disputed. HCC's underwriter determined the exposure was significantly higher than previously assessed because HCC "underpriced th[e] risk" and there was nothing President Trump's representatives could have told HCC during the underwriting process that could have prepared the HCC underwriter for claims related to investigations involving President Trump's election. Faherty Aff. Ex. 370 at 145:6-147:8.

670. As a result, on January 24, 2019, HCC offered to renew the \$10,000,000 policy for a substantially increased premium of \$1,600,000, more than five times the expiring premium. (Ex. 383; Ex. 384; Ex. 370 at 143:13-146:4)

RESPONSE: Undisputed.

671. The Trump Organization declined to accept the renewal terms. (Ex. 370 at 150:14-151:12)

RESPONSE: Undisputed.

672. The Statements of Financial Condition from 2011 through 2015 are personal financial statements for Mr. Trump, and they state that Mr. Trump is responsible for their contents. (Exs. 1-11)

RESPONSE: Disputed. The SOFC from 2011 through 2015 are personal financial statements for President Trump and they state President Trump is responsible for the preparation and fair presentation of the financial statements with the accountants' assistance in presenting the financial information in the form of compilation reports. Faherty Aff. Ex. 1-11.

673. Speaking about his own role at the Trump Organization before he became President of the United States, Donald J. Trump said his title probably was "President" but "my title was the owner. That was the only one that mattered." (Ex. 50 at 159:25-160:6)

RESPONSE: Disputed. President Trump was not sure if he had any other formal titles in 2014 other than being the owner of his businesses. Faherty Aff. Ex. 50 at 159:19-160:6.

674. On March 9, 2017, Donald J. Trump appointed Donald Trump Jr. and Eric Trump as agents with Power of Attorney over banking and real estate transactions. (Ex. 385 at -16, -20)

RESPONSE: Undisputed.

675. When Donald Trump, Jr. and Eric Trump signed compliance certificates pertaining to the Statements, each stated that he did so as Mr. Trump's attorney in fact.

RESPONSE: Disputed. The NYAG fails to cite evidence in support of her assertion.

676. Allen Weisselberg would not have permitted a final draft of the Statement of Financial Condition to be issued unless Mr. Trump had reviewed it and was satisfied with it. (Ex. 363 at 142:4-143:5)

RESPONSE: Undisputed.

677. Mr. Trump had "final review" over his Statement of Financial Condition in each year before he was President of the United States. (Ex. 54 at 98:5-16)

RESPONSE: Disputed. President Trump's review of the SOFC with Allen Weisselberg was the final review. Faherty Aff. Ex. 54 at 98:5-16.

678. As Mr. Trump testified, Mr. Weisselberg and Mr. McConney "had the numbers" and that he would "see it mostly after it was completed, you know, he gave me a rundown or give me in some cases like the statement, maybe an outline in some cases." (Ex. 50 at 101:21-102:05)

RESPONSE: Undisputed.

679. By a document dated October 22, 2009, Donald J. Trump signed a "General Agreement of Indemnity" to Zurich insurance company, in order to procure surety bonds. (Ex.

386)

RESPONSE: Disputed. On October 22, 2009, President Trump agreed to personally indemnify Zurich against any loss incurred by Zurich on the surety bonds. Prior to this, Zurich took individual applications of indemnity for each bond. Defs. SOF ¶¶ 167-68; ZurichNA_008201.

680. Donald Trump, Jr. is an Executive Vice President of the Trump Organization. <https://www.trump.com/leadership/donald-trump-jr-biography>

RESPONSE: Undisputed.

681. Donald Trump, Jr. was a trustee of the Trust from January 19, 2017 to January 15, 2021, and then from July 7, 2021 to present. (Ex. 387; Ex. 388; Ex. 389)

RESPONSE: Undisputed that Donald Trump Jr. was appointed trustee on January 19, 2017 and thereafter resigned, but once was again appointed trustee July 7, 2021. Disputed that the evidence cited by Plaintiff supports her assertion that Donald Trump Jr. resigned as trustee on January 15, 2021.

682. The representation letter for the 2016 Statement is signed by Donald Trump, Jr. and bears the date March 10, 2017. Donald Trump, Jr. signed the document as Executive Vice President of the Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 40)

RESPONSE: Undisputed.

683. The representation letter for the 2017 Statement is signed by Donald Trump, Jr. and bears the date October 30, 2017. Donald Trump, Jr. signed the document as Executive Vice President of the Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 41)

RESPONSE: Undisputed.

684. The representation letter for the 2018 Statement is signed by Donald Trump, Jr. and bears the date October 24, 2018. Donald Trump, Jr. signed the document as Executive Vice President of the Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 42)

RESPONSE: Undisputed.

