STIPULATION

Counsel for the parties have conferred and jointly agreed on the following stipulation.

1. The IRS will pause further implementation of its directive ordering the removal of NTEU materials from the workplace. *See* Compl., Ex. 1 (May 29, 2026 email from the Acting Chief of IRS Facilities Management & Security Services (FMSS) to all FMSS employees);

2. IRS employees may resume putting NTEU materials on their individual workstations and in common areas where they were allowed before the IRS directive’s issuance;

3. The IRS will return to employees the NTEU materials that it has confiscated pursuant to the directive, to the extent that the IRS has not already lost, destroyed, or disposed of those materials; and

4. If the IRS reimplements the directive (in its initial form or in a revised form), the IRS will notify all employees, along with NTEU counsel and the Court, at least 5 days before the reimplemented policy becomes effective (e.g., if the reimplemented policy will become effective

on July 20, the IRS will provide notice on or by July 15). NTEU will then promptly notify the Court if it intends to renew its motion for a preliminary injunction.

5. Further proceedings on NTEU's motion for a preliminary injunction will be held in abeyance. Counsel for the parties will confer and file with the Court within one week (or on by July 8) a proposed briefing schedule for summary judgment motion(s).
