

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

Franklin I.G.R.,

Civil No. 26-567 (DWF/DTS)

Petitioner,

v.

ORDER

Pamela Bondi, *Attorney General*; Kristi Noem, *Secretary, U.S. Department of Homeland Security*; Todd M. Lyons, *Acting Director of Immigration and Customs Enforcement*; and David Easterwood, *Acting Director, St. Paul Field Office Immigration and Customs Enforcement*,

Respondents.

On January 27, 2026, the Court granted Petitioner’s petition for writ of habeas corpus and ordered Petitioner’s immediate release “*without conditions.*” (Doc. No. 8 at 4 (emphasis added).) Petitioner filed an emergency motion for an order to show cause, explaining that while Petitioner was released, he was released on conditions. (Doc. No. 12.) Specifically, Petitioner’s release was conditioned on, among other conditions, his enrollment and successful participation in ICE’s Alternatives to Detention Program, which requires Petitioner to wear an ankle monitor, and his attendance at a check-in on February 10, 2026, at 9:00 a.m. (Doc. No. 13-1.) Petitioner asks that Respondents be directed to revoke all conditions placed on Petitioner’s release from unlawful detention or to proceed with a hearing on contempt.

The Court specifically declared that Petitioner's detention was unlawful and ordered his release without conditions. Respondents violated that order by imposing conditions on Petitioner's release. It is improper to impose conditions on someone's release after they have been unlawfully detained. The Court orders that these conditions be revoked by Respondents.

Accordingly, **IT IS HEREBY ORDERED** that:

1. Respondents are directed to revoke all conditions placed on Petitioner's release from unlawful detention.
2. Respondents shall file a status report confirming that any and all conditions placed on Petitioner's release have been revoked, no later than 1 p.m. today, February 9, 2026. Respondents must attach any documents that confirm the conditions were revoked.
3. If Respondents fail to timely file the status report or fail to revoke the release conditions, the Court will issue an order to show cause why Respondents should not be held in contempt, and a contempt hearing will be scheduled.