685. The representation letter for the 2019 Statement is signed by Donald Trump, Jr. and bears the date October 31, 2019. Donald Trump, Jr. signed the document as Executive Vice President of the Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 43)

RESPONSE: Undisputed.

686. The representation letter for the 2020 Statement is signed by Donald Trump, Jr. and bears the date January 11, 2021. Donald Trump, Jr. signed the document as Executive Vice President of the Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 44)

RESPONSE: Undisputed.

687. The representation letter for the 2021 Statement is signed by Donald Trump, Jr. and bears the date October 29, 2021. Donald Trump, Jr. signed the document as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended. (Ex. 45)

RESPONSE: Undisputed.

688. Donald Trump Jr. signed a guarantor compliance certificate dated March 13, 2017. Among other things, the certificate states that the 2016 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The

signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 258)

RESPONSE: Undisputed that the compliance certificate states as much.

689. Donald Trump Jr. signed a guarantor compliance certificate dated October 31, 2017. Among other things, the certificate states that the 2017 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 259)

RESPONSE: Undisputed that the compliance certificate states as much.

690. Donald Trump Jr. signed a guarantor compliance certificate dated October 31, 2017. Among other things, the certificate states that the 2019 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 313)

RESPONSE: Disputed. Among other things, the compliance certificate dated October 31, 2017, states that the 2017 SOFC is attached. Faherty Aff. Ex. 313.

691. Donald Trump Jr. signed three separate guarantor compliance certificates, each dated October 25, 2018. Among other things, the certificates each stated that the 2018 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 260 at 24-25 (OPO), at 26-27 (Trump Endeavor), at 28-29 (N. Wabash))

RESPONSE: Undisputed that the compliance certificate states as much.

692. Donald Trump Jr. signed a guarantor compliance certificate dated October 31, 2019. Among other things, the certificate states that the 2019 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 261)

RESPONSE: Undisputed that the compliance certificate states as much.

693. Donald Trump Jr. signed a guarantor compliance certificate dated October 31, 2019. Among other things, the certificate states that the 2019 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 283)

RESPONSE: Undisputed that the compliance certificate states as much.

694. Donald Trump Jr. signed a guarantor compliance certificate dated October 31, 2019. Among other things, the certificate states that the 2019 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Donald Trump Jr. signed the document as attorney in fact for Donald J. Trump. (Ex. 314)

RESPONSE: Undisputed that the compliance certificate states as much.

695. From 2011 to present, Donald Trump Jr. has served as an officer in (i) The Trump Organization Inc; (ii) The Trump Organization LLC; (iii) DJT Holdings LLC; (iv) DJT Holdings Managing Member; (v) Trump Endeavor LLC; (vi) 401 North Wabash Venture LLC; (vii) Trump Old Post Office LLC; (viii) 40 Wall Street LLC; (ix) Seven Springs LLC. Faherty Aff. Ex. 51 at ¶ 16.

RESPONSE: Disputed. Donald Trump Jr. served as an officer of Trump Endeavor 12 LLC. In addition, the document cited by Plaintiff establishes that Donald Trump Jr. served as an officer of the entities referenced “at different points during the Relevant Time Period,” and not from 2011 to the present. Defs. SOF Ex. 51 at ¶ 16.

696. From the period of 2016 to 2023 Eric Trump was the “chief decision maker” at the Trump Organization, (Ex. 391 at 29:10-13, 77:11-21; Ex. 50 at 19:7-17), and maintains as one of his titles “Executive Vice President” of the Trump Organization. <https://www.trump.com/leadership/eric-trump-biography>

RESPONSE: Undisputed that Mark Hawthorn testified that Eric Trump was a “chief decision maker” for a specific period of time, and that he served as an Executive Vice President of certain discrete legal entities. However, the use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. It is additionally disputed that Eric Trump was the “chief decision maker” for a seven-year period.

697. On March 13, 2017, Eric Trump acknowledged his appointment by Donald J. Trump as agent with Power of Attorney over banking and real estate transactions. (Ex. 385 at -16, -20)

RESPONSE: Undisputed.

698. On July 9, 2019, Eric Trump, as President of Seven Springs LLC signed a loan modification agreement on behalf of the borrower Seven Springs LLC in a transaction with the Bryn Mawr Trust Company. (Ex. 342)

RESPONSE: Undisputed.

699. On July 9, 2019, Eric Trump, as attorney in fact for Donald J. Trump, signed a Consent and Joinder Agreement reaffirming the obligations of the Guarantor under the Guaranty. (Ex. 342)

RESPONSE: Undisputed.

700. Eric Trump signed a guarantor compliance certificate dated October 28, 2020. The borrower is stated to be Trump Endeavor 12 LLC and the Guarantor is stated to be Donald J. Trump. Among other things the certificate states that the Guarantor certifies that to the best of their current knowledge their net worth is over \$2,500,000,000. The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 262) Subsequent to the signing of this certificate Deutsche Bank received the 2020 Statement of Financial Condition. (Ex. 392)

RESPONSE: Disputed. The compliance certificate states that, “to the best of Guarantor’s current knowledge and information, and Guarantor currently not being aware of facts, circumstances or events that, individually or in the aggregate, establish the contrary conclusion, the ‘Net Worth’ of Guarantor for the period ending on June 30th, is not less than (x) Two Billion Five Hundred Million Dollars (\$2,500,000,000) times (y) the applicable Step-Down Percentage on the date hereof.” Faherty Aff. Ex. 262

701. Eric Trump signed a guarantor compliance certificate dated October 28, 2020. The borrower is stated to be 401 North Wabash Venture LLC and the Guarantor is stated to be Donald J. Trump. Among other things the certificate states that the Guarantor certifies that to the best of their current knowledge their net worth is over \$2,500,000,000. The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 284) Subsequent to the signing of this certificate Deutsche Bank received the 2020

Statement of Financial Condition. (Ex. 392)

RESPONSE: Disputed. The compliance certificate states that, “to the best of Guarantor’s current knowledge and information, and Guarantor currently not being aware of facts, circumstances or events that, individually or in the aggregate, establish the contrary conclusion, the ‘Net Worth’ of Guarantor for the annual period ending on June 30, 2020, is not less than (x) (\$2,500,000,000) times (y) the applicable Step-Down Percentage on the date hereof.” Faherty Aff. Ex. 284.

702. Eric Trump signed a guarantor compliance certificate dated October 28, 2020. The borrower is stated to be Trump Old Post Office, LLC and the Guarantor is stated to be Donald J. Trump. Among other things the certificate states that the Guarantor certifies that to the best of their current knowledge their net worth is over \$2,500,000,000. The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 315) Subsequent to the signing of this certificate Deutsche Bank received the 2020 Statement of Financial Condition. (Ex. 392)

RESPONSE: Disputed. The compliance certificate states that, “to the best of Guarantor’s current knowledge and information, and Guarantor currently not being aware of facts, circumstances or events that, individually or in the aggregate, establish the contrary conclusion, the ‘Net Worth’ of Guarantor for the period ending on June 30th, is not less than Two Billion Five Hundred Million Dollars (\$2,500,000,000) on the date hereof.” Faherty Aff. Ex. 315.

703. The engagement letter for the 2021 Statement bearing the date September 17, 2021, is addressed to Eric Trump, President of the Trump Organization and is signed by Eric Trump on behalf of the Trump Organization on the same date. (Ex. 34)

RESPONSE: Undisputed.

704. In October 2021, Eric Trump, as a top executive in the company, participated in a phone call to discuss valuation methodologies for the 2021 SOFC. (Ex. 138 at 1183:18-1186:18, 1194:10-1195:13, 1196:24-1197:09)

RESPONSE: Undisputed that Patrick Birney testified that Eric Trump participated in a phone call to discuss the 2021 SOFC. Faherty Aff. Ex. 138 at 1183:18-1186:18, 1194:10-1195:13, 1196:24-1197:09.

705. On that phone call Eric Trump said “Listen, you guys are the best numbers guys that I know, and if you’re recommending something, we’re going to --like, that’s fine.” (Ex. 138 at 1194:10-1195:13, 1196:24-1197:09)

RESPONSE: Undisputed that Patrick Birney testified that he did not recall Eric Trump’s exact words but believed he said “something along the lines of” what is stated in ¶ 705. Faherty Aff. Ex. 1197:5-9.

706. Eric Trump signed a guarantor compliance certificate dated October 28, 2021. The borrower is stated to be Trump Endeavor 12 LLC and the Guarantor is stated to be Donald J. Trump. Among other things, the certificate states that the 2021 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 263)

RESPONSE: Undisputed that the compliance certificate states as much.

707. Eric Trump signed a guarantor compliance certificate dated October 28, 2021. The borrower is stated to be 401 North Wabash Venture LLC and the Guarantor is stated to be Donald J. Trump. Among other things, the certificate states that the 2021 Statement is attached

and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 285)

RESPONSE: Undisputed that the compliance certificate states as much.

708. Eric Trump signed a guarantor compliance certificate dated October 28, 2021. The borrower is stated to be Trump Old Post Office, LLC and the Guarantor is stated to be Donald J. Trump. Among other things, the certificate states that the 2021 Statement is attached and “presents fairly in all material respects the financial condition of Guarantor at the period presented.” The signature area on the certificate states that Eric Trump signed the document as attorney in fact for Donald J. Trump. (Ex. 316)

RESPONSE: Undisputed that the compliance certificate states as much.

709. From 2011 to present, Eric Trump has served as an officer in (i) The Trump Organization Inc; (ii) The Trump Organization LLC; (iii) DJT Holdings LLC; (iv) DJT Holdings Managing Member; (v) 401 North Wabash Venture LLC; (vi) Trump Old Post Office LLC; (vii) 40 Wall Street LLC; (viii) Seven Springs LLC. (Ex. 51 at ¶ 17)

RESPONSE: Disputed. The document cited by Plaintiff establishes that Eric Trump served as an officer of the entities referenced “at different points during the Relevant Time Period,” and not from 2011 to the present. Faherty Aff. Ex. 51 at ¶ 17.

710. Allen Weisselberg was Chief Financial Officer of the Trump Organization in 2011 and continued in that role until he pled guilty to tax fraud in 2021. (Ex. 363 at 291- 293, 307)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to

specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Allen Weisselberg was the Chief Financial Officer of the Trump Corporation from 2003 until July 2021. Defs. SOF ¶ 4.

711. Until Mr. Trump became President of the United States, Allen Weisselberg as the Trump Organization’s Chief Financial Officer reported to Mr. Trump directly and was under his control. (Ex. 49 at 31:2-32:12, Ex. 50 at 160:7-8)

RESPONSE: Disputed. The use of “Trump Organization” improperly groups all entity Defendants together without regard for the discrete legal entity of each Defendant and fails to specify as to which named Defendant(s)—or non-Defendant entity—the conduct alleged is attributed. Allen Weisselberg was the Chief Financial Officer of the Trump Corporation from 2003 until July 2021. Defs. SOF ¶ 4.

712. Allen Weisselberg, as Chief Financial Officer, was in charge of the accounting department at the Trump Organization. (Ex. 50 at 165)

RESPONSE: Undisputed.

713. Jeffrey McConney and Allen Weisselberg worked on Statements of Financial Condition for Mr. Trump together. (Ex. 363 at 120:10-19)

RESPONSE: Disputed. Plaintiff’s cited evidence does not support her assertion.

714. Jeffrey McConney and Patrick Birney reported to Allen Weisselberg when he was Chief Financial Officer of the Trump Organization. (Ex. 49 at 28:7-18.)

RESPONSE: Undisputed.

715. Allen Weisselberg had a primary role working on Mr. Trump’s Statements. (Ex. 50 at 100, 126-128, 156)

RESPONSE: Undisputed.

716. The engagement letter for the 2011 Statement is signed by Allen Weisselberg and bears the date July 20, 2011. (Ex. 24)

RESPONSE: Undisputed.

717. The engagement letter for the 2012 Statement is signed by Allen Weisselberg and bears the date September 25, 2012. Underneath Weisselberg's signature is a handwritten date, October 12, 2012. (Ex. 25)

RESPONSE: Undisputed.

718. The engagement letter for the 2013 Statement is signed by Allen Weisselberg and bears the date September 18, 2013. (Ex. 26) Underneath Weisselberg's signature is a handwritten date, September 30, 2013.

RESPONSE: Undisputed.

719. The engagement letter for the 2014 Statement is signed by Allen Weisselberg and bears the date January 2, 2014. (Ex. 27) Underneath Weisselberg's signature is a handwritten date, November 5, 2014.

RESPONSE: Undisputed.

720. The engagement letter for the 2015 Statement is signed by Allen Weisselberg and bears the date November 2, 2015. (Ex. 28) Underneath Weisselberg's signature is a handwritten date, March 21, 2016.

RESPONSE: Undisputed.

721. The engagement letter for the 2016 Statement is signed by Allen Weisselberg and bears the date January 21, 2017. (Ex. 29) Underneath Weisselberg's signature is a handwritten date, March 9, 2017. Weisselberg signed the document as Executive Vice President and Chief Financial Officer of The Trump Organization and as Trustee of the Donald J. Trump Revocable

Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

722. The engagement letter for the 2017 Statement is signed by Allen Weisselberg and bears the date January 21, 2017. (Ex. 30) Underneath Weisselberg's signature is a handwritten date, October 10, 2017. Weisselberg signed the document as Executive Vice President and Chief Financial Officer of The Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

723. The engagement letter for the 2018 Statement is signed by Allen Weisselberg and bears the date January 11, 2018. (Ex. 31) Weisselberg signed the document as Executive Vice President and Chief Financial Officer of The Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

724. The engagement letter for the 2019 Statement is signed by Allen Weisselberg and bears the date January 10, 2019. (Ex. 32) Underneath Weisselberg's signature is a handwritten date, March 13, 2019. Weisselberg signed the document as Executive Vice President and Chief Financial Officer of The Trump Organization and as Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

725. The engagement letter for the 2020 Statement is signed by Allen Weisselberg and bears the date December 14, 2020. (Ex. 33) Underneath Weisselberg's signature is a handwritten date, January 7, 2021. Weisselberg signed the document as Executive Vice President and Chief Financial Officer of The Trump Organization and as Trustee of the Donald J. Trump Revocable

Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

726. The representation letter for the 2011 Statement is signed by Allen Weisselberg and bears the date October 6, 2011. (Ex. 35) Weisselberg signed the document as Chief Financial Officer of The Trump Organization.

RESPONSE: Undisputed.

727. The representation letter for the 2012 Statement is signed by Allen Weisselberg and bears the date October 12, 2012. (Ex. 36) Weisselberg signed the document as Chief Financial Officer of The Trump Organization.

RESPONSE: Undisputed.

728. The representation letter for the 2013 Statement is signed by Allen Weisselberg and bears the date October 28, 2013. (Ex. 37) Weisselberg signed the document as Chief Financial Officer of The Trump Organization.

RESPONSE: Undisputed.

729. The representation letter for the 2014 Statement is signed by Allen Weisselberg and bears the date November 7, 2014. (Ex. 38) Weisselberg signed the document as Chief Financial Officer of The Trump Organization.

RESPONSE: Undisputed.

730. The representation letter for the 2015 Statement is signed by Allen Weisselberg and bears the date March 18, 2016. (Ex. 39) Weisselberg signed the document as Chief Financial Officer of The Trump Organization.

RESPONSE: Undisputed.

731. The representation letter for the 2016 Statement is signed by Allen Weisselberg

and bears the date March 10, 2017. (Ex. 40) Weisselberg signed the document as Chief Financial Officer of The Trump Organization and Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

732. The representation letter for the 2017 Statement is signed by Allen Weisselberg and bears the date October 30, 2017. (Ex. 41) Weisselberg signed the document as Chief Financial Officer of The Trump Organization and Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

733. The representation letter for the 2018 Statement is signed by Allen Weisselberg and bears the date October 24, 2018. (Ex. 42) Weisselberg signed the document as Chief Financial Officer of The Trump Organization and Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

734. The representation letter for the 2019 Statement is signed by Allen Weisselberg and bears the date October 31, 2019. (Ex. 43) Weisselberg signed the document as Chief Financial Officer of The Trump Organization and Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

735. The representation letter for the 2020 Statement is signed by Allen Weisselberg and bears the date January 11, 2021. (Ex. 44) Weisselberg signed the document as Chief Financial Officer of The Trump Organization and Trustee of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended.

RESPONSE: Undisputed.

736. Jeffrey McConney became Controller of the Trump Organization sometime between 2002 and 2004. (Ex. 54 at 23:15-22)

RESPONSE: Undisputed.

737. Jeffrey McConney led the process of preparing Mr. Trump's Statements of Financial Condition sometime beginning in the 1990s. (Ex. 54 at 24:4-25:4)

RESPONSE: Undisputed.

738. Jeffrey McConney described his personal role in preparing supporting data and backup for Mr. Trump's Statement of Financial Condition beginning in 2011. (Ex. 54 at 52:10-68:14) For example, Mr. McConney testified that "I assemble the documentation" and that he would send both supporting data spreadsheets and backup documentation to the accountants. (Ex. 54 at 67:20-68:14)

RESPONSE: Undisputed.

739. Jeffrey McConney acknowledged that the supporting data spreadsheets pertaining to Mr. Trump's Statements were referred to as "Jeff's supporting data" or "Jeff's supporting schedule". (Ex. 54 at 40:2-8, 212:8-16, 294:20-24)

RESPONSE: Undisputed.

740. Jeffrey McConney worked, in Mr. Trump's words, "right under Allen" at the Trump Organization. (Ex. 50 at 101:8-13)

RESPONSE: Undisputed.

741. On May 10, 2016, Jeffrey McConney sent a compliance certificate pertaining to the 2015 Statement to Deutsche Bank. (Ex. 393; Ex. 282; Ex. 394; Ex. 395)

RESPONSE: Undisputed.

742. Jeffrey McConney caused the submission to Deutsche Bank in November 2017 of a compliance certificate pertaining to the 2016 Statement. On November 10, 2017, Jeffrey McConney was asked by Deutsche Bank to provide a guarantor compliance certificate pertaining to the Old Post Office loan. McConney requested to provide it the following week. (Ex. 396) Patrick Birney, who was supervised by Mr. McConney, provided the certificate the following week. (Ex. 397)

RESPONSE: Disputed. Patrick Birney caused the submission to Deutsche Bank of the compliance certificate. Faherty Aff. Ex. 397.

743. The Statements from 2016 to 2021 states that the Trustees of the Donald J. Trump Revocable Trust dated April 7, 2014, as amended, on behalf of Donald J. Trump are responsible for the accompanying financial statement. (Exs. 6-11)

RESPONSE: Undisputed.

744. The Statements from 2016 to 2020 further advise that that “Donald J. Trump transferred a significant portion of his assets and liabilities, including certain entities that he owned, to The Donald J. Trump Revocable Trust dated April 7, 2014, as amended (the "Trust"), or entities owned by the Trust, prior to Donald J. Trump being sworn in as President of the United States of America on January 20, 2017. (Ex. 6-10)

RESPONSE: Disputed. Plaintiff’s quote is inaccurate as to the 2016 SOFC. Faherty Aff. Ex. 6.

745. The Donald J. Trump Revocable Trust (“Trust”) was created by an instrument dated April 7, 2014 which established Donald J. Trump as sole Trustee of the Trust. (Ex. 398)

RESPONSE: Undisputed.

746. The entities held by the Trust in or about 2017 are accurately represented by the

organizational chart annexed to the Verified Complaint as Exhibit 2 (NYSCEF No. 4; NYSCEF No. 501 at ¶31; Ex. 51 at ¶1)

RESPONSE: Undisputed.

747. In December 2016 and January 2017, an internal restructuring occurred at the Trump Organization (Ex. 399) The document reflecting the restructuring states: “Through various assignments dated as of December 31, 2016, January 1 2017, and January 19, 2017, DJT transferred all of his direct interests in The Trump Organization and all entities affiliated therewith to the Trust or subsidiaries thereof.” (Ex. 399 at ~93)

RESPONSE: Undisputed that the document states as much.

748. Donald J. Trump was the beneficial owner of all Entity Defendants until he transferred his interest in the Entity Defendants to the Donald J. Trump Revocable Trust (“Trust”) in 2016 (Ex. 51 at ¶14)

RESPONSE: Undisputed.

749. By an undated instrument, Mr. Trump resigned as trustee of the Trust “in advance of [his] inauguration as president] effective January 19, 2017.” (Ex. 400)

RESPONSE: Undisputed.

750. By an undated instrument, Donald Trump Jr. accepted appointment as trustee of the Trust effective January 19, 2017. (Ex. 401)

RESPONSE: Undisputed.

751. By an undated instrument, Allen Weisselberg accepted appointment as “Business Trustee” of the Trust effective January 19, 2017. (Ex. 402)

RESPONSE: Undisputed.

752. On January 15, 2021 Mr. Trump executed a Removal of Trustee removing Allen

Weisselberg as Trustee of the Trust effective “as of 12:00 p.m. Eastern Standard Time, January 20, 2021.” (Ex. 403)

RESPONSE: Undisputed.

753. On January 15, 2021 Mr. Trump executed an Appointment and Acceptance of Trustee by which he appointed himself as Trustee of the Trust effective “as of 12:00 p.m. Eastern Standard Time, January 20, 2021.” (Ex. 388)

RESPONSE: Undisputed.

754. On January 19, 2021 Donald Trump Jr. and Allen Weisselberg executed an Amendment to Agreement of Trust that provided that on Mr. Trump’s ceasing to serve as President of the United States of America, Donald Trump Jr. and Allen Weisselberg would be removed as Trustees and Mr. Trump would be reinstated as sole Trustee of the Trust. (Ex. 404)

RESPONSE: Undisputed.

755. As of January 20, 2021 Mr. Trump was once again sole trustee of the Trust. (Ex. 405)

RESPONSE: Undisputed.

756. On July 7, 2021 Mr. Trump removed himself as Trustee of the Trust and appointed Donald Trump Jr. as Trustee of the Trust. (Ex. 406, Ex. 389)

RESPONSE: Undisputed.

757. Defendant Trump Organization, Inc. From May 1, 1981 to January 19, 2017, Mr. Trump was Director, President, and Chairman of the Trump Organization, Inc. From at least July 15, 2015 until May 16, 2016, Mr. Trump was the sole owner of the Trump Organization, Inc.

RESPONSE: Disputed. Plaintiff fails to support her statement with evidence.

758. Defendant Trump Organization LLC is a limited liability company doing business

in the State of New York with a principal place of business in New York, NY.

RESPONSE: Disputed. Plaintiff fails to support her statement with evidence.

759. By reorganization in 2017, DJT Holdings LLC accepted Donald J. Trump's membership interest in Trump Organization LLC. (Ex. 399)

RESPONSE: Undisputed.

760. DJT Holdings LLC is near the top of the corporate structure chart of the Trump Organization, owning interests in numerous subsidiary entities and sitting just below the Donald J. Trump Revocable Trust in its organizational position.

RESPONSE: Disputed. Plaintiff fails to support her statement with evidence.

761. In December 2016 and January 2017, an internal restructuring occurred at the Trump Organization. (Ex. 399) As part of the restructuring, Donald J. Trump, Jr. was appointed President of DJT Holdings LLC, and Allen Weisselberg was appointed Vice President, Treasurer and Secretary of that entity. (Ex. 399 at ~707)

RESPONSE: Undisputed.

762. DJT Holdings LLC holds an interest in Trump Organization, LLC, Trump Endeavor 12, LLC, 401 North Wabash Venture LLC, Trump Old Post Office LLC, 40 Wall Street LLC, and Seven Springs LLC. (Ex. 51 at ¶ 4)

RESPONSE: Undisputed.

763. By a document dated January 17, 2017, Donald Trump Jr. and Allen Weisselberg, respectively, signed a "Rider Adding Additional Indemnitor to General Agreement of Indemnity" to Zurich insurance company, to modify the 2009 "Agreement of General Indemnity" in order to add DJT Holdings LLC as an additional indemnitor. Donald Trump Jr. signed as "President" and Allen Weisselberg signed as "Treasurer/Vice President" of DJT

Holdings LLC. (Ex. 360)

RESPONSE: Undisputed.

764. DJT Holdings Managing Member LLC is near the top of the corporate structure chart of the Trump Organization, owning interests in numerous subsidiary entities and sitting just below the Donald J. Trump Revocable Trust in its organizational position. (Compl. Ex. 2, 2017 restructuring doc)

RESPONSE: Disputed. Defendants are unable to ascertain what evidence Plaintiff relies upon for her assertion.

765. In December 2016 and January 2017, an internal restructuring occurred at the Trump Organization. (Ex. 399) As part of the restructuring, Donald J. Trump, Jr. was appointed President of DJT Holdings Managing Member LLC, and Allen Weisselberg was appointed Vice President, Treasurer and Secretary of that entity. (Ex. 399 at ~707)

RESPONSE: Undisputed.

766. DJT Holdings Managing Member holds an interest in DJT Holdings LLC, Trump Organization, LLC, The Trump Organization, Inc., Trump Endeavor 12 LLC, 401 North Wabash Venture LLC, Trump Old Post Office LLC, 40 Wall Street LLC, and Seven Springs LLC. (Ex. 51 at ¶ 5)

RESPONSE: Undisputed.

767. Trump Endeavor 12 LLC signed a purchase and sale agreement for the Doral property and is the owner of the Doral Property. (Ex. 238, NYSCEF No. 501 Amended Answer of Donald J. Trump ¶ 571; NYSCEF No. 511 Amended Answer of Trump Endeavor 12 LLC at ¶28)

RESPONSE: Undisputed.

768. Trump Endeavor 12 LLC was the borrower in a loan agreement dated June 11, 2012. Donald J. Trump signed the agreement as President of Trump Endeavor 12 LLC. (Ex. 254 at -005931-33)

RESPONSE: Undisputed.

769. “In consideration of financial accommodations given or to be given or continued to Trump Endeavor 12, LLC” Donald J. Trump signed a guaranty agreement dated June 11, 2012. (Ex. 232 at -172, 188)

RESPONSE: Undisputed.

770. Donald J. Trump as President of Trump Endeavor 12 LLC signed a first amendment to term loan agreement dated November 9, 2012. (Ex. 408)

RESPONSE: Undisputed.

771. Donald J. Trump as guarantor for a loan to Trump Endeavor 12 LLC signed a first amended guaranty dated November 9, 2012. (Ex. 409 at -592)

RESPONSE: Undisputed to the extent Plaintiff relies on Faherty Aff. Ex. 409 at -502.

772. Donald J. Trump as President of Trump Endeavor 12 LLC signed a second amendment to term loan agreement dated August 12, 2013. (Ex. 410 at -3056)

RESPONSE: Undisputed.

773. Donald J. Trump as guarantor for a loan to Trump Endeavor 12 LLC signed a second amended guaranty dated August 12, 2013. (Ex. 411 at -854)

RESPONSE: Undisputed.

774. Donald J. Trump as President of Trump Endeavor 12 LLC signed a third amendment to term loan agreement dated August 12, 2014. (Ex. 412 at -864)

RESPONSE: Undisputed.

775. Donald J. Trump as guarantor for a loan to Trump Endeavor 12 LLC signed a third amended guaranty dated August 12, 2014. (Ex. 413 at -871)

RESPONSE: Undisputed.

776. Donald J. Trump as guarantor for a loan to Trump Endeavor 12 LLC signed a fourth amended guaranty dated August 7, 2015. (Ex. 414 at -8327)

RESPONSE: Undisputed.

777. 401 North Wabash Venture LLC owns the building doing business as Trump International Hotel & Tower, Chicago. (NYSCEF No. 505 (Amended Answer of 401 North Wabash Venture LLC) at ¶28)

RESPONSE: Undisputed.

778. North Wabash Venture LLC was the borrower on a hotel loan and a residential loan that closed November 9, 2012. The hotel and residential loan agreements were signed by Donald J. Trump as President of 401 North Wabash Venture LLC. (Ex. 234 at -6041; Ex. 278 at -5328; see also DJT Answer ¶ 607 (admitting “that Trump Chicago loan exists and was signed by Mr. Trump and Statements of Financial Condition were submitted pursuant to the loan”).

RESPONSE: Undisputed to the extent Plaintiff intended to cite to 401 North Wabash Venture LLC.

779. Donald J. Trump as guarantor signed guaranties in connection with both loan agreements on November 9, 2012. (Ex. 276; Ex. 277)

RESPONSE: Undisputed.

780. Donald J. Trump as President of 401 North Wabash Venture LLC signed a first amendment to term loan agreement dated June 2, 2014. (Ex. 280)

RESPONSE: Undisputed.

781. Donald J. Trump as guarantor for 401 North Wabash Venture LLC signed an amended and restated guaranty dated June 2, 2014. (Ex. 281)

RESPONSE: Undisputed.

782. Trump Old Post Office LLC is a Delaware entity that held a ground lease to operate Trump International Hotel, Washington, DC. (NYSCEF No. 509 (Amended Answer of Trump Old Post Office LLC) at ¶28)

RESPONSE: Undisputed.

783. Trump Old Post Office LLC was the borrower in a loan agreement dated August 12, 2014. The loan agreement was signed by Donald J. Trump as President of Trump Old Post Office LLC. (Ex. 233)

RESPONSE: Undisputed.

784. “In consideration of financial accommodations given or to be given or continued to Trump Old Post Office, LLC,” Donald J. Trump signed a guaranty agreement dated August 12, 2014. (Ex. 305)

RESPONSE: Undisputed.

785. Defendant 40 Wall Street LLC, a New York Limited Liability Corporation, which holds a ground lease for an office building located at 40 Wall Street, New York, NY.

RESPONSE: Disputed. Plaintiff fails to support her statement with evidence.

786. 40 Wall Street LLC was the borrower in a \$160 million loan agreement dated July 2, 2015, with Ladder Capital Finance. The loan agreement was signed by Donald J. Trump as President of 40 Wall Street LLC Member Corp—the managing member of 40 Wall Street LLC. (Ex. 415 at -2541)

RESPONSE: Undisputed.

787. Seven Springs LLC is a New York limited liability company that owns the Seven Springs estate, consisting of 212 acres of property within the towns of Bedford, New Castle, and North Castle in Westchester County, NY.

RESPONSE: Disputed. Plaintiff fails to support her statement with evidence.

788. Seven Springs LLC was the borrower on a loan and security agreement dated June 22, 2000. Donald J. Trump signed the loan and security agreement as President of Seven Springs LLC and as member of Bedford Hills Corporation. (Ex. 417)

RESPONSE: Undisputed.

789. Donald J. Trump as guarantor for the loan to Seven Springs LLC signed a guaranty dated June 22, 2000. (Ex. 330)

RESPONSE: Undisputed.

790. Donald J. Trump signed an agreement, that stated in consideration of a loan made to [Seven Springs LLC], the party signing below hereby agrees to send... a financial statement on a compilation basis reflecting an accurate evaluation of financial condition annually until the credit facility to [Seven Springs LLC] is terminated.” (Ex. 331; Ex. 332)

RESPONSE: Undisputed.

791. Donald J. Trump signed a Modification Agreement dated June 29, 2011, as President of Seven Springs LLC and as member of Bedford Hills Corporation. (Ex. 417)

RESPONSE: Undisputed.

792. Donald J. Trump signed a Modification Agreement dated July 28, 2014, on behalf of Seven Springs LLC through its members, as President of Bedford Hills Corporation and President of DJT Holdings LLC. (Ex. 418)

RESPONSE: Undisputed.

793. Per the terms of the agreement, Defendants Donald J. Trump, Donald Trump, Jr., Eric Trump, Allen Weisselberg, and Jeffrey McConney are bound by the tolling agreement executed by "The Trump Organization." (Ex. 419)

RESPONSE: Disputed. Defendants Donald J. Trump, Donald Trump Jr., Eric Trump, Allen Weisselberg, and Jeffrey McConney are not bound by the Tolling Agreement. Defs. SOF ¶¶ 265-74.

794. The tolling agreement binds all officer-members of the "Trump Organization."

RESPONSE: Disputed. The Tolling Agreement does not bind any officer-members or individual Defendants. Defs. SOF ¶¶ 265-74.
